

1  
00:01:38,789 --> 00:01:36,630  
now we should have sound and i will

2  
00:01:41,190 --> 00:01:38,799  
start again

3  
00:01:43,590 --> 00:01:41,200  
uh just let me know if

4  
00:01:44,630 --> 00:01:43,600  
there are any issues

5  
00:01:49,510 --> 00:01:44,640  
so

6  
00:01:50,950 --> 00:01:49,520  
month uh maybe a month and a half since

7  
00:01:52,870 --> 00:01:50,960  
i've gone

8  
00:01:55,749 --> 00:01:52,880  
live um

9  
00:01:57,590 --> 00:01:55,759  
so let me know if i'm unmuted okay good

10  
00:01:59,749 --> 00:01:57,600  
month and a half so around christmas

11  
00:02:02,709 --> 00:01:59,759  
before christmas i started having some

12  
00:02:03,910 --> 00:02:02,719  
heart issues and

13  
00:02:09,430 --> 00:02:03,920

i

14

00:02:11,750 --> 00:02:09,440

pretty

15

00:02:14,150 --> 00:02:11,760

well it was more than normal so i

16

00:02:17,990 --> 00:02:14,160

mentioned that on the last stream

17

00:02:19,910 --> 00:02:18,000

and then i got sick

18

00:02:21,830 --> 00:02:19,920

with pretty much i'm pretty i'm pretty

19

00:02:24,309 --> 00:02:21,840

sure it was covered had all the signs i

20

00:02:26,150 --> 00:02:24,319

lost my smell i lost

21

00:02:28,949 --> 00:02:26,160

my taste

22

00:02:30,869 --> 00:02:28,959

so that set me back and then i had a

23

00:02:33,110 --> 00:02:30,879

tooth problem had to have tooth surgery

24

00:02:34,949 --> 00:02:33,120

and had a tooth removed and

25

00:02:36,550 --> 00:02:34,959

that was like a month

26  
00:02:37,990 --> 00:02:36,560  
and then just to get back on the horse

27  
00:02:39,509 --> 00:02:38,000  
it's been a while i've been doing a lot

28  
00:02:41,509 --> 00:02:39,519  
of twitter if people thought if people

29  
00:02:43,350 --> 00:02:41,519  
follow me on twitter you know i'm on

30  
00:02:45,830 --> 00:02:43,360  
twitter all the time

31  
00:02:48,390 --> 00:02:45,840  
and i just need to make an effort to do

32  
00:02:50,710 --> 00:02:48,400  
youtube because i know there are people

33  
00:02:52,710 --> 00:02:50,720  
who aren't on twitter but like i said

34  
00:02:55,190 --> 00:02:52,720  
before you guys should go on twitter you

35  
00:02:57,110 --> 00:02:55,200  
should go on twitter andrew speier a

36  
00:02:59,830 --> 00:02:57,120  
person i have not seen with a lot in a

37  
00:03:01,990 --> 00:02:59,840  
long time haven't spoken with

38  
00:03:03,670 --> 00:03:02,000

andy and i worked on pawn stars andy

39

00:03:05,509 --> 00:03:03,680

worked at the store i worked on the show

40

00:03:07,110 --> 00:03:05,519

that was i was on i was on that show for

41

00:03:10,550 --> 00:03:07,120

seven years

42

00:03:13,430 --> 00:03:12,550

glad you're around andy good to see you

43

00:03:15,270 --> 00:03:13,440

um

44

00:03:18,070 --> 00:03:15,280

so anyway

45

00:03:20,470 --> 00:03:18,080

i was sick got over it and now i'm back

46

00:03:23,990 --> 00:03:20,480

and since we left

47

00:03:27,270 --> 00:03:24,000

we now have the official ufo office that

48

00:03:28,869 --> 00:03:27,280

biden signed into law um

49

00:03:31,589 --> 00:03:28,879

nothing new on that we're waiting you

50

00:03:33,509 --> 00:03:31,599

know thank god for kirsten gillibrand

51  
00:03:35,190 --> 00:03:33,519  
and rubio and

52  
00:03:37,110 --> 00:03:35,200  
congressman gallego they were the

53  
00:03:39,030 --> 00:03:37,120  
driving forces and why we have an

54  
00:03:40,470 --> 00:03:39,040  
official ufo office

55  
00:03:41,670 --> 00:03:40,480  
and i know a lot of people are worried

56  
00:03:43,509 --> 00:03:41,680  
that

57  
00:03:45,509 --> 00:03:43,519  
you know the under secretary of defense

58  
00:03:47,589 --> 00:03:45,519  
for intelligence that office that lou

59  
00:03:48,949 --> 00:03:47,599  
came from they're gonna squash

60  
00:03:49,990 --> 00:03:48,959  
everything and they're gonna they have

61  
00:03:52,949 --> 00:03:50,000  
their own

62  
00:03:56,149 --> 00:03:52,959  
program called our office called the

63  
00:03:58,229 --> 00:03:56,159

a let's see aoi i wrote it down aoi msg

64

00:03:59,509 --> 00:03:58,239

which is ridiculous but let's just be

65

00:04:01,190 --> 00:03:59,519

patient i've said that from the

66

00:04:03,030 --> 00:04:01,200

beginning lewis spoken about it when he

67

00:04:04,789 --> 00:04:03,040

was on coast to coast which i do have

68

00:04:07,670 --> 00:04:04,799

the transcript done i have semi-vans

69

00:04:10,309 --> 00:04:07,680

transcript done i'm working on the eric

70

00:04:11,830 --> 00:04:10,319

weinstein and he'll put off transcript

71

00:04:13,830 --> 00:04:11,840

um this week

72

00:04:15,190 --> 00:04:13,840

should be something interesting because

73

00:04:16,789 --> 00:04:15,200

i always say

74

00:04:18,550 --> 00:04:16,799

you should be in this for the long run

75

00:04:20,710 --> 00:04:18,560

but along the way we'll get a lot of

76

00:04:21,990 --> 00:04:20,720

surprises and i think this week is going

77

00:04:25,590 --> 00:04:22,000

to be a surprise so i don't want to say

78

00:04:29,510 --> 00:04:27,590

yeah terry

79

00:04:30,710 --> 00:04:29,520

it was not a good month but whatever i'm

80

00:04:32,950 --> 00:04:30,720

over it

81

00:04:35,430 --> 00:04:32,960

thanks jeff yes i'm feeling better um

82

00:04:36,870 --> 00:04:35,440

one thing that really annoyed me

83

00:04:38,550 --> 00:04:36,880

somebody's trying to come in but their

84

00:04:41,510 --> 00:04:38,560

devices are not connected so i don't

85

00:04:43,350 --> 00:04:41,520

know how that works um but if you use i

86

00:04:45,270 --> 00:04:43,360

will i will put out the invite again if

87

00:04:47,189 --> 00:04:45,280

any of you guys want to come on feel

88

00:04:48,550 --> 00:04:47,199

free to ask any questions and interrupt

89

00:04:51,110 --> 00:04:48,560

i will

90

00:04:54,230 --> 00:04:51,120

answer any questions as long as i

91

00:04:56,469 --> 00:04:54,240

any questions that i can

92

00:04:59,189 --> 00:04:56,479

that is the link

93

00:05:00,710 --> 00:04:59,199

if you want to either audio vid video

94

00:05:03,430 --> 00:05:00,720

you can come on and ask questions or

95

00:05:05,830 --> 00:05:03,440

talk about whatever you want um so harry

96

00:05:08,790 --> 00:05:05,840

harry reid left us since i was last here

97

00:05:10,870 --> 00:05:08,800

he passed away uh he had he had

98

00:05:12,710 --> 00:05:10,880

pancreatic cancer and i lost my mom to

99

00:05:14,230 --> 00:05:12,720

pancreatic cancer so i knew as soon as

100

00:05:16,390 --> 00:05:14,240

he was diagnosed

101  
00:05:18,390 --> 00:05:16,400  
his time was limited but he fought and

102  
00:05:19,749 --> 00:05:18,400  
he lasted for a while it was a couple of

103  
00:05:22,710 --> 00:05:19,759  
years and

104  
00:05:24,790 --> 00:05:22,720  
the thing that really pissed me off was

105  
00:05:26,710 --> 00:05:24,800  
none of the media when they were talking

106  
00:05:28,950 --> 00:05:26,720  
about his accomplishments the only media

107  
00:05:31,430 --> 00:05:28,960  
that covered his ufo

108  
00:05:32,230 --> 00:05:31,440  
activism for lack of a better word was

109  
00:05:35,990 --> 00:05:32,240  
the

110  
00:05:39,990 --> 00:05:36,000  
of course

111  
00:05:41,270 --> 00:05:40,000  
george knapp so but george knapp has

112  
00:05:42,790 --> 00:05:41,280  
covered that story for a while and he

113  
00:05:44,710 --> 00:05:42,800

was friends with

114

00:05:46,550 --> 00:05:44,720

with harry reid if you're a journalist

115

00:05:48,710 --> 00:05:46,560

covering the death of harry reid even if

116

00:05:50,469 --> 00:05:48,720

you have no interest in ufos how do you

117

00:05:51,909 --> 00:05:50,479

not mention that when you're talking

118

00:05:53,670 --> 00:05:51,919

about his accomplishments it's something

119

00:05:56,150 --> 00:05:53,680

he was proud of

120

00:05:57,830 --> 00:05:56,160

he wrote an entire forward of for

121

00:06:00,150 --> 00:05:57,840

skinwalkers in the pentagon which is a

122

00:06:01,350 --> 00:06:00,160

great read and these reporters just

123

00:06:03,510 --> 00:06:01,360

didn't mention it i think it's

124

00:06:05,350 --> 00:06:03,520

embarrassing for a reporter and i really

125

00:06:07,590 --> 00:06:05,360

want to reach out to some of the local

126

00:06:10,230 --> 00:06:07,600

reporters and say how do you not

127

00:06:11,749 --> 00:06:10,240

not even mention his interest in ufos

128

00:06:12,629 --> 00:06:11,759

it's not like it was a passing interest

129

00:06:15,029 --> 00:06:12,639

the guy

130

00:06:16,950 --> 00:06:15,039

helped start a program a program that

131

00:06:18,830 --> 00:06:16,960

helped us get to the ufo office that we

132

00:06:22,469 --> 00:06:18,840

have now

133

00:06:25,830 --> 00:06:22,479

so annoying and um disappointing

134

00:06:27,909 --> 00:06:25,840

definitely disappointing in the media

135

00:06:30,710 --> 00:06:27,919

yeah i know i know ross has said it and

136

00:06:33,350 --> 00:06:30,720

and so as um

137

00:06:35,590 --> 00:06:33,360

bryce zabel it's just embarrassing if

138

00:06:38,230 --> 00:06:35,600

you're a reporter how you not if you

139

00:06:40,629 --> 00:06:38,240

cover the man's life

140

00:06:42,950 --> 00:06:40,639

you can think ufos are a joke you should

141

00:06:45,029 --> 00:06:42,960

still mention that harry reid had a

142

00:06:47,990 --> 00:06:45,039

passion for the subject

143

00:06:51,029 --> 00:06:48,000

thanks to george knapp back in

144

00:06:53,110 --> 00:06:51,039

89 i think is when knapp first spoke to

145

00:06:54,790 --> 00:06:53,120

to read in a limousine on the way to the

146

00:06:56,309 --> 00:06:54,800

airport which is now harry reid

147

00:06:57,189 --> 00:06:56,319

international airport and they spoke

148

00:07:00,309 --> 00:06:57,199

about

149

00:07:01,670 --> 00:07:00,319

bob lazar and that was the beginning of

150

00:07:03,029 --> 00:07:01,680

reed's interest

151

00:07:05,430 --> 00:07:03,039

and then he went to some science

152

00:07:07,029 --> 00:07:05,440

advisory board meetings at nids that

153

00:07:09,710 --> 00:07:07,039

robert bigelow was running and that was

154

00:07:12,790 --> 00:07:09,720

the beginning of everything and then

155

00:07:14,870 --> 00:07:12,800

2007 is when

156

00:07:16,950 --> 00:07:14,880

the osap program the idea for the

157

00:07:18,629 --> 00:07:16,960

program was was uh

158

00:07:20,309 --> 00:07:18,639

begun so

159

00:07:21,749 --> 00:07:20,319

um

160

00:07:23,189 --> 00:07:21,759

recently

161

00:07:24,870 --> 00:07:23,199

chris mellon

162

00:07:26,710 --> 00:07:24,880

spoke about the air force and how

163

00:07:28,950 --> 00:07:26,720

they're still not giving they're still

164

00:07:30,550 --> 00:07:28,960

not sharing information we're not

165

00:07:32,150 --> 00:07:30,560

hearing from air force pilots i mean

166

00:07:33,749 --> 00:07:32,160

there's been a few

167

00:07:35,510 --> 00:07:33,759

from what we heard but

168

00:07:38,469 --> 00:07:35,520

nothing like the navy

169

00:07:40,309 --> 00:07:38,479

so then i had somebody say well remember

170

00:07:42,230 --> 00:07:40,319

the air force academy is located in a

171

00:07:45,749 --> 00:07:42,240

part of colorado it's surrounded by

172

00:07:48,230 --> 00:07:45,759

evangelical christians and those folks

173

00:07:51,749 --> 00:07:48,240

are a big big reason why we're not

174

00:07:54,070 --> 00:07:51,759

getting information um about ufos so i

175

00:07:55,670 --> 00:07:54,080

posted some articles on twitter

176

00:07:57,589 --> 00:07:55,680

and

177

00:07:59,270 --> 00:07:57,599

there are certain people higher ups in

178

00:08:00,629 --> 00:07:59,280

the air force not just the air force

179

00:08:02,869 --> 00:08:00,639

though the dod

180

00:08:04,469 --> 00:08:02,879

and louis spoken about it eric davis has

181

00:08:06,550 --> 00:08:04,479

spoken about it how put off has spoken

182

00:08:08,710 --> 00:08:06,560

about it joe mcmonicle the remote viewer

183

00:08:10,550 --> 00:08:08,720

has spoken about it russell targa spoken

184

00:08:13,110 --> 00:08:10,560

about it these folks really make it

185

00:08:15,909 --> 00:08:13,120

difficult to study ufos and anything

186

00:08:18,390 --> 00:08:15,919

considered a cult like remote viewing

187

00:08:18,400 --> 00:08:22,390

where was i going with that so

188

00:08:26,710 --> 00:08:24,390

so that's a big problem it's not the

189

00:08:29,029 --> 00:08:26,720

only problem i think obviously there's

190

00:08:31,270 --> 00:08:29,039

other reasons for the secrecy but those

191

00:08:33,029 --> 00:08:31,280

folks that leads me to

192

00:08:34,469 --> 00:08:33,039

the collins elite which is not in a

193

00:08:36,469 --> 00:08:34,479

according to eric davis it's not an

194

00:08:38,949 --> 00:08:36,479

official group you know it's loosely

195

00:08:41,509 --> 00:08:38,959

loosely uh organized group of folks who

196

00:08:44,149 --> 00:08:41,519

have a common belief that basically what

197

00:08:45,350 --> 00:08:44,159

we're dealing with are demons

198

00:08:49,030 --> 00:08:45,360

and

199

00:08:50,389 --> 00:08:49,040

some of your comments

200

00:08:52,230 --> 00:08:50,399

there are rumors that reid possibly

201  
00:08:53,990 --> 00:08:52,240  
recorded something prior to to his death

202  
00:08:57,590 --> 00:08:54,000  
and we may not have heard the last of

203  
00:08:59,910 --> 00:08:57,600  
him on this topic yet here's hoping

204  
00:09:01,350 --> 00:08:59,920  
i did check into that and i know it was

205  
00:09:03,030 --> 00:09:01,360  
um

206  
00:09:05,509 --> 00:09:03,040  
who was it it was

207  
00:09:07,350 --> 00:09:05,519  
jazz shaw who said that and as far as i

208  
00:09:09,190 --> 00:09:07,360  
know

209  
00:09:10,150 --> 00:09:09,200  
that is not true

210  
00:09:11,750 --> 00:09:10,160  
um

211  
00:09:14,470 --> 00:09:11,760  
so i mean there could have been an

212  
00:09:16,630 --> 00:09:14,480  
interview that was recorded that was not

213  
00:09:20,829 --> 00:09:16,640

you know published

214

00:09:23,190 --> 00:09:20,839

audio video print but as far as some big

215

00:09:24,710 --> 00:09:23,200

blockbuster that he recorded before he

216

00:09:27,030 --> 00:09:24,720

died

217

00:09:28,630 --> 00:09:27,040

don't think so um hopefully i'm wrong

218

00:09:30,949 --> 00:09:28,640

and he's surprised there's some surprise

219

00:09:32,150 --> 00:09:30,959

interview but i did check and the answer

220

00:09:35,190 --> 00:09:32,160

i got back was

221

00:09:37,269 --> 00:09:35,200

as far as i know no

222

00:09:37,720 --> 00:09:37,279

so

223

00:09:38,870 --> 00:09:37,730

um

224

00:09:40,710 --> 00:09:38,880

[Music]

225

00:09:42,949 --> 00:09:40,720

so yeah we have

226

00:09:45,750 --> 00:09:42,959

the evangelical christians who believe

227

00:09:47,269 --> 00:09:45,760

that ufos are demons and also remote

228

00:09:48,630 --> 00:09:47,279

viewing which is a psych you know using

229

00:09:50,389 --> 00:09:48,640

your psychic ability to collect

230

00:09:53,030 --> 00:09:50,399

information

231

00:09:56,949 --> 00:09:53,040

is dealing with the dark side so they

232

00:10:00,630 --> 00:09:56,959

helped kill that program back in the 90s

233

00:10:01,990 --> 00:10:00,640

and they helped kill astep

234

00:10:04,389 --> 00:10:02,000

and then you have the columns elite

235

00:10:06,389 --> 00:10:04,399

folks and listening to nick redfern who

236

00:10:09,829 --> 00:10:06,399

wrote a book about the collins elite i

237

00:10:12,069 --> 00:10:09,839

think it was 2011 or 2010 it was called

238

00:10:13,110 --> 00:10:12,079

final events

239

00:10:15,190 --> 00:10:13,120

and

240

00:10:17,030 --> 00:10:15,200

red fern who i really haven't read

241

00:10:18,870 --> 00:10:17,040

because it seems like he puts out a book

242

00:10:20,790 --> 00:10:18,880

every week i'm like

243

00:10:21,670 --> 00:10:20,800

and um i had i have a source who said

244

00:10:24,069 --> 00:10:21,680

listen

245

00:10:26,310 --> 00:10:24,079

you want to know what's going on read

246

00:10:28,069 --> 00:10:26,320

diana pasulka american cosmic which

247

00:10:30,550 --> 00:10:28,079

everybody should read

248

00:10:31,590 --> 00:10:30,560

um because pasulka basically confirms

249

00:10:33,430 --> 00:10:31,600

which

250

00:10:35,350 --> 00:10:33,440

i already knew and a lot of people knew

251  
00:10:37,110 --> 00:10:35,360  
but pasalka about a week ago she wrote

252  
00:10:39,670 --> 00:10:37,120  
american cosmic

253  
00:10:41,590 --> 00:10:39,680  
and she said that james the character in

254  
00:10:43,910 --> 00:10:41,600  
that book is gary nolan

255  
00:10:46,630 --> 00:10:43,920  
so when you read that book

256  
00:10:48,470 --> 00:10:46,640  
you'll see that he's an experiencer so

257  
00:10:50,230 --> 00:10:48,480  
that was nice to see that she came out

258  
00:10:51,560 --> 00:10:50,240  
and gary joked about it because i don't

259  
00:10:52,949 --> 00:10:51,570  
think he really cares um

260  
00:10:55,110 --> 00:10:52,959  
[Music]

261  
00:10:56,790 --> 00:10:55,120  
he's an experiencer and he's a top-notch

262  
00:10:58,310 --> 00:10:56,800  
scientist at stanford and that's a big

263  
00:11:00,710 --> 00:10:58,320

deal i don't think enough people have

264

00:11:02,389 --> 00:11:00,720

put two and two together

265

00:11:04,550 --> 00:11:02,399

if you're an experimenter to see somebody

266

00:11:07,190 --> 00:11:04,560

like that

267

00:11:09,030 --> 00:11:07,200

he didn't come out but i mean basically

268

00:11:10,470 --> 00:11:09,040

you know that's him that's a pretty big

269

00:11:12,790 --> 00:11:10,480

deal because people are always like oh

270

00:11:14,949 --> 00:11:12,800

the people who see ufos and are abducted

271

00:11:17,430 --> 00:11:14,959

they live in the middle of nowhere you

272

00:11:19,269 --> 00:11:17,440

know it's some farmer well no you have a

273

00:11:21,030 --> 00:11:19,279

top rated

274

00:11:22,710 --> 00:11:21,040

top-notch scientist at stanford

275

00:11:24,790 --> 00:11:22,720

university and it talks in the book

276

00:11:27,030 --> 00:11:24,800

about his family being experienced so

277

00:11:28,550 --> 00:11:27,040

that's a really big deal and hopefully

278

00:11:30,230 --> 00:11:28,560

the media will pick up on it i don't

279

00:11:31,829 --> 00:11:30,240

know if he'll talk to it talk about that

280

00:11:33,910 --> 00:11:31,839

to media members

281

00:11:35,430 --> 00:11:33,920

but it's in the book and it was nice to

282

00:11:38,230 --> 00:11:35,440

see her put it out there and he did not

283

00:11:42,630 --> 00:11:38,240

deny it he just joked around with it

284

00:11:46,790 --> 00:11:44,310

hi joe great interview info that you've

285

00:11:48,150 --> 00:11:46,800

been putting out there also i'm liking

286

00:11:49,750 --> 00:11:48,160

the ross coulter has been doing an

287

00:11:51,269 --> 00:11:49,760

amazing job he has the guts to ask the

288

00:11:53,110 --> 00:11:51,279

tough questions and respect to get an

289

00:11:54,230 --> 00:11:53,120

answer ross was one of my sources back

290

00:11:56,550 --> 00:11:54,240

then

291

00:11:57,990 --> 00:11:56,560

2020 that i i

292

00:11:59,910 --> 00:11:58,000

i put

293

00:12:01,350 --> 00:11:59,920

i'm trying to think of the right wording

294

00:12:03,590 --> 00:12:01,360

i am

295

00:12:07,829 --> 00:12:03,600

i would ask ross hey i'm working on the

296

00:12:11,190 --> 00:12:09,750

mega blog and i would throw something at

297

00:12:13,190 --> 00:12:11,200

ross what do you think about that so he

298

00:12:15,269 --> 00:12:13,200

was a really valuable resource me for me

299

00:12:17,269 --> 00:12:15,279

back then he's been really

300

00:12:21,910 --> 00:12:17,279

great about sharing information to help

301  
00:12:26,949 --> 00:12:24,550  
so back to what i was saying um so the

302  
00:12:28,310 --> 00:12:26,959  
collins elite

303  
00:12:29,910 --> 00:12:28,320  
i started listening to interviews with

304  
00:12:32,870 --> 00:12:29,920  
redfearn and he's basically saying the

305  
00:12:35,190 --> 00:12:32,880  
collins elite believe that these are

306  
00:12:37,030 --> 00:12:35,200  
demons and originally he said he spoke

307  
00:12:38,870 --> 00:12:37,040  
to i think seven members of the collins

308  
00:12:41,030 --> 00:12:38,880  
elite one of them was a senior member

309  
00:12:42,310 --> 00:12:41,040  
allegedly i don't know how you confirm

310  
00:12:44,230 --> 00:12:42,320  
that because they don't they're not a

311  
00:12:45,509 --> 00:12:44,240  
real organization like in the government

312  
00:12:47,509 --> 00:12:45,519  
it's loosely

313  
00:12:51,670 --> 00:12:47,519

organized not official

314

00:12:54,710 --> 00:12:52,949

one of your transcripts recent coastal

315

00:12:56,710 --> 00:12:54,720

coast interview lou you mentioned a few

316

00:12:58,790 --> 00:12:56,720

names who've been problematic to the

317

00:13:01,030 --> 00:12:58,800

release of uap info

318

00:13:02,870 --> 00:13:01,040

yeah i don't know i put that out there

319

00:13:04,790 --> 00:13:02,880

i don't want to i don't want to dox

320

00:13:08,790 --> 00:13:04,800

people i don't want

321

00:13:11,350 --> 00:13:08,800

that i i am confident with those names

322

00:13:13,350 --> 00:13:11,360

i don't know anything about them

323

00:13:15,269 --> 00:13:13,360

marcel letra was mentioned in

324

00:13:16,790 --> 00:13:15,279

skinwalkers at the pentagon but him and

325

00:13:18,310 --> 00:13:16,800

the other person

326

00:13:20,230 --> 00:13:18,320

were

327

00:13:22,470 --> 00:13:20,240

allegedly instrumental in killing the

328

00:13:23,829 --> 00:13:22,480

ossap program they played a large role

329

00:13:24,870 --> 00:13:23,839

in that so

330

00:13:26,310 --> 00:13:24,880

i don't really don't know what to do

331

00:13:28,550 --> 00:13:26,320

with that information it's like what are

332

00:13:30,310 --> 00:13:28,560

we gonna do i mean okay

333

00:13:31,990 --> 00:13:30,320

i mean yeah their name is out there but

334

00:13:33,190 --> 00:13:32,000

it's not like we should

335

00:13:34,870 --> 00:13:33,200

do anything

336

00:13:36,310 --> 00:13:34,880

i'm really careful i know i know

337

00:13:37,750 --> 00:13:36,320

recently when

338

00:13:39,750 --> 00:13:37,760

george knapp interviewed lou and they

339

00:13:42,150 --> 00:13:39,760

mentioned i think it was gary reed it's

340

00:13:44,629 --> 00:13:42,160

like that's the guy that's you know not

341

00:13:47,509 --> 00:13:44,639

too thrilled with lou i think it was i

342

00:13:50,790 --> 00:13:47,519

know it was lou superior um

343

00:13:53,189 --> 00:13:50,800

but i don't want to go on like i'm a

344

00:13:55,269 --> 00:13:53,199

a witch hunt against these folks but you

345

00:13:59,269 --> 00:13:55,279

know

346

00:14:01,430 --> 00:13:59,279

they still wield as far as keeping this

347

00:14:03,590 --> 00:14:01,440

information secret i don't and i and i

348

00:14:05,269 --> 00:14:03,600

was talking with merrick i forget

349

00:14:07,110 --> 00:14:05,279

merrick's last name but he he wrote he

350

00:14:09,590 --> 00:14:07,120

writes a lot of articles for the hill a

351

00:14:13,189 --> 00:14:09,600

lot of op-eds if you've seen recently

352

00:14:14,629 --> 00:14:13,199

he's done a great job but he

353

00:14:16,230 --> 00:14:14,639

he's like there's no government he

354

00:14:18,389 --> 00:14:16,240

doesn't think there's a government-wide

355

00:14:21,030 --> 00:14:18,399

cover-up i agree i agree the people who

356

00:14:23,030 --> 00:14:21,040

know the information it's not it's not

357

00:14:24,470 --> 00:14:23,040

the entire government or the majority of

358

00:14:26,870 --> 00:14:24,480

the government it's pockets within the

359

00:14:28,790 --> 00:14:26,880

government certain stove pipes pipes

360

00:14:31,030 --> 00:14:28,800

certain people in special access

361

00:14:32,710 --> 00:14:31,040

programs i don't know how much i think

362

00:14:34,389 --> 00:14:32,720

you have levels you have people who know

363

00:14:37,110 --> 00:14:34,399

yes there are ufo

364

00:14:39,670 --> 00:14:37,120

videos that are unbelievable

365

00:14:41,110 --> 00:14:39,680

not just our country i'm not and i heard

366

00:14:43,030 --> 00:14:41,120

that i mean we already have heard that

367

00:14:45,110 --> 00:14:43,040

from lou too

368

00:14:46,949 --> 00:14:45,120

and then hal put off said to eric

369

00:14:49,269 --> 00:14:46,959

weinstein he's like

370

00:14:51,509 --> 00:14:49,279

as good as you would expect or hope

371

00:14:53,430 --> 00:14:51,519

there are yes there are videos out there

372

00:14:55,269 --> 00:14:53,440

but then you have another level with the

373

00:14:57,990 --> 00:14:55,279

alleged crash retrieval program and

374

00:15:00,389 --> 00:14:58,000

other data which is stored in you know

375

00:15:03,350 --> 00:15:00,399

as far as i know on unacknowledged

376

00:15:04,949 --> 00:15:03,360

special access programs and

377

00:15:05,910 --> 00:15:04,959

eric davis has said the amount of people

378

00:15:08,629 --> 00:15:05,920

who have

379

00:15:09,990 --> 00:15:08,639

access to those programs is so tiny so

380

00:15:13,269 --> 00:15:10,000

it's a very small amount of people who

381

00:15:18,550 --> 00:15:13,279

have that information

382

00:15:22,710 --> 00:15:20,550

lockheed i did not know that and i don't

383

00:15:25,110 --> 00:15:22,720

know if lockheed is the one that has

384

00:15:27,350 --> 00:15:25,120

the alleged crash retrieval program i

385

00:15:28,550 --> 00:15:27,360

don't know eric davis has said no if he

386

00:15:31,350 --> 00:15:28,560

read my

387

00:15:32,790 --> 00:15:31,360

mega blog he said no that no lockheed is

388

00:15:34,470 --> 00:15:32,800

not but

389

00:15:35,910 --> 00:15:34,480

i don't know um

390

00:15:37,749 --> 00:15:35,920

and i really don't get wrapped up people

391

00:15:39,430 --> 00:15:37,759

like you should look at this company

392

00:15:41,509 --> 00:15:39,440

this company

393

00:15:42,310 --> 00:15:41,519

it's not going to be up to us to get

394

00:15:43,670 --> 00:15:42,320

that

395

00:15:45,670 --> 00:15:43,680

information out i don't know if they'll

396

00:15:47,670 --> 00:15:45,680

ever like say congress does find out

397

00:15:49,189 --> 00:15:47,680

that we have a crescent people program

398

00:15:51,350 --> 00:15:49,199

you know eric davis gave them

399

00:15:52,949 --> 00:15:51,360

information according to chris mellon

400

00:15:55,189 --> 00:15:52,959

because chris mellon was on capitol hill

401  
00:15:56,629 --> 00:15:55,199  
when eric davis gave briefings to the

402  
00:16:11,030 --> 00:15:56,639  
you know what i'm gonna take a break

403  
00:16:15,590 --> 00:16:12,790  
eric davis

404  
00:16:18,069 --> 00:16:15,600  
2019 gave a couple of

405  
00:16:19,509 --> 00:16:18,079  
classified briefings he said

406  
00:16:21,110 --> 00:16:19,519  
to the senate select intelligence

407  
00:16:23,910 --> 00:16:21,120  
committee and the senate armed services

408  
00:16:25,670 --> 00:16:23,920  
committee and the dod agency which was

409  
00:16:27,030 --> 00:16:25,680  
reported in the new york times and

410  
00:16:28,629 --> 00:16:27,040  
christopher mellon said that he was

411  
00:16:30,470 --> 00:16:28,639  
there

412  
00:16:31,829 --> 00:16:30,480  
for those briefings and he said eric

413  
00:16:33,910 --> 00:16:31,839

gave them enough information where they

414

00:16:35,670 --> 00:16:33,920

can go check so let them go check

415

00:16:38,230 --> 00:16:35,680

whether or not if they do let's say they

416

00:16:39,670 --> 00:16:38,240

find it first of all do they have access

417

00:16:41,910 --> 00:16:39,680

if they're not on the bigot list they're

418

00:16:43,189 --> 00:16:41,920

not gonna have access but if they do get

419

00:16:45,590 --> 00:16:43,199

access i don't think they're gonna just

420

00:16:47,910 --> 00:16:45,600

say by the way americans uh in the world

421

00:16:49,590 --> 00:16:47,920

we just found the craft from roswell or

422

00:16:51,829 --> 00:16:49,600

we found the craft from

423

00:16:53,910 --> 00:16:51,839

the trinity crash in 45 i don't think

424

00:16:55,590 --> 00:16:53,920

that's going to happen but

425

00:16:57,030 --> 00:16:55,600

you know lou said if you're looking for

426

00:16:58,470 --> 00:16:57,040

bodies and

427

00:16:59,829 --> 00:16:58,480

he i don't know if he said crash

428

00:17:01,430 --> 00:16:59,839

retrieval and bodies but he said if

429

00:17:03,030 --> 00:17:01,440

you're looking for bodies and that

430

00:17:05,829 --> 00:17:03,040

information to come out now he goes you

431

00:17:07,270 --> 00:17:05,839

better just go find a hobby because

432

00:17:09,270 --> 00:17:07,280

that's not happening right now he said

433

00:17:10,949 --> 00:17:09,280

come back come back in five years check

434

00:17:12,870 --> 00:17:10,959

back with us in five years now if we get

435

00:17:14,630 --> 00:17:12,880

information about bodies in five years

436

00:17:16,309 --> 00:17:14,640

i'll be pretty happy because i've been

437

00:17:17,990 --> 00:17:16,319

at this for such a long time five years

438

00:17:19,110 --> 00:17:18,000

is nothing to me i don't see anything

439

00:17:20,789 --> 00:17:19,120

happening

440

00:17:22,710 --> 00:17:20,799

full disclosure anytime soon there are

441

00:17:23,909 --> 00:17:22,720

people that disagree with disagree with

442

00:17:25,590 --> 00:17:23,919

me but

443

00:17:28,470 --> 00:17:25,600

as i say patience

444

00:17:33,669 --> 00:17:31,990

i'm trying to see

445

00:17:35,909 --> 00:17:33,679

yes peter

446

00:17:40,710 --> 00:17:35,919

hello to you too

447

00:17:44,630 --> 00:17:42,789

i don't expect

448

00:17:46,470 --> 00:17:44,640

i know people want

449

00:17:48,950 --> 00:17:46,480

public hearings in congress

450

00:17:51,110 --> 00:17:48,960

you know somebody told me privately

451  
00:17:53,029 --> 00:17:51,120  
they don't think private public hearings

452  
00:17:54,870 --> 00:17:53,039  
are coming this year i i hope that's

453  
00:17:56,150 --> 00:17:54,880  
wrong but that's just what i heard

454  
00:17:58,710 --> 00:17:56,160  
um

455  
00:18:00,950 --> 00:17:58,720  
yeah i agree troy i mean

456  
00:18:03,190 --> 00:18:00,960  
five years if we can get it

457  
00:18:05,430 --> 00:18:03,200  
if you have patience you see five years

458  
00:18:07,190 --> 00:18:05,440  
people are like five years but stuff

459  
00:18:09,430 --> 00:18:07,200  
will happen along the way it's not like

460  
00:18:12,150 --> 00:18:09,440  
we're not gonna get information

461  
00:18:13,750 --> 00:18:12,160  
information is gonna come out this year

462  
00:18:15,909 --> 00:18:13,760  
the question is how much i don't think

463  
00:18:18,150 --> 00:18:15,919

it's going to be with everybody not

464

00:18:19,830 --> 00:18:18,160

everybody but some people

465

00:18:21,750 --> 00:18:19,840

think we're having this imminent

466

00:18:23,590 --> 00:18:21,760

disclosure and

467

00:18:24,789 --> 00:18:23,600

obviously anything can change at any

468

00:18:26,549 --> 00:18:24,799

time

469

00:18:29,750 --> 00:18:26,559

especially with the phenomenon you know

470

00:18:35,590 --> 00:18:32,950

those unknown objects that you know

471

00:18:37,669 --> 00:18:35,600

swarmed the navy ships out on the west

472

00:18:39,590 --> 00:18:37,679

coast that could happen again that was

473

00:18:40,710 --> 00:18:39,600

only two years ago

474

00:18:42,310 --> 00:18:40,720

so

475

00:18:44,549 --> 00:18:42,320

and no i don't think that was russia in

476

00:18:46,950 --> 00:18:44,559

china um some people are saying like the

477

00:18:48,630 --> 00:18:46,960

people i've spoken to they're like no no

478

00:18:50,630 --> 00:18:48,640

even the higher even the higher ups

479

00:18:53,590 --> 00:18:50,640

don't know what those objects were

480

00:18:55,190 --> 00:18:53,600

um so those are a true mystery

481

00:18:59,270 --> 00:18:55,200

and

482

00:19:00,870 --> 00:18:59,280

crash retrieval records i i would think

483

00:19:03,669 --> 00:19:00,880

we would get both at the same time if we

484

00:19:05,669 --> 00:19:03,679

do get it in my lifetime

485

00:19:06,870 --> 00:19:05,679

um so yeah

486

00:19:08,950 --> 00:19:06,880

and yeah

487

00:19:11,029 --> 00:19:08,960

i i'm not gonna be i think we should

488

00:19:13,270 --> 00:19:11,039

give amnesty for people for keeping the

489

00:19:14,710 --> 00:19:13,280

secret and i've said before though if

490

00:19:16,789 --> 00:19:14,720

somebody committed violence or

491

00:19:18,390 --> 00:19:16,799

intimidation violence

492

00:19:20,390 --> 00:19:18,400

we have to look at each case on a

493

00:19:22,230 --> 00:19:20,400

case-by-case basis i don't know if

494

00:19:24,070 --> 00:19:22,240

violence has been committed

495

00:19:25,029 --> 00:19:24,080

to keep the secret i know we hear that

496

00:19:28,230 --> 00:19:25,039

but

497

00:19:29,590 --> 00:19:28,240

specific cases i don't know about

498

00:19:30,870 --> 00:19:29,600

somebody pointed it out to me and it's

499

00:19:33,669 --> 00:19:30,880

like you know you always hear those

500

00:19:35,430 --> 00:19:33,679

stories but do we have any specifics

501  
00:19:37,350 --> 00:19:35,440  
yeah big a little said it bigelow said

502  
00:19:38,870 --> 00:19:37,360  
it's right under our noses but i'm not

503  
00:19:40,630 --> 00:19:38,880  
really sure what that means i mean that

504  
00:19:42,870 --> 00:19:40,640  
could mean a lot of things i mean he's

505  
00:19:45,029 --> 00:19:42,880  
had poltergeists like

506  
00:19:47,029 --> 00:19:45,039  
poltergeist like activity in his home

507  
00:19:49,029 --> 00:19:47,039  
with his late be you know him and his

508  
00:19:50,470 --> 00:19:49,039  
late wife had it um and he didn't he

509  
00:19:54,230 --> 00:19:50,480  
said he didn't realize it would last as

510  
00:19:55,590 --> 00:19:54,240  
long as he has um

511  
00:19:57,110 --> 00:19:55,600  
and

512  
00:19:58,710 --> 00:19:57,120  
ramirez calls it a scheduled

513  
00:20:00,950 --> 00:19:58,720

dissemination of information instead of

514

00:20:03,270 --> 00:20:00,960

disclosure the

515

00:20:04,870 --> 00:20:03,280

yeah i don't know i go back and forth on

516

00:20:06,630 --> 00:20:04,880

that um

517

00:20:08,310 --> 00:20:06,640

you know eric davis says no that's not

518

00:20:09,990 --> 00:20:08,320

what's going on he's like

519

00:20:12,310 --> 00:20:10,000

and he says that if anything the

520

00:20:16,149 --> 00:20:12,320

phenomenon drives it meaning

521

00:20:17,590 --> 00:20:16,159

when you have events like 2019 2015 on

522

00:20:19,590 --> 00:20:17,600

the east coast

523

00:20:20,870 --> 00:20:19,600

2019 was the west coast that's when you

524

00:20:22,549 --> 00:20:20,880

start seeing

525

00:20:23,909 --> 00:20:22,559

people saying what's going on here we

526

00:20:25,350 --> 00:20:23,919

need to we need to look into this and

527

00:20:26,789 --> 00:20:25,360

that's what's driving it not that it's

528

00:20:28,470 --> 00:20:26,799

some control he's not talking about a

529

00:20:29,830 --> 00:20:28,480

control mechanism he's just talking

530

00:20:31,750 --> 00:20:29,840

about

531

00:20:33,909 --> 00:20:31,760

these events happen and

532

00:20:36,470 --> 00:20:33,919

they get reported and some of the speak

533

00:20:38,149 --> 00:20:36,480

you know 2004 you know those guys all

534

00:20:39,830 --> 00:20:38,159

spoke about their incident once it came

535

00:20:43,029 --> 00:20:39,840

out the tic tac incident

536

00:20:45,669 --> 00:20:43,039

so as far as a scheduled dissemination

537

00:20:47,270 --> 00:20:45,679

of information like i said eric davis in

538

00:20:48,950 --> 00:20:47,280

his interview with stephen greenstreet

539

00:20:51,350 --> 00:20:48,960

said no that's no it was uh in his

540

00:20:54,549 --> 00:20:51,360

interview with uh

541

00:20:56,149 --> 00:20:54,559

alejandra rojas 2019 he said no that's

542

00:20:58,789 --> 00:20:56,159

it's a big conspiracy that people think

543

00:20:59,990 --> 00:20:58,799

there's this group just letting this out

544

00:21:01,990 --> 00:21:00,000

slowly

545

00:21:04,470 --> 00:21:02,000

but you know i could be wrong he could

546

00:21:06,230 --> 00:21:04,480

be wrong i i don't think so but

547

00:21:08,549 --> 00:21:06,240

you know the i don't know but as long as

548

00:21:10,950 --> 00:21:08,559

the information keeps coming out i don't

549

00:21:11,990 --> 00:21:10,960

care as lou said lou said uh at one

550

00:21:13,590 --> 00:21:12,000

point he says

551  
00:21:15,270 --> 00:21:13,600  
people think it's some psyop he's like

552  
00:21:17,029 --> 00:21:15,280  
well let's say it is a psy you're

553  
00:21:18,549 --> 00:21:17,039  
getting the information so it's really

554  
00:21:19,909 --> 00:21:18,559  
do you really care

555  
00:21:21,270 --> 00:21:19,919  
uh of course it depends on what kind of

556  
00:21:23,190 --> 00:21:21,280  
site we're talking about and what the

557  
00:21:25,110 --> 00:21:23,200  
end game is but yeah we're getting

558  
00:21:26,549 --> 00:21:25,120  
information for the first time since i

559  
00:21:27,909 --> 00:21:26,559  
got into this

560  
00:21:29,669 --> 00:21:27,919  
and that's that's right i have to

561  
00:21:31,350 --> 00:21:29,679  
explain how i got into the subject i

562  
00:21:32,630 --> 00:21:31,360  
promised a couple of people

563  
00:21:34,070 --> 00:21:32,640

um

564

00:21:35,909 --> 00:21:34,080

i thought we would have i got into this

565

00:21:38,470 --> 00:21:35,919

96 or so and i thought we would have

566

00:21:40,950 --> 00:21:38,480

disclosure by 2000 so for me to see

567

00:21:43,190 --> 00:21:40,960

what's going on now is just amazing

568

00:21:44,630 --> 00:21:43,200

um because there was a lull for a long

569

00:21:46,230 --> 00:21:44,640

time where it was just you know new

570

00:21:48,230 --> 00:21:46,240

books were coming out nothing major and

571

00:21:49,510 --> 00:21:48,240

i was getting bored i'm like all right

572

00:21:51,190 --> 00:21:49,520

i'm not going to pay attention as much

573

00:21:53,190 --> 00:21:51,200

as i have in the past

574

00:21:58,149 --> 00:21:53,200

and then 2017 happened and then that

575

00:22:04,710 --> 00:21:59,750

i could see many reasons for not

576  
00:22:07,669 --> 00:22:05,510  
yeah

577  
00:22:09,990 --> 00:22:07,679  
i can't see that not playing a role

578  
00:22:12,950 --> 00:22:10,000  
especially if

579  
00:22:14,390 --> 00:22:12,960  
extraterrestrial and people like well

580  
00:22:15,669 --> 00:22:14,400  
that would be a big story i think they

581  
00:22:17,909 --> 00:22:15,679  
would have to think twice about letting

582  
00:22:18,549 --> 00:22:17,919  
that information out but

583  
00:22:20,549 --> 00:22:18,559  
you know what if they're

584  
00:22:21,990 --> 00:22:20,559  
interdimensional beings that some people

585  
00:22:23,270 --> 00:22:22,000  
are gonna say they're demons i think

586  
00:22:25,190 --> 00:22:23,280  
they'd be

587  
00:22:26,950 --> 00:22:25,200  
a little hesitant to say yeah they can

588  
00:22:28,070 --> 00:22:26,960

move among us and we can't really see

589

00:22:29,830 --> 00:22:28,080

them because they operate in the

590

00:22:32,070 --> 00:22:29,840

electromagnetic spectrum that we really

591

00:22:34,470 --> 00:22:32,080

can't see unless we have instruments and

592

00:22:36,549 --> 00:22:34,480

they sometimes can influence us because

593

00:22:38,950 --> 00:22:36,559

that's the story with um

594

00:22:41,350 --> 00:22:38,960

paul eno who somebody introduced me to

595

00:22:44,470 --> 00:22:41,360

his works and he he

596

00:22:47,190 --> 00:22:44,480

he said in 1973 long time paranormal

597

00:22:49,909 --> 00:22:47,200

paranormal investigator he said in 1973

598

00:22:52,950 --> 00:22:49,919

he was working with 20 uh seven

599

00:22:54,230 --> 00:22:52,960

exorcist uh folks they were supposedly

600

00:22:57,029 --> 00:22:54,240

possessed and he was working with a

601  
00:22:59,590 --> 00:22:57,039  
priest and five of the seven people who

602  
00:23:00,870 --> 00:22:59,600  
were allegedly possessed had had ufo

603  
00:23:02,549 --> 00:23:00,880  
encounters so there's some sort of

604  
00:23:04,710 --> 00:23:02,559  
connection i don't know if the

605  
00:23:05,990 --> 00:23:04,720  
phenomenon is connected to that or maybe

606  
00:23:08,630 --> 00:23:06,000  
this is something separate that was

607  
00:23:10,070 --> 00:23:08,640  
mimicking ufo sightings i don't know but

608  
00:23:11,510 --> 00:23:10,080  
there's some sort of connection and

609  
00:23:13,510 --> 00:23:11,520  
whether or not it's one intelligence

610  
00:23:16,230 --> 00:23:13,520  
here or a whole bunch of different ones

611  
00:23:17,750 --> 00:23:16,240  
time travelers e.t interdimensional

612  
00:23:18,789 --> 00:23:17,760  
i don't know i go back and forth i've

613  
00:23:21,110 --> 00:23:18,799

heard different things from different

614

00:23:23,029 --> 00:23:21,120

people most folks say we don't know we

615

00:23:24,710 --> 00:23:23,039

just don't know

616

00:23:26,149 --> 00:23:24,720

i think they know what some of them look

617

00:23:27,830 --> 00:23:26,159

like but that doesn't tell you where

618

00:23:28,870 --> 00:23:27,840

they are doesn't tell you what they are

619

00:23:30,710 --> 00:23:28,880

uh

620

00:23:33,190 --> 00:23:30,720

you know i don't know how you would

621

00:23:34,789 --> 00:23:33,200

figure that out unless we have data that

622

00:23:36,630 --> 00:23:34,799

shows them coming from

623

00:23:38,549 --> 00:23:36,640

way out in deep space and as far as i

624

00:23:40,149 --> 00:23:38,559

know

625

00:23:41,909 --> 00:23:40,159

i read it was a message board by

626

00:23:42,789 --> 00:23:41,919

somebody who has had clearances and they

627

00:23:45,269 --> 00:23:42,799

said

628

00:23:47,190 --> 00:23:45,279

yeah that data doesn't exist as far as

629

00:23:48,870 --> 00:23:47,200

what i've seen but maybe it's locked up

630

00:23:50,950 --> 00:23:48,880

in some special access program they

631

00:23:53,110 --> 00:23:50,960

didn't say special access program they

632

00:23:54,870 --> 00:23:53,120

said that data could exist that shows

633

00:23:58,870 --> 00:23:54,880

they're coming from another planet but i

634

00:23:58,880 --> 00:24:03,029

just going through some of your comments

635

00:24:07,669 --> 00:24:05,269

the aurora i remember the

636

00:24:09,269 --> 00:24:07,679

aurora hearing about it

637

00:24:11,110 --> 00:24:09,279

that mentioned some folks experiencing

638

00:24:13,029 --> 00:24:11,120

hitchhiker effects after merely reading

639

00:24:15,669 --> 00:24:13,039

skin workers at the pentagon i have not

640

00:24:17,990 --> 00:24:15,679

where did he say that i did not see that

641

00:24:20,630 --> 00:24:18,000

um

642

00:24:23,990 --> 00:24:20,640

i mean i was working on

643

00:24:26,230 --> 00:24:24,000

skin war a skinwalker

644

00:24:27,990 --> 00:24:26,240

no as far as i i have not really had you

645

00:24:29,750 --> 00:24:28,000

know you start getting paranoid you read

646

00:24:32,149 --> 00:24:29,760

some of these cases where people drove

647

00:24:34,310 --> 00:24:32,159

by a haunted location and then they said

648

00:24:36,390 --> 00:24:34,320

they had some hitchhikers type stuff

649

00:24:38,950 --> 00:24:36,400

come come home with them but me

650

00:24:40,789 --> 00:24:38,960

personally no i had one experience here

651  
00:24:41,909 --> 00:24:40,799  
uh like a ball of light went outside but

652  
00:24:43,909 --> 00:24:41,919  
i don't think i don't think i was

653  
00:24:46,789 --> 00:24:43,919  
working on anything skinwalker related

654  
00:24:49,029 --> 00:24:46,799  
at the time

655  
00:24:50,870 --> 00:24:49,039  
yeah i don't i have not heard that as

656  
00:24:53,190 --> 00:24:50,880  
far as reading the book

657  
00:24:55,110 --> 00:24:53,200  
and if you heard knapp say that let me

658  
00:24:58,710 --> 00:24:55,120  
know where it is

659  
00:25:02,230 --> 00:25:00,470  
yeah we still don't know what he was

660  
00:25:03,909 --> 00:25:02,240  
told the long was told something you

661  
00:25:05,430 --> 00:25:03,919  
know when he was in the early days he

662  
00:25:07,269 --> 00:25:05,440  
was meeting with these intel folks and

663  
00:25:08,710 --> 00:25:07,279

they said something to him that caused

664

00:25:10,630 --> 00:25:08,720

him to lose street you know he wasn't

665

00:25:12,310 --> 00:25:10,640

able to sleep for three days

666

00:25:15,909 --> 00:25:12,320

um

667

00:25:18,310 --> 00:25:15,919

i don't know if you saw my twitter today

668

00:25:19,830 --> 00:25:18,320

ted rowe who works with narcap he was

669

00:25:21,830 --> 00:25:19,840

one of the original members founding

670

00:25:23,669 --> 00:25:21,840

members he had a really

671

00:25:25,350 --> 00:25:23,679

i have to get him on on here because he

672

00:25:28,549 --> 00:25:25,360

had an amazing sighting the guy is

673

00:25:31,350 --> 00:25:28,559

really credible up close tic tac like

674

00:25:32,950 --> 00:25:31,360

object which was you could see into it

675

00:25:35,029 --> 00:25:32,960

two other witnesses in the car during

676  
00:25:36,470 --> 00:25:35,039  
the day i think it was on a highway and

677  
00:25:38,710 --> 00:25:36,480  
then he told

678  
00:25:41,269 --> 00:25:38,720  
richard haynes who was a guy who spent

679  
00:25:43,269 --> 00:25:41,279  
his life trying to

680  
00:25:44,870 --> 00:25:43,279  
educate people about ufos and flight

681  
00:25:47,669 --> 00:25:44,880  
safety with uh especially with

682  
00:25:49,029 --> 00:25:47,679  
commercial airliners um

683  
00:25:50,710 --> 00:25:49,039  
and haynes really didn't want anything

684  
00:25:52,549 --> 00:25:50,720  
to do with it that's a story that really

685  
00:25:54,470 --> 00:25:52,559  
has not been told enough he was on erica

686  
00:25:55,750 --> 00:25:54,480  
luke's show talking about that i need to

687  
00:25:59,830 --> 00:25:55,760  
listen to the rest of his interview

688  
00:26:06,470 --> 00:25:59,840

which is which i linked to today

689

00:26:10,950 --> 00:26:08,149

but of course i can't remember which one

690

00:26:14,390 --> 00:26:10,960

i'll ask him i haven't heard that but i

691

00:26:19,029 --> 00:26:15,590

i'm trying to

692

00:26:23,750 --> 00:26:21,830

dodie um no i don't get asked about

693

00:26:26,549 --> 00:26:23,760

dodie a lot but if i post something on

694

00:26:27,669 --> 00:26:26,559

dodie i get a lot of flack um i met him

695

00:26:30,549 --> 00:26:27,679

at the

696

00:26:32,390 --> 00:26:30,559

mega conference in laughlin in june

697

00:26:33,990 --> 00:26:32,400

nice guy everybody who meets him likes

698

00:26:35,990 --> 00:26:34,000

him very likable

699

00:26:37,510 --> 00:26:36,000

um he says he was just following orders

700

00:26:39,350 --> 00:26:37,520

with

701  
00:26:40,710 --> 00:26:39,360  
um

702  
00:26:42,710 --> 00:26:40,720  
of course i'm gonna i'm gonna oh

703  
00:26:44,310 --> 00:26:42,720  
benowitz paul benowitz where

704  
00:26:46,470 --> 00:26:44,320  
for people who don't know the story paul

705  
00:26:48,470 --> 00:26:46,480  
benowitz supposedly saw something

706  
00:26:50,870 --> 00:26:48,480  
from his apartment using his binoculars

707  
00:26:54,470 --> 00:26:50,880  
i think at kirkland air force base and

708  
00:26:56,149 --> 00:26:54,480  
then i guess the story that dodi says is

709  
00:26:57,590 --> 00:26:56,159  
he you know

710  
00:26:58,950 --> 00:26:57,600  
bennett saw something that the

711  
00:27:00,870 --> 00:26:58,960  
government was a government secret

712  
00:27:02,230 --> 00:27:00,880  
program he had stumbled upon so they had

713  
00:27:04,310 --> 00:27:02,240

to

714

00:27:07,750 --> 00:27:04,320

confuse him by telling him no that's ufo

715

00:27:09,029 --> 00:27:07,760

stuff paul anyway the end stories

716

00:27:11,029 --> 00:27:09,039

kind of lost his mind a little bit and

717

00:27:12,950 --> 00:27:11,039

then he died he did not commit suicide i

718

00:27:15,350 --> 00:27:12,960

know christopher mellon has talked about

719

00:27:17,110 --> 00:27:15,360

it twice and mentioned how

720

00:27:18,830 --> 00:27:17,120

benoit's committed suicide but he did

721

00:27:22,070 --> 00:27:18,840

not

722

00:27:24,230 --> 00:27:22,080

um also richard dougherty fed

723

00:27:25,560 --> 00:27:24,240

he openly said he fed linda molten house

724

00:27:27,750 --> 00:27:25,570

on bs um

725

00:27:29,350 --> 00:27:27,760

[Music]

726

00:27:30,950 --> 00:27:29,360

he gave her i'm not sure if he ever said

727

00:27:33,350 --> 00:27:30,960

the document he gave her was bs the

728

00:27:35,430 --> 00:27:33,360

document that rich that linda how is

729

00:27:37,669 --> 00:27:35,440

spoken about forever where it says the

730

00:27:38,630 --> 00:27:37,679

the question about you know

731

00:27:41,190 --> 00:27:38,640

he says

732

00:27:43,830 --> 00:27:41,200

it said that

733

00:27:46,389 --> 00:27:43,840

the intelligence came here and they were

734

00:27:48,389 --> 00:27:46,399

they messed they they basically upgraded

735

00:27:50,149 --> 00:27:48,399

already evolving primates on this planet

736

00:27:51,990 --> 00:27:50,159

in other words genetically engineered us

737

00:27:53,990 --> 00:27:52,000

that was the big takeaway from her what

738

00:27:55,590 --> 00:27:54,000

she was able to read not take any notes

739

00:27:56,470 --> 00:27:55,600

no pictures

740

00:27:58,149 --> 00:27:56,480

um

741

00:28:00,789 --> 00:27:58,159

dodie has some interesting information

742

00:28:02,310 --> 00:28:00,799

it's really hard for me to tell

743

00:28:03,909 --> 00:28:02,320

if some of the information is not true

744

00:28:05,269 --> 00:28:03,919

because some of it is really far out

745

00:28:06,870 --> 00:28:05,279

there talking about

746

00:28:09,430 --> 00:28:06,880

guys going you know military guys going

747

00:28:11,990 --> 00:28:09,440

to this mountain in nevada and then

748

00:28:14,070 --> 00:28:12,000

underground and seeing uh aliens and

749

00:28:15,430 --> 00:28:14,080

aliens in this base and

750

00:28:16,630 --> 00:28:15,440

another one where these people were

751  
00:28:19,269 --> 00:28:16,640  
killed by

752  
00:28:21,190 --> 00:28:19,279  
uh tall whites or or nordics they

753  
00:28:22,389 --> 00:28:21,200  
basically ripped this one guy apart i

754  
00:28:24,310 --> 00:28:22,399  
mean

755  
00:28:26,549 --> 00:28:24,320  
you know it's like

756  
00:28:28,470 --> 00:28:26,559  
i'm open-minded but it's just a story

757  
00:28:30,470 --> 00:28:28,480  
like most of ufology it's a story and

758  
00:28:31,590 --> 00:28:30,480  
i've only heard it from him so it's hard

759  
00:28:33,269 --> 00:28:31,600  
to judge

760  
00:28:34,710 --> 00:28:33,279  
um

761  
00:28:37,590 --> 00:28:34,720  
so i don't know i know hal put off

762  
00:28:39,190 --> 00:28:37,600  
worked with him for a while at

763  
00:28:40,870 --> 00:28:39,200

earth tech and

764

00:28:42,950 --> 00:28:40,880

put up had good things to say about him

765

00:28:44,630 --> 00:28:42,960

and he said that some of the stuff dodie

766

00:28:49,990 --> 00:28:44,640

gave them checked out some of it didn't

767

00:28:59,590 --> 00:28:53,269

undecided nice guy though

768

00:29:02,470 --> 00:29:00,710

i'm trying to

769

00:29:03,750 --> 00:29:02,480

there we go i just recently watched an

770

00:29:05,430 --> 00:29:03,760

interview where he talked about being

771

00:29:08,789 --> 00:29:05,440

present at an abduction and it's pretty

772

00:29:14,310 --> 00:29:12,149

peter thank you very much um

773

00:29:16,470 --> 00:29:14,320

i will get to in a second um an

774

00:29:18,230 --> 00:29:16,480

abduction and a military abduction a my

775

00:29:20,070 --> 00:29:18,240

lab which he's spoken about i don't know

776

00:29:22,789 --> 00:29:20,080

if he said my lot but he said

777

00:29:23,830 --> 00:29:22,799

military was faking some abductions and

778

00:29:25,510 --> 00:29:23,840

i wrote to him and he's like i didn't

779

00:29:28,070 --> 00:29:25,520

say they faked all it was a very small

780

00:29:29,830 --> 00:29:28,080

part of what is going on he thinks real

781

00:29:32,789 --> 00:29:29,840

abductions are going on

782

00:29:36,389 --> 00:29:34,870

i think in his interview with stephen

783

00:29:38,230 --> 00:29:36,399

grier's where he mentioned that and then

784

00:29:40,549 --> 00:29:38,240

grier said oh look he said it's all

785

00:29:42,630 --> 00:29:40,559

military and and dodi's like nope i

786

00:29:45,510 --> 00:29:42,640

didn't say that i was taken and i went

787

00:29:47,990 --> 00:29:45,520

back and watched it um

788

00:29:49,350 --> 00:29:48,000

grier has his theories so

789

00:29:51,029 --> 00:29:49,360

he used that for one of his

790

00:29:52,630 --> 00:29:51,039

documentaries

791

00:29:54,230 --> 00:29:52,640

i'm not so quick to judge anyone in the

792

00:29:55,909 --> 00:29:54,240

field especially being on the impression

793

00:29:57,430 --> 00:29:55,919

any one person does not have the full

794

00:29:59,010 --> 00:29:57,440

picture

795

00:30:00,230 --> 00:29:59,020

yeah i'm the same way um

796

00:30:02,549 --> 00:30:00,240

[Music]

797

00:30:04,470 --> 00:30:02,559

i definitely do not have i have opinions

798

00:30:06,230 --> 00:30:04,480

and speculation everything else you know

799

00:30:08,230 --> 00:30:06,240

the most i'll say is i believe something

800

00:30:09,909 --> 00:30:08,240

and i say this all the time something is

801  
00:30:11,990 --> 00:30:09,919  
interacting with human beings and has

802  
00:30:12,950 --> 00:30:12,000  
been for a very long time

803  
00:30:14,710 --> 00:30:12,960  
um

804  
00:30:16,230 --> 00:30:14,720  
that's my belief everything else is

805  
00:30:17,750 --> 00:30:16,240  
speculation

806  
00:30:19,269 --> 00:30:17,760  
and that's peter peter thank you very

807  
00:30:22,549 --> 00:30:19,279  
much

808  
00:30:25,590 --> 00:30:22,559  
and i can't read uh

809  
00:30:28,870 --> 00:30:25,600  
i don't have a translator on here

810  
00:30:30,549 --> 00:30:28,880  
so i don't know what you said

811  
00:30:32,630 --> 00:30:30,559  
but thank you

812  
00:30:34,310 --> 00:30:32,640  
i'll have to look it up later when i

813  
00:30:35,990 --> 00:30:34,320

could pull that and um put it into a

814

00:30:37,909 --> 00:30:36,000

translator

815

00:30:39,510 --> 00:30:37,919

i was on a new ufo's brother episode i

816

00:30:41,430 --> 00:30:39,520

watched he talked to them about a story

817

00:30:43,430 --> 00:30:41,440

he said he hadn't told anyone before so

818

00:30:45,190 --> 00:30:43,440

i'm 50 50. yeah

819

00:30:46,789 --> 00:30:45,200

it's really hard because

820

00:30:48,230 --> 00:30:46,799

you listen to him and you sit down you

821

00:30:49,750 --> 00:30:48,240

talk and you know it was after the

822

00:30:51,110 --> 00:30:49,760

conference we're all

823

00:30:52,630 --> 00:30:51,120

most of his stories were during the

824

00:30:54,230 --> 00:30:52,640

conference afterwards you know we talked

825

00:30:57,350 --> 00:30:54,240

about all different things and ufology

826

00:30:59,669 --> 00:30:57,360

it was great um

827

00:31:02,389 --> 00:30:59,679

that was a group it was richard dolan me

828

00:31:04,549 --> 00:31:02,399

jimmy church before he blocked me again

829

00:31:06,230 --> 00:31:04,559

um dodie and

830

00:31:08,470 --> 00:31:06,240

jordan maxwell was there jordan

831

00:31:10,389 --> 00:31:08,480

maxwell's been around forever

832

00:31:11,990 --> 00:31:10,399

um

833

00:31:13,060 --> 00:31:12,000

so back to what i was talking about the

834

00:31:14,230 --> 00:31:13,070

collins elite um

835

00:31:16,549 --> 00:31:14,240

[Music]

836

00:31:17,830 --> 00:31:16,559

so redfern said redfern said when they

837

00:31:20,149 --> 00:31:17,840

first got together they were pretty

838

00:31:20,870 --> 00:31:20,159

open-minded about various theories you

839

00:31:22,789 --> 00:31:20,880

know

840

00:31:24,789 --> 00:31:22,799

even if ufos were something negative

841

00:31:26,630 --> 00:31:24,799

they didn't just jump to the demons and

842

00:31:28,149 --> 00:31:26,640

angels you know

843

00:31:30,310 --> 00:31:28,159

the bad ones are demons the good ones

844

00:31:32,630 --> 00:31:30,320

are angels they did supposedly they do

845

00:31:35,669 --> 00:31:32,640

have that belief but early on they were

846

00:31:37,430 --> 00:31:35,679

more open like if you look at paul eno

847

00:31:39,269 --> 00:31:37,440

and he talks about exorcisms he doesn't

848

00:31:40,630 --> 00:31:39,279

think that they're demons who are

849

00:31:41,990 --> 00:31:40,640

possessing these people he thinks

850

00:31:43,590 --> 00:31:42,000

they're they're just parasites i think

851  
00:31:45,110 --> 00:31:43,600  
he says there's

852  
00:31:46,549 --> 00:31:45,120  
i don't know if it's seven eight or nine

853  
00:31:48,470 --> 00:31:46,559  
different types

854  
00:31:50,230 --> 00:31:48,480  
and i'm open to that you know it's like

855  
00:31:52,549 --> 00:31:50,240  
i don't think that's the entire answer

856  
00:31:55,430 --> 00:31:52,559  
but it could be it could be like

857  
00:31:57,669 --> 00:31:55,440  
and he says the consulate believe that

858  
00:32:00,310 --> 00:31:57,679  
the demons are pretending to be

859  
00:32:01,590 --> 00:32:00,320  
extraterrestrials trying to deceive us

860  
00:32:05,430 --> 00:32:01,600  
and

861  
00:32:07,669 --> 00:32:05,440  
they're not the only folks that believe

862  
00:32:09,350 --> 00:32:07,679  
that i think ray boucher who is the one

863  
00:32:12,710 --> 00:32:09,360

who had a meeting with

864

00:32:13,830 --> 00:32:12,720

two of these guys back it was 1991 i

865

00:32:15,269 --> 00:32:13,840

don't know if they were collins elite

866

00:32:18,549 --> 00:32:15,279

members or

867

00:32:20,870 --> 00:32:18,559

dod i think they were dod folks but

868

00:32:22,149 --> 00:32:20,880

boche was on a show talking and beauche

869

00:32:23,830 --> 00:32:22,159

is one of the people i was told by one

870

00:32:27,269 --> 00:32:23,840

of my sources to read person said

871

00:32:28,789 --> 00:32:27,279

pasalka valet boucher and redfern was

872

00:32:30,549 --> 00:32:28,799

the last thing and the person said yeah

873

00:32:32,310 --> 00:32:30,559

i know the per redfern seems to put out

874

00:32:33,430 --> 00:32:32,320

a book every week but he has done some

875

00:32:34,549 --> 00:32:33,440

good work

876

00:32:36,310 --> 00:32:34,559

um

877

00:32:37,509 --> 00:32:36,320

and final events seems like a good book

878

00:32:39,350 --> 00:32:37,519

i haven't i've only listened to

879

00:32:41,830 --> 00:32:39,360

interviews with redfern i haven't read

880

00:32:43,350 --> 00:32:41,840

the book yet

881

00:32:45,350 --> 00:32:43,360

yeah posalka

882

00:32:46,870 --> 00:32:45,360

has spoken about remember it's not

883

00:32:48,870 --> 00:32:46,880

really official name they don't have the

884

00:32:50,950 --> 00:32:48,880

ce on their jacket we are members of the

885

00:32:52,549 --> 00:32:50,960

collins elite um

886

00:32:53,590 --> 00:32:52,559

but those folks are there i have no

887

00:32:55,830 --> 00:32:53,600

doubt

888

00:32:57,990 --> 00:32:55,840

um my favorite story is joe mcmonical

889

00:33:01,430 --> 00:32:58,000

though he goes um

890

00:33:04,470 --> 00:33:03,350

they had to time to time from time to

891

00:33:05,990 --> 00:33:04,480

time they had to go and show their

892

00:33:08,070 --> 00:33:06,000

remote viewing skills to get more

893

00:33:09,669 --> 00:33:08,080

funding each year but during one of

894

00:33:10,870 --> 00:33:09,679

these meetings he met somebody and the

895

00:33:13,029 --> 00:33:10,880

guy said

896

00:33:15,350 --> 00:33:13,039

you're doing the work of the devil he's

897

00:33:16,549 --> 00:33:15,360

like okay and then

898

00:33:17,990 --> 00:33:16,559

a couple of minutes later he meets

899

00:33:20,149 --> 00:33:18,000

another guy i think it was at the same

900

00:33:21,830 --> 00:33:20,159

meeting or get together and the guy goes

901  
00:33:25,590 --> 00:33:21,840  
you're doing the work of god so it's

902  
00:33:28,230 --> 00:33:27,190  
it's hard to it's really hard to win

903  
00:33:30,950 --> 00:33:28,240  
with that

904  
00:33:32,950 --> 00:33:30,960  
whatever whatever is going on i am of

905  
00:33:35,029 --> 00:33:32,960  
the belief we need to study this uh

906  
00:33:36,630 --> 00:33:35,039  
that's you know i respect

907  
00:33:38,310 --> 00:33:36,640  
the folks if they really think it's

908  
00:33:40,310 --> 00:33:38,320  
demonic and they want to keep us from

909  
00:33:42,470 --> 00:33:40,320  
studying it because studying it opens

910  
00:33:43,990 --> 00:33:42,480  
that doorway and lets them in if you

911  
00:33:44,950 --> 00:33:44,000  
show a belief in them i think that's

912  
00:33:48,389 --> 00:33:44,960  
what

913  
00:33:50,630 --> 00:33:48,399

redfern says you know i respect that but

914

00:33:52,789 --> 00:33:50,640

we need i respect the passion they have

915

00:33:54,230 --> 00:33:52,799

and they want to save the world and

916

00:33:55,669 --> 00:33:54,240

but

917

00:33:57,110 --> 00:33:55,679

you know i think we need to study this

918

00:33:59,590 --> 00:33:57,120

and figure it out because we don't know

919

00:34:01,830 --> 00:33:59,600

what it is at least i don't as far as i

920

00:34:04,070 --> 00:34:01,840

know i don't know anybody that does they

921

00:34:05,590 --> 00:34:04,080

believe they figured it out redfern said

922

00:34:07,669 --> 00:34:05,600

they stopped you know they they said

923

00:34:09,510 --> 00:34:07,679

this is it this is what we believe

924

00:34:10,869 --> 00:34:09,520

um so there's no change in our mind at

925

00:34:12,470 --> 00:34:10,879

this point

926

00:34:14,470 --> 00:34:12,480

gary nolan has said you know maybe it's

927

00:34:17,109 --> 00:34:14,480

the way they this intelligence is

928

00:34:18,950 --> 00:34:17,119

communicating with us through technology

929

00:34:21,109 --> 00:34:18,960

um

930

00:34:23,190 --> 00:34:21,119

he kind of hinted at you know the beings

931

00:34:24,950 --> 00:34:23,200

maybe just you know that's we

932

00:34:26,470 --> 00:34:24,960

they're not really beings but that's the

933

00:34:27,909 --> 00:34:26,480

way to represent themselves so we can

934

00:34:29,589 --> 00:34:27,919

actually understand oh yeah here's a

935

00:34:31,829 --> 00:34:29,599

being in front of me maybe they don't

936

00:34:33,589 --> 00:34:31,839

have any form whatsoever

937

00:34:35,270 --> 00:34:33,599

maybe it's and and

938

00:34:39,510 --> 00:34:35,280

i don't know if it's you hear stories

939

00:34:41,270 --> 00:34:39,520

about benevolent malevolent neutral

940

00:34:43,190 --> 00:34:41,280

if it's just one intelligence it's all

941

00:34:45,349 --> 00:34:43,200

over the place because you know you have

942

00:34:47,190 --> 00:34:45,359

the trickster you know stuff that makes

943

00:34:49,109 --> 00:34:47,200

absolutely no sense i mean you have a

944

00:34:51,430 --> 00:34:49,119

story where some guy i forget what year

945

00:34:53,109 --> 00:34:51,440

it was but these human looking beings

946

00:34:54,790 --> 00:34:53,119

came down and gave him pancakes you know

947

00:34:57,030 --> 00:34:54,800

just ridiculous stuff like that george

948

00:34:59,750 --> 00:34:57,040

knapp talks about you know the unit you

949

00:35:02,310 --> 00:34:59,760

went to basin they saw dog smoking peep

950

00:35:03,670 --> 00:35:02,320

smoking dog faced people in trench coats

951  
00:35:06,310 --> 00:35:03,680  
ridiculous

952  
00:35:07,510 --> 00:35:06,320  
but witnesses are reporting that and

953  
00:35:08,790 --> 00:35:07,520  
you know people like why do you even

954  
00:35:10,069 --> 00:35:08,800  
talk about that i'm like well because

955  
00:35:11,030 --> 00:35:10,079  
there are stories like that just like

956  
00:35:12,790 --> 00:35:11,040  
the the

957  
00:35:16,950 --> 00:35:12,800  
bipedal wolf in skinwalkers at the

958  
00:35:21,670 --> 00:35:19,349  
three people saw it the wife the son and

959  
00:35:22,630 --> 00:35:21,680  
then the son's kid that friend so it's

960  
00:35:24,390 --> 00:35:22,640  
like

961  
00:35:26,710 --> 00:35:24,400  
and people make fun of that bipedal wolf

962  
00:35:28,150 --> 00:35:26,720  
story but

963  
00:35:29,270 --> 00:35:28,160

it's just another one another one of

964

00:35:31,109 --> 00:35:29,280

those things you're like it sounds

965

00:35:37,270 --> 00:35:31,119

ridiculous but you know it was reported

966

00:35:41,990 --> 00:35:39,510

yeah

967

00:35:43,589 --> 00:35:42,000

on the eric weinstein and

968

00:35:45,829 --> 00:35:43,599

how put off

969

00:35:48,069 --> 00:35:45,839

interview they talk about and the drive

970

00:35:51,910 --> 00:35:48,079

did a great article

971

00:35:53,270 --> 00:35:51,920

on the research that was done in the 50s

972

00:35:55,589 --> 00:35:53,280

in

973

00:35:56,950 --> 00:35:55,599

anti-gravity and it's funny hal put off

974

00:35:59,430 --> 00:35:56,960

said yeah either they just totally

975

00:36:00,710 --> 00:35:59,440

failed or they succeeded it went and it

976

00:36:02,069 --> 00:36:00,720

went black

977

00:36:03,990 --> 00:36:02,079

and that's why i have a friend will

978

00:36:05,589 --> 00:36:04,000

milller who says he believes we have

979

00:36:08,150 --> 00:36:05,599

cracked gravity and we have a craft i

980

00:36:09,270 --> 00:36:08,160

can go anyplace anytime in the universe

981

00:36:11,109 --> 00:36:09,280

so

982

00:36:12,710 --> 00:36:11,119

you know you hear that and then other

983

00:36:14,630 --> 00:36:12,720

people other people are like that's

984

00:36:16,870 --> 00:36:14,640

ridiculous we have not cracked gravity

985

00:36:18,630 --> 00:36:16,880

we've not made any progress eric davis

986

00:36:20,230 --> 00:36:18,640

talks about the crash retrieval program

987

00:36:21,510 --> 00:36:20,240

they have not made any progress of

988

00:36:22,550 --> 00:36:21,520

course it's possible there's another

989

00:36:25,990 --> 00:36:22,560

program

990

00:36:27,349 --> 00:36:26,000

that made progress i don't know i mean

991

00:36:29,270 --> 00:36:27,359

and

992

00:36:31,349 --> 00:36:29,280

it's really hard because will is not

993

00:36:32,630 --> 00:36:31,359

just some he's just not some guy will

994

00:36:34,390 --> 00:36:32,640

millar who's

995

00:36:36,230 --> 00:36:34,400

who folks who don't know who he is he's

996

00:36:39,270 --> 00:36:36,240

in my mega blog he's somebody that

997

00:36:41,270 --> 00:36:39,280

leslie kane called a true insider and he

998

00:36:42,310 --> 00:36:41,280

briefed people in the pentagon on what

999

00:36:44,230 --> 00:36:42,320

he knew

1000

00:36:47,990 --> 00:36:44,240

he briefed admiral wilson he briefed the

1001

00:36:50,150 --> 00:36:48,000

next uh director of the dia um

1002

00:36:51,829 --> 00:36:50,160

patrick hughes

1003

00:36:56,069 --> 00:36:51,839

so yeah um

1004

00:37:03,190 --> 00:37:00,150

michael vi who i have had on uh

1005

00:37:05,990 --> 00:37:03,200

he believes we've cracked gravity

1006

00:37:09,670 --> 00:37:06,000

so you know it's a passionate subject

1007

00:37:10,950 --> 00:37:09,680

that people react to either way

1008

00:37:12,790 --> 00:37:10,960

have you been following what's been

1009

00:37:15,990 --> 00:37:12,800

going on with i don't know about the

1010

00:37:18,230 --> 00:37:16,000

blind frog ranch um

1011

00:37:20,310 --> 00:37:18,240

i know it's close yeah i know brandon

1012

00:37:21,510 --> 00:37:20,320

fugel said it was not very far away the

1013

00:37:23,270 --> 00:37:21,520

other day

1014

00:37:27,589 --> 00:37:23,280

i need to look up i need to look it up

1015

00:37:31,750 --> 00:37:29,510

underground findings and similar to

1016

00:37:33,670 --> 00:37:31,760

skinwalker and there's other places like

1017

00:37:36,150 --> 00:37:33,680

sedona and

1018

00:37:39,190 --> 00:37:36,160

yakima washington which were mentioned

1019

00:37:41,190 --> 00:37:39,200

in hunt for the skinwalker um don't say

1020

00:37:43,109 --> 00:37:41,200

new mexico but not the extreme stories

1021

00:37:45,030 --> 00:37:43,119

you hear about dulce i think dulce is

1022

00:37:46,790 --> 00:37:45,040

where um

1023

00:37:48,710 --> 00:37:46,800

the guy who was supposedly had got into

1024

00:37:51,750 --> 00:37:48,720

a fire fight with aliens what was his

1025

00:37:54,069 --> 00:37:51,760

name um

1026

00:37:56,630 --> 00:37:54,079

i forget his name

1027

00:37:58,950 --> 00:37:56,640

schneider phil schneider and then but

1028

00:38:00,310 --> 00:37:58,960

the stories about dolce are similar to

1029

00:38:03,589 --> 00:38:00,320

skinwalkers so it seems like there are

1030

00:38:05,270 --> 00:38:03,599

certain places where that happens

1031

00:38:07,270 --> 00:38:05,280

i don't know if there's a portal i don't

1032

00:38:08,870 --> 00:38:07,280

know um also there's a native american

1033

00:38:10,630 --> 00:38:08,880

connection

1034

00:38:14,470 --> 00:38:10,640

very close to native american sites if

1035

00:38:17,109 --> 00:38:14,480

not on native american grand ground

1036

00:38:19,430 --> 00:38:17,119

i need i would like to interview ray

1037

00:38:21,430 --> 00:38:19,440

i tried last year he was a little out of

1038

00:38:22,950 --> 00:38:21,440

it um under the weather so i need to try

1039

00:38:25,670 --> 00:38:22,960

again

1040

00:38:27,910 --> 00:38:25,680

he he's the one that brought up

1041

00:38:29,510 --> 00:38:27,920

another theory about

1042

00:38:31,349 --> 00:38:29,520

whatever is going

1043

00:38:33,750 --> 00:38:31,359

and it goes along with the collins elite

1044

00:38:35,109 --> 00:38:33,760

folks believe he said whatever is around

1045

00:38:37,430 --> 00:38:35,119

the um

1046

00:38:39,510 --> 00:38:37,440

nuclear weapons and shutting them off

1047

00:38:41,670 --> 00:38:39,520

and turning them on wants us to believe

1048

00:38:43,190 --> 00:38:41,680

that they're extraterrestrial this is a

1049

00:38:46,630 --> 00:38:43,200

theory i don't know if he believes this

1050

00:38:48,790 --> 00:38:46,640

but no way to deceive us so

1051  
00:38:50,390 --> 00:38:48,800  
deception so we're looking over into the

1052  
00:38:52,870 --> 00:38:50,400  
sky where the extraterrestrials

1053  
00:38:55,829 --> 00:38:52,880  
meanwhile something on this planet

1054  
00:38:57,349 --> 00:38:55,839  
so if you know keep us one step behind

1055  
00:39:00,310 --> 00:38:57,359  
what it actually is

1056  
00:39:01,990 --> 00:39:00,320  
that's the theory

1057  
00:39:03,510 --> 00:39:02,000  
the bizarre nature of those stories fits

1058  
00:39:04,790 --> 00:39:03,520  
with the psychological consciousness

1059  
00:39:07,349 --> 00:39:04,800  
connection

1060  
00:39:09,589 --> 00:39:07,359  
slide nine yeah i mean

1061  
00:39:11,589 --> 00:39:09,599  
maybe if they're able to manipulate our

1062  
00:39:13,990 --> 00:39:11,599  
perceptions you know you know i would

1063  
00:39:15,829 --> 00:39:14,000

say it's not really a bipedal wolf it's

1064

00:39:17,910 --> 00:39:15,839

just something they projected into their

1065

00:39:20,069 --> 00:39:17,920

consciousness but

1066

00:39:22,069 --> 00:39:20,079

this the tree out back as an example the

1067

00:39:24,470 --> 00:39:22,079

tree out back of that where that with a

1068

00:39:26,950 --> 00:39:24,480

lit with i think it was the wife of

1069

00:39:29,190 --> 00:39:26,960

axelrod in skinwalkers at the pentagon

1070

00:39:30,870 --> 00:39:29,200

and you know they went out the next day

1071

00:39:32,230 --> 00:39:30,880

or later that day because it happened i

1072

00:39:34,069 --> 00:39:32,240

think it happened during the day they

1073

00:39:36,710 --> 00:39:34,079

found scratch marks into the tree so

1074

00:39:38,710 --> 00:39:36,720

it's physical

1075

00:39:40,390 --> 00:39:38,720

but as gary nolan has spoken about

1076

00:39:42,870 --> 00:39:40,400

jacques valet

1077

00:39:44,950 --> 00:39:42,880

john keel and maybe an intelligence that

1078

00:39:46,790 --> 00:39:44,960

has technology so advanced that it can

1079

00:39:48,790 --> 00:39:46,800

actually instead of

1080

00:39:50,950 --> 00:39:48,800

cgi where it's not physical and i it

1081

00:39:54,069 --> 00:39:50,960

actually can become physical so i don't

1082

00:39:57,030 --> 00:39:54,079

know total speculation um i want to tell

1083

00:39:59,349 --> 00:39:57,040

the story before i forget

1084

00:40:01,589 --> 00:39:59,359

of how i got into this so just hold off

1085

00:40:02,790 --> 00:40:01,599

questions for now

1086

00:40:05,190 --> 00:40:02,800

so i was

1087

00:40:06,710 --> 00:40:05,200

how i got into this when i was younger i

1088

00:40:09,349 --> 00:40:06,720

was

1089

00:40:10,790 --> 00:40:09,359

seven years old my sister she doesn't

1090

00:40:13,589 --> 00:40:10,800

remember this she took me to see a

1091

00:40:15,990 --> 00:40:13,599

document a docudrama

1092

00:40:17,430 --> 00:40:16,000

about bigfoot in the theater

1093

00:40:19,109 --> 00:40:17,440

and i remember the opening feature was

1094

00:40:21,750 --> 00:40:19,119

at ufo documentary which i don't know

1095

00:40:23,430 --> 00:40:21,760

which one it was

1096

00:40:25,510 --> 00:40:23,440

but i remember being fascinated and

1097

00:40:27,990 --> 00:40:25,520

scared because the docudrama was shot

1098

00:40:29,589 --> 00:40:28,000

like a movie um half documentary half

1099

00:40:30,950 --> 00:40:29,599

scripted

1100

00:40:33,910 --> 00:40:30,960

so that was my first i think

1101  
00:40:35,190 --> 00:40:33,920  
introduction to something paranormal or

1102  
00:40:35,990 --> 00:40:35,200  
supernatural

1103  
00:40:40,069 --> 00:40:36,000  
or

1104  
00:40:41,349 --> 00:40:40,079  
what i would have called it as a kid and

1105  
00:40:43,430 --> 00:40:41,359  
then

1106  
00:40:45,270 --> 00:40:43,440  
along the way i would watch in search of

1107  
00:40:46,870 --> 00:40:45,280  
which was leonard nimoy and i loved it

1108  
00:40:49,430 --> 00:40:46,880  
you know that famous

1109  
00:40:52,309 --> 00:40:49,440  
patterson gimlin film with the bigfoot

1110  
00:40:55,910 --> 00:40:52,319  
creature walking and turning around

1111  
00:40:56,950 --> 00:40:55,920  
loved that film um and then 77 is when i

1112  
00:40:58,630 --> 00:40:56,960  
saw

1113  
00:41:00,150 --> 00:40:58,640

close encounters of the third kind in

1114

00:41:02,870 --> 00:41:00,160

the theater

1115

00:41:04,870 --> 00:41:02,880

but i was not into ufos though i liked

1116

00:41:06,870 --> 00:41:04,880

the movie um

1117

00:41:08,710 --> 00:41:06,880

and i didn't really at the time maybe i

1118

00:41:10,550 --> 00:41:08,720

had encyclopedias i could have looked up

1119

00:41:12,150 --> 00:41:10,560

the subject but i didn't i didn't know

1120

00:41:14,230 --> 00:41:12,160

there was any i didn't know there was

1121

00:41:16,790 --> 00:41:14,240

books on it you know i'm

1122

00:41:18,870 --> 00:41:16,800

12 years old um i have a great picture

1123

00:41:20,950 --> 00:41:18,880

of me playing drums with you with a

1124

00:41:23,190 --> 00:41:20,960

close encounters t-shirt on which i

1125

00:41:26,550 --> 00:41:23,200

can't find um

1126

00:41:28,470 --> 00:41:26,560

had the big mothership on the front

1127

00:41:31,510 --> 00:41:28,480

but i didn't have really you know a

1128

00:41:34,710 --> 00:41:31,520

really strong interest in anything

1129

00:41:37,510 --> 00:41:34,720

paranormal until

1130

00:41:39,349 --> 00:41:37,520

i'm trying to think

1131

00:41:41,030 --> 00:41:39,359

i did have

1132

00:41:42,790 --> 00:41:41,040

this was like eighth or ninth grade i

1133

00:41:45,829 --> 00:41:42,800

had a dream where my

1134

00:41:47,750 --> 00:41:45,839

the girl had a huge crush on she

1135

00:41:49,910 --> 00:41:47,760

in my dream her mother died and she was

1136

00:41:52,230 --> 00:41:49,920

at the hospital and and i i saw her at

1137

00:41:54,230 --> 00:41:52,240

the hospital and i asked my mom

1138

00:41:55,670 --> 00:41:54,240

in the dream hey her mom just died can

1139

00:41:57,270 --> 00:41:55,680

she come stay with us it was kind of

1140

00:41:58,790 --> 00:41:57,280

like a selfish way i'm like oh i get to

1141

00:42:00,470 --> 00:41:58,800

hang out with her now her mother died

1142

00:42:02,309 --> 00:42:00,480

and now she needs somewhere to stay she

1143

00:42:03,670 --> 00:42:02,319

could come stay with us so this is my

1144

00:42:05,750 --> 00:42:03,680

dream

1145

00:42:07,670 --> 00:42:05,760

in 9th or 10th grade and then the next

1146

00:42:10,069 --> 00:42:07,680

day i go into school i didn't know her

1147

00:42:12,870 --> 00:42:10,079

mom was sick anyway her mom died i

1148

00:42:15,430 --> 00:42:12,880

dreamt her mom died the next day i go in

1149

00:42:17,430 --> 00:42:15,440

she tells us her mom died or two days

1150

00:42:19,990 --> 00:42:17,440

later um

1151  
00:42:22,550 --> 00:42:20,000  
so that was that's like a premonition

1152  
00:42:23,750 --> 00:42:22,560  
dream or you know

1153  
00:42:25,030 --> 00:42:23,760  
i'm trying to think of the word of what

1154  
00:42:26,790 --> 00:42:25,040  
it is but i didn't really think of

1155  
00:42:28,150 --> 00:42:26,800  
anything at the time i didn't connect to

1156  
00:42:30,550 --> 00:42:28,160  
something paranormal i probably thought

1157  
00:42:32,230 --> 00:42:30,560  
it was just you know no big deal

1158  
00:42:34,550 --> 00:42:32,240  
it's funny a couple of years ago i

1159  
00:42:37,190 --> 00:42:34,560  
reached out to her so that was like

1160  
00:42:38,950 --> 00:42:37,200  
i'd say 1980 81

1161  
00:42:41,190 --> 00:42:38,960  
so like 35 years later i don't know how

1162  
00:42:42,950 --> 00:42:41,200  
many nine to two thousand

1163  
00:42:44,550 --> 00:42:42,960

almost 40 years later i reached out to

1164

00:42:46,390 --> 00:42:44,560

her on facebook found her told her the

1165

00:42:48,630 --> 00:42:46,400

story and i'm like did i remember these

1166

00:42:50,309 --> 00:42:48,640

details right your mom had cancer right

1167

00:42:53,190 --> 00:42:50,319

you told us after i asked you if your

1168

00:42:54,950 --> 00:42:53,200

mom i told her the whole thing and

1169

00:42:56,710 --> 00:42:54,960

we got to talk on the phone and then it

1170

00:42:58,550 --> 00:42:56,720

turns out that her son

1171

00:43:00,069 --> 00:42:58,560

lived in vegas and worked at the with

1172

00:43:01,670 --> 00:43:00,079

the vegas golden knights hockey team

1173

00:43:02,790 --> 00:43:01,680

which i was working i got to meet him

1174

00:43:05,190 --> 00:43:02,800

that night

1175

00:43:07,430 --> 00:43:05,200

really weird um

1176

00:43:10,790 --> 00:43:07,440

had that experience and then

1177

00:43:17,190 --> 00:43:14,230

86 or so 87

1178

00:43:18,870 --> 00:43:17,200

might have been 82 or 83 my and i was

1179

00:43:20,950 --> 00:43:18,880

probably like 18 years old my cousin

1180

00:43:23,430 --> 00:43:20,960

told me about astral projection make a

1181

00:43:25,670 --> 00:43:23,440

long story short i went to the bookstore

1182

00:43:26,710 --> 00:43:25,680

got a book read it tried it nothing

1183

00:43:27,100 --> 00:43:26,720

happened

1184

00:43:28,390 --> 00:43:27,110

um

1185

00:43:31,190 --> 00:43:28,400

[Music]

1186

00:43:33,430 --> 00:43:31,200

make a long story short 96 i met my

1187

00:43:36,470 --> 00:43:33,440

first wife and she mentioned her how her

1188

00:43:37,990 --> 00:43:36,480

aunt had this being show up and

1189

00:43:39,109 --> 00:43:38,000

when she was falling asleep in a chair

1190

00:43:40,470 --> 00:43:39,119

and i'm like what did the being look

1191

00:43:42,710 --> 00:43:40,480

like she's like on the cover of that

1192

00:43:44,309 --> 00:43:42,720

book you know that that book about

1193

00:43:46,230 --> 00:43:44,319

abductions that's what it looked like

1194

00:43:48,710 --> 00:43:46,240

i'm like what book she's like i think

1195

00:43:50,150 --> 00:43:48,720

it's called communion um so i looked i

1196

00:43:53,030 --> 00:43:50,160

bought the book

1197

00:43:56,390 --> 00:43:54,550

got too scared because i didn't realize

1198

00:43:58,309 --> 00:43:56,400

it was a scary book about abductions and

1199

00:44:00,950 --> 00:43:58,319

i was like i was freaked out this was

1200

00:44:02,950 --> 00:44:00,960

96. stopped reading it

1201

00:44:04,230 --> 00:44:02,960

put it down

1202

00:44:05,910 --> 00:44:04,240

i'm like i'm not going to read this i

1203

00:44:07,589 --> 00:44:05,920

don't want to read this i woke up that

1204

00:44:09,589 --> 00:44:07,599

night or the next night on the couch i

1205

00:44:11,430 --> 00:44:09,599

was sleeping on the couch

1206

00:44:15,349 --> 00:44:11,440

and i couldn't move so i was frozen i'm

1207

00:44:17,670 --> 00:44:15,359

like oh my god i'm about to get abducted

1208

00:44:19,510 --> 00:44:17,680

the aliens are coming

1209

00:44:21,349 --> 00:44:19,520

so i couldn't move but i struggled out

1210

00:44:22,710 --> 00:44:21,359

of it and then i'm like you know what

1211

00:44:24,150 --> 00:44:22,720

the next day i'm like i'm gonna finish

1212

00:44:26,150 --> 00:44:24,160

reading that book and then i read it i'm

1213

00:44:28,069 --> 00:44:26,160

like oh this is really great this is

1214

00:44:30,150 --> 00:44:28,079

about metaphysical subjects i had never

1215

00:44:31,670 --> 00:44:30,160

heard about and that sent me down the

1216

00:44:33,349 --> 00:44:31,680

metaphysical rabbit hole i read

1217

00:44:35,670 --> 00:44:33,359

channeled books i read so many different

1218

00:44:38,630 --> 00:44:35,680

books on ufos i thought disclosure was

1219

00:44:40,950 --> 00:44:38,640

coming in 2000 i believed everything i

1220

00:44:43,190 --> 00:44:40,960

read i had no discernment so that's how

1221

00:44:44,790 --> 00:44:43,200

i got into this um

1222

00:44:46,950 --> 00:44:44,800

and then i started my own newsletter

1223

00:44:50,150 --> 00:44:46,960

around

1224

00:44:52,630 --> 00:44:50,160

i'm trying to think it was 97 98 open

1225

00:44:54,340 --> 00:44:52,640

mind news was my newsletter

1226

00:44:55,750 --> 00:44:54,350

that didn't work out and then

1227

00:44:57,430 --> 00:44:55,760

[Music]

1228

00:44:59,510 --> 00:44:57,440

got back into television i actually quit

1229

00:45:01,430 --> 00:44:59,520

my job i was working a job at the city

1230

00:45:03,349 --> 00:45:01,440

of tampa television to work on the

1231

00:45:05,349 --> 00:45:03,359

newsletter full time

1232

00:45:06,470 --> 00:45:05,359

didn't focus enough didn't pursue it

1233

00:45:08,790 --> 00:45:06,480

enough so i had to get back into

1234

00:45:10,150 --> 00:45:08,800

television and then

1235

00:45:12,470 --> 00:45:10,160

you know i stayed in

1236

00:45:14,550 --> 00:45:12,480

ufo updates that uh list was great back

1237

00:45:17,589 --> 00:45:14,560

then books and then nothing until really

1238

00:45:19,430 --> 00:45:17,599

nothing strong until 2017 and the long

1239

00:45:23,190 --> 00:45:19,440

and dalon is a big reason why that

1240

00:45:27,190 --> 00:45:23,200

happened so that's how i got into this

1241

00:45:37,750 --> 00:45:28,230

i don't know

1242

00:45:39,430 --> 00:45:37,760

i know kit green has mentioned holograms

1243

00:45:43,349 --> 00:45:39,440

but i think he was thinking more along

1244

00:45:44,710 --> 00:45:43,359

the lines of black technology um

1245

00:45:51,430 --> 00:45:44,720

but

1246

00:45:52,950 --> 00:45:51,440

at least one intelligence here can

1247

00:45:54,150 --> 00:45:52,960

obviously i can't explain the science

1248

00:45:55,430 --> 00:45:54,160

but

1249

00:45:56,870 --> 00:45:55,440

basically you can create whatever it

1250

00:45:59,670 --> 00:45:56,880

wants it's kind of like the holodeck

1251  
00:46:04,870 --> 00:45:59,680  
except it's it can become physical

1252  
00:46:06,710 --> 00:46:05,910  
you know

1253  
00:46:11,109 --> 00:46:06,720  
that

1254  
00:46:13,109 --> 00:46:11,119  
population like i said et's one thing

1255  
00:46:14,630 --> 00:46:13,119  
you know they're here to

1256  
00:46:16,069 --> 00:46:14,640  
collect

1257  
00:46:17,750 --> 00:46:16,079  
resources and

1258  
00:46:20,470 --> 00:46:17,760  
maybe humans are one of the resources

1259  
00:46:22,470 --> 00:46:20,480  
that would go over well but then you say

1260  
00:46:24,069 --> 00:46:22,480  
no they're not et they're just um

1261  
00:46:25,829 --> 00:46:24,079  
they're kind of like non-physical

1262  
00:46:27,190 --> 00:46:25,839  
they're on this planet you really can't

1263  
00:46:29,750 --> 00:46:27,200

see them but they also can create

1264

00:46:31,430 --> 00:46:29,760

whatever they want so ufos you know the

1265

00:46:33,190 --> 00:46:31,440

craft they create that

1266

00:46:35,829 --> 00:46:33,200

they have really super duper advanced

1267

00:46:38,470 --> 00:46:35,839

tech it looks like magic as artesy clark

1268

00:46:42,870 --> 00:46:40,950

any advanced technology i forget the

1269

00:46:46,790 --> 00:46:42,880

quote will look like magic

1270

00:46:52,150 --> 00:46:49,030

i don't know about gallium and bread and

1271

00:46:56,950 --> 00:46:54,870

calling wasn't smelled and it's

1272

00:47:00,470 --> 00:46:56,960

yeah i don't know about that um i will

1273

00:47:01,510 --> 00:47:00,480

try to remember to google it

1274

00:47:03,270 --> 00:47:01,520

um

1275

00:47:05,430 --> 00:47:03,280

i think as time goes on there's going to

1276  
00:47:06,950 --> 00:47:05,440  
be so many discoveries like this doesn't

1277  
00:47:09,670 --> 00:47:06,960  
make any sense

1278  
00:47:11,430 --> 00:47:09,680  
just like michael cremo

1279  
00:47:13,750 --> 00:47:11,440  
you know some of the some of the the

1280  
00:47:15,750 --> 00:47:13,760  
archaeological finds that people have

1281  
00:47:16,790 --> 00:47:15,760  
you know they date them to like 20 000

1282  
00:47:19,030 --> 00:47:16,800  
whatever they date them to some

1283  
00:47:20,790 --> 00:47:19,040  
ridiculous date and then mainstream

1284  
00:47:23,510 --> 00:47:20,800  
archaeologists come in and say no that's

1285  
00:47:25,349 --> 00:47:23,520  
impossible so

1286  
00:47:27,510 --> 00:47:25,359  
sorry but i think

1287  
00:47:28,870 --> 00:47:27,520  
it takes a long time i think

1288  
00:47:31,109 --> 00:47:28,880

the quote i don't know who said it

1289

00:47:33,030 --> 00:47:31,119

science changes one funeral at a time so

1290

00:47:33,829 --> 00:47:33,040

it's the younger people that are coming

1291

00:47:40,069 --> 00:47:33,839

in

1292

00:47:41,589 --> 00:47:40,079

bogey creek is the movie

1293

00:47:44,390 --> 00:47:41,599

i think there was another one too you

1294

00:47:47,190 --> 00:47:44,400

can watch it on youtube

1295

00:47:49,270 --> 00:47:47,200

and i loved that movie

1296

00:47:50,870 --> 00:47:49,280

even though it scared me

1297

00:47:52,230 --> 00:47:50,880

yeah precognitive dream that's what i

1298

00:47:54,309 --> 00:47:52,240

had and i had another dream like that

1299

00:47:56,549 --> 00:47:54,319

when i was i was working in a hospital

1300

00:47:58,150 --> 00:47:56,559

with dying veterans who were in

1301

00:47:59,510 --> 00:47:58,160

palliative care which means they're

1302

00:48:01,349 --> 00:47:59,520

dying they know they're dying they have

1303

00:48:02,870 --> 00:48:01,359

limited time so i would just spend time

1304

00:48:06,069 --> 00:48:02,880

with these guys

1305

00:48:08,150 --> 00:48:06,079

um and one of the guys he had emphysema

1306

00:48:09,430 --> 00:48:08,160

and um some days good some days bad he

1307

00:48:11,510 --> 00:48:09,440

couldn't breathe he would just wave me

1308

00:48:13,270 --> 00:48:11,520

off he didn't want to talk um

1309

00:48:14,950 --> 00:48:13,280

one day i go in

1310

00:48:16,150 --> 00:48:14,960

that night before i had a dream that he

1311

00:48:18,790 --> 00:48:16,160

died

1312

00:48:20,549 --> 00:48:18,800

um and i go in and he was not there was

1313

00:48:22,470 --> 00:48:20,559

no like warning that he was about

1314

00:48:24,390 --> 00:48:22,480

usually you have some sort of warning

1315

00:48:25,990 --> 00:48:24,400

not always but

1316

00:48:27,589 --> 00:48:26,000

so i had no warning whatsoever that he

1317

00:48:29,750 --> 00:48:27,599

was taking any downturn or anything like

1318

00:48:31,829 --> 00:48:29,760

that i'd been there two days before so i

1319

00:48:33,430 --> 00:48:31,839

have the dream he dies i go in nurse

1320

00:48:35,750 --> 00:48:33,440

stops me before i go in she's like i

1321

00:48:37,670 --> 00:48:35,760

need to talk to you i'm like

1322

00:48:38,710 --> 00:48:37,680

frank died right she's like how did you

1323

00:48:41,349 --> 00:48:38,720

know i'm like

1324

00:48:42,549 --> 00:48:41,359

i had a dream about it last night um

1325

00:48:44,150 --> 00:48:42,559

so

1326

00:48:45,510 --> 00:48:44,160

yeah and i go into the room i go can i

1327

00:48:46,710 --> 00:48:45,520

go into his room she's like yeah go

1328

00:48:49,030 --> 00:48:46,720

ahead and um

1329

00:48:50,390 --> 00:48:49,040

i go into the room and his bed was empty

1330

00:48:52,150 --> 00:48:50,400

but the bed next to him there was always

1331

00:48:53,910 --> 00:48:52,160

two beds

1332

00:48:56,069 --> 00:48:53,920

had like a form in it i'm like what the

1333

00:48:58,230 --> 00:48:56,079

hell they didn't take his body out

1334

00:48:59,910 --> 00:48:58,240

and then the sheets are covered up the

1335

00:49:02,630 --> 00:48:59,920

form is covered and all sudden the

1336

00:49:04,390 --> 00:49:02,640

sheets come off and it's a new person

1337

00:49:06,069 --> 00:49:04,400

who had just been checked into that room

1338

00:49:08,710 --> 00:49:06,079

and scared the hell out of me they're

1339

00:49:10,710 --> 00:49:08,720

like hello i'm like oh hi

1340

00:49:13,670 --> 00:49:10,720

okay so yeah that was another

1341

00:49:15,270 --> 00:49:13,680

precognitive dream

1342

00:49:17,589 --> 00:49:15,280

and i've had other ones like that not

1343

00:49:19,109 --> 00:49:17,599

about death those two death ones stood

1344

00:49:20,549 --> 00:49:19,119

out

1345

00:49:22,309 --> 00:49:20,559

but and there are some people that think

1346

00:49:24,710 --> 00:49:22,319

well that's the phenomenon feeding you

1347

00:49:26,230 --> 00:49:24,720

those dreams there's a connection maybe

1348

00:49:28,710 --> 00:49:26,240

i don't know you know maybe it's all

1349

00:49:30,870 --> 00:49:28,720

connected

1350

00:49:33,910 --> 00:49:30,880

peter says i did not think about ufos

1351  
00:49:35,670 --> 00:49:33,920  
before 2014 man so that's recent my dad

1352  
00:49:38,309 --> 00:49:35,680  
passed and in no time my wife saw a

1353  
00:49:40,390 --> 00:49:38,319  
classic ufo i say a big orb in the house

1354  
00:49:42,470 --> 00:49:40,400  
i saw a big orb in the house and other

1355  
00:49:44,390 --> 00:49:42,480  
stuff

1356  
00:49:47,430 --> 00:49:44,400  
the only orb i've seen was outback about

1357  
00:49:48,309 --> 00:49:47,440  
15 feet away from this door during dusk

1358  
00:49:50,309 --> 00:49:48,319  
um

1359  
00:49:52,549 --> 00:49:50,319  
i think kenneth arnold had orbs in his

1360  
00:49:54,069 --> 00:49:52,559  
house his his daughter or his sister i

1361  
00:49:55,589 --> 00:49:54,079  
think spoke about that they spoke they

1362  
00:49:59,990 --> 00:49:55,599  
write about that and hunt in uh

1363  
00:50:03,030 --> 00:50:01,190

there are people that have gotten into

1364

00:50:04,950 --> 00:50:03,040

this even in the last couple of years

1365

00:50:07,190 --> 00:50:04,960

it's definitely it's definitely growing

1366

00:50:08,390 --> 00:50:07,200

with interest it's not something you go

1367

00:50:09,270 --> 00:50:08,400

on the street and you're going to find

1368

00:50:11,109 --> 00:50:09,280

you know

1369

00:50:13,190 --> 00:50:11,119

throw it throw a rock and like oh that

1370

00:50:14,950 --> 00:50:13,200

person's now into ufos i don't think

1371

00:50:16,470 --> 00:50:14,960

it's that

1372

00:50:18,390 --> 00:50:16,480

you know that widespread but it's

1373

00:50:20,069 --> 00:50:18,400

definitely increasing

1374

00:50:21,430 --> 00:50:20,079

my my twitter following is increasing

1375

00:50:23,109 --> 00:50:21,440

but i don't know if it's because of that

1376

00:50:25,349 --> 00:50:23,119

or just because normally if you get a

1377

00:50:26,950 --> 00:50:25,359

lot of followers people see it's like

1378

00:50:28,230 --> 00:50:26,960

exponential growth people see that you

1379

00:50:29,829 --> 00:50:28,240

have

1380

00:50:31,030 --> 00:50:29,839

10 000 followers they're like oh that

1381

00:50:32,950 --> 00:50:31,040

person must know what they're talking

1382

00:50:37,030 --> 00:50:32,960

about so they follow you and it just it

1383

00:50:41,190 --> 00:50:39,190

or we live in a crappy simulation with

1384

00:50:43,670 --> 00:50:41,200

bugs

1385

00:50:45,349 --> 00:50:43,680

can't rule it out um

1386

00:50:47,510 --> 00:50:45,359

tom

1387

00:50:49,030 --> 00:50:47,520

my big toe my big theory

1388

00:50:51,670 --> 00:50:49,040

yeah my big theory of everything tom

1389

00:50:52,870 --> 00:50:51,680

campbell uh physicist talks about how

1390

00:50:54,470 --> 00:50:52,880

this is all

1391

00:50:55,670 --> 00:50:54,480

a simulation

1392

00:50:56,950 --> 00:50:55,680

basically

1393

00:50:58,710 --> 00:50:56,960

uh

1394

00:51:01,430 --> 00:50:58,720

world of warcraft that's where we're

1395

00:51:04,069 --> 00:51:01,440

living in something like that um

1396

00:51:05,670 --> 00:51:04,079

could be you know

1397

00:51:07,670 --> 00:51:05,680

the pro the question i have if that's

1398

00:51:09,430 --> 00:51:07,680

the case it's useless to us unless we

1399

00:51:12,870 --> 00:51:09,440

could somehow change the program

1400

00:51:16,790 --> 00:51:14,549

loved in search of two leonard nimboy's

1401  
00:51:19,190 --> 00:51:16,800  
voice that in twilight zone i wasn't a

1402  
00:51:25,589 --> 00:51:19,200  
huge twilight zone fan i did watch it

1403  
00:51:29,990 --> 00:51:28,630  
the over was the size of a tennis um

1404  
00:51:32,230 --> 00:51:30,000  
i guess you thought about the orb the

1405  
00:51:34,790 --> 00:51:32,240  
orb was the size of a tennis

1406  
00:51:37,190 --> 00:51:34,800  
ball gray and strings inside that's

1407  
00:51:40,069 --> 00:51:37,200  
interesting what i saw was just

1408  
00:51:41,349 --> 00:51:40,079  
dull white it was dull white

1409  
00:51:44,150 --> 00:51:41,359  
i'd say about

1410  
00:51:47,109 --> 00:51:44,160  
that big and it went so fast it was not

1411  
00:51:50,549 --> 00:51:47,119  
an animal i don't know what it was

1412  
00:51:52,069 --> 00:51:50,559  
let's see um

1413  
00:51:53,990 --> 00:51:52,079

back to the collins elite i'm trying to

1414

00:51:56,470 --> 00:51:54,000

think what else

1415

00:51:58,390 --> 00:51:56,480

they said oh basically they've they

1416

00:52:00,309 --> 00:51:58,400

he you know the collins lead according

1417

00:52:02,470 --> 00:52:00,319

to redfern they believe that they they

1418

00:52:04,230 --> 00:52:02,480

feed that these beings these demons are

1419

00:52:06,710 --> 00:52:04,240

feeding off of our negative emotions and

1420

00:52:09,270 --> 00:52:06,720

they're harvesting our souls

1421

00:52:13,589 --> 00:52:11,670

paul aina who you know who works with

1422

00:52:15,349 --> 00:52:13,599

people who have

1423

00:52:16,829 --> 00:52:15,359

negative attachments i guess you would

1424

00:52:19,349 --> 00:52:16,839

call it he teaches

1425

00:52:21,510 --> 00:52:19,359

them gotta don't be fearful don't be

1426  
00:52:23,270 --> 00:52:21,520  
angry put out a positive emotion when

1427  
00:52:26,230 --> 00:52:23,280  
you encounter them and he says it works

1428  
00:52:28,710 --> 00:52:26,240  
it's he says it he says the possession

1429  
00:52:30,870 --> 00:52:28,720  
the exorcisms did not work it's almost

1430  
00:52:33,589 --> 00:52:30,880  
like they just would feed off of that it

1431  
00:52:35,589 --> 00:52:33,599  
didn't work with those folks but he says

1432  
00:52:37,510 --> 00:52:35,599  
the the methods he uses nowadays where

1433  
00:52:39,349 --> 00:52:37,520  
he doesn't think they're demons

1434  
00:52:41,270 --> 00:52:39,359  
um he thinks positive thoughts and

1435  
00:52:43,190 --> 00:52:41,280  
delong has said that

1436  
00:52:45,589 --> 00:52:43,200  
love is like a nuclear missile to the

1437  
00:52:47,190 --> 00:52:45,599  
heart of the ufo um

1438  
00:52:49,349 --> 00:52:47,200

i wish people would ask some of the

1439

00:52:51,430 --> 00:52:49,359

follow-ups because when delong is on the

1440

00:52:54,710 --> 00:52:51,440

people who interview him have no idea of

1441

00:52:59,109 --> 00:52:56,549

and

1442

00:53:01,589 --> 00:52:59,119

the collins elite think earth is a farms

1443

00:53:06,470 --> 00:53:01,599

um the first person i think who ever

1444

00:53:10,790 --> 00:53:09,030

fort charles fort

1445

00:53:13,349 --> 00:53:10,800

and i pulled up a quote from his book

1446

00:53:15,030 --> 00:53:13,359

which is on my twitter and

1447

00:53:16,710 --> 00:53:15,040

i need to go through my twitter more

1448

00:53:18,390 --> 00:53:16,720

more often on here because right now

1449

00:53:20,069 --> 00:53:18,400

it's it would take me

1450

00:53:22,069 --> 00:53:20,079

probably all day to go

1451  
00:53:23,349 --> 00:53:22,079  
back to when i was on last compare and

1452  
00:53:25,430 --> 00:53:23,359  
just go through all my tweaks there's

1453  
00:53:27,349 --> 00:53:25,440  
some really good stuff on there a lot of

1454  
00:53:29,030 --> 00:53:27,359  
audio i try to do a lot of audio too

1455  
00:53:31,670 --> 00:53:29,040  
i'll try to pull quotes from books that

1456  
00:53:35,190 --> 00:53:31,680  
i i think jump out as interesting

1457  
00:53:39,190 --> 00:53:36,950  
and

1458  
00:53:40,150 --> 00:53:39,200  
you'll you've seen if you've been on ufo

1459  
00:53:42,230 --> 00:53:40,160  
twitter the last couple weeks there

1460  
00:53:43,910 --> 00:53:42,240  
people have lost patience they're even

1461  
00:53:45,270 --> 00:53:43,920  
they're starting to say this is a psyop

1462  
00:53:47,270 --> 00:53:45,280  
and they're questioning lou there was a

1463  
00:53:49,670 --> 00:53:47,280

documentary which i did not spend any

1464

00:53:51,270 --> 00:53:49,680

time with that is now not available on

1465

00:53:53,589 --> 00:53:51,280

youtube which

1466

00:53:55,109 --> 00:53:53,599

because the person took shows pieces

1467

00:53:56,790 --> 00:53:55,119

from shows without asking so there's a

1468

00:53:58,790 --> 00:53:56,800

copyright strike against them they'll

1469

00:54:00,309 --> 00:53:58,800

probably be put up but

1470

00:54:02,390 --> 00:54:00,319

it's just like if you think lou is part

1471

00:54:04,390 --> 00:54:02,400

of a psyop and some evil guy at this

1472

00:54:06,470 --> 00:54:04,400

point i think you're just lost there are

1473

00:54:08,470 --> 00:54:06,480

people that think that they think lou

1474

00:54:11,829 --> 00:54:08,480

hal put off eric davis

1475

00:54:13,589 --> 00:54:11,839

bigelow they're all part of the problem

1476

00:54:16,309 --> 00:54:13,599

it's just to me it's just horrible

1477

00:54:19,910 --> 00:54:16,319

analysis just like people who look at

1478

00:54:22,790 --> 00:54:19,920

the west coast events with the um

1479

00:54:24,390 --> 00:54:22,800

the drones um i'm gonna collect

1480

00:54:26,150 --> 00:54:24,400

everything that jeremy corbell has said

1481

00:54:28,470 --> 00:54:26,160

and knapp has said about that because he

1482

00:54:30,150 --> 00:54:28,480

said a lot that may clear up some things

1483

00:54:32,390 --> 00:54:30,160

it's not germany that court called those

1484

00:54:35,030 --> 00:54:32,400

pyramid objects on the west coast

1485

00:54:36,950 --> 00:54:35,040

i know a lot of people think it was boca

1486

00:54:39,349 --> 00:54:36,960

out of focus but you know that made it

1487

00:54:41,109 --> 00:54:39,359

into the uap task force

1488

00:54:42,789 --> 00:54:41,119

um and there

1489

00:54:45,349 --> 00:54:42,799

i would love to know

1490

00:54:46,309 --> 00:54:45,359

more about 2019 and i think we will find

1491

00:54:48,069 --> 00:54:46,319

out more

1492

00:54:51,510 --> 00:54:48,079

through jeremy and he's spoken about

1493

00:54:55,670 --> 00:54:52,710

uh there are people let me just go

1494

00:54:59,670 --> 00:54:57,829

comments

1495

00:55:01,349 --> 00:54:59,680

logan good to see you i know you've been

1496

00:55:03,349 --> 00:55:01,359

with me on twitter for a while i'm doing

1497

00:55:06,230 --> 00:55:03,359

good i'm doing well

1498

00:55:11,030 --> 00:55:06,240

my current efforts are looking for a job

1499

00:55:16,150 --> 00:55:12,470

pat price told engle swan the us

1500

00:55:18,549 --> 00:55:16,160

government works with ets ingle told him

1501

00:55:20,390 --> 00:55:18,559

not to talk about it i mean i know pat

1502

00:55:21,670 --> 00:55:20,400

price was amazing pat price was

1503

00:55:23,670 --> 00:55:21,680

incredible

1504

00:55:25,750 --> 00:55:23,680

it was better than ingo swan there was a

1505

00:55:28,150 --> 00:55:25,760

rivalry i think it was a rivalry between

1506

00:55:31,349 --> 00:55:28,160

a lot of those guys

1507

00:55:35,109 --> 00:55:31,359

i know pat price remote viewed um

1508

00:55:37,270 --> 00:55:35,119

et bases but without getting feedback to

1509

00:55:39,829 --> 00:55:37,280

confirm that there are et's in the base

1510

00:55:41,589 --> 00:55:39,839

i mean it's interesting and i've heard

1511

00:55:43,670 --> 00:55:41,599

that they were urged the government was

1512

00:55:46,789 --> 00:55:43,680

urged by somebody who was involved say

1513

00:55:51,910 --> 00:55:46,799

go look confirm or deny go look and they

1514

00:55:56,069 --> 00:55:53,510

joe have you read any of dean raiden's

1515

00:55:58,309 --> 00:55:56,079

work yeah his first book the conscious

1516

00:56:00,150 --> 00:55:58,319

universe

1517

00:56:04,710 --> 00:56:00,160

and

1518

00:56:07,190 --> 00:56:04,720

with one of my favorite researchers

1519

00:56:11,190 --> 00:56:07,200

william bankston who does the

1520

00:56:13,910 --> 00:56:11,200

healing method on mice with cancer

1521

00:56:15,349 --> 00:56:13,920

and they're trying to record

1522

00:56:16,549 --> 00:56:15,359

in the room when they're doing these

1523

00:56:18,470 --> 00:56:16,559

healing sessions they're trying to

1524

00:56:20,230 --> 00:56:18,480

record everything they can i don't know

1525

00:56:23,109 --> 00:56:20,240

what instruments they're using

1526  
00:56:25,750 --> 00:56:23,119  
but they're having some success

1527  
00:56:27,829 --> 00:56:25,760  
so they can play the recording

1528  
00:56:29,349 --> 00:56:27,839  
and instead of having the healers they

1529  
00:56:31,430 --> 00:56:29,359  
can just play the recording and which

1530  
00:56:33,270 --> 00:56:31,440  
obviously if that if they can scale it

1531  
00:56:34,950 --> 00:56:33,280  
up and it works you can just he wants to

1532  
00:56:37,510 --> 00:56:34,960  
give it away for free

1533  
00:56:39,670 --> 00:56:37,520  
um i have no doubt that humans and his

1534  
00:56:42,390 --> 00:56:39,680  
experiments are healing mice of cancer

1535  
00:56:44,870 --> 00:56:42,400  
mammary cancer the the mice lived to 27

1536  
00:56:46,549 --> 00:56:44,880  
days maximum in his experiments they're

1537  
00:56:50,230 --> 00:56:46,559  
living 80 of the mice are living their

1538  
00:56:52,870 --> 00:56:50,240

full lifespan of two years so

1539

00:56:55,430 --> 00:56:52,880

done in university labs

1540

00:56:56,630 --> 00:56:55,440

peer-reviewed reports it's real basic um

1541

00:56:58,309 --> 00:56:56,640

and he's like if you have a problem with

1542

00:56:59,670 --> 00:56:58,319

any of my studies and you think there's

1543

00:57:01,030 --> 00:56:59,680

a problem and

1544

00:57:02,950 --> 00:57:01,040

something's wrong and the data is

1545

00:57:04,549 --> 00:57:02,960

inaccurate tell me about it i mean i

1546

00:57:05,910 --> 00:57:04,559

want to interview him too his books are

1547

00:57:07,829 --> 00:57:05,920

great

1548

00:57:18,789 --> 00:57:07,839

especially the one he reads i forget

1549

00:57:24,230 --> 00:57:20,870

people need to be open-minded about

1550

00:57:29,270 --> 00:57:27,270

yeah i mean one thing that

1551  
00:57:31,750 --> 00:57:29,280  
does bother me today there was somebody

1552  
00:57:35,430 --> 00:57:33,349  
they know that this is going to happen

1553  
00:57:37,990 --> 00:57:35,440  
by 2025 and this is going to happen by

1554  
00:57:39,510 --> 00:57:38,000  
2028 in the galactic federation which is

1555  
00:57:42,390 --> 00:57:39,520  
made up of eight

1556  
00:57:44,710 --> 00:57:42,400  
different species it's like

1557  
00:57:46,309 --> 00:57:44,720  
it's so it's such a bad thing

1558  
00:57:48,789 --> 00:57:46,319  
especially new people i mean i don't

1559  
00:57:50,549 --> 00:57:48,799  
want to stop people from saying that but

1560  
00:57:51,589 --> 00:57:50,559  
they put it on on one of my tweets i'm

1561  
00:57:53,190 --> 00:57:51,599  
like

1562  
00:57:54,309 --> 00:57:53,200  
i have to respond to that because there

1563  
00:57:56,470 --> 00:57:54,319

are people like really that's

1564

00:57:58,789 --> 00:57:56,480

interesting you think that what about

1565

00:58:01,589 --> 00:57:58,799

the reptilians and i'm like

1566

00:58:03,829 --> 00:58:01,599

anytime anybody's so sure of themselves

1567

00:58:05,510 --> 00:58:03,839

just run away

1568

00:58:07,589 --> 00:58:05,520

it's just and i know that they believe

1569

00:58:09,190 --> 00:58:07,599

the information they're getting

1570

00:58:11,190 --> 00:58:09,200

is accurate but

1571

00:58:12,950 --> 00:58:11,200

as we know channeling is so

1572

00:58:15,430 --> 00:58:12,960

contradictory and

1573

00:58:16,950 --> 00:58:15,440

predictions come and go and

1574

00:58:18,390 --> 00:58:16,960

if there really are beings feeding them

1575

00:58:19,910 --> 00:58:18,400

information they're feeding me either

1576

00:58:21,109 --> 00:58:19,920

either they're lying to them feeding

1577

00:58:22,630 --> 00:58:21,119

them bad information or the

1578

00:58:24,069 --> 00:58:22,640

interpretation is off one or the other

1579

00:58:26,390 --> 00:58:24,079

so you just cannot rely on channeled

1580

00:58:28,470 --> 00:58:26,400

information it's interesting

1581

00:58:30,870 --> 00:58:28,480

um i love the raw material interesting

1582

00:58:32,390 --> 00:58:30,880

to read i don't know if any of it's true

1583

00:58:33,990 --> 00:58:32,400

i think courtney brown said he thinks

1584

00:58:35,030 --> 00:58:34,000

it's just a whole bunch of gobbly book

1585

00:58:36,710 --> 00:58:35,040

meant to just

1586

00:58:38,390 --> 00:58:36,720

distract us because if you read some of

1587

00:58:39,990 --> 00:58:38,400

the raw material it's like

1588

00:58:45,589 --> 00:58:40,000

what the hell are they saying it's like

1589

00:58:49,589 --> 00:58:48,150

ssp stories

1590

00:58:51,750 --> 00:58:49,599

yeah i mean

1591

00:58:53,829 --> 00:58:51,760

you have this

1592

00:58:56,390 --> 00:58:53,839

secret space program as a basic story

1593

00:58:58,390 --> 00:58:56,400

but then you have people who claim i

1594

00:58:59,829 --> 00:58:58,400

don't really if you really combine the

1595

00:59:01,589 --> 00:58:59,839

two then you have the

1596

00:59:03,990 --> 00:59:01,599

super soldiers and the ones who say they

1597

00:59:07,109 --> 00:59:04,000

went to mars secret space program is one

1598

00:59:09,430 --> 00:59:07,119

thing if we have some technology and

1599

00:59:11,430 --> 00:59:09,440

you know i know dolan has spoken about

1600

00:59:13,430 --> 00:59:11,440

that and he believes that

1601  
00:59:15,349 --> 00:59:13,440  
i don't know but the other stuff for the

1602  
00:59:16,630 --> 00:59:15,359  
guys who have gone to mars i mean i i

1603  
00:59:18,630 --> 00:59:16,640  
would love for it to be true if we have

1604  
00:59:20,230 --> 00:59:18,640  
a some sort of portal you could jump in

1605  
00:59:22,710 --> 00:59:20,240  
and be on mars but i don't think that's

1606  
00:59:25,030 --> 00:59:22,720  
the case you have randy kramer you have

1607  
00:59:26,870 --> 00:59:25,040  
bastiago you have other folks there's

1608  
00:59:27,670 --> 00:59:26,880  
like a long list corey good i think

1609  
00:59:29,510 --> 00:59:27,680  
right

1610  
00:59:30,870 --> 00:59:29,520  
i never paid attention to corey good

1611  
00:59:32,630 --> 00:59:30,880  
from the d from day one i just thought

1612  
00:59:39,030 --> 00:59:32,640  
he was bogus

1613  
00:59:39,040 --> 00:59:42,069

let's see

1614

00:59:42,079 --> 00:59:45,750

best remote viewing books

1615

00:59:49,589 --> 00:59:48,150

first remote viewing book i read was jim

1616

00:59:53,109 --> 00:59:49,599

schnabel

1617

00:59:56,069 --> 00:59:53,119

called remote viewers it's a paperback

1618

00:59:57,670 --> 00:59:56,079

such a great read entertaining

1619

01:00:02,309 --> 00:59:57,680

um

1620

01:00:03,990 --> 01:00:02,319

i also read

1621

01:00:07,349 --> 01:00:04,000

but he also made a documentary called

1622

01:00:09,750 --> 01:00:07,359

the real x-files which is on youtube

1623

01:00:11,670 --> 01:00:09,760

um good documentary

1624

01:00:13,670 --> 01:00:11,680

he actually closes it with he does a

1625

01:00:16,150 --> 01:00:13,680

remote viewing session with ingo swan as

1626

01:00:19,430 --> 01:00:16,160

his monitor uh and he has a great

1627

01:00:22,470 --> 01:00:21,349

so that book is a good one then i i

1628

01:00:23,990 --> 01:00:22,480

think the first one i ever read was

1629

01:00:27,270 --> 01:00:24,000

courtney brown

1630

01:00:29,750 --> 01:00:27,280

cosmic voyage which i do not recommend

1631

01:00:31,349 --> 01:00:29,760

i read david morehouse psychic warrior

1632

01:00:32,789 --> 01:00:31,359

don't recommend just because the guys in

1633

01:00:34,470 --> 01:00:32,799

the program are like

1634

01:00:36,549 --> 01:00:34,480

yeah morehouse took a lot of our stories

1635

01:00:38,309 --> 01:00:36,559

and embellished and put them in his book

1636

01:00:39,349 --> 01:00:38,319

um doesn't mean he can't teach remote

1637

01:00:42,309 --> 01:00:39,359

viewing doesn't mean he doesn't have

1638

01:00:44,630 --> 01:00:42,319

abilities but that book no um joe

1639

01:00:45,829 --> 01:00:44,640

mcmonicle anything by joe mcmonicle

1640

01:00:47,829 --> 01:00:45,839

except

1641

01:00:49,030 --> 01:00:47,839

the time machine he wrote a book called

1642

01:00:50,549 --> 01:00:49,040

the time machine where he made all these

1643

01:00:52,870 --> 01:00:50,559

future predictions and he's like yeah it

1644

01:00:55,430 --> 01:00:52,880

didn't work out i tried predictions for

1645

01:00:57,109 --> 01:00:55,440

the most part not accurate but any of

1646

01:00:58,549 --> 01:00:57,119

his other books mindtrack was one of the

1647

01:01:00,150 --> 01:00:58,559

first i think the first book i read from

1648

01:01:02,069 --> 01:01:00,160

him i did not i have not read all of his

1649

01:01:05,109 --> 01:01:02,079

books mindtrack which you can find

1650

01:01:06,390 --> 01:01:05,119

online as a pdf for free um i pulled a

1651  
01:01:07,829 --> 01:01:06,400  
quote from that the other day when he

1652  
01:01:09,270 --> 01:01:07,839  
was talking about how

1653  
01:01:11,349 --> 01:01:09,280  
in his 10th year of remote viewing he

1654  
01:01:12,789 --> 01:01:11,359  
started seeing things out of his corner

1655  
01:01:14,390 --> 01:01:12,799  
of his eyes

1656  
01:01:15,910 --> 01:01:14,400  
and then after a while he was actually

1657  
01:01:18,309 --> 01:01:15,920  
able to look up at them almost like

1658  
01:01:19,829 --> 01:01:18,319  
shadow type beings um

1659  
01:01:21,430 --> 01:01:19,839  
that's some of the tweets i need to pull

1660  
01:01:23,910 --> 01:01:21,440  
up so i can read from them it's really

1661  
01:01:26,630 --> 01:01:23,920  
good interesting stuff saw a little like

1662  
01:01:28,309 --> 01:01:26,640  
a foot high little lizard in his house

1663  
01:01:30,230 --> 01:01:28,319

just running and the cat went after it

1664

01:01:31,670 --> 01:01:30,240

so he you know it's like

1665

01:01:33,510 --> 01:01:31,680

if you believe the way he told the story

1666

01:01:34,470 --> 01:01:33,520

and then yeah there was something there

1667

01:01:36,549 --> 01:01:34,480

it's

1668

01:01:38,470 --> 01:01:36,559

nothing ever went negative nothing ever

1669

01:01:40,710 --> 01:01:38,480

happened negative with any of that he

1670

01:01:41,990 --> 01:01:40,720

also talks about a remote viewing a ufo

1671

01:01:43,510 --> 01:01:42,000

sighting

1672

01:01:45,270 --> 01:01:43,520

in the middle of the session

1673

01:01:46,950 --> 01:01:45,280

he says his dead father showed up but

1674

01:01:48,230 --> 01:01:46,960

he's like you're not my dead father

1675

01:01:49,829 --> 01:01:48,240

because the way that the father was

1676

01:01:51,190 --> 01:01:49,839

acting is not the way his father would

1677

01:01:52,789 --> 01:01:51,200

act he's like

1678

01:01:55,029 --> 01:01:52,799

sorry this is all nonsense and the thing

1679

01:01:56,150 --> 01:01:55,039

just blinked out so

1680

01:01:57,430 --> 01:01:56,160

they were trying to trick him for

1681

01:01:58,630 --> 01:01:57,440

whatever reason they were trying to get

1682

01:02:00,710 --> 01:01:58,640

him out of there

1683

01:02:01,829 --> 01:02:00,720

telling them you don't belong here

1684

01:02:03,349 --> 01:02:01,839

because then you hear stories about

1685

01:02:04,390 --> 01:02:03,359

people who have close encounters earlier

1686

01:02:06,950 --> 01:02:04,400

in the day they'll see their dead

1687

01:02:08,710 --> 01:02:06,960

relatives or part of the close encounter

1688

01:02:10,549 --> 01:02:08,720

is it really their dead relative and i'm

1689

01:02:13,990 --> 01:02:10,559

skeptical

1690

01:02:15,750 --> 01:02:14,000

people get upset by that but it's like

1691

01:02:17,349 --> 01:02:15,760

if they can take any form they want if

1692

01:02:23,990 --> 01:02:17,359

that's true

1693

01:02:27,829 --> 01:02:26,549

who am i talking about with what i i

1694

01:02:29,829 --> 01:02:27,839

kind of lost

1695

01:02:31,990 --> 01:02:29,839

the english hacker gary mckinnon i think

1696

01:02:34,950 --> 01:02:32,000

i just started following him

1697

01:02:37,029 --> 01:02:34,960

i know he said that he found

1698

01:02:38,710 --> 01:02:37,039

yeah i mean i'm open so maybe that you

1699

01:02:40,789 --> 01:02:38,720

know but we do have guys that went to

1700

01:02:42,630 --> 01:02:40,799

space and

1701

01:02:44,789 --> 01:02:42,640

i need to look more into mckenna

1702

01:02:49,670 --> 01:02:44,799

mckinnon's stuff i know the story and i

1703

01:02:54,470 --> 01:02:52,470

yeah i would love i know

1704

01:02:57,430 --> 01:02:54,480

it's not i i would love for more people

1705

01:02:58,950 --> 01:02:57,440

to hack into stuff fine i i i do support

1706

01:02:59,990 --> 01:02:58,960

whistleblowers

1707

01:03:01,430 --> 01:03:00,000

as long as they're not giving

1708

01:03:03,589 --> 01:03:01,440

information that's going to get us

1709

01:03:05,190 --> 01:03:03,599

screwed over in some sort of battle

1710

01:03:07,349 --> 01:03:05,200

anything other than that

1711

01:03:09,270 --> 01:03:07,359

i support it i mean i love that guys

1712

01:03:10,630 --> 01:03:09,280

were leaking to corbell

1713

01:03:12,470 --> 01:03:10,640

um

1714

01:03:15,270 --> 01:03:12,480

i hope we get more of that that hasn't

1715

01:03:16,870 --> 01:03:15,280

hurt us whatsoever you know

1716

01:03:18,630 --> 01:03:16,880

and they did investigate and try to find

1717

01:03:20,630 --> 01:03:18,640

out who was leaking as far as i know

1718

01:03:22,470 --> 01:03:20,640

they did not find them

1719

01:03:23,670 --> 01:03:22,480

i haven't heard anything but i know that

1720

01:03:27,510 --> 01:03:23,680

i know

1721

01:03:31,029 --> 01:03:27,520

place

1722

01:03:33,910 --> 01:03:31,039

penetration i have a great source on

1723

01:03:36,630 --> 01:03:33,920

penetration which remind peter remind me

1724

01:03:38,710 --> 01:03:36,640

i need to i'll pull i have a

1725

01:03:40,230 --> 01:03:38,720

a message about penetration what parts

1726  
01:03:41,990 --> 01:03:40,240  
you should believe what parts you should

1727  
01:03:44,150 --> 01:03:42,000  
take with a grain of salt of course

1728  
01:03:45,430 --> 01:03:44,160  
that's just this person's opinion there

1729  
01:03:47,349 --> 01:03:45,440  
are other people who think the entire

1730  
01:03:48,789 --> 01:03:47,359  
book is quality but the person i spoke

1731  
01:03:50,350 --> 01:03:48,799  
to with

1732  
01:03:52,549 --> 01:03:50,360  
did not believe that um

1733  
01:03:55,190 --> 01:03:52,559  
[Music]

1734  
01:03:56,549 --> 01:03:55,200  
so remind me and i will i will try to

1735  
01:03:58,549 --> 01:03:56,559  
pull that

1736  
01:04:00,230 --> 01:03:58,559  
private message i had i just won't put

1737  
01:04:01,990 --> 01:04:00,240  
the name with it but it's about english

1738  
01:04:03,190 --> 01:04:02,000

swan and penetration which i read which

1739

01:04:05,510 --> 01:04:03,200

i loved

1740

01:04:07,109 --> 01:04:05,520

back then engle swan was great when i

1741

01:04:10,069 --> 01:04:07,119

first heard about remote viewing he had

1742

01:04:11,670 --> 01:04:10,079

his entire online book i would read a

1743

01:04:13,109 --> 01:04:11,680

chapter every couple of days it was so

1744

01:04:15,589 --> 01:04:13,119

good and i think you could still find it

1745

01:04:17,349 --> 01:04:15,599

online it was posted somewhere else

1746

01:04:20,470 --> 01:04:17,359

really in depth his thoughts about

1747

01:04:21,990 --> 01:04:20,480

remote viewing and how it all works

1748

01:04:23,670 --> 01:04:22,000

remote viewing is nothing different from

1749

01:04:26,150 --> 01:04:23,680

mediumship the only difference is the

1750

01:04:28,309 --> 01:04:26,160

morphic field i don't know how it works

1751

01:04:30,789 --> 01:04:28,319

or if there's a morphic field i think um

1752

01:04:32,549 --> 01:04:30,799

rupert sheldon drake talks about morphic

1753

01:04:35,510 --> 01:04:32,559

morphic fields i think that's

1754

01:04:37,029 --> 01:04:35,520

shell drake um

1755

01:04:38,870 --> 01:04:37,039

i don't know if they're if they're the

1756

01:04:40,390 --> 01:04:38,880

same thing they might very well be the

1757

01:04:41,829 --> 01:04:40,400

same ability

1758

01:04:44,150 --> 01:04:41,839

i'm not convinced that mediums are

1759

01:04:46,150 --> 01:04:44,160

talking to the dead um they might be i

1760

01:04:49,670 --> 01:04:46,160

just don't know how you prove that

1761

01:04:52,630 --> 01:04:51,270

i know the big thing as well if you

1762

01:04:55,510 --> 01:04:52,640

can't figure out how it works and give

1763

01:04:58,069 --> 01:04:55,520

us the scientific explanation for how it

1764

01:05:01,029 --> 01:04:58,079

works we don't want to hear it well

1765

01:05:04,630 --> 01:05:01,039

if you can come up with the with data

1766

01:05:06,390 --> 01:05:04,640

via your sixth sense sense

1767

01:05:07,910 --> 01:05:06,400

uh beyond chance

1768

01:05:09,750 --> 01:05:07,920

i think it's something that should be

1769

01:05:11,430 --> 01:05:09,760

taken seriously i i have no doubt remote

1770

01:05:13,109 --> 01:05:11,440

viewing works because i took the class

1771

01:05:14,309 --> 01:05:13,119

with lindby cannon and prudence

1772

01:05:15,589 --> 01:05:14,319

calabrese

1773

01:05:17,430 --> 01:05:15,599

and i got stuff that i shouldn't have

1774

01:05:19,829 --> 01:05:17,440

got nothing amazing i'm not a great

1775

01:05:21,910 --> 01:05:19,839

remote viewer um

1776

01:05:22,870 --> 01:05:21,920

but there are people that have a great

1777

01:05:27,190 --> 01:05:22,880

sessions and they come up with

1778

01:05:27,200 --> 01:05:29,589

um

1779

01:05:32,069 --> 01:05:30,950

yeah

1780

01:05:35,029 --> 01:05:32,079

he's there

1781

01:05:37,910 --> 01:05:35,039

i've communicated with him um that 2019

1782

01:05:39,670 --> 01:05:37,920

case i think is going to be

1783

01:05:43,109 --> 01:05:39,680

i would say better than the tic tac but

1784

01:05:44,470 --> 01:05:43,119

it's 2019 versus 2004.

1785

01:05:46,309 --> 01:05:44,480

so

1786

01:05:48,789 --> 01:05:46,319

he said he has said he has spoken to

1787

01:05:50,950 --> 01:05:48,799

people on the ship so hopefully we hear

1788

01:05:53,510 --> 01:05:50,960

from them we get to see them speaking

1789

01:05:55,109 --> 01:05:53,520

about what they experienced then

1790

01:05:56,710 --> 01:05:55,119

you know i know people don't like jeremy

1791

01:05:57,910 --> 01:05:56,720

so like i don't believe the two i don't

1792

01:06:00,069 --> 01:05:57,920

like germany and i don't believe the

1793

01:06:01,430 --> 01:06:00,079

2019 events listen

1794

01:06:04,069 --> 01:06:01,440

whether you like him or not that's

1795

01:06:05,829 --> 01:06:04,079

irrelevant to the 2019 events they were

1796

01:06:07,829 --> 01:06:05,839

able to access and i need to pull up all

1797

01:06:09,910 --> 01:06:07,839

the information put it together the

1798

01:06:11,190 --> 01:06:09,920

classified report i think they were

1799

01:06:13,829 --> 01:06:11,200

either told about it or they looked at

1800

01:06:15,510 --> 01:06:13,839

it i'm not positive i i forgot exactly

1801  
01:06:17,589 --> 01:06:15,520  
what that is but the information they're

1802  
01:06:18,710 --> 01:06:17,599  
sharing is from those reports

1803  
01:06:20,390 --> 01:06:18,720  
now

1804  
01:06:22,069 --> 01:06:20,400  
it's going to be a lot different people

1805  
01:06:23,750 --> 01:06:22,079  
won't be able to take shots at jeremy

1806  
01:06:26,309 --> 01:06:23,760  
and say i don't believe him if these

1807  
01:06:27,910 --> 01:06:26,319  
guys come out and speak on camera so

1808  
01:06:33,910 --> 01:06:27,920  
that's what we need

1809  
01:06:33,920 --> 01:06:37,190  
crap my sleep

1810  
01:06:41,109 --> 01:06:38,789  
oh goodnight peter

1811  
01:06:43,990 --> 01:06:41,119  
thank you again and um

1812  
01:06:46,710 --> 01:06:44,000  
i gotta look up your

1813  
01:06:49,029 --> 01:06:46,720

translate your message from earlier

1814

01:06:50,309 --> 01:06:49,039

thanks for being here

1815

01:06:53,589 --> 01:06:50,319

are you able to hint at what might be

1816

01:06:55,670 --> 01:06:53,599

coming this week nope nope nope nope

1817

01:06:57,589 --> 01:06:55,680

not a blockbuster thing just interesting

1818

01:07:01,029 --> 01:06:57,599

that

1819

01:07:02,710 --> 01:07:01,039

um let's see

1820

01:07:07,029 --> 01:07:02,720

just more

1821

01:07:08,630 --> 01:07:07,039

don't want to say anything not my place

1822

01:07:09,750 --> 01:07:08,640

but it's not going to be just this week

1823

01:07:12,069 --> 01:07:09,760

it's going to continue throughout the

1824

01:07:15,029 --> 01:07:12,079

year in the next couple of years

1825

01:07:17,750 --> 01:07:15,039

as an example skin at the pentagon

1826

01:07:20,549 --> 01:07:17,760

nobody knew that was coming i mean

1827

01:07:22,230 --> 01:07:20,559

i got a heads up on the book but before

1828

01:07:23,990 --> 01:07:22,240

i was told and before i was given the

1829

01:07:25,190 --> 01:07:24,000

heads up i had no idea that book was

1830

01:07:26,309 --> 01:07:25,200

coming out

1831

01:07:29,029 --> 01:07:26,319

um

1832

01:07:30,470 --> 01:07:29,039

stuff like that i know some people like

1833

01:07:32,309 --> 01:07:30,480

haven't even read it they don't want to

1834

01:07:34,390 --> 01:07:32,319

read it which is beyond me it's one of

1835

01:07:35,910 --> 01:07:34,400

my favorite ufo books in a long time you

1836

01:07:37,670 --> 01:07:35,920

know we get to see an inside look of how

1837

01:07:39,109 --> 01:07:37,680

that program came together

1838

01:07:41,670 --> 01:07:39,119

um

1839

01:07:43,670 --> 01:07:41,680

stuff like that so

1840

01:07:45,109 --> 01:07:43,680

and then you know jim semivan was on

1841

01:07:47,190 --> 01:07:45,119

coast to coast the other day that was

1842

01:07:49,510 --> 01:07:47,200

something i wasn't expecting

1843

01:07:50,789 --> 01:07:49,520

things like that um

1844

01:07:52,069 --> 01:07:50,799

it's not like a it's not this

1845

01:07:53,510 --> 01:07:52,079

mind-blowing thing that's supposed to

1846

01:07:56,309 --> 01:07:53,520

happen this week it's just more more

1847

01:07:58,309 --> 01:07:56,319

information that's it more information

1848

01:08:01,109 --> 01:07:58,319

for me i want to know as much as

1849

01:08:03,190 --> 01:08:01,119

possible about as much as possible about

1850

01:08:05,270 --> 01:08:03,200

everything if more information about the

1851

01:08:07,190 --> 01:08:05,280

tic tac came out great of course we all

1852

01:08:10,870 --> 01:08:07,200

want more than three videos we've been

1853

01:08:13,349 --> 01:08:10,880

debating it gets really old debating

1854

01:08:16,149 --> 01:08:13,359

amazing this community has debated three

1855

01:08:17,510 --> 01:08:16,159

videos for four years until corbell's

1856

01:08:19,349 --> 01:08:17,520

videos came out and then those were

1857

01:08:22,149 --> 01:08:19,359

debated but the government videos taken

1858

01:08:24,149 --> 01:08:22,159

from the f-18s the flair videos we were

1859

01:08:26,550 --> 01:08:24,159

able to take four years and debate that

1860

01:08:27,430 --> 01:08:26,560

stuff and hopefully we'll get something

1861

01:08:30,470 --> 01:08:27,440

new

1862

01:08:33,110 --> 01:08:30,480

from a flier from an f-18

1863

01:08:34,789 --> 01:08:33,120

um yeah i want to see more from 2019 i

1864

01:08:37,030 --> 01:08:34,799

don't think there are any f-18 flair

1865

01:08:38,470 --> 01:08:37,040

videos but you never know i have not

1866

01:08:40,269 --> 01:08:38,480

heard anything about that

1867

01:08:43,510 --> 01:08:40,279

so

1868

01:08:44,630 --> 01:08:43,520

2019 yes please please that would be

1869

01:08:46,950 --> 01:08:44,640

amazing

1870

01:08:48,950 --> 01:08:46,960

the people i think the people who keep

1871

01:08:51,110 --> 01:08:48,960

saying it's drones

1872

01:08:53,510 --> 01:08:51,120

would have to

1873

01:08:55,030 --> 01:08:53,520

finally admit that

1874

01:08:56,550 --> 01:08:55,040

it's not drones

1875

01:08:58,149 --> 01:08:56,560

i don't know what it is i mean i can't

1876

01:09:01,990 --> 01:08:58,159

say 100

1877

01:09:05,510 --> 01:09:02,000

i'm telling you what i've heard

1878

01:09:07,349 --> 01:09:05,520

is 100 the folks i hear from are like

1879

01:09:09,349 --> 01:09:07,359

no these things did things that we don't

1880

01:09:11,590 --> 01:09:09,359

have the technology for it's not

1881

01:09:12,630 --> 01:09:11,600

anything we know about so it's a true

1882

01:09:14,709 --> 01:09:12,640

unknown

1883

01:09:19,030 --> 01:09:14,719

so

1884

01:09:20,709 --> 01:09:19,040

higher ups too that

1885

01:09:23,910 --> 01:09:20,719

the higher upper breast i don't know

1886

01:09:26,229 --> 01:09:23,920

what that stuff is so

1887

01:09:27,749 --> 01:09:26,239

exciting to hear more about that case

1888

01:09:29,510 --> 01:09:27,759

and we'll hear more from jeremy and

1889

01:09:31,269 --> 01:09:29,520

george and they've both vetted it george

1890

01:09:33,189 --> 01:09:31,279

has been at this for a long time and

1891

01:09:35,590 --> 01:09:33,199

jeremy has said it he goes

1892

01:09:38,390 --> 01:09:35,600

there's people are just hoping he messes

1893

01:09:40,470 --> 01:09:38,400

up they were just hoping so he's extra

1894

01:09:45,110 --> 01:09:40,480

careful when he puts the information out

1895

01:09:48,390 --> 01:09:46,950

yeah jeremy's been really open so

1896

01:09:50,470 --> 01:09:48,400

exactly don't believe you don't have to

1897

01:09:52,390 --> 01:09:50,480

believe or disbelieve exactly just he's

1898

01:09:54,070 --> 01:09:52,400

reading from the reports he's not making

1899

01:09:55,910 --> 01:09:54,080

stuff up and some of it's just put right

1900

01:09:57,350 --> 01:09:55,920

there in black and white so you could

1901

01:09:58,630 --> 01:09:57,360

say that

1902

01:10:00,630 --> 01:09:58,640

the people who were giving the

1903

01:10:02,550 --> 01:10:00,640

information to him they fed him bogus

1904

01:10:04,070 --> 01:10:02,560

information or they were full the folks

1905

01:10:05,910 --> 01:10:04,080

in the uap task force don't know what

1906

01:10:07,590 --> 01:10:05,920

they're doing the navy folks don't know

1907

01:10:09,350 --> 01:10:07,600

what they're doing the upper brass who

1908

01:10:11,430 --> 01:10:09,360

say these are uap they don't know what

1909

01:10:13,590 --> 01:10:11,440

they're doing you know you can say all

1910

01:10:14,950 --> 01:10:13,600

that but they go after corbell because

1911

01:10:17,189 --> 01:10:14,960

you don't like them it's just to me it's

1912

01:10:17,560 --> 01:10:17,199

just i don't understand it

1913

01:10:20,390 --> 01:10:17,570

um

1914

01:10:21,750 --> 01:10:20,400

[Music]

1915

01:10:24,310 --> 01:10:21,760

it's like me

1916

01:10:25,750 --> 01:10:24,320

anymore on lou's book no the last he

1917

01:10:27,270 --> 01:10:25,760

said was he's working on it and it's

1918

01:10:30,550 --> 01:10:27,280

hard work and

1919

01:10:35,750 --> 01:10:33,350

that is a book i will ho oh i cannot

1920

01:10:37,830 --> 01:10:35,760

wait to read that book i hope it's

1921

01:10:38,950 --> 01:10:37,840

even you know i don't have like these i

1922

01:10:41,189 --> 01:10:38,960

don't think he's going to talk about

1923

01:10:42,630 --> 01:10:41,199

crash retrievals or bodies or anything

1924

01:10:43,910 --> 01:10:42,640

like that i want to see an insider's

1925

01:10:45,510 --> 01:10:43,920

look about what happened because i'm

1926

01:10:48,630 --> 01:10:45,520

sure there's stuff that we

1927

01:10:50,790 --> 01:10:48,640

don't know about that he has said that

1928

01:10:51,750 --> 01:10:50,800

and there maybe more names can come out

1929

01:10:53,430 --> 01:10:51,760

um

1930

01:10:55,189 --> 01:10:53,440

he's mentioned some bigger names that we

1931

01:10:57,350 --> 01:10:55,199

would be familiar about

1932

01:11:00,149 --> 01:10:57,360

we would be familiar with that you know

1933

01:11:01,750 --> 01:11:00,159

had a played a role in atip and i i want

1934

01:11:03,990 --> 01:11:01,760

to know more about the whole transition

1935

01:11:05,830 --> 01:11:04,000

from ossep to atip

1936

01:11:06,950 --> 01:11:05,840

i would like to know more about that and

1937

01:11:09,669 --> 01:11:06,960

uh

1938

01:11:11,189 --> 01:11:09,679

maybe he can describe some of the books

1939

01:11:12,950 --> 01:11:11,199

not books videos that they've seen

1940

01:11:16,550 --> 01:11:12,960

that's one of the things i have a pet

1941

01:11:19,510 --> 01:11:18,470

somebody like martin heinrich why can't

1942

01:11:21,030 --> 01:11:19,520

he say

1943

01:11:23,430 --> 01:11:21,040

all right guys

1944

01:11:25,430 --> 01:11:23,440

i can't tell you

1945

01:11:27,189 --> 01:11:25,440

i can't show you the videos that i was

1946

01:11:29,189 --> 01:11:27,199

shown but i can tell you what the

1947

01:11:30,870 --> 01:11:29,199

objects did why is that classified why

1948

01:11:33,030 --> 01:11:30,880

can't martin heinrich or anybody who

1949

01:11:35,350 --> 01:11:33,040

went in one of those briefings

1950

01:11:37,270 --> 01:11:35,360

tell us what the objects are doing on

1951

01:11:38,870 --> 01:11:37,280

video that doesn't give away sources and

1952

01:11:40,870 --> 01:11:38,880

methods i've made this argument before

1953

01:11:42,070 --> 01:11:40,880

and it's really annoying

1954

01:11:43,590 --> 01:11:42,080

um

1955

01:11:44,630 --> 01:11:43,600

i know it's it's you know it's just

1956

01:11:46,149 --> 01:11:44,640

that's just the way it is it's a

1957

01:11:47,189 --> 01:11:46,159

classified briefing and they can't talk

1958

01:11:49,750 --> 01:11:47,199

about it well they should be able to

1959

01:11:51,750 --> 01:11:49,760

talk about it i would love for

1960

01:11:53,590 --> 01:11:51,760

heinrich or somebody to push that

1961

01:11:56,310 --> 01:11:53,600

push that say i'm going to talk about

1962

01:12:01,270 --> 01:11:56,320

what i saw because

1963

01:12:05,110 --> 01:12:03,030

i think a great strategy for lou and his

1964

01:12:08,550 --> 01:12:05,120

book would be to lay it out and let

1965

01:12:10,390 --> 01:12:08,560

dobster filter out yeah i mean i don't

1966

01:12:11,990 --> 01:12:10,400

think he'll put classified stuff in

1967

01:12:15,350 --> 01:12:12,000

there but remember you have classified

1968

01:12:17,830 --> 01:12:15,360

stuff and then you have sensitive stuff

1969

01:12:19,669 --> 01:12:17,840

that's yeah so there's a difference you

1970

01:12:21,270 --> 01:12:19,679

know i've gotten people have told me

1971

01:12:23,669 --> 01:12:21,280

sensitive information you can't share

1972

01:12:25,669 --> 01:12:23,679

this but it's obviously not classified

1973

01:12:27,669 --> 01:12:25,679

since they're sharing it with me

1974

01:12:29,270 --> 01:12:27,679

so a lot of sensitive stuff has not been

1975

01:12:30,790 --> 01:12:29,280

released i want that really i want that

1976

01:12:32,470 --> 01:12:30,800

stuff released too

1977

01:12:34,950 --> 01:12:32,480

but i'm sure dobson will step in and say

1978

01:12:36,630 --> 01:12:34,960

you can't say this you can't say that

1979

01:12:39,189 --> 01:12:36,640

i think dodie rick dodie somebody

1980

01:12:41,510 --> 01:12:39,199

mentioned him early he said

1981

01:12:42,950 --> 01:12:41,520

a lot was taken out of his book he says

1982

01:12:44,390 --> 01:12:42,960

a lot was taken out of his book i don't

1983

01:12:45,189 --> 01:12:44,400

know when his book is supposed to come

1984

01:12:46,070 --> 01:12:45,199

out

1985

01:12:50,149 --> 01:12:46,080

um

1986

01:12:55,189 --> 01:12:51,590

yeah

1987

01:12:57,189 --> 01:12:55,199

i i would think he'd be careful um

1988

01:12:58,630 --> 01:12:57,199

i wonder how how long the the inspector

1989

01:13:00,790 --> 01:12:58,640

general investigation is going to take

1990

01:13:02,950 --> 01:13:00,800

because that's another thing

1991

01:13:04,550 --> 01:13:02,960

that could be some good news for us if

1992

01:13:06,310 --> 01:13:04,560

they're like all right lou you can talk

1993

01:13:07,669 --> 01:13:06,320

about this we don't see any reason why

1994

01:13:08,870 --> 01:13:07,679

they would pull your security clearance

1995

01:13:10,390 --> 01:13:08,880

if you talk about this even though

1996

01:13:11,990 --> 01:13:10,400

they're threatening to pull your

1997

01:13:14,229 --> 01:13:12,000

security clearance if you talk about

1998

01:13:15,750 --> 01:13:14,239

this we have decided you can talk about

1999

01:13:17,590 --> 01:13:15,760

this that's where really what i would

2000

01:13:19,430 --> 01:13:17,600

love to see come from that because you

2001  
01:13:21,030 --> 01:13:19,440  
know lou knows a lot more and not all

2002  
01:13:22,709 --> 01:13:21,040  
that is classified

2003  
01:13:24,310 --> 01:13:22,719  
and people do get pissed off about that

2004  
01:13:26,229 --> 01:13:24,320  
they're like well if it's not classified

2005  
01:13:28,630 --> 01:13:26,239  
what is it why doesn't he share it

2006  
01:13:30,470 --> 01:13:28,640  
because it's sensitive that's

2007  
01:13:33,990 --> 01:13:30,480  
i don't like that sensitive stuff it's

2008  
01:13:37,110 --> 01:13:35,910  
if it's not classified

2009  
01:13:38,070 --> 01:13:37,120  
share it

2010  
01:13:43,990 --> 01:13:38,080  
people

2011  
01:13:45,910 --> 01:13:44,000  
jim semivan talking about his abduction

2012  
01:13:47,830 --> 01:13:45,920  
on coast to coast going into more detail

2013  
01:13:50,149 --> 01:13:47,840

than he's gone and nobody even bats an

2014

01:13:51,830 --> 01:13:50,159

eye nobody in the media mainstream media

2015

01:13:53,590 --> 01:13:51,840

wants to talk to him about it i mean

2016

01:13:55,750 --> 01:13:53,600

come on

2017

01:13:57,830 --> 01:13:55,760

where's the curiosity not one person in

2018

01:14:00,390 --> 01:13:57,840

the mainstream media wants to talk about

2019

01:14:02,630 --> 01:14:00,400

talk to a former cia guy who was

2020

01:14:04,310 --> 01:14:02,640

sharp is that he's very sharp semi-van

2021

01:14:09,510 --> 01:14:04,320

you hear him talk about it

2022

01:14:13,350 --> 01:14:11,189

there's truly no oversight for a lot of

2023

01:14:15,110 --> 01:14:13,360

this info zodiac private aerospace

2024

01:14:17,189 --> 01:14:15,120

getting advantages over other companies

2025

01:14:20,070 --> 01:14:17,199

and then they can't be classified

2026

01:14:22,630 --> 01:14:20,080

so he can put it in and by by the way i

2027

01:14:24,229 --> 01:14:22,640

would not waste your time on zodiac

2028

01:14:27,270 --> 01:14:24,239

i don't want to talk about

2029

01:14:28,709 --> 01:14:27,280

specifics because i was told not to and

2030

01:14:32,070 --> 01:14:28,719

it's not

2031

01:14:34,470 --> 01:14:32,080

zodiac is kind of a red herring

2032

01:14:36,149 --> 01:14:34,480

i mean yeah it has a role in that whole

2033

01:14:39,350 --> 01:14:36,159

story but

2034

01:14:40,830 --> 01:14:39,360

not really something to focus on

2035

01:14:43,030 --> 01:14:40,840

let's see

2036

01:14:44,950 --> 01:14:43,040

what then it can't be classified so he

2037

01:14:46,709 --> 01:14:44,960

can put it in the book and if he does

2038

01:14:48,310 --> 01:14:46,719

get classified then little will know

2039

01:14:50,149 --> 01:14:48,320

that congress isn't being adequately

2040

01:14:53,189 --> 01:14:50,159

informed and can feed the

2041

01:14:55,189 --> 01:14:53,199

dobson react redactions to ig yeah he

2042

01:14:56,470 --> 01:14:55,199

may do that i don't know

2043

01:14:58,310 --> 01:14:56,480

um

2044

01:15:02,229 --> 01:14:58,320

hopefully that book is out by christmas

2045

01:15:05,189 --> 01:15:03,270

what are your thoughts on the

2046

01:15:06,870 --> 01:15:05,199

plausibility of the hypothesis that

2047

01:15:08,630 --> 01:15:06,880

these beings are already here

2048

01:15:11,669 --> 01:15:08,640

assimilated into human society and

2049

01:15:14,070 --> 01:15:11,679

controlling us from the inside

2050

01:15:15,430 --> 01:15:14,080

i'm hoping i am open to that i mean i

2051  
01:15:16,870 --> 01:15:15,440  
know there are people who believe that

2052  
01:15:17,990 --> 01:15:16,880  
and there are stories about that and

2053  
01:15:19,510 --> 01:15:18,000  
there are people who have encountered

2054  
01:15:21,430 --> 01:15:19,520  
allegedly encountered these beings who

2055  
01:15:22,830 --> 01:15:21,440  
look just like us

2056  
01:15:25,669 --> 01:15:22,840  
could be

2057  
01:15:26,470 --> 01:15:25,679  
um you start getting into conspiracy

2058  
01:15:28,709 --> 01:15:26,480  
world when you're saying they're

2059  
01:15:30,470 --> 01:15:28,719  
controlling us from the inside but

2060  
01:15:32,550 --> 01:15:30,480  
if they can look like if they could if

2061  
01:15:33,750 --> 01:15:32,560  
they look like us well if if they are

2062  
01:15:36,149 --> 01:15:33,760  
controlling things from the inside

2063  
01:15:38,630 --> 01:15:36,159

they're doing a pretty bad job of it

2064

01:15:39,990 --> 01:15:38,640

unless their goal is chaos not that

2065

01:15:42,550 --> 01:15:40,000

we're not not that the whole world is

2066

01:15:44,660 --> 01:15:42,560

chaos but as a whole you know it's like

2067

01:15:46,790 --> 01:15:44,670

there's definitely not harmony um

2068

01:15:48,470 --> 01:15:46,800

[Music]

2069

01:15:50,149 --> 01:15:48,480

so yeah um

2070

01:15:53,270 --> 01:15:50,159

and that that's that theory has been

2071

01:15:54,950 --> 01:15:53,280

around for a while

2072

01:15:55,910 --> 01:15:54,960

not something i bring up with anybody

2073

01:15:57,910 --> 01:15:55,920

who's

2074

01:16:00,070 --> 01:15:57,920

new to this who asks me my theories

2075

01:16:01,350 --> 01:16:00,080

about what's going on it's

2076

01:16:03,110 --> 01:16:01,360

it's really hard for people to believe

2077

01:16:04,550 --> 01:16:03,120

that especially and if it did if that

2078

01:16:07,669 --> 01:16:04,560

did turn out to be true people would

2079

01:16:09,510 --> 01:16:07,679

freak out oh yeah they're among us they

2080

01:16:11,110 --> 01:16:09,520

basically look like us and you cannot

2081

01:16:15,189 --> 01:16:11,120

tell the difference unless you look

2082

01:16:20,390 --> 01:16:17,669

unless you have the glasses to see them

2083

01:16:24,149 --> 01:16:20,400

as the movie they live with rowdy roddy

2084

01:16:26,470 --> 01:16:25,270

lou's been quiet he's done some

2085

01:16:27,910 --> 01:16:26,480

interviews he's going to be doing more

2086

01:16:29,110 --> 01:16:27,920

interviews i think he's just focusing on

2087

01:16:30,950 --> 01:16:29,120

the book he said that in his

2088

01:16:33,030 --> 01:16:30,960

coast-to-coast interview i need to i'll

2089

01:16:34,470 --> 01:16:33,040

try to get that transcript out because

2090

01:16:36,870 --> 01:16:34,480

if you missed coast to coast and you

2091

01:16:38,390 --> 01:16:36,880

don't subscribe then you have no access

2092

01:16:40,470 --> 01:16:38,400

to it so

2093

01:16:42,070 --> 01:16:40,480

i have the semiband and lou interview

2094

01:16:44,149 --> 01:16:42,080

done

2095

01:16:45,030 --> 01:16:44,159

with hyperlinks which take me a while

2096

01:16:46,550 --> 01:16:45,040

but

2097

01:16:48,070 --> 01:16:46,560

it's hard for me to do a transcript

2098

01:16:49,510 --> 01:16:48,080

without hyperlinks because if they

2099

01:16:50,709 --> 01:16:49,520

mention something and i think somebody

2100

01:16:51,590 --> 01:16:50,719

might not know what they're talking

2101

01:16:53,350 --> 01:16:51,600

about

2102

01:16:55,430 --> 01:16:53,360

i link to it and there's a lot of stuff

2103

01:16:58,390 --> 01:16:55,440

like that

2104

01:17:01,270 --> 01:16:58,400

when dolan asked luis about zodiac yeah

2105

01:17:06,390 --> 01:17:05,110

he i think lou knows what zodiac is but

2106

01:17:13,110 --> 01:17:06,400

no comment

2107

01:17:17,590 --> 01:17:15,430

and mj 12 is another thing

2108

01:17:20,229 --> 01:17:17,600

i don't think there's an mj12 group

2109

01:17:23,669 --> 01:17:20,239

there may be a group that

2110

01:17:25,990 --> 01:17:23,679

does do what mj12 supposedly did

2111

01:17:28,830 --> 01:17:26,000

or does but they're not called mj12

2112

01:17:32,390 --> 01:17:28,840

which is semantics mg12 is something

2113

01:17:37,590 --> 01:17:35,030

but i do think there are programs with

2114

01:17:39,830 --> 01:17:37,600

related to crash retrievals and bodies

2115

01:17:41,669 --> 01:17:39,840

biological stuff and whatever else i do

2116

01:17:43,350 --> 01:17:41,679

believe that

2117

01:17:44,950 --> 01:17:43,360

and i say believe i definitely don't

2118

01:17:45,310 --> 01:17:44,960

know but

2119

01:17:47,830 --> 01:17:45,320

um

2120

01:17:49,990 --> 01:17:47,840

[Music]

2121

01:17:52,310 --> 01:17:50,000

but i even if i say i believe i still

2122

01:17:54,229 --> 01:17:52,320

want to see it i mean i can't say 100

2123

01:17:57,350 --> 01:17:54,239

obviously you hear eric davis talk about

2124

01:17:59,270 --> 01:17:57,360

it you see bernard h talk about it

2125

01:18:01,110 --> 01:17:59,280

kit green has to spoken about the core

2126

01:18:03,030 --> 01:18:01,120

story which i don't think

2127

01:18:04,229 --> 01:18:03,040

i don't think kit green still believes

2128

01:18:06,390 --> 01:18:04,239

that and i don't have the core store

2129

01:18:07,750 --> 01:18:06,400

corey memorized a couple of groups came

2130

01:18:09,750 --> 01:18:07,760

here a couple of times and one of them

2131

01:18:12,149 --> 01:18:09,760

may have crashed we have one of their

2132

01:18:13,430 --> 01:18:12,159

vehicles um it's kind of the basic core

2133

01:18:15,910 --> 01:18:13,440

story

2134

01:18:19,510 --> 01:18:17,590

i do remember of course i transcribed

2135

01:18:24,630 --> 01:18:19,520

that the whole zodiac thing in the dolan

2136

01:18:29,030 --> 01:18:26,790

don't focus on zodiac i'm trying

2137

01:18:32,470 --> 01:18:29,040

unless i i'm pretty sure i was not given

2138

01:18:37,430 --> 01:18:34,950

but then you have the whole story about

2139

01:18:38,790 --> 01:18:37,440

i forget the the cartoon

2140

01:18:41,030 --> 01:18:38,800

i forget the whole thing that dolan

2141

01:18:44,390 --> 01:18:41,040

talks about that

2142

01:18:46,310 --> 01:18:44,400

it's crash retrieval basically

2143

01:18:48,709 --> 01:18:46,320

names aside i think there's a crash

2144

01:18:50,630 --> 01:18:48,719

retrieval program at least one program

2145

01:18:52,070 --> 01:18:50,640

and corbell and knapp and other people

2146

01:18:54,950 --> 01:18:52,080

like bernard hayes have talked about

2147

01:18:57,669 --> 01:18:54,960

other programs it's in valet's book

2148

01:18:58,070 --> 01:18:57,679

um his fiction book

2149

01:18:59,830 --> 01:18:58,080

that

2150

01:19:01,669 --> 01:18:59,840

[Music]

2151  
01:19:03,350 --> 01:19:01,679  
julianna mirankovic wrote an article

2152  
01:19:05,270 --> 01:19:03,360  
about where he talks there's some things

2153  
01:19:07,990 --> 01:19:05,280  
that mimic

2154  
01:19:08,870 --> 01:19:08,000  
the wilson davis document so it's almost

2155  
01:19:10,870 --> 01:19:08,880  
like

2156  
01:19:22,229 --> 01:19:10,880  
valet wrote fiction but he threw some of

2157  
01:19:22,239 --> 01:19:27,830  
that's a good point we'll see um

2158  
01:19:31,510 --> 01:19:30,149  
i don't think he's gonna go that far um

2159  
01:19:35,189 --> 01:19:31,520  
i think he'll play it by the books but

2160  
01:19:40,550 --> 01:19:36,630  
i think mj 12 was just a cover for

2161  
01:19:47,590 --> 01:19:42,709  
i would

2162  
01:19:52,070 --> 01:19:47,600  
really matter obviously mj12 like group

2163  
01:19:54,870 --> 01:19:52,080

yep i think i think um and

2164

01:19:56,790 --> 01:19:54,880

various ufo-related programs which i

2165

01:20:02,390 --> 01:19:56,800

really hope i get to see and we get to

2166

01:20:02,400 --> 01:20:07,910

yeah i hope so jeff we'll see um

2167

01:20:14,149 --> 01:20:11,990

let's be pleasantly surprised and

2168

01:20:16,870 --> 01:20:14,159

i'd be paranoid just writing the book i

2169

01:20:18,950 --> 01:20:16,880

mean it's like when lukaszki said they

2170

01:20:20,470 --> 01:20:18,960

had to send the book

2171

01:20:22,149 --> 01:20:20,480

a certain way

2172

01:20:24,070 --> 01:20:22,159

you had to protect the book when you

2173

01:20:25,510 --> 01:20:24,080

sent it to dobson because

2174

01:20:27,110 --> 01:20:25,520

they have to assume there might be

2175

01:20:28,390 --> 01:20:27,120

classified material in the book so if

2176

01:20:29,830 --> 01:20:28,400

you're going to send it to the folks at

2177

01:20:32,950 --> 01:20:29,840

dobster you have to do it a certain way

2178

01:20:38,149 --> 01:20:32,960

so nobody can breach your email or who

2179

01:20:43,270 --> 01:20:39,750

so

2180

01:20:45,030 --> 01:20:43,280

yeah i'd be paranoid writing that book

2181

01:20:47,110 --> 01:20:45,040

make sure you make a copy of it make

2182

01:20:49,270 --> 01:20:47,120

sure it's safe somewhere

2183

01:20:51,189 --> 01:20:49,280

beside your computer joe have you read

2184

01:20:54,550 --> 01:20:51,199

the allagash abductions i know about the

2185

01:20:55,910 --> 01:20:54,560

alligator subductions i have not read it

2186

01:20:56,350 --> 01:20:55,920

yes yes

2187

01:20:58,149 --> 01:20:56,360

um

2188

01:21:00,550 --> 01:20:58,159

[Music]

2189

01:21:04,870 --> 01:21:00,560

and for me abductions are a real thing i

2190

01:21:08,629 --> 01:21:07,270

projecting those images into their into

2191

01:21:11,189 --> 01:21:08,639

their minds i don't know if it's

2192

01:21:13,750 --> 01:21:11,199

physical i know people have scars so

2193

01:21:15,510 --> 01:21:13,760

maybe it's a mixture of

2194

01:21:17,189 --> 01:21:15,520

psychic meaning it you know it's

2195

01:21:19,669 --> 01:21:17,199

projected into their minds it's not

2196

01:21:21,750 --> 01:21:19,679

really happening physically and

2197

01:21:24,229 --> 01:21:21,760

also physical um

2198

01:21:27,189 --> 01:21:24,239

i mean for my my favorite abduction case

2199

01:21:30,149 --> 01:21:27,199

because the way they portrayed it is in

2200

01:21:34,550 --> 01:21:32,310

show what was it called uh oh unsolved

2201

01:21:36,470 --> 01:21:34,560

mysteries the

2202

01:21:38,310 --> 01:21:36,480

what the heck's the name of that area

2203

01:21:40,149 --> 01:21:38,320

but it's the best

2204

01:21:42,550 --> 01:21:40,159

it shows you that

2205

01:21:43,669 --> 01:21:42,560

they picked up people went one by one by

2206

01:21:45,110 --> 01:21:43,679

one

2207

01:21:46,870 --> 01:21:45,120

and you guys will remember what it was

2208

01:21:50,790 --> 01:21:46,880

called but it was uh it was recently

2209

01:21:53,830 --> 01:21:50,800

last year it was uh unsolved mysteries

2210

01:21:58,790 --> 01:21:53,840

the something it's a certain area of

2211

01:22:02,470 --> 01:22:00,310

what book would i recommend for someone

2212

01:22:05,820 --> 01:22:02,480

to read on this or related subjects if

2213

01:22:08,950 --> 01:22:05,830

you could only recommend one

2214

01:22:10,390 --> 01:22:08,960

[Music]

2215

01:22:12,550 --> 01:22:10,400

depends on if you want to get into the

2216

01:22:15,430 --> 01:22:12,560

history i have not read it yet but i've

2217

01:22:18,550 --> 01:22:15,440

heard so many great things about it

2218

01:22:20,470 --> 01:22:18,560

i don't even know the name of the book

2219

01:22:23,270 --> 01:22:20,480

it's in my kindle which i don't think i

2220

01:22:24,709 --> 01:22:23,280

have up right now i might

2221

01:22:27,030 --> 01:22:24,719

i don't have it i'm trying to think of

2222

01:22:28,229 --> 01:22:27,040

one book

2223

01:22:30,149 --> 01:22:28,239

the fact that

2224

01:22:31,590 --> 01:22:30,159

skinwalkers at the pentagon which is one

2225

01:22:34,310 --> 01:22:31,600

of my favorite books talks about the

2226

01:22:36,629 --> 01:22:34,320

connection between

2227

01:22:38,950 --> 01:22:36,639

ufos and the other

2228

01:22:40,629 --> 01:22:38,960

related subjects like paranormal for me

2229

01:22:41,830 --> 01:22:40,639

that's such an important step that we're

2230

01:22:43,110 --> 01:22:41,840

taking

2231

01:22:44,550 --> 01:22:43,120

i didn't realize there was that a

2232

01:22:45,910 --> 01:22:44,560

connection like that until i saw eric

2233

01:22:48,950 --> 01:22:45,920

davis mentioned

2234

01:22:51,270 --> 01:22:48,960

he said he said all ufo sightings are

2235

01:22:53,189 --> 01:22:51,280

accompanied by polar guys

2236

01:22:54,629 --> 01:22:53,199

are accompanied by poltergeist i think

2237

01:22:55,990 --> 01:22:54,639

what he meant all close encounters

2238

01:22:57,910 --> 01:22:56,000

because people who have close encounters

2239

01:23:00,070 --> 01:22:57,920

it seems like it always happens

2240

01:23:01,669 --> 01:23:00,080

poltergeist activity comes

2241

01:23:03,990 --> 01:23:01,679

the folks who went to skinwalker took

2242

01:23:05,110 --> 01:23:04,000

stuff home with them so that seems to

2243

01:23:07,350 --> 01:23:05,120

happen

2244

01:23:09,669 --> 01:23:07,360

um george knapp is under the impression

2245

01:23:11,910 --> 01:23:09,679

he believes that yeah some of the pilots

2246

01:23:14,310 --> 01:23:11,920

it might have happened with them

2247

01:23:15,510 --> 01:23:14,320

um it spreads you know it spreads to

2248

01:23:17,590 --> 01:23:15,520

people it spreads to neighbors it

2249

01:23:19,590 --> 01:23:17,600

spreads to people uh in the family so

2250

01:23:21,430 --> 01:23:19,600

yeah that's important for me

2251

01:23:25,270 --> 01:23:21,440

it's not just about ufos so that's a

2252

01:23:29,669 --> 01:23:27,350

but it's not your like historical ufo

2253

01:23:32,070 --> 01:23:29,679

book russ coltar's book in plain sight

2254

01:23:33,990 --> 01:23:32,080

is a great book for history

2255

01:23:35,590 --> 01:23:34,000

i'm trying to think leslie kane's book i

2256

01:23:38,149 --> 01:23:35,600

mean it's a little outdated now but the

2257

01:23:40,550 --> 01:23:38,159

information is still good

2258

01:23:42,870 --> 01:23:40,560

um i'm trying to think

2259

01:23:45,189 --> 01:23:42,880

i have to think about it um richard

2260

01:23:47,110 --> 01:23:45,199

dolan's books two massive books on the

2261

01:23:48,870 --> 01:23:47,120

history of ufology but that's just

2262

01:23:51,189 --> 01:23:48,880

history citing after citing and it's

2263

01:23:51,990 --> 01:23:51,199

good to see government documents

2264

01:23:53,350 --> 01:23:52,000

um

2265

01:23:56,229 --> 01:23:53,360

as far as you start off with a

2266

01:23:58,229 --> 01:23:56,239

documentary the phenomenon by james fox

2267

01:23:59,990 --> 01:23:58,239

is great ross cultart's documentary is

2268

01:24:01,510 --> 01:24:00,000

really good

2269

01:24:03,030 --> 01:24:01,520

lou said he's working on the documentary

2270

01:24:05,590 --> 01:24:03,040

that's going to be the documentary to

2271

01:24:08,629 --> 01:24:05,600

end all documentaries on ufos

2272

01:24:10,709 --> 01:24:08,639

so i'll look forward to that too

2273

01:24:12,550 --> 01:24:10,719

i love me a good documentary and then we

2274

01:24:14,709 --> 01:24:12,560

have

2275

01:24:15,750 --> 01:24:14,719

charlie charlie parish who's working on

2276

01:24:22,470 --> 01:24:15,760

a

2277

01:24:25,590 --> 01:24:22,480

i'm sure it's going to be very

2278

01:24:27,189 --> 01:24:25,600

theatrical very cinematic because

2279

01:24:30,709 --> 01:24:27,199

most of the regular ones are not they're

2280

01:24:32,870 --> 01:24:30,719

more like very cut and dry so i would

2281

01:24:34,629 --> 01:24:32,880

expect more of a movie

2282

01:24:35,990 --> 01:24:34,639

style

2283

01:24:38,070 --> 01:24:36,000

cinematic

2284

01:24:39,910 --> 01:24:38,080

which i love so

2285

01:24:41,189 --> 01:24:39,920

some of the documentaries on netflix are

2286

01:24:47,270 --> 01:24:41,199

like that

2287

01:24:50,629 --> 01:24:49,110

luis always plays by the rules he's a

2288

01:24:52,470 --> 01:24:50,639

pretty savvy guy and between him and

2289

01:24:53,830 --> 01:24:52,480

melon i'm sure they can use those rules

2290

01:24:55,830 --> 01:24:53,840

through their their advantage and

2291

01:24:57,510 --> 01:24:55,840

accomplish their objectives it's all

2292

01:25:03,030 --> 01:24:57,520

going to be about congress

2293

01:25:06,470 --> 01:25:04,550

congress needs to stay on the pentagon

2294

01:25:08,149 --> 01:25:06,480

make sure

2295

01:25:09,350 --> 01:25:08,159

we get number one we get funding that's

2296

01:25:11,510 --> 01:25:09,360

a big thing we don't know what funding

2297

01:25:12,629 --> 01:25:11,520

that that office is getting

2298

01:25:14,149 --> 01:25:12,639

number two

2299

01:25:15,430 --> 01:25:14,159

they go out and investigate cases as

2300

01:25:17,750 --> 01:25:15,440

they're happening

2301  
01:25:19,350 --> 01:25:17,760  
and they basically do what ocep did you

2302  
01:25:21,270 --> 01:25:19,360  
know with the with the human effects

2303  
01:25:23,030 --> 01:25:21,280  
that's a big part of it

2304  
01:25:24,550 --> 01:25:23,040  
and if they do that they'll they'll

2305  
01:25:25,830 --> 01:25:24,560  
they'll come across cases where people

2306  
01:25:27,430 --> 01:25:25,840  
have the hitchhiker stuff it's gonna

2307  
01:25:28,550 --> 01:25:27,440  
happen so what are you gonna do ignore

2308  
01:25:33,669 --> 01:25:28,560  
it

2309  
01:25:35,270 --> 01:25:33,679  
our members of congress to stay on this

2310  
01:25:37,030 --> 01:25:35,280  
i just want the tech to be real whether

2311  
01:25:39,270 --> 01:25:37,040  
we can understand it or not the fact

2312  
01:25:42,229 --> 01:25:39,280  
that exists would just be incredible on

2313  
01:25:44,629 --> 01:25:42,239

its own maybe the technology that

2314

01:25:46,310 --> 01:25:44,639

that was crashed or whatever is really

2315

01:25:47,910 --> 01:25:46,320

nothing that can be reverse engineered

2316

01:25:50,070 --> 01:25:47,920

and maybe that's why we've not been able

2317

01:25:51,189 --> 01:25:50,080

to reverse engineer it

2318

01:25:52,629 --> 01:25:51,199

you know it might be like another

2319

01:25:55,750 --> 01:25:52,639

another one of those trickster type

2320

01:25:57,189 --> 01:25:55,760

things i don't know i mean you you

2321

01:25:58,950 --> 01:25:57,199

listen to will miller and we have been

2322

01:26:00,709 --> 01:25:58,960

able to back engineer stuff and eric

2323

01:26:02,470 --> 01:26:00,719

davis says the opposite so no we have

2324

01:26:03,990 --> 01:26:02,480

not been able to back engineer it's been

2325

01:26:05,830 --> 01:26:04,000

a dead end

2326  
01:26:08,390 --> 01:26:05,840  
that's been a failure because we can't

2327  
01:26:10,070 --> 01:26:08,400  
understand it so

2328  
01:26:11,750 --> 01:26:10,080  
if it is a failure and we've not been

2329  
01:26:14,310 --> 01:26:11,760  
able to understand anything like i said

2330  
01:26:15,669 --> 01:26:14,320  
maybe the possibility that it's

2331  
01:26:17,030 --> 01:26:15,679  
something that we'll never be able to

2332  
01:26:20,709 --> 01:26:17,040  
figure out but

2333  
01:26:23,590 --> 01:26:20,719  
you know i don't know you know

2334  
01:26:25,830 --> 01:26:23,600  
hopefully people like eric davis

2335  
01:26:27,510 --> 01:26:25,840  
if we do get access to that program he

2336  
01:26:29,590 --> 01:26:27,520  
gets to see that stuff and gets to work

2337  
01:26:34,149 --> 01:26:29,600  
on it and then eventually we get to see

2338  
01:26:38,229 --> 01:26:35,830

can you talk about the new ufo movie

2339

01:26:39,750 --> 01:26:38,239

that's coming in july nope

2340

01:26:41,030 --> 01:26:39,760

yeah i saw the preview that's all i know

2341

01:26:42,709 --> 01:26:41,040

about it

2342

01:26:44,790 --> 01:26:42,719

preview looks good

2343

01:26:46,790 --> 01:26:44,800

that last scene where the the it was

2344

01:26:47,750 --> 01:26:46,800

like a teenager was sucked into the sky

2345

01:26:49,189 --> 01:26:47,760

so

2346

01:26:50,790 --> 01:26:49,199

um

2347

01:26:52,550 --> 01:26:50,800

seems like it's gonna be one of those

2348

01:26:54,790 --> 01:26:52,560

weird scary movies i mean i'm definitely

2349

01:26:55,750 --> 01:26:54,800

gonna see it um i'm not sure if it's

2350

01:26:58,390 --> 01:26:55,760

gonna be

2351

01:26:59,830 --> 01:26:58,400

based on any real cases or any

2352

01:27:01,669 --> 01:26:59,840

you know

2353

01:27:03,270 --> 01:27:01,679

try to stick to what the evidence shows

2354

01:27:05,830 --> 01:27:03,280

as far as what real cases are it might

2355

01:27:08,790 --> 01:27:05,840

just be more of a hollywoodish look

2356

01:27:10,310 --> 01:27:08,800

but i can't wait

2357

01:27:12,229 --> 01:27:10,320

um communion

2358

01:27:13,510 --> 01:27:12,239

i'm not sure communion is a great

2359

01:27:15,750 --> 01:27:13,520

starter book

2360

01:27:16,550 --> 01:27:15,760

i mean it was for me the first book i

2361

01:27:18,950 --> 01:27:16,560

read

2362

01:27:19,910 --> 01:27:18,960

scared the crap out of me

2363

01:27:21,270 --> 01:27:19,920

i mean

2364

01:27:22,950 --> 01:27:21,280

and that

2365

01:27:24,709 --> 01:27:22,960

and of course people now say joe you

2366

01:27:26,390 --> 01:27:24,719

need to look into metaphysics well i

2367

01:27:27,910 --> 01:27:26,400

first got my start in metaphysics and

2368

01:27:31,350 --> 01:27:27,920

then some guy on twitter was starting to

2369

01:27:33,270 --> 01:27:31,360

talk really in-depth metaphysics but no

2370

01:27:35,189 --> 01:27:33,280

i do not know really in-depth

2371

01:27:36,470 --> 01:27:35,199

metaphysics and he was a psychologist

2372

01:27:38,629 --> 01:27:36,480

and he was talking over my head and like

2373

01:27:40,390 --> 01:27:38,639

no i don't know that stuff i know

2374

01:27:42,070 --> 01:27:40,400

the basics i was part of a metaphysical

2375

01:27:43,270 --> 01:27:42,080

church i got married by the metaphysical

2376

01:27:45,590 --> 01:27:43,280

minister

2377

01:27:48,470 --> 01:27:45,600

i took psych psychic development classes

2378

01:27:51,750 --> 01:27:48,480

i took course in miracles classes i mean

2379

01:27:53,189 --> 01:27:51,760

i was really into it um and then

2380

01:27:55,990 --> 01:27:53,199

i was like you know what i think a lot

2381

01:27:57,910 --> 01:27:56,000

of this stuff is crap um

2382

01:27:59,270 --> 01:27:57,920

i don't reject it but a lot of it is

2383

01:28:01,590 --> 01:27:59,280

especially the channel stuff though a

2384

01:28:03,669 --> 01:28:01,600

lot of that stuff my god so many bad

2385

01:28:05,350 --> 01:28:03,679

predictions this was ridiculous the

2386

01:28:08,149 --> 01:28:05,360

berkshires thank you john yes the

2387

01:28:09,510 --> 01:28:08,159

berkshires case is just amazing

2388

01:28:11,030 --> 01:28:09,520

there's more information if you go on

2389

01:28:13,430 --> 01:28:11,040

youtube those folks have spoken out

2390

01:28:15,110 --> 01:28:13,440

there's more details

2391

01:28:16,550 --> 01:28:15,120

about their cases

2392

01:28:18,229 --> 01:28:16,560

and other

2393

01:28:20,550 --> 01:28:18,239

other encounters that they had personal

2394

01:28:22,310 --> 01:28:20,560

experiences

2395

01:28:23,910 --> 01:28:22,320

thank you zuri yes

2396

01:28:26,709 --> 01:28:23,920

folks if you've not seen the unsolved

2397

01:28:28,790 --> 01:28:26,719

unsolved mysteries berkshires it's

2398

01:28:30,470 --> 01:28:28,800

shot incredibly well

2399

01:28:32,390 --> 01:28:30,480

i mean for me i work in television but

2400

01:28:34,470 --> 01:28:32,400

it just looks so good

2401

01:28:36,870 --> 01:28:34,480

um really well done

2402

01:28:38,550 --> 01:28:36,880

the witnesses are so solid

2403

01:28:40,310 --> 01:28:38,560

definitely a must-watch

2404

01:28:42,229 --> 01:28:40,320

i sent it to my sister who's not really

2405

01:28:44,310 --> 01:28:42,239

interested in it i think all she said

2406

01:28:45,830 --> 01:28:44,320

was interesting

2407

01:28:47,669 --> 01:28:45,840

lou and chris would probably want to

2408

01:28:48,950 --> 01:28:47,679

provide top cover to congress to be able

2409

01:28:50,950 --> 01:28:48,960

to talk about the subject publicly

2410

01:28:54,709 --> 01:28:50,960

without ridicule public engagement via

2411

01:28:59,830 --> 01:28:57,189

something like loose book would be

2412

01:29:02,550 --> 01:28:59,840

critical to accomplishing that lou has

2413

01:29:04,470 --> 01:29:02,560

talked about this the five pillars

2414

01:29:05,430 --> 01:29:04,480

yeah um

2415

01:29:08,470 --> 01:29:05,440

that's why

2416

01:29:11,270 --> 01:29:08,480

melon said he focused on flight safety

2417

01:29:13,910 --> 01:29:11,280

and national security which gave them

2418

01:29:15,669 --> 01:29:13,920

reasons and cover to speak out

2419

01:29:17,990 --> 01:29:15,679

rubio even though rubio's gone a little

2420

01:29:19,910 --> 01:29:18,000

further in some of his interviews

2421

01:29:21,750 --> 01:29:19,920

he can speak about ufos and say this is

2422

01:29:24,070 --> 01:29:21,760

a flight safety issue this is a national

2423

01:29:25,110 --> 01:29:24,080

security issue we have objects that we

2424

01:29:27,030 --> 01:29:25,120

don't know where they come from and

2425

01:29:29,110 --> 01:29:27,040

they're going into restricted mil

2426

01:29:30,470 --> 01:29:29,120

restricted military air space and we

2427

01:29:32,070 --> 01:29:30,480

don't know what they are

2428

01:29:34,229 --> 01:29:32,080

how could we not look into that so that

2429

01:29:39,110 --> 01:29:34,239

gave them cover and it was a great great

2430

01:29:41,110 --> 01:29:39,120

strategy strategy by melon to do that

2431

01:29:42,709 --> 01:29:41,120

according to ryan bledsoe jordan peepe

2432

01:29:45,030 --> 01:29:42,719

the director wanted to do a movie on the

2433

01:29:46,950 --> 01:29:45,040

blood cell story so maybe peel has a

2434

01:29:51,669 --> 01:29:46,960

pre-existing interest in the topic if

2435

01:29:55,990 --> 01:29:55,189

i hope it's based on some real cases and

2436

01:29:56,950 --> 01:29:56,000

it

2437

01:29:58,870 --> 01:29:56,960

isn't that

2438

01:30:00,070 --> 01:29:58,880

is that the same director that did get

2439

01:30:02,310 --> 01:30:00,080

out

2440

01:30:02,670 --> 01:30:02,320

because it feels like that

2441

01:30:04,390 --> 01:30:02,680

um

2442

01:30:06,629 --> 01:30:04,400

[Music]

2443

01:30:08,229 --> 01:30:06,639

there was another i think not get out

2444

01:30:09,830 --> 01:30:08,239

well yeah get out i think there was a

2445

01:30:13,990 --> 01:30:09,840

couple of movies that he's done i'm not

2446

01:30:17,270 --> 01:30:15,669

what do you think about operation trojan

2447

01:30:20,229 --> 01:30:17,280

horses uh oh

2448

01:30:22,390 --> 01:30:20,239

i think operation trojan horse thank you

2449

01:30:23,830 --> 01:30:22,400

gabby um

2450

01:30:26,390 --> 01:30:23,840

for people who are just getting into

2451

01:30:29,350 --> 01:30:26,400

this it might be a bit much but it it it

2452

01:30:30,790 --> 01:30:29,360

goes over the history and john keel

2453

01:30:32,629 --> 01:30:30,800

who also wrote

2454

01:30:34,470 --> 01:30:32,639

mothman prophecies in a lot of other

2455

01:30:36,550 --> 01:30:34,480

books operation trojan horse was a

2456

01:30:38,790 --> 01:30:36,560

really oh my yeah

2457

01:30:39,910 --> 01:30:38,800

that's a great call it is a must-read

2458

01:30:43,110 --> 01:30:39,920

book

2459

01:30:45,350 --> 01:30:43,120

um there's so much information in that

2460

01:30:47,430 --> 01:30:45,360

going back to the beginning um the old

2461

01:30:49,189 --> 01:30:47,440

days the 40s 50s and

2462

01:30:50,950 --> 01:30:49,199

his theories he's one of the first that

2463

01:30:52,229 --> 01:30:50,960

was talking about

2464

01:30:53,750 --> 01:30:52,239

well it's not him but there were other

2465

01:30:55,669 --> 01:30:53,760

people in the 50s that were talking

2466

01:30:57,350 --> 01:30:55,679

about parapsychical this is not some

2467

01:30:58,950 --> 01:30:57,360

extraterrestrial intelligence it's

2468

01:31:00,070 --> 01:30:58,960

something

2469

01:31:02,550 --> 01:31:00,080

you know

2470

01:31:05,910 --> 01:31:02,560

in the non-physical realm it can create

2471

01:31:08,470 --> 01:31:05,920

things it can manifest things um

2472

01:31:10,870 --> 01:31:08,480

just in 1970 it was published written

2473

01:31:13,430 --> 01:31:10,880

and published in 1970 so

2474

01:31:16,390 --> 01:31:13,440

yeah great book operation trojan horse

2475

01:31:18,629 --> 01:31:16,400

i'll put the link in the comments

2476

01:31:21,110 --> 01:31:18,639

a lot of people use my amazon links to

2477

01:31:23,510 --> 01:31:21,120

buy books which it helps it's not a lot

2478

01:31:26,070 --> 01:31:23,520

of money but it helps it adds up

2479

01:31:28,629 --> 01:31:26,080

um as people most people know i'm trying

2480

01:31:30,790 --> 01:31:28,639

to do this full-time i'm not there not

2481

01:31:32,790 --> 01:31:30,800

even close but

2482

01:31:33,990 --> 01:31:32,800

i could see in a future where that could

2483

01:31:35,510 --> 01:31:34,000

happen

2484

01:31:37,510 --> 01:31:35,520

especially if more and more people get

2485

01:31:38,629 --> 01:31:37,520

into this which hopefully will continue

2486

01:31:42,470 --> 01:31:38,639

to happen

2487

01:31:44,390 --> 01:31:42,480

i have like 15 200 followers on twitter

2488

01:31:45,910 --> 01:31:44,400

when i did my newsletter the most i ever

2489

01:31:46,790 --> 01:31:45,920

had was 800

2490

01:31:50,790 --> 01:31:46,800

so

2491

01:31:55,430 --> 01:31:53,669

a guy like me has 15 000 followers and i

2492

01:31:56,950 --> 01:31:55,440

don't really say anything any anything

2493

01:31:59,189 --> 01:31:56,960

fancy-schmancy i don't make any

2494

01:32:00,870 --> 01:31:59,199

predictions so it's nice to see that

2495

01:32:04,950 --> 01:32:00,880

people are willing to listen to

2496

01:32:09,270 --> 01:32:07,590

i try to keep it

2497

01:32:11,030 --> 01:32:09,280

conservative but

2498

01:32:13,430 --> 01:32:11,040

i mean you've seen some of my

2499

01:32:15,669 --> 01:32:13,440

tweets i'm i'm not i talk about an

2500

01:32:18,470 --> 01:32:15,679

intelligence that might be using human

2501  
01:32:20,229 --> 01:32:18,480  
beings as you know for our our negative

2502  
01:32:21,910 --> 01:32:20,239  
energy and feeding off of that energy i

2503  
01:32:23,350 --> 01:32:21,920  
got so much flack from some people i'm

2504  
01:32:24,950 --> 01:32:23,360  
just talking about that but there are a

2505  
01:32:27,189 --> 01:32:24,960  
lot of people that have the longer

2506  
01:32:29,110 --> 01:32:27,199  
spoken about it

2507  
01:32:31,270 --> 01:32:29,120  
the lightning rod david ike has spoken

2508  
01:32:32,709 --> 01:32:31,280  
about it um

2509  
01:32:34,390 --> 01:32:32,719  
what's his name

2510  
01:32:36,070 --> 01:32:34,400  
it was a long time ago i forget his name

2511  
01:32:37,830 --> 01:32:36,080  
he was um

2512  
01:32:39,669 --> 01:32:37,840  
shoot

2513  
01:32:41,270 --> 01:32:39,679

knapp and kelleher spoke about it as a

2514

01:32:43,110 --> 01:32:41,280

possibility you know this intelligence

2515

01:32:44,310 --> 01:32:43,120

gets a reaction and then it feeds off

2516

01:32:45,590 --> 01:32:44,320

the fear

2517

01:32:46,629 --> 01:32:45,600

and then you have

2518

01:32:48,870 --> 01:32:46,639

um

2519

01:32:52,950 --> 01:32:48,880

that guy's i forget his name i'm drawing

2520

01:32:58,149 --> 01:32:54,709

paul eno talks about that that's his

2521

01:32:59,910 --> 01:32:58,159

theory these these these parasites they

2522

01:33:01,990 --> 01:32:59,920

they feed off of

2523

01:33:04,229 --> 01:33:02,000

anything and negative in our lives they

2524

01:33:06,149 --> 01:33:04,239

love that stuff and

2525

01:33:07,750 --> 01:33:06,159

if that's the case just for example for

2526

01:33:09,189 --> 01:33:07,760

argument's sake yeah there's some

2527

01:33:10,629 --> 01:33:09,199

parasites that feed off of negative

2528

01:33:12,550 --> 01:33:10,639

energy it doesn't mean

2529

01:33:14,070 --> 01:33:12,560

they're evil demons it just means that's

2530

01:33:15,590 --> 01:33:14,080

just what it is that you know they need

2531

01:33:17,350 --> 01:33:15,600

that to survive so

2532

01:33:18,709 --> 01:33:17,360

you know we do things to survive that

2533

01:33:20,229 --> 01:33:18,719

people would shake certain people would

2534

01:33:21,750 --> 01:33:20,239

shake their heads out while you kill all

2535

01:33:23,910 --> 01:33:21,760

those cattle to survive and eat their

2536

01:33:25,510 --> 01:33:23,920

meat well yeah it's like not evil we

2537

01:33:27,430 --> 01:33:25,520

don't consider that evil

2538

01:33:33,350 --> 01:33:27,440

get out in us yes those are the two

2539

01:33:36,790 --> 01:33:34,950

i have not spoken

2540

01:33:38,229 --> 01:33:36,800

see gabby you could be my producer i'm

2541

01:33:39,590 --> 01:33:38,239

sure you have spoken about this but what

2542

01:33:41,990 --> 01:33:39,600

did you think of linda multnow's

2543

01:33:45,350 --> 01:33:42,000

interview with the guy from kurt

2544

01:33:48,470 --> 01:33:45,360

jomangle from theories of everything um

2545

01:33:49,990 --> 01:33:48,480

real quick i thought that it was fine

2546

01:33:51,750 --> 01:33:50,000

especially when she's talking about her

2547

01:33:53,990 --> 01:33:51,760

early days and

2548

01:33:56,709 --> 01:33:54,000

cattle mutilations which

2549

01:33:59,590 --> 01:33:56,719

um she did a strange harvest uh

2550

01:34:01,510 --> 01:33:59,600

documentary and

2551  
01:34:05,270 --> 01:34:01,520  
that stuff was great she spoke about her

2552  
01:34:06,790 --> 01:34:05,280  
hbo documentary what happened and how

2553  
01:34:08,310 --> 01:34:06,800  
when she went to meet with dodie how

2554  
01:34:10,550 --> 01:34:08,320  
that kind of was the end of the

2555  
01:34:12,390 --> 01:34:10,560  
documentary and

2556  
01:34:13,270 --> 01:34:12,400  
they wanted more evidence from her and

2557  
01:34:14,629 --> 01:34:13,280  
then

2558  
01:34:15,910 --> 01:34:14,639  
kurt asked her

2559  
01:34:17,669 --> 01:34:15,920  
what do you think about people who say

2560  
01:34:19,590 --> 01:34:17,679  
that you're

2561  
01:34:21,270 --> 01:34:19,600  
you haven't vetted your guest as much

2562  
01:34:22,709 --> 01:34:21,280  
over the years from the beginning you've

2563  
01:34:25,189 --> 01:34:22,719

changed by how much you vetted and she

2564

01:34:29,350 --> 01:34:25,199

reacted really bad

2565

01:34:31,350 --> 01:34:29,360

um and i agree with that i mean yeah

2566

01:34:33,669 --> 01:34:31,360

um

2567

01:34:35,669 --> 01:34:33,679

over the years i just think a lot of her

2568

01:34:37,189 --> 01:34:35,679

stuff i'll listen to some of her her

2569

01:34:38,070 --> 01:34:37,199

witnesses and they don't sound credible

2570

01:34:40,870 --> 01:34:38,080

to me

2571

01:34:42,550 --> 01:34:40,880

so yeah you know

2572

01:34:44,470 --> 01:34:42,560

she was defensive which i understand i

2573

01:34:47,030 --> 01:34:44,480

mean she's 80 years old it's amazing how

2574

01:34:48,470 --> 01:34:47,040

much energy she still has but

2575

01:34:51,590 --> 01:34:48,480

the other question was

2576

01:34:53,430 --> 01:34:51,600

i thought was not necessary because

2577

01:34:55,109 --> 01:34:53,440

he said that

2578

01:34:56,470 --> 01:34:55,119

there was a picture that she put up on

2579

01:34:57,910 --> 01:34:56,480

her website and i think she was charging

2580

01:35:00,709 --> 01:34:57,920

for it it turned out to be from some

2581

01:35:02,310 --> 01:35:00,719

game video game and she's like what and

2582

01:35:03,430 --> 01:35:02,320

i don't know if she didn't know what he

2583

01:35:05,189 --> 01:35:03,440

was talking about or she was just

2584

01:35:06,629 --> 01:35:05,199

playing dumb but she's like what picture

2585

01:35:08,149 --> 01:35:06,639

and he did not have the picture to show

2586

01:35:11,189 --> 01:35:08,159

her so it's like you need to be able to

2587

01:35:12,629 --> 01:35:11,199

least show her um

2588

01:35:14,629 --> 01:35:12,639

so it was definitely uncomfortable i

2589

01:35:16,390 --> 01:35:14,639

think there was like 20 second pause

2590

01:35:17,430 --> 01:35:16,400

there where kurt was just silent and i

2591

01:35:19,270 --> 01:35:17,440

think he might have been looking at

2592

01:35:21,109 --> 01:35:19,280

questions but it was the longest pause

2593

01:35:22,790 --> 01:35:21,119

i've ever seen in an interview it was

2594

01:35:27,109 --> 01:35:22,800

really uncomfortable

2595

01:35:31,350 --> 01:35:29,109

overall

2596

01:35:35,990 --> 01:35:31,360

i enjoyed it but definitely

2597

01:35:40,790 --> 01:35:38,310

thanks troy um

2598

01:35:42,709 --> 01:35:40,800

yeah i know people love transcriptions

2599

01:35:44,550 --> 01:35:42,719

some people some people don't care

2600

01:35:45,990 --> 01:35:44,560

because they rather listen

2601  
01:35:47,750 --> 01:35:46,000  
i would rather not be known as the

2602  
01:35:49,910 --> 01:35:47,760  
transcriber that's why i'm doing more

2603  
01:35:51,910 --> 01:35:49,920  
youtube stuff because

2604  
01:35:53,750 --> 01:35:51,920  
i love to give my opinion even though

2605  
01:35:55,430 --> 01:35:53,760  
it's mostly speculation i mean most of

2606  
01:35:58,229 --> 01:35:55,440  
ufology is speculation we don't know

2607  
01:35:59,510 --> 01:35:58,239  
what the hell is going on

2608  
01:36:01,510 --> 01:35:59,520  
i'm gonna i'm gonna

2609  
01:36:04,310 --> 01:36:01,520  
call it a night this is a good first

2610  
01:36:06,390 --> 01:36:04,320  
step getting back on

2611  
01:36:07,910 --> 01:36:06,400  
23 people it's not bad for 11 o'clock on

2612  
01:36:09,430 --> 01:36:07,920  
the west coast people seem to have a

2613  
01:36:11,590 --> 01:36:09,440

difficult time to

2614

01:36:13,669 --> 01:36:11,600

when's distinguishing when someone is

2615

01:36:15,350 --> 01:36:13,679

just relaying information

2616

01:36:18,149 --> 01:36:15,360

when they are claiming it to be true

2617

01:36:19,990 --> 01:36:18,159

that is a really good point

2618

01:36:21,910 --> 01:36:20,000

yeah if i share information

2619

01:36:23,750 --> 01:36:21,920

people will sometimes get on my case and

2620

01:36:25,669 --> 01:36:23,760

i'm like listen just because i shared it

2621

01:36:28,310 --> 01:36:25,679

doesn't mean i believe this is the case

2622

01:36:30,709 --> 01:36:28,320

although if i'm sharing it i probably

2623

01:36:31,990 --> 01:36:30,719

find it interesting enough to share

2624

01:36:33,990 --> 01:36:32,000

so

2625

01:36:36,229 --> 01:36:34,000

i usually every couple of days i'll say

2626

01:36:39,430 --> 01:36:36,239

make sure i i don't know what's going on

2627

01:36:42,070 --> 01:36:39,440

i do not know i have

2628

01:36:44,470 --> 01:36:42,080

one time i had somebody quote unquote

2629

01:36:46,629 --> 01:36:44,480

source give me an idea of what was going

2630

01:36:50,550 --> 01:36:46,639

on it was the zoo theory

2631

01:36:52,709 --> 01:36:50,560

ets interdimensionals time travelers

2632

01:36:54,709 --> 01:36:52,719

and all that stuff but then there's

2633

01:36:55,830 --> 01:36:54,719

somebody else who has access to data

2634

01:36:57,189 --> 01:36:55,840

telling me

2635

01:36:58,709 --> 01:36:57,199

we don't know we don't know if it's one

2636

01:37:01,430 --> 01:36:58,719

intelligence or multiple it's really

2637

01:37:03,189 --> 01:37:01,440

hard it's contradictory information so

2638

01:37:05,189 --> 01:37:03,199

don't know

2639

01:37:07,590 --> 01:37:05,199

both sources are really smart really

2640

01:37:09,750 --> 01:37:07,600

smart people all those folks anybody who

2641

01:37:12,550 --> 01:37:09,760

i speak to

2642

01:37:17,030 --> 01:37:12,560

they're all smart people

2643

01:37:19,830 --> 01:37:18,310

one of the biggest issues in this

2644

01:37:21,990 --> 01:37:19,840

community is one of ego everybody wants

2645

01:37:23,430 --> 01:37:22,000

to be the first to call because

2646

01:37:29,270 --> 01:37:23,440

they don't want to feel stupid in case

2647

01:37:29,280 --> 01:37:34,229

there's more there

2648

01:37:39,750 --> 01:37:37,350

the fear of i don't see it but

2649

01:37:42,310 --> 01:37:39,760

yeah um

2650

01:37:43,910 --> 01:37:42,320

the thing today i called bs on because

2651

01:37:45,669 --> 01:37:43,920

it was just a person claiming to know

2652

01:37:47,189 --> 01:37:45,679

what was going on and given dates it's

2653

01:37:48,629 --> 01:37:47,199

like no this

2654

01:37:50,149 --> 01:37:48,639

you give dates you're going to be wrong

2655

01:37:51,910 --> 01:37:50,159

99.9

2656

01:37:54,390 --> 01:37:51,920

of the time i'm such a

2657

01:37:55,750 --> 01:37:54,400

and i think

2658

01:37:58,629 --> 01:37:55,760

i'm trying to think i was thinking

2659

01:38:02,229 --> 01:38:00,550

why i react that way to certain things

2660

01:38:04,470 --> 01:38:02,239

and maybe it's like because people are

2661

01:38:05,990 --> 01:38:04,480

saying this is how it is maybe i flash

2662

01:38:08,390 --> 01:38:06,000

back to my earlier years when i was

2663

01:38:10,149 --> 01:38:08,400

younger and i was i had religion pushed

2664

01:38:12,390 --> 01:38:10,159

down my throat this is how it is so

2665

01:38:14,229 --> 01:38:12,400

maybe that's part of why i react

2666

01:38:15,109 --> 01:38:14,239

negatively i just don't like people tell

2667

01:38:17,430 --> 01:38:15,119

me

2668

01:38:19,350 --> 01:38:17,440

this is how it is sorry um like all

2669

01:38:21,030 --> 01:38:19,360

right fine i'm really not gonna engage

2670

01:38:22,229 --> 01:38:21,040

with somebody like that if somebody says

2671

01:38:24,709 --> 01:38:22,239

you know what

2672

01:38:26,550 --> 01:38:24,719

i think this might be going on like this

2673

01:38:28,070 --> 01:38:26,560

then that's fine

2674

01:38:30,629 --> 01:38:28,080

but i don't react well when they say

2675

01:38:34,390 --> 01:38:30,639

this is it i know this i know this i

2676

01:38:37,750 --> 01:38:35,910

easy to read transcriptions when i'm at

2677

01:38:38,870 --> 01:38:37,760

work yes i know some people it's good

2678

01:38:43,030 --> 01:38:38,880

and

2679

01:38:44,629 --> 01:38:43,040

need to put this on a blog i mean i need

2680

01:38:46,470 --> 01:38:44,639

to put this on a

2681

01:38:48,790 --> 01:38:46,480

podcast i think there's a free one out

2682

01:38:50,470 --> 01:38:48,800

there where i could put these into audio

2683

01:38:52,149 --> 01:38:50,480

because i know some people said put it

2684

01:38:54,629 --> 01:38:52,159

into audio and i could listen to it and

2685

01:38:56,550 --> 01:38:54,639

i have not done it and i apologize

2686

01:38:59,350 --> 01:38:56,560

i apologize i was gone for such a long

2687

01:39:00,310 --> 01:38:59,360

time from here but i i i just need to do

2688

01:39:02,070 --> 01:39:00,320

it

2689

01:39:03,590 --> 01:39:02,080

and then once i do these live streams i

2690

01:39:05,270 --> 01:39:03,600

can just transfer it over to a podcast

2691

01:39:07,430 --> 01:39:05,280

so if somebody's driving it's easier to

2692

01:39:10,070 --> 01:39:07,440

listen to then i know youtube unless you

2693

01:39:11,669 --> 01:39:10,080

pay for the the pr the premium

2694

01:39:13,430 --> 01:39:11,679

youtube will shut off a lot of the times

2695

01:39:14,390 --> 01:39:13,440

it's easier if somebody has an audio

2696

01:39:16,629 --> 01:39:14,400

file

2697

01:39:21,910 --> 01:39:16,639

on one of those podcast channels or

2698

01:39:25,189 --> 01:39:23,189

oh

2699

01:39:26,870 --> 01:39:25,199

the fear of being taken for a ride on

2700

01:39:29,669 --> 01:39:26,880

being double

2701

01:39:31,350 --> 01:39:29,679

i'm not a yeah it's like for me

2702

01:39:33,030 --> 01:39:31,360

i just think it's it's if people are

2703

01:39:35,830 --> 01:39:33,040

putting out information that it seems

2704

01:39:37,750 --> 01:39:35,840

just so out there and it's just

2705

01:39:39,030 --> 01:39:37,760

i mean a lot of stuff i put out that

2706

01:39:41,189 --> 01:39:39,040

there are people that think it's out

2707

01:39:42,390 --> 01:39:41,199

there i'm definitely not afraid of being

2708

01:39:42,810 --> 01:39:42,400

wrong

2709

01:39:44,390 --> 01:39:42,820

um

2710

01:39:46,229 --> 01:39:44,400

[Music]

2711

01:39:48,390 --> 01:39:46,239

i just i'm i have no problem with

2712

01:39:50,070 --> 01:39:48,400

theories i just it's just that when

2713

01:39:52,830 --> 01:39:50,080

people are so sure of themselves that's

2714

01:39:55,510 --> 01:39:52,840

where i just react i react

2715

01:39:58,310 --> 01:39:55,520

negatively thanks gabby i will i will

2716

01:40:00,149 --> 01:39:58,320

make sure right now i have no work

2717

01:40:01,510 --> 01:40:00,159

scheduled and i have to change that so

2718

01:40:03,669 --> 01:40:01,520

there will be times where i'm just not

2719

01:40:06,149 --> 01:40:03,679

going to be able to do this but

2720

01:40:08,229 --> 01:40:06,159

yeah i'm glad i got i came and did this

2721

01:40:09,910 --> 01:40:08,239

tonight i was gonna tweet and say you

2722

01:40:12,149 --> 01:40:09,920

know what guys i don't feel up to it i'm

2723

01:40:14,310 --> 01:40:12,159

like nope gotta do it gotta get back

2724

01:40:17,109 --> 01:40:14,320

gotta start doing it again so i'm glad

2725

01:40:19,030 --> 01:40:17,119

every you guys could be here

2726

01:40:20,629 --> 01:40:19,040

thanks jeff and thanks for the questions

2727

01:40:23,669 --> 01:40:20,639

everybody it was good because i don't

2728

01:40:24,950 --> 01:40:23,679

have a ton of stuff prepared

2729

01:40:27,510 --> 01:40:24,960

and um

2730

01:40:28,709 --> 01:40:27,520

i will do these more often

2731

01:40:30,550 --> 01:40:28,719

one more thing

2732

01:40:32,550 --> 01:40:30,560

i think i said that yeah

2733

01:40:34,310 --> 01:40:32,560

marik from the hill great articles he's

2734

01:40:35,669 --> 01:40:34,320

written for the hill he's also says he

2735

01:40:37,189 --> 01:40:35,679

doesn't think roswell was a cover-up

2736

01:40:38,629 --> 01:40:37,199

because there's too many people would

2737

01:40:42,550 --> 01:40:38,639

have to be involved in the cover-up i

2738

01:40:46,709 --> 01:40:44,870

but you know until we actually see the

2739

01:40:49,750 --> 01:40:46,719

craft we're not going to know for sure

2740

01:40:53,669 --> 01:40:51,750

lots of lots of great interviews lately

2741

01:40:55,189 --> 01:40:53,679

gary nolan lex friedman i still haven't

2742

01:40:57,189 --> 01:40:55,199

listened to all of it but anyway all

2743

01:40:59,590 --> 01:40:57,199

right i'm gonna go thanks guys i will

2744

01:41:01,109 --> 01:40:59,600

talk to you soon it's not gonna be

2745

01:41:02,310 --> 01:41:01,119

another month and a half before i do a
