CONVERGENCE

1
00:01:01,120 --> 00:02:20,150
we will be going live soon

2
00:02:23,910 --> 00:02:22,790
all right sorry about that i was muted

3
00:02:27,350 --> 00:02:23,920
um

4
00:02:29,430 --> 00:02:27,360
yesterday i was excited

5
00:02:33,030 --> 00:02:29,440
i think yesterday was interesting and

6
00:02:36,790 --> 00:02:35,350
i was looking forward to today until

7
00:02:38,949 --> 00:02:36,800
today happened

8
00:02:41,110 --> 00:02:38,959
it's just

9
00:02:43,030 --> 00:02:41,120
all over the place

10
00:02:45,670 --> 00:02:43,040
the lectures uh

11
00:02:47,430 --> 00:02:45,680
i felt that the lectures were

12
00:02:49,589 --> 00:02:47,440
disjointed

13
00:02:51,509 --> 00:02:49,599

thank you david and i haven't been able

14

00:02:53,589 --> 00:02:51,519

to check any messages i saw a message

15

00:02:55,270 --> 00:02:53,599

but i'm just it's it's impossible to

16

00:02:57,670 --> 00:02:55,280

take notes and then eat and then take

17

00:02:59,430 --> 00:02:57,680

notes and then come here

18

00:03:01,030 --> 00:02:59,440

so i can breathe now and i'm going to

19

00:03:04,949 --> 00:03:01,040

take my time because the next lecture

20

00:03:08,630 --> 00:03:07,030

and as far as channeling yes

21

00:03:10,949 --> 00:03:08,640

and that's there's more of that today

22

00:03:13,190 --> 00:03:10,959

there's more regression

23

00:03:14,229 --> 00:03:13,200

and um you guys will see i'm gonna take

24

00:03:16,869 --> 00:03:14,239

you through

25

00:03:18,309 --> 00:03:16,879

i don't even there's

26

00:03:19,830 --> 00:03:18,319

the lecture i'm going to go through the

27

00:03:21,910 --> 00:03:19,840

first lecture i don't really want to go

28

00:03:25,430 --> 00:03:21,920

through the woo lecture not that it's

29

00:03:27,270 --> 00:03:25,440

not that it's not true i don't know but

30

00:03:28,630 --> 00:03:27,280

it's a little and i've and i've

31

00:03:30,229 --> 00:03:28,640

experienced i've read about this

32

00:03:34,949 --> 00:03:30,239

material before and i will share some

33

00:03:37,750 --> 00:03:34,959

personal stories but we will start with

34

00:03:38,949 --> 00:03:37,760

mary rodwell who's a researcher

35

00:03:40,789 --> 00:03:38,959

in

36

00:03:42,869 --> 00:03:40,799

australia she did a recorded

37

00:03:44,309 --> 00:03:42,879

presentation

38

00:03:46,949 --> 00:03:44,319

and

39

00:03:48,229 --> 00:03:46,959

the kids you see when you see a slide

40

00:03:50,630 --> 00:03:48,239

i'm just gonna rely on her slides

41

00:03:53,270 --> 00:03:50,640

because she spoke from the slides

42

00:03:55,830 --> 00:03:53,280

the kids

43

00:03:57,990 --> 00:03:55,840

have recall from an early age so it's

44

00:03:59,750 --> 00:03:58,000

like when young kids have recall of a

45

00:04:01,670 --> 00:03:59,760

past life

46

00:04:02,869 --> 00:04:01,680

they have recall of something a little

47

00:04:05,030 --> 00:04:02,879

more

48

00:04:08,229 --> 00:04:05,040

you know a past life on this planet is

49

00:04:11,509 --> 00:04:08,239

the normal story you'll hear

50

00:04:13,830 --> 00:04:11,519

this is more than that you'll see

51
00:04:15,429 --> 00:04:13,840
but first off if you are interested in

52
00:04:17,830 --> 00:04:15,439
reincarnation and you want to look at

53
00:04:19,430 --> 00:04:17,840
the scientific as far as much science as

54
00:04:20,710 --> 00:04:19,440
you can get with that subject because

55
00:04:23,030 --> 00:04:20,720
it's tough

56
00:04:24,950 --> 00:04:23,040
ian stevenson

57
00:04:26,710 --> 00:04:24,960
uh jim tucker

58
00:04:28,070 --> 00:04:26,720
those two he tucker took over for

59
00:04:31,270 --> 00:04:28,080
stevenson

60
00:04:33,830 --> 00:04:31,280
i realized that there was something

61
00:04:35,749 --> 00:04:33,840
to reincarnation i had read many lives

62
00:04:39,189 --> 00:04:35,759
many many masters and then another book

63
00:04:40,790 --> 00:04:39,199

called life between life which was

64

00:04:43,670 --> 00:04:40,800

written by and i

65

00:04:46,469 --> 00:04:43,680

wrote a note it was written by

66

00:04:48,870 --> 00:04:46,479

whitton and fisher life between lives so

67

00:04:50,950 --> 00:04:48,880

i read those two books but then

68

00:04:53,350 --> 00:04:50,960

i discovered ian stevenson and i'm like

69

00:04:55,030 --> 00:04:53,360

oh shoot this is like really this is you

70

00:04:56,870 --> 00:04:55,040

know as a scientist would take it this

71

00:04:58,550 --> 00:04:56,880

is really interesting and then

72

00:05:00,870 --> 00:04:58,560

i read that in the washington post

73

00:05:01,830 --> 00:05:00,880

magazine one sunday i was i think it was

74

00:05:03,990 --> 00:05:01,840

online

75

00:05:05,189 --> 00:05:04,000

had my newsletter back then open my news

76

00:05:07,430 --> 00:05:05,199

and then

77

00:05:10,390 --> 00:05:07,440

he passed away and jim tucker took up

78

00:05:13,189 --> 00:05:10,400

his work as far as media coverage uh

79

00:05:15,749 --> 00:05:13,199

books leslie kane talks about some good

80

00:05:18,790 --> 00:05:15,759

reincarnation evidence and tom schroeder

81

00:05:21,350 --> 00:05:18,800

i think in the um

82

00:05:22,870 --> 00:05:21,360

the special on the afterlife that leslie

83

00:05:24,710 --> 00:05:22,880

kane was involved with they did some of

84

00:05:26,550 --> 00:05:24,720

those cases i forget the name of that

85

00:05:28,790 --> 00:05:26,560

show

86

00:05:30,710 --> 00:05:28,800

all right so we're gonna go with

87

00:05:32,150 --> 00:05:30,720

hi linda i got your message too and i

88

00:05:33,830 --> 00:05:32,160

have not been able to respond to any

89

00:05:35,590 --> 00:05:33,840

messages because i'm afraid to take a

90

00:05:37,029 --> 00:05:35,600

break for a minute because then i miss

91

00:05:38,790 --> 00:05:37,039

something and i get lost during the

92

00:05:41,189 --> 00:05:38,800

lectures all right let me go through the

93

00:05:42,310 --> 00:05:41,199

notes mary rodwell

94

00:05:44,230 --> 00:05:42,320

and i know

95

00:05:47,590 --> 00:05:44,240

i'm not going to get a lot of this right

96

00:05:48,550 --> 00:05:47,600

and i am a little scared about today

97

00:05:51,830 --> 00:05:48,560

so

98

00:05:54,629 --> 00:05:51,840

she starts off and like i said the kids

99

00:05:56,790 --> 00:05:54,639

she talks to have full recall they have

100

00:05:58,790 --> 00:05:56,800

these memories

101
00:06:01,270 --> 00:05:58,800
and

102
00:06:03,350 --> 00:06:01,280
she says we're challenged on a multiple

103
00:06:05,189 --> 00:06:03,360
we're challenged on multiple levels for

104
00:06:08,629 --> 00:06:05,199
how we see the world

105
00:06:09,990 --> 00:06:08,639
and she talks about new kids being born

106
00:06:12,390 --> 00:06:10,000
i guess they came into the world in the

107
00:06:14,550 --> 00:06:12,400
late 90s and the word was used was

108
00:06:17,270 --> 00:06:14,560
indigo children like these kids have

109
00:06:18,150 --> 00:06:17,280
amazing recall

110
00:06:22,150 --> 00:06:18,160
um

111
00:06:24,150 --> 00:06:22,160
amazing abilities at a young age

112
00:06:25,670 --> 00:06:24,160
and i'm gonna go through her slides

113
00:06:27,909 --> 00:06:25,680

and here we go with the blinking which i

114

00:06:30,150 --> 00:06:27,919

don't know why that does that

115

00:06:33,350 --> 00:06:30,160

so she says spiritual cosmology god has

116

00:06:35,189 --> 00:06:33,360

no gender and is a being i call on

117

00:06:38,390 --> 00:06:35,199

that's

118

00:06:40,550 --> 00:06:38,400

from a kathy age nine

119

00:06:41,510 --> 00:06:40,560

god has no gender and is a being i call

120

00:06:44,629 --> 00:06:41,520

on

121

00:06:46,790 --> 00:06:44,639

and then it says over terrestrial

122

00:06:48,790 --> 00:06:46,800

who sowed the seeds of love and light

123

00:06:50,710 --> 00:06:48,800

yeah a nine-year-old is saying that i

124

00:06:55,029 --> 00:06:50,720

think at nine i was eating cereal and

125

00:06:59,749 --> 00:06:56,629

spiritual catalyst awakening to an

126

00:07:03,589 --> 00:06:59,759

expanded paradigm

127

00:07:05,749 --> 00:07:03,599

so what awakens awakens them is

128

00:07:07,270 --> 00:07:05,759

you know ufo sighting interaction with

129

00:07:09,589 --> 00:07:07,280

the non-human intelligence near-death

130

00:07:11,270 --> 00:07:09,599

experience out of body experience

131

00:07:12,870 --> 00:07:11,280

shamanic experience exploring

132

00:07:14,870 --> 00:07:12,880

multi-dimensional awareness healing and

133

00:07:16,629 --> 00:07:14,880

energy work profound grief or other

134

00:07:19,189 --> 00:07:16,639

life-changing experience perceived

135

00:07:21,189 --> 00:07:19,199

energy orbs feeling presences

136

00:07:22,390 --> 00:07:21,199

spontaneous past life recall and

137

00:07:23,830 --> 00:07:22,400

hypnosis

138

00:07:25,589 --> 00:07:23,840

i think the only one out of those i've

139

00:07:27,270 --> 00:07:25,599

had is

140

00:07:30,070 --> 00:07:27,280

allegedly the precursor of an

141

00:07:32,070 --> 00:07:30,080

out-of-body experience

142

00:07:34,629 --> 00:07:32,080

uh i have not had anything else i mean i

143

00:07:36,790 --> 00:07:34,639

had energy work as far as a massage and

144

00:07:38,870 --> 00:07:36,800

it helped but i didn't feel anything

145

00:07:40,469 --> 00:07:38,880

i think i am psychically dead except

146

00:07:43,110 --> 00:07:40,479

when i do remote viewing i'll get some

147

00:07:46,790 --> 00:07:44,869

and

148

00:07:49,029 --> 00:07:46,800

shamanic i mean

149

00:07:50,869 --> 00:07:49,039

yeah i tried some shamanic drumming on

150

00:07:53,029 --> 00:07:50,879

headphones

151
00:07:56,070 --> 00:07:53,039
put me to sleep but it was fun to listen

152
00:07:57,430 --> 00:07:56,080
to all right let's see

153
00:08:02,790 --> 00:07:57,440
she did i'll check like i think i had

154
00:08:06,869 --> 00:08:04,950
so spiritual text traditional spiritual

155
00:08:08,309 --> 00:08:06,879
texts uh indicate a broader perspective

156
00:08:09,270 --> 00:08:08,319
of who we are and how we interpret our

157
00:08:11,670 --> 00:08:09,280
beliefs

158
00:08:13,510 --> 00:08:11,680
recognition recognition that personal

159
00:08:15,430 --> 00:08:13,520
experience can dramatically alter some

160
00:08:18,469 --> 00:08:15,440
of the previous rich religious and

161
00:08:20,150 --> 00:08:18,479
spiritual beliefs we've had

162
00:08:22,629 --> 00:08:20,160
although the people in my life that is

163
00:08:24,150 --> 00:08:22,639

not the case uh as far as i know all the

164

00:08:26,070 --> 00:08:24,160

people that i've grown up with who are

165

00:08:27,830 --> 00:08:26,080

christian and that's my entire family

166

00:08:30,230 --> 00:08:27,840

none of them have changed

167

00:08:33,029 --> 00:08:30,240

and some of them had some of them have

168

00:08:36,230 --> 00:08:33,039

had paranormal type experiences but

169

00:08:38,149 --> 00:08:36,240

their beliefs have not changed um

170

00:08:39,670 --> 00:08:38,159

and when you do have those religious

171

00:08:41,589 --> 00:08:39,680

beliefs and then have some other some

172

00:08:43,269 --> 00:08:41,599

sort of paranormal experience she

173

00:08:44,630 --> 00:08:43,279

mentioned it's a conflict of spiritual

174

00:08:46,389 --> 00:08:44,640

paradigms

175

00:08:48,470 --> 00:08:46,399

and we'll get to that a little later but

176

00:08:50,230 --> 00:08:48,480

it's like you and i'll say it again

177

00:08:51,590 --> 00:08:50,240

later she said you can talk about angels

178

00:08:54,310 --> 00:08:51,600

you could talk about gods but if you

179

00:08:56,070 --> 00:08:54,320

talk about a ufo or non-human beings

180

00:08:58,790 --> 00:08:56,080

you're looked at differently it really

181

00:09:00,630 --> 00:08:58,800

should not be i mean

182

00:09:02,150 --> 00:09:00,640

there's really and i'm not saying don't

183

00:09:03,190 --> 00:09:02,160

take this the wrong way but as far as

184

00:09:04,870 --> 00:09:03,200

evidence

185

00:09:06,630 --> 00:09:04,880

whether or not people see an angel or

186

00:09:07,910 --> 00:09:06,640

non-human beings it's the same level of

187

00:09:09,190 --> 00:09:07,920

evidence you really don't have the

188

00:09:10,630 --> 00:09:09,200

evidence unless there's more than one

189

00:09:12,870 --> 00:09:10,640

witness

190

00:09:14,150 --> 00:09:12,880

so it should be taken the same way but

191

00:09:18,710 --> 00:09:14,160

it's not it's thought of different in

192

00:09:22,070 --> 00:09:19,990

she talks about reincarnation

193

00:09:24,790 --> 00:09:22,080

spontaneous recall or through a catalyst

194

00:09:27,269 --> 00:09:24,800

such as hypnosis to recall

195

00:09:29,269 --> 00:09:27,279

but then she goes into the stuff that

196

00:09:31,030 --> 00:09:29,279

makes me a little uncomfortable but i

197

00:09:32,949 --> 00:09:31,040

mean i don't rule it out you know they

198

00:09:35,990 --> 00:09:32,959

recall lives on other planets other

199

00:09:38,790 --> 00:09:36,000

universes other dimensions

200

00:09:42,150 --> 00:09:40,630

like i said the first book i read was

201
00:09:44,870 --> 00:09:42,160
was life

202
00:09:47,350 --> 00:09:44,880
many lives many masters with

203
00:09:49,750 --> 00:09:47,360
look at his name brian white's

204
00:09:51,030 --> 00:09:49,760
and he used he used hypnosis for those

205
00:09:52,710 --> 00:09:51,040
sessions but

206
00:09:55,110 --> 00:09:52,720
it's a great read if you ever get to

207
00:09:56,870 --> 00:09:55,120
read many lives many many masters and it

208
00:09:58,790 --> 00:09:56,880
no matter what even if those stories

209
00:10:01,670 --> 00:09:58,800
were not true it helped his patients and

210
00:10:04,310 --> 00:10:01,680
that's really all he cared about

211
00:10:06,630 --> 00:10:04,320
and then she talks about soul swap walk

212
00:10:08,470 --> 00:10:06,640
in souls

213
00:10:11,430 --> 00:10:08,480

what is this telling us about the nature

214

00:10:15,829 --> 00:10:11,440

of the soul um

215

00:10:25,190 --> 00:10:17,430

so

216

00:10:27,350 --> 00:10:25,200

florida

217

00:10:29,190 --> 00:10:27,360

and it was i think it was like an hour

218

00:10:30,230 --> 00:10:29,200

north of tampa

219

00:10:33,590 --> 00:10:30,240

and

220

00:10:35,509 --> 00:10:33,600

this guy claimed to be a walking soul so

221

00:10:38,150 --> 00:10:35,519

he claimed to be a palladian walking

222

00:10:41,829 --> 00:10:38,160

soul so supposedly this palladian soul

223

00:10:43,670 --> 00:10:41,839

got bored or wanted to come here

224

00:10:45,430 --> 00:10:43,680

took the place of the human soul and

225

00:10:47,509 --> 00:10:45,440

then the human soul left and then this

226

00:10:49,269 --> 00:10:47,519

is this guy now he's a palladian walk-in

227

00:10:52,630 --> 00:10:49,279

soul he had all these pictures of craft

228

00:10:55,110 --> 00:10:52,640

that looked like billy myercraft

229

00:10:55,829 --> 00:10:55,120

to be honest i thought they looked fake

230

00:10:58,230 --> 00:10:55,839

but

231

00:11:00,470 --> 00:10:58,240

people at the class never ever

232

00:11:01,190 --> 00:11:00,480

questioned him it became like a cult to

233

00:11:03,190 --> 00:11:01,200

me

234

00:11:05,670 --> 00:11:03,200

but the classes were great typical

235

00:11:06,949 --> 00:11:05,680

metaphysic class metaphysics

236

00:11:10,150 --> 00:11:06,959

meditation

237

00:11:14,230 --> 00:11:12,470

really really good snacks

238

00:11:15,670 --> 00:11:14,240

the best snacks people would bring their

239

00:11:18,069 --> 00:11:15,680

own snacks and it was great some people

240

00:11:19,430 --> 00:11:18,079

brought really good stuff so eventually

241

00:11:22,470 --> 00:11:19,440

when i noticed that people were not

242

00:11:25,030 --> 00:11:22,480

questioning things i left

243

00:11:26,710 --> 00:11:25,040

his name is isha i think sean david

244

00:11:28,710 --> 00:11:26,720

morton did a whole

245

00:11:31,350 --> 00:11:28,720

story on him when he had his newsletter

246

00:11:33,590 --> 00:11:31,360

so sean david morton um and then he went

247

00:11:35,590 --> 00:11:33,600

this guy isha went on tour and changed

248

00:11:40,310 --> 00:11:35,600

his name to

249

00:11:41,670 --> 00:11:40,320

arkhan arkhan and then he did this tour

250

00:11:43,829 --> 00:11:41,680

and then they fizzle out and never heard

251
00:11:45,990 --> 00:11:43,839
from him again so i think it was like 15

252
00:11:47,910 --> 00:11:46,000
bucks a person it was worth it was like

253
00:11:49,430 --> 00:11:47,920
three hours and it was i really i think

254
00:11:52,389 --> 00:11:49,440
that's the first time

255
00:11:54,550 --> 00:11:52,399
the theory that

256
00:11:56,550 --> 00:11:54,560
there are beings that

257
00:11:57,990 --> 00:11:56,560
suck off or feed off of our

258
00:12:00,310 --> 00:11:58,000
uh our negative energy that was the

259
00:12:03,910 --> 00:12:00,320
first time that was in

260
00:12:05,990 --> 00:12:03,920
right around 90 late 96 early 97.

261
00:12:08,470 --> 00:12:06,000
let me get back to her slides

262
00:12:12,389 --> 00:12:09,990
it's gonna go black again i don't know

263
00:12:14,470 --> 00:12:12,399

what is why it does that oh it didn't do

264

00:12:16,710 --> 00:12:14,480

it good

265

00:12:18,550 --> 00:12:16,720

so she talks about

266

00:12:20,470 --> 00:12:18,560

experience or recall that indicates

267

00:12:23,509 --> 00:12:20,480

concepts such as time travel parallel

268

00:12:25,670 --> 00:12:23,519

universes the versatile versus versatile

269

00:12:27,190 --> 00:12:25,680

versatility of soul consciousness and

270

00:12:29,430 --> 00:12:27,200

evolution of the soul

271

00:12:31,030 --> 00:12:29,440

and how recent scientific exploration of

272

00:12:32,870 --> 00:12:31,040

reality and understanding of the

273

00:12:34,470 --> 00:12:32,880

holographic universe may help us to

274

00:12:39,110 --> 00:12:34,480

explore why consciousness

275

00:12:44,389 --> 00:12:41,829

and she put up this uh this comic book

276

00:12:46,389 --> 00:12:44,399

mummy we are the aliens we are the

277

00:12:48,389 --> 00:12:46,399

aliens and that came from a girl at

278

00:12:51,269 --> 00:12:48,399

eight years old

279

00:12:52,550 --> 00:12:51,279

we actually may be the aliens you know

280

00:12:55,509 --> 00:12:52,560

we may have come here from somewhere

281

00:12:58,389 --> 00:12:55,519

else i've heard that from people

282

00:12:59,509 --> 00:12:58,399

pretty good people one person

283

00:13:01,269 --> 00:12:59,519

um

284

00:13:03,350 --> 00:13:01,279

and the aliens say look i'd like to take

285

00:13:05,509 --> 00:13:03,360

you in but you were very adamant about

286

00:13:11,269 --> 00:13:05,519

not believing in aliens so kind of like

287

00:13:15,509 --> 00:13:13,350

and how does contact with the non-human

288

00:13:17,509 --> 00:13:15,519

intelligence affect core beliefs and the

289

00:13:20,310 --> 00:13:17,519

concept of god

290

00:13:21,990 --> 00:13:20,320

oh did moses did moses talk to aliens

291

00:13:23,750 --> 00:13:22,000

you know

292

00:13:25,990 --> 00:13:23,760

i know if i brought that up in my family

293

00:13:27,750 --> 00:13:26,000

i would be looked at

294

00:13:29,269 --> 00:13:27,760

not in a great way but if you talk to

295

00:13:33,190 --> 00:13:29,279

experiencers or people who are

296

00:13:36,629 --> 00:13:35,269

and she brought up john mack

297

00:13:38,150 --> 00:13:36,639

i don't even remember her bringing up

298

00:13:40,949 --> 00:13:38,160

john mack if the whole day has been a

299

00:13:42,790 --> 00:13:40,959

whirlwind a blur she goes uh the

300

00:13:44,550 --> 00:13:42,800

abduction contact phenomenon challenges

301

00:13:46,470 --> 00:13:44,560

the sacred barrier we have created

302

00:13:48,310 --> 00:13:46,480

between the unseen and material world in

303

00:13:49,910 --> 00:13:48,320

this culture there may be a small group

304

00:13:52,230 --> 00:13:49,920

of scientific government

305

00:13:54,470 --> 00:13:52,240

governmental religious corporate elite

306

00:13:58,470 --> 00:13:54,480

that determine the prevailing prevailing

307

00:14:00,069 --> 00:13:58,480

prevail prevailing bounds of reality

308

00:14:02,150 --> 00:14:00,079

people know their experiences and what

309

00:14:04,150 --> 00:14:02,160

they have undergone does not fit the

310

00:14:08,949 --> 00:14:04,160

with the prevailing mechanistic world

311

00:14:13,189 --> 00:14:11,590

and joe lewis said the god hypothesis

312

00:14:14,550 --> 00:14:13,199

extraterrestrial life and its

313

00:14:15,509 --> 00:14:14,560

implications for science and the

314

00:14:18,389 --> 00:14:15,519

religion

315

00:14:20,069 --> 00:14:18,399

understanding that universe is

316

00:14:21,590 --> 00:14:20,079

holographic in nature all things in the

317

00:14:23,110 --> 00:14:21,600

universe are connected at the quantum

318

00:14:25,350 --> 00:14:23,120

level the god hypothesis is a

319

00:14:27,829 --> 00:14:25,360

re-examination of ancient doctrines

320

00:14:29,350 --> 00:14:27,839

through modern scientific eyes

321

00:14:31,030 --> 00:14:29,360

and a lot of this stuff i'm not gonna

322

00:14:32,790 --> 00:14:31,040

add to i don't have a lot of this stuff

323

00:14:34,470 --> 00:14:32,800

in my wheelhouse

324

00:14:36,550 --> 00:14:34,480

who are we

325

00:14:39,509 --> 00:14:36,560

here's an eight-year-old i mean why are

326

00:14:41,110 --> 00:14:39,519

we here why did god make us

327

00:14:42,470 --> 00:14:41,120

these are the most important questions

328

00:14:43,910 --> 00:14:42,480

for mankind

329

00:14:46,550 --> 00:14:43,920

everything goes back to those two

330

00:14:48,389 --> 00:14:46,560

questions questions and those alone so

331

00:14:50,389 --> 00:14:48,399

this is an eight-year-old she worked

332

00:14:52,150 --> 00:14:50,399

with i mean

333

00:14:55,590 --> 00:14:52,160

eight years old talking like this even

334

00:14:56,949 --> 00:14:55,600

if you think this is nonsense it's like

335

00:14:58,550 --> 00:14:56,959

how would an eight-year-old come up with

336

00:15:03,590 --> 00:14:58,560

that

337

00:15:08,310 --> 00:15:05,829

so people who have contact ask you know

338

00:15:09,590 --> 00:15:08,320

is my contact with et's real

339

00:15:12,629 --> 00:15:09,600

what about extraterrestrials in the

340

00:15:14,710 --> 00:15:12,639

bible angels or demons reincarnation the

341

00:15:18,470 --> 00:15:14,720

journey of the soul cosmic intelligence

342

00:15:23,509 --> 00:15:18,480

universal source what is god

343

00:15:33,110 --> 00:15:24,829

i

344

00:15:35,430 --> 00:15:33,120

who made god

345

00:15:38,870 --> 00:15:35,440

and he said

346

00:15:43,430 --> 00:15:38,880

that is not a question you should ask

347

00:15:46,389 --> 00:15:44,870

let's see

348

00:15:48,949 --> 00:15:46,399

there it is the black again i don't know

349

00:15:51,350 --> 00:15:48,959

why it does that oh well

350

00:15:53,670 --> 00:15:51,360

uh the watchers reverend barry downing

351
00:15:55,269 --> 00:15:53,680
authored the bible on flying saucers i

352
00:15:57,590 --> 00:15:55,279
believe it's time we explored the

353
00:16:00,629 --> 00:15:57,600
possibility that possibility that ufos

354
00:16:03,269 --> 00:16:00,639
carry the angels of god

355
00:16:05,509 --> 00:16:03,279
as the bible says do not neglect to show

356
00:16:07,509 --> 00:16:05,519
hospitality to aliens

357
00:16:10,230 --> 00:16:07,519
for thereby for thereby some have

358
00:16:14,949 --> 00:16:10,240
entertained angels unawares what is that

359
00:16:16,949 --> 00:16:15,749
so

360
00:16:19,269 --> 00:16:16,959
i don't know where that's coming from i

361
00:16:21,350 --> 00:16:19,279
guess it's from the book but

362
00:16:22,629 --> 00:16:21,360
spiritualism and non-human intelligences

363
00:16:24,389 --> 00:16:22,639

this is what i was talking about earlier

364

00:16:26,949 --> 00:16:24,399

it's okay to see spirits and angels but

365

00:16:28,790 --> 00:16:26,959

not bald head blue guys with big black

366

00:16:31,829 --> 00:16:28,800

eyes that comes from an experiercer

367

00:16:34,150 --> 00:16:31,839

probably from a religious family

368

00:16:36,949 --> 00:16:34,160

cosmic intelligence extraterrestrials

369

00:16:38,710 --> 00:16:36,959

angels or demons the issue of spiritual

370

00:16:40,949 --> 00:16:38,720

beliefs is one of the most personal how

371

00:16:42,710 --> 00:16:40,959

do we interpret or understand our human

372

00:16:45,269 --> 00:16:42,720

spiritual journey if we look through the

373

00:16:46,710 --> 00:16:45,279

lines of our spiritual and or religious

374

00:16:49,110 --> 00:16:46,720

beliefs

375

00:16:54,069 --> 00:16:49,120

that's a really difficult one and

376

00:17:00,150 --> 00:16:58,389

my sister was on my newsletter back in

377

00:17:02,550 --> 00:17:00,160

i had an open mind newsletter that dealt

378

00:17:05,189 --> 00:17:02,560

with all these subjects and

379

00:17:07,669 --> 00:17:05,199

my sister who is very christian was part

380

00:17:10,230 --> 00:17:07,679

of that and there was a discussion about

381

00:17:12,309 --> 00:17:10,240

i might have written it saying

382

00:17:15,350 --> 00:17:12,319

some people think that jesus was art you

383

00:17:18,230 --> 00:17:15,360

know mary was artificially inseminated

384

00:17:20,069 --> 00:17:18,240

um you know he was some saw he was maybe

385

00:17:22,710 --> 00:17:20,079

an extraterrestrial and then she wrote

386

00:17:27,909 --> 00:17:24,470

he goes how do you sleep at night i

387

00:17:30,310 --> 00:17:27,919

think the devil has his hooks in you so

388

00:17:33,029 --> 00:17:30,320

i think i wrote back i sleep very well

389

00:17:34,710 --> 00:17:33,039

because that subject is brought up in

390

00:17:36,470 --> 00:17:34,720

our community it was not you know it's

391

00:17:38,150 --> 00:17:36,480

nothing that like people

392

00:17:39,990 --> 00:17:38,160

bat an eye at like yeah we've talked

393

00:17:41,430 --> 00:17:40,000

about that but she's very religious you

394

00:17:43,110 --> 00:17:41,440

know i don't know how she would handle

395

00:17:45,669 --> 00:17:43,120

it now probably differently because i've

396

00:17:47,750 --> 00:17:45,679

showed i've sent her some ufo stuff

397

00:17:49,990 --> 00:17:47,760

shows

398

00:17:59,270 --> 00:17:50,000

so

399

00:18:04,870 --> 00:18:03,350

religion is the mainstay of indian life

400

00:18:07,430 --> 00:18:04,880

and he claims this guy claims to be a

401
00:18:09,110 --> 00:18:07,440
young adult starseed i guess

402
00:18:10,870 --> 00:18:09,120
his soul is seated from somewhere else

403
00:18:13,510 --> 00:18:10,880
his name is sorev

404
00:18:15,990 --> 00:18:13,520
convinced he's a starseed sorf explained

405
00:18:17,669 --> 00:18:16,000
his understanding of himself

406
00:18:19,270 --> 00:18:17,679
this has created many problems in

407
00:18:20,870 --> 00:18:19,280
conflict because his understanding of

408
00:18:22,710 --> 00:18:20,880
himself is so different to the beliefs

409
00:18:25,830 --> 00:18:22,720
of his indian culture and the majority

410
00:18:27,430 --> 00:18:25,840
of his family and countrymen

411
00:18:31,909 --> 00:18:27,440
surah interpreted the gods as

412
00:18:35,430 --> 00:18:33,669
and many people in india know nothing

413
00:18:36,950 --> 00:18:35,440

about ufos extraterrestrials the

414

00:18:39,190 --> 00:18:36,960

consciousness of the people is very

415

00:18:42,710 --> 00:18:39,200

narrow the people are so much into their

416

00:18:46,710 --> 00:18:44,470

another problem in india if any person

417

00:18:49,110 --> 00:18:46,720

shows abilities like indigo children

418

00:18:50,470 --> 00:18:49,120

which would be you know psychic ability

419

00:18:52,230 --> 00:18:50,480

telepathy

420

00:18:54,549 --> 00:18:52,240

they end up being worshipped by the

421

00:18:56,789 --> 00:18:54,559

people however i'm not ready to disclose

422

00:18:57,830 --> 00:18:56,799

myself i guess he has not told anybody

423

00:19:01,110 --> 00:18:57,840

he's had

424

00:19:04,870 --> 00:19:01,120

these abilities or you know memories

425

00:19:07,110 --> 00:19:04,880

i must be ready with my answers when

426
00:19:10,230 --> 00:19:07,120
when they ask him questions i have to be

427
00:19:14,669 --> 00:19:12,230
gods of mythology and religion

428
00:19:18,590 --> 00:19:14,679
extraterrestrials

429
00:19:20,789 --> 00:19:18,600
archaeological uh archaeological

430
00:19:22,870 --> 00:19:20,799
anthropological evidence of visits by

431
00:19:25,029 --> 00:19:22,880
many extraterrestrial species throughout

432
00:19:27,029 --> 00:19:25,039
millennia

433
00:19:28,870 --> 00:19:27,039
she's saying we've had that non-human

434
00:19:30,950 --> 00:19:28,880
intelligences gods experiencers of

435
00:19:33,029 --> 00:19:30,960
contact have interacted with them indian

436
00:19:35,270 --> 00:19:33,039
god ganesha i don't know if i'm saying

437
00:19:38,950 --> 00:19:35,280
that right and telephant from the

438
00:19:40,950 --> 00:19:38,960

pleiades uh that's jane an experiencer

439

00:19:44,470 --> 00:19:40,960

telephone is

440

00:19:50,230 --> 00:19:47,830

so that's a nine-year-old drawing immove

441

00:19:52,150 --> 00:19:50,240

who was her friend and when i was when i

442

00:19:55,190 --> 00:19:52,160

was younger

443

00:20:03,510 --> 00:19:58,150

infinite center

444

00:20:07,990 --> 00:20:05,669

i had a special friend called the robot

445

00:20:09,909 --> 00:20:08,000

i guess and in my baby book that was my

446

00:20:11,430 --> 00:20:09,919

favorite phrase the robot made me do it

447

00:20:13,270 --> 00:20:11,440

the robot told me so i don't know what

448

00:20:14,310 --> 00:20:13,280

the hell that was but nine-year-old

449

00:20:15,830 --> 00:20:14,320

kathy

450

00:20:17,830 --> 00:20:15,840

her friend is amok

451
00:20:19,350 --> 00:20:17,840
indian god krishna

452
00:20:21,029 --> 00:20:19,360
no the blue skin i guess some people

453
00:20:23,990 --> 00:20:21,039
have seen blue skin

454
00:20:26,470 --> 00:20:24,000
non-human intelligences

455
00:20:30,549 --> 00:20:26,480
more blue skin on that other picture

456
00:20:33,029 --> 00:20:30,559
and quetzalcoatl looks reptilian-like

457
00:20:36,789 --> 00:20:33,039
and i believe she added something with

458
00:20:36,799 --> 00:20:39,669
let's see

459
00:20:39,679 --> 00:20:42,630
there it is

460
00:20:48,310 --> 00:20:44,789
so mary rodwell from australia

461
00:20:51,029 --> 00:20:48,320
researcher she said

462
00:20:52,630 --> 00:20:51,039
she had heard from her clients positive

463
00:20:55,510 --> 00:20:52,640

and negative stories

464

00:20:59,110 --> 00:20:55,520

about reptilians

465

00:21:02,470 --> 00:20:59,120

but some of them are loving

466

00:21:11,510 --> 00:21:02,480

i don't want to see a reptilian ever

467

00:21:16,390 --> 00:21:13,750

then god said and now we will make human

468

00:21:17,430 --> 00:21:16,400

beings they will be like us and resemble

469

00:21:23,270 --> 00:21:17,440

us

470

00:21:24,710 --> 00:21:23,280

and

471

00:21:27,510 --> 00:21:24,720

i had a friend who was taking bible

472

00:21:32,549 --> 00:21:29,350

i brought up that that you know that

473

00:21:34,230 --> 00:21:32,559

part of the bible i said who are us dave

474

00:21:35,909 --> 00:21:34,240

who are us

475

00:21:37,909 --> 00:21:35,919

and i'm like and who's this you know it

476

00:21:39,990 --> 00:21:37,919

says the sons of god came down from

477

00:21:41,830 --> 00:21:40,000

heaven and had sex with the daughters of

478

00:21:43,830 --> 00:21:41,840

men that saw them they were fair and

479

00:21:45,110 --> 00:21:43,840

wanted to have sex with them and he's

480

00:21:47,830 --> 00:21:45,120

like no it doesn't it doesn't say that

481

00:21:50,070 --> 00:21:47,840

i'm like yeah it does it does um

482

00:21:52,310 --> 00:21:50,080

and then i was out to dinner with his

483

00:21:53,190 --> 00:21:52,320

girlfriend or wife and i said you know

484

00:21:55,830 --> 00:21:53,200

what

485

00:21:58,630 --> 00:21:55,840

there's more evidence for the existence

486

00:22:00,950 --> 00:21:58,640

of ufos physical ufos and there is for

487

00:22:03,190 --> 00:22:00,960

the existence of jesus and i should not

488

00:22:04,390 --> 00:22:03,200

have said that because his wife got

489

00:22:05,909 --> 00:22:04,400

upset

490

00:22:09,669 --> 00:22:05,919

but then my friend made it worse by

491

00:22:09,679 --> 00:22:14,789

god said here we go

492

00:22:20,950 --> 00:22:17,590

so these are just some pictures uh

493

00:22:24,310 --> 00:22:20,960

that appear to be ufos in old

494

00:22:28,950 --> 00:22:25,190

the back

495

00:22:32,149 --> 00:22:28,960

baptism of christ was from 1710

496

00:22:35,029 --> 00:22:34,230

the far right was the enunciation of

497

00:22:37,830 --> 00:22:35,039

saint

498

00:22:39,190 --> 00:22:37,840

emidius from 1430 some of these yeah

499

00:22:41,270 --> 00:22:39,200

they're really old and they look they

500

00:22:43,190 --> 00:22:41,280

appear to be ufos and the arguments are

501
00:22:44,390 --> 00:22:43,200
no they're just comets they were they

502
00:22:46,070 --> 00:22:44,400
were misinterpreted you're

503
00:22:47,590 --> 00:22:46,080
misinterpreting those pictures i mean

504
00:22:49,190 --> 00:22:47,600
the one on the right the beam goes all

505
00:22:51,190 --> 00:22:49,200
the way through the building all the way

506
00:22:52,630 --> 00:22:51,200
down to the person kneeling it's pretty

507
00:22:54,549 --> 00:22:52,640
cool i don't know if it means anything

508
00:22:57,270 --> 00:22:54,559
but you know they definitely do look

509
00:23:03,590 --> 00:22:57,280
like ufos some flying saucers but i

510
00:23:08,070 --> 00:23:05,430
and this is another controversial thing

511
00:23:09,430 --> 00:23:08,080
this person thinks uh master jesus is a

512
00:23:11,190 --> 00:23:09,440
star being

513
00:23:13,110 --> 00:23:11,200

and this is giorgio the messages that

514

00:23:14,950 --> 00:23:13,120

giorgio received from the master jesus

515

00:23:17,510 --> 00:23:14,960

contains simple but revolutionary

516

00:23:20,149 --> 00:23:17,520

elements reincarnation life in the

517

00:23:22,230 --> 00:23:20,159

universe the real essence of the church

518

00:23:23,909 --> 00:23:22,240

he bled and the master jesus showed him

519

00:23:27,029 --> 00:23:23,919

two crosses for humanity one that

520

00:23:28,710 --> 00:23:27,039

redeems and one that punishes

521

00:23:30,789 --> 00:23:28,720

for man to realize the existence of

522

00:23:32,710 --> 00:23:30,799

extraterrestrial life in the cosmos but

523

00:23:35,270 --> 00:23:32,720

also a warning

524

00:23:39,510 --> 00:23:35,280

a council a call to look for more for a

525

00:23:45,990 --> 00:23:43,909

a call to unsustain unstained

526

00:23:48,549 --> 00:23:46,000

a call regarding sustainability and

527

00:23:52,470 --> 00:23:48,559

social justice and she had something

528

00:23:56,149 --> 00:23:54,230

he was on a craft

529

00:23:58,310 --> 00:23:56,159

and the message was that the bigger

530

00:24:00,070 --> 00:23:58,320

bigger picture is the extraterrestrial

531

00:24:03,029 --> 00:24:00,080

hypothesis and then they told him that

532

00:24:06,070 --> 00:24:03,039

jesus was a star being

533

00:24:07,350 --> 00:24:06,080

um the message is is about you know the

534

00:24:08,230 --> 00:24:07,360

message

535

00:24:11,669 --> 00:24:08,240

from

536

00:24:14,070 --> 00:24:11,679

the alleged et's is that

537

00:24:15,510 --> 00:24:14,080

we need to look after each other look

538

00:24:17,750 --> 00:24:15,520

after each other

539

00:24:20,549 --> 00:24:17,760

uh and love each other and she made the

540

00:24:22,470 --> 00:24:20,559

cut she made the comparison it's like

541

00:24:27,990 --> 00:24:22,480

same story as

542

00:24:28,000 --> 00:24:30,710

and

543

00:24:34,149 --> 00:24:32,950

she told a funny story which i can

544

00:24:36,310 --> 00:24:34,159

echo

545

00:24:38,390 --> 00:24:36,320

she said she met

546

00:24:40,149 --> 00:24:38,400

a jehovah witness two of them showed up

547

00:24:41,990 --> 00:24:40,159

at her door

548

00:24:43,750 --> 00:24:42,000

and so she decided to have a little fun

549

00:24:45,190 --> 00:24:43,760

and said well you know i've met with

550

00:24:46,950 --> 00:24:45,200

et's

551
00:24:48,710 --> 00:24:46,960
where i've worked with people who claim

552
00:24:50,950 --> 00:24:48,720
to have met with extraterrestrials and

553
00:24:51,990 --> 00:24:50,960
she said one of the jehovah witnesses

554
00:24:53,909 --> 00:24:52,000
said

555
00:24:55,830 --> 00:24:53,919
i've had experience too

556
00:24:57,909 --> 00:24:55,840
and they're demons

557
00:24:59,430 --> 00:24:57,919
and um she went on and debated them for

558
00:25:01,350 --> 00:24:59,440
an hour i had that happen to me they

559
00:25:02,789 --> 00:25:01,360
showed up at my door

560
00:25:05,909 --> 00:25:02,799
they wanted to talk to me i think it

561
00:25:07,269 --> 00:25:05,919
might have been one person and

562
00:25:09,029 --> 00:25:07,279
we talked about they talked about the

563
00:25:10,710 --> 00:25:09,039

bible and i just said i just don't

564

00:25:12,789 --> 00:25:10,720

consider that you know

565

00:25:14,630 --> 00:25:12,799

the word of god and

566

00:25:15,909 --> 00:25:14,640

that basically ended the conversation so

567

00:25:17,830 --> 00:25:15,919

they said it was like a two-minute

568

00:25:19,269 --> 00:25:17,840

conversation she was like all right nice

569

00:25:21,750 --> 00:25:19,279

talking to you have a nice day i'm mike

570

00:25:25,669 --> 00:25:23,190

it's all in the interpretation and

571

00:25:28,070 --> 00:25:25,679

perspective

572

00:25:31,269 --> 00:25:28,080

my interaction with a jehovah's witness

573

00:25:33,430 --> 00:25:31,279

angels or demon that was her story

574

00:25:35,029 --> 00:25:33,440

and then she brings up monsignor corrado

575

00:25:38,950 --> 00:25:35,039

balducci

576

00:25:41,110 --> 00:25:38,960

he is my 77th cousin from rome

577

00:25:43,430 --> 00:25:41,120

he's not um

578

00:25:44,149 --> 00:25:43,440

he said extraterrestrial contact and he

579

00:25:46,310 --> 00:25:44,159

had

580

00:25:48,390 --> 00:25:46,320

he was a i don't know how high up in in

581

00:25:50,950 --> 00:25:48,400

the vatican he was but he was he was

582

00:25:52,630 --> 00:25:50,960

there he was on an art belt all the time

583

00:25:54,149 --> 00:25:52,640

back in the day

584

00:25:56,549 --> 00:25:54,159

extraterrestrial contact is a real

585

00:25:59,430 --> 00:25:56,559

phenomenon and consistent with catholic

586

00:26:01,269 --> 00:25:59,440

church's understanding of theology

587

00:26:04,310 --> 00:26:01,279

he emphasized extraterrestrial

588

00:26:06,070 --> 00:26:04,320

encounters were not demonic

589

00:26:08,070 --> 00:26:06,080

so

590

00:26:11,830 --> 00:26:08,080

it was nice having him around he is no

591

00:26:15,190 --> 00:26:13,750

in the religious and spiritual dogma she

592

00:26:16,950 --> 00:26:15,200

had two cases she worked with in

593

00:26:18,870 --> 00:26:16,960

australia

594

00:26:20,789 --> 00:26:18,880

both parents had

595

00:26:21,990 --> 00:26:20,799

uh parents of the experiences were

596

00:26:24,310 --> 00:26:22,000

deeply

597

00:26:25,990 --> 00:26:24,320

religious and christians the 15 year 15

598

00:26:28,070 --> 00:26:26,000

year 15 year old wrote about her

599

00:26:30,470 --> 00:26:28,080

feelings of frustration and sadness as

600

00:26:32,070 --> 00:26:30,480

she was aware of her star heritage

601
00:26:34,710 --> 00:26:32,080
meaning that she came from somewhere

602
00:26:38,630 --> 00:26:34,720
else her soul and desperately wanted to

603
00:26:42,789 --> 00:26:40,710
yeah bug it's all right i mean you can

604
00:26:45,269 --> 00:26:42,799
see it later and i'm going through the

605
00:26:47,669 --> 00:26:45,279
part which i'm not comfortable as as

606
00:26:49,350 --> 00:26:47,679
comfortable i mean this stuff

607
00:26:51,269 --> 00:26:49,360
not the stuff i focus on i've heard some

608
00:26:53,750 --> 00:26:51,279
of it before but it's like i said it's

609
00:26:56,630 --> 00:26:53,760
outside in my wheelhouse so 15 year old

610
00:26:59,909 --> 00:26:56,640
wrote she did not want to share that she

611
00:27:04,710 --> 00:27:01,909
star child star heritage with her family

612
00:27:06,470 --> 00:27:04,720
she didn't feel safe to do so a young

613
00:27:08,149 --> 00:27:06,480

adult wrote her

614

00:27:09,990 --> 00:27:08,159

to tell her of her own awareness that

615

00:27:11,669 --> 00:27:10,000

she was a starseed and again and

616

00:27:14,149 --> 00:27:11,679

basically a starseed is the soul is

617

00:27:16,310 --> 00:27:14,159

coming you know incarnating here

618

00:27:18,549 --> 00:27:16,320

usually to try to help us in our

619

00:27:20,470 --> 00:27:18,559

wonderful not so wonderful condition on

620

00:27:22,230 --> 00:27:20,480

this planet

621

00:27:24,070 --> 00:27:22,240

uh this person felt that

622

00:27:26,070 --> 00:27:24,080

their deeply religious parents it would

623

00:27:27,990 --> 00:27:26,080

devastate him if they told them and this

624

00:27:29,190 --> 00:27:28,000

person contemplated suicide so that's

625

00:27:32,549 --> 00:27:29,200

you know

626
00:27:38,310 --> 00:27:36,549
hello julie hello bug and everybody else

627
00:27:40,230 --> 00:27:38,320
dogma versus human awareness and

628
00:27:42,230 --> 00:27:40,240
experience however i was born with a

629
00:27:44,310 --> 00:27:42,240
previous life memory and because i was

630
00:27:46,630 --> 00:27:44,320
born into a devout christian family i

631
00:27:49,269 --> 00:27:46,640
quickly learned to justify that memory

632
00:27:51,510 --> 00:27:49,279
in any way possible that didn't include

633
00:27:53,590 --> 00:27:51,520
reincarnation

634
00:27:55,350 --> 00:27:53,600
jeff schulte australia he comes up a

635
00:27:57,830 --> 00:27:55,360
coup a couple of times

636
00:27:59,990 --> 00:27:57,840
i did have a conversation

637
00:28:01,590 --> 00:28:00,000
i had a conversation with my cousin

638
00:28:03,269 --> 00:28:01,600

i really don't i'd rather not oh i can

639

00:28:04,310 --> 00:28:03,279

always do that that way

640

00:28:09,110 --> 00:28:04,320

had a

641

00:28:10,789 --> 00:28:09,120

everybody and everybody 99 of my family

642

00:28:12,870 --> 00:28:10,799

is christian so i had a conversation

643

00:28:14,549 --> 00:28:12,880

with my cousin and i said you know

644

00:28:16,070 --> 00:28:14,559

reincarnation it was originally in the

645

00:28:18,149 --> 00:28:16,080

bible you know i didn't really have my

646

00:28:19,430 --> 00:28:18,159

research down back then i think it was

647

00:28:20,710 --> 00:28:19,440

but it might not have been but she's

648

00:28:22,149 --> 00:28:20,720

like i don't believe that i'm like yeah

649

00:28:24,310 --> 00:28:22,159

the council and i see

650

00:28:26,070 --> 00:28:24,320

you know 30 a.d

651
00:28:27,830 --> 00:28:26,080
you know they took out a lot of books

652
00:28:29,350 --> 00:28:27,840
they edited the bible before it was put

653
00:28:30,870 --> 00:28:29,360
into the form you see now she's like i

654
00:28:32,470 --> 00:28:30,880
don't believe that i don't believe that

655
00:28:35,990 --> 00:28:32,480
i'm like all right

656
00:28:40,710 --> 00:28:38,710
my grandfather who lived to be 92

657
00:28:42,870 --> 00:28:40,720
i said grandpa i said do you do you

658
00:28:46,549 --> 00:28:42,880
believe in reincarnation

659
00:28:48,630 --> 00:28:46,559
he said i'll know when i get there

660
00:28:51,750 --> 00:28:48,640
which i loved

661
00:28:53,190 --> 00:28:51,760
great answer grandpa

662
00:28:54,789 --> 00:28:53,200
pasquale espanola that was my

663
00:28:56,789 --> 00:28:54,799

grandfather he actually had a book

664

00:28:59,510 --> 00:28:56,799

published one barbara's story from

665

00:29:07,350 --> 00:28:59,520

sicily to america

666

00:29:12,470 --> 00:29:10,549

time travel and reincarnation

667

00:29:14,070 --> 00:29:12,480

it's funny i did talk about some of the

668

00:29:17,190 --> 00:29:14,080

things i've heard behind the scenes and

669

00:29:18,630 --> 00:29:17,200

yes one person mentioned time travel

670

00:29:21,029 --> 00:29:18,640

agencies

671

00:29:22,789 --> 00:29:21,039

and reincarnation and the whole

672

00:29:27,269 --> 00:29:22,799

light is a trick and i've heard that

673

00:29:32,149 --> 00:29:29,750

quote this is from a seven-year-old

674

00:29:35,669 --> 00:29:32,159

i am a time traveler from the future my

675

00:29:37,430 --> 00:29:35,679

real form is not the body i inhabit now

676

00:29:39,510 --> 00:29:37,440

i don't think i learned the word inhabit

677

00:29:42,310 --> 00:29:39,520

until i was 18.

678

00:29:44,230 --> 00:29:42,320

i am genderless in that form my alien

679

00:29:46,470 --> 00:29:44,240

form is really

680

00:29:48,789 --> 00:29:46,480

us from the future

681

00:29:50,870 --> 00:29:48,799

they are us we are them

682

00:29:53,590 --> 00:29:50,880

who the hell seven years old it's just

683

00:29:55,430 --> 00:29:53,600

amazing like i said even if you even if

684

00:29:57,590 --> 00:29:55,440

you're not open-minded to this stuff to

685

00:29:59,029 --> 00:29:57,600

see that you have to at least

686

00:30:01,990 --> 00:29:59,039

question where these kids are getting

687

00:30:06,630 --> 00:30:04,549

here's an artist artist experimenter my

688

00:30:08,230 --> 00:30:06,640

contact with a non-human cosmic race of

689

00:30:10,549 --> 00:30:08,240

beings has occurred since before i was

690

00:30:12,549 --> 00:30:10,559

born these beings are my family before i

691

00:30:15,029 --> 00:30:12,559

came to the earth domain and i had a

692

00:30:19,190 --> 00:30:15,039

close relationship with them which was

693

00:30:23,110 --> 00:30:21,110

and i'm not sure if this is the same

694

00:30:26,230 --> 00:30:23,120

person

695

00:30:28,789 --> 00:30:26,240

no this is a um

696

00:30:30,149 --> 00:30:28,799

there's 10 years old i believe

697

00:30:32,549 --> 00:30:30,159

ivan

698

00:30:35,190 --> 00:30:32,559

this is my first earth life the kid says

699

00:30:37,350 --> 00:30:35,200

he remembers his previous body as an e.t

700

00:30:39,350 --> 00:30:37,360

he identifies as a center seed and says

701
00:30:41,510 --> 00:30:39,360
he connects directly to the core center

702
00:30:43,269 --> 00:30:41,520
of the planet he is on which is not

703
00:30:46,389 --> 00:30:43,279
earth so i guess he's in two places at

704
00:30:51,750 --> 00:30:49,269
his last life was in a blue body

705
00:30:53,590 --> 00:30:51,760
is 10 years old he works with other

706
00:30:54,870 --> 00:30:53,600
beings who together created this

707
00:30:57,909 --> 00:30:54,880
dimension

708
00:30:59,110 --> 00:30:57,919
10 years old and then he drew

709
00:31:02,230 --> 00:30:59,120
one type of

710
00:31:04,070 --> 00:31:02,240
centric seed being

711
00:31:06,710 --> 00:31:04,080
and he pointed out on the right how the

712
00:31:09,110 --> 00:31:06,720
top part that's me

713
00:31:11,750 --> 00:31:09,120

i can't read that

714

00:31:13,350 --> 00:31:11,760

it's a little blurry

715

00:31:16,149 --> 00:31:13,360

so you know

716

00:31:18,310 --> 00:31:16,159

pretty amazing for a 10 year old

717

00:31:20,549 --> 00:31:18,320

i don't know what it means and then

718

00:31:23,509 --> 00:31:20,559

hypnosis hypnosis connecting to inner

719

00:31:24,870 --> 00:31:23,519

wisdom super conscious

720

00:31:26,630 --> 00:31:24,880

michael newton you know how many times i

721

00:31:28,230 --> 00:31:26,640

picked up that book in the bookstore and

722

00:31:30,070 --> 00:31:28,240

read it in the bookstore but i never i

723

00:31:31,269 --> 00:31:30,080

never picked it up for whatever reason i

724

00:31:34,310 --> 00:31:31,279

read i read other books about

725

00:31:35,830 --> 00:31:34,320

reincarnation and life between life

726

00:31:37,990 --> 00:31:35,840

that book deals with the recall of past

727

00:31:40,470 --> 00:31:38,000

lives on earth including not being in

728

00:31:42,230 --> 00:31:40,480

human form i did not know that recall

729

00:31:45,190 --> 00:31:42,240

missing time episode hidden memories

730

00:31:47,029 --> 00:31:45,200

recall of life as spirit

731

00:31:48,789 --> 00:31:47,039

uh recall i guess this is all these

732

00:31:50,630 --> 00:31:48,799

people that she has worked with recall

733

00:31:53,190 --> 00:31:50,640

of lives on other planets and dimensions

734

00:31:54,549 --> 00:31:53,200

recall as being creator beings moving

735

00:31:56,230 --> 00:31:54,559

planets

736

00:31:58,789 --> 00:31:56,240

that would be a lot of responsibility to

737

00:32:01,110 --> 00:31:58,799

move a planet

738

00:32:03,509 --> 00:32:01,120

and she mentions this one person who had

739

00:32:05,590 --> 00:32:03,519

recall of a medieval life and in that

740

00:32:08,549 --> 00:32:05,600

life she was a healer

741

00:32:09,750 --> 00:32:08,559

and then who showed her how to use herbs

742

00:32:11,990 --> 00:32:09,760

to heal and

743

00:32:14,230 --> 00:32:12,000

the person she claims showed her and

744

00:32:16,230 --> 00:32:14,240

this is allegedly from a medieval past

745

00:32:18,870 --> 00:32:16,240

life

746

00:32:20,870 --> 00:32:18,880

hypnosis so and there's the being on the

747

00:32:22,710 --> 00:32:20,880

right so that's the being who supposedly

748

00:32:24,950 --> 00:32:22,720

showed her you know

749

00:32:26,870 --> 00:32:24,960

how to use herbs to heal so if that's

750

00:32:28,789 --> 00:32:26,880

accurate and it happened in the

751

00:32:32,789 --> 00:32:28,799

medieval times the point is you know

752

00:32:36,310 --> 00:32:34,470

talking about an out-of-body experience

753

00:32:38,310 --> 00:32:36,320

uh my head started to feel funny and

754

00:32:40,070 --> 00:32:38,320

then i vibrated and my soul went up

755

00:32:47,110 --> 00:32:40,080

through the head and i can go anywhere

756

00:32:50,950 --> 00:32:48,950

another one i actually visited the large

757

00:32:52,870 --> 00:32:50,960

ship with many other souls there were a

758

00:32:54,710 --> 00:32:52,880

huge variety of beings they were playful

759

00:32:57,350 --> 00:32:54,720

and incredibly wise and were able to

760

00:32:59,990 --> 00:32:57,360

shift their form at will from a humanoid

761

00:33:02,710 --> 00:33:00,000

shape to a ribbon of light as i saw them

762

00:33:04,950 --> 00:33:02,720

they seem to be composed of everlasting

763

00:33:06,389 --> 00:33:04,960

ever ever vested bubbles of energy i

764

00:33:10,789 --> 00:33:06,399

don't know how old josh is that's not

765

00:33:12,549 --> 00:33:10,799

the same kid right john and josh

766

00:33:14,950 --> 00:33:12,559

and for people just joining i'm going

767

00:33:18,310 --> 00:33:14,960

through mary rodwell's lecture i i

768

00:33:21,750 --> 00:33:18,320

captured i think 99 of her slides i

769

00:33:27,990 --> 00:33:25,190

uh 15 year old why me oh i volunteered

770

00:33:30,870 --> 00:33:28,000

to come back i chose this i've been here

771

00:33:35,750 --> 00:33:30,880

27 times before

772

00:33:40,789 --> 00:33:39,830

15 year old 15 year old uh uk

773

00:33:43,350 --> 00:33:40,799

kid

774

00:33:45,350 --> 00:33:43,360

talks about balls of light

775

00:33:47,430 --> 00:33:45,360

and on the right he talks about and

776
00:33:49,509 --> 00:33:47,440
just for the record i'm reading what she

777
00:33:51,830 --> 00:33:49,519
what she wrote i don't know if there's

778
00:33:53,350 --> 00:33:51,840
any of this

779
00:33:55,029 --> 00:33:53,360
i do think there's something at least

780
00:33:55,830 --> 00:33:55,039
evidence that points in that direction

781
00:33:57,669 --> 00:33:55,840
but

782
00:33:59,990 --> 00:33:57,679
as far as

783
00:34:02,630 --> 00:34:00,000
the details i don't know i mean i'm just

784
00:34:04,630 --> 00:34:02,640
i'm sharing what she said

785
00:34:06,149 --> 00:34:04,640
a little beyond my wheelhouse as i said

786
00:34:08,550 --> 00:34:06,159
but

787
00:34:10,149 --> 00:34:08,560
a lot of people find this interesting so

788
00:34:12,629 --> 00:34:10,159

the kid was saying the great beings

789

00:34:15,270 --> 00:34:12,639

arrived when i was in my garden i can

790

00:34:16,950 --> 00:34:15,280

see orbs white and gold and two smaller

791

00:34:19,270 --> 00:34:16,960

ones they're here to make me feel warm

792

00:34:20,790 --> 00:34:19,280

they are family

793

00:34:22,470 --> 00:34:20,800

the big one and

794

00:34:24,310 --> 00:34:22,480

when you when you read robert monroe's

795

00:34:25,829 --> 00:34:24,320

books out of body experiences he talks

796

00:34:27,750 --> 00:34:25,839

about

797

00:34:29,750 --> 00:34:27,760

re

798

00:34:31,750 --> 00:34:29,760

meeting people who felt like family to

799

00:34:34,550 --> 00:34:31,760

him friends he just like when he met

800

00:34:36,389 --> 00:34:34,560

them right away he knew them reuniting

801
00:34:37,589 --> 00:34:36,399
with friends i don't know about family

802
00:34:39,829 --> 00:34:37,599
but friends

803
00:34:41,829 --> 00:34:39,839
i can see orbs white and gold

804
00:34:43,990 --> 00:34:41,839
we're family the big one is great nana

805
00:34:45,669 --> 00:34:44,000
and the other nana's dad grandfather and

806
00:34:48,950 --> 00:34:45,679
granddad's brother they're here to make

807
00:34:50,470 --> 00:34:48,960
me feel comfortable to reassure me

808
00:34:52,310 --> 00:34:50,480
i guess this is

809
00:34:54,550 --> 00:34:52,320
i'm not sure how this is happening if

810
00:34:56,389 --> 00:34:54,560
it's just a full recall

811
00:34:59,109 --> 00:34:56,399
she asked him how he knew what the orbs

812
00:35:01,589 --> 00:34:59,119
of light were and john said he just knew

813
00:35:03,829 --> 00:35:01,599

this kid's 15. i asked john why they are

814

00:35:05,750 --> 00:35:03,839

here with him he replied they had come

815

00:35:07,589 --> 00:35:05,760

with the greys to support him to make

816

00:35:10,310 --> 00:35:07,599

him feel comfortable so he wouldn't be

817

00:35:11,829 --> 00:35:10,320

frightened john then said said that when

818

00:35:13,670 --> 00:35:11,839

the greys left

819

00:35:15,670 --> 00:35:13,680

with the orbs of light they went on to

820

00:35:18,550 --> 00:35:15,680

the spacecraft too and john says they do

821

00:35:20,310 --> 00:35:18,560

not mean to frighten us

822

00:35:22,230 --> 00:35:20,320

here you go soul trans transfer from a

823

00:35:23,430 --> 00:35:22,240

human body to a non-human body the other

824

00:35:25,670 --> 00:35:23,440

way around

825

00:35:27,589 --> 00:35:25,680

paul 8 years old

826

00:35:31,829 --> 00:35:27,599

this is a good one especially if you're

827

00:35:36,069 --> 00:35:33,670

eight years old kid saying the mantids

828

00:35:37,750 --> 00:35:36,079

are my ancestors

829

00:35:39,829 --> 00:35:37,760

on the craft

830

00:35:41,750 --> 00:35:39,839

there is a mantid body to go into i

831

00:35:44,390 --> 00:35:41,760

leave my physical body and evaporate

832

00:35:46,470 --> 00:35:44,400

from my physical form into the mantid

833

00:35:48,550 --> 00:35:46,480

it's a bit like steam that's how it

834

00:35:49,750 --> 00:35:48,560

happens i will go back to being a mantis

835

00:35:51,670 --> 00:35:49,760

when i die

836

00:35:53,270 --> 00:35:51,680

and the free survey which was i think 4

837

00:35:55,670 --> 00:35:53,280

200 people

838

00:35:59,510 --> 00:35:55,680

15 of the experiencers

839

00:36:00,630 --> 00:35:59,520

experienced soul swapping with the human

840

00:36:02,950 --> 00:36:00,640

which is

841

00:36:06,230 --> 00:36:02,960

15 i mean what is that

842

00:36:07,910 --> 00:36:06,240

so 600 people

843

00:36:09,589 --> 00:36:07,920

i did not know that i did not know that

844

00:36:12,310 --> 00:36:09,599

many people had that type of experience

845

00:36:13,750 --> 00:36:12,320

or memory

846

00:36:15,270 --> 00:36:13,760

uh this kid said he came through a

847

00:36:16,630 --> 00:36:15,280

portal in the sun

848

00:36:18,470 --> 00:36:16,640

many of the children born these days

849

00:36:20,150 --> 00:36:18,480

have memories intact from their previous

850

00:36:22,150 --> 00:36:20,160

existence on board craft as

851
00:36:24,150 --> 00:36:22,160
extraterrestrials and if you want to

852
00:36:26,470 --> 00:36:24,160
just start with children as i said

853
00:36:29,510 --> 00:36:26,480
earlier children who remember past lives

854
00:36:31,829 --> 00:36:29,520
ian stevenson um

855
00:36:34,710 --> 00:36:31,839
i forget his name already um

856
00:36:37,030 --> 00:36:34,720
but the if you search on google

857
00:36:39,190 --> 00:36:37,040
tom schroeder

858
00:36:41,589 --> 00:36:39,200
washington post magazine i think it was

859
00:36:43,589 --> 00:36:41,599
99 maybe it was on reincarnation

860
00:36:46,230 --> 00:36:43,599
following even ian stevenson around on

861
00:36:48,069 --> 00:36:46,240
his investigations really great article

862
00:36:49,829 --> 00:36:48,079
i was like oh this is great it's in the

863
00:36:51,750 --> 00:36:49,839

washington post

864

00:36:54,069 --> 00:36:51,760

jim tucker is the other one who does the

865

00:36:55,910 --> 00:36:54,079

university of virginia work once ian

866

00:36:57,990 --> 00:36:55,920

stevenson died and then leslie kane of

867

00:36:59,990 --> 00:36:58,000

car of course but now this is beyond

868

00:37:00,950 --> 00:37:00,000

just reincarnation this is beyond this

869

00:37:02,310 --> 00:37:00,960

is

870

00:37:05,270 --> 00:37:02,320

memories

871

00:37:06,550 --> 00:37:05,280

reincarnation related to other beings

872

00:37:08,230 --> 00:37:06,560

many of the children born these days

873

00:37:09,750 --> 00:37:08,240

have memories of their previous

874

00:37:11,349 --> 00:37:09,760

existence on board or craft as

875

00:37:12,950 --> 00:37:11,359

extraterrestrials

876

00:37:14,390 --> 00:37:12,960

they are kept on track by continuing

877

00:37:16,390 --> 00:37:14,400

their interaction with their cosmic

878

00:37:19,030 --> 00:37:16,400

family while while they are in human

879

00:37:21,910 --> 00:37:19,040

form that's tracy taylor and it mentions

880

00:37:23,589 --> 00:37:21,920

the free survey again 96 percent of the

881

00:37:27,349 --> 00:37:23,599

folks said

882

00:37:28,790 --> 00:37:27,359

et's travel to and from other dimensions

883

00:37:30,470 --> 00:37:28,800

and

884

00:37:31,829 --> 00:37:30,480

once again eric davis believes that

885

00:37:33,589 --> 00:37:31,839

they're coming they're using other

886

00:37:36,230 --> 00:37:33,599

dimensions whether these beings are

887

00:37:39,430 --> 00:37:36,240

extraterrestrial or not they're coming

888

00:37:41,510 --> 00:37:39,440

from somewhere using uh other dimensions

889

00:37:43,270 --> 00:37:41,520

and that's a picture of the sun

890

00:37:46,069 --> 00:37:43,280

which she says which appears to be a

891

00:37:48,310 --> 00:37:46,079

huge spacecraft on its corona i have no

892

00:37:50,790 --> 00:37:48,320

idea what that is it doesn't look like a

893

00:37:52,390 --> 00:37:50,800

spacecraft to me but

894

00:37:54,310 --> 00:37:52,400

i i probably have seen that picture

895

00:37:56,470 --> 00:37:54,320

before but it's just it's just nothing

896

00:37:59,990 --> 00:37:56,480

to me it's not anything you can use for

897

00:38:03,270 --> 00:38:01,190

so

898

00:38:05,589 --> 00:38:03,280

kaza

899

00:38:08,069 --> 00:38:05,599

she had multiple after multiple ndes

900

00:38:11,030 --> 00:38:08,079

near-death experiences

901
00:38:15,270 --> 00:38:11,040
on the fourth pregnancy

902
00:38:17,510 --> 00:38:15,280
she's a new soul from the 13th dimension

903
00:38:19,829 --> 00:38:17,520
i'm only good with five dimensions once

904
00:38:23,589 --> 00:38:19,839
you give up five i'm i'm uncomfortable

905
00:38:25,670 --> 00:38:23,599
i'm kidding but thirteenth dimension um

906
00:38:27,190 --> 00:38:25,680
casa stated it's a place full of

907
00:38:29,030 --> 00:38:27,200
compassion

908
00:38:30,950 --> 00:38:29,040
13th dimension in that dimension i am

909
00:38:34,310 --> 00:38:30,960
just a light form we are like a block of

910
00:38:36,069 --> 00:38:34,320
energy and can turn into any form

911
00:38:37,750 --> 00:38:36,079
robert moreau's books if you ever get a

912
00:38:40,390 --> 00:38:37,760
chance journeys out of the body far

913
00:38:41,829 --> 00:38:40,400

journeys and ultimate journey

914

00:38:44,150 --> 00:38:41,839

deals with that kind of stuff i mean he

915

00:38:45,750 --> 00:38:44,160

doesn't talk about dimensions but other

916

00:38:47,990 --> 00:38:45,760

locales

917

00:38:50,790 --> 00:38:48,000

i loved those books that was early on

918

00:38:52,630 --> 00:38:50,800

when i first after i dove into

919

00:38:53,990 --> 00:38:52,640

whitley's books then eventually you'll

920

00:38:55,829 --> 00:38:54,000

see you get into the other books and

921

00:38:58,710 --> 00:38:55,839

robert monroe's books

922

00:39:02,390 --> 00:38:58,720

was it was after i read my first astral

923

00:39:04,069 --> 00:39:02,400

projection book by ophiel

924

00:39:06,150 --> 00:39:04,079

uh former priest uh in the christian

925

00:39:07,829 --> 00:39:06,160

ministry jeff schulte in australia he's

926

00:39:09,589 --> 00:39:07,839

like i've started having conscious and

927

00:39:12,310 --> 00:39:09,599

very real contact experience with beings

928

00:39:14,630 --> 00:39:12,320

who let me say we're not of this world i

929

00:39:16,710 --> 00:39:14,640

started to think i was losing my mind

930

00:39:18,470 --> 00:39:16,720

my superiors were useless because all

931

00:39:20,710 --> 00:39:18,480

they knew was what they were told to

932

00:39:22,069 --> 00:39:20,720

believe and teach

933

00:39:24,230 --> 00:39:22,079

i have come to realize that i have been

934

00:39:25,750 --> 00:39:24,240

an experimenter all this incarnation and

935

00:39:27,670 --> 00:39:25,760

probably many of my previous

936

00:39:29,829 --> 00:39:27,680

incarnations already with these few

937

00:39:31,829 --> 00:39:29,839

words most christians reading this will

938

00:39:35,670 --> 00:39:31,839

recoil with this

939

00:39:37,589 --> 00:39:35,680

reincarnation

940

00:39:39,589 --> 00:39:37,599

well following the intense increase in

941

00:39:42,470 --> 00:39:39,599

my off-world visitor experiences i began

942

00:39:44,310 --> 00:39:42,480

to get epiphany with after epiphany

943

00:39:46,470 --> 00:39:44,320

if i took around three years to it took

944

00:39:48,950 --> 00:39:46,480

around three years to resolve itself

945

00:39:50,950 --> 00:39:48,960

i'll probably never know but when it did

946

00:39:52,950 --> 00:39:50,960

it was like the scales fell from my eyes

947

00:39:54,710 --> 00:39:52,960

and everything made perfect sense to me

948

00:40:00,870 --> 00:39:54,720

that's jeff schulte chapter 18 of his

949

00:40:06,230 --> 00:40:03,670

julie gets my jokes everybody

950

00:40:07,589 --> 00:40:06,240

they're subtle but you get them

951

00:40:09,589 --> 00:40:07,599

i'm sorry i can't go through all these

952

00:40:12,309 --> 00:40:09,599

messages but

953

00:40:14,390 --> 00:40:12,319

thank you for commenting

954

00:40:15,990 --> 00:40:14,400

this is going to be a while because it's

955

00:40:17,910 --> 00:40:16,000

like i think it's like 60 slides i'm

956

00:40:19,750 --> 00:40:17,920

trying to go fast i don't want to just

957

00:40:21,349 --> 00:40:19,760

blow it off

958

00:40:23,270 --> 00:40:21,359

buddhism oh we might be getting close if

959

00:40:24,550 --> 00:40:23,280

we receive if we receive visitors from

960

00:40:26,150 --> 00:40:24,560

other galaxies

961

00:40:27,589 --> 00:40:26,160

this is the dalai lama

962

00:40:31,430 --> 00:40:27,599

if we receive visitors from other

963

00:40:33,829 --> 00:40:31,440

galaxies it's the same as a human being

964

00:40:37,109 --> 00:40:33,839

they may be a little different

965

00:40:39,190 --> 00:40:37,119

shapes but basically they are the same

966

00:40:41,030 --> 00:40:39,200

furthermore a sentient being

967

00:40:42,950 --> 00:40:41,040

they're sentient beings so respect them

968

00:40:44,309 --> 00:40:42,960

if we place too much emphasis on

969

00:40:46,790 --> 00:40:44,319

strangeness

970

00:40:48,550 --> 00:40:46,800

that creates more anxiety and fear so in

971

00:40:51,109 --> 00:40:48,560

other words if you do see a reptilian

972

00:40:54,390 --> 00:40:51,119

and manted man said do not whatever you

973

00:40:55,670 --> 00:40:54,400

do do not stare at them look away don't

974

00:40:57,670 --> 00:40:55,680

make them feel

975

00:40:59,190 --> 00:40:57,680

self-conscious especially the mantis

976
00:41:00,230 --> 00:40:59,200
they are really self-conscious about

977
00:41:03,589 --> 00:41:00,240
their eyes

978
00:41:07,349 --> 00:41:05,670
oh i brought this up but it's like the

979
00:41:12,630 --> 00:41:07,359
whole greer thing that they're going to

980
00:41:15,510 --> 00:41:13,670
for

981
00:41:17,270 --> 00:41:15,520
getting weapons into space and building

982
00:41:18,710 --> 00:41:17,280
up the military budget i just put that

983
00:41:20,870 --> 00:41:18,720
in there and she went into more of that

984
00:41:23,270 --> 00:41:20,880
and i kind of it's not my thing i'm

985
00:41:27,270 --> 00:41:24,870
and then clifford stone another person

986
00:41:28,870 --> 00:41:27,280
who i've really

987
00:41:30,150 --> 00:41:28,880
not heard things about as far as his

988
00:41:32,069 --> 00:41:30,160

credibility but i'll put it in there

989

00:41:34,390 --> 00:41:32,079

he's and he'll do people's i think

990

00:41:36,550 --> 00:41:34,400

richard doty said he liked clifford you

991

00:41:38,550 --> 00:41:36,560

know he was very sweet man but he saw

992

00:41:40,150 --> 00:41:38,560

things differently than i did i never

993

00:41:42,470 --> 00:41:40,160

learned anything that he claimed to have

994

00:41:44,150 --> 00:41:42,480

learned with his sources but that's you

995

00:41:45,990 --> 00:41:44,160

know that's how it is he never said he

996

00:41:53,589 --> 00:41:46,000

was not telling the truth he never said

997

00:41:57,589 --> 00:41:55,990

so chris clifford stone shared that he

998

00:41:59,430 --> 00:41:57,599

interfaced with some non-human

999

00:42:01,990 --> 00:41:59,440

intelligences and had been part of a

1000

00:42:04,710 --> 00:42:02,000

retrieval program of uaps called

1001
00:42:06,950 --> 00:42:04,720
interplanetary phenomena research unit

1002
00:42:08,870 --> 00:42:06,960
in 1943

1003
00:42:11,270 --> 00:42:08,880
and is still it's still operational i

1004
00:42:12,870 --> 00:42:11,280
think he's dead now um but that program

1005
00:42:14,630 --> 00:42:12,880
is still operational he said he has seen

1006
00:42:17,510 --> 00:42:14,640
living in dead net non-human

1007
00:42:20,309 --> 00:42:17,520
intelligences in 1987 he sold

1008
00:42:22,550 --> 00:42:20,319
said the military knew of 57 species of

1009
00:42:24,630 --> 00:42:22,560
non-human intelligences

1010
00:42:26,390 --> 00:42:24,640
uh some of them looked like like look

1011
00:42:28,790 --> 00:42:26,400
some of them looked like us what they

1012
00:42:30,550 --> 00:42:28,800
didn't have was hate or hostility if

1013
00:42:32,150 --> 00:42:30,560

they were hostile they could have been

1014

00:42:33,910 --> 00:42:32,160

destroyed they could have destroyed us

1015

00:42:35,990 --> 00:42:33,920

long ago of course

1016

00:42:37,670 --> 00:42:36,000

i hate that argument maybe not hostile

1017

00:42:39,510 --> 00:42:37,680

but they could use us for selfish

1018

00:42:41,349 --> 00:42:39,520

reasons because

1019

00:42:44,630 --> 00:42:41,359

we're a lower life form and we do it to

1020

00:42:46,470 --> 00:42:44,640

other lower life life forms too do i

1021

00:42:49,349 --> 00:42:46,480

believe in god yes and they believe in

1022

00:42:51,430 --> 00:42:49,359

god too but our definition of divinity

1023

00:42:53,990 --> 00:42:51,440

is probably in conflict with theirs they

1024

00:42:55,829 --> 00:42:54,000

could probably wipe out many religions

1025

00:42:59,270 --> 00:42:55,839

if they attempted to better define the

1026
00:43:02,069 --> 00:42:59,280
concept of god

1027
00:43:03,910 --> 00:43:02,079
and then she mentioned corso

1028
00:43:05,750 --> 00:43:03,920
saying you know he was allegedly talking

1029
00:43:07,990 --> 00:43:05,760
to this alien and the alien

1030
00:43:11,030 --> 00:43:08,000
telepathically said corso said to the

1031
00:43:14,390 --> 00:43:12,630
i'll just read it corso states he and

1032
00:43:16,150 --> 00:43:14,400
the alien had an exchange he indicated

1033
00:43:17,670 --> 00:43:16,160
that no words and i don't know if this

1034
00:43:19,990 --> 00:43:17,680
is part of the course of book that is

1035
00:43:22,309 --> 00:43:20,000
considered credible i know

1036
00:43:24,309 --> 00:43:22,319
his journal is but this this i'm not

1037
00:43:26,790 --> 00:43:24,319
sure if this is part of his journal i

1038
00:43:28,790 --> 00:43:26,800

will find out though crucial states he

1039

00:43:30,710 --> 00:43:28,800

and the alien had an exchange he

1040

00:43:32,710 --> 00:43:30,720

indicated that no words were spoken but

1041

00:43:34,470 --> 00:43:32,720

rather information was transferred

1042

00:43:37,030 --> 00:43:34,480

mentally

1043

00:43:38,870 --> 00:43:37,040

the alien then said he wanted to leave

1044

00:43:40,870 --> 00:43:38,880

but was concerned about the rate leave

1045

00:43:42,230 --> 00:43:40,880

the planet in his craft i guess but was

1046

00:43:44,950 --> 00:43:42,240

concerned about

1047

00:43:47,109 --> 00:43:44,960

the radar interference the alien asked

1048

00:43:49,270 --> 00:43:47,119

corso to order the radars covering white

1049

00:43:50,630 --> 00:43:49,280

sands missile range to be shut down for

1050

00:43:53,430 --> 00:43:50,640

a brief period

1051

00:43:56,150 --> 00:43:53,440

corso asked the alien

1052

00:43:58,230 --> 00:43:56,160

what he would give him if he complied

1053

00:44:00,870 --> 00:43:58,240

and the alien's reported

1054

00:44:01,750 --> 00:44:00,880

response was a new world if you can take

1055

00:44:04,230 --> 00:44:01,760

it

1056

00:44:06,550 --> 00:44:04,240

and corso told that story frequently and

1057

00:44:07,910 --> 00:44:06,560

he often contemplated what the alien

1058

00:44:09,829 --> 00:44:07,920

meant by that statement but was never

1059

00:44:11,349 --> 00:44:09,839

quite sure he understood

1060

00:44:12,950 --> 00:44:11,359

but whitley schreiber talks about that a

1061

00:44:15,109 --> 00:44:12,960

lot i think his new book his latest book

1062

00:44:16,470 --> 00:44:15,119

before the jesus book is called a new

1063

00:44:17,990 --> 00:44:16,480

world

1064

00:44:19,990 --> 00:44:18,000

the original manuscript included

1065

00:44:22,790 --> 00:44:20,000

drawings oh i did not know that see and

1066

00:44:24,150 --> 00:44:22,800

i have one of the

1067

00:44:26,630 --> 00:44:24,160

i don't have the manuscript i know it's

1068

00:44:27,990 --> 00:44:26,640

online um i have it saved somewhere but

1069

00:44:29,670 --> 00:44:28,000

the original manuscript included

1070

00:44:33,670 --> 00:44:29,680

drawings of the alien that corso made

1071

00:44:47,430 --> 00:44:37,190

let me see i'm gonna go back to me

1072

00:44:47,440 --> 00:44:53,750

all right we have 12 slides left

1073

00:44:57,430 --> 00:44:55,430

back to

1074

00:44:59,430 --> 00:44:57,440

mary rodwell

1075

00:45:02,550 --> 00:44:59,440

reverend michael j carter michael is an

1076

00:45:08,550 --> 00:45:02,560

ordained interface interfaith minister

1077

00:45:12,069 --> 00:45:10,470

of evolution because of our previous

1078

00:45:13,430 --> 00:45:12,079

lives and we are bringing and we bring

1079

00:45:15,750 --> 00:45:13,440

our gifts

1080

00:45:18,870 --> 00:45:15,760

gifts our baggage and our lessons with

1081

00:45:20,870 --> 00:45:18,880

us from lifetime to lifetime my star

1082

00:45:23,430 --> 00:45:20,880

visitors showed me other lifetimes that

1083

00:45:25,510 --> 00:45:23,440

i had as well some of us are young souls

1084

00:45:27,910 --> 00:45:25,520

some are baby souls some are mature and

1085

00:45:29,990 --> 00:45:27,920

some are old souls we are all doing the

1086

00:45:32,309 --> 00:45:30,000

best we can on the journey my contacts

1087

00:45:34,710 --> 00:45:32,319

have have taught me compassion and

1088

00:45:38,950 --> 00:45:34,720

empathy at least much more than i had

1089

00:45:43,510 --> 00:45:41,589

and this is jeff schulte who was 40

1090

00:45:45,510 --> 00:45:43,520

years in the christian ministry as best

1091

00:45:47,589 --> 00:45:45,520

as i understand it it's their task to

1092

00:45:50,470 --> 00:45:47,599

prepare souls for their next round of

1093

00:45:53,430 --> 00:45:50,480

incarnations for example currently i am

1094

00:45:55,190 --> 00:45:53,440

incarnating as a human on planet earth i

1095

00:45:57,750 --> 00:45:55,200

don't know how many countless times i

1096

00:45:59,750 --> 00:45:57,760

have done this nor how many times ahead

1097

00:46:02,230 --> 00:45:59,760

but at some stage it will change and my

1098

00:46:04,550 --> 00:46:02,240

mission may be even in another dimension

1099

00:46:07,109 --> 00:46:04,560

or galaxy or universe

1100

00:46:09,589 --> 00:46:07,119

so the reprogrammers set the stage as it

1101
00:46:12,390 --> 00:46:09,599
were and prepare you for your mission oh

1102
00:46:13,589 --> 00:46:12,400
they looked sparkling shimmering

1103
00:46:15,510 --> 00:46:13,599
humanoid

1104
00:46:17,910 --> 00:46:15,520
and that's from my encounter with light

1105
00:46:19,750 --> 00:46:17,920
beings called the reprogrammers and then

1106
00:46:22,309 --> 00:46:19,760
at the end he says i've only encountered

1107
00:46:25,109 --> 00:46:22,319
them that one time that i can recall and

1108
00:46:29,109 --> 00:46:25,119
so far i have not had any confirmation

1109
00:46:30,710 --> 00:46:29,119
from any source any other source

1110
00:46:33,589 --> 00:46:30,720
transcending fear victims or

1111
00:46:35,270 --> 00:46:33,599
co-participants in our own revolution

1112
00:46:37,510 --> 00:46:35,280
basically at the start i misunderstood

1113
00:46:39,750 --> 00:46:37,520

the grace the knowing e.t part of me

1114

00:46:41,829 --> 00:46:39,760

initially made a decision to assist them

1115

00:46:43,670 --> 00:46:41,839

and understanding of this can be

1116

00:46:46,150 --> 00:46:43,680

overshadowed shadowed by fear which

1117

00:46:48,550 --> 00:46:46,160

stems from our limited human perceptions

1118

00:46:52,710 --> 00:46:48,560

and reactions to these experiences

1119

00:46:56,790 --> 00:46:54,790

and then she talks about simon harvey

1120

00:46:58,150 --> 00:46:56,800

wilson in conjunction with acer and

1121

00:46:59,589 --> 00:46:58,160

that's a group she belongs to i have to

1122

00:47:01,990 --> 00:46:59,599

look that up um she said it in the

1123

00:47:03,910 --> 00:47:02,000

beginning i didn't grab it uh shamanism

1124

00:47:05,030 --> 00:47:03,920

and alien abductions western australia

1125

00:47:07,030 --> 00:47:05,040

um

1126
00:47:08,230 --> 00:47:07,040
comparative study it was noted many

1127
00:47:10,630 --> 00:47:08,240
perilous

1128
00:47:13,589 --> 00:47:10,640
parallels between

1129
00:47:15,510 --> 00:47:13,599
shamanism and abductions i have a like

1130
00:47:17,990 --> 00:47:15,520
one of the best books on shamanism i've

1131
00:47:19,990 --> 00:47:18,000
only read some of it michael

1132
00:47:22,470 --> 00:47:20,000
varner i think it's called

1133
00:47:24,549 --> 00:47:22,480
the way of the shaman i believe

1134
00:47:26,870 --> 00:47:24,559
really popular book uh

1135
00:47:28,870 --> 00:47:26,880
the comparisons you're trans fan

1136
00:47:33,990 --> 00:47:28,880
transcending human fears shift in

1137
00:47:37,510 --> 00:47:35,910
maurice research has demonstrated how

1138
00:47:39,910 --> 00:47:37,520

this connects to the explanation of

1139

00:47:42,230 --> 00:47:39,920

human consciousness in the surveys by dr

1140

00:47:44,710 --> 00:47:42,240

edgar mitchell's free foundation beyond

1141

00:47:49,430 --> 00:47:44,720

ufos the science of consciousness and

1142

00:47:54,390 --> 00:47:51,109

outcomes of contact with non-human

1143

00:47:56,630 --> 00:47:54,400

intelligences the survey of 4 200 people

1144

00:47:58,549 --> 00:47:56,640

in free

1145

00:48:01,430 --> 00:47:58,559

eighty percent of them experienced a

1146

00:48:04,069 --> 00:48:01,440

psycho spiritual transformation

1147

00:48:06,630 --> 00:48:04,079

78 believe that their ufo contact

1148

00:48:09,750 --> 00:48:06,640

experience is part of an evolutionary

1149

00:48:11,510 --> 00:48:09,760

unfolding of humanity 66 believe they

1150

00:48:14,390 --> 00:48:11,520

are more spiritual after their contact

1151
00:48:17,510 --> 00:48:14,400
38 believe non-human intelligences are

1152
00:48:19,910 --> 00:48:17,520
modern angels and 72 believe that their

1153
00:48:23,510 --> 00:48:19,920
contact was to awaken them to larger

1154
00:48:28,630 --> 00:48:26,309
reverend carter here he is again i have

1155
00:48:30,630 --> 00:48:28,640
to say that since my contact experiences

1156
00:48:32,630 --> 00:48:30,640
i have discovered that anything is

1157
00:48:34,630 --> 00:48:32,640
possible and that love is the glue that

1158
00:48:36,549 --> 00:48:34,640
holds the cosmos together i have

1159
00:48:38,230 --> 00:48:36,559
discovered that when i change the way i

1160
00:48:40,950 --> 00:48:38,240
look at things

1161
00:48:42,870 --> 00:48:40,960
the things i look at begin to change

1162
00:48:44,950 --> 00:48:42,880
now i realize that when i find peace

1163
00:48:47,670 --> 00:48:44,960

everything falls into place we can call

1164

00:48:50,309 --> 00:48:47,680

the source of wisdom god or whatever you

1165

00:48:52,870 --> 00:48:50,319

choose to call it

1166

00:48:55,190 --> 00:48:52,880

the older bigger aliens told him

1167

00:48:57,270 --> 00:48:55,200

god is not what people think

1168

00:48:59,829 --> 00:48:57,280

this is a nine-year-old

1169

00:49:01,910 --> 00:48:59,839

they showed him a fort a vortex type

1170

00:49:04,950 --> 00:49:01,920

black hole but it isn't a black hole

1171

00:49:08,630 --> 00:49:04,960

it's a violet light that creates

1172

00:49:10,309 --> 00:49:08,640

and that's john who's nine years old

1173

00:49:13,430 --> 00:49:10,319

and the older bigger aliens told him

1174

00:49:15,190 --> 00:49:13,440

that that's what he said

1175

00:49:17,430 --> 00:49:15,200

jeff solte retired after 40 years in the

1176

00:49:18,950 --> 00:49:17,440

christian ministry god is not a being

1177

00:49:21,430 --> 00:49:18,960

but rather god is the spirit or

1178

00:49:24,710 --> 00:49:21,440

energetic full energetic force that we

1179

00:49:28,069 --> 00:49:24,720

may call unconditional love

1180

00:49:30,230 --> 00:49:28,079

in other words my dog

1181

00:49:32,390 --> 00:49:30,240

those that believe they have the mandate

1182

00:49:34,870 --> 00:49:32,400

on truth and knowledge are shipwrecked

1183

00:49:37,430 --> 00:49:34,880

by the laughter of the gods

1184

00:49:39,270 --> 00:49:37,440

that goes for our

1185

00:49:43,349 --> 00:49:39,280

subjects too

1186

00:49:44,390 --> 00:49:43,359

we do not know the truth nobody does

1187

00:49:45,589 --> 00:49:44,400

we're almost there

1188

00:49:46,710 --> 00:49:45,599

and then we can get to some of the other

1189

00:49:49,589 --> 00:49:46,720

lectures

1190

00:49:51,430 --> 00:49:49,599

how long oh man we've been going for

1191

00:49:53,430 --> 00:49:51,440

um let's see how long

1192

00:49:54,950 --> 00:49:53,440

48 minutes on this

1193

00:49:57,510 --> 00:49:54,960

how do we transition into this new

1194

00:50:07,829 --> 00:49:57,520

awareness of our cosmic self

1195

00:50:13,349 --> 00:50:10,150

trust the inner resonance it's our truth

1196

00:50:15,430 --> 00:50:13,359

your inner resonance your

1197

00:50:17,030 --> 00:50:15,440

what is it your intuition

1198

00:50:18,069 --> 00:50:17,040

trust that our soul knows where it's

1199

00:50:20,150 --> 00:50:18,079

going

1200

00:50:22,549 --> 00:50:20,160

quote come to the edge she said

1201
00:50:25,270 --> 00:50:22,559
they said we are afraid come to the edge

1202
00:50:26,630 --> 00:50:25,280
she said they came she pushed them and

1203
00:50:28,710 --> 00:50:26,640
they flew

1204
00:50:31,030 --> 00:50:28,720
gilliam appalling the air so in other

1205
00:50:32,950 --> 00:50:31,040
words

1206
00:50:35,510 --> 00:50:32,960
basically when we're

1207
00:50:38,710 --> 00:50:35,520
under pressure

1208
00:50:40,470 --> 00:50:38,720
that's when we evolve the most in

1209
00:50:44,710 --> 00:50:40,480
i don't know pressure's the right words

1210
00:50:47,270 --> 00:50:46,230
i can only i can only come to the

1211
00:50:48,470 --> 00:50:47,280
conclusion that we are becoming

1212
00:50:50,710 --> 00:50:48,480
conscious

1213
00:50:52,870 --> 00:50:50,720

co-participants in our own evolution and

1214

00:50:55,270 --> 00:50:52,880

with that in mind they had better give

1215

00:50:56,069 --> 00:50:55,280

us a brochure meaning whoever's visiting

1216

00:50:58,150 --> 00:50:56,079

us

1217

00:50:59,829 --> 00:50:58,160

which i guess is what they're doing

1218

00:51:02,309 --> 00:50:59,839

are they doing it is that what contact

1219

00:51:04,950 --> 00:51:02,319

is all about

1220

00:51:06,390 --> 00:51:04,960

um a cern support and transition they

1221

00:51:08,230 --> 00:51:06,400

support those in transition to

1222

00:51:10,710 --> 00:51:08,240

acknowledging this reality within

1223

00:51:12,470 --> 00:51:10,720

themselves to a place of healing and

1224

00:51:15,109 --> 00:51:12,480

integration

1225

00:51:17,990 --> 00:51:15,119

i think that is it for that

1226
00:51:20,150 --> 00:51:18,000
mary rodwell

1227
00:51:21,270 --> 00:51:20,160
slideshow

1228
00:51:23,510 --> 00:51:21,280
and

1229
00:51:25,030 --> 00:51:23,520
i need to i'm gonna go through one thing

1230
00:51:27,510 --> 00:51:25,040
here

1231
00:51:29,190 --> 00:51:27,520
i lost viewers but

1232
00:51:30,790 --> 00:51:29,200
i didn't want to just pick and choose on

1233
00:51:34,069 --> 00:51:30,800
that and just

1234
00:51:35,750 --> 00:51:34,079
what's her name barbara lamb she had

1235
00:51:38,870 --> 00:51:35,760
this book

1236
00:51:40,150 --> 00:51:38,880
she was talking about to help children

1237
00:51:41,829 --> 00:51:40,160
i'm putting that up because that's the

1238
00:51:42,870 --> 00:51:41,839

last slide and then i'll just get to my

1239

00:51:47,270 --> 00:51:42,880

notes

1240

00:51:51,510 --> 00:51:49,349

on my and whatever well i'm trying to

1241

00:51:52,630 --> 00:51:51,520

think what other notes

1242

00:51:54,390 --> 00:51:52,640

she had

1243

00:51:57,190 --> 00:51:54,400

and not barbara

1244

00:51:58,549 --> 00:51:57,200

i need to switch for one second

1245

00:52:04,790 --> 00:51:58,559

give me one second i just need to plug

1246

00:52:04,800 --> 00:52:14,710

monitor i don't need i do need power

1247

00:52:31,349 --> 00:52:18,549

all right i'm sorry

1248

00:52:34,950 --> 00:52:33,349

i think that's it

1249

00:52:37,430 --> 00:52:34,960

keep on doing what you're doing whatever

1250

00:52:40,549 --> 00:52:37,440

resonates with your truth

1251
00:52:41,990 --> 00:52:40,559
and that was the last thing she said

1252
00:52:42,870 --> 00:52:42,000
and now we're going to get the barber

1253
00:52:45,270 --> 00:52:42,880
lamb

1254
00:52:49,829 --> 00:52:45,280
a little less controversial but

1255
00:52:54,790 --> 00:52:51,349
and

1256
00:53:01,829 --> 00:52:54,800
so she started out as a therapist doing

1257
00:53:06,390 --> 00:53:03,990
that is cookie

1258
00:53:08,950 --> 00:53:06,400
he wanted to hear barbara lamb so he

1259
00:53:12,630 --> 00:53:08,960
came down

1260
00:53:17,030 --> 00:53:12,640
1991 1919

1261
00:53:22,630 --> 00:53:21,510
1991 1999 1991 was her first experience

1262
00:53:25,270 --> 00:53:22,640
or client

1263
00:53:27,670 --> 00:53:25,280

who was referred to her by her mother

1264

00:53:29,510 --> 00:53:27,680

the the client was very traumatized a

1265

00:53:32,790 --> 00:53:29,520

very trauma side a traumatized young

1266

00:53:37,430 --> 00:53:35,829

cookie's running crazy

1267

00:53:39,109 --> 00:53:37,440

a very traumatized young woman she had

1268

00:53:41,589 --> 00:53:39,119

dropped out of college in her part-time

1269

00:53:43,510 --> 00:53:41,599

job and insisted on sleeping between her

1270

00:53:45,670 --> 00:53:43,520

mom and dad in the bed

1271

00:53:48,549 --> 00:53:45,680

she was so you know so traumatized by

1272

00:53:51,430 --> 00:53:49,990

they got fed up with that and they sent

1273

00:53:52,950 --> 00:53:51,440

her back to her bed

1274

00:53:54,069 --> 00:53:52,960

and this woman said this woman is an

1275

00:53:55,670 --> 00:53:54,079

adult so

1276

00:53:58,870 --> 00:53:55,680

she was terrified because she felt they

1277

00:54:02,470 --> 00:53:58,880

might come again the visitors so barbara

1278

00:54:03,910 --> 00:54:02,480

lamb started regressions six regressions

1279

00:54:05,990 --> 00:54:03,920

and there were six different et

1280

00:54:15,589 --> 00:54:06,000

encounters different type of being every

1281

00:54:19,589 --> 00:54:17,270

this woman had

1282

00:54:21,109 --> 00:54:19,599

a very bad ear infection

1283

00:54:22,829 --> 00:54:21,119

and while she was sleeping she said

1284

00:54:30,069 --> 00:54:22,839

these tall beings came

1285

00:54:30,079 --> 00:54:33,589

and now she's not

1286

00:54:37,109 --> 00:54:35,510

um

1287

00:54:38,230 --> 00:54:37,119

so she had a really bad ear infection

1288

00:54:40,470 --> 00:54:38,240

and while she was sleeping the tall

1289

00:54:42,069 --> 00:54:40,480

beans came in rolled her onto her side

1290

00:54:44,230 --> 00:54:42,079

and they worked on her ear she woke up

1291

00:54:46,230 --> 00:54:44,240

the infection was gone and attribute she

1292

00:54:48,230 --> 00:54:46,240

attributed to those three attributed it

1293

00:54:49,589 --> 00:54:48,240

to those three beings in a room one day

1294

00:54:52,069 --> 00:54:49,599

she was driving with her sister in the

1295

00:54:54,150 --> 00:54:52,079

late afternoon noticed a blue light beam

1296

00:54:55,990 --> 00:54:54,160

coming in through the car motors started

1297

00:54:57,670 --> 00:54:56,000

to die and we've all heard those stories

1298

00:54:59,829 --> 00:54:57,680

you know where the craft

1299

00:55:01,349 --> 00:54:59,839

somehow the engine dies

1300

00:55:02,789 --> 00:55:01,359

they pulled over and got out there was a

1301
00:55:04,390 --> 00:55:02,799
field there

1302
00:55:07,430 --> 00:55:04,400
they ran across the field and the blue

1303
00:55:09,910 --> 00:55:07,440
beam of light followed followed followed

1304
00:55:11,990 --> 00:55:09,920
and hit her in the back

1305
00:55:14,789 --> 00:55:12,000
where she had quite a lot of pain for at

1306
00:55:16,630 --> 00:55:14,799
least a year but it felt good uh the

1307
00:55:17,990 --> 00:55:16,640
back felt great afterwards beam of light

1308
00:55:19,990 --> 00:55:18,000
had left

1309
00:55:22,870 --> 00:55:20,000
she said she was healed twice during six

1310
00:55:24,789 --> 00:55:22,880
weeks of sessions with barbara

1311
00:55:27,190 --> 00:55:24,799
seven sessions she came in smiling and

1312
00:55:28,950 --> 00:55:27,200
relaxed it's like a 180. she said she

1313
00:55:30,710 --> 00:55:28,960

felt very privileged and honored that

1314

00:55:32,549 --> 00:55:30,720

these beings had chosen to work with her

1315

00:55:34,870 --> 00:55:32,559

and even though she found out that she

1316

00:55:36,470 --> 00:55:34,880

had a hybrid child with them

1317

00:55:37,990 --> 00:55:36,480

she still moved away you know that

1318

00:55:40,069 --> 00:55:38,000

didn't bother her and she moved away

1319

00:55:42,870 --> 00:55:40,079

from her parents to a little cottage in

1320

00:55:45,510 --> 00:55:42,880

town with her boyfriend

1321

00:55:47,190 --> 00:55:45,520

and barbara lamb says you're

1322

00:55:48,789 --> 00:55:47,200

you're probably likely to have more

1323

00:55:51,190 --> 00:55:48,799

experiences in the women's life that's

1324

00:55:52,789 --> 00:55:51,200

fine we know it's okay

1325

00:55:54,150 --> 00:55:52,799

so she was evolving from being

1326
00:55:55,910 --> 00:55:54,160
traumatized to feeling happy and

1327
00:55:58,309 --> 00:55:55,920
grateful

1328
00:56:00,870 --> 00:55:58,319
the leading experimenter support group

1329
00:56:02,470 --> 00:56:00,880
since 1995

1330
00:56:04,150 --> 00:56:02,480
that's when she started she has been

1331
00:56:06,710 --> 00:56:04,160
leading experience a support group since

1332
00:56:08,470 --> 00:56:06,720
95 the first one she had

1333
00:56:10,789 --> 00:56:08,480
50 people showed up at the first one it

1334
00:56:12,710 --> 00:56:10,799
was at the ufo congress i believe

1335
00:56:14,789 --> 00:56:12,720
she has spoken to more than 2 000

1336
00:56:16,630 --> 00:56:14,799
experiencers and more than 4 000

1337
00:56:18,150 --> 00:56:16,640
regressions have been done some

1338
00:56:22,390 --> 00:56:18,160

individuals have had

1339

00:56:24,230 --> 00:56:22,400

10 20 30 regressions one person had 60.

1340

00:56:26,710 --> 00:56:24,240

et visits usually begin in the childhood

1341

00:56:29,750 --> 00:56:26,720

the adults don't remember them

1342

00:56:31,430 --> 00:56:29,760

even newborn if infants she says they

1343

00:56:33,270 --> 00:56:31,440

come into the room where the infant is

1344

00:56:35,349 --> 00:56:33,280

in the hospital they switch off the nerf

1345

00:56:38,069 --> 00:56:35,359

nurses and doctors take the infant out

1346

00:56:39,750 --> 00:56:38,079

for an hour for an hour and so or so

1347

00:56:40,870 --> 00:56:39,760

bring them back and nobody realizes they

1348

00:56:46,630 --> 00:56:40,880

were gone i guess because they were

1349

00:56:50,069 --> 00:56:48,230

uh i wasn't going to say this but she

1350

00:56:52,150 --> 00:56:50,079

even said one male client was visited

1351

00:56:53,670 --> 00:56:52,160

while he was in the womb

1352

00:56:55,750 --> 00:56:53,680

felt the heat he remembered feeling the

1353

00:56:57,190 --> 00:56:55,760

heat while he was in his mom's stomach

1354

00:57:00,630 --> 00:56:57,200

but this is kind of interesting you may

1355

00:57:02,230 --> 00:57:00,640

say that's ridiculous um

1356

00:57:03,589 --> 00:57:02,240

but he felt heat coming and he got this

1357

00:57:05,910 --> 00:57:03,599

message saying i'm a visitor from

1358

00:57:07,910 --> 00:57:05,920

another place and i am here to help you

1359

00:57:09,430 --> 00:57:07,920

you have a congenital hole in your heart

1360

00:57:11,349 --> 00:57:09,440

and i'm here and this is why he's in the

1361

00:57:13,190 --> 00:57:11,359

womb this being is allegedly saying this

1362

00:57:14,470 --> 00:57:13,200

to him you have a congenital hole in

1363

00:57:16,230 --> 00:57:14,480

your heart and i'm here to help you by

1364

00:57:18,309 --> 00:57:16,240

putting an invisible electromagnetic

1365

00:57:21,750 --> 00:57:18,319

strip over the hole if i don't do this

1366

00:57:23,910 --> 00:57:21,760

you're going to die soon after birth

1367

00:57:26,390 --> 00:57:23,920

so it was 10 years of regressions with

1368

00:57:28,069 --> 00:57:26,400

that person

1369

00:57:30,390 --> 00:57:28,079

it was the same being always it was a

1370

00:57:33,829 --> 00:57:30,400

medium-sized gray about five seven uh

1371

00:57:35,910 --> 00:57:33,839

the being gave him his name bazoo

1372

00:57:37,589 --> 00:57:35,920

client that client grew up to like this

1373

00:57:40,470 --> 00:57:37,599

being after his encounters every few

1374

00:57:42,309 --> 00:57:40,480

years or so um

1375

00:57:43,510 --> 00:57:42,319

and they would visit every few years or

1376

00:57:46,309 --> 00:57:43,520

so or that being and they would

1377

00:57:49,030 --> 00:57:46,319

refurbish his electrical electro strip

1378

00:57:50,630 --> 00:57:49,040

electro strip on his heart

1379

00:57:52,150 --> 00:57:50,640

and then he had to have surgery late in

1380

00:57:54,069 --> 00:57:52,160

his life and he had his wife who was a

1381

00:57:56,230 --> 00:57:54,079

nurse in there during the surgery and

1382

00:57:58,789 --> 00:57:56,240

the wife heard the doctor say whoa this

1383

00:58:00,230 --> 00:57:58,799

man has a hole in his heart the size of

1384

00:58:02,950 --> 00:58:00,240

a silver dollar

1385

00:58:04,870 --> 00:58:02,960

but the blood is barely trickling out

1386

00:58:07,190 --> 00:58:04,880

so was there really an invisible

1387

00:58:08,950 --> 00:58:07,200

electromagnetic electromagnetic strip

1388

00:58:09,750 --> 00:58:08,960

that these beans had put on and helped

1389

00:58:11,910 --> 00:58:09,760

him

1390

00:58:14,150 --> 00:58:11,920

it would be nice to talk to the doctor i

1391

00:58:16,789 --> 00:58:14,160

mean you know

1392

00:58:18,470 --> 00:58:16,799

you know the doctor or and the wife i i

1393

00:58:24,789 --> 00:58:18,480

don't know if she ever has them on the

1394

00:58:27,510 --> 00:58:26,390

she talks about missing time with her

1395

00:58:29,430 --> 00:58:27,520

clients

1396

00:58:32,390 --> 00:58:29,440

marks on their body

1397

00:58:34,309 --> 00:58:32,400

scoop marks pin pricks you know they're

1398

00:58:37,670 --> 00:58:34,319

either in a straight line or a perfect

1399

00:58:39,589 --> 00:58:37,680

circle or a triangle or square

1400

00:58:41,910 --> 00:58:39,599

unusual bruises maybe in a perfect

1401
00:58:44,069 --> 00:58:41,920
triangle shape sometimes it's a straight

1402
00:58:45,750 --> 00:58:44,079
line cut on the arm

1403
00:58:47,190 --> 00:58:45,760
and then overnight it heals into a pure

1404
00:58:48,630 --> 00:58:47,200
white scar

1405
00:58:50,230 --> 00:58:48,640
an experience that will wake up in a

1406
00:58:52,309 --> 00:58:50,240
different place than where they went to

1407
00:58:54,549 --> 00:58:52,319
sleep sometimes outside and sometimes in

1408
00:58:56,710 --> 00:58:54,559
somebody else's house

1409
00:58:58,710 --> 00:58:56,720
clothes are put on incorrectly

1410
00:59:01,030 --> 00:58:58,720
wake up with their clothes inside out or

1411
00:59:03,030 --> 00:59:01,040
upside down or sometimes someone else's

1412
00:59:05,349 --> 00:59:03,040
clothes on

1413
00:59:10,710 --> 00:59:05,359

if you if you saw the special unsolved

1414

00:59:14,789 --> 00:59:12,470

the berkshires

1415

00:59:16,470 --> 00:59:14,799

the woman said that her and her mother

1416

00:59:17,510 --> 00:59:16,480

were put back in the wrong place in the

1417

00:59:19,030 --> 00:59:17,520

car

1418

00:59:21,349 --> 00:59:19,040

because i think it was her mother it

1419

00:59:22,870 --> 00:59:21,359

could have been grandmother but

1420

00:59:26,390 --> 00:59:22,880

the mother or grandmother was put in the

1421

00:59:28,390 --> 00:59:26,400

driver's seat and she's like

1422

00:59:30,150 --> 00:59:28,400

my mother never drove so they made a

1423

00:59:35,349 --> 00:59:30,160

mistake obviously it was obviously we

1424

00:59:42,069 --> 00:59:37,109

women and then we get in you know this

1425

00:59:45,430 --> 00:59:43,990

extraordinary the seating if you get a

1426

00:59:47,190 --> 00:59:45,440

chance to watch that with some of the

1427

00:59:48,870 --> 00:59:47,200

experiences who had experiences like

1428

00:59:51,589 --> 00:59:48,880

what i'm about to talk about women get

1429

00:59:53,990 --> 00:59:51,599

pregnant even after not being with a man

1430

00:59:55,510 --> 00:59:54,000

for an extended period of time pregnancy

1431

00:59:57,990 --> 00:59:55,520

lasts

1432

01:00:00,069 --> 00:59:58,000

two to two and a half months

1433

01:00:03,430 --> 01:00:00,079

starts out

1434

01:00:07,270 --> 01:00:05,349

she says these encounters start out with

1435

01:00:09,589 --> 01:00:07,280

a certain level of trauma all different

1436

01:00:10,630 --> 01:00:09,599

types of non-human beings can be very

1437

01:00:12,309 --> 01:00:10,640

frightening

1438

01:00:13,510 --> 01:00:12,319

now like you think

1439

01:00:15,430 --> 01:00:13,520

frightening for those who don't know

1440

01:00:17,349 --> 01:00:15,440

what to expect or what's what it's all

1441

01:00:18,710 --> 01:00:17,359

about they see a beam of light come into

1442

01:00:20,390 --> 01:00:18,720

the room and they're paralyzed they

1443

01:00:22,069 --> 01:00:20,400

can't call out for help

1444

01:00:24,549 --> 01:00:22,079

they feel themselves being moved

1445

01:00:26,549 --> 01:00:24,559

sometimes into a ufo

1446

01:00:28,950 --> 01:00:26,559

and i know the skeptics would say that's

1447

01:00:30,470 --> 01:00:28,960

sleep paralysis but

1448

01:00:31,750 --> 01:00:30,480

i don't know how many patients she has

1449

01:00:33,349 --> 01:00:31,760

or clients where they have it happen

1450

01:00:35,430 --> 01:00:33,359

during the day but there are people like

1451

01:00:37,270 --> 01:00:35,440

that there are a lot of people like that

1452

01:00:39,670 --> 01:00:37,280

they're not asleep it's not sleep

1453

01:00:41,030 --> 01:00:39,680

paralysis for everybody

1454

01:00:43,109 --> 01:00:41,040

some folks are traumatized even when

1455

01:00:44,630 --> 01:00:43,119

they're just seeing a ufo up close they

1456

01:00:46,950 --> 01:00:44,640

feel like they're being noticed and

1457

01:00:48,309 --> 01:00:46,960

singled out by the occupants

1458

01:00:50,390 --> 01:00:48,319

he goes and that's usually the beginning

1459

01:00:52,390 --> 01:00:50,400

of a full encounter or abduction

1460

01:00:54,470 --> 01:00:52,400

on the craft this is barbara lamb for

1461

01:00:56,789 --> 01:00:54,480

people just joining on the craft they

1462

01:00:58,309 --> 01:00:56,799

see disturbing things on a medical table

1463

01:00:59,910 --> 01:00:58,319

they're on a medical table that can't be

1464

01:01:02,470 --> 01:00:59,920

moved they're naked and being examined

1465

01:01:06,230 --> 01:01:02,480

by beings a sample of hair and skin and

1466

01:01:09,670 --> 01:01:06,240

eggs and sperm for the men are taken

1467

01:01:12,069 --> 01:01:09,680

made to have sex with an e.t now

1468

01:01:13,990 --> 01:01:12,079

i'm sorry but there's no way is that

1469

01:01:15,910 --> 01:01:14,000

okay i mean people say well you know

1470

01:01:17,670 --> 01:01:15,920

what's to help us and we agreed to it in

1471

01:01:19,829 --> 01:01:17,680

a soul contract before we entered this

1472

01:01:21,109 --> 01:01:19,839

life you're made to have sex with an e.t

1473

01:01:23,270 --> 01:01:21,119

i mean i think that's just people

1474

01:01:24,710 --> 01:01:23,280

wanting to put a positive spin

1475

01:01:26,710 --> 01:01:24,720

a lot of the other stuff you could say

1476

01:01:29,190 --> 01:01:26,720

you know you know like wait the way we

1477

01:01:31,109 --> 01:01:29,200

treat animals

1478

01:01:32,950 --> 01:01:31,119

but we do breed animals too so but

1479

01:01:34,549 --> 01:01:32,960

forcing a human to have sex with an et

1480

01:01:36,549 --> 01:01:34,559

if that really went on

1481

01:01:37,750 --> 01:01:36,559

that's never okay so

1482

01:01:40,230 --> 01:01:37,760

um

1483

01:01:41,829 --> 01:01:40,240

mixed feelings on behalf of the abductee

1484

01:01:43,510 --> 01:01:41,839

on what part

1485

01:01:45,750 --> 01:01:43,520

on the part about having sex i don't

1486

01:01:47,270 --> 01:01:45,760

know she wasn't clear on that

1487

01:01:49,270 --> 01:01:47,280

so they're pregnant pregnant for two and

1488

01:01:50,789 --> 01:01:49,280

a half two to two and a half months

1489

01:01:52,150 --> 01:01:50,799

two to two and a half months pregnancy

1490

01:01:54,309 --> 01:01:52,160

ends and then later they're showing the

1491

01:01:55,589 --> 01:01:54,319

hybrid baby and this is common for

1492

01:01:57,670 --> 01:01:55,599

people who have had this experience i

1493

01:01:59,349 --> 01:01:57,680

mean it's not it's not like five people

1494

01:02:01,109 --> 01:01:59,359

there's a lot of women who have this who

1495

01:02:02,870 --> 01:02:01,119

have had this experience

1496

01:02:05,109 --> 01:02:02,880

i don't know what the numbers are

1497

01:02:06,710 --> 01:02:05,119

uh then later they're showing a hybrid

1498

01:02:08,950 --> 01:02:06,720

baby on the craft and told it's their

1499

01:02:10,789 --> 01:02:08,960

baby told to hold love and nurture them

1500

01:02:11,670 --> 01:02:10,799

because it's part e.t

1501

01:02:13,190 --> 01:02:11,680

uh

1502

01:02:15,829 --> 01:02:13,200

they're told to hold love and nurture

1503

01:02:17,750 --> 01:02:15,839

them now because it's part et it will

1504

01:02:19,829 --> 01:02:17,760

grow up with the beings

1505

01:02:21,670 --> 01:02:19,839

but since it's also part human it needs

1506

01:02:23,349 --> 01:02:21,680

a it needs a human mother to nurture

1507

01:02:25,190 --> 01:02:23,359

them or it won't survive

1508

01:02:27,270 --> 01:02:25,200

and the one the one

1509

01:02:29,910 --> 01:02:27,280

being that she saw the baby it had had

1510

01:02:31,029 --> 01:02:29,920

slanted eyes a slit for a mouth small

1511

01:02:33,829 --> 01:02:31,039

nose

1512

01:02:35,750 --> 01:02:33,839

the mom still gives love and nurtures it

1513

01:02:36,789 --> 01:02:35,760

some women want nothing to do with those

1514

01:02:38,470 --> 01:02:36,799

babies

1515

01:02:41,109 --> 01:02:38,480

others who accept accept them have

1516

01:02:42,789 --> 01:02:41,119

visits later with the baby into their

1517

01:02:44,230 --> 01:02:42,799

teens

1518

01:02:46,309 --> 01:02:44,240

sometimes they'll even get to see them

1519

01:02:48,870 --> 01:02:46,319

as an adult hybrid

1520

01:02:51,190 --> 01:02:48,880

some of them undergo uh the experiences

1521

01:02:52,710 --> 01:02:51,200

on the craft undergo brain operations

1522

01:02:53,829 --> 01:02:52,720

eye operations while they're on the

1523

01:02:56,309 --> 01:02:53,839

craft

1524

01:02:57,829 --> 01:02:56,319

uh but they they they're told it's oh

1525

01:03:00,190 --> 01:02:57,839

we're just tuning you up and improving

1526

01:03:03,029 --> 01:03:00,200

the function of your you

1527

01:03:04,950 --> 01:03:03,039

proctological exams

1528

01:03:06,710 --> 01:03:04,960

her clients say that the et's tell them

1529

01:03:08,390 --> 01:03:06,720

it gives them the best information about

1530

01:03:10,950 --> 01:03:08,400

the person's body

1531

01:03:12,470 --> 01:03:10,960

um more than any other test if the et's

1532

01:03:14,230 --> 01:03:12,480

find something malfunctioning they'll

1533

01:03:16,150 --> 01:03:14,240

tell the experiencer and then they'll

1534

01:03:18,150 --> 01:03:16,160

either heal it or warn them to go to the

1535

01:03:20,150 --> 01:03:18,160

doctor and then barbara says we do

1536

01:03:22,470 --> 01:03:20,160

similar things with flora and fauna and

1537

01:03:24,789 --> 01:03:22,480

animals and we put a chip in them to

1538

01:03:27,829 --> 01:03:24,799

find them and study

1539

01:03:29,750 --> 01:03:27,839

we also eat animals but all right

1540

01:03:32,789 --> 01:03:29,760

i'm not saying we're getting eaten by

1541

01:03:35,589 --> 01:03:32,799

non-humans but people do disappear

1542

01:03:37,029 --> 01:03:35,599

missing 9-1-1

1543

01:03:39,589 --> 01:03:37,039

david pilates

1544

01:03:42,470 --> 01:03:39,599

some advantages of the examine

1545

01:03:43,910 --> 01:03:42,480

exams on but done on experiences

1546

01:03:45,589 --> 01:03:43,920

because of all the healing they do right

1547

01:03:47,910 --> 01:03:45,599

on the table with some apparatus that

1548

01:03:49,510 --> 01:03:47,920

uses light that doesn't make any sense i

1549

01:03:51,430 --> 01:03:49,520

don't know if i took notes bad but some

1550

01:03:53,510 --> 01:03:51,440

of the some of the

1551
01:03:55,349 --> 01:03:53,520
healing they do takes place with some

1552
01:03:57,270 --> 01:03:55,359
apparatus that uses light and in

1553
01:04:00,069 --> 01:03:57,280
regression she tells experiences to ask

1554
01:04:01,109 --> 01:04:00,079
the beans what they're doing and why and

1555
01:04:02,549 --> 01:04:01,119
a lot of times they'll respond

1556
01:04:04,870 --> 01:04:02,559
telepathically oh no ask them

1557
01:04:07,349 --> 01:04:04,880
telepathically or out loud so barbara

1558
01:04:09,589 --> 01:04:07,359
barbour lamb tells them to say that and

1559
01:04:12,870 --> 01:04:09,599
when the experiences do that they always

1560
01:04:15,910 --> 01:04:12,880
get an answer

1561
01:04:17,750 --> 01:04:15,920
and that calms the experiencer

1562
01:04:19,750 --> 01:04:17,760
what seems to be frightening

1563
01:04:23,029 --> 01:04:19,760

and invasive turns out to be a helpful

1564

01:04:24,710 --> 01:04:23,039

and benevolent advantages

1565

01:04:27,109 --> 01:04:24,720

they're healed and they're also taught a

1566

01:04:29,589 --> 01:04:27,119

variety of skills how to heal others

1567

01:04:31,670 --> 01:04:29,599

supposedly these beings will teach them

1568

01:04:33,430 --> 01:04:31,680

how to heal others including animals

1569

01:04:35,430 --> 01:04:33,440

some experiences leave their jobs and

1570

01:04:37,270 --> 01:04:35,440

become full-time healers they learn the

1571

01:04:40,230 --> 01:04:37,280

processes the processes to help

1572

01:04:41,829 --> 01:04:40,240

themselves and then psychic skills pk

1573

01:04:43,190 --> 01:04:41,839

being able to move things with your mind

1574

01:04:44,630 --> 01:04:43,200

telepathy

1575

01:04:53,029 --> 01:04:44,640

and they're taught all of this on the

1576

01:04:53,039 --> 01:04:58,150

she's trying to find a spot

1577

01:05:02,230 --> 01:04:59,910

she says they're known these beings are

1578

01:05:04,390 --> 01:05:02,240

known to to calm down eat volcanic or

1579

01:05:05,750 --> 01:05:04,400

volcanic eruptions they fly into into

1580

01:05:07,750 --> 01:05:05,760

volcanoes

1581

01:05:09,510 --> 01:05:07,760

in mexico and you know they've seen i

1582

01:05:11,510 --> 01:05:09,520

know they've been seen a lot in mexico

1583

01:05:13,109 --> 01:05:11,520

around volcanoes

1584

01:05:15,029 --> 01:05:13,119

and then as we know experiences are

1585

01:05:17,109 --> 01:05:15,039

shown various disasters on the earth you

1586

01:05:19,109 --> 01:05:17,119

know is it a hologram

1587

01:05:20,470 --> 01:05:19,119

is it to warn them to be prepared and to

1588

01:05:23,109 --> 01:05:20,480

take care of the earth and then she

1589

01:05:25,190 --> 01:05:23,119

mentions uh the rua case

1590

01:05:28,950 --> 01:05:25,200

in zimbabwe and the children how they

1591

01:05:35,109 --> 01:05:31,109

she's convinced she's convinced barbara

1592

01:05:37,510 --> 01:05:35,119

is that many ets are concerned with

1593

01:05:39,109 --> 01:05:37,520

this planet she sees this as a very

1594

01:05:39,990 --> 01:05:39,119

she sees this as this very special

1595

01:05:44,710 --> 01:05:40,000

planet

1596

01:05:44,720 --> 01:05:49,430

i don't know what that note is more seas

1597

01:05:54,630 --> 01:05:51,270

here we go there are

1598

01:05:57,270 --> 01:05:54,640

more species on earth than in all of the

1599

01:05:59,190 --> 01:05:57,280

other planets

1600

01:06:01,190 --> 01:05:59,200

that have life

1601

01:06:03,510 --> 01:06:01,200

put together i mean

1602

01:06:04,470 --> 01:06:03,520

we don't know i i don't think life has

1603

01:06:08,150 --> 01:06:04,480

as much

1604

01:06:09,829 --> 01:06:08,160

every other planet in the universe put

1605

01:06:13,430 --> 01:06:09,839

together i mean i don't think she said

1606

01:06:15,190 --> 01:06:13,440

galaxy but supposedly we're very special

1607

01:06:17,430 --> 01:06:15,200

and they created us and they want us to

1608

01:06:19,829 --> 01:06:17,440

continue they value our spirituality

1609

01:06:21,910 --> 01:06:19,839

caring empathy many of them do not have

1610

01:06:24,069 --> 01:06:21,920

those capabilities

1611

01:06:28,549 --> 01:06:24,079

and when we set off nukes we also affect

1612

01:06:33,109 --> 01:06:31,670

we're in our final

1613

01:06:34,470 --> 01:06:33,119

change right now with everything going

1614

01:06:35,910 --> 01:06:34,480

on pollution

1615

01:06:38,549 --> 01:06:35,920

uh people are getting download

1616

01:06:40,789 --> 01:06:38,559

information to these from these beings

1617

01:06:43,270 --> 01:06:40,799

about free energy and that will some of

1618

01:06:45,990 --> 01:06:43,280

this inspires us to create free energy

1619

01:06:49,029 --> 01:06:46,000

but the powers that be are suppressing

1620

01:06:54,309 --> 01:06:51,829

uh these being create these being crea

1621

01:06:56,630 --> 01:06:54,319

beings create human e.t hybrids that

1622

01:06:59,430 --> 01:06:56,640

live here and they mix the male female

1623

01:07:01,670 --> 01:06:59,440

et dna and create a hybrid that lives on

1624

01:07:04,309 --> 01:07:01,680

earth and is in service to humans and

1625

01:07:06,150 --> 01:07:04,319

the planet which is 180 compared to what

1626

01:07:07,910 --> 01:07:06,160

david jacobs talks about

1627

01:07:10,230 --> 01:07:07,920

the hybrids are here to take over like i

1628

01:07:11,430 --> 01:07:10,240

said there's no way to know who is there

1629

01:07:13,349 --> 01:07:11,440

who's right

1630

01:07:15,349 --> 01:07:13,359

um

1631

01:07:17,109 --> 01:07:15,359

but i think

1632

01:07:20,150 --> 01:07:17,119

i'm not sure

1633

01:07:22,230 --> 01:07:20,160

jake is an outlier with his the way he

1634

01:07:24,549 --> 01:07:22,240

interprets that data apparently there's

1635

01:07:28,150 --> 01:07:24,559

the data is all the same it's just how

1636

01:07:30,470 --> 01:07:28,160

you interpret it um

1637

01:07:32,470 --> 01:07:30,480

but he is one of the extremes as far as

1638

01:07:34,230 --> 01:07:32,480

negativity with these beings

1639

01:07:35,990 --> 01:07:34,240

the beings have skills to heal and they

1640

01:07:38,710 --> 01:07:36,000

teach workshops these are the hybrids

1641

01:07:40,549 --> 01:07:38,720

that are on this planet allegedly

1642

01:07:41,750 --> 01:07:40,559

they're a bridge between us and ets and

1643

01:07:44,309 --> 01:07:41,760

they help us

1644

01:07:46,069 --> 01:07:44,319

like ets would like to but the ets can't

1645

01:07:48,150 --> 01:07:46,079

because they can't withstand our viruses

1646

01:07:50,309 --> 01:07:48,160

and bacteria

1647

01:07:55,510 --> 01:07:50,319

they also send walk-in souls from the

1648

01:07:56,950 --> 01:07:55,520

e.t realm a human in their 30s or 40s

1649

01:07:59,029 --> 01:07:56,960

who doesn't want to be on this planet

1650

01:08:01,589 --> 01:07:59,039

anymore they go all right i'm done so

1651

01:08:03,349 --> 01:08:01,599

then they take the other soul to the e t

1652

01:08:06,150 --> 01:08:03,359

soul they replace the human soul the

1653

01:08:07,670 --> 01:08:06,160

human goes somewhere else

1654

01:08:10,150 --> 01:08:07,680

they make an agreement and then the

1655

01:08:11,910 --> 01:08:10,160

walk-ins are here for really benevolent

1656

01:08:13,589 --> 01:08:11,920

purposes they inspire us they make us

1657

01:08:15,430 --> 01:08:13,599

aware of et's and they connect us with

1658

01:08:16,950 --> 01:08:15,440

benevolent beings

1659

01:08:18,630 --> 01:08:16,960

the walk-ins come from the spiritual

1660

01:08:20,070 --> 01:08:18,640

realm and those who don't want to go

1661

01:08:21,430 --> 01:08:20,080

through they don't want to go through

1662

01:08:22,470 --> 01:08:21,440

being an infant they don't want to go

1663

01:08:26,070 --> 01:08:22,480

through childhood they don't want to go

1664

01:08:28,229 --> 01:08:26,080

into teenage years so they enter

1665

01:08:29,269 --> 01:08:28,239

a person here in their 30s or 40s they

1666

01:08:30,470 --> 01:08:29,279

don't have to deal with all that stuff

1667

01:08:31,990 --> 01:08:30,480

and then that person gets the hell out

1668

01:08:33,829 --> 01:08:32,000

of here and then she's asked you have

1669

01:08:35,510 --> 01:08:33,839

you heard of my labs and barbara lam

1670

01:08:37,110 --> 01:08:35,520

goes yes many of my clients i don't know

1671

01:08:39,749 --> 01:08:37,120

why she didn't bring this up on her own

1672

01:08:41,510 --> 01:08:39,759

she goes many of my clients

1673

01:08:43,030 --> 01:08:41,520

have had that experience

1674

01:08:45,910 --> 01:08:43,040

where they're taken by humans to an

1675

01:08:47,990 --> 01:08:45,920

underground facility they see humans

1676

01:08:50,309 --> 01:08:48,000

military types and they also usually see

1677

01:08:51,669 --> 01:08:50,319

an e.t or two she knows many who have

1678

01:08:53,749 --> 01:08:51,679

experienced that

1679

01:08:55,510 --> 01:08:53,759

and who have experienced off-planet et

1680

01:08:58,950 --> 01:08:55,520

experiences and they prefer the

1681

01:09:00,470 --> 01:08:58,960

off-planet experiences to the my lab

1682

01:09:02,149 --> 01:09:00,480

i don't know why that wasn't brought up

1683

01:09:03,430 --> 01:09:02,159

in her lecture because it's too negative

1684

01:09:07,749 --> 01:09:03,440

i mean if it's part of your data it

1685

01:09:10,709 --> 01:09:09,189

but the lecture probably wasn't about

1686

01:09:13,349 --> 01:09:10,719

that so my bad

1687

01:09:15,189 --> 01:09:13,359

i wonder about this she says

1688

01:09:16,950 --> 01:09:15,199

you know david jacobs told me he wishes

1689

01:09:19,749 --> 01:09:16,960

he could have people who who can come to

1690

01:09:21,510 --> 01:09:19,759

me who have positive experiences

1691

01:09:24,630 --> 01:09:21,520

last night i was told david jacobs does

1692

01:09:26,709 --> 01:09:24,640

has does have positive experiences

1693

01:09:28,630 --> 01:09:26,719

and barbara lamb goes when we start

1694

01:09:31,030 --> 01:09:28,640

the people don't know what we're going

1695

01:09:32,470 --> 01:09:31,040

to find but many times not always events

1696

01:09:34,630 --> 01:09:32,480

that appear to be negative turn out to

1697

01:09:35,910 --> 01:09:34,640

be helpful and she says

1698

01:09:37,910 --> 01:09:35,920

she doesn't know why negative

1699

01:09:39,829 --> 01:09:37,920

experiences have been drawn to jacobs

1700

01:09:41,189 --> 01:09:39,839

and vice versa while the positive ones

1701

01:09:43,430 --> 01:09:41,199

have been drawn to her although they're

1702

01:09:44,550 --> 01:09:43,440

not positive right away

1703

01:09:47,269 --> 01:09:44,560

whitley

1704

01:09:47,279 --> 01:09:56,390

so

1705

01:10:00,390 --> 01:09:58,790

i spoke to barbara via email about that

1706

01:10:02,390 --> 01:10:00,400

whole situation barbara gave me a

1707

01:10:03,830 --> 01:10:02,400

statement but i'm leaving that all alone

1708

01:10:04,950 --> 01:10:03,840

i have statements from a lot of people

1709

01:10:07,590 --> 01:10:04,960

involved

1710

01:10:08,950 --> 01:10:07,600

other researchers but

1711

01:10:14,550 --> 01:10:08,960

i think it's best that i just leave it

1712

01:10:19,590 --> 01:10:16,310

i still have contact with the person in

1713

01:10:24,390 --> 01:10:19,600

question the female so

1714

01:10:28,830 --> 01:10:26,390
my lab et are the equivalent of a

1715

01:10:32,149 --> 01:10:28,840
reproduction of ufos

1716

01:10:33,750 --> 01:10:32,159
um just that the people who have my labs

1717

01:10:37,030 --> 01:10:33,760
see

1718

01:10:39,990 --> 01:10:37,040
non-human beings with military

1719

01:10:41,030 --> 01:10:40,000
so they're both there

1720

01:10:42,790 --> 01:10:41,040
i don't know if it means there's a

1721

01:10:47,830 --> 01:10:42,800
reproduction vehicle there or the humans

1722

01:10:51,110 --> 01:10:47,840
were on board the craft the the et craft

1723

01:10:55,110 --> 01:10:53,030
yeah

1724

01:10:56,470 --> 01:10:55,120
genga today hybrids are here to help i

1725

01:10:58,149 --> 01:10:56,480
never heard that too but i don't really

1726

01:10:59,910 --> 01:10:58,159

read a lot about hybrids i've heard

1727

01:11:03,590 --> 01:10:59,920

about it via jacobs but i don't i

1728

01:11:04,709 --> 01:11:03,600

haven't even read jacob's material um

1729

01:11:06,550 --> 01:11:04,719

not a big

1730

01:11:07,750 --> 01:11:06,560

deep diver into the abduction i mean

1731

01:11:10,229 --> 01:11:07,760

i've heard a lot of it i've heard

1732

01:11:13,189 --> 01:11:10,239

whitley street whitley speak

1733

01:11:14,950 --> 01:11:13,199

um so yeah i don't know

1734

01:11:17,030 --> 01:11:14,960

that's barbara lam i'm not sure if all

1735

01:11:19,189 --> 01:11:17,040

the data suggests that or if that's her

1736

01:11:20,950 --> 01:11:19,199

interpretation i don't know

1737

01:11:22,550 --> 01:11:20,960

so here's whitley

1738

01:11:24,070 --> 01:11:22,560

talked about the panel yesterday which i

1739

01:11:26,229 --> 01:11:24,080

love that panel he goes it was very

1740

01:11:27,910 --> 01:11:26,239

powerful and interesting

1741

01:11:29,430 --> 01:11:27,920

um

1742

01:11:31,430 --> 01:11:29,440

we don't know what the visit

1743

01:11:33,110 --> 01:11:31,440

visitors are

1744

01:11:34,310 --> 01:11:33,120

he goes i hope they want i hope they

1745

01:11:35,270 --> 01:11:34,320

know what they are but sometimes i

1746

01:11:36,709 --> 01:11:35,280

wonder

1747

01:11:38,070 --> 01:11:36,719

unless we do this together it's not

1748

01:11:39,430 --> 01:11:38,080

going to happen at all we cannot wait

1749

01:11:40,790 --> 01:11:39,440

for the government

1750

01:11:44,870 --> 01:11:40,800

i don't think this the government will

1751

01:11:47,830 --> 01:11:46,550

i wish i had a whitley impersonation for

1752

01:11:49,030 --> 01:11:47,840

you you can make it obvious when he's

1753

01:11:50,709 --> 01:11:49,040

talking

1754

01:11:54,870 --> 01:11:50,719

life is going to be much harder as we go

1755

01:11:59,350 --> 01:11:57,110

his journey that started in wonder and

1756

01:12:01,510 --> 01:11:59,360

then great and terrible darkness has

1757

01:12:05,189 --> 01:12:01,520

emerged into the richness and complexity

1758

01:12:06,870 --> 01:12:05,199

that he lives with today

1759

01:12:08,950 --> 01:12:06,880

he talks about trauma he goes there's

1760

01:12:12,310 --> 01:12:08,960

another another form of trauma called

1761

01:12:14,390 --> 01:12:12,320

cultural trauma where that seth shostak

1762

01:12:16,550 --> 01:12:14,400

and neil degrasse tyson are going

1763

01:12:19,750 --> 01:12:16,560

through he says they're like cicadas

1764

01:12:21,750 --> 01:12:19,760

screaming you know outside you hear them

1765

01:12:23,510 --> 01:12:21,760

so loud he goes and it's not funny it's

1766

01:12:25,189 --> 01:12:23,520

really serious because their reactions

1767

01:12:27,510 --> 01:12:25,199

like neil degrasse tyson when you see

1768

01:12:28,709 --> 01:12:27,520

him squirming in his seat because he's

1769

01:12:30,950 --> 01:12:28,719

so uncomfortable he goes that's the

1770

01:12:32,870 --> 01:12:30,960

result of trauma it's like coroner

1771

01:12:35,110 --> 01:12:32,880

cornering a tiger their world view is

1772

01:12:37,189 --> 01:12:35,120

about to be overturned

1773

01:12:40,630 --> 01:12:37,199

why because someone is here and they're

1774

01:12:43,270 --> 01:12:40,640

so technologically far ahead of us

1775

01:12:45,189 --> 01:12:43,280

whitley does say though he's not so sure

1776

01:12:46,470 --> 01:12:45,199

they're spiritually

1777

01:12:48,470 --> 01:12:46,480

and

1778

01:12:49,910 --> 01:12:48,480

either ethically or morally ahead i'm

1779

01:12:51,669 --> 01:12:49,920

not sure which word he used but

1780

01:12:53,270 --> 01:12:51,679

something along those lines and yeah i

1781

01:12:54,310 --> 01:12:53,280

love that i know because people are like

1782

01:12:57,030 --> 01:12:54,320

well if they

1783

01:12:59,510 --> 01:12:57,040

if they can travel here they're probably

1784

01:13:01,430 --> 01:12:59,520

there's no war you know they're advanced

1785

01:13:05,750 --> 01:13:01,440

spiritually and he's like i'm not so

1786

01:13:08,950 --> 01:13:07,270

and then he said this bleeds off into

1787

01:13:10,470 --> 01:13:08,960

the relationship between the soul and

1788

01:13:13,030 --> 01:13:10,480

the body

1789

01:13:14,790 --> 01:13:13,040

the visitors this is cool for me because

1790

01:13:17,189 --> 01:13:14,800

he goes the visitors take him out of his

1791

01:13:18,790 --> 01:13:17,199

body because he can't do it

1792

01:13:20,870 --> 01:13:18,800

he went to he went to the monroe

1793

01:13:23,189 --> 01:13:20,880

institute which is a place in fact faber

1794

01:13:25,270 --> 01:13:23,199

virginia robert monroe started

1795

01:13:27,110 --> 01:13:25,280

after having his out-of-body experiences

1796

01:13:28,390 --> 01:13:27,120

and writing the books

1797

01:13:30,550 --> 01:13:28,400

and it's supposed to help you have it's

1798

01:13:32,470 --> 01:13:30,560

like a week-long you go to week-long

1799

01:13:33,590 --> 01:13:32,480

seminars or retreats and they're

1800

01:13:35,510 --> 01:13:33,600

supposed to help you have an out about

1801
01:13:37,110 --> 01:13:35,520
experience he said that didn't help and

1802
01:13:39,350 --> 01:13:37,120
then he worked with william beulman's

1803
01:13:41,189 --> 01:13:39,360
techniques if you ever buy a book on

1804
01:13:42,870 --> 01:13:41,199
out-of-body experiences william

1805
01:13:44,950 --> 01:13:42,880
billman's

1806
01:13:46,550 --> 01:13:44,960
adventures out of the body it's such an

1807
01:13:48,790 --> 01:13:46,560
amazing book back in the day i got to

1808
01:13:50,550 --> 01:13:48,800
see him lecture afterwards at the

1809
01:13:51,910 --> 01:13:50,560
conferences that we go to and then i

1810
01:13:54,070 --> 01:13:51,920
went out to dinner with him it was

1811
01:13:55,030 --> 01:13:54,080
really great

1812
01:13:56,709 --> 01:13:55,040
uh

1813
01:13:58,470 --> 01:13:56,719

he said the beings would inject some

1814

01:14:00,470 --> 01:13:58,480

sort of energy between his neck and the

1815

01:14:03,110 --> 01:14:00,480

spine and it feels like he's unlocking

1816

01:14:04,470 --> 01:14:03,120

and that's how he gets out of body

1817

01:14:06,310 --> 01:14:04,480

he said he's been on out-of-body

1818

01:14:09,030 --> 01:14:06,320

missions where multiple witnesses saw

1819

01:14:11,510 --> 01:14:09,040

him he goes ask diana pasulka he goes

1820

01:14:13,669 --> 01:14:11,520

her scientist in the book tyler has seen

1821

01:14:19,270 --> 01:14:13,679

him when he was out of body i'm not sure

1822

01:14:26,950 --> 01:14:23,270

human mutilations no just humans missing

1823

01:14:30,790 --> 01:14:29,430

i love whitley um one of my favorites

1824

01:14:32,229 --> 01:14:30,800

one of my favorite lectures i went to

1825

01:14:35,510 --> 01:14:32,239

was at a house in

1826

01:14:37,270 --> 01:14:35,520

malibu drove here drove there from vegas

1827

01:14:38,870 --> 01:14:37,280

that's up on my site i transcribed that

1828

01:14:40,390 --> 01:14:38,880

whole lecture

1829

01:14:44,149 --> 01:14:40,400

he was great he's always a great he's a

1830

01:14:47,910 --> 01:14:45,750

we're not just physical bodies he goes i

1831

01:14:50,070 --> 01:14:47,920

don't believe in supernatural definition

1832

01:14:51,830 --> 01:14:50,080

or paranormal paranormal he goes we're

1833

01:14:53,830 --> 01:14:51,840

you know it's one nature some parts we

1834

01:14:55,510 --> 01:14:53,840

understand some parts we don't science

1835

01:14:56,790 --> 01:14:55,520

cannot penetrate beyond the physical

1836

01:14:59,510 --> 01:14:56,800

energetic world

1837

01:15:01,590 --> 01:14:59,520

once science learns this and they will

1838

01:15:04,149 --> 01:15:01,600

it will end the trauma for people you

1839

01:15:06,870 --> 01:15:04,159

know people like neil degrasse tyson and

1840

01:15:09,350 --> 01:15:06,880

seth shostak

1841

01:15:11,350 --> 01:15:09,360

i am not this is whitley i am not an

1842

01:15:13,510 --> 01:15:11,360

advocate for the visitors i'm an

1843

01:15:15,590 --> 01:15:13,520

advocate for us we're not less

1844

01:15:17,430 --> 01:15:15,600

intelligent than the vis we're not less

1845

01:15:20,709 --> 01:15:17,440

intelligent than the visitors

1846

01:15:24,709 --> 01:15:20,719

as i know them very well they crash they

1847

01:15:26,709 --> 01:15:24,719

crash in their craft and his wife annie

1848

01:15:28,229 --> 01:15:26,719

who's now deceased but he says she still

1849

01:15:29,590 --> 01:15:28,239

communicates with him and they're one

1850

01:15:31,910 --> 01:15:29,600

soul together

1851

01:15:34,149 --> 01:15:31,920

he goes and he says i worry about you

1852

01:15:36,709 --> 01:15:34,159

whitley because you go with them and

1853

01:15:38,630 --> 01:15:36,719

they crash and whitney goes

1854

01:15:41,270 --> 01:15:38,640

it's not that bad they're very efficient

1855

01:15:42,550 --> 01:15:41,280

and ann says i want to see one so

1856

01:15:44,630 --> 01:15:42,560

whitley's like yeah they have a sense of

1857

01:15:46,790 --> 01:15:44,640

humor so

1858

01:15:48,870 --> 01:15:46,800

whitley goes show and one of your craft

1859

01:15:51,110 --> 01:15:48,880

so they're in a hot tub

1860

01:15:52,950 --> 01:15:51,120

outside and they hear a noise and they

1861

01:15:54,070 --> 01:15:52,960

look up and they said it was like a wood

1862

01:15:56,870 --> 01:15:54,080

pile

1863

01:15:58,390 --> 01:15:56,880

covered with christmas lights

1864

01:16:01,669 --> 01:15:58,400

you know when we talk about the

1865

01:16:03,510 --> 01:16:01,679

phenomenon being able to take any form

1866

01:16:04,709 --> 01:16:03,520

if that's an accurate portrayal of what

1867

01:16:05,830 --> 01:16:04,719

they saw it seems like you know they

1868

01:16:07,830 --> 01:16:05,840

were playing a little joke and they just

1869

01:16:09,030 --> 01:16:07,840

took a form because if you read keel

1870

01:16:10,870 --> 01:16:09,040

there's other

1871

01:16:12,390 --> 01:16:10,880

craft that look like there's no way they

1872

01:16:14,070 --> 01:16:12,400

should be able to fly

1873

01:16:15,910 --> 01:16:14,080

so it was a wood pile looked like a wood

1874

01:16:18,950 --> 01:16:15,920

pile covered with uh

1875

01:16:20,709 --> 01:16:18,960

christmas lights and and and he goes

1876

01:16:22,390 --> 01:16:20,719

and streamer goes that's a ufo and what

1877

01:16:25,110 --> 01:16:22,400

they goes well it's not like the ones

1878

01:16:27,350 --> 01:16:25,120

i've seen she's like i hope not you

1879

01:16:30,790 --> 01:16:27,360

can't fly in that and then it moved away

1880

01:16:36,070 --> 01:16:34,149

once the general media recognizes

1881

01:16:38,310 --> 01:16:36,080

experiencers he goes you know be

1882

01:16:39,910 --> 01:16:38,320

prepared to be traumatized again because

1883

01:16:41,910 --> 01:16:39,920

they're going to deny it

1884

01:16:44,790 --> 01:16:41,920

they cannot handle the idea that a

1885

01:16:46,310 --> 01:16:44,800

superior superior

1886

01:16:49,110 --> 01:16:46,320

not ethically

1887

01:16:51,030 --> 01:16:49,120

superior and don't forget that he says

1888

01:16:53,270 --> 01:16:51,040

cannot handle the fact that the superior

1889

01:16:54,390 --> 01:16:53,280

superior intelligence with technology is

1890

01:16:55,830 --> 01:16:54,400

here

1891

01:16:57,990 --> 01:16:55,840

and then he mentions how they're going

1892

01:16:59,830 --> 01:16:58,000

to push the false memory foundation he

1893

01:17:01,430 --> 01:16:59,840

mentions elizabeth

1894

01:17:05,750 --> 01:17:01,440

loftus

1895

01:17:10,070 --> 01:17:06,950

and then he goes he goes i've

1896

01:17:15,830 --> 01:17:13,669

i was known as the rectal probe man

1897

01:17:17,669 --> 01:17:15,840

he goes what about whitley schreiber the

1898

01:17:20,070 --> 01:17:17,679

rape victim because people made fun of

1899

01:17:22,709 --> 01:17:20,080

him it's like i was raped and people

1900

01:17:25,270 --> 01:17:22,719

were making fun of me

1901

01:17:27,350 --> 01:17:25,280

where experiences are the last social

1902

01:17:29,910 --> 01:17:27,360

group that can be bullied laughed at

1903

01:17:32,390 --> 01:17:29,920

divorced lose our jobs you know we're

1904

01:17:34,390 --> 01:17:32,400

victims we're victims of the visitors

1905

01:17:36,790 --> 01:17:34,400

and our own people too people who make

1906

01:17:38,709 --> 01:17:36,800

fun of experiencers

1907

01:17:40,550 --> 01:17:38,719

many close encounter folks have gone

1908

01:17:42,070 --> 01:17:40,560

through this he was laughed out on larry

1909

01:17:45,910 --> 01:17:42,080

king after a tough experience the night

1910

01:17:50,870 --> 01:17:48,470

the broad general public will integrate

1911

01:17:53,350 --> 01:17:50,880

the presence their presence into the

1912

01:17:55,270 --> 01:17:53,360

into their belief systems but not us

1913

01:17:57,910 --> 01:17:55,280

he goes not the contactees the

1914

01:18:00,390 --> 01:17:57,920

experiences we're beyond that

1915

01:18:01,830 --> 01:18:00,400

and on his website unknowncountry.com he

1916

01:18:03,510 --> 01:18:01,840

has a lot of people experiences who

1917

01:18:05,510 --> 01:18:03,520

comment he goes

1918

01:18:06,550 --> 01:18:05,520

some have stopped

1919

01:18:08,149 --> 01:18:06,560

uh

1920

01:18:09,750 --> 01:18:08,159

their experiences with the visitors

1921

01:18:11,830 --> 01:18:09,760

because they don't like them i thought

1922

01:18:13,910 --> 01:18:11,840

you couldn't stop it but he says the the

1923

01:18:15,510 --> 01:18:13,920

visitors their their

1924

01:18:17,430 --> 01:18:15,520

experiences have stopped and they didn't

1925

01:18:22,630 --> 01:18:17,440

want anything anything to do with it

1926

01:18:27,990 --> 01:18:24,390

he said he never forgot the day when he

1927

01:18:31,830 --> 01:18:29,590

he says one common thing among

1928

01:18:35,270 --> 01:18:31,840

experiences is close encounter folks is

1929

01:18:36,709 --> 01:18:35,280

they have some sort of childhood trauma

1930

01:18:38,470 --> 01:18:36,719

he said i've been accused of being

1931

01:18:40,630 --> 01:18:38,480

confused i'm not confused at all i'm a

1932

01:18:41,910 --> 01:18:40,640

very efficient efficient observer

1933

01:18:43,910 --> 01:18:41,920

however

1934

01:18:45,590 --> 01:18:43,920

he admits that what he saw may not be an

1935

01:18:47,030 --> 01:18:45,600

accurate portrayal of what was actually

1936

01:18:49,189 --> 01:18:47,040

there like i just said with the wood

1937

01:18:50,630 --> 01:18:49,199

pile if they could take any form you

1938

01:18:56,149 --> 01:18:50,640

know screen memories manipulate

1939

01:19:03,669 --> 01:18:57,590

skip that

1940

01:19:07,430 --> 01:19:05,669

said most kids have their memories have

1941

01:19:09,189 --> 01:19:07,440

to be recalled but with this particular

1942

01:19:11,350 --> 01:19:09,199

memory whitley said he went out on the

1943

01:19:13,030 --> 01:19:11,360

roof he has this memory on the roof and

1944

01:19:15,350 --> 01:19:13,040

then he went up on the air on some big

1945

01:19:16,709 --> 01:19:15,360

dark blue life raft with other kids they

1946

01:19:18,470 --> 01:19:16,719

were having fun

1947

01:19:19,990 --> 01:19:18,480

but the little men that were there with

1948

01:19:22,149 --> 01:19:20,000

them were gasping because the kids were

1949

01:19:23,669 --> 01:19:22,159

going to the edge and then the little

1950

01:19:26,070 --> 01:19:23,679

men were pulling them aside and then the

1951

01:19:28,709 --> 01:19:26,080

memory ends he goes i think that

1952

01:19:30,390 --> 01:19:28,719

probably happened

1953

01:19:32,630 --> 01:19:30,400

he says the visitors see him as someone

1954

01:19:34,149 --> 01:19:32,640

who would steal a flying saucer if given

1955

01:19:38,790 --> 01:19:34,159

the chance and he goes

1956

01:19:43,030 --> 01:19:40,950

he believes uh forensic hypnosis in the

1957

01:19:45,430 --> 01:19:43,040

hands of a pro is efficient as far as

1958

01:19:48,310 --> 01:19:45,440

recalling memories he had a professional

1959

01:19:49,910 --> 01:19:48,320

therapist dr klein

1960

01:19:51,189 --> 01:19:49,920

and he remembers one of the sessions

1961

01:19:52,790 --> 01:19:51,199

where

1962

01:19:55,270 --> 01:19:52,800

he was asked how old do you and whitley

1963

01:19:56,310 --> 01:19:55,280

remembered in a childhood voice 12 years

1964

01:19:57,750 --> 01:19:56,320

old

1965

01:19:59,110 --> 01:19:57,760

he remembered this experience where his

1966

01:20:00,390 --> 01:19:59,120

dad was there and they were i think they

1967

01:20:01,990 --> 01:20:00,400

were on board a craft and there were

1968

01:20:03,910 --> 01:20:02,000

cots and

1969

01:20:06,070 --> 01:20:03,920

his dad was so frightened he said the

1970

01:20:07,750 --> 01:20:06,080

fear in his dad's face and because

1971

01:20:09,189 --> 01:20:07,760

whitley's like it's gonna be okay dad

1972

01:20:10,629 --> 01:20:09,199

and he said no whitley it's not all

1973

01:20:13,910 --> 01:20:10,639

right he just remembers that moment he

1974

01:20:15,750 --> 01:20:13,920

almost started crying talking about that

1975

01:20:17,430 --> 01:20:15,760

uh the visitors are very good at keeping

1976

01:20:23,350 --> 01:20:17,440

our memories from us but he would

1977

01:20:26,470 --> 01:20:25,110

summer so this is his experience for

1978

01:20:28,709 --> 01:20:26,480

people who don't know whitley's

1979

01:20:30,550 --> 01:20:28,719

experience

1980

01:20:32,070 --> 01:20:30,560

he he went through it

1981

01:20:33,350 --> 01:20:32,080

um and i'm gonna go through it again

1982

01:20:34,709 --> 01:20:33,360

because i know there i'm sure there are

1983

01:20:38,870 --> 01:20:34,719

some people that don't know the details

1984

01:20:42,149 --> 01:20:41,110

summer of 1985 he started having bad

1985

01:20:45,990 --> 01:20:42,159

headaches

1986

01:20:47,830 --> 01:20:46,000

so he knew something was wrong

1987

01:20:50,310 --> 01:20:47,840

he was up the he was up up at the cabin

1988

01:20:51,750 --> 01:20:50,320

in upstate new york um they they lived

1989

01:20:53,990 --> 01:20:51,760

in manhattan they had an apartment in

1990

01:20:55,430 --> 01:20:54,000

manhattan but they they also had a cabin

1991

01:20:56,790 --> 01:20:55,440

in upstate new york they would always go

1992

01:20:59,030 --> 01:20:56,800

to

1993

01:21:00,950 --> 01:20:59,040

so he started becoming really paranoid

1994

01:21:03,350 --> 01:21:00,960

and scared he bought guns he was like he

1995

01:21:04,950 --> 01:21:03,360

was it was like he was on guard and his

1996

01:21:06,470 --> 01:21:04,960

wife andy thought he was going crazy

1997

01:21:08,229 --> 01:21:06,480

he's like we live in the middle of

1998

01:21:09,510 --> 01:21:08,239

nowhere there's no crime here what is

1999

01:21:11,750 --> 01:21:09,520

wrong with you

2000

01:21:13,910 --> 01:21:11,760

then october of 1985 a light appeared

2001
01:21:15,590 --> 01:21:13,920
over his cabin as two of his friends

2002
01:21:17,270 --> 01:21:15,600
were sleeping over

2003
01:21:18,950 --> 01:21:17,280
uh his wife was sick and tired of

2004
01:21:20,550 --> 01:21:18,960
sleeping through she didn't see it so

2005
01:21:22,229 --> 01:21:20,560
she goes i'm sick of tired of sleeping

2006
01:21:23,669 --> 01:21:22,239
through all the interesting things that

2007
01:21:25,830 --> 01:21:23,679
happened in this house

2008
01:21:27,270 --> 01:21:25,840
and that's when she said you know

2009
01:21:30,950 --> 01:21:27,280
why are you so paranoid he's like i

2010
01:21:32,470 --> 01:21:30,960
can't explain it then december 26 1985

2011
01:21:35,350 --> 01:21:32,480
wakes up in his bed

2012
01:21:37,669 --> 01:21:35,360
surrounded by bugs

2013
01:21:39,590 --> 01:21:37,679

and i'm not gonna edit here he was a

2014

01:21:41,510 --> 01:21:39,600

little graphic he goes

2015

01:21:43,189 --> 01:21:41,520

he was surrounded by bugs

2016

01:21:45,030 --> 01:21:43,199

needles in his head they put needles in

2017

01:21:47,750 --> 01:21:45,040

his head and they rammed something up

2018

01:21:49,590 --> 01:21:47,760

his ass he goes i had many psychological

2019

01:21:51,910 --> 01:21:49,600

effects i felt dominated

2020

01:21:53,350 --> 01:21:51,920

they forced an erection

2021

01:21:54,870 --> 01:21:53,360

he goes you usually don't get an

2022

01:21:57,270 --> 01:21:54,880

erection when you're when you're in a

2023

01:21:59,350 --> 01:21:57,280

room surrounded by giant bugs

2024

01:22:01,910 --> 01:21:59,360

uh he ejaculated they took it ran away

2025

01:22:03,430 --> 01:22:01,920

with it he remembers the beans taking it

2026

01:22:05,030 --> 01:22:03,440

and then he mentions that he you know

2027

01:22:06,390 --> 01:22:05,040

jacobs and bud hopkins he's like we

2028

01:22:09,110 --> 01:22:06,400

argued over the years but he goes i

2029

01:22:11,510 --> 01:22:09,120

still think they both did good work

2030

01:22:12,790 --> 01:22:11,520

um now he's back in his house afterwards

2031

01:22:15,030 --> 01:22:12,800

the day after

2032

01:22:16,550 --> 01:22:15,040

he has physical injuries he just blows

2033

01:22:18,870 --> 01:22:16,560

him off told himself it must have been

2034

01:22:21,110 --> 01:22:18,880

an owl he goes the visitors create deer

2035

01:22:23,270 --> 01:22:21,120

and owl as screen memories he told

2036

01:22:25,669 --> 01:22:23,280

himself it couldn't be real but it hurt

2037

01:22:27,590 --> 01:22:25,679

like hell he had a hole where the needle

2038

01:22:29,910 --> 01:22:27,600

went in i think in his head goes but it

2039

01:22:32,070 --> 01:22:29,920

can't be real because if it is my whole

2040

01:22:33,430 --> 01:22:32,080

world will my whole world view will

2041

01:22:35,110 --> 01:22:33,440

implode

2042

01:22:36,470 --> 01:22:35,120

just like the scientific community will

2043

01:22:38,950 --> 01:22:36,480

implode soon

2044

01:22:41,510 --> 01:22:38,960

that's what he said he goes you'll

2045

01:22:43,110 --> 01:22:41,520

either grip your gun and grit your teeth

2046

01:22:44,790 --> 01:22:43,120

and say

2047

01:22:46,870 --> 01:22:44,800

i'm gonna he goes you'll either grip

2048

01:22:48,790 --> 01:22:46,880

your gun or grit your teeth and say i'm

2049

01:22:51,669 --> 01:22:48,800

gonna go through this

2050

01:22:53,669 --> 01:22:51,679

so march of 1986 so that's three months

2051

01:22:55,669 --> 01:22:53,679

after his experience he realizes it's

2052

01:22:57,830 --> 01:22:55,679

real at that point he thought he was

2053

01:23:00,629 --> 01:22:57,840

going crazy and that's really what he

2054

01:23:02,229 --> 01:23:00,639

thought was going on

2055

01:23:04,310 --> 01:23:02,239

got into fights with his family he was

2056

01:23:05,830 --> 01:23:04,320

scared thought maybe he was psychotic he

2057

01:23:07,590 --> 01:23:05,840

told his wife listen just get away from

2058

01:23:09,350 --> 01:23:07,600

me i'm not well i'm psychotic you really

2059

01:23:11,830 --> 01:23:09,360

need to get away from me but once he

2060

01:23:13,350 --> 01:23:11,840

realized it was real

2061

01:23:14,870 --> 01:23:13,360

and that happened when he talked to his

2062

01:23:18,629 --> 01:23:14,880

friend timothy

2063

01:23:20,310 --> 01:23:18,639

listen whitley i know it happened and i

2064

01:23:21,750 --> 01:23:20,320

don't remember ever hearing the story he

2065

01:23:23,669 --> 01:23:21,760

goes i know it happened because at the

2066

01:23:26,709 --> 01:23:23,679

time of your experience

2067

01:23:29,430 --> 01:23:26,719

my wife's friends saw these little grave

2068

01:23:31,750 --> 01:23:29,440

beings walking around in their backyard

2069

01:23:33,430 --> 01:23:31,760

and so whitley is like so maybe that

2070

01:23:35,669 --> 01:23:33,440

experience that person had happened on

2071

01:23:37,830 --> 01:23:35,679

purpose so it gave whitley the ability

2072

01:23:41,030 --> 01:23:37,840

to accept his experience was real

2073

01:23:42,790 --> 01:23:41,040

so he sits annie his wife down he says

2074

01:23:44,870 --> 01:23:42,800

she's like she was what he goes she was

2075

01:23:48,149 --> 01:23:44,880

worried i was gonna ask for a divorce

2076

01:23:51,030 --> 01:23:48,159

again and he says listen annie i was

2077

01:23:53,270 --> 01:23:51,040

taken aboard a flying saucer with little

2078

01:23:54,950 --> 01:23:53,280

men and she says

2079

01:23:57,270 --> 01:23:54,960

oh thank god i thought you were going

2080

01:23:59,030 --> 01:23:57,280

crazy that's pretty funny he's told that

2081

01:24:00,709 --> 01:23:59,040

story before

2082

01:24:02,950 --> 01:24:00,719

amazing that his wife was so

2083

01:24:04,390 --> 01:24:02,960

understanding of that

2084

01:24:06,070 --> 01:24:04,400

it's amazing that he goes it's important

2085

01:24:07,750 --> 01:24:06,080

to have good people on your side as we

2086

01:24:09,830 --> 01:24:07,760

go on your family and friends will be

2087

01:24:13,350 --> 01:24:09,840

more open and you can stop keeping this

2088

01:24:15,270 --> 01:24:13,360

secret if if you keep the secret

2089

01:24:16,629 --> 01:24:15,280

and took over at that point you know

2090

01:24:18,070 --> 01:24:16,639

trying to determine what's real what's

2091

01:24:20,390 --> 01:24:18,080

imagined

2092

01:24:22,790 --> 01:24:20,400

i went through that

2093

01:24:25,030 --> 01:24:22,800

not exactly my first ex-wife would have

2094

01:24:26,870 --> 01:24:25,040

experiences and she knew that i wouldn't

2095

01:24:28,149 --> 01:24:26,880

just accept them you know i would i

2096

01:24:29,510 --> 01:24:28,159

would accept them but when we would talk

2097

01:24:30,790 --> 01:24:29,520

about that we're like how do you know

2098

01:24:32,550 --> 01:24:30,800

what you're seeing is really actually

2099

01:24:35,669 --> 01:24:32,560

what you're seeing and like

2100

01:24:37,030 --> 01:24:35,679

i believe you're seeing it but it's like

2101

01:24:38,870 --> 01:24:37,040

i have no

2102

01:24:40,229 --> 01:24:38,880

evidence for myself so it's like and she

2103

01:24:42,070 --> 01:24:40,239

knew she couldn't tell people she would

2104

01:24:43,270 --> 01:24:42,080

tell me stuff though

2105

01:24:44,790 --> 01:24:43,280

there was times when she had some

2106

01:24:47,990 --> 01:24:44,800

feedback

2107

01:24:50,709 --> 01:24:49,270

talked about

2108

01:24:52,070 --> 01:24:50,719

i wasn't going to talk about this my

2109

01:24:53,430 --> 01:24:52,080

notes are not good but i didn't know

2110

01:24:58,470 --> 01:24:53,440

this they had

2111

01:25:02,149 --> 01:25:00,229

she says they were she says they were he

2112

01:25:03,270 --> 01:25:02,159

says they were showing the baby

2113

01:25:04,629 --> 01:25:03,280

i'm not sure if he's talking about a

2114

01:25:06,709 --> 01:25:04,639

hybrid here but that's kind of what he's

2115

01:25:08,709 --> 01:25:06,719

talking about later on

2116

01:25:10,310 --> 01:25:08,719

and then later he confronted a child a

2117

01:25:12,470 --> 01:25:10,320

boy that was real who ended up living in

2118

01:25:14,870 --> 01:25:12,480

his woods behind the cabin this is in

2119

01:25:17,110 --> 01:25:14,880

the book

2120

01:25:18,790 --> 01:25:17,120

the key i believe one of my favorite

2121

01:25:20,070 --> 01:25:18,800

striper books

2122

01:25:21,669 --> 01:25:20,080

and

2123

01:25:22,870 --> 01:25:21,679

this kid would hang up behind the cabin

2124

01:25:24,629 --> 01:25:22,880

he would smoke

2125

01:25:27,590 --> 01:25:24,639

it seemed like he had permanent internal

2126

01:25:28,390 --> 01:25:27,600

trauma he didn't know until recently

2127

01:25:30,390 --> 01:25:28,400

that

2128

01:25:31,910 --> 01:25:30,400

this kid may have been his kid this kid

2129

01:25:33,110 --> 01:25:31,920

followed him from the cabin in new york

2130

01:25:34,629 --> 01:25:33,120

to texas

2131

01:25:36,470 --> 01:25:34,639

he felt like the kid telepathically

2132

01:25:38,790 --> 01:25:36,480

touched his mind not to bother just as

2133

01:25:41,350 --> 01:25:38,800

an inquisitive kid would do

2134

01:25:42,950 --> 01:25:41,360

um but whitley drove him away he didn't

2135

01:25:44,070 --> 01:25:42,960

want him there he said he said he was

2136

01:25:45,590 --> 01:25:44,080

like really

2137

01:25:47,189 --> 01:25:45,600

when he was telling the story he was a

2138

01:25:49,510 --> 01:25:47,199

little bit depressed saying i could have

2139

01:25:51,030 --> 01:25:49,520

built a relationship that was part of me

2140

01:25:53,350 --> 01:25:51,040

you know that was part of me and part of

2141

01:25:55,030 --> 01:25:53,360

some other world but i failed him not

2142

01:25:57,030 --> 01:25:55,040

many people get to live with the child

2143

01:25:59,270 --> 01:25:57,040

that child that comes out of that union

2144

01:26:01,030 --> 01:25:59,280

you go you know i think of him now where

2145

01:26:05,110 --> 01:26:01,040

is he now is there any salvation for him

2146

01:26:08,390 --> 01:26:06,870

we must not fail these children as we go

2147

01:26:10,149 --> 01:26:08,400

forward he says

2148

01:26:12,629 --> 01:26:10,159

they will have skills we don't possess

2149

01:26:14,390 --> 01:26:12,639

telepathy is real but it's limited by

2150

01:26:16,470 --> 01:26:14,400

distance which i've never heard that

2151
01:26:18,149 --> 01:26:16,480
although i have no i have heard that but

2152
01:26:19,750 --> 01:26:18,159
i've also heard that it's not he goes

2153
01:26:21,750 --> 01:26:19,760
thank god telepathy is limited by

2154
01:26:24,790 --> 01:26:21,760
distance otherwise elon musk could force

2155
01:26:26,070 --> 01:26:24,800
me to uncontrollably buy multiple teslas

2156
01:26:28,229 --> 01:26:26,080
kind of funny

2157
01:26:30,390 --> 01:26:28,239
um so back in the he's back at the cabin

2158
01:26:32,950 --> 01:26:30,400
he started going out in the woods

2159
01:26:34,550 --> 01:26:32,960
getting a little courage and uh

2160
01:26:36,310 --> 01:26:34,560
wanted to re-engage with him on another

2161
01:26:37,270 --> 01:26:36,320
level

2162
01:26:39,030 --> 01:26:37,280
and

2163
01:26:40,550 --> 01:26:39,040

he said the hardest thing in his life

2164

01:26:42,709 --> 01:26:40,560

was to go back into those woods at night

2165

01:26:44,310 --> 01:26:42,719

by himself he goes i didn't piss myself

2166

01:26:46,310 --> 01:26:44,320

because i had pissed before i went out

2167

01:26:49,110 --> 01:26:46,320

he used those words he goes and now i

2168

01:26:51,189 --> 01:26:49,120

don't feel like a rabblot anymore

2169

01:26:52,550 --> 01:26:51,199

i feel like i'm a searcher and they're

2170

01:26:54,390 --> 01:26:52,560

my teachers

2171

01:26:56,470 --> 01:26:54,400

this phenomenon will accommodate you as

2172

01:26:58,229 --> 01:26:56,480

long as you accommodate it

2173

01:26:59,990 --> 01:26:58,239

they won't give you lottery numbers or

2174

01:27:01,910 --> 01:27:00,000

stock picks although he thinks they can

2175

01:27:03,669 --> 01:27:01,920

he goes but if you get it

2176

01:27:05,030 --> 01:27:03,679

if you do get lottery numbers or stock

2177

01:27:05,990 --> 01:27:05,040

picks he'll be pissed because he doesn't

2178

01:27:08,790 --> 01:27:06,000

get him

2179

01:27:10,470 --> 01:27:08,800

um after the rectal probe jokes went out

2180

01:27:12,870 --> 01:27:10,480

all that stuff south park made fun of

2181

01:27:14,470 --> 01:27:12,880

him he said his book sales plummeted

2182

01:27:15,990 --> 01:27:14,480

uh they got thousands hundreds of

2183

01:27:17,830 --> 01:27:16,000

thousands of letters that ann went

2184

01:27:19,189 --> 01:27:17,840

through that's at temple university i

2185

01:27:22,550 --> 01:27:19,199

believe the collection the communion

2186

01:27:27,270 --> 01:27:24,149

uh he had an implant in his ear which

2187

01:27:30,149 --> 01:27:27,280

you can watch the surgery online

2188

01:27:32,629 --> 01:27:30,159

at somewhere on his site or youtube

2189

01:27:34,470 --> 01:27:32,639

he said the implant emitted a signal uh

2190

01:27:37,189 --> 01:27:34,480

signal he had it analyzed but the

2191

01:27:38,870 --> 01:27:37,199

results are classified i have no who

2192

01:27:40,149 --> 01:27:38,880

analyzed it that he got the results

2193

01:27:41,830 --> 01:27:40,159

classified he can't even look at the

2194

01:27:43,830 --> 01:27:41,840

results

2195

01:27:45,430 --> 01:27:43,840

i didn't know that i would love to ask

2196

01:27:47,110 --> 01:27:45,440

him details about that i will try to

2197

01:27:48,790 --> 01:27:47,120

interview him on my show or my youtube

2198

01:27:50,950 --> 01:27:48,800

thing

2199

01:27:52,709 --> 01:27:50,960

says since 2015

2200

01:27:54,470 --> 01:27:52,719

his relationship with the visitors that

2201
01:27:56,470 --> 01:27:54,480
started out with trauma and struggle and

2202
01:27:58,470 --> 01:27:56,480
suffering and anguish has evolved and

2203
01:28:01,189 --> 01:27:58,480
changed it was a willingness on both

2204
01:28:02,950 --> 01:28:01,199
sides to do it now i'm here and i'm not

2205
01:28:04,709 --> 01:28:02,960
going away i'm not in trauma i'm not

2206
01:28:07,030 --> 01:28:04,719
struggling the visitors have become

2207
01:28:09,270 --> 01:28:07,040
helpful supportive loving and friendly

2208
01:28:11,590 --> 01:28:09,280
but they will never be pretty the way

2209
01:28:15,030 --> 01:28:11,600
they live and the way folks who

2210
01:28:16,950 --> 01:28:15,040
are close to them live he goes it's not

2211
01:28:20,790 --> 01:28:16,960
clean

2212
01:28:22,870 --> 01:28:20,800
visitors are slob that was the big

2213
01:28:25,110 --> 01:28:22,880

reveal from today they don't throw their

2214

01:28:26,390 --> 01:28:25,120

garbage out

2215

01:28:28,950 --> 01:28:26,400

they live with

2216

01:28:30,550 --> 01:28:28,960

all of their dirty socks on the floor

2217

01:28:32,629 --> 01:28:30,560

you know someday

2218

01:28:34,550 --> 01:28:32,639

we can get rid of them we cannot drive

2219

01:28:37,750 --> 01:28:34,560

them off because we don't know what

2220

01:28:39,590 --> 01:28:37,760

level of reality they come from um

2221

01:28:41,270 --> 01:28:39,600

we can't have a war with someone that

2222

01:28:43,110 --> 01:28:41,280

injects themselves into our physical

2223

01:28:44,470 --> 01:28:43,120

reality via technology that's what he

2224

01:28:47,030 --> 01:28:44,480

believes he believes there they come

2225

01:28:49,590 --> 01:28:47,040

into our world via technology

2226

01:28:51,189 --> 01:28:49,600

and now they wake him up at 3am

2227

01:28:52,790 --> 01:28:51,199

you know it was after his wife died they

2228

01:28:54,790 --> 01:28:52,800

would wake him up at 3am blow on his

2229

01:28:57,430 --> 01:28:54,800

face kiss him he goes maybe it was anne

2230

01:28:59,270 --> 01:28:57,440

he goes uh it moved him very deeply and

2231

01:29:01,990 --> 01:28:59,280

now he does that meditation at that

2232

01:29:05,030 --> 01:29:02,000

three o'clock time period 3 a.m is when

2233

01:29:06,550 --> 01:29:05,040

he does his med one of his meditations

2234

01:29:07,669 --> 01:29:06,560

i think the only thing i have left now

2235

01:29:09,910 --> 01:29:07,679

is

2236

01:29:14,229 --> 01:29:09,920

no i don't i have mark and danny oh my

2237

01:29:19,189 --> 01:29:15,750

how long i've been going

2238

01:29:23,430 --> 01:29:21,510

he talks about all right mark and danny

2239

01:29:25,510 --> 01:29:23,440

mark sims danny sheen

2240

01:29:27,669 --> 01:29:25,520

form the new paradigm institute

2241

01:29:30,229 --> 01:29:27,679

uh interface between human consciousness

2242

01:29:31,430 --> 01:29:30,239

and human reality and experiences

2243

01:29:32,390 --> 01:29:31,440

originally it was going to be put at

2244

01:29:35,270 --> 01:29:32,400

harvard

2245

01:29:39,110 --> 01:29:37,590

and mac noticed it was a pattern john

2246

01:29:41,110 --> 01:29:39,120

mack noticed it was a pattern with

2247

01:29:43,510 --> 01:29:41,120

experiences in their lives with these

2248

01:29:45,189 --> 01:29:43,520

experiences

2249

01:29:47,669 --> 01:29:45,199

and she and said

2250

01:29:49,350 --> 01:29:47,679

you know to mac why don't we change the

2251
01:29:50,470 --> 01:29:49,360
train these people for future encounters

2252
01:29:53,590 --> 01:29:50,480
we could teach them

2253
01:29:56,790 --> 01:29:53,600
holotropic breathing stanislav

2254
01:29:59,030 --> 01:29:56,800
extreme relaxation so maybe then when

2255
01:30:00,950 --> 01:29:59,040
the experienced experiencers encounter

2256
01:30:02,550 --> 01:30:00,960
the beings they'll be more calm they

2257
01:30:04,390 --> 01:30:02,560
won't throw things at the aliens because

2258
01:30:06,070 --> 01:30:04,400
people have done that

2259
01:30:07,430 --> 01:30:06,080
this way the aliens won't have to freeze

2260
01:30:08,870 --> 01:30:07,440
them because they're afraid of getting

2261
01:30:10,550 --> 01:30:08,880
hit by something or getting injured or

2262
01:30:11,510 --> 01:30:10,560
whatever it wouldn't have to paralyze

2263
01:30:14,470 --> 01:30:11,520

the people

2264

01:30:17,750 --> 01:30:15,830

so they have this one experience of

2265

01:30:19,669 --> 01:30:17,760

karen and she she learned the

2266

01:30:21,430 --> 01:30:19,679

holotrophic breathing

2267

01:30:23,750 --> 01:30:21,440

and and danny says the aliens were

2268

01:30:25,350 --> 01:30:23,760

pleased and they were like oh my gosh

2269

01:30:26,229 --> 01:30:25,360

she's not throwing things at us this is

2270

01:30:28,390 --> 01:30:26,239

great

2271

01:30:30,629 --> 01:30:28,400

and they took her to a planet to meet

2272

01:30:32,709 --> 01:30:30,639

her hybrid child

2273

01:30:35,189 --> 01:30:32,719

and danny's like let's form a diplomatic

2274

01:30:37,030 --> 01:30:35,199

reach out team to the et's

2275

01:30:38,790 --> 01:30:37,040

it talks about 1994 that's when john

2276

01:30:40,310 --> 01:30:38,800

mack from harvard the psychiatrist and

2277

01:30:41,910 --> 01:30:40,320

pulitzer prize winner who wrote about

2278

01:30:43,590 --> 01:30:41,920

lawrence of arabia

2279

01:30:46,229 --> 01:30:43,600

was killed in london when he stepped out

2280

01:30:48,390 --> 01:30:46,239

and looked the wrong way

2281

01:30:50,070 --> 01:30:48,400

a car hit him

2282

01:30:53,030 --> 01:30:50,080

so

2283

01:30:54,950 --> 01:30:53,040

after that mack was killed um a new

2284

01:30:56,470 --> 01:30:54,960

facility was offered or donated to the

2285

01:30:58,310 --> 01:30:56,480

new paradigm institute and it's in

2286

01:31:01,750 --> 01:30:58,320

northern california

2287

01:31:03,750 --> 01:31:01,760

70 000 square feet arc deco castle 100

2288

01:31:06,310 --> 01:31:03,760

miles north of san francisco on clear

2289

01:31:07,910 --> 01:31:06,320

lake uh lucerne california

2290

01:31:09,750 --> 01:31:07,920

and there's there's a little sign there

2291

01:31:13,030 --> 01:31:09,760

that says welcome to the switzerland of

2292

01:31:15,030 --> 01:31:13,040

california and he met mark sims who was

2293

01:31:17,350 --> 01:31:15,040

focused on global climate change after

2294

01:31:19,510 --> 01:31:17,360

his experience with teshbar which was

2295

01:31:21,189 --> 01:31:19,520

2012 i think

2296

01:31:22,790 --> 01:31:21,199

and danny was focused on climate change

2297

01:31:23,990 --> 01:31:22,800

so they joined that and worked on that

2298

01:31:25,669 --> 01:31:24,000

together

2299

01:31:27,510 --> 01:31:25,679

mark says the castle will take too long

2300

01:31:29,270 --> 01:31:27,520

to get ready so let's do it virtually

2301

01:31:30,870 --> 01:31:29,280

and that's why they have everything

2302

01:31:33,110 --> 01:31:30,880

virtual right now

2303

01:31:35,430 --> 01:31:33,120

which i think is a great idea because

2304

01:31:37,350 --> 01:31:35,440

especially with covid

2305

01:31:38,709 --> 01:31:37,360

so they want to engage with the greatest

2306

01:31:41,110 --> 01:31:38,719

minds of the world we're not the only

2307

01:31:42,709 --> 01:31:41,120

ones in this universe they may be here

2308

01:31:45,430 --> 01:31:42,719

and how do we integrate that into our

2309

01:31:47,669 --> 01:31:45,440

world view so it's called the virtual

2310

01:31:49,830 --> 01:31:47,679

new paradigm institute they want to do

2311

01:31:51,590 --> 01:31:49,840

citizens outreach diplomacy and there

2312

01:31:53,189 --> 01:31:51,600

are two tower two towers on the campus

2313

01:31:56,149 --> 01:31:53,199

that's where you will go that's where

2314

01:31:57,750 --> 01:31:56,159

their virtual offices are

2315

01:31:59,030 --> 01:31:57,760

one of them is where the new paradigm

2316

01:32:01,590 --> 01:31:59,040

institute is

2317

01:32:03,750 --> 01:32:01,600

uh the really good stuff with craft and

2318

01:32:05,350 --> 01:32:03,760

bodies and all that stuff danny says

2319

01:32:07,110 --> 01:32:05,360

it's being hidden in some corporate

2320

01:32:09,030 --> 01:32:07,120

entity and the best scientific minds are

2321

01:32:10,629 --> 01:32:09,040

being kept out of the conversation just

2322

01:32:12,709 --> 01:32:10,639

like eric weinstein was talking about

2323

01:32:14,390 --> 01:32:12,719

yesterday and getting frustrated

2324

01:32:15,590 --> 01:32:14,400

why do i keep hearing about aerospace

2325

01:32:17,510 --> 01:32:15,600

companies

2326

01:32:19,990 --> 01:32:17,520

um

2327

01:32:21,750 --> 01:32:20,000

he mentions the jason's that group that

2328

01:32:23,590 --> 01:32:21,760

would work with the government on secret

2329

01:32:25,590 --> 01:32:23,600

defense stuff he goes we need those

2330

01:32:27,669 --> 01:32:25,600

folks those types of folks and

2331

01:32:29,990 --> 01:32:27,679

former former similar jason-like group

2332

01:32:31,910 --> 01:32:30,000

that focuses on focuses on peace and all

2333

01:32:34,149 --> 01:32:31,920

different kinds of human knowledge

2334

01:32:37,270 --> 01:32:34,159

they're all impacted we're all impacted

2335

01:32:38,470 --> 01:32:37,280

by quantum physics and et intelligence

2336

01:32:40,550 --> 01:32:38,480

he goes

2337

01:32:42,390 --> 01:32:40,560

can we use this et or whatever it is

2338

01:32:44,149 --> 01:32:42,400

that's me throwing that in et tech to

2339

01:32:45,590 --> 01:32:44,159

help us with climate change

2340

01:32:47,910 --> 01:32:45,600

and they're gonna teach courses at the

2341

01:32:49,990 --> 01:32:47,920

virtual new paradigm institute and it's

2342

01:32:52,950 --> 01:32:50,000

gonna be like a harry potter institute i

2343

01:32:54,950 --> 01:32:52,960

was like what harry potter institute

2344

01:32:57,189 --> 01:32:54,960

uh there'll be an experimenter area for

2345

01:32:58,790 --> 01:32:57,199

with counseling which that's great and

2346

01:33:01,030 --> 01:32:58,800

you can go in a private room nobody can

2347

01:33:02,550 --> 01:33:01,040

hear you

2348

01:33:04,070 --> 01:33:02,560

and the folks who are comfortable with

2349

01:33:06,790 --> 01:33:04,080

going through the training the holocrap

2350

01:33:08,950 --> 01:33:06,800

the holographic holotropic breathing and

2351

01:33:10,629 --> 01:33:08,960

other training to reach out to these

2352

01:33:11,669 --> 01:33:10,639

alleged et's he goes that you know they

2353

01:33:15,830 --> 01:33:11,679

could

2354

01:33:17,669 --> 01:33:15,840

policies and be part of that group who

2355

01:33:19,270 --> 01:33:17,679

want to communicate with the et's that's

2356

01:33:21,270 --> 01:33:19,280

one thing danny always says the et's the

2357

01:33:22,870 --> 01:33:21,280

et's the et's and i know he said before

2358

01:33:24,390 --> 01:33:22,880

that he doesn't know what they are but

2359

01:33:26,790 --> 01:33:24,400

he's left open the other possibilities

2360

01:33:28,629 --> 01:33:26,800

but he always resorts to et's

2361

01:33:30,709 --> 01:33:28,639

don't no no no need to worry about the

2362

01:33:32,470 --> 01:33:30,719

logan logan act when dealing trying to

2363

01:33:34,390 --> 01:33:32,480

communicate with ets i think that's

2364

01:33:35,910 --> 01:33:34,400

they'll act if you work with a foreign

2365

01:33:37,510 --> 01:33:35,920

government and i don't know the

2366

01:33:39,350 --> 01:33:37,520

specifics but it's called the logan act

2367

01:33:41,990 --> 01:33:39,360

you put you in jail treason type of

2368

01:33:43,350 --> 01:33:42,000

thing and then mark some sims jumps in

2369

01:33:45,669 --> 01:33:43,360

and he says

2370

01:33:47,669 --> 01:33:45,679

he stopped funding the in 2017 the

2371

01:33:49,990 --> 01:33:47,679

institute because there was no progress

2372

01:33:50,870 --> 01:33:50,000

and nobody was open to discussing this

2373

01:33:52,390 --> 01:33:50,880

he goes

2374

01:33:54,070 --> 01:33:52,400

people wouldn't leave their jobs to come

2375

01:33:56,149 --> 01:33:54,080

aboard because you know they'd have to

2376

01:33:58,790 --> 01:33:56,159

move to a new location in san francisco

2377

01:34:00,790 --> 01:33:58,800

if that ever got going um i would move

2378

01:34:02,950 --> 01:34:00,800

to san francisco or an hour north of san

2379

01:34:04,149 --> 01:34:02,960

francisco

2380

01:34:06,470 --> 01:34:04,159

and then all of a sudden the new york

2381

01:34:08,229 --> 01:34:06,480

times changed everything um

2382

01:34:10,390 --> 01:34:08,239

he always recognized the need for a

2383

01:34:12,070 --> 01:34:10,400

virtual institute uh we need to get

2384

01:34:13,510 --> 01:34:12,080

professionals and not amateurs and by

2385

01:34:16,310 --> 01:34:13,520

that he means people who are not paid

2386

01:34:18,790 --> 01:34:16,320

not that people are bad amateurs

2387

01:34:20,070 --> 01:34:18,800

get the data via foia uh witnesses

2388

01:34:22,709 --> 01:34:20,080

experiencers and place it in a

2389

01:34:24,390 --> 01:34:22,719

repository that anybody can access share

2390

01:34:26,070 --> 01:34:24,400

the data with other groups and then he

2391

01:34:28,070 --> 01:34:26,080

mentioned jeff jeffrey cripel yesterday

2392

01:34:29,350 --> 01:34:28,080

saying we need money we need people if

2393

01:34:31,590 --> 01:34:29,360

you want people to leave your jobs and

2394

01:34:35,030 --> 01:34:31,600

do this full-time to leave their jobs

2395

01:34:39,990 --> 01:34:37,750

and mark says he goes i'm blessed to be

2396

01:34:41,830 --> 01:34:40,000

fairly wealthy and i've kept the powder

2397

01:34:44,229 --> 01:34:41,840

dry over the years i guess he's meaning

2398

01:34:46,229 --> 01:34:44,239

he didn't back a lot of issues

2399

01:34:48,790 --> 01:34:46,239

he has a background of 3d graphics and

2400

01:34:51,109 --> 01:34:48,800

gaming tech and interactive uh computer

2401

01:34:53,270 --> 01:34:51,119

graphics which is he goes perfect to

2402

01:34:54,950 --> 01:34:53,280

figure out the tech and issues like he

2403

01:34:56,310 --> 01:34:54,960

goes he's the perfect guy to figure out

2404

01:34:58,070 --> 01:34:56,320

figure out tech issues like when you

2405

01:35:00,310 --> 01:34:58,080

have somebody in france who's on the

2406

01:35:01,750 --> 01:35:00,320

virtual institute and they speak french

2407

01:35:03,109 --> 01:35:01,760

and they can't communicate he can bridge

2408

01:35:05,430 --> 01:35:03,119

that gap with

2409

01:35:07,910 --> 01:35:05,440

translation plug-ins and he talks about

2410

01:35:09,109 --> 01:35:07,920

ae avatars you know some of them he'll

2411

01:35:10,870 --> 01:35:09,119

say well make sure people know they're

2412

01:35:11,830 --> 01:35:10,880

dealing with ae but some of the avatars

2413

01:35:14,070 --> 01:35:11,840

can be

2414

01:35:15,990 --> 01:35:14,080

you know like a gray or reptilian he

2415

01:35:17,350 --> 01:35:16,000

goes but there's good and bad reptilians

2416

01:35:20,629 --> 01:35:17,360

so we'll have some reptilians with an

2417

01:35:22,550 --> 01:35:20,639

attitude he's joking around but yeah

2418

01:35:24,709 --> 01:35:22,560

they can that that'd be fun you know et

2419

01:35:26,390 --> 01:35:24,719

uh avatars

2420

01:35:28,229 --> 01:35:26,400

make it interactive with oculus which i

2421

01:35:29,750 --> 01:35:28,239

know is virtual reality make a kit make

2422

01:35:30,550 --> 01:35:29,760

young kids will be want to do it young

2423

01:35:32,470 --> 01:35:30,560

people

2424

01:35:34,310 --> 01:35:32,480

the goal is to have brick and mortar but

2425

01:35:35,910 --> 01:35:34,320

it needs a lot of tlc and a lot of money

2426
01:35:37,430 --> 01:35:35,920
for remodeling the one up in northern

2427
01:35:39,109 --> 01:35:37,440
california

2428
01:35:40,310 --> 01:35:39,119
and once you're you're you learn and

2429
01:35:41,750 --> 01:35:40,320
you're qualified at the virtual

2430
01:35:43,750 --> 01:35:41,760
institute you'll be invited to the brick

2431
01:35:46,149 --> 01:35:43,760
and mortar and then you'll go into field

2432
01:35:47,910 --> 01:35:46,159
and attempt contact

2433
01:35:49,510 --> 01:35:47,920
we don't know what questions we will ask

2434
01:35:50,870 --> 01:35:49,520
of a highly advanced intelligent

2435
01:35:52,229 --> 01:35:50,880
civilization assuming they're

2436
01:35:54,310 --> 01:35:52,239
extraterrestrial

2437
01:35:55,830 --> 01:35:54,320
if we go beyond a certain point like

2438
01:35:57,990 --> 01:35:55,840

climate wise and environmental

2439

01:35:59,030 --> 01:35:58,000

denigration gets out of hand we may need

2440

01:36:01,350 --> 01:35:59,040

their help

2441

01:36:03,109 --> 01:36:01,360

the non-human intelligence but we have

2442

01:36:05,430 --> 01:36:03,119

to be very kiss the sims we have to be

2443

01:36:07,109 --> 01:36:05,440

very careful with how we do this

2444

01:36:08,709 --> 01:36:07,119

you know what are our what are what are

2445

01:36:10,390 --> 01:36:08,719

our core values

2446

01:36:12,870 --> 01:36:10,400

establishing peaceful relations with

2447

01:36:15,109 --> 01:36:12,880

et's we're not going to be armed

2448

01:36:16,550 --> 01:36:15,119

we're going to assume

2449

01:36:18,790 --> 01:36:16,560

that they are

2450

01:36:22,149 --> 01:36:18,800

technically and i believe he said

2451

01:36:24,310 --> 01:36:22,159

ethically superior and i think

2452

01:36:27,590 --> 01:36:24,320

i think the second part to assume that

2453

01:36:29,270 --> 01:36:27,600

they're ethically superior is a mistake

2454

01:36:31,350 --> 01:36:29,280

you know mark says you know they can

2455

01:36:32,310 --> 01:36:31,360

influence our minds if they want so in

2456

01:36:35,109 --> 01:36:32,320

other words they could have done

2457

01:36:37,030 --> 01:36:35,119

whatever they wanted over the years um

2458

01:36:38,390 --> 01:36:37,040

so

2459

01:36:40,629 --> 01:36:38,400

their message has always been about

2460

01:36:42,310 --> 01:36:40,639

climate change and nuclear you know

2461

01:36:44,390 --> 01:36:42,320

nuclear nukes

2462

01:36:46,950 --> 01:36:44,400

are they are friendly are they friendly

2463

01:36:48,550 --> 01:36:46,960

it appears some are trying to guide us

2464

01:36:50,310 --> 01:36:48,560

we need to identify the ones who have

2465

01:36:52,149 --> 01:36:50,320

warned us and reached and reached out to

2466

01:36:54,310 --> 01:36:52,159

them and then help hopefully they'll

2467

01:36:56,229 --> 01:36:54,320

give us guidance and then

2468

01:36:59,189 --> 01:36:56,239

we need help from academia and maybe

2469

01:37:01,350 --> 01:36:59,199

former government people to help us with

2470

01:37:03,750 --> 01:37:01,360

diplomatic relations

2471

01:37:07,189 --> 01:37:03,760

now the last part which is not short

2472

01:37:07,199 --> 01:37:13,830

who's still here bug is still here

2473

01:37:18,070 --> 01:37:16,629

whitley did talk about let me find that

2474

01:37:20,709 --> 01:37:18,080

maybe i missed it

2475

01:37:21,750 --> 01:37:20,719

whitley talked about the nordics

2476

01:37:23,590 --> 01:37:21,760

maybe

2477

01:37:26,229 --> 01:37:23,600

you know i wasn't i don't always get i

2478

01:37:27,990 --> 01:37:26,239

didn't have every perfect note

2479

01:37:31,590 --> 01:37:28,000

let me just look really quick if i see

2480

01:37:38,790 --> 01:37:34,470

nordics it's very possible i just missed

2481

01:37:48,790 --> 01:37:41,189

i need to put a graphic up with music

2482

01:37:53,030 --> 01:37:51,669

so yeah um

2483

01:37:54,470 --> 01:37:53,040

i felt like

2484

01:37:56,149 --> 01:37:54,480

i don't know i'll ask you guys what you

2485

01:37:57,990 --> 01:37:56,159

thought i thought today was all over the

2486

01:38:02,950 --> 01:37:58,000

place just so many different opinions on

2487

01:38:02,960 --> 01:38:11,189

shoot i can't find it

2488

01:38:17,189 --> 01:38:14,070

let me just search for a second

2489

01:38:17,199 --> 01:38:19,669

no

2490

01:38:23,109 --> 01:38:21,189

maybe that's later maybe it's in the

2491

01:38:29,189 --> 01:38:23,119

panel

2492

01:38:33,109 --> 01:38:31,430

i gotta get a drink and i'll finish the

2493

01:38:35,430 --> 01:38:33,119

panel and then

2494

01:38:37,109 --> 01:38:35,440

if you have questions and i can eat

2495

01:38:45,350 --> 01:38:37,119

dinner

2496

01:39:00,950 --> 01:38:47,000

wow

2497

01:39:03,350 --> 01:39:02,229

oh yeah

2498

01:39:07,830 --> 01:39:03,360

all right

2499

01:39:12,950 --> 01:39:09,830

so the paddle was uh

2500

01:39:15,910 --> 01:39:14,870

mr summers i forget his first name mary

2501
01:39:17,109 --> 01:39:15,920
rodwell

2502
01:39:19,030 --> 01:39:17,119
barbara lamb

2503
01:39:21,270 --> 01:39:19,040
mark sims

2504
01:39:27,510 --> 01:39:21,280
i don't think sims was there i think um

2505
01:39:32,790 --> 01:39:30,790
whitley got so little time

2506
01:39:34,310 --> 01:39:32,800
martin summers i think so barbara lamb

2507
01:39:35,590 --> 01:39:34,320
says you know start out people start out

2508
01:39:37,030 --> 01:39:35,600
fear and trauma they're poked and

2509
01:39:39,430 --> 01:39:37,040
prodded

2510
01:39:42,390 --> 01:39:39,440
it seems very non-consensual i'm like

2511
01:39:44,149 --> 01:39:42,400
seems it's non-consensual but you know

2512
01:39:46,229 --> 01:39:44,159
i'm not gonna put in the whole soul

2513
01:39:48,149 --> 01:39:46,239

contract you made an agreement and

2514

01:39:51,430 --> 01:39:48,159

signed it in soul blood

2515

01:39:52,830 --> 01:39:51,440

to undergo these experiences experiences

2516

01:39:55,189 --> 01:39:52,840

even if that's the case it's not

2517

01:39:56,709 --> 01:39:55,199

consensual to me

2518

01:39:58,149 --> 01:39:56,719

because however she goes some of these

2519

01:40:00,310 --> 01:39:58,159

folks realize that the

2520

01:40:01,830 --> 01:40:00,320

subsequent experiences where they are

2521

01:40:05,750 --> 01:40:01,840

working with different likable

2522

01:40:07,189 --> 01:40:05,760

acceptable beings in our human view

2523

01:40:09,030 --> 01:40:07,199

and they're inspiring these beings are

2524

01:40:11,590 --> 01:40:09,040

inspiring to be with they teach them all

2525

01:40:13,830 --> 01:40:11,600

kinds of things psychic abilities pk you

2526

01:40:15,910 --> 01:40:13,840

know psychokinesis telepathy healing

2527

01:40:17,750 --> 01:40:15,920

skills over many years starts at

2528

01:40:19,990 --> 01:40:17,760

childhood experiences talk about

2529

01:40:21,590 --> 01:40:20,000

different species all over the universe

2530

01:40:22,870 --> 01:40:21,600

and then she mentions the galactic

2531

01:40:26,229 --> 01:40:22,880

federation

2532

01:40:28,790 --> 01:40:26,239

does not take everybody in earth does

2533

01:40:30,709 --> 01:40:28,800

not qualify for the galactic uh

2534

01:40:33,430 --> 01:40:30,719

federation for obvious reasons we're

2535

01:40:37,030 --> 01:40:35,430

um kids and adults experiences they

2536

01:40:39,590 --> 01:40:37,040

learn about other ways of life on other

2537

01:40:41,910 --> 01:40:39,600

planets some not all of these beings

2538

01:40:43,189 --> 01:40:41,920

have a great amount of care for humanity

2539

01:40:44,550 --> 01:40:43,199

in this planet

2540

01:40:46,229 --> 01:40:44,560

and then linda molten howe which was

2541

01:40:47,590 --> 01:40:46,239

really hard to follow some of it she

2542

01:40:51,430 --> 01:40:47,600

goes

2543

01:40:54,149 --> 01:40:51,440

out today which i have not seen because

2544

01:40:56,629 --> 01:40:54,159

i've been doing this she said

2545

01:41:00,550 --> 01:40:56,639

41 of adults i'm not sure if it's the

2546

01:41:03,189 --> 01:41:00,560

united states 41 of adults think some

2547

01:41:04,950 --> 01:41:03,199

ufos involve alien beings from other

2548

01:41:06,709 --> 01:41:04,960

planets that's a lot

2549

01:41:09,430 --> 01:41:06,719

because that's up eight percent from

2550

01:41:11,189 --> 01:41:09,440

2019

2551

01:41:14,070 --> 01:41:11,199

she did have a close-up encounter with a

2552

01:41:16,149 --> 01:41:14,080

large craft i did not know that 1986 she

2553

01:41:21,109 --> 01:41:16,159

had just finished strange harvest about

2554

01:41:23,990 --> 01:41:21,990

and

2555

01:41:26,070 --> 01:41:24,000

she had law enforcement tell her that

2556

01:41:28,149 --> 01:41:26,080

these were carried out by creatures from

2557

01:41:30,149 --> 01:41:28,159

outer space and

2558

01:41:31,590 --> 01:41:30,159

go read or listen to christopher o'brien

2559

01:41:33,270 --> 01:41:31,600

he has a completely different take and

2560

01:41:36,310 --> 01:41:33,280

he thinks linda molten hal resorts to

2561

01:41:38,870 --> 01:41:36,320

the e.t explanation way too many times

2562

01:41:41,750 --> 01:41:38,880

so 1986 she's out of bank in aurora

2563

01:41:43,510 --> 01:41:41,760

colorado it's november sun goes hot sun

2564

01:41:45,750 --> 01:41:43,520

goes down behind the mountains it's dusk

2565

01:41:47,270 --> 01:41:45,760

it's beautiful silhouetted mountain

2566

01:41:48,790 --> 01:41:47,280

beautiful sky

2567

01:41:50,310 --> 01:41:48,800

she goes to myself she says to herself

2568

01:41:51,430 --> 01:41:50,320

this is so beautiful she walks through

2569

01:41:53,430 --> 01:41:51,440

her car

2570

01:41:55,830 --> 01:41:53,440

and she said something made her spin and

2571

01:41:57,430 --> 01:41:55,840

she spun around in her chair

2572

01:41:59,430 --> 01:41:57,440

really fast her briefcase on her

2573

01:42:01,669 --> 01:41:59,440

shoulder hit the car she was near it was

2574

01:42:04,390 --> 01:42:01,679

as if some as if something made her look

2575

01:42:06,870 --> 01:42:04,400

up and she saw a boomerang

2576

01:42:09,430 --> 01:42:06,880

she could see right the front

2577

01:42:11,030 --> 01:42:09,440

six layers um in front of her it was

2578

01:42:13,189 --> 01:42:11,040

clear it was almost like a plane going

2579

01:42:15,030 --> 01:42:13,199

over and the layers looked like a hotel

2580

01:42:16,629 --> 01:42:15,040

like hotel levels

2581

01:42:18,629 --> 01:42:16,639

and as she came down towards the back of

2582

01:42:20,310 --> 01:42:18,639

the boomerang she saw shapes and at the

2583

01:42:23,189 --> 01:42:20,320

end there were objects

2584

01:42:24,790 --> 01:42:23,199

carved like a quartz crits crystal she

2585

01:42:26,149 --> 01:42:24,800

says i'm not saying they were a crotch

2586

01:42:27,990 --> 01:42:26,159

quartz crystal but it looked like that

2587

01:42:30,070 --> 01:42:28,000

it was multifaceted she could see

2588

01:42:31,590 --> 01:42:30,080

through it the quartz crystal

2589

01:42:33,669 --> 01:42:31,600

uh nobody else was there she said that

2590

01:42:36,310 --> 01:42:33,679

was kind of weird that time of the day

2591

01:42:38,070 --> 01:42:36,320

and it moved very slow unnaturally slow

2592

01:42:39,109 --> 01:42:38,080

she sketched it too she did not have to

2593

01:42:40,070 --> 01:42:39,119

sketch

2594

01:42:43,830 --> 01:42:40,080

and she's starting to get more

2595

01:42:45,990 --> 01:42:43,840

whistleblower reports than ever before

2596

01:42:48,390 --> 01:42:46,000

before the experience she was more

2597

01:42:49,990 --> 01:42:48,400

suspect of suspect of experimenter

2598

01:42:52,790 --> 01:42:50,000

stories she couldn't relate with them

2599

01:42:54,550 --> 01:42:52,800

but afterwards after her sighting

2600

01:42:56,709 --> 01:42:54,560

you know she said it made her more

2601
01:42:58,390 --> 01:42:56,719
flexible when listening to experiencers

2602
01:42:59,990 --> 01:42:58,400
and she's like was that designed to help

2603
01:43:01,910 --> 01:43:00,000
her with that

2604
01:43:03,669 --> 01:43:01,920
and she mentions the navy pilots being

2605
01:43:04,790 --> 01:43:03,679
allowed to talk to the press now i'm not

2606
01:43:07,430 --> 01:43:04,800
really sure

2607
01:43:09,030 --> 01:43:07,440
if it was allowed i think

2608
01:43:11,590 --> 01:43:09,040
it wasn't classified and the ones who

2609
01:43:13,189 --> 01:43:11,600
were not on duty who retired they were

2610
01:43:15,030 --> 01:43:13,199
allowed to talk about it because nobody

2611
01:43:16,790 --> 01:43:15,040
ever told them not to

2612
01:43:19,590 --> 01:43:16,800
but that's a major change for her the

2613
01:43:22,470 --> 01:43:20,709

she said at one point i don't know what

2614

01:43:24,149 --> 01:43:22,480

year this was she was the government was

2615

01:43:26,310 --> 01:43:24,159

telling her and she had a tap on her

2616

01:43:28,390 --> 01:43:26,320

phone

2617

01:43:30,070 --> 01:43:28,400

and

2618

01:43:31,510 --> 01:43:30,080

i've heard a story from somebody on the

2619

01:43:33,430 --> 01:43:31,520

other end

2620

01:43:34,950 --> 01:43:33,440

related to that her tap phone being

2621

01:43:37,030 --> 01:43:34,960

tapped and she said a local phone

2622

01:43:38,470 --> 01:43:37,040

company confirmed it i don't know how

2623

01:43:40,629 --> 01:43:38,480

why a local company

2624

01:43:42,310 --> 01:43:40,639

if the federal government or whoever put

2625

01:43:43,669 --> 01:43:42,320

a tap on your phone and you call up the

2626

01:43:45,109 --> 01:43:43,679

phone company and you say yes can you

2627

01:43:46,790 --> 01:43:45,119

tell me if my phone is tapped well she

2628

01:43:48,950 --> 01:43:46,800

said the local phone company confirmed

2629

01:43:51,189 --> 01:43:48,960

it and they said linda it's a legal tap

2630

01:43:53,109 --> 01:43:51,199

and we can tell you nothing more and she

2631

01:43:54,790 --> 01:43:53,119

was a no well-known media person at the

2632

01:43:56,470 --> 01:43:54,800

time

2633

01:43:58,310 --> 01:43:56,480

and she talked about after world war two

2634

01:44:00,470 --> 01:43:58,320

we began building the deepest black

2635

01:44:02,310 --> 01:44:00,480

black programs and it's still there the

2636

01:44:05,189 --> 01:44:02,320

power brokers know about what's going on

2637

01:44:08,229 --> 01:44:05,199

humans are deliberately being kept blind

2638

01:44:11,109 --> 01:44:08,239

this is amazing she is 79.

2639

01:44:12,629 --> 01:44:11,119

linda moulton howe is 79 and she goes

2640

01:44:14,470 --> 01:44:12,639

that's amazing she looks great she's

2641

01:44:15,910 --> 01:44:14,480

still working and

2642

01:44:17,669 --> 01:44:15,920

she goes in her opinion this is the most

2643

01:44:19,910 --> 01:44:17,679

dangerous situation we can imagine 8

2644

01:44:21,910 --> 01:44:19,920

billion souls on this planet and mines

2645

01:44:23,990 --> 01:44:21,920

unless something radically changes you

2646

01:44:26,550 --> 01:44:24,000

know the same power brokers who build

2647

01:44:28,470 --> 01:44:26,560

black projects and underground bases and

2648

01:44:30,550 --> 01:44:28,480

who have kept us from the truth and she

2649

01:44:33,510 --> 01:44:30,560

didn't finish the sentence

2650

01:44:35,030 --> 01:44:33,520

but it's the same people she said

2651

01:44:36,470 --> 01:44:35,040

i don't know about underground bases i

2652

01:44:37,669 --> 01:44:36,480

don't know anything about that you know

2653

01:44:39,270 --> 01:44:37,679

it's all and i know people have written

2654

01:44:41,510 --> 01:44:39,280

about it and lectured about it all

2655

01:44:43,430 --> 01:44:41,520

related to one huge fact you know 270

2656

01:44:45,189 --> 01:44:43,440

million years there's been three

2657

01:44:46,950 --> 01:44:45,199

non-human groups who have been competing

2658

01:44:49,669 --> 01:44:46,960

with each other for earth

2659

01:44:51,350 --> 01:44:49,679

as their own planet uh

2660

01:44:53,030 --> 01:44:51,360

the last two years she's got info that

2661

01:44:54,950 --> 01:44:53,040

the earth is like a hotel humans are

2662

01:44:57,030 --> 01:44:54,960

like surface lights on the floor and

2663

01:44:58,870 --> 01:44:57,040

there are a lot of lights

2664

01:44:59,750 --> 01:44:58,880

the next 20 years will only survive

2665

01:45:00,830 --> 01:44:59,760

because

2666

01:45:04,229 --> 01:45:00,840

there are

2667

01:45:05,750 --> 01:45:04,239

non-humans uh 10 to 20 light years away

2668

01:45:10,390 --> 01:45:05,760

i'm not who are concerned about our

2669

01:45:12,870 --> 01:45:11,590

i'm not sure if she means they're going

2670

01:45:14,950 --> 01:45:12,880

to come here because they can get here

2671

01:45:18,790 --> 01:45:14,960

quickly i don't know

2672

01:45:21,750 --> 01:45:18,800

a dia guy her dia guy told her in 1999

2673

01:45:23,990 --> 01:45:21,760

and that's in i think a strange harvest

2674

01:45:30,950 --> 01:45:24,000

uh the blood the beautiful laboratory of

2675

01:45:33,910 --> 01:45:32,070

and then

2676

01:45:37,109 --> 01:45:33,920

marshall summers

2677

01:45:39,830 --> 01:45:37,119

considers himself a contactee

2678

01:45:44,229 --> 01:45:42,149

the presence that is here the

2679

01:45:45,990 --> 01:45:44,239

intelligences want us to think that

2680

01:45:47,830 --> 01:45:46,000

they're here to help

2681

01:45:49,430 --> 01:45:47,840

but they're working without our approval

2682

01:45:51,590 --> 01:45:49,440

they're working behind the scenes and he

2683

01:45:53,270 --> 01:45:51,600

goes that's harmful to us

2684

01:45:55,510 --> 01:45:53,280

they tell us these beings tell us it's

2685

01:45:58,310 --> 01:45:55,520

for the greater good

2686

01:46:00,310 --> 01:45:58,320

for a higher cause he goes this planet

2687

01:46:02,709 --> 01:46:00,320

is valuable valued by others and we're

2688

01:46:04,470 --> 01:46:02,719

destroying it at a phenomenal rate

2689

01:46:05,750 --> 01:46:04,480

and we may destroy ourselves in the

2690

01:46:07,910 --> 01:46:05,760

future

2691

01:46:09,830 --> 01:46:07,920

this is

2692

01:46:12,550 --> 01:46:09,840

they have listened to our radio

2693

01:46:14,950 --> 01:46:12,560

broadcasts and know a lot about us we

2694

01:46:16,550 --> 01:46:14,960

unknowingly exposed ourselves to whoever

2695

01:46:18,149 --> 01:46:16,560

wants to use that information he said

2696

01:46:19,830 --> 01:46:18,159

that wasn't very smart

2697

01:46:22,229 --> 01:46:19,840

he says the allies of humanity

2698

01:46:24,629 --> 01:46:22,239

information came in four parts uh it was

2699

01:46:26,870 --> 01:46:24,639

like i think like seven years apart

2700

01:46:29,270 --> 01:46:26,880

i'm only now getting into that

2701

01:46:31,030 --> 01:46:29,280

the only

2702

01:46:33,189 --> 01:46:31,040

only message was before and that message

2703

01:46:34,390 --> 01:46:33,199

helped so he did have one message before

2704

01:46:35,830 --> 01:46:34,400

from them and it was almost like you

2705

01:46:37,910 --> 01:46:35,840

know trying to get him to be open to

2706

01:46:39,750 --> 01:46:37,920

taking mess to take the message and he

2707

01:46:41,270 --> 01:46:39,760

said whatever that message was was i

2708

01:46:42,790 --> 01:46:41,280

have to check out the book or a lecture

2709

01:46:44,950 --> 01:46:42,800

he said that helped him to convince it

2710

01:46:47,910 --> 01:46:44,960

helped to convince him taking the the

2711

01:46:52,149 --> 01:46:47,920

big message which in four books

2712

01:46:58,790 --> 01:46:54,149

i feel like i'm nick pope my first uh

2713

01:47:02,070 --> 01:46:58,800

time i saw nick pope in florida it was

2714

01:47:06,470 --> 01:47:04,470

the conference but it was in gulf breeze

2715

01:47:08,310 --> 01:47:06,480

nick pope the first time whitley street

2716

01:47:10,229 --> 01:47:08,320

was there i have a picture with the two

2717

01:47:11,910 --> 01:47:10,239

of them and nick pope was so nervous in

2718

01:47:14,149 --> 01:47:11,920

his lecture he was doing this

2719

01:47:17,430 --> 01:47:14,159

and then i worked for the uk

2720

01:47:18,709 --> 01:47:17,440

and then i saw ufos and then

2721

01:47:20,950 --> 01:47:18,719

he kept going like this it was just

2722

01:47:22,870 --> 01:47:20,960

non-stop and he wouldn't drink though

2723

01:47:24,870 --> 01:47:22,880

it's kind of funny

2724

01:47:29,990 --> 01:47:24,880

i have to find that picture um

2725

01:47:34,629 --> 01:47:32,149

he says they're here the ones who are

2726

01:47:37,590 --> 01:47:34,639

not friendly because they're

2727

01:47:38,870 --> 01:47:37,600

i heard that today interesting he said

2728

01:47:41,510 --> 01:47:38,880

i don't know if you saw it said it here

2729

01:47:44,149 --> 01:47:41,520

but he said the ones that were here

2730

01:47:46,629 --> 01:47:44,159

helpful to us they left

2731

01:47:49,109 --> 01:47:46,639

so it would be clear

2732

01:47:50,229 --> 01:47:49,119

that whoever was here now was not

2733

01:47:51,430 --> 01:47:50,239

helping us

2734

01:47:53,350 --> 01:47:51,440

he set up the other ones who were here

2735

01:47:54,310 --> 01:47:53,360

that were helping us according to this

2736

01:47:56,070 --> 01:47:54,320

message

2737

01:47:58,709 --> 01:47:56,080

it would be so hard to tell who was who

2738

01:48:00,310 --> 01:47:58,719

and he said they made it easier they got

2739

01:48:02,149 --> 01:48:00,320

the hell out of here and now all we have

2740

01:48:04,310 --> 01:48:02,159

is the negative or ones that you know

2741

01:48:05,910 --> 01:48:04,320

are using us and it's pretty clear you

2742

01:48:07,750 --> 01:48:05,920

can tell it's like whoever's here

2743

01:48:09,109 --> 01:48:07,760

whatever is here

2744

01:48:10,629 --> 01:48:09,119

they're the ones that are not good

2745

01:48:12,709 --> 01:48:10,639

there's nobody good here according to

2746

01:48:16,390 --> 01:48:12,719

him according to this message which is

2747

01:48:19,109 --> 01:48:16,400

in four books all free online

2748

01:48:20,629 --> 01:48:19,119

i like i like the information but

2749

01:48:22,390 --> 01:48:20,639

you know it's so much different than

2750

01:48:24,550 --> 01:48:22,400

everybody else and

2751
01:48:26,310 --> 01:48:24,560
who knows who's right it's all channeled

2752
01:48:29,270 --> 01:48:26,320
like material so

2753
01:48:31,350 --> 01:48:29,280
not all of it but a lot of it is

2754
01:48:32,470 --> 01:48:31,360
so the book came in four parts

2755
01:48:38,149 --> 01:48:32,480
and

2756
01:48:39,830 --> 01:48:38,159
resource he's listened to abductees who

2757
01:48:41,590 --> 01:48:39,840
struggle with ptsd in their lives

2758
01:48:43,510 --> 01:48:41,600
because of their experience

2759
01:48:44,870 --> 01:48:43,520
just like war trauma and they can't even

2760
01:48:47,350 --> 01:48:44,880
some of them can't integrate it into

2761
01:48:49,109 --> 01:48:47,360
their lives a dark part it's a dark part

2762
01:48:51,750 --> 01:48:49,119
of the alien presence it brings up

2763
01:48:54,310 --> 01:48:51,760

mutilations um i forget the guy's name

2764

01:48:58,390 --> 01:48:54,320

dr schuler but one of the pathologists

2765

01:49:01,750 --> 01:48:59,590

that guy had his own abduction

2766

01:49:03,189 --> 01:49:01,760

experience uh he studied snippy the

2767

01:49:05,590 --> 01:49:03,199

snippy horse

2768

01:49:07,430 --> 01:49:05,600

which was in the san luis valley which

2769

01:49:09,189 --> 01:49:07,440

christopher o'brien if you ever get to

2770

01:49:17,669 --> 01:49:09,199

read the book the mysterious valley

2771

01:49:17,679 --> 01:49:26,070

i lost my place sorry

2772

01:49:30,709 --> 01:49:29,109

and this person the guy who studied the

2773

01:49:32,390 --> 01:49:30,719

cattle mutilations believed that no

2774

01:49:35,030 --> 01:49:32,400

technology on this planet could carry

2775

01:49:37,430 --> 01:49:35,040

out those mutilations

2776

01:49:38,950 --> 01:49:37,440

once again i i do refer to an expert on

2777

01:49:41,589 --> 01:49:38,960

academy relations who thinks most of

2778

01:49:43,750 --> 01:49:41,599

them are carried out by a human agency

2779

01:49:46,470 --> 01:49:43,760

they may have advanced tech but

2780

01:49:48,950 --> 01:49:46,480

they would have to have advanced tech

2781

01:49:50,870 --> 01:49:48,960

but this person was also in contact with

2782

01:49:52,070 --> 01:49:50,880

hopkins and jacobs

2783

01:49:53,510 --> 01:49:52,080

and these beings pretend that they're

2784

01:49:55,270 --> 01:49:53,520

helping us but

2785

01:49:56,950 --> 01:49:55,280

they're doing it behind our backs and

2786

01:49:58,390 --> 01:49:56,960

they're not telling us their agenda or

2787

01:50:00,470 --> 01:49:58,400

anything they have no right to do that

2788

01:50:02,310 --> 01:50:00,480

without our permission trying to

2789

01:50:04,310 --> 01:50:02,320

persuade us that they're here to help

2790

01:50:05,270 --> 01:50:04,320

when they're not that's not acceptable

2791

01:50:07,109 --> 01:50:05,280

he says

2792

01:50:09,270 --> 01:50:07,119

maybe that's their ethic maybe that's

2793

01:50:11,109 --> 01:50:09,280

their ethics but it's not ours

2794

01:50:12,550 --> 01:50:11,119

we're the native people they're not they

2795

01:50:14,629 --> 01:50:12,560

have no permission to be here even

2796

01:50:16,390 --> 01:50:14,639

though they may claim that they do of

2797

01:50:18,310 --> 01:50:16,400

course we may not be the native people

2798

01:50:19,270 --> 01:50:18,320

here how does he know that he doesn't

2799

01:50:22,070 --> 01:50:19,280

know that

2800

01:50:23,350 --> 01:50:22,080

maybe the messages tell him that but

2801
01:50:24,790 --> 01:50:23,360
we might we might not have been the

2802
01:50:27,270 --> 01:50:24,800
first ones here

2803
01:50:29,910 --> 01:50:27,280
uh he's open to contact with a helpful

2804
01:50:31,350 --> 01:50:29,920
civilization under our conditions

2805
01:50:33,270 --> 01:50:31,360
um and then he says when people say

2806
01:50:35,189 --> 01:50:33,280
everything happens for a reason he's

2807
01:50:36,550 --> 01:50:35,199
like i don't buy that i don't either i

2808
01:50:38,629 --> 01:50:36,560
mean i don't like that

2809
01:50:41,030 --> 01:50:38,639
no matter what happens in your life

2810
01:50:43,510 --> 01:50:41,040
oh car just ran over my foot

2811
01:50:45,350 --> 01:50:43,520
everything happens for a reason you know

2812
01:50:47,270 --> 01:50:45,360
i guess i was supposed to have a lot of

2813
01:50:49,430 --> 01:50:47,280

pain tonight

2814

01:50:52,229 --> 01:50:49,440

they're dazzling us with their tech but

2815

01:50:54,470 --> 01:50:52,239

underneath they're undermining us you

2816

01:50:56,790 --> 01:50:54,480

know we think of

2817

01:50:58,870 --> 01:50:56,800

what we think of the galactic federation

2818

01:51:02,790 --> 01:50:58,880

is really a vast trading network it's

2819

01:51:04,950 --> 01:51:02,800

all about trading um and he says

2820

01:51:06,870 --> 01:51:04,960

free societies must operate without that

2821

01:51:09,430 --> 01:51:06,880

type of network

2822

01:51:11,189 --> 01:51:09,440

the allies say intervention made us

2823

01:51:13,189 --> 01:51:11,199

is made up of various forces trying to

2824

01:51:15,510 --> 01:51:13,199

get control of the resources on earth

2825

01:51:17,830 --> 01:51:15,520

they're not an invading force not

2826

01:51:19,589 --> 01:51:17,840

outright invasion either um

2827

01:51:22,149 --> 01:51:19,599

that's not he goes that's not allowed in

2828

01:51:23,830 --> 01:51:22,159

this part of the galaxy or the universe

2829

01:51:25,750 --> 01:51:23,840

uh

2830

01:51:27,430 --> 01:51:25,760

he goes the only questions we've kind of

2831

01:51:29,270 --> 01:51:27,440

only question related to the phenomenon

2832

01:51:30,790 --> 01:51:29,280

that we have kind of answered is what is

2833

01:51:32,470 --> 01:51:30,800

happening and that's basic you know we

2834

01:51:35,430 --> 01:51:32,480

have craft in our sky that's about it

2835

01:51:37,669 --> 01:51:35,440

and people are having experiences that

2836

01:51:39,669 --> 01:51:37,679

some view is not good

2837

01:51:41,510 --> 01:51:39,679

what can you unite the world he thinks

2838

01:51:43,189 --> 01:51:41,520

this that we're facing an intervention

2839

01:51:47,030 --> 01:51:43,199

which is not a good intervention from

2840

01:51:48,629 --> 01:51:47,040

these groups he goes that could unite us

2841

01:51:50,390 --> 01:51:48,639

he goes do we want to consider all

2842

01:51:51,910 --> 01:51:50,400

possibilities of what we're dealing with

2843

01:51:54,070 --> 01:51:51,920

or do we just really just want to feel

2844

01:51:56,310 --> 01:51:54,080

good about their presence here i do

2845

01:51:57,669 --> 01:51:56,320

think there are people that

2846

01:51:58,790 --> 01:51:57,679

they don't want to think of anything

2847

01:51:59,669 --> 01:51:58,800

negative

2848

01:52:00,950 --> 01:51:59,679

um

2849

01:52:03,109 --> 01:52:00,960

so

2850

01:52:05,510 --> 01:52:03,119

they lean towards it being positive or

2851

01:52:09,030 --> 01:52:05,520

all positive or mostly positive

2852

01:52:13,270 --> 01:52:11,669

um he goes our innate intelligence can

2853

01:52:15,030 --> 01:52:13,280

help us discern what's true and what's

2854

01:52:17,350 --> 01:52:15,040

not true what's right and what's not

2855

01:52:18,870 --> 01:52:17,360

right we're not using that we're

2856

01:52:20,709 --> 01:52:18,880

operating out of fear and ignorance and

2857

01:52:23,109 --> 01:52:20,719

then you hear linda a couple times

2858

01:52:24,149 --> 01:52:23,119

during that linda how was saying yes yes

2859

01:52:25,990 --> 01:52:24,159

i agree

2860

01:52:27,350 --> 01:52:26,000

because we're being inculturated to

2861

01:52:30,229 --> 01:52:27,360

these groups

2862

01:52:31,990 --> 01:52:30,239

via the power of persuasion they can put

2863

01:52:33,669 --> 01:52:32,000

thoughts in your head and your mind they

2864

01:52:35,109 --> 01:52:33,679

can make you see images

2865

01:52:36,950 --> 01:52:35,119

they can make you see what you want to

2866

01:52:38,790 --> 01:52:36,960

see they can appear at the foot of your

2867

01:52:40,390 --> 01:52:38,800

bed as a religious figure

2868

01:52:41,990 --> 01:52:40,400

and then linda martin house

2869

01:52:44,390 --> 01:52:42,000

linda mountain house says

2870

01:52:46,149 --> 01:52:44,400

one of the themes of the last decade of

2871

01:52:48,870 --> 01:52:46,159

military folks you know they were

2872

01:52:51,030 --> 01:52:48,880

briefed after missions with ebe's uh

2873

01:52:52,870 --> 01:52:51,040

extraterrestrial biological entities

2874

01:52:55,270 --> 01:52:52,880

what people don't understand is that the

2875

01:52:56,790 --> 01:52:55,280

genesis those who are in control of the

2876

01:52:59,669 --> 01:52:56,800

garden of eden

2877

01:53:02,070 --> 01:52:59,679

this intelligence they're the reptilians

2878

01:53:03,589 --> 01:53:02,080

when the greeks with zeus and all those

2879

01:53:05,669 --> 01:53:03,599

gods i think she's suggesting they're

2880

01:53:06,790 --> 01:53:05,679

real people came on the scene they were

2881

01:53:10,390 --> 01:53:06,800

head to head that were with the

2882

01:53:12,149 --> 01:53:10,400

reptilians deep beneath the earth

2883

01:53:13,830 --> 01:53:12,159

how did the grace come about uh we don't

2884

01:53:15,350 --> 01:53:13,840

know that's that's confusing that's a

2885

01:53:17,350 --> 01:53:15,360

challenging claim

2886

01:53:19,189 --> 01:53:17,360

um she says

2887

01:53:21,350 --> 01:53:19,199

are those challenging that claim of

2888

01:53:22,870 --> 01:53:21,360

earth

2889

01:53:24,790 --> 01:53:22,880

are those challenging that claim of

2890

01:53:25,910 --> 01:53:24,800

earth the spiritual leaders of earth's

2891

01:53:27,669 --> 01:53:25,920

history i'm not sure what you're saying

2892

01:53:30,709 --> 01:53:27,679

there or my notes

2893

01:53:31,910 --> 01:53:30,719

um but marshall

2894

01:53:33,189 --> 01:53:31,920

jumps in

2895

01:53:34,390 --> 01:53:33,199

and he says i don't believe in that

2896

01:53:35,990 --> 01:53:34,400

mythology

2897

01:53:37,510 --> 01:53:36,000

it's good for symbology and i think he's

2898

01:53:38,790 --> 01:53:37,520

talking about the greek stuff he goes

2899

01:53:40,709 --> 01:53:38,800

i'm not sure about reptilians but he

2900

01:53:43,350 --> 01:53:40,719

goes i try to avoid multi-dimensional

2901
01:53:46,870 --> 01:53:45,350
and then linda won't ask the question

2902
01:53:50,709 --> 01:53:46,880
she goes

2903
01:53:52,229 --> 01:53:50,719
but he goes i can answer your question

2904
01:53:55,109 --> 01:53:52,239
i can't answer your question because i

2905
01:53:57,350 --> 01:53:55,119
don't think your premises are valid

2906
01:53:58,310 --> 01:53:57,360
i was like ooh there was silence there

2907
01:53:59,669 --> 01:53:58,320
which i don't think she took it

2908
01:54:01,430 --> 01:53:59,679
personally

2909
01:54:04,070 --> 01:54:01,440
he goes this it's all about deception

2910
01:54:05,830 --> 01:54:04,080
these groups are deceiving us

2911
01:54:07,589 --> 01:54:05,840
if the government saw it as a threat in

2912
01:54:09,430 --> 01:54:07,599
the beginning there's no way to respond

2913
01:54:11,109 --> 01:54:09,440

to it practically now

2914

01:54:13,030 --> 01:54:11,119

you know and it's made them be dishonest

2915

01:54:14,550 --> 01:54:13,040

about it that makes sense

2916

01:54:16,709 --> 01:54:14,560

they're stuck with a secret they can't

2917

01:54:18,149 --> 01:54:16,719

share because they can't you cannot see

2918

01:54:19,830 --> 01:54:18,159

the government telling the population

2919

01:54:22,229 --> 01:54:19,840

we're dealing with an opponent that we

2920

01:54:23,510 --> 01:54:22,239

can't not combat

2921

01:54:24,790 --> 01:54:23,520

that's what we always wonder how do you

2922

01:54:27,910 --> 01:54:24,800

come out and say that you know they're

2923

01:54:29,990 --> 01:54:27,920

here we cannot do anything about it

2924

01:54:32,229 --> 01:54:30,000

if they're helpful that's another story

2925

01:54:33,990 --> 01:54:32,239

and danny jumps in linda do you ever

2926

01:54:35,270 --> 01:54:34,000

hear from former military sources that

2927

01:54:37,109 --> 01:54:35,280

our government has given these beings

2928

01:54:39,030 --> 01:54:37,119

permission to be here

2929

01:54:40,390 --> 01:54:39,040

and then she talks about charge hill

2930

01:54:41,270 --> 01:54:40,400

allegedly

2931

01:54:42,950 --> 01:54:41,280

you know

2932

01:54:45,270 --> 01:54:42,960

talked about keeping the secret for 50

2933

01:54:47,030 --> 01:54:45,280

years or the stock market will collapse

2934

01:54:49,589 --> 01:54:47,040

civilization will suffer and then

2935

01:54:51,350 --> 01:54:49,599

allegedly eisenhower met with et's on

2936

01:54:53,430 --> 01:54:51,360

his trip to palm springs he didn't go to

2937

01:54:55,990 --> 01:54:53,440

the dentist as was you know written down

2938

01:54:57,270 --> 01:54:56,000

in the official diary whatever it is the

2939

01:54:59,270 --> 01:54:57,280

notes uh

2940

01:55:01,350 --> 01:54:59,280

they supposedly signed some treaty with

2941

01:55:03,669 --> 01:55:01,360

the gray and this is where i'm like ugh

2942

01:55:05,430 --> 01:55:03,679

we're all over the place

2943

01:55:07,189 --> 01:55:05,440

lou wants to demolish ufology and there

2944

01:55:08,470 --> 01:55:07,199

are reasons if you listen to this

2945

01:55:11,270 --> 01:55:08,480

lecture and what i've been saying it's

2946

01:55:13,270 --> 01:55:11,280

just all over the place um

2947

01:55:15,669 --> 01:55:13,280

the gray supposedly

2948

01:55:17,830 --> 01:55:15,679

one source tells her that the blonde or

2949

01:55:19,270 --> 01:55:17,840

the blondes are supposed to be pitted

2950

01:55:21,189 --> 01:55:19,280

against the reptilians and the graves

2951
01:55:22,709 --> 01:55:21,199
are supposedly play some role of being

2952
01:55:26,790 --> 01:55:22,719
intermediaries

2953
01:55:28,550 --> 01:55:26,800
the deal eisener our sign

2954
01:55:30,709 --> 01:55:28,560
you know you guys can do x amount of

2955
01:55:32,870 --> 01:55:30,719
mutilations and x number of humans can

2956
01:55:35,990 --> 01:55:32,880
be taken in exchange we get weapons and

2957
01:55:37,830 --> 01:55:36,000
technology it's a schizophrenic history

2958
01:55:39,750 --> 01:55:37,840
we've we've never been told the truth by

2959
01:55:43,030 --> 01:55:39,760
the anunnaki and the sumerians it's like

2960
01:55:44,390 --> 01:55:43,040
all over the place i'm sorry it's just

2961
01:55:45,510 --> 01:55:44,400
you get people new to this they're going

2962
01:55:46,790 --> 01:55:45,520
to be like

2963
01:55:47,990 --> 01:55:46,800

i'm sorry

2964

01:55:50,149 --> 01:55:48,000

that's why i

2965

01:55:52,550 --> 01:55:50,159

that's why my blog is mostly the more

2966

01:55:54,550 --> 01:55:52,560

the conservative stuff

2967

01:55:57,350 --> 01:55:54,560

um

2968

01:56:00,629 --> 01:55:57,360

but this was part of it so you know

2969

01:56:03,189 --> 01:56:00,639

i agreed to do all the lectures i'm not

2970

01:56:05,910 --> 01:56:03,199

going to transcribe everything

2971

01:56:06,790 --> 01:56:05,920

but i look forward to tomorrow with lou

2972

01:56:09,189 --> 01:56:06,800

and

2973

01:56:10,629 --> 01:56:09,199

ralph blumenthal

2974

01:56:12,950 --> 01:56:10,639

and i like some of this stuff i love

2975

01:56:15,189 --> 01:56:12,960

whitley and i'm interested in

2976

01:56:20,709 --> 01:56:15,199

marshall um

2977

01:56:24,870 --> 01:56:23,189

so marshall jumps in says i think that's

2978

01:56:30,709 --> 01:56:24,880

an interesting story and i resonate with

2979

01:56:34,709 --> 01:56:32,629

any allies would never come here and do

2980

01:56:36,229 --> 01:56:34,719

the thing he goes any allies of us would

2981

01:56:38,070 --> 01:56:36,239

never come to this planet and do the

2982

01:56:40,149 --> 01:56:38,080

things that are being done right now

2983

01:56:42,229 --> 01:56:40,159

kidnapping uh

2984

01:56:44,550 --> 01:56:42,239

and then one abductee told him you know

2985

01:56:46,229 --> 01:56:44,560

not everyone is returned

2986

01:56:48,470 --> 01:56:46,239

and then linda jumped in she goes yes

2987

01:56:49,669 --> 01:56:48,480

that's true and that there's experiments

2988

01:56:51,030 --> 01:56:49,679

being done

2989

01:56:52,470 --> 01:56:51,040

they're here to serve their own

2990

01:56:54,870 --> 01:56:52,480

interests and i'll tell you i've heard

2991

01:56:57,430 --> 01:56:54,880

that from a great source saying

2992

01:56:59,589 --> 01:56:57,440

every every whoever's visiting us they

2993

01:57:01,510 --> 01:56:59,599

all have their own agenda they all want

2994

01:57:02,709 --> 01:57:01,520

something from us

2995

01:57:04,149 --> 01:57:02,719

um

2996

01:57:07,750 --> 01:57:04,159

but they're here to serve their own

2997

01:57:10,229 --> 01:57:07,760

interests according to mr sanders or

2998

01:57:12,470 --> 01:57:10,239

i forgot his name already marshall sorry

2999

01:57:14,629 --> 01:57:12,480

long day long notes

3000

01:57:15,990 --> 01:57:14,639

they're not here

3001
01:57:18,070 --> 01:57:16,000
just so they're here to serve their own

3002
01:57:19,910 --> 01:57:18,080
interests but they're not going to use

3003
01:57:22,790 --> 01:57:19,920
force

3004
01:57:25,430 --> 01:57:22,800
the way we can come back into power

3005
01:57:26,550 --> 01:57:25,440
you know according to the briefings the

3006
01:57:28,709 --> 01:57:26,560
only way

3007
01:57:30,790 --> 01:57:28,719
they can be here is that we encourage it

3008
01:57:32,550 --> 01:57:30,800
or we approve it so maybe there is um

3009
01:57:34,310 --> 01:57:32,560
some sort of we talk i talked about this

3010
01:57:36,870 --> 01:57:34,320
with michael

3011
01:57:43,430 --> 01:57:36,880
uh who i interviewed not michael vi the

3012
01:57:47,430 --> 01:57:45,830
what did i say we talked about

3013
01:57:50,310 --> 01:57:47,440

approving it

3014

01:57:53,109 --> 01:57:50,320

i forgot sorry my brain is mush it was a

3015

01:57:54,790 --> 01:57:53,119

long day of long note taking so they can

3016

01:57:57,669 --> 01:57:54,800

only be here

3017

01:57:59,510 --> 01:57:57,679

if we encourage it or approve of it

3018

01:58:01,270 --> 01:57:59,520

and that's why they recruit people to be

3019

01:58:02,870 --> 01:58:01,280

apologists

3020

01:58:04,550 --> 01:58:02,880

you do have a lot of people you know

3021

01:58:05,990 --> 01:58:04,560

saying and i know people

3022

01:58:07,990 --> 01:58:06,000

there are people who are sincere but

3023

01:58:09,510 --> 01:58:08,000

it's like it's such a positive message

3024

01:58:10,870 --> 01:58:09,520

with some people

3025

01:58:12,709 --> 01:58:10,880

you know so they recruit people to be

3026
01:58:14,629 --> 01:58:12,719
apologists and spread their message

3027
01:58:16,470 --> 01:58:14,639
support their mission

3028
01:58:17,589 --> 01:58:16,480
since they can't be in our atmosphere so

3029
01:58:18,950 --> 01:58:17,599
they oh

3030
01:58:21,189 --> 01:58:18,960
that was i mentioned with michael so

3031
01:58:23,910 --> 01:58:21,199
they have human

3032
01:58:25,830 --> 01:58:23,920
human uh proxies that they have made

3033
01:58:29,109 --> 01:58:25,840
deals with

3034
01:58:31,109 --> 01:58:29,119
don't know if that's true but

3035
01:58:32,629 --> 01:58:31,119
and then these greedy humans will do

3036
01:58:34,070 --> 01:58:32,639
stuff so that's how they can get things

3037
01:58:35,350 --> 01:58:34,080
done without certain you know without

3038
01:58:37,350 --> 01:58:35,360

doing certain things without crossing

3039

01:58:39,350 --> 01:58:37,360

the line if the humans are doing it then

3040

01:58:40,470 --> 01:58:39,360

you know then they've been given the

3041

01:58:42,390 --> 01:58:40,480

permission

3042

01:58:45,030 --> 01:58:42,400

allegedly

3043

01:58:46,709 --> 01:58:45,040

uh so people support them they recruit

3044

01:58:49,030 --> 01:58:46,719

people spread their message and since

3045

01:58:51,189 --> 01:58:49,040

they can't be here they need a human

3046

01:58:52,629 --> 01:58:51,199

workforce and they will need human

3047

01:58:58,070 --> 01:58:52,639

assistance

3048

01:59:03,109 --> 01:59:00,709

harrington cry after his briefings in

3049

01:59:05,189 --> 01:59:03,119

washington dc for eight weeks

3050

01:59:08,149 --> 01:59:05,199

did they tell him some of this

3051

01:59:10,390 --> 01:59:08,159

what made jimmy carter cry

3052

01:59:12,310 --> 01:59:10,400

we don't know uh spiritual beings

3053

01:59:13,669 --> 01:59:12,320

avatars have tried to help us linda

3054

01:59:16,070 --> 01:59:13,679

walton house says

3055

01:59:17,910 --> 01:59:16,080

we are powerful beings

3056

01:59:20,149 --> 01:59:17,920

and the marshal jumps in he goes there

3057

01:59:21,990 --> 01:59:20,159

this is a various forces looking

3058

01:59:24,950 --> 01:59:22,000

there are various forces looking at our

3059

01:59:28,709 --> 01:59:24,960

world for biological resources

3060

01:59:30,790 --> 01:59:28,719

they get some of it from other worlds um

3061

01:59:33,109 --> 01:59:30,800

there's some galactic or universal trade

3062

01:59:35,189 --> 01:59:33,119

treaty that treaty that banned warfare

3063

01:59:37,589 --> 01:59:35,199

and that's why you don't see you know

3064

01:59:40,070 --> 01:59:37,599

warfare or some invasion simply put

3065

01:59:42,709 --> 01:59:40,080

their purposes and intentions are not

3066

01:59:44,470 --> 01:59:42,719

being revealed and that's not acceptable

3067

01:59:46,470 --> 01:59:44,480

allies are saying the allies of humanity

3068

01:59:48,229 --> 01:59:46,480

told him and that's like i said it is

3069

01:59:50,070 --> 01:59:48,239

channeled information

3070

01:59:52,390 --> 01:59:50,080

he may not call it that but that's what

3071

01:59:54,390 --> 01:59:52,400

it is the allies say you are the native

3072

01:59:56,229 --> 01:59:54,400

race facing other forces taking

3073

01:59:57,589 --> 01:59:56,239

advantage of your resources in large

3074

01:59:59,990 --> 01:59:57,599

part because you're destroying your

3075

02:00:01,750 --> 02:00:00,000

planet and you're using nukes

3076
02:00:03,750 --> 02:00:01,760
and then mary rodwell came in with a

3077
02:00:05,510 --> 02:00:03,760
different perspective we were almost

3078
02:00:07,270 --> 02:00:05,520
done i think she goes i can help with

3079
02:00:08,629 --> 02:00:07,280
people with trauma that's what i do and

3080
02:00:10,629 --> 02:00:08,639
i have been doing i've worked with

3081
02:00:12,070 --> 02:00:10,639
families and children helped them work

3082
02:00:13,990 --> 02:00:12,080
through it and that changed their

3083
02:00:16,070 --> 02:00:14,000
perception for the experience

3084
02:00:18,709 --> 02:00:16,080
free said 85 said they had a psycho

3085
02:00:20,310 --> 02:00:18,719
spiritual transformation tells she tells

3086
02:00:22,629 --> 02:00:20,320
her clients to use her their intuition

3087
02:00:24,790 --> 02:00:22,639
as far as judging beings and not how

3088
02:00:26,709 --> 02:00:24,800

they look some of her clients talk about

3089

02:00:28,149 --> 02:00:26,719

coming from other planets star systems

3090

02:00:30,550 --> 02:00:28,159

and other dimensions

3091

02:00:33,189 --> 02:00:30,560

she's like i came here to help

3092

02:00:36,310 --> 02:00:34,550

talks about the eight-year-olds who said

3093

02:00:38,390 --> 02:00:36,320

mom where are the aliens and the eight

3094

02:00:40,790 --> 02:00:38,400

world eight-year-old also says my family

3095

02:00:42,390 --> 02:00:40,800

are mantis beings my ancestors or ant

3096

02:00:45,109 --> 02:00:42,400

you know mantis beings and when i die

3097

02:00:46,790 --> 02:00:45,119

i'm going to go back to them

3098

02:00:49,669 --> 02:00:46,800

some of these experiences are on board a

3099

02:00:51,750 --> 02:00:49,679

craft in an et body while their human

3100

02:00:53,350 --> 02:00:51,760

body is somewhere else and when they go

3101
02:00:54,709 --> 02:00:53,360
back to that human body it's like a ball

3102
02:00:56,870 --> 02:00:54,719
of light flies through the air and then

3103
02:00:58,950 --> 02:00:56,880
just enters the human body

3104
02:01:02,070 --> 02:00:58,960
and we've all suspected that balls of

3105
02:01:03,350 --> 02:01:02,080
light might be some conscious entity so

3106
02:01:05,189 --> 02:01:03,360
that's interesting

3107
02:01:06,790 --> 02:01:05,199
over and over i have

3108
02:01:08,709 --> 02:01:06,800
she hears uh

3109
02:01:09,990 --> 02:01:08,719
from these experiencers the kids i've

3110
02:01:12,390 --> 02:01:10,000
come here to help

3111
02:01:13,750 --> 02:01:12,400
lots of kids saying that

3112
02:01:16,550 --> 02:01:13,760
some saying it's their first human

3113
02:01:20,830 --> 02:01:18,470

or they'll say i came from a planet one

3114

02:01:23,750 --> 02:01:20,840

where i was a blue

3115

02:01:25,510 --> 02:01:23,760

being my family is out there but i came

3116

02:01:27,750 --> 02:01:25,520

here to help i chose this life to come

3117

02:01:29,270 --> 02:01:27,760

here because she has hundreds of stories

3118

02:01:30,229 --> 02:01:29,280

like that and then barbara lamb goes i

3119

02:01:32,790 --> 02:01:30,239

do too

3120

02:01:34,550 --> 02:01:32,800

and mary says mary says rod rottweil

3121

02:01:35,669 --> 02:01:34,560

says physical consciousness experience

3122

02:01:37,669 --> 02:01:35,679

we need to look at this in a

3123

02:01:39,350 --> 02:01:37,679

multi-dimensional experience and then

3124

02:01:41,430 --> 02:01:39,360

danny the summers marshall summers he

3125

02:01:43,109 --> 02:01:41,440

says did the allies tell you that they

3126
02:01:44,950 --> 02:01:43,119
can record this is one of the funniest

3127
02:01:47,189 --> 02:01:44,960
things i've ever heard from danny a

3128
02:01:48,629 --> 02:01:47,199
lawyer mind not the question i'll show

3129
02:01:52,310 --> 02:01:48,639
you

3130
02:01:53,910 --> 02:01:52,320
they can reincarnate as a human and

3131
02:01:55,350 --> 02:01:53,920
martin says that's an odd question i

3132
02:01:56,550 --> 02:01:55,360
have no idea because the allies make

3133
02:01:58,790 --> 02:01:56,560
sure they share wisdom without

3134
02:02:01,270 --> 02:01:58,800
interfering especially in our adolescent

3135
02:02:03,589 --> 02:02:01,280
stage of evolution since we're in our

3136
02:02:05,750 --> 02:02:03,599
adolescent stage i don't doubt people

3137
02:02:08,470 --> 02:02:05,760
have had positive experiences

3138
02:02:10,149 --> 02:02:08,480

and you may have helped them but i hear

3139

02:02:12,070 --> 02:02:10,159

different stories from other researchers

3140

02:02:13,990 --> 02:02:12,080

where their personal lives are so

3141

02:02:15,589 --> 02:02:14,000

altered in lives impacted to where they

3142

02:02:17,669 --> 02:02:15,599

spend the rest of their lives dealing

3143

02:02:20,149 --> 02:02:17,679

with it it's our world and we have a

3144

02:02:23,350 --> 02:02:20,159

right to tell them they can't do that

3145

02:02:25,669 --> 02:02:23,360

and that's what i'm cheering

3146

02:02:27,189 --> 02:02:25,679

um danny says

3147

02:02:28,550 --> 02:02:27,199

this is my favorite thing ever from

3148

02:02:31,430 --> 02:02:28,560

danny he goes

3149

02:02:34,310 --> 02:02:31,440

so et souls are choosing to reincarnate

3150

02:02:36,510 --> 02:02:34,320

to earth in order to help us

3151

02:02:38,390 --> 02:02:36,520

isn't that a way of getting around the

3152

02:02:40,470 --> 02:02:38,400

non-intervention rule if a not

3153

02:02:42,709 --> 02:02:40,480

interventional not interventional rule

3154

02:02:45,109 --> 02:02:42,719

exists or are they breaking that rule

3155

02:02:46,470 --> 02:02:45,119

law by going around by incarnating back

3156

02:02:47,910 --> 02:02:46,480

here to help us

3157

02:02:49,750 --> 02:02:47,920

it's so funny because it's like he's

3158

02:02:51,830 --> 02:02:49,760

thinking as a legal lawyer that's

3159

02:02:54,229 --> 02:02:51,840

amazing they're not allowed to intervene

3160

02:02:55,910 --> 02:02:54,239

but if they reincarnate from another

3161

02:02:57,830 --> 02:02:55,920

planet into this planet then they can

3162

02:02:59,430 --> 02:02:57,840

help and it doesn't break the law so

3163

02:03:02,310 --> 02:02:59,440

it's okay

3164

02:03:03,830 --> 02:03:02,320

i laughed at that

3165

02:03:05,830 --> 02:03:03,840

and then barbara lam's like maybe we've

3166

02:03:07,270 --> 02:03:05,840

been ets in other lifetimes i think one

3167

02:03:09,109 --> 02:03:07,280

of the reasons why some of us are so

3168

02:03:11,350 --> 02:03:09,119

interested in this subject is because

3169

02:03:13,030 --> 02:03:11,360

we've had some of those experiences and

3170

02:03:15,669 --> 02:03:13,040

memories

3171

02:03:17,750 --> 02:03:15,679

talking about all of us including me i

3172

02:03:18,950 --> 02:03:17,760

don't have any any memories of that

3173

02:03:23,109 --> 02:03:18,960

barbara

3174

02:03:24,390 --> 02:03:23,119

spoken with eight et human hybrids who

3175

02:03:25,990 --> 02:03:24,400

are living here

3176

02:03:28,149 --> 02:03:26,000

they're here for total service and total

3177

02:03:29,589 --> 02:03:28,159

benevolence so many different species

3178

02:03:31,430 --> 02:03:29,599

that come here and interact with humans

3179

02:03:33,589 --> 02:03:31,440

so it's difficult to generalize on those

3180

02:03:34,870 --> 02:03:33,599

beings as far as the the hybrids coming

3181

02:03:36,550 --> 02:03:34,880

here to help us

3182

02:03:39,109 --> 02:03:36,560

totally different than the jacobs

3183

02:03:40,470 --> 02:03:39,119

hybrids uh danny says maybe maybe things

3184

02:03:42,950 --> 02:03:40,480

are so desperate on this planet that

3185

02:03:44,550 --> 02:03:42,960

there's a transmigration of souls here

3186

02:03:47,430 --> 02:03:44,560

to help us with our massive problems

3187

02:03:49,350 --> 02:03:47,440

maybe uh

3188

02:03:52,550 --> 02:03:49,360

you know we had telepathy it's like to

3189

02:03:54,310 --> 02:03:52,560

mark sims or not mark sims

3190

02:03:59,109 --> 02:03:54,320

um

3191

02:04:00,550 --> 02:03:59,119

another way that they

3192

02:04:02,629 --> 02:04:00,560

they both appear to be a form of

3193

02:04:04,310 --> 02:04:02,639

intervention you know either souls

3194

02:04:06,229 --> 02:04:04,320

coming here if you believe that to help

3195

02:04:08,550 --> 02:04:06,239

us with the young kids or they're

3196

02:04:09,669 --> 02:04:08,560

sending messages to people like marshall

3197

02:04:11,430 --> 02:04:09,679

summers

3198

02:04:13,589 --> 02:04:11,440

and the allies of humanity telling us

3199

02:04:15,189 --> 02:04:13,599

what's going on danny's trying to be the

3200

02:04:16,950 --> 02:04:15,199

peacekeeper trying to keep everybody

3201

02:04:19,109 --> 02:04:16,960

happy and then

3202

02:04:20,790 --> 02:04:19,119

whitley jumps in finally he goes 90

3203

02:04:22,310 --> 02:04:20,800

minutes into the conversation he goes we

3204

02:04:24,950 --> 02:04:22,320

should not forget that our informational

3205

02:04:26,790 --> 02:04:24,960

resources are extremely fragile relying

3206

02:04:29,669 --> 02:04:26,800

on versions and narratives that are not

3207

02:04:31,589 --> 02:04:29,679

based in any kind uh in any kind of

3208

02:04:33,430 --> 02:04:31,599

concrete reality all we have

3209

02:04:35,990 --> 02:04:33,440

unfortunately sorry that's all we have

3210

02:04:38,069 --> 02:04:36,000

he says this presence does not manifest

3211

02:04:39,910 --> 02:04:38,079

in a concrete way and behind the scenes

3212

02:04:41,589 --> 02:04:39,920

they're trying to hide an extraordinary

3213

02:04:43,270 --> 02:04:41,599

failure

3214

02:04:44,629 --> 02:04:43,280

behind the scenes meaning the humans

3215

02:04:46,229 --> 02:04:44,639

behind the scenes they're extreme

3216

02:04:47,270 --> 02:04:46,239

they're trying to hide an extraordinary

3217

02:04:48,870 --> 02:04:47,280

failure

3218

02:04:50,470 --> 02:04:48,880

need to know and he talks about the

3219

02:04:52,390 --> 02:04:50,480

whole black projects where you have to

3220

02:04:54,390 --> 02:04:52,400

need to know to get into these programs

3221

02:04:55,510 --> 02:04:54,400

and it's just not good for us he says

3222

02:04:56,870 --> 02:04:55,520

when you don't know what you're talking

3223

02:04:59,350 --> 02:04:56,880

about as far as what we're dealing with

3224

02:05:00,870 --> 02:04:59,360

you cannot use need to know that's why

3225

02:05:02,629 --> 02:05:00,880

we haven't made any progress if you

3226

02:05:04,470 --> 02:05:02,639

believe that if you believe we haven't

3227

02:05:06,229 --> 02:05:04,480

made any progress on crash retrievals

3228

02:05:07,830 --> 02:05:06,239

it's because it's such a small amount of

3229

02:05:10,550 --> 02:05:07,840

scientists who are working on it that's

3230

02:05:11,990 --> 02:05:10,560

why people like eric weinstein say

3231

02:05:13,510 --> 02:05:12,000

say my friends don't know about this

3232

02:05:14,870 --> 02:05:13,520

they're the top scientists in the world

3233

02:05:16,229 --> 02:05:14,880

well they don't have a need to know

3234

02:05:18,470 --> 02:05:16,239

unfortunately that's how it is and it's

3235

02:05:20,310 --> 02:05:18,480

got to change

3236

02:05:22,709 --> 02:05:20,320

whitley says i went through hell with my

3237

02:05:24,790 --> 02:05:22,719

my experiences and our son is probably

3238

02:05:26,950 --> 02:05:24,800

still traumatized from it you know here

3239

02:05:28,390 --> 02:05:26,960

it is i had contact with the blondes

3240

02:05:30,229 --> 02:05:28,400

greys physical

3241

02:05:32,870 --> 02:05:30,239

humans connected with them in various

3242

02:05:34,470 --> 02:05:32,880

ways one was connected to the blondes

3243

02:05:36,950 --> 02:05:34,480

and introduced to me to some of them he

3244

02:05:38,790 --> 02:05:36,960

said if you start a war with the greys i

3245

02:05:40,390 --> 02:05:38,800

guess this is the blonde talking if you

3246

02:05:41,910 --> 02:05:40,400

start a war with the greys they will

3247

02:05:43,430 --> 02:05:41,920

never let you win and they will never

3248

02:05:44,950 --> 02:05:43,440

let you stop fighting

3249

02:05:47,189 --> 02:05:44,960

maybe that's why in whitley goes maybe

3250

02:05:48,790 --> 02:05:47,199

that's why the air force is so mum you

3251

02:05:50,470 --> 02:05:48,800

know maybe they have you know maybe they

3252

02:05:53,030 --> 02:05:50,480

started a war with them he goes

3253

02:05:53,830 --> 02:05:53,040

meanwhile the navy is very vocal

3254

02:05:55,109 --> 02:05:53,840

um

3255

02:05:55,910 --> 02:05:55,119

because they haven't i don't know he

3256

02:05:57,910 --> 02:05:55,920

goes

3257

02:05:58,870 --> 02:05:57,920

don't think they understood our world at

3258

02:06:00,950 --> 02:05:58,880

all

3259

02:06:02,550 --> 02:06:00,960

the greys if someone shoots at them they

3260

02:06:03,910 --> 02:06:02,560

shoot back

3261

02:06:08,069 --> 02:06:03,920

they won't but they won't be mad at the

3262

02:06:09,109 --> 02:06:08,079

person standing next to them you know

3263

02:06:10,870 --> 02:06:09,119

that's what he said he goes we're

3264

02:06:13,109 --> 02:06:10,880

hopelessly entangled and trying to make

3265

02:06:14,790 --> 02:06:13,119

sense of something we'll probably never

3266

02:06:17,270 --> 02:06:14,800

be able to make sense of

3267

02:06:19,350 --> 02:06:17,280

and danny says

3268

02:06:20,870 --> 02:06:19,360

they're a real physical presence and

3269

02:06:22,149 --> 02:06:20,880

assuming most of these craft are not

3270

02:06:24,470 --> 02:06:22,159

ours

3271

02:06:26,149 --> 02:06:24,480

you know

3272

02:06:28,390 --> 02:06:26,159

assuming that some treaty has been

3273

02:06:30,790 --> 02:06:28,400

signed why have things increased lately

3274

02:06:31,910 --> 02:06:30,800

with all of the sightings and the navy

3275

02:06:33,270 --> 02:06:31,920

and

3276

02:06:35,430 --> 02:06:33,280

then linda molten hal brings up the

3277

02:06:37,750 --> 02:06:35,440

alcubierre drive warp drive talks about

3278

02:06:39,990 --> 02:06:37,760

you know pulling space in and you can be

3279

02:06:41,430 --> 02:06:40,000

to alpha centauri and back by lunch she

3280

02:06:43,109 --> 02:06:41,440

mentions then she mentions the salvatore

3281

02:06:45,350 --> 02:06:43,119

paise patents

3282

02:06:46,709 --> 02:06:45,360

um and the alcubierre warp drive and

3283

02:06:48,950 --> 02:06:46,719

she's kind of mixing them together i

3284

02:06:51,830 --> 02:06:48,960

don't think they're combined and

3285

02:06:53,990 --> 02:06:51,840

she mentions the alkubia warp drive

3286

02:06:55,669 --> 02:06:54,000

patent from a few years ago but i think

3287

02:06:56,709 --> 02:06:55,679

she's mixing that with the salvatore

3288

02:06:59,030 --> 02:06:56,719

paise

3289

02:07:00,550 --> 02:06:59,040

patents which i was told

3290

02:07:03,270 --> 02:07:00,560

are garbage

3291

02:07:05,109 --> 02:07:03,280

um from really smart people who could

3292

02:07:07,589 --> 02:07:05,119

not believe how it made it that far that

3293

02:07:09,669 --> 02:07:07,599

patent um

3294

02:07:10,790 --> 02:07:09,679

she goes that's how that the al kirby or

3295

02:07:11,910 --> 02:07:10,800

drives because that's how it's going to

3296

02:07:13,350 --> 02:07:11,920

open up that's how the government's

3297

02:07:14,950 --> 02:07:13,360

going to tell us everything

3298

02:07:16,629 --> 02:07:14,960

she said you know they're going to

3299

02:07:18,629 --> 02:07:16,639

bring in some technology and that

3300

02:07:20,629 --> 02:07:18,639

that'll connect to the non-humans that

3301
02:07:22,069 --> 02:07:20,639
are here and she says government sources

3302
02:07:23,669 --> 02:07:22,079
that she has

3303
02:07:25,990 --> 02:07:23,679
have always been right and they say the

3304
02:07:28,229 --> 02:07:26,000
big picture is you know her government

3305
02:07:29,510 --> 02:07:28,239
sources that she has or source that have

3306
02:07:31,430 --> 02:07:29,520
always been right tell her the big

3307
02:07:33,589 --> 02:07:31,440
picture is we are truly in a

3308
02:07:36,229 --> 02:07:33,599
revolutionary time that may or may not

3309
02:07:39,990 --> 02:07:36,239
be cyclical and we may get some tech

3310
02:07:42,870 --> 02:07:41,350
she had a discussion recently with

3311
02:07:45,189 --> 02:07:42,880
someone who knows a lot about

3312
02:07:46,470 --> 02:07:45,199
underground facilities and knows about

3313
02:07:49,189 --> 02:07:46,480

non-humans

3314

02:07:51,990 --> 02:07:49,199

uh we think x isn't this person told her

3315

02:07:54,550 --> 02:07:52,000

we think x is an ally but they lie

3316

02:07:57,030 --> 02:07:54,560

she goes but we lie and linda goes but

3317

02:07:58,709 --> 02:07:57,040

we lie when we take the cat out i'm not

3318

02:08:00,470 --> 02:07:58,719

sure if this person told her or she told

3319

02:08:02,229 --> 02:08:00,480

him she goes so these beings lie she

3320

02:08:04,950 --> 02:08:02,239

goes but we lie when we take the cat out

3321

02:08:06,470 --> 02:08:04,960

to the vet i don't know what that means

3322

02:08:08,550 --> 02:08:06,480

number one i never lied to my cat when i

3323

02:08:09,830 --> 02:08:08,560

took her to the vet so

3324

02:08:12,629 --> 02:08:09,840

i think she's trying to make the comment

3325

02:08:13,910 --> 02:08:12,639

that everybody lies but you know

3326

02:08:15,990 --> 02:08:13,920

and this person of source told her

3327

02:08:16,709 --> 02:08:16,000

there's 22 solar systems we communicated

3328

02:08:18,629 --> 02:08:16,719

with

3329

02:08:21,189 --> 02:08:18,639

biggest problem is coming the biggest

3330

02:08:22,709 --> 02:08:21,199

problem is do because a dark complex

3331

02:08:25,750 --> 02:08:22,719

underground

3332

02:08:28,149 --> 02:08:25,760

psyche

3333

02:08:30,629 --> 02:08:28,159

we're now the surface species while so

3334

02:08:32,470 --> 02:08:30,639

much is going on at different layers

3335

02:08:34,550 --> 02:08:32,480

musk's goal is to bring one million

3336

02:08:37,350 --> 02:08:34,560

beings from earth to underground lava

3337

02:08:39,510 --> 02:08:37,360

tubes on mars by 2050 she goes which is

3338

02:08:41,109 --> 02:08:39,520

not that far off by the way

3339

02:08:42,310 --> 02:08:41,119

none of the power brokers and none of

3340

02:08:45,589 --> 02:08:42,320

the folks who communicate with the

3341

02:08:47,189 --> 02:08:45,599

non-humans want us to know anything and

3342

02:08:49,270 --> 02:08:47,199

whitley says

3343

02:08:51,750 --> 02:08:49,280

technology might be blot out to the

3344

02:08:53,430 --> 02:08:51,760

public via corporations like patel

3345

02:08:55,189 --> 02:08:53,440

uh

3346

02:08:57,669 --> 02:08:55,199

that would be a way for the et's to help

3347

02:09:00,470 --> 02:08:57,679

without direct intervention

3348

02:09:01,990 --> 02:09:00,480

to bend space you know and travel like

3349

02:09:04,069 --> 02:09:02,000

that which she was talking about we need

3350

02:09:06,310 --> 02:09:04,079

so much energy but there's another model

3351
02:09:07,830 --> 02:09:06,320
that accounts for anomalies that cannot

3352
02:09:10,470 --> 02:09:07,840
that can't be accounted for in the

3353
02:09:12,310 --> 02:09:10,480
standard standard model of physics

3354
02:09:14,310 --> 02:09:12,320
and accounts for them by saying

3355
02:09:16,629 --> 02:09:14,320
there are other dimensionalities in

3356
02:09:19,030 --> 02:09:16,639
other words we can create human

3357
02:09:20,709 --> 02:09:19,040
traversable wormholes and then he talks

3358
02:09:22,629 --> 02:09:20,719
about the recent sightings

3359
02:09:25,430 --> 02:09:22,639
uh you know these beings are saying hey

3360
02:09:27,510 --> 02:09:25,440
look at this he goes we can build it

3361
02:09:29,189 --> 02:09:27,520
speaking as one of the beings we can

3362
02:09:30,629 --> 02:09:29,199
build it maybe you can too maybe they're

3363
02:09:32,870 --> 02:09:30,639

trying to produce we know we've thought

3364

02:09:34,390 --> 02:09:32,880

about that a lot of us have until we

3365

02:09:36,470 --> 02:09:34,400

take our own place in this we won't be

3366

02:09:38,069 --> 02:09:36,480

able to do it with rockets

3367

02:09:40,229 --> 02:09:38,079

but if we can traverse it the same way

3368

02:09:42,629 --> 02:09:40,239

they do then yes because

3369

02:09:45,189 --> 02:09:42,639

maybe we'll then get their respect

3370

02:09:46,870 --> 02:09:45,199

it's a new world if we can take it

3371

02:09:54,390 --> 02:09:46,880

if we don't take it they're going to

3372

02:09:59,189 --> 02:09:56,950

and then linda i think it was linda

3373

02:10:00,790 --> 02:09:59,199

who claims she has a man or source who

3374

02:10:02,629 --> 02:10:00,800

was part of the secret keepers that went

3375

02:10:05,109 --> 02:10:02,639

through a jump room

3376

02:10:07,030 --> 02:10:05,119

from alaska to hawaii he died at an

3377

02:10:08,790 --> 02:10:07,040

early age in his 40s because that's what

3378

02:10:10,069 --> 02:10:08,800

the technology of the jump room does to

3379

02:10:12,390 --> 02:10:10,079

a human body

3380

02:10:14,870 --> 02:10:12,400

i don't have any opinion on jump rooms i

3381

02:10:15,990 --> 02:10:14,880

wish jump rooms were real

3382

02:10:17,510 --> 02:10:16,000

um

3383

02:10:19,030 --> 02:10:17,520

and whitley said

3384

02:10:21,990 --> 02:10:19,040

trump rooms don't matter they're not

3385

02:10:23,510 --> 02:10:22,000

giving us a damn thing because whitley's

3386

02:10:25,189 --> 02:10:23,520

kind of saying he thinks yeah some of

3387

02:10:27,109 --> 02:10:25,199

this amazing technology does exist he

3388

02:10:29,510 --> 02:10:27,119

goes but they're not giving us a damn

3389

02:10:31,109 --> 02:10:29,520

thing we need to do it outside of that

3390

02:10:32,950 --> 02:10:31,119

secret world

3391

02:10:35,350 --> 02:10:32,960

they're not valid of this they're not

3392

02:10:37,430 --> 02:10:35,360

valid as this part of the human journey

3393

02:10:38,790 --> 02:10:37,440

so that world doesn't matter they can

3394

02:10:41,350 --> 02:10:38,800

all die

3395

02:10:44,550 --> 02:10:41,360

what matters is our world the outside

3396

02:10:45,910 --> 02:10:44,560

world use humanity to do it forget the

3397

02:10:47,350 --> 02:10:45,920

secret people

3398

02:10:49,270 --> 02:10:47,360

and then barbara lamb goes and then we

3399

02:10:51,030 --> 02:10:49,280

got the space uh secret space program

3400

02:10:52,870 --> 02:10:51,040

you know they go to mars and the moon

3401

02:10:55,589 --> 02:10:52,880

i'm like oh no

3402

02:10:57,430 --> 02:10:55,599

do not say curry good and sheen goes she

3403

02:10:59,910 --> 02:10:57,440

and goes barbara we need to be a little

3404

02:11:02,069 --> 02:10:59,920

careful as there have been some uh there

3405

02:11:03,589 --> 02:11:02,079

has been some transparent lying from

3406

02:11:06,069 --> 02:11:03,599

some of those people

3407

02:11:08,950 --> 02:11:06,079

she goes oh oh okay okay and then marry

3408

02:11:10,550 --> 02:11:08,960

rodwell this is the last part she goes

3409

02:11:12,229 --> 02:11:10,560

there are kids talking about coming here

3410

02:11:14,229 --> 02:11:12,239

to help and those kids know things about

3411

02:11:16,149 --> 02:11:14,239

physics and other scientists that in

3412

02:11:17,589 --> 02:11:16,159

other sciences that they shouldn't know

3413

02:11:19,030 --> 02:11:17,599

and then she knows doctors and

3414

02:11:21,510 --> 02:11:19,040

professionals who are having these

3415

02:11:25,750 --> 02:11:21,520

experiences but they will not talk about

3416

02:11:28,069 --> 02:11:25,760

it yet because of ugly stigma

3417

02:11:30,069 --> 02:11:28,079

um and may you know yeah if we had

3418

02:11:31,350 --> 02:11:30,079

doctors and lawyers and scientists

3419

02:11:33,669 --> 02:11:31,360

talking about

3420

02:11:35,350 --> 02:11:33,679

experiences and abductions that would be

3421

02:11:38,390 --> 02:11:35,360

huge but i do not expect them to come

3422

02:11:41,830 --> 02:11:38,400

out so

3423

02:11:44,149 --> 02:11:41,840

that is it john dr john out cheryl is a

3424

02:11:47,189 --> 02:11:44,159

pathologist thank you honor thank you

3425

02:11:51,510 --> 02:11:49,510

i'm just looking at that stuff now only

3426

02:11:53,430 --> 02:11:51,520

22 people left i know i almost left in

3427

02:11:55,750 --> 02:11:53,440

the middle it was too much how much was

3428

02:11:58,149 --> 02:11:55,760

it two hours and 10 minutes and if you

3429

02:12:01,990 --> 02:11:58,159

left comments and i didn't see them i'm

3430

02:12:06,310 --> 02:12:03,589

you seriously need to be considering

3431

02:12:07,910 --> 02:12:06,320

written history not just pop e.t culture

3432

02:12:10,229 --> 02:12:07,920

it has nothing to do with me considering

3433

02:12:12,310 --> 02:12:10,239

i agreed to do the conference and i

3434

02:12:14,629 --> 02:12:12,320

agreed to do every day of the conference

3435

02:12:16,069 --> 02:12:14,639

even if it's stuff i don't agree with so

3436

02:12:17,589 --> 02:12:16,079

it doesn't matter if i agree with what

3437

02:12:19,510 --> 02:12:17,599

i'm saying i'm sharing what was at the

3438

02:12:21,750 --> 02:12:19,520

conference that's it i'm reporting on

3439

02:12:25,430 --> 02:12:21,760

what the conference is so

3440

02:12:30,310 --> 02:12:27,750

anything else i need to eat

3441

02:12:32,149 --> 02:12:30,320

tomorrow is like i said el zondo and

3442

02:12:33,990 --> 02:12:32,159

ralph blumenthal

3443

02:12:35,350 --> 02:12:34,000

wasn't a great day for me like i said a

3444

02:12:36,629 --> 02:12:35,360

lot of this stuff is not in my

3445

02:12:39,030 --> 02:12:36,639

wheelhouse a lot of the stuff i don't

3446

02:12:41,030 --> 02:12:39,040

know what to make of it but like i said

3447

02:12:42,790 --> 02:12:41,040

i agreed to share and i wasn't going to

3448

02:12:44,149 --> 02:12:42,800

skip i'm already missing

3449

02:12:45,350 --> 02:12:44,159

something going on with mark sims and

3450

02:12:46,550 --> 02:12:45,360

the guy he works with you guys are

3451
02:12:47,589 --> 02:12:46,560
welcome

3452
02:12:49,589 --> 02:12:47,599
um

3453
02:12:53,030 --> 02:12:49,599
bug thank you for staying up

3454
02:12:55,430 --> 02:12:53,040
uh thank you i can't read it infinite

3455
02:12:56,870 --> 02:12:55,440
tyler center thai center

3456
02:12:57,669 --> 02:12:56,880
thank you

3457
02:12:59,350 --> 02:12:57,679
yeah

3458
02:13:00,470 --> 02:12:59,360
gang today it's just a flying wall just

3459
02:13:02,229 --> 02:13:00,480
sharing

3460
02:13:03,510 --> 02:13:02,239
you know when i'm hearing a lot of the

3461
02:13:04,709 --> 02:13:03,520
stuff as i'm taking notes i'm like i

3462
02:13:06,629 --> 02:13:04,719
don't even want to take notes because i

3463
02:13:08,790 --> 02:13:06,639

think this stuff is too outlandish it's

3464

02:13:10,790 --> 02:13:08,800

not going to help us um but people are

3465

02:13:12,870 --> 02:13:10,800

sharing a story so at least they have a

3466

02:13:14,390 --> 02:13:12,880

place to go if you have this experience

3467

02:13:17,830 --> 02:13:14,400

you want to share the story you have

3468

02:13:20,069 --> 02:13:17,840

places you can go barbra lamb

3469

02:13:21,510 --> 02:13:20,079

mary rodwell there are other therapists

3470

02:13:23,510 --> 02:13:21,520

out there thank you julie for staying

3471

02:13:26,390 --> 02:13:23,520

with the whole time

3472

02:13:27,669 --> 02:13:26,400

i know uh it was a lot um

3473

02:13:30,470 --> 02:13:27,679

so

3474

02:13:33,189 --> 02:13:30,480

tomorrow see you guys tomorrow with lou

3475

02:13:34,709 --> 02:13:33,199

and hopefully lou breaks some news

3476

02:13:37,750 --> 02:13:34,719

if he does i'll try to tweet it out as
