

1
00:00:05,030 --> 00:00:03,500
this is another example of a flying UFO

2
00:00:07,820 --> 00:00:05,040
effect from something that isn't

3
00:00:10,339 --> 00:00:07,830
actually moving what's happening here is

4
00:00:12,290 --> 00:00:10,349
I am walking along I'm pointing the

5
00:00:14,030 --> 00:00:12,300
camera towards this white wall which

6
00:00:16,220 --> 00:00:14,040
I've suspended from some wire from a

7
00:00:18,470 --> 00:00:16,230
tree here's a wider view and you can see

8
00:00:20,630 --> 00:00:18,480
when i zoom in the effects have been

9
00:00:23,859 --> 00:00:20,640
moving fast over a background is greatly

10
00:00:25,880 --> 00:00:23,869
increased this is the original shot

11
00:00:27,769 --> 00:00:25,890
where there's even a lesson of an

12
00:00:30,800 --> 00:00:27,779
illusion and here it is without the

13
00:00:32,120 --> 00:00:30,810

image stabilization and you can see it

14

00:00:35,389 --> 00:00:32,130

doesn't look like it's moving at all
