1
00:00:04,370 --> 00:00:02,090
they've been using shame against people

2
00:00:05,630 --> 00:00:04,380
who had honest experiences and telling

3
00:00:07,490 --> 00:00:05,640
them that it didn't happen the

4
00:00:09,350 --> 00:00:07,500
psychological burden on people like that

5
00:00:10,850 --> 00:00:09,360
is tremendous that you know that you saw

6
00:00:12,589 --> 00:00:10,860
something and they tell you that you

7
00:00:14,870 --> 00:00:12,599
didn't that to me is what bothers me

8
00:00:16,790 --> 00:00:14,880
about the military stance on this is

9
00:00:18,590 --> 00:00:16,800
that if there's something so dangerous

10
00:00:20,929 --> 00:00:18,600
there that we shouldn't know about it

11
00:00:22,550 --> 00:00:20,939
then maybe the danger is not that we

12
00:00:23,689 --> 00:00:22,560
don't know about it the danger is that

13
00:00:26,029 --> 00:00:23,699

you're actually telling people that

14
00:00:28,070 --> 00:00:26,039
they're wrong what's more damaging to

15
00:00:30,830 --> 00:00:28,080
society telling people that they've seen

16
00:00:33,590 --> 00:00:30,840
something and making them unsure about

17
00:00:35,930 --> 00:00:33,600
it or hiding some Grand secret if there

18
00:00:37,549 --> 00:00:35,940
is a secret is it because the people who

19
00:00:39,110 --> 00:00:37,559
have the secret to using it or because

20
00:00:41,330 --> 00:00:39,120
there truly is a reason we don't want

21
00:00:43,310 --> 00:00:41,340
anybody to know about shame is used by

22
00:00:45,049 --> 00:00:43,320
Society to control you it's a Control

23
00:00:47,030 --> 00:00:45,059
Function it's useful in certain

24
00:00:49,490 --> 00:00:47,040
circumstances but when it becomes a

25
00:00:52,130 --> 00:00:49,500
societal control problem then that's

26
00:00:53,389 --> 00:00:52,140
when people need to get together and say
