

1

00:00:30,000 --> 00:00:47,140

Archaeologists in 2009 unearthed a skeleton that had a brick thrust into the mouth.

2

00:00:47,140 --> 00:00:52,320

And probably evidence of a very real vampire remedy.

3

00:00:52,320 --> 00:00:57,720

This may have been a local tradition to stop her vampiric attacks.

4

00:00:57,720 --> 00:01:10,440

Vampirism flourishes throughout history and continues today.

5

00:01:10,440 --> 00:01:16,120

There have been those who psychologically feel the need to drink blood.

6

00:01:16,120 --> 00:01:24,280

People do believe in real vampires today.

7

00:01:24,280 --> 00:01:29,480

Other creatures science refuses to recognize.

8

00:01:29,480 --> 00:01:34,720

But new technology makes us question what is real.

9

00:01:34,720 --> 00:01:38,280

If our eyes see it.

10

00:01:38,280 --> 00:01:41,280

If our cameras capture it.

11

00:01:41,280 --> 00:01:44,680

Does it exist?

12

00:01:44,680 --> 00:01:49,720

And to a realm where fact meets fiction.

13

00:01:49,720 --> 00:01:51,720

Science meets legend.

14

00:01:51,720 --> 00:01:55,720

When nightmares come to life.

15

00:01:55,720 --> 00:02:01,720

Do you believe?

16

00:02:01,720 --> 00:02:07,720

Lost tapes. Vampire.

17

00:02:07,720 --> 00:02:19,720

Authorities are now investigating what appears to be yet another incident related to the rash of mysterious murders and disappearances that have plagued the area.

18

00:02:21,720 --> 00:02:26,720

The assault happened at about 2am outside this local convenience store.

19

00:02:26,720 --> 00:02:33,720

Surveillance footage shows a customer exit the store and almost immediately get attacked by an unknown assailant.

20

00:02:33,720 --> 00:02:47,720

We warn you, what you are about to see is disturbing.

21

00:02:47,720 --> 00:02:53,720

At this time police are continuing their search for both victim and assailant.

22

00:02:53,720 --> 00:03:03,720

The identity of the attacker remains unknown.

23

00:03:03,720 --> 00:03:05,720

Is that the before shot?

24

00:03:05,720 --> 00:03:08,720

Yeah, come on in.

25

00:03:08,720 --> 00:03:10,720

I want to see you guys walking in through the front door, okay?

26

00:03:10,720 --> 00:03:12,720

This is it.

27

00:03:12,720 --> 00:03:15,720

The Redding family entering into their new lives.

28

00:03:16,720 --> 00:03:19,720

That door won't open.

29

00:03:19,720 --> 00:03:22,720

Just really put your shoulder into it. You can do it.

30

00:03:22,720 --> 00:03:24,720

This house doesn't work.

31

00:03:24,720 --> 00:03:26,720

It's fine. Just give it everything you got.

32

00:03:26,720 --> 00:03:31,720

It's very tricky.

33

00:03:31,720 --> 00:03:34,720

I think the kid was doing better when he put him in there.

34

00:03:34,720 --> 00:03:35,720

You want to try it?

35

00:03:35,720 --> 00:03:37,720

I'll just put on the list.

36

00:03:37,720 --> 00:03:39,720

How many things do we have on that list now?

37

00:03:39,720 --> 00:03:42,720

I stopped counting at 462, alright?

38

00:03:42,720 --> 00:03:47,720

After losing his job to economic downsizing, Dennis Redding moved his wife, Sarah,

39

00:03:47,720 --> 00:03:51,720

and their nine-year-old son, Eddie, into this admitted fixer-upper.

40

00:03:51,720 --> 00:03:58,720

He documented the renovations, his footage reflecting their determination to make the best of the situation.

41

00:03:58,720 --> 00:04:05,720

Their biggest fear at the time was Eddie adjusting after some potentially dangerous bouts with sleepwalking.

42

00:04:05,720 --> 00:04:11,720

But this family would soon discover there was much more to fear inside this old house.

43

00:04:11,720 --> 00:04:14,720

These are their tapes.

44

00:04:17,720 --> 00:04:20,720

This place is horrible, Ruggles.

45

00:04:28,720 --> 00:04:29,720

Ruggles.

46

00:04:30,720 --> 00:04:31,720

I'm sorry.

47

00:04:42,720 --> 00:04:45,720

Hey! I thought you were supposed to be fixing up this room.

48

00:04:45,720 --> 00:04:47,720

I hate this place.

49

00:04:47,720 --> 00:04:51,720

Well, maybe if you don't pack some of these boxes and put some stuff out.

50

00:04:51,720 --> 00:04:54,720

It's creepy. I'm wearing weird glasses.

51

00:04:54,720 --> 00:04:57,720

Hey, why'd you put that there?

52

00:04:57,720 --> 00:05:00,720

Well, remember how I used to sleepwalk?

53

00:05:00,720 --> 00:05:05,720

I'm just, it's a new place, and I wanted to make sure you were safe.

54

00:05:05,720 --> 00:05:07,720

If you know, I want to be able to keep an eye on you.

55

00:05:07,720 --> 00:05:09,720

Mom, I haven't done that since I was eight.

56

00:05:09,720 --> 00:05:11,720

I want to be treated like a big kid.

57

00:05:11,720 --> 00:05:13,720

I know, and you are.

58

00:05:13,720 --> 00:05:16,720

Can we just have it up for me just so I can sleep easy?

59

00:05:16,720 --> 00:05:17,720

Alright.

60

00:05:17,720 --> 00:05:22,720

Alright, I'll have it a treat for you and Ruggles.

61

00:05:22,720 --> 00:05:23,720

Come on.

62

00:05:26,720 --> 00:05:27,720

Hey, hey!

63

00:05:27,720 --> 00:05:30,720

Careful with that. That was a nice gift from Grandma.

64

00:05:40,720 --> 00:05:48,720

The broadest definition of a vampire is the entity or a person living or dead who takes your life force.

65

00:05:48,720 --> 00:05:57,720

Among the great characteristics of vampirism is the vampire's need to feed on blood.

66

00:05:57,720 --> 00:06:05,720

This blood lust is just the single most powerful image of the vampire.

67

00:06:06,720 --> 00:06:11,720

In the Eastern Europe vampire cult, the vampires looked a lot like they looked in life.

68

00:06:11,720 --> 00:06:17,720

In folklore around the world, we find vampire entities who are more demonic, they're monstrous.

69

00:06:17,720 --> 00:06:23,720

Film and fiction has given us another kind of vampire, literally a corpse that gets up and walks.

70

00:06:23,720 --> 00:06:32,720

A sort of creature of the night lurking somewhere, not only in our deepest fears, but somewhere on the margin between life and death.

71

00:07:05,720 --> 00:07:07,720

The vampire is a monster.

72

00:07:21,720 --> 00:07:22,720

What is it?

73

00:07:22,720 --> 00:07:23,720

Something in the room.

74

00:07:23,720 --> 00:07:25,720

There's something in the room.

75

00:07:25,720 --> 00:07:27,720

No, it's just a bad dream buddy.

76

00:07:27,720 --> 00:07:28,720

Monster in the room.

77

00:07:28,720 --> 00:07:30,720

Monster, okay.

78

00:07:30,720 --> 00:07:31,720

Monster.

79

00:07:31,720 --> 00:07:33,720

There's no monsters in the room.

80

00:07:33,720 --> 00:07:35,720

Monster's love the closet.

81

00:07:35,720 --> 00:07:37,720

They don't love this one though.

82

00:07:37,720 --> 00:07:39,720

It's a bad closet for monsters.

83

00:07:39,720 --> 00:07:42,720

You know, I don't think that there's any monsters in your champ.

84

00:07:47,720 --> 00:07:49,720

Is that, is that what you heard?

85

00:07:49,720 --> 00:07:50,720

Is that it?

86

00:07:50,720 --> 00:07:51,720

You know what that is?

87

00:07:51,720 --> 00:07:55,720

That's probably just something like raccoons or something, just screwing around up in the attic.

88

00:07:55,720 --> 00:07:57,720

Can I sleep in your room now?

89

00:07:57,720 --> 00:07:58,720

No, no, no.

90

00:07:58,720 --> 00:07:59,720

I don't think it's a good idea.

91

00:07:59,720 --> 00:08:01,720

To get a little old proof.

92

00:08:01,720 --> 00:08:04,720

Maybe just tonight you can stay in the room.

93

00:08:04,720 --> 00:08:06,720

Let's go to mommy's room.

94

00:08:06,720 --> 00:08:08,720

Oh my goodness.

95

00:08:14,720 --> 00:08:19,720

There are several different animals in nature that feed on blood.

96

00:08:19,720 --> 00:08:23,720

Mosquitoes, ticks, leeches.

97

00:08:23,720 --> 00:08:28,720

The vampire bat is of course one of the very few animals on earth that actually can live on blood

98

00:08:28,720 --> 00:08:32,720

and derive its primary nutrition and calories from blood.

99

00:08:32,720 --> 00:08:40,720

Although we associate them with feeding on human blood, of course they're actually evolved to feed on the blood of hoofed animals.

100

00:08:40,720 --> 00:08:45,720

In the kind of classic Dracula movies you see large canines.

101

00:08:45,720 --> 00:08:52,720

But in some other movies like Nosferatu you see very sharp long incisors, vampire bats.

102

00:08:52,720 --> 00:08:53,720

They actually have both.

103

00:08:53,720 --> 00:08:56,720

They have long canines and long incisors.

104

00:08:56,720 --> 00:09:01,720

They will take the long shearing canines to shear the hair off the surface

105

00:09:01,720 --> 00:09:06,720

and then they'll use those sharp incisors to puncture the skin.

106

00:09:06,720 --> 00:09:13,720

Vampire bats will drink half their weight in blood in a 20 minute feeding if they're able to.

107

00:09:19,720 --> 00:09:20,720

Ruggles.

108

00:09:27,720 --> 00:09:30,720

Ruggles? Is that you?

109

00:09:34,720 --> 00:09:37,720

Ruggles, are you down there?

110

00:09:39,720 --> 00:09:41,720

Ruggles.

111

00:09:41,720 --> 00:09:43,720

Ruggles.

112

00:09:53,720 --> 00:09:57,720

Man, this place is worse than I thought. It's just never ending.

113

00:10:00,720 --> 00:10:03,720

Dennis, I'm really worried about Eddie.

114

00:10:03,720 --> 00:10:05,720

Let's know.

115

00:10:05,720 --> 00:10:06,720

Dennis!

116

00:10:06,720 --> 00:10:08,720

What?

117

00:10:08,720 --> 00:10:10,720

Look what he did to Ruggles.

118

00:10:10,720 --> 00:10:12,720

This is not normal.

119

00:10:12,720 --> 00:10:15,720

This and last night, some of you saw right where he was.

120

00:10:15,720 --> 00:10:18,720

No, last night was just a bad dream.

121

00:10:18,720 --> 00:10:21,720

It's just that he's in this new place, alright?

122

00:10:21,720 --> 00:10:22,720

And there's a lot of stuff going on.

123

00:10:22,720 --> 00:10:24,720

It's gonna be okay, alright?

124

00:10:24,720 --> 00:10:27,720

I'm gonna include him in everything that I do around here, okay?

125

00:10:27,720 --> 00:10:29,720

I remember fixing things with my dad and I loved it.

126

00:10:29,720 --> 00:10:30,720

It was great.

127

00:10:30,720 --> 00:10:33,720

I promise you we're gonna be so close at the end of this.

128

00:10:35,720 --> 00:10:36,720

Okay.

129

00:10:37,720 --> 00:10:39,720

Hey, Mr. Squirrel.

130

00:10:39,720 --> 00:10:42,720

Was that you making all that noise last night?

131

00:10:44,720 --> 00:10:46,720

Do you know where Ruggles is?

132

00:10:46,720 --> 00:10:48,720

Hey, where are you going?

133

00:10:52,720 --> 00:10:55,720

Ruggles, are you down here?

134

00:11:06,720 --> 00:11:07,720

Okay.

135

00:11:07,720 --> 00:11:11,720

Let's see what we find on the old snake cam.

136

00:11:13,720 --> 00:11:16,720

Alright, let's see.

137

00:11:22,720 --> 00:11:23,720

Okay.

138

00:11:25,720 --> 00:11:26,720

Who are you?

139

00:11:27,720 --> 00:11:29,720

You scared the crap out of me.

140

00:11:29,720 --> 00:11:31,720

What are you doing?

141

00:11:31,720 --> 00:11:33,720

Trying to get rid of your Berman.

142

00:11:33,720 --> 00:11:35,720

What's Berman?

143

00:11:36,720 --> 00:11:39,720

Berman's like squirrels or raccoons or rats

144

00:11:39,720 --> 00:11:43,720

or any kind of animal that comes and gets in your house.

145

00:11:43,720 --> 00:11:46,720

And the thing is they carry diseases and they can make you sick.

146

00:11:46,720 --> 00:11:49,720

So we want to get them out of here before they do that.

147

00:11:50,720 --> 00:11:52,720

This is my snare pole.

148

00:11:52,720 --> 00:11:53,720

Now, see this end here?

149

00:11:53,720 --> 00:11:56,720

This end goes around their neck.

150

00:11:56,720 --> 00:12:01,720

And what happens is I sneak up on them

151

00:12:01,720 --> 00:12:04,720

and when I have this around their neck,

152

00:12:04,720 --> 00:12:06,720

I pull, huh?

153

00:12:08,720 --> 00:12:10,720

What was that?

154

00:12:10,720 --> 00:12:12,720

You hear that? That's them.

155

00:12:13,720 --> 00:12:16,720

Oh, hey, listen, give me some space, okay?

156

00:12:16,720 --> 00:12:19,720

I'm gonna get this while I hear them right there, alright?

157

00:12:19,720 --> 00:12:21,720

So maybe go find your mom or dad, okay?

158

00:12:21,720 --> 00:12:22,720

Thanks.

159

00:12:22,720 --> 00:12:23,720

Okay.

160

00:12:23,720 --> 00:12:25,720

Alright, here you go.

161

00:12:26,720 --> 00:12:28,720

Let's see.

162

00:12:31,720 --> 00:12:32,720

Come on.

163

00:12:35,720 --> 00:12:39,720

Okay, let's see what we got here.

164

00:12:51,720 --> 00:12:55,720

Whoa, what a mess.

165

00:12:59,720 --> 00:13:02,720

What the hell are those things?

166

00:13:04,720 --> 00:13:08,720

Come out, come out wherever you are.

167

00:13:15,720 --> 00:13:17,720

What the hell?

168

00:13:28,720 --> 00:13:29,720

Alright, that's cool.

169

00:13:29,720 --> 00:13:31,720

Watch out, just back up a little bit, honey.

170

00:13:31,720 --> 00:13:32,720

No, no, no, no.

171

00:13:32,720 --> 00:13:34,720

Hey, hey, Eddie.

172

00:13:34,720 --> 00:13:35,720

Want to give her a try?

173

00:13:35,720 --> 00:13:36,720

Yeah.

174

00:13:36,720 --> 00:13:37,720

Alright.

175

00:13:37,720 --> 00:13:39,720

Alright, you can take that.

176

00:13:39,720 --> 00:13:40,720

Hold on.

177

00:13:40,720 --> 00:13:41,720

Just be careful, babe.

178

00:13:41,720 --> 00:13:43,720

I want to get this on the camera here.

179

00:13:43,720 --> 00:13:44,720

Are you ready?

180

00:13:44,720 --> 00:13:45,720

Yeah.

181

00:13:45,720 --> 00:13:48,720

One, two, three.

182

00:13:49,720 --> 00:13:51,720

Come on, you can do it, hit.

183

00:13:51,720 --> 00:13:52,720

Oh.

184

00:13:52,720 --> 00:13:53,720

Yeah.

185

00:13:53,720 --> 00:13:54,720

Oh, awesome.

186

00:13:54,720 --> 00:13:55,720

Look at that.

187

00:13:56,720 --> 00:13:58,720

See, it's fun.

188

00:13:58,720 --> 00:14:04,720

When you deal with electricity, Eddie, you've got to be really, really careful because if you...

189

00:14:04,720 --> 00:14:05,720

Dad!

190

00:14:05,720 --> 00:14:06,720

Dad!

191

00:14:06,720 --> 00:14:08,720

It's not funny.

192

00:14:08,720 --> 00:14:10,720

Honey, what is going on?

193

00:14:10,720 --> 00:14:13,720

Nothing, we're just having a little bit of fun.

194

00:14:13,720 --> 00:14:15,720

Did the exterminator come back?

195

00:14:15,720 --> 00:14:17,720

Back, I didn't know he left.

196

00:14:17,720 --> 00:14:19,720

His truck's been here all day.

197

00:14:19,720 --> 00:14:20,720

Huh.

198

00:14:20,720 --> 00:14:23,720

Well, maybe you should find him.

199

00:14:23,720 --> 00:14:24,720

Alright.

200

00:14:24,720 --> 00:14:27,720

Okay, I'll go check up on him.

201

00:14:27,720 --> 00:14:29,720

Okay, I'll go check up on the attic.

202

00:14:29,720 --> 00:14:31,720

Watch out for raccoons.

203

00:14:31,720 --> 00:14:32,720

Okay.

204

00:14:32,720 --> 00:14:34,720

Eddie, go check the basement.

205

00:14:34,720 --> 00:14:35,720

The basement?

206

00:14:35,720 --> 00:14:37,720

Yeah, the basement.

207

00:14:39,720 --> 00:14:50,720

There may be some natural medical explanations to explain at least some vampire cases, especially

from earlier times when people's understanding of disease and illness was very limited.

208

00:14:50,720 --> 00:15:01,720

The paleness of tuberculosis, the coughing up of blood were symptoms that could easily be equated with traditional vampirism.

209

00:15:01,720 --> 00:15:11,720

And sometimes when the outbreak reached hysterical proportions, there would be a popular movement to dig up a corpse.

210

00:15:11,720 --> 00:15:19,720

You might find due to just simple decomposition blood in the mouth of a corpse because the gases had forced blood upward.

211

00:15:19,720 --> 00:15:26,720

And this would be interpreted as proof that the corpse was a vampire.

212

00:15:26,720 --> 00:15:29,720

We fear vampires because we fear the dark.

213

00:15:29,720 --> 00:15:30,720

We fear the unknown.

214

00:15:30,720 --> 00:15:40,720

We fear the superstitious side of our nature in the horror of living forever without our soul.

215

00:15:40,720 --> 00:15:49,720

Mr.

216

00:15:49,720 --> 00:15:52,720

What, where are you?

217

00:15:52,720 --> 00:15:57,720

Oh!

218

00:15:57,720 --> 00:15:59,720

My camera.

219

00:16:10,720 --> 00:16:17,720

Hello?

220

00:16:17,720 --> 00:16:21,720

Mr.

221

00:16:21,720 --> 00:16:24,720

Mr.

222

00:16:24,720 --> 00:16:26,720

Are you okay?

223

00:16:40,720 --> 00:16:42,720

Mom, mom, mom!

224

00:16:42,720 --> 00:16:44,720

Mom, he's coming!

225

00:16:44,720 --> 00:16:45,720

What is the matter?

226

00:16:45,720 --> 00:16:46,720

He's coming!

227

00:16:46,720 --> 00:16:49,720

Help me!

228

00:16:49,720 --> 00:16:51,720

Oh my God!

229

00:16:51,720 --> 00:16:53,720

No!

230

00:16:53,720 --> 00:16:55,720

I'm sorry!

231

00:16:55,720 --> 00:16:56,720

Oh my God!

232

00:16:56,720 --> 00:16:57,720

How did you get this?

233

00:16:57,720 --> 00:16:58,720

It's getting out of here!

234

00:16:58,720 --> 00:16:59,720

Come on!

235

00:16:59,720 --> 00:17:01,720

Come on!

236

00:17:01,720 --> 00:17:02,720

Come on!

237

00:17:02,720 --> 00:17:04,720

Hurry! Hurry!

238

00:17:04,720 --> 00:17:05,720

Come on!

239

00:17:05,720 --> 00:17:06,720

Damn it!

240

00:17:06,720 --> 00:17:08,720

Hurry!

241

00:17:08,720 --> 00:17:09,720

What?

242

00:17:09,720 --> 00:17:11,720

I just got a one!

243

00:17:11,720 --> 00:17:13,720

Hurry, mom!

244

00:17:13,720 --> 00:17:16,720

Hurry! Hurry! Hurry!

245

00:17:16,720 --> 00:17:18,720

Ah!

246

00:17:18,720 --> 00:17:20,720

Oh my God!

247

00:17:20,720 --> 00:17:21,720

Dad!

248

00:17:21,720 --> 00:17:22,720

Hurry! Hurry!

249

00:17:22,720 --> 00:17:24,720

He's coming!

250

00:17:24,720 --> 00:17:25,720

He's coming!

251

00:17:25,720 --> 00:17:27,720

Come on, don't pinch!

252

00:17:27,720 --> 00:17:29,720

Come on!

253

00:17:29,720 --> 00:17:31,720

Down!

254

00:17:31,720 --> 00:17:33,720

Oh my God!

255

00:17:33,720 --> 00:17:35,720

Oh my God!

256

00:17:35,720 --> 00:17:37,720

Oh my God!

257

00:17:37,720 --> 00:17:39,720

Oh my God!

258

00:17:39,720 --> 00:17:41,720

Oh my God!

259

00:17:41,720 --> 00:17:43,720

Get him down!

260

00:17:43,720 --> 00:17:45,720

Hurry! Hurry!

261

00:17:45,720 --> 00:17:46,720

Come on!

262

00:17:46,720 --> 00:17:47,720

Let me in!

263

00:17:47,720 --> 00:17:48,720

Get out of here!

264

00:17:48,720 --> 00:17:49,720

It's a meat!

265

00:17:49,720 --> 00:17:50,720

Get him! Get him!

266

00:17:50,720 --> 00:17:52,720

Get him!

267

00:17:52,720 --> 00:17:54,720

Get him!

268

00:17:54,720 --> 00:17:56,720

Come on over here!

269

00:17:56,720 --> 00:17:57,720

Get him!

270

00:17:57,720 --> 00:17:58,720

Oh my God!

271

00:17:58,720 --> 00:17:59,720

Get him!

272

00:17:59,720 --> 00:18:00,720

Oh my God!

273

00:18:00,720 --> 00:18:02,720

How many times did you see?

274

00:18:02,720 --> 00:18:03,720

Three!

275

00:18:03,720 --> 00:18:04,720

Three!

276

00:18:04,720 --> 00:18:07,720

Get him out of here!

277

00:18:15,720 --> 00:18:17,720

Get him!

278

00:18:17,720 --> 00:18:19,720

Get him!

279

00:18:19,720 --> 00:18:21,720

Get him!

280

00:18:21,720 --> 00:18:23,720

Oh my God!

281

00:18:27,720 --> 00:18:29,720

What?

282

00:18:29,720 --> 00:18:32,720

We're okay. We're okay.

283

00:18:34,720 --> 00:18:38,720

The Redding family bravely managed to escape their encounter.

284

00:18:38,720 --> 00:18:44,720

The body of exterminator Stan Polanski was recovered, mysteriously drained in blood.

285

00:18:44,720 --> 00:18:49,720

Police conducted a thorough search of the house, and though the mysterious nests were located,

286

00:18:49,720 --> 00:18:52,720

no unknown creatures were found.

287

00:18:52,720 --> 00:18:57,720

Months later, similar attacks were reported in a mining village 60 miles north.

288

00:18:57,720 --> 00:19:01,720

These new reports prompted a reinvestigation of the Redding case

289

00:19:01,720 --> 00:19:07,720

to determine if these events are isolated phenomena or if they live among us.
