

1

00:00:00,000 --> 00:00:07,000

Do you like the BBC? You know I'm from the BBC.

2

00:00:07,000 --> 00:00:12,000

Oh yes, I want to know what the enemy has to say.

3

00:00:30,000 --> 00:00:48,000

I was sitting in the world's tiniest plain, high above northwest America.

4

00:00:48,000 --> 00:00:55,000

Peaceful as they look, these hills of Idaho and Montana are home to a strange subculture

5

00:00:55,000 --> 00:00:59,000

of right-wing patriots and survivalists.

6

00:00:59,000 --> 00:01:03,000

A subculture I planned to infiltrate.

7

00:01:03,000 --> 00:01:10,000

Armed only with a cardboard tube, I was stepping into the war zone.

8

00:01:10,000 --> 00:01:14,000

Woo hoo!

9

00:01:14,000 --> 00:01:18,000

Woo hoo! Look out!

10

00:01:18,000 --> 00:01:24,000

That's me riding shotgun with former racing car driver and commodities broker Steve Quail.

11

00:01:24,000 --> 00:01:26,000

This is totally up to me.

12

00:01:26,000 --> 00:01:28,000

No, this goes underwater.

13

00:01:28,000 --> 00:01:30,000

It goes on the water.

14

00:01:30,000 --> 00:01:32,000

How deep can it go?

15

00:01:32,000 --> 00:01:34,000

How deep can it go up there?

16

00:01:34,000 --> 00:01:36,000

It doesn't matter how deep the water is.

17

00:01:36,000 --> 00:01:38,000

No!

18

00:01:38,000 --> 00:01:45,000

Like thousands of other Americans, Steve gave up his old life to become a full-time patriot activist,

19

00:01:45,000 --> 00:01:53,000

dedicated to defending the US Constitution and sounding the alarm for the most turbulent period in Earth's history.

20

00:01:53,000 --> 00:01:56,000

All hell is going to break loose.

21

00:01:56,000 --> 00:02:02,000

Run for your life.

22

00:02:02,000 --> 00:02:04,000

Run for your life.

23

00:02:04,000 --> 00:02:09,000

Despite all hell about to break loose, I felt safe being here at Safe Trek,

24

00:02:09,000 --> 00:02:12,000

Steve's own specialized store for the survival minded.

25

00:02:12,000 --> 00:02:15,000

It's like parents, everything's under one roof.

26

00:02:15,000 --> 00:02:22,000

Deadly viruses, asteroids, earthquakes, so many disasters, so little time.

27

00:02:22,000 --> 00:02:27,000

Steve, like patriots across the USA, once was a fear towers over the rest.

28

00:02:27,000 --> 00:02:31,000

A global cabal of bankers and politicians called the New World Order.

29

00:02:31,000 --> 00:02:33,000

New World Order.

30

00:02:33,000 --> 00:02:37,000

What we're talking about is evil, secret, right?

31

00:02:37,000 --> 00:02:38,000

Right.

32

00:02:38,000 --> 00:02:40,000

Tell me when this gets wrong.

33

00:02:40,000 --> 00:02:43,000

Secret plan to control the world.

34

00:02:43,000 --> 00:02:45,000

How about enslave?

35

00:02:45,000 --> 00:02:46,000

That's a better word.

36

00:02:46,000 --> 00:02:47,000

Is that better?

37

00:02:47,000 --> 00:02:48,000

Oh, that's better.

38

00:02:48,000 --> 00:02:50,000

The New World Order is nothing new.

39

00:02:50,000 --> 00:02:54,000

It's just the old world order packaged cutely by the power brokers of the world.

40

00:02:54,000 --> 00:02:57,000

Remember, their motto is order out of chaos, okay?

41

00:02:57,000 --> 00:03:00,000

In Latin, it's auto ab chaos.

42

00:03:00,000 --> 00:03:03,000

So, the situation is, what you need to ask, you really should ask this.

43

00:03:03,000 --> 00:03:04,000

Wait, wait, wait.

44

00:03:04,000 --> 00:03:06,000

The New World Order has a motto.

45

00:03:06,000 --> 00:03:08,000

Like a little club or something.

46

00:03:08,000 --> 00:03:09,000

Well, not a little club.

47

00:03:09,000 --> 00:03:10,000

A big club.

48

00:03:10,000 --> 00:03:11,000

That is their motto.

49

00:03:11,000 --> 00:03:12,000

Order out of chaos.

50

00:03:12,000 --> 00:03:14,000

Order out of chaos.

51

00:03:14,000 --> 00:03:15,000

Do they have a badge?

52

00:03:15,000 --> 00:03:16,000

Do they have a badge?

53

00:03:16,000 --> 00:03:17,000

Do they have a uniform?

54

00:03:17,000 --> 00:03:22,000

Oh, yeah, it's black and it says United Nations police force on it because the United Nations

55

00:03:22,000 --> 00:03:26,000

will ultimately become the control vehicle for world control and domination.

56

00:03:26,000 --> 00:03:33,000

They've actually engineered, now, I hear this word, engineered crisis that they provide the solution for.

57

00:03:33,000 --> 00:03:36,000

And the solution is like the old Third Reich solution.

58

00:03:36,000 --> 00:03:37,000

Is to eliminate.

59

00:03:37,000 --> 00:03:38,000

Is to eliminate.

60

00:03:38,000 --> 00:03:39,000

How many roughly?

61

00:03:39,000 --> 00:03:41,000

They're claiming four-fifths of the world's population.

62

00:03:41,000 --> 00:03:43,000

So, there's four of these five people here.

63

00:03:43,000 --> 00:03:44,000

Yep.

64

00:03:45,000 --> 00:03:50,000

How could they administer the genocide of four billion people when they can't even, you know,

65

00:03:50,000 --> 00:03:53,000

pass the thing saying that it's international year of the child?

66

00:03:53,000 --> 00:03:54,000

Right.

67

00:03:54,000 --> 00:03:55,000

Well, they don't say it as killing off.

68

00:03:55,000 --> 00:04:01,000

They say it as the earth must have the planet's population diminished by four billion people.

69

00:04:01,000 --> 00:04:02,000

Do they?

70

00:04:02,000 --> 00:04:03,000

Yes.

71

00:04:03,000 --> 00:04:05,000

So, that trigger they put it in secret language?

72

00:04:05,000 --> 00:04:06,000

Right.

73

00:04:06,000 --> 00:04:10,000

And the only people that are going to be exempt from this, outside of the guys that are going to bring it down,

74

00:04:10,000 --> 00:04:12,000

are the people that have prepared.

75

00:04:12,000 --> 00:04:13,000

That's what the whole point is.

76

00:04:13,000 --> 00:04:16,000

People are preparing for the introduction of the New World Order.

77

00:04:16,000 --> 00:04:17,000

And in America.

78

00:04:17,000 --> 00:04:18,000

So, that's you, right?

79

00:04:18,000 --> 00:04:19,000

You're preparing, aren't you?

80

00:04:19,000 --> 00:04:20,000

I'm preparing, but again.

81

00:04:20,000 --> 00:04:22,000

So, basically, the other four of us, we're all toast.

82

00:04:22,000 --> 00:04:23,000

You're toast.

83

00:04:23,000 --> 00:04:26,000

So, tell me where are we going now?

84

00:04:26,000 --> 00:04:28,000

We're going out to our shelter.

85

00:04:28,000 --> 00:04:32,000

These are biological, nuclear, chemical warfare shelters.

86

00:04:32,000 --> 00:04:36,000

They're about \$35,000 plus shipping.

87

00:04:36,000 --> 00:04:37,000

No way.

88

00:04:37,000 --> 00:04:38,000

Yeah.

89

00:04:38,000 --> 00:04:43,000

What would cause you to come down here?

90

00:04:43,000 --> 00:04:46,000

Not only escalating international conflict.

91

00:04:46,000 --> 00:04:47,000

Yeah.

92

00:04:47,000 --> 00:04:48,000

And so, when that happens, you'll be down here.

93

00:04:48,000 --> 00:04:52,000

Well, people who have shelters will enter into their shelters at that time.

94

00:04:52,000 --> 00:04:54,000

And do you, this is a showroom of a shelter.

95

00:04:54,000 --> 00:04:55,000

Do you have your own shelter?

96

00:04:55,000 --> 00:04:56,000

Yeah.

97

00:04:56,000 --> 00:04:57,000

Will you tell me where your wine is?

98

00:04:57,000 --> 00:04:58,000

No.

99

00:04:58,000 --> 00:04:59,000

Please.

100

00:04:59,000 --> 00:05:00,000

No.

101

00:05:00,000 --> 00:05:01,000

Why seriously?

102

00:05:01,000 --> 00:05:02,000

Why not?

103

00:05:02,000 --> 00:05:08,000

Because there are a lot of people who are going to be looking for people who are prepared.

104

00:05:08,000 --> 00:05:11,000

So, how do you prevent them from finding you?

105

00:05:11,000 --> 00:05:12,000

Well, how do you do that?

106

00:05:12,000 --> 00:05:13,000

Well, you're on the ground.

107

00:05:13,000 --> 00:05:14,000

Yeah.

108

00:05:14,000 --> 00:05:15,000

These things are on the ground.

109

00:05:15,000 --> 00:05:17,000

Would you defend this against UN troops?

110

00:05:17,000 --> 00:05:18,000

Would you be willing to do that?

111

00:05:18,000 --> 00:05:19,000

Would I be willing to do that?

112

00:05:19,000 --> 00:05:20,000

Yeah.

113

00:05:20,000 --> 00:05:21,000

I have no love for UN troops.

114

00:05:21,000 --> 00:05:26,000

And I think that that's what we're talking about when we're talking about the coming Civil War in America.

115

00:05:26,000 --> 00:05:29,000

And you could shoot people who would try to come off to you?

116

00:05:29,000 --> 00:05:31,000

Well, I think that's sort of, let me say this.

117

00:05:31,000 --> 00:05:39,000

If someone's trying to take your life from you, is it morally wrong to defend yourself?

118

00:05:39,000 --> 00:05:41,000

It's striking.

119

00:05:41,000 --> 00:05:44,000

That's kind of, that's powerful.

120

00:05:44,000 --> 00:05:47,000

Look, I'm trembling now.

121

00:05:47,000 --> 00:05:55,000

Under Steve's expert tutelage, I was getting in my last shots on the Safe Creek gun range before moving on.

122

00:05:55,000 --> 00:05:56,000

That's it.

123

00:05:56,000 --> 00:05:57,000

How'd I do?

124

00:05:57,000 --> 00:05:58,000

You did very well.

125

00:05:58,000 --> 00:05:59,000

Thanks.

126

00:05:59,000 --> 00:06:00,000

Excellent shot.

127

00:06:00,000 --> 00:06:03,000

There was clearly no match for local patrons like Shirley.

128

00:06:03,000 --> 00:06:05,000

She doesn't have to do it if she's worried about it.

129

00:06:05,000 --> 00:06:06,000

No, she's not worried about it.

130

00:06:20,000 --> 00:06:22,000

Shirley's getting amazing accuracy.

131

00:06:22,000 --> 00:06:30,000

Steve didn't seem dangerous.

132

00:06:30,000 --> 00:06:32,000

Well, not that dangerous.

133

00:06:32,000 --> 00:06:35,000

A successful businessman, he was practically mainstream.

134

00:06:35,000 --> 00:06:43,000

So I was heading further off the beaten path into the wilds of Idaho to see the legendary Colonel Bo Grimes.

135

00:06:43,000 --> 00:06:45,000

My son fights under that flag.

136

00:06:45,000 --> 00:06:51,000

A one-time Green Beret and presidential candidate, Bo was now stumping on the Patriot Trail.

137

00:06:51,000 --> 00:06:56,000

This is what happens to this globalist government.

138

00:06:56,000 --> 00:07:01,000

And he too was no friend of the New World Order.

139

00:07:01,000 --> 00:07:10,000

In 1994, he announced plans for a kind of mountaintop commune where fellow patriots could be saved from the federal government, the UN, and from Armageddon.

140

00:07:10,000 --> 00:07:13,000

He named it Almost Heaven.

141

00:07:13,000 --> 00:07:20,000

Dawn found me winding up towards its almost pearly gates.

142

00:07:20,000 --> 00:07:22,000

Shh.

143

00:07:31,000 --> 00:07:32,000

Hi, come on.

144

00:07:32,000 --> 00:07:34,000

How are you doing? We're from the BBC.

145

00:07:34,000 --> 00:07:36,000

Well, you're too early. It's tomorrow, isn't it?

146

00:07:36,000 --> 00:07:37,000

No, it's supposed to be today, I think.

147

00:07:37,000 --> 00:07:40,000

Well, you can come in, but I'm doing my radio program here in just a couple of minutes.

148

00:07:40,000 --> 00:07:41,000

Okay.

149

00:07:41,000 --> 00:07:42,000

I was told it would be Tuesday.

150

00:07:42,000 --> 00:07:43,000

Oh, I'm sorry, man.

151

00:07:43,000 --> 00:07:45,000

Take your shoes off.

152

00:07:45,000 --> 00:07:48,000

Oh, greats, we're with you on Talk America Radio.

153

00:07:48,000 --> 00:07:49,000

Freedom call.

154

00:07:49,000 --> 00:07:51,000

We do more than just talk about it.

155

00:07:51,000 --> 00:07:52,000

40-foot Jesus appeared before.

156

00:07:52,000 --> 00:07:54,000

I guarantee him he'll get his damn money.

157

00:07:54,000 --> 00:07:57,000

Would anyone want to conduct anal sex?

158

00:07:57,000 --> 00:07:58,000

I didn't perform the United States.

159

00:07:58,000 --> 00:07:59,000

I didn't hide.

160

00:07:59,000 --> 00:08:01,000

My lawyers belong on the bottom of the ocean.

161

00:08:01,000 --> 00:08:03,000

I'll see you tomorrow with Simonette.

162

00:08:03,000 --> 00:08:04,000

You be here.

163

00:08:04,000 --> 00:08:05,000

That's an order.

164

00:08:05,000 --> 00:08:08,000

Well, let me just say, General Colonel, greets, excuse me.

165

00:08:08,000 --> 00:08:11,000

It's a real pleasure for you, for me to...

166

00:08:11,000 --> 00:08:15,000

Okay, so I admit, I was a bit intimidated at first.

167

00:08:15,000 --> 00:08:22,000

After all, he was the model for Rambo, had personally killed 400 people, and by the looks of it, stolen their medals.

168

00:08:22,000 --> 00:08:27,000

Okay, so you founded a patriot covenant community here in rural Idaho, is that correct?

169

00:08:27,000 --> 00:08:29,000

Maybe, exactly correct.

170

00:08:29,000 --> 00:08:33,000

I went to every state, and everywhere I went, I saw people afraid.

171

00:08:33,000 --> 00:08:34,000

They were paranoid.

172

00:08:34,000 --> 00:08:35,000

They were paranoid about the government.

173

00:08:35,000 --> 00:08:38,000

They were paranoid about natural phenomenon.

174

00:08:38,000 --> 00:08:40,000

They were paranoid about military targeting.

175

00:08:40,000 --> 00:08:43,000

They were paranoid about nuclear power plants.

176

00:08:43,000 --> 00:08:49,000

So, I went to FEMA, and FEMA, the Federal Emergency Management Agency.

177

00:08:49,000 --> 00:08:53,000

So they have a great database of catastrophic events.

178

00:08:53,000 --> 00:08:59,000

And I started taking a magic marker, for example, in Florida, all across here, these guys pretty well get decimated.

179

00:08:59,000 --> 00:09:00,000

Hurricane, right?

180

00:09:00,000 --> 00:09:05,000

And you come up by Georgia, you've got the Georgia Coastal saying, and South Carolina gets wiped out.

181

00:09:05,000 --> 00:09:08,000

Of course, you've got Washington, D.C., which is a major targeting area.

182

00:09:08,000 --> 00:09:10,000

Iraqi missiles are something you're going to face.

183

00:09:10,000 --> 00:09:14,000

Now, the next thing is the tornado belt. Kansas and Oklahoma.

184

00:09:14,000 --> 00:09:15,000

You're doing kind of a twister on there.

185

00:09:15,000 --> 00:09:17,000

That's what it is. Hey, see there?

186

00:09:17,000 --> 00:09:18,000

Twister, good.

187

00:09:18,000 --> 00:09:20,000

You have this giant flood belt.

188

00:09:20,000 --> 00:09:21,000

Floods.

189

00:09:21,000 --> 00:09:24,000

Yeah, all the winter storms remain, make this area uninhabitable.

190

00:09:24,000 --> 00:09:27,000

Minnesota, Wisconsin, all in the Blizzard Zone.

191

00:09:27,000 --> 00:09:28,000

It's all blizzards, is it?

192

00:09:28,000 --> 00:09:29,000

Yeah.

193

00:09:29,000 --> 00:09:30,000

All right.

194

00:09:30,000 --> 00:09:31,000

Blizzard.

195

00:09:31,000 --> 00:09:32,000

What could be rowing North Dakota?

196

00:09:32,000 --> 00:09:33,000

Norrads.

197

00:09:33,000 --> 00:09:34,000

Target for missiles, right?

198

00:09:34,000 --> 00:09:35,000

Sure.

199

00:09:35,000 --> 00:09:36,000

This is all nuclear waste right here.

200

00:09:36,000 --> 00:09:37,000

Oh, no, that's nuclear waste.

201

00:09:37,000 --> 00:09:38,000

Yeah.

202

00:09:38,000 --> 00:09:39,000

California, you've got earthquakes.

203

00:09:39,000 --> 00:09:41,000

Any idea how you want to make earthquakes?

204

00:09:41,000 --> 00:09:42,000

Oh, that's a tough one.

205

00:09:42,000 --> 00:09:43,000

Yeah.

206

00:09:43,000 --> 00:09:45,000

And in Los Angeles, you have the riots.

207

00:09:45,000 --> 00:09:46,000

Riots.

208

00:09:46,000 --> 00:09:48,000

And, yeah, Portland, you have Mount Hood.

209

00:09:48,000 --> 00:09:49,000

All of these are volcanic.

210

00:09:49,000 --> 00:09:50,000

There's lava coming on.

211

00:09:50,000 --> 00:09:52,000

In New Mexico, we didn't have the soil.

212

00:09:52,000 --> 00:09:53,000

It's too cold.

213

00:09:53,000 --> 00:09:54,000

It's too cold in Montana.

214

00:09:54,000 --> 00:09:56,000

Texas is under the storm problem.

215

00:09:56,000 --> 00:10:00,000

And so it doesn't leave that much, does it?

216

00:10:00,000 --> 00:10:06,000

Well, what happened is we ended up with a little tiny spot up here that actually,

217

00:10:06,000 --> 00:10:11,000

we are right here.

218

00:10:11,000 --> 00:10:14,000

So in sum, how would you rate this place?

219

00:10:14,000 --> 00:10:21,000

Well, this place is the safest place in all of America.

220

00:10:21,000 --> 00:10:25,000

Having said that, when you picked out the land here, did you have any mind whether it would

221

00:10:25,000 --> 00:10:28,000

be easy to defend against some kind of invasion?

222

00:10:28,000 --> 00:10:31,000

Our community has spread over about 10 miles.

223

00:10:31,000 --> 00:10:35,000

It would take an army in order to try to control us.

224

00:10:35,000 --> 00:10:36,000

We didn't have to do it for any reason.

225

00:10:36,000 --> 00:10:40,000

I just was looking for the safest place for people to live where they wouldn't have weird

226

00:10:40,000 --> 00:10:46,000

things happening to them by mother nature or by man-made problems.

227

00:10:46,000 --> 00:10:49,000

Was there a spot on almost heaven waiting for me?

228

00:10:49,000 --> 00:10:50,000

Where are we headed now?

229

00:10:50,000 --> 00:10:52,000

We're headed to almost heaven too.

230

00:10:52,000 --> 00:10:54,000

It's not T-W-O-S-T-O-O.

231

00:10:54,000 --> 00:10:56,000

Bo had just the place.

232

00:10:56,000 --> 00:11:03,000

With a bit of cash down, I too could have land, a house, even a pet in the safest place in all

America.

233

00:11:03,000 --> 00:11:04,000

But can you see yourself?

234

00:11:04,000 --> 00:11:09,000

You move from London, you come out here, you put yourself up a log cabin right there.

235

00:11:09,000 --> 00:11:14,000

It was a tempting offer, but what was this business about a constitutional covenant?

236

00:11:14,000 --> 00:11:16,000

This is a constitutional covenant community.

237

00:11:16,000 --> 00:11:20,000

We don't ask anyone what their faith is, what their color is, what their IQ is.

238

00:11:20,000 --> 00:11:23,000

All you have to do when you join this community is say,

239

00:11:23,000 --> 00:11:29,000

I will stand in the defense of my neighbors in their constitutional rights.

240

00:11:29,000 --> 00:11:35,000

If it ever comes to the paranoia that people see now where you have a government that says

241

00:11:35,000 --> 00:11:40,000

you have to have a mark in your hand or your forehead, I will say no.

242

00:11:40,000 --> 00:11:41,000

And so we will defend...

243

00:11:41,000 --> 00:11:43,000

I'm sorry, what you'll say no to what exactly?

244

00:11:43,000 --> 00:11:46,000

To this little chip in your hand or your forehead.

245

00:11:46,000 --> 00:11:51,000

Well has anyone asked you or him if you want to have a chip put in you yet?

246

00:11:51,000 --> 00:11:54,000

No, and if they do, I will refuse.

247

00:11:54,000 --> 00:11:59,000

But what we're saying is if they think they're going to put it like you would scan a loaf of bread

248

00:11:59,000 --> 00:12:03,000

or if you're disadvantaged, you don't have hands, they're going to scan your forehead,

249

00:12:03,000 --> 00:12:05,000

then for me that's no.

250

00:12:05,000 --> 00:12:08,000

Is almost heaven a militia community?

251

00:12:08,000 --> 00:12:10,000

No, the answer is absolutely not.

252

00:12:10,000 --> 00:12:15,000

We don't have any cash of guns, there's no bunker.

253

00:12:15,000 --> 00:12:19,000

These three families may have a plan for attack with...

254

00:12:19,000 --> 00:12:21,000

You're talking about families here at almost heaven?

255

00:12:21,000 --> 00:12:22,000

Yes.

256

00:12:22,000 --> 00:12:28,000

I'm talking about three noodles right here, three families out of probably 60 or 70 up here

257

00:12:28,000 --> 00:12:32,000

that think that there was going to someday be a war against the government

258

00:12:32,000 --> 00:12:36,000

and they were looking forward to attacking.

259

00:12:36,000 --> 00:12:38,000

I asked them, who the hell are you going to kill?

260

00:12:38,000 --> 00:12:42,000

We've got one federal employee that I know of that's the postmaster.

261

00:12:42,000 --> 00:12:43,000

Can we talk to them?

262

00:12:43,000 --> 00:12:45,000

You could sure try.

263

00:12:45,000 --> 00:12:46,000

Why, what do you think that might happen?

264

00:12:46,000 --> 00:12:47,000

Because I think that...

265

00:12:47,000 --> 00:12:48,000

Well who are they?

266

00:12:48,000 --> 00:12:51,000

I think that they would come out of their house with a gun

267

00:12:51,000 --> 00:12:55,000

and tell you to get off their property or they would shoot you.

268

00:12:55,000 --> 00:12:59,000

I needed no further encouragement.

269

00:12:59,000 --> 00:13:03,000

Directions in hand, I made my way towards one of the radical noodles Beau had mentioned,

270

00:13:03,000 --> 00:13:06,000

a guy named Mike Kane.

271

00:13:06,000 --> 00:13:10,000

And so cruising through the safest place in all America,

272

00:13:10,000 --> 00:13:15,000

I was heading straight towards the most dangerous people there.

273

00:13:15,000 --> 00:13:17,000

We won.

274

00:13:17,000 --> 00:13:20,000

Well, we're doing a little story on almost heaven.

275

00:13:20,000 --> 00:13:22,000

Want to find out what life's like up here.

276

00:13:22,000 --> 00:13:23,000

How do you do?

277

00:13:23,000 --> 00:13:24,000

You ain't normal seven.

278

00:13:24,000 --> 00:13:25,000

No?

279

00:13:25,000 --> 00:13:26,000

No.

280

00:13:26,000 --> 00:13:27,000

Where am I?

281

00:13:27,000 --> 00:13:29,000

Well you're from the temperature, you're normal seven.

282

00:13:29,000 --> 00:13:31,000

Yeah, it looks like it.

283

00:13:31,000 --> 00:13:34,000

I've got to tell you, I was a little bit nervous about coming up here.

284

00:13:34,000 --> 00:13:36,000

I heard you fellas were a bit scary.

285

00:13:36,000 --> 00:13:37,000

Oh really?

286

00:13:37,000 --> 00:13:38,000

Yeah.

287

00:13:38,000 --> 00:13:39,000

Why do people think you're scary?

288

00:13:39,000 --> 00:13:40,000

I don't know.

289

00:13:40,000 --> 00:13:42,000

Why do you think we were?

290

00:13:42,000 --> 00:13:45,000

Actually, you know, Beau Grite said you're a little scary.

291

00:13:45,000 --> 00:13:46,000

The Colonel?

292

00:13:46,000 --> 00:13:48,000

He did, didn't he?

293

00:13:48,000 --> 00:13:49,000

Yeah.

294

00:13:49,000 --> 00:13:52,000

I guess the other reason would be the news media, you know,

295

00:13:52,000 --> 00:13:56,000

the conventional view of people who live on

296

00:13:56,000 --> 00:13:59,000

covenant community places like this.

297

00:13:59,000 --> 00:14:01,000

The view would be that they're a little extreme.

298

00:14:01,000 --> 00:14:04,000

Do you get that impression from the media too, or am I making stuff up?

299

00:14:04,000 --> 00:14:09,000

No, I get the impression from the media that they think we're scary too.

300

00:14:09,000 --> 00:14:10,000

Really?

301

00:14:10,000 --> 00:14:13,000

I don't know what's so scary.

302

00:14:13,000 --> 00:14:15,000

Are you scary?

303

00:14:15,000 --> 00:14:17,000

No, I'm not scary, are I?

304

00:14:17,000 --> 00:14:23,000

Only if you come up here to do harm to me or my family,

305

00:14:23,000 --> 00:14:27,000

then I probably am as scary as you are if someone came to do harm to you and your family.

306

00:14:27,000 --> 00:14:28,000

Yeah.

307

00:14:31,000 --> 00:14:34,000

Feel free to, uh, straggle me into some hard labor

308

00:14:34,000 --> 00:14:37,000

if there's anything you think I could be handy with.

309

00:14:37,000 --> 00:14:40,000

We're aiming for total self-sufficiency, so we need all skills.

310

00:14:40,000 --> 00:14:41,000

Really?

311

00:14:41,000 --> 00:14:42,000

We need everybody up here.

312

00:14:42,000 --> 00:14:44,000

Do you need TV presenters at all?

313

00:14:44,000 --> 00:14:48,000

Well, I don't know if we're going to need that or not.

314

00:14:48,000 --> 00:14:50,000

It'd probably be good for us if we had it.

315

00:14:50,000 --> 00:14:51,000

Yeah.

316

00:14:51,000 --> 00:14:52,000

You want to come join us, Louis?

317

00:14:52,000 --> 00:14:53,000

Yeah, I wouldn't mind.

318

00:14:53,000 --> 00:14:54,000

Would you?

319

00:14:54,000 --> 00:14:55,000

Yeah.

320

00:14:55,000 --> 00:14:59,000

In the end, far from shooting me, Mike actually invited me to dinner.

321

00:14:59,000 --> 00:15:01,000

Oh, my word, here we go.

322

00:15:02,000 --> 00:15:06,000

I was on my way into the heart of almost heaven.

323

00:15:06,000 --> 00:15:11,000

This is the place.

324

00:15:11,000 --> 00:15:12,000

This is the old homestead.

325

00:15:12,000 --> 00:15:13,000

This is Freedom Central.

326

00:15:13,000 --> 00:15:14,000

It's, uh, unfinished.

327

00:15:14,000 --> 00:15:15,000

Come on in, fellas.

328

00:15:15,000 --> 00:15:19,000

Turned out Mike, a former building contractor in Nevada,

329

00:15:19,000 --> 00:15:21,000

had moved here less than two years ago.

330

00:15:21,000 --> 00:15:24,000

Is there anything in the way of guided tour or...

331

00:15:24,000 --> 00:15:25,000

Yeah.

332

00:15:25,000 --> 00:15:26,000

Well, it's kind of a typical house.

333

00:15:26,000 --> 00:15:28,000

I don't know if there's much for guided tour, but come on.

334

00:15:28,000 --> 00:15:30,000

Well, how typical, see, there's a gun rack over there.

335

00:15:30,000 --> 00:15:31,000

That's not a typical...

336

00:15:31,000 --> 00:15:32,000

Maybe not where you're from.

337

00:15:32,000 --> 00:15:33,000

No, not that.

338

00:15:33,000 --> 00:15:35,000

I wouldn't let you have those back there, do they?

339

00:15:35,000 --> 00:15:36,000

No, they don't.

340

00:15:36,000 --> 00:15:37,000

How do you live like that?

341

00:15:37,000 --> 00:15:38,000

Well...

342

00:15:38,000 --> 00:15:41,000

Do you know if an American to live without a gun is like,

343

00:15:41,000 --> 00:15:43,000

you guys trying to live without tea?

344

00:15:43,000 --> 00:15:44,000

Really?

345

00:15:44,000 --> 00:15:45,000

How is that possible?

346

00:15:45,000 --> 00:15:46,000

It couldn't be that bad, could it?

347

00:15:46,000 --> 00:15:47,000

Yeah, daughter's room.

348

00:15:47,000 --> 00:15:50,000

I don't know if your viewers really want to see that or not.

349

00:15:50,000 --> 00:15:51,000

Wow.

350

00:15:51,000 --> 00:15:53,000

Looks like the feds already made it in here.

351

00:15:53,000 --> 00:15:54,000

Really?

352

00:15:54,000 --> 00:15:56,000

This is worse than Waco.

353

00:15:56,000 --> 00:15:57,000

Isn't it?

354

00:15:57,000 --> 00:15:59,000

Okay, so what's the difference?

355

00:15:59,000 --> 00:16:01,000

Yeah, this is...

356

00:16:01,000 --> 00:16:03,000

Well, actually, this is your room, though.

357

00:16:03,000 --> 00:16:04,000

How do you mean?

358

00:16:04,000 --> 00:16:06,000

If you want to spend the night, it's your room.

359

00:16:06,000 --> 00:16:07,000

Can I really?

360

00:16:07,000 --> 00:16:08,000

Oh, yeah.

361

00:16:08,000 --> 00:16:09,000

Well, that's very, very kind, Mike.

362

00:16:09,000 --> 00:16:10,000

Thanks so much.

363

00:16:10,000 --> 00:16:11,000

Well, you got one thing right.

364

00:16:11,000 --> 00:16:13,000

I am a big fan of Keanu Reeves.

365

00:16:17,000 --> 00:16:20,000

As Mike's wife, Chacha, made tortillas,

366

00:16:20,000 --> 00:16:22,000

our talk turned to music.

367

00:16:22,000 --> 00:16:23,000

Like rock and roll.

368

00:16:23,000 --> 00:16:25,000

Like which bands are you from?

369

00:16:25,000 --> 00:16:26,000

I'm from the band.

370

00:16:26,000 --> 00:16:27,000

I'm from the band.

371

00:16:27,000 --> 00:16:28,000

I'm from the band.

372

00:16:28,000 --> 00:16:30,000

Like which bands are your favorites?

373

00:16:30,000 --> 00:16:33,000

I like The Beatles, Roy and Stones.

374

00:16:33,000 --> 00:16:34,000

No way.

375

00:16:34,000 --> 00:16:36,000

You're not an old hippie, are you, Mike?

376

00:16:36,000 --> 00:16:37,000

Oh, yes.

377

00:16:37,000 --> 00:16:38,000

Really?

378

00:16:38,000 --> 00:16:39,000

Oh, of course.

379

00:16:39,000 --> 00:16:40,000

I love beads.

380

00:16:40,000 --> 00:16:41,000

You did not wear them.

381

00:16:41,000 --> 00:16:43,000

Bell-bottom pants, long hair, flowered shirts.

382

00:16:43,000 --> 00:16:45,000

He's too young.

383

00:16:45,000 --> 00:16:47,000

And he didn't take showers, either.

384

00:16:47,000 --> 00:16:49,000

People like Peace and Love.

385

00:16:49,000 --> 00:16:50,000

Well, they are.

386

00:16:50,000 --> 00:16:51,000

I'm Peace and Love.

387

00:16:51,000 --> 00:16:52,000

And all showers.

388

00:16:52,000 --> 00:16:56,000

Peace and Love, but hippies would put flowers in the ends of guns.

389

00:16:56,000 --> 00:16:58,000

See, that's when you're young and dumb.

390

00:16:58,000 --> 00:17:01,000

When you get to be my age, you learn that putting flowers in guns

391

00:17:01,000 --> 00:17:02,000

isn't the best thing.

392

00:17:02,000 --> 00:17:05,000

It's better to put bullets in guns rather than flowers.

393

00:17:05,000 --> 00:17:08,000

Our Father in Heaven, we bow our heads at this time

394

00:17:08,000 --> 00:17:11,000

to give our thanks unto thee for this beautiful day.

395

00:17:11,000 --> 00:17:13,000

And we pray now for thy greater glory

396

00:17:13,000 --> 00:17:15,000

and do so in the name of thy Son, Jesus Christ.

397

00:17:15,000 --> 00:17:16,000

Amen.

398

00:17:17,000 --> 00:17:18,000

Amen.

399

00:17:18,000 --> 00:17:19,000

Oh.

400

00:17:19,000 --> 00:17:20,000

Oh.

401

00:17:20,000 --> 00:17:24,000

But people in Britain who are up to speed on this,

402

00:17:24,000 --> 00:17:26,000

they know exactly what's going on and don't understand

403

00:17:26,000 --> 00:17:27,000

patriot beliefs.

404

00:17:27,000 --> 00:17:30,000

How do you explain it simply as you could what's going on?

405

00:17:30,000 --> 00:17:34,000

The government, the crooks, the criminals in Washington, D.C.

406

00:17:34,000 --> 00:17:35,000

International bankers.

407

00:17:35,000 --> 00:17:37,000

And international gangsters.

408

00:17:37,000 --> 00:17:39,000

International gangsters.

409

00:17:39,000 --> 00:17:40,000

That's what they are.

410

00:17:40,000 --> 00:17:42,000

You think that as well, Mike.

411

00:17:42,000 --> 00:17:45,000

There has been a conspiracy for some years

412

00:17:45,000 --> 00:17:50,000

by a group of people that have become known

413

00:17:50,000 --> 00:17:53,000

loosely as a New World Order.

414

00:17:53,000 --> 00:17:56,000

## The problem with the New World Order and the One World Government

415

00:17:56,000 --> 00:18:00,000

is that it requires a benevolent dictator.

416

00:18:00,000 --> 00:18:03,000

You show me in history any time that there's ever been a benevolent

417

00:18:03,000 --> 00:18:06,000

dictator ever.

418

00:18:06,000 --> 00:18:09,000

And if you don't have a benevolent dictator,

419

00:18:09,000 --> 00:18:11,000

then you have a tyrant.

420

00:18:11,000 --> 00:18:13,000

Spread your money out so we can see it.

421

00:18:13,000 --> 00:18:15,000

I'm going to choose the top hat.

422

00:18:15,000 --> 00:18:16,000

You get the gun, Mike.

423

00:18:16,000 --> 00:18:17,000

I get the gun?

424

00:18:17,000 --> 00:18:18,000

Okay.

425

00:18:19,000 --> 00:18:20,000

Here?

426

00:18:20,000 --> 00:18:21,000

New York Avenue?

427

00:18:21,000 --> 00:18:22,000

Well, I believe that's mine.

428

00:18:22,000 --> 00:18:23,000

No, that's mine.

429

00:18:23,000 --> 00:18:24,000

I'll buy it from you.

430

00:18:24,000 --> 00:18:26,000

No, I don't think so.

431

00:18:26,000 --> 00:18:28,000

Get out of jail free.

432

00:18:28,000 --> 00:18:29,000

That's handy.

433

00:18:29,000 --> 00:18:31,000

You could be in there as a tax protester.

434

00:18:37,000 --> 00:18:40,000

So far, I was really enjoying my stay.

435

00:18:45,000 --> 00:18:48,000

But there was one small catch.

436

00:18:52,000 --> 00:18:53,000

Oh!

437

00:19:00,000 --> 00:19:01,000

Yeah, we're ready.

438

00:19:01,000 --> 00:19:02,000

Okay.

439

00:19:04,000 --> 00:19:06,000

Am I in the back with you, right?

440

00:19:10,000 --> 00:19:12,000

So, Mike, what are we doing out here?

441

00:19:12,000 --> 00:19:13,000

It's four in the morning.

442

00:19:13,000 --> 00:19:14,000

I'm freezing.

443

00:19:14,000 --> 00:19:17,000

Well, Louis, you're on a neighborhood watch here this morning.

444

00:19:17,000 --> 00:19:21,000

We're just looking around to make sure everything's quiet and peaceful.

445

00:19:21,000 --> 00:19:24,000

And to keep an eye out for government troops.

446

00:19:24,000 --> 00:19:28,000

There's seven days a week, 365 days a year.

447

00:19:31,000 --> 00:19:32,000

Yo, Liberty.

448

00:19:34,000 --> 00:19:35,000

I'm open now.

449

00:19:35,000 --> 00:19:37,000

I'm on the south of the United States.

450

00:19:39,000 --> 00:19:41,000

I'm not going to get one coming for me.

451

00:19:45,000 --> 00:19:48,000

Liberty's got some sort of a lot over there.

452

00:19:49,000 --> 00:19:50,000

How's it going?

453

00:19:50,000 --> 00:19:51,000

It's all right.

454

00:19:51,000 --> 00:19:52,000

You must be Liberty.

455

00:19:52,000 --> 00:19:53,000

Yeah.

456

00:19:53,000 --> 00:19:54,000

Pretty quiet.

457

00:19:54,000 --> 00:19:55,000

Yeah.

458

00:19:55,000 --> 00:19:56,000

Yeah.

459

00:19:57,000 --> 00:20:02,000

And so it went for three long freezing, uneventful hours.

460

00:20:04,000 --> 00:20:10,000

Let's say you saw some three white vehicles and they seemed to be marked as UN vehicles.

461

00:20:10,000 --> 00:20:14,000

This vehicle would follow the vehicles that you just described.

462

00:20:14,000 --> 00:20:19,000

And we would be met on the road by a roadblock.

463

00:20:20,000 --> 00:20:27,000

And the roadblock would take care of the front part of the vehicles and we would be taking care of the rear part of the vehicles.

464

00:20:28,000 --> 00:20:35,000

Let's say these, what are apparently UN vehicles, they're coming towards you, they show no sign of slowing down as they approach the roadblock.

465

00:20:36,000 --> 00:20:38,000

At what point do you stop firing?

466

00:20:39,000 --> 00:20:41,000

At the point we determine they're not going to stop.

467

00:20:41,000 --> 00:20:42,000

Yeah.

468

00:20:42,000 --> 00:20:43,000

What do you aim for?

469

00:20:44,000 --> 00:20:46,000

We aim for the windshield.

470

00:20:52,000 --> 00:20:54,000

We don't want that to happen.

471

00:20:54,000 --> 00:20:57,000

That's one of the reasons we move out in a country like this.

472

00:20:58,000 --> 00:21:04,000

We're hoping that they're just simply going to leave us alone and let us live our lives like we

want to live them.

473

00:21:08,000 --> 00:21:09,000

Are you ready to work?

474

00:21:09,000 --> 00:21:10,000

Yeah.

475

00:21:10,000 --> 00:21:11,000

Should we do it?

476

00:21:11,000 --> 00:21:12,000

You going to get some calluses on those hands?

477

00:21:12,000 --> 00:21:13,000

A few splinters?

478

00:21:13,000 --> 00:21:15,000

Well, can I avoid it?

479

00:21:15,000 --> 00:21:18,000

The days work began with a trip to town for some supplies.

480

00:21:18,000 --> 00:21:20,000

Do you know what's in this Simon?

481

00:21:20,000 --> 00:21:21,000

What is in there, Louis?

482

00:21:21,000 --> 00:21:23,000

Trash, a tumble's in there.

483

00:21:23,000 --> 00:21:24,000

You tell them.

484

00:21:28,000 --> 00:21:29,000

It's a toy.

485

00:21:29,000 --> 00:21:30,000

Luckily it's not loaded, right?

486

00:21:30,000 --> 00:21:31,000

Oh yes.

487

00:21:31,000 --> 00:21:32,000

It is loaded.

488

00:21:32,000 --> 00:21:33,000

What do you do with that, Louis?

489

00:21:33,000 --> 00:21:35,000

It's got the safety on there, right?

490

00:21:35,000 --> 00:21:36,000

No.

491

00:21:36,000 --> 00:21:37,000

Oh, please put the safety on.

492

00:21:37,000 --> 00:21:38,000

It doesn't have a safety.

493

00:21:39,000 --> 00:21:40,000

Oh my God.

494

00:21:40,000 --> 00:21:41,000

What?

495

00:21:41,000 --> 00:21:42,000

All the way.

496

00:21:42,000 --> 00:21:51,000

Louis, you sure you want me to drive because I don't have a driver's license and if we get stopped there's going to be a little bit of a hassle over that.

497

00:21:51,000 --> 00:21:52,000

Wait a second.

498

00:21:52,000 --> 00:21:54,000

You don't have a driver's license?

499

00:21:54,000 --> 00:21:55,000

No.

500

00:21:55,000 --> 00:21:57,000

Nor do I have license plates on my truck at home.

501

00:21:57,000 --> 00:22:02,000

The actual physical plate is there but it's been expired for months and months and months.

502

00:22:03,000 --> 00:22:07,000

So we don't have driver's licenses up here.

503

00:22:07,000 --> 00:22:09,000

We don't register our vehicles.

504

00:22:09,000 --> 00:22:11,000

We don't have automobile insurance.

505

00:22:12,000 --> 00:22:17,000

Those things are all new world order items that we do without them.

506

00:22:18,000 --> 00:22:19,000

Yeah.

507

00:22:23,000 --> 00:22:28,000

With no cops in sight, we made our way into Grandpa John's hardware haven.

508

00:22:28,000 --> 00:22:33,000

Every day I can hardly wait to open the store and have customers come in and sell stuff.

509

00:22:33,000 --> 00:22:36,000

And I can hardly wait to get in and buy things to sell.

510

00:22:36,000 --> 00:22:38,000

Can we look at the top wallets?

511

00:22:38,000 --> 00:22:43,000

And then I guess we six o'clock I got to stop working in the store but then I did get to go roller skating.

512

00:22:43,000 --> 00:22:45,000

No, that's your number one hobby.

513

00:22:45,000 --> 00:22:46,000

You're a roller skater.

514

00:22:49,000 --> 00:22:50,000

How about that?

515

00:22:50,000 --> 00:22:51,000

What size is that?

516

00:22:51,000 --> 00:22:52,000

That's the biggest one they have.

517

00:22:52,000 --> 00:22:53,000

That's perfect.

518

00:22:53,000 --> 00:22:54,000

Is it good?

519

00:22:54,000 --> 00:22:56,000

I'm staying up at almost heaven at the moment.

520

00:22:56,000 --> 00:22:57,000

If I'm staying at Mike's place.

521

00:22:57,000 --> 00:22:58,000

Yeah.

522

00:22:58,000 --> 00:23:01,000

And a lot of people up there think that there's going to be a major catastrophe coming up.

523

00:23:01,000 --> 00:23:03,000

That all these things are going to come to a head.

524

00:23:03,000 --> 00:23:05,000

You know with the federal government.

525

00:23:05,000 --> 00:23:06,000

Yeah.

526

00:23:06,000 --> 00:23:09,000

You see, they're newer, they're newcomers actually to now the newcomer.

527

00:23:09,000 --> 00:23:11,000

There's nothing wrong with that.

528

00:23:11,000 --> 00:23:15,000

But what it means, they don't really, they get a little bit excited too soon.

529

00:23:15,000 --> 00:23:16,000

Is Mike getting excited?

530

00:23:16,000 --> 00:23:20,000

Well, one of them are getting more excited than necessary.

531

00:23:20,000 --> 00:23:26,000

When time comes, push comes to shove, we're not going to let this happen.

532

00:23:26,000 --> 00:23:28,000

I don't think they're going to stop.

533

00:23:28,000 --> 00:23:30,000

They're not going to stop on their own.

534

00:23:30,000 --> 00:23:31,000

We know that.

535

00:23:31,000 --> 00:23:32,000

That's the thing.

536

00:23:32,000 --> 00:23:33,000

They don't want to.

537

00:23:33,000 --> 00:23:34,000

But we're going to stop.

538

00:23:34,000 --> 00:23:35,000

I'm going to tell you what's going to happen.

539

00:23:35,000 --> 00:23:37,000

I know that the government can be stopped.

540

00:23:37,000 --> 00:23:39,000

And I'm afraid they can't be.

541

00:23:39,000 --> 00:23:40,000

I know.

542

00:23:40,000 --> 00:23:44,000

Before I left, Grandpa John insisted I take a look around his office.

543

00:23:44,000 --> 00:23:45,000

Hey, what's that?

544

00:23:45,000 --> 00:23:46,000

Would you mind putting it on?

545

00:23:46,000 --> 00:23:48,000

No, I wear it all the time.

546

00:23:48,000 --> 00:23:50,000

Do you really wear it all the time?

547

00:23:50,000 --> 00:23:51,000

Yeah.

548

00:23:51,000 --> 00:23:52,000

Look at that.

549

00:23:52,000 --> 00:23:53,000

Isn't that amazing?

550

00:23:53,000 --> 00:23:54,000

You look very dapper.

551

00:23:54,000 --> 00:23:56,000

Is that just a bumper sticker?

552

00:23:56,000 --> 00:23:57,000

Oh, yeah.

553

00:23:57,000 --> 00:23:58,000

Oh, no.

554

00:23:58,000 --> 00:24:00,000

That's our first American flag that don't trade on me.

555

00:24:00,000 --> 00:24:01,000

You don't know.

556

00:24:01,000 --> 00:24:02,000

You're from Limieville.

557

00:24:02,000 --> 00:24:03,000

That's right.

558

00:24:03,000 --> 00:24:04,000

How's that?

559

00:24:04,000 --> 00:24:05,000

What did you call it?

560

00:24:05,000 --> 00:24:06,000

Limieville.

561

00:24:06,000 --> 00:24:09,000

Well, no, that wasn't during World War II.

562

00:24:09,000 --> 00:24:10,000

The English were Limies.

563

00:24:10,000 --> 00:24:11,000

Canadians and English were Limies.

564

00:24:11,000 --> 00:24:13,000

We were the Yanks.

565

00:24:13,000 --> 00:24:14,000

The Germans were the Outs.

566

00:24:14,000 --> 00:24:15,000

Yeah, that's fine.

567

00:24:15,000 --> 00:24:16,000

But Limie.

568

00:24:16,000 --> 00:24:17,000

Isn't that what...

569

00:24:17,000 --> 00:24:18,000

You know who that was.

570

00:24:18,000 --> 00:24:19,000

Yeah.

571

00:24:19,000 --> 00:24:21,000

I just never heard anyone say I was from Limieville.

572

00:24:21,000 --> 00:24:22,000

Oh, I know what that was.

573

00:24:22,000 --> 00:24:24,000

I just said that the first time I ever said that.

574

00:24:24,000 --> 00:24:25,000

Remember now, you guys are younger.

575

00:24:25,000 --> 00:24:28,000

You read the politically correct history.

576

00:24:28,000 --> 00:24:30,000

A lot of history is being changed.

577

00:24:30,000 --> 00:24:31,000

I won't.

578

00:24:31,000 --> 00:24:32,000

Give me an example.

579

00:24:32,000 --> 00:24:40,000

Okay, for instance, at Off Hitler, you know, there was at that time, there was like a little

580

00:24:40,000 --> 00:24:44,240

over 5 million Jews when that war started.

581

00:24:44,240 --> 00:24:51,000

He killed 6 million, and after the war, there was 4.5 million left.

582

00:24:51,000 --> 00:24:52,000

Right.

583

00:24:52,000 --> 00:24:59,120

Now, you see, when you use mathematics like that, it doesn't really make two and two as

584

00:24:59,120 --> 00:25:00,240

four.

585

00:25:00,240 --> 00:25:04,000

And I can go on with that, and that gets, I think, to go word for that, anti-Semitic

586

00:25:04,000 --> 00:25:05,920

and stuff like that.

587

00:25:05,920 --> 00:25:07,520

But I know when that was happening.

588

00:25:07,520 --> 00:25:08,520

I know what it was.

589

00:25:08,520 --> 00:25:09,520

I studied.

590

00:25:09,520 --> 00:25:10,520

I know.

591

00:25:10,520 --> 00:25:11,520

Yeah.

592

00:25:11,520 --> 00:25:12,520

Well, we should head off, I think.

593

00:25:12,520 --> 00:25:13,520

Okay.

594

00:25:13,520 --> 00:25:14,520

We'll take it easy.

595

00:25:14,520 --> 00:25:15,520

I'm still hoping we can work something out on the road of skating.

596

00:25:15,520 --> 00:25:16,520

Yeah, we'll be down there.

597

00:25:16,520 --> 00:25:17,520

Yeah, maybe we'll see you down there.

598

00:25:17,520 --> 00:25:18,520

See ya.

599

00:25:18,520 --> 00:25:19,520

Thanks.

600

00:25:19,520 --> 00:25:22,320

Boy, he's a strong personality, isn't he?

601

00:25:22,320 --> 00:25:23,520

Yeah, is he a good patriot?

602

00:25:23,520 --> 00:25:25,320

Oh, he's an excellent patriot.

603

00:25:25,320 --> 00:25:28,280

He's been at this a lot longer than I have.

604

00:25:28,280 --> 00:25:30,480

What about that stuff he was saying about the Holocaust, though?

605

00:25:30,480 --> 00:25:31,480

That seemed a little weird.

606

00:25:31,480 --> 00:25:34,400

He said he didn't think anything like six million Jews died.

607

00:25:34,400 --> 00:25:36,280

It's all overblown and overplayed.

608

00:25:36,280 --> 00:25:42,880

Well, I think the proof is there that they did, so I don't know where he's, what he's

609

00:25:42,880 --> 00:25:44,080

basing his information on.

610

00:25:58,280 --> 00:26:03,880

You made it a little easier than I'm finding it.

611

00:26:03,880 --> 00:26:07,960

I get the impression that for a lot of the people who've come up here, they have some

612

00:26:07,960 --> 00:26:17,160

personal story, some personal incident that's led them to become disillusioned with society.

613

00:26:17,160 --> 00:26:23,240

One of the things that started my wake-up call was when the IRS raided my bank account.

614

00:26:23,240 --> 00:26:28,000

My six-year-old daughter at the time had \$12 in savings.

615

00:26:28,080 --> 00:26:34,840

So not only did they get into my account that they had no business getting in, very good.

616

00:26:34,840 --> 00:26:35,840

Yeah.

617

00:26:35,840 --> 00:26:41,720

But they took my daughter's \$12 because her name happened to be the same as mine.

618

00:26:41,720 --> 00:26:42,720

No.

619

00:26:42,720 --> 00:26:47,400

And what did she have to do with it?

620

00:26:47,400 --> 00:26:50,360

That incident is what brought Mike to this covenant community.

621

00:26:50,360 --> 00:26:52,840

You ready for another one?

622

00:26:52,840 --> 00:26:58,480

Now without a driver's license and refusing to pay taxes, there was no turning back.

623

00:26:58,480 --> 00:27:02,000

What do you think people in Britain are going to think when they see you on this tape?

624

00:27:02,000 --> 00:27:03,560

That I'm a radical nut.

625

00:27:03,560 --> 00:27:04,560

Yeah.

626

00:27:04,560 --> 00:27:05,560

Yeah.

627

00:27:05,560 --> 00:27:08,080

But that's okay.

628

00:27:08,080 --> 00:27:09,960

I think my kids think I'm a radical nut.

629

00:27:09,960 --> 00:27:10,960

Really?

630

00:27:10,960 --> 00:27:11,960

Yeah.

631

00:27:11,960 --> 00:27:12,960

Whoa!

632

00:27:12,960 --> 00:27:13,960

Hi.

633

00:27:13,960 --> 00:27:14,960

Whoa, this is weird.

634

00:27:14,960 --> 00:27:15,960

Come up here, Mike.

635

00:27:15,960 --> 00:27:16,960

You want to go?

636

00:27:16,960 --> 00:27:17,960

Oh, you're okay.

637

00:27:17,960 --> 00:27:18,960

Yeah, I like it.

638

00:27:18,960 --> 00:27:22,800

I'm happier now than I've ever been in my life, Louis.

639

00:27:22,800 --> 00:27:24,880

And I have less.

640

00:27:24,880 --> 00:27:26,880

We get to laugh once in a while.

641

00:27:26,880 --> 00:27:31,960

We get to talking about lobster dinners that we used to have and \$200 bottles of wine.

642

00:27:31,960 --> 00:27:34,840

And we just found a better way.

643

00:27:34,840 --> 00:27:38,080

We've made defensive preparations up here.

644

00:27:38,080 --> 00:27:40,280

We have adequate food supplies.

645

00:27:40,280 --> 00:27:41,280

Yeah.

646

00:27:41,280 --> 00:27:42,280

We're safe.

647

00:27:42,280 --> 00:27:43,280

We're safe.

648

00:27:43,280 --> 00:27:44,280

We're safe.

649

00:27:44,280 --> 00:27:45,280

We're safe.

650

00:27:45,280 --> 00:27:51,060

Here we have adequate food supplies.

651

00:27:51,060 --> 00:27:55,920

Yeah.

652

00:27:55,920 --> 00:28:05,000

We're safe.

653

00:28:05,000 --> 00:28:10,040

Safe as it was I needed a break from almost heaven and so I headed north, seven hours north

654

00:28:10,040 --> 00:28:15,880

to meet Mike Ailer, an aging hippie and the distinguished author of the \$50 and up underground

655

00:28:15,880 --> 00:28:16,880

house book.

656

00:28:16,880 --> 00:28:23,280

We're going to go down to our waste in places where, well, that's good news.

657

00:28:23,280 --> 00:28:27,560

Soon Mike and I were lurching towards his subterranean home.

658

00:28:27,560 --> 00:28:31,120

So how long have you lived up here on the hill?

659

00:28:31,120 --> 00:28:32,480

28 years.

660

00:28:32,480 --> 00:28:35,080

Those streets are up.

661

00:28:35,080 --> 00:28:38,080

28 years in a hole in the ground.

662

00:28:38,720 --> 00:28:39,720

Are we nearly there, Mike?

663

00:28:39,720 --> 00:28:44,080

Another couple of miles back up.

664

00:28:44,080 --> 00:28:45,080

I see something.

665

00:28:49,080 --> 00:28:50,080

What's this?

666

00:28:50,080 --> 00:28:51,080

This is my house.

667

00:28:51,080 --> 00:28:52,080

It's a Hobbit home.

668

00:28:52,080 --> 00:28:54,080

Yes, welcome home.

669

00:28:54,080 --> 00:28:56,080

It's all hidden.

670

00:29:00,080 --> 00:29:03,080

It's a cosy little home.

671

00:29:03,080 --> 00:29:06,080

When the crash comes, do you think you might have space for me?

672

00:29:06,080 --> 00:29:10,080

Uh, so what else is there to see?

673

00:29:10,080 --> 00:29:13,080

You haven't got any old photographs of yourself, have you?

674

00:29:13,080 --> 00:29:16,080

I've got my high school yearbook.

675

00:29:16,080 --> 00:29:18,080

No, look at that.

676

00:29:18,080 --> 00:29:19,080

Haven't changed a bit.

677

00:29:19,080 --> 00:29:21,080

Haven't changed one shot.

678

00:29:21,080 --> 00:29:24,080

Were you nominated for most likely to live in an underground home?

679

00:29:24,080 --> 00:29:25,080

No.

680

00:29:25,080 --> 00:29:26,080

What's contact?

681

00:29:26,080 --> 00:29:32,080

There's some of the far out, far right stuff that we get in this area.

682

00:29:32,080 --> 00:29:34,080

And that, generally, my cup of tea.

683

00:29:34,080 --> 00:29:35,080

What do you reckon?

684

00:29:35,080 --> 00:29:41,080

As I understand it, the New World Order is a one-world government.

685

00:29:41,080 --> 00:29:45,080

And I myself am that for a one-world government.

686

00:29:45,080 --> 00:29:47,080

But we seem to be going in that direction.

687

00:29:47,080 --> 00:29:50,080

But I know you're an environmentalist and you came out of the hippie movement.

688

00:29:50,080 --> 00:29:52,080

So how does that square with that?

689

00:29:52,080 --> 00:29:57,080

We may have different viewpoints politically, and so forth.

690

00:29:57,080 --> 00:30:01,080

But we all want independence, the hippies and militia types.

691

00:30:01,080 --> 00:30:05,080

We all see the federal government as a threat to this.

692

00:30:05,080 --> 00:30:07,080

What's on the cards for this evening, mate?

693

00:30:07,080 --> 00:30:11,080

I thought we'd go over to the buyer and we'll try to find some action.

694

00:30:31,080 --> 00:30:43,080

Okay, lads.

695

00:30:43,080 --> 00:30:45,080

We're gonna have a start.

696

00:30:45,080 --> 00:30:46,080

Cheers, Mike.

697

00:30:46,080 --> 00:30:47,080

Cheers to the health.

698

00:30:47,080 --> 00:30:48,080

To a good night's sleep.

699

00:30:48,080 --> 00:30:49,080

To the queen, lads.

700

00:30:49,080 --> 00:30:50,080

To Duke and the Prince.

701

00:30:50,080 --> 00:30:52,080

Good to have you here, my brother.

702

00:30:52,080 --> 00:30:53,080

Excellent.

703

00:30:53,080 --> 00:30:54,080

Cheers, Mike, and your eye.

704

00:30:54,080 --> 00:30:55,080

Cheers.

705

00:30:55,080 --> 00:30:57,080

To the health.

706

00:30:57,080 --> 00:31:02,080

Whoa.

707

00:31:02,080 --> 00:31:07,080

I'm happy when I'm hiking.

708

00:31:07,080 --> 00:31:10,080

Off the beaten path.

709

00:31:10,080 --> 00:31:15,080

After a couple of small night caps, Mike led me to my very own guest hole.

710

00:31:15,080 --> 00:31:17,080

Back up on my back.

711

00:31:17,080 --> 00:31:19,080

Hey, Mike, this is nice.

712

00:31:19,080 --> 00:31:21,080

Look at this.

713

00:31:21,080 --> 00:31:22,080

Two bunks.

714

00:31:22,080 --> 00:31:24,080

This is canned debi-dosey.

715

00:31:24,080 --> 00:31:25,080

You can't beat that, man.

716

00:31:25,080 --> 00:31:26,080

All right.

717

00:31:26,080 --> 00:31:27,080

Thanks.

718

00:31:55,080 --> 00:32:13,080

You got some Huckleberry hotcakes and some BBQ bear waiting for you down below here.

719

00:32:13,080 --> 00:32:25,080

Come and go with me to that land.

720

00:32:25,080 --> 00:32:38,080

Come with me.

721

00:32:38,080 --> 00:32:53,080

So what do you think of the militias?

722

00:32:53,080 --> 00:32:56,080

Most of the militia people are very sincere.

723

00:32:56,080 --> 00:32:58,080

They're patriotic Americans.

724

00:32:58,080 --> 00:33:04,080

They believe, as I do, that the Constitution has been totally, you know, destroyed.

725

00:33:04,080 --> 00:33:09,080

It frightens me somewhat that the militias are just the tip of the iceberg.

726

00:33:09,080 --> 00:33:14,600

There's a lot of resentment against the federal government, and I think that their fears and

727

00:33:14,600 --> 00:33:17,640

their desires and demands should be taken seriously.

728

00:33:17,640 --> 00:33:21,080

One thing that bothers me about people like that is the idea that they might be racist.

729

00:33:21,080 --> 00:33:27,080

I get a lot of literature from these guys because my book, *The \$50 and Up Underground Housebook*,

730

00:33:27,080 --> 00:33:30,080

sells among these kind of people now.

731

00:33:30,080 --> 00:33:35,080

And there is a fair amount of racism among many of those people.

732

00:33:35,080 --> 00:33:40,080

Is there anyone I could go see to get a hand on the racist end of things?

733

00:33:40,080 --> 00:33:41,080

Yeah.

734

00:33:41,080 --> 00:33:46,080

If you want to talk to those guys, what you should probably do is go down to a rubber and

735

00:33:46,080 --> 00:33:49,080

butler's compound down in Hayden Lake.

736

00:33:49,080 --> 00:33:52,080

It's about 70, 80 miles south of here.

737

00:33:52,080 --> 00:33:54,080

Really? What kind of a place is that?

738

00:33:54,080 --> 00:33:56,080

Well, they've got the Aryan Nation Church there.

739

00:33:56,080 --> 00:34:01,080

If you talk to them, you would get that side of the picture, the racist side of the picture.

740

00:34:01,080 --> 00:34:04,080

They sound a little bit scary.

741

00:34:04,080 --> 00:34:09,080

Well, yeah, they're a little scary.

742

00:34:09,080 --> 00:34:15,080

And so I found myself in a large Cadillac skimming over ice and snow at high speed.

743

00:34:15,080 --> 00:34:20,080

At the wheel, the Fuhrer of the Aryan Nation, Pastor Richard Butler.

744

00:34:20,080 --> 00:34:21,080

Watch it!

745

00:34:21,080 --> 00:34:24,080

Oh, Mr. Lowe is close.

746

00:34:24,080 --> 00:34:28,080

In the back with me, his right-hand man, Reverend Jerry Groodle.

747

00:34:28,080 --> 00:34:36,080

The scenery, especially in the winter, reminds me a lot of Cheltenham.

748

00:34:36,080 --> 00:34:37,080

Cheltenham, England?

749

00:34:37,080 --> 00:34:39,080

Yes.

750

00:34:39,080 --> 00:34:42,080

Well, appearance is notwithstanding.

751

00:34:42,080 --> 00:34:44,080

These guys were no joke.

752

00:34:44,080 --> 00:34:47,080

Since coming up to Hayden Lake, Idaho about 20 years ago,

753

00:34:47,080 --> 00:34:52,080

their annual conventions had become a kind of lullapalooza for neo-Nazis.

754

00:34:52,080 --> 00:34:56,080

Their followers linked to violence, even murders.

755

00:34:56,080 --> 00:34:58,080

They'd also been linked to the Patriots,

756

00:34:58,080 --> 00:35:03,080

even though most of the Patriots I'd met wanted nothing to do with the Aryan Nations.

757

00:35:03,080 --> 00:35:06,080

For obvious reasons.

758

00:35:06,080 --> 00:35:09,080

I wondered what the pastor would have to say.

759

00:35:09,080 --> 00:35:11,080

My number one guard dog.

760

00:35:11,080 --> 00:35:13,080

Is he going to attack me?

761

00:35:13,080 --> 00:35:16,080

Hotz? Hotz?

762

00:35:16,080 --> 00:35:17,080

Hotz?

763

00:35:17,080 --> 00:35:18,080

Get in here.

764

00:35:18,080 --> 00:35:20,080

Is this command central?

765

00:35:20,080 --> 00:35:22,080

Hotz?

766

00:35:22,080 --> 00:35:24,080

Hotz?

767

00:35:24,080 --> 00:35:26,080

Hotz?

768

00:35:26,080 --> 00:35:28,080

Go right now.

769

00:35:28,080 --> 00:35:29,080

Come on, Hotz.

770

00:35:29,080 --> 00:35:31,080

Come on.

771

00:35:31,080 --> 00:35:32,080

Hotz?

772

00:35:32,080 --> 00:35:35,080

That dog is freaking me out.

773

00:35:35,080 --> 00:35:39,080

The pastor has a little bit to do here.

774

00:35:39,080 --> 00:35:42,080

Would you like me to give you a little look around the church?

775

00:35:42,080 --> 00:35:44,080

Oh, yes, please. Would that be okay?

776

00:35:44,080 --> 00:35:45,080

Sure.

777

00:35:45,080 --> 00:35:47,080

Yeah, I'd love that.

778

00:35:47,080 --> 00:35:49,080

Will we be away from the dogs?

779

00:35:49,080 --> 00:35:50,080

Yes.

780

00:35:50,080 --> 00:35:52,080

The dogs stay in here with the pastor.

781

00:35:52,080 --> 00:35:55,080

That's a plus.

782

00:35:55,080 --> 00:35:57,080

So where are we going now?

783

00:35:57,080 --> 00:36:01,080

This is the church itself.

784

00:36:01,080 --> 00:36:04,080

There's no armed guards or anything.

785

00:36:04,080 --> 00:36:05,080

It's white.

786

00:36:05,080 --> 00:36:07,080

It's welcome all the time.

787

00:36:07,080 --> 00:36:09,080

People who aren't white.

788

00:36:09,080 --> 00:36:11,080

They would be very uncomfortable up here.

789

00:36:11,080 --> 00:36:13,080

But would they be welcome?

790

00:36:13,080 --> 00:36:15,080

Because this... no.

791

00:36:15,080 --> 00:36:19,080

No? What would be the point?

792

00:36:19,080 --> 00:36:23,080

Just so they could have a look around.

793

00:36:23,080 --> 00:36:26,080

So where are we headed now?

794

00:36:26,080 --> 00:36:28,080

What would you like to see?

795

00:36:28,080 --> 00:36:30,080

I want to see that tower.

796

00:36:30,080 --> 00:36:36,080

Give them a wave out here.

797

00:36:36,080 --> 00:36:38,080

Way early history times.

798

00:36:38,080 --> 00:36:41,080

Even pre-Roman times.

799

00:36:41,080 --> 00:36:45,080

When Arians got together and Arians waved each other,

800

00:36:45,080 --> 00:36:48,080

they'd give a salute.

801

00:36:48,080 --> 00:36:51,080

The niggers and all this, they're going to give something,

802

00:36:51,080 --> 00:36:53,080

palm up.

803

00:36:53,080 --> 00:36:54,080

Yeah.

804

00:36:54,080 --> 00:36:58,080

But Arians give a palm down.

805

00:36:58,080 --> 00:37:01,080

Yeah. What's the significance of that?

806

00:37:01,080 --> 00:37:04,080

Well, we're showing that our hand is empty.

807

00:37:04,080 --> 00:37:06,080

We have no weapon in our hand.

808

00:37:06,080 --> 00:37:08,080

Not begging for something.

809

00:37:08,080 --> 00:37:10,080

Oy vey.

810

00:37:10,080 --> 00:37:13,080

Oy vey, I'm a poor Jew.

811

00:37:13,080 --> 00:37:18,080

I couldn't sell it to you any cheaper if you were my own mother.

812

00:37:18,080 --> 00:37:23,080

You're a regular penny hill, aren't you?

813

00:37:23,080 --> 00:37:25,080

Well, maybe so.

814

00:37:25,080 --> 00:37:27,080

Yeah, I think he's funny.

815

00:37:27,080 --> 00:37:30,080

I like this program, mom.

816

00:37:30,080 --> 00:37:32,080

Are you being served?

817

00:37:32,080 --> 00:37:33,080

Really?

818

00:37:33,080 --> 00:37:34,080

Yes.

819

00:37:34,080 --> 00:37:36,080

What bits do you like in it?

820

00:37:36,080 --> 00:37:43,080

Oh, I like that the two ladies that work in the ladies lingerie counter,

821

00:37:43,080 --> 00:37:50,080

the young voluptuous one, and the other one that usually has blue hair.

822

00:37:50,080 --> 00:37:51,080

Mrs. Locom.

823

00:37:51,080 --> 00:37:52,080

Oh, I think she's hilarious.

824

00:37:52,080 --> 00:37:53,080

Yes, I like Mrs. Locom.

825

00:37:53,080 --> 00:37:57,080

What about Mr. Humphries?

826

00:37:57,080 --> 00:37:59,080

Well, I try to ignore that part.

827

00:37:59,080 --> 00:38:02,080

Why?

828

00:38:02,080 --> 00:38:11,080

The one that's the fairy?

829

00:38:11,080 --> 00:38:13,080

The camp one.

830

00:38:13,080 --> 00:38:14,080

I'm free.

831

00:38:14,080 --> 00:38:16,080

I'm free.

832

00:38:16,080 --> 00:38:18,080

No, I just ignore that.

833

00:38:18,080 --> 00:38:19,080

Why?

834

00:38:19,080 --> 00:38:20,080

Because it's queer.

835

00:38:20,080 --> 00:38:23,080

But he's the funniest thing in it.

836

00:38:23,080 --> 00:38:24,080

Well, maybe to you.

837

00:38:24,080 --> 00:38:25,080

I think he's disgusting.

838

00:38:25,080 --> 00:38:27,080

But you said you liked the show, and he...

839

00:38:27,080 --> 00:38:28,080

Oh, yeah, the show.

840

00:38:28,080 --> 00:38:29,080

Yeah.

841

00:38:29,080 --> 00:38:30,080

Yeah.

842

00:38:30,080 --> 00:38:35,080

They throw that in because they have to have the diversity.

843

00:38:35,080 --> 00:38:38,080

They have to show that, oh, we love everybody.

844

00:38:38,080 --> 00:38:43,080

Now, see up here, we're free to say that, hey, I discriminate.

845

00:38:43,080 --> 00:38:44,080

Yeah.

846

00:38:44,080 --> 00:38:46,080

I'm free.

847

00:38:46,080 --> 00:38:48,080

Yeah, I'm free to discriminate.

848

00:38:48,080 --> 00:38:49,080

I'm free.

849

00:38:49,080 --> 00:38:50,080

Yeah.

850

00:38:50,080 --> 00:38:51,080

I'm free.

851

00:38:51,080 --> 00:38:52,080

Yeah.

852

00:38:52,080 --> 00:38:53,080

One, two.

853

00:38:53,080 --> 00:38:54,080

Do you want to say I'm free?

854

00:38:54,080 --> 00:38:55,080

I'm free.

855

00:38:55,080 --> 00:38:56,080

I'm not free.

856

00:38:56,080 --> 00:38:57,080

Why not?

857

00:38:57,080 --> 00:39:02,080

Well, because our country is in bondage to the Jews.

858

00:39:02,080 --> 00:39:10,080

When I finally spoke with the pastor, turned out he wasn't exactly in lockstep with the patriots.

859

00:39:10,080 --> 00:39:13,080

My personal quarrel with the militia movement is this.

860

00:39:13,080 --> 00:39:16,080

They have to go by what they think is the Constitution.

861

00:39:16,080 --> 00:39:23,080

So they have to say that they welcome blacks and Jews and Mexicans and everything else into the movement.

862

00:39:23,080 --> 00:39:24,080

That's some of them.

863

00:39:24,080 --> 00:39:26,080

Some of them are white.

864

00:39:26,080 --> 00:39:28,080

And as for Beau Grites and friends.

865

00:39:28,080 --> 00:39:32,080

I believe in the survival perpetuation of my race.

866

00:39:32,080 --> 00:39:34,080

Does Beau think that too? Do you think?

867

00:39:34,080 --> 00:39:38,080

I think he is more or less a multiculturalist.

868

00:39:38,080 --> 00:39:39,080

Really?

869

00:39:39,080 --> 00:39:40,080

Yes.

870

00:39:40,080 --> 00:39:44,080

He had been married to an Asian woman, has Asian children.

871

00:39:44,080 --> 00:39:49,080

He's allowed, I think, a Mexican family, a Filipino family or something like that to come in there.

872

00:39:49,080 --> 00:39:52,080

So he's not really pro-white.

873

00:39:52,080 --> 00:39:54,080

Thank you very, very much.

874

00:39:54,080 --> 00:39:55,080

We really...

875

00:39:55,080 --> 00:39:58,080

Puts! Puts!

876

00:39:58,080 --> 00:40:00,080

I'm a little bit high strung.

877

00:40:00,080 --> 00:40:03,080

Thanks very much, pastor. Appreciate your time.

878

00:40:03,080 --> 00:40:04,080

I'm going to wake up.

879

00:40:04,080 --> 00:40:06,080

OK, we'll do.

880

00:40:06,080 --> 00:40:07,080

Certainly.

881

00:40:07,080 --> 00:40:09,080

Wake up and smell the roses or die.

882

00:40:09,080 --> 00:40:12,080

Smell the roses. OK.

883

00:40:12,080 --> 00:40:13,080

We'll do.

884

00:40:15,080 --> 00:40:19,080

Well, we may have shared a love for the antics of Mrs. Slocum.

885

00:40:19,080 --> 00:40:24,080

But Aryan Nations and I parted ways on just about everything else.

886

00:40:29,080 --> 00:40:31,080

Can you get that? That sounds good, doesn't it?

887

00:40:31,080 --> 00:40:34,080

The next morning fell me back in the realms of almost heaven

888

00:40:34,080 --> 00:40:37,080

on a mission to help a friend of Mike Cain's named Don,

889

00:40:37,080 --> 00:40:42,080

a covenant community member whose lifestyle I'd heard was unusual,

890

00:40:42,080 --> 00:40:45,080

even by the standards of almost heaven.

891

00:40:45,080 --> 00:40:48,080

And here in Kuski was our point of rendezvous.

892

00:40:48,080 --> 00:40:51,080

He hasn't seen a guy called Don around, have you?

893

00:40:51,080 --> 00:40:53,080

That is, if he actually showed up.

894

00:40:53,080 --> 00:40:56,080

There's Don! Don! Come round!

895

00:40:56,080 --> 00:40:58,080

Don's over there.

896

00:40:58,080 --> 00:41:00,080

So I volunteered my services to Don.

897

00:41:00,080 --> 00:41:04,080

I put my back out trampolining on Mike Cain's trampoline.

898

00:41:04,080 --> 00:41:05,080

He's got a trampoline?

899

00:41:05,080 --> 00:41:06,080

Yeah.

900

00:41:18,080 --> 00:41:20,080

That looks good.

901

00:41:25,080 --> 00:41:31,080

We just loaded Don's truck with the raw material for an extension to his home.

902

00:41:31,080 --> 00:41:37,080

For months, Don had been living in a house made entirely of straw bales,

903

00:41:37,080 --> 00:41:39,080

which did have its drawbacks.

904

00:41:39,080 --> 00:41:41,080

So was this mouse eating your house?

905

00:41:41,080 --> 00:41:42,080

Oh, yeah.

906

00:41:42,080 --> 00:41:43,080

No way.

907

00:41:43,080 --> 00:41:46,080

It was actually warm living in a straw bale house.

908

00:41:46,080 --> 00:41:48,080

It was about freezing this morning when I woke up.

909

00:41:48,080 --> 00:41:49,080

In your house?

910

00:41:49,080 --> 00:41:50,080

Yeah.

911

00:41:50,080 --> 00:41:52,080

But seriously, Don, most of the people who are watching will be thinking,

912

00:41:52,080 --> 00:41:55,080

you know, zero is just unacceptably cold.

913

00:41:55,080 --> 00:41:58,080

They're not going to be very impressed with this straw bale house business.

914

00:41:58,080 --> 00:42:00,080

Oh, maybe not.

915

00:42:00,080 --> 00:42:02,080

Why don't you eat it?

916

00:42:02,080 --> 00:42:08,080

Well, I'm eating with propane, and I would infxiate myself if I used it all night.

917

00:42:08,080 --> 00:42:13,080

So this is it. Home sweet home.

918

00:42:17,080 --> 00:42:20,080

So this is the equivalent of using the zapper to bring the garage door up, right?

919

00:42:20,080 --> 00:42:21,080

Pretty much.

920

00:42:23,080 --> 00:42:25,080

Check it out.

921

00:42:27,080 --> 00:42:29,080

This is home.

922

00:42:29,080 --> 00:42:31,080

What's happening in that?

923

00:42:31,080 --> 00:42:36,080

That's a camp up in upstate New York, and we take kids up there once a summer

924

00:42:36,080 --> 00:42:39,080

and share the good news about Jesus Christ with them.

925

00:42:39,080 --> 00:42:41,080

So you've got no electricity in here, presumably.

926

00:42:41,080 --> 00:42:42,080

Right.

927

00:42:42,080 --> 00:42:45,080

Are you going to change that?

928

00:42:45,080 --> 00:42:49,080

Yeah, that's what we're building for the diesel generator.

929

00:42:52,080 --> 00:42:55,080

So what did you used to do before you came up to almost heaven, Don?

930

00:42:55,080 --> 00:42:58,080

I used to make my daily bread as a software engineer.

931

00:42:58,080 --> 00:43:00,080

So you must have made pretty decent money.

932

00:43:00,080 --> 00:43:02,080

Yeah, the Lord blessed me, definitely.

933

00:43:05,080 --> 00:43:07,080

So is it true you used to be in Greenpeace?

934

00:43:07,080 --> 00:43:08,080

Yes.

935

00:43:08,080 --> 00:43:09,080

How come?

936

00:43:09,080 --> 00:43:10,080

How come?

937

00:43:10,080 --> 00:43:11,080

Yeah.

938

00:43:11,080 --> 00:43:13,080

I thought they were a good organization at the time.

939

00:43:13,080 --> 00:43:15,080

So what's the problem with Greenpeace?

940

00:43:15,080 --> 00:43:17,080

It's just trying to save the environment.

941

00:43:17,080 --> 00:43:21,080

Because a lot of those environmentalists worship the earth and I worship Jesus Christ.

942

00:43:21,080 --> 00:43:23,080

Oh, they do not worship the earth?

943

00:43:23,080 --> 00:43:24,080

Yes.

944

00:43:24,080 --> 00:43:25,080

They don't.

945

00:43:25,080 --> 00:43:26,080

Well, they do.

946

00:43:26,080 --> 00:43:27,080

When they don't.

947

00:43:27,080 --> 00:43:28,080

They don't.

948

00:43:28,080 --> 00:43:29,080

They don't.

949

00:43:29,080 --> 00:43:30,080

They worship the earth.

950

00:43:33,080 --> 00:43:37,080

So do you believe, like Mike does, that there's a strong chance that UN troops may come and

951

00:43:37,080 --> 00:43:39,080

invade your home someday?

952

00:43:39,080 --> 00:43:40,080

I don't know.

953

00:43:40,080 --> 00:43:41,080

They've done it in other countries.

954

00:43:41,080 --> 00:43:45,080

Well, if they come, do you think a house made of straw bales is going to be very good for

955

00:43:45,080 --> 00:43:46,080

defending yourself?

956

00:43:46,080 --> 00:43:47,080

Well, yeah.

957

00:43:47,080 --> 00:43:50,080

They'll just think it's a feed for the cattle.

958

00:43:53,080 --> 00:43:54,080

Now, we're going to take this down.

959

00:43:54,080 --> 00:43:56,080

This is how high it's going to be.

960

00:43:56,080 --> 00:43:58,080

That's as high as it's going to be.

961

00:43:58,080 --> 00:43:59,080

Yeah.

962

00:43:59,080 --> 00:44:00,080

It's going to be like a loom's house.

963

00:44:00,080 --> 00:44:02,080

Well, it's going to be the generator.

964

00:44:02,080 --> 00:44:05,080

Yeah, but it's also my spare room, I think.

965

00:44:12,080 --> 00:44:15,080

Oh, yeah.

966

00:44:15,080 --> 00:44:17,080

This is pretty cozy.

967

00:44:17,080 --> 00:44:19,080

Yeah, you can stay here whenever you want.

968

00:44:19,080 --> 00:44:20,080

Really?

969

00:44:20,080 --> 00:44:21,080

Yes.

970

00:44:21,080 --> 00:44:23,080

Thanks, man.

971

00:44:23,080 --> 00:44:25,080

Good one.

972

00:44:25,080 --> 00:44:26,080

Thanks very much.

973

00:44:26,080 --> 00:44:27,080

That's great.

974

00:44:27,080 --> 00:44:28,080

Thank you.

975

00:44:28,080 --> 00:44:29,080

That looks perfect.

976

00:44:30,080 --> 00:44:35,080

One job done, but now Mike Cain was waiting for me at his work site.

977

00:44:35,080 --> 00:44:36,080

Hey.

978

00:44:36,080 --> 00:44:37,080

Come here, Lowe.

979

00:44:37,080 --> 00:44:38,080

You've been loafing too long, boy.

980

00:44:38,080 --> 00:44:41,080

Besides thoroughly pleased with my straw house building skills,

981

00:44:41,080 --> 00:44:43,080

I was ready for something more challenging.

982

00:44:43,080 --> 00:44:45,080

What am I supposed to do with this?

983

00:44:45,080 --> 00:44:47,080

Like using nails.

984

00:44:52,080 --> 00:44:53,080

Okay.

985

00:44:56,080 --> 00:44:57,080

It's manly, look.

986

00:44:57,080 --> 00:44:58,080

Is that what that's called?

987

00:44:58,080 --> 00:44:59,080

I don't know.

988

00:45:00,080 --> 00:45:03,080

Working in the open air of almost heaven,

989

00:45:03,080 --> 00:45:06,080

the threat of the New World Order seemed a million miles away.

990

00:45:06,080 --> 00:45:09,080

Can I get the nail back?

991

00:45:09,080 --> 00:45:14,080

This being my last day, Mike knocked off early to give me a special treat.

992

00:45:17,080 --> 00:45:19,080

Some more shooting.

993

00:45:21,080 --> 00:45:22,080

Mike, is this going to hit me?

994

00:45:22,080 --> 00:45:24,080

No, that doesn't move.

995

00:45:24,080 --> 00:45:25,080

Should we be wearing ear muffs?

996

00:45:25,080 --> 00:45:28,080

Oh, you don't wear ear muffs in a war.

997

00:45:28,080 --> 00:45:31,080

When's it all going to happen, do you think?

998

00:45:31,080 --> 00:45:34,080

Well, maybe before the year 2000.

999

00:45:34,080 --> 00:45:36,080

And what will it be?

1000

00:45:36,080 --> 00:45:37,080

All that war.

1001

00:45:37,080 --> 00:45:38,080

It's all that war?

1002

00:45:38,080 --> 00:45:39,080

It's all that war, Lowe.

1003

00:45:39,080 --> 00:45:40,080

Really?

1004

00:45:40,080 --> 00:45:41,080

I'm sorry.

1005

00:45:42,080 --> 00:45:43,080

I'm sorry.

1006

00:45:43,080 --> 00:45:44,080

One day.

1007

00:45:44,080 --> 00:45:46,080

We've all fought wars before.

1008

00:45:46,080 --> 00:45:47,080

Yeah.

1009

00:45:47,080 --> 00:45:48,080

But one day it'll happen.

1010

00:45:48,080 --> 00:45:49,080

You against who?

1011

00:45:49,080 --> 00:45:50,080

Everyone.

1012

00:45:50,080 --> 00:45:52,080

How do you mean?

1013

00:45:52,080 --> 00:45:55,080

Well, us against New World Order.

1014

00:45:55,080 --> 00:45:56,080

Really?

1015

00:45:56,080 --> 00:45:57,080

Mm-hmm.

1016

00:45:57,080 --> 00:45:59,080

I've really enjoyed being around you.

1017

00:45:59,080 --> 00:46:05,080

And it just makes me worried because the more convinced you are that this is going to happen,

1018

00:46:05,080 --> 00:46:09,080

it's either a way, the more likely it makes it that it will happen.

1019

00:46:09,080 --> 00:46:14,080

And I'd hate to read that one day that Mike Chayne has been in some incident with the federal authorities.

1020

00:46:14,080 --> 00:46:16,080

I mean, it would really upset me, seriously.

1021

00:46:16,080 --> 00:46:18,080

Lowe, I appreciate what you say.

1022

00:46:18,080 --> 00:46:19,080

I really do.

1023

00:46:19,080 --> 00:46:23,080

And I can promise you this.

1024

00:46:23,080 --> 00:46:26,080

If it happens, it won't be because we started it.

1025

00:46:27,080 --> 00:46:31,080

You won't read about me going to someone else's home to cause trouble.

1026

00:46:31,080 --> 00:46:37,080

You won't read about me going to another county or to Cammi I to start trouble.

1027

00:46:37,080 --> 00:46:42,080

The only trouble you're ever going to read about involving myself or any of the patriots up here

1028

00:46:42,080 --> 00:46:44,080

is when they come up here.

1029

00:46:46,080 --> 00:46:50,080

You know, though, by sort of not paying taxes that most people pay.

1030

00:46:50,080 --> 00:46:51,080

You're provoking.

1031

00:46:51,080 --> 00:46:52,080

Yeah, you are.

1032

00:46:52,080 --> 00:46:56,080

It is the thing that's most likely to bring federal authorities down on you.

1033

00:46:56,080 --> 00:46:57,080

You recognize that?

1034

00:46:57,080 --> 00:47:02,080

Well, then I guess I'm failing to get my message across.

1035

00:47:02,080 --> 00:47:07,080

My refusal to pay taxes is my right as an American.

1036

00:47:07,080 --> 00:47:11,080

It's the out of control government that wants to put me in jail for that

1037

00:47:11,080 --> 00:47:15,080

or to take my home or to harm my children.

1038

00:47:15,080 --> 00:47:21,080

It isn't correct because I refuse to pay taxes that I am sentenced to die.

1039

00:47:21,080 --> 00:47:25,080

I should have my day in court.

1040

00:47:25,080 --> 00:47:28,080

And it's not just me saying it.

1041

00:47:28,080 --> 00:47:32,080

There's tens of thousands of Americans just like me all across this country.

1042

00:47:32,080 --> 00:47:34,080

I'm not in any way unique.

1043

00:47:34,080 --> 00:47:39,080

Perhaps even millions of Americans that are ready for the war.

1044

00:47:39,080 --> 00:47:40,080

We're ready.

1045

00:47:40,080 --> 00:47:43,080

We pray daily it doesn't take place.

1046

00:47:43,080 --> 00:47:45,080

We lift a standard of peace always.

1047

00:47:45,080 --> 00:47:49,080

But if they're going to have a war, then let it begin here.

1048

00:47:59,080 --> 00:48:02,080

My brief journey in the Northwest was nearing an end.

1049

00:48:02,080 --> 00:48:04,080

Time for final goodbyes.

1050

00:48:04,080 --> 00:48:06,080

30 seconds of tape and counting.

1051

00:48:06,080 --> 00:48:10,080

With only 30 seconds left on our tape, I was rushing the crew out the door.

1052

00:48:10,080 --> 00:48:13,080

But in the end, the tape ran out anyway.

1053

00:48:13,080 --> 00:48:15,080

Be careful driving down the mountain now.

1054

00:48:15,080 --> 00:48:16,080

Be safe, don't do...

1055

00:48:16,080 --> 00:48:19,080

I was saying, don't do anything silly, Mike.

1056

00:48:19,080 --> 00:48:21,080

Don't do anything silly.

1057

00:48:41,080 --> 00:48:46,080

And she's dancing like she's never not before.

1058

00:48:47,080 --> 00:48:52,080

She's a maniac, maniac, a show-off.

1059

00:48:53,080 --> 00:48:59,080

And she's dancing like she's never not before.

1060

00:49:10,080 --> 00:49:13,080

I'm not in any way unique.
