

1  
00:00:37,310 --> 00:00:33,850  
foreign

2  
00:00:40,310 --> 00:00:37,320  
I'm going to try to incorporate the

3  
00:00:41,750 --> 00:00:40,320  
Biden live press conference

4  
00:00:44,450 --> 00:00:41,760  
for this

5  
00:00:46,549 --> 00:00:44,460  
let me know if you hear me okay this is

6  
00:00:47,750 --> 00:00:46,559  
kind of like a rush not kind of it was a

7  
00:00:49,850 --> 00:00:47,760  
rush job

8  
00:00:51,229 --> 00:00:49,860  
when I heard it was 11 o'clock for his

9  
00:00:53,450 --> 00:00:51,239  
press conference

10  
00:00:54,770 --> 00:00:53,460  
and I did not think I would get it in

11  
00:00:57,950 --> 00:00:54,780  
time but

12  
00:01:00,650 --> 00:00:57,960  
I did so hopefully the audio works when

13  
00:01:03,950 --> 00:01:00,660

I go live you guys can let me know if

14

00:01:07,429 --> 00:01:05,329

um because I don't have my normal

15

00:01:09,590 --> 00:01:07,439

microphone but it should be okay I'm

16

00:01:13,010 --> 00:01:09,600

watching the chat now so just

17

00:01:16,850 --> 00:01:13,020

let me know if any issues and I will put

18

00:01:18,530 --> 00:01:16,860

out a link for you guys to join with any

19

00:01:20,870 --> 00:01:18,540

questions and comments over the past

20

00:01:22,190 --> 00:01:20,880

about what's been going on the past two

21

00:01:24,950 --> 00:01:22,200

weeks which

22

00:01:25,670 --> 00:01:24,960

has been interesting

23

00:01:28,010 --> 00:01:25,680

um

24

00:01:30,950 --> 00:01:28,020

good for the subject I think

25

00:01:33,530 --> 00:01:30,960

as far as what's gonna happen today I

26

00:01:34,789 --> 00:01:33,540

won't expect too much

27

00:01:37,010 --> 00:01:34,799

but

28

00:01:38,510 --> 00:01:37,020

curious to see what he has to say

29

00:01:42,170 --> 00:01:38,520

let's see I just want to make sure I'm

30

00:01:49,190 --> 00:01:46,609

I am and I sound okay so

31

00:01:50,810 --> 00:01:49,200

okay there we go sorry

32

00:01:52,969 --> 00:01:50,820

um

33

00:01:55,550 --> 00:01:52,979

yeah I'm glad you guys can hear it

34

00:01:57,710 --> 00:01:55,560

what's up Adam

35

00:01:59,030 --> 00:01:57,720

I'm half asleep only because I didn't

36

00:02:00,289 --> 00:01:59,040

sleep last night because I don't sleep

37

00:02:03,230 --> 00:02:00,299

anymore because of everything that's

38

00:02:04,249 --> 00:02:03,240

been going on it's been fun

39

00:02:06,950 --> 00:02:04,259

um

40

00:02:09,169 --> 00:02:06,960

I'm not thinking we're close to

41

00:02:11,449 --> 00:02:09,179

disclosure but a lot of people are

42

00:02:13,190 --> 00:02:11,459

talking about this that are normally not

43

00:02:16,850 --> 00:02:13,200

talking about it it's amazing I see

44

00:02:18,110 --> 00:02:16,860

Sports sites talking about this

45

00:02:20,930 --> 00:02:18,120

um

46

00:02:22,250 --> 00:02:20,940

and I don't think the three objects were

47

00:02:24,170 --> 00:02:22,260

shot down

48

00:02:26,570 --> 00:02:24,180

were alien craft I think those are

49

00:02:28,430 --> 00:02:26,580

prosaic maybe some technology we don't

50

00:02:30,170 --> 00:02:28,440

understand but I don't think they were

51  
00:02:32,449 --> 00:02:30,180  
alien craft but I don't know they

52  
00:02:35,630 --> 00:02:32,459  
haven't said anything about it well our

53  
00:02:37,250 --> 00:02:35,640  
government hasn't so supposedly somebody

54  
00:02:39,110 --> 00:02:37,260  
it was a Canadian report that

55  
00:02:40,729 --> 00:02:39,120  
Michelangelo put up and they said that

56  
00:02:42,290 --> 00:02:40,739  
they heard from the Pentagon and the

57  
00:02:44,930 --> 00:02:42,300  
White House that it was a commercial

58  
00:02:46,910 --> 00:02:44,940  
object

59  
00:02:51,229 --> 00:02:46,920  
so

60  
00:02:53,210 --> 00:02:51,239  
being held up by helium the pilots

61  
00:02:54,770 --> 00:02:53,220  
allegedly could not tell what it was

62  
00:02:56,270 --> 00:02:54,780  
they couldn't tell how

63  
00:02:58,490 --> 00:02:56,280

you know what kind of propulsion system

64

00:02:59,449 --> 00:02:58,500

it was

65

00:03:00,830 --> 00:02:59,459

so I'm just going to go through your

66

00:03:03,290 --> 00:03:00,840

comments we had startups of fibers yeah

67

00:03:08,270 --> 00:03:06,110

oh shoot it already started I had it

68

00:03:12,050 --> 00:03:08,280

paused

69

00:03:15,229 --> 00:03:12,060

but we'll be behind all right

70

00:03:16,850 --> 00:03:15,239

well I'm still not caught up

71

00:03:19,190 --> 00:03:16,860

you guys see it somewhere else and I'm

72

00:03:20,869 --> 00:03:19,200

fine behind let me know I I think I'm

73

00:03:28,490 --> 00:03:20,879

caught up now but

74

00:03:28,500 --> 00:03:33,110

hey Jeff how you doing

75

00:03:38,830 --> 00:03:36,470

it's 1106. it's possible

76

00:03:42,710 --> 00:03:38,840

that I missed

77

00:03:45,830 --> 00:03:42,720

this because I don't see anything

78

00:03:48,289 --> 00:03:45,840

no it's it's still not on so hey Chris

79

00:03:49,970 --> 00:03:48,299

let me put out the link

80

00:03:51,350 --> 00:03:49,980

if you guys want to join in with

81

00:03:53,330 --> 00:03:51,360

comments

82

00:03:57,589 --> 00:03:53,340

it's been a while since I've done this

83

00:03:59,149 --> 00:03:57,599

so I just need to find invite that is

84

00:04:01,430 --> 00:03:59,159

it's I think the last time I was live

85

00:04:03,710 --> 00:04:01,440

was early November

86

00:04:05,509 --> 00:04:03,720

and I was doing banks in uh interview

87

00:04:06,770 --> 00:04:05,519

and Bankston interview with Dean Rayden

88

00:04:09,350 --> 00:04:06,780

and then

89

00:04:12,589 --> 00:04:09,360

I went to the east coast to see Eric

90

00:04:14,750 --> 00:04:12,599

Davis and Jay Stratton

91

00:04:17,210 --> 00:04:14,760

and my friend Michael Vai

92

00:04:20,330 --> 00:04:17,220

and visit with some other friends and

93

00:04:22,009 --> 00:04:20,340

there's the link hey Brian

94

00:04:23,450 --> 00:04:22,019

hi everybody

95

00:04:25,550 --> 00:04:23,460

um and then I went home because my dad

96

00:04:28,670 --> 00:04:25,560

was sick and then my dad passed away so

97

00:04:30,409 --> 00:04:28,680

I've been slow in getting back to normal

98

00:04:33,230 --> 00:04:30,419

thank you for all the message messages

99

00:04:36,050 --> 00:04:33,240

related to my dad I know Ross talked

100

00:04:38,689 --> 00:04:36,060

about how somebody from the Navy went

101  
00:04:40,670 --> 00:04:38,699  
and sold the beans on the Jeff is

102  
00:04:42,230 --> 00:04:40,680  
talking about they supposedly spilled

103  
00:04:43,969 --> 00:04:42,240  
the beans according to Ross and then

104  
00:04:46,490 --> 00:04:43,979  
Chris sharp said he can he had the same

105  
00:04:47,990 --> 00:04:46,500  
information about the Navy going to the

106  
00:04:50,090 --> 00:04:48,000  
White House I think it was a Navy

107  
00:04:52,370 --> 00:04:50,100  
Commander saying

108  
00:04:55,189 --> 00:04:52,380  
that the Air Force is really obfuscating

109  
00:04:57,170 --> 00:04:55,199  
information and doing stuff illegal by

110  
00:04:58,430 --> 00:04:57,180  
keeping keeping this information from us

111  
00:05:00,650 --> 00:04:58,440  
and

112  
00:05:01,969 --> 00:05:00,660  
yeah that I I wouldn't be surprised if

113  
00:05:03,469 --> 00:05:01,979

that happened I don't have anything on

114

00:05:05,810 --> 00:05:03,479

my own but I don't think that's gonna

115

00:05:07,730 --> 00:05:05,820

you know implore Biden to go out live

116

00:05:09,110 --> 00:05:07,740

today and say you know what I heard that

117

00:05:11,990 --> 00:05:09,120

the Air Force is keeping this

118

00:05:13,550 --> 00:05:12,000

information about UFOs we have crashes

119

00:05:15,230 --> 00:05:13,560

we have retrievals I don't think that's

120

00:05:16,189 --> 00:05:15,240

going to come out with Biden I don't

121

00:05:17,990 --> 00:05:16,199

think you're going to hear much more

122

00:05:19,909 --> 00:05:18,000

about that right now but if that really

123

00:05:21,350 --> 00:05:19,919

happened that's a good thing

124

00:05:23,330 --> 00:05:21,360

um the fact that the White House has

125

00:05:25,070 --> 00:05:23,340

their own task force is a good thing to

126

00:05:27,770 --> 00:05:25,080

me even though Rubio was not happy about

127

00:05:29,450 --> 00:05:27,780

it he's like well we created Arrow so

128

00:05:31,550 --> 00:05:29,460

why are they doing their own well maybe

129

00:05:33,170 --> 00:05:31,560

they don't trust the people connected to

130

00:05:35,930 --> 00:05:33,180

Arrow or their DOD and they want to do

131

00:05:38,029 --> 00:05:35,940

their own thing other people said

132

00:05:39,710 --> 00:05:38,039

well it's just that they want to control

133

00:05:41,990 --> 00:05:39,720

the narrative the White House wants to

134

00:05:44,390 --> 00:05:42,000

do their own task force they control

135

00:05:46,550 --> 00:05:44,400

everything maybe maybe but for me the

136

00:05:48,350 --> 00:05:46,560

more the more the better

137

00:05:50,090 --> 00:05:48,360

um I just don't think we're on the cusp

138

00:05:51,710 --> 00:05:50,100

of major disclosure and I don't think

139

00:05:53,090 --> 00:05:51,720

Biden's going to talk about aliens he's

140

00:05:55,969 --> 00:05:53,100

going to talk about flight safety

141

00:05:58,550 --> 00:05:55,979

National Security and things like that I

142

00:06:08,810 --> 00:05:58,560

just need to um just get one thing hey

143

00:06:08,820 --> 00:06:12,529

oh

144

00:06:12,539 --> 00:06:21,950

foreign

145

00:06:26,990 --> 00:06:23,570

and I did use a

146

00:06:28,610 --> 00:06:27,000

a click bait title biting biting gonna

147

00:06:30,170 --> 00:06:28,620

talk about shooting down UFO as well

148

00:06:33,110 --> 00:06:30,180

it's accurate but I don't think they're

149

00:06:34,790 --> 00:06:33,120

the alien UFOs but

150

00:06:37,490 --> 00:06:34,800

there's so many videos of different

151  
00:06:40,370 --> 00:06:37,500  
senators and congressmen speaking that

152  
00:06:46,309 --> 00:06:40,380  
you know we don't know what it is

153  
00:06:51,469 --> 00:06:48,830  
balloon I mean it could be a certain I

154  
00:06:53,330 --> 00:06:51,479  
mean it could be balloons Chris I mean

155  
00:06:54,770 --> 00:06:53,340  
we haven't seen anything we haven't

156  
00:06:56,749 --> 00:06:54,780  
heard anything

157  
00:06:58,309 --> 00:06:56,759  
as far as

158  
00:07:00,230 --> 00:06:58,319  
you know amazing

159  
00:07:01,850 --> 00:07:00,240  
propulsion and Maneuvers or anything

160  
00:07:03,469 --> 00:07:01,860  
like that but

161  
00:07:06,830 --> 00:07:03,479  
even if it turns out inviting's supposed

162  
00:07:10,550 --> 00:07:06,840  
to speak at 11 Pacific 2 p.m and he's

163  
00:07:11,749 --> 00:07:10,560

delayed as I I've joked on Twitter

164

00:07:14,409 --> 00:07:11,759

um

165

00:07:16,550 --> 00:07:14,419

Biden is uh

166

00:07:18,170 --> 00:07:16,560

delayed because he's deciding whether or

167

00:07:20,390 --> 00:07:18,180

not to talk about abductions and the

168

00:07:22,610 --> 00:07:20,400

Grays and the reptilians and I was

169

00:07:24,350 --> 00:07:22,620

obviously well I thought I was being

170

00:07:25,969 --> 00:07:24,360

sarcastic in an obvious manner

171

00:07:28,370 --> 00:07:25,979

apparently not because people believed

172

00:07:31,450 --> 00:07:28,380

me and got mad at me

173

00:07:37,790 --> 00:07:34,550

I was joking I did it again today but I

174

00:07:41,870 --> 00:07:37,800

made sure to make sure doubly that I was

175

00:07:45,770 --> 00:07:43,850

I think it'll be short it would be nice

176

00:07:47,629 --> 00:07:45,780

if you took questions I don't think he

177

00:07:52,070 --> 00:07:47,639

will though

178

00:07:54,050 --> 00:07:52,080

so we'll see it's delayed

179

00:07:55,670 --> 00:07:54,060

I can't wait to hear we can't recover

180

00:07:56,749 --> 00:07:55,680

the craft there is no debris from these

181

00:07:58,309 --> 00:07:56,759

objects they were balloons don't

182

00:08:00,469 --> 00:07:58,319

question it you know it may be possible

183

00:08:03,770 --> 00:08:00,479

that they can't recover it because of

184

00:08:04,790 --> 00:08:03,780

where the objects went down

185

00:08:06,710 --> 00:08:04,800

um

186

00:08:08,870 --> 00:08:06,720

that's possible so I don't want to get

187

00:08:10,969 --> 00:08:08,880

all conservatorial just because that's a

188

00:08:12,350 --> 00:08:10,979

possibility they waited to those objects

189

00:08:13,790 --> 00:08:12,360

or took them down when they were over

190

00:08:16,249 --> 00:08:13,800

areas where

191

00:08:18,170 --> 00:08:16,259

there weren't people and there was a lot

192

00:08:19,670 --> 00:08:18,180

less danger of anybody getting hurt so

193

00:08:21,409 --> 00:08:19,680

you know I can't blame them I can't

194

00:08:23,029 --> 00:08:21,419

blame them for that

195

00:08:25,550 --> 00:08:23,039

um but at the very least it's getting

196

00:08:27,650 --> 00:08:25,560

people to talk about this subject and of

197

00:08:29,809 --> 00:08:27,660

course I get I get I was worried the

198

00:08:32,110 --> 00:08:29,819

other day I'm like you know why are they

199

00:08:35,029 --> 00:08:32,120

continually talking about

200

00:08:36,649 --> 00:08:35,039

objects from foreign adversaries when we

201  
00:08:38,209 --> 00:08:36,659  
don't care about that I mean we do care

202  
00:08:40,790 --> 00:08:38,219  
about that but it's not why we're here

203  
00:08:47,090 --> 00:08:40,800  
we already know that's happening here's

204  
00:08:47,100 --> 00:08:51,410  
good afternoon

205  
00:08:55,970 --> 00:08:53,990  
last week in the immediate aftermath of

206  
00:08:56,990 --> 00:08:55,980  
the incursion by China's high altitude

207  
00:08:59,690 --> 00:08:57,000  
balloon

208  
00:09:01,850 --> 00:08:59,700  
our military through the North American

209  
00:09:03,470 --> 00:09:01,860  
Aerospace Defense command so-called

210  
00:09:06,230 --> 00:09:03,480  
North NORAD

211  
00:09:09,170 --> 00:09:06,240  
closely scrutinized uh

212  
00:09:11,870 --> 00:09:09,180  
the our airspace including enhancing our

213  
00:09:13,910 --> 00:09:11,880

radar to pick up more slow moving

214

00:09:16,670 --> 00:09:13,920

objects above our country

215

00:09:19,910 --> 00:09:16,680

around the world in doing so they

216

00:09:23,150 --> 00:09:19,920

attract three unidentified objects one

217

00:09:24,290 --> 00:09:23,160

Alaska Canada and over Lake Huron in the

218

00:09:25,970 --> 00:09:24,300

Midwest

219

00:09:28,250 --> 00:09:25,980

they acted in accordance with

220

00:09:29,810 --> 00:09:28,260

established parameters for determining

221

00:09:32,269 --> 00:09:29,820

how to deal with unidentified aerial

222

00:09:34,850 --> 00:09:32,279

objects in U.S airspace

223

00:09:38,030 --> 00:09:34,860

at third recommendation I gave the order

224

00:09:39,530 --> 00:09:38,040

to take down these three objects due to

225

00:09:42,110 --> 00:09:39,540

hazards to civilian commercial air

226

00:09:44,389 --> 00:09:42,120

traffic and because we could not rule

227

00:09:45,889 --> 00:09:44,399

out the surveillance risk of sensitive

228

00:09:47,690 --> 00:09:45,899

facilities

229

00:09:49,910 --> 00:09:47,700

we acted in consultation with the

230

00:09:52,430 --> 00:09:49,920

Canadian government I spoke personally

231

00:09:54,470 --> 00:09:52,440

with prime minister Trudeau and Kant

232

00:09:56,630 --> 00:09:54,480

from Canada on Saturday

233

00:09:58,430 --> 00:09:56,640

and just as critically we acted out of

234

00:10:00,769 --> 00:09:58,440

an abundance of caution and an

235

00:10:03,769 --> 00:10:00,779

opportunity that allowed us to take down

236

00:10:05,750 --> 00:10:03,779

these these objects safely

237

00:10:08,449 --> 00:10:05,760

our military and the Canadian military

238

00:10:11,269 --> 00:10:08,459

are seeking to recover the debris so we

239

00:10:12,710 --> 00:10:11,279

can learn more about these three objects

240

00:10:15,410 --> 00:10:12,720

our intelligence Community is still

241

00:10:17,150 --> 00:10:15,420

assessing all three incidences they're

242

00:10:19,550 --> 00:10:17,160

reporting to me daily and will continue

243

00:10:21,590 --> 00:10:19,560

their urgent efforts to do so and I will

244

00:10:23,810 --> 00:10:21,600

communicate that to the Congress

245

00:10:26,329 --> 00:10:23,820

we don't yet know exactly what these

246

00:10:28,430 --> 00:10:26,339

three objects were but nothing nothing

247

00:10:30,829 --> 00:10:28,440

right now suggests they were related to

248

00:10:32,690 --> 00:10:30,839

China's spy balloon program or that

249

00:10:34,370 --> 00:10:32,700

there were surveillance vehicles from

250

00:10:35,870 --> 00:10:34,380

other any other country

251  
00:10:38,090 --> 00:10:35,880  
the intelligence community's current

252  
00:10:39,949 --> 00:10:38,100  
assessment is that these three objects

253  
00:10:42,829 --> 00:10:39,959  
were most likely balloons tied to

254  
00:10:45,110 --> 00:10:42,839  
private companies Recreation or research

255  
00:10:47,810 --> 00:10:45,120  
institutions studying weather or

256  
00:10:50,150 --> 00:10:47,820  
conducting other scientific research

257  
00:10:52,430 --> 00:10:50,160  
when I came into office I instructed our

258  
00:10:54,350 --> 00:10:52,440  
intelligence Community to take a broad

259  
00:10:57,590 --> 00:10:54,360  
look at the phenomenon of unidentified

260  
00:10:59,329 --> 00:10:57,600  
aerial objects we know that a range of

261  
00:11:01,550 --> 00:10:59,339  
entities including countries companies

262  
00:11:03,829 --> 00:11:01,560  
and research organizations operate

263  
00:11:06,410 --> 00:11:03,839

objects at altitudes for purposes that

264

00:11:10,009 --> 00:11:06,420

are not nefarious including legitimate

265

00:11:11,810 --> 00:11:10,019

scientific research I want to be clear

266

00:11:13,850 --> 00:11:11,820

we don't have any evidence that there

267

00:11:16,250 --> 00:11:13,860

has been a sudden increase in the number

268

00:11:18,410 --> 00:11:16,260

of objects in the sky we're now just

269

00:11:20,870 --> 00:11:18,420

seeing more of them partially because

270

00:11:23,750 --> 00:11:20,880

the steps we've taken to increase our

271

00:11:26,030 --> 00:11:23,760

Radars to narrow our radars and we have

272

00:11:27,769 --> 00:11:26,040

to keep adapting our approach to uh

273

00:11:30,290 --> 00:11:27,779

delaying to dealing with these

274

00:11:32,210 --> 00:11:30,300

challenges that's why I've directed my

275

00:11:34,550 --> 00:11:32,220

team to come back to me with sharper

276

00:11:36,430 --> 00:11:34,560

rules for how we will deal with these

277

00:11:38,329 --> 00:11:36,440

unidentified objects moving forward

278

00:11:40,910 --> 00:11:38,339

distinguishing distinguishing between

279

00:11:43,310 --> 00:11:40,920

those that are likely to pose Safety and

280

00:11:45,470 --> 00:11:43,320

Security risks that necessitate action

281

00:11:47,509 --> 00:11:45,480

and those that do not

282

00:11:49,790 --> 00:11:47,519

but make no mistake

283

00:11:51,590 --> 00:11:49,800

if any object presents a threat to the

284

00:11:53,750 --> 00:11:51,600

safety security of the American people I

285

00:11:55,670 --> 00:11:53,760

will take it down

286

00:11:57,769 --> 00:11:55,680

I'll be sharing with Congress these

287

00:12:00,350 --> 00:11:57,779

classified policy parameters when

288

00:12:02,509 --> 00:12:00,360

they're completed and they'll remain

289

00:12:04,550 --> 00:12:02,519

classified so we don't give a road map

290

00:12:05,630 --> 00:12:04,560

to our enemies to try to evade our

291

00:12:08,269 --> 00:12:05,640

defenses

292

00:12:09,889 --> 00:12:08,279

going forward these parameters will

293

00:12:11,930 --> 00:12:09,899

guide what actions will take while

294

00:12:14,329 --> 00:12:11,940

responding to unmanned and unidentified

295

00:12:16,430 --> 00:12:14,339

aerial objects we're going to keep

296

00:12:18,829 --> 00:12:16,440

adapting them as the challenges evolve

297

00:12:20,449 --> 00:12:18,839

if it evolves in addition we've derived

298

00:12:23,090 --> 00:12:20,459

direct to my National Security advisor

299

00:12:25,790 --> 00:12:23,100

to lead a government-wide effort to make

300

00:12:28,130 --> 00:12:25,800

sure we are positioned to deal safely

301  
00:12:29,150 --> 00:12:28,140  
and effectively with the objects in our

302  
00:12:31,790 --> 00:12:29,160  
airspace

303  
00:12:34,970 --> 00:12:31,800  
first we will establish a better

304  
00:12:37,130 --> 00:12:34,980  
inventory of unmanned Airborne objects

305  
00:12:39,949 --> 00:12:37,140  
in space above the United States

306  
00:12:42,530 --> 00:12:39,959  
airspace and make sure that inventory is

307  
00:12:45,530 --> 00:12:42,540  
accessible and up to date

308  
00:12:47,389 --> 00:12:45,540  
second we'll Implement further measures

309  
00:12:49,790 --> 00:12:47,399  
to improve our capacity to detect

310  
00:12:50,870 --> 00:12:49,800  
unmanned objective objects in our

311  
00:12:53,329 --> 00:12:50,880  
airspace

312  
00:12:54,949 --> 00:12:53,339  
third we'll update the rules and

313  
00:12:57,410 --> 00:12:54,959

regulations for launching and

314

00:12:59,750 --> 00:12:57,420

maintaining unmanned objects in the

315

00:13:03,050 --> 00:12:59,760

skies above the United States of America

316

00:13:04,790 --> 00:13:03,060

and fourth my secretary of state will

317

00:13:08,509 --> 00:13:04,800

lead an effort to help establish a

318

00:13:11,030 --> 00:13:08,519

global a global common Global Norms in

319

00:13:13,009 --> 00:13:11,040

this largely unregulated space

320

00:13:15,650 --> 00:13:13,019

these steps will lead to safer and more

321

00:13:17,990 --> 00:13:15,660

secure skies for our air Travelers our

322

00:13:19,730 --> 00:13:18,000

military our scientists and for people

323

00:13:21,410 --> 00:13:19,740

on the ground as well

324

00:13:22,970 --> 00:13:21,420

that's my job as your president

325

00:13:25,430 --> 00:13:22,980

commander-in-chief

326

00:13:27,769 --> 00:13:25,440

as the events of the previous days have

327

00:13:29,750 --> 00:13:27,779

shown will always act to protect the

328

00:13:31,550 --> 00:13:29,760

interest of the American people and the

329

00:13:34,069 --> 00:13:31,560

security of the American people

330

00:13:36,530 --> 00:13:34,079

since I came to office we've developed

331

00:13:38,269 --> 00:13:36,540

the ability to identify track and study

332

00:13:40,550 --> 00:13:38,279

high altitude surveillance balloons

333

00:13:42,350 --> 00:13:40,560

connected with the Chinese military

334

00:13:43,850 --> 00:13:42,360

when one of these high altitude

335

00:13:45,829 --> 00:13:43,860

surveillance balloons entered our

336

00:13:48,170 --> 00:13:45,839

airspace over the continental United

337

00:13:50,750 --> 00:13:48,180

States earlier in the month I gave the

338

00:13:52,790 --> 00:13:50,760

order to shoot it down as soon as it

339

00:13:54,889 --> 00:13:52,800

would be safe to do so the military

340

00:13:57,650 --> 00:13:54,899

advised again shooting it down over land

341

00:13:59,870 --> 00:13:57,660

because of the sheer size of it was the

342

00:14:01,430 --> 00:13:59,880

size of multiple school buses and

343

00:14:04,610 --> 00:14:01,440

opposed the risk to people on the ground

344

00:14:07,370 --> 00:14:04,620

if it was shot down where people lived

345

00:14:09,769 --> 00:14:07,380

instead we tracked it closely we

346

00:14:12,170 --> 00:14:09,779

analyzed its capabilities and we learned

347

00:14:14,569 --> 00:14:12,180

more about how it operates and because

348

00:14:17,150 --> 00:14:14,579

we knew its path we were able to protect

349

00:14:19,129 --> 00:14:17,160

sensitive sites against collection

350

00:14:21,829 --> 00:14:19,139

we waited until it was safely over water

351

00:14:23,389 --> 00:14:21,839

which would not only protect civilians

352

00:14:25,910 --> 00:14:23,399

but also enable us to recover

353

00:14:28,670 --> 00:14:25,920

substantial components for further

354

00:14:31,430 --> 00:14:28,680

analysts for for further Analytics

355

00:14:34,490 --> 00:14:31,440

and then we shot it down sending a clear

356

00:14:36,650 --> 00:14:34,500

message clear message the violation of

357

00:14:39,050 --> 00:14:36,660

our sovereignty is unacceptable

358

00:14:42,530 --> 00:14:39,060

we'll act to protect our country and we

359

00:14:44,629 --> 00:14:42,540

did now this past Friday we put

360

00:14:46,370 --> 00:14:44,639

restrictions on six firms that directly

361

00:14:49,370 --> 00:14:46,380

support the People's Republic Liberation

362

00:14:52,670 --> 00:14:49,380

Army people's people's Liberation Army

363

00:14:55,730 --> 00:14:52,680

Aerospace program that includes airships

364

00:14:56,810 --> 00:14:55,740

and balloons denying them access to U.S

365

00:14:58,970 --> 00:14:56,820

technology

366

00:15:01,370 --> 00:14:58,980

we briefed our diplomatic partners and

367

00:15:03,530 --> 00:15:01,380

our allies around the world and we know

368

00:15:05,150 --> 00:15:03,540

about China's program and where their

369

00:15:07,129 --> 00:15:05,160

balloons have flown

370

00:15:09,410 --> 00:15:07,139

some of them have also raised their

371

00:15:11,569 --> 00:15:09,420

concerns directly with China

372

00:15:13,550 --> 00:15:11,579

our exports have lifted components of

373

00:15:14,689 --> 00:15:13,560

the Chinese balloon's payload off the

374

00:15:17,449 --> 00:15:14,699

ocean floor

375

00:15:18,710 --> 00:15:17,459

we're analyzing them as I speak and what

376

00:15:20,210 --> 00:15:18,720

we learn will strengthen our

377

00:15:22,370 --> 00:15:20,220

capabilities

378

00:15:25,069 --> 00:15:22,380

now we'll also continue to engage with

379

00:15:27,110 --> 00:15:25,079

China as we have throughout the past two

380

00:15:30,110 --> 00:15:27,120

weeks as I've said since the beginning

381

00:15:32,870 --> 00:15:30,120

of my Administration we seek competition

382

00:15:35,569 --> 00:15:32,880

not conflict with China we're not

383

00:15:39,410 --> 00:15:35,579

looking for a new Cold War but I make no

384

00:15:41,990 --> 00:15:39,420

apologize I make no apologies and we

385

00:15:44,030 --> 00:15:42,000

will compete and will be will

386

00:15:46,009 --> 00:15:44,040

responsibly manage that competition so

387

00:15:47,990 --> 00:15:46,019

that it doesn't Veer into conflict

388

00:15:49,610 --> 00:15:48,000

this episode underscores the importance

389

00:15:52,069 --> 00:15:49,620

of maintaining open lines of

390

00:15:53,870 --> 00:15:52,079

communication between our diplomats and

391

00:15:55,970 --> 00:15:53,880

our military professionals

392

00:15:58,550 --> 00:15:55,980

our diplomats will be engaging further

393

00:15:59,990 --> 00:15:58,560

and I will remain in communication with

394

00:16:01,910 --> 00:16:00,000

President XI

395

00:16:03,290 --> 00:16:01,920

I'm grateful for the work of the last

396

00:16:05,269 --> 00:16:03,300

several weeks of our intelligence

397

00:16:07,730 --> 00:16:05,279

diplomatic and Military professionals

398

00:16:09,290 --> 00:16:07,740

who approved once again to be the most

399

00:16:12,050 --> 00:16:09,300

capable in the world

400

00:16:14,030 --> 00:16:12,060

and I want to thank you all now look the

401

00:16:16,850 --> 00:16:14,040

other thing I want to point out is that

402

00:16:18,889 --> 00:16:16,860

we are going to keep our allies and the

403

00:16:20,750 --> 00:16:18,899

Congress contemporaneously informed all

404

00:16:23,750 --> 00:16:20,760

we know and all we learn

405

00:16:26,629 --> 00:16:23,760

and I expect to be speaking with

406

00:16:28,189 --> 00:16:26,639

President XI and I hope we have come we

407

00:16:30,650 --> 00:16:28,199

are going to get to the bottom of this

408

00:16:32,630 --> 00:16:30,660

but I make no apologies for taking down

409

00:16:33,250 --> 00:16:32,640

that balloon thank you very much

410

00:16:43,790 --> 00:16:33,260

[Applause]

411

00:16:43,800 --> 00:16:51,889

man

412

00:16:51,899 --> 00:16:59,710

Mr President

413

00:17:09,530 --> 00:17:02,030

when you have more polite people Mr

414

00:17:20,449 --> 00:17:11,510

whether you're speaking to president Mr

415

00:17:27,289 --> 00:17:24,049

there you go what was that at the end

416

00:17:31,010 --> 00:17:27,299

should I answer that question

417

00:17:32,570 --> 00:17:31,020

yeah it was not anything totally

418

00:17:33,530 --> 00:17:32,580

expected

419

00:17:38,029 --> 00:17:33,540

um

420

00:17:40,970 --> 00:17:38,039

guys please feel free to uh

421

00:17:42,950 --> 00:17:40,980

jump in on audio or video I put the link

422

00:17:43,789 --> 00:17:42,960

out a couple of times

423

00:17:46,490 --> 00:17:43,799

um

424

00:17:48,590 --> 00:17:46,500

yeah there's nothing there nothing that

425

00:17:50,870 --> 00:17:48,600

really there's nothing that stood out

426  
00:17:52,789 --> 00:17:50,880  
that's of interest to us as far as in

427  
00:17:55,130 --> 00:17:52,799  
the UFO world

428  
00:17:58,909 --> 00:17:55,140  
um but I didn't expect anything I think

429  
00:18:01,610 --> 00:17:58,919  
I thought maybe he might do the old you

430  
00:18:03,230 --> 00:18:01,620  
know what Rubio not Rubio the press the

431  
00:18:04,850 --> 00:18:03,240  
um

432  
00:18:06,770 --> 00:18:04,860  
press secretary when she said you know

433  
00:18:08,090 --> 00:18:06,780  
there's no evidence of extraterrestrials

434  
00:18:10,070 --> 00:18:08,100  
and then we had the other guy the

435  
00:18:13,010 --> 00:18:10,080  
general saying well I haven't pulled it

436  
00:18:14,930 --> 00:18:13,020  
out and then we keep seeing I don't even

437  
00:18:16,549 --> 00:18:14,940  
know why they're bringing it up

438  
00:18:18,830 --> 00:18:16,559

um

439

00:18:21,110 --> 00:18:18,840

it was nice to see the general NORAD I

440

00:18:23,390 --> 00:18:21,120

forget his name Vaughn

441

00:18:26,090 --> 00:18:23,400

something he was saying oh I'm frozen

442

00:18:26,100 --> 00:18:31,789

can you hear me okay

443

00:18:38,750 --> 00:18:33,409

let me know if you can hear me okay

444

00:18:38,760 --> 00:18:46,010

let's see

445

00:18:46,020 --> 00:18:48,830

foreign

446

00:18:52,190 --> 00:18:50,690

if you guys have any questions about

447

00:18:53,990 --> 00:18:52,200

anything it doesn't have to be about

448

00:18:56,150 --> 00:18:54,000

balloons

449

00:18:59,870 --> 00:18:56,160

feel free to ask at least I didn't

450

00:19:01,070 --> 00:18:59,880

freeze on a bad freeze

451  
00:19:01,970 --> 00:19:01,080  
but yeah

452  
00:19:04,789 --> 00:19:01,980  
um

453  
00:19:06,890 --> 00:19:04,799  
feel free to ask anything in the chat or

454  
00:19:09,470 --> 00:19:06,900  
anything

455  
00:19:11,210 --> 00:19:09,480  
you can jump in although I don't know if

456  
00:19:13,730 --> 00:19:11,220  
jumping in is even gonna work right now

457  
00:19:15,490 --> 00:19:13,740  
because since I'm Frozen everybody might

458  
00:19:18,590 --> 00:19:15,500  
be frozen

459  
00:19:31,789 --> 00:19:18,600  
I could let's see I can remove myself

460  
00:19:36,230 --> 00:19:34,250  
still audio

461  
00:19:38,029 --> 00:19:36,240  
okay

462  
00:19:40,190 --> 00:19:38,039  
if you guys don't have questions then

463  
00:19:41,750 --> 00:19:40,200

I'll end this

464

00:19:43,370 --> 00:19:41,760

and you could do you can ask questions

465

00:19:52,909 --> 00:19:43,380

on the chat

466

00:19:56,750 --> 00:19:54,710

yeah I do have insight into what he

467

00:19:58,130 --> 00:19:56,760

might be up to but I can't say

468

00:19:59,750 --> 00:19:58,140

um but you guys will know about it soon

469

00:20:01,669 --> 00:19:59,760

enough and I know it'll be controversial

470

00:20:03,770 --> 00:20:01,679

with some people

471

00:20:05,150 --> 00:20:03,780

um his his interview is great I'm gonna

472

00:20:07,310 --> 00:20:05,160

transcribe it

473

00:20:10,310 --> 00:20:07,320

eventually I'm still trying to finish

474

00:20:13,370 --> 00:20:10,320

the um the guts John Gutierrez a naval

475

00:20:14,930 --> 00:20:13,380

Commander transcript which was long

476

00:20:17,150 --> 00:20:14,940

um I mean I'll get to Jay Stratton who's

477

00:20:19,430 --> 00:20:17,160

also speaking at alien Con in March I'm

478

00:20:21,350 --> 00:20:19,440

hopefully gonna go Jay Stratton is great

479

00:20:22,789 --> 00:20:21,360

um it's hard to take shots at him and

480

00:20:24,409 --> 00:20:22,799

his credibility like people have done

481

00:20:26,390 --> 00:20:24,419

with other

482

00:20:27,110 --> 00:20:26,400

folks who have come public

483

00:20:29,270 --> 00:20:27,120

um

484

00:20:31,190 --> 00:20:29,280

but Jay Stratton hasn't spoken yet about

485

00:20:32,750 --> 00:20:31,200

what happened to him on Skinwalker Ranch

486

00:20:34,370 --> 00:20:32,760

and he hasn't spoken to what happened to

487

00:20:36,409 --> 00:20:34,380

his family but I've already seen people

488

00:20:40,250 --> 00:20:36,419

taking shots at him of course of course

489

00:20:42,710 --> 00:20:40,260

that stigma is still a massive problem

490

00:20:45,049 --> 00:20:42,720

hi alien girl hi everybody and also

491

00:20:48,110 --> 00:20:45,059

thank you for the the um wishes about my

492

00:20:51,169 --> 00:20:48,120

dad yeah um

493

00:20:52,549 --> 00:20:51,179

no him being at La aliencon is not the

494

00:20:54,350 --> 00:20:52,559

controversial part and I can't talk

495

00:20:56,750 --> 00:20:54,360

about it because he said I can't talk

496

00:20:58,490 --> 00:20:56,760

about it um it's not some Blockbuster

497

00:21:04,370 --> 00:20:58,500

news but it's it'll give us more J

498

00:21:07,730 --> 00:21:06,230

thanks Adam thanks for being here thanks

499

00:21:10,970 --> 00:21:07,740

everybody

500

00:21:13,909 --> 00:21:10,980

um yeah feel free to jump in alien girl

501  
00:21:16,370 --> 00:21:13,919  
the problem is I'm frozen so people

502  
00:21:18,110 --> 00:21:16,380  
jumping in may be frozen too but you can

503  
00:21:21,169 --> 00:21:18,120  
try put the link out

504  
00:21:22,130 --> 00:21:21,179  
put it out one more time

505  
00:21:26,390 --> 00:21:22,140  
um

506  
00:21:28,490 --> 00:21:26,400  
my my Twitter has exploded because with

507  
00:21:30,230 --> 00:21:28,500  
new followers because I think because of

508  
00:21:31,970 --> 00:21:30,240  
the balloon story because the blue

509  
00:21:33,950 --> 00:21:31,980  
anytime I tweet anything related to

510  
00:21:36,710 --> 00:21:33,960  
balloon slash whatever those objects

511  
00:21:38,570 --> 00:21:36,720  
were I say balloon because it's easier

512  
00:21:40,730 --> 00:21:38,580  
um that's when they get the most action

513  
00:21:43,490 --> 00:21:40,740

most activity and I see

514

00:21:45,289 --> 00:21:43,500

activity like I have not seen before and

515

00:21:47,750 --> 00:21:45,299

the problem is if nothing new happens

516

00:21:49,669 --> 00:21:47,760

those people are gonna say oh you know

517

00:21:51,710 --> 00:21:49,679

nothing really new they're gonna they'll

518

00:21:53,690 --> 00:21:51,720

lose interest so

519

00:21:55,730 --> 00:21:53,700

we'll see what happens I don't know if

520

00:21:57,890 --> 00:21:55,740

anything more is going to come of what

521

00:21:59,810 --> 00:21:57,900

we've seen from the past two weeks as

522

00:22:01,190 --> 00:21:59,820

far as now the filters are down on the

523

00:22:03,770 --> 00:22:01,200

radar and we're you know we're going to

524

00:22:05,149 --> 00:22:03,780

pick up more objects allegedly some of

525

00:22:06,950 --> 00:22:05,159

those objects will be some of the

526

00:22:09,529 --> 00:22:06,960

objects making Maneuvers that we don't

527

00:22:10,970 --> 00:22:09,539

understand which was part of the odni

528

00:22:12,649 --> 00:22:10,980

report

529

00:22:14,029 --> 00:22:12,659

hopefully hopefully and we get to hear

530

00:22:16,310 --> 00:22:14,039

more about that and we have more people

531

00:22:18,110 --> 00:22:16,320

come out of the Shadows Jay Stratton

532

00:22:19,909 --> 00:22:18,120

speaking publicly is is fantastic

533

00:22:21,710 --> 00:22:19,919

because he's so credible it's like I

534

00:22:23,450 --> 00:22:21,720

said it's really difficult even for the

535

00:22:25,730 --> 00:22:23,460

the biggest Skeptics to take him down

536

00:22:28,370 --> 00:22:25,740

but they will once he starts sharing his

537

00:22:29,930 --> 00:22:28,380

complete story of what happened to him

538

00:22:33,310 --> 00:22:29,940

if you don't know what happened to him

539

00:22:36,470 --> 00:22:33,320

he is Axelrod in the book

540

00:22:38,810 --> 00:22:36,480

Skin Walkers at the Pentagon which is

541

00:22:40,909 --> 00:22:38,820

one of my favorite books of all time

542

00:22:43,130 --> 00:22:40,919

talking about the offset program and how

543

00:22:44,990 --> 00:22:43,140

it began

544

00:22:48,590 --> 00:22:45,000

um yeah the president did go through

545

00:22:50,570 --> 00:22:48,600

pretty quick but you know they said his

546

00:22:52,490 --> 00:22:50,580

day was busy he had some doctor's

547

00:22:55,130 --> 00:22:52,500

appointments so I didn't really expect

548

00:22:56,870 --> 00:22:55,140

much and I know people were like what is

549

00:22:58,549 --> 00:22:56,880

he going to reveal and I'm like he's not

550

00:23:01,070 --> 00:22:58,559

going to reveal anything if you know

551

00:23:03,049 --> 00:23:01,080

there's a part Jacques vale's book his

552

00:23:04,310 --> 00:23:03,059

new forbidden signed volume Five where

553

00:23:07,010 --> 00:23:04,320

he talks about

554

00:23:10,210 --> 00:23:07,020

I think it was 2005 where Hal putoff

555

00:23:12,890 --> 00:23:10,220

went to a a panel with it was a

556

00:23:14,450 --> 00:23:12,900

semi-official panel with like 60 folks

557

00:23:16,310 --> 00:23:14,460

representing

558

00:23:18,470 --> 00:23:16,320

various I don't remember exactly where

559

00:23:20,149 --> 00:23:18,480

they were from he didn't say but they

560

00:23:22,070 --> 00:23:20,159

were discussing government policy and

561

00:23:24,710 --> 00:23:22,080

disclosure

562

00:23:26,330 --> 00:23:24,720

and basically before they were before

563

00:23:28,250 --> 00:23:26,340

the meeting they were all open to the

564

00:23:31,549 --> 00:23:28,260

possibilities of disclosure and the and

565

00:23:33,350 --> 00:23:31,559

afterwards they all said no so it's like

566

00:23:35,330 --> 00:23:33,360

that tells you that's the mentality has

567

00:23:37,190 --> 00:23:35,340

it changed in 18 years I don't think so

568

00:23:39,710 --> 00:23:37,200

I still think they would like to avoid

569

00:23:41,510 --> 00:23:39,720

disclosure because a they don't know

570

00:23:43,430 --> 00:23:41,520

what it is or B they know some of what

571

00:23:45,110 --> 00:23:43,440

it is and it's not good and people will

572

00:23:46,909 --> 00:23:45,120

not be able to handle it and we talk

573

00:23:49,370 --> 00:23:46,919

about John Harrington who was briefed

574

00:23:52,789 --> 00:23:49,380

you hear the story Bryce Abel speaks

575

00:23:55,549 --> 00:23:52,799

about where um his partner in the show

576

00:23:57,289 --> 00:23:55,559

Dark Skies Brent Friedman spoke when he

577

00:23:59,270 --> 00:23:57,299

was 18 years old he drove

578

00:24:01,250 --> 00:23:59,280

John Harrington who was

579

00:24:03,289 --> 00:24:01,260

Secretary of

580

00:24:04,789 --> 00:24:03,299

I forget exactly what his title was he

581

00:24:06,830 --> 00:24:04,799

was related to the Department of energy

582

00:24:08,630 --> 00:24:06,840

credible guy and Friedman said that

583

00:24:11,210 --> 00:24:08,640

Harrington said he was briefed about

584

00:24:13,370 --> 00:24:11,220

UFO's underground for six weeks and

585

00:24:15,230 --> 00:24:13,380

every night he went and cried himself to

586

00:24:17,510 --> 00:24:15,240

sleep and then we hear about President

587

00:24:19,010 --> 00:24:17,520

Carter crying during his briefing so

588

00:24:21,289 --> 00:24:19,020

what are they being told that's making

589

00:24:23,390 --> 00:24:21,299

them cry so that may be part of the

590

00:24:24,590 --> 00:24:23,400

reason oh Amy's there let's see if is

591

00:24:26,270 --> 00:24:24,600

that maybe that may be part of the

592

00:24:28,549 --> 00:24:26,280

reason

593

00:24:31,549 --> 00:24:28,559

you're not frozen I am Frozen thanks for

594

00:24:34,730 --> 00:24:31,559

coming on you are one second

595

00:24:36,409 --> 00:24:34,740

actually the truth is I am not frozen I

596

00:24:38,450 --> 00:24:36,419

just I'm not moving

597

00:24:40,610 --> 00:24:38,460

you're not moving you're a frozen man

598

00:24:42,890 --> 00:24:40,620

I'm kidding

599

00:24:44,810 --> 00:24:42,900

I'm glad you just should man I need to

600

00:24:46,850 --> 00:24:44,820

do a do a stream I need to do a stream

601  
00:24:49,970 --> 00:24:46,860  
yeah that's my first time I'm sorry to

602  
00:24:53,090 --> 00:24:49,980  
hear about your dad man I'm sorry Dad I

603  
00:24:56,350 --> 00:24:53,100  
I just lost my my brother so well really

604  
00:25:02,870 --> 00:24:58,850  
UFOs helped me forget about everything

605  
00:25:05,690 --> 00:25:02,880  
that's one reason I'm into it yeah yes

606  
00:25:07,370 --> 00:25:05,700  
you have an open stream yard link I was

607  
00:25:08,810 --> 00:25:07,380  
like I'm jumping on plus I haven't heard

608  
00:25:10,090 --> 00:25:08,820  
anything about what's going on with the

609  
00:25:13,370 --> 00:25:10,100  
Biden stuff

610  
00:25:15,289 --> 00:25:13,380  
did you see it at all no no

611  
00:25:16,610 --> 00:25:15,299  
I've been a wreck that's why I'm like

612  
00:25:19,549 --> 00:25:16,620  
I'm just gonna go hang out with you

613  
00:25:21,770 --> 00:25:19,559

about Joe right now I was just

614

00:25:23,210 --> 00:25:21,780

summarizing it oh yeah it was it was

615

00:25:24,470 --> 00:25:23,220

boring so basically he's just saying

616

00:25:26,390 --> 00:25:24,480

there's surveillance over sensitive

617

00:25:28,190 --> 00:25:26,400

sites you know we we're trying to

618

00:25:29,990 --> 00:25:28,200

recover the stuff we shot down don't

619

00:25:32,090 --> 00:25:30,000

know what they were we don't think they

620

00:25:33,710 --> 00:25:32,100

were from a foreign F sorry but we do

621

00:25:36,110 --> 00:25:33,720

think they're from private companies and

622

00:25:38,510 --> 00:25:36,120

scientific research which Jessica

623

00:25:40,310 --> 00:25:38,520

Axelrod who's Axelrod she was talking

624

00:25:43,130 --> 00:25:40,320

about that she did some research into

625

00:25:45,649 --> 00:25:43,140

that no evidence of of a sudden increase

626  
00:25:47,269 --> 00:25:45,659  
in activity of these objects being seen

627  
00:25:48,710 --> 00:25:47,279  
it was only because the radar they

628  
00:25:50,690 --> 00:25:48,720  
believed the radar was adjusted and

629  
00:25:52,430 --> 00:25:50,700  
that's why we're seeing it more and if

630  
00:25:54,169 --> 00:25:52,440  
any object presents a threat we'll take

631  
00:25:54,950 --> 00:25:54,179  
it down

632  
00:25:57,289 --> 00:25:54,960  
um

633  
00:26:00,649 --> 00:25:57,299  
I think he kept saying unmanned unmanned

634  
00:26:03,049 --> 00:26:00,659  
unmanned it's just you know obviously

635  
00:26:04,310 --> 00:26:03,059  
they're not taking down man's Craft

636  
00:26:07,130 --> 00:26:04,320  
um right and we're talking and we're

637  
00:26:08,870 --> 00:26:07,140  
talking about unmanned quote maybe not

638  
00:26:10,490 --> 00:26:08,880

human uh that's what we want to hear but

639

00:26:12,529 --> 00:26:10,500

he's not he's not even going anywhere

640

00:26:14,330 --> 00:26:12,539

near there that's basically what he said

641

00:26:16,250 --> 00:26:14,340

you know we'll take down more objects if

642

00:26:17,930 --> 00:26:16,260

they come in our airspace and they don't

643

00:26:20,450 --> 00:26:17,940

apologize for taking down the Chinese

644

00:26:22,490 --> 00:26:20,460

Chinese balloon so

645

00:26:24,409 --> 00:26:22,500

there's a lot of weird stuff a lot of

646

00:26:27,350 --> 00:26:24,419

weird talking right now a lot of this

647

00:26:30,230 --> 00:26:27,360

it's amazing when UFOs actually hit the

648

00:26:33,169 --> 00:26:30,240

mainstream it becomes incredibly scary

649

00:26:35,990 --> 00:26:33,179

right like I love having fun with it and

650

00:26:39,590 --> 00:26:36,000

being like yeah let's talk to the aliens

651  
00:26:41,990 --> 00:26:39,600  
but this was a lot right and what's

652  
00:26:44,630 --> 00:26:42,000  
interestingly enough all of like my

653  
00:26:46,549 --> 00:26:44,640  
starseed alien friends you know it's

654  
00:26:51,230 --> 00:26:46,559  
Darcy I mean to put quotes guys I love

655  
00:26:54,230 --> 00:26:51,240  
you I'm a starseed as well but um even

656  
00:26:57,649 --> 00:26:54,240  
like like Elena Denon in a lot of these

657  
00:26:58,909 --> 00:26:57,659  
other UFO people right like the ones in

658  
00:27:01,310 --> 00:26:58,919  
active communication with

659  
00:27:04,310 --> 00:27:01,320  
extraterrestrials

660  
00:27:06,289 --> 00:27:04,320  
um like there's a Sandia the ET Sue

661  
00:27:08,210 --> 00:27:06,299  
Walker she's in active communication

662  
00:27:09,409 --> 00:27:08,220  
with extraterrestrials in the Sandia

663  
00:27:12,649 --> 00:27:09,419

## Mountains

664

00:27:14,149 --> 00:27:12,659

so her and also Elena Denon and all of

665

00:27:15,430 --> 00:27:14,159

these other people who are talking about

666

00:27:18,049 --> 00:27:15,440

being in connection with

667

00:27:19,730 --> 00:27:18,059

extraterrestrials are also discussing

668

00:27:22,370 --> 00:27:19,740

the fact that these were human craft

669

00:27:24,289 --> 00:27:22,380

which I find fascinating

670

00:27:25,730 --> 00:27:24,299

yeah that's interesting because a lot of

671

00:27:27,110 --> 00:27:25,740

people jump to the conclusion right away

672

00:27:29,090 --> 00:27:27,120

and they don't want to hear any other

673

00:27:31,669 --> 00:27:29,100

awk they don't want to hear any other

674

00:27:33,350 --> 00:27:31,679

option except these are non-human craft

675

00:27:36,049 --> 00:27:33,360

and I was like I have not seen any

676

00:27:38,630 --> 00:27:36,059

evidence of that I don't you know I

677

00:27:40,430 --> 00:27:38,640

don't I don't interact a lot with people

678

00:27:42,409 --> 00:27:40,440

who claim to have interactions with

679

00:27:44,029 --> 00:27:42,419

extraterrestrials I know I have friends

680

00:27:45,710 --> 00:27:44,039

like that

681

00:27:47,810 --> 00:27:45,720

um not a lot but I'm definitely on the

682

00:27:50,029 --> 00:27:47,820

more conservative side but I talk about

683

00:27:52,250 --> 00:27:50,039

I do talk about stuff like reincarnation

684

00:27:53,810 --> 00:27:52,260

and a soul trap and a and if we're in a

685

00:27:55,549 --> 00:27:53,820

simulation and people get on my case

686

00:27:57,289 --> 00:27:55,559

about that and they say you believe a

687

00:27:59,149 --> 00:27:57,299

lot of that stuff I don't believe any of

688

00:28:01,250 --> 00:27:59,159

that stuff I'm interested it might be

689

00:28:03,529 --> 00:28:01,260

true I I don't go very far as far as

690

00:28:05,289 --> 00:28:03,539

beliefs but we're definitely be I do

691

00:28:07,610 --> 00:28:05,299

believe something

692

00:28:09,710 --> 00:28:07,620

non-human something anomalous is

693

00:28:11,210 --> 00:28:09,720

interacting with us no doubt in my mind

694

00:28:13,789 --> 00:28:11,220

as far as all the other stuff I don't

695

00:28:15,590 --> 00:28:13,799

know I take it on a case-by-case basis

696

00:28:18,409 --> 00:28:15,600

and that's what's hard it's been really

697

00:28:21,890 --> 00:28:18,419

hard few days in terms of UFOs

698

00:28:24,169 --> 00:28:21,900

for like because I oh I hate it I know

699

00:28:26,570 --> 00:28:24,179

so much so much I'm not being

700

00:28:28,450 --> 00:28:26,580

egotistical when I say that I do I know

701

00:28:31,669 --> 00:28:28,460

a lot about what's going on in ufology

702

00:28:33,769 --> 00:28:31,679

and when this stuff comes out man it's

703

00:28:36,169 --> 00:28:33,779

just like there's the wacky the wacky

704

00:28:38,090 --> 00:28:36,179

alien person it's like I don't know guys

705

00:28:40,789 --> 00:28:38,100

the government's just psyopped you

706

00:28:44,390 --> 00:28:40,799

pretty hardcore either to distract you

707

00:28:45,529 --> 00:28:44,400

from the Ohio Ohio explosion right like

708

00:28:48,710 --> 00:28:45,539

there's just

709

00:28:51,110 --> 00:28:48,720

I don't know man world's whack Joe but

710

00:28:52,970 --> 00:28:51,120

and during the during the Rubio press

711

00:28:54,529 --> 00:28:52,980

conference the other day he there was a

712

00:28:57,169 --> 00:28:54,539

reporter that said why have you ruled

713

00:28:59,510 --> 00:28:57,179

out the Extraterrestrial possibilities

714

00:29:01,669 --> 00:28:59,520

and there were two female reporters on

715

00:29:04,250 --> 00:29:01,679

the on the end that just started smiling

716

00:29:06,590 --> 00:29:04,260

and you can see the stigma is there it's

717

00:29:07,909 --> 00:29:06,600

still alive and well but I'm gonna take

718

00:29:09,529 --> 00:29:07,919

I'm just to go through some questions

719

00:29:12,110 --> 00:29:09,539

why didn't any psychics predict the

720

00:29:16,070 --> 00:29:12,120

balloon events I have no idea it was an

721

00:29:18,110 --> 00:29:16,080

embarrassment speaking of bush Biden

722

00:29:20,630 --> 00:29:18,120

um that Smith who's an amazing remote

723

00:29:23,210 --> 00:29:20,640

viewer does news headline predictions

724

00:29:26,810 --> 00:29:23,220

um yeah Dad Smith is amazing

725

00:29:28,430 --> 00:29:26,820

um he's one of the newer remote viewers

726

00:29:29,810 --> 00:29:28,440

um what do you sort of say is going on

727

00:29:31,430 --> 00:29:29,820

inside the Air Force right now I don't

728

00:29:32,990 --> 00:29:31,440

have anything but I will reach out soon

729

00:29:34,850 --> 00:29:33,000

to people and to see what their take is

730

00:29:36,529 --> 00:29:34,860

nobody has reached out to me so I need

731

00:29:37,909 --> 00:29:36,539

to do that

732

00:29:39,470 --> 00:29:37,919

um

733

00:29:40,850 --> 00:29:39,480

it's a shame in light of these recent

734

00:29:42,889 --> 00:29:40,860

objects the media hasn't asked questions

735

00:29:44,870 --> 00:29:42,899

about the more anomalous cases that's a

736

00:29:47,450 --> 00:29:44,880

general lack of education on the subject

737

00:29:49,909 --> 00:29:47,460

in the mainstream media sadly this is my

738

00:29:52,850 --> 00:29:49,919

biggest issue you saw during the press

739

00:29:54,769 --> 00:29:52,860

conference with Kirby uh the Pentagon

740

00:29:56,269 --> 00:29:54,779

guy it's like and they brought him to

741

00:29:57,289 --> 00:29:56,279

the White House

742

00:30:00,049 --> 00:29:57,299

um

743

00:30:03,049 --> 00:30:00,059

he didn't no none of the reporters asked

744

00:30:05,029 --> 00:30:03,059

anything UFO related they just there was

745

00:30:07,610 --> 00:30:05,039

like two questions about UAP two

746

00:30:09,230 --> 00:30:07,620

questions two reporters I don't know who

747

00:30:11,810 --> 00:30:09,240

they were I was like thank God somebody

748

00:30:13,549 --> 00:30:11,820

asked but overall they're afraid to ask

749

00:30:15,169 --> 00:30:13,559

I think they're afraid to ask or they're

750

00:30:16,130 --> 00:30:15,179

ignorant they just don't know about the

751  
00:30:17,570 --> 00:30:16,140  
subject

752  
00:30:19,250 --> 00:30:17,580  
and it's frustrating at this point in

753  
00:30:22,010 --> 00:30:19,260  
time you would think they would say you

754  
00:30:23,690 --> 00:30:22,020  
know why are we going back to 1945 can

755  
00:30:25,490 --> 00:30:23,700  
you answer questions about that can you

756  
00:30:29,330 --> 00:30:25,500  
answer you know Roswell can you at least

757  
00:30:31,789 --> 00:30:29,340  
ask the question but most of them do not

758  
00:30:33,830 --> 00:30:31,799  
so yeah some weird stuff going on man

759  
00:30:35,930 --> 00:30:33,840  
like why do they want everything in the

760  
00:30:39,350 --> 00:30:35,940  
UAP report why do they want everything

761  
00:30:41,570 --> 00:30:39,360  
from 1945 onward right

762  
00:30:43,549 --> 00:30:41,580  
they were they were they were brief no

763  
00:30:45,470 --> 00:30:43,559

doubt when art Davis came to Capitol

764

00:30:48,590 --> 00:30:45,480

Hill they were briefed on

765

00:30:51,649 --> 00:30:48,600

um crash retrievals as far as 1945

766

00:30:53,750 --> 00:30:51,659

I I know it's I assume it's they've been

767

00:30:55,909 --> 00:30:53,760

told about

768

00:30:58,610 --> 00:30:55,919

Trinity and the alleged crash that

769

00:31:00,529 --> 00:30:58,620

happened there uh I don't know about

770

00:31:02,570 --> 00:31:00,539

Trinity I mean I've

771

00:31:04,370 --> 00:31:02,580

I've heard I've listened to a lot of

772

00:31:06,649 --> 00:31:04,380

Jacque Valley interviews I've spoken to

773

00:31:08,750 --> 00:31:06,659

somebody privately who said so and so

774

00:31:10,490 --> 00:31:08,760

believes that Trinity is not a crash

775

00:31:12,169 --> 00:31:10,500

retrieval so I don't know but that's why

776

00:31:13,909 --> 00:31:12,179

they went back there and Sean

777

00:31:16,789 --> 00:31:13,919

Kirkpatrick who who was the head of

778

00:31:17,930 --> 00:31:16,799

Arrow he is without saying specifics he

779

00:31:20,870 --> 00:31:17,940

is doing what he's supposed to be doing

780

00:31:23,090 --> 00:31:20,880

right now as far as crash retrievals the

781

00:31:24,769 --> 00:31:23,100

big issue they've I have no doubt they

782

00:31:26,330 --> 00:31:24,779

found those programs the problem the

783

00:31:27,169 --> 00:31:26,340

question is did they get access to it

784

00:31:29,210 --> 00:31:27,179

and

785

00:31:30,529 --> 00:31:29,220

all the people I speak to say no they

786

00:31:32,330 --> 00:31:30,539

have not gotten access but then there

787

00:31:33,710 --> 00:31:32,340

are other people say privately like well

788

00:31:35,570 --> 00:31:33,720

yeah they've gotten access so I don't

789

00:31:37,190 --> 00:31:35,580

know I don't know but that would be the

790

00:31:39,409 --> 00:31:37,200

Holy Grail we wouldn't have to argue an

791

00:31:40,850 --> 00:31:39,419

object you know oh there's an optic that

792

00:31:43,130 --> 00:31:40,860

was shot down we can't see it we don't

793

00:31:45,409 --> 00:31:43,140

know what it is if we have stuff and

794

00:31:47,090 --> 00:31:45,419

people like Rubio and Warner they're

795

00:31:49,250 --> 00:31:47,100

able to go in and look at it that debate

796

00:31:51,470 --> 00:31:49,260

would be over but there are people who

797

00:31:53,389 --> 00:31:51,480

are so skeptical who I respect highly

798

00:31:55,370 --> 00:31:53,399

they're so skeptical that that secret

799

00:31:57,049 --> 00:31:55,380

could be kept I think it could be kept

800

00:31:59,269 --> 00:31:57,059

but I don't know I don't know for sure

801  
00:32:01,669 --> 00:31:59,279  
until we see it for ourselves

802  
00:32:04,010 --> 00:32:01,679  
Elon said some weird stuff in the last

803  
00:32:05,870 --> 00:32:04,020  
24 hours he was talking I don't know

804  
00:32:08,029 --> 00:32:05,880  
it's something and he said you know if

805  
00:32:10,010 --> 00:32:08,039  
anybody knows that aliens exist I would

806  
00:32:11,029 --> 00:32:10,020  
know right because I've been all over I

807  
00:32:12,950 --> 00:32:11,039  
remember that I've tried to know

808  
00:32:14,570 --> 00:32:12,960  
everything about space

809  
00:32:16,909 --> 00:32:14,580  
and then he said something that was

810  
00:32:19,730 --> 00:32:16,919  
interesting which is like you know if it

811  
00:32:21,769 --> 00:32:19,740  
is true that we're alone and

812  
00:32:24,049 --> 00:32:21,779  
Consciousness is only this unique thing

813  
00:32:28,370 --> 00:32:24,059

on planet Earth it's just it's kind of

814

00:32:29,930 --> 00:32:28,380

sad right and um that that's an

815

00:32:32,330 --> 00:32:29,940

interesting thing right isn't that

816

00:32:35,990 --> 00:32:32,340

interesting it's interesting to me you

817

00:32:38,330 --> 00:32:36,000

know and who said that was it um oh what

818

00:32:40,850 --> 00:32:38,340

do I can't I think about oh come on he's

819

00:32:44,149 --> 00:32:40,860

the space guy Captain Kirk when he went

820

00:32:46,730 --> 00:32:44,159

up to space right with yeah William

821

00:32:48,950 --> 00:32:46,740

Shatner he said that when he came back

822

00:32:51,350 --> 00:32:48,960

down from space

823

00:32:53,930 --> 00:32:51,360

he was a little freaked out because he

824

00:32:55,070 --> 00:32:53,940

realized just how much nothingness was

825

00:32:58,070 --> 00:32:55,080

out there

826

00:32:59,810 --> 00:32:58,080

how much you know how how void it is out

827

00:33:00,970 --> 00:32:59,820

there

828

00:33:03,950 --> 00:33:00,980

yeah

829

00:33:06,529 --> 00:33:03,960

fascinating the person said who was it

830

00:33:08,090 --> 00:33:06,539

who said either we're obviously we're

831

00:33:10,250 --> 00:33:08,100

not alone and

832

00:33:12,529 --> 00:33:10,260

somebody else is here or we are alone

833

00:33:14,690 --> 00:33:12,539

and both of them are just as scary both

834

00:33:16,610 --> 00:33:14,700

thoughts are just as scary that was I

835

00:33:18,529 --> 00:33:16,620

think that was Carl Sagan I'll Google it

836

00:33:19,450 --> 00:33:18,539

real quick okay

837

00:33:21,769 --> 00:33:19,460

um

838

00:33:23,509 --> 00:33:21,779

let's see some more

839

00:33:25,130 --> 00:33:23,519

weird that they would not they would

840

00:33:27,049 --> 00:33:25,140

shoot down something without identifying

841

00:33:29,029 --> 00:33:27,059

and being sure that what it was or how

842

00:33:31,909 --> 00:33:29,039

to retrieve I mean

843

00:33:33,470 --> 00:33:31,919

I think they felt according to them they

844

00:33:35,509 --> 00:33:33,480

felt it was a threat

845

00:33:37,730 --> 00:33:35,519

um to commercial airline traffic at that

846

00:33:39,769 --> 00:33:37,740

altitude so that's why they did it

847

00:33:41,930 --> 00:33:39,779

there must be clear footage of those

848

00:33:43,610 --> 00:33:41,940

takedowns there must be

849

00:33:45,350 --> 00:33:43,620

um but their excuse is going to be

850

00:33:47,389 --> 00:33:45,360

sources and methods we can't show you

851  
00:33:48,529 --> 00:33:47,399  
the FLIR

852  
00:33:50,210 --> 00:33:48,539  
um

853  
00:33:51,470 --> 00:33:50,220  
we can rule out ET alien but

854  
00:33:53,090 --> 00:33:51,480  
simultaneously yeah that's what they've

855  
00:33:54,590 --> 00:33:53,100  
said but simultaneously they'll say we

856  
00:33:56,450 --> 00:33:54,600  
don't know what they are exactly it's

857  
00:33:58,850 --> 00:33:56,460  
like how could you rule that out I mean

858  
00:34:00,529 --> 00:33:58,860  
it was Kirsten gildebrand who I love

859  
00:34:02,210 --> 00:34:00,539  
what she's done she's like

860  
00:34:04,490 --> 00:34:02,220  
well

861  
00:34:06,049 --> 00:34:04,500  
um we don't know what they were but the

862  
00:34:07,250 --> 00:34:06,059  
military knows they're not a threat how

863  
00:34:08,570 --> 00:34:07,260

could you say that you don't even know

864

00:34:11,030 --> 00:34:08,580

what it is I don't know why you would

865

00:34:12,770 --> 00:34:11,040

say well right so let's take out the ET

866

00:34:15,109 --> 00:34:12,780

component I looked it up and here's

867

00:34:17,889 --> 00:34:15,119

what's fun about me right I was wrong

868

00:34:20,510 --> 00:34:17,899

Joe and I'm okay with it

869

00:34:22,070 --> 00:34:20,520

Arthur Arthur C Clarke said that not

870

00:34:23,869 --> 00:34:22,080

Carlson okay

871

00:34:25,730 --> 00:34:23,879

so I don't know and I think that's

872

00:34:28,250 --> 00:34:25,740

important too like people are so afraid

873

00:34:29,629 --> 00:34:28,260

to be wrong right instead of just taking

874

00:34:31,669 --> 00:34:29,639

a look back at all the theories but

875

00:34:33,470 --> 00:34:31,679

let's take out the alien thing I've been

876

00:34:36,050 --> 00:34:33,480

talking to some people and what if that

877

00:34:38,450 --> 00:34:36,060

was what if they're putting these emps

878

00:34:39,349 --> 00:34:38,460

on balloons and floating them over the

879

00:34:41,030 --> 00:34:39,359

country

880

00:34:43,129 --> 00:34:41,040

maybe that's you know what I mean

881

00:34:44,869 --> 00:34:43,139

there's just so many yeah I mean they

882

00:34:47,270 --> 00:34:44,879

have to be ready for all possibilities

883

00:34:48,950 --> 00:34:47,280

you know The Human Side like you said I

884

00:34:50,570 --> 00:34:48,960

mean we have we still don't know who

885

00:34:52,849 --> 00:34:50,580

carried out

886

00:34:54,950 --> 00:34:52,859

um Havana syndrome whether or not it was

887

00:34:57,170 --> 00:34:54,960

a foreign adversary or the one thing I I

888

00:34:58,910 --> 00:34:57,180

888  
speak about is a non-government

889

00:35:00,650 --> 00:34:58,920

organization would be somebody who's not

890

00:35:02,270 --> 00:35:00,660

even connected to any government I don't

891

00:35:04,670 --> 00:35:02,280

know who that would be I think the long

892

00:35:05,990 --> 00:35:04,680

wrote about it in his fiction slash

893

00:35:06,650 --> 00:35:06,000

truth books

894

00:35:08,930 --> 00:35:06,660

um

895

00:35:11,089 --> 00:35:08,940

that's controversial just like my labs

896

00:35:12,290 --> 00:35:11,099

is controversial my opinion on my labs I

897

00:35:15,170 --> 00:35:12,300

don't know I mean I spoke to I

898

00:35:17,990 --> 00:35:15,180

interviewed Melinda Leslie back in I

899

00:35:19,550 --> 00:35:18,000

think it was 98 99 it's like one of the

900

00:35:21,170 --> 00:35:19,560

first people and she started talking

901  
00:35:24,470 --> 00:35:21,180  
about my labs and I'm like and I was

902  
00:35:26,930 --> 00:35:24,480  
just getting into UFOs I'm like so I you

903  
00:35:28,550 --> 00:35:26,940  
know it was like military jobs yeah yeah

904  
00:35:30,050 --> 00:35:28,560  
yeah but I didn't really think too much

905  
00:35:31,849 --> 00:35:30,060  
of it at the time and I thought she was

906  
00:35:33,230 --> 00:35:31,859  
credible and but then there were people

907  
00:35:34,849 --> 00:35:33,240  
like you know there's so much interest

908  
00:35:36,890 --> 00:35:34,859  
infrastructure would have to be there

909  
00:35:39,770 --> 00:35:36,900  
for us to for that to be taking plus but

910  
00:35:41,810 --> 00:35:39,780  
I don't know I gotta zip out Joe I got a

911  
00:35:43,089 --> 00:35:41,820  
phone call I gotta go I'm thankful thank

912  
00:35:47,109 --> 00:35:43,099  
you

913  
00:35:50,030 --> 00:35:47,119

beautiful day

914

00:35:52,550 --> 00:35:50,040

thanks again bye

915

00:35:56,030 --> 00:35:52,560

all right I'll just go through um your

916

00:35:58,190 --> 00:35:56,040

questions so my labs here um

917

00:36:04,130 --> 00:35:58,200

thing that makes me think my labs may be

918

00:36:10,849 --> 00:36:07,430

I forget I'm gonna have a she wrote um

919

00:36:12,109 --> 00:36:10,859

she wrote taken Carl or turn I spoke

920

00:36:14,150 --> 00:36:12,119

about a phone call she had where

921

00:36:15,890 --> 00:36:14,160

somebody zipped in and said you know she

922

00:36:17,450 --> 00:36:15,900

was talking and they zipped in

923

00:36:18,710 --> 00:36:17,460

she said it was like a zipping sound and

924

00:36:19,910 --> 00:36:18,720

the person on the other end it was a

925

00:36:21,050 --> 00:36:19,920

gentleman who said we know you know

926  
00:36:22,069 --> 00:36:21,060  
because she was like we don't know what

927  
00:36:23,569 --> 00:36:22,079  
we're dealing with we don't know who

928  
00:36:25,010 --> 00:36:23,579  
they are and the person jumped into the

929  
00:36:27,410 --> 00:36:25,020  
phone conversation as if they were

930  
00:36:28,970 --> 00:36:27,420  
tapping her phone and the conversation

931  
00:36:30,470 --> 00:36:28,980  
she was having and they said we know

932  
00:36:31,609 --> 00:36:30,480  
exactly who they are we know exactly

933  
00:36:35,390 --> 00:36:31,619  
where they come from we know how many

934  
00:36:37,130 --> 00:36:35,400  
there are so you know why are they

935  
00:36:39,710 --> 00:36:37,140  
monitoring her phone calls is that

936  
00:36:41,930 --> 00:36:39,720  
connected to my labs I don't know I

937  
00:36:43,849 --> 00:36:41,940  
don't totally rule it out

938  
00:36:45,290 --> 00:36:43,859

yeah how is actual that what set of

939

00:36:47,150 --> 00:36:45,300

criteria in order to roll out actually

940

00:36:48,589 --> 00:36:47,160

do need to have a well-defined idea of

941

00:36:50,089 --> 00:36:48,599

what x is it's a great point I don't

942

00:36:53,089 --> 00:36:50,099

know how they rule out anything at this

943

00:36:55,250 --> 00:36:53,099

point even if it's not traveling and you

944

00:36:58,190 --> 00:36:55,260

know at a high speed

945

00:37:00,109 --> 00:36:58,200

who's to say what an alien quote unquote

946

00:37:02,750 --> 00:37:00,119

would even look like or how their craft

947

00:37:04,790 --> 00:37:02,760

or event Neumann crafts probe would look

948

00:37:06,589 --> 00:37:04,800

like we don't know I mean I assume it's

949

00:37:08,089 --> 00:37:06,599

prosaic I just don't know how you can

950

00:37:09,770 --> 00:37:08,099

rule out anything at this point unless

951  
00:37:11,150 --> 00:37:09,780  
they know more that they're not saying

952  
00:37:12,109 --> 00:37:11,160  
but it doesn't seem like it when these

953  
00:37:14,210 --> 00:37:12,119  
senators are coming out of their

954  
00:37:16,609 --> 00:37:14,220  
briefings

955  
00:37:18,410 --> 00:37:16,619  
unmanned so no one died yeah

956  
00:37:20,750 --> 00:37:18,420  
um that would be a disaster if they shot

957  
00:37:21,530 --> 00:37:20,760  
something down and that was manned

958  
00:37:26,150 --> 00:37:21,540  
um

959  
00:37:28,609 --> 00:37:26,160  
see heat signatures inside of the craft

960  
00:37:30,349 --> 00:37:28,619  
and they saw nothing

961  
00:37:32,690 --> 00:37:30,359  
again if you guys want to join I put

962  
00:37:35,030 --> 00:37:32,700  
that up there

963  
00:37:37,370 --> 00:37:35,040

the situation little and geospace

964

00:37:39,109 --> 00:37:37,380

awareness has been a little lazy it

965

00:37:40,609 --> 00:37:39,119

seems how did they not know China has a

966

00:37:43,430 --> 00:37:40,619

near-earth supply program they probably

967

00:37:44,750 --> 00:37:43,440

did I mean I I'm highly skeptical that

968

00:37:46,430 --> 00:37:44,760

they didn't know about that and they

969

00:37:48,890 --> 00:37:46,440

probably knew about the China balloon

970

00:37:50,690 --> 00:37:48,900

but it's happened so much time and

971

00:37:52,970 --> 00:37:50,700

the only reason we heard about it is

972

00:37:55,370 --> 00:37:52,980

that person over Montana told about told

973

00:37:56,630 --> 00:37:55,380

the media about it I don't think if they

974

00:37:57,950 --> 00:37:56,640

didn't do that we would have heard about

975

00:38:00,109 --> 00:37:57,960

this and none of this would have

976  
00:38:02,510 --> 00:38:00,119  
happened so I think this is like a

977  
00:38:05,750 --> 00:38:02,520  
backwards way to getting more light

978  
00:38:07,310 --> 00:38:05,760  
shined on the UFO issue but I don't

979  
00:38:10,310 --> 00:38:07,320  
think there's going to be a break to any

980  
00:38:12,109 --> 00:38:10,320  
breakthrough publicly anytime soon

981  
00:38:14,030 --> 00:38:12,119  
um hopefully stuff is going on behind

982  
00:38:15,950 --> 00:38:14,040  
the scenes like we've heard

983  
00:38:17,810 --> 00:38:15,960  
and can stuff will continue to happen

984  
00:38:19,450 --> 00:38:17,820  
but I don't like I don't think any

985  
00:38:22,130 --> 00:38:19,460  
breakthrough is going to come next week

986  
00:38:23,750 --> 00:38:22,140  
with the UAP that we're really

987  
00:38:25,970 --> 00:38:23,760  
interested in the ones that are you know

988  
00:38:28,130 --> 00:38:25,980

instantaneous acceleration you know

989

00:38:29,870 --> 00:38:28,140

making 90 degree turns we still don't

990

00:38:31,790 --> 00:38:29,880

have any of that evidence in the public

991

00:38:34,490 --> 00:38:31,800

realm so it's kind of art kind of hard

992

00:38:36,530 --> 00:38:34,500

to argue when people like Eric Weinstein

993

00:38:40,130 --> 00:38:36,540

say yeah we don't have any of that so I

994

00:38:42,349 --> 00:38:40,140

mean I agree we don't so

995

00:38:44,270 --> 00:38:42,359

are are we sure that crash retrieval

996

00:38:45,650 --> 00:38:44,280

programs do exist it seems to me by now

997

00:38:47,329 --> 00:38:45,660

somebody would have said something and

998

00:38:49,370 --> 00:38:47,339

that's that's one of the people I spoke

999

00:38:52,190 --> 00:38:49,380

with privately that's exactly what he

1000

00:38:53,990 --> 00:38:52,200

said really smart guy you would know who

1001

00:38:55,730 --> 00:38:54,000

this person is um

1002

00:38:58,370 --> 00:38:55,740

he's like no I don't believe it I think

1003

00:38:59,810 --> 00:38:58,380

the secret would be out and I said it

1004

00:39:01,790 --> 00:38:59,820

depends on what they're telling these

1005

00:39:03,950 --> 00:39:01,800

people if they're telling them listen if

1006

00:39:05,630 --> 00:39:03,960

the secret ever gets out the world is

1007

00:39:08,089 --> 00:39:05,640

gonna come down and it's gonna come

1008

00:39:09,890 --> 00:39:08,099

crashing down number one number two

1009

00:39:11,810 --> 00:39:09,900

you're going to jail you're going to

1010

00:39:12,890 --> 00:39:11,820

prison if you ever talk about this one

1011

00:39:15,890 --> 00:39:12,900

of the people I spoke with who's

1012

00:39:17,210 --> 00:39:15,900

mentioned in the Wilson Davis notes

1013

00:39:19,310 --> 00:39:17,220

um I called him I got his phone number

1014

00:39:21,470 --> 00:39:19,320

from somebody and I just gave a call

1015

00:39:23,690 --> 00:39:21,480

cold call and one of the biggest

1016

00:39:25,130 --> 00:39:23,700

arguments he had was against this being

1017

00:39:27,470 --> 00:39:25,140

public and he didn't admit that Wilson

1018

00:39:29,270 --> 00:39:27,480

Davis was legit which we having even

1019

00:39:30,650 --> 00:39:29,280

gone live since the valet put out his

1020

00:39:34,069 --> 00:39:30,660

book that's another thing we could talk

1021

00:39:36,349 --> 00:39:34,079

about maybe not today but

1022

00:39:37,970 --> 00:39:36,359

so he was like so worried about if this

1023

00:39:39,770 --> 00:39:37,980

secret was out what it would do for

1024

00:39:41,690 --> 00:39:39,780

society what it would do for religion so

1025

00:39:43,370 --> 00:39:41,700

I think that might be used to help keep

1026

00:39:46,130 --> 00:39:43,380

the secret telling these people who work

1027

00:39:47,690 --> 00:39:46,140

in these programs do I know 100 that

1028

00:39:50,150 --> 00:39:47,700

there's a crash retrieval program and

1029

00:39:51,890 --> 00:39:50,160

other related programs biology bodies no

1030

00:39:54,589 --> 00:39:51,900

I don't know

1031

00:39:57,170 --> 00:39:54,599

um I've spoken to enough people

1032

00:40:00,950 --> 00:39:57,180

um that I believe there are programs but

1033

00:40:03,349 --> 00:40:00,960

to know for sure 100 we need to see it

1034

00:40:05,150 --> 00:40:03,359

for ourselves or have somebody we

1035

00:40:07,490 --> 00:40:05,160

respect say listen I went there today

1036

00:40:08,930 --> 00:40:07,500

there was a craft you know we heard

1037

00:40:10,790 --> 00:40:08,940

about finally I heard this information

1038

00:40:12,890 --> 00:40:10,800

before I couldn't share it until now

1039

00:40:15,530 --> 00:40:12,900

because valet finally shared it and his

1040

00:40:17,150 --> 00:40:15,540

book Forbidden Science Volume 5 that

1041

00:40:23,510 --> 00:40:17,160

General

1042

00:40:27,829 --> 00:40:23,520

John or Jack Sheehan actually touched

1043

00:40:29,450 --> 00:40:27,839

the craft in 1970 I think it's 77 there

1044

00:40:31,609 --> 00:40:29,460

was an audit that took place they found

1045

00:40:33,170 --> 00:40:31,619

the crash retrieval program

1046

00:40:34,609 --> 00:40:33,180

um and this guy was allowed in Sheehan

1047

00:40:36,950 --> 00:40:34,619

was allowed in and he put his hand on

1048

00:40:39,170 --> 00:40:36,960

Craft supposedly that's the intact craft

1049

00:40:41,750 --> 00:40:39,180

but that's a story you know we don't

1050

00:40:46,250 --> 00:40:41,760

have it we don't have proof that that

1051  
00:40:49,849 --> 00:40:47,870  
um to go in and let us know people

1052  
00:40:52,069 --> 00:40:49,859  
somebody we respect multiple senators

1053  
00:40:53,690 --> 00:40:52,079  
from both sides of the aisle and then I

1054  
00:40:56,870 --> 00:40:53,700  
would love obviously we need to see for

1055  
00:40:59,810 --> 00:40:56,880  
ourselves video pictures a live feed

1056  
00:41:01,310 --> 00:40:59,820  
something to prove it 100 if they can't

1057  
00:41:04,010 --> 00:41:01,320  
even recover a balloon how are they

1058  
00:41:06,410 --> 00:41:04,020  
going to recover a UFO I think if there

1059  
00:41:09,290 --> 00:41:06,420  
really are recovery UFO recovery teams

1060  
00:41:10,790 --> 00:41:09,300  
they're top-notch the best of the best

1061  
00:41:13,069 --> 00:41:10,800  
um

1062  
00:41:14,990 --> 00:41:13,079  
but yeah I mean if something is shot

1063  
00:41:16,670 --> 00:41:15,000

down over an area where you can't get

1064

00:41:19,490 --> 00:41:16,680

access to or it's difficult to access

1065

00:41:21,290 --> 00:41:19,500

it'll be difficult no matter what it is

1066

00:41:23,270 --> 00:41:21,300

have I heard anything I haven't heard

1067

00:41:25,370 --> 00:41:23,280

anything about Tim Taylor he's been very

1068

00:41:26,450 --> 00:41:25,380

quiet Diana pasoka does not talk about

1069

00:41:28,730 --> 00:41:26,460

him

1070

00:41:31,130 --> 00:41:28,740

um tiktail being Elon Musk space force

1071

00:41:33,470 --> 00:41:31,140

Handler and also him working for Space X

1072

00:41:38,630 --> 00:41:33,480

I do not know

1073

00:41:41,810 --> 00:41:38,640

couple of years ago that Tim Taylor

1074

00:41:43,670 --> 00:41:41,820

had gotten right into something but I

1075

00:41:44,750 --> 00:41:43,680

don't know what it was it was very vague

1076

00:41:46,730 --> 00:41:44,760

what I heard

1077

00:41:47,750 --> 00:41:46,740

space force

1078

00:41:49,550 --> 00:41:47,760

um

1079

00:41:51,410 --> 00:41:49,560

it's probably true on the common

1080

00:41:52,430 --> 00:41:51,420

circumstances that if anyone would know

1081

00:41:54,470 --> 00:41:52,440

about

1082

00:41:56,690 --> 00:41:54,480

that he would but there might be a smart

1083

00:41:57,770 --> 00:41:56,700

reason for him not knowing Cheryl who's

1084

00:42:00,950 --> 00:41:57,780

he

1085

00:42:04,010 --> 00:42:00,960

know

1086

00:42:08,810 --> 00:42:04,020

exactly where I'm way behind here

1087

00:42:12,589 --> 00:42:10,310

Ellen girl you're welcome thanks for

1088

00:42:15,050 --> 00:42:12,599

coming on uh oh we got somebody else so

1089

00:42:17,390 --> 00:42:15,060

I'm gonna miss questions I'm gonna add

1090

00:42:20,150 --> 00:42:17,400

see Josh Josh

1091

00:42:21,109 --> 00:42:20,160

Yo Joe how's it going hey I'm good how

1092

00:42:22,790 --> 00:42:21,119

you doing

1093

00:42:25,010 --> 00:42:22,800

pretty good

1094

00:42:26,930 --> 00:42:25,020

um yeah I messaged you before a while

1095

00:42:29,030 --> 00:42:26,940

ago I used to actually be an Entertainer

1096

00:42:31,190 --> 00:42:29,040

in Vegas now I've I've since moved out

1097

00:42:33,349 --> 00:42:31,200

of there but uh if I was still in town

1098

00:42:34,970 --> 00:42:33,359

I'd be getting you tickets to the show

1099

00:42:37,970 --> 00:42:34,980

and uh inviting you to hang out and

1100

00:42:39,589 --> 00:42:37,980

stuff but which what show did you do

1101

00:42:42,050 --> 00:42:39,599

so back in the day do you remember when

1102

00:42:45,349 --> 00:42:42,060

the second city was in town

1103

00:42:48,589 --> 00:42:45,359

what year was it oh dude this put this

1104

00:42:52,250 --> 00:42:48,599

would have been like 2005. I got here so

1105

00:42:55,069 --> 00:42:52,260

I got here in 2009 so no okay I ended up

1106

00:42:56,750 --> 00:42:55,079

getting hired uh by Cirque du slay oddly

1107

00:42:58,970 --> 00:42:56,760

I was one of the few people hired to

1108

00:43:01,430 --> 00:42:58,980

like leave Vegas and go work for Cirque

1109

00:43:02,809 --> 00:43:01,440

du slay I suppose interesting yes I went

1110

00:43:04,670 --> 00:43:02,819

and helped write a show and then toured

1111

00:43:06,170 --> 00:43:04,680

with them and stuff

1112

00:43:08,089 --> 00:43:06,180

um but something something that I've

1113

00:43:10,490 --> 00:43:08,099

been thinking about lately like so you

1114

00:43:11,990 --> 00:43:10,500

know obviously like a lot of people

1115

00:43:13,670 --> 00:43:12,000

this has always been something I've been

1116

00:43:15,770 --> 00:43:13,680

interested like you know since the

1117

00:43:17,809 --> 00:43:15,780

childhood and stuff but really the the

1118

00:43:19,609 --> 00:43:17,819

big New York Times article kind of you

1119

00:43:21,470 --> 00:43:19,619

know pushed me over to

1120

00:43:22,970 --> 00:43:21,480

reading about stuff and learning about

1121

00:43:24,589 --> 00:43:22,980

stuff

1122

00:43:26,450 --> 00:43:24,599

um and something that I've always been

1123

00:43:29,329 --> 00:43:26,460

looking for online that I think you

1124

00:43:31,730 --> 00:43:29,339

would be you know the guy to do it

1125

00:43:35,210 --> 00:43:31,740

um is like some kind of website that has

1126  
00:43:39,230 --> 00:43:35,220  
like those tent pole moments in ufology

1127  
00:43:41,210 --> 00:43:39,240  
like Betty and Barney Hill Roswell you

1128  
00:43:44,150 --> 00:43:41,220  
know the New York Times like some of

1129  
00:43:46,849 --> 00:43:44,160  
these really big moments that especially

1130  
00:43:47,809 --> 00:43:46,859  
right now while so many people like you

1131  
00:43:49,609 --> 00:43:47,819  
said you're getting a ton of new

1132  
00:43:51,890 --> 00:43:49,619  
followers right now so many people are

1133  
00:43:54,290 --> 00:43:51,900  
scrambling to want to learn

1134  
00:43:55,910 --> 00:43:54,300  
um about ufology and stuff and it's just

1135  
00:43:57,470 --> 00:43:55,920  
I feel like

1136  
00:43:59,510 --> 00:43:57,480  
um you know now that I've been reading

1137  
00:44:01,550 --> 00:43:59,520  
and consuming all this stuff for years I

1138  
00:44:03,710 --> 00:44:01,560

feel like I'm in the know but I realize

1139

00:44:05,630 --> 00:44:03,720

like the entry the barrier to entry is

1140

00:44:07,970 --> 00:44:05,640

so high that I feel like if somebody

1141

00:44:10,309 --> 00:44:07,980

kind of made like a

1142

00:44:11,809 --> 00:44:10,319

a Cliffs notes version for people I

1143

00:44:13,190 --> 00:44:11,819

think that that it would get a lot of

1144

00:44:14,210 --> 00:44:13,200

traction I think you'd get a lot of hits

1145

00:44:16,130 --> 00:44:14,220

and stuff

1146

00:44:17,930 --> 00:44:16,140

that's something I've thought about um

1147

00:44:20,089 --> 00:44:17,940

so and there is a book that's really

1148

00:44:23,750 --> 00:44:20,099

good that Richard Dolan did UFOs for the

1149

00:44:25,190 --> 00:44:23,760

21st century mind it's just exactly what

1150

00:44:27,170 --> 00:44:25,200

you're talking about

1151

00:44:29,870 --> 00:44:27,180

um Cliff those for the entire phenomenon

1152

00:44:32,089 --> 00:44:29,880

and it's it's for me it's like

1153

00:44:33,589 --> 00:44:32,099

I plan to I'll wake up I plan all right

1154

00:44:34,970 --> 00:44:33,599

I need to work on this transcript and

1155

00:44:37,430 --> 00:44:34,980

then I go on Twitter and next thing you

1156

00:44:39,349 --> 00:44:37,440

know it's 11 o'clock at night it's 3 A.M

1157

00:44:41,390 --> 00:44:39,359

in the morning and it's like oh it's so

1158

00:44:43,730 --> 00:44:41,400

addicting and but I like it I mean it's

1159

00:44:45,530 --> 00:44:43,740

it's a way to get information out

1160

00:44:47,030 --> 00:44:45,540

um but yeah I mean that is a really good

1161

00:44:48,650 --> 00:44:47,040

idea and I have to think about doing

1162

00:44:51,530 --> 00:44:48,660

that and take time I have so many

1163

00:44:53,690 --> 00:44:51,540

transcripts that I've finished 80 that I

1164

00:44:55,370 --> 00:44:53,700

need to finish so it's like finding the

1165

00:44:57,670 --> 00:44:55,380

time I would like to be on a planet with

1166

00:45:00,170 --> 00:44:57,680

a 48-hour day that would help

1167

00:45:02,030 --> 00:45:00,180

yeah I was just thinking it's one of

1168

00:45:04,130 --> 00:45:02,040

those things where it would actually uh

1169

00:45:06,170 --> 00:45:04,140

I think it gets you tons of hits you

1170

00:45:08,630 --> 00:45:06,180

know what I mean like can it be people

1171

00:45:10,910 --> 00:45:08,640

love being able to share stuff and you

1172

00:45:12,410 --> 00:45:10,920

know the way blogs are set up like it'd

1173

00:45:14,569 --> 00:45:12,420

be easy for you know if someone starts

1174

00:45:16,730 --> 00:45:14,579

talking about Roswell oh just send them

1175

00:45:18,770 --> 00:45:16,740

the link to the Roswell chapter and you

1176

00:45:20,270 --> 00:45:18,780

know like all I don't know I think I

1177

00:45:21,770 --> 00:45:20,280

think it'd be cooler so you know if you

1178

00:45:24,050 --> 00:45:21,780

need someone or if everyone kind of came

1179

00:45:25,130 --> 00:45:24,060

together and put this together but

1180

00:45:27,589 --> 00:45:25,140

um it's just something where I'm just

1181

00:45:29,870 --> 00:45:27,599

not knowledgeable enough but

1182

00:45:31,790 --> 00:45:29,880

um yeah that's a great idea

1183

00:45:33,890 --> 00:45:31,800

I appreciate that what do you think did

1184

00:45:36,470 --> 00:45:33,900

you see the press conference yeah I've

1185

00:45:38,510 --> 00:45:36,480

been tuned in since you went live

1186

00:45:40,670 --> 00:45:38,520

um yeah I mean it was

1187

00:45:43,510 --> 00:45:40,680

what all of us would have imagined it

1188

00:45:46,670 --> 00:45:43,520

would be I don't know there was nothing

1189

00:45:49,730 --> 00:45:46,680

shocking or surprising and I don't think

1190

00:45:51,349 --> 00:45:49,740

we're there yet but I do think it's I

1191

00:45:52,910 --> 00:45:51,359

don't know I look at this you know being

1192

00:45:54,710 --> 00:45:52,920

in entertainment

1193

00:45:57,470 --> 00:45:54,720

I always take a step back and look at

1194

00:45:58,849 --> 00:45:57,480

this like you know if I were setting the

1195

00:46:00,650 --> 00:45:58,859

stage for something

1196

00:46:02,390 --> 00:46:00,660

and I think like I was talking to my

1197

00:46:03,770 --> 00:46:02,400

wife about it I said well

1198

00:46:06,589 --> 00:46:03,780

she said you know why do you think all

1199

00:46:08,510 --> 00:46:06,599

this is ramping up in general and I said

1200

00:46:10,430 --> 00:46:08,520

well it's because

1201

00:46:12,950 --> 00:46:10,440

in the past it was always the military

1202

00:46:15,410 --> 00:46:12,960

had the tech and Military had the money

1203

00:46:17,930 --> 00:46:15,420

and the government did but now you know

1204

00:46:19,849 --> 00:46:17,940

Joe schmoak can put a satellite up into

1205

00:46:22,309 --> 00:46:19,859

space And so there's so much Private

1206

00:46:23,870 --> 00:46:22,319

Industry I said they they've got to be

1207

00:46:26,569 --> 00:46:23,880

seeing things

1208

00:46:28,370 --> 00:46:26,579

and so I kind of think that

1209

00:46:30,230 --> 00:46:28,380

in a big way the government kind of went

1210

00:46:31,849 --> 00:46:30,240

okay everyone just if you can all just

1211

00:46:34,550 --> 00:46:31,859

hold on a sec we're gonna roll this out

1212

00:46:37,010 --> 00:46:34,560

to everyone but you know please because

1213

00:46:38,750 --> 00:46:37,020

I you know Google Earth has got to have

1214

00:46:39,890 --> 00:46:38,760

stuff on their satellites and stuff you

1215

00:46:43,609 --> 00:46:39,900

know

1216

00:46:45,829 --> 00:46:43,619

up stuff I have not seen anything that

1217

00:46:47,450 --> 00:46:45,839

makes me go wow and that's the argument

1218

00:46:49,670 --> 00:46:47,460

from Skeptics and I do understand that

1219

00:46:51,829 --> 00:46:49,680

they're like well where is it you know

1220

00:46:53,750 --> 00:46:51,839

the military supposedly has this amazing

1221

00:46:56,690 --> 00:46:53,760

you know footage and I heard that

1222

00:46:58,190 --> 00:46:56,700

privately too but it's like publicly we

1223

00:47:00,530 --> 00:46:58,200

don't really have anything when people

1224

00:47:02,270 --> 00:47:00,540

say what's the best UFO footage can you

1225

00:47:03,770 --> 00:47:02,280

show me something and like I have to

1226

00:47:06,290 --> 00:47:03,780

scramble to think of something that's

1227

00:47:08,329 --> 00:47:06,300

really really good I mean I think the

1228

00:47:09,829 --> 00:47:08,339

craft that was over Nellis Air Force

1229

00:47:11,690 --> 00:47:09,839

Base that's an interesting video but

1230

00:47:13,730 --> 00:47:11,700

people's like no it's prosaic you're

1231

00:47:15,710 --> 00:47:13,740

looking at it wrong so we don't have

1232

00:47:17,870 --> 00:47:15,720

that Smoking Gun and it's been how long

1233

00:47:19,309 --> 00:47:17,880

do we wait it's like I mean I'll be in

1234

00:47:21,290 --> 00:47:19,319

this until I die but there are people

1235

00:47:23,150 --> 00:47:21,300

who get tired of not seeing that

1236

00:47:25,309 --> 00:47:23,160

evidence and they just become debunkers

1237

00:47:28,730 --> 00:47:25,319

Skeptics or they just lose interest

1238

00:47:29,930 --> 00:47:28,740

well I I look at the evidence as look at

1239

00:47:32,990 --> 00:47:29,940

everything the government's putting into

1240

00:47:35,270 --> 00:47:33,000

place like now we have NASA with a team

1241

00:47:36,230 --> 00:47:35,280

so the scientists are ready to talk at a

1242

00:47:38,089 --> 00:47:36,240

press conference because we're going to

1243

00:47:40,250 --> 00:47:38,099

have an official group that is well

1244

00:47:41,809 --> 00:47:40,260

respected and when every American well

1245

00:47:43,849 --> 00:47:41,819

heck when every citizen of the world

1246

00:47:45,950 --> 00:47:43,859

thinks of space they think of NASA and

1247

00:47:47,990 --> 00:47:45,960

right you know we have the United States

1248

00:47:50,329 --> 00:47:48,000

government now has a public office which

1249

00:47:53,270 --> 00:47:50,339

is doing like all the pieces are being

1250

00:47:54,829 --> 00:47:53,280

put into place for what I think will

1251

00:47:57,290 --> 00:47:54,839

eventually be

1252

00:47:59,089 --> 00:47:57,300

a big reveal of like okay we're not

1253

00:48:01,670 --> 00:47:59,099

alone folks and here's the team who's

1254

00:48:03,710 --> 00:48:01,680

going to talk you through it and they're

1255

00:48:05,390 --> 00:48:03,720

boiling the Frog you know it's to the

1256

00:48:08,450 --> 00:48:05,400

point where my family thought I was nuts

1257

00:48:09,650 --> 00:48:08,460

to where now even my family's like oh

1258

00:48:11,030 --> 00:48:09,660

yeah you know when you think about it

1259

00:48:12,829 --> 00:48:11,040

there's there's no way we're the only

1260

00:48:16,130 --> 00:48:12,839

ones out there and yeah it would make

1261

00:48:17,809 --> 00:48:16,140

sense and you know it's they've just

1262

00:48:19,190 --> 00:48:17,819

slowly turned up the temperature and now

1263

00:48:20,329 --> 00:48:19,200

they have all the departments in place

1264

00:48:22,130 --> 00:48:20,339

and I think

1265

00:48:24,050 --> 00:48:22,140

you know in a couple years time which

1266

00:48:25,849 --> 00:48:24,060

will feel like an eternity to us but in

1267

00:48:28,309 --> 00:48:25,859

the grand scheme of things is pretty

1268

00:48:29,750 --> 00:48:28,319

short I think we'll start to learn you

1269

00:48:32,510 --> 00:48:29,760

know yeah we were pulling things out of

1270

00:48:35,450 --> 00:48:32,520

archaeological digs and we've you know

1271

00:48:37,370 --> 00:48:35,460

there was a crash and we really don't

1272

00:48:39,710 --> 00:48:37,380

have anything figured out yet but we can

1273

00:48:42,290 --> 00:48:39,720

safely say we are not alone you know

1274

00:48:44,569 --> 00:48:42,300

yeah I I hope I'm alive for that day I

1275

00:48:46,309 --> 00:48:44,579

mean I I understand people get excited

1276

00:48:48,290 --> 00:48:46,319

because stuff happens like this whole

1277

00:48:49,670 --> 00:48:48,300

week some of the comments from some of

1278

00:48:50,750 --> 00:48:49,680

the congressmen and Senators you're like

1279

00:48:52,490 --> 00:48:50,760

oh my God it's going to be an

1280

00:48:55,550 --> 00:48:52,500

announcement then I'm like it's not

1281

00:48:56,990 --> 00:48:55,560

gonna happen because I do think it will

1282

00:48:58,609 --> 00:48:57,000

happen I just don't think it's gonna

1283

00:48:59,930 --> 00:48:58,619

happen right now

1284

00:49:01,430 --> 00:48:59,940

um I just don't think I don't think the

1285

00:49:03,290 --> 00:49:01,440

masses could handle to be honest and

1286

00:49:05,150 --> 00:49:03,300

people get mad at me for that I'm not

1287

00:49:07,010 --> 00:49:05,160

saying I don't want the information out

1288

00:49:09,530 --> 00:49:07,020

I want the Band-Aid off me personally

1289

00:49:11,030 --> 00:49:09,540

tell us everything I can handle it I

1290

00:49:12,530 --> 00:49:11,040

mean I talk about some of the most

1291

00:49:15,410 --> 00:49:12,540

outrageous stuff that a lot of people

1292

00:49:19,609 --> 00:49:15,420

think is nonsense but the majority can't

1293

00:49:21,050 --> 00:49:19,619

even handle the basics so I I would

1294

00:49:22,550 --> 00:49:21,060

challenge you that on Joe on that one

1295

00:49:24,770 --> 00:49:22,560

Joe because I mean take a look at like

1296

00:49:25,849 --> 00:49:24,780

during covet there was a lot of talk of

1297

00:49:27,650 --> 00:49:25,859

we're putting together this department

1298

00:49:28,910 --> 00:49:27,660

and we've they've literally are

1299

00:49:31,010 --> 00:49:28,920

admitting there are things in the skies

1300

00:49:33,290 --> 00:49:31,020

we don't know and no one gave a [h\_\_h] you

1301  
00:49:35,390 --> 00:49:33,300  
know like maybe maybe I'm wrong I just

1302  
00:49:37,010 --> 00:49:35,400  
don't see it being I don't see the

1303  
00:49:38,630 --> 00:49:37,020  
evidence if we have the clear evidence

1304  
00:49:40,790 --> 00:49:38,640  
which we don't have I would like to see

1305  
00:49:42,050 --> 00:49:40,800  
people react to that maybe they will

1306  
00:49:43,670 --> 00:49:42,060  
blow it off maybe they'll be like yeah

1307  
00:49:45,589 --> 00:49:43,680  
we always knew that I could be totally

1308  
00:49:47,630 --> 00:49:45,599  
wrong about that as far as this current

1309  
00:49:50,270 --> 00:49:47,640  
with the with the balloons or objects

1310  
00:49:52,250 --> 00:49:50,280  
whatever they were I have not had one

1311  
00:49:53,809 --> 00:49:52,260  
friend or family asked me about this I'm

1312  
00:49:56,450 --> 00:49:53,819  
really surprised I brought it up in a

1313  
00:49:57,650 --> 00:49:56,460

Super Bowl chat text and they none of my

1314

00:49:58,849 --> 00:49:57,660

friends even wanted to talk about it

1315

00:50:00,710 --> 00:49:58,859

which is kind of surprising because

1316

00:50:02,870 --> 00:50:00,720

they're kind of open so I don't know

1317

00:50:06,109 --> 00:50:02,880

what's going on with that for me

1318

00:50:09,349 --> 00:50:06,119

yeah well I I think like I'll tell you

1319

00:50:10,670 --> 00:50:09,359

I'm Catholic and I for me well you know

1320

00:50:12,230 --> 00:50:10,680

some people are like oh well we'll tear

1321

00:50:15,710 --> 00:50:12,240

down religions or whatever the way the

1322

00:50:17,750 --> 00:50:15,720

way I look at it is I was like well my

1323

00:50:19,849 --> 00:50:17,760

personal belief is like okay if it was

1324

00:50:21,829 --> 00:50:19,859

revealed tomorrow that there's you know

1325

00:50:23,569 --> 00:50:21,839

these alien civilizations and there's

1326  
00:50:26,270 --> 00:50:23,579  
thousands of them Across the Universe

1327  
00:50:27,829 --> 00:50:26,280  
and stuff I to me my only thought would

1328  
00:50:30,410 --> 00:50:27,839  
be like okay well

1329  
00:50:32,390 --> 00:50:30,420  
I've known about this these cogs over

1330  
00:50:34,430 --> 00:50:32,400  
here and this beautiful machine that's

1331  
00:50:36,589 --> 00:50:34,440  
created and now I'm just getting

1332  
00:50:38,630 --> 00:50:36,599  
revealed more of this machine that's out

1333  
00:50:39,950 --> 00:50:38,640  
there this beautiful big clock that's

1334  
00:50:41,990 --> 00:50:39,960  
been built

1335  
00:50:44,870 --> 00:50:42,000  
um and so to me even then it doesn't

1336  
00:50:47,270 --> 00:50:44,880  
really challenge my faith at all or

1337  
00:50:49,430 --> 00:50:47,280  
anything if anything it might deepen my

1338  
00:50:51,170 --> 00:50:49,440

understanding of my faith ultimately if

1339

00:50:54,109 --> 00:50:51,180

we're able to you know communicate with

1340

00:50:56,089 --> 00:50:54,119

these you know beings

1341

00:50:57,890 --> 00:50:56,099

um because maybe they have more of the

1342

00:50:59,809 --> 00:50:57,900

story to reveal or something you know so

1343

00:51:01,069 --> 00:50:59,819

I think in a lot of ways I don't know I

1344

00:51:06,349 --> 00:51:01,079

think

1345

00:51:10,309 --> 00:51:06,359

okay with it better than you know the

1346

00:51:12,470 --> 00:51:10,319

1950s Style or the world's Hysteria

1347

00:51:14,750 --> 00:51:12,480

we'll see and my on the other side my

1348

00:51:16,670 --> 00:51:14,760

sister who was very very religious said

1349

00:51:19,069 --> 00:51:16,680

it's the last visit I had with her she's

1350

00:51:20,270 --> 00:51:19,079

like I think it's demons and nothing you

1351  
00:51:24,170 --> 00:51:20,280  
could say is going to change my mind I'm

1352  
00:51:25,970 --> 00:51:24,180  
like okay anyway yeah yeah but but let's

1353  
00:51:27,049 --> 00:51:25,980  
still talk about it with me yeah yeah

1354  
00:51:28,490 --> 00:51:27,059  
yeah

1355  
00:51:29,870 --> 00:51:28,500  
but let me let you go because I'm gonna

1356  
00:51:31,730 --> 00:51:29,880  
go through these questions one by one

1357  
00:51:34,430 --> 00:51:31,740  
Josh thanks for jumping on I appreciate

1358  
00:51:37,309 --> 00:51:34,440  
it a lot thank you

1359  
00:51:40,190 --> 00:51:37,319  
all right let's go through your comments

1360  
00:51:42,890 --> 00:51:40,200  
because I know there's a lot of them

1361  
00:51:45,470 --> 00:51:42,900  
and I really I need to do a show on just

1362  
00:51:49,790 --> 00:51:45,480  
the Wilson Davis aspect of Jacques

1363  
00:51:54,170 --> 00:51:52,190

I would have liked to have seen a more

1364

00:51:55,790 --> 00:51:54,180

sophisticated takedown approach to be

1365

00:51:57,290 --> 00:51:55,800

honest instead of just shooting at it

1366

00:51:59,230 --> 00:51:57,300

yeah it would have been nice

1367

00:52:01,970 --> 00:51:59,240

you would think

1368

00:52:03,950 --> 00:52:01,980

2023 we could do something besides

1369

00:52:05,450 --> 00:52:03,960

shooting missiles at it but

1370

00:52:06,470 --> 00:52:05,460

I guess they couldn't think of anything

1371

00:52:08,329 --> 00:52:06,480

else

1372

00:52:09,950 --> 00:52:08,339

um and they were worried you know an

1373

00:52:12,290 --> 00:52:09,960

airliner commercial airliner might

1374

00:52:14,630 --> 00:52:12,300

collide with it so they use the missile

1375

00:52:16,670 --> 00:52:14,640

but yeah there's got to be there's got

1376  
00:52:19,069 --> 00:52:16,680  
to be amazing footage of all three

1377  
00:52:20,930 --> 00:52:19,079  
takedowns of those objects

1378  
00:52:23,390 --> 00:52:20,940  
though the one with the Chinese balloon

1379  
00:52:25,250 --> 00:52:23,400  
that was great footage

1380  
00:52:26,930 --> 00:52:25,260  
um off the east coast

1381  
00:52:28,430 --> 00:52:26,940  
what these corporations or research

1382  
00:52:30,410 --> 00:52:28,440  
agencies have come forward if these

1383  
00:52:32,089 --> 00:52:30,420  
balloons belong to them you would think

1384  
00:52:33,589 --> 00:52:32,099  
so but I mean

1385  
00:52:35,690 --> 00:52:33,599  
you would think you know what you just

1386  
00:52:37,549 --> 00:52:35,700  
shot down my million dollar prototype

1387  
00:52:40,549 --> 00:52:37,559  
but I don't know I mean

1388  
00:52:41,690 --> 00:52:40,559

maybe privately that's going on I don't

1389

00:52:43,010 --> 00:52:41,700

know

1390

00:52:46,970 --> 00:52:43,020

um but yeah it's a really good point

1391

00:52:50,210 --> 00:52:48,530

biological threats I don't know if

1392

00:52:52,370 --> 00:52:50,220

that's and I don't know that's connected

1393

00:52:53,150 --> 00:52:52,380

to an earlier comment sorry but yeah I

1394

00:52:54,950 --> 00:52:53,160

mean

1395

00:52:56,750 --> 00:52:54,960

I remember people made a joke about the

1396

00:52:58,190 --> 00:52:56,760

Chinese balloon when it when it was shot

1397

00:52:59,930 --> 00:52:58,200

you know it looked like there was powder

1398

00:53:01,490 --> 00:52:59,940

coming out of it and I made a joke I'm

1399

00:53:03,589 --> 00:53:01,500

like because somebody else made a joke I

1400

00:53:05,750 --> 00:53:03,599

stole it and like oh there goes another

1401  
00:53:07,309 --> 00:53:05,760  
round of Cove they're letting loose on

1402  
00:53:09,950 --> 00:53:07,319  
us but

1403  
00:53:14,930 --> 00:53:12,530  
I don't think it was a PR stunt

1404  
00:53:16,910 --> 00:53:14,940  
um I just don't think they're organized

1405  
00:53:19,670 --> 00:53:16,920  
enough to pull off that

1406  
00:53:21,829 --> 00:53:19,680  
no way they're alien the stuff that came

1407  
00:53:24,230 --> 00:53:21,839  
down I don't think is alien

1408  
00:53:28,130 --> 00:53:24,240  
um but like Jeff said and other people

1409  
00:53:31,430 --> 00:53:28,140  
said uh what would an alien craft or you

1410  
00:53:34,190 --> 00:53:31,440  
know probe do you know maybe not all of

1411  
00:53:36,250 --> 00:53:34,200  
them are traveling at high speeds who

1412  
00:53:39,170 --> 00:53:36,260  
knows but I always I always

1413  
00:53:42,109 --> 00:53:39,180

assume prosaic unless this information

1414

00:53:44,569 --> 00:53:42,119

or evidence that shows otherwise

1415

00:53:46,010 --> 00:53:44,579

valet said he saw a paper saying the

1416

00:53:47,750 --> 00:53:46,020

military did abductions in South America

1417

00:53:49,069 --> 00:53:47,760

yeah and he won't put it out because he

1418

00:53:51,710 --> 00:53:49,079

doesn't want to see infighting in the

1419

00:53:53,450 --> 00:53:51,720

UFO Community about that and I'm like

1420

00:53:55,849 --> 00:53:53,460

just put it out I want to see what his

1421

00:53:57,890 --> 00:53:55,859

paper says I mean I don't he has never

1422

00:54:00,170 --> 00:53:57,900

said that he thinks all abductions are

1423

00:54:01,730 --> 00:54:00,180

carried out by humans he thinks we're

1424

00:54:04,490 --> 00:54:01,740

dealing with something non-um and he

1425

00:54:07,430 --> 00:54:04,500

talks about a control you know

1426

00:54:09,829 --> 00:54:07,440

a control system so but if some of them

1427

00:54:11,750 --> 00:54:09,839

use UFOs and abductions for their own

1428

00:54:14,390 --> 00:54:11,760

purposes that wouldn't be shocking I

1429

00:54:15,890 --> 00:54:14,400

want to see the paper that he's spoke he

1430

00:54:17,870 --> 00:54:15,900

spoke about and thanks for thanks again

1431

00:54:18,710 --> 00:54:17,880

alien girl for jumping on I appreciate

1432

00:54:21,290 --> 00:54:18,720

that

1433

00:54:23,329 --> 00:54:21,300

yeah my labs allegedly is a way to study

1434

00:54:25,069 --> 00:54:23,339

experiencers

1435

00:54:26,870 --> 00:54:25,079

um you know they want to know what's

1436

00:54:29,750 --> 00:54:26,880

going on they want to know what they

1437

00:54:31,790 --> 00:54:29,760

know supposedly allegedly and

1438

00:54:33,829 --> 00:54:31,800

I don't know I don't know if that's true

1439

00:54:36,230 --> 00:54:33,839

or not um

1440

00:54:38,870 --> 00:54:36,240

I never sensed that Melinda Leslie who

1441

00:54:41,390 --> 00:54:38,880

is my main my love person I know I never

1442

00:54:42,890 --> 00:54:41,400

said she was lying so uh there's a

1443

00:54:45,770 --> 00:54:42,900

possibility also that whatever we're

1444

00:54:47,750 --> 00:54:45,780

dealing with can make you know affect

1445

00:54:50,690 --> 00:54:47,760

our perceptions so we think we're being

1446

00:54:52,370 --> 00:54:50,700

abducted by aliens and humans who knows

1447

00:54:53,990 --> 00:54:52,380

if that's really taking place I don't

1448

00:54:57,109 --> 00:54:54,000

know if abductions are physical I know

1449

00:54:58,549 --> 00:54:57,119

people have physical they have marks

1450

00:54:59,450 --> 00:54:58,559

they have bruises

1451

00:55:01,430 --> 00:54:59,460

um

1452

00:55:03,770 --> 00:55:01,440

so that is physical but are they

1453

00:55:05,690 --> 00:55:03,780

actually being taken I don't know I mean

1454

00:55:08,809 --> 00:55:05,700

when I watched the the Berkshires

1455

00:55:10,490 --> 00:55:08,819

episode on Unsolved Mysteries it surely

1456

00:55:13,190 --> 00:55:10,500

looks like that's a physical thing going

1457

00:55:15,890 --> 00:55:13,200

from town to town taking people

1458

00:55:17,390 --> 00:55:15,900

um but we don't have the proof

1459

00:55:18,770 --> 00:55:17,400

but I think something happened to those

1460

00:55:20,270 --> 00:55:18,780

folks I don't think they're making it up

1461

00:55:22,730 --> 00:55:20,280

I don't think they're delusional I mean

1462

00:55:24,650 --> 00:55:22,740

obviously every situation you have a

1463

00:55:26,750 --> 00:55:24,660

percentage of people who are lying or

1464

00:55:28,870 --> 00:55:26,760

making stuff up or not well they're not

1465

00:55:31,490 --> 00:55:28,880

well mentally but the majority of

1466

00:55:33,049 --> 00:55:31,500

experiences I've encountered I believe

1467

00:55:35,329 --> 00:55:33,059

they really had something happen to them

1468

00:55:37,370 --> 00:55:35,339

we just don't know what it is

1469

00:55:39,349 --> 00:55:37,380

I keep trying to list pros and cons for

1470

00:55:41,270 --> 00:55:39,359

either something exotic or prosaic still

1471

00:55:43,609 --> 00:55:41,280

can't decide which is true but leaning

1472

00:55:45,230 --> 00:55:43,619

towards prosaic yeah and and I've also

1473

00:55:47,210 --> 00:55:45,240

been confused this past week because I

1474

00:55:49,730 --> 00:55:47,220

hear so many mixed messages going on and

1475

00:55:51,710 --> 00:55:49,740

you know the Pentagon says one thing and

1476

00:55:53,750 --> 00:55:51,720

then the president the White House says

1477

00:55:55,849 --> 00:55:53,760

something completely different it's like

1478

00:55:57,530 --> 00:55:55,859

get your act together get your messaging

1479

00:55:59,210 --> 00:55:57,540

correct at the very least because if I'm

1480

00:56:00,829 --> 00:55:59,220

confused I know the general public is

1481

00:56:02,990 --> 00:56:00,839

confused too

1482

00:56:05,089 --> 00:56:03,000

not that I'm that smart I just did I

1483

00:56:06,890 --> 00:56:05,099

follow this closely enough that I I

1484

00:56:09,170 --> 00:56:06,900

would think I had some sort of grasp of

1485

00:56:11,329 --> 00:56:09,180

what's going on I was even wondering I'm

1486

00:56:13,730 --> 00:56:11,339

like Lou and Chris melon were

1487

00:56:15,710 --> 00:56:13,740

celebrating I'm like but everybody's

1488

00:56:16,970 --> 00:56:15,720

focusing on foreign adversarials so I'm

1489

00:56:18,950 --> 00:56:16,980

not sure what you're celebrating but

1490

00:56:20,710 --> 00:56:18,960

then melon put out his article yesterday

1491

00:56:22,430 --> 00:56:20,720

if you haven't read it Chris melon

1492

00:56:24,170 --> 00:56:22,440

christophermelon.net I think is his

1493

00:56:25,670 --> 00:56:24,180

website

1494

00:56:27,470 --> 00:56:25,680

um talking you know he's mentioned

1495

00:56:29,030 --> 00:56:27,480

aliens and ETS how that's a possibility

1496

00:56:30,650 --> 00:56:29,040

and it was nice to see because I was

1497

00:56:33,170 --> 00:56:30,660

tired of just hearing adversarial

1498

00:56:35,270 --> 00:56:33,180

adversarial

1499

00:56:37,130 --> 00:56:35,280

much love from Ohio hope you're doing

1500

00:56:38,930 --> 00:56:37,140

well can't believe how Biden is handling

1501

00:56:40,730 --> 00:56:38,940

this well I don't think any other

1502

00:56:43,069 --> 00:56:40,740

president would have done it much but

1503

00:56:44,030 --> 00:56:43,079

much differently

1504

00:56:45,410 --> 00:56:44,040

um

1505

00:56:46,730 --> 00:56:45,420

except I think they would have come out

1506

00:56:48,950 --> 00:56:46,740

sooner

1507

00:56:50,630 --> 00:56:48,960

and spoken a little more eloquently he's

1508

00:56:53,450 --> 00:56:50,640

not the best public speaker we know that

1509

00:56:57,049 --> 00:56:53,460

but and I know people I'm not going

1510

00:56:59,210 --> 00:56:57,059

politics I I will criticize Biden I have

1511

00:57:01,309 --> 00:56:59,220

criticized Biden but I voted for the guy

1512

00:57:04,670 --> 00:57:01,319

you know I that doesn't mean I'm gonna

1513

00:57:07,069 --> 00:57:04,680

be nice to him I don't do that I mean

1514

00:57:11,150 --> 00:57:07,079

just like when tsa came out I invested

1515

00:57:13,670 --> 00:57:11,160

in tsa but I ripped into tsa plenty

1516

00:57:16,370 --> 00:57:13,680

um because I can't shut my mouth

1517

00:57:18,410 --> 00:57:16,380

yeah I don't know if this is huge Gabby

1518

00:57:20,809 --> 00:57:18,420

it's a huge week and a half two weeks

1519

00:57:23,089 --> 00:57:20,819

but today wasn't huge but the fact that

1520

00:57:25,069 --> 00:57:23,099

they're talking about it is huge for me

1521

00:57:27,410 --> 00:57:25,079

because regular people who don't

1522

00:57:29,569 --> 00:57:27,420

normally talk about this or tweet about

1523

00:57:31,970 --> 00:57:29,579

this or write about this are writing are

1524

00:57:33,530 --> 00:57:31,980

doing that I mean I saw Sports websites

1525

00:57:36,470 --> 00:57:33,540

on Twitter

1526

00:57:38,510 --> 00:57:36,480

tweeting about this

1527

00:57:40,069 --> 00:57:38,520

the only thing that leans exotic is the

1528

00:57:42,410 --> 00:57:40,079

pilot seeing two different things of the

1529

00:57:45,290 --> 00:57:42,420

same object yeah if like the objects

1530

00:57:47,750 --> 00:57:45,300

that were on the east coast in 2000

1531

00:57:49,309 --> 00:57:47,760

I think that was 2019 then that then

1532

00:57:51,170 --> 00:57:49,319

pictures that George Knapp released

1533

00:57:53,030 --> 00:57:51,180

supposedly those objects were changing

1534

00:57:54,710 --> 00:57:53,040

what they look like you know those three

1535

00:57:57,170 --> 00:57:54,720

pictures were taking during the same

1536

00:57:58,910 --> 00:57:57,180

flight so that would say something

1537

00:58:01,910 --> 00:57:58,920

exotic

1538

00:58:06,290 --> 00:58:04,069

watching any United States president do

1539

00:58:08,150 --> 00:58:06,300

an address like this specifically about

1540

00:58:09,770 --> 00:58:08,160

UFOs even if their balloons feels highly

1541

00:58:11,690 --> 00:58:09,780

surreal specifically watching from the

1542

00:58:13,370 --> 00:58:11,700

outside especially watching from the

1543

00:58:15,109 --> 00:58:13,380

outside I agree I agree you know that

1544

00:58:17,870 --> 00:58:15,119

you know I'm a little spoiled uh over

1545

00:58:19,849 --> 00:58:17,880

the past seven years five years with um

1546

00:58:21,410 --> 00:58:19,859

what's been going on so if this had

1547

00:58:23,750 --> 00:58:21,420

happened

1548

00:58:25,609 --> 00:58:23,760

you know in 2017 we would all be going

1549

00:58:28,130 --> 00:58:25,619

crazy I'm just we would all be going

1550

00:58:32,809 --> 00:58:28,140

crazy I'm just a little more reserved

1551  
00:58:37,430 --> 00:58:35,569  
if you manage to catch I have I have not

1552  
00:58:39,049 --> 00:58:37,440  
cat I have not caught Jay's interview

1553  
00:58:40,730 --> 00:58:39,059  
Oak Shannon

1554  
00:58:42,289 --> 00:58:40,740  
apparently he's been contacted by

1555  
00:58:43,789 --> 00:58:42,299  
members of Congress as they're trying to

1556  
00:58:45,230 --> 00:58:43,799  
set the record straight that's good I

1557  
00:58:48,289 --> 00:58:45,240  
mean

1558  
00:58:50,329 --> 00:58:48,299  
his work with the

1559  
00:58:53,450 --> 00:58:50,339  
John Alexander working group that's

1560  
00:58:55,670 --> 00:58:53,460  
important his work with Wilson Davis I

1561  
00:58:57,289 --> 00:58:55,680  
mean he's part of the story he's not a

1562  
00:58:58,670 --> 00:58:57,299  
he's not the most important part of the

1563  
00:59:01,730 --> 00:58:58,680

story

1564

00:59:03,710 --> 00:59:01,740

um I for people who don't know Jacques

1565

00:59:06,410 --> 00:59:03,720

Valley basically put out in his Diaries

1566

00:59:08,270 --> 00:59:06,420

in his new book Forbidden Science Volume

1567

00:59:11,089 --> 00:59:08,280

5 talking about how he learned I think

1568

00:59:12,710 --> 00:59:11,099

it was 2003 he first learned at Eric

1569

00:59:14,569 --> 00:59:12,720

Davis interviewed

1570

00:59:16,910 --> 00:59:14,579

Admiral Wilson

1571

00:59:18,530 --> 00:59:16,920

um that if anybody is still doubting

1572

00:59:21,890 --> 00:59:18,540

that Eric interviewed Admiral Wilson

1573

00:59:24,170 --> 00:59:21,900

you're just you'll never get it you'll

1574

00:59:26,809 --> 00:59:24,180

never get it it happened the question is

1575

00:59:28,970 --> 00:59:26,819

is there really a crash retrieval

1576  
00:59:31,190 --> 00:59:28,980  
program so that's the question was the

1577  
00:59:33,410 --> 00:59:31,200  
Admiral lied to did the Admiral lie to

1578  
00:59:35,750 --> 00:59:33,420  
Eric I don't think he lied to Eric could

1579  
00:59:37,430 --> 00:59:35,760  
the Admiral have been lied to by the

1580  
00:59:38,930 --> 00:59:37,440  
people he you know encountered at the

1581  
00:59:40,970 --> 00:59:38,940  
program

1582  
00:59:42,410 --> 00:59:40,980  
when he found it the crash the alleged

1583  
00:59:44,089 --> 00:59:42,420  
crash retrieval program yeah that's

1584  
00:59:45,650 --> 00:59:44,099  
possible but he's not the only source

1585  
00:59:47,630 --> 00:59:45,660  
you know there are other sources saying

1586  
00:59:48,829 --> 00:59:47,640  
the same information but once again we

1587  
00:59:53,690 --> 00:59:48,839  
don't know

1588  
00:59:55,250 --> 00:59:53,700

but the valet book was nice and I'm

1589

00:59:57,470 --> 00:59:55,260

going to do I'll do I'll just pull out

1590

00:59:58,789 --> 00:59:57,480

the the Wilson Davis stuff and do a a

1591

01:00:01,309 --> 00:59:58,799

stream on that

1592

01:00:05,089 --> 01:00:01,319

put a load of bollocks it was I mean I I

1593

01:00:07,010 --> 01:00:05,099

didn't I had zero expectations so

1594

01:00:09,349 --> 01:00:07,020

you know

1595

01:00:11,390 --> 01:00:09,359

that I wasn't disappointed because I

1596

01:00:14,030 --> 01:00:11,400

didn't expect anything the elastic crash

1597

01:00:16,130 --> 01:00:14,040

is on a very open terrain but allegedly

1598

01:00:17,990 --> 01:00:16,140

you know supposedly they can't

1599

01:00:19,970 --> 01:00:18,000

access it easily I mean you would think

1600

01:00:22,190 --> 01:00:19,980

they know exactly

1601  
01:00:24,349 --> 01:00:22,200  
you know latitude and longitude where it

1602  
01:00:26,329 --> 01:00:24,359  
was shot down and it would go

1603  
01:00:28,190 --> 01:00:26,339  
pretty much go straight down supposedly

1604  
01:00:30,950 --> 01:00:28,200  
one of the one of the craft early on it

1605  
01:00:32,809 --> 01:00:30,960  
was a CNN reporter saying I think I

1606  
01:00:34,250 --> 01:00:32,819  
forget her last name Natasha she said it

1607  
01:00:36,230 --> 01:00:34,260  
crashed maybe it wasn't her but somebody

1608  
01:00:38,089 --> 01:00:36,240  
said it crashed into a thousand pieces

1609  
01:00:40,309 --> 01:00:38,099  
or hundreds of pieces when it landed so

1610  
01:00:42,589 --> 01:00:40,319  
maybe it was metallic she also said that

1611  
01:00:43,789 --> 01:00:42,599  
she heard from a source that the pilots

1612  
01:00:46,970 --> 01:00:43,799  
were saying

1613  
01:00:48,470 --> 01:00:46,980

that their sensors are being affected so

1614

01:00:50,510 --> 01:00:48,480

something inside the craft may be

1615

01:00:53,690 --> 01:00:50,520

affecting sensors what sounds like a UFO

1616

01:00:55,789 --> 01:00:53,700

case like the 76 Tehran Iran case where

1617

01:00:57,530 --> 01:00:55,799

they would get close to the craft and

1618

01:00:59,210 --> 01:00:57,540

all their you know they weren't able to

1619

01:01:01,789 --> 01:00:59,220

launch any missiles they're everything

1620

01:01:05,030 --> 01:01:01,799

locked on their controls suggesting the

1621

01:01:07,130 --> 01:01:05,040

UFO was affecting their their planes on

1622

01:01:09,829 --> 01:01:07,140

purpose or something related to the

1623

01:01:11,750 --> 01:01:09,839

related to the propulsion was affecting

1624

01:01:13,789 --> 01:01:11,760

them as they got closer but I'm not I'm

1625

01:01:15,890 --> 01:01:13,799

not saying this is like the Tehran case

1626

01:01:16,970 --> 01:01:15,900

it just made me think of the Iranian

1627

01:01:17,690 --> 01:01:16,980

case

1628

01:01:19,130 --> 01:01:17,700

um

1629

01:01:20,809 --> 01:01:19,140

she also said they couldn't figure out

1630

01:01:22,069 --> 01:01:20,819

the propulsion which you know may be

1631

01:01:24,950 --> 01:01:22,079

something we just don't understand it's

1632

01:01:28,069 --> 01:01:24,960

on the inside may not be exotic it may

1633

01:01:30,470 --> 01:01:28,079

be Advanced who knows you don't know

1634

01:01:31,730 --> 01:01:30,480

so it's over snow unmissable so you

1635

01:01:33,950 --> 01:01:31,740

would think

1636

01:01:35,690 --> 01:01:33,960

they'd be able to find it but

1637

01:01:38,210 --> 01:01:35,700

I'm not going to assume that they're

1638

01:01:41,030 --> 01:01:38,220

lying to us on that I don't know

1639

01:01:45,770 --> 01:01:43,490

yeah I would hope eventually they're

1640

01:01:48,890 --> 01:01:45,780

going to find it

1641

01:01:51,170 --> 01:01:48,900

and maybe we'll learn what it was

1642

01:01:52,730 --> 01:01:51,180

the potentially ubiquitous presence of

1643

01:01:54,289 --> 01:01:52,740

UAP from the Sean Kirkpatrick

1644

01:01:57,770 --> 01:01:54,299

presentation is something I'm trying to

1645

01:02:00,950 --> 01:01:59,870

I'm not exactly sure what you're saying

1646

01:02:03,609 --> 01:02:00,960

there

1647

01:02:05,930 --> 01:02:03,619

um Caroline's Roadhouse but

1648

01:02:08,030 --> 01:02:05,940

Kirkpatrick I've heard only positive

1649

01:02:10,490 --> 01:02:08,040

things about him but

1650

01:02:13,370 --> 01:02:10,500

it's I don't know

1651  
01:02:15,950 --> 01:02:13,380  
like I said from my information we have

1652  
01:02:18,109 --> 01:02:15,960  
found the programs we wanted to find we

1653  
01:02:19,730 --> 01:02:18,119  
just have not gotten access

1654  
01:02:21,349 --> 01:02:19,740  
I don't know if that's accurate but I've

1655  
01:02:22,910 --> 01:02:21,359  
heard it from a couple of people and

1656  
01:02:25,130 --> 01:02:22,920  
I've heard Kirkpatrick is doing what

1657  
01:02:26,750 --> 01:02:25,140  
he's supposed to be doing as required in

1658  
01:02:29,450 --> 01:02:26,760  
the ndaa

1659  
01:02:31,130 --> 01:02:29,460  
um so he's doing his job as far as how

1660  
01:02:33,410 --> 01:02:31,140  
to get access I don't know how they're

1661  
01:02:35,270 --> 01:02:33,420  
going to do that or if they already have

1662  
01:02:37,549 --> 01:02:35,280  
my information says they haven't I could

1663  
01:02:39,410 --> 01:02:37,559

be wrong the people telling me that

1664

01:02:42,530 --> 01:02:39,420

information could be misinforming me

1665

01:02:44,510 --> 01:02:42,540

they could be uninformed themselves

1666

01:02:45,109 --> 01:02:44,520

um which I don't think is the case

1667

01:02:46,970 --> 01:02:45,119

um

1668

01:02:48,650 --> 01:02:46,980

so

1669

01:02:52,309 --> 01:02:48,660

heads of rolling behind the scenes for

1670

01:02:57,170 --> 01:02:55,130

I don't know if anybody's getting

1671

01:02:59,690 --> 01:02:57,180

chastised for the past week and a half

1672

01:03:01,789 --> 01:02:59,700

but I know Congress is not happy certain

1673

01:03:03,530 --> 01:03:01,799

members of Congress so

1674

01:03:05,390 --> 01:03:03,540

yeah it does make sense a commercial

1675

01:03:08,870 --> 01:03:05,400

object although I didn't think of that

1676

01:03:14,210 --> 01:03:12,470

who is Axelrod go kicks rocks go kick

1677

01:03:15,829 --> 01:03:14,220

rocks Jessica brought that up she was

1678

01:03:18,530 --> 01:03:15,839

one of the first if not the only people

1679

01:03:21,410 --> 01:03:18,540

that I encounter on Twitter

1680

01:03:22,849 --> 01:03:21,420

who brought that up

1681

01:03:25,309 --> 01:03:22,859

um

1682

01:03:26,750 --> 01:03:25,319

let's see

1683

01:03:28,609 --> 01:03:26,760

so difficult

1684

01:03:30,289 --> 01:03:28,619

onboarding new folks into the topic

1685

01:03:32,210 --> 01:03:30,299

because there's so much

1686

01:03:34,250 --> 01:03:32,220

requisite knowledge needed to be able to

1687

01:03:36,650 --> 01:03:34,260

develop a Discerning Eye for what's BS

1688

01:03:38,030 --> 01:03:36,660

and what's worth paying attention to and

1689

01:03:40,130 --> 01:03:38,040

there's also stuff

1690

01:03:43,910 --> 01:03:40,140

that you would think

1691

01:03:46,250 --> 01:03:43,920

it's obvious BS I mean I I I'm careful I

1692

01:03:48,230 --> 01:03:46,260

usually err on the side of caution so

1693

01:03:50,270 --> 01:03:48,240

I'll miss something that might be legit

1694

01:03:51,650 --> 01:03:50,280

when it's not I'm I'm usually on that

1695

01:03:53,170 --> 01:03:51,660

side and the people are like what are

1696

01:03:56,809 --> 01:03:53,180

you talking about you talk about

1697

01:03:59,210 --> 01:03:56,819

reincarnation and the soul trap and you

1698

01:04:01,490 --> 01:03:59,220

know a simulation yeah but that's

1699

01:04:03,349 --> 01:04:01,500

I talk about that because it's really

1700

01:04:05,329 --> 01:04:03,359

interesting to me and it resonates with

1701

01:04:07,370 --> 01:04:05,339

me and I don't know if it's true but as

1702

01:04:10,730 --> 01:04:07,380

far as like cases and you know people

1703

01:04:13,370 --> 01:04:10,740

making claims personal claims I'm really

1704

01:04:16,430 --> 01:04:13,380

conservative so it's tough and I've been

1705

01:04:18,890 --> 01:04:16,440

doing it since 96 I think I'm okay at it

1706

01:04:20,390 --> 01:04:18,900

but I I know I miss stuff and I get

1707

01:04:22,069 --> 01:04:20,400

things wrong

1708

01:04:24,289 --> 01:04:22,079

um isn't James Fox's movie basically

1709

01:04:26,750 --> 01:04:24,299

primers James Fox's movies or James

1710

01:04:28,849 --> 01:04:26,760

Fox's movies are perfect I know what I

1711

01:04:31,370 --> 01:04:28,859

saw phenomenon if there are any new

1712

01:04:33,410 --> 01:04:31,380

people on here look up James Fox watch

1713

01:04:35,089 --> 01:04:33,420

his UFO documentaries they're they're

1714

01:04:37,789 --> 01:04:35,099

great for that

1715

01:04:40,130 --> 01:04:37,799

um the new series Leslie Kane

1716

01:04:42,650 --> 01:04:40,140

um is a Consulting producer on the UFO

1717

01:04:44,329 --> 01:04:42,660

doctor series on National Geographic

1718

01:04:47,089 --> 01:04:44,339

which was supposed to be supposed to be

1719

01:04:48,349 --> 01:04:47,099

on CNN plus what sucks CNN plus went

1720

01:04:50,930 --> 01:04:48,359

under

1721

01:04:53,150 --> 01:04:50,940

um it's really good it looks amazing and

1722

01:04:55,069 --> 01:04:53,160

it's great for newbies it's really good

1723

01:04:58,190 --> 01:04:55,079

especially for modern day what happened

1724

01:05:00,170 --> 01:04:58,200

since 2017. seeing Helene Cooper who's a

1725

01:05:02,089 --> 01:05:00,180

New York Times Reporter talk about how

1726

01:05:03,770 --> 01:05:02,099

they were so stressed out that Politico

1727

01:05:05,390 --> 01:05:03,780

was going to beat them to the punch it

1728

01:05:07,430 --> 01:05:05,400

was really cool to see because we had

1729

01:05:08,390 --> 01:05:07,440

never heard from her like that

1730

01:05:10,309 --> 01:05:08,400

um and they were just she was like

1731

01:05:12,349 --> 01:05:10,319

telling the person just publish the

1732

01:05:14,510 --> 01:05:12,359

story they're gonna beat us to the punch

1733

01:05:16,490 --> 01:05:14,520

and we're going to be screwed but they'd

1734

01:05:20,030 --> 01:05:16,500

be they beat them I think political put

1735

01:05:23,630 --> 01:05:21,950

Joe Biden looked like a coach this

1736

01:05:25,250 --> 01:05:23,640

afternoon he has never been sharp but

1737

01:05:27,109 --> 01:05:25,260

today he looked ready for the big dirt

1738

01:05:29,450 --> 01:05:27,119

nap I don't think he's going anywhere

1739

01:05:30,710 --> 01:05:29,460

anytime soon

1740

01:05:32,329 --> 01:05:30,720

um

1741

01:05:33,530 --> 01:05:32,339

but it was

1742

01:05:34,910 --> 01:05:33,540

yes

1743

01:05:36,950 --> 01:05:34,920

I didn't already did the press

1744

01:05:38,390 --> 01:05:36,960

conference uh when this is done you

1745

01:05:39,589 --> 01:05:38,400

could you can go on YouTube and watch it

1746

01:05:42,890 --> 01:05:39,599

this is really

1747

01:05:46,849 --> 01:05:45,170

yep you may be in the Twilight Zone Don

1748

01:05:49,490 --> 01:05:46,859

hi Heidi

1749

01:05:50,450 --> 01:05:49,500

how are you I'm how far am I behind I'm

1750

01:05:53,870 --> 01:05:50,460

like eight

1751

01:05:59,690 --> 01:05:56,870

thanks Mike it's been a while I

1752

01:06:01,609 --> 01:05:59,700

my goal this is my goal my goal is to do

1753

01:06:03,650 --> 01:06:01,619

as many days as I can

1754

01:06:05,450 --> 01:06:03,660

a Twitter summary because nobody's doing

1755

01:06:06,589 --> 01:06:05,460

that and I think my Twitter is decent

1756

01:06:08,450 --> 01:06:06,599

and there are other people on Twitter

1757

01:06:10,789 --> 01:06:08,460

that are kicking my ass as far as

1758

01:06:12,230 --> 01:06:10,799

putting out interesting videos there's a

1759

01:06:13,670 --> 01:06:12,240

there's like three or four people that

1760

01:06:15,650 --> 01:06:13,680

are just non-stop putting out great

1761

01:06:16,670 --> 01:06:15,660

stuff and I'll even I'll share their

1762

01:06:18,170 --> 01:06:16,680

stuff and

1763

01:06:19,970 --> 01:06:18,180

because I can't

1764

01:06:22,130 --> 01:06:19,980

can't get to everything but these guys

1765

01:06:24,470 --> 01:06:22,140

do get everything it seems so I want to

1766

01:06:26,450 --> 01:06:24,480

do that at least a couple of times a

1767

01:06:28,549 --> 01:06:26,460

week as much as I can even if even if

1768

01:06:31,849 --> 01:06:28,559

it's for an hour

1769

01:06:34,190 --> 01:06:31,859

a side question is Leslie Keynes doc

1770

01:06:35,150 --> 01:06:34,200

surviving death worth a watch yeah I

1771

01:06:36,710 --> 01:06:35,160

need to watch it again there was

1772

01:06:38,809 --> 01:06:36,720

something and it's been a while that I I

1773

01:06:40,789 --> 01:06:38,819

don't remember ever encountering before

1774

01:06:44,569 --> 01:06:40,799

it was it was some sort of alleged

1775

01:06:45,170 --> 01:06:44,579

alleged evidence for life after death

1776

01:06:47,750 --> 01:06:45,180

um

1777

01:06:49,130 --> 01:06:47,760

it's worth watching I didn't like the

1778

01:06:51,470 --> 01:06:49,140

medium they had on there one of the

1779

01:06:53,210 --> 01:06:51,480

mediums but overall it's good somebody

1780

01:06:54,410 --> 01:06:53,220

actually mentioned it to me the other

1781

01:06:57,829 --> 01:06:54,420

day they're like you should watch this

1782

01:06:59,870 --> 01:06:57,839

I'm like I did it's what it goes it's

1783

01:07:02,150 --> 01:06:59,880

the one topic that I don't think she

1784

01:07:04,670 --> 01:07:02,160

covers it in that I could be wrong but

1785

01:07:06,829 --> 01:07:04,680

the one subject I love to talk about is

1786

01:07:09,170 --> 01:07:06,839

physical mediumship where they actually

1787

01:07:11,510 --> 01:07:09,180

have physical stuff going on in the

1788

01:07:14,569 --> 01:07:11,520

Seance room and Leslie one of the things

1789

01:07:16,609 --> 01:07:14,579

they supposedly can manifest the actual

1790

01:07:18,829 --> 01:07:16,619

person who they're communicating with

1791

01:07:21,069 --> 01:07:18,839

you read more about in the 1800s

1792

01:07:23,450 --> 01:07:21,079

although there are mediums now

1793

01:07:25,549 --> 01:07:23,460

manifestation mediums who allegedly can

1794

01:07:28,370 --> 01:07:25,559

do that and Leslie says she saw a human

1795

01:07:30,289 --> 01:07:28,380

hand form right in front of her face

1796

01:07:31,789 --> 01:07:30,299

and this is supposedly the human hand of

1797

01:07:34,849 --> 01:07:31,799

the person who's communicating through

1798

01:07:36,829 --> 01:07:34,859

the medium I don't I don't doubt that

1799

01:07:38,210 --> 01:07:36,839

that's what she saw I just don't know I

1800

01:07:40,549 --> 01:07:38,220

don't know if I believe it's a person

1801

01:07:42,829 --> 01:07:40,559

and if you followed my tweets in the

1802

01:07:46,010 --> 01:07:42,839

past month or so on a book called

1803

01:07:49,010 --> 01:07:46,020

siren Call of hungry ghosts I do believe

1804

01:07:51,529 --> 01:07:49,020

what channelers are engaging with

1805

01:07:53,569 --> 01:07:51,539

if their Spirits they're Liars basically

1806

01:07:55,069 --> 01:07:53,579

they're telling people that they're so

1807

01:07:56,630 --> 01:07:55,079

and so and they have a connection to us

1808

01:07:58,849 --> 01:07:56,640

in a past life and it turns out the

1809

01:08:00,589 --> 01:07:58,859

information is total crap one

1810

01:08:03,109 --> 01:08:00,599

investigative reporter looked into it

1811

01:08:04,849 --> 01:08:03,119

and just tried to verify it and a couple

1812

01:08:07,670 --> 01:08:04,859

of pieces were verifiable and once he

1813

01:08:08,450 --> 01:08:07,680

started digging it was all garbage

1814

01:08:11,930 --> 01:08:08,460

um

1815

01:08:14,210 --> 01:08:11,940

Joe Fisher is the book siren Call of

1816

01:08:15,950 --> 01:08:14,220

hungry ghosts it was really good really

1817

01:08:18,229 --> 01:08:15,960

good read I kind of knew where it was

1818

01:08:21,349 --> 01:08:18,239

going I had an idea Dean uh Dean Johnson

1819

01:08:23,209 --> 01:08:21,359

who does a lot of work with the ndaa

1820

01:08:25,370 --> 01:08:23,219

Douglas Dean Johnson he's the one that

1821

01:08:26,930 --> 01:08:25,380

turned me on to that book

1822

01:08:28,550 --> 01:08:26,940

we have no evidence except for the

1823

01:08:30,349 --> 01:08:28,560

balloon we're being lied to about the

1824

01:08:31,669 --> 01:08:30,359

other three people think that they

1825

01:08:33,289 --> 01:08:31,679

didn't shoot down anything with the

1826

01:08:35,150 --> 01:08:33,299

other three I don't think that I think

1827

01:08:39,769 --> 01:08:35,160

they shot something down

1828

01:08:44,269 --> 01:08:41,390

if you checked out

1829

01:08:47,110 --> 01:08:44,279

the research being done by I don't know

1830

01:08:51,590 --> 01:08:49,789

barrel.com at the pink smoke on YouTube

1831

01:08:53,329 --> 01:08:51,600

no if not you should start with the

1832

01:08:55,430 --> 01:08:53,339

oldest videos where the fine you can see

1833

01:08:57,829 --> 01:08:55,440

things in historical picks alright Julie

1834

01:08:59,030 --> 01:08:57,839

I will look at that I will try to look

1835

01:09:01,370 --> 01:08:59,040

at that

1836

01:09:05,570 --> 01:09:02,630

I'll make sure I write it down

1837

01:09:09,530 --> 01:09:05,580

afterwards well actually take a picture

1838

01:09:11,990 --> 01:09:09,540

so I can not have to scroll through

1839

01:09:16,370 --> 01:09:12,000

this chat later on

1840

01:09:19,550 --> 01:09:18,050

implants nothing I haven't heard

1841

01:09:21,530 --> 01:09:19,560

anything on implants I know people like

1842

01:09:24,349 --> 01:09:21,540

everything is just prosaic when they do

1843

01:09:26,150 --> 01:09:24,359

studies on them nothing exotic

1844

01:09:28,849 --> 01:09:26,160

um I know people who claim they have

1845

01:09:30,410 --> 01:09:28,859

implants and what distributor had one of

1846

01:09:32,090 --> 01:09:30,420

his implants taken out live on camera

1847

01:09:33,650 --> 01:09:32,100

and supposedly or they try to take it

1848

01:09:34,849 --> 01:09:33,660

out and then supposedly the implant

1849

01:09:37,309 --> 01:09:34,859

moved away

1850

01:09:38,990 --> 01:09:37,319

from the doctor with his scalpel

1851  
01:09:40,370 --> 01:09:39,000  
whatever he was using to try to get it

1852  
01:09:42,829 --> 01:09:40,380  
out and

1853  
01:09:45,229 --> 01:09:42,839  
they just left it in there

1854  
01:09:48,410 --> 01:09:45,239  
yeah supposedly there's problems with I

1855  
01:09:50,450 --> 01:09:48,420  
tweeted it out uh tiny clouds claws put

1856  
01:09:52,010 --> 01:09:50,460  
it out earlier there was an article that

1857  
01:09:55,310 --> 01:09:52,020  
talked about it was I think it was the

1858  
01:09:57,290 --> 01:09:55,320  
drive they talked about how Arrow

1859  
01:09:59,570 --> 01:09:57,300  
somehow their budget got messed up so

1860  
01:10:01,430 --> 01:09:59,580  
they're trying to fix that it's like how

1861  
01:10:02,990 --> 01:10:01,440  
does that happen you're not paying

1862  
01:10:07,250 --> 01:10:03,000  
attention or the people involved telling

1863  
01:10:09,650 --> 01:10:07,260

you uh yeah we have no budget

1864

01:10:11,090 --> 01:10:09,660

can you share anything about Eric Davis

1865

01:10:13,130 --> 01:10:11,100

opinion if you have spoken to him

1866

01:10:16,130 --> 01:10:13,140

recently on recent news now I haven't

1867

01:10:20,209 --> 01:10:16,140

spoken to anybody on the balloon slash

1868

01:10:21,590 --> 01:10:20,219

objects slash whatever news

1869

01:10:23,330 --> 01:10:21,600

um

1870

01:10:25,130 --> 01:10:23,340

if something is really interesting I'll

1871

01:10:26,570 --> 01:10:25,140

usually hear from somebody I have not

1872

01:10:27,770 --> 01:10:26,580

heard

1873

01:10:30,530 --> 01:10:27,780

and

1874

01:10:33,350 --> 01:10:30,540

I will ask around to various I have a

1875

01:10:35,810 --> 01:10:33,360

decent amount of people I can ask now

1876

01:10:37,669 --> 01:10:35,820

um I won't unless they tell me I can

1877

01:10:39,530 --> 01:10:37,679

give you their names I won't tell you

1878

01:10:41,149 --> 01:10:39,540

their name so I'll ask everybody and

1879

01:10:43,010 --> 01:10:41,159

I'll try to get information out I think

1880

01:10:45,169 --> 01:10:43,020

it's going to be

1881

01:10:47,390 --> 01:10:45,179

basically what Biden said but a little

1882

01:10:48,830 --> 01:10:47,400

more you know talking about this is a

1883

01:10:50,030 --> 01:10:48,840

good thing getting people to start

1884

01:10:53,630 --> 01:10:50,040

looking at

1885

01:10:55,310 --> 01:10:53,640

you know the the craft that do not

1886

01:10:57,729 --> 01:10:55,320

conform to

1887

01:10:59,510 --> 01:10:57,739

what we would expect from a from a

1888

01:11:02,090 --> 01:10:59,520

mainstream that's not the right word

1889

01:11:03,709 --> 01:11:02,100

from a from a physics standpoint that we

1890

01:11:06,470 --> 01:11:03,719

were used to maybe these craft you know

1891

01:11:08,209 --> 01:11:06,480

like you see an odni report

1892

01:11:09,770 --> 01:11:08,219

where they're making Maneuvers that we

1893

01:11:11,330 --> 01:11:09,780

don't understand I think that's what

1894

01:11:12,770 --> 01:11:11,340

I'll hear from these folks but I don't

1895

01:11:14,570 --> 01:11:12,780

think I'm going to get anything more

1896

01:11:16,850 --> 01:11:14,580

like nap talked about speaking with this

1897

01:11:19,310 --> 01:11:16,860

source and they said they could not add

1898

01:11:20,870 --> 01:11:19,320

anything to what's going on in the media

1899

01:11:22,910 --> 01:11:20,880

related to these objects being brought

1900

01:11:26,990 --> 01:11:22,920

down and nap has

1901

01:11:29,390 --> 01:11:27,000

sources up the you know what so but I'll

1902

01:11:32,689 --> 01:11:29,400

I'll ask I'll see if I if you see a lot

1903

01:11:34,610 --> 01:11:32,699

of times I will tweet sorry

1904

01:11:37,010 --> 01:11:34,620

I will Tweet stuff that I've heard but I

1905

01:11:39,169 --> 01:11:37,020

won't say I won't say that I heard it

1906

01:11:41,030 --> 01:11:39,179

I'll just put it out there

1907

01:11:42,890 --> 01:11:41,040

because I'm not always sure I can share

1908

01:11:44,689 --> 01:11:42,900

information because my sources the

1909

01:11:46,430 --> 01:11:44,699

people I speak with

1910

01:11:48,110 --> 01:11:46,440

they don't always they're they're not

1911

01:11:50,990 --> 01:11:48,120

always clear on what I can and can't

1912

01:11:52,430 --> 01:11:51,000

share which is which is a problem but I

1913

01:11:54,169 --> 01:11:52,440

haven't gotten yelled at yet so I guess

1914

01:11:56,209 --> 01:11:54,179

I'm doing okay the way I the way I've

1915

01:11:58,910 --> 01:11:56,219

been doing it I'm careful about how I

1916

01:12:00,590 --> 01:11:58,920

say it and how I how I present it

1917

01:12:02,750 --> 01:12:00,600

yeah

1918

01:12:05,209 --> 01:12:02,760

have I seen the YouTube filmed on the

1919

01:12:07,490 --> 01:12:05,219

coast by a worker of the retrieval

1920

01:12:09,110 --> 01:12:07,500

operation weather looks calm and clear I

1921

01:12:12,830 --> 01:12:09,120

have not

1922

01:12:16,310 --> 01:12:12,840

something yesterday

1923

01:12:18,410 --> 01:12:16,320

um I don't know I don't know it's like

1924

01:12:20,630 --> 01:12:18,420

you know if it really was

1925

01:12:22,070 --> 01:12:20,640

something exotic they probably wouldn't

1926

01:12:24,169 --> 01:12:22,080

tell us and if it was something

1927

01:12:25,850 --> 01:12:24,179

non-human they're not going to tell us I

1928

01:12:27,530 --> 01:12:25,860

mean George Knapp has spoken about that

1929

01:12:29,270 --> 01:12:27,540

the stuff we care about they're not

1930

01:12:31,550 --> 01:12:29,280

going to just tell us about if that

1931

01:12:34,010 --> 01:12:31,560

stuff is going on if really if we really

1932

01:12:35,930 --> 01:12:34,020

do have crash crashes of non-human craft

1933

01:12:37,490 --> 01:12:35,940

and people are like well if it's a

1934

01:12:39,709 --> 01:12:37,500

non-human craft and it's Advanced it's

1935

01:12:42,530 --> 01:12:39,719

not going to crash well

1936

01:12:44,930 --> 01:12:42,540

we can get into the the idea of crashing

1937

01:12:46,430 --> 01:12:44,940

on purpose you know using AI beings

1938

01:12:48,169 --> 01:12:46,440

their artificial intelligence they're

1939

01:12:49,310 --> 01:12:48,179

trying to send us a message who the heck

1940

01:12:51,770 --> 01:12:49,320

knows

1941

01:12:53,510 --> 01:12:51,780

um all possibilities on the table

1942

01:12:54,470 --> 01:12:53,520

but yeah you're talking about Alaska see

1943

01:12:59,090 --> 01:12:54,480

that

1944

01:13:00,770 --> 01:12:59,100

the guy filmed activity off the coast at

1945

01:13:03,169 --> 01:13:00,780

first sorry I'm just

1946

01:13:05,090 --> 01:13:03,179

guy filmed military activity off the 11

1947

01:13:06,649 --> 01:13:05,100

codes at first but they went away after

1948

01:13:07,850 --> 01:13:06,659

a few days so they found what they were

1949

01:13:09,590 --> 01:13:07,860

looking for they're no longer

1950

01:13:11,090 --> 01:13:09,600

researching Alaska okay well maybe they

1951

01:13:13,970 --> 01:13:11,100

got they wanted and they're not going to

1952

01:13:16,370 --> 01:13:13,980

tell us so I do know my camera is Frozen

1953

01:13:18,770 --> 01:13:16,380

like I said earlier as long as you can

1954

01:13:21,010 --> 01:13:18,780

hear me and I did not get a Frozen funny

1955

01:13:24,350 --> 01:13:21,020

face I'm good

1956

01:13:26,209 --> 01:13:24,360

I don't get until now how the UAP gets

1957

01:13:27,830 --> 01:13:26,219

shut uaps get shot down because a lot of

1958

01:13:30,410 --> 01:13:27,840

cases the ufps the speed of things is

1959

01:13:32,750 --> 01:13:30,420

insane I kind of just addressed this

1960

01:13:35,870 --> 01:13:32,760

um who knows maybe we have something EMP

1961

01:13:38,149 --> 01:13:35,880

electric electron electromagnetic pulse

1962

01:13:39,649 --> 01:13:38,159

weapon we have Lou has referred to this

1963

01:13:41,570 --> 01:13:39,659

in a couple of interviews but he would

1964

01:13:42,950 --> 01:13:41,580

get into details

1965

01:13:45,050 --> 01:13:42,960

um and just because they could they

1966

01:13:46,430 --> 01:13:45,060

could allegedly shut down uh our nuclear

1967

01:13:49,250 --> 01:13:46,440

missile sites doesn't mean they can't be

1968

01:13:51,110 --> 01:13:49,260

shot down or they're being allowed to be

1969

01:13:53,030 --> 01:13:51,120

shot down because of whatever reason we

1970

01:13:54,770 --> 01:13:53,040

can speculate all day long on why that

1971

01:13:56,930 --> 01:13:54,780

would be you could talk about how they

1972

01:13:58,729 --> 01:13:56,940

want to help Humanity with technology or

1973

01:14:02,149 --> 01:13:58,739

you could speculate that they want to

1974

01:14:03,770 --> 01:14:02,159

get technology in our hands so we'd

1975

01:14:05,149 --> 01:14:03,780

annihilate each other and they can have

1976

01:14:07,550 --> 01:14:05,159

the planet to themselves total

1977

01:14:09,229 --> 01:14:07,560

speculation I have no idea

1978

01:14:10,250 --> 01:14:09,239

um like you said maybe they are probable

1979

01:14:13,970 --> 01:14:10,260

gifts

1980

01:14:15,530 --> 01:14:13,980

yeah that's possible uh I'll just say

1981

01:14:16,550 --> 01:14:15,540

people who tell you they know that for

1982

01:14:18,290 --> 01:14:16,560

sure

1983

01:14:21,290 --> 01:14:18,300

I just I can't listen to that I mean

1984

01:14:23,090 --> 01:14:21,300

nobody knows I don't think anybody knows

1985

01:14:25,010 --> 01:14:23,100

and if they are they're in programs that

1986

01:14:27,110 --> 01:14:25,020

have not been revealed yet what and they

1987

01:14:29,510 --> 01:14:27,120

have data we have not seen yet

1988

01:14:31,910 --> 01:14:29,520

you did Mr Biden thing it was a

1989

01:14:33,410 --> 01:14:31,920

non-event for a non-us person or a US

1990

01:14:37,010 --> 01:14:33,420

person

1991

01:14:39,590 --> 01:14:37,020

um no it was not fun it's boring

1992

01:14:42,950 --> 01:14:39,600

very boring even even worse than most

1993

01:14:44,810 --> 01:14:42,960

people on the conservative side expected

1994

01:14:46,430 --> 01:14:44,820

uh physical meetings are fascinating I

1995

01:14:47,990 --> 01:14:46,440

did an episode about it thanks for

1996

01:14:49,970 --> 01:14:48,000

sharing chains of the sea you're welcome

1997

01:14:51,530 --> 01:14:49,980

physical mediums it's more it's

1998

01:14:53,930 --> 01:14:51,540

controversial

1999

01:14:55,970 --> 01:14:53,940

um you know because supposedly they the

2000

01:14:57,830 --> 01:14:55,980

best one can bring the your loved one

2001

01:14:59,750 --> 01:14:57,840

into the room you can see them and touch

2002

01:15:02,209 --> 01:14:59,760

them crazy I know but when you have

2003

01:15:04,729 --> 01:15:02,219

somebody like Leslie Kane

2004

01:15:06,950 --> 01:15:04,739

saying she saw she saw this human hand

2005

01:15:07,850 --> 01:15:06,960

form right in front of the front of her

2006

01:15:10,430 --> 01:15:07,860

face

2007

01:15:13,729 --> 01:15:10,440

um it's only a couple feet away so if

2008

01:15:15,890 --> 01:15:13,739

that's true then a whole body would I

2009

01:15:18,410 --> 01:15:15,900

would think be possible what that body

2010

01:15:20,330 --> 01:15:18,420

and our who that belongs to that's the

2011

01:15:23,209 --> 01:15:20,340

question I have

2012

01:15:25,010 --> 01:15:23,219

thanks Lord ludicrous it's been a while

2013

01:15:27,770 --> 01:15:25,020

I need to start doing this

2014

01:15:30,350 --> 01:15:27,780

top five drummers of all time I was

2015

01:15:31,970 --> 01:15:30,360

taken to see the who the kids all write

2016

01:15:34,610 --> 01:15:31,980

in a midnight show my sister's boyfriend

2017

01:15:38,149 --> 01:15:34,620

Keith Moon Neil Pierce

2018

01:15:38,159 --> 01:15:42,050

John Bonham

2019

01:15:46,370 --> 01:15:44,090

who's the drummer for Slayer I forget

2020

01:15:48,470 --> 01:15:46,380

his name

2021

01:15:50,450 --> 01:15:48,480

um Buddy Rich I got the seat Buddy Rich

2022

01:15:52,850 --> 01:15:50,460

Live my dad took me to see him in Long

2023

01:15:54,830 --> 01:15:52,860

Island at this dinner place it was

2024

01:15:56,750 --> 01:15:54,840

amazing he's definitely and the guy I

2025

01:15:59,090 --> 01:15:56,760

took lessons with

2026

01:16:00,830 --> 01:15:59,100

he was a Buddy Rich Protege guy was

2027

01:16:02,630 --> 01:16:00,840

amazing

2028

01:16:03,290 --> 01:16:02,640

he's dead now though

2029

01:16:05,890 --> 01:16:03,300

um

2030

01:16:08,630 --> 01:16:05,900

died young I forget what he died of it

2031

01:16:10,189 --> 01:16:08,640

uh watch the press the president acted

2032

01:16:11,870 --> 01:16:10,199

on norad's recommendations to shoot down

2033

01:16:14,090 --> 01:16:11,880

because of threat of surveillance the

2034

01:16:15,410 --> 01:16:14,100

sensitive insulations plus safety of

2035

01:16:16,910 --> 01:16:15,420

commercial flight I don't know if he

2036

01:16:18,470 --> 01:16:16,920

mentioned that

2037

01:16:19,970 --> 01:16:18,480

um intelligence Community telling the

2038

01:16:22,310 --> 01:16:19,980

president it is the current assessment

2039

01:16:25,189 --> 01:16:22,320

that all are balloons

2040

01:16:27,050 --> 01:16:25,199

yeah um it depends on who you listen to

2041

01:16:28,850 --> 01:16:27,060

they may all be balloons

2042

01:16:29,990 --> 01:16:28,860

um maybe not balloons how we how we

2043

01:16:31,250 --> 01:16:30,000

understand them I mean you hear the

2044

01:16:33,290 --> 01:16:31,260

pilots talking

2045

01:16:34,910 --> 01:16:33,300

thinking they were balloons and if they

2046

01:16:36,410 --> 01:16:34,920

were balloons that's fine as long as it

2047

01:16:38,689 --> 01:16:36,420

gets people talking about the other

2048

01:16:40,550 --> 01:16:38,699

stuff I'm fine with that I mean whatever

2049

01:16:42,410 --> 01:16:40,560

they are they are I mean I'm not gonna

2050

01:16:44,149 --> 01:16:42,420

I'm not gonna push the issue to try to

2051  
01:16:46,250 --> 01:16:44,159  
make make them something they're not

2052  
01:16:48,709 --> 01:16:46,260  
something exotic

2053  
01:16:52,729 --> 01:16:50,570  
Dave Grill is

2054  
01:16:54,169 --> 01:16:52,739  
not on my list they I love Dave Grohl

2055  
01:16:56,149 --> 01:16:54,179  
but as far as stuff people I was

2056  
01:16:58,970 --> 01:16:56,159  
influenced with Dave Lombardo that's it

2057  
01:17:01,750 --> 01:16:58,980  
the Slayer drummer I saw them live

2058  
01:17:04,850 --> 01:17:01,760  
once or twice

2059  
01:17:06,709 --> 01:17:04,860  
peoples that say Advanced alien craft

2060  
01:17:08,990 --> 01:17:06,719  
can't shouldn't be able to crash or

2061  
01:17:10,550 --> 01:17:09,000  
using human logic if they are truly

2062  
01:17:13,070 --> 01:17:10,560  
Advanced they likely don't care if they

2063  
01:17:15,530 --> 01:17:13,080

lose a simple drone and Expendable to

2064

01:17:17,270 --> 01:17:15,540

them yeah especially if it's unmanned or

2065

01:17:19,850 --> 01:17:17,280

if they have artificial intelligence

2066

01:17:21,649 --> 01:17:19,860

beings they don't really care about Gary

2067

01:17:23,270 --> 01:17:21,659

Nolan has talked about that I think

2068

01:17:25,250 --> 01:17:23,280

Jacques Valley has spoken about it you

2069

01:17:27,169 --> 01:17:25,260

know like a throwaway craft or a

2070

01:17:28,430 --> 01:17:27,179

throwaway body that's really not you

2071

01:17:30,470 --> 01:17:28,440

know if it's artificial intelligence

2072

01:17:33,950 --> 01:17:30,480

they don't consider it an actual being

2073

01:17:36,530 --> 01:17:33,960

so yeah it's a good point

2074

01:17:40,070 --> 01:17:36,540

I don't I don't know if we're ever going

2075

01:17:42,370 --> 01:17:40,080

to get DOD saying those words we have

2076

01:17:44,689 --> 01:17:42,380

evidence or we have proof that

2077

01:17:46,550 --> 01:17:44,699

non-humans are here I don't know if I'm

2078

01:17:47,930 --> 01:17:46,560

going to see that in my lifetime this

2079

01:17:50,090 --> 01:17:47,940

whole week has been exciting and you're

2080

01:17:51,669 --> 01:17:50,100

seeing interviews with people in

2081

01:17:54,590 --> 01:17:51,679

Congress and other folks you know

2082

01:17:57,410 --> 01:17:54,600

hinting at more to come but I don't know

2083

01:18:04,070 --> 01:18:00,050

so anyway all right

2084

01:18:06,350 --> 01:18:04,080

I might I might go live again later I I

2085

01:18:08,149 --> 01:18:06,360

don't know if I will I mean it's better

2086

01:18:09,530 --> 01:18:08,159

at night I know people aren't working I

2087

01:18:11,930 --> 01:18:09,540

talked with Danny silver we talked about

2088

01:18:13,550 --> 01:18:11,940

doing something together we'll see I'll

2089

01:18:15,169 --> 01:18:13,560

be more prepared and hopefully I won't

2090

01:18:17,450 --> 01:18:15,179

be frozen the entire time but at least

2091

01:18:18,950 --> 01:18:17,460

you can hear me and thanks everybody and

2092

01:18:20,570 --> 01:18:18,960

thanks for alien girl and for Josh for

2093

01:18:23,570 --> 01:18:20,580

jumping on I appreciate it and thanks

2094

01:18:25,970 --> 01:18:23,580

for asking questions hopefully I I sound

2095

01:18:27,290 --> 01:18:25,980

it okay you I was I was you're able to

2096

01:18:31,310 --> 01:18:27,300

understand me and

2097

01:18:32,570 --> 01:18:31,320

good I'll I'll I'll do my best to do

2098

01:18:34,250 --> 01:18:32,580

more of these

2099

01:18:36,290 --> 01:18:34,260

and I definitely want to get into some

2100

01:18:38,570 --> 01:18:36,300

of the Jacques valet Forbidden Science

2101  
01:18:40,850 --> 01:18:38,580  
information on Wilson Davis which was

2102  
01:18:43,790 --> 01:18:40,860  
great to see finally we got to see if I

2103  
01:18:46,490 --> 01:18:43,800  
like go into detail about that he had

2104  
01:18:48,110 --> 01:18:46,500  
spoken to it about it with James iandoli

2105  
01:18:50,090 --> 01:18:48,120  
but he didn't really get into details I

2106  
01:18:52,970 --> 01:18:50,100  
guess he was saving it for the book

2107  
01:18:57,050 --> 01:18:56,209  
I watched the first episode thanks Gabby

2108  
01:18:59,209 --> 01:18:57,060  
um

2109  
01:19:01,610 --> 01:18:59,219  
it was good you know great for newbies

2110  
01:19:03,590 --> 01:19:01,620  
new to the 2017 efforts I haven't seen

2111  
01:19:06,470 --> 01:19:03,600  
the second episode yet

2112  
01:19:08,689 --> 01:19:06,480  
um thanks Atmos paranormal Blitz and

2113  
01:19:11,270 --> 01:19:08,699

code thank you guys for watching

2114

01:19:12,530 --> 01:19:11,280

I'm amazed I was able I'm frozen but at

2115

01:19:14,390 --> 01:19:12,540

least I got it up because it was like I

2116

01:19:16,070 --> 01:19:14,400

had 15 minutes until once I found out

2117

01:19:18,590 --> 01:19:16,080

Biden was going live

2118

01:19:20,330 --> 01:19:18,600

and um I'm glad you guys could be here

2119

01:19:22,790 --> 01:19:20,340

and ask questions I'll I'll be back

2120

01:19:24,470 --> 01:19:22,800

again soon and I'll see you on Twitter

2121

01:19:26,149 --> 01:19:24,480

and thank you everybody who still

2122

01:19:29,090 --> 01:19:26,159

supports me on patreon and everywhere

2123

01:19:31,010 --> 01:19:29,100

else I appreciate that very much

2124

01:19:36,410 --> 01:19:31,020

oh really

2125

01:19:40,370 --> 01:19:38,630

I need to see that Eric Davis did a

2126  
01:19:42,470 --> 01:19:40,380  
move-on lecture so I need to watch that

2127  
01:19:44,510 --> 01:19:42,480  
my time with Eric Davis and Jay Stratton

2128  
01:19:46,850 --> 01:19:44,520  
was great I spent four hours

2129  
01:19:48,350 --> 01:19:46,860  
with Eric Davis over two days and then a

2130  
01:19:50,270 --> 01:19:48,360  
couple hours with Jay Stratton at lunch

2131  
01:19:51,709 --> 01:19:50,280  
with his wife talking about basically

2132  
01:19:53,630 --> 01:19:51,719  
skin workers at the Pentagon what

2133  
01:19:55,610 --> 01:19:53,640  
happened to them mostly to his wife and

2134  
01:19:56,990 --> 01:19:55,620  
kids and that was it was great to hear

2135  
01:19:58,370 --> 01:19:57,000  
from them and people claiming they're

2136  
01:19:59,689 --> 01:19:58,380  
making it up it's like or they're

2137
