

**The Biggest Secret of Disclosure - www.ufojoe.net -
@ufojoe11 on Twitter**

1
00:00:12,140 --> 00:00:07,579
I believe we are alive which is amazing

2
00:00:15,110 --> 00:00:12,150
if it is true let's see

3
00:00:25,250 --> 00:00:15,120
look it's LA oh my god we're live I

4
00:00:32,240 --> 00:00:25,260
think no I'm not sure let's see no we

5
00:00:35,840 --> 00:00:32,250
are live I'm not sure look we have

6
00:00:43,310 --> 00:00:35,850
people it's amazing we are live we kill

7
00:00:45,139 --> 00:00:43,320
my sound thanks Paul I am going to wait

8
00:00:47,810 --> 00:00:45,149
just a little bit see if we get a little

9
00:00:49,910 --> 00:00:47,820
more people and then I will talk and I

10
00:00:53,389 --> 00:00:49,920
have to pull my mic and go with the

11
00:00:54,889 --> 00:00:53,399
laptop mic because my laptop doesn't

12
00:00:57,439 --> 00:00:54,899
have enough power and I didn't have the

13
00:01:09,710 --> 00:00:57,449

right adapters yet I'm gonna start off

14

00:01:11,719 --> 00:01:09,720

like Linda Moulton Howe if I was if I

15

00:01:14,570 --> 00:01:11,729

was ill in the moment how I would start

16

00:01:16,700 --> 00:01:14,580

out like this and have my cat for the

17

00:01:19,190 --> 00:01:16,710

first 20 minutes and she's 21 and a half

18

00:01:20,960 --> 00:01:19,200

years old and she's really active and

19

00:01:22,850 --> 00:01:20,970

she would kill birds if she could but I

20

00:01:25,039 --> 00:01:22,860

think she's a little slow now right and

21

00:01:31,130 --> 00:01:25,049

I just woke her up she's mad anyway that

22

00:01:36,539 --> 00:01:34,469

let's see we have one a minute in we got

23

00:01:38,310 --> 00:01:36,549

21 people all right I'll wait till it's

24

00:01:40,980 --> 00:01:38,320

30 I thought it would be more of it

25

00:01:44,090 --> 00:01:40,990

hopefully we'll get more but all those

26
00:01:51,450 --> 00:01:44,100
all those pasts false starts I guess

27
00:01:55,289 --> 00:01:51,460
annoyed people what's up Chris 25 we're

28
00:01:56,730 --> 00:01:55,299
getting there and I'm just gonna answer

29
00:01:59,399 --> 00:01:56,740
whatever you guys want answer it it's

30
00:02:04,639 --> 00:01:59,409
best I can and actually I watched a

31
00:02:07,350 --> 00:02:04,649
little of I watched Melinda Leslie's

32
00:02:09,419 --> 00:02:07,360
summary of jimsim even I only got to

33
00:02:10,139 --> 00:02:09,429
watch like an hour but there's some good

34
00:02:12,930 --> 00:02:10,149
stuff in there

35
00:02:14,250 --> 00:02:12,940
that I will talk about we're almost at

36
00:02:17,400 --> 00:02:14,260
30 that mean I'll actually start out

37
00:02:20,699 --> 00:02:17,410
with that okay so Melinda Leslie said

38
00:02:22,559 --> 00:02:20,709

that Hal put it off is the one who is

39

00:02:25,650 --> 00:02:22,569

read in the deepest out of all the

40

00:02:27,150 --> 00:02:25,660

people so semi van told her that out of

41

00:02:30,900 --> 00:02:27,160

all the people that he knows and he's in

42

00:02:35,340 --> 00:02:30,910

contact allegedly so put off his right

43

00:02:37,530 --> 00:02:35,350

in the deepest and then as we all expect

44

00:02:39,690 --> 00:02:37,540

it she said that semi bein told her that

45

00:02:43,770 --> 00:02:39,700

Chris Mellon wrote the legislation for

46

00:02:45,270 --> 00:02:43,780

the Senate and tell select Intel Intel

47

00:02:46,800 --> 00:02:45,280

committee so it's like I know somebody

48

00:02:48,390 --> 00:02:46,810

said no he didn't write that but they

49

00:02:50,520 --> 00:02:48,400

said he basically wrote it so I mean

50

00:02:53,610 --> 00:02:50,530

that's not a surprise now the videos

51
00:02:55,380 --> 00:02:53,620
that Congress has seen are amazing they

52
00:02:58,830 --> 00:02:55,390
show everything that we always wanted to

53
00:03:00,449 --> 00:02:58,840
see we've seen the stuff we've seen is

54
00:03:02,039 --> 00:03:00,459
boring I mean come on compared to what

55
00:03:07,050 --> 00:03:02,049
we hear about 90-degree turns and stuff

56
00:03:09,420 --> 00:03:07,060
like that let's see and they want to get

57
00:03:11,849 --> 00:03:09,430
into the private you saps obviously and

58
00:03:13,699 --> 00:03:11,859
Mellon really wants that but whether or

59
00:03:16,770 --> 00:03:13,709
not that happens is another story so and

60
00:03:18,240 --> 00:03:16,780
then I Bob McGuire was on with Richard

61
00:03:21,900 --> 00:03:18,250
Dolan it was a members only thing I

62
00:03:23,759 --> 00:03:21,910
watched a little bit of it and you know

63
00:03:28,229 --> 00:03:23,769

he basically he read a letter signed by

64

00:03:30,630 --> 00:03:28,239

Wilson in 2004 late 2004 saying that

65

00:03:32,910 --> 00:03:30,640

Wilson was pissed and this is 2004

66

00:03:33,870 --> 00:03:32,920

that's seven years after he was rejected

67

00:03:36,149 --> 00:03:33,880

turned away because he didn't have

68

00:03:37,470 --> 00:03:36,159

need-to-know access so that tells you if

69

00:03:39,540 --> 00:03:37,480

he's still pissed off seven years he's

70

00:03:41,740 --> 00:03:39,550

probably still pissed off now so that

71

00:03:43,030 --> 00:03:41,750

guy he did his best

72

00:03:44,500 --> 00:03:43,040

you know I don't hold anything against

73

00:03:45,400 --> 00:03:44,510

him whatsoever but let's let's go with

74

00:03:59,170 --> 00:03:45,410

questions

75

00:04:01,600 --> 00:03:59,180

okay so I've never spoken to ralph

76
00:04:04,720 --> 00:04:01,610
Blumenthal after the whole thing leaked

77
00:04:07,450 --> 00:04:04,730
online I texted him and then I wrote him

78
00:04:08,920 --> 00:04:07,460
DM on Twitter and I had written and

79
00:04:16,020 --> 00:04:08,930
communicated with him on Twitter before

80
00:04:27,310 --> 00:04:18,789
asked some questions guys were like you

81
00:04:30,670 --> 00:04:29,290
yeah he wanted more information that

82
00:04:32,380 --> 00:04:30,680
subject but he was pissed off about

83
00:04:34,090 --> 00:04:32,390
being turned away it's something he

84
00:04:36,610 --> 00:04:34,100
thought he could have had oversight at

85
00:04:39,310 --> 00:04:36,620
and even after leaving when he left the

86
00:04:41,080 --> 00:04:39,320
DIA kik Greene told Richard Dolan that's

87
00:04:42,520 --> 00:04:41,090
when a lot of those guys get more access

88
00:04:46,120 --> 00:04:42,530

and he thought he would get more access

89

00:04:53,110 --> 00:04:46,130

and he didn't so 2002 with Eric Davis he

90

00:04:56,080 --> 00:04:53,120

was still pissed off I'm confident the

91

00:04:58,150 --> 00:04:56,090

claims in the memo or legit I don't know

92

00:05:00,190 --> 00:04:58,160

though I mean I don't know we have an

93

00:05:02,920 --> 00:05:00,200

intact craft I think we do from other

94

00:05:04,270 --> 00:05:02,930

people I've spoken with but the only way

95

00:05:06,070 --> 00:05:04,280

to know is to get there I mean you've

96

00:05:07,270 --> 00:05:06,080

got to go baby steps although the New

97

00:05:09,340 --> 00:05:07,280

York Times article is not gonna be a

98

00:05:12,490 --> 00:05:09,350

baby step it's gonna be huge just

99

00:05:15,880 --> 00:05:12,500

imagine we go from boring quote unquote

100

00:05:17,230 --> 00:05:15,890

boring UFO videos - oh yeah so once

101
00:05:18,430 --> 00:05:17,240
always looked into the crash retrieval

102
00:05:20,020 --> 00:05:18,440
program blah blah blah I don't know what

103
00:05:27,250 --> 00:05:20,030
they're gonna have but it's like I said

104
00:05:29,470 --> 00:05:27,260
the word I heard was substantial so my

105
00:05:31,180 --> 00:05:29,480
top three books yeah I have so many

106
00:05:33,220 --> 00:05:31,190
books probably three books I haven't

107
00:05:34,690 --> 00:05:33,230
read yet because I want to start getting

108
00:05:37,270 --> 00:05:34,700
into the interdimensional stuff like

109
00:05:38,890 --> 00:05:37,280
Jacques Vallee dimensions in the past

110
00:05:40,620 --> 00:05:38,900
I'm trying to think top three books I

111
00:05:45,000 --> 00:05:40,630
mean community was a big one for me

112
00:05:47,500 --> 00:05:45,010
gods of Eden made a big impact on me

113
00:05:49,000 --> 00:05:47,510

alien agenda Jim Mars was another one

114

00:05:51,310 --> 00:05:49,010

but there's so many there's so many

115

00:05:54,520 --> 00:05:51,320

books that I go back and forth on books

116

00:05:55,750 --> 00:05:54,530

that I read a lot Robert Monroe's far

117

00:05:57,310 --> 00:05:55,760

journeys journeys out of the body

118

00:05:58,750 --> 00:05:57,320

ultimate journey and that one of those

119

00:06:00,250 --> 00:05:58,760

books I think the second book or

120

00:06:03,700 --> 00:06:00,260

journeys he speaks about louche

121

00:06:06,670 --> 00:06:03,710

where these beings created us because

122

00:06:09,700 --> 00:06:06,680

they needed certain energy called louche

123

00:06:11,500 --> 00:06:09,710

and they fed off of that that's why

124

00:06:12,880 --> 00:06:11,510

that's not the probably the first time I

125

00:06:15,010 --> 00:06:12,890

heard that the first time I heard that

126

00:06:16,600 --> 00:06:15,020

whole negative beings feeding off of

127

00:06:18,190 --> 00:06:16,610

that is when I first got into this I

128

00:06:19,930 --> 00:06:18,200

would go to these lectures in Florida

129

00:06:21,820 --> 00:06:19,940

and this guy claimed to be this

130

00:06:23,410 --> 00:06:21,830

Palladian walk-in saw I was like all

131

00:06:25,240 --> 00:06:23,420

right whatever so I would pay 15 bucks

132

00:06:27,030 --> 00:06:25,250

and those extras were great and that's

133

00:06:29,920 --> 00:06:27,040

the first time I heard that theory I

134

00:06:32,320 --> 00:06:29,930

also first time I heard of a Denver

135

00:06:34,000 --> 00:06:32,330

International Airport and all the weird

136

00:06:35,110 --> 00:06:34,010

paintings that are that are there I know

137

00:06:37,360 --> 00:06:35,120

if you've ever been there but it's

138

00:06:40,360 --> 00:06:37,370

really weird public art it's like really

139

00:06:41,320 --> 00:06:40,370

it's really I don't know the word it's

140

00:06:43,330 --> 00:06:41,330

negative it's like

141

00:06:52,920 --> 00:06:43,340

it's like dead people in the pictures

142

00:06:57,309 --> 00:06:55,300

milah whoever is asking about Miller I

143

00:06:58,809 --> 00:06:57,319

mean read might go to my blog UFO

144

00:07:02,740 --> 00:06:58,819

jeanette i have a full interview with

145

00:07:04,809 --> 00:07:02,750

Miller there so yeah he has blood so I

146

00:07:05,890 --> 00:07:04,819

think is a real case I've made the

147

00:07:09,129 --> 00:07:05,900

argument that maybe it's negative

148

00:07:10,990 --> 00:07:09,139

because the dog was cut and then healed

149

00:07:12,459 --> 00:07:11,000

but you know that's me

150

00:07:14,529 --> 00:07:12,469

putting a human perspective on it you

151
00:07:17,170 --> 00:07:14,539
know there's somebody else that that's

152
00:07:19,540 --> 00:07:17,180
on Twitter it's called above as well as

153
00:07:21,520 --> 00:07:19,550
above so below and it's called look up

154
00:07:23,830 --> 00:07:21,530
he talked about a similar seeing a

155
00:07:27,029 --> 00:07:23,840
similar woman in one of his experiences

156
00:07:29,379 --> 00:07:27,039
and I've kind of always like you know I

157
00:07:31,450 --> 00:07:29,389
mean some people say it's Virgin Mary

158
00:07:32,619 --> 00:07:31,460
but I think he was saying he didn't know

159
00:07:35,830 --> 00:07:32,629
if it was et or interdimensional

160
00:07:38,800 --> 00:07:35,840
whatever it was but you know I think

161
00:07:40,390 --> 00:07:38,810
Bludso's has real experiences and the

162
00:07:45,159 --> 00:07:40,400
fact that semi van is interested tells

163
00:07:48,010 --> 00:07:45,169

you something I have no idea what's

164

00:07:51,010 --> 00:07:48,020

going to be in the New York Times

165

00:07:55,390 --> 00:07:51,020

article except crash retrieval possibly

166

00:07:57,969 --> 00:07:55,400

that 1961's nie document and if that's

167

00:08:00,010 --> 00:07:57,979

included that means mj-12 is included

168

00:08:01,570 --> 00:08:00,020

which means mj-12 is real and the rest

169

00:08:03,189 --> 00:08:01,580

of the world doesn't know what mj-12 is

170

00:08:06,459 --> 00:08:03,199

so they're not gonna bat an eye all

171

00:08:08,619 --> 00:08:06,469

totally interested but UFO the UFO world

172

00:08:10,300 --> 00:08:08,629

is gonna say you know they've all I've

173

00:08:12,040 --> 00:08:10,310

gotten so much flack for saying that

174

00:08:13,959 --> 00:08:12,050

document is real and I'm like hey it's

175

00:08:15,790 --> 00:08:13,969

not me it's the person I spoke to who

176

00:08:17,890 --> 00:08:15,800

had access to an office a three-letter

177

00:08:19,390 --> 00:08:17,900

agency and they look the original and I

178

00:08:21,249 --> 00:08:19,400

have people saying well this is wrong

179

00:08:23,019 --> 00:08:21,259

this is wrong this is wrong I mean I'm

180

00:08:24,939 --> 00:08:23,029

sorry I stick with my source and I think

181

00:08:26,829 --> 00:08:24,949

if that comes out there's gonna be a lot

182

00:08:28,570 --> 00:08:26,839

of people shaking their heads at how

183

00:08:30,309 --> 00:08:28,580

much how did they miss that I know

184

00:08:32,680 --> 00:08:30,319

there's been MJ 12 documents in the past

185

00:08:34,779 --> 00:08:32,690

where they said they were just retyped

186

00:08:40,329 --> 00:08:34,789

up but I think this one he saw the

187

00:08:42,250 --> 00:08:40,339

original I have no idea about where the

188

00:08:45,189 --> 00:08:42,260

crash retrievals from as far as time I

189

00:08:47,439 --> 00:08:45,199

don't know any of that stuff video

190

00:08:49,829 --> 00:08:47,449

footage is there it's whether or not one

191

00:08:52,569 --> 00:08:49,839

that what if they if they release it so

192

00:08:54,900 --> 00:08:52,579

it depends what happens with when when

193

00:08:56,970 --> 00:08:54,910

that legislation assuming it's passed

194

00:09:00,330 --> 00:08:56,980

that's the first step this this article

195

00:09:01,920 --> 00:09:00,340

could help that along because I think a

196

00:09:04,080 --> 00:09:01,930

lot of those people a lot of the members

197

00:09:08,090 --> 00:09:04,090

of Congress have been briefed about that

198

00:09:13,200 --> 00:09:11,310

didn't know about McCaslin but a lot of

199

00:09:16,410 --> 00:09:13,210

a lot of stuff is a New York Times

200

00:09:18,240 --> 00:09:16,420

article is coming out next week yeah it

201
00:09:19,650 --> 00:09:18,250
doesn't mean unidentified starts tonight

202
00:09:21,900 --> 00:09:19,660
so it doesn't coincide with second

203
00:09:23,760 --> 00:09:21,910
season I mean maybe they I don't think

204
00:09:25,140 --> 00:09:23,770
that's a big reason when you're talking

205
00:09:26,790 --> 00:09:25,150
about crash retrievals whether or not

206
00:09:27,990 --> 00:09:26,800
you're coinciding with the TV show but

207
00:09:33,060 --> 00:09:28,000
it could have played a role and

208
00:09:34,680 --> 00:09:33,070
unidentified starts tonight so I don't

209
00:09:36,330 --> 00:09:34,690
know what SLM 101 is Chris there's so

210
00:09:38,100 --> 00:09:36,340
much stuff I don't know you know I never

211
00:09:39,870 --> 00:09:38,110
got into documents I never got into

212
00:09:42,300 --> 00:09:39,880
mj-12 there's so much controversy so I

213
00:09:43,110 --> 00:09:42,310

ignored it until this document came out

214

00:09:45,240 --> 00:09:43,120

I'm like alright I have to at least

215

00:09:48,020 --> 00:09:45,250

include this document because my source

216

00:09:52,710 --> 00:09:51,240

any idea which ones was a bad Nagle what

217

00:09:54,840 --> 00:09:52,720

they look I don't know any of what

218

00:09:56,100 --> 00:09:54,850

anybody looks like I know I could tell

219

00:09:59,430 --> 00:09:56,110

you what I was told different groups

220

00:10:02,340 --> 00:09:59,440

which is mind-blowing inter-dimensional

221

00:10:03,930 --> 00:10:02,350

et Time Traveller's everything I've

222

00:10:05,310 --> 00:10:03,940

heard everything whether or not any of

223

00:10:08,220 --> 00:10:05,320

that is true I don't know but I would

224

00:10:10,500 --> 00:10:08,230

think a good mix of a lot of stuff all

225

00:10:13,320 --> 00:10:10,510

the above is there but the negative

226

00:10:15,540 --> 00:10:13,330

stuff would be interdimensional and gods

227

00:10:17,220 --> 00:10:15,550

of Eden says it's extraterrestrials but

228

00:10:18,810 --> 00:10:17,230

that were doing the manipulating of

229

00:10:20,450 --> 00:10:18,820

mankind but I don't think that's the

230

00:10:22,380 --> 00:10:20,460

case I think it's I think it's

231

00:10:25,310 --> 00:10:22,390

interdimensional and if that's the real

232

00:10:28,140 --> 00:10:25,320

story which we could start off right now

233

00:10:30,240 --> 00:10:28,150

let me see if I could figure how to play

234

00:10:36,200 --> 00:10:30,250

a video because this will tell you a

235

00:10:45,950 --> 00:10:36,210

little bit in my opinion share screen

236

00:10:53,790 --> 00:10:50,370

tire screen screen 1 all right so it

237

00:10:55,140 --> 00:10:53,800

might be a little messy right now it's

238

00:10:56,250 --> 00:10:55,150

gonna be messy but it doesn't matter

239

00:11:02,160 --> 00:10:56,260

you'll be able to see what I'm trying to

240

00:11:03,450 --> 00:11:02,170

get you to see hmm I'm gonna play you

241

00:11:03,990 --> 00:11:03,460

tell me if you hear this there it is

242

00:11:06,510 --> 00:11:04,000

there it is

243

00:11:13,070 --> 00:11:06,520

listen to this all right Elizondo last

244

00:11:15,660 --> 00:11:13,080

episode its season 1 of unidentified

245

00:11:17,010 --> 00:11:15,670

episode 6 just listen to this and then

246

00:11:18,690 --> 00:11:17,020

watch the ending you tell me if he

247

00:11:21,600 --> 00:11:18,700

doesn't know the real story and that

248

00:11:23,370 --> 00:11:21,610

story is way more than UFOs visiting and

249

00:11:32,640 --> 00:11:23,380

extraterrestrials tell me if you can

250

00:11:38,050 --> 00:11:32,650

hear it can you hear that just let me

251
00:11:47,860 --> 00:11:43,690
no audio wonderful I maybe I can't play

252
00:11:51,840 --> 00:11:47,870
videos anyway I will I'll just describe

253
00:11:56,230 --> 00:11:51,850
it so in that video

254
00:11:59,260 --> 00:11:56,240
Elizondo is asked do you think the

255
00:12:04,960 --> 00:11:59,270
American people can handle the truth and

256
00:12:06,400 --> 00:12:04,970
he goes and he walks off camera that's

257
00:12:08,410 --> 00:12:06,410
your answer right there that is your

258
00:12:11,170 --> 00:12:08,420
answer and I know people think well GTO

259
00:12:12,790 --> 00:12:11,180
follows it's extraterrestrials nope no

260
00:12:14,770 --> 00:12:12,800
way that's not going to cause him to

261
00:12:17,110 --> 00:12:14,780
walk off camera he's spoken about the

262
00:12:18,940 --> 00:12:17,120
possibility that it's not an atom sorry

263
00:12:20,260 --> 00:12:18,950

and it's not our tech he's talked about

264

00:12:22,270 --> 00:12:20,270

the possibility that that's something

265

00:12:24,400 --> 00:12:22,280

else for him to walk off camera like

266

00:12:26,560 --> 00:12:24,410

that and whether or not it was staged or

267

00:12:28,210 --> 00:12:26,570

not I don't know but for him to do that

268

00:12:33,760 --> 00:12:28,220

that's that's that should tell you a lot

269

00:12:37,600 --> 00:12:33,770

right there you have no sound for me

270

00:12:44,240 --> 00:12:37,610

right now or just no sound from the

271

00:12:47,870 --> 00:12:47,360

no sound unbelievable wonder what'd I

272

00:12:54,020 --> 00:12:47,880

tell you

273

00:12:56,390 --> 00:12:54,030

oh I'm fine okay so you don't need yeah

274

00:12:58,700 --> 00:12:56,400

yeah so I just described what Elizondo

275

00:13:00,500 --> 00:12:58,710

did so put his head down and walked off

276

00:13:03,080 --> 00:13:00,510

camera when asked if the American people

277

00:13:04,340 --> 00:13:03,090

could handle the truth and I don't think

278

00:13:06,260 --> 00:13:04,350

he followed she can handle the truth

279

00:13:07,520 --> 00:13:06,270

most of the people if I mentioned some

280

00:13:09,680 --> 00:13:07,530

of that stuff like when I bring up the

281

00:13:11,750 --> 00:13:09,690

long talking about all they feed off of

282

00:13:14,150 --> 00:13:11,760

our emotions and then he says the good

283

00:13:15,620 --> 00:13:14,160

emotions are like a truth missile to the

284

00:13:19,160 --> 00:13:15,630

heart of the negative Tiffany and he's

285

00:13:21,680 --> 00:13:19,170

like you know I get reactions from

286

00:13:23,720 --> 00:13:21,690

people like that's just Tom being Tom

287

00:13:25,640 --> 00:13:23,730

that's ridiculous that's craziness and

288

00:13:26,900 --> 00:13:25,650

like no it isn't go look go watch

289

00:13:29,750 --> 00:13:26,910

elizondo's response

290

00:13:32,090 --> 00:13:29,760

go read Jacques Vallee Eric Davis they

291

00:13:34,030 --> 00:13:32,100

talk about think six layers of the

292

00:13:36,800 --> 00:13:34,040

phenomenon that's really a good one to

293

00:13:38,420 --> 00:13:36,810

go read slide nine tell me why slide

294

00:13:39,890 --> 00:13:38,430

nine is in the eighth the eighth tip

295

00:13:42,050 --> 00:13:39,900

presentation where it says it can they

296

00:13:45,830 --> 00:13:42,060

can influence decision makers you know

297

00:13:47,510 --> 00:13:45,840

it's like that alone that slide has been

298

00:13:50,660 --> 00:13:47,520

so under I don't know why it's been

299

00:13:53,000 --> 00:13:50,670

ignored but it has I ignored it

300

00:13:55,250 --> 00:13:53,010

I was I was ignoring it Nia Danvers I I

301
00:13:57,200 --> 00:13:55,260
saw dan burisch in LA at a free lecture

302
00:13:59,080 --> 00:13:57,210
with David Wilcock showed up back in the

303
00:14:02,600 --> 00:13:59,090
days where David Wilcock wasn't totally

304
00:14:04,490 --> 00:14:02,610
over the edge but I don't I've rejected

305
00:14:07,130 --> 00:14:04,500
burisch but I've rejected a lot of stuff

306
00:14:09,890 --> 00:14:07,140
that in the last two weeks I've I've

307
00:14:11,180 --> 00:14:09,900
changed my mind on I'm gonna go for an

308
00:14:14,150 --> 00:14:11,190
hour and a half if you guys have enough

309
00:14:15,590 --> 00:14:14,160
questions yeah I have no idea how our

310
00:14:16,970 --> 00:14:15,600
interdimensional beams would travel I

311
00:14:18,440 --> 00:14:16,980
don't know any of that stuff I would

312
00:14:19,970 --> 00:14:18,450
think they would not need your craft I'm

313
00:14:22,360 --> 00:14:19,980

just telling you the the basics

314

00:14:27,530 --> 00:14:22,370

Thompkins is another one you know

315

00:14:30,850 --> 00:14:27,540

questionable 30 seconds of languaging

316

00:14:30,860 --> 00:14:37,639

all right well nothing to do about that

317

00:14:45,660 --> 00:14:41,370

yeah Shauna's a smart guy Chris smart

318

00:14:47,910 --> 00:14:45,670

guy it's a lot of stuff going on people

319

00:14:49,199 --> 00:14:47,920

I'm not you know when I talk about some

320

00:14:51,060 --> 00:14:49,209

of the stuff I'm talking about people

321

00:14:52,500 --> 00:14:51,070

like trust so I've spoken to so it's not

322

00:14:55,079 --> 00:14:52,510

like I'm just pulling it out of a book

323

00:14:57,360 --> 00:14:55,089

it's might be in a book but I also have

324

00:15:01,050 --> 00:14:57,370

people on top of that or saying this is

325

00:15:02,519 --> 00:15:01,060

what I think is going on in and first

326

00:15:07,470 --> 00:15:02,529

step will be the New York Times you'll

327

00:15:08,970 --> 00:15:07,480

see you know that myself and Chris and

328

00:15:11,880 --> 00:15:08,980

Danny Silva and Jill

329

00:15:13,410 --> 00:15:11,890

Leon oh and Richard Dolan and Grant

330

00:15:15,420 --> 00:15:13,420

Cameron and some other people you know

331

00:15:17,100 --> 00:15:15,430

we're just blowing smoke we all had

332

00:15:19,460 --> 00:15:17,110

people who were telling us stuff and

333

00:15:22,019 --> 00:15:19,470

especially Richard Richard nuisances

334

00:15:23,550 --> 00:15:22,029

2006 I mean you know he was shown to

335

00:15:25,470 --> 00:15:23,560

that two pages from the Wilson Davis

336

00:15:29,550 --> 00:15:25,480

documents since 2006 he's known for a

337

00:15:31,139 --> 00:15:29,560

long time and people talk about demons

338

00:15:33,800 --> 00:15:31,149

yeah there's a correlation and maybe the

339

00:15:35,490 --> 00:15:33,810

same thing but just a different name

340

00:15:36,780 --> 00:15:35,500

definitely you know especially

341

00:15:38,610 --> 00:15:36,790

possession you know if it's

342

00:15:40,590 --> 00:15:38,620

interdimensional and they could if they

343

00:15:42,630 --> 00:15:40,600

influence they can influence decision

344

00:15:44,160 --> 00:15:42,640

make decision makers then you know

345

00:15:45,660 --> 00:15:44,170

possession can't be off the table that's

346

00:15:48,540 --> 00:15:45,670

why I want people to look at slide 9 I

347

00:15:50,940 --> 00:15:48,550

mean it opens up the door to so much

348

00:15:52,500 --> 00:15:50,950

that stuff that we don't think it's

349

00:15:55,410 --> 00:15:52,510

possible most people in mainstream

350

00:16:02,329 --> 00:15:55,420

society are gonna be scared scared and

351
00:16:08,449 --> 00:16:04,280
UPS Twitter and I don't know what that

352
00:16:10,340 --> 00:16:08,459
is look ups oh sorry sorry I love this

353
00:16:13,730 --> 00:16:10,350
Twitter I love his Twitter and I've

354
00:16:15,049 --> 00:16:13,740
communicated with him privately it's

355
00:16:17,420 --> 00:16:15,059
important I think it's one of the more

356
00:16:18,889 --> 00:16:17,430
important Twitter accounts on there even

357
00:16:21,650 --> 00:16:18,899
if people said well this is new agey

358
00:16:23,509 --> 00:16:21,660
stuff lava blob like whatever look at it

359
00:16:24,980 --> 00:16:23,519
and if you're open to that stuff he has

360
00:16:26,540 --> 00:16:24,990
a lot of good information I can't say

361
00:16:28,879 --> 00:16:26,550
this is true or this is true but it

362
00:16:31,369 --> 00:16:28,889
resonates with me I think he's a really

363
00:16:33,410 --> 00:16:31,379

solid guy I think he's really important

364

00:16:36,100 --> 00:16:33,420

so just remember that I can't prove

365

00:16:39,410 --> 00:16:36,110

that but you know conversations

366

00:16:40,879 --> 00:16:39,420

privately a little bit and then most of

367

00:16:42,829 --> 00:16:40,889

it is just reading his material it's

368

00:16:44,989 --> 00:16:42,839

really good stuff i mean i i've seen

369

00:16:48,559 --> 00:16:44,999

some similar stuff when i first got into

370

00:16:50,119 --> 00:16:48,569

this in the 90s like 96 and then i was

371

00:16:51,769 --> 00:16:50,129

like this is interesting and then i

372

00:16:53,660 --> 00:16:51,779

rejected it and that came back so now

373

00:16:55,129 --> 00:16:53,670

i'm reading his stuff i'm like this

374

00:16:57,049 --> 00:16:55,139

stuff didn't make sense to me for a long

375

00:16:58,939 --> 00:16:57,059

time and I reject it but rejected it but

376

00:17:00,199 --> 00:16:58,949

now I'm starting to consider it like I

377

00:17:01,759 --> 00:17:00,209

said the last two and a half weeks I've

378

00:17:04,090 --> 00:17:01,769

opened my mind to a lot of stuff I

379

00:17:06,500 --> 00:17:04,100

reject it in the past

380

00:17:07,970 --> 00:17:06,510

thanks Julie I do need to do a drum

381

00:17:10,340 --> 00:17:07,980

stall in one of these days I gotta write

382

00:17:12,049 --> 00:17:10,350

it first yeah

383

00:17:14,539 --> 00:17:12,059

semia Vance said it's not a threat What

384

00:17:16,189 --> 00:17:14,549

did he say exactly Nathan what exactly

385

00:17:18,199 --> 00:17:16,199

this semi semi Vance say that's the

386

00:17:20,840 --> 00:17:18,209

problem we don't know so I need to see

387

00:17:23,179 --> 00:17:20,850

exactly what he said and some event had

388

00:17:25,970 --> 00:17:23,189

an abduction like experience with his

389

00:17:28,010 --> 00:17:25,980

wife who got cut so just put two and two

390

00:17:30,019 --> 00:17:28,020

together and I'm sure he knows whatever

391

00:17:32,450 --> 00:17:30,029

Elizondo knows too made him walk off

392

00:17:34,100 --> 00:17:32,460

camera he knows too so just just to keep

393

00:17:35,480 --> 00:17:34,110

that in mind we don't know exactly what

394

00:17:45,590 --> 00:17:35,490

semi man said which he could have

395

00:17:49,999 --> 00:17:47,990

we're not powerless Phil that's why I

396

00:17:51,560 --> 00:17:50,009

said on the upcoming video that James I

397

00:17:53,060 --> 00:17:51,570

and Dolly's putting out we need to look

398

00:17:54,919 --> 00:17:53,070

into meditation all that stuff

399

00:17:56,720 --> 00:17:54,929

consciousness and if you don't like that

400

00:17:57,799 --> 00:17:56,730

another thing I I can't kick can't tell

401
00:17:59,690 --> 00:17:57,809
you anything I mean remote viewing

402
00:18:02,210 --> 00:17:59,700
people reject that you need to look into

403
00:18:05,210 --> 00:18:02,220
all of that stuff you know and if we get

404
00:18:07,070 --> 00:18:05,220
the global population I've made an

405
00:18:08,749 --> 00:18:07,080
argument first thing I would try is you

406
00:18:10,009 --> 00:18:08,759
know say the whole world accepts this is

407
00:18:12,320 --> 00:18:10,019
true and I think they will because the

408
00:18:14,720 --> 00:18:12,330
evidence could be overwhelming get a and

409
00:18:16,850 --> 00:18:14,730
a meditation week of eight billion

410
00:18:18,379 --> 00:18:16,860
people doing meditation let's just see

411
00:18:21,110 --> 00:18:18,389
what that happens maybe it doesn't have

412
00:18:24,080 --> 00:18:21,120
an effect on anything but it's free we

413
00:18:25,909 --> 00:18:24,090

can all do it and you know that's where

414

00:18:27,529 --> 00:18:25,919

I would start and people just need to

415

00:18:29,629 --> 00:18:27,539

start educating themselves taking their

416

00:18:31,310 --> 00:18:29,639

free classes for meditation that's just

417

00:18:33,200 --> 00:18:31,320

number one and you know it gets deeper

418

00:18:35,240 --> 00:18:33,210

than that and that's some of the stuff

419

00:18:37,490 --> 00:18:35,250

that look has spoken about you know look

420

00:18:43,909 --> 00:18:37,500

up that's number one I don't think we're

421

00:18:46,220 --> 00:18:43,919

powerless whatsoever yeah you think he's

422

00:18:48,049 --> 00:18:46,230

a cultist that's fine doesn't matter I

423

00:18:49,850 --> 00:18:48,059

don't care what he is his information is

424

00:18:52,909 --> 00:18:49,860

good to me so I don't care what you

425

00:18:56,899 --> 00:18:52,919

label them if New York Times drops

426

00:18:59,180 --> 00:18:56,909

tomorrow I'm going to go more into the

427

00:19:00,950 --> 00:18:59,190

other dimensional stuff because people

428

00:19:03,139 --> 00:19:00,960

are gonna ask so what are they that's

429

00:19:05,330 --> 00:19:03,149

and if I if if these beings are that

430

00:19:07,580 --> 00:19:05,340

events they could make they can manifest

431

00:19:10,730 --> 00:19:07,590

the UFO they can manifest a being like a

432

00:19:12,049 --> 00:19:10,740

grace like that you know that that's

433

00:19:13,159 --> 00:19:12,059

gonna be really difficult to try to

434

00:19:15,529 --> 00:19:13,169

figure out what's and that sounds

435

00:19:17,480 --> 00:19:15,539

ridiculous but listen to miss mister X's

436

00:19:19,399 --> 00:19:17,490

physics talks and it sounds like that's

437

00:19:21,950 --> 00:19:19,409

what he's talking about and read the

438

00:19:23,509 --> 00:19:21,960

valet Davis six layer of paper and they

439

00:19:25,490 --> 00:19:23,519

talk about stuff where the UFO can take

440

00:19:27,350 --> 00:19:25,500

any shape it wants so it seems like it's

441

00:19:29,930 --> 00:19:27,360

coming from it's coming from a psychic

442

00:19:31,789 --> 00:19:29,940

level and they use that word Eric Davis

443

00:19:33,470 --> 00:19:31,799

and Jacque will a is from psychic and it

444

00:19:35,389 --> 00:19:33,480

becomes physical and it becomes two

445

00:19:37,100 --> 00:19:35,399

objects and it becomes a triangle then

446

00:19:38,810 --> 00:19:37,110

it becomes a ball and it's like you know

447

00:19:41,060 --> 00:19:38,820

it could take any take any shape it

448

00:19:42,560 --> 00:19:41,070

wants so I mean probably can go from

449

00:19:49,360 --> 00:19:42,570

physical to non-physical to that's why

450

00:19:54,100 --> 00:19:51,710

the release of the Wilson documents what

451
00:19:57,320 --> 00:19:54,110
is TTS truck I think TC I say I think

452
00:19:58,760 --> 00:19:57,330
TTS I yet grant camera and I said there

453
00:20:01,190 --> 00:19:58,770
are multiple groups of disclosure and I

454
00:20:03,680 --> 00:20:01,200
think TTS A's had a long-range plan I

455
00:20:05,960 --> 00:20:03,690
think grant said seven years but once

456
00:20:07,730 --> 00:20:05,970
last year happened and then Elizondo

457
00:20:09,620 --> 00:20:07,740
went on Fox News and said we have debris

458
00:20:11,120 --> 00:20:09,630
from a UFO I think I don't know what

459
00:20:12,380 --> 00:20:11,130
started first but I think that's when

460
00:20:14,390 --> 00:20:12,390
the New York Times started looking into

461
00:20:16,010 --> 00:20:14,400
the crash retrievals and now that it's

462
00:20:19,130 --> 00:20:16,020
coming out with hopefully the cherry on

463
00:20:20,600 --> 00:20:19,140

top in Wilson Davis there's no putting

464

00:20:21,770 --> 00:20:20,610

the genie back into the bottle I think

465

00:20:25,430 --> 00:20:21,780

another group out there would like to go

466

00:20:26,870 --> 00:20:25,440

slower too late I mean and and I

467

00:20:30,020 --> 00:20:26,880

understand that because this is a huge

468

00:20:32,060 --> 00:20:30,030

it's a huge story and you know who the

469

00:20:34,100 --> 00:20:32,070

hell wants to break this news to the

470

00:20:36,830 --> 00:20:34,110

American public it's gonna be a it's

471

00:20:40,010 --> 00:20:36,840

gonna be like a two-by-four I mean we go

472

00:20:42,200 --> 00:20:40,020

from okay UFO videos oh yeah we have a

473

00:20:45,320 --> 00:20:42,210

saucer and some bodies and we may have

474

00:20:48,560 --> 00:20:45,330

more than that so it's that's why I say

475

00:20:51,020 --> 00:20:48,570

it's world-changing it's my source good

476

00:20:53,000 --> 00:20:51,030

enough for next week we'll see I don't

477

00:20:54,590 --> 00:20:53,010

know the source is great whether or not

478

00:20:58,820 --> 00:20:54,600

they changed the date that's not up to

479

00:21:00,560 --> 00:20:58,830

the source always editor decision and

480

00:21:09,650 --> 00:21:00,570

though the big people at the New York

481

00:21:12,110 --> 00:21:09,660

Times trying to keep up I need you know

482

00:21:14,000 --> 00:21:12,120

somebody told me to look the you know

483

00:21:15,380 --> 00:21:14,010

one group that I rejected is the farside

484

00:21:16,970 --> 00:21:15,390

Institute so you need to look at them

485

00:21:19,630 --> 00:21:16,980

they had a really big problem back with

486

00:21:23,360 --> 00:21:19,640

the hale-bopp comet back in 96 where

487

00:21:25,970 --> 00:21:23,370

Heaven's Gate said mentioned their work

488

00:21:28,220 --> 00:21:25,980

is basically Courtney Brown's group

489

00:21:30,350 --> 00:21:28,230

Farsight said there was a spaceship next

490

00:21:31,850 --> 00:21:30,360

to the hale-bopp comet and then the

491

00:21:33,680 --> 00:21:31,860

people from Heaven's Gate said oh we're

492

00:21:34,760 --> 00:21:33,690

gonna hook onto that comet and blah blah

493

00:21:36,200 --> 00:21:34,770

blah and the next thing they all

494

00:21:38,360 --> 00:21:36,210

committed suicide and it was just a

495

00:21:40,640 --> 00:21:38,370

disaster and then a picture came out

496

00:21:42,740 --> 00:21:40,650

that was faked from Chuck Hamrick

497

00:21:44,300 --> 00:21:42,750

Emmerich I think his name was and so

498

00:21:46,190 --> 00:21:44,310

that's what Farsight had a horrible

499

00:21:48,350 --> 00:21:46,200

reputation I remember talking to

500

00:21:49,670 --> 00:21:48,360

prudence Calabrese who was the webmaster

501
00:21:51,620 --> 00:21:49,680
at the time one of the remote viewers

502
00:21:53,030 --> 00:21:51,630
she said she was she was pregnant she

503
00:21:54,980 --> 00:21:53,040
almost went into premature labor it was

504
00:21:56,510 --> 00:21:54,990
so stressful back then but they've

505
00:21:58,220 --> 00:21:56,520
recovered and supposedly a lot of

506
00:22:00,110 --> 00:21:58,230
information they're getting jives with

507
00:22:01,460 --> 00:22:00,120
some other people are getting so I think

508
00:22:03,320 --> 00:22:01,470
their archives is where you

509
00:22:05,000 --> 00:22:03,330
to look and that's what you'll find some

510
00:22:06,440 --> 00:22:05,010
of the dark stuff and you're like waltz

511
00:22:07,909 --> 00:22:06,450
remote-viewing we can't prove it I'm

512
00:22:09,260 --> 00:22:07,919
like that's true but go to different

513
00:22:16,010 --> 00:22:09,270

sources and see if you find the same

514

00:22:17,419 --> 00:22:16,020

information elsewhere yeah George Knapp

515

00:22:18,440 --> 00:22:17,429

talked about if what if what if the

516

00:22:19,669 --> 00:22:18,450

truth is they're here and they could

517

00:22:21,440 --> 00:22:19,679

watch you while you're taking a shower

518

00:22:23,210 --> 00:22:21,450

that was a nice way of putting it so

519

00:22:28,390 --> 00:22:23,220

that's basically what's going on in my

520

00:22:34,580 --> 00:22:31,760

yeah disclosure is gonna happen with us

521

00:22:36,799 --> 00:22:34,590

I don't think humans have control of

522

00:22:38,180 --> 00:22:36,809

disclosure right now of course the

523

00:22:40,159 --> 00:22:38,190

others can do whatever they want and

524

00:22:41,360 --> 00:22:40,169

expose themselves and come public and

525

00:22:43,730 --> 00:22:41,370

but I don't think that's happening right

526

00:22:45,020 --> 00:22:43,740

now maybe in the future we'll see I mean

527

00:22:47,120 --> 00:22:45,030

who knows all sudden we start seeing

528

00:22:51,110 --> 00:22:47,130

UFOs in the sky

529

00:22:54,020 --> 00:22:51,120

there's everywhere that would be amazing

530

00:22:58,370 --> 00:22:54,030

but you know how old are the others no

531

00:23:02,390 --> 00:22:58,380

idea cosmic journey is his Cortney

532

00:23:04,010 --> 00:23:02,400

Browns book right Chris and I saw him

533

00:23:05,930 --> 00:23:04,020

lecture in 96 with that book he was

534

00:23:10,490 --> 00:23:05,940

promoting and I yeah that's what got me

535

00:23:12,230 --> 00:23:10,500

interested in a remote viewing depending

536

00:23:14,060 --> 00:23:12,240

on at 8:00 Amy Jackson yeah I don't

537

00:23:17,899 --> 00:23:14,070

think raah I don't think Amy Jacobson's

538

00:23:20,500 --> 00:23:17,909

opinion I don't know Chris tell me what

539

00:23:22,700 --> 00:23:20,510

it is no it doesn't tell me anything

540

00:23:24,710 --> 00:23:22,710

Jacobson's Roswell crash that it

541

00:23:28,580 --> 00:23:24,720

involved Russians I don't think so

542

00:23:31,430 --> 00:23:28,590

you know I think that's wrong vali Davis

543

00:23:37,399 --> 00:23:31,440

paper I have it oh I'll put it on

544

00:23:38,600 --> 00:23:37,409

Twitter if you give me a second I was

545

00:23:40,310 --> 00:23:38,610

that's what I was gonna write about I

546

00:23:43,159 --> 00:23:40,320

was gonna I was picking each part of it

547

00:23:45,080 --> 00:23:43,169

apart but it's just so much stuff so I'm

548

00:23:47,750 --> 00:23:45,090

gonna put it on Twitter right now and

549

00:23:49,870 --> 00:23:47,760

it's it's really good I don't know if it

550

00:23:52,880 --> 00:23:49,880

talks about influencing decision makers

551
00:23:54,080 --> 00:23:52,890
but it goes through and you read this

552
00:23:56,960 --> 00:23:54,090
you know like how come this isn't a

553
00:23:58,880 --> 00:23:56,970
bigger deal like I really have not

554
00:24:01,370 --> 00:23:58,890
talked about it with Eric Davis but I

555
00:24:06,070 --> 00:24:01,380
will don't know I'm sure he'll talk

556
00:24:06,080 --> 00:24:11,139
just put it up so

557
00:24:17,839 --> 00:24:16,190
let's see if it's there there it is and

558
00:24:20,149 --> 00:24:17,849
one of the things I talked about in my

559
00:24:25,849 --> 00:24:20,159
video - James I am doli which he's

560
00:24:27,200 --> 00:24:25,859
posting today is dark you know Tom

561
00:24:28,820 --> 00:24:27,210
DeLonge said that when he spoke to the

562
00:24:30,950 --> 00:24:28,830
government government person that he

563
00:24:32,899 --> 00:24:30,960

said the government's done some really

564

00:24:34,459 --> 00:24:32,909

bad things and that's a problem we have

565

00:24:36,049 --> 00:24:34,469

to begin with that because if people

566

00:24:37,729 --> 00:24:36,059

were murdered like James Forrestal or

567

00:24:41,419 --> 00:24:37,739

somebody else I have a friend who was

568

00:24:42,709 --> 00:24:41,429

threatened after her her sighting family

569

00:24:44,509 --> 00:24:42,719

was threatened so if that kind of stuff

570

00:24:46,930 --> 00:24:44,519

happened if those people are still alive

571

00:24:50,599 --> 00:24:46,940

do we put them in jail you know so

572

00:24:52,430 --> 00:24:50,609

that's a big issue you know my camera

573

00:24:56,450 --> 00:24:52,440

Mike my um laptop battery's gonna die

574

00:24:58,639 --> 00:24:56,460

but I can still put YouTube on here just

575

00:25:01,909 --> 00:24:58,649

in case that happens I can give power I

576

00:25:07,519 --> 00:25:01,919

will answer questions one second alright

577

00:25:13,579 --> 00:25:07,529

so that is there just in case ah let's

578

00:25:16,609 --> 00:25:13,589

see yep no problem the valley stuff is

579

00:25:18,200 --> 00:25:16,619

on there Creek yeah KITT green is an

580

00:25:21,109 --> 00:25:18,210

enigma and a lot of people have used

581

00:25:23,509 --> 00:25:21,119

that word kick green read if you did you

582

00:25:25,909 --> 00:25:23,519

read my tweet about kick green saying to

583

00:25:28,129 --> 00:25:25,919

this psychic intuitive he said you have

584

00:25:31,009 --> 00:25:28,139

proven that some of your information

585

00:25:33,469 --> 00:25:31,019

comes from the others when I read that I

586

00:25:36,109 --> 00:25:33,479

was like what he's mr. conservative so I

587

00:25:38,989 --> 00:25:36,119

asked him about it and his final answer

588

00:25:40,820 --> 00:25:38,999

to me was I can't defend that so I think

589

00:25:44,239 --> 00:25:40,830

he's very conservative and likes to play

590

00:25:45,529 --> 00:25:44,249

devil's advocate but I think you'll see

591

00:25:48,979 --> 00:25:45,539

him if he goes public he'll have a

592

00:25:50,180 --> 00:25:48,989

different opinion it was a default in

593

00:25:52,519 --> 00:25:50,190

the 80s yeah I don't know it I don't

594

00:25:55,669 --> 00:25:52,529

know that book Chris I don't know

595

00:25:57,859 --> 00:25:55,679

probably 90% of the UFO books yeah I

596

00:25:59,539 --> 00:25:57,869

know kick reading does act CIA sometimes

597

00:26:00,889 --> 00:25:59,549

I don't know what's going on and I'm not

598

00:26:03,320 --> 00:26:00,899

the only one who feels that way he's

599

00:26:04,759 --> 00:26:03,330

confused a lot of people but people who

600

00:26:06,409 --> 00:26:04,769

know him just say he's a really great

601
00:26:08,839 --> 00:26:06,419
guy I mean he took two hours out of his

602
00:26:10,399 --> 00:26:08,849
day to talk with me and follow up on it

603
00:26:12,139 --> 00:26:10,409
and you're like well maybe he was trying

604
00:26:17,060 --> 00:26:12,149
to convince you of something maybe but

605
00:26:18,829 --> 00:26:17,070
you know he took time and he he does a

606
00:26:21,440 --> 00:26:18,839
lot of the work with the experimenter is

607
00:26:23,010 --> 00:26:21,450
pro bono so they get it for free and I

608
00:26:25,320 --> 00:26:23,020
don't know what the percentage

609
00:26:27,570 --> 00:26:25,330
but a lot of his experiences die young I

610
00:26:30,720 --> 00:26:27,580
mean they get cancer from close-up

611
00:26:32,970 --> 00:26:30,730
exposure to these vehicles and you know

612
00:26:33,900 --> 00:26:32,980
they think they're not from you know

613
00:26:36,150 --> 00:26:33,910

they don't they don't think they're

614

00:26:38,190 --> 00:26:36,160

human and Eric Davis is spoken about how

615

00:26:40,490 --> 00:26:38,200

beautiful czar bad news that should tell

616

00:26:46,470 --> 00:26:40,500

you something to all UFOs are bad news

617

00:26:50,370 --> 00:26:46,480

but he has a defense background so Lazar

618

00:26:52,830 --> 00:26:50,380

I wrote an article on go to our website

619

00:26:55,020 --> 00:26:52,840

UFO Joe net I wrote an article that Bob

620

00:26:57,360 --> 00:26:55,030

Lazar made up his whole cockamamie story

621

00:27:01,050 --> 00:26:57,370

that's a quote from Eric Davis and I was

622

00:27:03,870 --> 00:27:01,060

always 50/50 then 6040 against him and

623

00:27:05,280 --> 00:27:03,880

now I think he's telling the truth just

624

00:27:07,710 --> 00:27:05,290

looking back at a lot of stuff I

625

00:27:08,790 --> 00:27:07,720

rejected just him seeing that craft on

626

00:27:10,950 --> 00:27:08,800

Wednesday and no they said it was a

627

00:27:12,750 --> 00:27:10,960

particle beam and I think it was one of

628

00:27:16,170 --> 00:27:12,760

the test flights and he saw three three

629

00:27:17,820 --> 00:27:16,180

Wednesday's in a row and he also he's so

630

00:27:20,430 --> 00:27:17,830

believable and that always bothered me

631

00:27:22,110 --> 00:27:20,440

it's like if he's not if he's lying he's

632

00:27:24,480 --> 00:27:22,120

so good and I know there are people have

633

00:27:27,180 --> 00:27:24,490

pathological liars that we all of us

634

00:27:28,860 --> 00:27:27,190

know and he doesn't come across like

635

00:27:30,750 --> 00:27:28,870

that so it just clicked in my head I'm

636

00:27:36,000 --> 00:27:30,760

like yeah you rejected this and you need

637

00:27:38,010 --> 00:27:36,010

to relook at it again yeah he says

638

00:27:38,430 --> 00:27:38,020

there's nine crafts so that's another

639

00:27:40,380 --> 00:27:38,440

thing

640

00:27:42,020 --> 00:27:40,390

do we have alien reproduction vehicles

641

00:27:44,460 --> 00:27:42,030

is that what those nine crafts were and

642

00:27:46,500 --> 00:27:44,470

look at my miller interview on my on my

643

00:27:49,590 --> 00:27:46,510

site because he talks about he believes

644

00:27:53,460 --> 00:27:49,600

there are there are craft that we have

645

00:27:55,800 --> 00:27:53,470

that you know that defy gravity and read

646

00:27:58,080 --> 00:27:55,810

the two-page letter to Eric Davis in the

647

00:27:59,400 --> 00:27:58,090

Wilson Davis documents Miller's it's

648

00:28:02,100 --> 00:27:59,410

right off the bat it's like the third

649

00:28:04,710 --> 00:28:02,110

page in he talks about helping Eric and

650

00:28:07,200 --> 00:28:04,720

how put off get access to some of these

651
00:28:09,180 --> 00:28:07,210
groups that know about ARVs people need

652
00:28:12,750 --> 00:28:09,190
to read that stuff take your time and

653
00:28:14,190 --> 00:28:12,760
read it go through it yeah we definitely

654
00:28:15,360 --> 00:28:14,200
need to address what crimes if any

655
00:28:17,520 --> 00:28:15,370
crimes were done it's gonna be hard to

656
00:28:19,170 --> 00:28:17,530
prove though for ourselves of forestalls

657
00:28:19,950 --> 00:28:19,180
a good place to start I need to this a

658
00:28:21,750 --> 00:28:19,960
documentary

659
00:28:24,240 --> 00:28:21,760
I'm about to order from Peter Robbins

660
00:28:26,870 --> 00:28:24,250
it's not out yet streaming but I can I'm

661
00:28:30,710 --> 00:28:26,880
gonna get I'm gonna buy a DVD from him

662
00:28:33,330 --> 00:28:30,720
yeah Nolan and kick green work together

663
00:28:35,360 --> 00:28:33,340

he thinks it's secrets human tech I

664

00:28:38,270 --> 00:28:35,370

don't think so

665

00:28:50,780 --> 00:28:38,280

the people around him and they they

666

00:28:52,580 --> 00:28:50,790

don't agree actually I also think these

667

00:28:55,400 --> 00:28:52,590

interdimensional beings are really

668

00:28:57,080 --> 00:28:55,410

forcing people to make decisions which

669

00:28:59,210 --> 00:28:57,090

are causing these Wars and that's

670

00:29:01,520 --> 00:28:59,220

exactly where I'm going and I've heard

671

00:29:03,140 --> 00:29:01,530

that from multiple people and it's the

672

00:29:05,270 --> 00:29:03,150

most scariest thing you can imagine then

673

00:29:08,210 --> 00:29:05,280

the most craziest idea you can bring up

674

00:29:11,090 --> 00:29:08,220

and I think it's going on so you know

675

00:29:13,340 --> 00:29:11,100

cannot prove it cannot prove it you know

676
00:29:15,590 --> 00:29:13,350
but there's something some things I see

677
00:29:17,570 --> 00:29:15,600
that are going on with our our president

678
00:29:18,799 --> 00:29:17,580
make me wonder and I know I disagree

679
00:29:20,720 --> 00:29:18,809
with a lot of what he does but this

680
00:29:23,690 --> 00:29:20,730
stuff has been going on recently so far

681
00:29:26,240 --> 00:29:23,700
off the charts I mean it's so it's so

682
00:29:29,540 --> 00:29:26,250
it's just baffling to me and it's not a

683
00:29:31,250 --> 00:29:29,550
political thing whatsoever so I don't

684
00:29:32,360 --> 00:29:31,260
know how you how do you prove that we'd

685
00:29:34,010 --> 00:29:32,370
have to be able to see into the other

686
00:29:35,260 --> 00:29:34,020
dimensions will we ever be able to do

687
00:29:37,340 --> 00:29:35,270
that

688
00:29:38,840 --> 00:29:37,350

someone said Marco Rubio is part of a

689

00:29:40,700 --> 00:29:38,850

secret group of religious people who

690

00:29:45,110 --> 00:29:40,710

know about it in our handling issue as

691

00:29:47,419 --> 00:29:45,120

demonic yeah they say it's demonic and I

692

00:29:48,890 --> 00:29:47,429

now after going through everything I

693

00:29:50,530 --> 00:29:48,900

could see why they would say that but

694

00:29:53,750 --> 00:29:50,540

that's only one aspect of it you know

695

00:29:56,540 --> 00:29:53,760

there may be neutral interdimensional

696

00:29:58,340 --> 00:29:56,550

'he's positive interdimensional 's et's

697

00:30:02,960 --> 00:29:58,350

which i was told we don't know much

698

00:30:05,060 --> 00:30:02,970

about so it's a whole bunch of stuff if

699

00:30:07,100 --> 00:30:05,070

the people i've spoken to or right so

700

00:30:10,250 --> 00:30:07,110

you know there may be one aspect that's

701
00:30:14,210 --> 00:30:10,260
demonic quote-unquote but that's just

702
00:30:16,520 --> 00:30:14,220
one small part of it you know if there

703
00:30:18,530 --> 00:30:16,530
was an invasion that led to a military

704
00:30:21,080 --> 00:30:18,540
conflict with et would you be skeptical

705
00:30:24,470 --> 00:30:21,090
and take careers into account yeah I

706
00:30:26,240 --> 00:30:24,480
mean I would be skeptical but I don't

707
00:30:28,010 --> 00:30:26,250
think ETS are invading I think it's more

708
00:30:29,330 --> 00:30:28,020
like I think the the problem we face is

709
00:30:34,960 --> 00:30:29,340
more on an injured mention in a

710
00:30:37,280 --> 00:30:34,970
dimensional non-physical level so

711
00:30:38,870 --> 00:30:37,290
universe where time goes backward it's

712
00:30:40,549 --> 00:30:38,880
funny I have that article saved because

713
00:30:41,660 --> 00:30:40,559

I kind of rejected it the first time I

714

00:30:43,520 --> 00:30:41,670

see it you know it's said that on

715

00:30:46,100 --> 00:30:43,530

universe that that goes backward but

716

00:30:48,169 --> 00:30:46,110

there's something that somebody said and

717

00:30:49,590 --> 00:30:48,179

I have to find it it might be in that in

718

00:30:51,630 --> 00:30:49,600

the Davis valet paper

719

00:30:53,100 --> 00:30:51,640

talking about another universe right

720

00:30:54,330 --> 00:30:53,110

next to ours where time is different

721

00:30:56,789 --> 00:30:54,340

then I said I need to pull up that

722

00:30:58,320 --> 00:30:56,799

DeLong took the article that references

723

00:30:59,909 --> 00:30:58,330

what the long was talking about another

724

00:31:01,590 --> 00:30:59,919

universe where time goes backwards they

725

00:31:04,080 --> 00:31:01,600

may be that may be true the mainstream

726

00:31:06,450 --> 00:31:04,090

has rejected it of course but Book of

727

00:31:07,860 --> 00:31:06,460

Daniel Angel of Persia yeah I'm I'm sure

728

00:31:10,320 --> 00:31:07,870

there's a lot of stuff in there that I'm

729

00:31:12,360 --> 00:31:10,330

gonna read if I had time to read all

730

00:31:14,970 --> 00:31:12,370

this stuff you know whenever a lot I

731

00:31:16,919 --> 00:31:14,980

have a really religious family so they

732

00:31:18,690 --> 00:31:16,929

are worried about me I mean when when

733

00:31:20,549 --> 00:31:18,700

heaven's gate commits suicide my mom

734

00:31:23,310 --> 00:31:20,559

called me and said didi did you know

735

00:31:26,899 --> 00:31:23,320

those people I'm like no mom I did not

736

00:31:32,370 --> 00:31:30,000

the agree or is quiet on Wilson Davis

737

00:31:33,779 --> 00:31:32,380

I'm not sure why I don't know why he

738

00:31:37,289 --> 00:31:33,789

hasn't really said much but I do have a

739

00:31:39,120 --> 00:31:37,299

question in to Grier something related

740

00:31:40,440 --> 00:31:39,130

to Wilson Davis but it's not Wilson

741

00:31:44,700 --> 00:31:40,450

Davis and I don't want to say what it is

742

00:31:47,039 --> 00:31:44,710

now I want to work on it yeah it's it's

743

00:31:48,380 --> 00:31:47,049

a big thing if I can try to find more

744

00:31:50,730 --> 00:31:48,390

information out about it

745

00:31:53,370 --> 00:31:50,740

Phil Corso part of New York Times

746

00:31:56,039 --> 00:31:53,380

article I would love Corso to be part of

747

00:31:57,810 --> 00:31:56,049

that article I mean if they can get his

748

00:32:00,539 --> 00:31:57,820

original diary take a look at that

749

00:32:02,460 --> 00:32:00,549

but Roswell could be part of it I don't

750

00:32:03,990 --> 00:32:02,470

know of Roswell is part of the part of

751

00:32:07,470 --> 00:32:04,000

the New York Times whatsoever but I

752

00:32:09,120 --> 00:32:07,480

would love it had a friend Dan in Tampa

753

00:32:10,470 --> 00:32:09,130

who was always pushing a look Roswell on

754

00:32:12,600 --> 00:32:10,480

me and I ignored it because I thought it

755

00:32:14,460 --> 00:32:12,610

was just a messy case like James Wolk

756

00:32:15,720 --> 00:32:14,470

says the same thing in his documentaries

757

00:32:18,149 --> 00:32:15,730

more than interviews but he said they're

758

00:32:19,919 --> 00:32:18,159

doing Roswell and Jacques de la told

759

00:32:21,539 --> 00:32:19,929

them just the facts ma'am just the facts

760

00:32:22,529 --> 00:32:21,549

oh they're gonna just stick to the facts

761

00:32:24,060 --> 00:32:22,539

and I think people will come away

762

00:32:25,500 --> 00:32:24,070

impressed I hope because I want to

763

00:32:28,980 --> 00:32:25,510

really looking forward to that

764

00:32:30,539 --> 00:32:28,990

documentary don't have to look into

765

00:32:32,310 --> 00:32:30,549

another dimension there's evidence which

766

00:32:34,230 --> 00:32:32,320

to be read and understood yeah there's a

767

00:32:36,419 --> 00:32:34,240

lot of stuff but I think the negative

768

00:32:39,180 --> 00:32:36,429

stuff resides in another dimension and

769

00:32:40,529 --> 00:32:39,190

um people who are not you know people

770

00:32:42,240 --> 00:32:40,539

maybe who are depressed who are

771

00:32:45,450 --> 00:32:42,250

alcoholics who or whatever they think

772

00:32:51,390 --> 00:32:45,460

that they might be prime prime targets

773

00:32:53,010 --> 00:32:51,400

for that or people who are people who

774

00:32:54,480 --> 00:32:53,020

are uh just having issues they might be

775

00:32:55,560 --> 00:32:54,490

you know you care about possession I

776

00:32:56,880 --> 00:32:55,570

don't know what kind of people get

777

00:32:58,370 --> 00:32:56,890

possessed I'd really be curious I have

778

00:33:01,140 --> 00:32:58,380

to start looking into that

779

00:33:02,860 --> 00:33:01,150

what am i wife or girlfriend her parents

780

00:33:05,260 --> 00:33:02,870

think about what you're doing

781

00:33:07,270 --> 00:33:05,270

my first wife is an intuitive and she

782

00:33:09,160 --> 00:33:07,280

loves it she might she'll probably

783

00:33:11,830 --> 00:33:09,170

listen to this eventually she does tarot

784

00:33:16,990 --> 00:33:11,840

card reading she's really gifted my my

785

00:33:18,790 --> 00:33:17,000

second wife ex-wife lives here she

786

00:33:20,620 --> 00:33:18,800

thinks my stuff is boring her stuff is

787

00:33:21,880 --> 00:33:20,630

more exciting and I don't even want to

788

00:33:24,549 --> 00:33:21,890

get into her stuff because I think her

789

00:33:26,890 --> 00:33:24,559

stuff is not good I'm not gonna

790

00:33:28,690 --> 00:33:26,900

embarrass her but we've gone to a lot of

791

00:33:31,299 --> 00:33:28,700

we went to a lot of UFO conferences in

792

00:33:33,010 --> 00:33:31,309

the past my first wife second wife it's

793

00:33:35,530 --> 00:33:33,020

kind of its kind of important for them

794

00:33:36,910 --> 00:33:35,540

to be into that otherwise you know I'm

795

00:33:38,799 --> 00:33:36,920

obsessed by this stuff so I need

796

00:33:41,040 --> 00:33:38,809

somebody to talk to you so the future

797

00:33:44,680 --> 00:33:41,050

wife will have to be interested

798

00:33:45,940 --> 00:33:44,690

what is your wife that was Bob how would

799

00:33:47,940 --> 00:33:45,950

how would they know what this I don't

800

00:33:52,600 --> 00:33:47,950

know what that means

801
00:33:54,520 --> 00:33:52,610
it's up bug what do you think of subject

802
00:33:56,130 --> 00:33:54,530
in New York Times yeah crash retrievals

803
00:33:59,470 --> 00:33:56,140
just stick with crash retrievals in the

804
00:34:03,340 --> 00:33:59,480
1961's nie maybe in there I know they

805
00:34:04,900 --> 00:34:03,350
looked into it will it make it in who

806
00:34:06,700 --> 00:34:04,910
knows the editors may have rejected it

807
00:34:09,280 --> 00:34:06,710
if it makes it in that's a huge deal

808
00:34:10,659 --> 00:34:09,290
because mj-12 is real if that if they

809
00:34:14,100 --> 00:34:10,669
authenticate it and convince people

810
00:34:16,600 --> 00:34:14,110
there this is real they included it huge

811
00:34:20,050 --> 00:34:16,610
one this interdimensional component to

812
00:34:21,820 --> 00:34:20,060
this about about Wars be a convenient

813
00:34:24,190 --> 00:34:21,830

excuse yeah yeah yeah you know humans

814

00:34:26,050 --> 00:34:24,200

are bad I mean oh you know you would you

815

00:34:28,270 --> 00:34:26,060

could but we've done some bad things

816

00:34:29,649 --> 00:34:28,280

so do we blame interdimensional so yeah

817

00:34:31,210 --> 00:34:29,659

it's kind of hard to prove it right it

818

00:34:32,919 --> 00:34:31,220

right now I assume humans have done all

819

00:34:35,020 --> 00:34:32,929

that but I've heard it from so many

820

00:34:37,419 --> 00:34:35,030

different people that there's influence

821

00:34:39,669 --> 00:34:37,429

even going on and CTSA has that in one

822

00:34:41,680 --> 00:34:39,679

of their slide so whoever interviews

823

00:34:43,510 --> 00:34:41,690

Elizondo I know Alejandro Rojas

824

00:34:45,700 --> 00:34:43,520

interviewed him did he ask about nine

825

00:34:47,590 --> 00:34:45,710

slide nine same thing a melon how do you

826

00:34:49,629 --> 00:34:47,600

not you have to ask that question please

827

00:34:51,129 --> 00:34:49,639

talk about nine slide nine and if he

828

00:34:58,680 --> 00:34:51,139

says no comment that you know that tells

829

00:35:04,989 --> 00:35:01,299

Mariella I don't know Merritt I think we

830

00:35:06,609 --> 00:35:04,999

is that the TRS marry Elliot if it is or

831

00:35:07,779 --> 00:35:06,619

something like that I think people

832

00:35:13,839 --> 00:35:07,789

looked into it but they have not been

833

00:35:15,789 --> 00:35:13,849

able to find it anything about her how

834

00:35:17,650 --> 00:35:15,799

many people we have watching 71 more

835

00:35:19,839 --> 00:35:17,660

questions guys trying to think anything

836

00:35:21,789 --> 00:35:19,849

else new

837

00:35:23,079 --> 00:35:21,799

I just nervous about The Times article

838

00:35:25,839 --> 00:35:23,089

dropping you know how it's gonna look

839

00:35:27,309 --> 00:35:25,849

and do I go live I mean do I go on

840

00:35:31,450 --> 00:35:27,319

another job like what's the best way

841

00:35:32,799 --> 00:35:31,460

just to talk about it with people TRW

842

00:35:34,359 --> 00:35:32,809

yeah I know people looked into it they

843

00:35:37,349 --> 00:35:34,369

have not been able to find anything on

844

00:35:40,660 --> 00:35:37,359

Mariela Eliot yet

845

00:35:44,819 --> 00:35:40,670

well well Mellon get apart place in the

846

00:35:47,979 --> 00:35:44,829

government that would be great we need

847

00:35:49,390 --> 00:35:47,989

access somehow to get you know I know

848

00:35:50,799 --> 00:35:49,400

Bob Maguire was saying it's gonna be

849

00:35:52,420 --> 00:35:50,809

really hard to get access to those

850

00:35:54,940 --> 00:35:52,430

programs because they don't want to

851
00:35:57,489 --> 00:35:54,950
interfere on you know their intellectual

852
00:35:59,440 --> 00:35:57,499
property but screw that this is world

853
00:36:01,359 --> 00:35:59,450
changing if they have a flying saucer we

854
00:36:03,819 --> 00:36:01,369
need to get it figure it out I don't

855
00:36:05,799 --> 00:36:03,829
care about intellectual property I don't

856
00:36:06,700 --> 00:36:05,809
care about technology I mean it's gonna

857
00:36:09,430 --> 00:36:06,710
change the world

858
00:36:11,469 --> 00:36:09,440
and I know that's naive because defense

859
00:36:13,599 --> 00:36:11,479
you know they think of course they think

860
00:36:16,390 --> 00:36:13,609
of technology and what they how they can

861
00:36:19,749 --> 00:36:16,400
use it for war or whatever have an

862
00:36:21,069 --> 00:36:19,759
advantage of our adversary no I don't

863
00:36:23,589 --> 00:36:21,079

know any camera guys that have captured

864

00:36:25,029 --> 00:36:23,599

a UFO interdimensional beings are

865

00:36:29,200 --> 00:36:25,039

effective only humans are relatively

866

00:36:31,509 --> 00:36:29,210

negative and but not emotionally but

867

00:36:33,249 --> 00:36:31,519

rather intentionally yeah possible I

868

00:36:34,569 --> 00:36:33,259

don't know I don't know I don't have the

869

00:36:37,390 --> 00:36:34,579

one-on-one on negative inner

870

00:36:40,059 --> 00:36:37,400

dimensionals the WingMakers nobody heard

871

00:36:44,709 --> 00:36:40,069

the ring the saturn ring makers i've

872

00:36:48,489 --> 00:36:44,719

heard of or the nazis still working on

873

00:36:50,229 --> 00:36:48,499

the dark forces and a it's a lot of

874

00:36:51,789 --> 00:36:50,239

things in this world that look very nazi

875

00:36:53,739 --> 00:36:51,799

like and i'm that's total speculation

876

00:36:55,539 --> 00:36:53,749

but some people believe that and tom the

877

00:36:57,120 --> 00:36:55,549

long has mentioned it so keep it keep an

878

00:36:59,890 --> 00:36:57,130

open mind on that stuff you know

879

00:37:01,299 --> 00:36:59,900

Jordan Maxwell's really good source for

880

00:37:02,680 --> 00:37:01,309

that and I've kind of rejected him

881

00:37:04,719 --> 00:37:02,690

because he's so negative it's like

882

00:37:06,880 --> 00:37:04,729

non-stop negativity there's nothing good

883

00:37:08,049 --> 00:37:06,890

and so I stopped listening but I might

884

00:37:09,609 --> 00:37:08,059

go back and look again I've seen him

885

00:37:10,839 --> 00:37:09,619

lecture and he's got a lot of stuff

886

00:37:14,140 --> 00:37:10,849

that's really

887

00:37:15,940 --> 00:37:14,150

how old are the others I do not know but

888

00:37:18,490 --> 00:37:15,950

I will look at the driver's license if I

889

00:37:21,430 --> 00:37:18,500

get a chance multi-university up

890

00:37:25,079 --> 00:37:21,440

probably it's probably why we have so

891

00:37:30,359 --> 00:37:25,089

many friends visiting in here

892

00:37:35,559 --> 00:37:33,549

New York Times next week can mean

893

00:37:37,779 --> 00:37:35,569

anything so I wouldn't mind the whole

894

00:37:39,789 --> 00:37:37,789

week but who knows when it's gonna drop

895

00:37:42,910 --> 00:37:39,799

and it may not be next week that's what

896

00:37:44,529 --> 00:37:42,920

the plan was supposedly and then Tim

897

00:37:46,779 --> 00:37:44,539

McMillan said that their main source

898

00:37:51,640 --> 00:37:46,789

dropped out and it was being killed and

899

00:37:53,140 --> 00:37:51,650

that was not true so far as I know it's

900

00:37:57,099 --> 00:37:53,150

an old story alleged about future et

901
00:38:01,120 --> 00:37:57,109
discovery not claiming I'm trying to

902
00:38:02,829 --> 00:38:01,130
keep up yeah I don't I don't know it my

903
00:38:04,779 --> 00:38:02,839
current hypothesis what is going on

904
00:38:06,670 --> 00:38:04,789
maybe Harry Reid opened up into New York

905
00:38:08,410 --> 00:38:06,680
Times yes oh and another politician

906
00:38:11,260 --> 00:38:08,420
which I will not say I might have said

907
00:38:12,250 --> 00:38:11,270
it online maybe a Clinton so that would

908
00:38:14,970 --> 00:38:12,260
be awesome

909
00:38:17,410 --> 00:38:14,980
Clinton read together in the article

910
00:38:19,210 --> 00:38:17,420
based on my current hypothesis what was

911
00:38:22,120 --> 00:38:19,220
going on it's too long it means go to

912
00:38:23,980 --> 00:38:22,130
books dimensions is one is recommended

913
00:38:26,200 --> 00:38:23,990

by Jacques Vallee and gods of eating his

914

00:38:29,260 --> 00:38:26,210

good place but it's too extraterrestrial

915

00:38:31,269 --> 00:38:29,270

but based I'll have to come up with a

916

00:38:33,010 --> 00:38:31,279

web webpage just books that I've read

917

00:38:35,980 --> 00:38:33,020

have so many too haven't read that are

918

00:38:37,510 --> 00:38:35,990

just in a pile over there then it's

919

00:38:39,670 --> 00:38:37,520

channel material which I have to go back

920

00:38:42,599 --> 00:38:39,680

over and supposedly law of one the book

921

00:38:44,260 --> 00:38:42,609

of raw is one of the more clean

922

00:38:46,000 --> 00:38:44,270

channeled books and there was another

923

00:38:47,740 --> 00:38:46,010

book I was told about the OWASP ebook

924

00:38:51,099 --> 00:38:47,750

and which I never read it was huge it's

925

00:38:52,900 --> 00:38:51,109

like a Bible read was part of the four

926
00:38:54,910 --> 00:38:52,910
senators they did have access but read

927
00:38:58,240 --> 00:38:54,920
did not have access to that program no

928
00:39:00,039 --> 00:38:58,250
way no read wouldn't have to had known

929
00:39:01,900 --> 00:39:00,049
about that program before he would get

930
00:39:03,190 --> 00:39:01,910
access and even then that's the thing he

931
00:39:04,599 --> 00:39:03,200
would have to know if he did know about

932
00:39:06,430 --> 00:39:04,609
it then maybe he would have access I'm

933
00:39:08,200 --> 00:39:06,440
not sure but they didn't know about it

934
00:39:10,710 --> 00:39:08,210
they know about it now tell you that

935
00:39:19,150 --> 00:39:12,789
any more information unknown flying

936
00:39:21,099 --> 00:39:19,160
she's flying over people no I don't know

937
00:39:22,599 --> 00:39:21,109
which private contract contract it's

938
00:39:23,740 --> 00:39:22,609

funny because Grumman Northrop is one of

939

00:39:25,600 --> 00:39:23,750

them Lockheed

940

00:39:27,430 --> 00:39:25,610

my father worked for Grumman for a long

941

00:39:29,050 --> 00:39:27,440

time in Long Island I used to intern

942

00:39:31,120 --> 00:39:29,060

there I would love for it to be Grumman

943

00:39:33,880 --> 00:39:31,130

then I could tell him when I tell my dad

944

00:39:35,410 --> 00:39:33,890

about this he goes demons its demons but

945

00:39:37,120 --> 00:39:35,420

he's not that religious but now I'm like

946

00:39:41,260 --> 00:39:37,130

alright you might have one part right

947

00:39:43,000 --> 00:39:41,270

I would think Podesta would be involved

948

00:39:45,010 --> 00:39:43,010

in this article I have nothing in

949

00:39:49,840 --> 00:39:45,020

information wise about that but I would

950

00:39:53,950 --> 00:39:49,850

think he is you know thanks Julie see

951
00:39:56,590 --> 00:39:53,960
you on Twitter there might be another

952
00:39:57,970 --> 00:39:56,600
you know as Alessandro said humans

953
00:39:59,590 --> 00:39:57,980
plural that might be another group

954
00:40:07,630 --> 00:39:59,600
that's Syria or they were here before us

955
00:40:09,430 --> 00:40:07,640
you know that might be the Tic Tac yeah

956
00:40:10,810 --> 00:40:09,440
the New York Times is just a first point

957
00:40:12,550 --> 00:40:10,820
in the stuff I'm talking about a lot of

958
00:40:16,090 --> 00:40:12,560
it is based on information that can't be

959
00:40:18,250 --> 00:40:16,100
proven Phil so I realize that that's

960
00:40:19,480 --> 00:40:18,260
interesting bug there probably I want to

961
00:40:22,060 --> 00:40:19,490
see one of those vaults one day where

962
00:40:24,970 --> 00:40:22,070
they keep this stuff documents

963
00:40:26,710 --> 00:40:24,980

competative documents no nothing and I'm

964

00:40:28,960 --> 00:40:26,720

not even a document guy so I think

965

00:40:30,640 --> 00:40:28,970

Wilson Davis is it for me and if more

966

00:40:33,670 --> 00:40:30,650

documents documents come out I will

967

00:40:36,910 --> 00:40:33,680

leave that to the documents experts if

968

00:40:39,040 --> 00:40:36,920

Trump loses no I don't think he'll spill

969

00:40:40,090 --> 00:40:39,050

I don't think he'll spell secrets and

970

00:40:42,850 --> 00:40:40,100

this is going to come out before the

971

00:40:44,050 --> 00:40:42,860

election so I'm pretty sure but you

972

00:40:46,360 --> 00:40:44,060

never know they could hold it till after

973

00:40:48,160 --> 00:40:46,370

the election I don't think so the reason

974

00:40:49,780 --> 00:40:48,170

why it's coming out now is because the

975

00:40:56,530 --> 00:40:49,790

environmental stuff is getting so out of

976

00:40:56,980 --> 00:40:56,540

control election your prison I don't

977

00:41:00,940 --> 00:40:56,990

know

978

00:41:03,880 --> 00:41:00,950

what kind of position yeah law of one

979

00:41:06,930 --> 00:41:03,890

Cynthia I need to go back over that it's

980

00:41:13,380 --> 00:41:06,940

been a long time since I read that book

981

00:41:15,910 --> 00:41:13,390

the WingMakers okay thanks thanks futz

982

00:41:18,040 --> 00:41:15,920

you could city's being situated near

983

00:41:19,960 --> 00:41:18,050

large water bodies and travel to and

984

00:41:21,580 --> 00:41:19,970

from dimensions yeah maybe the water has

985

00:41:23,770 --> 00:41:21,590

something to do with it you know it's a

986

00:41:28,960 --> 00:41:23,780

good point I don't know though I've

987

00:41:30,730 --> 00:41:28,970

heard something about that how do you

988

00:41:32,410 --> 00:41:30,740

determine if a UFO video is real I don't

989

00:41:33,760 --> 00:41:32,420

pay attention the UFO videos because of

990

00:41:35,020 --> 00:41:33,770

that reason nowadays you can fake

991

00:41:35,710 --> 00:41:35,030

anything that's why I try to stay with

992

00:41:37,900 --> 00:41:35,720

the the

993

00:41:40,599 --> 00:41:37,910

military stuff but then how do you know

994

00:41:43,089 --> 00:41:40,609

if that wasn't created by something you

995

00:41:43,990 --> 00:41:43,099

know manifest and as crazy as that

996

00:41:46,780 --> 00:41:44,000

sounds

997

00:41:48,300 --> 00:41:46,790

read the valet Davis paper those aren't

998

00:41:50,710 --> 00:41:48,310

they're not idiots

999

00:41:54,339 --> 00:41:50,720

Hezbollah coming up and now Boeing has

1000

00:41:56,950 --> 00:41:54,349

not come up but just one of the the Eric

1001
00:41:58,720 --> 00:41:56,960
Davis calls them the legacy Aerospace

1002
00:42:00,609 --> 00:41:58,730
Corporation so it's one of those groups

1003
00:42:02,200 --> 00:42:00,619
could be more than one group may be one

1004
00:42:05,170 --> 00:42:02,210
of those groups was based at area 51

1005
00:42:07,390 --> 00:42:05,180
that's the whole Bob Lazar thing yeah I

1006
00:42:09,310 --> 00:42:07,400
do not want to be a cameraman on season

1007
00:42:13,210 --> 00:42:09,320
3 I want to do be doing exactly what I'm

1008
00:42:14,740 --> 00:42:13,220
doing now I want to be writing I want to

1009
00:42:18,130 --> 00:42:14,750
write about what they find I've been

1010
00:42:21,609 --> 00:42:18,140
doing camera works since I was let's see

1011
00:42:24,430 --> 00:42:21,619
88 1988 and reality show since 2002 and

1012
00:42:26,080 --> 00:42:24,440
I think I put in my time and my back

1013
00:42:29,109 --> 00:42:26,090

would love for me to not have to go back

1014

00:42:32,609 --> 00:42:29,119

to that intruders no but I had it Chris

1015

00:42:34,930 --> 00:42:32,619

I had it on Mike I'm like my laptop but

1016

00:42:37,000 --> 00:42:34,940

don't have it anymore I need to watch it

1017

00:42:40,960 --> 00:42:37,010

I mean I saw I saw communion which is a

1018

00:42:46,380 --> 00:42:40,970

good one a little hokey with Christopher

1019

00:42:50,500 --> 00:42:48,849

yeah it's always it's always bothered me

1020

00:42:51,730 --> 00:42:50,510

that the other countries you know we

1021

00:42:53,440 --> 00:42:51,740

don't see these when I was getting

1022

00:42:54,430 --> 00:42:53,450

skeptical about the East Coast events we

1023

00:42:56,470 --> 00:42:54,440

don't hear from those other countries

1024

00:42:57,790 --> 00:42:56,480

but they have to if what I'm talking

1025

00:42:59,500 --> 00:42:57,800

about is that accurate they have to have

1026

00:43:01,570 --> 00:42:59,510

their own stuff to they must have you

1027

00:43:02,950 --> 00:43:01,580

know and if we leak stuff they may feel

1028

00:43:04,150 --> 00:43:02,960

obligated you know they may say you know

1029

00:43:06,940 --> 00:43:04,160

what let's do it let's leak our

1030

00:43:08,859 --> 00:43:06,950

information especially Italy sure they

1031

00:43:11,530 --> 00:43:08,869

have videos that nobody's ever seen I'm

1032

00:43:13,030 --> 00:43:11,540

sure everybody does well I write a book

1033

00:43:14,380 --> 00:43:13,040

at some point I've thought about it yeah

1034

00:43:15,550 --> 00:43:14,390

I would love to I started doing that a

1035

00:43:17,200 --> 00:43:15,560

couple usually going that I stopped

1036

00:43:18,370 --> 00:43:17,210

because I do have some interesting stuff

1037

00:43:20,470 --> 00:43:18,380

that's happened along the way and

1038

00:43:22,750 --> 00:43:20,480

obviously it's not this is not over yet

1039

00:43:24,040 --> 00:43:22,760

who knows what's gonna happen I would

1040

00:43:26,200 --> 00:43:24,050

like to write a book cuz I like to write

1041

00:43:28,450 --> 00:43:26,210

I just need to get better at writing

1042

00:43:29,790 --> 00:43:28,460

more creative kind of boring but my

1043

00:43:33,250 --> 00:43:29,800

writing style which works for this

1044

00:43:35,170 --> 00:43:33,260

perfect finding stuff but doesn't flow

1045

00:43:38,950 --> 00:43:35,180

very often it's kind of my writings more

1046

00:43:40,540 --> 00:43:38,960

choppy so I have to work on that in your

1047

00:43:42,160 --> 00:43:40,550

opinion why is the USAF force so quiet

1048

00:43:44,170 --> 00:43:42,170

us net force is quite publicly but

1049

00:43:46,300 --> 00:43:44,180

privately I think they're they're

1050

00:43:47,829 --> 00:43:46,310

involved and I think put off in Davis

1051
00:43:48,259 --> 00:43:47,839
have spoken about that on various radio

1052
00:43:50,269 --> 00:43:48,269
show

1053
00:43:52,009 --> 00:43:50,279
put up hinted at ed and during his

1054
00:43:54,349 --> 00:43:52,019
lecture in West Virginia earlier this

1055
00:43:55,579 --> 00:43:54,359
year that the Air Force he said

1056
00:43:57,529 --> 00:43:55,589
something at the Air Force and he said

1057
00:43:59,559 --> 00:43:57,539
that's all I'm gonna say about that yeah

1058
00:44:02,239 --> 00:43:59,569
you've seen a triangle same it's like

1059
00:44:03,079 --> 00:44:02,249
was that triangle created from something

1060
00:44:05,209 --> 00:44:03,089
you know there are triangles that have

1061
00:44:06,829 --> 00:44:05,219
miles long it makes me wonder is that

1062
00:44:08,359 --> 00:44:06,839
real is that something that was created

1063
00:44:11,809 --> 00:44:08,369

by something it's like well it's real

1064

00:44:13,279 --> 00:44:11,819

it's physical one of the things that

1065

00:44:15,469 --> 00:44:13,289

look up said that these beings no matter

1066

00:44:17,629 --> 00:44:15,479

what and in an interdimensional wise

1067

00:44:21,339 --> 00:44:17,639

they have to they have to use some sort

1068

00:44:25,459 --> 00:44:21,349

of vehicle you know to become physical

1069

00:44:26,659 --> 00:44:25,469

vessel he said vessel not vehicle Eric

1070

00:44:28,909 --> 00:44:26,669

de is what his favorite science fiction

1071

00:44:32,889 --> 00:44:28,919

book movie is I'll tell you one thing

1072

00:44:35,719 --> 00:44:32,899

about Eric Davis that I have not said I

1073

00:44:38,539 --> 00:44:35,729

have to remember that send it to me I'll

1074

00:44:40,369 --> 00:44:38,549

put on a Twitter and tag me Eric Davis

1075

00:44:42,709 --> 00:44:40,379

and I both share something in common we

1076
00:44:44,509 --> 00:44:42,719
were younger my sisters took me to see

1077
00:44:46,729 --> 00:44:44,519
The Legend of Boggy Creek which was a

1078
00:44:48,379 --> 00:44:46,739
Bigfoot docudrama made to look like

1079
00:44:50,869 --> 00:44:48,389
documentary but it was scripted and then

1080
00:44:52,669 --> 00:44:50,879
that a UFO documentary and an Eric Davis

1081
00:44:54,319 --> 00:44:52,679
had his mom take him to see the same

1082
00:44:56,929 --> 00:44:54,329
movie about Bigfoot so it was funny when

1083
00:44:58,969 --> 00:44:56,939
we found out about that my only

1084
00:45:00,739 --> 00:44:58,979
experiences have been which I should

1085
00:45:02,869 --> 00:45:00,749
listen to the German show I did it's

1086
00:45:04,339 --> 00:45:02,879
more psychic dreams and dreaming about

1087
00:45:04,879 --> 00:45:04,349
somebody who died and then they died the

1088
00:45:07,789 --> 00:45:04,889

next day

1089

00:45:09,469 --> 00:45:07,799

no UFO stuff except for communion when I

1090

00:45:10,939 --> 00:45:09,479

woke up the next day after stopping two

1091

00:45:13,129 --> 00:45:10,949

reais topped reading it and I woke up

1092

00:45:15,319 --> 00:45:13,139

paralyzed like sleep paralysis which is

1093

00:45:17,179 --> 00:45:15,329

like the first stage of an out-of-body

1094

00:45:19,129 --> 00:45:17,189

experience allegedly

1095

00:45:22,189 --> 00:45:19,139

that was my only spirit experience

1096

00:45:24,169 --> 00:45:22,199

related to UFOs but nothing happened and

1097

00:45:25,219 --> 00:45:24,179

I wound up finishing reading communion

1098

00:45:26,629 --> 00:45:25,229

and that sent me down the rabbit hole

1099

00:45:28,789 --> 00:45:26,639

and I read every book I could get my

1100

00:45:31,819 --> 00:45:28,799

hand on and I believed everything I read

1101
00:45:33,379 --> 00:45:31,829
because I was naive no filter what do

1102
00:45:34,729 --> 00:45:33,389
you think of Ali's idea absurdity is an

1103
00:45:35,989 --> 00:45:34,739
essential part of the phenomena yeah

1104
00:45:38,089 --> 00:45:35,999
it's it is true and I don't know why

1105
00:45:39,619 --> 00:45:38,099
that is he also said that if you think

1106
00:45:40,909 --> 00:45:39,629
it may be one source for everything but

1107
00:45:42,799 --> 00:45:40,919
I don't think that's that's the case

1108
00:45:44,059 --> 00:45:42,809
maybe for the UFO stuff we see but

1109
00:45:49,789 --> 00:45:44,069
there's so much stuff going on

1110
00:45:51,649 --> 00:45:49,799
supposedly yeah that's interesting so if

1111
00:45:53,329 --> 00:45:51,659
Ally says its absurdity at least of

1112
00:45:55,669 --> 00:45:53,339
people rejecting it that is a really

1113
00:45:57,889 --> 00:45:55,679

great point because if it's an

1114

00:46:00,109 --> 00:45:57,899

interdimensional negative aspect to it

1115

00:46:01,860 --> 00:46:00,119

then they would not want you know they

1116

00:46:04,230 --> 00:46:01,870

would not want people to a

1117

00:46:05,700 --> 00:46:04,240

know about it so make it crazy but why

1118

00:46:07,260 --> 00:46:05,710

even show themselves then why even show

1119

00:46:08,790 --> 00:46:07,270

themselves if it's interdimensional we

1120

00:46:11,130 --> 00:46:08,800

would never know what was going on you

1121

00:46:14,550 --> 00:46:11,140

know so that kind of baffles me why even

1122

00:46:16,830 --> 00:46:14,560

become physical does do I think there's

1123

00:46:19,500 --> 00:46:16,840

an interdimensional nature to us yes yes

1124

00:46:21,150 --> 00:46:19,510

yes definitely I don't know if that's

1125

00:46:22,620 --> 00:46:21,160

why they have interest in us but I think

1126

00:46:24,720 --> 00:46:22,630

they would love for us not to figure out

1127

00:46:27,030 --> 00:46:24,730

that we're a lot more we have a lot more

1128

00:46:29,250 --> 00:46:27,040

potential than we realize and I think

1129

00:46:30,810 --> 00:46:29,260

that's why this is conspiracy world

1130

00:46:32,160 --> 00:46:30,820

right now but that's why the world is

1131

00:46:34,440 --> 00:46:32,170

set up the way it is we're freaking

1132

00:46:36,300 --> 00:46:34,450

struggling to pay bills everybody our

1133

00:46:38,190 --> 00:46:36,310

whole lives you know only certain few

1134

00:46:39,330 --> 00:46:38,200

get to not have to worry about that how

1135

00:46:41,580 --> 00:46:39,340

are we supposed to look into meditation

1136

00:46:43,350 --> 00:46:41,590

or any of this stuff we're working nine

1137

00:46:45,480 --> 00:46:43,360

to five jobs breaking our asses you know

1138

00:46:48,090 --> 00:46:45,490

it's like when I work TV I work 12 hours

1139

00:46:49,770 --> 00:46:48,100

I can't do any of this stuff so I think

1140

00:46:52,590 --> 00:46:49,780

that's intentional that whole system is

1141

00:46:54,330 --> 00:46:52,600

intentional not get to the influencing

1142

00:46:56,790 --> 00:46:54,340

world leader slot I nine stuff and not

1143

00:46:58,110 --> 00:46:56,800

maybe that's somehow it was intended

1144

00:47:00,810 --> 00:46:58,120

that way and you read the Bible the

1145

00:47:02,640 --> 00:47:00,820

whole Tower of Babel you know they

1146

00:47:06,000 --> 00:47:02,650

separated us so we couldn't come

1147

00:47:08,610 --> 00:47:06,010

together and make sense to me sounds

1148

00:47:09,600 --> 00:47:08,620

kooky the other people but it's hard to

1149

00:47:11,640 --> 00:47:09,610

communicate with people in other

1150

00:47:13,050 --> 00:47:11,650

countries you know so easily when they

1151
00:47:15,990 --> 00:47:13,060
don't we don't speak the same language

1152
00:47:18,200 --> 00:47:16,000
but English becoming that the language

1153
00:47:20,670 --> 00:47:18,210
of the world is a great thing for me

1154
00:47:22,710 --> 00:47:20,680
since I've lived with a Spaniard and

1155
00:47:24,300 --> 00:47:22,720
Estonian and I didn't learn either one

1156
00:47:26,340 --> 00:47:24,310
and I almost moved to Norway which I was

1157
00:47:27,510 --> 00:47:26,350
going to alone learn Norwegian for the

1158
00:47:31,110 --> 00:47:27,520
girl I was dating that would have been

1159
00:47:33,570 --> 00:47:31,120
probably a disaster because I haven't

1160
00:47:35,430 --> 00:47:33,580
learned Spanish but she doesn't speak

1161
00:47:37,790 --> 00:47:35,440
Spanish my ex-wife speaks Estonian to

1162
00:47:43,470 --> 00:47:37,800
her mom's that's a really hard language

1163
00:47:45,000 --> 00:47:43,480

slide 9 look it up mine sublime I will

1164

00:47:46,350 --> 00:47:45,010

put that up I don't want to stop answer

1165

00:47:48,890 --> 00:47:46,360

questions but I thought I will put up

1166

00:47:51,870 --> 00:47:48,900

the link to slide 9 after I'm done

1167

00:47:53,070 --> 00:47:51,880

yeah I know Tom talks about tr-3b and

1168

00:47:55,590 --> 00:47:53,080

people make fun of it but I think Tom

1169

00:47:57,030 --> 00:47:55,600

might be right I rejected it too I will

1170

00:47:58,710 --> 00:47:57,040

leave the encounter stuff to Chris he

1171

00:48:00,630 --> 00:47:58,720

can have all the encounter stuff I tell

1172

00:48:02,550 --> 00:48:00,640

them I do not want to see you do not

1173

00:48:04,470 --> 00:48:02,560

show up in my bedroom and I need to

1174

00:48:07,650 --> 00:48:04,480

switch guys hold off on any questions

1175

00:48:08,750 --> 00:48:07,660

let me just switch so I get power let's

1176

00:48:26,370 --> 00:48:08,760

see

1177

00:48:34,320 --> 00:48:31,350

so live alright

1178

00:48:41,810 --> 00:48:34,330

so man I'm blind I was using a big

1179

00:48:44,580 --> 00:48:41,820

monitor tricksters danger rockness

1180

00:48:46,200 --> 00:48:44,590

synchronicity we had I used to have the

1181

00:48:48,120 --> 00:48:46,210

11:11 I don't know if that's just me

1182

00:48:51,240 --> 00:48:48,130

imagining it but yes I did have the

1183

00:48:53,190 --> 00:48:51,250

11:11 had a great synchronicity and I

1184

00:48:58,320 --> 00:48:53,200

really can't talk about it

1185

00:49:00,390 --> 00:48:58,330

today I am volunteered with veterans who

1186

00:49:03,120 --> 00:49:00,400

were dying in a hospital Northport Long

1187

00:49:05,940 --> 00:49:03,130

Island and I spent nine months basically

1188

00:49:08,940 --> 00:49:05,950

with three patients and I learned today

1189

00:49:10,950 --> 00:49:08,950

that somebody who I just met was in that

1190

00:49:12,810 --> 00:49:10,960

hospital for another reason and it was

1191

00:49:15,930 --> 00:49:12,820

amazing coincidence hopefully I could

1192

00:49:17,700 --> 00:49:15,940

tell this story one day assuming the

1193

00:49:19,440 --> 00:49:17,710

Davis notes are legit how does Davis

1194

00:49:21,480 --> 00:49:19,450

feel about them being in the public

1195

00:49:23,760 --> 00:49:21,490

domain Davis won't comment on the notes

1196

00:49:27,390 --> 00:49:23,770

so I think he's fine right now

1197

00:49:28,620 --> 00:49:27,400

originally I think he was probably taken

1198

00:49:30,960 --> 00:49:28,630

aback that they made them out you know

1199

00:49:31,590 --> 00:49:30,970

but ever Edgar Mitchell died so what are

1200

00:49:35,220 --> 00:49:31,600

you gonna do

1201

00:49:36,930 --> 00:49:35,230

I mean um phenom allegedly the Tower of

1202

00:49:38,700 --> 00:49:36,940

Babel means we lost our universal

1203

00:49:42,120 --> 00:49:38,710

language yeah that could be it could be

1204

00:49:43,770 --> 00:49:42,130

telepathy great point James I think that

1205

00:49:45,180 --> 00:49:43,780

will eventually be our universal

1206

00:49:47,070 --> 00:49:45,190

language and that's scary for a lot of

1207

00:49:49,350 --> 00:49:47,080

people even me it's like everything

1208

00:49:52,050 --> 00:49:49,360

you're thinking that you know everybody

1209

00:49:53,640 --> 00:49:52,060

who's telepathic can hear it you could

1210

00:49:54,990 --> 00:49:53,650

see why government would not want remote

1211

00:49:59,900 --> 00:49:55,000

viewing and why they would downplay it

1212

00:50:09,680 --> 00:50:04,560

thanks Steven a lot of people who study

1213

00:50:13,530 --> 00:50:11,280

don't think it's been shown

1214

00:50:15,810 --> 00:50:13,540

scientifically that that hypnosis is not

1215

00:50:17,190 --> 00:50:15,820

accurate but I love when experiences

1216

00:50:19,710 --> 00:50:17,200

have experiences where they just have

1217

00:50:21,690 --> 00:50:19,720

Total Recall in their waking state and

1218

00:50:25,190 --> 00:50:21,700

that there are cases like that a lot of

1219

00:50:30,690 --> 00:50:27,750

Davis has probably learned so much since

1220

00:50:34,060 --> 00:50:30,700

the notes yeah that was 2002 so 18 years

1221

00:50:34,070 --> 00:50:42,240

I could see Pauline I have potential

1222

00:50:48,450 --> 00:50:46,590

it's too much long of a question did

1223

00:50:51,690 --> 00:50:48,460

they capture and interrogate one I don't

1224

00:50:53,550 --> 00:50:51,700

know I don't know but I would think if

1225

00:50:55,920 --> 00:50:53,560

we have crashed vehicles we have bodies

1226
00:50:59,580 --> 00:50:55,930
and probably had live what Evers that's

1227
00:51:03,360 --> 00:50:59,590
what guy used to be really close to geek

1228
00:51:05,040 --> 00:51:03,370
to to Greer Joseph Burks he calls them

1229
00:51:06,120 --> 00:51:05,050
his wife calls them the what Evers and

1230
00:51:09,390 --> 00:51:06,130
that's a really good term because we

1231
00:51:13,470 --> 00:51:09,400
don't know what the hell they are any

1232
00:51:16,140 --> 00:51:13,480
positives to contact in your opinion

1233
00:51:18,090 --> 00:51:16,150
yeah definitely I mean it just shows

1234
00:51:21,930 --> 00:51:18,100
people that if you're going out and and

1235
00:51:23,310 --> 00:51:21,940
bringing in craft are showing up after

1236
00:51:24,600 --> 00:51:23,320
you're putting out your thoughts that

1237
00:51:27,740 --> 00:51:24,610
this tells us right away you know

1238
00:51:29,970 --> 00:51:27,750

telepathy is real you know that alone I

1239

00:51:31,920 --> 00:51:29,980

think we could do much more than slept

1240

00:51:33,690 --> 00:51:31,930

telepathy the whole William Bankston

1241

00:51:35,220 --> 00:51:33,700

healing experiments I cannot believe

1242

00:51:36,840 --> 00:51:35,230

they're being ignored I mean twenty

1243

00:51:38,940 --> 00:51:36,850

different laboratories and it sucks that

1244

00:51:41,130 --> 00:51:38,950

mice are part of the experiments and

1245

00:51:43,290 --> 00:51:41,140

they're injecting them with cancer but I

1246

00:51:46,140 --> 00:51:43,300

mean mice lived twenty seven days with

1247

00:51:48,450 --> 00:51:46,150

that cancer that's the max he puts his

1248

00:51:50,100 --> 00:51:48,460

healers who are students on the case and

1249

00:51:52,200 --> 00:51:50,110

they lived a two-year life span I mean

1250

00:51:54,000 --> 00:51:52,210

it's just amazing to me people aren't

1251
00:51:55,470 --> 00:51:54,010
looking into that and now he's working

1252
00:51:57,330 --> 00:51:55,480
with Dean Radin and they're trying to

1253
00:51:58,710 --> 00:51:57,340
get it so they they can record

1254
00:52:00,870 --> 00:51:58,720
whatever's going on so you could just

1255
00:52:03,960 --> 00:52:00,880
play a recording and it will heal your

1256
00:52:06,000 --> 00:52:03,970
cancer and so far not working you know

1257
00:52:09,300 --> 00:52:06,010
it's recording something but not to the

1258
00:52:16,170 --> 00:52:09,310
point where it's effective indeed Raiden

1259
00:52:17,760 --> 00:52:16,180
is a top guy Bankston yeah I took its

1260
00:52:21,240 --> 00:52:17,770
three-day class which is a man if it's a

1261
00:52:23,930 --> 00:52:21,250
manifest that the technique is used to

1262
00:52:25,850 --> 00:52:23,940
heal but it also has a offshoot of

1263
00:52:27,960 --> 00:52:25,860

manifesting and I can tell you

1264

00:52:30,270 --> 00:52:27,970

manifesting you want to talk woohoo you

1265

00:52:31,830 --> 00:52:30,280

want to talk about the secret but it's

1266

00:52:33,720 --> 00:52:31,840

got a really unique property that I have

1267

00:52:35,430 --> 00:52:33,730

never seen before where you go through

1268

00:52:36,720 --> 00:52:35,440

images of stuff you want you see

1269

00:52:38,490 --> 00:52:36,730

yourself doing in the future and it's

1270

00:52:40,620 --> 00:52:38,500

just a rapid imaging that grant I think

1271

00:52:43,920 --> 00:52:40,630

grant took the class and it's just like

1272

00:52:45,690 --> 00:52:43,930

like a tornado speed and a lot of stuff

1273

00:52:48,150 --> 00:52:45,700

has happened for me in the last month

1274

00:52:50,190 --> 00:52:48,160

I'll just say that you know that was on

1275

00:52:52,200 --> 00:52:50,200

my list you make a list of 20 items and

1276
00:52:53,910 --> 00:52:52,210
you could say I'm delusional and that's

1277
00:52:55,620 --> 00:52:53,920
fine but if I keep getting this stuff

1278
00:52:58,500 --> 00:52:55,630
I'd really don't care and

1279
00:53:00,870 --> 00:52:58,510
as Lou I think it was Lou that said it's

1280
00:53:03,770 --> 00:53:00,880
no it's in the the slide the slides it

1281
00:53:06,630 --> 00:53:03,780
shows that everything is about quantum

1282
00:53:07,920 --> 00:53:06,640
quantum mechanics but yeah look into

1283
00:53:10,560 --> 00:53:07,930
that look into the double slit

1284
00:53:12,450 --> 00:53:10,570
experiment how just observing something

1285
00:53:13,740 --> 00:53:12,460
turn something from a wave into a

1286
00:53:17,220 --> 00:53:13,750
particle or the opposite

1287
00:53:20,040 --> 00:53:17,230
basically it affects the particles when

1288
00:53:21,570 --> 00:53:20,050

you're looking at it if there's no

1289

00:53:23,490 --> 00:53:21,580

observer it's one thing if there's an

1290

00:53:24,960 --> 00:53:23,500

observer it's something else so somehow

1291

00:53:27,930 --> 00:53:24,970

our consciousness that should not happen

1292

00:53:29,250 --> 00:53:27,940

and people have blown it off but it's a

1293

00:53:31,650 --> 00:53:29,260

really good place to start you could

1294

00:53:38,520 --> 00:53:31,660

find if you go on YouTube a double slit

1295

00:53:40,290 --> 00:53:38,530

experiment any update on John Alexander

1296

00:53:43,320 --> 00:53:40,300

yeah I wrote to him and I said you want

1297

00:53:46,020 --> 00:53:43,330

to comment on on the Wilson Davis

1298

00:53:47,610 --> 00:53:46,030

documents John Alexander and uh crash

1299

00:53:50,690 --> 00:53:47,620

retrieval article that might be coming

1300

00:53:56,250 --> 00:53:50,700

out and he said not really that was it a

1301
00:53:57,870 --> 00:53:56,260
effects exact words but things seem to

1302
00:54:00,570 --> 00:53:57,880
get strange and strange lately to me the

1303
00:54:02,100 --> 00:54:00,580
world seems to look more absurd looks

1304
00:54:03,240 --> 00:54:02,110
like our society is unraveling it

1305
00:54:04,980 --> 00:54:03,250
definitely does seem like we are

1306
00:54:07,950 --> 00:54:04,990
unraveling it's a little scary you know

1307
00:54:09,960 --> 00:54:07,960
I'm definitely worried about that so far

1308
00:54:11,280 --> 00:54:09,970
it's held in there but meaning Nevada

1309
00:54:14,670 --> 00:54:11,290
there people haven't gotten any

1310
00:54:15,750 --> 00:54:14,680
unemployment since March so how are they

1311
00:54:18,750 --> 00:54:15,760
paying their bills if they're not back

1312
00:54:20,580 --> 00:54:18,760
to work I don't know the whole the whole

1313
00:54:21,990 --> 00:54:20,590

freelancer system is so messed up and

1314

00:54:24,140 --> 00:54:22,000

I'm part of it but I have money coming

1315

00:54:26,160 --> 00:54:24,150

in from the other side of unemployment

1316

00:54:29,040 --> 00:54:26,170

if New York Times talks about crash

1317

00:54:31,020 --> 00:54:29,050

retrievals do you think it will still be

1318

00:54:32,370 --> 00:54:31,030

rejected by the mainstream for the most

1319

00:54:33,630 --> 00:54:32,380

part it depends on what's in there it

1320

00:54:35,490 --> 00:54:33,640

depends on what's in there it depends in

1321

00:54:37,770 --> 00:54:35,500

a 60 Minutes follows up it depends on

1322

00:54:39,450 --> 00:54:37,780

what other outlets follow up I'm I think

1323

00:54:41,610 --> 00:54:39,460

there other outlets that are trying to

1324

00:54:43,920 --> 00:54:41,620

get the story but New York Times has to

1325

00:54:45,060 --> 00:54:43,930

go first I think there are some you know

1326

00:54:46,590 --> 00:54:45,070

I'll give you exclusive in this

1327

00:54:47,880 --> 00:54:46,600

interview and once the article air is

1328

00:54:49,320 --> 00:54:47,890

then I can talk to other people so you

1329

00:54:50,910 --> 00:54:49,330

can see that I would love a press

1330

00:54:53,310 --> 00:54:50,920

conference with you know I said I think

1331

00:54:54,510 --> 00:54:53,320

Eric Davis and will Miller will be in

1332

00:54:56,460 --> 00:54:54,520

there maybe he'll put off and hopefully

1333

00:54:59,600 --> 00:54:56,470

some other people who are not connected

1334

00:55:02,760 --> 00:54:59,610

to ufology at all that would be great

1335

00:55:06,660 --> 00:55:02,770

what I tried DMT I'm not gonna say I

1336

00:55:08,970 --> 00:55:06,670

would try an illegal drug but I've taken

1337

00:55:11,410 --> 00:55:08,980

remote-viewing classes I took two

1338

00:55:13,270 --> 00:55:11,420

and I'm supposed to take a third one

1339

00:55:14,800 --> 00:55:13,280

which was offered to me free which was

1340

00:55:16,420 --> 00:55:14,810

part of my manifesting which was an

1341

00:55:17,770 --> 00:55:16,430

amazing thing which I wasn't even

1342

00:55:19,540 --> 00:55:17,780

looking to take another class I just

1343

00:55:20,920 --> 00:55:19,550

wanted to start doing it again so that

1344

00:55:22,000 --> 00:55:20,930

was one of my things on my list and then

1345

00:55:25,000 --> 00:55:22,010

somebody said hey you want to take my

1346

00:55:27,339 --> 00:55:25,010

class normally it's \$1,000 but you can

1347

00:55:29,319 --> 00:55:27,349

have it for free speaking of the

1348

00:55:31,000 --> 00:55:29,329

double-slit have you time to think about

1349

00:55:32,890 --> 00:55:31,010

the UFOs and the simulation yeah I

1350

00:55:34,420 --> 00:55:32,900

haven't gotten the simulation I've read

1351
00:55:36,099 --> 00:55:34,430
about some relation it's just too much

1352
00:55:38,620 --> 00:55:36,109
for my brain if this is a simulation I'm

1353
00:55:40,510 --> 00:55:38,630
not sure how we but Tom Campbell who's

1354
00:55:43,030 --> 00:55:40,520
written my big toe it's all about

1355
00:55:45,880 --> 00:55:43,040
simulation he has so many videos like 9

1356
00:55:47,650 --> 00:55:45,890
hour no 15 hour YouTube videos that talk

1357
00:55:49,089 --> 00:55:47,660
about multiple day lectures he's given

1358
00:55:51,849 --> 00:55:49,099
about he was there in the Murrow

1359
00:55:55,540 --> 00:55:51,859
Institute in the early days he's amazing

1360
00:55:57,010 --> 00:55:55,550
Thomas Campbell he's a physicist we need

1361
00:56:00,550 --> 00:55:57,020
to organize a group to remote view the

1362
00:56:02,290 --> 00:56:00,560
NASA documents yeah remote viewing is

1363
00:56:04,150 --> 00:56:02,300

great but you have to get feedback to

1364

00:56:05,410 --> 00:56:04,160

prove it otherwise it's still iffy you

1365

00:56:09,069 --> 00:56:05,420

know some of the stuff I'm telling you

1366

00:56:11,109 --> 00:56:09,079

is you know from remote viewing but it's

1367

00:56:12,630 --> 00:56:11,119

interesting and it's worth considering

1368

00:56:15,270 --> 00:56:12,640

but we need to follow up with evidence

1369

00:56:18,069 --> 00:56:15,280

you really have a soul under the

1370

00:56:19,420 --> 00:56:18,079

phenomena as part of it yeah some people

1371

00:56:21,339 --> 00:56:19,430

I do think we have some sort of

1372

00:56:23,109 --> 00:56:21,349

something that's similar to a soul and

1373

00:56:25,150 --> 00:56:23,119

is the phenomena part of it I know some

1374

00:56:27,329 --> 00:56:25,160

people think that um it's like Carl Jung

1375

00:56:30,700 --> 00:56:27,339

where this is all being created by our

1376

00:56:32,410 --> 00:56:30,710

perhaps subconscious so I don't know

1377

00:56:35,430 --> 00:56:32,420

about that I mean I think they talk

1378

00:56:37,809 --> 00:56:35,440

about that and the in the Davis valet

1379

00:56:40,210 --> 00:56:37,819

paper that I linked to on Twitter the

1380

00:56:41,380 --> 00:56:40,220

last thing I tweeted out how is Eric

1381

00:56:44,020 --> 00:56:41,390

Davis allowed to talk when the

1382

00:56:45,670 --> 00:56:44,030

government tried every time to avoid

1383

00:56:47,680 --> 00:56:45,680

this topic Eric Davis learns things

1384

00:56:49,359 --> 00:56:47,690

through and greet if you read my blog he

1385

00:56:50,950 --> 00:56:49,369

explains exactly how you find out of

1386

00:56:54,790 --> 00:56:50,960

that information so he goes to people

1387

00:56:57,819 --> 00:56:54,800

who you know that have access to these

1388

00:56:59,319 --> 00:56:57,829

programs and he doesn't have access but

1389

00:57:00,700 --> 00:56:59,329

he has clearances so they respect that

1390

00:57:03,190 --> 00:57:00,710

and they said you know what you might

1391

00:57:04,990 --> 00:57:03,200

get access to this program one day we

1392

00:57:07,180 --> 00:57:05,000

poked worked on UFOs let me tell you

1393

00:57:09,040 --> 00:57:07,190

some stuff let's go to the skiff secure

1394

00:57:10,180 --> 00:57:09,050

facility and we could talk about it

1395

00:57:12,339 --> 00:57:10,190

that's how he's learning out information

1396

00:57:14,819 --> 00:57:12,349

of course Thomas Wilson wasn't a

1397

00:57:19,220 --> 00:57:14,829

skillful enough as unless his car was

1398

00:57:24,000 --> 00:57:21,960

why didn't I this for 17 years and

1399

00:57:26,220 --> 00:57:24,010

supposedly start laying it out and now I

1400

00:57:27,420 --> 00:57:26,230

said why it was denied because I think

1401
00:57:29,069 --> 00:57:27,430
originally they didn't know what it was

1402
00:57:30,750 --> 00:57:29,079
but when they learned I think the story

1403
00:57:32,609 --> 00:57:30,760
is just so scary and that's when we get

1404
00:57:35,520 --> 00:57:32,619
into the interdimensional stuff what's

1405
00:57:37,410 --> 00:57:35,530
happened now because I think the planet

1406
00:57:38,790 --> 00:57:37,420
isn't such a diamond let's talk about

1407
00:57:40,430 --> 00:57:38,800
the inner dimensionals if they are

1408
00:57:42,480 --> 00:57:40,440
parasitic and they feed off of us

1409
00:57:44,339 --> 00:57:42,490
doesn't mean they're evil just means

1410
00:57:47,010 --> 00:57:44,349
that's what they feed off of just and I

1411
00:57:49,380 --> 00:57:47,020
know that sounds crazy but you know they

1412
00:57:52,349 --> 00:57:49,390
need us to be here so the planet being

1413
00:57:54,270 --> 00:57:52,359

destroyed by nuclear war or a total

1414

00:57:55,680 --> 00:57:54,280

destruction of the environment is not

1415

00:57:59,040 --> 00:57:55,690

good for them so I would think all

1416

00:58:01,020 --> 00:57:59,050

groups who are here would be open to the

1417

00:58:02,339 --> 00:58:01,030

environment getting cleaned up and I

1418

00:58:03,599 --> 00:58:02,349

think the only thing that's gonna change

1419

00:58:05,670 --> 00:58:03,609

us because we don't seem to care about

1420

00:58:08,160 --> 00:58:05,680

it on a large scale it's just we need a

1421

00:58:09,870 --> 00:58:08,170

shot we need something big to wake

1422

00:58:11,940 --> 00:58:09,880

people up and I think this is it I think

1423

00:58:14,549 --> 00:58:11,950

part of it is related to the environment

1424

00:58:15,690 --> 00:58:14,559

and how close we are to going I think

1425

00:58:17,910 --> 00:58:15,700

we're already over the edge can we

1426
00:58:21,599 --> 00:58:17,920
hopefully we can reverse it and people

1427
00:58:22,829 --> 00:58:21,609
think it's a the whole you know climate

1428
00:58:24,690 --> 00:58:22,839
change and global warming they think

1429
00:58:26,970 --> 00:58:24,700
it's just a political thing I never

1430
00:58:29,970 --> 00:58:26,980
understood that but you know I think

1431
00:58:33,329 --> 00:58:29,980
it's a big part of it part of like she's

1432
00:58:36,289 --> 00:58:33,339
pulling a pull like a shadow people yeah

1433
00:58:39,059 --> 00:58:36,299
I know people have seen shadow people

1434
00:58:40,170 --> 00:58:39,069
poltergeist is listen Eric Davis every

1435
00:58:42,210 --> 00:58:40,180
time there's a close encounter it has

1436
00:58:45,210 --> 00:58:42,220
always poltergeist activity which is the

1437
00:58:47,190 --> 00:58:45,220
first scene in Close Encounters of the

1438
00:58:48,660 --> 00:58:47,200

Third Kind which is never really dawned

1439

00:58:50,579 --> 00:58:48,670

on me until I heard Eric Davis say that

1440

00:58:55,079 --> 00:58:50,589

thing was on coast to coast with George

1441

00:58:57,089 --> 00:58:55,089

Knapp yeah Tom Campbell bog he's great

1442

00:59:01,500 --> 00:58:57,099

people it's it's such a thick book it's

1443

00:59:03,690 --> 00:59:01,510

a huge book I don't know I read

1444

00:59:06,750 --> 00:59:03,700

somewhere on Twitter there was earth to

1445

00:59:08,010 --> 00:59:06,760

learn yeah I don't know if we're here to

1446

00:59:10,530 --> 00:59:08,020

learn I've heard it there we're here to

1447

00:59:11,970 --> 00:59:10,540

learn how to I don't know what are we

1448

00:59:13,289 --> 00:59:11,980

here to learn I don't know I mean that's

1449

00:59:16,289 --> 00:59:13,299

possible I just can't think of something

1450

00:59:17,940 --> 00:59:16,299

right now how to how to realize that

1451

00:59:20,099 --> 00:59:17,950

we're not just physical I don't know to

1452

00:59:23,460 --> 00:59:20,109

wake up in a physical body to realize it

1453

00:59:25,230 --> 00:59:23,470

I don't know the plane behind the Senate

1454

00:59:27,390 --> 00:59:25,240

intelligible to out those who were

1455

00:59:30,480 --> 00:59:27,400

involved with the no I don't think they

1456

00:59:32,960 --> 00:59:30,490

I don't know if that's their plan but

1457

00:59:34,980 --> 00:59:32,970

that has to be the goal eventually

1458

00:59:36,480 --> 00:59:34,990

they're gonna have to do whatever they

1459

00:59:37,859 --> 00:59:36,490

need to do for me they have to get

1460

00:59:39,960 --> 00:59:37,869

access to those programs if they have a

1461

00:59:42,690 --> 00:59:39,970

saucer and bodies they they need to

1462

00:59:43,770 --> 00:59:42,700

figure it out I think if everybody winds

1463

00:59:45,630 --> 00:59:43,780

up believing that in this country I

1464

00:59:47,760 --> 00:59:45,640

think that it'll be overwhelming we can

1465

00:59:48,840 --> 00:59:47,770

somehow figure out a waiting they got

1466

00:59:51,540 --> 00:59:48,850

they're gonna have to change the law

1467

00:59:52,710 --> 00:59:51,550

that's what will do it I think if

1468

00:59:59,540 --> 00:59:52,720

they're if they're all motivated they

1469

01:00:02,490 --> 00:59:59,550

can do that quick how's it going Rodrigo

1470

01:00:05,070 --> 01:00:02,500

Davis an insider is he and investigative

1471

01:00:06,720 --> 01:00:05,080

the real deeper circles of The Insider

1472

01:00:07,740 --> 01:00:06,730

he's excuse you guys clearance of some

1473

01:00:09,120 --> 01:00:07,750

stuff he's and they doesn't have the

1474

01:00:12,480 --> 01:00:09,130

deepest clearance otherwise I don't

1475

01:00:14,130 --> 01:00:12,490

think we'd hear from him I think any

1476

01:00:15,420 --> 01:00:14,140

truth Davis knows he figured out on his

1477

01:00:17,790 --> 01:00:15,430

own with Jacques Foley and all of his

1478

01:00:26,180 --> 01:00:17,800

other invisible college people that some

1479

01:00:30,170 --> 01:00:28,460

yeah finally I've finally figured it out

1480

01:00:32,330 --> 01:00:30,180

part of it was my problem getting live

1481

01:00:34,310 --> 01:00:32,340

so I take the blame for that had the

1482

01:00:35,810 --> 01:00:34,320

wrong YouTube channel like drum Channel

1483

01:00:39,770 --> 01:00:35,820

and it was telling me I had 24 hours and

1484

01:00:41,510 --> 01:00:39,780

then other problems scientific community

1485

01:00:46,280 --> 01:00:41,520

will pose it no matter how big the New

1486

01:00:47,930 --> 01:00:46,290

York Times article is I disagree no I

1487

01:00:49,330 --> 01:00:47,940

think there eventually they will get on

1488

01:00:51,590 --> 01:00:49,340

board I think they will be shown

1489

01:00:53,510 --> 01:00:51,600

information and they will have no choice

1490

01:00:54,860 --> 01:00:53,520

I think some of them will be rejected

1491

01:00:57,050 --> 01:00:54,870

but I think you're gonna see some big

1492

01:00:58,310 --> 01:00:57,060

names maybe maybe not next week or

1493

01:01:00,530 --> 01:00:58,320

whenever the article comes out this

1494

01:01:01,610 --> 01:01:00,540

could be a long process but not seven

1495

01:01:02,810 --> 01:01:01,620

years I don't think I don't think we

1496

01:01:04,430 --> 01:01:02,820

have to say I don't think we have seven

1497

01:01:06,590 --> 01:01:04,440

years I originally was the plan

1498

01:01:09,590 --> 01:01:06,600

supposedly Kenny's et coming from

1499

01:01:11,180 --> 01:01:09,600

different planets interact I don't know

1500

01:01:12,830 --> 01:01:11,190

from what I heard we don't know anything

1501
01:01:14,120 --> 01:01:12,840
about et it was the one group we don't

1502
01:01:15,860 --> 01:01:14,130
know about it which is kind of amazing

1503
01:01:19,280 --> 01:01:15,870
to me whether or not that's true I don't

1504
01:01:22,210 --> 01:01:19,290
know but I heard that if there are

1505
01:01:23,990 --> 01:01:22,220
international if there are in fact

1506
01:01:26,240 --> 01:01:24,000
interdimensional I could see why it's

1507
01:01:28,010 --> 01:01:26,250
kept secret that revelation is more

1508
01:01:30,410 --> 01:01:28,020
crazy yeah it's crazy it's scary I mean

1509
01:01:31,670 --> 01:01:30,420
who the hell is gonna believe that the

1510
01:01:35,840 --> 01:01:31,680
religious people will believe it and

1511
01:01:37,400 --> 01:01:35,850
they'll say they're demons event yeah

1512
01:01:39,710 --> 01:01:37,410
it's what if it's everything whether

1513
01:01:41,840 --> 01:01:39,720

it's ET it's interdimensional it's

1514

01:01:43,730 --> 01:01:41,850

negative and interventional positive an

1515

01:01:45,260 --> 01:01:43,740

interdimensional angelic beings you know

1516

01:01:47,410 --> 01:01:45,270

it's like time travel whatever it's like

1517

01:01:50,420 --> 01:01:47,420

people are gonna be able to handle that

1518

01:01:51,860 --> 01:01:50,430

well I would Wilson talked to Billy Cox

1519

01:01:54,290 --> 01:01:51,870

for a denial instead of simply not

1520

01:01:56,660 --> 01:01:54,300

talking because he's supposed to offer a

1521

01:01:57,890 --> 01:01:56,670

full denial if you read my blog I'm

1522

01:02:00,290 --> 01:01:57,900

gonna have to write a shorter blog but

1523

01:02:02,450 --> 01:02:00,300

it talks about how they are they need to

1524

01:02:03,680 --> 01:02:02,460

lie they just can't say no comment Eric

1525

01:02:05,090 --> 01:02:03,690

Davis could say no comment because he

1526

01:02:06,800 --> 01:02:05,100

didn't have access to that program

1527

01:02:11,800 --> 01:02:06,810

he was just told information from a

1528

01:02:15,560 --> 01:02:14,240

thanks Tennessee Johnson I'm trying to

1529

01:02:16,910 --> 01:02:15,570

get information out that's controversial

1530

01:02:19,430 --> 01:02:16,920

that people can decide for themselves

1531

01:02:22,280 --> 01:02:19,440

and it's I know it's I know it sounds

1532

01:02:24,050 --> 01:02:22,290

crazy but look at that you look at the

1533

01:02:25,790 --> 01:02:24,060

end of season six just that reaction

1534

01:02:27,200 --> 01:02:25,800

from Elizondo just putting his head down

1535

01:02:29,300 --> 01:02:27,210

when asked that the American people

1536

01:02:32,150 --> 01:02:29,310

could handle the truth and and he just

1537

01:02:33,800 --> 01:02:32,160

walks off I think that says a lot it's

1538

01:02:35,360 --> 01:02:33,810

not just Tom DeLonge who believed a lot

1539

01:02:37,820 --> 01:02:35,370

of the stuff Tom gets it from people

1540

01:02:39,320 --> 01:02:37,830

they're trying to leak it out use Tom

1541

01:02:41,000 --> 01:02:39,330

because he's not believable

1542

01:02:42,440 --> 01:02:41,010

some punk guy he's not gonna be

1543

01:02:44,060 --> 01:02:42,450

believable just like Bob Lazar they

1544

01:02:45,680 --> 01:02:44,070

that's why they why they may have picked

1545

01:02:47,480 --> 01:02:45,690

him other people have said that because

1546

01:02:53,150 --> 01:02:47,490

he could easily be discredited he if he

1547

01:02:57,530 --> 01:02:53,160

talks to me I've watched Meraz man

1548

01:02:59,090 --> 01:02:57,540

already I think it's more of I don't

1549

01:03:00,470 --> 01:02:59,100

think it's human tech they're covering

1550

01:03:04,610 --> 01:03:00,480

up I think it's the big story which I've

1551
01:03:07,730 --> 01:03:04,620
spoken about did Eisenhower actually

1552
01:03:09,200 --> 01:03:07,740
meet I think that one I think that I

1553
01:03:10,730 --> 01:03:09,210
think Holloman happened I do think

1554
01:03:15,620 --> 01:03:10,740
Holloman happened and that's from a

1555
01:03:18,230 --> 01:03:15,630
source good source do you think this

1556
01:03:20,180 --> 01:03:18,240
isn't any way related to been rich you

1557
01:03:21,740 --> 01:03:20,190
know I I've kind of rejected the been

1558
01:03:23,270 --> 01:03:21,750
rich that we have this technology but I

1559
01:03:25,610 --> 01:03:23,280
think been rich is right that's another

1560
01:03:27,500 --> 01:03:25,620
thing in the last two weeks that I

1561
01:03:29,030 --> 01:03:27,510
changed my mind on and you hear will

1562
01:03:31,100 --> 01:03:29,040
mill or talk about it in his interview

1563
01:03:32,930 --> 01:03:31,110

read my blog will Miller interview and

1564

01:03:34,730 --> 01:03:32,940

look at the two pages in the Wilson

1565

01:03:36,350 --> 01:03:34,740

Davis documents that's page three and

1566

01:03:37,760 --> 01:03:36,360

four it's will miller's letter to eric

1567

01:03:39,950 --> 01:03:37,770

davis he talks about all this stuff and

1568

01:03:41,510 --> 01:03:39,960

there's another person out there who's

1569

01:03:44,150 --> 01:03:41,520

very respected who thinks we have

1570

01:03:45,680 --> 01:03:44,160

cracked gravity and hopefully they will

1571

01:03:47,420 --> 01:03:45,690

speak up soon because their their

1572

01:03:50,390 --> 01:03:47,430

opinion holds a lot of weight in my

1573

01:03:51,470 --> 01:03:50,400

opinion so believe me that this could

1574

01:03:55,240 --> 01:03:51,480

break in the new york times students

1575

01:03:57,860 --> 01:03:55,250

next week yep I do well know next week

1576

01:04:01,100 --> 01:03:57,870

and if it doesn't happen just keep be

1577

01:04:02,900 --> 01:04:01,110

patient why Billy because he has to

1578

01:04:05,240 --> 01:04:02,910

respond he has to respond I guess he

1579

01:04:07,190 --> 01:04:05,250

could reject it I don't know I don't

1580

01:04:09,260 --> 01:04:07,200

know I can't get in side Thomas Wilson's

1581

01:04:10,790 --> 01:04:09,270

head but they have to reject it so he's

1582

01:04:14,060 --> 01:04:10,800

offered even more rejections to other

1583

01:04:16,640 --> 01:04:14,070

people that are not public just just

1584

01:04:18,140 --> 01:04:16,650

trust you can't trust me I understand it

1585

01:04:20,120 --> 01:04:18,150

but just wait for the article see what

1586

01:04:21,440 --> 01:04:20,130

happens because if they hopefully they

1587

01:04:24,500 --> 01:04:21,450

go after Wilson Davis there are other

1588

01:04:26,150 --> 01:04:24,510

people out there that can talk how much

1589

01:04:29,000 --> 01:04:26,160

I guess we don't know much about ETS

1590

01:04:30,380 --> 01:04:29,010

then the recovered craft must be yeah

1591

01:04:33,950 --> 01:04:30,390

it's like I would think the recovery

1592

01:04:35,570 --> 01:04:33,960

craft are manifested by interdimensional

1593

01:04:37,430 --> 01:04:35,580

's you know they can create whatever

1594

01:04:39,530 --> 01:04:37,440

that's why you see it's all different

1595

01:04:43,370 --> 01:04:39,540

shapes and it's pops in and out turns

1596

01:04:45,620 --> 01:04:43,380

into one to multiple it's like you know

1597

01:04:47,480 --> 01:04:45,630

so that would be my guess that it was

1598

01:04:50,930 --> 01:04:47,490

created you know it's physical obviously

1599

01:04:52,520 --> 01:04:50,940

but yeah that's probably not et but you

1600

01:04:53,090 --> 01:04:52,530

know but then Danny Sheehan talks about

1601

01:04:55,220 --> 01:04:53,100

some of the right

1602

01:04:57,230 --> 01:04:55,230

one of the crafts so is it just trying

1603

01:04:58,880 --> 01:04:57,240

to distract is to try to you know this

1604

01:05:01,280 --> 01:04:58,890

not deceive us you know the whole thing

1605

01:05:02,180 --> 01:05:01,290

just get us thinking extraterrestrial

1606

01:05:04,040 --> 01:05:02,190

don't even think about the

1607

01:05:05,540 --> 01:05:04,050

interdimensional because if you start

1608

01:05:07,160 --> 01:05:05,550

thinking interdimensional and a lot of

1609

01:05:09,230 --> 01:05:07,170

people start believing it and we could

1610

01:05:10,520 --> 01:05:09,240

try to figure out a way to battle that

1611

01:05:12,470 --> 01:05:10,530

wouldn't mean that would not be good for

1612

01:05:14,750 --> 01:05:12,480

them because we don't know much about

1613

01:05:16,370 --> 01:05:14,760

the ETS Elizondo former

1614

01:05:18,410 --> 01:05:16,380

counterintelligence agent and dim

1615

01:05:20,180 --> 01:05:18,420

stemming van was head of domestic yeah

1616

01:05:21,290 --> 01:05:20,190

they're these guys have experiences

1617

01:05:22,730 --> 01:05:21,300

these guys are interested in the

1618

01:05:24,680 --> 01:05:22,740

subjects every band had an experience

1619

01:05:26,090 --> 01:05:24,690

he's an experienced or you're gonna have

1620

01:05:28,250 --> 01:05:26,100

a percentage of people in the government

1621

01:05:29,750 --> 01:05:28,260

and in the intelligence community to

1622

01:05:31,760 --> 01:05:29,760

have had experiences and they want to do

1623

01:05:33,950 --> 01:05:31,770

something about this so I don't care if

1624

01:05:36,470 --> 01:05:33,960

he was former CIA nothing that semi van

1625

01:05:38,750 --> 01:05:36,480

has said you know the only thing I think

1626

01:05:40,430 --> 01:05:38,760

sembly man is and Elizondo are keeping

1627

01:05:42,470 --> 01:05:40,440

form of the stuff that's classified so

1628

01:05:44,060 --> 01:05:42,480

these guys are in a bad position the

1629

01:05:46,220 --> 01:05:44,070

story is not easy to get out you know

1630

01:05:47,480 --> 01:05:46,230

even the people who are trying to not

1631

01:05:48,800 --> 01:05:47,490

thrilled with me talking about this

1632

01:05:51,140 --> 01:05:48,810

stuff they have a reason because they

1633

01:05:53,780 --> 01:05:51,150

think it's just too it's gonna upset the

1634

01:05:55,280 --> 01:05:53,790

entire planet in society and I get that

1635

01:05:59,000 --> 01:05:55,290

but I think it's time this information

1636

01:06:01,090 --> 01:05:59,010

has to come out and um don't be I don't

1637

01:06:05,630 --> 01:06:01,100

think do you need to be scared I mean

1638

01:06:08,740 --> 01:06:05,640

you know we can battle our way and we've

1639

01:06:11,540 --> 01:06:08,750

lived this long and been ok and you know

1640

01:06:15,770 --> 01:06:11,550

got to keep humor though got a laugh

1641

01:06:17,570 --> 01:06:15,780

about it is your opinion what does the

1642

01:06:19,220 --> 01:06:17,580

world and society look like if these

1643

01:06:21,920 --> 01:06:19,230

theories being discussed turned out to

1644

01:06:25,220 --> 01:06:21,930

be true yeah I have no idea you got a

1645

01:06:28,550 --> 01:06:25,230

look at look it up read look up and read

1646

01:06:30,260 --> 01:06:28,560

his Twitter he says a lot of stuff about

1647

01:06:33,920 --> 01:06:30,270

what might happen and it's really

1648

01:06:35,660 --> 01:06:33,930

esoteric and it's new agey but I mean if

1649

01:06:37,700 --> 01:06:35,670

this stuff is made you know all that's

1650

01:06:40,040 --> 01:06:37,710

public and then what if these beans

1651
01:06:41,810 --> 01:06:40,050
start showing up you know like and I

1652
01:06:43,520 --> 01:06:41,820
think in the old days before cameras way

1653
01:06:45,170 --> 01:06:43,530
back I think they did show up publicly

1654
01:06:48,440 --> 01:06:45,180
and it was written about but now

1655
01:06:49,730 --> 01:06:48,450
obviously can't do that so what happens

1656
01:06:51,650 --> 01:06:49,740
if that happens what happens if they

1657
01:06:54,590 --> 01:06:51,660
start showing up and we could see them

1658
01:06:56,060 --> 01:06:54,600
how are people going to react to that to

1659
01:06:57,860 --> 01:06:56,070
make them seem like something or not

1660
01:07:00,860 --> 01:06:57,870
have you watched Star Trek episode

1661
01:07:04,910 --> 01:07:00,870
Devil's Due no you got to send it to me

1662
01:07:05,390 --> 01:07:04,920
though tweet it opinion grand has been

1663
01:07:06,530 --> 01:07:05,400

shut off

1664

01:07:09,400 --> 01:07:06,540

yeah penal clients

1665

01:07:11,480 --> 01:07:09,410

I think a big deal one of the meditation

1666

01:07:14,780 --> 01:07:11,490

conferences I work with it's all about

1667

01:07:17,180 --> 01:07:14,790

penny Oh glands we have like a 4 a.m. 5

1668

01:07:18,680 --> 01:07:17,190

our election workshop meditation it's

1669

01:07:21,110 --> 01:07:18,690

too long I don't do it anymore when I

1670

01:07:22,580 --> 01:07:21,120

when I go there but it's I've done it of

1671

01:07:25,330 --> 01:07:22,590

course I have no experiences because I

1672

01:07:29,720 --> 01:07:25,340

never have experiences I can't keep up

1673

01:07:30,680 --> 01:07:29,730

I'm gonna go until 35 minutes more full

1674

01:07:32,720 --> 01:07:30,690

of schools are happens do you think a

1675

01:07:37,190 --> 01:07:32,730

society should make contact do you think

1676

01:07:38,540 --> 01:07:37,200

I don't know what society should do we

1677

01:07:39,980 --> 01:07:38,550

need to find out exactly what we're

1678

01:07:41,360 --> 01:07:39,990

dealing what seems like most of them are

1679

01:07:43,160 --> 01:07:41,370

indifferent to us

1680

01:07:45,380 --> 01:07:43,170

it'd be nice if there was somebody who

1681

01:07:46,760 --> 01:07:45,390

actually cared about us but I think that

1682

01:07:55,310 --> 01:07:46,770

would be more on the interdimensional

1683

01:07:56,980 --> 01:07:55,320

side you know hypothetically domestic is

1684

01:07:58,970 --> 01:07:56,990

just I can't read that sorry it's gone

1685

01:08:00,680 --> 01:07:58,980

hypothetically if full on disclosure

1686

01:08:03,440 --> 01:08:00,690

happens do you think our society should

1687

01:08:11,680 --> 01:08:03,450

make contact I read that one already

1688

01:08:14,590 --> 01:08:13,910

domestic is just in the title does

1689

01:08:17,390 --> 01:08:14,600

alright

1690

01:08:19,390 --> 01:08:17,400

so it's a bunch of hippies and bloggers

1691

01:08:21,289 --> 01:08:19,400

versus the former head of domestic

1692

01:08:24,349 --> 01:08:21,299

intelligence for the world's biggest

1693

01:08:26,210 --> 01:08:24,359

intelligence agent anyone here i watch

1694

01:08:29,120 --> 01:08:26,220

mirage man i've told you that i just

1695

01:08:32,599 --> 01:08:29,130

don't think i think it's all part of

1696

01:08:34,070 --> 01:08:32,609

covering up the real scary secret that

1697

01:08:37,970 --> 01:08:34,080

people aren't ready for that's what i

1698

01:08:39,289 --> 01:08:37,980

think is going on but then again kid

1699

01:08:41,420 --> 01:08:39,299

green has said they put out a story

1700

01:08:45,500 --> 01:08:41,430

that's really scary and then the truth

1701

01:08:47,450 --> 01:08:45,510

is less scary but not the people I've

1702

01:08:51,920 --> 01:08:47,460

spoken to are not people that would

1703

01:08:54,980 --> 01:08:51,930

mislead me I don't think and you know

1704

01:08:56,599 --> 01:08:54,990

Tom talks about it and ballet has spoken

1705

01:08:58,160 --> 01:08:56,609

about it I don't think it's a big I

1706

01:09:00,380 --> 01:08:58,170

don't think it's a big cover-up just

1707

01:09:05,840 --> 01:09:00,390

cover up human tech like some people

1708

01:09:09,020 --> 01:09:05,850

have said ok the hippies and bloggers

1709

01:09:10,340 --> 01:09:09,030

we're gonna lose yep ok do you think

1710

01:09:11,930 --> 01:09:10,350

Dodie still currently spreads

1711

01:09:13,400 --> 01:09:11,940

disinformation I actually was supposed

1712

01:09:15,200 --> 01:09:13,410

to speak to Dodie the other day but I

1713

01:09:16,520 --> 01:09:15,210

was so busy you know I said let's put

1714

01:09:17,900 --> 01:09:16,530

this off he's like yeah I agree because

1715

01:09:19,880 --> 01:09:17,910

I'm sure you stealing with what's going

1716

01:09:21,260 --> 01:09:19,890

on even though he's you're tired I want

1717

01:09:23,180 --> 01:09:21,270

talk to him I don't I don't think Dodie

1718

01:09:24,200 --> 01:09:23,190

spreads its disinformation unless you

1719

01:09:26,330 --> 01:09:24,210

asked him about something that's

1720

01:09:27,680 --> 01:09:26,340

classified and if he doesn't answer

1721

01:09:29,540 --> 01:09:27,690

that's the best thing but if he does

1722

01:09:32,870 --> 01:09:29,550

answer I mean he's probably gonna have

1723

01:09:34,430 --> 01:09:32,880

to lie about it but I obviously I can't

1724

01:09:35,740 --> 01:09:34,440

tell if he's lying or not but I think he

1725

01:09:38,180 --> 01:09:35,750

puts out a lot of good information

1726

01:09:41,030 --> 01:09:38,190

there's a video of him from disclosure

1727

01:09:42,290 --> 01:09:41,040

project that Giuliano sent to me he also

1728

01:09:44,180 --> 01:09:42,300

did interviews with and that's like a

1729

01:09:46,070 --> 01:09:44,190

long one interview and then he also did

1730

01:09:48,170 --> 01:09:46,080

enemies with Georgian nap at Laughlin

1731

01:09:51,890 --> 01:09:48,180

last year I think it was due I think

1732

01:09:55,330 --> 01:09:51,900

though tour this year what exactly yes

1733

01:09:58,940 --> 01:09:55,340

more likely says the fancy TVs in tech

1734

01:10:01,160 --> 01:09:58,950

camouflage themselves yeah I don't know

1735

01:10:03,470 --> 01:10:01,170

about advanced DT I'm talking I don't

1736

01:10:05,290 --> 01:10:03,480

know anything about ETS supposedly you

1737

01:10:08,510 --> 01:10:05,300

know Bosley it's interdimensional mostly

1738

01:10:12,020 --> 01:10:08,520

so I think the article will help unfurl

1739

01:10:14,660 --> 01:10:12,030

all the mass mess with sa pedes yes

1740

01:10:16,760 --> 01:10:14,670

eventually it has them especially you

1741

01:10:18,590 --> 01:10:16,770

know we get one of them it's gonna open

1742

01:10:22,130 --> 01:10:18,600

up a lot of eyes I mean yeah I see peas

1743

01:10:23,900 --> 01:10:22,140

aren't bad you know for on them on the

1744

01:10:25,940 --> 01:10:23,910

face of it but if you have stuff like

1745

01:10:27,200 --> 01:10:25,950

this that can change the planet you know

1746

01:10:29,390 --> 01:10:27,210

and I understand it could be a weapon

1747

01:10:32,030 --> 01:10:29,400

that's a big part of it too so they're

1748

01:10:36,350 --> 01:10:32,040

in a really bad spot how many hours do I

1749

01:10:40,520 --> 01:10:36,360

sleep last night um I fell asleep on the

1750

01:10:41,900 --> 01:10:40,530

couch so off and on but then I did sleep

1751

01:10:43,250 --> 01:10:41,910

so I got I got a little sleep I woke up

1752

01:10:46,330 --> 01:10:43,260

at 9:00 which is amazing usually it

1753

01:10:49,490 --> 01:10:46,340

can't pass sleep past 6:00

1754

01:10:51,680 --> 01:10:49,500

yeah that's what I'm thirsty Clark said

1755

01:10:53,330 --> 01:10:51,690

any advanced super tech it's gonna look

1756

01:10:55,130 --> 01:10:53,340

like magic to us I agree it's gonna look

1757

01:10:57,980 --> 01:10:55,140

at insane it's good like this is not

1758

01:11:00,650 --> 01:10:57,990

real who was had the biggest impact in

1759

01:11:02,990 --> 01:11:00,660

moving the discussion from cereal to

1760

01:11:04,550 --> 01:11:03,000

immaterial to consciousness I think

1761

01:11:06,800 --> 01:11:04,560

Jacques Vallee is really big there

1762

01:11:08,360 --> 01:11:06,810

skinwalker ranch is big and you know I

1763

01:11:09,680 --> 01:11:08,370

would not go to skinwalker ranch I think

1764

01:11:11,750 --> 01:11:09,690

that's bad news there's no reason to go

1765

01:11:14,390 --> 01:11:11,760

to that place I think it's mostly

1766

01:11:16,700 --> 01:11:14,400

negative grant Cameron's played a big

1767

01:11:18,860 --> 01:11:16,710

role too a lot of people have rejected

1768

01:11:21,440 --> 01:11:18,870

him a lot of people have rejected him

1769

01:11:24,860 --> 01:11:21,450

because he goes into some of the New Age

1770

01:11:25,610 --> 01:11:24,870

stuff and the whoo but I think that's

1771

01:11:26,720 --> 01:11:25,620

where we're heading

1772

01:11:28,430 --> 01:11:26,730

doesn't mean I agree with everything he

1773

01:11:31,430 --> 01:11:28,440

says and I'm gonna be on his show later

1774

01:11:33,049 --> 01:11:31,440

this week I think it's Thursday what I

1775

01:11:36,049 --> 01:11:33,059

think of Bashar

1776

01:11:37,459 --> 01:11:36,059

I mean my friend Dave Beatty recommended

1777

01:11:39,620 --> 01:11:37,469

the Seth material and I have the book

1778

01:11:43,189 --> 01:11:39,630

and I've read a lot of channel material

1779

01:11:44,870 --> 01:11:43,199

I'll Bashar I've seen videos of I don't

1780

01:11:46,510 --> 01:11:44,880

know I need to hear it more I mean a lot

1781

01:11:48,229 --> 01:11:46,520

of channel material would come up with

1782

01:11:49,910 --> 01:11:48,239

predictions and they would always be

1783

01:11:51,609 --> 01:11:49,920

wrong it's almost like and then somebody

1784

01:11:53,569 --> 01:11:51,619

said that's because the negative

1785

01:11:54,950 --> 01:11:53,579

interdimensional czar negative ETS are

1786

01:11:56,390 --> 01:11:54,960

feeding them information that's

1787

01:11:58,160 --> 01:11:56,400

inaccurate to make them lose their

1788

01:12:01,160 --> 01:11:58,170

credibility that's what I heard back in

1789

01:12:03,560 --> 01:12:01,170

the 90s starker market would shoot

1790

01:12:05,089 --> 01:12:03,570

sky-high due to potential actual tech

1791

01:12:07,189 --> 01:12:05,099

advances he had and like the stock I

1792

01:12:11,419 --> 01:12:07,199

think the stock market would what crater

1793

01:12:12,830 --> 01:12:11,429

if it was interdimensional I think

1794

01:12:16,669 --> 01:12:12,840

they're afraid to disclose now because

1795

01:12:19,520 --> 01:12:16,679

of that reason hyperinflation maybe and

1796

01:12:21,890 --> 01:12:19,530

I've heard that forever Reagan's new end

1797

01:12:23,359 --> 01:12:21,900

speech you know Carr Clinton smells he

1798

01:12:25,819 --> 01:12:23,369

said the same thing how will we come

1799

01:12:29,180 --> 01:12:25,829

together if we were facing a uh uh you

1800

01:12:30,859 --> 01:12:29,190

know he said I know exactly Reagan said

1801

01:12:31,490 --> 01:12:30,869

he's facing an enemy that's not from

1802

01:12:32,990 --> 01:12:31,500

this planet

1803

01:12:37,970 --> 01:12:33,000

supposedly Clinton said the same thing

1804

01:12:40,720 --> 01:12:37,980

so but not actual as far as I know but

1805

01:12:43,459 --> 01:12:40,730

still we would come together I think

1806

01:12:44,990 --> 01:12:43,469

multiverse yeah I would think so I would

1807

01:12:46,819 --> 01:12:45,000

think so but I'm not sure I mean do

1808

01:12:48,500 --> 01:12:46,829

these things if they really are negative

1809

01:12:49,970 --> 01:12:48,510

interdimensional do they even have a

1810

01:12:51,470 --> 01:12:49,980

place where they live I don't know how

1811

01:12:53,000 --> 01:12:51,480

that works and I know what another

1812

01:12:55,490 --> 01:12:53,010

dimension looks like you know it's like

1813

01:12:57,859 --> 01:12:55,500

just something we can't see but it can

1814

01:13:00,169 --> 01:12:57,869

have an effect on us that's just the way

1815

01:13:01,459 --> 01:13:00,179

I think of it but shark could be all

1816

01:13:03,560 --> 01:13:01,469

about money I don't know anything about

1817

01:13:05,419 --> 01:13:03,570

him there's another guy Kryon I used to

1818

01:13:07,310 --> 01:13:05,429

read a lot I went through those books

1819

01:13:08,990 --> 01:13:07,320

like water I was went to the beach

1820

01:13:10,100 --> 01:13:09,000

bought like seven books and I went

1821

01:13:11,450 --> 01:13:10,110

through a lot of those new and aged

1822

01:13:14,750 --> 01:13:11,460

books that's when I was believing

1823

01:13:17,060 --> 01:13:14,760

everything I read any of the other names

1824

01:13:19,279 --> 01:13:17,070

mentioned in the Wilson Davis been

1825

01:13:20,660 --> 01:13:19,289

contacted by comment well yeah I spoke

1826

01:13:22,609 --> 01:13:20,670

to one of them and I did not name him

1827

01:13:25,129 --> 01:13:22,619

but yeah I had a 20-minute conversation

1828

01:13:26,180 --> 01:13:25,139

with him and at first he didn't want to

1829

01:13:28,040 --> 01:13:26,190

talk and then he wouldn't get off the

1830

01:13:29,299 --> 01:13:28,050

phone so he's the one that said he

1831

01:13:31,700 --> 01:13:29,309

didn't think we should disclose because

1832

01:13:33,529 --> 01:13:31,710

it would just ruin everything religions

1833

01:13:35,120 --> 01:13:33,539

and everything on the planet would be

1834

01:13:36,200 --> 01:13:35,130

different why would we do that and they

1835

01:13:37,910 --> 01:13:36,210

wouldn't countries wouldn't want to

1836

01:13:40,189 --> 01:13:37,920

disclose because of technology they want

1837

01:13:41,600 --> 01:13:40,199

to have it to themselves so yeah that

1838

01:13:43,850 --> 01:13:41,610

was an interesting conversation then he

1839

01:13:45,049 --> 01:13:43,860

said you should watch Paul that movie

1840

01:13:47,899 --> 01:13:45,059

you should watch Paul and he said it

1841

01:13:52,979 --> 01:13:51,600

Virna von braun and one u.s. president

1842

01:13:54,540 --> 01:13:52,989

said about the industrial malika yeah

1843

01:13:57,089 --> 01:13:54,550

that's what it is the we have the

1844

01:13:58,500 --> 01:13:57,099

private industries has got a hold of

1845

01:14:00,120 --> 01:13:58,510

this stuff I think that's the private

1846

01:14:02,399 --> 01:14:00,130

you know military-industrial complex and

1847

01:14:04,229 --> 01:14:02,409

we're screwed right now let's see if we

1848

01:14:06,089 --> 01:14:04,239

can get to this stuff like I said the

1849

01:14:07,649 --> 01:14:06,099

New York Times article is step one it's

1850

01:14:09,959 --> 01:14:07,659

a big step and it's gonna lead to other

1851

01:14:13,890 --> 01:14:09,969

stuff what that other stuff looks like I

1852

01:14:16,229 --> 01:14:13,900

don't know what your thoughts on map man

1853

01:14:21,270 --> 01:14:16,239

in high castle great show on Amazon

1854

01:14:23,430 --> 01:14:21,280

Prime don't know it how deep do you

1855

01:14:28,259 --> 01:14:23,440

think current president's knowledge is

1856

01:14:32,669 --> 01:14:28,269

of the subject do I think they've told

1857

01:14:33,620 --> 01:14:32,679

him the real story no I don't but I'm

1858

01:14:37,529 --> 01:14:33,630

speculating

1859

01:14:40,169 --> 01:14:37,539

I think his mention of Roswell was not

1860

01:14:41,729 --> 01:14:40,179

an accident so I if members of Congress

1861

01:14:43,770 --> 01:14:41,739

have been briefed about that program

1862

01:14:46,049 --> 01:14:43,780

being hidden I think the president has

1863

01:14:47,669 --> 01:14:46,059

burnaby been briefed what can the

1864

01:14:49,589 --> 01:14:47,679

president do he can go all Trump and say

1865

01:14:50,609 --> 01:14:49,599

I'm gonna get the National Guard we're

1866

01:14:51,839 --> 01:14:50,619

gonna find this program we're gonna

1867

01:14:53,399 --> 01:14:51,849

knock their door down and we're gonna

1868

01:14:55,620 --> 01:14:53,409

take that craft back because we're

1869

01:14:58,080 --> 01:14:55,630

taxpayers we pay for it that's what I

1870

01:15:00,089 --> 01:14:58,090

want to happen but I doubt it

1871

01:15:02,790 --> 01:15:00,099

wouldn't what impact will disclose your

1872

01:15:05,430 --> 01:15:02,800

have for the most vulnerable for vets

1873

01:15:07,770 --> 01:15:05,440

who are under torture from PTSD well

1874

01:15:09,540 --> 01:15:07,780

first of all vets we need to open up and

1875

01:15:12,299 --> 01:15:09,550

get those opinions about mushrooms

1876

01:15:14,939 --> 01:15:12,309

changing and ecstasy that is great for

1877

01:15:18,270 --> 01:15:14,949

PTSD human suffering from horrible

1878

01:15:19,589 --> 01:15:18,280

disease material benefits you know it's

1879

01:15:21,569 --> 01:15:19,599

all going to be somewhere down the line

1880

01:15:23,339 --> 01:15:21,579

Adam where we can talk about healing and

1881

01:15:25,080 --> 01:15:23,349

I'm not saying it's a magic pill where

1882

01:15:26,879 --> 01:15:25,090

we could just feel people instantly I

1883

01:15:28,589 --> 01:15:26,889

don't know what the future looks like I

1884

01:15:31,709 --> 01:15:28,599

don't know I mean people talk about

1885

01:15:33,120 --> 01:15:31,719

fourth dimension I think lookups speaks

1886

01:15:36,060 --> 01:15:33,130

about that what does that look like is

1887

01:15:40,879 --> 01:15:36,070

all you know is all disease gone I don't

1888

01:15:45,180 --> 01:15:40,889

know I mean you hope so can hope

1889

01:15:47,040 --> 01:15:45,190

wormholes potholes possible gateways

1890

01:15:48,779 --> 01:15:47,050

being used by inner dimensionals yeah I

1891

01:15:50,459 --> 01:15:48,789

have heard I and I think skinwalkers one

1892

01:15:52,200 --> 01:15:50,469

place and other places around the world

1893

01:15:53,669 --> 01:15:52,210

so I don't want to go there I don't want

1894

01:15:56,279 --> 01:15:53,679

to be where they can if that's where as

1895

01:16:01,080 --> 01:15:56,289

a brand and fuel so that might be where

1896

01:16:06,460 --> 01:16:03,400

val is thin where they can come through

1897

01:16:07,840 --> 01:16:06,470

and if that's the case then I don't want

1898

01:16:09,550 --> 01:16:07,850

to be anywhere there look what happened

1899

01:16:12,510 --> 01:16:09,560

all the stuff from skinwalker is most of

1900

01:16:18,610 --> 01:16:12,520

its negative so yeah no thanks

1901

01:16:21,340 --> 01:16:18,620

hypothetically can this tech help with

1902

01:16:22,660 --> 01:16:21,350

climate change hell yes yes yes yes it's

1903

01:16:23,830 --> 01:16:22,670

gonna clean up the environment we have

1904

01:16:26,950 --> 01:16:23,840

to figure it out for us you know if you

1905

01:16:29,500 --> 01:16:26,960

listen to the mr. X talk on physics on

1906

01:16:30,730 --> 01:16:29,510

YouTube on project unity seitan he

1907

01:16:31,780 --> 01:16:30,740

talked about some of that stuff but we

1908

01:16:33,220 --> 01:16:31,790

have to get it out and we have to work

1909

01:16:34,330 --> 01:16:33,230

on it together so he could figure it out

1910

01:16:36,880 --> 01:16:34,340

it's not it's not I don't think it's

1911

01:16:40,200 --> 01:16:36,890

just there it talks about two different

1912

01:16:44,400 --> 01:16:40,210

things self-organizing plasmas and

1913

01:16:48,460 --> 01:16:44,410

what's the other thing Evo so Evo is a

1914

01:16:53,170 --> 01:16:48,470

something vault I forget what it is what

1915

01:16:54,850 --> 01:16:53,180

it stands for vacuum off to look it up

1916

01:16:56,950 --> 01:16:54,860

but it's in the video in the project

1917

01:16:59,680 --> 01:16:56,960

unity video video hypothetically the

1918

01:17:01,810 --> 01:16:59,690

intent intact UFO would contain a

1919

01:17:05,200 --> 01:17:01,820

propulsion energy mechanism that could

1920

01:17:06,430 --> 01:17:05,210

undermine and crash the economy is that

1921

01:17:08,140 --> 01:17:06,440

a good enough the secret to keep it

1922

01:17:10,150 --> 01:17:08,150

secret reason to keep it secret yes but

1923

01:17:11,410 --> 01:17:10,160

and also if we do have our own craft it

1924

01:17:12,460 --> 01:17:11,420

might be different technology than the

1925

01:17:15,280 --> 01:17:12,470

aircraft and that's why we haven't

1926

01:17:16,540 --> 01:17:15,290

figured out the aircraft before that's

1927

01:17:18,160 --> 01:17:16,550

why they've shut down the program and

1928

01:17:19,630 --> 01:17:18,170

yeah that's a good reason but I think

1929

01:17:21,400 --> 01:17:19,640

the reason is deeper than that I mean

1930

01:17:22,870 --> 01:17:21,410

that's them so this is a good reason to

1931

01:17:24,100 --> 01:17:22,880

keep the tech there but I don't have too

1932

01:17:28,810 --> 01:17:24,110

good reason to keep the whole story

1933

01:17:31,090 --> 01:17:28,820

secret hey Joe Northern Ireland hi

1934

01:17:32,620 --> 01:17:31,100

Northern Ireland do you think he tees

1935

01:17:34,980 --> 01:17:32,630

are altruistic towards the climate

1936

01:17:36,820 --> 01:17:34,990

emergency I think everybody's here is

1937

01:17:39,580 --> 01:17:36,830

worried about the climate I think

1938

01:17:40,900 --> 01:17:39,590

everybody has their there the finger on

1939

01:17:42,040 --> 01:17:40,910

that they realize we have to get this

1940

01:17:44,590 --> 01:17:42,050

under control

1941

01:17:45,490 --> 01:17:44,600

I do think why would they not be if

1942

01:17:47,440 --> 01:17:45,500

they're if they are doing their own

1943

01:17:48,820 --> 01:17:47,450

thing here unless you know unless they

1944

01:17:50,140 --> 01:17:48,830

don't doesn't affect them at all you

1945

01:17:51,910 --> 01:17:50,150

know it's possible they can be here

1946

01:17:53,110 --> 01:17:51,920

without humans which probably is the

1947

01:17:54,850 --> 01:17:53,120

case we're kind of ain't comment

1948

01:17:57,190 --> 01:17:54,860

probably inconsequential to a lot of

1949

01:17:59,020 --> 01:17:57,200

these beings you know but I think

1950

01:18:00,960 --> 01:17:59,030

there's some that really want us to get

1951

01:18:03,280 --> 01:18:00,970

our stuff together clean up the planet

1952

01:18:06,220 --> 01:18:03,290

they must suck on my negative energy

1953

01:18:08,110 --> 01:18:06,230

like mosquitoes yell stay positive watch

1954

01:18:09,550 --> 01:18:08,120

mr. bean have you seen Greer's Close

1955

01:18:11,360 --> 01:18:09,560

Encounters of the fifth kind yes I did I

1956

01:18:12,680 --> 01:18:11,370

did I like there and I

1957

01:18:15,170 --> 01:18:12,690

like him in the past some of the stuff

1958

01:18:18,860 --> 01:18:15,180

he said I love that movie I think people

1959

01:18:20,980 --> 01:18:18,870

should watch it from a Linda Leslie I

1960

01:18:23,690 --> 01:18:20,990

saw part of it today

1961

01:18:24,770 --> 01:18:23,700

the Melinda Leslie James semi van and I

1962

01:18:25,970 --> 01:18:24,780

was actually talking about that earlier

1963

01:18:26,930 --> 01:18:25,980

you can go back and watch it I haven't

1964

01:18:28,580 --> 01:18:26,940

watched all of it do you know if la

1965

01:18:31,280 --> 01:18:28,590

Nolan will be included in York Times

1966

01:18:32,840 --> 01:18:31,290

article I do not I hope so but tell you

1967

01:18:35,030 --> 01:18:32,850

the truth metamaterials compared to an

1968

01:18:36,590 --> 01:18:35,040

intact craft doesn't get me excited no

1969

01:18:39,200 --> 01:18:36,600

offense to them but we have an intact

1970

01:18:40,430 --> 01:18:39,210

craft that they can wheel out but it

1971

01:18:43,460 --> 01:18:40,440

might start with metamaterials that's

1972

01:18:44,990 --> 01:18:43,470

maybe where we have to start they are

1973

01:18:46,430 --> 01:18:45,000

negative but their tech is amazing their

1974

01:18:50,270 --> 01:18:46,440

tech is incredible and I don't say

1975

01:18:52,760 --> 01:18:50,280

everybody who has tech is negative that

1976

01:18:54,710 --> 01:18:52,770

tech is just mind-blowing

1977

01:18:57,410 --> 01:18:54,720

I think a movie about John Mac will

1978

01:18:58,670 --> 01:18:57,420

greatly help disclosure yes John Mac and

1979

01:19:00,290 --> 01:18:58,680

also there's a book that Ralph

1980

01:19:02,810 --> 01:19:00,300

Blumenthal is working on about John Mac

1981

01:19:07,010 --> 01:19:02,820

so it's coming soon I don't know exactly

1982

01:19:08,780 --> 01:19:07,020

when uip is not a threat and they have

1983

01:19:12,800 --> 01:19:08,790

seen the entire video clips of the

1984

01:19:13,910 --> 01:19:12,810

Nimitz okay we're not talking about you

1985

01:19:18,740 --> 01:19:13,920

IP we're talking about interdimensional

1986

01:19:21,170 --> 01:19:18,750

so and that's only my opinion will we be

1987

01:19:23,000 --> 01:19:21,180

able to live longer than o live longer

1988

01:19:25,250 --> 01:19:23,010

than age I hope so because according to

1989

01:19:27,550 --> 01:19:25,260

the average I do not have a lot of time

1990

01:19:29,720 --> 01:19:27,560

laughs it's might be my last video I

1991

01:19:31,970 --> 01:19:29,730

think like I have 20 years left on

1992

01:19:33,320 --> 01:19:31,980

average so hopefully we could live

1993

01:19:35,060 --> 01:19:33,330

longer I would think that kind of stuff

1994

01:19:37,040 --> 01:19:35,070

is I know it's already in the works and

1995

01:19:38,870 --> 01:19:37,050

I don't know the science behind it but I

1996

01:19:41,360 --> 01:19:38,880

hope so that would be great give me two

1997

01:19:44,240 --> 01:19:41,370

a hundred I'll take a hundred gives me

1998

01:19:46,430 --> 01:19:44,250

another 45 years and I hope the aerial

1999

01:19:48,590 --> 01:19:46,440

film will cover some of ya you know

2000

01:19:51,320 --> 01:19:48,600

almost documentaries coming out between

2001

01:19:56,540 --> 01:19:51,330

that and James Fox's movie which I think

2002

01:19:58,760 --> 01:19:56,550

hopefully will come out soon society is

2003

01:20:00,260 --> 01:19:58,770

built for the rat race it is but it is

2004

01:20:03,200 --> 01:20:00,270

built for the rat race it's horrible I

2005

01:20:05,000 --> 01:20:03,210

mean it's just non-stop work grinding

2006

01:20:07,310 --> 01:20:05,010

you know grinding and grinding it's a

2007

01:20:09,230 --> 01:20:07,320

it's a vapid Paper Chase with very

2008

01:20:11,510 --> 01:20:09,240

little time on personal development I

2009

01:20:13,760 --> 01:20:11,520

agree help full disclosure happens in

2010

01:20:15,470 --> 01:20:13,770

our lifetimes I hope so because I'm even

2011

01:20:20,000 --> 01:20:15,480

though it scares me because one world

2012

01:20:21,710 --> 01:20:20,010

isn't conducive to happiness our world

2013

01:20:23,840 --> 01:20:21,720

isn't I know our world is really

2014

01:20:25,040 --> 01:20:23,850

difficult and I'm lucky you know but

2015

01:20:26,360 --> 01:20:25,050

there are a lot of people you know

2016

01:20:28,160 --> 01:20:26,370

I don't have to worry about bills right

2017

01:20:29,630 --> 01:20:28,170

now I'm getting unemployment I had a

2018

01:20:31,130 --> 01:20:29,640

good job even though I'm breaking my

2019

01:20:33,050 --> 01:20:31,140

back at it you know I don't want to be

2020

01:20:34,700 --> 01:20:33,060

I'm getting up there I can't carry a

2021

01:20:36,560 --> 01:20:34,710

camera for the rest of my life so what

2022

01:20:39,920 --> 01:20:36,570

do I do I'm not old enough or not old

2023

01:20:42,110 --> 01:20:39,930

enough for for Social Security but you

2024

01:20:43,910 --> 01:20:42,120

know and people say well this the nanny

2025

01:20:45,920 --> 01:20:43,920

state with with other countries that's

2026

01:20:48,200 --> 01:20:45,930

not necessarily in the government yeah

2027

01:20:49,370 --> 01:20:48,210

but you know if something happens there

2028

01:20:51,380 --> 01:20:49,380

at least they know they're taken care of

2029

01:20:53,060 --> 01:20:51,390

they don't have a \$30,000 bill for three

2030

01:20:54,560 --> 01:20:53,070

days stay in a hospital like I had when

2031

01:20:58,340 --> 01:20:54,570

I have my gallbladder out I mean you

2032

01:20:59,810 --> 01:20:58,350

know it's just things have to change and

2033

01:21:00,980 --> 01:20:59,820

I think this is a first I'm excited

2034

01:21:01,970 --> 01:21:00,990

that's what I think I'm excited about I

2035

01:21:03,830 --> 01:21:01,980

think we could change the world it's not

2036

01:21:06,260 --> 01:21:03,840

gonna happen overnight the changes I

2037

01:21:08,180 --> 01:21:06,270

want but I think we can definitely get

2038

01:21:10,460 --> 01:21:08,190

in that direction and wake people up

2039

01:21:13,100 --> 01:21:10,470

people who are following Kim Kardashian

2040

01:21:14,660 --> 01:21:13,110

with all 59 million followers let them

2041

01:21:15,920 --> 01:21:14,670

cover ours let them look at our stuff

2042

01:21:17,990 --> 01:21:15,930

you know wake up there's so much more

2043

01:21:19,400 --> 01:21:18,000

important stuff we're dumb down dumb

2044

01:21:21,080 --> 01:21:19,410

down what reality shows and I've been a

2045

01:21:23,180 --> 01:21:21,090

part of that I mean luckily I worked on

2046

01:21:25,940 --> 01:21:23,190

a good reality show for a while on Pawn

2047

01:21:27,830 --> 01:21:25,950

Stars but that was an educational one

2048

01:21:29,780 --> 01:21:27,840

but I've worked on some really bad shows

2049

01:21:32,180 --> 01:21:29,790

it I had trouble sleeping at night you

2050

01:21:35,900 --> 01:21:32,190

know really bad stuff wife swap wife

2051
01:21:38,510 --> 01:21:35,910
swap or ABC was one of them I'm sold

2052
01:21:40,940 --> 01:21:38,520
because my body is one question can

2053
01:21:42,950 --> 01:21:40,950
never squares why us why would they

2054
01:21:44,210 --> 01:21:42,960
whoever they are choose to interact with

2055
01:21:46,040 --> 01:21:44,220
us I don't know if it's I think it's the

2056
01:21:48,860 --> 01:21:46,050
planet are they also interacting with

2057
01:21:50,240 --> 01:21:48,870
the oh and also and they may have had

2058
01:21:52,460 --> 01:21:50,250
something to do with our creation you

2059
01:21:54,440 --> 01:21:52,470
gotta read the Robert Monroe article on

2060
01:21:55,850 --> 01:21:54,450
you loose from his second book you know

2061
01:21:57,200 --> 01:21:55,860
talks about them creating us just

2062
01:21:58,760 --> 01:21:57,210
because they needed what we were giving

2063
01:22:01,040 --> 01:21:58,770

off when we give off certain emotions

2064

01:22:03,260 --> 01:22:01,050

and controversial but that always stuck

2065

01:22:08,060 --> 01:22:03,270

with me and that was thanks to the 1770s

2066

01:22:09,410 --> 01:22:08,070

or early 80s that book came out are they

2067

01:22:11,630 --> 01:22:09,420

also interacting with presumably

2068

01:22:12,230 --> 01:22:11,640

millions of other life-forms I have no

2069

01:22:14,360 --> 01:22:12,240

idea

2070

01:22:16,970 --> 01:22:14,370

feeding off of their energy influencing

2071

01:22:19,250 --> 01:22:16,980

their actions influencing their actions

2072

01:22:21,710 --> 01:22:19,260

look at slide 9 it says influencing

2073

01:22:24,530 --> 01:22:21,720

decision maker as that is scary if

2074

01:22:27,260 --> 01:22:24,540

that's going on if they can influence

2075

01:22:29,600 --> 01:22:27,270

decision makers I still can't understand

2076

01:22:32,000 --> 01:22:29,610

are they influencing people not to look

2077

01:22:34,090 --> 01:22:32,010

at slide 9 let me talk to Jay's one of

2078

01:22:36,779 --> 01:22:34,100

his tweets about that it was very very

2079

01:22:39,559 --> 01:22:36,789

low response he was normal

2080

01:22:42,239 --> 01:22:39,569

tweets maybe videos are still being

2081

01:22:43,770 --> 01:22:42,249

criticized how hopeful your about New

2082

01:22:44,909 --> 01:22:43,780

York Times article it's coming New York

2083

01:22:47,489 --> 01:22:44,919

Times are coming unless there's a

2084

01:22:49,409 --> 01:22:47,499

last-minute kibosh on it but next week

2085

01:22:52,319 --> 01:22:49,419

is what I heard I don't know if that'll

2086

01:22:57,209 --> 01:22:52,329

happen but I don't see why not unless

2087

01:22:58,349 --> 01:22:57,219

they hear something else yeah some

2088

01:22:59,969 --> 01:22:58,359

people I don't know people who love

2089

01:23:02,279 --> 01:22:59,979

being slaves just the way we're used to

2090

01:23:04,319 --> 01:23:02,289

in our lives its way we've been taught

2091

01:23:08,219 --> 01:23:04,329

any speculation how these crafts come

2092

01:23:17,719 --> 01:23:08,229

down nice my computer's doing things by

2093

01:23:20,429 --> 01:23:17,729

itself hold on a second any speculation

2094

01:23:23,879 --> 01:23:20,439

how these crafts come down conventional

2095

01:23:27,270 --> 01:23:23,889

weapons accidents I've heard accidents

2096

01:23:28,709 --> 01:23:27,280

I've heard on purpose I've heard you

2097

01:23:31,679 --> 01:23:28,719

know they want to make sure that they're

2098

01:23:32,849 --> 01:23:31,689

we believe it's et when so take our

2099

01:23:34,169 --> 01:23:32,859

minds off the intermittent

2100

01:23:36,299 --> 01:23:34,179

interdimensional stuff I don't know if

2101

01:23:37,500 --> 01:23:36,309

that's true but I do like that theory

2102

01:23:40,229 --> 01:23:37,510

because it's kind of brilliant on their

2103

01:23:41,279 --> 01:23:40,239

part would be a great way to trick us

2104

01:23:44,309 --> 01:23:41,289

and it worked

2105

01:23:46,319 --> 01:23:44,319

I'll never understand people who think

2106

01:23:47,549 --> 01:23:46,329

working forty hours a week or more is a

2107

01:23:50,069 --> 01:23:47,559

good thing yeah I know other countries

2108

01:23:51,359 --> 01:23:50,079

work less just start making documentary

2109

01:23:52,770 --> 01:23:51,369

films I don't want to wait I don't want

2110

01:23:55,289 --> 01:23:52,780

to do films anymore

2111

01:23:57,119 --> 01:23:55,299

I work I've shot too much stuff it's not

2112

01:23:58,259 --> 01:23:57,129

my thing I'll do live stuff like this as

2113

01:23:59,849 --> 01:23:58,269

stuff happens and I want to have other

2114

01:24:03,389 --> 01:23:59,859

guests and I want to do it in a house in

2115

01:24:05,189 --> 01:24:03,399

a studio and have a co-host well I'm I'm

2116

01:24:07,739 --> 01:24:05,199

a filmmaker myself would start following

2117

01:24:09,029 --> 01:24:07,749

my own suggestions yeah right I've

2118

01:24:10,770 --> 01:24:09,039

always wanted to do it I never really

2119

01:24:13,349 --> 01:24:10,780

had a topic I wanted to specifically

2120

01:24:14,789 --> 01:24:13,359

focus on Hollywood defeated religious

2121

01:24:17,639 --> 01:24:14,799

fundamentalism and Catholic Church in

2122

01:24:19,770 --> 01:24:17,649

the u.s. what impact can Hollywood today

2123

01:24:21,029 --> 01:24:19,780

highly funded digital media play in

2124

01:24:22,349 --> 01:24:21,039

bringing disclosure while the Tom

2125

01:24:24,659 --> 01:24:22,359

DeLonge movies would help especially

2126

01:24:26,729 --> 01:24:24,669

book - I heard as a must-read you know I

2127

01:24:28,349 --> 01:24:26,739

heard it's a hard read couple of people

2128

01:24:29,789 --> 01:24:28,359

told me they're surprised once said they

2129

01:24:31,199 --> 01:24:29,799

were surprised some of the material that

2130

01:24:37,319 --> 01:24:31,209

made it into the book that lavinda was

2131

01:24:38,849 --> 01:24:37,329

able to drum up document wise and the

2132

01:24:39,959 --> 01:24:38,859

blood cells yeah I think he's gonna have

2133

01:24:41,459 --> 01:24:39,969

something coming out and that's

2134

01:24:44,789 --> 01:24:41,469

important too it's really gonna be

2135

01:24:46,349 --> 01:24:44,799

important but TVs great but you know a

2136

01:24:49,019 --> 01:24:46,359

New York Times article in sixty minutes

2137

01:24:50,469 --> 01:24:49,029

that's another story their connection

2138

01:24:52,569 --> 01:24:50,479

between people who take

2139

01:24:54,129 --> 01:24:52,579

the drug DMT and interdimensional beings

2140

01:24:55,779 --> 01:24:54,139

I mean yeah they see the same things

2141

01:24:57,459 --> 01:24:55,789

they take DMT and they all see the same

2142

01:25:00,100 --> 01:24:57,469

thing so they may be seeing

2143

01:25:03,370 --> 01:25:00,110

interdimensional beings so that's Rick

2144

01:25:06,699 --> 01:25:03,380

Strassman book the spirit molecule is a

2145

01:25:09,640 --> 01:25:06,709

really good place to start and DM DMT

2146

01:25:10,930 --> 01:25:09,650

and ayahuasca you know I happen to live

2147

01:25:13,569 --> 01:25:10,940

in Vegas where there's one of the more

2148

01:25:16,449 --> 01:25:13,579

respected ayahuasca shamans she's been

2149

01:25:19,600 --> 01:25:16,459

doing it a long time and Graham Hancock

2150

01:25:21,040 --> 01:25:19,610

has done it a lot 10 that over a dozen

2151

01:25:25,479 --> 01:25:21,050

times and he thinks every politician

2152

01:25:35,919 --> 01:25:25,489

should should try ayahuasca and Trump on

2153

01:25:38,910 --> 01:25:35,929

ayahuasca do you know which if any of

2154

01:25:45,370 --> 01:25:38,920

your fellow researchers your contacts

2155

01:25:46,779 --> 01:25:45,380

follow or fellow researchers I follow me

2156

01:25:50,229 --> 01:25:46,789

and Richard Dolan just blows me away

2157

01:25:53,739 --> 01:25:50,239

with his memory it's incredible Gary

2158

01:25:54,879 --> 01:25:53,749

Nolan's doing amazing work Erik Davis I

2159

01:25:57,609 --> 01:25:54,889

can listen to his interviews all day

2160

01:26:00,850 --> 01:25:57,619

long and if I send him a question it

2161

01:26:02,439 --> 01:26:00,860

usually responds with a lot it's great

2162

01:26:04,689 --> 01:26:02,449

because I could see him typing and then

2163

01:26:07,060 --> 01:26:04,699

that comes out and it's like a message

2164

01:26:08,529 --> 01:26:07,070

this long and like his recent messages

2165

01:26:12,160 --> 01:26:08,539

were some of the best messages I've ever

2166

01:26:13,689 --> 01:26:12,170

received I'm really lucky you know I was

2167

01:26:16,509 --> 01:26:13,699

lucky to interview will Miller you know

2168

01:26:17,919 --> 01:26:16,519

I met him in 2000 it's lost contact with

2169

01:26:20,259 --> 01:26:17,929

him over the last four years and then

2170

01:26:22,839 --> 01:26:20,269

James and Olli got me in contact and it

2171

01:26:24,219 --> 01:26:22,849

really his interview was great he first

2172

01:26:25,750 --> 01:26:24,229

said I can only ask two questions and

2173

01:26:27,879 --> 01:26:25,760

I'm like what am I gonna answer what am

2174

01:26:30,580 --> 01:26:27,889

how am I gonna get to questions and get

2175

01:26:31,750 --> 01:26:30,590

to what I need to know and he wrote back

2176

01:26:33,609 --> 01:26:31,760

said ask me what you want

2177

01:26:35,500 --> 01:26:33,619

so I he goes I'll answer what I could

2178

01:26:37,029 --> 01:26:35,510

what I can and then he just answered

2179

01:26:38,500 --> 01:26:37,039

everything except two questions he said

2180

01:26:39,699 --> 01:26:38,510

I choose not to comment which basically

2181

01:26:42,989 --> 01:26:39,709

if you know the story you need to look

2182

01:26:45,219 --> 01:26:42,999

into it that says a lot yeah Eric Davis

2183

01:26:47,919 --> 01:26:45,229

is there any good ones yeah there is

2184

01:26:49,390 --> 01:26:47,929

some Eric Davis stuff but it's more you

2185

01:26:51,910 --> 01:26:49,400

could find his interviews with Ericka

2186

01:26:54,219 --> 01:26:51,920

Luke's those are on her side if you get

2187

01:26:55,899 --> 01:26:54,229

what's known okay I linked it in my

2188

01:26:57,040 --> 01:26:55,909

article read read my article linked

2189

01:26:59,469 --> 01:26:57,050

wherever I could I linked to his

2190

01:27:01,600 --> 01:26:59,479

interviews Alejandra Alejandro Rojas has

2191

01:27:04,240 --> 01:27:01,610

one we're all a hundred rows Haase says

2192

01:27:05,440 --> 01:27:04,250

I'm skeptical about crash retrieval

2193

01:27:07,210 --> 01:27:05,450

and then Davis goes in and talked

2194

01:27:10,050 --> 01:27:07,220

specifically about crash retrievals it's

2195

01:27:16,000 --> 01:27:13,150

so just watching tucker carlson

2196

01:27:18,130 --> 01:27:16,010

interview with one month to go at the

2197

01:27:19,780 --> 01:27:18,140

end he claims a source told him that the

2198

01:27:22,960 --> 01:27:19,790

government has crashed records yeah

2199

01:27:25,360 --> 01:27:22,970

i mean probably Elizondo I mean Elizondo

2200

01:27:29,460 --> 01:27:25,370

knows a lot and Elizondo cannot share

2201

01:27:34,300 --> 01:27:32,710

he talks I played it earlier I could try

2202

01:27:35,950 --> 01:27:34,310

to play it again but there was no sound

2203

01:27:40,990 --> 01:27:35,960

yeah there's no sound I'll link to it on

2204

01:27:45,820 --> 01:27:41,000

you on Twitter it's basically end of the

2205

01:27:47,620 --> 01:27:45,830

end of unidentified season 1 episode 6

2206

01:27:51,730 --> 01:27:47,630

I'm going to put it i cue it up i keyed

2207

01:27:54,460 --> 01:27:51,740

it up on vimeo so go watch the ending

2208

01:27:56,380 --> 01:27:54,470

and let's see what people have to say

2209

01:27:59,200 --> 01:27:56,390

about that because most people are not

2210

01:28:05,560 --> 01:27:59,210

watching this video so i'm putting in

2211

01:28:09,490 --> 01:28:05,570

here what do you guys do you guys make

2212

01:28:11,380 --> 01:28:09,500

of this give me one second and season 2

2213

01:28:13,180 --> 01:28:11,390

starts tonight and i've seen this

2214

01:28:16,420 --> 01:28:13,190

episode 1 it's good but I mean I'm

2215

01:28:17,740 --> 01:28:16,430

talking crash retrievals so it's I know

2216

01:28:19,930 --> 01:28:17,750

it sounds weird for me to say it's

2217

01:28:22,120 --> 01:28:19,940

boring but it's not boring I love it

2218

01:28:27,340 --> 01:28:22,130

looks amazing it looks better than the

2219

01:28:28,780 --> 01:28:27,350

first season and there's gonna be more

2220

01:28:32,140 --> 01:28:28,790

cases coming up that I think they're

2221

01:28:33,550 --> 01:28:32,150

gonna be really not just lights and

2222

01:28:36,400 --> 01:28:33,560

they're not lights in this guy they're

2223

01:28:38,080 --> 01:28:36,410

good stuff I think people will like it I

2224

01:28:39,580 --> 01:28:38,090

think it's great for the mainstream to

2225

01:28:42,070 --> 01:28:39,590

get them watching that show watch it on

2226

01:28:44,260 --> 01:28:42,080

the watch season what's on the watch

2227

01:28:46,840 --> 01:28:44,270

season one and then that's what that's

2228

01:28:52,810 --> 01:28:46,850

the that's the problem because Here I am

2229

01:28:54,070 --> 01:28:52,820

saying I'm bored with regular just UFO

2230

01:28:55,210 --> 01:28:54,080

stuff but the regular people are not

2231

01:28:57,180 --> 01:28:55,220

gonna be bored you know they're gonna be

2232

01:28:59,710 --> 01:28:57,190

intrigued and the whole

2233

01:29:01,600 --> 01:28:59,720

unsolved mysteries case that is

2234

01:29:03,190 --> 01:29:01,610

troubling a lot of people and that just

2235

01:29:04,780 --> 01:29:03,200

gives you an idea and that's just the

2236

01:29:06,490 --> 01:29:04,790

tip of it I need to watch that again I

2237

01:29:11,460 --> 01:29:06,500

did not know if that case I don't even

2238

01:29:14,260 --> 01:29:11,470

know the name of it trying to look

2239

01:29:17,080 --> 01:29:14,270

thanks Jill watch little I wonder how

2240

01:29:17,689 --> 01:29:17,090

many crafts we have I have no idea but

2241

01:29:19,370 --> 01:29:17,699

if

2242

01:29:22,010 --> 01:29:19,380

our story is true and those were our

2243

01:29:24,439 --> 01:29:22,020

craft he said nine

2244

01:29:26,180 --> 01:29:24,449

I don't know lazarre's tell the truth I

2245

01:29:27,439 --> 01:29:26,190

think he is I that's something another

2246

01:29:30,860 --> 01:29:27,449

one that clicked in my head

2247

01:29:33,830 --> 01:29:30,870

recently can't find will Miller's

2248

01:29:35,390 --> 01:29:33,840

interview it's on my website UFO geonet

2249

01:29:40,880 --> 01:29:35,400

it's not even an excerpt except for one

2250

01:29:42,830 --> 01:29:40,890

with Greer yeah that's a good one but I

2251
01:29:46,040 --> 01:29:42,840
have his whole interview with me on my

2252
01:29:48,620 --> 01:29:46,050
blog UFO Joe net you'll see it it says

2253
01:29:50,270 --> 01:29:48,630
Peru I think I think it starts up Peru

2254
01:29:52,040 --> 01:29:50,280
crash retrieval and it's will Miller

2255
01:29:54,680 --> 01:29:52,050
full interview and you go you can also

2256
01:29:56,090 --> 01:29:54,690
buy like ten bucks I think you could buy

2257
01:29:57,919 --> 01:29:56,100
the video download it right away and

2258
01:29:59,030 --> 01:29:57,929
watch it that's the one I called in

2259
01:30:02,959 --> 01:29:59,040
towards the end which I had forgotten

2260
01:30:04,580 --> 01:30:02,969
about it that was in two thousand where

2261
01:30:06,530 --> 01:30:04,590
do you draw the line on the crazy

2262
01:30:08,510 --> 01:30:06,540
theories and claim some people have in

2263
01:30:11,180 --> 01:30:08,520

the UFO community it's really difficult

2264

01:30:12,919 --> 01:30:11,190

you know it's like it's difficult stuff

2265

01:30:14,600 --> 01:30:12,929

I've rejected before I'm more open to

2266

01:30:15,860 --> 01:30:14,610

now but it's just it's just my gut I

2267

01:30:17,930 --> 01:30:15,870

mean and if I've heard it from other

2268

01:30:20,450 --> 01:30:17,940

people you know people like trust that's

2269

01:30:22,820 --> 01:30:20,460

a big part of it it's a small small list

2270

01:30:24,410 --> 01:30:22,830

of people I trust don't you think a lot

2271

01:30:27,830 --> 01:30:24,420

of people here that are charlatans see

2272

01:30:30,140 --> 01:30:27,840

up and harm the cause yes I do but you

2273

01:30:31,070 --> 01:30:30,150

know I think you guys know who that who

2274

01:30:32,930 --> 01:30:31,080

those people are but then there are

2275

01:30:35,330 --> 01:30:32,940

people who I thought were totally making

2276

01:30:37,100 --> 01:30:35,340

up stuff and then somebody says oh so

2277

01:30:38,919 --> 01:30:37,110

once I was talking about that subject -

2278

01:30:41,990 --> 01:30:38,929

and that person is credible so I'm like

2279

01:30:44,620 --> 01:30:42,000

really so that might be real it's really

2280

01:30:46,400 --> 01:30:44,630

difficult it's really difficult

2281

01:30:49,939 --> 01:30:46,410

multiple wreckage I hope we have

2282

01:30:51,800 --> 01:30:49,949

multiple intact craft berkshire episode

2283

01:30:52,910 --> 01:30:51,810

unsolved mysteries that's the one i need

2284

01:30:57,110 --> 01:30:52,920

to watch it again I was falling asleep

2285

01:30:58,729 --> 01:30:57,120

it's really good and uh yeah emotional

2286

01:31:00,260 --> 01:30:58,739

energy look at look at skinwalker why

2287

01:31:02,000 --> 01:31:00,270

would you kill three dogs to try to get

2288

01:31:04,760 --> 01:31:02,010

an emotional reaction out of the ranch

2289

01:31:07,880 --> 01:31:04,770

owner Terry Sherman I'd have horse

2290

01:31:09,860 --> 01:31:07,890

horses go off a ledge makes no sense on

2291

01:31:11,090 --> 01:31:09,870

a positive angle I know somebody who

2292

01:31:13,010 --> 01:31:11,100

tried to justify saying well I'm just

2293

01:31:15,380 --> 01:31:13,020

trying to get over our attention and you

2294

01:31:17,390 --> 01:31:15,390

know I'm like you know that's negative

2295

01:31:19,479 --> 01:31:17,400

that's that's the discerning horses

2296

01:31:21,650 --> 01:31:19,489

which I love animals that's evil to me

2297

01:31:23,600 --> 01:31:21,660

I've been moving more towards believing

2298

01:31:26,600 --> 01:31:23,610

Bob at least some of the main aspects

2299

01:31:28,760 --> 01:31:26,610

yeah me too I'm definitely I said 8020

2300

01:31:30,110 --> 01:31:28,770

and maybe that's too much but I need to

2301
01:31:31,520 --> 01:31:30,120
watch this documentary again I went to

2302
01:31:33,620 --> 01:31:31,530
LA and watched it in

2303
01:31:37,160 --> 01:31:33,630
look I had like really cheap flight so I

2304
01:31:39,680 --> 01:31:37,170
flew there at my my recent ex-wife and

2305
01:31:42,920 --> 01:31:39,690
we went and I met a couple people there

2306
01:31:44,240 --> 01:31:42,930
some Melinda and I saw ADA there and it

2307
01:31:45,980 --> 01:31:44,250
was it was good it was kind of fun to

2308
01:31:47,540 --> 01:31:45,990
see bob lazar walk on the stage and

2309
01:31:49,670 --> 01:31:47,550
shadow and i had a question for him that

2310
01:31:52,430 --> 01:31:49,680
was gonna really be a not easy question

2311
01:31:55,010 --> 01:31:52,440
for him but Jeremy took questions on

2312
01:31:56,630 --> 01:31:55,020
Twitter only assumed Wilson docks are

2313
01:31:58,310 --> 01:31:56,640

accurate how do we prove that the

2314

01:32:00,050 --> 01:31:58,320

program manager was telling Wilson we

2315

01:32:01,850 --> 01:32:00,060

have to get inside the program to find

2316

01:32:03,140 --> 01:32:01,860

out if he was telling the truth yeah

2317

01:32:04,970 --> 01:32:03,150

yeah we have to get inside the program

2318

01:32:06,110 --> 01:32:04,980

it's the only way to know unless there

2319

01:32:07,370 --> 01:32:06,120

are other people who are witnesses who

2320

01:32:08,720 --> 01:32:07,380

are credible that will say yeah I've

2321

01:32:10,700 --> 01:32:08,730

been in the program that's what we have

2322

01:32:12,950 --> 01:32:10,710

so will they get that in a New York

2323

01:32:14,650 --> 01:32:12,960

Times probably not this is the first

2324

01:32:16,850 --> 01:32:14,660

step Congress is a big part of this

2325

01:32:19,460 --> 01:32:16,860

immunity we need to offer immunity these

2326

01:32:20,840 --> 01:32:19,470

people we need to tell it that's a big

2327

01:32:22,430 --> 01:32:20,850

part we can offer immunity and make it

2328

01:32:26,620 --> 01:32:22,440

speak in public hearings that's gonna

2329

01:32:30,830 --> 01:32:28,970

Christopher sharp in case I missed it

2330

01:32:32,870 --> 01:32:30,840

are we expecting your yeah next week

2331

01:32:34,430 --> 01:32:32,880

next week is what I heard from a really

2332

01:32:35,810 --> 01:32:34,440

good source but that doesn't mean it's

2333

01:32:37,490 --> 01:32:35,820

gonna happen I mean anything had

2334

01:32:40,370 --> 01:32:37,500

happened but that's what that's the

2335

01:32:41,870 --> 01:32:40,380

information hopes well hopefully I

2336

01:32:44,540 --> 01:32:41,880

wouldn't mind even a couple more weeks

2337

01:32:45,850 --> 01:32:44,550

to do more of these but didn't know the

2338

01:32:49,570 --> 01:32:45,860

will check it out

2339

01:32:53,450 --> 01:32:49,580

the calf is mutilated you know it's like

2340

01:32:55,220 --> 01:32:53,460

we we mutilate analyse slaughter animals

2341

01:32:56,450 --> 01:32:55,230

we kill so many dogs and cats every day

2342

01:32:58,280 --> 01:32:56,460

because we can't want to take care of

2343

01:33:01,460 --> 01:32:58,290

them so are we evil I mean somebody

2344

01:33:03,230 --> 01:33:01,470

would say yeah we are evil but there are

2345

01:33:06,820 --> 01:33:03,240

people think mutilations are all human

2346

01:33:09,020 --> 01:33:06,830

mostly human but if this phenomena can

2347

01:33:10,580 --> 01:33:09,030

do anything and make it look like

2348

01:33:12,170 --> 01:33:10,590

anything who knows I mean how could you

2349

01:33:14,420 --> 01:33:12,180

say it's human if it's you know if it's

2350

01:33:15,800 --> 01:33:14,430

taking the form to make it look like it

2351
01:33:17,090 --> 01:33:15,810
was human you know I don't know I mean

2352
01:33:18,830 --> 01:33:17,100
if it's trying to scare I'm trying to

2353
01:33:20,180 --> 01:33:18,840
get trying to scare us and feed off of

2354
01:33:21,410 --> 01:33:20,190
that I don't know or they could just be

2355
01:33:23,090 --> 01:33:21,420
worried about the environment

2356
01:33:24,920 --> 01:33:23,100
checking the food you know the food

2357
01:33:30,200 --> 01:33:24,930
chain I don't know it's a complicated

2358
01:33:31,910 --> 01:33:30,210
one if the simple comes out and we do

2359
01:33:33,620 --> 01:33:31,920
have a reverse engineering program for

2360
01:33:34,310 --> 01:33:33,630
these crafts as well as zero-point

2361
01:33:37,970 --> 01:33:34,320
energy

2362
01:33:39,950 --> 01:33:37,980
later I don't think we have it in a

2363
01:33:42,050 --> 01:33:39,960

vault somewhere then this is the biggest

2364

01:33:43,940 --> 01:33:42,060

crime against humanity it is a big crime

2365

01:33:45,380 --> 01:33:43,950

against humanity but they can justify it

2366

01:33:47,760 --> 01:33:45,390

by saying

2367

01:33:49,290 --> 01:33:47,770

you want to know the truth why we kept

2368

01:33:50,820 --> 01:33:49,300

it secret and if they tell the truth I

2369

01:33:53,010 --> 01:33:50,830

think a lot of people will say well I

2370

01:33:55,740 --> 01:33:53,020

guess that was a pretty good reason to

2371

01:33:57,240 --> 01:33:55,750

keep it secret because like I said I'm

2372

01:33:59,760 --> 01:33:57,250

afraid of what people are gonna do when

2373

01:34:02,280 --> 01:33:59,770

they find out if the interdimensional

2374

01:34:04,250 --> 01:34:02,290

thing you know if they had an effect on

2375

01:34:08,340 --> 01:34:04,260

humanity from the beginning I mean

2376

01:34:10,080 --> 01:34:08,350

that's gonna be okay it's they had a

2377

01:34:11,790 --> 01:34:10,090

word for how people would react to that

2378

01:34:13,350 --> 01:34:11,800

you know and that's not I don't think

2379

01:34:15,240 --> 01:34:13,360

it's coming out anytime soon I don't

2380

01:34:16,200 --> 01:34:15,250

even know how you would prove that you

2381

01:34:17,790 --> 01:34:16,210

know I don't know how you would prove

2382

01:34:19,380 --> 01:34:17,800

that it would be have to be technology

2383

01:34:20,970 --> 01:34:19,390

where we could see into other dimensions

2384

01:34:29,340 --> 01:34:20,980

that's the only way we could see

2385

01:34:32,610 --> 01:34:29,350

something like that or prove it are you

2386

01:34:34,290 --> 01:34:32,620

working on a timeline of big events you

2387

01:34:36,420 --> 01:34:34,300

are still expecting and no I don't have

2388

01:34:39,000 --> 01:34:36,430

any other events except the article that

2389

01:34:43,920 --> 01:34:39,010

Wilson Davis documents then this New

2390

01:34:45,000 --> 01:34:43,930

York Times that's it the article yeah it

2391

01:34:46,230 --> 01:34:45,010

depends on what's in the article we

2392

01:34:47,610 --> 01:34:46,240

could follow up on that I'm kind of

2393

01:34:48,960 --> 01:34:47,620

thinking once the article comes out with

2394

01:34:53,820 --> 01:34:48,970

the hekima what am I going to talk about

2395

01:34:56,760 --> 01:34:53,830

but remember you guys there's 63 people

2396

01:35:00,990 --> 01:34:56,770

working in here now if if anything I'm

2397

01:35:03,600 --> 01:35:01,000

saying it's the truth we have 8 billion

2398

01:35:05,460 --> 01:35:03,610

people on this planet so well we'll be

2399

01:35:08,000 --> 01:35:05,470

doing a lot more like this I mean I'm

2400

01:35:10,650 --> 01:35:08,010

not the only one saying this obviously

2401

01:35:13,890 --> 01:35:10,660

but I I will never tell you this is how

2402

01:35:15,210 --> 01:35:13,900

it is this is I know this is how it is

2403

01:35:18,180 --> 01:35:15,220

and if you want to another true story

2404

01:35:21,480 --> 01:35:18,190

you can come to my full lecture tonight

2405

01:35:22,800 --> 01:35:21,490

and it is \$99 special you know I have no

2406

01:35:23,970 --> 01:35:22,810

problem making money if I'm doing this

2407

01:35:26,910 --> 01:35:23,980

full-time - I'm not gonna do stuff like

2408

01:35:28,410 --> 01:35:26,920

that and I have no problem just on the

2409

01:35:29,370 --> 01:35:28,420

record of Richard Owen have the members

2410

01:35:30,510 --> 01:35:29,380

and that kind of stuff and have a

2411

01:35:33,000 --> 01:35:30,520

lecture but you know the people I'm

2412

01:35:36,450 --> 01:35:33,010

talking about they're full of it I think

2413

01:35:38,400 --> 01:35:36,460

they're full of it I don't eat meat but

2414

01:35:40,620 --> 01:35:38,410

now people are saying plant life is a

2415

01:35:45,900 --> 01:35:40,630

form of consciousness yeah well you

2416

01:35:48,000 --> 01:35:45,910

gotta eat so hopefully we can we can

2417

01:35:49,470 --> 01:35:48,010

have a replicator like Star Trek and

2418

01:35:51,900 --> 01:35:49,480

that's how I think they may be creating

2419

01:35:54,450 --> 01:35:51,910

craft if they can you know manipulate

2420

01:35:57,630 --> 01:35:54,460

molecules and matter create anything

2421

01:35:58,410 --> 01:35:57,640

that they can imagine that I ever think

2422

01:36:02,370 --> 01:35:58,420

the phenomenon was

2423

01:36:04,350 --> 01:36:02,380

pushing you well it is interesting that

2424

01:36:06,180 --> 01:36:04,360

I'm really good friends with Eric Davis

2425

01:36:07,800 --> 01:36:06,190

and I'm friends with William Miller -

2426

01:36:09,419 --> 01:36:07,810

the three people in the document so I

2427

01:36:11,790 --> 01:36:09,429

wonder about wondering about that and it

2428

01:36:13,169 --> 01:36:11,800

was one day I woke up a 585 am working

2429

01:36:16,050 --> 01:36:13,179

on my mega blog that it felt like

2430

01:36:19,650 --> 01:36:16,060

somebody pushed me up but who knows but

2431

01:36:20,790 --> 01:36:19,660

yeah I mean the movie the the I don't

2432

01:36:22,320 --> 01:36:20,800

think it's the phenomenon I think that

2433

01:36:24,419 --> 01:36:22,330

was that would be more in a positive

2434

01:36:27,120 --> 01:36:24,429

interdimensional that people would say

2435

01:36:30,300 --> 01:36:27,130

angelic whatever you know in the blog I

2436

01:36:31,740 --> 01:36:30,310

talked about um I didn't talk about in

2437

01:36:34,470 --> 01:36:31,750

the blog but it was some people have

2438

01:36:39,450 --> 01:36:34,480

talked about what's the name of that

2439

01:36:41,189 --> 01:36:39,460

movie the office it's not the office

2440

01:36:43,050 --> 01:36:41,199

where they have a control and they they

2441

01:36:45,780 --> 01:36:43,060

interfere with in your life to get you

2442

01:36:49,890 --> 01:36:45,790

on a certain path you guys can you can

2443

01:36:51,810 --> 01:36:49,900

remember it just let me know because our

2444

01:36:55,979 --> 01:36:51,820

club you MK ULTRA I don't think he was

2445

01:36:56,910 --> 01:36:55,989

empty I don't you but could be a joy I

2446

01:36:58,800 --> 01:36:56,920

don't think so

2447

01:37:00,360 --> 01:36:58,810

crash retrieval program will result in

2448

01:37:02,070 --> 01:37:00,370

shock after that there will be huge

2449

01:37:03,990 --> 01:37:02,080

pressure from politicians disclose

2450

01:37:04,380 --> 01:37:04,000

findings I agree it's a first step a big

2451

01:37:05,850 --> 01:37:04,390

step

2452

01:37:08,100 --> 01:37:05,860

did you ever think the phenomena was

2453

01:37:10,979 --> 01:37:08,110

influenced you to write the blog yeah

2454

01:37:12,750 --> 01:37:10,989

no but I've wanted to do this for a

2455

01:37:13,610 --> 01:37:12,760

while but maybe push me along here and

2456

01:37:16,020 --> 01:37:13,620

there

2457

01:37:17,160 --> 01:37:16,030

most of my help came from Giuliano

2458

01:37:19,740 --> 01:37:17,170

Frankovich

2459

01:37:21,780 --> 01:37:19,750

I listen to deeps experience again today

2460

01:37:23,729 --> 01:37:21,790

I think he was targeted for a reason I

2461

01:37:26,820 --> 01:37:23,739

wonder if the phenomena is pushing you

2462

01:37:29,990 --> 01:37:26,830

or you have an experience as far as deep

2463

01:37:33,660 --> 01:37:30,000

I have no comment as far as pushing me I

2464

01:37:35,270 --> 01:37:33,670

have no idea no I have no evidence of

2465

01:37:37,709 --> 01:37:35,280

that the only thing and I tell you about

2466

01:37:39,479 --> 01:37:37,719

if I didn't have that experience when I

2467

01:37:41,970 --> 01:37:39,489

woke up on the bed paralyzed after

2468

01:37:43,890 --> 01:37:41,980

stopping communion after a couple of

2469

01:37:45,150 --> 01:37:43,900

chapters I would probably not have taken

2470

01:37:46,740 --> 01:37:45,160

it up again I don't know I mean I

2471

01:37:48,090 --> 01:37:46,750

stopped reading it then I had that

2472

01:37:50,370 --> 01:37:48,100

experience where I woke up and I was

2473

01:37:51,720 --> 01:37:50,380

frozen on the on the couch struggled out

2474

01:37:53,280 --> 01:37:51,730

of it it was like you know sleep

2475

01:37:55,590 --> 01:37:53,290

paralysis that some people say is an

2476

01:37:56,910 --> 01:37:55,600

out-of-body precursor and then and I

2477

01:37:57,900 --> 01:37:56,920

said you know what that's a message I'm

2478

01:38:00,260 --> 01:37:57,910

gonna read this book and I read

2479

01:38:02,280 --> 01:38:00,270

communion it was so much spiritual

2480

01:38:03,360 --> 01:38:02,290

material in it and I went to his next

2481

01:38:06,330 --> 01:38:03,370

book and his next book and

2482

01:38:07,590 --> 01:38:06,340

transformation and and transformation

2483

01:38:08,880 --> 01:38:07,600

and what's the other one breakthrough

2484

01:38:11,310 --> 01:38:08,890

and that just started me down the path

2485

01:38:12,180 --> 01:38:11,320

so you could say if the day caused that

2486

01:38:14,880 --> 01:38:12,190

that some somebody

2487

01:38:16,500 --> 01:38:14,890

cause that to get me going maybe you

2488

01:38:18,560 --> 01:38:16,510

know that would be pretty cool if they

2489

01:38:20,670 --> 01:38:18,570

did it worked

2490

01:38:26,060 --> 01:38:20,680

do you believe the time scale for

2491

01:38:30,060 --> 01:38:29,010

that's quick but who knows I didn't

2492

01:38:33,090 --> 01:38:30,070

think we'd be talking about crash

2493

01:38:38,460 --> 01:38:33,100

retrieval in the New York Times in 2020

2494

01:38:42,350 --> 01:38:38,470

so yeah and the other scale time scale I

2495

01:38:45,180 --> 01:38:42,360

was think about other time scale stuff I

2496

01:38:48,480 --> 01:38:45,190

forgot hope a crash retrieval will be a

2497

01:38:51,000 --> 01:38:48,490

shock to people but the leak of the Navy

2498

01:38:52,770 --> 01:38:51,010

vids confirmation hasn't caught major

2499

01:38:54,630 --> 01:38:52,780

reaction that's because the videos are

2500

01:38:57,930 --> 01:38:54,640

all underwhelming they're interesting

2501

01:39:01,050 --> 01:38:57,940

but that's that's our - yeah it's me

2502

01:39:03,150 --> 01:39:01,060

it's our technology it's a drone we need

2503

01:39:04,860 --> 01:39:03,160

to see the right angle turns we need to

2504

01:39:06,210 --> 01:39:04,870

see the good stuff and Congress needs to

2505

01:39:07,920 --> 01:39:06,220

do that first that's the first step

2506

01:39:09,840 --> 01:39:07,930

after the New York Times comes out if

2507

01:39:12,870 --> 01:39:09,850

it's everything I heard they need to get

2508

01:39:14,580 --> 01:39:12,880

us those videos in full so five more

2509

01:39:19,190 --> 01:39:14,590

minutes trying to think what else is

2510

01:39:21,330 --> 01:39:19,200

going on right now it's all about this I

2511

01:39:24,120 --> 01:39:21,340

want to go listen to the Bob Maguire

2512

01:39:25,920 --> 01:39:24,130

Richard Dolan interview and more of

2513

01:39:27,600 --> 01:39:25,930

Melinda Lesley Jim sent me the man who's

2514

01:39:31,590 --> 01:39:27,610

doing his best to get this out these

2515

01:39:33,420 --> 01:39:31,600

people are in a really bad spot because

2516

01:39:37,230 --> 01:39:33,430

it's so you know it's too much too soon

2517

01:39:38,790 --> 01:39:37,240

but it's happening so Cobra people don't

2518

01:39:40,950 --> 01:39:38,800

take it seriously I don't I don't

2519

01:39:42,690 --> 01:39:40,960

understand that whatsoever I mean my

2520

01:39:44,250 --> 01:39:42,700

state is getting Nevada is getting bad

2521

01:39:46,650 --> 01:39:44,260

Arizona is out of control Florida is

2522

01:39:49,140 --> 01:39:46,660

just off the charts I know somebody who

2523

01:39:50,760 --> 01:39:49,150

had to rather get sick and Hospital was

2524

01:39:52,500 --> 01:39:50,770

too crowded to even take him I don't

2525

01:39:54,720 --> 01:39:52,510

understand people that was another thing

2526

01:39:55,800 --> 01:39:54,730

yeah the videos will be released I think

2527

01:39:57,800 --> 01:39:55,810

and it's gonna be amazing

2528

01:40:00,180 --> 01:39:57,810

you know David Eick a lot of people

2529

01:40:01,350 --> 01:40:00,190

David Icke might be or write about a lot

2530

01:40:02,760 --> 01:40:01,360

of stuff we're talking about

2531

01:40:04,410 --> 01:40:02,770

interdimensional stuff but now he's

2532

01:40:06,090 --> 01:40:04,420

talking about hospitals being empty and

2533

01:40:07,230 --> 01:40:06,100

it's really no crisis with the colvett

2534

01:40:09,210 --> 01:40:07,240

it's like and that's when I turned him

2535

01:40:11,010 --> 01:40:09,220

off I'm like just stop saying that

2536

01:40:14,160 --> 01:40:11,020

it's not it's dangerous for you to say

2537

01:40:15,930 --> 01:40:14,170

that you know big following it's just

2538

01:40:21,890 --> 01:40:15,940

not people need to take it seriously

2539

01:40:25,040 --> 01:40:21,900

take kovat seriously most people are

2540

01:40:26,689 --> 01:40:25,050

I think the biggest story with the crash

2541

01:40:29,630 --> 01:40:26,699

retrieval information are the pride of

2542

01:40:31,939 --> 01:40:29,640

corporations 100% but it's not bigger

2543

01:40:33,530 --> 01:40:31,949

than then something visiting us that's

2544

01:40:37,939 --> 01:40:33,540

the bigger story but we have to get to

2545

01:40:39,200 --> 01:40:37,949

it what have they been doing with it but

2546

01:40:41,300 --> 01:40:39,210

if you listen to Eric Davis that

2547

01:40:43,520 --> 01:40:41,310

particular program came to a halt in the

2548

01:40:45,649 --> 01:40:43,530

latest one was 1989 because they failed

2549

01:40:46,910 --> 01:40:45,659

at being able to back engineer it and

2550

01:40:49,520 --> 01:40:46,920

that's when I think they brought in Bob

2551

01:40:50,600 --> 01:40:49,530

Lazar they go let's try this guy and for

2552

01:40:52,189 --> 01:40:50,610

maybe we can get some of the information

2553

01:40:54,320 --> 01:40:52,199

out if he blabs and if he does blab we

2554

01:40:55,910 --> 01:40:54,330

could discredit him and Lazar you know

2555

01:40:58,040 --> 01:40:55,920

thought outside of the box wasn't your

2556

01:41:00,470 --> 01:40:58,050

normal wasn't a you know a trained

2557

01:41:01,850 --> 01:41:00,480

schooled physicist but he was smart and

2558

01:41:04,399 --> 01:41:01,860

I think they gave him a shot and then he

2559

01:41:06,680 --> 01:41:04,409

freaked out and blabbed it to went on

2560

01:41:10,220 --> 01:41:06,690

George Knapp and I think that's what

2561

01:41:14,209 --> 01:41:10,230

happened this Stinson masks up exactly I

2562

01:41:15,830 --> 01:41:14,219

mean finally they made it you know you

2563

01:41:17,209 --> 01:41:15,840

have to wear a mask if for the longest

2564

01:41:18,830 --> 01:41:17,219

time I would go to the store and people

2565

01:41:21,320 --> 01:41:18,840

would just walk up right next to me no

2566

01:41:22,640 --> 01:41:21,330

masks so I don't know what's I don't

2567

01:41:24,140 --> 01:41:22,650

know what's up like that why people are

2568

01:41:25,880 --> 01:41:24,150

having a hard time with that it's not

2569

01:41:28,040 --> 01:41:25,890

stories not about the government

2570

01:41:31,280 --> 01:41:28,050

controlling you it's about a really

2571

01:41:33,050 --> 01:41:31,290

difficult virus that is baffling a lot

2572

01:41:34,910 --> 01:41:33,060

of people think at the end of the day we

2573

01:41:36,770 --> 01:41:34,920

should work on ourselves yes definitely

2574

01:41:39,080 --> 01:41:36,780

in our paths in life's journey that's

2575

01:41:41,209 --> 01:41:39,090

what it's all about to me and I will get

2576

01:41:42,530 --> 01:41:41,219

there I've had I mean I'm no different I

2577

01:41:42,800 --> 01:41:42,540

need to meditate too and just go from

2578

01:41:44,720 --> 01:41:42,810

there

2579

01:41:48,050 --> 01:41:44,730

I've had very intense experience in my

2580

01:41:52,100 --> 01:41:48,060

past where it became evident that

2581

01:41:54,380 --> 01:41:52,110

there's more to life 100% start a storm

2582

01:41:55,850 --> 01:41:54,390

northrup-grumman Facebook page yeah I

2583

01:41:57,649 --> 01:41:55,860

you know if you ever find out who it is

2584

01:41:59,450 --> 01:41:57,659

it's like that's who you need to storm I

2585

01:42:01,700 --> 01:41:59,460

don't really agree with storming but if

2586

01:42:03,530 --> 01:42:01,710

you're gonna storm find out where it is

2587

01:42:05,390 --> 01:42:03,540

and do that that would be that would be

2588

01:42:06,560 --> 01:42:05,400

that would get imagine millions people

2589

01:42:09,830 --> 01:42:06,570

showed up one of those places

2590

01:42:12,470 --> 01:42:09,840

this source also claims aliens working

2591

01:42:14,090 --> 01:42:12,480

with us at area 51 and some aliens look

2592

01:42:15,229 --> 01:42:14,100

like us put it this way I've heard that

2593

01:42:17,830 --> 01:42:15,239

from other people which I have not

2594

01:42:20,840 --> 01:42:17,840

written that blog yet but I will

2595

01:42:23,870 --> 01:42:20,850

somebody who I really respect told me

2596

01:42:25,399 --> 01:42:23,880

that story and I will share it and

2597

01:42:28,459 --> 01:42:25,409

people can judge to themselves I have it

2598

01:42:30,950 --> 01:42:28,469

on my blog somewhere so anyway alright I

2599

01:42:31,470 --> 01:42:30,960

have had enough I need to come up with a

2600

01:42:33,690 --> 01:42:31,480

more

2601

01:42:36,630 --> 01:42:33,700

comfortable position guys thank you very

2602

01:42:39,450 --> 01:42:36,640

much and we will do this again and if

2603

01:42:43,370 --> 01:42:39,460

the article drops soon we'll do it right

2604

01:42:49,170 --> 01:42:43,380

away so all right thanks guys

2605

01:42:51,810 --> 01:42:49,180

you're welcome thanks everybody it was

2606

01:42:55,160 --> 01:42:51,820

fun now if I could figure out how to end

2607

01:42:57,630 --> 01:42:55,170

my video that would be a good thing and

2608

01:42:59,670 --> 01:42:57,640

I will keep track I'll wake up every
