

**Live
Summaries
of Lectures**

**Every
Evening**

AMA

Time: TBD

**MAKING
CONTACT
CONVERGENCE**

1
00:05:03,919 --> 00:05:10,390
now there's sound right roger dodger

2
00:05:10,400 --> 00:05:16,469
sound now

3
00:05:20,310 --> 00:05:18,629
yeah i had my mute button on catherine

4
00:05:22,070 --> 00:05:20,320
just just let me know their sound and i

5
00:05:24,950 --> 00:05:22,080
will start

6
00:05:27,189 --> 00:05:24,960
good have like an hour before

7
00:05:28,550 --> 00:05:27,199
the next lecture which is don schmidt on

8
00:05:31,670 --> 00:05:28,560
roswell

9
00:05:33,510 --> 00:05:31,680
um so mark sims began

10
00:05:36,390 --> 00:05:33,520
talking about his experience his

11
00:05:38,870 --> 00:05:36,400
experience in 2012

12
00:05:42,230 --> 00:05:38,880
and

13
00:05:43,749 --> 00:05:42,240

so he signed up for a ce5 with greer

14

00:05:46,230 --> 00:05:43,759

and

15

00:05:48,390 --> 00:05:46,240

they had a sighting on the fifth night i

16

00:05:53,430 --> 00:05:48,400

think it was a six night event

17

00:05:58,870 --> 00:05:56,150

went back to his hotel room

18

00:06:00,710 --> 00:05:58,880

and this he was meditating

19

00:06:02,309 --> 00:06:00,720

and this being showed up at the end of

20

00:06:04,629 --> 00:06:02,319

the bed

21

00:06:09,029 --> 00:06:04,639

and this is what it looked like

22

00:06:14,870 --> 00:06:10,790

so the original

23

00:06:19,189 --> 00:06:16,790

and that being was called

24

00:06:21,270 --> 00:06:19,199

teshbar hopefully i'm pronouncing it

25

00:06:23,990 --> 00:06:21,280

properly

26

00:06:28,790 --> 00:06:26,629

pencil sketch

27

00:06:31,990 --> 00:06:28,800

on the left computed computer

28

00:06:33,670 --> 00:06:32,000

illustration on the right

29

00:06:36,230 --> 00:06:33,680

and

30

00:06:37,670 --> 00:06:36,240

he could tell that it was non-physical i

31

00:06:39,029 --> 00:06:37,680

mean you could see it you could see

32

00:06:41,110 --> 00:06:39,039

through it

33

00:06:43,029 --> 00:06:41,120

so that was his

34

00:06:45,510 --> 00:06:43,039

he had no concept of an e he wasn't a

35

00:06:46,950 --> 00:06:45,520

ufo guy so he said he had no concept of

36

00:06:49,110 --> 00:06:46,960

an e.t being

37

00:06:50,870 --> 00:06:49,120

not being physical

38

00:06:52,870 --> 00:06:50,880

so he wondered you know

39

00:06:55,350 --> 00:06:52,880

did that ufo that just appeared out of

40

00:06:56,870 --> 00:06:55,360

nowhere he said everybody saw it i

41

00:06:59,189 --> 00:06:56,880

missed that picture

42

00:07:00,830 --> 00:06:59,199

um but he said did it de-cloak and then

43

00:07:03,270 --> 00:07:00,840

this being did it come from another

44

00:07:06,230 --> 00:07:03,280

dimension uh was it a holographic

45

00:07:08,390 --> 00:07:06,240

projection or a light being

46

00:07:10,150 --> 00:07:08,400

and like i said he was all new new to

47

00:07:13,589 --> 00:07:10,160

ufology

48

00:07:16,870 --> 00:07:15,270

he thought maybe you know it was like

49

00:07:18,150 --> 00:07:16,880

everybody when you first get into this

50

00:07:20,550 --> 00:07:18,160

he thought maybe it was a highly

51
00:07:22,230 --> 00:07:20,560
advanced technologically advanced being

52
00:07:24,629 --> 00:07:22,240
from a civilization and visiting from

53
00:07:27,189 --> 00:07:24,639
other planets and it came here with his

54
00:07:29,430 --> 00:07:27,199
with a starship that was his mindset

55
00:07:32,469 --> 00:07:29,440
um

56
00:07:34,710 --> 00:07:32,479
but then this being came up to him and

57
00:07:36,629 --> 00:07:34,720
and i guess melded with him is the best

58
00:07:37,990 --> 00:07:36,639
way to put it

59
00:07:41,830 --> 00:07:38,000
so

60
00:07:43,510 --> 00:07:41,840
he had this contact for 13 days

61
00:07:45,589 --> 00:07:43,520
and

62
00:07:48,790 --> 00:07:45,599
for 13 days it communicated with him so

63
00:07:50,309 --> 00:07:48,800

i guess it's like channeling but i mean

64

00:07:52,469 --> 00:07:50,319

i guess there are different ways to call

65

00:07:54,230 --> 00:07:52,479

trans channeling is i think trans

66

00:07:56,629 --> 00:07:54,240

channeling is when you let the being

67

00:07:58,550 --> 00:07:56,639

enter and channeling is just like from

68

00:08:00,629 --> 00:07:58,560

some distance where it's

69

00:08:02,469 --> 00:08:00,639

telepathic so i would say this is kind

70

00:08:04,869 --> 00:08:02,479

of like chance channeling trans

71

00:08:07,189 --> 00:08:04,879

channeling and for 13 days as far as he

72

00:08:08,550 --> 00:08:07,199

knows nobody in the community anybody

73

00:08:11,270 --> 00:08:08,560

he's never heard of a story where they

74

00:08:12,950 --> 00:08:11,280

they had 13 days of contact and it just

75

00:08:14,550 --> 00:08:12,960

started telling him how the how the

76

00:08:15,670 --> 00:08:14,560

universe worked

77

00:08:18,469 --> 00:08:15,680

and

78

00:08:20,710 --> 00:08:18,479

let me skip this picture

79

00:08:22,550 --> 00:08:20,720

for a second and i will get to

80

00:08:25,589 --> 00:08:22,560

his slideshow and i will put him in

81

00:08:30,869 --> 00:08:27,830

and like i said a lot of this stuff i'm

82

00:08:33,909 --> 00:08:30,879

i'm not going to spend too much time but

83

00:08:36,149 --> 00:08:33,919

he went over it in depth

84

00:08:37,670 --> 00:08:36,159

and here's a better picture

85

00:08:47,269 --> 00:08:37,680

of that

86

00:08:47,279 --> 00:08:51,990

and it started communicating saying

87

00:08:55,829 --> 00:08:53,910

what's important is to join together the

88

00:08:57,910 --> 00:08:55,839

physical astral

89

00:09:01,030 --> 00:08:57,920

the astral is the stage and remember

90

00:09:02,710 --> 00:09:01,040

guys i'm i'm i've had a background of

91

00:09:04,949 --> 00:09:02,720

metaphysics but

92

00:09:06,310 --> 00:09:04,959

you know some of this stuff

93

00:09:08,070 --> 00:09:06,320

for me it's

94

00:09:09,750 --> 00:09:08,080

not only new but it's not stuff i would

95

00:09:11,990 --> 00:09:09,760

talk about but people want to hear what

96

00:09:14,710 --> 00:09:12,000

went on so i'm going to share it

97

00:09:16,150 --> 00:09:14,720

uh astral stage of development it's a

98

00:09:17,269 --> 00:09:16,160

stage of development of the souls

99

00:09:18,790 --> 00:09:17,279

evolution

100

00:09:21,190 --> 00:09:18,800

uh

101
00:09:23,590 --> 00:09:21,200
the astral body that's important

102
00:09:25,269 --> 00:09:23,600
bar claimed to be a celestial being and

103
00:09:26,630 --> 00:09:25,279
that's at the top

104
00:09:28,710 --> 00:09:26,640
and i'll explain that in a second

105
00:09:31,509 --> 00:09:28,720
non-physical and emerged with mark's

106
00:09:31,519 --> 00:09:35,430
and then the eye

107
00:09:39,670 --> 00:09:37,750
the eye represents the big bang

108
00:09:42,230 --> 00:09:39,680
and then the pyramid shows the universe

109
00:09:45,350 --> 00:09:42,240
getting larger and larger over time

110
00:09:48,230 --> 00:09:45,360
arrows represent linear time since the

111
00:09:50,710 --> 00:09:48,240
big bang in one direction

112
00:09:51,910 --> 00:09:50,720
and he he equates the creation of the

113
00:09:54,710 --> 00:09:51,920

universe

114

00:09:56,870 --> 00:09:54,720
and this is all through teshbar so

115

00:09:58,550 --> 00:09:56,880
i'm not a big fan of channel material or

116

00:09:59,509 --> 00:09:58,560
even trance material but this is what he

117

00:10:01,190 --> 00:09:59,519
received

118

00:10:03,030 --> 00:10:01,200
and he's very passionate about it and

119

00:10:04,630 --> 00:10:03,040
he's sharing it

120

00:10:06,230 --> 00:10:04,640
like i said it's not the kind of stuff i

121

00:10:07,910 --> 00:10:06,240
would be sharing on

122

00:10:09,670 --> 00:10:07,920
day one if somebody asked me about the

123

00:10:11,829 --> 00:10:09,680
phenomenon and i probably wouldn't share

124

00:10:13,350 --> 00:10:11,839
it on day 100 but

125

00:10:14,550 --> 00:10:13,360
i know a lot of people are interested in

126
00:10:19,030 --> 00:10:14,560
this so

127
00:10:21,670 --> 00:10:20,310
even though some of this stuff is out

128
00:10:23,829 --> 00:10:21,680
there for me

129
00:10:26,310 --> 00:10:23,839
so expanding universe pure unified

130
00:10:30,550 --> 00:10:26,320
consciousness as it expands it's cooling

131
00:10:35,269 --> 00:10:33,110
are cooler than see some of my notes are

132
00:10:37,750 --> 00:10:35,279
not clear sorry as it grows it hits a

133
00:10:39,269 --> 00:10:37,760
harmonic resonance barrier he likened it

134
00:10:40,870 --> 00:10:39,279
to the state of

135
00:10:42,710 --> 00:10:40,880
a change that matter goes through when

136
00:10:44,790 --> 00:10:42,720
it goes from a gas to liquid this is the

137
00:10:47,430 --> 00:10:44,800
formation you know the formation of the

138
00:10:49,670 --> 00:10:47,440

universe the early universe was super

139

00:10:51,430 --> 00:10:49,680

hot steam universe

140

00:10:53,670 --> 00:10:51,440

rapidly expanding then at the leading

141

00:10:55,590 --> 00:10:53,680

edge it cools down and condensation

142

00:10:57,030 --> 00:10:55,600

takes place

143

00:11:01,509 --> 00:10:57,040

first realm and a lot of this is

144

00:11:03,750 --> 00:11:01,519

analogies uh to water ice and and steam

145

00:11:06,470 --> 00:11:03,760

first realm of creation is celestial and

146

00:11:08,790 --> 00:11:06,480

then astral and then finally as as it

147

00:11:11,430 --> 00:11:08,800

expands like water like water freezes

148

00:11:12,630 --> 00:11:11,440

into ice the last part is the physical

149

00:11:16,790 --> 00:11:12,640

and that's when we have where we have

150

00:11:24,069 --> 00:11:18,470

and he said it's kind of channeled you

151
00:11:28,389 --> 00:11:26,310
and then he had this chart after all the

152
00:11:30,630 --> 00:11:28,399
information was shared with him

153
00:11:35,509 --> 00:11:30,640
shared with him he had this chart and

154
00:11:38,949 --> 00:11:37,670
three realms of creation

155
00:11:40,829 --> 00:11:38,959
within those

156
00:11:42,550 --> 00:11:40,839
each have five dimensions of

157
00:11:44,069 --> 00:11:42,560
consciousness and like i said it's

158
00:11:46,069 --> 00:11:44,079
really detailed

159
00:11:47,590 --> 00:11:46,079
and

160
00:11:49,030 --> 00:11:47,600
he did turn this into a computer

161
00:11:52,870 --> 00:11:49,040
printout so you could read it a little

162
00:11:56,629 --> 00:11:55,030
he said the physical has five senses

163
00:12:00,069 --> 00:11:56,639

five senses you know the five senses

164

00:12:02,230 --> 00:12:00,079

sight hearing touch smell

165

00:12:03,910 --> 00:12:02,240

i'm missing one

166

00:12:05,829 --> 00:12:03,920

and you need the physical body to have a

167

00:12:08,470 --> 00:12:05,839

physical experience

168

00:12:11,190 --> 00:12:08,480

a human being is much more in risk being

169

00:12:14,069 --> 00:12:11,200

a human being is much more enriching and

170

00:12:15,190 --> 00:12:14,079

dense of an experience of consciousness

171

00:12:17,350 --> 00:12:15,200

um

172

00:12:20,710 --> 00:12:17,360

teshbar had access to five dimensions of

173

00:12:23,350 --> 00:12:20,720

consciousness amnesia omniscience

174

00:12:25,110 --> 00:12:23,360

omnipresence not like god

175

00:12:27,190 --> 00:12:25,120

if teshbar wanted to know here we go

176

00:12:29,030 --> 00:12:27,200

this is real true metaphysics if you've

177

00:12:31,350 --> 00:12:29,040

ever studied metaphysics

178

00:12:33,750 --> 00:12:31,360

if teshbar wanted to know something in

179

00:12:37,030 --> 00:12:35,430

in the full universe conscious field he

180

00:12:39,590 --> 00:12:37,040

needed to focus on it and then he would

181

00:12:41,110 --> 00:12:39,600

have access to the akashic record

182

00:12:45,350 --> 00:12:41,120

akashic record is something you hear

183

00:12:49,110 --> 00:12:47,269

which allegedly

184

00:12:51,269 --> 00:12:49,120

this storehouse of

185

00:12:53,350 --> 00:12:51,279

information that exists in the universe

186

00:12:54,550 --> 00:12:53,360

has complete record of all space and

187

00:13:02,150 --> 00:12:54,560

time

188

00:13:06,310 --> 00:13:03,590

and i know this is not the normal stuff

189

00:13:09,750 --> 00:13:06,320

i usually read about but

190

00:13:09,760 --> 00:13:12,949

so

191

00:13:16,790 --> 00:13:15,110

three realms have different kind kinds

192

00:13:19,030 --> 00:13:16,800

of beings

193

00:13:21,110 --> 00:13:19,040

non-physical celestial and astral they

194

00:13:22,790 --> 00:13:21,120

can have a physical experience these

195

00:13:25,190 --> 00:13:22,800

beings

196

00:13:27,829 --> 00:13:25,200

teshbar merged with him

197

00:13:30,310 --> 00:13:27,839

and could see through mark sims's eyes

198

00:13:31,350 --> 00:13:30,320

and experience with what mark sims was

199

00:13:33,509 --> 00:13:31,360

feeling

200

00:13:36,870 --> 00:13:33,519

and remember for me everything is

201
00:13:39,670 --> 00:13:36,880
prefaced prefaced by allegedly because

202
00:13:41,110 --> 00:13:39,680
this is mark telling his story

203
00:13:43,269 --> 00:13:41,120
we have gone through thousands and

204
00:13:44,870 --> 00:13:43,279
thousands of lifetimes in the animal

205
00:13:45,590 --> 00:13:44,880
kingdom i mean i've heard that before

206
00:13:48,629 --> 00:13:45,600
but

207
00:13:50,389 --> 00:13:48,639
he says four different state stages

208
00:13:52,870 --> 00:13:50,399
you have to to advance to the next to

209
00:13:54,870 --> 00:13:52,880
the next micro stage

210
00:13:56,150 --> 00:13:54,880
you need to procreate that's how you

211
00:13:57,350 --> 00:13:56,160
progress

212
00:13:58,629 --> 00:13:57,360
and i'm

213
00:13:59,829 --> 00:13:58,639

not sure if it comes up later but he

214

00:14:02,230 --> 00:13:59,839

said you have to be in the animal

215

00:14:05,670 --> 00:14:02,240

kingdom for four lifetimes

216

00:14:09,350 --> 00:14:07,590

mentions chakras

217

00:14:10,710 --> 00:14:09,360

and says you know when you're created

218

00:14:14,710 --> 00:14:10,720

you need to be afraid of your prey

219

00:14:18,470 --> 00:14:16,230

i guess that was part of when we were

220

00:14:20,389 --> 00:14:18,480

created that was put in us

221

00:14:22,790 --> 00:14:20,399

we have physical beings that go from

222

00:14:23,990 --> 00:14:22,800

physical dimensions to complex complex

223

00:14:25,509 --> 00:14:24,000

life forms

224

00:14:26,870 --> 00:14:25,519

same it's the same way in other parts of

225

00:14:28,310 --> 00:14:26,880

the universe

226

00:14:31,430 --> 00:14:28,320

it doesn't have a human it could be a

227

00:14:34,389 --> 00:14:31,440

praying mantis being could be here's one

228

00:14:35,750 --> 00:14:34,399

could be avian like a blue avian he

229

00:14:37,509 --> 00:14:35,760

didn't say blue avian but he said yeah

230

00:14:38,389 --> 00:14:37,519

there could be birds like intelligent

231

00:14:39,430 --> 00:14:38,399

life

232

00:14:42,150 --> 00:14:39,440

um

233

00:14:43,350 --> 00:14:42,160

this gives rice a rise to other races on

234

00:14:45,189 --> 00:14:43,360

other planets

235

00:14:47,670 --> 00:14:45,199

if you meet the requirements of

236

00:14:49,350 --> 00:14:47,680

ascension and ascension is a loaded word

237

00:14:51,110 --> 00:14:49,360

i mean i've heard ascension for so long

238

00:14:53,430 --> 00:14:51,120

we were gonna ascend

239

00:14:55,509 --> 00:14:53,440

when uh 2012 came you know we're gonna

240

00:14:57,509 --> 00:14:55,519

ascend and disappear if you've ever read

241

00:15:00,870 --> 00:14:57,519

the um

242

00:15:02,150 --> 00:15:00,880

a really famous book by james redford

243

00:15:03,910 --> 00:15:02,160

fern

244

00:15:06,550 --> 00:15:03,920

i forget what it's called you guys might

245

00:15:08,470 --> 00:15:06,560

remember it famous book uh you know

246

00:15:11,189 --> 00:15:08,480

basically you ascend and you disappear

247

00:15:13,110 --> 00:15:11,199

you're not physical anymore so

248

00:15:14,470 --> 00:15:13,120

if you meet the requirements of a

249

00:15:16,389 --> 00:15:14,480

ascension you can shed your physical

250

00:15:18,949 --> 00:15:16,399

body you can recall all previous

251
00:15:20,710 --> 00:15:18,959
lifetimes with and most recent having

252
00:15:24,470 --> 00:15:20,720
the most impact

253
00:15:26,310 --> 00:15:24,480
lifetime if you adjust you'll have more

254
00:15:27,829 --> 00:15:26,320
recall of past lives and it's very

255
00:15:31,350 --> 00:15:27,839
confusing

256
00:15:33,590 --> 00:15:31,360
information rising all at once you'll

257
00:15:35,350 --> 00:15:33,600
meet loved ones who have passed on this

258
00:15:39,670 --> 00:15:35,360
is where people with ndes have meet

259
00:15:44,550 --> 00:15:40,870
and those are the ones that tell you

260
00:15:45,829 --> 00:15:44,560
it's not time to die you got to go back

261
00:15:47,430 --> 00:15:45,839
and the loved ones are there so you

262
00:15:50,389 --> 00:15:47,440
don't freak out at your new surroundings

263
00:15:52,470 --> 00:15:50,399

and i know i'm missing details but

264

00:15:54,629 --> 00:15:52,480

there's a lot of details he talks about

265

00:15:56,230 --> 00:15:54,639

soul groups which i'm not a fan of that

266

00:15:58,230 --> 00:15:56,240

but i've heard of it

267

00:16:00,310 --> 00:15:58,240

from when i read many lives and many

268

00:16:02,790 --> 00:16:00,320

masters by brian

269

00:16:04,310 --> 00:16:02,800

brian weiss

270

00:16:07,350 --> 00:16:04,320

and there's another book i read life

271

00:16:09,110 --> 00:16:07,360

between lives i think it was fisher and

272

00:16:10,629 --> 00:16:09,120

whitton maybe

273

00:16:12,470 --> 00:16:10,639

interesting book talking about how you

274

00:16:13,910 --> 00:16:12,480

know allegedly planning your life

275

00:16:15,670 --> 00:16:13,920

between this life and it was all done

276

00:16:17,829 --> 00:16:15,680

during hypnosis

277

00:16:19,350 --> 00:16:17,839

uh just as a a reference to hypnosis

278

00:16:22,150 --> 00:16:19,360

there's a there's a book called life in

279

00:16:24,069 --> 00:16:22,160

the 21st century hypnosis looking at

280

00:16:25,829 --> 00:16:24,079

life in the future and

281

00:16:27,350 --> 00:16:25,839

all of those predictions talk i think we

282

00:16:28,790 --> 00:16:27,360

should have had all that should have

283

00:16:30,790 --> 00:16:28,800

happened by now and none of it has

284

00:16:32,790 --> 00:16:30,800

happened so for what it's worth either

285

00:16:34,629 --> 00:16:32,800

the timing is off or it's

286

00:16:36,550 --> 00:16:34,639

nonsense

287

00:16:38,230 --> 00:16:36,560

and astral stage deals with beings in

288

00:16:39,829 --> 00:16:38,240

the next advanced level the non-physical

289

00:16:41,990 --> 00:16:39,839

beings can commune with the celestial

290

00:16:44,710 --> 00:16:42,000

beings which are above and occupy a

291

00:16:46,550 --> 00:16:44,720

physical body some contact cases feature

292

00:16:48,710 --> 00:16:46,560

encountering a cold being you know

293

00:16:51,430 --> 00:16:48,720

they're like robotic he said it could be

294

00:16:53,350 --> 00:16:51,440

like it's they're taking on that body as

295

00:16:54,870 --> 00:16:53,360

an avatar the real consciousness is

296

00:16:56,470 --> 00:16:54,880

somewhere else

297

00:16:59,110 --> 00:16:56,480

that's why they kind of seem a little

298

00:17:00,470 --> 00:16:59,120

cold that was one of his that's a theory

299

00:17:02,389 --> 00:17:00,480

i guess of his

300

00:17:04,390 --> 00:17:02,399

and celestial levels deal with beings

301

00:17:06,309 --> 00:17:04,400

think of it as a cell in the body

302

00:17:07,829 --> 00:17:06,319

of god or the universe once in the

303

00:17:09,590 --> 00:17:07,839

astral level it's like joining with

304

00:17:11,829 --> 00:17:09,600

other beings like working in concert

305

00:17:13,350 --> 00:17:11,839

with other heart cells do you guys want

306

00:17:15,750 --> 00:17:13,360

to hear this do you want do you want me

307

00:17:17,750 --> 00:17:15,760

to skip over to some of the other

308

00:17:20,470 --> 00:17:17,760

lectures

309

00:17:25,990 --> 00:17:20,480

this is really metaphysical based

310

00:17:29,669 --> 00:17:27,669

he said archangels exist in the

311

00:17:32,310 --> 00:17:29,679

celestial level i believe according to

312

00:17:33,430 --> 00:17:32,320

teshbar he believes enoch was an

313

00:17:36,549 --> 00:17:33,440

archangel

314

00:17:38,470 --> 00:17:36,559

says uap phenomenon is in part

315

00:17:40,630 --> 00:17:38,480

describing higher dimensional beings

316

00:17:42,630 --> 00:17:40,640

manifesting into our reality from a

317

00:17:44,470 --> 00:17:42,640

higher dimension now that

318

00:17:45,990 --> 00:17:44,480

yeah if you're nuts and bolts you don't

319

00:17:47,510 --> 00:17:46,000

like that but for somebody like me i

320

00:17:49,909 --> 00:17:47,520

think that's what's going on at least

321

00:17:51,190 --> 00:17:49,919

with some of what we're seeing

322

00:17:53,270 --> 00:17:51,200

or

323

00:17:57,990 --> 00:17:53,280

extraterrestrials if they're e.t they

324

00:18:00,549 --> 00:17:59,750

okay roger dodger likes it so i'll keep

325

00:18:02,070 --> 00:18:00,559

going

326

00:18:04,310 --> 00:18:02,080

it says a family tree of beings it's

327

00:18:07,110 --> 00:18:04,320

very complex it's all one

328

00:18:09,430 --> 00:18:07,120

uh there were there was the atomic atom

329

00:18:11,590 --> 00:18:09,440

and the an adamic first star and first

330

00:18:13,029 --> 00:18:11,600

celestial body

331

00:18:15,190 --> 00:18:13,039

you know

332

00:18:16,630 --> 00:18:15,200

i think i'm almost done but let me just

333

00:18:21,750 --> 00:18:16,640

go through all of his slides so at least

334

00:18:24,710 --> 00:18:23,190

so that's the development of the actual

335

00:18:27,430 --> 00:18:24,720

body there are the four the four

336

00:18:31,029 --> 00:18:27,440

lifetimes so i guess you can be a fly a

337

00:18:33,430 --> 00:18:31,039

frog a swan a wolf and then you get to

338

00:18:36,870 --> 00:18:33,440

be human those are the four

339

00:18:38,549 --> 00:18:36,880

arthropods amphibians birds mammals

340

00:18:41,029 --> 00:18:38,559

humans

341

00:18:43,830 --> 00:18:41,039

and you're supposed to as a as the fly

342

00:18:46,630 --> 00:18:43,840

procreate frogs procreate

343

00:18:48,710 --> 00:18:46,640

swan mate and raise your young wolf mate

344

00:18:51,029 --> 00:18:48,720

and raise your young and then

345

00:18:54,870 --> 00:18:51,039

our big goal as humans master

346

00:18:54,880 --> 00:18:59,029

the three realms of creation

347

00:19:02,549 --> 00:19:00,630

i'll have you look at that because i do

348

00:19:04,630 --> 00:19:02,559

not have i think i passed my notes on

349

00:19:08,870 --> 00:19:04,640

that or did not take

350

00:19:08,880 --> 00:19:13,430

and everything flows from the top

351
00:19:18,070 --> 00:19:15,590
says there was the adamic atom in the

352
00:19:20,549 --> 00:19:18,080
endemic first star and first celestial

353
00:19:23,110 --> 00:19:20,559
body linear time

354
00:19:25,830 --> 00:19:23,120
we experience time goes in one direction

355
00:19:27,669 --> 00:19:25,840
imaginary time is on consciousness side

356
00:19:29,430 --> 00:19:27,679
come back can go back in time via the

357
00:19:31,590 --> 00:19:29,440
akashic record and grab information from

358
00:19:33,270 --> 00:19:31,600
any time focus on the future we can

359
00:19:34,950 --> 00:19:33,280
focus on the future and increase you

360
00:19:37,110 --> 00:19:34,960
know this is something i've studied with

361
00:19:39,990 --> 00:19:37,120
manifesting with one of my favorite

362
00:19:42,789 --> 00:19:40,000
manifesting authors is

363
00:19:43,990 --> 00:19:42,799

mitch horowitz i love the guy i mean

364

00:19:46,470 --> 00:19:44,000

as far as

365

00:19:48,710 --> 00:19:46,480

conservative manifesting books he is the

366

00:19:51,029 --> 00:19:48,720

guy um

367

00:19:52,630 --> 00:19:51,039

so he says if you focus on the future

368

00:19:55,270 --> 00:19:52,640

you can increase probability of

369

00:19:57,190 --> 00:19:55,280

manifesting that future reality

370

00:19:59,110 --> 00:19:57,200

and if we work together doing that we

371

00:20:00,150 --> 00:19:59,120

can increase the probability of a future

372

00:20:02,230 --> 00:20:00,160

outcome

373

00:20:03,350 --> 00:20:02,240

that's if humanity comes together and we

374

00:20:05,029 --> 00:20:03,360

get

375

00:20:06,390 --> 00:20:05,039

five billion people met trying to

376

00:20:08,950 --> 00:20:06,400

meditate on the same

377

00:20:12,470 --> 00:20:08,960

subject

378

00:20:15,110 --> 00:20:12,480

another one of his uh slides

379

00:20:17,590 --> 00:20:15,120

detailing the different realms

380

00:20:19,510 --> 00:20:17,600

celestial astral and then the bottom one

381

00:20:21,430 --> 00:20:19,520

is physical where we experience space

382

00:20:23,669 --> 00:20:21,440

time i don't think anybody else

383

00:20:26,710 --> 00:20:23,679

experiences linear time like us

384

00:20:28,230 --> 00:20:26,720

if you believe there are other realms

385

00:20:29,830 --> 00:20:28,240

again his uh

386

00:20:33,190 --> 00:20:29,840

drawing

387

00:20:35,750 --> 00:20:33,200

and the computer output on the right

388

00:20:37,350 --> 00:20:35,760

okay that's ice weinstein

389

00:20:39,029 --> 00:20:37,360

so mark says

390

00:20:41,350 --> 00:20:39,039

we need to right the ship because we're

391

00:20:43,830 --> 00:20:41,360

not treating our planet well we have the

392

00:20:46,230 --> 00:20:43,840

help of our astral and e.t friends who

393

00:20:49,510 --> 00:20:46,240

are watching and cheering us

394

00:20:51,510 --> 00:20:49,520

they are clapping but we need to reach

395

00:20:53,270 --> 00:20:51,520

out to them before they will help and if

396

00:20:55,430 --> 00:20:53,280

you listen to anything at the far side

397

00:20:56,870 --> 00:20:55,440

institute the remote viewing they say

398

00:20:59,190 --> 00:20:56,880

the same thing

399

00:21:00,470 --> 00:20:59,200

they say the whatever beings are here

400

00:21:03,909 --> 00:21:00,480

that want to help they're not going to

401
00:21:05,430 --> 00:21:03,919
help unless we reach out as as a species

402
00:21:07,430 --> 00:21:05,440
and mark says we need to do it as a

403
00:21:11,110 --> 00:21:07,440
human family and offer our hand in

404
00:21:13,990 --> 00:21:11,120
friendship hopefully they'll assist us

405
00:21:17,510 --> 00:21:14,000
so let me go to eric

406
00:21:22,950 --> 00:21:20,310
and here's first

407
00:21:25,510 --> 00:21:22,960
his first slide

408
00:21:31,669 --> 00:21:25,520
great way to start it's pretty funny

409
00:21:34,950 --> 00:21:33,190
i'm not going to release other people's

410
00:21:36,950 --> 00:21:34,960
slides um

411
00:21:38,230 --> 00:21:36,960
but well i shouldn't say that it was

412
00:21:40,549 --> 00:21:38,240
part of the lecture and i'm allowed to

413
00:21:42,310 --> 00:21:40,559

transcribe so i will probably put

414

00:21:44,149 --> 00:21:42,320

on the ones that i do transcribe and i'm

415

00:21:46,149 --> 00:21:44,159

not going to transcribe everything on

416

00:21:47,430 --> 00:21:46,159

the on the lectures i transcribe i will

417

00:21:52,710 --> 00:21:47,440

yeah i'll put the slides and you need

418

00:21:57,750 --> 00:21:54,390

so he starts out

419

00:21:59,590 --> 00:21:57,760

his credentials he hates ufos

420

00:22:01,190 --> 00:21:59,600

no background in this field and i'll let

421

00:22:04,470 --> 00:22:01,200

you guys read that while i read some of

422

00:22:08,310 --> 00:22:06,549

he goes i find it a little bit unusual

423

00:22:11,110 --> 00:22:08,320

because in fact i'm known as somebody

424

00:22:13,909 --> 00:22:11,120

who does not want to talk about ufos and

425

00:22:16,870 --> 00:22:13,919

that was true until earlier this year

426

00:22:19,110 --> 00:22:16,880

i really disliked the subject entirely

427

00:22:20,390 --> 00:22:19,120

and then he talks about the nothing

428

00:22:25,669 --> 00:22:20,400

burger

429

00:22:29,590 --> 00:22:27,990

and he says right now oh he says

430

00:22:32,149 --> 00:22:29,600

i hate ufos

431

00:22:33,510 --> 00:22:32,159

i don't go out and look for your ufos

432

00:22:36,310 --> 00:22:33,520

and up until

433

00:22:37,750 --> 00:22:36,320

early this year he was a staunch ufo

434

00:22:42,070 --> 00:22:37,760

disbeliever

435

00:22:42,080 --> 00:22:44,710

and he says

436

00:22:47,909 --> 00:22:46,630

i simply removed myself and i'm going to

437

00:22:49,590 --> 00:22:47,919

read the slide i don't have this in my

438

00:22:52,149 --> 00:22:49,600

notes i simply removed myself from any

439

00:22:54,710 --> 00:22:52,159

conversation about ufos or would attempt

440

00:22:56,870 --> 00:22:54,720

to shut down as if it were about actual

441

00:22:59,110 --> 00:22:56,880

projection reincarnation spoon bending

442

00:23:01,830 --> 00:22:59,120

or astrology it's interesting he lumped

443

00:23:04,630 --> 00:23:01,840

all of those together and

444

00:23:05,669 --> 00:23:04,640

it's huge i mean people don't understand

445

00:23:08,789 --> 00:23:05,679

i mean

446

00:23:10,630 --> 00:23:08,799

we'll get to his panel but he

447

00:23:12,470 --> 00:23:10,640

he did eventually start repeating one

448

00:23:14,310 --> 00:23:12,480

specific point which was a little

449

00:23:15,669 --> 00:23:14,320

annoying to me because i had i have some

450

00:23:17,909 --> 00:23:15,679

sort of answer that they weren't

451

00:23:19,590 --> 00:23:17,919

discussing um

452

00:23:21,350 --> 00:23:19,600

but the fact that somebody like him is

453

00:23:23,270 --> 00:23:21,360

interested in this and you could tell

454

00:23:25,270 --> 00:23:23,280

it's just he's just a brilliant thinker

455

00:23:27,190 --> 00:23:25,280

he's some he thinks like i don't think i

456

00:23:29,190 --> 00:23:27,200

don't think i can't think like that well

457

00:23:30,950 --> 00:23:29,200

maybe i can learn but

458

00:23:33,350 --> 00:23:30,960

hopefully hopefully one day you get to

459

00:23:34,549 --> 00:23:33,360

hear him talk about this stuff because

460

00:23:36,549 --> 00:23:34,559

um

461

00:23:38,310 --> 00:23:36,559

it was a different different experience

462

00:23:39,590 --> 00:23:38,320

than what i'm used to hearing at a ufo

463

00:23:42,070 --> 00:23:39,600

conference i mean there are some

464

00:23:43,990 --> 00:23:42,080

thinks i mean richard dolan um but

465

00:23:45,590 --> 00:23:44,000

weinstein is just it's a different

466

00:23:47,830 --> 00:23:45,600

experience listening to somebody who

467

00:23:50,950 --> 00:23:47,840

never had an interest in ufos

468

00:23:57,190 --> 00:23:53,430

he says

469

00:23:59,110 --> 00:23:57,200

right now we're living in an incredibly

470

00:24:00,710 --> 00:23:59,120

dangerous place in the world as we all

471

00:24:03,430 --> 00:24:00,720

know if you look out the door what's

472

00:24:05,190 --> 00:24:03,440

going on um there's people that have

473

00:24:08,710 --> 00:24:05,200

always thought the world was ending you

474

00:24:11,110 --> 00:24:08,720

know but right now it seems extra dicey

475

00:24:13,990 --> 00:24:11,120

uh we can can we escape our fate on

476
00:24:15,990 --> 00:24:14,000
earth by going beyond the solar system

477
00:24:18,390 --> 00:24:16,000
um and if we live

478
00:24:20,789 --> 00:24:18,400
if we if we can that means

479
00:24:22,070 --> 00:24:20,799
others can visit if we can get off so

480
00:24:24,950 --> 00:24:22,080
out of the solar system and visit that

481
00:24:26,390 --> 00:24:24,960
means others can come here

482
00:24:29,110 --> 00:24:26,400
and he said

483
00:24:30,710 --> 00:24:29,120
he had many old questions what is the

484
00:24:32,470 --> 00:24:30,720
what was the golden age of general

485
00:24:34,710 --> 00:24:32,480
relativity all about

486
00:24:36,950 --> 00:24:34,720
and what caused it why were many good

487
00:24:40,230 --> 00:24:36,960
researchers on the periphery of ufo

488
00:24:42,390 --> 00:24:40,240

anti-gravity research in the 40s and 70s

489

00:24:44,070 --> 00:24:42,400

tyler rogoway has done an article on

490

00:24:46,230 --> 00:24:44,080

that you know all these companies

491

00:24:47,830 --> 00:24:46,240

researched anti-gravity they got very

492

00:24:49,430 --> 00:24:47,840

close and nick cook has written about

493

00:24:51,750 --> 00:24:49,440

this and all of a sudden

494

00:24:53,510 --> 00:24:51,760

everything went black and ross coltar

495

00:24:55,510 --> 00:24:53,520

talks about

496

00:24:57,669 --> 00:24:55,520

just one woman from china that dave

497

00:25:01,110 --> 00:24:57,679

beatty told me about a long time ago

498

00:25:02,549 --> 00:25:01,120

lynn i forget her name uh but

499

00:25:04,070 --> 00:25:02,559

yeah she was involved in that and then

500

00:25:07,510 --> 00:25:04,080

she disappeared i believe she's working

501
00:25:10,070 --> 00:25:07,520
in china now according to ross

502
00:25:11,590 --> 00:25:10,080
and he says

503
00:25:13,430 --> 00:25:11,600
i also had a big question could we

504
00:25:15,269 --> 00:25:13,440
escape our fate on earth by going beyond

505
00:25:18,070 --> 00:25:15,279
the solar system using the final theory

506
00:25:21,269 --> 00:25:18,080
of physics and if we can is anyone else

507
00:25:23,990 --> 00:25:22,549
and how do we get it's hard to get

508
00:25:31,430 --> 00:25:24,000
around the universe with if you're

509
00:25:36,950 --> 00:25:34,710
so the fermi paradox

510
00:25:38,630 --> 00:25:36,960
fermi paradox is basically

511
00:25:40,789 --> 00:25:38,640
if there are all these life

512
00:25:43,190 --> 00:25:40,799
intelligences out there why haven't they

513
00:25:45,350 --> 00:25:43,200

visited us that's the question and of

514

00:25:47,990 --> 00:25:45,360

course we all think they have visited us

515

00:25:50,549 --> 00:25:48,000

at least one

516

00:25:53,110 --> 00:25:50,559

and he talks about talks about

517

00:25:55,510 --> 00:25:53,120

this place north central sentinel island

518

00:25:57,190 --> 00:25:55,520

and they had the

519

00:25:58,710 --> 00:25:57,200

the people who live there have this is

520

00:26:00,950 --> 00:25:58,720

interesting this analogy he says the

521

00:26:03,190 --> 00:26:00,960

people who live there

522

00:26:05,510 --> 00:26:03,200

you know they've not been contacted

523

00:26:06,870 --> 00:26:05,520

they're left to be alone

524

00:26:08,950 --> 00:26:06,880

they're

525

00:26:10,230 --> 00:26:08,960

very

526
00:26:12,149 --> 00:26:10,240
i'm trying to think of the word they

527
00:26:15,510 --> 00:26:12,159
have no technology

528
00:26:18,310 --> 00:26:17,110
if you get close to them they'll fire

529
00:26:20,230 --> 00:26:18,320
their weapons

530
00:26:21,990 --> 00:26:20,240
and india

531
00:26:24,950 --> 00:26:22,000
has left them alone for the most part

532
00:26:26,789 --> 00:26:24,960
they leave them alone

533
00:26:29,110 --> 00:26:26,799
but

534
00:26:30,230 --> 00:26:29,120
you know what would happen

535
00:26:32,149 --> 00:26:30,240
if those

536
00:26:33,750 --> 00:26:32,159
islanders

537
00:26:34,950 --> 00:26:33,760
all of a sudden

538
00:26:37,669 --> 00:26:34,960

figured out

539

00:26:43,110 --> 00:26:40,549

how to how to um

540

00:26:44,870 --> 00:26:43,120

what is it with nuclear uh

541

00:26:46,789 --> 00:26:44,880

the atom

542

00:26:48,470 --> 00:26:46,799

they figured out nuclear energy nuclear

543

00:26:50,950 --> 00:26:48,480

fission fusion

544

00:26:52,710 --> 00:26:50,960

if the islanders figured that out would

545

00:26:54,070 --> 00:26:52,720

india still

546

00:26:54,950 --> 00:26:54,080

avoid them

547

00:26:56,390 --> 00:26:54,960

you know

548

00:26:57,430 --> 00:26:56,400

would they just let them do what they're

549

00:26:58,870 --> 00:26:57,440

gonna do

550

00:27:00,070 --> 00:26:58,880

and he's making the analogy you know

551
00:27:01,590 --> 00:27:00,080
he's making the analogy we've heard

552
00:27:02,870 --> 00:27:01,600
about you know we started getting all

553
00:27:03,909 --> 00:27:02,880
this activity

554
00:27:05,669 --> 00:27:03,919
when

555
00:27:07,110 --> 00:27:05,679
we started testing our nukes and that's

556
00:27:08,950 --> 00:27:07,120
when you saw a lot more activity there

557
00:27:11,190 --> 00:27:08,960
was activity in the 30s you know your

558
00:27:13,029 --> 00:27:11,200
stories but it seemed to an uptick once

559
00:27:14,950 --> 00:27:13,039
we uh

560
00:27:16,390 --> 00:27:14,960
once we figured out nuclear energy and

561
00:27:18,070 --> 00:27:16,400
we had our we had nukes and we were

562
00:27:20,070 --> 00:27:18,080
testing all that and then they became

563
00:27:21,430 --> 00:27:20,080

allegedly apparently they became more

564

00:27:23,029 --> 00:27:21,440

interested so

565

00:27:25,190 --> 00:27:23,039

you know it was an interesting analogy

566

00:27:27,269 --> 00:27:25,200

to see you know if these islanders had

567

00:27:28,710 --> 00:27:27,279

you know became technologically advanced

568

00:27:31,510 --> 00:27:28,720

would the indians

569

00:27:33,990 --> 00:27:31,520

would india protect you know jump in and

570

00:27:36,070 --> 00:27:34,000

put an end to that or at least show a

571

00:27:38,230 --> 00:27:36,080

bigger presence to try to guide them in

572

00:27:39,909 --> 00:27:38,240

a different direction like supposedly

573

00:27:43,990 --> 00:27:39,919

these beings are doing with us if some

574

00:27:49,430 --> 00:27:46,310

and how far beyond

575

00:27:51,190 --> 00:27:49,440

how far behind us would they really be

576

00:27:53,110 --> 00:27:51,200

you know how how long would it take them

577

00:27:55,750 --> 00:27:53,120

if all of a sudden they advanced

578

00:27:57,510 --> 00:27:55,760

technologically technologically how far

579

00:28:02,389 --> 00:27:57,520

how far and how long would it take them

580

00:28:06,630 --> 00:28:04,950

is that what happened with e.t you know

581

00:28:08,950 --> 00:28:06,640

that's my theory i don't think he said

582

00:28:08,960 --> 00:28:12,149

now he goes into the

583

00:28:16,710 --> 00:28:15,110

golden age of relativity and gravity and

584

00:28:20,630 --> 00:28:16,720

i need to look those people up i will

585

00:28:25,750 --> 00:28:24,149

but he goes into the uap report

586

00:28:27,590 --> 00:28:25,760

he said he thought the report was

587

00:28:29,430 --> 00:28:27,600

astounding

588

00:28:31,830 --> 00:28:29,440

didn't get a sense it was a unified

589

00:28:34,310 --> 00:28:31,840

voice so he thought whoever was writing

590

00:28:37,029 --> 00:28:34,320

the uap report it came from different

591

00:28:38,950 --> 00:28:37,039

factions and likely there was not an

592

00:28:42,389 --> 00:28:38,960

agreement about what type you know any

593

00:28:46,630 --> 00:28:44,310

one group of authors appears to favor

594

00:28:48,710 --> 00:28:46,640

public disclosure and but that may be

595

00:28:51,029 --> 00:28:48,720

the the weaker group which is

596

00:28:53,190 --> 00:28:51,039

interesting uh

597

00:28:54,630 --> 00:28:53,200

a second group appears to want limit

598

00:28:56,789 --> 00:28:54,640

want to limit disclosure and may

599

00:28:58,470 --> 00:28:56,799

currently be more powerful but waning in

600

00:28:59,830 --> 00:28:58,480

ability that's exactly what we want to

601
00:29:00,950 --> 00:28:59,840
hear and we've heard that from lou he

602
00:29:03,029 --> 00:29:00,960
said

603
00:29:04,950 --> 00:29:03,039
the old guard is dying out not literally

604
00:29:06,630 --> 00:29:04,960
but he goes they're losing their power

605
00:29:08,710 --> 00:29:06,640
and if that's happening that's a really

606
00:29:10,230 --> 00:29:08,720
good that's a really good thing for us

607
00:29:12,950 --> 00:29:10,240
they're losing their ability to control

608
00:29:15,669 --> 00:29:12,960
the narrative their emphasis has

609
00:29:17,990 --> 00:29:15,679
have shifted from total denial

610
00:29:19,510 --> 00:29:18,000
to now they're just not in denial but

611
00:29:23,750 --> 00:29:19,520
now they're avoiding anything before

612
00:29:25,110 --> 00:29:23,760
2004 or pre-2000 you know 2009 19

613
00:29:28,710 --> 00:29:25,120

somewhere in there they're not going

614

00:29:32,950 --> 00:29:28,720

back to roswell and he pointed that out

615

00:29:38,149 --> 00:29:34,950

they hide the most important things by

616

00:29:39,909 --> 00:29:38,159

not making a big deal about it so and

617

00:29:40,950 --> 00:29:39,919

it's something that jumped out to a few

618

00:29:42,310 --> 00:29:40,960

of us

619

00:29:43,990 --> 00:29:42,320

i'm not sure if somebody pointed it out

620

00:29:45,510 --> 00:29:44,000

to me or i noticed it probably somebody

621

00:29:47,590 --> 00:29:45,520

pointed it out to me because i probably

622

00:29:49,510 --> 00:29:47,600

missed it too but signature manager

623

00:29:52,549 --> 00:29:49,520

signature management you know they're

624

00:29:55,510 --> 00:29:52,559

trying to hide they're adjusting things

625

00:29:57,750 --> 00:29:55,520

it could be you know it could be um

626

00:29:59,590 --> 00:29:57,760

cloaking or something else

627

00:30:01,269 --> 00:29:59,600

what's interesting is bob fish talked

628

00:30:03,510 --> 00:30:01,279

about these ufos going in and out of the

629

00:30:04,630 --> 00:30:03,520

water on the east coast off of florida

630

00:30:06,230 --> 00:30:04,640

and

631

00:30:08,230 --> 00:30:06,240

they know that signal so they're not

632

00:30:10,070 --> 00:30:08,240

even attempting you know they're not

633

00:30:11,510 --> 00:30:10,080

even attempting to manage their

634

00:30:13,590 --> 00:30:11,520

signature they're going in and out we

635

00:30:16,389 --> 00:30:13,600

know about them according to fish but we

636

00:30:17,430 --> 00:30:16,399

just leave them alone

637

00:30:20,549 --> 00:30:17,440

so

638

00:30:22,149 --> 00:30:20,559

two times and they didn't even pick on

639

00:30:23,590 --> 00:30:22,159

pick up on the signature management so

640

00:30:26,310 --> 00:30:23,600

he thinks that was the way it was

641

00:30:28,710 --> 00:30:26,320

written it was intended to hide things

642

00:30:29,830 --> 00:30:28,720

in there so it doesn't jump out

643

00:30:33,750 --> 00:30:29,840

and then he talks about different

644

00:30:39,430 --> 00:30:36,870

let's see if that's uh so yeah the

645

00:30:41,190 --> 00:30:39,440

categories

646

00:30:43,510 --> 00:30:41,200

airborne clutter

647

00:30:45,990 --> 00:30:43,520

atmospheric phenomena us government or

648

00:30:47,669 --> 00:30:46,000

industry foreign government or industry

649

00:30:51,430 --> 00:30:47,679

and other

650

00:30:56,630 --> 00:30:53,990

he doesn't think

651
00:30:58,389 --> 00:30:56,640
one second he goes

652
00:31:00,789 --> 00:30:58,399
he thinks there are probably multiple

653
00:31:02,389 --> 00:31:00,799
types of uap

654
00:31:07,909 --> 00:31:02,399
if and when

655
00:31:11,830 --> 00:31:09,909
and this report means

656
00:31:14,149 --> 00:31:11,840
these encounters

657
00:31:16,470 --> 00:31:14,159
are unresolved he goes other to him does

658
00:31:20,310 --> 00:31:16,480
not mean it's unresolved

659
00:31:22,149 --> 00:31:20,320
yeah so in the report these reports

660
00:31:24,070 --> 00:31:22,159
if they if they label it other he does

661
00:31:25,990 --> 00:31:24,080
not think it's unresolved in other words

662
00:31:27,110 --> 00:31:26,000
they think it's they don't they're not

663
00:31:28,230 --> 00:31:27,120

guessing they're not saying well we

664

00:31:29,590 --> 00:31:28,240

don't know what it is while they do

665

00:31:32,789 --> 00:31:29,600

they've ruled out everything and they've

666

00:31:38,389 --> 00:31:32,799

labeled it other um and then he got into

667

00:31:42,149 --> 00:31:40,389

oh one more thing on that slide

668

00:31:46,149 --> 00:31:42,159

that's i already said that

669

00:31:49,350 --> 00:31:47,990

so if it has if it's lacking in tension

670

00:31:51,750 --> 00:31:49,360

it's probably just atmospheric or

671

00:31:54,470 --> 00:31:51,760

non-atmospheric clutter uh but if it has

672

00:31:57,350 --> 00:31:54,480

intention then you go is it us no it's

673

00:31:58,389 --> 00:31:57,360

not u.s it's non-us is it known foreign

674

00:32:00,789 --> 00:31:58,399

no

675

00:32:02,710 --> 00:32:00,799

so it's other

676

00:32:04,630 --> 00:32:02,720

and he doesn't think under he doesn't

677

00:32:06,149 --> 00:32:04,640

think other is a catch-all he thinks

678

00:32:07,909 --> 00:32:06,159

it's a specific

679

00:32:10,470 --> 00:32:07,919

it's specific based on the idea that

680

00:32:12,230 --> 00:32:10,480

we've eliminated all other categories

681

00:32:14,149 --> 00:32:12,240

it's an unknown

682

00:32:15,430 --> 00:32:14,159

foreign and i put that in quotes of

683

00:32:16,389 --> 00:32:15,440

power

684

00:32:18,310 --> 00:32:16,399

and

685

00:32:19,430 --> 00:32:18,320

so it's not another country it's

686

00:32:20,870 --> 00:32:19,440

something else

687

00:32:22,789 --> 00:32:20,880

and he's

688

00:32:25,750 --> 00:32:22,799

he's clear to say that

689

00:32:27,029 --> 00:32:25,760

eric is not saying it's aliens

690

00:32:28,789 --> 00:32:27,039

but he thinks

691

00:32:31,590 --> 00:32:28,799

the person who wrote the report thinks

692

00:32:34,230 --> 00:32:31,600

some of these some of this is et

693

00:32:36,230 --> 00:32:34,240

intelligence so eric weinstein believes

694

00:32:38,070 --> 00:32:36,240

that whoever wrote the report at least

695

00:32:40,070 --> 00:32:38,080

one person thinks that some of these

696

00:32:43,669 --> 00:32:40,080

objects

697

00:32:45,110 --> 00:32:43,679

are of e.t intelligence

698

00:32:47,269 --> 00:32:45,120

he thinks there's a tug of war between

699

00:32:49,269 --> 00:32:47,279

different folks who wrote the report but

700

00:32:51,590 --> 00:32:49,279

one group insisted in getting something

701
00:32:54,310 --> 00:32:51,600
in there to show folks some of it is not

702
00:32:57,110 --> 00:32:54,320
foreign or u.s tech

703
00:32:59,509 --> 00:32:57,120
e.t don't know

704
00:33:01,350 --> 00:32:59,519
he says it's not going to say aliens

705
00:33:05,029 --> 00:33:01,360
how to avoid triggering you know and

706
00:33:08,870 --> 00:33:06,710
triggering something in a geopolitic so

707
00:33:09,990 --> 00:33:08,880
he's basically saying he said that um

708
00:33:11,509 --> 00:33:10,000
they want to make sure they're not

709
00:33:13,350 --> 00:33:11,519
saying it's china or russia because

710
00:33:15,750 --> 00:33:13,360
china and russia may react to that maybe

711
00:33:17,509 --> 00:33:15,760
some geopolitical you know upheaval and

712
00:33:19,509 --> 00:33:17,519
they're upset at us so he's trying you

713
00:33:21,269 --> 00:33:19,519

know they put that in there to make sure

714

00:33:23,669 --> 00:33:21,279

they know we're not saying it's their

715

00:33:25,190 --> 00:33:23,679

technology that's a pretty big point you

716

00:33:27,350 --> 00:33:25,200

know that he's saying they're they're

717

00:33:28,789 --> 00:33:27,360

they're telling you it's it's not russia

718

00:33:30,710 --> 00:33:28,799

it's not china

719

00:33:32,389 --> 00:33:30,720

it's something else so russian china

720

00:33:34,149 --> 00:33:32,399

don't be mad at us we're not we're not

721

00:33:36,070 --> 00:33:34,159

talking to you and don't ask me about

722

00:33:37,509 --> 00:33:36,080

i'm sure there are people that would say

723

00:33:39,669 --> 00:33:37,519

you don't know what you're talking about

724

00:33:43,029 --> 00:33:39,679

foreign you know political all that

725

00:33:44,789 --> 00:33:43,039

stuff but i'm just saying what he said

726

00:33:47,430 --> 00:33:44,799

he said

727

00:33:49,669 --> 00:33:47,440

400 percent sure it's not a foreign

728

00:33:51,990 --> 00:33:49,679

power that's him

729

00:33:54,389 --> 00:33:52,000

he puts a tremendous amount of emphasis

730

00:33:56,389 --> 00:33:54,399

on other

731

00:33:57,990 --> 00:33:56,399

so this is what i just said it comes

732

00:33:59,750 --> 00:33:58,000

across and i'm not sure if he said this

733

00:34:01,269 --> 00:33:59,760

i have to i'll have to do the transcript

734

00:34:03,110 --> 00:34:01,279

once again he said the report puts a

735

00:34:04,630 --> 00:34:03,120

tremendous amount of emphasis on other

736

00:34:06,470 --> 00:34:04,640

and make sure we don't start something

737

00:34:08,470 --> 00:34:06,480

with china or russia so they're clear

738

00:34:13,270 --> 00:34:08,480

about that and he says

739

00:34:16,950 --> 00:34:14,950

and no you know we'll get to that in a

740

00:34:18,710 --> 00:34:16,960

second he goes not going back to 2004

741

00:34:20,950 --> 00:34:18,720

doesn't pass the laugh test he goes it's

742

00:34:24,310 --> 00:34:20,960

preposterous to start it there he goes

743

00:34:26,710 --> 00:34:24,320

one set of report report authors authors

744

00:34:28,950 --> 00:34:26,720

wanted it like that it would show govern

745

00:34:30,230 --> 00:34:28,960

if if you did go beyond 2004 he says it

746

00:34:33,270 --> 00:34:30,240

would show the government made people

747

00:34:35,669 --> 00:34:33,280

look foolish destroyed their careers

748

00:34:37,589 --> 00:34:35,679

so they did not go back before two

749

00:34:39,750 --> 00:34:37,599

thousand four in in his opinion that's

750

00:34:42,790 --> 00:34:39,760

why they didn't do that

751
00:34:42,800 --> 00:34:46,470
he is frustrated because

752
00:34:52,470 --> 00:34:48,550
classified videos have been ignored he

753
00:34:57,589 --> 00:34:54,710
this report would not have been issued

754
00:35:00,390 --> 00:34:57,599
if we didn't have much much better data

755
00:35:03,349 --> 00:35:00,400
that's that's eric saying that

756
00:35:05,510 --> 00:35:03,359
that's that's interesting you know

757
00:35:08,870 --> 00:35:05,520
he's not he's gone from a total

758
00:35:10,870 --> 00:35:08,880
basically extreme skeptic to saying

759
00:35:12,710 --> 00:35:10,880
this report wouldn't have been written

760
00:35:14,829 --> 00:35:12,720
or issued if they had didn't have much

761
00:35:18,310 --> 00:35:14,839
better data

762
00:35:20,150 --> 00:35:18,320
and the uap appears to possess advanced

763
00:35:24,790 --> 00:35:20,160

technology

764

00:35:24,800 --> 00:35:32,950

i think i read that already

765

00:35:36,710 --> 00:35:35,510

these ufos treat einstein as a stepping

766

00:35:38,630 --> 00:35:36,720

stone

767

00:35:41,190 --> 00:35:38,640

this is him saying this things that

768

00:35:45,109 --> 00:35:41,200

appear to be getting beyond

769

00:35:47,990 --> 00:35:45,119

faster than light limit but that may not

770

00:35:49,589 --> 00:35:48,000

be what's going on

771

00:35:50,950 --> 00:35:49,599

he thinks the whole

772

00:35:52,710 --> 00:35:50,960

i don't know why that's doing that but

773

00:35:56,870 --> 00:35:52,720

he thinks the whole fast faster than

774

00:36:02,310 --> 00:35:56,880

light travel argument is a red herring

775

00:36:02,320 --> 00:36:08,470

there it is

776

00:36:11,349 --> 00:36:10,310

he worries about getting us off this

777

00:36:12,950 --> 00:36:11,359

planet

778

00:36:15,270 --> 00:36:12,960

you know at the level of physics we

779

00:36:16,950 --> 00:36:15,280

understand right now but that means

780

00:36:18,710 --> 00:36:16,960

it does mean others could be coming here

781

00:36:20,390 --> 00:36:18,720

other dimensions

782

00:36:23,349 --> 00:36:20,400

i think somebody might be able to hack

783

00:36:24,950 --> 00:36:23,359

dimensions uh we can't eric davis talks

784

00:36:26,670 --> 00:36:24,960

about how he thinks they're coming from

785

00:36:28,790 --> 00:36:26,680

another dimension whether

786

00:36:30,390 --> 00:36:28,800

extraterrestrial or not they're coming

787

00:36:32,550 --> 00:36:30,400

from somewhere and he thinks eric davis

788

00:36:34,470 --> 00:36:32,560

thinks they're using other dimensions uh

789

00:36:37,990 --> 00:36:34,480

we're at obviously at a technical

790

00:36:39,430 --> 00:36:38,000

technological disadvantage

791

00:36:41,750 --> 00:36:39,440

and that's his dimensional hacking

792

00:36:43,349 --> 00:36:41,760

hacking slide

793

00:36:45,190 --> 00:36:43,359

talking about talking about multiple

794

00:36:46,790 --> 00:36:45,200

temporal dimensions in all higher

795

00:36:49,349 --> 00:36:46,800

numbers of temporal dimensions there are

796

00:36:51,349 --> 00:36:49,359

whirlpools orientations of time that

797

00:36:53,109 --> 00:36:51,359

replace the arrow of time peculiar to

798

00:36:55,349 --> 00:36:53,119

peculiar to our single known to portal

799

00:36:57,270 --> 00:36:55,359

dimension

800

00:36:59,510 --> 00:36:57,280

this stuff is above my head

801
00:37:01,829 --> 00:36:59,520
but that's his slide there then he talks

802
00:37:06,950 --> 00:37:01,839
about the voyager golden record we sent

803
00:37:09,990 --> 00:37:08,470
and he said the people who spent sent

804
00:37:11,990 --> 00:37:10,000
out those records

805
00:37:14,870 --> 00:37:12,000
were not worried that you know that they

806
00:37:16,310 --> 00:37:14,880
would hear us and then visit

807
00:37:19,589 --> 00:37:16,320
and then one of the more interesting

808
00:37:25,910 --> 00:37:23,270
was he spoke to sam harris who thought

809
00:37:28,150 --> 00:37:25,920
if there were et's visiting

810
00:37:29,589 --> 00:37:28,160
they'd be tens of thousands of years

811
00:37:32,230 --> 00:37:29,599
beyond us

812
00:37:34,470 --> 00:37:32,240
eric weinstein does not agree he said

813
00:37:37,109 --> 00:37:34,480

we've made amazing progress in short

814

00:37:39,190 --> 00:37:37,119

periods of time on this earth so

815

00:37:41,750 --> 00:37:39,200

how close how close are we now to

816

00:37:43,430 --> 00:37:41,760

understanding all the rules well we have

817

00:37:50,150 --> 00:37:43,440

no idea how close we are we could be

818

00:37:54,390 --> 00:37:51,670

i'm gonna leave these up not all this

819

00:37:55,910 --> 00:37:54,400

matches my notes

820

00:37:57,030 --> 00:37:55,920

he says

821

00:37:59,990 --> 00:37:57,040

if

822

00:38:02,310 --> 00:38:00,000

this is real where the hell are our

823

00:38:04,150 --> 00:38:02,320

leading minds on this

824

00:38:06,310 --> 00:38:04,160

current leading minds the

825

00:38:09,030 --> 00:38:06,320

radical physicists they don't discuss

826

00:38:11,109 --> 00:38:09,040

this the top guys have no idea what's

827

00:38:12,950 --> 00:38:11,119

been going on on ufos they don't even

828

00:38:15,349 --> 00:38:12,960

know about the new york times article

829

00:38:16,710 --> 00:38:15,359

and this is all eric

830

00:38:18,870 --> 00:38:16,720

he goes none of the

831

00:38:21,270 --> 00:38:18,880

relevant people and and i've said and

832

00:38:23,990 --> 00:38:21,280

other people have said

833

00:38:25,829 --> 00:38:24,000

get these scientists read in let them

834

00:38:27,750 --> 00:38:25,839

get read in and he says none of the

835

00:38:31,430 --> 00:38:27,760

relevant relevant people have been read

836

00:38:33,430 --> 00:38:31,440

in or have any special knowledge

837

00:38:35,349 --> 00:38:33,440

if this turns out these are beyond our

838

00:38:37,349 --> 00:38:35,359

solar system

839

00:38:38,630 --> 00:38:37,359

they have been locked out of our top

840

00:38:42,630 --> 00:38:38,640

minds

841

00:38:44,470 --> 00:38:42,640

good actors because they have been read

842

00:38:46,150 --> 00:38:44,480

in and they when he talks to them they

843

00:38:47,910 --> 00:38:46,160

just totally make up you know i don't

844

00:38:49,589 --> 00:38:47,920

know what you're talking about but he

845

00:38:52,310 --> 00:38:49,599

thinks they've been locked out and that

846

00:38:55,510 --> 00:38:52,320

does seem like the case

847

00:38:58,390 --> 00:38:55,520

and then they got the q and a

848

00:39:01,190 --> 00:38:58,400

let's see if this is my last one

849

00:39:06,710 --> 00:39:01,200

yep that's the last one so

850

00:39:11,109 --> 00:39:09,990

q a how has this changed your life eric

851
00:39:12,710 --> 00:39:11,119
he says

852
00:39:14,470 --> 00:39:12,720
i was lied to

853
00:39:16,069 --> 00:39:14,480
i know what i'm lied to

854
00:39:17,910 --> 00:39:16,079
this report wouldn't have been issued if

855
00:39:20,470 --> 00:39:17,920
they had not been lying

856
00:39:22,390 --> 00:39:20,480
it doesn't have primary data

857
00:39:24,310 --> 00:39:22,400
something inside of government which

858
00:39:25,990 --> 00:39:24,320
much with much better access to

859
00:39:28,150 --> 00:39:26,000
information

860
00:39:29,510 --> 00:39:28,160
is convinced we've been visited so yeah

861
00:39:31,750 --> 00:39:29,520
he's saying there are groups inside the

862
00:39:34,630 --> 00:39:31,760
government who have access to that data

863
00:39:36,550 --> 00:39:34,640

and they're convinced we've been visited

864

00:39:37,589 --> 00:39:36,560

doesn't know whose voice that is inside

865

00:39:39,270 --> 00:39:37,599

government

866

00:39:41,190 --> 00:39:39,280

basic take is

867

00:39:42,790 --> 00:39:41,200

you've cut off your scientists now he's

868

00:39:45,910 --> 00:39:42,800

talking to our government you've cut off

869

00:39:47,349 --> 00:39:45,920

your scientists read them in we have a

870

00:39:49,510 --> 00:39:47,359

situation

871

00:39:51,910 --> 00:39:49,520

military airspace is being visited by

872

00:39:54,310 --> 00:39:51,920

something intelligent and can disguise

873

00:39:56,390 --> 00:39:54,320

itself and you don't read in your best

874

00:39:58,790 --> 00:39:56,400

people because we're becoming a banana

875

00:40:00,870 --> 00:39:58,800

republic it was really great i mean

876

00:40:02,390 --> 00:40:00,880

this guy is saying what so many people

877

00:40:03,910 --> 00:40:02,400

have said but he says it's so much

878

00:40:06,069 --> 00:40:03,920

better it's because

879

00:40:07,750 --> 00:40:06,079

i love having him on this on this

880

00:40:09,349 --> 00:40:07,760

conference and this pat on the panel he

881

00:40:11,589 --> 00:40:09,359

did

882

00:40:13,910 --> 00:40:11,599

he says i'm not coming at this from a

883

00:40:16,550 --> 00:40:13,920

spiritual or religious

884

00:40:19,109 --> 00:40:16,560

angle just scientific and he understands

885

00:40:21,349 --> 00:40:19,119

people discuss the consciousness aspect

886

00:40:22,950 --> 00:40:21,359

and why people ask about it but he

887

00:40:24,870 --> 00:40:22,960

avoids it he's not i'm not trying to

888

00:40:27,270 --> 00:40:24,880

fill a hole in my life i don't need a

889

00:40:28,309 --> 00:40:27,280

god and a silver spinning disc

890

00:40:29,750 --> 00:40:28,319

uh

891

00:40:31,510 --> 00:40:29,760

he does assume we'll understand

892

00:40:33,589 --> 00:40:31,520

consciousness one day

893

00:40:35,750 --> 00:40:33,599

and that may not be an exact quote but

894

00:40:37,270 --> 00:40:35,760

he talked about consciousness but he

895

00:40:38,390 --> 00:40:37,280

says right now there's no reason to talk

896

00:40:40,710 --> 00:40:38,400

about consciousness

897

00:40:43,589 --> 00:40:40,720

yet for him he wants to talk about

898

00:40:45,109 --> 00:40:43,599

signature management dimension hacking

899

00:40:47,109 --> 00:40:45,119

do they have better understanding of

900

00:40:49,349 --> 00:40:47,119

physics science do our aerospace

901
00:40:51,270 --> 00:40:49,359
companies become a repository

902
00:40:58,230 --> 00:40:51,280
as for some of this information and i'm

903
00:41:01,510 --> 00:40:59,750
someone indeed this is when he starts

904
00:41:02,390 --> 00:41:01,520
getting i know the curse is coming up

905
00:41:04,870 --> 00:41:02,400
soon

906
00:41:06,550 --> 00:41:04,880
someone in dc is checking the time

907
00:41:09,430 --> 00:41:06,560
someone in dc needs to call scientists

908
00:41:11,349 --> 00:41:09,440
and talk to them did eric weinstein miss

909
00:41:12,550 --> 00:41:11,359
this meeting you know did they did they

910
00:41:14,150 --> 00:41:12,560
have it they forgot to call him he's

911
00:41:15,990 --> 00:41:14,160
being sarcastic

912
00:41:16,950 --> 00:41:16,000
call up the institute for advanced study

913
00:41:18,950 --> 00:41:16,960

listen

914

00:41:21,190 --> 00:41:18,960

there's several names and he lists

915

00:41:22,550 --> 00:41:21,200

dewitt wheeler solomon and i forget the

916

00:41:24,309 --> 00:41:22,560

guy's last name that they should be

917

00:41:26,230 --> 00:41:24,319

involved in this some of the top names

918

00:41:28,230 --> 00:41:26,240

theoretical physicists

919

00:41:30,230 --> 00:41:28,240

he goes we have kind of a

920

00:41:32,230 --> 00:41:30,240

leadership that doesn't call up these

921

00:41:33,990 --> 00:41:32,240

because what kind of leadership

922

00:41:37,030 --> 00:41:34,000

doesn't call up these big name

923

00:41:38,150 --> 00:41:37,040

scientists and you could say that

924

00:41:40,390 --> 00:41:38,160

for

925

00:41:41,990 --> 00:41:40,400

every administration you know going back

926
00:41:43,510 --> 00:41:42,000
he's not pointing to one specific

927
00:41:45,190 --> 00:41:43,520
administration

928
00:41:47,670 --> 00:41:45,200
he goes

929
00:41:50,950 --> 00:41:47,680
if these things aren't real and you

930
00:41:52,470 --> 00:41:50,960
wrote up this uap report the dni report

931
00:41:54,550 --> 00:41:52,480
you should be kicked out of a government

932
00:41:57,030 --> 00:41:54,560
kicked out of government if if they're

933
00:41:59,190 --> 00:41:57,040
real and you didn't call scientists

934
00:42:01,349 --> 00:41:59,200
you should be kicked out of government

935
00:42:02,950 --> 00:42:01,359
you go he goes he doesn't know if it's

936
00:42:05,270 --> 00:42:02,960
real he goes but then people talk about

937
00:42:07,270 --> 00:42:05,280
this information he goes if this is diff

938
00:42:08,550 --> 00:42:07,280

this information it's really bad this

939

00:42:10,069 --> 00:42:08,560

information

940

00:42:12,069 --> 00:42:10,079

you know and then he talks about the go

941

00:42:14,150 --> 00:42:12,079

fast how it's weak data and i do agree

942

00:42:16,150 --> 00:42:14,160

you know we hear about a 23-minute video

943

00:42:19,270 --> 00:42:16,160

as much as excited we were to see the

944

00:42:21,430 --> 00:42:19,280

tic tac and and go fast and gimbal

945

00:42:23,750 --> 00:42:21,440

you know to get scientists right in they

946

00:42:24,790 --> 00:42:23,760

need to see the good stuff

947

00:42:27,589 --> 00:42:24,800

he goes

948

00:42:29,109 --> 00:42:27,599

we've become the keystone cops and i'm

949

00:42:31,430 --> 00:42:29,119

gonna curse because i want to read

950

00:42:34,390 --> 00:42:31,440

exactly how he said it he goes read the

951
00:42:37,349 --> 00:42:34,400
physicists into the program or shut the

952
00:42:39,910 --> 00:42:37,359
up um it was great it's almost like

953
00:42:42,069 --> 00:42:39,920
when danny sheehan used the f word he

954
00:42:44,150 --> 00:42:42,079
goes it's really frustrating why are

955
00:42:47,109 --> 00:42:44,160
scientists not present in this you've

956
00:42:48,630 --> 00:42:47,119
denied them access to the data

957
00:42:51,109 --> 00:42:48,640
he's worried about the

958
00:42:53,750 --> 00:42:51,119
arrow of time in inter temporal trial

959
00:42:54,870 --> 00:42:53,760
intertemporal travel and then

960
00:42:56,309 --> 00:42:54,880
i don't know if that was a question and

961
00:43:00,069 --> 00:42:56,319
then somebody says do you know about

962
00:43:01,349 --> 00:43:00,079
nassim harriman and that's a a physicist

963
00:43:03,030 --> 00:43:01,359

he did not

964

00:43:05,510 --> 00:43:03,040

so before i go and

965

00:43:08,390 --> 00:43:05,520

go on

966

00:43:13,349 --> 00:43:08,400

just go questions quick um

967

00:43:18,550 --> 00:43:16,550

yeah well alpine i will get to that

968

00:43:19,510 --> 00:43:18,560

panel in a second i haven't gotten there

969

00:43:20,950 --> 00:43:19,520

yet

970

00:43:23,109 --> 00:43:20,960

paddle was interesting it was a little

971

00:43:24,790 --> 00:43:23,119

frustrating because there's some

972

00:43:28,150 --> 00:43:24,800

interesting information that

973

00:43:30,470 --> 00:43:28,160

you know they didn't tell him

974

00:43:31,990 --> 00:43:30,480

call me up eric or read the transcript

975

00:43:35,510 --> 00:43:32,000

eric davis talks about how he got that

976

00:43:43,190 --> 00:43:37,910

it's not me i just transcribed it

977

00:43:47,190 --> 00:43:45,270

who are we is more important than who

978

00:43:48,950 --> 00:43:47,200

they are i kind of agree with that who

979

00:43:51,030 --> 00:43:48,960

the hell are we as humans what can we

980

00:43:52,630 --> 00:43:51,040

what are we capable of

981

00:43:54,550 --> 00:43:52,640

you know these entities used to be part

982

00:43:56,950 --> 00:43:54,560

of folklore jacques vale has talked

983

00:43:57,990 --> 00:43:56,960

about that with fairies and

984

00:43:59,430 --> 00:43:58,000

he goes

985

00:44:01,030 --> 00:43:59,440

but then they entered again in the

986

00:44:03,589 --> 00:44:01,040

atomic age

987

00:44:05,510 --> 00:44:03,599

humans and the planets and visitors

988

00:44:09,349 --> 00:44:05,520

part of which he believes is alien will

989

00:44:11,589 --> 00:44:09,359

decide if we continue on this planet

990

00:44:13,349 --> 00:44:11,599

in the early days

991

00:44:15,349 --> 00:44:13,359

you know it was limited as far as what

992

00:44:17,270 --> 00:44:15,359

people thought they were from

993

00:44:19,270 --> 00:44:17,280

although in the 50s they they had the

994

00:44:20,550 --> 00:44:19,280

paraphysical idea where they were coming

995

00:44:22,069 --> 00:44:20,560

from another dimension i don't think

996

00:44:23,910 --> 00:44:22,079

they used dimension back then but you

997

00:44:26,390 --> 00:44:23,920

know early on they said are they coming

998

00:44:28,790 --> 00:44:26,400

from venus mars and then betty and

999

00:44:30,870 --> 00:44:28,800

barney uh hill talked about zeta

1000

00:44:32,390 --> 00:44:30,880

reticuli and he's like is that even true

1001
00:44:33,589 --> 00:44:32,400
he goes

1002
00:44:36,150 --> 00:44:33,599
some claim

1003
00:44:38,550 --> 00:44:36,160
they visited zeta reticuli and whitley

1004
00:44:40,630 --> 00:44:38,560
thinks that's probably imaginary but

1005
00:44:43,589 --> 00:44:40,640
there's no proof

1006
00:44:45,750 --> 00:44:43,599
someone is here from somewhere else

1007
00:44:47,510 --> 00:44:45,760
that's that's the basics of what he's he

1008
00:44:49,589 --> 00:44:47,520
believes

1009
00:44:51,430 --> 00:44:49,599
he has some of the the material i i

1010
00:44:53,990 --> 00:44:51,440
believe it's part of arts parts that

1011
00:44:55,910 --> 00:44:54,000
linda molten house sold to the stars he

1012
00:44:58,069 --> 00:44:55,920
mentions jacques valet and the work of

1013
00:44:59,910 --> 00:44:58,079

vale and nolan gary nolan

1014

00:45:01,910 --> 00:44:59,920

and the uh the materials and the unknown

1015

00:45:03,270 --> 00:45:01,920

isotopic ratios which we will hopefully

1016

00:45:04,550 --> 00:45:03,280

hear about

1017

00:45:07,349 --> 00:45:04,560

soon

1018

00:45:08,790 --> 00:45:07,359

uh talks about various religions and

1019

00:45:10,470 --> 00:45:08,800

how they already integrate these

1020

00:45:13,030 --> 00:45:10,480

entities into the into their belief

1021

00:45:15,750 --> 00:45:13,040

system islam has the gin you know it's

1022

00:45:18,710 --> 00:45:15,760

been about been around a very long time

1023

00:45:23,589 --> 00:45:18,720

indigenous culture has integrated the

1024

00:45:28,550 --> 00:45:26,150

in pine ridge he goes he spent some time

1025

00:45:29,910 --> 00:45:28,560

on the lakota reservation in 2019 it was

1026

00:45:32,230 --> 00:45:29,920

a private event

1027

00:45:33,750 --> 00:45:32,240

ufo showed up hung over the ceremony

1028

00:45:35,510 --> 00:45:33,760

then moved off to the sweat lodge and

1029

00:45:36,870 --> 00:45:35,520

hung over that

1030

00:45:38,630 --> 00:45:36,880

tried to see if it was a drone or

1031

00:45:40,950 --> 00:45:38,640

balloon you just did some research but

1032

00:45:42,630 --> 00:45:40,960

he didn't think it was either so someone

1033

00:45:44,230 --> 00:45:42,640

was making it known

1034

00:45:45,910 --> 00:45:44,240

that they had an interest in their

1035

00:45:47,349 --> 00:45:45,920

spiritual ceremony they were doing a

1036

00:45:49,349 --> 00:45:47,359

sundance and he didn't get into it he

1037

00:45:50,950 --> 00:45:49,359

just it was about showing women

1038

00:45:53,430 --> 00:45:50,960

that men could appreciate the pain they

1039

00:45:55,510 --> 00:45:53,440

go through it with childbirth

1040

00:45:57,349 --> 00:45:55,520

and don't quote me on that

1041

00:45:59,510 --> 00:45:57,359

he says danger of integrated past

1042

00:46:01,910 --> 00:45:59,520

beliefs into current contact may distort

1043

00:46:05,430 --> 00:46:01,920

it so yeah our previous beliefs may mix

1044

00:46:08,309 --> 00:46:05,440

into what we think these beings are

1045

00:46:11,190 --> 00:46:08,319

these must be the jinn but are they

1046

00:46:12,710 --> 00:46:11,200

says man many entities in hinduism that

1047

00:46:14,710 --> 00:46:12,720

that may be related to what we're

1048

00:46:16,309 --> 00:46:14,720

dealing with now but we need to be

1049

00:46:19,190 --> 00:46:16,319

careful be careful seeing it through a

1050

00:46:21,190 --> 00:46:19,200

negative lens his wife passed away 2015

1051

00:46:23,510 --> 00:46:21,200

or sort of passed away he says they're

1052

00:46:27,829 --> 00:46:23,520

still together and sharing one body he

1053

00:46:30,870 --> 00:46:27,839

wears both wedding rings and he mentions

1054

00:46:32,870 --> 00:46:30,880

cardinal monsignor balducci monsignor

1055

00:46:35,109 --> 00:46:32,880

baltucci uh

1056

00:46:36,550 --> 00:46:35,119

and the pope thought and

1057

00:46:38,069 --> 00:46:36,560

she didn't think this i don't think but

1058

00:46:41,829 --> 00:46:38,079

the pope thought these visitors were

1059

00:46:43,430 --> 00:46:41,839

demons and whitley's like why not

1060

00:46:45,030 --> 00:46:43,440

and there's a book

1061

00:46:46,950 --> 00:46:45,040

i don't know the name of it but he said

1062

00:46:48,870 --> 00:46:46,960

every angel is terrible because their

1063

00:46:50,069 --> 00:46:48,880

eyes are oh it's a good quote from this

1064

00:46:52,550 --> 00:46:50,079

book which i don't have the name of it

1065

00:46:56,470 --> 00:46:52,560

but he says every angel is terrible

1066

00:46:58,470 --> 00:46:56,480

because their eyes reflect our truth and

1067

00:47:00,630 --> 00:46:58,480

whitney whitley says he has seen that

1068

00:47:01,589 --> 00:47:00,640

when he faced these visitors face to

1069

00:47:02,550 --> 00:47:01,599

face

1070

00:47:04,870 --> 00:47:02,560

because i don't think they're

1071

00:47:06,870 --> 00:47:04,880

necessarily angels we see them as much

1072

00:47:08,550 --> 00:47:06,880

more than what they may be

1073

00:47:10,710 --> 00:47:08,560

we're driven by our own reflection of

1074

00:47:12,470 --> 00:47:10,720

our deeper self deepest selves it's hard

1075

00:47:14,550 --> 00:47:12,480

to take that when you experience that he

1076

00:47:16,390 --> 00:47:14,560

goes we need to get used to that

1077

00:47:18,630 --> 00:47:16,400

he drank wine with balducci and they

1078

00:47:20,790 --> 00:47:18,640

discussed the church's position

1079

00:47:21,910 --> 00:47:20,800

about jesus and

1080

00:47:24,549 --> 00:47:21,920

i'm going to skip that because i'm

1081

00:47:26,390 --> 00:47:24,559

running out of time

1082

00:47:29,109 --> 00:47:26,400

he lived with the visitors and was

1083

00:47:30,790 --> 00:47:29,119

taught love compassion and humility

1084

00:47:35,990 --> 00:47:30,800

need to forget that

1085

00:47:36,000 --> 00:47:39,990

sorry i lost my place

1086

00:47:47,349 --> 00:47:41,510

need to forget that the material with

1087

00:47:52,710 --> 00:47:50,390

it may not be a world at all

1088

00:47:54,230 --> 00:47:52,720

i forget the idea that the material was

1089

00:47:56,230 --> 00:47:54,240

materialistic world is the only world

1090

00:47:58,230 --> 00:47:56,240

forget that idea

1091

00:47:59,750 --> 00:47:58,240

uh he's in contact with his wife saul

1092

00:48:02,549 --> 00:47:59,760

and other souls

1093

00:48:03,990 --> 00:48:02,559

asks his dead wife what's enlightenment

1094

00:48:08,950 --> 00:48:04,000

she said it's what happens when there's

1095

00:48:12,390 --> 00:48:10,549

how to conduct his life when everything

1096

00:48:14,390 --> 00:48:12,400

is grounded in love he says how to

1097

00:48:15,990 --> 00:48:14,400

accept humans he doesn't agree with

1098

00:48:18,549 --> 00:48:16,000

these are things he always tries to work

1099

00:48:19,990 --> 00:48:18,559

on people he likes how to deal with them

1100

00:48:22,230 --> 00:48:20,000

how to deal with entities coming into

1101
00:48:24,630 --> 00:48:22,240
his house he said our government has

1102
00:48:26,069 --> 00:48:24,640
battled with the visitors

1103
00:48:28,230 --> 00:48:26,079
he didn't really give too many details

1104
00:48:30,549 --> 00:48:28,240
he goes they won't fight but if you

1105
00:48:31,990 --> 00:48:30,559
fight them that's another story he goes

1106
00:48:33,430 --> 00:48:32,000
if you start a war with them and he's

1107
00:48:35,670 --> 00:48:33,440
talking about the greys because they

1108
00:48:37,910 --> 00:48:35,680
will never let you in and never let you

1109
00:48:40,390 --> 00:48:37,920
stop fighting if that's true that's

1110
00:48:42,549 --> 00:48:40,400
scary if elements of humans keep

1111
00:48:46,470 --> 00:48:42,559
fighting we'll be in a kind of trouble

1112
00:48:51,190 --> 00:48:48,950
and the phenomenon he thinks

1113
00:48:52,950 --> 00:48:51,200

is it physical aliens with a radically

1114

00:48:54,150 --> 00:48:52,960
different nature than us yes but

1115

00:48:55,829 --> 00:48:54,160
remember he's not saying

1116

00:48:58,790 --> 00:48:55,839
extraterrestrial is are the dead

1117

00:49:02,790 --> 00:49:00,710
others are not always in a physical

1118

00:49:04,549 --> 00:49:02,800
state the others

1119

00:49:06,950 --> 00:49:04,559
physical state is not the governing

1120

00:49:11,510 --> 00:49:06,960
governing state of life then he talks

1121

00:49:16,069 --> 00:49:14,549
seth josek and neil degrasse tyson he

1122

00:49:18,230 --> 00:49:16,079
said who laughed at this on some late

1123

00:49:20,069 --> 00:49:18,240
night show and others who agree with

1124

00:49:21,750 --> 00:49:20,079
them

1125

00:49:24,549 --> 00:49:21,760
he said

1126

00:49:26,230 --> 00:49:24,559

debate debate isn't is it important he

1127

00:49:27,829 --> 00:49:26,240

goes what's important is what's going on

1128

00:49:31,430 --> 00:49:27,839

what's going to happen in the next 5 10

1129

00:49:32,790 --> 00:49:31,440

15 years help us have a better dynamic

1130

00:49:34,230 --> 00:49:32,800

relationship with work with the world

1131

00:49:38,630 --> 00:49:34,240

around us including physical and

1132

00:49:42,390 --> 00:49:40,390

people will go will go into shock as

1133

00:49:44,710 --> 00:49:42,400

moore's revealed he had a skeptical

1134

00:49:46,870 --> 00:49:44,720

physicist up at his old cabin if you

1135

00:49:48,630 --> 00:49:46,880

read any of strieber's books communion

1136

00:49:50,549 --> 00:49:48,640

transformation breakthrough and talks

1137

00:49:53,349 --> 00:49:50,559

about the cabin where he had all this

1138

00:49:55,349 --> 00:49:53,359

most of his experiences back then

1139

00:49:57,030 --> 00:49:55,359

they were sitting in a place where

1140

00:49:58,710 --> 00:49:57,040

people visiting him at the cabin were

1141

00:50:00,630 --> 00:49:58,720

meditating in the early afternoon around

1142

00:50:03,109 --> 00:50:00,640

the stone circle and then a clear shaft

1143

00:50:04,950 --> 00:50:03,119

of light came down from above in the

1144

00:50:06,470 --> 00:50:04,960

middle of the circle

1145

00:50:08,549 --> 00:50:06,480

and as you look through it he says

1146

00:50:10,309 --> 00:50:08,559

everything was suddenly perfect

1147

00:50:12,390 --> 00:50:10,319

everybody spoke about it except the

1148

00:50:14,230 --> 00:50:12,400

scientists who couldn't see the light

1149

00:50:15,109 --> 00:50:14,240

and he had a headache after and whitley

1150

00:50:16,710 --> 00:50:15,119

said

1151
00:50:19,510 --> 00:50:16,720
really believes that was his brain

1152
00:50:21,030 --> 00:50:19,520
fighting that image away if he saw that

1153
00:50:22,390 --> 00:50:21,040
beam of light

1154
00:50:23,829 --> 00:50:22,400
and the wonderful you know i don't know

1155
00:50:25,750 --> 00:50:23,839
if the colors were brilliant but it

1156
00:50:27,670 --> 00:50:25,760
looked amazing as you saw it if that

1157
00:50:30,470 --> 00:50:27,680
scientist had seen that light his entire

1158
00:50:32,549 --> 00:50:30,480
world view would have collapsed

1159
00:50:34,230 --> 00:50:32,559
he goes we have to help people like that

1160
00:50:35,829 --> 00:50:34,240
that's why eric weinstein is so

1161
00:50:38,309 --> 00:50:35,839
important that's me talking that's not

1162
00:50:43,190 --> 00:50:38,319
whitley same thing we have to help new

1163
00:50:46,309 --> 00:50:44,710

he goes except for a small amount of

1164

00:50:48,549 --> 00:50:46,319

humans on earth we are now almost

1165

00:50:50,150 --> 00:50:48,559

completely soul blind we need to move we

1166

00:50:57,750 --> 00:50:50,160

need to move through time and gather

1167

00:50:57,760 --> 00:51:02,309

everything good guys you can still hear

1168

00:51:05,510 --> 00:51:03,829

i'm gonna put that up which i don't

1169

00:51:09,190 --> 00:51:05,520

always do i think it's the first time i

1170

00:51:11,910 --> 00:51:10,390

yeah i'm not going to talk about

1171

00:51:13,829 --> 00:51:11,920

angelique she was not part of this

1172

00:51:15,510 --> 00:51:13,839

conference and i'm not gonna

1173

00:51:22,069 --> 00:51:15,520

i'm gonna run out of time with this

1174

00:51:25,190 --> 00:51:23,589

as we move forward in contact we need to

1175

00:51:26,390 --> 00:51:25,200

learn how to step back many ways to do

1176

00:51:28,790 --> 00:51:26,400

that he talks about he said it would

1177

00:51:30,870 --> 00:51:28,800

take six hours to explain the path is a

1178

00:51:33,270 --> 00:51:30,880

book of his it's based on the tarot of

1179

00:51:35,910 --> 00:51:33,280

marcel marseille

1180

00:51:37,510 --> 00:51:35,920

in france i'm saying it wrong

1181

00:51:39,270 --> 00:51:37,520

intellectual and scientific communities

1182

00:51:41,190 --> 00:51:39,280

contain our best minds and they're in

1183

00:51:42,230 --> 00:51:41,200

denial on the biggest story in our

1184

00:51:43,750 --> 00:51:42,240

history

1185

00:51:45,270 --> 00:51:43,760

talks more about the shroud which i'm

1186

00:51:46,630 --> 00:51:45,280

not going to get into and there are

1187

00:51:48,309 --> 00:51:46,640

there are other books that disagree

1188

00:51:50,150 --> 00:51:48,319

about the shroud i know this controversy

1189

00:51:53,349 --> 00:51:50,160

on the shroud of turin and the image of

1190

00:51:57,430 --> 00:51:55,910

aliens may be may not be that far ahead

1191

00:51:59,510 --> 00:51:57,440

of us we need it we need to deal with

1192

00:52:02,829 --> 00:51:59,520

them on equal terms

1193

00:52:05,510 --> 00:52:02,839

you know start with that humans have

1194

00:52:08,790 --> 00:52:05,520

value there's some other things but i

1195

00:52:13,829 --> 00:52:10,309

going to the

1196

00:52:13,839 --> 00:52:18,390

whitley said more than i thought

1197

00:52:21,510 --> 00:52:19,910

here's i'll tell i'll close the whitley

1198

00:52:23,349 --> 00:52:21,520

part with this he goes

1199

00:52:25,430 --> 00:52:23,359

he had an experience with the visitors

1200

00:52:27,270 --> 00:52:25,440

years ago at dawn

1201

00:52:29,190 --> 00:52:27,280

um he went outside to be with them he

1202

00:52:30,630 --> 00:52:29,200

was at his cabin in february put his

1203

00:52:31,910 --> 00:52:30,640

slippers and robe on went outside he

1204

00:52:33,910 --> 00:52:31,920

thought he would go for a ride in their

1205

00:52:36,710 --> 00:52:33,920

ufo that didn't happen he saw their

1206

00:52:38,630 --> 00:52:36,720

craft and figures next to the craft

1207

00:52:40,710 --> 00:52:38,640

and a voice in his head that said

1208

00:52:42,309 --> 00:52:40,720

uh he goes you know we could do that now

1209

00:52:43,670 --> 00:52:42,319

voices in the head using microwaves i

1210

00:52:45,190 --> 00:52:43,680

don't know how they do it but he goes

1211

00:52:47,589 --> 00:52:45,200

the voice it was almost like he had

1212

00:52:49,829 --> 00:52:47,599

headphones on and the voice said come on

1213

00:52:50,710 --> 00:52:49,839

come on he said it was a tough voice and

1214

00:52:52,150 --> 00:52:50,720

he goes

1215

00:52:54,150 --> 00:52:52,160

i'm thinking to myself if i go down

1216

00:52:56,710 --> 00:52:54,160

there i may not come back i have my wife

1217

00:52:58,710 --> 00:52:56,720

and kid in the cabin i couldn't risk it

1218

00:53:01,430 --> 00:52:58,720

so he went back and he said there were

1219

00:53:03,349 --> 00:53:01,440

three cries that came above the forest

1220

00:53:04,150 --> 00:53:03,359

he said it was like oh

1221

00:53:07,910 --> 00:53:04,160

oh

1222

00:53:10,150 --> 00:53:07,920

sounds and three of the most emotionally

1223

00:53:12,470 --> 00:53:10,160

complex sounds he's ever heard a year

1224

00:53:13,829 --> 00:53:12,480

before he can enjoy classical music but

1225

00:53:16,150 --> 00:53:13,839

after hearing those sounds he goes it

1226

00:53:17,750 --> 00:53:16,160

sounded like mud compared to that

1227

00:53:21,589 --> 00:53:17,760

it was something different than what we

1228

00:53:26,230 --> 00:53:24,309

here's another one last one

1229

00:53:27,510 --> 00:53:26,240

we went we went on a walk with a gray he

1230

00:53:29,910 --> 00:53:27,520

said he went on a walk with a grey in

1231

00:53:31,910 --> 00:53:29,920

1998 in texas living in a condo he

1232

00:53:33,270 --> 00:53:31,920

awakened and they were there walked

1233

00:53:36,390 --> 00:53:33,280

through the streets

1234

00:53:38,390 --> 00:53:36,400

he was inside this beings gestalt so he

1235

00:53:40,230 --> 00:53:38,400

could feel what the being was falling

1236

00:53:41,270 --> 00:53:40,240

experiencing and feeling as they were

1237

00:53:42,950 --> 00:53:41,280

walking

1238

00:53:45,030 --> 00:53:42,960

he felt he could see all kinds of things

1239

00:53:47,349 --> 00:53:45,040

about the world that we don't see his

1240

00:53:49,670 --> 00:53:47,359

condo looked like a badly formed crooked

1241

00:53:51,109 --> 00:53:49,680

little burrow through his eyes

1242

00:53:53,589 --> 00:53:51,119

it was like a half an hour experience

1243

00:53:55,589 --> 00:53:53,599

when he got back he felt quite greasy

1244

00:53:57,109 --> 00:53:55,599

and dirty and sweaty stressful as hell

1245

00:53:59,109 --> 00:53:57,119

when he was with them

1246

00:54:00,549 --> 00:53:59,119

he had no feeling on his skin though

1247

00:54:02,790 --> 00:54:00,559

when he took a shower and he said they

1248

00:54:04,390 --> 00:54:02,800

had given him some shot pinpricked him

1249

00:54:08,829 --> 00:54:04,400

so he wouldn't suffer an allergic

1250

00:54:12,069 --> 00:54:11,109

banner thanks for the comments sorry

1251

00:54:13,910 --> 00:54:12,079

guys

1252

00:54:15,589 --> 00:54:13,920

i know i'm running out of time and i

1253

00:54:17,990 --> 00:54:15,599

know this is so much stuff it took too

1254

00:54:19,349 --> 00:54:18,000

many notes

1255

00:54:21,829 --> 00:54:19,359

panel

1256

00:54:23,829 --> 00:54:21,839

of like 14 minutes

1257

00:54:25,910 --> 00:54:23,839

so it was danny sheehan mark sims

1258

00:54:27,670 --> 00:54:25,920

richard dolan eric weinstein and whitney

1259

00:54:30,950 --> 00:54:27,680

strieber thank god mark sims went on for

1260

00:54:35,829 --> 00:54:33,430

about how he um

1261

00:54:37,430 --> 00:54:35,839

had this business it was really long but

1262

00:54:39,750 --> 00:54:37,440

i didn't take notes on that because it

1263

00:54:42,470 --> 00:54:39,760

was too detailed it wasn't really

1264

00:54:44,150 --> 00:54:42,480

not related to what we're talking about

1265

00:54:45,510 --> 00:54:44,160

so sheehan starts out you know average

1266

00:54:48,069 --> 00:54:45,520

person has a hard time with someone

1267

00:54:50,230 --> 00:54:48,079

tells them they had contact experience

1268

00:54:51,990 --> 00:54:50,240

and sheen asked dolan to tell eric

1269

00:54:54,470 --> 00:54:52,000

weinstein the most remarkable fact about

1270

00:54:57,270 --> 00:54:54,480

ufos that convinced him so dolan says

1271

00:54:58,710 --> 00:54:57,280

studying ufos for close to 30 years

1272

00:55:01,430 --> 00:54:58,720

you know he went in little by little

1273

00:55:03,190 --> 00:55:01,440

backed his way in worked on a phd on

1274

00:55:05,829 --> 00:55:03,200

cold war studies and then stumbled upon

1275

00:55:07,510 --> 00:55:05,839

timothy good timothy good's book above

1276

00:55:09,270 --> 00:55:07,520

talks top secret

1277

00:55:11,270 --> 00:55:09,280

he knew back then that it was all about

1278

00:55:12,630 --> 00:55:11,280

the 40s and this will res initial

1279

00:55:14,230 --> 00:55:12,640

research he didn't know if it was part

1280

00:55:16,309 --> 00:55:14,240

of our history

1281

00:55:18,789 --> 00:55:16,319

uh you know black budget stuff and a

1282

00:55:20,870 --> 00:55:18,799

national security concern

1283

00:55:22,230 --> 00:55:20,880

was it ever resolved these were dolan's

1284

00:55:23,910 --> 00:55:22,240

thoughts early on

1285

00:55:25,670 --> 00:55:23,920

he figured he figured he would figure

1286

00:55:27,430 --> 00:55:25,680

out the entire thing in two to three

1287

00:55:29,270 --> 00:55:27,440

months that's kind of like me

1288

00:55:31,990 --> 00:55:29,280

when i got into this in 96 i thought it

1289

00:55:36,230 --> 00:55:32,000

would all be resolved by 2000 i'm like

1290

00:55:37,990 --> 00:55:36,240

yeah i was only off by 24 years

1291

00:55:39,750 --> 00:55:38,000

he tries to stay conservative and he's

1292

00:55:41,270 --> 00:55:39,760

talking to eric at this point he

1293

00:55:42,549 --> 00:55:41,280

confident he's confident there's an

1294

00:55:44,470 --> 00:55:42,559

overwhelming amount of government

1295

00:55:47,190 --> 00:55:44,480

declassified documents that describe

1296

00:55:49,030 --> 00:55:47,200

this ufo phenomenon over nukes air force

1297

00:55:52,710 --> 00:55:49,040

base army base

1298

00:55:54,390 --> 00:55:52,720

objects described by military or pilots

1299

00:55:55,990 --> 00:55:54,400

and he talks about the twining memo you

1300

00:55:59,510 --> 00:55:56,000

know this is a real phenomenon not

1301
00:56:02,950 --> 00:55:59,520
fictitious not visionary or fictitious

1302
00:56:03,910 --> 00:56:02,960
it's real disc shaped is it german or

1303
00:56:05,430 --> 00:56:03,920
russian

1304
00:56:09,190 --> 00:56:05,440
doesn't look like it

1305
00:56:11,670 --> 00:56:09,200
adversary but it's technological and

1306
00:56:13,510 --> 00:56:11,680
this is dolan talking to eric

1307
00:56:15,510 --> 00:56:13,520
they seem to have abilities week to

1308
00:56:16,950 --> 00:56:15,520
manipulate space and time that we don't

1309
00:56:18,549 --> 00:56:16,960
understand

1310
00:56:20,870 --> 00:56:18,559
cannot prove its alien it's very

1311
00:56:21,990 --> 00:56:20,880
difficult so eric

1312
00:56:24,230 --> 00:56:22,000
says

1313
00:56:26,390 --> 00:56:24,240

he crossed over from a disbeliever to

1314

00:56:28,710 --> 00:56:26,400

being open to explore it and then dolan

1315

00:56:30,870 --> 00:56:28,720

says some of this is black budget some

1316

00:56:33,349 --> 00:56:30,880

of this advanced tech and he mentions a

1317

00:56:35,349 --> 00:56:33,359

ben rich comment but he go it's he goes

1318

00:56:37,829 --> 00:56:35,359

it's not the explanation since we had

1319

00:56:39,589 --> 00:56:37,839

ufos in the 40s so you know on multiple

1320

00:56:41,109 --> 00:56:39,599

sensors traveling multiple thousand

1321

00:56:42,710 --> 00:56:41,119

miles per hour

1322

00:56:43,910 --> 00:56:42,720

lots of documents

1323

00:56:45,670 --> 00:56:43,920

some folks believe they've had

1324

00:56:47,030 --> 00:56:45,680

encounters with non-humans i was getting

1325

00:56:49,430 --> 00:56:47,040

a little nervous i don't i didn't know

1326

00:56:51,990 --> 00:56:49,440

how eric would react react to that he

1327

00:56:53,910 --> 00:56:52,000

goes dolan goes his best guess is they

1328

00:56:56,230 --> 00:56:53,920

come from another planet

1329

00:56:57,990 --> 00:56:56,240

humans are interesting to study are they

1330

00:56:58,870 --> 00:56:58,000

i mean that's him that's dolan saying

1331

00:57:00,470 --> 00:56:58,880

you know

1332

00:57:03,030 --> 00:57:00,480

maybe we're interesting to study maybe

1333

00:57:05,430 --> 00:57:03,040

they're checking us out so eric says he

1334

00:57:06,470 --> 00:57:05,440

knows danny sheen

1335

00:57:08,789 --> 00:57:06,480

because of the way he kept the

1336

00:57:10,150 --> 00:57:08,799

government in check over the years

1337

00:57:13,030 --> 00:57:10,160

he talks about i know the government

1338

00:57:15,030 --> 00:57:13,040

lies and destroys lives

1339

00:57:16,309 --> 00:57:15,040

and the government has data that i can't

1340

00:57:17,670 --> 00:57:16,319

see

1341

00:57:18,630 --> 00:57:17,680

so the government he says he's speaking

1342

00:57:21,030 --> 00:57:18,640

to them he said you've made

1343

00:57:23,430 --> 00:57:21,040

contradictory claims were you lying back

1344

00:57:24,950 --> 00:57:23,440

then are you lying now

1345

00:57:26,710 --> 00:57:24,960

he goes are they trying to fool the

1346

00:57:28,309 --> 00:57:26,720

russians into thinking we're in contact

1347

00:57:29,750 --> 00:57:28,319

with et's and that's you know when i

1348

00:57:32,549 --> 00:57:29,760

talk about crash retrievals and eric

1349

00:57:34,549 --> 00:57:32,559

davis i'm like is it possible that whole

1350

00:57:35,990 --> 00:57:34,559

crash retrieval program is us trying to

1351
00:57:37,349 --> 00:57:36,000
make the russians think we have some

1352
00:57:39,030 --> 00:57:37,359
technology

1353
00:57:41,190 --> 00:57:39,040
it's possible but they talked about that

1354
00:57:42,789 --> 00:57:41,200
back in the early 50s that when you know

1355
00:57:44,710 --> 00:57:42,799
four years after roswell came out four

1356
00:57:46,309 --> 00:57:44,720
or so years i don't think that's what's

1357
00:57:47,829 --> 00:57:46,319
going on you can't totally rule it out

1358
00:57:49,829 --> 00:57:47,839
but

1359
00:57:51,910 --> 00:57:49,839
so he said

1360
00:57:54,870 --> 00:57:51,920
it's funny he says i consider astrology

1361
00:57:55,990 --> 00:57:54,880
and spoonbending but he goes you don't

1362
00:57:57,990 --> 00:57:56,000
and i don't know exactly what he meant

1363
00:57:59,829 --> 00:57:58,000

by that early on he said he kind of

1364

00:58:00,870 --> 00:57:59,839

grouped them all together with ufos but

1365

00:58:02,470 --> 00:58:00,880

he says

1366

00:58:05,750 --> 00:58:02,480

you don't limit your scientists by

1367

00:58:07,910 --> 00:58:05,760

holding them back holding back data

1368

00:58:11,190 --> 00:58:07,920

however men how how's the government

1369

00:58:12,710 --> 00:58:11,200

releasing the report but not the data

1370

00:58:14,230 --> 00:58:12,720

kind of like reminds me of poltergeist

1371

00:58:16,150 --> 00:58:14,240

how do you move to cemetery but you'll

1372

00:58:18,710 --> 00:58:16,160

leave the bodies if anybody stop

1373

00:58:21,190 --> 00:58:18,720

poltergeist he goes

1374

00:58:24,789 --> 00:58:21,200

uh works of physics let me get back to

1375

00:58:30,870 --> 00:58:25,670

oh

1376

00:58:35,109 --> 00:58:32,309

works of physics and differential

1377

00:58:36,710 --> 00:58:35,119

geometric mathematics is a small world

1378

00:58:39,430 --> 00:58:36,720

he goes so there's a small amount of

1379

00:58:41,430 --> 00:58:39,440

scientists who work in that he goes

1380

00:58:42,630 --> 00:58:41,440

in most towns there are starbucks home

1381

00:58:44,630 --> 00:58:42,640

depot

1382

00:58:46,710 --> 00:58:44,640

he goes but theoretical physicists are

1383

00:58:49,109 --> 00:58:46,720

rare he goes if we're facing something

1384

00:58:50,870 --> 00:58:49,119

this profound there's no evidence our

1385

00:58:52,390 --> 00:58:50,880

scientists know about it and the

1386

00:58:54,470 --> 00:58:52,400

government is trying to rely on

1387

00:58:56,230 --> 00:58:54,480

contractors instead

1388

00:58:59,030 --> 00:58:56,240

they didn't call any theoretical

1389

00:59:00,710 --> 00:58:59,040

physicists why not we're treating this

1390

00:59:03,030 --> 00:59:00,720

as someone's play thing in the pentagon

1391

00:59:06,309 --> 00:59:03,040

meanwhile they fly over our nucleus

1392

00:59:08,870 --> 00:59:06,319

sites and he asks our sarcastic question

1393

00:59:09,750 --> 00:59:08,880

he goes should we tell our own experts

1394

00:59:12,309 --> 00:59:09,760

that

1395

00:59:14,390 --> 00:59:12,319

we may be visited he goes no let's tell

1396

00:59:15,829 --> 00:59:14,400

harvard not prince or princeton let's he

1397

00:59:20,150 --> 00:59:15,839

goes

1398

00:59:22,150 --> 00:59:20,160

harvard or princeton you know let's not

1399

00:59:23,910 --> 00:59:22,160

tell our best expert experts let's just

1400

00:59:26,789 --> 00:59:23,920

tell people in who work in you know

1401

00:59:28,549 --> 00:59:26,799

compartmented uh aerospace companies he

1402

00:59:30,470 --> 00:59:28,559

goes who the hell is making up this

1403

00:59:32,789 --> 00:59:30,480

moronic policy

1404

00:59:34,870 --> 00:59:32,799

more from eric he goes

1405

00:59:37,510 --> 00:59:34,880

it's not wrong you've to claim you've

1406

00:59:38,870 --> 00:59:37,520

had an experience with a heptapod

1407

00:59:41,829 --> 00:59:38,880

which i think would be like a praying

1408

00:59:44,230 --> 00:59:41,839

mantis bean this is eric talking

1409

00:59:47,030 --> 00:59:44,240

he goes he just wants to separate those

1410

00:59:49,270 --> 00:59:47,040

claims from the uap data

1411

00:59:51,270 --> 00:59:49,280

exactly i agree i do talk about all of

1412

00:59:53,109 --> 00:59:51,280

that stuff but

1413

00:59:55,430 --> 00:59:53,119

if you're talking about bringing

1414

00:59:57,589 --> 00:59:55,440

somebody a scientist or a theoretical

1415

00:59:59,109 --> 00:59:57,599

physicist physicist in

1416

01:00:00,870 --> 00:59:59,119

like a group of them don't talk

1417

01:00:02,470 --> 01:00:00,880

experiences eventually they'll get to

1418

01:00:03,589 --> 01:00:02,480

that on their own keep it to the data

1419

01:00:05,829 --> 01:00:03,599

right now

1420

01:00:09,030 --> 01:00:05,839

he goes once again he goes

1421

01:00:11,190 --> 01:00:09,040

effing pony up the data now he goes

1422

01:00:13,589 --> 01:00:11,200

don't hold the don't hide the real data

1423

01:00:15,990 --> 01:00:13,599

and release go fast that allows people

1424

01:00:17,910 --> 01:00:16,000

like mick west to criticize it

1425

01:00:19,670 --> 01:00:17,920

and others claim it's the most important

1426

01:00:21,430 --> 01:00:19,680

thing ever really so it's like an

1427

01:00:22,789 --> 01:00:21,440

extreme like the videos are the most

1428

01:00:25,109 --> 01:00:22,799

important thing ever we know there's

1429

01:00:27,270 --> 01:00:25,119

better data it's just we were so starved

1430

01:00:29,589 --> 01:00:27,280

for government videos when those came

1431

01:00:31,030 --> 01:00:29,599

out and i make the analogy it's like

1432

01:00:32,789 --> 01:00:31,040

when they first came out it was like oh

1433

01:00:34,150 --> 01:00:32,799

my god this is amazing it's like when

1434

01:00:35,750 --> 01:00:34,160

you go to the beach and you live there

1435

01:00:37,670 --> 01:00:35,760

and like i lived in the beach for a

1436

01:00:40,150 --> 01:00:37,680

while it was incredible to come home see

1437

01:00:41,670 --> 01:00:40,160

the water the ocean over the hill

1438

01:00:43,829 --> 01:00:41,680

two years later they're like ah it's the

1439

01:00:45,510 --> 01:00:43,839

ocean it's the sunset

1440

01:00:47,109 --> 01:00:45,520

that's kind of how the ufo videos were

1441

01:00:49,670 --> 01:00:47,119

he goes the government needs to come

1442

01:00:51,589 --> 01:00:49,680

clean how long have you been lying why

1443

01:00:53,990 --> 01:00:51,599

whose lives have you destroyed this is

1444

01:00:55,829 --> 01:00:54,000

eric he goes maybe we'll all die if the

1445

01:00:58,870 --> 01:00:55,839

information is released

1446

01:01:00,470 --> 01:00:58,880

okay well if that's the case so be it

1447

01:01:02,069 --> 01:01:00,480

we can't answer this by ignoring the

1448

01:01:06,069 --> 01:01:02,079

mainstream scientist and relying on

1449

01:01:09,829 --> 01:01:08,309

and then sheehan says

1450

01:01:11,349 --> 01:01:09,839

some go oh he talks i'm not going to get

1451

01:01:13,030 --> 01:01:11,359

into they talk about the roswell slides

1452

01:01:15,430 --> 01:01:13,040

and how they showed that you know it

1453

01:01:17,430 --> 01:01:15,440

said the victims of the crash and that's

1454

01:01:20,390 --> 01:01:17,440

still in doubt so

1455

01:01:23,349 --> 01:01:20,400

um eric says

1456

01:01:25,109 --> 01:01:23,359

feeding you know

1457

01:01:26,870 --> 01:01:25,119

responding to the the roswell and the

1458

01:01:28,470 --> 01:01:26,880

pictures comment from raymie had in his

1459

01:01:30,470 --> 01:01:28,480

hand that were blurry back then but we

1460

01:01:32,069 --> 01:01:30,480

were able to clear some of them up

1461

01:01:33,750 --> 01:01:32,079

eric says this would be the culmination

1462

01:01:35,510 --> 01:01:33,760

where we find out

1463

01:01:37,030 --> 01:01:35,520

what this place is and who's here and

1464

01:01:39,349 --> 01:01:37,040

what it's about

1465

01:01:40,470 --> 01:01:39,359

maybe it's our end

1466

01:01:42,150 --> 01:01:40,480

oh okay

1467

01:01:44,710 --> 01:01:42,160

maybe it's our end so the end of

1468

01:01:47,349 --> 01:01:44,720

humanity he says it could be bleak

1469

01:01:49,589 --> 01:01:47,359

maybe once we master fusion they wipe us

1470

01:01:51,990 --> 01:01:49,599

out because we're such a threat

1471

01:01:53,190 --> 01:01:52,000

this would be usually consequential he

1472

01:01:55,109 --> 01:01:53,200

goes

1473

01:01:57,430 --> 01:01:55,119

you mentioned crows are much swap

1474

01:01:59,349 --> 01:01:57,440

smarter and whales and squids show us

1475

01:02:02,549 --> 01:01:59,359

how different and intelligent other life

1476

01:02:05,829 --> 01:02:04,470

on this planet and he goes everything

1477

01:02:07,349 --> 01:02:05,839

would change

1478

01:02:09,190 --> 01:02:07,359

if we were visited and it was

1479

01:02:10,789 --> 01:02:09,200

acknowledged he goes

1480

01:02:11,910 --> 01:02:10,799

right before you get access to the

1481

01:02:13,510 --> 01:02:11,920

universe

1482

01:02:15,430 --> 01:02:13,520

you know if they hack in he goes you

1483

01:02:17,750 --> 01:02:15,440

fuse the nuclei and then you're

1484

01:02:20,069 --> 01:02:17,760

basically altering the cosmos

1485

01:02:21,829 --> 01:02:20,079

that you're about to be major players in

1486

01:02:23,109 --> 01:02:21,839

you know this is when we uh he's talking

1487

01:02:25,270 --> 01:02:23,119

about us

1488

01:02:27,109 --> 01:02:25,280

because others may have cracked it and

1489

01:02:28,789 --> 01:02:27,119

see you know other other intelligence

1490

01:02:31,829 --> 01:02:28,799

may have gotten that far and now they

1491

01:02:33,510 --> 01:02:31,839

see us trying to do all these things and

1492

01:02:37,910 --> 01:02:33,520

you know get the passwords and are we

1493

01:02:42,789 --> 01:02:40,549

we became god-like in 1952-53 we

1494

01:02:43,670 --> 01:02:42,799

unlocked the cell in the atom within six

1495

01:02:47,430 --> 01:02:43,680

months

1496

01:02:52,150 --> 01:02:49,510

for the beneficiary beneficiary of a

1497

01:02:53,750 --> 01:02:52,160

75-year bizarre piece that no one can

1498

01:02:55,670 --> 01:02:53,760

explain

1499

01:02:57,589 --> 01:02:55,680

uh is it possible that this report the

1500

01:02:59,829 --> 01:02:57,599

uap report suggests there is a mound of

1501
01:03:02,950 --> 01:02:59,839
evidence showing we're not alone

1502
01:03:03,910 --> 01:03:02,960
why aren't physicists and physicians in

1503
01:03:05,910 --> 01:03:03,920
on this

1504
01:03:07,750 --> 01:03:05,920
look at the long buried information with

1505
01:03:11,589 --> 01:03:07,760
new tech we've been lied to about the

1506
01:03:15,589 --> 01:03:13,670
and eric says he'll be moved if it turns

1507
01:03:17,270 --> 01:03:15,599
out we're not alone and this

1508
01:03:19,510 --> 01:03:17,280
intelligence report

1509
01:03:22,630 --> 01:03:19,520
hasn't moved against us as as we become

1510
01:03:23,829 --> 01:03:22,640
more dangerous yeah he goes

1511
01:03:25,430 --> 01:03:23,839
i'm not sure if that's a right

1512
01:03:26,789 --> 01:03:25,440
transcription by me it's very rough he

1513
01:03:29,190 --> 01:03:26,799

goes he'd be moved if it turns out we're

1514

01:03:30,870 --> 01:03:29,200

not alone in this intelligence hasn't

1515

01:03:33,349 --> 01:03:30,880

moved against us as we become more

1516

01:03:34,950 --> 01:03:33,359

dangerous yeah he goes if they're here

1517

01:03:36,630 --> 01:03:34,960

you would think they would start acting

1518

01:03:38,309 --> 01:03:36,640

as a

1519

01:03:40,630 --> 01:03:38,319

semi-van said that you know socially

1520

01:03:42,230 --> 01:03:40,640

cultural culture socialize or just try

1521

01:03:44,870 --> 01:03:42,240

to influence us try to guide us in a

1522

01:03:46,710 --> 01:03:44,880

certain direction by what they're doing

1523

01:03:48,549 --> 01:03:46,720

could be i hope that's like i said i

1524

01:03:50,870 --> 01:03:48,559

hope that's what's going on

1525

01:03:52,390 --> 01:03:50,880

it's all a positive effort on their part

1526

01:03:54,870 --> 01:03:52,400

to move us in the right direction

1527

01:03:57,589 --> 01:03:54,880

because even if it moves even if it

1528

01:03:59,829 --> 01:03:57,599

means our doom let the information out

1529

01:04:02,150 --> 01:03:59,839

smart people are not in the know the

1530

01:04:03,270 --> 01:04:02,160

dumb people who are in the know need to

1531

01:04:05,829 --> 01:04:03,280

retire

1532

01:04:07,270 --> 01:04:05,839

get the f out of uap information and

1533

01:04:08,789 --> 01:04:07,280

then whitley says

1534

01:04:10,069 --> 01:04:08,799

he's holding it they're holding it back

1535

01:04:12,150 --> 01:04:10,079

because they have failed and then they

1536

01:04:13,910 --> 01:04:12,160

cut off whitley and then eric says i

1537

01:04:14,789 --> 01:04:13,920

think i think there's terror among those

1538

01:04:18,549 --> 01:04:14,799

people

1539

01:04:21,029 --> 01:04:19,829

all right i'm going to try to skip ahead

1540

01:04:24,470 --> 01:04:21,039

because i'm running out of time for the

1541

01:04:28,789 --> 01:04:24,480

next lecture four minutes

1542

01:04:32,789 --> 01:04:30,710

eric says ai intelligence that we

1543

01:04:36,390 --> 01:04:32,799

possess is not needed for the tasks that

1544

01:04:41,670 --> 01:04:38,390

i'm going to skip

1545

01:04:46,630 --> 01:04:41,680

ahead to more eric stuff at the end

1546

01:04:50,069 --> 01:04:47,990

whitley said he had a great deal of

1547

01:04:51,430 --> 01:04:50,079

contact with inner circles

1548

01:04:53,029 --> 01:04:51,440

um

1549

01:04:54,950 --> 01:04:53,039

within the government for many years i

1550

01:04:57,109 --> 01:04:54,960

don't think they can can succeed if the

1551

01:04:58,309 --> 01:04:57,119

private sector doesn't do it it's not

1552

01:04:59,670 --> 01:04:58,319

going to happen so he thinks the

1553

01:05:02,630 --> 01:04:59,680

government is going to fail at trying to

1554

01:05:04,390 --> 01:05:02,640

figure this out and we need us

1555

01:05:05,670 --> 01:05:04,400

the private sector scientists and

1556

01:05:10,870 --> 01:05:05,680

brightest minds otherwise we're not

1557

01:05:14,870 --> 01:05:13,349

let me finish with

1558

01:05:17,910 --> 01:05:14,880

and whitley talks about the hundreds of

1559

01:05:19,589 --> 01:05:17,920

thousands of letters that came

1560

01:05:20,950 --> 01:05:19,599

when he wrote communion from people who

1561

01:05:23,029 --> 01:05:20,960

had serious

1562

01:05:24,870 --> 01:05:23,039

similar experiences but different but

1563

01:05:27,510 --> 01:05:24,880

even the ufo world rejected it because

1564

01:05:33,510 --> 01:05:27,520

it was so hard to believe it was just so

1565

01:05:37,589 --> 01:05:35,349

so he talks about experiences whitley

1566

01:05:39,349 --> 01:05:37,599

does and how so many people have gone

1567

01:05:41,990 --> 01:05:39,359

through this and how we could study

1568

01:05:43,750 --> 01:05:42,000

their brains with fmris and then and

1569

01:05:45,510 --> 01:05:43,760

eric says if your friend is accused of

1570

01:05:48,309 --> 01:05:45,520

something you don't know is true or

1571

01:05:50,630 --> 01:05:48,319

false and he mentions schrodinger

1572

01:05:52,789 --> 01:05:50,640

schroedinger's truth teller he goes if

1573

01:05:54,710 --> 01:05:52,799

you had a mystery encounter he goes but

1574

01:05:57,430 --> 01:05:54,720

i don't want to mix uap data with your

1575

01:05:59,190 --> 01:05:57,440

experience your accounts once we know

1576

01:06:01,990 --> 01:05:59,200

that these objects are not part of our

1577

01:06:03,589 --> 01:06:02,000

society e.t or whatever then we can look

1578

01:06:04,789 --> 01:06:03,599

into the experiences and then what he

1579

01:06:06,230 --> 01:06:04,799

goes i don't think we're ever going to

1580

01:06:07,990 --> 01:06:06,240

know that

1581

01:06:10,870 --> 01:06:08,000

i think at some point we'll realize

1582

01:06:12,630 --> 01:06:10,880

these objects 100 are not part of our

1583

01:06:14,549 --> 01:06:12,640

society

1584

01:06:16,950 --> 01:06:14,559

i'm going to finish off with

1585

01:06:20,549 --> 01:06:16,960

eric

1586

01:06:24,549 --> 01:06:22,549

my circles are clueless clueless on the

1587

01:06:28,230 --> 01:06:24,559

subject

1588

01:06:31,910 --> 01:06:29,910

whitley says it's not true that we can't

1589

01:06:33,589 --> 01:06:31,920

compete with these intelligences i can't

1590

01:06:35,430 --> 01:06:33,599

say more

1591

01:06:36,789 --> 01:06:35,440

yeah because we probably shot him down

1592

01:06:38,630 --> 01:06:36,799

and that's still going on it's probably

1593

01:06:39,349 --> 01:06:38,640

what he's alluding to

1594

01:06:41,430 --> 01:06:39,359

and

1595

01:06:42,870 --> 01:06:41,440

weinstein weinstein says

1596

01:06:44,630 --> 01:06:42,880

it's about consciousness it's about

1597

01:06:46,549 --> 01:06:44,640

consciousness he goes but some aspect is

1598

01:06:48,069 --> 01:06:46,559

about physics when you tell me that two

1599

01:06:49,829 --> 01:06:48,079

people can communicate across the room

1600

01:06:52,150 --> 01:06:49,839

telepathy are you telling me there's

1601
01:06:54,230 --> 01:06:52,160
some sub physics and then he says the

1602
01:06:55,270 --> 01:06:54,240
word woo

1603
01:06:57,829 --> 01:06:55,280
um

1604
01:07:00,230 --> 01:06:57,839
he goes there are unknown he goes why

1605
01:07:03,510 --> 01:07:00,240
does every conversation involve bob

1606
01:07:06,390 --> 01:07:03,520
lazar well it doesn't but he goes valet

1607
01:07:08,069 --> 01:07:06,400
eric davis he goes those are unknown

1608
01:07:09,990 --> 01:07:08,079
those are unknown people i would expect

1609
01:07:12,789 --> 01:07:10,000
to know about

1610
01:07:14,230 --> 01:07:12,799
they are unknown

1611
01:07:15,510 --> 01:07:14,240
they are not the people i would expect

1612
01:07:17,430 --> 01:07:15,520
to know about those he goes the

1613
01:07:18,950 --> 01:07:17,440

manhattan project was all the big name

1614

01:07:20,789 --> 01:07:18,960

scientists he goes why do i keep getting

1615

01:07:23,190 --> 01:07:20,799

claims that these aerospace companies

1616

01:07:24,069 --> 01:07:23,200

have the science we don't know about

1617

01:07:26,950 --> 01:07:24,079

because

1618

01:07:28,470 --> 01:07:26,960

it's probably in my opinion true uh he

1619

01:07:30,150 --> 01:07:28,480

goes the world's trying to figure out

1620

01:07:31,990 --> 01:07:30,160

all these big physical questions if

1621

01:07:34,470 --> 01:07:32,000

there is knowledge does hal put off no

1622

01:07:35,910 --> 01:07:34,480

things that the big names don't know yes

1623

01:07:37,190 --> 01:07:35,920

because of stigma they don't even want

1624

01:07:38,870 --> 01:07:37,200

to consider it

1625

01:07:40,870 --> 01:07:38,880

the old galileo telescope they won't

1626

01:07:42,549 --> 01:07:40,880

even look at it or

1627

01:07:43,990 --> 01:07:42,559

as dylan said maybe they do know and

1628

01:07:45,270 --> 01:07:44,000

they just don't talk about it i don't

1629

01:07:46,710 --> 01:07:45,280

think that's the case i mean obviously

1630

01:07:49,430 --> 01:07:46,720

some scientists who are read into these

1631

01:07:50,710 --> 01:07:49,440

program programs do know

1632

01:07:51,910 --> 01:07:50,720

and um

1633

01:07:54,390 --> 01:07:51,920

so

1634

01:07:57,829 --> 01:07:54,400

but the big names are just pretending

1635

01:07:59,510 --> 01:07:57,839

they don't know i don't think so

1636

01:08:01,029 --> 01:07:59,520

uh eric says let's assume a bunch of

1637

01:08:03,029 --> 01:08:01,039

these scientists have their clearances

1638

01:08:04,390 --> 01:08:03,039

and ready to go then you have members of

1639

01:08:07,029 --> 01:08:04,400

the a team

1640

01:08:08,549 --> 01:08:07,039

you know eric davis but eric davis

1641

01:08:09,990 --> 01:08:08,559

doesn't have access to the crash

1642

01:08:11,829 --> 01:08:10,000

retrieval program as far as i know so

1643

01:08:13,430 --> 01:08:11,839

you have the people small amount of

1644

01:08:15,670 --> 01:08:13,440

people who are right into the crash

1645

01:08:17,269 --> 01:08:15,680

retrieval program he goes and then you

1646

01:08:18,789 --> 01:08:17,279

have the a team of scientists he goes

1647

01:08:20,630 --> 01:08:18,799

how does it how is it possible that a

1648

01:08:25,349 --> 01:08:20,640

team isn't involved

1649

01:08:29,189 --> 01:08:27,349

and then you know dolan says maybe the

1650

01:08:31,030 --> 01:08:29,199

18 does know so eric says it's possible

1651

01:08:33,349 --> 01:08:31,040

but everybody in theoretical physics

1652

01:08:35,349 --> 01:08:33,359

physics community was aware of the the

1653

01:08:37,030 --> 01:08:35,359

atomic bomb but i keep having to hear

1654

01:08:39,269 --> 01:08:37,040

about lazar i don't know why he kept

1655

01:08:40,149 --> 01:08:39,279

bringing up lazar i mean i think i might

1656

01:08:41,430 --> 01:08:40,159

but

1657

01:08:43,030 --> 01:08:41,440

everybody i keep hearing having to hear

1658

01:08:45,669 --> 01:08:43,040

about put off is a lot you know put off

1659

01:08:47,910 --> 01:08:45,679

as an electrical engineer phd lazar

1660

01:08:49,110 --> 01:08:47,920

caltech a world filled with cell phones

1661

01:08:51,110 --> 01:08:49,120

and we're not even capturing good

1662

01:08:53,510 --> 01:08:51,120

evidence of this phenomenon i spoke to

1663

01:08:55,349 --> 01:08:53,520

brandon fogle reasonable guy who then

1664

01:08:57,030 --> 01:08:55,359

tells me something that rocks my world

1665

01:08:58,149 --> 01:08:57,040

and we're having a dinner and i asked

1666

01:08:59,749 --> 01:08:58,159

the other people about the dinner and

1667

01:09:02,630 --> 01:08:59,759

they're like ah it was a boring dinner

1668

01:09:04,390 --> 01:09:02,640

same same things same old same old and

1669

01:09:06,390 --> 01:09:04,400

eric's like are you aware that someone

1670

01:09:07,590 --> 01:09:06,400

claimed an encounter with a spaceship on

1671

01:09:09,349 --> 01:09:07,600

a mesa

1672

01:09:10,950 --> 01:09:09,359

it's funny people who were there who

1673

01:09:12,870 --> 01:09:10,960

probably are interested or had

1674

01:09:14,709 --> 01:09:12,880

experience it's no big deal but for him

1675

01:09:16,789 --> 01:09:14,719

it's like mind-blowing it's kind of nice

1676

01:09:19,990 --> 01:09:16,799

to see inside to people like that who

1677

01:09:21,510 --> 01:09:20,000

are just getting into this

1678

01:09:23,030 --> 01:09:21,520

he says it doesn't look like anything

1679

01:09:25,030 --> 01:09:23,040

like the manhattan project or the

1680

01:09:27,269 --> 01:09:25,040

jason's which semivan mentioned the

1681

01:09:29,510 --> 01:09:27,279

other day like this really bright

1682

01:09:31,430 --> 01:09:29,520

group of scientists who are asked by the

1683

01:09:33,669 --> 01:09:31,440

government to work on problems he says

1684

01:09:36,390 --> 01:09:33,679

you talk about weird talks it's not you

1685

01:09:38,309 --> 01:09:36,400

know hal and hal was saying you know he

1686

01:09:40,630 --> 01:09:38,319

was worried he hal didn't know his talk

1687

01:09:42,070 --> 01:09:40,640

was on vimeo this is eric yeah because

1688

01:09:44,709 --> 01:09:42,080

dolan had to tell him this talk was on

1689

01:09:46,829 --> 01:09:44,719

vimeo he goes i'm open but there's no

1690

01:09:48,950 --> 01:09:46,839

great

1691

01:09:50,709 --> 01:09:48,960

videos he goes i'm open to the

1692

01:09:52,550 --> 01:09:50,719

possibility there are no great videos

1693

01:09:55,270 --> 01:09:52,560

because these objects only menace our

1694

01:09:57,430 --> 01:09:55,280

most dangerous stuff over nuclear areas

1695

01:09:58,870 --> 01:09:57,440

in our in our you know carrier strike

1696

01:10:00,470 --> 01:09:58,880

groups but there we know there are

1697

01:10:02,950 --> 01:10:00,480

better there are sightings all over the

1698

01:10:04,630 --> 01:10:02,960

place except we don't have that kind of

1699

01:10:06,630 --> 01:10:04,640

data and like

1700

01:10:08,709 --> 01:10:06,640

in slide nine can they affect people to

1701

01:10:10,470 --> 01:10:08,719

not take pictures i don't know i don't

1702

01:10:12,790 --> 01:10:10,480

think it's just over the navy and air

1703

01:10:14,229 --> 01:10:12,800

force or military and none of us think

1704

01:10:16,630 --> 01:10:14,239

that but he doesn't know enough about

1705

01:10:19,110 --> 01:10:16,640

the data problem i'm having is i want to

1706

01:10:20,470 --> 01:10:19,120

hear something where they say

1707

01:10:22,870 --> 01:10:20,480

we could the government says we couldn't

1708

01:10:24,229 --> 01:10:22,880

tell our best scientists you know

1709

01:10:26,550 --> 01:10:24,239

i don't think there's a secret

1710

01:10:28,310 --> 01:10:26,560

university system this is eric

1711

01:10:29,910 --> 01:10:28,320

something is missing

1712

01:10:31,669 --> 01:10:29,920

why don't we get better video with

1713

01:10:34,310 --> 01:10:31,679

everybody having iphones in their

1714

01:10:36,390 --> 01:10:34,320

pockets folks are in charge of using

1715

01:10:37,910 --> 01:10:36,400

fear uncertainty to destroy everyone who

1716

01:10:39,350 --> 01:10:37,920

takes an interest in this subject he

1717

01:10:42,229 --> 01:10:39,360

seems like he's going back and forth you

1718

01:10:44,550 --> 01:10:42,239

know it's like he realizes that

1719

01:10:46,070 --> 01:10:44,560

over the decades you know they've used

1720

01:10:47,830 --> 01:10:46,080

fear this

1721

01:10:49,430 --> 01:10:47,840

men in black type group that lou talks

1722

01:10:51,830 --> 01:10:49,440

about you know they've used fear

1723

01:10:54,550 --> 01:10:51,840

uncertainty you know robinson robertson

1724

01:10:56,550 --> 01:10:54,560

panel to destroy everyone who takes an

1725

01:10:58,070 --> 01:10:56,560

interest in this subject he compares it

1726

01:11:00,149 --> 01:10:58,080

to how progressives are you know

1727

01:11:01,510 --> 01:11:00,159

targeted by the government and doesn't

1728

01:11:03,110 --> 01:11:01,520

matter if you're not a progressive he

1729

01:11:05,270 --> 01:11:03,120

does see at least he makes the

1730

01:11:08,229 --> 01:11:05,280

comparison and he knows that kind of

1731

01:11:09,790 --> 01:11:08,239

thing has gone on in the past

1732

01:11:12,630 --> 01:11:09,800

he goes i'm looking for some sort of

1733

01:11:14,470 --> 01:11:12,640

co-intel type program you know that's

1734

01:11:16,470 --> 01:11:14,480

managing this why do i listen to eric

1735

01:11:18,390 --> 01:11:16,480

davis put off valet i don't have

1736

01:11:20,630 --> 01:11:18,400

anything against them but it's the same

1737

01:11:22,229 --> 01:11:20,640

tiny stable of people as i've said

1738

01:11:23,750 --> 01:11:22,239

before because those people have the

1739

01:11:25,669 --> 01:11:23,760

balls to talk about it publicly i mean

1740

01:11:27,590 --> 01:11:25,679

look at it's a big deal for even him to

1741

01:11:29,270 --> 01:11:27,600

talk about it that took him forever why

1742

01:11:31,510 --> 01:11:29,280

doesn't he see that other scientists are

1743

01:11:33,750 --> 01:11:31,520

just like eric weinstein you know it

1744

01:11:36,870 --> 01:11:33,760

takes a special person like eric davis

1745

01:11:37,830 --> 01:11:36,880

kid green hal put off jacques valet eric

1746

01:11:39,590 --> 01:11:37,840

you know

1747

01:11:40,709 --> 01:11:39,600

gary nolan there's not a lot of people

1748

01:11:42,790 --> 01:11:40,719

out there that are willing to put their

1749

01:11:44,229 --> 01:11:42,800

name on the subject especially 10 20

1750

01:11:45,990 --> 01:11:44,239

years ago

1751

01:11:47,750 --> 01:11:46,000

dolan says reason people keep talking

1752

01:11:53,350 --> 01:11:47,760

about hal and davis is because it's only

1753

01:11:57,030 --> 01:11:55,430

and the whole breakthrough in 2017 with

1754

01:11:58,470 --> 01:11:57,040

the new york times

1755

01:12:00,550 --> 01:11:58,480

and eric says you think the people who

1756

01:12:02,550 --> 01:12:00,560

had been read in are still going by

1757

01:12:04,390 --> 01:12:02,560

einsteining in physics so the people in

1758

01:12:06,470 --> 01:12:04,400

these black programs he's wondering have

1759

01:12:08,950 --> 01:12:06,480

they figured out something behind beyond

1760

01:12:10,470 --> 01:12:08,960

einstein physics and dolan says maybe

1761

01:12:12,229 --> 01:12:10,480

because i wouldn't be surprised it's not

1762

01:12:13,669 --> 01:12:12,239

that they're more advanced than what we

1763

01:12:15,669 --> 01:12:13,679

it's not that more because i wouldn't be

1764

01:12:17,110 --> 01:12:15,679

surprised if it's not that more advanced

1765

01:12:18,950 --> 01:12:17,120

than what we use

1766

01:12:20,630 --> 01:12:18,960

you hear 50 years ahead but i don't know

1767

01:12:22,310 --> 01:12:20,640

about that

1768

01:12:24,229 --> 01:12:22,320

whitley's like why then why all the

1769

01:12:25,910 --> 01:12:24,239

secrecy and dolan brings up roswell and

1770

01:12:27,590 --> 01:12:25,920

how you don't want to tell your enemy

1771

01:12:29,590 --> 01:12:27,600

you want to take this technology and

1772

01:12:32,070 --> 01:12:29,600

study it for yourself and then as time

1773

01:12:33,590 --> 01:12:32,080

goes by how do you come clean and then

1774

01:12:36,070 --> 01:12:33,600

weinstein says it's just i hear this

1775

01:12:37,750 --> 01:12:36,080

endless ridiculous conversations and he

1776

01:12:39,830 --> 01:12:37,760

goes the son of the still living most

1777

01:12:41,910 --> 01:12:39,840

famous of the most famous anti-gravity

1778

01:12:43,270 --> 01:12:41,920

gravity researchers from the 50s i need

1779

01:12:44,630 --> 01:12:43,280

to look that up again because i miss

1780

01:12:46,950 --> 01:12:44,640

those names

1781

01:12:49,750 --> 01:12:46,960

related to anti-gravity and then whitley

1782

01:12:51,350 --> 01:12:49,760

says something is terribly wrong

1783

01:12:53,750 --> 01:12:51,360

or this disconnect that you've been

1784

01:12:55,830 --> 01:12:53,760

exploring wouldn't be there it does not

1785

01:12:58,790 --> 01:12:55,840

look like it does not look

1786

01:13:00,470 --> 01:12:58,800

scary as you've seen in the past we need

1787

01:13:03,430 --> 01:13:00,480

to do this outside of the government

1788

01:13:05,350 --> 01:13:03,440

materials propulsion and the witnesses

1789

01:13:07,110 --> 01:13:05,360

and whitley was given the last word

1790

01:13:08,229 --> 01:13:07,120

because whitley did not was not given a

1791

01:13:10,550 --> 01:13:08,239

lot of time

1792

01:13:12,149 --> 01:13:10,560

to speak so

1793

01:13:13,750 --> 01:13:12,159

and i can't take questions i want to go

1794

01:13:15,910 --> 01:13:13,760

listen to that next

1795

01:13:17,750 --> 01:13:15,920

lecture

1796

01:13:19,350 --> 01:13:17,760

you guys are interested that's my

1797

01:13:20,630 --> 01:13:19,360

patreon

1798

01:13:22,870 --> 01:13:20,640

that is

1799

01:13:24,550 --> 01:13:22,880

my

1800

01:13:25,430 --> 01:13:24,560

paypal

1801

01:13:29,750 --> 01:13:25,440

and

1802

01:13:34,310 --> 01:13:30,830

i'm gonna go

1803

01:13:36,310 --> 01:13:34,320

listen to don schmidt and take notes on

1804

01:13:38,390 --> 01:13:36,320

that hopefully this was good i'll check

1805

01:13:40,790 --> 01:13:38,400

the comments later leaves feedback

1806

01:13:42,229 --> 01:13:40,800

positive and negative that's fine

1807

01:13:43,830 --> 01:13:42,239

had problems i don't know why that stuff

1808

01:13:45,590 --> 01:13:43,840

was going black when i was clicking on

1809

01:13:47,510 --> 01:13:45,600

it but and i know i rambled a little and

1810

01:13:48,790 --> 01:13:47,520

lost my place but i have so many notes

1811

01:13:51,030 --> 01:13:48,800

that i didn't even get to so i'll talk

1812

01:13:53,830 --> 01:13:51,040

to you guys tomorrow
