

1
00:01:14,070 --> 00:01:11,590
all right i was reading i was reading

2
00:01:16,310 --> 00:01:14,080
this article on yahoo today and it was

3
00:01:18,950 --> 00:01:16,320
really good and it was

4
00:01:20,950 --> 00:01:18,960
they put out the call

5
00:01:23,109 --> 00:01:20,960
to nurses to share what they had

6
00:01:25,749 --> 00:01:23,119
experienced or what they had heard

7
00:01:28,149 --> 00:01:25,759
from patients who were

8
00:01:29,670 --> 00:01:28,159
basically in their last moments on their

9
00:01:31,510 --> 00:01:29,680
deathbed

10
00:01:33,590 --> 00:01:31,520
not always not always in their last

11
00:01:34,390 --> 00:01:33,600
their last moments

12
00:01:36,630 --> 00:01:34,400
um

13
00:01:38,870 --> 00:01:36,640

so i wanted to read there's f i think

14

00:01:40,870 --> 00:01:38,880

there's like 50

15

00:01:43,030 --> 00:01:40,880

submissions and some of them are really

16

00:01:44,550 --> 00:01:43,040

good and some of them are will make you

17

00:01:46,149 --> 00:01:44,560

shake your head at some of the things

18

00:01:47,270 --> 00:01:46,159

that people said

19

00:01:49,350 --> 00:01:47,280

and um

20

00:01:51,270 --> 00:01:49,360

i have some of my own stories from the

21

00:01:55,429 --> 00:01:51,280

time

22

00:01:57,270 --> 00:01:55,439

i was volunt volunteering in 2001 at a

23

00:02:00,709 --> 00:01:57,280

veterans hospital on long island a

24

00:02:05,190 --> 00:02:02,870

one story from when i was in high school

25

00:02:07,109 --> 00:02:05,200

related to death not a death bed vision

26
00:02:09,029 --> 00:02:07,119
or deathbed experience or anything like

27
00:02:12,150 --> 00:02:09,039
that with a family member

28
00:02:13,670 --> 00:02:12,160
but i'll i'll tell that later and um

29
00:02:16,229 --> 00:02:13,680
so

30
00:02:18,710 --> 00:02:16,239
starts out yahoo's like

31
00:02:20,390 --> 00:02:18,720
recently nurses they asked

32
00:02:22,710 --> 00:02:20,400
what were the most haunting things

33
00:02:23,910 --> 00:02:22,720
someone said on their deathbed

34
00:02:28,630 --> 00:02:23,920
and

35
00:02:30,710 --> 00:02:28,640
practitioners share their experiences

36
00:02:32,470 --> 00:02:30,720
as well as individuals so it wasn't just

37
00:02:34,229 --> 00:02:32,480
healthcare nurse it wasn't just nurses

38
00:02:36,470 --> 00:02:34,239

and healthcare workers it was all

39

00:02:39,110 --> 00:02:36,480

different kinds of people um so they

40

00:02:41,509 --> 00:02:39,120

shared their stories

41

00:02:45,430 --> 00:02:43,589

what they heard when a loved one

42

00:02:46,869 --> 00:02:45,440

from a loved one shortly before they

43

00:02:50,390 --> 00:02:46,879

passed

44

00:02:51,509 --> 00:02:50,400

let me go through some of these

45

00:02:53,270 --> 00:02:51,519

first one

46

00:02:57,190 --> 00:02:53,280

i'm not a nurse

47

00:02:59,030 --> 00:02:57,200

but i'm an emtb on the 911 uni uh unit

48

00:03:01,750 --> 00:02:59,040

we'd gotten a call about a hit and run

49

00:03:03,589 --> 00:03:01,760

and cops were on the scene first

50

00:03:06,630 --> 00:03:03,599

some guy and his girlfriend had gotten

51
00:03:08,949 --> 00:03:06,640
into a fight in a parking lot it ended

52
00:03:11,110 --> 00:03:08,959
up with him running her over and then

53
00:03:12,869 --> 00:03:11,120
backing up over her

54
00:03:14,390 --> 00:03:12,879
she wasn't doing well and her vitals

55
00:03:16,470 --> 00:03:14,400
were tanking

56
00:03:19,750 --> 00:03:16,480
we loaded up and she kept mumbling tell

57
00:03:21,830 --> 00:03:19,760
my mom please tell my mom

58
00:03:24,949 --> 00:03:21,840
actually i figured she was asking us to

59
00:03:26,630 --> 00:03:24,959
let her mom know she was hurt

60
00:03:28,470 --> 00:03:26,640
the hospital was going to take care of

61
00:03:30,789 --> 00:03:28,480
that so i put it out of my mind as we

62
00:03:33,430 --> 00:03:30,799
were working over her

63
00:03:35,589 --> 00:03:33,440

she flatlined before we arrived they

64

00:03:37,990 --> 00:03:35,599

didn't get her back my partner was

65

00:03:40,149 --> 00:03:38,000

finishing up her paperwork and turned to

66

00:03:42,390 --> 00:03:40,159

give her wallet back to the staff

67

00:03:44,149 --> 00:03:42,400

the nurse on duty who i knew well was

68

00:03:46,789 --> 00:03:44,159

reading a dirty piece of paper she

69

00:03:49,750 --> 00:03:46,799

looked disgusted when i asked what was

70

00:03:51,750 --> 00:03:49,760

up she put the piece of paperwork down

71

00:03:54,070 --> 00:03:51,760

it was a letter that was picked up near

72

00:03:56,149 --> 00:03:54,080

her purse on the scene

73

00:03:58,309 --> 00:03:56,159

the girl who the girl died had gotten

74

00:04:00,789 --> 00:03:58,319

accepted into college and she wanted

75

00:04:02,470 --> 00:04:00,799

them to tell her mom that she had gotten

76
00:04:04,229 --> 00:04:02,480
accepted into college that was the last

77
00:04:06,789 --> 00:04:04,239
thing she said

78
00:04:08,630 --> 00:04:06,799
um sad sad story

79
00:04:10,470 --> 00:04:08,640
not all of all these stories are

80
00:04:12,630 --> 00:04:10,480
different

81
00:04:14,309 --> 00:04:12,640
next one is

82
00:04:16,870 --> 00:04:14,319
right before my grandma died her heart

83
00:04:19,830 --> 00:04:16,880
rate shot up to the 220s as the monitor

84
00:04:21,909 --> 00:04:19,840
started sounding all sorts of alarms she

85
00:04:24,710 --> 00:04:21,919
yelled out am i supposed to stop

86
00:04:26,950 --> 00:04:24,720
breathing now so a lot of these are

87
00:04:28,390 --> 00:04:26,960
are com are comedic

88
00:04:31,030 --> 00:04:28,400

um i don't know if they're meant to be

89

00:04:33,590 --> 00:04:31,040

funny some of them you'll see

90

00:04:35,990 --> 00:04:33,600

person was very very light-hearted uh in

91

00:04:37,430 --> 00:04:36,000

a tough situation

92

00:04:40,710 --> 00:04:37,440

let me see if i can move this over a

93

00:04:43,670 --> 00:04:42,150

here's a story i had to tell my

94

00:04:46,150 --> 00:04:43,680

grandmother that dialysis would only

95

00:04:48,790 --> 00:04:46,160

give her a week or so to live and it was

96

00:04:50,550 --> 00:04:48,800

her choice to try it or not she was in

97

00:04:52,550 --> 00:04:50,560

and out of consciousness at that point

98

00:04:54,950 --> 00:04:52,560

but she was in a clear state for the

99

00:04:56,710 --> 00:04:54,960

moment and that's something

100

00:04:58,390 --> 00:04:56,720

you hear all the time people are on

101
00:05:00,629 --> 00:04:58,400
their deathbed they're out of it and all

102
00:05:02,230 --> 00:05:00,639
of a sudden they make this comeback and

103
00:05:04,150 --> 00:05:02,240
they seem like they're getting better

104
00:05:06,070 --> 00:05:04,160
and they're fine and that's just really

105
00:05:07,990 --> 00:05:06,080
common and then they die

106
00:05:09,110 --> 00:05:08,000
um

107
00:05:11,029 --> 00:05:09,120
she asked

108
00:05:12,870 --> 00:05:11,039
will i die

109
00:05:15,110 --> 00:05:12,880
i said yes

110
00:05:16,870 --> 00:05:15,120
she looked me in the eye smiled just a

111
00:05:18,469 --> 00:05:16,880
little and said

112
00:05:20,870 --> 00:05:18,479
sometimes you got to do what you don't

113
00:05:23,029 --> 00:05:20,880

want to do she closed her eyes squeezed

114

00:05:26,629 --> 00:05:23,039

my hand and slept until she passed a day

115

00:05:30,790 --> 00:05:28,390

fourth one i'm not a nurse but my

116

00:05:33,270 --> 00:05:30,800

grandfather was put into a 24 7 care

117

00:05:35,430 --> 00:05:33,280

home with severe parkinson's

118

00:05:37,510 --> 00:05:35,440

my mom and grandma had spent four years

119

00:05:38,950 --> 00:05:37,520

basically taking care of him constantly

120

00:05:39,990 --> 00:05:38,960

and they needed a break for a couple of

121

00:05:42,150 --> 00:05:40,000

weeks

122

00:05:45,590 --> 00:05:42,160

they visited him every other day in

123

00:05:47,270 --> 00:05:45,600

shifts but i went home one day alone

124

00:05:50,310 --> 00:05:47,280

he looked me straight in the eye and

125

00:05:51,270 --> 00:05:50,320

said i need you to get me home so i can

126
00:05:53,510 --> 00:05:51,280
die

127
00:05:55,510 --> 00:05:53,520
i can't do it here

128
00:05:57,270 --> 00:05:55,520
i tried saying everything i could to the

129
00:06:00,070 --> 00:05:57,280
nurses and my family to get him home

130
00:06:03,189 --> 00:06:00,080
without without saying what he told me

131
00:06:05,510 --> 00:06:03,199
24 hours later he got rushed to the er

132
00:06:08,070 --> 00:06:05,520
as he was dying he looked at me and said

133
00:06:10,710 --> 00:06:08,080
don't let it bother you and died so yeah

134
00:06:12,390 --> 00:06:10,720
he she didn't get him home but

135
00:06:15,270 --> 00:06:12,400
he was like it's fine don't worry about

136
00:06:16,870 --> 00:06:15,280
it and some of these stories are

137
00:06:18,469 --> 00:06:16,880
you know they're not going to make you

138
00:06:19,510 --> 00:06:18,479

say oh my god but some of them are some

139

00:06:21,110 --> 00:06:19,520

of them will make you think about and

140

00:06:22,790 --> 00:06:21,120

we'll get to those

141

00:06:24,710 --> 00:06:22,800

i had a patient whose memory had been

142

00:06:26,790 --> 00:06:24,720

fading for years it's weird right before

143

00:06:28,390 --> 00:06:26,800

a patient dies like i said sometimes

144

00:06:30,550 --> 00:06:28,400

they'll suddenly appear to be doing a

145

00:06:32,150 --> 00:06:30,560

lot better this is really weird why does

146

00:06:33,670 --> 00:06:32,160

that happen it happens so many times if

147

00:06:34,870 --> 00:06:33,680

you read stories about people who are

148

00:06:36,309 --> 00:06:34,880

dying

149

00:06:38,150 --> 00:06:36,319

totally out of it next thing you know

150

00:06:39,510 --> 00:06:38,160

it's like oh they're fine they're going

151
00:06:41,510 --> 00:06:39,520
to get better people who don't know

152
00:06:43,029 --> 00:06:41,520
about that think they're getting better

153
00:06:44,710 --> 00:06:43,039
and then they pass away really soon

154
00:06:47,830 --> 00:06:44,720
after

155
00:06:49,350 --> 00:06:47,840
anyway he thought i was his late wife i

156
00:06:51,670 --> 00:06:49,360
played along and just listened to him

157
00:06:54,070 --> 00:06:51,680
while he recalled his engagement his

158
00:06:55,990 --> 00:06:54,080
wedding his first child birth and a few

159
00:06:58,150 --> 00:06:56,000
other memories

160
00:07:00,830 --> 00:06:58,160
at one point he says oh

161
00:07:03,189 --> 00:07:00,840
irene there you are

162
00:07:04,710 --> 00:07:03,199
sorry uh you know my eyes aren't as good

163
00:07:07,029 --> 00:07:04,720

as they used to be well thank you for

164

00:07:08,469 --> 00:07:07,039

listening to an old man tell his stories

165

00:07:11,270 --> 00:07:08,479

i hope you have great stories to tell

166

00:07:12,550 --> 00:07:11,280

one day too i'm coming irene then he

167

00:07:14,950 --> 00:07:12,560

passed

168

00:07:17,749 --> 00:07:14,960

you hear people talking about their

169

00:07:19,189 --> 00:07:17,759

dead relatives all the time there's so

170

00:07:21,029 --> 00:07:19,199

many stories about people right before

171

00:07:23,270 --> 00:07:21,039

they die they start seeing friends and

172

00:07:25,830 --> 00:07:23,280

relatives at their bedside

173

00:07:27,830 --> 00:07:25,840

is it really their friends and relatives

174

00:07:29,350 --> 00:07:27,840

i don't know i don't know later on

175

00:07:30,950 --> 00:07:29,360

there's a there's one

176

00:07:33,029 --> 00:07:30,960

there's this there's a story you'll see

177

00:07:34,150 --> 00:07:33,039

where i start and i've said this before

178

00:07:36,550 --> 00:07:34,160

when

179

00:07:38,550 --> 00:07:36,560

remote viewer joe mcmonicle had a remote

180

00:07:40,870 --> 00:07:38,560

viewing session of a ufo

181

00:07:43,510 --> 00:07:40,880

event and his father popped into the

182

00:07:45,430 --> 00:07:43,520

event and mcmonicle said

183

00:07:47,430 --> 00:07:45,440

you're not my father because the guy was

184

00:07:49,270 --> 00:07:47,440

acting different than his father had

185

00:07:51,990 --> 00:07:49,280

acted when he was alive his father was

186

00:07:54,070 --> 00:07:52,000

dead so this being was kind of like

187

00:07:55,909 --> 00:07:54,080

portray if you believe the story take it

188

00:07:57,830 --> 00:07:55,919

as face take it at face value this being

189

00:07:59,510 --> 00:07:57,840

was pretending to be his father and

190

00:08:00,790 --> 00:07:59,520

mcmonicle wanted

191

00:08:02,869 --> 00:08:00,800

macmonical wouldn't have it he's

192

00:08:05,430 --> 00:08:02,879

basically like you're not my dad and the

193

00:08:07,270 --> 00:08:05,440

thing just popped out so

194

00:08:09,830 --> 00:08:07,280

i've brought this up before

195

00:08:11,430 --> 00:08:09,840

in closing counter cases where people

196

00:08:13,270 --> 00:08:11,440

during the day they'll have an encounter

197

00:08:14,469 --> 00:08:13,280

with their dead relative and then at

198

00:08:16,309 --> 00:08:14,479

night they'll have a close encounter

199

00:08:18,070 --> 00:08:16,319

case so was that really their dead

200

00:08:20,230 --> 00:08:18,080

relative they experienced or you know

201
00:08:22,629 --> 00:08:20,240
encountered during the day it's

202
00:08:25,350 --> 00:08:22,639
impossible to know that

203
00:08:27,909 --> 00:08:25,360
just like in in mediumship

204
00:08:30,629 --> 00:08:27,919
even a physical medium ship where the

205
00:08:31,830 --> 00:08:30,639
the person allegedly comes into the room

206
00:08:32,709 --> 00:08:31,840
physically

207
00:08:34,550 --> 00:08:32,719
um

208
00:08:36,389 --> 00:08:34,560
is that really your dead loved one

209
00:08:38,310 --> 00:08:36,399
there's no way to know

210
00:08:39,990 --> 00:08:38,320
just because they look like you're dead

211
00:08:41,750 --> 00:08:40,000
relative and they tell you details about

212
00:08:43,110 --> 00:08:41,760
your life there's no way to prove that's

213
00:08:44,470 --> 00:08:43,120

who it is so

214

00:08:46,230 --> 00:08:44,480

you have to take that with a grain of

215

00:08:48,389 --> 00:08:46,240

salt and i know people are like no i

216

00:08:50,070 --> 00:08:48,399

felt it i had the experience i felt the

217

00:08:51,990 --> 00:08:50,080

love

218

00:08:54,230 --> 00:08:52,000

maybe maybe that's exactly what it is

219

00:08:55,990 --> 00:08:54,240

but it's impossible to prove that and

220

00:08:59,910 --> 00:08:56,000

that i know that's cynical but that's

221

00:08:59,920 --> 00:09:07,269

meanwhile i'm skipping stories here

222

00:09:11,030 --> 00:09:09,269

many moons ago when i was a nurse let me

223

00:09:14,630 --> 00:09:11,040

see if anybody's and i'm not going to

224

00:09:19,030 --> 00:09:16,470

later on if you want to jump in on video

225

00:09:22,470 --> 00:09:19,040

and share stories like this you're free

226

00:09:25,590 --> 00:09:24,150

well let me continue

227

00:09:27,670 --> 00:09:25,600

many moons ago when i was a nursing

228

00:09:30,150 --> 00:09:27,680

student a man in his 40s was lying on

229

00:09:32,150 --> 00:09:30,160

his deathbed from terminal cancer

230

00:09:33,190 --> 00:09:32,160

with his sobbing wife lying in bed next

231

00:09:35,829 --> 00:09:33,200

to him

232

00:09:38,070 --> 00:09:35,839

he looked at his wife and using the last

233

00:09:40,389 --> 00:09:38,080

bit of energy he had gently wiped away

234

00:09:42,389 --> 00:09:40,399

her tears and stroked her cheek he took

235

00:09:45,269 --> 00:09:42,399

off his oxygen mask and said don't worry

236

00:09:48,470 --> 00:09:45,279

love don't be afraid it's just death

237

00:09:50,710 --> 00:09:48,480

and passed shortly after

238

00:09:53,350 --> 00:09:50,720

i'm a former

239

00:09:55,670 --> 00:09:53,360

i think cna is a nurse assistant in the

240

00:09:57,190 --> 00:09:55,680

dementia unit of an assisted living

241

00:09:58,630 --> 00:09:57,200

facility

242

00:10:00,310 --> 00:09:58,640

this is another story for those

243

00:10:02,150 --> 00:10:00,320

listening on audio which i promise

244

00:10:04,550 --> 00:10:02,160

tomorrow i will do my best to get these

245

00:10:06,389 --> 00:10:04,560

onto a podcast site

246

00:10:09,670 --> 00:10:06,399

so the audio folks can just listen on

247

00:10:10,790 --> 00:10:09,680

the way to work or wherever

248

00:10:14,150 --> 00:10:10,800

former

249

00:10:16,550 --> 00:10:14,160

nurse assistant in the dementia unit

250

00:10:20,790 --> 00:10:16,560

of an assisted living facility my dad is

251
00:10:28,949 --> 00:10:23,190
she said every time i checked on her now

252
00:10:32,790 --> 00:10:31,190
my dad is on his way to pick me up now

253
00:10:34,310 --> 00:10:32,800
she said every time i checked on her

254
00:10:36,230 --> 00:10:34,320
until she died about a week after it

255
00:10:37,670 --> 00:10:36,240
started while she was still mobile she

256
00:10:40,150 --> 00:10:37,680
would tidy her room on the edge of her

257
00:10:41,910 --> 00:10:40,160
bed just wait most of the day basically

258
00:10:43,509 --> 00:10:41,920
she was waiting

259
00:10:45,670 --> 00:10:43,519
somebody to come get her

260
00:10:47,829 --> 00:10:45,680
so when she died they would come greet

261
00:10:49,670 --> 00:10:47,839
her that's another thing

262
00:10:51,829 --> 00:10:49,680
we'll talk about people when they die

263
00:10:55,110 --> 00:10:51,839

you know somebody's coming to show them

264

00:10:57,190 --> 00:10:55,120

the way how to cross over and it to me

265

00:11:04,389 --> 00:10:57,200

it's really odd but i'll save that for

266

00:11:08,389 --> 00:11:06,389

i will interrupt with my own stories let

267

00:11:11,110 --> 00:11:08,399

me see

268

00:11:12,389 --> 00:11:11,120

one of my own stories my first story

269

00:11:16,310 --> 00:11:12,399

it's not my first story dealing with

270

00:11:20,949 --> 00:11:16,320

death that was my great grandmother

271

00:11:22,790 --> 00:11:20,959

which as a kid did not really affect me

272

00:11:24,470 --> 00:11:22,800

as far as i could tell until i was at

273

00:11:28,069 --> 00:11:24,480

the funeral then i just started crying

274

00:11:30,710 --> 00:11:28,079

my eyes out and i must have been like

275

00:11:33,190 --> 00:11:30,720

six or seven um

276

00:11:35,990 --> 00:11:33,200

that was my first funeral

277

00:11:38,069 --> 00:11:36,000

but um later on i was in ninth to tenth

278

00:11:40,710 --> 00:11:38,079

grade and i've told this story before i

279

00:11:44,470 --> 00:11:40,720

had a huge crush on

280

00:11:47,190 --> 00:11:44,480

this gymnast robin and um

281

00:11:49,030 --> 00:11:47,200

i sat behind her in class

282

00:11:51,350 --> 00:11:49,040

and my friend next to me also had a

283

00:11:53,590 --> 00:11:51,360

crush on her douglas cabrini we would

284

00:11:56,470 --> 00:11:53,600

always battle for her attention

285

00:11:58,550 --> 00:11:56,480

and then one day i go home and um i

286

00:12:01,190 --> 00:11:58,560

never i knew nothing about her her home

287

00:12:02,790 --> 00:12:01,200

life whatsoever it was always school

288

00:12:04,550 --> 00:12:02,800

i was on the soccer team she was a

289

00:12:06,310 --> 00:12:04,560

gymnast

290

00:12:07,910 --> 00:12:06,320

so i think it was english class but we

291

00:12:09,430 --> 00:12:07,920

never talked anything about our home

292

00:12:11,829 --> 00:12:09,440

lives

293

00:12:13,269 --> 00:12:11,839

and i go home go to sleep and i have a

294

00:12:15,350 --> 00:12:13,279

dream

295

00:12:17,670 --> 00:12:15,360

and i think at the time my sister was

296

00:12:19,509 --> 00:12:17,680

pregnant and in the dream

297

00:12:20,310 --> 00:12:19,519

we go to see my sister in the hospital

298

00:12:24,389 --> 00:12:20,320

and

299

00:12:25,509 --> 00:12:24,399

i'm like wow what are you doing here

300

00:12:27,590 --> 00:12:25,519

she's like

301
00:12:31,030 --> 00:12:27,600
my mother died

302
00:12:33,190 --> 00:12:31,040
have nowhere nowhere to go right now so

303
00:12:35,350 --> 00:12:33,200
in my dream i convinced my mom to let

304
00:12:37,110 --> 00:12:35,360
robin come stay with us

305
00:12:38,470 --> 00:12:37,120
i was being selfish i wanted to spend

306
00:12:40,389 --> 00:12:38,480
time with her so in the dream i'm like

307
00:12:42,069 --> 00:12:40,399
oh well she her mother died and she has

308
00:12:43,670 --> 00:12:42,079
nowhere to go mom please let her come

309
00:12:45,670 --> 00:12:43,680
over that's so that's the dream my

310
00:12:46,870 --> 00:12:45,680
mother dies the next day or the day

311
00:12:48,710 --> 00:12:46,880
after

312
00:12:52,389 --> 00:12:48,720
going to school

313
00:12:53,829 --> 00:12:52,399

she's not there and it's possible it's

314

00:12:56,389 --> 00:12:53,839

possible she was

315

00:12:58,550 --> 00:12:56,399

absent the day of my dream i'm not sure

316

00:12:59,990 --> 00:12:58,560

but we're always absent from school you

317

00:13:02,230 --> 00:13:00,000

don't think anything of it lots of

318

00:13:05,430 --> 00:13:02,240

people are they're sick

319

00:13:06,949 --> 00:13:05,440

um anyway she's out she comes back a

320

00:13:09,269 --> 00:13:06,959

couple of days later

321

00:13:10,629 --> 00:13:09,279

and me and doug are like why were you

322

00:13:12,230 --> 00:13:10,639

out and she's like

323

00:13:13,269 --> 00:13:12,240

my mother died

324

00:13:15,190 --> 00:13:13,279

um

325

00:13:17,190 --> 00:13:15,200

and doug is like you're lying because

326

00:13:18,870 --> 00:13:17,200

she just said it's a matter of fact

327

00:13:20,389 --> 00:13:18,880

she's like no she had cancer she was

328

00:13:22,710 --> 00:13:20,399

sick for a long time so we were

329

00:13:24,790 --> 00:13:22,720

expecting it but yeah my mother died so

330

00:13:26,629 --> 00:13:24,800

i dreamt it before it happened

331

00:13:28,310 --> 00:13:26,639

had no

332

00:13:30,230 --> 00:13:28,320

lead-in no

333

00:13:31,590 --> 00:13:30,240

no information that her mom was like i

334

00:13:33,590 --> 00:13:31,600

said no information about her family

335

00:13:37,670 --> 00:13:33,600

whatsoever

336

00:13:41,670 --> 00:13:40,470

i looked her up on facebook

337

00:13:43,430 --> 00:13:41,680

sent her a message told her what

338

00:13:45,110 --> 00:13:43,440

happened she remembered

339

00:13:49,189 --> 00:13:45,120

me

340

00:13:50,870 --> 00:13:49,199

her mom being sick with cancer um she

341

00:13:52,710 --> 00:13:50,880

told me her own personal story she was

342

00:13:54,310 --> 00:13:52,720

like yeah that's amazing

343

00:13:56,470 --> 00:13:54,320

that you had that happen and i never

344

00:13:58,230 --> 00:13:56,480

told her until 40 years later and then

345

00:14:00,389 --> 00:13:58,240

she goes oh you're in vegas by the way

346

00:14:02,069 --> 00:14:00,399

she was in carolina she goes my son

347

00:14:05,590 --> 00:14:02,079

works for the golden eyes hockey team

348

00:14:07,269 --> 00:14:05,600

where i worked and um that night

349

00:14:09,750 --> 00:14:07,279

he came to see me and we spoke and i'm

350

00:14:11,509 --> 00:14:09,760

like you know i got to see her son it

351

00:14:13,910 --> 00:14:11,519

was really weird coincidence but so

352

00:14:14,949 --> 00:14:13,920

that's my story that was my first story

353

00:14:16,310 --> 00:14:14,959

but i didn't think it was some

354

00:14:18,069 --> 00:14:16,320

premonition at the time i didn't know

355

00:14:20,230 --> 00:14:18,079

what that was it's just like oh okay had

356

00:14:21,750 --> 00:14:20,240

a dream just so turns out

357

00:14:22,550 --> 00:14:21,760

in my dream she died and then the next

358

00:14:24,230 --> 00:14:22,560

day

359

00:14:26,230 --> 00:14:24,240

she's dead you know i find out her

360

00:14:28,949 --> 00:14:26,240

mother's dead so

361

00:14:32,470 --> 00:14:30,389

not the only time i had a dream about

362

00:14:37,189 --> 00:14:32,480

somebody dying the day before or a

363

00:14:41,189 --> 00:14:39,189

next story

364

00:14:43,269 --> 00:14:41,199

from the yahoo article i started my

365

00:14:44,710 --> 00:14:43,279

nursing career on a palliative unit in

366

00:14:47,590 --> 00:14:44,720

my first three months as a registered

367

00:14:49,509 --> 00:14:47,600

nurse i pronounced seven deaths the one

368

00:14:51,350 --> 00:14:49,519

patient had advanced dementia and often

369

00:14:53,350 --> 00:14:51,360

believed he was at work while he was

370

00:14:56,470 --> 00:14:53,360

awake in the hospital he would often

371

00:14:58,389 --> 00:14:56,480

give us the nurses and care aids tasks

372

00:15:00,790 --> 00:14:58,399

and jobs to do and as he believed

373

00:15:03,030 --> 00:15:00,800

himself to be our superior

374

00:15:05,189 --> 00:15:03,040

one day near the end of december he asks

375

00:15:06,949 --> 00:15:05,199

me when is new year's

376

00:15:08,870 --> 00:15:06,959

what day is it this year

377

00:15:10,629 --> 00:15:08,880

i tell him new years will be coming up

378

00:15:12,629 --> 00:15:10,639

tuesday

379

00:15:15,030 --> 00:15:12,639

he nods and tells me that he thinks he's

380

00:15:16,710 --> 00:15:15,040

going to have to quit after the new year

381

00:15:18,870 --> 00:15:16,720

this job is getting too difficult for

382

00:15:19,990 --> 00:15:18,880

him and he can't keep up it's time to

383

00:15:21,829 --> 00:15:20,000

retire

384

00:15:23,670 --> 00:15:21,839

i tell him we appreciate all the hard

385

00:15:25,990 --> 00:15:23,680

work he's done and how we'll miss him

386

00:15:27,910 --> 00:15:26,000

terribly when he's gone

387

00:15:30,310 --> 00:15:27,920

and that he was a great employee

388

00:15:32,389 --> 00:15:30,320

whom we all loved working with that

389

00:15:35,350 --> 00:15:32,399

tuesday january first he passed away

390

00:15:39,670 --> 00:15:35,360

peace peacefully in his sleep at 2am

391

00:15:42,710 --> 00:15:40,389

my conversation

392

00:15:44,790 --> 00:15:42,720

grasped at the nurse's hand and said i

393

00:15:47,269 --> 00:15:44,800

think i'm going to die now

394

00:15:48,949 --> 00:15:47,279

the nurse was telling her no

395

00:15:51,110 --> 00:15:48,959

she was doing much better and would

396

00:15:53,189 --> 00:15:51,120

likely leave soon meaning leave the

397

00:15:54,870 --> 00:15:53,199

hospital but my grandmother was gone

398

00:15:56,230 --> 00:15:54,880

before she could finish her sentence see

399

00:15:58,550 --> 00:15:56,240

people know

400

00:15:59,670 --> 00:15:58,560

the last quote is she knew some people

401
00:16:01,430 --> 00:15:59,680
just know

402
00:16:02,629 --> 00:16:01,440
and some people can actually

403
00:16:04,470 --> 00:16:02,639
hold off

404
00:16:06,829 --> 00:16:04,480
on dying and then

405
00:16:10,230 --> 00:16:06,839
as i'll share a story later i'll just

406
00:16:11,829 --> 00:16:10,240
quickly when my mom was sick in 2010

407
00:16:13,430 --> 00:16:11,839
she was hanging out she was hanging on

408
00:16:15,269 --> 00:16:13,440
in hospice for like

409
00:16:16,629 --> 00:16:15,279
an entire week and it's like the

410
00:16:19,269 --> 00:16:16,639
doctor's like it's just a matter of time

411
00:16:21,509 --> 00:16:19,279
and we're like why is she holding on

412
00:16:23,990 --> 00:16:21,519
and then my dad one night my sisters

413
00:16:26,069 --> 00:16:24,000

convinced him to talk to her whisper in

414

00:16:28,470 --> 00:16:26,079

her ear and say it's okay to go

415

00:16:30,550 --> 00:16:28,480

that night after she heard that she died

416

00:16:31,910 --> 00:16:30,560

so it seems like people can hold on for

417

00:16:35,030 --> 00:16:31,920

whatever reason and then once they

418

00:16:39,189 --> 00:16:36,870

here's another one

419

00:16:41,189 --> 00:16:39,199

how will i explain this mess this one's

420

00:16:43,430 --> 00:16:41,199

i read most of these today

421

00:16:45,189 --> 00:16:43,440

in fact i read all of them how will i

422

00:16:48,790 --> 00:16:45,199

explain this mess

423

00:16:51,670 --> 00:16:48,800

he asked while pointing to his butt

424

00:16:53,030 --> 00:16:51,680

this lad comes in after a car accident

425

00:16:55,430 --> 00:16:53,040

his work

426

00:16:57,269 --> 00:16:55,440

work van had flipped and rolled the

427

00:16:59,110 --> 00:16:57,279

fella was wheeled in fully conscious

428

00:17:01,749 --> 00:16:59,120

with no pain

429

00:17:03,829 --> 00:17:01,759

or disorientation however he was

430

00:17:06,549 --> 00:17:03,839

completely twisted in half from the

431

00:17:09,909 --> 00:17:06,559

midsection down there was no way he

432

00:17:11,990 --> 00:17:09,919

could he would survive untwisting

433

00:17:13,829 --> 00:17:12,000

but the blood vessels must have been

434

00:17:15,350 --> 00:17:13,839

cinched in such a way that he didn't

435

00:17:16,949 --> 00:17:15,360

bleed out

436

00:17:18,630 --> 00:17:16,959

doctors and nurses explained the

437

00:17:20,710 --> 00:17:18,640

situation to him and suggested his

438

00:17:22,390 --> 00:17:20,720

family come to say goodbye

439

00:17:24,710 --> 00:17:22,400

he looked like he was lounging on the

440

00:17:26,309 --> 00:17:24,720

couch watching tv with a blanket over

441

00:17:29,350 --> 00:17:26,319

his lower half

442

00:17:30,789 --> 00:17:29,360

once the realization sat in set in he

443

00:17:33,270 --> 00:17:30,799

replied with

444

00:17:34,470 --> 00:17:33,280

how will i explain this mess

445

00:17:36,070 --> 00:17:34,480

it's like

446

00:17:37,750 --> 00:17:36,080

it's just horrible i mean it's twisted

447

00:17:40,789 --> 00:17:37,760

in half but it's like

448

00:17:44,630 --> 00:17:40,799

i mean yeah what are you gonna say sorry

449

00:17:44,640 --> 00:17:47,909

12. i'm scared

450

00:17:51,350 --> 00:17:49,510

he was an elderly gentleman with

451
00:17:53,750 --> 00:17:51,360
worsening congestive heart failure who

452
00:17:56,230 --> 00:17:53,760
was incapacitated his wife put him in

453
00:17:58,789 --> 00:17:56,240
hospice and he was comfort measures only

454
00:18:00,070 --> 00:17:58,799
so in other words you don't try to

455
00:18:01,510 --> 00:18:00,080
you know try to get the person better

456
00:18:03,270 --> 00:18:01,520
you're just making comfortable pain

457
00:18:04,870 --> 00:18:03,280
medicine that's kind of that's what

458
00:18:07,029 --> 00:18:04,880
palliative care is

459
00:18:09,830 --> 00:18:07,039
which i have experience spending time in

460
00:18:11,590 --> 00:18:09,840
which i'll share that too

461
00:18:13,350 --> 00:18:11,600
so he's in this guy's in hospice he was

462
00:18:14,870 --> 00:18:13,360
comfort measures only i was at the

463
00:18:16,710 --> 00:18:14,880

nurse's station and i could hear him

464

00:18:17,990 --> 00:18:16,720

starting to gasp for air

465

00:18:20,070 --> 00:18:18,000

i walked into the room and he was

466

00:18:20,950 --> 00:18:20,080

struggling to breathe

467

00:18:23,110 --> 00:18:20,960

breathe

468

00:18:24,630 --> 00:18:23,120

i put my stethoscope up to his back but

469

00:18:26,549 --> 00:18:24,640

i already knew what was happening his

470

00:18:28,549 --> 00:18:26,559

lungs were full of fluid

471

00:18:30,310 --> 00:18:28,559

i sat him in bed and he stared at me

472

00:18:32,390 --> 00:18:30,320

eyes wide open

473

00:18:34,950 --> 00:18:32,400

head slightly tilted back with a facial

474

00:18:37,190 --> 00:18:34,960

expression of full-blown panic

475

00:18:39,350 --> 00:18:37,200

i'm scared

476
00:18:41,110 --> 00:18:39,360
immediately after he said the words his

477
00:18:43,350 --> 00:18:41,120
oxygen mask started filling up with

478
00:18:45,830 --> 00:18:43,360
pinkish red frothy foam running down his

479
00:18:47,669 --> 00:18:45,840
face and dripping onto his gown he was

480
00:18:49,990 --> 00:18:47,679
dead within minutes and all i could do

481
00:18:52,230 --> 00:18:50,000
was watch him i will never forget his

482
00:18:54,549 --> 00:18:52,240
face that's probably the worst story of

483
00:18:55,590 --> 00:18:54,559
all the stories in here um it's also

484
00:18:57,029 --> 00:18:55,600
graphic

485
00:18:58,549 --> 00:18:57,039
kind of not i'm not really sure why that

486
00:19:00,950 --> 00:18:58,559
one was included but i guess they

487
00:19:02,549 --> 00:19:00,960
included everything they received

488
00:19:04,390 --> 00:19:02,559

um

489

00:19:07,190 --> 00:19:04,400

here's another one i'm a nursing student

490

00:19:08,789 --> 00:19:07,200

in canada and my palliative rotation i

491

00:19:13,590 --> 00:19:08,799

had a patient that was getting medically

492

00:19:17,590 --> 00:19:14,390

so

493

00:19:20,310 --> 00:19:17,600

euthanasia was occurring the next day

494

00:19:22,230 --> 00:19:20,320

he was an elderly cancer patient he told

495

00:19:25,029 --> 00:19:22,240

me he was a self-ordained minister

496

00:19:27,510 --> 00:19:25,039

nothing official but an at-home type

497

00:19:30,310 --> 00:19:27,520

creature and that i could confess to him

498

00:19:32,230 --> 00:19:30,320

anything i wanted i humored him and

499

00:19:33,350 --> 00:19:32,240

whispered to him some of my big biggest

500

00:19:35,190 --> 00:19:33,360

secrets

501
00:19:36,230 --> 00:19:35,200
i figured who cares he's gonna die

502
00:19:38,150 --> 00:19:36,240
tomorrow

503
00:19:40,549 --> 00:19:38,160
he told me it was all right and i could

504
00:19:42,710 --> 00:19:40,559
tell he appreciated that i confided in

505
00:19:44,470 --> 00:19:42,720
him he also told me his email address

506
00:19:46,549 --> 00:19:44,480
and said that while he would not be

507
00:19:50,150 --> 00:19:46,559
sending emails in return

508
00:19:56,150 --> 00:19:52,870
that's not that great

509
00:19:56,160 --> 00:20:02,710
what i was talking about palliative care

510
00:20:02,720 --> 00:20:05,029
so

511
00:20:05,039 --> 00:20:09,430
summer of 2001.

512
00:20:12,789 --> 00:20:10,710
i don't know if you guys know who daniel

513
00:20:14,870 --> 00:20:12,799

brinkley is

514

00:20:19,590 --> 00:20:14,880

let me get rid of this for a second no

515

00:20:19,600 --> 00:20:29,270

so

516

00:20:33,590 --> 00:20:31,750

i'll save that for later

517

00:20:36,070 --> 00:20:33,600

so summer of 2001

518

00:20:38,070 --> 00:20:36,080

daniel brinkley he wrote

519

00:20:39,669 --> 00:20:38,080

saved by the light and at peace and the

520

00:20:42,149 --> 00:20:39,679

light which

521

00:20:43,830 --> 00:20:42,159

he was his first time i don't know if it

522

00:20:45,270 --> 00:20:43,840

was in the 70s or early 80s but he was

523

00:20:47,270 --> 00:20:45,280

struck by lightning

524

00:20:49,830 --> 00:20:47,280

died had a near that near-death

525

00:20:51,590 --> 00:20:49,840

experience

526

00:20:53,669 --> 00:20:51,600

he had i think he's had a total of two

527

00:20:54,870 --> 00:20:53,679

or three near-death experiences

528

00:20:57,110 --> 00:20:54,880

anyway

529

00:20:59,510 --> 00:20:57,120

he was a veteran and his big thing is

530

00:21:00,950 --> 00:20:59,520

you know what he goes i want to start

531

00:21:03,350 --> 00:21:00,960

a program where

532

00:21:06,470 --> 00:21:03,360

we have volunteers who spend time with

533

00:21:08,549 --> 00:21:06,480

dying veterans so they don't die alone

534

00:21:10,070 --> 00:21:08,559

and he was at the deathbed of so many

535

00:21:11,990 --> 00:21:10,080

veterans i don't know if it's thousands

536

00:21:13,029 --> 00:21:12,000

or hundreds it's a lot

537

00:21:14,310 --> 00:21:13,039

and

538

00:21:16,470 --> 00:21:14,320

so

539

00:21:17,990 --> 00:21:16,480

i was like you know what i hear him talk

540

00:21:19,190 --> 00:21:18,000

about this all the time on coast to

541

00:21:20,310 --> 00:21:19,200

coast with artbell i'm going to do

542

00:21:21,590 --> 00:21:20,320

something

543

00:21:23,669 --> 00:21:21,600

that's

544

00:21:25,669 --> 00:21:23,679

not easy i mean for me

545

00:21:27,350 --> 00:21:25,679

it's something i wouldn't normally do

546

00:21:28,710 --> 00:21:27,360

but i wanted to do something good and

547

00:21:31,029 --> 00:21:28,720

it's not something i would normally do

548

00:21:32,710 --> 00:21:31,039

so i forced myself to take the class and

549

00:21:34,549 --> 00:21:32,720

uh one of his trainers i took in the

550

00:21:38,390 --> 00:21:34,559

bronx i went and took a two day three

551
00:21:41,110 --> 00:21:38,400
day class with my friend mike and um

552
00:21:42,950 --> 00:21:41,120
basically it was teaching you how to

553
00:21:44,870 --> 00:21:42,960
mostly listen but it's three days of

554
00:21:46,789 --> 00:21:44,880
different exercises and you're dealing

555
00:21:49,350 --> 00:21:46,799
with people who are dying so

556
00:21:51,750 --> 00:21:49,360
also not to say the wrong thing

557
00:21:55,270 --> 00:21:51,760
so i took that class

558
00:21:58,070 --> 00:21:55,280
and that was summer of 2001

559
00:21:59,830 --> 00:21:58,080
fall september of 2011 i go to the

560
00:22:01,029 --> 00:21:59,840
veterans hospital in northport long

561
00:22:03,669 --> 00:22:01,039
island

562
00:22:06,230 --> 00:22:03,679
i talked to the chaplain and um

563
00:22:08,070 --> 00:22:06,240

i talked to the chaplain and i said hey

564

00:22:09,750 --> 00:22:08,080

i just took this class on volunteering i

565

00:22:11,029 --> 00:22:09,760

want to spend time with

566

00:22:13,430 --> 00:22:11,039

the guys

567

00:22:15,350 --> 00:22:13,440

and girls in palliative care

568

00:22:17,029 --> 00:22:15,360

basically six months or less to live

569

00:22:18,789 --> 00:22:17,039

just to volunteer and just spend time

570

00:22:20,470 --> 00:22:18,799

with them because a lot of them don't

571

00:22:22,390 --> 00:22:20,480

have family members there

572

00:22:23,830 --> 00:22:22,400

and um he was like yeah that's fine you

573

00:22:25,270 --> 00:22:23,840

know if you're just going to talk to

574

00:22:26,390 --> 00:22:25,280

them about whatever they want to talk to

575

00:22:27,990 --> 00:22:26,400

that's fine

576

00:22:30,230 --> 00:22:28,000

and then the first plane hit the tower

577

00:22:32,390 --> 00:22:30,240

on it was 9 11.

578

00:22:35,430 --> 00:22:32,400

long story short had to evacuate the

579

00:22:37,350 --> 00:22:35,440

hospital but i went back a week later um

580

00:22:39,430 --> 00:22:37,360

and started volunteering with them

581

00:22:41,110 --> 00:22:39,440

probably like three days a week

582

00:22:42,710 --> 00:22:41,120

and

583

00:22:44,070 --> 00:22:42,720

like i said it's six months or six

584

00:22:45,830 --> 00:22:44,080

months or less

585

00:22:47,990 --> 00:22:45,840

it's just pain management making them

586

00:22:51,029 --> 00:22:48,000

comfortable before they die

587

00:22:55,510 --> 00:22:53,029

this was not my first patient but this

588

00:22:57,350 --> 00:22:55,520

is one i'll tell before i get back to

589

00:22:59,510 --> 00:22:57,360

the yahoo stories i have a few stories

590

00:23:01,270 --> 00:22:59,520

from this so i walk into this one room

591

00:23:03,270 --> 00:23:01,280

one day i had been there for a couple of

592

00:23:04,950 --> 00:23:03,280

months and there's a new guy

593

00:23:06,390 --> 00:23:04,960

i'm like how you doing he's like not

594

00:23:07,190 --> 00:23:06,400

good i'm like what's the matter he's

595

00:23:09,270 --> 00:23:07,200

like

596

00:23:11,830 --> 00:23:09,280

i don't be i do not want to be here

597

00:23:12,549 --> 00:23:11,840

anymore i just want to die

598

00:23:13,990 --> 00:23:12,559

now

599

00:23:15,590 --> 00:23:14,000

he was lying in a bed but there was

600

00:23:18,390 --> 00:23:15,600

nothing that i could see was wrong with

601
00:23:21,830 --> 00:23:18,400
him i couldn't see he was walking moving

602
00:23:24,549 --> 00:23:21,840
he was probably in his early

603
00:23:25,990 --> 00:23:24,559
you just normal guy but you knew he was

604
00:23:27,750 --> 00:23:26,000
you know he had limited time because

605
00:23:29,510 --> 00:23:27,760
that's the people who are in this unit

606
00:23:31,110 --> 00:23:29,520
they have limited time

607
00:23:32,710 --> 00:23:31,120
so like he said

608
00:23:34,070 --> 00:23:32,720
i just want to die and i want to be here

609
00:23:36,630 --> 00:23:34,080
and we talked a little bit and then i

610
00:23:37,990 --> 00:23:36,640
left and i'm like well

611
00:23:39,750 --> 00:23:38,000
i didn't know what to say so i said i

612
00:23:41,190 --> 00:23:39,760
hope you get what you want or i hope you

613
00:23:42,630 --> 00:23:41,200

get you know

614

00:23:44,549 --> 00:23:42,640

you get your wish

615

00:23:46,470 --> 00:23:44,559

and a couple of days later it might have

616

00:23:48,950 --> 00:23:46,480

been the next day

617

00:23:51,350 --> 00:23:48,960

i go in he's gone his bed is empty i

618

00:23:54,390 --> 00:23:51,360

talked to the nurse she's like yeah um

619

00:23:56,950 --> 00:23:54,400

that night or last night

620

00:23:58,149 --> 00:23:56,960

he was laying in bed uh i was in his

621

00:24:00,710 --> 00:23:58,159

room

622

00:24:02,870 --> 00:24:00,720

he looked up at the ceiling

623

00:24:05,110 --> 00:24:02,880

he put both of his hands up like this

624

00:24:06,870 --> 00:24:05,120

looked up at the ceiling

625

00:24:08,470 --> 00:24:06,880

and then put his arms down closed his

626

00:24:09,430 --> 00:24:08,480

eyes and passed away

627

00:24:11,110 --> 00:24:09,440

so

628

00:24:12,630 --> 00:24:11,120

he got what he wanted and it happened

629

00:24:13,430 --> 00:24:12,640

really quick a day or two and like i

630

00:24:14,549 --> 00:24:13,440

said

631

00:24:16,149 --> 00:24:14,559

you look if you looked at him you're

632

00:24:18,549 --> 00:24:16,159

like this guy is not going to die

633

00:24:20,390 --> 00:24:18,559

anytime soon

634

00:24:22,710 --> 00:24:20,400

so

635

00:24:24,630 --> 00:24:22,720

that was an interesting story

636

00:24:29,350 --> 00:24:24,640

and i know nurses have so many stories

637

00:24:29,360 --> 00:24:32,630

let's see

638

00:24:35,990 --> 00:24:33,990

about here's another story from the

639

00:24:39,590 --> 00:24:36,000

yahoo article about two two minutes

640

00:24:43,430 --> 00:24:39,600

before my grandma passed she had clarity

641

00:24:46,230 --> 00:24:43,440

she suffered from severe dementia

642

00:24:47,830 --> 00:24:46,240

hold on one second so much time in or 24

643

00:24:49,510 --> 00:24:47,840

minutes all right

644

00:24:51,510 --> 00:24:49,520

she saw she suffered from severe

645

00:24:53,830 --> 00:24:51,520

dementia for years

646

00:24:55,269 --> 00:24:53,840

she opened her eyes and said i found

647

00:24:58,470 --> 00:24:55,279

jack

648

00:25:05,190 --> 00:24:58,480

prior

649

00:25:07,590 --> 00:25:06,070

sorry

650

00:25:09,510 --> 00:25:07,600

she said they were all at a ball with

651
00:25:11,990 --> 00:25:09,520
their friends then she said i've got to

652
00:25:14,870 --> 00:25:12,000
go he asked me to dance then she was

653
00:25:17,350 --> 00:25:14,880
gone she died

654
00:25:19,269 --> 00:25:17,360
another one my patient grabbed my arm

655
00:25:21,430 --> 00:25:19,279
looked at me in the eyes and said

656
00:25:24,230 --> 00:25:21,440
please don't let me die i have a

657
00:25:27,990 --> 00:25:26,149
another one my brother couldn't really

658
00:25:30,149 --> 00:25:28,000
talk while he was dying but the look in

659
00:25:32,630 --> 00:25:30,159
his eyes before his death rattle will

660
00:25:34,230 --> 00:25:32,640
haunt me forever and the death rattle is

661
00:25:36,470 --> 00:25:34,240
right before you die there's just

662
00:25:37,350 --> 00:25:36,480
breathing that everybody does and it's

663
00:25:38,710 --> 00:25:37,360

like

664

00:25:39,909 --> 00:25:38,720

i don't know if i heard it at the

665

00:25:42,390 --> 00:25:39,919

hospital

666

00:25:43,669 --> 00:25:42,400

there was one guy that got sick

667

00:25:45,590 --> 00:25:43,679

and i was

668

00:25:47,590 --> 00:25:45,600

with him

669

00:25:49,590 --> 00:25:47,600

i wasn't i don't think no i was not with

670

00:25:51,110 --> 00:25:49,600

any of these guys when they passed but i

671

00:25:52,950 --> 00:25:51,120

heard the death rattle and it's just a

672

00:25:56,549 --> 00:25:52,960

voice this noise that comes in your

673

00:25:57,990 --> 00:25:56,559

throat when you're very close to dying

674

00:26:00,950 --> 00:25:58,000

but the look in his eyes before his

675

00:26:03,590 --> 00:26:00,960

death rattle will haunt me forever

676
00:26:05,909 --> 00:26:03,600
whatever he saw it awed him like a kid

677
00:26:08,470 --> 00:26:05,919
seeing disneyland for the first time

678
00:26:10,149 --> 00:26:08,480
i've never seen a person's eyes go so

679
00:26:12,390 --> 00:26:10,159
wide

680
00:26:14,070 --> 00:26:12,400
my guess is he saw the whole damn

681
00:26:16,149 --> 00:26:14,080
universe at once

682
00:26:17,430 --> 00:26:16,159
that's a great story you know gives you

683
00:26:19,830 --> 00:26:17,440
very very

684
00:26:22,470 --> 00:26:19,840
positive outlook on what we face when we

685
00:26:25,669 --> 00:26:23,750
would have been nice to know exactly

686
00:26:27,110 --> 00:26:25,679
what he was seeing

687
00:26:29,750 --> 00:26:27,120
another one

688
00:26:31,990 --> 00:26:29,760

i didn't mean to

689

00:26:34,149 --> 00:26:32,000

we were sending this middle-aged guy

690

00:26:36,710 --> 00:26:34,159

home after his er visit

691

00:26:38,549 --> 00:26:36,720

as soon as we moved him off to bed

692

00:26:39,669 --> 00:26:38,559

he went unresponsive and had no

693

00:26:41,830 --> 00:26:39,679

heartbeat

694

00:26:44,230 --> 00:26:41,840

we did a couple of rounds of cpr and he

695

00:26:46,630 --> 00:26:44,240

began to come too he blinked a couple of

696

00:26:48,070 --> 00:26:46,640

times and the doctor running the code

697

00:26:50,710 --> 00:26:48,080

jokingly said

698

00:26:53,830 --> 00:26:50,720

sir you almost died on us

699

00:26:55,269 --> 00:26:53,840

the man said i'm sorry i didn't mean to

700

00:26:56,789 --> 00:26:55,279

in a sad way

701
00:26:59,510 --> 00:26:56,799
his heart then stopped again and we

702
00:27:01,190 --> 00:26:59,520
couldn't get him back

703
00:27:03,990 --> 00:27:01,200
the person follows up by saying it was

704
00:27:05,750 --> 00:27:04,000
most likely a saddle pulmonary embolism

705
00:27:07,669 --> 00:27:05,760
he was there for some something pretty

706
00:27:09,669 --> 00:27:07,679
mild but he threw a clot right when he

707
00:27:12,149 --> 00:27:09,679
was being transferred if you want to

708
00:27:13,990 --> 00:27:12,159
look it up he had a classic

709
00:27:16,870 --> 00:27:14,000
and they go you could see that on the

710
00:27:18,630 --> 00:27:16,880
screen cape cyanosis across his chest

711
00:27:21,269 --> 00:27:18,640
which is indicate in

712
00:27:23,909 --> 00:27:21,279
indicative of a big

713
00:27:28,310 --> 00:27:26,630

um 18 this is the 18th story i think

714

00:27:30,389 --> 00:27:28,320

that's 50.

715

00:27:32,230 --> 00:27:30,399

when i was 16 i was working in a nursing

716

00:27:33,990 --> 00:27:32,240

home i befriended befriended a man who

717

00:27:36,549 --> 00:27:34,000

talked about world war ii and how he'd

718

00:27:37,990 --> 00:27:36,559

lost so many guys in his company one day

719

00:27:39,590 --> 00:27:38,000

he had a stroke

720

00:27:41,990 --> 00:27:39,600

when he returned from the hospital he

721

00:27:44,149 --> 00:27:42,000

couldn't remember anyone but he told me

722

00:27:46,470 --> 00:27:44,159

he wasn't doing good he knew his time

723

00:27:48,470 --> 00:27:46,480

was coming to a close

724

00:27:49,909 --> 00:27:48,480

he said it was time to pay for all of

725

00:27:51,269 --> 00:27:49,919

the horrible things he had done in

726

00:27:53,430 --> 00:27:51,279

europe

727

00:27:56,070 --> 00:27:53,440

he wasn't religious but asked me where i

728

00:27:58,149 --> 00:27:56,080

thought he was going i said to bed

729

00:27:59,190 --> 00:27:58,159

because it's light out lights out he

730

00:28:03,750 --> 00:27:59,200

said

731

00:28:05,590 --> 00:28:03,760

no joe my name's mike i mean up or down

732

00:28:07,830 --> 00:28:05,600

meaning heaven or hell

733

00:28:09,990 --> 00:28:07,840

i'm not a religious person but i said

734

00:28:11,830 --> 00:28:10,000

that's not for me to say

735

00:28:13,590 --> 00:28:11,840

he laughed and said i know where i'm

736

00:28:15,669 --> 00:28:13,600

going there's only one place for people

737

00:28:17,830 --> 00:28:15,679

who have done what i've done i've killed

738

00:28:19,590 --> 00:28:17,840

so many people joe

739

00:28:22,149 --> 00:28:19,600

most of the time it didn't matter who it

740

00:28:23,830 --> 00:28:22,159

was we went into buildings just shooting

741

00:28:25,190 --> 00:28:23,840

there's only one place for me it's what

742

00:28:27,750 --> 00:28:25,200

i deserve

743

00:28:29,830 --> 00:28:27,760

um yeah i

744

00:28:31,430 --> 00:28:29,840

i don't think first of all i don't think

745

00:28:32,789 --> 00:28:31,440

i do think we survive death i don't

746

00:28:34,789 --> 00:28:32,799

think it's a heaven or health type of

747

00:28:36,710 --> 00:28:34,799

situation and

748

00:28:38,389 --> 00:28:36,720

something that goes on in war is a

749

00:28:39,669 --> 00:28:38,399

little different than just blindly

750

00:28:41,110 --> 00:28:39,679

killing people

751
00:28:44,070 --> 00:28:41,120
of course there are people who would

752
00:28:51,750 --> 00:28:44,080
disagree with me but

753
00:28:55,190 --> 00:28:53,510
one guy confessed to me this is number

754
00:28:56,710 --> 00:28:55,200
19.

755
00:28:58,870 --> 00:28:56,720
one guy confessed to me that he was a

756
00:29:01,110 --> 00:28:58,880
nazi war criminal he didn't have

757
00:29:03,510 --> 00:29:01,120
dementia he was with it and i don't

758
00:29:06,389 --> 00:29:03,520
think he'd ever told anyone else he was

759
00:29:07,430 --> 00:29:06,399
in his mid 90s i saw he was german saw

760
00:29:10,389 --> 00:29:07,440
his age

761
00:29:12,789 --> 00:29:10,399
and asked if he served in the war

762
00:29:15,190 --> 00:29:12,799
as i'm a former combat armed soldier he

763
00:29:17,269 --> 00:29:15,200

said yes so i told him that i was in the

764

00:29:19,430 --> 00:29:17,279

army myself when i was young and asked

765

00:29:21,029 --> 00:29:19,440

some questions about what he did

766

00:29:22,549 --> 00:29:21,039

after a little while he broke down and

767

00:29:24,549 --> 00:29:22,559

talked about his participation in

768

00:29:27,110 --> 00:29:24,559

killing jews in russia

769

00:29:28,070 --> 00:29:27,120

he was a junior officer in a wormock

770

00:29:30,149 --> 00:29:28,080

unit

771

00:29:32,549 --> 00:29:30,159

he knew he was dying it all came out and

772

00:29:33,990 --> 00:29:32,559

he cried for a long time i'm nothing but

773

00:29:36,230 --> 00:29:34,000

a murderer

774

00:29:38,830 --> 00:29:36,240

he died a day or so later those are some

775

00:29:41,029 --> 00:29:38,840

pretty heavy stories there

776

00:29:44,549 --> 00:29:41,039

um let me go back to some i'm gonna go

777

00:29:44,559 --> 00:29:53,669

hospital

778

00:29:58,310 --> 00:29:55,909

so john

779

00:30:00,310 --> 00:29:58,320

i think john was the first patient i met

780

00:30:02,149 --> 00:30:00,320

when i was in the hospital this is the

781

00:30:03,269 --> 00:30:02,159

northport veterans administration

782

00:30:05,909 --> 00:30:03,279

hospital

783

00:30:06,870 --> 00:30:05,919

northport long island right after 9 11

784

00:30:08,870 --> 00:30:06,880

so

785

00:30:11,590 --> 00:30:08,880

middle september i started

786

00:30:13,909 --> 00:30:11,600

volunteering and john was an old guy and

787

00:30:15,909 --> 00:30:13,919

i have pictures of these guys i need to

788

00:30:18,470 --> 00:30:15,919

i didn't have time to get it for tonight

789

00:30:21,510 --> 00:30:18,480

um but i'll put them on twitter

790

00:30:23,190 --> 00:30:21,520

john bill and frank three main patients

791

00:30:24,470 --> 00:30:23,200

i spent about nine months with each of

792

00:30:27,909 --> 00:30:24,480

them

793

00:30:29,909 --> 00:30:27,919

they they passed before the last guy

794

00:30:33,269 --> 00:30:29,919

passed then i stopped volunteering but

795

00:30:35,590 --> 00:30:33,279

john was eight in his eighties um really

796

00:30:37,750 --> 00:30:35,600

really energetic spunky he would he had

797

00:30:40,070 --> 00:30:37,760

these like pulleys set up on his bed

798

00:30:41,350 --> 00:30:40,080

he would exercise couldn't walk he was

799

00:30:43,269 --> 00:30:41,360

in a wheelchair

800

00:30:45,110 --> 00:30:43,279

and um he would help you know he's like

801
00:30:47,750 --> 00:30:45,120
can you help me with these ropes i want

802
00:30:48,950 --> 00:30:47,760
to re-re-route these ropes and do this

803
00:30:52,070 --> 00:30:48,960
and if i didn't do it right he would

804
00:30:55,909 --> 00:30:52,080
yell he's like no damn it wrapped up and

805
00:30:57,430 --> 00:30:55,919
he'd curse at me it was kind of funny um

806
00:30:59,190 --> 00:30:57,440
and i remember taking him outside in the

807
00:31:01,190 --> 00:30:59,200
courtyard one day and

808
00:31:03,509 --> 00:31:01,200
just him being outside was a big deal to

809
00:31:05,909 --> 00:31:03,519
them and all these guys because

810
00:31:07,269 --> 00:31:05,919
no matter what i had going on in my life

811
00:31:09,029 --> 00:31:07,279
at the time that would depress me i'm

812
00:31:10,470 --> 00:31:09,039
like these guys are dying and if they're

813
00:31:11,990 --> 00:31:10,480

not depressed then how can i be

814

00:31:13,509 --> 00:31:12,000

depressed that's how it was when i was

815

00:31:15,909 --> 00:31:13,519

there so

816

00:31:19,110 --> 00:31:15,919

really rewarding thing to do

817

00:31:23,830 --> 00:31:21,110

towards the end i had a trip scheduled

818

00:31:25,590 --> 00:31:23,840

he was such a big gambler which is not a

819

00:31:28,310 --> 00:31:25,600

good combination for me because i gamble

820

00:31:29,750 --> 00:31:28,320

too oh before i forget i didn't i forgot

821

00:31:31,350 --> 00:31:29,760

the story

822

00:31:34,389 --> 00:31:31,360

another patient who i'll get to in a

823

00:31:36,389 --> 00:31:34,399

second uh frank

824

00:31:38,710 --> 00:31:36,399

he wanted to bend on the super bowl but

825

00:31:40,950 --> 00:31:38,720

he had nobody to bet on it with so

826

00:31:42,549 --> 00:31:40,960

i had an online sports book that i was

827

00:31:44,950 --> 00:31:42,559

betting with so

828

00:31:46,470 --> 00:31:44,960

i made the bet for him

829

00:31:48,310 --> 00:31:46,480

and i came in after the super bowl i

830

00:31:49,509 --> 00:31:48,320

just gave him cash he had not given me

831

00:31:51,269 --> 00:31:49,519

money up front i probably wouldn't have

832

00:31:52,870 --> 00:31:51,279

taken his money anyway i probably

833

00:31:55,430 --> 00:31:52,880

wouldn't even told him i made the bet if

834

00:31:57,110 --> 00:31:55,440

it didn't win the bet won though i paid

835

00:31:58,710 --> 00:31:57,120

him like 30 40 bucks i'm like here you

836

00:32:01,430 --> 00:31:58,720

go frank i made a bet for you he was so

837

00:32:03,430 --> 00:32:01,440

happy um

838

00:32:05,350 --> 00:32:03,440

back to john he was big into horses off

839

00:32:06,549 --> 00:32:05,360

track betting otb and it's a big thing

840

00:32:07,750 --> 00:32:06,559

on long island

841

00:32:09,190 --> 00:32:07,760

and um

842

00:32:11,029 --> 00:32:09,200

he had an account so he would call up

843

00:32:12,870 --> 00:32:11,039

and make bets on the phone

844

00:32:14,630 --> 00:32:12,880

and i was like let's go to the track we

845

00:32:18,630 --> 00:32:14,640

have to go to the track one day i think

846

00:32:20,389 --> 00:32:18,640

belmont racetrack thoroughbred and um

847

00:32:22,149 --> 00:32:20,399

everything was set i had a friend come

848

00:32:23,430 --> 00:32:22,159

with me we're gonna put his wheelchair

849

00:32:24,789 --> 00:32:23,440

in the car we're gonna take him to the

850

00:32:26,710 --> 00:32:24,799

aces

851

00:32:29,029 --> 00:32:26,720

and then i get there and he's like or i

852

00:32:31,190 --> 00:32:29,039

call him i'm like you ready he's like

853

00:32:32,870 --> 00:32:31,200

yeah mike wheelchair had to get fixed

854

00:32:34,630 --> 00:32:32,880

today and i don't think i'm gonna go and

855

00:32:36,710 --> 00:32:34,640

i'm so disappointed

856

00:32:38,470 --> 00:32:36,720

he didn't seem disappointed but i was

857

00:32:39,909 --> 00:32:38,480

and then

858

00:32:41,669 --> 00:32:39,919

i don't know how long after that but he

859

00:32:43,590 --> 00:32:41,679

was eating breakfast one day i was not

860

00:32:44,950 --> 00:32:43,600

there i came in afterwards but he was

861

00:32:46,789 --> 00:32:44,960

eating breakfast

862

00:32:47,909 --> 00:32:46,799

turned his head closed his eyes and

863

00:32:49,029 --> 00:32:47,919

passed away

864

00:32:50,549 --> 00:32:49,039

and

865

00:32:53,350 --> 00:32:50,559

i did go in his room right after it

866

00:32:55,350 --> 00:32:53,360

happened and i just remember my my

867

00:32:56,789 --> 00:32:55,360

reaction was he looked like a wax figure

868

00:32:58,470 --> 00:32:56,799

it's like the person is not there

869

00:33:00,149 --> 00:32:58,480

anymore and i know that's just how

870

00:33:02,070 --> 00:33:00,159

people look but just that's just my

871

00:33:03,430 --> 00:33:02,080

feeling you know felt like a shell of a

872

00:33:04,549 --> 00:33:03,440

person

873

00:33:06,389 --> 00:33:04,559

um

874

00:33:08,230 --> 00:33:06,399

his brother jerry and his wife were the

875

00:33:09,909 --> 00:33:08,240

only one that only ones who would visit

876

00:33:11,830 --> 00:33:09,919

him and they were very appreciative all

877

00:33:13,350 --> 00:33:11,840

the family members i encountered

878

00:33:15,110 --> 00:33:13,360

were very appreciative because a lot of

879

00:33:16,630 --> 00:33:15,120

them couldn't make it to the to visit

880

00:33:18,310 --> 00:33:16,640

that's what i was there for

881

00:33:19,990 --> 00:33:18,320

because these guys were always by

882

00:33:21,350 --> 00:33:20,000

themselves so if i was there it's like

883

00:33:23,029 --> 00:33:21,360

at least i had somebody to talk to and

884

00:33:26,149 --> 00:33:23,039

they talked to me about everything and

885

00:33:28,230 --> 00:33:26,159

anything um i mean they didn't really

886

00:33:29,750 --> 00:33:28,240

talk about dying or being sick

887

00:33:31,430 --> 00:33:29,760

occasionally but

888

00:33:32,789 --> 00:33:31,440

most of these guys are just didn't even

889

00:33:34,710 --> 00:33:32,799

want to talk about it it's not like they

890

00:33:36,870 --> 00:33:34,720

were fearful only one was fearful and

891

00:33:39,990 --> 00:33:36,880

i'll get to frank in a second

892

00:33:41,590 --> 00:33:40,000

but i had a family member afterwards say

893

00:33:43,430 --> 00:33:41,600

you need to be talking to jesus with

894

00:33:45,029 --> 00:33:43,440

these folks because that's just not

895

00:33:46,870 --> 00:33:45,039

right you know they're dying and they

896

00:33:48,470 --> 00:33:46,880

need to talk about jesus i'm like i'm

897

00:33:49,909 --> 00:33:48,480

not there to talk about that i'm there

898

00:33:51,750 --> 00:33:49,919

to talk about whatever they want to talk

899

00:33:54,549 --> 00:33:51,760

about so if you want to judge me for

900

00:33:56,870 --> 00:33:54,559

that fine um

901
00:33:58,789 --> 00:33:56,880
i do remember sometime one day somebody

902
00:34:00,950 --> 00:33:58,799
came in and was talking to john the

903
00:34:02,950 --> 00:34:00,960
older 80 year old guy about

904
00:34:05,430 --> 00:34:02,960
christianity and the bible and i started

905
00:34:07,029 --> 00:34:05,440
debating the guy nicely and john was

906
00:34:08,950 --> 00:34:07,039
enjoying the debate it was funny it was

907
00:34:10,230 --> 00:34:08,960
like a tennis match the guy would say

908
00:34:11,589 --> 00:34:10,240
something about the bible i would say

909
00:34:12,950 --> 00:34:11,599
something back and john was just sitting

910
00:34:16,230 --> 00:34:12,960
there going back and forth back and

911
00:34:17,510 --> 00:34:16,240
forth he's like i am enjoying this

912
00:34:19,669 --> 00:34:17,520
um

913
00:34:22,550 --> 00:34:19,679

so

914

00:34:26,389 --> 00:34:24,230

frank had emphysema he was the one who

915

00:34:28,550 --> 00:34:26,399

was he was catholic very catholic he

916

00:34:31,109 --> 00:34:28,560

always had the rosary tight in his hands

917

00:34:33,190 --> 00:34:31,119

uh he was really afraid to die

918

00:34:35,669 --> 00:34:33,200

and

919

00:34:37,349 --> 00:34:35,679

little bit but some days he would just

920

00:34:39,430 --> 00:34:37,359

be out of breath he had emphysema he's

921

00:34:41,270 --> 00:34:39,440

like not today i don't want to talk

922

00:34:44,069 --> 00:34:41,280

um so he had some good days some bad

923

00:34:46,310 --> 00:34:44,079

days but once again he was somebody

924

00:34:48,069 --> 00:34:46,320

he never took a downturn bill who's my

925

00:34:49,589 --> 00:34:48,079

last patient i'll talk to he took a down

926
00:34:50,869 --> 00:34:49,599
turn but everybody else i spoke with

927
00:34:52,149 --> 00:34:50,879
there was never like a noticeable

928
00:34:54,149 --> 00:34:52,159
downturn

929
00:34:55,829 --> 00:34:54,159
so you know go to visit frank one day

930
00:34:56,950 --> 00:34:55,839
i'm not sure if he if i talk to him that

931
00:34:59,030 --> 00:34:56,960
day or not

932
00:35:00,790 --> 00:34:59,040
either way i had no inkling that he was

933
00:35:02,470 --> 00:35:00,800
getting worse or anything like that same

934
00:35:03,910 --> 00:35:02,480
every day except some days he didn't

935
00:35:05,750 --> 00:35:03,920
want to talk because he was out of

936
00:35:08,150 --> 00:35:05,760
breath went home

937
00:35:10,390 --> 00:35:08,160
had a clear dream that he died went in

938
00:35:12,630 --> 00:35:10,400

the next day or the day after and

939

00:35:15,349 --> 00:35:12,640

the nurse stops me and says i need to

940

00:35:17,589 --> 00:35:15,359

talk to you i'm like let me guess frank

941

00:35:19,109 --> 00:35:17,599

died she's like how do you know i'm like

942

00:35:21,190 --> 00:35:19,119

because i had a dream last night that he

943

00:35:22,230 --> 00:35:21,200

died i had a dream last night that he

944

00:35:24,310 --> 00:35:22,240

died

945

00:35:26,710 --> 00:35:24,320

i remember she was not that surprised

946

00:35:28,790 --> 00:35:26,720

because i'm sure like i said nurses

947

00:35:30,310 --> 00:35:28,800

who work in palliative care or hospice

948

00:35:31,430 --> 00:35:30,320

they have that type of thing happen all

949

00:35:33,670 --> 00:35:31,440

the time

950

00:35:35,349 --> 00:35:33,680

um so yeah

951
00:35:37,430 --> 00:35:35,359
why did i have that dream why did i have

952
00:35:39,910 --> 00:35:37,440
the dream back in eighth grade with

953
00:35:41,190 --> 00:35:39,920
robin's mother dying i don't know

954
00:35:42,790 --> 00:35:41,200
but i did go into frank's room

955
00:35:45,670 --> 00:35:42,800
afterwards and just to see his room one

956
00:35:47,589 --> 00:35:45,680
more time and his bed was empty but the

957
00:35:50,950 --> 00:35:47,599
bed next to him had a figure in it like

958
00:35:51,910 --> 00:35:50,960
an outline of a person and i was like

959
00:35:53,670 --> 00:35:51,920
why is

960
00:35:55,990 --> 00:35:53,680
why didn't they take his body away this

961
00:35:57,510 --> 00:35:56,000
is really weird and all of a sudden the

962
00:35:58,950 --> 00:35:57,520
covers who are you know it's totally

963
00:36:01,510 --> 00:35:58,960

covering up the person the covers come

964

00:36:03,670 --> 00:36:01,520

off scares the heck out of me and it's a

965

00:36:05,109 --> 00:36:03,680

person a new a new patient had been

966

00:36:06,710 --> 00:36:05,119

brought into the room

967

00:36:08,870 --> 00:36:06,720

the guy's like hello

968

00:36:10,310 --> 00:36:08,880

i'm like hey how you doing and i don't

969

00:36:12,870 --> 00:36:10,320

remember the conversation it was really

970

00:36:14,470 --> 00:36:12,880

brief um so that was frank

971

00:36:16,630 --> 00:36:14,480

and um he was the one who i made the

972

00:36:18,950 --> 00:36:16,640

super bowl bet for

973

00:36:21,109 --> 00:36:18,960

and um

974

00:36:22,710 --> 00:36:21,119

like i said he was very afraid of dying

975

00:36:24,829 --> 00:36:22,720

and it seems like the religion was a big

976

00:36:26,390 --> 00:36:24,839

part of that

977

00:36:27,670 --> 00:36:26,400

um

978

00:36:29,190 --> 00:36:27,680

i don't remember too much about our

979

00:36:30,710 --> 00:36:29,200

conversations i do remember he used to

980

00:36:32,470 --> 00:36:30,720

drive into new york city from long

981

00:36:34,470 --> 00:36:32,480

island every day it was like an hour and

982

00:36:36,550 --> 00:36:34,480

a half if you know it's the world's

983

00:36:38,790 --> 00:36:36,560

largest parking lot not as bad as la but

984

00:36:40,870 --> 00:36:38,800

it's pretty bad that's like three hours

985

00:36:42,470 --> 00:36:40,880

each way every day he did that for his

986

00:36:44,150 --> 00:36:42,480

entire career and i was like i remember

987

00:36:45,030 --> 00:36:44,160

thinking what are you thinking he's like

988

00:36:46,310 --> 00:36:45,040

yeah

989

00:36:48,310 --> 00:36:46,320

should have never done that what a waste

990

00:36:58,310 --> 00:36:48,320

of time in the car

991

00:37:02,390 --> 00:37:00,069

thanks for being here guys and the chat

992

00:37:04,069 --> 00:37:02,400

hello red panda koala and shelly and

993

00:37:07,829 --> 00:37:04,079

john and heidi

994

00:37:11,349 --> 00:37:09,430

yeah

995

00:37:14,550 --> 00:37:11,359

i have not personally experienced that

996

00:37:18,550 --> 00:37:16,630

i was not there for anybody even when my

997

00:37:20,870 --> 00:37:18,560

when my mom passed i was not there you

998

00:37:23,430 --> 00:37:20,880

know it's like i spent all these times

999

00:37:26,310 --> 00:37:23,440

all this time with people who are dying

1000

00:37:27,750 --> 00:37:26,320

but then when my mom passed i really

1001
00:37:31,109 --> 00:37:27,760
i think i went home and then it happened

1002
00:37:32,550 --> 00:37:31,119
right after me my sisters had gone home

1003
00:37:34,069 --> 00:37:32,560
i didn't even really want i didn't want

1004
00:37:35,349 --> 00:37:34,079
to go in the room after she passed away

1005
00:37:36,950 --> 00:37:35,359
either and i didn't i was like i don't

1006
00:37:38,950 --> 00:37:36,960
want i don't want that memory i have my

1007
00:37:40,470 --> 00:37:38,960
memories of her i don't need that memory

1008
00:37:41,990 --> 00:37:40,480
and everybody's like no go ahead go

1009
00:37:43,990 --> 00:37:42,000
ahead she looks very peaceful and i'm

1010
00:37:45,270 --> 00:37:44,000
like me i don't want to

1011
00:37:46,230 --> 00:37:45,280
personally and then we talked to the

1012
00:37:47,349 --> 00:37:46,240
doctor

1013
00:37:49,190 --> 00:37:47,359

because i said

1014

00:37:52,230 --> 00:37:49,200

once my father whispered in her ear to

1015

00:37:53,910 --> 00:37:52,240

tell her it's okay that night she died

1016

00:37:56,390 --> 00:37:53,920

and i talked we talked to the doctor

1017

00:37:57,990 --> 00:37:56,400

he's like i see it all the time all the

1018

00:37:59,589 --> 00:37:58,000

time people can hold on for whatever

1019

00:38:01,510 --> 00:37:59,599

reason and then once they let go they

1020

00:38:06,069 --> 00:38:01,520

die

1021

00:38:06,079 --> 00:38:11,190

yahoo story which is right there

1022

00:38:16,390 --> 00:38:13,910

i looked after a guy

1023

00:38:17,990 --> 00:38:16,400

with end stage heart failure he kept

1024

00:38:19,349 --> 00:38:18,000

having episodes where if he coughed or

1025

00:38:23,670 --> 00:38:19,359

leaned forward

1026

00:38:26,390 --> 00:38:23,680

did anything to increase his intraoracic

1027

00:38:27,190 --> 00:38:26,400

in intro thoracic pressure he would pass

1028

00:38:28,950 --> 00:38:27,200

out

1029

00:38:30,950 --> 00:38:28,960

he'd come back there after a few minutes

1030

00:38:33,990 --> 00:38:30,960

and gradually go from purple back to

1031

00:38:35,510 --> 00:38:34,000

pink asking how long was i out for that

1032

00:38:39,030 --> 00:38:35,520

time

1033

00:38:41,349 --> 00:38:39,040

he was fully fine mentally sharp witty

1034

00:38:43,030 --> 00:38:41,359

and at peace with what was going on

1035

00:38:45,589 --> 00:38:43,040

what was going to eventually happen to

1036

00:38:50,310 --> 00:38:47,670

he was fully fine mentally sharp witty

1037

00:38:52,630 --> 00:38:50,320

and at peace with what with what was

1038

00:38:54,230 --> 00:38:52,640

going to eventually happen to him

1039

00:38:56,230 --> 00:38:54,240

he and i were joking that one of these

1040

00:38:57,910 --> 00:38:56,240

episodes was going to kill him as he

1041

00:39:00,310 --> 00:38:57,920

sipped his tea

1042

00:39:06,630 --> 00:39:00,320

talking rubbish five minutes later it

1043

00:39:10,390 --> 00:39:07,829

21.

1044

00:39:12,870 --> 00:39:10,400

i used to install medical alarms and one

1045

00:39:14,470 --> 00:39:12,880

client a nice sweet lady asked me to

1046

00:39:16,470 --> 00:39:14,480

call her pastor because

1047

00:39:18,390 --> 00:39:16,480

she wanted to tell him something i

1048

00:39:20,069 --> 00:39:18,400

called him but he was over two hours

1049

00:39:22,710 --> 00:39:20,079

away and she said it wouldn't be right

1050

00:39:25,109 --> 00:39:22,720

to do over the phone she said can i tell

1051
00:39:27,589 --> 00:39:25,119
you then

1052
00:39:29,270 --> 00:39:27,599
my first husband would beat and rape me

1053
00:39:31,750 --> 00:39:29,280
when he was drunk

1054
00:39:35,510 --> 00:39:31,760
so when he drank too much i put his gun

1055
00:39:37,910 --> 00:39:35,520
in his hand and shot him in the head

1056
00:39:39,430 --> 00:39:37,920
i had no idea what to say so she thanked

1057
00:39:41,190 --> 00:39:39,440
me and i said

1058
00:39:43,349 --> 00:39:41,200
and said i was a good kid

1059
00:39:45,349 --> 00:39:43,359
closed her eyes closed her eyes and

1060
00:39:46,710 --> 00:39:45,359
slumped over

1061
00:39:48,550 --> 00:39:46,720
yeah i don't know what do you say to

1062
00:39:50,150 --> 00:39:48,560
that um

1063
00:39:51,670 --> 00:39:50,160

but she got it off her chest that's what

1064

00:39:55,670 --> 00:39:51,680

she wanted to do shared the story and

1065

00:39:59,510 --> 00:39:57,670

the away don't leave me alone i really

1066

00:40:02,950 --> 00:39:59,520

don't know what that is

1067

00:40:05,910 --> 00:40:02,960

uh 23. physical therapist here

1068

00:40:08,230 --> 00:40:05,920

treated a man in his 90s who was a do

1069

00:40:11,589 --> 00:40:08,240

not resuscitate

1070

00:40:14,309 --> 00:40:11,599

i think dnis do not intubate

1071

00:40:17,109 --> 00:40:14,319

so if basically if the person

1072

00:40:18,710 --> 00:40:17,119

flatlines they do not you know if they

1073

00:40:21,030 --> 00:40:18,720

if they die they do not try to bring

1074

00:40:23,990 --> 00:40:21,040

them back

1075

00:40:25,750 --> 00:40:24,000

so this lady was this physical therapist

1076

00:40:28,550 --> 00:40:25,760

was treating a man in his 90s he was a

1077

00:40:30,150 --> 00:40:28,560

dnr dni at least once a week when i

1078

00:40:32,710 --> 00:40:30,160

would go into his room to start our

1079

00:40:34,950 --> 00:40:32,720

sessions he would cry and say i didn't

1080

00:40:36,550 --> 00:40:34,960

want to kill the kids after speaking to

1081

00:40:38,790 --> 00:40:36,560

his nurse it was revealed that he had

1082

00:40:40,950 --> 00:40:38,800

killed children in world war ii

1083

00:40:42,870 --> 00:40:40,960

during a session he collapsed and said

1084

00:40:44,950 --> 00:40:42,880

the kids are here to get me

1085

00:40:47,430 --> 00:40:44,960

however he wasn't displaying fear when

1086

00:40:49,109 --> 00:40:47,440

he verbalized this after he collapsed he

1087

00:40:50,630 --> 00:40:49,119

seemed at peace and died a few minutes

1088

00:40:52,950 --> 00:40:50,640

later

1089

00:40:54,790 --> 00:40:52,960

24 i had a patient get diagnosed with a

1090

00:40:57,349 --> 00:40:54,800

moderately aggressive but treatable

1091

00:40:59,270 --> 00:40:57,359

throat cancer we tried everything we

1092

00:41:02,069 --> 00:40:59,280

could think of to get him to consider

1093

00:41:03,670 --> 00:41:02,079

but he fused any type of treatment

1094

00:41:05,589 --> 00:41:03,680

after three months his wife had their

1095

00:41:08,230 --> 00:41:05,599

two adult sons carrying him into the

1096

00:41:09,829 --> 00:41:08,240

office at 4 50 p.m on a friday i was the

1097

00:41:11,670 --> 00:41:09,839

only nurse in the building and got him

1098

00:41:13,670 --> 00:41:11,680

into the exam room

1099

00:41:15,750 --> 00:41:13,680

he was completely gray and gaunt you

1100

00:41:18,069 --> 00:41:15,760

could hear how close the end was every

1101
00:41:19,990 --> 00:41:18,079
time he breathed it wasn't exactly a

1102
00:41:21,430 --> 00:41:20,000
death rattle but you just knew his lungs

1103
00:41:24,390 --> 00:41:21,440
were full of fluid

1104
00:41:26,790 --> 00:41:24,400
his sons sit him at the chair sit him in

1105
00:41:28,550 --> 00:41:26,800
a chair and he kept sliding out i stood

1106
00:41:30,470 --> 00:41:28,560
between his legs and held him upright in

1107
00:41:32,069 --> 00:41:30,480
the chair while i told the sons to go

1108
00:41:34,309 --> 00:41:32,079
get the doctor and told the wife to call

1109
00:41:36,630 --> 00:41:34,319
9-1-1 we all knew nothing was going to

1110
00:41:38,790 --> 00:41:36,640
keep this man alive much longer he

1111
00:41:41,589 --> 00:41:38,800
patted the side of my leg it was the

1112
00:41:43,589 --> 00:41:41,599
most he could move and whispered

1113
00:41:45,670 --> 00:41:43,599

i should have listened to you all i

1114

00:41:46,829 --> 00:41:45,680

don't want to die

1115

00:41:48,390 --> 00:41:46,839

bad story

1116

00:41:49,829 --> 00:41:48,400

um

1117

00:41:51,190 --> 00:41:49,839

hopefully we'll have some more uplifting

1118

00:41:53,910 --> 00:41:51,200

i don't remember i did read all these i

1119

00:41:55,510 --> 00:41:53,920

don't remember every one of them

1120

00:41:56,950 --> 00:41:55,520

um

1121

00:41:58,150 --> 00:41:56,960

this is you always hear about people who

1122

00:41:59,670 --> 00:41:58,160

are in love

1123

00:42:01,030 --> 00:41:59,680

they die within days of each other

1124

00:42:03,270 --> 00:42:01,040

because the one dies and the other one

1125

00:42:05,670 --> 00:42:03,280

can't go on without them

1126
00:42:07,109 --> 00:42:05,680
this is 25 my grandparents passed three

1127
00:42:08,550 --> 00:42:07,119
days apart from each other my

1128
00:42:10,710 --> 00:42:08,560
grandmother was diagnosed with lung

1129
00:42:12,150 --> 00:42:10,720
cancer halfway through her treatment she

1130
00:42:14,230 --> 00:42:12,160
told us she felt that her life was

1131
00:42:17,030 --> 00:42:14,240
fulfilled and she was stopping treatment

1132
00:42:18,710 --> 00:42:17,040
to pass peacefully stopping treatment to

1133
00:42:20,630 --> 00:42:18,720
pass peacefully

1134
00:42:22,550 --> 00:42:20,640
she was on a deathbed for a long time in

1135
00:42:24,790 --> 00:42:22,560
and out of consciousness but not

1136
00:42:25,750 --> 00:42:24,800
communicating often and only eating ice

1137
00:42:28,069 --> 00:42:25,760
chips

1138
00:42:30,390 --> 00:42:28,079

it tore my grandfather up

1139

00:42:32,309 --> 00:42:30,400

he was healthy and in pac in impeccable

1140

00:42:33,670 --> 00:42:32,319

shape he went to the gym until he was

1141

00:42:35,190 --> 00:42:33,680

90.

1142

00:42:37,030 --> 00:42:35,200

my grandfather was driving until he was

1143

00:42:38,790 --> 00:42:37,040

92.

1144

00:42:40,630 --> 00:42:38,800

one day he was at the grocery store and

1145

00:42:42,710 --> 00:42:40,640

had a heart attack

1146

00:42:44,230 --> 00:42:42,720

he died within minutes a few days later

1147

00:42:45,829 --> 00:42:44,240

my dad and i were sitting with my

1148

00:42:47,589 --> 00:42:45,839

grandmother now

1149

00:42:49,990 --> 00:42:47,599

from what i get they had not told the

1150

00:42:52,309 --> 00:42:50,000

grandmother yet

1151

00:42:53,910 --> 00:42:52,319

that the dad had passed i think but it

1152

00:42:55,750 --> 00:42:53,920

says a few days later my dad and i were

1153

00:42:57,430 --> 00:42:55,760

sitting with my grandmother in the

1154

00:43:00,950 --> 00:42:57,440

hospital my dad told her that my

1155

00:43:04,710 --> 00:43:02,790

my dad told her that my grandfather was

1156

00:43:06,870 --> 00:43:04,720

waiting for her whenever she was ready

1157

00:43:08,950 --> 00:43:06,880

so she wouldn't have to go alone my

1158

00:43:09,829 --> 00:43:08,960

grandmother spoke her first words in a

1159

00:43:12,790 --> 00:43:09,839

week

1160

00:43:15,750 --> 00:43:12,800

he's right here with me i see him my dad

1161

00:43:17,750 --> 00:43:15,760

asked what's he's wearing she giggled

1162

00:43:19,109 --> 00:43:17,760

he's in my favorite gray suit i think

1163

00:43:21,829 --> 00:43:19,119

we're going out

1164

00:43:23,829 --> 00:43:21,839

she passed that evening so another story

1165

00:43:25,750 --> 00:43:23,839

of seeing a dead relative

1166

00:43:27,910 --> 00:43:25,760

at the bedside of people who are about

1167

00:43:30,150 --> 00:43:27,920

to pass

1168

00:43:32,150 --> 00:43:30,160

and i would love i would love to think

1169

00:43:33,589 --> 00:43:32,160

it's really what it says it is i don't

1170

00:43:35,589 --> 00:43:33,599

know if it is i don't think it's just an

1171

00:43:37,829 --> 00:43:35,599

hallucination there are too many stories

1172

00:43:40,069 --> 00:43:37,839

like that um

1173

00:43:42,069 --> 00:43:40,079

there are stories of people seeing

1174

00:43:43,430 --> 00:43:42,079

there's a book called phantasms of the

1175

00:43:45,670 --> 00:43:43,440

living i think it was written in the

1176

00:43:46,870 --> 00:43:45,680

1800s it's just story after story of the

1177

00:43:48,630 --> 00:43:46,880

story

1178

00:43:50,390 --> 00:43:48,640

i think it's a society for psychical

1179

00:43:51,990 --> 00:43:50,400

research out of the uk

1180

00:43:54,069 --> 00:43:52,000

of people seeing

1181

00:43:55,430 --> 00:43:54,079

people who have died not always it's not

1182

00:43:57,510 --> 00:43:55,440

always somebody who have died but they

1183

00:43:58,790 --> 00:43:57,520

would see somebody and then

1184

00:44:00,870 --> 00:43:58,800

back then there was no communication

1185

00:44:02,390 --> 00:44:00,880

like the internet or phone so it's like

1186

00:44:04,309 --> 00:44:02,400

they wouldn't find out the person died

1187

00:44:06,230 --> 00:44:04,319

until weeks later so it's like how did

1188

00:44:08,550 --> 00:44:06,240

they know they saw that person at the

1189

00:44:10,630 --> 00:44:08,560

moment they died somehow they showed up

1190

00:44:11,750 --> 00:44:10,640

in the room so it's like i saw you i saw

1191

00:44:13,670 --> 00:44:11,760

that person

1192

00:44:14,870 --> 00:44:13,680

uh at the moment you know within minutes

1193

00:44:16,390 --> 00:44:14,880

of when they were pronounced dead and

1194

00:44:18,470 --> 00:44:16,400

they found out weeks later they had died

1195

00:44:20,790 --> 00:44:18,480

so how does that happen it's you know

1196

00:44:22,470 --> 00:44:20,800

that's that's

1197

00:44:25,750 --> 00:44:22,480

like i said it's over and over and over

1198

00:44:29,910 --> 00:44:27,990

26 we had a patient with a history of iv

1199

00:44:31,990 --> 00:44:29,920

drug use who'd been in the unit for over

1200

00:44:34,390 --> 00:44:32,000

a month she'd gotten sober months prior

1201

00:44:36,390 --> 00:44:34,400

but developed endocarditis which is a

1202

00:44:38,309 --> 00:44:36,400

swelling of the heart i believe she was

1203

00:44:40,870 --> 00:44:38,319

quiet sweet and reserved but always

1204

00:44:42,390 --> 00:44:40,880

thankful for her care she had no social

1205

00:44:44,069 --> 00:44:42,400

support

1206

00:44:46,069 --> 00:44:44,079

mother was the one who gave her drugs

1207

00:44:47,910 --> 00:44:46,079

the first time she had no contact with

1208

00:44:50,630 --> 00:44:47,920

anyone in her life except one friend who

1209

00:44:53,030 --> 00:44:50,640

came in weekly to check on her

1210

00:44:55,270 --> 00:44:53,040

on her 24th on her 24th birthday her

1211

00:44:57,510 --> 00:44:55,280

24th birthday we got her a cupcake and

1212

00:44:59,910 --> 00:44:57,520

little presents hung a banner in her

1213

00:45:01,990 --> 00:44:59,920

room and sang her happy birthday

1214

00:45:03,190 --> 00:45:02,000

she said thank you but didn't show much

1215

00:45:05,510 --> 00:45:03,200

emotion

1216

00:45:07,270 --> 00:45:05,520

we weren't entirely sure how she felt

1217

00:45:09,589 --> 00:45:07,280

that day she went into cardiac arrest

1218

00:45:11,670 --> 00:45:09,599

and died we spent 45 minutes trying to

1219

00:45:13,030 --> 00:45:11,680

get her back her friend came in to

1220

00:45:15,349 --> 00:45:13,040

collect her things and showed us the

1221

00:45:17,750 --> 00:45:15,359

message she had sent that day it was a

1222

00:45:20,150 --> 00:45:17,760

picture of the cupcake presents and a

1223

00:45:22,069 --> 00:45:20,160

banner and said i love my nurses i don't

1224

00:45:24,150 --> 00:45:22,079

know how to tell them but they're the

1225

00:45:25,910 --> 00:45:24,160

best family i've ever had

1226

00:45:30,309 --> 00:45:25,920

which i'm sure made the nurses feel

1227

00:45:35,030 --> 00:45:32,069

one of the patients who i have

1228

00:45:36,309 --> 00:45:35,040

not gotten to yet i will get to now was

1229

00:45:37,750 --> 00:45:36,319

bill

1230

00:45:40,390 --> 00:45:37,760

and his family afterwards were like

1231

00:45:41,990 --> 00:45:40,400

really so so appreciative that i had

1232

00:45:43,430 --> 00:45:42,000

spent time

1233

00:45:45,109 --> 00:45:43,440

with bill because they didn't really

1234

00:45:46,550 --> 00:45:45,119

have you know

1235

00:45:49,030 --> 00:45:46,560

time to see him all the time there were

1236

00:45:50,870 --> 00:45:49,040

some people there like frank never had a

1237

00:45:53,349 --> 00:45:50,880

visitor i think his sister came once

1238

00:45:55,670 --> 00:45:53,359

it's like the guy's dying it's like was

1239

00:45:57,829 --> 00:45:55,680

he that bad of a person that nobody in

1240

00:46:00,790 --> 00:45:57,839

his life came to visit him visit him

1241

00:46:02,069 --> 00:46:00,800

it's really sad um

1242

00:46:04,069 --> 00:46:02,079

there were other people like that too i

1243

00:46:07,670 --> 00:46:04,079

remember one older lady nobody i don't

1244

00:46:13,510 --> 00:46:12,309

the nurses were with her all the time um

1245

00:46:15,349 --> 00:46:13,520

so bill

1246

00:46:16,710 --> 00:46:15,359

had throat cancer

1247

00:46:19,910 --> 00:46:16,720

i guess the tumor was up against his

1248

00:46:21,510 --> 00:46:19,920

vocal cords so he talked like this hey

1249

00:46:23,349 --> 00:46:21,520

thanks for coming to see me that's how

1250

00:46:25,030 --> 00:46:23,359

he talked um

1251

00:46:26,870 --> 00:46:25,040

talked a lot too we talked about

1252

00:46:29,430 --> 00:46:26,880

everything

1253

00:46:30,870 --> 00:46:29,440

and um at one point

1254

00:46:33,190 --> 00:46:30,880

that tumor must have strung because i

1255

00:46:34,870 --> 00:46:33,200

went in one day and he started talking

1256

00:46:36,630 --> 00:46:34,880

normal i was like what the hell it's

1257

00:46:38,230 --> 00:46:36,640

like your voice is back he's like yeah i

1258

00:46:39,670 --> 00:46:38,240

don't know what happened

1259

00:46:41,190 --> 00:46:39,680

um

1260

00:46:43,430 --> 00:46:41,200

somebody had brought in his guitar and

1261

00:46:45,430 --> 00:46:43,440

he sang a song from my friend carol

1262

00:46:47,510 --> 00:46:45,440

carol is the one who trained me in the

1263

00:46:49,270 --> 00:46:47,520

danny and brinkley class she's the one

1264

00:46:50,950 --> 00:46:49,280

to train me she was with me a couple of

1265

00:46:51,910 --> 00:46:50,960

times she came to the hospital and he

1266

00:46:53,910 --> 00:46:51,920

sang

1267

00:46:57,349 --> 00:46:53,920

collisio which i think

1268

00:46:59,510 --> 00:46:57,359

hank williams jr maybe um

1269

00:47:01,829 --> 00:46:59,520

uh interesting carol started doing sesh

1270

00:47:02,630 --> 00:47:01,839

healing sessions on him one day

1271

00:47:04,309 --> 00:47:02,640

and

1272

00:47:05,829 --> 00:47:04,319

bill was worried that if he started

1273

00:47:07,589 --> 00:47:05,839

getting better they would throw him out

1274

00:47:09,270 --> 00:47:07,599

of palliative care because palliative

1275

00:47:10,950 --> 00:47:09,280

care is not

1276

00:47:13,430 --> 00:47:10,960

to get you better palliative care is to

1277

00:47:16,390 --> 00:47:13,440

reduce pain make you comfortable and get

1278

00:47:17,430 --> 00:47:16,400

you ready to die basically um

1279

00:47:19,910 --> 00:47:17,440

so

1280

00:47:20,710 --> 00:47:19,920

not

1281

00:47:21,829 --> 00:47:20,720

i don't know if there was a

1282

00:47:23,190 --> 00:47:21,839

psychological thing where he didn't want

1283

00:47:24,710 --> 00:47:23,200

to get better but he was worried about

1284

00:47:26,870 --> 00:47:24,720

getting thrown out so she stopped doing

1285

00:47:28,710 --> 00:47:26,880

the healing

1286

00:47:30,549 --> 00:47:28,720

like i said his family and john's family

1287

00:47:32,309 --> 00:47:30,559

the old 80 something year old guy they

1288

00:47:35,349 --> 00:47:32,319

were so happy that i was able to spend

1289

00:47:35,359 --> 00:47:40,390

i think that's it as far as my stories

1290

00:47:47,750 --> 00:47:42,470

yeah

1291

00:47:47,760 --> 00:47:53,670

yahoo

1292

00:47:57,030 --> 00:47:54,630

all right

1293

00:47:58,549 --> 00:47:57,040

while in hospice 27 while in hospice my

1294

00:48:00,390 --> 00:47:58,559

grandma said to me

1295

00:48:02,870 --> 00:48:00,400

there are a great many things in this

1296

00:48:04,549 --> 00:48:02,880

world worse than dying

1297

00:48:07,030 --> 00:48:04,559

then she talked about how lucky she was

1298

00:48:08,549 --> 00:48:07,040

to have lived the life she did

1299

00:48:10,230 --> 00:48:08,559

i had never looked at death like that

1300

00:48:12,309 --> 00:48:10,240

before and that conversation truly

1301
00:48:15,349 --> 00:48:12,319
changed me and my outlook she was the

1302
00:48:17,270 --> 00:48:15,359
most wonderful person

1303
00:48:18,549 --> 00:48:17,280
my great uncle's last words before he

1304
00:48:20,390 --> 00:48:18,559
passed were

1305
00:48:21,910 --> 00:48:20,400
it is what it is

1306
00:48:24,069 --> 00:48:21,920
i know it's really common but i find

1307
00:48:28,870 --> 00:48:24,079
myself saying it quite a lot nowadays it

1308
00:48:32,549 --> 00:48:30,630
my brother was with a friend of his when

1309
00:48:34,230 --> 00:48:32,559
the friend had a massive heart attack

1310
00:48:37,190 --> 00:48:34,240
while waiting for an ambulance the guy

1311
00:48:38,870 --> 00:48:37,200
suddenly shouted oh it's coming

1312
00:48:41,829 --> 00:48:38,880
then looked at my brother dead in the

1313
00:48:45,430 --> 00:48:41,839

eye and said it was nice to know you

1314

00:48:46,829 --> 00:48:45,440

he died less than 30 seconds later

1315

00:48:49,589 --> 00:48:46,839

somehow we

1316

00:48:52,230 --> 00:48:49,599

know when my great uncle was on his

1317

00:48:54,069 --> 00:48:52,240

deathbed he asked the nurse hey

1318

00:48:56,630 --> 00:48:54,079

can you do me a favor and get go get my

1319

00:48:58,390 --> 00:48:56,640

car keys i'm ready to go the nurse went

1320

00:49:01,670 --> 00:48:58,400

to get the keys and he died before she

1321

00:49:07,829 --> 00:49:04,150

i said

1322

00:49:09,589 --> 00:49:07,839

well no and they can kind of decide when

1323

00:49:11,990 --> 00:49:09,599

i don't think everybody can just do that

1324

00:49:14,630 --> 00:49:12,000

but it seems like a lot of people can

1325

00:49:16,950 --> 00:49:14,640

31 there was an elderly gentleman who'd

1326
00:49:18,230 --> 00:49:16,960
come from an at-home hospice with stage

1327
00:49:20,549 --> 00:49:18,240
four cancer

1328
00:49:22,470 --> 00:49:20,559
during moments of lucidity he expressed

1329
00:49:24,790 --> 00:49:22,480
guilt over the pain he was causing his

1330
00:49:26,710 --> 00:49:24,800
loved ones he never once complained of

1331
00:49:28,549 --> 00:49:26,720
pain and denied pain medication because

1332
00:49:30,870 --> 00:49:28,559
someone else would need it

1333
00:49:32,790 --> 00:49:30,880
on his last night he said i want this to

1334
00:49:35,670 --> 00:49:32,800
be my final lesson to my family i want

1335
00:49:37,589 --> 00:49:35,680
to show them how to die with big dignity

1336
00:49:40,309 --> 00:49:37,599
moments later he asked if i could tell

1337
00:49:41,349 --> 00:49:40,319
him it was okay to die to find peace and

1338
00:49:43,030 --> 00:49:41,359

rest

1339

00:49:45,109 --> 00:49:43,040

he said he couldn't bear the thought of

1340

00:49:47,109 --> 00:49:45,119

of his family seeing him die he wanted

1341

00:49:49,510 --> 00:49:47,119

to hold on because he was their support

1342

00:49:50,790 --> 00:49:49,520

system but his pain was too much he was

1343

00:49:52,230 --> 00:49:50,800

ready

1344

00:49:54,069 --> 00:49:52,240

i told him he didn't need to keep

1345

00:49:55,990 --> 00:49:54,079

fighting for his family's comfort if he

1346

00:49:57,430 --> 00:49:56,000

was truly in pain and ready to go it'd

1347

00:49:59,510 --> 00:49:57,440

be okay to die

1348

00:50:02,150 --> 00:49:59,520

his family would understand

1349

00:50:04,549 --> 00:50:02,160

once i gave him the okay he started the

1350

00:50:07,430 --> 00:50:04,559

process delirium heavy breathing

1351
00:50:09,109 --> 00:50:07,440
breathing fidgeting and then death

1352
00:50:13,190 --> 00:50:09,119
rattle

1353
00:50:45,510 --> 00:50:15,349
another case of people being told it's

1354
00:50:48,950 --> 00:50:47,589
sorry my dog goes to these reverse

1355
00:50:51,829 --> 00:50:48,960
sneezing and it sounds like he's gonna

1356
00:50:52,790 --> 00:50:51,839
die he can't breathe so

1357
00:50:58,230 --> 00:50:52,800
not something you want to hear when

1358
00:51:01,589 --> 00:50:59,349
my mom's

1359
00:51:03,750 --> 00:51:01,599
my mom this is 32. my mom told me that

1360
00:51:05,030 --> 00:51:03,760
my grandma's last words were you want to

1361
00:51:07,109 --> 00:51:05,040
hear a joke

1362
00:51:09,030 --> 00:51:07,119
and then a long beep was the only noise

1363
00:51:10,950 --> 00:51:09,040

that filled the room in other words she

1364

00:51:12,309 --> 00:51:10,960

um flatlined

1365

00:51:14,390 --> 00:51:12,319

don't know if the grandmother was trying

1366

00:51:16,069 --> 00:51:14,400

to make that her joke

1367

00:51:17,910 --> 00:51:16,079

33

1368

00:51:19,750 --> 00:51:17,920

i worked as a nurse's aide in a nursing

1369

00:51:22,150 --> 00:51:19,760

home a gentleman in hospice was assigned

1370

00:51:24,470 --> 00:51:22,160

to my caseload and one night he seemed

1371

00:51:26,870 --> 00:51:24,480

off i explained what i was going to

1372

00:51:29,270 --> 00:51:26,880

what i explained what i was doing to

1373

00:51:31,430 --> 00:51:29,280

care for him but he sounded so angry and

1374

00:51:33,910 --> 00:51:31,440

confused i was new so i didn't know what

1375

00:51:35,589 --> 00:51:33,920

to do and pressed on he got so freaked

1376

00:51:37,190 --> 00:51:35,599

out that he took his oxygen tube and

1377

00:51:39,430 --> 00:51:37,200

tried to wrap it around my throat and

1378

00:51:41,109 --> 00:51:39,440

strangle me i got away told the nurse

1379

00:51:43,270 --> 00:51:41,119

and was told that confusion and

1380

00:51:46,150 --> 00:51:43,280

aggression were common when people were

1381

00:51:47,829 --> 00:51:46,160

dying regardless he needed his care i

1382

00:51:50,549 --> 00:51:47,839

went to him a few hours later and he

1383

00:51:52,470 --> 00:51:50,559

looked so docile and defeated his eyes

1384

00:51:55,270 --> 00:51:52,480

filled with tears as he looked at me and

1385

00:51:57,829 --> 00:51:55,280

said i'm really sorry for sorry for what

1386

00:51:59,190 --> 00:51:57,839

i did earlier ma'am that's not who i am

1387

00:52:01,190 --> 00:51:59,200

i'm so sorry

1388

00:52:02,710 --> 00:52:01,200

i told him it was okay and that i just

1389

00:52:05,750 --> 00:52:02,720

wanted to make him comfortable he

1390

00:52:08,470 --> 00:52:05,760

thanked me and said i'm going home

1391

00:52:10,950 --> 00:52:08,480

he kept repeating it and sounded so urge

1392

00:52:12,870 --> 00:52:10,960

and sounded so urgent i thought he was

1393

00:52:14,710 --> 00:52:12,880

still confused

1394

00:52:16,390 --> 00:52:14,720

he passed away one and a half hours

1395

00:52:19,829 --> 00:52:16,400

later

1396

00:52:21,670 --> 00:52:19,839

another sign that he knew it was coming

1397

00:52:23,750 --> 00:52:21,680

and the skeptic will say how many people

1398

00:52:25,910 --> 00:52:23,760

say they know it's coming and don't die

1399

00:52:27,990 --> 00:52:25,920

well yeah you know i don't have stats on

1400

00:52:29,750 --> 00:52:28,000

it so

1401
00:52:31,510 --> 00:52:29,760
these are just anecdotes take them for

1402
00:52:32,549 --> 00:52:31,520
what they are

1403
00:52:36,230 --> 00:52:32,559
34

1404
00:52:39,190 --> 00:52:36,240
i'm going to die i know i'm going to die

1405
00:52:41,910 --> 00:52:39,200
he was going for very routine fairly

1406
00:52:43,589 --> 00:52:41,920
minor surgery i held his hand and told

1407
00:52:46,549 --> 00:52:43,599
him he would be fine

1408
00:52:48,470 --> 00:52:46,559
he died shortly after the procedure

1409
00:52:50,150 --> 00:52:48,480
i mean i had my gallbladder out and of

1410
00:52:51,829 --> 00:52:50,160
course when you go under this anesthesia

1411
00:52:53,270 --> 00:52:51,839
you never know stuff can happen you know

1412
00:52:54,230 --> 00:52:53,280
complications

1413
00:52:55,430 --> 00:52:54,240

um

1414

00:52:57,349 --> 00:52:55,440

i don't know if my friend is still

1415

00:52:59,510 --> 00:52:57,359

listening but he's about to undergo some

1416

00:53:00,790 --> 00:52:59,520

major heart surgery um

1417

00:53:02,390 --> 00:53:00,800

but this is just you know these are

1418

00:53:03,670 --> 00:53:02,400

stories there are

1419

00:53:05,030 --> 00:53:03,680

obviously

1420

00:53:07,190 --> 00:53:05,040

thousands i don't know how many of

1421

00:53:08,790 --> 00:53:07,200

surgeries per day where people are fine

1422

00:53:10,870 --> 00:53:08,800

um these are the ones obviously that

1423

00:53:13,030 --> 00:53:10,880

made it into this article so it's kind

1424

00:53:14,790 --> 00:53:13,040

of a

1425

00:53:17,990 --> 00:53:14,800

specific

1426

00:53:19,990 --> 00:53:18,000

what the word i forget the word is um

1427

00:53:22,069 --> 00:53:20,000

skewed it's kind of a skewed uh

1428

00:53:23,270 --> 00:53:22,079

narrative here obviously the article the

1429

00:53:25,829 --> 00:53:23,280

stories that made it in here are gonna

1430

00:53:27,270 --> 00:53:25,839

be a little out of the ordinary

1431

00:53:29,589 --> 00:53:27,280

i do think the stuff happens all the

1432

00:53:31,349 --> 00:53:29,599

time but overall

1433

00:53:33,270 --> 00:53:31,359

this doesn't happen when people go into

1434

00:53:35,349 --> 00:53:33,280

the hospital

1435

00:53:38,150 --> 00:53:35,359

on average obviously because people have

1436

00:53:40,549 --> 00:53:38,160

surgeries all the time

1437

00:53:42,470 --> 00:53:40,559

35 i heard my patient talking to herself

1438

00:53:47,670 --> 00:53:42,480

so i went in to check on her she said

1439

00:53:50,630 --> 00:53:49,430

and asked

1440

00:53:52,309 --> 00:53:50,640

don't see him

1441

00:53:54,630 --> 00:53:52,319

he's sitting in the chair

1442

00:53:56,390 --> 00:53:54,640

that sent a chill down my spine and then

1443

00:53:58,309 --> 00:53:56,400

she coded a few minutes later

1444

00:53:59,670 --> 00:53:58,319

so she died after seeing her deceased

1445

00:54:01,349 --> 00:53:59,680

husband in the room

1446

00:54:02,549 --> 00:54:01,359

oh i do have another story a friend of

1447

00:54:05,270 --> 00:54:02,559

mine

1448

00:54:06,630 --> 00:54:05,280

uh he had surgery heart surgery um told

1449

00:54:08,150 --> 00:54:06,640

me afterwards that

1450

00:54:10,069 --> 00:54:08,160

right before they put him under he saw

1451
00:54:12,549 --> 00:54:10,079
some guy in a top hat in the room clear

1452
00:54:14,710 --> 00:54:12,559
his day nobody else saw him

1453
00:54:16,069 --> 00:54:14,720
he gave him the thumbs up

1454
00:54:17,910 --> 00:54:16,079
and then he had a surgery and he was

1455
00:54:19,670 --> 00:54:17,920
fine uh next time he had surgery he

1456
00:54:21,109 --> 00:54:19,680
didn't make it i don't know if he saw

1457
00:54:25,910 --> 00:54:21,119
anything the second time i didn't get to

1458
00:54:30,549 --> 00:54:28,230
36. you know what's funny everyone says

1459
00:54:33,030 --> 00:54:30,559
living is the hard part part

1460
00:54:34,710 --> 00:54:33,040
no dying is much harder than living a

1461
00:54:36,549 --> 00:54:34,720
cancer patient in the 40s who was

1462
00:54:38,390 --> 00:54:36,559
incredibly active and athletic up until

1463
00:54:40,390 --> 00:54:38,400

their diagnosis said this to me as a

1464

00:54:43,510 --> 00:54:40,400

student in my hospice clinical

1465

00:54:45,910 --> 00:54:43,520

it stuck with me ever since

1466

00:54:47,990 --> 00:54:45,920

yeah i i i saw it with

1467

00:54:49,829 --> 00:54:48,000

my mom and cancer she had other problems

1468

00:54:51,510 --> 00:54:49,839

too but yeah

1469

00:54:54,549 --> 00:54:51,520

that's not

1470

00:54:56,630 --> 00:54:54,559

a battle not an easy way to go

1471

00:54:57,910 --> 00:54:56,640

37 i worked in a nursing home and a lot

1472

00:55:00,150 --> 00:54:57,920

of the people

1473

00:55:02,470 --> 00:55:00,160

who were dying saw their spouses who had

1474

00:55:06,390 --> 00:55:02,480

passed before them

1475

00:55:08,309 --> 00:55:06,400

one lovely old lady once said one

1476

00:55:10,950 --> 00:55:08,319

this is this probably is my favorite

1477

00:55:11,990 --> 00:55:10,960

story and it makes me wonder

1478

00:55:14,150 --> 00:55:12,000

um

1479

00:55:17,030 --> 00:55:14,160

about the true

1480

00:55:19,750 --> 00:55:17,040

identity of people who show up in the i

1481

00:55:21,430 --> 00:55:19,760

know people don't want to hear this but

1482

00:55:23,510 --> 00:55:21,440

here's the story i worked in a nursing

1483

00:55:25,030 --> 00:55:23,520

home this is 37. i worked in a nursing

1484

00:55:27,510 --> 00:55:25,040

home and a lot of the people who were

1485

00:55:28,870 --> 00:55:27,520

dying saw their spouses who had passed

1486

00:55:31,430 --> 00:55:28,880

before them

1487

00:55:33,670 --> 00:55:31,440

one lovely old lady once said her

1488

00:55:36,470 --> 00:55:33,680

husband was in the room when i told her

1489

00:55:41,270 --> 00:55:36,480

it was okay to go with him she said oh

1490

00:55:43,510 --> 00:55:41,280

my god no i hate him i'm scared of him

1491

00:55:45,270 --> 00:55:43,520

she then started to cry all i could do

1492

00:55:46,870 --> 00:55:45,280

was hold her hand and tell her i would

1493

00:55:48,870 --> 00:55:46,880

send him away

1494

00:55:51,190 --> 00:55:48,880

she passed very shortly after that with

1495

00:55:53,750 --> 00:55:51,200

a smile on her face

1496

00:55:55,829 --> 00:55:53,760

i hope he wasn't there for her

1497

00:55:59,670 --> 00:55:55,839

so that makes you wonder it's like

1498

00:56:03,190 --> 00:55:59,680

putting aside the hallucination um

1499

00:56:05,829 --> 00:56:03,200

theory that i'm sure skeptics would say

1500

00:56:07,270 --> 00:56:05,839

you know if

1501
00:56:08,549 --> 00:56:07,280
if it really was her husband who she

1502
00:56:10,710 --> 00:56:08,559
hated why would he show up at her

1503
00:56:12,230 --> 00:56:10,720
deathbed if it's if it's what it looks

1504
00:56:14,390 --> 00:56:12,240
like um that's why i'm like was it

1505
00:56:16,630 --> 00:56:14,400
really her husband you know

1506
00:56:17,430 --> 00:56:16,640
or was it something pretending to be

1507
00:56:20,309 --> 00:56:17,440
there

1508
00:56:22,309 --> 00:56:20,319
was her husband so when she died

1509
00:56:23,829 --> 00:56:22,319
this whatever could take her to wherever

1510
00:56:25,750 --> 00:56:23,839
it wanted her to go and then we start

1511
00:56:27,829 --> 00:56:25,760
getting into the old

1512
00:56:30,150 --> 00:56:27,839
uh theory that the farsight

1513
00:56:32,230 --> 00:56:30,160

uh farsight institute remote viewing

1514

00:56:34,230 --> 00:56:32,240

says you know we go to death traps they

1515

00:56:36,390 --> 00:56:34,240

wipe our memories and then they force us

1516

00:56:38,230 --> 00:56:36,400

to reincarnate back on this planet and i

1517

00:56:39,270 --> 00:56:38,240

know i know folks who are into new age

1518

00:56:42,470 --> 00:56:39,280

topics

1519

00:56:44,950 --> 00:56:42,480

hate me when i talk about that um

1520

00:56:46,390 --> 00:56:44,960

it's remote viewing data that has not

1521

00:56:47,829 --> 00:56:46,400

been confirmed and i don't know i don't

1522

00:56:49,670 --> 00:56:47,839

know how you could ever confirm that but

1523

00:56:51,589 --> 00:56:49,680

i have read other books where they said

1524

00:56:53,270 --> 00:56:51,599

when you die and you see the light

1525

00:56:54,390 --> 00:56:53,280

don't go towards the light because it's

1526
00:56:55,349 --> 00:56:54,400
a trick

1527
00:56:57,349 --> 00:56:55,359
um

1528
00:56:59,270 --> 00:56:57,359
so

1529
00:57:01,030 --> 00:56:59,280
and then you have that uh

1530
00:57:03,990 --> 00:57:01,040
one of the gnostic texts that talks

1531
00:57:06,710 --> 00:57:04,000
about how jesus's brother james

1532
00:57:08,630 --> 00:57:06,720
james the just he had the i think jesus

1533
00:57:11,109 --> 00:57:08,640
told him the pastor's passwords he

1534
00:57:13,589 --> 00:57:11,119
needed to get by the archons the the

1535
00:57:15,190 --> 00:57:13,599
mighty archons that guard the afterlife

1536
00:57:17,270 --> 00:57:15,200
so you can't get to the afterlife unless

1537
00:57:19,030 --> 00:57:17,280
you know the passwords uh obviously

1538
00:57:20,710 --> 00:57:19,040

that's symbolic of something i don't

1539

00:57:21,990 --> 00:57:20,720

know what it is

1540

00:57:23,670 --> 00:57:22,000

somebody said maybe you know you have to

1541

00:57:25,829 --> 00:57:23,680

achieve a certain state of awareness

1542

00:57:30,789 --> 00:57:25,839

meditation those are the passwords to

1543

00:57:34,549 --> 00:57:32,950

but that story made me think a lot about

1544

00:57:36,710 --> 00:57:34,559

some of the

1545

00:57:38,870 --> 00:57:36,720

uh the conspiracy theories about death

1546

00:57:43,670 --> 00:57:38,880

and i've heard other people who are very

1547

00:57:48,870 --> 00:57:45,750

reincarnation and how

1548

00:57:50,390 --> 00:57:48,880

it may not be exactly and exactly what

1549

00:57:52,789 --> 00:57:50,400

it appears to be

1550

00:57:55,030 --> 00:57:52,799

in a negative sense and

1551
00:57:57,270 --> 00:57:55,040
i do think there's evidence very

1552
00:57:59,109 --> 00:57:57,280
consistent with what you would expect if

1553
00:58:01,510 --> 00:57:59,119
reincarnation was real whether

1554
00:58:03,829 --> 00:58:01,520
reincarnation is real i don't know uh

1555
00:58:06,069 --> 00:58:03,839
the over four thousand cases cases that

1556
00:58:07,510 --> 00:58:06,079
ian stevenson from the university of

1557
00:58:09,109 --> 00:58:07,520
virginia the children's cases of

1558
00:58:11,829 --> 00:58:09,119
reincarnation some of them are so

1559
00:58:14,309 --> 00:58:11,839
amazing they're consistent with what you

1560
00:58:17,270 --> 00:58:14,319
would expect if reincarnation was real

1561
00:58:19,030 --> 00:58:17,280
that doesn't prove reincarnation is real

1562
00:58:20,549 --> 00:58:19,040
as my grandfather said when i said

1563
00:58:23,670 --> 00:58:20,559

grandpa you believe in reincarnation

1564

00:58:26,710 --> 00:58:23,680

he's like i'll know when i get there

1565

00:58:28,630 --> 00:58:26,720

um 38 when my sister was on her deathbed

1566

00:58:31,030 --> 00:58:28,640

she would point out and ask who the

1567

00:58:32,069 --> 00:58:31,040

people were in her room but no one else

1568

00:58:33,910 --> 00:58:32,079

was there

1569

00:58:36,069 --> 00:58:33,920

i'd then see her having conversations

1570

00:58:37,589 --> 00:58:36,079

with these invisible people i finally

1571

00:58:39,510 --> 00:58:37,599

asked her what she was talking about and

1572

00:58:41,270 --> 00:58:39,520

with whom she said she was talking to

1573

00:58:43,589 --> 00:58:41,280

our grandfather who had died 20 years

1574

00:58:47,030 --> 00:58:43,599

prior and that he told her he was there

1575

00:58:52,309 --> 00:58:50,150

so and i talked about this earlier today

1576

00:58:53,829 --> 00:58:52,319

with somebody

1577

00:58:55,589 --> 00:58:53,839

so her grandfather was there to help her

1578

00:58:57,430 --> 00:58:55,599

cross over you hear that all the time is

1579

00:58:59,030 --> 00:58:57,440

it really that difficult to cross over

1580

00:59:00,710 --> 00:58:59,040

that we need somebody to help us cross

1581

00:59:02,950 --> 00:59:00,720

over it's like

1582

00:59:05,910 --> 00:59:02,960

when you die is there is there should be

1583

00:59:07,910 --> 00:59:05,920

a sign that says this way to cross over

1584

00:59:09,430 --> 00:59:07,920

so it's really to me that's really odd

1585

00:59:11,829 --> 00:59:09,440

to take it on face value somebody's

1586

00:59:13,349 --> 00:59:11,839

there to help us uh otherwise if not

1587

00:59:14,710 --> 00:59:13,359

we're gonna be stuck and we're gonna get

1588

00:59:16,390 --> 00:59:14,720

lost and we're gonna go to the wrong

1589

00:59:19,510 --> 00:59:16,400

place

1590

00:59:20,789 --> 00:59:19,520

i don't know um but you hear that a lot

1591

00:59:23,270 --> 00:59:20,799

you know they were there to help them

1592

00:59:24,069 --> 00:59:23,280

cross over to the other side

1593

00:59:25,910 --> 00:59:24,079

but

1594

00:59:27,990 --> 00:59:25,920

she told her grandfather i'm sorry i'm

1595

00:59:30,230 --> 00:59:28,000

not ready to go

1596

00:59:31,990 --> 00:59:30,240

he said well that's your decision

1597

00:59:34,630 --> 00:59:32,000

when you're ready to take my hand i will

1598

00:59:36,870 --> 00:59:34,640

guide you across

1599

00:59:38,710 --> 00:59:36,880

well what if he's busy that day

1600

00:59:39,750 --> 00:59:38,720

he's not going to know how to cross over

1601
00:59:41,829 --> 00:59:39,760
you would think that's something

1602
00:59:42,950 --> 00:59:41,839
instinctual apparently not

1603
00:59:45,109 --> 00:59:42,960
i'm obviously being a little

1604
00:59:47,430 --> 00:59:45,119
light-hearted here but

1605
00:59:49,030 --> 00:59:47,440
it just doesn't make sense to me 39 my

1606
00:59:51,990 --> 00:59:49,040
great-grandmother got sick when she was

1607
00:59:54,390 --> 00:59:52,000
about 94. she had a flu and a really bad

1608
00:59:57,109 --> 00:59:54,400
fever i remember her crying and yelling

1609
00:59:58,789 --> 00:59:57,119
the name fritz i can see fritz

1610
01:00:00,230 --> 00:59:58,799
i can see fritz

1611
01:00:02,069 --> 01:00:00,240
rich was her brother who passed away

1612
01:00:03,750 --> 01:00:02,079
when he was five almost a century

1613
01:00:04,710 --> 01:00:03,760

beforehand

1614

01:00:06,150 --> 01:00:04,720

forty

1615

01:00:07,990 --> 01:00:06,160

ten more left

1616

01:00:10,710 --> 01:00:08,000

one night i was giving an elderly lady

1617

01:00:13,349 --> 01:00:10,720

who was pleasantly confused a bath and i

1618

01:00:17,030 --> 01:00:13,359

asked her how she was doing she goes

1619

01:00:19,670 --> 01:00:17,040

i'm a dnr baby i'm doing just fine

1620

01:00:25,190 --> 01:00:19,680

she passed 30 minutes later

1621

01:00:54,829 --> 01:00:27,430

41 i'm only 18.

1622

01:01:00,630 --> 01:00:58,309

this you pj mike for the donation i

1623

01:01:03,190 --> 01:01:00,640

forgot to look at the chat

1624

01:01:08,789 --> 01:01:05,349

you know i don't want to i know this is

1625

01:01:09,990 --> 01:01:08,799

not the best things to say

1626

01:01:13,270 --> 01:01:10,000

these stories these are what people

1627

01:01:14,150 --> 01:01:13,280

report so um like i said i

1628

01:01:15,829 --> 01:01:14,160

i am

1629

01:01:19,349 --> 01:01:15,839

fairly confident there is something

1630

01:01:22,069 --> 01:01:19,359

after this life what exactly it is how

1631

01:01:24,549 --> 01:01:22,079

we transition i don't know

1632

01:01:27,430 --> 01:01:24,559

uh is it connected to the world of ufos

1633

01:01:31,910 --> 01:01:27,440

and the phenomenon

1634

01:01:32,870 --> 01:01:31,920

i think so um how i don't know

1635

01:01:34,470 --> 01:01:32,880

and

1636

01:01:36,150 --> 01:01:34,480

bug says if i saw the light it would be

1637

01:01:37,589 --> 01:01:36,160

so tempting to head towards the light of

1638

01:01:39,510 --> 01:01:37,599

course i mean you hear that all the time

1639

01:01:41,349 --> 01:01:39,520

people who have near the theory of death

1640

01:01:43,030 --> 01:01:41,359

near-death experiences they like to see

1641

01:01:45,349 --> 01:01:43,040

this beautiful light

1642

01:01:47,030 --> 01:01:45,359

um but then

1643

01:01:48,230 --> 01:01:47,040

they're like you know what i'm not ready

1644

01:01:50,710 --> 01:01:48,240

to go

1645

01:01:52,870 --> 01:01:50,720

um and then you hear stories people who

1646

01:01:55,109 --> 01:01:52,880

have had close encounters and they have

1647

01:01:57,430 --> 01:01:55,119

this wonderful feeling of love and some

1648

01:01:59,670 --> 01:01:57,440

of them are like or fear

1649

01:02:01,349 --> 01:01:59,680

uh an incredible amount of fear that is

1650

01:02:03,589 --> 01:02:01,359

much more than you would expect in the

1651

01:02:05,029 --> 01:02:03,599

situation so it's almost like i'm really

1652

01:02:07,990 --> 01:02:05,039

going off on a tangent here but it's

1653

01:02:11,510 --> 01:02:08,000

like this this intelligence can create

1654

01:02:12,549 --> 01:02:11,520

a fake emotion in us so

1655

01:02:16,150 --> 01:02:12,559

it's

1656

01:02:19,910 --> 01:02:17,829

how do we trust anything and i've said

1657

01:02:22,390 --> 01:02:19,920

this before with our experiences if it

1658

01:02:23,990 --> 01:02:22,400

can manipulate our emotions and our

1659

01:02:24,789 --> 01:02:24,000

perceptions

1660

01:02:26,549 --> 01:02:24,799

so

1661

01:02:28,710 --> 01:02:26,559

i don't know how how the hell we figure

1662

01:02:35,829 --> 01:02:28,720

that out

1663

01:02:41,589 --> 01:02:38,789

yeah i mean i am by far not an expert

1664

01:02:44,309 --> 01:02:41,599

not even close on gnosticism one day

1665

01:02:45,589 --> 01:02:44,319

yeah i mean on gnosticism so

1666

01:02:47,750 --> 01:02:45,599

um

1667

01:02:50,069 --> 01:02:47,760

i should try to find a really smart

1668

01:02:51,589 --> 01:02:50,079

guest about narcissism and have them on

1669

01:02:53,109 --> 01:02:51,599

because

1670

01:03:01,430 --> 01:02:53,119

i would bore you with my lack of

1671

01:03:06,549 --> 01:03:03,589

i'm only 18.

1672

01:03:08,710 --> 01:03:06,559

that never leaves you

1673

01:03:10,710 --> 01:03:08,720

she had skin cancer all over from a

1674

01:03:12,470 --> 01:03:10,720

childhood event her cousin had pushed

1675

01:03:14,710 --> 01:03:12,480

her into boiling water and she

1676

01:03:17,190 --> 01:03:14,720

eventually couldn't even roll over with

1677

01:03:19,029 --> 01:03:17,200

out writhing and pain it was the worst

1678

01:03:23,430 --> 01:03:19,039

experience

1679

01:03:25,589 --> 01:03:23,440

this person said i shortly left

1680

01:03:26,870 --> 01:03:25,599

inpatient nursing after that like i said

1681

01:03:28,630 --> 01:03:26,880

some of these stories i wouldn't have

1682

01:03:30,470 --> 01:03:28,640

included but i guess

1683

01:03:33,270 --> 01:03:30,480

whoever made this yahoo article said i'm

1684

01:03:34,710 --> 01:03:33,280

just going to include everything because

1685

01:03:36,309 --> 01:03:34,720

you know it's not really about dying

1686

01:03:39,109 --> 01:03:36,319

it's just a horrible

1687

01:03:41,430 --> 01:03:39,119

horrible event

1688

01:03:43,589 --> 01:03:41,440

my spouse's grandfather passed away last

1689

01:03:45,829 --> 01:03:43,599

autumn he was a biologist and loved

1690

01:03:47,670 --> 01:03:45,839

nature before he had passed away

1691

01:03:50,630 --> 01:03:47,680

he had explained he had seen another

1692

01:03:52,390 --> 01:03:50,640

dimension and how all life was connected

1693

01:03:55,029 --> 01:03:52,400

he told his children that he wished they

1694

01:03:56,069 --> 01:03:55,039

would meet again as molecules in a

1695

01:03:57,430 --> 01:03:56,079

flower

1696

01:03:59,670 --> 01:03:57,440

i thought i thought these things were

1697

01:04:01,510 --> 01:03:59,680

beautiful and reflected well on his life

1698

01:04:03,829 --> 01:04:01,520

as someone who dedicated his time to

1699

01:04:05,829 --> 01:04:03,839

learning about nature and its wonders

1700

01:04:09,910 --> 01:04:05,839

sounds like somebody in our

1701
01:04:13,750 --> 01:04:11,670
he had the most amazing life and passed

1702
01:04:16,549 --> 01:04:13,760
away so peacefully

1703
01:04:18,710 --> 01:04:16,559
um was a well-deserved end for a man as

1704
01:04:22,309 --> 01:04:18,720
good as he was so there are lots of good

1705
01:04:22,319 --> 01:04:28,069
uh 43 a family friend of mine

1706
01:04:31,990 --> 01:04:30,230
family friend had a very young niece who

1707
01:04:34,069 --> 01:04:32,000
was dying from cancer her parents were

1708
01:04:37,430 --> 01:04:34,079
there to comfort her in the final hours

1709
01:04:39,430 --> 01:04:37,440
and one of the last things she asked was

1710
01:04:40,710 --> 01:04:39,440
how do i die

1711
01:04:42,710 --> 01:04:40,720
um

1712
01:04:45,430 --> 01:04:42,720
there may be a there may be something we

1713
01:04:47,270 --> 01:04:45,440

can do to prepare for the afterlife

1714

01:04:49,349 --> 01:04:47,280

you know assuming there's an afterlife

1715

01:04:52,069 --> 01:04:49,359

and i do think there is

1716

01:04:53,430 --> 01:04:52,079

there may be exercises we can do and

1717

01:04:55,029 --> 01:04:53,440

you know

1718

01:04:56,789 --> 01:04:55,039

maybe one day

1719

01:04:58,549 --> 01:04:56,799

when people are less afraid to speak

1720

01:05:00,549 --> 01:04:58,559

about it we can have

1721

01:05:01,910 --> 01:05:00,559

discussions and classes on what to

1722

01:05:03,589 --> 01:05:01,920

expect

1723

01:05:05,109 --> 01:05:03,599

robert bigelow talks about it that's why

1724

01:05:06,230 --> 01:05:05,119

he has that part of bix the

1725

01:05:09,589 --> 01:05:06,240

consciousness

1726
01:05:11,190 --> 01:05:09,599
aspect more important than ufos because

1727
01:05:12,710 --> 01:05:11,200
we're all going there

1728
01:05:14,230 --> 01:05:12,720
so if there's something we can do to

1729
01:05:16,549 --> 01:05:14,240
prepare for it

1730
01:05:17,750 --> 01:05:16,559
uh we should learn about it

1731
01:05:21,109 --> 01:05:17,760
but it's something most people don't

1732
01:05:24,870 --> 01:05:22,390
44.

1733
01:05:27,029 --> 01:05:24,880
and basically in this other one it was a

1734
01:05:29,990 --> 01:05:27,039
very young niece asking how do i die i

1735
01:05:31,750 --> 01:05:30,000
mean how do you how do you answer that

1736
01:05:34,150 --> 01:05:31,760
right now our answer would be we don't

1737
01:05:35,910 --> 01:05:34,160
know you know we don't know we don't

1738
01:05:37,430 --> 01:05:35,920

oh there's the book of the dead i don't

1739

01:05:39,029 --> 01:05:37,440

know about the book of dead i can't

1740

01:05:40,950 --> 01:05:39,039

quote the book of the dead but there are

1741

01:05:43,349 --> 01:05:40,960

certain things that we're supposed to do

1742

01:05:44,950 --> 01:05:43,359

um obviously that might be outdated for

1743

01:05:45,670 --> 01:05:44,960

the time and knowledge they had back

1744

01:05:46,470 --> 01:05:45,680

then

1745

01:05:47,750 --> 01:05:46,480

um

1746

01:05:50,630 --> 01:05:47,760

even though they may have known a lot

1747

01:05:51,430 --> 01:05:50,640

more about certain things than we do now

1748

01:05:53,750 --> 01:05:51,440

but

1749

01:05:56,230 --> 01:05:53,760

number 44 when my grandpa was dying he

1750

01:05:58,470 --> 01:05:56,240

was in full blown sundowners

1751

01:06:00,150 --> 01:05:58,480

he wasn't coherent couldn't really speak

1752

01:06:02,230 --> 01:06:00,160

except in the early mornings and was

1753

01:06:05,349 --> 01:06:02,240

hallucinating all sorts of things like

1754

01:06:07,190 --> 01:06:05,359

dead family members

1755

01:06:09,430 --> 01:06:07,200

most of his communication was just

1756

01:06:12,710 --> 01:06:09,440

paranoia about the nurses trying to kill

1757

01:06:14,470 --> 01:06:12,720

him i was a young teen so my mom didn't

1758

01:06:17,029 --> 01:06:14,480

really want me to be around him when he

1759

01:06:19,029 --> 01:06:17,039

was like this the last time i saw him

1760

01:06:20,870 --> 01:06:19,039

something clicked on in his head it's

1761

01:06:23,670 --> 01:06:20,880

like he fought through the cloud of

1762

01:06:27,029 --> 01:06:23,680

unreality in his head made direct eye

1763

01:06:29,430 --> 01:06:27,039

contact with me and grabbed my hand

1764

01:06:31,750 --> 01:06:29,440

and he said determination

1765

01:06:33,829 --> 01:06:31,760

that's what's important and that's all

1766

01:06:35,829 --> 01:06:33,839

he said but it was like he knew it was

1767

01:06:37,589 --> 01:06:35,839

the last time he would see me it was

1768

01:06:40,309 --> 01:06:37,599

like someone said all right you've got

1769

01:06:42,230 --> 01:06:40,319

four words make him count

1770

01:06:44,309 --> 01:06:42,240

immediately after that he went back to a

1771

01:06:47,109 --> 01:06:44,319

semi-vegetative state and reverted to

1772

01:06:49,349 --> 01:06:47,119

mumbling he died not long after that and

1773

01:06:52,710 --> 01:06:49,359

those words have pulled me through

1774

01:06:54,150 --> 01:06:52,720

some of my toughest days

1775

01:06:57,430 --> 01:06:54,160

and remember the four words were

1776

01:06:59,510 --> 01:06:57,440

determination that's what's important

1777

01:07:01,589 --> 01:06:59,520

and she's closes but it was like the

1778

01:07:02,950 --> 01:07:01,599

last lesson he had for me and he had to

1779

01:07:04,950 --> 01:07:02,960

tell me this

1780

01:07:06,870 --> 01:07:04,960

it took me a long time to really

1781

01:07:08,950 --> 01:07:06,880

understand those words but i faked it

1782

01:07:10,309 --> 01:07:08,960

until i made it thanks grandpa you were

1783

01:07:11,510 --> 01:07:10,319

the best

1784

01:07:13,430 --> 01:07:11,520

45

1785

01:07:15,349 --> 01:07:13,440

i'm a hospice chaplain and worked in a

1786

01:07:18,470 --> 01:07:15,359

hospital for a time

1787

01:07:20,470 --> 01:07:18,480

um hold on i'm gonna tell a quick story

1788

01:07:24,390 --> 01:07:20,480

about my ex-wife who went out to take

1789

01:07:26,150 --> 01:07:24,400

the dog and um i can talk more freely

1790

01:07:28,630 --> 01:07:26,160

so when i met her

1791

01:07:29,870 --> 01:07:28,640

she was part of my newsletter i had

1792

01:07:32,630 --> 01:07:29,880

back in

1793

01:07:35,589 --> 01:07:32,640

2001 i started a little earlier opened

1794

01:07:38,549 --> 01:07:35,599

my news i covered paranormal ufos life

1795

01:07:39,510 --> 01:07:38,559

after death reincarnation everything

1796

01:07:41,910 --> 01:07:39,520

um

1797

01:07:43,430 --> 01:07:41,920

third-party politics i was covering at

1798

01:07:45,829 --> 01:07:43,440

the time interviewed a couple of people

1799

01:07:47,430 --> 01:07:45,839

ralph nader john hagelin who were

1800

01:07:50,470 --> 01:07:47,440

natural they were both candidates for

1801
01:07:53,029 --> 01:07:50,480
president i think in 2000 the whole gore

1802
01:07:55,589 --> 01:07:53,039
gore bush debacle in florida

1803
01:07:58,230 --> 01:07:55,599
interviewed them about ufos

1804
01:08:00,470 --> 01:07:58,240
uh nader's response was foia hegelin

1805
01:08:02,390 --> 01:08:00,480
talked about quantum mechanics

1806
01:08:04,630 --> 01:08:02,400
uh so

1807
01:08:06,950 --> 01:08:04,640
one of the readers of my newsletter was

1808
01:08:08,950 --> 01:08:06,960
this girl in queens she wrote me and she

1809
01:08:11,670 --> 01:08:08,960
said hey my husband just passed away do

1810
01:08:13,829 --> 01:08:11,680
you know of any sites that help people

1811
01:08:15,430 --> 01:08:13,839
deal with bereavement

1812
01:08:16,789 --> 01:08:15,440
so i said yeah here's here's some stuff

1813
01:08:17,829 --> 01:08:16,799

and next thing you know i was in long

1814

01:08:18,870 --> 01:08:17,839

island

1815

01:08:20,470 --> 01:08:18,880

and

1816

01:08:21,749 --> 01:08:20,480

i said

1817

01:08:23,430 --> 01:08:21,759

we should get together she's like yeah

1818

01:08:24,550 --> 01:08:23,440

i'm going back to spain he just died i

1819

01:08:25,990 --> 01:08:24,560

don't really want to be here it's kind

1820

01:08:28,390 --> 01:08:26,000

of hard for me to be here now too many

1821

01:08:29,990 --> 01:08:28,400

memories i said before you go back to

1822

01:08:32,309 --> 01:08:30,000

spain

1823

01:08:33,749 --> 01:08:32,319

we should meet so we met

1824

01:08:35,990 --> 01:08:33,759

and

1825

01:08:37,110 --> 01:08:36,000

long story short when wound up getting

1826
01:08:41,269 --> 01:08:37,120
married

1827
01:08:42,309 --> 01:08:41,279
um

1828
01:08:44,470 --> 01:08:42,319
anyway

1829
01:08:47,269 --> 01:08:44,480
her husband

1830
01:08:49,990 --> 01:08:47,279
she met him in new york uh they got

1831
01:08:52,470 --> 01:08:50,000
married in las vegas on vacation

1832
01:08:54,149 --> 01:08:52,480
went back to new york living there he

1833
01:08:56,950 --> 01:08:54,159
goes to work on a job

1834
01:09:00,070 --> 01:08:56,960
uh putting a bar constructing a bar

1835
01:09:02,709 --> 01:09:00,080
inside of a casino in las vegas

1836
01:09:04,870 --> 01:09:02,719
it goes up to this ledge

1837
01:09:06,470 --> 01:09:04,880
i'll make this very short

1838
01:09:10,709 --> 01:09:06,480

where they were bringing equipment up

1839

01:09:15,269 --> 01:09:12,550

and um so the rope was like you know i

1840

01:09:16,789 --> 01:09:15,279

would use this rope anyway

1841

01:09:18,630 --> 01:09:16,799

he put the rope around his neck he was

1842

01:09:21,189 --> 01:09:18,640

with somebody at the time slipped off

1843

01:09:23,669 --> 01:09:21,199

the ledge or jumped off and died

1844

01:09:25,990 --> 01:09:23,679

instantly hung himself and

1845

01:09:27,749 --> 01:09:26,000

this was on the job site and he had no

1846

01:09:31,110 --> 01:09:27,759

id you know she had no idea if it was on

1847

01:09:34,789 --> 01:09:31,120

purpose or not um if it was an accident

1848

01:09:36,789 --> 01:09:34,799

i actually hired a medium for her lori

1849

01:09:38,630 --> 01:09:36,799

laurie williams who was a famous medium

1850

01:09:40,229 --> 01:09:38,640

and to see if anything like that came

1851
01:09:41,910 --> 01:09:40,239
out information wise you know was it

1852
01:09:42,950 --> 01:09:41,920
wasn't on purpose was it an accident but

1853
01:09:47,510 --> 01:09:42,960
that

1854
01:09:50,950 --> 01:09:47,520
turns out so we wound up moving to las

1855
01:09:53,510 --> 01:09:50,960
vegas and make a very long story short

1856
01:09:55,510 --> 01:09:53,520
we live if i would take this laptop and

1857
01:09:57,510 --> 01:09:55,520
point it out the back you could see the

1858
01:09:58,950 --> 01:09:57,520
casino across the street that's where it

1859
01:10:00,229 --> 01:09:58,960
happened it happened in that casino

1860
01:10:01,270 --> 01:10:00,239
that's where we wound up so it's a

1861
01:10:03,590 --> 01:10:01,280
really

1862
01:10:05,510 --> 01:10:03,600
um odd coincidence that people could say

1863
01:10:07,350 --> 01:10:05,520

well you purposely moved there no we

1864

01:10:09,669 --> 01:10:07,360

love this area and we moved here because

1865

01:10:11,830 --> 01:10:09,679

we love the area we did go to the

1866

01:10:13,669 --> 01:10:11,840

restaurant bar where it happened just to

1867

01:10:15,270 --> 01:10:13,679

say you know this is where it happened

1868

01:10:17,990 --> 01:10:15,280

there used to be a plaque up that was a

1869

01:10:19,669 --> 01:10:18,000

memorial for him but it was taken down

1870

01:10:21,189 --> 01:10:19,679

i had played blackjack there and i spoke

1871

01:10:23,030 --> 01:10:21,199

to one of the dealers and like they were

1872

01:10:24,550 --> 01:10:23,040

like yeah i remember when that happened

1873

01:10:28,149 --> 01:10:24,560

i was here

1874

01:10:29,430 --> 01:10:28,159

um so really odd story um

1875

01:10:30,709 --> 01:10:29,440

and

1876

01:10:32,550 --> 01:10:30,719

yeah

1877

01:10:34,630 --> 01:10:32,560

as far as i know you know like with my

1878

01:10:36,310 --> 01:10:34,640

mom people talk about having contact

1879

01:10:38,070 --> 01:10:36,320

with her late husband neither one of us

1880

01:10:39,830 --> 01:10:38,080

had contact and dreams or anything like

1881

01:10:41,830 --> 01:10:39,840

that i had one dream about my mom i

1882

01:10:44,149 --> 01:10:41,840

remember it was so disturbing i'm like

1883

01:10:45,350 --> 01:10:44,159

there's no way i hope this is not my mom

1884

01:10:48,149 --> 01:10:45,360

communicating because it was a really

1885

01:10:50,470 --> 01:10:48,159

disturbing dream

1886

01:10:51,430 --> 01:10:50,480

so here's number 45. i'm a hospice

1887

01:10:53,990 --> 01:10:51,440

chaplain

1888

01:10:55,669 --> 01:10:54,000

hospital

1889

01:10:58,149 --> 01:10:55,679

for a time

1890

01:11:00,070 --> 01:10:58,159

there was a spiritual non-religious man

1891

01:11:02,149 --> 01:11:00,080

i had a good connection with he

1892

01:11:03,990 --> 01:11:02,159

requested that i come to his room when i

1893

01:11:05,910 --> 01:11:04,000

did he motioned for me to crouch by his

1894

01:11:08,070 --> 01:11:05,920

bed and spoke in a whisper

1895

01:11:10,070 --> 01:11:08,080

do you see my brother in the corner

1896

01:11:11,430 --> 01:11:10,080

i told him i didn't but believed he was

1897

01:11:13,430 --> 01:11:11,440

seeing him

1898

01:11:15,270 --> 01:11:13,440

he was completely lucid and calmly

1899

01:11:19,669 --> 01:11:15,280

explained that his brother had been in

1900

01:11:22,630 --> 01:11:21,430

hashing things out and coming to

1901

01:11:24,830 --> 01:11:22,640

forgiveness

1902

01:11:28,229 --> 01:11:24,840

like they weren't able

1903

01:11:29,990 --> 01:11:28,239

to able to do before his brother died

1904

01:11:31,510 --> 01:11:30,000

he worried the nurses would think he was

1905

01:11:34,630 --> 01:11:31,520

crazy and tried to me and try to

1906

01:11:36,470 --> 01:11:34,640

medicate him when i assured him

1907

01:11:38,950 --> 01:11:36,480

i believed him and just wanted to listen

1908

01:11:41,430 --> 01:11:38,960

to what he had to say he went on

1909

01:11:43,350 --> 01:11:41,440

i see death too

1910

01:11:45,110 --> 01:11:43,360

she was in the parking lot i could see

1911

01:11:47,590 --> 01:11:45,120

her from my window

1912

01:11:48,790 --> 01:11:47,600

she had my brother with him now she's in

1913

01:11:50,390 --> 01:11:48,800

the room

1914

01:11:52,390 --> 01:11:50,400

she's all black

1915

01:11:54,790 --> 01:11:52,400

but she ain't ugly

1916

01:11:57,750 --> 01:11:54,800

he was totally at peace

1917

01:11:59,669 --> 01:11:57,760

he died a few days later

1918

01:12:01,510 --> 01:11:59,679

what what was he saying you know that's

1919

01:12:04,070 --> 01:12:01,520

interesting i don't want to hear that

1920

01:12:05,750 --> 01:12:04,080

too many times he claimed to be seeing

1921

01:12:07,669 --> 01:12:05,760

death as a female

1922

01:12:10,709 --> 01:12:07,679

all black

1923

01:12:12,870 --> 01:12:10,719

black figure um

1924

01:12:15,350 --> 01:12:12,880

46

1925

01:12:17,030 --> 01:12:15,360

i do know my father's possibly last

1926

01:12:19,270 --> 01:12:17,040

words i wasn't there but he called me

1927

01:12:20,870 --> 01:12:19,280

and left me a long voicemail it was the

1928

01:12:23,189 --> 01:12:20,880

middle of the night

1929

01:12:25,350 --> 01:12:23,199

so i was passed out it all boiled it all

1930

01:12:27,669 --> 01:12:25,360

boiled down to him apologizing for a

1931

01:12:29,510 --> 01:12:27,679

fight we had months before after which

1932

01:12:31,430 --> 01:12:29,520

he didn't talk for a while the final

1933

01:12:33,669 --> 01:12:31,440

words i have recorded before he hung up

1934

01:12:35,270 --> 01:12:33,679

were and i quote

1935

01:12:36,870 --> 01:12:35,280

i hope you don't blame yourself for what

1936

01:12:38,149 --> 01:12:36,880

is going to happen but i think this is

1937

01:12:39,669 --> 01:12:38,159

the end for me

1938

01:12:41,270 --> 01:12:39,679

i'm sorry i couldn't talk to you one

1939

01:12:43,110 --> 01:12:41,280

last time

1940

01:12:44,390 --> 01:12:43,120

he committed suicide within an hour of

1941

01:12:46,149 --> 01:12:44,400

that voicemail according to the

1942

01:12:48,229 --> 01:12:46,159

coroner's report

1943

01:12:50,070 --> 01:12:48,239

i was only 17 at the time when i woke up

1944

01:12:51,430 --> 01:12:50,080

the next morning it was too late to call

1945

01:12:53,350 --> 01:12:51,440

him back

1946

01:12:55,030 --> 01:12:53,360

it may not be haunting to most but it

1947

01:12:56,630 --> 01:12:55,040

does haunt me to this day and i still

1948

01:12:57,830 --> 01:12:56,640

blame myself because i could tell from

1949

01:13:01,990 --> 01:12:57,840

his voice

1950

01:13:03,910 --> 01:13:02,000

that the fight was still weighing on him

1951

01:13:07,669 --> 01:13:03,920

the fight she's talking about is a fight

1952

01:13:15,350 --> 01:13:10,229

months before he committed suicide

1953

01:13:18,870 --> 01:13:17,189

she says it was weighing on him with

1954

01:13:21,110 --> 01:13:18,880

their relationship but i doubt that that

1955

01:13:23,910 --> 01:13:21,120

was why he had anything to do with him

1956

01:13:25,830 --> 01:13:23,920

committing suicide um

1957

01:13:28,630 --> 01:13:25,840

i don't know the whole story

1958

01:13:33,030 --> 01:13:28,640

47 my grandmother said let's get this

1959

01:13:34,229 --> 01:13:33,040

over with right before she passed on

1960

01:13:35,189 --> 01:13:34,239

yeah it's like all right this is going

1961

01:13:37,189 --> 01:13:35,199

to happen

1962

01:13:39,110 --> 01:13:37,199

make it quick i got things to do in the

1963

01:13:41,350 --> 01:13:39,120

afterlife

1964

01:13:42,709 --> 01:13:41,360

maybe it may it may be a matter of

1965

01:13:45,270 --> 01:13:42,719

closing your eyes in this world and

1966

01:13:47,030 --> 01:13:45,280

opening your eyes in a parallel world

1967

01:13:47,750 --> 01:13:47,040

you know it may be that that's that may

1968

01:13:49,510 --> 01:13:47,760

be

1969

01:13:51,030 --> 01:13:49,520

what happens

1970

01:13:53,830 --> 01:13:51,040

i don't know

1971

01:13:55,990 --> 01:13:53,840

48 i work in a nursing home and one that

1972

01:13:58,310 --> 01:13:56,000

sticks out for me was

1973

01:14:01,189 --> 01:13:58,320

my kids left me here to die

1974

01:14:03,110 --> 01:14:01,199

may that not happen to you son

1975

01:14:04,870 --> 01:14:03,120

yeah you hear stories of like i said

1976

01:14:06,790 --> 01:14:04,880

some of the people i i volunteered with

1977

01:14:08,229 --> 01:14:06,800

they had nobody come visit with them

1978

01:14:09,910 --> 01:14:08,239

it's like

1979

01:14:11,590 --> 01:14:09,920

you put your relatives they're in the

1980

01:14:13,030 --> 01:14:11,600

hospital and you don't visit them i mean

1981

01:14:14,470 --> 01:14:13,040

some people live out of state so it's

1982

01:14:15,910 --> 01:14:14,480

difficult but

1983

01:14:17,430 --> 01:14:15,920

that wasn't the case for a lot of these

1984

01:14:19,110 --> 01:14:17,440

people just for whatever reason the

1985

01:14:22,149 --> 01:14:19,120

family member members would not make

1986

01:14:25,030 --> 01:14:22,159

time to visit them so kind of sad

1987

01:14:27,750 --> 01:14:25,040

49 i had a lady tell me in her confused

1988

01:14:29,910 --> 01:14:27,760

state that her husband disappeared after

1989

01:14:31,750 --> 01:14:29,920

years of domestic violence i didn't

1990

01:14:33,590 --> 01:14:31,760

understand what she meant so i expressed

1991

01:14:34,630 --> 01:14:33,600

my condolences and asked where she think

1992

01:14:36,149 --> 01:14:34,640

he went

1993

01:14:37,510 --> 01:14:36,159

all she said was

1994

01:14:39,110 --> 01:14:37,520

underground

1995

01:14:40,950 --> 01:14:39,120

i didn't ask any more questions after

1996

01:14:43,510 --> 01:14:40,960

that and never did see her again

1997

01:14:46,310 --> 01:14:43,520

apparently she passed shortly after

1998

01:14:49,270 --> 01:14:46,320

but she haven't did she have him killed

1999

01:14:50,870 --> 01:14:49,280

weird story 50.

2000

01:14:53,350 --> 01:14:50,880

my grandfather told me he killed my

2001

01:14:55,350 --> 01:14:53,360

mom's first husband with a bat at his

2002

01:14:57,510 --> 01:14:55,360

apartment rolled him up in the carpet

2003

01:14:59,270 --> 01:14:57,520

and dumped him in a dumpster

2004

01:15:00,950 --> 01:14:59,280

since they all used to hang out in a big

2005

01:15:02,950 --> 01:15:00,960

group in high school i asked my dad what

2006

01:15:04,950 --> 01:15:02,960

happened to bob and my dad told me after

2007

01:15:07,430 --> 01:15:04,960

my mom left him he just

2008

01:15:08,870 --> 01:15:07,440

disappeared

2009

01:15:10,630 --> 01:15:08,880

not really sure what that has to do with

2010

01:15:13,030 --> 01:15:10,640

life after death but

2011

01:15:15,350 --> 01:15:13,040

they included it

2012

01:15:17,669 --> 01:15:15,360

almost done

2013

01:15:21,110 --> 01:15:17,679

yep this is the last one

2014

01:15:23,110 --> 01:15:21,120

i'm an er doctor an old lady had a big

2015

01:15:24,630 --> 01:15:23,120

heart attack and refused treatment so we

2016

01:15:27,270 --> 01:15:24,640

made her comfortable by giving her

2017

01:15:28,149 --> 01:15:27,280

morphine and benzos for her shortness of

2018

01:15:29,990 --> 01:15:28,159

breath

2019

01:15:31,270 --> 01:15:30,000

while she was in the process of dying i

2020

01:15:33,910 --> 01:15:31,280

was with her

2021

01:15:35,990 --> 01:15:33,920

while she was in the process of dying

2022

01:15:37,350 --> 01:15:36,000

i was with her and the family providing

2023

01:15:39,510 --> 01:15:37,360

comfort

2024

01:15:40,390 --> 01:15:39,520

her daughter's her daughter said to to

2025

01:15:42,149 --> 01:15:40,400

her

2026

01:15:43,910 --> 01:15:42,159

just let go mom

2027

01:15:46,790 --> 01:15:43,920

the old lady opened her eyes one last

2028

01:15:49,270 --> 01:15:46,800

time looked at her daughter and said

2029

01:15:52,870 --> 01:15:49,280

what do you think i've been trying to do

2030

01:15:54,630 --> 01:15:52,880

she passed away a short time later

2031

01:15:56,070 --> 01:15:54,640

it's like hello

2032

01:15:59,110 --> 01:15:56,080

that's what i'm trying to do here leave

2033

01:16:01,270 --> 01:15:59,120

me alone i could focus on dying

2034

01:16:02,470 --> 01:16:01,280

so like i said some of these are

2035

01:16:05,189 --> 01:16:02,480

comedic

2036

01:16:08,790 --> 01:16:06,870

and

2037

01:16:11,990 --> 01:16:08,800

i know some of those are kind of not

2038

01:16:14,149 --> 01:16:12,000

exactly what people are expecting but

2039

01:16:16,229 --> 01:16:14,159

if you have any questions

2040

01:16:18,229 --> 01:16:16,239

how long an hour and 15 all right not

2041

01:16:19,910 --> 01:16:18,239

too bad i've been averaging two hours

2042

01:16:21,910 --> 01:16:19,920

and i know for some people that's way

2043

01:16:24,790 --> 01:16:21,920

too long and for other people the better

2044

01:16:27,350 --> 01:16:24,800

the longer the better

2045

01:16:30,149 --> 01:16:27,360

i i have not read michelob's essay yet

2046

01:16:33,189 --> 01:16:30,159

dan i haven't read any of that i need to

2047

01:16:35,350 --> 01:16:33,199

make time i have so much stuff going on

2048

01:16:37,430 --> 01:16:35,360

trying to keep the blog going um and

2049

01:16:39,510 --> 01:16:37,440

trying to keep my twitter interesting

2050

01:16:41,270 --> 01:16:39,520

that i need to take time i started

2051

01:16:45,270 --> 01:16:41,280

reading it i got distracted and i didn't

2052

01:16:48,390 --> 01:16:46,950

michelle's essay was a heavy read lots

2053

01:16:50,229 --> 01:16:48,400

because yeah a lot of videos which i

2054

01:16:53,910 --> 01:16:50,239

love in the beginning and never all the

2055

01:16:56,470 --> 01:16:55,430

so it says this is not

2056

01:16:58,390 --> 01:16:56,480

this is why you should not kill

2057

01:17:00,149 --> 01:16:58,400

something because those who get stirred

2058

01:17:01,669 --> 01:17:00,159

up with those who are just trying to get

2059

01:17:03,590 --> 01:17:01,679

a message through

2060

01:17:05,990 --> 01:17:03,600

i've done ghost timing before just

2061

01:17:07,350 --> 01:17:06,000

piggybacking on other people i went to

2062

01:17:10,870 --> 01:17:07,360

um

2063

01:17:12,229 --> 01:17:10,880

the queen mary in long beach and

2064

01:17:14,709 --> 01:17:12,239

we actually saw something there was a

2065

01:17:15,910 --> 01:17:14,719

ghost hunting group there and

2066

01:17:17,590 --> 01:17:15,920

they shot some video and they're like

2067

01:17:19,750 --> 01:17:17,600

look we just captured it and it was

2068

01:17:20,709 --> 01:17:19,760

total almost total darkness where we

2069

01:17:23,030 --> 01:17:20,719

were in the

2070

01:17:24,790 --> 01:17:23,040

in the bowels of the ship um near where

2071

01:17:26,310 --> 01:17:24,800

the swimming pool used to be and she

2072

01:17:28,709 --> 01:17:26,320

played the video back and it was like a

2073

01:17:30,550 --> 01:17:28,719

ball of light it just popped on

2074

01:17:33,430 --> 01:17:30,560

traveled like that went up and then

2075

01:17:35,350 --> 01:17:33,440

blinked out so it was to me it wasn't

2076

01:17:37,430 --> 01:17:35,360

dust it was in the middle of this

2077

01:17:40,070 --> 01:17:37,440

darkness it was pretty cool whatever it

2078

01:17:40,080 --> 01:17:42,870

um

2079

01:17:47,110 --> 01:17:45,669

yeah i don't know i don't know

2080

01:17:49,990 --> 01:17:47,120

medical stuff

2081

01:17:54,630 --> 01:17:51,750

but

2082

01:17:56,830 --> 01:17:54,640

any more questions tomorrow i'm doing

2083

01:17:59,350 --> 01:17:56,840

with calling all beings

2084

01:18:02,630 --> 01:17:59,360

so that would be fun they have multiple

2085

01:18:04,630 --> 01:18:02,640

people in me so if i get tongue tied or

2086

01:18:06,229 --> 01:18:04,640

out of lustful words they can chime in

2087

01:18:08,070 --> 01:18:06,239

which is always good

2088

01:18:10,630 --> 01:18:08,080

and

2089

01:18:12,470 --> 01:18:10,640

i have multiple transcripts in the works

2090

01:18:14,630 --> 01:18:12,480

like four of them i have four or five

2091

01:18:15,669 --> 01:18:14,640

maybe six i have to post uh just

2092

01:18:18,790 --> 01:18:15,679

finished

2093

01:18:20,550 --> 01:18:18,800

eric weinstein and how pop and

2094

01:18:22,470 --> 01:18:20,560

that was tough because there's a lot of

2095

01:18:33,189 --> 01:18:22,480

science

2096

01:18:52,950 --> 01:18:35,110

we kept the most important twitter items

2097

01:18:59,590 --> 01:18:56,340

ah hopefully it wasn't muted then

2098

01:19:12,550 --> 01:19:01,270

i

2099

01:19:14,149 --> 01:19:12,560

almost an hour half

2100

01:19:16,709 --> 01:19:14,159

um

2101

01:19:19,990 --> 01:19:16,719

tomorrow doing that interview

2102

01:19:23,350 --> 01:19:20,000

all right i promise pj in the next

2103

01:19:25,990 --> 01:19:23,360

few days i will do something yeah

2104

01:19:27,189 --> 01:19:26,000

somebody made a dumb and dumber picture

2105

01:19:28,790 --> 01:19:27,199

with steve

2106

01:19:30,149 --> 01:19:28,800

steven greenstreet and john greenwald

2107

01:19:32,470 --> 01:19:30,159

which is

2108

01:19:34,229 --> 01:19:32,480

it was funny um i've had people and you

2109

01:19:36,470 --> 01:19:34,239

know people like it's offensive nobody

2110

01:19:37,910 --> 01:19:36,480

said that it's funny i don't have it

2111

01:19:39,910 --> 01:19:37,920

right here but i remember somebody made

2112

01:19:41,510 --> 01:19:39,920

a picture of me with a wig and a dress

2113

01:19:42,709 --> 01:19:41,520

all different color wigs and people are

2114

01:19:48,550 --> 01:19:42,719

like

2115

01:19:48,560 --> 01:19:52,229

um

2116

01:19:55,830 --> 01:19:53,910

yeah i didn't have any negatives and i

2117

01:19:57,910 --> 01:19:55,840

didn't have any negative experiences in

2118

01:19:59,750 --> 01:19:57,920

any places i've gone

2119

01:20:01,830 --> 01:19:59,760

ghost hunting um it's not like i really

2120

01:20:03,590 --> 01:20:01,840

make a habit of it but i went to a place

2121

01:20:06,070 --> 01:20:03,600

in new orleans where there was a group

2122

01:20:07,990 --> 01:20:06,080

of people and you paid to go in

2123

01:20:09,669 --> 01:20:08,000

and

2124

01:20:11,270 --> 01:20:09,679

it was an alleged haunted house with no

2125

01:20:12,870 --> 01:20:11,280

power and there were people who were in

2126
01:20:15,110 --> 01:20:12,880
the group ahead of us screaming when

2127
01:20:16,709 --> 01:20:15,120
they were upstairs oh my god oh my god

2128
01:20:18,709 --> 01:20:16,719
do you see it do you see it and we went

2129
01:20:20,310 --> 01:20:18,719
upstairs experienced absolutely nothing

2130
01:20:21,110 --> 01:20:20,320
which is not abnormal

2131
01:20:23,669 --> 01:20:21,120
um

2132
01:20:25,910 --> 01:20:23,679
so the only thing i i will say when i

2133
01:20:30,070 --> 01:20:25,920
did the ouija board back in

2134
01:20:32,629 --> 01:20:30,080
91 90 i'm trying to think

2135
01:20:35,510 --> 01:20:32,639
92 something like that

2136
01:20:37,510 --> 01:20:35,520
i did not feel good afterwards so i

2137
01:20:39,350 --> 01:20:37,520
stopped doing that and i know there are

2138
01:20:40,470 --> 01:20:39,360

some people are like that's opening a

2139

01:20:42,550 --> 01:20:40,480

door and

2140

01:20:44,790 --> 01:20:42,560

inviting things in so

2141

01:20:47,030 --> 01:20:44,800

didn't like it stopped it and i will

2142

01:20:53,430 --> 01:20:47,040

probably most likely

2143

01:20:55,990 --> 01:20:54,470

and um

2144

01:20:57,350 --> 01:20:56,000

you're welcome

2145

01:20:59,110 --> 01:20:57,360

uip

2146

01:21:01,110 --> 01:20:59,120

i appreciate it yeah i think that's all

2147

01:21:03,990 --> 01:21:01,120

the anecdotes i had

2148

01:21:05,510 --> 01:21:04,000

for my personal stuff but i will promise

2149

01:21:07,270 --> 01:21:05,520

mike

2150

01:21:08,790 --> 01:21:07,280

in the next couple of days i will just

2151
01:21:11,510 --> 01:21:08,800
sit and go through i'll just go through

2152
01:21:12,390 --> 01:21:11,520
my twitter i will go one week back

2153
01:21:15,030 --> 01:21:12,400
um

2154
01:21:16,790 --> 01:21:15,040
hopefully not more than two hours

2155
01:21:18,070 --> 01:21:16,800
hey jeff how you doing

2156
01:21:22,950 --> 01:21:18,080
it'll be there

2157
01:21:25,669 --> 01:21:24,070
i don't know how

2158
01:21:27,910 --> 01:21:25,679
you know

2159
01:21:31,030 --> 01:21:27,920
i know what i need to do when i i have

2160
01:21:32,149 --> 01:21:31,040
transcripts from semi-van lou

2161
01:21:35,590 --> 01:21:32,159
weinstein

2162
01:21:37,110 --> 01:21:35,600
put off another lu one from the summer i

2163
01:21:38,790 --> 01:21:37,120

need to summarize those when i come on

2164

01:21:40,550 --> 01:21:38,800

here to read it word for word is too

2165

01:21:41,510 --> 01:21:40,560

boring it's too it's too boring it's too

2166

01:21:42,709 --> 01:21:41,520

long

2167

01:21:44,629 --> 01:21:42,719

um

2168

01:21:46,390 --> 01:21:44,639

but twitter i can go over

2169

01:21:47,910 --> 01:21:46,400

tweets and i can expand on what i was

2170

01:21:49,270 --> 01:21:47,920

trying to tweet because you know it's

2171

01:21:51,590 --> 01:21:49,280

limited i'm

2172

01:21:53,350 --> 01:21:51,600

trying to think

2173

01:21:55,189 --> 01:21:53,360

yeah one of the things i pulled up from

2174

01:21:57,510 --> 01:21:55,199

the summer where i had a source that

2175

01:21:59,270 --> 01:21:57,520

said eric eric davis was in charge of

2176
01:22:00,470 --> 01:21:59,280
the crash retrieval portfolio which is a

2177
01:22:02,950 --> 01:22:00,480
big deal

2178
01:22:07,189 --> 01:22:05,189
no doubt about that what exactly does

2179
01:22:09,669 --> 01:22:07,199
that mean i don't know i can't get

2180
01:22:12,870 --> 01:22:09,679
details you know

2181
01:22:14,550 --> 01:22:12,880
i can't ask him about

2182
01:22:17,110 --> 01:22:14,560
details related to the crash retrieval

2183
01:22:20,229 --> 01:22:17,120
program what he said publicly i think

2184
01:22:21,990 --> 01:22:20,239
he's already pushing it as far as he can

2185
01:22:23,990 --> 01:22:22,000
you know you listen to what lu can say

2186
01:22:25,189 --> 01:22:24,000
and i'm interviewing lou on the 4th of

2187
01:22:28,629 --> 01:22:25,199
march

2188
01:22:31,590 --> 01:22:28,639

um lou only goes so far davis goes a lot

2189

01:22:33,669 --> 01:22:31,600

further than anybody goes and

2190

01:22:36,709 --> 01:22:33,679

he has chased down that crash retrieval

2191

01:22:39,910 --> 01:22:36,719

story for at least 2002 when he met

2192

01:22:46,229 --> 01:22:39,920

admiral wilson and interviewed him so 20

2193

01:22:50,310 --> 01:22:48,470

thanks jeff um

2194

01:22:53,830 --> 01:22:50,320

and i gotta make an effort because i

2195

01:22:55,189 --> 01:22:53,840

promised pj that i would go over my

2196

01:22:56,550 --> 01:22:55,199

tweets and that's something i do want to

2197

01:22:57,910 --> 01:22:56,560

do because

2198

01:22:59,430 --> 01:22:57,920

i know i know there are people on

2199

01:23:00,629 --> 01:22:59,440

youtube it's a totally different crowd

2200

01:23:02,709 --> 01:23:00,639

because i don't think a lot of the

2201

01:23:04,709 --> 01:23:02,719

twitter folks

2202

01:23:06,149 --> 01:23:04,719

will follow me some do obviously i know

2203

01:23:07,910 --> 01:23:06,159

some of the names but there are a lot of

2204

01:23:10,790 --> 01:23:07,920

twitter folks they're like

2205

01:23:12,390 --> 01:23:10,800

you've already heard joe tweet

2206

01:23:13,750 --> 01:23:12,400

saw his blog don't need to hear him on

2207

01:23:14,950 --> 01:23:13,760

youtube so the youtube crowd is

2208

01:23:17,590 --> 01:23:14,960

different

2209

01:23:19,430 --> 01:23:17,600

um i am not consistent if i do

2210

01:23:22,950 --> 01:23:19,440

something the same day every day i will

2211

01:23:24,550 --> 01:23:22,960

get a bigger audience i realize that but

2212

01:23:26,790 --> 01:23:24,560

i'm not sure

2213

01:23:28,070 --> 01:23:26,800

i also spent a ton of time on the blog i

2214

01:23:30,229 --> 01:23:28,080

mean every day when i'm doing

2215

01:23:32,870 --> 01:23:30,239

transcripts it's like it takes so much

2216

01:23:35,110 --> 01:23:32,880

time um because i don't just transcribe

2217

01:23:36,470 --> 01:23:35,120

i can link to it make sure it's accurate

2218

01:23:37,510 --> 01:23:36,480

as far as grammar and everything

2219

01:23:39,590 --> 01:23:37,520

spelling

2220

01:23:41,430 --> 01:23:39,600

the the software i used is not perfect

2221

01:23:42,629 --> 01:23:41,440

it's good i mean otter is really good

2222

01:23:43,990 --> 01:23:42,639

but it's

2223

01:23:45,669 --> 01:23:44,000

so it's better with some people than

2224

01:23:48,149 --> 01:23:45,679

others some people who speak clear and

2225

01:23:50,550 --> 01:23:48,159

slow it's great but then other people

2226

01:23:52,790 --> 01:23:50,560

speaking like put off it struggled with put

2227

01:23:54,709 --> 01:23:52,800

off um i did not like the way that eric

2228

01:23:56,550 --> 01:23:54,719

weinstein handled put off in that you

2229

01:23:58,149 --> 01:23:56,560

know he's like oh you don't come off

2230

01:24:00,390 --> 01:23:58,159

very you know you've come off with very

2231

01:24:03,350 --> 01:24:00,400

cogent before and now i don't know it's

2232

01:24:04,550 --> 01:24:03,360

like i think hal got frustrated because

2233

01:24:06,310 --> 01:24:04,560

hal was talking about how they made

2234

01:24:08,310 --> 01:24:06,320

money in the silver's futures by using

2235

01:24:09,669 --> 01:24:08,320

associative remote viewing

2236

01:24:11,669 --> 01:24:09,679

um

2237

01:24:13,030 --> 01:24:11,679

and and and eric weinstein is like well

2238

01:24:14,310 --> 01:24:13,040

why don't you why didn't you keep doing

2239

01:24:16,149 --> 01:24:14,320

it and i was like well i had other

2240

01:24:17,750 --> 01:24:16,159

things going on and that just took up so

2241

01:24:19,750 --> 01:24:17,760

much time and he's like

2242

01:24:20,950 --> 01:24:19,760

how's like i could tell you how to do it

2243

01:24:22,390 --> 01:24:20,960

you could do it yourself and you could

2244

01:24:23,990 --> 01:24:22,400

prove it to yourself that it works you

2245

01:24:26,550 --> 01:24:24,000

could see how i was getting a little

2246

01:24:27,990 --> 01:24:26,560

annoyed um because a lot of people who

2247

01:24:30,229 --> 01:24:28,000

are skeptical of remote viewing have

2248

01:24:31,910 --> 01:24:30,239

never tried it so it's like you really

2249

01:24:33,990 --> 01:24:31,920

need to try it for yourself i was able

2250

01:24:35,750 --> 01:24:34,000

to do it and come up with little details

2251

01:24:37,590 --> 01:24:35,760

that i should not have been able to come

2252

01:24:38,550 --> 01:24:37,600

up with but i am not a good natural

2253

01:24:40,550 --> 01:24:38,560

psychic

2254

01:24:42,790 --> 01:24:40,560

um there are people that come up with

2255

01:24:44,229 --> 01:24:42,800

amazing details i'm not one but i did

2256

01:24:45,669 --> 01:24:44,239

come up with some details during my

2257

01:24:47,510 --> 01:24:45,679

remote viewing like

2258

01:24:48,870 --> 01:24:47,520

you know you see a neighborhood with

2259

01:24:50,709 --> 01:24:48,880

three houses and on the top of one of

2260

01:24:52,229 --> 01:24:50,719

the houses is a weather vane it's pretty

2261

01:24:54,390 --> 01:24:52,239

prominent in the picture and in my

2262

01:24:56,310 --> 01:24:54,400

remote viewing i wrote i drew a weather

2263

01:24:58,709 --> 01:24:56,320

vein and i wrote weather vein pointing

2264

01:24:59,910 --> 01:24:58,719

it to it you know that's not great but

2265

01:25:01,830 --> 01:24:59,920

it was something and there were other

2266

01:25:03,110 --> 01:25:01,840

ones where i wrote down

2267

01:25:06,149 --> 01:25:03,120

bright yellow

2268

01:25:09,350 --> 01:25:06,159

right

2269

01:25:11,430 --> 01:25:09,360

house

2270

01:25:13,270 --> 01:25:11,440

in europe

2271

01:25:15,430 --> 01:25:13,280

and it was so obvious the garage was

2272

01:25:17,270 --> 01:25:15,440

pretty was the garage was painted bright

2273

01:25:19,510 --> 01:25:17,280

blue and bright yellow it matched

2274

01:25:21,270 --> 01:25:19,520

exactly what i said it's like those just

2275

01:25:22,870 --> 01:25:21,280

pop into your head you write them down

2276

01:25:24,709 --> 01:25:22,880

and it wasn't just yellow blue it was

2277

01:25:26,390 --> 01:25:24,719

bright yellow bright blue and they were

2278

01:25:28,950 --> 01:25:26,400

bright um

2279

01:25:31,669 --> 01:25:28,960

so little things like that show me

2280

01:25:34,470 --> 01:25:31,679

that yes somehow you're contacting

2281

01:25:37,430 --> 01:25:34,480

that target accessing the data somehow

2282

01:25:39,270 --> 01:25:37,440

with your sixth sense um pounds team i

2283

01:25:41,750 --> 01:25:39,280

will i'll bring it up to lou i mean i

2284

01:25:44,070 --> 01:25:41,760

heard michael the one who i michael i

2285

01:25:45,990 --> 01:25:44,080

interviewed who was um

2286

01:25:47,830 --> 01:25:46,000

healed of being blind and

2287

01:25:49,350 --> 01:25:47,840

maybe there may be people skeptical of

2288

01:25:51,430 --> 01:25:49,360

that i'm not one of them i've spoken to

2289

01:25:53,510 --> 01:25:51,440

him and his fam and his wife

2290

01:25:55,189 --> 01:25:53,520

numerous times um

2291

01:25:57,590 --> 01:25:55,199

but he's the first one i heard mentioned

2292

01:25:59,189 --> 01:25:57,600

pounce team supposedly as a group that

2293

01:26:01,110 --> 01:25:59,199

if there's a crash with people they jump

2294

01:26:04,310 --> 01:26:01,120

in and make sure everything is cleaned

2295

01:26:06,550 --> 01:26:04,320

up and nobody sees it

2296

01:26:09,030 --> 01:26:06,560

what do i know about remote viewing i i

2297

01:26:11,910 --> 01:26:09,040

studied back in

2298

01:26:13,270 --> 01:26:11,920

i think it was 97 i took a class with

2299

01:26:15,110 --> 01:26:13,280

lynn buchanan who was one of the

2300

01:26:17,750 --> 01:26:15,120

original army remote viewers so it was a

2301
01:26:20,790 --> 01:26:17,760
three-day basic class controlled remote

2302
01:26:22,950 --> 01:26:20,800
viewing um read all lots of books on it

2303
01:26:24,629 --> 01:26:22,960
um courtney brown lecture on remote

2304
01:26:26,629 --> 01:26:24,639
viewing was the first one i attended

2305
01:26:29,510 --> 01:26:26,639
bought his book cosmic voyage which i do

2306
01:26:30,310 --> 01:26:29,520
not recommend um mcmonicle's books are

2307
01:26:31,669 --> 01:26:30,320
great

2308
01:26:33,750 --> 01:26:31,679
um

2309
01:26:35,669 --> 01:26:33,760
mind track which you can find online in

2310
01:26:37,830 --> 01:26:35,679
a pdf a lot of those books if you type

2311
01:26:40,070 --> 01:26:37,840
in the name of a book in a pdf a lot of

2312
01:26:42,390 --> 01:26:40,080
times they're online in a google on a

2313
01:26:44,870 --> 01:26:42,400

pdf because i have the book

2314

01:26:47,110 --> 01:26:44,880

in physical form but i also want the pdf

2315

01:26:49,110 --> 01:26:47,120

and i don't want to buy it again so

2316

01:26:51,270 --> 01:26:49,120

i don't feel guilty about that

2317

01:26:54,070 --> 01:26:51,280

um does remote viewing open you up to

2318

01:26:56,470 --> 01:26:54,080

exterior influences well i didn't do it

2319

01:26:58,149 --> 01:26:56,480

enough to have any experiences but john

2320

01:26:59,910 --> 01:26:58,159

mcmonicle said in his 10th year of

2321

01:27:01,830 --> 01:26:59,920

remote viewing he started seeing things

2322

01:27:03,430 --> 01:27:01,840

out of the corner of his eye that when

2323

01:27:04,870 --> 01:27:03,440

he would look up they would disappear

2324

01:27:06,149 --> 01:27:04,880

eventually they wouldn't disappear and

2325

01:27:08,229 --> 01:27:06,159

he would able to look at them like

2326

01:27:09,750 --> 01:27:08,239

shadow creatures no they never hurt him

2327

01:27:12,390 --> 01:27:09,760

or anything

2328

01:27:13,910 --> 01:27:12,400

he saw a foot high little that's

2329

01:27:14,950 --> 01:27:13,920

something i put on twitter a foot high a

2330

01:27:17,030 --> 01:27:14,960

little

2331

01:27:18,629 --> 01:27:17,040

lizard running in his house where the

2332

01:27:19,990 --> 01:27:18,639

cat went to chase it and it was growling

2333

01:27:21,350 --> 01:27:20,000

at it um

2334

01:27:24,629 --> 01:27:21,360

seems like it's

2335

01:27:26,470 --> 01:27:24,639

like the guy i'm listening to lately

2336

01:27:28,310 --> 01:27:26,480

paul eno he's his theory is it's a

2337

01:27:30,870 --> 01:27:28,320

multiverse and all of these worlds are

2338

01:27:33,030 --> 01:27:30,880

bleeding into our world like bubbles

2339

01:27:35,030 --> 01:27:33,040

connecting in a sink you know they bleed

2340

01:27:36,950 --> 01:27:35,040

in they pop

2341

01:27:38,709 --> 01:27:36,960

so we're experiencing at times we're

2342

01:27:42,550 --> 01:27:38,719

experiencing these other

2343

01:27:48,070 --> 01:27:46,709

as far as any negative influences

2344

01:27:50,629 --> 01:27:48,080

i've heard people who are

2345

01:27:52,149 --> 01:27:50,639

psychologically unstable have issues

2346

01:27:53,350 --> 01:27:52,159

they had something like that happen in

2347

01:27:56,790 --> 01:27:53,360

the program

2348

01:27:58,870 --> 01:27:56,800

but most of the guys you talk to

2349

01:28:01,110 --> 01:27:58,880

they really haven't i mean lynn buchanan

2350

01:28:02,950 --> 01:28:01,120

would speak about when he would do a

2351

01:28:04,550 --> 01:28:02,960

session on salaam hussein when he was in

2352

01:28:08,149 --> 01:28:04,560

the army they would do something where

2353

01:28:10,310 --> 01:28:08,159

it's like a brain or mind scan

2354

01:28:11,669 --> 01:28:10,320

and you have a monitor sitting across

2355

01:28:13,350 --> 01:28:11,679

the table from you when you're remote

2356

01:28:15,510 --> 01:28:13,360

viewing that's that's what they were

2357

01:28:17,510 --> 01:28:15,520

doing in the military if you ever see

2358

01:28:18,870 --> 01:28:17,520

the ones right now

2359

01:28:20,870 --> 01:28:18,880

some of the modern day remote viewers

2360

01:28:21,990 --> 01:28:20,880

don't use a monitor but in the military

2361

01:28:23,350 --> 01:28:22,000

um

2362

01:28:25,110 --> 01:28:23,360

so they have somebody sitting across

2363

01:28:27,669 --> 01:28:25,120

from them and this one lady was

2364

01:28:29,910 --> 01:28:27,679

monitoring lynn buchanan and basically

2365

01:28:31,669 --> 01:28:29,920

you know the monitor says the monitor

2366

01:28:34,870 --> 01:28:31,679

doesn't know the target either so the

2367

01:28:37,590 --> 01:28:34,880

monitor says um give me skimmy sounds

2368

01:28:39,189 --> 01:28:37,600

smells tastes um go a thousand feet

2369

01:28:40,870 --> 01:28:39,199

above the target and describe what you

2370

01:28:42,470 --> 01:28:40,880

see um

2371

01:28:44,470 --> 01:28:42,480

and he was doing a session he looked up

2372

01:28:46,390 --> 01:28:44,480

and the monitor had turned white

2373

01:28:48,390 --> 01:28:46,400

um so what happened during this is what

2374

01:28:50,790 --> 01:28:48,400

lin said happened during his remote

2375

01:28:53,030 --> 01:28:50,800

viewing of sodom hussein

2376

01:28:55,830 --> 01:28:53,040

his blue eyes had turned brown which

2377

01:28:57,590 --> 01:28:55,840

matched sodom hussein's brown uh eyes um

2378

01:28:59,990 --> 01:28:57,600

and lynn's like

2379

01:29:02,310 --> 01:29:00,000

you you can kind of start taking on

2380

01:29:03,590 --> 01:29:02,320

the person you're you're melding with

2381

01:29:06,149 --> 01:29:03,600

which is obviously not a good thing of

2382

01:29:08,709 --> 01:29:06,159

what sodom was saying um

2383

01:29:10,470 --> 01:29:08,719

but that's you know he goes he i needed

2384

01:29:11,350 --> 01:29:10,480

to detox a little bit after that and

2385

01:29:12,709 --> 01:29:11,360

there are people who are not going to

2386

01:29:14,229 --> 01:29:12,719

believe that story but that's the story

2387

01:29:16,149 --> 01:29:14,239

he told and he said it freaked out the

2388

01:29:17,910 --> 01:29:16,159

monitor

2389

01:29:30,790 --> 01:29:17,920

and the dog is freaking out what are you

2390

01:29:35,510 --> 01:29:32,950

yeah mcmonicle saw a native american in

2391

01:29:36,950 --> 01:29:35,520

his house um a house he was staying at a

2392

01:29:38,390 --> 01:29:36,960

friend and the friend's like oh yeah he

2393

01:29:40,310 --> 01:29:38,400

just visits it was coming it's kind of

2394

01:29:42,070 --> 01:29:40,320

like the guy was bilocating and joe

2395

01:29:43,510 --> 01:29:42,080

mcmonicle was able to see him in his

2396

01:29:44,870 --> 01:29:43,520

other body

2397

01:29:47,270 --> 01:29:44,880

um

2398

01:29:49,189 --> 01:29:47,280

and he described him accurately

2399

01:29:51,430 --> 01:29:49,199

so yeah but that was 10 years of remote

2400

01:29:55,510 --> 01:29:51,440

viewing that opened him up to other to

2401

01:29:59,510 --> 01:29:57,910

pix has entered the building

2402

01:30:00,870 --> 01:29:59,520

good evening

2403

01:30:03,030 --> 01:30:00,880

do i have a checklist of topics you

2404

01:30:04,229 --> 01:30:03,040

really want to bring up with lou um

2405

01:30:07,270 --> 01:30:04,239

yeah i'm gonna have a whole list and

2406

01:30:08,790 --> 01:30:07,280

i'll have too many questions um i may

2407

01:30:11,189 --> 01:30:08,800

ask him things he's been asked before

2408

01:30:13,590 --> 01:30:11,199

but ask it in a different way and just

2409

01:30:16,070 --> 01:30:13,600

expand upon certain things

2410

01:30:21,270 --> 01:30:18,390

there i'm sure i will i will run out of

2411

01:30:22,629 --> 01:30:21,280

time with him i have i have 75 minutes i

2412

01:30:23,669 --> 01:30:22,639

believe with him

2413

01:30:24,629 --> 01:30:23,679

so

2414

01:30:26,390 --> 01:30:24,639

um

2415

01:30:28,310 --> 01:30:26,400

i'm not going to give away my questions

2416

01:30:29,830 --> 01:30:28,320

but you can imagine i mean i'm not

2417

01:30:31,910 --> 01:30:29,840

really i mean people like ask about

2418

01:30:33,510 --> 01:30:31,920

wilson davis well he's been asked about

2419

01:30:34,390 --> 01:30:33,520

that he's like i never spoke to eric

2420

01:30:36,149 --> 01:30:34,400

about it

2421

01:30:37,750 --> 01:30:36,159

um

2422

01:30:39,350 --> 01:30:37,760

i can ask hypotheticals you know you

2423

01:30:43,590 --> 01:30:39,360

know

2424

01:30:46,149 --> 01:30:43,600

logical to you that admiral wilson would

2425

01:30:48,950 --> 01:30:46,159

be upset that he wasn't given access to

2426
01:30:51,350 --> 01:30:48,960
a special access program that he wasn't

2427
01:30:52,629 --> 01:30:51,360
read into should he if is does that

2428
01:30:54,229 --> 01:30:52,639
sound right

2429
01:30:56,629 --> 01:30:54,239
because that's a lot of a question a lot

2430
01:30:57,750 --> 01:30:56,639
of people have it's like but he was

2431
01:30:59,910 --> 01:30:57,760
you know he was in charge of

2432
01:31:01,750 --> 01:30:59,920
intelligence so he intelligence so and

2433
01:31:03,750 --> 01:31:01,760
it was another reason maybe funding wise

2434
01:31:06,470 --> 01:31:03,760
they were connected to that program

2435
01:31:07,830 --> 01:31:06,480
through um the joint chap joint chiefs

2436
01:31:11,510 --> 01:31:07,840
but

2437
01:31:12,470 --> 01:31:11,520
would not get into that into that with

2438
01:31:14,149 --> 01:31:12,480

eric

2439

01:31:16,790 --> 01:31:14,159

why he felt they had oversight i'm not

2440

01:31:18,470 --> 01:31:16,800

sure if i'll ask that um because like i

2441

01:31:20,790 --> 01:31:18,480

said

2442

01:31:22,229 --> 01:31:20,800

no doubt that that me the admiral wilson

2443

01:31:25,189 --> 01:31:22,239

interview took place but there are other

2444

01:31:27,110 --> 01:31:25,199

questions i can ask about and i i know

2445

01:31:31,910 --> 01:31:27,120

i need to ask hypotheticals on certain

2446

01:31:37,189 --> 01:31:33,669

yeah um

2447

01:31:38,390 --> 01:31:37,199

definitely details

2448

01:31:40,950 --> 01:31:38,400

but

2449

01:31:42,870 --> 01:31:40,960

you know i'm not gonna

2450

01:31:44,229 --> 01:31:42,880

demand he go anywhere because people

2451
01:31:45,990 --> 01:31:44,239
like you got to push him you got to push

2452
01:31:48,149 --> 01:31:46,000
him and

2453
01:31:52,470 --> 01:31:48,159
you know i don't need to push i can ask

2454
01:31:56,310 --> 01:31:54,550
where did some events expand on his

2455
01:31:59,910 --> 01:31:56,320
experience

2456
01:32:04,390 --> 01:31:59,920
yeah he was uh interviewed by

2457
01:32:05,750 --> 01:32:04,400
what's the name the experience of group

2458
01:32:08,070 --> 01:32:05,760
i will tran that's i'm gonna start

2459
01:32:11,590 --> 01:32:08,080
working on that one tomorrow

2460
01:32:14,790 --> 01:32:13,350
by

2461
01:32:18,310 --> 01:32:14,800
stuart

2462
01:32:20,550 --> 01:32:18,320
davis in the experienter group

2463
01:32:25,030 --> 01:32:20,560

so their twitter is at

2464

01:32:26,950 --> 01:32:25,040

four experiencers for experiencers but

2465

01:32:29,110 --> 01:32:26,960

so that's where that interview was with

2466

01:32:30,390 --> 01:32:29,120

semi-van and he talked about it in more

2467

01:32:33,189 --> 01:32:30,400

in-depth

2468

01:32:35,750 --> 01:32:33,199

uh said it looked like the michelin man

2469

01:32:39,270 --> 01:32:35,760

but it was all black with

2470

01:32:40,950 --> 01:32:39,280

or dark armor uh skinnier not like a fat

2471

01:32:43,110 --> 01:32:40,960

michelin man so that type of thing with

2472

01:32:44,709 --> 01:32:43,120

dark armor and

2473

01:32:46,790 --> 01:32:44,719

colin kelleher immediately knew what

2474

01:32:48,310 --> 01:32:46,800

type of being it was i forget the name i

2475

01:32:49,830 --> 01:32:48,320

have it i have it written down because

2476

01:32:51,430 --> 01:32:49,840

oh those are the

2477

01:32:52,950 --> 01:32:51,440

menendez or something like that so

2478

01:32:55,030 --> 01:32:52,960

obviously column color had heard that

2479

01:32:56,470 --> 01:32:55,040

type of being experienced before he's

2480

01:32:58,149 --> 01:32:56,480

like it wasn't a gray he goes although

2481

01:32:59,590 --> 01:32:58,159

there may have been a gray there present

2482

01:33:00,950 --> 01:32:59,600

or mantis i couldn't tell there was

2483

01:33:02,550 --> 01:33:00,960

something over my shoulder i couldn't

2484

01:33:03,510 --> 01:33:02,560

see

2485

01:33:05,270 --> 01:33:03,520

um

2486

01:33:08,310 --> 01:33:05,280

when am i meeting with davis well davis

2487

01:33:11,830 --> 01:33:08,320

is in alabama so

2488

01:33:13,830 --> 01:33:11,840

i was planning a trip in that area

2489

01:33:16,229 --> 01:33:13,840

but it didn't happen

2490

01:33:17,750 --> 01:33:16,239

if i go meet him i will have to continue

2491

01:33:19,189 --> 01:33:17,760

and drive down to florida and see will

2492

01:33:20,830 --> 01:33:19,199

milller again

2493

01:33:23,110 --> 01:33:20,840

been a long

2494

01:33:24,950 --> 01:33:23,120

time do i have access to what jesse

2495

01:33:26,470 --> 01:33:24,960

michael's edited out oh i didn't know i

2496

01:33:28,950 --> 01:33:26,480

didn't know he edited anything out he

2497

01:33:30,790 --> 01:33:28,960

says he didn't edit anything out so no i

2498

01:33:31,910 --> 01:33:30,800

don't even know jesse

2499

01:33:34,070 --> 01:33:31,920

um

2500

01:33:36,629 --> 01:33:34,080

you're welcome bug stuart davis did a

2501

01:33:38,629 --> 01:33:36,639

great job in interview um yeah he's

2502

01:33:40,149 --> 01:33:38,639

really good

2503

01:33:41,990 --> 01:33:40,159

and um

2504

01:33:43,030 --> 01:33:42,000

the guy who's part of uh

2505

01:33:45,110 --> 01:33:43,040

who i know

2506

01:33:46,950 --> 01:33:45,120

who i've interviewed is j christopher

2507

01:33:49,189 --> 01:33:46,960

king and he's going to be part of

2508

01:33:51,590 --> 01:33:49,199

sean's interview witness citizen of lou

2509

01:33:53,750 --> 01:33:51,600

so he's an experiencer so really curious

2510

01:33:55,270 --> 01:33:53,760

where jay can take that um if it goes in

2511

01:33:56,550 --> 01:33:55,280

a different direction but lou's not

2512

01:33:57,430 --> 01:33:56,560

gonna talk about abductions i don't

2513

01:33:59,189 --> 01:33:57,440

think

2514

01:34:00,629 --> 01:33:59,199

although now that semivanna has spoken

2515

01:34:02,790 --> 01:34:00,639

up

2516

01:34:05,350 --> 01:34:02,800

you know you can go there um lewis kind

2517

01:34:06,950 --> 01:34:05,360

of said in the one episode of

2518

01:34:08,310 --> 01:34:06,960

unidentified he's like we don't know if

2519

01:34:10,149 --> 01:34:08,320

it's a physical thing happening but

2520

01:34:12,149 --> 01:34:10,159

semi-van's like

2521

01:34:14,470 --> 01:34:12,159

i know what oh i know what um lucid

2522

01:34:17,189 --> 01:34:14,480

dreaming is i was not in a hypnagogic

2523

01:34:22,390 --> 01:34:17,199

state this was real so that's something

2524

01:34:26,149 --> 01:34:24,229

what do i think about lacasse's claims

2525

01:34:27,350 --> 01:34:26,159

about alexander which what claims though

2526

01:34:28,790 --> 01:34:27,360

i don't know what claims you're talking

2527

01:34:29,910 --> 01:34:28,800

about just

2528

01:34:31,030 --> 01:34:29,920

oh

2529

01:34:32,950 --> 01:34:31,040

yeah yeah

2530

01:34:34,950 --> 01:34:32,960

that he worked in a small unofficial

2531

01:34:36,550 --> 01:34:34,960

office yeah well that's i think lulu

2532

01:34:38,390 --> 01:34:36,560

will admit that too it wasn't official

2533

01:34:40,629 --> 01:34:38,400

it was something they did in their spare

2534

01:34:42,390 --> 01:34:40,639

time uh they had more than one job to

2535

01:34:45,189 --> 01:34:42,400

have a tip in their other jobs so that's

2536

01:34:46,790 --> 01:34:45,199

not really a revelation um the only

2537

01:34:48,550 --> 01:34:46,800

question is where did the loose says

2538

01:34:49,910 --> 01:34:48,560

they had funding likkowski said they

2539

01:34:51,990 --> 01:34:49,920

didn't have funding

2540

01:34:52,950 --> 01:34:52,000

so we'll see if lou talks about that in

2541

01:34:54,709 --> 01:34:52,960

the book

2542

01:34:56,229 --> 01:34:54,719

um

2543

01:34:59,030 --> 01:34:56,239

i would like to know i want to know

2544

01:35:00,310 --> 01:34:59,040

every aspect so

2545

01:35:04,070 --> 01:35:00,320

i want to know where their funding was

2546

01:35:07,669 --> 01:35:05,669

i'm sure you could blow 75 minutes

2547

01:35:09,750 --> 01:35:07,679

asking lou questions uh that would all

2548

01:35:11,510 --> 01:35:09,760

be i can't comment a couple of i can't

2549

01:35:13,189 --> 01:35:11,520

comments are okay because you know maybe

2550

01:35:14,550 --> 01:35:13,199

there's something there

2551
01:35:17,510 --> 01:35:14,560
lou would be fine with this too since he

2552
01:35:19,590 --> 01:35:17,520
always says you can't ask him anything

2553
01:35:21,910 --> 01:35:19,600
they'll all ask questions in a way he'll

2554
01:35:23,510 --> 01:35:21,920
be able to

2555
01:35:24,950 --> 01:35:23,520
you know it'll be hypo a lot of

2556
01:35:26,950 --> 01:35:24,960
hypotheticals

2557
01:35:28,629 --> 01:35:26,960
if you if you were in charge and this

2558
01:35:32,149 --> 01:35:28,639
happened how would you solve this type

2559
01:35:35,830 --> 01:35:34,629
yeah exactly it's the way you can ask a

2560
01:35:37,590 --> 01:35:35,840
question

2561
01:35:39,750 --> 01:35:37,600
he's already i've seen him ask

2562
01:35:41,750 --> 01:35:39,760
interviewers ask me differently and then

2563
01:35:43,270 --> 01:35:41,760

the person doesn't get it and

2564

01:35:44,310 --> 01:35:43,280

does it himself

2565

01:35:47,750 --> 01:35:44,320

um

2566

01:35:52,229 --> 01:35:49,350

yeah i'll have to think about when i'm

2567

01:35:52,950 --> 01:35:52,239

writing out my questions you know

2568

01:35:58,149 --> 01:35:52,960

i

2569

01:36:00,310 --> 01:35:58,159

source

2570

01:36:01,109 --> 01:36:00,320

it was a really i was proud of myself i

2571

01:36:02,870 --> 01:36:01,119

said

2572

01:36:04,870 --> 01:36:02,880

just suppose

2573

01:36:07,350 --> 01:36:04,880

you were doing this

2574

01:36:09,750 --> 01:36:07,360

would you do this or this and the answer

2575

01:36:11,750 --> 01:36:09,760

came back i would do this and i can't

2576

01:36:14,629 --> 01:36:11,760

tell you what this is i it would be

2577

01:36:17,109 --> 01:36:14,639

obvious exactly what i'm talking about

2578

01:36:19,590 --> 01:36:17,119

um but it was a great way to find out an

2579

01:36:21,910 --> 01:36:19,600

answer but even then i'm like

2580

01:36:23,590 --> 01:36:21,920

i don't and people are like think just

2581

01:36:26,149 --> 01:36:23,600

because the source tells me something i

2582

01:36:27,830 --> 01:36:26,159

believe it 100 it's like

2583

01:36:29,830 --> 01:36:27,840

i've had sources

2584

01:36:31,590 --> 01:36:29,840

i had one specific source give me

2585

01:36:35,510 --> 01:36:31,600

information that right away i was like

2586

01:36:37,430 --> 01:36:35,520

this is not true and it learned later

2587

01:36:39,350 --> 01:36:37,440

and i was like why did you give me that

2588

01:36:41,750 --> 01:36:39,360

information and it's like i'll still

2589

01:36:44,390 --> 01:36:41,760

talk to that person but

2590

01:36:46,390 --> 01:36:44,400

and that person kind of has noted

2591

01:36:48,870 --> 01:36:46,400

that they gave me bad information and i

2592

01:36:50,950 --> 01:36:48,880

know they knew it was bad information so

2593

01:36:51,910 --> 01:36:50,960

i'm aware of that i am aware of this

2594

01:36:54,310 --> 01:36:51,920

info

2595

01:36:57,030 --> 01:36:54,320

i am aware there are certain people that

2596

01:36:59,189 --> 01:36:57,040

don't want ufo information out in the

2597

01:37:00,790 --> 01:36:59,199

public sphere and will do what they need

2598

01:37:02,790 --> 01:37:00,800

to do

2599

01:37:03,990 --> 01:37:02,800

within reason then there are people that

2600

01:37:05,830 --> 01:37:04,000

are desperately trying to keep it

2601
01:37:07,590 --> 01:37:05,840
private and we've talked about that on

2602
01:37:09,350 --> 01:37:07,600
twitter with uh

2603
01:37:13,030 --> 01:37:09,360
the evangelical christians the collins

2604
01:37:15,990 --> 01:37:14,310
i'd love to ask lou if you were

2605
01:37:17,669 --> 01:37:16,000
responsible for managing the portfolio

2606
01:37:19,030 --> 01:37:17,679
of decades and were tasked with keeping

2607
01:37:20,870 --> 01:37:19,040
it out of congressional oversight how

2608
01:37:22,070 --> 01:37:20,880
would you go about doing it he probably

2609
01:37:23,590 --> 01:37:22,080
would say

2610
01:37:25,830 --> 01:37:23,600
yeah that's not a bad question he would

2611
01:37:27,990 --> 01:37:25,840
probably say exactly how they did it the

2612
01:37:29,910 --> 01:37:28,000
way it was done is pretty good eric

2613
01:37:31,189 --> 01:37:29,920

davis said they did it to keep it they

2614

01:37:32,629 --> 01:37:31,199

buried it so they would keep it away

2615

01:37:33,750 --> 01:37:32,639

from the folks who wanted to kill the

2616

01:37:34,870 --> 01:37:33,760

program because they thought it was

2617

01:37:36,790 --> 01:37:34,880

demonic

2618

01:37:39,510 --> 01:37:36,800

um

2619

01:37:41,669 --> 01:37:39,520

originally i'm not sure i mean

2620

01:37:43,830 --> 01:37:41,679

according to

2621

01:37:45,910 --> 01:37:43,840

who was oh nick redfern the original

2622

01:37:48,310 --> 01:37:45,920

collins elite type folks were very much

2623

01:37:50,629 --> 01:37:48,320

more open-minded and then you know

2624

01:37:52,149 --> 01:37:50,639

something

2625

01:37:54,870 --> 01:37:52,159

not necessarily

2626

01:37:56,390 --> 01:37:54,880

angelic demonic that now they supposedly

2627

01:37:58,629 --> 01:37:56,400

that's what they believe now but in the

2628

01:38:00,550 --> 01:37:58,639

old days it was more you know you know

2629

01:38:02,149 --> 01:38:00,560

interdimensional beings some of them may

2630

01:38:05,750 --> 01:38:02,159

be positive some of them

2631

01:38:08,229 --> 01:38:06,790

but

2632

01:38:10,310 --> 01:38:08,239

they've done a good job of keeping it

2633

01:38:12,310 --> 01:38:10,320

from congress hopefully that ends i

2634

01:38:14,790 --> 01:38:12,320

don't know how they're going to do it

2635

01:38:18,070 --> 01:38:16,229

you got to get somebody who can be read

2636

01:38:19,669 --> 01:38:18,080

into that program and then

2637

01:38:21,350 --> 01:38:19,679

if they decide this information is

2638

01:38:23,189 --> 01:38:21,360

something the world should know then

2639

01:38:26,149 --> 01:38:23,199

maybe that's how we'll get it

2640

01:38:27,590 --> 01:38:26,159

you believe certain races are ethnicity

2641

01:38:29,510 --> 01:38:27,600

necessities

2642

01:38:35,109 --> 01:38:29,520

sorry i'm struggling to talk right now

2643

01:38:38,629 --> 01:38:37,109

have higherers have higher amounts of

2644

01:38:40,310 --> 01:38:38,639

failing dna

2645

01:38:42,310 --> 01:38:40,320

i have no idea

2646

01:38:43,990 --> 01:38:42,320

does that make them superior

2647

01:38:45,430 --> 01:38:44,000

will there be a disclosure health or

2648

01:38:47,830 --> 01:38:45,440

skelter

2649

01:38:51,350 --> 01:38:49,430

yeah i don't know

2650

01:38:52,870 --> 01:38:51,360

i don't know if we have any alien dna i

2651

01:38:55,109 --> 01:38:52,880

mean i've i've been

2652

01:38:56,830 --> 01:38:55,119

i got started in this with sitchin you

2653

01:38:59,270 --> 01:38:56,840

know zacharias sitchin

2654

01:39:01,910 --> 01:38:59,280

so i don't know how we proved that

2655

01:39:03,350 --> 01:39:01,920

science would do that dna um

2656

01:39:06,149 --> 01:39:03,360

we'd have to we'd have to compare it to

2657

01:39:08,550 --> 01:39:06,159

something else though if we get

2658

01:39:11,669 --> 01:39:08,560

we'd have to get the alien being that we

2659

01:39:14,070 --> 01:39:11,679

supposedly were you know

2660

01:39:15,750 --> 01:39:14,080

that interacted with us and

2661

01:39:17,590 --> 01:39:15,760

created us allegedly genetically

2662

01:39:19,030 --> 01:39:17,600

engineered and compared compare our dna

2663

01:39:20,790 --> 01:39:19,040

of course maybe they're

2664

01:39:22,470 --> 01:39:20,800

maybe that maybe their dna isn't that

2665

01:39:23,990 --> 01:39:22,480

far off from our so it will be very

2666

01:39:26,470 --> 01:39:24,000

difficult but i

2667

01:39:28,709 --> 01:39:26,480

don't i'm not a dna guy so

2668

01:39:31,189 --> 01:39:28,719

it's very basic

2669

01:39:32,790 --> 01:39:31,199

i'm fading quick i'm raising 10 puppies

2670

01:39:34,229 --> 01:39:32,800

sleep what is that everyone have a

2671

01:39:36,229 --> 01:39:34,239

kick-ass night

2672

01:39:38,790 --> 01:39:36,239

thanks pics yeah

2673

01:39:40,390 --> 01:39:38,800

good luck with the puppies

2674

01:39:42,790 --> 01:39:40,400

certain general journalist claims he has

2675

01:39:45,030 --> 01:39:42,800

some unseen info that supports lakatsuki

2676

01:39:48,390 --> 01:39:45,040

or elizondo you can probably guess what

2677

01:39:50,790 --> 01:39:48,400

i'm talking about i don't really know um

2678

01:39:52,550 --> 01:39:50,800

i need specifics would this even matter

2679

01:39:53,350 --> 01:39:52,560

as long as congress is looking into it

2680

01:39:55,189 --> 01:39:53,360

no

2681

01:39:56,629 --> 01:39:55,199

um

2682

01:39:58,550 --> 01:39:56,639

but

2683

01:40:00,629 --> 01:39:58,560

you know whether or not

2684

01:40:03,030 --> 01:40:00,639

lou has said without awesome there would

2685

01:40:05,030 --> 01:40:03,040

be no atip so

2686

01:40:06,390 --> 01:40:05,040

um let's see what comes in lou's book

2687

01:40:08,070 --> 01:40:06,400

lou's book will come out and let's see

2688

01:40:09,430 --> 01:40:08,080

if the casket does more interviews he

2689

01:40:11,430 --> 01:40:09,440

obviously doesn't really like being in

2690

01:40:14,310 --> 01:40:11,440

the public eye so

2691

01:40:16,709 --> 01:40:14,320

um i need to know specifically

2692

01:40:17,830 --> 01:40:16,719

supports like catskill what part support

2693

01:40:18,950 --> 01:40:17,840

i mean

2694

01:40:21,510 --> 01:40:18,960

we know

2695

01:40:23,030 --> 01:40:21,520

asap was a fully funded program no no

2696

01:40:25,590 --> 01:40:23,040

there's no way i don't think lew is

2697

01:40:27,270 --> 01:40:25,600

claiming the funding atip got matched

2698

01:40:29,109 --> 01:40:27,280

awesome i don't think he's claiming that

2699

01:40:31,430 --> 01:40:29,119

he's claiming they had funding how much

2700

01:40:34,149 --> 01:40:31,440

i don't know asap was two years 50

2701

01:40:38,390 --> 01:40:34,159

full-time employees and other folks um

2702

01:40:41,830 --> 01:40:39,830

can i ask a question what does it matter

2703

01:40:43,669 --> 01:40:41,840

at this point what question or who you

2704

01:40:45,510 --> 01:40:43,679

ask it is we have

2705

01:40:47,270 --> 01:40:45,520

company are we always going to get the

2706

01:40:49,270 --> 01:40:47,280

answers we are allowed to get i'm not

2707

01:40:51,270 --> 01:40:49,280

sure what you're asking um

2708

01:40:53,830 --> 01:40:51,280

what does it matter i mean i

2709

01:40:55,109 --> 01:40:53,840

for me i like doing this so

2710

01:40:57,189 --> 01:40:55,119

i'm going to keep doing it if people

2711

01:40:58,790 --> 01:40:57,199

want to watch they'll listen they can

2712

01:41:00,310 --> 01:40:58,800

other people think it's a waste of time

2713

01:41:02,070 --> 01:41:00,320

to even talk about

2714

01:41:04,310 --> 01:41:02,080

the government aspect and all that stuff

2715

01:41:06,070 --> 01:41:04,320

but i love that stuff i like but i like

2716

01:41:08,149 --> 01:41:06,080

every aspect of it i like this i love

2717

01:41:09,270 --> 01:41:08,159

the nuts and bolts i love

2718

01:41:13,910 --> 01:41:09,280

the

2719

01:41:15,270 --> 01:41:13,920

trying to figure it out i want to try to

2720

01:41:16,870 --> 01:41:15,280

figure it out do i think i'm smart

2721

01:41:19,510 --> 01:41:16,880

enough to figure out what the phenomenon

2722

01:41:21,910 --> 01:41:19,520

is no but if i share enough information

2723

01:41:24,629 --> 01:41:21,920

from various sources maybe we as a group

2724

01:41:27,990 --> 01:41:24,639

can figure out maybe one aspect of it

2725

01:41:30,950 --> 01:41:29,350

i don't know if things will change as

2726

01:41:32,310 --> 01:41:30,960

far as information sharing i mean i

2727

01:41:35,030 --> 01:41:32,320

never thought we'd get to the point we

2728

01:41:37,510 --> 01:41:35,040

are now and i've been doing it for

2729

01:41:39,669 --> 01:41:37,520

26 years um

2730

01:41:42,229 --> 01:41:39,679

so yeah i mean

2731

01:41:43,910 --> 01:41:42,239

the last four years have been amazing

2732

01:41:45,669 --> 01:41:43,920

never thought this would happen so if

2733

01:41:47,270 --> 01:41:45,679

you had asked me in 2016 i'd probably

2734

01:41:48,790 --> 01:41:47,280

say you know what shelly you're right

2735

01:41:50,470 --> 01:41:48,800

we're not really getting anywhere

2736

01:41:51,270 --> 01:41:50,480

they're obviously here

2737

01:41:52,709 --> 01:41:51,280

but

2738

01:41:53,830 --> 01:41:52,719

they're in control too if they want to

2739

01:41:55,669 --> 01:41:53,840

end this

2740

01:41:57,669 --> 01:41:55,679

tomorrow they could they could show up

2741

01:41:59,189 --> 01:41:57,679

in masses they can come down they can

2742

01:42:00,950 --> 01:41:59,199

communicate with us

2743

01:42:02,950 --> 01:42:00,960

um somebody recently i don't know who

2744

01:42:04,229 --> 01:42:02,960

said it but it was on twitter like

2745

01:42:05,350 --> 01:42:04,239

people like we may not be able to

2746

01:42:07,350 --> 01:42:05,360

communicate with them they're so

2747

01:42:09,830 --> 01:42:07,360

advanced but somebody's like

2748

01:42:12,870 --> 01:42:09,840

um i think if they wanted to communicate

2749

01:42:14,790 --> 01:42:12,880

they could um

2750

01:42:17,030 --> 01:42:14,800

i mean people get telepathic messages

2751
01:42:20,149 --> 01:42:17,040
that they understand you know clean up

2752
01:42:23,510 --> 01:42:22,070
take care of your planet

2753
01:42:25,189 --> 01:42:23,520
um so

2754
01:42:27,590 --> 01:42:25,199
maybe they can do really basic things

2755
01:42:30,310 --> 01:42:27,600
like that

2756
01:42:32,709 --> 01:42:30,320
in the hyper theory video by tupacabra

2757
01:42:35,030 --> 01:42:32,719
sg claims that someone told them we were

2758
01:42:36,709 --> 01:42:35,040
hybrids

2759
01:42:39,669 --> 01:42:36,719
i thought he would tell

2760
01:42:42,709 --> 01:42:39,679
um who told him that

2761
01:42:46,229 --> 01:42:44,070
i don't know if you got that information

2762
01:42:48,229 --> 01:42:46,239
from government sources

2763
01:42:49,990 --> 01:42:48,239

would it surprise me if somebody proved

2764

01:42:52,470 --> 01:42:50,000

that we have some connection and we're

2765

01:42:54,550 --> 01:42:52,480

hybrids to some degree no

2766

01:42:57,669 --> 01:42:54,560

but i don't know if that's the case i

2767

01:43:02,310 --> 01:42:57,679

know that seems like a cop out but

2768

01:43:08,070 --> 01:43:05,510

really interested in the whole aoi

2769

01:43:10,229 --> 01:43:08,080

aio msg

2770

01:43:12,790 --> 01:43:10,239

aeiou and if the pentagon is going to

2771

01:43:15,109 --> 01:43:12,800

successfully take over that operational

2772

01:43:15,990 --> 01:43:15,119

responsibility as lou said recently he

2773

01:43:18,310 --> 01:43:16,000

said

2774

01:43:20,070 --> 01:43:18,320

the worry was that office you know the

2775

01:43:21,350 --> 01:43:20,080

office of the under secretary of defense

2776

01:43:23,350 --> 01:43:21,360

for intelligence

2777

01:43:24,950 --> 01:43:23,360

i think they've added security to that

2778

01:43:27,270 --> 01:43:24,960

name um

2779

01:43:29,510 --> 01:43:27,280

oh usdi

2780

01:43:30,870 --> 01:43:29,520

there actually he said lu said they're

2781

01:43:32,629 --> 01:43:30,880

actually

2782

01:43:35,030 --> 01:43:32,639

getting with the program lately so

2783

01:43:36,870 --> 01:43:35,040

that's good news the folks he was really

2784

01:43:39,189 --> 01:43:36,880

worried about maybe they see the writing

2785

01:43:40,629 --> 01:43:39,199

on the wall now that congress is focused

2786

01:43:43,510 --> 01:43:40,639

on them as long as congress stays on

2787

01:43:45,590 --> 01:43:43,520

this and like you know we saw with

2788

01:43:47,750 --> 01:43:45,600

senator gillibrand you know talking with

2789

01:43:48,870 --> 01:43:47,760

the guy who was up for the new

2790

01:43:51,189 --> 01:43:48,880

um

2791

01:43:54,070 --> 01:43:51,199

inspector general you know she grilled

2792

01:43:57,510 --> 01:43:54,080

him she's like before

2793

01:43:59,189 --> 01:43:57,520

before you are you are if you know

2794

01:44:01,270 --> 01:43:59,199

before you become the new attorney

2795

01:44:03,430 --> 01:44:01,280

inspector general you need to have the

2796

01:44:05,910 --> 01:44:03,440

answer to those two questions about the

2797

01:44:08,470 --> 01:44:05,920

dod and how they've handled the uaps in

2798

01:44:10,310 --> 01:44:08,480

writing to me before we vote so as long

2799

01:44:12,550 --> 01:44:10,320

as she stays on it and other folks stay

2800

01:44:14,149 --> 01:44:12,560

on it then maybe the ousdi is going to

2801
01:44:16,550 --> 01:44:14,159
be like you know we really can't ignore

2802
01:44:23,189 --> 01:44:16,560
this anymore we can't you know up

2803
01:44:27,350 --> 01:44:25,430
is will you be asking lou if there's a

2804
01:44:28,790 --> 01:44:27,360
point when topics like skin walk or

2805
01:44:30,229 --> 01:44:28,800
hitchhiker remote viewing will enter the

2806
01:44:31,669 --> 01:44:30,239
discussion in congress mainstream

2807
01:44:32,310 --> 01:44:31,679
discussions

2808
01:44:36,550 --> 01:44:32,320
i

2809
01:44:39,830 --> 01:44:38,310
part of that already has entered the

2810
01:44:42,950 --> 01:44:39,840
language when they're talking about

2811
01:44:44,470 --> 01:44:42,960
human related effects um because

2812
01:44:46,229 --> 01:44:44,480
if they do it the right way and they

2813
01:44:49,750 --> 01:44:46,239

spend time with the witnesses who do

2814

01:44:51,750 --> 01:44:49,760

have human related effects from uap

2815

01:44:53,750 --> 01:44:51,760

they're going to get those stories it's

2816

01:44:55,189 --> 01:44:53,760

just part of it if there are people who

2817

01:44:56,950 --> 01:44:55,199

have had close encounters there's going

2818

01:44:59,590 --> 01:44:56,960

to be poltergeist activity in some of

2819

01:45:01,510 --> 01:44:59,600

those folks that's just how it is

2820

01:45:03,189 --> 01:45:01,520

column keller talked about

2821

01:45:05,669 --> 01:45:03,199

hessdalen and norway and he also talked

2822

01:45:07,510 --> 01:45:05,679

about malmstrom and he said those folks

2823

01:45:09,030 --> 01:45:07,520

in the area they had

2824

01:45:11,350 --> 01:45:09,040

not just ufo sightings they had the

2825

01:45:14,550 --> 01:45:11,360

poltergeist activity that kind of shadow

2826

01:45:16,070 --> 01:45:14,560

beings it happens everywhere it's just

2827

01:45:18,229 --> 01:45:16,080

whether or not they start talking about

2828

01:45:20,149 --> 01:45:18,239

it openly in congress i think that's a

2829

01:45:22,310 --> 01:45:20,159

ways down the road

2830

01:45:24,390 --> 01:45:22,320

let's just get to where we are right now

2831

01:45:26,070 --> 01:45:24,400

and see what happens

2832

01:45:28,070 --> 01:45:26,080

obviously if the witnesses are able to

2833

01:45:29,669 --> 01:45:28,080

speak freely then it's going to come up

2834

01:45:31,030 --> 01:45:29,679

but even those witnesses may not want to

2835

01:45:32,870 --> 01:45:31,040

bring it up and you know they don't want

2836

01:45:35,910 --> 01:45:32,880

to hurt their credibility at this point

2837

01:45:41,750 --> 01:45:35,920

it's still stigma with ufos let alone

2838

01:45:45,270 --> 01:45:43,590

have any of the people you interviewed

2839

01:45:47,510 --> 01:45:45,280

ever been threatened for covering these

2840

01:45:49,109 --> 01:45:47,520

broad range of topics no

2841

01:45:50,310 --> 01:45:49,119

i've never heard of anybody threatened

2842

01:45:52,390 --> 01:45:50,320

or have you been discouraged from

2843

01:45:53,910 --> 01:45:52,400

touching certain topics the only thing

2844

01:45:56,629 --> 01:45:53,920

i'll say is

2845

01:45:59,109 --> 01:45:56,639

somebody did suggest that i don't use

2846

01:46:01,109 --> 01:45:59,119

specific names when talking about the

2847

01:46:03,669 --> 01:46:01,119

air force and the collins elite

2848

01:46:06,229 --> 01:46:03,679

evangelical types because

2849

01:46:08,470 --> 01:46:06,239

for me it's smart evidence

2850

01:46:10,550 --> 01:46:08,480

it's smart advice because i mean i don't

2851

01:46:13,109 --> 01:46:10,560

have i don't have evidence that those

2852

01:46:15,270 --> 01:46:13,119

specific people are part of the problem

2853

01:46:17,030 --> 01:46:15,280

so

2854

01:46:18,870 --> 01:46:17,040

it's just not smart to be mentioning

2855

01:46:20,709 --> 01:46:18,880

names like that but

2856

01:46:22,629 --> 01:46:20,719

nobody has warned me off or discouraged

2857

01:46:24,550 --> 01:46:22,639

me from talking about anything that i

2858

01:46:26,870 --> 01:46:24,560

can think of i'm trying to think

2859

01:46:29,189 --> 01:46:26,880

no just you know just not use just not

2860

01:46:31,189 --> 01:46:29,199

to use specific names

2861

01:46:38,070 --> 01:46:31,199

man i am really far behind on these

2862

01:46:38,080 --> 01:46:41,430

let's see

2863

01:46:44,390 --> 01:46:42,950

they since they claim that's the group

2864

01:46:45,830 --> 01:46:44,400

they intend to use to achieve the

2865

01:46:47,189 --> 01:46:45,840

defense bill's requirements yeah we'll

2866

01:46:48,790 --> 01:46:47,199

see if that

2867

01:46:50,629 --> 01:46:48,800

aoi group

2868

01:46:52,229 --> 01:46:50,639

is the one it's fine i don't care what

2869

01:46:53,830 --> 01:46:52,239

it's called i don't care what group i

2870

01:46:55,750 --> 01:46:53,840

don't care where it is as long as they

2871

01:46:57,830 --> 01:46:55,760

do what they what they're supposed to do

2872

01:46:59,189 --> 01:46:57,840

that's all that matters and as long as

2873

01:47:01,030 --> 01:46:59,199

congress stays on them they're gonna

2874

01:47:02,470 --> 01:47:01,040

have to do it if they don't i mean it

2875

01:47:04,709 --> 01:47:02,480

they could drag it out a little bit

2876

01:47:08,550 --> 01:47:04,719

which sucks but eventually as long as

2877

01:47:10,629 --> 01:47:08,560

gillibrand and rubio and and

2878

01:47:11,990 --> 01:47:10,639

gallego don't lose interest we'll get to

2879

01:47:13,830 --> 01:47:12,000

where we want to go just may take a

2880

01:47:14,790 --> 01:47:13,840

little more time

2881

01:47:16,390 --> 01:47:14,800

what do you think about what happened

2882

01:47:18,790 --> 01:47:16,400

with the cnn interview about the tic tac

2883

01:47:26,390 --> 01:47:18,800

in the 60s that skyford claim was a cia

2884

01:47:31,270 --> 01:47:28,790

sky 4 claim was a cia report i mean you

2885

01:47:32,790 --> 01:47:31,280

talk about what lou talked about

2886

01:47:34,790 --> 01:47:32,800

um he said it was

2887

01:47:37,109 --> 01:47:34,800

declassified recently i haven't launched

2888

01:47:37,990 --> 01:47:37,119

the green straight green green walls

2889

01:47:40,950 --> 01:47:38,000

video

2890

01:47:42,390 --> 01:47:40,960

um

2891

01:47:44,629 --> 01:47:42,400

i think they're making a bigger thing a

2892

01:47:48,390 --> 01:47:44,639

deal out of that blue made a mistake

2893

01:47:52,390 --> 01:47:50,390

and people make mistakes and people

2894

01:47:54,149 --> 01:47:52,400

think it's some psy up and lose lying to

2895

01:47:56,149 --> 01:47:54,159

us and you per it's like why would you

2896

01:47:58,229 --> 01:47:56,159

purposely lie when it's so easy he

2897

01:47:59,430 --> 01:47:58,239

obviously did not realize that document

2898

01:48:00,629 --> 01:47:59,440

had been if you're talking about the

2899

01:48:02,950 --> 01:48:00,639

same document

2900

01:48:05,109 --> 01:48:02,960

uh with et communication maybe i'm

2901

01:48:06,709 --> 01:48:05,119

thinking about something different

2902

01:48:08,390 --> 01:48:06,719

people who are intent on digging up dirt

2903

01:48:09,990 --> 01:48:08,400

on lulu need to yeah it's like it's just

2904

01:48:12,390 --> 01:48:10,000

like come on

2905

01:48:14,550 --> 01:48:12,400

him and melon as much as i disagree with

2906

01:48:16,550 --> 01:48:14,560

melon and lou on various things over the

2907

01:48:18,550 --> 01:48:16,560

years but so what

2908

01:48:20,390 --> 01:48:18,560

look at the work they're doing i mean

2909

01:48:22,709 --> 01:48:20,400

there are still people who think they're

2910

01:48:24,870 --> 01:48:22,719

both part of a psyop and

2911

01:48:26,470 --> 01:48:24,880

or lou is being fooled by people in the

2912

01:48:28,709 --> 01:48:26,480

government who are carrying out a psyop

2913

01:48:29,910 --> 01:48:28,719

and lou doesn't realize it

2914

01:48:31,830 --> 01:48:29,920

do you think the nuts and bolts are

2915

01:48:36,149 --> 01:48:31,840

related to the poltergeist incidents or

2916

01:48:38,629 --> 01:48:36,780

um

2917

01:48:40,310 --> 01:48:38,639

[Music]

2918

01:48:41,910 --> 01:48:40,320

it depends on if the nuts and bolts are

2919

01:48:44,310 --> 01:48:41,920

how the nuts and bolts are created i

2920

01:48:45,669 --> 01:48:44,320

mean if it's regular manufacturing no

2921

01:48:47,910 --> 01:48:45,679

but if it's

2922

01:48:49,109 --> 01:48:47,920

something that can create a craft out of

2923

01:48:50,550 --> 01:48:49,119

thin air

2924

01:48:52,790 --> 01:48:50,560

then maybe that's connected to the

2925

01:48:55,750 --> 01:48:52,800

poltergeist i mean that's really it is a

2926

01:48:57,669 --> 01:48:55,760

really huge question um just

2927

01:48:59,109 --> 01:48:57,679

for whatever reason

2928

01:49:00,950 --> 01:48:59,119

whenever people come close to these

2929

01:49:03,510 --> 01:49:00,960

craft and whether or not they are true

2930

01:49:04,470 --> 01:49:03,520

nuts and bolts craft i don't know

2931

01:49:06,070 --> 01:49:04,480

um

2932

01:49:07,590 --> 01:49:06,080

i was listening to somebody talk about

2933

01:49:09,830 --> 01:49:07,600

seances today when the physical

2934

01:49:12,229 --> 01:49:09,840

mediumship that goes on in a seance room

2935

01:49:15,030 --> 01:49:12,239

where the objects in the room just fly

2936

01:49:17,109 --> 01:49:15,040

up and down so fast they fly around the

2937

01:49:18,870 --> 01:49:17,119

room they don't hit anybody in the head

2938

01:49:21,109 --> 01:49:18,880

it's in pitch darkness

2939

01:49:22,709 --> 01:49:21,119

um

2940

01:49:23,910 --> 01:49:22,719

similar to your ufo

2941

01:49:25,510 --> 01:49:23,920

but you know i don't know if they're

2942

01:49:27,589 --> 01:49:25,520

connected or not i've made that

2943

01:49:29,669 --> 01:49:27,599

speculation that some of the poltergeist

2944

01:49:31,910 --> 01:49:29,679

activity and the

2945

01:49:34,390 --> 01:49:31,920

the beings from another dimension might

2946

01:49:36,070 --> 01:49:34,400

be the same beings in a in a seance but

2947

01:49:37,270 --> 01:49:36,080

as far as

2948

01:49:40,390 --> 01:49:37,280

connecting

2949

01:49:41,510 --> 01:49:40,400

to nuts and bolts i'm not sure

2950

01:49:43,270 --> 01:49:41,520

and now i'm talking too much and

2951
01:49:44,629 --> 01:49:43,280
starting to get lightheaded also i think

2952
01:49:45,990 --> 01:49:44,639
she asked a little about close

2953
01:49:49,109 --> 01:49:46,000
encounters what he said in gq was

2954
01:49:52,470 --> 01:49:50,709
the movie i don't wanna yeah i don't

2955
01:49:57,830 --> 01:49:52,480
i'll i i need to ask him about his own

2956
01:50:01,149 --> 01:49:59,830
close encounters was the first one i saw

2957
01:50:06,950 --> 01:50:01,159
when i was

2958
01:50:11,030 --> 01:50:09,510
sh shelley says i love you

2959
01:50:12,629 --> 01:50:11,040
say hearing you say that but i don't

2960
01:50:13,669 --> 01:50:12,639
know what you're talking about what did

2961
01:50:14,629 --> 01:50:13,679
i say

2962
01:50:16,470 --> 01:50:14,639
um

2963
01:50:18,310 --> 01:50:16,480

not trying to get you to bulge your

2964

01:50:20,310 --> 01:50:18,320

questions early yeah i'm not going to

2965

01:50:22,070 --> 01:50:20,320

but do you want to bring up in a clever

2966

01:50:24,629 --> 01:50:22,080

way that delong's timeline will louis

2967

01:50:25,350 --> 01:50:24,639

louise is in anyway

2968

01:50:31,270 --> 01:50:25,360

no

2969

01:50:34,790 --> 01:50:31,280

um because he's gonna say that's what

2970

01:50:36,830 --> 01:50:34,800

tom did and i can't talk speak for tom

2971

01:50:40,470 --> 01:50:36,840

um the long timeline will louise in any

2972

01:50:42,310 --> 01:50:40,480

capacity in his contacts

2973

01:50:43,910 --> 01:50:42,320

i mean i could bring up mccaslin but i

2974

01:50:45,910 --> 01:50:43,920

don't think lou's gonna talk about that

2975

01:50:49,669 --> 01:50:45,920

so he doesn't like talking about other

2976

01:50:58,870 --> 01:50:49,679

people unless he has their okay so

2977

01:51:02,229 --> 01:51:00,550

he's not going to speak for tom that's

2978

01:51:03,750 --> 01:51:02,239

the one thing so i wouldn't spend a

2979

01:51:05,270 --> 01:51:03,760

question on that i don't think lou is

2980

01:51:08,310 --> 01:51:05,280

part of that

2981

01:51:10,709 --> 01:51:08,320

beginning

2982

01:51:12,470 --> 01:51:10,719

um he was asked later if somehow just

2983

01:51:14,310 --> 01:51:12,480

let's say for argument's sake lou was

2984

01:51:15,669 --> 01:51:14,320

part of the beginning and never told us

2985

01:51:17,750 --> 01:51:15,679

i don't think he would admit it at this

2986

01:51:23,030 --> 01:51:17,760

point but i don't think he was

2987

01:51:27,669 --> 01:51:25,589

i've never done ce5 i've never done a

2988

01:51:29,430 --> 01:51:27,679

seance but i know i know a decent amount

2989

01:51:32,149 --> 01:51:29,440

about seances because i love physical

2990

01:51:35,189 --> 01:51:32,159

mediumship um

2991

01:51:36,870 --> 01:51:35,199

i don't know i don't know

2992

01:51:38,870 --> 01:51:36,880

if there's a if there's a similarity

2993

01:51:40,790 --> 01:51:38,880

between ce5 and a sans but the

2994

01:51:42,790 --> 01:51:40,800

similarities i do see is with

2995

01:51:44,070 --> 01:51:42,800

poltergeist activity

2996

01:51:46,470 --> 01:51:44,080

um

2997

01:51:48,550 --> 01:51:46,480

a lot of times the phenomena takes a

2998

01:51:50,070 --> 01:51:48,560

while to build up

2999

01:51:51,750 --> 01:51:50,080

come up

3000

01:51:53,589 --> 01:51:51,760

come on

3001
01:51:54,870 --> 01:51:53,599
the phenomena

3002
01:51:56,709 --> 01:51:54,880
he's not supposed to be on camera

3003
01:51:58,870 --> 01:51:56,719
because he needs a grooming

3004
01:52:01,270 --> 01:51:58,880
but he's here so

3005
01:52:02,950 --> 01:52:01,280
look at that guy he needs a grooming so

3006
01:52:05,109 --> 01:52:02,960
bad right

3007
01:52:07,589 --> 01:52:05,119
it's been so long

3008
01:52:09,910 --> 01:52:07,599
he's so overgrown um

3009
01:52:11,990 --> 01:52:09,920
so poltergeist

3010
01:52:13,350 --> 01:52:12,000
the the stuff starts out like just

3011
01:52:15,510 --> 01:52:13,360
light tapping and it builds and it

3012
01:52:16,950 --> 01:52:15,520
builds and it builds over time um

3013
01:52:18,229 --> 01:52:16,960

seances are like that too physical

3014

01:52:19,189 --> 01:52:18,239

mediumship

3015

01:52:21,030 --> 01:52:19,199

so

3016

01:52:22,470 --> 01:52:21,040

it starts off with very basic phenomena

3017

01:52:26,229 --> 01:52:22,480

and

3018

01:52:28,470 --> 01:52:26,239

builds up

3019

01:52:30,550 --> 01:52:28,480

more and more and more so there may be a

3020

01:52:31,990 --> 01:52:30,560

connection there paul eno says he thinks

3021

01:52:34,470 --> 01:52:32,000

with the poltergeist activity it starts

3022

01:52:36,470 --> 01:52:34,480

off very little it scares you with

3023

01:52:39,109 --> 01:52:36,480

little knocking in the walls you get

3024

01:52:40,629 --> 01:52:39,119

fearful it feeds off that energy of fear

3025

01:52:42,390 --> 01:52:40,639

and then it gets worse and worse and it

3026
01:52:44,390 --> 01:52:42,400
feeds off and it gets stronger you know

3027
01:52:47,589 --> 01:52:44,400
i do that theory does interest me that

3028
01:52:50,149 --> 01:52:47,599
there are parasites um

3029
01:52:51,189 --> 01:52:50,159
all right you gotta go

3030
01:52:53,510 --> 01:52:51,199
um

3031
01:52:55,189 --> 01:52:53,520
not demons but

3032
01:52:56,790 --> 01:52:55,199
uh he's not the first one that said

3033
01:52:58,390 --> 01:52:56,800
these things feed off of negative

3034
01:52:59,669 --> 01:52:58,400
negative energy there's been a long line

3035
01:53:04,070 --> 01:52:59,679
of people over the years who have said

3036
01:53:09,350 --> 01:53:06,470
yeah i don't think uh lou is gonna talk

3037
01:53:10,870 --> 01:53:09,360
about life forms but like i said there

3038
01:53:12,470 --> 01:53:10,880

are ways to ask certain questions and i

3039

01:53:15,910 --> 01:53:12,480

do have some

3040

01:53:18,950 --> 01:53:15,920

in my head that i'll have written down

3041

01:53:24,550 --> 01:53:21,350

yeah valet didn't think the ending was

3042

01:53:29,189 --> 01:53:24,560

you know he doesn't think they're ets so

3043

01:53:32,229 --> 01:53:30,550

oh lou said i don't think you have to

3044

01:53:34,310 --> 01:53:32,239

contact anybody right now except to

3045

01:53:35,510 --> 01:53:34,320

thank these folks for doing what they're

3046

01:53:38,950 --> 01:53:35,520

doing you can write a letter to

3047

01:53:40,550 --> 01:53:38,960

gillibrand rubio gallego all those folks

3048

01:53:42,550 --> 01:53:40,560

and just say thank you for doing that

3049

01:53:43,990 --> 01:53:42,560

that's what lou suggested he didn't say

3050

01:53:46,229 --> 01:53:44,000

you don't need to get on the case or

3051

01:53:49,510 --> 01:53:46,239

anything like that to do this we have

3052

01:53:50,709 --> 01:53:49,520

the andy ndaa was passed so just contact

3053

01:53:52,229 --> 01:53:50,719

them and thank them for sticking their

3054

01:53:54,229 --> 01:53:52,239

necks out and talking about a subject

3055

01:53:56,229 --> 01:53:54,239

that is tough you know melon gave them

3056

01:53:58,870 --> 01:53:56,239

an out by saying this is about national

3057

01:54:00,550 --> 01:53:58,880

security and about flight safety so they

3058

01:54:03,030 --> 01:54:00,560

can start out with that we'll get to the

3059

01:54:05,109 --> 01:54:03,040

other stuff down the road um if those if

3060

01:54:07,109 --> 01:54:05,119

the 23 minute video or some video is

3061

01:54:08,470 --> 01:54:07,119

showing 90 degree turns

3062

01:54:09,990 --> 01:54:08,480

um

3063

01:54:11,589 --> 01:54:10,000

ever get out then we can go from there

3064

01:54:13,030 --> 01:54:11,599

and hopefully as lou said people will

3065

01:54:14,629 --> 01:54:13,040

realize on their own that we're dealing

3066

01:54:16,229 --> 01:54:14,639

with something that's not

3067

01:54:17,510 --> 01:54:16,239

it's not an adversary and it's not our

3068

01:54:18,790 --> 01:54:17,520

tech

3069

01:54:20,390 --> 01:54:18,800

yes cookie

3070

01:54:22,790 --> 01:54:20,400

cookie is camera ready but he definitely

3071

01:54:24,950 --> 01:54:22,800

needs a grooming um

3072

01:54:30,310 --> 01:54:24,960

what do you think about

3073

01:54:34,149 --> 01:54:31,830

i don't know i mean a lot of things

3074

01:54:35,830 --> 01:54:34,159

delong says i don't think the long lies

3075

01:54:38,629 --> 01:54:35,840

i think the long tell stories of

3076

01:54:39,910 --> 01:54:38,639

information he's been told um whether or

3077

01:54:42,149 --> 01:54:39,920

not he's been told the truth i don't

3078

01:54:44,149 --> 01:54:42,159

know but if tom says like so-and-so met

3079

01:54:45,430 --> 01:54:44,159

with me and told me this i believe it

3080

01:54:50,629 --> 01:54:45,440

the question is did they tell him the

3081

01:54:53,350 --> 01:54:50,639

truth so there's no way to know that um

3082

01:54:55,109 --> 01:54:53,360

i do hope he gets you know i hope his

3083

01:54:56,550 --> 01:54:55,119

movie does well and they make a ton of

3084

01:54:58,790 --> 01:54:56,560

money off of that and not because i own

3085

01:55:02,390 --> 01:54:58,800

stock because i own 250 in stock big

3086

01:55:04,870 --> 01:55:02,400

deal i want them to be successful

3087

01:55:06,950 --> 01:55:04,880

oh yes the connected i think there's a

3088

01:55:09,109 --> 01:55:06,960

connection i don't know about ce5 but i

3089

01:55:11,910 --> 01:55:09,119

think seances and

3090

01:55:15,510 --> 01:55:11,920

poltergeist activity and ufos because

3091

01:55:17,510 --> 01:55:15,520

paul eno said they were in the 70s 73

3092

01:55:19,830 --> 01:55:17,520

walker thank you very much thank you

3093

01:55:20,950 --> 01:55:19,840

thank you thank you thank you

3094

01:55:22,709 --> 01:55:20,960

um

3095

01:55:25,510 --> 01:55:22,719

i appreciate that

3096

01:55:27,669 --> 01:55:25,520

paul eno in the 70s said in 1973 he was

3097

01:55:29,750 --> 01:55:27,679

involved with a priest who was doing

3098

01:55:31,350 --> 01:55:29,760

possessions uh five out of the

3099

01:55:33,510 --> 01:55:31,360

possession i think it was five out of

3100

01:55:34,390 --> 01:55:33,520

the seven possession cases

3101
01:55:36,149 --> 01:55:34,400
had

3102
01:55:38,149 --> 01:55:36,159
close encounters with you know some of

3103
01:55:39,430 --> 01:55:38,159
them look like grays so there might be a

3104
01:55:41,589 --> 01:55:39,440
connection between

3105
01:55:44,470 --> 01:55:41,599
abductions and possession it might be

3106
01:55:46,709 --> 01:55:44,480
the same type of beings um

3107
01:55:48,629 --> 01:55:46,719
i am going to interview paul you know

3108
01:55:50,149 --> 01:55:48,639
and it's going to be

3109
01:55:51,589 --> 01:55:50,159
that's that's i'm look i'm looking

3110
01:55:53,830 --> 01:55:51,599
forward to that hopefully he will come

3111
01:55:55,510 --> 01:55:53,840
on and let me talk to him because i am

3112
01:55:57,589 --> 01:55:55,520
in the same a lot of what he says i

3113
01:55:59,830 --> 01:55:57,599

agree with

3114

01:56:02,390 --> 01:55:59,840

as far as theories it's all still a

3115

01:56:06,149 --> 01:56:02,400

theory so just remember that

3116

01:56:11,830 --> 01:56:07,669

i'm sorry if i haven't gone to every

3117

01:56:14,629 --> 01:56:13,270

yeah i don't know

3118

01:56:16,790 --> 01:56:14,639

if tom

3119

01:56:18,310 --> 01:56:16,800

i don't know i mean

3120

01:56:20,950 --> 01:56:18,320

you know some people talk about how

3121

01:56:22,390 --> 01:56:20,960

they're trying to communicate with us

3122

01:56:24,870 --> 01:56:22,400

trying to send us a message trying to

3123

01:56:26,790 --> 01:56:24,880

get us to evolve to a certain level by

3124

01:56:29,030 --> 01:56:26,800

sending us symbolic messages and then

3125

01:56:31,830 --> 01:56:29,040

you have people like tom saying

3126

01:56:32,550 --> 01:56:31,840

you know it's all bad news um

3127

01:56:37,030 --> 01:56:32,560

the

3128

01:56:39,510 --> 01:56:37,040

i'm open to all that i just wish i knew

3129

01:56:40,629 --> 01:56:39,520

which one it was i don't know

3130

01:56:42,629 --> 01:56:40,639

um

3131

01:56:47,270 --> 01:56:42,639

curious to see the next war book with

3132

01:56:53,589 --> 01:56:48,950

i don't think yeah it's i think it's a

3133

01:56:55,109 --> 01:56:53,599

wasted question no offense uip i mean

3134

01:56:57,589 --> 01:56:55,119

um

3135

01:56:59,830 --> 01:56:57,599

i don't think he's gonna say

3136

01:57:02,870 --> 01:56:59,840

i you know maybe he might answer how

3137

01:57:05,669 --> 01:57:02,880

much how much investigating like

3138

01:57:08,870 --> 01:57:05,679

days weeks

3139

01:57:10,390 --> 01:57:08,880

you know have you done on roswell

3140

01:57:12,629 --> 01:57:10,400

i mean for me for lewd to say he

3141

01:57:14,629 --> 01:57:12,639

believes roswell 100 you know eric davis

3142

01:57:15,830 --> 01:57:14,639

has said it um then you have marek who's

3143

01:57:17,270 --> 01:57:15,840

written the articles for the hill he's

3144

01:57:19,350 --> 01:57:17,280

like i don't believe it and he quoted

3145

01:57:22,229 --> 01:57:19,360

from the air force report and then he

3146

01:57:25,589 --> 01:57:22,239

quoted from another guy carl flock

3147

01:57:29,189 --> 01:57:27,270

i wish i could interview davis because

3148

01:57:30,709 --> 01:57:29,199

he would be the one to ask

3149

01:57:34,149 --> 01:57:30,719

because he would go further than lou

3150

01:57:37,589 --> 01:57:35,430

and thank you for the comments about

3151
01:57:39,030 --> 01:57:37,599
cookie he is 10 years old and still acts

3152
01:57:40,390 --> 01:57:39,040
like a puppy i don't know when he's

3153
01:57:41,430 --> 01:57:40,400
going to slow down i mean they don't

3154
01:57:46,070 --> 01:57:41,440
live

3155
01:57:48,629 --> 01:57:47,350
yeah i don't

3156
01:57:51,030 --> 01:57:48,639
and and

3157
01:57:52,229 --> 01:57:51,040
and that's why i don't do ce4 i don't

3158
01:57:53,750 --> 01:57:52,239
want to have a close encounter i don't

3159
01:57:56,470 --> 01:57:53,760
want anything to be complicated because

3160
01:57:59,030 --> 01:57:56,480
my life is enough is enough to

3161
01:58:00,149 --> 01:57:59,040
to be concerned about and deal with

3162
01:58:03,350 --> 01:58:00,159
every day

3163
01:58:12,070 --> 01:58:05,109

um

3164

01:58:15,510 --> 01:58:13,589

that's

3165

01:58:16,950 --> 01:58:15,520

yeah

3166

01:58:18,470 --> 01:58:16,960

i saw some of it today i watched a

3167

01:58:20,709 --> 01:58:18,480

little bit more of it yeah he has a lot

3168

01:58:21,910 --> 01:58:20,719

of information on roswell

3169

01:58:24,149 --> 01:58:21,920

him and

3170

01:58:25,830 --> 01:58:24,159

kevin

3171

01:58:27,510 --> 01:58:25,840

randall have done shows together

3172

01:58:29,350 --> 01:58:27,520

together too recently i'm not sure if

3173

01:58:30,709 --> 01:58:29,360

tom carrey and

3174

01:58:34,470 --> 01:58:30,719

and schmidt have done shows together

3175

01:58:39,109 --> 01:58:36,149

that's what i want

3176

01:58:40,950 --> 01:58:39,119

to do tell us what

3177

01:58:42,470 --> 01:58:40,960

you know he's he did that with jimmy

3178

01:58:43,990 --> 01:58:42,480

church in that event i have that

3179

01:58:44,950 --> 01:58:44,000

transcript he did a little more than

3180

01:58:45,910 --> 01:58:44,960

normal

3181

01:58:48,470 --> 01:58:45,920

um

3182

01:58:49,189 --> 01:58:48,480

church pushed him which was good

3183

01:58:50,709 --> 01:58:49,199

but

3184

01:58:52,390 --> 01:58:50,719

you know it's like

3185

01:58:54,310 --> 01:58:52,400

why can't he say

3186

01:58:56,229 --> 01:58:54,320

there's a craft that makes a right hand

3187

01:58:57,589 --> 01:58:56,239

you know a right angle turn and stops on

3188

01:59:03,350 --> 01:58:57,599

a dime i don't understand i mean i

3189

01:59:06,629 --> 01:59:04,790

the phenomenon's like a diamond

3190

01:59:08,870 --> 01:59:06,639

different facets being different topics

3191

01:59:10,390 --> 01:59:08,880

nuts and bolts crypto nda's all the way

3192

01:59:11,990 --> 01:59:10,400

turning diamond around we begin to

3193

01:59:13,669 --> 01:59:12,000

understand everything is connected and

3194

01:59:15,270 --> 01:59:13,679

it may all be connected or maybe a whole

3195

01:59:16,870 --> 01:59:15,280

bunch of different intelligences but the

3196

01:59:19,189 --> 01:59:16,880

connection is they're all coming through

3197

01:59:21,589 --> 01:59:19,199

some some sort of portal some sort of

3198

01:59:23,270 --> 01:59:21,599

way to get into our world you know the

3199

01:59:25,030 --> 01:59:23,280

multiverse they have a way of getting

3200

01:59:27,270 --> 01:59:25,040

into this world or maybe that's how all

3201

01:59:28,870 --> 01:59:27,280

worlds are it just happens or maybe

3202

01:59:31,030 --> 01:59:28,880

certain areas of the country or the

3203

01:59:33,430 --> 01:59:31,040

world or where the

3204

01:59:35,189 --> 01:59:33,440

what's the word the um the veil is

3205

01:59:38,149 --> 01:59:35,199

thinner where they can you know where we

3206

01:59:40,310 --> 01:59:38,159

where it's different worlds you know

3207

01:59:43,990 --> 01:59:40,320

interact or what's the word intersect

3208

01:59:46,790 --> 01:59:45,350

there's too many questions for me to get

3209

01:59:48,310 --> 01:59:46,800

to i'm gonna i'm gonna

3210

01:59:50,390 --> 01:59:48,320

get

3211

01:59:52,790 --> 01:59:50,400

going here two hours i didn't think i

3212

01:59:56,950 --> 01:59:52,800

would go two hours but i appreciate

3213

02:00:00,790 --> 01:59:58,950

yeah it's not the uap it's

3214

02:00:02,390 --> 02:00:00,800

it's the other stuff but there's also

3215

02:00:03,830 --> 02:00:02,400

information that's classified but

3216

02:00:07,030 --> 02:00:03,840

there's also information that's

3217

02:00:08,390 --> 02:00:07,040

considered sensitive so it's like

3218

02:00:09,350 --> 02:00:08,400

i would like that information to be

3219

02:00:12,470 --> 02:00:09,360

shared

3220

02:00:17,350 --> 02:00:15,430

but it's not at least it's not yet

3221

02:00:19,669 --> 02:00:17,360

we need to get the

3222

02:00:21,830 --> 02:00:19,679

inspector general to give lou

3223

02:00:23,030 --> 02:00:21,840

some uh maybe they have privately like

3224

02:00:24,310 --> 02:00:23,040

you know

3225

02:00:26,390 --> 02:00:24,320

you can talk about this don't worry

3226
02:00:27,990 --> 02:00:26,400
about losing your clearance this is okay

3227
02:00:29,910 --> 02:00:28,000
to talk about

3228
02:00:32,229 --> 02:00:29,920
because i think he's probably gotten

3229
02:00:34,149 --> 02:00:32,239
threatened if he talks about x y and z

3230
02:00:36,070 --> 02:00:34,159
that'll lose his clearance but some of x

3231
02:00:45,830 --> 02:00:36,080
y and z are not classified or should not

3232
02:00:49,350 --> 02:00:47,430
oh yeah

3233
02:00:50,390 --> 02:00:49,360
i'm definitely not full of crap but i

3234
02:00:52,550 --> 02:00:50,400
may be

3235
02:00:54,229 --> 02:00:52,560
unhealthily obs

3236
02:00:56,870 --> 02:00:54,239
i may have an unhealthy obsession with

3237
02:01:03,830 --> 02:00:56,880
this subject

3238
02:01:08,950 --> 02:01:05,589

thanks walker yeah the little interviews

3239

02:01:10,390 --> 02:01:08,960

uh i have to prepare for that

3240

02:01:13,109 --> 02:01:10,400

and make sure

3241

02:01:15,030 --> 02:01:13,119

i have at least let him at least have

3242

02:01:17,589 --> 02:01:15,040

him cover some new ground

3243

02:01:23,430 --> 02:01:17,599

if you could pick up and that was

3244

02:01:27,669 --> 02:01:25,510

if you could pick up if you could pick

3245

02:01:31,109 --> 02:01:27,679

uh having a ufo video to classify what

3246

02:01:35,109 --> 02:01:33,350

i would say the 23 minute video that lou

3247

02:01:37,350 --> 02:01:35,119

has spoken about

3248

02:01:39,750 --> 02:01:37,360

in various interviews which

3249

02:01:41,589 --> 02:01:39,760

he said if that video gets out which he

3250

02:01:43,350 --> 02:01:41,599

hopes it will be it will be game over

3251

02:01:45,430 --> 02:01:43,360

people will realize this is not our

3252

02:01:47,189 --> 02:01:45,440

technology and it's not adversarial

3253

02:01:49,189 --> 02:01:47,199

technology i think that's why you see

3254

02:01:50,629 --> 02:01:49,199

congress move i think those folks have

3255

02:01:52,149 --> 02:01:50,639

seen those videos

3256

02:01:53,750 --> 02:01:52,159

remember these folks in these

3257

02:01:55,750 --> 02:01:53,760

intelligence communities they have

3258

02:01:57,109 --> 02:01:55,760

special you know top secret sei

3259

02:01:59,270 --> 02:01:57,119

clearances and a lot of their staff

3260

02:02:01,990 --> 02:01:59,280

members too so they could see it too and

3261

02:02:03,910 --> 02:02:02,000

as lou said gillibrand staff is really

3262

02:02:05,669 --> 02:02:03,920

bright that tells you the staff there

3263

02:02:07,910 --> 02:02:05,679

may be somebody on gillibrand's staff

3264

02:02:09,830 --> 02:02:07,920

who's who has her ear who was telling

3265

02:02:11,669 --> 02:02:09,840

her this is a this is one of the most

3266

02:02:13,910 --> 02:02:11,679

important subjects in the history of

3267

02:02:15,030 --> 02:02:13,920

humanity this is obviously not our

3268

02:02:16,950 --> 02:02:15,040

technology

3269

02:02:18,709 --> 02:02:16,960

this is a winning formula for you in

3270

02:02:21,189 --> 02:02:18,719

2000 remember that's going to be part of

3271

02:02:22,550 --> 02:02:21,199

her thinking too which is fine 2024

3272

02:02:24,550 --> 02:02:22,560

she's going to run again i don't think

3273

02:02:25,750 --> 02:02:24,560

she's going to win president but

3274

02:02:27,510 --> 02:02:25,760

um

3275

02:02:28,629 --> 02:02:27,520

she could i mean depends on who she goes

3276

02:02:30,709 --> 02:02:28,639

up against

3277

02:02:33,030 --> 02:02:30,719

depends if biden doesn't run it could be

3278

02:02:39,109 --> 02:02:33,040

if biden doesn't run it could be uh

3279

02:02:43,669 --> 02:02:41,830

that's another idea let us see video i i

3280

02:02:46,149 --> 02:02:43,679

don't want pictures but i'd be happy

3281

02:02:48,390 --> 02:02:46,159

with pictures in a description for now

3282

02:02:50,070 --> 02:02:48,400

you know bleach through yeah these other

3283

02:02:51,910 --> 02:02:50,080

worlds bleed through into our world and

3284

02:02:54,070 --> 02:02:51,920

we probably bleed into their

3285

02:02:55,990 --> 02:02:54,080

into their world paul eno says

3286

02:02:58,629 --> 02:02:56,000

some of them some of them think we are

3287

02:03:02,310 --> 02:02:58,639

ghosts if you saw uh the others with

3288

02:03:06,950 --> 02:03:04,229

i will say hi to lou and thank you for

3289

02:03:08,950 --> 02:03:06,960

your comments and everybody else

3290

02:03:10,950 --> 02:03:08,960

um

3291

02:03:13,669 --> 02:03:10,960

what a ce5

3292

02:03:15,430 --> 02:03:13,679

ce5 is i think greer came up with that

3293

02:03:17,750 --> 02:03:15,440

word where you're basically out there

3294

02:03:19,750 --> 02:03:17,760

trying to communicate with ufos trying

3295

02:03:21,430 --> 02:03:19,760

to get telepathy communication james ian

3296

02:03:22,550 --> 02:03:21,440

doley is one of the best persons to ask

3297

02:03:23,830 --> 02:03:22,560

for that

3298

02:03:25,350 --> 02:03:23,840

i don't know if you're meditating but

3299

02:03:26,950 --> 02:03:25,360

you're trying to have some communication

3300

02:03:29,109 --> 02:03:26,960

hopefully they show up

3301

02:03:31,270 --> 02:03:29,119

you ask them to move they move joseph

3302

02:03:33,189 --> 02:03:31,280

burke says he doesn't believe

3303

02:03:35,109 --> 02:03:33,199

it it may be something that's more of a

3304

02:03:36,070 --> 02:03:35,119

virtual reality where they're imprinting

3305

02:03:38,550 --> 02:03:36,080

this

3306

02:03:41,350 --> 02:03:39,830

it's they're manipulating your

3307

02:03:43,430 --> 02:03:41,360

perceptions and where they're making you

3308

02:03:45,030 --> 02:03:43,440

think you see a ufo when it's really not

3309

02:03:46,470 --> 02:03:45,040

a ufo like you'll be in the middle of

3310

02:03:47,990 --> 02:03:46,480

traffic and you're the only one that

3311

02:03:49,430 --> 02:03:48,000

sees something that's because they're

3312

02:03:51,030 --> 02:03:49,440

able to manipulate your perceptions

3313

02:03:52,709 --> 02:03:51,040

where you're the only one experiencing

3314

02:03:54,229 --> 02:03:52,719

in that and where it's really not

3315

02:03:55,990 --> 02:03:54,239

happening it's really not happening in

3316

02:03:57,750 --> 02:03:56,000

the physical world that's one of his

3317

02:03:59,669 --> 02:03:57,760

theories he spent a lot of time with

3318

02:04:02,390 --> 02:03:59,679

grier and then broke away just like will

3319

02:04:04,950 --> 02:04:02,400

milller broke away from greer um

3320

02:04:07,189 --> 02:04:04,960

two really sharp people coming from

3321

02:04:09,510 --> 02:04:07,199

coming at it from a different angle but

3322

02:04:11,270 --> 02:04:09,520

they both broke away from greer so

3323

02:04:13,750 --> 02:04:11,280

you know

3324

02:04:15,830 --> 02:04:13,760

that tells me something

3325

02:04:18,229 --> 02:04:15,840

have a great night jeff thanks everybody

3326

02:04:20,629 --> 02:04:18,239

i am gonna call it quits and i have to

3327

02:04:22,950 --> 02:04:20,639

remember do twitter updates
