

1
00:02:10,070 --> 00:02:06,709
all right guys just let me know if

2
00:02:11,670 --> 00:02:10,080
there's any sound issues

3
00:02:14,229 --> 00:02:11,680
and

4
00:02:19,190 --> 00:02:14,239
i will go once you guys say you can hear

5
00:02:23,030 --> 00:02:21,589
it's been a pretty good day

6
00:02:26,869 --> 00:02:23,040
if you're interested in correcting

7
00:02:28,949 --> 00:02:26,879
people alleged crasher people

8
00:02:30,869 --> 00:02:28,959
because i think that's for me

9
00:02:33,190 --> 00:02:30,879
most important thing here but let me

10
00:02:35,110 --> 00:02:33,200
know moving the chat

11
00:02:37,110 --> 00:02:35,120
you guys can hear me

12
00:02:39,270 --> 00:02:37,120
and then i will bring up the

13
00:02:41,830 --> 00:02:39,280

blindness yeah thanks my haircut was a

14

00:02:44,710 --> 00:02:41,840

lot shorter when i got it now it's

15

00:02:47,030 --> 00:02:44,720

starting to grow in a little normal

16

00:02:49,830 --> 00:02:47,040

so let me let me know audio-wise is okay

17

00:02:51,990 --> 00:02:49,840

and i'll wait make sure somebody tell me

18

00:03:00,309 --> 00:02:52,000

that it's okay

19

00:03:06,949 --> 00:03:01,990

how about now

20

00:03:06,959 --> 00:03:10,949

just tell me if it's a little better now

21

00:03:15,350 --> 00:03:12,630

i'm not getting connected it might get

22

00:03:16,830 --> 00:03:15,360

connected damn it

23

00:03:20,229 --> 00:03:16,840

let's

24

00:03:21,750 --> 00:03:20,239

see you know what's that all right great

25

00:03:23,430 --> 00:03:21,760

50

26

00:03:25,190 --> 00:03:23,440

columns only

27

00:03:28,070 --> 00:03:25,200

screwing with my microphone let me see

28

00:03:32,390 --> 00:03:29,509

you know

29

00:03:34,309 --> 00:03:32,400

usually there's an easy easy way to look

30

00:03:36,630 --> 00:03:34,319

and make sure that it's not here right

31

00:03:38,630 --> 00:03:36,640

now damn it

32

00:03:40,710 --> 00:03:38,640

second there we go

33

00:03:44,229 --> 00:03:40,720

audio it's been a while

34

00:03:49,990 --> 00:03:47,270

now you should be able to hear me

35

00:03:54,869 --> 00:03:51,990

and then that so that should be good

36

00:03:57,990 --> 00:03:54,879

right there tell me if it's too loud

37

00:04:02,470 --> 00:03:58,000

this should be not echo no echo

38

00:04:09,750 --> 00:04:04,309

let me know i shouldn't have to i i

39

00:04:14,229 --> 00:04:11,670

good stupid me i didn't check the

40

00:04:16,069 --> 00:04:14,239

setting all right let me pull up the uh

41

00:04:17,189 --> 00:04:16,079

the language and

42

00:04:18,629 --> 00:04:17,199

i'm sure there's some of it i'm not

43

00:04:22,150 --> 00:04:18,639

going to understand i haven't even had

44

00:04:25,030 --> 00:04:22,160

to look up some basic words before

45

00:04:27,830 --> 00:04:25,040

yes my beautiful voice voice gabby

46

00:04:29,590 --> 00:04:27,840

and adhd yeah all right good good let me

47

00:04:32,629 --> 00:04:29,600

uh

48

00:04:36,469 --> 00:04:34,270

language for the

49

00:04:39,510 --> 00:04:36,479

ndaa so the national defense

50

00:04:41,510 --> 00:04:39,520

authorization act

51
00:04:44,390 --> 00:04:41,520
so there it is so

52
00:04:47,749 --> 00:04:44,400
basically you guys know that

53
00:04:50,469 --> 00:04:47,759
in the hearing in may

54
00:04:53,430 --> 00:04:50,479
mike gallagher who was kind of not on

55
00:04:56,550 --> 00:04:53,440
anybody's radar introduced

56
00:04:58,469 --> 00:04:56,560
the wilson davis notes memo into the

57
00:05:00,710 --> 00:04:58,479
public record

58
00:05:01,990 --> 00:05:00,720
i didn't expect it nobody expected it i

59
00:05:03,430 --> 00:05:02,000
know some people were saying maybe it

60
00:05:05,270 --> 00:05:03,440
will be and i was like no way it's not

61
00:05:07,909 --> 00:05:05,280
going to be in just don't don't even

62
00:05:11,590 --> 00:05:07,919
expect that but it happened so then

63
00:05:13,990 --> 00:05:11,600

later on i heard from some folks that

64

00:05:15,270 --> 00:05:14,000

gallagher was not gonna let it go and i

65

00:05:17,350 --> 00:05:15,280

heard some other things that i can't

66

00:05:19,590 --> 00:05:17,360

share but you can imagine

67

00:05:21,830 --> 00:05:19,600

wilson davis he's just not gonna pull it

68

00:05:23,430 --> 00:05:21,840

out of thin air and introduce it so he's

69

00:05:24,870 --> 00:05:23,440

been speaking to people

70

00:05:26,469 --> 00:05:24,880

learning about it

71

00:05:27,430 --> 00:05:26,479

and so it was entered into the record

72

00:05:29,590 --> 00:05:27,440

and then

73

00:05:31,749 --> 00:05:29,600

we had gary nolan say that the immunity

74

00:05:33,749 --> 00:05:31,759

language was 90 percent done and i heard

75

00:05:36,070 --> 00:05:33,759

from somebody that we were getting close

76

00:05:38,629 --> 00:05:36,080

and today it happened so here's the

77

00:05:40,150 --> 00:05:38,639

language and i'm gonna go through it and

78

00:05:42,469 --> 00:05:40,160

and then i'm gonna go through a summary

79

00:05:44,629 --> 00:05:42,479

that dean johnson did dean johnson does

80

00:05:46,390 --> 00:05:44,639

great work on this

81

00:05:48,469 --> 00:05:46,400

all this stuff i was hoping to have him

82

00:05:49,830 --> 00:05:48,479

on but he's not he's not able to speak

83

00:05:50,950 --> 00:05:49,840

about it yet and i was hoping he would

84

00:05:53,029 --> 00:05:50,960

write something up and he did on

85

00:05:54,469 --> 00:05:53,039

facebook which i'll read that too so

86

00:05:56,870 --> 00:05:54,479

i'll go through the nine pages it might

87

00:06:00,230 --> 00:05:56,880

be a little boring especially with the

88

00:06:02,469 --> 00:06:00,240

congressional legalese so it starts off

89

00:06:05,270 --> 00:06:02,479

i'll skip some of the formalities

90

00:06:07,270 --> 00:06:05,280

this is gallagher his language but

91

00:06:09,270 --> 00:06:07,280

gallego's name is included too you'll

92

00:06:10,950 --> 00:06:09,280

see when i read dean's

93

00:06:14,150 --> 00:06:10,960

uh facebook post

94

00:06:16,390 --> 00:06:14,160

so authorization for reporting it says

95

00:06:18,790 --> 00:06:16,400

notwithstanding in other words in spite

96

00:06:21,110 --> 00:06:18,800

of the terms of any other written or

97

00:06:24,309 --> 00:06:21,120

oral non-disclosure agreement

98

00:06:26,150 --> 00:06:24,319

order or other instrumentality or means

99

00:06:29,270 --> 00:06:26,160

that could be interpreted as a legal

100

00:06:31,990 --> 00:06:29,280

constraint on reporting by a witness of

101
00:06:34,469 --> 00:06:32,000
an unidentified aerial phenomena

102
00:06:35,909 --> 00:06:34,479
so in other words despite any nda they

103
00:06:37,909 --> 00:06:35,919
signed

104
00:06:40,390 --> 00:06:37,919
reporting in accordance with the system

105
00:06:41,430 --> 00:06:40,400
established under subsection b

106
00:06:43,350 --> 00:06:41,440
so

107
00:06:45,029 --> 00:06:43,360
with this new language

108
00:06:46,390 --> 00:06:45,039
those folks are hereby authorized and

109
00:06:48,870 --> 00:06:46,400
shall be deemed

110
00:06:50,390 --> 00:06:48,880
to comply with any regulation or order

111
00:06:52,870 --> 00:06:50,400
issued under the authority of the

112
00:06:55,029 --> 00:06:52,880
executive order blah blah blah

113
00:06:56,309 --> 00:06:55,039

related to classified national security

114

00:07:00,950 --> 00:06:56,319

information

115

00:07:05,589 --> 00:07:02,629

let me skip some of the basic stuff it

116

00:07:09,670 --> 00:07:07,510

head of the office on behalf of the

117

00:07:11,350 --> 00:07:09,680

secretary of defense and this is just

118

00:07:13,029 --> 00:07:11,360

talking about the report

119

00:07:14,230 --> 00:07:13,039

on behalf of the secretary of defense

120

00:07:15,990 --> 00:07:14,240

and the director of national

121

00:07:17,430 --> 00:07:16,000

intelligence should shall establish a

122

00:07:19,350 --> 00:07:17,440

secure system

123

00:07:21,189 --> 00:07:19,360

for receiving reports of any event

124

00:07:22,629 --> 00:07:21,199

related to uap

125

00:07:26,070 --> 00:07:22,639

and any government or government

126
00:07:27,749 --> 00:07:26,080
contractor activity or program related

127
00:07:29,909 --> 00:07:27,759
to uap

128
00:07:32,469 --> 00:07:29,919
and that'll come up a little later what

129
00:07:34,950 --> 00:07:32,479
programs they're referring to

130
00:07:36,070 --> 00:07:34,960
so protection of systems programs and

131
00:07:37,830 --> 00:07:36,080
activity

132
00:07:39,830 --> 00:07:37,840
the system established pursuant to

133
00:07:42,070 --> 00:07:39,840
paragraph one shall serve as a mechanism

134
00:07:44,150 --> 00:07:42,080
to prevent unauthorized public reporting

135
00:07:46,150 --> 00:07:44,160
or compromise of properly classified

136
00:07:48,390 --> 00:07:46,160
military and intelligence systems

137
00:07:51,270 --> 00:07:48,400
programs and related activity so any

138
00:07:53,189 --> 00:07:51,280

classified stuff is not going to get out

139

00:07:55,670 --> 00:07:53,199

that includes all categories and levels

140

00:07:57,909 --> 00:07:55,680

of special access and compartmented

141

00:07:59,909 --> 00:07:57,919

access programs current historical and

142

00:08:01,510 --> 00:07:59,919

future so we're like oh so in other

143

00:08:03,350 --> 00:08:01,520

words we're not going to hear about any

144

00:08:05,510 --> 00:08:03,360

of those special access programs this

145

00:08:06,950 --> 00:08:05,520

sucks that's what i'm reading it at the

146

00:08:08,150 --> 00:08:06,960

first time and i'm like

147

00:08:10,629 --> 00:08:08,160

that's not good

148

00:08:13,270 --> 00:08:10,639

but there's more later on which is good

149

00:08:14,710 --> 00:08:13,280

which is good so the system established

150

00:08:15,749 --> 00:08:14,720

pursuant to paragraph one shall be

151
00:08:17,990 --> 00:08:15,759
administered

152
00:08:19,270 --> 00:08:18,000
by designated and widely known easy

153
00:08:21,510 --> 00:08:19,280
accessible and appropriately

154
00:08:23,110 --> 00:08:21,520
appropriately cleared dod and

155
00:08:25,589 --> 00:08:23,120
intelligence community employees or

156
00:08:27,830 --> 00:08:25,599
contractors assigned to the uap

157
00:08:29,510 --> 00:08:27,840
task force or the office

158
00:08:31,670 --> 00:08:29,520
the system established on the paragraph

159
00:08:33,509 --> 00:08:31,680
one shall provide for the immediate

160
00:08:35,750 --> 00:08:33,519
sharing with office personnel and

161
00:08:38,070 --> 00:08:35,760
supporting analysts and scientists of

162
00:08:41,350 --> 00:08:38,080
information previously prohibited from

163
00:08:43,829 --> 00:08:41,360

reporting under any nda written or oral

164

00:08:46,230 --> 00:08:43,839

agreement order or other instrumentality

165

00:08:47,350 --> 00:08:46,240

or means except in cases where the

166

00:08:50,710 --> 00:08:47,360

cleared government personnel

167

00:08:52,710 --> 00:08:50,720

administrating such system concludes

168

00:08:54,070 --> 00:08:52,720

this this typos here i believe conclude

169

00:08:55,750 --> 00:08:54,080

that the preponderance of information

170

00:08:57,430 --> 00:08:55,760

available regarding the reporting

171

00:08:59,990 --> 00:08:57,440

indicates that the observed object and

172

00:09:01,590 --> 00:09:00,000

associated events enact in activities

173

00:09:03,750 --> 00:09:01,600

likely relate to a special access

174

00:09:05,910 --> 00:09:03,760

program so they can report what they saw

175

00:09:08,310 --> 00:09:05,920

ufo related unless unless it becomes

176

00:09:09,670 --> 00:09:08,320

obvious uh that's one of our special

177

00:09:11,590 --> 00:09:09,680

access program

178

00:09:13,750 --> 00:09:11,600

uh pieces of technology we don't want to

179

00:09:14,630 --> 00:09:13,760

talk about that

180

00:09:16,389 --> 00:09:14,640

um

181

00:09:18,710 --> 00:09:16,399

so if it becomes obvious that it relates

182

00:09:20,070 --> 00:09:18,720

to an sap or compartmented access

183

00:09:22,070 --> 00:09:20,080

program that as of the date of the

184

00:09:23,670 --> 00:09:22,080

reporting has been explicitly and

185

00:09:26,310 --> 00:09:23,680

clearly reported

186

00:09:27,910 --> 00:09:26,320

this is important so if it belongs to a

187

00:09:30,470 --> 00:09:27,920

program a special access program that

188

00:09:32,870 --> 00:09:30,480

has been explicitly and clearly reported

189

00:09:34,310 --> 00:09:32,880

to the congressional defense committees

190

00:09:37,350 --> 00:09:34,320

and congressional intelligence

191

00:09:39,590 --> 00:09:37,360

committees like normal and is documented

192

00:09:40,790 --> 00:09:39,600

documented as meeting those criteria so

193

00:09:42,790 --> 00:09:40,800

if it's part of the system because

194

00:09:45,910 --> 00:09:42,800

there's all of those programs

195

00:09:47,590 --> 00:09:45,920

that will not be reported so we're fine

196

00:09:48,790 --> 00:09:47,600

with that that's not that's not the

197

00:09:50,630 --> 00:09:48,800

problem that's not the problem the

198

00:09:56,470 --> 00:09:50,640

problem is programs that are not

199

00:10:00,630 --> 00:09:59,110

hello to everybody and you guys

200

00:10:01,990 --> 00:10:00,640

save your questions for after this and

201
00:10:04,790 --> 00:10:02,000
then i'll do

202
00:10:06,230 --> 00:10:04,800
i'll read dean's summary

203
00:10:07,829 --> 00:10:06,240
uh i'm probably only going to do this

204
00:10:09,110 --> 00:10:07,839
for an hour although i always say that

205
00:10:10,949 --> 00:10:09,120
and i go longer

206
00:10:11,990 --> 00:10:10,959
initial initial report so we're on three

207
00:10:14,230 --> 00:10:12,000
of nine

208
00:10:16,550 --> 00:10:14,240
still an initial report in publication

209
00:10:17,509 --> 00:10:16,560
not later than 180 days after the date

210
00:10:19,829 --> 00:10:17,519
so they're going to collect this

211
00:10:23,430 --> 00:10:19,839
information and put out a report

212
00:10:25,430 --> 00:10:23,440
not later than 180 days after after the

213
00:10:27,350 --> 00:10:25,440

enactment of this act which i think is

214

00:10:29,509 --> 00:10:27,360

next year sometime

215

00:10:30,630 --> 00:10:29,519

blah blah blah

216

00:10:32,069 --> 00:10:30,640

they'll submit the report to the

217

00:10:33,670 --> 00:10:32,079

congressional intelligence committees

218

00:10:35,750 --> 00:10:33,680

the congressional defense committees and

219

00:10:37,509 --> 00:10:35,760

the congressional leadership

220

00:10:40,230 --> 00:10:37,519

and the report will detail the system

221

00:10:42,150 --> 00:10:40,240

established on the paragraph one

222

00:10:44,630 --> 00:10:42,160

nothing real exciting yet you know it's

223

00:10:45,990 --> 00:10:44,640

like all right this is cool

224

00:10:47,990 --> 00:10:46,000

make available to the public on a

225

00:10:50,150 --> 00:10:48,000

website of the dod

226
00:10:52,710 --> 00:10:50,160
information about such system including

227
00:10:55,030 --> 00:10:52,720
clear public guidance for assessing and

228
00:10:57,030 --> 00:10:55,040
using such system and providing feedback

229
00:10:58,230 --> 00:10:57,040
about the expected timeline there's

230
00:11:01,190 --> 00:10:58,240
nothing in there that says they're going

231
00:11:02,790 --> 00:11:01,200
to tell us what they found i mean

232
00:11:04,710 --> 00:11:02,800
of course we'd love to see a website oh

233
00:11:06,310 --> 00:11:04,720
witness number one hello i worked in the

234
00:11:09,910 --> 00:11:06,320
crash retrieval program starting in

235
00:11:11,670 --> 00:11:09,920
1989. i met a guy named bob lazar and

236
00:11:13,110 --> 00:11:11,680
i'm i'm kidding about lazar but not

237
00:11:15,190 --> 00:11:13,120
really but you know that's the people

238
00:11:17,269 --> 00:11:15,200

who believe lazar would just flip out if

239

00:11:19,910 --> 00:11:17,279

that happened and if anybody has not

240

00:11:22,470 --> 00:11:19,920

read my lazar piece on my blog it's a 50

241

00:11:24,310 --> 00:11:22,480

50 i believe him i don't believe him

242

00:11:26,470 --> 00:11:24,320

um but yeah you want to we want us we

243

00:11:28,389 --> 00:11:26,480

want to hear and see transcriptions if

244

00:11:30,550 --> 00:11:28,399

we don't see the actual people of people

245

00:11:32,630 --> 00:11:30,560

who worked in these programs that's the

246

00:11:35,269 --> 00:11:32,640

that's like the holy grail of what we

247

00:11:42,069 --> 00:11:38,230

so annual reports and it gets into some

248

00:11:44,230 --> 00:11:42,079

once again congressional leadership

249

00:11:49,750 --> 00:11:44,240

get to the good stuff

250

00:11:49,760 --> 00:11:54,069

let's see so they can report

251
00:11:57,750 --> 00:11:56,389
to the majority of leader of the senate

252
00:11:59,269 --> 00:11:57,760
that's congressional congressional

253
00:12:00,949 --> 00:11:59,279
leadership is considered the majority

254
00:12:02,710 --> 00:12:00,959
leader of the senate that was harry reid

255
00:12:04,790 --> 00:12:02,720
back in the day the minority leader of

256
00:12:06,310 --> 00:12:04,800
the senate the speaker of the house of

257
00:12:09,110 --> 00:12:06,320
representatives the minority leader of

258
00:12:16,150 --> 00:12:11,509
and then

259
00:12:16,160 --> 00:12:19,110
so

260
00:12:22,310 --> 00:12:20,949
the heads of such other departments and

261
00:12:24,150 --> 00:12:22,320
agencies of the federal and i'm sorry

262
00:12:25,670 --> 00:12:24,160
sorry some of this is boring i'm going i

263
00:12:26,790 --> 00:12:25,680

don't have i went through it earlier

264

00:12:30,069 --> 00:12:26,800

once

265

00:12:32,949 --> 00:12:31,509

identification of non-disclosure

266

00:12:34,949 --> 00:12:32,959

agreements the secretary of defense the

267

00:12:37,269 --> 00:12:34,959

director of national intelligence the

268

00:12:39,030 --> 00:12:37,279

secretary of homeland security the heads

269

00:12:40,389 --> 00:12:39,040

of such other departments and agencies

270

00:12:42,150 --> 00:12:40,399

of the federal government that's that

271

00:12:44,470 --> 00:12:42,160

have supported investigations of the

272

00:12:48,069 --> 00:12:44,480

types of events covered in subparagraph

273

00:12:49,350 --> 00:12:48,079

one of subtextion blah blah blah

274

00:12:50,949 --> 00:12:49,360

and contractors of the federal

275

00:12:52,870 --> 00:12:50,959

government supporting such activities

276
00:12:55,110 --> 00:12:52,880
and programs shall conduct comprehensive

277
00:12:57,590 --> 00:12:55,120
searches of all records related to

278
00:12:59,350 --> 00:12:57,600
non-disclosure orders or agreements or

279
00:13:01,990 --> 00:12:59,360
other obligations related to the types

280
00:13:04,870 --> 00:13:02,000
of events described in subsection a uap

281
00:13:07,110 --> 00:13:04,880
stuff and provide copies of all relevant

282
00:13:08,790 --> 00:13:07,120
documents and i just skipped something

283
00:13:10,949 --> 00:13:08,800
other there's all relevant documents to

284
00:13:14,470 --> 00:13:10,959
the office

285
00:13:15,750 --> 00:13:14,480
records compiled under paragraph 1

286
00:13:17,190 --> 00:13:15,760
accessible to the congressional

287
00:13:18,550 --> 00:13:17,200
intelligence committees the

288
00:13:21,750 --> 00:13:18,560

congressional defense committees and

289

00:13:25,030 --> 00:13:21,760

leadership no later than september 30th

290

00:13:27,509 --> 00:13:25,040

2023 so we got a long ways to go when by

291

00:13:29,590 --> 00:13:27,519

the time this is done and then each year

292

00:13:31,509 --> 00:13:29,600

that report will be issued until the

293

00:13:33,590 --> 00:13:31,519

year 2026.

294

00:13:36,870 --> 00:13:33,600

so that doesn't mean we're waiting until

295

00:13:38,310 --> 00:13:36,880

2026 it means once a year until 2026. i

296

00:13:40,230 --> 00:13:38,320

don't know how that's gonna look how

297

00:13:42,069 --> 00:13:40,240

that's all gonna play out

298

00:13:43,350 --> 00:13:42,079

when we get the first deadline september

299

00:13:45,030 --> 00:13:43,360

next year i don't know if we're gonna

300

00:13:47,350 --> 00:13:45,040

have a bunch of witnesses i don't know

301
00:13:49,590 --> 00:13:47,360
if we're gonna get to hear from them

302
00:13:51,590 --> 00:13:49,600
like i said on twitter it's a first step

303
00:13:52,949 --> 00:13:51,600
so it's a first step and we needed this

304
00:13:55,350 --> 00:13:52,959
first step

305
00:13:56,710 --> 00:13:55,360
remember we still have the senate too um

306
00:13:59,350 --> 00:13:56,720
and there may be there may be more

307
00:14:01,430 --> 00:13:59,360
coming i i don't know

308
00:14:04,310 --> 00:14:01,440
but protection from liability it shall

309
00:14:06,150 --> 00:14:04,320
not be a violation of section 798 of

310
00:14:07,750 --> 00:14:06,160
title 18

311
00:14:10,710 --> 00:14:07,760
or any and i'm not gonna i don't know

312
00:14:12,710 --> 00:14:10,720
everything that says but we can assume

313
00:14:14,949 --> 00:14:12,720

um

314

00:14:18,470 --> 00:14:14,959

it's related to speaking about

315

00:14:21,910 --> 00:14:20,150

it should not be a violation of any

316

00:14:24,069 --> 00:14:21,920

other provision of law and no cause of

317

00:14:26,949 --> 00:14:24,079

actions a lot lie or be maintained in

318

00:14:29,670 --> 00:14:26,959

any court or other tribunal against any

319

00:14:31,829 --> 00:14:29,680

person for reporting any information

320

00:14:34,790 --> 00:14:31,839

through and in compliance with the

321

00:14:36,710 --> 00:14:34,800

system established pursuant to subject

322

00:14:39,110 --> 00:14:36,720

subsection one so

323

00:14:42,069 --> 00:14:39,120

you have something to say about ufos if

324

00:14:43,750 --> 00:14:42,079

you were in the 2019 event

325

00:14:45,350 --> 00:14:43,760

that jeremy corbell and george knapp

326

00:14:46,949 --> 00:14:45,360

have reported about you want to talk

327

00:14:48,629 --> 00:14:46,959

about what you saw

328

00:14:51,750 --> 00:14:48,639

you can speak about that and not worry

329

00:14:54,069 --> 00:14:51,760

about any repercussions whatsoever

330

00:14:55,829 --> 00:14:54,079

so that is huge

331

00:14:58,150 --> 00:14:55,839

and i don't know how if we're going to

332

00:15:00,230 --> 00:14:58,160

hear from those people before then i

333

00:15:01,670 --> 00:15:00,240

know jeremy corbell said if they get

334

00:15:03,509 --> 00:15:01,680

immunity he will he'll release

335

00:15:05,030 --> 00:15:03,519

everything and he has those folks on

336

00:15:07,189 --> 00:15:05,040

record

337

00:15:09,269 --> 00:15:07,199

from 2019 so we get to hear from them

338

00:15:11,030 --> 00:15:09,279

and as i said before

339

00:15:12,550 --> 00:15:11,040

i'm open-minded about that it could be

340

00:15:13,990 --> 00:15:12,560

drones and if those folks come out and

341

00:15:14,949 --> 00:15:14,000

they tell us what they saw we may all

342

00:15:16,790 --> 00:15:14,959

say

343

00:15:18,629 --> 00:15:16,800

oh my god it was drones what the hell

344

00:15:19,910 --> 00:15:18,639

what was the hype all about i'm not

345

00:15:22,310 --> 00:15:19,920

saying that's happening because as far

346

00:15:24,069 --> 00:15:22,320

as i know there's still 2019 is still

347

00:15:26,150 --> 00:15:24,079

labeled unknown

348

00:15:27,590 --> 00:15:26,160

so if you were listening to listening to

349

00:15:29,749 --> 00:15:27,600

the spaces the other night we had

350

00:15:32,389 --> 00:15:29,759

somebody who actually saw

351

00:15:34,710 --> 00:15:32,399

the report on the stippernet and said

352

00:15:36,389 --> 00:15:34,720

it's still labeled unidentified 2019

353

00:15:41,030 --> 00:15:36,399

west coast so and i've heard the same

354

00:15:48,949 --> 00:15:41,040

thing still i want to hear the witnesses

355

00:15:52,710 --> 00:15:50,870

as far as lazar

356

00:15:55,030 --> 00:15:52,720

i don't know

357

00:15:57,749 --> 00:15:55,040

i would as i've said i would love i

358

00:16:00,710 --> 00:15:57,759

would love for his story to be real

359

00:16:02,150 --> 00:16:00,720

do i do i want it to be real i mean

360

00:16:04,150 --> 00:16:02,160

it's not really i want it to be real i

361

00:16:05,990 --> 00:16:04,160

just whatever whatever's real or fake if

362

00:16:07,350 --> 00:16:06,000

he's lying whatever i mean

363

00:16:08,870 --> 00:16:07,360

i would love it because it's a fun

364

00:16:11,269 --> 00:16:08,880

that's a great story i mean imagine we

365

00:16:13,990 --> 00:16:11,279

really had nine flying saucers of course

366

00:16:15,189 --> 00:16:14,000

they could be our back engineered techno

367

00:16:16,150 --> 00:16:15,199

technology

368

00:16:18,069 --> 00:16:16,160

um

369

00:16:20,230 --> 00:16:18,079

i don't know as with most of the things

370

00:16:22,790 --> 00:16:20,240

with this phenomenon i don't know

371

00:16:24,550 --> 00:16:22,800

so prohibit prohibition on repo

372

00:16:26,550 --> 00:16:24,560

reprisals

373

00:16:28,389 --> 00:16:26,560

an employee of a federal agency and an

374

00:16:30,310 --> 00:16:28,399

employee of a contractor for the federal

375

00:16:32,629 --> 00:16:30,320

government who has authority to take

376

00:16:35,670 --> 00:16:32,639

direct others to take recommend or

377

00:16:37,670 --> 00:16:35,680

approve any personnel action shall not

378

00:16:40,310 --> 00:16:37,680

with respect to such authority take or

379

00:16:42,470 --> 00:16:40,320

fail to take or threaten to take or fail

380

00:16:44,389 --> 00:16:42,480

to take a personnel action including

381

00:16:46,790 --> 00:16:44,399

their revocation or suspension of

382

00:16:48,710 --> 00:16:46,800

security clearances with respect to any

383

00:16:50,389 --> 00:16:48,720

individual as a reprisal for any

384

00:16:53,110 --> 00:16:50,399

reporting so in other words

385

00:16:54,710 --> 00:16:53,120

if i go report what i saw your boss my

386

00:16:56,470 --> 00:16:54,720

boss can't say

387

00:16:58,949 --> 00:16:56,480

you just lost your security clearance so

388

00:17:00,150 --> 00:16:58,959

that that's another huge thing they

389

00:17:02,870 --> 00:17:00,160

don't have to worry about losing their

390

00:17:05,750 --> 00:17:02,880

security clearance which

391

00:17:07,110 --> 00:17:05,760

it may bring forth a lot of people i

392

00:17:09,110 --> 00:17:07,120

don't know i don't know how many people

393

00:17:10,470 --> 00:17:09,120

are gonna feel safe with this language

394

00:17:12,309 --> 00:17:10,480

but it's only the beginning this

395

00:17:14,150 --> 00:17:12,319

language is gonna change we're gonna get

396

00:17:16,150 --> 00:17:14,160

the senate involved

397

00:17:18,150 --> 00:17:16,160

i cannot wait i've been waiting to hear

398

00:17:19,429 --> 00:17:18,160

senator gillibrand

399

00:17:21,909 --> 00:17:19,439

i want to see her

400

00:17:23,669 --> 00:17:21,919

speak to bray and moultrie and anybody

401
00:17:25,189 --> 00:17:23,679
else because she's really good at

402
00:17:27,270 --> 00:17:25,199
holding their feet to the fire if you

403
00:17:29,830 --> 00:17:27,280
saw that when she was

404
00:17:32,150 --> 00:17:29,840
dealing with the guy who was the

405
00:17:34,070 --> 00:17:32,160
he was up for the ig of the i don't know

406
00:17:35,750 --> 00:17:34,080
if it was the entire dod but she was

407
00:17:37,430 --> 00:17:35,760
asking him questions and say you better

408
00:17:39,270 --> 00:17:37,440
find out before you come back to me we

409
00:17:41,270 --> 00:17:39,280
haven't heard back from that guy but he

410
00:17:42,789 --> 00:17:41,280
was rolling his eyes and she was she was

411
00:17:45,669 --> 00:17:42,799
having none of it so i want to see her

412
00:17:49,270 --> 00:17:47,590
oh private right of action in a case in

413
00:17:51,190 --> 00:17:49,280

which an employee described in paragraph

414

00:17:53,110 --> 00:17:51,200

2 takes a personnel action against an

415

00:17:55,029 --> 00:17:53,120

individual so

416

00:17:57,190 --> 00:17:55,039

if my boss says you just talked about

417

00:17:59,430 --> 00:17:57,200

ufos i'm going to take away your

418

00:18:02,230 --> 00:17:59,440

security clearance

419

00:18:04,870 --> 00:18:02,240

the individual me who spoke out may

420

00:18:06,870 --> 00:18:04,880

bring a private civil action for all

421

00:18:09,590 --> 00:18:06,880

appropriate remedies including

422

00:18:12,630 --> 00:18:09,600

injunctive relief and comp compensate

423

00:18:14,630 --> 00:18:12,640

compensate compensator i can't speak

424

00:18:17,190 --> 00:18:14,640

compensatory and punitive damages

425

00:18:19,909 --> 00:18:17,200

against the government or other employer

426

00:18:22,390 --> 00:18:19,919

who took the personnel action so if you

427

00:18:24,310 --> 00:18:22,400

if you do anything to threaten me with

428

00:18:25,909 --> 00:18:24,320

reprisal for you know you say you're

429

00:18:28,950 --> 00:18:25,919

going to take away my security clearance

430

00:18:30,950 --> 00:18:28,960

like lou said he's had done to him

431

00:18:33,750 --> 00:18:30,960

you can sue the government or the

432

00:18:35,590 --> 00:18:33,760

employer who took the action against you

433

00:18:37,110 --> 00:18:35,600

which if this makes it through the law

434

00:18:39,029 --> 00:18:37,120

it's going to be huge it's going to be

435

00:18:41,590 --> 00:18:39,039

really important will it make it through

436

00:18:45,350 --> 00:18:43,669

uh review by inspectors general not

437

00:18:47,270 --> 00:18:45,360

later than one year after the date of

438

00:18:49,029 --> 00:18:47,280

the enactment of this act the inspector

439

00:18:51,270 --> 00:18:49,039

general of the dod and inspector general

440

00:18:53,350 --> 00:18:51,280

of the intelligence community shall each

441

00:18:55,669 --> 00:18:53,360

conduct an assessment of the compliance

442

00:18:57,830 --> 00:18:55,679

with the requirements of this section

443

00:19:00,630 --> 00:18:57,840

and the operation and efficiency of the

444

00:19:01,669 --> 00:19:00,640

system established under section b

445

00:19:03,909 --> 00:19:01,679

boring

446

00:19:05,350 --> 00:19:03,919

submit to the

447

00:19:07,110 --> 00:19:05,360

congressional intelligence committees

448

00:19:08,470 --> 00:19:07,120

the congressional defense committees and

449

00:19:10,870 --> 00:19:08,480

i'm sure this is not boring but it's

450

00:19:12,230 --> 00:19:10,880

boring for us because

451
00:19:13,590 --> 00:19:12,240
um

452
00:19:14,870 --> 00:19:13,600
so they're going to submit a report the

453
00:19:16,390 --> 00:19:14,880
ig will submit a report on their

454
00:19:17,590 --> 00:19:16,400
respective findings with respect to the

455
00:19:19,430 --> 00:19:17,600
assessments they conducted under

456
00:19:20,789 --> 00:19:19,440
paragraph one

457
00:19:22,789 --> 00:19:20,799
from congressional intelligence

458
00:19:24,870 --> 00:19:22,799
communities blah blah blah

459
00:19:28,390 --> 00:19:24,880
goes through definitions i know i i need

460
00:19:31,990 --> 00:19:28,400
to go back because i did miss something

461
00:19:35,990 --> 00:19:34,710
find a uap okay so let me just go back

462
00:19:37,590 --> 00:19:36,000
to the most important thing which i

463
00:19:41,270 --> 00:19:37,600

forgot it's not obvious when you're

464

00:19:42,390 --> 00:19:41,280

reading it it's definitely not obvious

465

00:19:43,750 --> 00:19:42,400

so

466

00:19:47,669 --> 00:19:43,760

let me find it because it's really

467

00:19:47,679 --> 00:19:51,990

here we go

468

00:19:56,310 --> 00:19:53,029

darn it

469

00:19:58,630 --> 00:19:56,320

i can i can read it to you

470

00:20:00,470 --> 00:19:58,640

it's basically says

471

00:20:02,630 --> 00:20:00,480

and i read it

472

00:20:05,990 --> 00:20:02,640

if there is a program that is reported

473

00:20:10,390 --> 00:20:07,750

and it's related well those programs are

474

00:20:11,909 --> 00:20:10,400

related to classified information

475

00:20:13,110 --> 00:20:11,919

then those programs are covered they're

476
00:20:15,029 --> 00:20:13,120
not we're not going to get the

477
00:20:20,230 --> 00:20:15,039
information

478
00:20:26,310 --> 00:20:21,510
sorry

479
00:20:26,320 --> 00:20:32,549
let me go back a little

480
00:20:35,990 --> 00:20:34,230
i'm sorry guys here we go sharing of

481
00:20:37,750 --> 00:20:36,000
information the system established under

482
00:20:39,350 --> 00:20:37,760
paragraph one

483
00:20:41,029 --> 00:20:39,360
this is the most important piece shall

484
00:20:43,270 --> 00:20:41,039
provide for the immediate sharing with

485
00:20:45,430 --> 00:20:43,280
office personnel and supporting analysts

486
00:20:47,510 --> 00:20:45,440
and scientists of information previously

487
00:20:50,870 --> 00:20:47,520
prohibited from reporting under any

488
00:20:53,430 --> 00:20:50,880

non-disclosure written or oral agreement

489

00:20:55,510 --> 00:20:53,440

order or other instrumentality or means

490

00:20:57,590 --> 00:20:55,520

except in cases where the cleared

491

00:21:00,230 --> 00:20:57,600

government personnel administrating

492

00:21:01,830 --> 00:21:00,240

administering such system

493

00:21:03,350 --> 00:21:01,840

conclude that the preponderance of

494

00:21:05,190 --> 00:21:03,360

information available regarding the

495

00:21:07,029 --> 00:21:05,200

reported indicates that the observed

496

00:21:08,950 --> 00:21:07,039

object and associated events and

497

00:21:11,110 --> 00:21:08,960

activities likely relate to a special

498

00:21:13,669 --> 00:21:11,120

access program or compartmented access

499

00:21:16,310 --> 00:21:13,679

program that as of the date of the

500

00:21:19,510 --> 00:21:16,320

reporting has been it's explicitly and

501
00:21:21,669 --> 00:21:19,520
clearly reported to the congressional

502
00:21:23,590 --> 00:21:21,679
defense committees and congressional

503
00:21:26,390 --> 00:21:23,600
intelligence committees and is

504
00:21:28,630 --> 00:21:26,400
documented as meeting those criteria and

505
00:21:31,029 --> 00:21:28,640
i asked somebody about this somebody in

506
00:21:32,549 --> 00:21:31,039
the know somebody who's aware of this

507
00:21:34,390 --> 00:21:32,559
language i said

508
00:21:37,110 --> 00:21:34,400
what does that mean does that mean if

509
00:21:39,510 --> 00:21:37,120
there's a program that's not reported

510
00:21:41,990 --> 00:21:39,520
that's off the books is that not covered

511
00:21:44,470 --> 00:21:42,000
in this and they said yes that's the key

512
00:21:46,549 --> 00:21:44,480
so if there's a program say you know

513
00:21:49,669 --> 00:21:46,559

supposedly there's four related special

514

00:21:52,070 --> 00:21:49,679

access programs related to ufos

515

00:21:54,470 --> 00:21:52,080

if those programs are

516

00:21:55,669 --> 00:21:54,480

located and they haven't been reported

517

00:21:57,510 --> 00:21:55,679

to congress

518

00:21:59,669 --> 00:21:57,520

they're fair game and that's really

519

00:22:02,470 --> 00:21:59,679

important those are the programs we want

520

00:22:04,710 --> 00:22:02,480

and you guys have seen this i've i've

521

00:22:06,070 --> 00:22:04,720

i've posted this before many times on

522

00:22:08,870 --> 00:22:06,080

twitter

523

00:22:11,029 --> 00:22:08,880

let me get rid of let me get rid of this

524

00:22:14,310 --> 00:22:11,039

and pull it up

525

00:22:17,029 --> 00:22:14,320

so give me one second

526

00:22:18,549 --> 00:22:17,039

oh darn it it's not here of course oh i

527

00:22:21,750 --> 00:22:18,559

know i know where it is

528

00:22:21,760 --> 00:22:26,310

darn it

529

00:22:30,470 --> 00:22:28,310

it's here

530

00:22:31,669 --> 00:22:30,480

all right

531

00:22:33,669 --> 00:22:31,679

i'm gonna read this and i know you guys

532

00:22:37,510 --> 00:22:33,679

have seen this before

533

00:22:40,630 --> 00:22:37,520

going to read it again

534

00:22:42,549 --> 00:22:40,640

let's see

535

00:22:44,149 --> 00:22:42,559

so what programs are we talking about so

536

00:22:47,350 --> 00:22:44,159

alleged ufo

537

00:22:48,470 --> 00:22:47,360

related programs alleged crash retrieval

538

00:22:50,149 --> 00:22:48,480

programs

539

00:22:51,590 --> 00:22:50,159

and i had a source when i did my wilson

540

00:22:55,270 --> 00:22:51,600

davis

541

00:22:56,630 --> 00:22:55,280

mega blog um who told me this various

542

00:22:57,590 --> 00:22:56,640

people within the united states

543

00:22:59,590 --> 00:22:57,600

government

544

00:23:01,750 --> 00:22:59,600

in positions of oversight

545

00:23:03,909 --> 00:23:01,760

and who you would think had access to

546

00:23:06,149 --> 00:23:03,919

all uap programs

547

00:23:07,909 --> 00:23:06,159

did not find the uap crash retrieval

548

00:23:10,870 --> 00:23:07,919

program when they looked because they

549

00:23:12,789 --> 00:23:10,880

never knew of its existence i and others

550

00:23:16,470 --> 00:23:12,799

in my circle have discussed the topic

551
00:23:19,510 --> 00:23:16,480
with them of how one cannot find waived

552
00:23:22,230 --> 00:23:19,520
unacknowledged saps that operate outside

553
00:23:24,870 --> 00:23:22,240
of section 119 of the title of title 10

554
00:23:27,110 --> 00:23:24,880
in fact a dod office can create a shell

555
00:23:29,350 --> 00:23:27,120
company and then transfer funds to it

556
00:23:31,270 --> 00:23:29,360
under an unremarkable commercial defense

557
00:23:32,789 --> 00:23:31,280
services contract this way this is the

558
00:23:35,110 --> 00:23:32,799
way they hide

559
00:23:36,870 --> 00:23:35,120
a crash retrieval program

560
00:23:39,190 --> 00:23:36,880
then that shell company turns around and

561
00:23:41,350 --> 00:23:39,200
gives a subcontract to a third-party

562
00:23:44,230 --> 00:23:41,360
aerospace defense firm that hosts a

563
00:23:47,269 --> 00:23:44,240

waived unacknowledged sap

564

00:23:48,549 --> 00:23:47,279

that operates outside of section 119 of

565

00:23:51,110 --> 00:23:48,559

title 10.

566

00:23:53,830 --> 00:23:51,120

this usually hides making the audit

567

00:23:55,510 --> 00:23:53,840

trail terminate at the shell company

568

00:23:57,510 --> 00:23:55,520

the flow of money going to the third

569

00:24:00,149 --> 00:23:57,520

party company that's running a waived

570

00:24:03,269 --> 00:24:00,159

unacknowledged sap where a uap crash

571

00:24:04,470 --> 00:24:03,279

retrieval program is hidden so in other

572

00:24:05,510 --> 00:24:04,480

words

573

00:24:07,110 --> 00:24:05,520

people don't know about it in the

574

00:24:08,870 --> 00:24:07,120

government it's hidden

575

00:24:10,630 --> 00:24:08,880

that is not covered under that language

576

00:24:12,310 --> 00:24:10,640

where oh this is this is national

577

00:24:14,149 --> 00:24:12,320

security you know this is national

578

00:24:16,310 --> 00:24:14,159

security we can't talk about that those

579

00:24:18,230 --> 00:24:16,320

programs the one i just read especially

580

00:24:19,990 --> 00:24:18,240

if there's a crash retrieval program

581

00:24:21,350 --> 00:24:20,000

that is not covered under that now what

582

00:24:23,350 --> 00:24:21,360

that looks like when people come out and

583

00:24:26,230 --> 00:24:23,360

speak about it i don't know i don't know

584

00:24:28,390 --> 00:24:26,240

how that looks um but we'll get to see

585

00:24:30,630 --> 00:24:28,400

if this language makes it into into the

586

00:24:31,909 --> 00:24:30,640

ndaa and we have a long way to go you

587

00:24:33,269 --> 00:24:31,919

know we still have the senate to deal

588

00:24:34,470 --> 00:24:33,279

with this remember how it was last year

589

00:24:37,909 --> 00:24:34,480

with the language we were we were

590

00:24:41,510 --> 00:24:39,669

but it made it in and we got a lot of

591

00:24:44,310 --> 00:24:41,520

stuff in there we didn't expect

592

00:24:45,909 --> 00:24:44,320

talking about exploitation of uaps which

593

00:24:48,149 --> 00:24:45,919

basically is crash retrievals which lou

594

00:24:49,750 --> 00:24:48,159

confirmed um

595

00:24:51,110 --> 00:24:49,760

and i see everybody's people saying

596

00:24:52,230 --> 00:24:51,120

hello hello tom

597

00:24:54,470 --> 00:24:52,240

um

598

00:24:56,230 --> 00:24:54,480

let me read you dean's

599

00:24:58,070 --> 00:24:56,240

summary which is pretty quick and then

600

00:25:00,390 --> 00:24:58,080

you guys can ask any questions and use

601
00:25:01,990 --> 00:25:00,400
the link to join you know when i when i

602
00:25:03,750 --> 00:25:02,000
when we do spaces i did one for the

603
00:25:06,710 --> 00:25:03,760
first third time the other night it was

604
00:25:09,510 --> 00:25:06,720
like nine a thousand people came in

605
00:25:12,070 --> 00:25:09,520
i think 100 people spoke or 50 people

606
00:25:13,510 --> 00:25:12,080
saw what i was hoping to do a youtube

607
00:25:15,190 --> 00:25:13,520
spaces type thing because you can always

608
00:25:16,710 --> 00:25:15,200
put tape on your camera if you don't

609
00:25:18,070 --> 00:25:16,720
want to show your face

610
00:25:19,510 --> 00:25:18,080
for some reason people don't want to do

611
00:25:23,909 --> 00:25:19,520
it here though

612
00:25:29,750 --> 00:25:27,029
here we go so this is dean's analysis

613
00:25:31,510 --> 00:25:29,760

let me make it bigger

614

00:25:33,190 --> 00:25:31,520

all right

615

00:25:34,789 --> 00:25:33,200

so dean put this on facebook i'm so glad

616

00:25:36,710 --> 00:25:34,799

that he did so this is a lot shorter he

617

00:25:38,549 --> 00:25:36,720

goes breaking news two members of the

618

00:25:41,110 --> 00:25:38,559

u.s house of representatives committee

619

00:25:43,669 --> 00:25:41,120

on armed services gallagher

620

00:25:45,590 --> 00:25:43,679

and intelligence and special operations

621

00:25:48,630 --> 00:25:45,600

committee com subcommittee chairman

622

00:25:53,350 --> 00:25:50,950

apps let me get it bigger

623

00:25:55,430 --> 00:25:53,360

i have submitted a groundbreaking nine p

624

00:25:57,269 --> 00:25:55,440

nine page uap related amendment for

625

00:26:03,590 --> 00:25:57,279

possible addition to the house version

626
00:26:08,149 --> 00:26:05,669
among other things the proposal would

627
00:26:10,470 --> 00:26:08,159
require establishment of a secure system

628
00:26:12,390 --> 00:26:10,480
under which the central pentagon uap

629
00:26:14,710 --> 00:26:12,400
office as revamped by congress in

630
00:26:16,870 --> 00:26:14,720
december 2021

631
00:26:20,070 --> 00:26:16,880
may receive information about possible

632
00:26:21,750 --> 00:26:20,080
previously unreported uap related

633
00:26:23,510 --> 00:26:21,760
programs

634
00:26:25,029 --> 00:26:23,520
it's so huge if we get this language in

635
00:26:26,230 --> 00:26:25,039
and we go forward on this this is what

636
00:26:27,590 --> 00:26:26,240
we've been wanting it's probably the

637
00:26:31,510 --> 00:26:27,600
biggest news

638
00:26:32,870 --> 00:26:31,520

of legislation and anything related

639

00:26:35,029 --> 00:26:32,880

legally

640

00:26:36,789 --> 00:26:35,039

in the history of the subject so

641

00:26:38,230 --> 00:26:36,799

if we get this and i don't know how long

642

00:26:39,830 --> 00:26:38,240

it's going to take and lou said come

643

00:26:41,510 --> 00:26:39,840

back in five years if you want to talk

644

00:26:43,110 --> 00:26:41,520

crafts and bodies

645

00:26:46,789 --> 00:26:43,120

um i don't know if it's gonna take five

646

00:26:47,909 --> 00:26:46,799

years but the ball is rolling so

647

00:26:49,510 --> 00:26:47,919

you know

648

00:26:52,149 --> 00:26:49,520

unless we have another

649

00:26:54,950 --> 00:26:52,159

ufo crash and we have it live on

650

00:26:57,190 --> 00:26:54,960

television or some massive sighting this

651
00:26:59,830 --> 00:26:57,200
is so important it's so important that

652
00:27:02,070 --> 00:26:59,840
we have this gallego spoke to the right

653
00:27:04,710 --> 00:27:02,080
people the right people not gallego

654
00:27:07,830 --> 00:27:04,720
gallagher and gallego too um

655
00:27:09,909 --> 00:27:07,840
so kudos to both of them and it's

656
00:27:11,350 --> 00:27:09,919
dean continues he goes

657
00:27:13,110 --> 00:27:11,360
so

658
00:27:15,430 --> 00:27:13,120
they're gonna may receive information

659
00:27:17,590 --> 00:27:15,440
about possible previously unreported uap

660
00:27:19,350 --> 00:27:17,600
related programs or data held anywhere

661
00:27:20,549 --> 00:27:19,360
within the government

662
00:27:24,710 --> 00:27:20,559
and

663
00:27:29,350 --> 00:27:27,029

that you guys want to join tom i know

664

00:27:32,070 --> 00:27:29,360

you've joined me before in private feel

665

00:27:36,710 --> 00:27:32,080

free to join after i read this with dean

666

00:27:39,350 --> 00:27:37,510

so

667

00:27:41,590 --> 00:27:39,360

um

668

00:27:44,230 --> 00:27:41,600

so that information reported would be

669

00:27:46,389 --> 00:27:44,240

then transmitted

670

00:27:49,190 --> 00:27:46,399

by to key lawmakers the proposal would

671

00:27:51,590 --> 00:27:49,200

provide legal protections

672

00:27:53,430 --> 00:27:51,600

for current or past military

673

00:27:55,350 --> 00:27:53,440

past military there could be so many

674

00:27:58,950 --> 00:27:55,360

witnesses from this past military

675

00:28:00,950 --> 00:27:58,960

whoever's alive from the 40s or 50s

676
00:28:03,110 --> 00:28:00,960
past military and intelligence agency

677
00:28:05,669 --> 00:28:03,120
employees government contractors

678
00:28:08,149 --> 00:28:05,679
the government contractors would be

679
00:28:09,590 --> 00:28:08,159
crash retrieval related i believe um i

680
00:28:11,510 --> 00:28:09,600
don't know if it was all the government

681
00:28:12,950 --> 00:28:11,520
contractors but that's the that's what

682
00:28:14,149 --> 00:28:12,960
wilson davis says you know one of the

683
00:28:16,310 --> 00:28:14,159
best top

684
00:28:19,990 --> 00:28:16,320
aerospace companies is in control of

685
00:28:21,590 --> 00:28:20,000
that craft alleged intact craft

686
00:28:23,750 --> 00:28:21,600
they can all come come forward to

687
00:28:26,789 --> 00:28:23,760
provide uap related information through

688
00:28:28,389 --> 00:28:26,799

this secure system

689

00:28:30,549 --> 00:28:28,399

as i read this proposal it does not

690

00:28:32,230 --> 00:28:30,559

include any new legal obligations for

691

00:28:34,470 --> 00:28:32,240

individuals in possession of such

692

00:28:35,990 --> 00:28:34,480

information so yeah that's a big part

693

00:28:37,990 --> 00:28:36,000

that's missing right now maybe we'll get

694

00:28:40,149 --> 00:28:38,000

it later so there's nothing that says if

695

00:28:41,830 --> 00:28:40,159

you don't come forward as lou said if

696

00:28:43,750 --> 00:28:41,840

you don't come forward you're going to

697

00:28:45,510 --> 00:28:43,760

jail in six months for being part of an

698

00:28:47,830 --> 00:28:45,520

illegal program whatever whatever the

699

00:28:49,350 --> 00:28:47,840

legality is there is not anything like

700

00:28:51,029 --> 00:28:49,360

that in this language

701
00:28:52,789 --> 00:28:51,039
hopefully that comes because that will

702
00:28:54,870 --> 00:28:52,799
push these people to come forward this

703
00:28:56,710 --> 00:28:54,880
you know if it's me like you're like all

704
00:28:58,950 --> 00:28:56,720
right i don't want to go to jail

705
00:29:00,389 --> 00:28:58,960
so i will tell you what i know

706
00:29:02,149 --> 00:29:00,399
i'm sure there'll be some people who

707
00:29:03,110 --> 00:29:02,159
just refuse to put up the information

708
00:29:05,269 --> 00:29:03,120
because they think it's too

709
00:29:07,110 --> 00:29:05,279
world-changing and people can't handle

710
00:29:08,789 --> 00:29:07,120
it i mean i talked to somebody who's in

711
00:29:11,510 --> 00:29:08,799
the wilson davis notes

712
00:29:13,430 --> 00:29:11,520
and one of the things they told me

713
00:29:14,710 --> 00:29:13,440

and it's in my mega blog he's like you

714

00:29:16,310 --> 00:29:14,720

don't want to bring this information

715

00:29:18,070 --> 00:29:16,320

forward it would ruin religions it would

716

00:29:19,830 --> 00:29:18,080

just be bad nothing good can come from

717

00:29:21,990 --> 00:29:19,840

that so there are people like that

718

00:29:23,750 --> 00:29:22,000

and that person was really connected to

719

00:29:24,549 --> 00:29:23,760

the special access

720

00:29:27,909 --> 00:29:24,559

um

721

00:29:29,590 --> 00:29:27,919

sapco special access program

722

00:29:33,029 --> 00:29:29,600

coordinating office and that's probably

723

00:29:34,710 --> 00:29:33,039

wrong anyway um so dean says no legal

724

00:29:36,230 --> 00:29:34,720

obligations for individuals in this

725

00:29:37,990 --> 00:29:36,240

language in possession of such

726

00:29:39,750 --> 00:29:38,000

information to report it into the system

727

00:29:42,149 --> 00:29:39,760

although such requirements may already

728

00:29:43,669 --> 00:29:42,159

exist in some circumstances so i don't

729

00:29:45,510 --> 00:29:43,679

know what he's talking about there like

730

00:29:47,029 --> 00:29:45,520

i said i tried to get him under current

731

00:29:49,190 --> 00:29:47,039

laws so i guess if there's certain

732

00:29:51,350 --> 00:29:49,200

certain law says if you're part of a

733

00:29:52,710 --> 00:29:51,360

program that's not legal or off the

734

00:29:55,350 --> 00:29:52,720

books you have to come forward i don't

735

00:29:57,029 --> 00:29:55,360

know what he's talking about um

736

00:29:59,110 --> 00:29:57,039

because rather the proposal appear

737

00:30:01,430 --> 00:29:59,120

appears to provide broad protections

738

00:30:03,830 --> 00:30:01,440

against legal consequences or agency

739

00:30:06,389 --> 00:30:03,840

reprisals for individuals who decide to

740

00:30:08,549 --> 00:30:06,399

report pertinent uap related information

741

00:30:09,750 --> 00:30:08,559

into the new secure system and somebody

742

00:30:11,909 --> 00:30:09,760

said does that mean lou could come

743

00:30:12,870 --> 00:30:11,919

forward and tell everything he knows no

744

00:30:14,230 --> 00:30:12,880

but

745

00:30:16,070 --> 00:30:14,240

there are things and i've harped on this

746

00:30:18,149 --> 00:30:16,080

before that are sensitive but not

747

00:30:20,230 --> 00:30:18,159

classified and i'm hoping that

748

00:30:22,230 --> 00:30:20,240

information can be shared if it's not

749

00:30:24,389 --> 00:30:22,240

classified but it's sensitive because it

750

00:30:26,149 --> 00:30:24,399

might embarrass the government we don't

751

00:30:28,470 --> 00:30:26,159

care you need to tell us that

752

00:30:30,789 --> 00:30:28,480

information if it's not classified share

753

00:30:31,909 --> 00:30:30,799

it so we may may get that information

754

00:30:33,669 --> 00:30:31,919

first we're obviously not getting

755

00:30:35,350 --> 00:30:33,679

classified information although some of

756

00:30:36,389 --> 00:30:35,360

it should not be classified as all of us

757

00:30:39,110 --> 00:30:36,399

know

758

00:30:41,430 --> 00:30:39,120

if we have a craft and bodies that fact

759

00:30:43,269 --> 00:30:41,440

should not be classified it's

760

00:30:44,950 --> 00:30:43,279

the whole world should know that it

761

00:30:46,870 --> 00:30:44,960

doesn't mean russia is going to be able

762

00:30:49,669 --> 00:30:46,880

to reverse engineer it just because we

763

00:30:51,350 --> 00:30:49,679

say we have a craft it's nonsense

764

00:30:53,430 --> 00:30:51,360

and i've heard that argument

765

00:30:55,350 --> 00:30:53,440

from people i know behind the scenes and

766

00:30:56,710 --> 00:30:55,360

i totally disagree with it

767

00:30:58,389 --> 00:30:56,720

dean continues

768

00:31:00,230 --> 00:30:58,399

the proposal does not contain any

769

00:31:02,070 --> 00:31:00,240

requirement that any uap related

770

00:31:04,230 --> 00:31:02,080

information reported into the new secure

771

00:31:05,750 --> 00:31:04,240

system would necessarily be made public

772

00:31:07,750 --> 00:31:05,760

that sucks

773

00:31:10,310 --> 00:31:07,760

hopefully i mean if it's not made public

774

00:31:12,230 --> 00:31:10,320

it's kind of like

775

00:31:13,990 --> 00:31:12,240

useless not useless but we need to see

776

00:31:16,149 --> 00:31:14,000

the stuff public to get the masses

777

00:31:18,549 --> 00:31:16,159

involved we need to have witness after

778

00:31:20,310 --> 00:31:18,559

witness after witness who said i worked

779

00:31:23,190 --> 00:31:20,320

in the crash retrieval program this is

780

00:31:24,789 --> 00:31:23,200

exactly what i did here are pictures we

781

00:31:25,909 --> 00:31:24,799

need that we need those folks we need to

782

00:31:28,230 --> 00:31:25,919

see their names we need to see their

783

00:31:29,830 --> 00:31:28,240

faces we need to look into their eyes um

784

00:31:31,269 --> 00:31:29,840

obviously we need to see the craft for

785

00:31:34,389 --> 00:31:31,279

ourselves i don't think that's happening

786

00:31:35,750 --> 00:31:34,399

for a while if ever in my lifetime but

787

00:31:37,350 --> 00:31:35,760

this is a start

788

00:31:40,149 --> 00:31:37,360

the house rules committee is expected to

789

00:31:41,269 --> 00:31:40,159

decide during the week of july 11th

790

00:31:43,350 --> 00:31:41,279

which is

791

00:31:44,630 --> 00:31:43,360

which of the nearly 1200 submitted

792

00:31:46,789 --> 00:31:44,640

amendments there's a whole bunch of

793

00:31:48,870 --> 00:31:46,799

amendments this is just one

794

00:31:51,590 --> 00:31:48,880

uh this is the only uap related one that

795

00:31:54,310 --> 00:31:51,600

i know of which of the nearly 1200

796

00:31:55,990 --> 00:31:54,320

submitted amendments to h.r 7900 may be

797

00:31:57,830 --> 00:31:56,000

considered on the floor of the house of

798

00:32:00,149 --> 00:31:57,840

representatives the full house of

799

00:32:02,230 --> 00:32:00,159

representatives might take up the ndaa

800

00:32:04,070 --> 00:32:02,240

and consider in-order amendments during

801
00:32:05,909 --> 00:32:04,080
the same week or during the following

802
00:32:07,909 --> 00:32:05,919
week so we're going to know pretty quick

803
00:32:10,070 --> 00:32:07,919
where this language is going

804
00:32:13,110 --> 00:32:10,080
there is no uap language in the version

805
00:32:15,110 --> 00:32:13,120
of the ndaa as yet unnumbered that was

806
00:32:16,789 --> 00:32:15,120
reported out of the senate armed service

807
00:32:19,750 --> 00:32:16,799
committee our armed services committee

808
00:32:22,149 --> 00:32:19,760
on june 16th the senate may take up its

809
00:32:24,070 --> 00:32:22,159
version of the ndaa before the end of

810
00:32:24,870 --> 00:32:24,080
july let's hope so we need to send it on

811
00:32:28,070 --> 00:32:24,880
this

812
00:32:29,590 --> 00:32:28,080
i don't see why rubel rubio and and

813
00:32:30,710 --> 00:32:29,600

and gillibrand will not have their own

814

00:32:35,190 --> 00:32:30,720

version

815

00:32:37,430 --> 00:32:35,200

be hammered out in negotiations between

816

00:32:39,350 --> 00:32:37,440

key lawmakers on the respective senate

817

00:32:42,789 --> 00:32:39,360

and house committees

818

00:32:45,110 --> 00:32:42,799

in short the gallagher gallego proposal

819

00:32:47,590 --> 00:32:45,120

still has many legislative hurdles ahead

820

00:32:49,990 --> 00:32:47,600

of it but its bipartisan sponsorship is

821

00:32:52,230 --> 00:32:50,000

a very part that's important

822

00:32:54,070 --> 00:32:52,240

lots of hurdles ahead of the ahead of it

823

00:32:56,149 --> 00:32:54,080

but it's bipartisan sponsorship is a

824

00:32:58,310 --> 00:32:56,159

very positive factor senate select

825

00:33:00,470 --> 00:32:58,320

committee on intelligence on june 23rd

826
00:33:03,430 --> 00:33:00,480
approved its version of an intelligence

827
00:33:05,350 --> 00:33:03,440
authorization act for 2023

828
00:33:07,509 --> 00:33:05,360
the bill text has not yet been made

829
00:33:09,990 --> 00:33:07,519
public but a press release issued by

830
00:33:12,710 --> 00:33:10,000
warner and rubio said that it contains a

831
00:33:14,630 --> 00:33:12,720
provision enhancing oversight of

832
00:33:17,430 --> 00:33:14,640
intelligence community and dod

833
00:33:20,310 --> 00:33:17,440
collection and reporting of

834
00:33:22,389 --> 00:33:20,320
unidentified aerospace undersea

835
00:33:23,669 --> 00:33:22,399
phenomena so yeah we're dying to see

836
00:33:25,750 --> 00:33:23,679
that language

837
00:33:27,509 --> 00:33:25,760
and hopefully it's similar to this about

838
00:33:29,350 --> 00:33:27,519

giving people protection we need the

839

00:33:31,430 --> 00:33:29,360

protection and we need to be able to get

840

00:33:32,389 --> 00:33:31,440

access to these special access access

841

00:33:34,630 --> 00:33:32,399

programs

842

00:33:37,669 --> 00:33:34,640

if they exist and in my opinion

843

00:33:39,669 --> 00:33:37,679

unless this has been one giant scam for

844

00:33:42,070 --> 00:33:39,679

decades i think those programming

845

00:33:42,950 --> 00:33:42,080

programs exist i once asked eric davis i

846

00:33:45,029 --> 00:33:42,960

said

847

00:33:46,789 --> 00:33:45,039

in your opinion on a scale of one to ten

848

00:33:48,950 --> 00:33:46,799

how sure are you that there's a crash

849

00:33:50,310 --> 00:33:48,960

retrieval program and he said on a scale

850

00:33:51,750 --> 00:33:50,320

of one to ten

851
00:33:53,590 --> 00:33:51,760
a hundred and he goes and i'm not the

852
00:33:54,710 --> 00:33:53,600
only one there's people alive that

853
00:33:57,029 --> 00:33:54,720
believe that and there are people who

854
00:33:58,789 --> 00:33:57,039
are now dead who believe that

855
00:34:01,430 --> 00:33:58,799
believed that

856
00:34:03,190 --> 00:34:01,440
in many years but i still need to see it

857
00:34:04,549 --> 00:34:03,200
for myself and all of us do too we could

858
00:34:06,310 --> 00:34:04,559
say as much as we want that we believe

859
00:34:08,470 --> 00:34:06,320
it or we have opinions that it exists

860
00:34:09,510 --> 00:34:08,480
but we need to see it we need to see it

861
00:34:11,909 --> 00:34:09,520
because there are people who think it's

862
00:34:14,629 --> 00:34:11,919
all a psyop like eric weinstein and i'm

863
00:34:16,230 --> 00:34:14,639

open i'm open like this i'm keeping my

864

00:34:17,829 --> 00:34:16,240

mind open because i haven't seen it for

865

00:34:19,510 --> 00:34:17,839

myself but

866

00:34:21,829 --> 00:34:19,520

i lean heavily towards this stuff

867

00:34:23,750 --> 00:34:21,839

existing i don't see why they would keep

868

00:34:25,589 --> 00:34:23,760

it quiet this long to full russia and

869

00:34:27,589 --> 00:34:25,599

china or you know it would be the soviet

870

00:34:29,190 --> 00:34:27,599

union we were fooling back then

871

00:34:31,190 --> 00:34:29,200

all these years the f i mean would they

872

00:34:33,990 --> 00:34:31,200

even buy that and it was it was kit

873

00:34:36,550 --> 00:34:34,000

green i was reading uh jacques la's

874

00:34:38,149 --> 00:34:36,560

forbidden science vol 4 and kit green

875

00:34:39,829 --> 00:34:38,159

suggested maybe this crash retrieval

876

00:34:41,510 --> 00:34:39,839

stuff is all to fool the russians and

877

00:34:43,270 --> 00:34:41,520

valet's like would they even buy that

878

00:34:46,149 --> 00:34:43,280

would they even believe it

879

00:34:48,389 --> 00:34:46,159

anyway um

880

00:34:50,389 --> 00:34:48,399

in many years the ndaa and the

881

00:34:51,990 --> 00:34:50,399

intelligence authorization act emerged

882

00:34:53,750 --> 00:34:52,000

at a later stage in the legislative

883

00:34:56,149 --> 00:34:53,760

process however this does not occur

884

00:34:57,589 --> 00:34:56,159

every year and it did not occur

885

00:34:59,670 --> 00:34:57,599

last year

886

00:35:02,470 --> 00:34:59,680

which were enacted separately each with

887

00:35:04,230 --> 00:35:02,480

distinct but non-conflicting uap related

888

00:35:05,190 --> 00:35:04,240

provisions because they work together on

889

00:35:08,470 --> 00:35:05,200

it

890

00:35:12,150 --> 00:35:10,550

um

891

00:35:13,990 --> 00:35:12,160

nobody really commented on that from

892

00:35:15,510 --> 00:35:14,000

dean which is great that dean did that

893

00:35:17,990 --> 00:35:15,520

but you guys

894

00:35:22,310 --> 00:35:18,000

can ask any questions and i will go

895

00:35:25,190 --> 00:35:22,320

through them for another half an hour

896

00:35:25,200 --> 00:35:29,430

so i

897

00:35:32,550 --> 00:35:30,950

i'm just seeing this i know there's

898

00:35:33,990 --> 00:35:32,560

comments earlier but

899

00:35:37,990 --> 00:35:34,000

anyway

900

00:35:41,270 --> 00:35:39,670

let's see

901
00:35:43,510 --> 00:35:41,280
have any questions earlier just ask

902
00:35:46,150 --> 00:35:43,520
again if not i'll i'll end early so it's

903
00:35:47,670 --> 00:35:46,160
all right james you can watch it later

904
00:35:49,510 --> 00:35:47,680
say poc the special access program

905
00:35:51,430 --> 00:35:49,520
oversight committees yeah that's i spoke

906
00:35:53,589 --> 00:35:51,440
with somebody

907
00:35:55,109 --> 00:35:53,599
who had

908
00:35:56,550 --> 00:35:55,119
i don't know write the right wording

909
00:36:03,030 --> 00:35:56,560
they were part of that it's in my it's

910
00:36:05,510 --> 00:36:04,069
that was the

911
00:36:09,190 --> 00:36:05,520
scariest thing i've ever done as far as

912
00:36:10,870 --> 00:36:09,200
making a blind phone call like that

913
00:36:13,510 --> 00:36:10,880

i didn't make a graphic darn i was gonna

914

00:36:14,790 --> 00:36:13,520

make a graphic for this and i did not do

915

00:36:17,109 --> 00:36:14,800

it

916

00:36:18,230 --> 00:36:17,119

so anyway

917

00:36:23,589 --> 00:36:18,240

you guys

918

00:36:27,190 --> 00:36:25,109

oh you're welcome yeah the hearing was

919

00:36:28,950 --> 00:36:27,200

good i was gonna do brazil i'm glad i'm

920

00:36:34,230 --> 00:36:28,960

glad i didn't do it was so it was like

921

00:36:37,109 --> 00:36:35,589

have you talked to mike smith about the

922

00:36:38,390 --> 00:36:37,119

documents he uncovered while filming the

923

00:36:39,750 --> 00:36:38,400

documentary that started out having

924

00:36:41,910 --> 00:36:39,760

nothing to do with no i don't i don't

925

00:36:43,910 --> 00:36:41,920

even know what that is so

926

00:36:46,470 --> 00:36:43,920

let me know what that is i don't know

927

00:36:50,069 --> 00:36:48,230

the b1 bomber program ended up getting

928

00:36:51,990 --> 00:36:50,079

disclosed because northrup would have

929

00:36:53,670 --> 00:36:52,000

gotten in trouble with the sec for not

930

00:36:55,670 --> 00:36:53,680

notifying stockholders over material

931

00:36:56,950 --> 00:36:55,680

financial information

932

00:36:59,109 --> 00:36:56,960

there's going to be issues with that you

933

00:37:00,390 --> 00:36:59,119

know lewis touched upon it and by the

934

00:37:03,510 --> 00:37:00,400

way i know people who think that the

935

00:37:05,910 --> 00:37:03,520

crash retrieval program is

936

00:37:06,829 --> 00:37:05,920

foreign technology other people believe

937

00:37:09,670 --> 00:37:06,839

it's

938

00:37:12,470 --> 00:37:09,680

non-existent and lou has said

939

00:37:14,390 --> 00:37:12,480

if it's there and some specific

940

00:37:16,230 --> 00:37:14,400

aerospace company had

941

00:37:17,589 --> 00:37:16,240

access to technology that other folks

942

00:37:20,310 --> 00:37:17,599

did not

943

00:37:22,069 --> 00:37:20,320

then that's going to be a problem we get

944

00:37:23,750 --> 00:37:22,079

legally i'm gonna because the other

945

00:37:26,230 --> 00:37:23,760

people had they had they had this they

946

00:37:27,829 --> 00:37:26,240

had an advantage over everybody else

947

00:37:29,430 --> 00:37:27,839

what's up sam

948

00:37:30,870 --> 00:37:29,440

what is up joe how you doing can you

949

00:37:32,870 --> 00:37:30,880

hear me okay

950

00:37:35,829 --> 00:37:32,880

i can hear you okay i can hear you very

951
00:37:37,270 --> 00:37:35,839
well thank you for being a part of this

952
00:37:39,349 --> 00:37:37,280
dude i love that you're going over it

953
00:37:40,710 --> 00:37:39,359
i'm not a good i'm not good at paperwork

954
00:37:43,270 --> 00:37:40,720
i'll just put it that way so it's good

955
00:37:44,790 --> 00:37:43,280
to hear yeah can you lay down with this

956
00:37:46,310 --> 00:37:44,800
oh you follow you follow the trails

957
00:37:47,829 --> 00:37:46,320
pretty well so i'm really impressed and

958
00:37:49,030 --> 00:37:47,839
it's good to hear kind of a breakdown

959
00:37:50,710 --> 00:37:49,040
someone piqued my interest you were

960
00:37:51,829 --> 00:37:50,720
talking about how like eric weinstein

961
00:37:54,310 --> 00:37:51,839
and other people might think this is

962
00:37:55,750 --> 00:37:54,320
kind of a psyop i'm very fascinated with

963
00:37:57,589 --> 00:37:55,760

that perspective

964

00:37:59,270 --> 00:37:57,599

uh and eric weinstein you know like he's

965

00:38:01,589 --> 00:37:59,280

he's on the forefront and when he says

966

00:38:02,630 --> 00:38:01,599

something people listen um so i'm

967

00:38:05,589 --> 00:38:02,640

curious

968

00:38:07,910 --> 00:38:05,599

with uh with this movement uh do you

969

00:38:09,109 --> 00:38:07,920

think that there's going to be um

970

00:38:11,349 --> 00:38:09,119

it's going to be harder for people like

971

00:38:13,750 --> 00:38:11,359

eric to consider this all a psyop are we

972

00:38:16,150 --> 00:38:13,760

moving towards like a really good uh

973

00:38:18,150 --> 00:38:16,160

acknowledgement from even academics

974

00:38:19,670 --> 00:38:18,160

with this type of move depends on how

975

00:38:21,510 --> 00:38:19,680

many witnesses come forward and depends

976

00:38:23,190 --> 00:38:21,520

on what they say i mean if you get

977

00:38:25,190 --> 00:38:23,200

credible scientist after credible

978

00:38:27,510 --> 00:38:25,200

scientist after credible member of the

979

00:38:29,349 --> 00:38:27,520

air force or whoever these folks are

980

00:38:31,109 --> 00:38:29,359

right i think it's gonna turn the tide

981

00:38:33,430 --> 00:38:31,119

and people are gonna say okay obviously

982

00:38:35,030 --> 00:38:33,440

not everybody is lying

983

00:38:36,790 --> 00:38:35,040

it's so important if we have a couple of

984

00:38:38,870 --> 00:38:36,800

people yeah but you know you look at the

985

00:38:41,190 --> 00:38:38,880

wilson davis notes if that's accurate

986

00:38:43,750 --> 00:38:41,200

there was 400 to 800 people on that

987

00:38:45,589 --> 00:38:43,760

bigot list just for that one program

988

00:38:47,190 --> 00:38:45,599

if we can get a percentage say we can

989

00:38:49,109 --> 00:38:47,200

get 10 we get

990

00:38:51,430 --> 00:38:49,119

the low number we get 40 people coming

991

00:38:53,510 --> 00:38:51,440

forward and say throughout the years i

992

00:38:55,270 --> 00:38:53,520

worked on the program i had you know we

993

00:38:57,270 --> 00:38:55,280

had an intact craft that we thought

994

00:38:59,349 --> 00:38:57,280

could fly through other dimensions water

995

00:39:01,109 --> 00:38:59,359

air space and you just get witnessed

996

00:39:03,349 --> 00:39:01,119

after witness after witness at some

997

00:39:05,910 --> 00:39:03,359

point you would think people who think

998

00:39:07,990 --> 00:39:05,920

psyop are going to give in and say

999

00:39:09,430 --> 00:39:08,000

obviously this was real whatever this

1000

00:39:10,630 --> 00:39:09,440

was right

1001
00:39:12,710 --> 00:39:10,640
you know and i don't know how they're

1002
00:39:14,390 --> 00:39:12,720
going to show us craft if they let's say

1003
00:39:15,990 --> 00:39:14,400
they have an intact craft are they going

1004
00:39:18,550 --> 00:39:16,000
to show us pictures like bigelow has

1005
00:39:20,470 --> 00:39:18,560
alluded to pictures video i mean we're

1006
00:39:21,990 --> 00:39:20,480
not going to are they going to take it

1007
00:39:24,069 --> 00:39:22,000
are they going to take a field trip and

1008
00:39:25,510 --> 00:39:24,079
bring a videographer and say here it is

1009
00:39:27,589 --> 00:39:25,520
i don't know how that's going to work

1010
00:39:29,349 --> 00:39:27,599
yeah i wonder i think producing a film

1011
00:39:32,150 --> 00:39:29,359
or a small documentary would be really

1012
00:39:35,349 --> 00:39:33,990
especially the witnesses the witnesses

1013
00:39:37,910 --> 00:39:35,359

who worked in the program bring them

1014

00:39:39,990 --> 00:39:37,920

there yes yes and i don't know if the

1015

00:39:41,589 --> 00:39:40,000

government really utilizes uh video and

1016

00:39:43,589 --> 00:39:41,599

film as much as they should i mean with

1017

00:39:45,270 --> 00:39:43,599

us with a nice soft music track they can

1018

00:39:47,430 --> 00:39:45,280

make people feel sympathetic towards the

1019

00:39:48,950 --> 00:39:47,440

cost it would be really smart for them

1020

00:39:50,630 --> 00:39:48,960

to produce stuff like that to kind of

1021

00:39:51,829 --> 00:39:50,640

get people up to speed but it is

1022

00:39:53,430 --> 00:39:51,839

interesting that we kind of have the

1023

00:39:54,150 --> 00:39:53,440

ball in our court as far as how we want

1024

00:39:55,910 --> 00:39:54,160

to

1025

00:39:57,829 --> 00:39:55,920

perceive this thing um but i think

1026

00:39:59,430 --> 00:39:57,839

you're right like um

1027

00:40:00,870 --> 00:39:59,440

a craft would be great you know what i

1028

00:40:02,710 --> 00:40:00,880

mean but a lot a lot of these people

1029

00:40:04,630 --> 00:40:02,720

coming forward on an official level yeah

1030

00:40:06,630 --> 00:40:04,640

it would be it would mean the world and

1031

00:40:09,030 --> 00:40:06,640

uh i feel like they have done that to a

1032

00:40:11,190 --> 00:40:09,040

degree back with like uh even steven

1033

00:40:13,750 --> 00:40:11,200

grier's projects you know like let's say

1034

00:40:15,750 --> 00:40:13,760

pre 2000 2001 right

1035

00:40:17,829 --> 00:40:15,760

there was like a he had a huge effort to

1036

00:40:19,589 --> 00:40:17,839

get people out and talking about it but

1037

00:40:21,030 --> 00:40:19,599

i will say that like

1038

00:40:22,870 --> 00:40:21,040

one of the confusing aspects of that

1039

00:40:24,950 --> 00:40:22,880

piece was that there wasn't really any

1040

00:40:26,710 --> 00:40:24,960

solid bread crumbs to follow you just

1041

00:40:28,550 --> 00:40:26,720

kind of were left knowing something was

1042

00:40:30,390 --> 00:40:28,560

unknown but you didn't get a clear

1043

00:40:32,309 --> 00:40:30,400

description of specific craft you didn't

1044

00:40:34,069 --> 00:40:32,319

get a clear description of propulsion

1045

00:40:35,829 --> 00:40:34,079

there wasn't really anything to land on

1046

00:40:38,150 --> 00:40:35,839

other than that there was something

1047

00:40:40,309 --> 00:40:38,160

there i think if we move forward um with

1048

00:40:41,910 --> 00:40:40,319

more you know efforts to get people on

1049

00:40:43,829 --> 00:40:41,920

an official level to talk about it it

1050

00:40:46,309 --> 00:40:43,839

would be really nice if while they did

1051
00:40:47,750 --> 00:40:46,319
that we were able to build some type of

1052
00:40:48,710 --> 00:40:47,760
you know in our mind a structure for

1053
00:40:50,550 --> 00:40:48,720
this stuff like where do we

1054
00:40:52,230 --> 00:40:50,560
compartmentalize the craft you know

1055
00:40:53,349 --> 00:40:52,240
what's what's an abduction you know this

1056
00:40:56,309 --> 00:40:53,359
type of stuff i think would be really

1057
00:40:59,030 --> 00:40:56,319
cool uh as they as they uh rolled this

1058
00:41:01,349 --> 00:40:59,040
stuff out to give us a

1059
00:41:04,630 --> 00:41:01,359
structure to place everything

1060
00:41:06,230 --> 00:41:04,640
and and i don't know and i will amy i'll

1061
00:41:07,270 --> 00:41:06,240
put the document in the notes as soon as

1062
00:41:09,910 --> 00:41:07,280
we're done

1063
00:41:12,069 --> 00:41:09,920

um i don't know if there would be an

1064

00:41:14,870 --> 00:41:12,079

abduction special access program that

1065

00:41:17,109 --> 00:41:14,880

looked just into that but if there is oh

1066

00:41:18,870 --> 00:41:17,119

my god imagine that imagine people

1067

00:41:20,870 --> 00:41:18,880

coming forward talking about what they

1068

00:41:22,550 --> 00:41:20,880

learned about abductions i mean

1069

00:41:24,630 --> 00:41:22,560

that's not what i'm foreseeing coming

1070

00:41:25,829 --> 00:41:24,640

right now i'm for seeing amazing

1071

00:41:28,470 --> 00:41:25,839

sightings and

1072

00:41:30,550 --> 00:41:28,480

same and data and hopefully a crash

1073

00:41:33,430 --> 00:41:30,560

retrieval program as far as

1074

00:41:35,510 --> 00:41:33,440

as far as getting access to it um yeah

1075

00:41:37,510 --> 00:41:35,520

and maybe bodies there would be biology

1076

00:41:40,150 --> 00:41:37,520

i mean this is the thing that opened my

1077

00:41:41,750 --> 00:41:40,160

mind to the psyop possibility kit green

1078

00:41:43,589 --> 00:41:41,760

in his interview with richard dolan said

1079

00:41:44,790 --> 00:41:43,599

he was given multiple opportunities they

1080

00:41:46,630 --> 00:41:44,800

brought him in they're like we're gonna

1081

00:41:48,870 --> 00:41:46,640

read you into the top program the top

1082

00:41:50,390 --> 00:41:48,880

ufo program and every time i don't know

1083

00:41:52,069 --> 00:41:50,400

if it was two or three times at the very

1084

00:41:53,990 --> 00:41:52,079

last minute they said sorry you're not

1085

00:41:55,349 --> 00:41:54,000

getting read in so either he did

1086

00:41:57,670 --> 00:41:55,359

something that they said you know we

1087

00:41:58,010 --> 00:41:57,680

can't trust this guy or it didn't exist

1088

00:41:59,190 --> 00:41:58,020

um

1089

00:42:02,390 --> 00:41:59,200

[Music]

1090

00:42:03,750 --> 00:42:02,400

and then also eric weinstein said he's

1091

00:42:06,390 --> 00:42:03,760

been told you know he's going to be

1092

00:42:07,990 --> 00:42:06,400

given information and and he's he has

1093

00:42:10,069 --> 00:42:08,000

not been given that information so what

1094

00:42:11,910 --> 00:42:10,079

the hell is going on you know yeah there

1095

00:42:13,270 --> 00:42:11,920

was some like weird delay right they

1096

00:42:15,510 --> 00:42:13,280

were told hey get ready something's

1097

00:42:16,550 --> 00:42:15,520

going to happen yeah sam harris and him

1098

00:42:20,069 --> 00:42:16,560

yeah

1099

00:42:21,670 --> 00:42:20,079

sam harris like kind of like like uh

1100

00:42:23,670 --> 00:42:21,680

yeah i've been told in more or less

1101
00:42:25,270 --> 00:42:23,680
words that this is this is going on and

1102
00:42:26,790 --> 00:42:25,280
to get ready and then we heard nothing

1103
00:42:29,190 --> 00:42:26,800
and then neither did they that was

1104
00:42:30,790 --> 00:42:29,200
shocking to find out but yeah yeah it's

1105
00:42:32,230 --> 00:42:30,800
the same pattern it's the same pattern

1106
00:42:33,030 --> 00:42:32,240
as kid green what happened with ken

1107
00:42:35,589 --> 00:42:33,040
green

1108
00:42:36,790 --> 00:42:35,599
um somebody asks mark pilkerton

1109
00:42:38,390 --> 00:42:36,800
approached the subject of the scythe

1110
00:42:40,230 --> 00:42:38,400
angle and mirage man looked at a lot of

1111
00:42:41,990 --> 00:42:40,240
cold war era classified programs well

1112
00:42:43,510 --> 00:42:42,000
written yeah i

1113
00:42:47,430 --> 00:42:43,520

i've seen

1114

00:42:48,230 --> 00:42:47,440

haven't read all of it it's interesting

1115

00:42:50,309 --> 00:42:48,240

um

1116

00:42:51,750 --> 00:42:50,319

imagine if we were all fooled all of

1117

00:42:53,510 --> 00:42:51,760

this time i know there are people that

1118

00:42:54,790 --> 00:42:53,520

believe that i don't believe that

1119

00:42:57,670 --> 00:42:54,800

there's just too many witnesses

1120

00:42:59,030 --> 00:42:57,680

especially civilians at the very least

1121

00:43:00,550 --> 00:42:59,040

we have

1122

00:43:02,710 --> 00:43:00,560

at the very least there is technology on

1123

00:43:05,270 --> 00:43:02,720

this planet that does amazing things in

1124

00:43:07,910 --> 00:43:05,280

my opinion but we have not seen it's all

1125

00:43:09,589 --> 00:43:07,920

witness testimony so i have never seen a

1126

00:43:11,030 --> 00:43:09,599

video that just blows me away that's

1127

00:43:13,190 --> 00:43:11,040

what everybody wants

1128

00:43:14,870 --> 00:43:13,200

and everybody wants that and you know we

1129

00:43:16,390 --> 00:43:14,880

see like the nasa video that's going

1130

00:43:18,630 --> 00:43:16,400

around from five years ago it's all

1131

00:43:21,430 --> 00:43:18,640

right it's fine that is not gonna wake

1132

00:43:22,870 --> 00:43:21,440

up my family and friends it's gonna be

1133

00:43:24,630 --> 00:43:22,880

we need

1134

00:43:26,870 --> 00:43:24,640

if it's an f-18 sighting where they came

1135

00:43:29,109 --> 00:43:26,880

up up close you know ryan graves said

1136

00:43:30,550 --> 00:43:29,119

the cube within a spear was off the wing

1137

00:43:32,630 --> 00:43:30,560

of the plane

1138

00:43:34,150 --> 00:43:32,640

paced the plane for a while the f-18 and

1139

00:43:35,750 --> 00:43:34,160

then just took off straight up so if we

1140

00:43:37,750 --> 00:43:35,760

had that video

1141

00:43:39,430 --> 00:43:37,760

if we have that video and we also have

1142

00:43:41,510 --> 00:43:39,440

the pilots and the wizzos you know that

1143

00:43:43,430 --> 00:43:41,520

would be really important um i don't

1144

00:43:45,510 --> 00:43:43,440

know like somebody said to me today that

1145

00:43:47,270 --> 00:43:45,520

no matter what they're gonna be some

1146

00:43:48,950 --> 00:43:47,280

people that just will not believe it no

1147

00:43:51,109 --> 00:43:48,960

matter what 100

1148

00:43:53,670 --> 00:43:51,119

i mean 100 it doesn't really matter what

1149

00:43:56,150 --> 00:43:53,680

you show them at a certain level it just

1150

00:43:58,150 --> 00:43:56,160

it's too much for people to to bear it's

1151
00:43:59,510 --> 00:43:58,160
too much shift uh so there's going to be

1152
00:44:01,910 --> 00:43:59,520
a small percentage of people who just

1153
00:44:03,910 --> 00:44:01,920
choose to ignore it that's my opinion um

1154
00:44:06,069 --> 00:44:03,920
and then there's people right now who

1155
00:44:08,230 --> 00:44:06,079
we're seeing like they're just throwing

1156
00:44:10,069 --> 00:44:08,240
up like a spook to everybody they think

1157
00:44:12,069 --> 00:44:10,079
everybody's lying to create this weird

1158
00:44:13,589 --> 00:44:12,079
narrative um i think a lot of people

1159
00:44:15,190 --> 00:44:13,599
haven't really experienced something

1160
00:44:17,829 --> 00:44:15,200
themselves whether it be a sighting or

1161
00:44:19,109 --> 00:44:17,839
just a weird you know anomalous event or

1162
00:44:21,910 --> 00:44:19,119
some type of thing that you can identify

1163
00:44:23,750 --> 00:44:21,920

as the phenomena and i i i don't know uh

1164

00:44:26,630 --> 00:44:23,760

there's a lot of uh

1165

00:44:28,710 --> 00:44:26,640

um doubt and speculation going on there

1166

00:44:30,950 --> 00:44:28,720

and it's being cast across a really wide

1167

00:44:32,950 --> 00:44:30,960

net um and it just seems like a strong

1168

00:44:34,710 --> 00:44:32,960

shade on on a lot of the progress that's

1169

00:44:36,870 --> 00:44:34,720

been made and i wonder like as like you

1170

00:44:38,870 --> 00:44:36,880

know like the skinwalker ranch and uh

1171

00:44:41,030 --> 00:44:38,880

ryan graves and these witnesses that are

1172

00:44:42,470 --> 00:44:41,040

coming out saying this stuff it'll be

1173

00:44:43,430 --> 00:44:42,480

really nice to have something to back

1174

00:44:46,230 --> 00:44:43,440

that up

1175

00:44:47,829 --> 00:44:46,240

ryan graves i cannot believe

1176
00:44:49,349 --> 00:44:47,839
people are questioning ryan griggs who

1177
00:44:50,630 --> 00:44:49,359
has come out and said you know in 60

1178
00:44:52,550 --> 00:44:50,640
minutes do you think it could be a

1179
00:44:54,790 --> 00:44:52,560
foreign adversary he goes i don't see

1180
00:44:56,470 --> 00:44:54,800
why not and then he shares a story about

1181
00:44:58,630 --> 00:44:56,480
his you know his friend who had the cube

1182
00:45:00,069 --> 00:44:58,640
within a spear pace the plane and go

1183
00:45:01,990 --> 00:45:00,079
straight up and people are insinuating

1184
00:45:03,990 --> 00:45:02,000
that he's lying what are you kidding me

1185
00:45:06,390 --> 00:45:04,000
are you that bad a judge of character to

1186
00:45:08,390 --> 00:45:06,400
say that ryan graves is lying i mean

1187
00:45:11,510 --> 00:45:08,400
it's ridiculous i mean

1188
00:45:13,109 --> 00:45:11,520

it doesn't it doesn't fit it doesn't fit

1189

00:45:14,710 --> 00:45:13,119

it doesn't fit ryan graves yeah it seems

1190

00:45:16,390 --> 00:45:14,720

like he's completely telling the truth

1191

00:45:17,910 --> 00:45:16,400

um along with a bunch of other official

1192

00:45:19,910 --> 00:45:17,920

pilots and stuff but i you know it's

1193

00:45:22,790 --> 00:45:19,920

weird how everybody has an equal voice

1194

00:45:24,069 --> 00:45:22,800

in uh in it so people who know what

1195

00:45:25,670 --> 00:45:24,079

they're talking about have the same

1196

00:45:27,589 --> 00:45:25,680

voices people who are just throwing like

1197

00:45:29,510 --> 00:45:27,599

hey don't trust that person don't trust

1198

00:45:31,829 --> 00:45:29,520

this person um and not giving us any

1199

00:45:33,750 --> 00:45:31,839

real real other option to kind of go for

1200

00:45:35,190 --> 00:45:33,760

so it's interesting

1201

00:45:37,589 --> 00:45:35,200

but john i really appreciate you doing

1202

00:45:39,349 --> 00:45:37,599

this doing this uh this this live thing

1203

00:45:40,870 --> 00:45:39,359

and really breaking this stuff down for

1204

00:45:42,790 --> 00:45:40,880

us because i read through it i got to be

1205

00:45:44,150 --> 00:45:42,800

honest and it was a little a little step

1206

00:45:47,510 --> 00:45:44,160

i tried to even read it on this on one

1207

00:45:49,270 --> 00:45:47,520

of my spaces i was like yeah i know

1208

00:45:52,230 --> 00:45:49,280

but it's important it's important to get

1209

00:45:54,309 --> 00:45:52,240

through i i i put those two points to

1210

00:45:56,069 --> 00:45:54,319

somebody i trust i said so basically

1211

00:45:58,870 --> 00:45:56,079

these folks can come forward out

1212

00:46:01,510 --> 00:45:58,880

retribution and if a program is not on

1213

00:46:03,750 --> 00:46:01,520

the record it's not covered by the old

1214

00:46:06,069 --> 00:46:03,760

national national security coverage and

1215

00:46:07,670 --> 00:46:06,079

they're like yep that's it so those two

1216

00:46:10,630 --> 00:46:07,680

basic things those programs are not

1217

00:46:12,470 --> 00:46:10,640

covered um and if they exist we should

1218

00:46:14,950 --> 00:46:12,480

find out about them at some point when i

1219

00:46:17,349 --> 00:46:14,960

don't know but yeah sam thank you very

1220

00:46:18,950 --> 00:46:17,359

much um other folks i see this two

1221

00:46:19,910 --> 00:46:18,960

people here but it says device not

1222

00:46:21,829 --> 00:46:19,920

connected so i don't know if you're

1223

00:46:23,750 --> 00:46:21,839

using the wrong browser you need to use

1224

00:46:26,309 --> 00:46:23,760

i know chrome works for this

1225

00:46:28,069 --> 00:46:26,319

oh yeah chrome chrome solid

1226

00:46:30,069 --> 00:46:28,079

chrome works i don't know about other

1227

00:46:31,670 --> 00:46:30,079

other um

1228

00:46:33,589 --> 00:46:31,680

other

1229

00:46:36,390 --> 00:46:33,599

browsers but and and i will do one of

1230

00:46:38,630 --> 00:46:36,400

your i will do one of your uh

1231

00:46:39,990 --> 00:46:38,640

spaces soon sam oh awesome yeah i'll

1232

00:46:41,270 --> 00:46:40,000

keep sending you invites i do them

1233

00:46:43,109 --> 00:46:41,280

sometimes they're casual sometimes

1234

00:46:44,870 --> 00:46:43,119

they're pointed at like certain subjects

1235

00:46:46,870 --> 00:46:44,880

or whatever but uh they're always fun

1236

00:46:48,390 --> 00:46:46,880

and you know it's a it's a good space to

1237

00:46:50,790 --> 00:46:48,400

come by and hear people talk about their

1238

00:46:51,990 --> 00:46:50,800

experiences too um and we try to keep it

1239

00:46:53,270 --> 00:46:52,000

organized so people aren't really

1240

00:46:54,470 --> 00:46:53,280

yelling at each other so it's pretty

1241

00:46:55,990 --> 00:46:54,480

good

1242

00:46:57,109 --> 00:46:56,000

thanks yeah i'll definitely i'll look

1243

00:46:58,390 --> 00:46:57,119

forward to that and i'm going to join

1244

00:47:00,309 --> 00:46:58,400

i'm going to add somebody and i will

1245

00:47:04,390 --> 00:47:00,319

talk to you soon yeah until next time

1246

00:47:08,950 --> 00:47:06,390

salon are you there

1247

00:47:10,870 --> 00:47:08,960

yeah hey joe how you doing good how are

1248

00:47:15,030 --> 00:47:10,880

you uh i'm good i just have two

1249

00:47:17,510 --> 00:47:15,040

questions so with this nda obviously

1250

00:47:19,430 --> 00:47:17,520

my assumption is the dod is trying to

1251
00:47:20,950 --> 00:47:19,440
try to kill this right right because if

1252
00:47:21,750 --> 00:47:20,960
this goes through

1253
00:47:23,829 --> 00:47:21,760
then

1254
00:47:26,390 --> 00:47:23,839
it's like a hands-off situation where

1255
00:47:28,150 --> 00:47:26,400
the end the dod is screwed right they're

1256
00:47:30,309 --> 00:47:28,160
gonna get the gun they're gone they're

1257
00:47:32,230 --> 00:47:30,319
gonna get the gun uh like

1258
00:47:35,510 --> 00:47:32,240
uh what's it called like uh

1259
00:47:37,670 --> 00:47:35,520
aimed at them right so my belief is nasa

1260
00:47:39,750 --> 00:47:37,680
already knew that you know that the dod

1261
00:47:41,109 --> 00:47:39,760
is screwed and this is eventually going

1262
00:47:43,910 --> 00:47:41,119
to come out

1263
00:47:44,950 --> 00:47:43,920

so that's why they jumped [h__h] right for

1264

00:47:46,069 --> 00:47:44,960

all these years they've been saying

1265

00:47:47,750 --> 00:47:46,079

there's nothing here there's nothing

1266

00:47:48,790 --> 00:47:47,760

here and then out of the blue they're

1267

00:47:50,829 --> 00:47:48,800

like hey we're going to start

1268

00:47:52,870 --> 00:47:50,839

investigating uap that's just not a

1269

00:47:54,950 --> 00:47:52,880

coincidence i believe that they know

1270

00:47:56,870 --> 00:47:54,960

they already know like what's going on

1271

00:47:59,510 --> 00:47:56,880

but they know right we don't want the

1272

00:48:01,510 --> 00:47:59,520

gun to be on us because if they if they

1273

00:48:03,190 --> 00:48:01,520

find out because of nasa has been you

1274

00:48:06,150 --> 00:48:03,200

know lying to them

1275

00:48:07,670 --> 00:48:06,160

then the pr is going to look so bad that

1276

00:48:10,870 --> 00:48:07,680

uh

1277

00:48:12,390 --> 00:48:10,880

their funding

1278

00:48:14,069 --> 00:48:12,400

do you have like

1279

00:48:15,829 --> 00:48:14,079

go ahead sorry well i think a lot of

1280

00:48:17,829 --> 00:48:15,839

people are gonna be caught or i don't

1281

00:48:21,750 --> 00:48:17,839

know about people organizations

1282

00:48:23,510 --> 00:48:21,760

and people are gonna be caught lying um

1283

00:48:25,589 --> 00:48:23,520

watch whatever you have there

1284

00:48:27,430 --> 00:48:25,599

um is rubbing just be careful with

1285

00:48:30,150 --> 00:48:27,440

what's rubbing something

1286

00:48:34,710 --> 00:48:33,589

um let me say about um oh yeah so yeah

1287

00:48:36,069 --> 00:48:34,720

people right away are like there's no

1288

00:48:38,069 --> 00:48:36,079

way this is gonna pass and there are

1289

00:48:40,390 --> 00:48:38,079

other people saying that

1290

00:48:42,390 --> 00:48:40,400

whatever these programs are whatever

1291

00:48:45,190 --> 00:48:42,400

they have they're gonna either destroy

1292

00:48:46,710 --> 00:48:45,200

it or hide it now i i did ask somebody a

1293

00:48:47,990 --> 00:48:46,720

couple of weeks ago maybe a month ago i

1294

00:48:49,829 --> 00:48:48,000

said you think they're going to destroy

1295

00:48:52,069 --> 00:48:49,839

this stuff and they said and destroy no

1296

00:48:53,990 --> 00:48:52,079

hide is possibility move it is a

1297

00:48:55,910 --> 00:48:54,000

possibility so

1298

00:48:58,069 --> 00:48:55,920

hopefully you know i don't know who

1299

00:48:59,430 --> 00:48:58,079

somebody came out to today i forgot who

1300

00:49:00,470 --> 00:48:59,440

said it and they said

1301

00:49:02,150 --> 00:49:00,480

you know

1302

00:49:04,630 --> 00:49:02,160

we don't know where this stuff is and

1303

00:49:06,950 --> 00:49:04,640

i'm like lucidi would know exactly where

1304

00:49:08,069 --> 00:49:06,960

to look i'm pretty sure there are other

1305

00:49:10,230 --> 00:49:08,079

people

1306

00:49:11,750 --> 00:49:10,240

who know where to look don't don't

1307

00:49:13,750 --> 00:49:11,760

believe that we don't know where to look

1308

00:49:15,829 --> 00:49:13,760

i am very confident we know where to

1309

00:49:17,910 --> 00:49:15,839

look now whether or not they move stuff

1310

00:49:19,349 --> 00:49:17,920

i don't know how they would do that well

1311

00:49:21,109 --> 00:49:19,359

i would think if they know where to look

1312

00:49:23,430 --> 00:49:21,119

they will pay attention and keep a close

1313

00:49:24,630 --> 00:49:23,440

eye on those locations to make sure they

1314

00:49:27,829 --> 00:49:24,640

don't move it

1315

00:49:30,150 --> 00:49:27,839

well this language isn't for us it's

1316

00:49:31,589 --> 00:49:30,160

mainly for the hearings for lou and

1317

00:49:32,870 --> 00:49:31,599

melon to come

1318

00:49:35,349 --> 00:49:32,880

forward because they know where the

1319

00:49:36,950 --> 00:49:35,359

bodies are hidden right they are the two

1320

00:49:38,630 --> 00:49:36,960

people that are most important to this

1321

00:49:40,309 --> 00:49:38,640

thing for the other people to come

1322

00:49:41,750 --> 00:49:40,319

forward and eventually if enough people

1323

00:49:43,589 --> 00:49:41,760

come forward then the deodo is going to

1324

00:49:46,309 --> 00:49:43,599

have to crack because the pressure is

1325

00:49:48,470 --> 00:49:46,319

just going to be so enormous that they

1326

00:49:51,270 --> 00:49:48,480

you know they have to

1327

00:49:54,230 --> 00:49:51,280

um but what do you think about

1328

00:49:55,270 --> 00:49:54,240

uh another hearing before this nda

1329

00:49:56,950 --> 00:49:55,280

passes

1330

00:49:59,270 --> 00:49:56,960

i think another hearing is coming i just

1331

00:50:00,950 --> 00:49:59,280

don't know when i have not heard

1332

00:50:02,630 --> 00:50:00,960

i've heard another hearing is coming but

1333

00:50:04,710 --> 00:50:02,640

i have not been given a date on whether

1334

00:50:05,829 --> 00:50:04,720

or not it's going to be before this or

1335

00:50:07,270 --> 00:50:05,839

after

1336

00:50:08,470 --> 00:50:07,280

so people just need to be patient i know

1337

00:50:09,910 --> 00:50:08,480

there are people out there saying it's

1338

00:50:10,630 --> 00:50:09,920

going to happen in a week or two weeks

1339

00:50:14,309 --> 00:50:10,640

no

1340

00:50:16,150 --> 00:50:14,319

this is going to be a hearing

1341

00:50:20,230 --> 00:50:16,160

aren't we sorry sir aren't we supposed

1342

00:50:21,589 --> 00:50:20,240

to get uh unclassified report in august

1343

00:50:24,230 --> 00:50:21,599

yeah and i don't know the date if that

1344

00:50:27,109 --> 00:50:24,240

if that's the date yes um

1345

00:50:29,190 --> 00:50:27,119

is that in the nda from 2022 i think so

1346

00:50:32,390 --> 00:50:29,200

yeah we're supposed to i haven't heard

1347

00:50:34,470 --> 00:50:32,400

anything like uh any news about that but

1348

00:50:36,309 --> 00:50:34,480

if it's in the nda we should and it's

1349

00:50:39,270 --> 00:50:36,319

probably going to be nothing because the

1350

00:50:41,670 --> 00:50:39,280

aim sogg has been completely incompetent

1351

00:50:43,990 --> 00:50:41,680

um but uh

1352

00:50:45,510 --> 00:50:44,000

thank goodness

1353

00:50:47,109 --> 00:50:45,520

yeah they come up with another uh

1354

00:50:49,430 --> 00:50:47,119

another way of doing things which is

1355

00:50:51,829 --> 00:50:49,440

going to take time of course

1356

00:50:53,829 --> 00:50:51,839

but i think i think this time especially

1357

00:50:55,750 --> 00:50:53,839

with uh this time i think they're gonna

1358

00:50:57,750 --> 00:50:55,760

they're gonna finally nail these uh you

1359

00:50:59,829 --> 00:50:57,760

know suckers

1360

00:51:01,510 --> 00:50:59,839

yeah i i hope so so on and thank you for

1361

00:51:03,510 --> 00:51:01,520

for calling in i'm gonna switch over to

1362

00:51:05,030 --> 00:51:03,520

joe c and thank you for being part of

1363

00:51:08,150 --> 00:51:05,040

the show yeah thank you have a nice

1364

00:51:12,630 --> 00:51:10,069

what's up joe

1365

00:51:14,630 --> 00:51:12,640

ah fellow joe always uh

1366

00:51:16,309 --> 00:51:14,640

good how about yourself i'm doing good

1367

00:51:18,549 --> 00:51:16,319

i'm it's been a really good day when

1368

00:51:19,670 --> 00:51:18,559

this language came out of the blue

1369

00:51:22,230 --> 00:51:19,680

i uh

1370

00:51:24,069 --> 00:51:22,240

i agree but i guess in some respects i

1371

00:51:25,349 --> 00:51:24,079

mean there are rumors that this type of

1372

00:51:28,309 --> 00:51:25,359

thing was

1373

00:51:30,309 --> 00:51:28,319

being worked on by congress uh for a

1374

00:51:32,390 --> 00:51:30,319

while now so it it was definitely good

1375

00:51:34,470 --> 00:51:32,400

news uh very encouraging to see that it

1376

00:51:36,790 --> 00:51:34,480

came out today i was pleasantly

1377

00:51:38,950 --> 00:51:36,800

surprised as well um

1378

00:51:40,470 --> 00:51:38,960

i'm still just trying to understand like

1379

00:51:41,589 --> 00:51:40,480

maybe what

1380

00:51:43,750 --> 00:51:41,599

what all

1381

00:51:45,349 --> 00:51:43,760

possible ends are that are going to come

1382

00:51:47,349 --> 00:51:45,359

out of this and i guess maybe we

1383

00:51:49,510 --> 00:51:47,359

shouldn't be putting the

1384

00:51:51,670 --> 00:51:49,520

cart before the horse either because

1385

00:51:54,790 --> 00:51:51,680

obviously this isn't past legislation

1386

00:51:57,430 --> 00:51:54,800

and even once it is there has to pass

1387

00:51:59,510 --> 00:51:57,440

the senate too but um

1388

00:52:00,390 --> 00:51:59,520

for that point i guess i will just throw

1389

00:52:03,030 --> 00:52:00,400

out there

1390

00:52:06,309 --> 00:52:03,040

um i know that i saw that

1391

00:52:08,710 --> 00:52:06,319

there was a person on ufo twitter uh

1392

00:52:10,470 --> 00:52:08,720

katie howland i think was advocating for

1393

00:52:11,829 --> 00:52:10,480

contacting reps

1394

00:52:14,630 --> 00:52:11,839

yeah honestly

1395

00:52:15,910 --> 00:52:14,640

specific day yes yeah so i i don't know

1396

00:52:18,069 --> 00:52:15,920

i'd probably just throw out there it

1397

00:52:21,190 --> 00:52:18,079

might not be a bad idea to encourage

1398

00:52:23,030 --> 00:52:21,200

some support towards that amendment but

1399

00:52:24,470 --> 00:52:23,040

i guess actual question i wanted to ask

1400

00:52:28,710 --> 00:52:24,480

you

1401
00:52:29,589 --> 00:52:28,720
little bit

1402
00:52:31,510 --> 00:52:29,599
but

1403
00:52:33,510 --> 00:52:31,520
there had been a number of individuals

1404
00:52:35,670 --> 00:52:33,520
that commented on this last year before

1405
00:52:37,030 --> 00:52:35,680
the 2021 report came out they were

1406
00:52:38,230 --> 00:52:37,040
talking about some sort of impending

1407
00:52:39,270 --> 00:52:38,240
disclosure

1408
00:52:41,670 --> 00:52:39,280
and yet

1409
00:52:43,829 --> 00:52:41,680
that fell through

1410
00:52:46,390 --> 00:52:43,839
do you have any like speculation on

1411
00:52:48,630 --> 00:52:46,400
maybe why that did and and

1412
00:52:51,510 --> 00:52:48,640
do you think that an effort like this

1413
00:52:53,670 --> 00:52:51,520

was was maybe more needed as to why that

1414

00:52:55,589 --> 00:52:53,680

that fell through because the the powers

1415

00:52:57,109 --> 00:52:55,599

that were involved didn't want to play

1416

00:52:59,349 --> 00:52:57,119

ball and so now they're going to be

1417

00:53:02,549 --> 00:52:59,359

compelled to from legislation

1418

00:53:04,309 --> 00:53:02,559

who was saying that because i never

1419

00:53:06,309 --> 00:53:04,319

from the people i talked to i never got

1420

00:53:07,829 --> 00:53:06,319

that it's always been you need to be

1421

00:53:09,670 --> 00:53:07,839

patient it's going to take time it's

1422

00:53:11,109 --> 00:53:09,680

always that and then do you remember who

1423

00:53:13,030 --> 00:53:11,119

was saying that it's just people in the

1424

00:53:15,430 --> 00:53:13,040

community were there it was it was

1425

00:53:17,589 --> 00:53:15,440

actually people outside like um

1426
00:53:19,750 --> 00:53:17,599
sam harris talked about how there was

1427
00:53:21,190 --> 00:53:19,760
going to be right information now he

1428
00:53:22,790 --> 00:53:21,200
didn't give a specific date but it made

1429
00:53:25,270 --> 00:53:22,800
it seem like it was

1430
00:53:27,670 --> 00:53:25,280
right close to term so

1431
00:53:28,790 --> 00:53:27,680
yeah and then and then eric weinstein

1432
00:53:30,470 --> 00:53:28,800
said

1433
00:53:32,470 --> 00:53:30,480
he was in that same situation they

1434
00:53:33,589 --> 00:53:32,480
promised information or some sort of

1435
00:53:35,109 --> 00:53:33,599
reveal

1436
00:53:37,109 --> 00:53:35,119
and it didn't happen and i have not

1437
00:53:38,549 --> 00:53:37,119
heard sam harris comment on it i'm

1438
00:53:41,510 --> 00:53:38,559

assuming the same thing happened with

1439

00:53:43,510 --> 00:53:41,520

him why that happened

1440

00:53:45,430 --> 00:53:43,520

i don't know and that's and when i saw

1441

00:53:46,950 --> 00:53:45,440

that something clicked in my head with

1442

00:53:48,950 --> 00:53:46,960

with the old

1443

00:53:50,150 --> 00:53:48,960

kit green having that happen to him and

1444

00:53:51,430 --> 00:53:50,160

you know bringing him to the edge say

1445

00:53:53,190 --> 00:53:51,440

here you go we're going to show you the

1446

00:53:55,430 --> 00:53:53,200

best of the best and then

1447

00:53:59,030 --> 00:53:55,440

sorry we're not go home

1448

00:54:04,470 --> 00:54:01,430

i mean like i'm very when i mentioned

1449

00:54:07,030 --> 00:54:04,480

psyop i've hammered on

1450

00:54:09,270 --> 00:54:07,040

people talking about that but i i do i i

1451

00:54:10,630 --> 00:54:09,280

leave a little bit open i just to me it

1452

00:54:12,230 --> 00:54:10,640

makes no sense whatsoever i don't see

1453

00:54:13,510 --> 00:54:12,240

the end game of what that is people are

1454

00:54:15,430 --> 00:54:13,520

like well it's related to the black

1455

00:54:17,109 --> 00:54:15,440

technology we've cracked gravity i'm

1456

00:54:19,349 --> 00:54:17,119

like yeah but why do you need to do a

1457

00:54:21,109 --> 00:54:19,359

psyop for that many years

1458

00:54:22,950 --> 00:54:21,119

i don't get it why they would need to do

1459

00:54:24,710 --> 00:54:22,960

that so

1460

00:54:26,549 --> 00:54:24,720

why we didn't i don't think we ever were

1461

00:54:28,230 --> 00:54:26,559

gonna get disclosure i don't those folks

1462

00:54:29,589 --> 00:54:28,240

and i don't think anything was coming

1463

00:54:31,829 --> 00:54:29,599

imminent where it's like here you go

1464

00:54:33,589 --> 00:54:31,839

here's everything um

1465

00:54:35,030 --> 00:54:33,599

and i don't know who was telling them

1466

00:54:37,349 --> 00:54:35,040

that i don't know who was talking to sam

1467

00:54:38,710 --> 00:54:37,359

harris who eric was speaking to

1468

00:54:39,910 --> 00:54:38,720

that would help if we knew who those

1469

00:54:40,710 --> 00:54:39,920

folks were

1470

00:54:41,990 --> 00:54:40,720

um

1471

00:54:43,430 --> 00:54:42,000

i mean there are people out there there

1472

00:54:44,950 --> 00:54:43,440

are folks out there who don't want this

1473

00:54:48,069 --> 00:54:44,960

maybe they were putting out you know

1474

00:54:49,910 --> 00:54:48,079

misinformation to make to make everybody

1475

00:54:51,430 --> 00:54:49,920

look bad when it didn't happen i don't

1476

00:54:53,190 --> 00:54:51,440

know um

1477

00:54:54,870 --> 00:54:53,200

so i i just people need to be patient

1478

00:54:57,589 --> 00:54:54,880

this this language isn't gonna happen

1479

00:54:59,670 --> 00:54:57,599

enacted till next year i mean

1480

00:55:00,950 --> 00:54:59,680

or yeah next year when it gets hopefully

1481

00:55:02,390 --> 00:55:00,960

gets signed and hopefully it makes it

1482

00:55:04,150 --> 00:55:02,400

through and like you said

1483

00:55:06,870 --> 00:55:04,160

if it makes it through it's a huge deal

1484

00:55:09,349 --> 00:55:06,880

so it's a it's a first step

1485

00:55:12,630 --> 00:55:09,359

of many steps it's just amazing i never

1486

00:55:13,750 --> 00:55:12,640

thought before 2017 we'd even be talking

1487

00:55:14,710 --> 00:55:13,760

about this

1488

00:55:17,910 --> 00:55:14,720

the fact that we're having the

1489

00:55:19,670 --> 00:55:17,920

conversation is is amazing to me

1490

00:55:21,589 --> 00:55:19,680

hopefully it goes through

1491

00:55:23,910 --> 00:55:21,599

well the other thing too to keep in mind

1492

00:55:25,510 --> 00:55:23,920

is the language itself doesn't require

1493

00:55:27,510 --> 00:55:25,520

any sort of public disclosure of

1494

00:55:29,030 --> 00:55:27,520

information it just provides a secret

1495

00:55:29,910 --> 00:55:29,040

repository

1496

00:55:33,510 --> 00:55:29,920

for

1497

00:55:35,670 --> 00:55:33,520

they were aware of due to their

1498

00:55:38,470 --> 00:55:35,680

activities under their ndas

1499

00:55:40,789 --> 00:55:38,480

and also provides for congress to be

1500

00:55:42,150 --> 00:55:40,799

compelled to

1501
00:55:44,789 --> 00:55:42,160
provides

1502
00:55:46,789 --> 00:55:44,799
compulsion for individuals in the dod

1503
00:55:49,430 --> 00:55:46,799
and in intelligence services to provide

1504
00:55:51,910 --> 00:55:49,440
information to congress relating to what

1505
00:55:54,309 --> 00:55:51,920
nda's there exist on the uh

1506
00:55:56,789 --> 00:55:54,319
in general so

1507
00:55:57,990 --> 00:55:56,799
i think it's a long road um

1508
00:56:00,230 --> 00:55:58,000
but

1509
00:56:03,829 --> 00:56:00,240
it is interesting to me because you know

1510
00:56:05,190 --> 00:56:03,839
like hypothetically let's say and have

1511
00:56:08,390 --> 00:56:05,200
no proof of this right but like

1512
00:56:10,789 --> 00:56:08,400
hypothetically let's say there have been

1513
00:56:12,710 --> 00:56:10,799

crash retrievals and there have been

1514

00:56:13,990 --> 00:56:12,720

secret reverse engineering programs

1515

00:56:16,870 --> 00:56:14,000

going through

1516

00:56:20,390 --> 00:56:16,880

um you know uh une waived unacknowledged

1517

00:56:22,390 --> 00:56:20,400

special access programs for years

1518

00:56:24,150 --> 00:56:22,400

what what is interesting about that is

1519

00:56:26,069 --> 00:56:24,160

you would think

1520

00:56:28,069 --> 00:56:26,079

ultimately there is there would have

1521

00:56:31,510 --> 00:56:28,079

been some

1522

00:56:33,190 --> 00:56:31,520

prior plan now and and this this is an

1523

00:56:35,109 --> 00:56:33,200

important point i think there would have

1524

00:56:36,789 --> 00:56:35,119

been some sort of prior plan on how they

1525

00:56:37,829 --> 00:56:36,799

would want to eventually because

1526

00:56:40,150 --> 00:56:37,839

obviously the cat's going to come out of

1527

00:56:41,109 --> 00:56:40,160

the bag one day reveal that information

1528

00:56:43,430 --> 00:56:41,119

to

1529

00:56:46,230 --> 00:56:43,440

the general populace or or at least

1530

00:56:47,190 --> 00:56:46,240

pieces of it right so what's interesting

1531

00:56:51,430 --> 00:56:47,200

is

1532

00:56:52,630 --> 00:56:51,440

we're getting

1533

00:56:55,270 --> 00:56:52,640

and

1534

00:56:56,710 --> 00:56:55,280

why that is i i don't have an answer but

1535

00:56:58,390 --> 00:56:56,720

it's it's almost like this is like some

1536

00:56:59,829 --> 00:56:58,400

sort of organic movement

1537

00:57:01,670 --> 00:56:59,839

from people that had some sort of

1538

00:57:03,430 --> 00:57:01,680

exposure to it trying to get the

1539

00:57:05,829 --> 00:57:03,440

information out rather than the actual

1540

00:57:07,510 --> 00:57:05,839

secret holders deciding that it was time

1541

00:57:08,549 --> 00:57:07,520

to go through with whatever plan they

1542

00:57:09,829 --> 00:57:08,559

had to

1543

00:57:11,750 --> 00:57:09,839

actually expose the information at least

1544

00:57:14,549 --> 00:57:11,760

that's how it appears to me but that's

1545

00:57:16,309 --> 00:57:14,559

total conjecture

1546

00:57:18,069 --> 00:57:16,319

yeah um and i'm sorry if i missed some

1547

00:57:20,069 --> 00:57:18,079

of that my dog was going crazy i had to

1548

00:57:22,549 --> 00:57:20,079

mute it um

1549

00:57:23,750 --> 00:57:22,559

you would think

1550

00:57:25,510 --> 00:57:23,760

i don't know

1551

00:57:28,630 --> 00:57:25,520

it seems like they're not really

1552

00:57:30,309 --> 00:57:28,640

prepared with any plan it seems like

1553

00:57:32,069 --> 00:57:30,319

most of the government doesn't realize

1554

00:57:34,230 --> 00:57:32,079

this is real yet most of the populist

1555

00:57:36,309 --> 00:57:34,240

doesn't realize this is real yet so

1556

00:57:38,150 --> 00:57:36,319

i don't know if they're banking on and

1557

00:57:41,190 --> 00:57:38,160

and correct me if i'm missing your point

1558

00:57:43,270 --> 00:57:41,200

because i was distracted by the dog um

1559

00:57:44,789 --> 00:57:43,280

i don't know if they're

1560

00:57:46,470 --> 00:57:44,799

banking on the fact that people really

1561

00:57:48,150 --> 00:57:46,480

haven't reacted what's come out yet i

1562

00:57:49,990 --> 00:57:48,160

hope not because you know lou's like

1563

00:57:51,829 --> 00:57:50,000

well we've had disclosure and religions

1564

00:57:54,549 --> 00:57:51,839

haven't crumbled you know people haven't

1565

00:57:56,150 --> 00:57:54,559

run in the streets i'm like people don't

1566

00:57:57,510 --> 00:57:56,160

realize this is real yet the masses

1567

00:57:58,950 --> 00:57:57,520

don't realize it's real and they don't

1568

00:58:01,030 --> 00:57:58,960

even know what it is depending on what

1569

00:58:03,670 --> 00:58:01,040

this is once it does hit i think it's

1570

00:58:05,589 --> 00:58:03,680

gonna be a different reaction how people

1571

00:58:07,750 --> 00:58:05,599

will react i don't know um there are

1572

00:58:09,349 --> 00:58:07,760

people think that they'll be all excited

1573

00:58:10,870 --> 00:58:09,359

for a week 10 days and then everybody

1574

00:58:13,670 --> 00:58:10,880

will go back to their lives like nothing

1575

00:58:16,630 --> 00:58:13,680

happened uh i don't know it depends it

1576

00:58:18,230 --> 00:58:16,640

depends on what the real story is and so

1577

00:58:20,789 --> 00:58:18,240

yeah tell me if i missed what your point

1578

00:58:22,870 --> 00:58:20,799

was uh you were along the lines i guess

1579

00:58:24,950 --> 00:58:22,880

my point was exactly what you were

1580

00:58:26,470 --> 00:58:24,960

saying and that it doesn't appear that

1581

00:58:27,990 --> 00:58:26,480

this is like a coordinated effort

1582

00:58:30,150 --> 00:58:28,000

necessarily it seems like it's a

1583

00:58:31,829 --> 00:58:30,160

different group and and my point was

1584

00:58:33,430 --> 00:58:31,839

assuming there was special access

1585

00:58:35,270 --> 00:58:33,440

programs you would think that they would

1586

00:58:37,510 --> 00:58:35,280

have had some sort of plan to eventually

1587

00:58:40,150 --> 00:58:37,520

release some information to the populace

1588

00:58:41,990 --> 00:58:40,160

aft when it was appropriate to do so or

1589

00:58:44,069 --> 00:58:42,000

the cat couldn't possibly be kept in the

1590

00:58:45,430 --> 00:58:44,079

bag anymore so it's really interesting

1591

00:58:47,430 --> 00:58:45,440

to see that

1592

00:58:49,349 --> 00:58:47,440

that isn't happening it's almost as if

1593

00:58:51,109 --> 00:58:49,359

the people that are holding the secrets

1594

00:58:53,109 --> 00:58:51,119

if these in doom indeed exist then

1595

00:58:55,109 --> 00:58:53,119

they're they're really trying their best

1596

00:58:57,510 --> 00:58:55,119

to continue to hold on to that secret

1597

00:58:59,670 --> 00:58:57,520

and exactly what would be an interesting

1598

00:59:02,309 --> 00:58:59,680

another interesting point right like if

1599

00:59:05,750 --> 00:59:02,319

but if if you read um if you read kit

1600

00:59:07,829 --> 00:59:05,760

greens the alien autopsy email from 2001

1601
00:59:10,630 --> 00:59:07,839
or 2000 he talks about those folks and

1602
00:59:12,630 --> 00:59:10,640
he said they do not think that human

1603
00:59:14,309 --> 00:59:12,640
beings

1604
00:59:16,230 --> 00:59:14,319
deserve this information they're more

1605
00:59:17,910 --> 00:59:16,240
worried about who wins the game on

1606
00:59:20,789 --> 00:59:17,920
sunday and all that stuff this was back

1607
00:59:22,230 --> 00:59:20,799
in 2000 and they just don't think people

1608
00:59:25,190 --> 00:59:22,240
can handle the truth they don't think

1609
00:59:27,430 --> 00:59:25,200
people deserve the truth um so that was

1610
00:59:29,750 --> 00:59:27,440
that was him saying that which would not

1611
00:59:31,510 --> 00:59:29,760
surprise me i mean obviously

1612
00:59:33,990 --> 00:59:31,520
look at society today look at look at

1613
00:59:35,430 --> 00:59:34,000

what gets the most attention you know

1614

00:59:38,309 --> 00:59:35,440

the the hearing

1615

00:59:40,390 --> 00:59:38,319

had a paltry amount of viewers meanwhile

1616

00:59:42,069 --> 00:59:40,400

johnny depp and amber heard millions and

1617

00:59:43,990 --> 00:59:42,079

millions of people so i really can't

1618

00:59:45,910 --> 00:59:44,000

argue with them

1619

00:59:47,349 --> 00:59:45,920

um and they're gonna hold on that's

1620

00:59:49,270 --> 00:59:47,359

exactly what i think they're gonna hold

1621

00:59:50,630 --> 00:59:49,280

on they think they can hold on and fight

1622

00:59:52,950 --> 00:59:50,640

this off let's it's really gonna be

1623

00:59:55,589 --> 00:59:52,960

interesting to see if this ndaa language

1624

00:59:56,710 --> 00:59:55,599

makes it in because once it does

1625

00:59:57,910 --> 00:59:56,720

those folks i don't know what they're

1626

00:59:59,030 --> 00:59:57,920

gonna do i mean

1627

01:00:00,230 --> 00:59:59,040

they're gonna be

1628

01:00:01,990 --> 01:00:00,240

running for the hills or they're going

1629

01:00:03,349 --> 01:00:02,000

to be pulling out all stops i don't know

1630

01:00:04,549 --> 01:00:03,359

what else they can do and you know

1631

01:00:05,990 --> 01:00:04,559

people are like oh they'll do a fake

1632

01:00:08,069 --> 01:00:06,000

alien invasion i don't think that's

1633

01:00:09,190 --> 01:00:08,079

happening um but

1634

01:00:11,190 --> 01:00:09,200

yeah it's going to be an interesting

1635

01:00:12,950 --> 01:00:11,200

next year to see how they handle it and

1636

01:00:15,190 --> 01:00:12,960

please if there's if they know where

1637

01:00:17,270 --> 01:00:15,200

this stuff is please have everybody keep

1638

01:00:19,190 --> 01:00:17,280

an eye on that obviously they know that

1639

01:00:20,710 --> 01:00:19,200

right they know keep an eye on the

1640

01:00:22,710 --> 01:00:20,720

locations where you think this stuff is

1641

01:00:24,230 --> 01:00:22,720

so they can't move it well that brings

1642

01:00:26,630 --> 01:00:24,240

up another point about that what about

1643

01:00:28,789 --> 01:00:26,640

the crater agreement that tom delong's

1644

01:00:31,990 --> 01:00:28,799

ttsa has with the army i mean he has

1645

01:00:33,910 --> 01:00:32,000

some material that is anomalous at the

1646

01:00:35,349 --> 01:00:33,920

very least right that is under that

1647

01:00:36,390 --> 01:00:35,359

crate agreement

1648

01:00:38,230 --> 01:00:36,400

obviously

1649

01:00:40,549 --> 01:00:38,240

allegedly right yeah but i mean the us

1650

01:00:41,750 --> 01:00:40,559

army released the crada agreement on it

1651

01:00:44,150 --> 01:00:41,760

it's

1652

01:00:45,750 --> 01:00:44,160

otherwise

1653

01:00:46,789 --> 01:00:45,760

the creative agreement's wording would

1654

01:00:49,030 --> 01:00:46,799

have been

1655

01:00:51,030 --> 01:00:49,040

disingenuous i think the army thinks

1656

01:00:52,950 --> 01:00:51,040

it's worth looking into and it costs

1657

01:00:55,510 --> 01:00:52,960

them nothing to look into except their

1658

01:00:57,030 --> 01:00:55,520

own science their own scientists and and

1659

01:00:57,829 --> 01:00:57,040

equipment because people are all like

1660

01:01:00,710 --> 01:00:57,839

look

1661

01:01:01,990 --> 01:01:00,720

to the stars is getting 750 000 i'm like

1662

01:01:04,150 --> 01:01:02,000

no that's not what they're getting it's

1663

01:01:06,069 --> 01:01:04,160

just representation of how much money it

1664

01:01:07,670 --> 01:01:06,079

would cost to use those scientists in

1665

01:01:09,430 --> 01:01:07,680

the army and their equipment they're not

1666

01:01:11,589 --> 01:01:09,440

they're not getting any money it's no

1667

01:01:13,510 --> 01:01:11,599

money's exchanged exchanging hands but

1668

01:01:15,430 --> 01:01:13,520

like at the time i was like all right

1669

01:01:17,589 --> 01:01:15,440

this is fine they don't have the money

1670

01:01:20,470 --> 01:01:17,599

to do it themselves but

1671

01:01:22,710 --> 01:01:20,480

if let's say one of those pieces of arts

1672

01:01:25,270 --> 01:01:22,720

parts you know the bismuth magnesium

1673

01:01:27,349 --> 01:01:25,280

let's say they they beam

1674

01:01:28,950 --> 01:01:27,359

the right amount of terahertz energy at

1675

01:01:30,870 --> 01:01:28,960

it and it starts to levitate do they

1676
01:01:31,910 --> 01:01:30,880
really think do we any really body think

1677
01:01:34,230 --> 01:01:31,920
that they're going to let that out to

1678
01:01:35,829 --> 01:01:34,240
the public i don't i know it says both

1679
01:01:37,990 --> 01:01:35,839
both sides get the results i just don't

1680
01:01:39,510 --> 01:01:38,000
believe that

1681
01:01:40,950 --> 01:01:39,520
well there's

1682
01:01:42,950 --> 01:01:40,960
there's usually deals and there's back

1683
01:01:44,470 --> 01:01:42,960
deals right awesome right

1684
01:01:46,069 --> 01:01:44,480
yeah so let me take some questions joe

1685
01:01:51,750 --> 01:01:46,079
thank you for calling

1686
01:01:55,109 --> 01:01:53,829
i will look at questions and you guys

1687
01:01:56,069 --> 01:01:55,119
feel free

1688
01:01:57,670 --> 01:01:56,079

to

1689

01:02:02,470 --> 01:01:57,680

i'll give out the link one more time i

1690

01:02:02,480 --> 01:02:09,270

but it's nice to have callers in

1691

01:02:09,280 --> 01:02:13,510

any questions

1692

01:02:19,430 --> 01:02:16,710

yep good night john

1693

01:02:23,109 --> 01:02:19,440

i am well grounded sometimes i'm too

1694

01:02:25,029 --> 01:02:23,119

grounded i get stuck to the ground um

1695

01:02:26,870 --> 01:02:25,039

yeah i was trying to get mark i was

1696

01:02:28,710 --> 01:02:26,880

trying to get michael by on tonight but

1697

01:02:32,309 --> 01:02:28,720

he has a very early day tomorrow you

1698

01:02:34,390 --> 01:02:32,319

want you want to hear a smart guy my god

1699

01:02:36,710 --> 01:02:34,400

um he knows so much stuff about the

1700

01:02:37,670 --> 01:02:36,720

phenomenon the history everything

1701

01:02:39,349 --> 01:02:37,680

um

1702

01:02:41,430 --> 01:02:39,359

he also believes we've cracked gravity

1703

01:02:43,510 --> 01:02:41,440

which a lot of people are

1704

01:02:45,750 --> 01:02:43,520

don't agree with them on by the way

1705

01:02:47,270 --> 01:02:45,760

there is somebody here

1706

01:02:49,109 --> 01:02:47,280

they're using the wrong i think you're

1707

01:02:55,750 --> 01:02:49,119

using the wrong browser i cannot bring

1708

01:02:55,760 --> 01:02:58,789

twitter

1709

01:02:58,799 --> 01:03:32,390

hold on guys

1710

01:03:36,870 --> 01:03:35,029

it's in the chat tom the link i've sent

1711

01:03:38,150 --> 01:03:36,880

it a lot of times it would be great if

1712

01:03:41,430 --> 01:03:38,160

you can join

1713

01:03:43,670 --> 01:03:41,440

there's gabby we got gabby from mexico

1714

01:03:46,710 --> 01:03:43,680

gabby how are you

1715

01:03:49,109 --> 01:03:46,720

hey can you hear me oh i can hear you

1716

01:03:51,270 --> 01:03:49,119

hey what's up i'm glad i'm in my house

1717

01:03:53,589 --> 01:03:51,280

in mexico city i'm glad to be able to

1718

01:03:56,710 --> 01:03:53,599

say hello to you brother i'm glad yeah

1719

01:03:59,430 --> 01:03:56,720

i'm glad you called in um

1720

01:04:01,349 --> 01:03:59,440

what are you thinking hey well what i

1721

01:04:03,430 --> 01:04:01,359

was actually going to talk about wanted

1722

01:04:05,270 --> 01:04:03,440

to talk about with you is like um i

1723

01:04:07,829 --> 01:04:05,280

don't know if you have heard

1724

01:04:08,950 --> 01:04:07,839

or have uh read about like other you

1725

01:04:11,670 --> 01:04:08,960

know

1726

01:04:13,829 --> 01:04:11,680

ufo podcasters investigators the

1727

01:04:17,349 --> 01:04:13,839

reactions after

1728

01:04:19,829 --> 01:04:17,359

these hearings because i've been noting

1729

01:04:22,549 --> 01:04:19,839

and noticing that some of them have

1730

01:04:24,870 --> 01:04:22,559

taken extreme postures

1731

01:04:26,390 --> 01:04:24,880

about this you know like for example

1732

01:04:28,630 --> 01:04:26,400

here in mexico

1733

01:04:30,710 --> 01:04:28,640

jaime moussan you know this guy

1734

01:04:32,710 --> 01:04:30,720

he's been

1735

01:04:33,670 --> 01:04:32,720

you know making a lot of superlatives

1736

01:04:35,750 --> 01:04:33,680

like

1737

01:04:38,789 --> 01:04:35,760

finally the us is accepting the

1738

01:04:41,349 --> 01:04:38,799

phenomenon this is real stuff like that

1739

01:04:42,950 --> 01:04:41,359

but who i wanted to ask to you about is

1740

01:04:45,910 --> 01:04:42,960

linda moulton howie i don't know if you

1741

01:04:47,589 --> 01:04:45,920

have been watching her podcast recently

1742

01:04:50,230 --> 01:04:47,599

i have not

1743

01:04:52,710 --> 01:04:50,240

well she's been like even like

1744

01:04:55,430 --> 01:04:52,720

since the first week after the hearings

1745

01:04:57,829 --> 01:04:55,440

she's been like making all these uh very

1746

01:05:00,789 --> 01:04:57,839

incredible claims is the only way i can

1747

01:05:03,829 --> 01:05:00,799

describe them but she's been like uh you

1748

01:05:06,150 --> 01:05:03,839

know supposedly releasing documents she

1749

01:05:10,150 --> 01:05:06,160

has but like these are like majestic 12

1750

01:05:12,390 --> 01:05:10,160

type documents like you know very uh

1751

01:05:14,710 --> 01:05:12,400

hard to confirm as real

1752

01:05:17,670 --> 01:05:14,720

but in one of the episodes she talked

1753

01:05:19,349 --> 01:05:17,680

about um

1754

01:05:20,950 --> 01:05:19,359

i i know this is gonna sound ridiculous

1755

01:05:22,870 --> 01:05:20,960

joe but you know this is the type of

1756

01:05:25,349 --> 01:05:22,880

topics i like to talk about with you

1757

01:05:27,670 --> 01:05:25,359

because i know you have also

1758

01:05:30,390 --> 01:05:27,680

taken a walk into the strangest site of

1759

01:05:32,710 --> 01:05:30,400

the ufo phenomenon if you will

1760

01:05:35,750 --> 01:05:32,720

but she talked about like an apparent

1761

01:05:38,230 --> 01:05:35,760

like uh interstellar type of ships

1762

01:05:40,230 --> 01:05:38,240

american ships and she even gave the

1763

01:05:42,630 --> 01:05:40,240

names of the ships i wanted to know if

1764

01:05:45,349 --> 01:05:42,640

you have heard about this like the names

1765

01:05:48,829 --> 01:05:45,359

of the ships she gave were where

1766

01:05:52,470 --> 01:05:48,839

the uss kurtis the may the uss hoyt

1767

01:05:54,470 --> 01:05:52,480

vandenberg and the uss roscoe healing

1768

01:05:56,069 --> 01:05:54,480

coder kid encounter i don't know how to

1769

01:05:57,670 --> 01:05:56,079

pronounce the joke have you heard

1770

01:05:59,750 --> 01:05:57,680

anything about this

1771

01:06:03,510 --> 01:05:59,760

no i have not heard about it and the

1772

01:06:07,510 --> 01:06:05,349

you know will miller who's part of the

1773

01:06:09,029 --> 01:06:07,520

wilson davis documents who i met who i'm

1774

01:06:11,349 --> 01:06:09,039

friends with i haven't spoken to him in

1775

01:06:13,510 --> 01:06:11,359

a couple of years um

1776

01:06:15,270 --> 01:06:13,520

he in my interview said he believes that

1777

01:06:17,270 --> 01:06:15,280

we have craft that can go anywhere

1778

01:06:18,390 --> 01:06:17,280

anytime in the universe so travel in

1779

01:06:20,630 --> 01:06:18,400

time so

1780

01:06:22,549 --> 01:06:20,640

will's not just some guy

1781

01:06:24,630 --> 01:06:22,559

with i could see you tom i'll bring you

1782

01:06:26,549 --> 01:06:24,640

in in a little bit will's just not some

1783

01:06:28,630 --> 01:06:26,559

guy will's very smart guy who briefed

1784

01:06:30,870 --> 01:06:28,640

people on his own time in the pentagon

1785

01:06:33,589 --> 01:06:30,880

in the government um

1786

01:06:35,109 --> 01:06:33,599

he's the one that briefed admiral wilson

1787

01:06:37,829 --> 01:06:35,119

didn't really need steven greer to be

1788

01:06:39,190 --> 01:06:37,839

there but greer was there um so

1789

01:06:40,630 --> 01:06:39,200

but there are there are people when they

1790

01:06:41,829 --> 01:06:40,640

say that they're like no way there's

1791

01:06:44,230 --> 01:06:41,839

somebody i spoke to the other day in the

1792

01:06:46,069 --> 01:06:44,240

phone um works in the government like no

1793

01:06:47,430 --> 01:06:46,079

way we don't have this technology this

1794

01:06:49,190 --> 01:06:47,440

is no way i know how government works

1795

01:06:50,789 --> 01:06:49,200

and we don't have it i'm like okay

1796

01:06:52,470 --> 01:06:50,799

um there are people like michael bai who

1797

01:06:53,829 --> 01:06:52,480

i've interviewed who believe we do there

1798

01:06:55,990 --> 01:06:53,839

are people like will miller who believe

1799

01:06:57,750 --> 01:06:56,000

we do so i don't close the door on that

1800

01:06:59,190 --> 01:06:57,760

but yeah i mean

1801

01:07:00,549 --> 01:06:59,200

what does she present as evidence

1802

01:07:02,710 --> 01:07:00,559

documents documents

1803

01:07:04,470 --> 01:07:02,720

documents i suck at documents number one

1804

01:07:06,309 --> 01:07:04,480

i can't authenticate documents that's

1805

01:07:08,230 --> 01:07:06,319

not my thing um

1806

01:07:10,390 --> 01:07:08,240

so yeah it's interesting so you say okay

1807

01:07:11,910 --> 01:07:10,400

linda that's interesting but unless we

1808

01:07:13,990 --> 01:07:11,920

have evidence it really doesn't amount

1809

01:07:15,670 --> 01:07:14,000

to much and even with will but will

1810

01:07:17,190 --> 01:07:15,680

milller has a reputation i mean leslie

1811

01:07:18,549 --> 01:07:17,200

keane in her book called him a true

1812

01:07:20,870 --> 01:07:18,559

insider

1813

01:07:22,390 --> 01:07:20,880

brilliant guy he's had you know he's had

1814

01:07:23,829 --> 01:07:22,400

access if you read the wilson davis

1815

01:07:25,670 --> 01:07:23,839

notes his letter is in there trying to

1816

01:07:27,430 --> 01:07:25,680

give eric davis and help put up access

1817

01:07:29,430 --> 01:07:27,440

to information related

1818

01:07:31,910 --> 01:07:29,440

to crash retrievals um

1819

01:07:34,470 --> 01:07:31,920

and alien reproduction vehicles so we've

1820

01:07:36,069 --> 01:07:34,480

been back engineering stuff allegedly

1821

01:07:37,109 --> 01:07:36,079

so i don't know gabby i mean i'm stuck

1822

01:07:38,789 --> 01:07:37,119

in the middle because you have smart

1823

01:07:40,230 --> 01:07:38,799

people on both sides

1824

01:07:41,589 --> 01:07:40,240

most people say we have not cracked

1825

01:07:43,750 --> 01:07:41,599

gravity there are other people behind

1826

01:07:46,390 --> 01:07:43,760

the scenes who are hinting that we have

1827

01:07:48,069 --> 01:07:46,400

um so yeah i don't know

1828

01:07:50,309 --> 01:07:48,079

yeah it's uh

1829

01:07:52,950 --> 01:07:50,319

it's very hard to sometimes take linda

1830

01:07:55,109 --> 01:07:52,960

seriously because for example

1831

01:07:57,190 --> 01:07:55,119

in the last episode she was like uh

1832

01:08:00,630 --> 01:07:57,200

showing like a reddit

1833

01:08:02,630 --> 01:08:00,640

or like a fortune screen capture and

1834

01:08:05,349 --> 01:08:02,640

she thought it was like you know like

1835

01:08:06,630 --> 01:08:05,359

some hacked email or some like super

1836

01:08:09,029 --> 01:08:06,640

secret

1837

01:08:11,990 --> 01:08:09,039

information and it came across very bad

1838

01:08:13,829 --> 01:08:12,000

and uh before i i finished yo joe with

1839

01:08:16,390 --> 01:08:13,839

you actually if i can have one more

1840

01:08:18,789 --> 01:08:16,400

minute with you yeah go ahead i i just

1841

01:08:21,910 --> 01:08:18,799

want to recommend you like uh

1842

01:08:24,390 --> 01:08:21,920

to investigate or to to follow this saga

1843

01:08:25,510 --> 01:08:24,400

that's been happening in spain and in

1844

01:08:28,470 --> 01:08:25,520

europa

1845

01:08:30,149 --> 01:08:28,480

i don't know if you know about these uh

1846

01:08:32,070 --> 01:08:30,159

what's the name that

1847

01:08:34,070 --> 01:08:32,080

i getting

1848

01:08:36,950 --> 01:08:34,080

or something like that uh movement like

1849

01:08:38,950 --> 01:08:36,960

uh i have not sent it to me

1850

01:08:42,709 --> 01:08:38,960

yeah it's like this guy the exopolitics

1851

01:08:45,430 --> 01:08:42,719

guy michael salah you know these guys

1852

01:08:47,189 --> 01:08:45,440

i do know michael not a fan

1853

01:08:48,390 --> 01:08:47,199

no i know that's why i'm telling you

1854

01:08:49,990 --> 01:08:48,400

like um

1855

01:08:52,709 --> 01:08:50,000

apparently like there's like a bunch of

1856

01:08:55,349 --> 01:08:52,719

people that you know supposedly get like

1857

01:08:57,269 --> 01:08:55,359

chat messages from extraterrestrials and

1858

01:09:00,149 --> 01:08:57,279

some girls that were on this like type

1859

01:09:02,709 --> 01:09:00,159

of coach called they just found out it

1860

01:09:03,749 --> 01:09:02,719

was kind of like a big operation with

1861

01:09:05,669 --> 01:09:03,759

many

1862

01:09:07,269 --> 01:09:05,679

supposed contact is involved like

1863

01:09:10,309 --> 01:09:07,279

getting fooled

1864

01:09:11,990 --> 01:09:10,319

and they did a video it's in spanish uh

1865

01:09:14,789 --> 01:09:12,000

but it's very interesting about the

1866

01:09:15,590 --> 01:09:14,799

methodology they use to fool people and

1867

01:09:16,550 --> 01:09:15,600

they

1868

01:09:19,189 --> 01:09:16,560

uh

1869

01:09:22,229 --> 01:09:19,199

are on the belief that there may be some

1870

01:09:23,749 --> 01:09:22,239

russian propaganda behind all of it it's

1871

01:09:25,990 --> 01:09:23,759

very interesting and

1872

01:09:27,910 --> 01:09:26,000

uh for american uh you know ufo

1873

01:09:29,910 --> 01:09:27,920

enthusiasts is interesting because these

1874

01:09:32,470 --> 01:09:29,920

people behind these uh

1875

01:09:35,829 --> 01:09:32,480

i don't know hoax just got a

1876

01:09:37,669 --> 01:09:35,839

show in gaia tv and the gaia network so

1877

01:09:39,749 --> 01:09:37,679

it's kind of like uh something that's

1878

01:09:41,990 --> 01:09:39,759

growing like that misinformation this

1879

01:09:43,430 --> 01:09:42,000

information yeah guy has another red

1880

01:09:45,030 --> 01:09:43,440

flag from me but i'm not saying they

1881

01:09:46,630 --> 01:09:45,040

don't have interesting information but

1882

01:09:48,470 --> 01:09:46,640

send it to me on a dm and i'm gonna let

1883

01:09:50,470 --> 01:09:48,480

you go gabby you have one more person to

1884

01:09:52,149 --> 01:09:50,480

bring in thank you good night thank you

1885

01:09:53,910 --> 01:09:52,159

for all you do brother thank you yeah

1886

01:09:56,870 --> 01:09:53,920

thanks for the interview we did and my

1887

01:09:58,390 --> 01:09:56,880

my my interpreter says hello hola

1888

01:10:02,410 --> 01:09:58,400

yeah

1889

01:10:05,510 --> 01:10:02,420

have a good night man bye

1890

01:10:19,750 --> 01:10:07,750

so i have to wait until the blender

1891

01:10:19,760 --> 01:10:23,590

maybe

1892

01:10:27,270 --> 01:10:24,870

okay

1893

01:10:28,709 --> 01:10:27,280

that's enough

1894

01:10:30,390 --> 01:10:28,719

yeah we may have cracked gravity it's

1895

01:10:31,910 --> 01:10:30,400

very possible you see how the research

1896

01:10:33,270 --> 01:10:31,920

went behind the scenes let me bring tom

1897

01:10:35,350 --> 01:10:33,280

in

1898

01:10:38,310 --> 01:10:35,360

there you are tom are you sure that

1899

01:10:42,149 --> 01:10:38,320

wasn't a ufo joe it was not a ufo

1900

01:10:45,510 --> 01:10:43,990

tom and i have had discussions that i

1901

01:10:47,270 --> 01:10:45,520

would always wish afterwards i'm like

1902

01:10:49,669 --> 01:10:47,280

why didn't i record that but now we got

1903

01:10:52,709 --> 01:10:49,679

our chance

1904

01:10:54,870 --> 01:10:52,719

well i i'm not real and i'm not real

1905

01:10:57,030 --> 01:10:54,880

optimistic about the kind of disclosure

1906

01:10:59,189 --> 01:10:57,040

that we need i mean we need

1907

01:11:01,350 --> 01:10:59,199

you know the crash saucers and bodies

1908

01:11:02,229 --> 01:11:01,360

and all that good stuff

1909

01:11:03,030 --> 01:11:02,239

and

1910

01:11:07,030 --> 01:11:03,040

if

1911

01:11:09,590 --> 01:11:07,040

it secret they've been doing it for a

1912

01:11:11,110 --> 01:11:09,600

long time and and they've been doing it

1913

01:11:13,510 --> 01:11:11,120

for a reason

1914

01:11:15,510 --> 01:11:13,520

and they have some kind of methodology

1915

01:11:18,070 --> 01:11:15,520

of burying it

1916

01:11:20,550 --> 01:11:18,080

so that even the inspector generals i

1917

01:11:22,229 --> 01:11:20,560

don't think can do anything about it

1918

01:11:23,910 --> 01:11:22,239

because they're the

1919

01:11:25,990 --> 01:11:23,920

general accounting office and the

1920

01:11:27,990 --> 01:11:26,000

inspector general

1921

01:11:31,830 --> 01:11:28,000

of the air force or of the dod or

1922

01:11:33,430 --> 01:11:31,840

whatever i mean they're gonna know

1923

01:11:35,110 --> 01:11:33,440

what what is in there or they should

1924

01:11:37,350 --> 01:11:35,120

know in there what's in there and

1925

01:11:39,270 --> 01:11:37,360

they've either concealed it

1926

01:11:40,709 --> 01:11:39,280

so that the inspector general can't see

1927

01:11:42,870 --> 01:11:40,719

it or they've

1928

01:11:44,709 --> 01:11:42,880

read them the riot act and convinced

1929

01:11:47,270 --> 01:11:44,719

them that they shouldn't

1930

01:11:49,510 --> 01:11:47,280

they shouldn't make any of this public

1931

01:11:52,830 --> 01:11:49,520

and i think the only reason why we are

1932

01:11:56,310 --> 01:11:52,840

where we are is because elizondo and

1933

01:11:59,510 --> 01:11:56,320

melon have acted as whistleblowers

1934

01:12:01,350 --> 01:11:59,520

and they've gotten the ball rolling but

1935

01:12:02,950 --> 01:12:01,360

i just don't know if even the congress

1936

01:12:04,229 --> 01:12:02,960

can get to the bottom of it they would

1937

01:12:08,229 --> 01:12:04,239

have to

1938

01:12:10,790 --> 01:12:08,239

conduct a watergate style investigation

1939

01:12:12,470 --> 01:12:10,800

uh you know or this uh this kind of

1940

01:12:13,910 --> 01:12:12,480

investigation that occurred in the

1941

01:12:15,590 --> 01:12:13,920

church committee

1942

01:12:17,270 --> 01:12:15,600

where they call them all in and make

1943

01:12:19,270 --> 01:12:17,280

them swear on the bible to tell the

1944

01:12:21,350 --> 01:12:19,280

truth or else

1945

01:12:23,430 --> 01:12:21,360

and they they have to have the political

1946

01:12:25,430 --> 01:12:23,440

will to get to the bottom of that and

1947

01:12:26,310 --> 01:12:25,440

i'm not sure they do

1948

01:12:30,310 --> 01:12:26,320

and

1949

01:12:32,229 --> 01:12:30,320

rebuffed what do they do i mean what if

1950

01:12:33,750 --> 01:12:32,239

they just say no we're not telling you

1951

01:12:35,350 --> 01:12:33,760

what are they gonna do they're gonna

1952

01:12:37,110 --> 01:12:35,360

they're gonna just go and break down the

1953

01:12:38,790 --> 01:12:37,120

doors of wherever they think this stuff

1954

01:12:40,070 --> 01:12:38,800

is lou says i can tell you where it is

1955

01:12:41,990 --> 01:12:40,080

and we can go there right now how does

1956

01:12:44,310 --> 01:12:42,000

that work how would that work let's just

1957

01:12:45,990 --> 01:12:44,320

say it's at it's at grumman northrup we

1958

01:12:47,030 --> 01:12:46,000

know exactly where it is this is where

1959

01:12:48,870 --> 01:12:47,040

you need to go

1960

01:12:51,110 --> 01:12:48,880

does our government go in and say we're

1961

01:12:52,709 --> 01:12:51,120

taking control we're taking what how

1962

01:12:54,149 --> 01:12:52,719

would that even look legally could they

1963

01:12:56,229 --> 01:12:54,159

do that i mean

1964

01:12:58,310 --> 01:12:56,239

well the the problem is there i mean you

1965

01:13:00,550 --> 01:12:58,320

have separation of powers in the

1966

01:13:03,510 --> 01:13:00,560

government so the the congress doesn't

1967

01:13:05,189 --> 01:13:03,520

have any policing authority they have

1968

01:13:07,189 --> 01:13:05,199

i mean they have police that protect

1969

01:13:09,430 --> 01:13:07,199

them on the capitol grounds and all that

1970

01:13:12,310 --> 01:13:09,440

but they don't have their own police

1971

01:13:14,790 --> 01:13:12,320

force or their own investigative force

1972

01:13:16,550 --> 01:13:14,800

like the fbi the only thing they can do

1973

01:13:19,189 --> 01:13:16,560

is turn over

1974

01:13:20,390 --> 01:13:19,199

a recommendation to the uh department of

1975

01:13:22,390 --> 01:13:20,400

justice

1976

01:13:23,270 --> 01:13:22,400

you know and then stick them on them but

1977

01:13:25,030 --> 01:13:23,280

they

1978

01:13:28,310 --> 01:13:25,040

you know that's that's almost a bridge

1979

01:13:30,630 --> 01:13:28,320

too far because they would have to have

1980

01:13:33,270 --> 01:13:30,640

uh they would have to have documented

1981

01:13:35,270 --> 01:13:33,280

proof basically or very strong

1982

01:13:36,709 --> 01:13:35,280

documented evidence that some law is

1983

01:13:39,189 --> 01:13:36,719

being broken

1984

01:13:41,510 --> 01:13:39,199

i mean we speculate about that and it

1985

01:13:43,590 --> 01:13:41,520

may very well be the case but having

1986

01:13:45,669 --> 01:13:43,600

documented evidence and even proof to

1987

01:13:46,709 --> 01:13:45,679

turn over to the just department you

1988

01:13:49,350 --> 01:13:46,719

know a

1989

01:13:50,470 --> 01:13:49,360

referral to the justice department

1990

01:13:52,470 --> 01:13:50,480

that's something that they're going to

1991

01:13:55,350 --> 01:13:52,480

have to be able to get

1992

01:13:57,030 --> 01:13:55,360

through having the political wit will to

1993

01:13:58,470 --> 01:13:57,040

dig into this thing until they get to

1994

01:14:00,390 --> 01:13:58,480

the bottom of it

1995

01:14:02,310 --> 01:14:00,400

and i i just don't know if they have if

1996

01:14:04,870 --> 01:14:02,320

there's a political will there

1997

01:14:06,950 --> 01:14:04,880

yeah they may not be at this point um i

1998

01:14:08,709 --> 01:14:06,960

wonder if enough of the people who were

1999

01:14:09,830 --> 01:14:08,719

in the program say well we're coming

2000

01:14:12,310 --> 01:14:09,840

forward and we're going to talk about

2001

01:14:13,990 --> 01:14:12,320

what we saw i wonder if that happens

2002

01:14:16,070 --> 01:14:14,000

let's say it's 30 people i wonder if

2003

01:14:18,470 --> 01:14:16,080

that would be enough to wake up

2004

01:14:19,910 --> 01:14:18,480

the masses to sh to say

2005

01:14:21,590 --> 01:14:19,920

do you hear what they're saying they're

2006

01:14:23,189 --> 01:14:21,600

saying they worked on craft they believe

2007

01:14:24,870 --> 01:14:23,199

that was not made on this planet and

2008

01:14:26,709 --> 01:14:24,880

it's live hearings

2009

01:14:28,550 --> 01:14:26,719

whether or not we even get that it might

2010

01:14:30,390 --> 01:14:28,560

be all behind closed doors which is not

2011

01:14:31,830 --> 01:14:30,400

going to do the trick obviously

2012

01:14:33,350 --> 01:14:31,840

um yeah you bring up bring up a great

2013

01:14:35,430 --> 01:14:33,360

point and i'm i'm positive and happy

2014

01:14:37,830 --> 01:14:35,440

about today but i realized there's a

2015

01:14:39,189 --> 01:14:37,840

long way to go i realize it's just not

2016

01:14:41,189 --> 01:14:39,199

going to happen

2017

01:14:44,390 --> 01:14:41,199

and there's so many

2018

01:14:45,830 --> 01:14:44,400

so many ways this can fall apart um

2019

01:14:46,550 --> 01:14:45,840

yeah i don't know i mean i would love to

2020

01:14:49,430 --> 01:14:46,560

hear

2021

01:14:50,870 --> 01:14:49,440

questions to lou and melon exactly about

2022

01:14:52,550 --> 01:14:50,880

this what if they just put up a fight

2023

01:14:54,229 --> 01:14:52,560

you know what can we do

2024

01:14:55,030 --> 01:14:54,239

the the

2025

01:15:02,310 --> 01:14:55,040

the

2026

01:15:04,070 --> 01:15:02,320

health education welfare

2027

01:15:06,790 --> 01:15:04,080

energy department they stonewall

2028

01:15:07,830 --> 01:15:06,800

congress all the time

2029

01:15:11,350 --> 01:15:07,840

you know

2030

01:15:13,830 --> 01:15:11,360

uh congress or in congress or requests

2031

01:15:15,270 --> 01:15:13,840

information from the president's office

2032

01:15:18,229 --> 01:15:15,280

or from

2033

01:15:20,229 --> 01:15:18,239

uh you know the executive branches and

2034

01:15:21,830 --> 01:15:20,239

they just stonewall them

2035

01:15:23,510 --> 01:15:21,840

and it's like you say what are they

2036

01:15:25,750 --> 01:15:23,520

gonna do about it

2037

01:15:27,669 --> 01:15:25,760

and it's not really exactly the point

2038

01:15:30,550 --> 01:15:27,679

we're talking about now but recently on

2039

01:15:31,990 --> 01:15:30,560

a facebook page um

2040

01:15:33,750 --> 01:15:32,000

i'm sorry this is going off on a tangent

2041

01:15:35,750 --> 01:15:33,760

but it popped into my head

2042

01:15:37,189 --> 01:15:35,760

and it's a private facebook page so the

2043

01:15:38,950 --> 01:15:37,199

person who runs the page doesn't want us

2044

01:15:40,870 --> 01:15:38,960

sharing stuff so somebody a famous

2045

01:15:41,830 --> 01:15:40,880

scientist a well-known scientist talked

2046

01:15:43,590 --> 01:15:41,840

about

2047

01:15:44,950 --> 01:15:43,600

holland holloman air force base and

2048

01:15:48,709 --> 01:15:44,960

saying how they

2049

01:15:50,630 --> 01:15:48,719

verified the information and um

2050

01:15:52,149 --> 01:15:50,640

if we actually and it would be you said

2051

01:15:53,590 --> 01:15:52,159

we need to see the bodies we need to see

2052

01:15:54,709 --> 01:15:53,600

the craft allegedly if we have that

2053

01:15:56,390 --> 01:15:54,719

stuff

2054

01:15:58,070 --> 01:15:56,400

and then this next level up at holloman

2055

01:16:01,030 --> 01:15:58,080

it's apparently a craft landed and they

2056

01:16:03,030 --> 01:16:01,040

met with our air force in a meeting so

2057

01:16:04,550 --> 01:16:03,040

just like that i mean

2058

01:16:06,630 --> 01:16:04,560

have you done any work on holloman at

2059

01:16:08,709 --> 01:16:06,640

all any opinions on it

2060

01:16:10,310 --> 01:16:08,719

well i'm very familiar with the stories

2061

01:16:11,750 --> 01:16:10,320

and the rumors

2062

01:16:13,110 --> 01:16:11,760

you know and they're they're tell people

2063

01:16:15,590 --> 01:16:13,120

the story because some people may not

2064

01:16:18,950 --> 01:16:15,600

know what holloman is about

2065

01:16:22,229 --> 01:16:18,960

well there's there's a story that

2066

01:16:23,590 --> 01:16:22,239

uh there was some kind of agreement to

2067

01:16:25,669 --> 01:16:23,600

meet with

2068

01:16:27,590 --> 01:16:25,679

some alien group

2069

01:16:28,870 --> 01:16:27,600

at holloman air force base now one

2070

01:16:32,310 --> 01:16:28,880

version

2071

01:16:34,149 --> 01:16:32,320

is that the saucer lands and then a

2072

01:16:36,790 --> 01:16:34,159

couple of air force colonels come out

2073

01:16:38,630 --> 01:16:36,800

and they talk for a few minutes and then

2074

01:16:40,550 --> 01:16:38,640

the aliens fly off

2075

01:16:42,070 --> 01:16:40,560

another version is that eisenhower

2076

01:16:43,669 --> 01:16:42,080

landed there

2077

01:16:45,590 --> 01:16:43,679

you know and actually went in the craft

2078

01:16:48,070 --> 01:16:45,600

for a period of time

2079

01:16:49,910 --> 01:16:48,080

uh and it's it's kind of like the second

2080

01:16:52,550 --> 01:16:49,920

iteration of the

2081

01:16:56,229 --> 01:16:52,560

the rumor about eisenhower meeting uh

2082

01:16:59,430 --> 01:16:56,239

aliens when he was uh in california

2083

01:17:02,229 --> 01:16:59,440

and i i think that was on uh uh

2084

01:17:03,350 --> 01:17:02,239

edwards air force base or some vicinity

2085

01:17:07,270 --> 01:17:03,360

there

2086

01:17:09,189 --> 01:17:07,280

and now richard doty claims that

2087

01:17:12,390 --> 01:17:09,199

he's claimed that

2088

01:17:14,950 --> 01:17:12,400

the socorro landing that you know the

2089

01:17:17,350 --> 01:17:14,960

lonnie zamora incident

2090

01:17:19,110 --> 01:17:17,360

was because that was actually going to

2091

01:17:21,430 --> 01:17:19,120

be the holloman

2092

01:17:23,830 --> 01:17:21,440

meeting but they had the coordinates

2093

01:17:25,669 --> 01:17:23,840

wrong and that's why they landed they

2094

01:17:26,550 --> 01:17:25,679

landed in the wrong place then they took

2095

01:17:27,830 --> 01:17:26,560

off

2096

01:17:29,030 --> 01:17:27,840

and they put the wrong coordinates in

2097

01:17:31,110 --> 01:17:29,040

their gps

2098

01:17:33,910 --> 01:17:31,120

yeah it's something like that i mean

2099

01:17:35,590 --> 01:17:33,920

it's kind of hard to believe but yeah

2100

01:17:37,110 --> 01:17:35,600

but that's enough you know another

2101

01:17:39,830 --> 01:17:37,120

version of it and you know a lot about

2102

01:17:41,270 --> 01:17:39,840

dodie um it's funny because people like

2103

01:17:43,510 --> 01:17:41,280

people totally ignore dodie but i think

2104

01:17:45,990 --> 01:17:43,520

you've transcribed or you have almost

2105

01:17:50,470 --> 01:17:46,000

all of his lectures

2106

01:17:53,430 --> 01:17:50,480

i've transcribed about

2107

01:17:55,189 --> 01:17:53,440

15 or more of his interviews on youtube

2108

01:17:57,750 --> 01:17:55,199

i haven't transcribed him i've taken

2109

01:17:59,510 --> 01:17:57,760

notes okay pretty extensive yeah your

2110

01:18:01,110 --> 01:17:59,520

notes are good what do you think about

2111

01:18:02,149 --> 01:18:01,120

dodie i know we've spoken about this

2112

01:18:04,550 --> 01:18:02,159

before

2113

01:18:06,229 --> 01:18:04,560

i think he's part of the mix

2114

01:18:08,630 --> 01:18:06,239

and uh

2115

01:18:10,070 --> 01:18:08,640

you know until we get a solid

2116

01:18:12,630 --> 01:18:10,080

confirmation

2117

01:18:14,950 --> 01:18:12,640

you know from some third party

2118

01:18:18,149 --> 01:18:14,960

uh we have i think we have to hold a lot

2119

01:18:19,830 --> 01:18:18,159

of his claims in advance

2120

01:18:21,510 --> 01:18:19,840

but i don't take the attitude that he's

2121

01:18:23,189 --> 01:18:21,520

just a liar and that you can't believe

2122

01:18:25,669 --> 01:18:23,199

anything that he says i think that he

2123

01:18:28,470 --> 01:18:25,679

does know some things for for one thing

2124

01:18:32,870 --> 01:18:28,480

he claims that he was briefed on the

2125

01:18:34,630 --> 01:18:32,880

secret program way back in 1979 1980

2126
01:18:37,189 --> 01:18:34,640
in order for him to do his work as an

2127
01:18:39,590 --> 01:18:37,199
afosi special agent

2128
01:18:40,470 --> 01:18:39,600
and then also after he left the air

2129
01:18:41,590 --> 01:18:40,480
force

2130
01:18:44,870 --> 01:18:41,600
um

2131
01:18:47,189 --> 01:18:44,880
he he's been uh meeting with other

2132
01:18:49,750 --> 01:18:47,199
retired intelligence people you know

2133
01:18:51,590 --> 01:18:49,760
from afosi and other

2134
01:18:53,030 --> 01:18:51,600
other agencies and they've apparently

2135
01:18:55,510 --> 01:18:53,040
told him a lot of things you know that

2136
01:18:58,149 --> 01:18:55,520
he wasn't he didn't find out about when

2137
01:18:59,910 --> 01:18:58,159
he was an afosi so he's been sharing a

2138
01:19:01,669 --> 01:18:59,920

lot of that information and i'm i'm not

2139

01:19:03,590 --> 01:19:01,679

inclined to just write it all off i

2140

01:19:06,149 --> 01:19:03,600

think i think we have to take it into

2141

01:19:08,310 --> 01:19:06,159

consideration yeah the people i speak to

2142

01:19:09,910 --> 01:19:08,320

they said do not just write them off

2143

01:19:12,310 --> 01:19:09,920

you'll have some good information mixed

2144

01:19:13,990 --> 01:19:12,320

in with bad information so

2145

01:19:15,590 --> 01:19:14,000

and i get i've gotten flak i was a

2146

01:19:17,189 --> 01:19:15,600

couple of years ago i was at the the

2147

01:19:18,630 --> 01:19:17,199

mega con and i was speaking with dodie

2148

01:19:20,149 --> 01:19:18,640

and people like oh man what is he

2149

01:19:21,750 --> 01:19:20,159

speaking to goatee i'm like give me a

2150

01:19:23,590 --> 01:19:21,760

break and george knapp's like yeah it's

2151
01:19:25,510 --> 01:19:23,600
like this uh i forget the wording he

2152
01:19:26,870 --> 01:19:25,520
used but yeah he has such a reputation i

2153
01:19:29,030 --> 01:19:26,880
understand it because of the bennowitz

2154
01:19:30,470 --> 01:19:29,040
thing and linda molten howe but

2155
01:19:31,990 --> 01:19:30,480
there may put that

2156
01:19:33,669 --> 01:19:32,000
put it aside just to see is there

2157
01:19:35,270 --> 01:19:33,679
information there that's valuable and i

2158
01:19:38,070 --> 01:19:35,280
think there is probably some information

2159
01:19:39,990 --> 01:19:38,080
there the problem is i don't know how to

2160
01:19:41,590 --> 01:19:40,000
distinguish which is good information

2161
01:19:43,430 --> 01:19:41,600
which is not good information i mean

2162
01:19:45,510 --> 01:19:43,440
that's obviously the problem

2163
01:19:47,910 --> 01:19:45,520

well it's the same thing with linda howe

2164

01:19:50,550 --> 01:19:47,920

linda used to have

2165

01:19:53,270 --> 01:19:50,560

at least one contact from the defense

2166

01:19:55,910 --> 01:19:53,280

intelligence agency and

2167

01:19:57,990 --> 01:19:55,920

maybe other contacts and you know she

2168

01:20:00,630 --> 01:19:58,000

she may she's made all kinds of wild

2169

01:20:03,510 --> 01:20:00,640

claims based on that and

2170

01:20:05,669 --> 01:20:03,520

some of it may be true so maybe false

2171

01:20:06,550 --> 01:20:05,679

all of it may be true all of it may be

2172

01:20:08,790 --> 01:20:06,560

false

2173

01:20:10,629 --> 01:20:08,800

but until we're able to get some kind of

2174

01:20:13,110 --> 01:20:10,639

confirmation

2175

01:20:15,270 --> 01:20:13,120

uh some way you know i think we just

2176
01:20:17,750 --> 01:20:15,280
have to keep an open mind and maybe take

2177
01:20:19,750 --> 01:20:17,760
a lot of it with a grain of salt too

2178
01:20:21,030 --> 01:20:19,760
you know i've followed him for a while i

2179
01:20:23,510 --> 01:20:21,040
mean her crop circle work was

2180
01:20:25,110 --> 01:20:23,520
interesting but you know she's like

2181
01:20:26,070 --> 01:20:25,120
i remember i went to a conference tom

2182
01:20:27,270 --> 01:20:26,080
and

2183
01:20:29,990 --> 01:20:27,280
it was

2184
01:20:33,830 --> 01:20:30,000
colin andrews had said that

2185
01:20:36,070 --> 01:20:33,840
he had sent wc levin good a sample of a

2186
01:20:39,189 --> 01:20:36,080
crop that was man-made and lebanon good

2187
01:20:41,110 --> 01:20:39,199
came back and said that it was anomalous

2188
01:20:43,189 --> 01:20:41,120

and i brought it up at a conference and

2189

01:20:45,430 --> 01:20:43,199

she was there and colin well colin

2190

01:20:47,910 --> 01:20:45,440

andrews was there and she got so upset

2191

01:20:49,270 --> 01:20:47,920

um and her her animal panel mutilation

2192

01:20:51,189 --> 01:20:49,280

work is amazing

2193

01:20:53,030 --> 01:20:51,199

you know she was one of the first but

2194

01:20:54,629 --> 01:20:53,040

she just leans too much alien for me i

2195

01:20:56,470 --> 01:20:54,639

think a lot of that is humans crystal

2196

01:20:58,870 --> 01:20:56,480

brines does amazing work and i get flack

2197

01:21:00,870 --> 01:20:58,880

for even saying that why would humans do

2198

01:21:03,430 --> 01:21:00,880

that but yeah linda molten howe

2199

01:21:04,790 --> 01:21:03,440

appreciate you know she's done so much

2200

01:21:06,390 --> 01:21:04,800

work but

2201

01:21:09,030 --> 01:21:06,400

i don't know if i put her in the dodie

2202

01:21:11,030 --> 01:21:09,040

camp only because he admits that he was

2203

01:21:12,149 --> 01:21:11,040

part of this information but yeah her

2204

01:21:13,830 --> 01:21:12,159

information

2205

01:21:15,030 --> 01:21:13,840

is

2206

01:21:16,870 --> 01:21:15,040

questionable

2207

01:21:19,189 --> 01:21:16,880

and i don't want to mean to this

2208

01:21:22,629 --> 01:21:19,199

it's questionable because it's so

2209

01:21:25,110 --> 01:21:22,639

it's so some of it is so far-fetched

2210

01:21:28,390 --> 01:21:25,120

but but that doesn't mean it isn't true

2211

01:21:30,070 --> 01:21:28,400

you know right right yeah yeah we i i

2212

01:21:31,270 --> 01:21:30,080

want to treat her with courtesy and

2213

01:21:33,910 --> 01:21:31,280

respect

2214

01:21:35,510 --> 01:21:33,920

and uh she's a sort she's another source

2215

01:21:37,750 --> 01:21:35,520

of information

2216

01:21:39,430 --> 01:21:37,760

and i i see this whole problem as an

2217

01:21:41,030 --> 01:21:39,440

intelligence problem

2218

01:21:43,189 --> 01:21:41,040

you know we need to gather all the

2219

01:21:45,189 --> 01:21:43,199

information and analyze it and try to

2220

01:21:47,030 --> 01:21:45,199

make sense out of it you know looking at

2221

01:21:48,550 --> 01:21:47,040

the whole picture everything that we

2222

01:21:50,629 --> 01:21:48,560

have

2223

01:21:52,149 --> 01:21:50,639

no i agree um

2224

01:21:53,669 --> 01:21:52,159

how are you feeling overall the last

2225

01:21:55,189 --> 01:21:53,679

four and a half years

2226

01:21:56,950 --> 01:21:55,199

did you ever think we'd even be talking

2227

01:21:58,709 --> 01:21:56,960

about this stuff at this point

2228

01:22:01,350 --> 01:21:58,719

before the new york times article came

2229

01:22:04,470 --> 01:22:02,149

no

2230

01:22:07,110 --> 01:22:04,480

and when the new york times article came

2231

01:22:08,470 --> 01:22:07,120

out it was

2232

01:22:11,110 --> 01:22:08,480

uh

2233

01:22:13,350 --> 01:22:11,120

it it turned out to be a form of

2234

01:22:15,590 --> 01:22:13,360

disclosure in the

2235

01:22:18,950 --> 01:22:15,600

i put two and two together

2236

01:22:22,310 --> 01:22:18,960

about bigelow being fina being funded by

2237

01:22:24,950 --> 01:22:22,320

the government by reading that article

2238

01:22:28,390 --> 01:22:24,960

and that was that was kind of a sea

2239

01:22:31,030 --> 01:22:28,400

change in my understanding of what's

2240

01:22:35,750 --> 01:22:31,040

what's been going on and

2241

01:22:40,149 --> 01:22:35,760

uh yes it had it it has been a material

2242

01:22:41,189 --> 01:22:40,159

shift in direction in in the information

2243

01:22:43,669 --> 01:22:41,199

that

2244

01:22:45,910 --> 01:22:43,679

uh we're hearing about in the public and

2245

01:22:47,430 --> 01:22:45,920

that the congress is is pressing to get

2246

01:22:49,750 --> 01:22:47,440

more of

2247

01:22:51,910 --> 01:22:49,760

but like he said joe it it remains to be

2248

01:22:53,750 --> 01:22:51,920

seen you know what how all this is going

2249

01:22:56,070 --> 01:22:53,760

to turn out and and like you said a

2250

01:22:57,750 --> 01:22:56,080

thousand things can go wrong

2251
01:23:00,709 --> 01:22:57,760
you know some of these congress people

2252
01:23:02,629 --> 01:23:00,719
may not get reelected oh my god yes you

2253
01:23:04,470 --> 01:23:02,639
know a different party comes into power

2254
01:23:06,470 --> 01:23:04,480
and the committee

2255
01:23:08,950 --> 01:23:06,480
compositions change

2256
01:23:11,189 --> 01:23:08,960
you know the dod stone walls and you

2257
01:23:14,709 --> 01:23:11,199
know maybe in a few years it's

2258
01:23:18,790 --> 01:23:16,790
i hope yeah

2259
01:23:21,110 --> 01:23:18,800
i want to be with you as much as anybody

2260
01:23:22,470 --> 01:23:21,120
believe me yeah i try to be positive and

2261
01:23:29,030 --> 01:23:22,480
people

2262
01:23:31,270 --> 01:23:29,040
let down over and over again so i'm i am

2263
01:23:33,270 --> 01:23:31,280

prepared for that but

2264

01:23:35,990 --> 01:23:33,280

at least we're at least talking about it

2265

01:23:37,510 --> 01:23:36,000

um the potential is there and

2266

01:23:38,390 --> 01:23:37,520

next year should be really interesting

2267

01:23:39,830 --> 01:23:38,400

um

2268

01:23:41,910 --> 01:23:39,840

and i really would love to hear like i

2269

01:23:43,270 --> 01:23:41,920

said what melon and lou think about what

2270

01:23:45,030 --> 01:23:43,280

we're talking about how they're gonna

2271

01:23:46,870 --> 01:23:45,040

get through that wall

2272

01:23:48,709 --> 01:23:46,880

of denial if they just push back and say

2273

01:23:51,189 --> 01:23:48,719

we're not giving you the information but

2274

01:23:53,189 --> 01:23:51,199

um i appreciate you coming on tom um

2275

01:23:55,350 --> 01:23:53,199

thank you like ten more questions ten

2276

01:23:56,790 --> 01:23:55,360

more minutes of questions and

2277

01:23:58,390 --> 01:23:56,800

we'll talk again soon next time you're

2278

01:23:59,350 --> 01:23:58,400

in vegas hit me up this time i will see

2279

01:24:00,790 --> 01:23:59,360

you

2280

01:24:04,310 --> 01:24:00,800

okay jeff thanks for all right have a

2281

01:24:05,830 --> 01:24:04,320

good night i eat you thanks

2282

01:24:07,350 --> 01:24:05,840

that was good i mean it's been great

2283

01:24:10,149 --> 01:24:07,360

tonight people

2284

01:24:12,149 --> 01:24:10,159

calling in uh anybody else i have any

2285

01:24:14,870 --> 01:24:12,159

questions i'm gonna do like

2286

01:24:19,189 --> 01:24:14,880

the top of the hour

2287

01:24:23,110 --> 01:24:21,030

she will publicly push out info that is

2288

01:24:25,350 --> 01:24:23,120

largely unvettable but that doesn't mean

2289

01:24:28,070 --> 01:24:25,360

some of it isn't correct yeah even if

2290

01:24:30,070 --> 01:24:28,080

outlandish i am open to outlandish i

2291

01:24:31,270 --> 01:24:30,080

laugh if some of the outlandish stuff is

2292

01:24:33,990 --> 01:24:31,280

true i think i heard

2293

01:24:36,709 --> 01:24:34,000

dodie tell a story where he said these

2294

01:24:38,790 --> 01:24:36,719

human-looking ets beamed into a room and

2295

01:24:40,870 --> 01:24:38,800

started dismembering everybody i'm like

2296

01:24:42,390 --> 01:24:40,880

if that happened uh i don't think people

2297

01:24:44,390 --> 01:24:42,400

would react to that well but it's so

2298

01:24:46,149 --> 01:24:44,400

outlandish so you keep it on the side

2299

01:24:50,390 --> 01:24:46,159

you're like all right interesting

2300

01:24:52,470 --> 01:24:50,400

ridiculous but no proof no evidence

2301

01:24:55,590 --> 01:24:52,480

see any other questions

2302

01:24:56,629 --> 01:24:55,600

yeah i respect london for her work um

2303

01:24:58,790 --> 01:24:56,639

i don't know if she's lost all

2304

01:25:00,390 --> 01:24:58,800

objectivity but

2305

01:25:02,070 --> 01:25:00,400

i don't usually pay attention to her

2306

01:25:05,990 --> 01:25:02,080

anymore i used to watch her live streams

2307

01:25:09,110 --> 01:25:07,510

the government will never come clean

2308

01:25:10,629 --> 01:25:09,120

well i don't know about the government i

2309

01:25:12,870 --> 01:25:10,639

think certain people will never come

2310

01:25:14,390 --> 01:25:12,880

clean who are still in control they'll

2311

01:25:15,590 --> 01:25:14,400

have to die off

2312

01:25:16,790 --> 01:25:15,600

um

2313

01:25:18,629 --> 01:25:16,800

yeah it's going to be like i said

2314

01:25:21,590 --> 01:25:18,639

interesting next year to see how this

2315

01:25:25,510 --> 01:25:23,669

thanks lord ludacris it was nice having

2316

01:25:30,149 --> 01:25:25,520

people calling and otherwise just me

2317

01:25:34,149 --> 01:25:31,990

i'm just gonna go down this list if i

2318

01:25:35,590 --> 01:25:34,159

can there we go linda lays our head down

2319

01:25:37,189 --> 01:25:35,600

at night truly believing tomorrow will

2320

01:25:39,030 --> 01:25:37,199

be the day they save us yeah i don't

2321

01:25:40,709 --> 01:25:39,040

know i don't think linda believes that

2322

01:25:42,229 --> 01:25:40,719

they're going to save us because she has

2323

01:25:43,750 --> 01:25:42,239

a lot of negativity if you read her

2324

01:25:44,629 --> 01:25:43,760

books there's some scary stuff in her

2325

01:25:47,189 --> 01:25:44,639

books

2326

01:25:48,709 --> 01:25:47,199

um so she has

2327

01:25:50,310 --> 01:25:48,719

parts of her books dealing with carla

2328

01:25:51,830 --> 01:25:50,320

turner and carla turner people need to

2329

01:25:53,990 --> 01:25:51,840

check out her books they're all online

2330

01:25:55,350 --> 01:25:54,000

for free there's videos of her she was

2331

01:25:58,950 --> 01:25:55,360

very

2332

01:26:00,470 --> 01:25:58,960

on didn't think that you know she's like

2333

01:26:01,910 --> 01:26:00,480

the hybrid program maybe a cover for

2334

01:26:03,590 --> 01:26:01,920

something else you can't believe these

2335

01:26:05,830 --> 01:26:03,600

beings are always lying which jim

2336

01:26:08,149 --> 01:26:05,840

semivan says too you know they lie they

2337

01:26:10,070 --> 01:26:08,159

cajole i mean but they're just out of

2338

01:26:11,590 --> 01:26:10,080

reach it's just out of reach whatever

2339

01:26:13,669 --> 01:26:11,600

this is it's kind of like john keel

2340

01:26:16,550 --> 01:26:13,679

which i know he's red keel uh semivan

2341

01:26:18,229 --> 01:26:16,560

has because he refers to him

2342

01:26:19,910 --> 01:26:18,239

let's see

2343

01:26:21,430 --> 01:26:19,920

if linda would have an open mind towards

2344

01:26:23,110 --> 01:26:21,440

i don't want to turn this to bashing

2345

01:26:24,310 --> 01:26:23,120

linda had an open mind towards

2346

01:26:26,070 --> 01:26:24,320

questioning her reporting it would help

2347

01:26:27,430 --> 01:26:26,080

the knowledge of the subject growth she

2348

01:26:28,870 --> 01:26:27,440

wants things to be a certain way rather

2349

01:26:30,470 --> 01:26:28,880

than they really are i kind of agree

2350

01:26:32,149 --> 01:26:30,480

with that

2351

01:26:34,310 --> 01:26:32,159

um

2352

01:26:36,390 --> 01:26:34,320

yeah i'm at that point mark linda's up

2353

01:26:38,470 --> 01:26:36,400

there i just i don't pay attention to

2354

01:26:41,750 --> 01:26:38,480

her i don't ignore her but

2355

01:26:44,070 --> 01:26:41,760

i don't watch her live streams

2356

01:26:45,750 --> 01:26:44,080

carla turner

2357

01:26:48,550 --> 01:26:45,760

i mean carla turn up give me a second i

2358

01:26:52,229 --> 01:26:48,560

gotta get a drink

2359

01:26:54,390 --> 01:26:52,239

carla turner was one of my favorite

2360

01:26:56,950 --> 01:26:54,400

and i didn't really and i blew off i

2361

01:26:58,390 --> 01:26:56,960

blew her off for the longest time

2362

01:27:00,629 --> 01:26:58,400

because she was too out there for me at

2363

01:27:02,870 --> 01:27:00,639

least i thought so at the time and then

2364

01:27:04,229 --> 01:27:02,880

i started reading some of her stuff

2365

01:27:05,430 --> 01:27:04,239

a couple of years ago i'm like and

2366

01:27:07,669 --> 01:27:05,440

listening to her interviews like man

2367

01:27:09,350 --> 01:27:07,679

this is really good stuff why have i not

2368

01:27:11,110 --> 01:27:09,360

listened to this before

2369

01:27:13,030 --> 01:27:11,120

maybe i had read john keel at that point

2370

01:27:13,990 --> 01:27:13,040

so i was more open to it uh yeah her

2371

01:27:16,229 --> 01:27:14,000

books

2372

01:27:19,189 --> 01:27:16,239

into the fringe um

2373

01:27:21,110 --> 01:27:19,199

she died of cancer gabby she had

2374

01:27:22,470 --> 01:27:21,120

a very aggressive type of cancer and

2375

01:27:23,990 --> 01:27:22,480

everybody's like oh she was murdered i'm

2376

01:27:26,149 --> 01:27:24,000

like i don't know that but she had like

2377

01:27:27,669 --> 01:27:26,159

some other people connected to ufos like

2378

01:27:30,229 --> 01:27:27,679

stephen schiff the congressman in new

2379

01:27:32,550 --> 01:27:30,239

mexico who went looking into roswell

2380

01:27:34,310 --> 01:27:32,560

dive of an aggressive cancer grier's

2381

01:27:36,390 --> 01:27:34,320

assistant died of an aggressive cancer

2382

01:27:37,910 --> 01:27:36,400

but i don't know i just there's no

2383

01:27:40,310 --> 01:27:37,920

evidence of that but yeah she died of

2384

01:27:41,910 --> 01:27:40,320

cancer her lectures are on youtube

2385

01:27:43,030 --> 01:27:41,920

they're really good people need to check

2386

01:27:45,350 --> 01:27:43,040

them out

2387

01:27:47,430 --> 01:27:45,360

she was on art bell she was one of the

2388

01:27:49,350 --> 01:27:47,440

most well-spoken people when it comes to

2389

01:27:51,270 --> 01:27:49,360

abductions did a lot of research with

2390

01:27:54,870 --> 01:27:51,280

people had some

2391

01:27:56,470 --> 01:27:54,880

had some mylab type of uh witnesses

2392

01:27:58,310 --> 01:27:56,480

had a conversation with one of her

2393

01:27:59,510 --> 01:27:58,320

witnesses where

2394

01:28:01,430 --> 01:27:59,520

she's like i don't know where these

2395

01:28:02,950 --> 01:28:01,440

beings come from and then a voice popped

2396

01:28:04,390 --> 01:28:02,960

in on the phone she heard like a zip and

2397

01:28:06,229 --> 01:28:04,400

said we know exactly where they're from

2398

01:28:08,149 --> 01:28:06,239

and there are a lot of them and then the

2399

01:28:09,910 --> 01:28:08,159

thing ended zipped and her and her

2400

01:28:11,990 --> 01:28:09,920

witness were like what the hell was that

2401

01:28:13,910 --> 01:28:12,000

so if that's true there might be a group

2402

01:28:15,350 --> 01:28:13,920

and we've spoken about this before it

2403

01:28:17,030 --> 01:28:15,360

might be a group that knows a hell of a

2404

01:28:18,870 --> 01:28:17,040

lot more than we do

2405

01:28:20,550 --> 01:28:18,880

when that comes out people are gonna be

2406

01:28:22,470 --> 01:28:20,560

like oh my god some of the most

2407

01:28:24,310 --> 01:28:22,480

outlandish stories are true but i don't

2408

01:28:26,550 --> 01:28:24,320

know that

2409

01:28:28,390 --> 01:28:26,560

if uap related ndas are to be reported

2410

01:28:29,990 --> 01:28:28,400

that presumably also means that someone

2411

01:28:31,350 --> 01:28:30,000

with an nda can come forward and discuss

2412

01:28:33,990 --> 01:28:31,360

their work without fear and say i have

2413

01:28:35,430 --> 01:28:34,000

an nda here's a copy yeah um it opens up

2414

01:28:36,390 --> 01:28:35,440

the door to so many people to come

2415

01:28:37,830 --> 01:28:36,400

forward

2416

01:28:39,750 --> 01:28:37,840

uh

2417

01:28:41,590 --> 01:28:39,760

let's hope this gets passed and and the

2418

01:28:47,030 --> 01:28:41,600

senate comes up with justice language

2419

01:28:50,149 --> 01:28:48,950

obviously we all want to see the faces

2420

01:28:52,149 --> 01:28:50,159

of these people who worked in these

2421

01:28:53,590 --> 01:28:52,159

programs on live television in congress

2422

01:28:54,550 --> 01:28:53,600

it would i would think it would be the

2423

01:28:56,550 --> 01:28:54,560

most

2424

01:28:57,990 --> 01:28:56,560

highly rated program meanwhile people

2425

01:29:00,870 --> 01:28:58,000

probably wouldn't even care they said i

2426
01:29:02,870 --> 01:29:00,880
don't care who are these people aliens

2427
01:29:04,709 --> 01:29:02,880
craft i would hope that people would

2428
01:29:11,669 --> 01:29:04,719
watch and at least try to figure out

2429
01:29:11,679 --> 01:29:16,310
jay bro i don't know him

2430
01:29:19,830 --> 01:29:17,910
yeah anybody who says they think the

2431
01:29:22,629 --> 01:29:19,840
government's preparing to cloak disclose

2432
01:29:24,550 --> 01:29:22,639
i usually tune out because

2433
01:29:25,990 --> 01:29:24,560
i don't think the government is doing

2434
01:29:27,590 --> 01:29:26,000
anything

2435
01:29:29,510 --> 01:29:27,600
there may be a small group of people

2436
01:29:31,030 --> 01:29:29,520
advising lou on what to talk about

2437
01:29:32,709 --> 01:29:31,040
because it seems like he progresses as

2438
01:29:34,470 --> 01:29:32,719

time goes on i don't know i don't even

2439

01:29:36,950 --> 01:29:34,480

know if that's true

2440

01:29:39,189 --> 01:29:36,960

um eric davis says there is no organized

2441

01:29:41,510 --> 01:29:39,199

disclosure it's the phenomenon that

2442

01:29:43,350 --> 01:29:41,520

pushes disclosure with certain sightings

2443

01:29:46,470 --> 01:29:43,360

like

2444

01:29:47,990 --> 01:29:46,480

and i know people think 2019

2445

01:29:50,070 --> 01:29:48,000

the events are drones let's just for

2446

01:29:51,189 --> 01:29:50,080

this argument say they weren't drones or

2447

01:29:53,750 --> 01:29:51,199

something else it doesn't have to be

2448

01:29:55,890 --> 01:29:53,760

2019 there could be an event like say if

2449

01:29:57,750 --> 01:29:55,900

there was a uh

2450

01:29:59,830 --> 01:29:57,760

[Music]

2451
01:30:01,590 --> 01:29:59,840
the phoenix lights we had another event

2452
01:30:03,030 --> 01:30:01,600
like that it would force the government

2453
01:30:06,070 --> 01:30:03,040
to speak up that's what he means when

2454
01:30:07,910 --> 01:30:06,080
they the phenomenon forces disclosure so

2455
01:30:09,910 --> 01:30:07,920
events like that

2456
01:30:14,390 --> 01:30:09,920
but i'm not even sure that's you know

2457
01:30:16,310 --> 01:30:14,400
you know you hear that events are or

2458
01:30:17,430 --> 01:30:16,320
thank you very much edwin

2459
01:30:21,189 --> 01:30:17,440
edward

2460
01:30:23,350 --> 01:30:21,199
encounters by jason reza giorgiani i

2461
01:30:25,910 --> 01:30:23,360
don't know and i might have a book

2462
01:30:27,669 --> 01:30:25,920
by him but you need to explain it

2463
01:30:29,030 --> 01:30:27,679

use the link so you can come on and tell

2464

01:30:31,830 --> 01:30:29,040

me about it

2465

01:30:35,189 --> 01:30:33,270

has her family ever talked about their

2466

01:30:36,310 --> 01:30:35,199

experiences and thank you edward for

2467

01:30:37,590 --> 01:30:36,320

that

2468

01:30:38,790 --> 01:30:37,600

for the um

2469

01:30:39,990 --> 01:30:38,800

i forget what it's called because i

2470

01:30:42,470 --> 01:30:40,000

haven't done

2471

01:30:44,709 --> 01:30:42,480

youtube in so long

2472

01:30:46,550 --> 01:30:44,719

um super chat super chat thank you but

2473

01:30:48,470 --> 01:30:46,560

if you could explain jason reza or

2474

01:30:50,950 --> 01:30:48,480

johnny more maybe maybe it'll ring a

2475

01:30:52,470 --> 01:30:50,960

bell because i don't know off hand

2476

01:30:54,310 --> 01:30:52,480

has carla turner's family ever talked

2477

01:30:56,070 --> 01:30:54,320

about her their experiences outside of

2478

01:30:57,750 --> 01:30:56,080

what is known on the in the books i have

2479

01:30:59,510 --> 01:30:57,760

not heard of anything i even i didn't

2480

01:31:01,750 --> 01:30:59,520

even know james

2481

01:31:03,030 --> 01:31:01,760

uh who that is all i know is i've

2482

01:31:04,310 --> 01:31:03,040

watched

2483

01:31:05,910 --> 01:31:04,320

a lot of her interviews and i could

2484

01:31:08,550 --> 01:31:05,920

watch her interviews over and i have

2485

01:31:10,149 --> 01:31:08,560

i've watched them repeatedly um

2486

01:31:12,550 --> 01:31:10,159

she was just so knowledgeable and i

2487

01:31:14,070 --> 01:31:12,560

would make jokes like yeah she's she

2488

01:31:16,870 --> 01:31:14,080

would have been my third wife it's just

2489

01:31:19,030 --> 01:31:16,880

i just love the way she would speak

2490

01:31:20,709 --> 01:31:19,040

about things because

2491

01:31:22,070 --> 01:31:20,719

kind of like jim semivan she would speak

2492

01:31:23,270 --> 01:31:22,080

like i'm thinking of something then she

2493

01:31:25,270 --> 01:31:23,280

starts going

2494

01:31:27,350 --> 01:31:25,280

and talking about it semivan talks about

2495

01:31:28,790 --> 01:31:27,360

so many aspects of the phenomena that we

2496

01:31:30,229 --> 01:31:28,800

all wonder about

2497

01:31:32,709 --> 01:31:30,239

and i know people you know think he's a

2498

01:31:34,790 --> 01:31:32,719

cia former spy and

2499

01:31:36,550 --> 01:31:34,800

i never sensed anything anything

2500

01:31:37,990 --> 01:31:36,560

nefarious or anything secretive and i'm

2501
01:31:39,910 --> 01:31:38,000
sure certain things he can't talk about

2502
01:31:41,669 --> 01:31:39,920
but from him he answered so many

2503
01:31:43,189 --> 01:31:41,679
questions when he was on with stuart

2504
01:31:44,870 --> 01:31:43,199
stuart davis if you've never checked out

2505
01:31:47,110 --> 01:31:44,880
those interviews and i transcribed them

2506
01:31:48,709 --> 01:31:47,120
i just need to finish the transcriptions

2507
01:31:50,950 --> 01:31:48,719
i have so many transcriptions that i

2508
01:31:52,950 --> 01:31:50,960
have basically done they just have to be

2509
01:31:54,229 --> 01:31:52,960
tidied up and be and done tomorrow i'll

2510
01:31:55,990 --> 01:31:54,239
try to get

2511
01:31:56,320 --> 01:31:56,000
at least one out

2512
01:31:57,510 --> 01:31:56,330
um

2513
01:31:59,189 --> 01:31:57,520

[Music]

2514

01:32:00,550 --> 01:31:59,199

somebody said the other day on another

2515

01:32:02,070 --> 01:32:00,560

show that drones are the new swamp

2516

01:32:03,669 --> 01:32:02,080

guesses it is so true i couldn't laugh

2517

01:32:05,910 --> 01:32:03,679

well drones are an issue drones are

2518

01:32:07,669 --> 01:32:05,920

drones are and i've seen drones that do

2519

01:32:10,470 --> 01:32:07,679

amazing things

2520

01:32:12,629 --> 01:32:10,480

so um

2521

01:32:13,430 --> 01:32:12,639

you know it's it'll probably be mixed in

2522

01:32:15,270 --> 01:32:13,440

with

2523

01:32:17,350 --> 01:32:15,280

some ufo sightings i don't know what's

2524

01:32:18,709 --> 01:32:17,360

going on like with nuclear bases nuclear

2525

01:32:20,870 --> 01:32:18,719

power plants when they're seeing drones

2526

01:32:22,629 --> 01:32:20,880

or the labeled drones and but they can't

2527

01:32:24,790 --> 01:32:22,639

do anything about it i don't we haven't

2528

01:32:26,629 --> 01:32:24,800

seen any video from those cases

2529

01:32:28,390 --> 01:32:26,639

so i don't know what to think of that

2530

01:32:29,510 --> 01:32:28,400

i know lou is insinuated that it's not

2531

01:32:31,110 --> 01:32:29,520

drones but

2532

01:32:32,470 --> 01:32:31,120

don't know do you think this new man

2533

01:32:34,149 --> 01:32:32,480

will and

2534

01:32:35,990 --> 01:32:34,159

do you think this new amendment will

2535

01:32:37,990 --> 01:32:36,000

allow davis to speak to congress without

2536

01:32:40,390 --> 01:32:38,000

reprisal from aerospace corporation or

2537

01:32:42,790 --> 01:32:40,400

do you think it's not an issue no no

2538

01:32:45,110 --> 01:32:42,800

if if congress wants to speak to eric

2539

01:32:46,149 --> 01:32:45,120

davis aerospace will not get in the way

2540

01:32:48,229 --> 01:32:46,159

aerospace

2541

01:32:49,189 --> 01:32:48,239

just doesn't want him to get to do media

2542

01:32:50,149 --> 01:32:49,199

but

2543

01:32:51,590 --> 01:32:50,159

um

2544

01:32:53,350 --> 01:32:51,600

just because the new york times article

2545

01:32:55,189 --> 01:32:53,360

they were mentioned they weren't happy

2546

01:32:56,790 --> 01:32:55,199

so that's why that happened

2547

01:32:57,910 --> 01:32:56,800

and

2548

01:32:59,910 --> 01:32:57,920

but

2549

01:33:01,990 --> 01:32:59,920

if eric davis didn't work in any of

2550

01:33:03,910 --> 01:33:02,000

these programs and i have no knowledge

2551

01:33:06,229 --> 01:33:03,920

that he did i'd rather hear from the

2552

01:33:07,830 --> 01:33:06,239

people in the programs you know if eric

2553

01:33:09,270 --> 01:33:07,840

davis is giving them information on

2554

01:33:10,790 --> 01:33:09,280

where to look for the programs that's

2555

01:33:13,030 --> 01:33:10,800

great but you don't really need to hear

2556

01:33:14,629 --> 01:33:13,040

that in a hearing um

2557

01:33:16,470 --> 01:33:14,639

but there are stuff there's stuff in my

2558

01:33:17,990 --> 01:33:16,480

opinion that eric davis i don't know if

2559

01:33:19,430 --> 01:33:18,000

he has first-hand information or he

2560

01:33:20,950 --> 01:33:19,440

learned it from other people if it's not

2561

01:33:23,669 --> 01:33:20,960

first-hand information then you want to

2562

01:33:25,189 --> 01:33:23,679

get the people he spoke to not him but

2563

01:33:27,189 --> 01:33:25,199

he may have firsthand information i

2564

01:33:29,590 --> 01:33:27,199

don't know you know i don't know every

2565

01:33:31,590 --> 01:33:29,600

detail of what he's learned

2566

01:33:33,110 --> 01:33:31,600

i would love to think he worked or is

2567

01:33:35,270 --> 01:33:33,120

working in the crash retrieval program

2568

01:33:37,030 --> 01:33:35,280

but i have no information on that as far

2569

01:33:38,709 --> 01:33:37,040

as i know he's working on nasa related

2570

01:33:39,990 --> 01:33:38,719

stuff at aerospace and if he is working

2571

01:33:42,070 --> 01:33:40,000

in any other program he's not going to

2572

01:33:46,629 --> 01:33:42,080

be able to tell us

2573

01:33:51,030 --> 01:33:49,189

a joseph farrell on steroids actually

2574

01:33:53,030 --> 01:33:51,040

joseph pharaoh why i may not agree with

2575

01:33:55,669 --> 01:33:53,040

a lot of his takes i actually liked

2576

01:33:57,270 --> 01:33:55,679

joseph farrell um

2577

01:33:59,110 --> 01:33:57,280

interesting to listen to

2578

01:34:00,470 --> 01:33:59,120

but i really haven't spent too much time

2579

01:34:01,910 --> 01:34:00,480

on him

2580

01:34:04,870 --> 01:34:01,920

giorgiani is an expert on ancient

2581

01:34:06,950 --> 01:34:04,880

persian culture and methodic philosophy

2582

01:34:08,550 --> 01:34:06,960

is positively brilliant

2583

01:34:10,310 --> 01:34:08,560

oh so you're saying positive i thought

2584

01:34:11,669 --> 01:34:10,320

you were saying that disparagingly with

2585

01:34:14,149 --> 01:34:11,679

feral because a lot of people don't like

2586

01:34:15,910 --> 01:34:14,159

farrell so i will have to check that out

2587

01:34:19,270 --> 01:34:15,920

and add it to my list of books that i

2588

01:34:21,110 --> 01:34:19,280

have not read that are piling up

2589

01:34:23,430 --> 01:34:21,120

he's also an intense proponent of

2590

01:34:25,510 --> 01:34:23,440

arianism though he would reject hitler

2591

01:34:27,110 --> 01:34:25,520

okay

2592

01:34:28,229 --> 01:34:27,120

i know when i get into somebody who's

2593

01:34:29,189 --> 01:34:28,239

interesting

2594

01:34:30,629 --> 01:34:29,199

um

2595

01:34:32,790 --> 01:34:30,639

turns out they're

2596

01:34:34,709 --> 01:34:32,800

they've got negative

2597

01:34:35,830 --> 01:34:34,719

baggage and i get slammed for it which i

2598

01:34:37,270 --> 01:34:35,840

didn't even know they had negative

2599

01:34:38,950 --> 01:34:37,280

baggage before i started reading their

2600

01:34:40,629 --> 01:34:38,960

stuff i remember the quote by eric davis

2601
01:34:42,550 --> 01:34:40,639
i interpreted it as people can't do

2602
01:34:43,910 --> 01:34:42,560
nothing but expect for

2603
01:34:45,270 --> 01:34:43,920
for clearer signings i don't think he

2604
01:34:47,270 --> 01:34:45,280
was implying that the phenomena itself

2605
01:34:49,270 --> 01:34:47,280
had intentions of its own i don't think

2606
01:34:51,030 --> 01:34:49,280
it was intentions i just whatever

2607
01:34:53,669 --> 01:34:51,040
happens that's what drives it and it

2608
01:34:55,830 --> 01:34:53,679
drives us and it's not some organized

2609
01:34:57,990 --> 01:34:55,840
government program that's planning this

2610
01:35:00,470 --> 01:34:58,000
out in the long term and he says it's

2611
01:35:02,149 --> 01:35:00,480
just the government is too you know it's

2612
01:35:03,590 --> 01:35:02,159
a monolith that's just the left hand

2613
01:35:04,470 --> 01:35:03,600

doesn't know what the right hand is

2614

01:35:06,470 --> 01:35:04,480

doing

2615

01:35:09,270 --> 01:35:06,480

so that's what that was his opinion

2616

01:35:10,629 --> 01:35:09,280

that's not government driven

2617

01:35:12,229 --> 01:35:10,639

lou said he would walk away before

2618

01:35:14,070 --> 01:35:12,239

putting national security at risk or

2619

01:35:16,149 --> 01:35:14,080

something close to that so he would

2620

01:35:17,350 --> 01:35:16,159

really be 100 open in a public hearing

2621

01:35:22,950 --> 01:35:17,360

theoretical

2622

01:35:27,030 --> 01:35:24,870

i don't know if lou would be 100 open

2623

01:35:28,950 --> 01:35:27,040

100 no um

2624

01:35:30,629 --> 01:35:28,960

like i said they're not going to talk

2625

01:35:32,870 --> 01:35:30,639

about classified information in an open

2626

01:35:35,030 --> 01:35:32,880

hearing the most we can expect in an

2627

01:35:37,189 --> 01:35:35,040

open hearing is sensitive information

2628

01:35:39,430 --> 01:35:37,199

that's not classified or

2629

01:35:41,669 --> 01:35:39,440

they can take classified information and

2630

01:35:43,189 --> 01:35:41,679

lower the classification so we can hear

2631

01:35:44,629 --> 01:35:43,199

about it because you know there's over

2632

01:35:46,790 --> 01:35:44,639

you know there's overlock over

2633

01:35:53,669 --> 01:35:46,800

classification on a lot of the ufo stuff

2634

01:35:58,470 --> 01:35:55,990

eric will lose all future grants had to

2635

01:36:01,910 --> 01:35:58,480

be a fool to talk yeah if eric is called

2636

01:36:03,990 --> 01:36:01,920

before congress though he can talk

2637

01:36:05,510 --> 01:36:04,000

talking about wilson davis without any

2638

01:36:07,669 --> 01:36:05,520

protection would be a mistake although i

2639

01:36:09,669 --> 01:36:07,679

don't think he would be in legal trouble

2640

01:36:11,350 --> 01:36:09,679

you never know but

2641

01:36:12,709 --> 01:36:11,360

i mean he wasn't he didn't have a

2642

01:36:15,109 --> 01:36:12,719

clearance when he met with admiral

2643

01:36:16,709 --> 01:36:15,119

wilson in 2002 so i don't think he was

2644

01:36:18,149 --> 01:36:16,719

on the hook to even be quiet he just

2645

01:36:20,870 --> 01:36:18,159

made an agreement with wilson that he

2646

01:36:22,629 --> 01:36:20,880

wouldn't go public with it

2647

01:36:24,709 --> 01:36:22,639

giorgiani thinks that we are all moving

2648

01:36:27,430 --> 01:36:24,719

towards a transhumanist dystopia unless

2649

01:36:28,870 --> 01:36:27,440

stronghold people act he is a steeped in

2650

01:36:31,270 --> 01:36:28,880

agileness i don't i don't know what that

2651

01:36:33,510 --> 01:36:31,280

last thing is you have to explain that

2652

01:36:36,070 --> 01:36:33,520

um

2653

01:36:39,189 --> 01:36:36,080

but i'm not sure if i'm gonna yeah send

2654

01:36:41,910 --> 01:36:39,199

me a link edward i appreciate that

2655

01:36:43,830 --> 01:36:41,920

because i really don't know

2656

01:36:45,109 --> 01:36:43,840

joseph farrell has lost his way badly i

2657

01:36:46,870 --> 01:36:45,119

haven't i haven't listened to him in a

2658

01:36:48,390 --> 01:36:46,880

long way a long time person i listened

2659

01:36:51,350 --> 01:36:48,400

to yesterday was

2660

01:36:53,350 --> 01:36:51,360

gerald celente oh my god grow up

2661

01:36:56,950 --> 01:36:53,360

everybody grow up i don't know if you

2662

01:37:03,669 --> 01:36:58,070

he has

2663

01:37:07,109 --> 01:37:05,350

farrell now spouse truly dangerous

2664

01:37:08,629 --> 01:37:07,119

nonsense daily very sad to watch it yeah

2665

01:37:09,990 --> 01:37:08,639

i haven't watched him in a while i used

2666

01:37:12,070 --> 01:37:10,000

to like some of what he said and i have

2667

01:37:14,470 --> 01:37:12,080

one of his books when i worked on pawn

2668

01:37:15,510 --> 01:37:14,480

stars one of the fans of rick the main

2669

01:37:17,109 --> 01:37:15,520

guy had

2670

01:37:18,310 --> 01:37:17,119

a joseph farrell book and i said can i

2671

01:37:20,229 --> 01:37:18,320

borrow this rick he's like yeah make

2672

01:37:21,109 --> 01:37:20,239

sure you bring it back i didn't bring it

2673

01:37:23,430 --> 01:37:21,119

back

2674

01:37:25,030 --> 01:37:23,440

i don't think rick misses it though

2675

01:37:26,390 --> 01:37:25,040

lou can be released from his nda and

2676

01:37:28,310 --> 01:37:26,400

then openly discuss matters in the way

2677

01:37:29,750 --> 01:37:28,320

he knows how which will open the doors

2678

01:37:31,270 --> 01:37:29,760

of many congressional minds yes he'll

2679

01:37:32,709 --> 01:37:31,280

talk about a lot more he's not going to

2680

01:37:34,070 --> 01:37:32,719

talk about stuff that's classified

2681

01:37:35,510 --> 01:37:34,080

obviously but there's a lot more he can

2682

01:37:37,189 --> 01:37:35,520

talk about

2683

01:37:38,790 --> 01:37:37,199

i think people

2684

01:37:40,070 --> 01:37:38,800

yeah there's things he will tell people

2685

01:37:41,910 --> 01:37:40,080

uh privately

2686

01:37:43,990 --> 01:37:41,920

uh he can't say publicly but it's not

2687

01:37:45,990 --> 01:37:44,000

obviously not classified so that kind of

2688

01:37:47,430 --> 01:37:46,000

stuff can come out

2689

01:37:49,030 --> 01:37:47,440

giorgiani has done a number of thinking

2690

01:37:51,109 --> 01:37:49,040

aloud videos with jeffrey mitchell i

2691

01:37:53,030 --> 01:37:51,119

wonder if i know this guy it's an older

2692

01:37:54,310 --> 01:37:53,040

guy there are a lot of nasty allegations

2693

01:37:58,870 --> 01:37:54,320

about him i'll have to look that up

2694

01:38:03,030 --> 01:38:00,709

i did not know michelle obviously had a

2695

01:38:04,550 --> 01:38:03,040

bad falling out michelle backed away do

2696

01:38:06,470 --> 01:38:04,560

i have a sense of eric's ethics how

2697

01:38:09,109 --> 01:38:06,480

important is disclosure versus career

2698

01:38:11,189 --> 01:38:09,119

prospects for example um

2699

01:38:13,910 --> 01:38:11,199

good question uh i think eric back in

2700

01:38:15,430 --> 01:38:13,920

2000 if you read the alien autopsy notes

2701
01:38:17,510 --> 01:38:15,440
everybody should read that and use

2702
01:38:19,830 --> 01:38:17,520
everybody should listen to the interview

2703
01:38:21,510 --> 01:38:19,840
uh the video that richard dolan did and

2704
01:38:23,270 --> 01:38:21,520
his article on his interview with kit

2705
01:38:25,990 --> 01:38:23,280
green which is so good

2706
01:38:28,149 --> 01:38:26,000
um talks about kit green being allegedly

2707
01:38:30,470 --> 01:38:28,159
shown videos or pictures of

2708
01:38:32,070 --> 01:38:30,480
alien autopsy years before the alien

2709
01:38:33,990 --> 01:38:32,080
autopsy um

2710
01:38:35,830 --> 01:38:34,000
and eric davis in those notes talks

2711
01:38:37,990 --> 01:38:35,840
about why is all of this being kept from

2712
01:38:39,669 --> 01:38:38,000
the public what's the benefit of keeping

2713
01:38:41,590 --> 01:38:39,679

all of this information

2714

01:38:43,750 --> 01:38:41,600

from the public so he wants he wants

2715

01:38:45,590 --> 01:38:43,760

disclosure

2716

01:38:48,390 --> 01:38:45,600

also though you know he's worked in the

2717

01:38:50,390 --> 01:38:48,400

world of the defense so

2718

01:38:52,070 --> 01:38:50,400

national security is a big issue for him

2719

01:38:53,990 --> 01:38:52,080

but i think he would love to get as much

2720

01:38:56,149 --> 01:38:54,000

information out as possible as long as

2721

01:38:57,590 --> 01:38:56,159

we're not giving our adversaries in any

2722

01:38:59,669 --> 01:38:57,600

sort of advantage

2723

01:39:01,030 --> 01:38:59,679

i think it can be done

2724

01:39:02,870 --> 01:39:01,040

especially with

2725

01:39:04,550 --> 01:39:02,880

if we have a crash retrieval program

2726
01:39:06,070 --> 01:39:04,560
everybody deserves to know that and

2727
01:39:07,750 --> 01:39:06,080
bodies i don't think that gives away

2728
01:39:09,669 --> 01:39:07,760
anything if we have that stuff i don't

2729
01:39:11,510 --> 01:39:09,679
think it hurts us adversarial with our

2730
01:39:12,870 --> 01:39:11,520
adversaries

2731
01:39:14,229 --> 01:39:12,880
so

2732
01:39:17,270 --> 01:39:14,239
let's see what's this

2733
01:39:18,709 --> 01:39:17,280
i don't know what that is so i'm taking

2734
01:39:19,990 --> 01:39:18,719
i off

2735
01:39:25,669 --> 01:39:20,000
all right how do i get rid of this

2736
01:39:28,790 --> 01:39:27,510
blocked

2737
01:39:31,030 --> 01:39:28,800
sorry

2738
01:39:33,109 --> 01:39:31,040

are these ndas preventing people from

2739

01:39:35,830 --> 01:39:33,119

talking to congress behind closed doors

2740

01:39:38,830 --> 01:39:35,840

today i don't think so in a classified

2741

01:39:40,470 --> 01:39:38,840

setting they are not

2742

01:39:42,310 --> 01:39:40,480

um

2743

01:39:44,950 --> 01:39:42,320

but

2744

01:39:47,189 --> 01:39:44,960

regular folks who are involved in on the

2745

01:39:48,950 --> 01:39:47,199

books programs but on the off the books

2746

01:39:50,149 --> 01:39:48,960

programs i don't think they feel

2747

01:39:52,390 --> 01:39:50,159

comfortable

2748

01:39:54,070 --> 01:39:52,400

i mean it's so secretive i mean

2749

01:39:55,510 --> 01:39:54,080

i don't think yeah i don't think these

2750

01:39:58,070 --> 01:39:55,520

folks would feel comfortable talking to

2751

01:39:59,750 --> 01:39:58,080

congress unless specific immunity

2752

01:40:01,270 --> 01:39:59,760

language is in there

2753

01:40:03,750 --> 01:40:01,280

obviously they'd have you'd have to talk

2754

01:40:06,149 --> 01:40:03,760

to them yourselves i'm not sure

2755

01:40:07,590 --> 01:40:06,159

how that works with a an unacknowledged

2756

01:40:10,709 --> 01:40:07,600

or you know waived unacknowledged

2757

01:40:12,149 --> 01:40:10,719

special access program

2758

01:40:13,510 --> 01:40:12,159

do you think the main benefit here will

2759

01:40:15,590 --> 01:40:13,520

be getting people to come forward that

2760

01:40:17,510 --> 01:40:15,600

congress doesn't already know of yes yes

2761

01:40:19,350 --> 01:40:17,520

yes um

2762

01:40:21,590 --> 01:40:19,360

like i said in the wilson davis notes it

2763

01:40:23,590 --> 01:40:21,600

says the bigot list was 400 to 800

2764

01:40:25,510 --> 01:40:23,600

people if that's true then there's so

2765

01:40:27,430 --> 01:40:25,520

many people that can come forward

2766

01:40:34,550 --> 01:40:27,440

we need a line of witnesses to come

2767

01:40:37,910 --> 01:40:36,550

all right

2768

01:40:41,350 --> 01:40:37,920

mark is trying to compete with my

2769

01:40:41,360 --> 01:40:45,109

i'm glad i inspired you

2770

01:40:48,709 --> 01:40:47,430

georgiani seems to believe the academic

2771

01:40:50,550 --> 01:40:48,719

elite should run the world because the

2772

01:40:54,629 --> 01:40:50,560

rest of us are too stupid that kind of

2773

01:40:56,070 --> 01:40:54,639

turned me off to his material um

2774

01:40:57,590 --> 01:40:56,080

it's similar to the people who

2775

01:40:59,430 --> 01:40:57,600

supposedly are in control of these

2776

01:41:01,830 --> 01:40:59,440

special access programs and this you

2777

01:41:03,510 --> 01:41:01,840

know alleged crash retrieval stuff that

2778

01:41:05,189 --> 01:41:03,520

they don't think that we deserve the

2779

01:41:07,189 --> 01:41:05,199

information or we can handle it because

2780

01:41:08,709 --> 01:41:07,199

we're too stupid watching reality shows

2781

01:41:10,790 --> 01:41:08,719

which

2782

01:41:11,750 --> 01:41:10,800

let's face it

2783

01:41:14,070 --> 01:41:11,760

you know

2784

01:41:17,270 --> 01:41:14,080

we dedicate our species dedicates a lot

2785

01:41:20,790 --> 01:41:18,550

i don't know if that i don't know if

2786

01:41:22,470 --> 01:41:20,800

that will ever change you know it's it's

2787

01:41:23,990 --> 01:41:22,480

not hopeless but it's

2788

01:41:25,590 --> 01:41:24,000

not encouraging

2789

01:41:26,950 --> 01:41:25,600

close encounters is great you may

2790

01:41:28,709 --> 01:41:26,960

recognize some of the theories in the

2791

01:41:30,310 --> 01:41:28,719

book is regarding colin's elite the

2792

01:41:32,550 --> 01:41:30,320

origin of the et a fun read i'll have to

2793

01:41:35,189 --> 01:41:32,560

check it out it's another call i want to

2794

01:41:39,950 --> 01:41:35,199

read nick redfern's collins elite book

2795

01:41:45,189 --> 01:41:43,590

capara captain thanks i appreciate that

2796

01:41:47,030 --> 01:41:45,199

uh

2797

01:41:48,709 --> 01:41:47,040

i'm glad i did this tonight it's been a

2798

01:41:51,270 --> 01:41:48,719

little bit all right i think i've had

2799

01:41:54,149 --> 01:41:51,280

enough georgiani for the night i need to

2800

01:41:56,790 --> 01:41:54,159

see the link and i'll read it um

2801

01:42:01,270 --> 01:41:56,800

i'll try to like i said i still have so

2802

01:42:07,270 --> 01:42:03,830

what um it even goes over the on

2803

01:42:09,990 --> 01:42:07,280

abduction in new york city oh that's a

2804

01:42:12,149 --> 01:42:10,000

bud hopkins book witnessed which is a

2805

01:42:14,310 --> 01:42:12,159

great read

2806

01:42:16,229 --> 01:42:14,320

don't know if i believe all that story

2807

01:42:18,149 --> 01:42:16,239

because it's so weird with the police

2808

01:42:18,590 --> 01:42:18,159

involved and the witnesses

2809

01:42:21,669 --> 01:42:18,600

um

2810

01:42:22,550 --> 01:42:21,679

[Music]

2811

01:42:26,709 --> 01:42:22,560

so

2812

01:42:29,750 --> 01:42:26,719

today i got a job i'm working on the

2813

01:42:31,669 --> 01:42:29,760

usher show not a big fan of usher but

2814

01:42:33,430 --> 01:42:31,679

i've done a show before it's at the mgm

2815

01:42:35,430 --> 01:42:33,440

so i'm going to be gone for a while some

2816

01:42:36,870 --> 01:42:35,440

of the days are full time

2817

01:42:38,629 --> 01:42:36,880

but i need to work it's been a while

2818

01:42:40,390 --> 01:42:38,639

actually i was thinking i need some work

2819

01:42:42,950 --> 01:42:40,400

and then it popped up so

2820

01:42:45,109 --> 01:42:42,960

good timing

2821

01:42:47,350 --> 01:42:45,119

thanks pics it was good have a good

2822

01:42:48,709 --> 01:42:47,360

night everybody i think i'm going to go

2823

01:42:49,590 --> 01:42:48,719

last one if if

2824

01:42:51,030 --> 01:42:49,600

if

2825

01:42:52,709 --> 01:42:51,040

it even goes over some missing time

2826

01:42:55,270 --> 01:42:52,719

people missing in national park see i'm

2827

01:42:58,310 --> 01:42:55,280

really curious about the um missing

2828

01:42:59,750 --> 01:42:58,320

9-1-1 missing 4-1-1

2829

01:43:01,990 --> 01:42:59,760

um

2830

01:43:07,109 --> 01:43:02,000

i forget his name what's his name

2831

01:43:11,270 --> 01:43:08,950

thanks so much teresa thank you thank

2832

01:43:12,709 --> 01:43:11,280

you thank you i'm glad people chimed in

2833

01:43:14,629 --> 01:43:12,719

for the first time hopefully we get more

2834

01:43:16,310 --> 01:43:14,639

of it it wasn't like a spaces but it

2835

01:43:18,470 --> 01:43:16,320

could be like a space as more people

2836

01:43:19,750 --> 01:43:18,480

came on i can i could put as much people

2837

01:43:22,629 --> 01:43:19,760

in the waiting room i'm not sure i could

2838

01:43:24,070 --> 01:43:22,639

put a lot of people in the waiting room

2839

01:43:25,590 --> 01:43:24,080

yeah thanks you'll get to watch it later

2840

01:43:26,870 --> 01:43:25,600

jonathan it was a little slow in the

2841

01:43:28,950 --> 01:43:26,880

beginning trying to make my way through

2842

01:43:30,550 --> 01:43:28,960

that language um but

2843

01:43:32,070 --> 01:43:30,560

basically

2844

01:43:33,669 --> 01:43:32,080

to recap

2845

01:43:35,910 --> 01:43:33,679

these people will be protected if they

2846

01:43:38,390 --> 01:43:35,920

come forward related to ufo information

2847

01:43:40,629 --> 01:43:38,400

and if the program of the ufo program is

2848

01:43:43,990 --> 01:43:40,639

not reported to congress then all bets

2849

01:43:45,830 --> 01:43:44,000

are off those programs are not protected

2850

01:43:47,590 --> 01:43:45,840

you can't use the national security

2851
01:43:49,990 --> 01:43:47,600
excuse if a program hasn't been reported

2852
01:43:51,830 --> 01:43:50,000
to congress so those two things immunity

2853
01:43:53,590 --> 01:43:51,840
and we can go after those programs in

2854
01:43:56,390 --> 01:43:53,600
theory but we need to just we need the

2855
01:44:00,070 --> 01:43:56,400
senate language too um and we got a long

2856
01:44:01,109 --> 01:44:00,080
ways to go on all of this it's one step

2857
01:44:02,870 --> 01:44:01,119
what do you think of the idea that the

2858
01:44:04,390 --> 01:44:02,880
ufo other intelligence don't doesn't

2859
01:44:07,590 --> 01:44:04,400
like government but like people like

2860
01:44:09,590 --> 01:44:07,600
chris bledsoe um

2861
01:44:11,830 --> 01:44:09,600
the blood i believe chris bledsoe has

2862
01:44:14,390 --> 01:44:11,840
had real experiences but

2863
01:44:16,229 --> 01:44:14,400

you know i think he has these

2864

01:44:18,310 --> 01:44:16,239

interpretations of what it is and i

2865

01:44:20,790 --> 01:44:18,320

don't buy into that i just don't know i

2866

01:44:22,070 --> 01:44:20,800

don't know he's more like it's angelic

2867

01:44:24,390 --> 01:44:22,080

so

2868

01:44:27,430 --> 01:44:24,400

uh whether or not the the phenomena

2869

01:44:28,790 --> 01:44:27,440

likes civilians over government i mean

2870

01:44:30,550 --> 01:44:28,800

yeah i don't know government people have

2871

01:44:31,990 --> 01:44:30,560

had some positive experiences too i

2872

01:44:33,270 --> 01:44:32,000

think it's across the board all

2873

01:44:34,629 --> 01:44:33,280

different folks have different

2874

01:44:36,149 --> 01:44:34,639

experiences whether or not they're in a

2875

01:44:37,510 --> 01:44:36,159

government you can make the argument

2876

01:44:39,669 --> 01:44:37,520

though the folks in the government and

2877

01:44:41,350 --> 01:44:39,679

skinwalker were having the negative

2878

01:44:43,109 --> 01:44:41,360

experiences but not everybody it was

2879

01:44:45,189 --> 01:44:43,119

like the one guy on the west coast his

2880

01:44:46,950 --> 01:44:45,199

daughter had hitchhiker experiences

2881

01:44:48,310 --> 01:44:46,960

where she took her the

2882

01:44:50,229 --> 01:44:48,320

took stuff home to her house in

2883

01:44:51,270 --> 01:44:50,239

connecticut from oregon

2884

01:44:53,669 --> 01:44:51,280

i don't think she was part of the

2885

01:44:55,189 --> 01:44:53,679

government her father was so they get a

2886

01:44:57,590 --> 01:44:55,199

attack somebody because guilt by

2887

01:44:58,629 --> 01:44:57,600

association you know attack is a strong

2888

01:45:01,590 --> 01:44:58,639

word

2889

01:45:06,550 --> 01:45:03,910

why does joe's house look like it was

2890

01:45:09,430 --> 01:45:06,560

decorated in 1997 because it was

2891

01:45:12,310 --> 01:45:09,440

decorated in 1997.

2892

01:45:14,629 --> 01:45:12,320

i have it frozen in time

2893

01:45:16,470 --> 01:45:14,639

yep good night david paulie politis that

2894

01:45:18,149 --> 01:45:16,480

is the one who does missing 4-1-1 i

2895

01:45:19,990 --> 01:45:18,159

liked his documentaries really weird

2896

01:45:21,830 --> 01:45:20,000

stuff

2897

01:45:29,510 --> 01:45:21,840

so

2898

01:45:33,510 --> 01:45:31,270

has butt hopkins addressed the creepy

2899

01:45:35,590 --> 01:45:33,520

send your underpants stuff no i don't

2900

01:45:37,590 --> 01:45:35,600

think butter bud hopkins has been asked

2901

01:45:40,229 --> 01:45:37,600

about david jacobs and

2902

01:45:42,950 --> 01:45:40,239

the way i understood it is

2903

01:45:44,629 --> 01:45:42,960

emma woods was throwing out evidence and

2904

01:45:46,709 --> 01:45:44,639

she claims that she she believed that

2905

01:45:48,550 --> 01:45:46,719

the phenomenon was somehow influencing

2906

01:45:51,109 --> 01:45:48,560

her throwing out evidence so david

2907

01:45:53,830 --> 01:45:51,119

jacobs gave her a suggestion kind of

2908

01:45:56,149 --> 01:45:53,840

like a semi-hypnotic suggestion to not

2909

01:45:58,950 --> 01:45:56,159

throw your underwear out just after you

2910

01:46:01,990 --> 01:45:58,960

have an experience mail them to me um i

2911

01:46:03,669 --> 01:46:02,000

got a lot of flack because i i i was

2912

01:46:05,590 --> 01:46:03,679

quote unquote

2913

01:46:06,629 --> 01:46:05,600

not arguing with emma woods on twitter

2914

01:46:08,390 --> 01:46:06,639

but

2915

01:46:10,550 --> 01:46:08,400

i was kind of pushing her for some

2916

01:46:12,149 --> 01:46:10,560

answers and people got mad at me

2917

01:46:14,390 --> 01:46:12,159

somebody called me a sexual assault

2918

01:46:16,310 --> 01:46:14,400

apologist and i wrote to emma privately

2919

01:46:18,310 --> 01:46:16,320

and i still write to her occasionally

2920

01:46:21,430 --> 01:46:18,320

and i will interview her i just need to

2921

01:46:23,189 --> 01:46:21,440

read her book so we're good um

2922

01:46:24,709 --> 01:46:23,199

i told her i apologize for coming on too

2923

01:46:26,310 --> 01:46:24,719

strong but that wasn't my intent i was

2924

01:46:27,669 --> 01:46:26,320

trying to get the hell to the bottom of

2925

01:46:29,189 --> 01:46:27,679

the story of what happened with david

2926

01:46:31,430 --> 01:46:29,199

jacobs because i have other people i

2927

01:46:32,870 --> 01:46:31,440

spoke to who support jacob's 100

2928

01:46:35,750 --> 01:46:32,880

i didn't put any of that out i just

2929

01:46:37,189 --> 01:46:35,760

decided to leave it alone um emma woods

2930

01:46:39,189 --> 01:46:37,199

i've started reading her book about her

2931

01:46:41,590 --> 01:46:39,199

experiences it's it's good

2932

01:46:43,189 --> 01:46:41,600

um it's a good start i just need to

2933

01:46:46,070 --> 01:46:43,199

take the time to read it

2934

01:46:47,990 --> 01:46:46,080

thanks histories mysteries and last one

2935

01:46:50,070 --> 01:46:48,000

last one i gotta go

2936

01:46:51,109 --> 01:46:50,080

gallagher is my new hero yeah i made a

2937

01:46:53,270 --> 01:46:51,119

joke

2938

01:46:54,709 --> 01:46:53,280

last month or two months ago that i was

2939

01:46:57,030 --> 01:46:54,719

turning republican just because of

2940

01:47:00,470 --> 01:46:57,040

gallagher i'm obviously kidding because

2941

01:47:01,910 --> 01:47:00,480

i'm very far left but i'm a lot of stuff

2942

01:47:03,350 --> 01:47:01,920

it's a good face for this movement i

2943

01:47:05,270 --> 01:47:03,360

agree he's young

2944

01:47:06,629 --> 01:47:05,280

decent looking uh berkshire is a great

2945

01:47:08,149 --> 01:47:06,639

guy but i don't know about him being the

2946

01:47:09,750 --> 01:47:08,159

face of the community i agree on that

2947

01:47:12,870 --> 01:47:09,760

too no offense i love the guy he's great

2948

01:47:15,669 --> 01:47:12,880

but i i agree um gallagher is much

2949

01:47:18,709 --> 01:47:15,679

better gillibrand is good gallagher

2950

01:47:20,149 --> 01:47:18,719

rubio gillibrand all of them

2951

01:47:22,070 --> 01:47:20,159

so

2952

01:47:25,030 --> 01:47:22,080

no i have not listened to the i do want

2953

01:47:26,950 --> 01:47:25,040

the three-part semi-van lavender podcast

2954

01:47:29,270 --> 01:47:26,960

i love peter lavender

2955

01:47:37,830 --> 01:47:29,280

and

2956

01:47:40,790 --> 01:47:39,189

yeah i don't know what's going on at

2957

01:47:43,590 --> 01:47:40,800

skinwalker ranch i know a lot of people

2958

01:47:44,470 --> 01:47:43,600

think it's coming from the folks and you

2959

01:47:46,629 --> 01:47:44,480

know

2960

01:47:48,149 --> 01:47:46,639

some people think the fear is induced so

2961

01:47:49,430 --> 01:47:48,159

they can feed off of the fear whatever

2962

01:47:50,470 --> 01:47:49,440

that is there's some people think that

2963

01:47:52,709 --> 01:47:50,480

it's coming

2964

01:47:55,830 --> 01:47:52,719

it's being based on whatever you put out

2965

01:47:57,350 --> 01:47:55,840

it puts back i don't know i mean

2966

01:47:59,430 --> 01:47:57,360

i really don't know i mean but there are

2967

01:48:00,950 --> 01:47:59,440

horses who have been injured really dogs

2968

01:48:02,790 --> 01:48:00,960

that have been incinerated that doesn't

2969

01:48:05,910 --> 01:48:02,800

seem positive to me there were no humans

2970

01:48:11,030 --> 01:48:08,950

have you seen stranger things

2971

01:48:12,229 --> 01:48:11,040

not the new one i have not seen the new

2972

01:48:15,109 --> 01:48:12,239

one so

2973

01:48:17,510 --> 01:48:15,119

anyway yeah thanks for watching folks

2974

01:48:20,390 --> 01:48:17,520

and thank you to the people who who came

2975

01:48:22,550 --> 01:48:20,400

in and spoke because without that it's a

2976

01:48:23,350 --> 01:48:22,560

little boring just me talking

2977

01:48:26,310 --> 01:48:23,360

and

2978

01:48:29,109 --> 01:48:26,320

also thank you for the super chat

2979

01:48:30,950 --> 01:48:29,119

edward i think um

2980

01:48:34,310 --> 01:48:30,960

i appreciate that

2981

01:48:36,870 --> 01:48:34,320

and 11 and gabby everybody have a good

2982

01:48:39,270 --> 01:48:36,880

night i will talk to you soon

2983

01:48:40,870 --> 01:48:39,280

it may be a while because this job i

2984

01:48:42,950 --> 01:48:40,880

have coming up has like a whole bunch of

2985

01:48:45,270 --> 01:48:42,960

nights in a row and they're full days i
