

1
00:00:09,140 --> 00:00:05,210
welcome to tales from the road home and

2
00:00:12,200 --> 00:00:09,150
your post Big West today's episode is an

3
00:00:14,030 --> 00:00:12,210
interview with Stian Arneson if the log

4
00:00:15,890 --> 00:00:14,040
episode in fact it's so long I chopped

5
00:00:17,660 --> 00:00:15,900
it into two parts with about an hour

6
00:00:20,029 --> 00:00:17,670
long you're gonna need a little bit of

7
00:00:23,300 --> 00:00:20,039
background information here Steen used

8
00:00:25,970 --> 00:00:23,310
to be a 9/11 truther 9/11 truth is a

9
00:00:28,370 --> 00:00:25,980
movement that holds that the World Trade

10
00:00:30,259 --> 00:00:28,380
Center was destroyed by controlled

11
00:00:31,820 --> 00:00:30,269
demolition and not simply the impact

12
00:00:33,740 --> 00:00:31,830
from the planes they think that there

13
00:00:35,870 --> 00:00:33,750

were explosive pre planted in the

14

00:00:37,910 --> 00:00:35,880

buildings there's a couple of things

15

00:00:39,229 --> 00:00:37,920

that we reference whilst talking that

16

00:00:40,970 --> 00:00:39,239

you might not be familiar with one of

17

00:00:44,770 --> 00:00:40,980

which is architects and engineers for

18

00:00:47,990 --> 00:00:44,780

9/11 truth which is an organization of

19

00:00:49,790 --> 00:00:48,000

some architects and engineers who

20

00:00:52,069 --> 00:00:49,800

believe this particular conspiracy

21

00:00:53,869 --> 00:00:52,079

theory there are very small number out

22

00:00:55,970 --> 00:00:53,879

of the hundreds of thousands of

23

00:00:58,279 --> 00:00:55,980

architects and engineers in the country

24

00:00:59,450 --> 00:00:58,289

or the millions throughout the world but

25

00:01:01,459 --> 00:00:59,460

there are certainly some people who

26

00:01:03,349 --> 00:01:01,469

believe it and they are architects and

27

00:01:04,729 --> 00:01:03,359

engineers another thing that we

28

00:01:06,170 --> 00:01:04,739

mentioned is the lawyers Committee for

29

00:01:09,109 --> 00:01:06,180

9/11 truth which is a related

30

00:01:10,340 --> 00:01:09,119

organization and they have been suing a

31

00:01:14,690 --> 00:01:10,350

bunch of people recently they've been

32

00:01:17,480 --> 00:01:14,700

suing the FBI suing the government suing

33

00:01:20,179 --> 00:01:17,490

a variety of other people the lowest

34

00:01:21,740 --> 00:01:20,189

committee is basically a subgroup of

35

00:01:24,740 --> 00:01:21,750

architects and engineers for 9/11 truth

36

00:01:26,270 --> 00:01:24,750

they're very closely related now one

37

00:01:29,690 --> 00:01:26,280

thing that comes up is iron microspheres

38

00:01:31,910 --> 00:01:29,700

iron microspheres is a particular piece

39

00:01:34,179 --> 00:01:31,920

of evidence that architects and

40

00:01:36,380 --> 00:01:34,189

engineers for 9/11 truth like to use

41

00:01:38,649 --> 00:01:36,390

because they think it proves that a

42

00:01:40,880 --> 00:01:38,659

certain type of explosive or is used

43

00:01:43,670 --> 00:01:40,890

during the collapse of the World Trade

44

00:01:44,350 --> 00:01:43,680

Center so here here we go with steer an

45

00:01:46,100 --> 00:01:44,360

artisan

46

00:01:49,370 --> 00:01:46,110

[Music]

47

00:01:52,910 --> 00:01:49,380

Stian you and i met virtually around two

48

00:01:55,010 --> 00:01:52,920

years ago on Facebook you I think you

49

00:01:57,890 --> 00:01:55,020

messed me after seeing me on Joe Rogan

50

00:02:01,010 --> 00:01:57,900

is that right yes that's right I saw you

51
00:02:03,650 --> 00:02:01,020
and Joe discussing well several

52
00:02:05,960 --> 00:02:03,660
conspiracy theories but I guess 9/11 was

53
00:02:09,200 --> 00:02:05,970
the one that made me get in touch with

54
00:02:11,210 --> 00:02:09,210
you now at that time you were well and

55
00:02:14,030 --> 00:02:11,220
perhaps still are very interested in the

56
00:02:17,570 --> 00:02:14,040
9/11 conspiracy theory how will you

57
00:02:19,280 --> 00:02:17,580
describe you know where you were at at

58
00:02:21,020 --> 00:02:19,290
that time when you contacted me what

59
00:02:24,110 --> 00:02:21,030
were your what were you thinking about

60
00:02:28,070 --> 00:02:24,120
in terms of 9/11 well at that time I was

61
00:02:30,350 --> 00:02:28,080
really deeply into the whole aspect of

62
00:02:34,900 --> 00:02:30,360
the 9/11 truth movement in regards to

63
00:02:38,360 --> 00:02:34,910

the theory of nano-thermite explosives

64

00:02:40,870 --> 00:02:38,370

basically the idea of the whole event

65

00:02:44,090 --> 00:02:40,880

being staged for the purpose of

66

00:02:47,180 --> 00:02:44,100

exploiting it of course for either

67

00:02:50,720 --> 00:02:47,190

financial egotistical reasons for big

68

00:02:53,479 --> 00:02:50,730

corporations or perhaps something else

69

00:02:55,940 --> 00:02:53,489

than that but I guess it was in the

70

00:03:00,259 --> 00:02:55,950

comment section of the community where I

71

00:03:03,560 --> 00:03:00,269

saw you getting in touch with people in

72

00:03:06,080 --> 00:03:03,570

a different way that I've seen before

73

00:03:09,729 --> 00:03:06,090

you didn't call people names and you

74

00:03:11,300 --> 00:03:09,739

didn't approach them in a in a in a

75

00:03:17,380 --> 00:03:11,310

polite way

76
00:03:20,780 --> 00:03:17,390
and the response and return from other

77
00:03:24,680 --> 00:03:20,790
truthers and I guess other members of

78
00:03:25,550 --> 00:03:24,690
that community was what surprised me to

79
00:03:31,479 --> 00:03:25,560
say the least

80
00:03:37,250 --> 00:03:31,489
it was almost like someone reacting to

81
00:03:40,360 --> 00:03:37,260
having a religious perception threatened

82
00:03:44,300 --> 00:03:40,370
in a way and I've seen that before from

83
00:03:46,940 --> 00:03:44,310
both familywise and in other areas and

84
00:03:49,970 --> 00:03:46,950
they get very defensive about it and it

85
00:03:53,740 --> 00:03:49,980
gets personal for people but you you

86
00:03:56,830 --> 00:03:53,750
didn't stop and I guess that's what

87
00:04:00,110 --> 00:03:56,840
caught my attention

88
00:04:02,870 --> 00:04:00,120

we gray yeah that's very interest

89

00:04:04,460 --> 00:04:02,880

I didn't actually realize it was it was

90

00:04:05,300 --> 00:04:04,470

exactly like that when you started

91

00:04:07,820 --> 00:04:05,310

talking to me

92

00:04:09,260 --> 00:04:07,830

a lot of people they just will contact

93

00:04:10,580 --> 00:04:09,270

me and they'll say things like you know

94

00:04:12,440 --> 00:04:10,590

what do you think about this piece of

95

00:04:13,820 --> 00:04:12,450

evidence or you know how can you live

96

00:04:17,949 --> 00:04:13,830

with yourself being a shield for the

97

00:04:20,210 --> 00:04:17,959

government which one but yeah I really

98

00:04:22,430 --> 00:04:20,220

enjoyed our conversations over the last

99

00:04:25,280 --> 00:04:22,440

like year in a bit nearly two years I

100

00:04:26,780 --> 00:04:25,290

think because we've kind of covered a

101
00:04:29,420 --> 00:04:26,790
lot of ground and I got the sense of

102
00:04:33,560 --> 00:04:29,430
starts that you were you know you you

103
00:04:35,540 --> 00:04:33,570
gave a lot of credulity to architects

104
00:04:37,430 --> 00:04:35,550
and engineers for 9/11 truth position

105
00:04:40,970 --> 00:04:37,440
that it was some kind of controlled

106
00:04:43,400 --> 00:04:40,980
demolition what what what would you say

107
00:04:45,890 --> 00:04:43,410
as a relationship with architects and

108
00:04:49,070 --> 00:04:45,900
engineers and 9/11 truth and your

109
00:04:52,190 --> 00:04:49,080
perception of them how has that evolved

110
00:04:56,210 --> 00:04:52,200
over the last couple of years it's um

111
00:04:59,810 --> 00:04:56,220
it's in a way to fault it well just to

112
00:05:02,750 --> 00:04:59,820
answer the the the previous comment I

113
00:05:07,480 --> 00:05:02,760

was one of those people well I did

114

00:05:11,630 --> 00:05:09,650

how could you do how could you talk

115

00:05:17,210 --> 00:05:11,640

about in this way and and not talk about

116

00:05:21,920 --> 00:05:17,220

that and you were very polite oh well

117

00:05:23,810 --> 00:05:21,930

yes thank you you you were very grounded

118

00:05:26,000 --> 00:05:23,820

about it in a way you you didn't you

119

00:05:28,760 --> 00:05:26,010

were really consistent about what was

120

00:05:31,490 --> 00:05:28,770

your goal in in saying what you said and

121

00:05:34,010 --> 00:05:31,500

and from what I perceived you your

122

00:05:37,340 --> 00:05:34,020

intentions are good but it's easy for

123

00:05:41,180 --> 00:05:37,350

others to to interpret them as you being

124

00:05:44,470 --> 00:05:41,190

a chill or a shell or anything else in

125

00:05:47,510 --> 00:05:44,480

regards to the 89 learning community

126

00:05:50,720 --> 00:05:47,520

it's a two-fold community in my eyes

127

00:05:52,910 --> 00:05:50,730

there are people who have been living in

128

00:05:56,720 --> 00:05:52,920

an echo chamber for for quite some time

129

00:05:59,990 --> 00:05:56,730

where they don't actively expose

130

00:06:02,060 --> 00:06:00,000

themselves to criticism it's very it

131

00:06:07,310 --> 00:06:02,070

seems to be mostly based on emails and

132

00:06:09,590 --> 00:06:07,320

reading forum posts and perhaps watching

133

00:06:12,770 --> 00:06:09,600

a youtube video where it says debunked

134

00:06:13,790 --> 00:06:12,780

and I don't think that really connects

135

00:06:16,969 --> 00:06:13,800

to them I

136

00:06:20,510 --> 00:06:16,979

I think that they support themselves on

137

00:06:24,860 --> 00:06:20,520

each other and this has been spiraling

138

00:06:27,860 --> 00:06:24,870

for for quite a while but then I feel

139

00:06:30,529 --> 00:06:27,870

that there's a section of of that

140

00:06:34,760 --> 00:06:30,539

community which is a lot more serious

141

00:06:38,059 --> 00:06:34,770

and they are open to having discussions

142

00:06:41,059 --> 00:06:38,069

and debates but I don't know if there's

143

00:06:44,540 --> 00:06:41,069

anyone who's pushing them to do it if

144

00:06:47,480 --> 00:06:44,550

there's anyone that is going to welded

145

00:06:51,320 --> 00:06:47,490

it also seems like there's a stigma

146

00:06:53,719 --> 00:06:51,330

attached to even talking to you with

147

00:06:56,809 --> 00:06:53,729

them being part of that community so

148

00:06:59,330 --> 00:06:56,819

it's almost like you get shamed for

149

00:07:01,820 --> 00:06:59,340

talking to someone who is challenging

150

00:07:04,339 --> 00:07:01,830

your opinions just for example today I

151
00:07:06,709 --> 00:07:04,349
had a chat with one of the guys who I

152
00:07:08,570 --> 00:07:06,719
don't know if I can tell you off of the

153
00:07:09,800 --> 00:07:08,580
podcast but one of them one of the

154
00:07:13,070 --> 00:07:09,810
people who's going to be peer reviewing

155
00:07:15,770 --> 00:07:13,080
the Alaska report and and he would be

156
00:07:18,559 --> 00:07:15,780
for example very glad to to talk to you

157
00:07:20,809 --> 00:07:18,569
and to discuss at least the report when

158
00:07:25,219 --> 00:07:20,819
it comes out and another aspects of the

159
00:07:27,320 --> 00:07:25,229
9/11 theories so to speak just to really

160
00:07:28,580 --> 00:07:27,330
quickly jump in like just clear up for

161
00:07:31,640 --> 00:07:28,590
people are not familiar with what the

162
00:07:35,180 --> 00:07:31,650
Alaska report is this is a report that

163
00:07:37,749 --> 00:07:35,190

is being was a study that was done at

164

00:07:40,700 --> 00:07:37,759

the University of Alaska Fairbanks by

165

00:07:43,999 --> 00:07:40,710

dr. Leroy Halsey and a couple of his

166

00:07:45,920 --> 00:07:44,009

graduate students and it was paid for by

167

00:07:48,709 --> 00:07:45,930

architects and engineers for 9/11 truth

168

00:07:50,629 --> 00:07:48,719

and it was a study into the causes of

169

00:07:54,439 --> 00:07:50,639

the collapse of World Trade Center seven

170

00:08:00,110 --> 00:07:54,449

yeah yeah I see the community of a 9/11

171

00:08:01,730 --> 00:08:00,120

as a not a divided group but it's um but

172

00:08:04,640 --> 00:08:01,740

yes it's it's like an echo chamber

173

00:08:07,730 --> 00:08:04,650

effect you you just get people who who

174

00:08:10,219 --> 00:08:07,740

don't expose themselves to - for example

175

00:08:12,409 --> 00:08:10,229

the IDS that you have presented and some

176

00:08:15,999 --> 00:08:12,419

of them have but they don't grow on them

177

00:08:19,010 --> 00:08:16,009

they don't continue to debate or to

178

00:08:22,249 --> 00:08:19,020

participate in that interaction I don't

179

00:08:24,920 --> 00:08:22,259

know why yes it is interesting that it's

180

00:08:27,690 --> 00:08:24,930

very hard to get through to people and

181

00:08:29,190 --> 00:08:27,700

you see you know I see things that

182

00:08:32,250 --> 00:08:29,200

you know if I personally were considered

183

00:08:34,020 --> 00:08:32,260

to have been debunked and yet I see them

184

00:08:36,000 --> 00:08:34,030

coming up again you're not just on

185

00:08:39,270 --> 00:08:36,010

Facebook posts but on various fairly

186

00:08:42,630 --> 00:08:39,280

serious things like the the lawyers

187

00:08:45,360 --> 00:08:42,640

Committee they've done a number of

188

00:08:49,890 --> 00:08:45,370

lawsuits recently and I think the one

189

00:08:51,960 --> 00:08:49,900

they did against the FBI had a quote in

190

00:08:56,160 --> 00:08:51,970

it saying that the presence of iron

191

00:08:58,350 --> 00:08:56,170

microspheres can only be explained by by

192

00:09:01,290 --> 00:08:58,360

thermite essentially automatic reaction

193

00:09:03,210 --> 00:09:01,300

of some sort and yet like a few months

194

00:09:05,210 --> 00:09:03,220

before that we were quite a bit more

195

00:09:09,480 --> 00:09:05,220

before that I can't remember exactly I

196

00:09:12,150 --> 00:09:09,490

done this whole video and a talk I gave

197

00:09:14,220 --> 00:09:12,160

on how there's like ten different ways

198

00:09:15,560 --> 00:09:14,230

you can make iron microspheres and you

199

00:09:18,330 --> 00:09:15,570

make them from you know and just from

200

00:09:20,640 --> 00:09:18,340

building construction and the building

201
00:09:22,890 --> 00:09:20,650
clean up and the fires would make some

202
00:09:24,750 --> 00:09:22,900
and and there's there's all these

203
00:09:27,960 --> 00:09:24,760
different types of possible sources of

204
00:09:30,480 --> 00:09:27,970
them and yet they still have this this

205
00:09:33,660 --> 00:09:30,490
very very simple and misleading and

206
00:09:36,000 --> 00:09:33,670
essentially false statement in the

207
00:09:38,220 --> 00:09:36,010
middle of this this lawsuit and the

208
00:09:40,080 --> 00:09:38,230
lawsuit itself seem to me that if you

209
00:09:42,270 --> 00:09:40,090
familiar with if you read it it seems

210
00:09:45,750 --> 00:09:42,280
like just kind of a you know the same

211
00:09:47,310 --> 00:09:45,760
old things that have been said for a

212
00:09:50,850 --> 00:09:47,320
long time it doesn't seem like the

213
00:09:53,970 --> 00:09:50,860

refining things at all yeah yeah most of

214

00:09:57,720 --> 00:09:53,980

the ideas are pretty consistent with

215

00:10:01,530 --> 00:09:57,730

past thoughts and and and theories but

216

00:10:04,050 --> 00:10:01,540

the the the lecture that you that you've

217

00:10:06,420 --> 00:10:04,060

done and the videos I'm not sure if

218

00:10:12,240 --> 00:10:06,430

they've been exposed to them you know if

219

00:10:14,730 --> 00:10:12,250

your problem yeah well it almost seems

220

00:10:17,220 --> 00:10:14,740

like a diplomatic you or like you'd need

221

00:10:19,530 --> 00:10:17,230

a diplomat to to initiate something like

222

00:10:24,240 --> 00:10:19,540

that because the emotional aspect of

223

00:10:27,060 --> 00:10:24,250

being wrong and so badly wrong and maybe

224

00:10:28,920 --> 00:10:27,070

not even wrong I mean just to for

225

00:10:31,020 --> 00:10:28,930

example you I've watched the the lecture

226

00:10:33,480 --> 00:10:31,030

that you did on that and as you say

227

00:10:36,780 --> 00:10:33,490

there's several reasons as to why then

228

00:10:39,030 --> 00:10:36,790

the microspheres can be there and all of

229

00:10:40,840 --> 00:10:39,040

these other ways that we've observed

230

00:10:45,119 --> 00:10:40,850

them being there

231

00:10:47,829 --> 00:10:45,129

are you know just part of a spectrum of

232

00:10:48,909 --> 00:10:47,839

reasons and in that spectrum

233

00:10:52,629 --> 00:10:48,919

nano-thermite

234

00:10:55,539 --> 00:10:52,639

I guess could be one of them and that it

235

00:10:58,949 --> 00:10:55,549

doesn't exactly discount it in any way

236

00:11:01,389 --> 00:10:58,959

it just opens up other possibilities and

237

00:11:03,939 --> 00:11:01,399

it's important as you say that they

238

00:11:06,460 --> 00:11:03,949

don't to say something like that like

239

00:11:08,549 --> 00:11:06,470

that but it's the only reason those

240

00:11:12,929 --> 00:11:08,559

fears can be there they're basically

241

00:11:16,150 --> 00:11:12,939

ruining the whole possibility of maybe

242

00:11:17,739 --> 00:11:16,160

granting a new investigation because I

243

00:11:20,829 --> 00:11:17,749

do believe that there should be a new

244

00:11:24,039 --> 00:11:20,839

investigation whether it's into micro

245

00:11:26,109 --> 00:11:24,049

spheres or explosives or whatever it is

246

00:11:28,539 --> 00:11:26,119

I think that it there should be a new

247

00:11:31,419 --> 00:11:28,549

investigation in regards to who was

248

00:11:33,789 --> 00:11:31,429

actually financing it or making it

249

00:11:38,049 --> 00:11:33,799

happen what did someone make it easier

250

00:11:41,559 --> 00:11:38,059

for it to happen and in that case who

251
00:11:43,539 --> 00:11:41,569
and if those people exist and are still

252
00:11:45,039 --> 00:11:43,549
alive today then of course they should

253
00:11:47,559 --> 00:11:45,049
be brought to justice otherwise they

254
00:11:50,109 --> 00:11:47,569
could play the same cards again another

255
00:11:55,269 --> 00:11:50,119
time or in a different way that you know

256
00:11:57,099 --> 00:11:55,279
as a speculation but yes to become fixed

257
00:12:00,729 --> 00:11:57,109
on that idea that the micro spheres are

258
00:12:04,029 --> 00:12:00,739
just that and they're for that reason I

259
00:12:05,499 --> 00:12:04,039
I think is a mistake yes yeah something

260
00:12:08,559 --> 00:12:05,509
I always say when talking about why I

261
00:12:09,999 --> 00:12:08,569
debunk a conspiracy theories is that you

262
00:12:12,279 --> 00:12:10,009
know the more extreme conspiracy

263
00:12:14,259 --> 00:12:12,289

theories that people believe in prevent

264

00:12:16,689 --> 00:12:14,269

them from looking at things that are

265

00:12:18,519 --> 00:12:16,699

less extreme and eventually you're gonna

266

00:12:21,309 --> 00:12:18,529

get down to things which are actual real

267

00:12:22,929 --> 00:12:21,319

conspiracies but if they're way off like

268

00:12:25,269 --> 00:12:22,939

you know talking about holographic

269

00:12:27,939 --> 00:12:25,279

planes flying into the towers or or

270

00:12:30,009 --> 00:12:27,949

chemtrails or you know flat earth or

271

00:12:32,049 --> 00:12:30,019

something like that you'd really don't

272

00:12:34,419 --> 00:12:32,059

have any hope of getting them to look at

273

00:12:37,269 --> 00:12:34,429

the real conspiracies you know wherever

274

00:12:39,369 --> 00:12:37,279

that lays on the conspiracy spectrum I

275

00:12:41,409 --> 00:12:39,379

mean maybe it's a bit further along and

276

00:12:46,359 --> 00:12:41,419

I think maybe it's a bit further down

277

00:12:49,329 --> 00:12:46,369

than you think but but yeah it's it's a

278

00:12:51,960 --> 00:12:49,339

distraction and I think pushing

279

00:12:54,550 --> 00:12:51,970

everybody to a more reasonable state

280

00:12:58,540 --> 00:12:54,560

it's good for everybody regardless

281

00:13:00,700 --> 00:12:58,550

of your position mmm if I can get if I

282

00:13:05,980 --> 00:13:00,710

can ask you you you've said something in

283

00:13:07,810 --> 00:13:05,990

that lecture that that I I'm not sure

284

00:13:10,269 --> 00:13:07,820

what you actually meant but you said

285

00:13:17,140 --> 00:13:10,279

that you didn't want future generations

286

00:13:19,620 --> 00:13:17,150

to believe in conspiracy theories do you

287

00:13:22,030 --> 00:13:19,630

mean that in what way do you mean that

288

00:13:24,940 --> 00:13:22,040

actually I was kind of in a way

289

00:13:27,040 --> 00:13:24,950

referring to something you told me at

290

00:13:28,450 --> 00:13:27,050

that point in the lecture I was

291

00:13:31,540 --> 00:13:28,460

referring to a story that I remember you

292

00:13:34,930 --> 00:13:31,550

telling me how you heard of two military

293

00:13:36,640 --> 00:13:34,940

people from your army you're doing a

294

00:13:38,950 --> 00:13:36,650

national service coming back from

295

00:13:41,530 --> 00:13:38,960

wherever they were stationed and telling

296

00:13:43,690 --> 00:13:41,540

you about how they believed in this

297

00:13:45,610 --> 00:13:43,700

evidence for the thermite in the World

298

00:13:47,079 --> 00:13:45,620

Trade Center the World Trade Center

299

00:13:48,850 --> 00:13:47,089

attacks and that's something that's

300

00:13:49,900 --> 00:13:48,860

always stuck with me ever since you told

301
00:13:52,150 --> 00:13:49,910
me that I think it was when we were

302
00:13:56,440 --> 00:13:52,160
actually voice chatting at one time yeah

303
00:13:58,300 --> 00:13:56,450
and I combined that with an anecdote

304
00:14:00,970 --> 00:13:58,310
about how I had been listening to a

305
00:14:03,250 --> 00:14:00,980
podcast which was a couple of kids

306
00:14:05,250 --> 00:14:03,260
basically they were like 15 or 16 years

307
00:14:08,260 --> 00:14:05,260
old and they were talking about

308
00:14:10,600 --> 00:14:08,270
conspiracy theories and so when I said I

309
00:14:12,130 --> 00:14:10,610
don't want the next generation believing

310
00:14:14,140 --> 00:14:12,140
in conspiracy theories I said I don't

311
00:14:16,329 --> 00:14:14,150
want former soldiers believe in

312
00:14:17,980 --> 00:14:16,339
conspiracy theories I don't want the

313
00:14:20,050 --> 00:14:17,990

next generation believing in conspiracy

314

00:14:22,110 --> 00:14:20,060

theories what's very favorite referring

315

00:14:24,900 --> 00:14:22,120

to there was first of all I didn't want

316

00:14:27,100 --> 00:14:24,910

disaffected soldiers blowing things up

317

00:14:29,290 --> 00:14:27,110

because they had some mistaken belief

318

00:14:33,430 --> 00:14:29,300

about a conspiracy theory like Timothy

319

00:14:35,590 --> 00:14:33,440

McVeigh blew up the Oklahoma Building I

320

00:14:38,230 --> 00:14:35,600

think he he had some military experience

321

00:14:40,930 --> 00:14:38,240

and you know he he got into conspiracy

322

00:14:42,130 --> 00:14:40,940

theories and I think it's dangerous if

323

00:14:43,420 --> 00:14:42,140

you're in a situation where you have

324

00:14:45,910 --> 00:14:43,430

lots of people with military experience

325

00:14:47,590 --> 00:14:45,920

who have nothing else to do and they

326

00:14:50,440 --> 00:14:47,600

start getting into conspiracy theories

327

00:14:53,079 --> 00:14:50,450

and the next generation quote was really

328

00:14:54,430 --> 00:14:53,089

just talking about young people young

329

00:14:56,620 --> 00:14:54,440

people you know being the next

330

00:14:58,560 --> 00:14:56,630

generation if they're getting into these

331

00:15:01,990 --> 00:14:58,570

conspiracy theories it's at a young age

332

00:15:03,490 --> 00:15:02,000

then they're gonna grow up believing in

333

00:15:05,470 --> 00:15:03,500

conspiracy theories and we're gonna get

334

00:15:07,180 --> 00:15:05,480

this this you know my false conspiracy

335

00:15:08,230 --> 00:15:07,190

theories and this extreme conspiracy

336

00:15:11,110 --> 00:15:08,240

theories and will

337

00:15:13,449 --> 00:15:11,120

get this kind of corrupted corrupting

338

00:15:15,880 --> 00:15:13,459

influence in society where more and more

339

00:15:19,139 --> 00:15:15,890

people start taking these conspiracy

340

00:15:21,610 --> 00:15:19,149

theories seriously so I wasn't saying

341

00:15:22,960 --> 00:15:21,620

yeah everybody who's born from this

342

00:15:26,050 --> 00:15:22,970

point on should not believe in

343

00:15:28,360 --> 00:15:26,060

conspiracy theories I I I promote like a

344

00:15:30,639 --> 00:15:28,370

healthy skepticism of the government and

345

00:15:34,480 --> 00:15:30,649

that includes two degrees suspecting

346

00:15:36,790 --> 00:15:34,490

conspiracies in them burns I I think

347

00:15:39,040 --> 00:15:36,800

that the young people is something that

348

00:15:43,590 --> 00:15:39,050

we want to focus on because they are at

349

00:15:46,810 --> 00:15:43,600

risk and they are there's a lot of them

350

00:15:48,790 --> 00:15:46,820

that's what I meant by that okay okay

351

00:15:50,760 --> 00:15:48,800

yeah that sounds a little bit better I

352

00:15:54,370 --> 00:15:50,770

was like thinking what you were

353

00:15:57,960 --> 00:15:54,380

referring to you there today yeah how

354

00:16:01,510 --> 00:15:57,970

did you personally start getting into

355

00:16:05,860 --> 00:16:01,520

conspiracy theories in general and then

356

00:16:08,620 --> 00:16:05,870

specifically 9/11 oh yeah actually did

357

00:16:11,320 --> 00:16:08,630

begin just like you just like you said

358

00:16:16,620 --> 00:16:11,330

it started off as really young I must

359

00:16:19,740 --> 00:16:16,630

have been six or seven years old and I

360

00:16:24,760 --> 00:16:19,750

remember my dad he was really involved

361

00:16:29,530 --> 00:16:24,770

in research as it just as a hobby in the

362

00:16:31,569 --> 00:16:29,540

famous has stunned phenomenon as there's

363

00:16:35,470 --> 00:16:31,579

a valley in Norway where there's a mic

364

00:16:37,540 --> 00:16:35,480

phenomenon and it's been going on for

365

00:16:39,670 --> 00:16:37,550

quite a few years now and he was deep

366

00:16:41,680 --> 00:16:39,680

into this and it's a real phenomenon of

367

00:16:43,810 --> 00:16:41,690

course and they they have a research

368

00:16:47,079 --> 00:16:43,820

station up there now that state financed

369

00:16:49,540 --> 00:16:47,089

surveillance inga whole valley 24/7 and

370

00:16:54,389 --> 00:16:49,550

the university has been connected to it

371

00:16:57,579 --> 00:16:54,399

now so you can study physics and get

372

00:16:59,319 --> 00:16:57,589

what's called in English well you

373

00:17:02,079 --> 00:16:59,329

basically spend a few weeks out in the

374

00:17:03,639 --> 00:17:02,089

field trying to catch a glimpse and

375

00:17:06,850 --> 00:17:03,649

document this phenomenon and it's been

376

00:17:10,689 --> 00:17:06,860

quite successful but from from his

377

00:17:12,880 --> 00:17:10,699

interest into that he there's a there's

378

00:17:15,910 --> 00:17:12,890

of course an interest then in UFOs so I

379

00:17:19,510 --> 00:17:15,920

picked up a book about UFOs when I was

380

00:17:21,740 --> 00:17:19,520

six to six or seven and from there it

381

00:17:25,590 --> 00:17:21,750

just spiraled on

382

00:17:27,270 --> 00:17:25,600

remember the movie ET and Independence

383

00:17:30,890 --> 00:17:27,280

Day and there was just something about

384

00:17:37,080 --> 00:17:30,900

that mystery of something out there that

385

00:17:39,360 --> 00:17:37,090

just traps my my interest in it for a

386

00:17:41,990 --> 00:17:39,370

long time seeing a strange light

387

00:17:46,919 --> 00:17:42,000

phenomenon that for 14 years old data

388

00:17:49,230 --> 00:17:46,929

just kicked it really yeah it really

389

00:17:54,630 --> 00:17:49,240

grew at that point seeing something

390

00:17:59,810 --> 00:17:54,640

myself and from there just I think it

391

00:18:02,940 --> 00:17:59,820

was loose change that started that whole

392

00:18:08,610 --> 00:18:02,950

way of thinking and the way that loose

393

00:18:11,760 --> 00:18:08,620

change was put together was really a in

394

00:18:16,169 --> 00:18:11,770

a way a masterpiece it's so well put

395

00:18:22,860 --> 00:18:16,179

together for a mind that's vulnerable

396

00:18:27,120 --> 00:18:22,870

and open and if you're into music and

397

00:18:31,980 --> 00:18:27,130

strong you know visual demonstrations of

398

00:18:33,570 --> 00:18:31,990

what's going on and yeah that whoever

399

00:18:35,690 --> 00:18:33,580

made that cut one of the names that who

400

00:18:39,840 --> 00:18:35,700

made it but they did a really good job

401
00:18:43,380 --> 00:18:39,850
regardless of how factually based it was

402
00:18:48,919 --> 00:18:43,390
or you know how good the arguments were

403
00:18:52,919 --> 00:18:48,929
but it sold the case very early on and

404
00:18:54,630 --> 00:18:52,929
at that point I think right after that

405
00:18:59,400 --> 00:18:54,640
must have been when architects and

406
00:19:01,919 --> 00:18:59,410
engineers were were formed and been

407
00:19:04,430 --> 00:19:01,929
paying attention to it ever since but it

408
00:19:06,600 --> 00:19:04,440
started with UFOs actually so it's

409
00:19:08,310 --> 00:19:06,610
tipped over to something else

410
00:19:12,510 --> 00:19:08,320
yeah well I think my my personal

411
00:19:15,000 --> 00:19:12,520
interest also started with UFOs I was

412
00:19:17,669 --> 00:19:15,010
very interested in things like that when

413
00:19:19,530 --> 00:19:17,679

I was young I would subscribe to a

414

00:19:23,880 --> 00:19:19,540
magazine in Britain called the

415

00:19:25,470 --> 00:19:23,890
unexplained and then later 14 times so I

416

00:19:29,100 --> 00:19:25,480
was always very interested in that type

417

00:19:31,860 --> 00:19:29,110
of phenomena but more later it was an

418

00:19:33,600 --> 00:19:31,870
interest in kind of explaining what you

419

00:19:35,910 --> 00:19:33,610
were seeing in this guy you know I still

420

00:19:38,040 --> 00:19:35,920
don't discount the possibility of the

421

00:19:39,990 --> 00:19:38,050
alien spaceships but I haven't really

422

00:19:42,980 --> 00:19:40,000
seen any particularly good evidence that

423

00:19:45,480 --> 00:19:42,990
they're anything other than a variety of

424

00:19:48,870 --> 00:19:45,490
conventional explanations are you still

425

00:19:51,450 --> 00:19:48,880
interested in in UFOs well since I've

426

00:19:54,390 --> 00:19:51,460

got you here I'll show you a book that

427

00:19:57,000 --> 00:19:54,400

I'm reading at the moment you might have

428

00:20:02,070 --> 00:19:57,010

read it not sure if you can read that is

429

00:20:06,060 --> 00:20:02,080

it in Paraguay Nick I said yeah I've

430

00:20:09,030 --> 00:20:06,070

heard of it it's really good it's quite

431

00:20:11,910 --> 00:20:09,040

a read and having him being the chief

432

00:20:14,010 --> 00:20:11,920

scientist from that having him being a

433

00:20:17,610 --> 00:20:14,020

skeptic original well he's he was still

434

00:20:19,440 --> 00:20:17,620

being a skeptic but a denier in a way he

435

00:20:21,960 --> 00:20:19,450

was just taking his own you know it's

436

00:20:23,640 --> 00:20:21,970

nothing here and after that admitted

437

00:20:25,620 --> 00:20:23,650

that the whole Project Blue Book was

438

00:20:28,020 --> 00:20:25,630

basically a project to calm down the

439

00:20:29,760 --> 00:20:28,030

masses since they had no idea what was

440

00:20:33,600 --> 00:20:29,770

actually going on in people humming

441

00:20:36,090 --> 00:20:33,610

hysterical the connection between UFOs

442

00:20:38,850 --> 00:20:36,100

and conspiracy theories because UFOs

443

00:20:40,560 --> 00:20:38,860

essentially is a conspiracy theory in a

444

00:20:43,440 --> 00:20:40,570

way and that it requires the government

445

00:20:45,240 --> 00:20:43,450

to be covering up the presence of aliens

446

00:20:47,520 --> 00:20:45,250

and of course there's various levels of

447

00:20:49,110 --> 00:20:47,530

it you know it could just be a simple

448

00:20:51,630 --> 00:20:49,120

you know we don't know what these things

449

00:20:53,280 --> 00:20:51,640

are so let's not talk about them or

450

00:20:55,290 --> 00:20:53,290

there could be a more involved thing

451
00:20:57,840 --> 00:20:55,300
where they have contact with the greys

452
00:20:59,910 --> 00:20:57,850
and there's underground bases or even

453
00:21:02,400 --> 00:20:59,920
like in France dimensional wormholes and

454
00:21:04,980 --> 00:21:02,410
things like that so people do believe in

455
00:21:07,080 --> 00:21:04,990
these things I think some people

456
00:21:08,730 --> 00:21:07,090
question whether you know what should

457
00:21:11,040 --> 00:21:08,740
you have UFOs on your chart of

458
00:21:13,890 --> 00:21:11,050
conspiracies but I think because it

459
00:21:15,810 --> 00:21:13,900
necessitates a conspiracy you know it's

460
00:21:18,360 --> 00:21:15,820
it's a conspiracy theory to a certain

461
00:21:22,530 --> 00:21:18,370
the cover-up aspect of it is a

462
00:21:24,770 --> 00:21:22,540
conspiracy theory yes yeah but but that

463
00:21:26,790 --> 00:21:24,780

the first aspect that you mentioned that

464

00:21:28,350 --> 00:21:26,800

this is something that we don't know

465

00:21:31,440 --> 00:21:28,360

what is and we have no idea what's going

466

00:21:33,390 --> 00:21:31,450

on I think is more likely one that you

467

00:21:36,480 --> 00:21:33,400

know that that'd be more understandable

468

00:21:38,820 --> 00:21:36,490

if you're basically the representatives

469

00:21:41,070 --> 00:21:38,830

of whatever power there is in a society

470

00:21:42,420 --> 00:21:41,080

and you can do nothing about what's

471

00:21:46,170 --> 00:21:42,430

going on then

472

00:21:49,149 --> 00:21:46,180

I think you'd rather cover it up and not

473

00:21:52,330 --> 00:21:49,159

talk about it maybe and knowledge

474

00:21:55,869 --> 00:21:52,340

there's something going on but I see any

475

00:22:00,099 --> 00:21:55,879

any parallels amongst people you've

476

00:22:02,379 --> 00:22:00,109

talked to in terms of like UFOs and 9/11

477

00:22:07,859 --> 00:22:02,389

do you see some crossover between the

478

00:22:13,599 --> 00:22:07,869

communities at all mm-hmm in behavior

479

00:22:17,919 --> 00:22:13,609

definitely the well not just behavior

480

00:22:22,450 --> 00:22:17,929

but I guess topics it's sort of a soup

481

00:22:24,999 --> 00:22:22,460

of people that they swim in like a glass

482

00:22:29,169 --> 00:22:25,009

of conspiracy theories and and they and

483

00:22:31,299 --> 00:22:29,179

they touch them all and then you find

484

00:22:35,049 --> 00:22:31,309

people that are of course dedicated to

485

00:22:37,479 --> 00:22:35,059

one certain theory or or it could be a

486

00:22:39,969 --> 00:22:37,489

factual conspiracy it could be you know

487

00:22:42,039 --> 00:22:39,979

WikiLeaks or it could be it could be

488

00:22:45,099 --> 00:22:42,049

something else but my feeling is that

489

00:22:47,409 --> 00:22:45,109

this is a group of people that move from

490

00:22:51,359 --> 00:22:47,419

subject to subject sometimes it's UFOs

491

00:22:55,330 --> 00:22:51,369

sometimes it's 911 and then it's over to

492

00:22:58,060 --> 00:22:55,340

you know moon bases or stuff like that

493

00:23:00,279 --> 00:22:58,070

but it's the behavior of these people I

494

00:23:03,339 --> 00:23:00,289

was I was studying the crop circle

495

00:23:05,739 --> 00:23:03,349

phenomenon in in the UK for for quite a

496

00:23:08,649 --> 00:23:05,749

few years a couple of years ago ending

497

00:23:14,259 --> 00:23:08,659

up making my own crop circle ending that

498

00:23:18,219 --> 00:23:14,269

story did you do in the middle of the

499

00:23:25,629 --> 00:23:18,229

night or was it yes using night-vision

500

00:23:32,019 --> 00:23:25,639

optics and directly test to see if it's

501
00:23:33,639 --> 00:23:32,029
plausible personally yes well I'm of

502
00:23:36,749 --> 00:23:33,649
course I'm open to the possibility of

503
00:23:40,060 --> 00:23:36,759
there being a a phenomenon previously

504
00:23:42,070 --> 00:23:40,070
that could have been separate I'm open

505
00:23:44,589 --> 00:23:42,080
to that because in this crop circle

506
00:23:47,019 --> 00:23:44,599
community you have yeah it's different

507
00:23:48,879 --> 00:23:47,029
groups of artists maybe five or six

508
00:23:51,070 --> 00:23:48,889
different groups one might be from

509
00:23:53,560 --> 00:23:51,080
London another one from Liverpool and

510
00:23:56,440 --> 00:23:53,570
they all gather during the summer in in

511
00:23:59,109 --> 00:23:56,450
Wiltshire and they almost some of them

512
00:24:01,299 --> 00:23:59,119
are in contact with each other and they

513
00:24:03,070 --> 00:24:01,309

sort of compete and they're sitting

514

00:24:06,550 --> 00:24:03,080

around just like

515

00:24:09,790 --> 00:24:06,560

almost stereotypical and you know near

516

00:24:11,920 --> 00:24:09,800

pubs and having a fire and smoke some

517

00:24:14,260 --> 00:24:11,930

weed me and they have a lot of fun and

518

00:24:15,820 --> 00:24:14,270

then they watch these people go bananas

519

00:24:18,370 --> 00:24:15,830

when they go into crop circles

520

00:24:21,610 --> 00:24:18,380

afterwards and they see helicopters and

521

00:24:24,280 --> 00:24:21,620

they camera crews and they do really get

522

00:24:24,790 --> 00:24:24,290

a laugh out of it and and a lot of fun

523

00:24:27,610 --> 00:24:24,800

too

524

00:24:32,140 --> 00:24:27,620

but they they do acknowledge that there

525

00:24:34,870 --> 00:24:32,150

are crop circles where nobody knows who

526

00:24:36,670 --> 00:24:34,880

may made it every season actually that

527

00:24:39,280 --> 00:24:36,680

there are crop circles that are really

528

00:24:42,490 --> 00:24:39,290

really good and nobody has any idea who

529

00:24:44,680 --> 00:24:42,500

made it mm-hm and these groups have been

530

00:24:47,230 --> 00:24:44,690

in contact with each other saying do you

531

00:24:50,650 --> 00:24:47,240

guys make this as beautiful but nobody

532

00:24:53,740 --> 00:24:50,660

knows who made it base but the 20 year

533

00:24:55,840 --> 00:24:53,750

70s and 80s there was quite a lot of

534

00:24:58,120 --> 00:24:55,850

crop circles that nobody has any clue

535

00:25:00,310 --> 00:24:58,130

who made which which is interesting but

536

00:25:03,780 --> 00:25:00,320

it doesn't really get you anywhere but

537

00:25:07,270 --> 00:25:03,790

the there's been witness reports of

538

00:25:09,880 --> 00:25:07,280

these people when they've gone out

539

00:25:12,070 --> 00:25:09,890

making the crop circles seeing strange

540

00:25:14,610 --> 00:25:12,080

phenomenon themselves like balls of

541

00:25:18,040 --> 00:25:14,620

light and these types of things nothing

542

00:25:19,540 --> 00:25:18,050

no grey aliens running around yeah I

543

00:25:20,860 --> 00:25:19,550

think with the crop circles it's

544

00:25:23,670 --> 00:25:20,870

obviously quite possible it's just

545

00:25:28,450 --> 00:25:23,680

someone who prefers to remain anonymous

546

00:25:30,550 --> 00:25:28,460

and they enjoy the notoriety of being

547

00:25:34,000 --> 00:25:30,560

you know the dark crop circle maker of

548

00:25:36,760 --> 00:25:34,010

areas there the phantom phantom what are

549

00:25:39,070 --> 00:25:36,770

they called ciri ologists well probably

550

00:25:40,630 --> 00:25:39,080

I think I think it is ciri ologist

551
00:25:41,890 --> 00:25:40,640
people who study crop circles that might

552
00:25:45,250 --> 00:25:41,900
be it is kind of a jokey thing I

553
00:25:46,870 --> 00:25:45,260
actually have had crop circles in my

554
00:25:49,390 --> 00:25:46,880
field out back here

555
00:25:52,180 --> 00:25:49,400
I've got like like a small field behind

556
00:25:55,090 --> 00:25:52,190
the house and when the grass gets long

557
00:25:57,430 --> 00:25:55,100
enough the deer come along and they kind

558
00:26:00,670 --> 00:25:57,440
of walk around in circles in it and

559
00:26:03,790 --> 00:26:00,680
they're not very good crop circles well

560
00:26:05,260 --> 00:26:03,800
I can I can see how something like that

561
00:26:07,390 --> 00:26:05,270
could get started because when I'm

562
00:26:09,640 --> 00:26:07,400
walking through my field and I see this

563
00:26:11,740 --> 00:26:09,650

kind of area that's kind of got the

564

00:26:13,360 --> 00:26:11,750

grass kind of swirled around in a

565

00:26:15,910 --> 00:26:13,370

direction it's not perfectly circular or

566

00:26:16,840 --> 00:26:15,920

anything but it seems like you know it

567

00:26:19,080 --> 00:26:16,850

could occasionally

568

00:26:21,310 --> 00:26:19,090

go into a perfect circle and if the

569

00:26:23,860 --> 00:26:21,320

crops were just a bit different you

570

00:26:26,200 --> 00:26:23,870

could you can imagine a natural real

571

00:26:29,620 --> 00:26:26,210

simple crop circle like that happy thing

572

00:26:31,120 --> 00:26:29,630

and then the guy goes to the pub and

573

00:26:32,500 --> 00:26:31,130

tells his mates and they have a few

574

00:26:33,850 --> 00:26:32,510

drinks and then they're going to look at

575

00:26:36,250 --> 00:26:33,860

this and then they're like wow this

576

00:26:38,200 --> 00:26:36,260

amazing thing it must be a UFO and it

577

00:26:40,540 --> 00:26:38,210

just grows from there obviously and then

578

00:26:45,270 --> 00:26:40,550

it people start making them and it gets

579

00:26:47,680 --> 00:26:45,280

even more yeah definitely but there are

580

00:26:51,520 --> 00:26:47,690

really interesting exceptions though

581

00:26:55,890 --> 00:26:51,530

back to what was in the 1940s and 50s

582

00:26:58,840 --> 00:26:55,900

where these circles have appeared and

583

00:27:01,060 --> 00:26:58,850

but they were really simple in design

584

00:27:06,580 --> 00:27:01,070

they weren't that complaint complex as

585

00:27:08,350 --> 00:27:06,590

they are today and but the what has

586

00:27:09,730 --> 00:27:08,360

happened in the crop circle community is

587

00:27:12,280 --> 00:27:09,740

very much alike

588

00:27:15,340 --> 00:27:12,290

what has happened in the 911 committee

589

00:27:17,440 --> 00:27:15,350

as well in a in a social way because

590

00:27:19,240 --> 00:27:17,450

what happened is that the believers

591

00:27:22,690 --> 00:27:19,250

basically travelling from all over the

592

00:27:26,350 --> 00:27:22,700

world to walk in this phenomenon and and

593

00:27:29,410 --> 00:27:26,360

to feel the energies so to speak

594

00:27:31,840 --> 00:27:29,420

they hate the people that claim that

595

00:27:34,450 --> 00:27:31,850

this is this is actually man-made and

596

00:27:39,570 --> 00:27:34,460

then you have an interesting group of

597

00:27:42,370 --> 00:27:39,580

people that those travel to the UK and

598

00:27:44,770 --> 00:27:42,380

you know or in this into the spiritual

599

00:27:46,720 --> 00:27:44,780

aspect of it when when you bring up the

600

00:27:50,170 --> 00:27:46,730

fact and you know it may be evidence

601
00:27:53,290 --> 00:27:50,180
that these are man-made they'll say that

602
00:27:55,660 --> 00:27:53,300
well maybe they are man-made but maybe

603
00:27:59,050 --> 00:27:55,670
it's God working through them or maybe

604
00:28:03,940 --> 00:27:59,060
it's so they always find a new way to

605
00:28:06,820 --> 00:28:03,950
use it to feel good about themselves I'd

606
00:28:09,010 --> 00:28:06,830
say I find the same behavior in in both

607
00:28:11,140 --> 00:28:09,020
groups but of course there it's

608
00:28:13,360 --> 00:28:11,150
completely different subjects and there

609
00:28:16,330 --> 00:28:13,370
are completely different questions to

610
00:28:19,900 --> 00:28:16,340
ask in in regards to the events of 9/11

611
00:28:22,150 --> 00:28:19,910
and crop circles but the social behavior

612
00:28:26,080 --> 00:28:22,160
seems to be the same and what has

613
00:28:28,630 --> 00:28:26,090

happened is that the intensity from the

614

00:28:30,430 --> 00:28:28,640

believers has has grown so strong over

615

00:28:30,760 --> 00:28:30,440

the years that a lot of these circle

616

00:28:32,620 --> 00:28:30,770

make

617

00:28:36,100 --> 00:28:32,630

have quit because they've been harassed

618

00:28:39,250 --> 00:28:36,110

and threatened and there's been some

619

00:28:42,280 --> 00:28:39,260

lawsuits going around I know that three

620

00:28:45,250 --> 00:28:42,290

other ones that I knew had quit and are

621

00:28:48,550 --> 00:28:45,260

doing ass and circle since that one of

622

00:28:50,670 --> 00:28:48,560

them is quite famous now his his name is

623

00:28:54,820 --> 00:28:50,680

Julian but I can't remember his surname

624

00:28:57,190 --> 00:28:54,830

but he's due he did a lot of the the

625

00:28:59,800 --> 00:28:57,200

most advanced circles and when he quit

626
00:29:02,410 --> 00:28:59,810
the the really good ones disappeared and

627
00:29:09,160 --> 00:29:02,420
they showed up on the beaches of Dorset

628
00:29:11,050 --> 00:29:09,170
instead so fatty I remember people would

629
00:29:14,320 --> 00:29:11,060
go to these crop circles and they would

630
00:29:16,690 --> 00:29:14,330
try to get evidence which kind of

631
00:29:20,110 --> 00:29:16,700
reminds me of people you know going to

632
00:29:22,210 --> 00:29:20,120
911 dust and trying to get evidence from

633
00:29:26,380 --> 00:29:22,220
that and I remember they actually found

634
00:29:28,990 --> 00:29:26,390
iron microspheres in crop circles mm-hmm

635
00:29:31,810 --> 00:29:29,000
which I believe the the source of them

636
00:29:33,670 --> 00:29:31,820
was probably micro meteorites because

637
00:29:36,670 --> 00:29:33,680
there's actually quite a constant

638
00:29:38,020 --> 00:29:36,680

dusting of micro meteorites that falls

639

00:29:40,960 --> 00:29:38,030

on the earth like you know pretty much

640

00:29:42,960 --> 00:29:40,970

constantly if you go if you take a

641

00:29:45,430 --> 00:29:42,970

magnet and you just go through some dirt

642

00:29:47,020 --> 00:29:45,440

you will find them it's actually best if

643

00:29:49,060 --> 00:29:47,030

you do it like on a rooftop or something

644

00:29:52,330 --> 00:29:49,070

like that but you can find them in dirt

645

00:29:55,720 --> 00:29:52,340

and so they they found iron microspheres

646

00:29:58,300 --> 00:29:55,730

and then they said design microspheres

647

00:30:01,330 --> 00:29:58,310

can only have come from some kind of you

648

00:30:03,460 --> 00:30:01,340

know advanced propulsion engine then all

649

00:30:08,170 --> 00:30:03,470

these iron microspheres are proof of

650

00:30:10,480 --> 00:30:08,180

crop circles yeah which you know silly

651
00:30:12,430 --> 00:30:10,490
and people might say I'm just bringing

652
00:30:14,380 --> 00:30:12,440
in that example to belittle the iron

653
00:30:17,860 --> 00:30:14,390
microspheres but it really it is not say

654
00:30:19,540 --> 00:30:17,870
I'm saying if you look in places you

655
00:30:21,130 --> 00:30:19,550
look anywhere on the on the world you're

656
00:30:22,450 --> 00:30:21,140
gonna find IMAX microscopy discuss

657
00:30:25,150 --> 00:30:22,460
they're basically falling out of the sky

658
00:30:26,710 --> 00:30:25,160
and every construction project will make

659
00:30:29,440 --> 00:30:26,720
billions of them so that they're all

660
00:30:31,780 --> 00:30:29,450
over the place you know the brakes on

661
00:30:34,360 --> 00:30:31,790
your car you off a few if you brake too

662
00:30:36,520 --> 00:30:34,370
hard and you know that they just they're

663
00:30:37,510 --> 00:30:36,530

just like they're everywhere that's a

664

00:30:41,320 --> 00:30:37,520

good stinger

665

00:30:43,270 --> 00:30:41,330

people are searching for evidence so

666

00:30:44,620 --> 00:30:43,280

they will find evidence like with the

667

00:30:48,190 --> 00:30:44,630

crop circles they

668

00:30:50,860 --> 00:30:48,200

the stalks of the the wheat or whatever

669

00:30:53,200 --> 00:30:50,870

is supposedly bent in a certain way and

670

00:30:55,269 --> 00:30:53,210

that reminds me of on 9/11 you have

671

00:30:58,810 --> 00:30:55,279

these columns that are cut off at a

672

00:31:00,340 --> 00:30:58,820

certain angle and even though there's a

673

00:31:03,100 --> 00:31:00,350

perfectly reasonable explanation for

674

00:31:04,570 --> 00:31:03,110

both things you know the the stalks were

675

00:31:06,519 --> 00:31:04,580

bent because the guys were pushing them

676

00:31:08,950 --> 00:31:06,529

over with a board or whatever they use

677

00:31:10,509 --> 00:31:08,960

and the columns were cut during cleanup

678

00:31:12,700 --> 00:31:10,519

and they've cut the main angle so they

679

00:31:15,850 --> 00:31:12,710

would fall in one direction and not the

680

00:31:17,440 --> 00:31:15,860

other we will still cling on to these

681

00:31:19,060 --> 00:31:17,450

things like I'm sure if you look in the

682

00:31:21,820 --> 00:31:19,070

crop circle community now you will find

683

00:31:25,570 --> 00:31:21,830

a lot of people still using this the

684

00:31:28,289 --> 00:31:25,580

angle of the week's as as evidence and

685

00:31:32,350 --> 00:31:28,299

you say oh yes you see people using the

686

00:31:34,289 --> 00:31:32,360

these angle cut columns as evidence yeah

687

00:31:36,669 --> 00:31:34,299

you know there's that one in particular

688

00:31:39,639 --> 00:31:36,679

where I tracked down the photograph of

689

00:31:43,119 --> 00:31:39,649

it's still standing and uncurse from

690

00:31:45,549 --> 00:31:43,129

like six weeks after and they still use

691

00:31:47,769 --> 00:31:45,559

the same debunked stuff like we were

692

00:31:50,169 --> 00:31:47,779

talking about earlier it's very I have a

693

00:31:51,610 --> 00:31:50,179

frustrating but it's very you know what

694

00:31:54,310 --> 00:31:51,620

do you do how do you get through to

695

00:31:56,860 --> 00:31:54,320

these people but so far my experience is

696

00:32:02,680 --> 00:31:56,870

that the only reasonable way to do it is

697

00:32:05,230 --> 00:32:02,690

is through diplomacy in a understandable

698

00:32:07,029 --> 00:32:05,240

and it's hard to be too nice to them as

699

00:32:11,409 --> 00:32:07,039

well because you if you get too nice

700

00:32:13,749 --> 00:32:11,419

with them you you lose them they they go

701
00:32:15,549 --> 00:32:13,759
straight back to believing whatever they

702
00:32:18,159 --> 00:32:15,559
want to believe which is of course their

703
00:32:20,139 --> 00:32:18,169
right to do and and and mine in yours as

704
00:32:22,119 --> 00:32:20,149
well but it's like a fine balance you

705
00:32:23,590 --> 00:32:22,129
need to be a little bit he'd be a little

706
00:32:27,389 --> 00:32:23,600
bit rough and you need to be a little

707
00:32:30,730 --> 00:32:27,399
bit nice and you need to find a really

708
00:32:33,909 --> 00:32:30,740
social balance to to break through that

709
00:32:36,430 --> 00:32:33,919
these people but in regards to Deeb in

710
00:32:38,850 --> 00:32:36,440
regards to the crop circles well that

711
00:32:44,889 --> 00:32:38,860
when the crop circle phenomenon died out

712
00:32:47,619 --> 00:32:44,899
which it did quite a bit in in 20 2012

713
00:32:49,509 --> 00:32:47,629

or 11 that's when it died quite a bit

714

00:32:52,240 --> 00:32:49,519

off when these most of these artists

715

00:32:55,119 --> 00:32:52,250

quit you saw people remove themselves

716

00:32:58,000 --> 00:32:55,129

from from the crop circle phenomenon and

717

00:33:01,600 --> 00:32:58,010

they switched over to

718

00:33:02,049 --> 00:33:01,610

what's it called ley lines and these so

719

00:33:07,090 --> 00:33:02,059

called

720

00:33:10,419 --> 00:33:07,100

the energy blood veins kannada so these

721

00:33:13,330 --> 00:33:10,429

areas where people used to be which I

722

00:33:14,830 --> 00:33:13,340

love that the fact they did this and I

723

00:33:17,680 --> 00:33:14,840

joined them for quite a few nights just

724

00:33:20,350 --> 00:33:17,690

sky watching you had car parks around

725

00:33:22,180 --> 00:33:20,360

wheelchair just packed with people with

726

00:33:23,980 --> 00:33:22,190

binoculars and night vision and they

727

00:33:28,389 --> 00:33:23,990

wanted to see UFOs making crop circles

728

00:33:31,360 --> 00:33:28,399

and you had campfires and you had a you

729

00:33:34,360 --> 00:33:31,370

had in a way a community that was very

730

00:33:37,240 --> 00:33:34,370

nice very well-meaning they didn't do

731

00:33:40,389 --> 00:33:37,250

any harm to any people at all when they

732

00:33:43,990 --> 00:33:40,399

lost that they just moved - thru the

733

00:33:47,889 --> 00:33:44,000

leylines community or the so this

734

00:33:51,490 --> 00:33:47,899

shamanic culture that's over in the UK

735

00:33:55,690 --> 00:33:51,500

so they just spread off and it seems to

736

00:33:57,700 --> 00:33:55,700

be to me a need to believe in something

737

00:34:00,460 --> 00:33:57,710

bigger than yourself I have a feeling

738

00:34:04,690 --> 00:34:00,470

that some people do actually go crazy if

739

00:34:07,120 --> 00:34:04,700

they don't have a mental support that

740

00:34:10,180 --> 00:34:07,130

can carry them through through life

741

00:34:11,740 --> 00:34:10,190

because life can be rough really rough

742

00:34:13,899 --> 00:34:11,750

for a lot of people I mean for most

743

00:34:17,319 --> 00:34:13,909

people it's it's just about bringing

744

00:34:20,139 --> 00:34:17,329

food on your table and having enough for

745

00:34:23,829 --> 00:34:20,149

your kids to to manage and in that

746

00:34:27,309 --> 00:34:23,839

roughness I think a religious aspect in

747

00:34:29,829 --> 00:34:27,319

any in any direction will will help you

748

00:34:32,409 --> 00:34:29,839

accomplish that in a way that makes you

749

00:34:35,559 --> 00:34:32,419

feel good about yourself and if that is

750

00:34:38,399 --> 00:34:35,569

believing in crop circles or thinking

751
00:34:40,690 --> 00:34:38,409
those bases on the moon then I

752
00:34:43,149 --> 00:34:40,700
completely understand it it's it's a

753
00:34:45,819 --> 00:34:43,159
part of human human culture and human

754
00:34:47,700 --> 00:34:45,829
nature for a long time and it probably

755
00:34:51,940 --> 00:34:47,710
gonna continue for a long time but I

756
00:34:54,369 --> 00:34:51,950
guess you go more into what what happens

757
00:34:57,790 --> 00:34:54,379
when it becomes damaging and when is

758
00:35:00,940 --> 00:34:57,800
that point when when is it that it

759
00:35:03,309 --> 00:35:00,950
becomes a threat you would like these

760
00:35:05,500 --> 00:35:03,319
soldiers that come home and and really

761
00:35:09,520 --> 00:35:05,510
believe and this and that I mean this I

762
00:35:11,230 --> 00:35:09,530
have I mean there's quite a bit of other

763
00:35:11,710 --> 00:35:11,240

soldiers that come back home and that

764

00:35:14,230 --> 00:35:11,720

they're not

765

00:35:16,810 --> 00:35:14,240

is that the government for conspiracies

766

00:35:21,730 --> 00:35:16,820

necessarily but for sending them off to

767

00:35:25,599 --> 00:35:21,740

a war that's [h__h] to put it in that

768

00:35:27,810 --> 00:35:25,609

way and and they so I don't I don't find

769

00:35:30,490 --> 00:35:27,820

that conspiracy theories would be the

770

00:35:32,410 --> 00:35:30,500

the threatening aspect of this I think

771

00:35:35,550 --> 00:35:32,420

that the the government's making

772

00:35:37,870 --> 00:35:35,560

decisions that traumatize people and

773

00:35:42,390 --> 00:35:37,880

where they discover that they've been

774

00:35:44,980 --> 00:35:42,400

lied to is a lot more dangerous than

775

00:35:47,020 --> 00:35:44,990

believing that someone else did 9/11 for

776

00:35:48,910 --> 00:35:47,030

example yeah I think perhaps the

777

00:35:51,430 --> 00:35:48,920

conspiracy theories there might be more

778

00:35:53,830 --> 00:35:51,440

of a issue on the individual basis that

779

00:35:57,190 --> 00:35:53,840

rather than a general societal this

780

00:36:00,250 --> 00:35:57,200

phattest dissatisfaction in America we

781

00:36:03,270 --> 00:36:00,260

have former military and former law

782

00:36:10,990 --> 00:36:03,280

enforcement like police quite a chunk of

783

00:36:13,750 --> 00:36:11,000

them kind of joined biker gangs a lot of

784

00:36:16,540 --> 00:36:13,760

the people who are in bikers are usually

785

00:36:18,550 --> 00:36:16,550

older guys who used to be in the

786

00:36:21,099 --> 00:36:18,560

military or at they sometimes were in

787

00:36:23,589 --> 00:36:21,109

the police and they're just basically

788

00:36:24,880 --> 00:36:23,599

essentially rebelling against society

789

00:36:26,349 --> 00:36:24,890

there's all kinds of different biker

790

00:36:28,750 --> 00:36:26,359

gangs I don't want to like cast all

791

00:36:31,900 --> 00:36:28,760

bikers in the same same light but

792

00:36:36,460 --> 00:36:31,910

there's there are these bikers and

793

00:36:39,130 --> 00:36:36,470

militias in the United States which you

794

00:36:40,870 --> 00:36:39,140

know I think forming part you know lots

795

00:36:42,220 --> 00:36:40,880

of different reasons obviously but

796

00:36:45,550 --> 00:36:42,230

because of that where you talked about

797

00:36:46,930 --> 00:36:45,560

there the dissatisfaction with you know

798

00:36:49,450 --> 00:36:46,940

the government sending them off to war

799

00:36:51,370 --> 00:36:49,460

like an unjust war they weren't linked

800

00:36:52,540 --> 00:36:51,380

not to the country they realized was

801
00:36:54,490 --> 00:36:52,550
unjust perhaps and realized before

802
00:36:55,810 --> 00:36:54,500
and/or maybe they realized when they got

803
00:36:59,020 --> 00:36:55,820
back but you know they realized at some

804
00:37:00,910 --> 00:36:59,030
point that you know they have been used

805
00:37:03,280 --> 00:37:00,920
and perhaps they they were forced to

806
00:37:04,900 --> 00:37:03,290
kill people over there and then they

807
00:37:08,050 --> 00:37:04,910
came back and they have so fit in with

808
00:37:09,780 --> 00:37:08,060
with Society and you know I think

809
00:37:12,520 --> 00:37:09,790
perhaps you're right it might not be the

810
00:37:16,359 --> 00:37:12,530
the conspiracy theory might not be the

811
00:37:20,589 --> 00:37:16,369
the general threat that certainly it

812
00:37:22,030 --> 00:37:20,599
does raise its head I just want to touch

813
00:37:24,760 --> 00:37:22,040

on something you mentioned earlier you

814

00:37:25,599 --> 00:37:24,770

talked about you know these people in

815

00:37:28,269 --> 00:37:25,609

UFO

816

00:37:30,640 --> 00:37:28,279

watching parties having a great time and

817

00:37:32,229 --> 00:37:30,650

then moving over to the ley lines and I

818

00:37:35,220 --> 00:37:32,239

imagine you have some gatherings that

819

00:37:37,120 --> 00:37:35,230

they do at Glastonbury Tor or wherever

820

00:37:40,479 --> 00:37:37,130

yes that's the place

821

00:37:42,549 --> 00:37:40,489

yeah and they I think you know you say

822

00:37:44,950 --> 00:37:42,559

like having a belief in something gives

823

00:37:47,289 --> 00:37:44,960

you this new a sense of order in the

824

00:37:52,180 --> 00:37:47,299

universe but I think the central aspect

825

00:37:55,089 --> 00:37:52,190

is a major factor you get this this this

826

00:37:58,269 --> 00:37:55,099

social life from having this shared

827

00:38:01,239 --> 00:37:58,279

passion mmm and I think this is

828

00:38:03,940 --> 00:38:01,249

something that I see you know not just

829

00:38:05,499 --> 00:38:03,950

in UFO culture you know they all like

830

00:38:08,499 --> 00:38:05,509

talking about UFOs the other UFO

831

00:38:11,079 --> 00:38:08,509

conferences but in 9/11 you get these

832

00:38:13,239 --> 00:38:11,089

local 9/11 groups and local chemtrail

833

00:38:17,829 --> 00:38:13,249

groups and you get these groups of

834

00:38:20,410 --> 00:38:17,839

people and they they form a family in a

835

00:38:23,249 --> 00:38:20,420

way and they get together and they have

836

00:38:26,620 --> 00:38:23,259

fun and they help each other and I think

837

00:38:30,569 --> 00:38:26,630

you know and you should tell me what you

838

00:38:34,539 --> 00:38:30,579

think here that being part of a family

839

00:38:37,390 --> 00:38:34,549

prevents you from getting out like yeah

840

00:38:39,309 --> 00:38:37,400

if you start thinking you know negative

841

00:38:40,509 --> 00:38:39,319

thoughts about a theory like maybe you

842

00:38:43,359 --> 00:38:40,519

know 11 wasn't the controlled demolition

843

00:38:44,650 --> 00:38:43,369

or maybe these UFOs are just you know

844

00:38:47,859 --> 00:38:44,660

maybe the crop circles are just guys

845

00:38:49,749 --> 00:38:47,869

with boys then the the idea that you're

846

00:38:53,039 --> 00:38:49,759

going to lose your family yeah you're

847

00:38:56,079 --> 00:38:53,049

you and your new family might might

848

00:39:00,039 --> 00:38:56,089

dissuade you from even investigating

849

00:39:03,759 --> 00:39:00,049

that yes I kinda thought about how I've

850

00:39:07,329 --> 00:39:03,769

experienced that several times the first

851

00:39:09,489 --> 00:39:07,339

time was if you if you know about a

852

00:39:12,900 --> 00:39:09,499

group called C SETI and disclosure

853

00:39:16,569 --> 00:39:12,910

project that was funded by Steven Greer

854

00:39:18,009 --> 00:39:16,579

I know SETI bit and I know Steven Greer

855

00:39:18,670 --> 00:39:18,019

but I'm not familiar with this which

856

00:39:22,539 --> 00:39:18,680

project

857

00:39:24,089 --> 00:39:22,549

Steven Greer is a UFO guys and he thinks

858

00:39:27,039 --> 00:39:24,099

that those aliens

859

00:39:30,640 --> 00:39:27,049

yeah um talk even things like that he

860

00:39:33,009 --> 00:39:30,650

funded a welder he funded several

861

00:39:34,779 --> 00:39:33,019

organizations but he funded one called C

862

00:39:37,690 --> 00:39:34,789

SETI the Center for the Study of

863

00:39:39,040 --> 00:39:37,700

extraterrestrial intelligence in I think

864

00:39:46,480 --> 00:39:39,050

it was in the nine

865

00:39:48,730 --> 00:39:46,490

tee's and he was in the UK in 2011 I

866

00:39:50,920 --> 00:39:48,740

think I might be wrong about that but it

867

00:39:52,960 --> 00:39:50,930

was in Malcolm and they were funding a

868

00:39:57,790 --> 00:39:52,970

new Ghana organization a sister one

869

00:40:00,400 --> 00:39:57,800

sister organization for him in the UK to

870

00:40:03,430 --> 00:40:00,410

basically do the same thing as C said he

871

00:40:06,400 --> 00:40:03,440

was and that is to go out meditate and

872

00:40:10,930 --> 00:40:06,410

to ask what a result that to come down

873

00:40:15,520 --> 00:40:10,940

and show itself and to initiate contact

874

00:40:20,530 --> 00:40:15,530

with whatever is out there and I was a

875

00:40:23,650 --> 00:40:20,540

part of that group for around seven six

876

00:40:28,000 --> 00:40:23,660

seven years as a technical consultant

877

00:40:30,310 --> 00:40:28,010

with the you know photo cameras and

878

00:40:31,300 --> 00:40:30,320

binoculars and night vision gear and

879

00:40:33,220 --> 00:40:31,310

recording and everything

880

00:40:35,860 --> 00:40:33,230

electromagnetic recordings and

881

00:40:38,590 --> 00:40:35,870

everything I'd wanted to do the nuts and

882

00:40:42,870 --> 00:40:38,600

bolts stuff and not have so much to do

883

00:40:48,070 --> 00:40:42,880

with the spiritual aspect of it right

884

00:40:52,030 --> 00:40:48,080

but when you noticed that there wasn't

885

00:40:52,720 --> 00:40:52,040

really much going on and that what they

886

00:40:55,440 --> 00:40:52,730

were seeing

887

00:40:59,740 --> 00:40:55,450

you know iridium flares satellites

888

00:41:01,810 --> 00:40:59,750

started asking questions about maybe

889

00:41:07,410 --> 00:41:01,820

what you felt or thought you felt or

890

00:41:11,980 --> 00:41:07,420

what you saw maybe wasn't that and it

891

00:41:16,740 --> 00:41:11,990

created some stir inside the community

892

00:41:20,560 --> 00:41:16,750

and I was eventually excluded from the

893

00:41:24,400 --> 00:41:20,570

organization which was called sir Sir

894

00:41:29,520 --> 00:41:24,410

per the reason was I can remember how I

895

00:41:38,350 --> 00:41:29,530

put it that my my inner energy didn't

896

00:41:42,490 --> 00:41:38,360

synchronize with the group's energy yes

897

00:41:45,370 --> 00:41:42,500

and was then excluded and it of course

898

00:41:48,030 --> 00:41:45,380

exactly how you put it you you feel

899

00:41:52,840 --> 00:41:48,040

excluded from a family which is a family

900

00:41:54,280 --> 00:41:52,850

where you find an openness and inclusion

901
00:41:56,380 --> 00:41:54,290
that you don't find anywhere else

902
00:41:59,590 --> 00:41:56,390
because if you talk about the stuff and

903
00:42:02,160 --> 00:41:59,600
uh in a normal society so to speak my

904
00:42:05,520 --> 00:42:02,170
experience was that in school and family

905
00:42:08,980 --> 00:42:05,530
usual friends you were what's the word

906
00:42:10,690 --> 00:42:08,990
ostracized or you know pushed out there

907
00:42:12,100 --> 00:42:10,700
as well just for talking about it but

908
00:42:14,650 --> 00:42:12,110
here is a group of people that are

909
00:42:18,640 --> 00:42:14,660
including me the more I talk about this

910
00:42:22,330 --> 00:42:18,650
and the more I exaggerate my own stories

911
00:42:25,630 --> 00:42:22,340
to put it like that and they cherish it

912
00:42:30,660 --> 00:42:25,640
in a way and it just it's like you're

913
00:42:33,880 --> 00:42:30,670

swimming in a sensation of love almost

914

00:42:35,890 --> 00:42:33,890

you're so on the same level of a belief

915

00:42:38,500 --> 00:42:35,900

system and wanting to believe that and

916

00:42:40,870 --> 00:42:38,510

it's it's hard to find that inclusion

917

00:42:44,470 --> 00:42:40,880

anywhere else it also happened in a crop

918

00:42:47,440 --> 00:42:44,480

circle community for example I was I was

919

00:42:50,020 --> 00:42:47,450

very well connected with the the crop

920

00:42:55,000 --> 00:42:50,030

circle researchers over there like Ava

921

00:42:59,800 --> 00:42:55,010

Marie Brewster Lucy Pringle and one of

922

00:43:01,600 --> 00:42:59,810

the dr. Grey's personal friends remember

923

00:43:05,500 --> 00:43:01,610

his name right now as many years ago and

924

00:43:07,360 --> 00:43:05,510

as soon as I told them that I'd met with

925

00:43:09,190 --> 00:43:07,370

one of the circle makers as soon as I

926
00:43:15,270 --> 00:43:09,200
told them that they've met one of them I

927
00:43:17,440 --> 00:43:15,280
was excluded and the reaction from the

928
00:43:22,930 --> 00:43:17,450
researcher Ava Marie Breck Astor was

929
00:43:25,420 --> 00:43:22,940
that of anger and frustration and I was

930
00:43:28,390 --> 00:43:25,430
there with a good friend of mine when

931
00:43:30,610 --> 00:43:28,400
this happened he's a cameraman with the

932
00:43:33,820 --> 00:43:30,620
BB know with a History Channel

933
00:43:36,070 --> 00:43:33,830
previously BBC he now works for the TV

934
00:43:38,710 --> 00:43:36,080
show ancient aliens he started observing

935
00:43:41,170 --> 00:43:38,720
the same thing as me that the the more

936
00:43:43,480 --> 00:43:41,180
you ask questions about whatever these

937
00:43:46,360 --> 00:43:43,490
communities believe they will exclude

938
00:43:49,240 --> 00:43:46,370

you so it's this almost like a double

939

00:43:52,060 --> 00:43:49,250

morale in in all communities like this

940

00:43:54,670 --> 00:43:52,070

because they they claim to be excluded

941

00:43:56,410 --> 00:43:54,680

themselves from the beginning by normal

942

00:43:59,680 --> 00:43:56,420

people and then they get into this

943

00:44:01,720 --> 00:43:59,690

community but as soon as you become one

944

00:44:03,580 --> 00:44:01,730

of these normal people again or maybe

945

00:44:05,850 --> 00:44:03,590

not normal but just start asking

946

00:44:08,400 --> 00:44:05,860

fundamental questions

947

00:44:10,190 --> 00:44:08,410

one's excluding you so they're doing

948

00:44:13,290 --> 00:44:10,200

exactly the same that they've

949

00:44:15,360 --> 00:44:13,300

experienced themselves and this is when

950

00:44:18,390 --> 00:44:15,370

this is what I saw like when you were

951

00:44:21,840 --> 00:44:18,400

into these common sections that it is

952

00:44:24,630 --> 00:44:21,850

type of exclusion and it's to me that

953

00:44:27,360 --> 00:44:24,640

was personally painful in a way to watch

954

00:44:29,550 --> 00:44:27,370

at that time because it it just makes

955

00:44:31,170 --> 00:44:29,560

you angry as to how people can

956

00:44:33,900 --> 00:44:31,180

communicate each other in that in that

957

00:44:36,770 --> 00:44:33,910

way but yeah that happened in the crop

958

00:44:43,170 --> 00:44:36,780

circle community and now

959

00:44:48,360 --> 00:44:43,180

yes it happened there as well I've been

960

00:44:50,730 --> 00:44:48,370

connected with an artist artistic

961

00:44:54,240 --> 00:44:50,740

community here in Norway that do art

962

00:44:57,570 --> 00:44:54,250

pieces and they're really good at it and

963

00:45:00,540 --> 00:44:57,580

it's an amazing group of people but as

964

00:45:02,940 --> 00:45:00,550

soon as you start doubting or asking

965

00:45:05,070 --> 00:45:02,950

questions about 9/11 that maybe it

966

00:45:07,410 --> 00:45:05,080

wasn't that bad and maybe it wasn't

967

00:45:09,570 --> 00:45:07,420

maybe it wasn't explosives maybe it was

968

00:45:12,570 --> 00:45:09,580

this instead or if it was other people

969

00:45:15,150 --> 00:45:12,580

behind it but they didn't use explosives

970

00:45:20,690 --> 00:45:15,160

but as soon as you start approaching

971

00:45:23,160 --> 00:45:20,700

that you kind of get the same sensation

972

00:45:28,260 --> 00:45:23,170

that they get a view that you're a shill

973

00:45:29,700 --> 00:45:28,270

or that you're then put you know that

974

00:45:32,640 --> 00:45:29,710

you've gotten disinformation or

975

00:45:35,910 --> 00:45:32,650

something and so I think you're right

976

00:45:40,310 --> 00:45:35,920

yes there is a type of exclusion here

977

00:45:43,020 --> 00:45:40,320

but it that their family inclusion it

978

00:45:47,370 --> 00:45:43,030

there's there's nothing quite like it

979

00:45:49,500 --> 00:45:47,380

because it's so so powerful and I I

980

00:45:51,060 --> 00:45:49,510

don't know what I don't know what it's

981

00:45:53,400 --> 00:45:51,070

like in the skeptics community if you

982

00:45:55,020 --> 00:45:53,410

guys get the same sensations of being

983

00:45:59,520 --> 00:45:55,030

skeptics dead I think it's quite the

984

00:46:01,230 --> 00:45:59,530

same okay no there's a degree of

985

00:46:03,330 --> 00:46:01,240

community I think in any like group of

986

00:46:05,340 --> 00:46:03,340

people with similar interest but I don't

987

00:46:07,890 --> 00:46:05,350

think we have exactly the same you know

988

00:46:10,110 --> 00:46:07,900

yeah the conspiracy theorists think

989

00:46:13,140 --> 00:46:10,120

they're changing the world like in a

990

00:46:14,490 --> 00:46:13,150

revolutionary manner where as skeptics

991

00:46:16,830 --> 00:46:14,500

are just kind of improving the world a

992

00:46:18,480 --> 00:46:16,840

little bit at a time so it's I don't

993

00:46:19,710 --> 00:46:18,490

think you get the same same type of

994

00:46:22,870 --> 00:46:19,720

thing but

995

00:46:25,810 --> 00:46:22,880

it was fascinating like hearing you

996

00:46:28,300 --> 00:46:25,820

talking about being excluded there

997

00:46:33,730 --> 00:46:28,310

because I don't know have you read my

998

00:46:35,290 --> 00:46:33,740

book escaping the rabbit hole first

999

00:46:36,940 --> 00:46:35,300

Chapman of the first chapter the first

1000

00:46:40,270 --> 00:46:36,950

interview I do in the book is with a guy

1001
00:46:43,170 --> 00:46:40,280
called Steve and his story there is

1002
00:46:45,970 --> 00:46:43,180
around 9/11 but it really seemed

1003
00:46:50,470 --> 00:46:45,980
parallel what you were saying in I think

1004
00:46:52,630 --> 00:46:50,480
it was the the crop circle thing only

1005
00:46:54,580 --> 00:46:52,640
with you have everything but you know

1006
00:46:56,830 --> 00:46:54,590
basically he had this real sense of

1007
00:46:58,900 --> 00:46:56,840
family and even said there was lots of

1008
00:47:01,000 --> 00:46:58,910
beautiful women in the group so that was

1009
00:47:03,370 --> 00:47:01,010
a good as a positive thing as well

1010
00:47:06,460 --> 00:47:03,380
so it was like a dating opportunity as

1011
00:47:10,630 --> 00:47:06,470
well but and he had a great time and he

1012
00:47:12,940 --> 00:47:10,640
was in tomatoes and he would get up in

1013
00:47:14,530 --> 00:47:12,950

these 911 meetings and he would give

1014

00:47:16,720 --> 00:47:14,540

stirring speeches and everyone would

1015

00:47:18,760 --> 00:47:16,730

applaud him and he felt like he was some

1016

00:47:23,440 --> 00:47:18,770

kind of hero and he really really

1017

00:47:26,920 --> 00:47:23,450

enjoyed it and it took him asking

1018

00:47:28,960 --> 00:47:26,930

questions furthest any of the spell to

1019

00:47:30,220 --> 00:47:28,970

break and it kind of happened when the

1020

00:47:32,620 --> 00:47:30,230

group started getting interested in

1021

00:47:34,090 --> 00:47:32,630

chemtrails and he that was just a step

1022

00:47:35,710 --> 00:47:34,100

too far for him he looked into

1023

00:47:38,740 --> 00:47:35,720

chemtrails and discovered that they were

1024

00:47:40,810 --> 00:47:38,750

just you know contrails one brought it

1025

00:47:42,370 --> 00:47:40,820

up and then they told him you know

1026

00:47:44,950 --> 00:47:42,380

basically what they told you that his

1027

00:47:47,740 --> 00:47:44,960

his energy didn't mesh with the energy

1028

00:47:50,980 --> 00:47:47,750

of the group and so he would have to

1029

00:47:52,450 --> 00:47:50,990

move on and so he lost his family which

1030

00:47:55,600 --> 00:47:52,460

I think was actually actually kind of

1031

00:47:59,560 --> 00:47:55,610

hard for him he has he he went back to

1032

00:48:00,940 --> 00:47:59,570

those groups more as a deep bunker but I

1033

00:48:03,010 --> 00:48:00,950

think in your heart it might have been

1034

00:48:04,620 --> 00:48:03,020

you know because that was his family and

1035

00:48:07,660 --> 00:48:04,630

he wanted to talk to them still he's

1036

00:48:09,670 --> 00:48:07,670

still actually friends with them so he

1037

00:48:11,380 --> 00:48:09,680

has very interesting parallels there I

1038

00:48:15,550 --> 00:48:11,390

should send you a copy of my book so you

1039

00:48:17,460 --> 00:48:15,560

can say yes at this point in the

1040

00:48:20,140 --> 00:48:17,470

discussion we started talking about

1041

00:48:22,570 --> 00:48:20,150

various aspects of 9/11 including a

1042

00:48:24,610 --> 00:48:22,580

bunch of fairly technical aspects so

1043

00:48:27,580 --> 00:48:24,620

I've kind of cut that chunk out it's

1044

00:48:28,890 --> 00:48:27,590

about an hour long and I'm just giving

1045

00:48:31,890 --> 00:48:28,900

the end of our discussion

1046

00:48:35,099 --> 00:48:31,900

here now the junk that I cut out will be

1047

00:48:37,140 --> 00:48:35,109

available in another episode so the

1048

00:48:43,410 --> 00:48:37,150

argument that you bring in forward are

1049

00:48:45,809 --> 00:48:43,420

very easily understandable but I think

1050

00:48:49,529 --> 00:48:45,819

some of them are also alternative

1051

00:48:52,710 --> 00:48:49,539

explanations yes and not exactly a

1052

00:48:55,200 --> 00:48:52,720

debunk I agree so does I agree and this

1053

00:48:57,650 --> 00:48:55,210

is something that I would actually

1054

00:49:00,779 --> 00:48:57,660

encourage that interpretation of it but

1055

00:49:04,259 --> 00:49:00,789

the point is there is an alternative

1056

00:49:06,210 --> 00:49:04,269

explanation the point here is that there

1057

00:49:08,940 --> 00:49:06,220

isn't just one possible source of

1058

00:49:11,640 --> 00:49:08,950

whatever of one possible reason for

1059

00:49:14,460 --> 00:49:11,650

these things there are other possible

1060

00:49:16,230 --> 00:49:14,470

reasons people say things like the

1061

00:49:18,509 --> 00:49:16,240

presence of iron microspheres can only

1062

00:49:21,239 --> 00:49:18,519

be explained by thermite which isn't

1063

00:49:24,089 --> 00:49:21,249

true or they will say you know what the

1064

00:49:27,359 --> 00:49:24,099

firefighters saw can only be explained

1065

00:49:28,799 --> 00:49:27,369

by thermite which also is true because

1066

00:49:30,660 --> 00:49:28,809

what they might have seen something that

1067

00:49:32,370 --> 00:49:30,670

wasn't molten steel you could say like

1068

00:49:34,079 --> 00:49:32,380

this meteorite can only have formed from

1069

00:49:35,700 --> 00:49:34,089

one thing but there are alternative

1070

00:49:38,039 --> 00:49:35,710

explanation it's just you know crushed

1071

00:49:40,470 --> 00:49:38,049

so I give a narrative and I don't prove

1072

00:49:42,660 --> 00:49:40,480

it but I present it as a possible

1073

00:49:45,479 --> 00:49:42,670

alternative explanation which you I

1074

00:49:47,009 --> 00:49:45,489

think you know you can consider it and I

1075

00:49:48,599 --> 00:49:47,019

give one you know I'll give you the

1076

00:49:50,849 --> 00:49:48,609

supporting evidence that I have like the

1077

00:49:54,180 --> 00:49:50,859

meteorite has unmelted steel in it and

1078

00:49:56,220 --> 00:49:54,190

it has bits of paper in it and also

1079

00:49:58,200 --> 00:49:56,230

concrete doesn't actually melt really it

1080

00:50:01,769 --> 00:49:58,210

kind of lace this integrates into its

1081

00:50:05,249 --> 00:50:01,779

components the language that's being

1082

00:50:07,920 --> 00:50:05,259

used in this in this manner of debunking

1083

00:50:10,259 --> 00:50:07,930

so to speak like in your lecture you

1084

00:50:13,019 --> 00:50:10,269

said a couple of times just debunked

1085

00:50:16,069 --> 00:50:13,029

that whatever this is it's debunked and

1086

00:50:22,019 --> 00:50:16,079

maybe the language is a little bit too

1087

00:50:23,670 --> 00:50:22,029

monotone or just too - yeah you know

1088

00:50:25,200 --> 00:50:23,680

what I mean that it's I agree with you I

1089

00:50:28,859 --> 00:50:25,210

agree with you and that's actually

1090

00:50:31,470 --> 00:50:28,869

something I've tried to rectify to a

1091

00:50:33,269 --> 00:50:31,480

degree in some of the shorter videos

1092

00:50:36,809 --> 00:50:33,279

I've been doing recently which I did

1093

00:50:39,870 --> 00:50:36,819

after after that presentation like I

1094

00:50:42,239 --> 00:50:39,880

will say at the end of a video that this

1095

00:50:42,710 --> 00:50:42,249

doesn't prove that this is but it's

1096

00:50:45,560 --> 00:50:42,720

something

1097

00:50:48,099 --> 00:50:45,570

to consider and I think now I really

1098

00:50:50,450 --> 00:50:48,109

should almost like start out saying that

1099

00:50:52,490 --> 00:50:50,460

you know what I'm about to show you does

1100

00:50:55,280 --> 00:50:52,500

not disprove the theory of controlled

1101
00:50:55,820 --> 00:50:55,290
demolition but it's something to

1102
00:50:58,790 --> 00:50:55,830
consider

1103
00:51:01,930 --> 00:50:58,800
especially if you think that this aspect

1104
00:51:06,280 --> 00:51:01,940
is evidence for controlled demolition

1105
00:51:09,260 --> 00:51:06,290
because people get very defensive when

1106
00:51:11,710 --> 00:51:09,270
they think that you are trying to remove

1107
00:51:14,900 --> 00:51:11,720
the underpinnings of their world and

1108
00:51:17,330 --> 00:51:14,910
they they view something like me

1109
00:51:19,070 --> 00:51:17,340
debunking iron microspheres as me

1110
00:51:22,190 --> 00:51:19,080
attempting to disprove that 9/11 was

1111
00:51:24,830 --> 00:51:22,200
controlled demolition and so they fight

1112
00:51:27,380 --> 00:51:24,840
against it with not not just simply with

1113
00:51:29,420 --> 00:51:27,390

the to preserve their belief in iron

1114

00:51:32,510 --> 00:51:29,430

microspheres but to preserve their

1115

00:51:33,950 --> 00:51:32,520

belief in the entire 9/11 thing so I

1116

00:51:36,290 --> 00:51:33,960

really am trying to separate that out

1117

00:51:37,760 --> 00:51:36,300

and say all I'm doing is saying that

1118

00:51:40,370 --> 00:51:37,770

there are other reasons for iron

1119

00:51:41,870 --> 00:51:40,380

microspheres one of which is thermite

1120

00:51:44,720 --> 00:51:41,880

actually make iron microspheres with

1121

00:51:46,580 --> 00:51:44,730

thermite and the in the talked idea

1122

00:51:49,820 --> 00:51:46,590

although I do is also find these little

1123

00:51:53,930 --> 00:51:49,830

white eyeball microspheres which yeah

1124

00:51:56,270 --> 00:51:53,940

but cause it runs yeah but there are

1125

00:51:58,370 --> 00:51:56,280

people but well in the debunking

1126
00:52:01,730 --> 00:51:58,380
community or for example on meta bunk

1127
00:52:06,440 --> 00:52:01,740
and people into the skeptic community

1128
00:52:08,210 --> 00:52:06,450
that seem to take a that they feel

1129
00:52:12,589 --> 00:52:08,220
they're part of a team and that team is

1130
00:52:15,920 --> 00:52:12,599
debunking and that team is to show and

1131
00:52:18,140 --> 00:52:15,930
almost like it's it's a fight to prove

1132
00:52:20,060 --> 00:52:18,150
people that you've been debunked they

1133
00:52:21,920 --> 00:52:20,070
put it in the end you it's the bunk'd

1134
00:52:26,440 --> 00:52:21,930
it's like this it's a way of

1135
00:52:30,710 --> 00:52:26,450
communicating that almost like a

1136
00:52:32,870 --> 00:52:30,720
self-loathing you get get a sensation of

1137
00:52:35,480 --> 00:52:32,880
people almost getting high of themselves

1138
00:52:38,570 --> 00:52:35,490

for being appearing to be more

1139

00:52:41,210 --> 00:52:38,580

intelligent or reflected than someone

1140

00:52:43,280 --> 00:52:41,220

else and that completely ruins the whole

1141

00:52:48,170 --> 00:52:43,290

argument that they came with to begin

1142

00:52:51,290 --> 00:52:48,180

with and I see this very visibly in the

1143

00:52:53,870 --> 00:52:51,300

in the skeptics community that they

1144

00:52:56,270 --> 00:52:53,880

they're riding a high horse many of them

1145

00:52:58,250 --> 00:52:56,280

and even if there are arguments

1146

00:52:59,630 --> 00:52:58,260

sound it doesn't really matter because

1147

00:53:02,270 --> 00:52:59,640

the way in which they're communicating

1148

00:53:05,450 --> 00:53:02,280

it is basically just ruining yeah no

1149

00:53:08,360 --> 00:53:05,460

it's the problem and you know in my book

1150

00:53:10,430 --> 00:53:08,370

which I'll send you a copy I talked

1151
00:53:13,340 --> 00:53:10,440
about how the first thing you got to do

1152
00:53:15,230 --> 00:53:13,350
is establish effective communication and

1153
00:53:17,060 --> 00:53:15,240
if you're not communicating effectively

1154
00:53:19,090 --> 00:53:17,070
with somebody it's gonna pointless I

1155
00:53:21,650 --> 00:53:19,100
think there's a lot of bad debunking

1156
00:53:24,230 --> 00:53:21,660
being done by the skeptics community in

1157
00:53:26,540 --> 00:53:24,240
two ways one is kind of like the rush to

1158
00:53:28,280 --> 00:53:26,550
judgment where people will just you know

1159
00:53:29,990 --> 00:53:28,290
make up the first explanation that comes

1160
00:53:31,220 --> 00:53:30,000
into their head for things and then tell

1161
00:53:34,010 --> 00:53:31,230
you oh well that's obviously just

1162
00:53:36,640 --> 00:53:34,020
collapsed because of the fires and you

1163
00:53:38,210 --> 00:53:36,650

know one law bla they'll make up some

1164

00:53:39,950 --> 00:53:38,220

explanation without really understanding

1165

00:53:42,320 --> 00:53:39,960

nuances and so it doesn't really come

1166

00:53:44,660 --> 00:53:42,330

across very well and the other bad

1167

00:53:48,590 --> 00:53:44,670

debunking is being just like you say

1168

00:53:51,740 --> 00:53:48,600

being very dismissive and you know not

1169

00:53:53,390 --> 00:53:51,750

really not really taking the time to

1170

00:53:56,240 --> 00:53:53,400

understand what the other person is

1171

00:54:00,350 --> 00:53:56,250

talking about just kind of religion to

1172

00:54:01,700 --> 00:54:00,360

judgment without really knowing the

1173

00:54:04,390 --> 00:54:01,710

topics and a lot of the times that

1174

00:54:08,240 --> 00:54:04,400

backfires especially in a more mature

1175

00:54:11,470 --> 00:54:08,250

Theory like 9/11 when a lot of the

1176

00:54:13,400 --> 00:54:11,480

proponents like yourself to a degree

1177

00:54:15,680 --> 00:54:13,410

you've been involved in it for a long

1178

00:54:17,480 --> 00:54:15,690

time and you know a lot of the the

1179

00:54:20,360 --> 00:54:17,490

arguments and you might know more about

1180

00:54:23,030 --> 00:54:20,370

it than the D bunker and then bunker

1181

00:54:24,920 --> 00:54:23,040

comes in and you know you say something

1182

00:54:26,720 --> 00:54:24,930

and then they just say whether it comes

1183

00:54:28,760 --> 00:54:26,730

in to the top of their head they don't

1184

00:54:31,130 --> 00:54:28,770

take the time to listen to you and find

1185

00:54:33,650 --> 00:54:31,140

out what the context is of what you're

1186

00:54:37,250 --> 00:54:33,660

saying or why you believe what you

1187

00:54:39,380 --> 00:54:37,260

believe and so they end up like not

1188

00:54:42,110 --> 00:54:39,390

debunking things because they will just

1189

00:54:43,550 --> 00:54:42,120

offer very very slight objections that

1190

00:54:46,040 --> 00:54:43,560

don't really make sense because they

1191

00:54:47,270 --> 00:54:46,050

don't really understand the context yeah

1192

00:54:50,450 --> 00:54:47,280

there's a problem I wish people wouldn't

1193

00:54:52,600 --> 00:54:50,460

wouldn't wade into debunking things

1194

00:54:56,420 --> 00:54:52,610

before they understood things like a

1195

00:54:58,880 --> 00:54:56,430

silly example but flat earth there's a

1196

00:55:01,760 --> 00:54:58,890

famous experiment in flat earth where

1197

00:55:04,340 --> 00:55:01,770

you you measure the length to the shadow

1198

00:55:07,260 --> 00:55:04,350

a one spot and then the length of a

1199

00:55:09,430 --> 00:55:07,270

shadow at the other spot and

1200

00:55:13,330 --> 00:55:09,440

everyone says like all this proves that

1201
00:55:15,580 --> 00:55:13,340
the earth is round it doesn't though it

1202
00:55:17,110 --> 00:55:15,590
just proves that you know that the Sun

1203
00:55:18,430 --> 00:55:17,120
has a different angle between this just

1204
00:55:21,940 --> 00:55:18,440
sticks it could mean that the Sun is

1205
00:55:23,020 --> 00:55:21,950
very low so because this experiment

1206
00:55:26,080 --> 00:55:23,030
doesn't prove it

1207
00:55:29,110 --> 00:55:26,090
and yet it's in popular culture it's a

1208
00:55:33,160 --> 00:55:29,120
way of proving the earth is round then

1209
00:55:35,770 --> 00:55:33,170
when someone is a bad debunker they will

1210
00:55:39,370 --> 00:55:35,780
often go for this this this this this

1211
00:55:40,720 --> 00:55:39,380
weak argument and give it to a flat

1212
00:55:42,220 --> 00:55:40,730
earth believer and then they'll just

1213
00:55:43,510 --> 00:55:42,230

roll their eyes and then it's kind of

1214

00:55:46,240 --> 00:55:43,520

hard to have a discussion with that

1215

00:55:48,190 --> 00:55:46,250

because in now you've got to explain to

1216

00:55:49,600 --> 00:55:48,200

the debunker about all the the math of

1217

00:55:51,360 --> 00:55:49,610

involved with the angles and everything

1218

00:55:53,910 --> 00:55:51,370

and you're not going to get anywhere so

1219

00:55:58,270 --> 00:55:53,920

thank you time if you're a deep bunker

1220

00:56:01,930 --> 00:55:58,280

yeah yeah absolutely one last question

1221

00:56:05,140 --> 00:56:01,940

that the what what do you think has been

1222

00:56:08,470 --> 00:56:05,150

the biggest learning experience for you

1223

00:56:11,530 --> 00:56:08,480

doing all of this work what has made the

1224

00:56:16,950 --> 00:56:11,540

highest impression that's a good

1225

00:56:22,000 --> 00:56:19,120

okay related to what we're talking about

1226

00:56:24,370 --> 00:56:22,010

there and that you can't just explain

1227

00:56:28,740 --> 00:56:24,380

something to someone and then expect

1228

00:56:32,440 --> 00:56:28,750

them to change their mind no matter how

1229

00:56:35,650 --> 00:56:32,450

how valid your explanation is there's

1230

00:56:39,010 --> 00:56:35,660

more to it than simply debunking as in

1231

00:56:43,120 --> 00:56:39,020

giving the correct explanation it has to

1232

00:56:45,250 --> 00:56:43,130

fit into a broader understanding of what

1233

00:56:49,480 --> 00:56:45,260

the other person is about you know watch

1234

00:56:50,880 --> 00:56:49,490

their their entire worldview is and you

1235

00:56:53,080 --> 00:56:50,890

have to make sure that you are

1236

00:56:54,940 --> 00:56:53,090

communicating effectively and that they

1237

00:56:57,070 --> 00:56:54,950

understand what you are doing as well as

1238

00:56:58,510 --> 00:56:57,080

you understand what what they are doing

1239

00:57:00,910 --> 00:56:58,520

what they are saying what their thought

1240

00:57:02,580 --> 00:57:00,920

process is so you haven't you have to

1241

00:57:06,610 --> 00:57:02,590

take the time to actually establish

1242

00:57:09,550 --> 00:57:06,620

communication before or during the

1243

00:57:13,120 --> 00:57:09,560

actual debunking I think before I was

1244

00:57:15,490 --> 00:57:13,130

very focused on figuring out what was

1245

00:57:18,760 --> 00:57:15,500

wrong and then writing an explanation of

1246

00:57:20,930 --> 00:57:18,770

why it is wrong mmm but that doesn't

1247

00:57:24,680 --> 00:57:20,940

really work because I did that if a Kemp

1248

00:57:27,020 --> 00:57:24,690

by starting in 2006 and I've written all

1249

00:57:29,660 --> 00:57:27,030

these explanations of why contrails

1250

00:57:31,339 --> 00:57:29,670

can't persist and yet we still have all

1251
00:57:33,380 --> 00:57:31,349
these people on the internet saying oh

1252
00:57:36,079 --> 00:57:33,390
you know if it's a long con trail it

1253
00:57:38,660 --> 00:57:36,089
must be a chem trail so just having the

1254
00:57:40,520 --> 00:57:38,670
explanations doesn't doesn't work you

1255
00:57:42,380 --> 00:57:40,530
can't just you know explain things to

1256
00:57:44,240 --> 00:57:42,390
people he even if you do it online in

1257
00:57:45,320 --> 00:57:44,250
you know in the chapter on something you

1258
00:57:46,760 --> 00:57:45,330
say here's the explanation they're

1259
00:57:47,690 --> 00:57:46,770
either they don't read it or they look

1260
00:57:50,000 --> 00:57:47,700
at it and they think it's this

1261
00:57:50,900 --> 00:57:50,010
information or they just it goes in one

1262
00:57:53,690 --> 00:57:50,910
ear and out the other

1263
00:57:55,730 --> 00:57:53,700

so yeah I've really changed in the way

1264

00:57:58,579 --> 00:57:55,740

that now I focus more on communication

1265

00:57:59,780 --> 00:57:58,589

and like outreach like trying to talk to

1266

00:58:02,089 --> 00:57:59,790

people and this is partly why I'm doing

1267

00:58:07,640 --> 00:58:02,099

this podcast I want to talk to people

1268

00:58:09,500 --> 00:58:07,650

who on all sides of the spectrum say

1269

00:58:14,630 --> 00:58:09,510

you're slightly on the conspiracy side

1270

00:58:16,540 --> 00:58:14,640

of the spectrum which is great so I

1271

00:58:20,210 --> 00:58:16,550

actually thought you would be a bit more

1272

00:58:22,250 --> 00:58:20,220

conspiratorial based on some of perhaps

1273

00:58:25,390 --> 00:58:22,260

I was I was looking at our older

1274

00:58:28,030 --> 00:58:25,400

interactions and not both yeah you are

1275

00:58:30,500 --> 00:58:28,040

so two years ago you're a bit more of a

1276

00:58:31,820 --> 00:58:30,510

9/11 truther me I mean I think you know

1277

00:58:33,349 --> 00:58:31,830

you obviously you're still very

1278

00:58:34,430 --> 00:58:33,359

interested in figuring out exactly what

1279

00:58:37,910 --> 00:58:34,440

happened and you still have a lot of

1280

00:58:40,839 --> 00:58:37,920

suspicious so you know you're you're a

1281

00:58:45,980 --> 00:58:40,849

good person to talk to because I think

1282

00:58:47,660 --> 00:58:45,990

seeing your journey in and out of the

1283

00:58:50,089 --> 00:58:47,670

rabbit hole I think is a good

1284

00:58:53,390 --> 00:58:50,099

illustration of you know what can happen

1285

00:58:56,120 --> 00:58:53,400

and yeah it's not all bad no it's not

1286

00:58:58,190 --> 00:58:56,130

yeah thank you reading yeah if you're

1287

00:59:00,200 --> 00:58:58,200

coming closer to the truth and you

1288

00:59:02,540 --> 00:59:00,210

actually recognize that then I think

1289

00:59:06,349 --> 00:59:02,550

it's a good thing you might have lost

1290

00:59:12,349 --> 00:59:06,359

your crop circle family I'm sure you

1291

00:59:15,290 --> 00:59:12,359

still have friends we're gonna try to

1292

00:59:17,800 --> 00:59:15,300

make another one but yet in seeing

1293

00:59:20,570 --> 00:59:17,810

yourself from the emotional aspect of

1294

00:59:23,839 --> 00:59:20,580

believing in those theories is is very

1295

00:59:24,650 --> 00:59:23,849

liberating it does help you see things

1296

00:59:26,780 --> 00:59:24,660

more clearly

1297

00:59:30,530 --> 00:59:26,790

definitely yeah and I have heard that

1298

00:59:31,940 --> 00:59:30,540

quite a lot people it's like the scales

1299

00:59:33,980 --> 00:59:31,950

have being lifted from their eyes or

1300

00:59:37,040 --> 00:59:33,990

whatever they they see things

1301
00:59:41,780 --> 00:59:37,050
more clearly I think for a lot of people

1302
00:59:43,970 --> 00:59:41,790
they labor under they kind of know that

1303
00:59:45,500 --> 00:59:43,980
it isn't real for a while where they

1304
00:59:47,930 --> 00:59:45,510
stay in it and then they're kind of

1305
00:59:49,730 --> 00:59:47,940
becomes a tipping point and so it can be

1306
00:59:51,950 --> 00:59:49,740
even though it takes a long time to get

1307
00:59:54,680 --> 00:59:51,960
to that point when it does fall away it

1308
00:59:56,750 --> 00:59:54,690
can fall away fairly rapidly like that

1309
00:59:58,910 --> 00:59:56,760
the false aspects of you'll believe I

1310
01:00:02,690 --> 00:59:58,920
think you probably had suspicions and

1311
01:00:04,490 --> 01:00:02,700
questions about various aspects of these

1312
01:00:07,270 --> 01:00:04,500
various things like all the things that

1313
01:00:10,130 --> 01:00:07,280

you've been through like the the the UFO

1314

01:00:12,400 --> 01:00:10,140

people who made UFO appears the crop

1315

01:00:15,470 --> 01:00:12,410

circles and then some aspects of 9/11

1316

01:00:16,850 --> 01:00:15,480

and you have questions about it but you

1317

01:00:18,650 --> 01:00:16,860

still stick with it because that's you

1318

01:00:20,060 --> 01:00:18,660

know what you believe but then the

1319

01:00:23,240 --> 01:00:20,070

weight of the evidence at some point

1320

01:00:25,460 --> 01:00:23,250

makes whatever that aspect is fall away

1321

01:00:28,220 --> 01:00:25,470

I've heard that being described as being

1322

01:00:29,690 --> 01:00:28,230

in liberating but also probably

1323

01:00:34,010 --> 01:00:29,700

sometimes a bit distressing with it

1324

01:00:37,700 --> 01:00:34,020

there's a shift in your worldview yeah

1325

01:00:41,170 --> 01:00:37,710

yeah definitely is it's so I can imagine

1326
01:00:44,930 --> 01:00:41,180
that you're you on a journey to find the

1327
01:00:47,570 --> 01:00:44,940
holy grail of trying to communicate to

1328
01:00:49,760 --> 01:00:47,580
two different communities and in the

1329
01:00:51,880 --> 01:00:49,770
best way possible yeah I don't think

1330
01:00:56,540 --> 01:00:51,890
there's a Holy Grail though I don't like

1331
01:00:59,930 --> 01:00:56,550
no silver bullets I think it's very much

1332
01:01:01,460 --> 01:00:59,940
tailored to the individual by what works

1333
01:01:02,870 --> 01:01:01,470
for one person isn't gonna work for

1334
01:01:07,010 --> 01:01:02,880
another there are certain things I think

1335
01:01:09,800 --> 01:01:07,020
that just that do work well like finding

1336
01:01:12,470 --> 01:01:09,810
common ground finding things that you

1337
01:01:14,900 --> 01:01:12,480
actually agree on I again I will often

1338
01:01:16,849 --> 01:01:14,910

ask somebody like you don't think the

1339

01:01:18,380 --> 01:01:16,859

earth is flat or you don't think the

1340

01:01:20,359 --> 01:01:18,390

chemtrails are real even though you know

1341

01:01:22,640 --> 01:01:20,369

maybe they do so we find you know where

1342

01:01:24,770 --> 01:01:22,650

is the dividing line between what we

1343

01:01:28,190 --> 01:01:24,780

agree on like we would agree for example

1344

01:01:31,790 --> 01:01:28,200

that Queen Elizabeth is not a child

1345

01:01:34,010 --> 01:01:31,800

eating reptile you know some people do

1346

01:01:35,930 --> 01:01:34,020

think that and then you go down the line

1347

01:01:37,820 --> 01:01:35,940

and you say what don't we agree on and

1348

01:01:39,740 --> 01:01:37,830

why why are we disagreeing why do we

1349

01:01:41,330 --> 01:01:39,750

agree on something that's you know just

1350

01:01:43,670 --> 01:01:41,340

this further along a spectrum but we

1351

01:01:46,640 --> 01:01:43,680

don't agree with this thing you know why

1352

01:01:47,750 --> 01:01:46,650

would why would why do we agree that no

1353

01:01:49,180 --> 01:01:47,760

plane or

1354

01:01:52,010 --> 01:01:49,190

why do we agree a plane hit the Pentagon

1355

01:01:53,890 --> 01:01:52,020

but we don't agree that on the

1356

01:01:56,840 --> 01:01:53,900

controlled demolition why is one thing

1357

01:02:00,860 --> 01:01:56,850

implausible and/or implausible so I like

1358

01:02:02,390 --> 01:02:00,870

to look at that that yeah I mean yeah

1359

01:02:04,700 --> 01:02:02,400

well this has been a very interesting

1360

01:02:08,150 --> 01:02:04,710

discussion two and a quarter hours

1361

01:02:09,380 --> 01:02:08,160

so really go hey yes it's been very good

1362

01:02:10,030 --> 01:02:09,390

I think I might have to split them into

1363

01:02:13,010 --> 01:02:10,040

two pieces

1364

01:02:17,030 --> 01:02:13,020

all right you so you get two episodes

1365

01:02:21,250 --> 01:02:17,040

part 1 and part 2 Austin and so I thank

1366

01:02:28,370 --> 01:02:23,540

maybe we'll have you on again when

1367

01:02:30,200 --> 01:02:28,380

you've proceeded further oh I think I'd

1368

01:02:31,400 --> 01:02:30,210

like to talk to you again after after

1369

01:02:34,250 --> 01:02:31,410

the report comes out the whole see

1370

01:02:35,930 --> 01:02:34,260

report from from Alaska that'll be very

1371

01:02:41,540 --> 01:02:35,940

interesting cuz I think your take on

1372

01:02:43,580 --> 01:02:41,550

that it's been very interesting and well

1373

01:02:45,950 --> 01:02:43,590

thank you very much I'm glad you stopped

1374

01:02:47,840 --> 01:02:45,960

recording now you could listen to

1375

01:02:50,000 --> 01:02:47,850

episode three of tales from the rabbit

1376

01:02:51,500 --> 01:02:50,010

hole the extra material I cut out is

1377

01:02:54,080 --> 01:02:51,510

going to be available as episode four

1378

01:02:56,480 --> 01:02:54,090

and coming up next week in episode five

1379

01:02:58,460 --> 01:02:56,490

we're going to talk to Dan a former

1380

01:03:00,140 --> 01:02:58,470

apocalyptic prepper who now is no longer

1381

01:03:02,390 --> 01:03:00,150

an apocalyptic prepper

1382

01:03:03,910 --> 01:03:02,400

this is Mick West with tales from the

1383

01:03:06,800 --> 01:03:03,920

rabbit hole

1384

01:03:08,710 --> 01:03:06,810
