

Lue Elizondo

1  
00:00:05,910 --> 00:00:05,030  
okay here is part two

2  
00:00:09,750 --> 00:00:05,920  
of

3  
00:00:11,030 --> 00:00:09,760  
the brady bunch disclosure edition

4  
00:00:14,310 --> 00:00:11,040  
and

5  
00:00:17,910 --> 00:00:14,320  
i will go as long as i can on this part

6  
00:00:20,550 --> 00:00:17,920  
until my battery on my laptop dies or

7  
00:00:23,349 --> 00:00:20,560  
the dog wakes up and interrupts me

8  
00:00:25,429 --> 00:00:23,359  
and i will make a third part most likely

9  
00:00:26,150 --> 00:00:25,439  
i'm gonna need a third part

10  
00:00:28,790 --> 00:00:26,160  
so

11  
00:00:33,270 --> 00:00:28,800  
once again

12  
00:00:38,310 --> 00:00:35,670  
and my blog

13  
00:00:41,389 --> 00:00:38,320

and if you like this kind of stuff my

14

00:00:52,310 --> 00:00:45,350

ufojo11 at aol.com and then patreon is

15

00:00:58,630 --> 00:00:54,869

the last one is

16

00:01:03,029 --> 00:01:00,549

vimeo and then

17

00:01:05,750 --> 00:01:03,039

we will pick it up with

18

00:01:08,950 --> 00:01:07,510

daniel

19

00:01:11,030 --> 00:01:08,960

sheehan

20

00:01:12,710 --> 00:01:11,040

so

21

00:01:14,469 --> 00:01:12,720

he says okay

22

00:01:16,550 --> 00:01:14,479

we're making headway here

23

00:01:19,030 --> 00:01:16,560

what i'm trying to do is i'm trying to

24

00:01:21,510 --> 00:01:19,040

get an understanding of how

25

00:01:23,749 --> 00:01:21,520

of how we can all participate in getting

26

00:01:24,830 --> 00:01:23,759

more evidence to ralph

27

00:01:27,910 --> 00:01:24,840

so

28

00:01:30,069 --> 00:01:27,920

ralph is in a position to exercise

29

00:01:33,429 --> 00:01:30,079

completely responsible standards of a

30

00:01:35,510 --> 00:01:33,439

journalist's integrity to get integrity

31

00:01:37,109 --> 00:01:35,520

to get this info further out to the

32

00:01:39,109 --> 00:01:37,119

people

33

00:01:41,590 --> 00:01:39,119

and to understand was what is a real

34

00:01:45,109 --> 00:01:41,600

event a real story and working with lou

35

00:01:49,030 --> 00:01:47,030

believes that a good deal of the

36

00:01:51,190 --> 00:01:49,040

information that the us government is

37

00:01:54,389 --> 00:01:51,200

withholding

38

00:01:56,630 --> 00:01:54,399

merits being told to the american people

39

00:01:58,789 --> 00:01:56,640

and that it's not legitimately

40

00:02:01,350 --> 00:01:58,799

classified that's a pretty big deal if

41

00:02:03,429 --> 00:02:01,360

that's true we may have access

42

00:02:06,469 --> 00:02:03,439

to more information than we ever

43

00:02:09,510 --> 00:02:06,479

expected in the near future

44

00:02:11,589 --> 00:02:09,520

fingers crossed

45

00:02:13,990 --> 00:02:11,599

you know and and once again danny says

46

00:02:16,390 --> 00:02:14,000

danny says it's the same thing challenge

47

00:02:17,830 --> 00:02:16,400

with depending on papers there were 47

48

00:02:18,790 --> 00:02:17,840

volumes

49

00:02:23,030 --> 00:02:18,800

and

50

00:02:24,790 --> 00:02:23,040

danny got to look at those documents he

51

00:02:26,790 --> 00:02:24,800

didn't have a clearance

52

00:02:29,190 --> 00:02:26,800

uh and the the judge went through all of

53

00:02:31,270 --> 00:02:29,200

the information and

54

00:02:33,430 --> 00:02:31,280

the judge got to see it and then the

55

00:02:34,869 --> 00:02:33,440

united states attorney whitney north

56

00:02:37,190 --> 00:02:34,879

seymour

57

00:02:38,790 --> 00:02:37,200

made an argument that you know that

58

00:02:40,790 --> 00:02:38,800

could hurt the national security of the

59

00:02:41,910 --> 00:02:40,800

united states but later on he admitted

60

00:02:44,229 --> 00:02:41,920

there really

61

00:02:45,910 --> 00:02:44,239

there was nothing that could irrevocably

62

00:02:48,150 --> 00:02:45,920

damage the national security of the

63

00:02:49,750 --> 00:02:48,160

united states so

64

00:02:51,750 --> 00:02:49,760

new york times was able to print all of

65

00:02:56,949 --> 00:02:51,760

that

66

00:02:57,910 --> 00:02:56,959

lot of the ufo information

67

00:02:59,670 --> 00:02:57,920

and then and then i have a little

68

00:03:02,390 --> 00:02:59,680

summary of what the pentagon papers was

69

00:03:04,470 --> 00:03:02,400

about uh featuring daniel ellsberg who's

70

00:03:07,030 --> 00:03:04,480

basically a whistleblower we need a

71

00:03:08,710 --> 00:03:07,040

modern day whistleblower like ellsberg

72

00:03:09,830 --> 00:03:08,720

and i knew i know lou doesn't think we

73

00:03:12,470 --> 00:03:09,840

need that

74

00:03:14,949 --> 00:03:12,480

i personally think we need multiple

75

00:03:17,830 --> 00:03:14,959

whistleblowers to push this along

76

00:03:20,070 --> 00:03:17,840

otherwise it's going to take

77

00:03:21,750 --> 00:03:20,080

and then again you never know you know

78

00:03:23,430 --> 00:03:21,760

lou says that things are happening

79

00:03:25,430 --> 00:03:23,440

behind the scenes and you know look

80

00:03:26,390 --> 00:03:25,440

forward to the next couple of months

81

00:03:28,789 --> 00:03:26,400

we'll see

82

00:03:30,070 --> 00:03:28,799

i don't doubt that um but for me

83

00:03:31,589 --> 00:03:30,080

whistleblowers

84

00:03:33,509 --> 00:03:31,599

are a good thing as long as they're not

85

00:03:34,949 --> 00:03:33,519

hurting the national security you know

86

00:03:36,470 --> 00:03:34,959

not giving our adversaries any

87

00:03:39,509 --> 00:03:36,480

information that could be used against

88

00:03:39,519 --> 00:03:43,110

so danny says

89

00:03:47,270 --> 00:03:45,589

we need to be careful as far as you know

90

00:03:49,030 --> 00:03:47,280

getting the information related to the

91

00:03:51,589 --> 00:03:49,040

classified annex

92

00:03:53,190 --> 00:03:51,599

of the uap report the 180-day report

93

00:03:54,949 --> 00:03:53,200

because we don't want to stop the flow

94

00:03:57,030 --> 00:03:54,959

of information that's going to the

95

00:04:00,390 --> 00:03:57,040

senate intelligence committee by having

96

00:04:02,390 --> 00:04:00,400

any illegitimate revelation of of those

97

00:04:05,270 --> 00:04:02,400

i think we need to be extraordinary

98

00:04:06,869 --> 00:04:05,280

characters extraordinarily careful those

99

00:04:08,630 --> 00:04:06,879

of us who are all interested in getting

100

00:04:11,030 --> 00:04:08,640

this done

101

00:04:13,589 --> 00:04:11,040

and then blumenthal jumps in

102

00:04:16,629 --> 00:04:13,599

ralph to the rescue he goes

103

00:04:17,909 --> 00:04:16,639

danny danny let's give marshall his say

104

00:04:20,229 --> 00:04:17,919

come on

105

00:04:21,189 --> 00:04:20,239

and then he's like

106

00:04:22,629 --> 00:04:21,199

listen

107

00:04:25,030 --> 00:04:22,639

that was just the first part of our

108

00:04:26,629 --> 00:04:25,040

conversation so marshall i'd like to

109

00:04:28,310 --> 00:04:26,639

have you

110

00:04:30,629 --> 00:04:28,320

you know part of the distress this

111

00:04:32,390 --> 00:04:30,639

morning during your lecture as you were

112

00:04:35,030 --> 00:04:32,400

talking is that you never quite got to

113

00:04:37,110 --> 00:04:35,040

the allies of humanity the good guys

114

00:04:39,510 --> 00:04:37,120

that you understand that you're in

115

00:04:41,590 --> 00:04:39,520

communication with that can come and be

116

00:04:43,110 --> 00:04:41,600

of some assistance to us and

117

00:04:45,749 --> 00:04:43,120

sharing information that you're sharing

118

00:04:48,150 --> 00:04:45,759

with the people

119

00:04:49,990 --> 00:04:48,160

and that the means by which you obtained

120

00:04:51,749 --> 00:04:50,000

this information i want you to briefly

121

00:04:53,670 --> 00:04:51,759

explain that and

122

00:04:55,749 --> 00:04:53,680

adam who worked on the

123

00:04:58,629 --> 00:04:55,759

princeton lab with

124

00:05:00,390 --> 00:04:58,639

anomalies research and telepath

125

00:05:03,990 --> 00:05:00,400

telepathy

126

00:05:08,150 --> 00:05:05,749

communicate to us what your

127

00:05:11,749 --> 00:05:08,160

understanding is about this particular

128

00:05:12,870 --> 00:05:11,759

phenomenon that marshall is conveying

129

00:05:15,270 --> 00:05:12,880

channeling

130

00:05:16,950 --> 00:05:15,280

and what type of evidence there is to

131

00:05:19,749 --> 00:05:16,960

suggest that

132

00:05:21,749 --> 00:05:19,759

there may be some credibility to it okay

133

00:05:24,710 --> 00:05:21,759

so marshall go ahead

134

00:05:27,270 --> 00:05:24,720

and please tell us about these allies

135

00:05:29,670 --> 00:05:27,280

and we finally get to mr

136

00:05:31,430 --> 00:05:29,680

marshall summers

137

00:05:34,790 --> 00:05:31,440

and he first first of all he says you

138

00:05:38,870 --> 00:05:36,469

as far as what's leaking out to the

139

00:05:41,510 --> 00:05:38,880

public from the government not my domain

140

00:05:43,510 --> 00:05:41,520

not my specialty i don't i don't know

141

00:05:45,670 --> 00:05:43,520

what the government has or doesn't have

142

00:05:47,590 --> 00:05:45,680

i'm sure they have a lot after 50 or 60

143

00:05:49,830 --> 00:05:47,600

years of secrecy but i don't have any

144

00:05:51,670 --> 00:05:49,840

intuition or insight into how much they

145

00:05:53,270 --> 00:05:51,680

do or don't know

146

00:05:55,270 --> 00:05:53,280

you know but either way you know they're

147

00:05:57,189 --> 00:05:55,280

kind of condemned either way because if

148

00:05:59,590 --> 00:05:57,199

they don't know then they look pretty

149

00:06:01,350 --> 00:05:59,600

stupid and if they do know

150

00:06:03,270 --> 00:06:01,360

who can hear it in other words it's

151  
00:06:04,390 --> 00:06:03,280  
classified you know only a small amount

152  
00:06:06,550 --> 00:06:04,400  
of people have access to that

153  
00:06:08,309 --> 00:06:06,560  
information

154  
00:06:10,469 --> 00:06:08,319  
but marshall says

155  
00:06:12,070 --> 00:06:10,479  
for him he was encouraged to receive a

156  
00:06:13,749 --> 00:06:12,080  
communique

157  
00:06:15,830 --> 00:06:13,759  
and he really didn't want to do it

158  
00:06:17,990 --> 00:06:15,840  
because his work is usually in the

159  
00:06:19,430 --> 00:06:18,000  
spiritual and religious realm

160  
00:06:22,309 --> 00:06:19,440  
and i didn't want to get into this

161  
00:06:24,469 --> 00:06:22,319  
business ufo business partly because my

162  
00:06:27,189 --> 00:06:24,479  
wife's brother was involved in it

163  
00:06:29,510 --> 00:06:27,199

earlier and it really had a damaging

164

00:06:31,350 --> 00:06:29,520

impact upon his well-being

165

00:06:34,230 --> 00:06:31,360

and he saw things that just didn't fit

166

00:06:37,270 --> 00:06:34,240

his reality

167

00:06:39,270 --> 00:06:37,280

uh he was an assistant

168

00:06:41,189 --> 00:06:39,280

and i'm just making sure my audio is

169

00:06:44,150 --> 00:06:41,199

going

170

00:06:45,990 --> 00:06:44,160

so his brother-in-law

171

00:06:50,070 --> 00:06:46,000

was an assistant

172

00:06:52,469 --> 00:06:50,080

with george van tassel at giant rock

173

00:06:54,950 --> 00:06:52,479

and he's one of the earlier

174

00:06:58,230 --> 00:06:54,960

contactees

175

00:07:02,150 --> 00:07:00,309

he was there full-time

176

00:07:04,390 --> 00:07:02,160

his brother-in-law

177

00:07:06,469 --> 00:07:04,400

and he finally had to leave he was he

178

00:07:08,790 --> 00:07:06,479

was given a choice they told him either

179

00:07:10,870 --> 00:07:08,800

you go deeper into this which

180

00:07:13,990 --> 00:07:10,880

if that happens you're gonna have

181

00:07:16,550 --> 00:07:14,000

no public identity no normal life

182

00:07:19,749 --> 00:07:16,560

and no access to just about anybody

183

00:07:21,909 --> 00:07:19,759

which seems a little cult-like um or you

184

00:07:23,430 --> 00:07:21,919

should probably bow out now because

185

00:07:25,350 --> 00:07:23,440

you're hitting a threshold where you're

186

00:07:27,110 --> 00:07:25,360

gonna have to make a choice

187

00:07:29,110 --> 00:07:27,120

uh and apparently there was an offer to

188

00:07:31,110 --> 00:07:29,120

his brother-in-law to go elsewhere and

189

00:07:32,390 --> 00:07:31,120

he took that offer

190

00:07:35,510 --> 00:07:32,400

that's really interesting and i have

191

00:07:37,430 --> 00:07:35,520

some links to the george van tassel

192

00:07:38,469 --> 00:07:37,440

integratron

193

00:07:40,070 --> 00:07:38,479

um

194

00:07:41,909 --> 00:07:40,080

information

195

00:07:43,189 --> 00:07:41,919

which i would like to go to one day just

196

00:07:45,270 --> 00:07:43,199

for the hell of it

197

00:07:46,390 --> 00:07:45,280

it's in josh i think it's in joshua tree

198

00:07:47,749 --> 00:07:46,400

california

199

00:07:48,629 --> 00:07:47,759

probably like four and a half hours from

200

00:07:50,070 --> 00:07:48,639

here

201  
00:07:52,869 --> 00:07:50,080  
so marshall continues i've been

202  
00:07:55,350 --> 00:07:52,879  
reluctant because i've seen

203  
00:07:57,510 --> 00:07:55,360  
this ufos is a very messy and

204  
00:07:59,830 --> 00:07:57,520  
confabulated and repressed area of

205  
00:08:01,830 --> 00:07:59,840  
information but nonetheless

206  
00:08:03,670 --> 00:08:01,840  
i was asked to receive this by a

207  
00:08:05,029 --> 00:08:03,680  
spiritual force that said we want you to

208  
00:08:06,710 --> 00:08:05,039  
receive

209  
00:08:08,309 --> 00:08:06,720  
these beings

210  
00:08:10,469 --> 00:08:08,319  
and

211  
00:08:12,710 --> 00:08:10,479  
they actually did give me a small

212  
00:08:14,390 --> 00:08:12,720  
message actually on my honeymoon which i

213  
00:08:18,070 --> 00:08:14,400

didn't appreciate

214

00:08:21,830 --> 00:08:18,080

in 1983 and that message just said hear

215

00:08:24,150 --> 00:08:21,840

us hear us hear us we have a message

216

00:08:26,150 --> 00:08:24,160

but they didn't come back until 1997

217

00:08:28,469 --> 00:08:26,160

when i was in a much better position i

218

00:08:32,310 --> 00:08:28,479

had written greater community spiritual

219

00:08:34,070 --> 00:08:32,320

greater community spirituality and

220

00:08:36,709 --> 00:08:34,080

i was interested in the realm of

221

00:08:39,190 --> 00:08:36,719

theology in the universe and i mean

222

00:08:41,269 --> 00:08:39,200

that's been a real focus of mine so i

223

00:08:42,709 --> 00:08:41,279

began to receive these briefings after

224

00:08:44,790 --> 00:08:42,719

much resistance

225

00:08:47,110 --> 00:08:44,800

you know i'm i'm surprised at how much

226

00:08:50,150 --> 00:08:47,120

resistance i had because i always

227

00:08:53,590 --> 00:08:50,160

thought of myself as being open to truth

228

00:08:55,829 --> 00:08:53,600

from whatever source right well

229

00:08:58,389 --> 00:08:55,839

i really wasn't open to truth from this

230

00:09:00,949 --> 00:08:58,399

source but i did finally acquiesce and

231

00:09:03,590 --> 00:09:00,959

began to receive the first parts and the

232

00:09:04,870 --> 00:09:03,600

first of the four allies of humanity

233

00:09:07,269 --> 00:09:04,880

briefings

234

00:09:09,350 --> 00:09:07,279

but from a very distant voice very far

235

00:09:11,110 --> 00:09:09,360

away

236

00:09:14,389 --> 00:09:11,120

no physical presence

237

00:09:16,710 --> 00:09:14,399

no physical engagement no craft

238

00:09:19,670 --> 00:09:16,720

nothing appearing in my room nothing

239

00:09:22,870 --> 00:09:19,680

splendid or exotic or anything

240

00:09:24,790 --> 00:09:22,880

just this communication

241

00:09:26,790 --> 00:09:24,800

and so i recorded it

242

00:09:28,470 --> 00:09:26,800

as it was coming to me it was written

243

00:09:30,230 --> 00:09:28,480

out and is now available in the form

244

00:09:32,070 --> 00:09:30,240

that i received it

245

00:09:33,430 --> 00:09:32,080

what i want to say about this is that

246

00:09:35,750 --> 00:09:33,440

we're losing time to deal with this

247

00:09:37,750 --> 00:09:35,760

we're losing critical time i mentioned

248

00:09:40,389 --> 00:09:37,760

four fundamental fundamental questions

249

00:09:41,990 --> 00:09:40,399

in my talk this morning and we're stuck

250

00:09:43,509 --> 00:09:42,000

on the first question

251  
00:09:45,670 --> 00:09:43,519  
basically the first question what is

252  
00:09:47,430 --> 00:09:45,680  
what's going on the answer we have

253  
00:09:49,670 --> 00:09:47,440  
unknown objects of

254  
00:09:51,750 --> 00:09:49,680  
you know objects of unknown origin

255  
00:09:53,750 --> 00:09:51,760  
operating with impunity

256  
00:09:56,550 --> 00:09:53,760  
all over the globe especially in you

257  
00:09:58,230 --> 00:09:56,560  
know restricted restricted airspace and

258  
00:10:01,269 --> 00:09:58,240  
that's all we know that's the first

259  
00:10:02,870 --> 00:10:01,279  
question we don't know anything else

260  
00:10:03,670 --> 00:10:02,880  
if there are people that know anything

261  
00:10:05,430 --> 00:10:03,680  
else

262  
00:10:07,750 --> 00:10:05,440  
you know we don't know about it it's

263  
00:10:10,150 --> 00:10:07,760

locked up in black programs

264

00:10:12,069 --> 00:10:10,160

and you know i've i've read a lot of

265

00:10:14,150 --> 00:10:12,079

channeled material in my life back in

266

00:10:16,829 --> 00:10:14,160

the day when i first got into this

267

00:10:22,870 --> 00:10:20,069

kryon you are becoming a galactic human

268

00:10:25,269 --> 00:10:22,880

by sheldon knightl i read

269

00:10:28,470 --> 00:10:25,279

the book of ra

270

00:10:29,350 --> 00:10:28,480

the law of one which i read book two

271

00:10:32,790 --> 00:10:29,360

and

272

00:10:35,350 --> 00:10:32,800

then i realized you know what all of

273

00:10:37,030 --> 00:10:35,360

this information contradicts each other

274

00:10:37,829 --> 00:10:37,040

you know it's all different so i was

275

00:10:39,430 --> 00:10:37,839

like

276

00:10:40,870 --> 00:10:39,440

no more channeling

277

00:10:42,790 --> 00:10:40,880

and then i saw this conference and

278

00:10:44,550 --> 00:10:42,800

marshall summers i started to listen to

279

00:10:47,509 --> 00:10:44,560

some of his interviews and i'm like you

280

00:10:49,430 --> 00:10:47,519

know what some of this resonates with me

281

00:10:52,310 --> 00:10:49,440

so i'm open to hearing more from

282

00:10:56,310 --> 00:10:54,550

so he continues he goes you know right

283

00:10:58,710 --> 00:10:56,320

now something needs to break somewhere

284

00:11:01,990 --> 00:10:58,720

and i don't think it will be through the

285

00:11:03,990 --> 00:11:02,000

new york times and i don't expect ralph

286

00:11:05,269 --> 00:11:04,000

for you to be the vehicle for it or

287

00:11:07,030 --> 00:11:05,279

anything like that

288

00:11:09,350 --> 00:11:07,040

and meanwhile there's so much different

289

00:11:11,190 --> 00:11:09,360

disinformation going on about this

290

00:11:13,269 --> 00:11:11,200

amongst the people on the internet it's

291

00:11:16,310 --> 00:11:13,279

shocking to me it's very shocking and i

292

00:11:19,030 --> 00:11:16,320

think much of it is unbelievable

293

00:11:21,430 --> 00:11:19,040

and some and in some of it

294

00:11:24,870 --> 00:11:21,440

and some of it is downright dangerous

295

00:11:26,949 --> 00:11:24,880

and i'm pretty sure he's talking about

296

00:11:28,710 --> 00:11:26,959

the idea that these are our space

297

00:11:31,030 --> 00:11:28,720

brothers and we need to communicate with

298

00:11:33,670 --> 00:11:31,040

them and have open contact and welcome

299

00:11:36,949 --> 00:11:33,680

them in and get technology from them to

300

00:11:38,550 --> 00:11:36,959

change our lives and our planet

301  
00:11:39,990 --> 00:11:38,560  
and he does not think that's a good

302  
00:11:40,829 --> 00:11:40,000  
thing

303  
00:11:43,350 --> 00:11:40,839  
he

304  
00:11:46,150 --> 00:11:43,360  
says my concern is that we really don't

305  
00:11:47,750 --> 00:11:46,160  
have any basis for evaluating a foreign

306  
00:11:49,430 --> 00:11:47,760  
presence in the world today and that

307  
00:11:52,550 --> 00:11:49,440  
foreign presence would be

308  
00:11:56,470 --> 00:11:52,560  
multiple et groups according to his

309  
00:11:59,990 --> 00:11:58,550  
he goes because we have no idea what is

310  
00:12:02,870 --> 00:12:00,000  
going on

311  
00:12:04,230 --> 00:12:02,880  
in life beyond our world basically yeah

312  
00:12:05,670 --> 00:12:04,240  
all the information we have is in front

313  
00:12:06,710 --> 00:12:05,680

of us we see we don't get to see what's

314

00:12:09,350 --> 00:12:06,720

going on

315

00:12:10,389 --> 00:12:09,360

in space beyond space you know outer

316

00:12:12,470 --> 00:12:10,399

space and

317

00:12:14,230 --> 00:12:12,480

you know other planets we have no idea

318

00:12:16,550 --> 00:12:14,240

how things work in the galaxy basically

319

00:12:19,430 --> 00:12:16,560

is what he's saying so

320

00:12:21,190 --> 00:12:19,440

what rules are in place no idea

321

00:12:22,710 --> 00:12:21,200

how are you know

322

00:12:24,470 --> 00:12:22,720

other intelligences what are the what

323

00:12:25,750 --> 00:12:24,480

are they allowed to do what are they not

324

00:12:28,470 --> 00:12:25,760

allowed to do what can they get away

325

00:12:29,829 --> 00:12:28,480

with once again no idea and that's his

326

00:12:30,870 --> 00:12:29,839

point

327

00:12:32,629 --> 00:12:30,880

he goes

328

00:12:35,110 --> 00:12:32,639

everything we ascertain is from our

329

00:12:36,629 --> 00:12:35,120

ground position from a human perspective

330

00:12:38,710 --> 00:12:36,639

and as a result

331

00:12:40,629 --> 00:12:38,720

i make no claim to understand et

332

00:12:42,230 --> 00:12:40,639

intelligence i don't think i would even

333

00:12:44,310 --> 00:12:42,240

presume to do that

334

00:12:47,110 --> 00:12:44,320

nor do i think that they're part of my

335

00:12:49,509 --> 00:12:47,120

spiritual cosmology or that i assign to

336

00:12:51,590 --> 00:12:49,519

them spiritual causes or anything like

337

00:12:53,269 --> 00:12:51,600

that and by them he means the allies of

338

00:12:55,910 --> 00:12:53,279

humanity and that's good you know it's

339

00:12:59,190 --> 00:12:55,920

like it's for him it's just information

340

00:13:03,509 --> 00:13:01,990

if it resonates with you great and if

341

00:13:05,430 --> 00:13:03,519

not great

342

00:13:06,870 --> 00:13:05,440

and i know i've listened to earlier

343

00:13:07,829 --> 00:13:06,880

interviews he's done and he's been a

344

00:13:10,470 --> 00:13:07,839

little more

345

00:13:11,430 --> 00:13:10,480

you know confident that his message is

346

00:13:14,790 --> 00:13:11,440

100

347

00:13:17,269 --> 00:13:14,800

true uh here when he was pushed you know

348

00:13:19,670 --> 00:13:17,279

it was good because he's he's open to it

349

00:13:22,150 --> 00:13:19,680

not being true it's just information and

350

00:13:23,750 --> 00:13:22,160

we need some way to verify it right now

351

00:13:25,350 --> 00:13:23,760

we don't have that

352

00:13:27,030 --> 00:13:25,360

maybe if we had access to the black

353

00:13:28,710 --> 00:13:27,040

budget data maybe some of that could

354

00:13:29,750 --> 00:13:28,720

show us that hey maybe marshall summers

355

00:13:31,990 --> 00:13:29,760

is right

356

00:13:34,790 --> 00:13:32,000

or maybe marshall summers summers is

357

00:13:37,030 --> 00:13:34,800

wrong but we don't have that

358

00:13:38,550 --> 00:13:37,040

does lou have access to any of that

359

00:13:39,750 --> 00:13:38,560

i don't know

360

00:13:41,350 --> 00:13:39,760

you know i'm talking about information

361

00:13:43,750 --> 00:13:41,360

that would tell us intent and how many

362

00:13:46,470 --> 00:13:43,760

groups are here lou may have some of

363

00:13:47,750 --> 00:13:46,480

that information

364

00:13:49,590 --> 00:13:47,760

and

365

00:13:51,990 --> 00:13:49,600

marshall continues he thinks the allies

366

00:13:54,389 --> 00:13:52,000

of manatee briefings are

367

00:13:55,990 --> 00:13:54,399

a form of disclosure

368

00:13:56,870 --> 00:13:56,000

you know it's basically what you need to

369

00:13:59,350 --> 00:13:56,880

know

370

00:14:00,389 --> 00:13:59,360

about who is in your world why they're

371

00:14:01,750 --> 00:14:00,399

here

372

00:14:03,990 --> 00:14:01,760

what they're doing and what their

373

00:14:05,110 --> 00:14:04,000

ultimate game plan is

374

00:14:07,030 --> 00:14:05,120

and that's what comes through in the

375

00:14:08,470 --> 00:14:07,040

briefings which i have not read i have

376

00:14:09,990 --> 00:14:08,480

read some of them and i've listened to

377

00:14:11,269 --> 00:14:10,000

some of his interviews

378

00:14:13,269 --> 00:14:11,279

he goes and here's what you need to know

379

00:14:15,590 --> 00:14:13,279

about your local universe that gives

380

00:14:17,430 --> 00:14:15,600

rise to this intervention

381

00:14:18,710 --> 00:14:17,440

and what supports it and what's what

382

00:14:21,030 --> 00:14:18,720

limits it

383

00:14:22,790 --> 00:14:21,040

what dictates what it is able to do and

384

00:14:24,949 --> 00:14:22,800

not able to do in the realm of greater

385

00:14:26,710 --> 00:14:24,959

things that we have no information about

386

00:14:28,550 --> 00:14:26,720

so

387

00:14:30,310 --> 00:14:28,560

if all we have to go on is physical

388

00:14:31,990 --> 00:14:30,320

evidence on the ground or sightings in

389

00:14:33,430 --> 00:14:32,000

our sky i think we only have a very

390

00:14:36,230 --> 00:14:33,440

small piece

391

00:14:37,990 --> 00:14:36,240

of the puzzle maybe 40 percent

392

00:14:39,269 --> 00:14:38,000

so we can answer the first question but

393

00:14:40,230 --> 00:14:39,279

beyond that

394

00:14:41,910 --> 00:14:40,240

you know

395

00:14:43,590 --> 00:14:41,920

why is it happening

396

00:14:45,509 --> 00:14:43,600

why does it you know what does it mean

397

00:14:47,430 --> 00:14:45,519

how do we prepare

398

00:14:49,430 --> 00:14:47,440

well

399

00:14:50,710 --> 00:14:49,440

we don't know you know we go to the gov

400

00:14:53,350 --> 00:14:50,720

we go to the government for answers and

401  
00:14:56,310 --> 00:14:53,360  
they don't give us any answers

402  
00:14:58,389 --> 00:14:56,320  
and then shane uh

403  
00:15:01,030 --> 00:14:58,399  
danny sheehan says

404  
00:15:03,269 --> 00:15:01,040  
let's try to be clear marshall who is it

405  
00:15:06,389 --> 00:15:03,279  
that you understand

406  
00:15:08,230 --> 00:15:06,399  
is communicating this

407  
00:15:10,949 --> 00:15:08,240  
let me try again let's be let's try to

408  
00:15:12,470 --> 00:15:10,959  
be clear marshall who is it

409  
00:15:15,030 --> 00:15:12,480  
that you understand

410  
00:15:16,870 --> 00:15:15,040  
is communicating this information to you

411  
00:15:18,389 --> 00:15:16,880  
telepathically

412  
00:15:20,710 --> 00:15:18,399  
who is that group

413  
00:15:22,949 --> 00:15:20,720

what is that about

414

00:15:25,110 --> 00:15:22,959  
and someone says well

415

00:15:27,430 --> 00:15:25,120  
they claim to be a group of

416

00:15:29,749 --> 00:15:27,440  
seven individuals from

417

00:15:31,509 --> 00:15:29,759  
seven worlds who have been observing the

418

00:15:35,990 --> 00:15:31,519  
alien intervention

419

00:15:41,030 --> 00:15:38,629  
and these beings can report

420

00:15:44,069 --> 00:15:41,040  
on the activities of these other beings

421

00:15:44,870 --> 00:15:44,079  
who are here so the allies are reporting

422

00:15:47,910 --> 00:15:44,880  
on

423

00:15:49,829 --> 00:15:47,920  
the alleged group or groups of ets that

424

00:15:51,030 --> 00:15:49,839  
are on our planet

425

00:15:53,350 --> 00:15:51,040  
and basically

426  
00:15:55,269 --> 00:15:53,360  
milking it for all it's worth using its

427  
00:15:57,189 --> 00:15:55,279  
resources and we are one of the

428  
00:15:58,790 --> 00:15:57,199  
resources according to this channeling

429  
00:16:01,350 --> 00:15:58,800  
and the allies are

430  
00:16:03,189 --> 00:16:01,360  
telling us what's going on you know

431  
00:16:06,150 --> 00:16:03,199  
telling us what the bad guys are doing

432  
00:16:09,110 --> 00:16:06,160  
and not necessarily bad guys as an evil

433  
00:16:11,670 --> 00:16:09,120  
but the ones who are here with selfish

434  
00:16:13,509 --> 00:16:11,680  
for selfish reasons

435  
00:16:16,470 --> 00:16:13,519  
and so they can

436  
00:16:17,910 --> 00:16:16,480  
tell us what's going on because

437  
00:16:20,069 --> 00:16:17,920  
the groups that are here it's an

438  
00:16:21,590 --> 00:16:20,079

expeditionary force this is not a big

439

00:16:24,069 --> 00:16:21,600

military force

440

00:16:26,150 --> 00:16:24,079

and it appears after 70 years of being

441

00:16:28,230 --> 00:16:26,160

here they're laying the foundation for

442

00:16:29,829 --> 00:16:28,240

something else to come and they're doing

443

00:16:32,069 --> 00:16:29,839

many other things that i mentioned in my

444

00:16:33,990 --> 00:16:32,079

talk this morning

445

00:16:35,509 --> 00:16:34,000

i will i will transcribe his talk too

446

00:16:37,829 --> 00:16:35,519

when i get it i don't have access to any

447

00:16:40,629 --> 00:16:37,839

other lectures right now

448

00:16:43,910 --> 00:16:42,470

i had to sit with this for a couple of

449

00:16:45,749 --> 00:16:43,920

years he says

450

00:16:47,350 --> 00:16:45,759

really before i even knew what to do

451  
00:16:49,829 --> 00:16:47,360  
with it because

452  
00:16:51,350 --> 00:16:49,839  
i can't prove to you my source is real

453  
00:16:53,910 --> 00:16:51,360  
or authentic

454  
00:16:56,230 --> 00:16:53,920  
i can't prove to you it's authenticity

455  
00:16:58,949 --> 00:16:56,240  
it's only the only the quality of the

456  
00:17:01,829 --> 00:16:58,959  
message itself and its coherence

457  
00:17:04,390 --> 00:17:01,839  
with what is observable on the ground

458  
00:17:07,029 --> 00:17:04,400  
and my own sense of i think i think this

459  
00:17:08,789 --> 00:17:07,039  
rings true to me but i don't know why

460  
00:17:10,630 --> 00:17:08,799  
i'm not in a position to say what is

461  
00:17:13,110 --> 00:17:10,640  
true about life in the universe and what

462  
00:17:15,990 --> 00:17:13,120  
is not but this is a message that i'm

463  
00:17:18,549 --> 00:17:16,000

tasked to take out of to take out to the

464

00:17:20,630 --> 00:17:18,559

world to translate into many languages

465

00:17:22,390 --> 00:17:20,640

so people have an opportunity from a

466

00:17:24,870 --> 00:17:22,400

citizen standpoint you know this is kind

467

00:17:26,470 --> 00:17:24,880

of a citizen's initiative if you will to

468

00:17:28,870 --> 00:17:26,480

look at this from a certain level of

469

00:17:31,350 --> 00:17:28,880

practicality and feasibility based upon

470

00:17:34,630 --> 00:17:31,360

what we know from what we have learned

471

00:17:36,870 --> 00:17:34,640

here from life on earth

472

00:17:39,029 --> 00:17:36,880

and he takes a break and danny sheen

473

00:17:41,110 --> 00:17:39,039

jumps in and says

474

00:17:44,870 --> 00:17:41,120

as lou pointed out

475

00:17:45,669 --> 00:17:44,880

legitimately and ralph has two

476

00:17:46,630 --> 00:17:45,679

and

477

00:17:48,150 --> 00:17:46,640

i do

478

00:17:50,070 --> 00:17:48,160

as an attorney

479

00:17:52,230 --> 00:17:50,080

we need to know more about the source of

480

00:17:53,590 --> 00:17:52,240

this information in order to evaluate

481

00:17:54,789 --> 00:17:53,600

the credibility

482

00:17:57,750 --> 00:17:54,799

you know

483

00:18:01,590 --> 00:17:57,760

setting aside uh with adam which we'll

484

00:18:03,750 --> 00:18:01,600

address in a second you know

485

00:18:05,909 --> 00:18:03,760

the claim that you're receiving this

486

00:18:07,669 --> 00:18:05,919

information telepathically will address

487

00:18:09,350 --> 00:18:07,679

that separately

488

00:18:11,110 --> 00:18:09,360

but the nature of the source of the

489

00:18:13,270 --> 00:18:11,120  
information you say are seven

490

00:18:16,150 --> 00:18:13,280  
individuals from different planets

491

00:18:19,669 --> 00:18:16,160  
different star systems in our galaxy are

492

00:18:22,789 --> 00:18:19,679  
they from our galaxy you think

493

00:18:26,390 --> 00:18:22,799  
and marshall summer says

494

00:18:30,630 --> 00:18:28,070  
let me share some other information that

495

00:18:33,350 --> 00:18:30,640  
i think bespeaks their intent

496

00:18:34,950 --> 00:18:33,360  
as being neutral observers he's talking

497

00:18:37,029 --> 00:18:34,960  
about the allies

498

00:18:38,870 --> 00:18:37,039  
one of the things and i'll say

499

00:18:41,029 --> 00:18:38,880  
the allies are the ones helping us and

500

00:18:42,549 --> 00:18:41,039  
the intervention folks are the ones who

501  
00:18:44,710 --> 00:18:42,559  
are

502  
00:18:47,669 --> 00:18:44,720  
pillaging the earth you know taking all

503  
00:18:49,750 --> 00:18:47,679  
that they can get

504  
00:18:51,909 --> 00:18:49,760  
one of the things the allies say at the

505  
00:18:53,669 --> 00:18:51,919  
beginning is no one should be visiting

506  
00:18:55,909 --> 00:18:53,679  
your world for any reason because

507  
00:18:58,070 --> 00:18:55,919  
humanity is not ready for contact it

508  
00:19:00,470 --> 00:18:58,080  
doesn't have human unity

509  
00:19:02,870 --> 00:19:00,480  
species maturity or any kind of

510  
00:19:05,430 --> 00:19:02,880  
preparedness for this event to happen so

511  
00:19:09,510 --> 00:19:05,440  
all i can say and

512  
00:19:12,470 --> 00:19:09,520  
species maturity come on

513  
00:19:13,990 --> 00:19:12,480

kim kardashian has 70 million

514

00:19:17,510 --> 00:19:14,000  
followers

515

00:19:20,470 --> 00:19:17,520  
luel alzando has i don't know

516

00:19:22,390 --> 00:19:20,480  
10 000 maybe yeah yeah no big deal you

517

00:19:24,630 --> 00:19:22,400  
know we have our priorities on this

518

00:19:26,950 --> 00:19:24,640  
planet aren't screwed up at all

519

00:19:28,549 --> 00:19:26,960  
uh and as far as imagine some race

520

00:19:31,590 --> 00:19:28,559  
coming down and saying

521

00:19:33,750 --> 00:19:31,600  
okay who represents your planet

522

00:19:36,310 --> 00:19:33,760  
we have no representative we have you

523

00:19:40,470 --> 00:19:36,320  
know we battle we have adversaries so

524

00:19:43,750 --> 00:19:41,750  
you know another thing i'm not sure if

525

00:19:46,150 --> 00:19:43,760  
he mentions that in this lecture i don't

526

00:19:47,669 --> 00:19:46,160

know if he mentions it he mentions it in

527

00:19:49,669 --> 00:19:47,679

other lectures

528

00:19:52,950 --> 00:19:49,679

um he says that

529

00:19:54,150 --> 00:19:52,960

there were there were positive groups

530

00:19:56,310 --> 00:19:54,160

who had

531

00:19:58,230 --> 00:19:56,320

good intentions for humanity they were

532

00:19:59,830 --> 00:19:58,240

here but then they pulled out

533

00:20:02,470 --> 00:19:59,840

um and left

534

00:20:03,750 --> 00:20:02,480

so it would become clear that whoever is

535

00:20:05,669 --> 00:20:03,760

left

536

00:20:08,149 --> 00:20:05,679

they do not have our best interests in

537

00:20:09,270 --> 00:20:08,159

heart otherwise at heart otherwise

538

00:20:11,029 --> 00:20:09,280

if it was different groups with

539

00:20:12,230 --> 00:20:11,039

different intentions like positive and

540

00:20:13,830 --> 00:20:12,240

negative

541

00:20:15,430 --> 00:20:13,840

you would have no idea who is who you

542

00:20:17,510 --> 00:20:15,440

know we don't know we're humans how the

543

00:20:20,470 --> 00:20:17,520

hell am i supposed to tell that craft is

544

00:20:21,990 --> 00:20:20,480

a good guy that craft is you know

545

00:20:23,669 --> 00:20:22,000

sucking resources from the earth and

546

00:20:26,390 --> 00:20:23,679

really doesn't give a crap about humans

547

00:20:28,470 --> 00:20:26,400

so according to the message the claim

548

00:20:30,549 --> 00:20:28,480

the good guys left and so now it's

549

00:20:31,510 --> 00:20:30,559

pretty easy to discern whoever's left

550

00:20:32,950 --> 00:20:31,520

here

551  
00:20:36,310 --> 00:20:32,960  
they don't have our best interests that

552  
00:20:40,310 --> 00:20:38,070  
so

553  
00:20:42,070 --> 00:20:40,320  
they say no one and this is the allies

554  
00:20:44,149 --> 00:20:42,080  
no one should be visiting your world for

555  
00:20:46,549 --> 00:20:44,159  
any reason because humanity's not ready

556  
00:20:48,870 --> 00:20:46,559  
we're not mature we don't have a leader

557  
00:20:50,870 --> 00:20:48,880  
we're not united

558  
00:20:54,149 --> 00:20:50,880  
and then danny gets on his case a little

559  
00:20:58,149 --> 00:20:56,070  
that's telling us more about what it is

560  
00:20:59,909 --> 00:20:58,159  
they're saying what i'm trying to do is

561  
00:21:01,669 --> 00:20:59,919  
i'm trying to put myself in loose shoes

562  
00:21:02,630 --> 00:21:01,679  
and ralph's shoes and my shoes as an

563  
00:21:04,310 --> 00:21:02,640

attorney

564

00:21:05,909 --> 00:21:04,320

and saying

565

00:21:08,390 --> 00:21:05,919

quote the source that you're talking

566

00:21:10,630 --> 00:21:08,400

about what have they told you about who

567

00:21:12,870 --> 00:21:10,640

they are and what their reason is for

568

00:21:15,029 --> 00:21:12,880

knowing this information that's how you

569

00:21:17,430 --> 00:21:15,039

explore the credibility of a source even

570

00:21:19,510 --> 00:21:17,440

if they're an unnamed source or a

571

00:21:21,270 --> 00:21:19,520

potential source that wants to maintain

572

00:21:22,870 --> 00:21:21,280

anonymity

573

00:21:24,789 --> 00:21:22,880

i did the case that went to the supreme

574

00:21:27,029 --> 00:21:24,799

court to protect i ident the identity of

575

00:21:29,510 --> 00:21:27,039

confidential news sources and he laughs

576

00:21:32,070 --> 00:21:29,520

he goes so i'm respectful of that but i

577

00:21:34,310 --> 00:21:32,080

need to know who they are and what what

578

00:21:36,549 --> 00:21:34,320

is the means by which they profess to

579

00:21:39,669 --> 00:21:36,559

have access to knowing this information

580

00:21:41,830 --> 00:21:39,679

if you can share with that with us

581

00:21:44,549 --> 00:21:41,840

and marshall says

582

00:21:47,350 --> 00:21:44,559

their story

583

00:21:49,270 --> 00:21:47,360

and they don't tell their their identity

584

00:21:51,350 --> 00:21:49,280

and where they're from because

585

00:21:54,149 --> 00:21:51,360

they're acting as spies basically they

586

00:21:55,830 --> 00:21:54,159

come from planets where

587

00:21:58,390 --> 00:21:55,840

they're not even representing their

588

00:22:00,070 --> 00:21:58,400

planets their

589

00:22:01,990 --> 00:22:00,080

they're on some kind of

590

00:22:04,390 --> 00:22:02,000

greater

591

00:22:06,549 --> 00:22:04,400

spiritual mission because

592

00:22:08,789 --> 00:22:06,559

their planets represent free societies

593

00:22:10,470 --> 00:22:08,799

in a universe of large technological

594

00:22:12,870 --> 00:22:10,480

societies where freedom is either

595

00:22:14,230 --> 00:22:12,880

unknown or repressed so it's a little

596

00:22:16,470 --> 00:22:14,240

confusing that to me to me that's a

597

00:22:18,789 --> 00:22:16,480

little confusing so are they not part of

598

00:22:20,310 --> 00:22:18,799

their planets anymore are they just

599

00:22:21,830 --> 00:22:20,320

you know are they part of whatever

600

00:22:24,149 --> 00:22:21,840

planets they are and they're just acting

601  
00:22:25,669 --> 00:22:24,159  
as rogue helpers for us

602  
00:22:28,230 --> 00:22:25,679  
you know i would love a follow up with

603  
00:22:30,230 --> 00:22:28,240  
him in the future

604  
00:22:33,110 --> 00:22:30,240  
and danny asks danny says are they all

605  
00:22:35,270 --> 00:22:33,120  
in our galaxy and marshall says yes

606  
00:22:36,310 --> 00:22:35,280  
this is our local space this is local

607  
00:22:38,230 --> 00:22:36,320  
space

608  
00:22:39,990 --> 00:22:38,240  
so i'm telling you the story they tell

609  
00:22:41,990 --> 00:22:40,000  
me okay

610  
00:22:44,230 --> 00:22:42,000  
and that they underwent the kind of

611  
00:22:46,710 --> 00:22:44,240  
intervention in their history that we're

612  
00:22:48,549 --> 00:22:46,720  
undergoing now and they were able to

613  
00:22:51,510 --> 00:22:48,559

ward off that intervention through

614

00:22:53,669 --> 00:22:51,520

various means sometimes violently

615

00:22:56,070 --> 00:22:53,679

and that is why they have asked been

616

00:22:57,669 --> 00:22:56,080

asked to come and give us their wisdom

617

00:22:59,830 --> 00:22:57,679

about this because we have no idea

618

00:23:01,830 --> 00:22:59,840

what's going on beyond our borders and

619

00:23:03,270 --> 00:23:01,840

we're very limited in how we can fill

620

00:23:05,350 --> 00:23:03,280

out this picture

621

00:23:06,830 --> 00:23:05,360

he says they were asked to come i don't

622

00:23:10,230 --> 00:23:06,840

know who asked them

623

00:23:11,990 --> 00:23:10,240

so was there a grand poobah of allies

624

00:23:14,070 --> 00:23:12,000

you know was there a boss man that we

625

00:23:15,190 --> 00:23:14,080

don't know about that's probably in the

626  
00:23:19,590 --> 00:23:15,200  
books

627  
00:23:21,350 --> 00:23:19,600  
and they're free online i mean you could

628  
00:23:22,789 --> 00:23:21,360  
buy the physical book if you want but

629  
00:23:24,470 --> 00:23:22,799  
all the information from the four books

630  
00:23:27,750 --> 00:23:24,480  
is available online

631  
00:23:29,909 --> 00:23:27,760  
the allies of humanity.org

632  
00:23:30,710 --> 00:23:29,919  
for free

633  
00:23:32,710 --> 00:23:30,720  
so

634  
00:23:38,630 --> 00:23:32,720  
marshall says the allies they're giving

635  
00:23:41,269 --> 00:23:39,909  
they're giving us the picture and that

636  
00:23:42,230 --> 00:23:41,279  
is what they're

637  
00:23:46,470 --> 00:23:42,240  
there

638  
00:23:50,070 --> 00:23:48,390

they've never visited our world they

639

00:23:51,750 --> 00:23:50,080

have no plans on establishing

640

00:23:54,310 --> 00:23:51,760

relationships with us because they say

641

00:23:57,430 --> 00:23:54,320

we're far too immature to engage in

642

00:23:59,830 --> 00:23:57,440

contact successfully and that no race

643

00:24:01,909 --> 00:23:59,840

who would ever be an ally of humanity

644

00:24:02,830 --> 00:24:01,919

would try to do what is occurring in the

645

00:24:05,510 --> 00:24:02,840

world

646

00:24:07,510 --> 00:24:05,520

today and then danny asks if they're

647

00:24:09,590 --> 00:24:07,520

capable of interstellar space travel and

648

00:24:11,669 --> 00:24:09,600

he says well if they come from different

649

00:24:13,909 --> 00:24:11,679

planets i would assume so you know i

650

00:24:15,510 --> 00:24:13,919

mean they actually say that space travel

651  
00:24:18,470 --> 00:24:15,520  
has been around even before human

652  
00:24:20,950 --> 00:24:18,480  
civilization far before so we're way

653  
00:24:23,590 --> 00:24:20,960  
behind that curve and so we should never

654  
00:24:24,630 --> 00:24:23,600  
try to ascertain the limits of human and

655  
00:24:28,870 --> 00:24:24,640  
then

656  
00:24:32,470 --> 00:24:30,230  
marshall

657  
00:24:35,110 --> 00:24:32,480  
this is all very interesting but in

658  
00:24:36,950 --> 00:24:35,120  
order to keep this discussion on track

659  
00:24:39,190 --> 00:24:36,960  
i think we've got to figure out ways to

660  
00:24:41,430 --> 00:24:39,200  
establish the independent authority of

661  
00:24:42,710 --> 00:24:41,440  
information and how to get it out to the

662  
00:24:43,750 --> 00:24:42,720  
public

663  
00:24:47,190 --> 00:24:43,760

so while

664

00:24:49,430 --> 00:24:47,200

john mack marshall dealt with a dealt

665

00:24:52,470 --> 00:24:49,440

with a lot of anecdotal accounts like

666

00:24:54,230 --> 00:24:52,480

yours and they were very compelling as

667

00:24:56,390 --> 00:24:54,240

is yours

668

00:24:58,549 --> 00:24:56,400

he also realized that unless there was

669

00:25:01,190 --> 00:24:58,559

some way of verifying these accounts or

670

00:25:03,750 --> 00:25:01,200

making or checking them or testing them

671

00:25:05,990 --> 00:25:03,760

they remain anecdotal and anecdotal

672

00:25:07,909 --> 00:25:06,000

evidence as danny knows is acceptable in

673

00:25:10,070 --> 00:25:07,919

court

674

00:25:11,830 --> 00:25:10,080

people get convicted with it

675

00:25:13,269 --> 00:25:11,840

it's

676  
00:25:15,669 --> 00:25:13,279  
but in the end

677  
00:25:17,430 --> 00:25:15,679  
this discussion seems to require some

678  
00:25:19,750 --> 00:25:17,440  
other element of corroboration and

679  
00:25:23,669 --> 00:25:19,760  
verification and how people who don't

680  
00:25:26,230 --> 00:25:23,679  
necessarily believe or are or who are

681  
00:25:28,549 --> 00:25:26,240  
skeptical can be led to understand the

682  
00:25:30,230 --> 00:25:28,559  
realities the complexity

683  
00:25:32,149 --> 00:25:30,240  
so let's figure out

684  
00:25:34,549 --> 00:25:32,159  
for example hearing your story marshall

685  
00:25:35,269 --> 00:25:34,559  
i would say one interesting thing would

686  
00:25:37,990 --> 00:25:35,279  
be

687  
00:25:39,830 --> 00:25:38,000  
to study the physics or the mechanics of

688  
00:25:41,510 --> 00:25:39,840

these communications you know what

689

00:25:42,870 --> 00:25:41,520

changes are going on in your brain as

690

00:25:44,870 --> 00:25:42,880

this is happening

691

00:25:47,590 --> 00:25:44,880

you know these are things that are

692

00:25:50,470 --> 00:25:47,600

amenable to scientific study

693

00:25:52,149 --> 00:25:50,480

and that would conceivably or could

694

00:25:53,909 --> 00:25:52,159

result in some cooperation some

695

00:25:57,669 --> 00:25:53,919

understanding of what process is

696

00:25:59,269 --> 00:25:57,679

involved otherwise it's just anecdotal

697

00:26:01,110 --> 00:25:59,279

you know this happened to me and there's

698

00:26:03,269 --> 00:26:01,120

no way to check it and it didn't happen

699

00:26:04,789 --> 00:26:03,279

to you it just happened to me and that's

700

00:26:06,630 --> 00:26:04,799

the end of the story

701  
00:26:08,710 --> 00:26:06,640  
so to get beyond that we've got to

702  
00:26:10,310 --> 00:26:08,720  
figure out a way to figure out a way

703  
00:26:12,549 --> 00:26:10,320  
you know we found out like we found out

704  
00:26:14,470 --> 00:26:12,559  
with uap they were caught on radar and

705  
00:26:17,510 --> 00:26:14,480  
thermal imaging devices and clear

706  
00:26:19,590 --> 00:26:17,520  
cameras so now we know they exist so

707  
00:26:21,909 --> 00:26:19,600  
it's not an anecdotal story anymore at

708  
00:26:26,950 --> 00:26:24,870  
and danny changes pace a little bit and

709  
00:26:28,470 --> 00:26:26,960  
goes to

710  
00:26:30,950 --> 00:26:28,480  
he says

711  
00:26:32,630 --> 00:26:30,960  
let's go to adam adam without putting

712  
00:26:34,310 --> 00:26:32,640  
you on the spot

713  
00:26:35,750 --> 00:26:34,320

and marshall you can see what i'm trying

714

00:26:38,070 --> 00:26:35,760

to do i'm trying to bring the tools we

715

00:26:39,830 --> 00:26:38,080

have as journalists and as professional

716

00:26:41,190 --> 00:26:39,840

investigators like lou and security

717

00:26:42,870 --> 00:26:41,200

people you know to bring in some

718

00:26:45,269 --> 00:26:42,880

additional type of potential insight

719

00:26:47,110 --> 00:26:45,279

into this adam what can you share with

720

00:26:49,430 --> 00:26:47,120

us about the areas that you studied at

721

00:26:51,350 --> 00:26:49,440

princeton that can help shed some light

722

00:26:52,710 --> 00:26:51,360

on the very question that ralph asked

723

00:26:55,669 --> 00:26:52,720

has asked

724

00:26:58,310 --> 00:26:55,679

what is the mechanism by means of which

725

00:26:59,909 --> 00:26:58,320

this may have happened and he means by

726  
00:27:01,510 --> 00:26:59,919  
this he means

727  
00:27:03,269 --> 00:27:01,520  
information

728  
00:27:04,470 --> 00:27:03,279  
telepathically

729  
00:27:06,710 --> 00:27:04,480  
channeled

730  
00:27:09,110 --> 00:27:06,720  
to marshall and he received it so how

731  
00:27:10,870 --> 00:27:09,120  
would that even work

732  
00:27:14,149 --> 00:27:10,880  
what is the mechanism and then we

733  
00:27:17,430 --> 00:27:14,159  
finally get to adam curry who worked at

734  
00:27:18,630 --> 00:27:17,440  
the princeton lab as a kid

735  
00:27:20,470 --> 00:27:18,640  
or at least he was there i don't think

736  
00:27:22,549 --> 00:27:20,480  
he worked there

737  
00:27:24,470 --> 00:27:22,559  
adam says the requirement for something

738  
00:27:26,870 --> 00:27:24,480

like empirical evidence behind the

739

00:27:28,630 --> 00:27:26,880

anecdotes is very important

740

00:27:30,470 --> 00:27:28,640

uh of those issues that were grappled

741

00:27:31,590 --> 00:27:30,480

with by the laboratories of which i was

742

00:27:33,430 --> 00:27:31,600

apart

743

00:27:35,830 --> 00:27:33,440

i was fortunate as a teenager to have

744

00:27:38,710 --> 00:27:35,840

mentors of robert john who was the dean

745

00:27:42,789 --> 00:27:40,230

dean of the engineering school at

746

00:27:45,510 --> 00:27:42,799

princeton and founded the pear lab which

747

00:27:47,510 --> 00:27:45,520

is a consciousness research organization

748

00:27:49,510 --> 00:27:47,520

and edgar mitchell who was the apollo

749

00:27:51,350 --> 00:27:49,520

astronaut who founded the institute of

750

00:27:53,190 --> 00:27:51,360

noetic scientists

751  
00:27:55,510 --> 00:27:53,200  
both of those men had reached the height

752  
00:27:57,990 --> 00:27:55,520  
of their technical career very early in

753  
00:28:00,070 --> 00:27:58,000  
life actually in their 40s and both of

754  
00:28:02,230 --> 00:28:00,080  
them from this vantage had come to see

755  
00:28:04,789 --> 00:28:02,240  
that something was missing each of them

756  
00:28:07,190 --> 00:28:04,799  
had also had a transformative experience

757  
00:28:09,590 --> 00:28:07,200  
that compelled them to investigate ways

758  
00:28:10,950 --> 00:28:09,600  
in which we can scientifically verify

759  
00:28:15,510 --> 00:28:10,960  
anecdotes

760  
00:28:17,590 --> 00:28:15,520  
such as what mr summers is discussing

761  
00:28:19,430 --> 00:28:17,600  
in the case of bob john he created a

762  
00:28:21,669 --> 00:28:19,440  
laboratory to look at the ability of

763  
00:28:23,590 --> 00:28:21,679

consciousness to do things outside the

764

00:28:25,830 --> 00:28:23,600

body

765

00:28:27,590 --> 00:28:25,840

so famously he was involved in the early

766

00:28:29,830 --> 00:28:27,600

remote viewing research with hal put off

767

00:28:32,389 --> 00:28:29,840

and russell targ and those guys but he's

768

00:28:35,190 --> 00:28:32,399

perhaps best known for the work

769

00:28:37,190 --> 00:28:35,200

with the random number generators

770

00:28:39,590 --> 00:28:37,200

so it's basically a physical system

771

00:28:42,950 --> 00:28:39,600

physical equipment that converts

772

00:28:44,389 --> 00:28:42,960

fundamentally random physical processes

773

00:28:48,230 --> 00:28:44,399

processes

774

00:28:50,230 --> 00:28:48,240

zeros

775

00:28:51,029 --> 00:28:50,240

so for example you could think of it

776

00:28:53,669 --> 00:28:51,039

like

777

00:28:56,549 --> 00:28:53,679

a coin flipper it's flipping ones and

778

00:28:59,110 --> 00:28:56,559

zeros in a long string you can ask

779

00:29:00,950 --> 00:28:59,120

somebody using their attention to

780

00:29:03,110 --> 00:29:00,960

attempt to nudge the outcome of the

781

00:29:06,070 --> 00:29:03,120

random number generator more towards

782

00:29:07,909 --> 00:29:06,080

ones or more more towards zeros

783

00:29:10,470 --> 00:29:07,919

whatever the person is choosing

784

00:29:12,149 --> 00:29:10,480

and it behaves that way

785

00:29:14,070 --> 00:29:12,159

there's an easily measurable

786

00:29:16,310 --> 00:29:14,080

statistically significant outcome in

787

00:29:18,310 --> 00:29:16,320

most cases that corresponds to the

788

00:29:20,870 --> 00:29:18,320

direction of the intention

789

00:29:22,870 --> 00:29:20,880

so that suggests that consciousness is

790

00:29:24,789 --> 00:29:22,880

more than just an illusion of the brain

791

00:29:26,950 --> 00:29:24,799

but that it is somehow connected to the

792

00:29:28,789 --> 00:29:26,960

fabric of physical reality through space

793

00:29:31,110 --> 00:29:28,799

and time in ways which we're still

794

00:29:33,269 --> 00:29:31,120

trying to understand edgar mitchell was

795

00:29:34,870 --> 00:29:33,279

involved in a lots and a lot of similar

796

00:29:37,669 --> 00:29:34,880

work through the institute of neurotic

797

00:29:39,590 --> 00:29:37,679

scientists and dean raiden continues to

798

00:29:41,909 --> 00:29:39,600

explore telepathy clairvoyance the

799

00:29:43,909 --> 00:29:41,919

ability of humans in this case to

800

00:29:45,830 --> 00:29:43,919

communicate ideas

801  
00:29:47,510 --> 00:29:45,840  
um so just back back to the random

802  
00:29:50,310 --> 00:29:47,520  
number generator

803  
00:29:53,269 --> 00:29:50,320  
basically yeah it flips a coin

804  
00:29:56,870 --> 00:29:53,279  
and you would expect it to come out 50

805  
00:29:58,470 --> 00:29:56,880  
heads 50 tails you know it's not saying

806  
00:30:00,789 --> 00:29:58,480  
it's using ones and zeros but you know

807  
00:30:03,029 --> 00:30:00,799  
it's the same thing one or zero versus

808  
00:30:05,110 --> 00:30:03,039  
heads or tails same thing you would

809  
00:30:07,750 --> 00:30:05,120  
expect fifty percent ones

810  
00:30:10,470 --> 00:30:07,760  
fifty percent zeros but then you tell

811  
00:30:12,549 --> 00:30:10,480  
the person in the room or wherever say i

812  
00:30:13,830 --> 00:30:12,559  
want you to focus on ones

813  
00:30:15,029 --> 00:30:13,840

and

814

00:30:18,710 --> 00:30:15,039

i just

815

00:30:23,590 --> 00:30:20,549

statistically

816

00:30:25,110 --> 00:30:23,600

what's the word basically

817

00:30:26,389 --> 00:30:25,120

statistic all right statistically

818

00:30:27,750 --> 00:30:26,399

significant

819

00:30:29,590 --> 00:30:27,760

outcome

820

00:30:31,830 --> 00:30:29,600

occurs where it happens there are more

821

00:30:34,950 --> 00:30:31,840

ones than zeros more heads than tails it

822

00:30:37,029 --> 00:30:34,960

should be 50 50 but these studies

823

00:30:39,110 --> 00:30:37,039

i don't know if it's 52 53 you know it

824

00:30:41,029 --> 00:30:39,120

depends on how many trials you do if you

825

00:30:45,590 --> 00:30:41,039

do a million trials you know and it

826

00:30:48,070 --> 00:30:45,600

comes out 53 heads 50 you know 47 tails

827

00:30:49,990 --> 00:30:48,080

that would be statistically significant

828

00:30:52,149 --> 00:30:50,000

i mean if you only get 10 trials you

829

00:30:54,549 --> 00:30:52,159

know and it was seven heads and three

830

00:30:56,710 --> 00:30:54,559

tails yeah big deal that's only 10

831

00:30:58,149 --> 00:30:56,720

trials you try to get as many trials as

832

00:30:59,350 --> 00:30:58,159

possible

833

00:31:00,230 --> 00:30:59,360

i don't know how many trials have been

834

00:31:02,149 --> 00:31:00,240

done

835

00:31:04,389 --> 00:31:02,159

but it's been a lot they've been doing

836

00:31:05,750 --> 00:31:04,399

this for decades

837

00:31:08,470 --> 00:31:05,760

so

838

00:31:10,149 --> 00:31:08,480

adam says and basically yeah the human

839

00:31:12,870 --> 00:31:10,159

consciousness is supposedly affecting

840

00:31:15,430 --> 00:31:12,880

these random number generators also

841

00:31:18,470 --> 00:31:15,440

something called the princeton eggs

842

00:31:20,230 --> 00:31:18,480

same thing one or zero and some for some

843

00:31:22,149 --> 00:31:20,240

reason when

844

00:31:24,789 --> 00:31:22,159

a large portion of the globe is doing

845

00:31:27,990 --> 00:31:24,799

the same activity as example for example

846

00:31:30,230 --> 00:31:28,000

if they're watching the academy awards

847

00:31:32,710 --> 00:31:30,240

those random number generators become

848

00:31:34,789 --> 00:31:32,720

less random you know

849

00:31:37,990 --> 00:31:34,799

so it seems like group consciousness

850

00:31:39,830 --> 00:31:38,000

does does have an effect on

851  
00:31:43,990 --> 00:31:39,840  
the physical world

852  
00:31:45,430 --> 00:31:44,000  
and there also was a build up to 911 on

853  
00:31:47,509 --> 00:31:45,440  
those devices

854  
00:31:48,870 --> 00:31:47,519  
you could see that the group

855  
00:31:50,470 --> 00:31:48,880  
consciousness

856  
00:31:52,630 --> 00:31:50,480  
these things were random and then they

857  
00:31:55,029 --> 00:31:52,640  
started becoming not random and it built

858  
00:31:56,310 --> 00:31:55,039  
it built up to 911 to the to the first

859  
00:31:58,630 --> 00:31:56,320  
plane heading

860  
00:32:01,590 --> 00:31:58,640  
why that happened before you know we

861  
00:32:03,269 --> 00:32:01,600  
were anticipating as you know on a

862  
00:32:04,870 --> 00:32:03,279  
subconscious level something was about

863  
00:32:06,310 --> 00:32:04,880

to happen i don't know but you should

864

00:32:09,350 --> 00:32:06,320

definitely check that out i will try to

865

00:32:10,710 --> 00:32:09,360

link to that also um

866

00:32:12,470 --> 00:32:10,720

in the blog

867

00:32:14,070 --> 00:32:12,480

interesting you know

868

00:32:15,669 --> 00:32:14,080

but yeah it definitely appears that

869

00:32:17,909 --> 00:32:15,679

humans can affect

870

00:32:20,389 --> 00:32:17,919

physical objects random number

871

00:32:23,750 --> 00:32:20,399

generators with just their consciousness

872

00:32:28,230 --> 00:32:25,990

so adam continues the cumulative

873

00:32:30,310 --> 00:32:28,240

database of the princeton results over a

874

00:32:33,750 --> 00:32:30,320

couple of decades has odds against

875

00:32:34,630 --> 00:32:33,760

chance of 1 in 10 to the 12th

876

00:32:36,310 --> 00:32:34,640

and

877

00:32:38,389 --> 00:32:36,320

i'm not a statistician but that's i

878

00:32:41,029 --> 00:32:38,399

would think that's a very large number

879

00:32:43,669 --> 00:32:41,039

um and he says there was a recent meta

880

00:32:45,669 --> 00:32:43,679

study of a thousand and three

881

00:32:47,029 --> 00:32:45,679

peer-reviewed papers over a thousand

882

00:32:49,190 --> 00:32:47,039

just over a thousand peer-reviewed

883

00:32:50,630 --> 00:32:49,200

papers on psi phenomenon

884

00:32:52,710 --> 00:32:50,640

psi phenomena

885

00:32:54,389 --> 00:32:52,720

the abilities of humans to operate in

886

00:32:56,310 --> 00:32:54,399

these capacities

887

00:32:58,070 --> 00:32:56,320

and i have to get confirmation from him

888

00:33:00,070 --> 00:32:58,080

from him on these uh numbers because he

889

00:33:03,830 --> 00:33:00,080

says the odds against chance

890

00:33:06,630 --> 00:33:03,840

of which were 1 in 104 which doesn't

891

00:33:08,149 --> 00:33:06,640

seem that large uh but he says to put

892

00:33:09,830 --> 00:33:08,159

that in perspective

893

00:33:11,669 --> 00:33:09,840

science estimates that the number of

894

00:33:12,549 --> 00:33:11,679

atoms in the known universe is something

895

00:33:15,269 --> 00:33:12,559

like

896

00:33:16,149 --> 00:33:15,279

10 to the 84th

897

00:33:17,990 --> 00:33:16,159

and

898

00:33:20,630 --> 00:33:18,000

once again not a statistician that

899

00:33:22,549 --> 00:33:20,640

doesn't make sense to me but he says

900

00:33:25,669 --> 00:33:22,559

both the parallax and the noetic

901  
00:33:27,509 --> 00:33:25,679  
scientists noetic sciences lab

902  
00:33:29,630 --> 00:33:27,519  
both succeeded in showing that these

903  
00:33:32,549 --> 00:33:29,640  
types of abilities of consciousness

904  
00:33:34,950 --> 00:33:32,559  
psychokinesis telepathy

905  
00:33:36,870 --> 00:33:34,960  
these things are very real it succeeded

906  
00:33:41,669 --> 00:33:36,880  
in showing that through

907  
00:33:44,710 --> 00:33:42,630  
sorry

908  
00:33:47,590 --> 00:33:44,720  
it succeeded it succeeded in showing

909  
00:33:50,149 --> 00:33:47,600  
that through rigorous scientific means

910  
00:33:50,950 --> 00:33:50,159  
it wasn't easy easy to do that where

911  
00:33:53,909 --> 00:33:50,960  
where

912  
00:33:55,750 --> 00:33:53,919  
both of them were less successful

913  
00:33:57,350 --> 00:33:55,760

is in developing a framework for

914

00:34:00,070 --> 00:33:57,360

explaining them

915

00:34:02,789 --> 00:34:00,080

if it's real the question becomes

916

00:34:05,190 --> 00:34:02,799

what is the mechanism

917

00:34:07,350 --> 00:34:05,200

and they were less successful still

918

00:34:09,190 --> 00:34:07,360

in telling us what to do about it in

919

00:34:12,790 --> 00:34:09,200

other words all right what does this all

920

00:34:19,109 --> 00:34:12,800

mean for humanity what's the next step

921

00:34:24,149 --> 00:34:22,069

and then ralph jumps in and he says

922

00:34:25,430 --> 00:34:24,159

uh also

923

00:34:26,950 --> 00:34:25,440

you know they had to worry about

924

00:34:28,869 --> 00:34:26,960

duplicating it

925

00:34:31,589 --> 00:34:28,879

and adam says well

926  
00:34:33,349 --> 00:34:31,599  
these have been replicated

927  
00:34:35,430 --> 00:34:33,359  
remember the key to this these kind of

928  
00:34:37,990 --> 00:34:35,440  
experiments is replication get as many

929  
00:34:39,990 --> 00:34:38,000  
other labs and other

930  
00:34:41,990 --> 00:34:40,000  
scientists to have their own studies and

931  
00:34:44,389 --> 00:34:42,000  
replicate the same results

932  
00:34:46,310 --> 00:34:44,399  
adam says the issue of replication comes

933  
00:34:47,589 --> 00:34:46,320  
up inside research because people are

934  
00:34:49,270 --> 00:34:47,599  
people right

935  
00:34:51,190 --> 00:34:49,280  
they're not constants that you can hold

936  
00:34:53,430 --> 00:34:51,200  
the same each time

937  
00:34:55,669 --> 00:34:53,440  
so things like strict replicability in

938  
00:34:56,629 --> 00:34:55,679

these studies is a slippery slippery

939

00:34:59,990 --> 00:34:56,639

slope

940

00:35:03,750 --> 00:35:00,000

slippery concept but nonetheless you

941

00:35:06,150 --> 00:35:03,760

still have highly significant p-values

942

00:35:07,829 --> 00:35:06,160

and that represents you know

943

00:35:10,390 --> 00:35:07,839

how much it is

944

00:35:12,230 --> 00:35:10,400

statistically significant

945

00:35:15,190 --> 00:35:12,240

and i linked to p-value so you can read

946

00:35:19,589 --> 00:35:17,030

the information

947

00:35:21,750 --> 00:35:19,599

did not ultimately ultimately tell us

948

00:35:23,270 --> 00:35:21,760

much about how to deal with received

949

00:35:24,950 --> 00:35:23,280

information of the

950

00:35:27,910 --> 00:35:24,960

subjective side

951  
00:35:30,470 --> 00:35:27,920  
like mr summers experienced

952  
00:35:32,950 --> 00:35:30,480  
my experience is that the kinds of

953  
00:35:34,230 --> 00:35:32,960  
physical evidence that mr elizondo has

954  
00:35:36,230 --> 00:35:34,240  
brought to the table

955  
00:35:39,190 --> 00:35:36,240  
uh with the ufo footage

956  
00:35:40,950 --> 00:35:39,200  
cannot and should not at this time you

957  
00:35:42,630 --> 00:35:40,960  
know it's fundamental fundamentally

958  
00:35:44,470 --> 00:35:42,640  
different than the kinds of subjective

959  
00:35:46,150 --> 00:35:44,480  
anecdotes

960  
00:35:47,750 --> 00:35:46,160  
and he's comparing to he's comparing

961  
00:35:49,270 --> 00:35:47,760  
that to marshall summers it's so

962  
00:35:53,750 --> 00:35:49,280  
different he goes

963  
00:35:58,150 --> 00:35:56,069

this is information the uap videos that

964

00:36:00,310 --> 00:35:58,160

the whole world is watching you know

965

00:36:02,390 --> 00:36:00,320

that is meant to create an opening for

966

00:36:04,470 --> 00:36:02,400

understanding and accepting these

967

00:36:05,349 --> 00:36:04,480

phenomena on behalf of the general

968

00:36:07,190 --> 00:36:05,359

public

969

00:36:09,589 --> 00:36:07,200

that's very different than the type of

970

00:36:11,430 --> 00:36:09,599

information that mr summers is receiving

971

00:36:12,950 --> 00:36:11,440

but i believe that the research that i

972

00:36:15,430 --> 00:36:12,960

just discussed

973

00:36:17,750 --> 00:36:15,440

does tell us that we cannot dismiss

974

00:36:21,190 --> 00:36:17,760

these type of received information and

975

00:36:23,750 --> 00:36:21,200

subjective experiences on the basis

976  
00:36:25,270 --> 00:36:23,760  
of there being no physical mechanism in

977  
00:36:27,109 --> 00:36:25,280  
other words just because we can't figure

978  
00:36:28,390 --> 00:36:27,119  
out how it works doesn't mean it's not

979  
00:36:30,150 --> 00:36:28,400  
happening

980  
00:36:32,630 --> 00:36:30,160  
the evidence for this type of stuff

981  
00:36:35,270 --> 00:36:32,640  
existing is substantial the only reason

982  
00:36:38,829 --> 00:36:35,280  
it's paranormal is because the standard

983  
00:36:41,910 --> 00:36:38,839  
model of physics has yet to explain it

984  
00:36:45,109 --> 00:36:41,920  
yet and this is where lou jumps in and

985  
00:36:48,870 --> 00:36:45,119  
adds some of his insight

986  
00:36:51,190 --> 00:36:48,880  
and he says if i may adam real quick

987  
00:36:53,750 --> 00:36:51,200  
i think you're absolutely correct

988  
00:36:55,990 --> 00:36:53,760

i think as we mentioned before the

989

00:36:57,829 --> 00:36:56,000

difference between paranormal and normal

990

00:36:59,430 --> 00:36:57,839

is usually just time

991

00:37:00,870 --> 00:36:59,440

and that usually settles the argument

992

00:37:02,950 --> 00:37:00,880

real quick

993

00:37:05,270 --> 00:37:02,960

i think from my perspective you know i'm

994

00:37:06,790 --> 00:37:05,280

always very cautious you said a couple

995

00:37:09,030 --> 00:37:06,800

of things that i think are i'd like to

996

00:37:11,109 --> 00:37:09,040

reiterate if you don't mind

997

00:37:12,870 --> 00:37:11,119

but people who have transformative

998

00:37:15,030 --> 00:37:12,880

experiences

999

00:37:17,589 --> 00:37:15,040

history is full of examples where human

1000

00:37:19,510 --> 00:37:17,599

beings have had transformative or

1001  
00:37:21,349 --> 00:37:19,520  
extraordinary experiences and at the end

1002  
00:37:23,190 --> 00:37:21,359  
of the day it comes down to two things

1003  
00:37:26,150 --> 00:37:23,200  
and i would ask you

1004  
00:37:29,270 --> 00:37:26,160  
what is the difference between a vision

1005  
00:37:31,910 --> 00:37:29,280  
and the hallucination and from that

1006  
00:37:34,310 --> 00:37:31,920  
really comes interpretation one man's

1007  
00:37:38,150 --> 00:37:34,320  
vision is another man's hallucination

1008  
00:37:40,710 --> 00:37:38,160  
and so forth and i'm not at all saying

1009  
00:37:42,150 --> 00:37:40,720  
one is or one is not necessarily what's

1010  
00:37:44,550 --> 00:37:42,160  
happening here

1011  
00:37:47,109 --> 00:37:44,560  
meaning with marshall

1012  
00:37:48,710 --> 00:37:47,119  
i'm just being in general terms

1013  
00:37:51,109 --> 00:37:48,720

and you know there were studies in the

1014

00:37:53,109 --> 00:37:51,119

60s with psychedelic drug use

1015

00:37:55,670 --> 00:37:53,119

that caused physiological changes

1016

00:37:58,069 --> 00:37:55,680

biological changes in the brain

1017

00:38:00,069 --> 00:37:58,079

that open up receptors to be able to do

1018

00:38:01,990 --> 00:38:00,079

things in some cases you know people got

1019

00:38:03,829 --> 00:38:02,000

people did get hospitalized and it could

1020

00:38:05,750 --> 00:38:03,839

because they saw strange things and they

1021

00:38:08,390 --> 00:38:05,760

and they did strange things

1022

00:38:10,310 --> 00:38:08,400

but in other cases people swear

1023

00:38:11,829 --> 00:38:10,320

by the use of certain drugs that it

1024

00:38:13,829 --> 00:38:11,839

opens the mind

1025

00:38:14,870 --> 00:38:13,839

allows them to be more receptive and do

1026

00:38:17,109 --> 00:38:14,880

things

1027

00:38:20,710 --> 00:38:17,119

and there are there are some tests that

1028

00:38:23,510 --> 00:38:21,910

you know

1029

00:38:25,510 --> 00:38:23,520

this is still lou

1030

00:38:28,230 --> 00:38:25,520

we do see interesting things that the

1031

00:38:29,510 --> 00:38:28,240

human mind is able to do i mentioned

1032

00:38:31,430 --> 00:38:29,520

remote viewing

1033

00:38:32,870 --> 00:38:31,440

but there's been some other experiments

1034

00:38:35,349 --> 00:38:32,880

for example with metronome

1035

00:38:37,109 --> 00:38:35,359

synchronization you see random number

1036

00:38:38,150 --> 00:38:37,119

generators you know i'm very familiar

1037

00:38:40,230 --> 00:38:38,160

with that

1038

00:38:40,950 --> 00:38:40,240

and even to some degree one could argue

1039

00:38:43,030 --> 00:38:40,960

that

1040

00:38:44,950 --> 00:38:43,040

you know there has been some proposals

1041

00:38:47,109 --> 00:38:44,960

i'm not going to say by who

1042

00:38:48,390 --> 00:38:47,119

or where i heard this from if anyone

1043

00:38:51,030 --> 00:38:48,400

asks but

1044

00:38:54,310 --> 00:38:51,040

even something like havana syndrome you

1045

00:38:56,630 --> 00:38:54,320

know imagine if a foreign adversary

1046

00:38:59,510 --> 00:38:56,640

has developed a way to take

1047

00:39:01,430 --> 00:38:59,520

psychotronic weapons development which

1048

00:39:03,750 --> 00:39:01,440

we were involved with everyone was

1049

00:39:05,030 --> 00:39:03,760

involved with in the 60s and 70s

1050

00:39:07,349 --> 00:39:05,040

and for the for those who don't know

1051

00:39:10,150 --> 00:39:07,359

what cyclotron weaponry is it is

1052

00:39:12,870 --> 00:39:10,160

integration of technology tronic that's

1053

00:39:13,589 --> 00:39:12,880

the word tronic psychotronic

1054

00:39:16,150 --> 00:39:13,599

and

1055

00:39:18,790 --> 00:39:16,160

human cognitive abilities to affect

1056

00:39:20,790 --> 00:39:18,800

something physically okay

1057

00:39:21,990 --> 00:39:20,800

so a machine in which you know let's say

1058

00:39:23,510 --> 00:39:22,000

the russians and the americans are

1059

00:39:26,150 --> 00:39:23,520

playing a game of chess in the back of

1060

00:39:27,589 --> 00:39:26,160

the room there's a russian sitting there

1061

00:39:28,710 --> 00:39:27,599

you know when he's got a little device

1062

00:39:31,510 --> 00:39:28,720

there

1063

00:39:34,230 --> 00:39:31,520

that is used to amplify certain thought

1064

00:39:37,190 --> 00:39:34,240

waves to affect actions or make someone

1065

00:39:39,030 --> 00:39:37,200

feel sick or make someone scared and

1066

00:39:40,790 --> 00:39:39,040

make someone nervous or make someone

1067

00:39:42,390 --> 00:39:40,800

nervous

1068

00:39:44,150 --> 00:39:42,400

these were real experiments that were

1069

00:39:46,310 --> 00:39:44,160

done and there's some real interesting

1070

00:39:49,030 --> 00:39:46,320

evidence to suggest that some of that

1071

00:39:52,550 --> 00:39:49,040

may indeed be quite real

1072

00:39:53,990 --> 00:39:52,560

and i put up slide 9 which was part of

1073

00:39:56,390 --> 00:39:54,000

the atip

1074

00:39:59,510 --> 00:39:56,400

briefing that talked about

1075

00:40:00,470 --> 00:39:59,520

the ability for an enemy

1076

00:40:02,630 --> 00:40:00,480

and

1077

00:40:05,750 --> 00:40:02,640

since this was with with atip i believe

1078

00:40:09,190 --> 00:40:05,760

the enemy is non-human an enemy you know

1079

00:40:10,710 --> 00:40:09,200

to compro compromise national security

1080

00:40:12,390 --> 00:40:10,720

they could penetrate

1081

00:40:14,790 --> 00:40:12,400

us facilities

1082

00:40:17,910 --> 00:40:14,800

manipulate both physical and cognitive

1083

00:40:19,430 --> 00:40:17,920

environments influence decision makers

1084

00:40:21,589 --> 00:40:19,440

and use

1085

00:40:25,510 --> 00:40:21,599

cyclotronic weapons

1086

00:40:27,829 --> 00:40:25,520

cognitive human interface interface

1087

00:40:30,630 --> 00:40:27,839

penetration of solid surfaces

1088

00:40:32,550 --> 00:40:30,640

instantaneous sensor disassembly i think

1089

00:40:35,030 --> 00:40:32,560

he's talking about shutting off or

1090

00:40:37,349 --> 00:40:35,040

turning on nukes

1091

00:40:38,470 --> 00:40:37,359

alteration manipulation of biological

1092

00:40:42,069 --> 00:40:38,480

organisms

1093

00:40:45,589 --> 00:40:42,079

anomalies in the space-time construct

1094

00:40:47,750 --> 00:40:45,599

and unique cognitive human interface

1095

00:40:53,270 --> 00:40:47,760

experiences which i believe he told

1096

00:40:53,990 --> 00:40:53,280

james ian dole he goes that's your ce5

1097

00:40:57,030 --> 00:40:54,000

so

1098

00:40:59,430 --> 00:40:57,040

lucette lou says but again we must and i

1099

00:41:03,030 --> 00:40:59,440

think we must always make sure that the

1100

00:41:06,630 --> 00:41:05,190

in anyone's claim of being able to do

1101

00:41:08,309 --> 00:41:06,640

something like that

1102

00:41:11,670 --> 00:41:08,319

is the difference between

1103

00:41:13,510 --> 00:41:11,680

again a vision and a hallucination and

1104

00:41:15,589 --> 00:41:13,520

it might not be that cut and dry it

1105

00:41:17,990 --> 00:41:15,599

might be more subjective than that

1106

00:41:19,990 --> 00:41:18,000

there may be elements of both in someone

1107

00:41:22,390 --> 00:41:20,000

who has and this goes back to the whole

1108

00:41:23,990 --> 00:41:22,400

idea of religion if you look at any one

1109

00:41:26,069 --> 00:41:24,000

particular religion out there whether

1110

00:41:28,150 --> 00:41:26,079

it's western judeo christ christian

1111

00:41:30,630 --> 00:41:28,160

religion or any other religion that's

1112

00:41:33,270 --> 00:41:30,640

eastern you know there are these moments

1113

00:41:34,950 --> 00:41:33,280

of enlightenment whether it be buddha

1114

00:41:37,030 --> 00:41:34,960

who had his moment of enlightenment or

1115

00:41:39,270 --> 00:41:37,040

it be some of the hindu gods or again

1116

00:41:42,710 --> 00:41:39,280

jesus christ or anybody else

1117

00:41:45,349 --> 00:41:42,720

they had these extraordinary claims

1118

00:41:48,470 --> 00:41:45,359

and again in some cases

1119

00:41:50,069 --> 00:41:48,480

some people it's disproven

1120

00:41:51,990 --> 00:41:50,079

and those are no longer religions

1121

00:41:53,589 --> 00:41:52,000

they're kind of these cults

1122

00:41:55,750 --> 00:41:53,599

and then you have religions where you

1123

00:41:57,109 --> 00:41:55,760

have these bona fide claims of miracles

1124

00:41:59,030 --> 00:41:57,119

right

1125

00:42:00,550 --> 00:41:59,040

and being able to see things and being

1126

00:42:02,950 --> 00:42:00,560

prophets so

1127

00:42:05,510 --> 00:42:02,960

by no means am i trying to discredit

1128

00:42:07,910 --> 00:42:05,520

anything that mr marshall has to say

1129

00:42:11,030 --> 00:42:07,920

i'm just saying that we have to approach

1130

00:42:15,109 --> 00:42:13,990

marshall used the words two things

1131

00:42:17,510 --> 00:42:15,119

he said

1132

00:42:19,190 --> 00:42:17,520

he received a message from someone and

1133

00:42:21,589 --> 00:42:19,200

by the way sometimes

1134

00:42:24,150 --> 00:42:21,599

i'm pretty good about i think i fixed

1135

00:42:26,630 --> 00:42:24,160

most of my typos but sometimes there are

1136

00:42:27,589 --> 00:42:26,640

there are sentences that just end

1137

00:42:33,750 --> 00:42:27,599

so

1138

00:42:36,230 --> 00:42:33,760

how it is and danny sheehan is the worst

1139

00:42:37,990 --> 00:42:36,240

at that sorry danny but he'll have a

1140

00:42:40,069 --> 00:42:38,000

run-on sentence and then in the middle

1141

00:42:41,430 --> 00:42:40,079

of it it'll change who he's talking to

1142

00:42:43,430 --> 00:42:41,440

and it's sometimes it's really hard to

1143

00:42:45,270 --> 00:42:43,440

follow with written word i tried to

1144

00:42:49,990 --> 00:42:45,280

change it and edit it so it's clearer

1145

00:42:54,069 --> 00:42:52,390

so lou continues he says marshall says

1146

00:42:55,910 --> 00:42:54,079

he received a message from someone from

1147

00:42:58,390 --> 00:42:55,920

a very far distance

1148

00:43:00,069 --> 00:42:58,400

well if you don't see the individual my

1149

00:43:01,510 --> 00:43:00,079

question is

1150

00:43:03,430 --> 00:43:01,520

what are you using to make that

1151  
00:43:06,550 --> 00:43:03,440  
determination that something is either

1152  
00:43:08,390 --> 00:43:06,560  
far or near or in between

1153  
00:43:11,030 --> 00:43:08,400  
is it an emotion is it a sense that

1154  
00:43:13,750 --> 00:43:11,040  
you're feeling or is it an actual vision

1155  
00:43:15,349 --> 00:43:13,760  
he says he didn't see him so please i

1156  
00:43:17,829 --> 00:43:15,359  
want to hear this marshall

1157  
00:43:20,390 --> 00:43:17,839  
and marshall says okay this is good well

1158  
00:43:22,630 --> 00:43:20,400  
my work has really been about angelic

1159  
00:43:24,069 --> 00:43:22,640  
contact so my mind

1160  
00:43:26,309 --> 00:43:24,079  
and lou says

1161  
00:43:28,470 --> 00:43:26,319  
about angelic contact lou says which by

1162  
00:43:29,510 --> 00:43:28,480  
the way i'm not arguing just for the

1163  
00:43:31,109 --> 00:43:29,520

record

1164

00:43:33,270 --> 00:43:31,119

all right that that's a little strange

1165

00:43:35,430 --> 00:43:33,280

to me because

1166

00:43:37,510 --> 00:43:35,440

if you're if you're arguing the source

1167

00:43:40,390 --> 00:43:37,520

of the other information where he is

1168

00:43:42,950 --> 00:43:40,400

channeling the allies of humanity why

1169

00:43:44,630 --> 00:43:42,960

would you not argue the angelic content

1170

00:43:47,190 --> 00:43:44,640

how do we know it and maybe i'm

1171

00:43:48,870 --> 00:43:47,200

misunderstanding what lou said there but

1172

00:43:51,349 --> 00:43:48,880

i would think you would question

1173

00:43:53,589 --> 00:43:51,359

everything even the claims of angelic

1174

00:43:55,510 --> 00:43:53,599

contact how do we know it's angelic

1175

00:43:56,630 --> 00:43:55,520

contact so

1176

00:43:58,630 --> 00:43:56,640

you read that when you see the

1177

00:44:00,870 --> 00:43:58,640

transcript and maybe you can see if i'm

1178

00:44:01,990 --> 00:44:00,880

getting that wrong

1179

00:44:03,990 --> 00:44:02,000

so

1180

00:44:05,589 --> 00:44:04,000

and marshall talks about angelic content

1181

00:44:07,750 --> 00:44:05,599

he says which by the way

1182

00:44:10,230 --> 00:44:07,760

has been a long training for me to even

1183

00:44:12,309 --> 00:44:10,240

be able to do to do it because it's a

1184

00:44:13,430 --> 00:44:12,319

very remarkable and different use of my

1185

00:44:15,510 --> 00:44:13,440

mind

1186

00:44:18,470 --> 00:44:15,520

and it also creates some health problems

1187

00:44:20,309 --> 00:44:18,480

for me along the way

1188

00:44:22,069 --> 00:44:20,319

but the allies this was a different kind

1189

00:44:24,309 --> 00:44:22,079

of communication i say distant because

1190

00:44:26,390 --> 00:44:24,319

the voice was very faint as if you're on

1191

00:44:29,190 --> 00:44:26,400

a long distance phone call with somebody

1192

00:44:31,750 --> 00:44:29,200

far away and it's not a great connection

1193

00:44:33,349 --> 00:44:31,760

so the voice is really like this

1194

00:44:35,270 --> 00:44:33,359

and so you know

1195

00:44:37,430 --> 00:44:35,280

i had to really pay by the way that was

1196

00:44:39,829 --> 00:44:37,440

me doing marshall explaining how the

1197

00:44:41,270 --> 00:44:39,839

voice so the voice is really like this

1198

00:44:42,950 --> 00:44:41,280

that's what it sounds like when he hears

1199

00:44:44,630 --> 00:44:42,960

it in his head because i had to really

1200

00:44:47,349 --> 00:44:44,640

pay attention to be able to speak what i

1201  
00:44:49,589 --> 00:44:47,359  
was hearing and record my speech this is

1202  
00:44:52,710 --> 00:44:49,599  
not you know i'm speaking i'm speaking

1203  
00:44:56,150 --> 00:44:52,720  
someone else's voice here i'm

1204  
00:44:58,870 --> 00:44:57,990  
i think i left out a word he goes this

1205  
00:45:01,190 --> 00:44:58,880  
is not

1206  
00:45:02,790 --> 00:45:01,200  
he goes i'm not i think he says i'm not

1207  
00:45:04,309 --> 00:45:02,800  
speaking someone else's voice here he

1208  
00:45:07,670 --> 00:45:04,319  
goes i'm just speaking what is coming

1209  
00:45:09,270 --> 00:45:07,680  
into his mind so he hears it

1210  
00:45:11,030 --> 00:45:09,280  
and then he just records it it's not

1211  
00:45:12,309 --> 00:45:11,040  
like you know you're hearing a different

1212  
00:45:13,829 --> 00:45:12,319  
voice like the voice of the

1213  
00:45:16,230 --> 00:45:13,839

extraterrestrial the alleged

1214

00:45:20,790 --> 00:45:16,240

extraterrestrial that would be trans

1215

00:45:24,550 --> 00:45:22,470

and then lou says

1216

00:45:26,950 --> 00:45:24,560

the distance that's your interpretation

1217

00:45:28,710 --> 00:45:26,960

because the signal wasn't clear

1218

00:45:31,349 --> 00:45:28,720

marshall says that's my interpretation

1219

00:45:33,270 --> 00:45:31,359

this is that it isn't far away i didn't

1220

00:45:35,030 --> 00:45:33,280

feel like it was something in my room or

1221

00:45:37,510 --> 00:45:35,040

nearby

1222

00:45:39,510 --> 00:45:37,520

you know and it was complete completely

1223

00:45:41,910 --> 00:45:39,520

different than the angelic thing which

1224

00:45:44,710 --> 00:45:41,920

is a real powerful presence that

1225

00:45:47,750 --> 00:45:44,720

overtakes you it's not physical

1226  
00:45:50,069 --> 00:45:47,760  
but it's so palpable

1227  
00:45:52,309 --> 00:45:50,079  
and lugos so in essence

1228  
00:45:54,630 --> 00:45:52,319  
is it fair to say

1229  
00:45:56,390 --> 00:45:54,640  
that it was just an internal feeling

1230  
00:45:58,309 --> 00:45:56,400  
that you had

1231  
00:46:00,870 --> 00:45:58,319  
marshall said

1232  
00:46:02,870 --> 00:46:00,880  
it was a voice lulu says no no no no no

1233  
00:46:05,829 --> 00:46:02,880  
i understand i understood

1234  
00:46:09,670 --> 00:46:05,839  
but you can't confirm if it was far away

1235  
00:46:11,030 --> 00:46:09,680  
or near or anything like that

1236  
00:46:13,030 --> 00:46:11,040  
marshall says

1237  
00:46:16,069 --> 00:46:13,040  
that was my experience

1238  
00:46:18,950 --> 00:46:16,079

lou says your experience okay

1239

00:46:20,230 --> 00:46:18,960

so it's a personal experience

1240

00:46:21,790 --> 00:46:20,240

you said

1241

00:46:24,630 --> 00:46:21,800

a small

1242

00:46:26,150 --> 00:46:24,640

expeditionary force which i found very

1243

00:46:29,910 --> 00:46:26,160

interesting because

1244

00:46:30,870 --> 00:46:29,920

that's my terminology right military

1245

00:46:32,069 --> 00:46:30,880

and

1246

00:46:33,589 --> 00:46:32,079

by the way

1247

00:46:35,349 --> 00:46:33,599

at this point in the transcript you will

1248

00:46:37,829 --> 00:46:35,359

see 20 minutes

1249

00:46:39,430 --> 00:46:37,839

picking up at this point pretty much

1250

00:46:42,069 --> 00:46:39,440

uh of the conference that somebody

1251  
00:46:44,309 --> 00:46:42,079  
posted on vimeo

1252  
00:46:46,230 --> 00:46:44,319  
so lou says you know

1253  
00:46:49,349 --> 00:46:46,240  
expeditionary force

1254  
00:46:51,829 --> 00:46:49,359  
that's my terminology right military

1255  
00:46:53,670 --> 00:46:51,839  
marshal says oh it is well

1256  
00:46:55,750 --> 00:46:53,680  
that's how from what i've learned from

1257  
00:46:57,990 --> 00:46:55,760  
them and as i look at the data

1258  
00:46:59,750 --> 00:46:58,000  
i've been looking at this for 35 years

1259  
00:47:02,470 --> 00:46:59,760  
and and i came to this without a lot of

1260  
00:47:04,470 --> 00:47:02,480  
preconclusions or or trying to make this

1261  
00:47:06,950 --> 00:47:04,480  
spiritual or trying to confirm my

1262  
00:47:08,870 --> 00:47:06,960  
religious views or anything

1263  
00:47:09,589 --> 00:47:08,880

this was like something i just felt you

1264

00:47:15,190 --> 00:47:09,599

know

1265

00:47:16,950 --> 00:47:15,200

this because this could be important

1266

00:47:20,390 --> 00:47:16,960

so i sat with this for a long time i was

1267

00:47:22,710 --> 00:47:20,400

really uncomfortable with it in a way

1268

00:47:24,870 --> 00:47:22,720

i'm still uncomfortable with it i'm a

1269

00:47:27,589 --> 00:47:24,880

pretty reasonable person i'm not given

1270

00:47:28,630 --> 00:47:27,599

to fantasies i consider myself to be

1271

00:47:30,710 --> 00:47:28,640

actually

1272

00:47:32,790 --> 00:47:30,720

pretty conservative in the way that i at

1273

00:47:36,870 --> 00:47:32,800

least i live my life

1274

00:47:42,390 --> 00:47:39,510

so this this was something given to me

1275

00:47:44,710 --> 00:47:42,400

with a request to share it with others

1276

00:47:46,870 --> 00:47:44,720

and i think its value in that sense has

1277

00:47:49,349 --> 00:47:46,880

to be based on the merit of its message

1278

00:47:52,069 --> 00:47:49,359

and how well that corroborates with what

1279

00:47:54,710 --> 00:47:52,079

we see and know about this phenomenon on

1280

00:47:56,549 --> 00:47:54,720

the ground i mean there does have to be

1281

00:47:58,150 --> 00:47:56,559

some resonance there

1282

00:48:00,630 --> 00:47:58,160

in other words if he was channeling

1283

00:48:03,270 --> 00:48:00,640

information that said

1284

00:48:06,150 --> 00:48:03,280

you will see purple dinosaurs in your

1285

00:48:08,549 --> 00:48:06,160

skies next week and they will talk about

1286

00:48:10,790 --> 00:48:08,559

how they were created by the

1287

00:48:13,270 --> 00:48:10,800

fictional cartoon character barney you

1288

00:48:15,670 --> 00:48:13,280

know it's like no his message his

1289

00:48:17,270 --> 00:48:15,680

messages are directly related to ufos

1290

00:48:18,309 --> 00:48:17,280

which we know exists

1291

00:48:20,309 --> 00:48:18,319

and

1292

00:48:22,150 --> 00:48:20,319

these beings or alleged beings are

1293

00:48:22,950 --> 00:48:22,160

claiming to give us information about

1294

00:48:25,589 --> 00:48:22,960

what

1295

00:48:27,829 --> 00:48:25,599

the alleged extraterrestrials are doing

1296

00:48:28,870 --> 00:48:27,839

on our planet so yeah it's not just out

1297

00:48:31,190 --> 00:48:28,880

of left field that's something we

1298

00:48:33,349 --> 00:48:31,200

already know we're dealing with

1299

00:48:37,510 --> 00:48:33,359

it's just allegedly trying to provide

1300

00:48:40,630 --> 00:48:39,030

and that's basically what he says

1301  
00:48:42,230 --> 00:48:40,640  
marshall continues he goes this is not

1302  
00:48:44,150 --> 00:48:42,240  
asking us to believe in something we've

1303  
00:48:46,549 --> 00:48:44,160  
never experienced or we have no idea

1304  
00:48:48,630 --> 00:48:46,559  
what it is it's more to speak to the

1305  
00:48:50,870 --> 00:48:48,640  
nature of what we're seeing

1306  
00:48:52,790 --> 00:48:50,880  
in our skies and oceans

1307  
00:48:54,710 --> 00:48:52,800  
and space

1308  
00:48:57,430 --> 00:48:54,720  
with information that we could not gain

1309  
00:49:00,069 --> 00:48:57,440  
from our own so basically yeah these

1310  
00:49:01,990 --> 00:49:00,079  
allies of humanity are allegedly

1311  
00:49:03,670 --> 00:49:02,000  
supplementing giving us the background

1312  
00:49:06,390 --> 00:49:03,680  
information about what's behind the

1313  
00:49:09,270 --> 00:49:06,400

whole ufo phenomenon

1314

00:49:11,750 --> 00:49:09,280

as far as this particular group of

1315

00:49:13,589 --> 00:49:11,760

extraterrestrials

1316

00:49:15,030 --> 00:49:13,599

allegedly and i will keep saying that

1317

00:49:16,870 --> 00:49:15,040

because people seem to forget that i

1318

00:49:19,109 --> 00:49:16,880

have not said anything about me

1319

00:49:21,349 --> 00:49:19,119

believing this i find it interesting it

1320

00:49:23,510 --> 00:49:21,359

resonates with me doesn't mean i believe

1321

00:49:24,470 --> 00:49:23,520

it

1322

00:49:25,670 --> 00:49:24,480

so

1323

00:49:29,190 --> 00:49:25,680

lou says

1324

00:49:33,750 --> 00:49:31,829

how you have the knowledge that this was

1325

00:49:35,910 --> 00:49:33,760

you know may i ask how you have the

1326

00:49:38,549 --> 00:49:35,920

knowledge that this was a small

1327

00:49:42,150 --> 00:49:38,559

expeditionary expeditionary force

1328

00:49:46,230 --> 00:49:42,160

not something more robust or elaborate

1329

00:49:48,309 --> 00:49:46,240

you know you used very specific words

1330

00:49:51,510 --> 00:49:48,319

and marshall says

1331

00:49:53,349 --> 00:49:51,520

that's revealed in the briefings itself

1332

00:49:56,150 --> 00:49:53,359

as far as it being an expeditionary

1333

00:49:57,829 --> 00:49:56,160

force that's what the briefings claim

1334

00:49:59,910 --> 00:49:57,839

so lou says

1335

00:50:01,030 --> 00:49:59,920

okay so in essence it was communicated

1336

00:50:03,750 --> 00:50:01,040

to you

1337

00:50:05,510 --> 00:50:03,760

by someone somewhere else something else

1338

00:50:07,750 --> 00:50:05,520

that this is a small group of

1339

00:50:10,390 --> 00:50:07,760

individuals that are part of this

1340

00:50:12,470 --> 00:50:10,400

endeavor

1341

00:50:14,950 --> 00:50:12,480

and marshall says yeah they are this is

1342

00:50:17,510 --> 00:50:14,960

their claim and okay i'll accept it i'll

1343

00:50:20,069 --> 00:50:17,520

receive the information i'll sit with it

1344

00:50:21,910 --> 00:50:20,079

and see how i feel about about it

1345

00:50:23,670 --> 00:50:21,920

because i did that i did that for quite

1346

00:50:25,349 --> 00:50:23,680

a while and i didn't want to be the

1347

00:50:26,710 --> 00:50:25,359

person to deliver this i can tell you

1348

00:50:29,109 --> 00:50:26,720

that right now

1349

00:50:31,750 --> 00:50:29,119

this is not the whole ufo thing is

1350

00:50:34,069 --> 00:50:31,760

really messy and i just you know i

1351  
00:50:36,390 --> 00:50:34,079  
learned from

1352  
00:50:39,349 --> 00:50:36,400  
sorry not adam uh

1353  
00:50:41,510 --> 00:50:39,359  
he goes i learn from and then lou says

1354  
00:50:43,670 --> 00:50:41,520  
i can sympathize with you you know as

1355  
00:50:46,390 --> 00:50:43,680  
far as it being messy i'm not arguing

1356  
00:50:49,190 --> 00:50:46,400  
with you danny says i bet you can and

1357  
00:50:51,829 --> 00:50:49,200  
laughs lou says if there's one person

1358  
00:50:54,549 --> 00:50:51,839  
who can attest to how messy this is how

1359  
00:50:56,630 --> 00:50:54,559  
messy this topic can be i am certainly

1360  
00:51:00,309 --> 00:50:56,640  
the living proof of that i'm just trying

1361  
00:51:03,670 --> 00:51:00,319  
to figure out a little bit more about

1362  
00:51:06,390 --> 00:51:03,680  
and then mr blumenthal jumps in

1363  
00:51:08,069 --> 00:51:06,400

and says i gotta say

1364

00:51:11,349 --> 00:51:08,079

one of the fascinating things about this

1365

00:51:13,910 --> 00:51:11,359

and i'm gonna take a break right now
