

1  
00:00:05,269 --> 00:00:04,579  
welcome to episode 5 of tales from the

2  
00:00:08,210 --> 00:00:05,279  
rabbit hole

3  
00:00:11,120 --> 00:00:08,220  
I'm your host Mick West my guest today

4  
00:00:13,009 --> 00:00:11,130  
is Dan from California dan used to be a

5  
00:00:14,930 --> 00:00:13,019  
prepper a survivalist someone who

6  
00:00:16,880 --> 00:00:14,940  
thought that the world or at least our

7  
00:00:19,310 --> 00:00:16,890  
current way of life was about to end at

8  
00:00:20,810 --> 00:00:19,320  
any moment when this didn't happen and

9  
00:00:23,300 --> 00:00:20,820  
when he figured out that this was taking

10  
00:00:24,679 --> 00:00:23,310  
a toll on his life Dan decided to drop

11  
00:00:30,349 --> 00:00:24,689  
the whole thing and now he's a lot

12  
00:00:32,740 --> 00:00:30,359  
happier so here's Dan yeah thank you

13  
00:00:34,970 --> 00:00:32,750

very much for doing this sure thank you

14

00:00:37,100 --> 00:00:34,980

welcome to the tales from the rabbit

15

00:00:38,540 --> 00:00:37,110

hole podcast I I'm talking to you I

16

00:00:40,549 --> 00:00:38,550

don't really know anything at all about

17

00:00:43,400 --> 00:00:40,559

you then what happened was you left a

18

00:00:45,260 --> 00:00:43,410

comment on one of my podcasts YouTube

19

00:00:47,959 --> 00:00:45,270

videos it was the one with the X

20

00:00:49,819 --> 00:00:47,969

conspiracy theorists right and you said

21

00:00:52,580 --> 00:00:49,829

I'm just gonna read what you wrote if

22

00:00:54,470 --> 00:00:52,590

you don't mind sure it says I was

23

00:00:55,819 --> 00:00:54,480

exposed to the conspiracy theory mindset

24

00:00:58,279 --> 00:00:55,829

when I was 11 years old

25

00:01:00,680 --> 00:00:58,289

I'm 52 now and I realized that 49 none

26

00:01:02,990 --> 00:01:00,690

of those theories played out it was all

27

00:01:05,030 --> 00:01:03,000

extreme speculation run amok I no longer

28

00:01:07,219 --> 00:01:05,040

waste time with it and I'm much happier

29

00:01:09,080 --> 00:01:07,229

Etha those those are they were

30

00:01:10,370 --> 00:01:09,090

fascinating comment and you know it

31

00:01:13,969 --> 00:01:10,380

seemed like there's obviously an

32

00:01:15,710 --> 00:01:13,979

interesting story behind that well yeah

33

00:01:22,490 --> 00:01:15,720

so I was wondering if you could take us

34

00:01:24,469 --> 00:01:22,500

back to when you were 11 my gasps

35

00:01:27,859 --> 00:01:24,479

brother my uncle would come home for the

36

00:01:29,120 --> 00:01:27,869

holidays and you know sure whatever book

37

00:01:30,950 --> 00:01:29,130

he was reading at the time is a real

38

00:01:35,960 --> 00:01:30,960

smart guy college educated this and that

39  
00:01:39,890 --> 00:01:35,970  
and he read George Orwell's 1984 mmm-hmm

40  
00:01:42,399 --> 00:01:39,900  
and then after that books about the CFR

41  
00:01:46,420 --> 00:01:42,409  
the Trilateral Commission builder birds

42  
00:01:51,050 --> 00:01:46,430  
you know all the the usual suspects and

43  
00:01:52,940 --> 00:01:51,060  
this was a frequent thing throughout my

44  
00:01:54,889 --> 00:01:52,950  
youth so it was always a topic that I

45  
00:01:57,920 --> 00:01:54,899  
knew something about even though it was

46  
00:02:00,709 --> 00:01:57,930  
just information from him so always knew

47  
00:02:03,740 --> 00:02:00,719  
of this I hate to see Illuminati but

48  
00:02:06,109 --> 00:02:03,750  
this other power structure going on as I

49  
00:02:08,059 --> 00:02:06,119  
grew up and so there was always the you

50  
00:02:10,309 --> 00:02:08,069  
know the the the thing behind the things

51  
00:02:13,610 --> 00:02:10,319  
so to speak but it didn't really have

52  
00:02:16,759 --> 00:02:13,620  
any effect on my behavior or outlook

53  
00:02:18,199 --> 00:02:16,769  
until 2008 all that other time it's just

54  
00:02:21,080 --> 00:02:18,209  
you to hear things learn things whatever

55  
00:02:24,020 --> 00:02:21,090  
the case is but it was in 2008

56  
00:02:28,550 --> 00:02:24,030  
just prior to Obama being elected there

57  
00:02:30,920 --> 00:02:28,560  
was an email he got sent out and it just

58  
00:02:34,220 --> 00:02:30,930  
said something to the effect of when

59  
00:02:38,360 --> 00:02:34,230  
Obama is elected there's going to be a

60  
00:02:41,569 --> 00:02:38,370  
vent and he will be forced to implement

61  
00:02:43,910 --> 00:02:41,579  
martial law for anywhere from 60 to 90

62  
00:02:48,050 --> 00:02:43,920  
days but it was about 25 pages long it

63  
00:02:51,050 --> 00:02:48,060

was really done well and being of a

64

00:02:53,210 --> 00:02:51,060

conspiracy theory mindset anyway and

65

00:02:56,180 --> 00:02:53,220

then getting a hold of this bit of

66

00:02:58,369 --> 00:02:56,190

information that's when I started to act

67

00:03:00,050 --> 00:02:58,379

upon these things as far as becoming a

68

00:03:03,349 --> 00:03:00,060

prepper I don't think to call it

69

00:03:07,190 --> 00:03:03,359

prepping back then became a prepper

70

00:03:08,509 --> 00:03:07,200

you know stocking foods guns bullets all

71

00:03:10,640 --> 00:03:08,519

this kind of stuff Larry skills this

72

00:03:12,890 --> 00:03:10,650

kind of thing we rented now it's like

73

00:03:15,110 --> 00:03:12,900

the mindset was okay you know where this

74

00:03:17,030 --> 00:03:15,120

thing is going to end so whatever you

75

00:03:18,199 --> 00:03:17,040

were doing before you need to jettison

76

00:03:22,569 --> 00:03:18,209

that now you're going into the other

77

00:03:25,400 --> 00:03:22,579

direction preparing for this inevitable

78

00:03:27,890 --> 00:03:25,410

bad thing that's what that point is when

79

00:03:29,539 --> 00:03:27,900

I actually affected my lifestyle

80

00:03:30,860 --> 00:03:29,549

where's prior to that I was just you

81

00:03:32,659 --> 00:03:30,870

hear of these things you know they just

82

00:03:35,089 --> 00:03:32,669

said go back to my uncle we talked about

83

00:03:37,879 --> 00:03:35,099

doubl years I was always in an economic

84

00:03:40,039 --> 00:03:37,889

collapse on the horizon and these kinds

85

00:03:41,720 --> 00:03:40,049

of things but it wasn't until 2008 we're

86

00:03:45,050 --> 00:03:41,730

actually acted upon it said you're just

87

00:03:46,250 --> 00:03:45,060

through fear that hey you need to do

88

00:03:49,039 --> 00:03:46,260

something here I think I my family

89

00:03:51,289 --> 00:03:49,049

involved and you know we stockpile food

90

00:03:55,670 --> 00:03:51,299

water this kind of thing and here it is

91

00:03:58,490 --> 00:03:55,680

we're into Trump now and we survived

92

00:04:01,250 --> 00:03:58,500

this Obama thing none of that ever

93

00:04:03,020 --> 00:04:01,260

happened matter of fact some of those

94

00:04:07,309 --> 00:04:03,030

things I stored up and locked away back

95

00:04:10,939 --> 00:04:07,319

then I finally had to throw away and I

96

00:04:14,569 --> 00:04:10,949

had at that point I had to take around

97

00:04:16,550 --> 00:04:14,579

2000 I want to say 12 and there that the

98

00:04:19,310 --> 00:04:16,560

recession was going on this and that

99

00:04:21,730 --> 00:04:19,320

yeah I had to say you know this this why

100

00:04:24,230 --> 00:04:21,740

am I putting time in on this thing and

101  
00:04:26,990 --> 00:04:24,240  
it's it's especially with YouTube I mean

102  
00:04:27,460 --> 00:04:27,000  
I just eat these videos up and I just

103  
00:04:28,990 --> 00:04:27,470  
said you

104  
00:04:30,460 --> 00:04:29,000  
the stuff isn't panning out I'm not

105  
00:04:32,200 --> 00:04:30,470  
saying that it might not happen in the

106  
00:04:34,300 --> 00:04:32,210  
future I think something could happen

107  
00:04:38,440 --> 00:04:34,310  
yeah but for as much time as I have

108  
00:04:42,130 --> 00:04:38,450  
invested with concern worry whatever we

109  
00:04:45,430 --> 00:04:42,140  
call it and really nothing ever happened

110  
00:04:47,140 --> 00:04:45,440  
if I was picking horses racehorses I'd

111  
00:04:49,480 --> 00:04:47,150  
be the ultimate loser but it was just

112  
00:04:51,940 --> 00:04:49,490  
the time and the effort put in and spent

113  
00:04:55,380 --> 00:04:51,950

thousands of dollars you know preparing

114

00:04:58,120 --> 00:04:55,390

for these things and all that you know

115

00:05:00,580 --> 00:04:58,130

yeah it was a waste of time but there's

116

00:05:03,010 --> 00:05:00,590

no value in day yeah with prepping I

117

00:05:04,870 --> 00:05:03,020

think in a way like you're you know

118

00:05:06,730 --> 00:05:04,880

taking a little gamble on the future

119

00:05:09,760 --> 00:05:06,740

there's nothing are being prepared and

120

00:05:12,250 --> 00:05:09,770

I'm a reasonable level of preparation

121

00:05:14,320 --> 00:05:12,260

for things like natural disasters and

122

00:05:17,350 --> 00:05:14,330

whatnot right now I mean everyone should

123

00:05:19,720 --> 00:05:17,360

do that and you know something might

124

00:05:20,740 --> 00:05:19,730

have happened when you're prepping years

125

00:05:23,080 --> 00:05:20,750

there might have been a giant earthquake

126

00:05:25,270 --> 00:05:23,090

or something and have been being glad

127

00:05:27,100 --> 00:05:25,280

but these things are kind of few and far

128

00:05:31,420 --> 00:05:27,110

between the the things where you

129

00:05:33,610 --> 00:05:31,430

actually need things so you had the idea

130

00:05:36,310 --> 00:05:33,620

in back in like the the 2000s the

131

00:05:39,100 --> 00:05:36,320

Society was going to collapse during the

132

00:05:40,930 --> 00:05:39,110

air more yes more or less yes and that

133

00:05:45,670 --> 00:05:40,940

it was going to be something deliberate

134

00:05:50,050 --> 00:05:45,680

done by the the Illuminati essentially

135

00:05:51,790 --> 00:05:50,060

and right yeah well you could pick your

136

00:05:53,740 --> 00:05:51,800

favorite you know in group

137

00:05:57,190 --> 00:05:53,750

yeah the Illuminati or whatever the case

138

00:05:58,810 --> 00:05:57,200

is but you know I actually believe you

139

00:05:59,800 --> 00:05:58,820

know I've had friends here in YouTube

140

00:06:01,720 --> 00:05:59,810

where they're they think there's just

141

00:06:04,420 --> 00:06:01,730

one body of people this cabal or

142

00:06:06,940 --> 00:06:04,430

whatever yeah and actually I can look at

143

00:06:10,000 --> 00:06:06,950

it now and say well there's many mm-hm

144

00:06:13,210 --> 00:06:10,010

I mean I know for a fact that there's a

145

00:06:15,280 --> 00:06:13,220

company there called Toyota Motor

146

00:06:16,840 --> 00:06:15,290

Company and they will go out of the way

147

00:06:19,750 --> 00:06:16,850

to do anything and everything possible

148

00:06:21,700 --> 00:06:19,760

to get you to buy their product they

149

00:06:23,650 --> 00:06:21,710

will market you they've all show you

150

00:06:25,480 --> 00:06:23,660

pretty pictures on the television of

151

00:06:28,810 --> 00:06:25,490

magazines and they are doing everything

152

00:06:31,030 --> 00:06:28,820

they can to manipulate you teach you not

153

00:06:33,070 --> 00:06:31,040

to buy a Honda but to buy a Toyota mm-hm

154

00:06:34,630 --> 00:06:33,080

and see them say some will say well

155

00:06:36,700 --> 00:06:34,640

that's not the same thing yeah but we

156

00:06:38,230 --> 00:06:36,710

have many groups like that the left

157

00:06:39,580 --> 00:06:38,240

wants you to do what the left wants the

158

00:06:40,839 --> 00:06:39,590

right wants to do with the right wants

159

00:06:42,850 --> 00:06:40,849

and whoever's pushing their

160

00:06:45,639 --> 00:06:42,860

or whatever yeah so you get to the point

161

00:06:48,429 --> 00:06:45,649

where I just can't see one single group

162

00:06:49,869 --> 00:06:48,439

or two that runs everything when I think

163

00:06:51,489 --> 00:06:49,879

everyone's trying to run everything I

164

00:06:56,529 --> 00:06:51,499

don't think there's any one group that

165

00:07:00,159 --> 00:06:56,539

has this thing nailed down that things

166

00:07:01,749 --> 00:07:00,169

turned out to plan so far yes yeah well

167

00:07:03,369 --> 00:07:01,759

I always point out just how many

168

00:07:04,510 --> 00:07:03,379

billionaires that are in the world if

169

00:07:06,189 --> 00:07:04,520

you look at the list of Forbes

170

00:07:08,139 --> 00:07:06,199

billionaires and they're just so diverse

171

00:07:09,669 --> 00:07:08,149

you've got like a whole bunch in China

172

00:07:12,279 --> 00:07:09,679

you got a bunch in Russia you got a

173

00:07:14,049 --> 00:07:12,289

bunch in America you know brighter you

174

00:07:16,209 --> 00:07:14,059

got them in the UK and France Europe

175

00:07:17,529 --> 00:07:16,219

Australia New Zealand billionaires all

176

00:07:18,669 --> 00:07:17,539

around the world and they're all doing

177

00:07:20,320 --> 00:07:18,679

different things and they're all in

178

00:07:23,199 --> 00:07:20,330

different industries and we can't assume

179

00:07:24,369 --> 00:07:23,209

that every billionaire is this evil you

180

00:07:26,559 --> 00:07:24,379

know man behind the curtain

181

00:07:29,529 --> 00:07:26,569

I mean somebody's very successful yeah

182

00:07:31,480 --> 00:07:29,539

so we're looking to get that Billy yeah

183

00:07:33,070 --> 00:07:31,490

they've invented something that's turned

184

00:07:37,299 --> 00:07:33,080

out to be very useful like right right

185

00:07:39,879 --> 00:07:37,309

like we're doing right here yeah yeah so

186

00:07:42,399 --> 00:07:39,889

like back in say 2008 what were the

187

00:07:44,499 --> 00:07:42,409

types of conspiracy theories like other

188

00:07:46,989 --> 00:07:44,509

than just a general idea that the

189

00:07:50,139 --> 00:07:46,999

government was plotting this big this

190

00:07:52,949 --> 00:07:50,149

big economic shift in the future would

191

00:07:57,579 --> 00:07:52,959

you believe other things as well well

192

00:07:59,649 --> 00:07:57,589

other things like there was maybe you

193

00:08:01,719 --> 00:07:59,659

know I was a hardcore fan of art bill

194

00:08:03,759 --> 00:08:01,729

for all those years you know he was

195

00:08:06,909 --> 00:08:03,769

going on and you had your entire body

196

00:08:09,159 --> 00:08:06,919

into the I mean you looked at all the I

197

00:08:10,749 --> 00:08:09,169

think was major at Dame's or something

198

00:08:11,379 --> 00:08:10,759

every you next year this is it this

199

00:08:14,399 --> 00:08:11,389

thing's over

200

00:08:16,389 --> 00:08:14,409

and he had that many years I did I

201  
00:08:18,159 --> 00:08:16,399  
accepted a lot of these things like

202  
00:08:20,829 --> 00:08:18,169  
maybe there was an Illuminati or maybe

203  
00:08:23,439 --> 00:08:20,839  
it was the Jews or maybe it's this or

204  
00:08:26,019 --> 00:08:23,449  
that I kind of accepted that but it

205  
00:08:28,509 --> 00:08:26,029  
wasn't until I got this one email where

206  
00:08:29,619 --> 00:08:28,519  
it's this was going to affect me this

207  
00:08:30,369 --> 00:08:29,629  
was actually going to touch me with

208  
00:08:32,499 --> 00:08:30,379  
those other things

209  
00:08:34,689 --> 00:08:32,509  
I really can't control any of that even

210  
00:08:37,679 --> 00:08:34,699  
if it's true true mm-hmm if there is

211  
00:08:40,209 --> 00:08:37,689  
this cabal somewhere what can I do

212  
00:08:42,129 --> 00:08:40,219  
yes I think I'm good you know I mean you

213  
00:08:44,769 --> 00:08:42,139

grew up with was that kind of belief

214

00:08:47,920 --> 00:08:44,779

that was right yeah a powerful group of

215

00:08:50,170 --> 00:08:47,930

people control I mean the Cold War you

216

00:08:50,740 --> 00:08:50,180

know 1985 is when I graduated high

217

00:08:53,590 --> 00:08:50,750

school

218

00:08:54,620 --> 00:08:53,600

yeah Reagan and all that with a fear of

219

00:08:56,060 --> 00:08:54,630

nuclear holocaust

220

00:08:57,200 --> 00:08:56,070

and all this kind of thing and so you

221

00:08:58,670 --> 00:08:57,210

just kind of get numb to this kind of

222

00:09:02,750 --> 00:08:58,680

stuff but it was I said it wasn't until

223

00:09:04,580 --> 00:09:02,760

I got that email random email and which

224

00:09:06,080 --> 00:09:04,590

got me to act so you know this could

225

00:09:07,730 --> 00:09:06,090

affect me here this is something that

226

00:09:09,650 --> 00:09:07,740

could if this happens this is going to

227

00:09:14,600 --> 00:09:09,660

happen here and this is going to affect

228

00:09:17,090 --> 00:09:14,610

me where that that had it took my level

229

00:09:18,500 --> 00:09:17,100

from concern to fear like okay if you

230

00:09:21,260 --> 00:09:18,510

don't do something and this does happen

231

00:09:23,180 --> 00:09:21,270

you're in a bad way so it was that was a

232

00:09:26,810 --> 00:09:23,190

real motivator for me as far as other

233

00:09:28,640 --> 00:09:26,820

conspiracies you know having been at

234

00:09:29,440 --> 00:09:28,650

this stuff for so long it's more just

235

00:09:31,940 --> 00:09:29,450

like it

236

00:09:33,530 --> 00:09:31,950

like some kid reads a comic book series

237

00:09:35,090 --> 00:09:33,540

and just keeps going with and going with

238

00:09:36,290 --> 00:09:35,100

it going with it well there's so many

239

00:09:38,600 --> 00:09:36,300

different things that happens in every

240

00:09:40,340 --> 00:09:38,610

magazine that you just to me it was just

241

00:09:44,660 --> 00:09:40,350

an ongoing thing so I never I never

242

00:09:46,430 --> 00:09:44,670

locked into any one thing whether it was

243

00:09:48,470 --> 00:09:46,440

this with that or the other you know

244

00:09:50,450 --> 00:09:48,480

ideals that was I can't nail down eating

245

00:09:53,210 --> 00:09:50,460

one conspiracy theory that really had me

246

00:09:54,470 --> 00:09:53,220

wrapped up yeah with a conspiracy

247

00:09:55,940 --> 00:09:54,480

theories back then that you thought were

248

00:09:57,290 --> 00:09:55,950

just a bit too ridiculous like I mean

249

00:10:00,140 --> 00:09:57,300

those things like you credit aliens

250

00:10:03,860 --> 00:10:00,150

reptilians obviously that's so I said

251  
00:10:09,110 --> 00:10:03,870  
David lower end of the spectrum yeah we

252  
00:10:10,610 --> 00:10:09,120  
have a lot of I think it was someone

253  
00:10:12,290 --> 00:10:10,620  
other than major David I think there was

254  
00:10:14,380 --> 00:10:12,300  
home one did a lot of stuff to you that

255  
00:10:17,230 --> 00:10:14,390  
when you start dealing with planets

256  
00:10:21,380 --> 00:10:17,240  
meteorites asteroids this kind of stuff

257  
00:10:22,760 --> 00:10:21,390  
you know it's like okay I mean how much

258  
00:10:25,430 --> 00:10:22,770  
even if they said it's coming tomorrow

259  
00:10:27,710 --> 00:10:25,440  
kala whatever you you can't stop if

260  
00:10:30,260 --> 00:10:27,720  
there's nothing so you just exist so

261  
00:10:31,790 --> 00:10:30,270  
it's so extreme that you just you just

262  
00:10:33,560 --> 00:10:31,800  
quit right off the get-go okay if that

263  
00:10:34,850 --> 00:10:33,570

happens it happens whatever I can't

264

00:10:38,660 --> 00:10:34,860

pretty I'm like an investing time in

265

00:10:40,190 --> 00:10:38,670

that right right so like say chemtrails

266

00:10:44,300 --> 00:10:40,200

for example is that something you paid

267

00:10:45,800 --> 00:10:44,310

attention to you know camp girls I prep

268

00:10:47,450 --> 00:10:45,810

were right next to an airport here and

269

00:10:50,210 --> 00:10:47,460

I've been I've always worked around an

270

00:10:51,740 --> 00:10:50,220

airport and I'm here in the central

271

00:10:55,040 --> 00:10:51,750

California you can see the sky most of

272

00:10:56,300 --> 00:10:55,050

the time right and chemtrails contrails

273

00:10:59,360 --> 00:10:56,310

we need to call it I've grown up around

274

00:11:00,980 --> 00:10:59,370

that my whole life until they started

275

00:11:02,330 --> 00:11:00,990

calling him chemtrails originally I

276

00:11:04,850 --> 00:11:02,340

thought hey there's something to this

277

00:11:07,250 --> 00:11:04,860

wow this is but as you get older a

278

00:11:08,360 --> 00:11:07,260

little wiser you realize I don't see the

279

00:11:10,220 --> 00:11:08,370

profit in this

280

00:11:11,480 --> 00:11:10,230

I just don't see how you're going to and

281

00:11:12,920 --> 00:11:11,490

just say I think you guys spoke on

282

00:11:14,870 --> 00:11:12,930

before how you gonna keep all these

283

00:11:16,880 --> 00:11:14,880

people quiet I have friends that are

284

00:11:21,410 --> 00:11:16,890

pilots commercial pilots and they just

285

00:11:23,090 --> 00:11:21,420

laugh I mean I mean I have a better idea

286

00:11:25,730 --> 00:11:23,100

instead of us flying over your house and

287

00:11:27,500 --> 00:11:25,740

spraying it why don't I just get you to

288

00:11:29,780 --> 00:11:27,510

drive in somewhere to a drive-in and eat

289

00:11:32,600 --> 00:11:29,790

our food that's how I'm gonna poison you

290

00:11:34,370 --> 00:11:32,610

mm-hmm I mean poison and sorry we helped

291

00:11:36,230 --> 00:11:34,380

so much food is a bunch of crap so it's

292

00:11:37,670 --> 00:11:36,240

it'd be far more effective and you would

293

00:11:39,829 --> 00:11:37,680

pay me for it why would I spend time

294

00:11:41,269 --> 00:11:39,839

spraying you from thousands ten to

295

00:11:42,620 --> 00:11:41,279

thirty thousand feet not knowing where

296

00:11:44,480 --> 00:11:42,630

it's gonna lay it in all those Kempton I

297

00:11:46,550 --> 00:11:44,490

just say doesn't right and I don't see

298

00:11:49,640 --> 00:11:46,560

the profit in it the amount of expense

299

00:11:54,560 --> 00:11:49,650

of a the chemtrail and then what the

300

00:11:55,850 --> 00:11:54,570

profit is I don't get it yeah I think

301

00:11:58,340 --> 00:11:55,860

that the theory that they have now is

302

00:11:59,510 --> 00:11:58,350

that it is some kind of geoengineering

303

00:12:02,450 --> 00:11:59,520

like they're trying to change the

304

00:12:04,790 --> 00:12:02,460

climate to either prevent global warming

305

00:12:08,390 --> 00:12:04,800

or fake global warming it's not entirely

306

00:12:09,650 --> 00:12:08,400

clear what they're they're saying most

307

00:12:12,530 --> 00:12:09,660

of the time if you're going to do

308

00:12:19,610 --> 00:12:12,540

something that's for the good you tell

309

00:12:22,970 --> 00:12:19,620

people about yeah that's not good and

310

00:12:26,120 --> 00:12:22,980

apparently for 50 years or so oh yeah

311

00:12:27,760 --> 00:12:26,130

just throw the back Craster's and even

312

00:12:30,940 --> 00:12:27,770

they would sing just very ineffective

313

00:12:32,840 --> 00:12:30,950

very ineffective yeah I mean

314

00:12:36,320 --> 00:12:32,850

crop-dusting you have to do it close to

315

00:12:37,760 --> 00:12:36,330

the ground obviously but you spray

316

00:12:39,530 --> 00:12:37,770

things that are way up there that it's

317

00:12:42,620 --> 00:12:39,540

gonna come down like you know it's up in

318

00:12:46,190 --> 00:12:42,630

Kansas thousands of miles away yeah

319

00:12:49,010 --> 00:12:46,200

what about say 9/11 that there's a whole

320

00:12:51,500 --> 00:12:49,020

broad number of conspiracy around 9/11

321

00:12:53,720 --> 00:12:51,510

9/11 I got caught up in that especially

322

00:12:55,550 --> 00:12:53,730

with the site yeast was eat guys never

323

00:12:59,810 --> 00:12:55,560

you guys say that it's like dye stuff

324

00:13:04,160 --> 00:13:02,360

I think most of this at the time they

325

00:13:05,329 --> 00:13:04,170

point something out I don't think I'm

326

00:13:07,670 --> 00:13:05,339

speaking up for myself

327

00:13:09,290 --> 00:13:07,680

mm-hmm but everyone's known maybe you

328

00:13:10,579 --> 00:13:09,300

had a girlfriend or your wife or friend

329

00:13:13,130 --> 00:13:10,589

or something they like to go to horror

330

00:13:15,530 --> 00:13:13,140

movies scary movies I don't like to be

331

00:13:17,120 --> 00:13:15,540

scared I've had girlfriends oh they just

332

00:13:20,210 --> 00:13:17,130

loved that just love something about it

333

00:13:21,800 --> 00:13:20,220

and I think what happens when we get

334

00:13:22,820 --> 00:13:21,810

into these topics

335

00:13:26,000 --> 00:13:22,830

especially in dealing with YouTube

336

00:13:27,500 --> 00:13:26,010

videos and I had to ask myself why do I

337

00:13:29,660 --> 00:13:27,510

watch this stuff you already know it

338

00:13:33,410 --> 00:13:29,670

doesn't play up most of the time why am

339

00:13:35,450 --> 00:13:33,420

I watching this well it brings up a it

340

00:13:39,920 --> 00:13:35,460

alters my state it brings up an emotion

341

00:13:43,160 --> 00:13:39,930

to me which is anxiety anxiousness and I

342

00:13:45,380 --> 00:13:43,170

guess I like that okay so when you see

343

00:13:47,210 --> 00:13:45,390

something like sight guys do this kind

344

00:13:49,760 --> 00:13:47,220

of thing that really freaked me I don't

345

00:13:52,400 --> 00:13:49,770

want to first saw and so it's like whoa

346

00:13:57,320 --> 00:13:52,410

but this was like a horror movie this

347

00:13:58,880 --> 00:13:57,330

thing really old man and over time I'm

348

00:14:01,460 --> 00:13:58,890

looking back I'm thinking when they

349

00:14:02,780 --> 00:14:01,470

named the claims that they've made I'm

350

00:14:06,140 --> 00:14:02,790

thinking you know over and over time

351

00:14:07,970 --> 00:14:06,150

like max I don't I don't think so it I

352

00:14:09,890 --> 00:14:07,980

mean I kind of bought into it originally

353

00:14:11,720 --> 00:14:09,900

but I'm like I just I don't think you

354

00:14:13,610 --> 00:14:11,730

can once again you're gonna get that

355

00:14:16,760 --> 00:14:13,620

many people on the same page the time

356

00:14:18,470 --> 00:14:16,770

he's got to be perfect too many people

357

00:14:19,820 --> 00:14:18,480

involved you just can't you know someone

358

00:14:22,280 --> 00:14:19,830

would have spoke of something by now

359

00:14:23,840 --> 00:14:22,290

mmm-hmm you know I set the bombs or what

360

00:14:26,480 --> 00:14:23,850

you know this kind of stuff and I just I

361

00:14:28,280 --> 00:14:26,490

can't I just that will give me a time

362

00:14:30,350 --> 00:14:28,290

for now that's that's really interesting

363

00:14:33,050 --> 00:14:30,360

the analogy drew there with the horror

364

00:14:35,510 --> 00:14:33,060

movies like it yeah yeah he's some kind

365

00:14:37,160 --> 00:14:35,520

of like visceral response that yeah your

366

00:14:39,050 --> 00:14:37,170

brain just its course have some

367

00:14:41,420 --> 00:14:39,060

chemicals that you your body kind of

368

00:14:43,520 --> 00:14:41,430

enjoys in a way like a roller right if

369

00:14:45,020 --> 00:14:43,530

you look at let's say I'll take you I

370

00:14:47,390 --> 00:14:45,030

can't watch a lot of YouTube videos if

371

00:14:49,060 --> 00:14:47,400

you're an inspirational speaker and you

372

00:14:51,800 --> 00:14:49,070

actually inspire people with your words

373

00:14:54,140 --> 00:14:51,810

people like that and they're gonna watch

374

00:14:55,550 --> 00:14:54,150

your videos and support your videos and

375

00:14:57,710 --> 00:14:55,560

buy your t-shirts or whatever you got

376

00:15:00,910 --> 00:14:57,720

going on cuz it makes them feel good

377

00:15:04,280 --> 00:15:00,920

makes them feel good there's an

378

00:15:07,730 --> 00:15:04,290

emotional thing yeah same thing if you

379

00:15:08,870 --> 00:15:07,740

look at shtf videos I used to look at

380

00:15:09,079 --> 00:15:08,880

all I should watch the stuff all the

381

00:15:12,380 --> 00:15:09,089

time

382

00:15:13,820 --> 00:15:12,390

shtf scenarios or coming closest videos

383

00:15:18,050 --> 00:15:13,830

variables type stuff

384

00:15:20,240 --> 00:15:18,060

yeah for me it brought out that that for

385

00:15:21,769 --> 00:15:20,250

me it was anxiousness the emotion the

386

00:15:25,490 --> 00:15:21,779

statement my mental state that it was

387

00:15:27,980 --> 00:15:25,500

preying upon was the this anxiety this

388

00:15:29,180 --> 00:15:27,990

fear and it's like hit me like a kind of

389

00:15:30,970 --> 00:15:29,190

bricks whoa damn like that's why I'm

390

00:15:33,140 --> 00:15:30,980

watching this stuff I already know that

391

00:15:35,180 --> 00:15:33,150

this meteors not gonna hit her tomorrow

392

00:15:36,559 --> 00:15:35,190

there's not an EMP happening tomorrow

393

00:15:39,530 --> 00:15:36,569

or some of these you know all these wild

394

00:15:41,240 --> 00:15:39,540

specular things but why am I still

395

00:15:42,280 --> 00:15:41,250

watching this I know most this is this

396

00:15:44,769 --> 00:15:42,290

boning

397

00:15:48,999 --> 00:15:44,779

because I got that horror movie effect

398

00:15:52,009 --> 00:15:49,009

I'm saying let's look like prepping and

399

00:15:53,600 --> 00:15:52,019

preparing for it it almost is like the

400

00:15:57,110 --> 00:15:53,610

opposite type of thing is giving you a

401  
00:16:00,980 --> 00:15:59,210  
but remember most of these things will

402  
00:16:01,819 --> 00:16:00,990  
give you a originally once you think

403  
00:16:04,819 --> 00:16:01,829  
about it gives you a sense of

404  
00:16:07,429 --> 00:16:04,829  
hopelessness hmm hey write hopelessness

405  
00:16:08,780 --> 00:16:07,439  
you do something so will you give oh I'd

406  
00:16:10,249 --> 00:16:08,790  
better prepare better well office at

407  
00:16:12,379 --> 00:16:10,259  
least at least I have this I've done

408  
00:16:14,869 --> 00:16:12,389  
this part most guys want to act well

409  
00:16:16,759 --> 00:16:14,879  
they get information on activated say so

410  
00:16:18,230 --> 00:16:16,769  
and I think I know that I said nothing

411  
00:16:20,240 --> 00:16:18,240  
wrong with prepping all I have a lot of

412  
00:16:23,240 --> 00:16:20,250  
friends around you do from Preppers this

413  
00:16:25,999 --> 00:16:23,250

than that and but I know for me I said

414

00:16:29,749 --> 00:16:26,009

speaking for myself once I realized what

415

00:16:31,819 --> 00:16:29,759

the recipe was okay it certain channels

416

00:16:35,809 --> 00:16:31,829

I watched a lot and they had the most

417

00:16:38,840 --> 00:16:35,819

extreme dad it's gonna be bad it's

418

00:16:40,610 --> 00:16:38,850

coming soon it's imminent whatever the

419

00:16:42,620 --> 00:16:40,620

thing was you know collapse or whatever

420

00:16:44,660 --> 00:16:42,630

it's right on the you know we're right

421

00:16:47,120 --> 00:16:44,670

on the edge of this thing it's any time

422

00:16:49,129 --> 00:16:47,130

now these guys would have 500,000

423

00:16:51,740 --> 00:16:49,139

subscribers and get 50,000 views by noon

424

00:16:53,840 --> 00:16:51,750

and I was one of them and if you look at

425

00:16:55,850 --> 00:16:53,850

the comments I wouldn't be willing to

426

00:16:58,550 --> 00:16:55,860

bet the 50% of people to support this

427

00:17:00,249 --> 00:16:58,560

channel these views are people like me

428

00:17:04,159 --> 00:17:00,259

that we're getting off on this anxious

429

00:17:06,319 --> 00:17:04,169

this kind of thing and so I have other

430

00:17:08,120 --> 00:17:06,329

friends that have channels good honest

431

00:17:11,630 --> 00:17:08,130

people genuine people but they don't

432

00:17:14,059 --> 00:17:11,640

push the extremes they got 5000

433

00:17:18,529 --> 00:17:14,069

subscribers they get to a thousand views

434

00:17:20,600 --> 00:17:18,539

and they're not tapping into the people

435

00:17:22,549 --> 00:17:20,610

like me that become addicted to this

436

00:17:24,740 --> 00:17:22,559

kind of thing see so you get this whole

437

00:17:26,840 --> 00:17:24,750

emotional thing so it's not healthy

438

00:17:30,049 --> 00:17:26,850

yes that's really not healthy for

439

00:17:34,010 --> 00:17:30,059

someone like using my situation see yeah

440

00:17:36,140 --> 00:17:34,020

you can see I I do some flutters

441

00:17:40,430 --> 00:17:36,150

debunking videos all right might

442

00:17:42,230 --> 00:17:40,440

actually kind of sober here's the facts

443

00:17:44,000 --> 00:17:42,240

type things and then there's other

444

00:17:46,279 --> 00:17:44,010

people who do flutter debunking videos

445

00:17:47,980 --> 00:17:46,289

and they're all like yeah you're an

446

00:17:49,690 --> 00:17:47,990

idiot you know this guy

447

00:17:51,490 --> 00:17:49,700

and we're talking about I what a [h\_\_h]

448

00:17:54,850 --> 00:17:51,500

and here I'll explain what the thing is

449

00:17:56,590 --> 00:17:54,860

and they're much more emotional wrong

450

00:17:58,870 --> 00:17:56,600

exactly they get way more views than I

451

00:18:01,240 --> 00:17:58,880

do because I just I just stick to the

452

00:18:04,180 --> 00:18:01,250

science and well it's if you're going to

453

00:18:08,380 --> 00:18:04,190

get big you have to push that button

454

00:18:09,370 --> 00:18:08,390

mm-hmm now chances are yes may not be

455

00:18:11,289 --> 00:18:09,380

your thing it's not my thing

456

00:18:12,850 --> 00:18:11,299

I don't to be followed by a bunch of

457

00:18:16,330 --> 00:18:12,860

people that are a little unhinged like

458

00:18:17,919 --> 00:18:16,340

myself but if if if you're going to do

459

00:18:18,970 --> 00:18:17,929

that kind of a top notes just like said

460

00:18:20,289 --> 00:18:18,980

if you're gonna do inspirational

461

00:18:21,909 --> 00:18:20,299

speaking you need to push that button

462

00:18:24,820 --> 00:18:21,919

and Spyros people that's a positive

463

00:18:26,830 --> 00:18:24,830

thing but when you're doing sh t f

464

00:18:28,630 --> 00:18:26,840

apocalypse this kind of stuff collapse

465

00:18:30,850 --> 00:18:28,640

that's not a positive thing it's a

466

00:18:32,169 --> 00:18:30,860

negative deal from the get-go and you

467

00:18:35,320 --> 00:18:32,179

have to push that negative button in

468

00:18:38,130 --> 00:18:35,330

those people and the more extreme you do

469

00:18:40,360 --> 00:18:38,140

it the more participation you get well

470

00:18:41,649 --> 00:18:40,370

there's people out here that figured out

471

00:18:43,899 --> 00:18:41,659

the recipe and that's what they do they

472

00:18:46,299 --> 00:18:43,909

play it up if it's if an event happens

473

00:18:49,149 --> 00:18:46,309

today and it's on a level of five they

474

00:18:51,340 --> 00:18:49,159

push you to 11 and get the crowd fired

475

00:18:55,240 --> 00:18:51,350

up and people just just go for it

476

00:18:55,810 --> 00:18:55,250

yeah this is it yeah this is it's

477

00:18:59,110 --> 00:18:55,820

happening

478

00:19:01,180 --> 00:18:59,120

right you're completely wrong you can

479

00:19:03,789 --> 00:19:01,190

make all the wild speculation you want

480

00:19:06,310 --> 00:19:03,799

predictions mm-hmm and if you fall flat

481

00:19:08,230 --> 00:19:06,320

on your face someone who like me when

482

00:19:09,580 --> 00:19:08,240

you push my button I'll forgive you for

483

00:19:12,760 --> 00:19:09,590

that I'll watch the next video we'll go

484

00:19:14,500 --> 00:19:12,770

back in again push my button see once I

485

00:19:16,840 --> 00:19:14,510

realize that about this topic about

486

00:19:18,250 --> 00:19:16,850

whether it's conspiracy theory or this

487

00:19:19,720 --> 00:19:18,260

coming collapse or whatever yeah they

488

00:19:22,720 --> 00:19:19,730

really ticked me off I'm like man I'm

489

00:19:25,930 --> 00:19:22,730

getting played here so it's it's I have

490

00:19:29,110 --> 00:19:25,940

to look at things and if I see nothing

491

00:19:31,510 --> 00:19:29,120

else the most important thing is if you

492

00:19:33,639 --> 00:19:31,520

walk into these things and let them

493

00:19:36,430 --> 00:19:33,649

affect your state of mind you basically

494

00:19:38,049 --> 00:19:36,440

get a bad attitude you cannot maintain a

495

00:19:39,789 --> 00:19:38,059

good attitude at least someone like me

496

00:19:42,279 --> 00:19:39,799

when you're bringing all this

497

00:19:46,330 --> 00:19:42,289

information in this bad news coming

498

00:19:50,590 --> 00:19:46,340

collapse warnings concerns and so you

499

00:19:53,830 --> 00:19:50,600

end up with a perspective about your

500

00:19:55,899 --> 00:19:53,840

your world is very very that's me is I

501  
00:19:58,379 --> 00:19:55,909  
think it's damaged at this point because

502  
00:20:01,510 --> 00:19:58,389  
usually look at everything from that

503  
00:20:03,760 --> 00:20:01,520  
conspiracy theory becomes your filter or

504  
00:20:06,610 --> 00:20:03,770  
shft collapse preparedness becomes your

505  
00:20:09,550 --> 00:20:06,620  
filter for everything I mean I missed if

506  
00:20:11,440 --> 00:20:09,560  
you go back to like 2010-11 I was

507  
00:20:13,330 --> 00:20:11,450  
falling into the stuff there were there

508  
00:20:16,000 --> 00:20:13,340  
were financial opportunities that came

509  
00:20:17,140 --> 00:20:16,010  
my way that I avoided because I said

510  
00:20:18,130 --> 00:20:17,150  
well this I don't think your sisters

511  
00:20:19,300 --> 00:20:18,140  
gonna be available I don't think

512  
00:20:21,490 --> 00:20:19,310  
currencies gonna be around for another

513  
00:20:24,510 --> 00:20:21,500

year dude and I passed over some great

514

00:20:28,480 --> 00:20:24,520

opportunities you tend to start

515

00:20:30,100 --> 00:20:28,490

segregating yourself from we'll just

516

00:20:31,150 --> 00:20:30,110

call it normal society because well

517

00:20:32,590 --> 00:20:31,160

they're not awake yet they don't know

518

00:20:34,360 --> 00:20:32,600

what's going on just like a spent thymus

519

00:20:36,790 --> 00:20:34,370

you just you start segregating yourself

520

00:20:39,190 --> 00:20:36,800

from that and you just you can to some

521

00:20:41,320 --> 00:20:39,200

really dark a really dark place for me

522

00:20:43,390 --> 00:20:41,330

just gave me a really bad attitude did

523

00:20:45,310 --> 00:20:43,400

it affect your relationships with like

524

00:20:45,670 --> 00:20:45,320

other people that you worked with or the

525

00:20:49,380 --> 00:20:45,680

year

526  
00:20:53,860 --> 00:20:49,390  
you met yeah that you yeah yeah people

527  
00:20:54,820 --> 00:20:53,870  
yeah as far as no tell too many people

528  
00:21:03,370 --> 00:20:54,830  
this'll think you're crazy

529  
00:21:05,050 --> 00:21:03,380  
so it's not I never uh hmm it was never

530  
00:21:07,270 --> 00:21:05,060  
a thing where I was I mean I probably

531  
00:21:09,880 --> 00:21:07,280  
spent less time I'm kind of reclusive

532  
00:21:11,260 --> 00:21:09,890  
anyway I do retails part of my life and

533  
00:21:14,620 --> 00:21:11,270  
then I go home I'm home by myself

534  
00:21:16,300 --> 00:21:14,630  
animals all this stuff I raise cattle so

535  
00:21:18,520 --> 00:21:16,310  
I've never wanted to really go out go

536  
00:21:20,980 --> 00:21:18,530  
out of my way to create a new circle of

537  
00:21:23,080 --> 00:21:20,990  
friends so I can't really judge that as

538  
00:21:24,610 --> 00:21:23,090

far as it has it affected my my social

539

00:21:26,080 --> 00:21:24,620

life I don't know did you feel like you

540

00:21:28,210 --> 00:21:26,090

were brought to an online community with

541

00:21:30,820 --> 00:21:28,220

the people online that you would chat

542

00:21:33,370 --> 00:21:30,830

with yes oh yeah I'm actually made some

543

00:21:36,670 --> 00:21:33,380

pretty good friends online through these

544

00:21:38,680 --> 00:21:36,680

topics yeah but new this is 2008 as far

545

00:21:40,420 --> 00:21:38,690

as being active on YouTube yes it's

546

00:21:42,280 --> 00:21:40,430

2000ad meet some besides you pretty good

547

00:21:44,080 --> 00:21:42,290

friends you don't all agree with me I

548

00:21:46,030 --> 00:21:44,090

have had some other fridge too that

549

00:21:47,860 --> 00:21:46,040

we're just like me as far as during the

550

00:21:49,900 --> 00:21:47,870

Obama years how the whole things can get

551  
00:21:51,640 --> 00:21:49,910  
bad to sit at that have pretty much left

552  
00:21:53,710 --> 00:21:51,650  
the topic they do other things now

553  
00:21:55,690 --> 00:21:53,720  
they've got into hobbies it's like they

554  
00:21:58,690 --> 00:21:55,700  
grew out of it kind of like in my

555  
00:22:00,370 --> 00:21:58,700  
situation so you know this just I'm 52 I

556  
00:22:02,110 --> 00:22:00,380  
don't know how many years I have left I

557  
00:22:04,600 --> 00:22:02,120  
want to get the most out of it and I'm

558  
00:22:09,820 --> 00:22:04,610  
not gonna waste it burning it up on this

559  
00:22:11,500 --> 00:22:09,830  
stuff yeah 52 2 so I you know when you

560  
00:22:13,660 --> 00:22:11,510  
talk to you make some pains yeah you

561  
00:22:16,010 --> 00:22:13,670  
talked about the aches and pains I know

562  
00:22:17,720 --> 00:22:16,020  
what you're talking about

563  
00:22:20,540 --> 00:22:17,730

yeah when you think about the Cold War I

564

00:22:22,310 --> 00:22:20,550

remember growing up in in the 80s and

565

00:22:26,870 --> 00:22:22,320

there were things like the Star Wars

566

00:22:30,610 --> 00:22:26,880

program and with Reagan and the threat

567

00:22:33,860 --> 00:22:30,620

of nuclear war back then and now what

568

00:22:36,830 --> 00:22:33,870

where were you I was in the arena when I

569

00:22:39,650 --> 00:22:36,840

grew okay Ill do cuz I was it Australian

570

00:22:42,650 --> 00:22:39,660

one time at that at that time and I fear

571

00:22:44,920 --> 00:22:42,660

I have to assume the news you guys God

572

00:22:47,330 --> 00:22:44,930

was different than the news that we got

573

00:22:48,950 --> 00:22:47,340

because I had friends that were from the

574

00:22:51,050 --> 00:22:48,960

UK they say hey we're hearing this this

575

00:22:52,760 --> 00:22:51,060

and this well we're hearing it you know

576

00:22:55,970 --> 00:22:52,770

you were hearing it different you know

577

00:22:57,260 --> 00:22:55,980

it's more of a fear oh this guy Reagan's

578

00:22:58,880 --> 00:22:57,270

crazies falling asleep at the wheel

579

00:23:00,380 --> 00:22:58,890

because we didn't hear a whole lot of

580

00:23:02,000 --> 00:23:00,390

that over my friends Australia surely

581

00:23:03,890 --> 00:23:02,010

did they were scared to death there was

582

00:23:05,240 --> 00:23:03,900

there was some of that in the UK there

583

00:23:08,330 --> 00:23:05,250

was quite a lot of people who have made

584

00:23:10,000 --> 00:23:08,340

fun of a famous satirical puppet show

585

00:23:12,770 --> 00:23:10,010

back in the 80s called spitting image

586

00:23:14,890 --> 00:23:12,780

and they had a segment every week which

587

00:23:16,970 --> 00:23:14,900

was the president's brain is missing

588

00:23:19,370 --> 00:23:16,980

make fun of the latest things that he

589

00:23:21,560 --> 00:23:19,380

says so we were definitely aware of that

590

00:23:24,350 --> 00:23:21,570

there was you know questions about to

591

00:23:26,330 --> 00:23:24,360

have that regular back down so that the

592

00:23:27,950 --> 00:23:26,340

people that you met online know the you

593

00:23:29,750 --> 00:23:27,960

know you proved to be friends with

594

00:23:32,840 --> 00:23:29,760

online or though some now who are still

595

00:23:36,220 --> 00:23:32,850

in that conspiracy mindset rightly that

596

00:23:38,630 --> 00:23:36,230

you still talk to hmm oh yeah I have

597

00:23:40,790 --> 00:23:38,640

people I subscribe to way back then I

598

00:23:42,230 --> 00:23:40,800

still subscribe to now because they were

599

00:23:44,900 --> 00:23:42,240

small there's still like small channel

600

00:23:47,990 --> 00:23:44,910

people a couple thousand subs and I

601  
00:23:49,910 --> 00:23:48,000  
support them but whereas their if their

602  
00:23:52,460 --> 00:23:49,920  
video comes across my screen it's just

603  
00:23:55,070 --> 00:23:52,470  
another title about this collapse or how

604  
00:23:56,630 --> 00:23:55,080  
to prep what I just I don't necessarily

605  
00:23:58,010 --> 00:23:56,640  
you know okay that's my friend doing his

606  
00:23:59,570 --> 00:23:58,020  
thing that's he still doing that or

607  
00:24:01,340 --> 00:23:59,580  
whatever and I don't I don't wish them

608  
00:24:02,450 --> 00:24:01,350  
any harm if that's you know you got to

609  
00:24:04,820 --> 00:24:02,460  
do what they think is right but I just

610  
00:24:06,200 --> 00:24:04,830  
don't participate like I used to but

611  
00:24:08,270 --> 00:24:06,210  
most of the big channel with the

612  
00:24:11,540 --> 00:24:08,280  
channels that knew how to push my button

613  
00:24:13,850 --> 00:24:11,550

to get me evolved I I'm done with all

614

00:24:15,530 --> 00:24:13,860

those I don't go near that because

615

00:24:17,690 --> 00:24:15,540

they're still entertaining for me you

616

00:24:19,100 --> 00:24:17,700

know you put up a good title a good

617

00:24:20,780 --> 00:24:19,110

warning kind of thing is still that's

618

00:24:22,010 --> 00:24:20,790

scary movie I might want to see and get

619

00:24:24,170 --> 00:24:22,020

you know caught up or whatever

620

00:24:27,090 --> 00:24:24,180

do you like you might get sucked back in

621

00:24:32,580 --> 00:24:27,100

again if you watched a few videos

622

00:24:34,620 --> 00:24:32,590

no the it goes back to the same there's

623

00:24:35,700 --> 00:24:34,630

a little bit of a discipline when I was

624

00:24:38,940 --> 00:24:35,710

going through all this

625

00:24:42,029 --> 00:24:38,950

probably about 2012-13 I'm a Christian

626

00:24:44,070 --> 00:24:42,039

okay and trying to follow the teachings

627

00:24:46,200 --> 00:24:44,080

of Jesus and a good part of that if you

628

00:24:48,180 --> 00:24:46,210

look at if took me a while to figure

629

00:24:50,520 --> 00:24:48,190

this out if you look at the attitude

630

00:24:52,380 --> 00:24:50,530

that you my faith wanted me to have and

631

00:24:55,710 --> 00:24:52,390

then the attitude that I was creating

632

00:24:57,690 --> 00:24:55,720

over here in this scary world kind of

633

00:24:59,520 --> 00:24:57,700

thing two different things so wait how

634

00:25:01,409 --> 00:24:59,530

am I gonna walk this thing out but I'm

635

00:25:03,720 --> 00:25:01,419

constantly getting myself all jacked up

636

00:25:04,950 --> 00:25:03,730

over here kind of deal so that was

637

00:25:06,720 --> 00:25:04,960

another part of it to you where it's

638

00:25:08,669 --> 00:25:06,730

like you know you gotta say yes you have

639

00:25:09,539 --> 00:25:08,679

no choice but to separate yourself from

640

00:25:11,430 --> 00:25:09,549

this because you're getting too

641

00:25:14,130 --> 00:25:11,440

emotionally involved in this stuff which

642

00:25:17,370 --> 00:25:14,140

messes up your attitude and now you're

643

00:25:19,860 --> 00:25:17,380

off the path again so did you know that

644

00:25:22,409 --> 00:25:19,870

was you know bad attitude

645

00:25:24,360 --> 00:25:22,419

how long do you think he yeah your

646

00:25:26,760 --> 00:25:24,370

transition took he said like it was

647

00:25:29,850 --> 00:25:26,770

around when was it you started kind of

648

00:25:32,820 --> 00:25:29,860

having doubts about it well it's I can't

649

00:25:35,789 --> 00:25:32,830

even exactly they're probably around I'm

650

00:25:37,140 --> 00:25:35,799

gonna say mm well actually I can it was

651  
00:25:38,730 --> 00:25:37,150  
pretty good for a while they're kind of

652  
00:25:39,840 --> 00:25:38,740  
staying out of this stuff was watching

653  
00:25:42,029 --> 00:25:39,850  
certain videos I'm not gonna watch his

654  
00:25:43,680 --> 00:25:42,039  
videos and work is a bad attitude then

655  
00:25:46,110 --> 00:25:43,690  
the ISIS thing started a rock and roll

656  
00:25:49,049 --> 00:25:46,120  
again and there was there was a fourth

657  
00:25:52,380 --> 00:25:49,059  
of July coming up and this had to be at

658  
00:25:54,360 --> 00:25:52,390  
the 14 or 15 might be 2014 and that kind

659  
00:25:56,279 --> 00:25:54,370  
of got me when uh you know I might you

660  
00:25:57,720 --> 00:25:56,289  
know keep my eye on this this might be

661  
00:25:59,430 --> 00:25:57,730  
something that you know feel here at

662  
00:26:02,220 --> 00:25:59,440  
home and kind of got caught up in it I

663  
00:26:06,120 --> 00:26:02,230

started making videos myself so let's

664

00:26:08,279 --> 00:26:06,130

say 14 15 and then realize that you know

665

00:26:10,350 --> 00:26:08,289

this is just a repeat you're doing it

666

00:26:12,539 --> 00:26:10,360

all over again you're caught up in this

667

00:26:13,740 --> 00:26:12,549

thing yeah it's been entertaining but

668

00:26:15,960 --> 00:26:13,750

here you get oh you got this bad

669

00:26:18,899 --> 00:26:15,970

attitude going again

670

00:26:22,350 --> 00:26:18,909

miserable outlook you know the future is

671

00:26:24,000 --> 00:26:22,360

not bright and this kind of thing and

672

00:26:26,220 --> 00:26:24,010

then that affects everything else that

673

00:26:29,250 --> 00:26:26,230

you do you know a bad attitude that's

674

00:26:34,380 --> 00:26:29,260

just terrible so I mean so that would be

675

00:26:36,510 --> 00:26:34,390

probably by 15 I'm like yes you're done

676  
00:26:38,820 --> 00:26:36,520  
with this you know you can't you have to

677  
00:26:40,289 --> 00:26:38,830  
stop doing this again and it's that's

678  
00:26:40,870 --> 00:26:40,299  
the probably at that point is when I

679  
00:26:43,330 --> 00:26:40,880  
realized

680  
00:26:45,040 --> 00:26:43,340  
I'm getting my buttons pushed here okay

681  
00:26:47,440 --> 00:26:45,050  
why am I so why am i why I go back to

682  
00:26:49,090 --> 00:26:47,450  
the stuff yeah there was some some very

683  
00:26:51,430 --> 00:26:49,100  
compelling events that happened

684  
00:26:52,780 --> 00:26:51,440  
I said Isis was it was just start a rock

685  
00:26:54,730 --> 00:26:52,790  
and roll and there were threats of some

686  
00:26:57,160 --> 00:26:54,740  
terrorist attacks possibly happening

687  
00:27:00,850 --> 00:26:57,170  
here but I said what is it's it's that

688  
00:27:02,440 --> 00:27:00,860

horror movie you know anxiety thing

689

00:27:04,630 --> 00:27:02,450

going again that you want to be scared

690

00:27:06,340 --> 00:27:04,640

whatever it is something that I liked

691

00:27:08,830 --> 00:27:06,350

obviously that drew me back into this

692

00:27:10,480 --> 00:27:08,840

thing or kept me in it I realized okay

693

00:27:13,270 --> 00:27:10,490

you gotta just divorce yourself in this

694

00:27:15,030 --> 00:27:13,280

this is not getting anywhere it's

695

00:27:18,820 --> 00:27:15,040

affecting everything else what I'm doing

696

00:27:20,860 --> 00:27:18,830

you to thing it's very interesting it's

697

00:27:23,170 --> 00:27:20,870

like new it's making you like you know

698

00:27:24,910 --> 00:27:23,180

kind of a toxic person oh right in a way

699

00:27:26,980 --> 00:27:24,920

you say you're a lot happier now and you

700

00:27:29,560 --> 00:27:26,990

seem like a happy person just talking

701  
00:27:33,550 --> 00:27:29,570  
teacher will you would you say you act

702  
00:27:35,890 --> 00:27:33,560  
like really angry or no how would you

703  
00:27:37,120 --> 00:27:35,900  
put it more of a I don't want to see

704  
00:27:38,500 --> 00:27:37,130  
depression because that's a pretty

705  
00:27:42,340 --> 00:27:38,510  
powerful thing it haven't really been a

706  
00:27:44,410 --> 00:27:42,350  
depressed person but it was like almost

707  
00:27:45,970 --> 00:27:44,420  
like living a countdown and so he had

708  
00:27:49,060 --> 00:27:45,980  
this extra weight it's just extra stress

709  
00:27:51,340 --> 00:27:49,070  
on you and so when other people were

710  
00:27:53,230 --> 00:27:51,350  
having you know they call them the

711  
00:27:55,180 --> 00:27:53,240  
sheeple out there oh look they're all

712  
00:27:56,590 --> 00:27:55,190  
happy and you know because they don't

713  
00:27:58,390 --> 00:27:56,600

know what's going on well I start see

714

00:27:59,830 --> 00:27:58,400

well these people are happy or they knew

715

00:28:01,570 --> 00:27:59,840

what's going on or not and I'm over here

716

00:28:05,710 --> 00:28:01,580

miserable I don't think I actually have

717

00:28:07,090 --> 00:28:05,720

treated people poorly but I did not just

718

00:28:08,620 --> 00:28:07,100

like you said oh you seem like a pretty

719

00:28:11,200 --> 00:28:08,630

happy person I probably seem like a very

720

00:28:14,200 --> 00:28:11,210

happy person then just an extra edit it

721

00:28:16,300 --> 00:28:14,210

put a lot of stress on me okay and you

722

00:28:19,450 --> 00:28:16,310

met people that are really burdened with

723

00:28:23,350 --> 00:28:19,460

stress or not that thing's been in a

724

00:28:25,540 --> 00:28:23,360

subtle way yes I changed your your

725

00:28:27,550 --> 00:28:25,550

outlook on life really right don't you

726

00:28:28,840 --> 00:28:27,560

you were living on the edge like you

727

00:28:29,610 --> 00:28:28,850

felt like this this sense of impending

728

00:28:32,830 --> 00:28:29,620

doom

729

00:28:35,440 --> 00:28:32,840

exactly now some people might say that

730

00:28:37,180 --> 00:28:35,450

having a bad attitude or this sense of

731

00:28:41,290 --> 00:28:37,190

impending doom is not a good reason to

732

00:28:42,730 --> 00:28:41,300

stop believing in things because you

733

00:28:44,770 --> 00:28:42,740

know you're just doing it to feel good

734

00:28:46,360 --> 00:28:44,780

and that's almost like you wanting to be

735

00:28:47,140 --> 00:28:46,370

a chief all because you think she poles

736

00:28:49,480 --> 00:28:47,150

are happier

737

00:28:53,240 --> 00:28:49,490

great point put your head in the sand

738

00:28:55,940 --> 00:28:53,250

yeah how would you respond to that

739

00:28:57,560 --> 00:28:55,950

well I have to speak for myself I've

740

00:29:00,470 --> 00:28:57,570

known some I know some people they can

741

00:29:02,029 --> 00:29:00,480

do the scare video and they're prepared

742

00:29:04,610 --> 00:29:02,039

for it and they go out and have a

743

00:29:07,549 --> 00:29:04,620

wonderful life or so they say

744

00:29:09,020 --> 00:29:07,559

not me I just took it real serious you

745

00:29:10,850 --> 00:29:09,030

know if someone said that this thing is

746

00:29:12,169 --> 00:29:10,860

going to happen it's really soon and the

747

00:29:14,180 --> 00:29:12,179

other guy says it ain't you need to get

748

00:29:16,159 --> 00:29:14,190

prepared for that I don't have time for

749

00:29:18,380 --> 00:29:16,169

idle chitchat and these kind of things

750

00:29:20,090 --> 00:29:18,390

so it was all of a sudden I'm getting

751  
00:29:21,350 --> 00:29:20,100  
geared up for this thing me and while

752  
00:29:22,820 --> 00:29:21,360  
everyone else around me is going on

753  
00:29:26,450 --> 00:29:22,830  
about their day like nothing's up

754  
00:29:29,149 --> 00:29:26,460  
good yes so I am I'm a square peg in a

755  
00:29:30,919 --> 00:29:29,159  
round hole all of a sudden and so if

756  
00:29:32,419 --> 00:29:30,929  
someone says well you can't just to

757  
00:29:35,000 --> 00:29:32,429  
ignore these things well I'm not

758  
00:29:37,159 --> 00:29:35,010  
choosing well I am ignoring these things

759  
00:29:39,080 --> 00:29:37,169  
because the effect on me was so dramatic

760  
00:29:42,320 --> 00:29:39,090  
right I wanted more out of myself

761  
00:29:44,690 --> 00:29:42,330  
there's I can't these these fear videos

762  
00:29:46,190 --> 00:29:44,700  
I'll call them I can't control any of

763  
00:29:47,360 --> 00:29:46,200

these things I have no impact on these

764

00:29:48,890 --> 00:29:47,370

things whatsoever I watched a video

765

00:29:50,930 --> 00:29:48,900

today of a friend that's talking about

766

00:29:52,039 --> 00:29:50,940

you they're gonna come take her guns big

767

00:29:53,299 --> 00:29:52,049

for your about taking the guns well

768

00:29:55,159 --> 00:29:53,309

maybe they will who knows what are you

769

00:29:56,419 --> 00:29:55,169

gonna do when they come take a gun I'll

770

00:29:57,590 --> 00:29:56,429

probably give it to them you know

771

00:29:58,940 --> 00:29:57,600

because I don't want to end up in jail

772

00:30:00,110 --> 00:29:58,950

or shot with the cases I've lived

773

00:30:02,299 --> 00:30:00,120

without a gun before I can do it again

774

00:30:05,810 --> 00:30:02,309

no big deal but these people that's just

775

00:30:07,430 --> 00:30:05,820

that's blasphemy the important thing for

776

00:30:08,570 --> 00:30:07,440

me as one is my faith in my family I

777

00:30:10,580 --> 00:30:08,580

always thought about your faith and

778

00:30:13,460 --> 00:30:10,590

family and these other things were

779

00:30:14,810 --> 00:30:13,470

affecting my faith in my family so I

780

00:30:15,830 --> 00:30:14,820

have to make a decision what's more

781

00:30:17,750 --> 00:30:15,840

important well yeah but what about

782

00:30:18,919 --> 00:30:17,760

fighting for the Constitution you know

783

00:30:20,419 --> 00:30:18,929

what you don't have to fight on its own

784

00:30:23,480 --> 00:30:20,429

I got my faith and family to do it first

785

00:30:25,580 --> 00:30:23,490

and if I've got all that in you know

786

00:30:27,049 --> 00:30:25,590

control then maybe I could go outside of

787

00:30:29,539 --> 00:30:27,059

it but that's that's the important thing

788

00:30:31,640 --> 00:30:29,549

for me yeah I think you mentioned

789

00:30:33,620 --> 00:30:31,650

earlier I mean it's not just you know

790

00:30:37,039 --> 00:30:33,630

wanting to feel better it's also you saw

791

00:30:38,899 --> 00:30:37,049

these things not not coming true right

792

00:30:40,940 --> 00:30:38,909

after a while so you do it for years and

793

00:30:43,669 --> 00:30:40,950

years and nothing ever happened with you

794

00:30:46,940 --> 00:30:43,679

know with Obama supposedly doing this

795

00:30:49,899 --> 00:30:46,950

recess or whatever it did I was no fan

796

00:30:52,880 --> 00:30:49,909

of Obama but from what was being warned

797

00:30:55,310 --> 00:30:52,890

none of that happened I'm so was you

798

00:30:56,049 --> 00:30:55,320

know as a speculator I did a terrible

799

00:30:59,480 --> 00:30:56,059

job

800

00:31:02,409 --> 00:30:59,490

why do you think is that you know these

801  
00:31:04,850 --> 00:31:02,419  
predictions keep being made over decades

802  
00:31:07,160 --> 00:31:04,860  
then pretty much none of it ever comes

803  
00:31:10,670 --> 00:31:07,170  
true yeah we don't have FEMA canes

804  
00:31:12,950 --> 00:31:10,680  
the UN takes great example you have a

805  
00:31:14,300 --> 00:31:12,960  
new generation of kids coming up because

806  
00:31:15,770 --> 00:31:14,310  
here's the thing I've launched I said

807  
00:31:18,080 --> 00:31:15,780  
I've been at I've been at these type of

808  
00:31:20,060 --> 00:31:18,090  
videos for 10 years and watch I've

809  
00:31:22,580 --> 00:31:20,070  
watched people that are from back then

810  
00:31:25,010 --> 00:31:22,590  
that are still in it and I've watched

811  
00:31:28,130 --> 00:31:25,020  
people that have come in and phased out

812  
00:31:30,530 --> 00:31:28,140  
mmm they left it but there's a new batch

813  
00:31:31,790 --> 00:31:30,540

coming in now once it phase out kind I

814

00:31:33,620 --> 00:31:31,800

think you end up like me but they said

815

00:31:35,870 --> 00:31:33,630

you know this just this kind of sucks

816

00:31:38,900 --> 00:31:35,880

this is not a topic that makes me happy

817

00:31:40,400 --> 00:31:38,910

you know what am i working for ok yes

818

00:31:42,530 --> 00:31:40,410

something bad may happen we'll do what

819

00:31:44,510 --> 00:31:42,540

we can but meanwhile I need to enjoy my

820

00:31:46,610 --> 00:31:44,520

Danny injure my family I'm working for

821

00:31:48,560 --> 00:31:46,620

some you know this is nobody to live my

822

00:31:50,930 --> 00:31:48,570

life I had a lot of friends were

823

00:31:52,130 --> 00:31:50,940

subscribers to my channel did just kinda

824

00:31:53,960 --> 00:31:52,140

you know I just got tired of the whole

825

00:31:55,370 --> 00:31:53,970

negative thing when they stopped

826

00:31:59,900 --> 00:31:55,380

watching they would offer did something

827

00:32:02,480 --> 00:31:59,910

else like I have so it's it's yet age

828

00:32:05,030 --> 00:32:02,490

thing like you go through a certain

829

00:32:11,090 --> 00:32:05,040

period in your life like your 20s 30s or

830

00:32:13,910 --> 00:32:11,100

whatever because yeah you see people of

831

00:32:15,680 --> 00:32:13,920

all ages and that kind of thing but just

832

00:32:17,630 --> 00:32:15,690

say new people I shouldn't necessarily a

833

00:32:19,850 --> 00:32:17,640

newer generation but although it may be

834

00:32:21,380 --> 00:32:19,860

an age group there's there's new people

835

00:32:23,330 --> 00:32:21,390

coming on all the time I would think it

836

00:32:25,220 --> 00:32:23,340

just it just depends on what and there's

837

00:32:26,780 --> 00:32:25,230

another thing too is many of the bad

838

00:32:28,730 --> 00:32:26,790

things to be concerned out there just

839

00:32:31,880 --> 00:32:28,740

repeated again it's just enough just

840

00:32:35,390 --> 00:32:31,890

like if the population roll population

841

00:32:37,730 --> 00:32:35,400

issue I mean I I just I have several

842

00:32:39,230 --> 00:32:37,740

books I did a long story but I think was

843

00:32:41,600 --> 00:32:39,240

Ehrlichman or whatever had 19 we were

844

00:32:43,820 --> 00:32:41,610

supposed to get to the 80s and now the

845

00:32:46,940 --> 00:32:43,830

same thing is being rehashed

846

00:32:48,140 --> 00:32:46,950

and it was more people now that we you

847

00:32:49,850 --> 00:32:48,150

know we're not gonna make it we've got

848

00:32:53,210 --> 00:32:49,860

the 12 year window or something long now

849

00:32:56,330 --> 00:32:53,220

and it's just the rehash and old thing

850

00:32:58,790 --> 00:32:56,340

again and people once again they're

851  
00:33:00,830 --> 00:32:58,800  
pushing the buttons yeah I really think

852  
00:33:04,040 --> 00:33:00,840  
if you look at it if I can alter your

853  
00:33:05,630 --> 00:33:04,050  
state if I'm if you understand how used

854  
00:33:10,670 --> 00:33:05,640  
cars were sold you really get the whole

855  
00:33:13,370 --> 00:33:10,680  
thing the the the but if they can if I

856  
00:33:16,130 --> 00:33:13,380  
can push your button from whatever

857  
00:33:18,380 --> 00:33:16,140  
things like whatever state it is I want

858  
00:33:20,360 --> 00:33:18,390  
to put you in to which you participate

859  
00:33:20,880 --> 00:33:20,370  
in what I have I just got to find that

860  
00:33:22,200 --> 00:33:20,890  
button

861  
00:33:23,970 --> 00:33:22,210  
and then I got to push that thing like

862  
00:33:26,669 --> 00:33:23,980  
there's no tomorrow I think that's what

863  
00:33:28,770 --> 00:33:26,679

a lot of this is yeah you know we see in

864

00:33:30,240 --> 00:33:28,780

politics we see it in in all these

865

00:33:32,010 --> 00:33:30,250

things but they just try you guys we're

866

00:33:34,590 --> 00:33:32,020

praying on each other's emotions all the

867

00:33:35,880 --> 00:33:34,600

time and it's for manipulation try to

868

00:33:37,740 --> 00:33:35,890

get I want you to do so I want you to

869

00:33:39,270 --> 00:33:37,750

buy my Toyota I want you to buy our

870

00:33:42,630 --> 00:33:39,280

prayer soda product or whatever it is

871

00:33:44,970 --> 00:33:42,640

but I think a lot of this stuff once you

872

00:33:45,990 --> 00:33:44,980

understand the recipe and really I like

873

00:33:48,960 --> 00:33:46,000

some of these people all these people

874

00:33:51,390 --> 00:33:48,970

are making good money on YouTube okay I

875

00:33:55,260 --> 00:33:51,400

mean not to pick on anyone but are you

876

00:34:00,120 --> 00:33:55,270

gonna watch Alex Jones and get a

877

00:34:01,890 --> 00:34:00,130

positive feel-good message it won't sell

878

00:34:03,180 --> 00:34:01,900

it's not what the program is about and

879

00:34:05,310 --> 00:34:03,190

I'm not knocking the guy I think it'll

880

00:34:06,539 --> 00:34:05,320

probably get but if you're not gonna get

881

00:34:08,669 --> 00:34:06,549

it you know if things don't seem that

882

00:34:10,680 --> 00:34:08,679

bad today it might be stable for a while

883

00:34:12,359 --> 00:34:10,690

I think things should be okay let's talk

884

00:34:14,280 --> 00:34:12,369

about the weather you know that it's not

885

00:34:16,680 --> 00:34:14,290

gonna happen it's every shows the last

886

00:34:18,210 --> 00:34:16,690

show cuz they ask what that's how they

887

00:34:21,300 --> 00:34:18,220

push the button to get you to

888

00:34:24,480 --> 00:34:21,310

participate you've been attacked by

889

00:34:25,950 --> 00:34:24,490

these people and they are serious well I

890

00:34:27,570 --> 00:34:25,960

hate those people fire it up you gotta

891

00:34:29,129 --> 00:34:27,580

push their buttons yeah they're very

892

00:34:32,010 --> 00:34:29,139

very serious I mean they think it's the

893

00:34:35,460 --> 00:34:32,020

most important thing ever oh yeah yeah

894

00:34:37,080 --> 00:34:35,470

well it's strange like some of the more

895

00:34:40,050 --> 00:34:37,090

vocal people actually being the people

896

00:34:41,940 --> 00:34:40,060

who in that there's people like the 911

897

00:34:45,119 --> 00:34:41,950

people and stuff like that but the UFO

898

00:34:47,639 --> 00:34:45,129

people have been some of the seven or

899

00:34:48,750 --> 00:34:47,649

more vocal people in terms of attacking

900

00:34:50,430 --> 00:34:48,760

me because they think it's this super

901  
00:34:52,770 --> 00:34:50,440  
important thing that the government is

902  
00:34:54,990 --> 00:34:52,780  
covering up these aliens bases or

903  
00:34:57,240 --> 00:34:55,000  
whatever yeah and they think disclosure

904  
00:34:57,660 --> 00:34:57,250  
is going to be the the big change in the

905  
00:34:59,790 --> 00:34:57,670  
world

906  
00:35:00,990 --> 00:34:59,800  
right it's different type of thing but

907  
00:35:03,210 --> 00:35:01,000  
it's still the same feelings I think

908  
00:35:05,820 --> 00:35:03,220  
yeah when they're when you're ox gets

909  
00:35:07,080 --> 00:35:05,830  
gored it's a big deal you know it's yes

910  
00:35:11,190 --> 00:35:07,090  
when you're in the thing that you're

911  
00:35:12,780 --> 00:35:11,200  
invested in you know that's just they're

912  
00:35:17,430 --> 00:35:12,790  
gonna fight back I had a thing at one

913  
00:35:19,440 --> 00:35:17,440

time where it was the the wolf crowd

914

00:35:21,720 --> 00:35:19,450

people that were want to save the Wolves

915

00:35:23,400 --> 00:35:21,730

wolf reintroduction too so that and I

916

00:35:26,820 --> 00:35:23,410

had a lot of friends were trappers legal

917

00:35:27,960 --> 00:35:26,830

trappers and you didn't make accomplish

918

00:35:29,430 --> 00:35:27,970

something like that but I think out of

919

00:35:31,230 --> 00:35:29,440

all the crowds that even the flat earth

920

00:35:33,390 --> 00:35:31,240

guys are kind of top it no one could

921

00:35:34,170 --> 00:35:33,400

hold a candle to them they've the wolf

922

00:35:38,010 --> 00:35:34,180

crowd me

923

00:35:39,480 --> 00:35:38,020

a word there they're tough yeah so I

924

00:35:42,120 --> 00:35:39,490

just I see you know what I'm gonna get

925

00:35:44,790 --> 00:35:42,130

this conversation I can't win these guys

926  
00:35:46,910 --> 00:35:44,800  
are vicious fascinating stuff I was

927  
00:35:49,859 --> 00:35:46,920  
gonna felt that there was kind of a

928  
00:35:50,970 --> 00:35:49,869  
demographic bulge of young people coming

929  
00:35:52,859 --> 00:35:50,980  
in and coming out but it's interesting

930  
00:35:53,730 --> 00:35:52,869  
you say that you think it's all kinds of

931  
00:35:56,010 --> 00:35:53,740  
different ages

932  
00:35:58,650 --> 00:35:56,020  
you think it's yeah it takes a certain

933  
00:36:01,680 --> 00:35:58,660  
amount of time for people to kind of

934  
00:36:03,270 --> 00:36:01,690  
work through these things I think if you

935  
00:36:05,370 --> 00:36:03,280  
look at like what brings a person to it

936  
00:36:08,069 --> 00:36:05,380  
I think the videos the production is so

937  
00:36:11,220 --> 00:36:08,079  
much better now mmm before we got here a

938  
00:36:13,200 --> 00:36:11,230

guy in my car spitting out something on

939

00:36:14,819 --> 00:36:13,210

the internet here but now these the

940

00:36:16,920 --> 00:36:14,829

production of these things are so much

941

00:36:19,559 --> 00:36:16,930

better and they're well done and they're

942

00:36:21,150 --> 00:36:19,569

believable and compelling and you share

943

00:36:23,010 --> 00:36:21,160

it rapidly push a button in your phone

944

00:36:26,069 --> 00:36:23,020

now everyone on your list gets to see it

945

00:36:27,510 --> 00:36:26,079

and some of those people are gonna it's

946

00:36:29,040 --> 00:36:27,520

their button man you just push their

947

00:36:30,630 --> 00:36:29,050

button they're in so I really don't know

948

00:36:33,569 --> 00:36:30,640

if it's any more complicated than that

949

00:36:35,490 --> 00:36:33,579

yeah something in my my book escaping

950

00:36:37,620 --> 00:36:35,500

the rabbit hole I talk about how YouTube

951  
00:36:39,839 --> 00:36:37,630  
is responsible for a lot of a lot of the

952  
00:36:41,130 --> 00:36:39,849  
conspiracy oh yeah big time big tenant

953  
00:36:43,740 --> 00:36:41,140  
it's just it's almost gonna like a

954  
00:36:45,390 --> 00:36:43,750  
mainlining type thing it just gets gets

955  
00:36:48,299 --> 00:36:45,400  
the stuff into them a lot faster

956  
00:36:50,460 --> 00:36:48,309  
right before where's your dress yeah

957  
00:36:52,109 --> 00:36:50,470  
like you had your uncle when you were

958  
00:36:54,900 --> 00:36:52,119  
young and you know it was probably going

959  
00:36:56,760 --> 00:36:54,910  
by books and right right like radio

960  
00:36:59,190 --> 00:36:56,770  
shows and things like that you didn't do

961  
00:37:00,599 --> 00:36:59,200  
a lot of radio shows he was a I think by

962  
00:37:01,650 --> 00:37:00,609  
his own description but they call a hard

963  
00:37:04,530 --> 00:37:01,660

money economist

964

00:37:06,079 --> 00:37:04,540

hmm we're do this is a fiat economy we

965

00:37:08,849 --> 00:37:06,089

have here so they want to go back to

966

00:37:10,740 --> 00:37:08,859

gold based economy and silver he was one

967

00:37:12,599 --> 00:37:10,750

of those guys at sports gold and silver

968

00:37:14,970 --> 00:37:12,609

and all that and so most of his stuff

969

00:37:17,010 --> 00:37:14,980

was about a collapse or government

970

00:37:19,680 --> 00:37:17,020

tyrannical government type of thing and

971

00:37:21,420 --> 00:37:19,690

it was from there were a lot of radius

972

00:37:23,309 --> 00:37:21,430

schism back then I don't think our bail

973

00:37:25,260 --> 00:37:23,319

was going on yet so it was basically

974

00:37:27,569 --> 00:37:25,270

newsletters he got a lot of newsletters

975

00:37:29,190 --> 00:37:27,579

really yeah yeah guys would you know

976  
00:37:30,599 --> 00:37:29,200  
that was the big deal back then mailing

977  
00:37:33,750 --> 00:37:30,609  
list you get on the me list this near

978  
00:37:36,240 --> 00:37:33,760  
newsletter and he would have stacks of

979  
00:37:38,400 --> 00:37:36,250  
these things and just it was basically

980  
00:37:41,220 --> 00:37:38,410  
the same it was it was that was there

981  
00:37:45,030 --> 00:37:41,230  
YouTube then see there could that be a

982  
00:37:47,000 --> 00:37:45,040  
topic the light late 70s early 80s late

983  
00:37:48,650 --> 00:37:47,010  
70s early 80s yeah

984  
00:37:51,110 --> 00:37:48,660  
and they would subscribe to your

985  
00:37:52,940 --> 00:37:51,120  
newsletter that's kind of a mean joke

986  
00:37:54,860 --> 00:37:52,950  
now like if someone has an interesting

987  
00:37:55,640 --> 00:37:54,870  
idea as you say they're interesting I

988  
00:37:57,740 --> 00:37:55,650

would like to subscribe to your

989

00:38:01,760 --> 00:37:57,750

newsletter like she did that back then

990

00:38:04,550 --> 00:38:01,770

in the in the early 80s they had let you

991

00:38:05,900 --> 00:38:04,560

step on it yeah and you get things

992

00:38:09,650 --> 00:38:05,910

through the mail and you'd read them it

993

00:38:12,530 --> 00:38:09,660

was very slow pace yeah but I mean back

994

00:38:15,440 --> 00:38:12,540

then you heard about stuff I mean here

995

00:38:17,690 --> 00:38:15,450

we are instantaneous a big event could

996

00:38:18,680 --> 00:38:17,700

take weeks before you heard about it you

997

00:38:19,580 --> 00:38:18,690

know especially something little middle

998

00:38:21,050 --> 00:38:19,590

east or something like that

999

00:38:22,280 --> 00:38:21,060

weeks before we'd get a hold of it and

1000

00:38:24,710 --> 00:38:22,290

it was always from one or two sources

1001  
00:38:26,900 --> 00:38:24,720  
now you got people on the ground you

1002  
00:38:28,430 --> 00:38:26,910  
know that's amazing yeah I think it's

1003  
00:38:30,470 --> 00:38:28,440  
interesting you do get the same types of

1004  
00:38:32,930 --> 00:38:30,480  
conversations there like in these

1005  
00:38:34,910 --> 00:38:32,940  
newsletters as you do in like Internet

1006  
00:38:36,920 --> 00:38:34,920  
chat rooms even there it takes so much

1007  
00:38:38,210 --> 00:38:36,930  
longer to happen I did a bit of research

1008  
00:38:39,830 --> 00:38:38,220  
into the history of the Flat Earth

1009  
00:38:42,970 --> 00:38:39,840  
movement and it was back in the late

1010  
00:38:45,740 --> 00:38:42,980  
1880s when it was going on and they had

1011  
00:38:47,450 --> 00:38:45,750  
discussions in the letters columns of

1012  
00:38:50,660 --> 00:38:47,460  
newspapers and you can read these

1013  
00:38:51,980 --> 00:38:50,670

letters going back find people and it

1014

00:38:58,100 --> 00:38:51,990

was just like people chatting on

1015

00:38:59,120 --> 00:38:58,110

Facebook so it's great for the economy

1016

00:39:01,460 --> 00:38:59,130

because you had deploy the guy with the

1017

00:39:04,430 --> 00:39:01,470

donkey and the everything else you know

1018

00:39:06,410 --> 00:39:04,440

the transport yeah kind of shows what

1019

00:39:09,440 --> 00:39:06,420

these are they're kind of Universal yeah

1020

00:39:11,630 --> 00:39:09,450

things that people like to to have these

1021

00:39:14,660 --> 00:39:11,640

little drips of information and now

1022

00:39:16,600 --> 00:39:14,670

you're getting them in much more overt I

1023

00:39:18,890 --> 00:39:16,610

think yes I think that's affected us

1024

00:39:21,140 --> 00:39:18,900

yeah that's effective could you just

1025

00:39:23,960 --> 00:39:21,150

need to get a constant stream of this

1026

00:39:25,580 --> 00:39:23,970

stuff whereas before I mean so you go

1027

00:39:27,680 --> 00:39:25,590

back then it was it was everything was

1028

00:39:30,110 --> 00:39:27,690

very slow even now with so many people

1029

00:39:34,130 --> 00:39:30,120

even when I started on YouTube myself I

1030

00:39:36,560 --> 00:39:34,140

think it was 2000 2007 2008 but even

1031

00:39:38,360 --> 00:39:36,570

from then to now because before I could

1032

00:39:42,140 --> 00:39:38,370

watch a video and I'd have to take my

1033

00:39:43,400 --> 00:39:42,150

laptop get on on online and if I want to

1034

00:39:44,030 --> 00:39:43,410

show it someone had to take him to the

1035

00:39:46,400 --> 00:39:44,040

laptop

1036

00:39:48,500 --> 00:39:46,410

mm-hmm yet he checked this out you know

1037

00:39:50,840 --> 00:39:48,510

or I need to know if I had links going

1038

00:39:52,280 --> 00:39:50,850

on back then but it was much slower but

1039

00:39:54,200 --> 00:39:52,290

now with everyone has a phone my mother

1040

00:39:55,670 --> 00:39:54,210

has a phone I could you know ship or

1041

00:39:57,530 --> 00:39:55,680

something right now that's a taneous as

1042

00:40:00,020 --> 00:39:57,540

she could see it and once again if I

1043

00:40:00,980 --> 00:40:00,030

could push that button it's fishing I

1044

00:40:03,140 --> 00:40:00,990

like this person

1045

00:40:05,330 --> 00:40:03,150

participating what I am because it's

1046

00:40:08,300 --> 00:40:05,340

quickly just allowance people have a lot

1047

00:40:08,750 --> 00:40:08,310

less time to think about it I think oh

1048

00:40:11,330 --> 00:40:08,760

yeah

1049

00:40:13,010 --> 00:40:11,340

composing a letter to a newspaper and

1050

00:40:15,140 --> 00:40:13,020

it's very very different from just like

1051

00:40:17,900 --> 00:40:15,150

you know typing a response to someone on

1052

00:40:21,650 --> 00:40:17,910

Facebook so that shortening of the cycle

1053

00:40:24,980 --> 00:40:21,660

of responding to people this is very

1054

00:40:27,080 --> 00:40:24,990

different no time to marinate yes yeah

1055

00:40:28,790 --> 00:40:27,090

yeah I think that's probably an

1056

00:40:31,310 --> 00:40:28,800

important thing I sometimes try to get

1057

00:40:33,740 --> 00:40:31,320

better I try to not respond to things

1058

00:40:35,630 --> 00:40:33,750

sometimes especially if it's later late

1059

00:40:38,630 --> 00:40:35,640

at night I'll say I'll just I'll let

1060

00:40:41,210 --> 00:40:38,640

this one slip on this way and see what

1061

00:40:43,880 --> 00:40:41,220

happens in the morning so you had a your

1062

00:40:47,390 --> 00:40:43,890

own YouTube channel yeah it's just it's

1063

00:40:49,940 --> 00:40:47,400

it's it's it's just me a seller five

1064

00:40:52,700 --> 00:40:49,950

five nine it's just me whatever I I race

1065

00:40:55,010 --> 00:40:52,710

cattle I have rescue dogs and cats

1066

00:40:56,690 --> 00:40:55,020

I just bought a dirt bike I talk a

1067

00:40:59,450 --> 00:40:56,700

little bit about the Bible sometimes I

1068

00:41:01,190 --> 00:40:59,460

get off into politics a little bit but

1069

00:41:02,780 --> 00:41:01,200

base for me YouTube is just a way I had

1070

00:41:04,940 --> 00:41:02,790

had certain friends that had channels

1071

00:41:06,020 --> 00:41:04,950

mm-hmm and we would just communicate

1072

00:41:08,300 --> 00:41:06,030

back and forth you're just making videos

1073

00:41:09,500 --> 00:41:08,310

back and forth I have like seven or

1074

00:41:11,630 --> 00:41:09,510

eight hundred subscribers I'm not a big

1075

00:41:13,190 --> 00:41:11,640

channel or anything like that but I'm

1076

00:41:14,420 --> 00:41:13,200

not you can't see what's your channel

1077

00:41:15,710 --> 00:41:14,430

about what's just about me

1078

00:41:18,440 --> 00:41:15,720

so whatever I'm dealing with that day or

1079

00:41:20,930 --> 00:41:18,450

whatever before when they start out I

1080

00:41:22,580 --> 00:41:20,940

was a prepper channel and a couple years

1081

00:41:24,920 --> 00:41:22,590

ago when he said okay that's enough of

1082

00:41:27,080 --> 00:41:24,930

that I made all my videos private I

1083

00:41:28,550 --> 00:41:27,090

probably had six or seven hundred videos

1084

00:41:30,920 --> 00:41:28,560

in short amount of time they were just

1085

00:41:32,540 --> 00:41:30,930

about prepping well coming collapse and

1086

00:41:34,910 --> 00:41:32,550

all this stuff and so when I made this

1087

00:41:37,010 --> 00:41:34,920

decision okay I'm done with this I just

1088

00:41:38,660 --> 00:41:37,020

shut all that stuff down as well and now

1089

00:41:40,700 --> 00:41:38,670

the channel is just was a prepper

1090

00:41:42,470 --> 00:41:40,710

channel at one time it's not now it's

1091

00:41:43,849 --> 00:41:42,480

just whatever I'm doing well I guess

1092

00:41:46,130 --> 00:41:43,859

that kind of reflects your your own

1093

00:41:48,109 --> 00:41:46,140

interests because yeah the channel is

1094

00:41:50,450 --> 00:41:48,119

just about you and what you're thinking

1095

00:41:52,040 --> 00:41:50,460

about it's yeah SCO you were thinking

1096

00:41:53,720 --> 00:41:52,050

about prepping all the time and now

1097

00:41:55,640 --> 00:41:53,730

you've got time to think about other

1098

00:41:58,970 --> 00:41:55,650

things like your family your faith in

1099

00:42:02,050 --> 00:41:58,980

your right right I'm happier I don't I'm

1100

00:42:04,780 --> 00:42:02,060

getting far less views but I'm happier

1101  
00:42:08,960 --> 00:42:04,790  
that's all you think blue doesn't matter

1102  
00:42:10,910 --> 00:42:08,970  
so are you gonna do anything going

1103  
00:42:12,349 --> 00:42:10,920  
forward with the this type of thing

1104  
00:42:13,730 --> 00:42:12,359  
prepping or conspiracies or anything

1105  
00:42:14,760 --> 00:42:13,740  
like that you've got neat plans to do

1106  
00:42:18,270 --> 00:42:14,770  
Rosie just basically

1107  
00:42:20,460 --> 00:42:18,280  
something is out of your life now well I

1108  
00:42:23,460 --> 00:42:20,470  
learned a lot of skills about prepping

1109  
00:42:25,400 --> 00:42:23,470  
you cannot unlearn skills mm-hmm okay I

1110  
00:42:27,780 --> 00:42:25,410  
do like I said I do raise cattle

1111  
00:42:29,670 --> 00:42:27,790  
occasionally your run out of water pump

1112  
00:42:31,500 --> 00:42:29,680  
goes down or something so you have to be

1113  
00:42:33,210 --> 00:42:31,510

prepared for you know instances or

1114

00:42:35,310 --> 00:42:33,220

something like that happens I've always

1115

00:42:37,860 --> 00:42:35,320

been a bulk buyer of food okay I don't

1116

00:42:39,270 --> 00:42:37,870

hoard stuff like I did before I'm still

1117

00:42:41,310 --> 00:42:39,280

against and bullets get I always like to

1118

00:42:43,590 --> 00:42:41,320

shoot but you know I'm not getting rid

1119

00:42:45,870 --> 00:42:43,600

of that so as far as but I'm not I'm not

1120

00:42:47,820 --> 00:42:45,880

promoting like you need these things or

1121

00:42:50,520 --> 00:42:47,830

whatever I'm having more fun now I

1122

00:42:51,810 --> 00:42:50,530

figure physically my window I might have

1123

00:42:53,700 --> 00:42:51,820

another six seven years before I'm just

1124

00:42:54,630 --> 00:42:53,710

too crippled up to do anything so that's

1125

00:42:56,520 --> 00:42:54,640

why I got the dirt bike

1126  
00:42:58,890 --> 00:42:56,530  
we're gonna go for broke I'm just having

1127  
00:43:01,410 --> 00:42:58,900  
fun now so it's it's an I have my might

1128  
00:43:03,180 --> 00:43:01,420  
my niece has three little boys from four

1129  
00:43:04,860 --> 00:43:03,190  
to a couple of months I just love them

1130  
00:43:08,220 --> 00:43:04,870  
to death spend time with him alone all

1131  
00:43:11,910 --> 00:43:08,230  
the time and all that and so as far as

1132  
00:43:14,940 --> 00:43:11,920  
anything prepper wise sh t for collapse

1133  
00:43:16,290 --> 00:43:14,950  
or conspiracy theory that's something I

1134  
00:43:18,570 --> 00:43:16,300  
used to do it's just not something I'm

1135  
00:43:21,360 --> 00:43:18,580  
interested anymore so as far as me I we

1136  
00:43:23,940 --> 00:43:21,370  
can't see myself going back to that we

1137  
00:43:25,920 --> 00:43:23,950  
did watch you did watch the video though

1138  
00:43:29,850 --> 00:43:25,930

the ex conspiracy theorist what what can

1139

00:43:33,630 --> 00:43:29,860

I do you - well I originally saw you on

1140

00:43:35,880 --> 00:43:33,640

Rogan I thought seems like a reasonable

1141

00:43:38,640 --> 00:43:35,890

guy so I sent it for your channel I saw

1142

00:43:42,570 --> 00:43:38,650

the thing you did with the like a UFO oh

1143

00:43:45,330 --> 00:43:42,580

yeah I filmed a thing like that yeah for

1144

00:43:47,580 --> 00:43:45,340

my mom she told you but as far as if

1145

00:43:49,590 --> 00:43:47,590

it's a good topic even if it's an SH

1146

00:43:51,900 --> 00:43:49,600

year if it seems like a something

1147

00:43:53,730 --> 00:43:51,910

reasonable I'll check it out but it's

1148

00:43:55,920 --> 00:43:53,740

I'm not most of the time I'm like oh

1149

00:43:58,050 --> 00:43:55,930

this guy's pumping here this guy's

1150

00:43:59,820 --> 00:43:58,060

pushing the buttons okay this is uh not

1151  
00:44:01,590 --> 00:43:59,830  
my thing you know or if it's a friend of

1152  
00:44:03,510 --> 00:44:01,600  
mine that might have a decent sized

1153  
00:44:05,190 --> 00:44:03,520  
channel that he's got some topic that I

1154  
00:44:07,200 --> 00:44:05,200  
might I might look at you where are they

1155  
00:44:08,370 --> 00:44:07,210  
going today sometimes I like I watched a

1156  
00:44:10,350 --> 00:44:08,380  
video this morning where these guys

1157  
00:44:13,050 --> 00:44:10,360  
going today and now they're pushing this

1158  
00:44:14,820 --> 00:44:13,060  
a gun fear thing or whatever like okay

1159  
00:44:18,540 --> 00:44:14,830  
whatever you know I can't wait to get on

1160  
00:44:20,250 --> 00:44:18,550  
my bike yeah so just I've spent I've

1161  
00:44:22,770 --> 00:44:20,260  
invested my time in that I just don't

1162  
00:44:23,520 --> 00:44:22,780  
want to go into the I'm not drawn to it

1163  
00:44:24,960 --> 00:44:23,530

like it was before

1164

00:44:27,090 --> 00:44:24,970

once I realized they were pushing my

1165

00:44:28,290 --> 00:44:27,100

buttons that just kind of killed the

1166

00:44:29,340 --> 00:44:28,300

whole thing for me so

1167

00:44:31,410 --> 00:44:29,350

and I don't mean that they did it

1168

00:44:33,360 --> 00:44:31,420

intentionally but I was exposed you know

1169

00:44:35,430 --> 00:44:33,370

I was that little girl at the scary

1170

00:44:39,000 --> 00:44:35,440

movie that likes to be scared and that

1171

00:44:40,860 --> 00:44:39,010

just took all the out of it you get yeah

1172

00:44:43,130 --> 00:44:40,870

people get addicted to these things oh

1173

00:44:45,510 --> 00:44:43,140

yeah almost in a physical way I think

1174

00:44:46,740 --> 00:44:45,520

because he do that you do get that kind

1175

00:44:48,690 --> 00:44:46,750

of response

1176

00:44:51,380 --> 00:44:48,700

the things your brain secretes the

1177

00:44:54,510 --> 00:44:51,390

endorphins when you get the advantage

1178

00:44:58,400 --> 00:44:54,520

yeah that's what marketing is altering

1179

00:45:03,030 --> 00:44:58,410

someone's state you know by that Toyota

1180

00:45:04,530 --> 00:45:03,040

thing but yeah all right well this is

1181

00:45:05,760 --> 00:45:04,540

being very interesting are you

1182

00:45:07,110 --> 00:45:05,770

interesting there's anything else you

1183

00:45:10,250 --> 00:45:07,120

want to talk about Rory I think we have

1184

00:45:13,080 --> 00:45:10,260

covered it ah one thing I'll say is if

1185

00:45:14,460 --> 00:45:13,090

protect your attitude hmm whatever

1186

00:45:16,920 --> 00:45:14,470

you're into whether you're into

1187

00:45:19,740 --> 00:45:16,930

conspiracy theories or knitting with cat

1188

00:45:22,410 --> 00:45:19,750

for whatever the thing is inspiration

1189

00:45:24,210 --> 00:45:22,420

protect your attitude because I see it

1190

00:45:27,120 --> 00:45:24,220

so much more now at my agent knows

1191

00:45:30,540 --> 00:45:27,130

before if something if you or someone

1192

00:45:33,240 --> 00:45:30,550

else alters your attitude it's affecting

1193

00:45:34,350 --> 00:45:33,250

everything else that you do and if you

1194

00:45:35,940 --> 00:45:34,360

want to get the most out of what you're

1195

00:45:38,430 --> 00:45:35,950

doing you want to be all there you want

1196

00:45:41,310 --> 00:45:38,440

to be your best mindset to do it and so

1197

00:45:43,740 --> 00:45:41,320

don't think that well I can listen to

1198

00:45:45,480 --> 00:45:43,750

this you know weird music here whatever

1199

00:45:47,670 --> 00:45:45,490

it is it affect you everything affects

1200

00:45:49,260 --> 00:45:47,680

our attitude so if you just you want to

1201

00:45:51,240 --> 00:45:49,270

live your best life you got to have the

1202

00:45:53,370 --> 00:45:51,250

best attitude for it and you're really I

1203

00:45:55,020 --> 00:45:53,380

don't think we protect that enough we

1204

00:45:58,170 --> 00:45:55,030

should be should be more careful of what

1205

00:46:00,030 --> 00:45:58,180

we let in see and that would be the only

1206

00:46:01,110 --> 00:46:00,040

like I think is advice I'd give but you

1207

00:46:03,030 --> 00:46:01,120

got to protect you have the right

1208

00:46:04,910 --> 00:46:03,040

attitude you got to take that yeah

1209

00:46:08,070 --> 00:46:04,920

that's great that's great great advice

1210

00:46:09,450 --> 00:46:08,080

well thank you very much Dan make Wes

1211

00:46:11,350 --> 00:46:09,460

thank you yeah it's been very

1212

00:46:13,330 --> 00:46:11,360

interesting

1213

00:46:15,670 --> 00:46:13,340

you've been listening to episode 5 of

1214

00:46:18,310 --> 00:46:15,680

tales from the rabbit hole coming up in

1215

00:46:20,440 --> 00:46:18,320

episode 6 we talked to a man called Tim

1216

00:46:23,650 --> 00:46:20,450

Osman at least that's the name he goes

1217

00:46:25,240 --> 00:46:23,660

by Tim thinks 9/11 was an inside job but

1218

00:46:27,730 --> 00:46:25,250

he spends a lot of time debunking the

1219

00:46:29,820 --> 00:46:27,740

flat earth conspiracy theory interesting
