

A man with a shaved head, wearing a blue hoodie, is smiling and speaking into a professional microphone. The background is a plain, light-colored wall. The image is framed by dark, semi-transparent vertical bars on the left and right sides.

**they have some kind of
extraterrestrial connection.**

PODCAST

1
00:00:03,350 --> 00:00:01,730
people have a right to know any air

2
00:00:05,150 --> 00:00:03,360
traffic control should fall under

3
00:00:06,410 --> 00:00:05,160
whistle blower protection they're just

4
00:00:08,150 --> 00:00:06,420
demonizing anybody who's coming forward

5
00:00:09,589 --> 00:00:08,160
I mean everybody's a whack job right and

6
00:00:11,690 --> 00:00:09,599
nobody wants to get that stigma I

7
00:00:13,610 --> 00:00:11,700
perceive so much of it after the stuff

8
00:00:15,289 --> 00:00:13,620
got posted online and on national news

9
00:00:18,170 --> 00:00:15,299
that I had everything from people

10
00:00:19,430 --> 00:00:18,180
calling me crazy to people wanting me to

11
00:00:20,990 --> 00:00:19,440
Father their children because they think

12
00:00:23,750 --> 00:00:21,000
they have some kind of extraterrestrial

13
00:00:25,670 --> 00:00:23,760

connection oh I'm telling you it's out

14

00:00:27,230 --> 00:00:25,680

there but I can understand the stigma by

15

00:00:29,810 --> 00:00:27,240

nobody wants to talk about it but if you

16

00:00:31,189 --> 00:00:29,820

look at it as Aviation safety but what

17

00:00:32,569 --> 00:00:31,199

the heck is this and what's it out here

18

00:00:34,670 --> 00:00:32,579

as soon as they said they didn't see it

19

00:00:36,410 --> 00:00:34,680

that made me think well something's out

20

00:00:37,850 --> 00:00:36,420

here and air traffic control is not

21

00:00:39,590 --> 00:00:37,860

seeing it but I'm seeing it could it be

22

00:00:40,910 --> 00:00:39,600

a safety issue with my aircraft could

23

00:00:42,530 --> 00:00:40,920

they collide with my aircraft what about

24

00:00:44,209 --> 00:00:42,540

a passenger aircraft that's got 400

25

00:00:45,889 --> 00:00:44,219

people on it it's an aspect that

26

00:00:47,510 --> 00:00:45,899

everybody needs to consider and if it's

27

00:00:49,190 --> 00:00:47,520

some foreign adversary that's in our

28

00:00:51,110 --> 00:00:49,200

airspace that we don't know about that

29

00:00:52,729 --> 00:00:51,120

air traffic control can't see we need to
