

1
00:00:04,970 --> 00:00:02,270
the demonstration which way hot air

2
00:00:06,559 --> 00:00:04,980
moves this laser line I'm going to the

3
00:00:08,390 --> 00:00:06,569
cameras focus on the laser on the flower

4
00:00:12,049 --> 00:00:08,400
wall I'm just going to move this candle

5
00:00:16,880 --> 00:00:12,059
in and you will see as I move the candle

6
00:00:18,710 --> 00:00:16,890
in the light moves away and the candle

7
00:00:21,500 --> 00:00:18,720
that's because the hot air is less dense
