

1  
00:00:01,599 --> 00:00:05,590  
now i think we have it

2  
00:00:19,670 --> 00:00:16,310  
i will just check

3  
00:00:24,070 --> 00:00:19,680  
pretty sure you can now hear me

4  
00:00:31,589 --> 00:00:28,830  
let's see just checking

5  
00:00:36,470 --> 00:00:31,599  
channel

6  
00:00:39,270 --> 00:00:36,480  
all right that is there right

7  
00:00:40,950 --> 00:00:39,280  
oh my god you can see and hear me it's

8  
00:00:43,190 --> 00:00:40,960  
amazing

9  
00:00:45,510 --> 00:00:43,200  
i'm not going to be able to turn it

10  
00:00:51,110 --> 00:00:45,520  
towards the tv but that's fine

11  
00:00:53,430 --> 00:00:51,120  
what's up bug hey joshua jason yes

12  
00:00:54,790 --> 00:00:53,440  
that was uh i had to snap camera on so

13  
00:00:57,110 --> 00:00:54,800

that's why it was yellow

14

00:00:58,869 --> 00:00:57,120

snap camera which is just when that guy

15

00:01:01,349 --> 00:00:58,879

did the uh

16

00:01:01,990 --> 00:01:01,359

i'm not a cat i played around with that

17

00:01:04,390 --> 00:01:02,000

thing

18

00:01:07,990 --> 00:01:04,400

tried to become a cat and i failed

19

00:01:11,590 --> 00:01:10,230

yes that is me my black hat after a

20

00:01:14,950 --> 00:01:11,600

black day of hockey

21

00:01:17,190 --> 00:01:14,960

with an overtime loss

22

00:01:18,630 --> 00:01:17,200

and once 60 minutes is on i will turn it

23

00:01:23,030 --> 00:01:18,640

up and it'll probably feed back a little

24

00:01:26,390 --> 00:01:25,350

i'll try not to talk let's just during

25

00:01:27,830 --> 00:01:26,400

the actual

26

00:01:29,670 --> 00:01:27,840

episode when in the segment when it

27

00:01:29,990 --> 00:01:29,680

comes on i will not talk and then i'll

28

00:01:33,830 --> 00:01:30,000

just

29

00:01:37,350 --> 00:01:33,840

otherwise i won't be able to hear it

30

00:01:39,030 --> 00:01:37,360

yeah amazing i did it how many people do

31

00:01:41,510 --> 00:01:39,040

we have we lost we had a we had a decent

32

00:01:43,830 --> 00:01:41,520

amount before

33

00:01:45,910 --> 00:01:43,840

so chris is here what's up chris i wish

34

00:01:47,990 --> 00:01:45,920

you know eventually i'm like hey chris

35

00:01:49,910 --> 00:01:48,000

join me on on the stream that's what

36

00:01:50,630 --> 00:01:49,920

stream yard is good for and i will do

37

00:01:53,109 --> 00:01:50,640

that

38

00:01:54,069 --> 00:01:53,119

because me by myself is boring i'm

39

00:01:55,990 --> 00:01:54,079

better at bouncing

40

00:02:00,230 --> 00:01:56,000

off of other people always been like

41

00:02:00,240 --> 00:02:05,590

hi alex tell him i said hello chris

42

00:02:08,869 --> 00:02:07,429

i was wondering who was going to do the

43

00:02:10,869 --> 00:02:08,879

segment if it was going to be and i'm

44

00:02:13,910 --> 00:02:10,879

going to put my laptop up

45

00:02:16,070 --> 00:02:13,920

if it was going to be event cooper

46

00:02:16,949 --> 00:02:16,080

or i didn't i didn't think of bill

47

00:02:18,390 --> 00:02:16,959

whitaker but he's

48

00:02:22,070 --> 00:02:18,400

from what i saw he looks like he's

49

00:02:24,869 --> 00:02:22,080

really serious about it so that's good

50

00:02:29,670 --> 00:02:24,879

let's get this higher so i'll kill my

51  
00:02:38,790 --> 00:02:35,030  
all right i see the chat

52  
00:02:38,800 --> 00:02:43,509  
that's better i'm half lit

53  
00:02:43,519 --> 00:02:49,190  
and

54  
00:02:52,790 --> 00:02:51,589  
so we got tomorrow we got nbc i wonder

55  
00:02:53,990 --> 00:02:52,800  
how much they're going to show what's

56  
00:02:55,350 --> 00:02:54,000  
going to come out of that new

57  
00:02:56,550 --> 00:02:55,360  
probably i'm thinking it's going to be

58  
00:02:58,470 --> 00:02:56,560  
pretty good and i don't have any

59  
00:03:00,229 --> 00:02:58,480  
specific insider information about that

60  
00:03:02,949 --> 00:03:00,239  
but monday something's supposed to

61  
00:03:06,710 --> 00:03:02,959  
happen tomorrow so

62  
00:03:10,229 --> 00:03:08,949  
yeah that's that's exactly i am that's

63  
00:03:11,750 --> 00:03:10,239

what i want to do because

64

00:03:13,190 --> 00:03:11,760

i mean there's so many shows out there

65

00:03:14,790 --> 00:03:13,200

that do interviews and yeah i'd love to

66

00:03:16,070 --> 00:03:14,800

interview lou and there's lots of people

67

00:03:17,830 --> 00:03:16,080

i'd like to interview but

68

00:03:19,270 --> 00:03:17,840

it's too much i think i think everybody

69

00:03:20,390 --> 00:03:19,280

who's doing it right now is doing a

70

00:03:23,110 --> 00:03:20,400

great job so

71

00:03:24,789 --> 00:03:23,120

if we can just do this and then people

72

00:03:26,710 --> 00:03:24,799

can ask questions and i can have and if

73

00:03:29,030 --> 00:03:26,720

i could do video callers

74

00:03:30,390 --> 00:03:29,040

that would be great too open lines and

75

00:03:31,750 --> 00:03:30,400

somebody told me they're like

76  
00:03:33,430 --> 00:03:31,760  
well you're going to get pranked phone

77  
00:03:34,229 --> 00:03:33,440  
calls like that's fine and then people

78  
00:03:38,470 --> 00:03:34,239  
may

79  
00:03:41,990 --> 00:03:38,480  
come on that's fine too

80  
00:03:43,670 --> 00:03:42,000  
and grant i mean i've heard i've heard

81  
00:03:46,070 --> 00:03:43,680  
something related to grant which i have

82  
00:03:48,149 --> 00:03:46,080  
been promised not to reveal i'm not sure

83  
00:03:50,789 --> 00:03:48,159  
if that's what he's doing

84  
00:03:51,430 --> 00:03:50,799  
um yeah chris we can do it you know i'm

85  
00:03:54,229 --> 00:03:51,440  
gonna have

86  
00:03:54,789 --> 00:03:54,239  
rotating hosts but if somebody really

87  
00:03:57,110 --> 00:03:54,799  
does well

88  
00:03:57,830 --> 00:03:57,120

i'm gonna try to keep them for a while

89

00:04:01,110 --> 00:03:57,840

we'll see

90

00:04:04,470 --> 00:04:01,120

um because i am not i'm not great on

91

00:04:08,390 --> 00:04:04,480

camera i don't like being on camera

92

00:04:12,070 --> 00:04:08,400

but it's 2021. everybody's on

93

00:04:15,990 --> 00:04:14,070

i had when i did my show in tampa i did

94

00:04:17,990 --> 00:04:16,000

the ufo joe show

95

00:04:19,430 --> 00:04:18,000

um oh the big guy i didn't know he's

96

00:04:19,830 --> 00:04:19,440

inviting the big guy i don't know i

97

00:04:24,230 --> 00:04:19,840

don't know

98

00:04:26,230 --> 00:04:24,240

when i did my show in tampa i did public

99

00:04:27,189 --> 00:04:26,240

access i did 13 episodes i did most of

100

00:04:30,150 --> 00:04:27,199

them live

101  
00:04:31,430 --> 00:04:30,160  
and um yeah i got a lot of prank phone

102  
00:04:34,710 --> 00:04:31,440  
calls i had linda molten hal

103  
00:04:37,749 --> 00:04:34,720  
on back then it was 2001 i think

104  
00:04:38,230 --> 00:04:37,759  
and like oh linda here let's take a call

105  
00:04:43,270 --> 00:04:38,240  
it's like

106  
00:04:46,550 --> 00:04:43,280  
f this f that f this f that

107  
00:04:48,950 --> 00:04:46,560  
sorry linda um my best show was not live

108  
00:04:51,189 --> 00:04:48,960  
i did i did a mars show with a

109  
00:04:52,469 --> 00:04:51,199  
professor of archaeology and religious

110  
00:04:54,950 --> 00:04:52,479  
studies who was at

111  
00:04:56,070 --> 00:04:54,960  
usf uh university of southern florida i

112  
00:04:57,189 --> 00:04:56,080  
had him on

113  
00:04:59,670 --> 00:04:57,199

live in the studio and then i had

114

00:05:01,670 --> 00:04:59,680

stanley mcdaniel who's not alive anymore

115

00:05:04,070 --> 00:05:01,680

he wrote a book called mcdaniel report

116

00:05:04,950 --> 00:05:04,080

on all the the cover-up that nasa was

117

00:05:07,510 --> 00:05:04,960

doing

118

00:05:08,469 --> 00:05:07,520

um or at least finagling some of the

119

00:05:10,629 --> 00:05:08,479

data that

120

00:05:11,590 --> 00:05:10,639

came in like the the face on mars early

121

00:05:13,350 --> 00:05:11,600

on when they said

122

00:05:14,870 --> 00:05:13,360

oh when we went over the face and mars

123

00:05:16,230 --> 00:05:14,880

the second time it was gone it was just

124

00:05:17,590 --> 00:05:16,240

a trick of light and shadow

125

00:05:20,310 --> 00:05:17,600

i was always gonna i always wanted to

126

00:05:21,029 --> 00:05:20,320

name a band a trick of light and shadow

127

00:05:23,590 --> 00:05:21,039

based on that

128

00:05:24,710 --> 00:05:23,600

because later on when when the observer

129

00:05:27,350 --> 00:05:24,720

came over i don't

130

00:05:29,510 --> 00:05:27,360

or when viking went over the face was in

131

00:05:32,629 --> 00:05:29,520

dark so nasa lied about that

132

00:05:35,670 --> 00:05:34,390

a coin i didn't know coin would be part

133

00:05:38,629 --> 00:05:35,680

of it um

134

00:05:40,150 --> 00:05:38,639

i mean for me the gold standard for me

135

00:05:41,909 --> 00:05:40,160

just because we've never heard from him

136

00:05:43,510 --> 00:05:41,919

would be likkatsky

137

00:05:45,110 --> 00:05:43,520

who was the guy who interviewed lou and

138

00:05:49,029 --> 00:05:45,120

he started

139

00:05:50,469 --> 00:05:49,039

likowski doesn't go to doesn't if

140

00:05:52,550 --> 00:05:50,479

lukowski doesn't read

141

00:05:54,310 --> 00:05:52,560

snap and color his book and go to

142

00:05:54,950 --> 00:05:54,320

skinwalker and have an experience seeing

143

00:05:57,990 --> 00:05:54,960

that

144

00:05:58,710 --> 00:05:58,000

swirling mobius loop then i don't think

145

00:06:00,790 --> 00:05:58,720

any of us

146

00:06:01,909 --> 00:06:00,800

are here i mean maybe they would figure

147

00:06:03,590 --> 00:06:01,919

out another way

148

00:06:04,950 --> 00:06:03,600

and i i still don't know if the whole

149

00:06:05,670 --> 00:06:04,960

plan was to get access from the

150

00:06:08,150 --> 00:06:05,680

beginning to

151  
00:06:09,590 --> 00:06:08,160  
get access to the special access stuff

152  
00:06:11,110 --> 00:06:09,600  
maybe that's why reid did that because

153  
00:06:13,270 --> 00:06:11,120  
they asked pretty early i mean the

154  
00:06:15,110 --> 00:06:13,280  
program started going in 2008

155  
00:06:16,629 --> 00:06:15,120  
and then 2009 he's already saying we

156  
00:06:18,390 --> 00:06:16,639  
want to we want it to be a special

157  
00:06:20,070 --> 00:06:18,400  
access program

158  
00:06:21,670 --> 00:06:20,080  
so yeah let me get a drink i'll bring it

159  
00:06:24,070 --> 00:06:21,680  
back

160  
00:06:26,710 --> 00:06:24,080  
so i don't know i don't think reid would

161  
00:06:29,749 --> 00:06:26,720  
ever admit that

162  
00:06:33,270 --> 00:06:29,759  
and i do want to i do want to touch

163  
00:06:35,590 --> 00:06:33,280

on reid's comments in uh

164

00:06:37,590 --> 00:06:35,600

the las vegas son because he kind of

165

00:06:39,909 --> 00:06:37,600

backtracked and called people who think

166

00:06:42,110 --> 00:06:39,919

you know their materials stowed away

167

00:06:44,870 --> 00:06:42,120

basically said that they are

168

00:06:46,830 --> 00:06:44,880

conspiratorialists and i showed that to

169

00:06:53,909 --> 00:06:46,840

somebody and their reaction was

170

00:06:59,510 --> 00:06:55,510

all right second segment is gonna come

171

00:07:02,309 --> 00:07:01,189

have we not heard anymore mccaslin you

172

00:07:03,110 --> 00:07:02,319

know and i don't know a lot about

173

00:07:05,029 --> 00:07:03,120

mccaslin

174

00:07:07,990 --> 00:07:05,039

weiss i don't even know there's a lot i

175

00:07:11,110 --> 00:07:08,000

don't know um

176

00:07:12,870 --> 00:07:11,120

but you know we saw i think that guy

177

00:07:14,309 --> 00:07:12,880

i have heard i have heard stuff about

178

00:07:15,749 --> 00:07:14,319

mccaslin in the background that he

179

00:07:17,029 --> 00:07:15,759

wanted the distance himself but i don't

180

00:07:17,670 --> 00:07:17,039

know how true that is and that was a

181

00:07:21,830 --> 00:07:17,680

while ago

182

00:07:23,350 --> 00:07:21,840

it was like two years ago um

183

00:07:25,510 --> 00:07:23,360

i heard that some of the stuff tom was

184

00:07:29,189 --> 00:07:25,520

coming up with was via some

185

00:07:29,990 --> 00:07:29,199

remote viewers that were not very good

186

00:07:31,589 --> 00:07:30,000

but

187

00:07:32,710 --> 00:07:31,599

you know unless you get feedback on that

188

00:07:35,029 --> 00:07:32,720

stuff how do you even know if they're

189

00:07:36,469 --> 00:07:35,039

good i mean that

190

00:07:38,710 --> 00:07:36,479

yeah reid walked it all back but

191

00:07:41,110 --> 00:07:38,720

remember remember he's still undergoing

192

00:07:42,629 --> 00:07:41,120

chemo he's i don't know he's in his 70s

193

00:07:44,150 --> 00:07:42,639

he's undergoing chemo at least i think

194

00:07:45,749 --> 00:07:44,160

he said once a week you really have to

195

00:07:47,350 --> 00:07:45,759

keep that in mind

196

00:07:49,430 --> 00:07:47,360

so i think we gotta give him cut him a

197

00:07:50,710 --> 00:07:49,440

break um

198

00:07:52,150 --> 00:07:50,720

i don't know i don't know what his

199

00:07:53,110 --> 00:07:52,160

health is like for all i know he's not

200

00:07:56,150 --> 00:07:53,120

doing well or

201  
00:08:00,710 --> 00:07:56,160  
i mean i don't know so

202  
00:08:04,150 --> 00:08:02,629  
yeah i don't think you're gonna hear

203  
00:08:04,950 --> 00:08:04,160  
anything about aerospace companies

204  
00:08:06,710 --> 00:08:04,960  
tonight

205  
00:08:08,550 --> 00:08:06,720  
speaking of aerospace companies i really

206  
00:08:10,230 --> 00:08:08,560  
wish 60 minutes would have reached out

207  
00:08:11,749 --> 00:08:10,240  
to eric davis

208  
00:08:13,749 --> 00:08:11,759  
like i said as far as i know they did

209  
00:08:15,430 --> 00:08:13,759  
not he did not hear from anybody

210  
00:08:17,189 --> 00:08:15,440  
in fact when i told him about 60 minutes

211  
00:08:19,430 --> 00:08:17,199  
he didn't know it was even happening

212  
00:08:21,189 --> 00:08:19,440  
so i was like i was as soon as he said

213  
00:08:22,710 --> 00:08:21,199

that i was disappointed i'm like oh that

214

00:08:24,710 --> 00:08:22,720

means they didn't contact you

215

00:08:26,629 --> 00:08:24,720

how do you not contact him even if it's

216

00:08:27,189 --> 00:08:26,639

even it's for a conversation off the

217

00:08:28,869 --> 00:08:27,199

record

218

00:08:30,309 --> 00:08:28,879

as background information like hey can

219

00:08:31,589 --> 00:08:30,319

you point us in any direction you think

220

00:08:34,630 --> 00:08:31,599

we should go

221

00:08:35,670 --> 00:08:34,640

so that's a little disappointing but you

222

00:08:37,829 --> 00:08:35,680

know

223

00:08:38,709 --> 00:08:37,839

yeah reid does drop the clues and then

224

00:08:40,230 --> 00:08:38,719

pull it back

225

00:08:42,110 --> 00:08:40,240

this particular time i don't know it was

226

00:08:43,990 --> 00:08:42,120

pretty strong saying using that word

227

00:08:47,670 --> 00:08:44,000

conspiratorialists

228

00:08:49,030 --> 00:08:47,680

um but we'll see and it's starting so

229

00:08:51,030 --> 00:08:49,040

i'm gonna shut up

230

00:08:53,430 --> 00:08:51,040

you know the other thing is right after

231

00:08:55,910 --> 00:08:53,440

it's over i will

232

00:08:56,550 --> 00:08:55,920

let you know or somebody can tell me if

233

00:08:57,990 --> 00:08:56,560

over time

234

00:08:59,509 --> 00:08:58,000

you know 60 minutes overtime is supposed

235

00:08:59,990 --> 00:08:59,519

to have more with alex i'm not sure if

236

00:09:03,430 --> 00:09:00,000

it's just

237

00:09:08,630 --> 00:09:06,870

so i'm still in commercial

238

00:09:09,990 --> 00:09:08,640

i'm sure it's going to be solid i'm sure

239

00:09:11,350 --> 00:09:10,000

it'll be something we're proud to show

240

00:09:13,509 --> 00:09:11,360

family members say hey take a look at

241

00:09:14,310 --> 00:09:13,519

this you know this is real i just hope

242

00:09:17,269 --> 00:09:14,320

they don't lean

243

00:09:19,670 --> 00:09:17,279

too much towards it being adversarial

244

00:09:24,150 --> 00:09:22,550

you know maybe some of it is adversarial

245

00:09:33,269 --> 00:09:24,160

but

246

00:09:35,350 --> 00:09:33,279

story of the u.s

247

00:09:37,910 --> 00:09:35,360

government's grudging acknowledgment of

248

00:09:42,310 --> 00:09:37,920

unidentified aerial phenomena

249

00:09:44,550 --> 00:09:42,320

uap more commonly known as ufos

250

00:09:45,590 --> 00:09:44,560

after decades of public denial the

251  
00:09:48,230 --> 00:09:45,600  
pentagon now

252  
00:09:49,190 --> 00:09:48,240  
admits there's something out there and

253  
00:09:51,430 --> 00:09:49,200  
the us senate

254  
00:09:53,190 --> 00:09:51,440  
wants to know what it is the

255  
00:09:55,190 --> 00:09:53,200  
intelligence committee has boarded the

256  
00:09:57,030 --> 00:09:55,200  
director of national intelligence and

257  
00:10:00,740 --> 00:09:57,040  
the secretary of defense

258  
00:10:02,829 --> 00:10:00,750  
to deliver a report on mysterious

259  
00:10:05,630 --> 00:10:02,839  
[Music]

260  
00:10:17,110 --> 00:10:05,640  
sightings

261  
00:10:41,430 --> 00:10:17,960  
i'm

262  
00:10:41,440 --> 00:12:11,190  
that's a great start with lou

263  
00:12:14,790 --> 00:12:13,430

so it's a great start with lou i mean

264

00:12:31,990 --> 00:12:14,800

couldn't have asked you could not have

265

00:12:32,000 --> 00:13:05,829

there you go

266

00:13:05,839 --> 00:14:00,870

you

267

00:14:16,949 --> 00:14:02,629

i know what spoofing is but i'm not sure

268

00:14:19,030 --> 00:14:16,959

if everybody watching does

269

00:15:13,750 --> 00:14:19,040

it is odd that they blurred the batman

270

00:15:13,760 --> 00:15:58,470

there you go

271

00:15:58,480 --> 00:16:05,670

here we go fravor and dietrich

272

00:16:05,680 --> 00:16:20,829

her first time on camera telling this

273

00:16:20,839 --> 00:17:16,829

story

274

00:17:16,839 --> 00:17:32,230

now

275

00:18:54,830 --> 00:17:35,510

i mean we've all seen this before but

276  
00:18:54,840 --> 00:19:16,070  
um

277  
00:19:16,080 --> 00:19:36,830  
by a lot

278  
00:19:36,840 --> 00:19:50,830  
uh

279  
00:19:50,840 --> 00:20:25,430  
so

280  
00:20:46,830 --> 00:20:27,430  
it's probably the best news program ever

281  
00:20:46,840 --> 00:22:10,830  
hmm

282  
00:22:10,840 --> 00:23:04,230  
okay

283  
00:23:13,510 --> 00:23:09,430  
60 minutes over time

284  
00:23:21,590 --> 00:23:13,520  
not there yet i don't think

285  
00:23:21,600 --> 00:23:27,750  
i'll watch that later six minutes

286  
00:23:27,760 --> 00:23:38,630  
what'd you guys think

287  
00:23:43,909 --> 00:23:40,470  
you guys are asking for a link yeah

288  
00:23:46,390 --> 00:23:43,919

that's i mean now and it's over

289

00:23:47,029 --> 00:23:46,400

just google 60 minutes and you'll see 60

290

00:23:54,470 --> 00:23:47,039

minutes or

291

00:23:54,480 --> 00:23:58,710

and i think my echo is gone i hope

292

00:24:02,630 --> 00:24:01,190

nope it's not whatever you guys hear my

293

00:24:11,669 --> 00:24:02,640

echo

294

00:24:14,789 --> 00:24:13,029

yeah i thought i mean the one great

295

00:24:16,870 --> 00:24:14,799

thing about 60 minutes and i don't i

296

00:24:20,710 --> 00:24:16,880

don't i don't know how

297

00:24:23,110 --> 00:24:20,720

people how much they care about this but

298

00:24:25,830 --> 00:24:23,120

it's just it's so well lit the camera

299

00:24:28,950 --> 00:24:25,840

the directors of photography are just

300

00:24:32,070 --> 00:24:31,190

top-notch top-notch um it just looks

301

00:24:35,430 --> 00:24:32,080

professional

302

00:24:38,149 --> 00:24:35,440

um framer's a great witness

303

00:24:40,230 --> 00:24:38,159

hopefully this is just the beginning it

304

00:24:41,750 --> 00:24:40,240

would have been nice if we had warner

305

00:24:43,190 --> 00:24:41,760

the last i heard warner was saying he

306

00:24:45,110 --> 00:24:43,200

thought you know the interview he

307

00:24:47,750 --> 00:24:45,120

thought it was uh

308

00:24:49,269 --> 00:24:47,760

adversarial and then graves is like well

309

00:24:50,870 --> 00:24:49,279

it definitely could be chinese or

310

00:24:52,310 --> 00:24:50,880

russian it's like okay

311

00:24:54,149 --> 00:24:52,320

maybe some of the videos we've seen

312

00:24:55,909 --> 00:24:54,159

maybe but if

313

00:24:57,830 --> 00:24:55,919

what el zondo talks about if we get to

314

00:24:59,590 --> 00:24:57,840

see that it means russia and china have

315

00:25:01,430 --> 00:24:59,600

that technology you know

316

00:25:03,430 --> 00:25:01,440

and i wish lou would have talked about

317

00:25:05,190 --> 00:25:03,440

how members of congress are coming out

318

00:25:05,750 --> 00:25:05,200

of these briefings saying those aren't

319

00:25:07,269 --> 00:25:05,760

ours

320

00:25:08,470 --> 00:25:07,279

you know they're blown away i wish he

321

00:25:09,590 --> 00:25:08,480

would have said that but he may not want

322

00:25:15,350 --> 00:25:09,600

to say that

323

00:25:30,470 --> 00:25:15,360

on national tv

324

00:25:34,950 --> 00:25:31,669

at least they went through the three

325

00:25:42,230 --> 00:25:38,950

black technology adversarial

326

00:25:43,750 --> 00:25:42,240

or something otherworldly

327

00:25:50,789 --> 00:25:43,760

of course it could be from this world

328

00:25:54,830 --> 00:25:52,470

secret machines asserts that russia

329

00:25:57,510 --> 00:25:54,840

operates something on that level yeah

330

00:25:59,510 --> 00:25:57,520

well

331

00:26:01,350 --> 00:25:59,520

i i i part of me thinks we have

332

00:26:02,149 --> 00:26:01,360

something but i'm not sure if this is

333

00:26:05,590 --> 00:26:02,159

that

334

00:26:06,950 --> 00:26:05,600

own super tech but this what we're

335

00:26:07,909 --> 00:26:06,960

encountering is something completely

336

00:26:10,789 --> 00:26:07,919

different

337

00:26:12,230 --> 00:26:10,799

i don't know you know and if if if this

338

00:26:14,149 --> 00:26:12,240

is our attack it's not

339

00:26:16,310 --> 00:26:14,159

as loose as well it wouldn't be tested

340

00:26:16,710 --> 00:26:16,320

on you know where they're being tested i

341

00:26:17,990 --> 00:26:16,720

don't

342

00:26:19,350 --> 00:26:18,000

if if that's our tech they're not

343

00:26:20,630 --> 00:26:19,360

testing it that means they've mastered

344

00:26:23,029 --> 00:26:20,640

it already if they feel comfortable

345

00:26:26,549 --> 00:26:23,039

enough to bring it so close to our

346

00:26:28,470 --> 00:26:26,559

you know to our carriers and

347

00:26:31,190 --> 00:26:28,480

where they're doing training exercises

348

00:26:37,190 --> 00:26:32,470

definitely not leaning towards that

349

00:26:42,710 --> 00:26:40,470

the ufo report so june 25th

350

00:26:43,510 --> 00:26:42,720

um only the only thing that worries me

351  
00:26:47,190 --> 00:26:43,520  
is

352  
00:26:50,789 --> 00:26:47,200  
how much of it will be unclassified so

353  
00:26:52,950 --> 00:26:50,799  
the report may be amazing uh but

354  
00:26:54,070 --> 00:26:52,960  
how much will they let us see that's my

355  
00:27:07,110 --> 00:26:54,080  
question

356  
00:27:09,990 --> 00:27:07,120  
that's my concern

357  
00:27:10,950 --> 00:27:10,000  
yeah i talked to you know will miller

358  
00:27:12,870 --> 00:27:10,960  
thinks we have

359  
00:27:13,990 --> 00:27:12,880  
tech that can go beyond the speed of

360  
00:27:17,190 --> 00:27:14,000  
light go anywhere

361  
00:27:19,669 --> 00:27:17,200  
any place anytime in the universe

362  
00:27:21,190 --> 00:27:19,679  
and then we have you know eric davis is

363  
00:27:24,230 --> 00:27:21,200

like we don't have this

364

00:27:26,470 --> 00:27:24,240

so i don't know yeah

365

00:27:27,830 --> 00:27:26,480

i want more too i want to check this the

366

00:27:38,070 --> 00:27:27,840

overtime but i think it's just

367

00:27:41,190 --> 00:27:39,750

yeah until we get more of that data it's

368

00:27:43,029 --> 00:27:41,200

just us saying

369

00:27:44,549 --> 00:27:43,039

well wait till you see the real data

370

00:27:45,750 --> 00:27:44,559

because i know that's my friends i show

371

00:27:47,110 --> 00:27:45,760

that to them and they're like yeah

372

00:27:48,470 --> 00:27:47,120

that's interesting but i think that

373

00:27:49,830 --> 00:27:48,480

might be uh

374

00:27:51,430 --> 00:27:49,840

i think that might be our attack and

375

00:27:53,110 --> 00:27:51,440

it's only happening in the united states

376

00:27:53,830 --> 00:27:53,120

so it's probably our black technology of

377

00:27:55,350 --> 00:27:53,840

course

378

00:27:56,870 --> 00:27:55,360

it's not happening supposedly in the

379

00:27:58,389 --> 00:27:56,880

united states but those other countries

380

00:28:00,870 --> 00:27:58,399

aren't showing us videos so

381

00:28:01,990 --> 00:28:00,880

you know it's like i have nothing to

382

00:28:04,470 --> 00:28:02,000

show people i have

383

00:28:07,110 --> 00:28:04,480

three videos we've debated three videos

384

00:28:15,269 --> 00:28:10,870

three years and five months

385

00:28:16,789 --> 00:28:15,279

you know yeah i will probably

386

00:28:18,230 --> 00:28:16,799

unless you guys have questions i will

387

00:28:19,990 --> 00:28:18,240

cut this one great let me know when

388

00:28:23,669 --> 00:28:20,000

grant goes and i will check him

389

00:28:24,870 --> 00:28:23,679

out i want to see who uh

390

00:28:26,789 --> 00:28:24,880

yeah mike i'm gonna i'm gonna start

391

00:28:29,269 --> 00:28:26,799

playing i'm gonna get my drums next time

392

00:28:30,870 --> 00:28:29,279

and play some drums

393

00:28:32,789 --> 00:28:30,880

i probably get cut right away for

394

00:28:33,909 --> 00:28:32,799

copyright the only two drum videos i

395

00:28:35,350 --> 00:28:33,919

ever put up were pulled down for

396

00:28:37,750 --> 00:28:35,360

copyright which i don't know why because

397

00:28:42,070 --> 00:28:37,760

i see it all the time with other people

398

00:28:45,029 --> 00:28:43,269

they talked about somebody said it was

399

00:28:46,070 --> 00:28:45,039

going to be a 20 minute segment austin

400

00:28:49,029 --> 00:28:46,080

but they

401  
00:28:49,750 --> 00:28:49,039  
cut it to 12 or they cut out like six or

402  
00:28:53,590 --> 00:28:49,760  
seven minutes

403  
00:28:56,149 --> 00:28:53,600  
supposedly but i don't know if that's

404  
00:29:01,909 --> 00:28:59,510  
um i am enjoying valet's book

405  
00:29:04,070 --> 00:29:01,919  
i have not read all of it read like 20

406  
00:29:07,350 --> 00:29:04,080  
of it and then

407  
00:29:08,789 --> 00:29:07,360  
i also am really looking forward to ross

408  
00:29:10,070 --> 00:29:08,799  
cole hearts book i mean

409  
00:29:13,029 --> 00:29:10,080  
i spoke to him last year when i was

410  
00:29:15,909 --> 00:29:13,039  
doing my wilson davis

411  
00:29:17,669 --> 00:29:15,919  
research and you guys he's he's really

412  
00:29:19,110 --> 00:29:17,679  
really good he's top of the line he's a

413  
00:29:20,710 --> 00:29:19,120

top of the line investigative reporter

414

00:29:22,310 --> 00:29:20,720

he's going to get as much as he can he's

415

00:29:24,870 --> 00:29:22,320

written letters to people

416

00:29:26,950 --> 00:29:24,880

and he's amazed at what he's gotten back

417

00:29:28,470 --> 00:29:26,960

i think that's really going to be

418

00:29:30,630 --> 00:29:28,480

a surprise because a lot of people i

419

00:29:34,470 --> 00:29:30,640

know a lot of people he's still

420

00:29:39,510 --> 00:29:36,230

the report was like a bombshell what

421

00:29:42,549 --> 00:29:41,110

it's yeah it's great coverage for an on

422

00:29:43,190 --> 00:29:42,559

the national level this is a great start

423

00:29:44,310 --> 00:29:43,200

i mean monday

424

00:29:45,669 --> 00:29:44,320

tomorrow morning it's not like the

425

00:29:47,830 --> 00:29:45,679

world's going to change because of this

426  
00:29:50,310 --> 00:29:47,840  
but a lot of people are probably saying

427  
00:29:50,870 --> 00:29:50,320  
you know this is uh even more than

428  
00:29:53,269 --> 00:29:50,880  
people

429  
00:29:54,549 --> 00:29:53,279  
more newscasts are going to look into

430  
00:29:54,870 --> 00:29:54,559  
this and then we have tomorrow morning

431  
00:29:58,149 --> 00:29:54,880  
six

432  
00:29:59,269 --> 00:29:58,159  
you know nbc with with gotti so

433  
00:30:01,350 --> 00:29:59,279  
who knows what he's going to come up

434  
00:30:02,630 --> 00:30:01,360  
with it was nice they showed the video

435  
00:30:06,549 --> 00:30:02,640  
that was leaked to jeremy the p

436  
00:30:08,630 --> 00:30:06,559  
the alleged pyramid um

437  
00:30:10,149 --> 00:30:08,640  
kevin day is on with grant later but

438  
00:30:14,070 --> 00:30:10,159

there was something related to grant

439

00:30:15,830 --> 00:30:14,080

it's another supposedly blockbuster but

440

00:30:18,549 --> 00:30:15,840

you know i heard a story but um you know

441

00:30:22,630 --> 00:30:18,559

the person told me i do not share it so

442

00:30:24,470 --> 00:30:22,640

we'll see hey what's up dave

443

00:30:26,149 --> 00:30:24,480

alex didn't say much you're right alex

444

00:30:27,750 --> 00:30:26,159

did not say much you know she said

445

00:30:29,350 --> 00:30:27,760

i think alex came across better in

446

00:30:30,230 --> 00:30:29,360

silhouette drawing unidentified than

447

00:30:33,350 --> 00:30:30,240

what they showed her

448

00:30:34,870 --> 00:30:33,360

here um that's why

449

00:30:42,149 --> 00:30:34,880

i'm curious to see what she says on the

450

00:30:46,789 --> 00:30:45,269

who is so who dave who is grant's big

451  
00:30:48,470 --> 00:30:46,799  
man guest

452  
00:31:04,630 --> 00:30:48,480  
is grant supposed to be breaking news on

453  
00:31:05,990 --> 00:31:04,640  
his uh live stream

454  
00:31:07,670 --> 00:31:06,000  
yeah i don't know what the demographic

455  
00:31:10,549 --> 00:31:07,680  
is for 60 minutes um

456  
00:31:14,070 --> 00:31:10,559  
[Music]

457  
00:31:17,590 --> 00:31:16,950  
yeah it's too bad we don't have alex's

458  
00:31:19,430 --> 00:31:17,600  
face

459  
00:31:20,870 --> 00:31:19,440  
in that segment it's funny because you

460  
00:31:23,110 --> 00:31:20,880  
go back and watch

461  
00:31:25,110 --> 00:31:23,120  
lou tells the entire crew do not say her

462  
00:31:27,350 --> 00:31:25,120  
name whatever you do don't write her

463  
00:31:29,669 --> 00:31:27,360

name don't do anything he says don't say

464

00:31:31,669 --> 00:31:29,679

any words to me he words he mouths the

465

00:31:33,430 --> 00:31:31,679

word alex you could see him

466

00:31:36,389 --> 00:31:33,440

which they had a blur out they had to

467

00:31:40,789 --> 00:31:38,070

yeah i mean i don't think this didn't

468

00:31:44,710 --> 00:31:40,799

feel sensationalized but

469

00:31:47,269 --> 00:31:44,720

um it's solid i mean we got a long way

470

00:31:48,950 --> 00:31:47,279

to go and

471

00:31:50,789 --> 00:31:48,960

hopefully we're not too disappointed

472

00:31:51,350 --> 00:31:50,799

when june 25th comes around if that's

473

00:31:58,950 --> 00:31:51,360

what they

474

00:32:04,470 --> 00:32:02,230

we could win who's this panelist

475

00:32:06,230 --> 00:32:04,480

so 11 30 oh we got time we got lots of

476

00:32:11,269 --> 00:32:06,240

time i'm not going to be here until

477

00:32:13,909 --> 00:32:11,279

8 30 pacific 11 30. that's good for me

478

00:32:15,750 --> 00:32:13,919

that means so maybe somebody in the uk

479

00:32:17,509 --> 00:32:15,760

if he's going on that late

480

00:32:21,029 --> 00:32:17,519

and they're waking up or it could be

481

00:32:21,039 --> 00:32:24,789

maybe it's ross we'll see

482

00:32:28,230 --> 00:32:26,470

are the twenty demo into one is that

483

00:32:30,310 --> 00:32:28,240

knee convincing yeah the under

484

00:32:33,350 --> 00:32:30,320

the young people are very open to this

485

00:32:36,789 --> 00:32:35,269

i thought you know sunday this this

486

00:32:41,110 --> 00:32:36,799

morning i thought it was horrible

487

00:32:47,669 --> 00:32:44,470

you think sean cahill will be on are you

488

00:32:52,789 --> 00:32:47,679

guessing dave shawn is

489

00:32:56,149 --> 00:32:55,350

yeah unfortunately my drums are upstairs

490

00:32:57,909 --> 00:32:56,159

not hooked up

491

00:33:06,870 --> 00:32:57,919

i need to start i need to bring him down

492

00:33:12,070 --> 00:33:08,950

sean is on now or sean will be on with

493

00:33:18,389 --> 00:33:14,310

i don't know why anybody gives showstock

494

00:33:18,399 --> 00:33:21,830

well if aliens are here

495

00:33:24,789 --> 00:33:23,350

they're not really doing anything no

496

00:33:30,230 --> 00:33:24,799

they're just going in our restricted

497

00:33:35,590 --> 00:33:33,669

okay um

498

00:33:37,350 --> 00:33:35,600

too bad andy rooney wasn't alive we

499

00:33:38,549 --> 00:33:37,360

could have ended 60 minutes with andy

500

00:33:57,669 --> 00:33:38,559

rooney

501  
00:33:58,710 --> 00:33:57,679  
they would always close 60 minutes uh he

502  
00:34:00,710 --> 00:33:58,720  
would pick a topic

503  
00:34:02,310 --> 00:34:00,720  
he would say you ever know why aliens

504  
00:34:05,350 --> 00:34:02,320  
why are aliens here

505  
00:34:07,830 --> 00:34:05,360  
you hear about grays and mantids and

506  
00:34:08,470 --> 00:34:07,840  
reptilians i could do without all of

507  
00:34:09,750 --> 00:34:08,480  
them

508  
00:34:11,669 --> 00:34:09,760  
that's how you would talk and he would

509  
00:34:14,950 --> 00:34:11,679  
just do this little monologue

510  
00:34:16,310 --> 00:34:14,960  
at the end and then close it with a

511  
00:34:18,710 --> 00:34:16,320  
little

512  
00:34:27,109 --> 00:34:18,720  
zinger and that's how they end it every

513  
00:34:33,430 --> 00:34:30,950

yeah um trying to think what else is

514

00:34:37,030 --> 00:34:33,440

going on

515

00:34:38,710 --> 00:34:37,040

the um the video that corbell

516

00:34:40,710 --> 00:34:38,720

had which i i made a mistake i thought

517

00:34:42,470 --> 00:34:40,720

it was i thought it was shot

518

00:34:44,790 --> 00:34:42,480

by somebody off a computer screen which

519

00:34:45,829 --> 00:34:44,800

it was but apparently it was in the cic

520

00:34:48,069 --> 00:34:45,839

which

521

00:34:49,510 --> 00:34:48,079

is a no-no and i'm glad that i don't

522

00:34:50,389 --> 00:34:49,520

know how that happened but hopefully we

523

00:34:51,669 --> 00:34:50,399

find out more

524

00:34:53,589 --> 00:34:51,679

there are people out there saying well

525

00:34:55,109 --> 00:34:53,599

those guys they're breaking a law i'm

526

00:34:56,710 --> 00:34:55,119

like why would you even care why

527

00:34:58,950 --> 00:34:56,720

why would you care why even point that

528

00:34:59,990 --> 00:34:58,960

out let them whoever's doing it let them

529

00:35:01,510 --> 00:35:00,000

keep doing it i mean

530

00:35:03,270 --> 00:35:01,520

if they're willing to shoot that video

531

00:35:04,150 --> 00:35:03,280

and get it to us and you know there are

532

00:35:06,630 --> 00:35:04,160

still people

533

00:35:08,150 --> 00:35:06,640

that think this is all a setup for us

534

00:35:09,990 --> 00:35:08,160

they're going to tell us

535

00:35:12,230 --> 00:35:10,000

down the line all that stuff was

536

00:35:18,710 --> 00:35:12,240

training video it was just footage of of

537

00:35:23,349 --> 00:35:22,150

el zondo yeah it was a a little

538

00:35:25,990 --> 00:35:23,359

different than he looked

539

00:35:27,030 --> 00:35:26,000

with that lighting i'm curious to talk

540

00:35:28,950 --> 00:35:27,040

to my friends

541

00:35:31,190 --> 00:35:28,960

see if they watched it when i when my

542

00:35:32,790 --> 00:35:31,200

one of my friends visited last year i

543

00:35:33,190 --> 00:35:32,800

played him an interview with alexander

544

00:35:34,710 --> 00:35:33,200

probably

545

00:35:42,829 --> 00:35:34,720

the uh aaron burnett interview and he

546

00:35:46,390 --> 00:35:44,230

credible

547

00:35:47,670 --> 00:35:46,400

yeah i agree you know 60 minutes is good

548

00:35:49,190 --> 00:35:47,680

it's not going to change the world not

549

00:35:49,589 --> 00:35:49,200

going to change people's opinions maybe

550

00:35:51,990 --> 00:35:49,599

some

551  
00:35:52,630 --> 00:35:52,000  
that'll make people look into it but i

552  
00:35:55,750 --> 00:35:52,640  
don't know

553  
00:35:58,790 --> 00:35:55,760  
if it's the the pyramid story but but i

554  
00:36:00,550 --> 00:35:58,800  
get so many new followers over the last

555  
00:36:01,190 --> 00:36:00,560  
few weeks i've never had it happen

556  
00:36:03,190 --> 00:36:01,200  
before so

557  
00:36:04,870 --> 00:36:03,200  
like this it's just non-stop so i'm not

558  
00:36:07,990 --> 00:36:04,880  
sure if everybody's getting that

559  
00:36:08,000 --> 00:36:14,069  
carol york recording video of

560  
00:36:17,910 --> 00:36:15,829  
yeah swamp they they're going to pull

561  
00:36:19,270 --> 00:36:17,920  
old swamp gas on us i don't see that as

562  
00:36:20,710 --> 00:36:19,280  
the case but

563  
00:36:23,030 --> 00:36:20,720

if that turned out to be the case all

564

00:36:27,829 --> 00:36:23,040

this stuff is like groans and stuff

565

00:36:30,870 --> 00:36:27,839

it would be a major hit for us

566

00:36:32,630 --> 00:36:30,880

carol yorker asking recording video i'm

567

00:36:45,750 --> 00:36:32,640

not sure exactly what you're asking

568

00:36:49,750 --> 00:36:47,990

and then i have grant's event i'm not

569

00:36:51,349 --> 00:36:49,760

grant's event dolan's event on the 20th

570

00:36:53,349 --> 00:36:51,359

which i really would like to study up

571

00:36:58,630 --> 00:36:53,359

for at least so i know with how long i

572

00:37:03,030 --> 00:37:02,230

i'm gonna try to get some anonymous

573

00:37:04,310 --> 00:37:03,040

quotes of

574

00:37:06,470 --> 00:37:04,320

interesting material i don't know if

575

00:37:08,310 --> 00:37:06,480

i'll be successful but i will try

576  
00:37:09,670 --> 00:37:08,320  
i'll pull something from my my kit green

577  
00:37:11,030 --> 00:37:09,680  
interview which i've never posted but

578  
00:37:12,550 --> 00:37:11,040  
what i will one day but i'll pull

579  
00:37:13,990 --> 00:37:12,560  
something from there

580  
00:37:15,589 --> 00:37:14,000  
i'll talk about which he had it's funny

581  
00:37:16,630 --> 00:37:15,599  
when you tell when i talk to eric davis

582  
00:37:18,230 --> 00:37:16,640  
and i say hey

583  
00:37:19,910 --> 00:37:18,240  
kit green said this in my interview and

584  
00:37:21,270 --> 00:37:19,920  
he's like what

585  
00:37:22,470 --> 00:37:21,280  
i never knew that so that was like oh

586  
00:37:25,829 --> 00:37:22,480  
good i got something i had something

587  
00:37:27,030 --> 00:37:25,839  
kind of exclusive that was kind of cool

588  
00:37:28,310 --> 00:37:27,040

i'll share it during the event and then

589

00:37:33,750 --> 00:37:28,320

i'll talk about it afterwards i won't

590

00:37:37,670 --> 00:37:36,550

now the favor 60 minutes was fraver

591

00:37:40,550 --> 00:37:37,680

elizondo

592

00:37:41,750 --> 00:37:40,560

you know no harry reid uh melon those

593

00:37:43,349 --> 00:37:41,760

people it's good to have all those

594

00:37:48,310 --> 00:37:43,359

people obviously you need more than you

595

00:37:54,069 --> 00:37:51,670

i am recording 60 minutes which i just

596

00:38:05,030 --> 00:37:54,079

which we just watched uh it'll be

597

00:38:07,670 --> 00:38:05,040

available tonight i'm sure

598

00:38:08,790 --> 00:38:07,680

i posted a promo for this on my facebook

599

00:38:10,550 --> 00:38:08,800

and i had

600

00:38:12,150 --> 00:38:10,560

zero reaction from people who are not

601  
00:38:13,589 --> 00:38:12,160  
normally interested in this so i don't

602  
00:38:15,349 --> 00:38:13,599  
know what that what that's all about if

603  
00:38:18,230 --> 00:38:15,359  
they think it's just nonsense

604  
00:38:18,950 --> 00:38:18,240  
if they're afraid about it because at

605  
00:38:20,550 --> 00:38:18,960  
some point

606  
00:38:22,150 --> 00:38:20,560  
i i'm thinking it's going to become

607  
00:38:23,510 --> 00:38:22,160  
reality if we get the data that we're

608  
00:38:25,109 --> 00:38:23,520  
hoping for and these people are going to

609  
00:38:25,589 --> 00:38:25,119  
have to face it that this is real and

610  
00:38:28,630 --> 00:38:25,599  
then

611  
00:38:30,790 --> 00:38:28,640  
a lot of them are going to be afraid of

612  
00:38:30,800 --> 00:38:35,109  
i hope grant has something spicy um

613  
00:38:37,990 --> 00:38:37,030

if you guys want to go i will cut this

614

00:38:40,069 --> 00:38:38,000

off um

615

00:38:43,589 --> 00:38:40,079

[Music]

616

00:38:46,310 --> 00:38:43,599

what was i saying about uh oh

617

00:38:46,630 --> 00:38:46,320

about melon i was going to say something

618

00:38:49,910 --> 00:38:46,640

about

619

00:38:52,710 --> 00:38:49,920

people seeing um family members

620

00:38:54,630 --> 00:38:52,720

oh yeah it was somebody today was

621

00:38:56,230 --> 00:38:54,640

telling me that you know

622

00:38:57,589 --> 00:38:56,240

no i was watching a video of daniel

623

00:38:59,270 --> 00:38:57,599

sheehan and daniel sheen is now

624

00:39:01,030 --> 00:38:59,280

supposedly representing elizondo and

625

00:39:04,390 --> 00:39:01,040

they helped file the

626

00:39:07,430 --> 00:39:04,400

you know ig investigation

627

00:39:10,230 --> 00:39:07,440

and um thanks austin

628

00:39:11,109 --> 00:39:10,240

no problem last thing and then sheehan

629

00:39:13,430 --> 00:39:11,119

said

630

00:39:15,109 --> 00:39:13,440

that you know ttsa was pushing the

631

00:39:15,670 --> 00:39:15,119

thread angle he kept saying it and it's

632

00:39:18,150 --> 00:39:15,680

like

633

00:39:19,510 --> 00:39:18,160

i never ever got that ttsa was pushing a

634

00:39:21,270 --> 00:39:19,520

thread angle and they even showed a clip

635

00:39:23,430 --> 00:39:21,280

from lou saying this might be a threat

636

00:39:24,550 --> 00:39:23,440

to me that's not pushing a threat angle

637

00:39:26,470 --> 00:39:24,560

you know

638

00:39:28,470 --> 00:39:26,480

i don't know what this is nobody if they

639

00:39:29,030 --> 00:39:28,480

do know what it is you know i don't

640

00:39:31,670 --> 00:39:29,040

think

641

00:39:33,589 --> 00:39:31,680

elizondo or malin know exactly what this

642

00:39:34,870 --> 00:39:33,599

is so for them to say this is a possible

643

00:39:38,470 --> 00:39:34,880

threat

644

00:39:39,589 --> 00:39:38,480

i think that's fair yeah some might be a

645

00:39:41,030 --> 00:39:39,599

threat maybe not

646

00:39:42,630 --> 00:39:41,040

maybe none of them are threat i don't

647

00:39:45,030 --> 00:39:42,640

know but i think it's fair to say

648

00:39:46,550 --> 00:39:45,040

it's a possible threat but anyway all

649

00:39:48,230 --> 00:39:46,560

right

650

00:39:50,630 --> 00:39:48,240

this was a little underwhelmed i mean i

651

00:39:51,430 --> 00:39:50,640

think it's a solid segment that we could

652

00:39:55,190 --> 00:39:51,440

show to people

653

00:39:58,550 --> 00:39:55,200

and um i'm gonna go listen to grant now
