

1  
00:00:08,230 --> 00:00:05,430  
you're looking live

2  
00:00:10,549 --> 00:00:08,240  
at the post game report

3  
00:00:11,830 --> 00:00:10,559  
as my dog upstairs

4  
00:00:14,390 --> 00:00:11,840  
hears me

5  
00:00:17,990 --> 00:00:14,400  
and is going crazy

6  
00:00:23,750 --> 00:00:20,710  
up sound is there because i can hear me

7  
00:00:23,760 --> 00:00:27,589  
let's kill the youtube

8  
00:00:32,950 --> 00:00:30,870  
all right so

9  
00:00:34,790 --> 00:00:32,960  
how you doing michael i thought that was

10  
00:00:37,430 --> 00:00:34,800  
pretty good although i was surprised i

11  
00:00:40,150 --> 00:00:37,440  
was surprised by a couple of things that

12  
00:00:41,830 --> 00:00:40,160  
de long said and that

13  
00:00:44,470 --> 00:00:41,840

how are you doing speculative future

14

00:00:46,709 --> 00:00:44,480

what did you guys think i was uh i

15

00:00:51,590 --> 00:00:46,719

thought they did well

16

00:00:55,110 --> 00:00:53,189

i'm glad you guys were here and we even

17

00:00:55,990 --> 00:00:55,120

got a i didn't

18

00:00:57,750 --> 00:00:56,000

i know

19

00:00:59,670 --> 00:00:57,760

red panda i saw they asked and i missed

20

00:01:01,349 --> 00:00:59,680

some stuff i'm trying to take notes and

21

00:01:03,189 --> 00:01:01,359

i was taking a lot of notes and it was

22

00:01:04,789 --> 00:01:03,199

stressful trying to keep up

23

00:01:06,870 --> 00:01:04,799

i know he said he didn't see your video

24

00:01:08,789 --> 00:01:06,880

but what was the question was it uh the

25

00:01:11,670 --> 00:01:08,799

three days yeah it's like come on give

26

00:01:12,630 --> 00:01:11,680

us a hint what kept you up for three

27

00:01:14,149 --> 00:01:12,640

days

28

00:01:16,469 --> 00:01:14,159

and he kind of blew it off but then he

29

00:01:18,469 --> 00:01:16,479

says it's the whole gravity gravity of

30

00:01:20,230 --> 00:01:18,479

the situation and

31

00:01:22,390 --> 00:01:20,240

realizing this is real but there's

32

00:01:26,149 --> 00:01:22,400

actually obviously something more to it

33

00:01:30,390 --> 00:01:27,990

yeah hinting at the at the end there

34

00:01:33,030 --> 00:01:30,400

from here

35

00:01:35,030 --> 00:01:33,040

how's it going gav um

36

00:01:37,590 --> 00:01:35,040

mick is in the house

37

00:01:39,590 --> 00:01:37,600

mick i will get my drum set up one day i

38

00:01:41,350 --> 00:01:39,600

if it's the last thing i do and i don't

39

00:01:43,749 --> 00:01:41,360

want it to be the last thing

40

00:01:47,510 --> 00:01:45,910

i mean i can go down the list if anybody

41

00:01:50,789 --> 00:01:47,520

missed it

42

00:01:55,510 --> 00:01:52,069

and i need to pull it up so it's going

43

00:01:57,429 --> 00:01:55,520

to cover up i was surprised that

44

00:01:58,950 --> 00:01:57,439

semivan admitted that he was you know he

45

00:02:00,230 --> 00:01:58,960

never i don't think he's ever spoken

46

00:02:01,830 --> 00:02:00,240

about talking to people in the

47

00:02:03,510 --> 00:02:01,840

government saying hey

48

00:02:06,389 --> 00:02:03,520

we're going to do this we're going to

49

00:02:07,510 --> 00:02:06,399

take it in the private sector and uh

50

00:02:09,029 --> 00:02:07,520

you know we're not going to talk about

51  
00:02:10,389 --> 00:02:09,039  
classified information but for whatever

52  
00:02:11,910 --> 00:02:10,399  
reason you guys

53  
00:02:13,830 --> 00:02:11,920  
you guys ain't getting it done so we're

54  
00:02:15,350 --> 00:02:13,840  
going to do it on our own

55  
00:02:16,869 --> 00:02:15,360  
um let me know if you guys ever have

56  
00:02:18,710 --> 00:02:16,879  
problems with the link somebody told me

57  
00:02:21,750 --> 00:02:18,720  
that the people the reason people aren't

58  
00:02:23,430 --> 00:02:21,760  
calling in audio or video is because the

59  
00:02:25,990 --> 00:02:23,440  
link doesn't work for europe but not

60  
00:02:27,910 --> 00:02:26,000  
everybody's in europe so

61  
00:02:29,589 --> 00:02:27,920  
all right please recap

62  
00:02:33,190 --> 00:02:29,599  
for those who already saw it i mean i'll

63  
00:02:36,390 --> 00:02:33,200

try to add in so you're not bored

64

00:02:37,910 --> 00:02:36,400

some of my own ideas and i'm gonna

65

00:02:41,910 --> 00:02:37,920

thanks drew i'm gonna blow you guys i'm

66

00:02:46,630 --> 00:02:44,070

the chat for a second so it starts off

67

00:02:47,910 --> 00:02:46,640

semivan actually wrote down i wanted to

68

00:02:51,030 --> 00:02:47,920

make sure i had his quote right when he

69

00:02:53,110 --> 00:02:51,040

was on ufo class classified live he said

70

00:02:55,350 --> 00:02:53,120

i believe it's a non-human technology

71

00:02:57,350 --> 00:02:55,360

and i wish i knew who owns it it's

72

00:02:59,030 --> 00:02:57,360

something other no question

73

00:03:00,790 --> 00:02:59,040

and then this is

74

00:03:02,149 --> 00:03:00,800

aft once we get past this you guys can

75

00:03:04,869 --> 00:03:02,159

go back and correct me he talked about

76

00:03:06,390 --> 00:03:04,879

flying out san diego to meet tom he

77

00:03:07,670 --> 00:03:06,400

wanted to make sure what tom was talking

78

00:03:09,830 --> 00:03:07,680

about you know where did he get this

79

00:03:12,149 --> 00:03:09,840

information who was leaking to tom and

80

00:03:14,550 --> 00:03:12,159

then he realized you know it's clear

81

00:03:15,750 --> 00:03:14,560

that no classified information was being

82

00:03:17,430 --> 00:03:15,760

leaked

83

00:03:19,110 --> 00:03:17,440

no classified information leaking was

84

00:03:21,110 --> 00:03:19,120

taking place and then they had breakfast

85

00:03:23,030 --> 00:03:21,120

the next day would put off in other

86

00:03:25,509 --> 00:03:23,040

luminaries in the field

87

00:03:28,390 --> 00:03:25,519

i know one of those luminaries and i

88

00:03:30,070 --> 00:03:28,400

know that he was asked to join ttsa and

89

00:03:31,350 --> 00:03:30,080

he said

90

00:03:33,750 --> 00:03:31,360

no thank you

91

00:03:36,710 --> 00:03:33,760

um and that person told me that the food

92

00:03:39,509 --> 00:03:36,720

setup was so good it was the best

93

00:03:41,110 --> 00:03:39,519

catering i mean i didn't get any details

94

00:03:43,110 --> 00:03:41,120

but they were very impressed with the

95

00:03:44,710 --> 00:03:43,120

catering at the uh

96

00:03:47,270 --> 00:03:44,720

i don't know if it was oceanfront where

97

00:03:50,309 --> 00:03:47,280

they were he said was a nice hotel

98

00:03:54,309 --> 00:03:52,070

tom asked if they wanted to be part of

99

00:03:56,309 --> 00:03:54,319

ttsa they shook hands and have been

100

00:03:58,710 --> 00:03:56,319

friends ever since he didn't say if they

101  
00:04:00,949 --> 00:03:58,720  
agreed to be part of tsa right there

102  
00:04:02,070 --> 00:04:00,959  
and then but i guess you know i don't

103  
00:04:04,309 --> 00:04:02,080  
know it's not really not that important

104  
00:04:05,270 --> 00:04:04,319  
if it was that time

105  
00:04:07,110 --> 00:04:05,280  
um

106  
00:04:09,030 --> 00:04:07,120  
any other questions you can i'll check

107  
00:04:10,710 --> 00:04:09,040  
back in the chat every now and then

108  
00:04:12,789 --> 00:04:10,720  
i'll try to keep the chat up as i'm

109  
00:04:14,710 --> 00:04:12,799  
reading so feel free and i'll i'll cut

110  
00:04:16,229 --> 00:04:14,720  
myself off

111  
00:04:18,310 --> 00:04:16,239  
i don't want to give you too much live

112  
00:04:19,749 --> 00:04:18,320  
stuff you get bored of me um but i mean

113  
00:04:21,590 --> 00:04:19,759

how rare it's not often you get to see

114

00:04:23,030 --> 00:04:21,600

semiband and such an extended thing i i

115

00:04:25,350 --> 00:04:23,040

would have rather heard

116

00:04:26,230 --> 00:04:25,360

more of semiband

117

00:04:27,749 --> 00:04:26,240

um

118

00:04:29,270 --> 00:04:27,759

and he says tom says you know you're

119

00:04:30,790 --> 00:04:29,280

always fascinated

120

00:04:32,710 --> 00:04:30,800

why they're here when you first get into

121

00:04:34,790 --> 00:04:32,720

ufos it's fascinating then you realize

122

00:04:36,070 --> 00:04:34,800

it's real and then you dive deeper and

123

00:04:37,590 --> 00:04:36,080

you realize you're not studying the

124

00:04:39,909 --> 00:04:37,600

events

125

00:04:41,670 --> 00:04:39,919

but you're looking at archaeology and

126  
00:04:43,270 --> 00:04:41,680  
petroglyphs and everything and it's all

127  
00:04:44,469 --> 00:04:43,280  
tied together and what's going on with

128  
00:04:46,230 --> 00:04:44,479  
mankind

129  
00:04:48,390 --> 00:04:46,240  
and then

130  
00:04:50,310 --> 00:04:48,400  
you find evidence that ufos are all part

131  
00:04:52,150 --> 00:04:50,320  
of the puzzle piece that it all fits

132  
00:04:54,310 --> 00:04:52,160  
together you got religion government

133  
00:04:57,110 --> 00:04:54,320  
national security advanced tech the

134  
00:04:58,790 --> 00:04:57,120  
history of mankind

135  
00:05:00,469 --> 00:04:58,800  
and then always trying to learn and he

136  
00:05:02,390 --> 00:05:00,479  
said he met jim

137  
00:05:03,510 --> 00:05:02,400  
and jim said who are you and tom said i

138  
00:05:05,029 --> 00:05:03,520

need help

139

00:05:07,110 --> 00:05:05,039

and jim agreed to help that's like the

140

00:05:08,950 --> 00:05:07,120

shortened version

141

00:05:10,710 --> 00:05:08,960

um

142

00:05:12,150 --> 00:05:10,720

for the sources that tom has worked with

143

00:05:14,629 --> 00:05:12,160

in the past i'm not sure if every

144

00:05:17,189 --> 00:05:14,639

government source but he said uh

145

00:05:19,270 --> 00:05:17,199

he made this coin this

146

00:05:20,310 --> 00:05:19,280

what's it called it's a presentation

147

00:05:24,230 --> 00:05:20,320

coin

148

00:05:26,070 --> 00:05:24,240

the vitruvian man that's the man that's

149

00:05:27,670 --> 00:05:26,080

like this you know we've all seen

150

00:05:30,950 --> 00:05:27,680

and it represents bringing arts and

151  
00:05:33,110 --> 00:05:30,960  
science and consciousness together um

152  
00:05:35,189 --> 00:05:33,120  
any questions so far

153  
00:05:37,430 --> 00:05:35,199  
yeah if tom was a nutter tom would not

154  
00:05:39,350 --> 00:05:37,440  
be with this group tom definitely says

155  
00:05:41,110 --> 00:05:39,360  
stuff that

156  
00:05:43,350 --> 00:05:41,120  
that he has not repeated especially not

157  
00:05:45,110 --> 00:05:43,360  
on this show tom is brilliant i mean the

158  
00:05:46,310 --> 00:05:45,120  
fact that he put ttsa together and was

159  
00:05:49,110 --> 00:05:46,320  
able to get all these people together

160  
00:05:50,629 --> 00:05:49,120  
would was amazing um even if even if

161  
00:05:53,110 --> 00:05:50,639  
they were looking for somebody like that

162  
00:05:55,990 --> 00:05:53,120  
you know he came up at the right time

163  
00:05:57,510 --> 00:05:56,000

bug i'm trying to see your question

164

00:05:59,110 --> 00:05:57,520

i wish tom hadn't spoken so long with

165

00:06:00,870 --> 00:05:59,120

his answers i know i wanted more

166

00:06:02,870 --> 00:06:00,880

semi-van you know we could not that not

167

00:06:05,430 --> 00:06:02,880

that tom does that many interviews but i

168

00:06:07,270 --> 00:06:05,440

mean semivan is so rare and i did yeah i

169

00:06:10,150 --> 00:06:07,280

did like that semi-van brought up the

170

00:06:14,469 --> 00:06:10,160

trickster element semi-van seems very

171

00:06:16,870 --> 00:06:14,479

well versed with a lot of ufology um

172

00:06:19,350 --> 00:06:16,880

i mean i spoke to somebody that told me

173

00:06:24,070 --> 00:06:19,360

that he wasn't up to speed on everything

174

00:06:26,390 --> 00:06:25,189

and

175

00:06:29,510 --> 00:06:26,400

what else

176

00:06:31,510 --> 00:06:29,520

i guess that's it no i'm kidding

177

00:06:33,590 --> 00:06:31,520

does the government have an alien body i

178

00:06:35,110 --> 00:06:33,600

know right no comment

179

00:06:37,830 --> 00:06:35,120

come on you can't comment on what's been

180

00:06:39,110 --> 00:06:37,840

said in the public sphere sphere so it's

181

00:06:40,390 --> 00:06:39,120

like

182

00:06:43,029 --> 00:06:40,400

the people on one side will say well

183

00:06:44,710 --> 00:06:43,039

that's that's this disinformation that's

184

00:06:46,070 --> 00:06:44,720

this information by jim he's just trying

185

00:06:47,830 --> 00:06:46,080

to throw it out there so the russians

186

00:06:49,990 --> 00:06:47,840

think we have a body which i don't

187

00:06:51,589 --> 00:06:50,000

really don't know how that helps us but

188

00:06:54,309 --> 00:06:51,599

um

189

00:06:55,909 --> 00:06:54,319

yeah i mean jim did admit the past of

190

00:06:58,070 --> 00:06:55,919

the cia i mean how is he not going to

191

00:07:02,070 --> 00:06:58,080

it's on the public record with mk ultra

192

00:07:03,909 --> 00:07:02,080

and people talked about mockingbird and

193

00:07:05,350 --> 00:07:03,919

it would be worthwhile to visit the joe

194

00:07:07,110 --> 00:07:05,360

rogan interview there's there's other

195

00:07:09,110 --> 00:07:07,120

interviews he's spoken about about his

196

00:07:12,550 --> 00:07:09,120

sources and it's like

197

00:07:13,670 --> 00:07:12,560

anyway so so kurt says um

198

00:07:15,189 --> 00:07:13,680

kurt says

199

00:07:16,870 --> 00:07:15,199

not as he's not a skeptic not at the

200

00:07:17,990 --> 00:07:16,880

bunker and then he asks about skinwalker

201  
00:07:19,189 --> 00:07:18,000  
which i thought was interesting because

202  
00:07:21,749 --> 00:07:19,199  
i've never heard jim talk about

203  
00:07:23,830 --> 00:07:21,759  
skinwalker he says i'm not an expert

204  
00:07:24,870 --> 00:07:23,840  
but tom and i know all those involved

205  
00:07:27,270 --> 00:07:24,880  
and he says

206  
00:07:29,430 --> 00:07:27,280  
george knapp keller column kelleher who

207  
00:07:30,710 --> 00:07:29,440  
worked for nibs um doesn't mention

208  
00:07:34,150 --> 00:07:30,720  
brandon

209  
00:07:35,110 --> 00:07:34,160  
he said he never met mr bigelow

210  
00:07:36,950 --> 00:07:35,120  
um

211  
00:07:38,150 --> 00:07:36,960  
so he can't discuss skinwalker in a

212  
00:07:41,990 --> 00:07:38,160  
meaningful way

213  
00:07:45,029 --> 00:07:42,000

the skinwalker said john alexander is a

214

00:07:47,830 --> 00:07:45,039

dear friend of his i wrote down j a

215

00:07:50,629 --> 00:07:47,840

that's my john alexander uh

216

00:07:52,550 --> 00:07:50,639

shortcut because ja is listed in the

217

00:07:55,270 --> 00:07:52,560

wilson davis documents as somebody who

218

00:07:57,270 --> 00:07:55,280

is a liar it's obviously i don't know

219

00:07:58,469 --> 00:07:57,280

any other je can j a connected to that

220

00:08:01,749 --> 00:07:58,479

situation

221

00:08:03,749 --> 00:08:01,759

besides john alexander but

222

00:08:05,350 --> 00:08:03,759

not proven of course

223

00:08:07,510 --> 00:08:05,360

what happened at skinwalker according to

224

00:08:09,589 --> 00:08:07,520

jim what's true accurate and real when

225

00:08:11,430 --> 00:08:09,599

you go looking for the phenomenon it

226

00:08:13,510 --> 00:08:11,440

doesn't like to show itself it has low

227

00:08:15,029 --> 00:08:13,520

observative low observability so it

228

00:08:16,390 --> 00:08:15,039

compares it to like ufos when you can't

229

00:08:18,070 --> 00:08:16,400

get a clear picture

230

00:08:19,749 --> 00:08:18,080

skeptics will say because there aren't

231

00:08:22,150 --> 00:08:19,759

real ufos

232

00:08:23,749 --> 00:08:22,160

it's fascinating according to people in

233

00:08:26,309 --> 00:08:23,759

hunt for the skinwalker and some people

234

00:08:27,990 --> 00:08:26,319

not mentioned in the book

235

00:08:29,670 --> 00:08:28,000

serious place where serious things

236

00:08:31,430 --> 00:08:29,680

happened so it's nice to get him on the

237

00:08:33,350 --> 00:08:31,440

record on that i've seen i mean anybody

238

00:08:34,790 --> 00:08:33,360

who studies skinwalker with an open mind

239

00:08:36,630 --> 00:08:34,800

doesn't think it's all made up there are

240

00:08:38,389 --> 00:08:36,640

people that think that but either they

241

00:08:39,430 --> 00:08:38,399

don't have an open mind or they have i

242

00:08:41,350 --> 00:08:39,440

don't know they can't accept that

243

00:08:42,949 --> 00:08:41,360

paranormal stuff exists

244

00:08:46,790 --> 00:08:42,959

um

245

00:08:50,150 --> 00:08:48,389

a lot of people don't trust alexander

246

00:08:52,710 --> 00:08:50,160

but alexander is into so many cool

247

00:08:55,430 --> 00:08:52,720

things we read his book whether it's

248

00:08:56,230 --> 00:08:55,440

bill bankston and the healing and

249

00:09:00,790 --> 00:08:56,240

he

250

00:09:02,550 --> 00:09:00,800

got so many different things and

251

00:09:06,070 --> 00:09:02,560

i need to read all of it i've gone

252

00:09:08,949 --> 00:09:06,080

through it um did i see tom on rogan i

253

00:09:11,590 --> 00:09:08,959

tom i mean um joe rogan i was thinking i

254

00:09:13,430 --> 00:09:11,600

was thinking tom rogan yes i did see tom

255

00:09:15,829 --> 00:09:13,440

on rogan at the time i liked it and then

256

00:09:18,070 --> 00:09:15,839

i said people heard people saying what a

257

00:09:19,670 --> 00:09:18,080

disaster so i played it for a friend of

258

00:09:22,630 --> 00:09:19,680

mine i'm like it's three hours my friend

259

00:09:23,910 --> 00:09:22,640

is not into ufos um

260

00:09:25,590 --> 00:09:23,920

but he's like i don't really have a

261

00:09:26,949 --> 00:09:25,600

problem with what he said i realized i'm

262

00:09:28,150 --> 00:09:26,959

not you know i'm not i don't know a lot

263

00:09:30,470 --> 00:09:28,160

of this stuff but for people who are

264

00:09:32,630 --> 00:09:30,480

into ufos it didn't sound that crazy to

265

00:09:34,310 --> 00:09:32,640

me you know when when when tom said he

266

00:09:35,670 --> 00:09:34,320

was having meetings next to the pentagon

267

00:09:36,949 --> 00:09:35,680

rogan was making it look like you know

268

00:09:38,790 --> 00:09:36,959

they're in the grass outside the

269

00:09:40,230 --> 00:09:38,800

pentagon where it was i think it was

270

00:09:41,829 --> 00:09:40,240

crystal city

271

00:09:43,670 --> 00:09:41,839

right next to the pentagon whatever

272

00:09:45,509 --> 00:09:43,680

whatever restaurants are there i think

273

00:09:46,870 --> 00:09:45,519

that's where i think that's where melon

274

00:09:48,389 --> 00:09:46,880

might have met

275

00:09:50,150 --> 00:09:48,399

alex dietrich i'll have to ask that

276  
00:09:51,350 --> 00:09:50,160  
because i know dave betty figured out at

277  
00:09:52,550 --> 00:09:51,360  
least he thought he figured out which

278  
00:09:54,790 --> 00:09:52,560  
restaurant

279  
00:09:56,550 --> 00:09:54,800  
um

280  
00:09:58,630 --> 00:09:56,560  
tom talks about mutilations he went to

281  
00:10:00,550 --> 00:09:58,640  
mutilations for a while lights in the

282  
00:10:02,470 --> 00:10:00,560  
sky invisible entities poultry guys it's

283  
00:10:03,590 --> 00:10:02,480  
all happening in one place

284  
00:10:06,470 --> 00:10:03,600  
and as

285  
00:10:08,710 --> 00:10:06,480  
my friend nicole sackett says

286  
00:10:10,710 --> 00:10:08,720  
it happens at other places too and she's

287  
00:10:12,790 --> 00:10:10,720  
right but skinwalker is the most study

288  
00:10:15,430 --> 00:10:12,800

there's other places there's dolce there

289

00:10:16,310 --> 00:10:15,440

is sedona there's a place in colorado

290

00:10:18,230 --> 00:10:16,320

there's

291

00:10:19,590 --> 00:10:18,240

yakima washington george knapp covers

292

00:10:21,030 --> 00:10:19,600

that in the book

293

00:10:23,110 --> 00:10:21,040

there's some other hot places all over

294

00:10:24,550 --> 00:10:23,120

the place probably with as much activity

295

00:10:26,310 --> 00:10:24,560

but we don't have enough people

296

00:10:28,870 --> 00:10:26,320

interested in this subject to put

297

00:10:31,430 --> 00:10:28,880

scientists on the ground so that place

298

00:10:33,829 --> 00:10:31,440

has been focused on

299

00:10:36,230 --> 00:10:33,839

tom says it toys with you

300

00:10:38,710 --> 00:10:36,240

if it knows you want to see something

301  
00:10:40,550 --> 00:10:38,720  
um it was documented by ph phd

302  
00:10:43,430 --> 00:10:40,560  
scientists we know about eric davis dr

303  
00:10:45,269 --> 00:10:43,440  
eric davis and colin kelleher and

304  
00:10:47,590 --> 00:10:45,279  
government scientists documented over

305  
00:10:51,590 --> 00:10:47,600  
decades in that whole area in the unit

306  
00:10:55,750 --> 00:10:53,030  
to hot spots so it's a great place to

307  
00:10:57,670 --> 00:10:55,760  
find out what's going on in one location

308  
00:10:59,590 --> 00:10:57,680  
gives alternate candidates for where

309  
00:11:01,509 --> 00:10:59,600  
they're from and what they're doing it

310  
00:11:03,269 --> 00:11:01,519  
gives you alternate candidates for where

311  
00:11:04,550 --> 00:11:03,279  
they're from meaning that you know

312  
00:11:06,230 --> 00:11:04,560  
whatever's there he doesn't think it's

313  
00:11:09,990 --> 00:11:06,240

coming from another planet and i think

314

00:11:11,910 --> 00:11:10,000

that's a fair assumption or speculation

315

00:11:13,670 --> 00:11:11,920

um it helps you you know try to figure

316

00:11:15,350 --> 00:11:13,680

out what they are doing and how it all

317

00:11:17,030 --> 00:11:15,360

works i'm not sure if it's all connected

318

00:11:18,310 --> 00:11:17,040

to the stuff at skinwalker ranch it can

319

00:11:20,310 --> 00:11:18,320

be totally different than what other

320

00:11:22,949 --> 00:11:20,320

people deal with

321

00:11:24,870 --> 00:11:22,959

the data does not suggest that it's et

322

00:11:26,710 --> 00:11:24,880

more about frequencies dimensional

323

00:11:29,430 --> 00:11:26,720

dematerialized

324

00:11:31,829 --> 00:11:29,440

displacement craft that displaces our

325

00:11:32,949 --> 00:11:31,839

time like a submarine displaces water in

326

00:11:35,430 --> 00:11:32,959

the ocean

327

00:11:36,710 --> 00:11:35,440

um so i guess when they come here screws

328

00:11:38,790 --> 00:11:36,720

with our time

329

00:11:40,470 --> 00:11:38,800

um didn't he didn't get into details on

330

00:11:43,110 --> 00:11:40,480

that he said put off try to understand

331

00:11:45,030 --> 00:11:43,120

that and uh related to attributes of

332

00:11:47,350 --> 00:11:45,040

propulsion and then there are things

333

00:11:49,509 --> 00:11:47,360

adjacent to us that we don't see don't

334

00:11:51,350 --> 00:11:49,519

understand and every once in a while it

335

00:11:52,710 --> 00:11:51,360

crosses over which lewis talked about

336

00:11:54,389 --> 00:11:52,720

not he didn't talk about crossing over

337

00:11:56,230 --> 00:11:54,399

but he talks about how you know in the

338

00:11:58,629 --> 00:11:56,240

electromagnetic spectrum we can only see

339

00:11:59,910 --> 00:11:58,639

so much and now maybe our technology is

340

00:12:01,670 --> 00:11:59,920

catching up to that but i don't think

341

00:12:03,430 --> 00:12:01,680

our technology publicly has been that

342

00:12:06,230 --> 00:12:03,440

much advanced i mean we had the radar

343

00:12:07,190 --> 00:12:06,240

advances with the f-18s but i don't know

344

00:12:08,870 --> 00:12:07,200

what other

345

00:12:10,949 --> 00:12:08,880

technology advances we've had that we

346

00:12:12,470 --> 00:12:10,959

can detect them now all of a sudden and

347

00:12:15,030 --> 00:12:12,480

they're showing up visually too if you

348

00:12:17,430 --> 00:12:15,040

believe the 2019 stuff was uh uap which

349

00:12:19,670 --> 00:12:17,440

i wish they would have gotten into

350

00:12:21,509 --> 00:12:19,680

semi-van mentioned the navy

351  
00:12:23,190 --> 00:12:21,519  
um

352  
00:12:24,710 --> 00:12:23,200  
tom says yeah because we're aware and

353  
00:12:26,150 --> 00:12:24,720  
can see it

354  
00:12:28,150 --> 00:12:26,160  
is it because

355  
00:12:29,590 --> 00:12:28,160  
we're aware of it and can see it or is

356  
00:12:31,990 --> 00:12:29,600  
it because there's a geomet he's talking

357  
00:12:33,990 --> 00:12:32,000  
about skinwalker or is it because it's a

358  
00:12:36,629 --> 00:12:34,000  
geomagnetic area where it's easier to

359  
00:12:39,350 --> 00:12:36,639  
come through or is it just everywhere

360  
00:12:41,190 --> 00:12:39,360  
and it's probably everywhere um just

361  
00:12:42,710 --> 00:12:41,200  
maybe more visual there

362  
00:12:44,389 --> 00:12:42,720  
um

363  
00:12:46,470 --> 00:12:44,399

i don't think las vegas has the kind of

364

00:12:48,389 --> 00:12:46,480

activity that skinwalker does you never

365

00:12:49,910 --> 00:12:48,399

know though or so active with casinos

366

00:12:51,269 --> 00:12:49,920

and stuff but you know what i'm you know

367

00:12:52,389 --> 00:12:51,279

what i mean

368

00:12:54,069 --> 00:12:52,399

um

369

00:12:56,230 --> 00:12:54,079

see any other questions

370

00:12:57,990 --> 00:12:56,240

joe do you talk with jon no i have not

371

00:13:00,150 --> 00:12:58,000

talked i have not talked with him i saw

372

00:13:01,350 --> 00:13:00,160

john alexander lecture at

373

00:13:10,310 --> 00:13:01,360

the

374

00:13:11,990 --> 00:13:10,320

for like a year straight it was great

375

00:13:15,350 --> 00:13:12,000

saw george knapp there i took i took

376

00:13:17,829 --> 00:13:15,360

people who are not into ufos to see nap

377

00:13:20,790 --> 00:13:17,839

they kind of liked it um and then

378

00:13:23,670 --> 00:13:20,800

alexander we saw and my ex-wife was like

379

00:13:25,990 --> 00:13:23,680

he's really creepy i i think that's the

380

00:13:27,910 --> 00:13:26,000

word she used um his lecture was fine it

381

00:13:28,870 --> 00:13:27,920

was a little boring for her but i liked

382

00:13:35,509 --> 00:13:28,880

it

383

00:13:37,430 --> 00:13:35,519

together and we had conversations in the

384

00:13:39,030 --> 00:13:37,440

car that i wish we would have taped

385

00:13:40,389 --> 00:13:39,040

because they were really good saying you

386

00:13:42,150 --> 00:13:40,399

know what some people think this is

387

00:13:44,310 --> 00:13:42,160

demonic demonic

388

00:13:45,750 --> 00:13:44,320

could be you never know

389

00:13:47,590 --> 00:13:45,760

and then guy would talk about the black

390

00:13:49,110 --> 00:13:47,600

eyed children

391

00:13:50,310 --> 00:13:49,120

hopefully if guy has a question good to

392

00:13:52,629 --> 00:13:50,320

see you guy

393

00:13:55,350 --> 00:13:52,639

um

394

00:13:56,870 --> 00:13:55,360

yeah i mean i think several several of

395

00:13:58,470 --> 00:13:56,880

us could do

396

00:14:00,230 --> 00:13:58,480

a better interview just because we know

397

00:14:01,910 --> 00:14:00,240

the subject inside and out and there's

398

00:14:04,389 --> 00:14:01,920

better questions to ask i thought it was

399

00:14:06,310 --> 00:14:04,399

fine um

400

00:14:08,470 --> 00:14:06,320

and guy i have not seen all the new

401  
00:14:09,990 --> 00:14:08,480  
episodes of skinwalker ranch supposedly

402  
00:14:12,389 --> 00:14:10,000  
the activity has picked up i mean it

403  
00:14:13,750 --> 00:14:12,399  
goes up and down up and down um

404  
00:14:15,670 --> 00:14:13,760  
i need to see it and i need to write

405  
00:14:19,030 --> 00:14:15,680  
about it

406  
00:14:20,870 --> 00:14:19,040  
missed our chats too let me get back to

407  
00:14:22,710 --> 00:14:20,880  
tom talking about

408  
00:14:23,509 --> 00:14:22,720  
mutilations

409  
00:14:25,670 --> 00:14:23,519  
oh

410  
00:14:27,030 --> 00:14:25,680  
yeah so tom says government scientists

411  
00:14:28,389 --> 00:14:27,040  
are seeing something coming through in

412  
00:14:29,750 --> 00:14:28,399  
the sky

413  
00:14:31,509 --> 00:14:29,760

i don't know if he's talking about if

414

00:14:32,629 --> 00:14:31,519

that was before that happened but yeah

415

00:14:33,750 --> 00:14:32,639

they saw

416

00:14:35,590 --> 00:14:33,760

like it was almost like there was

417

00:14:37,670 --> 00:14:35,600

another world in the sky and these

418

00:14:39,670 --> 00:14:37,680

objects were coming through

419

00:14:41,110 --> 00:14:39,680

um but he says the camera electronics

420

00:14:42,310 --> 00:14:41,120

are missing so he said they saw

421

00:14:43,910 --> 00:14:42,320

something in the sky and then they ran

422

00:14:45,269 --> 00:14:43,920

down they opened up the electronics and

423

00:14:46,550 --> 00:14:45,279

everything was missing i'm like i don't

424

00:14:48,389 --> 00:14:46,560

know what he's talking about i've never

425

00:14:50,230 --> 00:14:48,399

heard that story maybe he's talking

426  
00:14:51,509 --> 00:14:50,240  
about when the wires were pulled from

427  
00:14:54,069 --> 00:14:51,519  
the cameras and there was nothing on

428  
00:14:56,550 --> 00:14:54,079  
camera even the one camera showing it

429  
00:14:58,550 --> 00:14:56,560  
didn't show it and then he says

430  
00:14:59,990 --> 00:14:58,560  
scientists were walking on a field and

431  
00:15:01,030 --> 00:15:00,000  
then they turned around and a cow was

432  
00:15:03,269 --> 00:15:01,040  
gone

433  
00:15:05,189 --> 00:15:03,279  
never heard that story i know

434  
00:15:07,110 --> 00:15:05,199  
i think one of the sons was walking and

435  
00:15:08,470 --> 00:15:07,120  
there was a cow and then next thing you

436  
00:15:10,150 --> 00:15:08,480  
know

437  
00:15:12,150 --> 00:15:10,160  
they turn around the cow was mutilated i

438  
00:15:14,069 --> 00:15:12,160

don't think it disappeared and then he

439

00:15:15,829 --> 00:15:14,079

said the cow had two broken legs and

440

00:15:17,670 --> 00:15:15,839

they got person ran in the house to get

441

00:15:19,509 --> 00:15:17,680

a gun and when he came back out it had

442

00:15:21,269 --> 00:15:19,519

four broken legs i had never i've never

443

00:15:22,790 --> 00:15:21,279

heard that story so maybe he has insider

444

00:15:24,710 --> 00:15:22,800

information or i just

445

00:15:25,509 --> 00:15:24,720

or i'm not remembering

446

00:15:26,710 --> 00:15:25,519

um

447

00:15:28,230 --> 00:15:26,720

talks about maybe it's an issue with

448

00:15:30,470 --> 00:15:28,240

time an issue of moving from here to

449

00:15:32,150 --> 00:15:30,480

there and people see the craft it's just

450

00:15:35,350 --> 00:15:32,160

wild hollywood doesn't need to

451  
00:15:38,710 --> 00:15:35,360  
sensationalize yeah i know but they do

452  
00:15:40,470 --> 00:15:38,720  
um talks about why mutilations occur and

453  
00:15:41,829 --> 00:15:40,480  
how maybe they're testing our food

454  
00:15:43,430 --> 00:15:41,839  
source

455  
00:15:45,509 --> 00:15:43,440  
um

456  
00:15:47,430 --> 00:15:45,519  
and tom says he has ideas about that not

457  
00:15:49,030 --> 00:15:47,440  
facts he doesn't have science in his the

458  
00:15:51,430 --> 00:15:49,040  
science in his head he heard scientists

459  
00:15:54,389 --> 00:15:51,440  
discuss tracking our food supply which

460  
00:15:56,550 --> 00:15:54,399  
is a big part of what christopher

461  
00:15:58,230 --> 00:15:56,560  
o'brien wrote about in stalking to heard

462  
00:15:59,749 --> 00:15:58,240  
in his various interviews interviews

463  
00:16:01,670 --> 00:15:59,759

with him on youtube

464

00:16:03,829 --> 00:16:01,680

um and colin kelleher wrote a book

465

00:16:05,829 --> 00:16:03,839

related to bovine

466

00:16:09,590 --> 00:16:05,839

not bovine growth hormone that's he

467

00:16:10,710 --> 00:16:09,600

wrote a book about um mad cow disease uh

468

00:16:12,870 --> 00:16:10,720

it's called

469

00:16:15,030 --> 00:16:12,880

mind food i think but you could go type

470

00:16:17,509 --> 00:16:15,040

in colin kelleher on

471

00:16:19,590 --> 00:16:17,519

on you on amazon it's that book and then

472

00:16:21,509 --> 00:16:19,600

hunt for the skinwalker tom says it's

473

00:16:23,030 --> 00:16:21,519

related to genetics and genetics related

474

00:16:24,790 --> 00:16:23,040

to man and

475

00:16:26,310 --> 00:16:24,800

blood samples and the glands and

476  
00:16:28,310 --> 00:16:26,320  
activities been happening for decades

477  
00:16:29,749 --> 00:16:28,320  
and decades in that area and cattle

478  
00:16:32,069 --> 00:16:29,759  
mutilations too and people have been

479  
00:16:33,749 --> 00:16:32,079  
studied for 30 years and it's happening

480  
00:16:35,350 --> 00:16:33,759  
in a way where we can't pull it off

481  
00:16:36,790 --> 00:16:35,360  
talking about supposedly allegedly

482  
00:16:40,230 --> 00:16:36,800  
organs being pulled out without an

483  
00:16:46,550 --> 00:16:40,240  
incision which i have not seen

484  
00:16:51,430 --> 00:16:49,829  
uh what other questions

485  
00:16:52,710 --> 00:16:51,440  
skinwalker makes oak island look

486  
00:16:53,829 --> 00:16:52,720  
professional i haven't seen the second

487  
00:16:55,590 --> 00:16:53,839  
season the first season i was

488  
00:16:57,110 --> 00:16:55,600

disappointed with the way they edited it

489

00:16:59,430 --> 00:16:57,120

because i've seen enough editing to no

490

00:17:00,790 --> 00:16:59,440

fake reaction shots and they were there

491

00:17:03,350 --> 00:17:00,800

i saw the first two episodes of

492

00:17:07,110 --> 00:17:03,360

skinwalker this year and it was better

493

00:17:09,909 --> 00:17:07,120

um i don't remember a calf disappearing

494

00:17:11,909 --> 00:17:09,919

i mean there are bulls that were found

495

00:17:13,270 --> 00:17:11,919

in a trailer which they should not have

496

00:17:15,429 --> 00:17:13,280

been able to get in the trailer and i

497

00:17:21,750 --> 00:17:15,439

couldn't miss i could miss

498

00:17:21,760 --> 00:17:24,630

so

499

00:17:28,390 --> 00:17:25,990

sammy vance says

500

00:17:30,470 --> 00:17:28,400

not a skeptic

501  
00:17:32,470 --> 00:17:30,480  
by any stretch of the imagination he

502  
00:17:33,830 --> 00:17:32,480  
wasn't surprised when the uap task force

503  
00:17:35,350 --> 00:17:33,840  
came out

504  
00:17:37,029 --> 00:17:35,360  
uh with the report and said he

505  
00:17:39,270 --> 00:17:37,039  
understood what it was going to be and

506  
00:17:41,430 --> 00:17:39,280  
somebody texted me

507  
00:17:43,669 --> 00:17:41,440  
who's aware of how the intelligence

508  
00:17:45,430 --> 00:17:43,679  
world works and they said that semivan

509  
00:17:47,029 --> 00:17:45,440  
nailed this and he and semivin said it's

510  
00:17:47,990 --> 00:17:47,039  
just an outline what they were planning

511  
00:17:49,270 --> 00:17:48,000  
on doing

512  
00:17:51,590 --> 00:17:49,280  
they didn't have enough time to make a

513  
00:17:54,070 --> 00:17:51,600

substantial report

514

00:17:56,470 --> 00:17:54,080

only 144 incidents that's what semi man

515

00:17:58,150 --> 00:17:56,480

says from the navy he's like oh my god

516

00:18:01,029 --> 00:17:58,160

he goes there are hundreds of thousands

517

00:18:02,549 --> 00:18:01,039

of incidents by credible people i don't

518

00:18:04,150 --> 00:18:02,559

know about hundreds of thousands but

519

00:18:05,270 --> 00:18:04,160

there's definitely i would think tens of

520

00:18:06,630 --> 00:18:05,280

thousands i don't know if anybody

521

00:18:09,190 --> 00:18:06,640

measured maybe there are hundreds of

522

00:18:10,070 --> 00:18:09,200

thousands it seemed like a lot

523

00:18:11,750 --> 00:18:10,080

but

524

00:18:13,350 --> 00:18:11,760

since the 40s

525

00:18:14,950 --> 00:18:13,360

he took shots at the air force which was

526

00:18:16,710 --> 00:18:14,960

kind of cool he's like where the hell

527

00:18:18,470 --> 00:18:16,720

has the air force been

528

00:18:19,990 --> 00:18:18,480

um he goes i don't know why and then he

529

00:18:22,150 --> 00:18:20,000

said well i kind of sort of do but then

530

00:18:23,590 --> 00:18:22,160

he doesn't say anything why

531

00:18:26,310 --> 00:18:23,600

most important piece was defense

532

00:18:28,150 --> 00:18:26,320

secretary memo the next day

533

00:18:30,070 --> 00:18:28,160

saying knock it off the cat's out of the

534

00:18:31,909 --> 00:18:30,080

bed we're gonna go after this people

535

00:18:34,470 --> 00:18:31,919

will have to answer questions and money

536

00:18:37,830 --> 00:18:34,480

will be directed to it he said that is

537

00:18:37,840 --> 00:18:42,630

let's see

538

00:18:48,150 --> 00:18:44,870

yeah lavender said it was a the coven

539

00:18:51,029 --> 00:18:48,160

hang up was the problem

540

00:18:53,750 --> 00:18:51,039

with the next book of secret machines

541

00:18:55,430 --> 00:18:53,760

war i'm really curious to see how war is

542

00:18:58,070 --> 00:18:55,440

compared to how this interview was

543

00:18:59,750 --> 00:18:58,080

because you watch this interview and

544

00:19:02,150 --> 00:18:59,760

there's no threat they're just trying to

545

00:19:04,150 --> 00:19:02,160

guide humanity into the future and

546

00:19:06,710 --> 00:19:04,160

you know and mold us into the next

547

00:19:08,830 --> 00:19:06,720

evolution of mankind i hope so that

548

00:19:11,990 --> 00:19:08,840

would be great

549

00:19:13,669 --> 00:19:12,000

um so jim says the these uap or whatever

550

00:19:15,990 --> 00:19:13,679

the hell they are they're not russian

551  
00:19:18,310 --> 00:19:16,000  
and they're not chinese and they're not

552  
00:19:20,630 --> 00:19:18,320  
ours they're just not

553  
00:19:23,270 --> 00:19:20,640  
nothing left except something else what

554  
00:19:25,590 --> 00:19:23,280  
is it i don't know on the ufo classified

555  
00:19:27,590 --> 00:19:25,600  
show i said it was a non-human text best

556  
00:19:28,950 --> 00:19:27,600  
description science doesn't have the

557  
00:19:31,350 --> 00:19:28,960  
ability to look at this in a way that

558  
00:19:33,750 --> 00:19:31,360  
they want to look at it not their fault

559  
00:19:34,950 --> 00:19:33,760  
there's no reliability no predictability

560  
00:19:36,310 --> 00:19:34,960  
that's the one thing with science they

561  
00:19:38,870 --> 00:19:36,320  
want to have something that's replicable

562  
00:19:40,390 --> 00:19:38,880  
but you can't you know you can't have a

563  
00:19:41,830 --> 00:19:40,400

ufo sighting and every day you're gonna

564

00:19:43,430 --> 00:19:41,840

go and see it every day although there

565

00:19:45,750 --> 00:19:43,440

are people who believe you can find

566

00:19:48,310 --> 00:19:45,760

patterns like that um jim says semivan

567

00:19:51,110 --> 00:19:48,320

says it plays with us teases us cajoles

568

00:19:53,110 --> 00:19:51,120

us he gets close but not too close

569

00:19:54,950 --> 00:19:53,120

some have had close-up encounters up

570

00:19:57,750 --> 00:19:54,960

close and personal and others

571

00:19:59,990 --> 00:19:57,760

not and he mentions the navy and i i

572

00:20:03,110 --> 00:20:00,000

think what he was saying

573

00:20:04,870 --> 00:20:03,120

was the 2009 incidents but he didn't say

574

00:20:06,310 --> 00:20:04,880

and i wish they would have pushed them

575

00:20:09,830 --> 00:20:06,320

on that because there's so much debate

576  
00:20:13,669 --> 00:20:11,270  
yes

577  
00:20:16,230 --> 00:20:13,679  
artie clark i need to look into i have a

578  
00:20:20,710 --> 00:20:16,240  
i have a doc i have a youtube

579  
00:20:21,510 --> 00:20:20,720  
interview with him lined up to watch

580  
00:20:22,549 --> 00:20:21,520  
what

581  
00:20:24,470 --> 00:20:22,559  
yeah

582  
00:20:26,070 --> 00:20:24,480  
jimmy sammy man said that that the

583  
00:20:27,750 --> 00:20:26,080  
government and tom said they don't the

584  
00:20:29,350 --> 00:20:27,760  
government doesn't all know know all

585  
00:20:31,909 --> 00:20:29,360  
that much about the phenomenon i think

586  
00:20:33,350 --> 00:20:31,919  
some people the overwhel over

587  
00:20:35,029 --> 00:20:33,360  
overall

588  
00:20:36,710 --> 00:20:35,039

government does not know what's going on

589

00:20:38,230 --> 00:20:36,720

but i think as i've said there are

590

00:20:39,750 --> 00:20:38,240

people within the government that know

591

00:20:41,270 --> 00:20:39,760

and he's kind of hinted we'll get to

592

00:20:43,110 --> 00:20:41,280

that i thought that semivan did hint at

593

00:20:44,070 --> 00:20:43,120

that or even said it

594

00:20:46,310 --> 00:20:44,080

uh

595

00:20:48,390 --> 00:20:46,320

uap toronto

596

00:20:50,070 --> 00:20:48,400

some events said he'd be dead before we

597

00:20:51,510 --> 00:20:50,080

get the truth i think people need to

598

00:20:53,270 --> 00:20:51,520

take that seriously just so they get

599

00:20:55,430 --> 00:20:53,280

their expectations down that's why lou

600

00:20:57,430 --> 00:20:55,440

said marathon and

601  
00:20:58,870 --> 00:20:57,440  
and once again my friend friend nicole

602  
00:21:01,909 --> 00:20:58,880  
said you know this is we're doing this

603  
00:21:03,430 --> 00:21:01,919  
for our kids our kids kids so um i

604  
00:21:05,029 --> 00:21:03,440  
haven't read chasing shadows i need to

605  
00:21:07,190 --> 00:21:05,039  
get to the fiction i am not a fiction

606  
00:21:09,029 --> 00:21:07,200  
guy and i know it's supposedly based on

607  
00:21:10,390 --> 00:21:09,039  
true you know true events but then you

608  
00:21:11,909 --> 00:21:10,400  
hear this interview and it seems like

609  
00:21:13,669 --> 00:21:11,919  
really he just seems like he's just

610  
00:21:14,470 --> 00:21:13,679  
blown off what his advisors have told

611  
00:21:17,190 --> 00:21:14,480  
him

612  
00:21:19,350 --> 00:21:17,200  
um

613  
00:21:20,230 --> 00:21:19,360

so

614

00:21:21,590 --> 00:21:20,240

yeah

615

00:21:23,669 --> 00:21:21,600

tom said on rogan they're building an

616

00:21:25,190 --> 00:21:23,679

anti-gravity machine and he did say he

617

00:21:27,510 --> 00:21:25,200

hinted at that way he said we're saying

618

00:21:29,750 --> 00:21:27,520

we can't compete with uh

619

00:21:31,990 --> 00:21:29,760

we can't compete with lockheed because

620

00:21:33,350 --> 00:21:32,000

of covert and everything happened but

621

00:21:35,510 --> 00:21:33,360

semivans said it would take a hundred

622

00:21:37,190 --> 00:21:35,520

years maybe for us to get that

623

00:21:38,710 --> 00:21:37,200

other people think we already have it

624

00:21:41,830 --> 00:21:38,720

and just have to get it out of black

625

00:21:43,990 --> 00:21:41,840

world i still don't know about that

626  
00:21:46,710 --> 00:21:44,000  
and

627  
00:21:47,990 --> 00:21:46,720  
so sami mentions the navy he says what

628  
00:21:49,990 --> 00:21:48,000  
are these uh

629  
00:21:51,270 --> 00:21:50,000  
these 2019 events i guess what is it

630  
00:21:52,710 --> 00:21:51,280  
what is what are these events saying

631  
00:21:54,149 --> 00:21:52,720  
what are they trying to communicate with

632  
00:21:56,549 --> 00:21:54,159  
us we're trying are they trying to

633  
00:21:57,430 --> 00:21:56,559  
affect us social culturally which is a

634  
00:21:59,830 --> 00:21:57,440  
really

635  
00:22:01,430 --> 00:21:59,840  
that's jacques valet right there i mean

636  
00:22:04,630 --> 00:22:01,440  
that's the control system which he talks

637  
00:22:06,310 --> 00:22:04,640  
about and that's our best hope

638  
00:22:08,230 --> 00:22:06,320

for whatever reason they want to affect

639

00:22:10,470 --> 00:22:08,240

us you know it may just be for their own

640

00:22:12,230 --> 00:22:10,480

personal selfish reasons but if it helps

641

00:22:13,990 --> 00:22:12,240

us in the end that's great you know if

642

00:22:15,830 --> 00:22:14,000

they're living here and they want to

643

00:22:17,669 --> 00:22:15,840

make sure we don't destroy the planet

644

00:22:19,830 --> 00:22:17,679

while we're still here and they're here

645

00:22:22,630 --> 00:22:19,840

they could be shaping us social

646

00:22:24,549 --> 00:22:22,640

culturally with sightings and

647

00:22:27,270 --> 00:22:24,559

close encounters um

648

00:22:29,430 --> 00:22:27,280

but i don't know he goes he goes hell

649

00:22:31,190 --> 00:22:29,440

yeah mutilations are real but we don't

650

00:22:32,870 --> 00:22:31,200

know what it means what's happening it's

651

00:22:33,990 --> 00:22:32,880

a real effect all of us are looking at

652

00:22:36,230 --> 00:22:34,000

it and

653

00:22:37,590 --> 00:22:36,240

um the whole phenomenon back to we're

654

00:22:39,830 --> 00:22:37,600

all looking at it and it changes

655

00:22:40,710 --> 00:22:39,840

cultural cultural norms change things

656

00:22:44,390 --> 00:22:40,720

change

657

00:22:46,470 --> 00:22:44,400

mechanism and he gives a shout out to

658

00:22:50,070 --> 00:22:46,480

valet very difficult road ahead for

659

00:22:54,470 --> 00:22:52,630

clearly not human as we know it that's a

660

00:22:56,149 --> 00:22:54,480

great place that's a great way to say

661

00:22:57,830 --> 00:22:56,159

because it could be human i mean i had

662

00:23:00,950 --> 00:22:57,840

somebody tell me that there are a lot of

663

00:23:02,870 --> 00:23:00,960

this is related to our relatives

664

00:23:04,789 --> 00:23:02,880

this person said a lot of stuff and one

665

00:23:06,549 --> 00:23:04,799

aspect is related to relatives of ours

666

00:23:09,110 --> 00:23:06,559

so if it is then that's

667

00:23:11,230 --> 00:23:09,120

kind of like a human and then jim you

668

00:23:14,310 --> 00:23:11,240

know and we know about lou who said

669

00:23:15,909 --> 00:23:14,320

mankind's plural so

670

00:23:19,590 --> 00:23:15,919

i don't know it's different opinions

671

00:23:23,510 --> 00:23:21,830

yeah the the we won't be alive is

672

00:23:24,710 --> 00:23:23,520

something i think it's good to think

673

00:23:27,029 --> 00:23:24,720

like that but

674

00:23:29,350 --> 00:23:27,039

doesn't mean you can't hope for

675

00:23:35,190 --> 00:23:29,360

progress things happen unexpectedly i

676  
00:23:38,870 --> 00:23:36,630  
yeah i know there are supposedly a lot

677  
00:23:40,230 --> 00:23:38,880  
of people who can have a lot of people

678  
00:23:43,190 --> 00:23:40,240  
who invented stuff and they say they

679  
00:23:45,590 --> 00:23:43,200  
were suppressed i mean she had jim

680  
00:23:48,470 --> 00:23:45,600  
help put off being asked by

681  
00:23:50,149 --> 00:23:48,480  
john peterson if he said

682  
00:23:51,430 --> 00:23:50,159  
steve mcgrier says that you were

683  
00:23:53,029 --> 00:23:51,440  
threatened you and your family were

684  
00:23:54,789 --> 00:23:53,039  
threatened if you kept working on this

685  
00:23:56,630 --> 00:23:54,799  
technology and

686  
00:23:58,630 --> 00:23:56,640  
put off nervously said

687  
00:23:59,909 --> 00:23:58,640  
that's not true it was really a weird

688  
00:24:02,470 --> 00:23:59,919

you ever get to see that it's a weird

689

00:24:04,310 --> 00:24:02,480

moment anyway it's greer so

690

00:24:06,310 --> 00:24:04,320

why why would peterson bring that up

691

00:24:08,070 --> 00:24:06,320

though peterson knows grier i mean they

692

00:24:09,590 --> 00:24:08,080

had a falling out over the disagreement

693

00:24:10,789 --> 00:24:09,600

with the

694

00:24:12,149 --> 00:24:10,799

um

695

00:24:14,070 --> 00:24:12,159

the cia

696

00:24:17,110 --> 00:24:14,080

briefing with

697

00:24:18,710 --> 00:24:17,120

in 1993 with james woolsey you know and

698

00:24:20,070 --> 00:24:18,720

that i have no doubt that happened and

699

00:24:21,750 --> 00:24:20,080

greer was invited you don't invite

700

00:24:23,990 --> 00:24:21,760

steven grier to talk about

701  
00:24:25,430 --> 00:24:24,000  
what's for dinner if you're the head of

702  
00:24:27,269 --> 00:24:25,440  
the cia

703  
00:24:29,430 --> 00:24:27,279  
more semivan he said government

704  
00:24:31,110 --> 00:24:29,440  
government perspective on this

705  
00:24:33,590 --> 00:24:31,120  
and if i get back to your questions

706  
00:24:35,750 --> 00:24:33,600  
and i and i missed it ask it again

707  
00:24:38,149 --> 00:24:35,760  
as an intelligence officer for a long

708  
00:24:39,669 --> 00:24:38,159  
time he goes talks about 1945 you know

709  
00:24:41,430 --> 00:24:39,679  
since the beginning this has been going

710  
00:24:44,070 --> 00:24:41,440  
on back to religions mentions the

711  
00:24:45,669 --> 00:24:44,080  
twining memo in 47. this is real and not

712  
00:24:47,350 --> 00:24:45,679  
fictitious

713  
00:24:49,590 --> 00:24:47,360

you know he says mentions project sign

714

00:24:52,470 --> 00:24:49,600

grudge blue book condon

715

00:24:55,430 --> 00:24:53,990

connie came out and they said listen

716

00:24:57,750 --> 00:24:55,440

this is all nonsense we're not going to

717

00:24:59,750 --> 00:24:57,760

study ufos anymore and and semi-man said

718

00:25:00,870 --> 00:24:59,760

that is absolute nonsense that's another

719

00:25:02,470 --> 00:25:00,880

great thing he said yeah it went

720

00:25:04,230 --> 00:25:02,480

underground

721

00:25:06,310 --> 00:25:04,240

he said no way with the air force and

722

00:25:07,430 --> 00:25:06,320

the intel community not study this

723

00:25:08,390 --> 00:25:07,440

there's no way they're going to give up

724

00:25:10,470 --> 00:25:08,400

on this

725

00:25:12,149 --> 00:25:10,480

it's a very real phenomena i don't think

726

00:25:14,070 --> 00:25:12,159

it's a threat he said that was a big

727

00:25:16,149 --> 00:25:14,080

deal so he doesn't think it's a threat

728

00:25:17,430 --> 00:25:16,159

he said it melinda leslie said that he

729

00:25:20,470 --> 00:25:17,440

said that so you know melinda's

730

00:25:22,470 --> 00:25:20,480

reporting accurate information

731

00:25:24,470 --> 00:25:22,480

other people said well let him define

732

00:25:25,990 --> 00:25:24,480

specifically what it is as a threat you

733

00:25:27,510 --> 00:25:26,000

know what is he talking about let's hear

734

00:25:30,149 --> 00:25:27,520

him say it i said i want to hear him say

735

00:25:31,669 --> 00:25:30,159

it he said it so it's like okay

736

00:25:32,950 --> 00:25:31,679

i hope he's right

737

00:25:34,310 --> 00:25:32,960

but i know there are other people that

738

00:25:35,510 --> 00:25:34,320

think differently

739

00:25:38,149 --> 00:25:35,520

um

740

00:25:40,470 --> 00:25:38,159

there may be some of this in deep black

741

00:25:41,909 --> 00:25:40,480

programs that are not you know telling

742

00:25:43,269 --> 00:25:41,919

you know that means they're not ignoring

743

00:25:44,710 --> 00:25:43,279

it they're studying it in deep black

744

00:25:46,789 --> 00:25:44,720

programs which makes us think if they

745

00:25:47,750 --> 00:25:46,799

have 70 or 80 years of data you're

746

00:25:49,510 --> 00:25:47,760

telling me

747

00:25:52,470 --> 00:25:49,520

like he said it's been seriously studied

748

00:25:54,630 --> 00:25:52,480

for for the last 70 or 80 years they

749

00:25:57,269 --> 00:25:54,640

they got to have some better idea than

750

00:25:59,990 --> 00:25:57,279

we do they have to they can't i can't be

751  
00:26:02,149 --> 00:26:00,000  
you know they still may not have motive

752  
00:26:03,830 --> 00:26:02,159  
but they have to know you know at least

753  
00:26:06,950 --> 00:26:03,840  
what these beings some of these means

754  
00:26:10,470 --> 00:26:06,960  
look like if we have crash retrievals

755  
00:26:12,630 --> 00:26:10,480  
um let's see your questions

756  
00:26:13,990 --> 00:26:12,640  
yes uh this person meant relatives to

757  
00:26:16,230 --> 00:26:14,000  
humans

758  
00:26:19,110 --> 00:26:16,240  
our relatives

759  
00:26:22,310 --> 00:26:21,110  
he has met brandon i didn't know that he

760  
00:26:23,990 --> 00:26:22,320  
talked about meeting someone with a ton

761  
00:26:26,549 --> 00:26:24,000  
of money while being at skinwalk i have

762  
00:26:27,430 --> 00:26:26,559  
not heard that

763  
00:26:31,909 --> 00:26:27,440

jim

764

00:26:33,510 --> 00:26:31,919

healing the blind we'll get to that uh

765

00:26:35,110 --> 00:26:33,520

people being healed and then tom said

766

00:26:37,350 --> 00:26:35,120

you know that happens in all religions

767

00:26:39,110 --> 00:26:37,360

that's kind of what michael thinks

768

00:26:40,630 --> 00:26:39,120

um definitely thought of michael when i

769

00:26:42,310 --> 00:26:40,640

heard that

770

00:26:44,230 --> 00:26:42,320

i don't know exactly when his surgery is

771

00:26:46,070 --> 00:26:44,240

going on it could be now i didn't hear

772

00:26:48,870 --> 00:26:46,080

back from him

773

00:26:50,710 --> 00:26:48,880

go make coffee julie

774

00:26:54,549 --> 00:26:50,720

i have to eat soon but we're going

775

00:26:54,559 --> 00:26:57,830

where is it

776  
00:27:01,430 --> 00:26:59,750  
so he brings up project stargate which

777  
00:27:03,669 --> 00:27:01,440  
was the remote viewing program and that

778  
00:27:04,710 --> 00:27:03,679  
program started when we found out the

779  
00:27:06,789 --> 00:27:04,720  
russians

780  
00:27:09,029 --> 00:27:06,799  
i know any lieberwicz goes further back

781  
00:27:10,789 --> 00:27:09,039  
but i was introduced to it learning that

782  
00:27:13,029 --> 00:27:10,799  
the russians were doing psychic

783  
00:27:14,789 --> 00:27:13,039  
experiments so we needed to find out

784  
00:27:17,110 --> 00:27:14,799  
could the russians spy on us and get

785  
00:27:19,510 --> 00:27:17,120  
data you know psychically so we started

786  
00:27:22,789 --> 00:27:19,520  
our own program with

787  
00:27:24,630 --> 00:27:22,799  
hal put off and engel swann and i think

788  
00:27:25,590 --> 00:27:24,640

elisando says put off i'm not sure if

789

00:27:27,190 --> 00:27:25,600

that's the

790

00:27:30,549 --> 00:27:27,200

right pronunciation i always said put

791

00:27:32,549 --> 00:27:30,559

off uh ingoswan and russell targ and

792

00:27:34,870 --> 00:27:32,559

other people that are mad that they're

793

00:27:36,230 --> 00:27:34,880

not mentioned i forget the one guy's

794

00:27:37,590 --> 00:27:36,240

name he always gets mad that he's not

795

00:27:38,870 --> 00:27:37,600

mentioned in the beginning and i forgot

796

00:27:41,430 --> 00:27:38,880

his name

797

00:27:43,029 --> 00:27:41,440

um he talks about other tech crazy tech

798

00:27:45,350 --> 00:27:43,039

you didn't even know exists but does

799

00:27:46,950 --> 00:27:45,360

exist and other countries are working on

800

00:27:48,149 --> 00:27:46,960

it if you tell your friends you tell

801  
00:27:49,909 --> 00:27:48,159  
your neighbor in other words we can't

802  
00:27:51,269 --> 00:27:49,919  
let ufo information out that's what he's

803  
00:27:52,470 --> 00:27:51,279  
saying he says and don't blame he

804  
00:27:54,310 --> 00:27:52,480  
doesn't blame the government for not

805  
00:27:55,830 --> 00:27:54,320  
wanting to share it

806  
00:27:57,750 --> 00:27:55,840  
um

807  
00:27:59,750 --> 00:27:57,760  
skeptics say i don't know what it is

808  
00:28:01,190 --> 00:27:59,760  
that's fine we have no problem when

809  
00:28:02,789 --> 00:28:01,200  
skeptics say that that's not what the

810  
00:28:05,430 --> 00:28:02,799  
skeptics that we have a problem with are

811  
00:28:07,669 --> 00:28:05,440  
saying they're saying it's glare it's a

812  
00:28:09,590 --> 00:28:07,679  
it's it's a glitch in the new software

813  
00:28:11,190 --> 00:28:09,600

it's just ignorant statements especially

814

00:28:13,190 --> 00:28:11,200

when people are seeing it with their own

815

00:28:13,990 --> 00:28:13,200

eyes or on floor

816

00:28:16,710 --> 00:28:14,000

um

817

00:28:18,789 --> 00:28:16,720

yeah i do want to see more of the

818

00:28:21,990 --> 00:28:18,799

the uh semi uh the

819

00:28:23,029 --> 00:28:22,000

fravor dietrich and slate visual

820

00:28:25,909 --> 00:28:23,039

sighting

821

00:28:28,310 --> 00:28:25,919

and the people in the hawkeye um

822

00:28:30,149 --> 00:28:28,320

but we don't we have so little cases to

823

00:28:32,310 --> 00:28:30,159

even know the details or hear from these

824

00:28:33,990 --> 00:28:32,320

people i'm sure i hope those cases exist

825

00:28:35,750 --> 00:28:34,000

i mean i don't know what they saw with

826

00:28:37,510 --> 00:28:35,760

this 23-minute video if it was visually

827

00:28:38,470 --> 00:28:37,520

or just one instrument

828

00:28:40,710 --> 00:28:38,480

um

829

00:28:42,149 --> 00:28:40,720

he says skeptics

830

00:28:44,070 --> 00:28:42,159

tell them they don't know what it is

831

00:28:45,830 --> 00:28:44,080

that's fine just don't tell me it

832

00:28:47,029 --> 00:28:45,840

belongs to china or russia that's

833

00:28:48,710 --> 00:28:47,039

nonsense

834

00:28:51,269 --> 00:28:48,720

of course you know what people are going

835

00:28:54,070 --> 00:28:51,279

to say that's jim semivan

836

00:28:55,430 --> 00:28:54,080

it's the psyop it's it's russia or china

837

00:28:57,430 --> 00:28:55,440

they know what it is and like i have my

838

00:28:59,269 --> 00:28:57,440

own source who said if it was china or

839

00:29:01,110 --> 00:28:59,279

russia we would tell you and then people

840

00:29:02,470 --> 00:29:01,120

are like no they wouldn't

841

00:29:04,630 --> 00:29:02,480

so that's semivan if you think he's

842

00:29:05,750 --> 00:29:04,640

lying he's he's the expert liar all

843

00:29:07,190 --> 00:29:05,760

right

844

00:29:09,269 --> 00:29:07,200

he says when you've been read in you

845

00:29:11,029 --> 00:29:09,279

know that it's not china or russia i

846

00:29:13,430 --> 00:29:11,039

like that too

847

00:29:18,389 --> 00:29:13,440

um

848

00:29:24,549 --> 00:29:20,149

it's it's going too fast i can't keep up

849

00:29:28,310 --> 00:29:26,070

let's see tom kind of made it seem like

850

00:29:30,470 --> 00:29:28,320

he doesn't know much like us and they

851  
00:29:32,870 --> 00:29:30,480  
know more but not that much more well

852  
00:29:35,029 --> 00:29:32,880  
and answering about recovered bodies

853  
00:29:36,710 --> 00:29:35,039  
somebody knows somebody knows that we've

854  
00:29:38,230 --> 00:29:36,720  
had bodies if we have bodies i think we

855  
00:29:39,590 --> 00:29:38,240  
do i don't know but

856  
00:29:41,269 --> 00:29:39,600  
i mean you know somebody knows i don't

857  
00:29:42,549 --> 00:29:41,279  
know how many people know

858  
00:29:44,389 --> 00:29:42,559  
um

859  
00:29:45,750 --> 00:29:44,399  
does jackie gleason know or did he know

860  
00:29:47,430 --> 00:29:45,760  
you know the whole nixon story which i

861  
00:29:50,630 --> 00:29:47,440  
love i don't know

862  
00:29:52,549 --> 00:29:50,640  
it's a great story told by his ex-wife

863  
00:29:54,470 --> 00:29:52,559

kalisa never spoke about it as far as i

864

00:29:57,269 --> 00:29:54,480

know

865

00:29:59,909 --> 00:29:57,279

uh any thoughts on brand new researchers

866

00:30:01,909 --> 00:29:59,919

out of nowhere on ufo twitter

867

00:30:04,230 --> 00:30:01,919

yeah it's really weird new people i have

868

00:30:05,830 --> 00:30:04,240

no problem with new people i just wish

869

00:30:07,430 --> 00:30:05,840

some are doing research and learning

870

00:30:10,389 --> 00:30:07,440

about cases but it's great it's it's

871

00:30:12,070 --> 00:30:10,399

great to learn on the fly but then

872

00:30:13,350 --> 00:30:12,080

there's some me the last couple of weeks

873

00:30:14,870 --> 00:30:13,360

have been stirring up [h\_\_h] and i

874

00:30:17,190 --> 00:30:14,880

understand the whole jacobs thing

875

00:30:18,549 --> 00:30:17,200

because people are mixed on that and i

876

00:30:19,750 --> 00:30:18,559

understand that i understand how it

877

00:30:20,870 --> 00:30:19,760

looks and

878

00:30:22,630 --> 00:30:20,880

i thought it

879

00:30:24,149 --> 00:30:22,640

i didn't know i didn't really form a

880

00:30:25,830 --> 00:30:24,159

really strong opinion until i started

881

00:30:27,190 --> 00:30:25,840

looking at the whole transcript and then

882

00:30:29,990 --> 00:30:27,200

i spoke to somebody and there's more to

883

00:30:31,830 --> 00:30:30,000

come out but i understand people's views

884

00:30:33,830 --> 00:30:31,840

on that i just don't understand why

885

00:30:35,190 --> 00:30:33,840

people think

886

00:30:37,430 --> 00:30:35,200

you know an experiencer who had

887

00:30:39,669 --> 00:30:37,440

something sexually done or allegedly can

888

00:30:41,269 --> 00:30:39,679

expect to go to the police i mean

889

00:30:43,190 --> 00:30:41,279

i know enough about sexual assault to

890

00:30:44,710 --> 00:30:43,200

know that women and men do not want to

891

00:30:45,990 --> 00:30:44,720

go to police it's not an easy thing to

892

00:30:48,230 --> 00:30:46,000

report i mean

893

00:30:50,789 --> 00:30:48,240

the sex kid go i mean the rape kit going

894

00:30:52,789 --> 00:30:50,799

through that it's like

895

00:30:54,549 --> 00:30:52,799

very invasive and and a lot of times

896

00:30:55,830 --> 00:30:54,559

they're not believed then they become

897

00:30:57,669 --> 00:30:55,840

the ones who are focused of the

898

00:30:58,950 --> 00:30:57,679

accusations did you lie did you go out

899

00:31:00,549 --> 00:30:58,960

late at night why did you go out that

900

00:31:03,110 --> 00:31:00,559

kind of stuff but i won't get into that

901  
00:31:05,029 --> 00:31:03,120  
unless people ask um

902  
00:31:06,470 --> 00:31:05,039  
tom says

903  
00:31:09,509 --> 00:31:06,480  
he didn't think they were coming from

904  
00:31:10,789 --> 00:31:09,519  
space yeah he did say that so but they

905  
00:31:12,149 --> 00:31:10,799  
also talked about coming from different

906  
00:31:14,230 --> 00:31:12,159  
times where time goes backwards and

907  
00:31:16,549 --> 00:31:14,240  
forwards and he didn't

908  
00:31:19,110 --> 00:31:16,559  
say atlantis um

909  
00:31:20,789 --> 00:31:19,120  
ultra-terrestrial that

910  
00:31:21,669 --> 00:31:20,799  
i've heard from other people

911  
00:31:23,430 --> 00:31:21,679  
um

912  
00:31:25,590 --> 00:31:23,440  
which i think would just be based on

913  
00:31:27,590 --> 00:31:25,600

here on this planet native to this

914

00:31:29,990 --> 00:31:27,600

planet

915

00:31:31,669 --> 00:31:30,000

um and like i said it's hard to keep up

916

00:31:33,990 --> 00:31:31,679

with everything

917

00:31:36,149 --> 00:31:34,000

the one big thing bug how do you not and

918

00:31:37,830 --> 00:31:36,159

unless semi-van is going to these people

919

00:31:39,990 --> 00:31:37,840

listen i will do this interview but you

920

00:31:42,070 --> 00:31:40,000

cannot ask me about my experience in

921

00:31:43,909 --> 00:31:42,080

college which according to grant cameron

922

00:31:45,669 --> 00:31:43,919

was a classic abduction where there was

923

00:31:48,389 --> 00:31:45,679

a little blood on his wife

924

00:31:52,389 --> 00:31:48,399

she got a little cut so

925

00:31:54,070 --> 00:31:52,399

if you if you weren't giving given the

926  
00:31:55,430 --> 00:31:54,080  
you know the information not to ask him

927  
00:31:57,750 --> 00:31:55,440  
how do you not ask him about his

928  
00:32:00,230 --> 00:31:57,760  
encounter i don't get that let's assume

929  
00:32:01,669 --> 00:32:00,240  
let's ask we can ask the guy who hopes

930  
00:32:03,430 --> 00:32:01,679  
the answers i don't know about the other

931  
00:32:05,350 --> 00:32:03,440  
guy but the theory of everything guy he

932  
00:32:06,870 --> 00:32:05,360  
can he can answer us we can say you guys

933  
00:32:08,870 --> 00:32:06,880  
told not to ask about that because you

934  
00:32:10,389 --> 00:32:08,880  
have to ask

935  
00:32:11,990 --> 00:32:10,399  
um

936  
00:32:13,509 --> 00:32:12,000  
yeah julie this

937  
00:32:14,389 --> 00:32:13,519  
there's a lot more that people don't

938  
00:32:15,909 --> 00:32:14,399

know and

939

00:32:18,549 --> 00:32:15,919

hopefully within the next year that's

940

00:32:22,149 --> 00:32:18,559

all i'm gonna say um still still not a

941

00:32:26,070 --> 00:32:23,909

yeah you said that you spoke to emma and

942

00:32:27,669 --> 00:32:26,080

i was hesitant to share that because it

943

00:32:28,389 --> 00:32:27,679

was backing up my point of view but i

944

00:32:30,630 --> 00:32:28,399

can't

945

00:32:32,789 --> 00:32:30,640

prove that you guys who talk to her i'm

946

00:32:33,990 --> 00:32:32,799

trying to talk to her

947

00:32:35,669 --> 00:32:34,000

because

948

00:32:37,830 --> 00:32:35,679

i really don't have a dog in the fight i

949

00:32:39,110 --> 00:32:37,840

mean i it just made me mad that people

950

00:32:41,190 --> 00:32:39,120

weren't reading the whole transcript

951  
00:32:42,389 --> 00:32:41,200  
before commenting that was the big deal

952  
00:32:44,230 --> 00:32:42,399  
and then i learned more and then we

953  
00:32:45,909 --> 00:32:44,240  
won't get into it but

954  
00:32:47,830 --> 00:32:45,919  
i'll talk to her you know

955  
00:32:48,950 --> 00:32:47,840  
i don't i'm not a big jacobs fan i never

956  
00:32:50,149 --> 00:32:48,960  
i never even checked the guy out i

957  
00:32:51,830 --> 00:32:50,159  
thought he was like i said he was

958  
00:32:53,830 --> 00:32:51,840  
arrogant that was my first impersonation

959  
00:32:55,269 --> 00:32:53,840  
but i impression but

960  
00:32:58,549 --> 00:32:55,279  
other people who have spoken to him have

961  
00:33:04,710 --> 00:32:58,559  
said very good things about him um

962  
00:33:07,830 --> 00:33:06,549  
we are relatives if they're traveling in

963  
00:33:10,789 --> 00:33:07,840

time and that's one of the things i was

964

00:33:12,230 --> 00:33:10,799

told by somebody who incredible person

965

00:33:14,149 --> 00:33:12,240

in our community talked about time

966

00:33:16,789 --> 00:33:14,159

travel

967

00:33:23,110 --> 00:33:18,870

gotta stop saying um

968

00:33:25,909 --> 00:33:24,389

yeah i don't

969

00:33:27,590 --> 00:33:25,919

we'll have to ask about that it really

970

00:33:29,750 --> 00:33:27,600

bothers me that you didn't people don't

971

00:33:31,430 --> 00:33:29,760

ask semi-bent about his experience i'm

972

00:33:34,470 --> 00:33:31,440

in dc and plan to go to anjali's press

973

00:33:36,549 --> 00:33:34,480

conference does that seem legit to me

974

00:33:38,470 --> 00:33:36,559

uh i think her background is legit i

975

00:33:39,990 --> 00:33:38,480

spoke to the person who verified her

976  
00:33:42,630 --> 00:33:40,000  
background so that checks out but her

977  
00:33:44,149 --> 00:33:42,640  
experience i have no idea i mean she has

978  
00:33:46,310 --> 00:33:44,159  
people in her family that said they had

979  
00:33:48,470 --> 00:33:46,320  
polar guys activity okay let's hear from

980  
00:33:50,230 --> 00:33:48,480  
them if she had poltergeist activity and

981  
00:33:51,269 --> 00:33:50,240  
all of them experienced it it would be

982  
00:33:52,870 --> 00:33:51,279  
it would

983  
00:33:54,230 --> 00:33:52,880  
give more credence to her experience

984  
00:33:55,830 --> 00:33:54,240  
because there's a connection between the

985  
00:33:57,269 --> 00:33:55,840  
two um

986  
00:33:58,950 --> 00:33:57,279  
i don't know i've seen her i saw her

987  
00:34:00,870 --> 00:33:58,960  
first channeling session it wasn't great

988  
00:34:02,870 --> 00:34:00,880

but you know credit to her for going out

989

00:34:04,470 --> 00:34:02,880

there and doing it

990

00:34:06,070 --> 00:34:04,480

some events personal experience and what

991

00:34:07,669 --> 00:34:06,080

he thought about the blood cells were

992

00:34:09,030 --> 00:34:07,679

two of the most common questions yeah

993

00:34:13,349 --> 00:34:09,040

that would have been a good one too i

994

00:34:14,389 --> 00:34:13,359

think i think bledsoe is part of

995

00:34:16,790 --> 00:34:14,399

of the

996

00:34:18,389 --> 00:34:16,800

making contact event the last i checked

997

00:34:20,069 --> 00:34:18,399

he was

998

00:34:22,950 --> 00:34:20,079

and i'll have an update on that whole

999

00:34:25,270 --> 00:34:22,960

thing in my participation

1000

00:34:26,869 --> 00:34:25,280

quote unquote with that back to what

1001  
00:34:28,389 --> 00:34:26,879  
they talked about tom said there was a

1002  
00:34:29,589 --> 00:34:28,399  
big wig and i got messed up on this it

1003  
00:34:31,109 --> 00:34:29,599  
was hard for me to keep up and then i

1004  
00:34:32,230 --> 00:34:31,119  
had to pause it

1005  
00:34:33,669 --> 00:34:32,240  
you know the person who told him you

1006  
00:34:34,869 --> 00:34:33,679  
know there's no evidence this is real

1007  
00:34:36,550 --> 00:34:34,879  
and tom went outside and there are two

1008  
00:34:38,389 --> 00:34:36,560  
guys who are working underneath that

1009  
00:34:41,430 --> 00:34:38,399  
person talk that wanted to talk about it

1010  
00:34:43,030 --> 00:34:41,440  
for an hour with tom um some people are

1011  
00:34:44,550 --> 00:34:43,040  
more open-minded than other others and

1012  
00:34:45,750 --> 00:34:44,560  
then he said the jason's did i

1013  
00:34:46,950 --> 00:34:45,760

understand what he was i don't know what

1014

00:34:49,669 --> 00:34:46,960

he's talking about maybe that's

1015

00:34:51,270 --> 00:34:49,679

something obvious i'm missing

1016

00:34:53,109 --> 00:34:51,280

um he said there's incredible science at

1017

00:34:55,030 --> 00:34:53,119

lockheed and all those places you know

1018

00:34:56,470 --> 00:34:55,040

we can use them you know they chose the

1019

00:34:58,150 --> 00:34:56,480

best and the brightest trying to figure

1020

00:34:59,670 --> 00:34:58,160

this out he's talking about

1021

00:35:02,550 --> 00:34:59,680

who could keep their mouth shut because

1022

00:35:03,670 --> 00:35:02,560

of national national security

1023

00:35:04,390 --> 00:35:03,680

they weren't

1024

00:35:06,230 --> 00:35:04,400

and

1025

00:35:07,750 --> 00:35:06,240

they weren't going to get oh he thought

1026  
00:35:09,510 --> 00:35:07,760  
they weren't going to get anything from

1027  
00:35:11,589 --> 00:35:09,520  
tom so it really didn't benefit him that

1028  
00:35:12,790 --> 00:35:11,599  
much to talk to him but they still did

1029  
00:35:14,230 --> 00:35:12,800  
and then other people are going to say

1030  
00:35:16,630 --> 00:35:14,240  
of course they benefited because they

1031  
00:35:18,310 --> 00:35:16,640  
fed him misinformation we're never gonna

1032  
00:35:20,550 --> 00:35:18,320  
get away from that it's you can always

1033  
00:35:21,990 --> 00:35:20,560  
throw out the disinformation

1034  
00:35:23,349 --> 00:35:22,000  
angle

1035  
00:35:25,349 --> 00:35:23,359  
he spoke to the

1036  
00:35:27,750 --> 00:35:25,359  
tom spoke to the former head of the task

1037  
00:35:29,750 --> 00:35:27,760  
force who i have not been able to learn

1038  
00:35:32,150 --> 00:35:29,760

his name

1039

00:35:33,030 --> 00:35:32,160

and asked what's the biggest change now

1040

00:35:35,910 --> 00:35:33,040

that we've

1041

00:35:37,349 --> 00:35:35,920

mainstream and this guy said the same

1042

00:35:39,910 --> 00:35:37,359

thing as lou for the first time ever we

1043

00:35:40,950 --> 00:35:39,920

can talk about ufos outside of a skiff

1044

00:35:42,310 --> 00:35:40,960

you know

1045

00:35:43,750 --> 00:35:42,320

in the pentagon

1046

00:35:46,550 --> 00:35:43,760

and then the three days what kept you up

1047

00:35:47,990 --> 00:35:46,560

for three days and you won't say

1048

00:35:49,670 --> 00:35:48,000

and then he said he skipped it and said

1049

00:35:51,349 --> 00:35:49,680

i learned from jim how to parse

1050

00:35:54,150 --> 00:35:51,359

information learn how to be skeptical

1051

00:35:56,310 --> 00:35:54,160

put pieces of information together

1052

00:35:58,150 --> 00:35:56,320

uh they're big thinkers i'm not talking

1053

00:36:02,390 --> 00:35:58,160

about um it's not i don't know if you

1054

00:36:04,069 --> 00:36:02,400

talk about the people around semiband

1055

00:36:05,430 --> 00:36:04,079

or the people who study ufos that we

1056

00:36:07,910 --> 00:36:05,440

don't know their names he talks they

1057

00:36:11,270 --> 00:36:07,920

study patterns and analyzing over time

1058

00:36:15,190 --> 00:36:12,790

and then he gets back to the question of

1059

00:36:16,790 --> 00:36:15,200

you know why was he kept it up at night

1060

00:36:18,710 --> 00:36:16,800

he said because it was just

1061

00:36:20,390 --> 00:36:18,720

understanding the stakes you know once

1062

00:36:21,670 --> 00:36:20,400

he realized this was real it kept him up

1063

00:36:23,430 --> 00:36:21,680

at night

1064

00:36:24,710 --> 00:36:23,440

although his original statement did not

1065

00:36:27,349 --> 00:36:24,720

sound like that it sounded like he was

1066

00:36:28,630 --> 00:36:27,359

talking about something specific

1067

00:36:30,069 --> 00:36:28,640

you know when he said knowing the three

1068

00:36:32,069 --> 00:36:30,079

videos were real when they when he got

1069

00:36:37,109 --> 00:36:32,079

those was a really big deal for him and

1070

00:36:37,119 --> 00:36:42,390

twitter nicole is

1071

00:36:48,310 --> 00:36:45,270

a minefield

1072

00:36:51,109 --> 00:36:48,320

the last couple of days oh my god

1073

00:36:53,510 --> 00:36:51,119

wait till i talk way too loud

1074

00:36:55,030 --> 00:36:53,520

for never mind it's going to talk about

1075

00:36:57,750 --> 00:36:55,040

rich ricker

1076

00:36:59,270 --> 00:36:57,760

richard dodie which always gets twitter

1077

00:37:01,270 --> 00:36:59,280

going because i see comments from dodie

1078

00:37:03,990 --> 00:37:01,280

that i don't even comment to

1079

00:37:08,390 --> 00:37:04,000

must not talk to dodie

1080

00:37:13,349 --> 00:37:11,190

and forgot his name

1081

00:37:15,670 --> 00:37:13,359

the temple guy um

1082

00:37:17,910 --> 00:37:15,680

during a blank anyway

1083

00:37:19,349 --> 00:37:17,920

tom in the threat he goes those were my

1084

00:37:20,470 --> 00:37:19,359

words you really you know here for a

1085

00:37:22,069 --> 00:37:20,480

long time

1086

00:37:23,670 --> 00:37:22,079

showing up in bed you know he says those

1087

00:37:26,630 --> 00:37:23,680

were my words i'm like really those were

1088

00:37:28,550 --> 00:37:26,640

your words because it surely sounded

1089

00:37:30,550 --> 00:37:28,560

like he was getting that from advisors

1090

00:37:32,630 --> 00:37:30,560

or informants that kind of like was a

1091

00:37:34,390 --> 00:37:32,640

cop out to me but i need to go back and

1092

00:37:36,550 --> 00:37:34,400

look at exact words because he talked

1093

00:37:38,069 --> 00:37:36,560

about threat i mean he said i'm pretty

1094

00:37:39,030 --> 00:37:38,079

sure he said he learned from somebody

1095

00:37:42,310 --> 00:37:39,040

that

1096

00:37:43,190 --> 00:37:42,320

ufos feed off of our negativity and they

1097

00:37:45,270 --> 00:37:43,200

you know

1098

00:37:47,589 --> 00:37:45,280

love is a nuclear missile to the

1099

00:37:50,310 --> 00:37:47,599

straight heart of the ufo and that i

1100

00:37:52,550 --> 00:37:50,320

don't think that came from him so he's

1101

00:37:54,790 --> 00:37:52,560

backtracking big time if i have to see

1102

00:37:56,390 --> 00:37:54,800

where that came from um

1103

00:37:57,910 --> 00:37:56,400

he said ufos have been here for a long

1104

00:37:59,589 --> 00:37:57,920

time they show up in bedrooms they show

1105

00:38:00,950 --> 00:37:59,599

up in front of f-18s they show up on

1106

00:38:02,630 --> 00:38:00,960

petroglyphs

1107

00:38:05,430 --> 00:38:02,640

obviously here for a reason doing

1108

00:38:07,990 --> 00:38:05,440

something and having an influence

1109

00:38:10,550 --> 00:38:08,000

on us and maybe just having an influence

1110

00:38:12,870 --> 00:38:10,560

on influence on where we went up wind up

1111

00:38:15,589 --> 00:38:12,880

or or this is where you got a little

1112

00:38:19,589 --> 00:38:15,599

negative suppressing us so where they

1113

00:38:22,069 --> 00:38:19,599

can take advantage of something so

1114

00:38:23,670 --> 00:38:22,079

that wouldn't be a threat but if they're

1115

00:38:24,630 --> 00:38:23,680

you know if they're taking advantage of

1116

00:38:26,150 --> 00:38:24,640

us

1117

00:38:27,910 --> 00:38:26,160

depends on what they're doing and if

1118

00:38:29,510 --> 00:38:27,920

it's for their benefit not ours that's

1119

00:38:31,589 --> 00:38:29,520

something we would like to know i would

1120

00:38:32,630 --> 00:38:31,599

think if we can stop it maybe maybe we

1121

00:38:33,910 --> 00:38:32,640

can't

1122

00:38:35,510 --> 00:38:33,920

um

1123

00:38:37,030 --> 00:38:35,520

you know this this thing is visiting us

1124

00:38:38,790 --> 00:38:37,040

it's not being forthright about its

1125

00:38:40,790 --> 00:38:38,800

intent and that's what eric davis always

1126

00:38:42,069 --> 00:38:40,800

says you know they're here but they

1127

00:38:43,349 --> 00:38:42,079

don't tell us why they don't tell us

1128

00:38:46,310 --> 00:38:43,359

what they're doing and

1129

00:38:47,190 --> 00:38:46,320

eric's opinion on ufos is all negative

1130

00:38:48,710 --> 00:38:47,200

um

1131

00:38:50,710 --> 00:38:48,720

he may be totally wrong i don't know

1132

00:38:51,910 --> 00:38:50,720

it's an opinion he you know

1133

00:38:54,790 --> 00:38:51,920

he's very

1134

00:38:56,069 --> 00:38:54,800

hesitant to give any facts except that

1135

00:38:57,990 --> 00:38:56,079

something physical is here and he

1136

00:39:02,390 --> 00:38:58,000

believes are off world

1137

00:39:06,870 --> 00:39:03,750

let me see if i can understand my notes

1138

00:39:08,710 --> 00:39:06,880

the way they the government thinks

1139

00:39:09,990 --> 00:39:08,720

hear about encounters

1140

00:39:12,710 --> 00:39:10,000

they i don't know what the hell i wrote

1141

00:39:13,670 --> 00:39:12,720

there um tom says he was out in colorado

1142

00:39:15,030 --> 00:39:13,680

springs

1143

00:39:17,270 --> 00:39:15,040

and with generals they were shooting the

1144

00:39:19,349 --> 00:39:17,280

[h\_\_h] and talks about his mom and jesus

1145

00:39:21,990 --> 00:39:19,359

and how she believes in jesus and even

1146

00:39:23,589 --> 00:39:22,000

if she saw jesus in the room

1147

00:39:24,630 --> 00:39:23,599

she would have a heart attack meaning

1148

00:39:25,990 --> 00:39:24,640

you know he doesn't understand how

1149

00:39:28,630 --> 00:39:26,000

people have these encounters and they

1150

00:39:30,790 --> 00:39:28,640

see it how they you know don't flip out

1151  
00:39:32,230 --> 00:39:30,800  
that's what danny sheehan talks about

1152  
00:39:34,550 --> 00:39:32,240  
learning the

1153  
00:39:36,550 --> 00:39:34,560  
the breathing method the stanford graph

1154  
00:39:39,349 --> 00:39:36,560  
speed breathing method which they talked

1155  
00:39:41,270 --> 00:39:39,359  
to one experimenter and supposedly she

1156  
00:39:44,069 --> 00:39:41,280  
learned it she got calm she saw the

1157  
00:39:45,990 --> 00:39:44,079  
being they were like oh she's calm we

1158  
00:39:48,190 --> 00:39:46,000  
can take her to see her hybrid children

1159  
00:39:51,270 --> 00:39:48,200  
so it's like our child so that's a story

1160  
00:39:54,150 --> 00:39:51,280  
danny sheehan told we all have to learn

1161  
00:39:57,670 --> 00:39:54,160  
the stanford stanislav graf method of

1162  
00:39:59,589 --> 00:39:57,680  
breathing it's a hypotropic

1163  
00:40:01,750 --> 00:39:59,599

breathing i think

1164

00:40:03,670 --> 00:40:01,760

um his mom supports him and doesn't

1165

00:40:07,190 --> 00:40:03,680

think it's evil

1166

00:40:08,630 --> 00:40:07,200

unlike my father who said ufos are

1167

00:40:10,710 --> 00:40:08,640

demonic

1168

00:40:13,190 --> 00:40:10,720

and when my mom heard about heaven's

1169

00:40:15,190 --> 00:40:13,200

gate committing suicide she asked me if

1170

00:40:17,030 --> 00:40:15,200

i knew those people

1171

00:40:19,510 --> 00:40:17,040

which was kind of funny i'm like no i

1172

00:40:21,829 --> 00:40:19,520

did not know heaven's gate not an occult

1173

00:40:24,870 --> 00:40:21,839

mom

1174

00:40:29,349 --> 00:40:27,270

yeah tom was

1175

00:40:31,270 --> 00:40:29,359

saying they're already here which he did

1176

00:40:33,030 --> 00:40:31,280

say a couple of times and

1177

00:40:34,150 --> 00:40:33,040

threat versus intent i don't know if

1178

00:40:35,510 --> 00:40:34,160

they're a threat i don't know if they're

1179

00:40:37,589 --> 00:40:35,520

what their intent is i don't know it

1180

00:40:39,190 --> 00:40:37,599

could be both it could be neither

1181

00:40:40,550 --> 00:40:39,200

like i said i hope semi-van is right and

1182

00:40:42,069 --> 00:40:40,560

it's not a threat we don't have to worry

1183

00:40:43,589 --> 00:40:42,079

about everything they're trying to shape

1184

00:40:45,910 --> 00:40:43,599

humanity for the future and help us

1185

00:40:47,190 --> 00:40:45,920

evolve to the next next level of human

1186

00:40:49,030 --> 00:40:47,200

being

1187

00:40:50,829 --> 00:40:49,040

so we can take our place in the cosmos

1188

00:40:54,309 --> 00:40:50,839

with our

1189

00:40:56,150 --> 00:40:54,319

mankinds um

1190

00:40:57,430 --> 00:40:56,160

any anyone know where to catch this long

1191

00:40:59,030 --> 00:40:57,440

interview is talking about yeah i don't

1192

00:41:00,470 --> 00:40:59,040

know the name of everybody else knows

1193

00:41:02,309 --> 00:41:00,480

the name there you go brian keating

1194

00:41:03,829 --> 00:41:02,319

channel

1195

00:41:05,270 --> 00:41:03,839

i also have i haven't linked on my

1196

00:41:07,349 --> 00:41:05,280

twitter

1197

00:41:09,990 --> 00:41:07,359

um and they talked about sarah scholes

1198

00:41:12,309 --> 00:41:10,000

got a question in um

1199

00:41:13,589 --> 00:41:12,319

but first he said once we learn what

1200

00:41:15,910 --> 00:41:13,599

these things are we'll merge

1201  
00:41:18,390 --> 00:41:15,920  
metaphysical consciousness type of

1202  
00:41:21,030 --> 00:41:18,400  
science with normal science that's kind

1203  
00:41:22,950 --> 00:41:21,040  
of like the spiritual science

1204  
00:41:25,750 --> 00:41:22,960  
melding although some people don't like

1205  
00:41:27,750 --> 00:41:25,760  
the word spiritual but metaphysical

1206  
00:41:29,190 --> 00:41:27,760  
i mean telepathy remote viewing whatever

1207  
00:41:30,870 --> 00:41:29,200  
you want to call that

1208  
00:41:33,750 --> 00:41:30,880  
i mean there's science being done on

1209  
00:41:35,510 --> 00:41:33,760  
that but we need the mainstream involved

1210  
00:41:37,910 --> 00:41:35,520  
everybody will be able to keep the

1211  
00:41:39,510 --> 00:41:37,920  
things they love that's tom's view

1212  
00:41:41,270 --> 00:41:39,520  
all religions will be able to keep

1213  
00:41:43,510 --> 00:41:41,280

everything the father son and holy

1214

00:41:44,870 --> 00:41:43,520

spirit will see it in a new way it'll be

1215

00:41:46,710 --> 00:41:44,880

connected to our connection in the

1216

00:41:49,349 --> 00:41:46,720

conscious into consciousness

1217

00:41:50,790 --> 00:41:49,359

doesn't think religion will crumble

1218

00:41:52,710 --> 00:41:50,800

yeah well

1219

00:41:54,630 --> 00:41:52,720

it depends on what it depends on what

1220

00:41:55,510 --> 00:41:54,640

the truth is depends on how it unfolds

1221

00:41:57,510 --> 00:41:55,520

you know

1222

00:41:58,870 --> 00:41:57,520

maybe not crumble but could take a major

1223

00:42:00,630 --> 00:41:58,880

hit

1224

00:42:03,190 --> 00:42:00,640

tells his mom that all religions have

1225

00:42:05,430 --> 00:42:03,200

stories about healing the blind because

1226

00:42:07,270 --> 00:42:05,440

as you know we talked about michael so

1227

00:42:08,710 --> 00:42:07,280

tom says it's not just one religion that

1228

00:42:11,670 --> 00:42:08,720

has that story

1229

00:42:13,670 --> 00:42:11,680

and he says it's physics which i agree

1230

00:42:15,670 --> 00:42:13,680

whatever's going on there's some aspect

1231

00:42:17,030 --> 00:42:15,680

of physics how it's going on

1232

00:42:18,230 --> 00:42:17,040

how the hell do we figure that out it

1233

00:42:19,510 --> 00:42:18,240

would be nice

1234

00:42:21,750 --> 00:42:19,520

um

1235

00:42:24,470 --> 00:42:21,760

sarah scholes had a question

1236

00:42:26,870 --> 00:42:24,480

and i'm not a sarah skulls fan a skulls

1237

00:42:28,550 --> 00:42:26,880

fan she's written some articles talking

1238

00:42:31,829 --> 00:42:28,560

about the

1239

00:42:33,750 --> 00:42:31,839

fleet that was with the

1240

00:42:36,230 --> 00:42:33,760

gimbal saying how do we know after the

1241

00:42:38,950 --> 00:42:36,240

video of the gimbal cuts off it just

1242

00:42:42,390 --> 00:42:38,960

wasn't a fleet of danish flyers

1243

00:42:44,230 --> 00:42:42,400

yeah our f-18s were were fooled by a

1244

00:42:46,630 --> 00:42:44,240

fleet of danish flyers in there whatever

1245

00:42:49,510 --> 00:42:46,640

planes they have i mean okay anyway she

1246

00:42:50,870 --> 00:42:49,520

said how does lou and melon leaving

1247

00:42:52,230 --> 00:42:50,880

affect the mission i don't know if she

1248

00:42:53,910 --> 00:42:52,240

paid for that question or they got it

1249

00:42:56,309 --> 00:42:53,920

because they know her but fine question

1250

00:42:58,630 --> 00:42:56,319

that's fine and tom said

1251

00:43:00,390 --> 00:42:58,640

uh the pandemic hurt

1252

00:43:02,470 --> 00:43:00,400

more government folks want to be part of

1253

00:43:04,309 --> 00:43:02,480

ttsa but there aren't enough slots

1254

00:43:06,550 --> 00:43:04,319

probably because they can't pay them

1255

00:43:09,109 --> 00:43:06,560

um that's that's one thing i always

1256

00:43:11,190 --> 00:43:09,119

heard behind the scenes always funding

1257

00:43:12,950 --> 00:43:11,200

funding funding is a major problem at

1258

00:43:14,630 --> 00:43:12,960

one point money was supposed to come

1259

00:43:16,309 --> 00:43:14,640

through it didn't come through tom

1260

00:43:19,510 --> 00:43:16,319

referenced that and just everything fell

1261

00:43:20,950 --> 00:43:19,520

apart all their plans um

1262

00:43:23,430 --> 00:43:20,960

and he said it put them in quicksand and

1263

00:43:25,190 --> 00:43:23,440

just cut you know waiting

1264

00:43:27,030 --> 00:43:25,200

and that's why their focus was

1265

00:43:28,950 --> 00:43:27,040

entertainment they were doing well with

1266

00:43:30,309 --> 00:43:28,960

you know unidentified so they focused on

1267

00:43:31,750 --> 00:43:30,319

that

1268

00:43:34,150 --> 00:43:31,760

whether or not there was some falling

1269

00:43:35,750 --> 00:43:34,160

out with lou and melon and lou was tired

1270

00:43:37,030 --> 00:43:35,760

of being you know kept from doing

1271

00:43:38,069 --> 00:43:37,040

interviews that could have played a role

1272

00:43:40,870 --> 00:43:38,079

too

1273

00:43:43,030 --> 00:43:40,880

um

1274

00:43:44,550 --> 00:43:43,040

couldn't keep up with lockheed

1275

00:43:45,670 --> 00:43:44,560

oh that's what he said so it's like yeah

1276

00:43:47,109 --> 00:43:45,680

he says we couldn't keep up with

1277

00:43:49,270 --> 00:43:47,119

lockheed well i don't think you ever

1278

00:43:51,670 --> 00:43:49,280

were a comp in competition with lockheed

1279

00:43:52,950 --> 00:43:51,680

you know let's be serious but maybe if

1280

00:43:54,630 --> 00:43:52,960

they had gotten the funding and could

1281

00:43:56,309 --> 00:43:54,640

hire the right people and they had the

1282

00:43:59,750 --> 00:43:56,319

right connections to the black world

1283

00:44:01,109 --> 00:43:59,760

that allegedly this technology exists

1284

00:44:02,230 --> 00:44:01,119

maybe they would have made progress on

1285

00:44:04,230 --> 00:44:02,240

that end

1286

00:44:06,069 --> 00:44:04,240

and he saw says hal still working on

1287

00:44:08,950 --> 00:44:06,079

things and he mentions very briefly he

1288

00:44:11,270 --> 00:44:08,960

hints at the crota with the army

1289

00:44:13,190 --> 00:44:11,280  
and how that was all affected by

1290

00:44:15,190 --> 00:44:13,200  
um

1291

00:44:16,950 --> 00:44:15,200  
kovid

1292

00:44:18,069 --> 00:44:16,960  
and mentions you know melon working on

1293

00:44:20,710 --> 00:44:18,079  
the scenes with congress and getting

1294

00:44:23,109 --> 00:44:20,720  
away from entertainment

1295

00:44:29,910 --> 00:44:23,119  
we're getting there um let's see if

1296

00:44:33,829 --> 00:44:32,230  
tom has millions yeah

1297

00:44:36,230 --> 00:44:33,839  
tom did not have to do this for money he

1298

00:44:37,829 --> 00:44:36,240  
could have he could have did a blink 182

1299

00:44:41,349 --> 00:44:37,839  
reunion

1300

00:44:42,870 --> 00:44:41,359  
once now kovid is going

1301

00:44:44,550 --> 00:44:42,880

um

1302

00:44:46,790 --> 00:44:44,560

put covert aside tom could have went

1303

00:44:48,150 --> 00:44:46,800

back to blink did a reunion and cleaned

1304

00:44:50,309 --> 00:44:48,160

up like you wouldn't believe because his

1305

00:44:52,309 --> 00:44:50,319

fans were clamoring for that and i am

1306

00:44:53,910 --> 00:44:52,319

not a blink fan never have been don't

1307

00:45:00,790 --> 00:44:53,920

like don't like his voice don't like the

1308

00:45:04,710 --> 00:45:03,510

oh really i didn't so keating goes live

1309

00:45:06,710 --> 00:45:04,720

and then he goes the subscription

1310

00:45:08,230 --> 00:45:06,720

afterwards i hope not hopefully people

1311

00:45:11,430 --> 00:45:08,240

can see that i need to save it because i

1312

00:45:16,550 --> 00:45:14,150

the cash grab flopped yes

1313

00:45:18,870 --> 00:45:16,560

hal put off joined tsa to become a

1314

00:45:21,030 --> 00:45:18,880

millionaire because hal put off was

1315

00:45:22,150 --> 00:45:21,040

really struggling to pay his rent

1316

00:45:23,190 --> 00:45:22,160

and um

1317

00:45:25,510 --> 00:45:23,200

no

1318

00:45:26,950 --> 00:45:25,520

yeah the funding didn't come through but

1319

00:45:28,550 --> 00:45:26,960

i heard that from other people and it

1320

00:45:31,430 --> 00:45:28,560

affected other things it affected things

1321

00:45:33,349 --> 00:45:31,440

outside of tts a2

1322

00:45:35,670 --> 00:45:33,359

specifics i can't talk about but just

1323

00:45:38,230 --> 00:45:35,680

nothing crazy just hiring people and

1324

00:45:39,829 --> 00:45:38,240

being being able being able to pay them

1325

00:45:41,270 --> 00:45:39,839

and i just sounded like kick green there

1326

00:45:43,750 --> 00:45:41,280

for a second

1327

00:45:45,190 --> 00:45:43,760

i have kid green audio but the agreement

1328

00:45:46,710 --> 00:45:45,200

is to transcribe and make it into

1329

00:45:47,430 --> 00:45:46,720

articles so i don't release his audio

1330

00:45:50,470 --> 00:45:47,440

but

1331

00:45:51,750 --> 00:45:50,480

i can impersonate kit green

1332

00:45:52,950 --> 00:45:51,760

why

1333

00:45:54,150 --> 00:45:52,960

how

1334

00:45:56,309 --> 00:45:54,160

where

1335

00:45:57,670 --> 00:45:56,319

that's a really good green impersonation

1336

00:45:59,190 --> 00:45:57,680

i don't know exactly what he was talking

1337

00:46:01,670 --> 00:45:59,200

about though i forget

1338

00:46:03,270 --> 00:46:01,680

um

1339

00:46:04,630 --> 00:46:03,280

really interesting guy and i will get

1340

00:46:06,309 --> 00:46:04,640

that interview out one day i just want

1341

00:46:08,150 --> 00:46:06,319

to add audio to it and it has to be

1342

00:46:09,589 --> 00:46:08,160

cleaned up it's not right i know this i

1343

00:46:11,270 --> 00:46:09,599

read through it and it's just i can see

1344

00:46:13,109 --> 00:46:11,280

it doesn't make sense some of it because

1345

00:46:15,589 --> 00:46:13,119

i have typos

1346

00:46:17,430 --> 00:46:15,599

um some events said lou and chris needed

1347

00:46:18,790 --> 00:46:17,440

to go their own way and away from

1348

00:46:20,470 --> 00:46:18,800

entertainment

1349

00:46:22,069 --> 00:46:20,480

they're both doing a great job both are

1350

00:46:23,910 --> 00:46:22,079

courageous he met with lou while he was

1351  
00:46:25,510 --> 00:46:23,920  
the head of atip when lou was the head

1352  
00:46:27,190 --> 00:46:25,520  
of atip and

1353  
00:46:29,750 --> 00:46:27,200  
he did some unofficial consulting he

1354  
00:46:32,550 --> 00:46:29,760  
said they're doing god's work

1355  
00:46:34,870 --> 00:46:32,560  
he mentions jj abrams and how they

1356  
00:46:37,829 --> 00:46:34,880  
mentioned that show as government this

1357  
00:46:39,589 --> 00:46:37,839  
info and i still have not watched it um

1358  
00:46:42,069 --> 00:46:39,599  
so that jim goes it's rather insulting

1359  
00:46:44,230 --> 00:46:42,079  
to me and all government folks that was

1360  
00:46:46,470 --> 00:46:44,240  
a little bit of my semiband voice

1361  
00:46:48,069 --> 00:46:46,480  
you can't have this info you know a

1362  
00:46:49,990 --> 00:46:48,079  
program this info program in the

1363  
00:46:51,829 --> 00:46:50,000

government oh yes you can they would do

1364

00:46:53,829 --> 00:46:51,839

it and not tell us about it and he said

1365

00:46:55,349 --> 00:46:53,839

i personally wouldn't do it just like

1366

00:46:56,870 --> 00:46:55,359

elizondo has said the same thing you

1367

00:46:59,030 --> 00:46:56,880

have to judge their character is he is

1368

00:46:59,990 --> 00:46:59,040

he putting on a front i don't get that

1369

00:47:01,990 --> 00:47:00,000

but

1370

00:47:03,270 --> 00:47:02,000

there will always be people accusing him

1371

00:47:04,950 --> 00:47:03,280

of that

1372

00:47:06,710 --> 00:47:04,960

he says you can't influence the public

1373

00:47:07,750 --> 00:47:06,720

it's called an operation you can't do

1374

00:47:10,470 --> 00:47:07,760

that

1375

00:47:13,349 --> 00:47:10,480

shows because they get i guess they

1376

00:47:15,270 --> 00:47:13,359

could you know edit his words

1377

00:47:16,630 --> 00:47:15,280

when he was in the cia he had lawyers

1378

00:47:17,750 --> 00:47:16,640

all around him to make sure what they

1379

00:47:21,430 --> 00:47:17,760

were doing

1380

00:47:22,790 --> 00:47:21,440

was legal and no mistakes were made

1381

00:47:25,109 --> 00:47:22,800

so they would you know they couldn't do

1382

00:47:27,589 --> 00:47:25,119

anything to harm a citizen

1383

00:47:29,829 --> 00:47:27,599

he goes that's bogus but i like mick

1384

00:47:32,549 --> 00:47:29,839

west he said that

1385

00:47:34,069 --> 00:47:32,559

mick west i need to develop a mick west

1386

00:47:35,829 --> 00:47:34,079

impersonation

1387

00:47:38,230 --> 00:47:35,839

is that true is that true jimmy do you

1388

00:47:40,069 --> 00:47:38,240

like me do you really like me jim i

1389

00:47:41,829 --> 00:47:40,079

don't know about that

1390

00:47:42,790 --> 00:47:41,839

that's a weak mick but it's my first

1391

00:47:44,470 --> 00:47:42,800

attempt

1392

00:47:49,750 --> 00:47:44,480

the last 10 years jim says wait let's

1393

00:47:53,109 --> 00:47:51,750

yeah i don't think they ever had enough

1394

00:47:54,630 --> 00:47:53,119

money for a spacecraft they were gonna

1395

00:47:56,309 --> 00:47:54,640

have to get some deal i think tom talked

1396

00:47:57,750 --> 00:47:56,319

about

1397

00:48:01,030 --> 00:47:57,760

making some deal with an aerospace

1398

00:48:02,150 --> 00:48:01,040

corporation that did not happen

1399

00:48:04,710 --> 00:48:02,160

did i really think they were ready to

1400

00:48:06,549 --> 00:48:04,720

create a craft i mean that wasn't on my

1401

00:48:08,309 --> 00:48:06,559

list of expectations but it would have

1402

00:48:09,190 --> 00:48:08,319

been cool

1403

00:48:11,829 --> 00:48:09,200

um

1404

00:48:15,270 --> 00:48:11,839

crota supposedly got hit with

1405

00:48:18,390 --> 00:48:17,030

covid but i don't think that's dead in

1406

00:48:23,910 --> 00:48:18,400

the water but it would be nice if they

1407

00:48:26,790 --> 00:48:24,870

yeah

1408

00:48:28,950 --> 00:48:26,800

lawyers i get it but he did address that

1409

00:48:30,710 --> 00:48:28,960

later on as far as the law and he did

1410

00:48:31,670 --> 00:48:30,720

not hide from the past of united states

1411

00:48:33,430 --> 00:48:31,680

government but if you think the

1412

00:48:35,589 --> 00:48:33,440

government is still doing stuff on us i

1413

00:48:37,349 --> 00:48:35,599

mean yeah i mean the whole echelon thing

1414

00:48:38,870 --> 00:48:37,359

so

1415

00:48:40,790 --> 00:48:38,880

you know

1416

00:48:42,870 --> 00:48:40,800

but as far as like

1417

00:48:45,349 --> 00:48:42,880

over overtly like going out of their way

1418

00:48:48,710 --> 00:48:45,359

and creating disinformation for us

1419

00:48:50,390 --> 00:48:48,720

he says no uh jim says the last 10 years

1420

00:48:51,190 --> 00:48:50,400

he consulted with the intel community

1421

00:48:53,510 --> 00:48:51,200

and

1422

00:48:55,190 --> 00:48:53,520

worked on counter biological weapons he

1423

00:48:57,270 --> 00:48:55,200

worked on pandemics talked about the

1424

00:48:59,270 --> 00:48:57,280

pandemics at him with people who did

1425

00:49:02,630 --> 00:48:59,280

nothing but talk about the coming coming

1426

00:49:04,150 --> 00:49:02,640

pandemic he warned people over and over

1427

00:49:05,750 --> 00:49:04,160

it was just a question of when he said

1428

00:49:07,430 --> 00:49:05,760

but nobody listens the government

1429

00:49:09,030 --> 00:49:07,440

doesn't listen congress doesn't listen

1430

00:49:11,430 --> 00:49:09,040

the senate doesn't listen

1431

00:49:14,470 --> 00:49:11,440

it's just like nine not just like 9 9 11

1432

00:49:15,829 --> 00:49:14,480

um he talks about the vaccine and

1433

00:49:17,030 --> 00:49:15,839

he said yeah i don't know how they i

1434

00:49:18,150 --> 00:49:17,040

don't know the signs of it but he said

1435

00:49:19,829 --> 00:49:18,160

they were you know they don't want to

1436

00:49:22,309 --> 00:49:19,839

create or even talk about creating

1437

00:49:25,589 --> 00:49:22,319

something until you know until covet

1438

00:49:27,750 --> 00:49:25,599

actually was here they waited um

1439

00:49:29,190 --> 00:49:27,760

he says uap are low probability high

1440

00:49:30,950 --> 00:49:29,200

impact events

1441

00:49:33,349 --> 00:49:30,960

uh and he don't he does not think that

1442

00:49:35,750 --> 00:49:33,359

uap ufos get the kind of attention they

1443

00:49:37,829 --> 00:49:35,760

deserve of course and then kurt says

1444

00:49:39,190 --> 00:49:37,839

wait a second the government

1445

00:49:41,510 --> 00:49:39,200

doesn't test

1446

00:49:43,510 --> 00:49:41,520

against us what about mk ultra and

1447

00:49:44,790 --> 00:49:43,520

mockingbird and blue book although i

1448

00:49:46,150 --> 00:49:44,800

don't know why he brought up blue book

1449

00:49:50,390 --> 00:49:46,160

um

1450

00:49:57,030 --> 00:49:52,790

what's the other one

1451  
00:50:03,109 --> 00:49:59,349  
he says he's uh kurt goes the government

1452  
00:50:04,710 --> 00:50:03,119  
does illegal stuff jim

1453  
00:50:07,190 --> 00:50:04,720  
and he says

1454  
00:50:09,670 --> 00:50:07,200  
jim says of course

1455  
00:50:11,430 --> 00:50:09,680  
government has done some terrible things

1456  
00:50:13,990 --> 00:50:11,440  
take mk ultra and experiment with

1457  
00:50:15,910 --> 00:50:14,000  
hallucinogenics terrible program

1458  
00:50:17,990 --> 00:50:15,920  
and they burned the files he said condon

1459  
00:50:19,670 --> 00:50:18,000  
was a total whitewash

1460  
00:50:21,589 --> 00:50:19,680  
you know we'll make funny we'll make fun

1461  
00:50:23,270 --> 00:50:21,599  
of people who see ufos

1462  
00:50:25,109 --> 00:50:23,280  
this is why they were taking it private

1463  
00:50:27,109 --> 00:50:25,119

they

1464

00:50:29,270 --> 00:50:27,119

told told highest level government that

1465

00:50:30,950 --> 00:50:29,280

they were doing this

1466

00:50:33,990 --> 00:50:30,960

uh he told

1467

00:50:36,710 --> 00:50:34,000

this was pretty cool he said

1468

00:50:38,150 --> 00:50:36,720

i guess when tsa was forming they told

1469

00:50:39,990 --> 00:50:38,160

i don't know if jim was the point man

1470

00:50:41,430 --> 00:50:40,000

probably told the highest levels of the

1471

00:50:43,270 --> 00:50:41,440

government that they were doing this

1472

00:50:44,549 --> 00:50:43,280

with tsa

1473

00:50:46,390 --> 00:50:44,559

um

1474

00:50:47,829 --> 00:50:46,400

he said you guys can't get this out for

1475

00:50:50,069 --> 00:50:47,839

whatever reason

1476

00:50:52,470 --> 00:50:50,079

um and they responded said go ahead just

1477

00:50:54,790 --> 00:50:52,480

keep us posted and um

1478

00:50:57,270 --> 00:50:54,800

he said they'll he says the

1479

00:51:00,309 --> 00:50:57,280

he says that they get infor information

1480

00:51:02,549 --> 00:51:00,319

from those people

1481

00:51:04,950 --> 00:51:02,559

and they'll share it with us

1482

00:51:05,910 --> 00:51:04,960

uh he says but we don't chill or work

1483

00:51:07,430 --> 00:51:05,920

for them

1484

00:51:08,790 --> 00:51:07,440

i thought that was cool though that he i

1485

00:51:10,710 --> 00:51:08,800

don't think i've ever heard anybody

1486

00:51:11,750 --> 00:51:10,720

specifically say that they got the okay

1487

00:51:13,430 --> 00:51:11,760

except

1488

00:51:16,870 --> 00:51:13,440

i know fravor

1489

00:51:19,349 --> 00:51:16,880

in his interview with fighter pod

1490

00:51:21,109 --> 00:51:19,359

podcast uh fighter pilot podcast said

1491

00:51:24,069 --> 00:51:21,119

luke called him and said

1492

00:51:25,349 --> 00:51:24,079

uh we were given uh the okay you know i

1493

00:51:27,270 --> 00:51:25,359

forget the exact wording that was the

1494

00:51:28,790 --> 00:51:27,280

only time i'm like who gave him he said

1495

00:51:30,470 --> 00:51:28,800

they gave us the okay look who gave them

1496

00:51:32,150 --> 00:51:30,480

the okay so

1497

00:51:33,510 --> 00:51:32,160

this kind of answers that semivan said

1498

00:51:35,910 --> 00:51:33,520

they got to okay i don't know who how

1499

00:51:37,589 --> 00:51:35,920

high they went up you know that'd be

1500

00:51:38,630 --> 00:51:37,599

really curious to see who gave them the

1501

00:51:40,870 --> 00:51:38,640

okay

1502

00:51:42,630 --> 00:51:40,880

and then he mentioned the alien body

1503

00:51:44,309 --> 00:51:42,640

and jim said that was a question do you

1504

00:51:45,750 --> 00:51:44,319

think we have a gov alien body in our

1505

00:51:47,589 --> 00:51:45,760

government you know somewhere in the

1506

00:51:49,990 --> 00:51:47,599

government

1507

00:51:51,589 --> 00:51:50,000

and jim said no comment and tom said

1508

00:51:53,589 --> 00:51:51,599

there's no way to know you know hear all

1509

00:51:54,950 --> 00:51:53,599

stories he talks about materials and

1510

00:51:56,470 --> 00:51:54,960

then i think he talked about linda

1511

00:51:57,910 --> 00:51:56,480

molten howe's arts parts and how that

1512

00:51:59,109 --> 00:51:57,920

supposedly does some really amazing

1513

00:52:01,030 --> 00:51:59,119

things

1514

00:52:02,549 --> 00:52:01,040

um

1515

00:52:04,230 --> 00:52:02,559

but you know if

1516

00:52:05,670 --> 00:52:04,240

if what's here is a real phenomenon

1517

00:52:07,670 --> 00:52:05,680

physical objects he goes you know you

1518

00:52:09,589 --> 00:52:07,680

want to know who's piloting it

1519

00:52:12,150 --> 00:52:09,599

uh

1520

00:52:13,510 --> 00:52:12,160

if real if if if there is a body here

1521

00:52:14,710 --> 00:52:13,520

tom says it will be very hard to get

1522

00:52:16,390 --> 00:52:14,720

someone to come out and say that of

1523

00:52:18,470 --> 00:52:16,400

course i mean we've had other people

1524

00:52:20,390 --> 00:52:18,480

talk about it and sources and but

1525

00:52:22,230 --> 00:52:20,400

officially no

1526  
00:52:23,990 --> 00:52:22,240  
that would that would be a challenge for

1527  
00:52:28,150 --> 00:52:24,000  
people to accept especially if they

1528  
00:52:34,870 --> 00:52:29,190  
all right

1529  
00:52:37,910 --> 00:52:36,549  
joe what are your thoughts on the hoaxed

1530  
00:52:39,030 --> 00:52:37,920  
questionable footage interlaced

1531  
00:52:42,150 --> 00:52:39,040  
throughout the new show i haven't

1532  
00:52:43,670 --> 00:52:42,160  
watched it all um but they don't care

1533  
00:52:45,030 --> 00:52:43,680  
uh they'll put in anything that shows

1534  
00:52:46,390 --> 00:52:45,040  
good that's the problem with some tv

1535  
00:52:48,309 --> 00:52:46,400  
shows

1536  
00:52:51,190 --> 00:52:48,319  
i went back and looked at unidentified

1537  
00:52:53,109 --> 00:52:51,200  
unidentified was really good i mean

1538  
00:52:55,109 --> 00:52:53,119

it was solid it was shot well it wasn't

1539

00:52:56,549 --> 00:52:55,119

sensationalized there were some things i

1540

00:52:58,870 --> 00:52:56,559

disagreed with and i wrote about on my

1541

00:53:01,349 --> 00:52:58,880

blog like the italy stuff um the

1542

00:53:03,430 --> 00:53:01,359

helicopter but it was really well done

1543

00:53:06,630 --> 00:53:03,440

the showtime from what i've seen they

1544

00:53:08,230 --> 00:53:06,640

went out of their way out of their way

1545

00:53:09,910 --> 00:53:08,240

i know that this info really pissed

1546

00:53:11,430 --> 00:53:09,920

people off that angle and i need to see

1547

00:53:13,270 --> 00:53:11,440

it

1548

00:53:15,829 --> 00:53:13,280

uh joe how are you feeling about lazar

1549

00:53:17,990 --> 00:53:15,839

lately i think he's a con artist

1550

00:53:19,510 --> 00:53:18,000

i don't know i can go either way

1551  
00:53:20,710 --> 00:53:19,520  
like i said

1552  
00:53:22,470 --> 00:53:20,720  
george knapp

1553  
00:53:23,990 --> 00:53:22,480  
jeremy corbell never held it against me

1554  
00:53:26,710 --> 00:53:24,000  
when i was skeptical and then when i was

1555  
00:53:29,589 --> 00:53:26,720  
100 lazar last year when i lost my wits

1556  
00:53:30,950 --> 00:53:29,599  
not that he's lost my wits but i was so

1557  
00:53:32,549 --> 00:53:30,960  
excited about the new york times crash

1558  
00:53:34,950 --> 00:53:32,559  
retrieval article and you know put in

1559  
00:53:36,549 --> 00:53:34,960  
1989 together with bob lazar and then

1560  
00:53:38,150 --> 00:53:36,559  
eric davis saying the program stopped in

1561  
00:53:41,109 --> 00:53:38,160  
1989 and i'm like

1562  
00:53:43,030 --> 00:53:41,119  
i think lazarus real and

1563  
00:53:44,710 --> 00:53:43,040

it's true and i was a believer for a

1564

00:53:47,430 --> 00:53:44,720

little very short period of time and i

1565

00:53:49,349 --> 00:53:47,440

told eric davis and he was like

1566

00:53:51,349 --> 00:53:49,359

okay he's like why and then he told me

1567

00:53:53,270 --> 00:53:51,359

some things just more of the same that

1568

00:53:55,589 --> 00:53:53,280

was in my article you know just people

1569

00:53:57,270 --> 00:53:55,599

he talked to and so i was like and then

1570

00:53:59,109 --> 00:53:57,280

as time went by i'm like okay i'm back

1571

00:54:00,630 --> 00:53:59,119

to 50 50.

1572

00:54:02,390 --> 00:54:00,640

um

1573

00:54:03,750 --> 00:54:02,400

yeah i was too excited last year then

1574

00:54:05,270 --> 00:54:03,760

right before the new york times article

1575

00:54:07,030 --> 00:54:05,280

came out

1576

00:54:08,069 --> 00:54:07,040

when tom said to jason's what the f did

1577

00:54:10,630 --> 00:54:08,079

he mean i don't know what the hell

1578

00:54:13,510 --> 00:54:10,640

adjacents are um

1579

00:54:14,710 --> 00:54:13,520

dennis alvin's i don't know or numbing

1580

00:54:15,750 --> 00:54:14,720

i don't know what the hell he's talking

1581

00:54:19,030 --> 00:54:15,760

about i'm like is this something i

1582

00:54:22,470 --> 00:54:19,040

should know the jason's

1583

00:54:24,790 --> 00:54:22,480

um i have to re-listen too

1584

00:54:27,109 --> 00:54:24,800

he talked about i'll be lobe

1585

00:54:30,150 --> 00:54:27,119

oh wait let's see

1586

00:54:34,230 --> 00:54:30,160

if they're so advanced and they influe i

1587

00:54:37,510 --> 00:54:35,750

yeah he says if they're so advanced and

1588

00:54:39,910 --> 00:54:37,520

they influence us if they've been around

1589

00:54:41,670 --> 00:54:39,920

for a long time

1590

00:54:43,990 --> 00:54:41,680

and that doesn't make sense but he says

1591

00:54:48,950 --> 00:54:44,000

so far

1592

00:54:50,549 --> 00:54:48,960

dna

1593

00:54:52,710 --> 00:54:50,559

you know

1594

00:54:54,309 --> 00:54:52,720

it would probably be unnerving for the

1595

00:54:57,270 --> 00:54:54,319

truth to be told

1596

00:54:59,750 --> 00:54:57,280

very complicated

1597

00:55:01,589 --> 00:54:59,760

there's a lot that we don't know um

1598

00:55:04,630 --> 00:55:01,599

he's tom said the government coming out

1599

00:55:06,870 --> 00:55:04,640

before they know what we're dealing with

1600

00:55:08,470 --> 00:55:06,880

makes no sense i'm like really come on

1601  
00:55:11,750 --> 00:55:08,480  
so we have to wait until the government

1602  
00:55:13,190 --> 00:55:11,760  
and find knows exactly what's going on

1603  
00:55:15,270 --> 00:55:13,200  
for them to come out and say that give

1604  
00:55:16,950 --> 00:55:15,280  
me a break that's ridiculous

1605  
00:55:18,230 --> 00:55:16,960  
if they have information share the

1606  
00:55:19,510 --> 00:55:18,240  
information

1607  
00:55:21,270 --> 00:55:19,520  
i couldn't believe he said that it's

1608  
00:55:24,150 --> 00:55:21,280  
like yeah i know you worked with these

1609  
00:55:26,230 --> 00:55:24,160  
insiders but that's that's bs to me uh

1610  
00:55:28,309 --> 00:55:26,240  
he said ufos have been picked up by

1611  
00:55:29,430 --> 00:55:28,319  
satellites thermal imaging spy

1612  
00:55:31,670 --> 00:55:29,440  
satellites

1613  
00:55:33,910 --> 00:55:31,680

uh he mentioned how mellon i'm not sure

1614

00:55:35,430 --> 00:55:33,920

if this gym or thomas and melon has

1615

00:55:37,349 --> 00:55:35,440

melon has spoken about how we need to

1616

00:55:38,870 --> 00:55:37,359

get those sensors and adjust the

1617

00:55:41,270 --> 00:55:38,880

software so they can pick up these

1618

00:55:42,470 --> 00:55:41,280

objects uh so many more videos this is

1619

00:55:44,150 --> 00:55:42,480

definitely tom

1620

00:55:46,390 --> 00:55:44,160

doesn't think they're coming from space

1621

00:55:48,950 --> 00:55:46,400

better to monitor what's materializing

1622

00:55:50,710 --> 00:55:48,960

in this realm and yeah materialize

1623

00:55:52,150 --> 00:55:50,720

materializing either they're coming from

1624

00:55:54,230 --> 00:55:52,160

another another dimension i wish he

1625

00:55:56,549 --> 00:55:54,240

would have spoken about

1626  
00:55:58,789 --> 00:55:56,559  
being created at the uh

1627  
00:56:00,230 --> 00:55:58,799  
nano level because even jacqueline has

1628  
00:56:03,109 --> 00:56:00,240  
spoken about that chris mellon has

1629  
00:56:04,549 --> 00:56:03,119  
hinted at that um

1630  
00:56:06,710 --> 00:56:04,559  
i have to find that quote from chris

1631  
00:56:09,349 --> 00:56:06,720  
mellon if somebody among that either

1632  
00:56:11,430 --> 00:56:09,359  
mellon or jacqueline that said

1633  
00:56:13,190 --> 00:56:11,440  
maybe the human dna maybe their dna

1634  
00:56:15,030 --> 00:56:13,200  
matches us because they can create

1635  
00:56:16,950 --> 00:56:15,040  
beings they can make the dna whatever

1636  
00:56:18,630 --> 00:56:16,960  
they want it might have been melon i

1637  
00:56:21,910 --> 00:56:18,640  
need to find that

1638  
00:56:23,750 --> 00:56:21,920

could have been valet um

1639

00:56:27,030 --> 00:56:23,760

he's not saying there's lot not life out

1640

00:56:29,109 --> 00:56:27,040

there e.t visiting us via drones

1641

00:56:30,789 --> 00:56:29,119

all right drones why he's i don't think

1642

00:56:33,030 --> 00:56:30,799

he's ever spoken about drones before

1643

00:56:35,030 --> 00:56:33,040

maybe people are hammering i know i know

1644

00:56:36,870 --> 00:56:35,040

melon talks about drones

1645

00:56:38,630 --> 00:56:36,880

and he talked about time going both ways

1646

00:56:40,390 --> 00:56:38,640

there's an article on that at the time

1647

00:56:43,349 --> 00:56:40,400

it came out he mentioned it

1648

00:56:45,990 --> 00:56:43,359

and things can pop in and out of here

1649

00:56:48,549 --> 00:56:46,000

maybe in utah just the future you know

1650

00:56:50,309 --> 00:56:48,559

at skinwalker and he said look at

1651  
00:56:52,390 --> 00:56:50,319  
frequency and duality and something else

1652  
00:56:54,230 --> 00:56:52,400  
which i could not get

1653  
00:56:56,549 --> 00:56:54,240  
talked about avi lope thomas it's really

1654  
00:56:57,750 --> 00:56:56,559  
good for anybody that does that i heard

1655  
00:56:59,109 --> 00:56:57,760  
from somebody privately that they're

1656  
00:57:01,270 --> 00:56:59,119  
worried about where the money's gonna go

1657  
00:57:04,470 --> 00:57:01,280  
if it's gonna go to those folks and what

1658  
00:57:06,230 --> 00:57:04,480  
their pet projects are and not ufos

1659  
00:57:07,589 --> 00:57:06,240  
um

1660  
00:57:08,470 --> 00:57:07,599  
all the conversations he's had with

1661  
00:57:11,990 --> 00:57:08,480  
people

1662  
00:57:15,750 --> 00:57:13,670  
his advisers told him a lot of things

1663  
00:57:17,589 --> 00:57:15,760

and he tom realized how wrong he was

1664

00:57:19,510 --> 00:57:17,599

with his previous opinions

1665

00:57:21,109 --> 00:57:19,520

um over and over they would correct him

1666

00:57:22,470 --> 00:57:21,119

um

1667

00:57:24,069 --> 00:57:22,480

he said he gave an example a very

1668

00:57:26,870 --> 00:57:24,079

important person that he met early on

1669

00:57:28,470 --> 00:57:26,880

before jim very high ranking person

1670

00:57:30,630 --> 00:57:28,480

he had a two-hour conversation with

1671

00:57:32,549 --> 00:57:30,640

someone who said this isn't real we've

1672

00:57:34,150 --> 00:57:32,559

heard that story and this doesn't exist

1673

00:57:36,230 --> 00:57:34,160

this person was setting up a venture to

1674

00:57:38,150 --> 00:57:36,240

look for life elsewhere in the universe

1675

00:57:40,390 --> 00:57:38,160

some other program project

1676

00:57:41,670 --> 00:57:40,400

there was lots of money involved

1677

00:57:43,030 --> 00:57:41,680

tom said but i want to talk about the

1678

00:57:45,030 --> 00:57:43,040

ones that are here and this person

1679

00:57:47,190 --> 00:57:45,040

looked at him and said let's introduce

1680

00:57:49,190 --> 00:57:47,200

you let's let's introduce him there were

1681

00:57:51,430 --> 00:57:49,200

other people there let's introduce tom

1682

00:57:53,349 --> 00:57:51,440

to so and so and that led to a meeting

1683

00:57:55,510 --> 00:57:53,359

the meeting with the general you know we

1684

00:57:57,990 --> 00:57:55,520

recovered a life form it was the cold

1685

00:57:59,430 --> 00:57:58,000

war and other meetings and then he met

1686

00:58:01,750 --> 00:57:59,440

jim and then

1687

00:58:07,750 --> 00:58:01,760

jim taught him how to digest information

1688

00:58:13,829 --> 00:58:10,390

thanks bug thanks for the questions

1689

00:58:15,589 --> 00:58:13,839

i'm glad we have some people in here um

1690

00:58:18,150 --> 00:58:15,599

you don't get semi-van talking that

1691

00:58:19,990 --> 00:58:18,160

often jason is a government study group

1692

00:58:24,069 --> 00:58:20,000

formed from university academics who

1693

00:58:26,069 --> 00:58:24,079

rely review dod and doe projects okay

1694

00:58:27,829 --> 00:58:26,079

thank you thank you thank you i did not

1695

00:58:29,589 --> 00:58:27,839

know that

1696

00:58:31,030 --> 00:58:29,599

i will look that up

1697

00:58:34,950 --> 00:58:31,040

afterwards

1698

00:58:36,870 --> 00:58:34,960

yeah

1699

00:58:38,870 --> 00:58:36,880

i do know that about

1700

00:58:42,390 --> 00:58:38,880

i think eric davis mentioned them we

1701

00:58:45,829 --> 00:58:44,390

i forget exactly what he said it was one

1702

00:58:49,670 --> 00:58:45,839

of his interviews which i need to

1703

00:58:54,309 --> 00:58:52,150

de long reiterated the magnetic anomaly

1704

00:58:55,829 --> 00:58:54,319

areas being connected as a few of those

1705

00:58:57,430 --> 00:58:55,839

can materialize more easily there and

1706

00:58:59,349 --> 00:58:57,440

yeah maybe that's why they're they're

1707

00:59:01,030 --> 00:58:59,359

drawn to some of those places there's

1708

00:59:02,789 --> 00:59:01,040

also a native american connection to all

1709

00:59:04,630 --> 00:59:02,799

those places so i don't you know i don't

1710

00:59:07,829 --> 00:59:04,640

know about that either

1711

00:59:08,870 --> 00:59:07,839

if is it magnetic or is it is it both

1712

00:59:10,230 --> 00:59:08,880

um

1713

00:59:12,230 --> 00:59:10,240

the jasons have dealt with topics

1714

00:59:14,549 --> 00:59:12,240

ranging from nuclear missile design to

1715

00:59:18,710 --> 00:59:14,559

climate change modeling

1716

00:59:22,950 --> 00:59:18,720

yeah i did not know any of that stuff

1717

00:59:29,030 --> 00:59:27,190

jim semivan says he feels sorry for

1718

00:59:30,950 --> 00:59:29,040

scientists he said he's a huge fan of

1719

00:59:32,950 --> 00:59:30,960

the galileo project he applauds them for

1720

00:59:34,950 --> 00:59:32,960

being so courageous

1721

00:59:36,549 --> 00:59:34,960

hasn't many scientists hasn't met many

1722

00:59:37,589 --> 00:59:36,559

scientists that are doing something like

1723

00:59:39,670 --> 00:59:37,599

this

1724

00:59:42,870 --> 00:59:39,680

who have a sound understanding of the

1725

00:59:45,190 --> 00:59:42,880

research of the past 70 years that's

1726  
00:59:46,309 --> 00:59:45,200  
yeah that's a great thing when people

1727  
00:59:48,630 --> 00:59:46,319  
first get into this and they have an

1728  
00:59:51,109 --> 00:59:48,640  
opinion they don't know the history

1729  
00:59:52,789 --> 00:59:51,119  
some skeptics are like that too

1730  
00:59:54,789 --> 00:59:52,799  
some of the newbies are in ufology are

1731  
00:59:56,150 --> 00:59:54,799  
like that too but they'll learn i mean

1732  
00:59:57,829 --> 00:59:56,160  
it's a lot

1733  
00:59:59,430 --> 00:59:57,839  
there's plenty i don't know and need to

1734  
01:00:01,109 --> 00:59:59,440  
learn

1735  
01:00:02,630 --> 01:00:01,119  
he said if these scientists did have a

1736  
01:00:04,710 --> 01:00:02,640  
better grasp of the history they'd have

1737  
01:00:06,230 --> 01:00:04,720  
a better they'd appreciate

1738  
01:00:08,390 --> 01:00:06,240

what they're up against

1739

01:00:10,789 --> 01:00:08,400

or or what their

1740

01:00:12,470 --> 01:00:10,799

or what they're trying to get out and

1741

01:00:15,510 --> 01:00:12,480

get the information out i think i made a

1742

01:00:17,990 --> 01:00:15,520

typo there in jim's opinion he does

1743

01:00:19,990 --> 01:00:18,000

think we'll come to he does not think

1744

01:00:21,190 --> 01:00:20,000

we'll come to a conclusion in his

1745

01:00:23,990 --> 01:00:21,200

lifetime

1746

01:00:25,510 --> 01:00:24,000

that was yeah i know a lot of people

1747

01:00:27,750 --> 01:00:25,520

had their stomachs

1748

01:00:30,069 --> 01:00:27,760

sink when they heard that but that could

1749

01:00:31,589 --> 01:00:30,079

be reality

1750

01:00:33,589 --> 01:00:31,599

and he talked about this lots more than

1751

01:00:36,549 --> 01:00:33,599

uap in this

1752

01:00:38,870 --> 01:00:36,559

that's why the whole jim

1753

01:00:40,950 --> 01:00:38,880

james let catski and

1754

01:00:42,390 --> 01:00:40,960

somebody online today was saying that

1755

01:00:43,910 --> 01:00:42,400

they they like how do you know it's

1756

01:00:45,910 --> 01:00:43,920

latkatsuki

1757

01:00:47,910 --> 01:00:45,920

it's lakotsky you know i had two sources

1758

01:00:50,309 --> 01:00:47,920

that told me and keith baxterfield

1759

01:00:52,309 --> 01:00:50,319

figured it out he was the one that ran

1760

01:00:54,390 --> 01:00:52,319

awsapp it's not it's not a secret i mean

1761

01:00:55,910 --> 01:00:54,400

it's like the worst kept secret lou

1762

01:00:57,910 --> 01:00:55,920

needs him to speak up to take some of

1763

01:00:59,750 --> 01:00:57,920

the pressure off of him he was a rocket

1764

01:01:01,750 --> 01:00:59,760  
science he had a i think a phd in

1765

01:01:03,670 --> 01:01:01,760  
physics and math

1766

01:01:05,430 --> 01:01:03,680  
i think he actually went to um harry

1767

01:01:06,630 --> 01:01:05,440  
reid's house in one of the read

1768

01:01:08,549 --> 01:01:06,640  
interviews

1769

01:01:09,990 --> 01:01:08,559  
um talks about the trickster element

1770

01:01:13,109 --> 01:01:10,000  
which is great that he knows about that

1771

01:01:15,589 --> 01:01:13,119  
because people assume that he's not

1772

01:01:17,030 --> 01:01:15,599  
well versed in the subject and you know

1773

01:01:18,710 --> 01:01:17,040  
not a lot of people bring up the

1774

01:01:20,309 --> 01:01:18,720  
trickster element it's a big part of

1775

01:01:24,309 --> 01:01:20,319  
john keele's work

1776

01:01:27,270 --> 01:01:25,750

and they said it's between this is

1777

01:01:28,870 --> 01:01:27,280

between consciousness and quantum

1778

01:01:31,349 --> 01:01:28,880

mechanics and he talks about

1779

01:01:33,270 --> 01:01:31,359

entanglement and particle wave theory

1780

01:01:35,670 --> 01:01:33,280

um above my pay grade i know

1781

01:01:36,950 --> 01:01:35,680

entanglement but

1782

01:01:38,069 --> 01:01:36,960

i thought i did until i heard a

1783

01:01:39,589 --> 01:01:38,079

physicist say you don't know

1784

01:01:43,270 --> 01:01:39,599

entanglement

1785

01:01:45,750 --> 01:01:43,280

not to me but to the the audience

1786

01:01:49,109 --> 01:01:45,760

with uaps there's no lexicon to use to

1787

01:01:50,630 --> 01:01:49,119

begin discussion and can't figure what

1788

01:01:52,630 --> 01:01:50,640

and they can't figure out what questions

1789

01:01:54,150 --> 01:01:52,640

to ask many scientists are extremely

1790

01:01:55,910 --> 01:01:54,160

frustrated over this

1791

01:02:00,789 --> 01:01:55,920

there is hard evidence and there is

1792

01:02:03,829 --> 01:02:02,549

yeah i know a lot of scientists will not

1793

01:02:06,069 --> 01:02:03,839

get involved unless we have more of the

1794

01:02:08,710 --> 01:02:06,079

hard evidence but as chris mellon said

1795

01:02:10,789 --> 01:02:08,720

and i said and other people have said

1796

01:02:12,470 --> 01:02:10,799

get people like avi loeb and other

1797

01:02:15,349 --> 01:02:12,480

people read in and they could tell us

1798

01:02:16,950 --> 01:02:15,359

just the basics so when the public sees

1799

01:02:18,870 --> 01:02:16,960

and as much as i don't like neil

1800

01:02:20,950 --> 01:02:18,880

degrasse tyson if you would get him read

1801  
01:02:23,670 --> 01:02:20,960  
in and he came out and said

1802  
01:02:24,950 --> 01:02:23,680  
um this is real i can't tell you exactly

1803  
01:02:27,510 --> 01:02:24,960  
what i saw

1804  
01:02:29,349 --> 01:02:27,520  
but it's real uh we need to study this

1805  
01:02:32,390 --> 01:02:29,359  
if somebody like that find somebody else

1806  
01:02:34,390 --> 01:02:32,400  
a big name the public that would help so

1807  
01:02:36,069 --> 01:02:34,400  
much with the general public i don't

1808  
01:02:37,910 --> 01:02:36,079  
know how much they

1809  
01:02:39,510 --> 01:02:37,920  
look at it like us and you know obsess

1810  
01:02:40,470 --> 01:02:39,520  
over it but they'd be more interested i

1811  
01:02:42,710 --> 01:02:40,480  
think

1812  
01:02:45,670 --> 01:02:42,720  
he said the tic tacs were real

1813  
01:02:47,270 --> 01:02:45,680

don't say their sensor anomalies

1814

01:02:50,230 --> 01:02:47,280

what do you do with that

1815

01:02:51,910 --> 01:02:50,240

he likes galileo i said that already but

1816

01:02:53,430 --> 01:02:51,920

we need it you know galileo thinks we

1817

01:02:54,870 --> 01:02:53,440

need a great picture he's like yeah we

1818

01:02:56,390 --> 01:02:54,880

do need the great picture i'm like i

1819

01:02:58,230 --> 01:02:56,400

think we have great pictures we just

1820

01:02:59,750 --> 01:02:58,240

need to get them released

1821

01:03:02,230 --> 01:02:59,760

um

1822

01:03:03,670 --> 01:03:02,240

and as yeah lou said we already have it

1823

01:03:05,349 --> 01:03:03,680

we have videos

1824

01:03:06,950 --> 01:03:05,359

can't give away sources and methods

1825

01:03:08,150 --> 01:03:06,960

though all right then take a freeze

1826

01:03:09,829 --> 01:03:08,160

frame of it

1827

01:03:11,829 --> 01:03:09,839

um

1828

01:03:13,589 --> 01:03:11,839

jim takes his hat off to greer which a

1829

01:03:15,270 --> 01:03:13,599

lot of people probably batted an eye at

1830

01:03:17,109 --> 01:03:15,280

like really

1831

01:03:19,109 --> 01:03:17,119

he said he did a lot of great work early

1832

01:03:21,589 --> 01:03:19,119

on which i yeah i agree with uh

1833

01:03:23,109 --> 01:03:21,599

mentioned ce5 the question and some even

1834

01:03:24,390 --> 01:03:23,119

said semivan said

1835

01:03:27,190 --> 01:03:24,400

no comment

1836

01:03:28,789 --> 01:03:27,200

i don't go that far and then tom says

1837

01:03:31,829 --> 01:03:28,799

he thinks in the future we'll be hacking

1838

01:03:33,829 --> 01:03:31,839

the minds hacking our minds

1839

01:03:35,430 --> 01:03:33,839

you know listen listening to what people

1840

01:03:38,069 --> 01:03:35,440

are thinking

1841

01:03:40,470 --> 01:03:38,079

yeah that that can't go wrong right

1842

01:03:42,069 --> 01:03:40,480

uh he thinks it's wonderful you know

1843

01:03:43,910 --> 01:03:42,079

consciousness and meditation he talks

1844

01:03:45,670 --> 01:03:43,920

about advanced beings may be able to do

1845

01:03:48,150 --> 01:03:45,680

that that's kind of my argument that i

1846

01:03:50,789 --> 01:03:48,160

think ufos will lead once people realize

1847

01:03:53,190 --> 01:03:50,799

it's real it'll lead to us looking into

1848

01:03:54,710 --> 01:03:53,200

all types of metaphysics related

1849

01:03:55,990 --> 01:03:54,720

consciousness use that word instead of

1850

01:03:59,349 --> 01:03:56,000

metaphysics

1851

01:04:01,109 --> 01:03:59,359

meditation is the beginning uh

1852

01:04:02,630 --> 01:04:01,119

he thinks advanced beings may already be

1853

01:04:03,670 --> 01:04:02,640

doing that if you listen to some of the

1854

01:04:05,270 --> 01:04:03,680

stories

1855

01:04:07,190 --> 01:04:05,280

where people hear voices in their head

1856

01:04:08,789 --> 01:04:07,200

and they're paralyzed you know

1857

01:04:09,990 --> 01:04:08,799

they're hacking the system and then some

1858

01:04:11,750 --> 01:04:10,000

event says

1859

01:04:14,150 --> 01:04:11,760

i'm not discounting greer i just don't

1860

01:04:15,589 --> 01:04:14,160

know enough about that ce5 but i applaud

1861

01:04:17,190 --> 01:04:15,599

that he's working on it and then tom

1862

01:04:20,549 --> 01:04:17,200

said push your government

1863

01:04:23,029 --> 01:04:20,559

push your government

1864

01:04:25,190 --> 01:04:23,039

um jim said he told the government folks

1865

01:04:27,990 --> 01:04:25,200

he was taking it private but once again

1866

01:04:31,510 --> 01:04:28,000

he reiterated said he won't discuss

1867

01:04:36,710 --> 01:04:33,430

but he said the government does not own

1868

01:04:38,710 --> 01:04:36,720

this data it doesn't appear

1869

01:04:40,069 --> 01:04:38,720

just to carry a strike groups it appears

1870

01:04:42,309 --> 01:04:40,079

everywhere around the world and he

1871

01:04:44,630 --> 01:04:42,319

mentioned i think bangladesh and some

1872

01:04:46,470 --> 01:04:44,640

other place uh he said humans need to

1873

01:04:49,109 --> 01:04:46,480

get together you know

1874

01:04:53,349 --> 01:04:49,119

reality

1875

01:04:55,190 --> 01:04:53,359

isn't quite all right what we agree on

1876

01:04:57,029 --> 01:04:55,200

what reality is isn't quite right and i

1877

01:04:59,109 --> 01:04:57,039

agree with that i think we need to

1878

01:05:02,309 --> 01:04:59,119

there's something off that we're missing

1879

01:05:03,910 --> 01:05:02,319

as a species um he said something else

1880

01:05:04,789 --> 01:05:03,920

is going on and we need to figure it out

1881

01:05:07,190 --> 01:05:04,799

because

1882

01:05:09,829 --> 01:05:07,200

that's what we do as human beings

1883

01:05:11,270 --> 01:05:09,839

um i agree and then tom said the second

1884

01:05:13,510 --> 01:05:11,280

show would be more about what the

1885

01:05:15,029 --> 01:05:13,520

phenomenon is doing and what it's about

1886

01:05:18,069 --> 01:05:15,039

which is great

1887

01:05:19,270 --> 01:05:18,079

so that is the summary any questions

1888

01:05:20,829 --> 01:05:19,280

before

1889

01:05:24,470 --> 01:05:20,839

an hour that was fine

1890

01:05:26,150 --> 01:05:24,480

um yeah a 23 minute video somebody today

1891

01:05:27,349 --> 01:05:26,160

i was talking about i said

1892

01:05:28,470 --> 01:05:27,359

you know would it make a difference i'm

1893

01:05:30,309 --> 01:05:28,480

like it would make a difference with a

1894

01:05:32,470 --> 01:05:30,319

lot of people if it's as good as he

1895

01:05:34,230 --> 01:05:32,480

claims you know if we've heard i don't

1896

01:05:36,230 --> 01:05:34,240

know details but yeah it would make a

1897

01:05:38,390 --> 01:05:36,240

big difference getting people interested

1898

01:05:40,549 --> 01:05:38,400

in the subject especially the general

1899

01:05:42,470 --> 01:05:40,559

public

1900

01:05:44,710 --> 01:05:42,480

if they released 23 million videos

1901

01:05:46,230 --> 01:05:44,720

clears and it's as clear as lewis said

1902

01:05:48,470 --> 01:05:46,240

it's all over

1903

01:05:51,430 --> 01:05:48,480

it would awaken the masses i think um

1904

01:05:53,349 --> 01:05:51,440

most people i don't know majority but it

1905

01:05:55,750 --> 01:05:53,359

would awaken a lot of people

1906

01:05:59,670 --> 01:05:57,349

and like i said if your questions are

1907

01:06:02,230 --> 01:05:59,680

above ask him again i'll stay up for 10

1908

01:06:04,630 --> 01:06:02,240

more minutes

1909

01:06:07,270 --> 01:06:04,640

yeah i mean the whole greer

1910

01:06:08,789 --> 01:06:07,280

false invasion and

1911

01:06:11,109 --> 01:06:08,799

there's other things you know they were

1912

01:06:14,870 --> 01:06:11,119

questionable witnesses and when he did

1913

01:06:16,230 --> 01:06:14,880

his disclosure project in 2001 and

1914

01:06:18,390 --> 01:06:16,240

although

1915

01:06:20,950 --> 01:06:18,400

some people like those witnesses so

1916

01:06:22,950 --> 01:06:20,960

and and sheehan helped him vet those

1917

01:06:24,630 --> 01:06:22,960

witnesses which

1918

01:06:25,990 --> 01:06:24,640

if there you know

1919

01:06:27,670 --> 01:06:26,000

mixed feelings about that because i

1920

01:06:29,430 --> 01:06:27,680

wasn't a fan of some of those witnesses

1921

01:06:36,789 --> 01:06:29,440

i think eric davis called it the shotgun

1922

01:06:41,750 --> 01:06:38,950

bye julie thank you thank you thank you

1923

01:06:45,430 --> 01:06:43,750

yes emmy van had beings in his room and

1924

01:06:47,270 --> 01:06:45,440

it was during college and he wrote about

1925

01:06:49,270 --> 01:06:47,280

it in the forward to secret machines if

1926

01:06:51,270 --> 01:06:49,280

you type in forward secret machine

1927

01:06:52,390 --> 01:06:51,280

semivan it'll come up to separate web

1928

01:06:53,589 --> 01:06:52,400

page

1929

01:06:55,829 --> 01:06:53,599

so he had an experience and i think

1930

01:06:57,510 --> 01:06:55,839

grant cameron said that his wife got a

1931

01:06:59,750 --> 01:06:57,520

little cut on her leg during it she had

1932

01:07:01,190 --> 01:06:59,760

it so i mean

1933

01:07:02,789 --> 01:07:01,200

i guess he can't talk about it or he

1934

01:07:04,150 --> 01:07:02,799

doesn't want to talk about it i'm sure

1935

01:07:06,390 --> 01:07:04,160

he can talk about it it's like it's

1936

01:07:08,230 --> 01:07:06,400

classified

1937

01:07:11,029 --> 01:07:08,240

yeah um

1938

01:07:12,549 --> 01:07:11,039

there's a lot of things greer says that

1939

01:07:13,829 --> 01:07:12,559

some of them are amazing i'm like i hope

1940

01:07:15,510 --> 01:07:13,839

that's true i hope we can look into

1941

01:07:17,670 --> 01:07:15,520

another dimension and see those beings i

1942

01:07:19,349 --> 01:07:17,680

mean he said that he said there's some

1943

01:07:21,270 --> 01:07:19,359

nat you know negative beings in other

1944

01:07:24,630 --> 01:07:21,280

dimensions but et's are all good

1945

01:07:26,309 --> 01:07:24,640

according to him hey semivan said hey

1946

01:07:28,789 --> 01:07:26,319

there's no threat maybe because there's

1947

01:07:30,390 --> 01:07:28,799

no et's here maybe the person who told

1948

01:07:32,390 --> 01:07:30,400

me that you know there was all these

1949

01:07:33,910 --> 01:07:32,400

different groups here was pulling my leg

1950

01:07:35,670 --> 01:07:33,920

i don't know

1951

01:07:38,710 --> 01:07:35,680

i think eric davis has talked about how

1952

01:07:40,309 --> 01:07:38,720

it's here and it's in a shadow biome and

1953

01:07:42,309 --> 01:07:40,319

they're using other dimensions whether

1954

01:07:44,230 --> 01:07:42,319

extraterrestrial or not extraterrestrial

1955

01:07:46,789 --> 01:07:44,240

they're still using other dimensions he

1956

01:07:48,549 --> 01:07:46,799

did not come to a conclusion

1957

01:07:49,910 --> 01:07:48,559

i read ross's book yeah before the

1958

01:07:51,829 --> 01:07:49,920

interview i read the entire thing and

1959

01:07:53,670 --> 01:07:51,839

took notes and it was

1960

01:07:56,230 --> 01:07:53,680

it was a lot to get to and then i didn't

1961

01:07:58,710 --> 01:07:56,240

even get to those questions because

1962

01:07:59,430 --> 01:07:58,720

we ran out of time i liked ross's book a

1963

01:08:01,109 --> 01:07:59,440

lot

1964

01:08:02,390 --> 01:08:01,119

the big thing about ross's book is he

1965

01:08:04,630 --> 01:08:02,400

got

1966

01:08:06,309 --> 01:08:04,640

tom wilson to say he did not know oak

1967

01:08:08,230 --> 01:08:06,319

shannon and oak shannon if you know the

1968

01:08:09,990 --> 01:08:08,240

notes set up the meeting between wilson

1969

01:08:11,670 --> 01:08:10,000

and davis because he knew both of them

1970

01:08:14,309 --> 01:08:11,680

and when billy cox interviewed oak

1971

01:08:15,190 --> 01:08:14,319

shannon last year or the year before oak

1972

01:08:17,430 --> 01:08:15,200

said

1973

01:08:19,189 --> 01:08:17,440

i know wilson i know davis if this has

1974

01:08:21,669 --> 01:08:19,199

caused embarrassment to tom wilson i

1975

01:08:23,349 --> 01:08:21,679

apologize that wasn't my intention

1976

01:08:25,510 --> 01:08:23,359

tom wilson is a

1977

01:08:26,870 --> 01:08:25,520

forget the word he used admirable man

1978

01:08:29,749 --> 01:08:26,880

and then wilson says i don't know who

1979

01:08:31,590 --> 01:08:29,759

the hell oh shannon is uh

1980

01:08:33,269 --> 01:08:31,600

so billy touched back with oak shannon

1981

01:08:35,910 --> 01:08:33,279

oaks janet says

1982

01:08:37,430 --> 01:08:35,920

i know tom wilson or i did know tom

1983

01:08:39,430 --> 01:08:37,440

wilson because it's been a while and he

1984

01:08:41,590 --> 01:08:39,440

said it's a big to me it's a big it's

1985

01:08:43,269 --> 01:08:41,600

not a huge deal but it's a big deal okay

1986

01:08:46,070 --> 01:08:43,279

says when billy says do you want to talk

1987

01:08:48,309 --> 01:08:46,080

about how and why how and when you met

1988

01:08:51,030 --> 01:08:48,319

admiral wilson and oak shannon will not

1989

01:08:53,110 --> 01:08:51,040

say so because probably because if you

1990

01:08:54,789 --> 01:08:53,120

knew how they met you would say

1991

01:08:57,349 --> 01:08:54,799

obviously they know each other tom

1992

01:08:59,430 --> 01:08:57,359

wilson is lying

1993

01:09:02,149 --> 01:08:59,440

so

1994

01:09:05,990 --> 01:09:04,229

yeah it's nice to see ross's documentary

1995

01:09:07,910 --> 01:09:06,000

being available everywhere else i mean

1996

01:09:09,990 --> 01:09:07,920

he said it was it was

1997

01:09:13,349 --> 01:09:10,000

it was um

1998

01:09:15,349 --> 01:09:13,359

not hacked but bootlegged everywhere so

1999

01:09:17,030 --> 01:09:15,359

i'll watch it again though

2000

01:09:20,550 --> 01:09:17,040

i'll give them the views i liked it a

2001

01:09:24,149 --> 01:09:22,229

laundering meta materials bit i didn't

2002

01:09:26,309 --> 01:09:24,159

hear that

2003

01:09:27,669 --> 01:09:26,319

hold on there's another question

2004

01:09:29,669 --> 01:09:27,679

semi-vanna's one point claim that

2005

01:09:31,269 --> 01:09:29,679

they're probably indifferent towards us

2006

01:09:32,870 --> 01:09:31,279

i don't think that's bad at all no that

2007

01:09:36,550 --> 01:09:32,880

would be good

2008

01:09:38,309 --> 01:09:36,560

it doesn't mean bad things can't happen

2009

01:09:39,749 --> 01:09:38,319

to us i mean we're in different certain

2010

01:09:41,669 --> 01:09:39,759

species and

2011

01:09:43,110 --> 01:09:41,679

like an ant we don't care as long as

2012

01:09:44,789 --> 01:09:43,120

they answer in the woods but we step on

2013

01:09:47,910 --> 01:09:44,799

them all the time so it's like we don't

2014

01:09:50,950 --> 01:09:47,920

really care so what kind of indifference

2015

01:09:51,910 --> 01:09:50,960

levels of indifference

2016

01:09:53,510 --> 01:09:51,920

what do you think of the i don't know

2017

01:09:57,830 --> 01:09:53,520

what the laundering of metamaterials bit

2018

01:10:01,510 --> 01:09:59,669

sources and methods there are ways

2019

01:10:03,270 --> 01:10:01,520

around sources and methods there's got

2020

01:10:04,390 --> 01:10:03,280

to be a way around sources and methods

2021

01:10:07,910 --> 01:10:04,400

come on

2022

01:10:09,510 --> 01:10:07,920

you know i don't think everybody's just

2023

01:10:11,910 --> 01:10:09,520

giving us bull but i think there are

2024

01:10:13,669 --> 01:10:11,920

ways around that

2025

01:10:16,149 --> 01:10:13,679

backwards cap is because i did not want

2026

01:10:17,510 --> 01:10:16,159

to put gel on my hair michael you know

2027

01:10:19,350 --> 01:10:17,520

and i don't look good with a forwards

2028

01:10:21,830 --> 01:10:19,360

cap you don't want to see a cap on me

2029

01:10:23,590 --> 01:10:21,840

forwards it looks really bad

2030

01:10:24,390 --> 01:10:23,600

oh i'm sure jim knows a lot more too

2031

01:10:26,709 --> 01:10:24,400

yeah

2032

01:10:28,310 --> 01:10:26,719

um

2033

01:10:30,390 --> 01:10:28,320

still gotta watch

2034

01:10:32,390 --> 01:10:30,400

i don't know what that is

2035

01:10:34,149 --> 01:10:32,400

ross is really really good it's nice to

2036

01:10:35,669 --> 01:10:34,159

have somebody international into this

2037

01:10:36,790 --> 01:10:35,679

and he's working on

2038

01:10:39,910 --> 01:10:36,800

you know

2039

01:10:41,910 --> 01:10:39,920

everything in the book and there's

2040

01:10:43,270 --> 01:10:41,920

people connect connecting with him as he

2041

01:10:45,750 --> 01:10:43,280

said you know constantly getting

2042

01:10:48,070 --> 01:10:45,760

information

2043

01:10:52,709 --> 01:10:48,080

talking about ross saying um government

2044

01:10:54,550 --> 01:10:52,719

gave tssa meta materials

2045

01:10:55,750 --> 01:10:54,560

if you could call in you could give me

2046

01:10:59,110 --> 01:10:55,760

more details because i don't remember

2047

01:11:01,030 --> 01:10:59,120

that part um

2048

01:11:03,030 --> 01:11:01,040

seeing us government gay be i don't know

2049

01:11:04,709 --> 01:11:03,040

about that i mean

2050

01:11:06,470 --> 01:11:04,719

i don't think they did as far as i know

2051

01:11:10,630 --> 01:11:06,480

unless he had a source and if he did i

2052

01:11:13,990 --> 01:11:12,709

it actually doesn't appear everything in

2053

01:11:15,430 --> 01:11:14,000

the world because we have zero

2054

01:11:17,910 --> 01:11:15,440

compelling data which is i don't know

2055

01:11:19,430 --> 01:11:17,920

what that means though

2056

01:11:20,950 --> 01:11:19,440

i'm glad we have 50 people i thought it

2057

01:11:22,229 --> 01:11:20,960

would be zero

2058

01:11:23,669 --> 01:11:22,239

you know you could do too many live but

2059

01:11:25,669 --> 01:11:23,679

i'm trying to do live at least once a

2060

01:11:26,550 --> 01:11:25,679

week maybe just this kind of thing and

2061

01:11:28,470 --> 01:11:26,560

then

2062

01:11:30,149 --> 01:11:28,480

i guess i want to try to interview k

2063

01:11:32,149 --> 01:11:30,159

randall may

2064

01:11:35,189 --> 01:11:32,159

um who i got the reading from she's been

2065

01:11:36,550 --> 01:11:35,199

uh intuitive for a long time

2066

01:11:39,110 --> 01:11:36,560

ryan graves i don't know what ryan

2067

01:11:41,030 --> 01:11:39,120

graves is up to mike i mean

2068

01:11:42,870 --> 01:11:41,040

he kind of downplayed it after he came

2069

01:11:44,870 --> 01:11:42,880

out and said you know stuff is going on

2070

01:11:46,630 --> 01:11:44,880

then he said don't get too excited i

2071

01:11:48,310 --> 01:11:46,640

don't know what it is though

2072

01:11:52,830 --> 01:11:48,320

i haven't heard anything recently from

2073

01:11:57,830 --> 01:11:55,590

except that

2074

01:11:59,350 --> 01:11:57,840

disclosure is happening right before us

2075

01:12:01,590 --> 01:11:59,360

but it doesn't mean it's going to happen

2076

01:12:03,750 --> 01:12:01,600

fast

2077

01:12:06,149 --> 01:12:03,760

ross would narrate does doesn't does

2078

01:12:10,310 --> 01:12:06,159

valet have any books books on tape at

2079

01:12:13,910 --> 01:12:12,470

yeah they when they give linda linda her

2080

01:12:16,070 --> 01:12:13,920

sample back it's gonna look a little

2081

01:12:21,669 --> 01:12:16,080

different

2082

01:12:25,189 --> 01:12:23,430

why do

2083

01:12:26,709 --> 01:12:25,199

you think no one ever questions tom on

2084

01:12:28,310 --> 01:12:26,719

the castle in email that's another one

2085

01:12:29,990 --> 01:12:28,320

why wasn't mccaslin brought up it

2086

01:12:31,669 --> 01:12:30,000

probably probably would not talk about

2087

01:12:33,910 --> 01:12:31,679

it because that was not supposed to be

2088

01:12:34,790 --> 01:12:33,920

public

2089

01:12:36,470 --> 01:12:34,800

um

2090

01:12:37,910 --> 01:12:36,480

oh okay i didn't know it was speculation

2091

01:12:39,669 --> 01:12:37,920

by ross i mean

2092

01:12:42,310 --> 01:12:39,679

i have so many notes on that book too

2093

01:12:46,310 --> 01:12:42,320

many notes took me forever to read

2094

01:12:51,110 --> 01:12:48,390

yeah my castle and imagine him going

2095

01:12:52,950 --> 01:12:51,120

public that would be amazing

2096

01:12:54,630 --> 01:12:52,960

probably won't though you know it would

2097

01:12:57,030 --> 01:12:54,640

be nice if these guys went public before

2098

01:12:59,830 --> 01:12:57,040

they died

2099

01:13:01,430 --> 01:12:59,840

yeah i'm not good at videos preston so

2100

01:13:03,110 --> 01:13:01,440

anybody who puts videos up i look at

2101  
01:13:04,149 --> 01:13:03,120  
them and especially nighttime videos so

2102  
01:13:06,470 --> 01:13:04,159  
i wouldn't even be able to tell you if

2103  
01:13:08,149 --> 01:13:06,480  
it was a satellite i mean

2104  
01:13:09,669 --> 01:13:08,159  
um

2105  
01:13:10,950 --> 01:13:09,679  
but he's being he's gonna be i do

2106  
01:13:12,630 --> 01:13:10,960  
believe stuff happened at the blood

2107  
01:13:13,669 --> 01:13:12,640  
cells enough people had experiences with

2108  
01:13:15,270 --> 01:13:13,679  
him

2109  
01:13:17,430 --> 01:13:15,280  
all the other stuff that his son talks

2110  
01:13:19,750 --> 01:13:17,440  
about that semivan told them

2111  
01:13:21,189 --> 01:13:19,760  
that we were created by

2112  
01:13:22,470 --> 01:13:21,199  
this is what ryan bledsoe said on

2113  
01:13:24,390 --> 01:13:22,480

twitter semi-van was sitting in the

2114

01:13:27,910 --> 01:13:24,400

chair and said

2115

01:13:29,110 --> 01:13:27,920

ultra-terrestrials created us

2116

01:13:30,310 --> 01:13:29,120

and

2117

01:13:37,189 --> 01:13:30,320

i don't know what else he said there's

2118

01:13:39,830 --> 01:13:38,470

ross said

2119

01:13:41,830 --> 01:13:39,840

on

2120

01:13:43,110 --> 01:13:41,840

celebrity review that the us has their

2121

01:13:44,470 --> 01:13:43,120

frequency

2122

01:13:46,390 --> 01:13:44,480

yeah

2123

01:13:47,910 --> 01:13:46,400

that's that's from

2124

01:13:49,510 --> 01:13:47,920

the bob fish

2125

01:13:51,270 --> 01:13:49,520

wikileaks

2126

01:13:53,430 --> 01:13:51,280

stuff check it out

2127

01:13:54,790 --> 01:13:53,440

um he check it out in ross's book that

2128

01:13:55,910 --> 01:13:54,800

ross interviewed him it's really great

2129

01:13:58,310 --> 01:13:55,920

they figure they can figure out the

2130

01:14:00,950 --> 01:13:58,320

frequency of these uap coming in and out

2131

01:14:02,470 --> 01:14:00,960

of the ocean apparently

2132

01:14:04,229 --> 01:14:02,480

and this guy's like he goes i can't tell

2133

01:14:05,669 --> 01:14:04,239

you the frequency because then russia or

2134

01:14:08,070 --> 01:14:05,679

china would build a craft with that

2135

01:14:10,229 --> 01:14:08,080

frequency because supposedly we once we

2136

01:14:12,390 --> 01:14:10,239

see that frequency we're like ah that's

2137

01:14:14,390 --> 01:14:12,400

the ufos just let them be

2138

01:14:15,910 --> 01:14:14,400

so if russia or china knew that

2139

01:14:17,830 --> 01:14:15,920

frequency they would

2140

01:14:19,510 --> 01:14:17,840

create a craft with the same frequency

2141

01:14:21,030 --> 01:14:19,520

and then we would just leave it alone

2142

01:14:22,630 --> 01:14:21,040

it's a really good interview and there's

2143

01:14:24,870 --> 01:14:22,640

stuff in the

2144

01:14:27,110 --> 01:14:24,880

um wikileaks stuff that deals with it

2145

01:14:29,750 --> 01:14:27,120

too it's which i missed

2146

01:14:31,270 --> 01:14:29,760

lots of stuff i've missed

2147

01:14:33,189 --> 01:14:31,280

our oh my god i would love to do

2148

01:14:35,510 --> 01:14:33,199

something have semi-van on i should ask

2149

01:14:37,350 --> 01:14:35,520

i should ask if anybody from tsa would

2150

01:14:38,870 --> 01:14:37,360

come on my show which i don't even have

2151

01:14:40,630 --> 01:14:38,880

a name for

2152

01:14:43,270 --> 01:14:40,640

the old show's name was the ufo joe show

2153

01:14:45,430 --> 01:14:43,280

i guess that works

2154

01:14:46,630 --> 01:14:45,440

um

2155

01:14:50,070 --> 01:14:46,640

michael i haven't heard from him

2156

01:14:52,149 --> 01:14:50,080

hopefully he does well with his surgery

2157

01:14:54,149 --> 01:14:52,159

did semi-van reveal why he uses melinda

2158

01:14:55,830 --> 01:14:54,159

leslie as a mouthpiece she claims to

2159

01:14:57,590 --> 01:14:55,840

have had alien hybrid children and cells

2160

01:15:00,550 --> 01:14:57,600

ufo tours

2161

01:15:02,390 --> 01:15:00,560

um i don't know about her tours uh

2162

01:15:03,750 --> 01:15:02,400

i've heard good things about her tours

2163

01:15:08,149 --> 01:15:03,760

my labs

2164

01:15:09,669 --> 01:15:08,159

like she has talked about him

2165

01:15:13,030 --> 01:15:09,679

commenting on my labs i don't remember

2166

01:15:17,350 --> 01:15:14,790

my labs are something i have not

2167

01:15:18,390 --> 01:15:17,360

rejected i interviewed her in 97

2168

01:15:19,590 --> 01:15:18,400

i don't know what to think about it

2169

01:15:21,910 --> 01:15:19,600

though

2170

01:15:27,510 --> 01:15:21,920

as with mo most things in the phenomenon

2171

01:15:32,070 --> 01:15:29,189

yeah well i should do more audio or at

2172

01:15:33,750 --> 01:15:32,080

least have somebody do it

2173

01:15:35,830 --> 01:15:33,760

esthetic ranch i've heard mixed things

2174

01:15:37,350 --> 01:15:35,840

about

2175

01:15:39,430 --> 01:15:37,360

somebody said that they were same thing

2176

01:15:42,390 --> 01:15:39,440

seeing satellites out there

2177

01:15:45,189 --> 01:15:42,400

michael vi is great thank you um

2178

01:15:47,270 --> 01:15:45,199

i invited him on today but he was busy

2179

01:15:49,189 --> 01:15:47,280

there's so many more topics that we can

2180

01:15:51,030 --> 01:15:49,199

get into with mike he he has a lot of

2181

01:15:52,390 --> 01:15:51,040

opinions

2182

01:15:55,750 --> 01:15:52,400

especially about this this would have

2183

01:15:58,950 --> 01:15:55,760

been good for him but he had a pre

2184

01:16:01,110 --> 01:15:58,960

pre-planned engagement unfortunately

2185

01:16:04,470 --> 01:16:01,120

um

2186

01:16:06,709 --> 01:16:04,480

anyway so that is i'm gonna

2187

01:16:09,270 --> 01:16:06,719

call quits yeah i have no reason not to

2188

01:16:12,870 --> 01:16:09,280

believe see i see a you know semi-van i

2189

01:16:15,910 --> 01:16:13,990

we'll see

2190

01:16:17,430 --> 01:16:15,920

have i asked kit green's most trusted

2191

01:16:19,990 --> 01:16:17,440

psychic about the session done that

2192

01:16:21,669 --> 01:16:20,000

talks about certain things near catalina

2193

01:16:23,990 --> 01:16:21,679

no she does not want to talk about any

2194

01:16:26,070 --> 01:16:24,000

of that stuff because it's

2195

01:16:26,950 --> 01:16:26,080

i don't know if it's just private data

2196

01:16:27,910 --> 01:16:26,960

um

2197

01:16:31,030 --> 01:16:27,920

but

2198

01:16:36,870 --> 01:16:34,390

loose strategy five pillars

2199

01:16:39,350 --> 01:16:36,880

so i had my reading with k randall may

2200

01:16:43,910 --> 01:16:42,470

we talked about ufos

2201

01:16:45,669 --> 01:16:43,920

i'm sorry

2202

01:16:47,590 --> 01:16:45,679

we talked about ufos a little bit she

2203

01:16:50,390 --> 01:16:47,600

said she believes there are four major

2204

01:16:54,870 --> 01:16:53,270

thanks dsm i appreciate it um

2205

01:16:56,470 --> 01:16:54,880

k randall my said there are four major

2206

01:16:58,229 --> 01:16:56,480

groups here in her opinion other groups

2207

01:17:00,149 --> 01:16:58,239

may be coming here and she thinks the

2208

01:17:02,870 --> 01:17:00,159

four groups have different opinions on

2209

01:17:04,310 --> 01:17:02,880

how to handle things didn't explain that

2210

01:17:06,390 --> 01:17:04,320

i would love to have her on and talk

2211

01:17:09,110 --> 01:17:06,400

about that but it's psychic information

2212

01:17:10,950 --> 01:17:09,120

so it's like can't verify it um

2213

01:17:12,390 --> 01:17:10,960

she said she thinks other people come

2214

01:17:15,030 --> 01:17:12,400

here from other

2215

01:17:16,630 --> 01:17:15,040

civilizations a vast universe and not

2216

01:17:18,470 --> 01:17:16,640

everybody has the best intentions for

2217

01:17:20,709 --> 01:17:18,480

humanity um

2218

01:17:22,709 --> 01:17:20,719

she thought the 2009 19 events i'm like

2219

01:17:24,149 --> 01:17:22,719

did you did you hear about them

2220

01:17:25,590 --> 01:17:24,159

she's like yes i heard about them how

2221

01:17:27,750 --> 01:17:25,600

could you not hear about them she does

2222

01:17:29,990 --> 01:17:27,760

not think they're russia or china in her

2223

01:17:31,030 --> 01:17:30,000

opinion but i you know seen some events

2224

01:17:32,630 --> 01:17:31,040

say it is

2225

01:17:35,430 --> 01:17:32,640

more has more weight

2226

01:17:37,270 --> 01:17:35,440

um i have to look at my notes

2227

01:17:40,390 --> 01:17:37,280

different agendas yeah could be but she

2228

01:17:42,229 --> 01:17:40,400

said negative positive all of the above

2229

01:17:43,910 --> 01:17:42,239

so paul hellyer

2230

01:17:45,830 --> 01:17:43,920

i need to find out i thought paul

2231

01:17:47,669 --> 01:17:45,840

hellyer's information never he never

2232

01:17:49,030 --> 01:17:47,679

said it came from government sources but

2233

01:17:50,310 --> 01:17:49,040

somebody said you need to look into paul

2234

01:17:52,070 --> 01:17:50,320

hellyer again

2235

01:17:54,390 --> 01:17:52,080

because that's not true but

2236

01:17:55,990 --> 01:17:54,400

i put him in the same ballpark as escher

2237

01:17:57,750 --> 01:17:56,000

the guy from israel you know because he

2238

01:17:59,590 --> 01:17:57,760

was all over the place i'm like where is

2239

01:18:01,350 --> 01:17:59,600

he getting this information if it's from

2240

01:18:03,189 --> 01:18:01,360

his government sources great but i think

2241

01:18:04,470 --> 01:18:03,199

it's just from books and reading stuff

2242

01:18:05,910 --> 01:18:04,480

and that's you know

2243

01:18:08,790 --> 01:18:05,920

another person i want to interview two

2244

01:18:11,189 --> 01:18:08,800

people remote viewing lynn buchanan

2245

01:18:12,950 --> 01:18:11,199

remote viewer paul smith back in the day

2246

01:18:14,950 --> 01:18:12,960

on coast to coast it was paul smith lin

2247

01:18:17,430 --> 01:18:14,960

buchanan and joe mcmonicle i would love

2248

01:18:18,870 --> 01:18:17,440

to get mcmonicle he's hard to get i'll

2249

01:18:21,270 --> 01:18:18,880

try though

2250

01:18:23,910 --> 01:18:21,280

those three are like the original

2251

01:18:25,189 --> 01:18:23,920

gangsters from remote viewing um there

2252

01:18:26,870 --> 01:18:25,199

were some remote there were some females

2253

01:18:28,550 --> 01:18:26,880

from that group but

2254

01:18:31,590 --> 01:18:28,560

i don't see them public at all hella

2255

01:18:35,350 --> 01:18:33,750

so yeah i'm gonna go

2256

01:18:36,950 --> 01:18:35,360

what's real quick what are the four

2257

01:18:38,550 --> 01:18:36,960

groups according to that person no she

2258

01:18:39,669 --> 01:18:38,560

didn't say so

2259

01:18:42,229 --> 01:18:39,679

um

2260

01:18:43,669 --> 01:18:42,239

i will try to get her on

2261

01:18:46,870 --> 01:18:43,679

she said she's fascinated by this

2262

01:18:51,030 --> 01:18:49,189

if i could get her on but you know it's

2263

01:18:53,110 --> 01:18:51,040

remember it's psychically derived

2264

01:18:54,550 --> 01:18:53,120

information with no feedback whatsoever

2265

01:18:55,910 --> 01:18:54,560

if she said that she spoke to people in

2266

01:18:57,430 --> 01:18:55,920

the government who said you're on the

2267

01:19:00,790 --> 01:18:57,440

right track okay

2268

01:19:02,550 --> 01:19:00,800

that's you know that's one thing but

2269

01:19:04,229 --> 01:19:02,560

i haven't heard her say that still i'd

2270

01:19:05,750 --> 01:19:04,239

like to hear her opinion

2271

01:19:07,750 --> 01:19:05,760

you know she does a lot of medical

2272

01:19:09,189 --> 01:19:07,760

readings

2273

01:19:10,790 --> 01:19:09,199

that's what her focus is that's what her

2274

01:19:12,630 --> 01:19:10,800

specialty is and like i said she's a

2275

01:19:15,430 --> 01:19:12,640

doctor but i don't know what she's i'm

2276

01:19:16,390 --> 01:19:15,440

trying to find out what her phd is in

2277

01:19:17,830 --> 01:19:16,400

um

2278

01:19:23,590 --> 01:19:17,840

i'm right about hellyer getting

2279

01:19:28,630 --> 01:19:27,030

thanks v thank you preston

2280

01:19:30,630 --> 01:19:28,640

yes michael vi

2281

01:19:32,390 --> 01:19:30,640

i will i'll share it with him again

2282

01:19:35,189 --> 01:19:32,400

because he needs to be on again and he

2283

01:19:40,149 --> 01:19:36,950

follow up with michael oh kit green's

2284

01:19:45,030 --> 01:19:41,669

i would love to talk to her about all of

2285

01:19:47,270 --> 01:19:45,040

that stuff um gaza ethan i love gods of

2286

01:19:49,590 --> 01:19:47,280

eden but

2287

01:19:50,470 --> 01:19:49,600

that's that's um

2288

01:19:52,149 --> 01:19:50,480

they

2289

01:19:53,750 --> 01:19:52,159  
are manipulating us for their own

2290

01:19:57,350 --> 01:19:53,760  
benefit and they have been for a long

2291

01:19:59,510 --> 01:19:57,360  
time that's the gist of the book um

2292

01:20:00,870 --> 01:19:59,520  
really negative so just remember that be

2293

01:20:02,870 --> 01:20:00,880  
prepared for that somebody read the

2294

01:20:05,030 --> 01:20:02,880  
entire thing online just some person you

2295

01:20:06,790 --> 01:20:05,040  
can find it on youtube

2296

01:20:08,390 --> 01:20:06,800  
but if semi-van is right then all that

2297

01:20:10,070 --> 01:20:08,400  
is nonsense so now i'm thinking

2298

01:20:11,350 --> 01:20:10,080  
everything over again

2299

01:20:12,310 --> 01:20:11,360  
which happens

2300

01:20:14,149 --> 01:20:12,320  
with this

2301

01:20:16,070 --> 01:20:14,159

subject you can never be too sure about

2302

01:20:18,310 --> 01:20:16,080

anything

2303

01:20:20,709 --> 01:20:18,320

thanks rich

2304

01:20:22,470 --> 01:20:20,719

thanks m shepherd take care guys thanks
