

1
00:00:46,229 --> 00:00:42,470
all right

2
00:00:47,830 --> 00:00:46,239
we have one live viewer

3
00:00:50,069 --> 00:00:47,840
now we have zero

4
00:00:52,150 --> 00:00:50,079
um but that's fine

5
00:00:54,549 --> 00:00:52,160
i didn't think i would be doing a live

6
00:00:57,029 --> 00:00:54,559
stream so quick but something happened

7
00:00:59,830 --> 00:00:57,039
yesterday that i wanted to

8
00:01:02,790 --> 00:00:59,840
share because i know a lot of people

9
00:01:05,109 --> 00:01:02,800
on youtube do not follow me on twitter

10
00:01:06,870 --> 00:01:05,119
so a lot of what i talk about on twitter

11
00:01:09,109 --> 00:01:06,880
may be new to you

12
00:01:10,830 --> 00:01:09,119
if not then you'll want to turn off now

13
00:01:13,670 --> 00:01:10,840

because you probably

14

00:01:16,230 --> 00:01:13,680

know about everything i'm going to say

15

00:01:17,990 --> 00:01:16,240

although on twitter i'm limited with

16

00:01:19,910 --> 00:01:18,000

certain

17

00:01:22,070 --> 00:01:19,920

character limits or you know how it is

18

00:01:25,190 --> 00:01:22,080

the format and twitter here

19

00:01:28,390 --> 00:01:25,200

i could be a little more verbose and um

20

00:01:30,390 --> 00:01:28,400

i want to start off the last last live

21

00:01:33,429 --> 00:01:30,400

stream i did i said

22

00:01:35,429 --> 00:01:33,439

there's going to be a surprise this week

23

00:01:38,550 --> 00:01:35,439

and then this

24

00:01:40,550 --> 00:01:38,560

happened and this which is senator

25

00:01:43,109 --> 00:01:40,560

kirsten gillibrand was not what i was

26

00:01:46,710 --> 00:01:43,119

talking about but that was a surprise

27

00:01:49,030 --> 00:01:46,720

i did not expect her to grill

28

00:01:50,389 --> 00:01:49,040

robert storch

29

00:01:52,950 --> 00:01:50,399

he is the

30

00:01:55,190 --> 00:01:52,960

nominee for the new

31

00:01:56,950 --> 00:01:55,200

inspector general for the dod and

32

00:01:59,429 --> 00:01:56,960

basically

33

00:02:02,149 --> 00:01:59,439

i'm reading wikipedia the an office of

34

00:02:04,469 --> 00:02:02,159

the inspector general is a generic term

35

00:02:07,270 --> 00:02:04,479

for the oversight division of a federal

36

00:02:10,150 --> 00:02:07,280

or state agency aimed at preventing

37

00:02:12,550 --> 00:02:10,160

inefficient or unlawful operations

38

00:02:13,430 --> 00:02:12,560

within their parent agency

39

00:02:14,710 --> 00:02:13,440

and

40

00:02:15,670 --> 00:02:14,720

there are lots of

41

00:02:17,589 --> 00:02:15,680

smaller

42

00:02:20,150 --> 00:02:17,599

you know other inspector generals for

43

00:02:21,110 --> 00:02:20,160

other offices other agencies within the

44

00:02:23,270 --> 00:02:21,120

government

45

00:02:24,790 --> 00:02:23,280

he is for the entire dod

46

00:02:29,910 --> 00:02:24,800

and

47

00:02:32,150 --> 00:02:29,920

an inspector general evaluation with how

48

00:02:35,509 --> 00:02:32,160

the dod has handled

49

00:02:36,869 --> 00:02:35,519

uh the ufo issue and how they've handled

50

00:02:38,550 --> 00:02:36,879

handled him

51
00:02:40,869 --> 00:02:38,560
when he came out and started speaking in

52
00:02:41,990 --> 00:02:40,879
2017 so we're waiting to hear back on

53
00:02:44,150 --> 00:02:42,000
that one

54
00:02:45,430 --> 00:02:44,160
the inspector general's name is randolph

55
00:02:47,830 --> 00:02:45,440
stone

56
00:02:49,830 --> 00:02:47,840
i have a lot of that on

57
00:02:52,229 --> 00:02:49,840
my danny

58
00:02:54,309 --> 00:02:52,239
ridiculously large transcript which i

59
00:02:56,630 --> 00:02:54,319
have not put out there's one more

60
00:02:59,430 --> 00:02:56,640
interview i want to transcribe before i

61
00:03:01,509 --> 00:02:59,440
put that out it's like 70 000 words so

62
00:03:03,430 --> 00:03:01,519
it's ridiculously long

63
00:03:05,350 --> 00:03:03,440

also a lot of it's repetitive because

64

00:03:08,229 --> 00:03:05,360

sheehan repeats a lot of the same things

65

00:03:09,670 --> 00:03:08,239

in various interviews

66

00:03:12,949 --> 00:03:09,680

what's up

67

00:03:15,270 --> 00:03:12,959

mike how you doing um

68

00:03:17,270 --> 00:03:15,280

troubled mind's here

69

00:03:18,390 --> 00:03:17,280

and he's based in vegas also has a great

70

00:03:19,750 --> 00:03:18,400

show

71

00:03:21,910 --> 00:03:19,760

every night

72

00:03:23,430 --> 00:03:21,920

um

73

00:03:25,990 --> 00:03:23,440

so

74

00:03:27,750 --> 00:03:26,000

the inspector general evaluation is

75

00:03:29,750 --> 00:03:27,760

going on we haven't heard anything i

76

00:03:31,910 --> 00:03:29,760

know lou said it was positive the last

77

00:03:34,149 --> 00:03:31,920

time he went there um he goes there with

78

00:03:35,190 --> 00:03:34,159

daniel sheen his lawyer who represents

79

00:03:37,509 --> 00:03:35,200

him

80

00:03:39,509 --> 00:03:37,519

um but back to yesterday

81

00:03:42,550 --> 00:03:39,519

so yesterday let me see hopefully i can

82

00:03:44,630 --> 00:03:42,560

pull this up pull this up with audio

83

00:03:46,070 --> 00:03:44,640

so yesterday

84

00:03:47,910 --> 00:03:46,080

i think it was yesterday morning there

85

00:03:52,149 --> 00:03:47,920

was a hearing for the new

86

00:04:02,229 --> 00:03:53,509

and

87

00:04:06,789 --> 00:04:02,239

was

88

00:04:10,149 --> 00:04:08,789

and hopefully you guys can hear this i'm

89

00:04:12,390 --> 00:04:10,159

going to play the entire thing that

90

00:04:15,270 --> 00:04:12,400

juliano barrancovich

91

00:04:18,069 --> 00:04:15,280

renkovic um saved so you get a little

92

00:04:20,150 --> 00:04:18,079

context and then it goes into that

93

00:04:21,990 --> 00:04:20,160

order uh the committee meets this

94

00:04:24,150 --> 00:04:22,000

morning to consider the nominations of

95

00:04:26,629 --> 00:04:24,160

mr robert storch to be the inspector

96

00:04:29,270 --> 00:04:26,639

general of the department of defense

97

00:04:31,670 --> 00:04:29,280

dr lester martinez lopez to be assistant

98

00:04:33,270 --> 00:04:31,680

secretary of defense for health affairs

99

00:04:35,350 --> 00:04:33,280

mr christopher lohmann to be the

100

00:04:39,189 --> 00:04:35,360

assistant secretary of defense for

101
00:04:40,950 --> 00:04:39,199
sustainment and mr peter bouchard to be

102
00:04:43,030 --> 00:04:40,960
general counsel of the department of the

103
00:04:44,629 --> 00:04:43,040
air force on behalf of the committee i

104
00:04:47,110 --> 00:04:44,639
want to thank each of you for your

105
00:04:50,150 --> 00:04:47,120
willingness to return to public service

106
00:04:51,590 --> 00:04:50,160
mr storch you are well qualified to be

107
00:04:53,510 --> 00:04:51,600
inspector general of the defense

108
00:04:56,150 --> 00:04:53,520
department in addition to your current

109
00:04:57,590 --> 00:04:56,160
role as the ig for the national security

110
00:04:59,909 --> 00:04:57,600
agency

111
00:05:03,029 --> 00:04:59,919
you served as deputy ig of the

112
00:05:06,550 --> 00:05:03,039
department of justice from 2018 to

113
00:05:09,189 --> 00:05:06,560

excuse me from 2012 to 2018.

114

00:05:12,790 --> 00:05:09,199

so he's currently the inspector general

115

00:05:15,270 --> 00:05:13,830

so

116

00:05:17,590 --> 00:05:15,280

current inspector general for the

117

00:05:19,270 --> 00:05:17,600

national security agency

118

00:05:21,749 --> 00:05:19,280

and now he's up for the inspector

119

00:05:22,830 --> 00:05:21,759

general job for the entire dod

120

00:05:25,909 --> 00:05:22,840

department of

121

00:05:27,830 --> 00:05:25,919

defense there are a number of important

122

00:05:29,830 --> 00:05:27,840

duties that will require your attention

123

00:05:31,749 --> 00:05:29,840

within the department it will be your

124

00:05:34,150 --> 00:05:31,759

responsibility to conduct and supervise

125

00:05:36,230 --> 00:05:34,160

audits and investigations relating to

126

00:05:37,909 --> 00:05:36,240

the department provide efficiency and

127

00:05:39,990 --> 00:05:37,919

effectiveness in the administration of

128

00:05:42,950 --> 00:05:40,000

the defense department and lead the

129

00:05:45,110 --> 00:05:42,960

combatting of fraud waste and abuse now

130

00:05:47,189 --> 00:05:45,120

via webex let me recognize senator

131

00:05:48,629 --> 00:05:47,199

gillibrand please

132

00:05:51,510 --> 00:05:48,639

thank you so much mr chairman and

133

00:05:54,070 --> 00:05:51,520

welcome to all our nominees

134

00:05:56,870 --> 00:05:54,080

first for mr storch

135

00:05:59,830 --> 00:05:56,880

so just in case you don't know senator

136

00:06:03,029 --> 00:05:59,840

kirsten gillibrand from new york state

137

00:06:05,029 --> 00:06:03,039

was a driving force in why we have a new

138

00:06:07,830 --> 00:06:05,039

ufo office

139

00:06:10,390 --> 00:06:07,840

in our government and her amendment her

140

00:06:12,390 --> 00:06:10,400

language was just so much more than any

141

00:06:14,309 --> 00:06:12,400

of us expected and she came out of the

142

00:06:16,629 --> 00:06:14,319

we had no idea she was even interested

143

00:06:19,029 --> 00:06:16,639

in it and her amendment came out and the

144

00:06:20,629 --> 00:06:19,039

language talked about

145

00:06:22,309 --> 00:06:20,639

we want to look into

146

00:06:24,870 --> 00:06:22,319

health related effects for people who

147

00:06:25,909 --> 00:06:24,880

have interactions with ufos

148

00:06:28,790 --> 00:06:25,919

and

149

00:06:31,990 --> 00:06:28,800

crash retrieval language we want to make

150

00:06:35,590 --> 00:06:32,000

field trips basically to check out

151

00:06:38,230 --> 00:06:35,600

any any updates on exploitation of uap

152

00:06:38,950 --> 00:06:38,240

technology basically crash retrieval

153

00:06:40,790 --> 00:06:38,960

which

154

00:06:42,469 --> 00:06:40,800

louis londo has confirmed that's what

155

00:06:44,790 --> 00:06:42,479

that language is so it's

156

00:06:45,590 --> 00:06:44,800

and it's going to be an office where

157

00:06:48,710 --> 00:06:45,600

they

158

00:06:50,309 --> 00:06:48,720

react to ufo sightings to

159

00:06:51,510 --> 00:06:50,319

people in our government and they go out

160

00:06:52,550 --> 00:06:51,520

kind of like a

161

00:06:55,270 --> 00:06:52,560

um

162

00:06:56,629 --> 00:06:55,280

quick acting kind of like what ossep was

163

00:06:58,390 --> 00:06:56,639

uh you know a sighting happens and

164

00:07:00,550 --> 00:06:58,400

they're out the door and go to alabama

165

00:07:01,589 --> 00:07:00,560

it just happened so that's what kind of

166

00:07:03,670 --> 00:07:01,599

office

167

00:07:05,670 --> 00:07:03,680

in theory it's going to be and that was

168

00:07:07,909 --> 00:07:05,680

passed biden signed it into law in

169

00:07:09,990 --> 00:07:07,919

january so now

170

00:07:11,670 --> 00:07:10,000

my last live stream i said that's great

171

00:07:13,589 --> 00:07:11,680

but nothing happens unless our

172

00:07:15,029 --> 00:07:13,599

representatives stay on the case they

173

00:07:16,870 --> 00:07:15,039

really need to stay on this because

174

00:07:18,629 --> 00:07:16,880

there are people in the dod in the

175

00:07:19,990 --> 00:07:18,639

pentagon that want nothing to do with

176

00:07:21,670 --> 00:07:20,000

this

177

00:07:23,270 --> 00:07:21,680

uh i spoke about i'm not sure i did

178

00:07:25,029 --> 00:07:23,280

speak about it last time the air force

179

00:07:27,189 --> 00:07:25,039

there are some higher ups

180

00:07:29,350 --> 00:07:27,199

not all of the air force as lou as

181

00:07:31,350 --> 00:07:29,360

you'll see lou said later on it's just

182

00:07:34,390 --> 00:07:31,360

certain people some very powerful people

183

00:07:36,150 --> 00:07:34,400

in the air force in the dod that believe

184

00:07:38,230 --> 00:07:36,160

we're dealing with demons so they don't

185

00:07:40,629 --> 00:07:38,240

want to you know ufos or demons they

186

00:07:42,710 --> 00:07:40,639

don't want to study it whatsoever

187

00:07:44,790 --> 00:07:42,720

so

188

00:07:47,029 --> 00:07:44,800

it's we're facing those folks even

189

00:07:48,790 --> 00:07:47,039

though they're a minority and we need

190

00:07:51,350 --> 00:07:48,800

people like people like senator

191

00:07:52,710 --> 00:07:51,360

gillibrand to really push this issue

192

00:07:54,710 --> 00:07:52,720

and

193

00:07:56,230 --> 00:07:54,720

not expecting this to come up didn't you

194

00:07:57,670 --> 00:07:56,240

know i did not know about this hearing

195

00:07:59,510 --> 00:07:57,680

because i don't follow

196

00:08:01,189 --> 00:07:59,520

government proceedings like this but

197

00:08:02,629 --> 00:08:01,199

anyway i'll let you watch and i'll i'll

198

00:08:04,869 --> 00:08:02,639

interrupt occasionally

199

00:08:07,510 --> 00:08:04,879

um mr storch in your current position as

200

00:08:10,790 --> 00:08:07,520

nsa inspector general are you familiar

201
00:08:13,350 --> 00:08:10,800
with the dods ig's ongoing assessment of

202
00:08:15,270 --> 00:08:13,360
the response from dod components to the

203
00:08:18,710 --> 00:08:15,280
intrusions of unidentified aerial

204
00:08:21,430 --> 00:08:18,720
phenomenon into controlled dod airspace

205
00:08:23,430 --> 00:08:21,440
as well as uap activity around naval and

206
00:08:26,390 --> 00:08:23,440
air operations further do you think the

207
00:08:46,310 --> 00:08:26,400
nsa has been responsive to the dod's ig

208
00:08:50,470 --> 00:08:48,630
i was muted sorry um

209
00:08:53,269 --> 00:08:50,480
so it makes me wonder if she asks let me

210
00:08:57,509 --> 00:08:55,590
a little bit um mr storch in your

211
00:09:00,230 --> 00:08:57,519
current position as nsa inspector

212
00:09:03,110 --> 00:09:00,240
general are you familiar with the dods

213
00:09:05,750 --> 00:09:03,120

ig's ongoing assessment of the response

214

00:09:08,230 --> 00:09:05,760

from dod components to the intrusions of

215

00:09:11,509 --> 00:09:08,240

unidentified aerial phenomenon into

216

00:09:14,150 --> 00:09:11,519

controlled dod airspace as well as uap

217

00:09:15,829 --> 00:09:14,160

activity around naval and air operations

218

00:09:21,030 --> 00:09:15,839

further do you think the nsa has been

219

00:09:25,350 --> 00:09:22,870

that question makes me think that the

220

00:09:27,670 --> 00:09:25,360

nsa has not been responsive

221

00:09:31,030 --> 00:09:27,680

to the dod's inquiries if you remember

222

00:09:35,509 --> 00:09:33,030

when we were waiting for the 180-day

223

00:09:36,470 --> 00:09:35,519

report to come out brian brian bender

224

00:09:38,310 --> 00:09:36,480

put out

225

00:09:40,310 --> 00:09:38,320

uh an article saying

226

00:09:43,030 --> 00:09:40,320

there were various government agencies

227

00:09:45,509 --> 00:09:43,040

that were really resisting giving up any

228

00:09:46,550 --> 00:09:45,519

ufo data and it was a problem

229

00:09:49,269 --> 00:09:46,560

so

230

00:09:51,350 --> 00:09:49,279

i'm thinking nsa was part of the problem

231

00:09:53,750 --> 00:09:51,360

and she's asking him are you aware of

232

00:09:55,190 --> 00:09:53,760

how they reacted to the dod was were

233

00:09:55,990 --> 00:09:55,200

they forthcoming

234

00:09:58,310 --> 00:09:56,000

um

235

00:10:02,389 --> 00:09:58,320

so i'll let you hear his answer i'm

236

00:10:06,870 --> 00:10:05,110

uh thank you for the uh question senator

237

00:10:09,430 --> 00:10:06,880

i'm afraid that's not an issue with

238

00:10:11,190 --> 00:10:09,440

which i am currently familiar however if

239

00:10:14,150 --> 00:10:11,200

confirmed i certainly

240

00:10:16,630 --> 00:10:14,160

am uh willing to look into that and to

241

00:10:18,310 --> 00:10:16,640

um take any action that's appropriate

242

00:10:20,870 --> 00:10:18,320

yeah just confirm me and then we'll get

243

00:10:23,350 --> 00:10:20,880

back to it later on

244

00:10:25,350 --> 00:10:23,360

well thank you um and if confirmed can i

245

00:10:26,870 --> 00:10:25,360

have your commitment to sustain this

246

00:10:28,790 --> 00:10:26,880

comprehensive assessment until it

247

00:10:31,110 --> 00:10:28,800

reaches its appropriate conclusion

248

00:10:33,350 --> 00:10:31,120

including the possibility of follow-on

249

00:10:35,750 --> 00:10:33,360

actions such as audits or investigations

250

00:10:37,350 --> 00:10:35,760

if the assessment recommends as much

251

00:10:39,509 --> 00:10:37,360

well well again i honestly am not

252

00:10:41,590 --> 00:10:39,519

familiar with that particular review but

253

00:10:43,110 --> 00:10:41,600

as as is typical i think across the ig

254

00:10:44,790 --> 00:10:43,120

community when a new ig comes in if

255

00:10:47,190 --> 00:10:44,800

their pending matters those would

256

00:10:49,269 --> 00:10:47,200

continue in in the office and it would

257

00:10:51,430 --> 00:10:49,279

be perfectly appropriate to examine them

258

00:10:53,030 --> 00:10:51,440

um and if i am confirmed i can assure

259

00:10:55,750 --> 00:10:53,040

you that anything that's pending went

260

00:10:57,509 --> 00:10:55,760

out in the office i'll i'll give my best

261

00:10:59,670 --> 00:10:57,519

attention to and if there's appropriate

262

00:11:01,829 --> 00:10:59,680

follow-up to be done we'll do it

263

00:11:03,509 --> 00:11:01,839

pretty generic answer yeah of course i

264

00:11:05,829 --> 00:11:03,519

mean that's what my job is i mean that's

265

00:11:07,910 --> 00:11:05,839

what we do uap

266

00:11:10,630 --> 00:11:07,920

anything it doesn't matter i'm gonna do

267

00:11:13,590 --> 00:11:10,640

it no problem just confirm me and we'll

268

00:11:15,509 --> 00:11:13,600

get back to it um and he also remember

269

00:11:17,509 --> 00:11:15,519

this ig thing's going to take a while

270

00:11:20,230 --> 00:11:17,519

once the evaluation is done

271

00:11:22,710 --> 00:11:20,240

and if they recommend x y and z and this

272

00:11:24,230 --> 00:11:22,720

investigation needs to be done then that

273

00:11:26,870 --> 00:11:24,240

needs to be done so it's going to take a

274

00:11:28,710 --> 00:11:26,880

while as as lou has said these take

275

00:11:29,750 --> 00:11:28,720

sometimes they take a few years so

276

00:11:34,630 --> 00:11:29,760

people

277

00:11:36,389 --> 00:11:34,640

okay so since you aren't familiar can

278

00:11:39,190 --> 00:11:36,399

you please familiarize yourself with

279

00:11:40,389 --> 00:11:39,200

this issue and respond to both of those

280

00:11:43,110 --> 00:11:40,399

questions in writing before your

281

00:11:44,470 --> 00:11:43,120

confirmation please

282

00:11:47,509 --> 00:11:44,480

yes ma'am

283

00:11:51,990 --> 00:11:49,430

so

284

00:11:53,670 --> 00:11:52,000

that's in reaction

285

00:11:57,110 --> 00:11:53,680

recommends as much

286

00:12:01,509 --> 00:11:59,590

basically familiar familiarize yourself

287

00:12:03,990 --> 00:12:01,519

with the subject and then

288

00:12:05,670 --> 00:12:04,000

your homework is to write it down

289

00:12:08,069 --> 00:12:05,680

and then submit your answers and what

290

00:12:10,230 --> 00:12:08,079

you found and then we'll go from there

291

00:12:12,230 --> 00:12:10,240

and his reaction is is classic he

292

00:12:13,829 --> 00:12:12,240

obviously does not like that

293

00:12:16,710 --> 00:12:13,839

i don't know if he has any knowledge of

294

00:12:17,750 --> 00:12:16,720

the uap issue and he's just lying to her

295

00:12:21,269 --> 00:12:17,760

or

296

00:12:23,430 --> 00:12:21,279

either way he doesn't you could tell he

297

00:12:25,430 --> 00:12:23,440

doesn't really like being told uh you

298

00:12:26,790 --> 00:12:25,440

need to do this and before we even

299

00:12:28,629 --> 00:12:26,800

confirm you

300

00:12:31,030 --> 00:12:28,639

get back to me in writing with what you

301

00:12:33,030 --> 00:12:31,040

find yourself with this issue

302

00:12:34,550 --> 00:12:33,040

and respond to both of those questions

303

00:12:36,629 --> 00:12:34,560

in writing before your confirmation

304

00:12:39,990 --> 00:12:36,639

please

305

00:12:41,990 --> 00:12:40,000

yes ma'am that little eyebrow thing so

306

00:12:44,870 --> 00:12:42,000

yeah so anyway

307

00:12:47,190 --> 00:12:44,880

that was that and um yeah she's great

308

00:12:48,230 --> 00:12:47,200

obviously as you'll see as i go through

309

00:12:51,750 --> 00:12:48,240

the

310

00:12:54,310 --> 00:12:51,760

long lua interview

311

00:12:59,030 --> 00:12:56,550

lou said that

312

00:13:00,550 --> 00:12:59,040

her staff is very very smart of course

313

00:13:02,629 --> 00:13:00,560

you would expect the senator's staff to

314

00:13:04,310 --> 00:13:02,639

be smart and they're very engaged and i

315

00:13:05,750 --> 00:13:04,320

think a lot of this is coming through

316

00:13:07,670 --> 00:13:05,760

lou and chris

317

00:13:10,069 --> 00:13:07,680

to her staff and then her staff is

318

00:13:11,750 --> 00:13:10,079

updating her but you know if she wasn't

319

00:13:12,790 --> 00:13:11,760

interested in it then

320

00:13:14,710 --> 00:13:12,800

she doesn't have to take the

321

00:13:17,030 --> 00:13:14,720

recommendations of her staff

322

00:13:18,150 --> 00:13:17,040

i don't i know she was on intelligence

323

00:13:20,150 --> 00:13:18,160

committees and she's been on

324

00:13:21,829 --> 00:13:20,160

intelligence committees so whatever

325

00:13:24,310 --> 00:13:21,839

briefings took

326

00:13:26,230 --> 00:13:24,320

place whatever videos were shown she had

327

00:13:28,389 --> 00:13:26,240

access to those videos i still don't

328

00:13:29,509 --> 00:13:28,399

know what they were shown but lou said

329

00:13:30,710 --> 00:13:29,519

that

330

00:13:32,150 --> 00:13:30,720

you know last year he said when they

331

00:13:34,870 --> 00:13:32,160

came out of those briefings these

332

00:13:38,069 --> 00:13:34,880

senators were like well that certainly

333

00:13:42,790 --> 00:13:41,110

so let me go to

334

00:13:44,710 --> 00:13:42,800

hopefully i can do this right it should

335

00:13:47,430 --> 00:13:44,720

not be that difficult

336

00:13:49,509 --> 00:13:47,440

let me go to

337

00:13:51,110 --> 00:13:49,519

lose interview from last night so lou is

338

00:13:53,110 --> 00:13:51,120

on

339

00:13:54,550 --> 00:13:53,120

jimmy church

340

00:13:58,310 --> 00:13:54,560

and i should be able to pull this up

341

00:14:00,790 --> 00:13:58,320

mostly full screen damn it

342

00:14:03,509 --> 00:14:00,800

i hope

343

00:14:06,230 --> 00:14:03,519

maybe not

344

00:14:10,389 --> 00:14:08,389

louis on jimmy church i think i just go

345

00:14:13,670 --> 00:14:10,399

full screen here

346

00:14:17,590 --> 00:14:13,680

lou was on jimmy church last night

347

00:14:20,710 --> 00:14:17,600

and i am not the biggest damn it

348

00:14:23,189 --> 00:14:20,720

i had this before but it was going

349

00:14:25,030 --> 00:14:23,199

straight so anyway back just back to to

350

00:14:26,629 --> 00:14:25,040

um storage

351

00:14:28,389 --> 00:14:26,639

it was good to see her staying on it

352

00:14:29,750 --> 00:14:28,399

because we hadn't heard anything in a

353

00:14:32,069 --> 00:14:29,760

little bit i mean

354

00:14:33,990 --> 00:14:32,079

it's only been it was it was made a law

355

00:14:36,230 --> 00:14:34,000

in january so people need to have

356

00:14:37,829 --> 00:14:36,240

patience and

357

00:14:39,430 --> 00:14:37,839

that's pretty quick because i don't

358

00:14:40,870 --> 00:14:39,440

think anybody expect there there's the

359

00:14:43,189 --> 00:14:40,880

full screen i don't think anybody

360

00:14:45,350 --> 00:14:43,199

expected to hear anything this week but

361

00:14:46,629 --> 00:14:45,360

she's on the case so that's good just

362

00:14:48,389 --> 00:14:46,639

know that she's on the case and she's

363

00:14:51,350 --> 00:14:48,399

not the only one we have senator rubio

364

00:14:53,189 --> 00:14:51,360

we have congressman gallego

365

00:14:54,230 --> 00:14:53,199

so good things

366

00:14:56,389 --> 00:14:54,240

and

367

00:14:58,230 --> 00:14:56,399

so lou was on jimmy church last night

368

00:15:00,550 --> 00:14:58,240

and i'm not a big jeremy church fan he

369

00:15:03,269 --> 00:15:00,560

has me blocked on twitter that's neither

370

00:15:05,030 --> 00:15:03,279

here nor there um

371

00:15:06,310 --> 00:15:05,040

but we started out and he was rambling

372

00:15:09,670 --> 00:15:06,320

on and he's

373

00:15:11,829 --> 00:15:09,680

he was talking about ttsa

374

00:15:14,150 --> 00:15:11,839

and how he predicted you know they would

375

00:15:18,150 --> 00:15:14,160

you know meet their demise

376

00:15:19,910 --> 00:15:18,160

and he started getting negative on ttsa

377

00:15:22,150 --> 00:15:19,920

a couple of years ago when

378

00:15:24,150 --> 00:15:22,160

i think it was when he was saying all

379

00:15:26,389 --> 00:15:24,160

this crap about lou

380

00:15:28,389 --> 00:15:26,399

and then the interviews with tom delong

381

00:15:30,310 --> 00:15:28,399

stopped and i think tom had heard these

382

00:15:32,470 --> 00:15:30,320

interviews and that was it he's like

383

00:15:34,150 --> 00:15:32,480

don't go on there anymore i'm not going

384

00:15:36,310 --> 00:15:34,160

on there anymore not that lou was ever

385

00:15:38,829 --> 00:15:36,320

on back then it was tom who was doing

386

00:15:41,749 --> 00:15:38,839

the interviews

387

00:15:43,350 --> 00:15:41,759

so those interviews stopped and then all

388

00:15:46,069 --> 00:15:43,360

of a sudden after jimmy church was

389

00:15:48,230 --> 00:15:46,079

praising tsa he flipped and just

390

00:15:50,629 --> 00:15:48,240

started just you know

391

00:15:52,389 --> 00:15:50,639

criticizing the hell out of them

392

00:15:55,910 --> 00:15:52,399

and so you know he was doing that a

393

00:15:57,509 --> 00:15:55,920

little bit last night before lou came on

394

00:15:58,310 --> 00:15:57,519

and back then

395

00:16:00,710 --> 00:15:58,320

when

396

00:16:02,550 --> 00:16:00,720

danny silva called into jimmy church's

397

00:16:04,150 --> 00:16:02,560

show

398

00:16:06,710 --> 00:16:04,160

church was like

399

00:16:09,430 --> 00:16:06,720

lou admitted that he's a disinformation

400

00:16:11,670 --> 00:16:09,440

agent danny and danny was like he did no

401
00:16:13,990 --> 00:16:11,680
he didn't he's like yeah he did

402
00:16:15,590 --> 00:16:14,000
you remember danny of course he never

403
00:16:17,269 --> 00:16:15,600
did um

404
00:16:19,030 --> 00:16:17,279
so anyway yeah and there was an

405
00:16:20,710 --> 00:16:19,040
interview i transcribed where

406
00:16:24,870 --> 00:16:20,720
uh church said

407
00:16:27,829 --> 00:16:24,880
if tom lalong is replaced as ceo by say

408
00:16:31,350 --> 00:16:27,839
jim semivan that would make to the stars

409
00:16:33,030 --> 00:16:31,360
a full-on cia operation that was when he

410
00:16:34,150 --> 00:16:33,040
was interviewing john greenwald you know

411
00:16:36,470 --> 00:16:34,160
it's like

412
00:16:38,470 --> 00:16:36,480
because he worked with the cia

413
00:16:41,269 --> 00:16:38,480

he's going to take over tsa and make it

414

00:16:42,870 --> 00:16:41,279

into a cia psyop it was so ridiculous

415

00:16:45,829 --> 00:16:42,880

and i know some people still think this

416

00:16:47,749 --> 00:16:45,839

is a psy up i have no time for that

417

00:16:50,230 --> 00:16:47,759

we're making progress if you don't see

418

00:16:52,470 --> 00:16:50,240

it by now you should probably not follow

419

00:16:54,790 --> 00:16:52,480

ufos anymore because

420

00:16:56,310 --> 00:16:54,800

i waited forever to make any progress

421

00:16:58,550 --> 00:16:56,320

and now we're getting it

422

00:17:00,150 --> 00:16:58,560

i just i think your judgment is really

423

00:17:01,670 --> 00:17:00,160

poor if you think we're dealing with a

424

00:17:04,630 --> 00:17:01,680

psy up at this point

425

00:17:06,390 --> 00:17:04,640

so let me go out so so anyway and i'm

426

00:17:07,350 --> 00:17:06,400

not going to go i'm not going to go over

427

00:17:09,350 --> 00:17:07,360

questions

428

00:17:10,470 --> 00:17:09,360

right now i will i'll i'll glance at the

429

00:17:11,669 --> 00:17:10,480

chat but

430

00:17:13,189 --> 00:17:11,679

this is going to take a while i don't

431

00:17:14,390 --> 00:17:13,199

want to go on too late but it's going to

432

00:17:17,270 --> 00:17:14,400

take a while to go through this i think

433

00:17:19,110 --> 00:17:17,280

i have like 110 tweets or so

434

00:17:22,309 --> 00:17:19,120

um

435

00:17:23,829 --> 00:17:22,319

let me just get a drink here

436

00:17:25,510 --> 00:17:23,839

it was a good interview as much as i

437

00:17:27,189 --> 00:17:25,520

don't like

438

00:17:34,390 --> 00:17:27,199

lots of things about jimmy church he

439

00:17:40,070 --> 00:17:37,909

so anyway lou starts off and says

440

00:17:41,270 --> 00:17:40,080

he's not smart all the brains are on his

441

00:17:43,590 --> 00:17:41,280

wife's side

442

00:17:44,549 --> 00:17:43,600

and as far as all the haters

443

00:17:45,990 --> 00:17:44,559

he's like

444

00:17:48,950 --> 00:17:46,000

anytime you stand up for something

445

00:17:50,549 --> 00:17:48,960

there's going to be people out there

446

00:17:52,710 --> 00:17:50,559

because you're challenging their

447

00:17:54,950 --> 00:17:52,720

preconceived notions or narratives about

448

00:17:56,630 --> 00:17:54,960

what's going on with ufos

449

00:17:58,630 --> 00:17:56,640

and you hope

450

00:18:00,549 --> 00:17:58,640

those folks jump on the bandwagon or

451

00:18:01,990 --> 00:18:00,559

they just agree to disagree

452

00:18:03,510 --> 00:18:02,000

um but his

453

00:18:04,710 --> 00:18:03,520

but there are not there are people that

454

00:18:07,029 --> 00:18:04,720

are not doing that they're just coming

455

00:18:09,430 --> 00:18:07,039

at lou really hard

456

00:18:10,870 --> 00:18:09,440

so you know

457

00:18:12,710 --> 00:18:10,880

what is he gonna do

458

00:18:14,310 --> 00:18:12,720

those folks will never give up they're

459

00:18:15,909 --> 00:18:14,320

gonna just try to i mean there was a

460

00:18:18,310 --> 00:18:15,919

documentary which i didn't watch that

461

00:18:19,750 --> 00:18:18,320

was just an attack on lou

462

00:18:21,830 --> 00:18:19,760

i think it got pulled down because of

463

00:18:24,470 --> 00:18:21,840

copyright issues but

464

00:18:25,990 --> 00:18:24,480

i mean at this point

465

00:18:28,710 --> 00:18:26,000

i think for me it's a waste of time to

466

00:18:31,669 --> 00:18:28,720

even deal with that stuff um

467

00:18:32,950 --> 00:18:31,679

i personally want to focus on

468

00:18:34,470 --> 00:18:32,960

trying to do my best and don't

469

00:18:35,990 --> 00:18:34,480

misunderstand me i'm not somebody that

470

00:18:36,789 --> 00:18:36,000

thinks i can figure out what's going on

471

00:18:38,070 --> 00:18:36,799

but

472

00:18:39,909 --> 00:18:38,080

i mean there are certain things if you

473

00:18:41,990 --> 00:18:39,919

look at the evidence

474

00:18:43,830 --> 00:18:42,000

you can have an idea of maybe what we're

475

00:18:44,950 --> 00:18:43,840

dealing with and i i would love to focus

476

00:18:47,350 --> 00:18:44,960

on that

477

00:18:49,190 --> 00:18:47,360

and not and and but i still like that

478

00:18:50,950 --> 00:18:49,200

you know everyday goings-on of what's

479

00:18:52,630 --> 00:18:50,960

going on nuts and bolts i still like

480

00:18:54,150 --> 00:18:52,640

that stuff but

481

00:18:55,909 --> 00:18:54,160

you know you hear me talking about

482

00:18:57,350 --> 00:18:55,919

possessions and poltergeist and that

483

00:18:59,350 --> 00:18:57,360

stuff

484

00:19:01,430 --> 00:18:59,360

there's a connection there with ufos

485

00:19:03,430 --> 00:19:01,440

whether whether or not

486

00:19:04,950 --> 00:19:03,440

whatever intelligence and i'm i'm going

487

00:19:06,630 --> 00:19:04,960

off on a tangent here but whatever

488

00:19:09,350 --> 00:19:06,640

intelligence is responsible for

489

00:19:11,990 --> 00:19:09,360

poltergeist activity connected to ufo

490

00:19:13,510 --> 00:19:12,000

sightings i don't know if that's

491

00:19:15,430 --> 00:19:13,520

we're dealing that's what we're dealing

492

00:19:17,190 --> 00:19:15,440

with as far as all ufo sightings it's

493

00:19:19,830 --> 00:19:17,200

all related to whatever intelligence is

494

00:19:22,230 --> 00:19:19,840

creating the poltergeist activity or

495

00:19:24,870 --> 00:19:22,240

it's something separate that's mimicking

496

00:19:27,110 --> 00:19:24,880

ufo activity maybe it's totally separate

497

00:19:29,909 --> 00:19:27,120

from whatever else is here interacting

498

00:19:32,470 --> 00:19:29,919

with us in this other intelligence or

499

00:19:33,830 --> 00:19:32,480

that people think is demonic or whatever

500

00:19:35,669 --> 00:19:33,840

parasites

501

00:19:38,150 --> 00:19:35,679

which i like better

502

00:19:39,750 --> 00:19:38,160

maybe they're mimicking ufos to trick us

503

00:19:41,029 --> 00:19:39,760

into thinking you know looking you know

504

00:19:42,710 --> 00:19:41,039

deception

505

00:19:44,789 --> 00:19:42,720

misdirection look over there look at the

506

00:19:46,549 --> 00:19:44,799

ufo meanwhile it has nothing to do with

507

00:19:48,070 --> 00:19:46,559

extraterrestrials

508

00:19:49,909 --> 00:19:48,080

so that could just be something separate

509

00:19:52,870 --> 00:19:49,919

or it could all be one thing i don't

510

00:19:55,029 --> 00:19:52,880

know if i had a bet

511

00:19:56,070 --> 00:19:55,039

i would think it's multiple things going

512

00:19:57,270 --> 00:19:56,080

on

513

00:19:58,870 --> 00:19:57,280

you know

514

00:20:01,270 --> 00:19:58,880

the multiverse

515

00:20:03,190 --> 00:20:01,280

i know lou talks about

516

00:20:05,350 --> 00:20:03,200

quantum physics and quantum mechanics

517

00:20:06,870 --> 00:20:05,360

and this guy paul eno who has dealt with

518

00:20:08,789 --> 00:20:06,880

poltergeists and

519

00:20:10,310 --> 00:20:08,799

possessions and ufos he thinks it's

520

00:20:12,310 --> 00:20:10,320

multiverse you know we're dealing with

521

00:20:14,630 --> 00:20:12,320

different just different beings

522

00:20:16,230 --> 00:20:14,640

um in different dimensions just in

523

00:20:17,909 --> 00:20:16,240

entering our world

524

00:20:20,549 --> 00:20:17,919

anyway

525

00:20:21,590 --> 00:20:20,559

back to lou how the hell did i even get

526
00:20:22,870 --> 00:20:21,600
there

527
00:20:25,190 --> 00:20:22,880
um

528
00:20:27,430 --> 00:20:25,200
he goes lou's real concern is that there

529
00:20:29,590 --> 00:20:27,440
are folks who believe that crap that is

530
00:20:31,350 --> 00:20:29,600
being spewed by the haters because they

531
00:20:32,630 --> 00:20:31,360
don't know any better the people who

532
00:20:33,909 --> 00:20:32,640
believe it they don't know any better

533
00:20:35,909 --> 00:20:33,919
they listen to the haters and they're

534
00:20:38,070 --> 00:20:35,919
like oh really lou lou is a

535
00:20:40,149 --> 00:20:38,080
disinformation agent throwing out uh

536
00:20:42,470 --> 00:20:40,159
he's part of a psyop so

537
00:20:44,310 --> 00:20:42,480
uh he lou thinks that's criminal the

538
00:20:46,230 --> 00:20:44,320

people who are spewing that garbage it's

539

00:20:49,430 --> 00:20:46,240

criminal and reckless action

540

00:20:53,830 --> 00:20:51,190

he's here to provide the truth as he

541

00:20:57,430 --> 00:20:53,840

learned it in atip and do it in a legal

542

00:20:59,669 --> 00:20:57,440

way without breaking his security oath

543

00:21:03,909 --> 00:20:59,679

and push the ball forward

544

00:21:07,590 --> 00:21:05,990

he doesn't mention greer by name but he

545

00:21:09,830 --> 00:21:07,600

talks about

546

00:21:12,149 --> 00:21:09,840

going out on the weekend and charging a

547

00:21:15,110 --> 00:21:12,159

lot of money and

548

00:21:17,990 --> 00:21:15,120

dropping flares from a plane and

549

00:21:20,310 --> 00:21:18,000

you know he says you had your chance all

550

00:21:23,830 --> 00:21:20,320

these years you had your chance and you

551

00:21:25,350 --> 00:21:23,840

blew it with your snake oil

552

00:21:27,270 --> 00:21:25,360

and um

553

00:21:29,029 --> 00:21:27,280

i mentioned seventeen hundred dollars to

554

00:21:30,310 --> 00:21:29,039

have the experience he's obviously

555

00:21:31,830 --> 00:21:30,320

there's nobody else that chart i mean

556

00:21:32,710 --> 00:21:31,840

there are other people that charge a lot

557

00:21:34,710 --> 00:21:32,720

of money

558

00:21:36,710 --> 00:21:34,720

but i'm pretty sure he's talking about

559

00:21:38,950 --> 00:21:36,720

uh steven greer there

560

00:21:41,430 --> 00:21:38,960

and he compares their behavior where

561

00:21:43,430 --> 00:21:41,440

they're like my way is the only way

562

00:21:45,110 --> 00:21:43,440

extra sure he doesn't say this but there

563

00:21:47,029 --> 00:21:45,120

are certain people he say that have a a

564

00:21:48,789 --> 00:21:47,039

narrative and one of them is greer where

565

00:21:50,789 --> 00:21:48,799

all extraterrestrials are here to help

566

00:21:53,590 --> 00:21:50,799

us they're our space brothers

567

00:21:55,430 --> 00:21:53,600

and and and people like that don't want

568

00:21:57,590 --> 00:21:55,440

to hear other opinions and he compares

569

00:21:59,669 --> 00:21:57,600

it to he compares that behavior to

570

00:22:01,190 --> 00:21:59,679

dictators which was a to me was a little

571

00:22:03,430 --> 00:22:01,200

bit much but i understand what he's

572

00:22:05,750 --> 00:22:03,440

saying there

573

00:22:07,510 --> 00:22:05,760

so those kind of folks take advantage of

574

00:22:10,230 --> 00:22:07,520

people who desperately want answers and

575

00:22:12,230 --> 00:22:10,240

you see it on twitter

576

00:22:14,789 --> 00:22:12,240

people have experiences there are

577

00:22:17,830 --> 00:22:14,799

experiences and they they come at me and

578

00:22:19,510 --> 00:22:17,840

they say i know what's going on and

579

00:22:21,510 --> 00:22:19,520

i don't i don't react well to that and

580

00:22:23,190 --> 00:22:21,520

it's it's not a good thing on my part

581

00:22:24,230 --> 00:22:23,200

but and people are like you need to

582

00:22:27,029 --> 00:22:24,240

really

583

00:22:29,110 --> 00:22:27,039

understand then i'm like that's just not

584

00:22:30,549 --> 00:22:29,120

me i don't mind them

585

00:22:31,750 --> 00:22:30,559

whatever they want to say on their own

586

00:22:33,510 --> 00:22:31,760

twitter but then they come onto my

587

00:22:34,950 --> 00:22:33,520

twitter and they say stuff like they

588

00:22:36,630 --> 00:22:34,960

know what's going on and it's like i

589

00:22:38,470 --> 00:22:36,640

really feel like i need to take the time

590

00:22:40,149 --> 00:22:38,480

to say listen i don't agree with you i

591

00:22:41,990 --> 00:22:40,159

don't know what's going on you may

592

00:22:44,149 --> 00:22:42,000

that's great i do not know what's going

593

00:22:45,510 --> 00:22:44,159

on so and any none of the people i've

594

00:22:47,750 --> 00:22:45,520

spoken to

595

00:22:49,270 --> 00:22:47,760

have told me they know what's going on

596

00:22:51,590 --> 00:22:49,280

everybody has opinions but right now

597

00:22:53,750 --> 00:22:51,600

that's all it is there may be people who

598

00:22:55,510 --> 00:22:53,760

do have more information i know there

599

00:22:57,110 --> 00:22:55,520

are people that have more data than us

600

00:22:58,710 --> 00:22:57,120

but i don't know if they have the

601
00:22:59,669 --> 00:22:58,720
complete picture i don't think anybody

602
00:23:01,190 --> 00:22:59,679
does

603
00:23:03,990 --> 00:23:01,200
and even if they

604
00:23:06,070 --> 00:23:04,000
in theory met some beings like holloman

605
00:23:07,990 --> 00:23:06,080
supposedly really took place

606
00:23:09,830 --> 00:23:08,000
who knows if those whoever those folks

607
00:23:11,990 --> 00:23:09,840
were that came down and landed if they

608
00:23:13,669 --> 00:23:12,000
told the truth i don't know

609
00:23:14,630 --> 00:23:13,679
um

610
00:23:18,630 --> 00:23:14,640
so

611
00:23:21,430 --> 00:23:18,640
these snake oil salesmen

612
00:23:24,390 --> 00:23:21,440
are criminals themselves

613
00:23:27,029 --> 00:23:24,400

and then he called us uap twitter

614

00:23:28,470 --> 00:23:27,039

we are not uap twitter we are ufo

615

00:23:30,390 --> 00:23:28,480

twitter damn it

616

00:23:31,990 --> 00:23:30,400

um

617

00:23:33,750 --> 00:23:32,000

because those folks that are taking

618

00:23:36,870 --> 00:23:33,760

shots at him they're not in the meetings

619

00:23:39,190 --> 00:23:36,880

in washington dc with senior executives

620

00:23:41,430 --> 00:23:39,200

and senior military folks he just got

621

00:23:43,430 --> 00:23:41,440

back from washington with mellon and it

622

00:23:45,830 --> 00:23:43,440

was one of the most successful visits

623

00:23:48,070 --> 00:23:45,840

we've ever had in washington he said

624

00:23:49,909 --> 00:23:48,080

it's like think about that

625

00:23:51,909 --> 00:23:49,919

these last four years we've had so many

626
00:23:54,950 --> 00:23:51,919
great things happen and now we have the

627
00:23:56,789 --> 00:23:54,960
ndaa that's it's a law now we have the

628
00:23:59,269 --> 00:23:56,799
ufo office and we have language that

629
00:24:01,269 --> 00:23:59,279
talks about human effects

630
00:24:03,430 --> 00:24:01,279
and then the other day was the most

631
00:24:04,950 --> 00:24:03,440
successful visit they've ever had in

632
00:24:06,230 --> 00:24:04,960
washington so that tells you that's

633
00:24:07,750 --> 00:24:06,240
pretty amazing

634
00:24:09,830 --> 00:24:07,760
they're making progress and things are

635
00:24:12,390 --> 00:24:09,840
getting better still i think we're still

636
00:24:13,830 --> 00:24:12,400
in for a long haul um

637
00:24:15,669 --> 00:24:13,840
but

638
00:24:17,830 --> 00:24:15,679

for me it's just great what's happened

639

00:24:20,549 --> 00:24:17,840
since 2017.

640

00:24:21,669 --> 00:24:20,559
then jimmy church says

641

00:24:23,430 --> 00:24:21,679
lou

642

00:24:24,950 --> 00:24:23,440
you called me a couple of weeks ago

643

00:24:27,269 --> 00:24:24,960
right

644

00:24:30,149 --> 00:24:27,279
after your dc visit and you said the

645

00:24:30,830 --> 00:24:30,159
is about to hit the fan

646

00:24:37,029 --> 00:24:30,840
and

647

00:24:39,190 --> 00:24:37,039
senator rubio congressman uh us

648

00:24:41,190 --> 00:24:39,200
congressman berchette

649

00:24:43,590 --> 00:24:41,200
timbershett um they've done more for

650

00:24:45,590 --> 00:24:43,600
this subject and gallego of course and

651
00:24:47,510 --> 00:24:45,600
other folks they've done more for this

652
00:24:49,909 --> 00:24:47,520
subject in the past year than any

653
00:24:51,590 --> 00:24:49,919
lawmaker since senator reid senator

654
00:24:54,630 --> 00:24:51,600
inuae stevenson

655
00:24:56,950 --> 00:24:54,640
stevens and uh and the late and glenn

656
00:24:58,470 --> 00:24:56,960
they're all gone by the way reed anyway

657
00:25:00,630 --> 00:24:58,480
stevens and glenn have all passed away

658
00:25:03,430 --> 00:25:00,640
which is sad but those guys are going to

659
00:25:05,909 --> 00:25:03,440
go down in history books one day

660
00:25:07,990 --> 00:25:05,919
they helped push for the awsap program

661
00:25:09,990 --> 00:25:08,000
and made it happen

662
00:25:12,230 --> 00:25:10,000
a lot of people don't mention glenn i'm

663
00:25:14,070 --> 00:25:12,240

glad lou mentioned glenn george knapp is

664

00:25:15,830 --> 00:25:14,080

the first that reported that glenn was

665

00:25:18,149 --> 00:25:15,840

actively involved in this had an

666

00:25:20,230 --> 00:25:18,159

interest in ufos

667

00:25:22,149 --> 00:25:20,240

so lou says the staff members for all

668

00:25:24,789 --> 00:25:22,159

those people are doing the trench work

669

00:25:26,470 --> 00:25:24,799

and making the magic happen behind the

670

00:25:28,870 --> 00:25:26,480

scenes

671

00:25:30,870 --> 00:25:28,880

kudos to their staff

672

00:25:32,789 --> 00:25:30,880

i'm not sure if lu said that or me

673

00:25:34,149 --> 00:25:32,799

probably both of us

674

00:25:36,630 --> 00:25:34,159

so

675

00:25:42,149 --> 00:25:36,640

i'll take a pause to see

676

00:25:42,159 --> 00:25:47,669

um

677

00:25:47,679 --> 00:25:52,070

let's see does that pull up

678

00:25:55,669 --> 00:25:54,230

jimmy it's just amazing

679

00:25:56,950 --> 00:25:55,679

you know people get mad at me for

680

00:25:59,190 --> 00:25:56,960

bringing that up

681

00:26:01,909 --> 00:25:59,200

michael it's like

682

00:26:04,310 --> 00:26:01,919

he did it for so long he was so

683

00:26:06,630 --> 00:26:04,320

critical of lou and it was not it was a

684

00:26:08,789 --> 00:26:06,640

means in a mean-spirited way

685

00:26:11,029 --> 00:26:08,799

you're you know you know

686

00:26:13,990 --> 00:26:11,039

he doesn't know what he's talking about

687

00:26:16,149 --> 00:26:14,000

lou knows nothing you can mark it down

688

00:26:19,830 --> 00:26:16,159

right now he knows nothing it was just

689

00:26:22,310 --> 00:26:19,840

so pompous and so arrogant and so wrong

690

00:26:24,470 --> 00:26:22,320

um not that i think lou knows everything

691

00:26:26,549 --> 00:26:24,480

but it's like he was saying that lou

692

00:26:27,430 --> 00:26:26,559

knows nothing more than any of us it was

693

00:26:29,669 --> 00:26:27,440

just

694

00:26:32,789 --> 00:26:29,679

oh and it doesn't bother me that lou

695

00:26:34,070 --> 00:26:32,799

goes on a show yeah it does but whatever

696

00:26:35,909 --> 00:26:34,080

obviously

697

00:26:37,750 --> 00:26:35,919

this is more important than any beef i

698

00:26:39,350 --> 00:26:37,760

have with jimmy church i took my time

699

00:26:40,789 --> 00:26:39,360

last night to do it all

700

00:26:42,630 --> 00:26:40,799

and transcribe

701

00:26:44,310 --> 00:26:42,640

that's not even a transcription that's

702

00:26:46,070 --> 00:26:44,320

some of it's transcribed but it's it's

703

00:26:49,830 --> 00:26:46,080

quick what i'm doing because i'm trying

704

00:26:51,430 --> 00:26:49,840

to keep up on pausing it but you know um

705

00:26:52,390 --> 00:26:51,440

anyway it's important it's too important

706

00:26:53,830 --> 00:26:52,400

to even

707

00:26:56,549 --> 00:26:53,840

worry about

708

00:26:57,990 --> 00:26:56,559

the past but yeah it's really odd

709

00:26:59,669 --> 00:26:58,000

to see the well it's not that odd i

710

00:27:01,750 --> 00:26:59,679

think jimmy realized if he flipped it

711

00:27:03,510 --> 00:27:01,760

would be great for him and ratings and

712

00:27:05,510 --> 00:27:03,520

his fans would eventually come around

713

00:27:07,590 --> 00:27:05,520

you know they'd forget about david

714

00:27:09,430 --> 00:27:07,600

wilcock and

715

00:27:11,510 --> 00:27:09,440

corey goode and

716

00:27:13,430 --> 00:27:11,520

emery smith you know those folks he gave

717

00:27:15,029 --> 00:27:13,440

so much time to and now you know now

718

00:27:16,870 --> 00:27:15,039

lose his best buddy

719

00:27:18,389 --> 00:27:16,880

lou i'll give you a call tomorrow i mean

720

00:27:19,909 --> 00:27:18,399

he kept saying that it's like all right

721

00:27:21,510 --> 00:27:19,919

we know you speak to him you don't need

722

00:27:24,310 --> 00:27:21,520

to tell us over and over you're going to

723

00:27:26,630 --> 00:27:24,320

talk to him tomorrow on the phone my god

724

00:27:28,710 --> 00:27:26,640

it's like when he went

725

00:27:30,630 --> 00:27:28,720

this is off subject but when i went down

726

00:27:32,070 --> 00:27:30,640

to a

727

00:27:34,710 --> 00:27:32,080

ufo

728

00:27:35,430 --> 00:27:34,720

megacon in laughlin the chimney church

729

00:27:37,190 --> 00:27:35,440

was

730

00:27:38,950 --> 00:27:37,200

i think he

731

00:27:40,630 --> 00:27:38,960

he paid the tip

732

00:27:41,909 --> 00:27:40,640

you know we all ate dinner we were it

733

00:27:43,990 --> 00:27:41,919

was like drinks and everything and he

734

00:27:46,470 --> 00:27:44,000

was just saying so loud

735

00:27:48,549 --> 00:27:46,480

is it is it good that i tipped 30

736

00:27:50,789 --> 00:27:48,559

percent everybody is that a good tip

737

00:27:55,350 --> 00:27:50,799

it's like why are you telling everybody

738

00:27:57,430 --> 00:27:55,360

this it's like oh my god shut up anyway

739

00:27:59,110 --> 00:27:57,440

he does a good interview and this topic

740

00:28:01,750 --> 00:27:59,120

is too important so

741

00:28:03,510 --> 00:28:01,760

anyway let me let me get back to this

742

00:28:05,190 --> 00:28:03,520

and yeah as far as people people who

743

00:28:06,950 --> 00:28:05,200

have answers

744

00:28:07,990 --> 00:28:06,960

it doesn't make me suspicious it makes

745

00:28:10,310 --> 00:28:08,000

me turn

746

00:28:12,389 --> 00:28:10,320

inward it makes me just like shut down

747

00:28:14,389 --> 00:28:12,399

and like

748

00:28:16,310 --> 00:28:14,399

nobody knows maybe you're right maybe

749

00:28:17,909 --> 00:28:16,320

some of what you're saying is right but

750

00:28:19,750 --> 00:28:17,919

you know i have an experience i have

751

00:28:22,710 --> 00:28:19,760

experience with so many channeled books

752

00:28:24,710 --> 00:28:22,720

that claimed to know the truth

753

00:28:26,310 --> 00:28:24,720

um

754

00:28:27,830 --> 00:28:26,320

they're not all right maybe little piece

755

00:28:29,269 --> 00:28:27,840

bits and pieces come out to be right for

756

00:28:34,230 --> 00:28:29,279

the most part it turns out to be not

757

00:28:34,240 --> 00:28:36,710

anyway

758

00:28:36,720 --> 00:28:39,350

so

759

00:28:44,710 --> 00:28:41,590

that was weird

760

00:28:46,389 --> 00:28:44,720

lou says intel and defense communities

761

00:28:47,830 --> 00:28:46,399

the intelligence and defense community

762

00:28:50,070 --> 00:28:47,840

communities are taking this very very

763

00:28:52,470 --> 00:28:50,080

seriously committing resources

764

00:28:54,950 --> 00:28:52,480

time and talent and effort

765

00:28:57,110 --> 00:28:54,960

even the under the office of the under

766

00:28:58,870 --> 00:28:57,120

secretary of defense

767

00:29:01,029 --> 00:28:58,880

for intelligence

768

00:29:02,070 --> 00:29:01,039

i think they've added an s and security

769

00:29:04,070 --> 00:29:02,080

now

770

00:29:06,389 --> 00:29:04,080

that was his arch nemesis the office he

771

00:29:08,710 --> 00:29:06,399

came from and they were really not happy

772

00:29:10,389 --> 00:29:08,720

with this and he was so worried they

773

00:29:12,789 --> 00:29:10,399

were going to try to overtake this and

774

00:29:14,710 --> 00:29:12,799

really shut this down he goes even that

775

00:29:17,830 --> 00:29:14,720

office seems to be trying to work on

776

00:29:19,750 --> 00:29:17,840

this topic in an amicable amicable

777

00:29:21,830 --> 00:29:19,760

amicable way

778

00:29:23,909 --> 00:29:21,840

if you remember on twitter i was like

779

00:29:27,110 --> 00:29:23,919

people were so worried about

780

00:29:29,110 --> 00:29:27,120

the aoi msg office and the usdi and i

781

00:29:30,950 --> 00:29:29,120

was like

782

00:29:33,350 --> 00:29:30,960

i think you're i think we just need to

783

00:29:36,630 --> 00:29:33,360

and this was right after the the

784

00:29:38,549 --> 00:29:36,640

the ndaa had passed and i was like just

785

00:29:41,269 --> 00:29:38,559

let things calm down

786

00:29:43,909 --> 00:29:41,279

don't be worried about it yet let's just

787

00:29:45,669 --> 00:29:43,919

see what happens and according to lou

788

00:29:47,269 --> 00:29:45,679

they're starting to come around doesn't

789

00:29:49,029 --> 00:29:47,279

mean we're having smooth sailing because

790

00:29:50,630 --> 00:29:49,039

there are still people

791

00:29:52,470 --> 00:29:50,640

that don't want us to have this to

792

00:29:54,470 --> 00:29:52,480

happen but it's i have no doubt it's

793

00:29:57,669 --> 00:29:54,480

going to happen it just they may slow

794

00:29:58,789 --> 00:29:57,679

things down a little bit um

795

00:30:00,470 --> 00:29:58,799

but

796

00:30:06,389 --> 00:30:00,480

it's gonna happen so just if you're

797

00:30:10,630 --> 00:30:08,630

um yeah he said there's gonna be some

798

00:30:13,269 --> 00:30:10,640

problems that pop up but

799

00:30:15,029 --> 00:30:13,279

that office they they realized that we

800

00:30:15,909 --> 00:30:15,039

need to take this seriously because if

801
00:30:18,070 --> 00:30:15,919
not

802
00:30:20,310 --> 00:30:18,080
congress will be up their asses if they

803
00:30:22,630 --> 00:30:20,320
don't and as you see senator gillibrand

804
00:30:24,230 --> 00:30:22,640
is on top of it if she and the others do

805
00:30:26,549 --> 00:30:24,240
that i don't think we have anything to

806
00:30:27,990 --> 00:30:26,559
worry about because

807
00:30:30,310 --> 00:30:28,000
later on you'll see i pull up a quote

808
00:30:31,750 --> 00:30:30,320
from semiband where he was on coast to

809
00:30:33,590 --> 00:30:31,760
coast and he said

810
00:30:35,669 --> 00:30:33,600
there are a lot of representatives in

811
00:30:38,710 --> 00:30:35,679
congress and the senate senators and

812
00:30:40,870 --> 00:30:38,720
congressmen congress folks who

813
00:30:43,190 --> 00:30:40,880

are so upset that

814

00:30:44,310 --> 00:30:43,200

they're just being told about this issue

815

00:30:47,110 --> 00:30:44,320

now

816

00:30:49,110 --> 00:30:47,120

imagine being shown a video where an

817

00:30:51,909 --> 00:30:49,120

object is making 90 degree 90 degree

818

00:30:53,669 --> 00:30:51,919

turns and you ask well how long has this

819

00:30:56,870 --> 00:30:53,679

been going on

820

00:30:58,549 --> 00:30:56,880

well 1945 we think but you know it just

821

00:31:00,870 --> 00:30:58,559

took us 75 years to get you the

822

00:31:02,950 --> 00:31:00,880

information sorry

823

00:31:04,389 --> 00:31:02,960

obviously there was stuff that happened

824

00:31:05,909 --> 00:31:04,399

along the way but still this has been

825

00:31:08,310 --> 00:31:05,919

going on for a long time and they should

826

00:31:11,990 --> 00:31:08,320

have all been up to date they haven't

827

00:31:14,070 --> 00:31:12,000

they're pissed that's good for us

828

00:31:16,710 --> 00:31:14,080

so lou says

829

00:31:19,029 --> 00:31:16,720

ufo events are happening every day like

830

00:31:21,029 --> 00:31:19,039

last week and the week before

831

00:31:22,630 --> 00:31:21,039

multiple multiple events and it's not

832

00:31:24,870 --> 00:31:22,640

just a navy

833

00:31:26,389 --> 00:31:24,880

uh he won't say i mean church says you

834

00:31:28,310 --> 00:31:26,399

mean the air force too and lou's like i

835

00:31:30,789 --> 00:31:28,320

don't want to say but it's i think it's

836

00:31:33,190 --> 00:31:30,799

going on with every every branch of the

837

00:31:35,110 --> 00:31:33,200

service um pilots are frustrated because

838

00:31:37,509 --> 00:31:35,120

they're seeing this at the very least

839

00:31:38,710 --> 00:31:37,519

it's a flight safety issue

840

00:31:40,230 --> 00:31:38,720

and um

841

00:31:42,310 --> 00:31:40,240

lou says that christopher mellon's

842

00:31:45,669 --> 00:31:42,320

letter in the debrief

843

00:31:48,389 --> 00:31:45,679

which i should do a video just on that

844

00:31:50,310 --> 00:31:48,399

because it deals with the air force

845

00:31:53,190 --> 00:31:50,320

and how

846

00:31:55,750 --> 00:31:53,200

unhelpful they've been with this issue

847

00:31:57,430 --> 00:31:55,760

it's focused on the air force air force

848

00:31:59,590 --> 00:31:57,440

and luce has that letter made it up to

849

00:32:01,269 --> 00:31:59,600

some of the highest levels levels of our

850

00:32:03,590 --> 00:32:01,279

government

851
00:32:06,310 --> 00:32:03,600
and he says some recent events events

852
00:32:07,750 --> 00:32:06,320
are like tic-tac-like events

853
00:32:09,190 --> 00:32:07,760
and some other types but he won't

854
00:32:10,789 --> 00:32:09,200
elaborate

855
00:32:15,509 --> 00:32:10,799
and we just know that these objects have

856
00:32:18,870 --> 00:32:17,110
and he reminds us that

857
00:32:20,389 --> 00:32:18,880
you know the future reports that are in

858
00:32:22,470 --> 00:32:20,399
the ndaa

859
00:32:23,430 --> 00:32:22,480
the ufo language uh the gillibrand

860
00:32:24,710 --> 00:32:23,440
amendment

861
00:32:26,149 --> 00:32:24,720
requires

862
00:32:27,990 --> 00:32:26,159
a few you know some of that to be

863
00:32:29,909 --> 00:32:28,000

unclassified so we should get some new

864

00:32:31,590 --> 00:32:29,919

information this year but

865

00:32:34,230 --> 00:32:31,600

you know after the last one it wasn't

866

00:32:38,870 --> 00:32:34,240

blockbuster maybe this one would will be

867

00:32:43,029 --> 00:32:40,710

he said but he says the new system of

868

00:32:44,549 --> 00:32:43,039

reporting is working

869

00:32:46,310 --> 00:32:44,559

encouraging people to report their

870

00:32:48,950 --> 00:32:46,320

sightings

871

00:32:51,909 --> 00:32:48,960

and he praises uh

872

00:32:54,710 --> 00:32:51,919

bni head of the ni

873

00:32:57,269 --> 00:32:54,720

department of national intelligence

874

00:32:59,430 --> 00:32:57,279

avril haynes and senator bill nelson the

875

00:33:01,509 --> 00:32:59,440

head of nasa

876

00:33:03,350 --> 00:33:01,519

he says folks and services and agencies

877

00:33:05,669 --> 00:33:03,360

are all having conversations about the

878

00:33:08,230 --> 00:33:05,679

same thing ufos

879

00:33:09,830 --> 00:33:08,240

he goes what a difference 40 years ago

880

00:33:11,669 --> 00:33:09,840

yeah nobody as far as we know it's a

881

00:33:13,909 --> 00:33:11,679

handful of people now it's becoming more

882

00:33:15,590 --> 00:33:13,919

and more it's picking up momentum

883

00:33:17,909 --> 00:33:15,600

you know it sucks that we have everyday

884

00:33:20,149 --> 00:33:17,919

life to deal with with covet and

885

00:33:22,470 --> 00:33:20,159

you know threats of invading ukraine and

886

00:33:24,870 --> 00:33:22,480

you know all you know inflation and all

887

00:33:27,190 --> 00:33:24,880

that stuff but because

888

00:33:28,870 --> 00:33:27,200

this is possibly an existential issue

889

00:33:30,549 --> 00:33:28,880

for the human race

890

00:33:32,230 --> 00:33:30,559

something that will affect us all but we

891

00:33:34,149 --> 00:33:32,240

have to live our lives too so we all

892

00:33:35,509 --> 00:33:34,159

have to pay our bills you know

893

00:33:37,190 --> 00:33:35,519

it's hard for me to get my family

894

00:33:38,470 --> 00:33:37,200

involved and friends because i think

895

00:33:40,310 --> 00:33:38,480

they're just

896

00:33:41,830 --> 00:33:40,320

worried about their lives you would

897

00:33:44,389 --> 00:33:41,840

think they would at least chime in on a

898

00:33:45,669 --> 00:33:44,399

facebook post of mine where i posted the

899

00:33:48,710 --> 00:33:45,679

gillibrand

900

00:33:50,630 --> 00:33:48,720

question and answer but no it's like

901
00:33:52,470 --> 00:33:50,640
they don't either they don't care or

902
00:33:55,269 --> 00:33:52,480
they're afraid or

903
00:33:57,190 --> 00:33:55,279
i don't know what it is

904
00:33:59,190 --> 00:33:57,200
and then church says we need a ufo czar

905
00:34:01,110 --> 00:33:59,200
is that you and luke says i'm not going

906
00:34:03,590 --> 00:34:01,120
to speak about me he goes

907
00:34:06,470 --> 00:34:03,600
he goes there's a lot lots he can do on

908
00:34:08,230 --> 00:34:06,480
the outside and the inside

909
00:34:10,629 --> 00:34:08,240
i think he said

910
00:34:12,790 --> 00:34:10,639
he can yeah he goes a tip accomplished a

911
00:34:14,310 --> 00:34:12,800
lot but some would argue some would

912
00:34:16,550 --> 00:34:14,320
argue that lou was able to accomplish

913
00:34:18,230 --> 00:34:16,560

more on the outside he said he thinks

914

00:34:20,710 --> 00:34:18,240

it's the he's the most useful for the

915

00:34:22,710 --> 00:34:20,720

cause in his current role as facilitator

916

00:34:28,470 --> 00:34:22,720

hey if it's getting things done keep him

917

00:34:33,750 --> 00:34:31,349

he thinks lou does think a ufo czar will

918

00:34:34,950 --> 00:34:33,760

be named

919

00:34:38,389 --> 00:34:34,960

and his name

920

00:34:40,710 --> 00:34:38,399

is david wilcock no kidding

921

00:34:44,149 --> 00:34:40,720

still some bureaucratic challenges and

922

00:34:45,270 --> 00:34:44,159

some folks need to retire

923

00:35:02,390 --> 00:34:45,280

i

924

00:35:04,310 --> 00:35:02,400

what's the word

925

00:35:06,710 --> 00:35:04,320

unbiased so

926

00:35:08,870 --> 00:35:06,720

because i have a tendency

927

00:35:10,310 --> 00:35:08,880

when i start talking to people

928

00:35:12,230 --> 00:35:10,320

and i become friends with them like eric

929

00:35:13,750 --> 00:35:12,240

davis i became friends with them but i'm

930

00:35:14,790 --> 00:35:13,760

still able so it's like you don't want

931

00:35:16,550 --> 00:35:14,800

to you want to keep your distance

932

00:35:17,829 --> 00:35:16,560

because you want to be unbiased

933

00:35:19,349 --> 00:35:17,839

but just because i'm friends with him it

934

00:35:21,589 --> 00:35:19,359

doesn't mean i agree with everything he

935

00:35:24,230 --> 00:35:21,599

says so so i should have reached out to

936

00:35:25,430 --> 00:35:24,240

lou a long time ago so i will make sure

937

00:35:27,829 --> 00:35:25,440

i'm definitely going to bring up the air

938

00:35:29,190 --> 00:35:27,839

force um

939

00:35:31,990 --> 00:35:29,200

and how

940

00:35:33,990 --> 00:35:32,000

i heard that it's still a big problem

941

00:35:36,550 --> 00:35:34,000

you know their academy is located in a

942

00:35:39,430 --> 00:35:36,560

part of colorado where it's evangelical

943

00:35:41,270 --> 00:35:39,440

churches are everywhere and it's just

944

00:35:43,270 --> 00:35:41,280

that's not the only issue why this stuff

945

00:35:44,710 --> 00:35:43,280

is secret it's a big issue though

946

00:35:46,470 --> 00:35:44,720

because they think it's demonic and if

947

00:35:49,589 --> 00:35:46,480

we study it we're opening up that door

948

00:35:52,069 --> 00:35:49,599

and we're giving them strength so i mean

949

00:35:53,349 --> 00:35:52,079

they think they're saving the world

950

00:35:56,230 --> 00:35:53,359

these folks

951

00:35:57,829 --> 00:35:56,240

with their beliefs systems

952

00:35:59,190 --> 00:35:57,839

i'm fine with the belief system i'm not

953

00:36:02,630 --> 00:35:59,200

fine with telling us what we should and

954

00:36:05,910 --> 00:36:02,640

shouldn't do we need to study this

955

00:36:09,109 --> 00:36:07,349

you always have to leave that leave that

956

00:36:10,630 --> 00:36:09,119

door open but we're we're too

957

00:36:12,470 --> 00:36:10,640

inquisitive we want to know we want to

958

00:36:14,150 --> 00:36:12,480

figure out what the hell is going on

959

00:36:15,829 --> 00:36:14,160

um

960

00:36:16,790 --> 00:36:15,839

i don't think they're right

961

00:36:18,950 --> 00:36:16,800

but

962

00:36:20,870 --> 00:36:18,960

you know

963

00:36:23,510 --> 00:36:20,880

we could talk about that on another

964

00:36:25,430 --> 00:36:23,520

video about skinwalker ranch and how

965

00:36:27,589 --> 00:36:25,440

this intelligence whatever it is seems

966

00:36:29,589 --> 00:36:27,599

to thrive on

967

00:36:31,109 --> 00:36:29,599

the more people who visit it it attaches

968

00:36:35,109 --> 00:36:31,119

to them and then it travels elsewhere

969

00:36:37,030 --> 00:36:35,119

and it spreads like a virus so who knows

970

00:36:39,109 --> 00:36:37,040

i do have my mind open to some negative

971

00:36:43,270 --> 00:36:39,119

possibilities

972

00:36:46,950 --> 00:36:44,870

so anyway yeah lou says those people

973

00:36:48,470 --> 00:36:46,960

need to retire already you know they're

974

00:36:50,630 --> 00:36:48,480

causing the problems

975

00:36:53,270 --> 00:36:50,640

but he has faith and confidence that

976

00:36:55,109 --> 00:36:53,280

those folks will be part of

977

00:36:59,030 --> 00:36:55,119

this lou has faith in confidence that

978

00:37:03,910 --> 00:37:02,150

will not be part of the final format

979

00:37:05,349 --> 00:37:03,920

they will not be in the loop that's a

980

00:37:07,190 --> 00:37:05,359

typo on my part

981

00:37:09,430 --> 00:37:07,200

and then jimmy church says did you and

982

00:37:11,510 --> 00:37:09,440

melon assist gillibrand with the text of

983

00:37:13,670 --> 00:37:11,520

her amendment because everybody's like

984

00:37:16,310 --> 00:37:13,680

this smells of christopher mellon and

985

00:37:18,790 --> 00:37:16,320

lou you know they they had to have

986

00:37:21,430 --> 00:37:18,800

spoken to the staffers and said

987

00:37:23,430 --> 00:37:21,440

this is what you should focus on um

988

00:37:25,270 --> 00:37:23,440

and lou's like listen she's senator

989

00:37:28,230 --> 00:37:25,280

gillibrand is no dummy look up where she

990

00:37:30,470 --> 00:37:28,240

went to law school she's really smart he

991

00:37:32,069 --> 00:37:30,480

goes but her staff is amazing

992

00:37:34,390 --> 00:37:32,079

he's lou won't answer whether or not

993

00:37:36,390 --> 00:37:34,400

they helped he goes but but he and

994

00:37:37,990 --> 00:37:36,400

christopher mellon have always been to

995

00:37:39,030 --> 00:37:38,000

always been there to answer questions

996

00:37:41,270 --> 00:37:39,040

and help

997

00:37:43,270 --> 00:37:41,280

whenever they can and senator julibrand

998

00:37:45,349 --> 00:37:43,280

is a very quick learner

999

00:37:47,190 --> 00:37:45,359

he was like we've got one shot to do

1000

00:37:49,910 --> 00:37:47,200

this and we we got to do it right so

1001
00:37:51,349 --> 00:37:49,920
let's do it correctly and take our time

1002
00:37:53,030 --> 00:37:51,359
and he says christopher mellon's one of

1003
00:37:54,310 --> 00:37:53,040
the smartest individual individuals he's

1004
00:37:56,630 --> 00:37:54,320
ever met

1005
00:37:58,710 --> 00:37:56,640
he's playing 3d chess and we're playing

1006
00:38:00,310 --> 00:37:58,720
and i'm playing four square

1007
00:38:01,990 --> 00:38:00,320
i think he means that doesn't mean tic

1008
00:38:03,750 --> 00:38:02,000
tac toe four square i don't know what

1009
00:38:06,230 --> 00:38:03,760
foursquare is um

1010
00:38:08,310 --> 00:38:06,240
he's truly one of those rare masters you

1011
00:38:11,109 --> 00:38:08,320
get once a century and then somebody

1012
00:38:13,670 --> 00:38:11,119
says does lou prefer home depot or

1013
00:38:16,870 --> 00:38:14,550

and

1014

00:38:18,630 --> 00:38:16,880

lugo's home depot because he spends so

1015

00:38:20,870 --> 00:38:18,640

much money there and he goes he'll

1016

00:38:22,710 --> 00:38:20,880

probably er erect the statue of him in

1017

00:38:24,150 --> 00:38:22,720

front of the store because he goes there

1018

00:38:26,069 --> 00:38:24,160

so much

1019

00:38:27,589 --> 00:38:26,079

he does his own carpentry and plumbing

1020

00:38:30,230 --> 00:38:27,599

because he's too cheap to hire somebody

1021

00:38:32,150 --> 00:38:30,240

else now since he's done that his wife

1022

00:38:33,750 --> 00:38:32,160

you know she always asks him to fix

1023

00:38:35,430 --> 00:38:33,760

things and he's helping neighbors fix

1024

00:38:37,670 --> 00:38:35,440

their problems and

1025

00:38:39,270 --> 00:38:37,680

he says he has all the home depot aisles

1026

00:38:42,310 --> 00:38:39,280

memorized

1027

00:38:44,710 --> 00:38:42,320

if i could pull up pull up before i

1028

00:38:46,950 --> 00:38:44,720

before we go off the air somebody

1029

00:38:49,190 --> 00:38:46,960

somebody made a uh

1030

00:38:51,750 --> 00:38:49,200

tweeted out a picture of home depot and

1031

00:38:54,230 --> 00:38:51,760

there's a golden statue of blue and they

1032

00:38:58,829 --> 00:38:54,240

tagged home depot say come on home depot

1033

00:39:02,550 --> 00:39:01,589

so here we go so

1034

00:39:04,950 --> 00:39:02,560

church

1035

00:39:06,470 --> 00:39:04,960

trying to show he's not biased some

1036

00:39:09,190 --> 00:39:06,480

trust lou

1037

00:39:10,390 --> 00:39:09,200

some are on the fence and some don't

1038

00:39:16,150 --> 00:39:10,400

trust you

1039

00:39:18,550 --> 00:39:16,160
disinformation special agent

1040

00:39:20,069 --> 00:39:18,560
and lou goes first off

1041

00:39:22,470 --> 00:39:20,079
counterintelligent isn't a

1042

00:39:24,230 --> 00:39:22,480
disinformation special agent i was so

1043

00:39:26,470 --> 00:39:24,240
glad he spoke up

1044

00:39:28,470 --> 00:39:26,480
the stupid crap that that he and other

1045

00:39:30,150 --> 00:39:28,480
people spew he goes that's the work of

1046

00:39:33,349 --> 00:39:30,160
psyops

1047

00:39:35,270 --> 00:39:33,359
and then jimmy tries to backtrack

1048

00:39:37,109 --> 00:39:35,280
but lou says your description of my job

1049

00:39:38,790 --> 00:39:37,119
was incorrect

1050

00:39:41,030 --> 00:39:38,800
and lou says my job was to capture

1051
00:39:43,750 --> 00:39:41,040
terrorists and spies whether you trust

1052
00:39:45,430 --> 00:39:43,760
me or not is not up to you is up to you

1053
00:39:46,950 --> 00:39:45,440
do your homework if you don't like what

1054
00:39:48,069 --> 00:39:46,960
i'm doing don't listen to what i have to

1055
00:39:50,550 --> 00:39:48,079
say

1056
00:39:53,750 --> 00:39:50,560
the last four years of progress speaks

1057
00:39:57,270 --> 00:39:54,950
then

1058
00:39:59,750 --> 00:39:57,280
luke takes another shot at greer without

1059
00:40:01,349 --> 00:39:59,760
naming him

1060
00:40:02,870 --> 00:40:01,359
mentions the seventeen hundred dollars

1061
00:40:04,230 --> 00:40:02,880
and he says look at my track record and

1062
00:40:06,069 --> 00:40:04,240
judge me on that

1063
00:40:08,150 --> 00:40:06,079

did i deliver on what i said i was going

1064

00:40:09,510 --> 00:40:08,160

to deliver on you know that's it if you

1065

00:40:11,589 --> 00:40:09,520

don't want to trust me

1066

00:40:14,150 --> 00:40:11,599

for other reasons that's up that's fine

1067

00:40:16,470 --> 00:40:14,160

i don't care

1068

00:40:18,550 --> 00:40:16,480

it's the only ones he wants nothing to

1069

00:40:20,550 --> 00:40:18,560

do with or fraudsters he's he's fine

1070

00:40:22,630 --> 00:40:20,560

with opposing viewpoints he doesn't want

1071

00:40:24,790 --> 00:40:22,640

to deal with fraudsters and hoesters

1072

00:40:26,470 --> 00:40:24,800

they're not welcome he hopes they don't

1073

00:40:27,589 --> 00:40:26,480

he helps those folks don't trust him and

1074

00:40:44,390 --> 00:40:27,599

stay away

1075

00:40:49,430 --> 00:40:46,550

and then church says

1076

00:40:52,790 --> 00:40:49,440

he brings up these metal samples

1077

00:40:54,150 --> 00:40:52,800

that lou had when he was at ttsa

1078

00:40:55,910 --> 00:40:54,160

he says you guys picked him up from

1079

00:40:58,069 --> 00:40:55,920

larry and benny somebody gave and he

1080

00:40:59,190 --> 00:40:58,079

said their names

1081

00:41:01,990 --> 00:40:59,200

i'm not sure if i heard their names

1082

00:41:03,510 --> 00:41:02,000

before somebody sent it to me today

1083

00:41:05,510 --> 00:41:03,520

two guys that had samples and they gave

1084

00:41:08,309 --> 00:41:05,520

him the ttsa and

1085

00:41:10,550 --> 00:41:08,319

lou says they have very riveting stories

1086

00:41:12,550 --> 00:41:10,560

it's up to them to tell him though

1087

00:41:14,710 --> 00:41:12,560

he won't say he says when this is

1088

00:41:17,109 --> 00:41:14,720

something we didn't know

1089

00:41:19,510 --> 00:41:17,119

when lou left tsa

1090

00:41:21,750 --> 00:41:19,520

the crota agreement that they have with

1091

00:41:24,550 --> 00:41:21,760

the army where the army gets to test

1092

00:41:26,950 --> 00:41:24,560

these materials and tsa did not have to

1093

00:41:29,510 --> 00:41:26,960

pay for it that was the exchange

1094

00:41:31,910 --> 00:41:29,520

um he goes the agreement went with him

1095

00:41:35,510 --> 00:41:31,920

lou so because lou was the signatory on

1096

00:41:36,710 --> 00:41:35,520

it i didn't know that um

1097

00:41:38,790 --> 00:41:36,720

because he doesn't want to speak for

1098

00:41:40,470 --> 00:41:38,800

larry and benny that the folks who gave

1099

00:41:41,910 --> 00:41:40,480

him some materials to check out he goes

1100

00:41:43,109 --> 00:41:41,920

but there's definitely still interest in

1101

00:41:44,870 --> 00:41:43,119

that material

1102

00:41:46,870 --> 00:41:44,880

i'm not sure if that's part of the army

1103

00:41:48,710 --> 00:41:46,880

investigation or

1104

00:41:50,390 --> 00:41:48,720

crota agreement where they're looking at

1105

00:41:52,470 --> 00:41:50,400

their material

1106

00:41:53,990 --> 00:41:52,480

but he says preliminary study has begun

1107

00:41:56,230 --> 00:41:54,000

on their material and it's up to those

1108

00:41:57,589 --> 00:41:56,240

guys to say what they want to say

1109

00:41:59,430 --> 00:41:57,599

it's too early to tell about the

1110

00:42:01,670 --> 00:41:59,440

materials but it deserves further

1111

00:42:03,430 --> 00:42:01,680

analysis and it's interesting we need

1112

00:42:05,430 --> 00:42:03,440

the right studies to be done

1113

00:42:06,710 --> 00:42:05,440

you know why it was so important because

1114

00:42:08,150 --> 00:42:06,720

i know it sucked that the army got

1115

00:42:09,430 --> 00:42:08,160

involved i didn't want the military to

1116

00:42:11,030 --> 00:42:09,440

get involved or the government to get

1117

00:42:13,109 --> 00:42:11,040

involved because you know if all of a

1118

00:42:15,510 --> 00:42:13,119

sudden they discover anti-gravity just

1119

00:42:17,109 --> 00:42:15,520

for the hell of it for argument's sake

1120

00:42:18,390 --> 00:42:17,119

there's no way they're letting us

1121

00:42:20,309 --> 00:42:18,400

there's no way they're like oh by the

1122

00:42:22,069 --> 00:42:20,319

way we did we discovered anti-gravity

1123

00:42:24,710 --> 00:42:22,079

let's tell the world

1124

00:42:27,670 --> 00:42:24,720

i just couldn't see that happening but

1125

00:42:29,510 --> 00:42:27,680

ttsa was was having fun you know

1126

00:42:31,270 --> 00:42:29,520

financial issues

1127

00:42:33,990 --> 00:42:31,280

you know they didn't get to do what they

1128

00:42:36,390 --> 00:42:34,000

wanted to do that was a big problem

1129

00:42:38,550 --> 00:42:36,400

whether it was paying lu paying mellon

1130

00:42:40,390 --> 00:42:38,560

paying people paying for studies of

1131

00:42:42,309 --> 00:42:40,400

medals whatever

1132

00:42:44,550 --> 00:42:42,319

that was a problem so

1133

00:42:45,990 --> 00:42:44,560

the army was the solution

1134

00:42:48,150 --> 00:42:46,000

wasn't the best solution but that's

1135

00:42:50,710 --> 00:42:48,160

where they went um

1136

00:42:52,390 --> 00:42:50,720

and lou says make sure you know that

1137

00:42:54,550 --> 00:42:52,400

those two names

1138

00:42:56,069 --> 00:42:54,560

larry and benny he did not give them to

1139

00:42:58,390 --> 00:42:56,079

jimmy church jimmy church came up with

1140

00:42:59,670 --> 00:42:58,400

him on his own wasn't that because

1141

00:43:01,589 --> 00:42:59,680

i guess there was an agreement lou

1142

00:43:03,270 --> 00:43:01,599

wasn't going to speak speak about them

1143

00:43:05,109 --> 00:43:03,280

and he said i didn't tell you just tell

1144

00:43:07,349 --> 00:43:05,119

everybody i didn't tell you that those

1145

00:43:08,550 --> 00:43:07,359

names and the book lou's book says it's

1146

00:43:12,950 --> 00:43:08,560

coming

1147

00:43:13,990 --> 00:43:12,960

easy and it takes a lot of time

1148

00:43:16,230 --> 00:43:14,000

you know you can't just put your

1149

00:43:17,829 --> 00:43:16,240

thoughts on paper you need to back it up

1150

00:43:18,630 --> 00:43:17,839

and he wants people to read the book and

1151

00:43:20,710 --> 00:43:18,640

say

1152

00:43:22,150 --> 00:43:20,720

it was a moment in time that changed the

1153

00:43:24,710 --> 00:43:22,160

conversation

1154

00:43:26,870 --> 00:43:24,720

it put out info that was absolutely

1155

00:43:28,390 --> 00:43:26,880

irrefutable

1156

00:43:31,109 --> 00:43:28,400

i don't know how a book's gonna do that

1157

00:43:33,990 --> 00:43:31,119

but i cannot wait to read that book

1158

00:43:36,470 --> 00:43:34,000

obviously we all can't wait to read it

1159

00:43:38,069 --> 00:43:36,480

um and i hope he gets a i hope he sells

1160

00:43:39,430 --> 00:43:38,079

millions of copies and people are

1161

00:43:41,030 --> 00:43:39,440

educated i don't know what's going to be

1162

00:43:42,470 --> 00:43:41,040

in the book but

1163

00:43:44,950 --> 00:43:42,480

if it's anything like skin walkers at

1164

00:43:47,589 --> 00:43:44,960

the pentagon which i which i love

1165

00:43:49,109 --> 00:43:47,599

and loved reading it's going to be good

1166

00:43:51,190 --> 00:43:49,119

it's going to push us forward in

1167

00:43:53,190 --> 00:43:51,200

learning more and more which is a good

1168

00:43:55,270 --> 00:43:53,200

thing

1169

00:43:56,710 --> 00:43:55,280

he says there's a very very real reason

1170

00:43:58,550 --> 00:43:56,720

why he's writing the book but he's not

1171

00:44:00,630 --> 00:43:58,560

going to say now and he hopes the book

1172

00:44:03,190 --> 00:44:00,640

creates a roadblock that will prevent

1173

00:44:06,309 --> 00:44:03,200

the conversation from sliding backwards

1174

00:44:08,790 --> 00:44:06,319

it's centered just on ufos in uap and

1175

00:44:13,910 --> 00:44:08,800

his time in atip and what they found

1176

00:44:19,750 --> 00:44:15,270

there's gonna be probably some names in

1177

00:44:22,950 --> 00:44:21,030

i'm gonna check out some of your

1178

00:44:29,430 --> 00:44:22,960

questions

1179

00:44:36,150 --> 00:44:32,230

i didn't

1180

00:44:37,910 --> 00:44:36,160

there's room on the lifeboat for all of

1181

00:44:44,550 --> 00:44:37,920

ufo twitter

1182

00:44:44,560 --> 00:44:50,230

anyway all right

1183

00:44:50,240 --> 00:44:53,190

church says

1184

00:44:58,470 --> 00:44:55,109

do you consider yourself someone who

1185

00:45:00,630 --> 00:44:58,480

knows secrets or someone who is

1186

00:45:02,230 --> 00:45:00,640

trying to get at that info he's

1187

00:45:03,589 --> 00:45:02,240

basically saying

1188

00:45:06,790 --> 00:45:03,599

because jimmy church has said in the

1189

00:45:09,349 --> 00:45:06,800

past eric davis lou elizondo they don't

1190

00:45:11,030 --> 00:45:09,359

know the secrets they're not the ones

1191

00:45:13,829 --> 00:45:11,040

who know the real secrets are people

1192

00:45:15,990 --> 00:45:13,839

whose names you've never heard

1193

00:45:17,430 --> 00:45:16,000

um yeah there are people above them

1194

00:45:18,950 --> 00:45:17,440

there are people who work in the special

1195

00:45:22,230 --> 00:45:18,960

access programs there are people who are

1196

00:45:23,589 --> 00:45:22,240

on that bigot list they have access

1197

00:45:25,589 --> 00:45:23,599

um

1198

00:45:27,349 --> 00:45:25,599

i don't i don't think eric davis has

1199

00:45:29,030 --> 00:45:27,359

access i don't think hal put off has

1200

00:45:31,030 --> 00:45:29,040

access they know stuff and they've

1201

00:45:33,510 --> 00:45:31,040

learned things from other people

1202

00:45:36,870 --> 00:45:33,520

i don't know how much access lou has had

1203

00:45:38,790 --> 00:45:36,880

but it's like anyway lou goes listen

1204

00:45:40,470 --> 00:45:38,800

we know secrets i know secrets i had a

1205

00:45:43,750 --> 00:45:40,480

security clearance

1206

00:45:46,230 --> 00:45:43,760

i can't share classified information

1207

00:45:49,190 --> 00:45:46,240

um but he can share unclassified

1208

00:45:50,790 --> 00:45:49,200

information that's never been revealed

1209

00:45:52,390 --> 00:45:50,800

um

1210

00:45:55,430 --> 00:45:52,400

hopefully that'll be in the book because

1211

00:45:57,109 --> 00:45:55,440

as i i've said before i think

1212

00:45:59,190 --> 00:45:57,119

i've been told information that's

1213

00:46:01,510 --> 00:45:59,200

obviously not classified

1214

00:46:03,589 --> 00:46:01,520

but it's sensitive and it's and i'm told

1215

00:46:05,030 --> 00:46:03,599

do not repeat this so it's like

1216

00:46:07,109 --> 00:46:05,040

i don't like that because it's not

1217

00:46:08,550 --> 00:46:07,119

classified let me repeat it but i'm not

1218

00:46:09,670 --> 00:46:08,560

going to burn the people who give me

1219

00:46:11,270 --> 00:46:09,680

information

1220

00:46:13,030 --> 00:46:11,280

um

1221

00:46:14,950 --> 00:46:13,040

the way i'll the way i can get that

1222

00:46:16,950 --> 00:46:14,960

information out is i will go in a

1223

00:46:19,990 --> 00:46:16,960

certain direction

1224

00:46:21,510 --> 00:46:20,000

with my reading and

1225

00:46:23,270 --> 00:46:21,520

i don't want to call it research because

1226
00:46:25,510 --> 00:46:23,280
me reading a book is not research and

1227
00:46:27,109 --> 00:46:25,520
sharing quotes is not research but

1228
00:46:28,790 --> 00:46:27,119
if you see me going in a specific

1229
00:46:30,470 --> 00:46:28,800
direction that means i might have heard

1230
00:46:32,150 --> 00:46:30,480
it from somebody not everything so it's

1231
00:46:33,349 --> 00:46:32,160
kind of hard for you to judge that

1232
00:46:35,589 --> 00:46:33,359
because i'm not going to point it out

1233
00:46:41,510 --> 00:46:35,599
when i do it

1234
00:46:45,109 --> 00:46:42,390
so

1235
00:46:47,829 --> 00:46:45,119
he said atip did a lot of classified

1236
00:46:49,910 --> 00:46:47,839
clothing classified work

1237
00:46:51,589 --> 00:46:49,920
um and then he reads a headline it's an

1238
00:46:53,190 --> 00:46:51,599

article in the sun which i haven't read

1239

00:46:54,950 --> 00:46:53,200

yet uh

1240

00:46:58,309 --> 00:46:54,960

life beyond and it was a couple of days

1241

00:47:00,630 --> 00:46:58,319

ago the nsa warns aliens could contact

1242

00:47:02,710 --> 00:47:00,640

humans through high frequency signals as

1243

00:47:05,270 --> 00:47:02,720

experts say are not alone in the

1244

00:47:07,750 --> 00:47:05,280

universe it was a declassified doc

1245

00:47:08,870 --> 00:47:07,760

document from the nsa national security

1246

00:47:10,309 --> 00:47:08,880

agency

1247

00:47:12,309 --> 00:47:10,319

called communication with

1248

00:47:13,990 --> 00:47:12,319

extraterrestrial intelligence explains

1249

00:47:16,390 --> 00:47:14,000

the various ways aliens could

1250

00:47:19,990 --> 00:47:16,400

communicate

1251

00:47:23,990 --> 00:47:21,670

lou thinks that and it deals with a

1252

00:47:26,470 --> 00:47:24,000

specific report an nsa report and he

1253

00:47:28,309 --> 00:47:26,480

thinks it was declassified because

1254

00:47:34,390 --> 00:47:28,319

of the con conversation we've been

1255

00:47:38,710 --> 00:47:36,470

he says that means it's not just the dod

1256

00:47:40,710 --> 00:47:38,720

or the caa or the air force or the dni

1257

00:47:42,870 --> 00:47:40,720

it's also the nsa everybody is involved

1258

00:47:45,430 --> 00:47:42,880

in this

1259

00:47:47,190 --> 00:47:45,440

which sounds great but

1260

00:47:49,510 --> 00:47:47,200

let's see if they actually give up their

1261

00:47:52,870 --> 00:47:49,520

data ufo data

1262

00:47:55,109 --> 00:47:52,880

in the book he says

1263

00:47:58,230 --> 00:47:55,119

it was the unclassified

1264

00:48:00,470 --> 00:47:58,240

slash blurry videos 2017 is basically

1265

00:48:02,150 --> 00:48:00,480

thing yeah they weren't great but

1266

00:48:03,270 --> 00:48:02,160

they sparked a conversation and they

1267

00:48:05,270 --> 00:48:03,280

allowed

1268

00:48:06,950 --> 00:48:05,280

classified information to get to where

1269

00:48:08,630 --> 00:48:06,960

it needed to go which is what's

1270

00:48:11,190 --> 00:48:08,640

happening now when our senators are

1271

00:48:13,750 --> 00:48:11,200

getting briefed the video started all

1272

00:48:15,910 --> 00:48:13,760

that people can and moan about the

1273

00:48:18,390 --> 00:48:15,920

videos all they wanted all they want but

1274

00:48:20,470 --> 00:48:18,400

those videos got so much attention just

1275

00:48:22,950 --> 00:48:20,480

like jeremy corbell's videos videos

1276

00:48:24,630 --> 00:48:22,960

people are visual they like videos and

1277

00:48:26,710 --> 00:48:24,640

they're official government videos so

1278

00:48:28,710 --> 00:48:26,720

they hold a lot of weight they're not

1279

00:48:30,950 --> 00:48:28,720

great videos they're not the good stuff

1280

00:48:32,710 --> 00:48:30,960

but it led to everything else

1281

00:48:34,710 --> 00:48:32,720

and where we are right now i never

1282

00:48:37,109 --> 00:48:34,720

thought we would get to in my lifetime i

1283

00:48:40,309 --> 00:48:37,119

kind of had given up hope

1284

00:48:42,630 --> 00:48:40,319

2017 changed all of that

1285

00:48:44,950 --> 00:48:42,640

church says

1286

00:48:47,270 --> 00:48:44,960

does that nsa report suggest to you that

1287

00:48:49,829 --> 00:48:47,280

we've received a signal and luke says

1288

00:48:51,670 --> 00:48:49,839

well it's fun to speculate but

1289

00:48:53,270 --> 00:48:51,680

hey you don't spend taxpayer money

1290

00:48:54,710 --> 00:48:53,280

without a reason he's kind of saying

1291

00:48:57,109 --> 00:48:54,720

yeah that might have been the case we

1292

00:48:58,950 --> 00:48:57,119

got some signal from somewhere but

1293

00:49:03,670 --> 00:48:58,960

who knows

1294

00:49:07,589 --> 00:49:05,109

church says

1295

00:49:09,349 --> 00:49:07,599

agencies are used to not cooperating

1296

00:49:11,510 --> 00:49:09,359

government agencies they're used to not

1297

00:49:14,710 --> 00:49:11,520

cooperating and not communicating to the

1298

00:49:16,470 --> 00:49:14,720

public to congress and other agencies

1299

00:49:18,230 --> 00:49:16,480

so how do we know what they know he's

1300

00:49:19,430 --> 00:49:18,240

basically asking how do we trust these

1301

00:49:20,390 --> 00:49:19,440

agencies

1302

00:49:22,870 --> 00:49:20,400

that they're going to give up their

1303

00:49:24,790 --> 00:49:22,880

information how would we even know

1304

00:49:26,309 --> 00:49:24,800

if they are or they're not

1305

00:49:29,030 --> 00:49:26,319

you know it's like they could be keeping

1306

00:49:30,470 --> 00:49:29,040

ufo the best ufo information and we

1307

00:49:32,950 --> 00:49:30,480

wouldn't even know about it so how do we

1308

00:49:35,109 --> 00:49:32,960

find out lou says

1309

00:49:37,190 --> 00:49:35,119

they weren't cooperating but that is

1310

00:49:40,150 --> 00:49:37,200

changing it's starting to work

1311

00:49:42,150 --> 00:49:40,160

needs to get better but it's a start

1312

00:49:44,309 --> 00:49:42,160

they're having weekly meetings

1313

00:49:47,030 --> 00:49:44,319

in certain agencies they have working

1314

00:49:48,870 --> 00:49:47,040

groups video teleconferences

1315

00:49:50,710 --> 00:49:48,880

and reports to congress

1316

00:49:52,870 --> 00:49:50,720

committees are poking them in in the

1317

00:49:54,150 --> 00:49:52,880

chest and saying so these committees are

1318

00:49:56,470 --> 00:49:54,160

poking these different government

1319

00:49:58,390 --> 00:49:56,480

agencies and chests and saying we want

1320

00:50:00,630 --> 00:49:58,400

answers what are you doing

1321

00:50:03,510 --> 00:50:00,640

come up here now and testify

1322

00:50:05,750 --> 00:50:03,520

so it's working and lou says

1323

00:50:07,910 --> 00:50:05,760

what we should do is write

1324

00:50:09,829 --> 00:50:07,920

we don't have to ask anything else just

1325

00:50:11,190 --> 00:50:09,839

write a thank you note to your

1326

00:50:12,790 --> 00:50:11,200

representatives

1327

00:50:15,510 --> 00:50:12,800

whether it's it doesn't even have to be

1328

00:50:17,589 --> 00:50:15,520

your representative senator gillibrand

1329

00:50:19,829 --> 00:50:17,599

congressman gallego senator rubio even

1330

00:50:21,670 --> 00:50:19,839

if you don't like them politically

1331

00:50:22,790 --> 00:50:21,680

thank them for speaking up on this

1332

00:50:24,710 --> 00:50:22,800

because

1333

00:50:26,230 --> 00:50:24,720

they need to keep doing it and as long

1334

00:50:28,150 --> 00:50:26,240

as they feel like they have support they

1335

00:50:29,589 --> 00:50:28,160

will continue to do it and i do think

1336

00:50:32,549 --> 00:50:29,599

rubio and gillibrand are going to run

1337

00:50:34,710 --> 00:50:32,559

for office against each other

1338

00:50:37,829 --> 00:50:34,720

um

1339

00:50:40,549 --> 00:50:37,839

we'll see in 2024.

1340

00:50:42,309 --> 00:50:40,559

are these folks talking about so church

1341

00:50:43,589 --> 00:50:42,319

says are these folks

1342

00:50:45,030 --> 00:50:43,599

when they have their conversations they

1343

00:50:46,470 --> 00:50:45,040

are they talking about roswell and

1344

00:50:49,589 --> 00:50:46,480

things

1345

00:50:52,390 --> 00:50:49,599

before 2004 because the 180 day report

1346

00:50:53,670 --> 00:50:52,400

started at 2004 and we're all like

1347

00:50:56,390 --> 00:50:53,680

there's so much stuff that went on

1348

00:50:58,230 --> 00:50:56,400

before 2004 of course

1349

00:51:00,950 --> 00:50:58,240

lugos of course they've they're talking

1350

00:51:02,870 --> 00:51:00,960

about stuff before 2004.

1351

00:51:04,470 --> 00:51:02,880

um

1352

00:51:06,470 --> 00:51:04,480

what does the department of defense know

1353

00:51:08,150 --> 00:51:06,480

and what did they find out about it

1354

00:51:09,750 --> 00:51:08,160

you know tic tac objects go back to the

1355

00:51:11,750 --> 00:51:09,760

50s and 60s and back then they were

1356

00:51:14,069 --> 00:51:11,760

described like a throat lozenge or a

1357

00:51:15,990 --> 00:51:14,079

white butane tank

1358

00:51:18,549 --> 00:51:16,000

you know we have radar tracking them at

1359

00:51:19,589 --> 00:51:18,559

13 000 miles an hour

1360

00:51:20,710 --> 00:51:19,599

and then

1361

00:51:22,549 --> 00:51:20,720

church says

1362

00:51:25,190 --> 00:51:22,559

what do you know about roswell did you

1363

00:51:27,750 --> 00:51:25,200

investigate it at all and lou says in

1364

00:51:30,309 --> 00:51:27,760

atip we were aware of roswell but

1365

00:51:32,309 --> 00:51:30,319

focused on current military cases

1366

00:51:34,790 --> 00:51:32,319

roswell is important but it's a cold

1367

00:51:36,549 --> 00:51:34,800

case military folks you know they don't

1368

00:51:38,150 --> 00:51:36,559

want to talk about 50 to 70 years ago

1369

00:51:39,670 --> 00:51:38,160

they want to talk about if we have a

1370

00:51:41,349 --> 00:51:39,680

sighting today do we need to shoot it

1371

00:51:43,030 --> 00:51:41,359

down do we need to defend ourselves

1372

00:51:45,270 --> 00:51:43,040

which i understand that that's what

1373

00:51:47,589 --> 00:51:45,280

they're focused on um

1374

00:51:50,470 --> 00:51:47,599

but in the past

1375

00:51:52,870 --> 00:51:50,480

last october lou said my personal belief

1376

00:51:54,630 --> 00:51:52,880

in roswell a hundred percent

1377

00:51:57,190 --> 00:51:54,640

but i can't speak officially and i can't

1378

00:51:59,190 --> 00:51:57,200

discuss about i can't discuss about

1379

00:52:00,790 --> 00:51:59,200

anything else that may or may not have

1380

00:52:03,430 --> 00:52:00,800

transpired

1381

00:52:05,430 --> 00:52:03,440

so if you trust lou which i do

1382

00:52:07,030 --> 00:52:05,440

eric davis says the same thing you know

1383

00:52:09,589 --> 00:52:07,040

they covered it up

1384

00:52:11,430 --> 00:52:09,599

whatever happened there was

1385

00:52:13,190 --> 00:52:11,440

they don't say alien i think eric davis

1386

00:52:18,790 --> 00:52:13,200

says alien i think he mentions bodies

1387

00:52:22,549 --> 00:52:21,030

and then church doesn't let it go which

1388

00:52:24,309 --> 00:52:22,559

is good he goes did you learn about

1389

00:52:26,150 --> 00:52:24,319

roswell what did what did you learn

1390

00:52:28,150 --> 00:52:26,160

anything about roswell

1391

00:52:32,150 --> 00:52:28,160

luke says i'd like to think so i mean

1392

00:52:34,309 --> 00:52:32,160

you talk here's an important part

1393

00:52:35,990 --> 00:52:34,319

you talk to enough people you hear

1394

00:52:37,829 --> 00:52:36,000

enough things

1395

00:52:40,710 --> 00:52:37,839

if you go and look at my wilson davis

1396

00:52:42,790 --> 00:52:40,720

mega blog i think it's part two or three

1397

00:52:44,309 --> 00:52:42,800

where i transcribed certain eric davis

1398

00:52:46,630 --> 00:52:44,319

interviews certain parts of his

1399

00:52:48,950 --> 00:52:46,640

interviews from 2019

1400

00:52:50,549 --> 00:52:48,960

davis talks about how he found out

1401
00:52:52,470 --> 00:52:50,559
information when he's read it to a

1402
00:52:53,829 --> 00:52:52,480
certain program he meets somebody else

1403
00:52:55,990 --> 00:52:53,839
that's right into a program they're on

1404
00:52:58,470 --> 00:52:56,000
the same program and they say oh you

1405
00:53:00,390 --> 00:52:58,480
worked on ufos i did too

1406
00:53:01,910 --> 00:53:00,400
let me tell you what i can share with

1407
00:53:03,510 --> 00:53:01,920
you this is what i could share up to

1408
00:53:05,829 --> 00:53:03,520
this point and that's how you learn

1409
00:53:08,390 --> 00:53:05,839
information so those folks do

1410
00:53:11,030 --> 00:53:08,400
they exchange information back and forth

1411
00:53:12,710 --> 00:53:11,040
and i'm sure lou has done the same thing

1412
00:53:15,030 --> 00:53:12,720
um so he's like if you talk to enough

1413
00:53:17,270 --> 00:53:15,040

people you hear enough things of course

1414

00:53:20,230 --> 00:53:17,280

all those people can be lying to you but

1415

00:53:22,069 --> 00:53:20,240

i don't i don't think those folks

1416

00:53:23,990 --> 00:53:22,079

i think you have to make a judgment

1417

00:53:25,430 --> 00:53:24,000

obviously and lou and eric davis they

1418

00:53:27,109 --> 00:53:25,440

they made a judgment these folks are

1419

00:53:29,349 --> 00:53:27,119

telling them the truth

1420

00:53:32,549 --> 00:53:29,359

i would love to know every little thing

1421

00:53:35,750 --> 00:53:32,559

they were told about every ufo program

1422

00:53:39,030 --> 00:53:37,670

but as far as roswell

1423

00:53:40,710 --> 00:53:39,040

he said he spoke to enough people you

1424

00:53:42,710 --> 00:53:40,720

hear enough things

1425

00:53:45,430 --> 00:53:42,720

there's a lot of info to suggest that

1426

00:53:47,030 --> 00:53:45,440

roswell was obviously not a weather

1427

00:53:50,549 --> 00:53:47,040

balloon and it was

1428

00:53:54,470 --> 00:53:52,630

and lou says the data suggested that

1429

00:53:56,549 --> 00:53:54,480

what happened that roswell was something

1430

00:53:57,990 --> 00:53:56,559

very extraordinary and i'll leave it at

1431

00:54:00,790 --> 00:53:58,000

that

1432

00:54:03,349 --> 00:54:00,800

and then church answer ask a question

1433

00:54:04,870 --> 00:54:03,359

that lou won't be able to answer but

1434

00:54:06,150 --> 00:54:04,880

it kind of went in a direction that was

1435

00:54:08,069 --> 00:54:06,160

good

1436

00:54:09,990 --> 00:54:08,079

he says

1437

00:54:12,230 --> 00:54:10,000

lou how many different races of ets are

1438

00:54:14,230 --> 00:54:12,240

visiting earth have you been shown a

1439

00:54:15,829 --> 00:54:14,240

number and lugos i i don't know we've

1440

00:54:18,630 --> 00:54:15,839

heard a lot of different theories a lot

1441

00:54:21,190 --> 00:54:18,640

of it is simply hypotheses

1442

00:54:22,950 --> 00:54:21,200

there's info to suggest

1443

00:54:24,790 --> 00:54:22,960

all sorts of things but we don't have

1444

00:54:26,230 --> 00:54:24,800

enough info or data

1445

00:54:27,990 --> 00:54:26,240

and i don't want he goes i don't want to

1446

00:54:29,670 --> 00:54:28,000

share what i've heard from others that's

1447

00:54:31,750 --> 00:54:29,680

what i want to hear i want to hear what

1448

00:54:33,589 --> 00:54:31,760

these other people have to say

1449

00:54:35,430 --> 00:54:33,599

i want to hear with people

1450

00:54:36,470 --> 00:54:35,440

i want to hear what people who have seen

1451

00:54:38,390 --> 00:54:36,480

data

1452

00:54:40,069 --> 00:54:38,400

that helped form their opinion i want to

1453

00:54:42,230 --> 00:54:40,079

hear what their opinions are because

1454

00:54:44,950 --> 00:54:42,240

it's based on information that we don't

1455

00:54:47,910 --> 00:54:44,960

have it doesn't mean i'm going to buy

1456

00:54:50,230 --> 00:54:47,920

100 into what their opinion is but

1457

00:54:52,470 --> 00:54:50,240

it's more informed than you and you or i

1458

00:54:54,230 --> 00:54:52,480

so yeah i want to hear it but luke says

1459

00:54:56,789 --> 00:54:54,240

it's conjecture conjecture and then

1460

00:54:58,150 --> 00:54:56,799

folks will say well

1461

00:54:59,829 --> 00:54:58,160

then he's talking about people in our

1462

00:55:02,309 --> 00:54:59,839

community they'll say well there's nine

1463

00:55:04,549 --> 00:55:02,319

paces and blah blah blah he goes he

1464

00:55:07,430 --> 00:55:04,559

goes that's great but you don't really

1465

00:55:08,789 --> 00:55:07,440

know right you don't know which i do say

1466

00:55:10,150 --> 00:55:08,799

and i'm sometimes mean to people i'm

1467

00:55:11,670 --> 00:55:10,160

like

1468

00:55:15,349 --> 00:55:11,680

you don't know you don't know any of

1469

00:55:18,309 --> 00:55:16,470

who says

1470

00:55:20,150 --> 00:55:18,319

this is interesting the way the cia

1471

00:55:21,430 --> 00:55:20,160

would handle it is you look at different

1472

00:55:22,950 --> 00:55:21,440

vehicles

1473

00:55:26,470 --> 00:55:22,960

different shapes uh different

1474

00:55:29,109 --> 00:55:26,480

performance characteristics and utility

1475

00:55:31,670 --> 00:55:29,119

and based on that information

1476
00:55:34,150 --> 00:55:31,680
you just thought you you know you say

1477
00:55:35,270 --> 00:55:34,160
are there different occupants and if so

1478
00:55:37,109 --> 00:55:35,280
how many

1479
00:55:38,710 --> 00:55:37,119
so if you have five different types of

1480
00:55:40,309 --> 00:55:38,720
craft and you would think there are five

1481
00:55:41,750 --> 00:55:40,319
different occupants five different

1482
00:55:44,870 --> 00:55:41,760
species

1483
00:55:48,390 --> 00:55:44,880
that's me talking there

1484
00:55:48,830 --> 00:55:48,400
luke says are they from different places

1485
00:55:50,549 --> 00:55:48,840
um

1486
00:55:51,750 --> 00:55:50,559
[Music]

1487
00:55:54,069 --> 00:55:51,760
are they from different place you know

1488
00:55:55,030 --> 00:55:54,079

based on information you you come up

1489

00:55:56,950 --> 00:55:55,040

with

1490

00:55:58,630 --> 00:55:56,960

your opinion are they from different

1491

00:56:01,030 --> 00:55:58,640

places

1492

00:56:02,630 --> 00:56:01,040

do they have different purposes

1493

00:56:05,190 --> 00:56:02,640

are these craft you know different

1494

00:56:06,950 --> 00:56:05,200

performance characteristics and church

1495

00:56:10,150 --> 00:56:06,960

says it sounds like you've already had

1496

00:56:12,470 --> 00:56:10,160

this discussion with somebody in the cia

1497

00:56:13,990 --> 00:56:12,480

lou goes i can't go there

1498

00:56:15,910 --> 00:56:14,000

so i'm sure he has i'm sure he's had

1499

00:56:17,589 --> 00:56:15,920

lots of great discussions and maybe one

1500

00:56:18,950 --> 00:56:17,599

day we'll get to see it

1501

00:56:21,510 --> 00:56:18,960

in a movie

1502

00:56:24,309 --> 00:56:21,520

a documentary and then a scripted movie

1503

00:56:28,549 --> 00:56:26,870

then church asks about bigfoot and he

1504

00:56:31,109 --> 00:56:28,559

goes yes or no and lou goes i have no

1505

00:56:32,789 --> 00:56:31,119

idea crypto cryptozoology is very

1506

00:56:37,349 --> 00:56:32,799

interesting

1507

00:56:39,190 --> 00:56:37,359

so cryptozoology is you know study of

1508

00:56:41,109 --> 00:56:39,200

unknown

1509

00:56:42,710 --> 00:56:41,119

creatures bigfoot

1510

00:56:44,470 --> 00:56:42,720

i guess loch ness monster would fall on

1511

00:56:46,150 --> 00:56:44,480

that i don't spend time on the loch ness

1512

00:56:47,829 --> 00:56:46,160

monster so i really really don't have an

1513

00:56:49,990 --> 00:56:47,839

opinion on that but

1514

00:56:51,829 --> 00:56:50,000

um lou says there are new species that

1515

00:56:52,870 --> 00:56:51,839

are always being discovered so it's

1516

00:56:55,030 --> 00:56:52,880

possible

1517

00:56:57,349 --> 00:56:55,040

some colleagues of his during the asap

1518

00:56:58,470 --> 00:56:57,359

years were looking at bigfoot

1519

00:56:59,829 --> 00:56:58,480

um

1520

00:57:01,990 --> 00:56:59,839

because it would be great i wouldn't

1521

00:57:04,150 --> 00:57:02,000

mind going lugos i wouldn't mind going

1522

00:57:06,309 --> 00:57:04,160

going out bigfoot watching with a beer

1523

00:57:08,150 --> 00:57:06,319

and a rifle and night vision

1524

00:57:09,910 --> 00:57:08,160

that'd be a great time and

1525

00:57:12,630 --> 00:57:09,920

i'm like you know i'm sure everybody

1526

00:57:14,150 --> 00:57:12,640

said a rifle we don't want to shoot him

1527

00:57:15,990 --> 00:57:14,160

and church is like oh that sounds good i

1528

00:57:17,990 --> 00:57:16,000

just wouldn't do a rifle so i agree with

1529

00:57:27,349 --> 00:57:18,000

i agree with something i agree with

1530

00:57:27,359 --> 00:57:32,630

yeah let's see

1531

00:57:39,589 --> 00:57:35,349

yeah we've discussed his his background

1532

00:57:43,910 --> 00:57:39,599

parasitology especially parasitology

1533

00:57:43,920 --> 00:57:47,750

um i don't know

1534

00:57:53,030 --> 00:57:49,829

but

1535

00:57:54,470 --> 00:57:53,040

it's interesting that now i you know i i

1536

00:57:56,710 --> 00:57:54,480

thanks to somebody on twitter i'm

1537

00:57:57,990 --> 00:57:56,720

starting to listen to paul

1538

00:58:01,190 --> 00:57:58,000

paulino

1539

00:58:03,430 --> 00:58:01,200

and he talks about how he thinks

1540

00:58:05,829 --> 00:58:03,440

when he goes to a poltergeist case we're

1541

00:58:07,750 --> 00:58:05,839

dealing with parasites

1542

00:58:09,349 --> 00:58:07,760

not that they're bad they just need to

1543

00:58:11,589 --> 00:58:09,359

eat

1544

00:58:13,829 --> 00:58:11,599

and it's the whole controversial they

1545

00:58:15,750 --> 00:58:13,839

eat negative emotions that's what they

1546

00:58:17,349 --> 00:58:15,760

feed off of so anything negative and

1547

00:58:18,789 --> 00:58:17,359

i've had people tell me

1548

00:58:20,549 --> 00:58:18,799

when they were having problems in their

1549

00:58:22,710 --> 00:58:20,559

house they had certain

1550

00:58:25,670 --> 00:58:22,720

sightings of certain orbs when there was

1551
00:58:27,349 --> 00:58:25,680
negative energy fighting going on

1552
00:58:28,789 --> 00:58:27,359
trouble um

1553
00:58:31,190 --> 00:58:28,799
but i'm not going to get into that now

1554
00:58:33,349 --> 00:58:31,200
but yeah his parasite

1555
00:58:42,069 --> 00:58:33,359
his parasitology background is

1556
00:58:46,630 --> 00:58:43,670
as far as bringing a rifle i don't think

1557
00:58:48,069 --> 00:58:46,640
bigfoot's gonna eat you

1558
00:58:50,069 --> 00:58:48,079
there's a good story of some guy was

1559
00:58:52,230 --> 00:58:50,079
taken capped he was captured by a

1560
00:58:55,030 --> 00:58:52,240
bigfoot a family of bigfoot i forget the

1561
00:58:57,190 --> 00:58:55,040
guy's name but if you type it in

1562
00:58:58,390 --> 00:58:57,200
it's a really good story

1563
00:58:59,990 --> 00:58:58,400

um

1564

00:59:01,829 --> 00:59:00,000

interesting to read who knows if it's

1565

00:59:03,670 --> 00:59:01,839

true

1566

00:59:06,710 --> 00:59:03,680

so

1567

00:59:09,030 --> 00:59:06,720

church asks asks about mellon's article

1568

00:59:10,630 --> 00:59:09,040

on the air force article

1569

00:59:12,309 --> 00:59:10,640

is that lighting a fire under the air

1570

00:59:13,670 --> 00:59:12,319

force because it was really tough on the

1571

00:59:15,109 --> 00:59:13,680

air force

1572

00:59:17,030 --> 00:59:15,119

luke says

1573

00:59:19,510 --> 00:59:17,040

it will certainly cause them to be angry

1574

00:59:20,789 --> 00:59:19,520

but i don't give a damn they need to do

1575

00:59:23,270 --> 00:59:20,799

their job

1576

00:59:25,990 --> 00:59:23,280

he mentions the secretary of the navy

1577

00:59:28,710 --> 00:59:26,000

how he came out several months ago

1578

00:59:29,750 --> 00:59:28,720

and said you know they they know uap are

1579

00:59:31,589 --> 00:59:29,760

real

1580

00:59:32,950 --> 00:59:31,599

and kendall kendall is the secretary of

1581

00:59:35,670 --> 00:59:32,960

the navy and i remember when he came out

1582

00:59:37,349 --> 00:59:35,680

i was like really he goes we we know uap

1583

00:59:38,789 --> 00:59:37,359

are real but you know they're not a

1584

00:59:40,630 --> 00:59:38,799

priority because we don't know their

1585

00:59:43,190 --> 00:59:40,640

origin we can't confirm if they're a

1586

00:59:45,990 --> 00:59:43,200

threat and lose like that doesn't make

1587

00:59:48,390 --> 00:59:46,000

sense air domain awareness is the

1588

00:59:49,829 --> 00:59:48,400

responsibility of the air force

1589

00:59:52,390 --> 00:59:49,839

and luke said he's worked with some of

1590

00:59:54,630 --> 00:59:52,400

those air force folks including air

1591

00:59:56,390 --> 00:59:54,640

force osi office of special

1592

00:59:58,230 --> 00:59:56,400

investigations ooh

1593

00:59:59,829 --> 00:59:58,240

he goes he's like you know people have

1594

01:00:01,510 --> 00:59:59,839

you know negative connotations about all

1595

01:00:03,190 --> 01:00:01,520

those folks but he's like you know

1596

01:00:05,270 --> 01:00:03,200

they're great people he goes the problem

1597

01:00:07,510 --> 01:00:05,280

they're great people the problems are

1598

01:00:09,589 --> 01:00:07,520

coming from high up in the air force and

1599

01:00:11,589 --> 01:00:09,599

then i and i and i mentioned

1600

01:00:13,349 --> 01:00:11,599

the other day last week i was tweeting

1601
01:00:14,870 --> 01:00:13,359
articles about certain evangelical

1602
01:00:15,990 --> 01:00:14,880
christians who are very high up in the

1603
01:00:16,870 --> 01:00:16,000
air force

1604
01:00:18,470 --> 01:00:16,880
um

1605
01:00:19,910 --> 01:00:18,480
in other in other parts of our

1606
01:00:21,430 --> 01:00:19,920
government

1607
01:00:23,750 --> 01:00:21,440
and my collins elite tweets which i

1608
01:00:25,349 --> 01:00:23,760
talked about last time

1609
01:00:26,950 --> 01:00:25,359
those folks who

1610
01:00:29,910 --> 01:00:26,960
um

1611
01:00:32,069 --> 01:00:29,920
are convinced it's basically

1612
01:00:34,470 --> 01:00:32,079
we're dealing with angels and demons the

1613
01:00:36,069 --> 01:00:34,480

ufos represent the demons

1614

01:00:37,750 --> 01:00:36,079

um

1615

01:00:39,589 --> 01:00:37,760

so that's a big part a big part of the

1616

01:00:42,630 --> 01:00:39,599

problem not all of it that's why this

1617

01:00:44,549 --> 01:00:42,640

information is not gaining out so luke

1618

01:00:46,309 --> 01:00:44,559

said the air force either

1619

01:00:48,870 --> 01:00:46,319

knows about this

1620

01:00:50,230 --> 01:00:48,880

they don't know or they don't go or they

1621

01:00:54,309 --> 01:00:50,240

don't care

1622

01:00:56,309 --> 01:00:54,319

i would say i would say they know a lot

1623

01:00:58,309 --> 01:00:56,319

it would show gross incompetence if they

1624

01:01:00,390 --> 01:00:58,319

were tracking this all of these years

1625

01:01:02,150 --> 01:01:00,400

and never said anything also with blue

1626

01:01:03,349 --> 01:01:02,160

book where they said up nothing to see

1627

01:01:06,309 --> 01:01:03,359

here folks

1628

01:01:08,390 --> 01:01:06,319

he thinks some gatekeepers are probably

1629

01:01:16,950 --> 01:01:08,400

getting a bit nervous right now

1630

01:01:21,829 --> 01:01:19,190

it doesn't matter what they think they

1631

01:01:24,309 --> 01:01:21,839

work for us not the other way around

1632

01:01:26,390 --> 01:01:24,319

it's the same bureaucracy he faced while

1633

01:01:28,710 --> 01:01:26,400

he was in atip where they just didn't

1634

01:01:30,630 --> 01:01:28,720

want to do anything about it

1635

01:01:32,549 --> 01:01:30,640

and i don't know if all of that

1636

01:01:34,150 --> 01:01:32,559

reluctance was religious based i'm sure

1637

01:01:35,829 --> 01:01:34,160

there were other people who just didn't

1638

01:01:38,390 --> 01:01:35,839

want to deal with it

1639

01:01:40,390 --> 01:01:38,400

um and lou says

1640

01:01:42,390 --> 01:01:40,400

he has spoken to air force pilots who

1641

01:01:44,230 --> 01:01:42,400

he's he said this before a lot of this

1642

01:01:46,630 --> 01:01:44,240

he has said before he goes he's spoken

1643

01:01:48,710 --> 01:01:46,640

to air force pilots who tried to report

1644

01:01:50,470 --> 01:01:48,720

their sightings to the uap task force

1645

01:01:52,470 --> 01:01:50,480

but they were shut down by their chain

1646

01:01:55,349 --> 01:01:52,480

of command

1647

01:01:56,630 --> 01:01:55,359

that that is probably those folks

1648

01:01:58,870 --> 01:01:56,640

i'm thinking

1649

01:02:00,150 --> 01:01:58,880

religious connection religious related

1650

01:02:02,710 --> 01:02:00,160

they just don't even want it to be

1651
01:02:04,789 --> 01:02:02,720
discussed

1652
01:02:06,470 --> 01:02:04,799
um

1653
01:02:08,390 --> 01:02:06,480
i'll say one thing paul eno i was

1654
01:02:09,910 --> 01:02:08,400
listening to a lecture of his today

1655
01:02:11,910 --> 01:02:09,920
where he's the one who's been

1656
01:02:13,750 --> 01:02:11,920
investigating

1657
01:02:15,430 --> 01:02:13,760
paranormal poltergeist all that stuff

1658
01:02:17,430 --> 01:02:15,440
for a really long time he started out

1659
01:02:19,430 --> 01:02:17,440
investigating with a priest

1660
01:02:21,430 --> 01:02:19,440
he had gone to seminary school

1661
01:02:23,589 --> 01:02:21,440
was later thrown out

1662
01:02:25,349 --> 01:02:23,599
um but he was working with a priest on

1663
01:02:26,950 --> 01:02:25,359

possessions

1664

01:02:28,150 --> 01:02:26,960

and originally thought they were dealing

1665

01:02:30,069 --> 01:02:28,160

with demons

1666

01:02:34,150 --> 01:02:30,079

then he now he now he thinks it's just

1667

01:02:35,990 --> 01:02:34,160

parasites just parasites um but paul

1668

01:02:37,990 --> 01:02:36,000

said that

1669

01:02:39,589 --> 01:02:38,000

he thinks you know these start off very

1670

01:02:41,430 --> 01:02:39,599

lightly a poltergeist case where you get

1671

01:02:42,950 --> 01:02:41,440

knocking and then it gets the person

1672

01:02:45,190 --> 01:02:42,960

gets scared and he thinks these

1673

01:02:46,789 --> 01:02:45,200

parasites they feed off of the fear and

1674

01:02:48,710 --> 01:02:46,799

then they get stronger and then the the

1675

01:02:51,270 --> 01:02:48,720

effects get stronger and then things

1676

01:02:52,870 --> 01:02:51,280

start moving around you get really

1677

01:02:54,789 --> 01:02:52,880

really scared and they feed off of that

1678

01:02:56,549 --> 01:02:54,799

fear um and it gets stronger and

1679

01:02:58,309 --> 01:02:56,559

stronger and stronger that's that's his

1680

01:03:00,390 --> 01:02:58,319

theory and why it taught it starts off

1681

01:03:02,870 --> 01:03:00,400

very small and it gets growing it grows

1682

01:03:03,829 --> 01:03:02,880

and gets more and more intense

1683

01:03:05,190 --> 01:03:03,839

um

1684

01:03:07,190 --> 01:03:05,200

and then i'm thinking

1685

01:03:08,390 --> 01:03:07,200

that's how saiyan's seances are if you

1686

01:03:10,710 --> 01:03:08,400

listen

1687

01:03:13,109 --> 01:03:10,720

read stuff about physical mediumship the

1688

01:03:15,109 --> 01:03:13,119

seances start off with

1689

01:03:17,349 --> 01:03:15,119

nothing for sometimes these folks will

1690

01:03:18,950 --> 01:03:17,359

sit in this seance for for a year and

1691

01:03:20,470 --> 01:03:18,960

not get any

1692

01:03:22,710 --> 01:03:20,480

phenomena

1693

01:03:25,029 --> 01:03:22,720

and then it'll start up once again it'll

1694

01:03:26,789 --> 01:03:25,039

start off very very small and then build

1695

01:03:28,390 --> 01:03:26,799

but there's no fear going on those

1696

01:03:31,510 --> 01:03:28,400

people are singing

1697

01:03:33,829 --> 01:03:31,520

like hymns and positive stuff so

1698

01:03:35,829 --> 01:03:33,839

if there is a connection between seances

1699

01:03:37,670 --> 01:03:35,839

and the phenomena seen there

1700

01:03:39,990 --> 01:03:37,680

and poltergeist then

1701

01:03:41,589 --> 01:03:40,000

i don't know why it starts off little

1702

01:03:43,829 --> 01:03:41,599

and grows you know that's a question

1703

01:03:45,829 --> 01:03:43,839

i've always wondered is it coming from

1704

01:03:49,109 --> 01:03:45,839

us is it i'm still open that it's coming

1705

01:03:50,549 --> 01:03:49,119

from us some poltergeist activity

1706

01:03:52,069 --> 01:03:50,559

some of the stuff in the seance it's

1707

01:03:53,190 --> 01:03:52,079

coming from us it's funny because in

1708

01:03:56,390 --> 01:03:53,200

poltergeist

1709

01:03:59,109 --> 01:03:56,400

cases you'll see a hand

1710

01:04:00,470 --> 01:03:59,119

manifest in leslie kane's

1711

01:04:02,789 --> 01:04:00,480

mediumship

1712

01:04:04,470 --> 01:04:02,799

seance with stuart alexander she saw a

1713

01:04:05,430 --> 01:04:04,480

hand manifest

1714

01:04:08,630 --> 01:04:05,440

so

1715

01:04:11,109 --> 01:04:08,640

the actual

1716

01:04:12,789 --> 01:04:11,119

other intelligence i don't know but i do

1717

01:04:15,109 --> 01:04:12,799

believe that stuff goes on to me that's

1718

01:04:17,910 --> 01:04:15,119

not a question my question is what the

1719

01:04:19,670 --> 01:04:17,920

hell is it where is it originating uh

1720

01:04:22,150 --> 01:04:19,680

from and you know do we have to is it

1721

01:04:24,630 --> 01:04:22,160

anything we have to worry about

1722

01:04:26,549 --> 01:04:24,640

like yeah obviously if you if you have

1723

01:04:28,390 --> 01:04:26,559

poltergeist activity in your house like

1724

01:04:30,390 --> 01:04:28,400

the people who went to skinwalker and

1725

01:04:31,510 --> 01:04:30,400

other folks who took it home with them

1726

01:04:33,029 --> 01:04:31,520

you don't want to deal with that it

1727

01:04:34,870 --> 01:04:33,039

ruins your life you know it disrupts

1728

01:04:36,870 --> 01:04:34,880

your life but if you're somebody like

1729

01:04:38,710 --> 01:04:36,880

who doesn't have any of that stuff is it

1730

01:04:39,910 --> 01:04:38,720

something

1731

01:04:41,349 --> 01:04:39,920

that we should worry about that it's

1732

01:04:43,109 --> 01:04:41,359

going to turn into something down the

1733

01:04:44,710 --> 01:04:43,119

road you know i guess we need to find

1734

01:04:46,789 --> 01:04:44,720

out what it is first

1735

01:04:48,309 --> 01:04:46,799

um just like ufos what are your

1736

01:04:50,069 --> 01:04:48,319

intentions

1737

01:04:51,670 --> 01:04:50,079

it would be the best result would be

1738

01:04:55,349 --> 01:04:51,680

it's coming from us we're able to

1739

01:04:57,029 --> 01:04:55,359

somehow create pk effects psychokinesis

1740

01:04:59,190 --> 01:04:57,039

um that we don't have to worry about

1741

01:05:01,109 --> 01:04:59,200

some other intelligence but i don't

1742

01:05:04,309 --> 01:05:01,119

uh there's so many different opinions on

1743

01:05:06,789 --> 01:05:04,319

that barry taff parapsychologist thinks

1744

01:05:12,230 --> 01:05:06,799

most of it's coming from us

1745

01:05:12,240 --> 01:05:15,750

so lou says

1746

01:05:22,630 --> 01:05:17,750

there's a systemic problem congress and

1747

01:05:25,990 --> 01:05:24,069

if the air force

1748

01:05:27,829 --> 01:05:26,000

that's the problem with not transcribing

1749

01:05:29,270 --> 01:05:27,839

i'm not really sure what that means

1750

01:05:30,789 --> 01:05:29,280

if the air force doesn't want to tell

1751

01:05:33,589 --> 01:05:30,799

the american people

1752

01:05:35,430 --> 01:05:33,599

fine of course i don't think that's fine

1753

01:05:36,950 --> 01:05:35,440

he goes but they better not and i think

1754

01:05:39,109 --> 01:05:36,960

he means that

1755

01:05:40,710 --> 01:05:39,119

they're not going to jail for that

1756

01:05:44,549 --> 01:05:40,720

he goes

1757

01:05:46,150 --> 01:05:44,559

but he says but they're not they better

1758

01:05:49,349 --> 01:05:46,160

not hide it from congress or the

1759

01:05:52,150 --> 01:05:49,359

secretary of defense or the dni

1760

01:05:55,589 --> 01:05:52,160

at that point it's a rogue element

1761

01:05:57,589 --> 01:05:55,599

and they don't want to go down that road

1762

01:05:59,750 --> 01:05:57,599

yeah that would be an amazing thing if

1763

01:06:01,190 --> 01:05:59,760

they still fight and congress i don't

1764

01:06:02,710 --> 01:06:01,200

know how congress would handle that

1765

01:06:05,109 --> 01:06:02,720

would they'd have to offer subpoenas

1766

01:06:07,510 --> 01:06:05,119

would they ignore subpoenas

1767

01:06:09,109 --> 01:06:07,520

to come testify

1768

01:06:10,950 --> 01:06:09,119

are they going to destroy evidence if

1769

01:06:13,349 --> 01:06:10,960

they believe that

1770

01:06:14,309 --> 01:06:13,359

talking about ufos and investigating

1771

01:06:15,990 --> 01:06:14,319

them

1772

01:06:18,230 --> 01:06:16,000

it's going to ruin

1773

01:06:19,990 --> 01:06:18,240

the planet and invite demons in maybe

1774

01:06:22,870 --> 01:06:20,000

they'll be so desperate to destroy

1775

01:06:24,470 --> 01:06:22,880

documents you know i don't know i mean

1776

01:06:26,710 --> 01:06:24,480

if they're really that strong in their

1777

01:06:29,750 --> 01:06:26,720

belief they're saving the human race who

1778

01:06:31,109 --> 01:06:29,760

knows you can't put anything past that

1779

01:06:33,029 --> 01:06:31,119

lou says

1780

01:06:35,430 --> 01:06:33,039

i'm gonna have to take a break and get

1781

01:06:37,829 --> 01:06:35,440

another drink but he says if because if

1782

01:06:40,230 --> 01:06:37,839

i was in congress i'd haul the air force

1783

01:06:42,150 --> 01:06:40,240

up there on capitol hill so fast you'd

1784

01:06:43,430 --> 01:06:42,160

hear a sonic boom

1785

01:06:45,190 --> 01:06:43,440

and uh

1786

01:06:46,309 --> 01:06:45,200

jimmy church says the air force brats

1787

01:06:48,150 --> 01:06:46,319

are telling their

1788

01:06:49,589 --> 01:06:48,160

folks not to discuss the topic in

1789

01:06:54,069 --> 01:06:49,599

certain

1790

01:06:56,309 --> 01:06:54,079

rooms and the air force is jumping in

1791

01:06:59,670 --> 01:06:56,319

and saying you need to not talk about

1792

01:07:01,589 --> 01:06:59,680

that in those chat rooms

1793

01:07:03,029 --> 01:07:01,599

and lucy says there's certain elements

1794

01:07:04,870 --> 01:07:03,039

in the intelligence community that

1795

01:07:07,190 --> 01:07:04,880

actually want to shut those chat downs

1796

01:07:08,950 --> 01:07:07,200

room why they say it's because there's

1797

01:07:11,510 --> 01:07:08,960

no funding

1798

01:07:14,630 --> 01:07:11,520

i mean obviously to run a chat room is

1799

01:07:16,950 --> 01:07:14,640

not very expensive so and they both said

1800

01:07:18,630 --> 01:07:16,960

that's ridiculous

1801
01:07:22,230 --> 01:07:18,640
and the church said is there a way to

1802
01:07:25,190 --> 01:07:22,240
get the get to the air force raider data

1803
01:07:26,470 --> 01:07:25,200
and a way to get at it lou says yes he

1804
01:07:27,990 --> 01:07:26,480
thinks that will happen but he's not

1805
01:07:28,789 --> 01:07:28,000
sure if the air force will help with

1806
01:07:31,829 --> 01:07:28,799
that

1807
01:07:33,750 --> 01:07:31,839
we may have to do it without them

1808
01:07:35,430 --> 01:07:33,760
but do it without them make sure they

1809
01:07:37,109 --> 01:07:35,440
don't make sure they don't destroy

1810
01:07:39,670 --> 01:07:37,119
anything

1811
01:07:41,589 --> 01:07:39,680
um i have not followed the trump story

1812
01:07:43,430 --> 01:07:41,599
that closely but supposedly he destroyed

1813
01:07:45,750 --> 01:07:43,440

records um

1814

01:07:46,630 --> 01:07:45,760

which i think is illegal so if the air

1815

01:07:48,390 --> 01:07:46,640

force

1816

01:07:49,270 --> 01:07:48,400

if they do that people need to pay for

1817

01:07:53,990 --> 01:07:49,280

that

1818

01:07:56,230 --> 01:07:54,000

the transfer from digital from paper to

1819

01:07:58,870 --> 01:07:56,240

digital that a lot of records might have

1820

01:08:01,270 --> 01:07:58,880

gotten lost that way which really sucks

1821

01:08:02,950 --> 01:08:01,280

we'll never get it back

1822

01:08:05,589 --> 01:08:02,960

um

1823

01:08:08,950 --> 01:08:05,599

as long if we do have a a piece of a

1824

01:08:10,710 --> 01:08:08,960

wreckage or of a ufo or a full intact

1825

01:08:11,670 --> 01:08:10,720

ufo that's the most important thing to

1826

01:08:13,750 --> 01:08:11,680

me

1827

01:08:15,750 --> 01:08:13,760

um

1828

01:08:16,870 --> 01:08:15,760

because you can't re you can't recreate

1829

01:08:18,550 --> 01:08:16,880

that

1830

01:08:20,070 --> 01:08:18,560

um can't recreate it you can't have

1831

01:08:21,669 --> 01:08:20,080

people people could tell the story but

1832

01:08:24,470 --> 01:08:21,679

it's not the same thing as showing

1833

01:08:26,870 --> 01:08:24,480

people here it is that's the most

1834

01:08:29,189 --> 01:08:26,880

game-changing piece of information

1835

01:08:31,269 --> 01:08:29,199

is showing people here it is this is

1836

01:08:34,229 --> 01:08:31,279

what we have

1837

01:08:38,870 --> 01:08:35,510

he kind of

1838

01:08:40,550 --> 01:08:38,880

know the

1839

01:08:44,309 --> 01:08:40,560

the comparison between what he dealt

1840

01:08:47,269 --> 01:08:44,319

with when he was at the oh you oh usdi

1841

01:08:48,309 --> 01:08:47,279

um and how the air force the air force

1842

01:08:50,470 --> 01:08:48,319

folks

1843

01:08:52,709 --> 01:08:50,480

the way they're obfuscating he's kind of

1844

01:08:55,030 --> 01:08:52,719

getting close to saying it's a religious

1845

01:08:56,630 --> 01:08:55,040

thing but he he didn't say it

1846

01:08:58,789 --> 01:08:56,640

he just says it's a small band of

1847

01:09:01,510 --> 01:08:58,799

bureaucracy in the air force that's been

1848

01:09:02,470 --> 01:09:01,520

staunchly opposed to this topic well

1849

01:09:04,829 --> 01:09:02,480

that's

1850

01:09:06,709 --> 01:09:04,839

those are the columns elite type of

1851
01:09:11,990 --> 01:09:06,719
folks

1852
01:09:14,789 --> 01:09:12,000
this topic addressed

1853
01:09:17,030 --> 01:09:14,799
the navy facilitated navy folks going up

1854
01:09:18,630 --> 01:09:17,040
to congress to testify

1855
01:09:21,910 --> 01:09:18,640
kudos to the navy

1856
01:09:23,829 --> 01:09:21,920
the air force should learn from that

1857
01:09:25,910 --> 01:09:23,839
lewis you know we heard that supposedly

1858
01:09:27,590 --> 01:09:25,920
that now there's some sort of new

1859
01:09:29,349 --> 01:09:27,600
reporting thing in place for the air

1860
01:09:31,030 --> 01:09:29,359
force lou says

1861
01:09:32,709 --> 01:09:31,040
he's not aware of any air force

1862
01:09:35,829 --> 01:09:32,719
regulation

1863
01:09:37,910 --> 01:09:35,839

he goes that was put in place he goes

1864

01:09:40,229 --> 01:09:37,920

that encourages them to report uh their

1865

01:09:41,749 --> 01:09:40,239

uap incidents

1866

01:09:43,110 --> 01:09:41,759

because i'm not aware of any air force

1867

01:09:44,309 --> 01:09:43,120

regulation that's been probably

1868

01:09:45,829 --> 01:09:44,319

promulgated

1869

01:09:47,749 --> 01:09:45,839

it doesn't mean it's not there but

1870

01:09:49,749 --> 01:09:47,759

usually if it's there he would be aware

1871

01:09:52,390 --> 01:09:49,759

of it so that's not good

1872

01:09:54,630 --> 01:09:52,400

that was kathleen that was in the

1873

01:09:56,229 --> 01:09:54,640

the 180 day report and mentioned the air

1874

01:09:57,590 --> 01:09:56,239

force had started something a couple of

1875

01:10:00,870 --> 01:09:57,600

months ago so

1876

01:10:03,110 --> 01:10:00,880

but he's saying that's not true

1877

01:10:05,430 --> 01:10:03,120

and then church brings up how

1878

01:10:07,669 --> 01:10:05,440

in the gila brand amendment you know

1879

01:10:09,830 --> 01:10:07,679

crash retrievals are in there why would

1880

01:10:12,229 --> 01:10:09,840

they include traffic crash receivable

1881

01:10:13,669 --> 01:10:12,239

retrievals if there's nothing there lou

1882

01:10:16,229 --> 01:10:13,679

and lou's like i'm not at liberty to

1883

01:10:18,790 --> 01:10:16,239

discuss anything related to cr i think

1884

01:10:21,189 --> 01:10:18,800

he said cr

1885

01:10:23,669 --> 01:10:21,199

um but kudos so those folks are wanting

1886

01:10:26,229 --> 01:10:23,679

to find out for wanting to find out find

1887

01:10:27,990 --> 01:10:26,239

out and get to the bottom of it

1888

01:10:31,910 --> 01:10:28,000

and they were given information by eric

1889

01:10:34,470 --> 01:10:31,920

davis to go look for that information so

1890

01:10:36,070 --> 01:10:34,480

i don't know if they started to look yet

1891

01:10:38,470 --> 01:10:36,080

but for folks who don't know chris

1892

01:10:40,630 --> 01:10:38,480

mellon said on cnn on michael

1893

01:10:42,790 --> 01:10:40,640

schmerkanisch saying i was there with

1894

01:10:48,149 --> 01:10:42,800

eric and he provided them information so

1895

01:10:52,149 --> 01:10:50,390

and church brings up the the julibrand

1896

01:10:53,910 --> 01:10:52,159

amendment and health related effects and

1897

01:10:57,270 --> 01:10:53,920

lugos there's no secret we were looking

1898

01:10:59,669 --> 01:10:57,280

at potential biological effects uap

1899

01:11:01,910 --> 01:10:59,679

might or might have on biological

1900

01:11:04,630 --> 01:11:01,920

specimens then he brings up havana

1901

01:11:08,149 --> 01:11:04,640

syndrome but he wasn't making a uap ufo

1902

01:11:09,750 --> 01:11:08,159

connection there to havana

1903

01:11:11,270 --> 01:11:09,760

he goes how americans are getting sick

1904

01:11:14,310 --> 01:11:11,280

he goes

1905

01:11:16,229 --> 01:11:14,320

but either ufos or not if there's an

1906

01:11:17,990 --> 01:11:16,239

advanced tech out there that's harming

1907

01:11:20,950 --> 01:11:18,000

humans we need to get to the bottom of

1908

01:11:24,870 --> 01:11:22,390

and then he mentions the whole

1909

01:11:26,470 --> 01:11:24,880

comparison between threat and hostile

1910

01:11:28,709 --> 01:11:26,480

intent you know

1911

01:11:30,070 --> 01:11:28,719

if you're at an airport um and you stand

1912

01:11:32,229 --> 01:11:30,080

behind an engine

1913

01:11:34,070 --> 01:11:32,239

of an airplane that's a threat you know

1914

01:11:36,470 --> 01:11:34,080

there's not hostile intent you're just

1915

01:11:38,709 --> 01:11:36,480

putting yourself in harm's way just like

1916

01:11:43,030 --> 01:11:38,719

if you get cl too close to a ufo when

1917

01:11:46,229 --> 01:11:44,229

sorry

1918

01:11:47,910 --> 01:11:46,239

how how put off says if you see a ufo

1919

01:11:49,510 --> 01:11:47,920

about to take off it's on the ground

1920

01:11:51,270 --> 01:11:49,520

it's about to uh

1921

01:11:52,870 --> 01:11:51,280

power up and take off

1922

01:11:54,550 --> 01:11:52,880

just stay away

1923

01:11:56,709 --> 01:11:54,560

because you'll get radiation poisoning

1924

01:11:57,910 --> 01:11:56,719

so basically yeah it's a threat to our

1925

01:12:00,470 --> 01:11:57,920

our health

1926

01:12:02,229 --> 01:12:00,480

but but are they intentionally you know

1927

01:12:04,390 --> 01:12:02,239

hostile to us

1928

01:12:05,750 --> 01:12:04,400

we don't know

1929

01:12:07,510 --> 01:12:05,760

but we can look

1930

01:12:09,270 --> 01:12:07,520

he goes we can look at the biological

1931

01:12:11,030 --> 01:12:09,280

consequences

1932

01:12:13,030 --> 01:12:11,040

from being too close to these craft and

1933

01:12:15,110 --> 01:12:13,040

then figure out what caused the injuries

1934

01:12:16,950 --> 01:12:15,120

you know what kind of technology is it

1935

01:12:19,189 --> 01:12:16,960

you know kid green spoke to

1936

01:12:20,390 --> 01:12:19,199

jim penisting and peniston is basically

1937

01:12:22,310 --> 01:12:20,400

saying

1938

01:12:24,550 --> 01:12:22,320

we could look at the tech to figure out

1939

01:12:26,310 --> 01:12:24,560

where the technology is coming what type

1940

01:12:28,310 --> 01:12:26,320

of technology it is

1941

01:12:29,990 --> 01:12:28,320

by looking at the injuries and then

1942

01:12:31,590 --> 01:12:30,000

maybe what kind of propulsion because

1943

01:12:33,510 --> 01:12:31,600

that's obviously our

1944

01:12:35,189 --> 01:12:33,520

we want to exploit the propulsion

1945

01:12:37,669 --> 01:12:35,199

because we're

1946

01:12:39,270 --> 01:12:37,679

that's what governments do unfortunately

1947

01:12:42,149 --> 01:12:39,280

you know that's we want to exploit

1948

01:12:43,590 --> 01:12:42,159

exploited split

1949

01:12:46,310 --> 01:12:43,600

unfortunately that's the world we live

1950

01:12:48,390 --> 01:12:46,320

in you know in my

1951

01:12:50,709 --> 01:12:48,400

my world my make-believe world we all

1952

01:12:52,950 --> 01:12:50,719

get along and we just want to figure out

1953

01:12:54,950 --> 01:12:52,960

what this means for humanity maybe one

1954

01:12:56,550 --> 01:12:54,960

day we'll get there but right now

1955

01:12:58,870 --> 01:12:56,560

technology and the

1956

01:13:01,189 --> 01:12:58,880

the use of this technology for a weapon

1957

01:13:02,790 --> 01:13:01,199

is what rains

1958

01:13:06,229 --> 01:13:02,800

you know

1959

01:13:06,239 --> 01:13:09,750

and

1960

01:13:15,830 --> 01:13:11,669

i mentioned the panasonic green

1961

01:13:17,830 --> 01:13:15,840

conversation and then jimmy says

1962

01:13:20,310 --> 01:13:17,840

are you a p under intelligent

1963

01:13:22,310 --> 01:13:20,320

control

1964

01:13:24,070 --> 01:13:22,320

are they occupied and lou goes yes

1965

01:13:25,830 --> 01:13:24,080

there's conversations that are ongoing

1966

01:13:28,229 --> 01:13:25,840

about those you know

1967

01:13:30,630 --> 01:13:28,239

those questions

1968

01:13:33,270 --> 01:13:30,640

in previous interviews lou has spoken

1969

01:13:35,669 --> 01:13:33,280

about occupants

1970

01:13:37,750 --> 01:13:35,679

i'm not sure if it was on andy's that

1971

01:13:39,189 --> 01:13:37,760

ufo podcast i know he spoke about it on

1972

01:13:40,630 --> 01:13:39,199

the theories of everything with kurt

1973

01:13:42,390 --> 01:13:40,640

where he said

1974

01:13:43,830 --> 01:13:42,400

which i am partially done with that

1975

01:13:45,750 --> 01:13:43,840

transcript i'm not sure if i'm halfway

1976

01:13:47,189 --> 01:13:45,760

done that's a long one but lou has

1977

01:13:48,709 --> 01:13:47,199

spoken about occupants and he said there

1978

01:13:50,630 --> 01:13:48,719

was pictures

1979

01:13:53,910 --> 01:13:50,640

you know not all of them were the same

1980

01:13:55,350 --> 01:13:53,920

fidelity clarity um

1981

01:13:56,310 --> 01:13:55,360

didn't speak about that with jimmy

1982

01:13:58,229 --> 01:13:56,320

church

1983

01:13:59,590 --> 01:13:58,239

luke says there's lots of haters out

1984

01:14:01,350 --> 01:13:59,600

there

1985

01:14:02,790 --> 01:14:01,360

any jokes that a lot of the haters are

1986

01:14:06,149 --> 01:14:02,800

probably just three people using

1987

01:14:09,189 --> 01:14:07,990

and jimmy goes i just want people to

1988

01:14:11,510 --> 01:14:09,199

know

1989

01:14:13,669 --> 01:14:11,520

well you don't agree on everything

1990

01:14:15,910 --> 01:14:13,679

but we can discuss things like adults

1991

01:14:18,070 --> 01:14:15,920

yeah that's pretty much most of us are

1992

01:14:20,310 --> 01:14:18,080

like that i don't need to hear that

1993

01:14:22,790 --> 01:14:20,320

you're such an amazing i'm sorry it's

1994

01:14:25,110 --> 01:14:22,800

just annoying it's like

1995

01:14:26,550 --> 01:14:25,120

i don't agree with everything lou says

1996

01:14:28,790 --> 01:14:26,560

or melon

1997

01:14:31,590 --> 01:14:28,800

i've i've been angry on twitter when

1998

01:14:33,350 --> 01:14:31,600

certain things were said so what

1999

01:14:35,030 --> 01:14:33,360

for the most part

2000

01:14:37,270 --> 01:14:35,040

i can get along with anybody i mean

2001

01:14:40,550 --> 01:14:37,280

there's a couple of people i really try

2002

01:14:41,910 --> 01:14:40,560

to avoid but it's like maybe on one hand

2003

01:14:45,510 --> 01:14:41,920

i can count people like that for the

2004

01:14:48,070 --> 01:14:45,520

most part we can disagree

2005

01:14:49,910 --> 01:14:48,080

we can agree to disagree so i don't he's

2006

01:14:51,189 --> 01:14:49,920

i don't know he thinks he's so special

2007

01:14:52,470 --> 01:14:51,199

but

2008

01:14:55,030 --> 01:14:52,480

i digress

2009

01:14:58,630 --> 01:14:56,950

i was going to say about

2010

01:15:00,070 --> 01:14:58,640

people i disagree with and i forgot

2011

01:15:01,910 --> 01:15:00,080

where i was going

2012

01:15:03,189 --> 01:15:01,920

oh the other thing the people that are

2013

01:15:05,030 --> 01:15:03,199

just spreading

2014

01:15:06,310 --> 01:15:05,040

information that's not accurate those

2015

01:15:07,750 --> 01:15:06,320

people i don't want to deal with those

2016

01:15:09,430 --> 01:15:07,760

people either

2017

01:15:11,030 --> 01:15:09,440

and to me in my opinion steven

2018

01:15:12,790 --> 01:15:11,040

greenstreet is one

2019

01:15:15,270 --> 01:15:12,800

um with his

2020

01:15:18,070 --> 01:15:15,280

it's drones it's drones it's chinese

2021

01:15:20,870 --> 01:15:18,080

drones 2019

2022

01:15:22,870 --> 01:15:20,880

i said it so many times

2023

01:15:25,110 --> 01:15:22,880

it's possible but every piece of

2024

01:15:26,870 --> 01:15:25,120

information i've gotten from

2025

01:15:29,110 --> 01:15:26,880

folks who would be in a position to know

2026

01:15:31,189 --> 01:15:29,120

is they do not think it's drones and

2027

01:15:33,189 --> 01:15:31,199

that goes pretty high up

2028

01:15:33,990 --> 01:15:33,199

i'll leave that at that we still don't

2029

01:15:36,070 --> 01:15:34,000

know

2030

01:15:38,390 --> 01:15:36,080

more information will come out

2031

01:15:41,350 --> 01:15:38,400

and then you can judge those sources of

2032

01:15:42,470 --> 01:15:41,360

information when they come out

2033

01:15:44,470 --> 01:15:42,480

lou says he doesn't have time for

2034

01:15:47,590 --> 01:15:44,480

artificial drama and points out that

2035

01:15:49,430 --> 01:15:47,600

ufology eats its own

2036

01:15:51,709 --> 01:15:49,440

lou says if you're a hater you're really

2037

01:15:55,270 --> 01:15:51,719

going to hate me because i want to

2038

01:15:57,430 --> 01:15:55,280

obliterate ufology as we know it which i

2039

01:15:58,070 --> 01:15:57,440

think is a good thing as we as we know

2040

01:16:05,750 --> 01:15:58,080

it

2041

01:16:07,750 --> 01:16:05,760

through the shredder

2042

01:16:09,590 --> 01:16:07,760

and hopefully what comes out of it is

2043

01:16:10,790 --> 01:16:09,600

something much more scientifically

2044

01:16:12,630 --> 01:16:10,800

focused

2045

01:16:14,870 --> 01:16:12,640

and i say like the work of ted rowe who

2046

01:16:17,270 --> 01:16:14,880

works with um

2047

01:16:19,189 --> 01:16:17,280

narcap ted does some great work and he

2048

01:16:22,790 --> 01:16:19,199

had an amazing

2049

01:16:24,790 --> 01:16:22,800

amazing amazing up close encounter with

2050

01:16:27,590 --> 01:16:24,800

occupants of a craft with two other

2051
01:16:28,870 --> 01:16:27,600
witnesses i believe it was daylight

2052
01:16:30,630 --> 01:16:28,880
um

2053
01:16:32,310 --> 01:16:30,640
i will follow up on that he's spoken

2054
01:16:34,709 --> 01:16:32,320
about it on the erika luke show i'm not

2055
01:16:37,189 --> 01:16:34,719
sure if he went into as much detail

2056
01:16:39,189 --> 01:16:37,199
um i did speak to ted on the phone

2057
01:16:41,189 --> 01:16:39,199
last a couple of months ago really good

2058
01:16:43,110 --> 01:16:41,199
guy he's another one i disagree with on

2059
01:16:44,470 --> 01:16:43,120
stuff like with skinwalker we disagree

2060
01:16:45,669 --> 01:16:44,480
but

2061
01:16:47,669 --> 01:16:45,679
really good guy

2062
01:16:49,189 --> 01:16:47,679
um he's been through a lot related to

2063
01:16:52,950 --> 01:16:49,199

the phenomenon

2064

01:16:56,550 --> 01:16:54,630

and after luke said i wanted to destroy

2065

01:16:57,990 --> 01:16:56,560

ufology and how it is you know jimmy

2066

01:17:00,470 --> 01:16:58,000

church was laughing

2067

01:17:02,229 --> 01:17:00,480

i said but and i'm thinking

2068

01:17:03,990 --> 01:17:02,239

meanwhile jimmy was part of the problem

2069

01:17:05,510 --> 01:17:04,000

i'm not sure who else he has on that's

2070

01:17:06,550 --> 01:17:05,520

like this because i don't listen to his

2071

01:17:08,390 --> 01:17:06,560

show but

2072

01:17:11,189 --> 01:17:08,400

he gave so much time to corey good david

2073

01:17:12,709 --> 01:17:11,199

wilcock emery smith over and over and

2074

01:17:14,070 --> 01:17:12,719

over again because

2075

01:17:16,149 --> 01:17:14,080

it was paying the bills it was good

2076

01:17:17,510 --> 01:17:16,159

ratings and that is not what ufology

2077

01:17:19,350 --> 01:17:17,520

needs

2078

01:17:20,229 --> 01:17:19,360

anyway he's not the only one who does

2079

01:17:22,070 --> 01:17:20,239

that

2080

01:17:25,030 --> 01:17:22,080

lou brings up avi loeb and how we need

2081

01:17:26,790 --> 01:17:25,040

scientific academic and technology

2082

01:17:29,270 --> 01:17:26,800

our communities to step up and have the

2083

01:17:30,709 --> 01:17:29,280

conversation folks like elon musk like

2084

01:17:31,830 --> 01:17:30,719

him or not he goes

2085

01:17:33,830 --> 01:17:31,840

and you know

2086

01:17:35,910 --> 01:17:33,840

and avi talking about um

2087

01:17:37,590 --> 01:17:35,920

might be an interstellar probe because

2088

01:17:39,910 --> 01:17:37,600

every concept in science that we hold

2089

01:17:41,990 --> 01:17:39,920

near and dear to our heart started out

2090

01:17:45,470 --> 01:17:42,000

as someone's zany idea that turned out

2091

01:17:49,430 --> 01:17:48,070

[Music]

2092

01:17:51,669 --> 01:17:49,440

he goes let's look at the topic

2093

01:17:53,590 --> 01:17:51,679

objectively lou says

2094

01:17:56,709 --> 01:17:53,600

because if i could reinvent ufology i

2095

01:17:58,149 --> 01:17:56,719

would because i don't like where it is

2096

01:18:00,070 --> 01:17:58,159

he says he's worked with some folks on

2097

01:18:01,590 --> 01:18:00,080

ufo twitter who are rationally minded

2098

01:18:03,430 --> 01:18:01,600

and want the truth

2099

01:18:05,830 --> 01:18:03,440

there are a lot of people on ufo twitter

2100

01:18:07,430 --> 01:18:05,840

like that i think

2101
01:18:08,630 --> 01:18:07,440
most of the people who i encounter are

2102
01:18:10,149 --> 01:18:08,640
like that

2103
01:18:12,149 --> 01:18:10,159
lou says but then you have other folks

2104
01:18:13,990 --> 01:18:12,159
who are ego pride driven and they think

2105
01:18:15,030 --> 01:18:14,000
the conversation should be all about

2106
01:18:17,189 --> 01:18:15,040
them

2107
01:18:19,350 --> 01:18:17,199
but it should be about us

2108
01:18:21,510 --> 01:18:19,360
and then lou and melon he says our

2109
01:18:23,669 --> 01:18:21,520
advisors to galileo

2110
01:18:25,510 --> 01:18:23,679
trying to use tech to try to figure out

2111
01:18:27,669 --> 01:18:25,520
figure this out by collecting data on

2112
01:18:29,430 --> 01:18:27,679
uap

2113
01:18:31,990 --> 01:18:29,440

and they're trying to dispel some of the

2114

01:18:33,590 --> 01:18:32,000

stigma and taboo with the subject

2115

01:18:35,189 --> 01:18:33,600

and lu says there's a university in

2116

01:18:37,910 --> 01:18:35,199

germany and a college in the united

2117

01:18:40,630 --> 01:18:37,920

states that have a curriculum curriculum

2118

01:18:42,550 --> 01:18:40,640

on uap that's happened before

2119

01:18:44,070 --> 01:18:42,560

um so that's a good thing that's if it's

2120

01:18:46,870 --> 01:18:44,080

happening again

2121

01:18:48,709 --> 01:18:46,880

um he says one of them is the ndu no i

2122

01:18:50,709 --> 01:18:48,719

think it's a national defense university

2123

01:18:51,750 --> 01:18:50,719

and which is connected to the government

2124

01:18:55,590 --> 01:18:51,760

and

2125

01:18:57,669 --> 01:18:55,600

of discussion on uap so

2126

01:18:59,270 --> 01:18:57,679

we

2127

01:19:01,110 --> 01:18:59,280

i'm not sure if this is lou or me saying

2128

01:19:03,510 --> 01:19:01,120

this but we need the best and brightest

2129

01:19:05,510 --> 01:19:03,520

working on this yeah it's lou

2130

01:19:07,430 --> 01:19:05,520

along with everybody else which we all

2131

01:19:09,750 --> 01:19:07,440

agree with we need if imagine what

2132

01:19:11,669 --> 01:19:09,760

progress we can make if

2133

01:19:13,830 --> 01:19:11,679

we had every

2134

01:19:16,149 --> 01:19:13,840

brilliant person in the world given all

2135

01:19:19,830 --> 01:19:16,159

of the data and say here's the data what

2136

01:19:23,030 --> 01:19:21,830

church says are you worried if avi makes

2137

01:19:24,709 --> 01:19:23,040

a discovery of something

2138

01:19:26,550 --> 01:19:24,719

extraterrestrial the government's gonna

2139

01:19:29,110 --> 01:19:26,560

come in and run interference and take

2140

01:19:30,870 --> 01:19:29,120

the info and then it won't go public and

2141

01:19:32,630 --> 01:19:30,880

lou goes

2142

01:19:34,310 --> 01:19:32,640

he goes no the cat's out of the bag it's

2143

01:19:36,149 --> 01:19:34,320

too late for that it's like trying to

2144

01:19:37,669 --> 01:19:36,159

put a finger in the dike at this point

2145

01:19:39,270 --> 01:19:37,679

it's fruitless because cracks are

2146

01:19:40,870 --> 01:19:39,280

popping up all over

2147

01:19:43,030 --> 01:19:40,880

he doesn't he doesn't like using the

2148

01:19:44,470 --> 01:19:43,040

word leaks of course because he doesn't

2149

01:19:46,229 --> 01:19:44,480

support leaks

2150

01:19:47,750 --> 01:19:46,239

like the leaks that happen with corbel

2151
01:19:50,149 --> 01:19:47,760
and nap

2152
01:19:51,910 --> 01:19:50,159
he says he thinks avi and the galileo

2153
01:19:53,750 --> 01:19:51,920
project have a decent chance of finding

2154
01:19:55,669 --> 01:19:53,760
something

2155
01:19:56,950 --> 01:19:55,679
and rather than suppress this

2156
01:19:59,030 --> 01:19:56,960
information these folks should be

2157
01:20:00,950 --> 01:19:59,040
offered a nobel peace prize because if

2158
01:20:02,630 --> 01:20:00,960
they do find something or if anybody

2159
01:20:09,110 --> 01:20:02,640
finds something it could bring all of us

2160
01:20:11,669 --> 01:20:10,310
and

2161
01:20:13,590 --> 01:20:11,679
church brings up you know people

2162
01:20:15,510 --> 01:20:13,600
consider louis pitbull and lou's like

2163
01:20:16,870 --> 01:20:15,520

yeah they're people maybe some in dod

2164

01:20:19,750 --> 01:20:16,880

who consider me

2165

01:20:21,990 --> 01:20:19,760

uh that proverbial pitbull ufo guy i

2166

01:20:23,669 --> 01:20:22,000

prefer to be known as the pitbull

2167

01:20:26,790 --> 01:20:23,679

transparency guy

2168

01:20:28,790 --> 01:20:26,800

ufos are just one topic but you know

2169

01:20:30,790 --> 01:20:28,800

we're facing a national crisis where

2170

01:20:34,470 --> 01:20:30,800

faith and confidence people have in our

2171

01:20:36,390 --> 01:20:34,480

institutions is at an all-time low

2172

01:20:38,709 --> 01:20:36,400

american people deserve to know about a

2173

01:20:40,629 --> 01:20:38,719

lot of things not just ufos

2174

01:20:41,590 --> 01:20:40,639

and i'll make sure that comes to light

2175

01:20:44,470 --> 01:20:41,600

too

2176
01:20:46,950 --> 01:20:44,480
once once we reach critical mass

2177
01:20:49,030 --> 01:20:46,960
on ufos uh he can sit back and relax a

2178
01:20:50,470 --> 01:20:49,040
bit but then he wants to explore other

2179
01:20:52,870 --> 01:20:50,480
issues because the american people

2180
01:20:55,030 --> 01:20:52,880
deserve to know as soon as he said that

2181
01:20:56,950 --> 01:20:55,040
i'm thinking jfk

2182
01:20:59,910 --> 01:20:56,960
um

2183
01:21:01,350 --> 01:20:59,920
i'm sure what else what else besides jfk

2184
01:21:02,550 --> 01:21:01,360
i don't know but i want to know what he

2185
01:21:05,669 --> 01:21:02,560
knows

2186
01:21:07,270 --> 01:21:05,679
he said lou says i'm not a uf ufo guy

2187
01:21:09,270 --> 01:21:07,280
i'm an ex-government guy that wants

2188
01:21:12,229 --> 01:21:09,280

transparency there's lots of topics i

2189

01:21:14,470 --> 01:21:12,239

think americans would be shocked

2190

01:21:16,790 --> 01:21:14,480

and then he goes and he brings up jfk he

2191

01:21:19,669 --> 01:21:16,800

goes why and this it's so ridiculous

2192

01:21:23,510 --> 01:21:19,679

he's so right why can we not see all the

2193

01:21:27,030 --> 01:21:23,520

documents now and not wait 25 years

2194

01:21:29,830 --> 01:21:27,040

the man was killed in 1963 it's like and

2195

01:21:31,110 --> 01:21:29,840

lugos that's crap it's try it is crap i

2196

01:21:33,110 --> 01:21:31,120

mean

2197

01:21:36,229 --> 01:21:33,120

that tells us there's something

2198

01:21:38,390 --> 01:21:36,239

blockbuster it's gotta be you're not

2199

01:21:41,189 --> 01:21:38,400

protecting sources and methods or people

2200

01:21:43,750 --> 01:21:41,199

at this point come on

2201
01:21:45,590 --> 01:21:43,760
logos there's no other there's no reason

2202
01:21:48,149 --> 01:21:45,600
than to cover your ass that's why

2203
01:21:50,149 --> 01:21:48,159
they're keeping this stuff secret so

2204
01:21:51,750 --> 01:21:50,159
somebody's gonna look really bad and

2205
01:21:53,910 --> 01:21:51,760
whatever information comes out it may

2206
01:21:56,390 --> 01:21:53,920
not be anything dark conspiracy-wise but

2207
01:21:58,229 --> 01:21:56,400
somebody's gonna look really bad

2208
01:22:00,310 --> 01:21:58,239
he goes you keep the stuck blue girls

2209
01:22:01,669 --> 01:22:00,320
you keep the secret to protect sources

2210
01:22:03,350 --> 01:22:01,679
and methods

2211
01:22:04,870 --> 01:22:03,360
he goes and that's not what's going on

2212
01:22:07,189 --> 01:22:04,880
here with jfk

2213
01:22:10,470 --> 01:22:08,790

you could still get the information out

2214

01:22:12,229 --> 01:22:10,480

and protect sources and methods and

2215

01:22:14,709 --> 01:22:12,239

that's my arguing about argument about

2216

01:22:17,510 --> 01:22:14,719

some of the videos they can they can

2217

01:22:19,350 --> 01:22:17,520

edit and blur stuff and show us some of

2218

01:22:20,950 --> 01:22:19,360

these videos

2219

01:22:22,950 --> 01:22:20,960

he goes there are other issues he brings

2220

01:22:25,189 --> 01:22:22,960

up the pentagon papers how we would lie

2221

01:22:26,550 --> 01:22:25,199

to about vietnam

2222

01:22:28,629 --> 01:22:26,560

you know

2223

01:22:32,629 --> 01:22:28,639

but people really didn't seem to care uh

2224

01:22:37,750 --> 01:22:34,470

he goes but he's not like that lou says

2225

01:22:39,430 --> 01:22:37,760

i will not just roll over

2226

01:22:41,910 --> 01:22:39,440

i'm not going to listen to some bs from

2227

01:22:44,390 --> 01:22:41,920

a guy dropping flares out of a plane

2228

01:22:47,030 --> 01:22:44,400

another greer reference that's crap

2229

01:22:49,270 --> 01:22:47,040

that's criminal this is a serious topic

2230

01:22:51,510 --> 01:22:49,280

and i'm committed to it if the american

2231

01:22:53,350 --> 01:22:51,520

people really don't want to know

2232

01:22:55,750 --> 01:22:53,360

then i'll just go pack my stuff and go

2233

01:22:57,350 --> 01:22:55,760

work at walmart hi i'm lou welcome to

2234

01:22:59,590 --> 01:22:57,360

walmart

2235

01:23:01,430 --> 01:22:59,600

he'd rather not be in the public eye and

2236

01:23:02,870 --> 01:23:01,440

not put his family through this but he's

2237

01:23:04,229 --> 01:23:02,880

doing it because he's committed to the

2238

01:23:05,750 --> 01:23:04,239

cause

2239

01:23:06,470 --> 01:23:05,760

you know you either feel this way or you

2240

01:23:10,550 --> 01:23:06,480

don't

2241

01:23:14,550 --> 01:23:10,560

perch asks if the why i have to i have

2242

01:25:00,709 --> 01:23:17,270

give me one second i will put up my

2243

01:25:03,990 --> 01:25:02,629

all right

2244

01:25:08,149 --> 01:25:04,000

i'm back i just had to get something to

2245

01:25:14,390 --> 01:25:09,910

let's see

2246

01:25:19,270 --> 01:25:15,830

is the white house having the

2247

01:25:21,510 --> 01:25:19,280

conversation and lou says

2248

01:25:22,709 --> 01:25:21,520

well the white house isn't a monolithic

2249

01:25:24,870 --> 01:25:22,719

entity

2250

01:25:27,430 --> 01:25:24,880

you have the national national security

2251
01:25:31,430 --> 01:25:27,440
council the white house advisors senior

2252
01:25:33,270 --> 01:25:31,440
cabinet members of the agencies

2253
01:25:35,830 --> 01:25:33,280
and departments he goes quite a few

2254
01:25:37,750 --> 01:25:35,840
people need to be brought into the loop

2255
01:25:40,550 --> 01:25:37,760
i'm not going to speak on behalf of this

2256
01:25:42,310 --> 01:25:40,560
administration or any administration

2257
01:25:45,510 --> 01:25:42,320
i'm not part of their i'm not part of

2258
01:25:47,510 --> 01:25:45,520
their cabinet and until i am

2259
01:25:49,030 --> 01:25:47,520
i was like wait a minute until i am is

2260
01:25:50,790 --> 01:25:49,040
it easy trying to tell us something is

2261
01:25:53,430 --> 01:25:50,800
he gonna become part of the biden

2262
01:25:54,790 --> 01:25:53,440
administration that would be amazing

2263
01:25:56,070 --> 01:25:54,800

he goes

2264

01:25:57,669 --> 01:25:56,080

i don't know what they're talking about

2265

01:25:59,669 --> 01:25:57,679

on the inside i can tell you what the

2266

01:26:02,950 --> 01:25:59,679

layers below them

2267

01:26:05,270 --> 01:26:02,960

saying and they're taking this topic

2268

01:26:08,629 --> 01:26:05,280

very seriously i can tell you some high

2269

01:26:10,709 --> 01:26:08,639

f some folks in some very high places

2270

01:26:13,030 --> 01:26:10,719

before they were in these positions and

2271

01:26:14,390 --> 01:26:13,040

he's talking i know specifically about

2272

01:26:16,550 --> 01:26:14,400

vice president

2273

01:26:18,470 --> 01:26:16,560

kamala harris he goes well they were

2274

01:26:19,910 --> 01:26:18,480

probably privy to this

2275

01:26:21,430 --> 01:26:19,920

conversation

2276
01:26:23,110 --> 01:26:21,440
because they were in the senate select

2277
01:26:24,470 --> 01:26:23,120
intelligence commit senate armed

2278
01:26:25,750 --> 01:26:24,480
services committee senate select

2279
01:26:27,669 --> 01:26:25,760
committee on intelligence on

2280
01:26:29,430 --> 01:26:27,679
intelligence harris was

2281
01:26:31,030 --> 01:26:29,440
i think she was not sure if he was she

2282
01:26:33,350 --> 01:26:31,040
was part of both of them but i think she

2283
01:26:35,590 --> 01:26:33,360
was part of the ssci

2284
01:26:38,390 --> 01:26:35,600
um

2285
01:26:40,310 --> 01:26:38,400
so she probably has information

2286
01:26:46,629 --> 01:26:40,320
at least she got it from her staffers if

2287
01:26:50,229 --> 01:26:48,550
and then he's lewis asks how he sees

2288
01:26:51,830 --> 01:26:50,239

2022

2289

01:26:54,390 --> 01:26:51,840

you know it's some is there a timeline

2290

01:26:55,750 --> 01:26:54,400

for when some big event or some info is

2291

01:26:58,149 --> 01:26:55,760

going to be revealed

2292

01:26:59,430 --> 01:26:58,159

mid year or in a month and lose like i

2293

01:27:02,149 --> 01:26:59,440

don't like to be

2294

01:27:06,629 --> 01:27:02,159

specific i'd rather

2295

01:27:11,350 --> 01:27:09,590

and then over deliver in the beginning

2296

01:27:13,270 --> 01:27:11,360

i said we were gonna have a

2297

01:27:14,629 --> 01:27:13,280

fundamentally different conversation in

2298

01:27:17,350 --> 01:27:14,639

a year he's talking about in the

2299

01:27:18,550 --> 01:27:17,360

beginning 2017 he goes

2300

01:27:22,470 --> 01:27:18,560

that happened

2301
01:27:24,550 --> 01:27:22,480
you know i said we'd have a significant

2302
01:27:26,709 --> 01:27:24,560
conversation and we have

2303
01:27:27,990 --> 01:27:26,719
every day conversations are occurring

2304
01:27:29,990 --> 01:27:28,000
and and of course

2305
01:27:31,990 --> 01:27:30,000
he has been right look where we've come

2306
01:27:34,470 --> 01:27:32,000
we have a ufo office we have we have a

2307
01:27:36,709 --> 01:27:34,480
office we have a senator grill

2308
01:27:39,669 --> 01:27:36,719
grilling quote unquote somebody to get

2309
01:27:42,709 --> 01:27:39,679
up to speed on the uap issue during his

2310
01:27:44,070 --> 01:27:42,719
confirmation hearing

2311
01:27:45,430 --> 01:27:44,080
you know i take it for granted when i

2312
01:27:47,590 --> 01:27:45,440
see this stuff but you know it's

2313
01:27:49,350 --> 01:27:47,600

happened with so many people speaking up

2314

01:27:55,189 --> 01:27:49,360

senator

2315

01:27:58,390 --> 01:27:55,199

many people bill nelson it's just yes

2316

01:28:02,550 --> 01:27:58,400

and really amazing

2317

01:28:06,310 --> 01:28:04,070

so he goes

2318

01:28:08,070 --> 01:28:06,320

every day lugo's everyday conversations

2319

01:28:10,070 --> 01:28:08,080

are occurring and actions are happening

2320

01:28:12,950 --> 01:28:10,080

to help improve visibility

2321

01:28:14,390 --> 01:28:12,960

into this incredible enigma we call ufos

2322

01:28:16,629 --> 01:28:14,400

or uap

2323

01:28:19,350 --> 01:28:16,639

i'm not a gambling man

2324

01:28:21,189 --> 01:28:19,360

but if i was i'd say that 2022 is

2325

01:28:22,390 --> 01:28:21,199

shaping up to be a banner year for

2326
01:28:26,149 --> 01:28:22,400
disclosure

2327
01:28:27,750 --> 01:28:26,159
isn't an event

2328
01:28:29,270 --> 01:28:27,760
it's a process

2329
01:28:30,470 --> 01:28:29,280
and we're living through that process

2330
01:28:33,430 --> 01:28:30,480
right now

2331
01:28:35,590 --> 01:28:33,440
some folks may be frustrated

2332
01:28:38,709 --> 01:28:35,600
but i have to look back and say what a

2333
01:28:40,470 --> 01:28:38,719
magnificent what a magnificent time

2334
01:28:42,550 --> 01:28:40,480
to be alive

2335
01:28:44,310 --> 01:28:42,560
and i and i transcribed all of this word

2336
01:28:47,189 --> 01:28:44,320
for word

2337
01:28:50,629 --> 01:28:47,199
this is a new paradigm for our species

2338
01:28:52,950 --> 01:28:50,639

and we're facing it and yeah it's tough

2339

01:28:56,070 --> 01:28:52,960

and sparks fly and there's a lot of

2340

01:28:57,510 --> 01:28:56,080

fiction friction

2341

01:29:00,070 --> 01:28:57,520

we're doing it

2342

01:29:02,550 --> 01:29:00,080

and we've moved technically

2343

01:29:04,310 --> 01:29:02,560

pretty far in just four years

2344

01:29:05,990 --> 01:29:04,320

i don't think four years ago if you were

2345

01:29:08,950 --> 01:29:06,000

to ask somebody

2346

01:29:12,070 --> 01:29:08,960

would we be having legislation and law

2347

01:29:14,470 --> 01:29:12,080

and directors of cia and directors of

2348

01:29:16,550 --> 01:29:14,480

national intelligence and directors of

2349

01:29:18,629 --> 01:29:16,560

nasa and presidents

2350

01:29:19,590 --> 01:29:18,639

all coming out and saying

2351

01:29:21,270 --> 01:29:19,600

yeah

2352

01:29:23,189 --> 01:29:21,280

this is real

2353

01:29:25,750 --> 01:29:23,199

they would probably try to commit you to

2354

01:29:27,910 --> 01:29:25,760

some sort of men's mental institution

2355

01:29:29,990 --> 01:29:27,920

but yet here we are right

2356

01:29:32,310 --> 01:29:30,000

we're having the conversation

2357

01:29:37,110 --> 01:29:32,320

you and me and your wonderful audience

2358

01:29:42,310 --> 01:29:39,270

wouldn't it be great

2359

01:29:45,990 --> 01:29:44,550

you know he goes one he's like thinking

2360

01:29:47,990 --> 01:29:46,000

he's pretending to be thinking about the

2361

01:29:50,470 --> 01:29:48,000

future wouldn't it be great if one day

2362

01:29:53,830 --> 01:29:50,480

he's like no no no no not one day we're

2363

01:29:56,390 --> 01:29:53,840

here now right here you and me and your

2364

01:29:58,229 --> 01:29:56,400

audience living through history

2365

01:29:59,430 --> 01:29:58,239

and history hasn't finished writing

2366

01:30:01,830 --> 01:29:59,440

itself

2367

01:30:04,310 --> 01:30:01,840

so what a magnificent what a magnificent

2368

01:30:06,950 --> 01:30:04,320

time to be alive what an exciting time

2369

01:30:09,110 --> 01:30:06,960

to be alive for our species

2370

01:30:11,750 --> 01:30:09,120

yeah we've got problems we've got putin

2371

01:30:14,229 --> 01:30:11,760

we've got ukraine we've got china

2372

01:30:16,709 --> 01:30:14,239

south china sea taiwan

2373

01:30:17,910 --> 01:30:16,719

terrorism coveted political issues

2374

01:30:22,470 --> 01:30:17,920

infighting

2375

01:30:24,629 --> 01:30:22,480

economic issues inflation social unrest

2376

01:30:27,030 --> 01:30:24,639

but that's all normal

2377

01:30:28,870 --> 01:30:27,040

we do that anyway as a species that

2378

01:30:29,990 --> 01:30:28,880

happens all the time that's never

2379

01:30:34,470 --> 01:30:30,000

changed

2380

01:30:37,030 --> 01:30:34,480

conversation about something potentially

2381

01:30:38,790 --> 01:30:37,040

existential something bigger than our

2382

01:30:41,270 --> 01:30:38,800

entire species

2383

01:30:44,470 --> 01:30:41,280

bigger than our entire world and our

2384

01:30:47,189 --> 01:30:44,480

preconceived notions of who we are

2385

01:30:48,950 --> 01:30:47,199

so i tend to be a little more optimistic

2386

01:30:51,990 --> 01:30:48,960

i think there's a lot that we can expect

2387

01:30:54,149 --> 01:30:52,000

in this next year for 2022.

2388

01:30:55,270 --> 01:30:54,159

i want to manage expectations i don't

2389

01:30:56,870 --> 01:30:55,280

want to say

2390

01:30:58,390 --> 01:30:56,880

a ufo is going to land on the white

2391

01:31:00,310 --> 01:30:58,400

house lawn

2392

01:31:02,470 --> 01:31:00,320

but it doesn't have to we're having the

2393

01:31:03,510 --> 01:31:02,480

conversation we're exactly where we need

2394

01:31:06,550 --> 01:31:03,520

to be

2395

01:31:08,390 --> 01:31:06,560

in fact we're probably a little ahead of

2396

01:31:10,550 --> 01:31:08,400

where i thought we'd have

2397

01:31:12,470 --> 01:31:10,560

we're probably a little ahead of where i

2398

01:31:13,510 --> 01:31:12,480

thought we would have been so i'm quite

2399

01:31:17,430 --> 01:31:13,520

pleased

2400

01:31:22,229 --> 01:31:19,750

so

2401
01:31:23,669 --> 01:31:22,239
that's encouraging

2402
01:31:28,790 --> 01:31:23,679
and hopefully

2403
01:31:28,800 --> 01:31:31,830
this

2404
01:31:31,840 --> 01:31:34,470
is true

2405
01:31:38,790 --> 01:31:36,310
70 plus years

2406
01:31:40,629 --> 01:31:38,800
but at least we're getting here now um

2407
01:31:41,990 --> 01:31:40,639
it's gonna happen

2408
01:31:47,830 --> 01:31:42,000
i think

2409
01:31:50,790 --> 01:31:48,629
in

2410
01:31:54,070 --> 01:31:50,800
april so late april

2411
01:31:57,270 --> 01:31:55,270
i do think

2412
01:31:58,709 --> 01:31:57,280
we're gonna learn amazing things in my

2413
01:32:00,229 --> 01:31:58,719

lifetime i i don't know if we're going

2414

01:32:01,990 --> 01:32:00,239

to get the whole story i don't know if

2415

01:32:04,070 --> 01:32:02,000

we'll ever get the whole story

2416

01:32:05,830 --> 01:32:04,080

maybe whatever this is doesn't want us

2417

01:32:08,149 --> 01:32:05,840

to know the whole story so

2418

01:32:10,550 --> 01:32:08,159

you know it's up to that intelligence

2419

01:32:12,070 --> 01:32:10,560

probably or intelligences multiple

2420

01:32:14,629 --> 01:32:12,080

intelligences

2421

01:32:14,639 --> 01:32:18,550

we're towards the end here

2422

01:32:22,310 --> 01:32:20,310

and then lewis asked about something he

2423

01:32:25,510 --> 01:32:22,320

said in the past about

2424

01:32:27,350 --> 01:32:25,520

humankind's plural

2425

01:32:29,350 --> 01:32:27,360

he says it's really personal for me we

2426

01:32:33,110 --> 01:32:29,360

put limitations and barriers on

2427

01:32:37,270 --> 01:32:34,709

we're a species that doesn't even

2428

01:32:42,390 --> 01:32:37,280

realize the way we think in some cases

2429

01:32:51,110 --> 01:32:44,229

we don't even realize the way we think

2430

01:32:51,120 --> 01:33:01,510

get that off there sorry

2431

01:33:05,110 --> 01:33:03,510

he goes i don't want to talk about faith

2432

01:33:06,629 --> 01:33:05,120

and things like that he goes but look at

2433

01:33:08,629 --> 01:33:06,639

look at a city

2434

01:33:10,550 --> 01:33:08,639

we have these neat little grids north

2435

01:33:13,110 --> 01:33:10,560

and south east and west because we want

2436

01:33:15,430 --> 01:33:13,120

to know where we are we want direction

2437

01:33:18,310 --> 01:33:15,440

we want speed limits on the roads rules

2438

01:33:20,550 --> 01:33:18,320

and regulations and policies so we know

2439

01:33:21,830 --> 01:33:20,560

where we fit we want to know where we

2440

01:33:24,070 --> 01:33:21,840

are physically

2441

01:33:26,229 --> 01:33:24,080

socially and economically

2442

01:33:28,070 --> 01:33:26,239

you get uncomfortable as a species with

2443

01:33:30,149 --> 01:33:28,080

the unknown

2444

01:33:32,709 --> 01:33:30,159

it scares the hell out of us

2445

01:33:34,709 --> 01:33:32,719

in reality if you were to take a globe

2446

01:33:37,350 --> 01:33:34,719

and realize there's no up and down on

2447

01:33:39,830 --> 01:33:37,360

the globe we're all spinning we're all

2448

01:33:42,229 --> 01:33:39,840

spinning hurtling through space around

2449

01:33:45,270 --> 01:33:42,239

some obscure star

2450

01:33:47,910 --> 01:33:45,280

in some obscure part

2451
01:33:50,310 --> 01:33:47,920
of some obscure star in some obscure

2452
01:33:51,750 --> 01:33:50,320
part of an obscure galaxy we call the

2453
01:33:54,310 --> 01:33:51,760
milky way

2454
01:33:56,470 --> 01:33:54,320
and all this can come to an abrupt end

2455
01:33:59,189 --> 01:33:56,480
at any moment with bombardment of

2456
01:34:00,310 --> 01:33:59,199
life-ending comets and meteors at any

2457
01:34:02,390 --> 01:34:00,320
moment

2458
01:34:04,390 --> 01:34:02,400
we simply don't know and we don't like

2459
01:34:06,550 --> 01:34:04,400
to think about those things you know

2460
01:34:10,229 --> 01:34:06,560
that's something i talk about

2461
01:34:11,990 --> 01:34:10,239
we're we're we're special you know won't

2462
01:34:15,189 --> 01:34:12,000
god is not going to allow us to get hit

2463
01:34:16,149 --> 01:34:15,199

by an a civilization ending

2464

01:34:17,350 --> 01:34:16,159

comet

2465

01:34:18,709 --> 01:34:17,360

okay

2466

01:34:20,390 --> 01:34:18,719

well we've been hit before we're gonna

2467

01:34:22,390 --> 01:34:20,400

get hit again hopefully it doesn't

2468

01:34:23,910 --> 01:34:22,400

happen in our lifetimes but if you

2469

01:34:25,270 --> 01:34:23,920

believe in reincarnation it doesn't

2470

01:34:26,550 --> 01:34:25,280

matter

2471

01:34:28,149 --> 01:34:26,560

eventually we'll have to deal with it

2472

01:34:29,990 --> 01:34:28,159

unless we progress as a species

2473

01:34:32,390 --> 01:34:30,000

technologically where we can

2474

01:34:34,070 --> 01:34:32,400

you know we can guide comets out of the

2475

01:34:38,629 --> 01:34:34,080

way that kind of thing

2476

01:34:43,990 --> 01:34:41,830

who says the universe is huge

2477

01:34:46,229 --> 01:34:44,000

it's grandiose and we like to look at

2478

01:34:49,109 --> 01:34:46,239

mankind when we say mankind is having

2479

01:34:51,030 --> 01:34:49,119

two arms two legs ten fingers and that

2480

01:34:54,070 --> 01:34:51,040

kind of defines who we are as a human

2481

01:34:56,629 --> 01:34:54,080

being and as a species but maybe there's

2482

01:34:58,629 --> 01:34:56,639

a larger maybe there's a larger family

2483

01:35:01,030 --> 01:34:58,639

maybe there's something bigger to it and

2484

01:35:04,390 --> 01:35:01,040

i have heard somebody

2485

01:35:06,709 --> 01:35:04,400

i don't want to call them a source but

2486

01:35:09,189 --> 01:35:06,719

somebody that definitely has more

2487

01:35:11,109 --> 01:35:09,199

information than i do saying that

2488

01:35:14,709 --> 01:35:11,119

some of what we might be dealing with is

2489

01:35:16,550 --> 01:35:14,719

relatives relatives of ours

2490

01:35:18,709 --> 01:35:16,560

um whether or not they came from

2491

01:35:20,390 --> 01:35:18,719

somewhere else or were here and left i

2492

01:35:21,350 --> 01:35:20,400

don't know

2493

01:35:22,629 --> 01:35:21,360

but

2494

01:35:24,149 --> 01:35:22,639

that's a really nice thing to think

2495

01:35:26,310 --> 01:35:24,159

about the possibility that we have

2496

01:35:27,830 --> 01:35:26,320

relatives and that's why you see

2497

01:35:30,790 --> 01:35:27,840

the shapes that we see and we see

2498

01:35:32,709 --> 01:35:30,800

humankind contact

2499

01:35:34,310 --> 01:35:32,719

as far as certain

2500

01:35:36,629 --> 01:35:34,320

experiences they'll have experiences

2501

01:35:37,590 --> 01:35:36,639

with human looking beings

2502

01:35:39,430 --> 01:35:37,600

um

2503

01:35:41,270 --> 01:35:39,440

maybe that's what's going on maybe those

2504

01:35:44,709 --> 01:35:41,280

are our relatives but i have heard the

2505

01:35:49,990 --> 01:35:47,270

90 hopefully this is going to work right

2506

01:35:51,590 --> 01:35:50,000

91. there we go

2507

01:35:53,830 --> 01:35:51,600

so maybe there's something

2508

01:35:56,310 --> 01:35:53,840

bigger to it maybe we have a lot more in

2509

01:35:58,550 --> 01:35:56,320

common in fact life in the universe has

2510

01:36:00,229 --> 01:35:58,560

more in common with itself

2511

01:36:02,709 --> 01:36:00,239

and a lot of what we do in the way we

2512

01:36:04,310 --> 01:36:02,719

think we think in binary terms

2513

01:36:05,750 --> 01:36:04,320

and he goes into the whole you know when

2514

01:36:07,430 --> 01:36:05,760

you're in the in the womb you hear the

2515

01:36:09,669 --> 01:36:07,440

heartbeat of

2516

01:36:12,950 --> 01:36:09,679

your mother's heartbeat and it's like on

2517

01:36:13,830 --> 01:36:12,960

off on off on off um he goes we all

2518

01:36:16,310 --> 01:36:13,840

think

2519

01:36:17,750 --> 01:36:16,320

good and bad hot and cold laughed and

2520

01:36:21,350 --> 01:36:17,760

right

2521

01:36:23,590 --> 01:36:21,360

we think in light we think at life

2522

01:36:25,350 --> 01:36:23,600

in extremes in a binary sense do i do

2523

01:36:27,990 --> 01:36:25,360

this or that

2524

01:36:30,629 --> 01:36:28,000

but mother nature doesn't work that way

2525

01:36:32,149 --> 01:36:30,639

she works in wondrous diagonals and

2526

01:36:34,550 --> 01:36:32,159

fractals

2527

01:36:36,629 --> 01:36:34,560

going left or right may make sense if

2528

01:36:39,510 --> 01:36:36,639

you're coming up to the edge of a cliff

2529

01:36:41,990 --> 01:36:39,520

but in reality life is like a minefield

2530

01:36:44,070 --> 01:36:42,000

and left or right could kill you

2531

01:36:45,430 --> 01:36:44,080

sometimes no decision is the right

2532

01:36:47,189 --> 01:36:45,440

decision

2533

01:36:48,870 --> 01:36:47,199

sometimes you want to go up or down or

2534

01:36:50,310 --> 01:36:48,880

backwards

2535

01:36:51,910 --> 01:36:50,320

we have to force ourselves to think

2536

01:36:53,750 --> 01:36:51,920

about it that way especially with this

2537

01:36:55,510 --> 01:36:53,760

topic

2538

01:36:57,109 --> 01:36:55,520

if a ufo does land on the white house

2539

01:36:59,430 --> 01:36:57,119

lawn tomorrow

2540

01:37:01,189 --> 01:36:59,440

the first two fundamental questions from

2541

01:37:03,510 --> 01:37:01,199

the military will be

2542

01:37:06,870 --> 01:37:03,520

do we extend a hand or do we point an

2543

01:37:08,229 --> 01:37:06,880

m16 at it and neither one of those might

2544

01:37:10,070 --> 01:37:08,239

be right

2545

01:37:11,830 --> 01:37:10,080

we're looking at the entire equation

2546

01:37:13,910 --> 01:37:11,840

incorrectly we don't have enough

2547

01:37:15,030 --> 01:37:13,920

variables or data to even solve the

2548

01:37:16,310 --> 01:37:15,040

equation

2549

01:37:17,590 --> 01:37:16,320

exactly we don't even know what the hell

2550

01:37:18,950 --> 01:37:17,600

we're dealing with

2551

01:37:20,470 --> 01:37:18,960

and i assume

2552

01:37:22,950 --> 01:37:20,480

the people in the government don't know

2553

01:37:25,109 --> 01:37:22,960

either that's small small pockets of

2554

01:37:27,830 --> 01:37:25,119

people who have access to the entire

2555

01:37:29,510 --> 01:37:27,840

database of information from the last 75

2556

01:37:30,950 --> 01:37:29,520

years

2557

01:37:32,870 --> 01:37:30,960

i'm sure they have ideas but i don't

2558

01:37:35,189 --> 01:37:32,880

think anybody really knows

2559

01:37:37,830 --> 01:37:35,199

so lou says it's too early to solve that

2560

01:37:40,229 --> 01:37:37,840

equation either one of the those might

2561

01:37:42,310 --> 01:37:40,239

may wind up being bad for us you know

2562

01:37:43,189 --> 01:37:42,320

either shaking their hand or shooting

2563

01:37:45,350 --> 01:37:43,199

them

2564

01:37:47,990 --> 01:37:45,360

it may not be a good solution and we

2565

01:37:49,910 --> 01:37:48,000

have to force ourselves to stop looking

2566

01:37:53,990 --> 01:37:49,920

stop thinking in terms of simple

2567

01:37:55,990 --> 01:37:54,000

rudimentary humanistic ways that we do

2568

01:37:57,910 --> 01:37:56,000

mother nature and nature has proven to

2569

01:38:00,310 --> 01:37:57,920

us over and over that she doesn't work

2570

01:38:02,149 --> 01:38:00,320

that way imagine having to go to work

2571

01:38:03,669 --> 01:38:02,159

and you could only take a series of left

2572

01:38:05,990 --> 01:38:03,679

or right hand turns

2573

01:38:07,590 --> 01:38:06,000

and you couldn't go straight or diagonal

2574

01:38:09,270 --> 01:38:07,600

it's inefficient and would take you a

2575

01:38:10,870 --> 01:38:09,280

long time but that's how we think as a

2576

01:38:13,189 --> 01:38:10,880

human species

2577

01:38:16,070 --> 01:38:13,199

and he goes into the mother's womb

2578

01:38:18,390 --> 01:38:16,080

we're cardio social animals

2579

01:38:21,189 --> 01:38:18,400

feels

2580

01:38:23,669 --> 01:38:21,199

that may be why we look at life anthropo

2581

01:38:26,550 --> 01:38:23,679

anthropologically and sociologically the

2582

01:38:28,629 --> 01:38:26,560

way we do but that's flawed scientists

2583

01:38:30,790 --> 01:38:28,639

are now saying that

2584

01:38:32,310 --> 01:38:30,800

that may not be the way

2585

01:38:34,629 --> 01:38:32,320

the right way to look at life in the

2586

01:38:36,390 --> 01:38:34,639

universe and nature we have to be able

2587

01:38:38,950 --> 01:38:36,400

to expand our understanding and our

2588

01:38:41,350 --> 01:38:38,960

reasoning and the way we process data is

2589

01:38:43,270 --> 01:38:41,360

just as important as confronting life

2590

01:38:45,030 --> 01:38:43,280

beyond our planet because we have to be

2591

01:38:47,590 --> 01:38:45,040

ready for that we have to be prepared to

2592

01:38:51,189 --> 01:38:47,600

think in non-human terms and that's

2593

01:38:52,709 --> 01:38:51,199

really hard that's a hell of a challenge

2594

01:38:55,030 --> 01:38:52,719

yeah especially since we don't know what

2595

01:38:56,950 --> 01:38:55,040

the other intelligence is so if it is

2596

01:38:58,550 --> 01:38:56,960

non-human and it's that

2597

01:39:01,109 --> 01:38:58,560

advanced

2598

01:39:03,590 --> 01:39:01,119

i don't know how you know i guess diana

2599

01:39:05,510 --> 01:39:03,600

pasulka is her next book deals with

2600

01:39:07,830 --> 01:39:05,520

somebody who

2601

01:39:09,430 --> 01:39:07,840

like in the movie arrival where they try

2602

01:39:11,430 --> 01:39:09,440

to come up with a language to

2603

01:39:15,030 --> 01:39:11,440

communicate and she has somebody in her

2604

01:39:16,950 --> 01:39:15,040

book that does that type of thing so

2605

01:39:18,550 --> 01:39:16,960

i don't know if it'll be language who

2606

01:39:20,310 --> 01:39:18,560

knows how do you even think you don't

2607

01:39:22,470 --> 01:39:20,320

even know what you you know where to

2608

01:39:24,470 --> 01:39:22,480

start with that at least i don't

2609

01:39:27,189 --> 01:39:24,480

and church says are we prepared for

2610

01:39:28,950 --> 01:39:27,199

undeniable proof and lou goes no look at

2611

01:39:31,109 --> 01:39:28,960

social media we're not even prepared to

2612

01:39:33,750 --> 01:39:31,119

have the conversation yet there are

2613

01:39:35,270 --> 01:39:33,760

people haters who are trying to stifle

2614

01:39:36,709 --> 01:39:35,280

the conversation

2615

01:39:37,750 --> 01:39:36,719

but whether we're ready or not it's

2616

01:39:41,030 --> 01:39:37,760

happening

2617

01:39:43,189 --> 01:39:41,040

and we need to be prepared for it for it

2618

01:39:45,430 --> 01:39:43,199

rarely is mankind ever ready for a

2619

01:39:48,149 --> 01:39:45,440

paradigm changing moment but we adapt

2620

01:39:50,070 --> 01:39:48,159

because we're a species that adapts very

2621

01:39:55,430 --> 01:39:50,080

very well

2622

01:39:59,990 --> 01:39:58,070

i'd say an insider and they said

2623

01:40:01,910 --> 01:40:00,000

you know there was a study done

2624

01:40:03,189 --> 01:40:01,920

by so and so and it shows you know we

2625

01:40:05,030 --> 01:40:03,199

would react

2626

01:40:07,270 --> 01:40:05,040

it would take a week before everybody

2627

01:40:10,470 --> 01:40:07,280

went back to normal and

2628

01:40:12,390 --> 01:40:10,480

oh really they're here okay cool

2629

01:40:14,310 --> 01:40:12,400

back to our normal lives that's probably

2630

01:40:16,070 --> 01:40:14,320

true too i don't know if it would be a

2631

01:40:18,550 --> 01:40:16,080

week whatever

2632

01:40:20,229 --> 01:40:18,560

we'd be freaked out and then we'd adjust

2633

01:40:21,750 --> 01:40:20,239

and then

2634

01:40:23,830 --> 01:40:21,760

back to our

2635

01:40:27,189 --> 01:40:23,840

normal everyday

2636

01:40:30,550 --> 01:40:28,709

so

2637

01:40:31,830 --> 01:40:30,560

this says i think regardless if we're if

2638

01:40:35,109 --> 01:40:31,840

we're prepared or not we have to have

2639

01:40:37,830 --> 01:40:35,119

the conversation then church brings up

2640

01:40:39,510 --> 01:40:37,840

uh former dni had ratcliffe and bill

2641

01:40:41,189 --> 01:40:39,520

nelson and says

2642

01:40:43,590 --> 01:40:41,199

you know we're tracking

2643

01:40:45,669 --> 01:40:43,600

the sophisticated systems in orbit

2644

01:40:47,669 --> 01:40:45,679

around the earth and we're seeing things

2645

01:40:49,109 --> 01:40:47,679

come in as interstellar objects and

2646

01:40:51,750 --> 01:40:49,119

heading to earth

2647

01:40:53,270 --> 01:40:51,760

as far as i know

2648

01:40:55,669 --> 01:40:53,280

there is no data

2649

01:40:57,990 --> 01:40:55,679

the person i spoke to said there is no

2650

01:40:59,350 --> 01:40:58,000

and they've seen a lot of data

2651
01:41:04,149 --> 01:40:59,360
there's no data showing they're coming

2652
01:41:11,270 --> 01:41:07,750
the data they they've seen is more local

2653
01:41:11,280 --> 01:41:13,590
so

2654
01:41:18,550 --> 01:41:15,510
that data is showing that they're coming

2655
01:41:21,189 --> 01:41:18,560
from deep space or from another planet

2656
01:41:24,229 --> 01:41:21,199
that that the person said

2657
01:41:26,870 --> 01:41:24,239
that data may exist but i have not seen

2658
01:41:31,430 --> 01:41:26,880
it so maybe it's locked up in those

2659
01:41:34,790 --> 01:41:33,189
but lou you know church says we're

2660
01:41:37,590 --> 01:41:34,800
seeing things come in as interstellar

2661
01:41:40,709 --> 01:41:37,600
objects and lou didn't really

2662
01:41:41,830 --> 01:41:40,719
disagree with him he just said

2663
01:41:44,229 --> 01:41:41,840

lou says

2664

01:41:46,470 --> 01:41:44,239

that's very compelling isn't it nasa has

2665

01:41:48,390 --> 01:41:46,480

been looking for microbial life on mars

2666

01:41:52,629 --> 01:41:48,400

for a long time and spending a lot of

2667

01:41:54,070 --> 01:41:52,639

taxpayer money on it yeah my argument is

2668

01:41:56,790 --> 01:41:54,080

we have

2669

01:41:58,470 --> 01:41:56,800

unknown objects of unknown origin on

2670

01:42:00,709 --> 01:41:58,480

this planet and we're not spending any

2671

01:42:02,229 --> 01:42:00,719

money on it as far as we know public

2672

01:42:03,430 --> 01:42:02,239

taxpayer money

2673

01:42:05,189 --> 01:42:03,440

um

2674

01:42:06,870 --> 01:42:05,199

and mars

2675

01:42:07,990 --> 01:42:06,880

i have no doubt there's microbial life

2676
01:42:13,510 --> 01:42:08,000
on mars

2677
01:42:15,510 --> 01:42:13,520
that is my strong opinion

2678
01:42:16,950 --> 01:42:15,520
but we need to go to mars

2679
01:42:18,390 --> 01:42:16,960
first we need to get

2680
01:42:20,310 --> 01:42:18,400
really close

2681
01:42:21,990 --> 01:42:20,320
looks at those areas where there may be

2682
01:42:23,750 --> 01:42:22,000
artificial structures and then we need

2683
01:42:25,270 --> 01:42:23,760
to go there and look for sure it's the

2684
01:42:28,229 --> 01:42:25,280
only way to know

2685
01:42:30,310 --> 01:42:28,239
um

2686
01:42:32,709 --> 01:42:30,320
lou says seti has been looking for

2687
01:42:36,149 --> 01:42:32,719
techno signatures in our milky way and

2688
01:42:38,149 --> 01:42:36,159

spending a lot of money on it

2689

01:42:40,229 --> 01:42:38,159

now the only thing we're proposing is

2690

01:42:41,270 --> 01:42:40,239

that maybe it's already here on this

2691

01:42:43,910 --> 01:42:41,280

planet

2692

01:42:45,910 --> 01:42:43,920

and you may not have to look quite so

2693

01:42:47,750 --> 01:42:45,920

far and there seems to be enough

2694

01:42:48,790 --> 01:42:47,760

compelling informal information that

2695

01:42:52,390 --> 01:42:48,800

says

2696

01:42:55,590 --> 01:42:52,400

hey look there's something here

2697

01:42:57,350 --> 01:42:55,600

i commend bill not senator bill nelson

2698

01:42:58,470 --> 01:42:57,360

the head of nasa for championing this

2699

01:43:00,229 --> 01:42:58,480

cause

2700

01:43:01,990 --> 01:43:00,239

i think he took a lot of risk doing it

2701
01:43:04,149 --> 01:43:02,000
and i think history history will

2702
01:43:05,350 --> 01:43:04,159
remember him very kindly

2703
01:43:06,950 --> 01:43:05,360
and

2704
01:43:09,510 --> 01:43:06,960
bill nelson was on the intel committee

2705
01:43:11,430 --> 01:43:09,520
where they had pilots come in

2706
01:43:13,669 --> 01:43:11,440
and talk about their encounters he has

2707
01:43:15,510 --> 01:43:13,679
he has said that before

2708
01:43:17,270 --> 01:43:15,520
and lou goes is there something that

2709
01:43:19,910 --> 01:43:17,280
lives here

2710
01:43:21,990 --> 01:43:19,920
if oh no church says is it something is

2711
01:43:25,109 --> 01:43:22,000
it something that lives here if so does

2712
01:43:27,990 --> 01:43:25,119
the navy know some of the locations

2713
01:43:30,950 --> 01:43:28,000

and lou says i think people are aware in

2714

01:43:32,550 --> 01:43:30,960

the government that there may be some

2715

01:43:36,310 --> 01:43:32,560

quote-unquote

2716

01:43:37,990 --> 01:43:36,320

hot spots in the vernacular

2717

01:43:40,790 --> 01:43:38,000

areas that have a high degree of

2718

01:43:42,550 --> 01:43:40,800

frequency of uap activity

2719

01:43:44,310 --> 01:43:42,560

he won't expand on that because he wants

2720

01:43:46,229 --> 01:43:44,320

to allow the government to do its job

2721

01:43:47,590 --> 01:43:46,239

and he says but yeah that conversation

2722

01:43:50,629 --> 01:43:47,600

has occurred

2723

01:43:54,709 --> 01:43:50,639

and this is for my bob fish

2724

01:43:57,990 --> 01:43:54,719

blog uh well bob bob fish says he was in

2725

01:44:00,790 --> 01:43:58,000

this building it was a top secret sei

2726

01:44:03,830 --> 01:44:00,800

building cafeteria where anybody who was

2727

01:44:06,149 --> 01:44:03,840

in that cafeteria had a top secret sei

2728

01:44:08,310 --> 01:44:06,159

clearance in el segundo and he was

2729

01:44:09,350 --> 01:44:08,320

having lunch with a united states air

2730

01:44:11,510 --> 01:44:09,360

force

2731

01:44:13,910 --> 01:44:11,520

non-commissioned officer who had worked

2732

01:44:17,270 --> 01:44:13,920

for project blue book in the 70s

2733

01:44:20,470 --> 01:44:17,280

after it had been officially disbanded

2734

01:44:21,510 --> 01:44:20,480

this guy was an electronic intel

2735

01:44:25,430 --> 01:44:21,520

el

2736

01:44:28,070 --> 01:44:25,440

who flew in

2737

01:44:28,870 --> 01:44:28,080

i think this is wrong i think

2738

01:44:30,470 --> 01:44:28,880

this

2739

01:44:33,590 --> 01:44:30,480

specific type of plane is wrong but

2740

01:44:34,390 --> 01:44:33,600

anyway he full flew in rc-135s or some

2741

01:44:36,470 --> 01:44:34,400

other plane

2742

01:44:37,910 --> 01:44:36,480

from mcdill air i think and the person

2743

01:44:41,189 --> 01:44:37,920

who pointed this out to me that it was

2744

01:44:45,189 --> 01:44:41,199

wrong is john

2745

01:44:48,550 --> 01:44:45,199

the cia guy i forget his name um

2746

01:44:50,709 --> 01:44:48,560

anyway he was on coast to coast with uh

2747

01:44:53,910 --> 01:44:50,719

semi-van

2748

01:44:55,510 --> 01:44:53,920

and he said this guy

2749

01:44:57,109 --> 01:44:55,520

bob fish says

2750

01:44:59,510 --> 01:44:57,119

he spoke with this guy who flew in an

2751
01:45:01,270 --> 01:44:59,520
rc-135 from mcdill air force base which

2752
01:45:03,350 --> 01:45:01,280
is in tampa

2753
01:45:04,870 --> 01:45:03,360
and he said the normal target was cuba

2754
01:45:06,950 --> 01:45:04,880
where they did lots of snooping and

2755
01:45:09,750 --> 01:45:06,960
sometimes challenging the cubans to turn

2756
01:45:11,189 --> 01:45:09,760
on radar and other systems

2757
01:45:12,070 --> 01:45:11,199
he goes but he said there were times

2758
01:45:13,830 --> 01:45:12,080
when

2759
01:45:16,390 --> 01:45:13,840
they were diverted from these missions

2760
01:45:18,870 --> 01:45:16,400
to track ufos off the coast

2761
01:45:21,189 --> 01:45:18,880
east coast of florida

2762
01:45:23,750 --> 01:45:21,199
his claim was they

2763
01:45:26,310 --> 01:45:23,760

the ufos had a landing and takeoff spot

2764

01:45:28,629 --> 01:45:26,320

in the ocean east of miami

2765

01:45:30,149 --> 01:45:28,639

north of bermuda people have criticized

2766

01:45:32,950 --> 01:45:30,159

that saying what does that mean east of

2767

01:45:34,950 --> 01:45:32,960

miami north of bermuda maybe this is

2768

01:45:36,870 --> 01:45:34,960

what he said um the point is off the

2769

01:45:38,709 --> 01:45:36,880

coast of florida this person claimed

2770

01:45:40,629 --> 01:45:38,719

there was a spot where ufos go in and

2771

01:45:42,629 --> 01:45:40,639

out of the water he claimed there was a

2772

01:45:44,950 --> 01:45:42,639

specific electronic signature a

2773

01:45:46,950 --> 01:45:44,960

frequency emanating from them when they

2774

01:45:49,830 --> 01:45:46,960

were going into or coming out of the

2775

01:45:52,390 --> 01:45:49,840

water so they were easy to track

2776

01:45:53,830 --> 01:45:52,400

by the way if this is true then yeah

2777

01:45:55,990 --> 01:45:53,840

there are a decent amount of amount of

2778

01:45:59,109 --> 01:45:56,000

people that know about this

2779

01:46:01,189 --> 01:45:59,119

and we can go to that location and

2780

01:46:04,070 --> 01:46:01,199

you know witness ufos coming in and out

2781

01:46:06,550 --> 01:46:04,080

of the water if that's still going on

2782

01:46:09,350 --> 01:46:06,560

on several occasions they filmed the ufo

2783

01:46:13,189 --> 01:46:09,360

as it transitioned from water to air or

2784

01:46:15,350 --> 01:46:13,199

vice versa it brings up the you know the

2785

01:46:16,870 --> 01:46:15,360

the alleged triangle photo that tim

2786

01:46:18,550 --> 01:46:16,880

mcmillan talked about where it's coming

2787

01:46:20,870 --> 01:46:18,560

out of the water i'm sure we have

2788

01:46:24,870 --> 01:46:20,880

amazing pictures and amazing videos

2789

01:46:26,870 --> 01:46:24,880

um as lou has spoken about as

2790

01:46:28,629 --> 01:46:26,880

who was also oh yeah hal put off also

2791

01:46:30,870 --> 01:46:28,639

spoke about in his conversation with

2792

01:46:32,470 --> 01:46:30,880

eric weinstein

2793

01:46:35,750 --> 01:46:32,480

just as good as you would expect that's

2794

01:46:37,830 --> 01:46:35,760

what put off said as far as the videos

2795

01:46:39,990 --> 01:46:37,840

uh

2796

01:46:41,109 --> 01:46:40,000

one last item is he was occasionally

2797

01:46:44,629 --> 01:46:41,119

this is a

2798

01:46:46,870 --> 01:46:44,639

bob fish talking to this guy this el

2799

01:46:48,870 --> 01:46:46,880

electronic intelligence guy

2800

01:46:50,550 --> 01:46:48,880

uh who said he was occasionally assigned

2801

01:46:53,030 --> 01:46:50,560

to fly in a united states air force

2802

01:46:54,950 --> 01:46:53,040

weather aircraft

2803

01:46:56,229 --> 01:46:54,960

this might be the the aircraft that was

2804

01:46:57,430 --> 01:46:56,239

marked wrong

2805

01:47:00,149 --> 01:46:57,440

um

2806

01:47:02,470 --> 01:47:00,159

and they had a hurricane hunting mission

2807

01:47:05,350 --> 01:47:02,480

mission over the usual that usual ufo

2808

01:47:07,750 --> 01:47:05,360

area where his specific assignment was

2809

01:47:10,149 --> 01:47:07,760

kept secret from the other crew members

2810

01:47:12,790 --> 01:47:10,159

and he was always he would always report

2811

01:47:15,669 --> 01:47:12,800

back to a dedicated united states air

2812

01:47:17,669 --> 01:47:15,679

force intelligence officer on base

2813

01:47:19,590 --> 01:47:17,679

when they returned from a mission

2814

01:47:22,070 --> 01:47:19,600

he didn't know where that intel that he

2815

01:47:23,910 --> 01:47:22,080

collected was sent for processing or

2816

01:47:26,149 --> 01:47:23,920

storage

2817

01:47:29,189 --> 01:47:26,159

right paterson air force base in dayton

2818

01:47:30,390 --> 01:47:29,199

ohio would be the obvious choice but he

2819

01:47:32,070 --> 01:47:30,400

said

2820

01:47:34,149 --> 01:47:32,080

i'm not sure if this is the guy or bob

2821

01:47:37,270 --> 01:47:34,159

fish saying this but this was in the

2822

01:47:41,109 --> 01:47:37,280

wikileaks documents he said high quality

2823

01:47:45,030 --> 01:47:41,119

film of ufos is out there somewhere

2824

01:47:48,390 --> 01:47:47,030

and i link to that on twitter and if

2825

01:47:50,070 --> 01:47:48,400

you're not on twitter

2826

01:47:51,910 --> 01:47:50,080

if you hate twitter just go on sign up

2827

01:47:52,790 --> 01:47:51,920

to twitter and just follow me

2828

01:47:54,149 --> 01:47:52,800

um

2829

01:47:55,270 --> 01:47:54,159

there are other people you can follow

2830

01:47:57,430 --> 01:47:55,280

because i know people don't like the

2831

01:47:59,030 --> 01:47:57,440

drama of twitter

2832

01:48:01,990 --> 01:47:59,040

uh there are other people that just put

2833

01:48:04,390 --> 01:48:02,000

out information it's not just me

2834

01:48:05,910 --> 01:48:04,400

and then church brings up the the rumor

2835

01:48:07,669 --> 01:48:05,920

about the triangle object coming out of

2836

01:48:09,750 --> 01:48:07,679

the water

2837

01:48:12,790 --> 01:48:09,760

circulating in intel agencies have you

2838

01:48:15,109 --> 01:48:12,800

seen that picture lou he goes i'm very

2839

01:48:17,189 --> 01:48:15,119

much aware of it

2840

01:48:19,510 --> 01:48:17,199

well have you seen it

2841

01:48:21,590 --> 01:48:19,520

i've seen some very compelling images i

2842

01:48:23,430 --> 01:48:21,600

will not say specifically which one or

2843

01:48:24,950 --> 01:48:23,440

which ones

2844

01:48:30,550 --> 01:48:24,960

but i am very well aware of that

2845

01:48:35,750 --> 01:48:32,790

how clear is the photo

2846

01:48:37,750 --> 01:48:35,760

it says it's a it's it's about as clear

2847

01:48:40,470 --> 01:48:37,760

as looking at the guitars on the back of

2848

01:48:44,229 --> 01:48:40,480

your wall right there

2849

01:48:49,590 --> 01:48:47,189

you saw this what went through your mind

2850

01:48:52,629 --> 01:48:49,600

us or them

2851
01:48:54,550 --> 01:48:52,639
liz like i think you know the answer to

2852
01:48:57,590 --> 01:48:54,560
that already jimmy

2853
01:48:59,590 --> 01:48:57,600
go drink some dark coffee

2854
01:49:02,390 --> 01:48:59,600
doc coffee

2855
01:49:05,590 --> 01:49:02,400
and church says

2856
01:49:08,149 --> 01:49:05,600
the triangle could be our tech

2857
01:49:10,229 --> 01:49:08,159
our technology and lou says i can't

2858
01:49:12,390 --> 01:49:10,239
comment on any type of technology that

2859
01:49:14,070 --> 01:49:12,400
we may have that's advanced

2860
01:49:16,310 --> 01:49:14,080
what i can simply say is that there's

2861
01:49:19,189 --> 01:49:16,320
enough compelling evidence

2862
01:49:22,709 --> 01:49:19,199
and information to suggest that what we

2863
01:49:26,550 --> 01:49:22,719

are witnessing is not our technology

2864

01:49:28,390 --> 01:49:26,560

nor is it foreign adversarial

2865

01:49:31,030 --> 01:49:28,400

that was the last question because lou

2866

01:49:33,270 --> 01:49:31,040

had to go eat dinner

2867

01:49:35,270 --> 01:49:33,280

if you like what i do on here which i'm

2868

01:49:37,830 --> 01:49:35,280

glad to be doing youtube again because i

2869

01:49:39,510 --> 01:49:37,840

know people

2870

01:49:41,270 --> 01:49:39,520

a lot of this is old information to the

2871

01:49:43,270 --> 01:49:41,280

twitter folks but there's a crowd on

2872

01:49:44,950 --> 01:49:43,280

youtube that does not frequent twitter

2873

01:49:46,870 --> 01:49:44,960

so i know you guys

2874

01:49:49,189 --> 01:49:46,880

do appreciate this and i do appreciate

2875

01:49:50,229 --> 01:49:49,199

it appreciate the feedback my twitter is

2876

01:49:51,990 --> 01:49:50,239

growing

2877

01:49:53,750 --> 01:49:52,000

i think it's fifteen thousand two

2878

01:49:55,589 --> 01:49:53,760

hundred followers and it's really hard

2879

01:49:58,709 --> 01:49:55,599

to keep up a lot of people like to like

2880

01:50:01,270 --> 01:49:58,719

to respond oh that's what i wanted to do

2881

01:50:03,350 --> 01:50:01,280

i wanted to read the comments to the

2882

01:50:05,270 --> 01:50:03,360

gila brand um

2883

01:50:06,550 --> 01:50:05,280

i'll do that tomorrow

2884

01:50:07,830 --> 01:50:06,560

and i'll read some of the comments on

2885

01:50:09,589 --> 01:50:07,840

here because there's really some good

2886

01:50:10,550 --> 01:50:09,599

comments and then that's a way for those

2887

01:50:12,229 --> 01:50:10,560

folks

2888

01:50:13,750 --> 01:50:12,239

for me to answer their questions because

2889

01:50:16,229 --> 01:50:13,760

i can't get to all the questions on

2890

01:50:18,709 --> 01:50:16,239

youtube i mean on twitter and then also

2891

01:50:19,510 --> 01:50:18,719

do my blog also do youtube

2892

01:50:21,030 --> 01:50:19,520

um

2893

01:50:23,109 --> 01:50:21,040

anyway that's if you want to support me

2894

01:50:25,189 --> 01:50:23,119

there it is and

2895

01:50:28,629 --> 01:50:25,199

took that in utah when i was working on

2896

01:50:31,190 --> 01:50:28,639

a 90-day fiance episode

2897

01:50:33,750 --> 01:50:31,200

with uh the couple the guy is from

2898

01:50:37,990 --> 01:50:33,760

[Music]

2899

01:50:39,910 --> 01:50:38,000

i forget which country he's from anyway

2900

01:50:44,070 --> 01:50:39,920

that's it i'll just do a couple of

2901
01:50:44,080 --> 01:50:47,030
let's see

2902
01:50:47,040 --> 01:50:53,109
i'm not going to go back

2903
01:50:56,390 --> 01:50:54,310
starting to believe more and more these

2904
01:50:58,870 --> 01:50:56,400
lost civilizations that went underground

2905
01:51:00,390 --> 01:50:58,880
to escape to cast catastrophes i

2906
01:51:01,990 --> 01:51:00,400
definitely think multiple catastrophes

2907
01:51:05,030 --> 01:51:02,000
in our past

2908
01:51:06,550 --> 01:51:05,040
one was the one was the first advanced

2909
01:51:08,390 --> 01:51:06,560
civilization on our planet you know

2910
01:51:13,189 --> 01:51:08,400
that's my question

2911
01:51:13,199 --> 01:51:16,870
anyway um

2912
01:51:16,880 --> 01:51:19,589
all right

2913
01:51:23,510 --> 01:51:21,109

in the future you know i have

2914

01:51:25,910 --> 01:51:23,520

transcripts of lou on coast to coast

2915

01:51:29,030 --> 01:51:25,920

semi-van on coast to coast

2916

01:51:29,990 --> 01:51:29,040

lou and jimmy church from the summer

2917

01:51:32,229 --> 01:51:30,000

um

2918

01:51:34,229 --> 01:51:32,239

semiband and de long those are i think

2919

01:51:36,149 --> 01:51:34,239

those are all finished i just have to

2920

01:51:39,750 --> 01:51:36,159

format them

2921

01:51:41,669 --> 01:51:39,760

weinstein and weinstein and put off

2922

01:51:43,270 --> 01:51:41,679

nolan one of his recent interviews i

2923

01:51:44,070 --> 01:51:43,280

have a lot of transcripts i need to put

2924

01:51:45,669 --> 01:51:44,080

up

2925

01:51:47,189 --> 01:51:45,679

what i need to do if i'm going to talk

2926

01:51:48,950 --> 01:51:47,199

about those it's probably better if i

2927

01:51:50,390 --> 01:51:48,960

just take notes instead of read the

2928

01:51:52,229 --> 01:51:50,400

entire thing

2929

01:51:53,990 --> 01:51:52,239

because although with lou i like reading

2930

01:51:55,669 --> 01:51:54,000

the entire thing because he says so much

2931

01:51:58,790 --> 01:51:55,679

he's he's the most important voice

2932

01:52:00,870 --> 01:51:58,800

somebody made a comment today

2933

01:52:03,030 --> 01:52:00,880

oh you should interview lou what a

2934

01:52:04,790 --> 01:52:03,040

unique thing well

2935

01:52:06,229 --> 01:52:04,800

it's something worth listening to

2936

01:52:07,750 --> 01:52:06,239

because he always drops little hints

2937

01:52:11,189 --> 01:52:07,760

here and there so

2938

01:52:14,870 --> 01:52:12,229

that is it

2939

01:52:16,550 --> 01:52:14,880

and thank you michael um

2940

01:52:18,790 --> 01:52:16,560

i appreciate it

2941

01:52:20,229 --> 01:52:18,800

and i appreciate all the comments on

2942

01:52:21,910 --> 01:52:20,239

here even though i can't get to all of

2943

01:52:24,550 --> 01:52:21,920

them

2944

01:52:26,310 --> 01:52:24,560

and i do want to i really planned on

2945

01:52:27,830 --> 01:52:26,320

going through the

2946

01:52:30,790 --> 01:52:27,840

let me just i'll do it just for a little

2947

01:52:35,350 --> 01:52:30,800

bit let's see

2948

01:52:42,070 --> 01:52:36,790

so this is

2949

01:52:42,080 --> 01:52:45,669

so i transcribed it too

2950

01:52:49,270 --> 01:52:46,709

and

2951
01:52:51,430 --> 01:52:49,280
there are a lot of comments on this one

2952
01:52:53,270 --> 01:52:51,440
i think this one had almost 400

2953
01:52:57,109 --> 01:52:53,280
likes

2954
01:53:02,310 --> 01:52:59,669
face the guy made

2955
01:53:04,470 --> 01:53:02,320
when gillibrand said okay well

2956
01:53:06,229 --> 01:53:04,480
you go home

2957
01:53:08,629 --> 01:53:06,239
find out the answers write them up and

2958
01:53:10,310 --> 01:53:08,639
get back to me okay that's your homework

2959
01:53:14,390 --> 01:53:10,320
and there's a larry david episode where

2960
01:53:18,070 --> 01:53:15,910
let me just see some of these questions

2961
01:53:20,229 --> 01:53:18,080
all right

2962
01:53:21,750 --> 01:53:20,239
this gives my followers some air time

2963
01:53:29,830 --> 01:53:21,760

which they deserve to go very

2964

01:53:33,990 --> 01:53:32,390

tyson's loved her persistent persistence

2965

01:53:36,149 --> 01:53:34,000

this is not a game and real people are

2966

01:53:39,030 --> 01:53:36,159

being impacted and we want answers yeah

2967

01:53:40,870 --> 01:53:39,040

you're damn right and she's

2968

01:53:43,189 --> 01:53:40,880

she is just

2969

01:53:45,109 --> 01:53:43,199

i think she's going to be relentless

2970

01:53:47,589 --> 01:53:45,119

on this

2971

01:53:49,270 --> 01:53:47,599

hopefully not the only one

2972

01:53:51,189 --> 01:53:49,280

and then jeff said

2973

01:53:53,830 --> 01:53:51,199

his reaction at the end reminds me of

2974

01:53:55,990 --> 01:53:53,840

students scared by a pissed off teacher

2975

01:53:57,669 --> 01:53:56,000

oh the teacher's pissed i better

2976

01:54:00,149 --> 01:53:57,679

start taking some notes to show her i'm

2977

01:54:02,229 --> 01:54:00,159

paying attention yeah exactly

2978

01:54:03,669 --> 01:54:02,239

so he makes a note for himself learn

2979

01:54:05,510 --> 01:54:03,679

about uap

2980

01:54:09,510 --> 01:54:05,520

i've watched it about five times and i'm

2981

01:54:12,149 --> 01:54:09,520

still laughing out loud yeah i have to

2982

01:54:13,830 --> 01:54:12,159

absolute fire from gillibrand is there

2983

01:54:15,510 --> 01:54:13,840

any chance congress or senator can

2984

01:54:17,669 --> 01:54:15,520

address the does

2985

01:54:20,149 --> 01:54:17,679

director of emergency response for

2986

01:54:21,350 --> 01:54:20,159

radiological non-radiological hazardous

2987

01:54:23,270 --> 01:54:21,360

objects

2988

01:54:24,870 --> 01:54:23,280

they will not be included in the idg

2989

01:54:27,830 --> 01:54:24,880

investigation as they conveniently have

2990

01:54:29,910 --> 01:54:27,840

their own ig i don't know

2991

01:54:31,910 --> 01:54:29,920

i do not know

2992

01:54:33,830 --> 01:54:31,920

theresa is like yes ma'am

2993

01:54:36,470 --> 01:54:33,840

you're gonna go do this and you're gonna

2994

01:54:41,350 --> 01:54:36,480

report to me in one week yes ma'am

2995

01:54:46,390 --> 01:54:43,830

and the thank you

2996

01:54:48,310 --> 01:54:46,400

yep i think she'll i think i tagged her

2997

01:54:49,910 --> 01:54:48,320

let me see

2998

01:54:52,310 --> 01:54:49,920

did she get tagged i'm just wondering if

2999

01:54:54,390 --> 01:54:52,320

people are thanking her

3000

01:54:58,070 --> 01:54:54,400

yep she's tagged so hopefully her folks

3001
01:55:02,550 --> 01:54:59,669
that's one good thing about have a lot

3002
01:55:04,470 --> 01:55:02,560
having a larger following as i get it um

3003
01:55:06,070 --> 01:55:04,480
if people like like it or react there

3004
01:55:07,270 --> 01:55:06,080
are people that normally won't respond

3005
01:55:09,510 --> 01:55:07,280
to me because they have so many

3006
01:55:11,270 --> 01:55:09,520
followers like eric weinstein but if he

3007
01:55:13,750 --> 01:55:11,280
sees like 200 people

3008
01:55:18,149 --> 01:55:13,760
he's getting notifications from my tweet

3009
01:55:21,270 --> 01:55:19,350
people making fun of the guys saying

3010
01:55:22,870 --> 01:55:21,280
yeah i'll give it to you in writing yeah

3011
01:55:25,990 --> 01:55:22,880
well he better she's not going to let

3012
01:55:30,550 --> 01:55:28,149
um very proud of senator gillibrand i

3013
01:55:32,310 --> 01:55:30,560

think storch has got taken the task and

3014

01:55:35,030 --> 01:55:32,320

got appropriately nailed down on the

3015

01:55:37,430 --> 01:55:35,040

seriousness of this issue well done

3016

01:55:38,870 --> 01:55:37,440

she needs to be commended outstanding

3017

01:55:40,470 --> 01:55:38,880

work

3018

01:55:45,270 --> 01:55:40,480

magnificent

3019

01:55:48,149 --> 01:55:46,629

yeah when she was like are you willing

3020

01:55:49,910 --> 01:55:48,159

to look into that and take any actions

3021

01:55:51,109 --> 01:55:49,920

that's appropriate he this person said

3022

01:55:52,709 --> 01:55:51,119

that he was shaking his head in a

3023

01:55:54,390 --> 01:55:52,719

no-like manner

3024

01:55:57,270 --> 01:55:54,400

what does he really know does he know

3025

01:56:00,950 --> 01:55:59,430

he says i'm just michael says i'm just

3026

01:56:02,790 --> 01:56:00,960

surprised that the politicians aren't

3027

01:56:06,229 --> 01:56:02,800

turning up with black mass candles and a

3028

01:56:08,709 --> 01:56:06,239

witch's habit by the way were you ever

3029

01:56:10,390 --> 01:56:08,719

wherever you visit don't accept the

3030

01:56:15,350 --> 01:56:10,400

what

3031

01:56:19,109 --> 01:56:15,360

and then jeremy jumped in yes ma'am so

3032

01:56:19,119 --> 01:56:22,149

yes

3033

01:56:25,430 --> 01:56:23,910

people she's smart i don't think she's

3034

01:56:28,229 --> 01:56:25,440

doing this just for votes we're not big

3035

01:56:31,189 --> 01:56:28,239

enough to win her an election

3036

01:56:34,470 --> 01:56:33,030

oh my god thank you very much senator

3037

01:56:36,149 --> 01:56:34,480

gillibrand for this for me and my

3038

01:56:38,149 --> 01:56:36,159

parents because we need to know what we

3039

01:56:40,390 --> 01:56:38,159

see and experience this is a moral

3040

01:56:42,070 --> 01:56:40,400

obligation to dig in

3041

01:56:44,229 --> 01:56:42,080

dig in it on the air force in the

3042

01:56:46,629 --> 01:56:44,239

history of the phenomenon thanks from

3043

01:56:50,070 --> 01:56:46,639

quebec

3044

01:56:54,870 --> 01:56:51,990

and then somebody linked to a video

3045

01:56:56,870 --> 01:56:54,880

which i did not watch

3046

01:56:59,750 --> 01:56:56,880

can't have so many videos to watch it's

3047

01:57:01,430 --> 01:56:59,760

ridiculous and books to read and

3048

01:57:02,870 --> 01:57:01,440

it's not a bad thing though

3049

01:57:04,629 --> 01:57:02,880

good stuff

3050

01:57:06,149 --> 01:57:04,639

keep them accountable and ensure we

3051

01:57:08,470 --> 01:57:06,159

receive answers

3052

01:57:10,550 --> 01:57:08,480

mr storch sounds clueless to the coolest

3053

01:57:12,550 --> 01:57:10,560

of the phenomenon sad state of affairs

3054

01:57:14,149 --> 01:57:12,560

how can the countless statements and by

3055

01:57:15,589 --> 01:57:14,159

the way people who are just listening to

3056

01:57:18,709 --> 01:57:15,599

this if i could figure out how to put

3057

01:57:20,629 --> 01:57:18,719

this on a on a podcast i'm just reading

3058

01:57:21,910 --> 01:57:20,639

comments from people

3059

01:57:23,830 --> 01:57:21,920

i'm not going to say their names it'll

3060

01:57:27,990 --> 01:57:23,840

take too long or you could see them

3061

01:57:31,350 --> 01:57:29,350

how can the countless statements of

3062

01:57:33,750 --> 01:57:31,360

current and former u.s presidents dni

3063

01:57:36,310 --> 01:57:33,760

had cia heads and congressmen continue

3064

01:57:38,550 --> 01:57:36,320

to be ignored by a majority of society

3065

01:57:41,430 --> 01:57:38,560

major news media and our leaders

3066

01:57:43,910 --> 01:57:41,440

baffling it is baffling how with how of

3067

01:57:45,830 --> 01:57:43,920

the media not covered the ufo office and

3068

01:57:48,390 --> 01:57:45,840

senator gillibrand and gillibrand and

3069

01:57:49,990 --> 01:57:48,400

rubio you would think a story of

3070

01:57:51,669 --> 01:57:50,000

oh look it's

3071

01:57:54,790 --> 01:57:51,679

they're reaching across the aisle it's

3072

01:57:57,270 --> 01:57:54,800

bipartisanship that's a great story nope

3073

01:57:59,350 --> 01:57:57,280

not covering it

3074

01:58:01,589 --> 01:57:59,360

it's the twilight zone

3075

01:58:03,750 --> 01:58:01,599

um she's honestly restored my faith in

3076

01:58:05,669 --> 01:58:03,760

politicians there's still a few who want

3077

01:58:06,709 --> 01:58:05,679

to do the right thing

3078

01:58:08,629 --> 01:58:06,719

yeah

3079

01:58:10,149 --> 01:58:08,639

i'm glad that her and the others are

3080

01:58:12,950 --> 01:58:10,159

sticking to this

3081

01:58:16,070 --> 01:58:12,960

and not letting it go

3082

01:58:18,470 --> 01:58:16,080

on this issue she rocks yeah it's like

3083

01:58:21,030 --> 01:58:18,480

just like rubio i mean i had people i

3084

01:58:22,149 --> 01:58:21,040

mentioned rubio and and ufos and my own

3085

01:58:24,070 --> 01:58:22,159

friends like

3086

01:58:27,270 --> 01:58:24,080

you realize his politics and this and

3087

01:58:29,350 --> 01:58:27,280

that like i do realize that but

3088

01:58:31,990 --> 01:58:29,360

for this particular issue that that can

3089

01:58:34,229 --> 01:58:32,000

affect the planet i just try to do my

3090

01:58:36,390 --> 01:58:34,239

best and put that aside it doesn't mean

3091

01:58:37,750 --> 01:58:36,400

i'm gonna vote for him i mean

3092

01:58:41,109 --> 01:58:37,760

that would be that would be a really

3093

01:58:42,950 --> 01:58:41,119

tough thing say it's rubio and

3094

01:58:44,229 --> 01:58:42,960

just say rubio and biden and rubio's

3095

01:58:46,149 --> 01:58:44,239

saying

3096

01:58:49,030 --> 01:58:46,159

we're gonna push really and rubio brings

3097

01:58:51,270 --> 01:58:49,040

up ufos and like i'm so against i'm so

3098

01:58:54,390 --> 01:58:51,280

opposite as politics but i think the ufo

3099

01:58:55,830 --> 01:58:54,400

angle is so important so

3100

01:58:57,750 --> 01:58:55,840

that would be tough and i hope there are

3101

01:59:01,189 --> 01:58:57,760

some people like no it wouldn't you

3102

01:59:02,390 --> 01:59:01,199

don't vote for rubio but

3103

01:59:04,629 --> 01:59:02,400

i don't have to worry about that right

3104

01:59:06,709 --> 01:59:04,639

now

3105

01:59:08,709 --> 01:59:06,719

this is exactly what i was hoping to see

3106

01:59:16,310 --> 01:59:08,719

she's this is fantastic and gives me a

3107

01:59:20,550 --> 01:59:18,229

haven't you figured it out yet it's us

3108

01:59:22,390 --> 01:59:20,560

humans in those crafts

3109

01:59:24,149 --> 01:59:22,400

it's craft

3110

01:59:25,750 --> 01:59:24,159

craft plural

3111

01:59:28,470 --> 01:59:25,760

michael vi gets on me about that he's

3112

01:59:29,589 --> 01:59:28,480

like it's craft don't say crafts

3113

01:59:32,390 --> 01:59:29,599

um

3114

01:59:34,229 --> 01:59:32,400

it might be us it could be us

3115

01:59:34,950 --> 01:59:34,239

i don't think that's the entire solution

3116

01:59:37,109 --> 01:59:34,960

but

3117

01:59:38,950 --> 01:59:37,119

could be

3118

01:59:41,109 --> 01:59:38,960

and then somebody says man you're

3119

01:59:43,510 --> 01:59:41,119

espousing this is to the guy saying it's

3120

01:59:45,669 --> 01:59:43,520

humans you're espousing 70s errors

3121

01:59:47,589 --> 01:59:45,679

theories there is haven't you figured it

3122

01:59:50,550 --> 01:59:47,599

out yet they're multi-dimensional

3123

01:59:52,149 --> 01:59:50,560

quantum replicators translating their 6d

3124

01:59:54,790 --> 01:59:52,159

conscience

3125

01:59:56,390 --> 01:59:54,800

conscious into our 3d plane i love it

3126
01:59:58,310 --> 01:59:56,400
when everybody else is so sure they have

3127
02:00:00,470 --> 01:59:58,320
the right answer and everyone in his

3128
02:00:02,310 --> 02:00:00,480
else is wrong

3129
02:00:14,870 --> 02:00:02,320
almost like religion so he was being

3130
02:00:19,830 --> 02:00:17,669
hey jeff thanks for joining

3131
02:00:21,030 --> 02:00:19,840
it's about two hours

3132
02:00:25,350 --> 02:00:21,040
in

3133
02:00:27,189 --> 02:00:25,360
to read some of the comments on twitter

3134
02:00:28,629 --> 02:00:27,199
because the twitter folks are really

3135
02:00:31,270 --> 02:00:28,639
engaged and

3136
02:00:32,950 --> 02:00:31,280
always responding and

3137
02:00:34,950 --> 02:00:32,960
ufo twitter is

3138
02:00:36,470 --> 02:00:34,960

great

3139

02:00:38,870 --> 02:00:36,480

the fact that we have elected officials

3140

02:00:42,070 --> 02:00:38,880

pressing questions like this publicly is

3141

02:00:44,629 --> 02:00:42,080

groundbreaking in itself

3142

02:00:46,390 --> 02:00:44,639

outstanding from gillibrand the look on

3143

02:00:48,550 --> 02:00:46,400

storch's face when she asked him to

3144

02:00:50,790 --> 02:00:48,560

familiar familiarize himself with the

3145

02:00:52,870 --> 02:00:50,800

uap subject and respond in writing

3146

02:00:55,030 --> 02:00:52,880

before his confirmation

3147

02:01:00,470 --> 02:00:55,040

priceless

3148

02:01:05,350 --> 02:01:03,430

let's see anything else who is mr storch

3149

02:01:06,229 --> 02:01:05,360

he's the guy who's

3150

02:01:09,589 --> 02:01:06,239

the

3151
02:01:11,669 --> 02:01:09,599
inspector general

3152
02:01:15,270 --> 02:01:11,679
for the nsa and he's trying to become

3153
02:01:16,790 --> 02:01:15,280
the inspector general for the entire dod

3154
02:01:18,870 --> 02:01:16,800
where they make sure things are on the

3155
02:01:20,950 --> 02:01:18,880
up on up and there's no

3156
02:01:23,589 --> 02:01:20,960
nothing no wrong doing in various

3157
02:01:26,310 --> 02:01:23,599
government agencies

3158
02:01:31,350 --> 02:01:26,320
ig for the entire dod is a pretty big

3159
02:01:36,390 --> 02:01:33,030
so the fact that

3160
02:01:40,709 --> 02:01:36,400
the dod is under evaluation

3161
02:01:44,229 --> 02:01:42,070
she's getting more done on this topic

3162
02:01:45,990 --> 02:01:44,239
than any figure ever has in the us

3163
02:01:49,589 --> 02:01:46,000

government or any other government in

3164

02:01:54,310 --> 02:01:51,830

as far as transparency and commitment

3165

02:01:56,229 --> 02:01:54,320

thank you senator gillibrand

3166

02:01:59,109 --> 02:01:56,239

i'm glad i'm glad people

3167

02:02:03,510 --> 02:02:01,109

and uh yeah he raised his eyebrow at the

3168

02:02:08,310 --> 02:02:03,520

end as people were pointing out kind of

3169

02:02:11,750 --> 02:02:09,830

who is this i live in new york and i

3170

02:02:14,310 --> 02:02:11,760

have no idea who she is yeah well you

3171

02:02:15,910 --> 02:02:14,320

should know your senator

3172

02:02:17,109 --> 02:02:15,920

senators

3173

02:02:18,390 --> 02:02:17,119

i don't know who the other new york

3174

02:02:20,149 --> 02:02:18,400

senator is

3175

02:02:23,910 --> 02:02:20,159

i would if i lived there i used to live

3176

02:02:23,920 --> 02:02:27,750

um

3177

02:02:31,270 --> 02:02:29,030

how do you feel about gillibrand's

3178

02:02:33,669 --> 02:02:31,280

corruption in this i don't know i don't

3179

02:02:34,870 --> 02:02:33,679

follow all politics

3180

02:02:35,990 --> 02:02:34,880

you know

3181

02:02:38,950 --> 02:02:36,000

i'm sure

3182

02:02:41,350 --> 02:02:38,960

they all have issues

3183

02:02:44,310 --> 02:02:41,360

everybody except bernie because bernie

3184

02:02:46,629 --> 02:02:44,320

says ufos if they're coming here then

3185

02:02:48,149 --> 02:02:46,639

obviously they're more advanced than us

3186

02:02:50,070 --> 02:02:48,159

i have a pretty good bernie if i could

3187

02:02:51,510 --> 02:02:50,080

do it loud but i can't do it loud it's

3188

02:02:53,030 --> 02:02:51,520

too late

3189

02:02:55,189 --> 02:02:53,040

and bernie actually did say that when he

3190

02:02:57,830 --> 02:02:55,199

was asked by that new hampshire paper i

3191

02:02:59,990 --> 02:02:57,840

think it was new hampshire

3192

02:03:01,750 --> 02:03:00,000

they asked everybody about ufos all the

3193

02:03:04,950 --> 02:03:01,760

presidential uh candidates when they

3194

02:03:09,189 --> 02:03:06,790

president nixon and reagan saw the alien

3195

02:03:11,109 --> 02:03:09,199

bodies

3196

02:03:12,790 --> 02:03:11,119

all right i don't know that but they

3197

02:03:15,109 --> 02:03:12,800

said get admiral wilson to find the

3198

02:03:16,790 --> 02:03:15,119

alien bodies

3199

02:03:21,109 --> 02:03:16,800

i think that is it

3200

02:03:25,189 --> 02:03:23,189

bureaucrats they never fail to stifle

3201

02:03:26,950 --> 02:03:25,199

investigations that benefit the public

3202

02:03:29,109 --> 02:03:26,960

well we don't know if he's stifling yet

3203

02:03:31,350 --> 02:03:29,119

let's see

3204

02:03:33,510 --> 02:03:31,360

this is what's needed no more excuses

3205

02:03:37,030 --> 02:03:33,520

senator gillibrand ignorance is no

3206

02:03:42,629 --> 02:03:39,990

and this guy

3207

02:03:45,830 --> 02:03:42,639

this guy has a ton of followers

3208

02:03:48,229 --> 02:03:45,840

e.t explosion disclosure

3209

02:03:50,229 --> 02:03:48,239

it's emmy

3210

02:03:52,229 --> 02:03:50,239

what do you want but nobody ever no

3211

02:03:54,709 --> 02:03:52,239

nobody ever responds to his

3212

02:03:56,229 --> 02:03:54,719

tweets because he says stuff

3213

02:03:57,589 --> 02:03:56,239

like he knows what's going on he's one

3214

02:03:59,030 --> 02:03:57,599

of the folks who knows what's going on

3215

02:04:00,950 --> 02:03:59,040

he's like you'll never get to the bottom

3216

02:04:03,430 --> 02:04:00,960

until you're willing to consider that

3217

02:04:05,109 --> 02:04:03,440

she knows what is going on and is

3218

02:04:08,870 --> 02:04:05,119

subnating the public to make them

3219

02:04:10,709 --> 02:04:08,880

complacent for disclosure

3220

02:04:13,350 --> 02:04:10,719

no i don't think she knows what's going

3221

02:04:15,669 --> 02:04:13,360

on i mean i think she's seen

3222

02:04:16,790 --> 02:04:15,679

some amazing videos but

3223

02:04:18,310 --> 02:04:16,800

um

3224

02:04:21,030 --> 02:04:18,320

i don't think she has access to the

3225

02:04:22,870 --> 02:04:21,040

special unacknowledged special access

3226

02:04:25,669 --> 02:04:22,880

programs that hold

3227

02:04:29,189 --> 02:04:25,679

the decades and decades of data

3228

02:04:30,229 --> 02:04:29,199

and the alleged intact craft

3229

02:04:32,870 --> 02:04:30,239

um

3230

02:04:34,870 --> 02:04:32,880

yeah somebody criticizes him and says

3231

02:04:37,589 --> 02:04:34,880

such a negative view not sure where this

3232

02:04:39,430 --> 02:04:37,599

comes from here's another viewpoint that

3233

02:04:41,510 --> 02:04:39,440

she finally knows what is going on

3234

02:04:43,589 --> 02:04:41,520

through the efforts of elizondo and now

3235

02:04:45,510 --> 02:04:43,599

wants to bring the truth to humanity

3236

02:04:49,669 --> 02:04:45,520

through proper government channels and

3237

02:04:51,750 --> 02:04:49,679

do disclosure right what a concept

3238

02:04:53,109 --> 02:04:51,760

i'm afraid to click on show replies did

3239

02:04:54,950 --> 02:04:53,119

he respond

3240

02:04:56,870 --> 02:04:54,960

it comes from an understanding of what

3241

02:05:01,910 --> 02:04:56,880

is actually going on and not an

3242

02:05:05,270 --> 02:05:03,910

yeah he doesn't see gillibrand and the

3243

02:05:07,030 --> 02:05:05,280

guy responds i don't see jill abraham as

3244

02:05:09,109 --> 02:05:07,040

some far-reaching government conspiracy

3245

02:05:10,950 --> 02:05:09,119

either do i um

3246

02:05:12,950 --> 02:05:10,960

although there

3247

02:05:14,470 --> 02:05:12,960

luke has spoken about

3248

02:05:35,109 --> 02:05:14,480

a

3249

02:05:36,950 --> 02:05:35,119

um

3250

02:05:39,510 --> 02:05:36,960

they had men in black type

3251

02:05:41,589 --> 02:05:39,520

come folks come and basically

3252

02:05:43,990 --> 02:05:41,599

intimidate them into not talking about

3253

02:05:44,870 --> 02:05:44,000

their siding as they that they had as a

3254

02:05:46,390 --> 02:05:44,880

town

3255

02:05:48,149 --> 02:05:46,400

next thing you know they got electric

3256

02:05:50,550 --> 02:05:48,159

this was electricity because they had

3257

02:05:52,470 --> 02:05:50,560

not they had not had electricity before

3258

02:05:53,910 --> 02:05:52,480

that this was not they think this was

3259

02:05:56,149 --> 02:05:53,920

2007

3260

02:05:58,550 --> 02:05:56,159

and then another guy

3261

02:06:00,310 --> 02:05:58,560

had a sighting of a triangle outback

3262

02:06:02,709 --> 02:06:00,320

this was in georgia

3263

02:06:05,189 --> 02:06:02,719

he took out the spotlight to shine it on

3264

02:06:07,030 --> 02:06:05,199

the the craft and then this beam shot

3265

02:06:09,109 --> 02:06:07,040

down and injured him

3266

02:06:11,030 --> 02:06:09,119

and he got visited by two quote unquote

3267

02:06:11,990 --> 02:06:11,040

men in black and they intimidated him

3268

02:06:13,350 --> 02:06:12,000

and

3269

02:06:17,270 --> 02:06:13,360

um

3270

02:06:18,790 --> 02:06:17,280

they traced i believe they traced the

3271

02:06:21,109 --> 02:06:18,800

license plates to the department of

3272

02:06:22,950 --> 02:06:21,119

homeland security so

3273

02:06:24,149 --> 02:06:22,960

is that where the men in black this

3274

02:06:25,830 --> 02:06:24,159

group that's

3275

02:06:26,950 --> 02:06:25,840

you know operating in the black is that

3276

02:06:28,709 --> 02:06:26,960

where they are

3277

02:06:29,830 --> 02:06:28,719

based out of there i don't know that

3278

02:06:32,550 --> 02:06:29,840

doesn't make any sense if they're

3279

02:06:34,629 --> 02:06:32,560

operating in the black they probably

3280

02:06:37,030 --> 02:06:34,639

well that could be

3281

02:06:41,430 --> 02:06:37,040

never mind i'm tired

3282

02:06:46,950 --> 02:06:44,550

yeah i i definitely consider worst-case

3283

02:06:49,830 --> 02:06:46,960

scenarios best case scenarios

3284

02:06:52,870 --> 02:06:49,840

the best case scenario is

3285

02:06:56,629 --> 02:06:52,880

all this is coming from our own

3286

02:07:01,510 --> 02:06:59,109

carl young said there are no

3287

02:07:04,229 --> 02:07:01,520

aliens here there are no parasites there

3288

02:07:07,030 --> 02:07:04,239

are there are there's no there are no

3289

02:07:09,990 --> 02:07:07,040

intelligence here intelligence here who

3290

02:07:14,069 --> 02:07:12,390

do who don't have our best interests at

3291

02:07:15,990 --> 02:07:14,079

heart that's one thing i was told

3292

02:07:19,270 --> 02:07:16,000

everybody who is here

3293

02:07:20,470 --> 02:07:19,280

wants something from us

3294

02:07:22,149 --> 02:07:20,480

um

3295

02:07:25,030 --> 02:07:22,159

where did gillibrand come from she's

3296

02:07:28,310 --> 02:07:25,040

absolute fire she's really out here

3297

02:07:30,709 --> 02:07:28,320

kicking ass and taking names

3298

02:07:32,709 --> 02:07:30,719

and then somebody says hogwash believers

3299

02:07:34,870 --> 02:07:32,719

outside of government can prove aliens

3300

02:07:37,189 --> 02:07:34,880

are here anytime they want

3301

02:07:39,750 --> 02:07:37,199

not one government employee anywhere on

3302

02:07:42,709 --> 02:07:39,760

the planet is needed to do this nothing

3303

02:07:43,669 --> 02:07:42,719

prevents any of you from doing so yet

3304

02:07:47,589 --> 02:07:43,679

nothing

3305

02:07:49,910 --> 02:07:47,599

anyone actually one thing prevents

3306

02:07:51,830 --> 02:07:49,920

actually one thing prevents it

3307

02:07:52,870 --> 02:07:51,840

aliens aren't here

3308

02:07:54,470 --> 02:07:52,880

sad

3309

02:07:56,069 --> 02:07:54,480

i think that was donald trump and his

3310

02:07:57,350 --> 02:07:56,079

sock puppet account

3311

02:07:58,470 --> 02:07:57,360

known as

3312

02:08:02,229 --> 02:07:58,480

kitty

3313

02:08:02,239 --> 02:08:06,149

last one

3314

02:08:09,589 --> 02:08:07,430

actually

3315

02:08:12,470 --> 02:08:09,599

storch

3316

02:08:14,629 --> 02:08:12,480

his reaction is negative when gillibrand

3317

02:08:17,109 --> 02:08:14,639

asked if he would familiarize himself

3318

02:08:20,870 --> 02:08:17,119

with the issue his mouth said yes but at

3319

02:08:22,390 --> 02:08:20,880

the same moment he shook his head no

3320

02:08:24,149 --> 02:08:22,400

the body language reveals that

3321

02:08:26,790 --> 02:08:24,159

politically he knew

3322

02:08:29,109 --> 02:08:26,800

to say yes but doesn't take it seriously

3323

02:08:35,189 --> 02:08:29,119

can't trust him

3324

02:08:38,790 --> 02:08:37,030

i'm crooked

3325

02:08:40,149 --> 02:08:38,800

i'll pull up i'll pull up his uh video

3326

02:08:41,109 --> 02:08:40,159

and play it one more time and that'll be

3327

02:08:56,149 --> 02:08:41,119

it

3328

02:08:58,470 --> 02:08:56,159

all right good morning rodrigo

3329

02:09:00,550 --> 02:08:58,480

good night everybody else

3330

02:09:02,550 --> 02:09:00,560

have a great night or a great day if

3331

02:09:05,830 --> 02:09:02,560

your day is just starting

3332

02:09:07,910 --> 02:09:05,840

i will try to do this as much as i can

3333

02:09:11,030 --> 02:09:07,920

um

3334

02:09:13,589 --> 02:09:11,040

my personal stuff i'm looking for work i

3335

02:09:14,870 --> 02:09:13,599

almost had a job in texas for five days

3336

02:09:18,870 --> 02:09:14,880

it would have

3337

02:09:21,350 --> 02:09:18,880

have helped a lot but i don't think i

3338

02:09:22,709 --> 02:09:21,360

got it because i wasn't in their local

3339

02:09:26,550 --> 02:09:22,719

union

3340

02:09:28,069 --> 02:09:26,560

somebody from there i have not heard

3341

02:09:29,990 --> 02:09:28,079

back from them because people don't like

3342

02:09:32,310 --> 02:09:30,000

to give you bad news so

3343

02:09:35,510 --> 02:09:32,320

um goodnight jeff

3344

02:09:37,750 --> 02:09:35,520

and um so anyway i'll keep doing this as

3345

02:09:39,750 --> 02:09:37,760

much as i can until i get work

3346

02:09:41,910 --> 02:09:39,760

hopefully i get enough work to pay the

3347

02:09:44,310 --> 02:09:41,920

bills but not too much where i can't do

3348

02:09:46,149 --> 02:09:44,320

this whenever i want to do this

3349

02:09:47,910 --> 02:09:46,159

i'm doing a show somebody's interviewing

3350

02:09:49,669 --> 02:09:47,920

me

3351

02:09:53,430 --> 02:09:49,679

um

3352

02:09:55,830 --> 02:09:53,440

the 22nd so five days from now

3353

02:09:57,589 --> 02:09:55,840

i will promote it on my twitter

3354

02:09:59,270 --> 02:09:57,599

and i'll talk about it next time it's

3355

02:10:01,430 --> 02:09:59,280

calling all beings

3356

02:10:02,550 --> 02:10:01,440

so it's it's a podcast i had heard about

3357

02:10:04,390 --> 02:10:02,560

before

3358

02:10:06,870 --> 02:10:04,400

anyway

3359

02:10:08,550 --> 02:10:06,880

have a great night everybody and like

3360

02:10:10,470 --> 02:10:08,560

like i said if you like the stuff and
