

1  
00:00:07,349 --> 00:00:03,750  
just who are you

2  
00:00:12,070 --> 00:00:07,359  
i'm bob and you do what

3  
00:00:15,110 --> 00:00:12,080  
uh uh well

4  
00:00:16,070 --> 00:00:15,120  
among other things i i uh i work on

5  
00:00:18,950 --> 00:00:16,080  
doing an annual

6  
00:00:21,510 --> 00:00:18,960  
ufo conference where the object is

7  
00:00:23,509 --> 00:00:21,520  
education and disclosure

8  
00:00:27,109 --> 00:00:23,519  
and what do you think is going on now as

9  
00:00:30,150 --> 00:00:27,119  
far as disclosure where we're heading

10  
00:00:31,269 --> 00:00:30,160  
look we we have all this talk now about

11  
00:00:35,110 --> 00:00:31,279  
the navy footage

12  
00:00:39,030 --> 00:00:35,120  
that's been released it's leaked out

13  
00:00:41,750 --> 00:00:39,040

showing obvious ufo activity right

14

00:00:42,310 --> 00:00:41,760

and they're touting this as some kind of

15

00:01:17,670 --> 00:00:42,320

a

16

00:01:19,270 --> 00:01:17,680

in 1952.

17

00:01:21,510 --> 00:01:19,280

so you're a perfect per you're a perfect

18

00:01:21,910 --> 00:01:21,520

person to tell us how things felt back

19

00:01:24,230 --> 00:01:21,920

then

20

00:01:25,190 --> 00:01:24,240

up until now and where like i said where

21

00:01:27,990 --> 00:01:25,200

we might be

22

00:01:29,270 --> 00:01:28,000

look there is a lot of talk about

23

00:01:30,630 --> 00:01:29,280

disclosure right

24

00:01:32,469 --> 00:01:30,640

when it's all said and done the

25

00:01:33,109 --> 00:01:32,479

government isn't going to disclose

26

00:01:35,429 --> 00:01:33,119

anything

27

00:01:36,630 --> 00:01:35,439

they're already setting the foundation

28

00:01:40,870 --> 00:01:36,640

to backtrack

29

00:01:43,910 --> 00:01:40,880

move it sideways

30

00:01:46,230 --> 00:01:43,920

okay next right

31

00:01:48,069 --> 00:01:46,240

they're going to dismiss it hope it goes

32

00:01:51,109 --> 00:01:48,079

away

33

00:01:53,590 --> 00:01:51,119

nothing will come of it now

34

00:01:55,590 --> 00:01:53,600

the real reason nothing can come of it

35

00:01:57,270 --> 00:01:55,600

because the reality is that the united

36

00:01:58,149 --> 00:01:57,280

states government power elected

37

00:02:00,469 --> 00:01:58,159

officials

38

00:02:01,990 --> 00:02:00,479

they don't hold these secrets they

39

00:02:04,550 --> 00:02:02,000

genuinely don't

40

00:02:05,270 --> 00:02:04,560

they don't have the security clearance

41

00:02:08,790 --> 00:02:05,280

to

42

00:02:11,910 --> 00:02:08,800

above them

43

00:02:13,510 --> 00:02:11,920

it's above their pay grade these secrets

44

00:02:17,830 --> 00:02:13,520

are held by the industrial

45

00:02:21,270 --> 00:02:17,840

military complex and the ruling elite

46

00:02:24,309 --> 00:02:21,280

that control those people directly

47

00:02:27,510 --> 00:02:24,319

okay so it is buried so deep

48

00:02:29,510 --> 00:02:27,520

it's buried within layers and layers and

49

00:02:31,110 --> 00:02:29,520

you're never going to pry it out of them

50

00:02:33,509 --> 00:02:31,120

it'll come out of their cold

51  
00:02:34,630 --> 00:02:33,519  
dead hands that's the only way it will

52  
00:02:36,790 --> 00:02:34,640  
come out

53  
00:02:37,750 --> 00:02:36,800  
real disclosure has happened here at

54  
00:02:41,190 --> 00:02:37,760  
this conference

55  
00:02:47,430 --> 00:02:44,550  
we have a great man named ray hernandez

56  
00:02:47,830 --> 00:02:47,440  
he has been part of the free original

57  
00:02:49,990 --> 00:02:47,840  
free

58  
00:02:53,270 --> 00:02:50,000  
foundation founding it with edgar

59  
00:02:55,830 --> 00:02:53,280  
mitchell and a few other key people

60  
00:02:56,790 --> 00:02:55,840  
ray and edgar mitchell and these folks

61  
00:03:00,070 --> 00:02:56,800  
have

62  
00:03:01,509 --> 00:03:00,080  
quantified what they call the contact

63  
00:03:04,710 --> 00:03:01,519

modalities

64

00:03:08,390 --> 00:03:04,720

the means the methods which with

65

00:03:11,270 --> 00:03:08,400

we human beings interact with

66

00:03:12,550 --> 00:03:11,280

other intelligence what is other

67

00:03:15,270 --> 00:03:12,560

intelligence

68

00:03:18,869 --> 00:03:15,280

let's take a step back do you guys

69

00:03:21,830 --> 00:03:18,879

believe that the universe is infinite

70

00:03:23,270 --> 00:03:21,840

when i asked people this question 55 60

71

00:03:25,750 --> 00:03:23,280

years ago

72

00:03:27,430 --> 00:03:25,760

most people even then would say yes but

73

00:03:29,670 --> 00:03:27,440

they had to really think about it

74

00:03:30,949 --> 00:03:29,680

you asked a question to people today and

75

00:03:33,910 --> 00:03:30,959

they pretty quickly

76

00:03:35,110 --> 00:03:33,920

come to that yes because scientifically

77

00:03:38,470 --> 00:03:35,120

the farther out

78

00:03:41,589 --> 00:03:38,480

our scientists can look the more we find

79

00:03:43,670 --> 00:03:41,599

the universe just continues right

80

00:03:46,149 --> 00:03:43,680

so when you say is the universe infinite

81

00:03:47,110 --> 00:03:46,159

most people say yeah i think it is yeah

82

00:03:50,470 --> 00:03:47,120

it is

83

00:03:53,030 --> 00:03:50,480

so what is the only possible purpose

84

00:03:53,750 --> 00:03:53,040

of an infinite universe it's not a trick

85

00:03:57,270 --> 00:03:53,760

question

86

00:03:59,190 --> 00:03:57,280

for decades right

87

00:04:01,589 --> 00:03:59,200

very few get the answer right i don't

88

00:04:04,229 --> 00:04:01,599

keep them on a in suspense for long

89

00:04:05,589 --> 00:04:04,239

that's not the idea of it so eventually

90

00:04:08,550 --> 00:04:05,599

i just tell them

91

00:04:09,910 --> 00:04:08,560

the only possible purpose for an

92

00:04:13,589 --> 00:04:09,920

infinite universe

93

00:04:16,229 --> 00:04:13,599

is drum roll infinite life

94

00:04:17,990 --> 00:04:16,239

it's so simple it's it's like your hand

95

00:04:21,590 --> 00:04:18,000

in front of your face

96

00:04:25,030 --> 00:04:21,600

so we have a universe teeming with life

97

00:04:28,550 --> 00:04:25,040

teeming with life most of it much

98

00:04:30,469 --> 00:04:28,560

older than us most of it has been around

99

00:04:32,870 --> 00:04:30,479

much longer than this little speck of

100

00:04:36,310 --> 00:04:32,880

humanity on this little ball of dust

101  
00:04:37,270 --> 00:04:36,320  
we call earth and a lot of it is coming

102  
00:04:40,070 --> 00:04:37,280  
by

103  
00:04:40,790 --> 00:04:40,080  
right they all have their own agendas

104  
00:04:43,990 --> 00:04:40,800  
okay

105  
00:04:47,110 --> 00:04:44,000  
agenda is prevalent hierarchy in the

106  
00:04:49,909 --> 00:04:47,120  
universal scheme of things is prevalent

107  
00:04:50,870 --> 00:04:49,919  
all right in the hierarchy we're at the

108  
00:04:52,950 --> 00:04:50,880  
very bottom

109  
00:04:54,310 --> 00:04:52,960  
but we're about to break through we're

110  
00:04:57,990 --> 00:04:54,320  
about to be given the

111  
00:05:00,310 --> 00:04:58,000  
opportunity to join with all of this

112  
00:05:02,710 --> 00:05:00,320  
other life to become aware of it

113  
00:05:04,710 --> 00:05:02,720

and to begin to have a dialogue with it

114

00:05:06,550 --> 00:05:04,720

and a lot of it out there really wants

115

00:05:09,590 --> 00:05:06,560

to help us along

116

00:05:12,469 --> 00:05:09,600

and help us move forward but

117

00:05:13,270 --> 00:05:12,479

we are still our own greatest enemy

118

00:05:15,430 --> 00:05:13,280

right

119

00:05:16,710 --> 00:05:15,440

because people on this little ball of

120

00:05:20,790 --> 00:05:16,720

dust still

121

00:05:23,350 --> 00:05:20,800

seek power and control people want power

122

00:05:25,749 --> 00:05:23,360

and control over you and over me and

123

00:05:26,870 --> 00:05:25,759

over every other peasant they consider

124

00:05:29,189 --> 00:05:26,880

us peasants

125

00:05:30,310 --> 00:05:29,199

service right and that's where they want

126  
00:05:32,710 --> 00:05:30,320  
to bring us back to

127  
00:05:33,590 --> 00:05:32,720  
by the way the controlling powers that

128  
00:05:35,670 --> 00:05:33,600  
be

129  
00:05:36,710 --> 00:05:35,680  
they want to break us down and bring us

130  
00:05:39,510 --> 00:05:36,720  
back to

131  
00:05:41,350 --> 00:05:39,520  
ruling class and peasants and serves

132  
00:05:44,629 --> 00:05:41,360  
that suits them just fine

133  
00:05:48,070 --> 00:05:44,639  
that's the way they'd like to keep it um

134  
00:05:50,390 --> 00:05:48,080  
it's in our hands it's in our power to

135  
00:05:53,350 --> 00:05:50,400  
bring forth true disclosure true

136  
00:05:56,469 --> 00:05:53,360  
disclosure happened here all this week

137  
00:05:59,909 --> 00:05:56,479  
we heard from scores of people that have

138  
00:06:02,469 --> 00:05:59,919

intimate communication with our visitors

139

00:06:04,309 --> 00:06:02,479

right they're not all talking with the

140

00:06:07,590 --> 00:06:04,319

same visitors remember

141

00:06:10,230 --> 00:06:07,600

the universe is infinite we have

142

00:06:11,189 --> 00:06:10,240

hundreds if not thousands of desperate

143

00:06:13,430 --> 00:06:11,199

species

144

00:06:14,550 --> 00:06:13,440

coming by this little ball of dust to

145

00:06:17,510 --> 00:06:14,560

take a look at us

146

00:06:19,270 --> 00:06:17,520

and sometimes to say hi and sometimes to

147

00:06:21,990 --> 00:06:19,280

go a little bit farther

148

00:06:22,790 --> 00:06:22,000

to maybe even actually have a desire to

149

00:06:25,510 --> 00:06:22,800

help us

150

00:06:27,110 --> 00:06:25,520

move to the next level so this is what's

151  
00:06:30,230 --> 00:06:27,120  
going on right now

152  
00:06:34,309 --> 00:06:33,189  
in a biblical sense the ultimate

153  
00:06:36,950 --> 00:06:34,319  
struggle between

154  
00:06:38,070 --> 00:06:36,960  
good and evil right not that i'm

155  
00:06:40,309 --> 00:06:38,080  
equating it to that

156  
00:06:41,749 --> 00:06:40,319  
simplistic of terms because it's not

157  
00:06:44,469 --> 00:06:41,759  
that simplistic

158  
00:06:45,510 --> 00:06:44,479  
but but there is a kind of a similarity

159  
00:06:48,390 --> 00:06:45,520  
when you want to

160  
00:06:49,510 --> 00:06:48,400  
put it in a little box to think about

161  
00:06:51,830 --> 00:06:49,520  
and

162  
00:06:53,749 --> 00:06:51,840  
we have a tremendous opportunity right

163  
00:06:55,749 --> 00:06:53,759

now to go forward

164

00:06:56,870 --> 00:06:55,759

so real disclosure is not going to come

165

00:06:58,629 --> 00:06:56,880

from the government

166

00:07:00,230 --> 00:06:58,639

the government doesn't honestly have the

167

00:07:02,950 --> 00:07:00,240

answers to disclose

168

00:07:04,469 --> 00:07:02,960

they don't that's the very first reason

169

00:07:07,110 --> 00:07:04,479

it won't come from them

170

00:07:08,309 --> 00:07:07,120

but beyond that the real disclosure

171

00:07:11,189 --> 00:07:08,319

occurred here

172

00:07:11,990 --> 00:07:11,199

we heard more about what is really going

173

00:07:14,230 --> 00:07:12,000

on

174

00:07:15,350 --> 00:07:14,240

with some of our visitors and the human

175

00:07:17,670 --> 00:07:15,360

species

176

00:07:19,270 --> 00:07:17,680

from the people that spoke here and

177

00:07:21,430 --> 00:07:19,280

disclosed from the heart

178

00:07:22,390 --> 00:07:21,440

their personal interaction with some of

179

00:07:24,550 --> 00:07:22,400

our visitors

180

00:07:26,790 --> 00:07:24,560

real disclosure occurred here this week

181

00:07:29,589 --> 00:07:26,800

it was a week full of it

182

00:07:30,629 --> 00:07:29,599

full of it people just have to open

183

00:07:33,510 --> 00:07:30,639

their eyes and

184

00:07:35,670 --> 00:07:33,520

their ears and pay some attention right

185

00:07:38,629 --> 00:07:35,680

that's all they got to do

186

00:07:40,950 --> 00:07:38,639

now do you wait the one argument i

187

00:07:42,309 --> 00:07:40,960

always make i said yeah i don't think

188

00:07:44,070 --> 00:07:42,319

i think we can get answers among

189

00:07:45,350 --> 00:07:44,080

ourselves from whatever whatever's

190

00:07:48,230 --> 00:07:45,360

interacting with us but

191

00:07:49,350 --> 00:07:48,240

for the masses i think they do need they

192

00:07:51,909 --> 00:07:49,360

do need to see

193

00:07:53,029 --> 00:07:51,919

whatever government data that so far we

194

00:07:55,430 --> 00:07:53,039

have not seen it

195

00:07:57,830 --> 00:07:55,440

but i think the masses need some amazing

196

00:07:59,029 --> 00:07:57,840

video of a craft making a 90 degree turn

197

00:08:00,710 --> 00:07:59,039

or something like this to open their

198

00:08:03,430 --> 00:08:00,720

minds because most people

199

00:08:04,710 --> 00:08:03,440

right now in my opinion are not coming

200

00:08:05,990 --> 00:08:04,720

to conferences like this they don't even

201  
00:08:08,550 --> 00:08:06,000  
want to talk about it still

202  
00:08:10,230 --> 00:08:08,560  
well look their concern is keeping bread

203  
00:08:13,510 --> 00:08:10,240  
on the table

204  
00:08:15,510 --> 00:08:13,520  
a roof over their head right and and

205  
00:08:17,110 --> 00:08:15,520  
and the people in that are in control

206  
00:08:18,469 --> 00:08:17,120  
they know this it's why they want to

207  
00:08:21,909 --> 00:08:18,479  
take us backward

208  
00:08:22,629 --> 00:08:21,919  
because the the more we are dependent on

209  
00:08:26,469 --> 00:08:22,639  
them

210  
00:08:29,110 --> 00:08:26,479  
our with our hat in our hand

211  
00:08:30,150 --> 00:08:29,120  
to get a bowl of rice right and and they

212  
00:08:32,389 --> 00:08:30,160  
would

213  
00:08:33,269 --> 00:08:32,399

they'd be perfectly happy to get it back

214

00:08:36,469 --> 00:08:33,279

to that level

215

00:08:38,949 --> 00:08:36,479

right where our only concern is survival

216

00:08:41,190 --> 00:08:38,959

if your only concern is survival you

217

00:08:43,589 --> 00:08:41,200

cannot think about the bigger

218

00:08:45,269 --> 00:08:43,599

questions about who you are and what a

219

00:08:48,389 --> 00:08:45,279

really powerful being you

220

00:08:49,670 --> 00:08:48,399

are and how important you are to the

221

00:08:51,670 --> 00:08:49,680

whole universe

222

00:08:53,590 --> 00:08:51,680

and to all the teeming life that is out

223

00:08:56,070 --> 00:08:53,600

there because they'll keep you

224

00:08:57,670 --> 00:08:56,080

under that thumb forever it's perfectly

225

00:09:01,269 --> 00:08:57,680

fine with the controlling

226

00:09:04,389 --> 00:09:01,279

ruling class they have no interest

227

00:09:07,670 --> 00:09:04,399

in ever letting you know how powerful

228

00:09:11,190 --> 00:09:07,680

you as an individual are and how you are

229

00:09:14,470 --> 00:09:11,200

this close to taking the steps necessary

230

00:09:17,110 --> 00:09:14,480

to actually join with all that

231

00:09:17,910 --> 00:09:17,120

teeming myriad life that is in the

232

00:09:22,150 --> 00:09:17,920

universe

233

00:09:24,870 --> 00:09:22,160

and we're this close you know i believe

234

00:09:27,110 --> 00:09:24,880

that the number of people that it would

235

00:09:30,870 --> 00:09:27,120

take to tip the tide

236

00:09:35,110 --> 00:09:30,880

is so much smaller than anybody suspects

237

00:09:37,670 --> 00:09:35,120

this is what i mean um group mind

238

00:09:38,630 --> 00:09:37,680

right human beings are such powerful

239

00:09:42,389 --> 00:09:38,640

creatures

240

00:09:45,509 --> 00:09:42,399

we have no idea how powerful we are

241

00:09:46,630 --> 00:09:45,519

we have within our souls the ability to

242

00:09:50,949 --> 00:09:46,640

create

243

00:09:54,310 --> 00:09:50,959

our emotions

244

00:09:57,670 --> 00:09:54,320

our passions we can create things

245

00:10:00,230 --> 00:09:57,680

manifest them and make them happy

246

00:10:02,230 --> 00:10:00,240

it would not take a very large number of

247

00:10:04,630 --> 00:10:02,240

us

248

00:10:06,069 --> 00:10:04,640

essentially coming together with a

249

00:10:09,350 --> 00:10:06,079

common purpose

250

00:10:12,150 --> 00:10:09,360

and demanding that they come down

251  
00:10:12,870 --> 00:10:12,160  
and assist us demanding that they come

252  
00:10:15,509 --> 00:10:12,880  
down

253  
00:10:15,990 --> 00:10:15,519  
and show all of humanity that they are

254  
00:10:19,110 --> 00:10:16,000  
real

255  
00:10:23,030 --> 00:10:19,120  
and that they are here can you imagine

256  
00:10:25,750 --> 00:10:23,040  
the paradigm change that that that alone

257  
00:10:26,710 --> 00:10:25,760  
that basic truth that's why they're so

258  
00:10:29,670 --> 00:10:26,720  
desperately

259  
00:10:30,710 --> 00:10:29,680  
trying to hide this right because when

260  
00:10:33,829 --> 00:10:30,720  
all this comes to

261  
00:10:36,949 --> 00:10:33,839  
the forefront it's not just

262  
00:10:40,069 --> 00:10:36,959  
robotic craft flying around in the sky

263  
00:10:41,269 --> 00:10:40,079

there is intelligence behind all of

264

00:10:43,590 --> 00:10:41,279

these craft

265

00:10:45,509 --> 00:10:43,600

all of these visitors there are actual

266

00:10:52,949 --> 00:10:45,519

beings

267

00:10:54,150 --> 00:10:52,959

that that understand that we've all been

268

00:10:56,710 --> 00:10:54,160

created

269

00:10:58,790 --> 00:10:56,720

by the same creator right that's the

270

00:11:01,030 --> 00:10:58,800

unifying thing that we have

271

00:11:03,910 --> 00:11:01,040

with all this other life that we

272

00:11:06,630 --> 00:11:03,920

recognize that and they recognize that

273

00:11:07,750 --> 00:11:06,640

and all we have to do is to have a

274

00:11:10,069 --> 00:11:07,760

certain number of

275

00:11:12,069 --> 00:11:10,079

a finite number a much smaller number

276

00:11:14,470 --> 00:11:12,079

than anybody really believes

277

00:11:15,509 --> 00:11:14,480

if we can get together with like mind

278

00:11:19,990 --> 00:11:15,519

like purpose

279

00:11:23,590 --> 00:11:20,000

like intention in our hearts to ask them

280

00:11:24,949 --> 00:11:23,600

to help us move forward to come down and

281

00:11:28,150 --> 00:11:24,959

show themselves

282

00:11:31,190 --> 00:11:28,160

you know what they will they won't

283

00:11:33,430 --> 00:11:31,200

simply do it on their own right it's

284

00:11:36,630 --> 00:11:33,440

it's kind of not allowed

285

00:11:39,829 --> 00:11:36,640

okay but if we ask for

286

00:11:42,069 --> 00:11:39,839

their help it is allowed

287

00:11:43,990 --> 00:11:42,079

so the number of us that it's going to

288

00:11:45,990 --> 00:11:44,000

take to ask for it

289

00:11:48,710 --> 00:11:46,000

is so much smaller than anybody can

290

00:11:51,110 --> 00:11:48,720

imagine it's still a huge number

291

00:11:52,389 --> 00:11:51,120

but we don't need half the planet to

292

00:11:54,150 --> 00:11:52,399

come to this

293

00:11:56,150 --> 00:11:54,160

reality what are you thinking number

294

00:11:59,750 --> 00:11:56,160

wise any idea

295

00:12:03,030 --> 00:11:59,760

well look steven greer dr stephen greer

296

00:12:06,870 --> 00:12:03,040

goes out and does contact exercises

297

00:12:08,069 --> 00:12:06,880

with ufo intelligence he can go out with

298

00:12:11,509 --> 00:12:08,079

20 people

299

00:12:14,710 --> 00:12:11,519

that he has taught to have like mind

300

00:12:18,310 --> 00:12:14,720

a like belief a like heart

301  
00:12:20,790 --> 00:12:18,320  
a like intention an intention right

302  
00:12:21,990 --> 00:12:20,800  
single biggest thing a good purpose with

303  
00:12:25,190 --> 00:12:22,000  
good intention

304  
00:12:28,230 --> 00:12:25,200  
and he can take a group of 20 people

305  
00:12:31,990 --> 00:12:28,240  
and they call in craft regularly

306  
00:12:36,069 --> 00:12:32,000  
craft show up i mean this is documented

307  
00:12:38,629 --> 00:12:36,079  
it's it's it's attested to by scores

308  
00:12:39,829 --> 00:12:38,639  
hundred thousands of people he forms

309  
00:12:42,870 --> 00:12:39,839  
these groups

310  
00:12:44,069 --> 00:12:42,880  
of 20 to 50 people they go out to a

311  
00:12:45,829 --> 00:12:44,079  
remote location

312  
00:12:48,150 --> 00:12:45,839  
in the middle of the night and they

313  
00:12:51,110 --> 00:12:48,160

almost always have craft

314

00:12:51,990 --> 00:12:51,120

come down to say hello so you see the

315

00:12:54,389 --> 00:12:52,000

numbers

316

00:12:55,590 --> 00:12:54,399

to create the intention to make these

317

00:12:58,230 --> 00:12:55,600

things happen

318

00:12:59,829 --> 00:12:58,240

is genuinely so much smaller than we

319

00:13:02,550 --> 00:12:59,839

think it is

320

00:13:02,949 --> 00:13:02,560

it just is going to take somebody that

321

00:13:06,069 --> 00:13:02,959

can

322

00:13:08,069 --> 00:13:06,079

unify us unify

323

00:13:09,269 --> 00:13:08,079

our hearts and our thoughts and our

324

00:13:12,870 --> 00:13:09,279

intentions

325

00:13:15,990 --> 00:13:12,880

to the same genuine calling

326

00:13:16,870 --> 00:13:16,000

if you will same genuine belief and

327

00:13:20,150 --> 00:13:16,880

request from

328

00:13:21,030 --> 00:13:20,160

people's hearts that they come and show

329

00:13:23,670 --> 00:13:21,040

themselves

330

00:13:25,190 --> 00:13:23,680

and they come and openly begin to help

331

00:13:27,829 --> 00:13:25,200

us

332

00:13:28,629 --> 00:13:27,839

right that's all it's going to take and

333

00:13:30,470 --> 00:13:28,639

then

334

00:13:31,750 --> 00:13:30,480

i don't care what the government what

335

00:13:33,750 --> 00:13:31,760

the power elites

336

00:13:35,670 --> 00:13:33,760

that control everything here i don't

337

00:13:38,230 --> 00:13:35,680

care what they want to do

338

00:13:39,750 --> 00:13:38,240

they're not going to stop that and

339

00:13:42,150 --> 00:13:39,760

that's what i believe will

340

00:13:43,590 --> 00:13:42,160

ultimately be the real disclosure it's

341

00:13:46,870 --> 00:13:43,600

going to originate from

342

00:13:51,509 --> 00:13:46,880

us and we have this power now

343

00:13:55,430 --> 00:13:53,110

and just for the record you think

344

00:13:57,990 --> 00:13:55,440

whoever's visiting us

345

00:13:59,590 --> 00:13:58,000

probably not everybody here has our best

346

00:14:03,750 --> 00:13:59,600

interest in heart at heart

347

00:14:06,069 --> 00:14:03,760

um look you're correct

348

00:14:06,949 --> 00:14:06,079

out of all that myriad life that's out

349

00:14:10,550 --> 00:14:06,959

there

350

00:14:13,350 --> 00:14:10,560

broken tape tables it's a little books

351  
00:14:14,870 --> 00:14:13,360  
40 pages right i've been telling people

352  
00:14:16,790 --> 00:14:14,880  
here all week

353  
00:14:18,629 --> 00:14:16,800  
that the one book you don't want to go

354  
00:14:20,949 --> 00:14:18,639  
home without is this book

355  
00:14:22,230 --> 00:14:20,959  
and it's called hierarchy of the

356  
00:14:26,310 --> 00:14:22,240  
universe

357  
00:14:28,310 --> 00:14:26,320  
and it really explains to you how

358  
00:14:29,670 --> 00:14:28,320  
that big universe out there kind of

359  
00:14:33,189 --> 00:14:29,680  
functions

360  
00:14:34,949 --> 00:14:33,199  
right and yes you are so right when you

361  
00:14:37,430 --> 00:14:34,959  
say this

362  
00:14:38,310 --> 00:14:37,440  
all life out there no matter how

363  
00:14:41,990 --> 00:14:38,320

advanced

364

00:14:45,189 --> 00:14:42,000

a way

365

00:14:48,470 --> 00:14:45,199

has its own agenda okay

366

00:14:50,710 --> 00:14:48,480

they all have their own agenda now

367

00:14:52,470 --> 00:14:50,720

a lot of the times their agenda and ours

368

00:14:54,949 --> 00:14:52,480

can be sympatico

369

00:14:55,670 --> 00:14:54,959

but a lot of times it can't and there

370

00:14:57,750 --> 00:14:55,680

are actually

371

00:14:58,710 --> 00:14:57,760

some groups i don't think they're large

372

00:15:01,670 --> 00:14:58,720

a number but

373

00:15:02,310 --> 00:15:01,680

some there are some civilizations out

374

00:15:05,829 --> 00:15:02,320

there

375

00:15:08,870 --> 00:15:05,839

that would if not do us outright harm

376

00:15:11,670 --> 00:15:08,880

use us use us and abuse us

377

00:15:11,990 --> 00:15:11,680

okay those types still exist they are

378

00:15:15,269 --> 00:15:12,000

out

379

00:15:18,629 --> 00:15:15,279

there not everyone because they have

380

00:15:19,110 --> 00:15:18,639

survived eons more than us not all of

381

00:15:22,550 --> 00:15:19,120

them

382

00:15:25,350 --> 00:15:22,560

are pure and altruistic

383

00:15:26,790 --> 00:15:25,360

they all have their own agendas to one

384

00:15:29,829 --> 00:15:26,800

degree or the other

385

00:15:33,189 --> 00:15:29,839

but overall overall

386

00:15:36,790 --> 00:15:33,199

most of them want to see us

387

00:15:38,870 --> 00:15:36,800

move forward move up take our rightful

388

00:15:42,949 --> 00:15:38,880

place in the universe

389

00:15:45,829 --> 00:15:42,959

and become part of the galactic family

390

00:15:46,550 --> 00:15:45,839

thank you you're welcome yeah you know
