

A close-up, high-contrast photograph of a wolf's face, focusing on its eyes which are glowing with an orange-red light. The fur is dark and textured, and the overall color palette is dominated by reds and oranges, creating a mysterious and intense atmosphere.

Skinwalkers at the Pentagon

**An Insiders' Account of the Secret
Government UFO Program**

1
00:00:19,320 --> 00:00:13,910
i think we're live

2
00:00:19,330 --> 00:00:26,390
[Music]

3
00:00:33,510 --> 00:00:29,669
that is the book cover

4
00:00:40,709 --> 00:00:35,830
just let me know if you guys

5
00:00:46,790 --> 00:00:42,709
i think i'm not gonna make that mistake

6
00:00:46,800 --> 00:00:51,830
have my window open on youtube

7
00:00:56,389 --> 00:00:54,069
there we go

8
00:00:59,510 --> 00:00:56,399
close that

9
00:01:01,189 --> 00:00:59,520
you can play that later

10
00:01:08,710 --> 00:01:01,199
and

11
00:01:12,310 --> 00:01:10,230
all right

12
00:01:13,830 --> 00:01:12,320
i am glad

13
00:01:18,070 --> 00:01:13,840

you guys are here

14

00:01:19,749 --> 00:01:18,080

and i got a copy of the book

15

00:01:21,109 --> 00:01:19,759

probably

16

00:01:23,109 --> 00:01:21,119

i think it was like a week and a half

17

00:01:25,830 --> 00:01:23,119

ago george sent it to a couple of people

18

00:01:27,910 --> 00:01:25,840

so i had a head start but i decided to

19

00:01:30,469 --> 00:01:27,920

read it

20

00:01:31,830 --> 00:01:30,479

and not take any notes i just wanted to

21

00:01:34,310 --> 00:01:31,840

enjoy it because i was so happy when i

22

00:01:36,149 --> 00:01:34,320

heard there was a book about asap

23

00:01:38,789 --> 00:01:36,159

which we'd heard so much about in which

24

00:01:42,469 --> 00:01:38,799

george spoke about in 2019 and gave us a

25

00:01:44,230 --> 00:01:42,479

big heads up um so it's like

26

00:01:46,630 --> 00:01:44,240

a lot of the basic details were there

27

00:01:48,149 --> 00:01:46,640

but there's so many details in that book

28

00:01:50,389 --> 00:01:48,159

that it's hard for me to remember

29

00:01:52,550 --> 00:01:50,399

everything and i will i'm going through

30

00:01:54,469 --> 00:01:52,560

it again i'm taking notes i'm probably

31

00:01:56,389 --> 00:01:54,479

like halfway through

32

00:01:58,709 --> 00:01:56,399

and my notes are too i have way too many

33

00:02:01,510 --> 00:01:58,719

notes in a blog um but i definitely

34

00:02:03,350 --> 00:02:01,520

since we have people who have called in

35

00:02:05,109 --> 00:02:03,360

i'm gonna go to that right now

36

00:02:08,790 --> 00:02:05,119

start out with

37

00:02:12,550 --> 00:02:10,949

oh you're there mike

38

00:02:13,990 --> 00:02:12,560

yes sir

39

00:02:16,630 --> 00:02:14,000

all right i'll come back to you all

40

00:02:24,150 --> 00:02:19,110

let's go to jean

41

00:02:27,910 --> 00:02:26,390

if you're there gene there you go hi

42

00:02:30,150 --> 00:02:27,920

joey yes

43

00:02:32,470 --> 00:02:30,160

how are you

44

00:02:34,470 --> 00:02:32,480

good thanks glad to be here guys

45

00:02:36,630 --> 00:02:34,480

yeah any questions or comments about

46

00:02:41,509 --> 00:02:36,640

your muted again by the way any

47

00:02:46,710 --> 00:02:44,949

you are still muted there you go

48

00:02:48,869 --> 00:02:46,720

not yet

49

00:02:50,550 --> 00:02:48,879

still going through it

50

00:02:53,110 --> 00:02:50,560

okay

51
00:02:54,630 --> 00:02:53,120
i'll come back to you later maybe

52
00:02:56,550 --> 00:02:54,640
and

53
00:02:58,710 --> 00:02:56,560
james

54
00:03:00,470 --> 00:02:58,720
yeah how are you

55
00:03:04,390 --> 00:03:00,480
how you doing good man i've been

56
00:03:08,229 --> 00:03:06,710
i may have and forgot because my mind is

57
00:03:10,070 --> 00:03:08,239
a jumble because i'm trying to cram all

58
00:03:11,350 --> 00:03:10,080
this information from the book into my

59
00:03:12,869 --> 00:03:11,360
head have you had a chance at all to

60
00:03:15,509 --> 00:03:12,879
listen to any of the interviews or read

61
00:03:16,390 --> 00:03:15,519
the read the book at all i read the book

62
00:03:17,270 --> 00:03:16,400
uh

63
00:03:19,910 --> 00:03:17,280

yeah

64

00:03:22,229 --> 00:03:19,920

i thought it was uh fascinating

65

00:03:23,350 --> 00:03:22,239

intriguing unsettling

66

00:03:25,990 --> 00:03:23,360

um

67

00:03:27,990 --> 00:03:26,000

lots of different things uh

68

00:03:29,990 --> 00:03:28,000

you know it's um it's one of those

69

00:03:32,789 --> 00:03:30,000

things where it's like

70

00:03:33,910 --> 00:03:32,799

i i hope that we get closer and closer

71

00:03:35,910 --> 00:03:33,920

to people

72

00:03:37,910 --> 00:03:35,920

and the mainstream accepting the reality

73

00:03:39,589 --> 00:03:37,920

of the phenomenon and then something

74

00:03:42,070 --> 00:03:39,599

like this comes out where i know it's

75

00:03:44,789 --> 00:03:42,080

really going to stretch people's uh

76

00:03:46,949 --> 00:03:44,799

comfort zone and uh so it's it's

77

00:03:48,390 --> 00:03:46,959

alarming in that it may push some people

78

00:03:50,949 --> 00:03:48,400

further away

79

00:03:52,789 --> 00:03:50,959

who um you know who wrestle with the woo

80

00:03:55,030 --> 00:03:52,799

factor or whatever

81

00:03:57,270 --> 00:03:55,040

um but i uh

82

00:03:58,710 --> 00:03:57,280

you know i i think i think it's

83

00:04:00,070 --> 00:03:58,720

more representative of what's actually

84

00:04:01,509 --> 00:04:00,080

going on so i think it's an

85

00:04:03,509 --> 00:04:01,519

uncomfortable truth but something that

86

00:04:05,830 --> 00:04:03,519

we have to wrestle with

87

00:04:07,030 --> 00:04:05,840

i am right there with you um

88

00:04:28,310 --> 00:04:07,040

i

89

00:04:29,830 --> 00:04:28,320

but there are people who have gotten

90

00:04:31,510 --> 00:04:29,840

injured

91

00:04:33,030 --> 00:04:31,520

people have you know

92

00:04:35,830 --> 00:04:33,040

brought it home to their families

93

00:04:38,790 --> 00:04:35,840

whatever it is and you know i am open to

94

00:04:41,990 --> 00:04:38,800

the possibility that some of it is black

95

00:04:45,350 --> 00:04:42,000

technology but when you have an injury

96

00:04:48,150 --> 00:04:45,360

when an orb glances your arm in one case

97

00:04:50,790 --> 00:04:48,160

you get sick you develop cancer and then

98

00:04:52,790 --> 00:04:50,800

your daughter has poltergeist activity

99

00:04:55,110 --> 00:04:52,800

in our house for two years i'm like is

100

00:04:57,430 --> 00:04:55,120

that black that's black technology so

101
00:05:00,070 --> 00:04:57,440
there are black technology ops going and

102
00:05:02,550 --> 00:05:00,080
following family members and creating

103
00:05:04,310 --> 00:05:02,560
shadow figures standing over their beds

104
00:05:06,310 --> 00:05:04,320
and orbs and that it's like it makes

105
00:05:07,909 --> 00:05:06,320
absolutely no sense to me

106
00:05:09,670 --> 00:05:07,919
um you know

107
00:05:12,629 --> 00:05:09,680
yeah i had just finished annie

108
00:05:13,590 --> 00:05:12,639
jacobson's phenomenon before this book

109
00:05:15,830 --> 00:05:13,600
came out

110
00:05:18,230 --> 00:05:15,840
and it talks a lot about some of the

111
00:05:21,189 --> 00:05:18,240
same issues with the

112
00:05:22,710 --> 00:05:21,199
remote viewing and some of the you know

113
00:05:23,590 --> 00:05:22,720

issues that are

114

00:05:25,670 --> 00:05:23,600

you know

115

00:05:27,110 --> 00:05:25,680

subjects that really strain credulity

116

00:05:28,390 --> 00:05:27,120

for some folks

117

00:05:30,790 --> 00:05:28,400

and uh

118

00:05:32,550 --> 00:05:30,800

you know kit green is not a lightweight

119

00:05:34,070 --> 00:05:32,560

you know and he's absolutely totally

120

00:05:35,590 --> 00:05:34,080

convinced that the

121

00:05:38,550 --> 00:05:35,600

uh that poltergeist follows the

122

00:05:40,310 --> 00:05:38,560

phenomenon around and these all these

123

00:05:42,230 --> 00:05:40,320

all the the authors of the books i mean

124

00:05:44,310 --> 00:05:42,240

these guys are of the book these guys

125

00:05:46,150 --> 00:05:44,320

aren't lightweights they don't have

126
00:05:49,909 --> 00:05:46,160
they're not going to go out and announce

127
00:05:51,830 --> 00:05:49,919
woo or like prematurely uh you know

128
00:05:54,550 --> 00:05:51,840
argue that something exists if they're

129
00:05:57,350 --> 00:05:54,560
not absolutely convinced it exists and

130
00:05:59,270 --> 00:05:57,360
for me their reputations

131
00:06:01,430 --> 00:05:59,280
is enough coupled with all the other

132
00:06:03,110 --> 00:06:01,440
evidence that we see everywhere to make

133
00:06:04,950 --> 00:06:03,120
it um

134
00:06:07,590 --> 00:06:04,960
you know at least something to take very

135
00:06:09,110 --> 00:06:07,600
seriously if not to just believe like i

136
00:06:10,950 --> 00:06:09,120
do

137
00:06:13,029 --> 00:06:10,960
i agree and um

138
00:06:15,110 --> 00:06:13,039

i know kit i interviewed kid a couple of

139

00:06:16,550 --> 00:06:15,120

years ago um i heard from him recently

140

00:06:18,469 --> 00:06:16,560

after a long time

141

00:06:20,629 --> 00:06:18,479

um i'm not sure if he still he

142

00:06:22,070 --> 00:06:20,639

definitely leans

143

00:06:23,670 --> 00:06:22,080

a lot of this when he talks about his

144

00:06:24,950 --> 00:06:23,680

patients 25

145

00:06:27,510 --> 00:06:24,960

you know a lot of them come to him they

146

00:06:29,590 --> 00:06:27,520

have an up close encounter with the uap

147

00:06:32,070 --> 00:06:29,600

they think it's a ufo

148

00:06:33,270 --> 00:06:32,080

not human whatever he's open-minded but

149

00:06:35,270 --> 00:06:33,280

he's in the middle he doesn't know what

150

00:06:37,270 --> 00:06:35,280

it is he thinks this a lot of this may

151

00:06:39,029 --> 00:06:37,280

be black tech but

152

00:06:41,430 --> 00:06:39,039

i need to get his updated opinion on

153

00:06:43,110 --> 00:06:41,440

that and because i like i said some of

154

00:06:44,950 --> 00:06:43,120

some of this makes no sense for it to be

155

00:06:45,909 --> 00:06:44,960

black tech um

156

00:06:47,909 --> 00:06:45,919

but

157

00:06:49,430 --> 00:06:47,919

the fact that lakatsky is finally on the

158

00:06:50,870 --> 00:06:49,440

record and we heard about him for two

159

00:06:52,790 --> 00:06:50,880

years and i mentioned his name some

160

00:06:54,390 --> 00:06:52,800

places some places i used his initials

161

00:06:55,990 --> 00:06:54,400

some places i didn't use his name

162

00:06:58,150 --> 00:06:56,000

because i knew he didn't want any

163

00:07:00,469 --> 00:06:58,160

publicity but keith basterfield did some

164

00:07:03,110 --> 00:07:00,479

great work and he did some backgrounds

165

00:07:05,110 --> 00:07:03,120

on lutkatsky on his site so

166

00:07:07,029 --> 00:07:05,120

i used it

167

00:07:08,550 --> 00:07:07,039

in my blog and actually my blog i might

168

00:07:10,070 --> 00:07:08,560

have used initials but he's such a big

169

00:07:11,909 --> 00:07:10,080

player and colin kelleher who has not

170

00:07:13,749 --> 00:07:11,919

really gotten a lot of credit

171

00:07:14,950 --> 00:07:13,759

the work he did he did

172

00:07:20,390 --> 00:07:14,960

300

173

00:07:23,430 --> 00:07:20,400

contract finally was awarded to bass he

174

00:07:25,670 --> 00:07:23,440

did 300 interviews online in a period of

175

00:07:27,430 --> 00:07:25,680

seven months and then did i think 100

176

00:07:29,350 --> 00:07:27,440

100 in-person interviews and then they

177

00:07:32,230 --> 00:07:29,360

hired within the first seven months they

178

00:07:34,230 --> 00:07:32,240

hired 50 people so in a two-year period

179

00:07:36,150 --> 00:07:34,240

they were able to get a lot done it's

180

00:07:37,430 --> 00:07:36,160

like it's like a great example of how

181

00:07:39,909 --> 00:07:37,440

you can cut through government

182

00:07:41,589 --> 00:07:39,919

bureaucracy that program is just like a

183

00:07:43,909 --> 00:07:41,599

shining example of that when people read

184

00:07:45,589 --> 00:07:43,919

the book they'll see that um i'm gonna

185

00:07:47,430 --> 00:07:45,599

i'm gonna i'm gonna go to somebody else

186

00:07:49,589 --> 00:07:47,440

but i thank you james

187

00:07:51,430 --> 00:07:49,599

thanks for calling in and um thanks for

188

00:07:53,029 --> 00:07:51,440

following and online

189

00:07:55,430 --> 00:07:53,039

i appreciate it man thank you all right

190

00:07:58,710 --> 00:07:55,440

talk to you

191

00:08:00,390 --> 00:07:58,720

there he is mike demante i haven't heard

192

00:08:02,869 --> 00:08:00,400

from you in so long i'm so glad to see

193

00:08:04,070 --> 00:08:02,879

you oh dude oh man it's i i've been

194

00:08:05,589 --> 00:08:04,080

following along just that i don't

195

00:08:07,670 --> 00:08:05,599

comment as much i read everything you

196

00:08:09,510 --> 00:08:07,680

write so everything you post and

197

00:08:11,110 --> 00:08:09,520

uh a lot of times you keep me up to date

198

00:08:13,189 --> 00:08:11,120

with stuff because sometimes i feel like

199

00:08:15,029 --> 00:08:13,199

i'm falling behind so yeah thank you for

200

00:08:16,790 --> 00:08:15,039

that oh you're welcome me too i still

201
00:08:18,469 --> 00:08:16,800
fall behind and i and i do it i try to

202
00:08:19,830 --> 00:08:18,479
do it as much as i can

203
00:08:21,670 --> 00:08:19,840
so what do you think have you have you

204
00:08:22,950 --> 00:08:21,680
had a chance to read it yet i haven't

205
00:08:25,270 --> 00:08:22,960
had a chance to read yet i just read

206
00:08:27,670 --> 00:08:25,280
today uh your tweets about it and i i

207
00:08:29,189 --> 00:08:27,680
read the mystery wire uh

208
00:08:30,550 --> 00:08:29,199
uh story that

209
00:08:32,949 --> 00:08:30,560
george knapp did in addition to the

210
00:08:34,630 --> 00:08:32,959
videos um to provide some kind of more

211
00:08:35,990 --> 00:08:34,640
background and i think the

212
00:08:37,509 --> 00:08:36,000
that story in the video is a really good

213
00:08:39,029 --> 00:08:37,519

teaser i've kind of i've read the book

214

00:08:39,750 --> 00:08:39,039

but you know what's to come in the book

215

00:08:41,430 --> 00:08:39,760

and

216

00:08:43,430 --> 00:08:41,440

um the one thing that stood out to me

217

00:08:47,590 --> 00:08:43,440

was uh somebody took a screenshot of the

218

00:08:48,790 --> 00:08:47,600

book was the luel zondo remote viewing

219

00:08:50,310 --> 00:08:48,800

um

220

00:08:53,990 --> 00:08:50,320

which i made a joke today it should be

221

00:08:56,389 --> 00:08:54,000

called remote looing

222

00:08:57,670 --> 00:08:56,399

but yeah that that to me is like the big

223

00:08:59,190 --> 00:08:57,680

thing that stands out from what i've

224

00:09:01,750 --> 00:08:59,200

seen so far because obviously i haven't

225

00:09:02,630 --> 00:09:01,760

read the book yet so that's kind of

226

00:09:04,070 --> 00:09:02,640

um

227

00:09:05,670 --> 00:09:04,080

yeah that definitely stood out to me for

228

00:09:07,110 --> 00:09:05,680

sure and you know i was talking to

229

00:09:09,350 --> 00:09:07,120

someone else today who's really kind of

230

00:09:11,190 --> 00:09:09,360

not so much into the woo element

231

00:09:12,310 --> 00:09:11,200

of ufology and

232

00:09:13,590 --> 00:09:12,320

um

233

00:09:15,350 --> 00:09:13,600

you know i know he's not a fan of the

234

00:09:16,870 --> 00:09:15,360

stuff but i was like look you know

235

00:09:19,590 --> 00:09:16,880

whether you believe in remote viewing or

236

00:09:21,190 --> 00:09:19,600

not the cia studied it um

237

00:09:22,550 --> 00:09:21,200

i've seen the files you know they're

238

00:09:24,470 --> 00:09:22,560

they're they're some of them are housed

239

00:09:25,990 --> 00:09:24,480

here in houston i did a story on it uh

240

00:09:27,990 --> 00:09:26,000

the the rice

241

00:09:30,389 --> 00:09:28,000

archives at rice university and they

242

00:09:31,670 --> 00:09:30,399

have some of those uh experiments the

243

00:09:33,269 --> 00:09:31,680

the data and

244

00:09:34,790 --> 00:09:33,279

uh i've seen them like firsthand that

245

00:09:37,269 --> 00:09:34,800

they actually existed so whether people

246

00:09:39,670 --> 00:09:37,279

believe in it or not the cia always at

247

00:09:41,910 --> 00:09:39,680

least tested it

248

00:09:43,910 --> 00:09:41,920

no and i and and speaking of

249

00:09:46,949 --> 00:09:43,920

lou and his

250

00:09:50,470 --> 00:09:46,959

i have that i have the comment

251
00:09:53,750 --> 00:09:50,480
from lou if i could actually pull it up

252
00:09:56,389 --> 00:09:53,760
give me a second let's see here we go

253
00:09:57,829 --> 00:09:56,399
so it's this is what is in the book

254
00:10:00,630 --> 00:09:57,839
so there's a dinner

255
00:10:02,710 --> 00:10:00,640
i forget exactly what year this was

256
00:10:05,430 --> 00:10:02,720
it might have been 2009 basically

257
00:10:07,910 --> 00:10:05,440
lakotsky wanted to bring the west coast

258
00:10:10,230 --> 00:10:07,920
the west coast uh bass people together

259
00:10:12,790 --> 00:10:10,240
with the people on the east coast uh in

260
00:10:15,030 --> 00:10:12,800
the dod and the dia and

261
00:10:18,069 --> 00:10:15,040
elizondo was at that table and it says

262
00:10:20,230 --> 00:10:18,079
as he enjoyed his steak tartar elizondo

263
00:10:22,470 --> 00:10:20,240

regaled those around him with some war

264

00:10:25,670 --> 00:10:22,480

stories including one hair raising

265

00:10:27,829 --> 00:10:25,680

exploit about how his advanced intuition

266

00:10:30,470 --> 00:10:27,839

and remote remote viewing capabilities

267

00:10:34,069 --> 00:10:30,480

had saved his life and the life of his

268

00:10:36,069 --> 00:10:34,079

men while on a covert combat convert

269

00:10:38,069 --> 00:10:36,079

corporate combat mission in warcraft

270

00:10:39,910 --> 00:10:38,079

afghanistan blue is one of the rare

271

00:10:41,030 --> 00:10:39,920

breed and astute detailed orient

272

00:10:43,750 --> 00:10:41,040

oriented

273

00:10:46,710 --> 00:10:43,760

analyst with an open mind

274

00:10:49,190 --> 00:10:46,720

uh so so that's luke's story and he has

275

00:10:51,110 --> 00:10:49,200

he's hinted at remote viewing before and

276

00:10:53,110 --> 00:10:51,120

his involvement but he has never given

277

00:10:54,550 --> 00:10:53,120

details so it's interesting to see that

278

00:10:56,470 --> 00:10:54,560

and i i don't know what the story is and

279

00:10:57,829 --> 00:10:56,480

i thought i said on twitter i'm like

280

00:11:00,470 --> 00:10:57,839

i don't know if we're you can even

281

00:11:02,870 --> 00:11:00,480

verify what happened but i i and like

282

00:11:04,550 --> 00:11:02,880

you said it's real for me personally i

283

00:11:06,470 --> 00:11:04,560

did it i studied it one of the remote

284

00:11:09,350 --> 00:11:06,480

viewers lindby cannon and i saw that it

285

00:11:11,190 --> 00:11:09,360

was real for me and i didn't i am not a

286

00:11:12,949 --> 00:11:11,200

very psychic person but i came up with

287

00:11:14,870 --> 00:11:12,959

aspects of the target that when i looked

288

00:11:16,630 --> 00:11:14,880

at i'm like i don't know there's no

289

00:11:19,269 --> 00:11:16,640

other way i could have come up with that

290

00:11:21,910 --> 00:11:19,279

except i'm somehow tuning into that

291

00:11:23,829 --> 00:11:21,920

target so it's it's legitimate in my my

292

00:11:25,590 --> 00:11:23,839

opinion um

293

00:11:26,949 --> 00:11:25,600

and there's a remote viewing story about

294

00:11:29,269 --> 00:11:26,959

joe mcmonicle who's one of the best

295

00:11:30,630 --> 00:11:29,279

remote viewers in the book uh on the on

296

00:11:32,949 --> 00:11:30,640

the planet

297

00:11:35,269 --> 00:11:32,959

so yeah the whoop but the the biggest

298

00:11:37,269 --> 00:11:35,279

woo factor is people talking about

299

00:11:38,790 --> 00:11:37,279

bringing stuff home with them

300

00:11:40,949 --> 00:11:38,800

we've heard those stories forever now we

301
00:11:42,790 --> 00:11:40,959
have and this is one the only criticism

302
00:11:44,870 --> 00:11:42,800
i have in the book there's two things

303
00:11:47,509 --> 00:11:44,880
one is i wanted to hear about the

304
00:11:49,750 --> 00:11:47,519
supposed christians or scientists who

305
00:11:52,150 --> 00:11:49,760
pushed the back against likkatsky and

306
00:11:53,350 --> 00:11:52,160
supposedly ruined his career according

307
00:11:54,790 --> 00:11:53,360
to lou we don't hear we don't hear

308
00:11:55,910 --> 00:11:54,800
anything about that in the book and the

309
00:11:58,470 --> 00:11:55,920
other thing and maybe he doesn't want to

310
00:12:00,870 --> 00:11:58,480
talk about it the other thing is i

311
00:12:02,310 --> 00:12:00,880
wanted to um

312
00:12:03,670 --> 00:12:02,320
it was about remote viewing i forgot

313
00:12:06,629 --> 00:12:03,680

what the other problem is i have with

314

00:12:08,710 --> 00:12:06,639

the book anyway um

315

00:12:10,150 --> 00:12:08,720

yeah it's it's a really good read i'll

316

00:12:12,069 --> 00:12:10,160

probably read it two or three times

317

00:12:13,190 --> 00:12:12,079

definitely i'm on my second time now the

318

00:12:15,190 --> 00:12:13,200

problem with

319

00:12:16,310 --> 00:12:15,200

a lot of the stuff in there is

320

00:12:18,389 --> 00:12:16,320

people who have never heard about

321

00:12:20,150 --> 00:12:18,399

hitchhikers and orbs and

322

00:12:21,829 --> 00:12:20,160

there's a lot of that where

323

00:12:23,190 --> 00:12:21,839

the family members are affected and it's

324

00:12:25,269 --> 00:12:23,200

funny because it's not the person as

325

00:12:27,030 --> 00:12:25,279

much it's their family members so these

326

00:12:28,870 --> 00:12:27,040

folks in the dia that's that's the other

327

00:12:31,269 --> 00:12:28,880

problem i had i'm not sure which names

328

00:12:32,710 --> 00:12:31,279

in the book are real names or not it's

329

00:12:34,629 --> 00:12:32,720

not clear to me

330

00:12:36,150 --> 00:12:34,639

because there's i would love to speak to

331

00:12:37,910 --> 00:12:36,160

some of those people or anybody in the

332

00:12:39,190 --> 00:12:37,920

mainstream i hope the mainstream digs

333

00:12:41,190 --> 00:12:39,200

into this like

334

00:12:44,150 --> 00:12:41,200

i know i think brian bender has not

335

00:12:45,750 --> 00:12:44,160

commented it on it at all um and all the

336

00:12:47,910 --> 00:12:45,760

media got it wrong

337

00:12:49,350 --> 00:12:47,920

um new york times washington post

338

00:12:52,069 --> 00:12:49,360

political they all got the name of the

339

00:12:53,750 --> 00:12:52,079

program wrong so um it sucks they've

340

00:12:55,190 --> 00:12:53,760

done great work though i don't take you

341

00:12:56,949 --> 00:12:55,200

know anything away from those folks who

342

00:12:59,030 --> 00:12:56,959

did cover the story but

343

00:13:01,030 --> 00:12:59,040

knapp had the story and he had it

344

00:13:02,310 --> 00:13:01,040

accurate for two years now and a lot of

345

00:13:03,670 --> 00:13:02,320

credit i think a lot of credit should be

346

00:13:04,949 --> 00:13:03,680

given to him

347

00:13:06,710 --> 00:13:04,959

yeah i was going to add real quick i

348

00:13:08,550 --> 00:13:06,720

think the only thing that's gonna hurt

349

00:13:10,150 --> 00:13:08,560

in my opinion for the mainstream picking

350

00:13:12,389 --> 00:13:10,160

up on it and i know this sounds really

351

00:13:13,990 --> 00:13:12,399

nitpicky but the cover

352

00:13:15,590 --> 00:13:14,000

and i know a lot of people kind of

353

00:13:17,829 --> 00:13:15,600

crapped on it and also the fact that

354

00:13:19,350 --> 00:13:17,839

it's independently published i feel like

355

00:13:20,870 --> 00:13:19,360

they could if they had a publisher no

356

00:13:21,990 --> 00:13:20,880

matter how big or small i think that

357

00:13:23,750 --> 00:13:22,000

really helped kind of went to the

358

00:13:25,430 --> 00:13:23,760

credibility but maybe there's a reason

359

00:13:28,389 --> 00:13:25,440

why there wasn't i don't know

360

00:13:29,829 --> 00:13:28,399

um but i i think i hope

361

00:13:31,670 --> 00:13:29,839

you know the brian bender and a lot of

362

00:13:33,910 --> 00:13:31,680

these outlets pick up on it

363

00:13:35,670 --> 00:13:33,920

um yeah just because

364

00:13:37,269 --> 00:13:35,680

from what you've told since you've read

365

00:13:39,350 --> 00:13:37,279

the book i haven't yet there seems to be

366

00:13:40,790 --> 00:13:39,360

some really juicy stuff in there um real

367

00:13:43,030 --> 00:13:40,800

quick i need to get going but i just

368

00:13:45,509 --> 00:13:43,040

want to say hi to chris and

369

00:13:49,509 --> 00:13:45,519

uh dave nhl season starts tonight so

370

00:13:52,310 --> 00:13:49,519

let's go rangers so yeah i'm hoping for

371

00:13:54,230 --> 00:13:52,320

an all-out brawl so thank you for

372

00:13:56,389 --> 00:13:54,240

with ryan reeves all right mike thanks

373

00:13:57,670 --> 00:13:56,399

for joining me and uh all right it was

374

00:13:59,509 --> 00:13:57,680

great talking to christian you y'all

375

00:14:00,949 --> 00:13:59,519

again talk to you soon

376

00:14:03,990 --> 00:14:00,959

all right

377

00:14:05,590 --> 00:14:04,000

so before i add in kenny

378

00:14:07,990 --> 00:14:05,600

i'll just say that for folks who don't

379

00:14:10,870 --> 00:14:08,000

know the story how this happened

380

00:14:12,629 --> 00:14:10,880

so 2007 and

381

00:14:14,710 --> 00:14:12,639

in the book

382

00:14:16,310 --> 00:14:14,720

george uh and the authors they thank

383

00:14:17,910 --> 00:14:16,320

harry reid without this you know it

384

00:14:19,110 --> 00:14:17,920

couldn't have happened

385

00:14:28,150 --> 00:14:19,120

and

386

00:14:29,509 --> 00:14:28,160

jerry mccorbell he was about to speak so

387

00:14:31,269 --> 00:14:29,519

speaking with him he's like there's a

388

00:14:33,269 --> 00:14:31,279

story that you need to tell nobody has

389

00:14:34,629 --> 00:14:33,279

told the story yet none of this happens

390

00:14:37,030 --> 00:14:34,639

without george knapp he goes if he

391

00:14:39,110 --> 00:14:37,040

doesn't write hunt for the skinwalker

392

00:14:40,389 --> 00:14:39,120

this doesn't happen and he's right

393

00:14:42,069 --> 00:14:40,399

because

394

00:14:44,710 --> 00:14:42,079

hunk for the skinwalker came out i think

395

00:14:46,550 --> 00:14:44,720

2005 so it's uh

396

00:14:49,829 --> 00:14:46,560

colin kelleher and george knapp they

397

00:14:52,230 --> 00:14:49,839

write the book 2007

398

00:14:55,110 --> 00:14:52,240

james litkatsky gets a copy of the book

399

00:14:57,110 --> 00:14:55,120

he reads it cover to cover

400

00:14:59,189 --> 00:14:57,120

very impressed had no idea that there

401
00:15:01,829 --> 00:14:59,199
was a scientific method going on with

402
00:15:04,150 --> 00:15:01,839
these paranormal phenomenon on a ranch

403
00:15:05,430 --> 00:15:04,160
with top-level scientists who were in

404
00:15:06,629 --> 00:15:05,440
nids

405
00:15:08,550 --> 00:15:06,639
that book

406
00:15:10,550 --> 00:15:08,560
gets passed around to some other folks

407
00:15:12,710 --> 00:15:10,560
it makes it out to iraq for the folks

408
00:15:14,550 --> 00:15:12,720
who are out there uh

409
00:15:16,629 --> 00:15:14,560
in the military and the intelligence

410
00:15:18,550 --> 00:15:16,639
services and it gets becomes one of the

411
00:15:21,269 --> 00:15:18,560
most popular red books

412
00:15:23,269 --> 00:15:21,279
in the green zone in iraq and baghdad

413
00:15:25,350 --> 00:15:23,279

so

414

00:15:27,670 --> 00:15:25,360

lakotsky

415

00:15:29,030 --> 00:15:27,680

calls up bigelow writes he writes

416

00:15:31,030 --> 00:15:29,040

bigelow and says i think this is

417

00:15:32,629 --> 00:15:31,040

something we should look at for

418

00:15:34,710 --> 00:15:32,639

you know a threat level of some of the

419

00:15:38,470 --> 00:15:34,720

stuff that's going on your ranch going

420

00:15:41,269 --> 00:15:38,480

on at your ranch uh technology i'd love

421

00:15:42,870 --> 00:15:41,279

for a visit he goes for a visit

422

00:15:44,949 --> 00:15:42,880

he's at the ranch

423

00:15:46,710 --> 00:15:44,959

it was like very short tour that bigelow

424

00:15:49,189 --> 00:15:46,720

gave him i think 30 minutes in they're

425

00:15:50,629 --> 00:15:49,199

in homestead 2 which was the scene of a

426

00:15:52,829 --> 00:15:50,639

lot of activity and i'm not sure if it

427

00:15:56,150 --> 00:15:52,839

was homestead 2.

428

00:15:58,550 --> 00:15:56,160

um and bigelow's sitting across from him

429

00:16:01,670 --> 00:15:58,560

and uh over bigelow's shoulder lukatsky

430

00:16:05,910 --> 00:16:01,680

sees this swirling uh tubular

431

00:16:07,350 --> 00:16:05,920

uh mobius loop that's just in in mid-air

432

00:16:10,150 --> 00:16:07,360

and i think it lasted for like 30

433

00:16:12,230 --> 00:16:10,160

seconds he has a clear view of it

434

00:16:13,829 --> 00:16:12,240

uh nobody else saw it he thinks it was

435

00:16:15,910 --> 00:16:13,839

just for him he's like i'm here 30

436

00:16:17,350 --> 00:16:15,920

minutes people usually don't always see

437

00:16:19,590 --> 00:16:17,360

stuff when they hear

438

00:16:23,110 --> 00:16:19,600

i saw something so he's like this is

439

00:16:25,189 --> 00:16:23,120

important we need to study this

440

00:16:27,269 --> 00:16:25,199

bigelow contacts harry reid shows them

441

00:16:29,269 --> 00:16:27,279

the letter from lutkatsky they get

442

00:16:30,389 --> 00:16:29,279

together like caskey says we need to

443

00:16:33,269 --> 00:16:30,399

study this

444

00:16:34,870 --> 00:16:33,279

and paranormal ufos and paranormal if we

445

00:16:36,470 --> 00:16:34,880

want to understand ufos we have to

446

00:16:37,670 --> 00:16:36,480

combine the two otherwise we'll never

447

00:16:41,030 --> 00:16:37,680

understand them

448

00:16:45,990 --> 00:16:44,230

bigelow gets inua senators nua stevens

449

00:16:47,430 --> 00:16:46,000

lakatsky speaks to them too which i

450

00:16:48,550 --> 00:16:47,440

didn't know which obviously i mean

451
00:16:51,110 --> 00:16:48,560
that's an obvious thing but i didn't

452
00:16:52,870 --> 00:16:51,120
know that they all got together and they

453
00:16:55,030 --> 00:16:52,880
formed osap

454
00:16:56,629 --> 00:16:55,040
they got 12 million dollars the first

455
00:16:59,350 --> 00:16:56,639
year i think and 10 million for the

456
00:17:01,350 --> 00:16:59,360
second so it came to fruition uh they

457
00:17:03,990 --> 00:17:01,360
put out the bid

458
00:17:06,150 --> 00:17:04,000
in late september bigelow was the only

459
00:17:08,470 --> 00:17:06,160
bidder there were other people who were

460
00:17:10,069 --> 00:17:08,480
interested i think three other companies

461
00:17:11,909 --> 00:17:10,079
and george knapp has reported that

462
00:17:14,789 --> 00:17:11,919
lockheed sniffed around they didn't make

463
00:17:16,949 --> 00:17:14,799

a bid it's obvious when you see

464

00:17:18,470 --> 00:17:16,959

the response of that

465

00:17:20,390 --> 00:17:18,480

bass which was bigelow's company he

466

00:17:21,829 --> 00:17:20,400

created for this they put up

467

00:17:23,350 --> 00:17:21,839

they were the perfect company i mean

468

00:17:24,870 --> 00:17:23,360

they had access to the ranch this

469

00:17:26,549 --> 00:17:24,880

happened on the ranch well that caskey

470

00:17:28,950 --> 00:17:26,559

had the experience so

471

00:17:32,470 --> 00:17:28,960

uh and then it happens and um

472

00:17:34,630 --> 00:17:32,480

that's how offset began and

473

00:17:37,430 --> 00:17:34,640

just real quick atip originally came

474

00:17:39,110 --> 00:17:37,440

about where 2009 harry reid wrote a

475

00:17:42,470 --> 00:17:39,120

letter to james lynn

476

00:17:44,310 --> 00:17:42,480

um i think he's the deputy assistant

477

00:17:48,150 --> 00:17:44,320

defense secretary but

478

00:17:49,830 --> 00:17:48,160

they tried to get awp into sap status so

479

00:17:51,590 --> 00:17:49,840

they can have access

480

00:17:53,430 --> 00:17:51,600

to some of the interesting stuff in the

481

00:17:54,789 --> 00:17:53,440

special access programs and also so they

482

00:17:57,270 --> 00:17:54,799

don't have to worry about funding and

483

00:18:00,789 --> 00:17:57,280

battling for funding every year uh that

484

00:18:03,110 --> 00:18:00,799

letter they got denied but in the letter

485

00:18:04,230 --> 00:18:03,120

they didn't want ossap the name to get

486

00:18:06,390 --> 00:18:04,240

out there so they came up with a

487

00:18:08,390 --> 00:18:06,400

nickname and i think it was reid who

488

00:18:11,990 --> 00:18:08,400

came up with atip so that's how that

489

00:18:15,750 --> 00:18:12,000

happened atip was used later on

490

00:18:17,510 --> 00:18:15,760

by elizondo in the dod so you have assap

491

00:18:19,430 --> 00:18:17,520

a tip which is a nickname and then

492

00:18:22,230 --> 00:18:19,440

elizondo a tip which was you know it

493

00:18:24,150 --> 00:18:22,240

wasn't a program it wasn't funded but

494

00:18:26,310 --> 00:18:24,160

they did a lot of work with military

495

00:18:28,630 --> 00:18:26,320

sightings so it was real it just wasn't

496

00:18:30,310 --> 00:18:28,640

an official program and it didn't have

497

00:18:31,750 --> 00:18:30,320

funding and

498

00:18:33,430 --> 00:18:31,760

lou needs to answer some questions

499

00:18:36,310 --> 00:18:33,440

because he was asked about the 22

500

00:18:38,310 --> 00:18:36,320

million dollars uh back in

501
00:18:40,870 --> 00:18:38,320
i don't know if it was it was 2008 or

502
00:18:42,870 --> 00:18:40,880
2009 at the mufon conference and he he

503
00:18:45,350 --> 00:18:42,880
never once said no we didn't get a penny

504
00:18:47,110 --> 00:18:45,360
of that money but that's the truth um so

505
00:18:49,110 --> 00:18:47,120
i have that in my blog

506
00:18:50,870 --> 00:18:49,120
and i will get to that and by the way

507
00:18:52,710 --> 00:18:50,880
mark and michael it says your devices

508
00:18:54,310 --> 00:18:52,720
aren't connected so i cannot go to you

509
00:18:55,750 --> 00:18:54,320
but i will go

510
00:18:58,230 --> 00:18:55,760
to sean

511
00:18:59,990 --> 00:18:58,240
what's up hey sean

512
00:19:01,110 --> 00:19:00,000
thank you thank you thank you for taking

513
00:19:02,630 --> 00:19:01,120

the time

514

00:19:05,430 --> 00:19:02,640

to come on oh man

515

00:19:07,990 --> 00:19:05,440

i yeah i was just sad that you were live

516

00:19:09,270 --> 00:19:08,000

and i had to do this i was just doing my

517

00:19:10,789 --> 00:19:09,280

own live thing

518

00:19:13,270 --> 00:19:10,799

pushing the crap out of your blog and

519

00:19:15,029 --> 00:19:13,280

stuff so

520

00:19:17,430 --> 00:19:15,039

yeah because you've been just on top of

521

00:19:19,830 --> 00:19:17,440

this for so long so

522

00:19:21,590 --> 00:19:19,840

um it's really amazing i put it in the

523

00:19:22,950 --> 00:19:21,600

description i told people to catch up

524

00:19:24,549 --> 00:19:22,960

that way so

525

00:19:26,710 --> 00:19:24,559

great thank you have you had it have you

526

00:19:29,669 --> 00:19:26,720

had a chance to read it yet

527

00:19:31,430 --> 00:19:29,679

i ordered it yesterday so

528

00:19:33,990 --> 00:19:31,440

hopefully it comes later today or

529

00:19:36,950 --> 00:19:34,000

tomorrow i was able to catch a few

530

00:19:39,190 --> 00:19:36,960

snippets of people posting a page or two

531

00:19:40,070 --> 00:19:39,200

here there and

532

00:19:42,310 --> 00:19:40,080

you know

533

00:19:45,029 --> 00:19:42,320

i'm pretty i don't know what it is about

534

00:19:46,630 --> 00:19:45,039

that interview but it's just like

535

00:19:49,029 --> 00:19:46,640

um

536

00:19:50,870 --> 00:19:49,039

i don't know it just kind of shifted my

537

00:19:52,549 --> 00:19:50,880

mindset for summer it's such a simple

538

00:19:54,470 --> 00:19:52,559

interview i guess but

539

00:19:56,870 --> 00:19:54,480

um which interview

540

00:19:58,710 --> 00:19:56,880

it was impactful uh the one with george

541

00:20:00,870 --> 00:19:58,720

knapp and lukowski and because i've

542

00:20:03,430 --> 00:20:00,880

never put much time into

543

00:20:05,270 --> 00:20:03,440

um you know researching them or looking

544

00:20:07,990 --> 00:20:05,280

at them you know first of all i've only

545

00:20:09,270 --> 00:20:08,000

been here maybe less than a year now but

546

00:20:11,510 --> 00:20:09,280

um

547

00:20:14,710 --> 00:20:11,520

you know and it's it's just uh it's

548

00:20:17,510 --> 00:20:14,720

amazing stuff and that story about um

549

00:20:21,029 --> 00:20:17,520

the orbs coming in the car and

550

00:20:23,430 --> 00:20:21,039

going through the guy's chest in

551

00:20:25,350 --> 00:20:23,440

how they've investigated it for years

552

00:20:27,190 --> 00:20:25,360

and they had a doctor following him for

553

00:20:30,230 --> 00:20:27,200

months and it's

554

00:20:31,750 --> 00:20:30,240

um it's all too it gets really serious

555

00:20:35,190 --> 00:20:31,760

you know

556

00:20:36,630 --> 00:20:35,200

um it's pretty it's it's intense it took

557

00:20:38,390 --> 00:20:36,640

my breath away

558

00:20:40,070 --> 00:20:38,400

um

559

00:20:42,390 --> 00:20:40,080

but yeah and

560

00:20:44,310 --> 00:20:42,400

so i i can't wait to read it yeah and on

561

00:20:45,830 --> 00:20:44,320

my show i was saying it sounds like me

562

00:20:49,270 --> 00:20:45,840

for the skinwalker would be a good

563

00:20:51,510 --> 00:20:50,070

yeah

564

00:20:52,789 --> 00:20:51,520

hum for the skinwalker is such a great

565

00:20:54,390 --> 00:20:52,799

book and it's not what you're talking

566

00:20:56,950 --> 00:20:54,400

about that's right

567

00:20:58,390 --> 00:20:56,960

and it's not it's not just a phenomenon

568

00:21:00,230 --> 00:20:58,400

of the phenomena that took place on the

569

00:21:01,909 --> 00:21:00,240

ranch it's the the ufo

570

00:21:04,070 --> 00:21:01,919

theories later in the book which i think

571

00:21:06,149 --> 00:21:04,080

are just stellar i mean some of the best

572

00:21:08,630 --> 00:21:06,159

thinking on ufos and i have a fly in

573

00:21:13,990 --> 00:21:11,590

i brought her home from the ranch no

574

00:21:15,350 --> 00:21:14,000

oh he's got a cleaner this that's that's

575

00:21:16,549 --> 00:21:15,360

one of the reasons when people read the

576

00:21:18,470 --> 00:21:16,559

book it's like

577

00:21:21,190 --> 00:21:18,480

i've gotten friendly with brandon uh

578

00:21:23,350 --> 00:21:21,200

brandon fogle and i interviewed him on

579

00:21:25,430 --> 00:21:23,360

twitter dm back and forth

580

00:21:27,669 --> 00:21:25,440

which is on my blog and i'm like you

581

00:21:29,270 --> 00:21:27,679

know i probably could get a visit to the

582

00:21:30,950 --> 00:21:29,280

ranch it's not that far from me like

583

00:21:32,549 --> 00:21:30,960

maybe four or five hour drive but i have

584

00:21:34,310 --> 00:21:32,559

no interest in going there and when you

585

00:21:35,430 --> 00:21:34,320

read this book when you read the book

586

00:21:37,590 --> 00:21:35,440

it's like

587

00:21:39,270 --> 00:21:37,600

i would think i wouldn't think anybody

588

00:21:41,590 --> 00:21:39,280

has an interest in going there more than

589

00:21:42,390 --> 00:21:41,600

one day even that's a risk and you take

590

00:21:44,789 --> 00:21:42,400

home

591

00:21:46,630 --> 00:21:44,799

activity and like so people who don't

592

00:21:48,549 --> 00:21:46,640

know it's not just the ranch the story

593

00:21:50,390 --> 00:21:48,559

shawn's talking about in oregon

594

00:21:52,870 --> 00:21:50,400

they were just driving

595

00:21:54,710 --> 00:21:52,880

the guy i forget his um

596

00:21:55,830 --> 00:21:54,720

it's a professional guy and his daughter

597

00:21:58,390 --> 00:21:55,840

and they're in oregon and all of a

598

00:22:00,950 --> 00:21:58,400

sudden she sees three

599

00:22:02,470 --> 00:22:00,960

objects off the side of the car

600

00:22:04,149 --> 00:22:02,480

and later on she said as soon as i

601
00:22:05,990 --> 00:22:04,159
noticed them that's when they came over

602
00:22:07,590 --> 00:22:06,000
they came into the car and i'm not clear

603
00:22:09,669 --> 00:22:07,600
if it went through the window or through

604
00:22:10,950 --> 00:22:09,679
the door but they came into the car two

605
00:22:13,430 --> 00:22:10,960
of them

606
00:22:15,110 --> 00:22:13,440
and glanced the one guy's shoulder and

607
00:22:16,230 --> 00:22:15,120
he started getting nauseous and then he

608
00:22:17,990 --> 00:22:16,240
got sick

609
00:22:19,909 --> 00:22:18,000
had a dream that

610
00:22:21,830 --> 00:22:19,919
it went through

611
00:22:23,350 --> 00:22:21,840
went through him right

612
00:22:25,270 --> 00:22:23,360
there's another story somebody else got

613
00:22:26,390 --> 00:22:25,280

glanced so it went through him

614

00:22:28,789 --> 00:22:26,400

and

615

00:22:30,870 --> 00:22:28,799

so he felt sick he went to sleep had a

616

00:22:33,190 --> 00:22:30,880

dream very vivid dream and in the dream

617

00:22:35,190 --> 00:22:33,200

it says we're gonna fix this or i forget

618

00:22:36,789 --> 00:22:35,200

the exact wording so he woke up you know

619

00:22:39,190 --> 00:22:36,799

it's like he saw this being surrounded

620

00:22:41,190 --> 00:22:39,200

by light in the dream i'm like oh cool

621

00:22:42,870 --> 00:22:41,200

it was it was angels they messed up they

622

00:22:44,870 --> 00:22:42,880

went through his arm by mistake now

623

00:22:46,950 --> 00:22:44,880

they're gonna fix him so he wakes up

624

00:22:49,190 --> 00:22:46,960

he's energized he feels good the rest of

625

00:22:51,110 --> 00:22:49,200

the day he feels like crap shorts long

626

00:22:53,029 --> 00:22:51,120

story short he gets diagnosed with

627

00:22:54,470 --> 00:22:53,039

cancer you know it basically consumed

628

00:22:56,789 --> 00:22:54,480

his life for two years

629

00:22:59,350 --> 00:22:56,799

so whatever whatever that was that fixed

630

00:23:01,830 --> 00:22:59,360

him didn't fix him um

631

00:23:04,149 --> 00:23:01,840

you know and you wonder

632

00:23:05,190 --> 00:23:04,159

what do i think what it was

633

00:23:06,950 --> 00:23:05,200

yeah

634

00:23:09,190 --> 00:23:06,960

i have no idea i mean i could speculate

635

00:23:11,190 --> 00:23:09,200

all day long that that's representing

636

00:23:13,669 --> 00:23:11,200

those orbs represent represent some sort

637

00:23:16,070 --> 00:23:13,679

of entities um

638

00:23:19,750 --> 00:23:16,080

so either

639

00:23:21,750 --> 00:23:19,760

uh was it um colin is his name he even

640

00:23:23,110 --> 00:23:21,760

said that they they at the end of the

641

00:23:24,710 --> 00:23:23,120

day they still don't know what those

642

00:23:27,190 --> 00:23:24,720

were

643

00:23:28,870 --> 00:23:27,200

no and you know you think so did they

644

00:23:31,029 --> 00:23:28,880

mistakenly

645

00:23:33,669 --> 00:23:31,039

enter his body you would think come on

646

00:23:35,750 --> 00:23:33,679

orbs you mistakenly entered the body and

647

00:23:37,830 --> 00:23:35,760

you should know by now that whatever

648

00:23:39,830 --> 00:23:37,840

energy you have

649

00:23:42,549 --> 00:23:39,840

is not it's detrimental to human beings

650

00:23:44,470 --> 00:23:42,559

i would think um yeah so it's like you

651
00:23:46,549 --> 00:23:44,480
have to wonder was it by accident or was

652
00:23:48,070 --> 00:23:46,559
it intentional if it's intentional

653
00:23:50,070 --> 00:23:48,080
that's horrible

654
00:23:52,070 --> 00:23:50,080
um but if they're if they're a higher

655
00:23:54,230 --> 00:23:52,080
intelligence they may look at us maybe

656
00:23:56,070 --> 00:23:54,240
not like ants but you know look how we

657
00:23:57,350 --> 00:23:56,080
treat animals of lower intelligence we

658
00:23:59,669 --> 00:23:57,360
really don't think much about killing

659
00:24:01,830 --> 00:23:59,679
them or injuring them some people

660
00:24:02,830 --> 00:24:01,840
um so that it could be that case i don't

661
00:24:04,630 --> 00:24:02,840
know

662
00:24:07,190 --> 00:24:04,640
um

663
00:24:09,990 --> 00:24:07,200

i think it was george nick who said uh

664

00:24:12,470 --> 00:24:10,000

it's like um we're in a petting zoo to

665

00:24:14,390 --> 00:24:12,480

them basically

666

00:24:17,110 --> 00:24:14,400

and that could be

667

00:24:19,510 --> 00:24:17,120

lewis said before um it

668

00:24:21,909 --> 00:24:19,520

it may not be like intentional it could

669

00:24:23,909 --> 00:24:21,919

be a byproduct of you know it may not

670

00:24:26,789 --> 00:24:23,919

have been talking about these things but

671

00:24:29,350 --> 00:24:26,799

uh like uh any harmfulness from it could

672

00:24:31,510 --> 00:24:29,360

just be a byproduct of it being around

673

00:24:33,830 --> 00:24:31,520

you know yeah what he says is he says

674

00:24:36,470 --> 00:24:33,840

it's a he says it could be a threat but

675

00:24:38,549 --> 00:24:36,480

it doesn't mean it has hostile intent

676

00:24:41,190 --> 00:24:38,559

right yeah and i'm like

677

00:24:43,430 --> 00:24:41,200

but it's like like i said i mean unless

678

00:24:45,590 --> 00:24:43,440

they're really dumb orbs whatever they

679

00:24:47,590 --> 00:24:45,600

are they should know by now and the

680

00:24:48,549 --> 00:24:47,600

craft too the craft they come close to

681

00:24:50,070 --> 00:24:48,559

people

682

00:24:52,310 --> 00:24:50,080

that's one of the things with kid green

683

00:24:53,990 --> 00:24:52,320

he only takes patients where they have a

684

00:24:56,750 --> 00:24:54,000

very up-close sighting and they get

685

00:24:58,630 --> 00:24:56,760

injured there's a list of of

686

00:25:01,110 --> 00:24:58,640

pre-prerequisites that have to occur for

687

00:25:03,029 --> 00:25:01,120

him to take a patient and 25 of his

688

00:25:03,669 --> 00:25:03,039

patients die within five to seven years

689

00:25:05,430 --> 00:25:03,679

and

690

00:25:07,990 --> 00:25:05,440

kit doesn't think necessarily their

691

00:25:10,230 --> 00:25:08,000

aliens or ufos he just deals with the

692

00:25:12,789 --> 00:25:10,240

medical aspects of it and his opinion is

693

00:25:14,549 --> 00:25:12,799

it may be black technology

694

00:25:15,750 --> 00:25:14,559

i need to try to get kit

695

00:25:17,669 --> 00:25:15,760

for a follow-up interview because my

696

00:25:19,750 --> 00:25:17,679

interview i did with him is incomplete

697

00:25:21,750 --> 00:25:19,760

um but yeah i don't know

698

00:25:23,350 --> 00:25:21,760

um but at the very least we need to

699

00:25:25,190 --> 00:25:23,360

figure out what it is because people are

700

00:25:26,950 --> 00:25:25,200

injured and like i said the program was

701
00:25:28,870 --> 00:25:26,960
two years and what they accomplished in

702
00:25:30,390 --> 00:25:28,880
two years from listening to it there's

703
00:25:32,870 --> 00:25:30,400
like a hundred i think they did 100

704
00:25:34,549 --> 00:25:32,880
reports kelleher said that the binders

705
00:25:36,070 --> 00:25:34,559
went up to six feet

706
00:25:37,990 --> 00:25:36,080
in his office i mean they had so many

707
00:25:39,830 --> 00:25:38,000
reports the dia has all of that and we

708
00:25:41,269 --> 00:25:39,840
deserve to have that we need to have

709
00:25:43,029 --> 00:25:41,279
that stuff there's no reason for it to

710
00:25:44,870 --> 00:25:43,039
be classified

711
00:25:47,430 --> 00:25:44,880
yeah that's a good point he just put on

712
00:25:50,390 --> 00:25:47,440
record that uh there's a crap ton of

713
00:25:52,630 --> 00:25:50,400

data that exists

714

00:25:54,310 --> 00:25:52,640

that network that's being kept from us

715

00:25:55,669 --> 00:25:54,320

yeah that's a great point

716

00:25:57,590 --> 00:25:55,679

um

717

00:25:59,590 --> 00:25:57,600

what do you make of because

718

00:26:02,630 --> 00:25:59,600

you know i had uh green street on my

719

00:26:04,470 --> 00:26:02,640

show a long time ago and he said that um

720

00:26:06,310 --> 00:26:04,480

davis told him that he thinks it's

721

00:26:07,750 --> 00:26:06,320

aliens

722

00:26:09,669 --> 00:26:07,760

no woody

723

00:26:12,070 --> 00:26:09,679

do you think that was made up or do you

724

00:26:15,750 --> 00:26:12,080

think there's anything to that

725

00:26:19,190 --> 00:26:15,760

uh yeah i think he thinks overall

726
00:26:21,909 --> 00:26:19,200
we're being visited by something alien

727
00:26:24,390 --> 00:26:21,919
not necessarily extraterrestrial

728
00:26:26,230 --> 00:26:24,400
um they could be from this planet he

729
00:26:27,750 --> 00:26:26,240
goes but he thinks they're using dement

730
00:26:30,230 --> 00:26:27,760
whatever whatever it is they're using

731
00:26:31,909 --> 00:26:30,240
dimensions to get here other dimensions

732
00:26:34,149 --> 00:26:31,919
and makes sense

733
00:26:36,710 --> 00:26:34,159
that's what i saw man in and out of a

734
00:26:39,590 --> 00:26:36,720
dimension it didn't come from you know

735
00:26:40,549 --> 00:26:39,600
up in the stars or anything it was like

736
00:26:44,310 --> 00:26:40,559
in

737
00:26:46,310 --> 00:26:44,320
and out of this like atmosphere you know

738
00:26:47,830 --> 00:26:46,320

uh it was pretty weird you know one time

739

00:26:49,750 --> 00:26:47,840

i got hit with the light on the shoulder

740

00:26:50,630 --> 00:26:49,760

first you know

741

00:26:51,590 --> 00:26:50,640

um

742

00:26:53,830 --> 00:26:51,600

and then

743

00:26:56,149 --> 00:26:53,840

it went straight in front of my face so

744

00:26:59,029 --> 00:26:56,159

when when you were just talking about

745

00:27:01,190 --> 00:26:59,039

um how the guy went to skinwalker and he

746

00:27:02,950 --> 00:27:01,200

saw that thing and

747

00:27:04,549 --> 00:27:02,960

he felt like it was important because

748

00:27:05,510 --> 00:27:04,559

you don't just see stuff right away like

749

00:27:11,669 --> 00:27:05,520

that

750

00:27:12,950 --> 00:27:11,679

it's weird

751

00:27:14,789 --> 00:27:12,960

and you had something hit you and

752

00:27:17,110 --> 00:27:14,799

there's another case in the book

753

00:27:18,470 --> 00:27:17,120

this guy's outside outside of his house

754

00:27:20,549 --> 00:27:18,480

and this is again we can argue black

755

00:27:23,269 --> 00:27:20,559

technology or non-human or whatever so

756

00:27:24,789 --> 00:27:23,279

he sees the black triangle very low

757

00:27:25,990 --> 00:27:24,799

nids did a lot of work on black

758

00:27:27,190 --> 00:27:26,000

triangles there

759

00:27:28,789 --> 00:27:27,200

before for people who don't know that

760

00:27:30,710 --> 00:27:28,799

was the national institute of discovery

761

00:27:32,870 --> 00:27:30,720

science uh that was bigelow's

762

00:27:37,029 --> 00:27:32,880

organization back in

763

00:27:38,870 --> 00:27:37,039

95 i think to 2004 if i'm correct and

764

00:27:40,549 --> 00:27:38,880

then so they did a lot of work on black

765

00:27:41,830 --> 00:27:40,559

triangles thought they were

766

00:27:43,990 --> 00:27:41,840

military and then they changed their

767

00:27:47,190 --> 00:27:44,000

mind i believe but this one it was

768

00:27:49,029 --> 00:27:47,200

hovering low in the backyard uh this guy

769

00:27:51,190 --> 00:27:49,039

decides to take his flashlight a really

770

00:27:52,950 --> 00:27:51,200

strong flashlight and blast it before he

771

00:27:55,590 --> 00:27:52,960

can blast it a beam comes down from the

772

00:27:57,590 --> 00:27:55,600

crap hits him in the arm once again it's

773

00:27:59,590 --> 00:27:57,600

not like no big injury but then he gets

774

00:28:01,110 --> 00:27:59,600

really really sick

775

00:28:03,110 --> 00:28:01,120

so it's like

776

00:28:05,510 --> 00:28:03,120

if that's black tech if that is black

777

00:28:07,110 --> 00:28:05,520

technology how did the folks

778

00:28:08,310 --> 00:28:07,120

behind it know that he was about to

779

00:28:09,830 --> 00:28:08,320

blast them

780

00:28:11,669 --> 00:28:09,840

with the flashlight

781

00:28:14,149 --> 00:28:11,679

because to me that sounds just like tic

782

00:28:15,510 --> 00:28:14,159

tac telepathy you know how did they find

783

00:28:18,950 --> 00:28:15,520

the cap point

784

00:28:20,549 --> 00:28:18,960

um speculation by me

785

00:28:22,710 --> 00:28:20,559

yeah that's that's right that's a great

786

00:28:25,190 --> 00:28:22,720

point actually if yeah because there's

787

00:28:26,549 --> 00:28:25,200

some pre-cognizance there

788

00:28:28,830 --> 00:28:26,559

or

789

00:28:31,590 --> 00:28:28,840

yeah just future telling straight

790

00:28:33,029 --> 00:28:31,600

up you know cutting people off before

791

00:28:36,149 --> 00:28:33,039

they can do that but why would you do

792

00:28:36,159 --> 00:28:39,510

a big flashlight once

793

00:28:44,710 --> 00:28:41,750

yeah i think he had a lot of tumors too

794

00:28:46,710 --> 00:28:44,720

uh if i'm recalling that case um but

795

00:28:49,750 --> 00:28:46,720

there's another case here's another

796

00:28:52,149 --> 00:28:49,760

theory they put in the book so

797

00:28:53,350 --> 00:28:52,159

there's a lady who sits next to let

798

00:28:55,269 --> 00:28:53,360

catski

799

00:28:57,750 --> 00:28:55,279

never went to the ranch

800

00:28:59,909 --> 00:28:57,760

i think tonight

801
00:29:02,149 --> 00:28:59,919
before

802
00:29:03,830 --> 00:29:02,159
well he he gave up a briefing to the

803
00:29:06,230 --> 00:29:03,840
department of homeland security trying

804
00:29:08,470 --> 00:29:06,240
to get another home for assap and if you

805
00:29:10,230 --> 00:29:08,480
read the book it was like he had taken

806
00:29:11,669 --> 00:29:10,240
the time to finally go through all of

807
00:29:12,789 --> 00:29:11,679
the data they collected he didn't have a

808
00:29:14,310 --> 00:29:12,799
chance before he goes i'm going to

809
00:29:15,750 --> 00:29:14,320
prepare for this

810
00:29:19,110 --> 00:29:15,760
and he says it's the most they write

811
00:29:20,950 --> 00:29:19,120
it's the most passionate defense of asap

812
00:29:22,870 --> 00:29:20,960
giving them all of the data and they

813
00:29:24,549 --> 00:29:22,880

listen seriously you know even the

814

00:29:26,549 --> 00:29:24,559

controversial data

815

00:29:28,310 --> 00:29:26,559

eventually it didn't happen but

816

00:29:31,510 --> 00:29:28,320

the woman who sat next to him in the

817

00:29:33,590 --> 00:29:31,520

office her brother who never had any

818

00:29:35,590 --> 00:29:33,600

type of experiences started having

819

00:29:37,510 --> 00:29:35,600

paranormal experiences

820

00:29:39,430 --> 00:29:37,520

so it makes you think somehow

821

00:29:43,590 --> 00:29:39,440

it's transferable

822

00:29:45,830 --> 00:29:43,600

of the theories in the book um

823

00:29:48,149 --> 00:29:45,840

now not the disease or injuries but the

824

00:29:49,750 --> 00:29:48,159

phenomenon is somehow transferable and

825

00:29:51,029 --> 00:29:49,760

then when you experience the phenomenon

826

00:29:51,990 --> 00:29:51,039

depending on what happens you can get

827

00:29:54,310 --> 00:29:52,000

sick

828

00:29:56,630 --> 00:29:54,320

so that's really interesting how we're

829

00:29:58,230 --> 00:29:56,640

not studying that is just beyond me i

830

00:30:00,149 --> 00:29:58,240

hope somebody in the

831

00:30:02,710 --> 00:30:00,159

go ahead sorry like something that just

832

00:30:04,710 --> 00:30:02,720

opens up in you like once you hear

833

00:30:07,510 --> 00:30:04,720

enough of it or

834

00:30:12,149 --> 00:30:07,520

you open up enough to it

835

00:30:14,630 --> 00:30:12,159

it can then manifest somehow because

836

00:30:16,870 --> 00:30:14,640

you know you allow you're allowing more

837

00:30:18,950 --> 00:30:16,880

things or you're being more open-minded

838

00:30:20,549 --> 00:30:18,960

or something i wonder

839

00:30:22,470 --> 00:30:20,559

yeah either that or it's somehow

840

00:30:24,310 --> 00:30:22,480

affecting your ability to perceive

841

00:30:25,350 --> 00:30:24,320

certain things now you can perceive them

842

00:30:26,310 --> 00:30:25,360

but

843

00:30:27,750 --> 00:30:26,320

um

844

00:30:29,909 --> 00:30:27,760

it's kind of scary if it's something

845

00:30:31,510 --> 00:30:29,919

that's transferable you know

846

00:30:32,870 --> 00:30:31,520

and they mentioned covid they mentioned

847

00:30:35,430 --> 00:30:32,880

covert but they said you know it's not

848

00:30:37,029 --> 00:30:35,440

like the disease or the negative medical

849

00:30:39,110 --> 00:30:37,039

effects those aren't transferable it's

850

00:30:40,710 --> 00:30:39,120

just the phenomenon um people have

851
00:30:43,190 --> 00:30:40,720
reported

852
00:30:45,190 --> 00:30:43,200
you know people connected to the di dia

853
00:30:46,870 --> 00:30:45,200
folks who were on the ranch all of them

854
00:30:48,230 --> 00:30:46,880
brought it home to their families george

855
00:30:49,590 --> 00:30:48,240
knapp brought her home to his family

856
00:30:51,029 --> 00:30:49,600
eric davis brought her dumps to his

857
00:30:54,389 --> 00:30:51,039
family

858
00:30:56,149 --> 00:30:54,399
um yeah all of them call him kelleher uh

859
00:30:59,190 --> 00:30:56,159
you know shadow being standing over the

860
00:31:01,269 --> 00:30:59,200
bed orbs in the house uh one of the guys

861
00:31:04,070 --> 00:31:01,279
jonathan axelrod his family had so much

862
00:31:05,669 --> 00:31:04,080
activities teenage sons had this one son

863
00:31:08,070 --> 00:31:05,679

the younger teenage son had red and

864

00:31:10,389 --> 00:31:08,080

black red and blue orbs in the room that

865

00:31:11,590 --> 00:31:10,399

that did some damage to this to the sun

866

00:31:13,669 --> 00:31:11,600

um

867

00:31:15,590 --> 00:31:13,679

and the teenage sons and the wife i

868

00:31:17,509 --> 00:31:15,600

believe saw on separate occasions they

869

00:31:19,190 --> 00:31:17,519

saw this upright this is where it gets

870

00:31:20,070 --> 00:31:19,200

people have a very hard time believing

871

00:31:21,350 --> 00:31:20,080

this but

872

00:31:24,149 --> 00:31:21,360

you know it was like a wolf-like

873

00:31:24,950 --> 00:31:24,159

creature on two legs in the backyard

874

00:31:26,549 --> 00:31:24,960

um

875

00:31:28,389 --> 00:31:26,559

they didn't say anything to anybody the

876

00:31:30,149 --> 00:31:28,399

kids knew enough not to say anything

877

00:31:31,909 --> 00:31:30,159

because it's so outlandish and then the

878

00:31:33,750 --> 00:31:31,919

kids friends are like guess what i saw

879

00:31:35,669 --> 00:31:33,760

in my backyard

880

00:31:37,430 --> 00:31:35,679

the same thing so it's like you know

881

00:31:39,909 --> 00:31:37,440

multiple witnesses not connect well

882

00:31:42,789 --> 00:31:39,919

connected to each other um so that's

883

00:31:44,830 --> 00:31:42,799

that's not a big part of the book um

884

00:31:48,310 --> 00:31:44,840

but a lot of people

885

00:31:50,549 --> 00:31:48,320

yeah it was in that too they were yeah

886

00:31:52,549 --> 00:31:50,559

i think it started with uh those stories

887

00:31:54,230 --> 00:31:52,559

didn't it for the skinwalker

888

00:31:56,070 --> 00:31:54,240

with the werewolf feet and all that kind

889

00:31:58,630 --> 00:31:56,080

of stuff and

890

00:32:00,950 --> 00:31:58,640

there are yeah in that neighborhood in

891

00:32:02,950 --> 00:32:00,960

the you basin in that neighborhood

892

00:32:04,230 --> 00:32:02,960

there are just so many stories about

893

00:32:05,190 --> 00:32:04,240

that

894

00:32:05,990 --> 00:32:05,200

um

895

00:32:07,509 --> 00:32:06,000

and then

896

00:32:09,029 --> 00:32:07,519

on on the ranch there's a story from the

897

00:32:11,590 --> 00:32:09,039

original not the original owners but the

898

00:32:14,549 --> 00:32:11,600

owners uh before bigelow the shermans

899

00:32:16,389 --> 00:32:14,559

they had a wolf a giant wolf walk up and

900

00:32:18,310 --> 00:32:16,399

they shot it up close range and you know

901
00:32:20,149 --> 00:32:18,320
a piece of flat police piece of flesh

902
00:32:22,710 --> 00:32:20,159
came off but they couldn't kill it uh

903
00:32:25,110 --> 00:32:22,720
then it attacked one of their um

904
00:32:26,630 --> 00:32:25,120
baby cows a calf so yeah that story

905
00:32:28,389 --> 00:32:26,640
people were like come on that's so

906
00:32:29,990 --> 00:32:28,399
ridiculous i'm like well there's other

907
00:32:31,509 --> 00:32:30,000
people who have seen things eric davis

908
00:32:33,669 --> 00:32:31,519
and collin keller saw something in the

909
00:32:35,669 --> 00:32:33,679
tree and then eric davis was frozen in

910
00:32:37,350 --> 00:32:35,679
place with voices in his head and people

911
00:32:39,190 --> 00:32:37,360
are like what that's not i didn't know

912
00:32:41,269 --> 00:32:39,200
that yeah yeah so eric davis is on the

913
00:32:43,190 --> 00:32:41,279

ranch um

914

00:32:44,870 --> 00:32:43,200

all of a sudden you know i think it's at

915

00:32:47,269 --> 00:32:44,880

the same time they saw this creature in

916

00:32:49,669 --> 00:32:47,279

the tree uh they can only see the eyes i

917

00:32:52,389 --> 00:32:49,679

think at the same time he gets frozen in

918

00:32:54,149 --> 00:32:52,399

place he can't move he can't talk

919

00:32:56,230 --> 00:32:54,159

whatever it was speaks through him

920

00:32:58,710 --> 00:32:56,240

saying we're watching you i think it

921

00:33:00,230 --> 00:32:58,720

came out of his mouth um he was messed

922

00:33:01,909 --> 00:33:00,240

up for a little bit after that he talks

923

00:33:03,430 --> 00:33:01,919

about it when i asked him about it and

924

00:33:05,190 --> 00:33:03,440

when he's talking spoken about it on

925

00:33:07,190 --> 00:33:05,200

shows he's like no big deal you know

926

00:33:09,110 --> 00:33:07,200

they were just it wasn't like a an

927

00:33:10,149 --> 00:33:09,120

exorcism or haunting it was it was just

928

00:33:12,230 --> 00:33:10,159

something really brief and they were

929

00:33:13,669 --> 00:33:12,240

just letting us know they were there

930

00:33:15,269 --> 00:33:13,679

and there are people like eric davis has

931

00:33:16,710 --> 00:33:15,279

no credibility i'm like why because he

932

00:33:18,230 --> 00:33:16,720

told the story that you have a hard time

933

00:33:20,070 --> 00:33:18,240

believing i mean there are so many

934

00:33:22,870 --> 00:33:20,080

stories like that in the book you have

935

00:33:24,789 --> 00:33:22,880

people need to get over that

936

00:33:26,789 --> 00:33:24,799

i mean like you just got to think of

937

00:33:29,830 --> 00:33:26,799

like what what were

938

00:33:32,070 --> 00:33:29,840

i mean the topic in general ufos uh

939

00:33:33,830 --> 00:33:32,080

extraterrestrials interdimensionals the

940

00:33:34,630 --> 00:33:33,840

whole thing is

941

00:33:37,750 --> 00:33:34,640

you know

942

00:33:39,669 --> 00:33:37,760

from the outside in is unbelievable

943

00:33:41,990 --> 00:33:39,679

so what what makes

944

00:33:43,750 --> 00:33:42,000

one thing more unbelievable than the

945

00:33:45,269 --> 00:33:43,760

other it's kind of like anything can

946

00:33:46,549 --> 00:33:45,279

really go

947

00:33:49,029 --> 00:33:46,559

um

948

00:33:50,710 --> 00:33:49,039

as long as you know it's

949

00:33:52,549 --> 00:33:50,720

you know coming from someone like eric

950

00:33:54,310 --> 00:33:52,559

davis you know

951

00:33:56,630 --> 00:33:54,320

um

952

00:33:58,710 --> 00:33:56,640

i never thought i'd be in any like

953

00:34:00,950 --> 00:33:58,720

wrapped up in any of this stuff you know

954

00:34:03,830 --> 00:34:00,960

so as far as i'm concerned like

955

00:34:05,430 --> 00:34:03,840

anything is really possible you know

956

00:34:08,230 --> 00:34:05,440

i'm not gonna go believe in everything

957

00:34:10,470 --> 00:34:08,240

but but i'm open to absolutely

958

00:34:11,909 --> 00:34:10,480

almost anything you know yeah when i

959

00:34:13,109 --> 00:34:11,919

hear stories like that from credible

960

00:34:15,430 --> 00:34:13,119

people i'm like

961

00:34:17,270 --> 00:34:15,440

i i believe them i don't know what it is

962

00:34:19,349 --> 00:34:17,280

though i don't know if it's like

963

00:34:20,869 --> 00:34:19,359

when you see a wolf in the backyard

964

00:34:23,589 --> 00:34:20,879

people are multiple witnesses of

965

00:34:25,270 --> 00:34:23,599

reporting that i don't and the tree had

966

00:34:26,869 --> 00:34:25,280

marks from the from the claws so there's

967

00:34:27,750 --> 00:34:26,879

physical evidence that something was

968

00:34:29,349 --> 00:34:27,760

there

969

00:34:30,869 --> 00:34:29,359

but is that you know you think is that

970

00:34:32,869 --> 00:34:30,879

thing still in the neighborhood did it

971

00:34:34,710 --> 00:34:32,879

did it did it you know escape is it

972

00:34:36,149 --> 00:34:34,720

running around still did it go back to

973

00:34:38,230 --> 00:34:36,159

where it came from was it really

974

00:34:40,869 --> 00:34:38,240

something real did the intelligence

975

00:34:42,310 --> 00:34:40,879

behind ufos create that you know is that

976
00:34:44,550 --> 00:34:42,320
just something they mess with us with

977
00:34:46,550 --> 00:34:44,560
it's like no idea no idea there's so

978
00:34:48,710 --> 00:34:46,560
many possibilities but the fact that

979
00:34:51,750 --> 00:34:48,720
it's being

980
00:34:55,430 --> 00:34:51,760
oh i feel like he's interrupting it

981
00:34:57,910 --> 00:34:55,440
i i just remembered that uh in

982
00:35:00,390 --> 00:34:57,920
in uh hunt for the skinwalker the story

983
00:35:03,030 --> 00:35:00,400
about the werewolf like they went to go

984
00:35:06,630 --> 00:35:03,040
look for it afterwards and there were no

985
00:35:11,109 --> 00:35:08,230
the tracks and i think that was chris

986
00:35:13,670 --> 00:35:11,119
bartel's story i believe

987
00:35:16,630 --> 00:35:13,680
and there's other stories like that

988
00:35:18,630 --> 00:35:16,640

and yeah yeah it's like that's kind of

989

00:35:19,430 --> 00:35:18,640

manifestation

990

00:35:24,390 --> 00:35:19,440

yeah

991

00:35:28,069 --> 00:35:24,400

well i i can't explain it scientifically

992

00:35:31,750 --> 00:35:29,589

but all right

993

00:35:33,030 --> 00:35:31,760

i i don't want to hog your time it's up

994

00:35:34,470 --> 00:35:33,040

to you if you want to stay you can i'm

995

00:35:35,829 --> 00:35:34,480

going to go through just some quotes

996

00:35:37,270 --> 00:35:35,839

from the book that i pulled up you could

997

00:35:39,190 --> 00:35:37,280

stay or go

998

00:35:40,710 --> 00:35:39,200

yeah i don't want to you know stop

999

00:35:42,390 --> 00:35:40,720

anyone else from joining yes so there's

1000

00:35:44,069 --> 00:35:42,400

nobody else all there is is mark but it

1001
00:35:45,910 --> 00:35:44,079
says his device is not connected so i

1002
00:35:47,829 --> 00:35:45,920
can't go to him some people have a

1003
00:35:50,550 --> 00:35:47,839
problem

1004
00:35:54,390 --> 00:35:50,560
yeah let me let me go to the

1005
00:36:01,750 --> 00:35:54,400
photos let's see if that works

1006
00:36:05,990 --> 00:36:04,230
so it starts out

1007
00:36:08,310 --> 00:36:06,000
get so to dedicate the book to uh

1008
00:36:10,630 --> 00:36:08,320
bigelow and senator harry reid

1009
00:36:12,230 --> 00:36:10,640
um yeah without it would have never

1010
00:36:13,750 --> 00:36:12,240
happened and people were like i said

1011
00:36:14,950 --> 00:36:13,760
earlier people were like oh this was

1012
00:36:16,550 --> 00:36:14,960
geared for harry reid it was a

1013
00:36:18,470 --> 00:36:16,560

sweetheart deal it's like

1014

00:36:20,390 --> 00:36:18,480

they're really i can't think of anybody

1015

00:36:22,390 --> 00:36:20,400

else you know who could have pulled this

1016

00:36:23,990 --> 00:36:22,400

off besides bigelow and bass with the

1017

00:36:26,710 --> 00:36:24,000

experience he had with nids which was

1018

00:36:29,030 --> 00:36:26,720

perfect also in their bid in their

1019

00:36:31,349 --> 00:36:29,040

response now there was a proposal put

1020

00:36:33,109 --> 00:36:31,359

out request for a proposal bas was the

1021

00:36:34,390 --> 00:36:33,119

only one that put back a proposal and in

1022

00:36:35,829 --> 00:36:34,400

the proposal one of the things is like

1023

00:36:37,670 --> 00:36:35,839

we're going to use remote viewing to try

1024

00:36:40,230 --> 00:36:37,680

to get the answers i don't think anybody

1025

00:36:40,950 --> 00:36:40,240

else would even thought about that you

1026

00:36:43,430 --> 00:36:40,960

know

1027

00:36:44,710 --> 00:36:43,440

so let's point works doesn't have rv

1028

00:36:47,190 --> 00:36:44,720

section so

1029

00:36:49,750 --> 00:36:47,200

exactly so this is what the caskets le

1030

00:36:51,270 --> 00:36:49,760

cassie talks about march 2 2007 he goes

1031

00:36:52,950 --> 00:36:51,280

i read the book cover to cover i was

1032

00:36:55,829 --> 00:36:52,960

legitimately interested in this as a

1033

00:36:57,270 --> 00:36:55,839

useful as useful to the military which

1034

00:36:59,910 --> 00:36:57,280

is always disappointing to me because

1035

00:37:01,750 --> 00:36:59,920

everything is used in the military

1036

00:37:03,910 --> 00:37:01,760

and useful to my particular group which

1037

00:37:06,230 --> 00:37:03,920

was looking at possible threats to new

1038

00:37:08,390 --> 00:37:06,240

weapons systems that's what attracted my

1039

00:37:09,910 --> 00:37:08,400

attention lakotsky was particularly

1040

00:37:12,069 --> 00:37:09,920

captivated by the books accounts of the

1041

00:37:13,510 --> 00:37:12,079

paranormal and the more he read the more

1042

00:37:16,230 --> 00:37:13,520

alarmed he became that something

1043

00:37:18,230 --> 00:37:16,240

technological of uncertain ownership

1044

00:37:20,470 --> 00:37:18,240

might be operating undetected in the

1045

00:37:22,470 --> 00:37:20,480

united states airspace after all a lot

1046

00:37:24,230 --> 00:37:22,480

of different objects that flew silently

1047

00:37:26,150 --> 00:37:24,240

and had remarkable aerodynamic

1048

00:37:28,710 --> 00:37:26,160

characteristics and widely different

1049

00:37:30,550 --> 00:37:28,720

shapes and sizes seems

1050

00:37:32,710 --> 00:37:30,560

seem to have manif have manifest

1051
00:37:36,870 --> 00:37:32,720
infested this particular quiet corner of

1052
00:37:40,069 --> 00:37:36,880
the state which was skinwalker ranch

1053
00:37:42,150 --> 00:37:40,079
um and this was the guy who was like

1054
00:37:44,069 --> 00:37:42,160
axelrod jonathan actually i'm not sure

1055
00:37:46,069 --> 00:37:44,079
if that's his name he worked closely

1056
00:37:48,310 --> 00:37:46,079
with lakotsky and

1057
00:37:50,069 --> 00:37:48,320
uh he was the acknowledged leader

1058
00:37:51,990 --> 00:37:50,079
there's three guys who first went to the

1059
00:37:53,990 --> 00:37:52,000
ranch he was the leader of those uh

1060
00:37:55,270 --> 00:37:54,000
senior aerospace engineer in naval

1061
00:37:56,630 --> 00:37:55,280
intelligence

1062
00:37:58,630 --> 00:37:56,640
uh his

1063
00:38:00,230 --> 00:37:58,640

calm demeanor and infectious sense of

1064

00:38:02,150 --> 00:38:00,240

humor enabled him to move easily in

1065

00:38:04,470 --> 00:38:02,160

pentagon circles

1066

00:38:07,109 --> 00:38:04,480

and he is the one you know we always

1067

00:38:08,870 --> 00:38:07,119

heard atip investigated

1068

00:38:10,310 --> 00:38:08,880

the tic tac case

1069

00:38:13,589 --> 00:38:10,320

but we're going to get rid of this but

1070

00:38:17,109 --> 00:38:13,599

it wasn't a tip it was it was all sap

1071

00:38:23,510 --> 00:38:20,069

and the man who

1072

00:38:26,069 --> 00:38:23,520

started the investigation was axelrod

1073

00:38:27,910 --> 00:38:26,079

in 2009 he was the lead investigator of

1074

00:38:29,589 --> 00:38:27,920

the now infamous tic tac case that had

1075

00:38:30,390 --> 00:38:29,599

embroiled the nimitz aircraft strike

1076

00:38:33,030 --> 00:38:30,400

group

1077

00:38:35,990 --> 00:38:33,040

um

1078

00:38:37,990 --> 00:38:36,000

so that's basically he was the one and

1079

00:38:39,910 --> 00:38:38,000

interviewed everybody he he interviewed

1080

00:38:41,990 --> 00:38:39,920

people that we probably have i'm pretty

1081

00:38:43,190 --> 00:38:42,000

sure we have never heard from uh and

1082

00:38:45,030 --> 00:38:43,200

there may be more to that case that

1083

00:38:48,230 --> 00:38:45,040

we've never heard about too

1084

00:38:49,430 --> 00:38:48,240

um the lou didn't interview like fravor

1085

00:38:51,270 --> 00:38:49,440

and all that

1086

00:38:53,270 --> 00:38:51,280

lou may have interviewed them later but

1087

00:38:55,109 --> 00:38:53,280

it started before that so i'm not

1088

00:38:57,349 --> 00:38:55,119

exactly sure if lou was part of

1089

00:38:59,430 --> 00:38:57,359

axelrod's interviews i'm not sure if

1090

00:39:01,270 --> 00:38:59,440

they were together on that there's lots

1091

00:39:02,470 --> 00:39:01,280

of questions

1092

00:39:04,150 --> 00:39:02,480

axel rod

1093

00:39:05,910 --> 00:39:04,160

yeah and it's like i don't know if it's

1094

00:39:06,790 --> 00:39:05,920

his real name but there is another axle

1095

00:39:07,990 --> 00:39:06,800

rod

1096

00:39:09,270 --> 00:39:08,000

um

1097

00:39:11,910 --> 00:39:09,280

who was

1098

00:39:13,589 --> 00:39:11,920

the point man for ingo swann when engel

1099

00:39:15,990 --> 00:39:13,599

swann

1100

00:39:18,390 --> 00:39:16,000

was taken and did some remote viewing of

1101

00:39:20,150 --> 00:39:18,400

the moon his contact point person was

1102

00:39:22,230 --> 00:39:20,160

axelrod so i was like is that the same

1103

00:39:23,990 --> 00:39:22,240

guy as far as i know no

1104

00:39:26,390 --> 00:39:24,000

um

1105

00:39:32,069 --> 00:39:26,400

but it says axelrod was con confessed he

1106

00:39:35,990 --> 00:39:34,550

after after afterwards axelrod axelrod

1107

00:39:37,990 --> 00:39:36,000

started bringing hope stuff to his

1108

00:39:39,270 --> 00:39:38,000

family and he was disturbed that you

1109

00:39:41,349 --> 00:39:39,280

know

1110

00:39:43,750 --> 00:39:41,359

his his house was turning into a bizarre

1111

00:39:46,390 --> 00:39:43,760

paranormal disneyland

1112

00:39:47,990 --> 00:39:46,400

uh and once again people who i i think

1113

00:39:50,550 --> 00:39:48,000

this debate is over

1114

00:39:52,550 --> 00:39:50,560

because people one of the debates was

1115

00:39:54,790 --> 00:39:52,560

well yeah they studied ufos but the

1116

00:39:57,589 --> 00:39:54,800

original purpose was to study you know

1117

00:40:00,950 --> 00:39:57,599

aerospace technologies out 50 years and

1118

00:40:03,349 --> 00:40:00,960

then lakatsky bigelow they decided to go

1119

00:40:05,990 --> 00:40:03,359

rogue and study ufos on their own

1120

00:40:08,150 --> 00:40:06,000

without the knowledge and and support of

1121

00:40:11,349 --> 00:40:08,160

the dia but if you read the book it says

1122

00:40:13,430 --> 00:40:11,359

that lakoski had the backing of two dia

1123

00:40:15,190 --> 00:40:13,440

directors uh and he says you know this

1124

00:40:17,750 --> 00:40:15,200

was a ufo program period that was the

1125

00:40:20,470 --> 00:40:17,760

perfect perfect purpose from the start

1126

00:40:21,510 --> 00:40:20,480

um and interesting enough like they

1127

00:40:23,430 --> 00:40:21,520

don't

1128

00:40:25,589 --> 00:40:23,440

they didn't need them for aerospace

1129

00:40:28,950 --> 00:40:25,599

stuff there was there's already so many

1130

00:40:30,150 --> 00:40:28,960

companies doing that you know

1131

00:40:32,230 --> 00:40:30,160

you know what i mean like they already

1132

00:40:35,030 --> 00:40:32,240

had have well i don't know for sure but

1133

00:40:35,910 --> 00:40:35,040

contracts with like northrop or lockheed

1134

00:40:38,950 --> 00:40:35,920

and

1135

00:40:39,910 --> 00:40:38,960

you know spacex or whatever so

1136

00:40:41,349 --> 00:40:39,920

you know

1137

00:40:43,270 --> 00:40:41,359

he goes on he goes furthermore he goes

1138

00:40:44,870 --> 00:40:43,280

this was about how ufos might fit into

1139

00:40:47,589 --> 00:40:44,880

the realm of what we might consider the

1140

00:40:49,990 --> 00:40:47,599

paranormal lekatsky believed then as now

1141

00:40:52,230 --> 00:40:50,000

the study focused solely on ufos on

1142

00:40:53,510 --> 00:40:52,240

various unknown nuts and bolts type

1143

00:40:55,589 --> 00:40:53,520

craft

1144

00:40:57,430 --> 00:40:55,599

floating around the skies over military

1145

00:40:58,710 --> 00:40:57,440

bases and facilities would never get to

1146

00:41:00,790 --> 00:40:58,720

the heart of a much larger and

1147

00:41:03,109 --> 00:41:00,800

complicated mystery you're going to be

1148

00:41:05,109 --> 00:41:03,119

hunting for aliens cruising by from now

1149

00:41:06,390 --> 00:41:05,119

until doomsday and you're never going to

1150

00:41:08,069 --> 00:41:06,400

solve anything

1151

00:41:09,990 --> 00:41:08,079

so we'll get back to that stuff later

1152

00:41:11,990 --> 00:41:10,000

but yeah and that's that's what knapp

1153

00:41:14,470 --> 00:41:12,000

told us he goes yeah that's why catskill

1154

00:41:15,670 --> 00:41:14,480

was so important uh after after he had

1155

00:41:18,390 --> 00:41:15,680

the experience he's like we need to

1156

00:41:19,990 --> 00:41:18,400

study all of this uh and it's gonna be

1157

00:41:22,390 --> 00:41:20,000

it's a problem right now in our field

1158

00:41:23,829 --> 00:41:22,400

people don't want to touch this stuff

1159

00:41:24,790 --> 00:41:23,839

well i mean

1160

00:41:28,630 --> 00:41:24,800

you just

1161

00:41:30,790 --> 00:41:28,640

all right i'm stuck in the 50s and 60s

1162

00:41:31,750 --> 00:41:30,800

right now but you just think of that

1163

00:41:34,710 --> 00:41:31,760

like

1164

00:41:37,430 --> 00:41:34,720

all the decades that have passed and

1165

00:41:38,829 --> 00:41:37,440

you know where we really gotten

1166

00:41:41,670 --> 00:41:38,839

by

1167

00:41:44,150 --> 00:41:41,680

disassociating it with consciousness in

1168

00:41:46,710 --> 00:41:44,160

paranormal and dimensions

1169

00:41:48,710 --> 00:41:46,720

and other possibilities you know you

1170

00:41:50,950 --> 00:41:48,720

can't keep letting that stigma

1171

00:41:53,510 --> 00:41:50,960

you know clamp down your ability to

1172

00:41:55,990 --> 00:41:53,520

learn you know which is

1173

00:41:57,829 --> 00:41:56,000

kind of what we've been seeing you know

1174

00:42:00,150 --> 00:41:57,839

barely able to admit that they're even

1175

00:42:01,589 --> 00:42:00,160

investigating it let alone going into

1176
00:42:03,349 --> 00:42:01,599
the consciousness side yeah they did a

1177
00:42:05,430 --> 00:42:03,359
lot of rv stuff

1178
00:42:07,589 --> 00:42:05,440
um

1179
00:42:10,390 --> 00:42:07,599
but as far as i know they weren't you

1180
00:42:12,710 --> 00:42:10,400
know incorporating that ufo study now i

1181
00:42:16,790 --> 00:42:12,720
did find an sri document

1182
00:42:18,790 --> 00:42:16,800
um to maybe it was the cia in the late

1183
00:42:21,670 --> 00:42:18,800
70s

1184
00:42:23,990 --> 00:42:21,680
asking about a ufo uh project and if

1185
00:42:26,790 --> 00:42:24,000
they'd be interested in it

1186
00:42:28,790 --> 00:42:26,800
but it was assumed no so you know i

1187
00:42:31,829 --> 00:42:28,800
don't think they did it but

1188
00:42:33,510 --> 00:42:31,839

um it's very interesting but

1189

00:42:35,190 --> 00:42:33,520

you know you you have to take all

1190

00:42:37,030 --> 00:42:35,200

aspects of that on especially if it's

1191

00:42:38,630 --> 00:42:37,040

going to be something so complicated

1192

00:42:40,550 --> 00:42:38,640

like to know what it is you have to know

1193

00:42:42,829 --> 00:42:40,560

what it isn't right

1194

00:42:45,829 --> 00:42:42,839

exactly and as

1195

00:42:47,829 --> 00:42:45,839

as copy barrow captain says the public

1196

00:42:50,550 --> 00:42:47,839

will throw the ufo baby out with the

1197

00:42:53,270 --> 00:42:50,560

consciousness bathwater that is that is

1198

00:42:55,109 --> 00:42:53,280

a t-shirt

1199

00:42:56,630 --> 00:42:55,119

and it's true it's like it's all for me

1200

00:42:58,550 --> 00:42:56,640

it's always been about consciousness and

1201

00:42:59,670 --> 00:42:58,560

i've said before it's like

1202

00:43:02,230 --> 00:42:59,680

i think

1203

00:43:04,790 --> 00:43:02,240

when if the masses ever accept the fact

1204

00:43:06,870 --> 00:43:04,800

that just basic ufos are real

1205

00:43:08,470 --> 00:43:06,880

i think the next question by most of

1206

00:43:10,309 --> 00:43:08,480

those people will be

1207

00:43:11,829 --> 00:43:10,319

what else were they lying to us about

1208

00:43:12,790 --> 00:43:11,839

and that's when we get introduced and

1209

00:43:14,630 --> 00:43:12,800

that's when we can introduce

1210

00:43:16,390 --> 00:43:14,640

consciousness and you know like this

1211

00:43:17,990 --> 00:43:16,400

stuff there's something to this you need

1212

00:43:20,150 --> 00:43:18,000

to look into this remote viewing is the

1213

00:43:22,230 --> 00:43:20,160

first thing like you said

1214

00:43:23,910 --> 00:43:22,240

uh like mike demante said the government

1215

00:43:25,430 --> 00:43:23,920

studied it for 20 years the government

1216

00:43:27,109 --> 00:43:25,440

doesn't study something for 20 years if

1217

00:43:28,309 --> 00:43:27,119

they're not getting anything about out

1218

00:43:31,510 --> 00:43:28,319

of it and people like well the

1219

00:43:33,109 --> 00:43:31,520

government the bureaucracy you know well

1220

00:43:35,030 --> 00:43:33,119

you got to speak to the people uh

1221

00:43:36,710 --> 00:43:35,040

involved and there are some great remote

1222

00:43:38,390 --> 00:43:36,720

viewers now the old folks you know lynn

1223

00:43:40,630 --> 00:43:38,400

buchanan mcmonagle great but they're a

1224

00:43:43,750 --> 00:43:40,640

new dad smith is one of the like a

1225

00:43:45,109 --> 00:43:43,760

shining new remote viewer um so that's

1226

00:43:46,790 --> 00:43:45,119

that's something i got interested in the

1227

00:43:47,829 --> 00:43:46,800

90s too when i first heard about it i'm

1228

00:43:50,870 --> 00:43:47,839

like

1229

00:43:52,550 --> 00:43:50,880

this is really interesting so

1230

00:43:55,349 --> 00:43:52,560

i'm trying to think what else there's a

1231

00:43:57,190 --> 00:43:55,359

lot more isn't it kind of like maybe

1232

00:44:00,390 --> 00:43:57,200

where people go wrong where they think

1233

00:44:03,190 --> 00:44:00,400

we relied on that solely to like do

1234

00:44:05,270 --> 00:44:03,200

things like that it was really a tool it

1235

00:44:07,190 --> 00:44:05,280

was a good asset and tool yes the

1236

00:44:09,750 --> 00:44:07,200

problem that's the problem

1237

00:44:11,349 --> 00:44:09,760

yeah people people were like

1238

00:44:13,109 --> 00:44:11,359

sometimes the remote being doesn't work

1239

00:44:15,430 --> 00:44:13,119

sometimes your data that you get is

1240

00:44:17,589 --> 00:44:15,440

garbage so if you don't have backup

1241

00:44:19,430 --> 00:44:17,599

information from other sources of intel

1242

00:44:20,550 --> 00:44:19,440

from spies on the ground from satellite

1243

00:44:22,230 --> 00:44:20,560

photos

1244

00:44:24,230 --> 00:44:22,240

you can't rely on the information i mean

1245

00:44:25,190 --> 00:44:24,240

if you're in a desperate situation like

1246

00:44:29,910 --> 00:44:25,200

say

1247

00:44:32,230 --> 00:44:29,920

kidnapped and you and you got to use

1248

00:44:34,829 --> 00:44:32,240

them okay um but yeah it was always used

1249

00:44:36,790 --> 00:44:34,839

as a tool like you said

1250

00:44:39,270 --> 00:44:36,800

um you need feedback to know if you're

1251
00:44:41,030 --> 00:44:39,280
right that's why when you do ufo targets

1252
00:44:42,230 --> 00:44:41,040
it's like yeah that's interesting but

1253
00:44:43,990 --> 00:44:42,240
unless you have feedback to know if

1254
00:44:45,990 --> 00:44:44,000
you're right or not it's kind of useless

1255
00:44:47,190 --> 00:44:46,000
interesting but useless so drew says if

1256
00:44:49,990 --> 00:44:47,200
these events are really happening in

1257
00:44:51,670 --> 00:44:50,000
skinwalk or why have people asap dia

1258
00:44:53,829 --> 00:44:51,680
abandoned their study of the phenomena

1259
00:44:56,390 --> 00:44:53,839
at the ranch so

1260
00:44:58,390 --> 00:44:56,400
i think when it got killed the funding

1261
00:44:59,910 --> 00:44:58,400
was such an issue for various reasons

1262
00:45:01,589 --> 00:44:59,920
they tried to get funding they tried to

1263
00:45:05,030 --> 00:45:01,599

go to the department of home department

1264

00:45:06,470 --> 00:45:05,040

of homeland security um came close

1265

00:45:07,829 --> 00:45:06,480

plus there are people in the pentagon

1266

00:45:11,510 --> 00:45:07,839

that think

1267

00:45:13,910 --> 00:45:11,520

this is demonic and you know it's like

1268

00:45:16,309 --> 00:45:13,920

you can make the argument that

1269

00:45:17,349 --> 00:45:16,319

once you start studying this you bring

1270

00:45:18,710 --> 00:45:17,359

it home

1271

00:45:20,790 --> 00:45:18,720

yeah and

1272

00:45:22,710 --> 00:45:20,800

you know and it's dangerous on that

1273

00:45:24,390 --> 00:45:22,720

level but i think more i don't think

1274

00:45:26,069 --> 00:45:24,400

it's the ranch i think it's

1275

00:45:28,309 --> 00:45:26,079

the ranch has a lot of this stuff that

1276

00:45:30,790 --> 00:45:28,319

happens a lot so

1277

00:45:32,150 --> 00:45:30,800

people bring it home and then stuff

1278

00:45:33,589 --> 00:45:32,160

happens but i don't think it's the rents

1279

00:45:34,790 --> 00:45:33,599

necessarily i think the ranch just may

1280

00:45:35,589 --> 00:45:34,800

be a portal

1281

00:45:37,589 --> 00:45:35,599

um

1282

00:45:39,510 --> 00:45:37,599

and it's you know you kind of hit

1283

00:45:42,550 --> 00:45:39,520

something there too like maybe once you

1284

00:45:44,230 --> 00:45:42,560

start you know researching it um you

1285

00:45:46,630 --> 00:45:44,240

don't really have the ability to stop

1286

00:45:47,510 --> 00:45:46,640

because it doesn't go away

1287

00:45:50,069 --> 00:45:47,520

you know

1288

00:45:50,950 --> 00:45:50,079

so you kind of have to keep trying to

1289

00:45:51,990 --> 00:45:50,960

and

1290

00:45:53,349 --> 00:45:52,000

maybe

1291

00:45:54,870 --> 00:45:53,359

you know the

1292

00:45:56,790 --> 00:45:54,880

the people who thought they were demons

1293

00:45:58,870 --> 00:45:56,800

or whatever like

1294

00:46:00,309 --> 00:45:58,880

they thought differently and

1295

00:46:01,829 --> 00:46:00,319

found out quickly that that was

1296

00:46:03,510 --> 00:46:01,839

incorrect

1297

00:46:05,030 --> 00:46:03,520

and george knapp even george snappy said

1298

00:46:06,950 --> 00:46:05,040

maybe they are demons but we should we

1299

00:46:09,109 --> 00:46:06,960

need to find out we need to find out

1300

00:46:11,190 --> 00:46:09,119

what the heck we're dealing with

1301
00:46:12,069 --> 00:46:11,200
don't be scared

1302
00:46:14,309 --> 00:46:12,079
yeah

1303
00:46:17,270 --> 00:46:14,319
so let's see i'm trying to think so what

1304
00:46:21,190 --> 00:46:17,280
else what else did i pull apart here

1305
00:46:27,270 --> 00:46:24,069
the person who ran the uap task force he

1306
00:46:29,589 --> 00:46:27,280
was a high ranking person so he had he

1307
00:46:32,470 --> 00:46:29,599
had complete knowledge of the smallest

1308
00:46:34,150 --> 00:46:32,480
details nuances of asap which was so

1309
00:46:35,670 --> 00:46:34,160
important to have that person in there

1310
00:46:37,910 --> 00:46:35,680
and now they're gone

1311
00:46:39,190 --> 00:46:37,920
uh we need to get that person back

1312
00:46:40,470 --> 00:46:39,200
and

1313
00:46:42,550 --> 00:46:40,480

hello lou

1314

00:46:45,430 --> 00:46:42,560

lou from unidentified celebrity view has

1315

00:46:49,510 --> 00:46:45,440

joined us in the chat

1316

00:46:52,950 --> 00:46:51,430

interesting a slide from the book

1317

00:46:55,510 --> 00:46:52,960

intensive study of skin walker ranch

1318

00:46:57,910 --> 00:46:55,520

yielded little tangible data so bigelow

1319

00:46:59,589 --> 00:46:57,920

bigelow's opinion was he goes i didn't

1320

00:47:01,030 --> 00:46:59,599

know during the mids period he goes i

1321

00:47:02,710 --> 00:47:01,040

didn't know who we whom we were

1322

00:47:04,870 --> 00:47:02,720

communicating with and there are two

1323

00:47:07,030 --> 00:47:04,880

choices basically there was either

1324

00:47:10,390 --> 00:47:07,040

discarnate entities

1325

00:47:12,069 --> 00:47:10,400

non-human entities or et's uh and i

1326
00:47:13,990 --> 00:47:12,079
don't know i mean it could be a mix of

1327
00:47:15,750 --> 00:47:14,000
all of that it could be non-humans is

1328
00:47:19,510 --> 00:47:15,760
like that could be freaking anything

1329
00:47:22,230 --> 00:47:19,520
that could be chicken ghosts probably

1330
00:47:23,190 --> 00:47:22,240
chicken ghosts and tic tacs

1331
00:47:24,950 --> 00:47:23,200
yes

1332
00:47:26,470 --> 00:47:24,960
and i think some and then there's part

1333
00:47:27,990 --> 00:47:26,480
of me that thinks are we creating this

1334
00:47:29,589 --> 00:47:28,000
ourselves because if you look into

1335
00:47:31,270 --> 00:47:29,599
seances back

1336
00:47:33,750 --> 00:47:31,280
back in the old days in the 1800s where

1337
00:47:34,549 --> 00:47:33,760
sciences were so prevalent

1338
00:47:39,190 --> 00:47:34,559

the

1339

00:47:40,630 --> 00:47:39,200

see

1340

00:47:42,950 --> 00:47:40,640

in you know when we talk about

1341

00:47:44,549 --> 00:47:42,960

hitchhikers um but it takes time for it

1342

00:47:46,230 --> 00:47:44,559

to happen it's almost like the energy

1343

00:47:47,910 --> 00:47:46,240

builds up so you're thinking is it

1344

00:47:50,710 --> 00:47:47,920

coming from us

1345

00:47:52,870 --> 00:47:50,720

and there's also a case called the the

1346

00:47:55,349 --> 00:47:52,880

it was out of toronto

1347

00:47:58,069 --> 00:47:55,359

and they created a character for a ouija

1348

00:48:00,230 --> 00:47:58,079

board um the philip case they created

1349

00:48:01,910 --> 00:48:00,240

every detail of its life and those

1350

00:48:03,670 --> 00:48:01,920

details that they created out of thin

1351
00:48:04,950 --> 00:48:03,680
air came through during the ouija board

1352
00:48:06,549 --> 00:48:04,960
so it makes you think is it coming

1353
00:48:08,950 --> 00:48:06,559
through your subconscious

1354
00:48:09,750 --> 00:48:08,960
um so here's here's my

1355
00:48:12,150 --> 00:48:09,760
i'll

1356
00:48:13,349 --> 00:48:12,160
spill the beans on your show about uh

1357
00:48:15,510 --> 00:48:13,359
why

1358
00:48:17,670 --> 00:48:15,520
i was starting to think uh last night

1359
00:48:19,030 --> 00:48:17,680
that that could be the case

1360
00:48:21,109 --> 00:48:19,040
so

1361
00:48:23,910 --> 00:48:21,119
in my experience i at first

1362
00:48:25,670 --> 00:48:23,920
i saw these things you know two of them

1363
00:48:28,470 --> 00:48:25,680

and they kind of surrounded a dream that

1364

00:48:29,670 --> 00:48:28,480

came to fruition from a few years back

1365

00:48:31,349 --> 00:48:29,680

um

1366

00:48:34,230 --> 00:48:31,359

and i was thinking i wasn't really into

1367

00:48:36,069 --> 00:48:34,240

ufos that much i was looking a little at

1368

00:48:38,950 --> 00:48:36,079

like shows and news and keeping up but

1369

00:48:40,150 --> 00:48:38,960

not really you know super into it

1370

00:48:42,549 --> 00:48:40,160

um

1371

00:48:45,349 --> 00:48:42,559

but you know i started thinking last

1372

00:48:49,510 --> 00:48:45,359

night i'm i'm thinking like what what

1373

00:48:51,270 --> 00:48:49,520

else happened you know around that time

1374

00:48:54,230 --> 00:48:51,280

and

1375

00:48:56,150 --> 00:48:54,240

i remember driving to work one morning

1376

00:48:58,069 --> 00:48:56,160

and the sun sun was rising and

1377

00:48:59,670 --> 00:48:58,079

everything and i didn't really i wasn't

1378

00:49:01,829 --> 00:48:59,680

a sky watcher or anything i would never

1379

00:49:04,470 --> 00:49:01,839

look at the sky so i was unfamiliar with

1380

00:49:06,950 --> 00:49:04,480

the observations i was making

1381

00:49:08,230 --> 00:49:06,960

and there's like a jet stream or

1382

00:49:09,030 --> 00:49:08,240

whatever

1383

00:49:11,990 --> 00:49:09,040

um

1384

00:49:14,069 --> 00:49:12,000

right up over the sun and you know those

1385

00:49:16,790 --> 00:49:14,079

jets they get that bright light at the

1386

00:49:18,710 --> 00:49:16,800

tip of it that just gets really bright

1387

00:49:20,230 --> 00:49:18,720

um but it's because of the sun

1388

00:49:22,950 --> 00:49:20,240

reflecting it and everything but at the

1389

00:49:24,790 --> 00:49:22,960

time i wasn't really aware

1390

00:49:26,390 --> 00:49:24,800

of what those things looked like and it

1391

00:49:28,309 --> 00:49:26,400

just looked

1392

00:49:30,790 --> 00:49:28,319

crazy to me and i was

1393

00:49:32,230 --> 00:49:30,800

convinced that i had a sighting of

1394

00:49:34,150 --> 00:49:32,240

something to the point where i was

1395

00:49:35,349 --> 00:49:34,160

drawing it at work like drawing it up

1396

00:49:38,710 --> 00:49:35,359

and everything

1397

00:49:40,150 --> 00:49:38,720

and then i later realized that that was

1398

00:49:41,510 --> 00:49:40,160

just that right

1399

00:49:43,750 --> 00:49:41,520

so

1400

00:49:45,589 --> 00:49:43,760

before i had my first

1401

00:49:47,910 --> 00:49:45,599

the same night before i saw the first

1402

00:49:49,910 --> 00:49:47,920

thing i'm looking at this guy

1403

00:49:51,829 --> 00:49:49,920

i've written that other thing off like

1404

00:49:53,910 --> 00:49:51,839

that wasn't that wasn't anything that

1405

00:49:55,589 --> 00:49:53,920

sucks

1406

00:49:57,829 --> 00:49:55,599

but that's what it is

1407

00:49:59,670 --> 00:49:57,839

and i'm looking at the sky and i see a

1408

00:50:02,309 --> 00:49:59,680

couple lights blinking back and forth

1409

00:50:04,470 --> 00:50:02,319

and they're like alternating

1410

00:50:06,710 --> 00:50:04,480

and i'm thinking

1411

00:50:08,950 --> 00:50:06,720

that it was a plane or something or a

1412

00:50:10,309 --> 00:50:08,960

plane or something weird

1413

00:50:11,750 --> 00:50:10,319

but i wasn't really sure but it was

1414

00:50:13,829 --> 00:50:11,760

actually more on the this is something

1415

00:50:15,270 --> 00:50:13,839

weird side but later i found out there

1416

00:50:17,109 --> 00:50:15,280

were planes because i looked up like a

1417

00:50:19,750 --> 00:50:17,119

flight tracker thing

1418

00:50:22,230 --> 00:50:19,760

but it was right it was after that

1419

00:50:23,030 --> 00:50:22,240

when i went back into the house

1420

00:50:25,589 --> 00:50:23,040

that

1421

00:50:27,190 --> 00:50:25,599

i saw the thing

1422

00:50:29,270 --> 00:50:27,200

and i wonder if

1423

00:50:30,950 --> 00:50:29,280

all that that happened before was what

1424

00:50:33,750 --> 00:50:30,960

we're talking about

1425

00:50:36,710 --> 00:50:33,760

you know it was like i was

1426

00:50:40,390 --> 00:50:36,720

unbeknownst to me and opened myself up

1427

00:50:41,750 --> 00:50:40,400

to accept seeing something like that

1428

00:50:45,910 --> 00:50:41,760

and then

1429

00:50:48,309 --> 00:50:45,920

somebody like me who is very open and

1430

00:50:50,870 --> 00:50:48,319

i'm not and i say it all time i am not

1431

00:50:52,549 --> 00:50:50,880

asking for experiences i do not i do not

1432

00:50:54,630 --> 00:50:52,559

need to have experiences

1433

00:50:56,470 --> 00:50:54,640

it's almost like acting it in you know

1434

00:50:58,549 --> 00:50:56,480

because like i thought i was

1435

00:51:00,630 --> 00:50:58,559

like i was already in that situation i

1436

00:51:02,790 --> 00:51:00,640

was experiencing it i didn't know that

1437

00:51:04,950 --> 00:51:02,800

it wasn't anything though you know like

1438

00:51:07,430 --> 00:51:04,960

i was in that moment

1439

00:51:09,990 --> 00:51:07,440
emotionally thinking it was real

1440

00:51:11,349 --> 00:51:10,000
and so maybe there's something

1441

00:51:13,910 --> 00:51:11,359
to that

1442

00:51:15,670 --> 00:51:13,920
you know like uh intention or law of

1443

00:51:17,030 --> 00:51:15,680
attraction or something like that you

1444

00:51:19,190 --> 00:51:17,040
know where

1445

00:51:21,109 --> 00:51:19,200
if you really believe it

1446

00:51:23,030 --> 00:51:21,119
enough to where you know you have those

1447

00:51:24,309 --> 00:51:23,040
emotions attached to it and you make it

1448

00:51:26,309 --> 00:51:24,319
happen

1449

00:51:27,750 --> 00:51:26,319
um maybe that was enough for it really

1450

00:51:29,190 --> 00:51:27,760
to happen

1451
00:51:31,190 --> 00:51:29,200
you know i don't know yeah that's a good

1452
00:51:32,549 --> 00:51:31,200
theory i mean i don't know and it's like

1453
00:51:34,549 --> 00:51:32,559
i have

1454
00:51:36,790 --> 00:51:34,559
i i tell and i've told the story before

1455
00:51:39,270 --> 00:51:36,800
i saw it was like the only real thing i

1456
00:51:41,510 --> 00:51:39,280
saw that i'm positive it was anomalous

1457
00:51:44,069 --> 00:51:41,520
pretty sure was outside my door here one

1458
00:51:46,549 --> 00:51:44,079
night my dog was growling

1459
00:51:49,349 --> 00:51:46,559
um so i got up and looked

1460
00:51:50,390 --> 00:51:49,359
and about 15 feet 20 feet in front of me

1461
00:51:51,750 --> 00:51:50,400
there was like

1462
00:51:53,750 --> 00:51:51,760
i'd say

1463
00:51:55,829 --> 00:51:53,760

large softball size

1464

00:51:57,589 --> 00:51:55,839

uh looked like a dull white orb that

1465

00:51:59,510 --> 00:51:57,599

just went right to left right off the

1466

00:52:01,910 --> 00:51:59,520

ground really loaded

1467

00:52:03,190 --> 00:52:01,920

but really fast so fast it was a blur

1468

00:52:06,150 --> 00:52:03,200

like nothing that i had ever seen i'm

1469

00:52:07,510 --> 00:52:06,160

like you know that's not normal um but i

1470

00:52:08,710 --> 00:52:07,520

haven't seen it again and i don't know

1471

00:52:09,910 --> 00:52:08,720

what the hell it was and what am i going

1472

00:52:11,990 --> 00:52:09,920

to say about that it's like i saw a

1473

00:52:13,030 --> 00:52:12,000

blurry orb that went right to left and

1474

00:52:14,390 --> 00:52:13,040

it was it

1475

00:52:15,910 --> 00:52:14,400

maybe it was one of the good orbs

1476
00:52:20,309 --> 00:52:15,920
because the blue ones there's so many

1477
00:52:24,549 --> 00:52:22,470
yeah the kid the one younger teenager

1478
00:52:26,630 --> 00:52:24,559
had blue and red orbs but the majority

1479
00:52:28,870 --> 00:52:26,640
that i hear are blue like skinwalker

1480
00:52:30,950 --> 00:52:28,880
ranch back in the during the knits days

1481
00:52:33,270 --> 00:52:30,960
or it was before nids terry sherman had

1482
00:52:34,790 --> 00:52:33,280
these this one blue orb that was

1483
00:52:36,150 --> 00:52:34,800
taunting his dog i don't know if you

1484
00:52:39,349 --> 00:52:36,160
heard the story and it took off in the

1485
00:52:41,270 --> 00:52:39,359
woods the dogs followed he heard a yelp

1486
00:52:42,710 --> 00:52:41,280
the next day the dogs were you know the

1487
00:52:44,950 --> 00:52:42,720
dogs were gone

1488
00:52:46,870 --> 00:52:44,960

i can't do that so basically yeah the

1489

00:52:47,990 --> 00:52:46,880

the thing took out the door dogs and

1490

00:52:51,430 --> 00:52:48,000

then there was another one where the

1491

00:52:52,870 --> 00:52:51,440

blue orb is hanging around by the horse

1492

00:52:54,870 --> 00:52:52,880

the horse is like almost treating it

1493

00:52:56,710 --> 00:52:54,880

like a fly annoyed comes over to the

1494

00:52:58,630 --> 00:52:56,720

husband and wife terry and

1495

00:53:00,549 --> 00:52:58,640

gwen sherman and

1496

00:53:02,470 --> 00:53:00,559

they're just terrified beyond belief

1497

00:53:04,470 --> 00:53:02,480

like something not nor not normal type

1498

00:53:06,950 --> 00:53:04,480

of fear which you hear about on the

1499

00:53:08,790 --> 00:53:06,960

ranch which i've never experienced

1500

00:53:14,069 --> 00:53:08,800

um

1501
00:53:15,109 --> 00:53:14,079
i forgot what his name was but he's part

1502
00:53:17,670 --> 00:53:15,119
of the

1503
00:53:19,589 --> 00:53:17,680
crew that is there now in his security

1504
00:53:21,109 --> 00:53:19,599
or something anyway

1505
00:53:23,030 --> 00:53:21,119
dragon

1506
00:53:24,630 --> 00:53:23,040
the other guy no

1507
00:53:26,630 --> 00:53:24,640
i don't know but anyways

1508
00:53:29,270 --> 00:53:26,640
yeah i guess like some people like broke

1509
00:53:31,750 --> 00:53:29,280
in there or something and they performed

1510
00:53:34,870 --> 00:53:31,760
like like a seance or something

1511
00:53:38,710 --> 00:53:34,880
and then he explained like how it just

1512
00:53:40,309 --> 00:53:38,720
the whole place had this really deep

1513
00:53:42,630 --> 00:53:40,319

like dark

1514

00:53:45,910 --> 00:53:42,640

vibe to it that you know you couldn't

1515

00:53:47,510 --> 00:53:45,920

shake or get rid of it and it was like

1516

00:53:49,910 --> 00:53:47,520

yeah it's just the

1517

00:53:51,990 --> 00:53:49,920

yeah maybe it's like a uh coming

1518

00:53:53,990 --> 00:53:52,000

together type of place for all this to

1519

00:53:57,190 --> 00:53:54,000

happen like a mixing pot and then it

1520

00:53:58,710 --> 00:53:57,200

goes out into the world you know

1521

00:53:59,750 --> 00:53:58,720

like

1522

00:54:00,630 --> 00:53:59,760

there's a lot

1523

00:54:02,390 --> 00:54:00,640

there

1524

00:54:06,069 --> 00:54:02,400

chris bartel

1525

00:54:08,950 --> 00:54:06,079

uh thanks for the comment joe um

1526

00:54:12,710 --> 00:54:08,960

yeah send it to or tweet it and and tag

1527

00:54:14,309 --> 00:54:12,720

me on twitter um chris bartel who was a

1528

00:54:16,309 --> 00:54:14,319

who did security on the ranch did more

1529

00:54:18,069 --> 00:54:16,319

than security but he he believes it's

1530

00:54:19,990 --> 00:54:18,079

connected to you know

1531

00:54:22,549 --> 00:54:20,000

um disturbing native land but then i

1532

00:54:24,150 --> 00:54:22,559

said to him i said but the oregon case

1533

00:54:25,750 --> 00:54:24,160

you know they're driving on the highway

1534

00:54:28,150 --> 00:54:25,760

there's nothing native about it and the

1535

00:54:29,510 --> 00:54:28,160

or just the act of looking at it if you

1536

00:54:31,430 --> 00:54:29,520

want to talk about quantum physics and

1537

00:54:33,750 --> 00:54:31,440

the observer effect she looks at it and

1538

00:54:35,589 --> 00:54:33,760

then it just starts the you know

1539

00:54:38,710 --> 00:54:35,599

the cascading of events that winds up

1540

00:54:41,190 --> 00:54:38,720

with her dad getting cancer um but yeah

1541

00:54:43,190 --> 00:54:41,200

there's a lot of it's like everybody

1542

00:54:45,589 --> 00:54:43,200

people are getting you know autoimmune

1543

00:54:47,190 --> 00:54:45,599

diseases when this stuff is coming home

1544

00:54:49,510 --> 00:54:47,200

to them from people who were on the

1545

00:54:51,910 --> 00:54:49,520

ranch at skinwalker so it's like

1546

00:54:54,390 --> 00:54:51,920

why we're not studying it um is beyond

1547

00:54:55,750 --> 00:54:54,400

me but the whole the whole so for people

1548

00:54:58,069 --> 00:54:55,760

who haven't read the book basically it

1549

00:55:00,390 --> 00:54:58,079

takes you through the two years uh they

1550

00:55:02,390 --> 00:55:00,400

accomplished an amazing amount of

1551

00:55:05,270 --> 00:55:02,400

work in two years they as soon as it

1552

00:55:08,789 --> 00:55:05,280

started out uh colin kelleher conducted

1553

00:55:12,470 --> 00:55:08,799

all the interviews uh hired 50 people

1554

00:55:15,030 --> 00:55:12,480

scientists uh experts they call them

1555

00:55:16,789 --> 00:55:15,040

they call them um

1556

00:55:19,190 --> 00:55:16,799

matter subject matter experts so they

1557

00:55:20,630 --> 00:55:19,200

had a special focus so they were experts

1558

00:55:22,309 --> 00:55:20,640

um

1559

00:55:24,069 --> 00:55:22,319

and basically it went for two years and

1560

00:55:25,990 --> 00:55:24,079

they were battling for funding through

1561

00:55:27,750 --> 00:55:26,000

that uh they did as much as they can

1562

00:55:30,789 --> 00:55:27,760

they studied civilian cases they did

1563

00:55:32,630 --> 00:55:30,799

study military asap studied military and

1564

00:55:35,430 --> 00:55:32,640

civilian cases

1565

00:55:37,829 --> 00:55:35,440

atip the non-existent

1566

00:55:39,750 --> 00:55:37,839

portfolio which was not really a program

1567

00:55:41,750 --> 00:55:39,760

they just focused on military i mean it

1568

00:55:43,349 --> 00:55:41,760

it's a look and then but i hear i hear

1569

00:55:46,150 --> 00:55:43,359

comments from people who talk about a

1570

00:55:48,230 --> 00:55:46,160

tip existing before asap so it's like

1571

00:55:50,069 --> 00:55:48,240

it's still confusing to me and you know

1572

00:55:51,349 --> 00:55:50,079

i've i've i've taken some shots of

1573

00:55:53,430 --> 00:55:51,359

people who are

1574

00:55:54,789 --> 00:55:53,440

who have said some things about assa but

1575

00:55:56,950 --> 00:55:54,799

you know i'm not gonna lie i was

1576
00:55:58,950 --> 00:55:56,960
confused jeremy corbell when i went to i

1577
00:56:00,470 --> 00:55:58,960
went to the premiere of

1578
00:56:01,829 --> 00:56:00,480
hunt for the skinwalker and i talked to

1579
00:56:04,390 --> 00:56:01,839
jeremy i'm like jeremy this is like

1580
00:56:06,069 --> 00:56:04,400
2018. i'm like can you explain awesome

1581
00:56:07,910 --> 00:56:06,079
to me and he explained it

1582
00:56:09,829 --> 00:56:07,920
and he understood it but i still was

1583
00:56:11,750 --> 00:56:09,839
confused i'm like

1584
00:56:12,789 --> 00:56:11,760
um

1585
00:56:15,430 --> 00:56:12,799
yeah

1586
00:56:19,430 --> 00:56:15,440
no the book explains it very well uh

1587
00:56:22,309 --> 00:56:19,440
eric davis hal put off said it was

1588
00:56:25,109 --> 00:56:22,319

a nickname which was used to protect the

1589

00:56:26,710 --> 00:56:25,119

original name asap and then lou alzado

1590

00:56:28,150 --> 00:56:26,720

said well people say it was a nickname

1591

00:56:29,670 --> 00:56:28,160

but we didn't treat it as a nickname

1592

00:56:31,510 --> 00:56:29,680

that's fine we didn't treat it as a

1593

00:56:33,190 --> 00:56:31,520

nickname and i think was right i think

1594

00:56:34,950 --> 00:56:33,200

the people in his office they considered

1595

00:56:36,789 --> 00:56:34,960

themselves

1596

00:56:38,309 --> 00:56:36,799

that's just a name and then they and

1597

00:56:39,670 --> 00:56:38,319

it's on the documents and they briefed

1598

00:56:41,270 --> 00:56:39,680

it as a tip as you can see some of the

1599

00:56:43,510 --> 00:56:41,280

briefing slides

1600

00:56:44,390 --> 00:56:43,520

that's a uh there's a historical

1601
00:56:46,710 --> 00:56:44,400
president

1602
00:56:49,270 --> 00:56:46,720
for that like uh project blue book and

1603
00:56:50,870 --> 00:56:49,280
grudge and everything um you know they

1604
00:56:54,150 --> 00:56:50,880
were

1605
00:56:56,789 --> 00:56:54,160
referred to as

1606
00:57:00,470 --> 00:56:56,799
nicknames or code names for the work of

1607
00:57:02,470 --> 00:57:00,480
attic and osi basically so

1608
00:57:04,549 --> 00:57:02,480
you know

1609
00:57:07,990 --> 00:57:04,559
that's just how they do things

1610
00:57:10,069 --> 00:57:08,000
you know that's just that's a security

1611
00:57:11,750 --> 00:57:10,079
you have to do that stuff

1612
00:57:13,670 --> 00:57:11,760
here's a comment and and i actually read

1613
00:57:15,190 --> 00:57:13,680

that i need to read it again um they

1614

00:57:16,710 --> 00:57:15,200

didn't name that person you know six

1615

00:57:20,069 --> 00:57:16,720

minutes into the mystery wire interview

1616

00:57:21,589 --> 00:57:20,079

he says they hired someone from af osi

1617

00:57:23,109 --> 00:57:21,599

with 20 years experience i don't know

1618

00:57:24,069 --> 00:57:23,119

who they're referring to

1619

00:57:26,470 --> 00:57:24,079

um

1620

00:57:28,549 --> 00:57:26,480

i don't think it was richard doty

1621

00:57:30,870 --> 00:57:28,559

but that person helped them

1622

00:57:34,069 --> 00:57:30,880

try to get the air force data they

1623

00:57:36,950 --> 00:57:34,079

wanted to rule out any prosaic air force

1624

00:57:38,390 --> 00:57:36,960

technology um but basically the air

1625

00:57:40,309 --> 00:57:38,400

force came back and said you guys need

1626
00:57:41,910 --> 00:57:40,319
to get special access program status if

1627
00:57:43,589 --> 00:57:41,920
you want to get access to any of our

1628
00:57:45,670 --> 00:57:43,599
stuff

1629
00:57:47,510 --> 00:57:45,680
so the 2009 effort they didn't really

1630
00:57:49,349 --> 00:57:47,520
push hard in that letter to lin they

1631
00:57:52,870 --> 00:57:49,359
didn't really push hard for sap status i

1632
00:57:54,870 --> 00:57:52,880
think in 2011 they tried again and

1633
00:57:56,950 --> 00:57:54,880
failure again um

1634
00:57:59,670 --> 00:57:56,960
yeah so yeah so any

1635
00:58:01,270 --> 00:57:59,680
the problem is if we do get an

1636
00:58:03,030 --> 00:58:01,280
we need to get this is what i said i

1637
00:58:04,710 --> 00:58:03,040
said we need to get an assat like

1638
00:58:06,150 --> 00:58:04,720

program if we really want to understand

1639

00:58:07,990 --> 00:58:06,160

that i mean to me it's exciting to see

1640

00:58:09,750 --> 00:58:08,000

what they accomplished in two years if

1641

00:58:11,670 --> 00:58:09,760

we could do the same thing but do it all

1642

00:58:13,829 --> 00:58:11,680

over the country all over the world it

1643

00:58:15,430 --> 00:58:13,839

needs to be we can amazing imagine the

1644

00:58:17,030 --> 00:58:15,440

data we can get and make it public i

1645

00:58:18,870 --> 00:58:17,040

don't know how we could fund it but we

1646

00:58:20,630 --> 00:58:18,880

need to fund it with somebody who has

1647

00:58:23,030 --> 00:58:20,640

deep pockets we need

1648

00:58:24,870 --> 00:58:23,040

somebody like you know

1649

00:58:27,430 --> 00:58:24,880

jeff bezos or

1650

00:58:29,510 --> 00:58:27,440

yeah any of the billionaires or sorrows

1651

00:58:31,829 --> 00:58:29,520

but what about that guy

1652

00:58:34,710 --> 00:58:31,839

he's got a i guess he has a very bad

1653

00:58:36,630 --> 00:58:34,720

reputation yes like he's mr evil but

1654

00:58:38,470 --> 00:58:36,640

yeah which i think is ridiculous but

1655

00:58:40,390 --> 00:58:38,480

anyway i won't get into any of that

1656

00:58:42,150 --> 00:58:40,400

stuff um but yeah somebody would

1657

00:58:43,589 --> 00:58:42,160

somebody with that

1658

00:58:45,109 --> 00:58:43,599

money can put it in and then we could

1659

00:58:46,549 --> 00:58:45,119

study it and try to figure it out i

1660

00:58:48,630 --> 00:58:46,559

don't know if the special access

1661

00:58:50,309 --> 00:58:48,640

programs that have programs right now

1662

00:58:53,109 --> 00:58:50,319

you know the whether the crash retrieval

1663

00:58:56,390 --> 00:58:53,119

program or something else i don't know

1664

00:58:58,950 --> 00:58:57,190

um

1665

00:59:00,710 --> 00:58:58,960

access

1666

00:59:02,069 --> 00:59:00,720

to data that tells them what we're

1667

00:59:03,109 --> 00:59:02,079

dealing with

1668

00:59:05,510 --> 00:59:03,119

right

1669

00:59:07,670 --> 00:59:05,520

thank you linda thank you very very much

1670

00:59:09,430 --> 00:59:07,680

um so i don't know if those programs i

1671

00:59:11,030 --> 00:59:09,440

don't know if those programs have access

1672

00:59:13,109 --> 00:59:11,040

i don't know if anybody has access lou

1673

00:59:14,549 --> 00:59:13,119

says you know yeah you know in theory we

1674

00:59:15,829 --> 00:59:14,559

have bodies and we have craft that

1675

00:59:18,470 --> 00:59:15,839

doesn't mean we know where they're from

1676

00:59:19,670 --> 00:59:18,480

we don't know whether their intent is

1677

00:59:24,789 --> 00:59:19,680

but

1678

00:59:26,470 --> 00:59:24,799

can't spend time on on data or instances

1679

00:59:28,630 --> 00:59:26,480

where people are taking home stuff and

1680

00:59:30,630 --> 00:59:28,640

it's injuring people that's put aside

1681

00:59:32,390 --> 00:59:30,640

everything else we're alone we're not

1682

00:59:34,309 --> 00:59:32,400

alone what they're from all that stuff

1683

00:59:35,990 --> 00:59:34,319

but if people are getting injured um

1684

00:59:37,430 --> 00:59:36,000

yeah i don't i don't know how prevalent

1685

00:59:39,829 --> 00:59:37,440

that is i don't know how widespread that

1686

00:59:42,870 --> 00:59:39,839

is i don't know all the data i do

1687

00:59:44,150 --> 00:59:42,880

remember that um kellier said

1688

00:59:47,270 --> 00:59:44,160

um

1689

00:59:50,230 --> 00:59:47,280

they were they had over a hundred cases

1690

00:59:54,069 --> 00:59:50,240

i think it was worldwide where

1691

00:59:57,349 --> 00:59:54,079

um pilots had encounters and had uh

1692

00:59:58,630 --> 00:59:57,359

health issues afterwards of varying uh

1693

00:59:59,750 --> 00:59:58,640

sorts

1694

01:00:03,190 --> 00:59:59,760

so

1695

01:00:05,670 --> 01:00:03,200

point that is a good point i did tweet

1696

01:00:07,190 --> 01:00:05,680

that i i saw that hundreds of cases and

1697

01:00:09,430 --> 01:00:07,200

somebody brought up that

1698

01:00:11,510 --> 01:00:09,440

you know jeremy mcgowan said skinwalker

1699

01:00:13,990 --> 01:00:11,520

isn't paranormal well you know

1700

01:00:15,670 --> 01:00:14,000

technological back the stories go back

1701

01:00:18,549 --> 01:00:15,680

for hundreds of years

1702

01:00:20,230 --> 01:00:18,559

uh in the uintah basin so it's like

1703

01:00:21,910 --> 01:00:20,240

you have to you have to explain that

1704

01:00:23,109 --> 01:00:21,920

it's the same just with ufos when you

1705

01:00:25,510 --> 01:00:23,119

want to say some of this is our

1706

01:00:27,109 --> 01:00:25,520

technology it's like okay

1707

01:00:29,349 --> 01:00:27,119

so what did kit green's parents see in

1708

01:00:31,670 --> 01:00:29,359

the early 30s rising up out of a lake

1709

01:00:34,390 --> 01:00:31,680

that was technology that wasn't

1710

01:00:36,230 --> 01:00:34,400

technology you know what i saw and you

1711

01:00:37,910 --> 01:00:36,240

know that only goes so far with people

1712

01:00:39,589 --> 01:00:37,920

and i understand that but

1713

01:00:40,710 --> 01:00:39,599

you know um

1714

01:00:43,430 --> 01:00:40,720

i'm not

1715

01:00:44,950 --> 01:00:43,440

the ufo type of person and i make fun of

1716

01:00:48,950 --> 01:00:44,960

ghost shows and

1717

01:00:50,789 --> 01:00:48,960

you know i was a jock or a musician and

1718

01:00:53,430 --> 01:00:50,799

you know all that like

1719

01:00:54,549 --> 01:00:53,440

i didn't see nuts and bolts you know i

1720

01:00:57,589 --> 01:00:54,559

saw

1721

01:00:59,750 --> 01:00:57,599

a light entity

1722

01:01:02,150 --> 01:00:59,760

that was right up in my grill

1723

01:01:06,309 --> 01:01:03,349

so

1724

01:01:09,109 --> 01:01:06,319

does that mean i know what it is no

1725

01:01:11,270 --> 01:01:09,119

but uh what what year was that

1726

01:01:12,230 --> 01:01:11,280

that was last year

1727

01:01:13,030 --> 01:01:12,240

and

1728

01:01:14,789 --> 01:01:13,040

um

1729

01:01:18,150 --> 01:01:14,799

the first thing was the beginning of the

1730

01:01:19,220 --> 01:01:18,160

bowling season so that was

1731

01:01:20,630 --> 01:01:19,230

uh must have been

1732

01:01:22,309 --> 01:01:20,640

[Music]

1733

01:01:25,430 --> 01:01:22,319

i forgot when that started but late

1734

01:01:26,630 --> 01:01:25,440

august usually or beginning of september

1735

01:01:28,549 --> 01:01:26,640

um

1736

01:01:29,990 --> 01:01:28,559

yeah and

1737

01:01:31,270 --> 01:01:30,000

it all happened

1738

01:01:32,230 --> 01:01:31,280

you're brave for talking about that

1739

01:01:33,589 --> 01:01:32,240

because i know a lot of people don't

1740

01:01:35,349 --> 01:01:33,599

want to talk about it which i understand

1741

01:01:37,109 --> 01:01:35,359

too you know

1742

01:01:38,950 --> 01:01:37,119

uh yeah because you know i don't even

1743

01:01:41,589 --> 01:01:38,960

know what it is and you know to talk

1744

01:01:43,270 --> 01:01:41,599

about it not have answers sucks you know

1745

01:01:45,109 --> 01:01:43,280

but

1746

01:01:47,109 --> 01:01:45,119

i'd rather get it out there because i

1747

01:01:48,069 --> 01:01:47,119

would i would love for somebody to hear

1748

01:01:49,589 --> 01:01:48,079

it

1749

01:01:53,750 --> 01:01:49,599

you know tell me that they've had the

1750

01:01:54,549 --> 01:01:53,760

same kind of you know experience

1751

01:01:59,270 --> 01:01:54,559

you know

1752

01:02:01,109 --> 01:01:59,280

and sharing that but it's a stigma that

1753

01:02:03,750 --> 01:02:01,119

always keeps that down you know and all

1754

01:02:07,109 --> 01:02:03,760

these documents i read man especially

1755

01:02:09,670 --> 01:02:07,119

the civilian cases sometimes uh the osi

1756

01:02:12,470 --> 01:02:09,680

agent will ask well why did you wait to

1757

01:02:15,029 --> 01:02:12,480

report this and it's always the same

1758

01:02:17,910 --> 01:02:15,039

like i was afraid of being ridiculed or

1759

01:02:18,829 --> 01:02:17,920

made fun of you know

1760

01:02:21,510 --> 01:02:18,839

and that

1761

01:02:23,109 --> 01:02:21,520

sucks that sucks yeah the fact that it's

1762

01:02:24,630 --> 01:02:23,119

still going on i mean lou mentioned the

1763

01:02:25,750 --> 01:02:24,640

case in the air force that the guy

1764

01:02:27,349 --> 01:02:25,760

wanted to come forward and i don't know

1765

01:02:29,829 --> 01:02:27,359

if it was stigma

1766

01:02:31,589 --> 01:02:29,839

as much as stigma as it was the person

1767

01:02:32,870 --> 01:02:31,599

running his office whatever in the air

1768

01:02:35,349 --> 01:02:32,880

force was like you're not going to talk

1769

01:02:37,029 --> 01:02:35,359

about this um here's a question from

1770

01:02:39,589 --> 01:02:37,039

calling all beings do we think brandon

1771

01:02:41,270 --> 01:02:39,599

fugal was briefed on some of these prior

1772

01:02:43,190 --> 01:02:41,280

efforts anyone heard from him since

1773

01:02:45,589 --> 01:02:43,200

yesterday i haven't heard from him i

1774

01:02:46,630 --> 01:02:45,599

haven't seen him comment on the book

1775

01:02:48,870 --> 01:02:46,640

um

1776

01:02:51,270 --> 01:02:48,880

i know that he said he was sent

1777

01:02:53,670 --> 01:02:51,280

he was asked to come to washington and

1778

01:02:55,990 --> 01:02:53,680

brief those folks on what he was

1779

01:02:57,109 --> 01:02:56,000

experiencing on the ranch so i don't

1780

01:02:58,549 --> 01:02:57,119

know if it went i'm sure it went the

1781

01:03:00,549 --> 01:02:58,559

other way i'm sure they shared some

1782

01:03:01,990 --> 01:03:00,559

information with him but there's only so

1783

01:03:04,710 --> 01:03:02,000

much you can share unless he's you know

1784

01:03:06,630 --> 01:03:04,720

if he's right into something or cleared

1785

01:03:08,710 --> 01:03:06,640

i yeah i would imagine like he's a

1786

01:03:11,190 --> 01:03:08,720

pretty smart guy so i would imagine he

1787

01:03:13,109 --> 01:03:11,200

would probably required some sort of

1788

01:03:14,710 --> 01:03:13,119

you know information he'd felt

1789

01:03:17,430 --> 01:03:14,720

comfortable with before buying the

1790

01:03:18,950 --> 01:03:17,440

property whatever that may be

1791

01:03:21,829 --> 01:03:18,960

right

1792

01:03:23,349 --> 01:03:21,839

and um there's a lot of ho-hum with this

1793

01:03:25,430 --> 01:03:23,359

book which i don't get because i don't

1794

01:03:27,029 --> 01:03:25,440

think everybody who's saying this is a

1795

01:03:28,470 --> 01:03:27,039

nothing burger this is ridiculous i

1796

01:03:31,510 --> 01:03:28,480

don't think everybody has read it people

1797

01:03:34,069 --> 01:03:31,520

need to read it um oh yeah that's true

1798

01:03:35,270 --> 01:03:34,079

that's like come on read it first

1799

01:03:37,109 --> 01:03:35,280

i mean we've been waiting to hear from

1800

01:03:38,710 --> 01:03:37,119

ludkosky forever and keller hurt

1801

01:03:40,789 --> 01:03:38,720

kelleher doesn't get as much publicity

1802

01:03:42,870 --> 01:03:40,799

because he's been around but keller had

1803

01:03:44,390 --> 01:03:42,880

did so much work the guy

1804

01:03:47,829 --> 01:03:44,400

he was a

1805

01:03:48,470 --> 01:03:47,839

i think microbiologist uh phd um yeah

1806

01:03:55,349 --> 01:03:48,480

and

1807

01:03:56,789 --> 01:03:55,359

brilliant both of them to have people

1808

01:03:58,630 --> 01:03:56,799

like that to have people like help put

1809

01:04:00,069 --> 01:03:58,640

up the house have people like eric davis

1810

01:04:01,829 --> 01:04:00,079

you know people like why is it the same

1811

01:04:03,910 --> 01:04:01,839

people over and over again well number

1812

01:04:05,349 --> 01:04:03,920

one if you read the book it's not uh

1813

01:04:08,230 --> 01:04:05,359

before that though it's the same thing

1814

01:04:10,230 --> 01:04:08,240

stigma uh eric david doesn't eric davis

1815

01:04:12,150 --> 01:04:10,240

does not give a crap if he talks about

1816

01:04:13,510 --> 01:04:12,160

wormholes and you said oh that's that's

1817

01:04:15,109 --> 01:04:13,520

ridiculous he doesn't give a crap first

1818

01:04:16,549 --> 01:04:15,119

of all he has the physics background he

1819

01:04:17,990 --> 01:04:16,559

can talk about that and write papers on

1820

01:04:19,589 --> 01:04:18,000

it um

1821

01:04:20,789 --> 01:04:19,599

so that's why i need to send people

1822

01:04:22,549 --> 01:04:20,799

believe it or not people don't live

1823

01:04:24,710 --> 01:04:22,559

their lives based on what you think of

1824

01:04:27,510 --> 01:04:24,720

them you know

1825

01:04:29,270 --> 01:04:27,520

there's people that do what they want

1826
01:04:30,950 --> 01:04:29,280
because they believe in something you

1827
01:04:33,190 --> 01:04:30,960
know and the thing

1828
01:04:35,829 --> 01:04:33,200
the thing to me is always like

1829
01:04:36,789 --> 01:04:35,839
if you think it's crap or whatever like

1830
01:04:41,029 --> 01:04:36,799
fine

1831
01:04:43,190 --> 01:04:41,039
have to attack people and make it public

1832
01:04:44,549 --> 01:04:43,200
so like you know

1833
01:04:46,309 --> 01:04:44,559
you don't have to be afraid that people

1834
01:04:48,150 --> 01:04:46,319
will think you're a wacko because you

1835
01:04:51,190 --> 01:04:48,160
haven't said you think it's crap you

1836
01:04:52,829 --> 01:04:51,200
know like just move on and find your own

1837
01:04:54,470 --> 01:04:52,839
truth you know

1838
01:04:56,309 --> 01:04:54,480

um

1839

01:04:57,589 --> 01:04:56,319

each other here you know so here's

1840

01:04:59,589 --> 01:04:57,599

something that the

1841

01:05:03,430 --> 01:04:59,599

folks who think this is demonic will

1842

01:05:06,870 --> 01:05:03,440

love so this is chapter five oh my gosh

1843

01:05:10,549 --> 01:05:06,880

so talking about skinwalker 2007 there

1844

01:05:11,910 --> 01:05:10,559

she had the the ranch manager jean dietz

1845

01:05:13,990 --> 01:05:11,920

the dozen cro

1846

01:05:15,430 --> 01:05:14,000

fixes and crosses are just my decorating

1847

01:05:17,829 --> 01:05:15,440

style so she had them on the wall she

1848

01:05:19,589 --> 01:05:17,839

was odd though the cross in the bathroom

1849

01:05:22,950 --> 01:05:19,599

just flew off the wall and across the

1850

01:05:25,109 --> 01:05:22,960

hall this morning so

1851

01:05:26,789 --> 01:05:25,119

that's political stuff poltergeist

1852

01:05:30,150 --> 01:05:26,799

classic poltergeist stuff that's what

1853

01:05:34,390 --> 01:05:32,069

um so here

1854

01:05:36,150 --> 01:05:34,400

this was how how lukowski started it so

1855

01:05:38,309 --> 01:05:36,160

he goes after some internal discussion

1856

01:05:40,069 --> 01:05:38,319

with his colleagues and superiors at dia

1857

01:05:41,990 --> 01:05:40,079

lakotsky decided to take the bull by the

1858

01:05:44,470 --> 01:05:42,000

horns this was after he read hunt for

1859

01:05:46,870 --> 01:05:44,480

the skinwalker which if lakatsuki's read

1860

01:05:47,670 --> 01:05:46,880

it everybody should read it uh

1861

01:05:51,190 --> 01:05:47,680

so

1862

01:05:53,910 --> 01:05:51,200

june 19 2007 he wrote a letter

1863

01:05:56,069 --> 01:05:53,920

to robert bigelow on dia letterhead

1864

01:05:58,069 --> 01:05:56,079

asking to visit the ranch uh and he

1865

01:06:00,470 --> 01:05:58,079

wanted to develop a strategy on how his

1866

01:06:02,150 --> 01:06:00,480

office dwo

1867

01:06:04,069 --> 01:06:02,160

which they look at threats basically

1868

01:06:06,630 --> 01:06:04,079

they look at threats the dwo i forget

1869

01:06:08,789 --> 01:06:06,640

the wording what it is uh defense

1870

01:06:09,670 --> 01:06:08,799

something office yeah

1871

01:06:11,510 --> 01:06:09,680

uh

1872

01:06:13,029 --> 01:06:11,520

develop a strategy on how my office can

1873

01:06:15,109 --> 01:06:13,039

characterize the potential threat

1874

01:06:17,190 --> 01:06:15,119

aspects of the phenomena encountered in

1875

01:06:19,510 --> 01:06:17,200

your research efforts in the anal of

1876

01:06:21,910 --> 01:06:19,520

ufology and anomalies it is doubtful

1877

01:06:24,309 --> 01:06:21,920

that any similar letter this is so back

1878

01:06:25,910 --> 01:06:24,319

this is not this is not quoting the

1879

01:06:28,069 --> 01:06:25,920

caskey this is the writers i'm not sure

1880

01:06:30,470 --> 01:06:28,079

who wrote why but it says in the annals

1881

01:06:32,309 --> 01:06:30,480

of ufology and anomalies it's doubtful

1882

01:06:34,309 --> 01:06:32,319

any similar letter had ever been written

1883

01:06:36,630 --> 01:06:34,319

by a high-ranking intelligence agency

1884

01:06:38,789 --> 01:06:36,640

official to the ceo of an aerospace

1885

01:06:41,109 --> 01:06:38,799

corporation bigelow proposing an

1886

01:06:42,710 --> 01:06:41,119

official visit to a ufo hotspot to

1887

01:06:44,549 --> 01:06:42,720

assess the technological threat

1888

01:06:46,470 --> 01:06:44,559

potential of the phenomena on a place

1889

01:06:48,870 --> 01:06:46,480

known as skinwalker ranch

1890

01:06:51,029 --> 01:06:48,880

the dry clinical pros of the letter be

1891

01:06:53,270 --> 01:06:51,039

lied in extraordinary audacity and

1892

01:06:56,390 --> 01:06:53,280

showed that likkatsky was no ordinary

1893

01:06:59,029 --> 01:06:56,400

intelligence agency bureaucrat lakatsky

1894

01:07:00,789 --> 01:06:59,039

was a man with a capacity and i don't

1895

01:07:02,470 --> 01:07:00,799

have the rest of it um

1896

01:07:03,270 --> 01:07:02,480

uh we got a couple

1897

01:07:06,870 --> 01:07:03,280

uh

1898

01:07:11,349 --> 01:07:08,710

that i'm getting one is detective

1899

01:07:14,470 --> 01:07:11,359

warrant officer

1900

01:07:17,270 --> 01:07:14,480

and the other is deck watch officer yeah

1901

01:07:20,270 --> 01:07:17,280

it's it's it's part of dia

1902

01:07:22,870 --> 01:07:20,280

uh i'll look it right now

1903

01:07:24,710 --> 01:07:22,880

b-w-o-d-i-a is and i pulled it up and

1904

01:07:26,950 --> 01:07:24,720

it's in my blog and

1905

01:07:28,630 --> 01:07:26,960

type in d-i-a

1906

01:07:30,789 --> 01:07:28,640

so

1907

01:07:31,829 --> 01:07:30,799

defense warning office i think is what

1908

01:07:34,150 --> 01:07:31,839

it is

1909

01:07:35,589 --> 01:07:34,160

um but any folks in the chat any

1910

01:07:37,349 --> 01:07:35,599

questions you have keep them coming even

1911

01:07:38,630 --> 01:07:37,359

if i miss them ask them again

1912

01:07:40,789 --> 01:07:38,640

um

1913

01:07:45,670 --> 01:07:40,799

the book is like 200 and

1914

01:07:49,430 --> 01:07:47,430

and at the end and at the end it talks

1915

01:07:50,870 --> 01:07:49,440

about all the reports it just lists

1916

01:07:53,109 --> 01:07:50,880

unfortunately it doesn't go into details

1917

01:07:54,630 --> 01:07:53,119

it just lists everything that they gave

1918

01:07:57,670 --> 01:07:54,640

to dia

1919

01:07:58,630 --> 01:07:57,680

um it's just so much stuff uh

1920

01:08:00,309 --> 01:07:58,640

and

1921

01:08:01,829 --> 01:08:00,319

when i do this when i do this i'm gonna

1922

01:08:03,750 --> 01:08:01,839

i'm gonna do this again on sunday

1923

01:08:05,349 --> 01:08:03,760

defense warning office thanks drew i'm

1924

01:08:07,430 --> 01:08:05,359

gonna do this on sunday with michael bye

1925

01:08:08,309 --> 01:08:07,440

hopefully he will have read it um by

1926

01:08:10,150 --> 01:08:08,319

then

1927

01:08:11,589 --> 01:08:10,160

and i want to go through more details

1928

01:08:14,069 --> 01:08:11,599

because there's stuff that i'm drawing a

1929

01:08:16,149 --> 01:08:14,079

blank on now uh that's in the book

1930

01:08:18,309 --> 01:08:16,159

there's a lot of stuff in the book

1931

01:08:20,470 --> 01:08:18,319

and

1932

01:08:21,829 --> 01:08:20,480

let's see so

1933

01:08:23,749 --> 01:08:21,839

what are some of the new research

1934

01:08:25,510 --> 01:08:23,759

avenues you think will open up from this

1935

01:08:31,030 --> 01:08:25,520

i'm hoping

1936

01:08:33,030 --> 01:08:31,040

it just it opens up some more minds

1937

01:08:34,950 --> 01:08:33,040

to actually study this and realize that

1938

01:08:36,789 --> 01:08:34,960

it can be studied scientifically it's

1939

01:08:38,870 --> 01:08:36,799

not the first time it's been done but to

1940

01:08:41,110 --> 01:08:38,880

see somebody like catski if

1941

01:08:42,870 --> 01:08:41,120

let casca i think hopefully i'm not sure

1942

01:08:44,390 --> 01:08:42,880

if he's interested but i would

1943

01:08:46,229 --> 01:08:44,400

you know i would bring him into certain

1944

01:08:48,470 --> 01:08:46,239

government offices not even government

1945

01:08:50,870 --> 01:08:48,480

private we need private private private

1946

01:08:53,110 --> 01:08:50,880

scientific organizations

1947

01:08:54,550 --> 01:08:53,120

weapons right

1948

01:08:56,630 --> 01:08:54,560

yeah otherwise it's going to turn out to

1949

01:08:58,630 --> 01:08:56,640

let's how can we exploit this it's the

1950

01:09:00,630 --> 01:08:58,640

you hear it over how can we exploit the

1951

01:09:02,630 --> 01:09:00,640

tic tac technology how can we exploit

1952

01:09:03,430 --> 01:09:02,640

what's going on at skinwalking reports

1953

01:09:06,789 --> 01:09:03,440

yeah

1954

01:09:08,390 --> 01:09:06,799

how can we use this to our benefit

1955

01:09:11,430 --> 01:09:08,400

if they do that you're not going to find

1956

01:09:14,309 --> 01:09:11,440

anything out until they use it you know

1957

01:09:16,709 --> 01:09:14,319

true true um

1958

01:09:18,709 --> 01:09:16,719

so some of the questions

1959

01:09:21,110 --> 01:09:18,719

linda says it's it was dangerous to the

1960

01:09:23,430 --> 01:09:21,120

military guys yeah exactly and nobody

1961

01:09:25,269 --> 01:09:23,440

knew it talks about how it says nobody

1962

01:09:27,110 --> 01:09:25,279

knew really it says they were basically

1963

01:09:29,749 --> 01:09:27,120

guinea pigs but nobody

1964

01:09:32,149 --> 01:09:29,759

some of the i know chris partel

1965

01:09:33,669 --> 01:09:32,159

had problems with his sinuses that might

1966

01:09:36,470 --> 01:09:33,679

have come from something on the ranch or

1967

01:09:38,390 --> 01:09:36,480

not but his big deal is he was given an

1968

01:09:39,910 --> 01:09:38,400

mri and he was never shown to it so i'm

1969

01:09:41,749 --> 01:09:39,920

on chris's side where he should have

1970

01:09:43,829 --> 01:09:41,759

been going to it yes he didn't find out

1971

01:09:45,749 --> 01:09:43,839

about it later until he had his own mri

1972

01:09:48,470 --> 01:09:45,759

so the question would be like

1973

01:09:50,070 --> 01:09:48,480

why wasn't he told and that's a question

1974

01:09:53,669 --> 01:09:50,080

i don't know how that works with hipaa

1975

01:09:56,790 --> 01:09:55,270

but somebody asked who is jonathan

1976

01:09:59,590 --> 01:09:56,800

axelrod which i

1977

01:10:02,470 --> 01:09:59,600

which i had up before

1978

01:10:05,270 --> 01:10:02,480

he is and i don't know if that's really

1979

01:10:06,790 --> 01:10:05,280

his name uh but he was the acknowledged

1980

01:10:08,149 --> 01:10:06,800

leader of that there's three guys who

1981

01:10:10,550 --> 01:10:08,159

first went to skin rocker ranch so he

1982

01:10:11,910 --> 01:10:10,560

was a senior aerospace engineer in naval

1983

01:10:13,990 --> 01:10:11,920

intelligence

1984

01:10:15,430 --> 01:10:14,000

um

1985

01:10:17,189 --> 01:10:15,440

and that's basically who he was he was

1986

01:10:19,990 --> 01:10:17,199

the lead investigator on this on the tic

1987

01:10:22,070 --> 01:10:20,000

tac investigation with assaf

1988

01:10:23,510 --> 01:10:22,080

and i'm trying to think of any more so

1989

01:10:25,669 --> 01:10:23,520

here's something

1990

01:10:26,630 --> 01:10:25,679

i don't know if you did something with

1991

01:10:27,830 --> 01:10:26,640

with

1992

01:10:30,070 --> 01:10:27,840

the

1993

01:10:31,030 --> 01:10:30,080

kenneth arnold case recently i think you

1994

01:10:32,229 --> 01:10:31,040

did

1995

01:10:34,310 --> 01:10:32,239

me no

1996

01:10:36,070 --> 01:10:34,320

did you do anything with with documents

1997

01:10:38,790 --> 01:10:36,080

related to the kind of kenneth arnold

1998

01:10:42,950 --> 01:10:38,800

case at all from 1947 june

1999

01:10:45,110 --> 01:10:42,960

no i did uh if there was a phoenix one

2000

01:10:47,189 --> 01:10:45,120

and but i did a big thing on aztec

2001
01:10:48,310 --> 01:10:47,199
recently okay well this this is going to

2002
01:10:50,550 --> 01:10:48,320
be interesting to a lot of people

2003
01:10:52,229 --> 01:10:50,560
because i certainly did not so this i

2004
01:10:53,669 --> 01:10:52,239
did not know this this starts off one of

2005
01:10:57,350 --> 01:10:53,679
the chapters

2006
01:10:59,030 --> 01:10:57,360
and it's it's kenneth arnold related

2007
01:11:00,870 --> 01:10:59,040
and i feel like everything it always

2008
01:11:02,630 --> 01:11:00,880
starts with him

2009
01:11:04,950 --> 01:11:02,640
well check this out a ball of light

2010
01:11:07,430 --> 01:11:04,960
appeared in their home shortly after the

2011
01:11:09,990 --> 01:11:07,440
flying saucer sighting it first appeared

2012
01:11:11,910 --> 01:11:10,000
in the older system's sister's bedroom

2013
01:11:14,149 --> 01:11:11,920

it went down the hall and appeared in my

2014

01:11:16,390 --> 01:11:14,159

mother and dad's bedroom that's kim

2015

01:11:18,149 --> 01:11:16,400

arnold daughter of kenneth arnold

2016

01:11:20,870 --> 01:11:18,159

relating the appearance of a ball of

2017

01:11:22,470 --> 01:11:20,880

light orb in the arnold home shortly

2018

01:11:25,110 --> 01:11:22,480

after her father's history-making

2019

01:11:28,470 --> 01:11:25,120

sighting on june 47th is that amazing i

2020

01:11:29,990 --> 01:11:28,480

had no idea oh i had no clue

2021

01:11:32,550 --> 01:11:30,000

you don't hear about that now all the

2022

01:11:34,149 --> 01:11:32,560

books like start with his story none of

2023

01:11:35,830 --> 01:11:34,159

them mentioned that

2024

01:11:37,510 --> 01:11:35,840

yeah i never heard that that's amazing

2025

01:11:38,950 --> 01:11:37,520

so yeah that stuff has been going on for

2026

01:11:40,070 --> 01:11:38,960

a long time it's not something new

2027

01:11:41,830 --> 01:11:40,080

people like oh it just started with

2028

01:11:43,990 --> 01:11:41,840

skinwalker ranch no it didn't it's been

2029

01:11:45,910 --> 01:11:44,000

going on for a long time no and all

2030

01:11:48,709 --> 01:11:45,920

those reports dude like most of the

2031

01:11:49,830 --> 01:11:48,719

reports then are balls of light

2032

01:11:51,590 --> 01:11:49,840

you know

2033

01:11:53,510 --> 01:11:51,600

like saucer

2034

01:11:54,950 --> 01:11:53,520

you know they're not all that way a lot

2035

01:11:56,550 --> 01:11:54,960

of people swear they saw you know

2036

01:11:59,189 --> 01:11:56,560

something silver and metallic in a

2037

01:12:01,510 --> 01:11:59,199

saucer shape or whatever but like pilots

2038

01:12:02,950 --> 01:12:01,520

military pilots and commercial pilots

2039

01:12:05,430 --> 01:12:02,960

when they're reporting what they saw in

2040

01:12:07,030 --> 01:12:05,440

the air their balls of light

2041

01:12:08,390 --> 01:12:07,040

you know and they go and they they

2042

01:12:10,229 --> 01:12:08,400

vector them

2043

01:12:11,110 --> 01:12:10,239

after these things and they can't catch

2044

01:12:12,790 --> 01:12:11,120

them

2045

01:12:14,550 --> 01:12:12,800

and they're balls of light they don't go

2046

01:12:16,709 --> 01:12:14,560

yeah there was a saucer and i saw the

2047

01:12:19,350 --> 01:12:16,719

alien dude in there it's always a ball

2048

01:12:20,870 --> 01:12:19,360

of light you know

2049

01:12:22,550 --> 01:12:20,880

yeah it's like it's like foo fighters

2050

01:12:23,590 --> 01:12:22,560

seemed like they were balls of light you

2051

01:12:24,870 --> 01:12:23,600

know so

2052

01:12:26,310 --> 01:12:24,880

are they the same i don't know if

2053

01:12:28,070 --> 01:12:26,320

they're the same thing

2054

01:12:31,510 --> 01:12:28,080

um weird

2055

01:12:33,110 --> 01:12:31,520

like what the hell's up with light

2056

01:12:34,709 --> 01:12:33,120

here's another thing just more just more

2057

01:12:36,870 --> 01:12:34,719

hitchhiker stuff that's in the book you

2058

01:12:38,390 --> 01:12:36,880

know quote from travis taylor he said we

2059

01:12:39,910 --> 01:12:38,400

don't like to talk about the hitchhiker

2060

01:12:41,910 --> 01:12:39,920

too much because everybody's afraid it's

2061

01:12:43,990 --> 01:12:41,920

going to trigger it or something i have

2062

01:12:45,750 --> 01:12:44,000

several colleagues that were putting

2063

01:12:48,149 --> 01:12:45,760

instruments out to measure things at

2064

01:12:49,990 --> 01:12:48,159

their house as well as at the ranch and

2065

01:12:51,910 --> 01:12:50,000

we're measuring simultaneous events

2066

01:12:54,070 --> 01:12:51,920

occurring at bald places

2067

01:12:57,430 --> 01:12:54,080

that may be a thousand miles apart which

2068

01:12:59,030 --> 01:12:57,440

makes you think of quantum physics and

2069

01:13:01,430 --> 01:12:59,040

you know

2070

01:13:02,870 --> 01:13:01,440

uh what's what's the well they take two

2071

01:13:04,630 --> 01:13:02,880

particles and they separate them and

2072

01:13:06,630 --> 01:13:04,640

they change the spin supposedly the

2073

01:13:08,310 --> 01:13:06,640

other particle instantaneously adopts it

2074

01:13:10,070 --> 01:13:08,320

so i'm not sure exactly if that's what

2075

01:13:13,030 --> 01:13:10,080

he's talking about

2076

01:13:14,470 --> 01:13:13,040

yeah i'm not to you know quantum

2077

01:13:20,630 --> 01:13:14,480

entanglement

2078

01:13:23,510 --> 01:13:20,640

i'm not the quantum guy i guess but

2079

01:13:24,630 --> 01:13:23,520

you know i do think um that there's

2080

01:13:26,870 --> 01:13:24,640

definitely

2081

01:13:28,790 --> 01:13:26,880

a lot more to consciousness being a

2082

01:13:30,830 --> 01:13:28,800

quantum process

2083

01:13:34,070 --> 01:13:30,840

you

2084

01:13:36,470 --> 01:13:34,080

know there's something to that here

2085

01:13:38,310 --> 01:13:36,480

all five actively

2086

01:13:40,229 --> 01:13:38,320

serving the intelligence agency

2087

01:13:42,709 --> 01:13:40,239

personnel who visited the ranch during

2088

01:13:46,149 --> 01:13:42,719

the osap basque program experienced

2089

01:13:48,470 --> 01:13:46,159

profound anomalies while on the property

2090

01:13:50,390 --> 01:13:48,480

and even more importantly all five

2091

01:13:51,830 --> 01:13:50,400

brought something home with them so yeah

2092

01:13:55,990 --> 01:13:51,840

it's

2093

01:13:58,950 --> 01:13:56,000

that's a good point it wasn't like one

2094

01:14:00,870 --> 01:13:58,960

out of 20 bring something home it

2095

01:14:03,030 --> 01:14:00,880

not was and here's some of the serious

2096

01:14:05,830 --> 01:14:03,040

stuff from the book okay

2097

01:14:08,070 --> 01:14:05,840

the axelrod family also suffered health

2098

01:14:11,189 --> 01:14:08,080

health effects with the wife the wife

2099

01:14:14,470 --> 01:14:11,199

suffering flare-ups of systematic lupus

2100

01:14:17,669 --> 01:14:14,480

uh and renaud's disease both axelrod's

2101
01:14:19,669 --> 01:14:17,679
teenagers also suffered intense flu-like

2102
01:14:21,510 --> 01:14:19,679
symptoms at different times following

2103
01:14:23,590 --> 01:14:21,520
anomalies in their home with the most

2104
01:14:25,350 --> 01:14:23,600
serious medical symptoms occurring in

2105
01:14:27,350 --> 01:14:25,360
the younger teenager after being

2106
01:14:30,790 --> 01:14:27,360
attacked on the night of february 7th

2107
01:14:32,669 --> 01:14:30,800
2011 by blue and red orbs in his room

2108
01:14:35,189 --> 01:14:32,679
uh without without breaking medical

2109
01:14:37,189 --> 01:14:35,199
confidentiality it can be unequivocally

2110
01:14:38,790 --> 01:14:37,199
stated that a large number of people who

2111
01:14:39,590 --> 01:14:38,800
brought something home from skinwalker

2112
01:14:42,070 --> 01:14:39,600
ranch

2113
01:14:43,990 --> 01:14:42,080

also began to experience autoimmune

2114

01:14:45,830 --> 01:14:44,000

disease in one or more family or

2115

01:14:46,630 --> 01:14:45,840

household members

2116

01:14:48,310 --> 01:14:46,640

well

2117

01:14:50,790 --> 01:14:48,320

it's just it's like

2118

01:14:53,189 --> 01:14:50,800

i had no idea it was that

2119

01:15:00,550 --> 01:14:53,199

widespread and that was going on

2120

01:15:05,910 --> 01:15:03,590

co-wrote the book um the irish fellow uh

2121

01:15:08,950 --> 01:15:05,920

kelleher

2122

01:15:12,310 --> 01:15:08,960

so he also wrote a book i found a while

2123

01:15:13,910 --> 01:15:12,320

ago about med cow disease i have it i

2124

01:15:14,870 --> 01:15:13,920

have not read all of it but it's really

2125

01:15:18,070 --> 01:15:14,880

good

2126

01:15:20,070 --> 01:15:18,080

yeah and how it was related to uh

2127

01:15:20,950 --> 01:15:20,080

alzheimer's or something

2128

01:15:22,950 --> 01:15:20,960

yes

2129

01:15:25,510 --> 01:15:22,960

that was really interesting to me

2130

01:15:26,950 --> 01:15:25,520

and it goes to show i guess you know

2131

01:15:28,790 --> 01:15:26,960

how much time he

2132

01:15:30,790 --> 01:15:28,800

puts into the

2133

01:15:33,350 --> 01:15:30,800

these kind of anomalies i think i even

2134

01:15:35,430 --> 01:15:33,360

saw like a quote on one of his bios

2135

01:15:37,270 --> 01:15:35,440

where like that's his main thing is

2136

01:15:39,270 --> 01:15:37,280

is working on these kind of health

2137

01:15:41,750 --> 01:15:39,280

anomalies

2138

01:15:45,350 --> 01:15:43,750

it's called brain trust

2139

01:15:47,189 --> 01:15:45,360

brain trust yes

2140

01:15:49,430 --> 01:15:47,199

the hidden connection

2141

01:15:51,350 --> 01:15:49,440

between mad cow and misdiagnosed

2142

01:15:52,709 --> 01:15:51,360

alzheimer's disease i believe he does

2143

01:15:54,149 --> 01:15:52,719

make a connection with cattle

2144

01:15:55,990 --> 01:15:54,159

mutilations because that's one of the

2145

01:15:58,790 --> 01:15:56,000

theories whoever's in charge is trying

2146

01:16:00,149 --> 01:15:58,800

to keep track of our our food

2147

01:16:01,830 --> 01:16:00,159

uh

2148

01:16:03,910 --> 01:16:01,840

yeah see what we're eating if there's

2149

01:16:05,590 --> 01:16:03,920

any problems that's one of the theories

2150

01:16:09,510 --> 01:16:05,600

i'll tell you this right now that's very

2151

01:16:12,790 --> 01:16:09,520

interesting and i showed it when that um

2152

01:16:15,910 --> 01:16:12,800

uh it was like uh the mandate first came

2153

01:16:18,310 --> 01:16:15,920

out for the preliminary report so it was

2154

01:16:19,910 --> 01:16:18,320

in that big bill or whatever

2155

01:16:21,830 --> 01:16:19,920

and you know because everyone just went

2156

01:16:23,750 --> 01:16:21,840

to the uap part they just skipped the

2157

01:16:24,709 --> 01:16:23,760

rest of it and all right what do you got

2158

01:16:26,470 --> 01:16:24,719

in here

2159

01:16:28,950 --> 01:16:26,480

and

2160

01:16:30,470 --> 01:16:28,960

a part of that you know if you wouldn't

2161

01:16:32,830 --> 01:16:30,480

wouldn't skip it or whatever is

2162

01:16:38,310 --> 01:16:32,840

anomalous um

2163

01:16:40,310 --> 01:16:38,320

medical like uh issues or occurrences

2164

01:16:42,070 --> 01:16:40,320

is in there like to be looked at and

2165

01:16:43,669 --> 01:16:42,080

everything really goes through like the

2166

01:16:45,430 --> 01:16:43,679

symptoms too

2167

01:16:47,990 --> 01:16:45,440

uh which is you know like headache and

2168

01:16:50,390 --> 01:16:48,000

all that kind of stuff and um it was

2169

01:16:52,630 --> 01:16:50,400

kind of related the symptoms reminded me

2170

01:16:56,229 --> 01:16:52,640

of how they described like

2171

01:16:57,189 --> 01:16:56,239

um these like havana syndrome stuff

2172

01:16:59,590 --> 01:16:57,199

but

2173

01:17:01,430 --> 01:16:59,600

so i'll have to find that and and said

2174

01:17:03,590 --> 01:17:01,440

i've been looking for it so i can send

2175

01:17:05,110 --> 01:17:03,600

it to you because yeah too

2176

01:17:06,709 --> 01:17:05,120

and you bring up you bring up havana

2177

01:17:08,310 --> 01:17:06,719

syndrome and lewis said there might be a

2178

01:17:10,229 --> 01:17:08,320

connection between uap and havana

2179

01:17:12,070 --> 01:17:10,239

syndrome and i'm like okay well

2180

01:17:13,430 --> 01:17:12,080

um i would love to see what they're

2181

01:17:14,950 --> 01:17:13,440

talking about and then you see what

2182

01:17:17,350 --> 01:17:14,960

happens with these things so i don't

2183

01:17:18,950 --> 01:17:17,360

know um somebody said is you know

2184

01:17:20,709 --> 01:17:18,960

brandon fuegle says he has not

2185

01:17:23,590 --> 01:17:20,719

experienced any poultry ice activities

2186

01:17:25,910 --> 01:17:23,600

but the doctors have is brandon's armani

2187

01:17:27,430 --> 01:17:25,920

suit protecting him

2188

01:17:31,110 --> 01:17:27,440

that is the question

2189

01:17:34,870 --> 01:17:31,120

he would probably tell you it's uh god

2190

01:17:38,470 --> 01:17:36,470

yeah brandon probably will tell you that

2191

01:17:39,910 --> 01:17:38,480

um his religious belief he doesn't have

2192

01:17:41,110 --> 01:17:39,920

to worry about it um

2193

01:17:43,350 --> 01:17:41,120

there is something

2194

01:17:44,470 --> 01:17:43,360

i will here's something a slight change

2195

01:17:46,229 --> 01:17:44,480

from the book

2196

01:17:47,030 --> 01:17:46,239

we haven't talked about remote viewing

2197

01:17:48,790 --> 01:17:47,040

so

2198

01:17:50,630 --> 01:17:48,800

joe mcmonicle is one of the best remote

2199

01:17:52,149 --> 01:17:50,640

viewers on the planet did a remote

2200

01:17:54,149 --> 01:17:52,159

viewing and he said there was a fifth

2201

01:17:56,470 --> 01:17:54,159

individual on the on the ranch when he

2202

01:17:58,390 --> 01:17:56,480

was remote viewing he drew the ranch out

2203

01:17:59,910 --> 01:17:58,400

uh the um

2204

01:18:01,990 --> 01:17:59,920

the whole ranch

2205

01:18:04,229 --> 01:18:02,000

from like an aerial view he's an amazing

2206

01:18:05,750 --> 01:18:04,239

artist so he can draw exactly what he

2207

01:18:08,070 --> 01:18:05,760

sees how are you doing right

2208

01:18:10,390 --> 01:18:08,080

red panda here so this is mcMahon

2209

01:18:11,910 --> 01:18:10,400

mcMonicle he says uh

2210

01:18:14,070 --> 01:18:11,920

he said that uh during his remote

2211

01:18:15,590 --> 01:18:14,080

viewing and once again can't be rarified

2212

01:18:17,030 --> 01:18:15,600

especially this

2213

01:18:19,270 --> 01:18:17,040

he says

2214

01:18:21,189 --> 01:18:19,280

wow the fifth individual who was also

2215

01:18:24,470 --> 01:18:21,199

present at the ranch mcmonica described

2216

01:18:26,950 --> 01:18:24,480

a male 60 to 70 pounds with a height of

2217

01:18:29,430 --> 01:18:26,960

four foot three inches with no hair

2218

01:18:31,350 --> 01:18:29,440

sounds like a gray uh age was not able

2219

01:18:33,669 --> 01:18:31,360

to be determined exact physical features

2220

01:18:35,510 --> 01:18:33,679

were unclear as opposed to those of the

2221

01:18:37,750 --> 01:18:35,520

managers and guards i guess which he

2222

01:18:40,149 --> 01:18:37,760

described mcmonicle said that the fifth

2223

01:18:42,310 --> 01:18:40,159

individual could not be seen by rants

2224

01:18:44,310 --> 01:18:42,320

personnel but did attempt tests

2225

01:18:45,590 --> 01:18:44,320

communications with them to see their

2226

01:18:47,590 --> 01:18:45,600

response

2227

01:18:49,350 --> 01:18:47,600

he indicated he indicated that the

2228

01:18:51,430 --> 01:18:49,360

communication was not precise or clear

2229

01:18:53,669 --> 01:18:51,440

and that uh and to the individuals on

2230

01:18:56,870 --> 01:18:53,679

the ranch it would seem to come from

2231

01:18:59,110 --> 01:18:56,880

above and behind their heads

2232

01:19:00,390 --> 01:18:59,120

so that's really cool can't you can't

2233

01:19:02,790 --> 01:19:00,400

obviously

2234

01:19:04,870 --> 01:19:02,800

confirm it but

2235

01:19:06,149 --> 01:19:04,880

and if it's if let's say he's accurate

2236

01:19:07,990 --> 01:19:06,159

let's say this is an accurate remote

2237

01:19:09,830 --> 01:19:08,000

viewing that's kind of encouraging that

2238

01:19:11,990 --> 01:19:09,840

it was trying to communicate you know

2239

01:19:13,510 --> 01:19:12,000

not trying to cause havoc

2240

01:19:16,149 --> 01:19:13,520

right

2241

01:19:18,470 --> 01:19:16,159

so yeah that's yeah

2242

01:19:20,630 --> 01:19:18,480

yeah like you know

2243

01:19:23,750 --> 01:19:20,640

you have to speculate or like what are

2244

01:19:25,830 --> 01:19:23,760

we doing here that's after the fun is

2245

01:19:27,110 --> 01:19:25,840

is speculating and you know trying to

2246

01:19:28,950 --> 01:19:27,120

think what

2247

01:19:30,709 --> 01:19:28,960

what's possible and what would make

2248

01:19:32,950 --> 01:19:30,719

sense you know like i always think of

2249

01:19:34,310 --> 01:19:32,960

george nip when um you know i think a

2250

01:19:36,470 --> 01:19:34,320

lot of people were

2251

01:19:38,709 --> 01:19:36,480

just kind of um

2252

01:19:40,709 --> 01:19:38,719

poo pooing a lot of stuff

2253

01:19:42,070 --> 01:19:40,719

in the ufo world not too long ago maybe

2254

01:19:45,030 --> 01:19:42,080

a couple months ago

2255

01:19:47,270 --> 01:19:45,040

and he just wrote a simple tweet that i

2256

01:19:49,990 --> 01:19:47,280

that still stays with me

2257

01:19:53,030 --> 01:19:50,000

and it's um

2258

01:19:54,790 --> 01:19:53,040

ufos are supposed to be fun

2259

01:19:56,870 --> 01:19:54,800

i remember that i remember that that was

2260

01:20:00,470 --> 01:19:56,880

that was that was and i thought he also

2261

01:20:01,910 --> 01:20:00,480

said that back in 2019 he's like

2262

01:20:03,590 --> 01:20:01,920

you know it's like we finally get some

2263

01:20:05,830 --> 01:20:03,600

new information and people just want to

2264

01:20:07,110 --> 01:20:05,840

[h__h] all over right off the bat come on

2265

01:20:08,709 --> 01:20:07,120

let's talk about this i mean it's

2266

01:20:09,669 --> 01:20:08,719

serious some of this is serious not all

2267

01:20:10,950 --> 01:20:09,679

of it

2268

01:20:14,149 --> 01:20:10,960

well if you're just serious the whole

2269

01:20:16,470 --> 01:20:14,159

time you're gonna you're gonna turn into

2270

01:20:19,510 --> 01:20:16,480

a really anxiety you're gonna be an

2271

01:20:21,030 --> 01:20:19,520

anxiety ball you know like

2272

01:20:23,830 --> 01:20:21,040

and i'm trying to find that line being

2273

01:20:25,990 --> 01:20:23,840

newer here but yeah like you have to

2274

01:20:27,590 --> 01:20:26,000

there's a sense of seriousness and but

2275

01:20:30,229 --> 01:20:27,600

you also have to be able to have fun

2276

01:20:32,950 --> 01:20:30,239

with it too you know exactly and that

2277

01:20:35,189 --> 01:20:32,960

stays with me yeah and i have to

2278

01:20:36,790 --> 01:20:35,199

remember that more i get too serious too

2279

01:20:39,030 --> 01:20:36,800

somebody i know said you need to smile

2280

01:20:41,189 --> 01:20:39,040

more during your your uh live streams

2281

01:20:43,350 --> 01:20:41,199

i'm like we're talking about serious

2282

01:20:44,950 --> 01:20:43,360

stuff anyway so

2283

01:20:46,790 --> 01:20:44,960

uh calling all being says do we think

2284

01:20:49,189 --> 01:20:46,800

lou was able to read the book in advance

2285

01:20:50,870 --> 01:20:49,199

i would hope so i would think so if so

2286

01:20:52,390 --> 01:20:50,880

do you think the remote viewing comment

2287

01:20:54,390 --> 01:20:52,400

that is circulating is helping his

2288

01:20:56,390 --> 01:20:54,400

effort or not uh probably not helping

2289

01:20:57,990 --> 01:20:56,400

with certain people but i i'm pretty

2290

01:20:59,350 --> 01:20:58,000

sure he knew it was in there might have

2291

01:21:01,189 --> 01:20:59,360

been one of the reasons he didn't want

2292

01:21:03,189 --> 01:21:01,199

to go into details he wanted to wait for

2293

01:21:05,510 --> 01:21:03,199

the book to come out he can he's i would

2294

01:21:07,590 --> 01:21:05,520

hope he'll explain exactly what happened

2295

01:21:10,629 --> 01:21:07,600

um i want to go back to the

2296

01:21:16,870 --> 01:21:10,639

to the so the lady who sat next to

2297

01:21:19,110 --> 01:21:16,880

let kasky uh at the dia susanna ash

2298

01:21:21,830 --> 01:21:19,120

so here's what happened so she sat in

2299

01:21:25,750 --> 01:21:21,840

the office cubicle next to let caskey at

2300

01:21:27,830 --> 01:21:25,760

the dia between february and june 2011.

2301

01:21:31,510 --> 01:21:27,840

uh she reported that on the night of

2302

01:21:34,149 --> 01:21:31,520

february 6 2011 the night before

2303

01:21:36,390 --> 01:21:34,159

lakatsky's february 7th briefing to the

2304

01:21:37,750 --> 01:21:36,400

department of homeland security which

2305

01:21:39,910 --> 01:21:37,760

when you read it

2306

01:21:40,709 --> 01:21:39,920

it's it was an amazing briefing if you

2307

01:21:43,350 --> 01:21:40,719

read

2308

01:21:45,110 --> 01:21:43,360

lakotsky did amazing just

2309

01:21:46,629 --> 01:21:45,120

he did his research he learned

2310

01:21:48,390 --> 01:21:46,639

everything about the program and he let

2311

01:21:50,470 --> 01:21:48,400

lucy didn't hold anything back trying to

2312

01:21:52,229 --> 01:21:50,480

get the program a home in the department

2313

01:21:53,669 --> 01:21:52,239

of homeland security

2314

01:21:55,910 --> 01:21:53,679

say again

2315

01:21:58,870 --> 01:21:55,920

i'm sorry i jumped ahead and his pet

2316

01:22:01,030 --> 01:21:58,880

dogged it once yeah yeah so so

2317

01:22:03,030 --> 01:22:01,040

the night before that briefing

2318

01:22:05,350 --> 01:22:03,040

eddie ash susanna's brother who

2319

01:22:07,830 --> 01:22:05,360

previously had no experience whatsoever

2320

01:22:10,629 --> 01:22:07,840

with anomalies had an escalating series

2321

01:22:12,790 --> 01:22:10,639

of close encounters with uaps in rural

2322

01:22:15,189 --> 01:22:12,800

mocksville north carolina that continued

2323

01:22:17,910 --> 01:22:15,199

for months afterwards eddie's quiet

2324

01:22:20,629 --> 01:22:17,920

country home suddenly had large orange

2325

01:22:22,709 --> 01:22:20,639

uaps hovering outside at night aerial

2326

01:22:25,430 --> 01:22:22,719

photos of his house were sent to his

2327

01:22:27,830 --> 01:22:25,440

mobile phone from unknown numbers and

2328

01:22:29,990 --> 01:22:27,840

his pet dog once disappeared

2329

01:22:32,149 --> 01:22:30,000

through multiple locked doors while

2330

01:22:35,189 --> 01:22:32,159

eddie slept only to be found in the

2331

01:22:37,110 --> 01:22:35,199

morning whimpering outside

2332

01:22:39,669 --> 01:22:37,120

could litkatsky have transmitted

2333

01:22:43,350 --> 01:22:39,679

something to susanna ashe who

2334

01:22:46,629 --> 01:22:43,360

subsequently passed it to her brother

2335

01:22:48,950 --> 01:22:46,639

so the moral of that story is do not

2336

01:22:55,669 --> 01:22:48,960

hang around anywhere near james

2337

01:22:59,510 --> 01:22:57,510

do not hang out with anybody who's been

2338

01:23:01,189 --> 01:22:59,520

on the ranch you know i wanted to meet

2339

01:23:03,510 --> 01:23:01,199

george that in person i've seen him

2340

01:23:05,590 --> 01:23:03,520

before now that i know this i am not

2341

01:23:07,830 --> 01:23:05,600

going anywhere near him

2342

01:23:09,350 --> 01:23:07,840

i think it's like a six foot a six foot

2343

01:23:11,750 --> 01:23:09,360

rule maybe

2344

01:23:13,910 --> 01:23:11,760

what why is it always a die i hate when

2345

01:23:16,629 --> 01:23:13,920

it's always got to bring the dogs into

2346

01:23:23,270 --> 01:23:16,639

it the dogs i know i love dogs more than

2347

01:23:26,229 --> 01:23:24,390

i'm trying to go through some questions

2348

01:23:28,709 --> 01:23:26,239

anytime anytime you have to go sean let

2349

01:23:30,390 --> 01:23:28,719

me know yeah i'm gonna eat so i'll

2350

01:23:31,990 --> 01:23:30,400

probably i'll head out now

2351

01:23:32,830 --> 01:23:32,000

okay thank you thank you thank you for

2352

01:23:36,070 --> 01:23:32,840

being

2353

01:23:38,070 --> 01:23:36,080

here yeah a great time yeah you helped

2354

01:23:39,350 --> 01:23:38,080

me a lot because i'm still a lot i have

2355

01:23:41,590 --> 01:23:39,360

to learn about that book and what

2356

01:23:43,669 --> 01:23:41,600

happened so thank you yeah and i'll talk

2357

01:23:44,790 --> 01:23:43,679

to you soon i'll see you on twitter yeah

2358

01:23:46,390 --> 01:23:44,800

i'll read it

2359

01:23:51,110 --> 01:23:46,400

maybe yeah

2360

01:23:55,750 --> 01:23:53,990

all right so questions

2361

01:23:59,030 --> 01:23:55,760

i can't figure out where calling all

2362

01:24:02,709 --> 01:24:01,270

you guys

2363

01:24:08,790 --> 01:24:02,719

i have to get ready for work but i can

2364

01:24:13,270 --> 01:24:11,830

is like caskey catholic

2365

01:24:15,030 --> 01:24:13,280

i don't know they don't talk about his

2366

01:24:16,629 --> 01:24:15,040

religion in there and i i'm not sure if

2367

01:24:18,790 --> 01:24:16,639

it was true you asked about the medical

2368

01:24:20,790 --> 01:24:18,800

reports they're not in there the whole

2369

01:24:23,590 --> 01:24:20,800

hipaa thing is a problem

2370

01:24:28,310 --> 01:24:25,590

chris says i have multiple heart issues

2371

01:24:31,270 --> 01:24:28,320

and autoimmune diseases yeah i mean

2372

01:24:33,189 --> 01:24:31,280

is it connected um i mean i see this now

2373

01:24:34,310 --> 01:24:33,199

and it's troublesome

2374

01:24:35,430 --> 01:24:34,320

and um

2375

01:24:36,870 --> 01:24:35,440

i don't know i don't know what to do

2376

01:24:39,189 --> 01:24:36,880

about that i really really would love to

2377

01:24:41,430 --> 01:24:39,199

know how many people have have some sort

2378

01:24:42,790 --> 01:24:41,440

of connection to seeing that phenomenon

2379

01:24:44,470 --> 01:24:42,800

and then having this stuff happen to

2380

01:24:45,910 --> 01:24:44,480

them

2381

01:24:48,629 --> 01:24:45,920

i'm not really sure what this is above

2382

01:24:51,270 --> 01:24:48,639

and behind that's not v2k communication

2383

01:24:53,110 --> 01:24:51,280

voice to skull oh i don't i don't know

2384

01:24:54,950 --> 01:24:53,120

um i've heard there are other people

2385

01:24:57,030 --> 01:24:54,960

i've heard talking about hearing voices

2386

01:24:59,030 --> 01:24:57,040

above not being able to make out what

2387

01:25:01,350 --> 01:24:59,040

they're saying and maybe it's the same

2388

01:25:02,229 --> 01:25:01,360

type of thing

2389

01:25:05,350 --> 01:25:02,239

um

2390

01:25:08,229 --> 01:25:07,030

here we go red pound says i'm sorry if

2391

01:25:09,669 --> 01:25:08,239

you said this but have you read the

2392

01:25:11,990 --> 01:25:09,679

whole book already

2393

01:25:13,669 --> 01:25:12,000

i have read i read so i got the book

2394

01:25:16,470 --> 01:25:13,679

maybe like a

2395

01:25:18,550 --> 01:25:16,480

a week and a half ago maybe uh so i read

2396

01:25:19,990 --> 01:25:18,560

it just for entertainment because i was

2397

01:25:21,990 --> 01:25:20,000

so excited to see it i didn't want i

2398

01:25:24,070 --> 01:25:22,000

should have taken notes the first time

2399

01:25:25,590 --> 01:25:24,080

so i read it i didn't remember a lot of

2400

01:25:26,629 --> 01:25:25,600

it i enjoyed it

2401

01:25:29,430 --> 01:25:26,639

and

2402

01:25:31,910 --> 01:25:29,440

i read it again a couple of days ago

2403

01:25:33,910 --> 01:25:31,920

the book was supposed to be out

2404

01:25:35,830 --> 01:25:33,920

wednesday and then amazon just put it

2405

01:25:37,430 --> 01:25:35,840

online and i was scrambling to read it

2406

01:25:38,830 --> 01:25:37,440

again and take notes and write a blog

2407

01:25:42,629 --> 01:25:38,840

which is not done

2408

01:25:45,350 --> 01:25:42,639

um so there's certain things

2409

01:25:47,030 --> 01:25:45,360

please set up an email um

2410

01:25:49,110 --> 01:25:47,040

there's certain things

2411

01:25:51,030 --> 01:25:49,120

sorry i was reading uh messages certain

2412

01:25:52,470 --> 01:25:51,040

things that i don't remember

2413

01:25:55,110 --> 01:25:52,480

which when my memory it takes me a

2414

01:25:57,350 --> 01:25:55,120

couple times to sink into my memory

2415

01:25:59,350 --> 01:25:57,360

but i enjoyed the book uh i think the

2416

01:26:01,110 --> 01:25:59,360

book is great i think asap is more than

2417

01:26:03,270 --> 01:26:01,120

i ever expected

2418

01:26:05,110 --> 01:26:03,280

i think it's like a shining

2419

01:26:06,709 --> 01:26:05,120

program for other programs to show how

2420

01:26:09,910 --> 01:26:06,719

you can quickly get off the ground

2421

01:26:12,950 --> 01:26:09,920

running uh hire people i mean as i said

2422

01:26:15,430 --> 01:26:12,960

earlier kelleher hired 300 people or 50

2423

01:26:17,350 --> 01:26:15,440

people he interviewed 300 people over

2424

01:26:19,110 --> 01:26:17,360

online and then 100 people in person

2425

01:26:20,550 --> 01:26:19,120

within like six or seven months and had

2426

01:26:24,709 --> 01:26:20,560

50 people hired

2427

01:26:27,030 --> 01:26:24,719

so amazing amazing job uh professor

2428

01:26:30,709 --> 01:26:27,040

penis i have my email is

2429

01:26:33,669 --> 01:26:30,719

let's see where my i think i have

2430

01:26:35,030 --> 01:26:33,679

it's connected to my paypal

2431

01:26:37,910 --> 01:26:35,040

but

2432

01:26:40,390 --> 01:26:37,920

i do have that and and while i'm at it

2433

01:26:42,149 --> 01:26:40,400

anybody interested that is my patreon

2434

01:26:45,430 --> 01:26:42,159

and

2435

01:26:48,550 --> 01:26:45,440

my blog is ufo.net i have a lot of stuff

2436

01:26:50,790 --> 01:26:48,560

on the blog the 2019 george knapp

2437

01:26:52,310 --> 01:26:50,800

uh lecture at megacon is a good one he

2438

01:26:53,830 --> 01:26:52,320

talks about a lot of this stuff and

2439

01:26:55,110 --> 01:26:53,840

there's stuff in there that i'm sure

2440

01:26:56,550 --> 01:26:55,120

there's some stuff that we haven't heard

2441

01:26:58,310 --> 01:26:56,560

about publicly yet

2442

01:26:59,830 --> 01:26:58,320

he's really good about getting as much

2443

01:27:02,709 --> 01:26:59,840

information out as he can and then at a

2444

01:27:04,709 --> 01:27:02,719

future date he gets it out me

2445

01:27:07,110 --> 01:27:04,719

i hear stuff and i a lot of times i'm

2446

01:27:08,709 --> 01:27:07,120

never told i could share it um so but

2447

01:27:11,510 --> 01:27:08,719

that's my email

2448

01:27:12,790 --> 01:27:11,520

uh i don't check it that much which i

2449

01:27:17,189 --> 01:27:12,800

need to do

2450

01:27:22,870 --> 01:27:19,510

venmo and then any more questions you

2451

01:27:26,470 --> 01:27:22,880

guys have i will go through

2452

01:27:31,110 --> 01:27:28,390

page 25 was interesting but i don't know

2453

01:27:34,470 --> 01:27:31,120

what page 25 is and i do have

2454

01:27:35,910 --> 01:27:34,480

i do have the book here but it's online

2455

01:27:38,629 --> 01:27:35,920

have you known about

2456

01:27:40,229 --> 01:27:38,639

while did george tip you off a while

2457

01:27:41,669 --> 01:27:40,239

back it wasn't a while it was like i

2458

01:27:43,590 --> 01:27:41,679

think it was like a week and a half i

2459

01:27:45,510 --> 01:27:43,600

don't remember when we got it a few of

2460

01:27:47,350 --> 01:27:45,520

us got it i know some other people got

2461

01:27:49,430 --> 01:27:47,360

it um

2462

01:27:51,750 --> 01:27:49,440

so it was nice to read

2463

01:27:53,910 --> 01:27:51,760

and i was excited because i had no idea

2464

01:27:56,870 --> 01:27:53,920

a book was in the works no idea

2465

01:27:59,030 --> 01:27:56,880

totally clueless um so

2466

01:28:01,189 --> 01:27:59,040

to see le caskey come out is just such a

2467

01:28:02,629 --> 01:28:01,199

big deal and then like i said kelleher

2468

01:28:05,669 --> 01:28:02,639

doesn't get enough credit and people

2469

01:28:08,070 --> 01:28:05,679

will see that when they read the book

2470

01:28:10,070 --> 01:28:08,080

no spoilers yeah all right

2471

01:28:11,750 --> 01:28:10,080

i won't say any more well i'm kind of

2472

01:28:13,270 --> 01:28:11,760

the whole the whole episode is a spoiler

2473

01:28:15,590 --> 01:28:13,280

but there's a lot there's a lot of

2474

01:28:17,910 --> 01:28:15,600

detail i am not i have a lot of detail

2475

01:28:20,310 --> 01:28:17,920

in my blog

2476

01:28:21,430 --> 01:28:20,320

that i have not talked about

2477

01:28:22,870 --> 01:28:21,440

and

2478

01:28:24,709 --> 01:28:22,880

by the time that comes out hopefully

2479

01:28:26,830 --> 01:28:24,719

people will read it

2480

01:28:30,790 --> 01:28:26,840

um i'm just trying to

2481

01:28:32,310 --> 01:28:30,800

see some more things that i grabbed

2482

01:28:34,709 --> 01:28:32,320

as far as

2483

01:28:38,070 --> 01:28:34,719

from the book

2484

01:28:39,270 --> 01:28:38,080

so here was that the the the af osi

2485

01:28:40,830 --> 01:28:39,280

connection

2486

01:28:44,550 --> 01:28:40,840

as i mentioned

2487

01:28:48,390 --> 01:28:44,560

earlier let me get rid of

2488

01:28:52,310 --> 01:28:50,629

banner

2489

01:28:54,629 --> 01:28:52,320

there we go so

2490

01:28:57,590 --> 01:28:54,639

bass needed data from

2491

01:28:59,990 --> 01:28:57,600

the off the air force off air force

2492

01:29:03,590 --> 01:29:00,000

office of special investigations on

2493

01:29:05,510 --> 01:29:03,600

historical and current uap events

2494

01:29:07,430 --> 01:29:05,520

uh earlier on the page before it says

2495

01:29:08,790 --> 01:29:07,440

they did they wanted to know

2496

01:29:10,229 --> 01:29:08,800

they wanted to know what air force

2497

01:29:11,830 --> 01:29:10,239

technology was out there so they didn't

2498

01:29:13,510 --> 01:29:11,840

waste their time on that stuff like on a

2499

01:29:15,270 --> 01:29:13,520

sighting that turned out to be some

2500

01:29:16,550 --> 01:29:15,280

secret project they didn't want to waste

2501
01:29:17,590 --> 01:29:16,560
their time so they wanted to know that

2502
01:29:19,750 --> 01:29:17,600
stuff but

2503
01:29:22,149 --> 01:29:19,760
they also wanted to know historical and

2504
01:29:25,030 --> 01:29:22,159
current uap events specifically for data

2505
01:29:28,070 --> 01:29:25,040
that afosi had gathered on the october

2506
01:29:30,149 --> 01:29:28,080
november 1975 incursions by unknown

2507
01:29:32,870 --> 01:29:30,159
flying objects into the so-called

2508
01:29:35,750 --> 01:29:32,880
northern tier air force bases

2509
01:29:38,390 --> 01:29:35,760
in michigan maine malestrom in montana

2510
01:29:40,470 --> 01:29:38,400
and north dakota that's basically you

2511
01:29:42,310 --> 01:29:40,480
know that's where the the missile base

2512
01:29:44,149 --> 01:29:42,320
you know missiles will shut off

2513
01:29:45,510 --> 01:29:44,159

with a ufo hanging out over the base

2514

01:29:47,110 --> 01:29:45,520

there's actually one instance in the

2515

01:29:49,350 --> 01:29:47,120

united states of a missile being turned

2516

01:29:51,590 --> 01:29:49,360

on too

2517

01:29:53,990 --> 01:29:51,600

it's well known in a public record that

2518

01:29:55,750 --> 01:29:54,000

afosi had responded vigorously and

2519

01:29:58,470 --> 01:29:55,760

thoroughly with in-depth investigations

2520

01:30:01,830 --> 01:29:58,480

into these incidents that had profound

2521

01:30:05,430 --> 01:30:01,840

implications for national security

2522

01:30:07,350 --> 01:30:05,440

angelo and his group at the afosi

2523

01:30:09,189 --> 01:30:07,360

listened politely and promising to see

2524

01:30:11,030 --> 01:30:09,199

what they could do about this however as

2525

01:30:13,189 --> 01:30:11,040

the meeting broke up the central

2526

01:30:15,189 --> 01:30:13,199

cautionary tale was that bass needed to

2527

01:30:17,430 --> 01:30:15,199

be read into some special access

2528

01:30:21,350 --> 01:30:17,440

programs in order to progress much

2529

01:30:24,070 --> 01:30:21,360

further in a relationship with af osi

2530

01:30:25,990 --> 01:30:24,080

and that never happened like i said 2009

2531

01:30:27,669 --> 01:30:26,000

they tried not hard they tried again

2532

01:30:30,229 --> 01:30:27,679

harder in 2011

2533

01:30:33,990 --> 01:30:30,239

to get special access status and they

2534

01:30:38,229 --> 01:30:35,910

me get rid of that and i'm trying to

2535

01:30:39,669 --> 01:30:38,239

think if i have any more so here's a

2536

01:30:43,110 --> 01:30:39,679

little more on the funding it's boring

2537

01:30:47,910 --> 01:30:44,950

this is what happened so

2538

01:30:50,149 --> 01:30:47,920

the program ran from september 2008 to

2539

01:30:51,990 --> 01:30:50,159

the end of 2010

2540

01:30:55,030 --> 01:30:52,000

that was funded for two years and then

2541

01:30:57,910 --> 01:30:55,040

for fiscal year 11 congressional funding

2542

01:31:00,070 --> 01:30:57,920

was not available otherwise asef could

2543

01:31:01,750 --> 01:31:00,080

have continued in the dia for the third

2544

01:31:03,430 --> 01:31:01,760

year

2545

01:31:05,030 --> 01:31:03,440

decision was ever made to use the

2546

01:31:07,350 --> 01:31:05,040

funding elsewhere

2547

01:31:10,310 --> 01:31:07,360

the money was simply unavailable money

2548

01:31:12,790 --> 01:31:10,320

was available for fiscal year 12

2549

01:31:14,149 --> 01:31:12,800

but money was not the only issue that

2550

01:31:15,590 --> 01:31:14,159

might be a reference to some of the

2551
01:31:17,510 --> 01:31:15,600
people who were trying to you know kill

2552
01:31:19,669 --> 01:31:17,520
the program because of the demonic

2553
01:31:23,030 --> 01:31:19,679
belief that it was demonic

2554
01:31:25,590 --> 01:31:23,040
in 2011 to 2012 the pressing need for a

2555
01:31:27,910 --> 01:31:25,600
special access program for contract data

2556
01:31:29,910 --> 01:31:27,920
exploitation was determined to be

2557
01:31:32,470 --> 01:31:29,920
absolutely necessary based on

2558
01:31:35,270 --> 01:31:32,480
preliminary data a letter had already

2559
01:31:37,430 --> 01:31:35,280
been sent from reed to defense secretary

2560
01:31:40,950 --> 01:31:37,440
of defense william lynn in 2009

2561
01:31:42,629 --> 01:31:40,960
requesting an sap for ossep

2562
01:31:45,270 --> 01:31:42,639
so the re but that wasn't the real push

2563
01:31:49,270 --> 01:31:45,280

the real push came later on with 2011

2564

01:31:51,110 --> 01:31:49,280

for special access um status

2565

01:31:54,790 --> 01:31:51,120

and that is all i have is as far as

2566

01:31:59,430 --> 01:31:54,800

screen grabs from the book

2567

01:32:03,510 --> 01:32:00,950

um

2568

01:32:06,550 --> 01:32:03,520

i'm going to go for like

2569

01:32:08,870 --> 01:32:06,560

3 45. so any more any more questions

2570

01:32:10,870 --> 01:32:08,880

feel free

2571

01:32:12,470 --> 01:32:10,880

oh that was page 25 was when they were

2572

01:32:14,790 --> 01:32:12,480

they were on the ranch

2573

01:32:17,110 --> 01:32:14,800

uh and the three guys

2574

01:32:19,830 --> 01:32:17,120

experienced the temperature fluctuations

2575

01:32:21,990 --> 01:32:19,840

a big drop in temperature on the ranch

2576
01:32:23,430 --> 01:32:22,000
and then they experienced something

2577
01:32:25,350 --> 01:32:23,440
similar that

2578
01:32:27,189 --> 01:32:25,360
to what was seen back in the nid's days

2579
01:32:28,870 --> 01:32:27,199
where they saw a big like a bigfoot like

2580
01:32:31,910 --> 01:32:28,880
creature but this wasn't as clear it was

2581
01:32:34,149 --> 01:32:31,920
like a mass this big dark mass in their

2582
01:32:35,910 --> 01:32:34,159
uh night vision goggles or a night

2583
01:32:37,669 --> 01:32:35,920
vision scope

2584
01:32:39,669 --> 01:32:37,679
which was

2585
01:32:43,990 --> 01:32:39,679
which but before that they were having

2586
01:32:49,189 --> 01:32:45,510
let me just see what other questions you

2587
01:32:49,199 --> 01:32:53,110
i don't really know what that is

2588
01:32:56,470 --> 01:32:54,950

you feel

2589

01:32:57,910 --> 01:32:56,480

like this could be a considered a

2590

01:32:59,590 --> 01:32:57,920

companion piece of some sort of the

2591

01:33:01,590 --> 01:32:59,600

previous hunt for the skinwalkers book

2592

01:33:02,629 --> 01:33:01,600

or should they each stand on their own

2593

01:33:04,629 --> 01:33:02,639

100

2594

01:33:05,510 --> 01:33:04,639

it should be considered a companion

2595

01:33:06,790 --> 01:33:05,520

piece

2596

01:33:08,950 --> 01:33:06,800

um

2597

01:33:10,709 --> 01:33:08,960

you can read this one without reading

2598

01:33:12,550 --> 01:33:10,719

hunt for the skinwalker but it helps to

2599

01:33:14,709 --> 01:33:12,560

read hump for the skinwalker first which

2600

01:33:16,550 --> 01:33:14,719

is one of my favorite brook books

2601
01:33:17,270 --> 01:33:16,560
on the phenomenon these two books i

2602
01:33:18,310 --> 01:33:17,280
would

2603
01:33:21,590 --> 01:33:18,320
i mean

2604
01:33:23,189 --> 01:33:21,600
if i knew somebody was open-minded

2605
01:33:24,790 --> 01:33:23,199
and willing to consider some of the

2606
01:33:26,390 --> 01:33:24,800
things that are in this book like the

2607
01:33:28,310 --> 01:33:26,400
wolf stuff which is really tough for a

2608
01:33:30,310 --> 01:33:28,320
lot of people um

2609
01:33:31,830 --> 01:33:30,320
and the poltergeist activity if if i

2610
01:33:33,669 --> 01:33:31,840
knew they were open-minded i would say

2611
01:33:35,110 --> 01:33:33,679
you know what you should you should read

2612
01:33:37,189 --> 01:33:35,120
hunt for the skinwalker then skin

2613
01:33:38,470 --> 01:33:37,199

markers at the pentagon

2614

01:33:40,229 --> 01:33:38,480

so

2615

01:33:41,830 --> 01:33:40,239

let me see what this is where are the

2616

01:33:44,790 --> 01:33:41,840

files keller was talking about eight

2617

01:33:46,950 --> 01:33:44,800

foot tall pile uh or something like that

2618

01:33:48,390 --> 01:33:46,960

yeah he's talking about

2619

01:33:50,070 --> 01:33:48,400

he's talking about

2620

01:33:53,990 --> 01:33:50,080

all the files they collected the reports

2621

01:33:55,669 --> 01:33:54,000

they did on cases on instances or um

2622

01:33:57,669 --> 01:33:55,679

on subjects

2623

01:33:59,510 --> 01:33:57,679

and everything went to the dia i'm not

2624

01:34:00,950 --> 01:33:59,520

sure if bass has their own copies i

2625

01:34:03,110 --> 01:34:00,960

would think they still do and they're

2626
01:34:05,270 --> 01:34:03,120
locked up in some secure area

2627
01:34:07,189 --> 01:34:05,280
area i obviously i think all that should

2628
01:34:08,709 --> 01:34:07,199
be public you know minus the the names

2629
01:34:09,910 --> 01:34:08,719
of the met people dealing with medical

2630
01:34:15,270 --> 01:34:09,920
issues

2631
01:34:17,830 --> 01:34:16,550
but that's not but somebody was

2632
01:34:19,510 --> 01:34:17,840
mentioning to me they said they thought

2633
01:34:21,110 --> 01:34:19,520
that was like the data warehouse that

2634
01:34:22,870 --> 01:34:21,120
jeremy corbell and eric davis were

2635
01:34:24,870 --> 01:34:22,880
talking of that's not the same thing

2636
01:34:27,270 --> 01:34:24,880
it's just the best

2637
01:34:28,790 --> 01:34:27,280
data stacks of stuff that they collected

2638
01:34:30,709 --> 01:34:28,800

i mean for two years it's amazing what

2639

01:34:34,790 --> 01:34:30,719

they what they accomplished accomplished

2640

01:34:37,350 --> 01:34:34,800

in two years so just much credit to

2641

01:34:39,270 --> 01:34:37,360

bigelow and lutkatsky and

2642

01:34:41,030 --> 01:34:39,280

and kelleher and other people behind the

2643

01:34:43,270 --> 01:34:41,040

scenes who i'm sure we may never hear

2644

01:34:48,149 --> 01:34:43,280

from

2645

01:34:52,629 --> 01:34:50,070

linda

2646

01:34:54,310 --> 01:34:52,639

yes i've heard that

2647

01:34:55,830 --> 01:34:54,320

i just sent a copy to all the people in

2648

01:34:57,990 --> 01:34:55,840

all governments i agree let them read

2649

01:35:00,149 --> 01:34:58,000

this of course

2650

01:35:02,310 --> 01:35:00,159

you know i'm not sure if it's a first

2651
01:35:04,790 --> 01:35:02,320
it's a great first book when people read

2652
01:35:06,629 --> 01:35:04,800
it um but

2653
01:35:08,629 --> 01:35:06,639
to see what can be done when science

2654
01:35:11,270 --> 01:35:08,639
takes tackles a very controversial

2655
01:35:12,550 --> 01:35:11,280
subject is for me it's exciting

2656
01:35:14,229 --> 01:35:12,560
and yeah back to the temperature

2657
01:35:15,590 --> 01:35:14,239
fluctuations yeah you hear it you hear

2658
01:35:16,629 --> 01:35:15,600
that all the time

2659
01:35:20,390 --> 01:35:16,639
in

2660
01:35:22,709 --> 01:35:20,400
first time i saw that

2661
01:35:24,149 --> 01:35:22,719
uh speaking of the exorcist

2662
01:35:26,550 --> 01:35:24,159
i don't know if anybody ever tried an

2663
01:35:28,310 --> 01:35:26,560

exorcism on the ranch but it was one

2664

01:35:29,590 --> 01:35:28,320

flying crucifix so i mean but there's

2665

01:35:30,950 --> 01:35:29,600

other stuff that flies around the room

2666

01:35:33,109 --> 01:35:30,960

that's not a crucifix when you talk

2667

01:35:35,510 --> 01:35:33,119

about poltergeist um and i've brought it

2668

01:35:38,790 --> 01:35:35,520

up before barry taft has a connection to

2669

01:35:42,310 --> 01:35:38,800

people who have um epileptic fits uh

2670

01:35:44,229 --> 01:35:42,320

it's in his book ufos above and below

2671

01:35:46,550 --> 01:35:44,239

um he saw that there was a connection i

2672

01:35:48,550 --> 01:35:46,560

don't know how that connection works

2673

01:35:50,629 --> 01:35:48,560

and a lot of it is you know traced to

2674

01:35:52,390 --> 01:35:50,639

teenage girls and coming seems to be

2675

01:35:53,910 --> 01:35:52,400

coming from them but not all the cases

2676

01:35:56,950 --> 01:35:53,920

obviously if you read this book you'll

2677

01:35:59,910 --> 01:35:58,550

yeah it's it's definitely

2678

01:36:01,590 --> 01:35:59,920

if you have a friend who's open-minded

2679

01:36:03,109 --> 01:36:01,600

these two books hunt for the skin walker

2680

01:36:05,750 --> 01:36:03,119

and skin workers that

2681

01:36:06,709 --> 01:36:05,760

at the pentagon are good reads so i'm

2682

01:36:11,590 --> 01:36:06,719

gonna

2683

01:36:12,629 --> 01:36:11,600

and listen to rod stewart my new job

2684

01:36:16,390 --> 01:36:12,639

and

2685

01:36:18,149 --> 01:36:16,400

through the book

2686

01:36:20,310 --> 01:36:18,159

taking more notes and studying and i'll

2687

01:36:21,510 --> 01:36:20,320

have michael via on 3 p.m on sunday

2688

01:36:24,310 --> 01:36:21,520

because it would be nice to have

2689

01:36:26,070 --> 01:36:24,320

somebody who's actually worked in intel

2690

01:36:28,709 --> 01:36:26,080

um

2691

01:36:31,030 --> 01:36:28,719

who's had a special access he had a top

2692

01:36:32,870 --> 01:36:31,040

secret sei clearance so

2693

01:36:34,790 --> 01:36:32,880

he may he'll be able to add more insight

2694

01:36:36,870 --> 01:36:34,800

into this anything i could ever have and

2695

01:36:39,750 --> 01:36:36,880

michael you're late to the party

2696

01:36:41,590 --> 01:36:39,760

um i didn't see until now so

2697

01:36:42,950 --> 01:36:41,600

uh back to what you asked me earlier on

2698

01:36:44,470 --> 01:36:42,960

twitter michael those are good questions

2699

01:36:45,830 --> 01:36:44,480

that i needed to follow up with kid

2700

01:36:48,390 --> 01:36:45,840

green because i knew my original

2701
01:36:50,149 --> 01:36:48,400
interview was lacking severely and then

2702
01:36:51,510 --> 01:36:50,159
kid green put an end to interviews

2703
01:36:53,590 --> 01:36:51,520
because whatever reason he said i'm not

2704
01:36:56,070 --> 01:36:53,600
doing any more interviews so i didn't

2705
01:36:57,590 --> 01:36:56,080
get to yeah i didn't get to finish that

2706
01:36:59,590 --> 01:36:57,600
interview that might change and if i get

2707
01:37:01,030 --> 01:36:59,600
a chance i will ask him questions and

2708
01:37:02,870 --> 01:37:01,040
i'll ask people for their questions i'll

2709
01:37:05,109 --> 01:37:02,880
show you what i have so far i got to get

2710
01:37:06,870 --> 01:37:05,119
that online it's incomplete big time

2711
01:37:09,030 --> 01:37:06,880
thank you guys yeah i'll see you on

2712
01:37:10,229 --> 01:37:09,040
sunday at three with michael via and you

2713
01:37:12,310 --> 01:37:10,239

guys can guess anything you want it

2714

01:37:14,470 --> 01:37:12,320

doesn't have to be about the book so all
