

1  
00:00:53,590 --> 00:00:50,470  
all right everybody i am going to try

2  
00:00:55,750 --> 00:00:53,600  
my second attempt to interview emma

3  
00:00:59,270 --> 00:00:55,760  
woods hopefully this time she can hear

4  
00:01:01,110 --> 00:00:59,280  
me i'm having computer problems

5  
00:01:02,790 --> 00:01:01,120  
similar to what i had last time which i

6  
00:01:05,350 --> 00:01:02,800  
didn't realize um so hopefully

7  
00:01:09,030 --> 00:01:05,360  
everything goes well and

8  
00:01:10,830 --> 00:01:09,040  
i will bring in emma right now

9  
00:01:14,630 --> 00:01:10,840  
hi emma how you doing can you hear me

10  
00:01:15,990 --> 00:01:14,640  
okay i can hi

11  
00:01:17,510 --> 00:01:16,000  
you doing okay

12  
00:01:18,550 --> 00:01:17,520  
yes

13  
00:01:20,310 --> 00:01:18,560

all right

14

00:01:21,910 --> 00:01:20,320

thanks for doing this again and um for

15

00:01:23,510 --> 00:01:21,920

those who don't know

16

00:01:25,350 --> 00:01:23,520

emma is known

17

00:01:28,390 --> 00:01:25,360

for her interactions as a patient with

18

00:01:31,109 --> 00:01:28,400

dr d david jacobs but there's so much

19

00:01:33,190 --> 00:01:31,119

more to her story um which i'm gonna

20

00:01:35,670 --> 00:01:33,200

focus on that tonight

21

00:01:37,510 --> 00:01:35,680

and first off for people who don't know

22

00:01:38,230 --> 00:01:37,520

who you are just tell me about who you

23

00:01:40,390 --> 00:01:38,240

are

24

00:01:43,590 --> 00:01:40,400

and where you grew up

25

00:01:44,789 --> 00:01:43,600

um i grew up in africa and

26

00:01:47,830 --> 00:01:44,799

um

27

00:01:48,950 --> 00:01:47,840

i have had anomalous experiences through

28

00:01:49,990 --> 00:01:48,960

my life

29

00:01:53,190 --> 00:01:50,000

um

30

00:01:55,990 --> 00:01:53,200

and then i lived which started from when

31

00:01:58,709 --> 00:01:56,000

i was a very young child in africa

32

00:02:02,230 --> 00:01:58,719

and then i lived in europe for a period

33

00:02:03,510 --> 00:02:02,240

and now i live in the pacific

34

00:02:05,910 --> 00:02:03,520

and

35

00:02:06,950 --> 00:02:05,920

yes i'm known in the ufo field because i

36

00:02:10,469 --> 00:02:06,960

was

37

00:02:13,190 --> 00:02:10,479

a research subject of david jacobs

38

00:02:15,670 --> 00:02:13,200

and then that went wrong and i made some

39

00:02:18,390 --> 00:02:15,680

things known in the ufo field about that

40

00:02:19,990 --> 00:02:18,400

which is how most people know of me in

41

00:02:24,309 --> 00:02:20,000

the ufo field

42

00:02:25,430 --> 00:02:24,319

the beginning

43

00:02:26,949 --> 00:02:25,440

to

44

00:02:28,949 --> 00:02:26,959

try and find out

45

00:02:31,510 --> 00:02:28,959

some more about my anomalous experiences

46

00:02:34,309 --> 00:02:31,520

and what might be happening with them um

47

00:02:37,670 --> 00:02:34,319

and then that kind of got a bit derailed

48

00:02:40,390 --> 00:02:37,680

when i was a research subject of jacobs

49

00:02:43,270 --> 00:02:40,400

and then sort of recovered from that and

50

00:02:46,630 --> 00:02:43,280

then i just decided to write a book

51  
00:02:49,030 --> 00:02:46,640  
about my experiences which is

52  
00:02:50,390 --> 00:02:49,040  
basically what drew me to the field in

53  
00:02:53,110 --> 00:02:50,400  
the first place

54  
00:02:54,630 --> 00:02:53,120  
so it's yeah so

55  
00:02:58,070 --> 00:02:54,640  
and that came out

56  
00:03:01,589 --> 00:02:59,990  
which i read and which i really enjoyed

57  
00:03:04,390 --> 00:03:01,599  
and what you did an excellent job your

58  
00:03:06,710 --> 00:03:04,400  
first book as an author and why do you

59  
00:03:07,750 --> 00:03:06,720  
why do you use this uh

60  
00:03:09,990 --> 00:03:07,760  
for your name

61  
00:03:11,509 --> 00:03:10,000  
um i use a pseudonym because there's a

62  
00:03:13,750 --> 00:03:11,519  
lot of stigma

63  
00:03:15,990 --> 00:03:13,760

where i live around

64

00:03:19,350 --> 00:03:16,000

the ufo phenomenon and anomalous

65

00:03:21,350 --> 00:03:19,360

experiences and so on and it would

66

00:03:22,630 --> 00:03:21,360

have quite a detrimental effect on me

67

00:03:25,030 --> 00:03:22,640

socially

68

00:03:26,630 --> 00:03:25,040

and it would also affect my family so i

69

00:03:28,869 --> 00:03:26,640

just do it to protect myself and to

70

00:03:29,750 --> 00:03:28,879

protect my family from the stigma

71

00:03:30,949 --> 00:03:29,760

um

72

00:03:33,910 --> 00:03:30,959

yeah

73

00:03:37,030 --> 00:03:33,920

how did you first how did you first

74

00:03:41,110 --> 00:03:37,040

meet david jacobs how did that happen

75

00:03:45,030 --> 00:03:41,120

um well i was i saw a therapist just for

76

00:03:48,229 --> 00:03:45,040

normal sort of life issues um and

77

00:03:51,750 --> 00:03:48,239

i talked to him during my therapy about

78

00:03:53,830 --> 00:03:51,760

my anomalous experiences um and

79

00:03:55,830 --> 00:03:53,840

i for most of my life just dealt with

80

00:03:57,990 --> 00:03:55,840

them by suppressing them and it reached

81

00:04:01,509 --> 00:03:58,000

a point where i couldn't do that anymore

82

00:04:04,309 --> 00:04:01,519

and he suggested that i write a history

83

00:04:06,949 --> 00:04:04,319

of them and then start to record them as

84

00:04:11,830 --> 00:04:06,959

a way to get control over them which i

85

00:04:13,910 --> 00:04:11,840

did um and at that point i'm i just i

86

00:04:16,069 --> 00:04:13,920

decided i was going to look at the ufo

87

00:04:18,310 --> 00:04:16,079

phenomenon

88

00:04:19,670 --> 00:04:18,320

to see whether i could get some answers

89

00:04:21,430 --> 00:04:19,680

there

90

00:04:24,390 --> 00:04:21,440

and i got a book at the library by bud

91

00:04:26,790 --> 00:04:24,400

hopkins and i read that

92

00:04:29,590 --> 00:04:26,800

and then my therapist was interested but

93

00:04:32,469 --> 00:04:29,600

he had a very neutral view of the

94

00:04:34,870 --> 00:04:32,479

phenomenon um and his view was just we

95

00:04:37,350 --> 00:04:34,880

don't know what it is um but you know he

96

00:04:41,189 --> 00:04:37,360

supported me in investigating that um

97

00:04:43,030 --> 00:04:41,199

and so he wanted some advice on how to

98

00:04:45,590 --> 00:04:43,040

help a client who has these types of

99

00:04:47,749 --> 00:04:45,600

experiences and he initially talked to

100

00:04:49,510 --> 00:04:47,759

some of his colleagues but he

101  
00:04:51,749 --> 00:04:49,520  
kind of realized very

102  
00:04:52,790 --> 00:04:51,759  
early on that that was not going to work

103  
00:04:54,830 --> 00:04:52,800  
because

104  
00:04:57,670 --> 00:04:54,840  
of the stigma basically

105  
00:04:59,350 --> 00:04:57,680  
so david jacobs had a page on his

106  
00:05:01,909 --> 00:04:59,360  
website where he

107  
00:05:04,469 --> 00:05:01,919  
offers to send information to therapists

108  
00:05:05,830 --> 00:05:04,479  
to help them with their clients so my

109  
00:05:06,870 --> 00:05:05,840  
therapist

110  
00:05:10,950 --> 00:05:06,880  
emailed

111  
00:05:12,870 --> 00:05:10,960  
sent him some information and there was

112  
00:05:15,270 --> 00:05:12,880  
a bit of back and forth and then

113  
00:05:17,189 --> 00:05:15,280

um jacob sent him his home phone number

114

00:05:19,670 --> 00:05:17,199

where i could call him and so i called

115

00:05:22,310 --> 00:05:19,680

him and said that's how

116

00:05:24,390 --> 00:05:22,320

i made contact with jacobs yeah it was

117

00:05:25,909 --> 00:05:24,400

very early on

118

00:05:27,909 --> 00:05:25,919

do you feel anything i know you had your

119

00:05:29,430 --> 00:05:27,919

issues with him just to put it lightly

120

00:05:31,510 --> 00:05:29,440

do you feel anything good came out of

121

00:05:32,390 --> 00:05:31,520

that interaction with him

122

00:05:36,710 --> 00:05:32,400

um

123

00:05:39,029 --> 00:05:36,720

experience can

124

00:05:41,510 --> 00:05:39,039

have some good with it you learn about

125

00:05:44,550 --> 00:05:41,520

yourself it's character building in that

126

00:05:46,950 --> 00:05:44,560

sense well i mean yeah i mean every

127

00:05:48,870 --> 00:05:46,960

experience in life you can learn from it

128

00:05:51,909 --> 00:05:48,880

and get stuff from it so in that sense i

129

00:05:53,670 --> 00:05:51,919

have but i would have preferred not to

130

00:05:56,070 --> 00:05:53,680

have had it not to have learned things

131

00:05:57,590 --> 00:05:56,080

that way it was a very traumatic

132

00:06:00,070 --> 00:05:57,600

experience yeah

133

00:06:01,350 --> 00:06:00,080

no i understand um what did you so

134

00:06:03,830 --> 00:06:01,360

childhood

135

00:06:05,749 --> 00:06:03,840

what were you like as a child

136

00:06:08,710 --> 00:06:05,759

um

137

00:06:10,870 --> 00:06:08,720

quite a quiet

138

00:06:11,990 --> 00:06:10,880

serious little kid i think

139

00:06:14,790 --> 00:06:12,000

um

140

00:06:16,790 --> 00:06:14,800

yeah i liked animals i wanted to be a

141

00:06:18,150 --> 00:06:16,800

vet when i was growing up

142

00:06:20,790 --> 00:06:18,160

um

143

00:06:24,790 --> 00:06:20,800

yeah but otherwise sort of fairly normal

144

00:06:26,550 --> 00:06:24,800

um but i had anomalous experiences but

145

00:06:29,430 --> 00:06:26,560

that was just sort of part of

146

00:06:32,629 --> 00:06:29,440

yeah my life and yeah just a quiet

147

00:06:34,390 --> 00:06:32,639

but fairly normal little kid

148

00:06:36,070 --> 00:06:34,400

but you were very smart

149

00:06:38,150 --> 00:06:36,080

what you you downplay but i mean you

150

00:06:39,830 --> 00:06:38,160

talk about in the book you say that

151

00:06:42,230 --> 00:06:39,840

you were so smart that you were kept out

152

00:06:44,309 --> 00:06:42,240

of some of the exercises in school

153

00:06:46,230 --> 00:06:44,319

because you were so so much more so much

154

00:06:48,390 --> 00:06:46,240

smarter than the other kids that did

155

00:06:49,830 --> 00:06:48,400

your family think you know when when you

156

00:06:51,749 --> 00:06:49,840

talk to them now that they say yeah you

157

00:06:53,670 --> 00:06:51,759

were really smart for your age because i

158

00:06:55,749 --> 00:06:53,680

saw at one point you said

159

00:06:57,110 --> 00:06:55,759

even at one years old you can try to you

160

00:06:58,230 --> 00:06:57,120

were trying to express yourself with

161

00:07:00,710 --> 00:06:58,240

your eyes that's what people were

162

00:07:03,110 --> 00:07:00,720

thinking in your family yeah

163

00:07:05,749 --> 00:07:03,120

yeah my mother says that

164

00:07:07,189 --> 00:07:05,759

she says that i was a very smart kid um

165

00:07:08,070 --> 00:07:07,199

i

166

00:07:10,790 --> 00:07:08,080

um

167

00:07:12,629 --> 00:07:10,800

yeah when i was at school

168

00:07:15,189 --> 00:07:12,639

i've often wondered whether i have

169

00:07:16,790 --> 00:07:15,199

received some kind of other education

170

00:07:18,469 --> 00:07:16,800

from somewhere

171

00:07:20,309 --> 00:07:18,479

it's just a kind of like an underlying

172

00:07:22,469 --> 00:07:20,319

feeling that i have i don't have actual

173

00:07:26,469 --> 00:07:22,479

memories of it but i've always had that

174

00:07:28,309 --> 00:07:26,479

kind of feeling when i went to school

175

00:07:31,909 --> 00:07:28,319

it just felt familiar to me i just

176

00:07:34,469 --> 00:07:31,919

picked it up in a flash um and

177

00:07:37,270 --> 00:07:34,479

yeah the teacher she kind of dealt with

178

00:07:39,589 --> 00:07:37,280

it she used to teach by um having

179

00:07:42,309 --> 00:07:39,599

competitions where she'd ask the class

180

00:07:44,309 --> 00:07:42,319

things and then you put up your hand and

181

00:07:46,469 --> 00:07:44,319

so on and so forth or you call out the

182

00:07:48,790 --> 00:07:46,479

answer and and i've won so many of the

183

00:07:49,830 --> 00:07:48,800

competitions it wasn't really working so

184

00:07:53,110 --> 00:07:49,840

she just

185

00:07:56,070 --> 00:07:53,120

made me stop she made me sit out um so i

186

00:07:58,230 --> 00:07:56,080

couldn't participate in the class um and

187

00:07:59,749 --> 00:07:58,240

that it kind of contributed to me

188

00:08:00,790 --> 00:07:59,759

feeling like an outsider because i'd

189

00:08:04,390 --> 00:08:00,800

always

190

00:08:05,909 --> 00:08:04,400

felt like an outsider so um and that's

191

00:08:08,309 --> 00:08:05,919

partly why i put it in the book because

192

00:08:10,629 --> 00:08:08,319

i know that a lot of experiences feel

193

00:08:12,550 --> 00:08:10,639

like outsiders and i definitely did when

194

00:08:13,909 --> 00:08:12,560

i was growing up and

195

00:08:16,869 --> 00:08:13,919

that i mean that might have also

196

00:08:17,670 --> 00:08:16,879

contributed to it as well

197

00:08:20,230 --> 00:08:17,680

yeah

198

00:08:23,029 --> 00:08:20,240

i want to read something that i read

199

00:08:25,110 --> 00:08:23,039

last time i tried to interview you and i

200

00:08:27,990 --> 00:08:25,120

can't pull up i cannot pull up graphics

201  
00:08:29,430 --> 00:08:28,000  
right now so i'll just read it you said

202  
00:08:31,270 --> 00:08:29,440  
and it shows how open-minded you are

203  
00:08:33,589 --> 00:08:31,280  
because our first interaction was not

204  
00:08:36,070 --> 00:08:33,599  
great i mean you were fine i

205  
00:08:37,909 --> 00:08:36,080  
was a little too hard on you asking

206  
00:08:39,269 --> 00:08:37,919  
questions but you were fine and later on

207  
00:08:41,990 --> 00:08:39,279  
you're like i understand people want to

208  
00:08:43,190 --> 00:08:42,000  
ask questions and you're one of the most

209  
00:08:44,630 --> 00:08:43,200  
one of the more

210  
00:08:47,110 --> 00:08:44,640  
and i'm not saying anything about other

211  
00:08:48,630 --> 00:08:47,120  
experiences but you're you you are

212  
00:08:50,949 --> 00:08:48,640  
perfectly fine with people being

213  
00:08:53,430 --> 00:08:50,959

skeptical and asking tough questions

214

00:08:55,590 --> 00:08:53,440

which is fantastic um and this is what

215

00:08:57,910 --> 00:08:55,600

you say in your book throughout my

216

00:08:59,829 --> 00:08:57,920

entire life until the present day i have

217

00:09:02,070 --> 00:08:59,839

had anomalous experiences that i cannot

218

00:09:03,269 --> 00:09:02,080

explain anomalous experiences by

219

00:09:05,509 --> 00:09:03,279

definition

220

00:09:08,070 --> 00:09:05,519

do not fit into our everyday consensus

221

00:09:10,790 --> 00:09:08,080

reality they are rejected by mainstream

222

00:09:13,110 --> 00:09:10,800

society and have a stigma attached to

223

00:09:15,590 --> 00:09:13,120

them my own experiences fit patterns

224

00:09:19,829 --> 00:09:15,600

that our modern western culture explains

225

00:09:22,070 --> 00:09:19,839

as quote paranormal and quote ufo

226

00:09:23,910 --> 00:09:22,080

or quote unquote alien abduction

227

00:09:26,070 --> 00:09:23,920

experiences

228

00:09:28,870 --> 00:09:26,080

i have an agnostic view of these

229

00:09:30,790 --> 00:09:28,880

cultural explanations and i'm neither a

230

00:09:32,550 --> 00:09:30,800

believer nor a skeptic

231

00:09:35,030 --> 00:09:32,560

however i think that the underlying

232

00:09:37,430 --> 00:09:35,040

experiences given giving rise to these

233

00:09:40,310 --> 00:09:37,440

explanations are very real

234

00:09:42,389 --> 00:09:40,320

whatever their actual origin how how

235

00:09:44,150 --> 00:09:42,399

hard is it for you not to come to any

236

00:09:46,790 --> 00:09:44,160

conclusion because

237

00:09:48,710 --> 00:09:46,800

i'm not an experiencer like that but i i

238

00:09:49,829 --> 00:09:48,720

have opinions on all this i don't come

239

00:09:51,750 --> 00:09:49,839

to conclusions either i don't know

240

00:09:53,269 --> 00:09:51,760

what's going on is it difficult for you

241

00:09:54,949 --> 00:09:53,279

not to come to a conclusion or at least

242

00:09:57,030 --> 00:09:54,959

do you have days where you're like you

243

00:09:58,870 --> 00:09:57,040

know what i think this might be aliens

244

00:10:00,630 --> 00:09:58,880

or other days where this might be

245

00:10:03,110 --> 00:10:00,640

something in the spiritual realm or this

246

00:10:05,350 --> 00:10:03,120

might be something military slash

247

00:10:06,790 --> 00:10:05,360

aliens or all of the above do you go

248

00:10:09,190 --> 00:10:06,800

through all that

249

00:10:10,310 --> 00:10:09,200

um yeah i mean i go through all of those

250

00:10:11,990 --> 00:10:10,320

um

251  
00:10:13,430 --> 00:10:12,000  
and

252  
00:10:15,829 --> 00:10:13,440  
um

253  
00:10:16,949 --> 00:10:15,839  
sometimes i have a feeling that on some

254  
00:10:20,550 --> 00:10:16,959  
level

255  
00:10:24,389 --> 00:10:20,560  
i i know more about it than

256  
00:10:25,750 --> 00:10:24,399  
i'm able to access or that i am

257  
00:10:27,910 --> 00:10:25,760  
maybe

258  
00:10:29,190 --> 00:10:27,920  
not prepared to look at because it would

259  
00:10:31,030 --> 00:10:29,200  
be too much for me or something like

260  
00:10:34,790 --> 00:10:31,040  
that but i sometimes have a feeling that

261  
00:10:36,949 --> 00:10:34,800  
i know more about it than that i'm sort

262  
00:10:39,509 --> 00:10:36,959  
of aware of um

263  
00:10:41,590 --> 00:10:39,519

but in terms of just staying agnostic

264

00:10:44,230 --> 00:10:41,600

it's quite easy for me to do that

265

00:10:47,590 --> 00:10:44,240

because i tend to approach a lot of life

266

00:10:49,509 --> 00:10:47,600

that way anyway um so it's not really a

267

00:10:51,110 --> 00:10:49,519

struggle um

268

00:10:53,590 --> 00:10:51,120

but i do

269

00:10:55,110 --> 00:10:53,600

um yeah i do often think about you know

270

00:10:56,389 --> 00:10:55,120

what what is what is it and i'm always

271

00:10:57,750 --> 00:10:56,399

sort of

272

00:10:59,750 --> 00:10:57,760

looking and

273

00:11:01,990 --> 00:10:59,760

sort of trying to think if if there are

274

00:11:04,389 --> 00:11:02,000

ways that i can sort of

275

00:11:07,670 --> 00:11:04,399

get more and more of an idea of what it

276

00:11:10,230 --> 00:11:07,680

is um yeah

277

00:11:11,670 --> 00:11:10,240

one of the one of the first when was the

278

00:11:14,310 --> 00:11:11,680

first time you thought

279

00:11:15,910 --> 00:11:14,320

this could be a classic alien abduction

280

00:11:17,670 --> 00:11:15,920

scenario and when did you when was the

281

00:11:19,910 --> 00:11:17,680

first time you ever even heard about

282

00:11:23,750 --> 00:11:19,920

that as a possibility

283

00:11:26,310 --> 00:11:23,760

yeah um in my late 30s i read an article

284

00:11:29,110 --> 00:11:26,320

in a woman's magazine and it was signs

285

00:11:31,430 --> 00:11:29,120

that you're being abducted by aliens and

286

00:11:33,030 --> 00:11:31,440

they had like this little list and and

287

00:11:35,110 --> 00:11:33,040

that was the time when i suddenly

288

00:11:35,990 --> 00:11:35,120

realized oh my you know i was

289

00:11:38,710 --> 00:11:36,000

quite

290

00:11:41,670 --> 00:11:38,720

amazed by that because that list

291

00:11:43,509 --> 00:11:41,680

had things that i had experienced

292

00:11:45,030 --> 00:11:43,519

and that was the first

293

00:11:46,630 --> 00:11:45,040

inkling that i've

294

00:11:48,389 --> 00:11:46,640

had

295

00:11:50,069 --> 00:11:48,399

and then i

296

00:11:51,670 --> 00:11:50,079

took the article out of magazine and i

297

00:11:53,030 --> 00:11:51,680

kept it in my diary for a couple of

298

00:11:53,990 --> 00:11:53,040

years

299

00:11:56,550 --> 00:11:54,000

because

300

00:11:58,790 --> 00:11:56,560

i was kind of resistant to that idea

301  
00:12:00,389 --> 00:11:58,800  
um but i also knew it had some kind of

302  
00:12:01,269 --> 00:12:00,399  
importance for me

303  
00:12:03,430 --> 00:12:01,279  
um

304  
00:12:05,590 --> 00:12:03,440  
and then i think that's probably what

305  
00:12:07,269 --> 00:12:05,600  
led me up to having a bit of a crisis

306  
00:12:09,430 --> 00:12:07,279  
point about it where

307  
00:12:11,110 --> 00:12:09,440  
um before then i was just suppressing it

308  
00:12:13,990 --> 00:12:11,120  
all and just trying to live like a

309  
00:12:16,949 --> 00:12:14,000  
normal person um and i think that

310  
00:12:19,829 --> 00:12:16,959  
article was a bit of a catalyst and

311  
00:12:22,790 --> 00:12:19,839  
it took two years but in the end i

312  
00:12:25,590 --> 00:12:22,800  
i couldn't sort of ignore it anymore um

313  
00:12:26,629 --> 00:12:25,600

so that's yeah it was about two years

314

00:12:28,629 --> 00:12:26,639

before

315

00:12:31,750 --> 00:12:28,639

and the memories that you share in your

316

00:12:34,550 --> 00:12:31,760

book or are any of them

317

00:12:36,790 --> 00:12:34,560

were any of them remembered via hypnosis

318

00:12:39,990 --> 00:12:36,800

is or is everything in the book just

319

00:12:42,150 --> 00:12:40,000

your memories fragmented memories yeah

320

00:12:45,350 --> 00:12:42,160

it's all my conscious memories some of

321

00:12:46,550 --> 00:12:45,360

the events i later had hypnosis on but i

322

00:12:48,710 --> 00:12:46,560

had

323

00:12:51,750 --> 00:12:48,720

full notes about them before the

324

00:12:53,509 --> 00:12:51,760

hypnosis and i was very careful to check

325

00:12:55,269 --> 00:12:53,519

that was there was nothing in the book

326

00:13:00,310 --> 00:12:55,279

that actually came from hypnosis it's

327

00:13:04,230 --> 00:13:02,150

do you ever think and i'm jumping ahead

328

00:13:06,790 --> 00:13:04,240

if you did if you had never met jacobs

329

00:13:08,710 --> 00:13:06,800

how different your life as far as

330

00:13:10,629 --> 00:13:08,720

in this realm talking about this how

331

00:13:12,949 --> 00:13:10,639

different it would have been

332

00:13:14,870 --> 00:13:12,959

um yeah um

333

00:13:16,230 --> 00:13:14,880

probably no one would be interested

334

00:13:18,870 --> 00:13:16,240

because

335

00:13:19,670 --> 00:13:18,880

i would just be an experimenter who was

336

00:13:21,829 --> 00:13:19,680

you know

337

00:13:24,069 --> 00:13:21,839

reading some articles online and i would

338

00:13:25,590 --> 00:13:24,079

never have made contact with it you know

339

00:13:27,030 --> 00:13:25,600

with people

340

00:13:28,310 --> 00:13:27,040

yeah so

341

00:13:30,470 --> 00:13:28,320

it's kind of

342

00:13:32,150 --> 00:13:30,480

yeah my whole kind of platform i guess

343

00:13:35,110 --> 00:13:32,160

in the field and even the ability to

344

00:13:36,470 --> 00:13:35,120

write a book i guess has come from that

345

00:13:38,949 --> 00:13:36,480

um

346

00:13:41,509 --> 00:13:38,959

does that bother you at all

347

00:13:43,190 --> 00:13:41,519

i hear your name oh yeah david jacobs

348

00:13:45,590 --> 00:13:43,200

the controversy

349

00:13:48,150 --> 00:13:45,600

um because i gotta tell you emma when i

350

00:13:50,150 --> 00:13:48,160

talk to people behind the scenes

351  
00:13:51,190 --> 00:13:50,160  
researchers they're like oh emma woods

352  
00:13:53,350 --> 00:13:51,200  
yeah

353  
00:13:55,110 --> 00:13:53,360  
liar liar liar

354  
00:13:56,470 --> 00:13:55,120  
i'm like really i'm like and i didn't

355  
00:13:57,910 --> 00:13:56,480  
know anything about your story when i

356  
00:13:59,430 --> 00:13:57,920  
first encountered it i'm like i don't

357  
00:14:01,350 --> 00:13:59,440  
really know this story i should know it

358  
00:14:05,110 --> 00:14:01,360  
now you didn't so does that bother you

359  
00:14:07,430 --> 00:14:05,120  
at all um yeah it does bother me um

360  
00:14:11,350 --> 00:14:07,440  
and i also think it's an indictment on

361  
00:14:13,990 --> 00:14:11,360  
them um because i've put audio in you

362  
00:14:16,949 --> 00:14:14,000  
know in public that they can listen to

363  
00:14:20,150 --> 00:14:16,959

and i know for a fact that at least one

364

00:14:23,350 --> 00:14:20,160

high-profile ufologist who who was very

365

00:14:25,590 --> 00:14:23,360

um vocal about about me in a negative

366

00:14:27,750 --> 00:14:25,600

way actually admitted that he refused to

367

00:14:31,670 --> 00:14:27,760

listen to the audio and to me i just

368

00:14:33,670 --> 00:14:31,680

think that well it's sad um but i

369

00:14:35,829 --> 00:14:33,680

so i it does bother me but i also think

370

00:14:38,069 --> 00:14:35,839

if you if someone is presenting evidence

371

00:14:40,470 --> 00:14:38,079

and you refuse to look at it that's an

372

00:14:43,430 --> 00:14:40,480

indictment on them not me

373

00:14:47,750 --> 00:14:43,440

um and i've up what i've said so

374

00:14:53,910 --> 00:14:50,550

you talk about some of your most

375

00:14:55,910 --> 00:14:53,920

memorable uh more not impressive but the

376

00:14:58,230 --> 00:14:55,920

memories as a child

377

00:14:59,430 --> 00:14:58,240

that really stuck stick with you till

378

00:15:01,670 --> 00:14:59,440

this day where

379

00:15:03,189 --> 00:15:01,680

you know the anomalous experience just

380

00:15:05,110 --> 00:15:03,199

just talk about some of those you

381

00:15:06,790 --> 00:15:05,120

experienced as a child

382

00:15:08,710 --> 00:15:06,800

um

383

00:15:11,189 --> 00:15:08,720

yeah well

384

00:15:14,470 --> 00:15:11,199

when i was between the ages of five and

385

00:15:16,949 --> 00:15:14,480

nine um i sometimes used to see

386

00:15:18,550 --> 00:15:16,959

a little short humanoid

387

00:15:20,870 --> 00:15:18,560

being

388

00:15:22,710 --> 00:15:20,880

and i had a name for him but it will be

389

00:15:25,110 --> 00:15:22,720

identifying because i've talked about

390

00:15:26,629 --> 00:15:25,120

him to people in my family so i actually

391

00:15:29,030 --> 00:15:26,639

used the pseudonym for him in the book i

392

00:15:32,150 --> 00:15:29,040

called him dearest

393

00:15:33,509 --> 00:15:32,160

and i have fragmentary memories

394

00:15:35,030 --> 00:15:33,519

of him

395

00:15:38,870 --> 00:15:35,040

but what was really interesting about

396

00:15:41,110 --> 00:15:38,880

that is that another child also saw him

397

00:15:43,030 --> 00:15:41,120

and she also remembers that him now as

398

00:15:45,910 --> 00:15:43,040

an adult and i actually interviewed her

399

00:15:48,870 --> 00:15:45,920

as an adult about it um and she

400

00:15:50,389 --> 00:15:48,880

confirmed that she saw him as well and

401  
00:15:52,629 --> 00:15:50,399  
she actually had some memories about him

402  
00:15:57,110 --> 00:15:52,639  
that i didn't have like he had little

403  
00:15:59,030 --> 00:15:57,120  
pointy feet um and things like that so

404  
00:16:00,389 --> 00:15:59,040  
um

405  
00:16:05,829 --> 00:16:00,399  
that was

406  
00:16:06,710 --> 00:16:05,839  
momentous for me was the interactions

407  
00:16:11,110 --> 00:16:06,720  
with

408  
00:16:15,509 --> 00:16:13,189  
how did you find out that she

409  
00:16:17,269 --> 00:16:15,519  
remembered him like when did that happen

410  
00:16:18,310 --> 00:16:17,279  
did that happen later and i know you

411  
00:16:20,310 --> 00:16:18,320  
speak about it in the book i don't

412  
00:16:22,550 --> 00:16:20,320  
remember exactly when and how was that

413  
00:16:24,150 --> 00:16:22,560

for you to have some sort of cooperation

414

00:16:26,710 --> 00:16:24,160

from somebody because for an experimenter

415

00:16:27,509 --> 00:16:26,720

that's huge yeah it was huge

416

00:16:33,829 --> 00:16:27,519

um

417

00:16:37,110 --> 00:16:33,839

record my experiences i actually

418

00:16:38,150 --> 00:16:37,120

interviewed people in my life um

419

00:16:40,310 --> 00:16:38,160

and

420

00:16:42,389 --> 00:16:40,320

i interviewed her

421

00:16:44,310 --> 00:16:42,399

and just and she

422

00:16:46,870 --> 00:16:44,320

talked about it and she said that she

423

00:16:48,629 --> 00:16:46,880

remembered him um and then

424

00:16:50,949 --> 00:16:48,639

she kind of volunteered some stuff that

425

00:16:52,230 --> 00:16:50,959

she remembered about him which i

426  
00:16:55,430 --> 00:16:52,240  
hadn't even

427  
00:16:59,110 --> 00:16:55,440  
remembered and and yeah i was absolutely

428  
00:17:02,150 --> 00:16:59,120  
flawed by that i mean it was it was

429  
00:17:03,430 --> 00:17:02,160  
yeah because yeah it was amazing

430  
00:17:05,110 --> 00:17:03,440  
talk about your family because i know

431  
00:17:06,949 --> 00:17:05,120  
you said you spoke to your family your

432  
00:17:08,710 --> 00:17:06,959  
mom and dad have had experiences and

433  
00:17:10,230 --> 00:17:08,720  
that's kind and other family members

434  
00:17:11,990 --> 00:17:10,240  
that kind of helped you

435  
00:17:13,990 --> 00:17:12,000  
verify some of your experiences because

436  
00:17:16,309 --> 00:17:14,000  
they remember some of you some of you

437  
00:17:20,309 --> 00:17:16,319  
know when you were going through that

438  
00:17:23,590 --> 00:17:20,319

yeah my dad um he told me that he'd had

439

00:17:25,350 --> 00:17:23,600

um experiences right through his life um

440

00:17:27,829 --> 00:17:25,360

and some other family members had also

441

00:17:29,430 --> 00:17:27,839

had experiences um and like one of my

442

00:17:30,390 --> 00:17:29,440

cousins had had them all through her

443

00:17:31,270 --> 00:17:30,400

life

444

00:17:34,789 --> 00:17:31,280

um

445

00:17:37,430 --> 00:17:34,799

and i hadn't known about those and and i

446

00:17:39,430 --> 00:17:37,440

hadn't talked about mine so it really

447

00:17:40,870 --> 00:17:39,440

brought home to me how hidden the

448

00:17:44,070 --> 00:17:40,880

phenomenon is

449

00:17:46,870 --> 00:17:44,080

um and i've talked to other people

450

00:17:48,950 --> 00:17:46,880

since then um and i i've sort of it

451  
00:17:51,430 --> 00:17:48,960  
almost seems that almost everybody has

452  
00:17:53,270 --> 00:17:51,440  
had you know at least one or two

453  
00:17:54,870 --> 00:17:53,280  
unexplained experiences or they know

454  
00:17:57,190 --> 00:17:54,880  
somebody who has so i think it's

455  
00:17:59,430 --> 00:17:57,200  
actually probably quite common but it's

456  
00:18:01,750 --> 00:17:59,440  
really taboo and really hidden and

457  
00:18:04,150 --> 00:18:01,760  
people just don't talk about it

458  
00:18:05,510 --> 00:18:04,160  
um and so in our family we just didn't

459  
00:18:07,190 --> 00:18:05,520  
talk about it

460  
00:18:08,950 --> 00:18:07,200  
um and it was just when i was

461  
00:18:10,549 --> 00:18:08,960  
interviewing them that they sort of came

462  
00:18:11,430 --> 00:18:10,559  
forward and told me

463  
00:18:14,630 --> 00:18:11,440

stuff

464

00:18:16,710 --> 00:18:14,640

um yeah yeah i i

465

00:18:18,070 --> 00:18:16,720

mean i have a i have a family member who

466

00:18:20,549 --> 00:18:18,080

has had

467

00:18:22,710 --> 00:18:20,559

i'd say anomalous uh definitely an

468

00:18:25,029 --> 00:18:22,720

anomalous non-physical experience that

469

00:18:27,510 --> 00:18:25,039

was not pleasant um and i even seem to

470

00:18:28,870 --> 00:18:27,520

remember my late mom

471

00:18:30,950 --> 00:18:28,880

i remember my sister telling me

472

00:18:32,870 --> 00:18:30,960

something about how she had some sort of

473

00:18:35,590 --> 00:18:32,880

interaction that would that might have

474

00:18:37,270 --> 00:18:35,600

fit into the abduction scenario but i

475

00:18:39,029 --> 00:18:37,280

found about i found out about it after

476

00:18:41,430 --> 00:18:39,039

she passed away it's like

477

00:18:42,950 --> 00:18:41,440

why wasn't this shared early on because

478

00:18:45,190 --> 00:18:42,960

it's like you said it's stigma

479

00:18:47,750 --> 00:18:45,200

especially back then i mean i grew up

480

00:18:49,830 --> 00:18:47,760

in the 70s that's when my my youth and

481

00:18:51,830 --> 00:18:49,840

there's no way would we talk about this

482

00:18:53,430 --> 00:18:51,840

you know i went and i was interested in

483

00:18:56,470 --> 00:18:53,440

it i saw close encounters with the third

484

00:18:57,750 --> 00:18:56,480

kind in the theater so yeah but and i

485

00:18:59,430 --> 00:18:57,760

remember

486

00:19:00,789 --> 00:18:59,440

not too long ago i brought it up with my

487

00:19:02,310 --> 00:19:00,799

dad and i'm like

488

00:19:03,669 --> 00:19:02,320

what do you think about ufos because i

489

00:19:04,630 --> 00:19:03,679

spent a lot of time on this and he's

490

00:19:06,230 --> 00:19:04,640

like

491

00:19:08,070 --> 00:19:06,240

demonic they're demonic i don't want to

492

00:19:11,029 --> 00:19:08,080

talk about it i'm like really i'm like

493

00:19:12,789 --> 00:19:11,039

okay he's not really that religious but

494

00:19:14,150 --> 00:19:12,799

yeah it was never discussed either in my

495

00:19:16,390 --> 00:19:14,160

family um

496

00:19:18,630 --> 00:19:16,400

but i want to ask you something about uh

497

00:19:20,710 --> 00:19:18,640

abductions because in the book you say

498

00:19:23,669 --> 00:19:20,720

you basically reject the abduction

499

00:19:25,669 --> 00:19:23,679

narrative because it's largely primarily

500

00:19:27,830 --> 00:19:25,679

primarily based on hypnosis and

501  
00:19:29,029 --> 00:19:27,840  
recovered memories but there are people

502  
00:19:30,950 --> 00:19:29,039  
there are a decent amount of people who

503  
00:19:33,029 --> 00:19:30,960  
have their memories intact they have

504  
00:19:34,630 --> 00:19:33,039  
their experiences during the day

505  
00:19:37,270 --> 00:19:34,640  
artie clark if you haven't looked into

506  
00:19:39,430 --> 00:19:37,280  
her all of her experiences are

507  
00:19:40,870 --> 00:19:39,440  
all memory nothing from she will not

508  
00:19:42,549 --> 00:19:40,880  
take a case with hypnosis which is

509  
00:19:43,990 --> 00:19:42,559  
really great and a lot of the

510  
00:19:47,190 --> 00:19:44,000  
experiences are similar to the

511  
00:19:48,230 --> 00:19:47,200  
experiences with hypnosis um so it makes

512  
00:19:49,990 --> 00:19:48,240  
me think

513  
00:19:51,830 --> 00:19:50,000

there is something to it i still don't

514

00:19:53,350 --> 00:19:51,840

know what it is i mean dr gary nolan i

515

00:19:55,110 --> 00:19:53,360

don't know if you followed his work from

516

00:19:57,190 --> 00:19:55,120

stanford he's like the leading

517

00:19:59,110 --> 00:19:57,200

hypothesis is these things whatever they

518

00:20:01,590 --> 00:19:59,120

are they're either

519

00:20:03,990 --> 00:20:01,600

um an avatar a representation of

520

00:20:06,390 --> 00:20:04,000

whatever the intelligence is or

521

00:20:08,390 --> 00:20:06,400

it's able to create some sort of virtual

522

00:20:10,710 --> 00:20:08,400

virtual reality so if you're seeing a

523

00:20:12,870 --> 00:20:10,720

little gray it's really not them it's

524

00:20:14,549 --> 00:20:12,880

just portraying itself the way it wants

525

00:20:16,630 --> 00:20:14,559

to be portrayed i don't know if that's

526

00:20:18,870 --> 00:20:16,640

true or not um

527

00:20:20,549 --> 00:20:18,880

but yeah haven't followed his work at

528

00:20:22,630 --> 00:20:20,559

all

529

00:20:24,549 --> 00:20:22,640

um sorry just could you just repeat that

530

00:20:26,789 --> 00:20:24,559

last bit

531

00:20:29,190 --> 00:20:26,799

about dr gary nolan some of his theories

532

00:20:31,830 --> 00:20:29,200

it's he's a he's a

533

00:20:34,630 --> 00:20:31,840

immunologist immunologist at stanford

534

00:20:36,470 --> 00:20:34,640

and he's also an experimenter and he's

535

00:20:37,750 --> 00:20:36,480

he's shared some of his his experiences

536

00:20:39,909 --> 00:20:37,760

and he's also talked about various

537

00:20:42,310 --> 00:20:39,919

theories in the intelligence world

538

00:20:43,909 --> 00:20:42,320

um for i mean he's just if you're an

539

00:20:45,669 --> 00:20:43,919

experiencer i would think you would be

540

00:20:47,590 --> 00:20:45,679

overjoyed to have somebody like that

541

00:20:49,590 --> 00:20:47,600

going public because it's not great for

542

00:20:51,430 --> 00:20:49,600

his reputation let's face it i mean

543

00:20:53,510 --> 00:20:51,440

you know he's in a mainstream university

544

00:20:55,510 --> 00:20:53,520

and he's talking about little men at his

545

00:20:57,110 --> 00:20:55,520

bed when he was younger

546

00:21:01,190 --> 00:20:57,120

yeah yeah

547

00:21:05,909 --> 00:21:04,710

i i do think that hypnosis brings out

548

00:21:09,190 --> 00:21:05,919

both

549

00:21:11,029 --> 00:21:09,200

true memories and false memories um

550

00:21:12,789 --> 00:21:11,039

for me the problem is is that they're

551  
00:21:15,270 --> 00:21:12,799  
intertwined and you don't know which is

552  
00:21:16,470 --> 00:21:15,280  
which and also it can be quite damaging

553  
00:21:17,909 --> 00:21:16,480  
to the person

554  
00:21:21,669 --> 00:21:17,919  
if they're having traumatic false

555  
00:21:25,270 --> 00:21:21,679  
memories it's so for me i don't

556  
00:21:28,230 --> 00:21:25,280  
support going down that hypnosis line um

557  
00:21:31,350 --> 00:21:28,240  
but yeah i'm sure that within hypnosis

558  
00:21:34,470 --> 00:21:31,360  
it probably has brought out um

559  
00:21:38,710 --> 00:21:34,480  
truth as well as false memories so it

560  
00:21:44,950 --> 00:21:41,750  
there will be some overlap between them

561  
00:21:46,149 --> 00:21:44,960  
i probably would expect that um but i

562  
00:21:48,950 --> 00:21:46,159  
don't

563  
00:21:51,830 --> 00:21:48,960

support the full-on narrative that that

564

00:21:54,710 --> 00:21:51,840

jacobs presents for example because

565

00:21:57,990 --> 00:21:54,720

um i just believe he's creating a lot of

566

00:21:59,750 --> 00:21:58,000

that however i mean he has hypnotized

567

00:22:02,549 --> 00:21:59,760

real experiences

568

00:22:04,549 --> 00:22:02,559

um so and they within their hypnosis

569

00:22:08,070 --> 00:22:04,559

would i think bring out some some

570

00:22:10,549 --> 00:22:08,080

reality as well so i think it's a mixed

571

00:22:12,789 --> 00:22:10,559

a mixed bag but because of the hypnosis

572

00:22:14,549 --> 00:22:12,799

i just rejected and i'd only be

573

00:22:17,110 --> 00:22:14,559

interested in looking at

574

00:22:18,390 --> 00:22:17,120

you know for myself i only

575

00:22:19,990 --> 00:22:18,400

take

576

00:22:22,310 --> 00:22:20,000

my my

577

00:22:23,909 --> 00:22:22,320

non-hypnotic memories as my real

578

00:22:25,270 --> 00:22:23,919

memories

579

00:22:27,430 --> 00:22:25,280

yeah

580

00:22:28,950 --> 00:22:27,440

do you see do you agree with this i

581

00:22:31,750 --> 00:22:28,960

think that

582

00:22:32,630 --> 00:22:31,760

hypnosis would be a lot better

583

00:22:34,549 --> 00:22:32,640

if

584

00:22:35,669 --> 00:22:34,559

there were professionals and i don't i

585

00:22:36,710 --> 00:22:35,679

don't mean to

586

00:22:38,390 --> 00:22:36,720

you know

587

00:22:39,990 --> 00:22:38,400

just just um

588

00:22:41,350 --> 00:22:40,000

say anything negative about anybody who

589

00:22:42,630 --> 00:22:41,360

who was involved in this because i know

590

00:22:44,870 --> 00:22:42,640

there are a lot of therapists who have

591

00:22:47,669 --> 00:22:44,880

worked with experiencers but

592

00:22:49,830 --> 00:22:47,679

it seems like there is no mainstream

593

00:22:52,070 --> 00:22:49,840

like you said a mainstream therapist you

594

00:22:54,390 --> 00:22:52,080

can't go to even back then if you were

595

00:22:56,710 --> 00:22:54,400

go were to go to them they're like yeah

596

00:22:59,110 --> 00:22:56,720

um you might be a little crazy let's do

597

00:23:01,029 --> 00:22:59,120

a psychological evaluation that opened

598

00:23:02,390 --> 00:23:01,039

the door for people like jacobs and

599

00:23:04,470 --> 00:23:02,400

hopkins

600

00:23:06,789 --> 00:23:04,480

and mac and other folks which in a

601  
00:23:08,870 --> 00:23:06,799  
perfect world we would have the best of

602  
00:23:10,390 --> 00:23:08,880  
the best working with experiences and we

603  
00:23:11,590 --> 00:23:10,400  
don't have that maybe sometime in the

604  
00:23:13,590 --> 00:23:11,600  
future

605  
00:23:14,870 --> 00:23:13,600  
that'll happen you know that do you

606  
00:23:16,789 --> 00:23:14,880  
agree that's what we need i mean it's

607  
00:23:19,830 --> 00:23:16,799  
obviously you need the best of the best

608  
00:23:21,909 --> 00:23:19,840  
working with experiences obviously

609  
00:23:23,510 --> 00:23:21,919  
yeah i think it's a real shame i mean

610  
00:23:27,110 --> 00:23:23,520  
there's nowhere that an experienced

611  
00:23:29,590 --> 00:23:27,120  
cancer can go because you can't go to

612  
00:23:32,390 --> 00:23:29,600  
a religious figure i mean what are they

613  
00:23:33,190 --> 00:23:32,400

supposed to do about it you can't go to

614

00:23:36,789 --> 00:23:33,200

their

615

00:23:39,909 --> 00:23:36,799

you can go to you to some therapists but

616

00:23:42,549 --> 00:23:39,919

the the profession overall mainstream i

617

00:23:45,110 --> 00:23:42,559

would say you've got to be careful

618

00:23:47,110 --> 00:23:45,120

um you can't go to

619

00:23:50,149 --> 00:23:47,120

you know law enforcement all the kind of

620

00:23:52,149 --> 00:23:50,159

avenues that people would go to normally

621

00:23:54,710 --> 00:23:52,159

for help um

622

00:23:57,510 --> 00:23:54,720

you can't really go there so

623

00:23:59,270 --> 00:23:57,520

yeah and then you the ufology is there

624

00:24:01,750 --> 00:23:59,280

and then there are people sort of set up

625

00:24:05,029 --> 00:24:01,760

there and i think some some researchers

626

00:24:07,270 --> 00:24:05,039

in the ufo field are really nice people

627

00:24:09,350 --> 00:24:07,280

and who probably are helping people and

628

00:24:12,470 --> 00:24:09,360

then you get the others who are sort of

629

00:24:14,950 --> 00:24:12,480

more predatory or you know not so good

630

00:24:18,390 --> 00:24:14,960

um but it's a bit of a bit of a you know

631

00:24:20,149 --> 00:24:18,400

wild west in a way um and yeah i just i

632

00:24:21,750 --> 00:24:20,159

hope in the future that

633

00:24:24,230 --> 00:24:21,760

um there will be more places where

634

00:24:26,470 --> 00:24:24,240

people can actually go and get real

635

00:24:28,070 --> 00:24:26,480

professional help that actually

636

00:24:29,909 --> 00:24:28,080

by people who actually understand the

637

00:24:32,070 --> 00:24:29,919

phenomenon and

638

00:24:34,230 --> 00:24:32,080

um yeah i think it

639

00:24:35,990 --> 00:24:34,240

can't come soon enough really

640

00:24:38,149 --> 00:24:36,000

you talk about the wild west it is the

641

00:24:39,990 --> 00:24:38,159

wild west i mean it's it was like that

642

00:24:42,789 --> 00:24:40,000

when i first got into it in the mid 90s

643

00:24:44,310 --> 00:24:42,799

but now it's it's really bad and

644

00:24:45,669 --> 00:24:44,320

it really bothers me because there are

645

00:24:47,669 --> 00:24:45,679

people out there who

646

00:24:49,190 --> 00:24:47,679

do not take experiences seriously there

647

00:24:50,470 --> 00:24:49,200

are skeptics i'm like have you checked

648

00:24:51,590 --> 00:24:50,480

into this no

649

00:24:52,870 --> 00:24:51,600

i mean i don't know if it's gone as

650

00:24:55,350 --> 00:24:52,880

extreme as what you said where they

651  
00:24:57,110 --> 00:24:55,360  
won't even listen to you which is really

652  
00:24:57,909 --> 00:24:57,120  
extreme which is really troublesome i

653  
00:24:59,510 --> 00:24:57,919  
would

654  
00:25:01,669 --> 00:24:59,520  
love to know who that person is i'm not

655  
00:25:03,830 --> 00:25:01,679  
going to ask you but um

656  
00:25:05,430 --> 00:25:03,840  
your family so it began as a toddler

657  
00:25:08,549 --> 00:25:05,440  
what

658  
00:25:10,070 --> 00:25:08,559  
as you got older did the experiences

659  
00:25:12,830 --> 00:25:10,080  
change at all or did they stay in a

660  
00:25:17,430 --> 00:25:15,669  
um i think that they're pretty

661  
00:25:19,669 --> 00:25:17,440  
consistent

662  
00:25:21,510 --> 00:25:19,679  
through my life and feel free to

663  
00:25:22,310 --> 00:25:21,520

describe any of them that just stand out

664

00:25:23,029 --> 00:25:22,320

i mean

665

00:25:24,549 --> 00:25:23,039

yeah

666

00:25:25,750 --> 00:25:24,559

but just a couple of them if you don't

667

00:25:28,230 --> 00:25:25,760

mind

668

00:25:30,310 --> 00:25:28,240

um yeah i think they are they're pretty

669

00:25:31,590 --> 00:25:30,320

consistent um

670

00:25:34,950 --> 00:25:31,600

i've had

671

00:25:36,070 --> 00:25:34,960

um a number of um premonitions that have

672

00:25:38,470 --> 00:25:36,080

come true

673

00:25:40,470 --> 00:25:38,480

um one of them were when it was when i

674

00:25:44,470 --> 00:25:40,480

was with my first husband as a young

675

00:25:45,669 --> 00:25:44,480

woman um i had a really realistic dream

676

00:25:48,549 --> 00:25:45,679

that i was

677

00:25:51,669 --> 00:25:48,559

um in a square in the soviet union and

678

00:25:54,390 --> 00:25:51,679

that there was a really large earthquake

679

00:25:57,909 --> 00:25:54,400

and i felt like i was in the earthquake

680

00:25:59,750 --> 00:25:57,919

um and then when i woke up after the

681

00:26:02,549 --> 00:25:59,760

dream i was really shaken by it and i

682

00:26:04,470 --> 00:26:02,559

woke my husband up and told him um and

683

00:26:06,950 --> 00:26:04,480

then the next day we found out that

684

00:26:09,269 --> 00:26:06,960

there had been and i told him what part

685

00:26:12,630 --> 00:26:09,279

of the soviet union it was in and the

686

00:26:14,710 --> 00:26:12,640

next day there had been a big earthquake

687

00:26:16,390 --> 00:26:14,720

during that time period when i when i

688

00:26:18,149 --> 00:26:16,400

had that dream so

689

00:26:20,310 --> 00:26:18,159

um

690

00:26:22,390 --> 00:26:20,320

and i've had those sort of

691

00:26:24,310 --> 00:26:22,400

through my life i don't have a lot of

692

00:26:26,870 --> 00:26:24,320

them but they're kind of a regular

693

00:26:29,190 --> 00:26:26,880

occurrence

694

00:26:33,070 --> 00:26:29,200

and

695

00:26:34,149 --> 00:26:33,080

i often have unexplained body marks

696

00:26:37,029 --> 00:26:34,159

[Music]

697

00:26:37,750 --> 00:26:37,039

little very fine one

698

00:26:39,430 --> 00:26:37,760

um centimeter

699

00:26:40,870 --> 00:26:39,440

gonna share i'm gonna just try to share

700

00:26:42,070 --> 00:26:40,880

your screen

701  
00:26:43,990 --> 00:26:42,080  
because

702  
00:26:45,590 --> 00:26:44,000  
you talk about well you show some

703  
00:26:47,510 --> 00:26:45,600  
pictures on your website hopefully this

704  
00:26:49,909 --> 00:26:47,520  
will work so yeah there's just talk

705  
00:26:51,350 --> 00:26:49,919  
about some of those yeah

706  
00:26:53,269 --> 00:26:51,360  
and how they came about because you have

707  
00:26:55,669 --> 00:26:53,279  
had i think it was like i kind of like

708  
00:26:58,230 --> 00:26:55,679  
18 different experiences you detail in

709  
00:27:00,710 --> 00:26:58,240  
the book with marks or scars so just

710  
00:27:03,269 --> 00:27:00,720  
yeah just how some of these came about

711  
00:27:04,630 --> 00:27:03,279  
yeah well that burn that you're just

712  
00:27:05,669 --> 00:27:04,640  
showing there

713  
00:27:09,510 --> 00:27:05,679

um

714

00:27:10,390 --> 00:27:09,520

house

715

00:27:12,230 --> 00:27:10,400

um

716

00:27:13,990 --> 00:27:12,240

and then at one point he he just

717

00:27:15,590 --> 00:27:14,000

suddenly said that he needed to go

718

00:27:18,710 --> 00:27:15,600

outside for a breather like he felt

719

00:27:20,950 --> 00:27:18,720

claustrophobic um and it never happened

720

00:27:24,630 --> 00:27:20,960

before or you know why that would have

721

00:27:27,029 --> 00:27:24,640

been but he went outside um and then

722

00:27:29,029 --> 00:27:27,039

um i just found myself kneeling on the

723

00:27:31,029 --> 00:27:29,039

floor and i was just became aware that i

724

00:27:33,350 --> 00:27:31,039

had this burning pain in my arm and i

725

00:27:34,950 --> 00:27:33,360

looked down and there was that burn

726

00:27:36,630 --> 00:27:34,960

um

727

00:27:39,029 --> 00:27:36,640

and then

728

00:27:40,549 --> 00:27:39,039

for for a while afterwards had this pain

729

00:27:43,430 --> 00:27:40,559

going down my arm

730

00:27:45,909 --> 00:27:43,440

um and then he came in and i showed him

731

00:27:47,029 --> 00:27:45,919

the burn but we didn't really talk about

732

00:27:48,630 --> 00:27:47,039

it and

733

00:27:50,230 --> 00:27:48,640

at that stage

734

00:27:51,590 --> 00:27:50,240

and i never really thought about you

735

00:27:54,230 --> 00:27:51,600

know checking to see whether we'd had

736

00:27:55,269 --> 00:27:54,240

any missing time or anything like that

737

00:27:57,269 --> 00:27:55,279

um

738

00:27:58,789 --> 00:27:57,279

but yeah and it was that was just quite

739

00:28:01,909 --> 00:27:58,799

a sort of a typical

740

00:28:03,750 --> 00:28:01,919

thing where i just have these marks and

741

00:28:06,549 --> 00:28:03,760

i don't know you know

742

00:28:08,950 --> 00:28:06,559

yeah so that's quite a common thing i

743

00:28:10,710 --> 00:28:08,960

mean i had um

744

00:28:12,149 --> 00:28:10,720

one of those yesterday actually one of

745

00:28:15,029 --> 00:28:12,159

those straight cuts that you're showing

746

00:28:18,310 --> 00:28:15,039

on my arm i had one of my thumbs so it's

747

00:28:19,669 --> 00:28:18,320

just a sort of regular kind of thing

748

00:28:21,350 --> 00:28:19,679

that happens

749

00:28:22,710 --> 00:28:21,360

do you wonder i mean do you wonder what

750

00:28:24,549 --> 00:28:22,720

the heck is going on i mean have you

751  
00:28:25,909 --> 00:28:24,559  
thought about is it coming from yourself

752  
00:28:27,830 --> 00:28:25,919  
is it coming from

753  
00:28:28,870 --> 00:28:27,840  
being taken and they're they're just

754  
00:28:30,389 --> 00:28:28,880  
they're just

755  
00:28:31,669 --> 00:28:30,399  
they're not careful and they're bumping

756  
00:28:33,750 --> 00:28:31,679  
you into something

757  
00:28:35,990 --> 00:28:33,760  
have you what is your like your

758  
00:28:38,070 --> 00:28:36,000  
your leading hypothesis on on how this

759  
00:28:38,870 --> 00:28:38,080  
is happening why that's happening to you

760  
00:28:39,830 --> 00:28:38,880  
yeah

761  
00:28:40,950 --> 00:28:39,840  
um

762  
00:28:43,430 --> 00:28:40,960  
well

763  
00:28:44,470 --> 00:28:43,440

i know that it happens excuse me i know

764

00:28:48,070 --> 00:28:44,480

that it happens with a lot of

765

00:28:50,549 --> 00:28:48,080

experiences um so i know that it's part

766

00:28:53,029 --> 00:28:50,559

of the phenomenon um

767

00:28:55,590 --> 00:28:53,039

and yeah i've often wondered i mean you

768

00:28:56,630 --> 00:28:55,600

know are they doing medical stuff or is

769

00:28:58,630 --> 00:28:56,640

it just

770

00:29:01,510 --> 00:28:58,640

there are they just side effects or

771

00:29:02,950 --> 00:29:01,520

something that you know that then

772

00:29:05,590 --> 00:29:02,960

there's nothing particular about them

773

00:29:07,590 --> 00:29:05,600

that just happened um yeah it's a real

774

00:29:08,789 --> 00:29:07,600

mystery um

775

00:29:11,190 --> 00:29:08,799

yeah i don't know

776

00:29:13,750 --> 00:29:11,200

i don't really know what's causing it

777

00:29:15,430 --> 00:29:13,760

yeah you've had i'm gonna since i'm on

778

00:29:16,789 --> 00:29:15,440

pictures can you describe what's

779

00:29:18,950 --> 00:29:16,799

happening with

780

00:29:19,750 --> 00:29:18,960

the yellow fluorescent stains

781

00:29:22,950 --> 00:29:19,760

yeah

782

00:29:24,630 --> 00:29:22,960

and that's happened a few times um

783

00:29:27,110 --> 00:29:24,640

like i'll find these um yellow

784

00:29:29,430 --> 00:29:27,120

fluorescent stains like on my bedding

785

00:29:31,029 --> 00:29:29,440

um and sometimes

786

00:29:33,669 --> 00:29:31,039

on my hands

787

00:29:34,630 --> 00:29:33,679

um and sometimes i get a puncture mark

788

00:29:37,190 --> 00:29:34,640

in my

789

00:29:39,510 --> 00:29:37,200

thumb pads and it's

790

00:29:41,269 --> 00:29:39,520

seeping out this yellow fluid which i

791

00:29:44,070 --> 00:29:41,279

think is the same stuff

792

00:29:47,430 --> 00:29:44,080

um and that photo there

793

00:29:49,830 --> 00:29:47,440

um that was um when i was in this house

794

00:29:50,950 --> 00:29:49,840

and we just woke up and it was on the do

795

00:29:53,110 --> 00:29:50,960

they cover

796

00:29:55,909 --> 00:29:53,120

um and then my husband and i looked at

797

00:29:58,630 --> 00:29:55,919

it with a black light and it was

798

00:30:01,110 --> 00:29:58,640

fluorescing a little bit

799

00:30:03,029 --> 00:30:01,120

and it started to evaporate

800

00:30:04,230 --> 00:30:03,039

sort of several hours later we looked at

801  
00:30:06,789 --> 00:30:04,240  
it again

802  
00:30:08,549 --> 00:30:06,799  
it had started to evaporate

803  
00:30:11,190 --> 00:30:08,559  
so whatever it is it's

804  
00:30:13,430 --> 00:30:11,200  
something that that gradually evaporates

805  
00:30:16,710 --> 00:30:13,440  
but yeah i mean it's just

806  
00:30:19,990 --> 00:30:16,720  
um i actually talked to jacobs about

807  
00:30:21,669 --> 00:30:20,000  
these young stains and he said that he's

808  
00:30:22,389 --> 00:30:21,679  
got a lot he had a lot of them sent to

809  
00:30:24,710 --> 00:30:22,399  
him

810  
00:30:27,350 --> 00:30:24,720  
um and he actually had them analyzed at

811  
00:30:29,830 --> 00:30:27,360  
a lab and they couldn't identify what

812  
00:30:31,750 --> 00:30:29,840  
the substance was like they ruled out

813  
00:30:33,990 --> 00:30:31,760

things like iodine and

814

00:30:36,389 --> 00:30:34,000

various other things i think tea and

815

00:30:38,870 --> 00:30:36,399

coffee or whatever it was but he said

816

00:30:41,350 --> 00:30:38,880

yeah they they couldn't identify what it

817

00:30:43,190 --> 00:30:41,360

was but yeah

818

00:30:45,190 --> 00:30:43,200

it's really odd um

819

00:30:46,630 --> 00:30:45,200

you you've had a lot of experiences the

820

00:30:48,549 --> 00:30:46,640

thing that comes up

821

00:30:50,470 --> 00:30:48,559

a lot is

822

00:30:51,990 --> 00:30:50,480

creatures that are gray i mean it

823

00:30:54,870 --> 00:30:52,000

happens i'm reading your stories and

824

00:30:57,510 --> 00:30:54,880

it's like gray gray grey gray so

825

00:30:59,830 --> 00:30:57,520

but you also you also

826  
00:31:03,029 --> 00:30:59,840  
have experiences where you felt drugged

827  
00:31:05,590 --> 00:31:03,039  
and you've had human military people

828  
00:31:07,029 --> 00:31:05,600  
involved what do you think do you think

829  
00:31:08,470 --> 00:31:07,039  
there are humans involved in your

830  
00:31:10,789 --> 00:31:08,480  
experiences do you think whatever this

831  
00:31:11,990 --> 00:31:10,799  
is is making you see humans for whatever

832  
00:31:13,909 --> 00:31:12,000  
reason

833  
00:31:16,070 --> 00:31:13,919  
obviously there's no way to know but i

834  
00:31:18,470 --> 00:31:16,080  
mean that's not uncommon if you if you

835  
00:31:20,149 --> 00:31:18,480  
listen to carla turner was an amazing

836  
00:31:22,149 --> 00:31:20,159  
researcher you know she talked about my

837  
00:31:24,470 --> 00:31:22,159  
labs back then and my labs are really

838  
00:31:27,029 --> 00:31:24,480

controversial in the field outside the

839

00:31:28,950 --> 00:31:27,039

field of course so what do you think do

840

00:31:30,549 --> 00:31:28,960

you have any hypothesis what's going on

841

00:31:32,070 --> 00:31:30,559

with you as far as humans versus

842

00:31:33,830 --> 00:31:32,080

non-humans

843

00:31:35,110 --> 00:31:33,840

um yeah i mean it's something i've

844

00:31:37,669 --> 00:31:35,120

thought about

845

00:31:39,430 --> 00:31:37,679

um something i've um

846

00:31:41,110 --> 00:31:39,440

definitely thought about

847

00:31:43,350 --> 00:31:41,120

um

848

00:31:45,430 --> 00:31:43,360

i don't know like

849

00:31:47,590 --> 00:31:45,440

because i'm i have quite an agnostic

850

00:31:51,190 --> 00:31:47,600

kind of approach to it i don't know

851

00:31:53,190 --> 00:31:51,200

whether what i'm seeing is

852

00:31:55,190 --> 00:31:53,200

exactly what's there or whether it my

853

00:31:56,149 --> 00:31:55,200

brain is interpreting it because my

854

00:31:58,310 --> 00:31:56,159

brain

855

00:32:00,630 --> 00:31:58,320

is interpreting it you know from a human

856

00:32:02,549 --> 00:32:00,640

perspective or whether something has

857

00:32:04,389 --> 00:32:02,559

been presented to me in a way that i can

858

00:32:06,310 --> 00:32:04,399

understand

859

00:32:07,590 --> 00:32:06,320

so i don't know

860

00:32:09,509 --> 00:32:07,600

whether

861

00:32:12,230 --> 00:32:09,519

those beings really look the way they

862

00:32:15,029 --> 00:32:12,240

are or whether those people are people

863

00:32:15,990 --> 00:32:15,039

or something else

864

00:32:18,710 --> 00:32:16,000

and

865

00:32:21,669 --> 00:32:18,720

i have a bit of a resistance to

866

00:32:24,149 --> 00:32:21,679

i don't think too much about the sort of

867

00:32:26,830 --> 00:32:24,159

my lab military angle because i don't

868

00:32:29,350 --> 00:32:26,840

want to become paranoid

869

00:32:31,350 --> 00:32:29,360

um and

870

00:32:33,509 --> 00:32:31,360

yeah so i just

871

00:32:35,430 --> 00:32:33,519

in a way that's one area where i kind of

872

00:32:38,070 --> 00:32:35,440

censor myself a bit like i won't really

873

00:32:39,350 --> 00:32:38,080

let myself go down that path because i

874

00:32:41,350 --> 00:32:39,360

know that there would be absolutely no

875

00:32:43,509 --> 00:32:41,360

way i could ever know for sure i could

876

00:32:47,590 --> 00:32:43,519

never verify anything

877

00:32:49,990 --> 00:32:47,600

but i i've seen people become

878

00:32:53,029 --> 00:32:50,000

possibly paranoid and i don't want to go

879

00:32:55,350 --> 00:32:53,039

that route so i just stay with

880

00:32:57,190 --> 00:32:55,360

my own way of dealing with it which is

881

00:32:59,029 --> 00:32:57,200

we don't know what it is

882

00:33:00,950 --> 00:32:59,039

it could be what i'm looking at it could

883

00:33:02,789 --> 00:33:00,960

be something i'm interpreting that i

884

00:33:04,389 --> 00:33:02,799

can't understand or it could be

885

00:33:07,269 --> 00:33:04,399

something that's being presented to me

886

00:33:10,310 --> 00:33:07,279

in that way and maybe there is maybe

887

00:33:12,149 --> 00:33:10,320

there are some humans involved and some

888

00:33:13,269 --> 00:33:12,159

you know things are happening

889

00:33:16,549 --> 00:33:13,279

um

890

00:33:17,590 --> 00:33:16,559

but yeah i thought about it not too much

891

00:33:20,389 --> 00:33:17,600

yeah and that's what i was talking about

892

00:33:22,710 --> 00:33:20,399

earlier with with dr gary nolan saying

893

00:33:24,710 --> 00:33:22,720

it's possible that whatever this is can

894

00:33:26,230 --> 00:33:24,720

make us see whatever it wants so you

895

00:33:28,710 --> 00:33:26,240

can't really trust

896

00:33:30,230 --> 00:33:28,720

if you're reporting seeing humans there

897

00:33:32,470 --> 00:33:30,240

may not be humans there if you're

898

00:33:34,389 --> 00:33:32,480

reporting seeing grays there may not be

899

00:33:35,830 --> 00:33:34,399

grays there well for whatever reason it

900

00:33:37,669 --> 00:33:35,840

may be

901  
00:33:39,430 --> 00:33:37,679  
i don't want to say expressing itself

902  
00:33:41,430 --> 00:33:39,440  
like that but presenting itself like

903  
00:33:42,870 --> 00:33:41,440  
that and like you said there's really no

904  
00:33:44,789 --> 00:33:42,880  
way to know i don't know if we'll ever

905  
00:33:46,470 --> 00:33:44,799  
be able to know um

906  
00:33:47,669 --> 00:33:46,480  
there was one experience in your book

907  
00:33:49,669 --> 00:33:47,679  
where you talked about i don't know if

908  
00:33:50,950 --> 00:33:49,679  
it was your dad seeing a star-like

909  
00:33:53,430 --> 00:33:50,960  
star-like

910  
00:33:55,750 --> 00:33:53,440  
object in the room which is interesting

911  
00:33:57,509 --> 00:33:55,760  
because gary nolan another case he'd

912  
00:33:59,110 --> 00:33:57,519  
worked on or at least jacques valet

913  
00:34:01,350 --> 00:33:59,120

worked on in france

914

00:34:02,549 --> 00:34:01,360

these two young women young girls were

915

00:34:04,789 --> 00:34:02,559

in the back seat their mother was

916

00:34:06,470 --> 00:34:04,799

driving and they saw a craft

917

00:34:08,950 --> 00:34:06,480

they took a picture of it up through the

918

00:34:10,389 --> 00:34:08,960

uh sky roof uh sunroof

919

00:34:12,869 --> 00:34:10,399

and when they took it home when they saw

920

00:34:15,990 --> 00:34:12,879

the picture it was a star-like object it

921

00:34:17,750 --> 00:34:16,000

was not the craft which suggests

922

00:34:19,669 --> 00:34:17,760

that whatever that was is making them

923

00:34:21,589 --> 00:34:19,679

see a craft but the real form is not a

924

00:34:23,829 --> 00:34:21,599

craft now if there's something here that

925

00:34:25,990 --> 00:34:23,839

can do that emma we're kind of screwed i

926  
00:34:26,790 --> 00:34:26,000  
don't know how you combat that

927  
00:34:28,069 --> 00:34:26,800  
yeah

928  
00:34:29,589 --> 00:34:28,079  
you know

929  
00:34:30,710 --> 00:34:29,599  
i don't really and i don't really have a

930  
00:34:32,230 --> 00:34:30,720  
question there but if you have any

931  
00:34:35,909 --> 00:34:32,240  
thoughts on that

932  
00:34:38,550 --> 00:34:35,919  
yeah i mean i've often um yeah i mean

933  
00:34:40,550 --> 00:34:38,560  
that's why you can't trust it

934  
00:34:42,149 --> 00:34:40,560  
it actually reminds me of an experience

935  
00:34:44,790 --> 00:34:42,159  
i had that which i didn't put in the

936  
00:34:48,389 --> 00:34:44,800  
book um but i was

937  
00:34:50,389 --> 00:34:48,399  
in my old apartment um and for some

938  
00:34:52,470 --> 00:34:50,399

reason i just

939

00:34:53,430 --> 00:34:52,480

felt that i should take a photo of the

940

00:34:55,589 --> 00:34:53,440

sky

941

00:34:57,750 --> 00:34:55,599

so i got my camera and i took a photo of

942

00:35:00,150 --> 00:34:57,760

the sky and there was nothing there

943

00:35:02,910 --> 00:35:00,160

um and then when the

944

00:35:06,630 --> 00:35:02,920

photos were developed um there was this

945

00:35:10,230 --> 00:35:06,640

extremely bright light in the sky

946

00:35:13,190 --> 00:35:10,240

where i had you know taken the photo um

947

00:35:15,829 --> 00:35:13,200

and then i wondered whether it was

948

00:35:17,510 --> 00:35:15,839

um you know a light leak or something

949

00:35:19,670 --> 00:35:17,520

like that so i took it

950

00:35:22,069 --> 00:35:19,680

to a camera shop and they said it didn't

951

00:35:23,910 --> 00:35:22,079

look like a light leak to them and then

952

00:35:26,230 --> 00:35:23,920

they looked at the negative

953

00:35:28,630 --> 00:35:26,240

um and then they showed me and they said

954

00:35:30,630 --> 00:35:28,640

that the silver grains or something in

955

00:35:32,390 --> 00:35:30,640

the negative whatever it was was so

956

00:35:35,030 --> 00:35:32,400

bright it had caused them to bleed

957

00:35:36,630 --> 00:35:35,040

outside the negative um whether that

958

00:35:40,150 --> 00:35:36,640

would happen with a light lick as well i

959

00:35:42,310 --> 00:35:40,160

don't know but um yeah so

960

00:35:44,950 --> 00:35:42,320

um but i didn't see anything in the sky

961

00:35:47,190 --> 00:35:44,960

when i took the photo i just

962

00:35:48,710 --> 00:35:47,200

yeah so

963

00:35:51,109 --> 00:35:48,720

can you hear me okay

964

00:35:53,270 --> 00:35:51,119

yeah can you hear me i can hear you fine

965

00:35:55,430 --> 00:35:53,280

my picture has frozen up which is fine

966

00:35:56,870 --> 00:35:55,440

people don't need to see me um

967

00:35:59,510 --> 00:35:56,880

thanks for sharing that story that was

968

00:36:01,430 --> 00:35:59,520

not in your book and i want to ask you

969

00:36:03,670 --> 00:36:01,440

oh yeah so you said that you don't you

970

00:36:05,109 --> 00:36:03,680

don't buy into the jacobs theory

971

00:36:07,430 --> 00:36:05,119

just explain for people who don't know

972

00:36:09,510 --> 00:36:07,440

his theory it's about basically hybrids

973

00:36:12,470 --> 00:36:09,520

here right and they're they're here

974

00:36:14,310 --> 00:36:12,480

doing their work for whoever

975

00:36:15,670 --> 00:36:14,320

is it in the work of the greys who are

976  
00:36:17,750 --> 00:36:15,680  
going to take over this planet and the

977  
00:36:19,430 --> 00:36:17,760  
hybrids are going to be in control can

978  
00:36:22,470 --> 00:36:19,440  
you explain just basically how you

979  
00:36:25,990 --> 00:36:22,480  
understand his theory just real quick

980  
00:36:27,030 --> 00:36:26,000  
yeah well his theory is is that they are

981  
00:36:28,710 --> 00:36:27,040  
um

982  
00:36:30,390 --> 00:36:28,720  
they have a breeding program where

983  
00:36:32,550 --> 00:36:30,400  
they're taking dna from humans and

984  
00:36:34,710 --> 00:36:32,560  
blending it with alien dna and creating

985  
00:36:35,670 --> 00:36:34,720  
hybrids and that the hybrids are

986  
00:36:38,790 --> 00:36:35,680  
becoming

987  
00:36:41,270 --> 00:36:38,800  
more and more and more human-like um and

988  
00:36:42,790 --> 00:36:41,280

that they're now integrating hybrids so

989

00:36:44,710 --> 00:36:42,800

that they live in the

990

00:36:47,030 --> 00:36:44,720

in the world with humans

991

00:36:48,550 --> 00:36:47,040

um that we won't know that they're

992

00:36:52,310 --> 00:36:48,560

hybrids because they look

993

00:36:54,470 --> 00:36:52,320

like humans and that experiences are

994

00:36:57,109 --> 00:36:54,480

teaching hybrids how to live in the

995

00:36:59,349 --> 00:36:57,119

world as humans so that's basically his

996

00:37:00,950 --> 00:36:59,359

theory in a nutshell okay

997

00:37:02,310 --> 00:37:00,960

thank you for sharing yeah thank you for

998

00:37:05,349 --> 00:37:02,320

sharing that um

999

00:37:08,310 --> 00:37:05,359

i want to talk about something that

1000

00:37:11,430 --> 00:37:08,320

you write about and if you could explain

1001

00:37:13,510 --> 00:37:11,440

the story starting out with mr a

1002

00:37:15,190 --> 00:37:13,520

and cynthia hind i'm not sure if i'm

1003

00:37:16,470 --> 00:37:15,200

saying her name right

1004

00:37:18,150 --> 00:37:16,480

talk about that story because i know a

1005

00:37:20,150 --> 00:37:18,160

lot of people in the ufo community

1006

00:37:21,670 --> 00:37:20,160

including me had never heard it and it's

1007

00:37:23,510 --> 00:37:21,680

really interesting

1008

00:37:24,790 --> 00:37:23,520

yeah um

1009

00:37:26,310 --> 00:37:24,800

well

1010

00:37:27,670 --> 00:37:26,320

somebody who was

1011

00:37:30,470 --> 00:37:27,680

um

1012

00:37:31,670 --> 00:37:30,480

quite active in the ufo field in a kind

1013

00:37:36,310 --> 00:37:31,680

of

1014

00:37:38,630 --> 00:37:36,320

but somebody who was quite active in the

1015

00:37:39,990 --> 00:37:38,640

ufo field had a lot of contacts and so

1016

00:37:41,109 --> 00:37:40,000

on so forth

1017

00:37:44,150 --> 00:37:41,119

he

1018

00:37:47,910 --> 00:37:44,160

offered to send me um

1019

00:37:50,790 --> 00:37:47,920

his ufo books and papers before he died

1020

00:37:52,790 --> 00:37:50,800

um so he sent me over this t-chest and

1021

00:37:55,670 --> 00:37:52,800

it was full of books and and

1022

00:37:58,310 --> 00:37:55,680

you know mountains of paper um and then

1023

00:37:59,109 --> 00:37:58,320

i sort of gradually went through it all

1024

00:38:02,310 --> 00:37:59,119

um

1025

00:38:05,670 --> 00:38:02,320

and i came across this letter that he

1026

00:38:09,430 --> 00:38:05,680

had written to cynthia hind who is was a

1027

00:38:10,870 --> 00:38:09,440

ufo researcher in zimbabwe in africa and

1028

00:38:13,270 --> 00:38:10,880

she was actually what the first

1029

00:38:14,630 --> 00:38:13,280

researcher i think to investigate the

1030

00:38:15,829 --> 00:38:14,640

aerial school

1031

00:38:18,150 --> 00:38:15,839

case

1032

00:38:19,510 --> 00:38:18,160

and then she brought in john mack or he

1033

00:38:22,310 --> 00:38:19,520

came in and they

1034

00:38:25,349 --> 00:38:22,320

worked on that together but um

1035

00:38:27,990 --> 00:38:25,359

she uh he had sent her this letter and

1036

00:38:33,349 --> 00:38:28,000

then she had got cancer and before she

1037

00:38:35,190 --> 00:38:33,359

died she sent his letter back to him um

1038

00:38:37,750 --> 00:38:35,200

because she was sorting out all her

1039

00:38:39,829 --> 00:38:37,760

papers before she passed away um and

1040

00:38:41,829 --> 00:38:39,839

then he put his letter that he'd written

1041

00:38:45,750 --> 00:38:41,839

to her in with the stuff that he sent to

1042

00:38:46,870 --> 00:38:45,760

me so that's how i got it um and in the

1043

00:38:50,790 --> 00:38:46,880

letter

1044

00:38:53,910 --> 00:38:50,800

he was telling her about how

1045

00:38:55,190 --> 00:38:53,920

he received a job offer from nasa

1046

00:38:57,510 --> 00:38:55,200

to

1047

00:38:59,829 --> 00:38:57,520

help another person

1048

00:39:01,349 --> 00:38:59,839

interpret the aliens language

1049

00:39:04,550 --> 00:39:01,359

and i don't know whether that's true or

1050

00:39:06,470 --> 00:39:04,560

not um and i don't know whether he was

1051

00:39:08,630 --> 00:39:06,480

trying to

1052

00:39:10,470 --> 00:39:08,640

you know put some disinformation into

1053

00:39:12,069 --> 00:39:10,480

the field and and he was trying to do it

1054

00:39:13,910 --> 00:39:12,079

through her and

1055

00:39:16,310 --> 00:39:13,920

um or where and then whether he was

1056

00:39:18,870 --> 00:39:16,320

trying to do it through me by sending me

1057

00:39:21,349 --> 00:39:18,880

that letter in with his papers um or

1058

00:39:22,150 --> 00:39:21,359

whether it's true i don't know

1059

00:39:23,270 --> 00:39:22,160

um

1060

00:39:25,510 --> 00:39:23,280

and then

1061

00:39:28,310 --> 00:39:25,520

he had in the letter he said the name of

1062

00:39:31,829 --> 00:39:28,320

the other person um and so i've done a

1063

00:39:34,470 --> 00:39:31,839

little bit of research on that person

1064

00:39:35,589 --> 00:39:34,480

and sit after the book came out my book

1065

00:39:37,670 --> 00:39:35,599

came out

1066

00:39:39,109 --> 00:39:37,680

so it's not in the book but i actually

1067

00:39:42,790 --> 00:39:39,119

found some

1068

00:39:45,430 --> 00:39:42,800

a person with that name who has

1069

00:39:47,990 --> 00:39:45,440

done some um

1070

00:39:50,870 --> 00:39:48,000

research that nasa probably would be

1071

00:39:53,829 --> 00:39:50,880

interested in and would have the kind of

1072

00:39:54,630 --> 00:39:53,839

background that could be useful for that

1073

00:39:57,510 --> 00:39:54,640

um

1074

00:39:59,589 --> 00:39:57,520

and so i don't know i i don't know what

1075

00:40:01,510 --> 00:39:59,599

to think about it so i just thought i'd

1076

00:40:02,710 --> 00:40:01,520

put it in the book because it's

1077

00:40:04,790 --> 00:40:02,720

something that might come out in the

1078

00:40:07,670 --> 00:40:04,800

future or it might be interesting to

1079

00:40:09,750 --> 00:40:07,680

someone else who knows about it uh but

1080

00:40:10,790 --> 00:40:09,760

if anybody knows anything about it i'd

1081

00:40:12,870 --> 00:40:10,800

love to

1082

00:40:14,870 --> 00:40:12,880

to hear it hear about it

1083

00:40:18,710 --> 00:40:14,880

yeah and it's and as far as as far as

1084

00:40:23,030 --> 00:40:18,720

you know he was offered a job mr a

1085

00:40:25,670 --> 00:40:23,040

to analyze alien language with mr r who

1086

00:40:27,430 --> 00:40:25,680

worked for nasa but it didn't happen as

1087

00:40:28,950 --> 00:40:27,440

far as you know that that never happened

1088

00:40:30,630 --> 00:40:28,960

he was just offered the job but he never

1089

00:40:32,230 --> 00:40:30,640

got the chance to do it

1090

00:40:34,150 --> 00:40:32,240

um i don't know

1091

00:40:36,069 --> 00:40:34,160

no idea because he never he never talked

1092

00:40:38,550 --> 00:40:36,079

to me about it himself and i don't know

1093

00:40:40,470 --> 00:40:38,560

anything else apart from that letter

1094

00:40:44,470 --> 00:40:40,480

that he wrote i mean he could have done

1095

00:40:46,069 --> 00:40:44,480

it um or i honestly don't know he also

1096

00:40:47,990 --> 00:40:46,079

claims that he was shown aliens they

1097

00:40:51,190 --> 00:40:48,000

have in an underground base

1098

00:40:53,430 --> 00:40:51,200

yeah i think he said that mr r was shown

1099

00:40:54,630 --> 00:40:53,440

an alien that they had

1100

00:40:56,150 --> 00:40:54,640

um

1101  
00:40:58,069 --> 00:40:56,160  
yeah so

1102  
00:40:59,910 --> 00:40:58,079  
yeah that would be yeah and there's

1103  
00:41:02,390 --> 00:40:59,920  
various stories like that out there did

1104  
00:41:05,349 --> 00:41:02,400  
you ever talk to mr a

1105  
00:41:08,309 --> 00:41:05,359  
um yeah i i i was in communication with

1106  
00:41:12,950 --> 00:41:10,870  
some of the things that he said

1107  
00:41:14,390 --> 00:41:12,960  
sometimes made me wonder whether he

1108  
00:41:17,589 --> 00:41:14,400  
might be

1109  
00:41:19,589 --> 00:41:17,599  
um in an intelligence agency

1110  
00:41:20,550 --> 00:41:19,599  
nothing over but just some of the things

1111  
00:41:22,630 --> 00:41:20,560  
he said

1112  
00:41:24,150 --> 00:41:22,640  
had made me wonder about that but i mean

1113  
00:41:25,270 --> 00:41:24,160

he never said that he was or anything

1114

00:41:28,230 --> 00:41:25,280

like that

1115

00:41:30,470 --> 00:41:28,240

so i don't know yeah

1116

00:41:33,670 --> 00:41:30,480

and and you focus on

1117

00:41:35,270 --> 00:41:33,680

various surveys which one of them really

1118

00:41:37,430 --> 00:41:35,280

is interesting to me because you're

1119

00:41:39,750 --> 00:41:37,440

talking about how experiences have

1120

00:41:41,990 --> 00:41:39,760

related phenomena um

1121

00:41:45,430 --> 00:41:42,000

including you talk about hopkins book

1122

00:41:48,390 --> 00:41:45,440

including seeing hooded figures and

1123

00:41:50,630 --> 00:41:48,400

you know jim semivam the former cia spy

1124

00:41:52,309 --> 00:41:50,640

um he had he had a hooded figure come

1125

00:41:54,069 --> 00:41:52,319

into his room walked through the wall

1126  
00:41:56,550 --> 00:41:54,079  
and at that same time one of his friends

1127  
00:41:58,710 --> 00:41:56,560  
down in florida had died that may have

1128  
00:42:01,750 --> 00:41:58,720  
may have been his friend who knows um

1129  
00:42:04,470 --> 00:42:01,760  
the timing was interesting i have i have

1130  
00:42:05,990 --> 00:42:04,480  
a my first ex-wife she and i have two

1131  
00:42:09,829 --> 00:42:06,000  
not seven

1132  
00:42:12,950 --> 00:42:09,839  
my first ex-wife she would have this

1133  
00:42:14,550 --> 00:42:12,960  
man in black stand over her bed from her

1134  
00:42:17,030 --> 00:42:14,560  
all throughout her childhood you could

1135  
00:42:19,990 --> 00:42:17,040  
not see his face wearing a black hat

1136  
00:42:21,750 --> 00:42:20,000  
like a black trench coat type of thing

1137  
00:42:24,230 --> 00:42:21,760  
um it's really common so can you just

1138  
00:42:25,990 --> 00:42:24,240

talk about how when you first realized

1139

00:42:29,430 --> 00:42:26,000

yeah related phenomena like that are

1140

00:42:31,510 --> 00:42:29,440

part of the experience or um

1141

00:42:32,710 --> 00:42:31,520

part of basically a lot of experiences

1142

00:42:34,230 --> 00:42:32,720

have that happen

1143

00:42:35,109 --> 00:42:34,240

in their lives

1144

00:42:41,670 --> 00:42:35,119

yeah

1145

00:42:45,109 --> 00:42:41,680

i have a chapter in the book about

1146

00:42:47,670 --> 00:42:45,119

um some surveys that were done on

1147

00:42:50,390 --> 00:42:47,680

experience surveys about anomalous

1148

00:42:51,670 --> 00:42:50,400

experiences um and

1149

00:42:53,190 --> 00:42:51,680

yeah i think

1150

00:42:56,630 --> 00:42:53,200

one of the things that came out of it i

1151  
00:42:58,390 --> 00:42:56,640  
think was how varied the experiences are

1152  
00:43:00,470 --> 00:42:58,400  
and it's not just

1153  
00:43:02,870 --> 00:43:00,480  
um alien abduction type experiences it's

1154  
00:43:05,430 --> 00:43:02,880  
the whole sort of paranormal world but

1155  
00:43:07,750 --> 00:43:05,440  
also you can sort of see

1156  
00:43:09,030 --> 00:43:07,760  
that there is a kind of commonality to

1157  
00:43:10,550 --> 00:43:09,040  
them as well

1158  
00:43:13,030 --> 00:43:10,560  
um

1159  
00:43:15,510 --> 00:43:13,040  
and i found that interesting it it it

1160  
00:43:18,069 --> 00:43:15,520  
spoke to me i think just saying that

1161  
00:43:20,870 --> 00:43:18,079  
yeah paranormal experiences are very

1162  
00:43:22,630 --> 00:43:20,880  
much part of the alien abduction

1163  
00:43:24,470 --> 00:43:22,640

experience and

1164

00:43:25,349 --> 00:43:24,480

they seem to be linked

1165

00:43:27,750 --> 00:43:25,359

um

1166

00:43:28,630 --> 00:43:27,760

and

1167

00:43:30,710 --> 00:43:28,640

yeah

1168

00:43:32,790 --> 00:43:30,720

um that it's it's

1169

00:43:35,030 --> 00:43:32,800

a very strange phenomenon it's something

1170

00:43:37,910 --> 00:43:35,040

that we we really don't understand at

1171

00:43:42,150 --> 00:43:37,920

this point um they seem to be you know

1172

00:43:47,030 --> 00:43:45,109

reality is definitely you know

1173

00:43:48,550 --> 00:43:47,040

not the way our culture currently

1174

00:43:50,790 --> 00:43:48,560

understands it which is not surprising

1175

00:43:53,910 --> 00:43:50,800

because we're very early on in the human

1176  
00:43:55,829 --> 00:43:53,920  
timeline so we know very little um and

1177  
00:43:57,270 --> 00:43:55,839  
that's partly why

1178  
00:43:58,710 --> 00:43:57,280  
i think anonymous experiences are

1179  
00:44:01,510 --> 00:43:58,720  
interesting because they're like a

1180  
00:44:02,790 --> 00:44:01,520  
window into things we've yet to learn

1181  
00:44:04,390 --> 00:44:02,800  
about

1182  
00:44:05,510 --> 00:44:04,400  
which is interesting

1183  
00:44:08,630 --> 00:44:05,520  
but yeah there's definitely

1184  
00:44:09,750 --> 00:44:08,640  
commonalities and also a very wide

1185  
00:44:13,829 --> 00:44:09,760  
um

1186  
00:44:15,430 --> 00:44:13,839  
array of types of experiences as well

1187  
00:44:17,510 --> 00:44:15,440  
and then yeah and you you hit on it

1188  
00:44:19,990 --> 00:44:17,520

right there reality is so much different

1189

00:44:21,589 --> 00:44:20,000

than we realized that i think

1190

00:44:22,390 --> 00:44:21,599

you know people talk about well will

1191

00:44:24,390 --> 00:44:22,400

people

1192

00:44:26,870 --> 00:44:24,400

will the mainstream scientists will the

1193

00:44:28,630 --> 00:44:26,880

mainstream masses be able to hear handle

1194

00:44:30,870 --> 00:44:28,640

the fact that we're not alone but i

1195

00:44:33,190 --> 00:44:30,880

think the bigger question is

1196

00:44:35,430 --> 00:44:33,200

will people be able to handle that

1197

00:44:37,829 --> 00:44:35,440

reality is so different than what we

1198

00:44:41,109 --> 00:44:37,839

realized as far as my opinion what you

1199

00:44:42,470 --> 00:44:41,119

just said i think that's the case um

1200

00:44:43,670 --> 00:44:42,480

i don't know if people will be able to

1201

00:44:45,190 --> 00:44:43,680

handle it to tell you the truth my

1202

00:44:47,109 --> 00:44:45,200

family doesn't want to talk about it my

1203

00:44:48,790 --> 00:44:47,119

friends occasionally they'll talk about

1204

00:44:51,510 --> 00:44:48,800

it um

1205

00:44:53,910 --> 00:44:51,520

how do you feel about the the events

1206

00:44:55,349 --> 00:44:53,920

that have happened since 2017 because

1207

00:44:57,910 --> 00:44:55,359

more people are speaking about it we're

1208

00:44:59,910 --> 00:44:57,920

seeing media a ton of media it's not as

1209

00:45:01,349 --> 00:44:59,920

much as i would expect when we have in

1210

00:45:03,349 --> 00:45:01,359

our country we have

1211

00:45:05,270 --> 00:45:03,359

our senate you know they put language

1212

00:45:06,950 --> 00:45:05,280

the congress has put language

1213

00:45:09,030 --> 00:45:06,960

dealing with ufos and dealing with

1214

00:45:11,109 --> 00:45:09,040

whistleblowers so they can come forward

1215

00:45:14,390 --> 00:45:11,119

and the media response has been very

1216

00:45:16,710 --> 00:45:14,400

muted so how do you feel overall about

1217

00:45:18,150 --> 00:45:16,720

the progress we've made since 2017

1218

00:45:19,589 --> 00:45:18,160

because a lot of people there are people

1219

00:45:20,870 --> 00:45:19,599

who don't think we felt we've made

1220

00:45:22,630 --> 00:45:20,880

progress and there are other people who

1221

00:45:24,390 --> 00:45:22,640

are like ah we've been there done that

1222

00:45:25,430 --> 00:45:24,400

so how do you feel about it

1223

00:45:27,829 --> 00:45:25,440

um

1224

00:45:28,630 --> 00:45:27,839

i think it's two steps forward one step

1225

00:45:30,150 --> 00:45:28,640

back

1226  
00:45:32,550 --> 00:45:30,160  
um

1227  
00:45:35,030 --> 00:45:32,560  
yeah i think

1228  
00:45:35,990 --> 00:45:35,040  
um it's interesting that

1229  
00:45:37,829 --> 00:45:36,000  
i've been

1230  
00:45:40,950 --> 00:45:37,839  
sort of following what's been happening

1231  
00:45:43,349 --> 00:45:40,960  
in the us with you know sort of

1232  
00:45:46,230 --> 00:45:43,359  
releasing some videos and and of course

1233  
00:45:48,870 --> 00:45:46,240  
all the controversy that's around that i

1234  
00:45:50,390 --> 00:45:48,880  
don't know a lot about it um

1235  
00:45:53,349 --> 00:45:50,400  
i did read

1236  
00:45:56,390 --> 00:45:53,359  
the pentagon report i think i think what

1237  
00:45:57,589 --> 00:45:56,400  
my my take when i read it was

1238  
00:46:02,870 --> 00:45:57,599

that

1239

00:46:05,670 --> 00:46:02,880

they don't fully understand and they

1240

00:46:07,910 --> 00:46:05,680

need data to understand them but they're

1241

00:46:09,589 --> 00:46:07,920

being hampered

1242

00:46:11,670 --> 00:46:09,599

in collecting that data because there's

1243

00:46:13,670 --> 00:46:11,680

so much stigma in the ufo field that

1244

00:46:15,630 --> 00:46:13,680

people are reluctant to report what

1245

00:46:17,430 --> 00:46:15,640

they've seen and so they're trying to

1246

00:46:19,190 --> 00:46:17,440

destigmatize it

1247

00:46:22,069 --> 00:46:19,200

um

1248

00:46:23,670 --> 00:46:22,079

and that's the way that they will try

1249

00:46:25,430 --> 00:46:23,680

and encourage people to report what

1250

00:46:27,589 --> 00:46:25,440

they've seen so that they can then study

1251  
00:46:30,069 --> 00:46:27,599  
them and figure out what they are that

1252  
00:46:32,230 --> 00:46:30,079  
was my kind of understanding of it from

1253  
00:46:34,390 --> 00:46:32,240  
the report um

1254  
00:46:37,510 --> 00:46:34,400  
but i think any discussion really is

1255  
00:46:38,550 --> 00:46:37,520  
helpful um because there's always going

1256  
00:46:40,870 --> 00:46:38,560  
to be

1257  
00:46:43,109 --> 00:46:40,880  
controversy and fight back and so on and

1258  
00:46:44,710 --> 00:46:43,119  
so forth but at the end of the day

1259  
00:46:47,349 --> 00:46:44,720  
i mean

1260  
00:46:49,750 --> 00:46:47,359  
people see ufos all the time and there

1261  
00:46:51,670 --> 00:46:49,760  
must be you know it's something that we

1262  
00:46:52,550 --> 00:46:51,680  
don't understand and

1263  
00:46:55,270 --> 00:46:52,560

um

1264

00:46:57,430 --> 00:46:55,280

eventually hopefully it means that

1265

00:46:58,950 --> 00:46:57,440

it will lead to studies where we start

1266

00:47:01,670 --> 00:46:58,960

to understand a bit more about what's

1267

00:47:03,510 --> 00:47:01,680

going on so i see it as quite a positive

1268

00:47:04,470 --> 00:47:03,520

step

1269

00:47:06,230 --> 00:47:04,480

although

1270

00:47:08,309 --> 00:47:06,240

anything to do with intelligence

1271

00:47:10,230 --> 00:47:08,319

agencies i'm always careful you know

1272

00:47:11,670 --> 00:47:10,240

that they might be doing something else

1273

00:47:14,309 --> 00:47:11,680

and it's a cover for something else and

1274

00:47:16,069 --> 00:47:14,319

always keep that in mind but yeah i

1275

00:47:18,710 --> 00:47:16,079

think it's it's it's

1276

00:47:21,190 --> 00:47:18,720

a good step forward but obviously

1277

00:47:22,870 --> 00:47:21,200

controversial yeah you see that and

1278

00:47:25,190 --> 00:47:22,880

think to yourself you know what if this

1279

00:47:27,349 --> 00:47:25,200

is finally accepted as reality and

1280

00:47:29,349 --> 00:47:27,359

people the masses accept that there's

1281

00:47:31,829 --> 00:47:29,359

something something we don't know what

1282

00:47:33,990 --> 00:47:31,839

it is anomalous here then i could say

1283

00:47:36,550 --> 00:47:34,000

you see i've been telling you about my

1284

00:47:38,790 --> 00:47:36,560

anomalous experiences my entire life now

1285

00:47:41,030 --> 00:47:38,800

you can see i wasn't lying is there a

1286

00:47:42,309 --> 00:47:41,040

part of you that would just love i mean

1287

00:47:44,230 --> 00:47:42,319

i'm sure you would love for it to happen

1288

00:47:46,069 --> 00:47:44,240

but do you think of that like the future

1289

00:47:46,950 --> 00:47:46,079

maybe that'll happen

1290

00:47:52,470 --> 00:47:46,960

um

1291

00:47:53,270 --> 00:47:52,480

a lot of hope in my lifetime

1292

00:47:55,030 --> 00:47:53,280

um

1293

00:47:56,550 --> 00:47:55,040

yeah

1294

00:47:57,990 --> 00:47:56,560

maybe

1295

00:48:00,550 --> 00:47:58,000

the same way i'm the same way i'm

1296

00:48:02,550 --> 00:48:00,560

excited about it i but then i come back

1297

00:48:03,990 --> 00:48:02,560

down to reality and i see the pushback

1298

00:48:05,430 --> 00:48:04,000

that's going on and

1299

00:48:06,550 --> 00:48:05,440

i don't know i don't know if things will

1300

00:48:08,230 --> 00:48:06,560

happen i don't know if it'll happen in

1301

00:48:10,230 --> 00:48:08,240

my lifetime i don't know if it'll happen

1302

00:48:12,630 --> 00:48:10,240

at all i mean it'll happen one day i

1303

00:48:13,829 --> 00:48:12,640

would hope in our lifetimes it'll happen

1304

00:48:16,069 --> 00:48:13,839

um

1305

00:48:17,990 --> 00:48:16,079

but we'll see and another thing we

1306

00:48:19,270 --> 00:48:18,000

talked about online and various people

1307

00:48:21,030 --> 00:48:19,280

have talked about it it's really not

1308

00:48:22,390 --> 00:48:21,040

controversial to me but

1309

00:48:25,349 --> 00:48:22,400

in your opinion

1310

00:48:26,549 --> 00:48:25,359

can an experimenter who has had whatever

1311

00:48:28,630 --> 00:48:26,559

type of experience whether it's

1312

00:48:30,150 --> 00:48:28,640

abduction or or anything or something

1313

00:48:32,230 --> 00:48:30,160

comes in the house and

1314

00:48:34,150 --> 00:48:32,240

the experience is anomalous can they

1315

00:48:35,270 --> 00:48:34,160

realistically in your opinion call the

1316

00:48:38,230 --> 00:48:35,280

police

1317

00:48:40,710 --> 00:48:38,240

um well no i wouldn't um

1318

00:48:44,390 --> 00:48:40,720

because

1319

00:48:46,390 --> 00:48:44,400

it's completely taboo in our society and

1320

00:48:49,270 --> 00:48:46,400

experiences are just on the fringe you

1321

00:48:51,270 --> 00:48:49,280

know we're marginalized and if you go

1322

00:48:53,829 --> 00:48:51,280

and call the police and say

1323

00:48:55,750 --> 00:48:53,839

x y z has happened they're just going to

1324

00:48:57,990 --> 00:48:55,760

think you're mad and they're not going

1325

00:49:01,190 --> 00:48:58,000

to help it's pointless and it's going to

1326  
00:49:03,349 --> 00:49:01,200  
cause more problems for you because

1327  
00:49:06,390 --> 00:49:03,359  
now you've got this label on on you on

1328  
00:49:08,150 --> 00:49:06,400  
top of of everything else um

1329  
00:49:10,309 --> 00:49:08,160  
and so i i would guess that most

1330  
00:49:12,950 --> 00:49:10,319  
experiences understand that you know

1331  
00:49:15,430 --> 00:49:12,960  
it's very marginalized and not accepted

1332  
00:49:17,430 --> 00:49:15,440  
and it's something that i don't see most

1333  
00:49:20,790 --> 00:49:17,440  
experiences ever doing i certainly

1334  
00:49:21,750 --> 00:49:20,800  
wouldn't do it um yeah i mean it's one

1335  
00:49:24,309 --> 00:49:21,760  
of the

1336  
00:49:26,710 --> 00:49:24,319  
situations i think where people end up

1337  
00:49:27,750 --> 00:49:26,720  
in ufology looking for answers and help

1338  
00:49:29,670 --> 00:49:27,760

because

1339

00:49:32,470 --> 00:49:29,680

there aren't those avenues you know that

1340

00:49:34,150 --> 00:49:32,480

you can't do it um or if you did you

1341

00:49:35,829 --> 00:49:34,160

know you likely to

1342

00:49:37,750 --> 00:49:35,839

what can they do there's nothing they

1343

00:49:40,150 --> 00:49:37,760

can do even if they were sympathetic and

1344

00:49:42,549 --> 00:49:40,160

open-minded there's nothing they can do

1345

00:49:44,470 --> 00:49:42,559

um yeah so

1346

00:49:46,710 --> 00:49:44,480

well yeah in this in our country it's

1347

00:49:48,950 --> 00:49:46,720

even difficult for rape

1348

00:49:50,790 --> 00:49:48,960

survivors to come forward because police

1349

00:49:53,510 --> 00:49:50,800

don't believe them because

1350

00:49:54,950 --> 00:49:53,520

trauma causes such it's the reactions

1351

00:49:57,030 --> 00:49:54,960

from trauma which i've read about

1352

00:49:59,430 --> 00:49:57,040

because i did i did study rape cases

1353

00:50:01,270 --> 00:49:59,440

where there are there are survivors who

1354

00:50:02,870 --> 00:50:01,280

go to the police and they'll start

1355

00:50:05,109 --> 00:50:02,880

laughing as they tell their story and

1356

00:50:07,030 --> 00:50:05,119

the cops like the police officer is like

1357

00:50:08,790 --> 00:50:07,040

this is obviously not a serious case if

1358

00:50:11,109 --> 00:50:08,800

the person is laughing but that's just

1359

00:50:12,870 --> 00:50:11,119

how trauma trauma affects people

1360

00:50:13,750 --> 00:50:12,880

differently so yeah

1361

00:50:15,750 --> 00:50:13,760

um

1362

00:50:17,510 --> 00:50:15,760

so how is your family now if you bring

1363

00:50:19,349 --> 00:50:17,520

this up do they want to talk to do they

1364

00:50:21,270 --> 00:50:19,359

want to talk about it with you are they

1365

00:50:22,630 --> 00:50:21,280

interested in what's going on what about

1366

00:50:26,390 --> 00:50:22,640

your husband

1367

00:50:27,750 --> 00:50:26,400

um my wilder family i don't talk about

1368

00:50:29,589 --> 00:50:27,760

it i mean

1369

00:50:31,270 --> 00:50:29,599

they know some of them know about it but

1370

00:50:33,910 --> 00:50:31,280

i don't we don't it's not a kind of

1371

00:50:35,270 --> 00:50:33,920

ongoing discussion uh my husband knows

1372

00:50:38,309 --> 00:50:35,280

about it because

1373

00:50:43,270 --> 00:50:38,319

um we live together and he's seen some

1374

00:50:44,630 --> 00:50:43,280

things um so he finds it interesting

1375

00:50:46,630 --> 00:50:44,640

but he's not

1376

00:50:48,230 --> 00:50:46,640

he's not he doesn't see himself as an

1377

00:50:49,910 --> 00:50:48,240

experiencer and

1378

00:50:52,390 --> 00:50:49,920

it's not something that

1379

00:50:54,950 --> 00:50:52,400

you know he's particularly interested in

1380

00:50:57,190 --> 00:50:54,960

but he's come to understand by living

1381

00:50:59,430 --> 00:50:57,200

with me that there is something there

1382

00:51:00,630 --> 00:50:59,440

and he finds that interesting

1383

00:51:02,309 --> 00:51:00,640

um

1384

00:51:03,990 --> 00:51:02,319

yeah so

1385

00:51:05,750 --> 00:51:04,000

it's not something that i talk about

1386

00:51:08,630 --> 00:51:05,760

with people you know

1387

00:51:10,790 --> 00:51:08,640

regularly or anything like that but

1388

00:51:12,390 --> 00:51:10,800

yeah yeah so did he know

1389

00:51:14,470 --> 00:51:12,400

you guys met

1390

00:51:15,990 --> 00:51:14,480

before you before you are you married

1391

00:51:18,470 --> 00:51:16,000

yeah you're married obviously before

1392

00:51:20,230 --> 00:51:18,480

you're married did he know i mean before

1393

00:51:21,910 --> 00:51:20,240

you started dating when when in the

1394

00:51:23,829 --> 00:51:21,920

process did he realize that you were

1395

00:51:25,510 --> 00:51:23,839

having anomalous experiences and then

1396

00:51:28,470 --> 00:51:25,520

when did he have his first experience

1397

00:51:29,910 --> 00:51:28,480

and how what was his reaction to that

1398

00:51:31,349 --> 00:51:29,920

um

1399

00:51:34,829 --> 00:51:31,359

well

1400

00:51:36,390 --> 00:51:34,839

he started to see things very early on

1401  
00:51:38,069 --> 00:51:36,400  
um

1402  
00:51:43,750 --> 00:51:38,079  
so

1403  
00:51:45,990 --> 00:51:43,760  
gradually talked to him about

1404  
00:51:47,990 --> 00:51:46,000  
stuff that's happened in the past and

1405  
00:51:50,950 --> 00:51:48,000  
things like that and then you know he's

1406  
00:51:52,790 --> 00:51:50,960  
just sort of over time seen things

1407  
00:51:55,589 --> 00:51:52,800  
himself

1408  
00:52:00,549 --> 00:51:58,390  
yeah it's it surprises him he's quite a

1409  
00:52:01,829 --> 00:52:00,559  
skeptical person he didn't have any

1410  
00:52:03,109 --> 00:52:01,839  
interest in

1411  
00:52:04,549 --> 00:52:03,119  
you know

1412  
00:52:06,950 --> 00:52:04,559  
in an abduction anything like that

1413  
00:52:10,069 --> 00:52:06,960

before we met but

1414

00:52:12,069 --> 00:52:10,079

um he is quite an open-minded person um

1415

00:52:15,190 --> 00:52:12,079

but he's also sort of a fairly skeptical

1416

00:52:16,230 --> 00:52:15,200

person he's got a science background um

1417

00:52:18,309 --> 00:52:16,240

so

1418

00:52:20,950 --> 00:52:18,319

i think if he wasn't with me and he

1419

00:52:23,190 --> 00:52:20,960

hadn't seen things himself

1420

00:52:25,990 --> 00:52:23,200

well i mean he was just quite dismissive

1421

00:52:27,990 --> 00:52:26,000

of the whole thing but now he's

1422

00:52:31,990 --> 00:52:28,000

he sort of realized that yeah there is

1423

00:52:33,750 --> 00:52:32,000

something there um but he's he also has

1424

00:52:35,430 --> 00:52:33,760

a sort of a neutral view but like my

1425

00:52:37,750 --> 00:52:35,440

therapist you know we don't know what it

1426

00:52:39,190 --> 00:52:37,760

is but yeah he sort of realized that

1427

00:52:40,870 --> 00:52:39,200

yeah there's there is something there

1428

00:52:42,790 --> 00:52:40,880

and he's seen some things he actually

1429

00:52:43,990 --> 00:52:42,800

wrote a chapter in my book

1430

00:52:45,670 --> 00:52:44,000

um

1431

00:52:48,630 --> 00:52:45,680

where he just talked about some of the

1432

00:52:51,750 --> 00:52:48,640

things that he had seen which was very

1433

00:52:53,670 --> 00:52:51,760

good of him to do that but yeah

1434

00:52:55,030 --> 00:52:53,680

are you working with the therapist now

1435

00:52:56,309 --> 00:52:55,040

on dealing with your anomalous

1436

00:52:59,190 --> 00:52:56,319

experiences

1437

00:53:01,190 --> 00:52:59,200

no no okay

1438

00:53:02,230 --> 00:53:01,200

yeah i don't feel the need for that

1439

00:53:05,270 --> 00:53:02,240

support

1440

00:53:07,109 --> 00:53:05,280

um anymore i've i feel like

1441

00:53:09,430 --> 00:53:07,119

um i kind of

1442

00:53:11,750 --> 00:53:09,440

i've got such i've got it in a situation

1443

00:53:13,430 --> 00:53:11,760

now where i can just live and be fine be

1444

00:53:17,030 --> 00:53:13,440

fine with it

1445

00:53:18,790 --> 00:53:17,040

yeah good um i'm glad to hear that

1446

00:53:21,589 --> 00:53:18,800

your opinion what are we dealing with

1447

00:53:23,109 --> 00:53:21,599

one intelligence multiple intelligences

1448

00:53:24,630 --> 00:53:23,119

a whole bunch of different things going

1449

00:53:25,910 --> 00:53:24,640

on

1450

00:53:28,150 --> 00:53:25,920

probably a whole bunch of different

1451  
00:53:29,589 --> 00:53:28,160  
things going on

1452  
00:53:31,109 --> 00:53:29,599  
wouldn't surprise me if there's

1453  
00:53:32,950 --> 00:53:31,119  
intelligent life elsewhere in the

1454  
00:53:34,470 --> 00:53:32,960  
universe wouldn't surprise me at all if

1455  
00:53:36,630 --> 00:53:34,480  
they're coming here and that's some of

1456  
00:53:39,349 --> 00:53:36,640  
it

1457  
00:53:41,510 --> 00:53:39,359  
wouldn't surprise me if there are other

1458  
00:53:43,670 --> 00:53:41,520  
dimensions or just reality is just

1459  
00:53:45,109 --> 00:53:43,680  
completely different to how we

1460  
00:53:48,390 --> 00:53:45,119  
understand it

1461  
00:53:49,750 --> 00:53:48,400  
so probably a whole lot of things

1462  
00:53:53,030 --> 00:53:49,760  
there's probably a whole lot of things

1463  
00:53:55,670 --> 00:53:53,040

mixed together which

1464

00:53:57,589 --> 00:53:55,680

we kind of group in the paranormal

1465

00:54:00,150 --> 00:53:57,599

umbrella but they probably have all

1466

00:54:01,829 --> 00:54:00,160

different causes would be my guess

1467

00:54:03,990 --> 00:54:01,839

but yeah

1468

00:54:05,829 --> 00:54:04,000

speaking of all kind of different things

1469

00:54:07,589 --> 00:54:05,839

in your book you talk about

1470

00:54:09,190 --> 00:54:07,599

which really intrigued me metallic

1471

00:54:11,270 --> 00:54:09,200

plasma

1472

00:54:12,950 --> 00:54:11,280

in bed at night can you talk about that

1473

00:54:14,630 --> 00:54:12,960

a little bit because that was uh because

1474

00:54:16,470 --> 00:54:14,640

i've read stuff i've had friends talk

1475

00:54:17,910 --> 00:54:16,480

about plasma and it's kind of new to me

1476  
00:54:20,390 --> 00:54:17,920  
and just tell me what you experienced

1477  
00:54:22,710 --> 00:54:20,400  
related to that yeah just sometimes when

1478  
00:54:26,150 --> 00:54:22,720  
i'm in bed um

1479  
00:54:28,230 --> 00:54:26,160  
it doesn't happen so much now but um

1480  
00:54:31,109 --> 00:54:28,240  
i will just see this

1481  
00:54:32,309 --> 00:54:31,119  
it looks like cobwebby but with a slight

1482  
00:54:33,829 --> 00:54:32,319  
kind of

1483  
00:54:36,230 --> 00:54:33,839  
glimmer on it

1484  
00:54:39,190 --> 00:54:36,240  
floating in my room

1485  
00:54:42,309 --> 00:54:39,200  
um and it usually floats over to the

1486  
00:54:45,349 --> 00:54:42,319  
wall up like to an exterior wall or to a

1487  
00:54:46,790 --> 00:54:45,359  
window and then it disappears um

1488  
00:54:48,549 --> 00:54:46,800

and then

1489

00:54:49,990 --> 00:54:48,559

i just sort of thought that was i didn't

1490

00:54:51,589 --> 00:54:50,000

really think about it and then one day i

1491

00:54:52,549 --> 00:54:51,599

just sort of realized it probably wasn't

1492

00:54:53,510 --> 00:54:52,559

normal

1493

00:54:54,870 --> 00:54:53,520

um

1494

00:54:56,390 --> 00:54:54,880

and then

1495

00:54:57,990 --> 00:54:56,400

yeah i just sort of realized you know

1496

00:55:00,470 --> 00:54:58,000

that that wasn't actually probably

1497

00:55:02,950 --> 00:55:00,480

normal but um and then

1498

00:55:05,190 --> 00:55:02,960

sometimes i've woken like once i came

1499

00:55:06,950 --> 00:55:05,200

round and there was one i was just lying

1500

00:55:08,950 --> 00:55:06,960

on my bed completely paralyzed and there

1501  
00:55:11,349 --> 00:55:08,960  
was one above my abdomen and it just

1502  
00:55:14,390 --> 00:55:11,359  
sort of rose up and then it floated over

1503  
00:55:17,270 --> 00:55:14,400  
to the wall and disappeared um

1504  
00:55:19,190 --> 00:55:17,280  
so and then i saw one of them

1505  
00:55:21,670 --> 00:55:19,200  
all of them i've seen in the dark except

1506  
00:55:23,670 --> 00:55:21,680  
for one that i saw with the light on and

1507  
00:55:26,870 --> 00:55:23,680  
there at that one and had like a it was

1508  
00:55:29,270 --> 00:55:26,880  
like a silvery metallic kind of

1509  
00:55:31,510 --> 00:55:29,280  
plasma looking thing had a kind of a

1510  
00:55:32,630 --> 00:55:31,520  
glow or a shine on it

1511  
00:55:37,750 --> 00:55:32,640  
um

1512  
00:55:39,910 --> 00:55:37,760  
you think does it come across as being

1513  
00:55:41,109 --> 00:55:39,920

intelligently guided

1514

00:55:44,390 --> 00:55:41,119

controlled

1515

00:55:46,390 --> 00:55:44,400

i didn't pick up an intelligence from it

1516

00:55:48,870 --> 00:55:46,400

but i did

1517

00:55:50,309 --> 00:55:48,880

um

1518

00:55:52,309 --> 00:55:50,319

i had a kind of

1519

00:55:54,150 --> 00:55:52,319

i wouldn't even know how to describe it

1520

00:55:56,150 --> 00:55:54,160

like an awareness

1521

00:55:59,109 --> 00:55:56,160

that i shouldn't move

1522

00:56:00,789 --> 00:55:59,119

when they're there although i'm

1523

00:56:02,630 --> 00:56:00,799

you know paralyzed when they're there

1524

00:56:04,390 --> 00:56:02,640

but awesome it's interesting why do you

1525

00:56:06,710 --> 00:56:04,400

think you know it's almost like and when

1526

00:56:08,470 --> 00:56:06,720

i saw that that you're paralyzed it

1527

00:56:10,390 --> 00:56:08,480

almost was like

1528

00:56:11,990 --> 00:56:10,400

don't touch us don't come near us we're

1529

00:56:13,589 --> 00:56:12,000

gonna paralyze you so you don't get

1530

00:56:14,230 --> 00:56:13,599

injured because there are people who

1531

00:56:16,230 --> 00:56:14,240

have

1532

00:56:19,270 --> 00:56:16,240

getting injured from from that type of

1533

00:56:20,230 --> 00:56:19,280

orb i'll call it an orb okay

1534

00:56:21,109 --> 00:56:20,240

right

1535

00:56:21,910 --> 00:56:21,119

um

1536

00:56:26,230 --> 00:56:21,920

yeah

1537

00:56:28,069 --> 00:56:26,240

awareness that i'm not supposed to move

1538

00:56:30,710 --> 00:56:28,079

and then you know being paralyzed so i

1539

00:56:31,430 --> 00:56:30,720

can't move i mean maybe that is what it

1540

00:56:33,030 --> 00:56:31,440

is

1541

00:56:33,910 --> 00:56:33,040

i've never actually heard of anybody

1542

00:56:35,510 --> 00:56:33,920

else

1543

00:56:37,190 --> 00:56:35,520

seeing that plasma like that so i'm

1544

00:56:38,710 --> 00:56:37,200

interested that you've actually so did

1545

00:56:41,109 --> 00:56:38,720

you say that you've actually talked to

1546

00:56:43,030 --> 00:56:41,119

others who have seen that well i don't

1547

00:56:45,349 --> 00:56:43,040

know if they would call it a plasma but

1548

00:56:46,789 --> 00:56:45,359

in the in the george knapp keller her

1549

00:56:48,470 --> 00:56:46,799

column keller her book there are people

1550

00:56:50,710 --> 00:56:48,480

who have had the orbs

1551  
00:56:53,030 --> 00:56:50,720  
um in their homes you have people who

1552  
00:56:54,309 --> 00:56:53,040  
experience orbs out driving in the car

1553  
00:56:56,150 --> 00:56:54,319  
one

1554  
00:56:57,910 --> 00:56:56,160  
this daughter was driving with her dad

1555  
00:57:00,069 --> 00:56:57,920  
she noticed these orbs in a field as

1556  
00:57:01,829 --> 00:57:00,079  
soon as she noticed them they came up to

1557  
00:57:05,589 --> 00:57:01,839  
the car in the car went through her

1558  
00:57:07,109 --> 00:57:05,599  
dad's arm he wound up getting cancer um

1559  
00:57:08,950 --> 00:57:07,119  
although that night he had a dream where

1560  
00:57:10,950 --> 00:57:08,960  
they said don't worry we'll fix this but

1561  
00:57:12,710 --> 00:57:10,960  
they didn't fix it because he got cancer

1562  
00:57:14,789 --> 00:57:12,720  
she went home to the east coast to

1563  
00:57:15,910 --> 00:57:14,799

connecticut that happened in oregon she

1564

00:57:17,190 --> 00:57:15,920

went home to the east coast in

1565

00:57:19,030 --> 00:57:17,200

connecticut and started having an

1566

00:57:21,510 --> 00:57:19,040

explosion of poltergeist like

1567

00:57:24,309 --> 00:57:21,520

poltergeist like activity shadow being

1568

00:57:25,270 --> 00:57:24,319

standing over her bed um orbs in the

1569

00:57:27,589 --> 00:57:25,280

house

1570

00:57:29,270 --> 00:57:27,599

uh you know stuff like that which is

1571

00:57:30,710 --> 00:57:29,280

it's happening and that's what that book

1572

00:57:33,270 --> 00:57:30,720

deals a lot with people who went to

1573

00:57:36,230 --> 00:57:33,280

skinwalker ranch they went home same

1574

00:57:39,190 --> 00:57:36,240

type of thing shadow beings orbs

1575

00:57:41,430 --> 00:57:39,200

poltergeist activity one woman she saw

1576

00:57:43,510 --> 00:57:41,440

this and it's it's very controversial

1577

00:57:45,829 --> 00:57:43,520

and it's hard to believe upright wolf

1578

00:57:47,510 --> 00:57:45,839

outside of her window her son saw it

1579

00:57:49,190 --> 00:57:47,520

separately her son's friend saw it

1580

00:57:51,910 --> 00:57:49,200

separately so the whole related

1581

00:57:53,990 --> 00:57:51,920

phenomena is such for me if we if we're

1582

00:57:55,670 --> 00:57:54,000

going to try to understand it we have to

1583

00:57:57,589 --> 00:57:55,680

look at all of that otherwise we have

1584

00:57:59,190 --> 00:57:57,599

zero we're just looking at what's in the

1585

00:58:01,510 --> 00:57:59,200

sky you know so

1586

00:58:04,470 --> 00:58:01,520

yeah it's definitely definitely um

1587

00:58:06,870 --> 00:58:04,480

really curious what those orbs or plasma

1588

00:58:07,829 --> 00:58:06,880

balls are i have no idea

1589

00:58:11,190 --> 00:58:07,839

yeah

1590

00:58:13,349 --> 00:58:11,200

no it's it's very interesting

1591

00:58:16,069 --> 00:58:13,359

gosh yeah yeah that sort of whole high

1592

00:58:17,990 --> 00:58:16,079

strangeness aspect is very much part of

1593

00:58:19,670 --> 00:58:18,000

the phenomenon and i think it's sort of

1594

00:58:21,430 --> 00:58:19,680

discrediting in a way because people

1595

00:58:23,030 --> 00:58:21,440

from who don't

1596

00:58:25,190 --> 00:58:23,040

live it can sort of think oh you know

1597

00:58:27,510 --> 00:58:25,200

this is absolutely ridiculous but there

1598

00:58:30,630 --> 00:58:27,520

is a sort of a high strangeness

1599

00:58:31,990 --> 00:58:30,640

aspect to it and yeah i i think we do

1600

00:58:33,670 --> 00:58:32,000

have to kind of

1601

00:58:36,630 --> 00:58:33,680

get to grips with that and sort of

1602

00:58:38,950 --> 00:58:36,640

realize whatever is going on

1603

00:58:40,870 --> 00:58:38,960

don't be sort of

1604

00:58:44,069 --> 00:58:40,880

don't be diverted by that it might

1605

00:58:45,430 --> 00:58:44,079

actually be part of the phenomenon yeah

1606

00:58:47,190 --> 00:58:45,440

yeah

1607

00:58:48,950 --> 00:58:47,200

i agree um

1608

00:58:50,630 --> 00:58:48,960

you and your husband have had

1609

00:58:52,230 --> 00:58:50,640

90 minutes of missing time is that

1610

00:58:54,870 --> 00:58:52,240

accurate

1611

00:58:57,349 --> 00:58:54,880

yeah we've had um

1612

00:58:58,309 --> 00:58:57,359

some experiences of missing time

1613

00:59:00,069 --> 00:58:58,319

um

1614

00:59:01,670 --> 00:59:00,079

there was once when we were in a house

1615

00:59:03,990 --> 00:59:01,680

and we're

1616

00:59:06,470 --> 00:59:04,000

looking after some kittens

1617

00:59:08,789 --> 00:59:06,480

and then i was in the lounge and i just

1618

00:59:10,630 --> 00:59:08,799

went out to get my camera which was in

1619

00:59:12,870 --> 00:59:10,640

the bedroom to come back and take a

1620

00:59:14,789 --> 00:59:12,880

photo of them and as i was walking to

1621

00:59:17,109 --> 00:59:14,799

get the camera it was like becoming

1622

00:59:20,150 --> 00:59:17,119

really hard to walk it's like walking

1623

00:59:22,549 --> 00:59:20,160

through water or treacle or something

1624

00:59:23,750 --> 00:59:22,559

and then i came back and took a photo

1625

00:59:24,870 --> 00:59:23,760

and then

1626  
00:59:26,150 --> 00:59:24,880  
um

1627  
00:59:29,750 --> 00:59:26,160  
my husband

1628  
00:59:31,829 --> 00:59:29,760  
just started feeling a bit unwell but he

1629  
00:59:34,069 --> 00:59:31,839  
had been fine before then and he went

1630  
00:59:35,190 --> 00:59:34,079  
into the kitchen to get a drink to see

1631  
00:59:36,710 --> 00:59:35,200  
that would make him feel better and he

1632  
00:59:37,589 --> 00:59:36,720  
looked at the time and they had been a

1633  
00:59:40,870 --> 00:59:37,599  
huge

1634  
00:59:42,630 --> 00:59:40,880  
um jump in time and then

1635  
00:59:44,150 --> 00:59:42,640  
later we went back and sort of pieced it

1636  
00:59:48,150 --> 00:59:44,160  
all together and we looked at the time

1637  
00:59:49,829 --> 00:59:48,160  
stamps um on the photos um and they were

1638  
00:59:51,910 --> 00:59:49,839

two period there was a big chunk of

1639

00:59:52,950 --> 00:59:51,920

missing time from between when i left

1640

00:59:54,789 --> 00:59:52,960

the room

1641

00:59:55,829 --> 00:59:54,799

to when i took the photo and then there

1642

00:59:58,230 --> 00:59:55,839

was another

1643

00:59:59,750 --> 00:59:58,240

chunk chunk of missing time between when

1644

01:00:01,910 --> 00:59:59,760

i took the photo and my husband went

1645

01:00:03,750 --> 01:00:01,920

into the kitchen um

1646

01:00:06,230 --> 01:00:03,760

yeah so that was

1647

01:00:08,789 --> 01:00:06,240

and that was fairly early on in our

1648

01:00:11,030 --> 01:00:08,799

um relationship so

1649

01:00:13,270 --> 01:00:11,040

yeah it was yeah we have had some

1650

01:00:15,109 --> 01:00:13,280

missing time yeah what did he think

1651  
01:00:16,870 --> 01:00:15,119  
about that how did that conversation go

1652  
01:00:17,910 --> 01:00:16,880  
because i would be like what the heck

1653  
01:00:19,109 --> 01:00:17,920  
just happened

1654  
01:00:20,870 --> 01:00:19,119  
yeah he's

1655  
01:00:23,109 --> 01:00:20,880  
really surprised he thinks that's the

1656  
01:00:25,109 --> 01:00:23,119  
strangest of all of the things that he

1657  
01:00:26,069 --> 01:00:25,119  
has seen yeah

1658  
01:00:28,630 --> 01:00:26,079  
um

1659  
01:00:31,750 --> 01:00:28,640  
yeah i think it it i mean it brought

1660  
01:00:34,390 --> 01:00:31,760  
home to him that this phenomenon there

1661  
01:00:36,390 --> 01:00:34,400  
is something happening um yeah because

1662  
01:00:37,750 --> 01:00:36,400  
he experienced it himself

1663  
01:00:40,230 --> 01:00:37,760

um

1664

01:00:42,230 --> 01:00:40,240

so he's quite a grounded person so it

1665

01:00:43,670 --> 01:00:42,240

didn't sort of destabilize or anything

1666

01:00:46,069 --> 01:00:43,680

like that but

1667

01:00:47,750 --> 01:00:46,079

um yeah it was one of the things that

1668

01:00:49,190 --> 01:00:47,760

really made him realize that yeah there

1669

01:00:51,750 --> 01:00:49,200

is something

1670

01:00:53,990 --> 01:00:51,760

something happening

1671

01:00:56,390 --> 01:00:54,000

you are able to make a compass move you

1672

01:00:58,630 --> 01:00:56,400

have pk ability

1673

01:01:01,030 --> 01:00:58,640

i wouldn't say that

1674

01:01:06,230 --> 01:01:03,430

i do

1675

01:01:07,349 --> 01:01:06,240

i have noticed that when there is a

1676  
01:01:10,150 --> 01:01:07,359  
compass

1677  
01:01:12,309 --> 01:01:10,160  
near me it deflects a little bit over to

1678  
01:01:14,230 --> 01:01:12,319  
the east

1679  
01:01:16,069 --> 01:01:14,240  
and actually my therapist found that

1680  
01:01:18,789 --> 01:01:16,079  
interesting and my therapist actually

1681  
01:01:20,549 --> 01:01:18,799  
tested that with me um

1682  
01:01:22,069 --> 01:01:20,559  
and he

1683  
01:01:23,430 --> 01:01:22,079  
got some

1684  
01:01:26,069 --> 01:01:23,440  
really

1685  
01:01:28,230 --> 01:01:26,079  
good compasses like oil-based compasses

1686  
01:01:29,589 --> 01:01:28,240  
and things like that and and it was

1687  
01:01:31,030 --> 01:01:29,599  
doing that

1688  
01:01:33,589 --> 01:01:31,040

um and then

1689

01:01:35,750 --> 01:01:33,599

he also

1690

01:01:37,430 --> 01:01:35,760

gave me a compass to keep in my

1691

01:01:39,430 --> 01:01:37,440

apartment and it just completely

1692

01:01:40,549 --> 01:01:39,440

destroyed the compass it didn't work

1693

01:01:42,789 --> 01:01:40,559

after that

1694

01:01:44,870 --> 01:01:42,799

um and then my husband

1695

01:01:46,390 --> 01:01:44,880

here in this house he

1696

01:01:48,549 --> 01:01:46,400

um did some

1697

01:01:50,789 --> 01:01:48,559

you know little tests and then and then

1698

01:01:52,870 --> 01:01:50,799

yeah when he put it near me it just

1699

01:01:54,950 --> 01:01:52,880

deflects about

1700

01:01:57,190 --> 01:01:54,960

um you know a little bit towards the

1701

01:01:59,430 --> 01:01:57,200

east but i don't do it i don't have any

1702

01:02:02,150 --> 01:01:59,440

pk ability or anything like that i don't

1703

01:02:03,990 --> 01:02:02,160

it's not something that i do it's just

1704

01:02:06,630 --> 01:02:04,000

something that happens when i'm around

1705

01:02:08,390 --> 01:02:06,640

compasses they are they just break down

1706

01:02:10,870 --> 01:02:08,400

or they just deflect slightly to the

1707

01:02:12,549 --> 01:02:10,880

east and i've i've never known you know

1708

01:02:13,990 --> 01:02:12,559

why that is

1709

01:02:17,030 --> 01:02:14,000

have you tried to have you tried

1710

01:02:20,390 --> 01:02:17,040

anything as far as any pk experiments

1711

01:02:23,270 --> 01:02:20,400

i have um i tried bending a key

1712

01:02:25,670 --> 01:02:23,280

um you know yuri gala style um

1713

01:02:28,230 --> 01:02:25,680

and i did it for about 15 minutes and

1714

01:02:30,390 --> 01:02:28,240

then nothing happened and i put it away

1715

01:02:32,150 --> 01:02:30,400

um and then i went to lock the door with

1716

01:02:35,270 --> 01:02:32,160

a key and it was a little bit bent where

1717

01:02:38,230 --> 01:02:35,280

i had done it so i don't know

1718

01:02:41,030 --> 01:02:38,240

whether that was delayed reaction or

1719

01:02:41,829 --> 01:02:41,040

just a weird coincidence of what it was

1720

01:02:43,430 --> 01:02:41,839

but

1721

01:02:45,829 --> 01:02:43,440

um i don't

1722

01:02:47,030 --> 01:02:45,839

believe that i have those abilities but

1723

01:02:49,109 --> 01:02:47,040

yeah i have

1724

01:02:51,349 --> 01:02:49,119

tried that have you ever ever tried to

1725

01:02:53,589 --> 01:02:51,359

do any remote viewing i took a i took a

1726

01:02:55,750 --> 01:02:53,599

couple of classes one with a former

1727

01:02:59,030 --> 01:02:55,760

remote viewer uh military guy lynn

1728

01:03:01,030 --> 01:02:59,040

buchanan and i was able to most of my

1729

01:03:02,710 --> 01:03:01,040

data was garbage but there were certain

1730

01:03:04,069 --> 01:03:02,720

things that like it just jumped out and

1731

01:03:07,030 --> 01:03:04,079

like obviously

1732

01:03:08,630 --> 01:03:07,040

somehow i acquired acquired the target i

1733

01:03:11,510 --> 01:03:08,640

think we all have that ability so have

1734

01:03:15,190 --> 01:03:12,309

um

1735

01:03:17,510 --> 01:03:15,200

i i agree i think we all probably have a

1736

01:03:20,390 --> 01:03:17,520

lot of these abilities but we just don't

1737

01:03:21,349 --> 01:03:20,400

know it um i

1738

01:03:23,750 --> 01:03:21,359

haven't

1739

01:03:26,230 --> 01:03:23,760

done anything like you know a course or

1740

01:03:29,029 --> 01:03:26,240

remote viewing or anything like that i i

1741

01:03:31,270 --> 01:03:29,039

have premonitions of things and i wonder

1742

01:03:34,309 --> 01:03:31,280

whether that's a form of remote viewing

1743

01:03:35,050 --> 01:03:34,319

but it's spontaneous um i don't control

1744

01:03:36,470 --> 01:03:35,060

it um

1745

01:03:39,029 --> 01:03:36,480

[Music]

1746

01:03:40,870 --> 01:03:39,039

i'd be interested to do it but

1747

01:03:43,270 --> 01:03:40,880

i haven't you know

1748

01:03:45,750 --> 01:03:43,280

done any like you know formal kind of

1749

01:03:47,430 --> 01:03:45,760

things to do with that no

1750

01:03:49,109 --> 01:03:47,440

you did have one experience where you

1751

01:03:50,390 --> 01:03:49,119

thought the person had died you had just

1752

01:03:52,870 --> 01:03:50,400

showed up at their house i'm not sure

1753

01:03:54,470 --> 01:03:52,880

how old you were um

1754

01:03:55,750 --> 01:03:54,480

you knew and i've had had two

1755

01:03:57,029 --> 01:03:55,760

experiences like that one when i was

1756

01:03:58,789 --> 01:03:57,039

younger i had a dream that my

1757

01:04:01,190 --> 01:03:58,799

schoolmate's mom died i knew nothing

1758

01:04:02,950 --> 01:04:01,200

about her and next day i go in her mom

1759

01:04:05,109 --> 01:04:02,960

died and then when i was i was

1760

01:04:06,870 --> 01:04:05,119

volunteering with dying people this one

1761

01:04:08,950 --> 01:04:06,880

particular guy was not on the verge of

1762

01:04:11,029 --> 01:04:08,960

dying he had emphysema but

1763

01:04:13,190 --> 01:04:11,039

no he wasn't you know i had not seen any

1764

01:04:15,510 --> 01:04:13,200

changes in his health and i i go home

1765

01:04:17,430 --> 01:04:15,520

have a dream that he dies go in the next

1766

01:04:19,510 --> 01:04:17,440

day the nurse is like i need to talk to

1767

01:04:21,190 --> 01:04:19,520

you before you go in i'm like frank died

1768

01:04:22,710 --> 01:04:21,200

right she goes how did you know i'm like

1769

01:04:25,349 --> 01:04:22,720

i dreamt about it and she didn't even

1770

01:04:27,430 --> 01:04:25,359

bat an eye because nurses encounter that

1771

01:04:29,029 --> 01:04:27,440

all the time but you had it how old were

1772

01:04:30,710 --> 01:04:29,039

how old were you when you had that

1773

01:04:31,589 --> 01:04:30,720

feeling and then found out the person

1774

01:04:35,510 --> 01:04:31,599

died

1775

01:04:39,190 --> 01:04:35,520

yeah maybe oh god maybe 11 12 sort of

1776

01:04:40,789 --> 01:04:39,200

that sort of age um yeah i was just out

1777

01:04:41,990 --> 01:04:40,799

um shopping

1778

01:04:44,230 --> 01:04:42,000

um

1779

01:04:46,630 --> 01:04:44,240

with with his wife and we just went back

1780

01:04:49,190 --> 01:04:46,640

to the house and then we were just in

1781

01:04:51,109 --> 01:04:49,200

the in the outside the house and she was

1782

01:04:53,990 --> 01:04:51,119

going to open the door and i just knew

1783

01:04:55,829 --> 01:04:54,000

that her husband had died um and then

1784

01:04:58,390 --> 01:04:55,839

went in and yeah his her husband had

1785

01:05:00,069 --> 01:04:58,400

died and i just knew it i don't know how

1786

01:05:01,829 --> 01:05:00,079

i knew but it just

1787

01:05:02,789 --> 01:05:01,839

i just knew

1788

01:05:04,470 --> 01:05:02,799

um

1789

01:05:06,710 --> 01:05:04,480

so yeah i think that's

1790

01:05:08,230 --> 01:05:06,720

um actually um

1791

01:05:10,309 --> 01:05:08,240

that's something that quite a lot of my

1792

01:05:11,750 --> 01:05:10,319

mother's ancestors and relatives and my

1793

01:05:14,309 --> 01:05:11,760

mother's side of the family have where

1794

01:05:15,190 --> 01:05:14,319

they just know things and you don't know

1795

01:05:17,109 --> 01:05:15,200

how

1796

01:05:18,549 --> 01:05:17,119

but it just the knowledge is just

1797

01:05:21,589 --> 01:05:18,559

suddenly there

1798

01:05:23,430 --> 01:05:21,599

um so i might have got that from from my

1799

01:05:25,270 --> 01:05:23,440

mother's side of the family

1800

01:05:26,390 --> 01:05:25,280

although my father's mother had that as

1801  
01:05:28,549 --> 01:05:26,400  
well so

1802  
01:05:30,950 --> 01:05:28,559  
you know it's really interesting on that

1803  
01:05:32,549 --> 01:05:30,960  
the work of dr gary nolan at stanford

1804  
01:05:33,990 --> 01:05:32,559  
him and dr kit green they've done

1805  
01:05:36,630 --> 01:05:34,000  
studies where

1806  
01:05:38,950 --> 01:05:36,640  
the caudate patea potamon is it's they

1807  
01:05:39,670 --> 01:05:38,960  
believe it's the the center of intuition

1808  
01:05:45,430 --> 01:05:39,680  
and

1809  
01:05:46,710 --> 01:05:45,440  
it's also what schizophrenics it's also

1810  
01:05:50,230 --> 01:05:46,720  
with

1811  
01:05:52,870 --> 01:05:50,240  
i'm trying to think who else um savants

1812  
01:05:54,470 --> 01:05:52,880  
they have this over abundance of nerve

1813  
01:05:56,549 --> 01:05:54,480

bundles and i may not be saying it but

1814

01:06:00,150 --> 01:05:56,559

it's it's an above average

1815

01:06:01,510 --> 01:06:00,160

caudate pertainment and he found that

1816

01:06:02,870 --> 01:06:01,520

in their

1817

01:06:05,990 --> 01:06:02,880

i forget what it's called when you have

1818

01:06:08,150 --> 01:06:06,000

a a group of people in a study

1819

01:06:10,390 --> 01:06:08,160

i'm drawing a blank but in the group

1820

01:06:12,630 --> 01:06:10,400

that they're studying there are husbands

1821

01:06:14,789 --> 01:06:12,640

and wives that have that which should

1822

01:06:16,950 --> 01:06:14,799

not happen somehow they're being drawn

1823

01:06:20,230 --> 01:06:16,960

to each other because this is not common

1824

01:06:22,150 --> 01:06:20,240

to have this over abundance this large

1825

01:06:23,829 --> 01:06:22,160

and i'm i'm really dropping the ball

1826

01:06:25,829 --> 01:06:23,839

here it's an overabundance of

1827

01:06:27,750 --> 01:06:25,839

connections in the caudate containment

1828

01:06:29,670 --> 01:06:27,760

which is the center they believe of

1829

01:06:30,950 --> 01:06:29,680

intuition um

1830

01:06:32,309 --> 01:06:30,960

they're doing more studies so it's just

1831

01:06:34,230 --> 01:06:32,319

the beginning they have one

1832

01:06:35,910 --> 01:06:34,240

peer-reviewed paper right now their

1833

01:06:37,670 --> 01:06:35,920

second one's going to come out a third

1834

01:06:39,589 --> 01:06:37,680

one later on down the road trying to

1835

01:06:41,510 --> 01:06:39,599

figure out basically what intuition is

1836

01:06:43,190 --> 01:06:41,520

and these folks you know if you study

1837

01:06:45,589 --> 01:06:43,200

them later on and you find people have

1838

01:06:47,109 --> 01:06:45,599

that part of their brain

1839

01:06:48,950 --> 01:06:47,119

above average

1840

01:06:51,029 --> 01:06:48,960

maybe you know we can tell that person

1841

01:06:53,029 --> 01:06:51,039

is going to be an amazing psychic

1842

01:06:55,190 --> 01:06:53,039

it's in the early stages but like you

1843

01:06:57,029 --> 01:06:55,200

said you speak about family they find

1844

01:06:59,430 --> 01:06:57,039

spouses have it and then their kids wind

1845

01:07:00,630 --> 01:06:59,440

up having it so not sure how it gets

1846

01:07:02,710 --> 01:07:00,640

passed on to the kids if it's

1847

01:07:04,309 --> 01:07:02,720

genetically genetic

1848

01:07:07,029 --> 01:07:04,319

but yeah it's really interesting

1849

01:07:08,789 --> 01:07:07,039

research lying that's just just starting

1850

01:07:11,750 --> 01:07:08,799

like the last couple years

1851  
01:07:14,150 --> 01:07:11,760  
yeah fascinating yeah i mean i think

1852  
01:07:16,390 --> 01:07:14,160  
it'd be really interesting to if there

1853  
01:07:18,630 --> 01:07:16,400  
were you know a lot of really good

1854  
01:07:21,109 --> 01:07:18,640  
scientific studies of

1855  
01:07:22,309 --> 01:07:21,119  
um experiences i think it could be a

1856  
01:07:24,390 --> 01:07:22,319  
good way of

1857  
01:07:26,390 --> 01:07:24,400  
you know trying to find out what's going

1858  
01:07:27,829 --> 01:07:26,400  
on because i wouldn't be surprised if

1859  
01:07:29,910 --> 01:07:27,839  
there is some

1860  
01:07:32,549 --> 01:07:29,920  
something about your brain that either

1861  
01:07:34,230 --> 01:07:32,559  
is slightly more open to seeing things

1862  
01:07:36,309 --> 01:07:34,240  
or interpreting things or maybe that

1863  
01:07:38,069 --> 01:07:36,319

your brain is you know being affected

1864

01:07:41,270 --> 01:07:38,079

and having side effects

1865

01:07:44,630 --> 01:07:41,280

um yes it'd be really interesting

1866

01:07:46,630 --> 01:07:44,640

yeah i think i think we may not get

1867

01:07:48,710 --> 01:07:46,640

full anything related to full disclosure

1868

01:07:50,150 --> 01:07:48,720

on uf homes in the future but i think

1869

01:07:51,670 --> 01:07:50,160

we're going to see studies like that

1870

01:07:53,430 --> 01:07:51,680

going forward because it's all already

1871

01:07:55,510 --> 01:07:53,440

happening it's just a matter of funding

1872

01:07:57,990 --> 01:07:55,520

in a lot of cases because it's really

1873

01:08:00,470 --> 01:07:58,000

still hard to get funding but there are

1874

01:08:01,990 --> 01:08:00,480

there are mines opening doctor nolan and

1875

01:08:04,549 --> 01:08:02,000

jacques volley and two other authors

1876

01:08:08,390 --> 01:08:04,559

wrote a paper on ufo material that was

1877

01:08:11,349 --> 01:08:08,400

deposited that deposited at blind

1878

01:08:12,950 --> 01:08:11,359

blind i'm not saying it pine bluffs iowa

1879

01:08:15,349 --> 01:08:12,960

and it turned out to be

1880

01:08:17,269 --> 01:08:15,359

not anomalous but it's the first paper

1881

01:08:18,950 --> 01:08:17,279

showing how to study those materials and

1882

01:08:21,590 --> 01:08:18,960

they're going to do more materials going

1883

01:08:23,349 --> 01:08:21,600

forward so things are happening things

1884

01:08:24,390 --> 01:08:23,359

are you know people are being becoming

1885

01:08:25,990 --> 01:08:24,400

more aware

1886

01:08:27,749 --> 01:08:26,000

uh i don't know how far it'll go it'll

1887

01:08:29,590 --> 01:08:27,759

go in our lifetime but i just wanted to

1888

01:08:30,870 --> 01:08:29,600

touch on one more thing you said you

1889

01:08:33,349 --> 01:08:30,880

know you talk you felt like you were

1890

01:08:34,709 --> 01:08:33,359

like taught by other teachers outside of

1891

01:08:36,630 --> 01:08:34,719

your teachers in school like there was

1892

01:08:39,189 --> 01:08:36,640

something going on with your experiences

1893

01:08:40,870 --> 01:08:39,199

where they whatever they are we're

1894

01:08:42,789 --> 01:08:40,880

teaching you which is similar to what

1895

01:08:45,430 --> 01:08:42,799

whitley strieber reports in the secret

1896

01:08:47,269 --> 01:08:45,440

school so what do you think you think

1897

01:08:48,709 --> 01:08:47,279

they're preparing preparing you for

1898

01:08:50,950 --> 01:08:48,719

something and when you get older

1899

01:08:52,550 --> 01:08:50,960

anything any ideas on that yeah i always

1900

01:08:53,990 --> 01:08:52,560

wondered about that i mean what is the

1901

01:08:54,950 --> 01:08:54,000

point i mean

1902

01:08:55,910 --> 01:08:54,960

um

1903

01:08:58,390 --> 01:08:55,920

you know

1904

01:09:00,390 --> 01:08:58,400

i mean i'm not aware that i'm using

1905

01:09:03,110 --> 01:09:00,400

any particular knowledge for any

1906

01:09:04,709 --> 01:09:03,120

particular thing um and then is it just

1907

01:09:06,390 --> 01:09:04,719

you know like a hamster where you're

1908

01:09:07,349 --> 01:09:06,400

being trained to do certain things to

1909

01:09:09,269 --> 01:09:07,359

see

1910

01:09:11,669 --> 01:09:09,279

how you do or what you're doing or

1911

01:09:14,390 --> 01:09:11,679

something i don't know or whether

1912

01:09:16,870 --> 01:09:14,400

whether it's something completely

1913

01:09:19,590 --> 01:09:16,880

that well have no way of knowing what it

1914

01:09:20,390 --> 01:09:19,600

is but yeah just a sort of sense that

1915

01:09:21,430 --> 01:09:20,400

i've

1916

01:09:24,229 --> 01:09:21,440

been

1917

01:09:25,349 --> 01:09:24,239

taught things or and that i know things

1918

01:09:27,510 --> 01:09:25,359

but i don't

1919

01:09:30,950 --> 01:09:27,520

know how i know i don't even know

1920

01:09:33,110 --> 01:09:30,960

what i know but yeah definitely a sense

1921

01:09:35,030 --> 01:09:33,120

that there has been some input or

1922

01:09:36,709 --> 01:09:35,040

something like that

1923

01:09:38,390 --> 01:09:36,719

yeah

1924

01:09:39,669 --> 01:09:38,400

well i know i'm not going to talk about

1925

01:09:41,430 --> 01:09:39,679

it here i'm going to let people read the

1926

01:09:43,269 --> 01:09:41,440

book we can talk about

1927

01:09:44,870 --> 01:09:43,279

they can read about alien footprints

1928

01:09:47,110 --> 01:09:44,880

they can read about some of your other

1929

01:09:49,749 --> 01:09:47,120

premonitions you really did a great job

1930

01:09:51,510 --> 01:09:49,759

on the book and i'll just say that maybe

1931

01:09:53,590 --> 01:09:51,520

they got you ready to be talking like

1932

01:09:55,030 --> 01:09:53,600

you're talking right now because i think

1933

01:09:57,030 --> 01:09:55,040

you're going to help other experiences

1934

01:09:59,350 --> 01:09:57,040

come forward i love your attitude where

1935

01:10:01,270 --> 01:09:59,360

you're agnostic i think agnostic is the

1936

01:10:03,030 --> 01:10:01,280

way to be um

1937

01:10:04,470 --> 01:10:03,040

so you should be proud of yourself emma

1938

01:10:05,990 --> 01:10:04,480

because it's really for you to go

1939

01:10:07,910 --> 01:10:06,000

through all of that and to go through

1940

01:10:09,350 --> 01:10:07,920

everything you went with jacobs and now

1941

01:10:10,709 --> 01:10:09,360

you've written a book so and i know you

1942

01:10:12,550 --> 01:10:10,719

have more books than you that are coming

1943

01:10:14,870 --> 01:10:12,560

out and i just want to thank you for

1944

01:10:16,790 --> 01:10:14,880

doing this and really yeah be proud of

1945

01:10:17,669 --> 01:10:16,800

yourself it's a really great book great

1946

01:10:19,030 --> 01:10:17,679

job

1947

01:10:20,229 --> 01:10:19,040

well thank you so much i really

1948

01:10:22,229 --> 01:10:20,239

appreciate it

1949

01:10:24,550 --> 01:10:22,239

thank you for having me on the show

1950

01:10:25,910 --> 01:10:24,560

you're welcome we'll talk soon

1951

01:10:33,990 --> 01:10:25,920

okay

1952

01:10:39,590 --> 01:10:36,149

so hopefully you guys enjoyed that i

1953

01:10:40,630 --> 01:10:39,600

will add a link to her book in the notes

1954

01:10:44,790 --> 01:10:40,640

and

1955

01:10:47,350 --> 01:10:44,800

the experience with dr jacobs her side

1956

01:10:48,229 --> 01:10:47,360

i'll also include dr jacob's side

1957

01:10:50,630 --> 01:10:48,239

and

1958

01:10:52,149 --> 01:10:50,640

but like i said she's about so much more

1959

01:10:53,669 --> 01:10:52,159

than that and i did not want to focus on

1960

01:10:55,030 --> 01:10:53,679

that and i'm glad we did not i know a

1961

01:10:56,550 --> 01:10:55,040

lot of people want to hear it because

1962

01:11:02,630 --> 01:10:56,560

it's

1963

01:11:04,709 --> 01:11:02,640

situations in my life when i worked in

1964

01:11:05,510 --> 01:11:04,719

reality television which was all drama

1965

01:11:07,430 --> 01:11:05,520

and

1966

01:11:09,669 --> 01:11:07,440

her stories about her experiences her

1967

01:11:10,950 --> 01:11:09,679

anomalous experiences and

1968

01:11:12,950 --> 01:11:10,960

when you read the book you'll see that

1969

01:11:14,630 --> 01:11:12,960

so anyway hopefully you guys enjoyed

1970

01:11:17,350 --> 01:11:14,640

that and

1971

01:11:18,950 --> 01:11:17,360

coming up next will be michael via

1972

01:11:21,270 --> 01:11:18,960

michael vi will be

1973

01:11:22,950 --> 01:11:21,280

on with me soon and

1974

01:11:25,750 --> 01:11:22,960

i'm still trying to get bill bankston

1975

01:11:27,990 --> 01:11:25,760

who's done work healing mice of cancer

1976

01:11:29,830 --> 01:11:28,000

which is amazing and still gets ignored

1977

01:11:31,910 --> 01:11:29,840

so everybody have a good night or a good

1978

01:11:33,350 --> 01:11:31,920

day whenever you're watching this we had

1979

01:11:35,350 --> 01:11:33,360

technical problems the first time so i

1980

01:11:37,189 --> 01:11:35,360

didn't go live and we made it through

1981

01:11:40,070 --> 01:11:37,199

which i'm really relieved

1982

01:11:41,990 --> 01:11:40,080

um so yeah thanks for watching and if

1983

01:11:44,229 --> 01:11:42,000

you like this like it subscribe if you

1984

01:11:47,430 --> 01:11:44,239

like to support what i do on twitter on

1985

01:11:49,350 --> 01:11:47,440

here on my blog you can support me i'll
