

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:30,000 --> 00:00:34,400

Oh my god, you did not

3

00:00:38,560 --> 00:00:43,720

Hey Megan I'm making a video for grandma and grandpa want to say anything yeah

4

00:00:44,400 --> 00:00:49,100

Get out. You're not doing anything. You're just emailing on your stupid computer

5

00:00:49,100 --> 00:00:55,400

No, I'm not emailing on my stupid computer if I was emailing then you wouldn't see my mouth moving like this get out

6

00:00:55,480 --> 00:00:59,300

Why do you hate me so much? Well that would take all night get out of my room

7

00:00:59,500 --> 00:01:01,500

Fine, then I hate you too. Oh

8

00:01:05,020 --> 00:01:07,020

My god, you're such a freak

9

00:01:14,740 --> 00:01:17,700

Creature science refuses to recognize

10

00:01:20,340 --> 00:01:22,340

But if our eyes see it

11

00:01:24,020 --> 00:01:26,180

If our cameras capture it

12

00:01:26,660 --> 00:01:30,460

Does it exist then the monsters

13

00:01:33,340 --> 00:01:35,340

Lost tapes

14

00:01:36,460 --> 00:01:38,460

Do you believe

15

00:01:39,940 --> 00:01:41,940

Poltergeist

16

00:01:43,860 --> 00:01:51,820

In May 2005 the Golden family moved into the house of their dreams in the sleepy suburban town of Lakeview, Colorado

17

00:01:52,780 --> 00:01:58,980

But those dreams were soon shadowed by unexplainable occurrences that seemed to surround their son Troy

18

00:02:00,020 --> 00:02:03,940

After Troy's sister Megan was nearly crushed by a falling bookcase

19

00:02:04,460 --> 00:02:09,660

Mark and Jen Golden decided they could no longer close their eyes to the growing danger

20

00:02:10,740 --> 00:02:13,620

Unsure of where to turn they reached out to Paris

21

00:02:13,820 --> 00:02:17,940

Psychologist Dr. Jeremy Reinhold and agreed to be filmed for his television series

22

00:02:18,700 --> 00:02:25,380

What Jeremy and his team eventually encountered however went far beyond the explainable

23

00:02:26,020 --> 00:02:28,020

These are their tapes

24

00:02:35,060 --> 00:02:36,900

Lakeview, Colorado

25

00:02:36,900 --> 00:02:41,220

The parents of 11 year old Troy Golden believed their son is exhibiting powers of telekinesis

26

00:02:41,660 --> 00:02:46,820

Harmless enough until he allegedly tipped a bookcase onto his sister without actually touching it

27

00:02:47,220 --> 00:02:52,740

My team and I have come here to determine whether these powers are real and if so how Troy can learn to control them

28

00:02:53,100 --> 00:02:56,460

I'm Dr. Jeremy Reinhold and we investigate the paranormal

29

00:02:59,660 --> 00:03:04,260

Why don't you start out by telling us when the activity surrounding Troy started

30

00:03:05,260 --> 00:03:10,860

I'd say it's what when we moved into the house pretty much about four years ago

31

00:03:11,420 --> 00:03:13,420

And then there was the incident with Megan

32

00:03:14,140 --> 00:03:16,820

Yes, no, that was that was pretty huge

33

00:03:17,260 --> 00:03:22,900

Yeah, so that's why we that's why we called you. You know, I just don't want my kids to be in danger

34

00:03:22,900 --> 00:03:28,060

Of course, but Troy is a really good boy. He's he's wonderful. He's never heard his sister before

35

00:03:28,060 --> 00:03:32,900

Oh, we understand your fear and concern for your children, but we are confident with our experience

36

00:03:33,300 --> 00:03:35,860

We can determine what type of activity it is in this house

37

00:03:35,860 --> 00:03:42,540

I think probably the best thing for us to do now would be to probably talk with Troy directly if that's something you'd be comfortable with

38

00:03:42,740 --> 00:03:48,940

And you'll find out the situation with the bookcase because that's that's it. That's I cannot have my kids hurt

39

00:03:48,940 --> 00:03:51,800

I love my children very much

40

00:03:52,860 --> 00:03:54,860

and I

41

00:03:55,940 --> 00:03:59,660

Whatever yeah, we please it's fine to try to Troy or

42

00:04:00,540 --> 00:04:03,180

Whatever whatever we can do to help great

43

00:04:04,220 --> 00:04:09,220

The term poltergeist is German for noisy spirit

44

00:04:09,540 --> 00:04:16,060

Poltergeist are more often felt heard and smelled rather than seen some of them are mischievous

45

00:04:16,060 --> 00:04:19,940

They like to play jokes and pranks others are downright malicious

46

00:04:20,020 --> 00:04:29,300

They can cause physical pain nightmares severe psychological upsets and that can escalate over time to increasingly violent acts

47

00:04:30,180 --> 00:04:39,340

Hey, Troy check this out. It's a thermal image camera. It'll record your body temperature pretty cool, right?

48

00:04:42,260 --> 00:04:44,660

Okay, Troy, I want to see if you can do something for me, okay? I

49

00:04:45,700 --> 00:04:47,700

Just want you to look at this pen

50

00:04:48,060 --> 00:04:52,300

And try and move it without touching it. I told you I can't do that

51

00:04:52,980 --> 00:04:57,940

I'm not a freak. No one said you were a freak. I mean look at me. I've got wheels for legs

52

00:04:58,300 --> 00:05:03,460

I'm not a freak and even if you could do it Troy. We wouldn't think that about you, okay?

53

00:05:04,500 --> 00:05:07,980

Everything's still reading normal. Okay, so let's just try it one more time

54

00:05:08,900 --> 00:05:12,420

Just look at the pen. I told you I can't do that

55

00:05:12,620 --> 00:05:16,380

Well thermal images way hot and I just got a spike of emf

56

00:05:16,380 --> 00:05:18,380

I

57

00:05:23,900 --> 00:05:28,640

Try how did you do that? I don't know when I get mad weird stuff just happens

58

00:05:33,980 --> 00:05:38,100

Telekinesis is the ability to move or to affect objects with the mind

59

00:05:38,100 --> 00:05:45,140

It has been reported in a cult paranormal and metaphysical lore for centuries a more recent term

60

00:05:45,420 --> 00:05:52,800

For it is psychokinesis some parapsychologists attribute the work of the poltergeist to our

61

00:05:53,540 --> 00:05:55,540

SPK recurrent

62

00:05:56,220 --> 00:05:57,700

spontaneous

63

00:05:57,700 --> 00:05:59,100

psychokinesis

64

00:05:59,100 --> 00:06:01,100

psychokinesis being mind over matter

65

00:06:02,060 --> 00:06:04,260

Teenagers adolescents have extra

66

00:06:04,780 --> 00:06:07,660

Psychic energy is kind of bottled up inside

67

00:06:08,260 --> 00:06:13,220

So the theory is that poltergeist are projected out from these people

68

00:06:13,700 --> 00:06:16,420

There seem to be a lot of correlation between

69

00:06:17,540 --> 00:06:23,580

experience of poltergeist like phenomenon and highly emotional states in human beings especially emotions like

70

00:06:26,420 --> 00:06:30,780

When Troy became agitated we saw a clear example of true telekinetic abilities

71

00:06:30,980 --> 00:06:36,180

The Golden's given us permission to set up surveillance cameras in Troy's room that way we can observe him overnight

72

00:06:43,220 --> 00:06:45,220

I

73

00:07:13,220 --> 00:07:15,220

I

74

00:07:44,140 --> 00:07:49,020

Our intention of showing you this surveillance footage was not to frighten you knife was in his bed

75

00:07:49,740 --> 00:07:52,700

It doesn't we don't even have a knife that looks like that

76

00:07:52,700 --> 00:07:55,780

I don't know how this could be happening how it houses happening to my son

77

00:07:55,780 --> 00:07:59,880

What we know at this point is that whatever is causing activity in the house

78

00:08:00,100 --> 00:08:03,580

It is very aggressive, and it's connected to the emotions of your son

79

00:08:04,260 --> 00:08:10,580

What we'd like to do is remove Troy from the equation and see if we can pinpoint exactly what's causing all of this

80

00:08:13,700 --> 00:08:15,700

Yeah

81

00:08:15,700 --> 00:08:18,460

You had mentioned that you had sent Megan to your family's house

82

00:08:19,380 --> 00:08:23,700

We think that it would be a good idea for the both of you and Troy to spend the night there tonight as well

83

00:08:26,180 --> 00:08:28,660

Okay, yeah sure

84

00:08:30,700 --> 00:08:34,540

Inside the house we're currently setting up surveillance cameras to capture any anomalies

85

00:08:34,860 --> 00:08:37,900

Audio equipment to detect any electronic voice phenomena

86

00:08:38,140 --> 00:08:39,700

Then we're gonna clear the house

87

00:08:39,700 --> 00:08:44,060

Rig ourselves with cameras and then Christie shots and I are gonna spend the night alone

88

00:08:44,700 --> 00:08:46,700

no crew

89

00:08:47,340 --> 00:08:49,340

Paranormal investigators use a variety of

90

00:08:50,220 --> 00:08:52,580

equipment such as cameras to capture

91

00:08:53,180 --> 00:08:55,900

orbs or bowls of light seen in photographs

92

00:08:57,340 --> 00:08:59,340

Electromagnetic field meters

93

00:08:59,340 --> 00:09:03,420

Indicating ghostly energy the paranormal by its very nature

94

00:09:04,140 --> 00:09:05,140

defies

95

00:09:05,140 --> 00:09:13,100

Scientific exploration the phenomena can't be run through controlled tests. It's spontaneous. It's capricious

96

00:09:13,820 --> 00:09:15,820

It's highly subjective

97

00:09:16,740 --> 00:09:19,860

Some of the most frightening things about poltergeist is their unpredictability

98

00:09:20,540 --> 00:09:23,260

Sometimes you don't even know why you're under attack

99

00:09:23,540 --> 00:09:30,260

You don't know when the attacks are going to occur or what they're going to involve or how to defend yourself against them

100

00:09:35,500 --> 00:09:37,500

Okay, how are we set? Yeah?

101

00:09:37,780 --> 00:09:40,660

Yep. All right shots and I are gonna go check out the rest of the house

102

00:09:41,220 --> 00:09:46,980

Christie, I need you to stay downstairs and monitor audio frequencies for any EDP. Are you cool?
I'm cool. All right

103

00:09:47,620 --> 00:09:49,980

Anybody gets anything just holler

104

00:09:50,940 --> 00:09:52,940

All right, let's do this

105

00:10:01,300 --> 00:10:03,300

Anything nothing

106

00:10:05,900 --> 00:10:08,580

I'm not getting much in here

107

00:10:10,420 --> 00:10:12,420

0.01 that's about it

108

00:10:13,020 --> 00:10:17,900

Christie, we're gonna check upstairs sounds good. I'll see if I can pick up anything from the lower frequencies

109

00:10:35,140 --> 00:10:51,260

Still nothing pretty clear

110

00:10:51,260 --> 00:11:09,100

Picking up on something over here. I just got a huge spike of EMF

111

00:11:10,380 --> 00:11:12,380

Troye's room

112

00:11:21,260 --> 00:11:43,140

It's getting stronger over here by the closet

113

00:11:51,260 --> 00:12:19,860

There's definitely something going on in here

114

00:12:21,660 --> 00:12:29,460

You all right, did you slam the door? I didn't touch the door

115

00:12:32,740 --> 00:12:34,740

What's back there

116

00:12:40,340 --> 00:12:46,820

What the hell we got to get downstairs Christie check out what we found upstairs

117

00:12:47,580 --> 00:12:53,700

Did you guys hear that here what here

118

00:13:00,220 --> 00:13:03,940

Leave that's what I heard too

119

00:13:07,860 --> 00:13:10,980

It's all starting to make sense check this out

120

00:13:10,980 --> 00:13:20,620

Lakeview, Colorado 1985 Charles Weatherly 25 is the prime suspect in the brutal knife slaying of his wife and children

121

00:13:20,940 --> 00:13:26,540

Authorities believe whether they took his own life in the aftermath of the shocking incident the address is this house

122

00:13:28,500 --> 00:13:30,500

I don't think Troy's had anything to do with this

123

00:13:33,380 --> 00:13:36,780

There is a strong presence here, so what are we gonna do what's the plan?

124

00:13:37,140 --> 00:13:43,540

Try to make contact with whatever this force is and find out if it's this guy Charles and if it is

125

00:13:45,580 --> 00:13:47,580

We got to get him to leave

126

00:13:49,700 --> 00:13:56,220

There are many ways to get rid of a poltergeist and depending on the culture you're in you would seek out different sorts of expertise

127

00:13:56,620 --> 00:14:02,540

In the West parapsychologists are consulted sometimes even psychologists and medical professionals

128

00:14:03,460 --> 00:14:07,620

Religious authorities might be consulted people who specialize in exorcisms

129

00:14:08,060 --> 00:14:14,820

Many cultures have people skilled in the magical arts who can identify these spirits see them

130

00:14:14,820 --> 00:14:22,820

Perhaps even communicate with them and use various rituals and instructions for banishing them from an individual's life

131

00:14:25,860 --> 00:14:30,500

It is now 3 a.m. The hour on which paranormal activity is typically at its highest

132

00:14:30,620 --> 00:14:35,060

We are now going to attempt to make contact with the presence in this house in order to draw it out

133

00:14:36,860 --> 00:14:38,860

Charles Weatherly

134

00:14:38,980 --> 00:14:41,900

If that's your name give us some kind of a sign

135

00:14:49,220 --> 00:14:52,500

Come on Charles shows what you got

136

00:15:00,500 --> 00:15:02,500

You

137

00:15:13,340 --> 00:15:15,340

What what is it?

138

00:15:15,620 --> 00:15:20,100

Nothing, I guess it was my reflection in the window and you're gonna kill me with that

139

00:15:21,580 --> 00:15:23,580

Guys he's here

140

00:15:30,780 --> 00:15:32,780

Ah

141

00:15:35,580 --> 00:15:42,020

Let her go Charles stop this stop it now. This is crazy Jeremy. We gotta get out of here. No, we're not leaving

142

00:15:42,460 --> 00:15:44,620

This is a battle of wills. It's us against him

143

00:15:45,260 --> 00:15:47,260

Chrissy Chrissy, can you hear me?

144

00:15:49,740 --> 00:15:56,140

We're out of here Jeremy. No, no, we can't leave we can't let him win you do not win Charles

145

00:15:56,700 --> 00:15:59,420

You hear me Jeremy you gotta see this man

146

00:16:00,500 --> 00:16:02,500

You

147

00:16:06,620 --> 00:16:08,620

Where's my Taylor

148

00:16:18,180 --> 00:16:20,180

Shots shots

149

00:16:20,940 --> 00:16:22,940

Shots

150

00:16:26,820 --> 00:16:28,820

Shots

151

00:16:29,780 --> 00:16:31,780

Okay, Charles you win

152

00:16:50,180 --> 00:16:52,180

Ah

153

00:17:16,780 --> 00:17:18,780

Troy

154

00:17:20,180 --> 00:17:22,180

Ah

155

00:17:50,180 --> 00:17:52,180

Ah

156

00:18:00,900 --> 00:18:02,900

Troy

157

00:18:02,900 --> 00:18:04,900

Ah

158

00:18:18,620 --> 00:18:24,980

The deaths of Christy Johns Bill Cooper and Jeremy Reinhold were attributed to coronary arrests

159

00:18:25,500 --> 00:18:30,860

The episode of their series never aired shortly after the events of June 11th

160

00:18:31,220 --> 00:18:33,540

2009 the Golden sold their home

161

00:18:34,340 --> 00:18:40,300

Colorado real estate law did not require them to disclose any of the activity that had occurred

162

00:18:41,100 --> 00:18:45,940

Over two billion people believe in the existence of ghosts and poltergeists

163

00:18:46,540 --> 00:18:54,380

But are these spirits confined to the unseen world of the afterlife or do they live among us?

164

00:19:00,860 --> 00:19:02,860

You
