

1

00:00:30,000 --> 00:00:37,000

On June 29, 1988, Chris Davis got off late from work.

2

00:00:37,000 --> 00:00:41,000

He described this tall, dark figure running towards him.

3

00:00:41,000 --> 00:00:45,000

He said this creature jumped on the top of the roof of his car

4

00:00:45,000 --> 00:00:48,000

and hung on to the roof of the car.

5

00:00:48,000 --> 00:00:50,000

Whatever it was, kept up with him.

6

00:00:50,000 --> 00:00:53,000

They crashed through the door, they crashed through the top of the hood.

7

00:00:53,000 --> 00:00:55,000

It literally jumped on the car.

8

00:00:55,000 --> 00:00:57,000

Between its teeth and its claws,

9

00:00:57,000 --> 00:01:00,000

it does have the ability to tear about.

10

00:01:00,000 --> 00:01:04,000

Lizard man has attacked humans in at least a dozen cases.

11

00:01:04,000 --> 00:01:07,000

He was absolutely right to death.

12

00:01:12,000 --> 00:01:17,000

Their creature's science refuses to recognize.

13

00:01:17,000 --> 00:01:22,000

But new technology makes us question what is real.

14

00:01:22,000 --> 00:01:29,000

If our eyes see it, if our cameras capture it, does it exist?

15

00:01:29,000 --> 00:01:34,000

Enter a realm where fact meets fiction.

16

00:01:34,000 --> 00:01:40,000

Science meets legend, where nightmares come to life.

17

00:01:44,000 --> 00:01:49,000

Do you believe in the truth?

18

00:01:50,000 --> 00:01:53,000

Do you believe?

19

00:01:53,000 --> 00:01:55,000

Lost tapes.

20

00:01:55,000 --> 00:01:57,000

Lizard man.

21

00:02:19,000 --> 00:02:21,000

Lizard, please descend.

22

00:02:21,000 --> 00:02:23,000

What's the reason?

23

00:02:23,000 --> 00:02:25,000

Oh my God.

24

00:02:25,000 --> 00:02:27,000

Help!

25

00:02:27,000 --> 00:02:29,000

Oh God.

26

00:02:35,000 --> 00:02:37,000

Now by special arrangement,

27

00:02:37,000 --> 00:02:40,000

the fire department is allowing us to accompany them into the sewer

28

00:02:40,000 --> 00:02:43,000

to catch this dramatic rescue story on tape.

29

00:02:43,000 --> 00:02:48,000

In 2008, news reporter Chrissy Cooper and her cameraman Derek Green

30

00:02:48,000 --> 00:02:51,000

were covering what appeared to be a simple human interest story

31

00:02:51,000 --> 00:02:54,000

for the local network affiliate.

32

00:02:54,000 --> 00:02:57,000

Tell me how your cat managed to wander off into the storm drain.

33

00:02:57,000 --> 00:02:59,000

No, he didn't wander.

34

00:02:59,000 --> 00:03:04,000

He got pulled down by someone or something.

35

00:03:04,000 --> 00:03:09,000

After several failed attempts by animal control to rescue the pat,

36

00:03:09,000 --> 00:03:14,000

firefighters Trevor Andrews and Dana Caldwell were dispatched to assist.

37

00:03:14,000 --> 00:03:16,000

You've got to go down as soon as you can.

38

00:03:16,000 --> 00:03:18,000

Okay ma'am, and capture him.

39

00:03:18,000 --> 00:03:20,000

We'll get your cat.

40

00:03:20,000 --> 00:03:21,000

What's your cat's name?

41

00:03:21,000 --> 00:03:23,000

Mr. Smithers.

42

00:03:23,000 --> 00:03:25,000

Mr. Smithers.

43

00:03:25,000 --> 00:03:29,000

This seemingly minor incident brought this small group of people together

44

00:03:29,000 --> 00:03:35,000

for what would become a terrifying encounter in the dark tunnels beneath the city.

45

00:03:35,000 --> 00:03:38,000

These are their tapes.

46

00:03:41,000 --> 00:03:43,000

Okay, so we are here in the sewer

47

00:03:43,000 --> 00:03:45,000

looking for Mr. Smithers the cat.

48

00:03:45,000 --> 00:03:49,000

By the smell of it, I will tell you it is actually a legitimate insincere sewer.

49

00:03:53,000 --> 00:03:55,000

Well, we shouldn't have gone too far.

50

00:03:55,000 --> 00:03:56,000

You all right there?

51

00:03:56,000 --> 00:03:57,000

Yeah, I'm good, thanks.

52

00:03:57,000 --> 00:03:58,000

Okay.

53

00:03:58,000 --> 00:03:59,000

Right.

54

00:03:59,000 --> 00:04:00,000

All right.

55

00:04:01,000 --> 00:04:02,000

Cool.

56

00:04:06,000 --> 00:04:07,000

This is disgusting.

57

00:04:07,000 --> 00:04:08,000

Yeah, I know.

58

00:04:09,000 --> 00:04:10,000

You guys all right?

59

00:04:10,000 --> 00:04:11,000

We're good.

60

00:04:11,000 --> 00:04:12,000

Yeah.

61

00:04:12,000 --> 00:04:13,000

What is it?

62

00:04:13,000 --> 00:04:14,000

It's nothing.

63

00:04:15,000 --> 00:04:16,000

Oh!

64

00:04:16,000 --> 00:04:17,000

Oh, look at this.

65

00:04:17,000 --> 00:04:18,000

Oh my gosh.

66

00:04:18,000 --> 00:04:19,000

What the hell is that?

67

00:04:19,000 --> 00:04:21,000

Looks like we found Mr. Smithers.

68

00:04:21,000 --> 00:04:22,000

Oh, did that?

69

00:04:23,000 --> 00:04:26,000

I've heard that there's actually some alligators down here, so.

70

00:04:26,000 --> 00:04:28,000

It's an urban myth.

71

00:04:28,000 --> 00:04:30,000

There are no alligators down here.

72

00:04:30,000 --> 00:04:33,000

This is just sick people with nothing better to do with their time.

73

00:04:33,000 --> 00:04:34,000

Yeah, yeah, yeah.

74

00:04:34,000 --> 00:04:35,000

Your story's over.

75

00:04:35,000 --> 00:04:36,000

Can we get out of here?

76

00:04:36,000 --> 00:04:37,000

I'm just so sad.

77

00:04:37,000 --> 00:04:38,000

Let's go.

78

00:04:38,000 --> 00:04:39,000

Let's get it.

79

00:04:39,000 --> 00:04:40,000

Sit back.

80

00:04:40,000 --> 00:04:41,000

Sit back.

81

00:04:41,000 --> 00:04:42,000

Yeah.

82

00:04:42,000 --> 00:04:43,000

It's nasty.

83

00:04:47,000 --> 00:04:48,000

Did you get that?

84

00:04:48,000 --> 00:04:49,000

Yeah, I did.

85

00:04:50,000 --> 00:04:51,000

It's a cat.

86

00:04:52,000 --> 00:04:54,000

Looks like he's found himself another life.

87

00:04:54,000 --> 00:04:55,000

We can go ahead if you want.

88

00:04:55,000 --> 00:04:56,000

Actually, why don't you head back?

89

00:04:56,000 --> 00:04:58,000

No, we totally, we've come this far, you know?

90

00:04:58,000 --> 00:04:59,000

We're gonna finish the job.

91

00:04:59,000 --> 00:05:00,000

Yeah.

92

00:05:00,000 --> 00:05:01,000

Yeah.

93

00:05:01,000 --> 00:05:02,000

I'm sure he's dead.

94

00:05:07,000 --> 00:05:09,000

Well, this is our reptiles.

95

00:05:09,000 --> 00:05:10,000

Obviously, they're cold-blooded.

96

00:05:10,000 --> 00:05:14,000

Many of the lizards of the southwestern deserts in the U.S.

97

00:05:14,000 --> 00:05:15,000

are predators.

98

00:05:15,000 --> 00:05:17,000

They prey on small insects.

99

00:05:17,000 --> 00:05:19,000

Some lizards will eat small mice.

100

00:05:19,000 --> 00:05:21,000

Of course, big lizards eat large animals.

101

00:05:21,000 --> 00:05:22,000

They eat pigs.

102

00:05:22,000 --> 00:05:23,000

They eat pretty much anything.

103

00:05:23,000 --> 00:05:24,000

They can get their jaws around.

104

00:05:27,000 --> 00:05:31,000

The most prominent encounter happened in 1988.

105

00:05:31,000 --> 00:05:35,000

And so in the local newspaper, they actually showed this drawing

106

00:05:35,000 --> 00:05:37,000

of what the lizard man looked like.

107

00:05:37,000 --> 00:05:40,000

They had a lot of encounters, and the most prominent one

108

00:05:40,000 --> 00:05:43,000

really was by a guy named Chris Davis.

109

00:05:44,000 --> 00:05:49,000

Chris Davis heard and saw this thing coming toward him,

110

00:05:49,000 --> 00:05:52,000

but mainly because of the pounding of the ground

111

00:05:52,000 --> 00:05:55,000

and just the speed with which it approached him.

112

00:05:55,000 --> 00:05:58,000

He was absolutely frightened to death, of course,

113

00:05:58,000 --> 00:06:00,000

and yet talked about it later.

114

00:06:00,000 --> 00:06:02,000

He immediately went to the sheriff's department.

115

00:06:02,000 --> 00:06:07,000

Lizard man has attacked humans in at least a dozen cases.

116

00:06:07,000 --> 00:06:08,000

These people were polygraphed.

117

00:06:08,000 --> 00:06:10,000

They were videotaped.

118

00:06:10,000 --> 00:06:13,000

They had to draw a picture of what it was they saw.

119

00:06:13,000 --> 00:06:16,000

And if it did not match with what 17-year-old Chris Davis

120

00:06:16,000 --> 00:06:19,000

described or drew, then they were arrested

121

00:06:19,000 --> 00:06:21,000

for interfering with an investigation.

122

00:06:22,000 --> 00:06:24,000

So as you can see, we are still in the sewer

123

00:06:24,000 --> 00:06:27,000

with the local fire department attempting to rescue

124

00:06:27,000 --> 00:06:29,000

the cat, Mr. Smithers.

125

00:06:29,000 --> 00:06:33,000

In our search, we have come across a number of dead carcasses

126

00:06:33,000 --> 00:06:34,000

of other animals.

127

00:06:34,000 --> 00:06:38,000

Stay tuned for this now very interesting story.

128

00:06:39,000 --> 00:06:40,000

Hey, come on.

129

00:06:40,000 --> 00:06:43,000

You guys, keep up or you want to head back up?

130

00:06:43,000 --> 00:06:44,000

Because really, we need to get moving.

131

00:06:44,000 --> 00:06:45,000

Great. We're ready. Thanks.

132

00:06:45,000 --> 00:06:46,000

Sure.

133

00:06:46,000 --> 00:06:47,000

Yep.

134

00:06:47,000 --> 00:06:48,000

Let's go.

135

00:06:48,000 --> 00:06:49,000

Watch out.

136

00:07:00,000 --> 00:07:01,000

Here.

137

00:07:01,000 --> 00:07:02,000

You're up.

138

00:07:02,000 --> 00:07:04,000

You're here.

139

00:07:04,000 --> 00:07:06,000

What is that?

140

00:07:18,000 --> 00:07:19,000

There it is.

141

00:07:19,000 --> 00:07:20,000

I'm having no more.

142

00:07:20,000 --> 00:07:21,000

Wait, wait, wait, wait.

143

00:07:21,000 --> 00:07:23,000

You stay with them.

144

00:07:23,000 --> 00:07:24,000

I'll be right back.

145

00:07:30,000 --> 00:07:32,000

Damn, the cat.

146

00:07:34,000 --> 00:07:36,000

Here, kitty, kitty, kitty, kitty, kitty.

147

00:07:36,000 --> 00:07:41,000

Mr. Smithers.

148

00:07:42,000 --> 00:07:43,000

Cat.

149

00:07:52,000 --> 00:07:53,000

Cat.

150

00:07:54,000 --> 00:07:55,000

Is that you?

151

00:07:56,000 --> 00:07:58,000

Here, kitty, kitty, here.

152

00:08:01,000 --> 00:08:02,000

Oh, man.

153

00:08:03,000 --> 00:08:04,000

Six-fourteen.

154

00:08:04,000 --> 00:08:05,000

Six-fourteen.

155

00:08:05,000 --> 00:08:06,000

What's the head for that?

156

00:08:11,000 --> 00:08:12,000

Six-fourteen.

157

00:08:12,000 --> 00:08:13,000

Be advised.

158

00:08:13,000 --> 00:08:16,000

I believe Mr. Smithers just met his maker.

159

00:08:16,000 --> 00:08:18,000

I'm going to go investigate.

160

00:08:19,000 --> 00:08:20,000

Copy that.

161

00:08:20,000 --> 00:08:21,000

Receive the caution.

162

00:08:26,000 --> 00:08:27,000

Here, cat.

163

00:08:27,000 --> 00:08:29,000

Come on, Mr. Smithers.

164

00:08:31,000 --> 00:08:35,000

Here, kitty, kitty, kitty, kitty, kitty.

165

00:08:43,000 --> 00:08:44,000

Six-fourteen.

166

00:08:44,000 --> 00:08:45,000

Six-fourteen.

167

00:08:45,000 --> 00:08:46,000

There you go.

168

00:08:47,000 --> 00:08:48,000

Six-fourteen.

169

00:08:48,000 --> 00:08:49,000

Be the base.

170

00:08:49,000 --> 00:08:50,000

We did ambience at the Amson Street manhole.

171

00:08:50,000 --> 00:08:51,000

Here you go.

172

00:08:52,000 --> 00:08:53,000

Six-fourteen.

173

00:08:53,000 --> 00:08:54,000

The base.

174

00:08:55,000 --> 00:08:56,000

Hi.

175

00:08:59,000 --> 00:09:00,000

Lina!

176

00:09:01,000 --> 00:09:02,000

Lina!

177

00:09:03,000 --> 00:09:04,000

What?

178

00:09:04,000 --> 00:09:05,000

Please listen to me.

179

00:09:05,000 --> 00:09:07,000

I need you both back up top right now.

180

00:09:07,000 --> 00:09:09,000

Just no more cat chains here, okay?

181

00:09:09,000 --> 00:09:10,000

Okay.

182

00:09:10,000 --> 00:09:11,000

Here.

183

00:09:11,000 --> 00:09:12,000

Come on.

184

00:09:12,000 --> 00:09:13,000

Lina!

185

00:09:17,000 --> 00:09:18,000

Lina!

186

00:09:21,000 --> 00:09:22,000

Lina!

187

00:09:25,000 --> 00:09:26,000

Lina!

188

00:09:30,000 --> 00:09:31,000

Lina!

189

00:09:33,000 --> 00:09:34,000

Lina!

190

00:09:38,000 --> 00:09:39,000

Lina!

191

00:09:40,000 --> 00:09:41,000

Lina!

192

00:09:46,000 --> 00:09:51,000

These creatures that look like humanoid reptilians,

193

00:09:51,000 --> 00:09:55,000

they're usually between six feet, seven feet tall,

194

00:09:55,000 --> 00:10:00,000

and people describe them as scaly or greenish

195

00:10:00,000 --> 00:10:03,000

and running upright usually,

196

00:10:03,000 --> 00:10:05,000

and having much more of an alligator

197

00:10:05,000 --> 00:10:08,000

or a kind of lizard-like skin.

198

00:10:09,000 --> 00:10:12,000

There's nothing in nature that comes to mind

199

00:10:12,000 --> 00:10:14,000

that's anything like that.

200

00:10:14,000 --> 00:10:16,000

But the interesting thing is that

201

00:10:16,000 --> 00:10:19,000

when you look at human disease,

202

00:10:19,000 --> 00:10:22,000

there's a disease called ichthyosis,

203

00:10:22,000 --> 00:10:24,000

and so people who have this condition

204

00:10:24,000 --> 00:10:28,000

can get big patches of scaly skin.

205

00:10:28,000 --> 00:10:31,000

The fact that it's lizard-like,

206

00:10:31,000 --> 00:10:35,000

that it sometimes reports a glowing red eyes,

207

00:10:35,000 --> 00:10:38,000

that it has this prominent attitude

208

00:10:38,000 --> 00:10:41,000

with regard to people where it does attack,

209

00:10:41,000 --> 00:10:44,000

it does really encounter them in an aggressive way,

210

00:10:44,000 --> 00:10:47,000

then gets the fear factor going in people.

211

00:10:48,000 --> 00:10:50,000

He literally bit,

212

00:10:50,000 --> 00:10:53,000

and you can feel it underneath where he's bit.

213

00:10:53,000 --> 00:10:54,000

Right straight through here.

214

00:10:54,000 --> 00:10:58,000

Just who or what is capable of this type of damage

215

00:10:58,000 --> 00:11:01,000

has opened up renewed debate in the area.

216

00:11:01,000 --> 00:11:03,000

They say it's a lizard man.

217

00:11:03,000 --> 00:11:05,000

Whatever is responsible,

218

00:11:05,000 --> 00:11:08,000

this family isn't taking any chances.

219

00:11:08,000 --> 00:11:11,000

They really want to get their guns out,

220

00:11:11,000 --> 00:11:13,000

they want to have safaris,

221

00:11:13,000 --> 00:11:15,000

they want to have the sheriff go out there and shoot it.

222

00:11:15,000 --> 00:11:17,000

There's one in the chamber.

223

00:11:17,000 --> 00:11:19,000

It's 40 caliber.

224

00:11:20,000 --> 00:11:22,000

Alright, you guys.

225

00:11:22,000 --> 00:11:24,000

Hi, Chrissy Cooper.

226

00:11:24,000 --> 00:11:26,000

We are still coming to you from underneath the sewer

227

00:11:26,000 --> 00:11:29,000

in what was an attempt to rescue a cat.

228

00:11:29,000 --> 00:11:31,000

However, one of the firefighters that we were trailing

229

00:11:31,000 --> 00:11:36,000

seems to have gone down from what or who we don't yet know,

230

00:11:36,000 --> 00:11:38,000

but stay tuned and we'll bring you this story.

231

00:11:38,000 --> 00:11:40,000

Thanks so much. Come on.

232

00:11:45,000 --> 00:11:47,000

Come on.

233

00:11:58,000 --> 00:12:00,000

Hey, stop!

234

00:12:00,000 --> 00:12:02,000

I'm dead.

235

00:12:05,000 --> 00:12:07,000

I'm dead.

236

00:12:30,000 --> 00:12:33,000

We received this footage of a large, angry alligator

237

00:12:33,000 --> 00:12:35,000

being rescued from city pipes.

238

00:12:35,000 --> 00:12:38,000

Though many stories of these large reptiles

239

00:12:38,000 --> 00:12:42,000

inhabiting urban sewer systems do turn out to be myths or hoaxes,

240

00:12:42,000 --> 00:12:45,000

states such as Florida have legitimately reported

241

00:12:45,000 --> 00:12:48,000

the creatures finding their way into storm sewers

242

00:12:48,000 --> 00:12:52,000

while foraging for food in a warm, moist place to stay.

243

00:12:53,000 --> 00:12:55,000

Hey!

244

00:12:58,000 --> 00:13:00,000

Hey! Stop!

245

00:13:04,000 --> 00:13:06,000

Thank you.

246

00:13:06,000 --> 00:13:08,000

Dana.

247

00:13:08,000 --> 00:13:10,000

Hey.

248

00:13:10,000 --> 00:13:12,000

Thank God, are you alright?

249

00:13:12,000 --> 00:13:14,000

Dana, hey.

250

00:13:14,000 --> 00:13:16,000

Yeah. Huh?

251

00:13:16,000 --> 00:13:18,000

I'm okay. You sure?

252

00:13:18,000 --> 00:13:20,000

Yeah, yeah, I'm okay. I'm okay.

253

00:13:20,000 --> 00:13:22,000

I'm okay.

254

00:13:22,000 --> 00:13:24,000

I need to get out of here.

255

00:13:24,000 --> 00:13:26,000

I'm gonna get you up. You ready?

256

00:13:26,000 --> 00:13:28,000

Yeah.

257

00:13:33,000 --> 00:13:35,000

Where's the others?

258

00:13:35,000 --> 00:13:38,000

I told you to go back down the top.

259

00:13:50,000 --> 00:13:52,000

I just need to get out of here.

260

00:13:52,000 --> 00:13:54,000

No, seriously! We need to get out of here now!

261

00:13:54,000 --> 00:13:56,000

I'm done!

262

00:13:57,000 --> 00:13:59,000

Derek!

263

00:13:59,000 --> 00:14:01,000

Trevor!

264

00:14:04,000 --> 00:14:06,000

Right behind you.

265

00:14:06,000 --> 00:14:08,000

It's about time.

266

00:14:10,000 --> 00:14:12,000

Chrissy!

267

00:14:12,000 --> 00:14:14,000

Later on!

268

00:14:14,000 --> 00:14:17,000

The world's largest lizard is the Komodo Dragon,

269

00:14:17,000 --> 00:14:19,000

which can reach lengths of 10 feet

270

00:14:19,000 --> 00:14:22,000

and lives on a few scattered islands in Indonesia.

271

00:14:22,000 --> 00:14:27,000

Komodo dragons are big, fast, powerful, rich with predators.

272

00:14:27,000 --> 00:14:30,000

And if you're attacked by a pack of Komodo dragons,

273

00:14:30,000 --> 00:14:32,000

you're in very bad trouble.

274

00:14:32,000 --> 00:14:37,000

That animal is large enough to feed on mammals,

275

00:14:37,000 --> 00:14:39,000

on things like deer or goats,

276

00:14:39,000 --> 00:14:41,000

or even water.

277

00:14:41,000 --> 00:14:44,000

From time to time, I'm lucky humans.

278

00:14:53,000 --> 00:14:55,000

We're not gonna let them down here, okay?

279

00:14:55,000 --> 00:14:57,000

We gotta get out of here.

280

00:14:57,000 --> 00:14:59,000

Chrissy! Chrissy!

281

00:15:05,000 --> 00:15:07,000

Run! Run! Go!

282

00:15:08,000 --> 00:15:10,000

Chrissy!

283

00:15:17,000 --> 00:15:19,000

Come on, Trevor.

284

00:15:23,000 --> 00:15:25,000

Oh, f***!

285

00:15:28,000 --> 00:15:30,000

Okay.

286

00:15:30,000 --> 00:15:32,000

We should go in the right direction.

287

00:15:32,000 --> 00:15:34,000

This way. This way.

288

00:15:38,000 --> 00:15:40,000

Chrissy!

289

00:15:42,000 --> 00:15:44,000

What?

290

00:15:46,000 --> 00:15:48,000

What?

291

00:15:53,000 --> 00:15:55,000

She did it.

292

00:15:55,000 --> 00:15:57,000

You gotta get out of here.

293

00:15:57,000 --> 00:15:59,000

Yeah.

294

00:16:01,000 --> 00:16:03,000

Where are you going?

295

00:16:04,000 --> 00:16:09,000

I think one of the most scary aspects of this creature

296

00:16:09,000 --> 00:16:11,000

is that it's so alien.

297

00:16:11,000 --> 00:16:14,000

Not that I'm saying it's from outer space,

298

00:16:14,000 --> 00:16:16,000

but it's so different.

299

00:16:16,000 --> 00:16:18,000

We have to be open to all theories.

300

00:16:18,000 --> 00:16:22,000

We have to look at nuclear power plants,

301

00:16:22,000 --> 00:16:26,000

all-cult rituals, aliens.

302

00:16:26,000 --> 00:16:30,000

What if people are misidentifying

303

00:16:30,000 --> 00:16:33,000

an algae-colored Bigfoot?

304

00:16:33,000 --> 00:16:36,000

Or maybe there are humanoid reptilians

305

00:16:36,000 --> 00:16:38,000

out there that we haven't discovered yet.

306

00:16:38,000 --> 00:16:42,000

There's been speculation that there are actually races

307

00:16:42,000 --> 00:16:46,000

of reptoids living in subterranean areas below the Earth,

308

00:16:46,000 --> 00:16:49,000

in tunnels, caves, abandoned mine shafts,

309

00:16:49,000 --> 00:16:51,000

and things like that.

310

00:16:51,000 --> 00:16:56,000

It is my belief that lizard man is a unique animal into itself.

311

00:17:01,000 --> 00:17:03,000

It's okay.

312

00:17:03,000 --> 00:17:05,000

No, no, come here.

313

00:17:06,000 --> 00:17:08,000

Hang on. Hang on.

314

00:17:13,000 --> 00:17:16,000

Come on. I think we can get the discreet from here.

315

00:17:19,000 --> 00:17:21,000

You can't. You can't.

316

00:17:21,000 --> 00:17:23,000

Hurry up.

317

00:17:23,000 --> 00:17:25,000

Hurry?

318

00:17:27,000 --> 00:17:29,000

Hey.

319

00:17:29,000 --> 00:17:31,000

Hurry.

320

00:17:33,000 --> 00:17:35,000

Come on.

321

00:17:35,000 --> 00:17:37,000

Okay.

322

00:17:37,000 --> 00:17:39,000

Get me.

323

00:17:39,000 --> 00:17:41,000

Come on!

324

00:17:41,000 --> 00:17:43,000

Get fit!

325

00:17:48,000 --> 00:17:50,000

Just push me back. Push me.

326

00:17:50,000 --> 00:17:52,000

What are you gonna do?

327

00:17:52,000 --> 00:17:54,000

Push me back now!

328

00:18:00,000 --> 00:18:02,000

What are you gonna do, children?

329

00:18:03,000 --> 00:18:05,000

Gonna kill this son of a...

330

00:18:30,000 --> 00:18:32,000

Ah!

331

00:18:35,000 --> 00:18:37,000

Trevor?

332

00:18:54,000 --> 00:18:56,000

Trevor?

333

00:18:59,000 --> 00:19:01,000

Trevor?

334

00:19:03,000 --> 00:19:05,000

Trevor?

335

00:19:05,000 --> 00:19:07,000

Trevor?

336

00:19:09,000 --> 00:19:11,000

Give away!

337

00:19:12,000 --> 00:19:14,000

I'll kill you!

338

00:19:14,000 --> 00:19:16,000

Kill me!

339

00:19:20,000 --> 00:19:22,000

You...

340

00:19:24,000 --> 00:19:26,000

Now we can get the hell out of here.

341

00:19:26,000 --> 00:19:28,000

Come on.

342

00:19:29,000 --> 00:19:32,000

Ah!

343

00:19:59,000 --> 00:20:02,000

The man's a conclusive answer.

344

00:20:02,000 --> 00:20:05,000

Do they live among us?

345

00:20:29,000 --> 00:20:31,000

The End
