Moreover, reports from multiple highly credible observers of mysterious, "intelligently controlled" craft exhibiting extraordinary technologies

date back to the 1940s. With noteworthy parallels to recent intelligence assessments, declassified government analyses from 1947 to 1952 suggested extraordinary explanations for the most compelling UFO encounters.

But after Cold War national security fears sparked seven decades of government obfuscation, derision and belittling of UFO reporting, Elizondo is "not convinced [that] burying this [issue] in the deep, dark bowels of the Pentagon under an intelligence organization is the best way to shed light on a topic that needs a whole-of-government approach."

1  
00:00:07,430 --> 00:00:05,670  
all right i didn't expect to go live so

2  
00:00:10,950 --> 00:00:07,440  
quickly

3  
00:00:13,669 --> 00:00:10,960  
after last night but this morning

4  
00:00:15,829 --> 00:00:13,679  
was filled with ufo news

5  
00:00:18,390 --> 00:00:15,839  
so i'm gonna go over some tweets and a

6  
00:00:20,790 --> 00:00:18,400  
few videos

7  
00:00:24,630 --> 00:00:23,189  
i think there's definitely enough to

8  
00:00:26,230 --> 00:00:24,640  
talk about

9  
00:00:28,710 --> 00:00:26,240  
to warrant

10  
00:00:32,069 --> 00:00:28,720  
going live

11  
00:00:33,430 --> 00:00:32,079  
as of now i have zero viewers and i did

12  
00:00:34,549 --> 00:00:33,440  
not promote this but that's usually how

13  
00:00:35,910 --> 00:00:34,559

it's going to be

14

00:00:37,430 --> 00:00:35,920

if i think i have enough information

15

00:00:39,990 --> 00:00:37,440

i'll go live and if people want to watch

16

00:00:42,709 --> 00:00:40,000

it later they can

17

00:00:46,709 --> 00:00:45,510

in the meantime

18

00:00:50,150 --> 00:00:46,719

as we have

19

00:00:52,310 --> 00:00:50,160

two viewers now

20

00:00:54,549 --> 00:00:52,320

i will do this at the beginning and end

21

00:00:56,389 --> 00:00:54,559

and if you guys

22

00:00:58,709 --> 00:00:56,399

if you guys like this you want to show

23

00:01:00,150 --> 00:00:58,719

your support it would

24

00:01:02,150 --> 00:01:00,160

really help

25

00:01:03,349 --> 00:01:02,160

um

26

00:01:06,469 --> 00:01:03,359

and i will just go through that so

27

00:01:08,149 --> 00:01:06,479

that's patreon patreon is

28

00:01:11,030 --> 00:01:08,159

i like patreon uh there's supposedly

29

00:01:13,030 --> 00:01:11,040

something else which i do not know about

30

00:01:14,230 --> 00:01:13,040

sub stacked but i'm not really familiar

31

00:01:15,350 --> 00:01:14,240

with it

32

00:01:17,350 --> 00:01:15,360

um

33

00:01:18,630 --> 00:01:17,360

venmo

34

00:01:23,990 --> 00:01:18,640

and

35

00:01:27,749 --> 00:01:24,000

i think this is my first tweet from this

36

00:01:30,390 --> 00:01:27,759

morning and i can actually sense

37

00:01:32,550 --> 00:01:30,400

let's see is that better that's better

38

00:01:33,670 --> 00:01:32,560

i actually

39

00:01:35,190 --> 00:01:33,680

have my

40

00:01:37,830 --> 00:01:35,200

lockdown hair

41

00:01:41,109 --> 00:01:37,840

under control

42

00:01:42,230 --> 00:01:41,119

and alexander is here you are my

43

00:01:43,830 --> 00:01:42,240

only

44

00:01:45,270 --> 00:01:43,840

chat audience i know there are other

45

00:01:46,710 --> 00:01:45,280

people here so i'm going to i'm going to

46

00:01:48,230 --> 00:01:46,720

go over

47

00:01:49,510 --> 00:01:48,240

some of the stuff because there's a lot

48

00:01:52,069 --> 00:01:49,520

to talk about

49

00:01:55,910 --> 00:01:52,079

um so

50

00:01:57,429 --> 00:01:55,920

i had a message early from mariek

51  
00:02:00,310 --> 00:01:57,439  
and i don't know how to pronounce

52  
00:02:04,870 --> 00:02:03,429  
it is marieke

53  
00:02:06,709 --> 00:02:04,880  
it's on the

54  
00:02:08,869 --> 00:02:06,719  
let me pull up his article

55  
00:02:10,949 --> 00:02:08,879  
so i'll just read from his article i

56  
00:02:13,030 --> 00:02:10,959  
quoted his i quoted his article in my

57  
00:02:15,430 --> 00:02:13,040  
tweets but let me just pull up the

58  
00:02:17,910 --> 00:02:15,440  
actual article from the hill he's been

59  
00:02:19,910 --> 00:02:17,920  
writing articles uh op-ed pieces in the

60  
00:02:21,510 --> 00:02:19,920  
in the hill for the last i don't know if

61  
00:02:23,589 --> 00:02:21,520  
it's over a year but there's been real

62  
00:02:26,309 --> 00:02:23,599  
some really great articles over the past

63  
00:02:28,070 --> 00:02:26,319

couple of months let me find let me find

64

00:02:30,550 --> 00:02:28,080

his actual article i'm going to read

65

00:02:33,190 --> 00:02:30,560

from it and i'll comment it i'll comment

66

00:02:36,949 --> 00:02:33,200

on it as we go along

67

00:02:40,550 --> 00:02:36,959

and it was ex officials here we go

68

00:02:42,390 --> 00:02:40,560

all right let me pull it up full screen

69

00:02:43,990 --> 00:02:42,400

so this was this morning

70

00:02:45,270 --> 00:02:44,000

this afternoon

71

00:02:48,949 --> 00:02:45,280

first thing i saw when i woke up and

72

00:02:48,959 --> 00:02:52,710

all right so

73

00:02:58,790 --> 00:02:55,990

start out let me get rid of fouchy

74

00:03:01,509 --> 00:02:58,800

make it a little bigger

75

00:03:04,630 --> 00:03:01,519

he starts out

76

00:03:07,509 --> 00:03:04,640

hey david david haith yeah david has

77

00:03:13,509 --> 00:03:07,519

been uh i've known david for

78

00:03:18,710 --> 00:03:14,790

really

79

00:03:21,030 --> 00:03:18,720

a lot of things i find out through him

80

00:03:23,190 --> 00:03:21,040

he's in the chat right now um and i

81

00:03:24,949 --> 00:03:23,200

actually i want to read one of his

82

00:03:26,470 --> 00:03:24,959

private messages because he summarized

83

00:03:28,949 --> 00:03:26,480

something and i didn't get to copy and

84

00:03:30,070 --> 00:03:28,959

paste it so i got to figure out

85

00:03:32,309 --> 00:03:30,080

how to i don't want to put all those

86

00:03:34,229 --> 00:03:32,319

private messages on there because he has

87

00:03:36,390 --> 00:03:34,239

very risque photos of himself up there

88

00:03:39,589 --> 00:03:36,400

and i do not want people to see that so

89

00:03:44,789 --> 00:03:42,309

hello edward picks drew and david all

90

00:03:47,350 --> 00:03:44,799

right here we go so this is mariek

91

00:03:49,350 --> 00:03:47,360

uh according to two department

92

00:03:52,229 --> 00:03:49,360

former department of defense officials

93

00:03:54,630 --> 00:03:52,239

the pentagon office recently tasked with

94

00:03:56,949 --> 00:03:54,640

assessing you know what

95

00:04:01,910 --> 00:03:56,959

what a bad way to start i have to get a

96

00:04:04,309 --> 00:04:01,920

drink otherwise i'm gonna run out of

97

00:04:08,550 --> 00:04:04,319

not energy but hey hey

98

00:04:10,390 --> 00:04:08,560

hey stop sorry i'm talking to the dog

99

00:04:12,830 --> 00:04:10,400

talking to the dog i'm not talking to

100

00:04:15,830 --> 00:04:12,840

myself sorry one

101  
00:04:22,310 --> 00:04:15,840  
second come here

102  
00:04:30,950 --> 00:04:26,310  
this is the sweetest dog

103  
00:04:33,670 --> 00:04:30,960  
i just yeah sorry

104  
00:04:35,909 --> 00:04:33,680  
this is the guy who causes me problems

105  
00:04:37,749 --> 00:04:35,919  
see how happy he is see how happy he is

106  
00:04:39,270 --> 00:04:37,759  
this is cookie he's been on before he

107  
00:04:40,790 --> 00:04:39,280  
destroys his paw

108  
00:04:42,390 --> 00:04:40,800  
so he had to be taped up and he pretends

109  
00:04:46,310 --> 00:04:42,400  
like he's gonna bite you and he does

110  
00:04:47,270 --> 00:04:46,320  
that stuff see isn't that great

111  
00:04:49,510 --> 00:04:47,280  
so

112  
00:04:51,909 --> 00:04:49,520  
i'll get back to reading full screen as

113  
00:04:53,590 --> 00:04:51,919

cookie goes down

114

00:04:55,110 --> 00:04:53,600

all right go way down

115

00:04:57,670 --> 00:04:55,120

be good

116

00:04:59,590 --> 00:04:57,680

lay down come here

117

00:05:04,230 --> 00:04:59,600

sorry guys he is

118

00:05:09,029 --> 00:05:05,909

yeah

119

00:05:10,390 --> 00:05:09,039

he acts like cujo

120

00:05:12,790 --> 00:05:10,400

that's the problem with going live i am

121

00:05:14,390 --> 00:05:12,800

by myself here and i have to make sure

122

00:05:15,990 --> 00:05:14,400

he's not by himself because he just

123

00:05:20,710 --> 00:05:16,000

tears himself up

124

00:05:22,790 --> 00:05:20,720

get off of there get out of there go go

125

00:05:35,270 --> 00:05:22,800

go

126  
00:05:39,670 --> 00:05:36,870  
according to two department of defense

127  
00:05:41,830 --> 00:05:39,680  
officials the pentagon office recently

128  
00:05:43,189 --> 00:05:41,840  
tasked with assessing u.s military

129  
00:05:45,830 --> 00:05:43,199  
encounters

130  
00:05:47,909 --> 00:05:45,840  
with unidentified flying objects is

131  
00:05:50,950 --> 00:05:47,919  
woefully ill-equipped and improperly

132  
00:05:53,990 --> 00:05:50,960  
staffed to tackle its new mission

133  
00:05:59,029 --> 00:05:57,110  
moreover moreover the initiative

134  
00:06:00,469 --> 00:05:59,039  
threatens to derail a congressional

135  
00:06:03,189 --> 00:06:00,479  
proposal that would mandate

136  
00:06:04,950 --> 00:06:03,199  
unprecedented government transparency

137  
00:06:07,670 --> 00:06:04,960  
on ufos

138  
00:06:09,189 --> 00:06:07,680

so basically it's just saying

139

00:06:11,189 --> 00:06:09,199

the

140

00:06:13,749 --> 00:06:11,199

a o i

141

00:06:15,749 --> 00:06:13,759

m s g the the pentagon office that

142

00:06:17,430 --> 00:06:15,759

they're talking about would undermine

143

00:06:19,990 --> 00:06:17,440

the gillibrand

144

00:06:22,309 --> 00:06:20,000

rubio amendment which is something we're

145

00:06:24,950 --> 00:06:22,319

really hoping passes

146

00:06:26,469 --> 00:06:24,960

in an interview luis elizano luis

147

00:06:27,909 --> 00:06:26,479

elizondo and this was an interview

148

00:06:29,830 --> 00:06:27,919

conducted on

149

00:06:31,830 --> 00:06:29,840

saturday with elizondo according to

150

00:06:33,990 --> 00:06:31,840

merrick i i i asked him when the

151  
00:06:37,029 --> 00:06:34,000  
interview was done he said saturday so

152  
00:06:39,029 --> 00:06:37,039  
elizondo gave him these quotes

153  
00:06:41,110 --> 00:06:39,039  
five days ago saturday sunday morning

154  
00:06:44,710 --> 00:06:41,120  
four days ago in an interview luis

155  
00:06:46,830 --> 00:06:44,720  
elisdondo the former head of an informal

156  
00:06:48,469 --> 00:06:46,840  
dod unit that

157  
00:06:50,870 --> 00:06:48,479  
assessed

158  
00:06:53,110 --> 00:06:50,880  
military ufo reports

159  
00:06:54,950 --> 00:06:53,120  
told me he had deep reservations about

160  
00:06:56,150 --> 00:06:54,960  
the office of the under secretary of

161  
00:06:58,390 --> 00:06:56,160  
defense

162  
00:07:00,230 --> 00:06:58,400  
for intelligence and security

163  
00:07:02,790 --> 00:07:00,240

leading a government effort to

164

00:07:03,909 --> 00:07:02,800

investigate the ufo phenomenon

165

00:07:06,870 --> 00:07:03,919

right off the bat i'm sure people are

166

00:07:09,909 --> 00:07:06,880

going to say wait a second

167

00:07:11,749 --> 00:07:09,919

informal dod unit

168

00:07:13,749 --> 00:07:11,759

whether it's informal or formal they

169

00:07:14,790 --> 00:07:13,759

studied ufos okay i don't know every

170

00:07:16,790 --> 00:07:14,800

detail

171

00:07:18,309 --> 00:07:16,800

as i said last night and other nights

172

00:07:20,469 --> 00:07:18,319

lou said they had funding we just don't

173

00:07:22,230 --> 00:07:20,479

know where that funding came from as of

174

00:07:23,990 --> 00:07:22,240

this time

175

00:07:26,230 --> 00:07:24,000

people want to get into every little

176

00:07:27,990 --> 00:07:26,240

detail that's fine but to undermine lou

177

00:07:29,749 --> 00:07:28,000

i think that's a mistake because between

178

00:07:31,749 --> 00:07:29,759

lou and melon that's why we're here i'm

179

00:07:33,749 --> 00:07:31,759

even before without those guys i'm not

180

00:07:34,790 --> 00:07:33,759

even i'm not even doing this right now

181

00:07:41,430 --> 00:07:34,800

so

182

00:07:44,469 --> 00:07:43,110

okay

183

00:07:45,990 --> 00:07:44,479

i see the comments but i want to keep

184

00:07:50,790 --> 00:07:46,000

going

185

00:07:54,390 --> 00:07:52,790

according to ella's on though

186

00:07:57,430 --> 00:07:54,400

ufos are quote

187

00:07:59,510 --> 00:07:57,440

not solely an intelligence issue

188

00:08:00,550 --> 00:07:59,520

if we want 70 more years of secrecy on

189

00:08:01,629 --> 00:08:00,560

this topic

190

00:08:03,909 --> 00:08:01,639

then

191

00:08:05,830 --> 00:08:03,919

o-u-o-u-s-d-i and s is the perfect place

192

00:08:07,589 --> 00:08:05,840

to put it they've had four years so far

193

00:08:09,830 --> 00:08:07,599

we have little in the way of efforts

194

00:08:11,189 --> 00:08:09,840

servicing the public public interest this

195

00:08:12,869 --> 00:08:11,199

goes along with what he was saying in

196

00:08:14,950 --> 00:08:12,879

his tweets but it's nice to see in the

197

00:08:16,390 --> 00:08:14,960

hill um obviously i'd rather see it in

198

00:08:18,950 --> 00:08:16,400

the new york times or the washington

199

00:08:20,309 --> 00:08:18,960

post no offense to the hill or marik

200

00:08:21,909 --> 00:08:20,319

um

201  
00:08:23,670 --> 00:08:21,919  
it doesn't have as much punch but it's

202  
00:08:25,270 --> 00:08:23,680  
out there so

203  
00:08:27,909 --> 00:08:25,280  
and we have more stuff going on later on

204  
00:08:29,270 --> 00:08:27,919  
that we can we can i can show you

205  
00:08:31,270 --> 00:08:29,280  
if you've been on twitter today this is

206  
00:08:33,509 --> 00:08:31,280  
not going to be new to you

207  
00:08:35,509 --> 00:08:33,519  
referring to pending legislation drafted

208  
00:08:37,909 --> 00:08:35,519  
by senator kirsten gilbrand that would

209  
00:08:39,670 --> 00:08:37,919  
mandate unclassified reporting on ufos

210  
00:08:42,070 --> 00:08:39,680  
and revolutionize the government study

211  
00:08:44,470 --> 00:08:42,080  
of the phenomena elizondo believes that

212  
00:08:46,150 --> 00:08:44,480  
quote if we want meaningful change and

213  
00:08:49,190 --> 00:08:46,160

transparency then we should keep the

214

00:08:53,630 --> 00:08:49,200

spirit of the gillibrand amendment

215

00:08:56,310 --> 00:08:53,640

christopher mellon who ran ousdi and as

216

00:08:57,670 --> 00:08:56,320

ousdi's predecessor organization during

217

00:08:59,430 --> 00:08:57,680

the clinton and george w bush

218

00:09:01,750 --> 00:08:59,440

administrations echoed elizondo's

219

00:09:04,389 --> 00:09:01,760

concerned uh concerns and this is from

220

00:09:06,829 --> 00:09:04,399

elizondo's uh letter to senator not

221

00:09:09,030 --> 00:09:06,839

senator congressman ruben gallego out of

222

00:09:11,750 --> 00:09:09,040

arizona he wrote a letter to him and he

223

00:09:14,150 --> 00:09:11,760

put it on his on his blog on his website

224

00:09:18,790 --> 00:09:14,160

so that's what marik is quoting from

225

00:09:20,550 --> 00:09:18,800

melon expressed shock that ousdi

226

00:09:23,430 --> 00:09:20,560

is taking on a permanent mission to

227

00:09:26,790 --> 00:09:23,440

analyze ufo encounters as mellon notes

228

00:09:28,790 --> 00:09:26,800

his former office is an oversight versus

229

00:09:29,829 --> 00:09:28,800

an operational organization with no

230

00:09:32,310 --> 00:09:29,839

relevant

231

00:09:34,470 --> 00:09:32,320

funding line authority contracting

232

00:09:36,389 --> 00:09:34,480

command or technical capabilities to

233

00:09:39,350 --> 00:09:36,399

execute the kind of robust ufo

234

00:09:41,829 --> 00:09:39,360

investigations gillibrand's bipartisan

235

00:09:43,829 --> 00:09:41,839

legislation demands

236

00:09:46,310 --> 00:09:43,839

um i'll stop if there's anything you

237

00:09:52,630 --> 00:09:46,320

guys have to say hey tom good to see you

238

00:09:56,790 --> 00:09:54,949

hi aleister

239

00:09:59,350 --> 00:09:56,800

good to see you the hill yeah the hill

240

00:10:00,550 --> 00:09:59,360

mariek has been great with these op-eds

241

00:10:02,550 --> 00:10:00,560

um

242

00:10:03,990 --> 00:10:02,560

so hopefully it's kind of i'm surprised

243

00:10:06,069 --> 00:10:04,000

we haven't gotten more of this report

244

00:10:08,470 --> 00:10:06,079

i'm not shocked but i'm surprised since

245

00:10:10,389 --> 00:10:08,480

they jumped on the bandwagon in 2017 and

246

00:10:12,310 --> 00:10:10,399

along the way more people haven't

247

00:10:14,949 --> 00:10:12,320

reported on this but that's that's just

248

00:10:18,069 --> 00:10:16,310

so

249

00:10:20,069 --> 00:10:18,079

like elizondo melon believes the

250

00:10:23,110 --> 00:10:20,079

inability of i don't want to have to

251

00:10:25,030 --> 00:10:23,120

keep saying oh usdi but uh

252

00:10:27,350 --> 00:10:25,040

so the office of the under secretary of

253

00:10:29,509 --> 00:10:27,360

defense to engage effectively on the ufo

254

00:10:32,230 --> 00:10:29,519

issue is why so little has changed or

255

00:10:35,110 --> 00:10:32,240

been accomplished since 2004 mellon's

256

00:10:37,110 --> 00:10:35,120

reference to 2004 is not accidental that

257

00:10:39,110 --> 00:10:37,120

november four naval aviators observed

258

00:10:40,550 --> 00:10:39,120

the mysterious flying object so he's

259

00:10:42,550 --> 00:10:40,560

talking about the tic tac i'm not going

260

00:10:44,870 --> 00:10:42,560

to read everything

261

00:10:49,350 --> 00:10:44,880

that's why melon referred to 2004

262

00:10:53,590 --> 00:10:51,670

intelligence analyses of the encounter

263

00:10:55,430 --> 00:10:53,600

ruled out highly advanced chinese or

264

00:10:57,509 --> 00:10:55,440

russian aircraft for plausible

265

00:10:59,030 --> 00:10:57,519

explanations for their part the aviators

266

00:11:00,949 --> 00:10:59,040

who observe the object believe that it

267

00:11:02,630 --> 00:11:00,959

was not from this world and i've said

268

00:11:04,389 --> 00:11:02,640

before

269

00:11:05,750 --> 00:11:04,399

that's not irrelevant that they don't

270

00:11:08,230 --> 00:11:05,760

think it's from this world but that

271

00:11:10,230 --> 00:11:08,240

that's not the be all end-all and as far

272

00:11:12,389 --> 00:11:10,240

as the possibility that it's black

273

00:11:14,550 --> 00:11:12,399

technology i don't put the possibility

274

00:11:17,269 --> 00:11:14,560

of black technology high on the list

275

00:11:19,670 --> 00:11:17,279

it's on my list it's a very small list

276

00:11:21,190 --> 00:11:19,680

i think it was if i had somebody said

277

00:11:23,670 --> 00:11:21,200

you need to bet i'm like all right i

278

00:11:25,269 --> 00:11:23,680

would bet it's not human technology but

279

00:11:26,470 --> 00:11:25,279

i still leave open the door for black

280

00:11:28,230 --> 00:11:26,480

technology

281

00:11:30,230 --> 00:11:28,240

but the fact that david for commander

282

00:11:32,389 --> 00:11:30,240

david framer said he didn't think it was

283

00:11:34,949 --> 00:11:32,399

from this world unless he's read into

284

00:11:36,710 --> 00:11:34,959

every program that we have

285

00:11:38,870 --> 00:11:36,720

it doesn't mean really mean as much if

286

00:11:40,470 --> 00:11:38,880

luis elizondo who has

287

00:11:42,710 --> 00:11:40,480

according to himself been right into a

288

00:11:44,389 --> 00:11:42,720

lot of programs says that that's another

289

00:11:50,870 --> 00:11:44,399

story so i give i give lou's opinion

290

00:11:54,710 --> 00:11:52,710

i agree tom it's important that the hill

291

00:11:56,230 --> 00:11:54,720

had it the hill's been doing great work

292

00:11:57,990 --> 00:11:56,240

i still would rather see the new york

293

00:11:59,750 --> 00:11:58,000

times and or the washington post or the

294

00:12:01,590 --> 00:11:59,760

wall street journal but

295

00:12:04,230 --> 00:12:01,600

we take what we can get for now

296

00:12:06,069 --> 00:12:04,240

the 2004 incident was not an isolated

297

00:12:07,509 --> 00:12:06,079

event in recent years military personnel

298

00:12:09,509 --> 00:12:07,519

briefed members of congress and spoke

299

00:12:11,350 --> 00:12:09,519

publicly about encounters involving

300

00:12:13,829 --> 00:12:11,360

unidentified objects operating with

301  
00:12:15,990 --> 00:12:13,839  
apparent impunity in sensitive airspace

302  
00:12:18,069 --> 00:12:16,000  
moreover reports from multiple highly

303  
00:12:19,670 --> 00:12:18,079  
credible observers of mysterious

304  
00:12:22,230 --> 00:12:19,680  
intelligently controlled craft

305  
00:12:24,790 --> 00:12:22,240  
exhibiting extraordinary technologies

306  
00:12:27,350 --> 00:12:24,800  
date back to the 1940s it's it's

307  
00:12:29,670 --> 00:12:27,360  
important when you read his articles he

308  
00:12:31,750 --> 00:12:29,680  
links back to older articles important

309  
00:12:34,310 --> 00:12:31,760  
pieces of information that show the

310  
00:12:35,990 --> 00:12:34,320  
origin of these reports going way back

311  
00:12:37,750 --> 00:12:36,000  
and that's what's so so great about his

312  
00:12:39,670 --> 00:12:37,760  
articles you won't see that in a lot of

313  
00:12:42,069 --> 00:12:39,680

articles but he goes out of his way to

314

00:12:43,750 --> 00:12:42,079

put really important links to really

315

00:12:44,550 --> 00:12:43,760

important information if people who are

316

00:12:47,030 --> 00:12:44,560

new

317

00:12:49,190 --> 00:12:47,040

this

318

00:12:51,110 --> 00:12:49,200

those links will help a lot

319

00:12:52,949 --> 00:12:51,120

with noteworthy parallels to recent

320

00:12:56,470 --> 00:12:52,959

intelligence assessments declassified

321

00:12:58,470 --> 00:12:56,480

government analyses from 1947 to 1952

322

00:13:03,430 --> 00:12:58,480

suggested extraordinary explanations for

323

00:13:07,509 --> 00:13:05,509

but after cold war national national

324

00:13:10,629 --> 00:13:07,519

security fears sparked seven decades of

325

00:13:13,750 --> 00:13:10,639

government obfuscation derision and

326

00:13:15,990 --> 00:13:13,760

belittling of ufo reporting elizondo is

327

00:13:18,550 --> 00:13:16,000

not convinced that burying this issue in

328

00:13:21,269 --> 00:13:18,560

the deep dark bowels of the pentagon

329

00:13:23,190 --> 00:13:21,279

under an intelligence organization

330

00:13:25,750 --> 00:13:23,200

is the best way to shed light on a topic

331

00:13:28,150 --> 00:13:25,760

that needs a whole of government

332

00:13:29,190 --> 00:13:28,160

approach

333

00:13:30,389 --> 00:13:29,200

and

334

00:13:32,470 --> 00:13:30,399

by the way a lot of people there are

335

00:13:34,629 --> 00:13:32,480

people who just listen to my youtube

336

00:13:36,150 --> 00:13:34,639

stuff so it's kind of like driving along

337

00:13:37,670 --> 00:13:36,160

with my voice so

338

00:13:39,269 --> 00:13:37,680

i know for some people it's boring to

339

00:13:41,910 --> 00:13:39,279

read an article that you've already read

340

00:13:43,350 --> 00:13:41,920

so i understand if you tune out

341

00:13:45,030 --> 00:13:43,360

but i definitely want to i want to read

342

00:13:46,870 --> 00:13:45,040

it for those folks and

343

00:13:48,470 --> 00:13:46,880

i will definitely jump in and offer

344

00:13:50,230 --> 00:13:48,480

opinions and i'm looking

345

00:13:51,990 --> 00:13:50,240

i'm looking at comments as i'm reading

346

00:13:53,910 --> 00:13:52,000

too

347

00:13:55,350 --> 00:13:53,920

depending uh tom says the pentagon is

348

00:13:57,110 --> 00:13:55,360

going to fight the gillibrand amendment

349

00:13:59,189 --> 00:13:57,120

tooth and nail yeah and it's going to be

350

00:14:00,069 --> 00:13:59,199

up to congress how strong they can fight

351  
00:14:00,870 --> 00:14:00,079  
back

352  
00:14:03,430 --> 00:14:00,880  
um

353  
00:14:04,550 --> 00:14:03,440  
that's what it's gonna come down to that

354  
00:14:06,230 --> 00:14:04,560  
and there are there are people

355  
00:14:07,590 --> 00:14:06,240  
supporting the gillibrand rubio

356  
00:14:09,990 --> 00:14:07,600  
amendment but

357  
00:14:11,910 --> 00:14:10,000  
it needs to be a lot of people

358  
00:14:14,069 --> 00:14:11,920  
they need to push hard and it's not a

359  
00:14:17,030 --> 00:14:14,079  
done deal yet i mean it should pass

360  
00:14:19,030 --> 00:14:17,040  
according to douglas dean johnson who

361  
00:14:20,710 --> 00:14:19,040  
covers he's very familiar with

362  
00:14:22,470 --> 00:14:20,720  
washington he says

363  
00:14:23,990 --> 00:14:22,480

he thinks it will make it in there but

364

00:14:25,590 --> 00:14:24,000

the question is how much of it will make

365

00:14:27,590 --> 00:14:25,600

it in there you know we need to have

366

00:14:29,590 --> 00:14:27,600

health related effects

367

00:14:31,670 --> 00:14:29,600

crash retrievals the really the stuff

368

00:14:34,790 --> 00:14:31,680

that really made it made us excited when

369

00:14:34,800 --> 00:14:37,990

so

370

00:14:42,790 --> 00:14:41,189

liking the ufo problem to climate change

371

00:14:45,030 --> 00:14:42,800

where the government brought people in

372

00:14:47,509 --> 00:14:45,040

from the outside to serve in an advisory

373

00:14:49,509 --> 00:14:47,519

role and capacity

374

00:14:50,870 --> 00:14:49,519

did lou actually compare it to climate

375

00:14:52,550 --> 00:14:50,880

change because there are i remember a

376

00:14:53,750 --> 00:14:52,560

recent interview i'm pretty sure

377

00:14:54,870 --> 00:14:53,760

somebody said

378

00:14:56,949 --> 00:14:54,880

do you think there's any connection

379

00:14:59,670 --> 00:14:56,959

between uap and climate change and i

380

00:15:01,590 --> 00:14:59,680

think that the person was trying to say

381

00:15:04,310 --> 00:15:01,600

since our climate is going going to hell

382

00:15:06,790 --> 00:15:04,320

and you know the environment that maybe

383

00:15:08,790 --> 00:15:06,800

whoever is behind the ufos is upping

384

00:15:10,790 --> 00:15:08,800

their game making themselves more you

385

00:15:12,550 --> 00:15:10,800

know more obvious and that's why they're

386

00:15:14,069 --> 00:15:12,560

showing up more but lou said no as far

387

00:15:15,590 --> 00:15:14,079

as i know

388

00:15:17,269 --> 00:15:15,600

there's no connection but in this and

389

00:15:19,189 --> 00:15:17,279

this is not the same exact thing he's

390

00:15:20,949 --> 00:15:19,199

just saying as far as handling the

391

00:15:23,030 --> 00:15:20,959

problem we should tackle it the way we

392

00:15:24,949 --> 00:15:23,040

would handle climate change

393

00:15:26,389 --> 00:15:24,959

he says

394

00:15:28,550 --> 00:15:26,399

you know we brought in people from the

395

00:15:31,030 --> 00:15:28,560

outside to serve in an inv in an

396

00:15:33,189 --> 00:15:31,040

advisory role in capacity

397

00:15:35,590 --> 00:15:33,199

elzonda believes the involvement of the

398

00:15:37,509 --> 00:15:35,600

national oceanic and atmospheric

399

00:15:38,829 --> 00:15:37,519

administration

400

00:15:41,430 --> 00:15:38,839

noaa

401  
00:15:43,430 --> 00:15:41,440  
faa academia and the scientific

402  
00:15:46,310 --> 00:15:43,440  
community as mandated by gillibrand's

403  
00:15:48,790 --> 00:15:46,320  
proposed legislation is of unc

404  
00:15:50,870 --> 00:15:48,800  
is of critical importance

405  
00:15:53,189 --> 00:15:50,880  
let's slow down

406  
00:15:55,590 --> 00:15:53,199  
according to elizondo

407  
00:15:58,470 --> 00:15:55,600  
we've had 70 years to try to figure out

408  
00:16:01,509 --> 00:15:58,480  
the ufo problem out as a government

409  
00:16:03,269 --> 00:16:01,519  
while keeping it in the halls of secrecy

410  
00:16:05,509 --> 00:16:03,279  
and we haven't come any closer to

411  
00:16:08,470 --> 00:16:05,519  
figuring it out why are we going to

412  
00:16:11,350 --> 00:16:08,480  
repeat the same mistake all over again

413  
00:16:14,389 --> 00:16:11,360

are we crazy that's the very definition

414

00:16:16,550 --> 00:16:14,399  
of insanity have we not learned

415

00:16:17,350 --> 00:16:16,560  
that's exactly i mean

416

00:16:19,430 --> 00:16:17,360  
it's

417

00:16:22,870 --> 00:16:19,440  
when people criticize lewin suggests

418

00:16:25,590 --> 00:16:22,880  
he's some sort of psyop officer come on

419

00:16:28,629 --> 00:16:25,600  
if he is he wins psyop officer of the

420

00:16:30,310 --> 00:16:28,639  
century i will make the award myself

421

00:16:31,990 --> 00:16:30,320  
while praising deputy secretary of

422

00:16:33,910 --> 00:16:32,000  
defense kathleen hicks's attention and

423

00:16:36,629 --> 00:16:33,920  
by the way

424

00:16:38,710 --> 00:16:36,639  
the person i spoke to when asked i asked

425

00:16:39,910 --> 00:16:38,720  
one person about this

426

00:16:44,870 --> 00:16:39,920

ao

427

00:16:46,629 --> 00:16:44,880

intentionally trying to cut the legs out

428

00:16:47,990 --> 00:16:46,639

from gillibrand rubio like it wasn't

429

00:16:50,150 --> 00:16:48,000

something nefarious that's what the

430

00:16:51,590 --> 00:16:50,160

person told me but it's still you know

431

00:16:53,030 --> 00:16:51,600

you're basically still ignoring that

432

00:16:55,269 --> 00:16:53,040

legislation so i don't know if she was

433

00:16:56,949 --> 00:16:55,279

just following orders but lou says he

434

00:16:59,269 --> 00:16:56,959

praises her he says

435

00:17:00,949 --> 00:16:59,279

praises her attention to the ufo issue

436

00:17:03,269 --> 00:17:00,959

uh but he expressed concern that hicks

437

00:17:05,270 --> 00:17:03,279

is being hoodwinked by certain elements

438

00:17:07,029 --> 00:17:05,280

and members of her own staff so she

439

00:17:08,230 --> 00:17:07,039

probably doesn't really realize what's

440

00:17:08,949 --> 00:17:08,240

going on

441

00:17:10,549 --> 00:17:08,959

but

442

00:17:12,309 --> 00:17:10,559

after all this is in the news hopefully

443

00:17:14,230 --> 00:17:12,319

she starts paying attention

444

00:17:15,669 --> 00:17:14,240

according to elizondo if hicks had the

445

00:17:17,270 --> 00:17:15,679

complete picture

446

00:17:19,750 --> 00:17:17,280

she would not have made the decision to

447

00:17:22,949 --> 00:17:19,760

place the ufo mission under the purview

448

00:17:23,829 --> 00:17:22,959

of ousdi

449

00:17:25,669 --> 00:17:23,839

um

450

00:17:27,510 --> 00:17:25,679

so let's get her

451  
00:17:29,750 --> 00:17:27,520  
is there any way to get her briefed and

452  
00:17:31,750 --> 00:17:29,760  
if there is then they should do it

453  
00:17:32,950 --> 00:17:31,760  
um thanks jade i know a lot of people

454  
00:17:43,190 --> 00:17:32,960  
are not on twitter i'm going to try to

455  
00:17:48,630 --> 00:17:46,230  
when elizondo was pressed

456  
00:17:51,669 --> 00:17:48,640  
on his reservations over o-u-s-d-i and

457  
00:17:53,669 --> 00:17:51,679  
i'm leaving out to ask it's just quicker

458  
00:17:55,350 --> 00:17:53,679  
uh his reservations over them tackling

459  
00:17:57,510 --> 00:17:55,360  
the ufo problem

460  
00:17:59,990 --> 00:17:57,520  
elizondo pointed to a combination of

461  
00:18:02,710 --> 00:18:00,000  
ineptitude moral objection to the topic

462  
00:18:05,110 --> 00:18:02,720  
and classic stigma into taboo

463  
00:18:08,230 --> 00:18:05,120

expanding on this point elizondo stated

464

00:18:10,470 --> 00:18:08,240

documentation exists that if made public

465

00:18:12,789 --> 00:18:10,480

would illustrate the sense of urgency

466

00:18:15,029 --> 00:18:12,799

and the need for a neutral unbiased and

467

00:18:16,390 --> 00:18:15,039

objective office to investigate the ufo

468

00:18:20,150 --> 00:18:16,400

phenomenon

469

00:18:22,630 --> 00:18:20,160

so document documentation exists

470

00:18:25,190 --> 00:18:22,640

what i mean

471

00:18:26,870 --> 00:18:25,200

why can't that document why can't that

472

00:18:28,310 --> 00:18:26,880

documentation be shown is it is it

473

00:18:30,230 --> 00:18:28,320

something only he was able to see

474

00:18:31,669 --> 00:18:30,240

because of his special access you know

475

00:18:35,110 --> 00:18:31,679

he was read into certain programs where

476

00:18:37,909 --> 00:18:35,120

he saw that documentation

477

00:18:39,110 --> 00:18:37,919

and if not then get somebody somebody

478

00:18:41,190 --> 00:18:39,120

get the person who has the right

479

00:18:44,150 --> 00:18:41,200

clearance to look at that documentation

480

00:18:45,669 --> 00:18:44,160

um elizondo also mentioned

481

00:18:47,110 --> 00:18:45,679

his resignation

482

00:18:48,870 --> 00:18:47,120

let me just read that one more time

483

00:18:52,070 --> 00:18:48,880

expanding on this point elizondo stated

484

00:18:53,990 --> 00:18:52,080

documentation exists that if made public

485

00:18:55,750 --> 00:18:54,000

would illustrate the sense of urgency

486

00:18:58,070 --> 00:18:55,760

and the need for a neutral unbiased

487

00:18:59,669 --> 00:18:58,080

objective office to investigate the ufo

488

00:19:01,270 --> 00:18:59,679

phenomenon

489

00:19:02,950 --> 00:19:01,280

what would i wonder what would

490

00:19:05,110 --> 00:19:02,960

illustrate the sense of urgency if this

491

00:19:07,750 --> 00:19:05,120

has been going on since

492

00:19:09,430 --> 00:19:07,760

let's say 1945 and we're talking about

493

00:19:12,230 --> 00:19:09,440

trinity that the crash that happened

494

00:19:14,070 --> 00:19:12,240

then just let's pick that date

495

00:19:16,150 --> 00:19:14,080

what's going on as far as besides

496

00:19:18,470 --> 00:19:16,160

besides an uptick in activity over the

497

00:19:20,310 --> 00:19:18,480

last couple of years i don't if i'm if

498

00:19:22,070 --> 00:19:20,320

i'm somebody in congress i'm like

499

00:19:23,990 --> 00:19:22,080

why should i act now i mean this has

500

00:19:25,590 --> 00:19:24,000

been going on for so long and really

501  
00:19:27,990 --> 00:19:25,600  
nothing has changed so i'm playing

502  
00:19:29,750 --> 00:19:28,000  
devil's advocate i'm just wondering what

503  
00:19:33,909 --> 00:19:29,760  
what would be in that documentation to

504  
00:19:38,870 --> 00:19:36,549  
i'm looking i'm looking at quotes

505  
00:19:40,230 --> 00:19:38,880  
steven bassett says the hills read is

506  
00:19:41,909 --> 00:19:40,240  
read by everybody in government so this

507  
00:19:42,950 --> 00:19:41,919  
piece should get attention that's that's

508  
00:19:44,549 --> 00:19:42,960  
great

509  
00:19:47,430 --> 00:19:44,559  
um

510  
00:19:52,710 --> 00:19:47,440  
yeah i'm i'm glad

511  
00:19:56,630 --> 00:19:54,710  
elizondo has mentioned his

512  
00:19:58,710 --> 00:19:56,640  
resignation in protest over the lack of

513  
00:20:00,789 --> 00:19:58,720

high level attention toward the issue

514

00:20:03,830 --> 00:20:00,799

saying in some cases there are

515

00:20:06,470 --> 00:20:03,840

individuals who have taken it personally

516

00:20:09,270 --> 00:20:06,480

that i left in the manner that i did and

517

00:20:11,110 --> 00:20:09,280

they want this entire topic to go away

518

00:20:14,549 --> 00:20:11,120

if that's the only reason why they want

519

00:20:16,549 --> 00:20:14,559

this topic to go away that's pretty uh i

520

00:20:18,549 --> 00:20:16,559

don't the word is but that's ridiculous

521

00:20:20,230 --> 00:20:18,559

i could see you know they think there's

522

00:20:21,990 --> 00:20:20,240

a group that thinks this is demonic you

523

00:20:24,310 --> 00:20:22,000

know we'll get to that

524

00:20:26,070 --> 00:20:24,320

um but

525

00:20:28,149 --> 00:20:26,080

they're mad over the way he left so

526  
00:20:30,549 --> 00:20:28,159  
they're gonna ignore ufos sorry that's

527  
00:20:33,110 --> 00:20:30,559  
like and i won't mention names but

528  
00:20:35,190 --> 00:20:33,120  
earlier when skinwalkers at the pentagon

529  
00:20:36,950 --> 00:20:35,200  
came out somebody said i was like why

530  
00:20:38,310 --> 00:20:36,960  
aren't you covering this they're like

531  
00:20:41,029 --> 00:20:38,320  
and i mentioned all the people that work

532  
00:20:42,549 --> 00:20:41,039  
for this organization and they said well

533  
00:20:43,830 --> 00:20:42,559  
those people really don't like you so

534  
00:20:45,830 --> 00:20:43,840  
they're probably even going to go out of

535  
00:20:46,789 --> 00:20:45,840  
the way even more to not cover it i'm

536  
00:20:48,710 --> 00:20:46,799  
like

537  
00:20:50,390 --> 00:20:48,720  
that's that's that's not professional if

538  
00:20:52,870 --> 00:20:50,400

you if if you have readers who are

539

00:20:54,470 --> 00:20:52,880

interested in the ufo subject

540

00:20:56,230 --> 00:20:54,480

you educate them and let them know

541

00:20:57,750 --> 00:20:56,240

what's going on skinwalkers at the

542

00:21:00,230 --> 00:20:57,760

pentagon is one of the most important

543

00:21:01,909 --> 00:21:00,240

books in my opinion in recent years and

544

00:21:02,630 --> 00:21:01,919

and since i've gotten into this subject

545

00:21:04,310 --> 00:21:02,640

so

546

00:21:06,230 --> 00:21:04,320

to not educate your listeners because

547

00:21:08,070 --> 00:21:06,240

they don't look because they don't like

548

00:21:10,310 --> 00:21:08,080

me that's kind of like losing well they

549

00:21:11,669 --> 00:21:10,320

were mad that i resigned improperly so

550

00:21:13,590 --> 00:21:11,679

they're not going to cover ufos they

551  
00:21:15,350 --> 00:21:13,600  
don't want anything to do with it seems

552  
00:21:17,750 --> 00:21:15,360  
very uh immature

553  
00:21:20,870 --> 00:21:17,760  
from a strategic perspective elizondo

554  
00:21:25,669 --> 00:21:23,590  
that senior ousdi staff want to focus on

555  
00:21:28,390 --> 00:21:25,679  
the threats that they can define not the

556  
00:21:31,190 --> 00:21:28,400  
threats that that are undefined

557  
00:21:33,510 --> 00:21:31,200  
according to elizondo we in the dod are

558  
00:21:35,510 --> 00:21:33,520  
very good at addressing defined threats

559  
00:21:38,230 --> 00:21:35,520  
whether it's weapons of mass destruction

560  
00:21:39,750 --> 00:21:38,240  
or terrorism or stabilization operations

561  
00:21:41,990 --> 00:21:39,760  
but when you get to something that is

562  
00:21:43,430 --> 00:21:42,000  
ill-defined where we don't know what it

563  
00:21:45,350 --> 00:21:43,440

is we don't know where it's from we

564

00:21:47,669 --> 00:21:45,360

don't know what its capabilities are we

565

00:21:49,750 --> 00:21:47,679

don't know what its intent is and we

566

00:21:51,110 --> 00:21:49,760

don't know who's behind the wheel

567

00:21:53,110 --> 00:21:51,120

that is really

568

00:21:55,430 --> 00:21:53,120

a really tough topic to tackle from a

569

00:21:58,470 --> 00:21:55,440

national security perspective but just

570

00:22:00,390 --> 00:21:58,480

because we don't know the origin of ufos

571

00:22:03,029 --> 00:22:00,400

doesn't mean we should keep burying our

572

00:22:05,510 --> 00:22:03,039

heads in the sand

573

00:22:07,510 --> 00:22:05,520

elizondo also expressed concerns over

574

00:22:09,350 --> 00:22:07,520

government transparency stating that

575

00:22:12,390 --> 00:22:09,360

there is plenty of documentation

576

00:22:16,950 --> 00:22:12,400

substantiating that certain elements

577

00:22:18,310 --> 00:22:16,960

of ousdi have not been forthcoming

578

00:22:20,470 --> 00:22:18,320

man i would love to see that those

579

00:22:22,230 --> 00:22:20,480

documents that's one of the reasons why

580

00:22:24,070 --> 00:22:22,240

there's a dod inspector general

581

00:22:26,789 --> 00:22:24,080

evaluation to determine how they are

582

00:22:30,149 --> 00:22:26,799

handling or in this case mishandling the

583

00:22:32,230 --> 00:22:30,159

ufo topic over the last four years

584

00:22:34,310 --> 00:22:32,240

i think it goes way beyond the last four

585

00:22:36,390 --> 00:22:34,320

years

586

00:22:38,549 --> 00:22:36,400

this is the same office that has bungled

587

00:22:41,430 --> 00:22:38,559

up the ufo issue so badly and has been

588

00:22:43,510 --> 00:22:41,440

telling people nothing to see here

589

00:22:45,830 --> 00:22:43,520

to include not just senior dod

590

00:22:48,390 --> 00:22:45,840

leadership but also the do department of

591

00:22:51,510 --> 00:22:48,400

defense inspector general

592

00:22:53,110 --> 00:22:51,520

and even congress

593

00:22:54,470 --> 00:22:53,120

so let me just read that one more time

594

00:22:56,149 --> 00:22:54,480

this is the same office that has bundled

595

00:22:58,149 --> 00:22:56,159

ufo issues so badly has been telling

596

00:23:00,149 --> 00:22:58,159

people nothing to see here so they've

597

00:23:01,830 --> 00:23:00,159

been telling dod leadership that they've

598

00:23:03,909 --> 00:23:01,840

been telling the dod inspector general

599

00:23:05,750 --> 00:23:03,919

that and they've been telling congress

600

00:23:07,590 --> 00:23:05,760

there's nothing

601  
00:23:09,270 --> 00:23:07,600  
related to ufos that you should care

602  
00:23:10,789 --> 00:23:09,280  
about

603  
00:23:12,789 --> 00:23:10,799  
when i talk to certain elements within

604  
00:23:15,510 --> 00:23:12,799  
congress they all say the same thing

605  
00:23:17,750 --> 00:23:15,520  
that the ousdi support has been

606  
00:23:20,070 --> 00:23:17,760  
underwhelming

607  
00:23:27,590 --> 00:23:20,080  
while noting that the

608  
00:23:29,430 --> 00:23:27,600  
patriotic civil servants in ous o usdi

609  
00:23:31,350 --> 00:23:29,440  
elizondo believes that certain senior

610  
00:23:33,029 --> 00:23:31,360  
leaders in the office are operating in a

611  
00:23:34,549 --> 00:23:33,039  
manner that is not consistent with

612  
00:23:37,110 --> 00:23:34,559  
agenda that congress has for the

613  
00:23:38,710 --> 00:23:37,120

american people not consistent with the

614

00:23:41,029 --> 00:23:38,720

agenda that congress has for the

615

00:23:44,070 --> 00:23:41,039

american people so

616

00:23:46,549 --> 00:23:44,080

moreover elizondo believes that these

617

00:23:48,870 --> 00:23:46,559

career ousdi officials do not want the

618

00:23:50,630 --> 00:23:48,880

ufo issue going public because

619

00:23:53,110 --> 00:23:50,640

then they're going to have to unwind the

620

00:23:55,110 --> 00:23:53,120

tape and admit to a lot of people that

621

00:23:56,470 --> 00:23:55,120

they have not been telling the truth on

622

00:23:58,630 --> 00:23:56,480

this topic

623

00:24:01,990 --> 00:23:58,640

in other words they've been lying to us

624

00:24:03,909 --> 00:24:02,000

for a long time a small group of people

625

00:24:05,909 --> 00:24:03,919

referring in part to sudden pentagon

626

00:24:09,269 --> 00:24:05,919

denials that he managed the pentagon's

627

00:24:11,190 --> 00:24:09,279

informal ufo analysis unit elizondo

628

00:24:13,430 --> 00:24:11,200

anticipates further reprisals for

629

00:24:20,549 --> 00:24:13,440

speaking out

630

00:24:24,310 --> 00:24:22,630

thanks guys for uh watching

631

00:24:26,070 --> 00:24:24,320

listening i know

632

00:24:27,269 --> 00:24:26,080

this is not popular for most twitter

633

00:24:31,110 --> 00:24:27,279

folks because they've seen a lot of this

634

00:24:36,149 --> 00:24:34,230

i know the the youtube crowd will grow

635

00:24:38,630 --> 00:24:36,159

over time because i know

636

00:24:40,149 --> 00:24:38,640

twitter is not looked upon so highly but

637

00:24:42,870 --> 00:24:40,159

you can still go on twitter follow me

638

00:24:43,669 --> 00:24:42,880

and a handful of people like david heyth

639

00:24:45,269 --> 00:24:43,679

um

640

00:24:46,630 --> 00:24:45,279

and get some great information up to

641

00:24:48,390 --> 00:24:46,640

date too

642

00:24:49,669 --> 00:24:48,400

we get stuff really quick i know it's

643

00:24:52,310 --> 00:24:49,679

not really important to be quick it's

644

00:24:53,990 --> 00:24:52,320

more important to be accurate but

645

00:24:55,190 --> 00:24:54,000

sharing information twitter is a great

646

00:24:57,590 --> 00:24:55,200

tool for that

647

00:24:59,269 --> 00:24:57,600

elizondo expressed cautious optimism

648

00:25:01,269 --> 00:24:59,279

optimism that senator gillibrand's

649

00:25:03,510 --> 00:25:01,279

historic bipartisan ufo legislation

650

00:25:05,269 --> 00:25:03,520

would become law saying i think we're in

651  
00:25:07,190 --> 00:25:05,279  
a good spot i think we've come a long

652  
00:25:09,269 --> 00:25:07,200  
way there seemed to be a lot of people

653  
00:25:12,789 --> 00:25:09,279  
really trying to get behind behind this

654  
00:25:14,390 --> 00:25:12,799  
in a productive not in a sensational way

655  
00:25:16,870 --> 00:25:14,400  
according to elizon though members of

656  
00:25:19,830 --> 00:25:16,880  
congress are taking a huge risk by even

657  
00:25:21,669 --> 00:25:19,840  
considering this particular topic there

658  
00:25:23,190 --> 00:25:21,679  
are people who tend to be risk averse to

659  
00:25:25,510 --> 00:25:23,200  
begin with and yet they're willing to

660  
00:25:26,830 --> 00:25:25,520  
put their credibility on the line this

661  
00:25:30,470 --> 00:25:26,840  
is the most important part of the

662  
00:25:31,990 --> 00:25:30,480  
article what does that tell you he asked

663  
00:25:34,390 --> 00:25:32,000

that tells you that they've seen

664

00:25:35,830 --> 00:25:34,400

information that is compelling enough

665

00:25:37,110 --> 00:25:35,840

that they're willing to do what's

666

00:25:38,789 --> 00:25:37,120

necessary

667

00:25:40,310 --> 00:25:38,799

so that's the end of that article so

668

00:25:42,470 --> 00:25:40,320

what have they been shown have they been

669

00:25:44,710 --> 00:25:42,480

shown the 23 minute video that we've all

670

00:25:47,029 --> 00:25:44,720

heard about i don't know i don't know

671

00:25:49,909 --> 00:25:47,039

exactly what they've seen you know

672

00:25:52,789 --> 00:25:49,919

bob mcguire has said that

673

00:25:54,470 --> 00:25:52,799

some of it was sci-fi stuff some of the

674

00:25:55,750 --> 00:25:54,480

videos that they saw

675

00:25:58,310 --> 00:25:55,760

so

676  
00:25:59,750 --> 00:25:58,320  
obviously we want to see that um i see

677  
00:26:01,590 --> 00:25:59,760  
no reason why

678  
00:26:03,909 --> 00:26:01,600  
any of those people can't describe what

679  
00:26:05,669 --> 00:26:03,919  
they saw if they were shown videos

680  
00:26:07,510 --> 00:26:05,679  
so if they were shown videos

681  
00:26:09,590 --> 00:26:07,520  
um

682  
00:26:12,070 --> 00:26:09,600  
of a 23-minute video

683  
00:26:17,190 --> 00:26:14,149  
other videos that showed craft making

684  
00:26:19,590 --> 00:26:17,200  
maneuvers that appear to be anti-gravity

685  
00:26:22,630 --> 00:26:19,600  
i don't see any reason

686  
00:26:25,190 --> 00:26:22,640  
they can't go

687  
00:26:28,070 --> 00:26:25,200  
to a reporter and say this is exactly

688  
00:26:30,070 --> 00:26:28,080

what i saw because it's not giving away

689

00:26:31,750 --> 00:26:30,080

sources and methods not showing you

690

00:26:34,070 --> 00:26:31,760

anything in the cockpit on the flear

691

00:26:35,669 --> 00:26:34,080

it's not showing you how the f-18 or

692

00:26:37,430 --> 00:26:35,679

whatever sensor picked it up it's not

693

00:26:38,870 --> 00:26:37,440

showing you any of that

694

00:26:40,390 --> 00:26:38,880

they should be able to describe it and

695

00:26:43,110 --> 00:26:40,400

that's something

696

00:26:44,789 --> 00:26:43,120

whoever interviews lou

697

00:26:47,750 --> 00:26:44,799

which i would love to do one day should

698

00:26:49,510 --> 00:26:47,760

ask him that and you know say why

699

00:26:51,269 --> 00:26:49,520

why can't they talk about it that

700

00:26:53,269 --> 00:26:51,279

shouldn't be classified talking about

701  
00:26:54,149 --> 00:26:53,279  
the closest the closest who came to that

702  
00:26:55,110 --> 00:26:54,159  
was

703  
00:26:57,110 --> 00:26:55,120  
um

704  
00:26:58,470 --> 00:26:57,120  
senator martin heinrich came close to

705  
00:26:59,510 --> 00:26:58,480  
that

706  
00:27:01,190 --> 00:26:59,520  
so

707  
00:27:03,510 --> 00:27:01,200  
but nobody else has if you guys have any

708  
00:27:05,510 --> 00:27:03,520  
questions before i move on to

709  
00:27:07,590 --> 00:27:05,520  
some of my tweets with some videos let

710  
00:27:09,909 --> 00:27:07,600  
me know

711  
00:27:12,390 --> 00:27:09,919  
you know the air force goes way back

712  
00:27:14,070 --> 00:27:12,400  
it's only speculation but air force

713  
00:27:16,470 --> 00:27:14,080

probably doesn't want this to come out

714

00:27:18,310 --> 00:27:16,480

because they're going to look really bad

715

00:27:21,669 --> 00:27:18,320

since they were in charge of a lot of

716

00:27:23,669 --> 00:27:21,679

this you know as drew said

717

00:27:30,870 --> 00:27:23,679

the navy

718

00:27:32,950 --> 00:27:30,880

also the air force i think in 2020

719

00:27:34,630 --> 00:27:32,960

they had a new program and put in place

720

00:27:36,149 --> 00:27:34,640

where you know pilots are more

721

00:27:37,350 --> 00:27:36,159

encouraged to come forward but i don't

722

00:27:39,430 --> 00:27:37,360

know how much

723

00:27:40,870 --> 00:27:39,440

fruit that has you know

724

00:27:42,389 --> 00:27:40,880

brought forth i don't know

725

00:27:43,350 --> 00:27:42,399

if that's really happening if they're

726  
00:27:44,549 --> 00:27:43,360  
talking

727  
00:27:46,149 --> 00:27:44,559  
um

728  
00:27:47,110 --> 00:27:46,159  
but let me go

729  
00:27:48,630 --> 00:27:47,120  
i know

730  
00:27:51,269 --> 00:27:48,640  
i'm sure in certain interviews eric

731  
00:27:52,870 --> 00:27:51,279  
davis and hal pitoff has alluded to

732  
00:27:54,870 --> 00:27:52,880  
there are certain air force people who

733  
00:27:56,470 --> 00:27:54,880  
have come forward i don't know how many

734  
00:27:57,909 --> 00:27:56,480  
you know not like i don't know how i

735  
00:27:59,350 --> 00:27:57,919  
don't even know how many navy folks have

736  
00:28:02,149 --> 00:27:59,360  
done it behind the scenes that we

737  
00:28:04,230 --> 00:28:02,159  
haven't even heard about

738  
00:28:06,310 --> 00:28:04,240

let me go to some of the good stuff on

739

00:28:08,310 --> 00:28:06,320

twitter today

740

00:28:12,149 --> 00:28:08,320

they're saying that ndaa may not pass

741

00:28:14,230 --> 00:28:12,159

until 2022 now that's fine i mean it

742

00:28:15,750 --> 00:28:14,240

douglas dean johnson just follow him

743

00:28:17,269 --> 00:28:15,760

he's like

744

00:28:18,789 --> 00:28:17,279

he's still confident it will it will

745

00:28:20,710 --> 00:28:18,799

make it in there i mean we're in

746

00:28:21,990 --> 00:28:20,720

december right now so 2022 is right

747

00:28:23,590 --> 00:28:22,000

around the corner

748

00:28:25,510 --> 00:28:23,600

as long as it makes it in there and as

749

00:28:29,590 --> 00:28:25,520

long as

750

00:28:34,950 --> 00:28:32,310

a ufo office that goes

751  
00:28:37,029 --> 00:28:34,960  
and investigates cases looks into human

752  
00:28:39,830 --> 00:28:37,039  
related injuries

753  
00:28:41,190 --> 00:28:39,840  
or human related effects and

754  
00:28:43,190 --> 00:28:41,200  
investigates whether or not we have

755  
00:28:45,750 --> 00:28:43,200  
crash retrievals which obviously is a

756  
00:28:47,669 --> 00:28:45,760  
pipe dream and something

757  
00:28:50,389 --> 00:28:47,679  
i never thought i'd see in there but

758  
00:28:52,389 --> 00:28:50,399  
that's that's what we need

759  
00:28:54,389 --> 00:28:52,399  
but we'll see 2022 is fine let me go

760  
00:28:58,950 --> 00:28:54,399  
through

761  
00:28:58,960 --> 00:29:02,070  
let's see

762  
00:29:06,389 --> 00:29:03,830  
there were some videos and there's

763  
00:29:07,909 --> 00:29:06,399

there's uh douglas dean johnson who's

764

00:29:09,350 --> 00:29:07,919

been great on this saying to stay the

765

00:29:11,590 --> 00:29:09,360

course

766

00:29:13,190 --> 00:29:11,600

continue to urge those who represent it

767

00:29:15,510 --> 00:29:13,200

represent you in congress to support

768

00:29:17,110 --> 00:29:15,520

inclusion of the gilvan rubio amendment

769

00:29:19,190 --> 00:29:17,120

don't get wrapped up in arcane

770

00:29:21,669 --> 00:29:19,200

legislative mechanics there's

771

00:29:23,190 --> 00:29:21,679

yeah there'll be reports like oh it's

772

00:29:27,909 --> 00:29:23,200

not going to make it in here and it's

773

00:29:31,590 --> 00:29:30,149

ryan bender said i understand i

774

00:29:33,110 --> 00:29:31,600

understand there are behind the scenes

775

00:29:35,510 --> 00:29:33,120

negotiations to get something on the

776

00:29:37,590 --> 00:29:35,520

final bill not in this senate version so

777

00:29:40,470 --> 00:29:37,600

and that's where douglas jean douglas

778

00:29:43,029 --> 00:29:40,480

johnson is like just relax folks we will

779

00:29:44,389 --> 00:29:43,039

get we will get what we're looking for

780

00:29:45,510 --> 00:29:44,399

obviously it's not guaranteed until it

781

00:29:47,830 --> 00:29:45,520

happens

782

00:29:50,789 --> 00:29:47,840

um so let me go back to earlier in the

783

00:29:56,549 --> 00:29:54,710

i will try to play all the videos i had

784

00:29:58,630 --> 00:29:56,559

starting with actually i was right where

785

00:30:04,230 --> 00:29:58,640

i was that's from last night on my other

786

00:30:06,630 --> 00:30:05,669

just some tweets just some tweets from

787

00:30:08,789 --> 00:30:06,640

folks saying when you consider

788

00:30:11,029 --> 00:30:08,799

everything it's when you consider

789

00:30:15,590 --> 00:30:11,039

everything it becomes clear

790

00:30:19,590 --> 00:30:17,190

when you consider everything it becomes

791

00:30:21,590 --> 00:30:19,600

clear without lou or mellon's experience

792

00:30:23,830 --> 00:30:21,600

and understanding dod's actions or lack

793

00:30:25,590 --> 00:30:23,840

of on uap this movement wouldn't be no

794

00:30:27,430 --> 00:30:25,600

further ahead today than four years ago

795

00:30:29,830 --> 00:30:27,440

with a little help from this feisty

796

00:30:33,190 --> 00:30:29,840

community boots on the ground leadership

797

00:30:36,470 --> 00:30:33,200

yes lou and chris that's why now

798

00:30:38,870 --> 00:30:36,480

why now that's the answer

799

00:30:40,950 --> 00:30:38,880

and then sean from witness citizen

800

00:30:42,950 --> 00:30:40,960

posted this he said

801  
00:30:45,190 --> 00:30:42,960  
this is from i don't know what year this

802  
00:30:47,110 --> 00:30:45,200  
is from

803  
00:30:49,029 --> 00:30:47,120  
19 i don't know he says when you're on a

804  
00:30:51,350 --> 00:30:49,039  
ufo investigation your team needs to

805  
00:30:53,590 --> 00:30:51,360  
have a geiger counter a camera a tape

806  
00:30:56,710 --> 00:30:53,600  
recorder binoculars and a magnifying

807  
00:30:57,990 --> 00:30:56,720  
glass which i told him i would get at

808  
00:30:59,190 --> 00:30:58,000  
walmart

809  
00:31:02,230 --> 00:30:59,200  
um

810  
00:31:04,389 --> 00:31:02,240  
that is my confirmation picture from

811  
00:31:05,669 --> 00:31:04,399  
when i was 15 because i was telling

812  
00:31:06,870 --> 00:31:05,679  
people i didn't want to go on camera

813  
00:31:08,870 --> 00:31:06,880

because i have

814

00:31:10,950 --> 00:31:08,880

locked down hair which is similar to

815

00:31:12,870 --> 00:31:10,960

that hair and i told my mother i'm like

816

00:31:15,029 --> 00:31:12,880

how the hell did you let me walk around

817

00:31:18,310 --> 00:31:15,039

with that hair how mom

818

00:31:20,389 --> 00:31:18,320

i mean that's embarrassing

819

00:31:22,230 --> 00:31:20,399

anyway

820

00:31:23,430 --> 00:31:22,240

let's get to some of the the videos that

821

00:31:25,750 --> 00:31:23,440

we're playing all right so this is

822

00:31:26,950 --> 00:31:25,760

senator timber chat this is

823

00:31:29,269 --> 00:31:26,960

let me know

824

00:31:30,630 --> 00:31:29,279

let me make sure that i get the audio on

825

00:31:34,070 --> 00:31:30,640

this because

826

00:31:36,789 --> 00:31:34,080

we have some audio clips

827

00:31:38,549 --> 00:31:36,799

coming up and i really want to make sure

828

00:31:39,509 --> 00:31:38,559

you can hear them just give me one

829

00:31:40,950 --> 00:31:39,519

second

830

00:31:42,710 --> 00:31:40,960

share screen

831

00:31:45,350 --> 00:31:42,720

that

832

00:31:47,269 --> 00:31:45,360

twitter audio here we go okay

833

00:31:49,430 --> 00:31:47,279

let me play this audio if you have any

834

00:31:51,110 --> 00:31:49,440

problems hearing it

835

00:31:52,950 --> 00:31:51,120

let me know i'm going to put headphones

836

00:31:54,310 --> 00:31:52,960

on this so i don't

837

00:31:56,549 --> 00:31:54,320

echo

838

00:31:57,350 --> 00:31:56,559

focus the report raised more questions

839

00:31:59,669 --> 00:31:57,360

than

840

00:32:01,590 --> 00:31:59,679

last summer's ufo report mr speaker from

841

00:32:03,190 --> 00:32:01,600

the director of national intelligence

842

00:32:04,470 --> 00:32:03,200

was bogus

843

00:32:08,230 --> 00:32:04,480

just let me know if you guys can hear

844

00:32:12,470 --> 00:32:10,549

last summer's ufo report mr speaker from

845

00:32:14,630 --> 00:32:12,480

the director of national intelligence

846

00:32:16,230 --> 00:32:14,640

was bogus the report raised more

847

00:32:18,549 --> 00:32:16,240

questions than answers and about

848

00:32:20,870 --> 00:32:18,559

unidentified unidentified objects in the

849

00:32:23,269 --> 00:32:20,880

skies it stunk of a government cover-up

850

00:32:25,190 --> 00:32:23,279

mr speaker now the pentagon is starting

851

00:32:27,590 --> 00:32:25,200

a new office to collect information on

852

00:32:29,029 --> 00:32:27,600

these unidentified objects the office is

853

00:32:30,789 --> 00:32:29,039

called the airborne object

854

00:32:32,710 --> 00:32:30,799

identification and management

855

00:32:33,909 --> 00:32:32,720

synchronization group

856

00:32:34,950 --> 00:32:33,919

i don't know where they came up with

857

00:32:36,389 --> 00:32:34,960

that name

858

00:32:38,230 --> 00:32:36,399

i'm sure they paid somebody a lot of

859

00:32:40,389 --> 00:32:38,240

money to come up with that i do not

860

00:32:41,669 --> 00:32:40,399

trust this new office mr speaker i don't

861

00:32:43,350 --> 00:32:41,679

think it will be transparent with

862

00:32:45,750 --> 00:32:43,360

lawmakers or the public about its

863

00:32:47,350 --> 00:32:45,760

findings this is a national security

864

00:32:50,389 --> 00:32:47,360

issue congress needs to know what is

865

00:32:52,230 --> 00:32:50,399

going on so we can respond accordingly

866

00:32:55,110 --> 00:32:52,240

today i'm requesting the leaders of this

867

00:32:57,350 --> 00:32:55,120

new office bring members of congress on

868

00:32:58,870 --> 00:32:57,360

their ufo bring them in on their ufo

869

00:33:01,029 --> 00:32:58,880

findings this is a matter of great

870

00:33:03,269 --> 00:33:01,039

public interest and has been for a very

871

00:33:04,630 --> 00:33:03,279

long time to a lot of americans our

872

00:33:07,029 --> 00:33:04,640

government should not hide the truth

873

00:33:08,549 --> 00:33:07,039

from us for another second

874

00:33:09,990 --> 00:33:08,559

if this new office is to be held

875

00:33:11,990 --> 00:33:10,000

accountable our country will get more

876

00:33:14,070 --> 00:33:12,000

reports like the one that that came out

877

00:33:15,590 --> 00:33:14,080

last summer or worse they will be silent

878

00:33:17,029 --> 00:33:15,600

and hope we all just forget about the

879

00:33:19,110 --> 00:33:17,039

phenomena

880

00:33:22,470 --> 00:33:19,120

we do not need to fear these these

881

00:33:23,430 --> 00:33:22,480

airborne unidentified objects

882

00:33:25,590 --> 00:33:23,440

i don't know where he's getting that

883

00:33:27,669 --> 00:33:25,600

from we do not fear we do not need to

884

00:33:29,430 --> 00:33:27,679

fear these unidentified flying objects

885

00:33:31,430 --> 00:33:29,440

we have no idea if we need to fear them

886

00:33:33,269 --> 00:33:31,440

or not hopefully we don't but

887

00:33:34,470 --> 00:33:33,279

as if you read skinwalkers at the

888

00:33:37,029 --> 00:33:34,480

pentagon

889

00:33:38,389 --> 00:33:37,039

if you see a ufo and help hal put off

890

00:33:40,230 --> 00:33:38,399

said this a couple years ago when he

891

00:33:41,110 --> 00:33:40,240

lectured here in vegas

892

00:33:43,509 --> 00:33:41,120

uh

893

00:33:45,430 --> 00:33:43,519

if you see a landed ufo

894

00:33:47,430 --> 00:33:45,440

just keep your distance uh i don't know

895

00:33:49,350 --> 00:33:47,440

who said it i think it was kelleher in a

896

00:33:50,710 --> 00:33:49,360

recent interview somebody asked him it

897

00:33:52,230 --> 00:33:50,720

was a good question

898

00:33:54,310 --> 00:33:52,240

did you guys determine a certain

899

00:33:56,310 --> 00:33:54,320

distance there was

900

00:33:57,909 --> 00:33:56,320

to be away from the ufo where you would

901  
00:34:00,149 --> 00:33:57,919  
not get injured and not have these

902  
00:34:01,669 --> 00:34:00,159  
injuries and he said we don't have data

903  
00:34:04,230 --> 00:34:01,679  
enough data on that but there were

904  
00:34:05,590 --> 00:34:04,240  
people that were far away and still had

905  
00:34:08,389 --> 00:34:05,600  
injuries

906  
00:34:12,470 --> 00:34:11,190  
so ufos can possibly be bad for your

907  
00:34:14,149 --> 00:34:12,480  
health if you're

908  
00:34:16,389 --> 00:34:14,159  
in the wrong place at the wrong time or

909  
00:34:19,270 --> 00:34:16,399  
if an orb flies through your body like

910  
00:34:21,270 --> 00:34:19,280  
supposedly happened in the oregon case

911  
00:34:23,669 --> 00:34:21,280  
but as far as overall what it means for

912  
00:34:25,349 --> 00:34:23,679  
the human race i have no idea i don't

913  
00:34:27,270 --> 00:34:25,359

think he does either they would have

914

00:34:29,510 --> 00:34:27,280

shown themselves to be to fear these

915

00:34:30,710 --> 00:34:29,520

these airborne unidentified objects they

916

00:34:32,710 --> 00:34:30,720

would have shown themselves to be

917

00:34:35,190 --> 00:34:32,720

dangerous a long time ago by now if they

918

00:34:37,510 --> 00:34:35,200

were a threat our citizens and country

919

00:34:39,109 --> 00:34:37,520

can handle the truth mr speaker thank

920

00:34:41,669 --> 00:34:39,119

you mr speaker i yield the remainder of

921

00:34:44,950 --> 00:34:43,750

i remember it was uh christopher mellon

922

00:34:48,230 --> 00:34:44,960

said

923

00:34:50,310 --> 00:34:48,240

people could handle it can handle the

924

00:34:51,909 --> 00:34:50,320

truth and melon jumped in and said how

925

00:34:53,109 --> 00:34:51,919

do we know if they can handle the truth

926  
00:34:54,869 --> 00:34:53,119  
when we don't know what we're dealing

927  
00:34:58,150 --> 00:34:54,879  
with what if they're irrat what if

928  
00:34:59,829 --> 00:34:58,160  
they're flesh eating arachnids um

929  
00:35:01,349 --> 00:34:59,839  
but i'm not really criticize people like

930  
00:35:03,109 --> 00:35:01,359  
oh just give him a break he's talking

931  
00:35:04,870 --> 00:35:03,119  
about ufos on the floor of congress i'm

932  
00:35:06,870 --> 00:35:04,880  
like yeah of course i support this just

933  
00:35:08,150 --> 00:35:06,880  
pointing out we don't know as far as i'm

934  
00:35:10,230 --> 00:35:08,160  
glad he's speaking out i don't want to

935  
00:35:11,589 --> 00:35:10,240  
do anything to stop him but i don't want

936  
00:35:14,150 --> 00:35:11,599  
people to get the wrong impression who

937  
00:35:16,470 --> 00:35:14,160  
are first getting into this you know oh

938  
00:35:18,550 --> 00:35:16,480

they're here to help us obviously you

939

00:35:19,990 --> 00:35:18,560

know there's nothing negative about ufos

940

00:35:23,190 --> 00:35:20,000

i just don't think we should be saying

941

00:35:28,230 --> 00:35:25,670

any comments on tim burch

942

00:35:30,230 --> 00:35:28,240

yeah i just i just played it walker um

943

00:35:31,910 --> 00:35:30,240

it's great that he's speaking up i'm not

944

00:35:34,550 --> 00:35:31,920

sure if he's enough to get this ball

945

00:35:36,470 --> 00:35:34,560

rolling rolling we need senators no

946

00:35:38,710 --> 00:35:36,480

offense to congressman uh we need a

947

00:35:41,270 --> 00:35:38,720

bunch of senators we need kirsten

948

00:35:44,150 --> 00:35:41,280

gillibrand to speak publicly like that

949

00:35:47,670 --> 00:35:44,160

why she hasn't yet i don't know i mean i

950

00:35:49,430 --> 00:35:47,680

kind of know but probably stigma still

951  
00:35:52,310 --> 00:35:49,440  
i mean she's she's been interviewed

952  
00:35:53,829 --> 00:35:52,320  
about it she's spoken about it

953  
00:35:55,270 --> 00:35:53,839  
let me just go through some of your your

954  
00:35:56,790 --> 00:35:55,280  
comments

955  
00:35:59,270 --> 00:35:56,800  
burchette was the only senator to call

956  
00:36:01,510 --> 00:35:59,280  
into the unidentified celebrity reviews

957  
00:36:04,230 --> 00:36:01,520  
big phone home um

958  
00:36:05,750 --> 00:36:04,240  
i'd like to that he's speaking up but

959  
00:36:07,510 --> 00:36:05,760  
don't take this the wrong way but i want

960  
00:36:11,190 --> 00:36:07,520  
i'd rather have senator gillibrand

961  
00:36:15,990 --> 00:36:11,200  
senator rubio those guys you know warner

962  
00:36:19,430 --> 00:36:17,910  
bob said members that had the classified

963  
00:36:21,670 --> 00:36:19,440

briefings were gobsmacked that's the

964

00:36:22,870 --> 00:36:21,680

word gobsmacked thanks walker

965

00:36:24,390 --> 00:36:22,880

um

966

00:36:27,349 --> 00:36:24,400

i wish joe

967

00:36:29,270 --> 00:36:27,359

that's me or someone else would

968

00:36:31,670 --> 00:36:29,280

interview dr ken johnson who mapped the

969

00:36:33,910 --> 00:36:31,680

moon and saw the scrubbing by nasa i

970

00:36:35,190 --> 00:36:33,920

listened to many ken johnson interviews

971

00:36:37,990 --> 00:36:35,200

back in the day

972

00:36:38,870 --> 00:36:38,000

uh mule so i know who he is

973

00:36:39,910 --> 00:36:38,880

um

974

00:36:41,349 --> 00:36:39,920

i'm trying to think if there was

975

00:36:43,190 --> 00:36:41,359

anything else he talked about that was

976  
00:36:44,790 --> 00:36:43,200  
really controversial that made me avoid

977  
00:36:46,150 --> 00:36:44,800  
him i don't remember

978  
00:36:47,270 --> 00:36:46,160  
i remember he would go on coast to coast

979  
00:36:49,829 --> 00:36:47,280  
with art bell

980  
00:36:50,790 --> 00:36:49,839  
and with richard hoagland and i think

981  
00:36:52,870 --> 00:36:50,800  
hogan

982  
00:36:54,390 --> 00:36:52,880  
talked about what johnston had found on

983  
00:36:56,630 --> 00:36:54,400  
certain nasa photos

984  
00:36:58,390 --> 00:36:56,640  
that that johnston said he was working

985  
00:36:59,829 --> 00:36:58,400  
at a university and nasa was going to

986  
00:37:01,190 --> 00:36:59,839  
throw them out i think they were like

987  
00:37:03,190 --> 00:37:01,200  
yeah just toss them in the garbage and

988  
00:37:05,109 --> 00:37:03,200

he saved them really high quality

989

00:37:10,470 --> 00:37:05,119

pictures

990

00:37:15,589 --> 00:37:11,829

and tom says the government history of

991

00:37:17,030 --> 00:37:15,599

ufos blue book report number 14

992

00:37:18,550 --> 00:37:17,040

condor report negative robert's

993

00:37:21,270 --> 00:37:18,560

important negative roswell report

994

00:37:23,030 --> 00:37:21,280

negative roswell report two negative gao

995

00:37:26,310 --> 00:37:23,040

investigation negative

996

00:37:28,069 --> 00:37:26,320

was gao the one with um

997

00:37:29,910 --> 00:37:28,079

stephen schiff congressman shift where

998

00:37:32,550 --> 00:37:29,920

they told him sorry the roswell records

999

00:37:36,310 --> 00:37:32,560

were destroyed sorry or they're missing

1000

00:37:39,670 --> 00:37:38,230

did somebody say berchette still thinks

1001  
00:37:40,950 --> 00:37:39,680  
trump won the last election somebody

1002  
00:37:42,390 --> 00:37:40,960  
said that i don't know if that's true or

1003  
00:37:44,310 --> 00:37:42,400  
not but

1004  
00:37:46,150 --> 00:37:44,320  
let's not be true beggars can't be

1005  
00:37:47,829 --> 00:37:46,160  
choosers david we'll take all the

1006  
00:37:49,990 --> 00:37:47,839  
support we can get

1007  
00:37:51,510 --> 00:37:50,000  
we just don't talk about the other stuff

1008  
00:37:52,870 --> 00:37:51,520  
as long as he's not as long as he's not

1009  
00:37:56,310 --> 00:37:52,880  
telling us that

1010  
00:37:57,589 --> 00:37:56,320  
vaccines will implant a chip in you

1011  
00:38:00,310 --> 00:37:57,599  
i think i'm okay with him if he

1012  
00:38:03,190 --> 00:38:00,320  
supported trump uh people know i most

1013  
00:38:04,870 --> 00:38:03,200

people know how how i felt about that

1014

00:38:07,109 --> 00:38:04,880

but i don't even want to go there

1015

00:38:08,870 --> 00:38:07,119

um left versus right

1016

00:38:10,790 --> 00:38:08,880

i know that's not a left versus right

1017

00:38:13,030 --> 00:38:10,800

issue but i'm trying not to get

1018

00:38:14,950 --> 00:38:13,040

political whatsoever

1019

00:38:16,390 --> 00:38:14,960

i don't think she was iced by the leader

1020

00:38:18,390 --> 00:38:16,400

of the senate the leader of the senate

1021

00:38:21,430 --> 00:38:18,400

is warner i believe

1022

00:38:24,069 --> 00:38:21,440

he's the majority leader leader he he's

1023

00:38:25,670 --> 00:38:24,079

supported ufos and then rubio's right

1024

00:38:27,990 --> 00:38:25,680

below that

1025

00:38:30,790 --> 00:38:28,000

yes steven shift um so

1026

00:38:33,829 --> 00:38:30,800

schiff sorry

1027

00:38:36,950 --> 00:38:33,839

so this was

1028

00:38:39,190 --> 00:38:36,960

this was today i retweeted it with audio

1029

00:38:41,430 --> 00:38:39,200

oh i want to this is some of the stuff

1030

00:38:43,829 --> 00:38:41,440

that's going on with what's with carry

1031

00:38:46,710 --> 00:38:43,839

on from mufon which i do want to cover

1032

00:38:49,510 --> 00:38:46,720

but here is birch berthett's

1033

00:38:50,710 --> 00:38:49,520

letter to the under secretary moultrie

1034

00:38:52,230 --> 00:38:50,720

he goes

1035

00:38:54,470 --> 00:38:52,240

and he put this up on twitter so he's

1036

00:38:55,990 --> 00:38:54,480

been pretty active

1037

00:38:57,750 --> 00:38:56,000

with showing people i don't know if he

1038

00:38:59,829 --> 00:38:57,760

thinks it's a winning political effort

1039

00:39:01,430 --> 00:38:59,839

about and i'm not sure if this it i'm

1040

00:39:05,349 --> 00:39:01,440

not sure this is a winning political

1041

00:39:09,990 --> 00:39:08,710

with ufo twitter it is obviously

1042

00:39:12,550 --> 00:39:10,000

i don't think it's negative though i

1043

00:39:14,310 --> 00:39:12,560

don't think although i've seen

1044

00:39:15,670 --> 00:39:14,320

i've seen other people say you know why

1045

00:39:17,430 --> 00:39:15,680

are you wasting time on this when we

1046

00:39:18,950 --> 00:39:17,440

have kobe we have climate change you

1047

00:39:21,510 --> 00:39:18,960

know why are you playing around with

1048

00:39:24,069 --> 00:39:21,520

ufos that's why i think

1049

00:39:25,510 --> 00:39:24,079

the pop the injury aspect should be

1050

00:39:27,109 --> 00:39:25,520

talked about a little more without

1051  
00:39:29,190 --> 00:39:27,119  
scaring people like hey we need to take

1052  
00:39:32,630 --> 00:39:29,200  
care of our citizens so this this we

1053  
00:39:34,470 --> 00:39:32,640  
should this should be a priority

1054  
00:39:36,230 --> 00:39:34,480  
that's just one angle so he goes dear

1055  
00:39:38,150 --> 00:39:36,240  
under secretary moultrie thank you for

1056  
00:39:40,069 --> 00:39:38,160  
your and this is bercet thank you for

1057  
00:39:42,390 --> 00:39:40,079  
your ongoing attention he posted this

1058  
00:39:44,150 --> 00:39:42,400  
today to the presence of uap in our

1059  
00:39:46,230 --> 00:39:44,160  
airspace i write today requesting

1060  
00:39:49,030 --> 00:39:46,240  
increased transparency into the matter

1061  
00:39:50,630 --> 00:39:49,040  
the june 21st preliminary assessment

1062  
00:39:52,550 --> 00:39:50,640  
released by the o

1063  
00:39:54,630 --> 00:39:52,560

office of dni

1064

00:39:56,630 --> 00:39:54,640

provided a few answers and raised more

1065

00:40:00,550 --> 00:39:56,640

questions the american people deserve to

1066

00:40:02,150 --> 00:40:00,560

know whether we are alone in our galaxy

1067

00:40:04,150 --> 00:40:02,160

of course

1068

00:40:05,510 --> 00:40:04,160

we may not even be visited by something

1069

00:40:08,069 --> 00:40:05,520

it may be something that's on this

1070

00:40:10,230 --> 00:40:08,079

planet none of these folks none of the

1071

00:40:12,550 --> 00:40:10,240

scientists none of the articles i read

1072

00:40:14,870 --> 00:40:12,560

ever mentioned that possibility you have

1073

00:40:18,309 --> 00:40:14,880

lou mentioning it

1074

00:40:20,630 --> 00:40:18,319

but it's always mentioned as e.t

1075

00:40:23,349 --> 00:40:20,640

so i was disappointed that the uap task

1076

00:40:25,910 --> 00:40:23,359

force lacked the sufficient data for an

1077

00:40:27,990 --> 00:40:25,920

all-encompassing analysis

1078

00:40:29,510 --> 00:40:28,000

i'm not sure what data they lacked i'm

1079

00:40:30,790 --> 00:40:29,520

sure they don't i know they don't have

1080

00:40:31,750 --> 00:40:30,800

everything but

1081

00:40:33,829 --> 00:40:31,760

what was

1082

00:40:35,510 --> 00:40:33,839

did did when members of congress were

1083

00:40:38,630 --> 00:40:35,520

briefed did they get to see everything

1084

00:40:40,390 --> 00:40:38,640

that the uap task force had i hope so

1085

00:40:42,150 --> 00:40:40,400

but we all know the good stuff is not

1086

00:40:43,750 --> 00:40:42,160

there the good stuff is very deeper than

1087

00:40:45,990 --> 00:40:43,760

that

1088

00:40:48,309 --> 00:40:46,000

before i forget

1089

00:40:49,829 --> 00:40:48,319

somebody who did have access to certain

1090

00:40:52,710 --> 00:40:49,839

data said

1091

00:40:55,270 --> 00:40:52,720

the data that they saw did not show that

1092

00:40:57,190 --> 00:40:55,280

ufos are coming from deep space it would

1093

00:40:58,230 --> 00:40:57,200

it would point towards something

1094

00:41:00,710 --> 00:40:58,240

something

1095

00:41:03,270 --> 00:41:00,720

between the moon and here like nothing

1096

00:41:05,109 --> 00:41:03,280

beyond the moon nothing deep space that

1097

00:41:06,790 --> 00:41:05,119

doesn't mean data doesn't exist that

1098

00:41:08,230 --> 00:41:06,800

shows objects are coming in from deep

1099

00:41:09,990 --> 00:41:08,240

spec space

1100

00:41:12,230 --> 00:41:10,000

it's just that they had not seen that

1101  
00:41:14,150 --> 00:41:12,240  
data and this person had access to data

1102  
00:41:16,630 --> 00:41:14,160  
that we do not have access to so just

1103  
00:41:18,069 --> 00:41:16,640  
keep that in mind it doesn't mean there

1104  
00:41:20,309 --> 00:41:18,079  
aren't objects coming from another

1105  
00:41:21,990 --> 00:41:20,319  
planet that may be going that may be

1106  
00:41:23,190 --> 00:41:22,000  
part of what's going on and maybe all of

1107  
00:41:25,270 --> 00:41:23,200  
what's going on

1108  
00:41:27,589 --> 00:41:25,280  
but at the surface level

1109  
00:41:31,190 --> 00:41:27,599  
more more classified than we have access

1110  
00:41:33,190 --> 00:41:31,200  
to the the data does not suggest that

1111  
00:41:34,950 --> 00:41:33,200  
so

1112  
00:41:36,710 --> 00:41:34,960  
american people deserve to know whether

1113  
00:41:38,470 --> 00:41:36,720

we are alone in our galaxy so i was

1114

00:41:40,069 --> 00:41:38,480

disappointed that the uap task force

1115

00:41:42,470 --> 00:41:40,079

lacked the sufficient data for an

1116

00:41:44,390 --> 00:41:42,480

all-encompassing analysis it is

1117

00:41:46,550 --> 00:41:44,400

incredibly problematic that we still do

1118

00:41:48,870 --> 00:41:46,560

not know if these uaps are simply

1119

00:41:51,109 --> 00:41:48,880

airborne clutter advanced adversarial

1120

00:41:53,430 --> 00:41:51,119

systems or even advanced technologies

1121

00:41:54,950 --> 00:41:53,440

not of this world however

1122

00:41:57,190 --> 00:41:54,960

i am encouraged

1123

00:41:59,589 --> 00:41:57,200

that the newly established

1124

00:42:01,750 --> 00:41:59,599

airborne object identification and

1125

00:42:04,150 --> 00:42:01,760

management executive council is

1126  
00:42:06,230 --> 00:42:04,160  
transitioning the uap task force to the

1127  
00:42:08,550 --> 00:42:06,240  
airborne object identification and

1128  
00:42:10,150 --> 00:42:08,560  
management synchronization group

1129  
00:42:11,510 --> 00:42:10,160  
ugh

1130  
00:42:12,390 --> 00:42:11,520  
i don't

1131  
00:42:13,510 --> 00:42:12,400  
i mean

1132  
00:42:15,190 --> 00:42:13,520  
i don't know why the gila brand

1133  
00:42:17,030 --> 00:42:15,200  
amendment isn't mentioned in this letter

1134  
00:42:19,589 --> 00:42:17,040  
that's kind of surprising

1135  
00:42:20,950 --> 00:42:19,599  
he says it's my hope that the aoi msg

1136  
00:42:22,710 --> 00:42:20,960  
will build off the preliminary

1137  
00:42:24,870 --> 00:42:22,720  
assessment by collecting and analyzing

1138  
00:42:26,790 --> 00:42:24,880

all relevant data so we can get to the

1139

00:42:28,950 --> 00:42:26,800

bottom of this phenomena

1140

00:42:31,430 --> 00:42:28,960

therefore i am requesting that the

1141

00:42:33,750 --> 00:42:31,440

aoi msgd

1142

00:42:35,270 --> 00:42:33,760

or the ao mexic brief members of

1143

00:42:37,430 --> 00:42:35,280

congress on their findings in a

1144

00:42:40,309 --> 00:42:37,440

classified setting followed by a public

1145

00:42:41,910 --> 00:42:40,319

hearing before the relevant committees

1146

00:42:43,270 --> 00:42:41,920

thank you for your service for the

1147

00:42:45,270 --> 00:42:43,280

america to the american people i look

1148

00:42:46,950 --> 00:42:45,280

forward to hearing from you soon

1149

00:42:49,349 --> 00:42:46,960

so he's requesting that they brief

1150

00:42:52,150 --> 00:42:49,359

congress yeah let them do that uh as far

1151

00:42:54,309 --> 00:42:52,160

as a public hearing i asked doug johnson

1152

00:42:56,390 --> 00:42:54,319

about that it's not so simple as

1153

00:42:58,470 --> 00:42:56,400

bert calling for for a public hearing

1154

00:42:59,990 --> 00:42:58,480

that moore has to go he has to get

1155

00:43:01,430 --> 00:43:00,000

support from some senior senior

1156

00:43:03,030 --> 00:43:01,440

leadership

1157

00:43:04,550 --> 00:43:03,040

but you know i'm happy he wrote the

1158

00:43:06,390 --> 00:43:04,560

letter

1159

00:43:08,230 --> 00:43:06,400

and

1160

00:43:10,630 --> 00:43:08,240

he also

1161

00:43:11,589 --> 00:43:10,640

he was quoted back in the summer it was

1162

00:43:14,390 --> 00:43:11,599

june

1163

00:43:16,950 --> 00:43:14,400

and he also gave an interview

1164

00:43:18,710 --> 00:43:16,960

i have the whole the whole tmz interview

1165

00:43:20,790 --> 00:43:18,720

which i will play here with audio but

1166

00:43:21,910 --> 00:43:20,800

i'll look at questions in a second i'm

1167

00:43:22,950 --> 00:43:21,920

sure i'm probably gonna have to get

1168

00:43:26,470 --> 00:43:22,960

through commercials first in the

1169

00:43:32,069 --> 00:43:30,550

msg i know hemisg is not good for us

1170

00:43:33,430 --> 00:43:32,079

let's see

1171

00:43:36,710 --> 00:43:33,440

all right once the commercial's over

1172

00:43:43,109 --> 00:43:38,470

tim had a letter to congress as well and

1173

00:43:45,430 --> 00:43:44,630

i'm not a youtube addict but i wish you

1174

00:43:57,190 --> 00:43:45,440

were

1175

00:44:08,040 --> 00:43:58,630

so this is from

1176

00:44:08,050 --> 00:44:38,309

[Music]

1177

00:44:38,319 --> 00:45:10,710

um

1178

00:45:15,510 --> 00:45:14,069

no audio aye aye so when i open up all

1179

00:45:17,109 --> 00:45:15,520

right i can't so i can't play the whole

1180

00:45:19,030 --> 00:45:17,119

thing

1181

00:45:20,950 --> 00:45:19,040

darn it all right i'll play i'll i'll

1182

00:45:22,309 --> 00:45:20,960

play the clip that was on twitter it's

1183

00:45:24,470 --> 00:45:22,319

not the whole clip but at least you'll

1184

00:45:29,030 --> 00:45:24,480

be able to hear it

1185

00:45:32,470 --> 00:45:31,030

if i can find it so

1186

00:45:34,790 --> 00:45:32,480

somebody was saying

1187

00:45:36,630 --> 00:45:34,800

they wish i would be more on

1188

00:45:38,550 --> 00:45:36,640

youtube but

1189

00:45:40,710 --> 00:45:38,560

i mean this is i'm trying to put all of

1190

00:45:42,470 --> 00:45:40,720

my twitter stuff i'm going through it's

1191

00:45:44,950 --> 00:45:42,480

hard to do it every day like this but

1192

00:45:46,550 --> 00:45:44,960

i'll try my best

1193

00:45:48,790 --> 00:45:46,560

there's a clip of

1194

00:45:51,750 --> 00:45:48,800

berkshire

1195

00:45:54,710 --> 00:45:51,760

and of course i can't find it right now

1196

00:45:55,670 --> 00:45:54,720

it only lets you do

1197

00:45:58,069 --> 00:45:55,680

i can

1198

00:45:59,750 --> 00:45:58,079

i'm sorry guys

1199

00:46:03,750 --> 00:45:59,760

i'm gonna have to come back to it if you

1200

00:46:06,950 --> 00:46:05,510

in the meantime ask questions and i will

1201  
00:46:09,270 --> 00:46:06,960  
pull this up

1202  
00:46:11,510 --> 00:46:09,280  
on another

1203  
00:46:13,589 --> 00:46:11,520  
another um

1204  
00:46:17,109 --> 00:46:13,599  
browser and i think i can get audio that

1205  
00:46:20,390 --> 00:46:18,470  
i'm trying to think what else went on

1206  
00:46:22,230 --> 00:46:20,400  
today

1207  
00:46:26,069 --> 00:46:22,240  
there's still talk

1208  
00:46:31,670 --> 00:46:28,390  
psyop and lou and

1209  
00:46:35,270 --> 00:46:33,030  
let's see if i can pull this up right

1210  
00:46:49,589 --> 00:46:37,270  
you should be able to hear audio when i

1211  
00:46:58,069 --> 00:46:53,030  
problem is that is not the audio

1212  
00:47:02,390 --> 00:46:59,750  
there we go

1213  
00:47:06,870 --> 00:47:02,400

you guys have any questions

1214

00:47:14,710 --> 00:47:11,510

yeah have a night just great night picks

1215

00:47:14,720 --> 00:47:17,270

and

1216

00:47:23,990 --> 00:47:19,589

tell me congressman i know right now um

1217

00:47:29,910 --> 00:47:27,430

just tell me tell me if you hear that

1218

00:47:31,349 --> 00:47:29,920

and when he's going to speak to um putin

1219

00:47:34,630 --> 00:47:31,359

that he's talking about he's going to

1220

00:47:35,910 --> 00:47:34,640

ask him about the ufo thing

1221

00:47:38,309 --> 00:47:35,920

i think that's ridiculous if the

1222

00:47:40,150 --> 00:47:38,319

russians had ufo technology i mean they

1223

00:47:41,750 --> 00:47:40,160

would own us right now they used to say

1224

00:47:43,270 --> 00:47:41,760

that they've heard people talk about how

1225

00:47:44,870 --> 00:47:43,280

the nazis had it in the second world

1226

00:47:47,190 --> 00:47:44,880

world if they did they would have won

1227

00:47:49,270 --> 00:47:47,200

that's ridiculous it has to be something

1228

00:47:50,470 --> 00:47:49,280

that's it's out of our galaxy it just

1229

00:47:53,349 --> 00:47:50,480

has to be if

1230

00:47:55,190 --> 00:47:53,359

it in fact is real it comes from your

1231

00:47:57,910 --> 00:47:55,200

you have always been a straight shooter

1232

00:47:59,829 --> 00:47:57,920

it's been like i know when um it's been

1233

00:48:01,589 --> 00:47:59,839

bipartisan but the one thing i've

1234

00:48:03,510 --> 00:48:01,599

noticed is

1235

00:48:05,670 --> 00:48:03,520

it doesn't matter which president it is

1236

00:48:07,030 --> 00:48:05,680

nobody ever talks about the uh they

1237

00:48:08,950 --> 00:48:07,040

always say they're gonna do something

1238

00:48:10,470 --> 00:48:08,960

about and then they get in office and

1239

00:48:11,670 --> 00:48:10,480

and honestly i thought trump was gonna

1240

00:48:13,349 --> 00:48:11,680

do something he's gonna release the

1241

00:48:15,270 --> 00:48:13,359

files but you know they release these

1242

00:48:17,910 --> 00:48:15,280

files are redacted it's just a big blob

1243

00:48:19,910 --> 00:48:17,920

of block white out and uh clearly

1244

00:48:22,630 --> 00:48:19,920

something's going on that we can't

1245

00:48:24,790 --> 00:48:22,640

handle i mean ufos were in the bible

1246

00:48:26,870 --> 00:48:24,800

read ezekiel it talks about the wheel

1247

00:48:28,309 --> 00:48:26,880

flying around so i mean

1248

00:48:30,230 --> 00:48:28,319

they've been around since we've been

1249

00:48:31,910 --> 00:48:30,240

around and um somebody needs to come up

1250

00:48:33,190 --> 00:48:31,920

with some answers so even when

1251

00:48:35,990 --> 00:48:33,200

something's supposed to be released

1252

00:48:37,589 --> 00:48:36,000

coming up in a few weeks or months what

1253

00:48:39,589 --> 00:48:37,599

do you think is going to be in that i

1254

00:48:41,829 --> 00:48:39,599

don't believe it i i think roswell was

1255

00:48:43,430 --> 00:48:41,839

covered up i think um

1256

00:48:44,950 --> 00:48:43,440

you know more people believe in ufos and

1257

00:48:46,630 --> 00:48:44,960

believe in congress for good reason

1258

00:48:48,470 --> 00:48:46,640

because of the jack lake stuff we do

1259

00:48:50,069 --> 00:48:48,480

like that we we talk about we're going

1260

00:48:52,470 --> 00:48:50,079

to release it and then we never do or we

1261

00:48:54,870 --> 00:48:52,480

release something that's so redacted

1262

00:48:57,510 --> 00:48:54,880

that it's just ridiculous the air force

1263

00:49:00,390 --> 00:48:57,520

had a release of uh on roswell which was

1264

00:49:02,630 --> 00:49:00,400

the big the big deal i think from 48 and

1265

00:49:04,390 --> 00:49:02,640

the big cover up there and the guy that

1266

00:49:06,069 --> 00:49:04,400

did it was a smart aleck and he kind of

1267

00:49:07,589 --> 00:49:06,079

smirked the whole time and nobody took

1268

00:49:08,950 --> 00:49:07,599

it serious they ought to take it serious

1269

00:49:10,870 --> 00:49:08,960

american public wants to know and

1270

00:49:12,470 --> 00:49:10,880

frankly we deserve to know i think at

1271

00:49:13,670 --> 00:49:12,480

some point it's gonna it's gonna happen

1272

00:49:14,950 --> 00:49:13,680

man

1273

00:49:16,870 --> 00:49:14,960

i think they're gonna release that i

1274

00:49:17,829 --> 00:49:16,880

think somebody's going to release stuff

1275

00:49:19,670 --> 00:49:17,839

that the

1276

00:49:21,750 --> 00:49:19,680

kennedy assassination files are going to

1277

00:49:23,589 --> 00:49:21,760

do it all but but we haven't had a

1278

00:49:26,470 --> 00:49:23,599

president with enough guts to do it just

1279

00:49:32,069 --> 00:49:28,790

so that is for chet and that was summer

1280

00:49:34,230 --> 00:49:32,079

that was june 15th that was posted

1281

00:49:35,670 --> 00:49:34,240

and

1282

00:49:37,829 --> 00:49:35,680

as far as you know he said it has to be

1283

00:49:40,309 --> 00:49:37,839

from another galaxy well it does not

1284

00:49:42,230 --> 00:49:40,319

have to be from another galaxy and

1285

00:49:45,109 --> 00:49:42,240

you know he talks about real quick it's

1286

00:49:46,950 --> 00:49:45,119

like a pet peeve of mine he talks about

1287

00:49:48,790 --> 00:49:46,960

ezeziel's wheel

1288

00:49:51,349 --> 00:49:48,800

which people say

1289

00:49:52,470 --> 00:49:51,359

that's in the bible ezekiel's wheel is

1290

00:49:54,630 --> 00:49:52,480

um

1291

00:49:57,349 --> 00:49:54,640

a ufo but i don't think ezekiel's whale

1292

00:49:59,109 --> 00:49:57,359

was a ufo i think ezekiel's wheel is a

1293

00:50:00,950 --> 00:49:59,119

representation of the four corners of

1294

00:50:02,950 --> 00:50:00,960

the zodiac when they describe the beings

1295

00:50:05,030 --> 00:50:02,960

and i put a link on twitter i'll put it

1296

00:50:06,950 --> 00:50:05,040

in in the show notes i'll i'll also put

1297

00:50:08,790 --> 00:50:06,960

in the show notes the links to the

1298

00:50:11,030 --> 00:50:08,800

articles that i'm reading from

1299

00:50:12,710 --> 00:50:11,040

um we're not done reading from articles

1300

00:50:17,589 --> 00:50:12,720

because i want to read the billy the

1301  
00:50:21,829 --> 00:50:19,510  
yeah well the one good thing about trump

1302  
00:50:24,470 --> 00:50:21,839  
and i was sorry i wasn't i'm not a trump

1303  
00:50:26,630 --> 00:50:24,480  
fan but and as far as

1304  
00:50:27,510 --> 00:50:26,640  
this

1305  
00:50:29,670 --> 00:50:27,520  
i think

1306  
00:50:32,549 --> 00:50:29,680  
was interviewed i'm not really sure what

1307  
00:50:36,309 --> 00:50:34,309  
i'd rather interview i would rather

1308  
00:50:37,430 --> 00:50:36,319  
interview gillibrand that's that's my

1309  
00:50:39,030 --> 00:50:37,440  
target

1310  
00:50:40,710 --> 00:50:39,040  
that's who i want to hear from i want to

1311  
00:50:42,549 --> 00:50:40,720  
hear from her she has not spoken out in

1312  
00:50:44,309 --> 00:50:42,559  
any in-depth interview

1313  
00:50:46,309 --> 00:50:44,319

i want to know if she was briefed on

1314

00:50:48,470 --> 00:50:46,319

crash retrievals or if her staffers were

1315

00:50:50,069 --> 00:50:48,480

briefed on crash retrievals what could

1316

00:50:51,990 --> 00:50:50,079

she tell us about

1317

00:50:53,750 --> 00:50:52,000

uh trump did nothing

1318

00:50:55,270 --> 00:50:53,760

the same thing our ex presidents have

1319

00:50:57,270 --> 00:50:55,280

done but one

1320

00:50:58,950 --> 00:50:57,280

good thing trump did and

1321

00:51:01,349 --> 00:50:58,960

not a trump fan but he did give an

1322

00:51:03,829 --> 00:51:01,359

interview to stephanopoulos in the oval

1323

00:51:05,589 --> 00:51:03,839

office about ufos and said he was

1324

00:51:08,390 --> 00:51:05,599

briefed even though when he asked if he

1325

00:51:11,910 --> 00:51:08,400

believed his pilots were seeing ufos he

1326

00:51:13,670 --> 00:51:11,920

said not particularly so yeah

1327

00:51:15,750 --> 00:51:13,680

did not like that but at least he did

1328

00:51:17,829 --> 00:51:15,760

that but yeah i mean i was hoping he

1329

00:51:19,510 --> 00:51:17,839

would put out some more information

1330

00:51:21,030 --> 00:51:19,520

um

1331

00:51:23,589 --> 00:51:21,040

so

1332

00:51:25,430 --> 00:51:23,599

what else was talked about today on

1333

00:51:26,470 --> 00:51:25,440

twitter here's an article that ross

1334

00:51:27,910 --> 00:51:26,480

coltar

1335

00:51:28,950 --> 00:51:27,920

put out

1336

00:51:31,270 --> 00:51:28,960

um

1337

00:51:35,589 --> 00:51:31,280

somebody who used to be

1338

00:51:36,870 --> 00:51:35,599

with the office of the um department

1339

00:51:40,390 --> 00:51:36,880

the dni

1340

00:51:42,549 --> 00:51:40,400

sorry uh science and technology

1341

00:51:43,990 --> 00:51:42,559

director of national intelligence and uh

1342

00:51:46,069 --> 00:51:44,000

they were talking about basically

1343

00:51:47,670 --> 00:51:46,079

talking about the report

1344

00:51:49,349 --> 00:51:47,680

at the end of the article this was in

1345

00:51:50,710 --> 00:51:49,359

psychology today which is a mainstream

1346

00:51:53,430 --> 00:51:50,720

psychology

1347

00:51:55,430 --> 00:51:53,440

magazine online i think they also have a

1348

00:51:56,470 --> 00:51:55,440

physical magazine saying and at the end

1349

00:51:58,950 --> 00:51:56,480

he says

1350

00:52:00,630 --> 00:51:58,960

uh somewhere appears

1351  
00:52:03,589 --> 00:52:00,640  
someone somewhere appears to have

1352  
00:52:05,510 --> 00:52:03,599  
science that is out of this world so

1353  
00:52:07,109 --> 00:52:05,520  
um that's that's great to see somebody

1354  
00:52:08,710 --> 00:52:07,119  
like that he was like i said former

1355  
00:52:11,109 --> 00:52:08,720  
pentagon officers director of national

1356  
00:52:12,230 --> 00:52:11,119  
intelligence science and technology the

1357  
00:52:13,430 --> 00:52:12,240  
head of that

1358  
00:52:15,349 --> 00:52:13,440  
department

1359  
00:52:17,589 --> 00:52:15,359  
talking about the the june report the

1360  
00:52:19,510 --> 00:52:17,599  
180-day report so that's another

1361  
00:52:22,470 --> 00:52:19,520  
scientist

1362  
00:52:24,549 --> 00:52:22,480  
um and that's what i asked dean earlier

1363  
00:52:27,109 --> 00:52:24,559

i said

1364

00:52:29,829 --> 00:52:27,119

i asked dean johnson who knows how

1365

00:52:31,670 --> 00:52:29,839

washington dc dc works i said how if

1366

00:52:32,710 --> 00:52:31,680

bercht calls for public hearings like he

1367

00:52:34,230 --> 00:52:32,720

did

1368

00:52:36,790 --> 00:52:34,240

what needs to take place for that to

1369

00:52:38,630 --> 00:52:36,800

happen and dean said a chair of a panel

1370

00:52:40,870 --> 00:52:38,640

with jurisdiction would decide and

1371

00:52:43,270 --> 00:52:40,880

probably need to sign off from top

1372

00:52:45,670 --> 00:52:43,280

leadership of the house but hearings

1373

00:52:47,349 --> 00:52:45,680

without adequate groundwork

1374

00:52:49,829 --> 00:52:47,359

he thinks that's reckless it's a

1375

00:52:51,829 --> 00:52:49,839

half-baked quasi quasi hearings in the

1376

00:52:53,910 --> 00:52:51,839

60s that led to the disastrous

1377

00:52:55,829 --> 00:52:53,920

disastrous condom report

1378

00:52:58,390 --> 00:52:55,839

he thinks focusing now should be on

1379

00:53:00,790 --> 00:52:58,400

legislation gillibrand and rubio i'm

1380

00:53:02,870 --> 00:53:00,800

fine with that i mean i do want to see

1381

00:53:04,870 --> 00:53:02,880

public hearings at some point

1382

00:53:07,190 --> 00:53:04,880

um

1383

00:53:08,950 --> 00:53:07,200

i'm fine focusing on legislation the

1384

00:53:11,190 --> 00:53:08,960

lives of all of us

1385

00:53:13,190 --> 00:53:11,200

and for the umpteenth time in as many

1386

00:53:15,829 --> 00:53:13,200

years the lives of so somebody posted

1387

00:53:17,270 --> 00:53:15,839

this from 66. it's a

1388

00:53:18,309 --> 00:53:17,280

and once again let me know if there's no

1389

00:53:22,710 --> 00:53:18,319

audio

1390

00:53:24,309 --> 00:53:22,720

a 1966 cbs tbs cbs tv special it's only

1391

00:53:26,549 --> 00:53:24,319

a minute all of us

1392

00:53:28,870 --> 00:53:26,559

and for the umpteenth time in as many

1393

00:53:30,630 --> 00:53:28,880

years the air force called before a

1394

00:53:32,870 --> 00:53:30,640

congressional committee said it was

1395

00:53:34,950 --> 00:53:32,880

hiding nothing air force secretary

1396

00:53:36,870 --> 00:53:34,960

harold brown we have

1397

00:53:39,270 --> 00:53:36,880

not been hiding anything

1398

00:53:42,470 --> 00:53:39,280

the investigations have been

1399

00:53:44,630 --> 00:53:42,480

made public the explanations of those

1400

00:53:46,150 --> 00:53:44,640

where there is a clear explanation have

1401  
00:53:48,950 --> 00:53:46,160  
been made public the hearing this

1402  
00:53:51,829 --> 00:53:48,960  
morning was public for just that reason

1403  
00:53:54,829 --> 00:53:51,839  
in those cases where for lack of data or

1404  
00:53:57,910 --> 00:53:54,839  
lack of a convincing hypothesis

1405  
00:54:00,230 --> 00:53:57,920  
the sighting has been kept in the

1406  
00:54:02,549 --> 00:54:00,240  
unidentified category we've been

1407  
00:54:05,030 --> 00:54:02,559  
perfectly willing to say that too

1408  
00:54:07,270 --> 00:54:05,040  
but if the air force had nothing to hide

1409  
00:54:09,510 --> 00:54:07,280  
frank manor the michigan farmer who had

1410  
00:54:10,630 --> 00:54:09,520  
brought in the first report was caught

1411  
00:54:12,870 --> 00:54:10,640  
in the middle

1412  
00:54:14,950 --> 00:54:12,880  
he was mad well you can look at here

1413  
00:54:16,069 --> 00:54:14,960

look beer bottle's thrown look at my

1414

00:54:17,270 --> 00:54:16,079

windshield

1415

00:54:18,630 --> 00:54:17,280

what would you think if somebody was

1416

00:54:19,589 --> 00:54:18,640

throwing beer bottles at your house

1417

00:54:20,710 --> 00:54:19,599

standing out in the middle of road

1418

00:54:21,750 --> 00:54:20,720

screaming

1419

00:54:23,430 --> 00:54:21,760

uh

1420

00:54:25,430 --> 00:54:23,440

you nut they're fantastic and all that

1421

00:54:27,030 --> 00:54:25,440

what would you think are you sorry now

1422

00:54:29,910 --> 00:54:27,040

that you did tell people what you saw

1423

00:54:31,829 --> 00:54:29,920

yes i am i am i'm sorry because i it

1424

00:54:34,230 --> 00:54:31,839

not that it's not the truth but it's

1425

00:54:38,789 --> 00:54:34,240

just the idea that

1426  
00:54:43,910 --> 00:54:40,789  
and

1427  
00:54:46,630 --> 00:54:43,920  
getting to some of your comments

1428  
00:54:53,910 --> 00:54:46,640  
i can back up a little bit which

1429  
00:54:59,190 --> 00:54:56,069  
yeah as far as rubio

1430  
00:55:00,710 --> 00:54:59,200  
i'm i'm extreme left so

1431  
00:55:02,630 --> 00:55:00,720  
it doesn't matter rubio's been pretty

1432  
00:55:03,910 --> 00:55:02,640  
vocal about this and i support that i

1433  
00:55:05,430 --> 00:55:03,920  
don't know maybe he thinks it's a

1434  
00:55:11,270 --> 00:55:05,440  
winning

1435  
00:55:13,109 --> 00:55:11,280  
if we get to see it he will he'll

1436  
00:55:14,630 --> 00:55:13,119  
realize that the world not just

1437  
00:55:16,470 --> 00:55:14,640  
americans will realize how important

1438  
00:55:18,069 --> 00:55:16,480

this is and maybe gillibrand is doing

1439

00:55:20,150 --> 00:55:18,079

that too i don't know she ran for

1440

00:55:22,630 --> 00:55:20,160

president in 2020 she's probably going

1441

00:55:25,109 --> 00:55:22,640

to run again and i think rubio will run

1442

00:55:27,109 --> 00:55:25,119

and like the perfect scenario is

1443

00:55:28,309 --> 00:55:27,119

something leaks out that convinces

1444

00:55:30,630 --> 00:55:28,319

enough people that there's something

1445

00:55:33,349 --> 00:55:30,640

serious about this

1446

00:55:34,870 --> 00:55:33,359

and then they start battling on how much

1447

00:55:36,870 --> 00:55:34,880

how much who could give the most

1448

00:55:38,390 --> 00:55:36,880

disclosure for ufos let's have a

1449

00:55:41,750 --> 00:55:38,400

political battle

1450

00:55:43,510 --> 00:55:41,760

that's my uh my dream

1451  
00:55:45,670 --> 00:55:43,520  
so i'm sorry i'm trying to keep up with

1452  
00:55:47,430 --> 00:55:45,680  
the comments it's hard

1453  
00:55:49,109 --> 00:55:47,440  
to go back as far as

1454  
00:55:52,870 --> 00:55:49,119  
trump thinking that

1455  
00:55:54,789 --> 00:55:52,880  
what he was shown was chinese drones

1456  
00:55:57,510 --> 00:55:54,799  
yeah i know what green street thinks

1457  
00:55:59,109 --> 00:55:57,520  
there's no evidence

1458  
00:56:01,510 --> 00:55:59,119  
that i know of that

1459  
00:56:02,710 --> 00:56:01,520  
the west coast events specifically where

1460  
00:56:06,069 --> 00:56:02,720  
drones

1461  
00:56:07,829 --> 00:56:06,079  
uh 2019 a person i spoke to

1462  
00:56:09,670 --> 00:56:07,839  
basically said

1463  
00:56:11,109 --> 00:56:09,680

and you could say i was given

1464

00:56:12,470 --> 00:56:11,119

disinformation if you want but i was

1465

00:56:14,309 --> 00:56:12,480

basically told

1466

00:56:15,990 --> 00:56:14,319

if it was china or russia we would tell

1467

00:56:17,829 --> 00:56:16,000

you we're not going to go out of our way

1468

00:56:20,230 --> 00:56:17,839

to lie like this

1469

00:56:22,870 --> 00:56:20,240

they think those objects are totally

1470

00:56:26,789 --> 00:56:22,880

unexplained true unknowns so the west

1471

00:56:33,750 --> 00:56:31,829

and let's see let me take that down

1472

00:56:35,589 --> 00:56:33,760

i'm a classic liberal or whatever people

1473

00:56:36,950 --> 00:56:35,599

want to label me today rubio is after

1474

00:56:39,430 --> 00:56:36,960

the presidency and

1475

00:56:40,630 --> 00:56:39,440

would talk to a point yeah i think he's

1476

00:56:42,470 --> 00:56:40,640

that's fine

1477

00:56:43,990 --> 00:56:42,480

i think this supersedes any political

1478

00:56:46,630 --> 00:56:44,000

talk

1479

00:56:49,829 --> 00:56:46,640

like i said i'm pretty far left on most

1480

00:56:51,190 --> 00:56:49,839

stuff not everything most stuff

1481

00:56:52,789 --> 00:56:51,200

and

1482

00:56:54,470 --> 00:56:52,799

let me get back to some of the tweets

1483

00:56:57,349 --> 00:56:54,480

also one of the articles i do want to

1484

00:57:00,630 --> 00:56:57,359

get to is billy cox which he wrote he's

1485

00:57:02,710 --> 00:57:00,640

the most underappreciated undervalued

1486

00:57:04,630 --> 00:57:02,720

writer reporter on these subjects he's

1487

00:57:05,750 --> 00:57:04,640

somebody who did a lot of work on wilson

1488

00:57:08,150 --> 00:57:05,760

davis

1489

00:57:09,589 --> 00:57:08,160

um

1490

00:57:11,670 --> 00:57:09,599

let me get to his article i'm trying to

1491

00:57:14,870 --> 00:57:11,680

see if there's any more videos here's

1492

00:57:16,630 --> 00:57:14,880

something that jeff tweeted he said

1493

00:57:18,230 --> 00:57:16,640

he goes thanks miss thank you mr

1494

00:57:20,230 --> 00:57:18,240

burchette i just received a call while

1495

00:57:21,510 --> 00:57:20,240

driving from my senator here in the

1496

00:57:23,670 --> 00:57:21,520

midwest

1497

00:57:25,910 --> 00:57:23,680

that he was holding a live town hall so

1498

00:57:28,309 --> 00:57:25,920

i called in and asked about his position

1499

00:57:30,470 --> 00:57:28,319

on uap transparency he also was

1500

00:57:33,910 --> 00:57:30,480

open-minded minded and supportive of

1501  
00:57:35,349 --> 00:57:33,920  
ongoing uap efforts encouraging i hope

1502  
00:57:36,710 --> 00:57:35,359  
hopefully there's a recording of that

1503  
00:57:38,630 --> 00:57:36,720  
usually i don't think they always tape

1504  
00:57:40,710 --> 00:57:38,640  
their town halls i would love to hear

1505  
00:57:42,470 --> 00:57:40,720  
that but yeah the more open-mindedness

1506  
00:57:43,990 --> 00:57:42,480  
the better obviously

1507  
00:57:47,349 --> 00:57:44,000  
um

1508  
00:57:49,430 --> 00:57:47,359  
let's see yes somebody when i said that

1509  
00:57:50,390 --> 00:57:49,440  
ezekiel's wheel represents the zodiac

1510  
00:57:51,750 --> 00:57:50,400  
they're like

1511  
00:57:53,109 --> 00:57:51,760  
you know they they were like are you

1512  
00:57:55,030 --> 00:57:53,119  
serious but i'm not talking about

1513  
00:57:57,109 --> 00:57:55,040

horoscopes i'm talking about if you if

1514

00:57:58,950 --> 00:57:57,119

you know about the great year

1515

00:58:00,630 --> 00:57:58,960

uh plato talked about the great year

1516

00:58:01,430 --> 00:58:00,640

there's a great documentary the great

1517

00:58:04,309 --> 00:58:01,440

year

1518

00:58:06,309 --> 00:58:04,319

from james earl jones he narrates it

1519

00:58:08,789 --> 00:58:06,319

and

1520

00:58:11,829 --> 00:58:08,799

it's basically there's a 25 000 20 i

1521

00:58:12,950 --> 00:58:11,839

think it's like 26 000 years 25 920

1522

00:58:14,710 --> 00:58:12,960

years

1523

00:58:16,710 --> 00:58:14,720

it goes in a big circle procession the

1524

00:58:19,670 --> 00:58:16,720

earth is angled i think at 23 and a half

1525

00:58:21,510 --> 00:58:19,680

degrees and if you look up in the sky

1526

00:58:23,990 --> 00:58:21,520

you look at a star it'll go around in a

1527

00:58:26,589 --> 00:58:24,000

big circle and it'll take 26 000 years

1528

00:58:29,349 --> 00:58:26,599

and you divide that into 12 which is

1529

00:58:31,589 --> 00:58:29,359

2160 years each age so you got the age

1530

00:58:33,670 --> 00:58:31,599

of taurus the age of pisces the age of

1531

00:58:36,069 --> 00:58:33,680

aquarius that's what that is it's

1532

00:58:38,069 --> 00:58:36,079

basically a way to keep track of time

1533

00:58:39,190 --> 00:58:38,079

long form time

1534

00:58:40,309 --> 00:58:39,200

so

1535

00:58:41,990 --> 00:58:40,319

you know if there are certain things

1536

00:58:43,270 --> 00:58:42,000

that are cyclical on this planet that's

1537

00:58:44,549 --> 00:58:43,280

the way you would keep track of it

1538

00:58:47,109 --> 00:58:44,559

whether or not that's why it's

1539

00:58:49,430 --> 00:58:47,119

everywhere the zodiac is everywhere

1540

00:58:52,309 --> 00:58:49,440

around the globe and and the procession

1541

00:58:53,990 --> 00:58:52,319

stuff is embedded in so many myths for

1542

00:58:55,349 --> 00:58:54,000

thousands of years why were they so

1543

00:58:57,670 --> 00:58:55,359

obsessed with that

1544

00:58:59,030 --> 00:58:57,680

that's something that may maybe it's

1545

00:59:01,270 --> 00:58:59,040

connected to what we're dealing with on

1546

00:59:02,470 --> 00:59:01,280

this planet as far as ufos i don't know

1547

00:59:04,870 --> 00:59:02,480

but it's something i really have an

1548

00:59:06,630 --> 00:59:04,880

interest in um

1549

00:59:08,870 --> 00:59:06,640

yeah i'm not gonna put up

1550

00:59:10,309 --> 00:59:08,880

criticism of rubio i'm just i can

1551

00:59:12,230 --> 00:59:10,319

criticize there's so many politicians i

1552

00:59:15,190 --> 00:59:12,240

can criticize

1553

00:59:17,670 --> 00:59:15,200

and i was not a rubio fan but he spoke

1554

00:59:19,750 --> 00:59:17,680

out about it so

1555

00:59:21,589 --> 00:59:19,760

right i'm trying to see what else let me

1556

00:59:23,589 --> 00:59:21,599

read the billy cox

1557

00:59:25,510 --> 00:59:23,599

article let me get rid of this

1558

00:59:27,750 --> 00:59:25,520

because i said billy cox phil did a

1559

00:59:30,150 --> 00:59:27,760

great job

1560

00:59:33,829 --> 00:59:30,160

give me one second let's see

1561

00:59:35,910 --> 00:59:33,839

really here we go

1562

00:59:38,309 --> 00:59:35,920

okay billy cox

1563

00:59:42,470 --> 00:59:38,319

used to work for the sarasota

1564

00:59:43,990 --> 00:59:42,480

herald tribune and he had a blog

1565

00:59:45,430 --> 00:59:44,000

i'm drawing a blank what his blog was

1566

00:59:47,750 --> 00:59:45,440

called but his big thing is he calls

1567

00:59:49,349 --> 00:59:47,760

this the great taboo ufos

1568

00:59:50,789 --> 00:59:49,359

uh there's there's some things i do not

1569

00:59:52,230 --> 00:59:50,799

agree with in this article which i will

1570

00:59:54,150 --> 00:59:52,240

point out

1571

00:59:55,990 --> 00:59:54,160

not from billy though

1572

00:59:58,069 --> 00:59:56,000

uh congress is on the brink of passing

1573

01:00:00,630 --> 00:59:58,079

well maybe some things congress is on

1574

01:00:02,870 --> 01:00:00,640

the brink of passing

1575

01:00:04,630 --> 01:00:02,880

legislation

1576

01:00:06,630 --> 01:00:04,640

that could break the military

1577

01:00:08,390 --> 01:00:06,640

intelligence military

1578

01:00:11,190 --> 01:00:08,400

military intelligence stranglehold on

1579

01:00:13,349 --> 01:00:11,200

the truth about ufos will lawmakers have

1580

01:00:14,309 --> 01:00:13,359

the resolve to pull the trigger

1581

01:00:15,910 --> 01:00:14,319

and i've

1582

01:00:18,710 --> 01:00:15,920

i think billy's pretty encouraged that

1583

01:00:21,349 --> 01:00:18,720

this is going on right now um

1584

01:00:24,630 --> 01:00:21,359

like i said he did some amazing work on

1585

01:00:26,710 --> 01:00:24,640

wilson davis he has quotes from

1586

01:00:29,109 --> 01:00:26,720

oak shannon who was connected to wilson

1587

01:00:32,069 --> 01:00:29,119

davis and he interviewed tom wilson who

1588

01:00:34,470 --> 01:00:32,079

gave billy a really detailed denial

1589

01:00:37,430 --> 01:00:34,480

about meeting with eric davis back in

1590

01:00:38,789 --> 01:00:37,440

2002 which i don't believe

1591

01:00:41,589 --> 01:00:38,799

um

1592

01:00:43,910 --> 01:00:41,599

but eric davis i mean

1593

01:00:45,510 --> 01:00:43,920

billy cox just did him did amazing work

1594

01:00:47,030 --> 01:00:45,520

you know just calling as many people as

1595

01:00:48,950 --> 01:00:47,040

as he could who were listed in the

1596

01:00:52,390 --> 01:00:48,960

wilson davis documents

1597

01:00:55,910 --> 01:00:54,549

uh yeah just one quote

1598

01:00:57,750 --> 01:00:55,920

coin exchange because i know i'm gonna

1599

01:00:59,670 --> 01:00:57,760

lose your quote if people hear a comment

1600

01:01:01,190 --> 01:00:59,680

ezekeiel's wheel was under the control of

1601  
01:01:03,670 --> 01:01:01,200  
four angels nothing to do with the

1602  
01:01:05,829 --> 01:01:03,680  
zodiac okay

1603  
01:01:08,150 --> 01:01:05,839  
i can't prove that um i can't prove my

1604  
01:01:09,430 --> 01:01:08,160  
zodiac theory either but if i will link

1605  
01:01:11,030 --> 01:01:09,440  
i'll link to the article about the

1606  
01:01:13,510 --> 01:01:11,040  
zodiac and people can read it and decide

1607  
01:01:16,150 --> 01:01:13,520  
for themselves there's so much astro

1608  
01:01:18,630 --> 01:01:16,160  
theology in the bible and other

1609  
01:01:21,349 --> 01:01:18,640  
other um sacred texts it's not just the

1610  
01:01:23,190 --> 01:01:21,359  
bible and like i said the zodiac i

1611  
01:01:25,750 --> 01:01:23,200  
remember going to a church in

1612  
01:01:28,390 --> 01:01:25,760  
norway in oslo it was outside of oslo

1613  
01:01:30,390 --> 01:01:28,400

and it was this giant rendition it was

1614

01:01:32,630 --> 01:01:30,400

like a 3d it wasn't a drawing it was

1615

01:01:34,230 --> 01:01:32,640

like a physical object and it was the

1616

01:01:35,829 --> 01:01:34,240

zodiac it was in the middle of the

1617

01:01:36,630 --> 01:01:35,839

church and i asked the person who worked

1618

01:01:38,630 --> 01:01:36,640

there

1619

01:01:40,470 --> 01:01:38,640

my girlfriend at the time i said ask him

1620

01:01:42,630 --> 01:01:40,480

what is this what is this why is the

1621

01:01:44,710 --> 01:01:42,640

zodiac in the middle of your church and

1622

01:01:46,470 --> 01:01:44,720

the guy the guy answered he said he

1623

01:01:48,069 --> 01:01:46,480

didn't know he probably wasn't like the

1624

01:01:50,309 --> 01:01:48,079

leader of the church but somebody who

1625

01:01:52,630 --> 01:01:50,319

worked there did not know the zodiac is

1626

01:01:55,029 --> 01:01:52,640

everywhere and in

1627

01:01:57,029 --> 01:01:55,039

down in town time town square in the

1628

01:01:58,630 --> 01:01:57,039

middle of oslo you look up at this clock

1629

01:02:02,390 --> 01:01:58,640

oh look it's the zodiac it was

1630

01:02:07,109 --> 01:02:04,390

so

1631

01:02:09,910 --> 01:02:07,119

we're talking about

1632

01:02:12,309 --> 01:02:09,920

robert powell so robert powell

1633

01:02:14,630 --> 01:02:12,319

works for

1634

01:02:16,870 --> 01:02:14,640

the scu

1635

01:02:18,789 --> 01:02:16,880

the scientific coalition for this i

1636

01:02:20,390 --> 01:02:18,799

don't know their exact name it's

1637

01:02:22,390 --> 01:02:20,400

study of ufology and they're mentioned

1638

01:02:23,430 --> 01:02:22,400

in the gila brand they're mentioned in

1639

01:02:24,870 --> 01:02:23,440

the gillibrand

1640

01:02:27,829 --> 01:02:24,880

legislation so

1641

01:02:29,510 --> 01:02:27,839

so billy goes billy billy writes

1642

01:02:31,589 --> 01:02:29,520

as he white as he waits to see if

1643

01:02:33,109 --> 01:02:31,599

congress really will have the guts to

1644

01:02:35,029 --> 01:02:33,119

alter the course of history and

1645

01:02:37,349 --> 01:02:35,039

authorize an official

1646

01:02:39,589 --> 01:02:37,359

no bull jive subpoena power

1647

01:02:42,710 --> 01:02:39,599

investigation into ufos

1648

01:02:45,109 --> 01:02:42,720

robert powell remembers being shocked in

1649

01:02:46,789 --> 01:02:45,119

a good way when the news quietly broke

1650

01:02:48,710 --> 01:02:46,799

last month

1651

01:02:51,190 --> 01:02:48,720

i wasn't shocked but i was surprised i

1652

01:02:53,990 --> 01:02:51,200

did not expect senator gillibrand what

1653

01:02:55,910 --> 01:02:54,000

the hell where'd that come from

1654

01:02:59,430 --> 01:02:55,920

senator gillibrand's blockbuster

1655

01:03:01,270 --> 01:02:59,440

addition to the ndaa was dead serious it

1656

01:03:03,910 --> 01:03:01,280

pitched among other things bringing

1657

01:03:06,150 --> 01:03:03,920

honest brokers into the discussion

1658

01:03:09,190 --> 01:03:06,160

including the non-profit scientific

1659

01:03:10,630 --> 01:03:09,200

coalition for uap studies scu there's

1660

01:03:12,789 --> 01:03:10,640

the name

1661

01:03:14,230 --> 01:03:12,799

seu had no prior discussions with

1662

01:03:17,589 --> 01:03:14,240

government types

1663

01:03:19,510 --> 01:03:17,599

says executive board member powell so

1664

01:03:20,710 --> 01:03:19,520

how did the suu make it into

1665

01:03:22,390 --> 01:03:20,720

gillibrand's amendment if they didn't

1666

01:03:24,789 --> 01:03:22,400

have any discussion with any government

1667

01:03:26,630 --> 01:03:24,799

types that's really odd somebody

1668

01:03:29,349 --> 01:03:26,640

somebody who was somebody who had the

1669

01:03:32,069 --> 01:03:29,359

ear of gillibrand obviously was aware of

1670

01:03:35,109 --> 01:03:32,079

them and liked their work so they were

1671

01:03:37,589 --> 01:03:35,119

mentioned as being part of that office

1672

01:03:40,150 --> 01:03:37,599

um but they didn't have any contact with

1673

01:03:44,150 --> 01:03:40,160

folks and and yet on november 4th there

1674

01:03:46,789 --> 01:03:44,160

it was a radical proposal to establish a

1675

01:03:48,870 --> 01:03:46,799

formal ufo investigation office the

1676

01:03:51,430 --> 01:03:48,880

anomaly surveillance tracking and

1677

01:03:54,150 --> 01:03:51,440

resolution office astro

1678

01:03:56,390 --> 01:03:54,160

if sanctioned scu would join astros

1679

01:03:59,029 --> 01:03:56,400

aerial and trans medium phenomena

1680

01:04:01,270 --> 01:03:59,039

advisory committee

1681

01:04:04,630 --> 01:04:01,280

that pending committee is a fast company

1682

01:04:08,630 --> 01:04:04,640

lit company list with seriously eclectic

1683

01:04:10,789 --> 01:04:08,640

credibility i.e nasa the faa the

1684

01:04:12,789 --> 01:04:10,799

national academy of sciences the

1685

01:04:15,029 --> 01:04:12,799

national academy of engineering the

1686

01:04:17,190 --> 01:04:15,039

national academy of medicine harvard

1687

01:04:19,270 --> 01:04:17,200

harvard's galileo project the american

institute of aeronautics

1689

01:04:23,829 --> 01:04:21,680

astronautics and aeronautics

montana state's optical technology

1691

and remote sensing

1694

01:04:38,150 --> 01:04:35,680

merry christmas

1695

01:04:40,470 --> 01:04:38,160

billy has humor when he writes

1696

01:04:42,309 --> 01:04:40,480

yes it's amazing we need gillibrand

1697

01:04:44,150 --> 01:04:42,319

gillibrand villagram gila brands gila

1698

01:04:45,589 --> 01:04:44,160

brand rubio

1699

01:04:47,349 --> 01:04:45,599

quote

1700

01:04:50,069 --> 01:04:47,359

from powell i never thought i would live

1701

01:04:51,190 --> 01:04:50,079

to see it get this far i really didn't

1702

01:04:53,190 --> 01:04:51,200

says powell

1703

01:04:54,390 --> 01:04:53,200

co-author of the largely overlooked

1704

01:04:57,510 --> 01:04:54,400

radar heavy

1705

01:05:00,150 --> 01:04:57,520

spade work that exposed how a ufo flew

1706

01:05:04,230 --> 01:05:00,160

over flew unchallenged over george w

1707

01:05:06,470 --> 01:05:04,240

bush's texas ranch in 2008 while f-16

1708

01:05:08,390 --> 01:05:06,480

fighters backed off and there's a link

1709

01:05:11,029 --> 01:05:08,400

to the article there's a link to that

1710

01:05:12,950 --> 01:05:11,039

paper by robert powell

1711

01:05:14,789 --> 01:05:12,960

which i will put in the notes it's a

1712

01:05:18,069 --> 01:05:14,799

very in-depth look

1713

01:05:20,150 --> 01:05:18,079

at the case in stevensville texas

1714

01:05:21,990 --> 01:05:20,160

did they say stevensville here

1715

01:05:24,309 --> 01:05:22,000

but it happened over it actually went

1716

01:05:26,470 --> 01:05:24,319

over george w bush's ranch

1717

01:05:28,470 --> 01:05:26,480

and it's some of the best work that sdu

1718

01:05:29,190 --> 01:05:28,480

has done

1719

01:05:33,829 --> 01:05:29,200

and

1720

01:05:36,789 --> 01:05:33,839

curiosity at scu has since produced

1721

01:05:39,910 --> 01:05:36,799

forensic analysis of some high profile

1722

01:05:43,430 --> 01:05:39,920

cases most prominently the tic tac

1723

01:05:45,270 --> 01:05:43,440

from 2004 and the aguadilla surprise

1724

01:05:47,829 --> 01:05:45,280

with video footage capturing trans

1725

01:05:50,870 --> 01:05:47,839

medium ufo behavior off puerto rico in

1726

01:05:58,069 --> 01:05:53,430

and any comments about this i'm just

1727

01:06:02,150 --> 01:06:00,470

yeah we'll see if if the amendment will

1728

01:06:04,870 --> 01:06:02,160

be watered down you'll i don't know

1729

01:06:06,470 --> 01:06:04,880

we'll see

1730

01:06:08,470 --> 01:06:06,480

uh skinwalker

1731

01:06:10,309 --> 01:06:08,480

i don't think the folks in congress are

1732

01:06:12,069 --> 01:06:10,319

focused on skin or skin walker

1733

01:06:14,549 --> 01:06:12,079

whatsoever but if they care about

1734

01:06:16,069 --> 01:06:14,559

protecting uh people they're

1735

01:06:17,270 --> 01:06:16,079

american people from whatever these

1736

01:06:19,029 --> 01:06:17,280

objects are

1737

01:06:19,910 --> 01:06:19,039

hell if they if they need to argue this

1738

01:06:21,589 --> 01:06:19,920

is a

1739

01:06:22,950 --> 01:06:21,599

black technology then make the argument

1740

01:06:24,789 --> 01:06:22,960

then later on if it's not black

1741

01:06:26,789 --> 01:06:24,799

technology well at least we we're

1742

01:06:28,470 --> 01:06:26,799

actually studying this and helping

1743

01:06:30,150 --> 01:06:28,480

people who are injured like i said

1744

01:06:32,710 --> 01:06:30,160

people have died from having up close

1745

01:06:34,870 --> 01:06:32,720

encounters with these objects

1746

01:06:37,109 --> 01:06:34,880

ufos and governments people and i will

1747

01:06:38,710 --> 01:06:37,119

link to this one too

1748

01:06:40,710 --> 01:06:38,720

um

1749

01:06:42,230 --> 01:06:40,720

i need to read it i have it i've seen

1750

01:06:44,230 --> 01:06:42,240

quotes i've seen interviews with some of

1751

01:06:46,630 --> 01:06:44,240

the people involved

1752

01:06:48,390 --> 01:06:46,640

michael vi told me about that book i had

1753

01:06:50,630 --> 01:06:48,400

never heard about it tom until he told

1754

01:06:52,789 --> 01:06:50,640

me i'm like how is this book new to me

1755

01:06:55,349 --> 01:06:52,799

it's such a great book i mean

1756

01:06:57,829 --> 01:06:55,359

it's all government all government

1757

01:06:58,829 --> 01:06:57,839

documents and right tom i think it's all

1758

01:07:01,029 --> 01:06:58,839

government

1759

01:07:04,150 --> 01:07:01,039

documents um

1760

01:07:06,470 --> 01:07:04,160

it's something if you're strictly

1761

01:07:09,430 --> 01:07:06,480

conservative and just want to stick

1762

01:07:12,230 --> 01:07:09,440

to government documents

1763

01:07:16,630 --> 01:07:12,240

i think that's the book to go for and

1764

01:07:21,670 --> 01:07:18,950

i believe the bill authorizes

1765

01:07:23,910 --> 01:07:21,680

money for the paranormal no doesn't it

1766

01:07:26,309 --> 01:07:23,920

it authorizes money for a field office

1767

01:07:28,549 --> 01:07:26,319

to study human effects

1768

01:07:30,309 --> 01:07:28,559

and if they study yeah tom says about

1769

01:07:32,710 --> 01:07:30,319

that book

1770

01:07:35,670 --> 01:07:32,720

history of the government connection

1771

01:07:38,309 --> 01:07:35,680

i'll link to it but gillibrand does not

1772

01:07:39,829 --> 01:07:38,319

authorize money for the paranormal but

1773

01:07:41,270 --> 01:07:39,839

if they have a field office and they go

1774

01:07:43,109 --> 01:07:41,280

out investigate

1775

01:07:44,950 --> 01:07:43,119

cases and there are people who had close

1776

01:07:46,470 --> 01:07:44,960

encounters

1777

01:07:48,710 --> 01:07:46,480

they're going to encounter people who

1778

01:07:51,670 --> 01:07:48,720

have had paranormal or paranormal

1779

01:07:53,430 --> 01:07:51,680

experiences and as comp kelleher said

1780

01:07:55,349 --> 01:07:53,440

if you follow these witnesses for a few

1781

01:07:57,510 --> 01:07:55,359

days you're probably not going to get

1782

01:07:58,870 --> 01:07:57,520

those stories if you follow them for a

1783

01:08:00,950 --> 01:07:58,880

few weeks

1784

01:08:03,029 --> 01:08:00,960

a few months a few years he goes that's

1785

01:08:04,710 --> 01:08:03,039

when the stories come out as time goes

1786

01:08:05,589 --> 01:08:04,720

on after their encounter and then they

1787

01:08:07,270 --> 01:08:05,599

also

1788

01:08:09,190 --> 01:08:07,280

they'll open up more as time goes on

1789

01:08:10,549 --> 01:08:09,200

because they do not want to talk about

1790

01:08:12,549 --> 01:08:10,559

they don't want to talk about the stuff

1791

01:08:14,630 --> 01:08:12,559

because even people in ufology have a

1792

01:08:17,669 --> 01:08:14,640

problem with it but it's happening it's

1793

01:08:19,189 --> 01:08:17,679

been happening for a long time so

1794

01:08:20,950 --> 01:08:19,199

anyway let me get back back to this

1795

01:08:23,590 --> 01:08:20,960

article

1796

01:08:27,030 --> 01:08:23,600

since the erosion of the stigma began in

1797

01:08:28,749 --> 01:08:27,040

december 20 uh december of 2017 which is

1798

01:08:30,630 --> 01:08:28,759

the new york times article

1799

01:08:32,870 --> 01:08:30,640

multi-disciplinary scientists have been

1800

01:08:34,709 --> 01:08:32,880

flocking to scu in hopes of bringing

1801

01:08:36,070 --> 01:08:34,719

experience and intuition to bear on the

1802

01:08:38,070 --> 01:08:36,080

puzzle

1803

01:08:40,309 --> 01:08:38,080

we've got about 170 members now and

1804

01:08:43,030 --> 01:08:40,319

about a third have phds in everything

1805

01:08:44,309 --> 01:08:43,040

from physics to chemistry and astronomy

1806

01:08:46,390 --> 01:08:44,319

powell says

1807

01:08:47,430 --> 01:08:46,400

and we haven't even tried to recruit

1808

01:08:52,709 --> 01:08:47,440

people

1809

01:08:57,749 --> 01:08:55,349

what's his name

1810

01:09:00,229 --> 01:08:57,759

will not will the other person who i

1811

01:09:01,749 --> 01:09:00,239

know at scu

1812

01:09:03,510 --> 01:09:01,759

drawing a blank but he lives down in

1813

01:09:08,789 --> 01:09:03,520

alabama

1814

01:09:12,070 --> 01:09:08,799

also at aerospace

1815

01:09:14,950 --> 01:09:12,080

so they're not too far from each other

1816

01:09:17,430 --> 01:09:14,960

and i'm drawing a blank anyway

1817

01:09:19,349 --> 01:09:17,440

powell co-author of ufos in government

1818

01:09:20,390 --> 01:09:19,359

the book that tom brought up which is a

1819

01:09:22,870 --> 01:09:20,400

book

1820

01:09:24,390 --> 01:09:22,880

that everybody should read

1821

01:09:26,309 --> 01:09:24,400

and i'm telling you that without reading

1822

01:09:28,229 --> 01:09:26,319

it because the people who i know like

1823

01:09:30,229 --> 01:09:28,239

michael vi and tom

1824

01:09:31,910 --> 01:09:30,239

are two top-notch people if they say

1825

01:09:33,510 --> 01:09:31,920

read a book and i've seen i have the

1826

01:09:35,189 --> 01:09:33,520

book i've gone through it i've seen

1827

01:09:36,550 --> 01:09:35,199

lectures on the book and what was pulled

1828

01:09:38,390 --> 01:09:36,560

from the book

1829

01:09:39,269 --> 01:09:38,400

certain you know certain quotes i'm like

1830

01:09:41,590 --> 01:09:39,279

i had

1831

01:09:43,749 --> 01:09:41,600

no idea that quote existed so

1832

01:09:45,590 --> 01:09:43,759

it's it's a very important book in my

1833

01:09:47,510 --> 01:09:45,600

opinion as far as i can say without

1834

01:09:49,189 --> 01:09:47,520

actually reading it but i trust tom and

1835

01:09:50,789 --> 01:09:49,199

i trust michael

1836

01:09:52,789 --> 01:09:50,799

co-author of ufos of government the

1837

01:09:55,350 --> 01:09:52,799

granular history of how the us wound up

1838

01:09:57,830 --> 01:09:55,360

in the gordian nod it's in now powell

1839

01:10:00,310 --> 01:09:57,840

says scu can bring the long view to the

1840

01:10:02,950 --> 01:10:00,320

table for congressional audiences

1841

01:10:04,470 --> 01:10:02,960

if this pending milestone comes to pass

1842

01:10:06,870 --> 01:10:04,480

the ndaa

1843

01:10:09,270 --> 01:10:06,880

awaits a vote maybe this week

1844

01:10:10,950 --> 01:10:09,280

but even if gillibrand's add-on survives

1845

01:10:13,189 --> 01:10:10,960

getting federal institutions to

1846

01:10:15,510 --> 01:10:13,199

cooperate on these previously forbidden

1847

01:10:16,470 --> 01:10:15,520

matters is bound to test the rigor of

1848

01:10:19,750 --> 01:10:16,480

political

1849

01:10:21,910 --> 01:10:19,760

folks playing the short game

1850

01:10:23,910 --> 01:10:21,920

and like i said billy's been at this for

1851

01:10:25,510 --> 01:10:23,920

a really long time folks should sign up

1852

01:10:28,070 --> 01:10:25,520

for his just sign up for his email

1853

01:10:28,830 --> 01:10:28,080

alerts when he gets a new article out

1854

01:10:30,709 --> 01:10:28,840

he

1855

01:10:32,149 --> 01:10:30,719

um

1856

01:10:33,350 --> 01:10:32,159

he's one of the top people you just

1857

01:10:34,950 --> 01:10:33,360

don't hear about him because he doesn't

1858

01:10:38,310 --> 01:10:34,960

promote his stuff

1859

01:10:41,030 --> 01:10:38,320

rarely he'll promote stuff very rare

1860

01:10:42,550 --> 01:10:41,040

it's not kevin knuth um

1861

01:10:43,590 --> 01:10:42,560

as far as

1862

01:10:45,510 --> 01:10:43,600

this is the book that we're talking

1863

01:10:47,910 --> 01:10:45,520

about i guess i'll i'll link to it in

1864

01:10:50,709 --> 01:10:47,920

the in the cred in the um show notes

1865

01:10:53,030 --> 01:10:50,719

it's not kevin knows scu it's um

1866

01:10:56,310 --> 01:10:53,040

i can't believe i'm rich hoffman rich

1867

01:11:01,830 --> 01:10:59,990

so the dog's gonna go crazy let's see

1868

01:11:07,030 --> 01:11:01,840

i might have to stop another second just

1869

01:11:14,550 --> 01:11:08,950

all right so

1870

01:11:17,990 --> 01:11:16,950

ominously just last week

1871

01:11:19,750 --> 01:11:18,000

in what appeared to be a good

1872

01:11:21,990 --> 01:11:19,760

old-fashioned up yours to the

1873

01:11:25,030 --> 01:11:22,000

congressional inquiry that's that's

1874

01:11:26,870 --> 01:11:25,040

billy's humor there uh deputy secretary

1875

01:11:29,430 --> 01:11:26,880

of defense kathleen hicks tried to turn

1876

01:11:31,189 --> 01:11:29,440

the bipartisan amendments flank

1877

01:11:33,189 --> 01:11:31,199

following three quarters of a century

1878

01:11:35,830 --> 01:11:33,199

without a coherent policy on ufo

1879

01:11:38,630 --> 01:11:35,840

incursions into sovereign airspace just

1880

01:11:40,149 --> 01:11:38,640

two days before the thanksgiving holiday

1881

01:11:41,590 --> 01:11:40,159

the deputy secretary of defense

1882

01:11:43,110 --> 01:11:41,600

announced the formation of something

1883

01:11:44,550 --> 01:11:43,120

called the airborne object

1884

01:11:47,270 --> 01:11:44,560

identification and management

1885

01:11:49,270 --> 01:11:47,280

synchronization group

1886

01:11:50,790 --> 01:11:49,280

take a big breath presented as the

1887

01:11:53,910 --> 01:11:50,800

successor to the lightweight and

1888

01:11:56,630 --> 01:11:53,920

congressionally mandated uap task force

1889

01:11:58,790 --> 01:11:56,640

aoi msg is the basement hunchback

1890

01:12:00,630 --> 01:11:58,800

version of the gillibrand legislation

1891

01:12:02,709 --> 01:12:00,640

its mission statement according to the

1892

01:12:04,470 --> 01:12:02,719

formal announcement is to coordinate

1893

01:12:07,430 --> 01:12:04,480

military and intelligence efforts to

1894

01:12:11,070 --> 01:12:07,440

evaluate ufos with zero stated interest

1895

01:12:13,510 --> 01:12:11,080

in looking at civilian uap incidents

1896

01:12:16,070 --> 01:12:13,520

aoymsg makes no mention of including a

1897

01:12:18,630 --> 01:12:16,080

civilian scientific advisory board no

1898

01:12:20,550 --> 01:12:18,640

mention of briefings classified or

1899

01:12:22,390 --> 01:12:20,560

otherwise to lawmakers

1900

01:12:24,870 --> 01:12:22,400

at a monday press conference the

1901

01:12:27,350 --> 01:12:24,880

disassembling chores fell to pentagon

1902

01:12:30,709 --> 01:12:27,360

press secretary john kirby who tried to

1903

01:12:31,669 --> 01:12:30,719

sell aoi msg as a routine housekeeping

1904

01:12:33,430 --> 01:12:31,679

measure

1905

01:12:35,590 --> 01:12:33,440

i can assure you

1906

01:12:38,470 --> 01:12:35,600

kirby replied to a question about public

1907

01:12:41,830 --> 01:12:38,480

accountability that our intention is to

1908

01:12:43,669 --> 01:12:41,840

be as transparent about this as we can

1909

01:12:45,990 --> 01:12:43,679

given that there will be national

1910

01:12:48,830 --> 01:12:46,000

security considerations we will have to

1911

01:12:52,709 --> 01:12:51,189

mind that's billy

1912

01:12:55,189 --> 01:12:52,719

the most interesting line and by the way

1913

01:12:56,950 --> 01:12:55,199

that was not an impersonation of kirby

1914

01:12:59,830 --> 01:12:56,960

uh the most interesting language in the

1915

01:13:02,709 --> 01:12:59,840

aoi msg directive calls for figuring out

1916

01:13:04,709 --> 01:13:02,719

how to prevent or mitigate any risks

1917

01:13:07,590 --> 01:13:04,719

posed by ufos

1918

01:13:09,350 --> 01:13:07,600

prevent or mitigate hmm

1919

01:13:11,990 --> 01:13:09,360

how might we do that

1920

01:13:14,390 --> 01:13:12,000

open fire with classified pulse weapons

1921

01:13:15,830 --> 01:13:14,400

and get boomeranged to smithereens in

1922

01:13:17,990 --> 01:13:15,840

broad daylight

1923

01:13:20,870 --> 01:13:18,000

hey can i please write that press

1924

01:13:22,709 --> 01:13:20,880

release please anyway regardless of what

1925

01:13:24,550 --> 01:13:22,719

happens with the bill powell says

1926

01:13:25,430 --> 01:13:24,560

capitol hill still hasn't gone far

1927

01:13:27,510 --> 01:13:25,440

enough

1928

01:13:29,910 --> 01:13:27,520

not yet

1929

01:13:32,470 --> 01:13:29,920

and he's quoting powell here in order to

1930

01:13:34,709 --> 01:13:32,480

avoid another repeat of the past and

1931

01:13:37,590 --> 01:13:34,719

powell somebody who's

1932

01:13:39,430 --> 01:13:37,600

very well informed about the past

1933

01:13:41,270 --> 01:13:39,440

congress really needs to take a look

1934

01:13:43,270 --> 01:13:41,280

take an additional step that we haven't

1935

01:13:45,590 --> 01:13:43,280

taken yet and that is they need to

1936

01:13:47,750 --> 01:13:45,600

provide funds for academia to

1937

01:13:49,669 --> 01:13:47,760

investigate the phenomenon

1938

01:13:51,110 --> 01:13:49,679

i totally agree i would love and i've

1939

01:13:52,550 --> 01:13:51,120

said this and i'll continue to say that

1940

01:13:55,510 --> 01:13:52,560

i would love for the government not to

1941

01:13:57,990 --> 01:13:55,520

be involved in any of this except

1942

01:13:59,910 --> 01:13:58,000

i want all of their data that's what i

1943

01:14:02,630 --> 01:13:59,920

want i want all the data to go to a

1944

01:14:05,510 --> 01:14:02,640

private organization so we can study it

1945

01:14:07,270 --> 01:14:05,520

study and have weep weekly or monthly

1946

01:14:09,189 --> 01:14:07,280

updates monthly updates on what's going

1947

01:14:11,430 --> 01:14:09,199

on and what's being found

1948

01:14:13,590 --> 01:14:11,440

so

1949

01:14:15,270 --> 01:14:13,600

that's what he's saying and he's saying

1950

01:14:17,590 --> 01:14:15,280

provide funds for academia to

1951

01:14:19,669 --> 01:14:17,600

investigate the phenomenon powell says

1952

01:14:22,149 --> 01:14:19,679

from austin texas where he is not in

1953

01:14:24,070 --> 01:14:22,159

academia because i've really kind of

1954

01:14:25,830 --> 01:14:24,080

given up on any hope that the military

1955

01:14:27,590 --> 01:14:25,840

and our government institutions will

1956

01:14:29,750 --> 01:14:27,600

ever release all the information they

1957

01:14:32,870 --> 01:14:29,760

have he may be right doesn't mean we

1958

01:14:39,110 --> 01:14:36,229

we need to find out jeremy corbell

1959

01:14:40,870 --> 01:14:39,120

mentioned a specific area excuse me

1960

01:14:42,870 --> 01:14:40,880

specific area where

1961

01:14:44,709 --> 01:14:42,880

this data warehouse exists and by the

1962

01:14:46,550 --> 01:14:44,719

way the other day

1963

01:14:49,189 --> 01:14:46,560

another depressing note

1964

01:14:51,669 --> 01:14:49,199

uh an interview that calm kelleher did

1965

01:14:52,550 --> 01:14:51,679

with the paracast he said that he thinks

1966

01:14:54,630 --> 01:14:52,560

when

1967

01:14:56,149 --> 01:14:54,640

the government went from physical files

1968

01:14:58,149 --> 01:14:56,159

over to digital that they may have

1969

01:15:01,510 --> 01:14:58,159

gotten rid of a lot of ufo related

1970

01:15:02,950 --> 01:15:01,520

information and that would be a disaster

1971

01:15:05,830 --> 01:15:02,960

if that happened we'll never get that

1972

01:15:09,669 --> 01:15:08,310

to wit in 2010

1973

01:15:12,709 --> 01:15:09,679

and this is where we start getting some

1974

01:15:14,470 --> 01:15:12,719

stuff i don't agree with but

1975

01:15:16,070 --> 01:15:14,480

still a big fan of billy's and it's more

1976

01:15:18,709 --> 01:15:16,080

of the quotes he's got he got from

1977

01:15:21,110 --> 01:15:18,719

somebody in 2010 the advanced aerospace

1978

01:15:23,110 --> 01:15:21,120

weapon system applications program

1979

01:15:26,550 --> 01:15:23,120

submitted the results of its two-year 22

1980

01:15:28,149 --> 01:15:26,560

million ufo study to defend to the dia

1981

01:15:29,990 --> 01:15:28,159

where it's been closeted in the dark

1982

01:15:31,830 --> 01:15:30,000

ever since and that makes the timing of

1983

01:15:35,669 --> 01:15:31,840

the pentagon's unpronounceable

1984

01:15:39,910 --> 01:15:35,679

unpronounceable aoi msg hoo-ha

1985

01:15:41,350 --> 01:15:39,920

suspicious at best powell says

1986

01:15:43,110 --> 01:15:41,360

they waited until the gila brand

1987

01:15:45,430 --> 01:15:43,120

amendment came out before they moved on

1988

01:15:47,590 --> 01:15:45,440

it powell says it's like they read the

1989

01:15:50,149 --> 01:15:47,600

language of the bill and said wait a

1990

01:15:52,550 --> 01:15:50,159

minute this is really detailed we won't

1991

01:15:54,550 --> 01:15:52,560

have control of this anymore there's a

1992

01:15:57,830 --> 01:15:54,560

picture of elizondo with powell in the

1993

01:16:02,630 --> 01:15:59,910

that's from 2019

1994

01:16:03,830 --> 01:16:02,640

where the seo seo hosted

1995

01:16:06,950 --> 01:16:03,840

uh

1996

01:16:09,430 --> 01:16:06,960

lou and he spoke and i transcribed that

1997

01:16:11,350 --> 01:16:09,440

entire interview lecture i transcribed

1998

01:16:13,110 --> 01:16:11,360

an entire lecture it's on my website on

1999

01:16:19,430 --> 01:16:13,120

my blog

2000

01:16:23,189 --> 01:16:21,110

if you look at lukatsky's book and this

2001

01:16:25,189 --> 01:16:23,199

is powell

2002

01:16:28,870 --> 01:16:25,199

and lecatsky's book he means skinwalkers

2003

01:16:32,310 --> 01:16:30,709

if you look at lakatsky's book it went

2004

01:16:35,350 --> 01:16:32,320

through

2005

01:16:37,430 --> 01:16:35,360

and it's likowski kelleher nap sorry

2006

01:16:39,430 --> 01:16:37,440

it went through government review for 14

2007

01:16:41,590 --> 01:16:39,440

months well it was 14 months because of

2008

01:16:43,110 --> 01:16:41,600

kova that was a big a big reason why it

2009

01:16:45,910 --> 01:16:43,120

took forever

2010

01:16:48,070 --> 01:16:45,920

powell goes on it's poorly written

2011

01:16:49,510 --> 01:16:48,080

you have no real idea what they cut out

2012

01:16:51,590 --> 01:16:49,520

of it

2013

01:16:54,310 --> 01:16:51,600

but you see this enormous appendix where

2014

01:16:56,390 --> 01:16:54,320

they list all the reports they completed

2015

01:16:58,390 --> 01:16:56,400

i mean i asked them about what you know

2016

01:17:00,070 --> 01:16:58,400

was left out that they could talk about

2017

01:17:01,270 --> 01:17:00,080

um

2018

01:17:03,030 --> 01:17:01,280

and they mentioned some of the things

2019

01:17:05,669 --> 01:17:03,040

that were left out yeah there's no

2020

01:17:07,669 --> 01:17:05,679

specifics but i guess they really can't

2021

01:17:09,030 --> 01:17:07,679

tell you what was left out since they're

2022

01:17:11,270 --> 01:17:09,040

not allowed to talk about it if they

2023

01:17:12,550 --> 01:17:11,280

can't write about it so that's i assume

2024

01:17:14,310 --> 01:17:12,560

if they couldn't put it in the book

2025

01:17:15,669 --> 01:17:14,320

because it was too sensitive

2026

01:17:17,270 --> 01:17:15,679

then it would not be good for them to

2027

01:17:19,030 --> 01:17:17,280

also talk about it so i really don't

2028

01:17:21,750 --> 01:17:19,040

think it's poorly written i just think

2029

01:17:22,630 --> 01:17:21,760

their hands are tied um the book could

2030

01:17:24,709 --> 01:17:22,640

have been

2031

01:17:26,149 --> 01:17:24,719

many more books they they couldn't

2032

01:17:27,590 --> 01:17:26,159

include everything and i asked them

2033

01:17:31,350 --> 01:17:27,600

about that when i interviewed nap and

2034

01:17:34,630 --> 01:17:32,950

powell says the one thing i'd love to

2035

01:17:36,550 --> 01:17:34,640

get my hands on was

2036

01:17:38,070 --> 01:17:36,560

where they used an engineering software

2037

01:17:40,550 --> 01:17:38,080

program to estimate flight

2038

01:17:41,510 --> 01:17:40,560

characteristics and acceleration similar

2039

01:17:43,270 --> 01:17:41,520

to

2040

01:17:45,350 --> 01:17:43,280

and they say so in the book

2041

01:17:46,950 --> 01:17:45,360

what we did on the nimitz case i would

2042

01:17:49,910 --> 01:17:46,960

love to see those numbers but i'm just

2043

01:17:51,430 --> 01:17:49,920

not optimistic i also asked kelleher if

2044

01:17:53,669 --> 01:17:51,440

he thought any of that information would

2045

01:17:55,270 --> 01:17:53,679

come out

2046

01:17:56,310 --> 01:17:55,280

it was kind of non-committal i mean they

2047

01:17:58,310 --> 01:17:56,320

talk about

2048

01:18:00,870 --> 01:17:58,320

getting rid of all the names be because

2049

01:18:02,310 --> 01:18:00,880

of privacy issues and hipaa hipaa issues

2050

01:18:03,750 --> 01:18:02,320

but

2051

01:18:05,270 --> 01:18:03,760

robert bigelow is the one that needs to

2052

01:18:07,750 --> 01:18:05,280

be asked that question and i don't have

2053

01:18:09,510 --> 01:18:07,760

access to bigelow so

2054

01:18:11,430 --> 01:18:09,520

the catskills book skin walkers at the

2055

01:18:13,830 --> 01:18:11,440

pentagon co-authored by former ossap

2056

01:18:16,390 --> 01:18:13,840

director and retired dia officer jim

2057

01:18:18,229 --> 01:18:16,400

like james lakowsky provoked a clamor

2058

01:18:20,310 --> 01:18:18,239

when it was published in october and

2059

01:18:23,110 --> 01:18:20,320

confirmed with long-time researchers

2060

01:18:24,550 --> 01:18:23,120

like mark rotager have suspected for

2061

01:18:25,910 --> 01:18:24,560

years

2062

01:18:28,950 --> 01:18:25,920

when i read the new york times story in

2063

01:18:31,750 --> 01:18:28,960

2017 one of my first thoughts was

2064

01:18:34,310 --> 01:18:31,760

did they do a real in-depth scientific

2065

01:18:36,630 --> 01:18:34,320

investigation and if so where's the

2066

01:18:39,270 --> 01:18:36,640

report says the director of the center

2067

01:18:40,870 --> 01:18:39,280

of ufos studies in chicago and now we

2068

01:18:43,350 --> 01:18:40,880

learn from the book that yes they

2069

01:18:45,750 --> 01:18:43,360

absolutely absolutely did do an in-depth

2070

01:18:47,910 --> 01:18:45,760

investigation so where is that report

2071

01:18:49,350 --> 01:18:47,920

we're not allowed to see it yeah exactly

2072

01:18:51,510 --> 01:18:49,360

we all have that we all have that issue

2073

01:18:53,270 --> 01:18:51,520

we all want to see the reports

2074

01:18:55,510 --> 01:18:53,280

i don't know how we're going to get it

2075

01:18:56,870 --> 01:18:55,520

even if they decide we have access to it

2076

01:18:59,030 --> 01:18:56,880

and we can get access to it they have to

2077

01:19:01,270 --> 01:18:59,040

take all of those names out and you know

2078

01:19:03,110 --> 01:19:01,280

and kelleher said that

2079

01:19:04,870 --> 01:19:03,120

the stuff was like six feet high of

2080

01:19:06,870 --> 01:19:04,880

binders in his office so it's a lot of

2081

01:19:09,590 --> 01:19:06,880

work they have to they have to find

2082

01:19:10,870 --> 01:19:09,600

somebody to take out all those names um

2083

01:19:12,310 --> 01:19:10,880

but

2084

01:19:13,669 --> 01:19:12,320

robert bagel is the one that needs to be

2085

01:19:16,229 --> 01:19:13,679

asked about that

2086

01:19:17,990 --> 01:19:16,239

he's he's the one that has proprietary

2087

01:19:20,630 --> 01:19:18,000

you know the rights to that information

2088

01:19:21,910 --> 01:19:20,640

if it's not classified he can put it out

2089

01:19:23,750 --> 01:19:21,920

but he just can't put it out and say

2090

01:19:25,189 --> 01:19:23,760

here you go if there are names in there

2091

01:19:27,430 --> 01:19:25,199

if people gave their information and

2092

01:19:28,870 --> 01:19:27,440

shared their experiences with the

2093

01:19:33,430 --> 01:19:28,880

understanding that their names would not

2094

01:19:38,070 --> 01:19:35,830

so far however the most bizarre contents

2095

01:19:39,510 --> 01:19:38,080

of the let katsky book subtitled an

2096

01:19:41,270 --> 01:19:39,520

insider's account of the secret

2097

01:19:42,950 --> 01:19:41,280

government ufo program

2098

01:19:45,590 --> 01:19:42,960

have stayed under the radar of

2099

01:19:47,910 --> 01:19:45,600

mainstream media coverage says rohdager

2100

01:19:50,470 --> 01:19:47,920

and that's probably a good thing at

2101  
01:19:53,590 --> 01:19:50,480  
least until after congress takes action

2102  
01:19:55,430 --> 01:19:53,600  
on the gillibrand amendment

2103  
01:19:57,510 --> 01:19:55,440  
i'm sure there are people

2104  
01:19:59,430 --> 01:19:57,520  
in gillibrand's office

2105  
01:20:00,950 --> 01:19:59,440  
who know about some of the weird stuff

2106  
01:20:02,630 --> 01:20:00,960  
that was reported if they're talking

2107  
01:20:05,590 --> 01:20:02,640  
about health related effects they

2108  
01:20:06,790 --> 01:20:05,600  
probably have an idea of the other stuff

2109  
01:20:08,310 --> 01:20:06,800  
and if they don't want to talk about it

2110  
01:20:10,149 --> 01:20:08,320  
right now

2111  
01:20:14,229 --> 01:20:10,159  
get this passed all right that's that's

2112  
01:20:17,189 --> 01:20:15,430  
and then we can deal with that stuff

2113  
01:20:18,870 --> 01:20:17,199

later i think it's something that needs

2114

01:20:20,310 --> 01:20:18,880

to be talked about i mean if you want to

2115

01:20:23,669 --> 01:20:20,320

understand what's going on you just

2116

01:20:25,189 --> 01:20:23,679

can't study nuts and bolts in my opinion

2117

01:20:27,669 --> 01:20:25,199

so he continues i'm worried about

2118

01:20:29,350 --> 01:20:27,679

blowback he says when it becomes widely

2119

01:20:31,030 --> 01:20:29,360

known about what's in there i will be

2120

01:20:34,149 --> 01:20:31,040

concerned because it doesn't present a

2121

01:20:36,390 --> 01:20:34,159

lot of good hard ufo data they don't

2122

01:20:37,430 --> 01:20:36,400

give out a lot of real names

2123

01:20:38,870 --> 01:20:37,440

well

2124

01:20:40,390 --> 01:20:38,880

they had to take out names for anybody

2125

01:20:42,390 --> 01:20:40,400

who was still active in the government

2126

01:20:44,470 --> 01:20:42,400

or the military so or the world of

2127

01:20:46,550 --> 01:20:44,480

intelligence uh there are some real

2128

01:20:48,550 --> 01:20:46,560

names in that book if people

2129

01:20:50,229 --> 01:20:48,560

if people look and google there are some

2130

01:20:52,550 --> 01:20:50,239

real names

2131

01:20:55,750 --> 01:20:52,560

there's no documents are available for

2132

01:20:57,270 --> 01:20:55,760

us to look at and nothing can be checked

2133

01:21:00,070 --> 01:20:57,280

i knew it was going to include some

2134

01:21:01,910 --> 01:21:00,080

stuff about skinwalker ranch and anybody

2135

01:21:04,709 --> 01:21:01,920

joining now it this is billy cox's

2136

01:21:06,070 --> 01:21:04,719

article i think it came out this morning

2137

01:21:07,510 --> 01:21:06,080

i knew it was going to include some

2138

01:21:09,350 --> 01:21:07,520

stuff from skinwalker ranch but it

2139

01:21:11,110 --> 01:21:09,360

wasn't clear to me how much of the focus

2140

01:21:12,390 --> 01:21:11,120

it was going to be until the book came

2141

01:21:13,510 --> 01:21:12,400

out

2142

01:21:15,270 --> 01:21:13,520

well

2143

01:21:17,270 --> 01:21:15,280

skinwalker ranch wasn't the focus of

2144

01:21:19,750 --> 01:21:17,280

ossep and it's also not the focus of the

2145

01:21:21,750 --> 01:21:19,760

book i mean the five dia folks had an

2146

01:21:24,149 --> 01:21:21,760

experience at skinwalker and then took

2147

01:21:26,550 --> 01:21:24,159

stuff home with them but the book is not

2148

01:21:28,070 --> 01:21:26,560

focused on skinwalker ranch so i don't

2149

01:21:29,270 --> 01:21:28,080

know what book he read i don't agree

2150

01:21:31,510 --> 01:21:29,280

with that

2151  
01:21:33,110 --> 01:21:31,520  
he says now we learned that lakowsky

2152  
01:21:35,110 --> 01:21:33,120  
he's thinking forwardly he's thinking

2153  
01:21:37,110 --> 01:21:35,120  
about threats to national security but

2154  
01:21:39,350 --> 01:21:37,120  
it all starts with skinwalker ranch

2155  
01:21:40,870 --> 01:21:39,360  
which actually has very little to do

2156  
01:21:43,350 --> 01:21:40,880  
with ufos

2157  
01:21:45,590 --> 01:21:43,360  
this guy probably has not read the book

2158  
01:21:47,350 --> 01:21:45,600  
like he claims or he doesn't know

2159  
01:21:49,270 --> 01:21:47,360  
that hunter the skinwalker if you go

2160  
01:21:52,070 --> 01:21:49,280  
back and read that and you listen to

2161  
01:21:53,189 --> 01:21:52,080  
lakotsky's interviews yes yes skinwalker

2162  
01:21:55,430 --> 01:21:53,199  
ranch has

2163  
01:21:56,709 --> 01:21:55,440

nuts and bolts metallic craft being

2164

01:21:58,470 --> 01:21:56,719

cited there

2165

01:22:00,790 --> 01:21:58,480

and the other stuff that goes along with

2166

01:22:02,950 --> 01:22:00,800

it that's the history of ufos it's just

2167

01:22:04,390 --> 01:22:02,960

something i never knew about and i never

2168

01:22:06,550 --> 01:22:04,400

read about until recently and then i

2169

01:22:08,149 --> 01:22:06,560

heard eric davis talking about any close

2170

01:22:09,750 --> 01:22:08,159

encounters you get you know you get

2171

01:22:12,709 --> 01:22:09,760

poltergeist effects

2172

01:22:15,270 --> 01:22:12,719

it was new to me um and jacques vale and

2173

01:22:17,350 --> 01:22:15,280

eric davis wrote about similar in their

2174

01:22:19,110 --> 01:22:17,360

six-layer article which i'll also link

2175

01:22:21,110 --> 01:22:19,120

to that um

2176  
01:22:22,550 --> 01:22:21,120  
but yes their ufos are connected to

2177  
01:22:24,390 --> 01:22:22,560  
skinwalker ranch i don't know what he's

2178  
01:22:26,709 --> 01:22:24,400  
talking about

2179  
01:22:29,669 --> 01:22:28,390  
the quote continues

2180  
01:22:31,510 --> 01:22:29,679  
there are lots of problems here but

2181  
01:22:32,950 --> 01:22:31,520  
what's missing is his thinking why would

2182  
01:22:34,870 --> 01:22:32,960  
he think all that stuff at the ranch

2183  
01:22:36,390 --> 01:22:34,880  
would relate to ufos

2184  
01:22:37,910 --> 01:22:36,400  
that's really bad that this guy doesn't

2185  
01:22:39,830 --> 01:22:37,920  
understand the connection between ufos

2186  
01:22:42,070 --> 01:22:39,840  
and skinwalker ranch

2187  
01:22:43,830 --> 01:22:42,080  
read hunt for the skinwalker read

2188  
01:22:45,830 --> 01:22:43,840

skinwalkers at the pentagon listen to

2189

01:22:46,709 --> 01:22:45,840

lakowsky's interview listen to keller's

2190

01:22:49,189 --> 01:22:46,719

interview

2191

01:22:50,950 --> 01:22:49,199

yes there's 100 percent a connection

2192

01:22:52,870 --> 01:22:50,960

listen to brandon and fugle watch the

2193

01:22:56,310 --> 01:22:52,880

show they had ufo sightings as they were

2194

01:22:58,390 --> 01:22:56,320

taping yes so the question is

2195

01:23:00,790 --> 01:22:58,400

you know is the ufo phenomena at

2196

01:23:03,910 --> 01:23:00,800

skinwalker the same ufo phenomenon all

2197

01:23:05,910 --> 01:23:03,920

over the world um or is the intelligence

2198

01:23:07,510 --> 01:23:05,920

whatever is going on and i'm speculating

2199

01:23:09,590 --> 01:23:07,520

whatever is going on at skinwalker is

2200

01:23:11,270 --> 01:23:09,600

just playing games it can take any form

2201  
01:23:12,310 --> 01:23:11,280  
it wants and it's just trying to trick

2202  
01:23:14,310 --> 01:23:12,320  
people into thinking there's a

2203  
01:23:16,629 --> 01:23:14,320  
connection to nuts and bolts metallic

2204  
01:23:18,470 --> 01:23:16,639  
ufos i don't i don't think there's any

2205  
01:23:21,270 --> 01:23:18,480  
trick going on that's that kind of stuff

2206  
01:23:23,030 --> 01:23:21,280  
has been reported which i'm learning

2207  
01:23:24,470 --> 01:23:23,040  
for a very long time so this is not

2208  
01:23:26,790 --> 01:23:24,480  
really anything new and this guy really

2209  
01:23:28,629 --> 01:23:26,800  
needs to go back and read the book

2210  
01:23:29,990 --> 01:23:28,639  
i'm not saying he goes

2211  
01:23:31,750 --> 01:23:30,000  
why would he think all that stuff at the

2212  
01:23:33,590 --> 01:23:31,760  
ranch would relate to ufos i'm not

2213  
01:23:35,030 --> 01:23:33,600

saying it doesn't i just want him to

2214

01:23:36,870 --> 01:23:35,040

tell me what he's thinking about back

2215

01:23:39,030 --> 01:23:36,880

then

2216

01:23:40,310 --> 01:23:39,040

maybe that got taken out too i don't

2217

01:23:43,110 --> 01:23:40,320

think so i mean i'll have to go over the

2218

01:23:44,070 --> 01:23:43,120

book again and find specifics but

2219

01:23:47,189 --> 01:23:44,080

anyway

2220

01:23:49,990 --> 01:23:47,199

during the 2008-2010 bia investigation

2221

01:23:51,750 --> 01:23:50,000

you activity pla ufo activity played

2222

01:23:54,149 --> 01:23:51,760

second fiddle to a wild range of

2223

01:23:55,910 --> 01:23:54,159

paranormal scenarios be deviling an

2224

01:23:58,070 --> 01:23:55,920

isolated ranch in the badlands of

2225

01:24:01,189 --> 01:23:58,080

northeast utah according to skinwalkers

2226

01:24:05,669 --> 01:24:03,910

so yeah the most

2227

01:24:10,070 --> 01:24:05,679

this guy's saying most of the

2228

01:24:10,080 --> 01:24:13,510

stuff

2229

01:24:17,750 --> 01:24:15,590

not ufo activity he's talking about the

2230

01:24:19,830 --> 01:24:17,760

paranormal related paranormal stuff that

2231

01:24:21,830 --> 01:24:19,840

people were experiencing stuff that's a

2232

01:24:24,070 --> 01:24:21,840

scientific term

2233

01:24:26,390 --> 01:24:24,080

and this is billy writing

2234

01:24:28,550 --> 01:24:26,400

most disquieting are accounts of dog men

2235

01:24:30,870 --> 01:24:28,560

or shadow people

2236

01:24:33,669 --> 01:24:30,880

i don't think dog men are in the book um

2237

01:24:35,669 --> 01:24:33,679

the new book there are bipedal bipedal

2238

01:24:36,870 --> 01:24:35,679

wolves that people cited people had

2239

01:24:39,350 --> 01:24:36,880

sightings of

2240

01:24:43,030 --> 01:24:41,270

most disquieting or accounts of dog men

2241

01:24:44,709 --> 01:24:43,040

or shadow people following researchers

2242

01:24:46,390 --> 01:24:44,719

home and what the book likens to a

2243

01:24:48,629 --> 01:24:46,400

social contagion

2244

01:24:51,110 --> 01:24:48,639

or a hitchhiker effect

2245

01:24:52,629 --> 01:24:51,120

scu's powell calls those anecdotes

2246

01:24:54,950 --> 01:24:52,639

meaningless for purposes of the

2247

01:24:56,229 --> 01:24:54,960

immediate discussion immediate as of

2248

01:24:57,350 --> 01:24:56,239

right now

2249

01:24:58,950 --> 01:24:57,360

fine

2250

01:25:00,950 --> 01:24:58,960

as far as figuring out what the hell

2251

01:25:02,870 --> 01:25:00,960

this phenomenon represents

2252

01:25:05,030 --> 01:25:02,880

extremely important even the anecdotes

2253

01:25:07,110 --> 01:25:05,040

are important um

2254

01:25:09,510 --> 01:25:07,120

we could figure out ways to somehow

2255

01:25:11,430 --> 01:25:09,520

measure that scientifically but the

2256

01:25:12,950 --> 01:25:11,440

social contagion is not just in

2257

01:25:14,870 --> 01:25:12,960

skinwalkers in the pentagon you read

2258

01:25:16,790 --> 01:25:14,880

other books about poltergeists

2259

01:25:18,470 --> 01:25:16,800

that i'm learning about these people

2260

01:25:20,709 --> 01:25:18,480

were suggesting that there is some sort

2261

01:25:22,550 --> 01:25:20,719

of some sort of how it

2262

01:25:24,070 --> 01:25:22,560

attaches to somebody and spreads it's

2263

01:25:25,830 --> 01:25:24,080

not a new idea

2264

01:25:27,510 --> 01:25:25,840

as george knapp said he he recently

2265

01:25:29,669 --> 01:25:27,520

thought it was a new idea until he read

2266

01:25:31,510 --> 01:25:29,679

other literature so it's not a new idea

2267

01:25:33,189 --> 01:25:31,520

of this and it's some of the cases are

2268

01:25:35,669 --> 01:25:33,199

not ufo cases they're places that

2269

01:25:37,830 --> 01:25:35,679

allegedly had poltergeist activity not

2270

01:25:41,030 --> 01:25:37,840

ufo activity but it's apparently

2271

01:25:42,950 --> 01:25:41,040

spreading how that works from a physics

2272

01:25:46,229 --> 01:25:42,960

standpoint no idea but people are

2273

01:25:48,229 --> 01:25:46,239

witnessing and experiencing that so

2274

01:25:49,990 --> 01:25:48,239

i think it will we'll have to look into

2275

01:25:52,310 --> 01:25:50,000

that when we try to figure this out i

2276

01:25:54,229 --> 01:25:52,320

don't think it's as most people most

2277

01:25:56,390 --> 01:25:54,239

people like jacques valet and john keel

2278

01:25:58,070 --> 01:25:56,400

they don't think it's just et's visiting

2279

01:25:59,350 --> 01:25:58,080

as if that wouldn't be amazing in itself

2280

01:26:00,870 --> 01:25:59,360

it would be but

2281

01:26:02,550 --> 01:26:00,880

it's i think it's more complicated at

2282

01:26:04,870 --> 01:26:02,560

least one aspect of what we're dealing

2283

01:26:07,510 --> 01:26:06,310

there's nothing anywhere in the book

2284

01:26:09,510 --> 01:26:07,520

that convinced me that these wolf

2285

01:26:11,030 --> 01:26:09,520

creatures or whatever they have

2286

01:26:13,030 --> 01:26:11,040

whatever have

2287

01:26:15,110 --> 01:26:13,040

that these wolf creatures or whatever

2288

01:26:17,350 --> 01:26:15,120

have anything to do with the uap he says

2289

01:26:18,470 --> 01:26:17,360

this is the guy from the chicago uh ufo

2290

01:26:20,229 --> 01:26:18,480

group

2291

01:26:25,750 --> 01:26:20,239

i i believe or is this powell let me

2292

01:26:30,390 --> 01:26:27,110

rotager i'm trying to see where he

2293

01:26:34,470 --> 01:26:32,950

yeah yeah it's powell

2294

01:26:35,830 --> 01:26:34,480

owl says there's nothing anywhere in the

2295

01:26:37,510 --> 01:26:35,840

book to convince me that these wolf

2296

01:26:40,070 --> 01:26:37,520

creatures or whatever they have anything

2297

01:26:42,790 --> 01:26:40,080

to do with uap there's no detailed beta

2298

01:26:45,270 --> 01:26:42,800

to suggest to suggest there's anything

2299

01:26:46,950 --> 01:26:45,280

like a virus associated with this if i'm

2300

01:26:48,629 --> 01:26:46,960

going down that road i would like to

2301

01:26:51,110 --> 01:26:48,639

have known exactly when the first guy

2302

01:26:52,870 --> 01:26:51,120

brought it back i'm fine with that i do

2303

01:26:53,990 --> 01:26:52,880

want to know those details but like i

2304

01:26:55,750 --> 01:26:54,000

said

2305

01:26:57,350 --> 01:26:55,760

the case of bringing something back with

2306

01:26:59,350 --> 01:26:57,360

you goes

2307

01:27:02,070 --> 01:26:59,360

way back before this book way back

2308

01:27:05,750 --> 01:27:02,080

before the asap study it's not something

2309

01:27:07,430 --> 01:27:05,760

new um that's important

2310

01:27:08,950 --> 01:27:07,440

the book says not only did the guy's

2311

01:27:10,870 --> 01:27:08,960

family start seeing things but one of

2312

01:27:13,750 --> 01:27:10,880

his son's friends started seeing things

2313

01:27:15,669 --> 01:27:13,760

too so that was a bipedal wolf the wife

2314

01:27:17,830 --> 01:27:15,679

saw it um

2315

01:27:19,350 --> 01:27:17,840

jonathan axelrod comes home after going

2316

01:27:21,830 --> 01:27:19,360

to skinwalker ranch the wife sees a

2317

01:27:23,750 --> 01:27:21,840

bipedal wolf out the window

2318

01:27:25,750 --> 01:27:23,760

scratch marks on the tree outside and

2319

01:27:27,750 --> 01:27:25,760

then doesn't say anything to anybody as

2320

01:27:29,510 --> 01:27:27,760

far as the kids then the kid reports it

2321

01:27:30,870 --> 01:27:29,520

and then one of the kids friends reports

2322

01:27:32,310 --> 01:27:30,880

it so

2323

01:27:35,270 --> 01:27:32,320

powell says i want to know how many

2324

01:27:36,070 --> 01:27:35,280

friends did he visit as far as axelrod's

2325

01:27:38,310 --> 01:27:36,080

son

2326

01:27:40,390 --> 01:27:38,320

um when did he see them how many of his

2327

01:27:41,990 --> 01:27:40,400

friends had this experience how long

2328

01:27:43,669 --> 01:27:42,000

were they exposed to each other and

2329

01:27:46,310 --> 01:27:43,679

there's none of that

2330

01:27:47,910 --> 01:27:46,320

this is really like telling a story uh

2331

01:27:49,990 --> 01:27:47,920

some like somebody telling a story over

2332

01:27:51,510 --> 01:27:50,000

a campfire i don't disagree with that i

2333

01:27:53,430 --> 01:27:51,520

do want to know all of those details i'm

2334

01:27:54,950 --> 01:27:53,440

not sure why that's not in the book

2335

01:27:55,750 --> 01:27:54,960

why they could not include that in the

2336

01:27:57,430 --> 01:27:55,760

book

2337

01:27:59,030 --> 01:27:57,440

those are the details i do want to know

2338

01:28:01,030 --> 01:27:59,040

so at least powell's asking that he's

2339

01:28:03,430 --> 01:28:01,040

not just totally dismissing it he's just

2340

01:28:05,590 --> 01:28:03,440

saying it comes across as a story

2341

01:28:07,270 --> 01:28:05,600

and it's lacking details

2342

01:28:09,750 --> 01:28:07,280

without the release of the voluminous

2343

01:28:11,510 --> 01:28:09,760

uap records compiled by the dia more

2344

01:28:13,350 --> 01:28:11,520

than a decade ago

2345

01:28:14,870 --> 01:28:13,360

speculation over the more sensational

2346

01:28:17,030 --> 01:28:14,880

elements of a book produced by the

2347

01:28:20,390 --> 01:28:17,040

former director of ossap

2348

01:28:22,310 --> 01:28:20,400

is a road to nowhere and potentially

2349

01:28:26,229 --> 01:28:22,320

counterproductive foreign makers already

2350

01:28:27,750 --> 01:28:26,239

wary of little green men punchlines

2351

01:28:29,669 --> 01:28:27,760

i'm not sure if that's powell saying

2352

01:28:34,149 --> 01:28:29,679

that or billy saying that but i disagree

2353

01:28:36,390 --> 01:28:35,189

it's not

2354

01:28:39,350 --> 01:28:36,400

that's where it's gonna head

2355

01:28:41,430 --> 01:28:39,360

unfortunately people none of you know i

2356

01:28:43,189 --> 01:28:41,440

would love for it to be something really

2357

01:28:45,110 --> 01:28:43,199

simple that we could figure out the fact

2358

01:28:47,189 --> 01:28:45,120

that we haven't figured anything out at

2359

01:28:48,390 --> 01:28:47,199

least on the outside

2360

01:28:49,910 --> 01:28:48,400

you know i'm not talking about people

2361

01:28:51,510 --> 01:28:49,920

who have access to data we don't have

2362

01:28:53,669 --> 01:28:51,520

but we have not we don't know what the

2363

01:28:55,270 --> 01:28:53,679

hell's going on after 70 years i don't

2364

01:28:56,390 --> 01:28:55,280

think it's so simple i think it's very

2365

01:28:59,830 --> 01:28:56,400

complicated

2366

01:29:01,590 --> 01:28:59,840

and we need to go down those roads

2367

01:29:03,910 --> 01:29:01,600

keep your eye on the ball says scu's

2368

01:29:07,750 --> 01:29:03,920

powell america's teetering democracy may

2369

01:29:11,270 --> 01:29:09,830

let's assume for the sake of argument

2370

01:29:13,669 --> 01:29:11,280

that what we're dealing with is an

2371

01:29:15,590 --> 01:29:13,679

extraterrestrial intelligence

2372

01:29:18,229 --> 01:29:15,600

well says powell the way we're

2373

01:29:20,070 --> 01:29:18,239

positioned today with when we when we

2374

01:29:21,510 --> 01:29:20,080

make first conscious contact with that

2375

01:29:24,390 --> 01:29:21,520

intelligence it's going to be through a

2376

01:29:26,470 --> 01:29:24,400

military organization and i mean really

2377

01:29:28,870 --> 01:29:26,480

who wants a military organization ours

2378

01:29:31,350 --> 01:29:28,880

or anyone else's to represent planet

2379

01:29:33,030 --> 01:29:31,360

earth if and when that happens it should

2380

01:29:34,790 --> 01:29:33,040

be more about something that represents

2381

01:29:37,030 --> 01:29:34,800

the whole planet because it's going to

2382

01:29:40,629 --> 01:29:37,040

impact the entire planet

2383

01:29:42,709 --> 01:29:40,639

oai msg versus astro

2384

01:29:44,550 --> 01:29:42,719

i don't see a reason for them to coexist

2385

01:29:47,030 --> 01:29:44,560

powell says congress needs to make that

2386

01:29:49,189 --> 01:29:47,040

decision congress needs to say we will

2387

01:29:50,950 --> 01:29:49,199

ultimately support the organization that

2388

01:29:53,350 --> 01:29:50,960

controls the information for

2389

01:29:57,030 --> 01:29:53,360

dissemination to the public so that's

2390

01:29:58,870 --> 01:29:57,040

billy cox's article from today

2391

01:30:04,790 --> 01:29:58,880

now we'll go through some of your

2392

01:30:08,470 --> 01:30:06,550

let's see

2393

01:30:11,270 --> 01:30:08,480

and i do have i have the james mcdonald

2394

01:30:14,950 --> 01:30:12,310

yeah

2395

01:30:16,470 --> 01:30:14,960

he had a clue supposedly but

2396

01:30:19,590 --> 01:30:16,480

we didn't get to hear what it was he

2397

01:30:25,189 --> 01:30:21,750

and yeah i heard the same thing tom

2398

01:30:27,590 --> 01:30:25,199

that powell's firm nuts and bolts which

2399

01:30:29,830 --> 01:30:27,600

i personally don't don't understand i i

2400

01:30:31,590 --> 01:30:29,840

understand it but it's like

2401

01:30:35,590 --> 01:30:31,600

to me it's it's obviously there's so

2402

01:30:37,110 --> 01:30:35,600

much more we're dealing with um

2403

01:30:38,629 --> 01:30:37,120

david i agree there's no reason we can't

2404

01:30:41,030 --> 01:30:38,639

see photos of the stretch marks on the

2405

01:30:43,510 --> 01:30:41,040

trees yeah all that stuff you know

2406

01:30:45,189 --> 01:30:43,520

that's up to bigelow though um but we

2407

01:30:46,709 --> 01:30:45,199

could have gotten more details you know

2408

01:30:49,030 --> 01:30:46,719

there are details i would like to know

2409

01:30:50,870 --> 01:30:49,040

exactly you know how were they

2410

01:30:52,310 --> 01:30:50,880

interviewed if there are transcripts i

2411

01:30:54,470 --> 01:30:52,320

would love transcripts of the interviews

2412

01:30:56,550 --> 01:30:54,480

with the son and the wife and the sons

2413

01:30:58,070 --> 01:30:56,560

friends who saw the alleged

2414

01:30:59,830 --> 01:30:58,080

bipedal wolf

2415

01:31:01,669 --> 01:30:59,840

the people laugh when they hear that but

2416

01:31:03,669 --> 01:31:01,679

it's like

2417

01:31:04,790 --> 01:31:03,679

they said i think keller said and or

2418

01:31:07,030 --> 01:31:04,800

napped that

2419

01:31:09,030 --> 01:31:07,040

they studied the area around skinwalker

2420

01:31:12,070 --> 01:31:09,040

ranch and that particular report is

2421

01:31:13,750 --> 01:31:12,080

amazing the details and lukowski went

2422

01:31:14,870 --> 01:31:13,760

into the park the department of homeland

2423

01:31:16,950 --> 01:31:14,880

security

2424

01:31:19,590 --> 01:31:16,960

and let loose with everything with

2425

01:31:21,510 --> 01:31:19,600

detail after detail of of odd creatures

2426

01:31:23,430 --> 01:31:21,520

and what what i would get what i

2427

01:31:24,229 --> 01:31:23,440

wouldn't give to be a fly on the wall in

2428

01:31:25,510 --> 01:31:24,239

that

2429

01:31:27,910 --> 01:31:25,520

you know

2430

01:31:29,669 --> 01:31:27,920

and that briefing that took place

2431

01:31:31,750 --> 01:31:29,679

that would be amazing the fact that

2432

01:31:34,149 --> 01:31:31,760

lukowski did that makes me makes makes

2433

01:31:36,709 --> 01:31:34,159

him my hero as far as you follow

2434

01:31:38,070 --> 01:31:36,719

ufological hero for him to have the guts

2435

01:31:41,110 --> 01:31:38,080

to talk about that

2436

01:31:43,590 --> 01:31:41,120

uh with people at dhs is incredible to

2437

01:31:43,600 --> 01:31:48,390

um the 23-minute video would help

2438

01:31:52,390 --> 01:31:50,709

it's not lou lou has no control people

2439

01:31:54,870 --> 01:31:52,400

need to realize luke can't release

2440

01:31:56,709 --> 01:31:54,880

videos unless unless lou is working for

2441

01:31:58,629 --> 01:31:56,719

the government at a level that we don't

2442

01:32:01,189 --> 01:31:58,639

know as far as we know he doesn't work

2443

01:32:03,030 --> 01:32:01,199

for the government he's a contractor but

2444

01:32:04,950 --> 01:32:03,040

lou has no control over releasing that

2445

01:32:06,950 --> 01:32:04,960

information

2446

01:32:08,229 --> 01:32:06,960

and

2447

01:32:09,510 --> 01:32:08,239

let's see we've been going for an hour

2448

01:32:10,870 --> 01:32:09,520

and a half which i didn't plan to go

2449

01:32:13,590 --> 01:32:10,880

that long but

2450

01:32:16,629 --> 01:32:13,600

i'll play something just really quick

2451  
01:32:17,990 --> 01:32:16,639  
and let me know if you can hear it but

2452  
01:32:20,470 --> 01:32:18,000  
something a little different than what

2453  
01:32:22,950 --> 01:32:20,480  
we're talking about which is

2454  
01:32:25,830 --> 01:32:22,960  
really to me

2455  
01:32:27,669 --> 01:32:25,840  
i'm kind of surprised that it's

2456  
01:32:29,669 --> 01:32:27,679  
some this person this person was in

2457  
01:32:34,709 --> 01:32:29,679  
charge of mufon

2458  
01:32:36,229 --> 01:32:34,719  
when they got the asap program

2459  
01:32:37,750 --> 01:32:36,239  
the awesome

2460  
01:32:40,470 --> 01:32:37,760  
when asset

2461  
01:32:43,270 --> 01:32:40,480  
contracted with mufon

2462  
01:32:44,950 --> 01:32:43,280  
and um this is james carrion and check

2463  
01:32:47,590 --> 01:32:44,960

out his comments but he would so this

2464

01:32:48,390 --> 01:32:47,600

was this was on the show time special

2465

01:32:50,870 --> 01:32:48,400

you

2466

01:32:52,830 --> 01:32:50,880

the showtime special called ufo was a

2467

01:32:56,709 --> 01:32:52,840

four-part

2468

01:33:00,870 --> 01:32:59,189

before i get to that i don't think dia

2469

01:33:02,629 --> 01:33:00,880

even cared it was only because harry

2470

01:33:05,110 --> 01:33:02,639

reid arranged it yeah that's not what it

2471

01:33:08,790 --> 01:33:05,120

says in the book there are people in dia

2472

01:33:10,070 --> 01:33:08,800

that that did care but overall i agree

2473

01:33:11,910 --> 01:33:10,080

with you but

2474

01:33:14,790 --> 01:33:11,920

i don't know who those people are at

2475

01:33:15,990 --> 01:33:14,800

dia i want to find out specifically

2476

01:33:18,070 --> 01:33:16,000

um

2477

01:33:19,590 --> 01:33:18,080

but yeah i don't i think overall you're

2478

01:33:21,590 --> 01:33:19,600

right tom

2479

01:33:23,669 --> 01:33:21,600

if harry if

2480

01:33:25,510 --> 01:33:23,679

if harry reid doesn't have an interest

2481

01:33:26,870 --> 01:33:25,520

in the subject thanks to george knapp

2482

01:33:28,950 --> 01:33:26,880

and george knapp doesn't write the book

2483

01:33:31,350 --> 01:33:28,960

with kelleher and lukowski doesn't read

2484

01:33:33,350 --> 01:33:31,360

the book and then go to skinwalker ranch

2485

01:33:34,950 --> 01:33:33,360

gets back to read then yeah this doesn't

2486

01:33:37,030 --> 01:33:34,960

happen i don't know where we would be

2487

01:33:39,270 --> 01:33:37,040

right now i don't know we probably would

2488

01:33:41,910 --> 01:33:39,280

not be having this conversation i agree

2489

01:33:43,830 --> 01:33:41,920

that the majority of dia does not have

2490

01:33:46,070 --> 01:33:43,840

an interest in this but i would like to

2491

01:33:47,270 --> 01:33:46,080

know how many people do it was enough to

2492

01:33:49,030 --> 01:33:47,280

get the program

2493

01:33:50,870 --> 01:33:49,040

you know funded

2494

01:33:52,550 --> 01:33:50,880

thanks to reid in your way and stevens

2495

01:33:57,510 --> 01:33:52,560

um but anyway let me play some of this

2496

01:34:02,390 --> 01:34:00,149

it's a four-parter

2497

01:34:04,470 --> 01:34:02,400

release of that 2017

2498

01:34:06,390 --> 01:34:04,480

there's one more clip

2499

01:34:07,910 --> 01:34:06,400

from the um i know that i guess that was

2500

01:34:08,630 --> 01:34:07,920

it so

2501  
01:34:09,990 --> 01:34:08,640  
yeah um

2502  
01:34:12,870 --> 01:34:10,000  
[Music]

2503  
01:34:15,430 --> 01:34:12,880  
carry on is also taking shots at

2504  
01:34:18,229 --> 01:34:15,440  
skinwalker ranch and brandon fogle and

2505  
01:34:20,149 --> 01:34:18,239  
i've stopped interacting with him sorry

2506  
01:34:22,149 --> 01:34:20,159  
it's just

2507  
01:34:27,510 --> 01:34:22,159  
i just have no time for somebody who's

2508  
01:34:30,390 --> 01:34:28,550  
yeah i

2509  
01:34:32,390 --> 01:34:30,400  
i'm sure there's manipulation going on

2510  
01:34:35,430 --> 01:34:32,400  
um to what degree i don't know

2511  
01:34:37,030 --> 01:34:35,440  
um but everything to him it's like

2512  
01:34:38,709 --> 01:34:37,040  
and skinwalker ranch he's not the only

2513  
01:34:40,709 --> 01:34:38,719

one there are other people that think of

2514

01:34:42,470 --> 01:34:40,719

skinwalker ranch is all black ops and

2515

01:34:44,390 --> 01:34:42,480

they quote they quote

2516

01:34:45,430 --> 01:34:44,400

kit green where kid green says i don't

2517

01:34:47,590 --> 01:34:45,440

need to

2518

01:34:49,990 --> 01:34:47,600

jump to extraterrestrial technology to

2519

01:34:51,430 --> 01:34:50,000

explain what's going on at skinwalker

2520

01:34:52,550 --> 01:34:51,440

what the question would be are you

2521

01:34:55,910 --> 01:34:52,560

saying

2522

01:34:57,830 --> 01:34:55,920

whatever's going on at skinwalker is

2523

01:34:59,830 --> 01:34:57,840

human i don't think i don't think kitt

2524

01:35:01,750 --> 01:34:59,840

green would say that um i think they

2525

01:35:03,990 --> 01:35:01,760

manipulate that quote for their own

2526

01:35:05,510 --> 01:35:04,000

purposes but

2527

01:35:07,669 --> 01:35:05,520

you know listen to erica luke's show

2528

01:35:09,430 --> 01:35:07,679

she's 100 convinced as far as i know

2529

01:35:12,470 --> 01:35:09,440

it's black technology and i don't think

2530

01:35:17,830 --> 01:35:15,750

i it's like here i am just trying to

2531

01:35:19,590 --> 01:35:17,840

think of what the hell is going on not

2532

01:35:20,870 --> 01:35:19,600

that i have a brain that could figure it

2533

01:35:22,950 --> 01:35:20,880

out and then there are people who still

2534

01:35:25,350 --> 01:35:22,960

wondering well is elizondo was he

2535

01:35:27,350 --> 01:35:25,360

inflating his role at atip and like

2536

01:35:30,070 --> 01:35:27,360

we're four years into this

2537

01:35:31,990 --> 01:35:30,080

uh i think we realize now asap was the

2538

01:35:33,669 --> 01:35:32,000

program but you know atip was also

2539

01:35:37,109 --> 01:35:33,679

important for what its focus was on

2540

01:35:40,629 --> 01:35:38,709

and now we have

2541

01:35:42,550 --> 01:35:40,639

congress talking about it i

2542

01:35:44,310 --> 01:35:42,560

i don't see the psyop angle on what's

2543

01:35:46,390 --> 01:35:44,320

going on

2544

01:35:48,709 --> 01:35:46,400

maybe i'm naive you know i just don't

2545

01:35:50,950 --> 01:35:48,719

see it if and if it turns out to be i'm

2546

01:35:52,390 --> 01:35:50,960

wrong so be it i just don't see it it

2547

01:35:53,430 --> 01:35:52,400

doesn't make sense to me i'm using

2548

01:35:55,189 --> 01:35:53,440

judgment

2549

01:35:56,950 --> 01:35:55,199

um

2550

01:35:59,669 --> 01:35:56,960

if there's something going on i don't

2551

01:36:01,990 --> 01:35:59,679

know about then so be it um

2552

01:36:03,430 --> 01:36:02,000

the people i talk with as i said they

2553

01:36:05,750 --> 01:36:03,440

don't tell me information that's

2554

01:36:08,550 --> 01:36:05,760

outlandish it goes along with what i've

2555

01:36:11,189 --> 01:36:08,560

known since or what i what i think i've

2556

01:36:12,709 --> 01:36:11,199

known or believed since the mid 90s when

2557

01:36:15,030 --> 01:36:12,719

i first got into this that something's

2558

01:36:16,629 --> 01:36:15,040

interacting with this on this planet

2559

01:36:19,030 --> 01:36:16,639

none of them go further than that i

2560

01:36:21,590 --> 01:36:19,040

don't really you know

2561

01:36:23,109 --> 01:36:21,600

publicly eric davis publicly talks about

2562

01:36:25,590 --> 01:36:23,119

crash retrievals

2563

01:36:28,629 --> 01:36:25,600

he's not the only one i mean he goes to

2564

01:36:30,870 --> 01:36:28,639

he goes the furthest out of anybody but

2565

01:36:33,270 --> 01:36:30,880

like i said yesterday christopher mellon

2566

01:36:34,950 --> 01:36:33,280

was on cnn saying that you know he was

2567

01:36:38,280 --> 01:36:34,960

with davis when he briefed folks on

2568

01:36:39,990 --> 01:36:38,290

capitol hill about crash retrieval so um

2569

01:36:41,830 --> 01:36:40,000

[Music]

2570

01:36:44,950 --> 01:36:41,840

and david thinks carrion's a total waste

2571

01:36:46,550 --> 01:36:44,960

of time and i'm sorry i i'm a long i i

2572

01:36:48,470 --> 01:36:46,560

agree with david because it turns into

2573

01:36:49,510 --> 01:36:48,480

an argument with him

2574

01:36:51,350 --> 01:36:49,520

and

2575

01:36:54,229 --> 01:36:51,360

i just don't have time to argue about it

2576

01:36:55,510 --> 01:36:54,239

i i want to focus on other stuff so

2577

01:36:57,350 --> 01:36:55,520

anyway

2578

01:36:59,990 --> 01:36:57,360

i wrote i read a lot

2579

01:37:01,990 --> 01:37:00,000

i'm happy people hung in there and now

2580

01:37:03,750 --> 01:37:02,000

you know i'm glad more people are here

2581

01:37:06,390 --> 01:37:03,760

now if there's any questions you have

2582

01:37:08,149 --> 01:37:06,400

before i go let me know i don't know how

2583

01:37:09,910 --> 01:37:08,159

exciting it was to read billy's article

2584

01:37:11,830 --> 01:37:09,920

but i just wanted to give billy more

2585

01:37:14,390 --> 01:37:11,840

exposure because he does not promote his

2586

01:37:15,910 --> 01:37:14,400

stuff um

2587

01:37:17,750 --> 01:37:15,920

and while i disagreed with a couple of

2588

01:37:20,390 --> 01:37:17,760

people in that article i did agree that

2589

01:37:22,229 --> 01:37:20,400

i would love to know more details about

2590

01:37:24,070 --> 01:37:22,239

what happened in the investigations hell

2591

01:37:25,590 --> 01:37:24,080

i want to know every detail that's why i

2592

01:37:28,070 --> 01:37:25,600

love that book so much there are details

2593

01:37:30,950 --> 01:37:28,080

that i had never seen before

2594

01:37:31,990 --> 01:37:30,960

in the awesome and as far as you know i

2595

01:37:33,669 --> 01:37:32,000

don't think you're saying we're all

2596

01:37:35,590 --> 01:37:33,679

hallucinating they're saying it's black

2597

01:37:37,350 --> 01:37:35,600

technology or it's adversarial or

2598

01:37:39,189 --> 01:37:37,360

they're pretending that it's

2599

01:37:41,270 --> 01:37:39,199

something that's not in using it for

2600

01:37:43,990 --> 01:37:41,280

whatever purpose is to you know somebody

2601  
01:37:46,310 --> 01:37:44,000  
the other day said

2602  
01:37:47,750 --> 01:37:46,320  
using it for purposes to beef up the

2603  
01:37:50,070 --> 01:37:47,760  
military

2604  
01:37:51,830 --> 01:37:50,080  
budget but i don't think it's not a

2605  
01:37:53,430 --> 01:37:51,840  
they're not making a good

2606  
01:37:55,750 --> 01:37:53,440  
good enough argument that this is a

2607  
01:37:57,510 --> 01:37:55,760  
threat where we need the budget to to go

2608  
01:37:59,590 --> 01:37:57,520  
after these threatening ufos they're

2609  
01:38:01,350 --> 01:37:59,600  
doing a really bad job of it especially

2610  
01:38:03,590 --> 01:38:01,360  
kelleher he's like

2611  
01:38:05,990 --> 01:38:03,600  
i don't have any evidence this is a

2612  
01:38:07,990 --> 01:38:06,000  
threat maybe sometimes it's it's not

2613  
01:38:09,990 --> 01:38:08,000

good for human health but

2614

01:38:12,229 --> 01:38:10,000

because i cannot say after the two two

2615

01:38:15,109 --> 01:38:12,239

years at ah asap

2616

01:38:17,030 --> 01:38:15,119

that ufos are a threat so

2617

01:38:19,430 --> 01:38:17,040

if the goal is to push the threat angle

2618

01:38:20,149 --> 01:38:19,440

him elizondo melon they all suck at it

2619

01:38:24,629 --> 01:38:20,159

so

2620

01:38:28,149 --> 01:38:26,629

base is underwater or under ice it could

2621

01:38:29,830 --> 01:38:28,159

be a breakaway civilization from this

2622

01:38:31,910 --> 01:38:29,840

planet or up above no one truly knows

2623

01:38:35,109 --> 01:38:31,920

not even the military i mean i'm open

2624

01:38:38,070 --> 01:38:35,119

that's a possibility i know i know

2625

01:38:40,229 --> 01:38:38,080

richard dolan talks about it but

2626

01:38:42,950 --> 01:38:40,239

it's not something high on my list as

2627

01:38:45,109 --> 01:38:42,960

far as possibilities but i don't

2628

01:38:47,350 --> 01:38:45,119

i mean

2629

01:38:48,950 --> 01:38:47,360

underwater yes you know we have so many

2630

01:38:50,950 --> 01:38:48,960

sightings underwater

2631

01:38:53,750 --> 01:38:50,960

and that i don't know noah is included

2632

01:38:55,270 --> 01:38:53,760

national ocean oshiro grant

2633

01:38:57,350 --> 01:38:55,280

noah i'm not going to say it because now

2634

01:38:59,510 --> 01:38:57,360

i'm getting tongue tied

2635

01:39:02,790 --> 01:38:59,520

but they're included in the gila brand

2636

01:39:03,910 --> 01:39:02,800

oceanic administration so underwater

2637

01:39:07,750 --> 01:39:03,920

are we dealing with something that's

2638

01:39:12,310 --> 01:39:11,270

make making starwars.net thank you thank

2639

01:39:13,669 --> 01:39:12,320

you i don't know if i've seen you here

2640

01:39:15,189 --> 01:39:13,679

before um

2641

01:39:17,109 --> 01:39:15,199

are there sightings over nuclear power

2642

01:39:18,870 --> 01:39:17,119

plants or just weapons locations yeah

2643

01:39:20,070 --> 01:39:18,880

we've had sightings over nuclear power

2644

01:39:21,669 --> 01:39:20,080

plants too

2645

01:39:23,510 --> 01:39:21,679

um

2646

01:39:25,510 --> 01:39:23,520

i think

2647

01:39:27,590 --> 01:39:25,520

i'm not sure if it was which one it was

2648

01:39:29,830 --> 01:39:27,600

if anybody wants to jump in but yes

2649

01:39:32,709 --> 01:39:29,840

there have been sightings over nuclear

2650

01:39:35,430 --> 01:39:32,719

power plants too i think guam i'm not

2651

01:39:37,189 --> 01:39:35,440

sure if guam was a nuclear power plant

2652

01:39:39,030 --> 01:39:37,199

there was another one that melon spoke

2653

01:39:41,430 --> 01:39:39,040

about they had these weird drones they

2654

01:39:43,109 --> 01:39:41,440

called them drones

2655

01:39:46,870 --> 01:39:43,119

they couldn't do anything about them i

2656

01:39:50,229 --> 01:39:48,870

what about ross's view of a group of xml

2657

01:39:53,030 --> 01:39:50,239

yeah so

2658

01:39:54,550 --> 01:39:53,040

that's right david's article

2659

01:39:58,470 --> 01:39:54,560

so david wrote this up let me do this

2660

01:40:00,790 --> 01:39:58,480

before i leave today let me see

2661

01:40:02,390 --> 01:40:00,800

so david wrote this up so ross coldhat

2662

01:40:03,270 --> 01:40:02,400

didn't been an interview and i don't

2663

01:40:05,189 --> 01:40:03,280

want to

2664

01:40:06,870 --> 01:40:05,199

let me see if i could pull it up without

2665

01:40:08,390 --> 01:40:06,880

showing anything else in your private

2666

01:40:10,229 --> 01:40:08,400

message i don't think there's anything

2667

01:40:11,590 --> 01:40:10,239

really controversial in david's private

2668

01:40:13,590 --> 01:40:11,600

message to me

2669

01:40:17,270 --> 01:40:13,600

um

2670

01:40:18,790 --> 01:40:17,280

let me just see give me one second

2671

01:40:20,390 --> 01:40:18,800

if there's anything

2672

01:40:23,830 --> 01:40:20,400

sensitive in there no i'm gonna read

2673

01:40:26,390 --> 01:40:23,840

what david wrote and it's ross coltar

2674

01:40:27,750 --> 01:40:26,400

who wrote

2675

01:40:31,750 --> 01:40:27,760

let's see

2676

01:40:33,270 --> 01:40:31,760

he did a documentary the ufo phenomenon

2677

01:40:34,870 --> 01:40:33,280

and he wrote a book and i'm drawing a

2678

01:40:37,189 --> 01:40:34,880

blank on the name of his book but let me

2679

01:40:38,390 --> 01:40:37,199

let me pull this up

2680

01:40:42,870 --> 01:40:38,400

is

2681

01:40:44,950 --> 01:40:42,880

it's well it's a done deal as if i think

2682

01:40:46,870 --> 01:40:44,960

the pentagon is doing it i'm not sure i

2683

01:40:49,189 --> 01:40:46,880

do not know how how that works where

2684

01:40:51,510 --> 01:40:49,199

congress can say you need to stop that

2685

01:40:52,870 --> 01:40:51,520

effort i would think they could

2686

01:40:54,390 --> 01:40:52,880

you know i'm not sure what the funding

2687

01:40:57,669 --> 01:40:54,400

is on that

2688

01:41:01,830 --> 01:40:59,669

if if congress can say sorry the

2689

01:41:04,550 --> 01:41:01,840

gillibrand amendment and rubio amendment

2690

01:41:08,390 --> 01:41:04,560

has been passed do away with your aoi

2691

01:41:10,550 --> 01:41:08,400

msg no astro is not a goner no no no no

2692

01:41:13,270 --> 01:41:10,560

no just be patient with that

2693

01:41:15,270 --> 01:41:13,280

still a ways to go um not a goner

2694

01:41:17,030 --> 01:41:15,280

so let me let me read you with

2695

01:41:20,950 --> 01:41:17,040

what david wrote

2696

01:41:22,950 --> 01:41:20,960

and i will put it on the screen

2697

01:41:26,310 --> 01:41:22,960

in one second

2698

01:41:32,709 --> 01:41:28,870

david hey so this is david's message i'm

2699

01:41:34,310 --> 01:41:32,719

not sure where he posted this but

2700

01:41:35,990 --> 01:41:34,320

so david wrote this and it's an

2701

01:41:38,070 --> 01:41:36,000

interview ross did with

2702

01:41:43,510 --> 01:41:38,080

christina gomez interviewed ross i'll

2703

01:41:48,070 --> 01:41:45,910

and david begins there are claims in

2704

01:41:49,830 --> 01:41:48,080

this interview by mainstream journalist

2705

01:41:53,189 --> 01:41:49,840

ross colthardt

2706

01:41:54,950 --> 01:41:53,199

that a california californian aerospace

2707

01:41:57,669 --> 01:41:54,960

company may be paying

2708

01:42:00,070 --> 01:41:57,679

a group of ex-military personnel

2709

01:42:02,709 --> 01:42:00,080

to travel worldwide investigating ufo

2710

01:42:04,950 --> 01:42:02,719

events and retrieving physical samples

2711

01:42:07,189 --> 01:42:04,960

speaking to christina gomez

2712

01:42:09,109 --> 01:42:07,199

ross said

2713

01:42:11,189 --> 01:42:09,119

i do not believe that the technology

2714

01:42:13,669 --> 01:42:11,199

that is in possession of the us has been

2715

01:42:16,950 --> 01:42:13,679

deliberately divested to private

2716

01:42:18,950 --> 01:42:16,960

i do believe that technology in the us

2717

01:42:21,109 --> 01:42:18,960

has been deliberately divested to

2718

01:42:23,109 --> 01:42:21,119

private aerospace i know this is a

2719

01:42:25,109 --> 01:42:23,119

controversial allegation but i think

2720

01:42:27,590 --> 01:42:25,119

that there's been a deliberate attempt

2721

01:42:29,669 --> 01:42:27,600

by certain sections of your military and

2722

01:42:32,229 --> 01:42:29,679

intelligence services to avoid

2723

01:42:35,270 --> 01:42:32,239

accountability and transparency

2724

01:42:37,750 --> 01:42:35,280

and that is what they're worried about

2725

01:42:44,550 --> 01:42:37,760

they've actually committed

2726

01:42:44,560 --> 01:42:48,229

sorry i had to sneeze there

2727

01:42:48,239 --> 01:42:51,350

they're worried about

2728

01:42:54,629 --> 01:42:52,870

they want to avoid

2729

01:42:57,030 --> 01:42:54,639

accountability and transparency and

2730

01:42:59,030 --> 01:42:57,040

that's that's what they're worried about

2731

01:43:01,350 --> 01:42:59,040

they've actually committed crimes

2732

01:43:03,270 --> 01:43:01,360

they've avoided admitting to oversight

2733

01:43:05,590 --> 01:43:03,280

committees of the united states congress

2734

01:43:07,910 --> 01:43:05,600

that there is technology that technology

2735

01:43:10,550 --> 01:43:07,920

that has been quietly hived off into

2736

01:43:12,790 --> 01:43:10,560

private aerospace companies

2737

01:43:14,149 --> 01:43:12,800

and i've been told by people

2738

01:43:15,910 --> 01:43:14,159

in

2739

01:43:17,910 --> 01:43:15,920

i have to be careful here let me just

2740

01:43:20,310 --> 01:43:17,920

say i'm aware of claims that there is a

2741

01:43:21,270 --> 01:43:20,320

group of ex-military who go around the

2742

01:43:23,669 --> 01:43:21,280

world

2743

01:43:25,750 --> 01:43:23,679

investigating the phenomena and my

2744

01:43:27,669 --> 01:43:25,760

understanding is they're not paid by any

2745

01:43:29,350 --> 01:43:27,679

government

2746

01:43:30,629 --> 01:43:29,360

they're paid by a private aerospace

2747

01:43:32,629 --> 01:43:30,639

company based out of long beach

2748

01:43:34,550 --> 01:43:32,639

california now let me just stop right

2749

01:43:36,470 --> 01:43:34,560

there in the interview that that luis

2750

01:43:40,390 --> 01:43:36,480

elizondo did with richard dolan which i

2751  
01:43:42,709 --> 01:43:40,400  
transcribed on my on my blog ufojoe.net

2752  
01:43:45,030 --> 01:43:42,719  
lou talks about a close colleague a

2753  
01:43:48,149 --> 01:43:45,040  
close colleague of his encountering men

2754  
01:43:49,350 --> 01:43:48,159  
in black like a many a men in black type

2755  
01:43:51,510 --> 01:43:49,360  
group

2756  
01:43:53,750 --> 01:43:51,520  
um something that operates on the black

2757  
01:43:56,070 --> 01:43:53,760  
side of the house he said something in

2758  
01:43:57,590 --> 01:43:56,080  
black budget he didn't say it was run by

2759  
01:43:59,189 --> 01:43:57,600  
an aerospace corporation but he said

2760  
01:44:01,270 --> 01:43:59,199  
that a close colleague of his

2761  
01:44:02,790 --> 01:44:01,280  
encountered them and these people yeah

2762  
01:44:05,350 --> 01:44:02,800  
basically they arrive on the scene and

2763  
01:44:07,830 --> 01:44:05,360

they confiscate ufo data

2764

01:44:09,430 --> 01:44:07,840

and they intimidate people is this the

2765

01:44:11,510 --> 01:44:09,440

same group that ross is talking about

2766

01:44:14,149 --> 01:44:11,520

here i don't know

2767

01:44:18,390 --> 01:44:15,990

he says it's a private aerospace company

2768

01:44:20,229 --> 01:44:18,400

based out of long beach california

2769

01:44:21,830 --> 01:44:20,239

somebody today told me the only

2770

01:44:23,830 --> 01:44:21,840

aerospace company they know in long

2771

01:44:26,070 --> 01:44:23,840

beach is boeing

2772

01:44:27,590 --> 01:44:26,080

ross continues i've spoken to former

2773

01:44:29,430 --> 01:44:27,600

military personnel who claim to have

2774

01:44:30,870 --> 01:44:29,440

been part of that body

2775

01:44:32,830 --> 01:44:30,880

a number of them are people who've

2776

01:44:35,430 --> 01:44:32,840

worked for our defense signals

2777

01:44:37,510 --> 01:44:35,440

director as it was then known or

2778

01:44:39,590 --> 01:44:37,520

other intelligence or military services

2779

01:44:42,070 --> 01:44:39,600

in our country but i'm told there is a

2780

01:44:44,310 --> 01:44:42,080

collaborative effort to investigate the

2781

01:44:46,390 --> 01:44:44,320

phenomenon and to retrieve any physical

2782

01:44:48,709 --> 01:44:46,400

samples and this has been going on for

2783

01:44:50,390 --> 01:44:48,719

some time

2784

01:44:52,070 --> 01:44:50,400

speaking of a very deliberate effort

2785

01:44:53,910 --> 01:44:52,080

made by key officials in your government

2786

01:44:56,550 --> 01:44:53,920

to shut down and neutralize public

2787

01:44:58,629 --> 01:44:56,560

interest in the phenomenon ross added

2788

01:45:00,709 --> 01:44:58,639

incredible as it may sound religious

2789

01:45:02,790 --> 01:45:00,719

zealots inside inside your military

2790

01:45:04,229 --> 01:45:02,800

establishment are trying to shut down

2791

01:45:05,990 --> 01:45:04,239

shut this down because they find the

2792

01:45:07,510 --> 01:45:06,000

whole thing offensive to their religious

2793

01:45:09,350 --> 01:45:07,520

beliefs

2794

01:45:11,510 --> 01:45:09,360

they're deep evangelical christians at

2795

01:45:13,350 --> 01:45:11,520

high levels in the intelligence services

2796

01:45:16,470 --> 01:45:13,360

particularly the u.s air force and

2797

01:45:18,229 --> 01:45:16,480

they're just morally offended

2798

01:45:21,109 --> 01:45:18,239

by the idea that there might be a

2799

01:45:22,790 --> 01:45:21,119

non-human explanation for the phenomenon

2800

01:45:24,310 --> 01:45:22,800

so what do they do they stick their

2801

01:45:26,550 --> 01:45:24,320

heads in the sand and they lie to the

2802

01:45:28,390 --> 01:45:26,560

american public about it and frankly

2803

01:45:30,709 --> 01:45:28,400

they'll keep on lying unless you good

2804

01:45:32,310 --> 01:45:30,719

people out there start shaking the cage

2805

01:45:34,470 --> 01:45:32,320

rattling the cage and demanding

2806

01:45:36,470 --> 01:45:34,480

information because you can we're at

2807

01:45:37,430 --> 01:45:36,480

such an important time here where all of

2808

01:45:39,510 --> 01:45:37,440

a sudden

2809

01:45:41,030 --> 01:45:39,520

the congress has a proposition before it

2810

01:45:43,830 --> 01:45:41,040

where essentially the congress would

2811

01:45:46,550 --> 01:45:43,840

require uap transparency it would

2812

01:45:48,550 --> 01:45:46,560

require reports every year i think every

2813

01:45:50,149 --> 01:45:48,560

six months detailing with the united

2814

01:45:51,030 --> 01:45:50,159

states government knows about the uap

2815

01:45:52,310 --> 01:45:51,040

issue

2816

01:45:54,390 --> 01:45:52,320

dealing

2817

01:45:55,990 --> 01:45:54,400

detailing what the us government knows

2818

01:45:58,390 --> 01:45:56,000

about

2819

01:46:01,350 --> 01:45:58,400

incredible references to alien life

2820

01:46:02,950 --> 01:46:01,360

non-human entities and recovered craft

2821

01:46:05,189 --> 01:46:02,960

these recommendations by senator

2822

01:46:07,109 --> 01:46:05,199

gillibrand are absolutely fundamentally

2823

01:46:10,470 --> 01:46:07,119

important to our understanding our

2824

01:46:12,870 --> 01:46:10,480

potential understanding as humanity

2825

01:46:13,910 --> 01:46:12,880

as humanity of what is probably one of

2826

01:46:16,229 --> 01:46:13,920

the most

2827

01:46:18,709 --> 01:46:16,239

monumental monumental secrets that's

2828

01:46:21,430 --> 01:46:18,719

ever been kept it is the biggest story

2829

01:46:23,430 --> 01:46:21,440

of our time i cannot overstate this and

2830

01:46:25,830 --> 01:46:23,440

i don't care for a moment what the

2831

01:46:27,669 --> 01:46:25,840

skeptics and debunkers say the level of

2832

01:46:31,109 --> 01:46:27,679

proof is now far beyond the criminal

2833

01:46:32,470 --> 01:46:31,119

burden of proof beyond reasonable doubt

2834

01:46:34,390 --> 01:46:32,480

there is something that the united

2835

01:46:36,070 --> 01:46:34,400

states is sitting on that it doesn't

2836

01:46:37,910 --> 01:46:36,080

want you to know and key officials in

2837

01:46:39,990 --> 01:46:37,920

your air force and your intelligence

2838

01:46:41,910 --> 01:46:40,000

services are desperately trying to stop

2839

01:46:43,510 --> 01:46:41,920

you from finding out about it

2840

01:46:45,750 --> 01:46:43,520

now you can go on for the rest of your

2841

01:46:47,750 --> 01:46:45,760

life in a sleepy days and just let the

2842

01:46:49,590 --> 01:46:47,760

world manipulate manipulate itself

2843

01:46:52,310 --> 01:46:49,600

around you or you can find out what's

2844

01:46:55,030 --> 01:46:52,320

really going on because i've spoken to

2845

01:46:57,109 --> 01:46:55,040

some of these people i've i've spoken to

2846

01:46:59,430 --> 01:46:57,119

some of these insiders i know what's

2847

01:47:01,109 --> 01:46:59,440

coming there's a lot of that i can't

2848

01:47:03,430 --> 01:47:01,119

talk about but some of the revelations

2849

01:47:05,669 --> 01:47:03,440

are breathtaking and i think people just

2850

01:47:08,470 --> 01:47:05,679

need to realize they have the power to

2851  
01:47:10,550 --> 01:47:08,480  
push they have the power to force change

2852  
01:47:12,149 --> 01:47:10,560  
we are at an absolutely monumental

2853  
01:47:13,910 --> 01:47:12,159  
moment in political history in the

2854  
01:47:16,070 --> 01:47:13,920  
united states where the congress is

2855  
01:47:17,910 --> 01:47:16,080  
deciding once and for all will the

2856  
01:47:19,669 --> 01:47:17,920  
public ever know

2857  
01:47:23,350 --> 01:47:19,679  
this is it

2858  
01:47:25,270 --> 01:47:23,360  
and that is david heath transcribing

2859  
01:47:27,990 --> 01:47:25,280  
ross coltart's interview with christina

2860  
01:47:30,149 --> 01:47:28,000  
gomez that is david's

2861  
01:47:32,950 --> 01:47:30,159  
twitter you could follow him

2862  
01:47:34,870 --> 01:47:32,960  
and christina gomez i'll link to that

2863  
01:47:37,189 --> 01:47:34,880

article but

2864

01:47:40,149 --> 01:47:37,199

i will also pull up on a screen for

2865

01:47:42,390 --> 01:47:40,159

people who have not

2866

01:47:43,189 --> 01:47:42,400

signed up for twitter which you should

2867

01:47:44,950 --> 01:47:43,199

but

2868

01:47:47,669 --> 01:47:44,960

the next best thing is to follow me here

2869

01:47:49,510 --> 01:47:47,679

but i can't cover every little thing

2870

01:47:51,430 --> 01:47:49,520

darn it i don't know what the name for

2871

01:47:53,109 --> 01:47:51,440

um

2872

01:47:55,030 --> 01:47:53,119

twitter is so

2873

01:47:56,470 --> 01:47:55,040

she has a name eyes on the i think it's

2874

01:47:57,990 --> 01:47:56,480

eyes

2875

01:47:59,350 --> 01:47:58,000

um

2876

01:48:00,629 --> 01:47:59,360

there we go

2877

01:48:01,910 --> 01:48:00,639

i remembered so that's that's

2878

01:48:06,870 --> 01:48:01,920

christina's

2879

01:48:09,430 --> 01:48:06,880

she works for the debrief

2880

01:48:11,030 --> 01:48:09,440

and that's her twitter handle

2881

01:48:13,750 --> 01:48:11,040

i have not listened to that interview if

2882

01:48:15,669 --> 01:48:13,760

it wasn't for david transcribing i would

2883

01:48:18,709 --> 01:48:15,679

have not

2884

01:48:19,669 --> 01:48:18,719

known about it so thank you david um any

2885

01:48:22,550 --> 01:48:19,679

quick

2886

01:48:24,790 --> 01:48:22,560

comments before i go

2887

01:48:27,189 --> 01:48:24,800

where's danny sheehan ben good question

2888

01:48:28,709 --> 01:48:27,199

i gotta put out my 70 000 danny sheen

2889

01:48:29,910 --> 01:48:28,719

transcript which is really really

2890

01:48:31,750 --> 01:48:29,920

repetitive but i think i'm just going to

2891

01:48:33,990 --> 01:48:31,760

put it out and not worry about

2892

01:48:37,669 --> 01:48:34,000

adding too much to it people can read

2893

01:48:39,510 --> 01:48:37,679

read it or ignore it it's really long

2894

01:48:43,669 --> 01:48:39,520

also there are a lot of companies listed

2895

01:48:53,990 --> 01:48:44,830

the

2896

01:48:57,030 --> 01:48:54,000

but yeah some of what we're dealing with

2897

01:48:58,870 --> 01:48:57,040

maybe that i don't know

2898

01:49:00,470 --> 01:48:58,880

and the only company i see making tech

2899

01:49:02,629 --> 01:49:00,480

breakthroughs in the military sector is

2900

01:49:04,229 --> 01:49:02,639

lockheed

2901  
01:49:05,669 --> 01:49:04,239  
so i don't know who's ross talk who ross

2902  
01:49:07,830 --> 01:49:05,679  
is talking about i know he's sharing

2903  
01:49:08,950 --> 01:49:07,840  
information with what his sources tell

2904  
01:49:13,430 --> 01:49:08,960  
him

2905  
01:49:15,510 --> 01:49:13,440  
but

2906  
01:49:17,109 --> 01:49:15,520  
um he's an investigative reporter if he

2907  
01:49:18,709 --> 01:49:17,119  
has sources that he trusts and he's

2908  
01:49:20,310 --> 01:49:18,719  
sharing what he can with us i don't see

2909  
01:49:22,229 --> 01:49:20,320  
why he would be criticized but there are

2910  
01:49:23,109 --> 01:49:22,239  
people that criticize him

2911  
01:49:24,470 --> 01:49:23,119  
um

2912  
01:49:27,030 --> 01:49:24,480  
i won't get into it there's some big

2913  
01:49:29,510 --> 01:49:27,040

names that criticize him

2914

01:49:30,629 --> 01:49:29,520

i don't know who ross's sources are but

2915

01:49:32,709 --> 01:49:30,639

um

2916

01:49:34,629 --> 01:49:32,719

he's a former 60 minutes australia

2917

01:49:35,910 --> 01:49:34,639

investigative reporter who won a lot of

2918

01:49:37,109 --> 01:49:35,920

awards and

2919

01:49:39,430 --> 01:49:37,119

it's not

2920

01:49:41,430 --> 01:49:39,440

every day that we have an international

2921

01:49:43,990 --> 01:49:41,440

national reporter interested in this and

2922

01:49:46,149 --> 01:49:44,000

staying on top of it so

2923

01:49:47,669 --> 01:49:46,159

i think we we should support them i mean

2924

01:49:49,350 --> 01:49:47,679

i don't know whose sources are like i

2925

01:49:51,189 --> 01:49:49,360

said so

2926

01:49:52,870 --> 01:49:51,199

um and he talks there are other people

2927

01:49:55,589 --> 01:49:52,880

too that talk about time travel being

2928

01:49:58,709 --> 01:49:55,599

involved in this

2929

01:50:01,589 --> 01:49:58,719

you know i don't know um

2930

01:50:03,589 --> 01:50:01,599

definitely that is my coolest

2931

01:50:05,589 --> 01:50:03,599

solution or part of the solution if

2932

01:50:07,270 --> 01:50:05,599

we're dealing with some of

2933

01:50:08,390 --> 01:50:07,280

our cells from the future which would be

2934

01:50:09,750 --> 01:50:08,400

really cool

2935

01:50:11,589 --> 01:50:09,760

um

2936

01:50:13,990 --> 01:50:11,599

but as ross said that would mean that

2937

01:50:15,189 --> 01:50:14,000

they felt compelled enough to come back

2938

01:50:17,030 --> 01:50:15,199

to this time

2939

01:50:19,030 --> 01:50:17,040

and you know because something happens

2940

01:50:21,270 --> 01:50:19,040

in the future

2941

01:50:22,709 --> 01:50:21,280

so

2942

01:50:25,109 --> 01:50:22,719

david said i posted a link to half a

2943

01:50:26,709 --> 01:50:25,119

dozen aerospace groups out of long beach

2944

01:50:35,830 --> 01:50:26,719

okay

2945

01:50:37,589 --> 01:50:35,840

person just doesn't believe

2946

01:50:39,750 --> 01:50:37,599

what ross is saying that his sources are

2947

01:50:43,990 --> 01:50:39,760

wrong but that's fine ross

2948

01:50:46,470 --> 01:50:44,000

ross can only go by his sources so

2949

01:50:49,430 --> 01:50:46,480

i don't know he's but ross did say he he

2950

01:50:50,629 --> 01:50:49,440

has an idea of what's coming which

2951

01:50:52,950 --> 01:50:50,639

then

2952

01:50:54,470 --> 01:50:52,960

we'll see stuff so i don't know

2953

01:50:56,550 --> 01:50:54,480

i don't know do we have to push hard to

2954

01:50:58,470 --> 01:50:56,560

see i know or is it just going to come

2955

01:51:02,629 --> 01:50:58,480

out because that's just what's happening

2956

01:51:06,870 --> 01:51:05,430

and i know yeah mark dr masters yeah he

2957

01:51:08,790 --> 01:51:06,880

believes that we're dealing with time

2958

01:51:10,390 --> 01:51:08,800

travelers whitley strieber mentioned one

2959

01:51:12,149 --> 01:51:10,400

of the ladies who encountered a being at

2960

01:51:13,350 --> 01:51:12,159

the cabin

2961

01:51:18,950 --> 01:51:13,360

said

2962

01:51:20,310 --> 01:51:18,960

you're going to look just like this one

2963

01:51:22,950 --> 01:51:20,320

day so that makes me think time

2964

01:51:25,030 --> 01:51:22,960

travelers too so

2965

01:51:26,870 --> 01:51:25,040

i don't know like i said every day it's

2966

01:51:30,790 --> 01:51:26,880

different

2967

01:51:33,109 --> 01:51:30,800

what we're dealing with nothing nothing

2968

01:51:35,669 --> 01:51:33,119

set in stone whatsoever

2969

01:51:37,430 --> 01:51:35,679

just that something is here i i said the

2970

01:51:38,950 --> 01:51:37,440

other other day on another show that i'm

2971

01:51:40,870 --> 01:51:38,960

hoping

2972

01:51:43,189 --> 01:51:40,880

i am open to everything being black

2973

01:51:44,709 --> 01:51:43,199

technology from the beginning of this in

2974

01:51:46,950 --> 01:51:44,719

the 40s but

2975

01:51:49,350 --> 01:51:46,960

the percentage i give the odds of that

2976

01:51:51,750 --> 01:51:49,360

being the truth are like for me i'm just

2977

01:51:53,589 --> 01:51:51,760

doing you know just keeping my mind open

2978

01:51:55,270 --> 01:51:53,599

but it's like down here

2979

01:51:56,790 --> 01:51:55,280

i don't think that's the case obviously

2980

01:51:57,589 --> 01:51:56,800

when kit green and i say this all the

2981

01:51:59,750 --> 01:51:57,599

time

2982

01:52:00,950 --> 01:51:59,760

when kit green tells me his parents had

2983

01:52:02,550 --> 01:52:00,960

a sighting

2984

01:52:05,669 --> 01:52:02,560

um

2985

01:52:07,030 --> 01:52:05,679

back in the early 30s of a craft rising

2986

01:52:08,709 --> 01:52:07,040

up out of a lake

2987

01:52:11,669 --> 01:52:08,719

with multiple witnesses you know that's

2988

01:52:14,310 --> 01:52:11,679

a trans medium classic flying saucer i

2989

01:52:16,070 --> 01:52:14,320

don't think that's black technology so

2990

01:52:17,910 --> 01:52:16,080

well kit green lied to you because he's

2991

01:52:20,310 --> 01:52:17,920

part of the psyop okay everything is a

2992

01:52:21,990 --> 01:52:20,320

psy up i know i get it it gets more it

2993

01:52:25,750 --> 01:52:22,000

gets really tiring

2994

01:52:25,760 --> 01:52:28,870

all right last one

2995

01:52:31,990 --> 01:52:30,470

tom delong said on rogan we're dealing

2996

01:52:33,910 --> 01:52:32,000

with did not sound like time travelers

2997

01:52:35,750 --> 01:52:33,920

seems more like archons yeah i don't

2998

01:52:37,189 --> 01:52:35,760

know if you know

2999

01:52:39,510 --> 01:52:37,199

um

3000

01:52:41,270 --> 01:52:39,520

tom and peter lavender there's an

3001  
01:52:42,790 --> 01:52:41,280  
interview i need to transcribe where

3002  
01:52:44,629 --> 01:52:42,800  
lavender talked about there was one

3003  
01:52:46,870 --> 01:52:44,639  
source they had they called him

3004  
01:52:48,149 --> 01:52:46,880  
informants la mendo calls him informants

3005  
01:52:49,669 --> 01:52:48,159  
and he said

3006  
01:52:51,350 --> 01:52:49,679  
he thought they were pulling

3007  
01:52:54,149 --> 01:52:51,360  
their this informant was pulling their

3008  
01:52:55,589 --> 01:52:54,159  
leg because it's a big question where is

3009  
01:52:57,510 --> 01:52:55,599  
their information coming from where is

3010  
01:52:59,830 --> 01:52:57,520  
tom delong's information coming from as

3011  
01:53:02,149 --> 01:52:59,840  
ross coltart said nobody thinks tom

3012  
01:53:04,550 --> 01:53:02,159  
delong is lying the question is

3013  
01:53:06,709 --> 01:53:04,560

are the people that de long and lavender

3014

01:53:09,189 --> 01:53:06,719

are talking to are they lying to them

3015

01:53:11,270 --> 01:53:09,199

you know just like with eric davis and

3016

01:53:13,189 --> 01:53:11,280

and the crash retrievals was admiral

3017

01:53:15,589 --> 01:53:13,199

wilson lying to him or was the person

3018

01:53:17,430 --> 01:53:15,599

that admiral wilson found at the

3019

01:53:19,270 --> 01:53:17,440

aerospace company the daylight admiral

3020

01:53:21,830 --> 01:53:19,280

wilson i don't think so i do think we

3021

01:53:24,070 --> 01:53:21,840

have at least one intact craft but it's

3022

01:53:26,550 --> 01:53:24,080

you know something you have to consider

3023

01:53:27,430 --> 01:53:26,560

anyway all right i'm gonna go

3024

01:53:28,709 --> 01:53:27,440

um

3025

01:53:30,870 --> 01:53:28,719

i don't know if i'll do this tomorrow

3026

01:53:33,109 --> 01:53:30,880

i'll do it more more often

3027

01:53:34,229 --> 01:53:33,119

it depends i mean it doesn't get a lot

3028

01:53:38,229 --> 01:53:34,239

of

3029

01:53:39,910 --> 01:53:38,239

for this but

3030

01:53:41,589 --> 01:53:39,920

i know it's really good for the youtube

3031

01:53:43,589 --> 01:53:41,599

folks so i'll try to do at least an hour

3032

01:53:45,350 --> 01:53:43,599

it may not be every day today was a good

3033

01:53:47,030 --> 01:53:45,360

day even though i know it was a little

3034

01:53:49,189 --> 01:53:47,040

boring from rereading

3035

01:53:49,910 --> 01:53:49,199

um

3036

01:53:50,709 --> 01:53:49,920

but

3037

01:53:52,149 --> 01:53:50,719

so

3038

01:53:54,790 --> 01:53:52,159

the green hiker

3039

01:53:56,790 --> 01:53:54,800

thank you very much

3040

01:53:58,629 --> 01:53:56,800

and as you as you do that my dog is

3041

01:54:00,870 --> 01:53:58,639

growling he's mad that i just made money

3042

01:54:04,550 --> 01:54:00,880

on this he the dog is opposed to me

3043

01:54:07,910 --> 01:54:06,229

um

3044

01:54:10,149 --> 01:54:07,920

thank you again green hiker tom could

3045

01:54:11,990 --> 01:54:10,159

absolutely be used yeah you know people

3046

01:54:13,830 --> 01:54:12,000

call him a useful useful idiot i don't

3047

01:54:15,510 --> 01:54:13,840

think he's an idiot i think he

3048

01:54:18,070 --> 01:54:15,520

was very important for what went on and

3049

01:54:19,910 --> 01:54:18,080

when the information came out so

3050

01:54:23,669 --> 01:54:19,920

all right so that was two hours that

3051

01:54:25,350 --> 01:54:23,679

went by really quick and

3052

01:54:27,030 --> 01:54:25,360

anytime in the future if you guys have

it easier i'm sure i missed questions
