1  
00:00:08,549 --> 00:00:05,389  
i hope everyone is doing

2  
00:00:10,709 --> 00:00:08,559  
fantastic on this

3  
00:00:12,709 --> 00:00:10,719  
wonderful sunday

4  
00:00:16,390 --> 00:00:12,719  
and

5  
00:00:18,950 --> 00:00:16,400  
let me know if you guys like this if i

6  
00:00:21,510 --> 00:00:18,960  
don't explain things properly if my

7  
00:00:24,710 --> 00:00:21,520  
intonation is boring and monotone

8  
00:00:26,710 --> 00:00:24,720  
anything like that constructive feedback

9  
00:00:28,790 --> 00:00:26,720  
is always needed

10  
00:00:31,349 --> 00:00:28,800  
i may i may not always handle it as well

11  
00:00:33,030 --> 00:00:31,359  
as i should but i need construct

12  
00:00:34,709 --> 00:00:33,040  
constructive feedback either way you

13  
00:00:37,830 --> 00:00:34,719

know

14

00:00:39,350 --> 00:00:37,840

positive negative neutral

15

00:00:41,350 --> 00:00:39,360

it helps

16

00:00:43,190 --> 00:00:41,360

and i will start off and i'll do this at

17

00:00:44,630 --> 00:00:43,200

the beginning and end of each video and

18

00:00:45,510 --> 00:00:44,640

that's it

19

00:00:48,869 --> 00:00:45,520

so

20

00:00:49,590 --> 00:00:48,879

if you want to support my work first of

21

00:00:52,549 --> 00:00:49,600

all

22

00:00:54,430 --> 00:00:52,559

you can find my work on

23

00:01:00,310 --> 00:00:54,440

that's my twitter

24

00:01:02,549 --> 00:01:01,349

and

25

00:01:07,030 --> 00:01:02,559

paypal

26

00:01:09,350 --> 00:01:07,040

is ufojoe11 aol.com

27

00:01:10,710 --> 00:01:09,360

and just hopefully you guys can put up

28

00:01:11,830 --> 00:01:10,720

with me going through this i'm just

29

00:01:15,030 --> 00:01:11,840

going to go through it at the beginning

30

00:01:17,190 --> 00:01:15,040

and end of this will probably take two

31

00:01:19,590 --> 00:01:17,200

or three videos

32

00:01:20,950 --> 00:01:19,600

to do because my equipment right now

33

00:01:22,550 --> 00:01:20,960

will

34

00:01:23,990 --> 00:01:22,560

run out of batteries because i do not

35

00:01:25,910 --> 00:01:24,000

have the right connectors but i'm

36

00:01:26,870 --> 00:01:25,920

getting hopefully one in the mail today

37

00:01:29,190 --> 00:01:26,880

so

38

00:01:30,550 --> 00:01:29,200

just be patient it's gonna take a couple

39

00:01:33,590 --> 00:01:30,560

of videos

40

00:01:36,870 --> 00:01:33,600

and patreon is just patreon.com ufo joe

41

00:01:39,510 --> 00:01:36,880

you know slash ufo joe and then

42

00:01:40,789 --> 00:01:39,520

venmo people have started to use which i

43

00:01:42,310 --> 00:01:40,799

like because

44

00:01:44,310 --> 00:01:42,320

they don't take anything they don't take

45

00:01:46,630 --> 00:01:44,320

a fee as far as i can tell i have no

46

00:01:50,310 --> 00:01:46,640

idea how they make how i

47

00:01:52,389 --> 00:01:50,320

no idea how they make money

48

00:01:54,870 --> 00:01:52,399

so that's that

49

00:01:57,190 --> 00:01:54,880

and so here we are

50

00:01:59,230 --> 00:01:57,200

it's

51  
00:02:01,910 --> 00:01:59,240  
the brady bunch

52  
00:02:04,550 --> 00:02:01,920  
disclosure edition

53  
00:02:06,469 --> 00:02:04,560  
we got richard dolan and hopefully you

54  
00:02:08,389 --> 00:02:06,479  
guys i'm having a little fun here so

55  
00:02:10,869 --> 00:02:08,399  
hopefully people who were part of the

56  
00:02:13,270 --> 00:02:10,879  
panel don't get offended because i also

57  
00:02:14,550 --> 00:02:13,280  
i also do a little bit of impersonation

58  
00:02:16,710 --> 00:02:14,560  
every now and then

59  
00:02:18,550 --> 00:02:16,720  
uh try to try to make it like you were

60  
00:02:21,110 --> 00:02:18,560  
there which i cannot do

61  
00:02:23,350 --> 00:02:21,120  
but i'll do my best

62  
00:02:25,110 --> 00:02:23,360  
so we got richard dolan playing the role

63  
00:02:26,309 --> 00:02:25,120

of greg brady

64

00:02:27,510 --> 00:02:26,319

the oldest

65

00:02:30,070 --> 00:02:27,520

son

66

00:02:32,630 --> 00:02:30,080

lou elizondo of course would have to

67

00:02:36,229 --> 00:02:32,640

play mike brady the dad you know he's

68

00:02:39,750 --> 00:02:36,239

our he's our father figure in disclosure

69

00:02:41,430 --> 00:02:39,760

you got ralph blumenthal

70

00:02:44,309 --> 00:02:41,440

i think he's a family friend i haven't

71

00:02:46,309 --> 00:02:44,319

really figured out where ralph uh

72

00:02:49,589 --> 00:02:46,319

fits in in the brady bunch disclosure

73

00:02:51,750 --> 00:02:49,599

edition you got adam who's bobby brady

74

00:02:52,550 --> 00:02:51,760

obviously adam is the young gun

75

00:02:55,190 --> 00:02:52,560

and

76  
00:02:56,630 --> 00:02:55,200  
danny sheehan who i believe is sam the

77  
00:03:00,070 --> 00:02:56,640  
butcher

78  
00:03:02,869 --> 00:03:00,080  
and last but not least we have

79  
00:03:07,350 --> 00:03:02,879  
marshall marshall marshall

80  
00:03:10,149 --> 00:03:07,360  
yes marshall brady well marshall summers

81  
00:03:12,630 --> 00:03:10,159  
and we start off with

82  
00:03:16,550 --> 00:03:15,270  
danny sheehan

83  
00:03:20,630 --> 00:03:16,560  
and danny

84  
00:03:24,949 --> 00:03:23,750  
he's also the lawyer for the disclosure

85  
00:03:25,750 --> 00:03:24,959  
project

86  
00:03:37,350 --> 00:03:25,760  
and

87  
00:03:38,949 --> 00:03:37,360  
the right picture is up so you know

88  
00:03:40,949 --> 00:03:38,959

who's talking

89

00:03:42,390 --> 00:03:40,959  
and danny says you know this is saturday

90

00:03:44,869 --> 00:03:42,400  
and this was the making contact

91

00:03:47,670 --> 00:03:44,879  
conference this was the last day

92

00:03:48,869 --> 00:03:47,680  
or the next to last day the panel um

93

00:03:50,390 --> 00:03:48,879  
with

94

00:03:52,149 --> 00:03:50,400  
all those folks that you saw and we'll

95

00:03:53,429 --> 00:03:52,159  
get to them danny says you know this

96

00:03:55,350 --> 00:03:53,439  
saturday has been

97

00:03:56,710 --> 00:03:55,360  
one of the days that we've all been

98

00:03:58,229 --> 00:03:56,720  
building up to

99

00:03:59,670 --> 00:03:58,239  
and

100

00:04:01,750 --> 00:03:59,680  
we have to come to grips with the

101  
00:04:02,869 --> 00:04:01,760  
extraordinary nature of what's happening

102  
00:04:07,270 --> 00:04:02,879  
now which

103  
00:04:11,509 --> 00:04:07,280  
began back in december of 2017.

104  
00:04:13,830 --> 00:04:11,519  
it was actually december 16th 2017.

105  
00:04:15,110 --> 00:04:13,840  
and danny says i wanted to have marshall

106  
00:04:17,590 --> 00:04:15,120  
summers here

107  
00:04:20,550 --> 00:04:17,600  
so as to put the issue to us

108  
00:04:23,430 --> 00:04:20,560  
that there's an awful lot of idealistic

109  
00:04:26,469 --> 00:04:23,440  
responding to the ufo phenomenon and

110  
00:04:28,150 --> 00:04:26,479  
perhaps a lack of some care

111  
00:04:29,909 --> 00:04:28,160  
and what he's what he's meaning there

112  
00:04:32,629 --> 00:04:29,919  
what he means there is

113  
00:04:34,950 --> 00:04:32,639

the way i take it is a lot of people see

114

00:04:37,189 --> 00:04:34,960

this as

115

00:04:39,670 --> 00:04:37,199

the occupants of the ufos or the

116

00:04:41,830 --> 00:04:39,680

intelligences represent you know

117

00:04:45,189 --> 00:04:41,840

basically our space brothers here to

118

00:04:47,510 --> 00:04:45,199

save humanity and help us evolve to the

119

00:04:49,830 --> 00:04:47,520

fourth dimension or whatever you know

120

00:04:52,310 --> 00:04:49,840

all positive and we need to make contact

121

00:04:55,110 --> 00:04:52,320

and he's he's like you know just raining

122

00:04:56,710 --> 00:04:55,120

you know reigning in a little bit

123

00:04:58,950 --> 00:04:56,720

be a little a little careful here and

124

00:04:59,749 --> 00:04:58,960

that's why we have marshall

125

00:05:01,189 --> 00:04:59,759

and

126

00:05:03,670 --> 00:05:01,199

he says

127

00:05:06,230 --> 00:05:03,680

marshall there was a lot a lot going on

128

00:05:08,070 --> 00:05:06,240

when you were delivering your talk uh

129

00:05:10,790 --> 00:05:08,080

and marshall had given a lecture i think

130

00:05:11,909 --> 00:05:10,800

was earlier that day or the day before

131

00:05:13,590 --> 00:05:11,919

uh and he says marshall there were

132

00:05:16,550 --> 00:05:13,600

people running around here with their

133

00:05:19,110 --> 00:05:16,560

hair on fire going wait a second wait a

134

00:05:21,270 --> 00:05:19,120

second what about the allies

135

00:05:23,029 --> 00:05:21,280

what about the allies that we've made

136

00:05:24,950 --> 00:05:23,039

what about the good guys that are out

137

00:05:27,830 --> 00:05:24,960

there that are kind of communicating

138

00:05:28,629 --> 00:05:27,840

with us communicating with us

139

00:05:30,469 --> 00:05:28,639

and

140

00:05:32,950 --> 00:05:30,479

danny said that because most of

141

00:05:34,550 --> 00:05:32,960

marshall's talk was about the not so

142

00:05:37,510 --> 00:05:34,560

good guys the ones who are here for

143

00:05:39,029 --> 00:05:37,520

selfish re selfish reasons

144

00:05:42,070 --> 00:05:39,039

allegedly

145

00:05:44,230 --> 00:05:42,080

that's related to marshall's channeling

146

00:05:46,310 --> 00:05:44,240

the intervention force which we'll get

147

00:05:48,870 --> 00:05:46,320

to later

148

00:05:50,629 --> 00:05:48,880

so yeah people were freaking out and so

149

00:05:52,790 --> 00:05:50,639

danny wanted him to come onto the panel

150

00:05:54,950 --> 00:05:52,800

and explore more of his

151

00:05:57,189 --> 00:05:54,960

information related to the so-called

152

00:05:59,909 --> 00:05:57,199

allies of humanity

153

00:06:01,029 --> 00:05:59,919

he and danny also asked adam to come on

154

00:06:02,710 --> 00:06:01,039

and adam

155

00:06:05,110 --> 00:06:02,720

curry has done research related to

156

00:06:06,469 --> 00:06:05,120

princeton he has his own laboratory you

157

00:06:09,029 --> 00:06:06,479

know stuff about telepathic

158

00:06:11,029 --> 00:06:09,039

communication extraordinary anomalous

159

00:06:13,909 --> 00:06:11,039

capabilities that people seem to have

160

00:06:16,710 --> 00:06:13,919

that do generate some realistic

161

00:06:18,950 --> 00:06:16,720

probability that human beings

162

00:06:20,469 --> 00:06:18,960

are capable of receiving telepathic

163

00:06:25,670 --> 00:06:20,479

communications

164

00:06:29,029 --> 00:06:27,350

danny says one of the things that

165

00:06:31,189 --> 00:06:29,039

marshall didn't get into in the

166

00:06:33,510 --> 00:06:31,199

discussion his discussion today okay so

167

00:06:36,230 --> 00:06:33,520

it was earlier that day

168

00:06:38,950 --> 00:06:36,240

he stopped early uh

169

00:06:40,950 --> 00:06:38,960

and he didn't get into

170

00:06:43,590 --> 00:06:40,960

how he gets the information

171

00:06:46,070 --> 00:06:43,600

and how it's from a group of people

172

00:06:47,909 --> 00:06:46,080

beings actually and this is me saying

173

00:06:49,749 --> 00:06:47,919

allegedly i can't say that enough

174

00:06:51,189 --> 00:06:49,759

because people get upset

175

00:06:53,350 --> 00:06:51,199

and assume i'm buying into the

176

00:06:54,950 --> 00:06:53,360

information just because i

177

00:06:56,710 --> 00:06:54,960

i think it's

178

00:06:59,430 --> 00:06:56,720

something that resonates with me it does

179

00:07:01,350 --> 00:06:59,440

not necessarily mean i believe it so i'm

180

00:07:03,029 --> 00:07:01,360

very careful with that

181

00:07:05,189 --> 00:07:03,039

back to danny so these beings are

182

00:07:06,950 --> 00:07:05,199

allegedly from different star systems

183

00:07:09,029 --> 00:07:06,960

within our galaxy

184

00:07:11,110 --> 00:07:09,039

who are communicating their desire and

185

00:07:13,350 --> 00:07:11,120

these are the allies their desire to be

186

00:07:15,589 --> 00:07:13,360

helpful to us in light of the sort of

187

00:07:18,790 --> 00:07:15,599

non-intervention protocols that marshall

188

00:07:20,790 --> 00:07:18,800

understands exist within our galaxy

189

00:07:22,950 --> 00:07:20,800

well the good guys according to what i

190

00:07:25,510 --> 00:07:22,960

understand so far what i what i've read

191

00:07:27,430 --> 00:07:25,520

about the allies of humanity

192

00:07:29,029 --> 00:07:27,440

the reason they're not helping us or

193

00:07:31,909 --> 00:07:29,039

making contact is not because of

194

00:07:34,469 --> 00:07:31,919

non-intervention it's because our

195

00:07:37,670 --> 00:07:34,479

species is just too immature and we're

196

00:07:39,189 --> 00:07:37,680

not prepared for contact

197

00:07:42,950 --> 00:07:39,199

but we'll get to that later more with

198

00:07:48,950 --> 00:07:45,430

and danny says that marshall has talked

199

00:07:50,710 --> 00:07:48,960

about one side the selfish group or

200

00:07:53,749 --> 00:07:50,720

groups that

201  
00:07:55,749 --> 00:07:53,759  
are the commercial coalition of beings

202  
00:07:57,909 --> 00:07:55,759  
in the galaxy that are engaged in sort

203  
00:08:00,869 --> 00:07:57,919  
of a commercial view of our planet as a

204  
00:08:03,430 --> 00:08:00,879  
source of resources

205  
00:08:05,670 --> 00:08:03,440  
and they have one whole kind of agenda

206  
00:08:06,469 --> 00:08:05,680  
and from what i understand that agenda

207  
00:08:09,990 --> 00:08:06,479  
is

208  
00:08:11,510 --> 00:08:10,000  
they're evil

209  
00:08:13,029 --> 00:08:11,520  
they're just using the earth and us for

210  
00:08:14,869 --> 00:08:13,039  
what they need

211  
00:08:17,749 --> 00:08:14,879  
not that we need to put up with that but

212  
00:08:18,710 --> 00:08:17,759  
we'll get to that later

213  
00:08:20,469 --> 00:08:18,720

but

214

00:08:21,830 --> 00:08:20,479

danny continues

215

00:08:24,230 --> 00:08:21,840

there are

216

00:08:26,869 --> 00:08:24,240

there is in fact another group of beings

217

00:08:29,189 --> 00:08:26,879

in our galaxy who are here trying to

218

00:08:31,350 --> 00:08:29,199

suggest to us that we be careful at this

219

00:08:33,829 --> 00:08:31,360

extraordinarily important stage in our

220

00:08:34,949 --> 00:08:33,839

human development to be cautious in our

221

00:08:37,509 --> 00:08:34,959

response

222

00:08:39,990 --> 00:08:37,519

to any types of offers to help reaching

223

00:08:41,670 --> 00:08:40,000

out to us etc

224

00:08:42,790 --> 00:08:41,680

now this is a very different thing for

225

00:08:44,790 --> 00:08:42,800

lou

226

00:08:46,870 --> 00:08:44,800

it's a very different kind of challenge

227

00:08:49,430 --> 00:08:46,880

than the kind of standard military type

228

00:08:53,509 --> 00:08:49,440

of challenge as you say in

229

00:08:56,550 --> 00:08:55,190

where you were frustrated by the fact

230

00:08:59,030 --> 00:08:56,560

that the hyatt and he's talking about

231

00:09:00,790 --> 00:08:59,040

lou here the highest level officials in

232

00:09:03,750 --> 00:09:00,800

the defense establishment didn't seem to

233

00:09:05,750 --> 00:09:03,760

be treating this phenomenon as a kind of

234

00:09:08,870 --> 00:09:05,760

a threat of any kind

235

00:09:12,389 --> 00:09:08,880

and it was frustrating for lou

236

00:09:14,230 --> 00:09:12,399

and here's marshall suggesting that

237

00:09:16,310 --> 00:09:14,240

the threat may be something quite

238

00:09:17,350 --> 00:09:16,320

different than a military threat

239

00:09:18,630 --> 00:09:17,360

and yet

240

00:09:19,509 --> 00:09:18,640

there's going to be a lot of people

241

00:09:20,710 --> 00:09:19,519

saying

242

00:09:23,350 --> 00:09:20,720

well

243

00:09:25,670 --> 00:09:23,360

how would marshall knew know anything

244

00:09:27,590 --> 00:09:25,680

like that

245

00:09:29,590 --> 00:09:27,600

marshall would indicate that he has and

246

00:09:32,150 --> 00:09:29,600

he's been careful about a careful about

247

00:09:34,550 --> 00:09:32,160

this i noticed that during his

248

00:09:36,389 --> 00:09:34,560

participation so far that he has not

249

00:09:38,550 --> 00:09:36,399

really directly communicated to

250

00:09:39,750 --> 00:09:38,560

everybody that this is telepathic

251  
00:09:41,430 --> 00:09:39,760  
information

252  
00:09:45,590 --> 00:09:41,440  
he's gotten down over the years from

253  
00:09:47,350 --> 00:09:45,600  
this group of allies for humanity

254  
00:09:49,670 --> 00:09:47,360  
and i just want everybody to know if i

255  
00:09:51,590 --> 00:09:49,680  
sound like i'm running on

256  
00:09:53,750 --> 00:09:51,600  
and some of the sentences don't come to

257  
00:09:55,750 --> 00:09:53,760  
a conclusion

258  
00:09:56,710 --> 00:09:55,760  
danny sheehan has a tendency to do that

259  
00:09:59,430 --> 00:09:56,720  
so

260  
00:10:01,350 --> 00:09:59,440  
i'm pretty sure this is like 99 accurate

261  
00:10:03,990 --> 00:10:01,360  
word for word i mean i cleaned up some

262  
00:10:05,190 --> 00:10:04,000  
words so it makes it more readable but

263  
00:10:06,790 --> 00:10:05,200

yeah if it

264

00:10:09,190 --> 00:10:06,800

nothing against danny that's just how he

265

00:10:11,350 --> 00:10:09,200

talks and sometimes he runs on he gets a

266

00:10:12,870 --> 00:10:11,360

run-on sentence going and then he jumps

267

00:10:15,350 --> 00:10:12,880

into something completely different so

268

00:10:17,509 --> 00:10:15,360

it may be a little confusing confusing

269

00:10:19,829 --> 00:10:17,519

not too bad just every now and then

270

00:10:20,710 --> 00:10:19,839

so danny continues

271

00:10:22,150 --> 00:10:20,720

and

272

00:10:23,509 --> 00:10:22,160

he says

273

00:10:25,269 --> 00:10:23,519

and so

274

00:10:27,269 --> 00:10:25,279

what i wanted to do is i wanted to have

275

00:10:29,190 --> 00:10:27,279

all of us come together you know richard

276

00:10:31,030 --> 00:10:29,200

dolan and i have been on various panels

277

00:10:33,030 --> 00:10:31,040

over the years were quite familiar with

278

00:10:34,949 --> 00:10:33,040

each other

279

00:10:36,949 --> 00:10:34,959

i wanted to get one of the premier

280

00:10:38,630 --> 00:10:36,959

investigative journalists ralph

281

00:10:39,910 --> 00:10:38,640

blumenthal with us

282

00:10:42,550 --> 00:10:39,920

you know and ralph could help ask

283

00:10:45,430 --> 00:10:42,560

questions of a panel like this

284

00:10:47,269 --> 00:10:45,440

what kind of questions ralph i know you

285

00:10:49,269 --> 00:10:47,279

were asked during your question and

286

00:10:51,190 --> 00:10:49,279

answer period would you like to meet an

287

00:10:52,550 --> 00:10:51,200

extraterrestrial being

288

00:10:54,630 --> 00:10:52,560

i could just see that kind of an

289

00:10:56,150 --> 00:10:54,640

interview and danny laughs if you hear

290

00:10:59,110 --> 00:10:56,160

me laughing like that that's because the

291

00:11:00,710 --> 00:10:59,120

person talked was laughing

292

00:11:02,310 --> 00:11:00,720

so ralph what are your questions going

293

00:11:03,269 --> 00:11:02,320

to be

294

00:11:05,030 --> 00:11:03,279

but

295

00:11:07,509 --> 00:11:05,040

what i would like to know is what kind

296

00:11:09,509 --> 00:11:07,519

of questions known who the people are

297

00:11:12,470 --> 00:11:09,519

that are gathered here including adam

298

00:11:15,350 --> 00:11:12,480

curry who has done research at princeton

299

00:11:18,150 --> 00:11:15,360

and princeton it was the pear laboratory

300

00:11:20,069 --> 00:11:18,160

princeton engineering anomalies research

301  
00:11:22,790 --> 00:11:20,079  
laboratory

302  
00:11:25,509 --> 00:11:22,800  
so adam has done work there uh about

303  
00:11:28,470 --> 00:11:25,519  
related to these potential extras extra

304  
00:11:31,190 --> 00:11:28,480  
special or extra sensory capacities that

305  
00:11:33,350 --> 00:11:31,200  
our human human family has

306  
00:11:35,190 --> 00:11:33,360  
which marshall is alluding to because

307  
00:11:37,269 --> 00:11:35,200  
marshall is using

308  
00:11:41,190 --> 00:11:37,279  
allegedly channeling which is receiving

309  
00:11:43,990 --> 00:11:42,470  
so

310  
00:11:45,750 --> 00:11:44,000  
and i think he's talking to ralph here

311  
00:11:46,630 --> 00:11:45,760  
he goes why don't you ask some questions

312  
00:11:49,110 --> 00:11:46,640  
um

313  
00:11:50,949 --> 00:11:49,120

like if you if you've gotten this golden

314

00:11:53,430 --> 00:11:50,959

opportunity to have this interview of

315

00:11:54,790 --> 00:11:53,440

these people that are here with us today

316

00:11:56,790 --> 00:11:54,800

and he's not talking about aliens he's

317

00:11:59,030 --> 00:11:56,800

talking about the panel how are you

318

00:12:00,150 --> 00:11:59,040

going to advance your understanding

319

00:12:04,069 --> 00:12:00,160

of this

320

00:12:08,629 --> 00:12:06,230

and ralph says with his

321

00:12:11,350 --> 00:12:08,639

new york accent he's like danny

322

00:12:13,269 --> 00:12:11,360

i gotta say this it's hard enough to get

323

00:12:15,750 --> 00:12:13,279

a serious organization like the new york

324

00:12:18,870 --> 00:12:15,760

times to pay attention to the fact that

325

00:12:21,030 --> 00:12:18,880

the uap report for the first time

326

00:12:23,030 --> 00:12:21,040

acknowledged that these objects

327

00:12:25,910 --> 00:12:23,040

physically exist i mean

328

00:12:28,870 --> 00:12:25,920

that in itself is a breakthrough

329

00:12:32,389 --> 00:12:28,880

to go on and talk about communications

330

00:12:35,750 --> 00:12:32,399

from extraterrestrials or or so is

331

00:12:37,990 --> 00:12:35,760

is a huge leap forward that is very very

332

00:12:40,790 --> 00:12:38,000

difficult to make in the mainstream

333

00:12:42,550 --> 00:12:40,800

media danny says it is

334

00:12:44,550 --> 00:12:42,560

and ralph continues

335

00:12:45,670 --> 00:12:44,560

i just want to say that my talk today

336

00:12:47,750 --> 00:12:45,680

was about

337

00:12:49,910 --> 00:12:47,760

how it's so important to stick to things

338

00:12:51,590 --> 00:12:49,920

that we can verify on the record sources

339

00:12:54,629 --> 00:12:51,600

things we can confirm

340

00:12:56,389 --> 00:12:54,639

and then later on you know

341

00:12:58,790 --> 00:12:56,399

not later on he goes

342

00:13:00,949 --> 00:12:58,800

when you get into claims that the united

343

00:13:02,870 --> 00:13:00,959

states is working with extraterrestrials

344

00:13:04,710 --> 00:13:02,880

on the dark side of the moon

345

00:13:08,710 --> 00:13:04,720

that turns a lot of people off and it's

346

00:13:11,430 --> 00:13:08,720

just it's just impossible to verify

347

00:13:13,750 --> 00:13:11,440

so what i'm saying is that you know

348

00:13:16,389 --> 00:13:13,760

we investigative reporters in mainstream

349

00:13:18,550 --> 00:13:16,399

media are facing great obstacles in

350

00:13:20,790 --> 00:13:18,560

establish establishing even the most

351

00:13:23,829 --> 00:13:20,800

basic elements of the whole

352

00:13:27,269 --> 00:13:23,839

ufo uap experience

353

00:13:29,910 --> 00:13:27,279

so we have to be extremely cautious

354

00:13:31,990 --> 00:13:29,920

and conservative in what claims

355

00:13:34,870 --> 00:13:32,000

we put we put forward

356

00:13:36,870 --> 00:13:34,880

and danny says i agree

357

00:13:40,470 --> 00:13:36,880

and ralph says that's where i'm coming

358

00:13:44,150 --> 00:13:42,069

and danny continues

359

00:13:45,670 --> 00:13:44,160

i agree you know

360

00:13:47,829 --> 00:13:45,680

but

361

00:13:49,430 --> 00:13:47,839

i think you will acknowledge if we have

362

00:13:51,509 --> 00:13:49,440

to wait for that

363

00:13:53,990 --> 00:13:51,519

for the new york times to put it on the

364

00:13:56,710 --> 00:13:54,000

front page let me stop one second i

365

00:13:58,870 --> 00:13:56,720

unders i agree with just rewind a little

366

00:13:59,910 --> 00:13:58,880

bit i agree with i agree with what ralph

367

00:14:02,150 --> 00:13:59,920

is saying

368

00:14:03,670 --> 00:14:02,160

but danny follows up perfectly and he

369

00:14:05,030 --> 00:14:03,680

says

370

00:14:06,710 --> 00:14:05,040

you know if we wait for the new york

371

00:14:07,910 --> 00:14:06,720

times to put it on the front page we're

372

00:14:10,550 --> 00:14:07,920

going to be a little bit behind the

373

00:14:13,670 --> 00:14:10,560

power curve on this issue of course

374

00:14:15,750 --> 00:14:13,680

you know yeah it's great the new york

375

00:14:17,670 --> 00:14:15,760

times and washington post and other

376

00:14:19,829 --> 00:14:17,680

mainstream outlets

377

00:14:22,069 --> 00:14:19,839

hopefully they keep covering this but

378

00:14:23,670 --> 00:14:22,079

obviously we're not expecting them to

379

00:14:25,670 --> 00:14:23,680

report on

380

00:14:27,310 --> 00:14:25,680

marshall summers you know channeling

381

00:14:29,430 --> 00:14:27,320

information from alleged

382

00:14:31,269 --> 00:14:29,440

extraterrestrials who are the allies of

383

00:14:33,030 --> 00:14:31,279

humanity so i don't know why ralph even

384

00:14:34,470 --> 00:14:33,040

needed to say that i mean

385

00:14:36,710 --> 00:14:34,480

but anyway i think he wanted to make

386

00:14:39,110 --> 00:14:36,720

sure he didn't think you know people

387

00:14:41,269 --> 00:14:39,120

didn't think he was buying into this

388

00:14:43,590 --> 00:14:41,279

what what marshall was

389

00:14:45,189 --> 00:14:43,600

you know sharing just because ralph was

390

00:14:46,710 --> 00:14:45,199

part of the panel i'm not even sure

391

00:14:48,310 --> 00:14:46,720

ralph knew

392

00:14:50,629 --> 00:14:48,320

that marshall summers would be part of

393

00:14:52,470 --> 00:14:50,639

the panel when he agreed

394

00:14:53,829 --> 00:14:52,480

to do it

395

00:14:56,310 --> 00:14:53,839

so

396

00:14:58,790 --> 00:14:56,320

danny's like i'm approaching you

397

00:15:00,870 --> 00:14:58,800

in terms of being a journalist ralph you

398

00:15:02,389 --> 00:15:00,880

know you've done the book about john

399

00:15:04,949 --> 00:15:02,399

mack

400

00:15:08,629 --> 00:15:04,959

exploring what an extraordinary set of

401

00:15:11,030 --> 00:15:08,639

data it was that was coming in here

402

00:15:14,230 --> 00:15:11,040

there are other sources from richard

403

00:15:14,240 --> 00:15:19,030

you know

404

00:15:23,189 --> 00:15:20,710

richard and he goes on to richard he

405

00:15:26,550 --> 00:15:23,199

goes richard and all the time you spent

406

00:15:29,110 --> 00:15:26,560

on this richard dolan he's asking

407

00:15:31,269 --> 00:15:29,120

what is it that convinces you that there

408

00:15:33,590 --> 00:15:31,279

is another dimension to this story that

409

00:15:34,949 --> 00:15:33,600

has to do with actually not just the

410

00:15:36,629 --> 00:15:34,959

mechanics

411

00:15:39,430 --> 00:15:36,639

of these vehicles and whether they're

412

00:15:42,150 --> 00:15:39,440

solid objects which we've finally gotten

413

00:15:44,069 --> 00:15:42,160

the defense department to acknowledge

414

00:15:46,310 --> 00:15:44,079

but how much further do you think and

415

00:15:49,670 --> 00:15:46,320

now he goes in the middle of a question

416

00:15:50,470 --> 00:15:49,680

to dolan he switches

417

00:15:52,629 --> 00:15:50,480

to

418

00:15:53,990 --> 00:15:52,639

ralph without completing his first

419

00:15:56,150 --> 00:15:54,000

question to dolan so that's the kind of

420

00:15:59,110 --> 00:15:56,160

stuff i'm talking about and he says

421

00:16:00,949 --> 00:15:59,120

ralph how much farther do you think you

422

00:16:03,430 --> 00:16:00,959

as a journalist might be able to go by

423

00:16:05,269 --> 00:16:03,440

interviewing a person like richard dolan

424

00:16:08,150 --> 00:16:05,279

to share to share more

425

00:16:10,470 --> 00:16:08,160

to share more data with you

426

00:16:12,949 --> 00:16:10,480

that he has that might be worthy of your

427

00:16:14,949 --> 00:16:12,959

journalistic integrity even if the new

428

00:16:17,590 --> 00:16:14,959

york times isn't quite yet ready to

429

00:16:19,590 --> 00:16:17,600

publish that

430

00:16:21,990 --> 00:16:19,600

what kind of information well let me do

431

00:16:24,230 --> 00:16:22,000

it the other way around richard what

432

00:16:25,670 --> 00:16:24,240

type of information do you think that

433

00:16:28,069 --> 00:16:25,680

you have

434

00:16:30,069 --> 00:16:28,079

that has convinced you as an objective

435

00:16:33,030 --> 00:16:30,079

historian and researcher

436

00:16:34,550 --> 00:16:33,040

that might be shared with ralph

437

00:16:37,110 --> 00:16:34,560

that would start to give ralph an

438

00:16:40,069 --> 00:16:37,120

additional amount of information or data

439

00:16:42,790 --> 00:16:40,079

that might be helpful

440

00:16:44,470 --> 00:16:42,800

and mr dolan says

441

00:16:46,629 --> 00:16:44,480

that's very easy

442

00:16:49,030 --> 00:16:46,639

you start with the classified literature

443

00:16:50,389 --> 00:16:49,040

that we have had for decades

444

00:16:53,110 --> 00:16:50,399

that describe

445

00:16:56,550 --> 00:16:53,120

military encounters with objects that

446

00:16:59,110 --> 00:16:56,560

are simply not supposed to exist

447

00:17:01,189 --> 00:16:59,120

you know you don't start in 2004

448

00:17:03,670 --> 00:17:01,199

which is all we ever hear about

449

00:17:06,069 --> 00:17:03,680

it's as if the ufo phenomenon started in

450

00:17:07,590 --> 00:17:06,079

2004 and you know i understand it's

451  
00:17:09,189 --> 00:17:07,600  
important to keep the discussion

452  
00:17:14,150 --> 00:17:09,199  
restricted to certain facts but the

453  
00:17:16,390 --> 00:17:14,160  
reality is by ignoring the 1990s 1980s

454  
00:17:18,230 --> 00:17:16,400  
going back to the 1940s and even

455  
00:17:20,230 --> 00:17:18,240  
forgetting the earlier periods by

456  
00:17:23,110 --> 00:17:20,240  
ignoring those earlier sightings and

457  
00:17:24,949 --> 00:17:23,120  
ignoring the dramatic memos classified

458  
00:17:27,270 --> 00:17:24,959  
memos that we have

459  
00:17:30,950 --> 00:17:27,280  
through foia that we've had since the

460  
00:17:32,630 --> 00:17:30,960  
1970s that prove they don't hint they

461  
00:17:35,350 --> 00:17:32,640  
don't suggest

462  
00:17:37,510 --> 00:17:35,360  
but they prove that the us government

463  
00:17:39,590 --> 00:17:37,520

has been deeply concerned

464

00:17:41,590 --> 00:17:39,600

to the point of almost panic about these

465

00:17:43,190 --> 00:17:41,600

objects

466

00:17:44,710 --> 00:17:43,200

you know like to me that's a story that

467

00:17:46,470 --> 00:17:44,720

the mainstream media

468

00:17:48,390 --> 00:17:46,480

has really not covered

469

00:17:50,230 --> 00:17:48,400

certainly not the new york times

470

00:17:51,110 --> 00:17:50,240

and i know ralph would be interested i

471

00:17:53,350 --> 00:17:51,120

mean

472

00:17:55,430 --> 00:17:53,360

ralph i've listened to you

473

00:17:57,190 --> 00:17:55,440

but the fact is

474

00:17:59,430 --> 00:17:57,200

that's where we need to go we need to

475

00:18:01,190 --> 00:17:59,440

establish the historical reality of the

476

00:18:05,590 --> 00:18:01,200

united states

477

00:18:06,630 --> 00:18:05,600

governments but let's start with the us

478

00:18:08,470 --> 00:18:06,640

because

479

00:18:12,150 --> 00:18:08,480

this has been going on i mean you got

480

00:18:14,950 --> 00:18:12,160

january 1949 memo by the fbi detailing

481

00:18:16,870 --> 00:18:14,960

airspace incursions over white sands and

482

00:18:18,870 --> 00:18:16,880

over los alamos

483

00:18:21,430 --> 00:18:18,880

you know objects were tracked with

484

00:18:23,990 --> 00:18:21,440

instrumentation traveling in upwards of

485

00:18:25,750 --> 00:18:24,000

nine thousand miles per hour

486

00:18:28,630 --> 00:18:25,760

1949

487

00:18:30,150 --> 00:18:28,640

that's tic tac ufo territory right there

488

00:18:31,909 --> 00:18:30,160

and there's quite a few of these

489

00:18:32,710 --> 00:18:31,919

documents types of documents that we

490

00:18:34,230 --> 00:18:32,720

have

491

00:18:36,950 --> 00:18:34,240

so i would say

492

00:18:39,590 --> 00:18:36,960

start with that

493

00:18:41,830 --> 00:18:39,600

and ralph says

494

00:18:44,230 --> 00:18:41,840

you know i agree with you richard that a

495

00:18:45,990 --> 00:18:44,240

lot of it hinges on documentation

496

00:18:48,070 --> 00:18:46,000

government documentation

497

00:18:50,390 --> 00:18:48,080

which is why we put so much stock in

498

00:18:52,950 --> 00:18:50,400

lew's group a tip

499

00:18:55,510 --> 00:18:52,960

and why the story was printed by the new

500

00:18:56,950 --> 00:18:55,520

york times our first story first the

501  
00:18:58,950 --> 00:18:56,960  
story

502  
00:19:01,590 --> 00:18:58,960  
we had lou we had his documentation we

503  
00:19:04,950 --> 00:19:01,600  
had his letter of resignation we had his

504  
00:19:07,750 --> 00:19:04,960  
quotes there were no anonymous sources

505  
00:19:10,470 --> 00:19:07,760  
so with proper authentication

506  
00:19:12,310 --> 00:19:10,480  
and proper sourcing yes these stories

507  
00:19:14,630 --> 00:19:12,320  
can get into the paper

508  
00:19:16,549 --> 00:19:14,640  
one of the problems richard

509  
00:19:18,870 --> 00:19:16,559  
as you recognize

510  
00:19:21,110 --> 00:19:18,880  
with the documents is there's been so

511  
00:19:23,190 --> 00:19:21,120  
much controversy over authenticity of

512  
00:19:24,870 --> 00:19:23,200  
documents and so much disinformation in

513  
00:19:26,950 --> 00:19:24,880

documents

514

00:19:29,590 --> 00:19:26,960

we were dealing with a document at the

515

00:19:32,470 --> 00:19:29,600

new york times that we were convinced

516

00:19:34,310 --> 00:19:32,480

and i'm not going to say

517

00:19:38,070 --> 00:19:34,320

what it was

518

00:19:40,150 --> 00:19:38,080

but we were convinced it was authentic

519

00:19:43,190 --> 00:19:40,160

and we ended up

520

00:19:44,390 --> 00:19:43,200

concluding it was at least partially

521

00:19:46,870 --> 00:19:44,400

authentic

522

00:19:49,830 --> 00:19:46,880

it had to do with crash retrievals

523

00:19:51,350 --> 00:19:49,840

but then we were told that it may not be

524

00:19:52,950 --> 00:19:51,360

totally authentic

525

00:19:55,029 --> 00:19:52,960

so there's been a lot of tampering with

526

00:19:57,029 --> 00:19:55,039

official documents

527

00:20:00,070 --> 00:19:57,039

there's been so much shadowy government

528

00:20:02,390 --> 00:20:00,080

activity in this field disinformation

529

00:20:03,830 --> 00:20:02,400

that it's almost impossible and then

530

00:20:06,789 --> 00:20:03,840

dolan says

531

00:20:10,149 --> 00:20:06,799

there is that and then i write and i

532

00:20:13,909 --> 00:20:10,159

link to it i believe ralph is referring

533

00:20:15,029 --> 00:20:13,919

to the 1961 mj12 sn

534

00:20:16,470 --> 00:20:15,039

ie

535

00:20:18,870 --> 00:20:16,480

which is

536

00:20:22,549 --> 00:20:18,880

the special national intelligence

537

00:20:24,390 --> 00:20:22,559

estimate which i wrote about in my

538

00:20:26,549 --> 00:20:24,400

wilson davis mega blog and then i had a

539

00:20:28,630 --> 00:20:26,559

separate blog on that so check that out

540

00:20:30,310 --> 00:20:28,640

that might be the article that is

541

00:20:31,510 --> 00:20:30,320

partially authentic

542

00:20:33,750 --> 00:20:31,520

because it has to do with crash

543

00:20:36,310 --> 00:20:33,760

retrievals and the soviet union and the

544

00:20:37,909 --> 00:20:36,320

united states and how we would react if

545

00:20:38,789 --> 00:20:37,919

something came down

546

00:20:41,110 --> 00:20:38,799

and

547

00:20:43,190 --> 00:20:41,120

we wanted to make sure that the soviets

548

00:20:45,830 --> 00:20:43,200

you know we didn't think

549

00:20:47,430 --> 00:20:45,840

if it came into our country and crashed

550

00:20:49,029 --> 00:20:47,440

you know we didn't want to think it was

551  
00:20:50,390 --> 00:20:49,039  
the soviets so

552  
00:20:52,070 --> 00:20:50,400  
and the soviets if it happened to them

553  
00:20:53,590 --> 00:20:52,080  
they didn't want to think it was us you

554  
00:20:54,789 --> 00:20:53,600  
know because if that happened we might

555  
00:20:56,470 --> 00:20:54,799  
think they were attacking or they

556  
00:20:57,750 --> 00:20:56,480  
thought we were attacking

557  
00:20:59,990 --> 00:20:57,760  
you know and it could start a nuclear

558  
00:21:03,190 --> 00:21:00,000  
war and just destroy the planet that's

559  
00:21:04,789 --> 00:21:03,200  
what the document talks about so yeah i

560  
00:21:06,470 --> 00:21:04,799  
linked to it and you can read it and

561  
00:21:09,270 --> 00:21:06,480  
like i think that's what ralph is

562  
00:21:10,950 --> 00:21:09,280  
referring to it's not wilson davis i'm

563  
00:21:13,350 --> 00:21:10,960

very confident because that's not a

564

00:21:17,270 --> 00:21:13,360

government document and ralph says it

565

00:21:17,280 --> 00:21:21,350

i think he says government he said

566

00:21:24,710 --> 00:21:23,110

he says official documents you know

567

00:21:26,549 --> 00:21:24,720

there's been a lot of tampering with

568

00:21:28,230 --> 00:21:26,559

official documents wilson davis is not

569

00:21:31,669 --> 00:21:28,240

an official document it's just a set of

570

00:21:33,510 --> 00:21:31,679

notes so yeah unless the new york times

571

00:21:35,669 --> 00:21:33,520

was working on another document that i'm

572

00:21:38,149 --> 00:21:35,679

unaware of i know they were working on

573

00:21:42,470 --> 00:21:38,159

the 1961 document

574

00:21:47,270 --> 00:21:44,470

so ralph

575

00:21:49,430 --> 00:21:47,280

continues he's like you know

576  
00:21:50,870 --> 00:21:49,440  
that's why

577  
00:21:52,870 --> 00:21:50,880  
we relied

578  
00:21:54,710 --> 00:21:52,880  
so much on lou and his organization

579  
00:21:55,909 --> 00:21:54,720  
because

580  
00:21:57,270 --> 00:21:55,919  
at least that was something we could

581  
00:21:59,510 --> 00:21:57,280  
latch onto

582  
00:22:02,149 --> 00:21:59,520  
to say that the government an official

583  
00:22:03,590 --> 00:22:02,159  
government organization says this this

584  
00:22:06,390 --> 00:22:03,600  
and this

585  
00:22:07,909 --> 00:22:06,400  
and suddenly we were on easy ground in

586  
00:22:09,590 --> 00:22:07,919  
terms of getting the new york times to

587  
00:22:12,070 --> 00:22:09,600  
pay attention and so that's the

588  
00:22:13,909 --> 00:22:12,080

challenge we face face and it's always

589

00:22:14,870 --> 00:22:13,919

easier when the government acknowledges

590

00:22:17,270 --> 00:22:14,880

something

591

00:22:19,750 --> 00:22:17,280

at least we know who's standing behind

592

00:22:21,750 --> 00:22:19,760

it who's saying what and it's much

593

00:22:23,909 --> 00:22:21,760

easier than taking a video for example

594

00:22:25,909 --> 00:22:23,919

from some citizen who says hey look

595

00:22:28,710 --> 00:22:25,919

here's a video of a ufo i filmed outside

596

00:22:30,070 --> 00:22:28,720

the dc train station here it is you know

597

00:22:32,230 --> 00:22:30,080

and ralph's like i don't know what to

598

00:22:33,270 --> 00:22:32,240

make of that it looks good it looks

599

00:22:34,630 --> 00:22:33,280

interesting

600

00:22:37,430 --> 00:22:34,640

and i agree with that it's very

601  
00:22:38,950 --> 00:22:37,440  
difficult with citizen ufos to say much

602  
00:22:41,510 --> 00:22:38,960  
of anything about them because you don't

603  
00:22:43,669 --> 00:22:41,520  
know you don't know details usually

604  
00:22:45,990 --> 00:22:43,679  
that's why i love the three videos the

605  
00:22:47,909 --> 00:22:46,000  
government uap ufo videos even though

606  
00:22:49,750 --> 00:22:47,919  
they're not spectacular

607  
00:22:51,830 --> 00:22:49,760  
you know we want to see the spectacular

608  
00:22:53,830 --> 00:22:51,840  
ones but at least they were official you

609  
00:22:55,669 --> 00:22:53,840  
know shot from f-18s and the flear

610  
00:22:57,110 --> 00:22:55,679  
cameras

611  
00:22:58,549 --> 00:22:57,120  
and ralph's like you know somebody gives

612  
00:22:59,590 --> 00:22:58,559  
me a video i don't know what to make of

613  
00:23:01,110 --> 00:22:59,600

it so

614

00:23:02,230 --> 00:23:01,120

he goes but if the government were to

615

00:23:04,549 --> 00:23:02,240

release that

616

00:23:07,110 --> 00:23:04,559

like the three navy videos

617

00:23:09,190 --> 00:23:07,120

you know that drew unprecedented

618

00:23:11,350 --> 00:23:09,200

attention for the new york times and

619

00:23:13,590 --> 00:23:11,360

suddenly it makes news i mean

620

00:23:14,950 --> 00:23:13,600

lou is the key to this in many ways it

621

00:23:17,270 --> 00:23:14,960

seems to me

622

00:23:18,470 --> 00:23:17,280

because or certainly lose position in

623

00:23:20,390 --> 00:23:18,480

the government

624

00:23:22,390 --> 00:23:20,400

because he can bring to it a certain

625

00:23:26,149 --> 00:23:22,400

authority that makes it easier

626  
00:23:29,110 --> 00:23:26,159  
for the mainstream media to pick up

627  
00:23:30,549 --> 00:23:29,120  
and mr dolan says

628  
00:23:32,390 --> 00:23:30,559  
i just want to add

629  
00:23:34,470 --> 00:23:32,400  
absolutely

630  
00:23:36,549 --> 00:23:34,480  
lou is critical and i agree with you the

631  
00:23:38,710 --> 00:23:36,559  
documents that i referred to are all a

632  
00:23:40,390 --> 00:23:38,720  
hundred percent authenticated by the us

633  
00:23:42,470 --> 00:23:40,400  
government they've come out of college

634  
00:23:43,510 --> 00:23:42,480  
park maryland the national archives all

635  
00:23:46,470 --> 00:23:43,520  
of them

636  
00:23:48,070 --> 00:23:46,480  
the ones that i work with are 100 legit

637  
00:23:49,909 --> 00:23:48,080  
out of the archives

638  
00:23:52,230 --> 00:23:49,919

there's quite a lot there are thousands

639

00:23:54,789 --> 00:23:52,240

in fact go to the black vault john

640

00:23:55,750 --> 00:23:54,799

greenwald runs that he does a great job

641

00:23:57,269 --> 00:23:55,760

so no

642

00:23:59,029 --> 00:23:57,279

there's quite a bit of us government

643

00:24:00,909 --> 00:23:59,039

documentary authentication of

644

00:24:03,430 --> 00:24:00,919

long-standing essentially the

645

00:24:05,669 --> 00:24:03,440

impossibilities being noted by military

646

00:24:06,710 --> 00:24:05,679

personnel in the sky sometimes in the

647

00:24:10,070 --> 00:24:06,720

oceans

648

00:24:11,750 --> 00:24:10,080

and we've got them got the documents

649

00:24:13,750 --> 00:24:11,760

and they get released and they fall into

650

00:24:15,909 --> 00:24:13,760

the black hole of the american memory

651  
00:24:17,190 --> 00:24:15,919  
and no one ever talks about them but

652  
00:24:21,029 --> 00:24:17,200  
they do exist

653  
00:24:23,029 --> 00:24:21,039  
and they are part of our history

654  
00:24:25,669 --> 00:24:23,039  
and we go back to mr danny sheen who

655  
00:24:30,710 --> 00:24:28,630  
how much farther do you think

656  
00:24:33,590 --> 00:24:30,720  
a really sound responsible journalist

657  
00:24:36,149 --> 00:24:33,600  
can go based upon those documents that

658  
00:24:38,390 --> 00:24:36,159  
have been recovered for example

659  
00:24:39,669 --> 00:24:38,400  
a report from project sign back in the

660  
00:24:41,110 --> 00:24:39,679  
40s

661  
00:24:43,029 --> 00:24:41,120  
and

662  
00:24:46,390 --> 00:24:43,039  
you tell ralph richard if he doesn't

663  
00:24:48,710 --> 00:24:46,400

already know what that report concluded

664

00:24:51,590 --> 00:24:48,720

and and we're talking about the estimate

665

00:24:53,510 --> 00:24:51,600

of the situation

666

00:24:55,669 --> 00:24:53,520

so richard says

667

00:24:58,789 --> 00:24:55,679

the estimate of the situation does not

668

00:25:01,190 --> 00:24:58,799

exist no one has seen he's like

669

00:25:03,669 --> 00:25:01,200

some people have seen it but

670

00:25:06,950 --> 00:25:03,679

no one has produced it

671

00:25:08,789 --> 00:25:06,960

air force captain edward rupelt who ran

672

00:25:10,630 --> 00:25:08,799

project blue book

673

00:25:11,750 --> 00:25:10,640

he wrote that he knew about that

674

00:25:13,510 --> 00:25:11,760

document

675

00:25:16,070 --> 00:25:13,520

dewey fournette who was a colleague of

676

00:25:17,830 --> 00:25:16,080

his in the us air force

677

00:25:20,950 --> 00:25:17,840

testified that he had seen it and read

678

00:25:23,430 --> 00:25:20,960

it that was an affidavit so there are

679

00:25:25,269 --> 00:25:23,440

people there's no reason to deny it but

680

00:25:27,350 --> 00:25:25,279

no one has seen it

681

00:25:29,350 --> 00:25:27,360

aside from that

682

00:25:32,070 --> 00:25:29,360

though there are actually quite a few

683

00:25:33,190 --> 00:25:32,080

very excellent declassified u.s military

684

00:25:36,230 --> 00:25:33,200

reports

685

00:25:37,909 --> 00:25:36,240

well

686

00:25:40,470 --> 00:25:37,919

and i went over some of those in my

687

00:25:42,070 --> 00:25:40,480

lecture earlier today

688

00:25:43,909 --> 00:25:42,080

i just like running through them because

689

00:25:45,750 --> 00:25:43,919

i think people should remember them so

690

00:25:48,149 --> 00:25:45,760

it's quite a fit

691

00:25:50,390 --> 00:25:48,159

there's no single us released document

692

00:25:52,149 --> 00:25:50,400

that says ah yes

693

00:25:53,190 --> 00:25:52,159

ufos are it

694

00:25:56,149 --> 00:25:53,200

sorry

695

00:25:58,230 --> 00:25:56,159

there's no single us released document

696

00:26:00,789 --> 00:25:58,240

that says ah yes

697

00:26:02,870 --> 00:26:00,799

ufos are aliens

698

00:26:05,350 --> 00:26:02,880

so there's none that say that

699

00:26:07,029 --> 00:26:05,360

but if you take the top 10

700

00:26:08,230 --> 00:26:07,039

or top 20

701  
00:26:09,510 --> 00:26:08,240  
they do

702  
00:26:11,430 --> 00:26:09,520  
prove

703  
00:26:13,590 --> 00:26:11,440  
that while the united states was telling

704  
00:26:17,350 --> 00:26:13,600  
the public there's no such thing as as

705  
00:26:18,549 --> 00:26:17,360  
ufos or no genuine ones in the 40s and

706  
00:26:21,029 --> 00:26:18,559  
50s

707  
00:26:22,390 --> 00:26:21,039  
they were seriously concerned about it

708  
00:26:24,549 --> 00:26:22,400  
and there's enough data in those

709  
00:26:26,710 --> 00:26:24,559  
documents to show extraordinary

710  
00:26:28,230 --> 00:26:26,720  
performance capabilities on a number of

711  
00:26:31,110 --> 00:26:28,240  
occasions

712  
00:26:33,269 --> 00:26:31,120  
so the top 10 or 20 of those documents

713  
00:26:34,789 --> 00:26:33,279

absolutely prove that there was a cover

714

00:26:36,789 --> 00:26:34,799

up on ufos

715

00:26:38,870 --> 00:26:36,799

and formal government lying to the

716

00:26:40,710 --> 00:26:38,880

public and that's a good place to start

717

00:26:43,990 --> 00:26:40,720

you know we don't have to solve

718

00:26:46,789 --> 00:26:44,000

is it aliens or not right away

719

00:26:49,110 --> 00:26:46,799

i think step one for public conversation

720

00:26:51,510 --> 00:26:49,120

is just to recognize this is a real

721

00:26:54,470 --> 00:26:51,520

phenomenon and let's figure it out from

722

00:27:00,310 --> 00:26:56,789

and danny and this will be a theme for

723

00:27:04,830 --> 00:27:00,320

the next few exchanges

724

00:27:09,430 --> 00:27:06,710

if

725

00:27:11,110 --> 00:27:09,440

rupelt said that the estimate of the

726

00:27:12,549 --> 00:27:11,120

situation i'll just call it the estimate

727

00:27:14,789 --> 00:27:12,559

from now on

728

00:27:15,750 --> 00:27:14,799

if he said that does exist from project

729

00:27:17,750 --> 00:27:15,760

sign

730

00:27:18,830 --> 00:27:17,760

and his assistant or deputy said he's

731

00:27:22,389 --> 00:27:18,840

seen it and read

732

00:27:24,870 --> 00:27:22,399

it did they say that in an affidavit and

733

00:27:26,630 --> 00:27:24,880

dolan just said that but

734

00:27:30,070 --> 00:27:26,640

did they say that in an affidavit what

735

00:27:32,470 --> 00:27:30,080

the conclusion was of that report

736

00:27:34,389 --> 00:27:32,480

and mr dolan says

737

00:27:37,590 --> 00:27:34,399

oh yes yes absolutely

738

00:27:40,070 --> 00:27:37,600

the conclusion was that this sign team

739

00:27:42,789 --> 00:27:40,080

this all started in the summer of 1948

740

00:27:44,389 --> 00:27:42,799

with a dramatic ufo sighting and they

741

00:27:46,710 --> 00:27:44,399

had been working on this all through

742

00:27:49,190 --> 00:27:46,720

1948 and they put together a report

743

00:27:51,029 --> 00:27:49,200

which ended up on the desk of air force

744

00:27:52,870 --> 00:27:51,039

chief of staff

745

00:27:55,029 --> 00:27:52,880

hoyt vanderberg

746

00:27:57,990 --> 00:27:55,039

and that report according to rupelt

747

00:28:00,830 --> 00:27:58,000

according to forney stated that sign had

748

00:28:03,269 --> 00:28:00,840

concluded this is probably

749

00:28:05,430 --> 00:28:03,279

extraterrestrial because they asked the

750

00:28:08,389 --> 00:28:05,440

same questions we asked

751  
00:28:11,510 --> 00:28:08,399  
is it us is it russian or something

752  
00:28:12,789 --> 00:28:11,520  
beyond it's amazing 1948

753  
00:28:14,789 --> 00:28:12,799  
asking the same

754  
00:28:16,789 --> 00:28:14,799  
same exact questions we're asking today

755  
00:28:19,190 --> 00:28:16,799  
although

756  
00:28:21,669 --> 00:28:19,200  
most of the people agree this is

757  
00:28:23,990 --> 00:28:21,679  
probably not russia or china some people

758  
00:28:26,630 --> 00:28:24,000  
insist that it is

759  
00:28:29,110 --> 00:28:26,640  
i am confident they will realize

760  
00:28:32,149 --> 00:28:29,120  
within the near future

761  
00:28:33,029 --> 00:28:32,159  
that it's not it's not russia it's not

762  
00:28:35,190 --> 00:28:33,039  
china

763  
00:28:37,110 --> 00:28:35,200

maybe some of this stuff is but

764

00:28:39,350 --> 00:28:37,120

the stuff we're interesting interested

765

00:28:41,430 --> 00:28:39,360

in is not

766

00:28:43,590 --> 00:28:41,440

in my opinion

767

00:28:45,909 --> 00:28:43,600

so danny says i would ask

768

00:28:49,029 --> 00:28:45,919

this to ralph do you think that is a

769

00:28:52,230 --> 00:28:49,039

really worthy story that rupelt the head

770

00:28:54,549 --> 00:28:52,240

of project sign and his deputy signed an

771

00:28:57,350 --> 00:28:54,559

affidavit swearing that he'd read it and

772

00:28:58,870 --> 00:28:57,360

this is what the content of it is

773

00:29:00,950 --> 00:28:58,880

aside from whether the new york times

774

00:29:03,029 --> 00:29:00,960

will agree to publish that do you think

775

00:29:07,830 --> 00:29:03,039

that is a real event

776

00:29:12,310 --> 00:29:10,230

that's worthy of reporting

777

00:29:14,470 --> 00:29:12,320

reporting

778

00:29:16,870 --> 00:29:14,480

so ralph do you think that's worthy of

779

00:29:19,430 --> 00:29:16,880

reporting the project estimate of the

780

00:29:22,470 --> 00:29:19,440

situation

781

00:29:24,070 --> 00:29:22,480

sorry and ralph says

782

00:29:25,990 --> 00:29:24,080

yeah i do

783

00:29:27,669 --> 00:29:26,000

but i'll tell you this i'm much more

784

00:29:28,710 --> 00:29:27,679

interested in some stuff that lou could

785

00:29:31,350 --> 00:29:28,720

tell us

786

00:29:33,350 --> 00:29:31,360

if he would or could about what's going

787

00:29:35,750 --> 00:29:33,360

on now

788

00:29:37,510 --> 00:29:35,760

and then he's like ah i'm just about to

789

00:29:38,830 --> 00:29:37,520

go to that right now

790

00:29:40,470 --> 00:29:38,840

and then ralph

791

00:29:43,269 --> 00:29:40,480

laughs

792

00:29:45,269 --> 00:29:43,279

and ralph says but

793

00:29:47,510 --> 00:29:45,279

i think looking back i remember

794

00:29:49,029 --> 00:29:47,520

discussions i had with an editor at the

795

00:29:51,510 --> 00:29:49,039

times and

796

00:29:52,710 --> 00:29:51,520

some of us heard about this uh via the

797

00:29:55,430 --> 00:29:52,720

grapevine

798

00:29:57,190 --> 00:29:55,440

i don't remember where we heard it but

799

00:29:59,110 --> 00:29:57,200

ralph is confirming it confirming it

800

00:30:00,789 --> 00:29:59,120

here confirming it here

801  
00:30:05,990 --> 00:30:00,799  
he goes

802  
00:30:10,230 --> 00:30:07,750  
and we had discussions about documents

803  
00:30:12,630 --> 00:30:10,240  
that we were referencing that do go

804  
00:30:15,269 --> 00:30:12,640  
about do go back years and decades

805  
00:30:16,710 --> 00:30:15,279  
and his eyes kind of glazed over at one

806  
00:30:17,669 --> 00:30:16,720  
point and he said

807  
00:30:19,909 --> 00:30:17,679  
well

808  
00:30:21,269 --> 00:30:19,919  
we we don't know the authenticity of

809  
00:30:23,269 --> 00:30:21,279  
these documents

810  
00:30:25,190 --> 00:30:23,279  
and anything could have been tampered

811  
00:30:27,110 --> 00:30:25,200  
with

812  
00:30:29,029 --> 00:30:27,120  
and then ralph's like but i know he

813  
00:30:31,190 --> 00:30:29,039

would be interested and he would and we

814

00:30:32,549 --> 00:30:31,200

would all be interested in what lou

815

00:30:34,470 --> 00:30:32,559

could tell us

816

00:30:36,389 --> 00:30:34,480

if he would

817

00:30:37,430 --> 00:30:36,399

about things the government is involved

818

00:30:39,669 --> 00:30:37,440

in now

819

00:30:42,950 --> 00:30:39,679

and knows now

820

00:30:45,750 --> 00:30:42,960

now i know he's constrained by certain

821

00:30:46,950 --> 00:30:45,760

things his clearances and restrictions

822

00:30:51,350 --> 00:30:46,960

but

823

00:30:52,710 --> 00:30:51,360

where we are now i think

824

00:30:54,710 --> 00:30:52,720

that would get the attention of the

825

00:30:56,630 --> 00:30:54,720

public and the media

826

00:30:59,190 --> 00:30:56,640

is stuff that the government now is in

827

00:31:01,750 --> 00:30:59,200

possession of and is holding back or

828

00:31:04,549 --> 00:31:01,760

congress in classified form you know

829

00:31:06,070 --> 00:31:04,559

with the uap report that would shed new

830

00:31:07,509 --> 00:31:06,080

light on this stuff

831

00:31:10,630 --> 00:31:07,519

and then we don't have to go back

832

00:31:15,509 --> 00:31:13,509

and dolan jumps in because i know

833

00:31:16,710 --> 00:31:15,519

dolan was chomping at the bid here

834

00:31:19,430 --> 00:31:16,720

saying

835

00:31:21,669 --> 00:31:19,440

i just want to say this one thing

836

00:31:23,990 --> 00:31:21,679

i think a 75-year

837

00:31:26,230 --> 00:31:24,000

old cover-up is extremely important for

838

00:31:27,669 --> 00:31:26,240

the public to know about and so the more

839

00:31:30,310 --> 00:31:27,679

we siphon the history out of this

840

00:31:32,549 --> 00:31:30,320

phenomenon the more we are in danger of

841

00:31:35,190 --> 00:31:32,559

not holding our government accountable

842

00:31:36,470 --> 00:31:35,200

for an entire lifetime of lies

843

00:31:38,389 --> 00:31:36,480

and

844

00:31:40,230 --> 00:31:38,399

blumenthal says i agree with you richard

845

00:31:42,470 --> 00:31:40,240

and richard says so i think that's

846

00:31:44,310 --> 00:31:42,480

important to keep in mind

847

00:31:47,350 --> 00:31:44,320

so

848

00:31:49,830 --> 00:31:47,360

i agree with both of them but right now

849

00:31:52,149 --> 00:31:49,840

yeah if we go to documents the documents

850

00:31:53,990 --> 00:31:52,159

as richard say said

851  
00:31:55,830 --> 00:31:54,000  
should be to establish that this was

852  
00:31:58,710 --> 00:31:55,840  
going on back then i don't think we

853  
00:32:01,110 --> 00:31:58,720  
should focus on the cover-up right now

854  
00:32:02,549 --> 00:32:01,120  
get people to realize this is a real

855  
00:32:04,870 --> 00:32:02,559  
phenomenon

856  
00:32:06,870 --> 00:32:04,880  
once that happens on a mass level you

857  
00:32:09,909 --> 00:32:06,880  
know with the masses

858  
00:32:11,590 --> 00:32:09,919  
then we could show people listen

859  
00:32:13,269 --> 00:32:11,600  
the government covered this up we need

860  
00:32:16,149 --> 00:32:13,279  
to look into this we need to know why it

861  
00:32:17,590 --> 00:32:16,159  
was covered up we need to know um

862  
00:32:20,789 --> 00:32:17,600  
what are we going to do about it you

863  
00:32:23,990 --> 00:32:20,799

know were people intimidated back then

864

00:32:28,149 --> 00:32:24,000

was any violence you know

865

00:32:30,070 --> 00:32:28,159

engaged in trying to keep this secret so

866

00:32:31,750 --> 00:32:30,080

start with the videos we need more

867

00:32:33,990 --> 00:32:31,760

videos get the public's attention

868

00:32:36,070 --> 00:32:34,000

because they love videos and then once

869

00:32:38,310 --> 00:32:36,080

we get them interested and realize it's

870

00:32:41,190 --> 00:32:38,320

real and not

871

00:32:42,950 --> 00:32:41,200

all of our tech or adversarial tech we

872

00:32:45,430 --> 00:32:42,960

go back and look at the documents and

873

00:32:46,389 --> 00:32:45,440

show this has been going on for a long

874

00:32:50,470 --> 00:32:46,399

time

875

00:32:52,630 --> 00:32:50,480

so

876  
00:32:55,590 --> 00:32:52,640  
in the future hopefully that helps them

877  
00:32:58,389 --> 00:32:55,600  
with other subjects that

878  
00:32:59,990 --> 00:32:58,399  
they weren't necessarily lied to about

879  
00:33:01,990 --> 00:33:00,000  
but

880  
00:33:04,070 --> 00:33:02,000  
stigma has prevented a lot of these

881  
00:33:07,029 --> 00:33:04,080  
subjects which we'll get into later from

882  
00:33:10,070 --> 00:33:07,039  
being studied seriously by the public

883  
00:33:13,110 --> 00:33:10,080  
and by scientists

884  
00:33:14,549 --> 00:33:13,120  
so we go back to mr

885  
00:33:16,789 --> 00:33:14,559  
daniel

886  
00:33:19,029 --> 00:33:16,799  
sheehan

887  
00:33:21,190 --> 00:33:19,039  
he says

888  
00:33:22,950 --> 00:33:21,200

let me ask the question you're

889

00:33:25,350 --> 00:33:22,960

suggesting ralph

890

00:33:27,669 --> 00:33:25,360

let me ask this lou

891

00:33:29,110 --> 00:33:27,679

lou in your capacity as the director of

892

00:33:30,789 --> 00:33:29,120

the atip

893

00:33:33,350 --> 00:33:30,799

were you able to get access to the

894

00:33:36,710 --> 00:33:33,360

actual estimate of the situation by

895

00:33:38,470 --> 00:33:36,720

project sign back in 1948 i'm not asking

896

00:33:44,789 --> 00:33:38,480

you what's in it

897

00:33:48,630 --> 00:33:47,029

and lou says and lou did not smile like

898

00:33:50,549 --> 00:33:48,640

that the entire time

899

00:33:51,909 --> 00:33:50,559

luke says

900

00:33:53,590 --> 00:33:51,919

and i don't i don't really have a good

901  
00:33:54,789 --> 00:33:53,600  
loo impersonation

902  
00:33:57,590 --> 00:33:54,799  
uh he goes

903  
00:33:58,950 --> 00:33:57,600  
we were able to get access to a lot of

904  
00:34:01,190 --> 00:33:58,960  
things danny

905  
00:34:03,190 --> 00:34:01,200  
and i'll go down that road in a moment

906  
00:34:05,110 --> 00:34:03,200  
the initial predicate of this

907  
00:34:06,870 --> 00:34:05,120  
conversation began with the idea that

908  
00:34:08,550 --> 00:34:06,880  
someone has the ability to receive

909  
00:34:09,829 --> 00:34:08,560  
information he's talking about marshall

910  
00:34:11,909 --> 00:34:09,839  
summers

911  
00:34:14,230 --> 00:34:11,919  
from something beyond our species and

912  
00:34:17,349 --> 00:34:14,240  
effectively communicate that with intent

913  
00:34:21,430 --> 00:34:19,270

let me just state for the record my

914

00:34:23,829 --> 00:34:21,440

perspective on that from me and my

915

00:34:25,589 --> 00:34:23,839

qualifications the problem with

916

00:34:27,190 --> 00:34:25,599

information like that is

917

00:34:29,030 --> 00:34:27,200

there's two things

918

00:34:30,950 --> 00:34:29,040

there's no way to test and there's no

919

00:34:32,629 --> 00:34:30,960

way to prove that

920

00:34:35,510 --> 00:34:32,639

you are just simply taking the

921

00:34:37,750 --> 00:34:35,520

interpretations of a single human being

922

00:34:39,909 --> 00:34:37,760

whether that be my interpretation or mr

923

00:34:41,510 --> 00:34:39,919

marshall's interpretation he's talking

924

00:34:45,270 --> 00:34:41,520

about marshall summers

925

00:34:50,149 --> 00:34:48,550

or anybody's inter misinterpretation

926  
00:34:51,589 --> 00:34:50,159  
i may that might be a

927  
00:34:53,030 --> 00:34:51,599  
typo

928  
00:34:54,550 --> 00:34:53,040  
he's like whether that be my

929  
00:34:55,909 --> 00:34:54,560  
interpretation mr marshall's

930  
00:34:57,910 --> 00:34:55,919  
interpretation or anybody's

931  
00:34:59,510 --> 00:34:57,920  
interpretation

932  
00:35:01,589 --> 00:34:59,520  
so

933  
00:35:03,670 --> 00:35:01,599  
from that perspective my background as

934  
00:35:05,430 --> 00:35:03,680  
an investigator is really focusing on

935  
00:35:07,510 --> 00:35:05,440  
things that i can test and prove and

936  
00:35:09,670 --> 00:35:07,520  
then present them to a jury

937  
00:35:11,270 --> 00:35:09,680  
if you will and let them decide what it

938  
00:35:13,910 --> 00:35:11,280

means

939

00:35:16,390 --> 00:35:13,920

and i suspect from ralph's perspective

940

00:35:19,270 --> 00:35:16,400

in a journalistic perspective

941

00:35:21,510 --> 00:35:19,280

that probably applies as well right for

942

00:35:23,910 --> 00:35:21,520

someone to say one thing is great

943

00:35:25,910 --> 00:35:23,920

but if you can't test it and prove it

944

00:35:31,190 --> 00:35:25,920

then there's no there there and there's

945

00:35:31,200 --> 00:35:35,109

i agree with lou um

946

00:35:39,349 --> 00:35:36,950

but

947

00:35:41,670 --> 00:35:39,359

at the same time

948

00:35:44,310 --> 00:35:41,680

i don't think we should rule out any of

949

00:35:46,069 --> 00:35:44,320

this information and i'm pretty sure lou

950

00:35:48,550 --> 00:35:46,079

agrees with that

951  
00:35:50,470 --> 00:35:48,560  
but as far as yeah

952  
00:35:52,150 --> 00:35:50,480  
and he talks about it later

953  
00:35:53,990 --> 00:35:52,160  
he needs to stick to the facts i

954  
00:35:55,990 --> 00:35:54,000  
understand that i'm sure there's a lot

955  
00:35:58,950 --> 00:35:56,000  
more that lou has heard from people who

956  
00:36:00,710 --> 00:35:58,960  
are on who are in various programs

957  
00:36:03,030 --> 00:36:00,720  
sharing the information they collected

958  
00:36:04,870 --> 00:36:03,040  
in those programs maybe lou has maybe

959  
00:36:06,950 --> 00:36:04,880  
lou has had access to all of that

960  
00:36:09,430 --> 00:36:06,960  
information i'm still not sure

961  
00:36:11,670 --> 00:36:09,440  
i know ross coltart has reported on that

962  
00:36:13,589 --> 00:36:11,680  
and it seems like lou may have had some

963  
00:36:15,750 --> 00:36:13,599

of the highest access but i'm not sure

964

00:36:16,950 --> 00:36:15,760

about that

965

00:36:20,230 --> 00:36:16,960

and

966

00:36:23,829 --> 00:36:22,150

lou

967

00:36:25,750 --> 00:36:23,839

i agree

968

00:36:27,349 --> 00:36:25,760

as a lawyer because i have to stand in

969

00:36:29,670 --> 00:36:27,359

front of a court and get the information

970

00:36:30,710 --> 00:36:29,680

admitted pursuant to the rules of

971

00:36:33,910 --> 00:36:30,720

evidence

972

00:36:35,109 --> 00:36:33,920

and here's danny getting back to this

973

00:36:37,109 --> 00:36:35,119

estimate

974

00:36:40,470 --> 00:36:37,119

let me return to the question

975

00:36:44,230 --> 00:36:40,480

were you given access to the estimate of

976

00:36:47,349 --> 00:36:45,430

lou answers

977

00:36:49,510 --> 00:36:47,359

he goes not that particular document we

978

00:36:51,430 --> 00:36:49,520

had access to a lot of things but let me

979

00:36:53,589 --> 00:36:51,440

finish let's just suppose here for a

980

00:36:55,670 --> 00:36:53,599

second presume that mr

981

00:36:57,589 --> 00:36:55,680

presumed that whether it's mr marshall

982

00:36:58,950 --> 00:36:57,599

or anybody else

983

00:37:01,109 --> 00:36:58,960

does actually have some sort of

984

00:37:03,270 --> 00:37:01,119

relationship there from a communication

985

00:37:05,990 --> 00:37:03,280

perspective

986

00:37:08,069 --> 00:37:06,000

there's something as an investigator

987

00:37:09,030 --> 00:37:08,079

just because a source tells you

988

00:37:11,430 --> 00:37:09,040

something

989

00:37:13,750 --> 00:37:11,440

i'm not talking about mr marshall but if

990

00:37:16,550 --> 00:37:13,760

he's talking to someone someone else the

991

00:37:19,829 --> 00:37:18,230

just because someone tells you something

992

00:37:21,510 --> 00:37:19,839

doesn't mean it's true

993

00:37:23,349 --> 00:37:21,520

when you're doing undercover narcotics

994

00:37:25,349 --> 00:37:23,359

and you ask some ask somebody what their

995

00:37:27,510 --> 00:37:25,359

name is a lot of times they're going to

996

00:37:30,230 --> 00:37:27,520

give you a fake name they're not going

997

00:37:32,630 --> 00:37:30,240

to always give you correct information

998

00:37:34,790 --> 00:37:32,640

and also to avoid what we call single

999

00:37:37,990 --> 00:37:34,800

source reporting so there's a lot of

1000

00:37:40,470 --> 00:37:38,000

extraordinary things that occur and now

1001  
00:37:42,390 --> 00:37:40,480  
let me put that on to the backdrop

1002  
00:37:45,109 --> 00:37:42,400  
backdrop of

1003  
00:37:47,030 --> 00:37:45,119  
do we as human beings have extraordinary

1004  
00:37:50,069 --> 00:37:47,040  
capabilities and some of those remain

1005  
00:37:51,589 --> 00:37:50,079  
unexplained we absolutely do we know

1006  
00:37:53,750 --> 00:37:51,599  
that for a fact

1007  
00:37:55,270 --> 00:37:53,760  
there are human beings that have very

1008  
00:37:57,030 --> 00:37:55,280  
special gifts

1009  
00:37:59,510 --> 00:37:57,040  
and capabilities

1010  
00:38:01,589 --> 00:37:59,520  
that we might consider paranormal for

1011  
00:38:03,670 --> 00:38:01,599  
example individuals who can tolerate a

1012  
00:38:04,790 --> 00:38:03,680  
tremendous amount of electricity without

1013  
00:38:08,150 --> 00:38:04,800

it killing them

1014

00:38:10,230 --> 00:38:08,160

individuals who have photographic memory

1015

00:38:12,710 --> 00:38:10,240

individuals who are music virtuosos

1016

00:38:15,510 --> 00:38:12,720

who've never played a piano and can also

1017

00:38:17,510 --> 00:38:15,520

crank out beautiful music

1018

00:38:19,349 --> 00:38:17,520

and then you have the areas such as

1019

00:38:21,030 --> 00:38:19,359

intuition right

1020

00:38:22,790 --> 00:38:21,040

human intuition

1021

00:38:23,910 --> 00:38:22,800

does the government involve itself in

1022

00:38:25,510 --> 00:38:23,920

that stuff

1023

00:38:28,150 --> 00:38:25,520

yeah it has

1024

00:38:30,710 --> 00:38:28,160

in times it has in fact one of my dear

1025

00:38:31,510 --> 00:38:30,720

colleagues and friends is a gentleman

1026

00:38:34,069 --> 00:38:31,520

named

1027

00:38:36,230 --> 00:38:34,079

dr hal put off who actually was one of

1028

00:38:38,150 --> 00:38:36,240

the godfathers if you will

1029

00:38:40,150 --> 00:38:38,160

that ran the us government's remote

1030

00:38:42,630 --> 00:38:40,160

viewing program psychic program of

1031

00:38:45,030 --> 00:38:42,640

espionage for espionage

1032

00:38:47,270 --> 00:38:45,040

and it wasn't just us the russians had a

1033

00:38:50,230 --> 00:38:47,280

long involvement in that as well in

1034

00:38:52,790 --> 00:38:50,240

remote viewing or psychic espionage

1035

00:38:54,790 --> 00:38:52,800

and also as far as to go farther further

1036

00:38:56,630 --> 00:38:54,800

into what we call psychotronic weapons

1037

00:38:58,790 --> 00:38:56,640

development

1038

00:39:00,390 --> 00:38:58,800

just real quick uh

1039

00:39:01,829 --> 00:39:00,400

john i want to know

1040

00:39:02,870 --> 00:39:01,839

uk

1041

00:39:04,150 --> 00:39:02,880

john

1042

00:39:08,390 --> 00:39:04,160

has

1043

00:39:15,109 --> 00:39:12,710

hal trained lou in remote viewing so

1044

00:39:16,790 --> 00:39:15,119

and i believe he said that

1045

00:39:18,150 --> 00:39:16,800

i think lewis said that he was part of

1046

00:39:19,990 --> 00:39:18,160

that program

1047

00:39:22,630 --> 00:39:20,000

he said yeah it was lou's like it was a

1048

00:39:23,990 --> 00:39:22,640

mistake it was just for a few days

1049

00:39:25,750 --> 00:39:24,000

so

1050

00:39:28,310 --> 00:39:25,760

that may be

1051  
00:39:31,750 --> 00:39:28,320  
why lou has a certain perspective

1052  
00:39:31,760 --> 00:39:36,150  
abilities of human beings to

1053  
00:39:41,109 --> 00:39:39,990  
access information using our sixth sense

1054  
00:39:43,349 --> 00:39:41,119  
and we'll get back to that a little

1055  
00:39:45,510 --> 00:39:43,359  
later

1056  
00:39:50,230 --> 00:39:45,520  
and lew says it shouldn't be a surprise

1057  
00:39:54,630 --> 00:39:52,150  
it shouldn't be a surprise that human

1058  
00:39:56,790 --> 00:39:54,640  
beings have extraordinary capabilities

1059  
00:39:58,310 --> 00:39:56,800  
if you just look at the word for example

1060  
00:39:59,829 --> 00:39:58,320  
and i've said it before and he talks

1061  
00:40:01,510 --> 00:39:59,839  
about

1062  
00:40:03,750 --> 00:40:01,520  
you know if you say parachute people

1063  
00:40:06,069 --> 00:40:03,760

think a device that deploys and slows

1064

00:40:08,150 --> 00:40:06,079

you down if you say paramedic people

1065

00:40:10,550 --> 00:40:08,160

think of a responder first responder or

1066

00:40:12,309 --> 00:40:10,560

lifesaver something positive but if you

1067

00:40:14,069 --> 00:40:12,319

say paranormal

1068

00:40:16,550 --> 00:40:14,079

people usually stop for a second they

1069

00:40:18,550 --> 00:40:16,560

kind of hesitate maybe raise an eyebrow

1070

00:40:20,710 --> 00:40:18,560

and they'll kind of look at you maybe

1071

00:40:22,550 --> 00:40:20,720

[h\_\_h] their head to one side and say

1072

00:40:24,550 --> 00:40:22,560

what do you mean

1073

00:40:26,470 --> 00:40:24,560

the point being is that paranormal has a

1074

00:40:28,950 --> 00:40:26,480

stigma associated with it just like

1075

00:40:30,790 --> 00:40:28,960

anything else weird and crazy right

1076

00:40:34,790 --> 00:40:30,800

that we consider as a fringe in our

1077

00:40:39,829 --> 00:40:36,790

when in reality

1078

00:40:42,550 --> 00:40:39,839

there are things that

1079

00:40:45,030 --> 00:40:42,560

by definition

1080

00:40:47,430 --> 00:40:45,040

all things in science are paranormal

1081

00:40:48,870 --> 00:40:47,440

until they become normal that's just a

1082

00:40:50,390 --> 00:40:48,880

fact

1083

00:40:52,550 --> 00:40:50,400

my cell phone i have right here in my

1084

00:40:54,390 --> 00:40:52,560

hand 100 years ago

1085

00:40:56,630 --> 00:40:54,400

it would be considered paranormal you

1086

00:40:58,309 --> 00:40:56,640

know some sort of magic talking box that

1087

00:41:01,589 --> 00:40:58,319

allows me to communicate across long

1088

00:41:04,630 --> 00:41:01,599

distances well that's reality now

1089

00:41:06,390 --> 00:41:04,640

and so i guess my point my point is that

1090

00:41:08,309 --> 00:41:06,400

although i think that that particular

1091

00:41:10,150 --> 00:41:08,319

part piece of the conversation is

1092

00:41:11,910 --> 00:41:10,160

certainly worth having

1093

00:41:13,990 --> 00:41:11,920

understand that unless there is a way to

1094

00:41:16,230 --> 00:41:14,000

test and to prove this information it's

1095

00:41:17,910 --> 00:41:16,240

very difficult to have that conversation

1096

00:41:19,910 --> 00:41:17,920

not only with the media like the new

1097

00:41:21,589 --> 00:41:19,920

york times but also when i was with atip

1098

00:41:23,430 --> 00:41:21,599

you know trying to talk to a three or

1099

00:41:25,109 --> 00:41:23,440

four star general or a political

1100

00:41:27,109 --> 00:41:25,119

appointee

1101  
00:41:29,109 --> 00:41:27,119  
at the end of the day it doesn't get me

1102  
00:41:30,150 --> 00:41:29,119  
any closer to the finish line you know

1103  
00:41:32,230 --> 00:41:30,160  
that

1104  
00:41:34,470 --> 00:41:32,240  
the finish line is hey there's something

1105  
00:41:36,630 --> 00:41:34,480  
in our skies we don't know what it is we

1106  
00:41:38,710 --> 00:41:36,640  
don't know how it works and we probably

1107  
00:41:40,470 --> 00:41:38,720  
better figure it out

1108  
00:41:42,470 --> 00:41:40,480  
so basically you know he's basically

1109  
00:41:44,390 --> 00:41:42,480  
saying he sticks to the very basics when

1110  
00:41:46,309 --> 00:41:44,400  
talking to people

1111  
00:41:48,870 --> 00:41:46,319  
media

1112  
00:41:49,990 --> 00:41:48,880  
politicians

1113  
00:41:52,309 --> 00:41:50,000

generals

1114

00:41:55,990 --> 00:41:52,319

and that and i i think i totally

1115

00:41:58,309 --> 00:41:56,000

understand that you can't speak to them

1116

00:42:00,710 --> 00:41:58,319

since most of them it's a new

1117

00:42:03,510 --> 00:42:00,720

subject for them you can't jump from

1118

00:42:05,190 --> 00:42:03,520

some of these objects seem to be

1119

00:42:07,430 --> 00:42:05,200

someone else's

1120

00:42:10,230 --> 00:42:07,440

and by the way

1121

00:42:11,750 --> 00:42:10,240

there are these 9000 pages of telepathic

1122

00:42:14,470 --> 00:42:11,760

communication from the allies of

1123

00:42:15,510 --> 00:42:14,480

humanity and yeah you can't you can't do

1124

00:42:17,430 --> 00:42:15,520

that

1125

00:42:19,750 --> 00:42:17,440

for someone like me i am really

1126

00:42:21,589 --> 00:42:19,760

interested in hearing that you know i

1127

00:42:23,589 --> 00:42:21,599

have an experience reading a lot of

1128

00:42:25,589 --> 00:42:23,599

channeled material so i'm very wary

1129

00:42:27,990 --> 00:42:25,599

because a lot of it contradicts

1130

00:42:30,150 --> 00:42:28,000

most of it contradicts

1131

00:42:31,829 --> 00:42:30,160

one channel material will contradict the

1132

00:42:32,710 --> 00:42:31,839

other channel material

1133

00:42:33,750 --> 00:42:32,720

so

1134

00:42:37,750 --> 00:42:33,760

um

1135

00:42:39,270 --> 00:42:37,760

different than what i've heard before so

1136

00:42:41,589 --> 00:42:39,280

i paid attention

1137

00:42:43,349 --> 00:42:41,599

but i still don't know

1138

00:42:46,710 --> 00:42:43,359

what to make of it

1139

00:42:48,630 --> 00:42:46,720

and i understand lou avoiding that type

1140

00:42:51,030 --> 00:42:48,640

of stuff right now you know somewhere

1141

00:42:53,829 --> 00:42:51,040

down the line okay

1142

00:42:55,430 --> 00:42:53,839

but like i said for me

1143

00:42:57,190 --> 00:42:55,440

no i'm not gonna wait i'm gonna i'm

1144

00:42:59,349 --> 00:42:57,200

gonna share what i can and share with

1145

00:43:00,230 --> 00:42:59,359

you my opinion on that kind of stuff and

1146

00:43:02,390 --> 00:43:00,240

i think

1147

00:43:03,589 --> 00:43:02,400

the work of marshall summers is worthy

1148

00:43:05,190 --> 00:43:03,599

of

1149

00:43:07,109 --> 00:43:05,200

evaluation

1150

00:43:10,150 --> 00:43:07,119

like the inspector general's office is

1151

00:43:10,160 --> 00:43:16,309

and i will take a break to drink

1152

00:43:20,790 --> 00:43:18,950

i'm sorry some of this is a little

1153

00:43:23,109 --> 00:43:20,800

a little sloppy i mean i'm trying to

1154

00:43:25,670 --> 00:43:23,119

read and also add in

1155

00:43:27,910 --> 00:43:25,680

my own thoughts

1156

00:43:29,190 --> 00:43:27,920

and not exactly always read it for word

1157

00:43:31,430 --> 00:43:29,200

for word

1158

00:43:32,710 --> 00:43:31,440

so lou continues as far as answering

1159

00:43:34,550 --> 00:43:32,720

your question

1160

00:43:36,150 --> 00:43:34,560

did i have access to historical

1161

00:43:37,030 --> 00:43:36,160

documents we did

1162

00:43:38,950 --> 00:43:37,040

but

1163

00:43:41,750 --> 00:43:38,960

as ralph explained from from a media

1164

00:43:43,510 --> 00:43:41,760

perspective i had the same challenge

1165

00:43:45,670 --> 00:43:43,520

it's a cold case something that happened

1166

00:43:46,790 --> 00:43:45,680

in the 40s and 50s although it's very

1167

00:43:48,790 --> 00:43:46,800

compelling

1168

00:43:50,710 --> 00:43:48,800

and it's official documentation and oh

1169

00:43:52,870 --> 00:43:50,720

by the way when i'm talking to the media

1170

00:43:55,109 --> 00:43:52,880

now i show them those documents i bring

1171

00:43:56,390 --> 00:43:55,119

them i bring them and i say hey

1172

00:43:58,470 --> 00:43:56,400

take a look

1173

00:44:00,390 --> 00:43:58,480

this is not just me this is a four-star

1174

00:44:03,589 --> 00:44:00,400

general talking to the director of the

1175

00:44:05,430 --> 00:44:03,599

fbi j edgar hoover and saying

1176

00:44:07,750 --> 00:44:05,440

this thing is real and it's affecting

1177

00:44:10,390 --> 00:44:07,760

our sensitive facilities there's some

1178

00:44:11,750 --> 00:44:10,400

sort of reconnaissance going on

1179

00:44:13,430 --> 00:44:11,760

end quote

1180

00:44:15,109 --> 00:44:13,440

and lou's like so don't get me wrong

1181

00:44:16,630 --> 00:44:15,119

historical information is valuable in

1182

00:44:19,349 --> 00:44:16,640

fact i would even go further and say

1183

00:44:21,910 --> 00:44:19,359

it's vital in the conversation but it's

1184

00:44:22,710 --> 00:44:21,920

only part of the conversation what it

1185

00:44:24,950 --> 00:44:22,720

does

1186

00:44:26,790 --> 00:44:24,960

is it establishes a precedence that this

1187

00:44:28,309 --> 00:44:26,800

is continuing to occur

1188

00:44:30,630 --> 00:44:28,319

and there is some sort of national

1189

00:44:34,309 --> 00:44:30,640

security equity or interest in this

1190

00:44:39,750 --> 00:44:38,150

and danny continues on with the national

1191

00:44:43,270 --> 00:44:39,760

not the national the estimate of the

1192

00:44:44,550 --> 00:44:43,280

situation from project project sign

1193

00:44:45,589 --> 00:44:44,560

he says

1194

00:44:47,349 --> 00:44:45,599

ralph

1195

00:44:49,430 --> 00:44:47,359

if in fact there is an official

1196

00:44:52,790 --> 00:44:49,440

government estimate from project sign

1197

00:44:54,870 --> 00:44:52,800

back in like 1948

1198

00:44:56,790 --> 00:44:54,880

and it states that people that are on

1199

00:44:59,109 --> 00:44:56,800

the team that have conducted the

1200

00:45:01,349 --> 00:44:59,119

investigation have formed the conclusion

1201

00:45:03,270 --> 00:45:01,359

that the source of these ufos is

1202

00:45:05,589 --> 00:45:03,280

extraterrestrial

1203

00:45:08,790 --> 00:45:05,599

wouldn't you view that as a big story in

1204

00:45:13,750 --> 00:45:12,309

and mr blumenthal says

1205

00:45:15,910 --> 00:45:13,760

historically

1206

00:45:17,829 --> 00:45:15,920

it would be very interesting but again

1207

00:45:19,910 --> 00:45:17,839

going back to establish what is the

1208

00:45:21,510 --> 00:45:19,920

foundation of that conclusion richard

1209

00:45:22,630 --> 00:45:21,520

with all due respect a lot of these

1210

00:45:23,990 --> 00:45:22,640

documents have come to light

1211

00:45:25,910 --> 00:45:24,000

historically over the years and they've

1212

00:45:27,670 --> 00:45:25,920

been written about

1213

00:45:29,109 --> 00:45:27,680

i wrote about some of them in my book

1214

00:45:31,190 --> 00:45:29,119

they've been written about in your books

1215

00:45:33,589 --> 00:45:31,200

in many books so it doesn't strike

1216

00:45:35,510 --> 00:45:33,599

readers as really brand new

1217

00:45:37,750 --> 00:45:35,520

we know that the government researched

1218

00:45:40,069 --> 00:45:37,760

this stuff and i will say one thing

1219

00:45:41,750 --> 00:45:40,079

it doesn't strike readers like me

1220

00:45:43,750 --> 00:45:41,760

as being brand new although i always

1221

00:45:45,829 --> 00:45:43,760

like reading more documents and you know

1222

00:45:48,950 --> 00:45:45,839

because i forget them

1223

00:45:50,710 --> 00:45:48,960

but somebody brand new to this subject

1224

00:45:52,870 --> 00:45:50,720

those documents are more important you

1225

00:45:54,550 --> 00:45:52,880

know they're going to say oh my god this

1226  
00:45:56,150 --> 00:45:54,560  
has been going on for this long how come

1227  
00:45:57,829 --> 00:45:56,160  
i didn't know about this

1228  
00:45:59,910 --> 00:45:57,839  
so ralph continues we know that the

1229  
00:46:01,109 --> 00:45:59,920  
government researched this stuff decades

1230  
00:46:02,550 --> 00:46:01,119  
ago

1231  
00:46:03,589 --> 00:46:02,560  
you know and there were some compelling

1232  
00:46:05,349 --> 00:46:03,599  
reports

1233  
00:46:06,470 --> 00:46:05,359  
and some of them were hushed up or

1234  
00:46:08,470 --> 00:46:06,480  
buried

1235  
00:46:11,349 --> 00:46:08,480  
but a lot came out

1236  
00:46:13,589 --> 00:46:11,359  
but there's a patina of oldness to the

1237  
00:46:16,309 --> 00:46:13,599  
stuff that doesn't excite modern day

1238  
00:46:17,349 --> 00:46:16,319

editors and readers as much as new stuff

1239

00:46:21,270 --> 00:46:17,359

would

1240

00:46:23,030 --> 00:46:21,280

and then he says because the government

1241

00:46:25,910 --> 00:46:23,040

was a because the government was

1242

00:46:27,990 --> 00:46:25,920

officially lying and punishing people

1243

00:46:29,829 --> 00:46:28,000

and attacking them and trying to destroy

1244

00:46:31,670 --> 00:46:29,839

their careers

1245

00:46:35,990 --> 00:46:31,680

ralph said yeah but that's been said

1246

00:46:39,270 --> 00:46:37,349

and lou says

1247

00:46:41,750 --> 00:46:39,280

now

1248

00:46:43,750 --> 00:46:41,760

if i may interject here

1249

00:46:45,990 --> 00:46:43,760

i think there's some interesting

1250

00:46:48,230 --> 00:46:46,000

interesting middle ground

1251  
00:46:50,150 --> 00:46:48,240  
i'm not an either or kind of guy as most

1252  
00:46:51,190 --> 00:46:50,160  
people know i'm not a binary decision

1253  
00:46:53,829 --> 00:46:51,200  
maker

1254  
00:46:55,589 --> 00:46:53,839  
you know it's not you go left or right

1255  
00:46:58,309 --> 00:46:55,599  
you go right you come up to a cliff and

1256  
00:47:00,069 --> 00:46:58,319  
there's an there are other options to do

1257  
00:47:01,750 --> 00:47:00,079  
i think there is certainly romance in

1258  
00:47:03,750 --> 00:47:01,760  
historical reporting if you can tie it

1259  
00:47:06,950 --> 00:47:03,760  
to current reporting

1260  
00:47:09,270 --> 00:47:06,960  
and then he refers to the 19 uh the 2004

1261  
00:47:10,550 --> 00:47:09,280  
tic tac incidents with the uss nimitz

1262  
00:47:12,069 --> 00:47:10,560  
and princeton

1263  
00:47:15,990 --> 00:47:12,079

and the two f

1264

00:47:18,710 --> 00:47:16,000

the two f-18s encountering the tic-tac

1265

00:47:20,470 --> 00:47:18,720

and the roiling water underneath the

1266

00:47:22,230 --> 00:47:20,480

tic-tac and lou says it's very similar

1267

00:47:25,670 --> 00:47:22,240

to events that occurred

1268

00:47:27,910 --> 00:47:25,680

in the 60s and earlier the 1950s where

1269

00:47:30,150 --> 00:47:27,920

these same white objects

1270

00:47:32,309 --> 00:47:30,160

we're going to presume for a second here

1271

00:47:34,069 --> 00:47:32,319

that they're the same thing because

1272

00:47:35,829 --> 00:47:34,079

they're performing the same way they're

1273

00:47:39,030 --> 00:47:35,839

described the same way

1274

00:47:41,030 --> 00:47:39,040

uh instead of being called a tic tac

1275

00:47:43,670 --> 00:47:41,040

they called him a flying butane tank

1276

00:47:45,270 --> 00:47:43,680

back then or a flying throat lozenge

1277

00:47:47,430 --> 00:47:45,280

because they didn't have tic tacs back

1278

00:47:50,710 --> 00:47:47,440

then

1279

00:47:52,630 --> 00:47:50,720

a white flying throat lozenge so i think

1280

00:47:54,470 --> 00:47:52,640

when you're looking at a historical

1281

00:47:56,950 --> 00:47:54,480

report where you have an object

1282

00:47:58,790 --> 00:47:56,960

performing precisely in the same way

1283

00:48:00,950 --> 00:47:58,800

that we have the objects occurring in

1284

00:48:02,309 --> 00:48:00,960

current time and you can draw that

1285

00:48:03,829 --> 00:48:02,319

correlation

1286

00:48:07,589 --> 00:48:03,839

that we may be dealing with the same

1287

00:48:09,430 --> 00:48:07,599

technology going back 70 years then

1288

00:48:11,510 --> 00:48:09,440

that probably is a good story because

1289

00:48:13,270 --> 00:48:11,520

now there is a logic that can be thread

1290

00:48:14,309 --> 00:48:13,280

through all of these different incidents

1291

00:48:16,390 --> 00:48:14,319

and say

1292

00:48:23,430 --> 00:48:16,400

hey look

1293

00:48:29,190 --> 00:48:27,270

let me ask this of ralph

1294

00:48:31,349 --> 00:48:29,200

if you have a credible report that is

1295

00:48:35,510 --> 00:48:31,359

worthy of going into the times

1296

00:48:37,829 --> 00:48:35,520

that dr eric davis in december of 2020

1297

00:48:40,309 --> 00:48:37,839

gave a report to the senate intelligence

1298

00:48:41,510 --> 00:48:40,319

committee stating that the people he was

1299

00:48:43,990 --> 00:48:41,520

working with

1300

00:48:45,430 --> 00:48:44,000

that were investigating this phenomenon

1301  
00:48:48,710 --> 00:48:45,440  
had come to believe that these were

1302  
00:48:51,109 --> 00:48:48,720  
off-world vehicles and he said

1303  
00:48:53,030 --> 00:48:51,119  
and by the way i believe

1304  
00:48:56,150 --> 00:48:53,040  
dr eric davis believes these were

1305  
00:48:58,390 --> 00:48:56,160  
constructed off world

1306  
00:49:00,630 --> 00:48:58,400  
i mean that's a little minor point but

1307  
00:49:02,549 --> 00:49:00,640  
that's just some

1308  
00:49:04,870 --> 00:49:02,559  
extra data for you

1309  
00:49:07,670 --> 00:49:06,069  
he said that

1310  
00:49:10,630 --> 00:49:07,680  
to the intelligence committee in

1311  
00:49:12,470 --> 00:49:10,640  
december of 2020 does that convince you

1312  
00:49:14,790 --> 00:49:12,480  
lou that there's a direct correlation to

1313  
00:49:16,950 --> 00:49:14,800

the report the estimate of the situation

1314

00:49:20,390 --> 00:49:16,960

that was made back in 1948 by an

1315

00:49:22,390 --> 00:49:20,400

official by an official government group

1316

00:49:24,230 --> 00:49:22,400

that they had the same

1317

00:49:26,470 --> 00:49:24,240

similar technology you're talking about

1318

00:49:27,990 --> 00:49:26,480

at that time and they too had come to

1319

00:49:30,309 --> 00:49:28,000

that conclusion that the source of this

1320

00:49:32,069 --> 00:49:30,319

was extraterrestrial doesn't that meet

1321

00:49:35,750 --> 00:49:32,079

with your journalistic standard ralph

1322

00:49:37,270 --> 00:49:35,760

and your investigative standards lou

1323

00:49:39,910 --> 00:49:37,280

lou says

1324

00:49:41,990 --> 00:49:39,920

i can't speak for ralph

1325

00:49:44,549 --> 00:49:42,000

and i'll let him jump in here and give

1326

00:49:46,950 --> 00:49:44,559

his perspective but from an

1327

00:49:48,710 --> 00:49:46,960

investigative perspective

1328

00:49:50,710 --> 00:49:48,720

i think we have to be careful with

1329

00:49:53,270 --> 00:49:50,720

anybody who makes a conclusion that this

1330

00:49:55,270 --> 00:49:53,280

goes back to the binary way of thinking

1331

00:49:57,430 --> 00:49:55,280

and it's problematic

1332

00:49:58,790 --> 00:49:57,440

and basically he goes into

1333

00:50:00,150 --> 00:49:58,800

off on

1334

00:50:01,750 --> 00:50:00,160

left right

1335

00:50:03,109 --> 00:50:01,760

up down

1336

00:50:04,630 --> 00:50:03,119

he says that's the way we look at the

1337

00:50:06,549 --> 00:50:04,640

world

1338

00:50:08,470 --> 00:50:06,559

feeling okay today i'm feeling good or

1339

00:50:10,470 --> 00:50:08,480

bad

1340

00:50:12,309 --> 00:50:10,480

he goes it's just ingrained in our dna

1341

00:50:13,349 --> 00:50:12,319

but in reality nature doesn't work that

1342

00:50:15,349 --> 00:50:13,359

way so

1343

00:50:17,270 --> 00:50:15,359

when we say in the 40s these things were

1344

00:50:19,030 --> 00:50:17,280

extraterrestrial from outer space we

1345

00:50:20,069 --> 00:50:19,040

didn't know a whole lot about our own

1346

00:50:22,150 --> 00:50:20,079

planet

1347

00:50:23,349 --> 00:50:22,160

let alone about quantum physics by the

1348

00:50:25,670 --> 00:50:23,359

way

1349

00:50:27,510 --> 00:50:25,680

either in the late 40s or early 50s if

1350

00:50:28,710 --> 00:50:27,520

you read john keele's book

1351

00:50:31,030 --> 00:50:28,720

they weren't stuck on the

1352

00:50:33,430 --> 00:50:31,040

extraterrestrial hypothesis which really

1353

00:50:34,710 --> 00:50:33,440

surprised me even back then they were

1354

00:50:37,670 --> 00:50:34,720

talking about they called it a

1355

00:50:40,390 --> 00:50:37,680

paraphysical hypothesis but

1356

00:50:42,630 --> 00:50:40,400

basically objects that are here but are

1357

00:50:44,470 --> 00:50:42,640

in the electromag in the electromagnetic

1358

00:50:46,150 --> 00:50:44,480

spectrum that

1359

00:50:48,549 --> 00:50:46,160

that we can't actually see them because

1360

00:50:50,790 --> 00:50:48,559

our eyesight is limited

1361

00:50:54,630 --> 00:50:50,800

i'm not sure if

1362

00:50:56,790 --> 00:50:54,640

back then paraphysical i think they did

1363

00:50:58,470 --> 00:50:56,800

but yeah they weren't stuck on just e.t

1364

00:51:00,069 --> 00:50:58,480

and there was a divide in the community

1365

00:51:02,950 --> 00:51:00,079

just like there is now although it's a

1366

00:51:04,069 --> 00:51:02,960

different divide a lot of it but yeah

1367

00:51:05,990 --> 00:51:04,079

there was a

1368

00:51:06,950 --> 00:51:06,000

they they considered parapsychical you

1369

00:51:07,750 --> 00:51:06,960

know

1370

00:51:10,069 --> 00:51:07,760

woo

1371

00:51:11,510 --> 00:51:10,079

and the extraterrestrial hypothesis was

1372

00:51:13,670 --> 00:51:11,520

the leading one and if you broke away

1373

00:51:15,270 --> 00:51:13,680

from that people did not like it

1374

00:51:16,069 --> 00:51:15,280

so they were like i said they weren't

1375

00:51:20,150 --> 00:51:16,079

just

1376

00:51:21,750 --> 00:51:20,160

stuck on the e.t hypothesis

1377

00:51:23,109 --> 00:51:21,760

so lou says you know in the 40s these

1378

00:51:23,750 --> 00:51:23,119

things are you know

1379

00:51:25,190 --> 00:51:23,760

when they said they were

1380

00:51:26,470 --> 00:51:25,200

extraterrestrial from outer space we

1381

00:51:28,950 --> 00:51:26,480

didn't know a whole lot about our own

1382

00:51:30,390 --> 00:51:28,960

planet let alone about quantum physics

1383

00:51:32,230 --> 00:51:30,400

in the 40s right

1384

00:51:35,109 --> 00:51:32,240

we were just unlocking the secrets of

1385

00:51:37,430 --> 00:51:35,119

the atom and so this is why i i'm very

1386

00:51:39,349 --> 00:51:37,440

careful to say when someone says this is

1387

00:51:40,309 --> 00:51:39,359

from outer space well it certainly could

1388

00:51:43,510 --> 00:51:40,319

be

1389

00:51:44,390 --> 00:51:43,520

but there are other options

1390

00:51:45,109 --> 00:51:44,400

and

1391

00:51:47,270 --> 00:51:45,119

i

1392

00:51:49,349 --> 00:51:47,280

get so annoyed when people say

1393

00:51:51,349 --> 00:51:49,359

eric davis told them they're off world

1394

00:51:53,349 --> 00:51:51,359

off-world vehicles

1395

00:51:55,109 --> 00:51:53,359

listen and then people say well eric

1396

00:51:56,790 --> 00:51:55,119

davis thinks they're extraterrestrial

1397

00:51:59,349 --> 00:51:56,800

that's happened twice in interviews with

1398

00:52:01,270 --> 00:51:59,359

lou where the person talking to lou does

1399

00:52:03,589 --> 00:52:01,280

not give

1400

00:52:05,990 --> 00:52:03,599

an accurate representation of what eric

1401

00:52:08,230 --> 00:52:06,000

davis has said eric davis has said he

1402

00:52:10,790 --> 00:52:08,240

doesn't know where these objects are

1403

00:52:12,950 --> 00:52:10,800

from he thinks they're using

1404

00:52:14,549 --> 00:52:12,960

other dimensions to get here but they

1405

00:52:16,549 --> 00:52:14,559

could be here

1406

00:52:18,950 --> 00:52:16,559

on our planet they could be in the

1407

00:52:21,589 --> 00:52:18,960

vicinity they could be extraterrestrial

1408

00:52:23,510 --> 00:52:21,599

he doesn't put any specific you know

1409

00:52:24,390 --> 00:52:23,520

answer as to where these objects are

1410

00:52:26,150 --> 00:52:24,400

from

1411

00:52:27,510 --> 00:52:26,160

i did communicate with him recently just

1412

00:52:30,790 --> 00:52:27,520

to make sure and he's like yeah we don't

1413

00:52:32,950 --> 00:52:30,800

know where these are from so

1414

00:52:34,069 --> 00:52:32,960

that's annoying when people insinuate

1415

00:52:36,150 --> 00:52:34,079

that davis says these are

1416

00:52:38,309 --> 00:52:36,160

extraterrestrial when he does not

1417

00:52:39,910 --> 00:52:38,319

and lou is at a disadvantage because lou

1418

00:52:42,470 --> 00:52:39,920

doesn't keep track of everything eric

1419

00:52:44,470 --> 00:52:42,480

davis says so when people say well eric

1420

00:52:45,910 --> 00:52:44,480

davis said this lou is going by what

1421

00:52:49,430 --> 00:52:45,920

those folks are telling him so it's not

1422

00:52:53,349 --> 00:52:51,670

and lou says

1423

00:52:55,670 --> 00:52:53,359

they could be from outer space inner

1424

00:52:58,069 --> 00:52:55,680

space or frankly the space in between

1425

00:52:59,190 --> 00:52:58,079

which he said he has said many times

1426  
00:53:03,270 --> 00:52:59,200  
he goes

1427  
00:53:05,750 --> 00:53:03,280  
maybe even from our oceans we don't know

1428  
00:53:08,630 --> 00:53:05,760  
so it's dangerous to conclusively say

1429  
00:53:11,510 --> 00:53:08,640  
that these are palladians or reptilians

1430  
00:53:13,990 --> 00:53:11,520  
or or tall whites or whatever someone

1431  
00:53:15,589 --> 00:53:14,000  
wants to hypothesize

1432  
00:53:17,510 --> 00:53:15,599  
i'm impressed lou now knows about

1433  
00:53:20,470 --> 00:53:17,520  
palladians and tall whites i mean

1434  
00:53:22,069 --> 00:53:20,480  
everybody knows about reptilians but

1435  
00:53:24,549 --> 00:53:22,079  
lou said that when he was in atip he

1436  
00:53:27,270 --> 00:53:24,559  
didn't read anything ufo material wise

1437  
00:53:29,430 --> 00:53:27,280  
and he wanted to keep you know a clean

1438  
00:53:31,910 --> 00:53:29,440

slate he didn't want to be influenced by

1439

00:53:33,670 --> 00:53:31,920

any other data on the subject but now

1440

00:53:34,790 --> 00:53:33,680

that he's out i'm assuming he's reading

1441

00:53:36,790 --> 00:53:34,800

books

1442

00:53:39,990 --> 00:53:36,800

obviously he's talking about palladians

1443

00:53:43,990 --> 00:53:42,150

he says but in reality we simply don't

1444

00:53:45,109 --> 00:53:44,000

know and i've always i think we can

1445

00:53:47,430 --> 00:53:45,119

agree

1446

00:53:49,910 --> 00:53:47,440

that it's not ours and i think we can

1447

00:53:53,190 --> 00:53:49,920

agree that it's probably certainly not

1448

00:53:57,190 --> 00:53:53,200

foreign adversarial which means

1449

00:53:59,589 --> 00:53:57,200

it's probably not human much beyond that

1450

00:54:01,990 --> 00:53:59,599

it's wide open it's the wild west west

1451

00:54:03,030 --> 00:54:02,000

baby and he didn't say baby

1452

00:54:05,109 --> 00:54:03,040

i did

1453

00:54:07,670 --> 00:54:05,119

and we could speculate all day long but

1454

00:54:09,670 --> 00:54:07,680

in reality i know it looks like i'm

1455

00:54:10,470 --> 00:54:09,680

threading the needle here and people are

1456

00:54:13,030 --> 00:54:10,480

saying

1457

00:54:16,390 --> 00:54:13,040

well he's not really committing and lou

1458

00:54:19,430 --> 00:54:16,400

says i'm not i'm not committing

1459

00:54:21,670 --> 00:54:19,440

and danny goes

1460

00:54:24,549 --> 00:54:21,680

i'm fixing typos as i go

1461

00:54:26,390 --> 00:54:24,559

indeed which i didn't think i had danny

1462

00:54:28,390 --> 00:54:26,400

says no no no no

1463

00:54:30,069 --> 00:54:28,400

if you're not saying if you're saying

1464

00:54:33,750 --> 00:54:30,079

that we can say

1465

00:54:35,430 --> 00:54:33,760

that the source of these is not human

1466

00:54:37,670 --> 00:54:35,440

lou says

1467

00:54:40,309 --> 00:54:37,680

i think that's that is going to be part

1468

00:54:42,309 --> 00:54:40,319

of look i don't think we can avoid that

1469

00:54:44,390 --> 00:54:42,319

part of the conversation

1470

00:54:46,390 --> 00:54:44,400

i think we're all ready

1471

00:54:47,910 --> 00:54:46,400

and then the rest of it got cut off on

1472

00:54:50,069 --> 00:54:47,920

bad audio

1473

00:54:51,750 --> 00:54:50,079

and she and goes are you listening to

1474

00:54:53,990 --> 00:54:51,760

this ralph

1475

00:54:54,789 --> 00:54:54,000

you got that part and he means the part

1476  
00:55:01,510 --> 00:54:54,799  
where

1477  
00:55:03,270 --> 00:55:01,520  
said

1478  
00:55:06,470 --> 00:55:03,280  
it's probably

1479  
00:55:08,870 --> 00:55:06,480  
not human

1480  
00:55:10,950 --> 00:55:08,880  
are you listening to this ralph

1481  
00:55:13,270 --> 00:55:10,960  
you got that part

1482  
00:55:15,670 --> 00:55:13,280  
and ralph says i'm listening and i'm

1483  
00:55:17,030 --> 00:55:15,680  
dying to jump in because i want to say

1484  
00:55:19,270 --> 00:55:17,040  
something

1485  
00:55:21,670 --> 00:55:19,280  
that's my new york accent which i have

1486  
00:55:23,510 --> 00:55:21,680  
kind of lost over the years he goes

1487  
00:55:25,270 --> 00:55:23,520  
first of all i want to say to adam that

1488  
00:55:27,510 --> 00:55:25,280

you are the heir to that research at

1489

00:55:29,430 --> 00:55:27,520

princeton that was conducted into

1490

00:55:30,789 --> 00:55:29,440

paranormal and psychic abilities which

1491

00:55:31,750 --> 00:55:30,799

i'm sure you know

1492

00:55:33,430 --> 00:55:31,760

well

1493

00:55:36,069 --> 00:55:33,440

so i'd like to hear from you quickly on

1494

00:55:37,750 --> 00:55:36,079

how your how your research may tie into

1495

00:55:40,470 --> 00:55:37,760

time to the numbers researched by your

1496

00:55:43,670 --> 00:55:40,480

predecessor predecessor at princeton

1497

00:55:46,950 --> 00:55:43,680

robert john by the way john passed away

1498

00:55:49,109 --> 00:55:46,960

i think in 2017 or 19

1499

00:55:51,030 --> 00:55:49,119

um he worked with brenda dunn at the

1500

00:55:52,630 --> 00:55:51,040

para laboratory

1501  
00:55:53,670 --> 00:55:52,640  
ralph continues i just want to say one

1502  
00:55:55,190 --> 00:55:53,680  
thing

1503  
00:55:56,870 --> 00:55:55,200  
you know we have the ability today that

1504  
00:55:59,109 --> 00:55:56,880  
we didn't have back in the 40s and 50s

1505  
00:56:01,430 --> 00:55:59,119  
with technology we have infrared gun

1506  
00:56:03,589 --> 00:56:01,440  
cameras radar things that are picking up

1507  
00:56:04,870 --> 00:56:03,599  
now proof that these objects physically

1508  
00:56:06,390 --> 00:56:04,880  
exist

1509  
00:56:08,470 --> 00:56:06,400  
well we had a lot of that stuff back

1510  
00:56:10,630 --> 00:56:08,480  
then some of it but we we have better

1511  
00:56:11,829 --> 00:56:10,640  
tech now yeah especially the flear

1512  
00:56:13,750 --> 00:56:11,839  
cameras

1513  
00:56:15,589 --> 00:56:13,760

uh so in that sense yeah we can go back

1514

00:56:17,829 --> 00:56:15,599

to project sign project grudge and look

1515

00:56:19,750 --> 00:56:17,839

at their records and you know sort of

1516

00:56:21,349 --> 00:56:19,760

excavate everything that they found and

1517

00:56:22,309 --> 00:56:21,359

the estimate of the situation but we

1518

00:56:24,309 --> 00:56:22,319

have to

1519

00:56:25,990 --> 00:56:24,319

we have the ability today

1520

00:56:27,829 --> 00:56:26,000

to go beyond that

1521

00:56:29,990 --> 00:56:27,839

what has nasa picked up from the space

1522

00:56:31,990 --> 00:56:30,000

station what what are the satellites

1523

00:56:34,390 --> 00:56:32,000

picking up these are all questions of

1524

00:56:36,470 --> 00:56:34,400

technology that we can use our modern

1525

00:56:38,549 --> 00:56:36,480

tools to advance us so we don't have to

1526  
00:56:40,710 --> 00:56:38,559  
go back yeah it's interesting to go back

1527  
00:56:42,549 --> 00:56:40,720  
but let's go forward and see what we can

1528  
00:56:44,230 --> 00:56:42,559  
find and we can take pictures of black

1529  
00:56:46,069 --> 00:56:44,240  
holes hundreds of millions of light

1530  
00:56:48,549 --> 00:56:46,079  
years away like the ones they took that

1531  
00:56:50,630 --> 00:56:48,559  
i have in my book from 2019 you know i

1532  
00:56:53,030 --> 00:56:50,640  
guess an astounding feat and they found

1533  
00:56:55,190 --> 00:56:53,040  
the higgs boson under higgs boson

1534  
00:56:57,349 --> 00:56:55,200  
underground after hundreds of billions

1535  
00:56:59,430 --> 00:56:57,359  
of experiments and hours where they

1536  
00:57:01,589 --> 00:56:59,440  
found nothing now they found one

1537  
00:57:03,990 --> 00:57:01,599  
particle and he's talking about the work

1538  
00:57:06,230 --> 00:57:04,000

at cern and don't do not ask me to

1539

00:57:08,309 --> 00:57:06,240

unders to explain

1540

00:57:10,549 --> 00:57:08,319

the implications of higg boson higgs

1541

00:57:12,710 --> 00:57:10,559

boson i need to read up on that

1542

00:57:14,710 --> 00:57:12,720

you know ralph's like with the kind of

1543

00:57:16,470 --> 00:57:14,720

no scientific know-how we have now if we

1544

00:57:18,150 --> 00:57:16,480

apply that to trying to figure out what

1545

00:57:19,510 --> 00:57:18,160

these objects are

1546

00:57:20,230 --> 00:57:19,520

and how the hell they can do what they

1547

00:57:22,710 --> 00:57:20,240

do

1548

00:57:25,270 --> 00:57:22,720

that would really advance us so i think

1549

00:57:28,069 --> 00:57:25,280

that's why i'm sort of focused ahead

1550

00:57:30,470 --> 00:57:28,079

rather than back

1551  
00:57:32,789 --> 00:57:30,480  
then he goes

1552  
00:57:34,630 --> 00:57:32,799  
i agree i agree

1553  
00:57:36,470 --> 00:57:34,640  
over 50 years of being an attorney

1554  
00:57:38,390 --> 00:57:36,480  
dealing with a lot of these issues i'm

1555  
00:57:40,390 --> 00:57:38,400  
always struck by how

1556  
00:57:42,150 --> 00:57:40,400  
every administration is prepared to only

1557  
00:57:43,670 --> 00:57:42,160  
look forward and never wanting to look

1558  
00:57:46,789 --> 00:57:43,680  
talk about the past

1559  
00:57:49,030 --> 00:57:46,799  
but let's just set aside the past

1560  
00:57:51,510 --> 00:57:49,040  
if you've got an official government

1561  
00:57:53,270 --> 00:57:51,520  
document again he's talking about the

1562  
00:57:55,750 --> 00:57:53,280  
estimate of the situation

1563  
00:57:57,910 --> 00:57:55,760

in 1948 saying that the people who have

1564

00:58:00,150 --> 00:57:57,920

looked into this have concluded

1565

00:58:01,349 --> 00:58:00,160

this is extraterrestrial

1566

00:58:06,069 --> 00:58:01,359

and in fact

1567

00:58:08,470 --> 00:58:06,079

december of 2020 telling the senate

1568

00:58:10,630 --> 00:58:08,480

select intelligence committee that is

1569

00:58:12,390 --> 00:58:10,640

that his whole team has concluded that

1570

00:58:15,109 --> 00:58:12,400

these are off-world vehicles not

1571

00:58:17,190 --> 00:58:15,119

constructed anywhere on this planet

1572

00:58:19,589 --> 00:58:17,200

and you've got lou elizondo who is the

1573

00:58:23,670 --> 00:58:19,599

head of the investigative group saying

1574

00:58:26,789 --> 00:58:25,910

that it's something that's not human i

1575

00:58:30,150 --> 00:58:26,799

mean

1576  
00:58:32,789 --> 00:58:30,160  
doesn't that strike you as a story ralph

1577  
00:58:34,950 --> 00:58:32,799  
i mean come on ralph

1578  
00:58:37,910 --> 00:58:34,960  
and that was my part saying come on

1579  
00:58:40,870 --> 00:58:37,920  
ralph ralph goes yeah

1580  
00:58:43,670 --> 00:58:40,880  
and we put it in the near new york times

1581  
00:58:46,230 --> 00:58:43,680  
we put a briefing slide eric davis's

1582  
00:58:49,589 --> 00:58:46,240  
briefing slide in the new york times

1583  
00:58:52,870 --> 00:58:49,599  
saying off planet vehicles so let's move

1584  
00:58:58,150 --> 00:58:55,109  
and this was my favorite

1585  
00:59:01,750 --> 00:58:59,990  
so what did eric davis say when you

1586  
00:59:03,510 --> 00:59:01,760  
asked him about it

1587  
00:59:04,549 --> 00:59:03,520  
well i don't i don't want to say what he

1588  
00:59:06,069 --> 00:59:04,559

told us

1589

00:59:07,670 --> 00:59:06,079

but i'm telling you what we put in the

1590

00:59:10,789 --> 00:59:07,680

new york times

1591

00:59:12,789 --> 00:59:10,799

well i'm asking you what he told you not

1592

00:59:14,390 --> 00:59:12,799

what you put in the new york times

1593

00:59:16,069 --> 00:59:14,400

what did he tell you

1594

00:59:18,230 --> 00:59:16,079

well

1595

00:59:20,230 --> 00:59:18,240

he told us enough to back up that story

1596

00:59:22,470 --> 00:59:20,240

that we put in the new york times so

1597

00:59:25,109 --> 00:59:22,480

what i'm saying is that so we said that

1598

00:59:26,789 --> 00:59:25,119

you know we put it in the new york times

1599

00:59:29,510 --> 00:59:26,799

we said that we put it in the new york

1600

00:59:31,910 --> 00:59:29,520

times so now a lot of stuff is already

1601  
00:59:33,910 --> 00:59:31,920  
on the record let's move ahead and

1602  
00:59:37,750 --> 00:59:33,920  
expand that opening we have to find out

1603  
00:59:41,829 --> 00:59:39,589  
i'd like to know what information the

1604  
00:59:43,030 --> 00:59:41,839  
government has that it's not sharing

1605  
00:59:44,950 --> 00:59:43,040  
with us

1606  
00:59:47,910 --> 00:59:44,960  
it's our information it's the people's

1607  
00:59:50,470 --> 00:59:47,920  
information we pay for it with our tax

1608  
00:59:52,230 --> 00:59:50,480  
money it affects us our future our

1609  
00:59:54,950 --> 00:59:52,240  
contacts with possibly other

1610  
00:59:56,230 --> 00:59:54,960  
intelligences in the universe so what's

1611  
00:59:58,230 --> 00:59:56,240  
so secret

1612  
01:00:00,630 --> 00:59:58,240  
we have a right to that information so

1613  
01:00:03,750 --> 01:00:00,640

let's push as hard as we can to get that

1614

01:00:06,630 --> 01:00:03,760

information and get it on the record

1615

01:00:09,109 --> 01:00:06,640

and then he says would you compare

1616

01:00:11,910 --> 01:00:09,119

the classified annex to the june 5th

1617

01:00:13,589 --> 01:00:11,920

25th on i uap report would you compare

1618

01:00:14,390 --> 01:00:13,599

that to the pentagon papers that the new

1619

01:00:16,630 --> 01:00:14,400

york times

1620

01:00:18,230 --> 01:00:16,640

published

1621

01:00:20,470 --> 01:00:18,240

just real quick pentagon papers which i

1622

01:00:22,549 --> 01:00:20,480

did i do include a little summary in the

1623

01:00:24,309 --> 01:00:22,559

blog

1624

01:00:26,309 --> 01:00:24,319

classified information about the vietnam

1625

01:00:28,470 --> 01:00:26,319

war that made the united states look

1626

01:00:31,910 --> 01:00:28,480

really bad it was leaked by

1627

01:00:34,069 --> 01:00:31,920

i believe it was daniel ellsberg and

1628

01:00:35,829 --> 01:00:34,079

yeah uh it made it into the new york

1629

01:00:37,910 --> 01:00:35,839

times it was classified information so

1630

01:00:40,230 --> 01:00:37,920

that can happen and danny talks about

1631

01:00:43,190 --> 01:00:40,240

that later so there is there is some

1632

01:00:45,349 --> 01:00:43,200

hope for us but you know this is more

1633

01:00:47,589 --> 01:00:45,359

sensitive than the pentagon papers this

1634

01:00:49,670 --> 01:00:47,599

is world changing

1635

01:00:51,670 --> 01:00:49,680

that was country changing at the very

1636

01:00:53,109 --> 01:00:51,680

least

1637

01:00:54,710 --> 01:00:53,119

so ralph says

1638

01:00:58,150 --> 01:00:54,720

i would compare

1639

01:01:00,230 --> 01:00:58,160

the 180 day uap report

1640

01:01:01,910 --> 01:01:00,240

to the pentagon papers in the sense that

1641

01:01:03,270 --> 01:01:01,920

i think it's public information that the

1642

01:01:04,870 --> 01:01:03,280

public paid for

1643

01:01:07,589 --> 01:01:04,880

that they have the right to know it's

1644

01:01:09,430 --> 01:01:07,599

their future it's our future so what is

1645

01:01:10,630 --> 01:01:09,440

the government protecting us from you

1646

01:01:12,230 --> 01:01:10,640

know the whole story of why the

1647

01:01:15,109 --> 01:01:12,240

government held this information so

1648

01:01:16,470 --> 01:01:15,119

closely all along historically is that

1649

01:01:18,710 --> 01:01:16,480

we couldn't be trusted with this

1650

01:01:20,630 --> 01:01:18,720

information to know that these objects

1651

01:01:22,309 --> 01:01:20,640

were real that there were real

1652

01:01:24,309 --> 01:01:22,319

encounters and the government always

1653

01:01:27,109 --> 01:01:24,319

thought we can't handle the truth you

1654

01:01:28,950 --> 01:01:27,119

know and that's not true

1655

01:01:30,470 --> 01:01:28,960

and then he says yeah because they kept

1656

01:01:32,470 --> 01:01:30,480

concluding that they were

1657

01:01:33,750 --> 01:01:32,480

extraterrestrial according to two

1658

01:01:35,589 --> 01:01:33,760

different reports

1659

01:01:37,750 --> 01:01:35,599

ralph says well

1660

01:01:38,789 --> 01:01:37,760

whatever they concluded we can't be

1661

01:01:41,910 --> 01:01:38,799

trusted

1662

01:01:43,109 --> 01:01:41,920

with that fact so we demand to know now

1663

01:01:45,349 --> 01:01:43,119

what it is

1664

01:01:47,030 --> 01:01:45,359

so i keep saying it won't be hard to get

1665

01:01:48,789 --> 01:01:47,040

other stories in the new york times and

1666

01:01:49,750 --> 01:01:48,799

the washington post and the wall street

1667

01:01:51,270 --> 01:01:49,760

journal

1668

01:01:52,870 --> 01:01:51,280

if we had the information from a

1669

01:01:54,470 --> 01:01:52,880

reliable source

1670

01:01:57,270 --> 01:01:54,480

and that's what we're pushing for all

1671

01:01:58,470 --> 01:01:57,280

the time to get that information that is

1672

01:02:01,109 --> 01:01:58,480

verified

1673

01:02:04,390 --> 01:02:01,119

that's authenticated that comes with a

1674

01:02:07,750 --> 01:02:04,400

named source and that's not anonymous

1675

01:02:09,029 --> 01:02:07,760

that we can put in the paper

1676

01:02:11,910 --> 01:02:09,039

and then lou

1677

01:02:14,470 --> 01:02:11,920

poops on our party and says

1678

01:02:16,710 --> 01:02:14,480

can i ask what happens

1679

01:02:17,829 --> 01:02:16,720

if it turns out the government isn't

1680

01:02:23,029 --> 01:02:17,839

quote

1681

01:02:24,470 --> 01:02:23,039

because the government itself doesn't

1682

01:02:26,870 --> 01:02:24,480

know the truth

1683

01:02:28,630 --> 01:02:26,880

the government itself is in a situation

1684

01:02:30,870 --> 01:02:28,640

a position where it knows that

1685

01:02:33,029 --> 01:02:30,880

something's out there

1686

01:02:34,390 --> 01:02:33,039

but much more than that as far as a

1687

01:02:37,190 --> 01:02:34,400

narrative

1688

01:02:39,510 --> 01:02:37,200

is rather inconclusive

1689

01:02:41,750 --> 01:02:39,520

and perhaps and this is where

1690

01:02:44,069 --> 01:02:41,760

danny earns his money not and he didn't

1691

01:02:45,750 --> 01:02:44,079

get paid for this but danny becomes the

1692

01:02:46,870 --> 01:02:45,760

lawyer and it was a really great

1693

01:02:48,870 --> 01:02:46,880

exchange

1694

01:02:50,630 --> 01:02:48,880

danny says low

1695

01:02:53,750 --> 01:02:50,640

blue

1696

01:02:55,230 --> 01:02:53,760

there's potentially credible evidence

1697

01:02:57,190 --> 01:02:55,240

that they're in possession of

1698

01:02:57,870 --> 01:02:57,200

extraterrestrial bodies

1699

01:03:00,549 --> 01:02:57,880

and

1700

01:03:03,270 --> 01:03:00,559

extraterrestrial craft

1701  
01:03:04,630 --> 01:03:03,280  
and lugos no no no no no listen what i'm

1702  
01:03:06,309 --> 01:03:04,640  
trying to say here

1703  
01:03:08,069 --> 01:03:06,319  
and danny's like

1704  
01:03:10,950 --> 01:03:08,079  
but that's just a hypothetical that

1705  
01:03:15,349 --> 01:03:10,960  
doesn't comport with the reality and lou

1706  
01:03:19,750 --> 01:03:17,029  
and danny jumps in

1707  
01:03:25,670 --> 01:03:23,109  
it's not that they can't figure out

1708  
01:03:27,510 --> 01:03:25,680  
what they are it's that they don't want

1709  
01:03:28,789 --> 01:03:27,520  
us to know

1710  
01:03:34,309 --> 01:03:28,799  
lou says

1711  
01:03:38,230 --> 01:03:35,430  
lou

1712  
01:03:39,670 --> 01:03:38,240  
it does comport because we get things

1713  
01:03:41,270 --> 01:03:39,680

all the time

1714

01:03:43,829 --> 01:03:41,280

that we don't know how they work and so

1715

01:03:46,069 --> 01:03:43,839

we keep it secret there are things and i

1716

01:03:48,549 --> 01:03:46,079

won't go into detail here but there's

1717

01:03:50,950 --> 01:03:48,559

technologies that we get all the time

1718

01:03:53,109 --> 01:03:50,960

from a foreign adversary and we don't

1719

01:03:55,589 --> 01:03:53,119

let anybody know because even though we

1720

01:03:56,789 --> 01:03:55,599

haven't figured it out yet yes we have

1721

01:03:58,870 --> 01:03:56,799

it we do

1722

01:04:01,109 --> 01:03:58,880

but we haven't figured it out yet and

1723

01:04:04,069 --> 01:04:01,119

i'm i'm not saying that the reality is

1724

01:04:05,430 --> 01:04:04,079

that that doesn't exist what i'm simply

1725

01:04:07,349 --> 01:04:05,440

saying is that

1726

01:04:09,029 --> 01:04:07,359

if you are given a technology and it

1727

01:04:12,069 --> 01:04:09,039

takes you a hundred years to figure it

1728

01:04:14,150 --> 01:04:12,079

out and you still haven't figured it out

1729

01:04:16,150 --> 01:04:14,160

there's not a whole lot to report you

1730

01:04:18,150 --> 01:04:16,160

know yeah we've got something strange

1731

01:04:20,390 --> 01:04:18,160

and exotic but we don't know how it

1732

01:04:22,150 --> 01:04:20,400

works i'm going to interrupt here

1733

01:04:24,470 --> 01:04:22,160

he says there's not a whole lot to

1734

01:04:25,589 --> 01:04:24,480

report yes there is there is a whole lot

1735

01:04:27,029 --> 01:04:25,599

to report

1736

01:04:29,510 --> 01:04:27,039

we have something that we don't think

1737

01:04:31,750 --> 01:04:29,520

was made by humans and we have bodies

1738

01:04:34,230 --> 01:04:31,760

that appear to be non-human

1739

01:04:35,190 --> 01:04:34,240

that is a lot to report

1740

01:04:37,750 --> 01:04:35,200

so

1741

01:04:39,910 --> 01:04:37,760

i don't agree with that angle

1742

01:04:42,150 --> 01:04:39,920

lou has taken there i know he clears it

1743

01:04:44,630 --> 01:04:42,160

up later on but that specific paragraph

1744

01:04:47,029 --> 01:04:44,640

i do not agree with

1745

01:04:48,950 --> 01:04:47,039

so lou's like yeah we've got something

1746

01:04:51,270 --> 01:04:48,960

strange and exotic but

1747

01:04:54,309 --> 01:04:51,280

we don't know how it works

1748

01:04:57,430 --> 01:04:54,319

and then danny rightfully so says yeah

1749

01:05:00,150 --> 01:04:57,440

but if the strange and exotic thing

1750

01:05:02,309 --> 01:05:00,160

that we've got comes with bodies that

1751

01:05:04,390 --> 01:05:02,319

are clearly not human

1752

01:05:06,710 --> 01:05:04,400

doesn't that seem to shed some light on

1753

01:05:09,029 --> 01:05:06,720

the fact that uh

1754

01:05:12,309 --> 01:05:09,039

and then lou says well

1755

01:05:16,069 --> 01:05:14,470

it certainly makes compelling makes it

1756

01:05:18,069 --> 01:05:16,079

compelling

1757

01:05:20,950 --> 01:05:18,079

but we still don't know any more than we

1758

01:05:22,630 --> 01:05:20,960

did before so let's let's go down that

1759

01:05:25,349 --> 01:05:22,640

trail just for a second let's say

1760

01:05:27,109 --> 01:05:25,359

there's a craft with some bodies in it

1761

01:05:28,710 --> 01:05:27,119

that aren't human

1762

01:05:30,309 --> 01:05:28,720

then he goes yep

1763

01:05:32,470 --> 01:05:30,319

lou says okay

1764

01:05:33,829 --> 01:05:32,480

but you don't know where they're from

1765

01:05:35,109 --> 01:05:33,839

you don't know

1766

01:05:37,109 --> 01:05:35,119

what they are

1767

01:05:38,950 --> 01:05:37,119

what their intentions are

1768

01:05:40,549 --> 01:05:38,960

what their motivations are

1769

01:05:41,990 --> 01:05:40,559

how long do they live what's their

1770

01:05:44,309 --> 01:05:42,000

metabolic rate

1771

01:05:47,670 --> 01:05:44,319

my point being is just hypothetically

1772

01:05:49,670 --> 01:05:47,680

just to go down that road and by the way

1773

01:05:51,190 --> 01:05:49,680

yeah we don't if we don't know any of

1774

01:05:53,589 --> 01:05:51,200

that stuff that doesn't preclude the

1775

01:05:55,510 --> 01:05:53,599

government from saying we have it you

1776

01:05:59,029 --> 01:05:55,520

know it's it's world changing it's

1777

01:06:01,270 --> 01:05:59,039

species changing so

1778

01:06:02,829 --> 01:06:01,280

i i don't really think that's relevant

1779

01:06:05,029 --> 01:06:02,839

as far as talking

1780

01:06:07,270 --> 01:06:05,039

about sharing that information the

1781

01:06:08,870 --> 01:06:07,280

basics that we have it you know with the

1782

01:06:10,950 --> 01:06:08,880

public

1783

01:06:12,150 --> 01:06:10,960

and you'll see luke changes his tune a

1784

01:06:13,670 --> 01:06:12,160

little bit he says those are two

1785

01:06:15,430 --> 01:06:13,680

separate issues but it seems like he was

1786

01:06:17,109 --> 01:06:15,440

making the argument

1787

01:06:18,390 --> 01:06:17,119

in these paragraphs here that you know

1788

01:06:20,150 --> 01:06:18,400

we should not

1789

01:06:21,990 --> 01:06:20,160

tell people until we figured out exactly

1790

01:06:23,829 --> 01:06:22,000

what it is

1791

01:06:26,470 --> 01:06:23,839

and danny says you've been keeping it

1792

01:06:28,230 --> 01:06:26,480

secret for 75 years and he's talking

1793

01:06:30,549 --> 01:06:28,240

about you the government

1794

01:06:31,430 --> 01:06:30,559

and i'll just go back a little lou says

1795

01:06:33,270 --> 01:06:31,440

you know you don't know where they're

1796

01:06:35,109 --> 01:06:33,280

from what their intentions are my point

1797

01:06:37,589 --> 01:06:35,119

being is hypothetically just to go down

1798

01:06:40,150 --> 01:06:37,599

that road and danny says

1799

01:06:41,029 --> 01:06:40,160

but you've been keeping it secret for 75

1800

01:06:43,349 --> 01:06:41,039

years

1801  
01:06:45,589 --> 01:06:43,359  
exactly mr sheehan

1802  
01:06:46,789 --> 01:06:45,599  
and then and then lou says

1803  
01:06:51,270 --> 01:06:46,799  
but that's

1804  
01:06:52,630 --> 01:06:51,280  
this is where i was kind of confused

1805  
01:06:54,470 --> 01:06:52,640  
because it didn't seem like lou was

1806  
01:06:56,549 --> 01:06:54,480  
making a different issue but then he

1807  
01:06:58,230 --> 01:06:56,559  
says let's not conflate the two so

1808  
01:07:00,950 --> 01:06:58,240  
you're right the fact that we might have

1809  
01:07:02,870 --> 01:07:00,960  
something like that that should be told

1810  
01:07:04,710 --> 01:07:02,880  
to the american people

1811  
01:07:06,549 --> 01:07:04,720  
but where we have to be careful is to go

1812  
01:07:08,870 --> 01:07:06,559  
down the line of saying we know more

1813  
01:07:12,150 --> 01:07:08,880

than we don't

1814

01:07:15,270 --> 01:07:12,160

nobody said that i i don't think

1815

01:07:17,270 --> 01:07:15,280

sheehan never said you know we know

1816

01:07:19,349 --> 01:07:17,280

everything about these beings or the

1817

01:07:20,950 --> 01:07:19,359

craft or where they're from he just said

1818

01:07:23,510 --> 01:07:20,960

the fact that we have them should be

1819

01:07:25,990 --> 01:07:23,520

shared so you know lou saying we have to

1820

01:07:27,829 --> 01:07:26,000

be careful to go down you know not to go

1821

01:07:30,470 --> 01:07:27,839

down that road and you know people

1822

01:07:32,549 --> 01:07:30,480

thinking we know more than we do okay

1823

01:07:34,390 --> 01:07:32,559

i understand that but

1824

01:07:36,069 --> 01:07:34,400

that's not what he was arguing earlier

1825

01:07:38,150 --> 01:07:36,079

so

1826

01:07:40,470 --> 01:07:38,160

danny says i agree i agree i totally

1827

01:07:41,670 --> 01:07:40,480

agree and lu says this topic is you know

1828

01:07:44,950 --> 01:07:41,680

so anyways

1829

01:07:48,870 --> 01:07:46,870

and uh and

1830

01:07:50,630 --> 01:07:48,880

in my comments i said you know it seems

1831

01:07:52,870 --> 01:07:50,640

like lou is saying if we have craft and

1832

01:07:54,549 --> 01:07:52,880

bodies we need more data to figure out

1833

01:07:57,670 --> 01:07:54,559

all of the details such as where they're

1834

01:08:00,309 --> 01:07:57,680

from what their intentions are etcetera

1835

01:08:03,510 --> 01:08:00,319

and i refer to

1836

01:08:05,670 --> 01:08:03,520

february 23rd of 2021 louis on spaced

1837

01:08:09,990 --> 01:08:05,680

out radio with dave scott and he brought

1838

01:08:13,430 --> 01:08:10,000

up that lack of data when dave asked him

1839

01:08:15,029 --> 01:08:13,440

has lou elizondo the person ever seen a

1840

01:08:17,990 --> 01:08:15,039

gray being

1841

01:08:21,110 --> 01:08:18,000

big black eyes skin color silverish tone

1842

01:08:22,550 --> 01:08:21,120

maybe brown at times four feet tall to

1843

01:08:25,430 --> 01:08:22,560

five feet tall

1844

01:08:28,229 --> 01:08:25,440

almond shaped eyes a slit mouth

1845

01:08:30,709 --> 01:08:28,239

barely any nose three fingers

1846

01:08:32,630 --> 01:08:30,719

ever seen one

1847

01:08:35,669 --> 01:08:32,640

and lou says

1848

01:08:38,470 --> 01:08:35,679

lou elizondo as a person has seen some

1849

01:08:40,870 --> 01:08:38,480

pretty extraordinary things in his life

1850

01:08:42,470 --> 01:08:40,880

i don't want to prejudice the jury here

1851

01:08:45,269 --> 01:08:42,480

i've seen a lot of things in my life

1852

01:08:47,910 --> 01:08:45,279

that have been very very compelling

1853

01:08:50,470 --> 01:08:47,920

but in every one of those situations and

1854

01:08:52,229 --> 01:08:50,480

in every case i needed more data

1855

01:08:53,590 --> 01:08:52,239

you're asking a great question and

1856

01:08:55,990 --> 01:08:53,600

people are going to say i'm being

1857

01:08:57,990 --> 01:08:56,000

evasive and yeah you're damn right i am

1858

01:09:00,229 --> 01:08:58,000

i am being evasive so yeah he needed

1859

01:09:02,309 --> 01:09:00,239

more data which is basically saying what

1860

01:09:04,070 --> 01:09:02,319

he said earlier you know

1861

01:09:06,149 --> 01:09:04,080

we have bodies and craft but we don't

1862

01:09:08,550 --> 01:09:06,159

know the origin we don't know any

1863

01:09:09,990 --> 01:09:08,560

details supposedly we don't know any of

1864

01:09:10,950 --> 01:09:10,000

those details

1865

01:09:14,229 --> 01:09:10,960

so

1866

01:09:15,910 --> 01:09:14,239

it seems like me lou has either seen

1867

01:09:17,189 --> 01:09:15,920

bodies

1868

01:09:19,990 --> 01:09:17,199

and or

1869

01:09:21,910 --> 01:09:20,000

a craft in person with his own eyes or

1870

01:09:24,709 --> 01:09:21,920

at the very least

1871

01:09:26,950 --> 01:09:24,719

i believe he has seen photos of that

1872

01:09:28,870 --> 01:09:26,960

uh the way he talks i would i'd lean

1873

01:09:31,030 --> 01:09:28,880

towards him seeing it with his own eyes

1874

01:09:33,510 --> 01:09:31,040

especially the claim

1875

01:09:36,070 --> 01:09:33,520

that stephen greer said that

1876

01:09:37,349 --> 01:09:36,080

sheehan told greer that lou told him

1877

01:09:38,789 --> 01:09:37,359

that he had seen

1878

01:09:40,550 --> 01:09:38,799

a ufo

1879

01:09:43,110 --> 01:09:40,560

in a government facility which would not

1880

01:09:45,110 --> 01:09:43,120

surprise me but lou if that's true lou

1881

01:09:46,789 --> 01:09:45,120

cannot admit that right now i know he

1882

01:09:49,349 --> 01:09:46,799

has to go through the evaluation and

1883

01:09:50,550 --> 01:09:49,359

with his security clearance being

1884

01:09:52,070 --> 01:09:50,560

threatened i know a lot of people

1885

01:09:54,229 --> 01:09:52,080

probably get mad at me right now saying

1886

01:09:56,390 --> 01:09:54,239

why not he should tell us just screw the

1887

01:09:58,390 --> 01:09:56,400

security clearance

1888

01:10:00,070 --> 01:09:58,400

but

1889

01:10:02,470 --> 01:10:00,080

whether or not he's seen it with his own

1890

01:10:04,550 --> 01:10:02,480

eyes that stuff craft and bodies or

1891

01:10:07,270 --> 01:10:04,560

photos i don't know

1892

01:10:09,350 --> 01:10:07,280

and hopefully we get to know because i'm

1893

01:10:11,990 --> 01:10:09,360

i would love to hear the stories lou has

1894

01:10:14,310 --> 01:10:12,000

that he has not shared with us

1895

01:10:16,709 --> 01:10:14,320

and dave stock dave scott says did it

1896

01:10:18,470 --> 01:10:16,719

scare you lou says

1897

01:10:20,310 --> 01:10:18,480

a lot of things scare me sure fear from

1898

01:10:22,229 --> 01:10:20,320

me though i'm not scared by scared by

1899

01:10:25,189 --> 01:10:22,239

this topic i'm more scared of not being

1900

01:10:26,149 --> 01:10:25,199

able to ask or not allowed to ask a

1901

01:10:35,030 --> 01:10:26,159

question

1902

01:10:39,830 --> 01:10:37,990

and lou continues unless you're

1903

01:10:41,110 --> 01:10:39,840

shooting at me i'm really not going to

1904

01:10:42,950 --> 01:10:41,120

get stressed

1905

01:10:45,270 --> 01:10:42,960

if we can't have a conversation about

1906

01:10:47,990 --> 01:10:45,280

potentially something that is

1907

01:10:49,669 --> 01:10:48,000

existential to our species in our

1908

01:10:51,669 --> 01:10:49,679

understanding

1909

01:10:53,830 --> 01:10:51,679

to me the bigger threat is not being

1910

01:10:55,910 --> 01:10:53,840

able to ask the question versus the

1911

01:10:58,229 --> 01:10:55,920

answer itself i'd rather have an

1912

01:11:00,470 --> 01:10:58,239

uncomfortable answer

1913

01:11:02,950 --> 01:11:00,480

than not being allowed to ask the

1914

01:11:04,790 --> 01:11:02,960

question that i'm asking

1915

01:11:07,030 --> 01:11:04,800

and

1916

01:11:10,149 --> 01:11:07,040

that is very similar to what eric

1917

01:11:11,669 --> 01:11:10,159

weinstein said in his panel his lecture

1918

01:11:13,669 --> 01:11:11,679

if the information is going to be the

1919

01:11:14,950 --> 01:11:13,679

end of society if that information is

1920

01:11:17,750 --> 01:11:14,960

shared he goes

1921

01:11:20,470 --> 01:11:17,760

bring it on whatever the information is

1922

01:11:21,590 --> 01:11:20,480

we deserve to know what it is

1923

01:11:23,669 --> 01:11:21,600

um

1924

01:11:26,149 --> 01:11:23,679

so back to the panel

1925

01:11:28,229 --> 01:11:26,159

and we got danny sheen talking about an

1926

01:11:32,229 --> 01:11:28,239

infamous well i didn't know the story

1927

01:11:37,350 --> 01:11:34,470

oliver wendell holmes who was a famous

1928

01:11:38,630 --> 01:11:37,360

supreme court justice in the 80s 1880s

1929

01:11:40,870 --> 01:11:38,640

and 90s

1930

01:11:43,110 --> 01:11:40,880

and one day his wife came back came by

1931

01:11:45,270 --> 01:11:43,120

on her horse-drawn carriage called a

1932

01:11:46,950 --> 01:11:45,280

buck board which i never heard that word

1933

01:11:48,550 --> 01:11:46,960

she goes let's go out for lunch come on

1934

01:11:50,149 --> 01:11:48,560

ollie so they drive out to the

1935

01:11:53,189 --> 01:11:50,159

countryside and they're riding along and

1936

01:11:55,030 --> 01:11:53,199

she says oh look olly somebody has

1937

01:11:57,430 --> 01:11:55,040

shorn shaved

1938

01:11:59,750 --> 01:11:57,440

all the wool off those sheep over there

1939

01:12:02,310 --> 01:11:59,760

and wendell says

1940

01:12:04,950 --> 01:12:02,320

no my dear the most that we can say is

1941

01:12:07,910 --> 01:12:04,960

somehow the wool has been removed from

1942

01:12:10,390 --> 01:12:07,920

the side of the sheep that we can see

1943

01:12:12,950 --> 01:12:10,400

and danny goes okay now the fact is that

1944

01:12:16,070 --> 01:12:12,960

almost anybody in their right mind

1945

01:12:17,910 --> 01:12:16,080

knows that those sheep have been shorn

1946

01:12:20,630 --> 01:12:17,920

on both sides okay

1947

01:12:23,030 --> 01:12:20,640

so that so that type of anal analysis

1948

01:12:25,270 --> 01:12:23,040

while it may serve certain purposes it

1949

01:12:27,270 --> 01:12:25,280

doesn't really convey the truth and what

1950

01:12:30,070 --> 01:12:27,280

i'm saying is that if you've got a

1951

01:12:31,750 --> 01:12:30,080

crashed saucer at roswell

1952

01:12:33,990 --> 01:12:31,760

where you can read the telegram that's

1953

01:12:36,390 --> 01:12:34,000

in the hands of general raymie which we

1954

01:12:39,110 --> 01:12:36,400

have done which says bring the disk and

1955

01:12:41,830 --> 01:12:39,120

bodies to right field and peter jennings

1956

01:12:43,189 --> 01:12:41,840

said that on abc news back in 1972 or

1957

01:12:44,950 --> 01:12:43,199

whenever

1958

01:12:47,669 --> 01:12:44,960

i'm pretty sure it wasn't 1972 because

1959

01:12:49,189 --> 01:12:47,679

that analysis wasn't done too much later

1960

01:12:51,030 --> 01:12:49,199

by david rudiak

1961

01:12:52,390 --> 01:12:51,040

danny says it seems to me that people

1962

01:12:54,550 --> 01:12:52,400

that are involved in officially

1963

01:12:56,310 --> 01:12:54,560

investigating this should be all over

1964

01:12:57,750 --> 01:12:56,320

that like white rice

1965

01:13:00,229 --> 01:12:57,760

and that somebody should go over to the

1966

01:13:04,149 --> 01:13:00,239

geological space intelligence center and

1967

01:13:06,070 --> 01:13:04,159

get the information about roswell

1968

01:13:07,990 --> 01:13:06,080

i asked linda thompson if you're

1969

01:13:09,110 --> 01:13:08,000

listening to this about that mike do you

1970

01:13:10,630 --> 01:13:09,120

think roswell is there anything

1971

01:13:11,590 --> 01:13:10,640

information you know about

1972

01:13:13,189 --> 01:13:11,600

you know

1973

01:13:15,270 --> 01:13:13,199

roswell information being at the

1974

01:13:18,070 --> 01:13:15,280

geological space intelligence center she

1975

01:13:21,510 --> 01:13:18,080

said no i asked two other sources and

1976

01:13:23,030 --> 01:13:21,520

they said no so either linda and all of

1977

01:13:25,990 --> 01:13:23,040

the sources

1978

01:13:26,870 --> 01:13:26,000

are three total are wrong

1979

01:13:28,550 --> 01:13:26,880

or

1980

01:13:30,149 --> 01:13:28,560

you know lou didn't jump in here but i

1981

01:13:32,870 --> 01:13:30,159

mean lou's not going to say well well

1982

01:13:36,070 --> 01:13:32,880

danny no the roswell stuff is located at

1983

01:13:37,910 --> 01:13:36,080

x y and z so lou can't say anything but

1984

01:13:39,669 --> 01:13:37,920

i don't have any information that the

1985

01:13:41,750 --> 01:13:39,679

roswell information

1986

01:13:43,990 --> 01:13:41,760

is at the geological space intelligence

1987

01:13:45,669 --> 01:13:44,000

center

1988

01:13:47,110 --> 01:13:45,679

maybe danny has inside information that

1989

01:13:49,270 --> 01:13:47,120

nobody else has

1990

01:13:50,870 --> 01:13:49,280

because one of my sources was very very

1991

01:13:53,910 --> 01:13:50,880

very very good and

1992

01:13:56,149 --> 01:13:53,920

should know that information

1993

01:13:57,990 --> 01:13:56,159

and danny says once you've got the fact

1994

01:14:00,149 --> 01:13:58,000

that we've got a vehicle that is

1995

01:14:03,110 --> 01:14:00,159

technologically vastly beyond anything

1996

01:14:06,070 --> 01:14:03,120

we know about anything about with dead

1997

01:14:08,630 --> 01:14:06,080

bodies in it that are clearly not human

1998

01:14:12,149 --> 01:14:08,640

it seems to me that that story should be

1999

01:14:15,030 --> 01:14:12,159

told to the american people

2000

01:14:17,110 --> 01:14:15,040

and um of course

2001

01:14:21,030 --> 01:14:17,120

danny is right

2002

01:14:23,350 --> 01:14:21,040

i think that lou agrees with that

2003

01:14:25,830 --> 01:14:23,360

just give us the basics

2004

01:14:28,149 --> 01:14:25,840

and if you don't know anymore you know

2005

01:14:30,470 --> 01:14:28,159

tell us that

2006

01:14:32,709 --> 01:14:30,480

you know i'm sure the media it would ign

2007

01:14:34,070 --> 01:14:32,719

obviously it would ignite a firestorm

2008

01:14:36,149 --> 01:14:34,080

with the media

2009

01:14:38,470 --> 01:14:36,159

that i don't think would ever end that

2010

01:14:40,390 --> 01:14:38,480

would propel us into a new wave of media

2011

01:14:42,790 --> 01:14:40,400

coverage and hopefully

2012

01:14:44,550 --> 01:14:42,800

worldwide and investigative reporting

2013

01:14:47,510 --> 01:14:44,560

efforts that really

2014

01:14:50,790 --> 01:14:47,520

has only been done by a few reporters

2015

01:14:53,030 --> 01:14:50,800

um and i do link to a peter jennings

2016

01:14:55,430 --> 01:14:53,040

seeing is believing documentary which is

2017

01:14:58,149 --> 01:14:55,440

good and they have a decent ep episode

2018

01:15:00,390 --> 01:14:58,159

a decent segment on on roswell but i

2019

01:15:03,430 --> 01:15:00,400

don't think the raimi memo and the work

2020

01:15:07,189 --> 01:15:03,440

by david rudiak is included in that so

2021

01:15:10,550 --> 01:15:09,430

and dolan just goes off about a little

2022

01:15:13,270 --> 01:15:10,560

bit

2023

01:15:14,790 --> 01:15:13,280

and i just want to answer uh note that

2024

01:15:18,550 --> 01:15:14,800

dolan

2025

01:15:20,630 --> 01:15:18,560

says i think

2026

01:15:22,830 --> 01:15:20,640

marshall had his hand up

2027

01:15:25,350 --> 01:15:22,840

you know he's being so nice to marshall

2028

01:15:26,790 --> 01:15:25,360

summers and seems sheen's like you know

2029

01:15:27,990 --> 01:15:26,800

we'll get to richard and then we'll get

2030

01:15:31,430 --> 01:15:28,000

to marshall

2031

01:15:35,189 --> 01:15:32,870

because i'm glad you like the estimate

2032

01:15:36,070 --> 01:15:35,199

of the situation but it has to be said

2033

01:15:38,070 --> 01:15:36,080

you know

2034

01:15:39,910 --> 01:15:38,080

we can talk about david rudy x analysis

2035

01:15:41,270 --> 01:15:39,920

of the remy remo

2036

01:15:44,070 --> 01:15:41,280

remy memo

2037

01:15:46,070 --> 01:15:44,080

which is very close you can almost read

2038

01:15:49,110 --> 01:15:46,080

the words he goes i just want to add

2039

01:15:51,590 --> 01:15:49,120

this because you mentioned this before

2040

01:15:53,990 --> 01:15:51,600

the rainy romo and

2041

01:15:56,070 --> 01:15:54,000

the reamy memo and the estimate of the

2042

01:15:59,189 --> 01:15:56,080

situation dolan goes

2043

01:16:01,030 --> 01:15:59,199

both of those are decent cases

2044

01:16:02,870 --> 01:16:01,040

but they're not a slam dunk neither of

2045

01:16:05,510 --> 01:16:02,880

them so in terms of the estimate there

2046

01:16:07,590 --> 01:16:05,520

it could very well have been destroyed

2047

01:16:09,430 --> 01:16:07,600

this was the statement

2048

01:16:12,229 --> 01:16:09,440

they might may not have a copy of it it

2049

01:16:13,910 --> 01:16:12,239

may not exist it probably does exist but

2050

01:16:16,390 --> 01:16:13,920

even i who believe in it i can't say

2051

01:16:19,430 --> 01:16:16,400

that i know for a fact it existed

2052

01:16:21,189 --> 01:16:19,440

rupault said dewey fornay said it that's

2053

01:16:22,950 --> 01:16:21,199

probably good enough for me but it's

2054

01:16:23,750 --> 01:16:22,960

still not proof so we just have to say

2055

01:16:27,030 --> 01:16:23,760

that

2056

01:16:29,189 --> 01:16:27,040

and it was a it was never a policy

2057

01:16:31,189 --> 01:16:29,199

either because that sign team was

2058

01:16:33,430 --> 01:16:31,199

scattered to the winds after they handed

2059

01:16:36,229 --> 01:16:33,440

that report to vanderberg so they all

2060

01:16:38,470 --> 01:16:36,239

got split up so that never became air

2061

01:16:39,830 --> 01:16:38,480

force official policy anyway and i have

2062

01:16:40,950 --> 01:16:39,840

a really good link

2063

01:16:42,950 --> 01:16:40,960

uh

2064

01:16:45,189 --> 01:16:42,960

to an article on the estimate of the

2065

01:16:47,430 --> 01:16:45,199

situation yeah it wasn't so it was an

2066

01:16:49,350 --> 01:16:47,440

official policy so i think i think danny

2067

01:16:51,750 --> 01:16:49,360

sheehan made just a little too much too

2068

01:16:53,030 --> 01:16:51,760

much about the estimate of the situation

2069

01:16:54,470 --> 01:16:53,040

i mean yeah it's important you know

2070

01:16:55,430 --> 01:16:54,480

that's the conclusion that some folks

2071

01:16:57,350 --> 01:16:55,440

came to

2072

01:17:00,229 --> 01:16:57,360

extraterrestrial but

2073

01:17:02,229 --> 01:17:00,239

it's not the be-all end-all document

2074

01:17:05,830 --> 01:17:02,239

and then and then richard mentions the

2075

01:17:08,229 --> 01:17:05,840

the rudiak uh memo the analysis analysis

2076

01:17:11,350 --> 01:17:08,239

he did amazing analysis where it seems

2077

01:17:13,669 --> 01:17:11,360

to say victims of the crash

2078

01:17:14,870 --> 01:17:13,679

on the raimi memo you know what victims

2079

01:17:16,870 --> 01:17:14,880

would there be if it was a weather

2080

01:17:18,390 --> 01:17:16,880

balloon

2081

01:17:20,070 --> 01:17:18,400

it's so close

2082

01:17:22,630 --> 01:17:20,080

but it's just beyond our ability to

2083

01:17:24,390 --> 01:17:22,640

confirm 100 and there's been debate

2084

01:17:25,830 --> 01:17:24,400

over that for decades and i think most

2085

01:17:27,990 --> 01:17:25,840

people when they look at it look at it

2086

01:17:29,669 --> 01:17:28,000

they think rudiak is right but

2087

01:17:31,590 --> 01:17:29,679

still there are some naysayers out there

2088

01:17:33,910 --> 01:17:31,600

and that's the problem so i mean ralph's

2089

01:17:35,669 --> 01:17:33,920

point is very well taken

2090

01:17:38,149 --> 01:17:35,679

like we want to work with absolutely

2091

01:17:40,229 --> 01:17:38,159

confirmed unarguable data and all i was

2092

01:17:42,470 --> 01:17:40,239

saying when i get into the history and i

2093

01:17:44,310 --> 01:17:42,480

don't want to belabor this is there

2094

01:17:47,590 --> 01:17:44,320

actually is very good confirmed

2095

01:17:48,470 --> 01:17:47,600

historical data and analysis

2096

01:17:50,229 --> 01:17:48,480

and

2097

01:17:51,830 --> 01:17:50,239

the reason it's important is because i

2098

01:17:53,510 --> 01:17:51,840

mentioned the cover up

2099

01:17:54,950 --> 01:17:53,520

and the other reason is that nowadays we

2100

01:17:56,790 --> 01:17:54,960

have all these people talking talking

2101  
01:17:58,630 --> 01:17:56,800  
about how well maybe the tic tac is a

2102  
01:18:00,709 --> 01:17:58,640  
black budget project

2103  
01:18:03,270 --> 01:18:00,719  
but then richard goes to a sighting that

2104  
01:18:04,870 --> 01:18:03,280  
ronald reagan had in 74

2105  
01:18:06,709 --> 01:18:04,880  
and

2106  
01:18:08,070 --> 01:18:06,719  
it was written in a book written about

2107  
01:18:09,110 --> 01:18:08,080  
in a book by wall street journal

2108  
01:18:12,229 --> 01:18:09,120  
journalist

2109  
01:18:14,149 --> 01:18:12,239  
named norman miller

2110  
01:18:16,550 --> 01:18:14,159  
and reagan's pilot a guy named bill

2111  
01:18:19,669 --> 01:18:16,560  
painter confirmed this uh it came out in

2112  
01:18:22,709 --> 01:18:19,679  
the late 80s reagan was into this he saw

2113  
01:18:25,830 --> 01:18:22,719

this zigzag zigzagging object and says

2114

01:18:27,030 --> 01:18:25,840

to the pilot hey mr painter let's go

2115

01:18:29,350 --> 01:18:27,040

after it

2116

01:18:30,709 --> 01:18:29,360

and they're in a little cessna citation

2117

01:18:32,950 --> 01:18:30,719

and they tried to go after it and this

2118

01:18:35,189 --> 01:18:32,960

object was white slightly elongated and

2119

01:18:37,270 --> 01:18:35,199

it just moved horizontally and then shot

2120

01:18:39,830 --> 01:18:37,280

straight up and bill painter the pilot

2121

01:18:42,310 --> 01:18:39,840

said that was like a hot rod an airplane

2122

01:18:44,709 --> 01:18:42,320

can accelerate but not like this thing

2123

01:18:47,030 --> 01:18:44,719

and reagan said what the hell was that

2124

01:18:49,750 --> 01:18:47,040

nancy it looked like an extraterrestrial

2125

01:18:52,149 --> 01:18:49,760

craft and no reagan did not say that but

2126

01:18:53,830 --> 01:18:52,159

i like doing my reagan impersonation so

2127

01:18:55,030 --> 01:18:53,840

dolan's like that's a good case you know

2128

01:18:57,030 --> 01:18:55,040

you have a future president of the

2129

01:18:59,430 --> 01:18:57,040

united states seeing a possible tic-tac

2130

01:19:01,030 --> 01:18:59,440

ufo hell of a case but no one ever seems

2131

01:19:02,709 --> 01:19:01,040

to know about it

2132

01:19:06,470 --> 01:19:02,719

okay now i'm about to run out of battery

2133

01:19:07,830 --> 01:19:06,480

so i will pick this up in part two

2134

01:19:09,270 --> 01:19:07,840

and

2135

01:19:11,189 --> 01:19:09,280

once again

2136

01:19:14,390 --> 01:19:11,199

if you support

2137

01:19:16,070 --> 01:19:14,400

this if you like it

2138

01:19:18,470 --> 01:19:16,080

or not whatever

2139

01:19:21,030 --> 01:19:18,480

that's my

2140

01:19:21,040 --> 01:19:25,910

my paypal

2141

01:19:30,709 --> 01:19:26,790

my

2142

01:19:32,310 --> 01:19:30,719

patreon and last but not least

2143

01:19:33,590 --> 01:19:32,320

the new guy on the block
