Automagically-Rob...

1
00:00:09,990 --> 00:00:04,870
all right

2
00:00:19,029 --> 00:00:13,509
ufo show which i thought was

3
00:00:22,150 --> 00:00:19,039
pretty good considering

4
00:00:22,870 --> 00:00:22,160
it was tmz and i know people warned me

5
00:00:26,230 --> 00:00:22,880
beforehand

6
00:00:31,109 --> 00:00:26,240
said it's tmz

7
00:00:34,229 --> 00:00:31,119
you know they put out crap

8
00:00:37,910 --> 00:00:34,239
but i've seen tmz's

9
00:00:40,389 --> 00:00:37,920
past work with interviews from

10
00:00:43,990 --> 00:00:40,399
rubio they did some great rubio

11
00:00:48,389 --> 00:00:44,000
questions and interviews

12
00:00:51,510 --> 00:00:48,399
and um so i was hoping it would be

13
00:00:57,990 --> 00:00:51,520

something like that and i was not

14

00:01:03,590 --> 00:00:58,000

disappointed to tell you the truth

15

00:01:11,190 --> 00:01:05,670

fix here hopefully we can get some

16

00:01:18,950 --> 00:01:15,109

close that and we are live

17

00:01:18,960 --> 00:01:23,670

so people can join if they want

18

00:01:27,030 --> 00:01:25,030

and i will go through the show for

19

00:01:28,550 --> 00:01:27,040

people who were not able to see it maybe

20

00:01:30,870 --> 00:01:28,560

in the uk i'm not sure i know there was

21

00:01:33,190 --> 00:01:30,880

a link

22

00:01:40,310 --> 00:01:33,200

so i'll put that call in there's a

23

00:01:43,749 --> 00:01:40,320

couple of new things for me

24

00:01:49,109 --> 00:01:43,759

let's see do we have

25

00:01:57,990 --> 00:01:54,550

don't know comments

26

00:02:01,270 --> 00:01:59,749

i liked it somebody got somebody got

27

00:02:04,069 --> 00:02:01,280

upset earlier

28

00:02:05,910 --> 00:02:04,079

when i uh said it wasn't for us but

29

00:02:08,229 --> 00:02:05,920

sorry

30

00:02:16,470 --> 00:02:08,239

i just started live streaming godly

31

00:02:21,110 --> 00:02:20,470

and somebody said when i said listen

32

00:02:23,589 --> 00:02:21,120

it's not

33

00:02:24,470 --> 00:02:23,599

for us and this is not for us and it's

34

00:02:27,750 --> 00:02:24,480

not i'm sorry

35

00:02:32,229 --> 00:02:27,760

ufo twitter we know most of that stuff

36

00:02:33,589 --> 00:02:32,239

so i talked to my sister yesterday

37

00:02:36,949 --> 00:02:33,599

and actually she was like let me know

38

00:02:38,229 --> 00:02:36,959

when it's on and i did but she was out

39

00:02:41,589 --> 00:02:38,239

to dinner she's like let me know

40

00:02:45,110 --> 00:02:44,550

and i'm going to get her a copy somehow

41

00:02:48,309 --> 00:02:45,120

she is

42

00:02:51,350 --> 00:02:48,319

not a ufo person

43

00:02:53,430 --> 00:02:51,360

and um

44

00:02:54,869 --> 00:02:53,440

yeah i mean 60 minutes has their

45

00:02:57,990 --> 00:02:54,879

audience

46

00:02:59,509 --> 00:02:58,000

did you guys notice i don't know what

47

00:03:01,350 --> 00:02:59,519

christopher mellon sounded like he just

48

00:03:02,550 --> 00:03:01,360

got back from the dentist and he was on

49

00:03:05,910 --> 00:03:02,560

novocaine or something

50

00:03:07,270 --> 00:03:05,920

it was kind of odd he's usually a little

51
00:03:08,309 --> 00:03:07,280
more sharper than that i don't know

52
00:03:09,910 --> 00:03:08,319
maybe it was just me

53
00:03:12,630 --> 00:03:09,920
it was like he was in a little bit slow

54
00:03:16,470 --> 00:03:16,070
but and if anybody did not see it let me

55
00:03:17,670 --> 00:03:16,480
know

56
00:03:20,630 --> 00:03:17,680
i mean i'll go through it i mean there's

57
00:03:24,789 --> 00:03:20,640
a couple of things something

58
00:03:26,710 --> 00:03:24,799
so ryan graves i mean he's hinted at

59
00:03:28,149 --> 00:03:26,720
it not being from here before but he was

60
00:03:29,430 --> 00:03:28,159
a little he was a little stronger this

61
00:03:31,589 --> 00:03:29,440
time saying you know

62
00:03:33,509 --> 00:03:31,599
he's very open to it being from others

63
00:03:35,110 --> 00:03:33,519

from some other star system so that was

64

00:03:36,949 --> 00:03:35,120

kind of cool

65

00:03:38,869 --> 00:03:36,959

um and you guys i sent out the link too

66

00:03:43,990 --> 00:03:38,879

if you want to

67

00:03:45,350 --> 00:03:44,000

questions or give your comments

68

00:03:46,470 --> 00:03:45,360

yeah 60 minutes definitely had more of

69

00:03:48,470 --> 00:03:46,480

an impact i mean look at that look at

70

00:03:50,390 --> 00:03:48,480

the coverage we've had

71

00:03:52,949 --> 00:03:50,400

since 60 minutes it's crazy and like

72

00:03:54,869 --> 00:03:52,959

juliano marinkovic who who covers all

73

00:03:56,390 --> 00:03:54,879

you know archives all the media he can

74

00:03:56,710 --> 00:03:56,400

he's it's impossible for them him to

75

00:03:59,270 --> 00:03:56,720

keep

76

00:04:00,470 --> 00:03:59,280

up early on here there's something i

77

00:04:02,550 --> 00:04:00,480

will disagree i will disagree with

78

00:04:04,630 --> 00:04:02,560

jeremy on something he goes

79

00:04:06,070 --> 00:04:04,640

we don't have technology we don't use

80

00:04:07,350 --> 00:04:06,080

you know if we have technology we're

81

00:04:09,910 --> 00:04:07,360

going to use it

82

00:04:11,830 --> 00:04:09,920

uh yeah it's worth watching um there's a

83

00:04:13,110 --> 00:04:11,840

couple you know for for people like us

84

00:04:15,190 --> 00:04:13,120

you're going to say oh i've seen all

85

00:04:16,550 --> 00:04:15,200

this before and the video jeremy showed

86

00:04:19,830 --> 00:04:16,560

is the same video he put up

87

00:04:22,550 --> 00:04:19,840

earlier so why tmz well

88

00:04:24,230 --> 00:04:22,560

tmz showed an interest tmz funded it tmz

89

00:04:25,110 --> 00:04:24,240

interviewed all those people so why not

90

00:04:26,390 --> 00:04:25,120

i mean

91

00:04:28,629 --> 00:04:26,400

like i said they've done pretty good

92

00:04:30,390 --> 00:04:28,639

stuff in the past only here's the only

93

00:04:32,870 --> 00:04:30,400

concern i had about the show and it

94

00:04:34,070 --> 00:04:32,880

it was annoying so george knapp they

95

00:04:36,629 --> 00:04:34,080

asked him you know what are other

96

00:04:38,390 --> 00:04:36,639

options besides e.t and he goes

97

00:04:39,749 --> 00:04:38,400

well it could be from here and harvey

98

00:04:41,430 --> 00:04:39,759

levin's like what do you mean he goes

99

00:04:42,950 --> 00:04:41,440

you know something crypto terrestrial

100

00:04:44,550 --> 00:04:42,960

something that you know that lives on

101
00:04:45,430 --> 00:04:44,560
this planet and as he started saying

102
00:04:48,310 --> 00:04:45,440
that they played that

103
00:04:49,670 --> 00:04:48,320
stupid music that makes fun of people

104
00:04:51,990 --> 00:04:49,680
when people say something that's a

105
00:04:52,950 --> 00:04:52,000
little off and it's like come on tmz but

106
00:04:54,310 --> 00:04:52,960
other than that

107
00:04:56,469 --> 00:04:54,320
and he did george said something like

108
00:04:56,870 --> 00:04:56,479
you know what it resides in this like

109
00:04:58,629 --> 00:04:56,880
the

110
00:04:59,909 --> 00:04:58,639
psychic realm i don't know his exact

111
00:05:02,790 --> 00:04:59,919
words but

112
00:05:04,070 --> 00:05:02,800
other than that yeah they definitely

113
00:05:05,029 --> 00:05:04,080

went other than that it was good but

114

00:05:08,230 --> 00:05:05,039

yeah they went they

115

00:05:10,310 --> 00:05:08,240

talked about the crash craft possibility

116

00:05:12,070 --> 00:05:10,320

even you know even melon and lou went

117

00:05:16,390 --> 00:05:12,080

there they both went there

118

00:05:18,070 --> 00:05:16,400

um let's see

119

00:05:20,310 --> 00:05:18,080

i'm just trying to see ahead i took

120

00:05:23,670 --> 00:05:20,320

notes and um

121

00:05:25,990 --> 00:05:23,680

you know levin says the pentagon has

122

00:05:27,749 --> 00:05:26,000

acknowledged that these are ufos and

123

00:05:29,510 --> 00:05:27,759

he's talking about 2019

124

00:05:31,029 --> 00:05:29,520

but that's not true the pentagon well it

125

00:05:32,390 --> 00:05:31,039

kinda is true it depends on how you look

126

00:05:35,749 --> 00:05:32,400

at semantics

127

00:05:37,029 --> 00:05:35,759

you know if the pentagon said the uap

128

00:05:38,230 --> 00:05:37,039

task force has looked at this and

129

00:05:39,990 --> 00:05:38,240

they're using it in their

130

00:05:41,270 --> 00:05:40,000

i forget the word they use but if

131

00:05:43,430 --> 00:05:41,280

they're using it then that's an

132

00:05:44,230 --> 00:05:43,440

insinuation that they think it's ufos so

133

00:05:45,990 --> 00:05:44,240

that's kind of

134

00:05:48,230 --> 00:05:46,000

i would never make a big i i made a big

135

00:05:49,990 --> 00:05:48,240

deal about it about that early on but

136

00:05:52,550 --> 00:05:50,000

now it's like

137

00:05:55,350 --> 00:05:52,560

i can't understand why people say that

138

00:06:00,230 --> 00:05:57,350

and then levin asks graves you know why

139

00:06:02,309 --> 00:06:00,240

don't they get closer

140

00:06:03,670 --> 00:06:02,319

he asked nap that or corbell he said why

141

00:06:04,070 --> 00:06:03,680

don't they get closer to these objects

142

00:06:06,150 --> 00:06:04,080

and get

143

00:06:07,590 --> 00:06:06,160

a better look and then you know graves

144

00:06:08,550 --> 00:06:07,600

has said in the past when they tried to

145

00:06:09,749 --> 00:06:08,560

get close

146

00:06:11,590 --> 00:06:09,759

these things would move out of the way

147

00:06:12,790 --> 00:06:11,600

before they got there

148

00:06:14,710 --> 00:06:12,800

and then if they're doing a training

149

00:06:16,230 --> 00:06:14,720

mission they just can't go off and leave

150

00:06:18,230 --> 00:06:16,240

the training mission and go chase these

151
00:06:20,790 --> 00:06:18,240
so that's another reason but supposedly

152
00:06:22,230 --> 00:06:20,800
like i said jordan coast to coast you

153
00:06:25,110 --> 00:06:22,240
know

154
00:06:27,990 --> 00:06:25,120
daniel sheen has been shown pictures

155
00:06:30,629 --> 00:06:28,000
taken from an f-18

156
00:06:32,390 --> 00:06:30,639
right off the wing of the plane 50 feet

157
00:06:33,749 --> 00:06:32,400
which uh lou has talked about so there's

158
00:06:37,029 --> 00:06:33,759
a tic tac and there were also

159
00:06:41,909 --> 00:06:37,039
there's also a craft in formation

160
00:06:45,510 --> 00:06:43,590
yeah well jeremy jeremy didn't put the

161
00:06:46,309 --> 00:06:45,520
moving airplane you know whoever sent

162
00:06:48,710 --> 00:06:46,319
him that video

163
00:06:49,670 --> 00:06:48,720

i mean that kind of shows these objects

164

00:06:51,270 --> 00:06:49,680

and then it shows

165

00:06:52,870 --> 00:06:51,280

another plane if that's if that's a

166

00:06:56,070 --> 00:06:52,880

plane

167

00:06:57,749 --> 00:06:56,080

um yeah what melon

168

00:07:00,390 --> 00:06:57,759

i have to go back and look exactly what

169

00:07:03,270 --> 00:07:00,400

melon said i didn't have specific notes

170

00:07:04,230 --> 00:07:03,280

and i yeah i think i think all the

171

00:07:07,510 --> 00:07:04,240

people involved

172

00:07:09,270 --> 00:07:07,520

think it's a possible threat i mean

173

00:07:10,710 --> 00:07:09,280

i have no id we don't know what this is

174

00:07:12,550 --> 00:07:10,720

we don't know what their intentions are

175

00:07:13,909 --> 00:07:12,560

i could tell you i could i could look at

176

00:07:16,070 --> 00:07:13,919

the craft and i'm only i'm only going to

177

00:07:19,350 --> 00:07:16,080

do this like for an hour

178

00:07:21,270 --> 00:07:19,360

because i need to actually rest

179

00:07:23,670 --> 00:07:21,280

too much transcribing sitting on the

180

00:07:25,830 --> 00:07:23,680

couch um

181

00:07:27,749 --> 00:07:25,840

but you look at the craft on the the

182

00:07:28,629 --> 00:07:27,759

west coast and they're they're hovering

183

00:07:31,270 --> 00:07:28,639

over a ship

184

00:07:32,870 --> 00:07:31,280

over every ship multiple objects

185

00:07:33,589 --> 00:07:32,880

whatever they are and then you have one

186

00:07:35,670 --> 00:07:33,599

object

187

00:07:37,110 --> 00:07:35,680

they're all the same size so you have

188

00:07:39,189 --> 00:07:37,120

one object over the ship and then all

189

00:07:41,110 --> 00:07:39,199

the other ones swarming around

190

00:07:43,430 --> 00:07:41,120

so it's like how could you not look at

191

00:07:45,270 --> 00:07:43,440

that as a threat i mean you can also say

192

00:07:47,029 --> 00:07:45,280

they're trying to show us hey we're here

193

00:07:48,869 --> 00:07:47,039

you guys need to reveal us and tell you

194

00:07:50,070 --> 00:07:48,879

tell the public but we don't know that

195

00:07:51,430 --> 00:07:50,080

they're not they're not coming as far as

196

00:07:51,990 --> 00:07:51,440

they know they're not communicating any

197

00:07:54,309 --> 00:07:52,000

other way

198

00:07:55,909 --> 00:07:54,319

there's no telepathic message or under

199

00:07:58,230 --> 00:07:55,919

underneath the craft there's a little

200

00:08:00,070 --> 00:07:58,240

writing say we want you to tell the

201
00:08:01,430 --> 00:08:00,080
world about us so who knows why they're

202
00:08:02,710 --> 00:08:01,440
doing that

203
00:08:03,990 --> 00:08:02,720
and then on the east coast when like i

204
00:08:06,469 --> 00:08:04,000
said when they try to get close they

205
00:08:08,469 --> 00:08:06,479
move out of the way so

206
00:08:09,830 --> 00:08:08,479
no way for me to know what their intent

207
00:08:11,670 --> 00:08:09,840
is and i don't think

208
00:08:13,029 --> 00:08:11,680
i don't think anybody knows their intent

209
00:08:14,629 --> 00:08:13,039
even the people who are inside the

210
00:08:15,589 --> 00:08:14,639
special access programs let's let's

211
00:08:17,749 --> 00:08:15,599
assume that

212
00:08:19,189 --> 00:08:17,759
they had they had contact with some of

213
00:08:21,029 --> 00:08:19,199

these craft and maybe the beings let's

214

00:08:21,909 --> 00:08:21,039

just say assume they had contact and the

215

00:08:23,589 --> 00:08:21,919

being said

216

00:08:24,550 --> 00:08:23,599

we're here for a blah blah blah how do

217

00:08:26,230 --> 00:08:24,560

you know they're here for that you're

218

00:08:30,710 --> 00:08:26,240

gonna you're gonna believe that i mean

219

00:08:31,749 --> 00:08:30,720

you know so i personally have no idea

220

00:08:33,670 --> 00:08:31,759

first of all i don't know where they're

221

00:08:34,870 --> 00:08:33,680

from even though my favorite theory is

222

00:08:37,909 --> 00:08:34,880

crypto terrestrial

223

00:08:39,509 --> 00:08:37,919

um and i don't know what their intention

224

00:08:41,350 --> 00:08:39,519

intentions are yeah corbell's footage

225

00:08:42,469 --> 00:08:41,360

has to be taken as a whole it's part of

226

00:08:44,550 --> 00:08:42,479

the whole you know

227

00:08:46,470 --> 00:08:44,560

obviously we when you hear me saying

228

00:08:48,470 --> 00:08:46,480

that daniel sheehan

229

00:08:50,470 --> 00:08:48,480

saw a tic tac off the wing of the plane

230

00:08:52,949 --> 00:08:50,480

in a photo that photo itself would be

231

00:08:54,870 --> 00:08:52,959

better than any video we have i think

232

00:08:56,470 --> 00:08:54,880

you know if it's 50 feet off the wing

233

00:08:58,550 --> 00:08:56,480

but we don't have it and

234

00:08:59,910 --> 00:08:58,560

if if sheehan saw it that means it's not

235

00:09:01,190 --> 00:08:59,920

classified he's not going to be showing

236

00:09:02,550 --> 00:09:01,200

classified information

237

00:09:04,710 --> 00:09:02,560

so that's a picture that's made the

238

00:09:06,550 --> 00:09:04,720

rounds why hasn't it been why hasn't it

239

00:09:08,949 --> 00:09:06,560

leaked i don't know

240

00:09:10,150 --> 00:09:08,959

unlike the alleged triangle coming out

241

00:09:11,430 --> 00:09:10,160

of the water i don't think that's made

242

00:09:12,630 --> 00:09:11,440

the rounds you know george knapp has

243

00:09:14,790 --> 00:09:12,640

said he's asked

244

00:09:15,750 --> 00:09:14,800

a lot of people they don't know about it

245

00:09:18,470 --> 00:09:15,760

i asked source

246

00:09:19,750 --> 00:09:18,480

a source said nope don't know about it

247

00:09:21,350 --> 00:09:19,760

um

248

00:09:22,949 --> 00:09:21,360

so let me just see some of your

249

00:09:25,590 --> 00:09:22,959

questions and like i said guys you can

250

00:09:28,870 --> 00:09:25,600

call in so it's just not me talking

251

00:09:30,310 --> 00:09:28,880

but i will talk for an hour um i can't

252

00:09:30,710 --> 00:09:30,320

always look at i can't always look at

253

00:09:33,990 --> 00:09:30,720

this

254

00:09:40,630 --> 00:09:37,430

so nap yeah that brought up materials

255

00:09:42,470 --> 00:09:40,640

craft and bodies and if you guys saw

256

00:09:44,630 --> 00:09:42,480

i'm sure most of you did ross coldheart

257

00:09:46,630 --> 00:09:44,640

who interviewed

258

00:09:49,590 --> 00:09:46,640

he interviewed somebody and i have the

259

00:09:51,190 --> 00:09:49,600

exact thing right here i'll just read it

260

00:09:52,870 --> 00:09:51,200

one of the people that i wrote to he

261

00:09:54,230 --> 00:09:52,880

wrote a lot of letters i knew that

262

00:09:56,070 --> 00:09:54,240

i knew that last year he told me he

263

00:09:57,910 --> 00:09:56,080

wrote letters to people i'm like oh what

264

00:09:58,949 --> 00:09:57,920

what a concept writing letters and it

265

00:10:01,430 --> 00:09:58,959

worked

266

00:10:02,710 --> 00:10:01,440

and this one nate kobits nat kobits

267

00:10:04,150 --> 00:10:02,720

who was the director of science and

268

00:10:05,590 --> 00:10:04,160

technology development for the united

269

00:10:07,190 --> 00:10:05,600

states navy

270

00:10:09,110 --> 00:10:07,200

russ said he's the she was the chief

271

00:10:11,910 --> 00:10:09,120

geek of the united states navy for

272

00:10:13,910 --> 00:10:11,920

well over 30 years and all of a sudden

273

00:10:15,350 --> 00:10:13,920

he tells ross he goes go ahead ask me

274

00:10:17,269 --> 00:10:15,360

the question and the guy was dying of

275

00:10:17,829 --> 00:10:17,279

cancer so this is as close as a deathbed

276

00:10:19,910 --> 00:10:17,839

confession

277

00:10:21,910 --> 00:10:19,920

as you're going to get and the guy says

278

00:10:23,509 --> 00:10:21,920

ask me the question he goes

279

00:10:25,269 --> 00:10:23,519

have you ever been read into the ufo

280

00:10:30,949 --> 00:10:25,279

retrieval and re-engineering program

281

00:10:34,949 --> 00:10:33,430

ross said he almost fell off his chair

282

00:10:37,110 --> 00:10:34,959

and he thinks the guy made the decision

283

00:10:38,949 --> 00:10:37,120

he said screw it you know he's dying

284

00:10:40,470 --> 00:10:38,959

because what are they gonna do to me you

285

00:10:42,310 --> 00:10:40,480

know ross what are they gonna do to me

286

00:10:45,829 --> 00:10:42,320

that's a pretty big thing and he said

287

00:10:47,350 --> 00:10:45,839

there were multiple we had multiple

288

00:10:48,870 --> 00:10:47,360

didn't get to see any of them that was

289

00:10:50,550 --> 00:10:48,880

disappointing but then they took him to

290

00:10:52,150 --> 00:10:50,560

wright-patterson air force base and he

291

00:10:52,870 --> 00:10:52,160

saw a big hunk of metal that was very

292

00:10:55,350 --> 00:10:52,880

heavy

293

00:10:56,630 --> 00:10:55,360

very light and really strong and he

294

00:10:57,750 --> 00:10:56,640

couldn't figure out how it was made

295

00:10:59,030 --> 00:10:57,760

that's why i think

296

00:11:00,310 --> 00:10:59,040

there's some sort of technique they're

297

00:11:02,069 --> 00:11:00,320

using that's why i mentioned like

298

00:11:03,670 --> 00:11:02,079

advanced 3d printing

299

00:11:05,509 --> 00:11:03,680

there's something advanced that they can

300

00:11:09,030 --> 00:11:05,519

just create this stuff

301
00:11:12,150 --> 00:11:09,040
and he also was told about

302
00:11:13,509 --> 00:11:12,160
he was told about bodies so that's not

303
00:11:15,269 --> 00:11:13,519
the first time we've heard bodies we've

304
00:11:16,790 --> 00:11:15,279
all heard the rumors about bodies george

305
00:11:17,670 --> 00:11:16,800
annapolis mentioned the goodies which

306
00:11:21,110 --> 00:11:17,680
are craft

307
00:11:22,870 --> 00:11:21,120
and bodies so we need

308
00:11:24,470 --> 00:11:22,880
you know and he said he also this guy

309
00:11:25,910 --> 00:11:24,480
put him in contact with other people who

310
00:11:27,269 --> 00:11:25,920
were read into the program and other

311
00:11:30,470 --> 00:11:27,279
people who were on the proof

312
00:11:31,350 --> 00:11:30,480
periphery of that program so that's

313
00:11:34,470 --> 00:11:31,360

something for them

314

00:11:34,710 --> 00:11:34,480

for the media to follow up and jake you

315

00:11:37,190 --> 00:11:34,720

are

316

00:11:42,790 --> 00:11:37,200

on live your first one tonight what'd

317

00:11:46,949 --> 00:11:42,800

you think did you get to see it

318

00:11:47,990 --> 00:11:46,959

you there jake there's no jake all right

319

00:11:52,629 --> 00:11:48,000

jake if you want to

320

00:11:56,230 --> 00:11:53,829

yeah i know i need a thousand

321

00:11:58,629 --> 00:11:56,240

subscribers that's very slow

322

00:11:59,990 --> 00:11:58,639

but today when jeremy reed this is the

323

00:12:01,750 --> 00:12:00,000

power of somebody who has a lot of

324

00:12:03,190 --> 00:12:01,760

followers jeremy retweeted my stuff and

325

00:12:04,230 --> 00:12:03,200

it was like all these followers just

326

00:12:07,420 --> 00:12:04,240

coming and coming

327

00:12:08,790 --> 00:12:07,430

bam bam bam so that was nice um

328

00:12:12,150 --> 00:12:08,800

[Music]

329

00:12:15,430 --> 00:12:12,160

so like i said guys feel free otherwise

330

00:12:17,590 --> 00:12:15,440

i will cut this short

331

00:12:18,949 --> 00:12:17,600

jake i can hear noise but i can't hear

332

00:12:26,870 --> 00:12:18,959

you

333

00:12:28,310 --> 00:12:26,880

[Music]

334

00:12:30,069 --> 00:12:28,320

and what else let's see there are some

335

00:12:33,269 --> 00:12:30,079

other points that were made

336

00:12:34,710 --> 00:12:33,279

i just want to get back to the somebody

337

00:12:36,870 --> 00:12:34,720

getting mad that i said it was for

338

00:12:38,389 --> 00:12:36,880

newbies yeah it's for newbies i'm sorry

339

00:12:40,230 --> 00:12:38,399

we've seen all this stuff and there are

340

00:12:42,069 --> 00:12:40,240

people who have never seen any of this

341

00:12:43,190 --> 00:12:42,079

stuff and they're on fox it's a network

342

00:12:45,190 --> 00:12:43,200

show so

343

00:12:47,030 --> 00:12:45,200

most of the world has not seen any of

344

00:12:48,629 --> 00:12:47,040

this footage most of the world doesn't

345

00:12:50,870 --> 00:12:48,639

know that luis elizondo

346

00:12:52,389 --> 00:12:50,880

was threatened you know his reputation

347

00:12:53,910 --> 00:12:52,399

most of the world doesn't know a melon

348

00:12:55,509 --> 00:12:53,920

is involved with this so

349

00:12:57,670 --> 00:12:55,519

people don't know that ryan graves an

350

00:12:59,509 --> 00:12:57,680

f-15 f-18 pilot he's a

351

00:13:00,870 --> 00:12:59,519

an engineer you know it's like they

352

00:13:02,629 --> 00:13:00,880

don't know about this stuff i would have

353

00:13:04,550 --> 00:13:02,639

loved to have seen alex dietrich but

354

00:13:06,389 --> 00:13:04,560

either she didn't want to do it maybe

355

00:13:09,190 --> 00:13:06,399

because of the tmz

356

00:13:11,030 --> 00:13:09,200

name um luke brought up that they

357

00:13:11,910 --> 00:13:11,040

destroyed his files and emails and then

358

00:13:14,150 --> 00:13:11,920

they gave

359

00:13:15,430 --> 00:13:14,160

sarah scholes you know you gotta put a

360

00:13:17,110 --> 00:13:15,440

little skeptic in there and they gave

361

00:13:18,829 --> 00:13:17,120

her like 30 seconds so whatever it's not

362

00:13:22,790 --> 00:13:18,839

even worth talking about

363

00:13:24,710 --> 00:13:22,800

um corbell said one object i said that

364

00:13:26,389 --> 00:13:24,720

uh knapp said one of the objects related

365

00:13:27,750 --> 00:13:26,399

to the omaha came right up to the next

366

00:13:28,150 --> 00:13:27,760

ship right up to the ship and followed

367

00:13:31,829 --> 00:13:28,160

for an

368

00:13:35,030 --> 00:13:31,839

hour i don't think i'd heard that before

369

00:13:36,389 --> 00:13:35,040

hear something lou said a senior person

370

00:13:37,829 --> 00:13:36,399

in the chain of command told him he

371

00:13:38,150 --> 00:13:37,839

needed to come see him and he said this

372

00:13:39,590 --> 00:13:38,160

might

373

00:13:41,509 --> 00:13:39,600

affect your security clearance and we've

374

00:13:43,030 --> 00:13:41,519

heard stuff like that before

375

00:13:44,710 --> 00:13:43,040

and you know basically threatening me

376

00:13:46,470 --> 00:13:44,720

he's gonna lose his security clearance

377

00:13:48,550 --> 00:13:46,480

and he says they told me mine might

378

00:13:49,750 --> 00:13:48,560

matter shut up or will shut you up

379

00:13:51,509 --> 00:13:49,760

i don't know if that was a direct quote

380

00:13:53,829 --> 00:13:51,519

but he felt it was it was retaliate

381

00:13:55,110 --> 00:13:53,839

retaliation to ruin his reputation

382

00:13:56,629 --> 00:13:55,120

he said that's part of the reason why he

383

00:13:57,509 --> 00:13:56,639

lives in the middle of nowhere which i

384

00:13:58,710 --> 00:13:57,519

did not know

385

00:14:00,949 --> 00:13:58,720

i thought he just liked living in the

386

00:14:03,670 --> 00:14:00,959

middle of nowhere um

387

00:14:05,269 --> 00:14:03,680

and then graves was was asked why why

388

00:14:07,110 --> 00:14:05,279

haven't more pilots spoken out and he

389

00:14:08,710 --> 00:14:07,120

said reputation is so important there's

390

00:14:09,670 --> 00:14:08,720

really no reward coming forward with

391

00:14:11,509 --> 00:14:09,680

this topic right now

392

00:14:13,670 --> 00:14:11,519

hopefully that'll change with everything

393

00:14:15,430 --> 00:14:13,680

that's going on because if it does

394

00:14:17,110 --> 00:14:15,440

you want to see more people come out

395

00:14:18,870 --> 00:14:17,120

it's going to happen

396

00:14:20,310 --> 00:14:18,880

we need that we more and of course we

397

00:14:22,389 --> 00:14:20,320

need more footage from leakers i'm not

398

00:14:23,670 --> 00:14:22,399

sure how much footage jeremy has or what

399

00:14:27,269 --> 00:14:23,680

he has

400

00:14:28,550 --> 00:14:27,279

um and then melon you know why did you

401

00:14:29,990 --> 00:14:28,560

do this and i thought that was a really

402

00:14:31,509 --> 00:14:30,000

good question he does not need to do

403

00:14:32,230 --> 00:14:31,519

this he does not need the money he's a

404

00:14:34,389 --> 00:14:32,240

melon and

405

00:14:35,829 --> 00:14:34,399

he said he could afford to take the risk

406

00:14:37,910 --> 00:14:35,839

he was honest he goes

407

00:14:38,949 --> 00:14:37,920

making money is great but not nearly as

408

00:14:40,629 --> 00:14:38,959

satisfying

409

00:14:43,030 --> 00:14:40,639

he feels like he's helping out pilots

410

00:14:45,030 --> 00:14:43,040

military in his country which

411

00:14:46,870 --> 00:14:45,040

yeah i mean i know i've had issues with

412

00:14:48,710 --> 00:14:46,880

him before just minor stuff and i know

413

00:14:51,110 --> 00:14:48,720

some people are a little weary but he's

414

00:14:52,870 --> 00:14:51,120

he's the one that went behind the scenes

415

00:14:55,670 --> 00:14:52,880

set up all these briefings for lou

416

00:14:56,790 --> 00:14:55,680

so he's a big reason for the why now

417

00:14:59,110 --> 00:14:56,800

between him and lou

418

00:15:00,470 --> 00:14:59,120

that's the why now uh and corbell

419

00:15:01,990 --> 00:15:00,480

repeated he's encouraged that

420

00:15:03,269 --> 00:15:02,000

you know the general disappointment by

421

00:15:05,590 --> 00:15:03,279

the public because now people are

422

00:15:07,110 --> 00:15:05,600

unsatisfied and they're gonna want more

423

00:15:09,189 --> 00:15:07,120

it's not a bad thing if enough people

424

00:15:10,389 --> 00:15:09,199

get pissed off which is the problem is

425

00:15:13,110 --> 00:15:10,399

we don't have enough people yet

426

00:15:14,949 --> 00:15:13,120

in our passionate group our numbers are

427

00:15:18,949 --> 00:15:14,959

growing but it's still not enough

428

00:15:20,470 --> 00:15:18,959

um reid said this is the beginning but

429

00:15:21,990 --> 00:15:20,480

it's going to be the ending unless we

430

00:15:24,470 --> 00:15:22,000

follow it up and hopefully they follow

431

00:15:26,230 --> 00:15:24,480

it up with a permanent task force

432

00:15:27,670 --> 00:15:26,240

you know corbell told us demand ufo

433

00:15:28,150 --> 00:15:27,680

transparency from your government and

434

00:15:29,670 --> 00:15:28,160

then

435

00:15:33,030 --> 00:15:29,680

i might say his name wrong but peter

436

00:15:34,870 --> 00:15:33,040

ragone who heads up the ufo pack

437

00:15:36,949 --> 00:15:34,880

i like this he said he's he can they

438

00:15:38,870 --> 00:15:36,959

have software we we can get 10 000

439

00:15:40,550 --> 00:15:38,880

emails to our representatives

440

00:15:43,829 --> 00:15:40,560

and in the past if you listen to one of

441

00:15:45,910 --> 00:15:43,839

all melons old interviews from 2016

442

00:15:47,189 --> 00:15:45,920

he kind of downplayed contacting your

443

00:15:48,310 --> 00:15:47,199

representative saying yeah when i was

444

00:15:51,829 --> 00:15:48,320

working for

445

00:15:54,389 --> 00:15:51,839

emails and threw them in the in the can

446

00:15:56,150 --> 00:15:54,399

though so that's not encouraging but

447

00:15:57,910 --> 00:15:56,160

once they get funding for the ufo pack

448

00:16:00,310 --> 00:15:57,920

that's what they're gonna use it for

449

00:16:01,910 --> 00:16:00,320

and uh corbell said and he said this

450

00:16:03,350 --> 00:16:01,920

before we need something comparable and

451
00:16:05,030 --> 00:16:03,360
scale to the scope of the manhattan

452
00:16:07,110 --> 00:16:05,040
project i think john

453
00:16:09,269 --> 00:16:07,120
john alexander said we need to really

454
00:16:10,870 --> 00:16:09,279
fund this in a major robust way it's

455
00:16:12,230 --> 00:16:10,880
going to be you know the way we look at

456
00:16:14,230 --> 00:16:12,240
cancer and try to cure cancer we're

457
00:16:15,749 --> 00:16:14,240
going to need that kind of funding

458
00:16:17,189 --> 00:16:15,759
um and then they got they went i know

459
00:16:18,069 --> 00:16:17,199
people were disappointed at the end they

460
00:16:19,430 --> 00:16:18,079
said

461
00:16:22,230 --> 00:16:19,440
we don't know intent and we're

462
00:16:24,389 --> 00:16:22,240
vulnerable and they talk about threats

463
00:16:25,509 --> 00:16:24,399

and then 11 s graves you know you would

464

00:16:27,269 --> 00:16:25,519

think that somebody would be

465

00:16:28,790 --> 00:16:27,279

sounding a lot the alarm on this when it

466

00:16:30,470 --> 00:16:28,800

first started happening grace is like

467

00:16:32,069 --> 00:16:30,480

yeah you know at the ever very

468

00:16:34,230 --> 00:16:32,079

basic level it's a threat because we

469

00:16:37,509 --> 00:16:34,240

might hit them at the very basic

470

00:16:39,670 --> 00:16:37,519

you know never mind their intent

471

00:16:41,030 --> 00:16:39,680

and um nap repeated that there are

472

00:16:41,749 --> 00:16:41,040

elements in the world of defense that

473

00:16:44,550 --> 00:16:41,759

don't want this

474

00:16:45,910 --> 00:16:44,560

out and i love what reid said because i

475

00:16:47,350 --> 00:16:45,920

start get you know i watch read

476

00:16:48,870 --> 00:16:47,360

interviews and it's like

477

00:16:51,110 --> 00:16:48,880

i go through it i'm like there's a lot

478

00:16:54,389 --> 00:16:51,120

of stuff reed has already said

479

00:16:55,110 --> 00:16:54,399

um but he did say some new things he

480

00:16:56,870 --> 00:16:55,120

said

481

00:16:59,350 --> 00:16:56,880

we need to we need to go at this seven

482

00:17:01,110 --> 00:16:59,360

days a week 12 months a year

483

00:17:03,829 --> 00:17:01,120

always which is a great that's a great

484

00:17:05,350 --> 00:17:03,839

thing for him to say and he's right too

485

00:17:07,270 --> 00:17:05,360

then they asked corbell what he thought

486

00:17:09,110 --> 00:17:07,280

you know if he thought these were not

487

00:17:11,669 --> 00:17:09,120

from here and he said personally for him

488

00:17:14,630 --> 00:17:11,679

he said it was highly likely

489

00:17:16,230 --> 00:17:14,640

and then melon said if you eliminate

490

00:17:18,470 --> 00:17:16,240

everything else

491

00:17:20,390 --> 00:17:18,480

however unlikely that must be the answer

492

00:17:23,270 --> 00:17:20,400

so he's kind of telling you it's not

493

00:17:25,350 --> 00:17:23,280

us doesn't mean it's e.t but it's not us

494

00:17:27,029 --> 00:17:25,360

and his opinion

495

00:17:29,430 --> 00:17:27,039

and then levin said you know with their

496

00:17:31,110 --> 00:17:29,440

closing comment if it can go and if we

497

00:17:33,510 --> 00:17:31,120

can go in their direction why can't they

498

00:17:35,590 --> 00:17:33,520

come in hours

499

00:17:38,710 --> 00:17:35,600

so that was it and if you guys have any

500

00:17:40,070 --> 00:17:38,720

questions and don't want to call

501
00:17:42,549 --> 00:17:40,080
yeah it'd be great if danny can call

502
00:17:44,310 --> 00:17:42,559
anybody great if anybody

503
00:17:46,789 --> 00:17:44,320
anybody leaving me hanging here by

504
00:17:47,350 --> 00:17:46,799
myself but i i can talk for an hour i'll

505
00:17:50,549 --> 00:17:47,360
do it till

506
00:17:52,070 --> 00:17:50,559
7 pacific you guys are free to ask

507
00:17:54,789 --> 00:17:52,080
questions on the chat since i kind of

508
00:17:57,669 --> 00:17:54,799
went through my notes before

509
00:17:59,110 --> 00:17:57,679
um but i know it may not be a great time

510
00:18:02,310 --> 00:17:59,120
although on the on the

511
00:18:04,150 --> 00:18:02,320
east coast people are done eating so i

512
00:18:07,750 --> 00:18:04,160
don't know

513
00:18:10,470 --> 00:18:07,760

let me just retweet live in

514

00:18:11,990 --> 00:18:10,480

and looking forward to tomorrow because

515

00:18:13,510 --> 00:18:12,000

tomorrow's gonna be a little more

516

00:18:16,630 --> 00:18:13,520

in-depth with

517

00:18:20,230 --> 00:18:19,510

all right how do we call in i'll i'll

518

00:18:23,270 --> 00:18:20,240

send the link

519

00:18:25,669 --> 00:18:23,280

again let's see so use that

520

00:18:26,630 --> 00:18:25,679

in the chat click on that and then i add

521

00:18:28,070 --> 00:18:26,640

you

522

00:18:29,590 --> 00:18:28,080

i love when george said they might be

523

00:18:31,110 --> 00:18:29,600

from here and live as neighbors that's a

524

00:18:32,549 --> 00:18:31,120

pretty amazing concept yeah that's why i

525

00:18:35,909 --> 00:18:32,559

was disappointed to see

526

00:18:39,270 --> 00:18:35,919

tmz add that you know that

527

00:18:41,750 --> 00:18:39,280

make fun of people music underneath

528

00:18:43,909 --> 00:18:41,760

which was disappointing but you know

529

00:18:46,470 --> 00:18:43,919

considering tmz is what tmz is

530

00:18:49,190 --> 00:18:46,480

known for that's that's one minute of

531

00:18:52,470 --> 00:18:49,200

the entire show if that so overall

532

00:18:57,270 --> 00:18:54,470

and then somebody said we can about the

533

00:19:01,029 --> 00:18:57,280

show later i don't know what that means

534

00:19:03,190 --> 00:19:01,039

dave um yeah the viper team you know

535

00:19:05,669 --> 00:19:03,200

the viper no the uap task force as far

536

00:19:07,590 --> 00:19:05,679

as i know no way is the uap task force

537

00:19:09,590 --> 00:19:07,600

um sharing stuff and before the viper

538

00:19:11,669 --> 00:19:09,600

team whoever was sharing earlier

539

00:19:13,590 --> 00:19:11,679

there was an investigation to try to

540

00:19:16,150 --> 00:19:13,600

find out who that was

541

00:19:17,270 --> 00:19:16,160

um so i was told that but i don't know i

542

00:19:18,470 --> 00:19:17,280

don't know what they found i don't know

543

00:19:19,190 --> 00:19:18,480

if they're still looking or if they've

544

00:19:20,950 --> 00:19:19,200

given up

545

00:19:22,830 --> 00:19:20,960

the viper team's something different i

546

00:19:24,150 --> 00:19:22,840

mean is the viper team going directly to

547

00:19:27,669 --> 00:19:24,160

corbell

548

00:19:29,669 --> 00:19:27,679

um i'm frustrated i'm so frustrated

549

00:19:31,110 --> 00:19:29,679

flying pig skin care it's so grainy

550

00:19:33,669 --> 00:19:31,120

filled with a potato complaint

551

00:19:35,270 --> 00:19:33,679

i mean i mean i know it's you know it's

552

00:19:36,870 --> 00:19:35,280

obviously not what we want

553

00:19:38,150 --> 00:19:36,880

and i'm tired of the same videos you

554

00:19:40,549 --> 00:19:38,160

know how many times we're going to hear

555

00:19:41,990 --> 00:19:40,559

the same audio my gosh

556

00:19:43,590 --> 00:19:42,000

look at it dude it's like yeah we've

557

00:19:45,669 --> 00:19:43,600

heard it forever

558

00:19:46,950 --> 00:19:45,679

we've been able to debate three videos

559

00:19:48,070 --> 00:19:46,960

for three and a half years which is

560

00:19:49,669 --> 00:19:48,080

pretty impressive

561

00:19:51,590 --> 00:19:49,679

um so it was nice for jeremy to have

562

00:19:53,350 --> 00:19:51,600

videos and then of course people

563

00:19:55,029 --> 00:19:53,360

you know are taking shots at that but

564

00:19:56,070 --> 00:19:55,039

those videos made it into classified

565

00:19:59,510 --> 00:19:56,080

briefings so they

566

00:20:01,270 --> 00:19:59,520

unless they're total idiots oh

567

00:20:04,630 --> 00:20:01,280

james and should we be worried about a

568

00:20:06,470 --> 00:20:04,640

flash flag a false flag alien threat

569

00:20:07,909 --> 00:20:06,480

that's one of my favorite things about

570

00:20:11,270 --> 00:20:07,919

the sheehan the sheehan

571

00:20:12,070 --> 00:20:11,280

transcript that i am one eighth of the

572

00:20:14,390 --> 00:20:12,080

way through

573

00:20:15,750 --> 00:20:14,400

checking typos and stuff and adding

574

00:20:17,190 --> 00:20:15,760

hyperlinks he says

575

00:20:18,789 --> 00:20:17,200

you know what it just doesn't make any

576

00:20:19,669 --> 00:20:18,799

sense if they wanted to you know if they

577

00:20:22,070 --> 00:20:19,679

wanted to do a

578

00:20:23,669 --> 00:20:22,080

false flag invasion and try to get drum

579

00:20:25,830 --> 00:20:23,679

up military funding

580

00:20:26,870 --> 00:20:25,840

you know take it easy bug have a good

581

00:20:28,549 --> 00:20:26,880

night

582

00:20:29,750 --> 00:20:28,559

yeah if they wanted to drum up funding

583

00:20:31,510 --> 00:20:29,760

they could just you know they have so

584

00:20:33,270 --> 00:20:31,520

many other avenues besides a

585

00:20:35,110 --> 00:20:33,280

fake alien threat they have yet to

586

00:20:36,070 --> 00:20:35,120

exhaust with china and russia and

587

00:20:37,510 --> 00:20:36,080

terrorism

588

00:20:39,029 --> 00:20:37,520

uh and he says he goes through this

589

00:20:40,470 --> 00:20:39,039

whole explanation of why he does not

590

00:20:42,870 --> 00:20:40,480

believe it's valid

591

00:20:45,350 --> 00:20:42,880

but then he bridges he tries to bridge

592

00:20:47,510 --> 00:20:45,360

lou and greer who have gone at it saying

593

00:20:49,270 --> 00:20:47,520

but the people like stephen greer

594

00:20:50,310 --> 00:20:49,280

they're they're they're getting ahead of

595

00:20:53,110 --> 00:20:50,320

the game in case there

596

00:20:53,430 --> 00:20:53,120

is a fake fail you know what if there is

597

00:21:43,990 --> 00:20:53,440

a

598

00:21:45,430 --> 00:21:44,000

which is not much

599

00:21:47,029 --> 00:21:45,440

you know i think some of these are not

600

00:21:49,510 --> 00:21:47,039

from here or not us

601
00:21:51,270 --> 00:21:49,520
and i told her about maybe their i told

602
00:21:53,270 --> 00:21:51,280
her what george knapp said

603
00:21:54,870 --> 00:21:53,280
extraterrestrials people may be able to

604
00:21:56,230 --> 00:21:54,880
handle

605
00:21:59,110 --> 00:21:56,240
but if it's something like a crypto

606
00:22:00,950 --> 00:21:59,120
terrestrial and

607
00:22:02,710 --> 00:22:00,960
you know we can't see them but they can

608
00:22:04,230 --> 00:22:02,720
see us while we're taking a shower and

609
00:22:05,909 --> 00:22:04,240
they can pop in whenever they want you

610
00:22:07,029 --> 00:22:05,919
know she laughed at that but she's like

611
00:22:09,510 --> 00:22:07,039
you know i'm sure

612
00:22:11,350 --> 00:22:09,520
she's like well let me know when it's on

613
00:22:13,190 --> 00:22:11,360

and tonight i told her and she was at

614

00:22:14,789 --> 00:22:13,200

dinner she's like just send me a link if

615

00:22:17,029 --> 00:22:14,799

you can if you can get it to me so she's

616

00:22:18,630 --> 00:22:17,039

not somebody who's interested in ufos

617

00:22:20,470 --> 00:22:18,640

and i know a lot of people who have that

618

00:22:22,070 --> 00:22:20,480

happening with friends and family

619

00:22:24,789 --> 00:22:22,080

i have some friends you know not a lot

620

00:22:25,990 --> 00:22:24,799

of family some family who who were who

621

00:22:28,870 --> 00:22:26,000

knew of my interest and would

622

00:22:30,390 --> 00:22:28,880

ask me they've had more increased

623

00:22:33,510 --> 00:22:30,400

interest but

624

00:22:34,310 --> 00:22:33,520

everybody else is still quite quiet and

625

00:22:37,110 --> 00:22:34,320

um

626
00:22:38,549 --> 00:22:37,120
trying to see any other questions i know

627
00:22:45,029 --> 00:22:38,559
it wasn't like i said for us it wasn't

628
00:22:51,909 --> 00:22:48,549
the uap task force has data

629
00:22:53,830 --> 00:22:51,919
has this data but according to jeremy he

630
00:22:55,350 --> 00:22:53,840
said that they did not have previous

631
00:23:02,470 --> 00:22:55,360
videos

632
00:23:06,870 --> 00:23:05,350
yeah danny sheehan spent a lot of time

633
00:23:09,750 --> 00:23:06,880
on the new paradigm

634
00:23:10,710 --> 00:23:09,760
institute which they have a large

635
00:23:13,029 --> 00:23:10,720
facility some

636
00:23:13,990 --> 00:23:13,039
old hotel that was donated it's in

637
00:23:16,630 --> 00:23:14,000
clearly

638
00:23:17,669 --> 00:23:16,640

clear lake california but it has to be

639

00:23:18,870 --> 00:23:17,679

renovated and

640

00:23:20,710 --> 00:23:18,880

sheehan's like i really don't want to

641

00:23:23,110 --> 00:23:20,720

deal with renovations but

642

00:23:25,190 --> 00:23:23,120

i will if i have to and then they have

643

00:23:27,270 --> 00:23:25,200

the observation deck as a virtual a

644

00:23:28,230 --> 00:23:27,280

virtual world that they'll use

645

00:23:29,830 --> 00:23:28,240

they don't know how much they're going

646

00:23:31,750 --> 00:23:29,840

to use between the two of them or how

647

00:23:34,310 --> 00:23:31,760

much will be virtual

648

00:23:35,669 --> 00:23:34,320

uss omaha with all evidence is not same

649

00:23:38,070 --> 00:23:35,679

calibers nimitz no

650

00:23:39,430 --> 00:23:38,080

it's not it's just it's uh other than

651
00:23:41,750 --> 00:23:39,440
the object going underwater which we

652
00:23:43,590 --> 00:23:41,760
don't even know if it did go underwater

653
00:23:45,430 --> 00:23:43,600
none of this stuff really meets the five

654
00:23:47,909 --> 00:23:45,440
observables i mean

655
00:23:49,750 --> 00:23:47,919
you know even the gimbal could be you

656
00:23:51,590 --> 00:23:49,760
know

657
00:23:53,029 --> 00:23:51,600
anti-gravity was just staying there and

658
00:23:54,470 --> 00:23:53,039
turning but you know there are people

659
00:23:57,590 --> 00:23:54,480
that don't think that's anything

660
00:23:59,510 --> 00:23:57,600
you know incredible so we still

661
00:24:01,190 --> 00:23:59,520
we want to i want to see the the videos

662
00:24:01,669 --> 00:24:01,200
that bob mcguire talked about where

663
00:24:03,750 --> 00:24:01,679

there

664

00:24:06,710 --> 00:24:03,760

they said they were absolutely

665

00:24:10,549 --> 00:24:08,870

yeah that's that's eric davis thinking

666

00:24:11,909 --> 00:24:10,559

have they ever stopped the war he's

667

00:24:13,750 --> 00:24:11,919

totally negative he's like they don't

668

00:24:15,590 --> 00:24:13,760

talk to us there's nothing but bad news

669

00:24:17,190 --> 00:24:15,600

with ufos i don't necessarily

670

00:24:19,110 --> 00:24:17,200

agree but i understand where he's coming

671

00:24:20,870 --> 00:24:19,120

from and paul plus people

672

00:24:22,149 --> 00:24:20,880

in the world of defense see it totally

673

00:24:23,750 --> 00:24:22,159

different than us so

674

00:24:26,310 --> 00:24:23,760

i might not agree with him agree with

675

00:24:28,549 --> 00:24:26,320

him a lot on that stuff he's

676
00:24:30,310 --> 00:24:28,559
you know they they all a lot of them see

677
00:24:32,390 --> 00:24:30,320
it as a way for us to develop more

678
00:24:34,149 --> 00:24:32,400
technology for me i'm like let's

679
00:24:35,830 --> 00:24:34,159
talk about the world but they don't they

680
00:24:36,630 --> 00:24:35,840
don't see it like that when they spend

681
00:24:42,070 --> 00:24:36,640
your entire

682
00:24:45,990 --> 00:24:44,870
yeah i mean i wasn't john doe i wasn't

683
00:24:48,070 --> 00:24:46,000
too upset

684
00:24:49,430 --> 00:24:48,080
about the way they did it i mean at one

685
00:24:50,390 --> 00:24:49,440
point towards the end it was a little

686
00:24:51,990 --> 00:24:50,400
hokey but

687
00:24:53,909 --> 00:24:52,000
you know for the everyday person it's

688
00:24:55,269 --> 00:24:53,919

okay um

689

00:24:57,029 --> 00:24:55,279

whether they announced this episode

690

00:24:58,870 --> 00:24:57,039

yesterday they've announced it like

691

00:25:00,789 --> 00:24:58,880

within the past week i think but it was

692

00:25:02,310 --> 00:25:00,799

definitely late and the discovery

693

00:25:04,950 --> 00:25:02,320

special tomorrow three hours they

694

00:25:07,750 --> 00:25:04,960

promoted for about a week too

695

00:25:09,430 --> 00:25:07,760

um wilson davis have any of the other

696

00:25:10,630 --> 00:25:09,440

individuals mentioned in the memo ever

697

00:25:12,549 --> 00:25:10,640

been contacted

698

00:25:13,990 --> 00:25:12,559

yeah i contacted one and it's in my it's

699

00:25:16,310 --> 00:25:14,000

in my blog i just didn't name

700

00:25:17,430 --> 00:25:16,320

him because after the phone and i'll

701
00:25:19,830 --> 00:25:17,440
tell you how it went

702
00:25:20,630 --> 00:25:19,840
i got the phone number from somebody i'm

703
00:25:22,310 --> 00:25:20,640
not really

704
00:25:24,310 --> 00:25:22,320
people said oh you're a journalist but

705
00:25:26,710 --> 00:25:24,320
i'm like i'm not a journalist and i do

706
00:25:28,789 --> 00:25:26,720
not have the guts like a journalist so

707
00:25:30,710 --> 00:25:28,799
but i did it i called him made a call of

708
00:25:32,230 --> 00:25:30,720
a cold call and i don't want to say who

709
00:25:34,950 --> 00:25:32,240
is because i promised

710
00:25:35,750 --> 00:25:34,960
so his wife answers and she's like hello

711
00:25:37,750 --> 00:25:35,760
i'm like

712
00:25:40,070 --> 00:25:37,760
yeah so and so there she's like who's

713
00:25:41,750 --> 00:25:40,080

calling i'm like this is joe murgia i'm

714

00:25:43,750 --> 00:25:41,760

calling from las vegas and i want to

715

00:25:46,470 --> 00:25:43,760

talk to him about ufos and he's like

716

00:25:48,149 --> 00:25:46,480

he's like hold on a second she calls his

717

00:25:49,830 --> 00:25:48,159

name she's like so-and-so this reporter

718

00:25:51,669 --> 00:25:49,840

from las vegas wants to talk to you

719

00:25:52,549 --> 00:25:51,679

about ufos i'm like oh this guy's not

720

00:25:54,149 --> 00:25:52,559

going to come

721

00:25:56,070 --> 00:25:54,159

but he comes and he gets on he's like

722

00:25:57,269 --> 00:25:56,080

hello i'm like blah blah blah do you

723

00:25:59,190 --> 00:25:57,279

want to talk about the wilson davis

724

00:26:00,070 --> 00:25:59,200

documents and admiral wilson he's like

725

00:26:01,510 --> 00:26:00,080

no

726

00:26:04,070 --> 00:26:01,520

i'm like well this is going to end quick

727

00:26:05,350 --> 00:26:04,080

and then we started talking ufos and he

728

00:26:07,510 --> 00:26:05,360

you know he gave me some interesting

729

00:26:09,830 --> 00:26:07,520

stuff he told me to watch the movie paul

730

00:26:11,269 --> 00:26:09,840

with the alien and he said i don't think

731

00:26:11,830 --> 00:26:11,279

any of this should come out it'll ruin

732

00:26:13,269 --> 00:26:11,840

religion

733

00:26:15,029 --> 00:26:13,279

it'll ruin the world so that was

734

00:26:16,310 --> 00:26:15,039

interesting to see that insight very

735

00:26:18,630 --> 00:26:16,320

conservative guy

736

00:26:20,070 --> 00:26:18,640

uh and he gave me details about himself

737

00:26:21,510 --> 00:26:20,080

that if i would have used people would

738

00:26:23,029 --> 00:26:21,520

have been able to figure it out but he

739

00:26:24,310 --> 00:26:23,039

didn't tell me to leave it out i left it

740

00:26:25,909 --> 00:26:24,320

out on my own i'm like

741

00:26:27,350 --> 00:26:25,919

because at the end he's like do not

742

00:26:27,669 --> 00:26:27,360

don't use my name if you don't mind you

743

00:26:29,909 --> 00:26:27,679

know

744

00:26:31,590 --> 00:26:29,919

and i and i also said can i call you

745

00:26:32,470 --> 00:26:31,600

back and talk to you after the new york

746

00:26:35,190 --> 00:26:32,480

times article came

747

00:26:36,710 --> 00:26:35,200

out comes out and he's like yes you can

748

00:26:38,310 --> 00:26:36,720

and i called and he never answered so i

749

00:26:40,549 --> 00:26:38,320

just left them alone

750

00:26:41,350 --> 00:26:40,559

did they do x they did x-files music i

751

00:26:45,430 --> 00:26:41,360

mean i didn't really

752

00:26:49,350 --> 00:26:45,440

i didn't hear that um

753

00:26:49,669 --> 00:26:49,360

so yeah that's unfortunate but overall i

754

00:26:51,990 --> 00:26:49,679

got

755

00:26:53,029 --> 00:26:52,000

a serious feel from this that's a good

756

00:26:54,230 --> 00:26:53,039

show you know it's not going to

757

00:26:56,870 --> 00:26:54,240

i don't think they change anything like

758

00:26:59,669 --> 00:26:56,880

60 minutes would another 60 minutes show

759

00:27:01,190 --> 00:26:59,679

but yeah like i said so the wilson davis

760

00:27:03,590 --> 00:27:01,200

i talked to that guy and he played a

761

00:27:06,070 --> 00:27:03,600

role he's in the he's in the document

762

00:27:06,789 --> 00:27:06,080

um i think his boss played a pretty big

763

00:27:08,070 --> 00:27:06,799

role too

764

00:27:10,470 --> 00:27:08,080

but they're not going to talk about it

765

00:27:12,310 --> 00:27:10,480

you know the fact that ross coldhart was

766

00:27:13,750 --> 00:27:12,320

able to get that guy to admit that he

767

00:27:14,950 --> 00:27:13,760

was read into the program you know it's

768

00:27:16,870 --> 00:27:14,960

a little disappointing

769

00:27:18,149 --> 00:27:16,880

when he asked him did you see any of the

770

00:27:20,549 --> 00:27:18,159

craft and he said no

771

00:27:22,230 --> 00:27:20,559

but then you know the air force flies

772

00:27:22,789 --> 00:27:22,240

them to wright patterson air force base

773

00:27:25,669 --> 00:27:22,799

on their

774

00:27:27,590 --> 00:27:25,679

on our unfair dime and asks them to look

775

00:27:28,870 --> 00:27:27,600

at this hunk of metal

776

00:27:32,149 --> 00:27:28,880

that's pretty cool and he talked about

777

00:27:35,510 --> 00:27:32,159

their underground areas in uh

778

00:27:37,190 --> 00:27:35,520

in wright patterson and um questions

779

00:27:39,430 --> 00:27:37,200

about the non-human intelligence may be

780

00:27:42,389 --> 00:27:39,440

addressed through study of

781

00:27:44,149 --> 00:27:42,399

that's another thing i mean sheehan in

782

00:27:46,070 --> 00:27:44,159

the transcript you'll see he hammers

783

00:27:48,549 --> 00:27:46,080

home that we have to have a diplomatic

784

00:27:49,830 --> 00:27:48,559

team of people practicing ce5 and i'm

785

00:27:52,149 --> 00:27:49,840

just not sure

786

00:27:53,590 --> 00:27:52,159

i mean i guess if that's the only way to

787

00:27:54,549 --> 00:27:53,600

try to have communication then we'll

788

00:27:57,350 --> 00:27:54,559

have to try it

789

00:27:59,510 --> 00:27:57,360

you know but i'm weary since we don't

790

00:28:01,269 --> 00:27:59,520

know who we're dealing with but

791

00:28:03,190 --> 00:28:01,279

it's worth a shot especially we have i i

792

00:28:04,070 --> 00:28:03,200

think we need enough people to do some

793

00:28:05,909 --> 00:28:04,080

sort of

794

00:28:08,950 --> 00:28:05,919

whether it's mass meditation you know

795

00:28:11,350 --> 00:28:08,960

100 couple hundred million but

796

00:28:12,230 --> 00:28:11,360

you know i know mark sims who is part of

797

00:28:14,710 --> 00:28:12,240

the the new

798

00:28:16,389 --> 00:28:14,720

paradigm institute he's being on ce5 too

799

00:28:17,750 --> 00:28:16,399

and he's has like wacky two-way

800

00:28:19,510 --> 00:28:17,760

walkie-talkie set up where they're

801
00:28:21,029 --> 00:28:19,520
getting communications

802
00:28:22,789 --> 00:28:21,039
you know it's nothing major right now

803
00:28:24,230 --> 00:28:22,799
it's just they're noticing something on

804
00:28:26,950 --> 00:28:24,240
the walkie-talkie so

805
00:28:28,310 --> 00:28:26,960
no language as far as i know but i

806
00:28:29,750 --> 00:28:28,320
really want to know mark sims if he

807
00:28:31,430 --> 00:28:29,760
thinks all of this is positive because

808
00:28:32,310 --> 00:28:31,440
what he told me was all positive but i

809
00:28:35,190 --> 00:28:32,320
think

810
00:28:36,710 --> 00:28:35,200
he may realize that we have somebody i'm

811
00:28:39,430 --> 00:28:36,720
going to the caller

812
00:28:41,750 --> 00:28:39,440
carrie what's going on joe how are you

813
00:28:44,310 --> 00:28:41,760

i'm good thank you i'm not by myself

814

00:28:45,269 --> 00:28:44,320

anymore yeah yeah i'm here with you bro

815

00:28:46,630 --> 00:28:45,279

i'm here with you

816

00:28:47,830 --> 00:28:46,640

how you doing first of all i just want

817

00:28:49,350 --> 00:28:47,840

to say i love what you're doing brother

818

00:28:52,389 --> 00:28:49,360

i love what you're doing thank you

819

00:28:53,590 --> 00:28:52,399

fantastic but i appreciate that no

820

00:28:55,669 --> 00:28:53,600

problem man

821

00:28:57,269 --> 00:28:55,679

so here's what i have to say about this

822

00:28:58,149 --> 00:28:57,279

special right i like the way it was

823

00:29:00,149 --> 00:28:58,159

paced

824

00:29:01,669 --> 00:29:00,159

like the way it was put together it's

825

00:29:05,029 --> 00:29:01,679

really for the newbies

826
00:29:05,430 --> 00:29:05,039
as you said um but here's my problem

827
00:29:08,470 --> 00:29:05,440
right

828
00:29:12,149 --> 00:29:08,480
my problem is corbell

829
00:29:14,149 --> 00:29:12,159
i like the guy i like what he's doing um

830
00:29:15,590 --> 00:29:14,159
but it's a little shenanigans that he

831
00:29:17,350 --> 00:29:15,600
does for instance you know everybody's

832
00:29:18,630 --> 00:29:17,360
waiting for him to drop this video as he

833
00:29:19,990 --> 00:29:18,640
stated he was going to drop a video

834
00:29:22,710 --> 00:29:20,000
today right

835
00:29:24,549 --> 00:29:22,720
and then he posts a video on instagram

836
00:29:26,549 --> 00:29:24,559
with a red phone and he's

837
00:29:28,149 --> 00:29:26,559
i don't know if you saw it and he was

838
00:29:29,110 --> 00:29:28,159

like red alert red alert on the phone

839

00:29:30,950 --> 00:29:29,120

did you see that video

840

00:29:33,029 --> 00:29:30,960

i did i mean it's him having fun i

841

00:29:34,710 --> 00:29:33,039

actually retweeted it and said

842

00:29:36,070 --> 00:29:34,720

and george nappy said this in the past

843

00:29:36,389 --> 00:29:36,080

and some people aren't gonna like it but

844

00:29:39,510 --> 00:29:36,399

i

845

00:29:40,950 --> 00:29:39,520

know so

846

00:29:42,470 --> 00:29:40,960

i understand people aren't gonna there

847

00:29:43,590 --> 00:29:42,480

are people that don't like his style

848

00:29:45,029 --> 00:29:43,600

there are people that don't like my

849

00:29:48,230 --> 00:29:45,039

style i have haters too

850

00:29:49,669 --> 00:29:48,240

so i understand but you know jeremy's

851
00:29:50,549 --> 00:29:49,679
doing amazing work i mean the fact that

852
00:29:55,029 --> 00:29:50,559
he's getting

853
00:29:56,230 --> 00:29:55,039
that are linking him information it's

854
00:29:58,950 --> 00:29:56,240
just he can't even keep up

855
00:30:00,549 --> 00:29:58,960
keep up with it so there are people that

856
00:30:02,149 --> 00:30:00,559
every person in this community people

857
00:30:03,430 --> 00:30:02,159
have a problem with and i understand

858
00:30:03,830 --> 00:30:03,440
it's just as humans we're going to do

859
00:30:07,350 --> 00:30:03,840
like

860
00:30:09,029 --> 00:30:07,360
we could say jeremy could you change

861
00:30:10,389 --> 00:30:09,039
your style please you know that's who he

862
00:30:12,950 --> 00:30:10,399
is you know

863
00:30:14,470 --> 00:30:12,960

no i i totally understand but here's my

864

00:30:17,110 --> 00:30:14,480

thing it's like

865

00:30:18,149 --> 00:30:17,120

one thing that pisses me off is watching

866

00:30:19,669 --> 00:30:18,159

a news report

867

00:30:21,590 --> 00:30:19,679

like you said they're playing the little

868

00:30:24,710 --> 00:30:21,600

uh music

869

00:30:28,230 --> 00:30:24,720

you know behind the reporting

870

00:30:30,149 --> 00:30:28,240

and i feel as though him

871

00:30:31,510 --> 00:30:30,159

acting out like this is kind of it just

872

00:30:33,029 --> 00:30:31,520

it just makes a mockery of the whole

873

00:30:35,430 --> 00:30:33,039

thing i'm very serious about this thing

874

00:30:37,590 --> 00:30:35,440

man i'm trying to bring a lot of people

875

00:30:38,870 --> 00:30:37,600

um to the you know let everybody know

876

00:30:42,070 --> 00:30:38,880

what's going on on my

877

00:30:43,590 --> 00:30:42,080

personal social media and you know i was

878

00:30:45,190 --> 00:30:43,600

when he said he was gonna drop this

879

00:30:46,710 --> 00:30:45,200

video i was hyping it up to everybody

880

00:30:48,149 --> 00:30:46,720

else and i have some haters as well

881

00:30:50,149 --> 00:30:48,159

telling me that it's all you know

882

00:30:51,510 --> 00:30:50,159

foolishness i'm like nah this dude is

883

00:30:53,590 --> 00:30:51,520

about to drop a video

884

00:30:54,870 --> 00:30:53,600

come tuesday you know and i tell him

885

00:30:56,470 --> 00:30:54,880

where to look for it

886

00:30:58,549 --> 00:30:56,480

and then he's on there doing this type

887

00:30:58,950 --> 00:30:58,559

of stuff i mean again i'm not hating on

888

00:31:02,070 --> 00:30:58,960

him

889

00:31:04,950 --> 00:31:02,080

i appreciate what he's done thus far

890

00:31:05,669 --> 00:31:04,960

but i feel like we need to be super

891

00:31:08,789 --> 00:31:05,679

serious

892

00:31:11,430 --> 00:31:08,799

having fun especially with now that he's

893

00:31:13,029 --> 00:31:11,440

getting all the limelight

894

00:31:15,909 --> 00:31:13,039

you shouldn't be playing around that's

895

00:31:17,750 --> 00:31:15,919

my opinion did you get to see the

896

00:31:19,509 --> 00:31:17,760

interview at all or lead to read the

897

00:31:20,789 --> 00:31:19,519

transcript i did of ross coldheart's

898

00:31:22,149 --> 00:31:20,799

interview with the

899

00:31:24,710 --> 00:31:22,159

guy who was in the crash retrieval

900

00:31:28,070 --> 00:31:24,720

program no i didn't see him

901
00:31:29,590 --> 00:31:28,080
so the guy was let's see he was i'll

902
00:31:30,549 --> 00:31:29,600
just tell you who he was and i will not

903
00:31:32,789 --> 00:31:30,559
read the transcript

904
00:31:33,669 --> 00:31:32,799
he was somebody that ross wrote a letter

905
00:31:36,070 --> 00:31:33,679
to and ross is

906
00:31:37,110 --> 00:31:36,080
a former 60 minutes australia or

907
00:31:38,310 --> 00:31:37,120
reporter

908
00:31:40,310 --> 00:31:38,320
solid guy i know if you saw his

909
00:31:43,430 --> 00:31:40,320
documentary i did

910
00:31:44,789 --> 00:31:43,440
so he calls this guy up out of the blue

911
00:31:46,789 --> 00:31:44,799
where he wrote him he wrote him and he

912
00:31:49,190 --> 00:31:46,799
said the guy's name was

913
00:31:50,870 --> 00:31:49,200

nat kobits and he was the director of

914

00:31:53,190 --> 00:31:50,880

science and technology development at

915

00:31:56,710 --> 00:31:53,200

the u.s navy for 30 years so he was the

916

00:32:00,470 --> 00:31:59,190

and he was dying of cancer when ross

917

00:32:02,149 --> 00:32:00,480

contacted him

918

00:32:03,750 --> 00:32:02,159

and this guy said yeah i was read into

919

00:32:05,350 --> 00:32:03,760

the i was read into the crash retrieval

920

00:32:07,430 --> 00:32:05,360

and reverse engineering program and i

921

00:32:09,909 --> 00:32:07,440

was told there were multiple craft

922

00:32:12,149 --> 00:32:09,919

i did not actually see one but the us

923

00:32:13,990 --> 00:32:12,159

air force flew me out at one point to

924

00:32:15,990 --> 00:32:14,000

wright patterson air force base to lake

925

00:32:18,310 --> 00:32:16,000

to look at a big lump of metal

926
00:32:19,750 --> 00:32:18,320
that was very light and very tough and

927
00:32:21,590 --> 00:32:19,760
and the guy could not figure out how it

928
00:32:23,750 --> 00:32:21,600
was manufactured so

929
00:32:25,190 --> 00:32:23,760
this is and this guy put ross in contact

930
00:32:26,950 --> 00:32:25,200
with other people who were read into the

931
00:32:28,549 --> 00:32:26,960
crash retrieval program

932
00:32:29,990 --> 00:32:28,559
and then other people who are on the on

933
00:32:31,590 --> 00:32:30,000
the periphery of the crash retrieval

934
00:32:33,110 --> 00:32:31,600
program so there's information for other

935
00:32:35,029 --> 00:32:33,120
media to dig into right there because

936
00:32:37,110 --> 00:32:35,039
they have not dug into it

937
00:32:38,950 --> 00:32:37,120
i mean brian bender of politico was like

938
00:32:39,750 --> 00:32:38,960

yeah there's really nothing to go on

939

00:32:41,590 --> 00:32:39,760

here like well

940

00:32:43,430 --> 00:32:41,600

you can dig like ross did i mean that's

941

00:32:44,470 --> 00:32:43,440

amazing investigative reporting work he

942

00:32:46,149 --> 00:32:44,480

wrote letters to people

943

00:32:47,750 --> 00:32:46,159

who writes letters to people nowadays

944

00:32:50,070 --> 00:32:47,760

right right right

945

00:32:51,190 --> 00:32:50,080

right i mean that's amazing i did see

946

00:32:52,630 --> 00:32:51,200

the um

947

00:32:54,389 --> 00:32:52,640

the headline i just didn't i didn't

948

00:32:55,190 --> 00:32:54,399

click on the link i didn't have any time

949

00:32:56,470 --> 00:32:55,200

to read it

950

00:32:58,389 --> 00:32:56,480

because there's just so much going on

951
00:33:00,070 --> 00:32:58,399
right now these past few days it's like

952
00:33:01,590 --> 00:33:00,080
i can't keep up with it

953
00:33:03,110 --> 00:33:01,600
you know keep up with it and i do it all

954
00:33:04,310 --> 00:33:03,120
the time it's like the problem is i'm

955
00:33:05,269 --> 00:33:04,320
trying to do like a blog with a

956
00:33:07,669 --> 00:33:05,279
transcript and this

957
00:33:09,990 --> 00:33:07,679
transcripts take a long time so and

958
00:33:12,070 --> 00:33:10,000
trying to do twitter so it's really hard

959
00:33:13,509 --> 00:33:12,080
um yeah so it's for people who are

960
00:33:14,710 --> 00:33:13,519
working right now i'm not working a lot

961
00:33:16,549 --> 00:33:14,720
so it's hard for people

962
00:33:18,470 --> 00:33:16,559
to stay up and it's really it's not a

963
00:33:21,669 --> 00:33:18,480

bad thing but i've gotten to the point

964

00:33:23,269 --> 00:33:21,679

yeah go ahead i'm sorry you know

965

00:33:25,669 --> 00:33:23,279

i was just agreeing it's definitely not

966

00:33:27,430 --> 00:33:25,679

a bad thing but i'm trying to keep up

967

00:33:27,909 --> 00:33:27,440

with everything man and i have a little

968

00:33:33,830 --> 00:33:27,919

group

969

00:33:35,269 --> 00:33:33,840

and we have um lives you know where we

970

00:33:36,310 --> 00:33:35,279

get together and chat about all this

971

00:33:38,070 --> 00:33:36,320

stuff so i'm

972

00:33:40,230 --> 00:33:38,080

it's like i'm doing they had there's

973

00:33:41,750 --> 00:33:40,240

tons of information to give them now

974

00:33:44,389 --> 00:33:41,760

you know and i've been trying to catch

975

00:33:46,470 --> 00:33:44,399

them up with the history of everything

976
00:33:48,230 --> 00:33:46,480
and bring them up to speed but you know

977
00:33:49,669 --> 00:33:48,240
i feel like we're in the we're going in

978
00:33:52,389 --> 00:33:49,679
the right direction

979
00:33:53,990 --> 00:33:52,399
um and people are beginning to ask

980
00:33:55,269 --> 00:33:54,000
questions i think it's just inevitable

981
00:33:56,950 --> 00:33:55,279
man

982
00:33:59,110 --> 00:33:56,960
i think it is true i think you know

983
00:34:01,350 --> 00:33:59,120
people who and by the way

984
00:34:02,149 --> 00:34:01,360
automagically rob you have to unmute

985
00:34:04,149 --> 00:34:02,159
yourself

986
00:34:05,590 --> 00:34:04,159
you know i know people are worried that

987
00:34:06,950 --> 00:34:05,600
we're going to go backwards and we're

988
00:34:07,990 --> 00:34:06,960

going to go back to the same old way it

989

00:34:09,349 --> 00:34:08,000

was i don't think that's

990

00:34:10,790 --> 00:34:09,359

i don't think that's possible at this

991

00:34:11,829 --> 00:34:10,800

point so rob what do you have to say

992

00:34:12,790 --> 00:34:11,839

what you see what you think about the

993

00:34:15,270 --> 00:34:12,800

show

994

00:34:16,470 --> 00:34:15,280

oh i really like everything that's going

995

00:34:20,149 --> 00:34:16,480

on right now

996

00:34:22,470 --> 00:34:20,159

it's kind of mind-blowing everything um

997

00:34:25,030 --> 00:34:22,480

i was kind of away from it for a while

998

00:34:25,750 --> 00:34:25,040

into it when i was a bit younger i'm 57

999

00:34:28,869 --> 00:34:25,760

now

1000

00:34:32,230 --> 00:34:28,879

line and sinker so

1001
00:34:35,109 --> 00:34:32,240
yeah trying to get people up to speed

1002
00:34:37,109 --> 00:34:35,119
um from where you left off and where

1003
00:34:39,909 --> 00:34:37,119
you've started up again

1004
00:34:40,629 --> 00:34:39,919
it's a hard pull but you know people are

1005
00:34:42,950 --> 00:34:40,639
where they're at

1006
00:34:44,230 --> 00:34:42,960
and you just have to respect that yeah i

1007
00:34:47,109 --> 00:34:44,240
i was the same way i mean

1008
00:34:48,230 --> 00:34:47,119
i got into it in the mid 90s and then as

1009
00:34:50,710 --> 00:34:48,240
the years went on

1010
00:34:51,750 --> 00:34:50,720
nothing new was happening so i kind of

1011
00:34:53,909 --> 00:34:51,760
let it go

1012
00:34:54,790 --> 00:34:53,919
and i just you know i definitely stayed

1013
00:34:56,550 --> 00:34:54,800

yeah good to see you

1014

00:34:58,790 --> 00:34:56,560

i definitely stayed interested in it and

1015

00:34:59,990 --> 00:34:58,800

i and i stayed up on any big cases and i

1016

00:35:02,230 --> 00:35:00,000

looked for any new books that were

1017

00:35:06,230 --> 00:35:02,240

interesting to me but then

1018

00:35:07,990 --> 00:35:06,240

around 2017 earlier in that year i heard

1019

00:35:09,430 --> 00:35:08,000

about tom delong and i was like oh this

1020

00:35:11,109 --> 00:35:09,440

is interesting i listened to one of his

1021

00:35:12,870 --> 00:35:11,119

interviews on jimmy church and i'm like

1022

00:35:15,270 --> 00:35:12,880

he's like i know things that other

1023

00:35:18,550 --> 00:35:15,280

people don't know i'm like click

1024

00:35:19,990 --> 00:35:18,560

click i'm talking about yeah

1025

00:35:20,950 --> 00:35:20,000

but then i heard the wikileaks thing i'm

1026

00:35:21,829 --> 00:35:20,960

like alright let me give it another

1027

00:35:23,510 --> 00:35:21,839

chance and so i

1028

00:35:25,670 --> 00:35:23,520

checked him out and then the press

1029

00:35:27,109 --> 00:35:25,680

conference came in october of 2017.

1030

00:35:28,630 --> 00:35:27,119

george and that went live on coast to

1031

00:35:29,030 --> 00:35:28,640

coast at night and was talking about it

1032

00:35:30,550 --> 00:35:29,040

and

1033

00:35:32,069 --> 00:35:30,560

great you know i shared it on my

1034

00:35:34,069 --> 00:35:32,079

facebook nobody paid attention

1035

00:35:35,750 --> 00:35:34,079

of course people don't pay attention now

1036

00:35:37,109 --> 00:35:35,760

um but then the new york times article

1037

00:35:37,670 --> 00:35:37,119

came out i'm like i got to get a blog

1038

00:35:39,829 --> 00:35:37,680

and that

1039

00:35:41,030 --> 00:35:39,839

kind of inspired me to where i am now

1040

00:35:41,589 --> 00:35:41,040

which i don't think ever would have

1041

00:35:43,109 --> 00:35:41,599

happened

1042

00:35:44,710 --> 00:35:43,119

and i brought this up on twitter today

1043

00:35:46,870 --> 00:35:44,720

and i brought it up other places

1044

00:35:48,230 --> 00:35:46,880

if george knapp doesn't write hunt for

1045

00:35:50,950 --> 00:35:48,240

the skinwalker

1046

00:35:53,829 --> 00:35:50,960

the dia the d.i.a signed if george knapp

1047

00:35:56,390 --> 00:35:53,839

is never born if his parents never met

1048

00:35:58,150 --> 00:35:56,400

he he wrote that book with colin

1049

00:36:00,470 --> 00:35:58,160

kelleher from nids

1050

00:36:01,510 --> 00:36:00,480

the guy from this the dia the scientist

1051

00:36:03,589 --> 00:36:01,520

read the book

1052

00:36:05,670 --> 00:36:03,599

said i want to go to skinwalker ranch

1053

00:36:07,190 --> 00:36:05,680

wound up there had an experience

1054

00:36:09,270 --> 00:36:07,200

talked to harry reid and said we need to

1055

00:36:11,270 --> 00:36:09,280

study ufos and paranormal

1056

00:36:12,310 --> 00:36:11,280

and that's how everything started so

1057

00:36:13,589 --> 00:36:12,320

without that i don't

1058

00:36:15,829 --> 00:36:13,599

i don't know where we are right now

1059

00:36:18,150 --> 00:36:15,839

without that right right

1060

00:36:19,430 --> 00:36:18,160

yeah you know one of the shows that i

1061

00:36:22,069 --> 00:36:19,440

started watching was

1062

00:36:23,030 --> 00:36:22,079

oh it was a filmmaker i can't remember

1063

00:36:25,589 --> 00:36:23,040

his name

1064

00:36:26,550 --> 00:36:25,599

uh it was sky man or something like that

1065

00:36:28,950 --> 00:36:26,560

and they were doing

1066

00:36:30,390 --> 00:36:28,960

something in australia and there was

1067

00:36:33,670 --> 00:36:30,400

like three shows

1068

00:36:34,069 --> 00:36:33,680

um phantom writer phantom writer was the

1069

00:36:37,750 --> 00:36:34,079

guy

1070

00:36:39,349 --> 00:36:37,760

um and i it started pulling me back in

1071

00:36:41,430 --> 00:36:39,359

and then i started looking around and

1072

00:36:42,390 --> 00:36:41,440

i'm like holy [h__h] this thing's

1073

00:36:46,710 --> 00:36:42,400

exploding

1074

00:36:48,950 --> 00:36:46,720

so yeah right

1075

00:36:49,990 --> 00:36:48,960

and and one of the things i don't know

1076

00:36:51,270 --> 00:36:50,000

if i'll ever be able to do this

1077

00:36:52,230 --> 00:36:51,280

full-time i would like to

1078

00:36:54,310 --> 00:36:52,240

but i don't know if i could do

1079

00:36:56,390 --> 00:36:54,320

financially but one of the things

1080

00:36:57,750 --> 00:36:56,400

somebody warned me about is they said

1081

00:36:59,430 --> 00:36:57,760

if you do it full time you're going to

1082

00:37:01,030 --> 00:36:59,440

feel the pressure to put out content and

1083

00:37:02,230 --> 00:37:01,040

you're going to put out information you

1084

00:37:04,950 --> 00:37:02,240

you really don't want to put out and

1085

00:37:05,750 --> 00:37:04,960

that is trust me that is not a problem i

1086

00:37:07,430 --> 00:37:05,760

cannot

1087

00:37:09,030 --> 00:37:07,440

keep up with the content i want to put

1088

00:37:10,630 --> 00:37:09,040

on my blog and you know that's why i

1089

00:37:12,150 --> 00:37:10,640

started doing audio on twitter it's just

1090

00:37:13,510 --> 00:37:12,160

easier if i see something

1091

00:37:16,310 --> 00:37:13,520

there's so much stuff i want to do i

1092

00:37:18,310 --> 00:37:16,320

mean you know the the story i talk about

1093

00:37:20,550 --> 00:37:18,320

where the guy one of the remote viewers

1094

00:37:21,990 --> 00:37:20,560

said i went into a classified area and i

1095

00:37:25,109 --> 00:37:22,000

saw a human being military

1096

00:37:27,190 --> 00:37:25,119

guys working alongside et's i'm like

1097

00:37:29,190 --> 00:37:27,200

what you know it's like i can't should i

1098

00:37:29,750 --> 00:37:29,200

put this on my blog and i followed up i

1099

00:37:31,430 --> 00:37:29,760

said

1100

00:37:32,950 --> 00:37:31,440

the person interviewing did did not

1101
00:37:33,430 --> 00:37:32,960
follow up with questions they moved on

1102
00:37:34,630 --> 00:37:33,440
i'm like

1103
00:37:36,310 --> 00:37:34,640
so i wrote him and he's like yeah he

1104
00:37:37,670 --> 00:37:36,320
goes that's what i saw he goes could

1105
00:37:39,750 --> 00:37:37,680
they have been dummies

1106
00:37:41,430 --> 00:37:39,760
that look like et's or something he's

1107
00:37:42,630 --> 00:37:41,440
like yeah i guess so he goes that's not

1108
00:37:43,910 --> 00:37:42,640
what i thought i go well

1109
00:37:45,750 --> 00:37:43,920
did other guys that you know in the

1110
00:37:47,030 --> 00:37:45,760
military experience a similar thing he's

1111
00:37:50,150 --> 00:37:47,040
like yes

1112
00:37:51,750 --> 00:37:50,160
so it's like i don't know you know

1113
00:37:53,349 --> 00:37:51,760

and that's that's not something when i

1114

00:37:54,870 --> 00:37:53,359

meet somebody i talk about

1115

00:37:56,950 --> 00:37:54,880

and i'm only bringing it up here just

1116

00:37:58,630 --> 00:37:56,960

popped into my head as far as content

1117

00:38:00,630 --> 00:37:58,640

i've held i have not put that on my blog

1118

00:38:01,430 --> 00:38:00,640

yet i've been really careful about not

1119

00:38:03,349 --> 00:38:01,440

putting

1120

00:38:05,109 --> 00:38:03,359

too much speculation on there but i i

1121

00:38:06,790 --> 00:38:05,119

mean i like to speculate and

1122

00:38:08,230 --> 00:38:06,800

last year on my old you my old twitter

1123

00:38:09,270 --> 00:38:08,240

account i speculated the heck out of

1124

00:38:10,790 --> 00:38:09,280

everything

1125

00:38:12,069 --> 00:38:10,800

especially when the long was talking

1126

00:38:13,910 --> 00:38:12,079

because you know a lot of stuff delong

1127

00:38:15,829 --> 00:38:13,920

talks about i've heard before

1128

00:38:17,030 --> 00:38:15,839

so but it's controversial and a lot of

1129

00:38:18,950 --> 00:38:17,040

people

1130

00:38:20,310 --> 00:38:18,960

it's not it's it's not right now i don't

1131

00:38:22,150 --> 00:38:20,320

think people are prepared to hear it i

1132

00:38:24,150 --> 00:38:22,160

don't even know if it's true or not so

1133

00:38:25,349 --> 00:38:24,160

but he was on today bbc i don't know if

1134

00:38:27,430 --> 00:38:25,359

you saw that

1135

00:38:29,190 --> 00:38:27,440

he's like yeah we the evidence points to

1136

00:38:29,990 --> 00:38:29,200

them not being from another planet you

1137

00:38:31,430 --> 00:38:30,000

know

1138

00:38:33,030 --> 00:38:31,440

and something from another dimension

1139

00:38:34,870 --> 00:38:33,040

where they could just pop in and pop out

1140

00:38:36,870 --> 00:38:34,880

and after he left

1141

00:38:38,150 --> 00:38:36,880

the people from bbc were just poking fun

1142

00:38:39,190 --> 00:38:38,160

at him which is really annoying i'm like

1143

00:38:40,710 --> 00:38:39,200

if you're going to poke fun at him at

1144

00:38:43,349 --> 00:38:40,720

least do it while he's there

1145

00:38:45,190 --> 00:38:43,359

so yeah do you think congressional

1146

00:38:47,750 --> 00:38:45,200

hearings are in our near future like

1147

00:38:50,230 --> 00:38:47,760

bassett claims

1148

00:38:51,589 --> 00:38:50,240

no i don't steve bassett predicted

1149

00:38:55,510 --> 00:38:51,599

congressional hearings like

1150

00:38:58,230 --> 00:38:55,520

by july 4th and then bob mcguire said by

1151
00:39:02,069 --> 00:39:00,390
yeah yeah right right here i mean

1152
00:39:02,950 --> 00:39:02,079
obviously i want that but yeah yeah i

1153
00:39:05,349 --> 00:39:02,960
mean

1154
00:39:06,069 --> 00:39:05,359
i don't see it happening that quickly

1155
00:39:07,910 --> 00:39:06,079
and thank you

1156
00:39:10,550 --> 00:39:07,920
scott yeah transcripts are helpful i i

1157
00:39:12,230 --> 00:39:10,560
like to hear that um

1158
00:39:14,069 --> 00:39:12,240
back somebody said the mobius strip back

1159
00:39:15,270 --> 00:39:14,079
to the skinwalker ranch the guy who was

1160
00:39:16,870 --> 00:39:15,280
the daa guy

1161
00:39:19,349 --> 00:39:16,880
saw like this mobius strip it's like

1162
00:39:22,150 --> 00:39:19,359
this tubular moving stuff like an

1163
00:39:23,589 --> 00:39:22,160

infinite over bigelow shoulder and

1164

00:39:25,190 --> 00:39:23,599

that's what and it was just for you know

1165

00:39:26,630 --> 00:39:25,200

nobody else saw it so that was the

1166

00:39:28,950 --> 00:39:26,640

impetus and it makes you wonder

1167

00:39:30,630 --> 00:39:28,960

whatever phenomenon is at the ranch

1168

00:39:32,550 --> 00:39:30,640

didn't want to be studied did it show up

1169

00:39:33,270 --> 00:39:32,560

for him he's a mathematician phd

1170

00:39:37,670 --> 00:39:33,280

scientist

1171

00:39:39,670 --> 00:39:37,680

i don't think uh

1172

00:39:40,950 --> 00:39:39,680

i can't see public hearings that quick

1173

00:39:43,510 --> 00:39:40,960

you guys

1174

00:39:44,470 --> 00:39:43,520

no i probably a year or two maybe two

1175

00:39:45,670 --> 00:39:44,480

years

1176
00:39:47,510 --> 00:39:45,680
because the more stuff is going to be

1177
00:39:49,109 --> 00:39:47,520
coming out and

1178
00:39:50,470 --> 00:39:49,119
more senators and congressmen are

1179
00:39:51,670 --> 00:39:50,480
probably going to jump on the train like

1180
00:39:52,790 --> 00:39:51,680
all right we definitely need to know

1181
00:39:54,069 --> 00:39:52,800
what the hell is going on now and

1182
00:39:54,710 --> 00:39:54,079
they'll probably get pressure from the

1183
00:39:57,510 --> 00:39:54,720
public

1184
00:39:58,950 --> 00:39:57,520
you know as more and more people are

1185
00:40:01,030 --> 00:39:58,960
becoming attuned to this stuff

1186
00:40:02,550 --> 00:40:01,040
you know and it's just so much

1187
00:40:04,230 --> 00:40:02,560
everywhere it's like i've never seen

1188
00:40:06,150 --> 00:40:04,240

this in my life like it's

1189

00:40:07,829 --> 00:40:06,160

so many news outlets covering this thing

1190

00:40:09,270 --> 00:40:07,839

it's like it was a dream of mine this is

1191

00:40:10,470 --> 00:40:09,280

like coming true like damn

1192

00:40:12,870 --> 00:40:10,480

they're actually taking this thing

1193

00:40:14,630 --> 00:40:12,880

serious so maybe two years

1194

00:40:16,390 --> 00:40:14,640

yeah i was gonna say i think i think

1195

00:40:17,510 --> 00:40:16,400

people need time to get their stuff in

1196

00:40:19,349 --> 00:40:17,520

order right

1197

00:40:20,790 --> 00:40:19,359

because if they're at all connected with

1198

00:40:23,750 --> 00:40:20,800

this in a negative way

1199

00:40:25,589 --> 00:40:23,760

whatsoever they they need some time to

1200

00:40:26,710 --> 00:40:25,599

shore up the books and do whatever they

1201

00:40:28,790 --> 00:40:26,720

need to do

1202

00:40:30,550 --> 00:40:28,800

because once this comes out in

1203

00:40:33,910 --> 00:40:30,560

congressional hearings

1204

00:40:37,190 --> 00:40:33,920

it can get sticky real quick so yeah

1205

00:40:39,030 --> 00:40:37,200

and let's go ahead yeah no i agree i

1206

00:40:39,829 --> 00:40:39,040

agree but you know i have a i have a

1207

00:40:42,630 --> 00:40:39,839

question

1208

00:40:44,790 --> 00:40:42,640

have you uh joe have you read dolores

1209

00:40:47,270 --> 00:40:44,800

cannon's books

1210

00:40:48,309 --> 00:40:47,280

i saw dolores cannon speak back when she

1211

00:40:51,190 --> 00:40:48,319

was speaking she's

1212

00:40:52,790 --> 00:40:51,200

passed away now i think but i have not

1213

00:40:54,950 --> 00:40:52,800

the only books i saw from her she's

1214

00:40:56,470 --> 00:40:54,960

supposedly talking to nostradamus

1215

00:40:58,069 --> 00:40:56,480

in his current time i don't know if she

1216

00:40:58,630 --> 00:40:58,079

did more books so it's kind of for me i

1217

00:41:00,069 --> 00:40:58,640

was like

1218

00:41:03,270 --> 00:41:00,079

that wasn't something i was interested

1219

00:41:06,470 --> 00:41:03,280

in i don't know if she did more books

1220

00:41:08,309 --> 00:41:06,480

listen to me like you i my my

1221

00:41:10,150 --> 00:41:08,319

thought process was only ufos and the

1222

00:41:11,510 --> 00:41:10,160

crap like mirrors the first the thing

1223

00:41:14,150 --> 00:41:11,520

that got me into this thing with bob

1224

00:41:17,430 --> 00:41:14,160

lazar's uh when he came out 89

1225

00:41:21,510 --> 00:41:17,440

and that was that got me digging right

1226
00:41:23,670 --> 00:41:21,520
and then i met this young lady um online

1227
00:41:25,270 --> 00:41:23,680
and we've been communicating quite often

1228
00:41:26,309 --> 00:41:25,280
often and she's a serious lady she's in

1229
00:41:28,230 --> 00:41:26,319
the music business

1230
00:41:29,750 --> 00:41:28,240
and she's her and i've talked and she

1231
00:41:31,349 --> 00:41:29,760
went into detail that she used to get

1232
00:41:32,870 --> 00:41:31,359
abducted right

1233
00:41:35,190 --> 00:41:32,880
and she talked about all this crazy

1234
00:41:37,430 --> 00:41:35,200
stuff i'm like really

1235
00:41:39,910 --> 00:41:37,440
yeah and then she said listen just read

1236
00:41:43,270 --> 00:41:39,920
these books by dolores cannon right

1237
00:41:47,349 --> 00:41:43,280
and the first one i read was

1238
00:41:50,150 --> 00:41:47,359

um keepers of the universe

1239

00:41:51,670 --> 00:41:50,160

very interesting book and it goes into

1240

00:41:55,030 --> 00:41:51,680

everything that's happening now she

1241

00:41:57,270 --> 00:41:55,040

wrote it back in 80 i think 87

1242

00:41:59,190 --> 00:41:57,280

and the thing that really got me with

1243

00:42:02,870 --> 00:41:59,200

her book is because i'm i'm in with

1244

00:42:05,190 --> 00:42:02,880

bob lazar i believe him 100. right

1245

00:42:06,950 --> 00:42:05,200

and there's things that she described in

1246

00:42:08,950 --> 00:42:06,960

that book

1247

00:42:10,470 --> 00:42:08,960

um first let me just cut back a little

1248

00:42:12,870 --> 00:42:10,480

bit the way the book is structured

1249

00:42:14,710 --> 00:42:12,880

is that she does regressive therapy and

1250

00:42:15,349 --> 00:42:14,720

she's regressing people to past lives

1251
00:42:18,470 --> 00:42:15,359
and then there's

1252
00:42:19,190 --> 00:42:18,480
one guy who came into our office that

1253
00:42:20,870 --> 00:42:19,200
she worked with

1254
00:42:23,589 --> 00:42:20,880
and for the first time she regressed

1255
00:42:26,470 --> 00:42:23,599
somebody to another

1256
00:42:27,670 --> 00:42:26,480
galaxy which freaked her out and then

1257
00:42:30,309 --> 00:42:27,680
since then well

1258
00:42:31,349 --> 00:42:30,319
if that book was mainly uh just focusing

1259
00:42:35,349 --> 00:42:31,359
on him

1260
00:42:38,390 --> 00:42:35,359
but um when she regresses him he's

1261
00:42:40,069 --> 00:42:38,400
an entity from different star systems

1262
00:42:42,150 --> 00:42:40,079
and he's describing what the craft look

1263
00:42:45,829 --> 00:42:42,160

like he's describing in the detail

1264

00:42:49,030 --> 00:42:45,839

how the crafts work he's describing um

1265

00:42:51,990 --> 00:42:49,040

the propulsion system what powers it and

1266

00:42:53,670 --> 00:42:52,000

everything lines up with what bob lazar

1267

00:42:54,950 --> 00:42:53,680

spoke about

1268

00:42:57,109 --> 00:42:54,960

and a lot of these crafts that we're

1269

00:42:57,670 --> 00:42:57,119

seeing today they're all being spoken

1270

00:43:00,710 --> 00:42:57,680

about

1271

00:43:02,390 --> 00:43:00,720

in her book from 1980 something so i i

1272

00:43:02,950 --> 00:43:02,400

suggest you actually try and check it

1273

00:43:05,030 --> 00:43:02,960

out

1274

00:43:06,230 --> 00:43:05,040

it's a i didn't actually read it because

1275

00:43:08,790 --> 00:43:06,240

who reads these days

1276

00:43:09,349 --> 00:43:08,800

not me i listen to the audio world right

1277

00:43:11,589 --> 00:43:09,359

but it's

1278

00:43:13,510 --> 00:43:11,599

fascinating and i think it answers a lot

1279

00:43:15,750 --> 00:43:13,520

of questions and the different

1280

00:43:17,589 --> 00:43:15,760

type of entities that they have out

1281

00:43:19,589 --> 00:43:17,599

there you know the things that

1282

00:43:21,589 --> 00:43:19,599

that's happening on skin walk ranch all

1283

00:43:22,230 --> 00:43:21,599

that stuff it's covered in the book

1284

00:43:24,710 --> 00:43:22,240

which

1285

00:43:25,670 --> 00:43:24,720

you can check it out man anybody else

1286

00:43:27,190 --> 00:43:25,680

should check it out

1287

00:43:28,630 --> 00:43:27,200

somebody brought up skinwalker ranch and

1288

00:43:30,630 --> 00:43:28,640

they said how do you feel about the idea

1289

00:43:33,190 --> 00:43:30,640

that skinwalker ranch was used for

1290

00:43:35,349 --> 00:43:33,200

psychotronic testing and

1291

00:43:36,790 --> 00:43:35,359

you know i don't think i mean maybe

1292

00:43:38,550 --> 00:43:36,800

maybe some of that went on maybe they

1293

00:43:39,990 --> 00:43:38,560

tried to you know piggyback alongside

1294

00:43:41,270 --> 00:43:40,000

with the real phenomena but that stuff's

1295

00:43:43,109 --> 00:43:41,280

been going on

1296

00:43:44,630 --> 00:43:43,119

i wouldn't rule it out as part of what's

1297

00:43:46,470 --> 00:43:44,640

going on but i think the majority of

1298

00:43:48,069 --> 00:43:46,480

stuff has been going on for a long time

1299

00:43:49,670 --> 00:43:48,079

maybe a hundred years

1300

00:43:51,750 --> 00:43:49,680

so i don't think it's psychotronic

1301

00:43:54,870 --> 00:43:51,760

testing um

1302

00:43:56,630 --> 00:43:54,880

what it is i don't know but for me

1303

00:43:58,390 --> 00:43:56,640

most of it does not seem good it's like

1304

00:44:01,270 --> 00:43:58,400

neutral or or negative

1305

00:44:02,550 --> 00:44:01,280

um but as far as me not me being nuts

1306

00:44:04,950 --> 00:44:02,560

and bolts carrie i

1307

00:44:06,230 --> 00:44:04,960

when i first got into us into this it

1308

00:44:07,750 --> 00:44:06,240

was through communion and whitley

1309

00:44:09,910 --> 00:44:07,760

strieber and then it turned into total

1310

00:44:10,470 --> 00:44:09,920

metaphysics so i'm not against that it's

1311

00:44:13,910 --> 00:44:10,480

just

1312

00:44:15,589 --> 00:44:13,920

she was even further along than i was so

1313

00:44:17,670 --> 00:44:15,599

you know i always keep an open mind some

1314

00:44:19,829 --> 00:44:17,680

of the stuff i talk about is out there

1315

00:44:21,589 --> 00:44:19,839

you know even some of the remote viewing

1316

00:44:23,190 --> 00:44:21,599

with farsight institute some of what

1317

00:44:24,710 --> 00:44:23,200

they talk about is a galactic type of

1318

00:44:26,710 --> 00:44:24,720

federation it's like

1319

00:44:28,390 --> 00:44:26,720

you know and i really i look at it and

1320

00:44:29,750 --> 00:44:28,400

i'm like that's really interesting that

1321

00:44:32,790 --> 00:44:29,760

makes sense but there's no

1322

00:44:34,150 --> 00:44:32,800

feedback i can't prove any of it um

1323

00:44:35,910 --> 00:44:34,160

i had somebody tell me that there are

1324

00:44:36,550 --> 00:44:35,920

people involved in this whole effort

1325

00:44:40,630 --> 00:44:36,560

that

1326

00:44:42,790 --> 00:44:40,640

farsight institute so

1327

00:44:44,870 --> 00:44:42,800

yeah carrie said who's they asked you

1328

00:44:47,270 --> 00:44:44,880

who's the author dolores cannon

1329

00:44:49,349 --> 00:44:47,280

is the author what was the book again uh

1330

00:44:51,030 --> 00:44:49,359

keepers of the universe she has a series

1331

00:44:52,390 --> 00:44:51,040

but that's the one that you have to read

1332

00:44:53,430 --> 00:44:52,400

it in succession but that's the first

1333

00:44:55,750 --> 00:44:53,440

one you should start with

1334

00:44:56,870 --> 00:44:55,760

amazing book and i do need to read artie

1335

00:44:58,710 --> 00:44:56,880

clark you know

1336

00:45:00,470 --> 00:44:58,720

several people told me this person says

1337

00:45:01,990 --> 00:45:00,480

lots of cases no hypnosis so i

1338

00:45:03,589 --> 00:45:02,000

definitely need to check that out that's

1339

00:45:05,349 --> 00:45:03,599

that was the thing that annoyed me when

1340

00:45:07,510 --> 00:45:05,359

unidentified did

1341

00:45:08,470 --> 00:45:07,520

um they did a segment on abductions and

1342

00:45:11,030 --> 00:45:08,480

it was kind of like

1343

00:45:12,309 --> 00:45:11,040

pointing towards sleep paralysis and

1344

00:45:14,230 --> 00:45:12,319

they were there were there were people

1345

00:45:14,870 --> 00:45:14,240

in the military who had seen beings and

1346

00:45:16,230 --> 00:45:14,880

they weren't

1347

00:45:18,069 --> 00:45:16,240

it wasn't under hypnosis they had

1348

00:45:20,550 --> 00:45:18,079

regular memories but it wasn't it wasn't

1349

00:45:22,950 --> 00:45:20,560

put in the show

1350

00:45:24,790 --> 00:45:22,960

so and then another thing that uh bob

1351

00:45:26,470 --> 00:45:24,800

mcguire said if lou ever become

1352

00:45:27,829 --> 00:45:26,480

became a congressman it was on the floor

1353

00:45:30,150 --> 00:45:27,839

of congress he would be able to say

1354

00:45:32,470 --> 00:45:30,160

whatever he wants

1355

00:45:33,910 --> 00:45:32,480

classified or not and they couldn't do

1356

00:45:35,510 --> 00:45:33,920

anything to them so i looked it up and i

1357

00:45:36,950 --> 00:45:35,520

think he's right

1358

00:45:38,470 --> 00:45:36,960

so that's i think what he's using to

1359

00:45:39,190 --> 00:45:38,480

hold over their head you're going to

1360

00:45:40,790 --> 00:45:39,200

keep doing this

1361

00:45:42,550 --> 00:45:40,800

i'm going to run for congress and he

1362

00:45:43,829 --> 00:45:42,560

goes this i'm not and i know a lot of

1363

00:45:44,790 --> 00:45:43,839

stuff that went on there it's not just

1364

00:45:47,430 --> 00:45:44,800

about ufos

1365

00:45:48,710 --> 00:45:47,440

that they don't want coming out so wow

1366

00:45:51,270 --> 00:45:48,720

yeah definitely

1367

00:45:52,630 --> 00:45:51,280

but did you see how how how loose demina

1368

00:45:56,069 --> 00:45:52,640

was he just seemed like

1369

00:45:57,270 --> 00:45:56,079

really i don't know he was really pumped

1370

00:45:59,430 --> 00:45:57,280

up in an irate

1371

00:46:01,030 --> 00:45:59,440

a little irate about the situation was

1372

00:46:03,430 --> 00:46:01,040

going on stressed out

1373

00:46:04,390 --> 00:46:03,440

i like it upset low i do like an upset

1374

00:46:05,990 --> 00:46:04,400

lou

1375

00:46:07,190 --> 00:46:06,000

but he's frustrated like he said he

1376

00:46:08,790 --> 00:46:07,200

doesn't really want to do this but i

1377

00:46:10,230 --> 00:46:08,800

guess he's gonna have to and

1378

00:46:12,470 --> 00:46:10,240

he's talking about he's talking about

1379

00:46:13,990 --> 00:46:12,480

going into fourth gear now which

1380

00:46:16,230 --> 00:46:14,000

i don't know what that means because as

1381

00:46:17,670 --> 00:46:16,240

time has gone gone on he shared more and

1382

00:46:19,670 --> 00:46:17,680

more details which i love

1383

00:46:21,589 --> 00:46:19,680

you know yeah the one detail i did not

1384

00:46:23,270 --> 00:46:21,599

expect him to talk about was the uh

1385

00:46:24,790 --> 00:46:23,280

the mussolini files where they talk

1386

00:46:26,790 --> 00:46:24,800

about a craft that they had

1387

00:46:28,230 --> 00:46:26,800

and he said those are he said those are

1388

00:46:30,230 --> 00:46:28,240

legitimate documents

1389

00:46:31,829 --> 00:46:30,240

where they appear legitimate and in that

1390

00:46:33,910 --> 00:46:31,839

document it says the craft was brought

1391

00:46:37,109 --> 00:46:33,920

over to the united states so

1392

00:46:39,190 --> 00:46:37,119

yeah yeah yeah yeah

1393

00:46:40,870 --> 00:46:39,200

there's a book called a secret space

1394

00:46:43,190 --> 00:46:40,880

program something or the other

1395

00:46:45,349 --> 00:46:43,200

i was reading as well and they speak

1396

00:46:46,950 --> 00:46:45,359

about that that muslin craft and

1397

00:46:48,950 --> 00:46:46,960

antarctica i'm just starting to do more

1398

00:46:50,790 --> 00:46:48,960

research and antarctica before people

1399

00:46:52,390 --> 00:46:50,800

tell me all this crazy stuff about

1400

00:46:54,829 --> 00:46:52,400

antarctica and i'd be like shut the [h__h]

1401

00:46:57,910 --> 00:46:54,839

up that dumb [h__\h] but it's

1402

00:47:00,390 --> 00:46:57,920

china yeah i will just tell you one

1403

00:47:02,630 --> 00:47:00,400

a little one ant in antarctica anecdote

1404

00:47:03,910 --> 00:47:02,640

with somebody connected to tsa told me

1405

00:47:05,750 --> 00:47:03,920

that tom delong started

1406

00:47:07,270 --> 00:47:05,760

talking about antarctica and nazis

1407

00:47:09,589 --> 00:47:07,280

during a board meeting and

1408

00:47:11,190 --> 00:47:09,599

they were very unhappy they were really

1409

00:47:12,230 --> 00:47:11,200

unhappy that he was talking about that

1410

00:47:13,910 --> 00:47:12,240

they're like

1411

00:47:16,470 --> 00:47:13,920

this is not what we need we need to

1412

00:47:19,349 --> 00:47:16,480

stick to data so

1413

00:47:20,230 --> 00:47:19,359

anyway that's what he said back to the

1414

00:47:22,870 --> 00:47:20,240

loo thing i

1415

00:47:25,510 --> 00:47:22,880

i had heard through a couple of tweets

1416

00:47:27,990 --> 00:47:25,520

so third hand fourth hand information

1417

00:47:29,829 --> 00:47:28,000

that lou was told to comment or they're

1418

00:47:32,549 --> 00:47:29,839

gonna pull a security click

1419

00:47:33,990 --> 00:47:32,559

yeah we talked about that tonight guy

1420

00:47:36,950 --> 00:47:34,000

earns a living

1421

00:47:38,069 --> 00:47:36,960

through his training you know right

1422

00:47:40,470 --> 00:47:38,079

clearances

1423

00:47:41,510 --> 00:47:40,480

so that may have forced him to back off

1424

00:47:43,510 --> 00:47:41,520

just a little bit

1425

00:47:45,589 --> 00:47:43,520

and take a different pro not that he's

1426

00:47:47,910 --> 00:47:45,599

going to back off but at least take it

1427

00:47:49,910 --> 00:47:47,920

approach and the whole the whole

1428

00:47:51,670 --> 00:47:49,920

inspector general thing that's going on

1429

00:47:53,349 --> 00:47:51,680

that him and sheehan went to washington

1430

00:47:56,150 --> 00:47:53,359

they said it really went well

1431

00:47:57,750 --> 00:47:56,160

you know for some reason like i said on

1432

00:47:59,270 --> 00:47:57,760

coast to coast they brought in

1433

00:48:00,870 --> 00:47:59,280

for some reason the inspector general

1434

00:48:03,430 --> 00:48:00,880

side they brought in a colonel from the

1435

00:48:04,470 --> 00:48:03,440

air force which is to me really odd

1436

00:48:06,630 --> 00:48:04,480

i don't know what that has to do with

1437

00:48:07,990 --> 00:48:06,640

the inspector general investigation but

1438

00:48:10,470 --> 00:48:08,000

and that thing's going to take a while

1439

00:48:12,150 --> 00:48:10,480

though lou said you know maybe 18 months

1440

00:48:12,790 --> 00:48:12,160

i mean it takes they take a long time to

1441

00:48:14,870 --> 00:48:12,800

do their

1442

00:48:16,549 --> 00:48:14,880

evaluation it's not an investigation

1443

00:48:18,150 --> 00:48:16,559

they're not looking for wrongdoing

1444

00:48:20,790 --> 00:48:18,160

just trying to make things better in the

1445

00:48:23,030 --> 00:48:20,800

process so you know anybody hoping that

1446

00:48:23,990 --> 00:48:23,040

susan goff is going to be reprimanded i

1447

00:48:28,390 --> 00:48:24,000

think they need to lower their

1448

00:48:31,510 --> 00:48:29,829

just trying to see somebody said i

1449

00:48:33,109 --> 00:48:31,520

believe that you went to basin for sure

1450

00:48:34,710 --> 00:48:33,119

has something going on with it but i'm

1451

00:48:35,750 --> 00:48:34,720

talking about specifically guys like

1452

00:48:37,990 --> 00:48:35,760

chris marx and us

1453

00:48:40,470 --> 00:48:38,000

yeah i know chris marx thinks that they

1454

00:48:42,950 --> 00:48:40,480

the government tested stuff on him and

1455

00:48:46,069 --> 00:48:42,960

i don't think so you know but you know

1456

00:48:48,390 --> 00:48:46,079

chris bartel who was there too

1457

00:48:49,670 --> 00:48:48,400

he had some sinus infection that that

1458

00:48:51,829 --> 00:48:49,680

should have been pointed out when he had

1459

00:48:53,030 --> 00:48:51,839

him mri done so i'm with him on that for

1460

00:48:55,030 --> 00:48:53,040

some reason they didn't tell him

1461

00:48:57,349 --> 00:48:55,040

when he first had it done but he doesn't

1462

00:48:59,510 --> 00:48:57,359

go down the the military testing

1463

00:49:01,030 --> 00:48:59,520

angle but something was there and they

1464

00:49:02,390 --> 00:49:01,040

kind of were guinea pigs but

1465

00:49:04,390 --> 00:49:02,400

i'm pretty sure they were told before

1466

00:49:05,270 --> 00:49:04,400

they went to the ranch this place is

1467

00:49:08,150 --> 00:49:05,280

known

1468

00:49:09,829 --> 00:49:08,160

for parallel paranormal activity they

1469

00:49:11,510 --> 00:49:09,839

were given access to the

1470

00:49:13,270 --> 00:49:11,520

bigelow library which i would love to

1471

00:49:15,349 --> 00:49:13,280

see that library i mean

1472

00:49:17,190 --> 00:49:15,359

i must have a ton of stuff yeah i think

1473

00:49:17,990 --> 00:49:17,200

one out on the fringe i was talking

1474

00:49:21,750 --> 00:49:18,000

about

1475

00:49:23,990 --> 00:49:21,760

earlier the name was chad kelly

1476

00:49:25,030 --> 00:49:24,000

i don't know that yeah he's a he's a

1477

00:49:27,829 --> 00:49:25,040

documentarist

1478

00:49:28,390 --> 00:49:27,839

so yeah filmmaker and he did a couple

1479

00:49:30,470 --> 00:49:28,400

things

1480

00:49:32,549 --> 00:49:30,480

over at that place and i was thinking

1481

00:49:34,710 --> 00:49:32,559

psyop same kind of thing

1482

00:49:36,069 --> 00:49:34,720

got set up with this phantom rider

1483

00:49:38,630 --> 00:49:36,079

series that he did

1484

00:49:39,270 --> 00:49:38,640

that took took everything down a strange

1485

00:49:41,589 --> 00:49:39,280

path

1486

00:49:42,549 --> 00:49:41,599

that's kind of how i stepped back into

1487

00:49:44,870 --> 00:49:42,559

everything

1488

00:49:46,549 --> 00:49:44,880

so it was it was interesting they had

1489

00:49:48,230 --> 00:49:46,559

this

1490

00:49:49,910 --> 00:49:48,240

it was kind of a ghost hunger kind of

1491

00:49:52,390 --> 00:49:49,920

thing but

1492

00:49:54,150 --> 00:49:52,400

the the being whatever it was kind of

1493

00:49:55,589 --> 00:49:54,160

popped out of the doorway and then

1494

00:49:59,030 --> 00:49:55,599

popped back in

1495

00:50:00,630 --> 00:49:59,040

oh yeah i saw that yeah you got to see

1496

00:50:03,510 --> 00:50:00,640

it a couple what's the guy's name

1497

00:50:04,870 --> 00:50:03,520

what the heck is chad kalec yeah this

1498

00:50:07,910 --> 00:50:04,880

show is called

1499

00:50:10,069 --> 00:50:07,920

um the two

1500

00:50:10,950 --> 00:50:10,079

the grey mr gray two face or something

1501
00:50:13,910 --> 00:50:10,960
like that

1502
00:50:15,030 --> 00:50:13,920
no face yeah no face yeah mr gray no

1503
00:50:16,150 --> 00:50:15,040
face it's actually pretty good

1504
00:50:19,430 --> 00:50:16,160
documentary

1505
00:50:21,750 --> 00:50:19,440
yeah he's a decent filmmaker and it's

1506
00:50:23,510 --> 00:50:21,760
it was it was a worthwhile but it yanked

1507
00:50:25,750 --> 00:50:23,520
me right back into this whole thing

1508
00:50:27,990 --> 00:50:25,760
yeah i watched the follow-up i don't

1509
00:50:29,750 --> 00:50:28,000
think i saw the first one

1510
00:50:31,510 --> 00:50:29,760
yeah i know what you're talking about i

1511
00:50:32,549 --> 00:50:31,520
know who i know the filmmaker australian

1512
00:50:35,349 --> 00:50:32,559
or he was

1513
00:50:36,069 --> 00:50:35,359

is he australian when it happened yeah

1514

00:50:43,190 --> 00:50:36,079

yeah

1515

00:50:44,549 --> 00:50:43,200

vincent if you want to talk you have to

1516

00:50:46,470 --> 00:50:44,559

unmute yourself yeah

1517

00:50:47,750 --> 00:50:46,480

i definitely did see the second one but

1518

00:50:49,270 --> 00:50:47,760

i'll have to check somebody else

1519

00:50:50,230 --> 00:50:49,280

recommended that to me too and and i

1520

00:50:52,069 --> 00:50:50,240

watched it i'm like and they're like

1521

00:50:54,950 --> 00:50:52,079

nope you watched the wrong one

1522

00:50:56,870 --> 00:50:54,960

i showed friends and they got entirely

1523

00:50:57,190 --> 00:50:56,880

irritated with me because i was making

1524

00:51:00,309 --> 00:50:57,200

them

1525

00:51:02,390 --> 00:51:00,319

fit through all three episodes

1526
00:51:04,790 --> 00:51:02,400
sir no face and whatever the other one

1527
00:51:08,230 --> 00:51:04,800
was i can't remember at the time but

1528
00:51:12,150 --> 00:51:08,240
yeah vincent if you're there

1529
00:51:14,630 --> 00:51:12,160
unmute yourself otherwise guys i'm gonna

1530
00:51:16,790 --> 00:51:14,640
call it a night and ungodly moose i i

1531
00:51:17,109 --> 00:51:16,800
know erica luke's has that angle that

1532
00:51:20,230 --> 00:51:17,119
it's

1533
00:51:20,549 --> 00:51:20,240
military and i disagree vehemently with

1534
00:51:24,309 --> 00:51:20,559
her

1535
00:51:26,309 --> 00:51:24,319
