00:00:08,870 --> 00:00:05,110
all right

2
00:00:10,470 --> 00:00:08,880
this is my first attempt at

3
00:00:11,669 --> 00:00:10,480
reading my

4
00:00:12,470 --> 00:00:11,679
tweets

5
00:00:14,230 --> 00:00:12,480
which

6
00:00:17,430 --> 00:00:14,240
i have thought about doing for a while

7
00:00:19,830 --> 00:00:17,440
because there are a lot of people

8
00:00:21,750 --> 00:00:19,840
that focus on youtube

9
00:00:24,070 --> 00:00:21,760
and they don't go on twitter which i

10
00:00:26,310 --> 00:00:24,080
think is a big mistake because you can

11
00:00:28,790 --> 00:00:26,320
focus on specific people that you like

12
00:00:30,710 --> 00:00:28,800
on twitter and not see

13
00:00:32,950 --> 00:00:30,720

some of the nonsense that you've heard

14

00:00:34,870 --> 00:00:32,960

about yeah there's some stuff on twitter

15

00:00:37,110 --> 00:00:34,880

a lot of garbage a lot of

16

00:00:39,030 --> 00:00:37,120

trolling activity

17

00:00:40,709 --> 00:00:39,040

but if you follow like just as an

18

00:00:43,270 --> 00:00:40,719

example if you wanted to follow my work

19

00:00:46,229 --> 00:00:43,280

you just go on twitter create an account

20

00:00:48,310 --> 00:00:46,239

and you can follow me just me and you

21

00:00:49,350 --> 00:00:48,320

won't see any of the other crap except

22

00:00:52,229 --> 00:00:49,360

if people

23

00:00:54,950 --> 00:00:52,239

reply to me you'll see that but

24

00:00:58,389 --> 00:00:54,960

you can control your own experience um

25

00:00:59,750 --> 00:00:58,399

but first off

26

00:01:02,069 --> 00:00:59,760

excuse me

27

00:01:04,789 --> 00:01:02,079

um

28

00:01:06,149 --> 00:01:04,799

i really need to do this i know people i

29

00:01:07,670 --> 00:01:06,159

hate doing this but i have to do it

30

00:01:10,469 --> 00:01:07,680

because if i'm going to do this as much

31

00:01:12,070 --> 00:01:10,479

as i do right now i'm i do this all day

32

00:01:15,030 --> 00:01:12,080

long as much as i can when i'm not

33

00:01:16,870 --> 00:01:15,040

working and i i try not to take work

34

00:01:19,030 --> 00:01:16,880

because i'd rather be doing this but my

35

00:01:20,630 --> 00:01:19,040

regular work pays really well as a

36

00:01:22,310 --> 00:01:20,640

camera operator but

37

00:01:24,870 --> 00:01:22,320

it's not about money for me if i can pay

38

00:01:27,830 --> 00:01:24,880

the bills doing this i'd rather do this

39

00:01:29,749 --> 00:01:27,840

um but i right now that's not happening

40

00:01:31,030 --> 00:01:29,759

so if you can if you like what i do and

41

00:01:33,109 --> 00:01:31,040

you support it

42

00:01:34,550 --> 00:01:33,119

first of all that's my blog that's my

43

00:01:36,149 --> 00:01:34,560

twitter

44

00:01:38,789 --> 00:01:36,159

the bloggers first

45

00:01:41,109 --> 00:01:38,799

and then supporting

46

00:01:43,910 --> 00:01:41,119

if you want to send money one time you

47

00:01:47,510 --> 00:01:43,920

can use paypal

48

00:01:49,030 --> 00:01:47,520

which is ufo joe one one at aol.com i

49

00:01:50,950 --> 00:01:49,040

also have to make these into audio i

50

00:01:52,710 --> 00:01:50,960

know people are like make it into audio

51
00:01:54,069 --> 00:01:52,720
for a podcast i need to figure out how

52
00:01:55,830 --> 00:01:54,079
to do that i know it's not that hard

53
00:01:58,149 --> 00:01:55,840
it's just time consuming to do

54
00:02:00,069 --> 00:01:58,159
everything between the blog twitter

55
00:02:03,030 --> 00:02:00,079
which is really where i do a lot of work

56
00:02:05,109 --> 00:02:03,040
and then youtube

57
00:02:06,310 --> 00:02:05,119
and then venmo is another one which i

58
00:02:09,029 --> 00:02:06,320
prefer because they don't take a

59
00:02:10,070 --> 00:02:09,039
percentage like paypal but the support

60
00:02:13,030 --> 00:02:10,080
most

61
00:02:14,949 --> 00:02:13,040
from

62
00:02:16,869 --> 00:02:14,959
patreon i don't make enough money to

63
00:02:18,630 --> 00:02:16,879

support myself not even close so that's

64

00:02:19,589 --> 00:02:18,640

why i have to still work

65

00:02:21,350 --> 00:02:19,599

um

66

00:02:23,589 --> 00:02:21,360

a lot of people do not want to pay for

67

00:02:25,589 --> 00:02:23,599

ufo or paranormal material it's just

68

00:02:26,949 --> 00:02:25,599

that's just how it is so if you guys

69

00:02:28,710 --> 00:02:26,959

like this you want me to keep doing it

70

00:02:30,710 --> 00:02:28,720

as much as i am

71

00:02:33,589 --> 00:02:30,720

you can use that to support

72

00:02:36,229 --> 00:02:33,599

me and my efforts and um so this is my

73

00:02:38,150 --> 00:02:36,239

first attempt at reading my tweets

74

00:02:39,830 --> 00:02:38,160

reading angry tweets

75

00:02:41,350 --> 00:02:39,840

yeah if i see angry tweets i'll read

76

00:02:42,790 --> 00:02:41,360

them but that's not what i'm really

77

00:02:44,390 --> 00:02:42,800

trying to do i'm just gonna go over the

78

00:02:46,630 --> 00:02:44,400

last couple of days

79

00:02:48,229 --> 00:02:46,640

and i will start out with that's my

80

00:02:51,030 --> 00:02:48,239

twitter

81

00:02:52,710 --> 00:02:51,040

amazingly i am up to almost 13 000

82

00:02:55,430 --> 00:02:52,720

followers i think when i did my

83

00:02:58,630 --> 00:02:55,440

newsletter back in 2000

84

00:03:00,949 --> 00:02:58,640

i had a maximum of 800 and it was a free

85

00:03:02,550 --> 00:03:00,959

newsletter which i intended to charge

86

00:03:04,630 --> 00:03:02,560

eventually but then i stopped doing it

87

00:03:06,869 --> 00:03:04,640

went back into television

88

00:03:09,270 --> 00:03:06,879

and the rest is history i didn't i

89

00:03:11,350 --> 00:03:09,280

didn't push it i didn't pursue it

90

00:03:14,149 --> 00:03:11,360

until

91

00:03:16,949 --> 00:03:14,159

20 19 years later 18 years later

92

00:03:20,070 --> 00:03:16,959

all right so that's my twitter

93

00:03:22,949 --> 00:03:20,080

and i will go back down

94

00:03:25,270 --> 00:03:22,959

to an article that was written by

95

00:03:27,190 --> 00:03:25,280

christopher sharp and

96

00:03:29,110 --> 00:03:27,200

i'll read

97

00:03:30,630 --> 00:03:29,120

what christopher wrote it's related to

98

00:03:33,030 --> 00:03:30,640

the gillibrand

99

00:03:35,190 --> 00:03:33,040

amendment and then versus the pentagon

100

00:03:36,710 --> 00:03:35,200

amendment

101
00:03:38,229 --> 00:03:36,720
so there was

102
00:03:40,789 --> 00:03:38,239
and christopher sharp's article was

103
00:03:42,789 --> 00:03:40,799
retweeted by christopher mellon and

104
00:03:44,309 --> 00:03:42,799
luis elizondo if i could find it here we

105
00:03:46,309 --> 00:03:44,319
go so we'll start here

106
00:03:47,430 --> 00:03:46,319
and i'll just read a couple of lines and

107
00:03:49,190 --> 00:03:47,440
you guys are gonna have to search

108
00:03:50,869 --> 00:03:49,200
yourself

109
00:03:53,030 --> 00:03:50,879
just for the link so there's the link

110
00:03:55,589 --> 00:03:53,040
but i don't have time to go through all

111
00:03:57,429 --> 00:03:55,599
the links and put them down and if

112
00:03:59,190 --> 00:03:57,439
anybody has questions for the three

113
00:04:00,390 --> 00:03:59,200

people that are watching

114

00:04:02,630 --> 00:04:00,400

um

115

00:04:05,990 --> 00:04:02,640

i will get to them but i'm also right

116

00:04:08,789 --> 00:04:07,350

what i'm reading so this is how his

117

00:04:10,070 --> 00:04:08,799

article starts out you can't see it

118

00:04:12,309 --> 00:04:10,080

because i'd have to pull up another

119

00:04:15,030 --> 00:04:12,319

thread i'll just read it the headline is

120

00:04:17,909 --> 00:04:15,040

surrounded from all sides the pentagon

121

00:04:22,150 --> 00:04:17,919

will lose its ufo battle and that starts

122

00:04:28,469 --> 00:04:24,629

and uh the article says

123

00:04:30,150 --> 00:04:28,479

it's actually a picture of

124

00:04:31,510 --> 00:04:30,160

senator marco rubio i'm not sure who the

125

00:04:33,430 --> 00:04:31,520

other person is

126

00:04:35,350 --> 00:04:33,440

and it says depending on is on its last

127

00:04:37,430 --> 00:04:35,360

legs when it comes to the unidentified

128

00:04:38,870 --> 00:04:37,440

aerial phenomena issue

129

00:04:41,590 --> 00:04:38,880

not only

130

00:04:43,270 --> 00:04:41,600

has it undermined congress

131

00:04:46,310 --> 00:04:43,280

but it's also now

132

00:04:47,270 --> 00:04:46,320

putting up a desperate resistance while

133

00:04:49,830 --> 00:04:47,280

whilst

134

00:04:52,629 --> 00:04:49,840

while surrounding

135

00:04:55,110 --> 00:04:52,639

whilst surrounded by all sides the truth

136

00:04:57,830 --> 00:04:55,120

will come out but the pentagon's actions

137

00:04:59,270 --> 00:04:57,840

are only making its problems worse

138

00:05:01,909 --> 00:04:59,280

and it starts out

139

00:05:03,670 --> 00:05:01,919

last week the dod decided to establish a

140

00:05:04,710 --> 00:05:03,680

new office

141

00:05:09,029 --> 00:05:04,720

group

142

00:05:12,550 --> 00:05:09,039

navy's unidentified aerial phenomena

143

00:05:14,950 --> 00:05:12,560

task force the uap tf the office is

144

00:05:17,350 --> 00:05:14,960

named the airborne object identification

145

00:05:19,670 --> 00:05:17,360

and management synchronization group

146

00:05:21,510 --> 00:05:19,680

aoimsg

147

00:05:24,230 --> 00:05:21,520

not exactly something which flows off

148

00:05:25,430 --> 00:05:24,240

the tongue hint that's the point i i

149

00:05:26,629 --> 00:05:25,440

don't know if that's the point i don't

150

00:05:28,230 --> 00:05:26,639

know if that's why they came up with

151

00:05:30,790 --> 00:05:28,240

their name i have no evidence that they

152

00:05:33,270 --> 00:05:30,800

came up with a a ridiculous acronym an

153

00:05:35,189 --> 00:05:33,280

acronym um acronym on purpose to make us

154

00:05:36,550 --> 00:05:35,199

not you know not have something catchy

155

00:05:38,870 --> 00:05:36,560

who knows

156

00:05:40,629 --> 00:05:38,880

uh chris continues the dod's christopher

157

00:05:42,469 --> 00:05:40,639

sharp the dod's move came with the

158

00:05:44,950 --> 00:05:42,479

backing of two senior administration

159

00:05:46,150 --> 00:05:44,960

administration members ariel haynes

160

00:05:48,310 --> 00:05:46,160

who's the director of national

161

00:05:50,310 --> 00:05:48,320

intelligence and kathleen hicks deputy

162

00:05:53,029 --> 00:05:50,320

secretary of defense

163

00:05:54,790 --> 00:05:53,039

it's not a good look the dod may cry out

164

00:05:55,830 --> 00:05:54,800

that it was simply responding to the

165

00:05:58,469 --> 00:05:55,840

june

166

00:06:01,270 --> 00:05:58,479

uap task force preliminary assessment

167

00:06:03,110 --> 00:06:01,280

and hicks subsequent memorandum

168

00:06:05,350 --> 00:06:03,120

but it did so with the full knowledge

169

00:06:07,350 --> 00:06:05,360

that the senate's gillibrand rubio

170

00:06:10,629 --> 00:06:07,360

amendment to the national defense

171

00:06:14,230 --> 00:06:10,639

authorization act of 2022 was a far

172

00:06:15,510 --> 00:06:14,240

superior version of aoimsg

173

00:06:16,390 --> 00:06:15,520

so that's that's all i'm going to read

174

00:06:18,950 --> 00:06:16,400

there

175

00:06:21,270 --> 00:06:18,960

uh really in-depth that in-depth article

176
00:06:23,510 --> 00:06:21,280
by christopher sharpe uh

177
00:06:24,309 --> 00:06:23,520
which if you can find it without

178
00:06:26,710 --> 00:06:24,319
uh

179
00:06:30,550 --> 00:06:26,720
you could see the link liberation times

180
00:06:34,790 --> 00:06:31,830
you can see that you'll find that

181
00:06:36,230 --> 00:06:34,800
article uh nice job by christopher

182
00:06:37,990 --> 00:06:36,240
alright so let's go through some of my

183
00:06:39,270 --> 00:06:38,000
tweets

184
00:06:42,309 --> 00:06:39,280
and so this was

185
00:06:44,309 --> 00:06:42,319
tweeted by dr disclosure saying i am

186
00:06:47,110 --> 00:06:44,319
picking up vibrations that something big

187
00:06:50,950 --> 00:06:47,120
is going to happen by year's end

188
00:06:52,790 --> 00:06:50,960

potential black swan event

189

00:06:54,950 --> 00:06:52,800

and i responded i'm picking up

190

00:06:56,629 --> 00:06:54,960

vibrations that this is because

191

00:06:58,189 --> 00:06:56,639

anytime anybody makes a prediction like

192

00:07:00,550 --> 00:06:58,199

that

193

00:07:02,550 --> 00:07:00,560

99.999 percent of the time it doesn't

194

00:07:04,790 --> 00:07:02,560

happen it's nonsense and this person

195

00:07:06,309 --> 00:07:04,800

whoever this person is also tweeted

196

00:07:07,350 --> 00:07:06,319

something like that i think in august oh

197

00:07:09,749 --> 00:07:07,360

there's gonna be something about the end

198

00:07:11,670 --> 00:07:09,759

of august i i know for sure it's gonna

199

00:07:13,830 --> 00:07:11,680

happen so i would ignore this person

200

00:07:15,670 --> 00:07:13,840

they've said other things like jeff

201
00:07:17,430 --> 00:07:15,680
bezos was gonna join the effort for

202
00:07:18,469 --> 00:07:17,440
searching for uap just because he was

203
00:07:20,950 --> 00:07:18,479
part of the

204
00:07:22,390 --> 00:07:20,960
nasa national cathedral event

205
00:07:23,990 --> 00:07:22,400
but if you looked at the program you're

206
00:07:25,430 --> 00:07:24,000
like that was not that's not going to

207
00:07:27,430 --> 00:07:25,440
happen you know everybody's like oh he's

208
00:07:30,150 --> 00:07:27,440
going to say it let's watch jeff bezos

209
00:07:31,510 --> 00:07:30,160
from amazon he didn't say it so got to

210
00:07:34,309 --> 00:07:31,520
be careful you got a lot of people just

211
00:07:37,510 --> 00:07:34,319
trying to get attention

212
00:07:42,950 --> 00:07:39,830
as i said in my video i made i had a

213
00:07:45,029 --> 00:07:42,960

contact who told me that yes

214

00:07:47,189 --> 00:07:45,039

the whole office of the undersecretary

215

00:07:50,950 --> 00:07:47,199

of defense for intelligence which would

216

00:07:53,270 --> 00:07:50,960

be in charge of this aoi msg

217

00:07:54,390 --> 00:07:53,280

not a good thing but the person i spoke

218

00:07:56,150 --> 00:07:54,400

to didn't think it was something

219

00:07:59,029 --> 00:07:56,160

nefarious you know

220

00:08:00,629 --> 00:07:59,039

um they just thought it was ill-advised

221

00:08:02,790 --> 00:08:00,639

and premature because we have the

222

00:08:05,430 --> 00:08:02,800

gillibrand amendment so

223

00:08:08,469 --> 00:08:05,440

um but that person also said the folks

224

00:08:11,270 --> 00:08:08,479

who want to keep us from studying ufos

225

00:08:13,110 --> 00:08:11,280

basically the evangelical

226
00:08:15,350 --> 00:08:13,120
religious folks

227
00:08:16,790 --> 00:08:15,360
they're behind a lot of this

228
00:08:19,510 --> 00:08:16,800
so

229
00:08:21,430 --> 00:08:19,520
other people have heard that you know

230
00:08:22,710 --> 00:08:21,440
the collins elite type folks who don't

231
00:08:24,710 --> 00:08:22,720
want us to study this because they

232
00:08:27,029 --> 00:08:24,720
believe it's demonic and i guess they

233
00:08:29,670 --> 00:08:27,039
believe it's opening up a door or you

234
00:08:32,310 --> 00:08:29,680
know allowing whatever it is to come in

235
00:08:34,870 --> 00:08:32,320
further i don't know

236
00:08:36,550 --> 00:08:34,880
so let's see

237
00:08:39,190 --> 00:08:36,560
let me go through these tweets and it'll

238
00:08:40,790 --> 00:08:39,200

be a little clunky um so j christopher

239

00:08:42,469 --> 00:08:40,800

king

240

00:08:45,750 --> 00:08:42,479

he um i interviewed him he's an

241

00:08:47,430 --> 00:08:45,760

experencer his story is really good

242

00:08:49,750 --> 00:08:47,440

i think he's the first experience i

243

00:08:51,829 --> 00:08:49,760

interviewed since

244

00:08:55,110 --> 00:08:51,839

the late 90s when i interviewed melinda

245

00:08:58,150 --> 00:08:55,120

leslie who deals with my labs so i i

246

00:09:00,470 --> 00:08:58,160

interviewed him a few months ago

247

00:09:01,829 --> 00:09:00,480

and he said and he has other witnesses

248

00:09:03,430 --> 00:09:01,839

and other people who have experienced

249

00:09:05,750 --> 00:09:03,440

things in his life his mother his

250

00:09:09,590 --> 00:09:05,760

girlfriend his friends that's why i

251
00:09:13,670 --> 00:09:11,190
that's why i wanted to interview him he

252
00:09:14,790 --> 00:09:13,680
comes across as extremely credible

253
00:09:17,269 --> 00:09:14,800
and he said it's a good point to

254
00:09:19,350 --> 00:09:17,279
remember that many beings really seem to

255
00:09:21,670 --> 00:09:19,360
want to cover their tracks and he's had

256
00:09:23,430 --> 00:09:21,680
abduction like experiences

257
00:09:25,910 --> 00:09:23,440
and from observation they appear to

258
00:09:28,389 --> 00:09:25,920
often use wildly advanced technology to

259
00:09:30,870 --> 00:09:28,399
do so we often hear about memories being

260
00:09:32,630 --> 00:09:30,880
wiped even screen memories

261
00:09:36,070 --> 00:09:32,640
lies from some

262
00:09:36,949 --> 00:09:36,080
to debase confuse an experimenter

263
00:09:38,230 --> 00:09:36,959

fits

264

00:09:40,470 --> 00:09:38,240

um

265

00:09:42,710 --> 00:09:40,480

so me personally i still i'm not a

266

00:09:45,110 --> 00:09:42,720

hundred percent convinced we're dealing

267

00:09:46,470 --> 00:09:45,120

with beings it definitely appears to be

268

00:09:48,829 --> 00:09:46,480

the case

269

00:09:50,949 --> 00:09:48,839

but the the other side as well it's it's

270

00:09:53,269 --> 00:09:50,959

something coming from our collective

271

00:09:55,590 --> 00:09:53,279

unconscious you know all of us as humans

272

00:09:57,190 --> 00:09:55,600

we're creating this somehow

273

00:09:58,630 --> 00:09:57,200

i don't know i don't know i don't know

274

00:10:00,550 --> 00:09:58,640

if that's the case maybe in some

275

00:10:02,389 --> 00:10:00,560

instances maybe with some poltergeist

276

00:10:06,310 --> 00:10:02,399

activity it's coming from the person our

277

00:10:09,430 --> 00:10:06,320

consciousness but from you know our

278

00:10:10,470 --> 00:10:09,440

our our minds creating these beings um i

279

00:10:13,110 --> 00:10:10,480

don't know

280

00:10:15,670 --> 00:10:13,120

it's just not just one possibility

281

00:10:18,870 --> 00:10:15,680

it's it's not high on my list

282

00:10:20,550 --> 00:10:18,880

but you know we don't have the evidence

283

00:10:23,350 --> 00:10:20,560

that we're really dealing with beans

284

00:10:24,949 --> 00:10:23,360

except except for the experiencers

285

00:10:26,710 --> 00:10:24,959

telling us and a lot of the stories are

286

00:10:28,310 --> 00:10:26,720

similar so

287

00:10:30,550 --> 00:10:28,320

i do take it seriously but you have to

288

00:10:33,190 --> 00:10:30,560

take every case one by one uh jay is a

289

00:10:34,949 --> 00:10:33,200

great i think he's a great witness

290

00:10:37,829 --> 00:10:34,959

you could find that interview it's on my

291

00:10:41,590 --> 00:10:39,829

and yeah i do think they

292

00:10:42,870 --> 00:10:41,600

it's possible if we are doing dealing

293

00:10:44,710 --> 00:10:42,880

with beings whether or not they're

294

00:10:46,150 --> 00:10:44,720

interdimensional or extraterrestrial

295

00:10:48,230 --> 00:10:46,160

they have technology and they could make

296

00:10:50,949 --> 00:10:48,240

us feel

297

00:10:52,949 --> 00:10:50,959

certain emotions uh certain ways that's

298

00:10:54,310 --> 00:10:52,959

why they can create that emotion of love

299

00:10:56,069 --> 00:10:54,320

i was speaking of speaking about it the

300

00:10:57,990 --> 00:10:56,079

other day they can create an emotion of

301
00:10:59,509 --> 00:10:58,000
fear in theory

302
00:11:00,870 --> 00:10:59,519
i'm really careful about saying what i

303
00:11:03,110 --> 00:11:00,880
believe when it comes to that stuff

304
00:11:05,670 --> 00:11:03,120
because i don't know

305
00:11:08,310 --> 00:11:05,680
all right so

306
00:11:10,389 --> 00:11:08,320
somebody says

307
00:11:11,910 --> 00:11:10,399
lou fits a decades-old pattern of

308
00:11:14,230 --> 00:11:11,920
employees of the government trying to

309
00:11:16,790 --> 00:11:14,240
blow the whistle on ufo secrecy because

310
00:11:18,470 --> 00:11:16,800
some ufos are real craft

311
00:11:20,310 --> 00:11:18,480
and then he says anjali fits a

312
00:11:22,310 --> 00:11:20,320
decades-old pattern of contactees

313
00:11:23,430 --> 00:11:22,320

predicting promising open contact with

314

00:11:25,750 --> 00:11:23,440

aliens

315

00:11:29,030 --> 00:11:25,760

which always fails to happen okay so

316

00:11:32,389 --> 00:11:29,040

this was in response to

317

00:11:35,750 --> 00:11:32,399

i had i had tweeted out

318

00:11:37,509 --> 00:11:35,760

it was a christian minister i think

319

00:11:40,069 --> 00:11:37,519

and she said she she encountered this

320

00:11:41,910 --> 00:11:40,079

reptilian who had a like a false face

321

00:11:44,069 --> 00:11:41,920

that she ripped off and it was really

322

00:11:45,829 --> 00:11:44,079

somebody pretending to be her husband

323

00:11:48,150 --> 00:11:45,839

it was a reptilian and he wanted to have

324

00:11:49,750 --> 00:11:48,160

sex with her and

325

00:11:51,910 --> 00:11:49,760

you know people right away are making

326

00:11:53,190 --> 00:11:51,920

fun of this woman i'm like well some of

327

00:11:54,230 --> 00:11:53,200

the details that she's talking about

328

00:11:56,389 --> 00:11:54,240

have been brought up by other

329

00:11:57,670 --> 00:11:56,399

experiences so i don't immediately

330

00:12:00,550 --> 00:11:57,680

reject it

331

00:12:03,430 --> 00:12:02,230

and i may be mistaking what i'm talking

332

00:12:06,230 --> 00:12:03,440

about here but

333

00:12:08,069 --> 00:12:06,240

i i tweeted

334

00:12:09,990 --> 00:12:08,079

if you listen to any of carla turner's

335

00:12:11,509 --> 00:12:10,000

lectures she talks similar some of the

336

00:12:13,750 --> 00:12:11,519

details from the people that she worked

337

00:12:15,430 --> 00:12:13,760

with experiences they match

338

00:12:18,629 --> 00:12:15,440

you know beings wanting to have sex and

339

00:12:19,910 --> 00:12:18,639

it's not just carla turner so and i i've

340

00:12:22,310 --> 00:12:19,920

spoken about before i have a close

341

00:12:24,710 --> 00:12:22,320

family relative who had some sort of

342

00:12:25,670 --> 00:12:24,720

something something come into the room

343

00:12:28,069 --> 00:12:25,680

and

344

00:12:30,310 --> 00:12:28,079

it was of a sexual nature so i don't

345

00:12:32,150 --> 00:12:30,320

just close off my mind because it sounds

346

00:12:34,230 --> 00:12:32,160

oh it sounds ridiculous oh and reptilian

347

00:12:36,629 --> 00:12:34,240

came in and pretended to be her husband

348

00:12:37,910 --> 00:12:36,639

okay i know maybe the story is bogus i

349

00:12:39,670 --> 00:12:37,920

don't know but i didn't i don't

350

00:12:42,550 --> 00:12:39,680

immediately reject it

351

00:12:44,949 --> 00:12:42,560

but carla turner also talks about

352

00:12:45,990 --> 00:12:44,959

people who apparently had real contact

353

00:12:47,590 --> 00:12:46,000

and

354

00:12:49,590 --> 00:12:47,600

these beings will give them predictions

355

00:12:51,269 --> 00:12:49,600

and the predictions never come true it's

356

00:12:52,870 --> 00:12:51,279

almost like

357

00:12:54,550 --> 00:12:52,880

either it's a misinterpretation on the

358

00:12:55,910 --> 00:12:54,560

part of the experiencer

359

00:12:58,310 --> 00:12:55,920

um

360

00:13:02,150 --> 00:12:59,590

it is

361

00:13:04,069 --> 00:13:02,160

i lost my train of thought or there or

362

00:13:06,389 --> 00:13:04,079

they're giving out bogus predictions to

363

00:13:08,310 --> 00:13:06,399

you know to hurt the credibility of the

364

00:13:10,230 --> 00:13:08,320

experiencer i don't know

365

00:13:12,150 --> 00:13:10,240

but we're talking about

366

00:13:13,910 --> 00:13:12,160

and carla turner says these beings are

367

00:13:15,350 --> 00:13:13,920

liars if you if you get a chance to

368

00:13:17,190 --> 00:13:15,360

watch her lectures

369

00:13:19,190 --> 00:13:17,200

carla turner with a k

370

00:13:20,949 --> 00:13:19,200

on youtube she's dead now she had a

371

00:13:23,590 --> 00:13:20,959

really advanced form of cancer some

372

00:13:25,030 --> 00:13:23,600

people believe she was targeted i don't

373

00:13:25,910 --> 00:13:25,040

i don't have not seen any evidence of

374

00:13:26,949 --> 00:13:25,920

that

375

00:13:28,389 --> 00:13:26,959

um

376

00:13:30,710 --> 00:13:28,399

and anjali which i really don't want to

377

00:13:34,389 --> 00:13:30,720

talk about um there i think there's

378

00:13:35,990 --> 00:13:34,399

still a blog on my website about her

379

00:13:37,829 --> 00:13:36,000

claims of

380

00:13:40,150 --> 00:13:37,839

meeting extraterrestrials at a mountain

381

00:13:42,470 --> 00:13:40,160

in california her background is what was

382

00:13:45,269 --> 00:13:42,480

interesting she worked uh

383

00:13:47,509 --> 00:13:45,279

i think it was dia uh intelligence

384

00:13:50,069 --> 00:13:47,519

analyst allegedly some people say that's

385

00:13:51,269 --> 00:13:50,079

bogus some people say it's true

386

00:13:59,189 --> 00:13:51,279

um

387

00:14:00,790 --> 00:13:59,199

sometimes but not very long and it's

388

00:14:02,790 --> 00:14:00,800

been a problem for the past couple of

389

00:14:04,310 --> 00:14:02,800

months

390

00:14:06,790 --> 00:14:04,320

um

391

00:14:08,389 --> 00:14:06,800

because i don't fall asleep till late

392

00:14:10,870 --> 00:14:08,399

and that's usually not a problem with me

393

00:14:13,590 --> 00:14:10,880

until recently the last year i'd say

394

00:14:16,470 --> 00:14:13,600

ever since the new york times article um

395

00:14:18,389 --> 00:14:16,480

so this is an alternative cover for

396

00:14:20,949 --> 00:14:18,399

skinwalkers at the pentagon

397

00:14:23,030 --> 00:14:20,959

that was made by uplifting tweets that's

398

00:14:24,470 --> 00:14:23,040

the account who did that

399

00:14:25,990 --> 00:14:24,480

um because people complained about the

400

00:14:28,710 --> 00:14:26,000

cover that's the first thing oh my god

401
00:14:30,150 --> 00:14:28,720
the cover is horrible it's got a typo

402
00:14:30,949 --> 00:14:30,160
which i don't think it really did it was

403
00:14:32,150 --> 00:14:30,959
um

404
00:14:33,430 --> 00:14:32,160
but anyway

405
00:14:35,030 --> 00:14:33,440
people complained about the cover

406
00:14:36,550 --> 00:14:35,040
instead of reading the book and talking

407
00:14:38,629 --> 00:14:36,560
about what was inside of it which was

408
00:14:39,990 --> 00:14:38,639
kind of annoying

409
00:14:41,990 --> 00:14:40,000
it's the last thing as soon as i got the

410
00:14:43,430 --> 00:14:42,000
book i had a copy of it

411
00:14:46,470 --> 00:14:43,440
pdf i didn't

412
00:14:47,829 --> 00:14:46,480
care about the cover i wanted to read it

413
00:14:50,710 --> 00:14:47,839

and then somebody said

414

00:14:53,350 --> 00:14:50,720

they wanted to come onto twitter from

415

00:14:54,870 --> 00:14:53,360

youtube and they said any advice

416

00:14:56,790 --> 00:14:54,880

i basically said

417

00:14:58,389 --> 00:14:56,800

there's going to be days on ufo twitter

418

00:15:00,230 --> 00:14:58,399

that's like the wild west i mean there

419

00:15:01,750 --> 00:15:00,240

are days like it's really out of hand

420

00:15:04,230 --> 00:15:01,760

that people are just so negative and

421

00:15:05,750 --> 00:15:04,240

attacking and i'm not saying i i attack

422

00:15:06,870 --> 00:15:05,760

too sometimes if i see nonsense i'll

423

00:15:08,470 --> 00:15:06,880

call it out

424

00:15:09,750 --> 00:15:08,480

um

425

00:15:11,189 --> 00:15:09,760

so

426

00:15:12,550 --> 00:15:11,199

but there are days where it's great you

427

00:15:13,509 --> 00:15:12,560

know you don't get you know on the bad

428

00:15:15,189 --> 00:15:13,519

days you're going to want to block

429

00:15:17,750 --> 00:15:15,199

everybody or mute people muting is a

430

00:15:19,030 --> 00:15:17,760

great thing you can do you mute them

431

00:15:20,949 --> 00:15:19,040

and they don't even know you've muted

432

00:15:22,470 --> 00:15:20,959

them so if you block them they know that

433

00:15:24,710 --> 00:15:22,480

there's a big message saying you have

434

00:15:26,550 --> 00:15:24,720

been blocked and so

435

00:15:28,870 --> 00:15:26,560

people don't like that

436

00:15:31,110 --> 00:15:28,880

i try not to block uh and i when i do i

437

00:15:34,790 --> 00:15:31,120

usually unblock like a week later start

438

00:15:37,430 --> 00:15:35,749

so

439

00:15:39,430 --> 00:15:37,440

there's christopher mellon retweeting

440

00:15:42,550 --> 00:15:39,440

christopher sharp's article

441

00:15:45,030 --> 00:15:42,560

um i can play audio and pics you can

442

00:15:46,870 --> 00:15:45,040

tell me if you hear audio

443

00:15:49,670 --> 00:15:46,880

let me know if you hear this audio after

444

00:15:51,269 --> 00:15:49,680

i had a um encounter with a light a ball

445

00:15:53,189 --> 00:15:51,279

of light you hear that i started having

446

00:15:54,550 --> 00:15:53,199

seizures within a couple of days my dog

447

00:15:56,389 --> 00:15:54,560

who was sitting next to me at the time

448

00:15:58,069 --> 00:15:56,399

started having seizures and i had to

449

00:15:59,430 --> 00:15:58,079

eventually put him down

450

00:16:01,430 --> 00:15:59,440

after a couple of weeks because they got

451
00:16:02,870 --> 00:16:01,440
worse and worse and worse i mean i was

452
00:16:04,470 --> 00:16:02,880
going here without a hospital with these

453
00:16:05,749 --> 00:16:04,480
seizures and they couldn't stop them and

454
00:16:07,910 --> 00:16:05,759
they didn't know what was causing them

455
00:16:10,389 --> 00:16:07,920
or what had caused them um and then they

456
00:16:12,069 --> 00:16:10,399
found that i had uh bone issues um a

457
00:16:15,430 --> 00:16:12,079
thing called hypophosphatemic

458
00:16:16,550 --> 00:16:15,440
osteomalacia okay she's like again

459
00:16:18,069 --> 00:16:16,560
so he's just talking about his

460
00:16:19,509 --> 00:16:18,079
encounters um

461
00:16:21,189 --> 00:16:19,519
these are negative encounters i think it

462
00:16:24,069 --> 00:16:21,199
was with an orb i'll start it again

463
00:16:26,389 --> 00:16:24,079

though after i had a um encounter with a

464

00:16:28,150 --> 00:16:26,399

light a ball of light oh i started

465

00:16:29,749 --> 00:16:28,160

having seizures within a couple of days

466

00:16:31,670 --> 00:16:29,759

my dog who was sitting next to me at the

467

00:16:33,509 --> 00:16:31,680

time started having seizures and i had

468

00:16:34,870 --> 00:16:33,519

to eventually put him down

469

00:16:36,389 --> 00:16:34,880

after a couple of weeks because they got

470

00:16:37,910 --> 00:16:36,399

worse and worse and worse

471

00:16:39,269 --> 00:16:37,920

and i was going in and out of hospital

472

00:16:40,629 --> 00:16:39,279

with these seizures and they couldn't

473

00:16:42,949 --> 00:16:40,639

stop them and they didn't know what was

474

00:16:44,629 --> 00:16:42,959

causing them or what had caused them

475

00:16:46,430 --> 00:16:44,639

and then they found that i had bone

476

00:16:49,189 --> 00:16:46,440

issues um a thing called

477

00:16:51,749 --> 00:16:49,199

hypophosphatemic osteomalacia which is

478

00:16:54,230 --> 00:16:51,759

like a rare bone disease hyper rare and

479

00:16:57,350 --> 00:16:54,240

it's caused by one of the causes is gene

480

00:16:59,430 --> 00:16:57,360

mutations or exposure to radiation

481

00:17:01,590 --> 00:16:59,440

now that's a scary thing because they

482

00:17:04,870 --> 00:17:01,600

found that my bones were that weak they

483

00:17:07,350 --> 00:17:04,880

were on par with a 90 year old woman's

484

00:17:10,470 --> 00:17:07,360

bones this is after this incident where

485

00:17:13,110 --> 00:17:10,480

i had this light um and another part of

486

00:17:15,029 --> 00:17:13,120

this incident um i was wearing a jacket

487

00:17:15,909 --> 00:17:15,039

at the time because it was a winter

488

00:17:18,230 --> 00:17:15,919

night

489

00:17:19,750 --> 00:17:18,240

and i felt this like i put my arm up in

490

00:17:22,069 --> 00:17:19,760

front of my face because it was just

491

00:17:24,390 --> 00:17:22,079

intense flash of light from this object

492

00:17:26,390 --> 00:17:24,400

and i don't know if it was like a

493

00:17:28,470 --> 00:17:26,400

what it was but it kind of lit up my

494

00:17:29,430 --> 00:17:28,480

entire vision i felt this warmth and

495

00:17:31,430 --> 00:17:29,440

then

496

00:17:32,390 --> 00:17:31,440

next i went to bed and i was like okay

497

00:17:34,789 --> 00:17:32,400

that was weird

498

00:17:36,549 --> 00:17:34,799

um it blinked out it was gone my dog and

499

00:17:38,150 --> 00:17:36,559

i and then my dog started barking after

500

00:17:40,870 --> 00:17:38,160

it blinked out which was really strange

501

00:17:42,710 --> 00:17:40,880

as well um and then um

502

00:17:44,230 --> 00:17:42,720

i've crashed out in the garage you know

503

00:17:46,150 --> 00:17:44,240

because i was at the office it was in

504

00:17:47,909 --> 00:17:46,160

the garage and i had a little sofa thing

505

00:17:48,950 --> 00:17:47,919

in case i worked too late um so i could

506

00:17:50,390 --> 00:17:48,960

just crash in there and not wake

507

00:17:52,470 --> 00:17:50,400

everyone up in the house

508

00:17:54,470 --> 00:17:52,480

um and here i am crashing out wake up in

509

00:17:56,390 --> 00:17:54,480

the morning and i go and bring mel in a

510

00:17:57,990 --> 00:17:56,400

coffee and i'm like i could go and she's

511

00:17:59,750 --> 00:17:58,000

like oh look at you look at yourself in

512

00:18:01,750 --> 00:17:59,760

the mirror i'm like what she goes oh you

513

00:18:03,350 --> 00:18:01,760

look like crap and well thanks that's

514

00:18:04,950 --> 00:18:03,360

good and i'll go and look in the mirror

515

00:18:07,110 --> 00:18:04,960

and sure enough my eyes are virtually

516

00:18:09,510 --> 00:18:07,120

nearly stuck together my face is swollen

517

00:18:11,830 --> 00:18:09,520

had red splotches all over it my neck

518

00:18:14,150 --> 00:18:11,840

had red splotches all over it um and

519

00:18:16,710 --> 00:18:14,160

then over a period of about a week my

520

00:18:18,470 --> 00:18:16,720

arms started getting red

521

00:18:19,510 --> 00:18:18,480

underneath the jacket like that i was

522

00:18:21,510 --> 00:18:19,520

wearing that night my arms started

523

00:18:24,070 --> 00:18:21,520

getting red and red and red up and then

524

00:18:25,990 --> 00:18:24,080

it started blistering on these really

525

00:18:28,390 --> 00:18:26,000

strange green blisters

526

00:18:31,430 --> 00:18:28,400

we went to multiple doctors specialists

527

00:18:33,190 --> 00:18:31,440

mel and i um professors even eventually

528

00:18:35,270 --> 00:18:33,200

trying to work out what was wrong with

529

00:18:37,029 --> 00:18:35,280

me that

530

00:18:38,549 --> 00:18:37,039

so that's one

531

00:18:41,350 --> 00:18:38,559

and i don't know his story i don't even

532

00:18:44,710 --> 00:18:41,360

know his name the story the show is

533

00:18:46,310 --> 00:18:44,720

ufo classified with erica luke's um she

534

00:18:47,909 --> 00:18:46,320

has some really good guests on people

535

00:18:50,390 --> 00:18:47,919

it's funny there are people who i find

536

00:18:52,310 --> 00:18:50,400

really interesting like barry taff

537

00:18:54,870 --> 00:18:52,320

um there's another person she had

538

00:18:56,870 --> 00:18:54,880

recently um ray beauche if i'm saying

539

00:19:00,230 --> 00:18:56,880

his name right um she has them on she's

540

00:19:02,230 --> 00:19:00,240

had them on for a long time we disagree

541

00:19:04,470 --> 00:19:02,240

uh vehemently

542

00:19:06,070 --> 00:19:04,480

we disagree it's a 180 on some of the

543

00:19:08,390 --> 00:19:06,080

stuff she thinks skinwalker ranch is

544

00:19:10,230 --> 00:19:08,400

black technology i do not um i'm not

545

00:19:12,710 --> 00:19:10,240

saying there there isn't some aspect

546

00:19:13,590 --> 00:19:12,720

that may be black technology but

547

00:19:16,070 --> 00:19:13,600

um

548

00:19:18,870 --> 00:19:16,080

so yeah yeah erica eric has been doing

549

00:19:21,190 --> 00:19:18,880

it for a long time she is good pics

550

00:19:22,470 --> 00:19:21,200

but we like i said we disagree big time

551

00:19:24,470 --> 00:19:22,480

on some of that stuff which i'm not

552

00:19:26,630 --> 00:19:24,480

gonna get into now but so that so

553

00:19:27,990 --> 00:19:26,640

basically i said what that guy said it

554

00:19:29,669 --> 00:19:28,000

sounds like some of the cases in

555

00:19:31,350 --> 00:19:29,679

skinwalkers at the pentagon where people

556

00:19:34,789 --> 00:19:31,360

were injured

557

00:19:36,630 --> 00:19:34,799

and yes people also have been healed but

558

00:19:38,870 --> 00:19:36,640

you know i would think the first

559

00:19:40,390 --> 00:19:38,880

priority if if this is non-human

560

00:19:41,750 --> 00:19:40,400

technology if that's what we're dealing

561

00:19:44,549 --> 00:19:41,760

with and people are getting injured we

562

00:19:46,549 --> 00:19:44,559

should find out why and if it's random

563

00:19:48,470 --> 00:19:46,559

if it's intentional we need to find that

564

00:19:50,390 --> 00:19:48,480

out and we can also pay attention to the

565

00:19:52,470 --> 00:19:50,400

positive cases but i mean people are

566

00:19:54,710 --> 00:19:52,480

getting injured and

567

00:19:56,150 --> 00:19:54,720

25 percent of kid dr kick green's

568

00:19:58,549 --> 00:19:56,160

patients who have close encounters with

569

00:20:01,430 --> 00:19:58,559

the uap 25 of them die within five to

570

00:20:05,110 --> 00:20:01,440

seven years so that's pretty serious

571

00:20:08,549 --> 00:20:05,120

damien not okay pj mike says

572

00:20:14,149 --> 00:20:12,149

ray has a brother trey boucher

573

00:20:15,110 --> 00:20:14,159

i studied french in seventh grade i know

574

00:20:16,630 --> 00:20:15,120

what trey

575

00:20:18,549 --> 00:20:16,640

trey is

576

00:20:20,789 --> 00:20:18,559

i'm saying it wrong anyway

577

00:20:23,110 --> 00:20:20,799

uh and i did something on the gila brand

578

00:20:24,150 --> 00:20:23,120

amendment on youtube and jazz shaw who

579

00:20:25,990 --> 00:20:24,160

writes um

580

00:20:27,830 --> 00:20:26,000

[Music]

581

00:20:29,750 --> 00:20:27,840

for i forget what he writes for he

582

00:20:30,549 --> 00:20:29,760

doesn't have the link on there um he was

583

00:20:34,230 --> 00:20:30,559

just

584

00:20:37,190 --> 00:20:34,240

saying it was good work by me

585

00:20:38,710 --> 00:20:37,200

well that's here's the story

586

00:20:40,149 --> 00:20:38,720

which is hard to believe and i'm still

587

00:20:42,070 --> 00:20:40,159

not sure but i know the guy who

588

00:20:44,630 --> 00:20:42,080

investigated stephen broady i think

589

00:20:46,310 --> 00:20:44,640

broad broad is very very meticulous

590

00:20:47,990 --> 00:20:46,320

parasite not i don't know if he's a

591

00:20:49,430 --> 00:20:48,000

parapsychologist but he looks into life

592

00:20:51,110 --> 00:20:49,440

after death and

593

00:20:52,549 --> 00:20:51,120

mediums and all that stuff and he

594

00:20:54,070 --> 00:20:52,559

actually thinks it's coming from our

595

00:20:55,750 --> 00:20:54,080

consciousness he doesn't think

596

00:20:57,510 --> 00:20:55,760

poltergeist and

597

00:20:59,830 --> 00:20:57,520

mediums and physical mediums who

598

00:21:01,270 --> 00:20:59,840

allegedly can bring the the dead person

599

00:21:02,350 --> 00:21:01,280

into the room it's called physical

600

00:21:04,470 --> 00:21:02,360

mediumship

601
00:21:05,750 --> 00:21:04,480
materialization mediums he thinks it's

602
00:21:07,430 --> 00:21:05,760
all coming from

603
00:21:08,870 --> 00:21:07,440
the consciousness of the medium or the

604
00:21:11,270 --> 00:21:08,880
people involved in the room in the

605
00:21:13,029 --> 00:21:11,280
seance but he says

606
00:21:14,549 --> 00:21:13,039
he talks about the gold leaf lady and

607
00:21:16,310 --> 00:21:14,559
he's written about her and she basically

608
00:21:19,270 --> 00:21:16,320
can and i wish i had the video she can

609
00:21:21,750 --> 00:21:19,280
exude this allegedly this gold gold leaf

610
00:21:23,110 --> 00:21:21,760
comes off out of her pores it's really

611
00:21:24,310 --> 00:21:23,120
really weird

612
00:21:26,549 --> 00:21:24,320
and he thinks it's because of the

613
00:21:27,909 --> 00:21:26,559

dynamic with her husband

614

00:21:30,789 --> 00:21:27,919

it's a way of her getting back at her

615

00:21:32,230 --> 00:21:30,799

husband and i can't describe it properly

616

00:21:33,430 --> 00:21:32,240

enough here

617

00:21:35,029 --> 00:21:33,440

um

618

00:21:38,630 --> 00:21:35,039

i kind of think

619

00:21:40,549 --> 00:21:38,640

oh and and that guy stephen broad

620

00:21:42,870 --> 00:21:40,559

he also wrote an article about astrology

621

00:21:44,630 --> 00:21:42,880

which i've never been into astrology i

622

00:21:46,230 --> 00:21:44,640

mean i'm not totally closed off on it

623

00:21:48,070 --> 00:21:46,240

but i've never seen you know the the

624

00:21:49,430 --> 00:21:48,080

horoscopes in the newspaper that's

625

00:21:50,950 --> 00:21:49,440

basically what i've seen and then i have

626

00:21:53,029 --> 00:21:50,960

friends who do charts but i'm like all

627

00:21:55,750 --> 00:21:53,039

right i'll go ahead do a chart here's my

628

00:21:59,430 --> 00:21:55,760

birthday um but nothing serious

629

00:22:01,029 --> 00:21:59,440

but this he had stephen broady

630

00:22:03,350 --> 00:22:01,039

i hope i'm saying his name right stephen

631

00:22:05,510 --> 00:22:03,360

broad his wife

632

00:22:08,470 --> 00:22:05,520

did astrology and she was making

633

00:22:09,270 --> 00:22:08,480

predictions of sport sporting events

634

00:22:11,510 --> 00:22:09,280

so

635

00:22:13,270 --> 00:22:11,520

that article is really good

636

00:22:14,870 --> 00:22:13,280

which i linked to and i haven't read it

637

00:22:16,390 --> 00:22:14,880

in a long time i need to read it again

638

00:22:18,549 --> 00:22:16,400

it just came to mind when somebody was

639

00:22:20,950 --> 00:22:18,559

talking about astrology so it's like the

640

00:22:23,669 --> 00:22:20,960

one thing on astrology i've seen

641

00:22:25,669 --> 00:22:23,679

actually two there was a show a tv show

642

00:22:27,029 --> 00:22:25,679

where michael shermer who's a skeptic

643

00:22:29,510 --> 00:22:27,039

debunker

644

00:22:31,990 --> 00:22:29,520

who they had an astrologer doing these

645

00:22:33,830 --> 00:22:32,000

charts and shermer was impressed i was

646

00:22:35,750 --> 00:22:33,840

like i need to find that one it's like

647

00:22:37,830 --> 00:22:35,760

it's really hard to impress

648

00:22:39,270 --> 00:22:37,840

michael shermer or mr debunker he's

649

00:22:41,510 --> 00:22:39,280

actually one of

650

00:22:44,310 --> 00:22:41,520

he's kind of one of the nicer debunkers

651
00:22:45,430 --> 00:22:44,320
but still a debunker um so that's an

652
00:22:47,830 --> 00:22:45,440
article on

653
00:22:49,590 --> 00:22:47,840
astrology and making predictions

654
00:22:50,950 --> 00:22:49,600
she did the charts of the players and

655
00:22:52,870 --> 00:22:50,960
she would say she would say this person

656
00:22:55,750 --> 00:22:52,880
is going to have a really good day today

657
00:22:56,789 --> 00:22:55,760
and she was allegedly supposedly really

658
00:22:58,390 --> 00:22:56,799
accurate

659
00:23:00,070 --> 00:22:58,400
i'm not sure if he bet on the games or

660
00:23:01,590 --> 00:23:00,080
not and i don't know if he followed up

661
00:23:03,029 --> 00:23:01,600
he said he was going to follow up and do

662
00:23:04,710 --> 00:23:03,039
more detailed work on it i don't know if

663
00:23:06,310 --> 00:23:04,720

he ever did

664

00:23:09,190 --> 00:23:06,320

he shouldn't be too hard to contact i

665

00:23:11,350 --> 00:23:09,200

should find out so i called up uh

666

00:23:12,789 --> 00:23:11,360

my senators the other day

667

00:23:16,630 --> 00:23:12,799

to

668

00:23:21,590 --> 00:23:17,350

the

669

00:23:23,110 --> 00:23:21,600

amendment

670

00:23:26,950 --> 00:23:23,120

called up and i said can you connect me

671

00:23:29,350 --> 00:23:26,960

with my senator catherine cortez mastro

672

00:23:31,270 --> 00:23:29,360

and they said sure hold on

673

00:23:33,830 --> 00:23:31,280

the message is you have reached the

674

00:23:34,830 --> 00:23:33,840

office of alexandria cortes

675

00:23:36,789 --> 00:23:34,840

uh

676

00:23:37,590 --> 00:23:36,799

ocasio-cortez i think i'm saying that

677

00:23:39,590 --> 00:23:37,600

right

678

00:23:40,870 --> 00:23:39,600

and uh they obviously put me through the

679

00:23:43,190 --> 00:23:40,880

wrong one but i did call both of my

680

00:23:45,110 --> 00:23:43,200

senators and my

681

00:23:46,789 --> 00:23:45,120

representative in congress uh

682

00:23:48,070 --> 00:23:46,799

congresswoman

683

00:23:49,750 --> 00:23:48,080

suzie lee

684

00:23:51,750 --> 00:23:49,760

so i called all three got to talk with

685

00:23:53,430 --> 00:23:51,760

somebody the first time they knew what i

686

00:23:54,950 --> 00:23:53,440

was talking about i said the amendment

687

00:23:56,310 --> 00:23:54,960

they're like yeah the national defense

688

00:23:58,710 --> 00:23:56,320

authorization i guess i know what you're

689

00:24:00,390 --> 00:23:58,720

talking about it's noted that you you

690

00:24:02,549 --> 00:24:00,400

want her to support it the other ones i

691

00:24:04,710 --> 00:24:02,559

left messages

692

00:24:06,230 --> 00:24:04,720

go online and say you know type in who

693

00:24:08,390 --> 00:24:06,240

are my senators there's two of them and

694

00:24:10,390 --> 00:24:08,400

then your representative in congress and

695

00:24:13,510 --> 00:24:10,400

say you i support

696

00:24:15,669 --> 00:24:13,520

i want you i urge you my representative

697

00:24:17,350 --> 00:24:15,679

to support the gillibrand rubio

698

00:24:19,669 --> 00:24:17,360

amendment for the national defense

699

00:24:20,789 --> 00:24:19,679

authorization act

700

00:24:21,750 --> 00:24:20,799

so

701
00:24:23,669 --> 00:24:21,760
now

702
00:24:25,909 --> 00:24:23,679
this was interesting and this is audio

703
00:24:27,350 --> 00:24:25,919
oh nope i i do have the audio queued up

704
00:24:30,310 --> 00:24:27,360
we'll get to it in a second the pentagon

705
00:24:32,950 --> 00:24:30,320
spokesperson was asked about the o

706
00:24:34,310 --> 00:24:32,960
a i m s g

707
00:24:37,029 --> 00:24:34,320
um

708
00:24:38,630 --> 00:24:37,039
i'm gonna look at some notes uh comments

709
00:24:40,710 --> 00:24:38,640
heart skeptics have the worst built-in

710
00:24:42,789 --> 00:24:40,720
confirmation bias yeah it's funny

711
00:24:44,470 --> 00:24:42,799
because michael shurmur had a

712
00:24:45,990 --> 00:24:44,480
synchronization after so many i think

713
00:24:47,909 --> 00:24:46,000

somebody in his family died and

714

00:24:49,909 --> 00:24:47,919

something came on the radio that was

715

00:24:52,230 --> 00:24:49,919

connected to that person he saw it as a

716

00:24:54,549 --> 00:24:52,240

sign of like and i listened to his story

717

00:24:56,070 --> 00:24:54,559

and his story really wasn't that good as

718

00:24:57,750 --> 00:24:56,080

far as you know maybe that's a message

719

00:25:00,549 --> 00:24:57,760

from the dead person but it

720

00:25:02,070 --> 00:25:00,559

impressed him he wrote about it too

721

00:25:03,830 --> 00:25:02,080

i'm sure if you google it michael

722

00:25:05,669 --> 00:25:03,840

shermer

723

00:25:06,870 --> 00:25:05,679

synchronicity you might be able to find

724

00:25:08,630 --> 00:25:06,880

it

725

00:25:11,430 --> 00:25:08,640

alright so

726

00:25:12,830 --> 00:25:11,440

i have i transcribed

727

00:25:16,390 --> 00:25:12,840

what the

728

00:25:18,070 --> 00:25:16,400

pentagon spokesperson said but i want

729

00:25:19,190 --> 00:25:18,080

you to hear it

730

00:25:20,870 --> 00:25:19,200

hear it

731

00:25:23,510 --> 00:25:20,880

let's go back to last year this is what

732

00:25:25,590 --> 00:25:23,520

he said same pentagon spokesperson but

733

00:25:26,830 --> 00:25:25,600

this is probably my favorite

734

00:25:28,230 --> 00:25:26,840

question and

735

00:25:30,230 --> 00:25:28,240

answer john

736

00:25:31,190 --> 00:25:30,240

so the person asking the question is

737

00:25:33,350 --> 00:25:31,200

jeff

738

00:25:36,070 --> 00:25:33,360

let's see if i pronounce his name right

739

00:25:38,149 --> 00:25:36,080

jeff shogul i think

740

00:25:40,870 --> 00:25:38,159

and this was during i'm not sure where

741

00:25:42,710 --> 00:25:40,880

he got this from but it was about

742

00:25:44,549 --> 00:25:42,720

crash retrievals and bodies you know we

743

00:25:47,190 --> 00:25:44,559

had the new york times article i'm not

744

00:25:49,350 --> 00:25:47,200

sure when this was let's see

745

00:25:51,029 --> 00:25:49,360

what time was it so june 9th so this is

746

00:25:53,110 --> 00:25:51,039

before the new york times article this

747

00:25:54,950 --> 00:25:53,120

is well this was retweeted this year but

748

00:25:56,870 --> 00:25:54,960

the question came sometime last year and

749

00:25:58,390 --> 00:25:56,880

i'll just i'll let you hear it it's

750

00:25:59,830 --> 00:25:58,400

great because

751

00:26:02,070 --> 00:25:59,840

you could tell he really didn't want to

752

00:26:03,590 --> 00:26:02,080

ask this question but he did hey john

753

00:26:05,669 --> 00:26:03,600

happy birthday

754

00:26:07,750 --> 00:26:05,679

uh there's no way that i can like

755

00:26:09,750 --> 00:26:07,760

sugarcoat this the i was talking to a

756

00:26:12,149 --> 00:26:09,760

gentleman about the uap report and he

757

00:26:14,549 --> 00:26:12,159

contends the pentagon has alien bodies

758

00:26:16,630 --> 00:26:14,559

and crafts so i just wanted to run this

759

00:26:19,990 --> 00:26:16,640

past you is this does dod have these

760

00:26:20,000 --> 00:26:23,190

uh jeff the

761

00:26:27,909 --> 00:26:26,310

the uap uh task force is really

762

00:26:29,830 --> 00:26:27,919

designed to

763

00:26:32,310 --> 00:26:29,840

uh to take a look at these uh

764

00:26:33,029 --> 00:26:32,320

unexplained aerial phenomena try to help

765

00:26:33,909 --> 00:26:33,039

us

766

00:26:40,549 --> 00:26:33,919

uh

767

00:26:42,630 --> 00:26:40,559

of the report that the dni will submit

768

00:26:46,710 --> 00:26:42,640

that we are helping obviously i'm

769

00:26:48,070 --> 00:26:46,720

providing input to um and uh i think

770

00:26:48,870 --> 00:26:48,080

i'll just i'll just leave it at that

771

00:26:50,789 --> 00:26:48,880

jeff

772

00:26:55,350 --> 00:26:50,799

yeah

773

00:26:58,870 --> 00:26:55,360

how to say this but can we talk about

774

00:27:01,269 --> 00:26:58,880

bodies alien bodies and craft that the

775

00:27:02,470 --> 00:27:01,279

government might have i mean

776
00:27:04,870 --> 00:27:02,480
and um

777
00:27:06,950 --> 00:27:04,880
i've i've communicated with jeff just

778
00:27:08,630 --> 00:27:06,960
that he would send me a dm just hey i

779
00:27:10,630 --> 00:27:08,640
just put an article article out check it

780
00:27:12,390 --> 00:27:10,640
out that's it um

781
00:27:15,029 --> 00:27:12,400
but

782
00:27:18,549 --> 00:27:15,039
nicole has given me

783
00:27:20,310 --> 00:27:18,559
her favorite person award because

784
00:27:21,590 --> 00:27:20,320
now she doesn't have to check twitter

785
00:27:24,789 --> 00:27:21,600
anymore

786
00:27:27,430 --> 00:27:24,799
and i can't get to my stupid screen to

787
00:27:29,430 --> 00:27:27,440
pull up her message so sorry i can't get

788
00:27:30,470 --> 00:27:29,440

back to that screen

789

00:27:32,470 --> 00:27:30,480

but

790

00:27:33,909 --> 00:27:32,480

you're welcome

791

00:27:35,750 --> 00:27:33,919

this is something i've been wanting to

792

00:27:37,430 --> 00:27:35,760

do for a long time i just

793

00:27:39,830 --> 00:27:37,440

have and there's lou

794

00:27:42,549 --> 00:27:39,840

retweeting christopher sharpe's article

795

00:27:44,710 --> 00:27:42,559

or tweeting it

796

00:27:47,029 --> 00:27:44,720

juliano if you guys don't know him omni

797

00:27:49,909 --> 00:27:47,039

talk julianna marankovic he's like he

798

00:27:51,990 --> 00:27:49,919

collects everything video articles

799

00:27:54,149 --> 00:27:52,000

starting in 2017

800

00:27:55,750 --> 00:27:54,159

but he goes way back before that and if

801
00:27:57,590 --> 00:27:55,760
if there's a book online

802
00:27:59,750 --> 00:27:57,600
that's out of print or it's a thousand

803
00:28:02,149 --> 00:27:59,760
dollars because somebody's jacking up

804
00:28:05,190 --> 00:28:02,159
the price i'll say juliano please tell

805
00:28:07,430 --> 00:28:05,200
me you have a pdf of that

806
00:28:09,190 --> 00:28:07,440
usually he does so he's amazing he's one

807
00:28:10,710 --> 00:28:09,200
of the people why i even did anything on

808
00:28:13,029 --> 00:28:10,720
wilson davis because he found the

809
00:28:17,909 --> 00:28:13,039
original

810
00:28:20,389 --> 00:28:17,919
saying that right um

811
00:28:22,950 --> 00:28:20,399
and he retweeted out some of uh kirby's

812
00:28:24,630 --> 00:28:22,960
comments in the past

813
00:28:26,950 --> 00:28:24,640

and the question which i'll get to the

814

00:28:29,510 --> 00:28:26,960

more recent question

815

00:28:30,710 --> 00:28:29,520

hopefully i went far back enough

816

00:28:32,950 --> 00:28:30,720

that's my

817

00:28:37,029 --> 00:28:32,960

effort at

818

00:28:38,470 --> 00:28:37,039

for nap and kelleher my interview yeah

819

00:28:40,149 --> 00:28:38,480

it's a little weak on the right side

820

00:28:41,750 --> 00:28:40,159

doesn't really match but

821

00:28:43,190 --> 00:28:41,760

it doesn't really look like a scary wolf

822

00:28:45,750 --> 00:28:43,200

either but

823

00:28:46,710 --> 00:28:45,760

that's what i got

824

00:28:48,070 --> 00:28:46,720

and

825

00:28:49,830 --> 00:28:48,080

yeah one of the things that was said in

826

00:28:51,190 --> 00:28:49,840

that interview if you watch it is some

827

00:28:53,269 --> 00:28:51,200

of the

828

00:28:54,789 --> 00:28:53,279

uh related phenomena like poltergeist

829

00:28:56,950 --> 00:28:54,799

that kind of stuff that happened that

830

00:28:58,470 --> 00:28:56,960

people who were connected to maelstrom

831

00:29:00,470 --> 00:28:58,480

around the air force base which i had

832

00:29:03,430 --> 00:29:00,480

never heard before also project

833

00:29:04,950 --> 00:29:03,440

hessdalen in norway the engineers would

834

00:29:06,310 --> 00:29:04,960

experience that too but they didn't want

835

00:29:07,590 --> 00:29:06,320

to talk about it because they're

836

00:29:09,029 --> 00:29:07,600

engineers and they don't want to have

837

00:29:10,830 --> 00:29:09,039

their credibility

838

00:29:15,830 --> 00:29:10,840

ruined like everybody

839

00:29:21,029 --> 00:29:18,710

yeah hopefully i did not reach the top

840

00:29:23,110 --> 00:29:21,039

yet um i want to i just want you guys to

841

00:29:24,710 --> 00:29:23,120

hear the audio from the the pentagon

842

00:29:26,630 --> 00:29:24,720

spokesperson

843

00:29:30,549 --> 00:29:26,640

the more recent one and here's brandon

844

00:29:33,350 --> 00:29:30,559

fuegle skinwalker ranch earlier today

845

00:29:35,190 --> 00:29:33,360

still investigating still you know using

846

00:29:36,870 --> 00:29:35,200

their instruments he put a lot of money

847

00:29:38,630 --> 00:29:36,880

into that and that was

848

00:29:40,070 --> 00:29:38,640

one of the criticisms of bigelow he

849

00:29:41,510 --> 00:29:40,080

didn't put as much money in that people

850

00:29:43,350 --> 00:29:41,520

thought he should have

851
00:29:45,830 --> 00:29:43,360
brandon is changing that and people are

852
00:29:48,070 --> 00:29:45,840
still giving him a lot of grief as of an

853
00:29:50,630 --> 00:29:48,080
hour ago saying you don't release any of

854
00:29:52,470 --> 00:29:50,640
your data you're not open

855
00:29:53,830 --> 00:29:52,480
uh there's no evidence of anything you

856
00:29:55,750 --> 00:29:53,840
know it's like most of the evidence that

857
00:29:57,750 --> 00:29:55,760
skinwalker is anecdotal but it's a lot

858
00:30:00,310 --> 00:29:57,760
of people it comes to point where you

859
00:30:01,909 --> 00:30:00,320
have you know so

860
00:30:03,750 --> 00:30:01,919
do you trust the reporting of george

861
00:30:05,350 --> 00:30:03,760
knapp do you trust colin kelleher and

862
00:30:07,990 --> 00:30:05,360
lukatsky who put their names on a book

863
00:30:10,870 --> 00:30:08,000

to say that you know all five dia people

864

00:30:12,870 --> 00:30:10,880

had you know hitchhiker type effects

865

00:30:14,710 --> 00:30:12,880

10 security guards uh there are other

866

00:30:17,350 --> 00:30:14,720

people in other cases going back here

867

00:30:19,190 --> 00:30:17,360

same type of thing but skinwalker ranch

868

00:30:20,950 --> 00:30:19,200

specifically had eric davis having

869

00:30:22,789 --> 00:30:20,960

experiences colin kelleher george knapp

870

00:30:24,630 --> 00:30:22,799

it's like at some point you have to

871

00:30:26,070 --> 00:30:24,640

unless you think everybody is clueless

872

00:30:28,870 --> 00:30:26,080

and everybody is lying you have to say

873

00:30:29,909 --> 00:30:28,880

okay something odd is going on there i

874

00:30:31,430 --> 00:30:29,919

i'm

875

00:30:33,590 --> 00:30:31,440

way past that point but there are some

876

00:30:34,789 --> 00:30:33,600

people like nope it's just the story

877

00:30:37,029 --> 00:30:34,799

don't want to hear it give me the

878

00:30:38,630 --> 00:30:37,039

evidence and the stuff is not easy to

879

00:30:41,110 --> 00:30:38,640

document whatever it is doesn't want to

880

00:30:42,870 --> 00:30:41,120

be documented

881

00:30:44,389 --> 00:30:42,880

yeah so people were like what kind of

882

00:30:46,070 --> 00:30:44,399

evidence are you talking about brandon

883

00:30:48,470 --> 00:30:46,080

he's like and that was his response

884

00:30:50,389 --> 00:30:48,480

evidence drawing from experiments

885

00:30:52,070 --> 00:30:50,399

with i think people want people people

886

00:30:53,990 --> 00:30:52,080

want the video to be online everything

887

00:30:55,830 --> 00:30:54,000

he does online just put out that's what

888

00:30:57,430 --> 00:30:55,840

they want um which i don't think is

889

00:30:59,190 --> 00:30:57,440

realistic but

890

00:31:01,269 --> 00:30:59,200

he's like evidence drawing drawing from

891

00:31:04,230 --> 00:31:01,279

experiments with third-party experts 40

892

00:31:08,070 --> 00:31:04,240

surveillance cameras flir systems lidar

893

00:31:09,990 --> 00:31:08,080

infrasonic sensors advanced photo photo

894

00:31:13,029 --> 00:31:10,000

can't say it because it's late and i

895

00:31:18,149 --> 00:31:13,039

can't pronounce words right now anyway

896

00:31:25,509 --> 00:31:19,750

i'm gonna look at your comments in a

897

00:31:29,750 --> 00:31:27,669

i know someone who makes awesome graphic

898

00:31:33,830 --> 00:31:29,760

graphics and thumbnails so do i i don't

899

00:31:36,549 --> 00:31:33,840

really like bothering them though

900

00:31:37,750 --> 00:31:36,559

that one was quick

901
00:31:40,310 --> 00:31:37,760
um

902
00:31:42,070 --> 00:31:40,320
it's a microcosm of e.t proof generally

903
00:31:43,830 --> 00:31:42,080
it's there in the mountains even if it's

904
00:31:45,430 --> 00:31:43,840
anecdotal i mean

905
00:31:47,990 --> 00:31:45,440
that's how ufos started it was all

906
00:31:49,590 --> 00:31:48,000
anecdotal you know obviously

907
00:31:52,230 --> 00:31:49,600
and then people were able to capture

908
00:31:53,909 --> 00:31:52,240
some stuff on camera which

909
00:31:56,230 --> 00:31:53,919
a lot of people

910
00:31:58,389 --> 00:31:56,240
like even the trent photographs people

911
00:32:00,230 --> 00:31:58,399
think that's bogus

912
00:32:02,630 --> 00:32:00,240
another year those photos were taken but

913
00:32:04,230 --> 00:32:02,640

they were analyzed thoroughly

914

00:32:07,669 --> 00:32:04,240

most people think they're legit whatever

915

00:32:12,070 --> 00:32:10,230

let's see oh i got into with melinda

916

00:32:15,190 --> 00:32:12,080

today not really i didn't really get

917

00:32:17,509 --> 00:32:15,200

into it um but we were talking about

918

00:32:19,750 --> 00:32:17,519

skinwalker ranch and hitchhikers and

919

00:32:21,990 --> 00:32:19,760

people attaching stuff to them she said

920

00:32:25,269 --> 00:32:22,000

seasoned paranormal investigators know

921

00:32:27,909 --> 00:32:25,279

you have to set intention do protection

922

00:32:29,669 --> 00:32:27,919

release when completed and do clearings

923

00:32:31,350 --> 00:32:29,679

it's sounding to me it's sounding to me

924

00:32:33,590 --> 00:32:31,360

like these folks and she's talking i was

925

00:32:36,230 --> 00:32:33,600

talking about the dia folks

926

00:32:38,070 --> 00:32:36,240

um they did not do any of this i've done

927

00:32:40,310 --> 00:32:38,080

hundreds of intense investigations and

928

00:32:42,310 --> 00:32:40,320

never taken it home neither had team

929

00:32:43,909 --> 00:32:42,320

members and my response was basically

930

00:32:45,029 --> 00:32:43,919

first of all

931

00:32:46,470 --> 00:32:45,039

i don't think she's read the book

932

00:32:48,149 --> 00:32:46,480

skinwalkers at the pentagon because it's

933

00:32:53,509 --> 00:32:48,159

not just skinwalker ranch and second of

934

00:32:58,950 --> 00:32:55,269

where was i going with this

935

00:33:06,310 --> 00:33:02,870

as far as doing clearings and you know

936

00:33:09,990 --> 00:33:07,750

oh yeah i said

937

00:33:12,630 --> 00:33:10,000

i don't think she's visited just as an

938

00:33:15,830 --> 00:33:12,640

example skinwalker ranch may be one of

939

00:33:19,750 --> 00:33:15,840

several places where this phenomenon

940

00:33:21,269 --> 00:33:19,760

is you know has access to us if it is

941

00:33:23,590 --> 00:33:21,279

if it's entities if that's what we're

942

00:33:25,430 --> 00:33:23,600

dealing with or or an intelligence

943

00:33:28,310 --> 00:33:25,440

maybe skinwalker ranch and other places

944

00:33:31,669 --> 00:33:28,320

like crestone and sedona and

945

00:33:33,830 --> 00:33:31,679

yakima and dolce maybe those places

946

00:33:35,350 --> 00:33:33,840

the veil is thin and this stuff can get

947

00:33:37,430 --> 00:33:35,360

through easily and it's like and no

948

00:33:39,750 --> 00:33:37,440

matter what kind of prayer of protection

949

00:33:41,590 --> 00:33:39,760

you do it's not gonna matter then again

950

00:33:43,909 --> 00:33:41,600

maybe it does matter my point was if

951
00:33:46,549 --> 00:33:43,919
you're gonna we need to do an experiment

952
00:33:48,149 --> 00:33:46,559
we need to get a thousand researchers

953
00:33:49,830 --> 00:33:48,159
not doing they could be the controlled

954
00:33:52,389 --> 00:33:49,840
group they don't get the prayer of

955
00:33:53,350 --> 00:33:52,399
protection and then you have

956
00:33:54,870 --> 00:33:53,360
or they could they could be the

957
00:33:56,389 --> 00:33:54,880
experimental group in the control group

958
00:33:59,029 --> 00:33:56,399
you can get the prayer of protection you

959
00:34:00,549 --> 00:33:59,039
could see does this group take home

960
00:34:02,630 --> 00:34:00,559
you know hitchhiker phenomena do they

961
00:34:04,950 --> 00:34:02,640
have poltergeist activity compared to

962
00:34:06,470 --> 00:34:04,960
two that's the only way to know melinda

963
00:34:07,909 --> 00:34:06,480

and then grant jumped in saying the same

964

00:34:09,669 --> 00:34:07,919

thing other people

965

00:34:11,750 --> 00:34:09,679

that's too small of a sample size to

966

00:34:13,430 --> 00:34:11,760

really say anything about it but i'd be

967

00:34:15,190 --> 00:34:13,440

willing to try i'd love that experiment

968

00:34:16,710 --> 00:34:15,200

but who the hell has funding we don't

969

00:34:20,470 --> 00:34:16,720

have that many experiments just to try

970

00:34:26,629 --> 00:34:23,589

good night mintera

971

00:34:30,230 --> 00:34:28,629

i think somebody i don't know about

972

00:34:32,069 --> 00:34:30,240

season three of skinwalker i saw

973

00:34:35,589 --> 00:34:32,079

something about it there

974

00:34:36,950 --> 00:34:35,599

today um when i interviewed kelleher i

975

00:34:38,710 --> 00:34:36,960

asked him in the book they talk about

976
00:34:41,349 --> 00:34:38,720
department of homeland security folks

977
00:34:43,750 --> 00:34:41,359
going to look at stuff that seemed to be

978
00:34:45,750 --> 00:34:43,760
crash retrieval related and they got the

979
00:34:47,190 --> 00:34:45,760
door slammed in their face so i asked

980
00:34:50,069 --> 00:34:47,200
kelleher about that he also said

981
00:34:52,310 --> 00:34:50,079
something about i think back in

982
00:34:54,629 --> 00:34:52,320
i don't know if it's 2006 or 96 probably

983
00:34:56,230 --> 00:34:54,639
2006 on coast to coast with art bell

984
00:34:59,030 --> 00:34:56,240
talking about there's been whispers

985
00:35:01,750 --> 00:34:59,040
about actually it was 2004 i think two

986
00:35:04,150 --> 00:35:01,760
years after the alleged eric davis

987
00:35:06,310 --> 00:35:04,160
admiral wilson meeting which to me is

988
00:35:07,990 --> 00:35:06,320

not alleged but

989

00:35:09,510 --> 00:35:08,000

kelleher said there's been whispers of

990

00:35:10,870 --> 00:35:09,520

crash retrieval so i asked him about

991

00:35:12,630 --> 00:35:10,880

that and he said well

992

00:35:14,230 --> 00:35:12,640

davis had already left or i had already

993

00:35:15,430 --> 00:35:14,240

left nids or davis wasn't working for

994

00:35:17,270 --> 00:35:15,440

nids something like that and then he

995

00:35:19,270 --> 00:35:17,280

said i have ndas i really can't talk

996

00:35:21,030 --> 00:35:19,280

about that but the book speaks for

997

00:35:23,030 --> 00:35:21,040

itself and that part of the book

998

00:35:25,030 --> 00:35:23,040

basically they were shut out of trying

999

00:35:27,510 --> 00:35:25,040

to get access to that stuff

1000

00:35:28,870 --> 00:35:27,520

related to maybe crash retrievals

1001

00:35:30,710 --> 00:35:28,880

um

1002

00:35:32,390 --> 00:35:30,720

here's some audio i can play this is

1003

00:35:34,950 --> 00:35:32,400

really really basic are you worried

1004

00:35:36,790 --> 00:35:34,960

about ufos one new york senator is and

1005

00:35:39,430 --> 00:35:36,800

she's trying to learn more about them as

1006

00:35:40,950 --> 00:35:39,440

part of this year's national defense act

1007

00:35:42,710 --> 00:35:40,960

kirsten gillibrand has introduced an

1008

00:35:45,190 --> 00:35:42,720

amendment to create the anomaly

1009

00:35:47,190 --> 00:35:45,200

surveillance and resolution office its

1010

00:35:49,030 --> 00:35:47,200

goal would be to use resources from the

1011

00:35:51,750 --> 00:35:49,040

intelligence community to learn more

1012

00:35:53,430 --> 00:35:51,760

about unidentified aerial phenomena

1013

00:35:55,270 --> 00:35:53,440

gillibrand says she wants to learn more

1014

00:35:56,630 --> 00:35:55,280

about the mysterious objects she studied

1015

00:35:58,710 --> 00:35:56,640

while serving on the senate's armed

1016

00:35:59,990 --> 00:35:58,720

services committee

1017

00:36:01,190 --> 00:36:00,000

remember the senate armed services

1018

00:36:04,310 --> 00:36:01,200

committee that's one of the committees

1019

00:36:06,150 --> 00:36:04,320

eric davis said he briefed so

1020

00:36:08,630 --> 00:36:06,160

um there's an article i quote from

1021

00:36:11,190 --> 00:36:08,640

earlier or later in my tweets but that's

1022

00:36:12,790 --> 00:36:11,200

in rochester new york station so she's

1023

00:36:13,829 --> 00:36:12,800

she's one of the senators for new york

1024

00:36:15,750 --> 00:36:13,839

so they covered that i don't know if

1025

00:36:17,030 --> 00:36:15,760

there's more to the tv story but it cuts

1026

00:36:18,470 --> 00:36:17,040

off there

1027

00:36:20,390 --> 00:36:18,480

and

1028

00:36:22,630 --> 00:36:20,400

i went to school an hour from there

1029

00:36:24,390 --> 00:36:22,640

rochester

1030

00:36:27,589 --> 00:36:24,400

i said it's nice to see a few new

1031

00:36:29,829 --> 00:36:27,599

yorkers cover the story

1032

00:36:32,390 --> 00:36:29,839

let's see yeah mike turbo this is that's

1033

00:36:34,470 --> 00:36:32,400

pju so pju's was on

1034

00:36:36,470 --> 00:36:34,480

on i think

1035

00:36:38,069 --> 00:36:36,480

the nimitz and he was part of the

1036

00:36:39,589 --> 00:36:38,079

hawkeye group when

1037

00:36:41,430 --> 00:36:39,599

he said that there were folks who came

1038

00:36:44,390 --> 00:36:41,440

on after the tic tac incident and took

1039

00:36:46,069 --> 00:36:44,400

his his data tapes um

1040

00:36:49,349 --> 00:36:46,079

and confiscated them

1041

00:36:50,950 --> 00:36:49,359

he's he's he's really credible and when

1042

00:36:52,950 --> 00:36:50,960

he's tweeting he has a lot of good

1043

00:36:54,710 --> 00:36:52,960

information he thinks tic tac is for a

1044

00:36:56,790 --> 00:36:54,720

while he was 50 50 and he was leaning

1045

00:36:58,870 --> 00:36:56,800

towards it being our tech now he's like

1046

00:37:01,270 --> 00:36:58,880

i do not think it's our tech

1047

00:37:03,589 --> 00:37:01,280

um and he's commenting to a guy mike

1048

00:37:05,510 --> 00:37:03,599

turber who he says

1049

00:37:08,790 --> 00:37:05,520

i'm going one one by one going through

1050

00:37:10,550 --> 00:37:08,800

mike tura's lies um yeah there's a lot

1051
00:37:12,470 --> 00:37:10,560
of stuff there that turbo has said some

1052
00:37:13,270 --> 00:37:12,480
ridiculous things like he wrote in a tic

1053
00:37:15,589 --> 00:37:13,280
tac

1054
00:37:17,109 --> 00:37:15,599
but then he said he was just kidding

1055
00:37:19,990 --> 00:37:17,119
that's as much time as i wanted to spend

1056
00:37:23,910 --> 00:37:21,270
yep

1057
00:37:25,920 --> 00:37:23,920
have a good night pics

1058
00:37:28,790 --> 00:37:25,930
not gonna go much longer um

1059
00:37:30,390 --> 00:37:28,800
[Music]

1060
00:37:32,390 --> 00:37:30,400
michael strange he does a show called

1061
00:37:35,109 --> 00:37:32,400
troubled minds radio i've been on at

1062
00:37:38,470 --> 00:37:35,119
least once um he might still be going

1063
00:37:40,790 --> 00:37:38,480

now in fact we can i don't

1064

00:37:44,550 --> 00:37:40,800

know if we're allowed to listen in live

1065

00:37:48,550 --> 00:37:46,700

so

1066

00:37:51,190 --> 00:37:48,560

[Music]

1067

00:37:52,950 --> 00:37:51,200

he is out of vegas too

1068

00:37:54,790 --> 00:37:52,960

and

1069

00:37:58,150 --> 00:37:54,800

this is

1070

00:37:58,950 --> 00:37:58,160

ray hernandez who put together

1071

00:38:01,349 --> 00:37:58,960

with

1072

00:38:03,030 --> 00:38:01,359

ions i think i'm much of the institute

1073

00:38:04,550 --> 00:38:03,040

of noetic science

1074

00:38:06,230 --> 00:38:04,560

which was formed by edgar mitchell i

1075

00:38:07,910 --> 00:38:06,240

don't know if they were

1076

00:38:09,990 --> 00:38:07,920

totally behind that but anyway i'll let

1077

00:38:12,069 --> 00:38:10,000

you hear the audio ray hernandez had an

1078

00:38:14,069 --> 00:38:12,079

encounter with non-human beings inside

1079

00:38:16,710 --> 00:38:14,079

his home and it made him a different

1080

00:38:18,950 --> 00:38:16,720

person he says after speaking with

1081

00:38:20,870 --> 00:38:18,960

former astronaut dr edgar mitchell the

1082

00:38:23,109 --> 00:38:20,880

sixth man to walk on the moon an

1083

00:38:25,190 --> 00:38:23,119

organization was created to seek out and

1084

00:38:27,589 --> 00:38:25,200

question others around the world who

1085

00:38:29,910 --> 00:38:27,599

reported their own close encounters or

1086

00:38:31,910 --> 00:38:29,920

out-of-body experiences and to find out

1087

00:38:34,230 --> 00:38:31,920

how their lives were affected

1088

00:38:36,390 --> 00:38:34,240

surprisingly most of those who've

1089

00:38:38,630 --> 00:38:36,400

experienced more than one encounter say

1090

00:38:40,550 --> 00:38:38,640

it changed them for the better

1091

00:38:43,430 --> 00:38:40,560

it was a total transformation of the

1092

00:38:45,670 --> 00:38:43,440

personality profile of the individual

1093

00:38:46,710 --> 00:38:45,680

for example people like in my case total

1094

00:38:48,630 --> 00:38:46,720

atheist

1095

00:38:49,750 --> 00:38:48,640

they become spiritual people that were

1096

00:38:51,910 --> 00:38:49,760

religious

1097

00:38:54,390 --> 00:38:51,920

they become very spiritual people that

1098

00:38:57,030 --> 00:38:54,400

were materialistic all of a sudden money

1099

00:39:00,470 --> 00:38:57,040

is not important people with immense

1100

00:39:03,270 --> 00:39:00,480

egos all of a sudden diminished egos

1101
00:39:05,349 --> 00:39:03,280
loving and caring to your fellow human

1102
00:39:07,430 --> 00:39:05,359
brethren participants in the study are

1103
00:39:10,230 --> 00:39:07,440
asked hundreds of questions in multiple

1104
00:39:12,310 --> 00:39:10,240
surveys the results have been compiled

1105
00:39:14,710 --> 00:39:12,320
and studied by a team of scientists and

1106
00:39:16,310 --> 00:39:14,720
academics and the findings published in

1107
00:39:18,230 --> 00:39:16,320
a massive book

1108
00:39:20,750 --> 00:39:18,240
you can check out the consciousness and

1109
00:39:22,870 --> 00:39:20,760
contact research institute on

1110
00:39:25,270 --> 00:39:22,880
mysterywire.com i'm ron futrell

1111
00:39:26,150 --> 00:39:25,280
reporting

1112
00:39:28,470 --> 00:39:26,160
so

1113
00:39:30,710 --> 00:39:28,480

i haven't had much interaction with ray

1114

00:39:33,670 --> 00:39:30,720

only on facebook but i don't think he's

1115

00:39:34,950 --> 00:39:33,680

responded to any of my points

1116

00:39:37,910 --> 00:39:34,960

um but

1117

00:39:41,829 --> 00:39:39,750

he says you know people had

1118

00:39:43,829 --> 00:39:41,839

life-changing experiences and column

1119

00:39:45,750 --> 00:39:43,839

kelleher discusses a little bit of that

1120

00:39:47,910 --> 00:39:45,760

in my interview saying yes we did have

1121

00:39:49,670 --> 00:39:47,920

some positive cases

1122

00:39:51,589 --> 00:39:49,680

we don't know if it's

1123

00:39:53,430 --> 00:39:51,599

was it intentional on whatever the

1124

00:39:55,510 --> 00:39:53,440

intelligence they interacted with was it

1125

00:39:57,190 --> 00:39:55,520

an intentional you know

1126
00:39:58,630 --> 00:39:57,200
effort on their part to make it positive

1127
00:40:00,470 --> 00:39:58,640
or was it just a

1128
00:40:02,390 --> 00:40:00,480
a side effect of whatever experience

1129
00:40:04,150 --> 00:40:02,400
they had

1130
00:40:07,030 --> 00:40:04,160
there's no way to tell but at least

1131
00:40:09,990 --> 00:40:07,040
hernandez is doing data um

1132
00:40:11,589 --> 00:40:10,000
and asap did data too which

1133
00:40:13,910 --> 00:40:11,599
i hope we get to see that one day i mean

1134
00:40:15,910 --> 00:40:13,920
they did a lot of work in two years and

1135
00:40:17,670 --> 00:40:15,920
i want to see all of the data not just

1136
00:40:19,510 --> 00:40:17,680
you know not just what was in the book

1137
00:40:20,630 --> 00:40:19,520
stories i want to hear everything but

1138
00:40:25,190 --> 00:40:20,640

they have to

1139

00:40:26,390 --> 00:40:25,200

of people who agreed to speak without

1140

00:40:28,230 --> 00:40:26,400

you know

1141

00:40:29,589 --> 00:40:28,240

they agreed to speak and did not want

1142

00:40:31,109 --> 00:40:29,599

their names used so that all of that

1143

00:40:32,550 --> 00:40:31,119

would have to come out

1144

00:40:34,630 --> 00:40:32,560

and uh kelleher said they'd have to

1145

00:40:37,270 --> 00:40:34,640

trust somebody to be

1146

00:40:40,790 --> 00:40:39,190

orientated and not oriented enough to

1147

00:40:42,309 --> 00:40:40,800

get rid of that stuff and make sure they

1148

00:40:44,069 --> 00:40:42,319

didn't make a mistake

1149

00:40:45,510 --> 00:40:44,079

good night john

1150

00:40:46,950 --> 00:40:45,520

mozart i just watched your conversation

1151
00:40:48,790 --> 00:40:46,960
with george and colin i wonder what

1152
00:40:50,870 --> 00:40:48,800
numerical index of credibility they

1153
00:40:53,109 --> 00:40:50,880
designed they yeah they assigned the

1154
00:40:56,069 --> 00:40:53,119
calera's case and and i do want to

1155
00:40:57,430 --> 00:40:56,079
interview la about that

1156
00:40:59,750 --> 00:40:57,440
and i'll say it again there are people

1157
00:41:01,349 --> 00:40:59,760
who think polaris was human technology

1158
00:41:03,030 --> 00:41:01,359
i think kit green i'm not sure if he

1159
00:41:04,790 --> 00:41:03,040
still thinks that but when i spoke to

1160
00:41:06,470 --> 00:41:04,800
him two years ago

1161
00:41:08,150 --> 00:41:06,480
he was leaning heavily towards that

1162
00:41:10,309 --> 00:41:08,160
being human tech

1163
00:41:12,069 --> 00:41:10,319

um

1164

00:41:13,670 --> 00:41:12,079

i don't know you know

1165

00:41:15,990 --> 00:41:13,680

most of the people

1166

00:41:17,670 --> 00:41:16,000

do not agree with him other people maybe

1167

00:41:19,270 --> 00:41:17,680

he has other people his colleagues that

1168

00:41:21,349 --> 00:41:19,280

do agree with him i have never talked to

1169

00:41:25,030 --> 00:41:21,359

them

1170

00:41:28,550 --> 00:41:26,630

let's see

1171

00:41:30,630 --> 00:41:28,560

and that was that's james james i almost

1172

00:41:32,470 --> 00:41:30,640

said jane blackowski james

1173

00:41:35,109 --> 00:41:32,480

ian doley who does

1174

00:41:37,190 --> 00:41:35,119

engage in the phenomenon ce5 really good

1175

00:41:38,470 --> 00:41:37,200

if you if you have any interest in ce5

1176

00:41:39,750 --> 00:41:38,480

and they're like i don't like steven

1177

00:41:42,230 --> 00:41:39,760

greer

1178

00:41:43,510 --> 00:41:42,240

go to james um

1179

00:41:45,910 --> 00:41:43,520

nicest guy

1180

00:41:47,190 --> 00:41:45,920

does great work and he was talking about

1181

00:41:48,630 --> 00:41:47,200

my interview with

1182

00:41:49,829 --> 00:41:48,640

knapp and kelleher which i personally

1183

00:41:51,190 --> 00:41:49,839

didn't think

1184

00:41:52,950 --> 00:41:51,200

there are other interviews i liked

1185

00:41:53,829 --> 00:41:52,960

better than my interview i mean george

1186

00:41:57,670 --> 00:41:53,839

and

1187

00:41:59,349 --> 00:41:57,680

of my questions i thought were i got

1188

00:42:00,950 --> 00:41:59,359

some good answers but whitley strieber's

1189

00:42:02,550 --> 00:42:00,960

interview i think was really good and

1190

00:42:04,150 --> 00:42:02,560

there was an interview done on

1191

00:42:05,829 --> 00:42:04,160

the paracast which i am going to take

1192

00:42:07,190 --> 00:42:05,839

notes on i should have done it the first

1193

00:42:09,349 --> 00:42:07,200

time i listened but there's some new

1194

00:42:11,910 --> 00:42:09,359

information i hadn't heard before about

1195

00:42:13,270 --> 00:42:11,920

cattle mutilations and some other stuff

1196

00:42:14,950 --> 00:42:13,280

some i think it's related to crash

1197

00:42:17,589 --> 00:42:14,960

retrievals and it was not good i'll just

1198

00:42:18,710 --> 00:42:17,599

summarize kelleher thinks that a lot of

1199

00:42:20,470 --> 00:42:18,720

when they when they went over to

1200

00:42:22,710 --> 00:42:20,480

physical papers to digital and they

1201
00:42:24,309 --> 00:42:22,720
transferred they lost a lot of stuff and

1202
00:42:26,069 --> 00:42:24,319
that stuff may never be recoverable

1203
00:42:29,109 --> 00:42:26,079
which is really

1204
00:42:30,870 --> 00:42:29,119
really disappointing if that happened

1205
00:42:33,270 --> 00:42:30,880
so here's the article on

1206
00:42:35,430 --> 00:42:33,280
senator gillibrand saying during a visit

1207
00:42:37,829 --> 00:42:35,440
to rochester monday the new york

1208
00:42:40,230 --> 00:42:37,839
democrat senator gillibrand said her

1209
00:42:41,990 --> 00:42:40,240
interest in studying ufos comes from her

1210
00:42:44,390 --> 00:42:42,000
work on the senate armed services

1211
00:42:46,390 --> 00:42:44,400
committee after hearing of a number of

1212
00:42:51,670 --> 00:42:46,400
sightings of mysterious objects in the

1213
00:42:54,630 --> 00:42:53,190

let me click on this so i can get to the

1214

00:42:58,069 --> 00:42:54,640

next one

1215

00:42:59,670 --> 00:42:58,079

after hearing about

1216

00:43:02,069 --> 00:42:59,680

of sightings of mysterious objects in

1217

00:43:04,710 --> 00:43:02,079

the sky by naval and air force officers

1218

00:43:07,750 --> 00:43:04,720

gillibrand said it's time to figure out

1219

00:43:09,670 --> 00:43:07,760

what and where these things are from

1220

00:43:12,069 --> 00:43:09,680

she said the aircraft have surprising

1221

00:43:14,230 --> 00:43:12,079

capabilities so she's asking the dod to

1222

00:43:16,470 --> 00:43:14,240

compile previous and future sightings

1223

00:43:17,589 --> 00:43:16,480

with national security in mind

1224

00:43:19,589 --> 00:43:17,599

quote

1225

00:43:21,990 --> 00:43:19,599

we've had a number of sightings by navy

1226

00:43:24,309 --> 00:43:22,000

pilots and air force pilots of things

1227

00:43:25,990 --> 00:43:24,319

that cannot be explained

1228

00:43:27,510 --> 00:43:26,000

aircraft that do things that we are

1229

00:43:29,670 --> 00:43:27,520

unfamiliar with

1230

00:43:31,589 --> 00:43:29,680

if it is knowable meaning it's russian

1231

00:43:33,270 --> 00:43:31,599

or chinese aircraft

1232

00:43:35,190 --> 00:43:33,280

we need to know what it is what the

1233

00:43:38,790 --> 00:43:35,200

capabilities are and how to defend

1234

00:43:42,069 --> 00:43:38,800

against that if it is unknowable

1235

00:43:43,829 --> 00:43:42,079

we also need to know about that well

1236

00:43:46,390 --> 00:43:43,839

i don't think it's unknowable i just

1237

00:43:49,190 --> 00:43:46,400

think it's an unknown

1238

00:43:50,470 --> 00:43:49,200

intelligence or adversary or whatever i

1239

00:43:52,829 --> 00:43:50,480

don't i don't think anything is

1240

00:43:56,710 --> 00:43:52,839

unknowable especially especially if we

1241

00:43:58,550 --> 00:43:56,720

have downed craft or donated craft

1242

00:43:59,910 --> 00:43:58,560

gifted craft i think we could know at

1243

00:44:02,150 --> 00:43:59,920

least

1244

00:44:03,510 --> 00:44:02,160

if there are bodies or

1245

00:44:04,950 --> 00:44:03,520

you know if there are bodies if we have

1246

00:44:07,109 --> 00:44:04,960

bodies we could at least know what some

1247

00:44:08,470 --> 00:44:07,119

of the occupants look like that's we can

1248

00:44:09,829 --> 00:44:08,480

at least get that doesn't mean we know

1249

00:44:13,910 --> 00:44:09,839

where they're from though

1250

00:44:18,230 --> 00:44:16,069

now the article concludes if the gila

1251
00:44:20,630 --> 00:44:18,240
brand amendment is passed the measure

1252
00:44:23,349 --> 00:44:20,640
would add layers of oversight and public

1253
00:44:25,750 --> 00:44:23,359
discourse on these sightings creating an

1254
00:44:26,710 --> 00:44:25,760
aerial and trans medium advisory

1255
00:44:28,950 --> 00:44:26,720
committee

1256
00:44:30,230 --> 00:44:28,960
experts from nasa faa and various

1257
00:44:32,230 --> 00:44:30,240
universities would serve on the

1258
00:44:34,150 --> 00:44:32,240
committee the senator also said she'd

1259
00:44:35,829 --> 00:44:34,160
like to make it easier for military

1260
00:44:37,829 --> 00:44:35,839
members to see these objects to come

1261
00:44:39,829 --> 00:44:37,839
forward gillibrand said that some

1262
00:44:41,829 --> 00:44:39,839
officers have faced retaliation for

1263
00:44:43,510 --> 00:44:41,839

acknowledging these craft which she said

1264

00:44:45,349 --> 00:44:43,520

is inappropriate

1265

00:44:47,670 --> 00:44:45,359

that should never happen continued

1266

00:44:49,589 --> 00:44:47,680

gillibrand we need our surface service

1267

00:44:53,109 --> 00:44:49,599

members to put forth data and info when

1268

00:44:55,109 --> 00:44:53,119

they see it especially if it's unusual

1269

00:44:57,190 --> 00:44:55,119

when will a member of now my question is

1270

00:45:00,309 --> 00:44:57,200

when will a member of the media say um

1271

00:45:01,990 --> 00:45:00,319

senator gillibrand we've heard folks

1272

00:45:03,670 --> 00:45:02,000

christopher mellon specifically say that

1273

00:45:05,510 --> 00:45:03,680

he was with eric davis on the hill when

1274

00:45:07,750 --> 00:45:05,520

he was briefing folks

1275

00:45:09,190 --> 00:45:07,760

about crash retrievals can you confirm

1276

00:45:11,750 --> 00:45:09,200

that you were briefed about crash

1277

00:45:13,829 --> 00:45:11,760

retrievals or one of your staffers how

1278

00:45:15,990 --> 00:45:13,839

hard is it to get i mean it'd be the

1279

00:45:18,390 --> 00:45:16,000

biggest question ever even if you don't

1280

00:45:20,950 --> 00:45:18,400

believe it as a reporter we had

1281

00:45:22,630 --> 00:45:20,960

christopher mellon on cnn talking about

1282

00:45:24,790 --> 00:45:22,640

saying he was there with eric davis when

1283

00:45:27,109 --> 00:45:24,800

davis was given the briefings how is

1284

00:45:28,870 --> 00:45:27,119

there not one reporter in this country

1285

00:45:29,990 --> 00:45:28,880

that hasn't asked that question i mean

1286

00:45:31,510 --> 00:45:30,000

come on

1287

00:45:33,190 --> 00:45:31,520

do your job

1288

00:45:34,950 --> 00:45:33,200

if i had access if i could get an

1289

00:45:36,950 --> 00:45:34,960

interview with gillibrand i would do it

1290

00:45:38,470 --> 00:45:36,960

and i i guess i should push and try i

1291

00:45:39,990 --> 00:45:38,480

don't think i'd have any luck but i have

1292

00:45:41,030 --> 00:45:40,000

to at least try

1293

00:45:42,230 --> 00:45:41,040

um

1294

00:45:44,550 --> 00:45:42,240

so

1295

00:45:46,630 --> 00:45:44,560

that's a little frustrating how

1296

00:45:48,230 --> 00:45:46,640

it's not that hard to file follow follow

1297

00:45:49,910 --> 00:45:48,240

the breadcrumbs hey anybody in the

1298

00:45:52,550 --> 00:45:49,920

mainstream media

1299

00:45:53,829 --> 00:45:52,560

send me a dm send me an email

1300

00:45:55,750 --> 00:45:53,839

talk to me on the phone i'll at least

1301
00:45:57,510 --> 00:45:55,760
give you the background i could show you

1302
00:45:58,950 --> 00:45:57,520
what eric davis has said i could show

1303
00:46:01,109 --> 00:45:58,960
you what christopher mellon has said and

1304
00:46:03,750 --> 00:46:01,119
you can ask senator gillibrand

1305
00:46:05,510 --> 00:46:03,760
if she's been briefed on

1306
00:46:07,510 --> 00:46:05,520
objects that may have crashed and we

1307
00:46:09,750 --> 00:46:07,520
have tried to

1308
00:46:12,150 --> 00:46:09,760
exploit them

1309
00:46:14,230 --> 00:46:12,160
so anyway

1310
00:46:16,630 --> 00:46:14,240
let's see what else do we have left i

1311
00:46:18,870 --> 00:46:16,640
just want to find the audio for my first

1312
00:46:20,150 --> 00:46:18,880
twitter this is going to be enough

1313
00:46:22,069 --> 00:46:20,160

i want to find the audio which i

1314

00:46:24,950 --> 00:46:22,079

retweeted

1315

00:46:26,870 --> 00:46:24,960

oh so brandon fogle on that tweet he put

1316

00:46:29,190 --> 00:46:26,880

out earlier about what they were doing

1317

00:46:30,950 --> 00:46:29,200

at the ranch with all their equipment

1318

00:46:33,670 --> 00:46:30,960

and

1319

00:46:35,589 --> 00:46:33,680

there were 666

1320

00:46:37,190 --> 00:46:35,599

likes

1321

00:46:41,190 --> 00:46:37,200

666

1322

00:46:43,510 --> 00:46:41,200

likes oh my god i just had to

1323

00:46:45,109 --> 00:46:43,520

freeze that grab that screen

1324

00:46:47,270 --> 00:46:45,119

and brandon was getting attacked and he

1325

00:46:49,190 --> 00:46:47,280

said i have worked

1326

00:46:50,950 --> 00:46:49,200

and

1327

00:46:52,390 --> 00:46:50,960

what conference gabby

1328

00:46:54,550 --> 00:46:52,400

oh conferences i don't want to do

1329

00:46:57,349 --> 00:46:54,560

conferences it's not my thing

1330

00:46:59,829 --> 00:46:57,359

i like this i don't have to be on camera

1331

00:47:02,550 --> 00:46:59,839

put me in a conference with a big screen

1332

00:47:03,750 --> 00:47:02,560

put me in a big black enclosed room and

1333

00:47:07,829 --> 00:47:03,760

i don't have to see anybody and i'll

1334

00:47:11,510 --> 00:47:09,750

yeah i don't know if mainstream media is

1335

00:47:12,790 --> 00:47:11,520

afraid or they just don't even bother

1336

00:47:14,069 --> 00:47:12,800

with it they probably don't even know

1337

00:47:15,990 --> 00:47:14,079

that happened they don't know that

1338

00:47:17,750 --> 00:47:16,000

christopher mellon backed up eric

1339

00:47:19,630 --> 00:47:17,760

davis's you know when he was he was

1340

00:47:22,309 --> 00:47:19,640

asked specifically by michael

1341

00:47:25,109 --> 00:47:22,319

sperkomerkonish on cnn

1342

00:47:26,549 --> 00:47:25,119

if the government had a craft or alien

1343

00:47:29,030 --> 00:47:26,559

craft i don't remember this exact

1344

00:47:31,190 --> 00:47:29,040

wording that was the lead-in to melon so

1345

00:47:33,030 --> 00:47:31,200

melon wasn't just talking about you know

1346

00:47:34,870 --> 00:47:33,040

davis briefing them about off-world

1347

00:47:36,470 --> 00:47:34,880

vehicles and ufos so it was about

1348

00:47:38,710 --> 00:47:36,480

specifically

1349

00:47:40,870 --> 00:47:38,720

crash retrieval um

1350

00:47:43,349 --> 00:47:40,880

the topic of crash retrievals

1351
00:47:45,190 --> 00:47:43,359
so fugl says i have worked very hard to

1352
00:47:46,470 --> 00:47:45,200
be more transparent than anyone and have

1353
00:47:48,309 --> 00:47:46,480
provided the most revealing and

1354
00:47:49,589 --> 00:47:48,319
comprehensive record of the ranch i

1355
00:47:51,870 --> 00:47:49,599
don't understand where you're coming

1356
00:47:54,710 --> 00:47:51,880
from i challenge you to go back in time

1357
00:47:56,230 --> 00:47:54,720
pre-2018 and compare that to now there

1358
00:47:57,270 --> 00:47:56,240
is no comparison i'm not even going to

1359
00:47:58,950 --> 00:47:57,280
read

1360
00:48:00,309 --> 00:47:58,960
it was basically attacking him of you

1361
00:48:02,950 --> 00:48:00,319
know you're not transparent basically

1362
00:48:05,030 --> 00:48:02,960
that's what they were saying

1363
00:48:07,030 --> 00:48:05,040

i think we're coming to the end oh this

1364

00:48:09,750 --> 00:48:07,040

is all right two vid so we got two

1365

00:48:11,510 --> 00:48:09,760

audios john greenwald who we have

1366

00:48:13,510 --> 00:48:11,520

battled in the past hopefully the audio

1367

00:48:15,030 --> 00:48:13,520

is there how could this man come out

1368

00:48:17,349 --> 00:48:15,040

start talking so he's talking about luis

1369

00:48:19,030 --> 00:48:17,359

elizondo

1370

00:48:21,589 --> 00:48:19,040

how could this man come out start

1371

00:48:23,990 --> 00:48:21,599

talking openly get all this publicity

1372

00:48:26,710 --> 00:48:24,000

and make these bombshell claims and the

1373

00:48:28,309 --> 00:48:26,720

pentagon says nope none of that is true

1374

00:48:29,990 --> 00:48:28,319

is the evidence not there because the

1375

00:48:32,470 --> 00:48:30,000

pentagon is involved in this big

1376

00:48:35,190 --> 00:48:32,480

cover-up or is elizondo embellishing

1377

00:48:36,870 --> 00:48:35,200

what his role really was is he lying is

1378

00:48:38,710 --> 00:48:36,880

he telling the absolute truth the

1379

00:48:41,190 --> 00:48:38,720

pentagon doesn't have a great history

1380

00:48:43,270 --> 00:48:41,200

with this topic so how do we know who to

1381

00:48:45,510 --> 00:48:43,280

believe

1382

00:48:47,589 --> 00:48:45,520

the fact that so i also did some

1383

00:48:49,990 --> 00:48:47,599

follow-up audio on there i mean how do

1384

00:48:51,510 --> 00:48:50,000

we know who to believe

1385

00:48:53,750 --> 00:48:51,520

it's possible

1386

00:48:55,430 --> 00:48:53,760

he was saying that's what we were all

1387

00:48:57,270 --> 00:48:55,440

thinking back then but he doesn't think

1388

00:48:58,870 --> 00:48:57,280

that now but i've seen other work by

1389

00:49:01,589 --> 00:48:58,880

john and it he still he was in the

1390

00:49:02,790 --> 00:49:01,599

showtime piece saying you know

1391

00:49:05,349 --> 00:49:02,800

similar

1392

00:49:08,470 --> 00:49:05,359

sentiments

1393

00:49:11,750 --> 00:49:08,480

showtime piece so

1394

00:49:12,470 --> 00:49:11,760

i i have no doubt that luis elizondo i

1395

00:49:15,349 --> 00:49:12,480

don't

1396

00:49:16,950 --> 00:49:15,359

pentagon it's as simple as that i

1397

00:49:18,470 --> 00:49:16,960

believe lou

1398

00:49:20,230 --> 00:49:18,480

as i said in my audio doesn't mean i

1399

00:49:21,910 --> 00:49:20,240

agree with lou on everything there are

1400

00:49:24,230 --> 00:49:21,920

certain things i have agreed with i have

1401

00:49:25,030 --> 00:49:24,240

disagreed with him really strongly on

1402

00:49:26,950 --> 00:49:25,040

but

1403

00:49:28,870 --> 00:49:26,960

you know so what you're going to

1404

00:49:30,630 --> 00:49:28,880

disagree with people all the time

1405

00:49:32,470 --> 00:49:30,640

i don't think it's i think it's a waste

1406

00:49:34,309 --> 00:49:32,480

of time four years you know it's been

1407

00:49:35,829 --> 00:49:34,319

more than four years luis alezonda was

1408

00:49:37,750 --> 00:49:35,839

on that stage

1409

00:49:39,750 --> 00:49:37,760

with christopher mellon and tom delong

1410

00:49:42,069 --> 00:49:39,760

and jim semivan that was october of

1411

00:49:44,230 --> 00:49:42,079

2017. so it's over four years and we're

1412

00:49:45,990 --> 00:49:44,240

still asking the question did he

1413

00:49:48,950 --> 00:49:46,000

embellish his role did he really run the

1414

00:49:51,349 --> 00:49:48,960

pentagon just real quick asap 2008

1415

00:49:55,589 --> 00:49:51,359

september it starts goes to december

1416

00:49:57,670 --> 00:49:55,599

2010 somewhere in there luis elizondo

1417

00:49:59,510 --> 00:49:57,680

he was you know he had some dealings

1418

00:50:01,670 --> 00:49:59,520

with asap helping them out i'm not

1419

00:50:03,910 --> 00:50:01,680

exactly sure exactly what he was doing

1420

00:50:05,190 --> 00:50:03,920

counter intel making sure you know other

1421

00:50:07,430 --> 00:50:05,200

nations weren't

1422

00:50:10,790 --> 00:50:07,440

weren't getting access to our program

1423

00:50:11,950 --> 00:50:10,800

you know asap but sometime at that point

1424

00:50:14,230 --> 00:50:11,960

during the

1425

00:50:18,309 --> 00:50:14,240

2008-2010 time period or shortly

1426

00:50:20,309 --> 00:50:18,319

thereafter he moved into a tip and ran

1427

00:50:21,349 --> 00:50:20,319

whatever that was whatever that program

1428

00:50:23,990 --> 00:50:21,359

was

1429

00:50:25,990 --> 00:50:24,000

and the confusion is because

1430

00:50:28,710 --> 00:50:26,000

ossep when they wrote a letter to uh

1431

00:50:30,950 --> 00:50:28,720

deputy secretary of defense william lin

1432

00:50:32,870 --> 00:50:30,960

harry reid wanted to take ossap to a

1433

00:50:34,710 --> 00:50:32,880

special access program

1434

00:50:36,390 --> 00:50:34,720

number one they wanted to get possible

1435

00:50:38,870 --> 00:50:36,400

access to crash retrieval stuff things

1436

00:50:40,950 --> 00:50:38,880

like that all you know other programs

1437

00:50:42,230 --> 00:50:40,960

ufo related also they wanted to make

1438

00:50:44,069 --> 00:50:42,240

sure they didn't have to fight for

1439

00:50:45,910 --> 00:50:44,079

funding every year if they were a

1440

00:50:47,990 --> 00:50:45,920

special access program that would not be

1441

00:50:49,829 --> 00:50:48,000

a problem anymore apparently

1442

00:50:51,670 --> 00:50:49,839

and they used in that letter they came

1443

00:50:53,910 --> 00:50:51,680

up with a nickname so people didn't find

1444

00:50:56,470 --> 00:50:53,920

out about ossap they came up with the

1445

00:50:58,390 --> 00:50:56,480

nickname and they called it atip

1446

00:51:00,710 --> 00:50:58,400

advanced aerospace threat identification

1447

00:51:04,710 --> 00:51:00,720

program so that was a nickname but later

1448

00:51:05,910 --> 00:51:04,720

on when lou had his pentagon program

1449

00:51:08,069 --> 00:51:05,920

small

1450

00:51:10,390 --> 00:51:08,079

program not like awesome which was

1451
00:51:12,069 --> 00:51:10,400
pretty big 50 you know 50 people were

1452
00:51:15,349 --> 00:51:12,079
working in the field

1453
00:51:16,630 --> 00:51:15,359
so lou adopted the a tip name

1454
00:51:18,470 --> 00:51:16,640
so when you hear

1455
00:51:20,870 --> 00:51:18,480
you know pentagon spokesperson susan

1456
00:51:23,670 --> 00:51:20,880
goff saying well luis elizondo had no

1457
00:51:25,829 --> 00:51:23,680
assigned responsibilities for

1458
00:51:27,510 --> 00:51:25,839
atip is she talking about the nickname

1459
00:51:29,430 --> 00:51:27,520
atip which would be awesome well if

1460
00:51:31,750 --> 00:51:29,440
that's the case then she's right but a

1461
00:51:33,910 --> 00:51:31,760
tip that we know that lou ran

1462
00:51:36,790 --> 00:51:33,920
she's wrong but she also said atip and

1463
00:51:39,589 --> 00:51:36,800

asap didn't study ufos which

1464

00:51:41,990 --> 00:51:39,599

i do not believe at all i think she's

1465

00:51:44,230 --> 00:51:42,000

either lying or she's uninformed and

1466

00:51:46,870 --> 00:51:44,240

sharing bad information

1467

00:51:49,270 --> 00:51:46,880

so i don't understand why john is still

1468

00:51:51,030 --> 00:51:49,280

questioning whether or not lou did what

1469

00:51:53,349 --> 00:51:51,040

he did because he doesn't have a foia

1470

00:51:54,790 --> 00:51:53,359

that tells him that and he may never get

1471

00:51:56,470 --> 00:51:54,800

that foia there comes a time you have to

1472

00:51:58,390 --> 00:51:56,480

use your judgment

1473

00:52:00,150 --> 00:51:58,400

um and most of us when we heard lou from

1474

00:52:01,910 --> 00:52:00,160

the beginning we figured this was a good

1475

00:52:03,510 --> 00:52:01,920

person for us and him and

1476
00:52:06,230 --> 00:52:03,520
melon have done so much work behind the

1477
00:52:07,750 --> 00:52:06,240
scenes with congress so

1478
00:52:21,750 --> 00:52:07,760
i

1479
00:52:24,390 --> 00:52:21,760
so anyway here's the press conference

1480
00:52:31,109 --> 00:52:27,349
john kirby from

1481
00:52:32,790 --> 00:52:31,119
29th so that's yesterday right

1482
00:52:34,230 --> 00:52:32,800
and the interview the person asking the

1483
00:52:35,990 --> 00:52:34,240
question is travis trenton from

1484
00:52:38,069 --> 00:52:36,000
military.com

1485
00:52:39,190 --> 00:52:38,079
and it's about the

1486
00:52:40,470 --> 00:52:39,200
o f

1487
00:52:41,349 --> 00:52:40,480
the o

1488
00:52:43,990 --> 00:52:41,359

o

1489

00:52:46,069 --> 00:52:44,000

m s g

1490

00:52:47,910 --> 00:52:46,079

travis thanks john i wanted to ask you

1491

00:52:50,309 --> 00:52:47,920

about this new uap

1492

00:52:52,870 --> 00:52:50,319

office that was created by deputy

1493

00:52:53,670 --> 00:52:52,880

secretary hicks and announced last week

1494

00:52:54,790 --> 00:52:53,680

um

1495

00:52:57,030 --> 00:52:54,800

the

1496

00:53:03,349 --> 00:52:57,040

aerial object identification and

1497

00:53:07,510 --> 00:53:05,030

is there it's a mouthful was there any

1498

00:53:09,190 --> 00:53:07,520

coordination with lawmakers on capitol

1499

00:53:11,670 --> 00:53:09,200

bill they're proposing

1500

00:53:14,950 --> 00:53:11,680

related legislation like representative

1501

00:53:15,750 --> 00:53:14,960

gallego and senator gillibrand

1502

00:53:18,630 --> 00:53:15,760

and

1503

00:53:21,430 --> 00:53:18,640

secondly some former pentagon officials

1504

00:53:23,829 --> 00:53:21,440

who had worked on this issue uh chris

1505

00:53:26,150 --> 00:53:23,839

mellon and lou elizondo have said that

1506

00:53:26,829 --> 00:53:26,160

this is an effort for the pentagon to be

1507

00:53:29,430 --> 00:53:26,839

less

1508

00:53:31,990 --> 00:53:29,440

transparent on uaps and i was just

1509

00:53:34,790 --> 00:53:32,000

wondering if you if you had any response

1510

00:53:36,549 --> 00:53:34,800

on the first one um i can't i can't

1511

00:53:39,109 --> 00:53:36,559

speak to pending legislation obviously

1512

00:53:40,870 --> 00:53:39,119

i'd refer to those members but uh but we

1513

00:53:43,510 --> 00:53:40,880

absolutely kept members of congress

1514

00:53:45,430 --> 00:53:43,520

informed uh as we uh

1515

00:53:47,349 --> 00:53:45,440

as we fashioned this

1516

00:53:48,790 --> 00:53:47,359

this group together

1517

00:53:50,790 --> 00:53:48,800

uh i don't know who pointed it out but

1518

00:53:53,589 --> 00:53:50,800

he said we kept and i didn't figure this

1519

00:53:56,390 --> 00:53:53,599

out somebody's on twitter said he said

1520

00:53:57,990 --> 00:53:56,400

they kept congress informed so they were

1521

00:54:00,230 --> 00:53:58,000

saying well in other words they didn't

1522

00:54:01,190 --> 00:54:00,240

work with congress they just informed

1523

00:54:03,270 --> 00:54:01,200

them

1524

00:54:04,790 --> 00:54:03,280

they didn't sit down and say hey let's

1525

00:54:06,230 --> 00:54:04,800

work on this together they just said

1526
00:54:07,190 --> 00:54:06,240
this is what we're doing so that was

1527
00:54:08,870 --> 00:54:07,200
something

1528
00:54:09,990 --> 00:54:08,880
that was a nice catch by somebody i

1529
00:54:11,349 --> 00:54:10,000
don't know if it was nick pope i think

1530
00:54:13,190 --> 00:54:11,359
it was somebody else

1531
00:54:15,750 --> 00:54:13,200
and and announced it

1532
00:54:17,670 --> 00:54:15,760
um go back a little as we uh

1533
00:54:19,510 --> 00:54:17,680
as we fashioned this

1534
00:54:21,270 --> 00:54:19,520
this group together and

1535
00:54:23,270 --> 00:54:21,280
pending legislation obviously i'd refer

1536
00:54:25,109 --> 00:54:23,280
to those members but uh but we

1537
00:54:27,750 --> 00:54:25,119
absolutely kept members of congress

1538
00:54:29,670 --> 00:54:27,760

informed uh as we uh

1539

00:54:32,630 --> 00:54:29,680

as we fashioned this

1540

00:54:34,710 --> 00:54:32,640

this group together and and announced it

1541

00:54:36,710 --> 00:54:34,720

um and it is

1542

00:54:39,589 --> 00:54:36,720

to your second question it is really

1543

00:54:42,630 --> 00:54:39,599

designed to help us better coordinate

1544

00:54:45,030 --> 00:54:42,640

the reporting processes um the actual

1545

00:54:47,510 --> 00:54:45,040

reports themselves and the analysis of

1546

00:54:49,990 --> 00:54:47,520

those reports so that um

1547

00:54:51,670 --> 00:54:50,000

rather than uh

1548

00:54:54,230 --> 00:54:51,680

getting them sort of piecemeal and ad

1549

00:54:56,789 --> 00:54:54,240

hoc as we've been getting them from uh

1550

00:54:58,950 --> 00:54:56,799

from the from the services um this is a

1551
00:55:01,270 --> 00:54:58,960
way to coordinate the the input so that

1552
00:55:03,349 --> 00:55:01,280
we can uh there's a common uh set of

1553
00:55:05,270 --> 00:55:03,359
parameters for how to report them and to

1554
00:55:07,109 --> 00:55:05,280
analyze them and then to assess what

1555
00:55:08,630 --> 00:55:07,119
we've got and not all

1556
00:55:10,150 --> 00:55:08,640
uh reports are going to manifest

1557
00:55:12,789 --> 00:55:10,160
themselves in something that we consider

1558
00:55:15,990 --> 00:55:12,799
a national security threat um so this is

1559
00:55:18,069 --> 00:55:16,000
a chance for us to to be a much more

1560
00:55:21,190 --> 00:55:18,079
organized in the way we process these

1561
00:55:23,750 --> 00:55:21,200
reports um and as we have we will

1562
00:55:26,230 --> 00:55:23,760
certainly continue to be as transparent

1563
00:55:28,069 --> 00:55:26,240

as we can about uh these phenomena and

1564

00:55:29,349 --> 00:55:28,079

uh and and the impact that they may or

1565

00:55:31,990 --> 00:55:29,359

may not be having

1566

00:55:33,990 --> 00:55:32,000

on our ability to operate very specific

1567

00:55:35,349 --> 00:55:34,000

commitment to release some data or

1568

00:55:37,030 --> 00:55:35,359

information on

1569

00:55:39,750 --> 00:55:37,040

these to the public at some point

1570

00:55:41,510 --> 00:55:39,760

something beyond a briefing to congress

1571

00:55:44,309 --> 00:55:41,520

yeah i mean i don't have a specific

1572

00:55:45,829 --> 00:55:44,319

report to to announce today that on any

1573

00:55:47,750 --> 00:55:45,839

kind of a frequent basis that we would

1574

00:55:50,069 --> 00:55:47,760

do but i can assure you that our

1575

00:55:52,950 --> 00:55:50,079

intention is to be as transparent about

1576

00:55:55,109 --> 00:55:52,960

uh this phenomena as as we can again try

1577

00:55:57,109 --> 00:55:55,119

this understanding that um

1578

00:55:58,470 --> 00:55:57,119

uh that uh

1579

00:55:59,910 --> 00:55:58,480

that there'll be national security

1580

00:56:01,430 --> 00:55:59,920

considerations that we have to keep in

1581

00:56:03,109 --> 00:56:01,440

mind but we'll be as transparent as we

1582

00:56:04,309 --> 00:56:03,119

can but not i don't want to leave you

1583

00:56:07,349 --> 00:56:04,319

with the impression that they'll be sort

1584

00:56:09,430 --> 00:56:07,359

of a regular drum beat of uh you know of

1585

00:56:10,789 --> 00:56:09,440

some kind of report that uh that gets

1586

00:56:11,990 --> 00:56:10,799

posted on the website you know every

1587

00:56:14,390 --> 00:56:12,000

couple months

1588

00:56:16,390 --> 00:56:14,400

yeah i want to give you that impression

1589

00:56:17,750 --> 00:56:16,400

why would we put a report on a website

1590

00:56:20,549 --> 00:56:17,760

every couple of months it's not like

1591

00:56:22,309 --> 00:56:20,559

your taxpayer dollars is paying for this

1592

00:56:23,510 --> 00:56:22,319

you know it's national security give me

1593

00:56:25,990 --> 00:56:23,520

a break

1594

00:56:28,230 --> 00:56:26,000

if it's not an adversary and if it's

1595

00:56:29,829 --> 00:56:28,240

something totally unknown and we know

1596

00:56:31,990 --> 00:56:29,839

there are downed craft and there's

1597

00:56:33,670 --> 00:56:32,000

beings inside that's not national

1598

00:56:35,589 --> 00:56:33,680

security

1599

00:56:38,069 --> 00:56:35,599

it could be consider you know they can

1600

00:56:39,589 --> 00:56:38,079

make the argument well

1601
00:56:41,109 --> 00:56:39,599
these things are here to attack us or

1602
00:56:43,109 --> 00:56:41,119
they could say well

1603
00:56:44,870 --> 00:56:43,119
we you know we don't want to panic the

1604
00:56:46,230 --> 00:56:44,880
entire planet so that's national

1605
00:56:47,270 --> 00:56:46,240
security but

1606
00:56:49,030 --> 00:56:47,280
listen

1607
00:56:51,109 --> 00:56:49,040
even lewis said it when he was asked

1608
00:56:53,670 --> 00:56:51,119
theoretically hypothetically if we had

1609
00:56:55,030 --> 00:56:53,680
craft if we had a craft and bodies he

1610
00:56:57,510 --> 00:56:55,040
did not think that should stay

1611
00:56:59,190 --> 00:56:57,520
classified that information needs to get

1612
00:57:02,470 --> 00:56:59,200
out um

1613
00:57:05,910 --> 00:57:04,470

that's that um

1614

00:57:07,670 --> 00:57:05,920

it's a he's a he's a pentagon

1615

00:57:10,069 --> 00:57:07,680

spokesperson so

1616

00:57:12,309 --> 00:57:10,079

you know i'm not gonna hold too much

1617

00:57:15,430 --> 00:57:12,319

against him he's just doing what he's

1618

00:57:18,150 --> 00:57:15,440

told but that's nonsense i'm sorry

1619

00:57:19,750 --> 00:57:18,160

it should be there should be a plan

1620

00:57:21,589 --> 00:57:19,760

for public

1621

00:57:23,750 --> 00:57:21,599

presentation of data

1622

00:57:26,549 --> 00:57:23,760

i would think most of it is not national

1623

00:57:29,109 --> 00:57:26,559

security as we define national security

1624

00:57:31,430 --> 00:57:29,119

related to foreign adversaries i'll just

1625

00:57:35,030 --> 00:57:31,440

go through a couple of uh

1626
00:57:36,309 --> 00:57:35,040
tweets somebody's you know board cat

1627
00:57:39,589 --> 00:57:36,319
saying and

1628
00:57:44,150 --> 00:57:41,190
i'm sorry i can't get

1629
00:57:46,549 --> 00:57:44,160
trust alessandro or melon i

1630
00:57:48,390 --> 00:57:46,559
bet they're just after budget approvals

1631
00:57:50,710 --> 00:57:48,400
you simply can't trust politicians to be

1632
00:57:52,710 --> 00:57:50,720
scientific there's always an agenda well

1633
00:57:55,109 --> 00:57:52,720
they're not politicians number one

1634
00:57:57,190 --> 00:57:55,119
number two they don't need

1635
00:57:58,870 --> 00:57:57,200
the military doesn't need this for the

1636
00:58:00,150 --> 00:57:58,880
budget first of all this is such a small

1637
00:58:01,829 --> 00:58:00,160
thing whatever budget's going to be

1638
00:58:04,470 --> 00:58:01,839

approved for this it's nothing compared

1639

00:58:06,470 --> 00:58:04,480

to the military budget they don't this

1640

00:58:07,910 --> 00:58:06,480

is not a good way to get a military

1641

00:58:10,390 --> 00:58:07,920

budget unless you want to push the

1642

00:58:12,069 --> 00:58:10,400

threat angle really hard which they're

1643

00:58:14,630 --> 00:58:12,079

not doing they've been accused of that

1644

00:58:16,069 --> 00:58:14,640

listen to listen to colin kelleher my

1645

00:58:19,030 --> 00:58:16,079

interview he's like

1646

00:58:21,109 --> 00:58:19,040

ufos sometimes can be dangerous

1647

00:58:23,670 --> 00:58:21,119

and bad for help the health of a human

1648

00:58:25,270 --> 00:58:23,680

being but we did not see any evidence

1649

00:58:26,789 --> 00:58:25,280

that they're purposely you know trying

1650

00:58:28,549 --> 00:58:26,799

to hurt us like there's there's not a

1651
00:58:29,910 --> 00:58:28,559
threat if you're trying to push for

1652
00:58:31,109 --> 00:58:29,920
money all of these people should be

1653
00:58:32,630 --> 00:58:31,119
pushing the threat angle and they're

1654
00:58:34,230 --> 00:58:32,640
just not doing it

1655
00:58:35,829 --> 00:58:34,240
which i've actually even argued the

1656
00:58:37,750 --> 00:58:35,839
opposite of like if we really don't know

1657
00:58:39,670 --> 00:58:37,760
what we're dealing with so it could be a

1658
00:58:41,430 --> 00:58:39,680
threat and lou

1659
00:58:43,670 --> 00:58:41,440
it was during a clubhouse event he was

1660
00:58:45,670 --> 00:58:43,680
like well not necessarily so he was

1661
00:58:47,750 --> 00:58:45,680
actually pushing the other side

1662
00:58:49,030 --> 00:58:47,760
um and pj was like i'm exactly right

1663
00:58:51,270 --> 00:58:49,040

about lou and

1664

00:58:52,789 --> 00:58:51,280

john i mean

1665

00:58:56,470 --> 00:58:52,799

um

1666

00:58:58,230 --> 00:58:56,480

yeah it's just my opinions so

1667

00:59:00,390 --> 00:58:58,240

thanks for the comments everybody even

1668

00:59:01,829 --> 00:59:00,400

the ones that i don't mind opposing

1669

00:59:03,109 --> 00:59:01,839

comments

1670

00:59:04,870 --> 00:59:03,119

i just

1671

00:59:06,150 --> 00:59:04,880

we all have opinions the problem i have

1672

00:59:07,589 --> 00:59:06,160

is when people try to tell me they know

1673

00:59:09,190 --> 00:59:07,599

what the phenomenon represents that's

1674

00:59:12,309 --> 00:59:09,200

the main thing or they know a hundred

1675

00:59:14,789 --> 00:59:12,319

percent lou was this info agent

1676

00:59:16,069 --> 00:59:14,799

that was being said way back when

1677

00:59:17,670 --> 00:59:16,079

we don't have to trust him we can just

1678

00:59:19,190 --> 00:59:17,680

hear him and analyze his information and

1679

00:59:20,950 --> 00:59:19,200

also yeah and we'll see what congress

1680

00:59:22,630 --> 00:59:20,960

does you know it's been mellon and

1681

00:59:24,309 --> 00:59:22,640

elizondo pushing for this so let's see

1682

00:59:25,990 --> 00:59:24,319

what this office the gila brand

1683

00:59:27,829 --> 00:59:26,000

amendment does if it gets past rubio

1684

00:59:30,630 --> 00:59:27,839

gillibrand it's nice to have

1685

00:59:32,390 --> 00:59:30,640

you know bipartisan

1686

00:59:33,829 --> 00:59:32,400

people working together from both sides

1687

00:59:36,870 --> 00:59:33,839

how often do we have i mean it happens

1688

00:59:40,470 --> 00:59:36,880

obviously but nowadays we're so

1689

00:59:43,349 --> 00:59:40,480

fractured and so opposed to both sides

1690

00:59:45,990 --> 00:59:43,359

um so anyway that is my first twitter

1691

00:59:49,109 --> 00:59:46,000

summary

1692

00:59:50,549 --> 00:59:49,119

yeah sorry board cat business

1693

00:59:52,150 --> 00:59:50,559

reality shows

1694

00:59:54,150 --> 00:59:52,160

that's separate you know what brandon is

1695

00:59:56,630 --> 00:59:54,160

doing is not the same

1696

00:59:58,309 --> 00:59:56,640

to what's going on with ossep

1697

00:59:59,990 --> 00:59:58,319

they had 22 million dollars over two

1698

01:00:02,309 --> 01:00:00,000

years and they hired 50 people that's

1699

01:00:04,309 --> 01:00:02,319

not a lot of money i mean the durds the

1700

01:00:05,670 --> 01:00:04,319

defense intelligence research documents

1701

01:00:09,510 --> 01:00:05,680

i think they were

1702

01:00:11,270 --> 01:00:09,520

15 000 each i think it was 537 000 for

1703

01:00:12,870 --> 01:00:11,280

38 uh

1704

01:00:15,670 --> 01:00:12,880

papers that were written

1705

01:00:17,270 --> 01:00:15,680

which were according to put off and

1706

01:00:18,630 --> 01:00:17,280

kellaher they were really popular with

1707

01:00:21,270 --> 01:00:18,640

people who had access to it a lot of

1708

01:00:22,950 --> 01:00:21,280

people were able to access those papers

1709

01:00:24,630 --> 01:00:22,960

so anyway

1710

01:00:26,150 --> 01:00:24,640

no i understand you're critic of them

1711

01:00:27,910 --> 01:00:26,160

not the phenomena but nothing they've

1712

01:00:29,109 --> 01:00:27,920

said is is i have no problem with

1713

01:00:30,789 --> 01:00:29,119

anything they've said

1714

01:00:33,750 --> 01:00:30,799

i shouldn't say that i i have had

1715

01:00:36,549 --> 01:00:33,760

problems with both lou and mellon but

1716

01:00:38,309 --> 01:00:36,559

nothing major usually to more details

1717

01:00:40,549 --> 01:00:38,319

one of the big things i had is when lou

1718

01:00:42,470 --> 01:00:40,559

was on unidentified and they were really

1719

01:00:44,950 --> 01:00:42,480

making it look like

1720

01:00:46,950 --> 01:00:44,960

abductions were sleep paralysis which

1721

01:00:48,710 --> 01:00:46,960

you know there are there are abductions

1722

01:00:50,309 --> 01:00:48,720

whatever they are they happen they've

1723

01:00:52,630 --> 01:00:50,319

happened during the day when people are

1724

01:00:53,990 --> 01:00:52,640

wide awake so that was annoying and they

1725

01:00:56,549 --> 01:00:54,000

left out information that robert

1726

01:00:58,390 --> 01:00:56,559

hastings had had collected which is on

1727

01:01:00,470 --> 01:00:58,400

his website which i wish i could link to

1728

01:01:02,069 --> 01:01:00,480

right now it's really good when you read

1729

01:01:03,670 --> 01:01:02,079

it you're like this is not sleep

1730

01:01:05,990 --> 01:01:03,680

paralysis whatever's going on with these

1731

01:01:07,750 --> 01:01:06,000

folks so and they didn't and some of

1732

01:01:09,750 --> 01:01:07,760

them cannot go under hypnosis because

1733

01:01:11,670 --> 01:01:09,760

they have a a national you know

1734

01:01:14,549 --> 01:01:11,680

non-disclosure or security clearance so

1735

01:01:16,630 --> 01:01:14,559

it says they cannot go undergo this uh

1736

01:01:18,710 --> 01:01:16,640

hypnosis so you can't make the argument

1737

01:01:21,190 --> 01:01:18,720

well their memories were recovered

1738

01:01:23,670 --> 01:01:21,200

during hypnosis nope sorry

1739

01:01:26,230 --> 01:01:23,680

not for these folks

1740

01:01:27,670 --> 01:01:26,240

uh how often do i plan

1741

01:01:29,030 --> 01:01:27,680

thanks david and

1742

01:01:34,069 --> 01:01:29,040

i do

1743

01:01:36,069 --> 01:01:34,079

for me to praise my work um but i think

1744

01:01:38,069 --> 01:01:36,079

my twitter is pretty good

1745

01:01:39,670 --> 01:01:38,079

i think i'm pretty good with twitter um

1746

01:01:41,910 --> 01:01:39,680

finding interesting stuff

1747

01:01:43,990 --> 01:01:41,920

since i i have a good memory of stuff

1748

01:01:46,549 --> 01:01:44,000

i've uncovered not uncovered but you

1749

01:01:47,510 --> 01:01:46,559

know cam come across since 96 when i got

1750

01:01:49,109 --> 01:01:47,520

into this

1751

01:01:51,349 --> 01:01:49,119

i still remember some of that stuff so i

1752

01:01:54,470 --> 01:01:51,359

want to keep doing this and

1753

01:01:57,349 --> 01:01:54,480

pj mike wants to know how often

1754

01:02:00,230 --> 01:01:57,359

if i only do an hour i mean i could try

1755

01:02:02,309 --> 01:02:00,240

to do it every other day i mean it'd be

1756

01:02:04,230 --> 01:02:02,319

great to do it every day but

1757

01:02:06,150 --> 01:02:04,240

i also have a i know

1758

01:02:08,069 --> 01:02:06,160

as a freelancer i have work coming up

1759

01:02:09,829 --> 01:02:08,079

towards the end of the month

1760

01:02:11,589 --> 01:02:09,839

and adele

1761

01:02:13,670 --> 01:02:11,599

just signed a deal at caesar's palace

1762

01:02:16,230 --> 01:02:13,680

from like january to

1763

01:02:18,549 --> 01:02:16,240

march i think it's a really long run for

1764

01:02:20,630 --> 01:02:18,559

her residency not i'm not an adele fan

1765

01:02:22,549 --> 01:02:20,640

it's not my kind of music but if i get

1766

01:02:24,950 --> 01:02:22,559

booked for that that's i think it's two

1767

01:02:26,789 --> 01:02:24,960

days a week which would be perfect

1768

01:02:28,230 --> 01:02:26,799

five days this

1769

01:02:30,150 --> 01:02:28,240

two days that

1770

01:02:31,829 --> 01:02:30,160

so i will try to do this

1771

01:02:33,349 --> 01:02:31,839

every couple of days if i get into a

1772

01:02:34,390 --> 01:02:33,359

rhythm and a pattern i could try to do

1773

01:02:36,069 --> 01:02:34,400

it every night

1774

01:02:38,630 --> 01:02:36,079

but not this late i will not do it this

1775

01:02:40,870 --> 01:02:38,640

late this is not a good idea to slay to

1776

01:02:42,870 --> 01:02:40,880

do it this late so

1777

01:02:44,870 --> 01:02:42,880

anyway all right i'm gonna cut it off

1778

01:02:46,230 --> 01:02:44,880

thanks for the comments every all the

1779

01:02:49,029 --> 01:02:46,240

comments

1780

01:02:50,710 --> 01:02:49,039

and um

1781

01:02:52,390 --> 01:02:50,720

like i said if people like this i know

1782

01:02:53,990 --> 01:02:52,400

some of you guys are supporters on

1783

01:02:55,670 --> 01:02:54,000

patreon

1784

01:02:57,430 --> 01:02:55,680

if you want to and

1785

01:02:59,589 --> 01:02:57,440

i i i'll say this because some people

1786

01:03:01,510 --> 01:02:59,599

don't know me i don't i don't do this

1787

01:03:03,589 --> 01:03:01,520

for money but if i could make enough

1788

01:03:05,430 --> 01:03:03,599

money to pay my bills i could do it full

1789

01:03:07,270 --> 01:03:05,440

time like right now i'm doing it as much

1790

01:03:09,510 --> 01:03:07,280

as i can until the end this weekend i'm

1791

01:03:12,630 --> 01:03:09,520

working a job two days

1792

01:03:14,950 --> 01:03:12,640

and then at the end of the month but

1793

01:03:16,309 --> 01:03:14,960

if i went back to my full-time freelance

1794

01:03:18,069 --> 01:03:16,319

work i would not be able to do this i

1795

01:03:19,430 --> 01:03:18,079

just you're working 12-hour days you

1796

01:03:21,670 --> 01:03:19,440

just can't do it so i would just

1797

01:03:23,349 --> 01:03:21,680

disappear and people if people don't

1798

01:03:25,270 --> 01:03:23,359

care that's fine

1799

01:03:26,390 --> 01:03:25,280

if people want it and they do want it

1800

01:03:28,150 --> 01:03:26,400

and they want me to keep doing this as

1801
01:03:31,270 --> 01:03:28,160
much as i can i'll still have to work a

1802
01:03:32,870 --> 01:03:31,280
little bit you know to pay the bills

1803
01:03:34,230 --> 01:03:32,880
um but

1804
01:03:35,990 --> 01:03:34,240
there's my

1805
01:03:38,630 --> 01:03:36,000
my blog

1806
01:03:40,870 --> 01:03:38,640
and that's my twitter

1807
01:03:42,829 --> 01:03:40,880
and let me let me put

1808
01:03:47,910 --> 01:03:42,839
back to the top of my

1809
01:03:53,510 --> 01:03:49,349
and

1810
01:03:57,270 --> 01:03:55,029
paypal

1811
01:03:59,190 --> 01:03:57,280
and i do i need to see i can't turn this

1812
01:04:00,950 --> 01:03:59,200
into audio i would like to turn these

1813
01:04:03,029 --> 01:04:00,960

into audio the interviews but this you

1814

01:04:04,789 --> 01:04:03,039

need visuals i think well of course

1815

01:04:06,150 --> 01:04:04,799

there's audio it's great to have the

1816

01:04:08,470 --> 01:04:06,160

it's great to be able to put audio from

1817

01:04:09,430 --> 01:04:08,480

twitter which is really cool

1818

01:04:11,670 --> 01:04:09,440

um

1819

01:04:14,150 --> 01:04:11,680

venmo

1820

01:04:15,829 --> 01:04:14,160

an hour so we did an hour so an hour is

1821

01:04:18,950 --> 01:04:15,839

pretty good and i don't it's actually we

1822

01:04:21,029 --> 01:04:18,960

can do twitter slash q a which is great

1823

01:04:22,789 --> 01:04:21,039

because i like q a it's my favorite

1824

01:04:24,549 --> 01:04:22,799

thing to do

1825

01:04:26,870 --> 01:04:24,559

i'm waiting for somebody really somebody

1826
01:04:28,789 --> 01:04:26,880
who i've battled on twitter to come on

1827
01:04:32,069 --> 01:04:28,799
here

1828
01:04:35,670 --> 01:04:34,390
it's a different it's a different

1829
01:04:37,430 --> 01:04:35,680
thing when you're

1830
01:04:38,950 --> 01:04:37,440
debating somebody on social media versus

1831
01:04:41,829 --> 01:04:38,960
them being right in front of you whether

1832
01:04:43,750 --> 01:04:41,839
it's video or audio or even in the chat

1833
01:04:45,670 --> 01:04:43,760
like michael huntington we used to we'd

1834
01:04:47,029 --> 01:04:45,680
go at it on twitter but when he's in the

1835
01:04:48,069 --> 01:04:47,039
chat he would ask questions i'm like

1836
01:04:50,150 --> 01:04:48,079
okay

1837
01:04:52,870 --> 01:04:50,160
i don't agree with your question the

1838
01:04:55,109 --> 01:04:52,880

answer but let's take it on

1839

01:04:56,630 --> 01:04:55,119

yeah twitter audio was good

1840

01:04:58,069 --> 01:04:56,640

david so anyway i'm gonna cut it off

1841

01:05:00,789 --> 01:04:58,079

i'll see you guys

1842

01:05:03,589 --> 01:05:00,799

maybe tomorrow i don't work until friday

1843

01:05:05,349 --> 01:05:03,599

and saturday a boxing event

1844

01:05:07,349 --> 01:05:05,359

so up i could do one more yeah i could

1845

01:05:09,829 --> 01:05:07,359

do one more tomorrow and then that's it
