

1

00:00:30,000 --> 00:00:37,340

News 10 has received an exclusive recording of what may be the last moments of life for billionaire explorer Mark Nordstrom

2

00:00:37,460 --> 00:00:41,660

The famed adventurer went missing two weeks ago while on a track in the Himalayas

3

00:00:42,380 --> 00:00:47,560

Rescuers have been attempting to reach his camp for days, but a massive snowstorm has caused delays

4

00:00:48,020 --> 00:00:53,660

Here now is what may be his final distress call which could show evidence of a possible attack

5

00:00:54,220 --> 00:00:56,900

Warning this may be disturbing to sensitive viewers

6

00:00:57,480 --> 00:01:05,200

Mayday Mayday. This is Mark Nordstrom. I'm radioing from satellite camp 3. Does anybody copy?
Hello?

7

00:01:05,760 --> 00:01:07,480

Anybody there?

8

00:01:07,480 --> 00:01:09,480

I request immediate assistance

9

00:01:09,480 --> 00:01:11,480

Two of my teammates are missing

10

00:01:12,000 --> 00:01:14,260

We found something something big

11

00:01:15,160 --> 00:01:22,100

It attacked us in the storm. I think I think it's I think it's outside right now. Is anybody there?
Please?

12

00:01:27,580 --> 00:01:29,580

I

13

00:01:31,200 --> 00:01:34,160

Creatures science refuses to recognize

14

00:01:36,800 --> 00:01:38,800

But if our eyes see it

15

00:01:40,480 --> 00:01:42,680

If our cameras capture it

16

00:01:44,240 --> 00:01:46,960

Does it exist then their monsters?

17

00:01:49,820 --> 00:01:51,820

Lost tapes

18

00:01:52,920 --> 00:01:54,920

Do you believe?

19

00:01:57,400 --> 00:01:59,400

Yeti

20

00:02:01,840 --> 00:02:09,260

In March 2005 renowned explorer Mark Nordstrom disappeared while on an expedition to Mount Everest

21

00:02:10,560 --> 00:02:16,480

Three years later amidst media frenzy his remains were discovered and returned to the States

22

00:02:16,680 --> 00:02:20,240

Along with what his rescuers claimed to be a major discovery

23

00:02:20,940 --> 00:02:27,160

Two journalists Jared Slate and Alex Turner were determined to break the story early

24

00:02:28,420 --> 00:02:35,060

Behind me is the cargo ship the inventus which we think holds the frozen remains of the famed adventurer Mark Nordstrom

25

00:02:35,260 --> 00:02:41,060

He went missing in the Himalayas under mysterious circumstances years ago now in addition to Nordstrom's remains

26

00:02:41,060 --> 00:02:46,260

There's been talk of another major discovery to be announced at a press conference in the days to come

27

00:02:46,680 --> 00:02:55,980

To get the exclusive story Slate and Turner bribed Longshoremen Charlie Newhouse to sneak them aboard the vessel a day before the press conference

28

00:02:56,560 --> 00:03:04,560

What they encountered however was a story more violent than they ever imagined and a legend they never expected

29

00:03:05,080 --> 00:03:07,240

These are their tapes

30

00:03:08,020 --> 00:03:16,060

Where the hell have you guys been you're supposed to be two hours ago?

31

00:03:16,140 --> 00:03:19,140

Yeah, well it was a little harder to get on the docks than we had anticipated

32

00:03:20,340 --> 00:03:22,340

Security's really tight

33

00:03:24,380 --> 00:03:27,660

Come on Newhouse you're not going soft on us are you?

34

00:03:37,780 --> 00:03:39,780

I

35

00:03:41,420 --> 00:03:44,260

Watch out for guard keep quiet and follow me

36

00:04:07,660 --> 00:04:11,860

All right, it's down there

37

00:04:16,500 --> 00:04:18,500

I'm gonna be kidding

38

00:04:26,580 --> 00:04:28,580

Come on Slate grow here

39

00:04:37,240 --> 00:04:39,240

Oh

40

00:04:49,620 --> 00:04:52,300

What took you so long haha very funny

41

00:05:01,460 --> 00:05:05,900

Come on let's go sure you know where we're going yeah

42

00:05:07,260 --> 00:05:10,140

So Newhouse how much do you know about what they found?

43

00:05:12,700 --> 00:05:14,700

Nothing more than I've already told you

44

00:05:15,380 --> 00:05:18,340

They're up in the mountains found something supposed to be a big deal

45

00:05:19,300 --> 00:05:25,220

They only brought it back with them and they're keeping in cold storage. I got access parts above that didn't tell me anything

46

00:05:25,900 --> 00:05:30,100

I've been working for these guys for years for next to nothing soon as they found out they can make a buck off it

47

00:05:30,620 --> 00:05:32,620

Cut me right out of the loop

48

00:05:33,120 --> 00:05:43,600

One of the most famous of all cryptids or unknown animals is the Yeti

49

00:05:44,120 --> 00:05:49,040

the fabled abominable snowman of Nepal and Tibet and

50

00:05:49,480 --> 00:05:51,320

Bhutan

51

00:05:51,320 --> 00:05:58,280

The Yeti is said to be very powerfully built with a man-like build except bigger more muscular

52

00:05:58,580 --> 00:06:02,300

Seven to seven and a half feet tall usually covered with dark brown

53

00:06:02,940 --> 00:06:05,540

Matted hair in the case of the Yeti

54

00:06:05,900 --> 00:06:09,820

It is part of the culture it is part of the superstition of belief

55

00:06:09,820 --> 00:06:16,280

But it's also part of the geographical landscape. You can't talk about Nepal. You can't talk about the Himalayas

56

00:06:17,100 --> 00:06:23,940

Without probably the most famous animal rumor to live there the Nepalese who live in those areas and the Sherpa

57

00:06:24,000 --> 00:06:31,740

Were hired by mountain climbers consider it to be a dangerous natural animal that will carry off

humans if it gets a chance to

58

00:06:43,480 --> 00:06:45,480

All right, this is where they put the crates

59

00:06:53,940 --> 00:07:20,000

We better hurry this up

60

00:07:24,200 --> 00:07:26,200

Oh

61

00:07:27,720 --> 00:07:31,040

Yeah, we put poison out for the rats keeping from getting into stuff

62

00:07:31,840 --> 00:07:34,400

That doesn't look like poison these rats were ripped apart

63

00:07:43,360 --> 00:07:48,140

It's probably just some equipment shifting keep it together sleep

64

00:07:53,940 --> 00:07:55,940

You

65

00:08:00,840 --> 00:08:02,960

Where the hell is it just fall me

66

00:08:05,480 --> 00:08:07,480

It's in this section it's right up here

67

00:08:10,960 --> 00:08:14,480

Alex this must be old-strom quick give the crap out

68

00:08:24,120 --> 00:08:26,120

We

69

00:08:42,680 --> 00:08:48,440

Gotis that

70

00:08:48,440 --> 00:08:50,440

What the hell happened to it?

71

00:08:50,440 --> 00:08:52,440

That's no machine accident.

72

00:08:52,440 --> 00:08:54,440

We gotta get out of here. We gotta call the cops.

73

00:08:57,440 --> 00:08:59,440

Lieutenant, look at this.

74

00:08:59,440 --> 00:09:01,440

Biological specimen.

75

00:09:02,440 --> 00:09:04,440

This must be the big discovery, some kind of animal.

76

00:09:05,440 --> 00:09:07,440

Why would an animal be a big discovery?

77

00:09:07,440 --> 00:09:09,440

I don't know.

78

00:09:10,440 --> 00:09:14,440

Guys, do you hear me? We gotta get out of here. We gotta call the cops.

79

00:09:15,440 --> 00:09:17,440

You see anything?

80

00:09:18,440 --> 00:09:19,440

Well...

81

00:09:19,440 --> 00:09:20,440

What is it?

82

00:09:20,440 --> 00:09:23,440

The whole crate back here has been busted open.

83

00:09:24,440 --> 00:09:27,440

Definitely an animal of some kind.

84

00:09:28,440 --> 00:09:37,440

I think Jane Goodall and other primatologists would agree that there are still undiscovered primates that exist that we haven't found yet.

85

00:09:37,440 --> 00:09:43,440

Even in the 21st century, there are primates that come to light that we didn't know of until just recently.

86

00:09:43,440 --> 00:09:48,440

There was a new lemur discovered in the forests of Madagascar about 10 to 15 years ago that was unknown.

87

00:09:48,440 --> 00:09:53,440

So even in the modern world, there still are relatively unexplored places.

88

00:09:53,440 --> 00:09:58,440

The Himalayas are an extremely harsh habitat for humans to travel in and do research in.

89

00:09:58,440 --> 00:10:06,440

You have high snow cover and ice, and so digging for any kind of fossils would be extremely difficult.

90

00:10:06,440 --> 00:10:15,440

We're talking about relatively few creatures in a large, unexplored and largely uninhabited area that's very hostile to humans.

91

00:10:15,440 --> 00:10:21,440

So you have sort of a perfect storm of factors to help keep this creature hidden from man.

92

00:10:22,440 --> 00:10:27,440

Whatever was in there is now out here with us. God, it's gotta be huge.

93

00:10:28,440 --> 00:10:29,440

You're not kidding.

94

00:10:31,440 --> 00:10:34,440

What the hell is that? Is there someone else in here with this?

95

00:10:34,440 --> 00:10:38,440

Instructions were explicit. Nobody in the side of the ship. We got company.

96

00:10:40,440 --> 00:10:42,440

Well, that's our animal. We should go find it.

97

00:10:43,440 --> 00:10:44,440

Are you out of your mind?

98

00:10:45,440 --> 00:10:50,440

This isn't worth it anymore. I got a family to take care of. I'm leaving. You all can go with me or not. I don't care at this point.

99

00:10:50,440 --> 00:10:52,440

I'll leave you here in a heartbeat. Do you go in or what?

100

00:10:53,440 --> 00:10:54,440

Yeah, we're coming.

101

00:10:54,440 --> 00:10:55,440

Yeah.

102

00:10:55,440 --> 00:10:56,440

We're going. It's not worth it. He's right.

103

00:10:56,440 --> 00:11:01,440

If we don't get something tangible tonight, we're going to be like every other schmuck at that press conference tomorrow.

104

00:11:01,440 --> 00:11:02,440

We've already had something tangible.

105

00:11:03,440 --> 00:11:07,440

Come on. If we break the story a day early, think about it.

106

00:11:09,440 --> 00:11:11,440

Okay. Okay.

107

00:11:11,440 --> 00:11:13,440

I need you in.

108

00:11:15,440 --> 00:11:16,440

I'll know.

109

00:11:17,440 --> 00:11:18,440

Come on, man.

110

00:11:18,440 --> 00:11:20,440

I know. I'd rather be a schmuck than be a corpse.

111

00:11:20,440 --> 00:11:21,440

You're on your own.

112

00:11:21,440 --> 00:11:23,440

We don't need him, Slate. We can find it without him.

113

00:11:23,440 --> 00:11:26,440

We do need him. He knows it. You're on. Joss!

114

00:11:26,440 --> 00:11:28,440

We can find it without him. Let him go.

115

00:11:28,440 --> 00:11:31,440

Oh, great.

116

00:11:31,440 --> 00:11:33,440

All right, come on.

117

00:11:33,440 --> 00:11:35,440

Come on. Where are we going?

118

00:11:35,440 --> 00:11:36,440

This way.

119

00:11:58,440 --> 00:12:00,440

Do you hear that?

120

00:12:00,440 --> 00:12:01,440

Yeah.

121

00:12:18,440 --> 00:12:21,440

Okay, come on. Go. Go. Go. Go. Go.

122

00:12:28,440 --> 00:12:30,440

Are you okay?

123

00:12:30,440 --> 00:12:31,440

Come on.

124

00:12:31,440 --> 00:12:32,440

I'm okay.

125

00:12:32,440 --> 00:12:33,440

What is there?

126

00:12:33,440 --> 00:12:34,440

There's blood.

127

00:12:35,440 --> 00:12:37,440

How's he gonna get his new house?

128

00:12:37,440 --> 00:12:38,440

I don't know.

129

00:12:38,440 --> 00:12:40,440

That's a lot of blood.

130

00:12:42,440 --> 00:12:43,440

What is that?

131

00:12:43,440 --> 00:12:45,440

It looks like a footprint.

132

00:12:45,440 --> 00:12:46,440

God, it's enormous.

133

00:12:47,440 --> 00:12:49,440

Look at the size of it.

134

00:12:50,440 --> 00:12:51,440

Okay.

135

00:12:51,440 --> 00:12:53,440

Okay. We've got to get out of here.

136

00:12:53,440 --> 00:12:54,440

Slate, look at me.

137

00:12:54,440 --> 00:12:57,440

We need to get one shot of it, okay?

138

00:12:57,440 --> 00:12:59,440

All we have is a bunch of bloody footprints.

139

00:12:59,440 --> 00:13:01,440

It's gonna look like we staged it.

140

00:13:01,440 --> 00:13:03,440

Look at me. I promise.

141

00:13:04,440 --> 00:13:07,440

Just one shot and then we'll go okay. I promise you.

142

00:13:08,440 --> 00:13:10,440

I'll get one more shot.

143

00:13:11,440 --> 00:13:13,440

And then that's it and then we're getting out of here.

144

00:13:13,440 --> 00:13:14,440

I promise.

145

00:13:14,440 --> 00:13:15,440

All right?

146

00:13:16,440 --> 00:13:18,440

Oh, my God.

147

00:13:19,440 --> 00:13:26,440

Any animal, if cornered, if trapped, if faced with either their survival or their freedom,

148

00:13:26,440 --> 00:13:28,440

is going to turn and fight.

149

00:13:28,440 --> 00:13:33,440

Yet he's certainly been described as upwards of 400 to 800 pounds.

150

00:13:33,440 --> 00:13:40,440

They're seen as a massive creature, huge muscles with a height that really gives them a lot of advantages,

151

00:13:40,440 --> 00:13:45,440

whether it's they're dealing with humans or yaks or other creatures.

152

00:13:45,440 --> 00:13:47,440

So they seem to be formidable.

153

00:13:47,440 --> 00:13:51,440

They seem to really be something that people do not want to tangle with.

154

00:13:57,440 --> 00:13:59,440

It's in there.

155

00:13:59,440 --> 00:14:00,440

Yeah.

156

00:14:04,440 --> 00:14:05,440

I'll get you a shot.

157

00:14:07,440 --> 00:14:08,440

Alex.

158

00:14:09,440 --> 00:14:10,440

Alex.

159

00:14:13,440 --> 00:14:14,440

Did you get it? You got a shot?

160

00:14:14,440 --> 00:14:15,440

I got it now.

161

00:14:15,440 --> 00:14:16,440

I got it now.

162

00:14:17,440 --> 00:14:18,440

I got it now.

163

00:14:18,440 --> 00:14:19,440

I got it now.

164

00:14:20,440 --> 00:14:21,440

I got it now.

165

00:14:22,440 --> 00:14:23,440

I got it now.

166

00:14:23,440 --> 00:14:24,440

I got it now.

167

00:14:24,440 --> 00:14:25,440

Did you get it? You got a shot?

168

00:14:25,440 --> 00:14:27,440

I got it now. Let's go.

169

00:14:27,440 --> 00:14:28,440

Go.

170

00:14:31,440 --> 00:14:32,440

Come on. Come on.

171

00:14:35,440 --> 00:14:36,440

Ah, ****.

172

00:14:36,440 --> 00:14:37,440

I smashed my knee.

173

00:14:37,440 --> 00:14:38,440

Can I get up?

174

00:14:39,440 --> 00:14:40,440

Are you okay?

175

00:14:40,440 --> 00:14:41,440

Come on.

176

00:14:42,440 --> 00:14:43,440

Tell her to go.

177

00:14:46,440 --> 00:14:47,440

Let's go.

178

00:14:48,440 --> 00:14:49,440

Where the hell did it go?

179

00:14:49,440 --> 00:14:50,440

I think you scared it off.

180

00:14:50,440 --> 00:14:51,440

Chris.

181

00:14:53,440 --> 00:14:54,440

I know you're hurt.

182

00:14:54,440 --> 00:14:55,440

We've got to keep moving.

183

00:15:00,440 --> 00:15:01,440

Get back this way.

184

00:15:01,440 --> 00:15:02,440

Chris, come on. Follow me.

185

00:15:03,440 --> 00:15:04,440

Chris, come on.

186

00:15:08,440 --> 00:15:09,440

Wait for Chris in here.

187

00:15:11,440 --> 00:15:12,440

Okay.

188

00:15:14,440 --> 00:15:15,440

Okay, I think this is clear.

189

00:15:16,440 --> 00:15:17,440

Hold my hand.

190

00:15:17,440 --> 00:15:18,440

I count.

191

00:15:18,440 --> 00:15:19,440

All right.

192

00:15:19,440 --> 00:15:20,440

Ready?

193

00:15:20,440 --> 00:15:21,440

Okay.

194

00:15:21,440 --> 00:15:22,440

One.

195

00:15:23,440 --> 00:15:24,440

Two.

196

00:15:30,440 --> 00:15:31,440

The knee is on.

197

00:15:34,440 --> 00:15:35,440

Oh my God, it's late.

198

00:15:41,440 --> 00:15:43,440

We have to get out of here.

199

00:15:43,440 --> 00:15:44,440

Yeah, okay.

200

00:15:48,440 --> 00:15:49,440

Come on.

201

00:15:49,440 --> 00:15:50,440

I think it's this way.

202

00:15:59,440 --> 00:16:00,440

Open it.

203

00:16:01,440 --> 00:16:02,440

Open it.

204

00:16:13,440 --> 00:16:14,440

Keep moving.

205

00:16:17,440 --> 00:16:18,440

All right.

206

00:16:21,440 --> 00:16:22,440

Where is everything?

207

00:16:23,440 --> 00:16:24,440

I have no idea.

208

00:16:41,440 --> 00:16:42,440

It's in the main deck.

209

00:16:48,440 --> 00:16:49,440

This is the goal.

210

00:16:50,440 --> 00:16:52,440

Hang in there so we can do it right here.

211

00:16:57,440 --> 00:16:58,440

That's bloody locked.

212

00:16:58,440 --> 00:16:59,440

What?

213

00:17:03,440 --> 00:17:04,440

Help.

214

00:17:04,440 --> 00:17:05,440

Someone help.

215

00:17:05,440 --> 00:17:06,440

Please.

216

00:17:06,440 --> 00:17:08,440

What the hell are you guys doing here?

217

00:17:08,440 --> 00:17:10,440

I live in my own bloody door.

218

00:17:10,440 --> 00:17:11,440

I have a key.

219

00:17:11,440 --> 00:17:13,440

Help, I'm out of the f**king door.

220

00:17:13,440 --> 00:17:14,440

F**king.

221

00:17:14,440 --> 00:17:15,440

Chris.

222

00:17:17,440 --> 00:17:18,440

Open the door.

223

00:17:18,440 --> 00:17:19,440

Come back.

224

00:17:19,440 --> 00:17:20,440

Open the door.

225

00:17:20,440 --> 00:17:21,440

Come back.

226

00:17:21,440 --> 00:17:22,440

Open the door.

227

00:17:22,440 --> 00:17:23,440

Open the door.

228

00:17:25,440 --> 00:17:26,440

Open the door.

229

00:17:32,440 --> 00:17:37,440

In the hours that followed, the press conference scheduled to

230

00:17:37,440 --> 00:17:41,440

announce this major discovery was abruptly canceled, leading

231

00:17:41,440 --> 00:17:44,440

to rumors of government interference.

232

00:17:44,440 --> 00:17:50,680

The remains of Charles Newhouse, Alex Turner, and Jared Slate were never recovered.

233

00:17:50,680 --> 00:17:59,080

Though this newly leaked VO evidence would suggest otherwise, their deaths were all officially listed as drownings.

234

00:17:59,080 --> 00:18:06,880

The vessel Inventus was redirected to Plum Island, a government facility known for biological research.

235

00:18:06,880 --> 00:18:13,240

For centuries, natives and adventurers have shared legends of ferocious beasts that roam the Himalayas,

236

00:18:13,240 --> 00:18:17,080

but the Inventus incident raises a more controversial query.

237

00:18:17,080 --> 00:18:24,120

Are these legends confined to the remote corners of our Earth, or do they live among us?
