

1  
00:00:09,080 --> 00:00:06,829  
in the last six weeks our Facebook group

2  
00:00:12,499 --> 00:00:09,090  
which is called chemtrails global sky

3  
00:00:14,299 --> 00:00:12,509  
watch has been attacked by trolls and

4  
00:00:16,310 --> 00:00:14,309  
skills and in case you don't know what a

5  
00:00:19,099 --> 00:00:16,320  
skill is a shill is a person who is

6  
00:00:21,380 --> 00:00:19,109  
hired by usually by a government or a

7  
00:00:25,189 --> 00:00:21,390  
government contractor to go online and

8  
00:00:26,839 --> 00:00:25,199  
create fake facebook accounts fake blogs

9  
00:00:30,019 --> 00:00:26,849  
and websites and spread disinformation

10  
00:00:31,970 --> 00:00:30,029  
and they talk about chemtrails and

11  
00:00:34,459 --> 00:00:31,980  
geoengineering being a conspiracy theory

12  
00:00:38,780 --> 00:00:34,469  
and having no truth behind it that is a

13  
00:00:41,569 --> 00:00:38,790

disinformation website spreading lies my

14

00:00:43,940 --> 00:00:41,579

name is Nick West I'm 46 years old and I

15

00:00:47,240 --> 00:00:43,950

live in Venice California I'm a D bunker

16

00:00:48,110 --> 00:00:47,250

the control people seem to think that

17

00:00:50,569 --> 00:00:48,120

I'm some kind of government

18

00:00:53,360 --> 00:00:50,579

disinformation agent that I'm being paid

19

00:00:55,130 --> 00:00:53,370

to do this but really I'm just I'm just

20

00:00:56,420 --> 00:00:55,140

doing it because it's a hobby of mine I

21

00:00:59,720 --> 00:00:56,430

started out just because I was

22

00:01:03,170 --> 00:00:59,730

interested in in contrails I'm actually

23

00:01:05,000 --> 00:01:03,180

retired I made reasonable amounts of

24

00:01:06,679 --> 00:01:05,010

money in the video game industry I I

25

00:01:09,080 --> 00:01:06,689

part owned a company called endeavour

26  
00:01:11,240 --> 00:01:09,090  
soft and we did the Tony Hawk series of

27  
00:01:13,820 --> 00:01:11,250  
video games so we did very well there

28  
00:01:16,460 --> 00:01:13,830  
and so I retired quite a few years ago

29  
00:01:18,649 --> 00:01:16,470  
and I've just been having a lot of spare

30  
00:01:20,030 --> 00:01:18,659  
time since then so I don't need the

31  
00:01:21,260 --> 00:01:20,040  
government to pay me I'm just doing it

32  
00:01:22,760 --> 00:01:21,270  
because it's I find it fun and

33  
00:01:26,030 --> 00:01:22,770  
interesting but I think it's becoming

34  
00:01:28,520 --> 00:01:26,040  
increasingly important to show that

35  
00:01:29,810 --> 00:01:28,530  
conspiracy theories are incorrect

36  
00:01:32,090 --> 00:01:29,820  
because they're getting them in the way

37  
00:01:33,859 --> 00:01:32,100  
of dealing with real problems there's

38  
00:01:36,590 --> 00:01:33,869

real problems with with climate change

39

00:01:38,179 --> 00:01:36,600

and pollution that people aren't the ant

40

00:01:41,480 --> 00:01:38,189

addressing them because they think the

41

00:01:43,789 --> 00:01:41,490

chemtrails are are happening and so it

42

00:01:46,789 --> 00:01:43,799

distracts away from real problems so I

43

00:01:48,740 --> 00:01:46,799

think if I can show that chemtrails are

44

00:01:50,090 --> 00:01:48,750

not real it will help more people move

45

00:01:57,740 --> 00:01:50,100

on and actually address these other

46

00:02:00,170 --> 00:01:57,750

problems people think that the trails

47

00:02:03,139 --> 00:02:00,180

that they see in the sky are not normal

48

00:02:04,639 --> 00:02:03,149

contrails and they are chemtrails but

49

00:02:06,260 --> 00:02:04,649

really when you get down to it there's

50

00:02:07,880 --> 00:02:06,270

no real evidence that they're anything

51  
00:02:09,499 --> 00:02:07,890  
other than normal persistent contrails

52  
00:02:12,110 --> 00:02:09,509  
and there's no real evidence that

53  
00:02:13,960 --> 00:02:12,120  
they've changed over the last 20 30 40

54  
00:02:15,910 --> 00:02:13,970  
years this book here is from

55  
00:02:17,440 --> 00:02:15,920  
in 80 and it tells you that contrails

56  
00:02:20,230 --> 00:02:17,450  
can persist for hours there's older

57  
00:02:21,700 --> 00:02:20,240  
books from 1970 in 1960 they'll tell you

58  
00:02:24,730 --> 00:02:21,710  
the same thing so I want people to look

59  
00:02:42,510 --> 00:02:24,740  
at things that are real and stop wasting

60  
00:02:46,300 --> 00:02:44,470  
contrails have been doing exactly the

61  
00:02:48,460 --> 00:02:46,310  
same thing since since the seventies and

62  
00:02:51,210 --> 00:02:48,470  
before and it wasn't at all unfamiliar

63  
00:02:53,590 --> 00:02:51,220

back in the seventies for example in

64

00:02:57,310 --> 00:02:53,600

1971 there was a congressional hearing

65

00:02:59,140 --> 00:02:57,320

on a new type of jet plane and people's

66

00:03:01,300 --> 00:02:59,150

concerns were that it might increase

67

00:03:05,199 --> 00:03:01,310

contrail cover and somebody at the

68

00:03:07,090 --> 00:03:05,209

hearing said Jeffrey Godfrey said he's

69

00:03:08,050 --> 00:03:07,100

seen on hunting trips to the Colorado

70

00:03:10,540 --> 00:03:08,060

Rocky Mountains

71

00:03:12,460 --> 00:03:10,550

blue skies clouded over by jet contrails

72

00:03:14,949 --> 00:03:12,470

by 9:30 in the morning

73

00:03:17,410 --> 00:03:14,959

and this was in 1971 however someone

74

00:03:19,780 --> 00:03:17,420

else on the committee a senator allit

75

00:03:21,670 --> 00:03:19,790

said he'd lived in Colorado all his life

76

00:03:23,470 --> 00:03:21,680

without ever seeing jet contrails form

77

00:03:24,729 --> 00:03:23,480

clouds so it just shows that this is

78

00:03:25,750 --> 00:03:24,739

completely different perception

79

00:03:31,930 --> 00:03:25,760

depending on whether you're actually

80

00:03:34,390 --> 00:03:31,940

paying attention or not given the

81

00:03:37,930 --> 00:03:34,400

correct atmospheric condition jet

82

00:03:40,810 --> 00:03:37,940

aircraft in high frequency can almost

83

00:03:45,970 --> 00:03:40,820

completely cover the atmosphere visible

84

00:03:47,920 --> 00:03:45,980

atmosphere with clouds so this shows

85

00:03:49,870 --> 00:03:47,930

that contrails have been doing these out

86

00:03:51,460 --> 00:03:49,880

the same thing since since the seventies

87

00:03:54,310 --> 00:03:51,470

and before and there's no real evidence

88

00:03:56,259 --> 00:03:54,320

that that changed over the last 20 30 40

89

00:03:58,390 --> 00:03:56,269

years all this happened is there's a lot

90

00:03:59,560 --> 00:03:58,400

more of them now because for a variety
