

1
00:00:26,470 --> 00:00:24,950
hello everybody and welcome to a new

2
00:00:29,269 --> 00:00:26,480
feature

3
00:00:31,669 --> 00:00:29,279
on my youtube channel

4
00:00:34,549 --> 00:00:31,679
at least for tonight

5
00:00:35,430 --> 00:00:34,559
i probably will do more of these

6
00:00:37,910 --> 00:00:35,440
and

7
00:00:39,910 --> 00:00:37,920
i have spoken about this story before on

8
00:00:42,549 --> 00:00:39,920
my live streams but

9
00:00:45,270 --> 00:00:42,559
i wanted to go back and try to remember

10
00:00:48,229 --> 00:00:45,280
as many details as i could

11
00:00:50,950 --> 00:00:48,239
write down some notes and then

12
00:00:55,029 --> 00:00:50,960
tell you guys what happened

13
00:00:59,110 --> 00:00:55,039

this happened back in 1996

14

00:01:00,630 --> 00:00:59,120

and my first ex-wife and i i have two

15

00:01:03,830 --> 00:01:00,640

ex-wives

16

00:01:05,429 --> 00:01:03,840

not seven as some people on twitter have

17

00:01:07,429 --> 00:01:05,439

suspected

18

00:01:10,550 --> 00:01:07,439

and the first ex-wife is a natural

19

00:01:12,710 --> 00:01:10,560

psychic and we somehow found out about

20

00:01:14,310 --> 00:01:12,720

these workshops or classes that were

21

00:01:17,429 --> 00:01:14,320

taking place

22

00:01:20,070 --> 00:01:17,439

about an hour north of tampa in florida

23

00:01:22,870 --> 00:01:20,080

where we were living i think it was

24

00:01:24,710 --> 00:01:22,880

newport richie where

25

00:01:27,990 --> 00:01:24,720

the house was where we went for these

26

00:01:30,069 --> 00:01:28,000

workshops and newport richie's on

27

00:01:31,270 --> 00:01:30,079

the west coast of florida at southwest

28

00:01:32,789 --> 00:01:31,280

florida

29

00:01:34,469 --> 00:01:32,799

and

30

00:01:37,830 --> 00:01:34,479

both of us

31

00:01:40,069 --> 00:01:37,840

were interested in ufos and metaphysics

32

00:01:41,910 --> 00:01:40,079

and belonged to the same metaphysical

33

00:01:43,510 --> 00:01:41,920

church in tampa

34

00:01:45,030 --> 00:01:43,520

i don't remember how we found out about

35

00:01:47,190 --> 00:01:45,040

the workshops but

36

00:01:48,310 --> 00:01:47,200

they were run by an older woman named

37

00:01:51,429 --> 00:01:48,320

maria

38

00:01:53,990 --> 00:01:51,439

who claimed to be a psychic i never had

39

00:01:57,030 --> 00:01:54,000

a reading with her so i don't know you

40

00:01:59,510 --> 00:01:57,040

know if she was legitimate or not

41

00:02:01,030 --> 00:01:59,520

but besides maria

42

00:02:02,709 --> 00:02:01,040

who owned the house

43

00:02:03,990 --> 00:02:02,719

there was another person at these

44

00:02:06,550 --> 00:02:04,000

workshops

45

00:02:09,190 --> 00:02:06,560

and his name was isha

46

00:02:11,750 --> 00:02:09,200

which was not his real name i believe

47

00:02:13,670 --> 00:02:11,760

isha is like means word of god or

48

00:02:15,510 --> 00:02:13,680

something and you could look it up maybe

49

00:02:16,270 --> 00:02:15,520

i'm wrong about that

50

00:02:21,030 --> 00:02:16,280

it's

51

00:02:23,270 --> 00:02:21,040

i-s-h-a or i-s-s-h-a

52

00:02:25,110 --> 00:02:23,280

and i believe his real name was manny or

53

00:02:29,350 --> 00:02:25,120

victor

54

00:02:31,830 --> 00:02:29,360

and his big claim was he was a palladian

55

00:02:34,150 --> 00:02:31,840

walk-in soul

56

00:02:37,030 --> 00:02:34,160

and basically what that is

57

00:02:39,589 --> 00:02:37,040

allegedly of course is

58

00:02:41,509 --> 00:02:39,599

this palladian soul

59

00:02:44,229 --> 00:02:41,519

enters the human body

60

00:02:45,670 --> 00:02:44,239

and replaces the human soul and then the

61

00:02:48,309 --> 00:02:45,680

human soul

62

00:02:51,350 --> 00:02:48,319

goes off to the pleiades and parties for

63

00:02:54,550 --> 00:02:51,360

the rest of eternity in his or her new

64

00:02:56,790 --> 00:02:54,560

palladium body the old switcheroo so

65

00:02:58,630 --> 00:02:56,800

that's basically the premise the souls

66

00:03:00,790 --> 00:02:58,640

switch bodies

67

00:03:02,830 --> 00:03:00,800

uh and by the way palladians from the

68

00:03:05,270 --> 00:03:02,840

pleiades star system they're human

69

00:03:08,149 --> 00:03:05,280

looking blondes

70

00:03:11,030 --> 00:03:08,159

uh just like the billy meyer case which

71

00:03:12,390 --> 00:03:11,040

most people realize or believe is

72

00:03:14,229 --> 00:03:12,400

bs

73

00:03:15,750 --> 00:03:14,239

so those are those are the alleged

74

00:03:17,270 --> 00:03:15,760

palladians

75

00:03:20,630 --> 00:03:17,280

and

76

00:03:21,430 --> 00:03:20,640

did i believe that he was a walk-in soul

77

00:03:22,470 --> 00:03:21,440

no

78

00:03:25,030 --> 00:03:22,480

but

79

00:03:26,309 --> 00:03:25,040

i heard about this i don't know i can't

80

00:03:28,869 --> 00:03:26,319

remember

81

00:03:30,630 --> 00:03:28,879

what i heard but i wanted i probably

82

00:03:33,430 --> 00:03:30,640

heard about it at my church my

83

00:03:34,630 --> 00:03:33,440

metaphysical church and so i wanted to

84

00:03:36,229 --> 00:03:34,640

check it out i'm like all right let's

85

00:03:37,670 --> 00:03:36,239

see what the guy's all about something

86

00:03:41,910 --> 00:03:37,680

new something different a little road

87

00:03:45,430 --> 00:03:41,920

trip an hour north of tampa so yeah

88

00:03:48,390 --> 00:03:45,440

and i was new to the subject of ufos not

89

00:03:50,309 --> 00:03:48,400

too long before that i mean i had some

90

00:03:53,030 --> 00:03:50,319

interest when i was younger but this is

91

00:03:55,110 --> 00:03:53,040

when i really started diving deep

92

00:03:57,270 --> 00:03:55,120

not too long before these workshops i

93

00:03:59,190 --> 00:03:57,280

had really gone down down the rabbit

94

00:04:01,030 --> 00:03:59,200

hole i had really gone down the rabbit

95

00:04:02,630 --> 00:04:01,040

hole and i'm was reading so many

96

00:04:06,949 --> 00:04:02,640

different books

97

00:04:09,830 --> 00:04:06,959

on ufos and related subjects so i was

98

00:04:11,750 --> 00:04:09,840

getting myself up to speed um and at the

99

00:04:14,229 --> 00:04:11,760

time

100

00:04:17,189 --> 00:04:14,239

this was 96 so bringers of the dawn

101

00:04:21,189 --> 00:04:17,199

which was written was written in 1992

102

00:04:24,310 --> 00:04:21,199

and the follow-up book earth in 1994

103

00:04:25,270 --> 00:04:24,320

they were written by barbara marciniak

104

00:04:29,189 --> 00:04:25,280

who

105

00:04:32,070 --> 00:04:29,199

supposedly was channeling the palladians

106

00:04:35,510 --> 00:04:32,080

so those two books were very popular

107

00:04:37,350 --> 00:04:35,520

around 1996 in the new age community so

108

00:04:39,590 --> 00:04:37,360

it's kind of like you know i heard some

109

00:04:41,030 --> 00:04:39,600

guy was a palladian walk in seoul and i

110

00:04:43,189 --> 00:04:41,040

had already heard about these books i'm

111

00:04:46,070 --> 00:04:43,199

like yeah let me check it out

112

00:04:49,270 --> 00:04:46,080

ladies palladians everything it's all

113

00:04:51,350 --> 00:04:49,280

the happy et's the human looking et's

114

00:04:53,350 --> 00:04:51,360

that are here to help us so i said what

115

00:04:55,510 --> 00:04:53,360

the heck

116

00:04:57,909 --> 00:04:55,520

so we went to the first class

117

00:05:00,790 --> 00:04:57,919

i think it was 15

118

00:05:02,950 --> 00:05:00,800

each for the class and maybe 15 or 20

119

00:05:05,909 --> 00:05:02,960

people showed up

120

00:05:08,950 --> 00:05:05,919

and something i'll never forget

121

00:05:10,550 --> 00:05:08,960

we were told to bring a snack some sort

122

00:05:13,430 --> 00:05:10,560

of dessert

123

00:05:15,670 --> 00:05:13,440

and that turns out that

124

00:05:16,870 --> 00:05:15,680

the snacks were the best part of the

125

00:05:18,710 --> 00:05:16,880

workshops

126
00:05:20,790 --> 00:05:18,720
because some people went out of their

127
00:05:22,390 --> 00:05:20,800
way and went the extra mile and made

128
00:05:25,430 --> 00:05:22,400
homemade desserts

129
00:05:26,710 --> 00:05:25,440
that were really good um and this one

130
00:05:30,150 --> 00:05:26,720
dessert

131
00:05:32,710 --> 00:05:30,160
26 years later stands out in my mind

132
00:05:36,150 --> 00:05:32,720
somebody made this german chocolate cake

133
00:05:38,070 --> 00:05:36,160
that was so damn good i remember taking

134
00:05:39,510 --> 00:05:38,080
home a piece i'm like can i please take

135
00:05:41,510 --> 00:05:39,520
some of this home

136
00:05:43,430 --> 00:05:41,520
so yeah that was

137
00:05:44,870 --> 00:05:43,440
the thing i remember most about those

138
00:05:48,870 --> 00:05:44,880

workshops

139

00:05:50,469 --> 00:05:48,880

my god

140

00:05:53,990 --> 00:05:50,479

the class featured

141

00:05:55,830 --> 00:05:54,000

all of us sitting around in a semicircle

142

00:05:58,309 --> 00:05:55,840

talking about different subjects related

143

00:06:00,629 --> 00:05:58,319

to ufos and isha would lead the

144

00:06:03,510 --> 00:06:00,639

discussion and other folks would chime

145

00:06:07,189 --> 00:06:03,520

in with their thoughts and experiences

146

00:06:08,710 --> 00:06:07,199

my ex and i mostly listened since

147

00:06:10,469 --> 00:06:08,720

you know you're new to the group you

148

00:06:11,830 --> 00:06:10,479

don't really want to talk too much and

149

00:06:14,150 --> 00:06:11,840

to tell you the truth i don't remember

150

00:06:15,749 --> 00:06:14,160

if i did chime in a lot i just don't

151

00:06:20,790 --> 00:06:15,759

remember

152

00:06:23,510 --> 00:06:20,800

time was about the denver international

153

00:06:26,150 --> 00:06:23,520

airport and how it has this

154

00:06:28,790 --> 00:06:26,160

public art these murals that are

155

00:06:29,830 --> 00:06:28,800

connected to the new world order and

156

00:06:31,590 --> 00:06:29,840

it's

157

00:06:33,189 --> 00:06:31,600

showing the future and how they're going

158

00:06:35,510 --> 00:06:33,199

to control us and put us in these

159

00:06:37,749 --> 00:06:35,520

concentration camps and

160

00:06:39,830 --> 00:06:37,759

i've been to the airport the the art is

161

00:06:41,029 --> 00:06:39,840

weird it's very

162

00:06:42,550 --> 00:06:41,039

it's very

163

00:06:44,710 --> 00:06:42,560

dark and

164

00:06:46,309 --> 00:06:44,720

features children and coffins it's not

165

00:06:48,070 --> 00:06:46,319

really something you would expect in an

166

00:06:49,830 --> 00:06:48,080

airport but i don't think it has

167

00:06:51,430 --> 00:06:49,840

anything to do with

168

00:06:54,150 --> 00:06:51,440

our future

169

00:06:55,990 --> 00:06:54,160

under the control of the new world order

170

00:06:57,990 --> 00:06:56,000

and some of the information was coming

171

00:07:00,150 --> 00:06:58,000

from in the class

172

00:07:02,150 --> 00:07:00,160

these two young women were supposedly

173

00:07:04,309 --> 00:07:02,160

using a ouija board and coming up with

174

00:07:06,790 --> 00:07:04,319

information on the airport and how it

175

00:07:09,110 --> 00:07:06,800

was going to be used in the future and

176
00:07:10,790 --> 00:07:09,120
blah blah blah and then another thing

177
00:07:12,550 --> 00:07:10,800
that isha talked about which i found

178
00:07:15,029 --> 00:07:12,560
interesting first time i ever heard this

179
00:07:16,950 --> 00:07:15,039
was he said some of the intelligences

180
00:07:18,790 --> 00:07:16,960
behind ufos

181
00:07:20,629 --> 00:07:18,800
feed off of the negative emotions of

182
00:07:22,550 --> 00:07:20,639
humanity which

183
00:07:25,110 --> 00:07:22,560
since then i've heard it from tom de

184
00:07:27,589 --> 00:07:25,120
long and then in the past rudolph

185
00:07:29,749 --> 00:07:27,599
steiner wrote about it carlos castaneda

186
00:07:31,830 --> 00:07:29,759
wrote about it in his books other folks

187
00:07:34,150 --> 00:07:31,840
have written about archons

188
00:07:35,990 --> 00:07:34,160

you know and then we have paul eno who

189

00:07:38,629 --> 00:07:36,000

does amazing work who i'd love to

190

00:07:40,309 --> 00:07:38,639

interview hopefully soon he talks about

191

00:07:42,469 --> 00:07:40,319

we're dealing with parasites who are

192

00:07:44,950 --> 00:07:42,479

feeding off of our negative emotions so

193

00:07:47,909 --> 00:07:44,960

yeah the ideas are out there but i first

194

00:07:49,189 --> 00:07:47,919

heard about it in 1996 through isha or

195

00:07:51,510 --> 00:07:49,199

through one of the classmates i don't

196

00:07:53,110 --> 00:07:51,520

remember exactly who said it

197

00:07:54,950 --> 00:07:53,120

i don't know if any of that is true

198

00:07:56,790 --> 00:07:54,960

about our emotions i know a lot of

199

00:07:58,710 --> 00:07:56,800

people think it's crazy talk

200

00:08:00,869 --> 00:07:58,720

but i find it interesting and you know

201
00:08:03,270 --> 00:08:00,879
our thoughts can affect random number

202
00:08:05,749 --> 00:08:03,280
generators um so maybe there's something

203
00:08:09,830 --> 00:08:05,759
tangible there maybe our thoughts are

204
00:08:10,830 --> 00:08:09,840
edible tasty negative human emotions

205
00:08:12,390 --> 00:08:10,840
um

206
00:08:15,510 --> 00:08:12,400
but

207
00:08:17,110 --> 00:08:15,520
i seem to remember isha also claiming

208
00:08:18,230 --> 00:08:17,120
and this is when we start getting into

209
00:08:21,430 --> 00:08:18,240
some

210
00:08:23,510 --> 00:08:21,440
territory that really raised my eyebrows

211
00:08:25,990 --> 00:08:23,520
and isha claimed

212
00:08:27,749 --> 00:08:26,000
and like i said i'm trying to remember

213
00:08:29,350 --> 00:08:27,759

this i could be wrong but i think he

214

00:08:31,270 --> 00:08:29,360

claimed that he wrote on palladian

215

00:08:33,990 --> 00:08:31,280

spaceships

216

00:08:36,149 --> 00:08:34,000

and he was taking pictures of other

217

00:08:37,829 --> 00:08:36,159

palladian spaceships from one to the

218

00:08:40,790 --> 00:08:37,839

other and he had these really great

219

00:08:44,870 --> 00:08:42,709

and they were really clear whether or

220

00:08:46,070 --> 00:08:44,880

not i'm remembering that correctly

221

00:08:47,829 --> 00:08:46,080

either way

222

00:08:49,750 --> 00:08:47,839

as far as taking a picture from one

223

00:08:51,990 --> 00:08:49,760

craft to the other i'm not positive i

224

00:08:54,790 --> 00:08:52,000

think he said that but either way

225

00:08:57,269 --> 00:08:54,800

he did say he had pictures of ufos

226

00:08:59,509 --> 00:08:57,279

palladian spaceships and he showed us

227

00:09:00,550 --> 00:08:59,519

the pictures lots of different pictures

228

00:09:03,590 --> 00:09:00,560

and

229

00:09:05,509 --> 00:09:03,600

thinking

230

00:09:08,630 --> 00:09:05,519

those are really cool

231

00:09:11,430 --> 00:09:08,640

but they're probably too good to be true

232

00:09:14,870 --> 00:09:11,440

um i also remember thinking

233

00:09:17,509 --> 00:09:16,710

sorry

234

00:09:19,350 --> 00:09:17,519

i'm

235

00:09:23,750 --> 00:09:19,360

i thought i thought they were too good

236

00:09:27,990 --> 00:09:25,670

we also still enjoyed the classes you

237

00:09:30,470 --> 00:09:28,000

know i'm like all right

238

00:09:31,670 --> 00:09:30,480

these are probably fake but we enjoy the

239

00:09:33,910 --> 00:09:31,680

class

240

00:09:36,310 --> 00:09:33,920

so let's keep going

241

00:09:37,509 --> 00:09:36,320

especially since at the end of each

242

00:09:38,949 --> 00:09:37,519

class

243

00:09:41,430 --> 00:09:38,959

he would lead us in these guided

244

00:09:44,230 --> 00:09:41,440

meditations for about an hour

245

00:09:46,710 --> 00:09:44,240

and we would chant home

246

00:09:48,790 --> 00:09:46,720

as a group and it was really powerful

247

00:09:50,310 --> 00:09:48,800

and we also had meditations where he

248

00:09:52,949 --> 00:09:50,320

would lead us and try to get us to

249

00:09:54,790 --> 00:09:52,959

access our previous lifetimes which i

250

00:09:56,150 --> 00:09:54,800

was familiar with at the time i'm pretty

251
00:10:00,070 --> 00:09:56,160
sure i had read

252
00:10:02,310 --> 00:10:00,080
many lives many masters by brian weiss

253
00:10:03,190 --> 00:10:02,320
so you know let's try to connect with

254
00:10:05,990 --> 00:10:03,200
our

255
00:10:08,069 --> 00:10:06,000
past life reincarnation you know and

256
00:10:09,750 --> 00:10:08,079
after both of those type types of

257
00:10:11,990 --> 00:10:09,760
meditations we would go around the

258
00:10:13,750 --> 00:10:12,000
circle and if you wanted to you could

259
00:10:15,430 --> 00:10:13,760
share your experience which i hated

260
00:10:16,790 --> 00:10:15,440
doing

261
00:10:18,230 --> 00:10:16,800
maybe maybe

262
00:10:21,190 --> 00:10:18,240
you didn't really have a choice because

263
00:10:23,590 --> 00:10:21,200

of the peer pressure i seem to remember

264

00:10:25,350 --> 00:10:23,600

not really feeling like i could say pass

265

00:10:27,750 --> 00:10:25,360

i don't want to talk about it although i

266

00:10:29,590 --> 00:10:27,760

think you could have um

267

00:10:31,590 --> 00:10:29,600

so that was but those meditations to

268

00:10:34,470 --> 00:10:31,600

this day those are some of the best

269

00:10:35,190 --> 00:10:34,480

guided meditations i've ever taken part

270

00:10:36,630 --> 00:10:35,200

in

271

00:10:38,230 --> 00:10:36,640

fantastic

272

00:10:40,069 --> 00:10:38,240

so there's nothing negative i could say

273

00:10:41,910 --> 00:10:40,079

about that part of the class or even

274

00:10:43,350 --> 00:10:41,920

most of the class

275

00:10:45,430 --> 00:10:43,360

so anyway

276
00:10:48,150 --> 00:10:45,440
we were going once a week and we went

277
00:10:50,389 --> 00:10:48,160
maybe five or six times

278
00:10:52,310 --> 00:10:50,399
and then somewhere along the way i

279
00:10:54,550 --> 00:10:52,320
started noticing that

280
00:10:57,750 --> 00:10:54,560
people weren't questioning

281
00:10:59,269 --> 00:10:57,760
anything isha would say

282
00:11:01,509 --> 00:10:59,279
whatever he said

283
00:11:03,350 --> 00:11:01,519
whatever he claimed

284
00:11:05,350 --> 00:11:03,360
nobody would bat an eye nobody would

285
00:11:07,430 --> 00:11:05,360
question it and me of course i had

286
00:11:09,190 --> 00:11:07,440
questions about a lot of things i

287
00:11:12,829 --> 00:11:09,200
probably kept it inside because i

288
00:11:15,750 --> 00:11:12,839

realized nobody was asking questions

289

00:11:17,509 --> 00:11:15,760

but and i'll get i'll get to the thing

290

00:11:18,550 --> 00:11:17,519

that pushed me over over the top in a

291

00:11:21,750 --> 00:11:18,560

second

292

00:11:24,949 --> 00:11:21,760

um one class somebody claimed they

293

00:11:27,350 --> 00:11:24,959

received telepathic messages that

294

00:11:29,829 --> 00:11:27,360

the ufos were going to show up

295

00:11:31,590 --> 00:11:29,839

at 11 p.m or midnight i don't remember

296

00:11:33,269 --> 00:11:31,600

what it was i remember it was late and

297

00:11:35,350 --> 00:11:33,279

it was a work night and i really did not

298

00:11:37,430 --> 00:11:35,360

want to stay but i'm thinking you know

299

00:11:40,470 --> 00:11:37,440

if i leave and they have this amazing

300

00:11:42,310 --> 00:11:40,480

sighting i'm gonna be pissed off

301

00:11:43,269 --> 00:11:42,320

so we stayed

302

00:11:44,630 --> 00:11:43,279

and

303

00:11:46,389 --> 00:11:44,640

i'm like what the hell let's see if we

304

00:11:50,230 --> 00:11:46,399

see anything

305

00:11:53,110 --> 00:11:50,240

and what we saw was absolutely nothing

306

00:11:55,910 --> 00:11:53,120

now the people next to us were like oh

307

00:11:58,150 --> 00:11:55,920

there it is there it is oh my god oh my

308

00:11:59,590 --> 00:11:58,160

god i'm thinking i'm thinking to myself

309

00:12:01,350 --> 00:11:59,600

what the hell are you talking about

310

00:12:03,030 --> 00:12:01,360

there's nothing there

311

00:12:04,870 --> 00:12:03,040

of course now

312

00:12:06,790 --> 00:12:04,880

present day i've heard you know stories

313

00:12:09,430 --> 00:12:06,800

and allegations that the intelligence

314

00:12:11,670 --> 00:12:09,440

behind ufos can affect perceptions

315

00:12:13,509 --> 00:12:11,680

our perceptions and make one person see

316

00:12:16,150 --> 00:12:13,519

a ufo and the next person not see the

317

00:12:18,150 --> 00:12:16,160

ufo supposedly the manager of bass i'm

318

00:12:20,230 --> 00:12:18,160

thinking that was colin kelleher

319

00:12:21,829 --> 00:12:20,240

had spoken about how

320

00:12:23,910 --> 00:12:21,839

you can't tell if somebody really saw a

321

00:12:27,509 --> 00:12:23,920

ufo since they can affect our perception

322

00:12:29,670 --> 00:12:27,519

so you have to measure the human readout

323

00:12:32,949 --> 00:12:29,680

system which is the immune system to see

324

00:12:34,949 --> 00:12:32,959

if there was any effect on the body so

325

00:12:37,190 --> 00:12:34,959

if they both had a at some sort of

326

00:12:40,150 --> 00:12:37,200

effect on their body then they both were

327

00:12:42,150 --> 00:12:40,160

you know in front of the ufo but that

328

00:12:45,190 --> 00:12:42,160

doesn't mean they both saw it because it

329

00:12:47,030 --> 00:12:45,200

can affect our perceptions so anyway

330

00:12:48,870 --> 00:12:47,040

do i think that's what was going on with

331

00:12:51,350 --> 00:12:48,880

isha and the people in the backyard who

332

00:12:53,590 --> 00:12:51,360

were claiming to see ufos

333

00:12:55,590 --> 00:12:53,600

no i do not think that's what was going

334

00:12:57,910 --> 00:12:55,600

on but i think what was going on is they

335

00:13:00,470 --> 00:12:57,920

were just trying to make isha happy um

336

00:13:01,990 --> 00:13:00,480

by claiming to see ufos and then

337

00:13:03,670 --> 00:13:02,000

you know they didn't want people to wait

338

00:13:04,710 --> 00:13:03,680

around for two hours and then not see

339

00:13:06,710 --> 00:13:04,720

anything

340

00:13:08,470 --> 00:13:06,720

so to make sure people didn't feel like

341

00:13:11,509 --> 00:13:08,480

they wasted their time they were saying

342

00:13:13,269 --> 00:13:11,519

look ufos ufos

343

00:13:15,750 --> 00:13:13,279

a lot of these folks had problems in

344

00:13:18,150 --> 00:13:15,760

their personal lives and

345

00:13:20,710 --> 00:13:18,160

i think they were attracted to this type

346

00:13:22,710 --> 00:13:20,720

of class

347

00:13:24,550 --> 00:13:22,720

and leader in the hopes that it would

348

00:13:25,750 --> 00:13:24,560

help them better themselves you know he

349

00:13:27,829 --> 00:13:25,760

was going to help them better their

350

00:13:29,030 --> 00:13:27,839

lives or themselves

351

00:13:30,710 --> 00:13:29,040

just like you know when you go to a

352

00:13:33,110 --> 00:13:30,720

metaphysical church or when i would go

353

00:13:34,470 --> 00:13:33,120

to a metaphysical church or any church

354

00:13:35,829 --> 00:13:34,480

you would see people

355

00:13:37,350 --> 00:13:35,839

that you're always going to get people

356

00:13:38,870 --> 00:13:37,360

who are going through a rough patch in

357

00:13:41,350 --> 00:13:38,880

their life and they're they're searching

358

00:13:44,389 --> 00:13:41,360

for something that'll change things

359

00:13:46,389 --> 00:13:44,399

so they gravitate towards a church or an

360

00:13:48,710 --> 00:13:46,399

organization or a group that they think

361

00:13:51,110 --> 00:13:48,720

will help them

362

00:13:52,710 --> 00:13:51,120

once again i was having questions about

363

00:13:53,990 --> 00:13:52,720

various things that esha would talk

364

00:13:56,310 --> 00:13:54,000

about

365

00:13:57,910 --> 00:13:56,320

my main question i you know my main

366

00:13:59,509 --> 00:13:57,920

question was

367

00:14:01,750 --> 00:13:59,519

your photos

368

00:14:03,670 --> 00:14:01,760

they look ridiculous and i didn't say it

369

00:14:06,310 --> 00:14:03,680

like that to him but i did finally i'm

370

00:14:07,110 --> 00:14:06,320

like i gotta ask i gotta bring it up i

371

00:14:08,629 --> 00:14:07,120

said

372

00:14:10,310 --> 00:14:08,639

something something i had a question

373

00:14:12,870 --> 00:14:10,320

about his photos

374

00:14:14,470 --> 00:14:12,880

and he reacted really defensive and

375

00:14:16,710 --> 00:14:14,480

really negative

376

00:14:17,509 --> 00:14:16,720

right then i pulled my ex aside and i

377

00:14:19,189 --> 00:14:17,519

said

378

00:14:21,509 --> 00:14:19,199

you know what i don't think we're coming

379

00:14:23,430 --> 00:14:21,519

back i didn't like that response and i'm

380

00:14:24,550 --> 00:14:23,440

the only person that's asking any

381

00:14:27,110 --> 00:14:24,560

questions

382

00:14:29,590 --> 00:14:27,120

and his response was not good i'm sorry

383

00:14:31,670 --> 00:14:29,600

and i also remember thinking at the time

384

00:14:33,910 --> 00:14:31,680

this feels like a cult

385

00:14:35,750 --> 00:14:33,920

you know i didn't think it was a cult

386

00:14:36,629 --> 00:14:35,760

not at all you could come and go as you

387

00:14:39,910 --> 00:14:36,639

please

388

00:14:42,470 --> 00:14:39,920

but the fact that nobody questioned

389

00:14:45,509 --> 00:14:42,480

isha that was really bothering me

390

00:14:46,949 --> 00:14:45,519

and when finally somebody did me

391

00:14:49,350 --> 00:14:46,959

he didn't like it

392

00:14:50,949 --> 00:14:49,360

so i don't remember what my ex said but

393

00:14:52,870 --> 00:14:50,959

i'm pretty sure she did not put up a

394

00:14:55,590 --> 00:14:52,880

fight and so after that night we never

395

00:14:59,350 --> 00:14:57,350

now looking back

396

00:15:01,910 --> 00:14:59,360

it was a great experience i don't regret

397

00:15:05,590 --> 00:15:01,920

anything about it i do remember speaking

398

00:15:07,509 --> 00:15:05,600

to one guy about my feeling of it being

399

00:15:09,590 --> 00:15:07,519

cult-like

400

00:15:11,829 --> 00:15:09,600

i don't remember if i used that word but

401
00:15:13,030 --> 00:15:11,839
he was not receptive to it so i just

402
00:15:14,790 --> 00:15:13,040
dropped it

403
00:15:17,030 --> 00:15:14,800
now if i could go back in time right now

404
00:15:18,949 --> 00:15:17,040
and speak to those folks i would say

405
00:15:21,829 --> 00:15:18,959
listen

406
00:15:24,629 --> 00:15:21,839
you need to get away deception is never

407
00:15:26,790 --> 00:15:24,639
okay and what's going on here isn't

408
00:15:28,389 --> 00:15:26,800
a healthy relationship between isha and

409
00:15:30,870 --> 00:15:28,399
the group

410
00:15:33,189 --> 00:15:30,880
you know elevating someone to guru like

411
00:15:35,030 --> 00:15:33,199
status has gone on in the ufo community

412
00:15:36,550 --> 00:15:35,040
for decades

413
00:15:38,949 --> 00:15:36,560

and there's various people who are

414

00:15:43,829 --> 00:15:38,959

selling their information

415

00:15:46,470 --> 00:15:43,839

classes their excursions

416

00:15:48,710 --> 00:15:46,480

and some of those folks make a lot of

417

00:15:50,790 --> 00:15:48,720

money doing it i'm not gonna name names

418

00:15:52,150 --> 00:15:50,800

you know who i'm talking about

419

00:15:54,629 --> 00:15:52,160

there's some of the bigger names in the

420

00:15:56,389 --> 00:15:54,639

ufo community uh when louis elizondo

421

00:15:58,629 --> 00:15:56,399

talks about demolishing the ufo

422

00:16:01,110 --> 00:15:58,639

community i think he's referring

423

00:16:03,749 --> 00:16:01,120

to the problems cause problems caused by

424

00:16:06,389 --> 00:16:03,759

people like that

425

00:16:09,030 --> 00:16:06,399

and their fans and followers believe

426

00:16:11,030 --> 00:16:09,040

everything they say without question

427

00:16:12,150 --> 00:16:11,040

and defend them to the death on social

428

00:16:14,310 --> 00:16:12,160

media

429

00:16:15,910 --> 00:16:14,320

what they'll say is listen my guy has

430

00:16:16,790 --> 00:16:15,920

the truth

431

00:16:19,749 --> 00:16:16,800

but

432

00:16:22,389 --> 00:16:19,759

even if it's not all true i really enjoy

433

00:16:24,310 --> 00:16:22,399

his material and his videos and i've

434

00:16:26,069 --> 00:16:24,320

seen that up close i've seen

435

00:16:27,990 --> 00:16:26,079

somebody watching something and i'm

436

00:16:30,230 --> 00:16:28,000

listening and i'm like you do realize

437

00:16:32,550 --> 00:16:30,240

this is nonsense right and they'll say

438

00:16:35,350 --> 00:16:32,560

oh i know i know but

439

00:16:36,790 --> 00:16:35,360

i like it it's enjoyable so it's like

440

00:16:38,790 --> 00:16:36,800

there's really nothing i can say when

441

00:16:41,189 --> 00:16:38,800

somebody says that

442

00:16:42,710 --> 00:16:41,199

now there are also people online who

443

00:16:44,069 --> 00:16:42,720

have had

444

00:16:49,030 --> 00:16:44,079

multiple

445

00:16:51,670 --> 00:16:49,040

and engaged but i feel is they engaged

446

00:16:54,069 --> 00:16:51,680

in what i feel is deception by

447

00:16:56,949 --> 00:16:54,079

inflating or making up their credential

448

00:16:59,350 --> 00:16:56,959

credentials lying about who they know

449

00:17:02,710 --> 00:16:59,360

making up stories that serve to placate

450

00:17:05,189 --> 00:17:02,720

a certain faction in the ufo community

451

00:17:07,270 --> 00:17:05,199

those folks also have their fans and

452

00:17:08,470 --> 00:17:07,280

their fans refuse to question them at

453

00:17:12,390 --> 00:17:08,480

all

454

00:17:14,230 --> 00:17:12,400

and i use fans lightly supporters uh

455

00:17:17,270 --> 00:17:14,240

you know they have people who like what

456

00:17:19,909 --> 00:17:17,280

they talk about they like you know

457

00:17:22,150 --> 00:17:19,919

what they represent and but these people

458

00:17:24,789 --> 00:17:22,160

will not question that person and it's

459

00:17:27,429 --> 00:17:24,799

it's disturbing to me to see that

460

00:17:29,430 --> 00:17:27,439

and some of these folks don't take money

461

00:17:30,470 --> 00:17:29,440

so what's their purpose in deceiving

462

00:17:33,270 --> 00:17:30,480

people

463

00:17:35,669 --> 00:17:33,280

i can only speculate that they get some

464

00:17:37,430 --> 00:17:35,679

sort of fat satisfaction out of fooling

465

00:17:40,230 --> 00:17:37,440

people i don't know

466

00:17:42,789 --> 00:17:40,240

you know i can't get inside i can't get

467

00:17:44,549 --> 00:17:42,799

inside this i cannot get inside the head

468

00:17:46,950 --> 00:17:44,559

of somebody like that because i've i

469

00:17:49,190 --> 00:17:46,960

can't think like that because i'm really

470

00:17:50,870 --> 00:17:49,200

honest i i don't deceive people and i

471

00:17:53,029 --> 00:17:50,880

can't imagine somebody just doing that

472

00:17:54,549 --> 00:17:53,039

so it really bothers me

473

00:17:56,310 --> 00:17:54,559

you know and if you talk to the

474

00:17:58,789 --> 00:17:56,320

supporters of some of the folks who

475

00:18:00,470 --> 00:17:58,799

engage in deception they'll say well my

476

00:18:02,950 --> 00:18:00,480

experience with that person has been

477

00:18:05,190 --> 00:18:02,960

very positive you know

478

00:18:06,870 --> 00:18:05,200

that person their information really

479

00:18:08,789 --> 00:18:06,880

helped me

480

00:18:09,669 --> 00:18:08,799

i do get that i get it

481

00:18:11,669 --> 00:18:09,679

but

482

00:18:14,150 --> 00:18:11,679

some folks will just refuse to admit

483

00:18:15,990 --> 00:18:14,160

that they were fooled or they were duped

484

00:18:17,830 --> 00:18:16,000

or they would lie to

485

00:18:19,510 --> 00:18:17,840

or they were lied to

486

00:18:21,270 --> 00:18:19,520

and i i understand people have their own

487

00:18:23,830 --> 00:18:21,280

personal experiences that may be

488

00:18:25,510 --> 00:18:23,840

positive like i had with isha and you

489

00:18:28,150 --> 00:18:25,520

know i enjoyed the class but there are

490

00:18:31,110 --> 00:18:28,160

other people being deceived

491

00:18:34,710 --> 00:18:31,120

or manipulated and in some cases

492

00:18:37,750 --> 00:18:34,720

emotionally damaged by the deception

493

00:18:40,870 --> 00:18:37,760

and to me and i would think to everybody

494

00:18:41,750 --> 00:18:40,880

that's never okay never

495

00:18:44,150 --> 00:18:41,760

so

496

00:18:46,070 --> 00:18:44,160

the classes that i went to

497

00:18:47,909 --> 00:18:46,080

somebody said to me right now hey isha's

498

00:18:50,390 --> 00:18:47,919

having a class tonight he's in vegas and

499

00:18:53,029 --> 00:18:50,400

he's giving a two-hour guided meditation

500

00:18:54,710 --> 00:18:53,039

i would probably pay 20 bucks

501
00:18:58,070 --> 00:18:54,720
one last time and just go for the

502
00:18:59,510 --> 00:18:58,080
meditation just one class

503
00:19:01,270 --> 00:18:59,520
you know so i understand where some

504
00:19:02,710 --> 00:19:01,280
folks are coming from

505
00:19:05,270 --> 00:19:02,720
as far as you know

506
00:19:07,510 --> 00:19:05,280
they still think positively

507
00:19:08,950 --> 00:19:07,520
upon a person who i think is engaging in

508
00:19:11,430 --> 00:19:08,960
deception

509
00:19:13,669 --> 00:19:11,440
but my advice to anybody who follows

510
00:19:15,590 --> 00:19:13,679
those folks would be

511
00:19:18,630 --> 00:19:15,600
stop following them and don't

512
00:19:20,710 --> 00:19:18,640
communicate with them

513
00:19:22,870 --> 00:19:20,720

if they're deceiving people

514

00:19:24,310 --> 00:19:22,880

that's not okay and if you can't

515

00:19:26,230 --> 00:19:24,320

question their background or their

516

00:19:29,029 --> 00:19:26,240

qualifications and get

517

00:19:30,390 --> 00:19:29,039

proof about their claims

518

00:19:31,590 --> 00:19:30,400

that's not a person you want to be

519

00:19:33,430 --> 00:19:31,600

around

520

00:19:35,350 --> 00:19:33,440

sorry it's not

521

00:19:36,830 --> 00:19:35,360

so that's my story hopefully you guys

522

00:19:40,070 --> 00:19:36,840

enjoyed it

523

00:19:42,630 --> 00:19:40,080

um i like i said i don't regret going to

524

00:19:44,470 --> 00:19:42,640

those classes at all i'm glad i did it

525

00:19:47,510 --> 00:19:44,480

i'm also proud of myself for being the

526

00:19:50,789 --> 00:19:47,520

only person to ask a question and

527

00:19:52,470 --> 00:19:50,799

question his photos because

528

00:19:53,909 --> 00:19:52,480

if you guys had seen these photos right

529

00:19:56,310 --> 00:19:53,919

away you would

530

00:19:58,070 --> 00:19:56,320

say those scream

531

00:20:00,470 --> 00:19:58,080

fake

532

00:20:02,149 --> 00:20:00,480

i think he had him analyzed later and

533

00:20:03,909 --> 00:20:02,159

strings were found

534

00:20:06,390 --> 00:20:03,919

attached to these

535

00:20:07,990 --> 00:20:06,400

probably mob models

536

00:20:10,230 --> 00:20:08,000

i'm not a hundred percent sure about

537

00:20:11,510 --> 00:20:10,240

that but i'm pretty sure

538

00:20:13,270 --> 00:20:11,520

so

539

00:20:16,070 --> 00:20:13,280

there was a guy randolph winters who

540

00:20:19,190 --> 00:20:16,080

wrote a book the palladian mission

541

00:20:20,950 --> 00:20:19,200

i think he covered isha a little bit

542

00:20:23,909 --> 00:20:20,960

um also

543

00:20:25,669 --> 00:20:23,919

randolph winters wrote about billy meyer

544

00:20:26,870 --> 00:20:25,679

like i said most people feel like cases

545

00:20:28,710 --> 00:20:26,880

bs

546

00:20:30,789 --> 00:20:28,720

and then there was another giant red

547

00:20:32,710 --> 00:20:30,799

flag which at the time i didn't realize

548

00:20:33,430 --> 00:20:32,720

was a red flag because i didn't know him

549

00:20:35,350 --> 00:20:33,440

but

550

00:20:37,510 --> 00:20:35,360

sean david morton

551
00:20:40,710 --> 00:20:37,520
who just got out of prison

552
00:20:42,870 --> 00:20:40,720
for fraud you know for defrauding people

553
00:20:45,029 --> 00:20:42,880
he wrote an entire article article in

554
00:20:46,710 --> 00:20:45,039
his newsletter about isha and at the

555
00:20:48,470 --> 00:20:46,720
time i didn't know who sean david morton

556
00:20:50,149 --> 00:20:48,480
was and i didn't realize he was not

557
00:20:51,430 --> 00:20:50,159
credible to put him right to put it

558
00:20:52,470 --> 00:20:51,440
lately

559
00:20:54,470 --> 00:20:52,480
um

560
00:20:56,390 --> 00:20:54,480
you know this was 26 years ago and i i

561
00:20:58,870 --> 00:20:56,400
had just

562
00:21:00,870 --> 00:20:58,880
did my deep dive into ufos so i was

563
00:21:02,630 --> 00:21:00,880

really naive about a lot of stuff i

564

00:21:05,270 --> 00:21:02,640

believed almost everything i read

565

00:21:07,510 --> 00:21:05,280

including a lot of channeled books

566

00:21:12,310 --> 00:21:07,520

i had zero discernment

567

00:21:15,669 --> 00:21:13,830

i didn't believe the guy was a walking

568

00:21:17,350 --> 00:21:15,679

soul i didn't believe isha was a walking

569

00:21:18,390 --> 00:21:17,360

soul and i also didn't believe the

570

00:21:19,430 --> 00:21:18,400

photos

571

00:21:20,870 --> 00:21:19,440

and

572

00:21:23,270 --> 00:21:20,880

you know

573

00:21:24,789 --> 00:21:23,280

all that was fun to think about

574

00:21:26,390 --> 00:21:24,799

but that's that's not why i went to the

575

00:21:28,390 --> 00:21:26,400

classes i went because i was just

576

00:21:30,310 --> 00:21:28,400

curious at first and then like i said

577

00:21:32,230 --> 00:21:30,320

fun to think about until i realized

578

00:21:35,029 --> 00:21:32,240

deception was going on and people were

579

00:21:37,110 --> 00:21:35,039

being duped and money was being made

580

00:21:39,590 --> 00:21:37,120

um

581

00:21:41,750 --> 00:21:39,600

i think a few years after maybe maybe

582

00:21:43,669 --> 00:21:41,760

not a few years maybe a year or maybe

583

00:21:45,830 --> 00:21:43,679

even several months after we attempted

584

00:21:48,310 --> 00:21:45,840

to stop attending those classes

585

00:21:49,990 --> 00:21:48,320

i heard isha had changed his name to

586

00:21:52,870 --> 00:21:50,000

arkon

587

00:21:55,430 --> 00:21:52,880

and he was on some european speaking

588

00:21:56,950 --> 00:21:55,440

workshop tour

589

00:21:59,110 --> 00:21:56,960

with maria

590

00:22:01,110 --> 00:21:59,120

i seem to remember hearing also that it

591

00:22:03,190 --> 00:22:01,120

did not go well so

592

00:22:05,350 --> 00:22:03,200

take that for what it's worth

593

00:22:09,110 --> 00:22:05,360

my advice just be careful who you get

594

00:22:13,830 --> 00:22:11,430

the next live stream i'm doing is sunday

595

00:22:16,870 --> 00:22:13,840

if all goes well with uh chase williams

596

00:22:19,669 --> 00:22:16,880

the man who leaked wilson davis on to

597

00:22:21,669 --> 00:22:19,679

inger a few years ago and then i'm gonna

598

00:22:23,510 --> 00:22:21,679

also will have michael vi with me which

599

00:22:24,950 --> 00:22:23,520

those two guys are gonna get along

600

00:22:27,669 --> 00:22:24,960

really well

601
00:22:29,430 --> 00:22:27,679
so i we're going to cover a lot of

602
00:22:31,909 --> 00:22:29,440
ground i also want to cover the work of

603
00:22:34,789 --> 00:22:31,919
bill bankston who does work uh healing

604
00:22:37,029 --> 00:22:34,799
mice of cancer it's it's amazing to me

605
00:22:38,789 --> 00:22:37,039
that with all the data bankston has it

606
00:22:40,870 --> 00:22:38,799
gets ignored by people in the ufo

607
00:22:42,789 --> 00:22:40,880
community because healing is just you

608
00:22:44,950 --> 00:22:42,799
know a bridge too far from many people

609
00:22:47,029 --> 00:22:44,960
but you know a lot of people in the ufo

610
00:22:49,430 --> 00:22:47,039
community are pissed off that

611
00:22:52,070 --> 00:22:49,440
other mainstream folks and scientists

612
00:22:53,909 --> 00:22:52,080
ignore ufos because you know they won't

613
00:22:55,909 --> 00:22:53,919

even look at the data they won't even

614

00:22:57,190 --> 00:22:55,919

look at the reports well

615

00:23:00,470 --> 00:22:57,200

they're doing the same thing with

616

00:23:02,149 --> 00:23:00,480

bankston but bankston has a ton of data

617

00:23:04,070 --> 00:23:02,159

lots of laboratories around the country

618

00:23:06,470 --> 00:23:04,080

he's done his studies with the rats not

619

00:23:08,470 --> 00:23:06,480

rats sorry mice he's done his

620

00:23:09,990 --> 00:23:08,480

experiments with mice with cancer and i

621

00:23:12,470 --> 00:23:10,000

have zero doubt that the mice are

622

00:23:14,789 --> 00:23:12,480

getting healed using his method which i

623

00:23:17,830 --> 00:23:14,799

will i need to do a whole show on and i

624

00:23:20,549 --> 00:23:17,840

i will do my best to interview bankston

625

00:23:22,630 --> 00:23:20,559

so many interviews i want to do so much

626

00:23:24,549 --> 00:23:22,640

so little time you know limited time

627

00:23:26,549 --> 00:23:24,559

because i also do my blog

628

00:23:28,149 --> 00:23:26,559

and i also do twitter if i just did

629

00:23:29,190 --> 00:23:28,159

youtube i could do interviews all the

630

00:23:30,789 --> 00:23:29,200

time but

631

00:23:32,549 --> 00:23:30,799

i think the blog is important even

632

00:23:34,630 --> 00:23:32,559

though it takes me forever to do a

633

00:23:37,270 --> 00:23:34,640

transcript which i'm working on

634

00:23:39,430 --> 00:23:37,280

nolan on tucker carlson which the

635

00:23:42,470 --> 00:23:39,440

transcript is taking forever because i

636

00:23:44,310 --> 00:23:42,480

add so much to the transcript links and

637

00:23:46,149 --> 00:23:44,320

different excerpts that pop into my head

638

00:23:48,310 --> 00:23:46,159

that are connected to what the person is

639

00:23:51,269 --> 00:23:48,320

saying so

640

00:23:52,870 --> 00:23:51,279

yeah so i need to do more audio like

641

00:23:54,950 --> 00:23:52,880

this to update you guys on what's going

642

00:23:57,110 --> 00:23:54,960

on in the ufo community right now people

643

00:23:59,269 --> 00:23:57,120

are claiming there's big information ufo

644

00:24:01,269 --> 00:23:59,279

information coming out next week i

645

00:24:03,029 --> 00:24:01,279

haven't heard anything myself

646

00:24:05,190 --> 00:24:03,039

some folks think it it's ross

647

00:24:07,669 --> 00:24:05,200

coldheart's new documentary australian

648

00:24:09,350 --> 00:24:07,679

former 60 minutes investigative reporter

649

00:24:11,029 --> 00:24:09,360

he's a new documentary coming out and

650

00:24:12,870 --> 00:24:11,039

supposedly he might have interviewed

651
00:24:14,950 --> 00:24:12,880
somebody in one of the legacy ufo

652
00:24:16,710 --> 00:24:14,960
programs i would hope it would be the

653
00:24:19,110 --> 00:24:16,720
crash retrieval program but that's

654
00:24:21,510 --> 00:24:19,120
speculation by everybody involved

655
00:24:23,590 --> 00:24:21,520
whitley strieber has said he also heard

656
00:24:25,510 --> 00:24:23,600
you know something was coming

657
00:24:27,190 --> 00:24:25,520
various people said something is coming

658
00:24:28,710 --> 00:24:27,200
all right well i don't know about it but

659
00:24:29,590 --> 00:24:28,720
i hope something is coming we'll see

660
00:24:31,510 --> 00:24:29,600
though

661
00:24:33,669 --> 00:24:31,520
i want to see another 60 minutes report

662
00:24:35,430 --> 00:24:33,679
where they touch on crash retrievals i

663
00:24:37,269 --> 00:24:35,440

also want to see another new york times

664

00:24:39,110 --> 00:24:37,279

report where they actually get to put in

665

00:24:41,750 --> 00:24:39,120

their article what was taken out last

666

00:24:43,269 --> 00:24:41,760

time in their 2020 crash retrieval

667

00:24:45,669 --> 00:24:43,279

article where

668

00:24:47,909 --> 00:24:45,679

one of the writers involved was livid

669

00:24:49,830 --> 00:24:47,919

after the editors took out the meat of

670

00:24:51,269 --> 00:24:49,840

their article and they were working on

671

00:24:53,110 --> 00:24:51,279

wilson davis

672

00:24:55,750 --> 00:24:53,120

so

673

00:24:57,909 --> 00:24:55,760

one last thing eric davis has worked for

674

00:24:59,669 --> 00:24:57,919

multiple decades chasing down the crash

675

00:25:02,149 --> 00:24:59,679

retrieval program when he was on michael

676

00:25:04,230 --> 00:25:02,159

schmerkana's show on cnn

677

00:25:07,830 --> 00:25:04,240

melon basically said yeah you know he

678

00:25:09,590 --> 00:25:07,840

was melon was asked about retrieval of

679

00:25:11,350 --> 00:25:09,600

non-human craft i don't remember the

680

00:25:13,430 --> 00:25:11,360

exact wording right now but

681

00:25:15,029 --> 00:25:13,440

mellon said yeah eric gave them enough

682

00:25:18,390 --> 00:25:15,039

information that that should be taken

683

00:25:19,990 --> 00:25:18,400

seriously so now it's in the ndaa so

684

00:25:21,669 --> 00:25:20,000

they need to take eric's information

685

00:25:23,510 --> 00:25:21,679

they got everything they needed from him

686

00:25:25,190 --> 00:25:23,520

and now they need to go look and decide

687

00:25:26,789 --> 00:25:25,200

if they do find the crash retrieval

688

00:25:30,549 --> 00:25:26,799

program which

689

00:25:33,110 --> 00:25:30,559

i believe they have on good source

690

00:25:35,669 --> 00:25:33,120

my information they have found the crash

691

00:25:37,269 --> 00:25:35,679

retrieval program um but

692

00:25:38,870 --> 00:25:37,279

what they do with it how they get that

693

00:25:41,350 --> 00:25:38,880

information out to us i don't know

694

00:25:44,630 --> 00:25:41,360

that's up to the to the new office the

695

00:25:47,190 --> 00:25:44,640

new ufo you the new ufo office that's up

696

00:25:49,029 --> 00:25:47,200

to congress and i hope we get to hear

697

00:25:50,390 --> 00:25:49,039

some of it i know

698

00:25:51,830 --> 00:25:50,400

you know we're not going to hear the

699

00:25:53,590 --> 00:25:51,840

whole thing you know we don't want to

700

00:25:55,909 --> 00:25:53,600

you know tell our enemies

701
00:25:57,830 --> 00:25:55,919
if we tell our friends or if we tell us

702
00:25:59,269 --> 00:25:57,840
you know the american public so i

703
00:26:00,710 --> 00:25:59,279
understand that but

704
00:26:02,470 --> 00:26:00,720
the fact that we're not alone and we

705
00:26:04,789 --> 00:26:02,480
have a craft and we have bodies

706
00:26:06,230 --> 00:26:04,799
allegedly that information if true needs

707
00:26:08,149 --> 00:26:06,240
to come out

708
00:26:09,430 --> 00:26:08,159
so i will i will try to do short updates

709
00:26:11,029 --> 00:26:09,440
like that and i'll be on camera for

710
00:26:13,909 --> 00:26:11,039
those

711
00:26:17,590 --> 00:26:13,919
and hopefully you guys enjoyed the story

712
00:26:19,190 --> 00:26:17,600
and like i said any questions about this

713
00:26:20,390 --> 00:26:19,200

tune in sunday

714

00:26:22,710 --> 00:26:20,400

i think it's

715

00:26:24,390 --> 00:26:22,720

4 p.m central if i'm remembering but

716

00:26:25,750 --> 00:26:24,400

i'll be on twitter and i'll make a

717

00:26:27,510 --> 00:26:25,760

graphic tomorrow

718

00:26:29,269 --> 00:26:27,520

you guys can see on youtube the timing

719

00:26:31,510 --> 00:26:29,279

and everything should be a really good

720

00:26:33,990 --> 00:26:31,520

show chase knows a lot of stuff about a

721

00:26:35,590 --> 00:26:34,000

lot of things an experience there some

722

00:26:37,430 --> 00:26:35,600

really good sightings and michael had

723

00:26:39,350 --> 00:26:37,440

his sighting in the

724

00:26:41,269 --> 00:26:39,360

uh persian gulf i think it was 92 so

725

00:26:43,669 --> 00:26:41,279

they can compare notes

726

00:26:46,549 --> 00:26:43,679

talk about some louis zondo stuff

727

00:26:48,549 --> 00:26:46,559

chase went to ttsa back in the day some

728

00:26:50,310 --> 00:26:48,559

really interesting stuff i had a nice

729

00:26:51,990 --> 00:26:50,320

video chat with him the other day so

730

00:26:54,070 --> 00:26:52,000

anyway all right hopefully you guys have

731

00:26:55,510 --> 00:26:54,080

a good night or a good day if it's
