

1
00:00:12,049 --> 00:00:45,060
there we go god

2
00:00:55,930 --> 00:00:46,770
how do you hear me all right can you

3
00:00:59,979 --> 00:00:58,750
some people this was more difficult than

4
00:01:02,049 --> 00:00:59,989
it should have been I mean it's

5
00:01:06,460 --> 00:01:02,059
horrendous I'm not even using the

6
00:01:08,620 --> 00:01:06,470
software that I bought yesterday so good

7
00:01:24,880 --> 00:01:08,630
all right hopefully more people will be

8
00:01:26,740 --> 00:01:24,890
in here get a drink and my breath my

9
00:01:28,450 --> 00:01:26,750
brand new light is flickering which it

10
00:01:30,700 --> 00:01:28,460
should not be doing and I have no idea

11
00:01:38,980 --> 00:01:30,710
why it's plugged in so I'm probably

12
00:01:40,719 --> 00:01:38,990
gonna have to kill that one person all

13
00:01:42,940 --> 00:01:40,729

right yeah trust me

14

00:01:46,960 --> 00:01:42,950

the news I got today was good so we are

15

00:01:50,710 --> 00:01:46,970

still on track and I am excited let me
