1
00:00:08,960 --> 00:00:05,539
episode six of tales from the rabbit

2
00:00:11,900 --> 00:00:08,970
hole my guest today is Tim Osman at

3
00:00:14,839 --> 00:00:11,910
least that's the name he goes by Tim is

4
00:00:17,660 --> 00:00:14,849
a conspiracy theorist and he is a deep

5
00:00:20,120 --> 00:00:17,670
bunker he has done a lot of very good

6
00:00:22,010 --> 00:00:20,130
work debunking the Flat Earth conspiracy

7
00:00:24,859 --> 00:00:22,020
theory by making videos demonstrating

8
00:00:28,370 --> 00:00:24,869
the curve using drones and suchlike and

9
00:00:30,950 --> 00:00:28,380
he's also very into conspiracy theories

10
00:00:33,530 --> 00:00:30,960
like 9/11 in terms of actually believing

11
00:00:35,510 --> 00:00:33,540
that 9/11 was an inside job and other

12
00:00:37,370 --> 00:00:35,520
conspiracies like that so he draws the

13
00:00:39,530 --> 00:00:37,380

line on the conspiracy spectrum at a

14

00:00:41,360 --> 00:00:39,540

different position that idea the

15

00:00:43,880 --> 00:00:41,370

conversation kind of starts off a little

16

00:00:46,729 --> 00:00:43,890

bit of a serial and Tim kind of ends up

17

00:00:50,330 --> 00:00:46,739

interrogating me about my beliefs but we

18

00:00:54,319 --> 00:00:50,340

end up having a good time all right

19

00:00:55,459 --> 00:00:54,329

so should we just get into it yeah

20

00:00:58,549 --> 00:00:55,469

absolutely all right

21

00:01:01,040 --> 00:00:58,559

so I am recording this for use on my

22

00:01:03,709 --> 00:01:01,050

podcast which I've been running for like

23

00:01:07,130 --> 00:01:03,719

a few weeks now and what it is is

24

00:01:08,929 --> 00:01:07,140

podcasts where I talk to people who are

25

00:01:11,780 --> 00:01:08,939

involved in conspiracy culture basically

26

00:01:13,100 --> 00:01:11,790

I try to talk to people who are former

27

00:01:14,420 --> 00:01:13,110

conspiracy theorists or current

28

00:01:17,990 --> 00:01:14,430

conspiracy theories or people who are

29

00:01:20,179 --> 00:01:18,000

just like debunkers and investigators

30

00:01:23,270 --> 00:01:20,189

and I think you are kind of all of the

31

00:01:26,539 --> 00:01:23,280

above to some degree or another would

32

00:01:28,370 --> 00:01:26,549

you agree with that well I would

33

00:01:30,890 --> 00:01:28,380

actually probably first want to start

34

00:01:32,530 --> 00:01:30,900

out by for you to give me a definition

35

00:01:37,060 --> 00:01:32,540

of what a conspiracy theorist is

36

00:01:40,580 --> 00:01:37,070

actually well a conspiracy theory is a

37

00:01:42,830 --> 00:01:40,590

positive explanation for large-scale

38

00:01:44,080 --> 00:01:42,840

events that involves some kind of

39

00:01:47,539 --> 00:01:44,090

large-scale

40

00:01:49,490 --> 00:01:47,549

high powered conspiracy theory there's

41

00:01:53,060 --> 00:01:49,500

obviously a conspiracy theory and the

42

00:01:54,980 --> 00:01:53,070

simple sense of that a conspiracy by

43

00:01:59,420 --> 00:01:54,990

powerful people usually for nefarious

44

00:02:03,230 --> 00:01:59,430

purposes like for example the theory

45

00:02:05,149 --> 00:02:03,240

that JFK was killed by secret elements

46

00:02:07,670 --> 00:02:05,159

within the US government or bicycling

47

00:02:09,619 --> 00:02:07,680

elements within the CIA would be

48

00:02:12,320 --> 00:02:09,629

considered a conspiracy theory because

49

00:02:14,270 --> 00:02:12,330

it seeks to explain an event by a

50

00:02:17,000 --> 00:02:14,280

powerful conspiracy

51
00:02:20,930 --> 00:02:17,010
amongst higher-level people than in

52
00:02:22,310 --> 00:02:20,940
secret for nefarious purposes under that

53
00:02:25,640 --> 00:02:22,320
definition then would you consider

54
00:02:28,250 --> 00:02:25,650
yourself as a conspiracy theorist as as

55
00:02:32,660 --> 00:02:28,260
far as 9/11 comes because there's a

56
00:02:37,220 --> 00:02:32,670
conspiracy that 17 ish box-cutter people

57
00:02:42,020 --> 00:02:37,230
came on planes and basically foiled

58
00:02:44,810 --> 00:02:42,030
NORAD and flew around for 45 minutes and

59
00:02:47,420 --> 00:02:44,820
crashed planes into buildings and the

60
00:02:49,130 --> 00:02:47,430
Pentagon and in Shanksville would you

61
00:02:51,320 --> 00:02:49,140
consider yourself then a conspiracy

62
00:02:53,660 --> 00:02:51,330
theorist or maybe even will add

63
00:02:54,979 --> 00:02:53,670

mainstream conspiracy theorists well I

64

00:02:57,680 --> 00:02:54,989

see we're gonna get into semantics that

65

00:02:59,360 --> 00:02:57,690

like what we talked about is a yeah you

66

00:03:01,310 --> 00:02:59,370

could call it a theory or hypothesis

67

00:03:04,580 --> 00:03:01,320

although the current prevailing theory

68

00:03:05,990 --> 00:03:04,590

and it involves a conspiracy but you

69

00:03:07,970 --> 00:03:06,000

know what people normally understand by

70

00:03:11,020 --> 00:03:07,980

a conspiracy theory is something done by

71

00:03:15,020 --> 00:03:11,030

people high up in power of you know the

72

00:03:18,740 --> 00:03:15,030

state that you are in so it the theory

73

00:03:21,110 --> 00:03:18,750

that I believe happened on 9/11 is kind

74

00:03:24,830 --> 00:03:21,120

of what you say hijackers hijacking

75

00:03:25,910 --> 00:03:24,840

planes they didn't all use box cutters

76

00:03:30,350 --> 00:03:25,920

some of them actually had quite large

77

00:03:32,539 --> 00:03:30,360

knives but minor point and it is it was

78

00:03:37,789 --> 00:03:32,549

a conspiracy and I guess you know if you

79

00:03:40,370 --> 00:03:37,799

want to kind of try to argue on

80

00:03:41,570 --> 00:03:40,380

semantics then yeah that is a conspiracy

81

00:03:43,699 --> 00:03:41,580

theory but what people normally

82

00:03:46,759 --> 00:03:43,709

understand by conspiracy theory is not

83

00:03:48,380 --> 00:03:46,769

something like that well of course we

84

00:03:50,090 --> 00:03:48,390

were defining terms so that would

85

00:03:51,979 --> 00:03:50,100

definitely fall in the lines of

86

00:03:54,440 --> 00:03:51,989

semantics so that's why I wanted to

87

00:03:56,810 --> 00:03:54,450

clarify because in my opinion Medibank

88

00:03:58,940 --> 00:03:56,820

calm doesn't actually really go into any

89

00:04:01,460 --> 00:03:58,950

of the conspiracies that are known that

90

00:04:04,850 --> 00:04:01,470

were conspiracy theories and actually

91

00:04:08,150 --> 00:04:04,860

tries to upheaval some of the people

92

00:04:11,210 --> 00:04:08,160

like 9/11 architects and engineers for

93

00:04:13,670 --> 00:04:11,220

9/11 truth and other people that are

94

00:04:15,199 --> 00:04:13,680

actually probably more qualified than

95

00:04:17,030 --> 00:04:15,209

yourself and the people that are on your

96

00:04:18,890 --> 00:04:17,040

forum yeah well what I try to do is just

97

00:04:22,010 --> 00:04:18,900

focus on things where I figure I can

98

00:04:23,600 --> 00:04:22,020

actually bring some of my minor

99

00:04:25,290 --> 00:04:23,610

expertise to bear like I have a little

100

00:04:29,640 --> 00:04:25,300

bit of expertise and

101
00:04:32,670 --> 00:04:29,650
like physics and 3d graphics and things

102
00:04:35,430 --> 00:04:32,680
like that and if some just experience in

103
00:04:37,320 --> 00:04:35,440
looking into these things so what are

104
00:04:39,839 --> 00:04:37,330
meta bunk I tend to focus on things

105
00:04:42,270 --> 00:04:39,849
where I can actually figure stuff out

106
00:04:44,399 --> 00:04:42,280
and and contribute to the greater

107
00:04:48,360 --> 00:04:44,409
knowledge base so you know I do address

108
00:04:49,379 --> 00:04:48,370
things like 911 and I do criticize a lot

109
00:04:52,230 --> 00:04:49,389
of the stuff that architects and

110
00:04:53,219 --> 00:04:52,240
engineers put out but I don't think you

111
00:04:55,950 --> 00:04:53,229
know you really want to focus on

112
00:04:57,689 --> 00:04:55,960
qualifications so much if you can

113
00:04:59,999 --> 00:04:57,699

actually look at what people are saying

114

00:05:02,370 --> 00:05:00,009

and tell for yourself whether it's true

115

00:05:05,309 --> 00:05:02,380

or not you know we're not going by who

116

00:05:06,600 --> 00:05:05,319

has the the biggest degree and is saying

117

00:05:09,059 --> 00:05:06,610

something because you can always find

118

00:05:10,559 --> 00:05:09,069

somebody with a degree to say something

119

00:05:12,749 --> 00:05:10,569

you can probably find someone with a PhD

120

00:05:15,059 --> 00:05:12,759

and something who says the earth is flat

121

00:05:16,860 --> 00:05:15,069

I know you can certainly say find people

122

00:05:19,860 --> 00:05:16,870

with PhDs in physics there's a guy with

123

00:05:23,399 --> 00:05:19,870

a PhD in physics whose name escapes me

124

00:05:25,050 --> 00:05:23,409

for the moment but he he believes in

125

00:05:28,680 --> 00:05:25,060

chemtrails he's a strong chem trail

126
00:05:30,749 --> 00:05:28,690
believer and yet his demonstrative wrong

127
00:05:33,180 --> 00:05:30,759
so just because someone is you know

128
00:05:34,920 --> 00:05:33,190
qualified doesn't mean that everything

129
00:05:36,390 --> 00:05:34,930
they say is going to be more correct

130
00:05:38,300 --> 00:05:36,400
than someone else you really have to

131
00:05:41,100 --> 00:05:38,310
look at what people are actually saying

132
00:05:44,100 --> 00:05:41,110
on the kind of grand scheme of things

133
00:05:46,409 --> 00:05:44,110
would you say that your epistemic

134
00:05:49,519 --> 00:05:46,419
beliefs in some of these things that you

135
00:05:52,980 --> 00:05:49,529
say on meta bunk are actually due to

136
00:05:57,719 --> 00:05:52,990
basically virtually always from the

137
00:05:59,850 --> 00:05:57,729
mainstream well it kinda depends what

138
00:06:01,499 --> 00:05:59,860

you're talking about because a lot of

139

00:06:03,629 --> 00:06:01,509

the stuff is fairly esoteric that

140

00:06:06,480 --> 00:06:03,639

doesn't even really the mainstream media

141

00:06:07,740 --> 00:06:06,490

for example doesn't really talk about it

142

00:06:10,640 --> 00:06:07,750

but if you wanna talk about mainstream

143

00:06:14,879 --> 00:06:10,650

science I know you do a lot of work in

144

00:06:17,219 --> 00:06:14,889

flat earth debunking and what you do you

145

00:06:19,260 --> 00:06:17,229

know you could say is it's mainstream

146

00:06:21,870 --> 00:06:19,270

because it's mainstream science and it's

147

00:06:24,510 --> 00:06:21,880

certainly the view of the world that the

148

00:06:26,089 --> 00:06:24,520

mainstream media would portray and the

149

00:06:29,370 --> 00:06:26,099

alternative views are extremely

150

00:06:31,800 --> 00:06:29,380

alternative views so yeah if you want to

151
00:06:34,290 --> 00:06:31,810
say like am i doing mainstream stuff I

152
00:06:37,529 --> 00:06:34,300
believe in the standard model of the

153
00:06:38,910 --> 00:06:37,539
world and I think that the standard

154
00:06:41,400 --> 00:06:38,920
explanation the

155
00:06:44,640 --> 00:06:41,410
explanation of the collapses of the

156
00:06:47,670 --> 00:06:44,650
buildings on 9/11 is fairly reasonable

157
00:06:50,070 --> 00:06:47,680
so you go with the 9/11 Commission

158
00:06:52,170 --> 00:06:50,080
report and the NIST report about the

159
00:06:54,000 --> 00:06:52,180
pancaking buildings

160
00:06:56,190 --> 00:06:54,010
well they didn't pancake as such that's

161
00:06:59,250 --> 00:06:56,200
kind of a bit of a misnomer they it was

162
00:07:02,070 --> 00:06:59,260
a progressive collapse the pancaking

163
00:07:03,990 --> 00:07:02,080

floors isn't really a thing as such but

164

00:07:06,210 --> 00:07:04,000

yeah I think the NIST report if you read

165

00:07:07,470 --> 00:07:06,220

the NIST reports in full and you know

166

00:07:09,180 --> 00:07:07,480

I've gone through most of them and this

167

00:07:11,520 --> 00:07:09,190

is quite a lot Asst you know thousands

168

00:07:13,170 --> 00:07:11,530

of pages when you when you add up all

169

00:07:14,820 --> 00:07:13,180

the individual things like the stuff

170

00:07:16,890 --> 00:07:14,830

there's like one entire report just

171

00:07:18,930 --> 00:07:16,900

devoted to the the fire and then there's

172

00:07:20,490 --> 00:07:18,940

another one just about the mechanics for

173

00:07:22,050 --> 00:07:20,500

the building and then there's the plane

174

00:07:23,370 --> 00:07:22,060

impacts there's all kinds of things but

175

00:07:25,440 --> 00:07:23,380

yeah if you look at them as a whole I

176

00:07:27,420 --> 00:07:25,450

think they're broadly correct now I

177

00:07:30,990 --> 00:07:27,430

think there's certainly problems with

178

00:07:33,600 --> 00:07:31,000

them because there are simply simply

179

00:07:35,460 --> 00:07:33,610

limits to how much you can do with a you

180

00:07:38,580 --> 00:07:35,470

know small time scale investigation and

181

00:07:40,680 --> 00:07:38,590

their computing power at the time with

182

00:07:43,230 --> 00:07:40,690

the money that they had available didn't

183

00:07:45,360 --> 00:07:43,240

really yeah that's actually it's

184

00:07:47,760 --> 00:07:45,370

actually one thing I wanted to get in to

185

00:07:50,660 --> 00:07:47,770

you with I guess the u.s. spent about

186

00:07:54,350 --> 00:07:50,670

five point six trillion dollars

187

00:07:57,960 --> 00:07:54,360

indifferent obviously a lot of war time

188

00:08:00,780 --> 00:07:57,970

type stuff since 2001 but also I'm just

189

00:08:02,550 --> 00:08:00,790

wondering how you feel about the 9/11

190

00:08:05,850 --> 00:08:02,560

Commission report being allocated about

191

00:08:07,860 --> 00:08:05,860

15 million dollars and Tom Kean and Lee

192

00:08:11,610 --> 00:08:07,870

Hamilton saying that it was basically

193

00:08:14,370 --> 00:08:11,620

set up to fail but also how we we how we

194

00:08:17,400 --> 00:08:14,380

spent 40 million for the shuttle

195

00:08:19,680 --> 00:08:17,410

disaster we star spent 47 million and

196

00:08:22,880 --> 00:08:19,690

five years investigating Clinton right

197

00:08:25,800 --> 00:08:22,890

and as of recently the muir report

198

00:08:27,420 --> 00:08:25,810

investigation was spent 25 million

199

00:08:29,820 --> 00:08:27,430

dollars on taxpayer well I think what

200

00:08:31,290 --> 00:08:29,830

people miss there is that you

201
00:08:33,960 --> 00:08:31,300
essentially got the entire resources of

202
00:08:35,520 --> 00:08:33,970
the FBI and the CIA for free and that's

203
00:08:39,600 --> 00:08:35,530
not factored into the cost of the

204
00:08:42,060 --> 00:08:39,610
investigation after 9/11 the FBI and the

205
00:08:46,110 --> 00:08:42,070
CIA were put in pretty much half of

206
00:08:47,490 --> 00:08:46,120
their assets onto investigating 9/11 so

207
00:08:49,200 --> 00:08:47,500
it's not as if we've just got like a few

208
00:08:50,850 --> 00:08:49,210
million dollars thrown to a little a

209
00:08:52,790 --> 00:08:50,860
committee to do like one little report

210
00:08:55,310 --> 00:08:52,800
we've got the entire

211
00:08:56,990 --> 00:08:55,320
force of the FBI and the FBI has an

212
00:08:58,220 --> 00:08:57,000
extraordinarily large budget I don't

213
00:09:00,620 --> 00:08:58,230

know where it is but you know it's

214

00:09:02,210 --> 00:09:00,630

probably in the billions of dollars and

215

00:09:04,490 --> 00:09:02,220

so half of that went to investigating

216

00:09:07,759 --> 00:09:04,500

9/11 and not just for a few months for

217

00:09:09,290 --> 00:09:07,769

four years so it's it's a misnomer it's

218

00:09:10,910 --> 00:09:09,300

a mistake to say that you know there's a

219

00:09:12,350 --> 00:09:10,920

small nod some money allocated to the

220

00:09:14,990 --> 00:09:12,360

investigation when really there was a

221

00:09:17,150 --> 00:09:15,000

huge amount of money allocated to the

222

00:09:20,480 --> 00:09:17,160

investigation the official numbers are

223

00:09:22,009 --> 00:09:20,490

15 million now but that was a report

224

00:09:23,480 --> 00:09:22,019

that's just for people you know writing

225

00:09:26,660 --> 00:09:23,490

the report when they get to draw upon

226

00:09:28,430 --> 00:09:26,670

what the FBI did well we could say that

227

00:09:30,350 --> 00:09:28,440

about any of the ones that I just listed

228

00:09:34,250 --> 00:09:30,360

off Mueller investigation I'm sure a lot

229

00:09:36,740 --> 00:09:34,260

of the FBI manpower and time and stuff

230

00:09:39,139 --> 00:09:36,750

isn't actually into that so the original

231

00:09:42,110 --> 00:09:39,149

claim was that 15 million was allocated

232

00:09:44,500 --> 00:09:42,120

for basically the biggest crime here in

233

00:09:47,630 --> 00:09:44,510

America and the people that were in it

234

00:09:50,389 --> 00:09:47,640

say they claim that it was pretty much

235

00:09:52,699 --> 00:09:50,399

set up to fail that's you know what one

236

00:09:54,350 --> 00:09:52,709

quote from one guy maybe two guys

237

00:09:56,630 --> 00:09:54,360

actually I think Tom Kean and we

238

00:09:57,889 --> 00:09:56,640

Hamilton it's - yeah I guess you look

239

00:10:01,940 --> 00:09:57,899

into what they actually mean by that

240

00:10:05,000 --> 00:10:01,950

yeah they the investigation was in part

241

00:10:08,810 --> 00:10:05,010

to identify failings in the US defenses

242

00:10:12,680 --> 00:10:08,820

and I think that they are correct to a

243

00:10:16,250 --> 00:10:12,690

degree and that no one was really

244

00:10:19,430 --> 00:10:16,260

punished for the failings that led up to

245

00:10:22,370 --> 00:10:19,440

9/11 so was anyone ever convicted of a

246

00:10:24,400 --> 00:10:22,380

crime another time no all right nothing

247

00:10:26,840 --> 00:10:24,410

that comes to mind it may be some little

248

00:10:29,449 --> 00:10:26,850

incidental things like being a little

249

00:10:31,610 --> 00:10:29,459

local corruption revealed but

250

00:10:33,740 --> 00:10:31,620

specifically alike you know there were

251
00:10:35,150 --> 00:10:33,750
there were problems on 9/11 like Jets

252
00:10:38,180 --> 00:10:35,160
were sent in the wrong direction like

253
00:10:42,230 --> 00:10:38,190
information wasn't passed between

254
00:10:44,449 --> 00:10:42,240
agencies people were given visas when

255
00:10:46,069 --> 00:10:44,459
the perhaps shouldn't have been so

256
00:10:48,980 --> 00:10:46,079
there's all these these actual problems

257
00:10:51,110 --> 00:10:48,990
but I think that there was a sense

258
00:10:53,110 --> 00:10:51,120
perhaps sure on the upper levels of the

259
00:10:55,699 --> 00:10:53,120
government that they didn't want to be

260
00:10:58,759 --> 00:10:55,709
pointing fingers and infighting when

261
00:11:01,010 --> 00:10:58,769
really the real enemy was across the

262
00:11:03,079 --> 00:11:01,020
ocean and that they wanted didn't want

263
00:11:04,430 --> 00:11:03,089

to distract from that so it could well

264

00:11:06,230 --> 00:11:04,440

be that the Commission was set up to

265

00:11:09,290 --> 00:11:06,240

fail in some regards and that

266

00:11:11,179 --> 00:11:09,300

it didn't actually assign blame to the

267

00:11:14,780 --> 00:11:11,189

intelligence community for the failings

268

00:11:17,179 --> 00:11:14,790

of 911 so you're kind of touched on it

269

00:11:22,699 --> 00:11:17,189

but how do you feel about the war games

270

00:11:24,439 --> 00:11:22,709

that were happening that day yeah it's

271

00:11:26,090 --> 00:11:24,449

an interesting thing you know you it's

272

00:11:30,379 --> 00:11:26,100

quite people quite often bring things up

273

00:11:33,079 --> 00:11:30,389

like that there was some drills in a lot

274

00:11:35,299 --> 00:11:33,089

of cases like they talked about the

275

00:11:37,689 --> 00:11:35,309

Boston Marathon and there was some drill

276

00:11:40,189 --> 00:11:37,699

apparently happening at the same time

277

00:11:41,749 --> 00:11:40,199

but I think a lot of those are kind of

278

00:11:44,869 --> 00:11:41,759

taken out of context like there was a

279

00:11:46,639 --> 00:11:44,879

drill for a plane hitting a building on

280

00:11:47,929 --> 00:11:46,649

the same day what Gina sounds like an

281

00:11:49,100 --> 00:11:47,939

amazing coincidence when you look into

282

00:11:51,350 --> 00:11:49,110

what it was it was like they were

283

00:11:54,230 --> 00:11:51,360

talking about a small plane hitting a

284

00:11:55,639 --> 00:11:54,240

low building in a different part of the

285

00:11:57,859 --> 00:11:55,649

country and it was just essentially like

286

00:12:00,410 --> 00:11:57,869

a fire drill type thing you know what do

287

00:12:02,119 --> 00:12:00,420

we do in some yeah and George Bush and

288

00:12:03,889 --> 00:12:02,129

Condoleezza Rice denied that they've

289

00:12:06,470 --> 00:12:03,899

ever planned for anything right like

290

00:12:08,989 --> 00:12:06,480

that right planes hitting buildings yeah

291

00:12:11,239 --> 00:12:08,999

but when they say like that that doesn't

292

00:12:12,919 --> 00:12:11,249

mean like a plane crashing into a

293

00:12:15,499 --> 00:12:12,929

building is this you know essentially a

294

00:12:17,119 --> 00:12:15,509

simple matter of if it's a small plane

295

00:12:18,499 --> 00:12:17,129

hitting a small building it's just

296

00:12:22,579 --> 00:12:18,509

something the fire department would deal

297

00:12:24,230 --> 00:12:22,589

with but too for planes being hijacked

298

00:12:25,699 --> 00:12:24,240

simultaneously and flown into the World

299

00:12:27,470 --> 00:12:25,709

Trade Center and the Pentagon and

300

00:12:29,809 --> 00:12:27,480

possibly the you know the Capitol might

301

00:12:32,539 --> 00:12:29,819

have been the other girl yeah I think

302

00:12:34,730 --> 00:12:32,549

it's reasonable to say that the

303

00:12:36,319 --> 00:12:34,740

descriptions of that day did not fit the

304

00:12:38,539 --> 00:12:36,329

parameters of things that they had

305

00:12:39,980 --> 00:12:38,549

thought of before yeah you can even

306

00:12:43,009 --> 00:12:39,990

point of things like they're in popular

307

00:12:45,319 --> 00:12:43,019

media there were stories about there was

308

00:12:46,970 --> 00:12:45,329

actually I think TV show where they

309

00:12:48,230 --> 00:12:46,980

shared a plane crashing I can't know if

310

00:12:50,299 --> 00:12:48,240

it was the World Trade Center but they

311

00:12:52,220 --> 00:12:50,309

did show you know something similar so

312

00:12:54,739 --> 00:12:52,230

obviously no people think about these

313

00:12:56,749 --> 00:12:54,749

things you know does it mean that the

314

00:13:00,590 --> 00:12:56,759

government actually had a an operational

315

00:13:01,759 --> 00:13:00,600

plan for what to do if if planes were

316

00:13:02,090 --> 00:13:01,769

hijacked to go into the World Trade

317

00:13:04,369 --> 00:13:02,100

Center

318

00:13:06,769 --> 00:13:04,379

I mean clearly not the the goal back

319

00:13:09,470 --> 00:13:06,779

then when a plane was hijacked was to do

320

00:13:11,660 --> 00:13:09,480

what the hijacker says and you know

321

00:13:13,910 --> 00:13:11,670

getting them to land somewhere and then

322

00:13:15,439 --> 00:13:13,920

negotiate with them and that's always

323

00:13:18,049 --> 00:13:15,449

been what happened before and that's

324

00:13:19,970 --> 00:13:18,059

that's what allowed 9/11 to happen just

325

00:13:22,520 --> 00:13:19,980

simply because there was no expect

326

00:13:24,710 --> 00:13:22,530

Asian certainly amongst the pilots and

327

00:13:28,220 --> 00:13:24,720

the the controllers the air traffic

328

00:13:30,800 --> 00:13:28,230

controllers about people actually flying

329

00:13:32,240 --> 00:13:30,810

planes into buildings yeah if they if

330

00:13:33,650 --> 00:13:32,250

they'd known that this was a tower thing

331

00:13:34,670 --> 00:13:33,660

they would have told the pilots they

332

00:13:35,930 --> 00:13:34,680

would have changed the policy they would

333

00:13:37,460 --> 00:13:35,940

have put locks on the doors they were

334

00:13:40,250 --> 00:13:37,470

done the Alba doors all the stuff they

335

00:13:44,110 --> 00:13:40,260

did after 9/11 whoops oh there was no

336

00:13:47,150 --> 00:13:44,120

there was no protocol to say shoot down

337

00:13:49,400 --> 00:13:47,160

airplanes mostly heading towards the

338

00:13:51,620 --> 00:13:49,410

White House or Pentagon or DC in general

339

00:13:54,620 --> 00:13:51,630

yeah I think that the I don't know I

340

00:13:56,240 --> 00:13:54,630

think they probably had protocols for

341

00:14:00,890 --> 00:13:56,250

planes coming from outside of US

342

00:14:02,570 --> 00:14:00,900

airspace and maybe from inside but yeah

343

00:14:03,830 --> 00:14:02,580

I don't I don't know what the protocol

344

00:14:06,260 --> 00:14:03,840

would have been obviously at any of

345

00:14:08,870 --> 00:14:06,270

things around White House White House

346

00:14:11,180 --> 00:14:08,880

security would be secrets right they

347

00:14:14,210 --> 00:14:11,190

wouldn't actually tell you exactly what

348

00:14:15,830 --> 00:14:14,220

the protocol was that it could well be

349

00:14:18,620 --> 00:14:15,840

that they were planning to shoot down

350

00:14:21,140 --> 00:14:18,630

the plane that was heading towards the

351

00:14:22,810 --> 00:14:21,150

White House at least the Pentagon he

352

00:14:25,580 --> 00:14:22,820

know the Pentagon of course was in a

353

00:14:27,620 --> 00:14:25,590

very difficult position to be to have

354

00:14:28,820 --> 00:14:27,630

shooting down planes because it's right

355

00:14:30,320 --> 00:14:28,830

under the flight path of an airport

356

00:14:33,830 --> 00:14:30,330

those planes going up with it all the

357

00:14:36,550 --> 00:14:33,840

time and also planes tend to like wander

358

00:14:41,000 --> 00:14:36,560

into restricted airspace all the time

359

00:14:43,820 --> 00:14:41,010

yes it's much more clamped down upon now

360

00:14:45,260 --> 00:14:43,830

but back then it wasn't it wasn't such a

361

00:14:46,370 --> 00:14:45,270

huge deal because you know people

362

00:14:48,280 --> 00:14:46,380

weren't thinking about this type of

363

00:14:50,420 --> 00:14:48,290

thing you don't think about domestic

364

00:14:53,120 --> 00:14:50,430

threat you think about threats coming

365

00:14:55,280 --> 00:14:53,130

from outside so all of their focus was

366

00:14:57,020 --> 00:14:55,290

on you know things coming from Russia or

367

00:14:59,900 --> 00:14:57,030

things being flown over the border with

368

00:15:01,460 --> 00:14:59,910

drugs or America's lucky and that we've

369

00:15:03,230 --> 00:15:01,470

got these oceans on either side of us it

370

00:15:04,520 --> 00:15:03,240

was actually pretty hard to get into it

371

00:15:06,740 --> 00:15:04,530

and I think that kind of gave us a bit

372

00:15:09,710 --> 00:15:06,750

of a false sense of security back there

373

00:15:11,540 --> 00:15:09,720

so I listened to your last podcast and

374

00:15:13,340 --> 00:15:11,550

what struck me out of pretty much

375

00:15:16,250 --> 00:15:13,350

everything that was said is you kind of

376

00:15:19,220 --> 00:15:16,260

in a way denied when the guy was talking

377

00:15:22,100 --> 00:15:19,230

about the buildings falling basically in

378

00:15:25,070 --> 00:15:22,110

the path of most resistance and also you

379

00:15:26,870 --> 00:15:25,080

denied and I'll let you obviously talk

380

00:15:28,100 --> 00:15:26,880

about it I'm not trying to

381

00:15:30,320 --> 00:15:28,110

strawman you

382

00:15:33,380 --> 00:15:30,330

but you kind of denied the firefighters

383

00:15:35,180 --> 00:15:33,390

claims of molten metal yeah yeah no and

384

00:15:37,670 --> 00:15:35,190

I think I gave quite a long explanation

385

00:15:40,580 --> 00:15:37,680

on both those things in the podcast but

386

00:15:42,950 --> 00:15:40,590

basically if the path of least

387

00:15:45,940 --> 00:15:42,960

resistance is a bit of a bit of a

388

00:15:49,790 --> 00:15:45,950

misnomer it's like if you think of

389

00:15:52,940 --> 00:15:49,800

dropping a rock into the ocean there's

390

00:15:54,650 --> 00:15:52,950

no resistance to it going up there

391

00:15:57,650 --> 00:15:54,660

there's some resistance to it going down

392

00:15:59,540 --> 00:15:57,660

why doesn't then go up you know there's

393

00:16:03,110 --> 00:15:59,550

the originally it sinks into the ocean

394

00:16:05,000 --> 00:16:03,120

is that the force of gravity is greater

395

00:16:06,590 --> 00:16:05,010

than the buoyant force so even though

396

00:16:08,770 --> 00:16:06,600

there's zero resistance to be going up

397

00:16:11,840 --> 00:16:08,780

or zero resistance to be going sideways

398

00:16:14,900 --> 00:16:11,850

because there's a force pulling it down

399

00:16:16,310 --> 00:16:14,910

gravity very strong for us it it sinks

400

00:16:17,630 --> 00:16:16,320

through the ocean and essentially that's

401
00:16:19,700 --> 00:16:17,640
what happens with the tops of the

402
00:16:20,930 --> 00:16:19,710
buildings you could kind of think of

403
00:16:23,270 --> 00:16:20,940
them as sinking it's not really a good

404
00:16:26,060 --> 00:16:23,280
analogy because they're not fluid but at

405
00:16:27,080 --> 00:16:26,070
the top of the building fell through the

406
00:16:27,950 --> 00:16:27,090
bottom of the building because the

407
00:16:30,080 --> 00:16:27,960
bottom of the building

408
00:16:31,340 --> 00:16:30,090
once the columns were no longer aligned

409
00:16:33,140 --> 00:16:31,350
and it was just a big falling mass

410
00:16:36,040 --> 00:16:33,150
stripping the floors away from the

411
00:16:38,600 --> 00:16:36,050
column when she got that situation the

412
00:16:40,130 --> 00:16:38,610
path of least resistance really is

413
00:16:42,050 --> 00:16:40,140

straight down when you add up the forces

414

00:16:44,090 --> 00:16:42,060

there's no force going sideways there's

415

00:16:45,890 --> 00:16:44,100

no force going upwards there's a big

416

00:16:47,930 --> 00:16:45,900

force of gravity going down and then

417

00:16:49,550 --> 00:16:47,940

there's a weaker force of the various

418

00:16:51,590 --> 00:16:49,560

components which are now misaligned

419

00:16:52,760 --> 00:16:51,600

pushing back up so of course it's gonna

420

00:16:57,290 --> 00:16:52,770

fall down there's going to fall straight

421

00:17:00,260 --> 00:16:57,300

down I I mean that's very unintuitive

422

00:17:03,590 --> 00:17:00,270

and interestingly we don't we don't have

423

00:17:05,990 --> 00:17:03,600

many examples of this happening I don't

424

00:17:09,620 --> 00:17:06,000

think science stops for a day any day

425

00:17:12,260 --> 00:17:09,630

but we have we have very large

426

00:17:13,579 --> 00:17:12,270

demolition where all they do is they

427

00:17:14,960 --> 00:17:13,589

take out one floor in the middle of the

428

00:17:16,270 --> 00:17:14,970

building and the top half of the

429

00:17:18,920 --> 00:17:16,280

building falls through the bottom half

430

00:17:20,990 --> 00:17:18,930

yeah and they also have to they also

431

00:17:23,840 --> 00:17:21,000

have to sever all of the core columns at

432

00:17:27,590 --> 00:17:23,850

precisely a specific time incorrectly

433

00:17:29,630 --> 00:17:27,600

terms they early yeah that they take one

434

00:17:32,930 --> 00:17:29,640

floor and they wrecked this one floor

435

00:17:34,640 --> 00:17:32,940

with hydraulic jacks and then they use

436

00:17:37,370 --> 00:17:34,650

these hydraulic jacks to push the

437

00:17:39,830 --> 00:17:37,380

columns out of alignment so the top half

438

00:17:41,540 --> 00:17:39,840

of the building will fall down through

439

00:17:43,070 --> 00:17:41,550

the bottom half of the building and

440

00:17:44,720 --> 00:17:43,080

to remove a lot of a stuff from below of

441

00:17:46,630 --> 00:17:44,730

the building like he obviously feel like

442

00:17:49,490 --> 00:17:46,640

removing asbestos and things like that

443

00:17:51,290 --> 00:17:49,500

but basically they just used the weight

444

00:17:53,080 --> 00:17:51,300

of the building itself to collapse

445

00:17:55,820 --> 00:17:53,090

yourself because buildings are

446

00:17:58,520 --> 00:17:55,830

especially tall buildings are very very

447

00:18:01,100 --> 00:17:58,530

specific in their vertical strength and

448

00:18:02,600 --> 00:18:01,110

most of the strength of a building is in

449

00:18:04,100 --> 00:18:02,610

the columns you look at the columns of

450

00:18:06,320 --> 00:18:04,110

the World Trade Center that is enormous

451
00:18:08,480 --> 00:18:06,330
thick things that have you ever been to

452
00:18:09,620 --> 00:18:08,490
the the 9/11 Memorial in New York where

453
00:18:11,510 --> 00:18:09,630
they have some of the bases of the

454
00:18:13,580 --> 00:18:11,520
columns and they look just insanely

455
00:18:18,260 --> 00:18:13,590
strong but then you got to think that

456
00:18:23,120 --> 00:18:18,270
they have to support 1,300 feet of more

457
00:18:26,150 --> 00:18:23,130
column on top of that so that only works

458
00:18:27,890 --> 00:18:26,160
if you build it vertically if you think

459
00:18:29,870 --> 00:18:27,900
I feel the I feel that there's a

460
00:18:32,350 --> 00:18:29,880
complete non sequitur in that you're

461
00:18:35,630 --> 00:18:32,360
talking about this taking out one floor

462
00:18:37,490 --> 00:18:35,640
it has absolutely really nothing we were

463
00:18:40,000 --> 00:18:37,500

trying to make connections of things

464

00:18:42,860 --> 00:18:40,010

that have happened that are similar to

465

00:18:44,570 --> 00:18:42,870

9/11 and that is just a complete non

466

00:18:46,480 --> 00:18:44,580

sequitur in my opinion but the fires

467

00:18:50,300 --> 00:18:46,490

were only ever a limited number of flaws

468

00:18:52,520 --> 00:18:50,310

you look at them what actually would

469

00:18:55,400 --> 00:18:52,530

have been collapsing at the time it

470

00:18:59,080 --> 00:18:55,410

wouldn't mean as neat as a very nice

471

00:19:02,350 --> 00:18:59,090

demolition but it would have been a a

472

00:19:05,240 --> 00:19:02,360

floor or a few floors essentially that

473

00:19:07,010 --> 00:19:05,250

collapsed the columns would have not

474

00:19:10,310 --> 00:19:07,020

been strong enough and they would have

475

00:19:12,320 --> 00:19:10,320

gone out of alignment and you know that

476

00:19:14,540 --> 00:19:12,330

would have been essentially the same

477

00:19:16,430 --> 00:19:14,550

thing it's the same physics behind it

478

00:19:17,480 --> 00:19:16,440

although each building is different you

479

00:19:19,670 --> 00:19:17,490

really have to look at the actual

480

00:19:22,220 --> 00:19:19,680

mechanics of the World Trade Center I

481

00:19:23,570 --> 00:19:22,230

mean you're familiar with the the

482

00:19:26,120 --> 00:19:23,580

construction of the World Trade Center

483

00:19:28,520 --> 00:19:26,130

in the terms of the core and the floor

484

00:19:32,030 --> 00:19:28,530

panels and the outer wall there's a rena

485

00:19:34,370 --> 00:19:32,040

ben in the mesh yeah so you know that

486

00:19:37,070 --> 00:19:34,380

the the only thing that's connecting the

487

00:19:39,920 --> 00:19:37,080

outer walls to the core are the floor

488

00:19:42,950 --> 00:19:39,930

panels there's no real you know big

489

00:19:44,570 --> 00:19:42,960

strong Gerdes structure in between

490

00:19:49,670 --> 00:19:44,580

there's no columns between the core and

491

00:19:51,740 --> 00:19:49,680

the outer walls so if those those floors

492

00:19:54,380 --> 00:19:51,750

not the core itself but the floors

493

00:19:55,860 --> 00:19:54,390

around the core if those are stripped

494

00:19:58,230 --> 00:19:55,870

away between the core

495

00:20:00,450 --> 00:19:58,240

and the outer walls then is obviously

496

00:20:01,350 --> 00:20:00,460

the outer walls are gonna collapse at

497

00:20:04,110 --> 00:20:01,360

that point because there's nothing

498

00:20:05,760 --> 00:20:04,120

holding them up and the inner core

499

00:20:07,350 --> 00:20:05,770

itself becomes weakened because it

500

00:20:09,180 --> 00:20:07,360

doesn't have this lateral bracing from

501
00:20:11,190 --> 00:20:09,190
the outside you know the collapse is

502
00:20:15,419 --> 00:20:11,200
very complicated you you familiar with

503
00:20:17,820 --> 00:20:15,429
the thing called the spire I don't think

504
00:20:19,740 --> 00:20:17,830
so actually the spire is you've probably

505
00:20:23,700 --> 00:20:19,750
seen it but what happened was after the

506
00:20:26,880 --> 00:20:23,710
I think this is more visible on building

507
00:20:28,529 --> 00:20:26,890
building what there which is the the

508
00:20:31,320 --> 00:20:28,539
last one to collapse the one with a

509
00:20:32,880 --> 00:20:31,330
antenna on top after building one

510
00:20:35,610 --> 00:20:32,890
collapsed and to a certain extent same

511
00:20:37,889 --> 00:20:35,620
with building to half of the core was

512
00:20:40,500 --> 00:20:37,899
actually still standing when the rest of

513
00:20:43,649 --> 00:20:40,510

the building had hit the ground so you

514

00:20:45,029 --> 00:20:43,659

can see this this structure inside it's

515

00:20:46,560 --> 00:20:45,039

kind of less chipped away at the top so

516

00:20:48,539 --> 00:20:46,570

it's kind of pointy shape so it looks a

517

00:20:50,279 --> 00:20:48,549

bit like a spire and you think of the

518

00:20:53,909 --> 00:20:50,289

spire on the Notre Dame Cathedral that

519

00:20:57,539 --> 00:20:53,919

fell a while back but literally half the

520

00:20:58,919 --> 00:20:57,549

building was still standing the Call

521

00:21:00,750 --> 00:20:58,929

list with half of the Corps was still

522

00:21:04,200 --> 00:21:00,760

standing for about I think it was about

523

00:21:05,430 --> 00:21:04,210

five or six seconds after the exterior

524

00:21:07,440 --> 00:21:05,440

of the building had hit the hit the

525

00:21:08,730 --> 00:21:07,450

ground you know people think of just the

526

00:21:10,440 --> 00:21:08,740

top of the building falls all the way

527

00:21:11,610 --> 00:21:10,450

down and that's it it's collapsed but

528

00:21:15,389 --> 00:21:11,620

there's this very interesting thing with

529

00:21:17,669 --> 00:21:15,399

the spire which kind of proves that what

530

00:21:19,740 --> 00:21:17,679

was happening was the floors around the

531

00:21:22,680 --> 00:21:19,750

core had been stripped away from that

532

00:21:25,169 --> 00:21:22,690

core and then that core collapsed you

533

00:21:27,029 --> 00:21:25,179

should check it out so I'm I know you're

534

00:21:29,750 --> 00:21:27,039

very familiar obviously with richard

535

00:21:32,220 --> 00:21:29,760

gauge and the paper that they produce

536

00:21:35,250 --> 00:21:32,230

saying that there's these microspheres

537

00:21:38,210 --> 00:21:35,260

or this this nano-thermite residue

538

00:21:40,860 --> 00:21:38,220

basically so are you are you denying

539

00:21:44,340 --> 00:21:40,870

that paper are you denying all that

540

00:21:46,260 --> 00:21:44,350

they've done well I'm not denying that

541

00:21:49,680 --> 00:21:46,270

paper exists I'm just saying that some

542

00:21:52,110 --> 00:21:49,690

of that conclusions are wrong with the

543

00:21:53,789 --> 00:21:52,120

iron microspheres they say that the only

544

00:21:56,419 --> 00:21:53,799

explanation for these iron microspheres

545

00:21:58,500 --> 00:21:56,429

is that there was nano thermite and

546

00:22:01,169 --> 00:21:58,510

they're going to and say like you know

547

00:22:04,799 --> 00:22:01,179

it's it's molten iron and so molten iron

548

00:22:06,450 --> 00:22:04,809

must have come from iron melting and

549

00:22:07,980 --> 00:22:06,460

fire can't do that thermic can do that

550

00:22:10,230 --> 00:22:07,990

therefore it must have been thermite

551
00:22:11,940 --> 00:22:10,240
but you know what I was simply pointing

552
00:22:13,380 --> 00:22:11,950
out is that there are all these other

553
00:22:16,310 --> 00:22:13,390
reasons where you can get iron

554
00:22:19,260 --> 00:22:16,320
microspheres if you ever do any welding

555
00:22:21,810 --> 00:22:19,270
yet you have making iron microspheres by

556
00:22:23,690 --> 00:22:21,820
the thousands every second and there was

557
00:22:25,590 --> 00:22:23,700
a awful amount of welding going on

558
00:22:27,810 --> 00:22:25,600
during the construction of the World

559
00:22:29,910 --> 00:22:27,820
Trade Center and a lot of that that

560
00:22:31,380 --> 00:22:29,920
welding dust which is entirely iron

561
00:22:33,510 --> 00:22:31,390
microspheres would have remained in the

562
00:22:35,060 --> 00:22:33,520
building and when it's tucked away from

563
00:22:37,440 --> 00:22:35,070

the elements it doesn't actually rust

564

00:22:38,610 --> 00:22:37,450

and there's the whole bunch of other

565

00:22:42,390 --> 00:22:38,620

stuff during the cleanup there was

566

00:22:43,500 --> 00:22:42,400

cutting going on the fires themselves

567

00:22:47,130 --> 00:22:43,510

would have made iron microspheres

568

00:22:49,170 --> 00:22:47,140

because when fire burns rusty steel the

569

00:22:52,740 --> 00:22:49,180

the rust flakes and the iron plates I

570

00:22:55,560 --> 00:22:52,750

get consumed in the same way that's what

571

00:22:57,540 --> 00:22:55,570

does it steel wall steel wall burns if

572

00:22:59,340 --> 00:22:57,550

you if you put a match to it doesn't

573

00:23:00,840 --> 00:22:59,350

require a very high temperature and it

574

00:23:02,490 --> 00:23:00,850

sparks and makes all these iron

575

00:23:04,710 --> 00:23:02,500

microspheres and there's a bunch of

576

00:23:06,360 --> 00:23:04,720

other ways as well but basically there

577

00:23:08,280 --> 00:23:06,370

are all these ways you can make iron

578

00:23:11,100 --> 00:23:08,290

microspheres and yet architects and

579

00:23:13,200 --> 00:23:11,110

engineers for 9/11 truth and the lawyers

580

00:23:14,820 --> 00:23:13,210

Committee for 9/11 truth are saying this

581

00:23:17,400 --> 00:23:14,830

is the only way it could be it could

582

00:23:19,800 --> 00:23:17,410

only be from nano thermite and that's

583

00:23:22,260 --> 00:23:19,810

just just flat wrong so didn't they

584

00:23:24,750 --> 00:23:22,270

actually have actual chips that they

585

00:23:27,120 --> 00:23:24,760

ignited they had some chips yet but the

586

00:23:29,340 --> 00:23:27,130

thing was these chips red and gray chips

587

00:23:31,500 --> 00:23:29,350

that they found I found some chips that

588

00:23:34,140 --> 00:23:31,510

look look exactly the same

589

00:23:36,420 --> 00:23:34,150

and I burnt them and they made iron

590

00:23:38,010 --> 00:23:36,430

microspheres I found these chips on my

591

00:23:40,770 --> 00:23:38,020

wheelbarrow I have a wheelbarrow that

592

00:23:42,600 --> 00:23:40,780

has a red coating which i think is

593

00:23:44,550 --> 00:23:42,610

probably similar to the the primer

594

00:23:47,280 --> 00:23:44,560

coating red primer paint that they use

595

00:23:49,500 --> 00:23:47,290

on the World Trade Center the the

596

00:23:52,350 --> 00:23:49,510

trusses themselves were painted in red

597

00:23:55,410 --> 00:23:52,360

paint and as they fell and they burnt in

598

00:23:57,450 --> 00:23:55,420

the collapse and they all this paint

599

00:23:59,910 --> 00:23:57,460

flaked off basically and so you have

600

00:24:02,250 --> 00:23:59,920

thousands of flakes of this paint and if

601
00:24:04,560 --> 00:24:02,260
you look at it it looks exactly the same

602
00:24:06,240 --> 00:24:04,570
as my chips it's red on one side which

603
00:24:09,120 --> 00:24:06,250
is the paint is gray on the other side

604
00:24:11,100 --> 00:24:09,130
which is iron oxide which is the

605
00:24:14,160 --> 00:24:11,110
basically the surface of the steel that

606
00:24:16,230 --> 00:24:14,170
is flaked off of and it's it's flammable

607
00:24:18,960 --> 00:24:16,240
and I've burnt it and I made iron

608
00:24:20,520 --> 00:24:18,970
microspheres so basically replicate

609
00:24:21,629 --> 00:24:20,530
exactly the same thing now they've got a

610
00:24:24,299 --> 00:24:21,639
quibble about the exact

611
00:24:25,699 --> 00:24:24,309
chemical makeup of the paint and things

612
00:24:27,869 --> 00:24:25,709
like that but if you look at their own

613
00:24:30,479 --> 00:24:27,879

experiments that they do they find all

614

00:24:31,979 --> 00:24:30,489

kinds of different red chips some of

615

00:24:34,560 --> 00:24:31,989

which are consistent with some of the

616

00:24:35,629 --> 00:24:34,570

primer paint some of which are not but

617

00:24:38,399 --> 00:24:35,639

could have come from a different

618

00:24:40,440 --> 00:24:38,409

different paint source but basically it

619

00:24:42,529 --> 00:24:40,450

looks exactly like paint chips you know

620

00:24:44,759 --> 00:24:42,539

it really exactly like paint chips and

621

00:24:45,509 --> 00:24:44,769

the composition of it isn't really

622

00:24:47,699 --> 00:24:45,519

nano-thermite

623

00:24:51,089 --> 00:24:47,709

they have iron oxide on one side which

624

00:24:52,289 --> 00:24:51,099

is basically inert if you unless you mix

625

00:24:53,940 --> 00:24:52,299

it with something and in this case it's

626

00:24:56,459 --> 00:24:53,950

not mixed with something on the other

627

00:24:59,759 --> 00:24:56,469

side what they had was essentially an

628

00:25:02,909 --> 00:24:59,769

organic binder with some flakes of stuff

629

00:25:05,690 --> 00:25:02,919

in it and the organic organic binder is

630

00:25:09,690 --> 00:25:05,700

kind of like an epoxy type thing or a

631

00:25:13,049 --> 00:25:09,700

hydrocarbon basically so what happened

632

00:25:15,589 --> 00:25:13,059

was they stick it in this differential

633

00:25:18,029 --> 00:25:15,599

scanning calorimeter whatever it was and

634

00:25:20,699 --> 00:25:18,039

heated it up until it ignited and then

635

00:25:25,319 --> 00:25:20,709

it burnt and what's burning there is the

636

00:25:27,299 --> 00:25:25,329

epoxy the paint the well I'm pretty I'm

637

00:25:29,869 --> 00:25:27,309

gonna say that that's probably the best

638

00:25:32,969 --> 00:25:29,879

explanation and and I guess a lot of

639

00:25:35,190 --> 00:25:32,979

this word conspiracy theorists you know

640

00:25:37,079 --> 00:25:35,200

I might believe that we weren't told the

641

00:25:39,569 --> 00:25:37,089

official story or the official stories

642

00:25:41,279 --> 00:25:39,579

and actually correct so a lot of times I

643

00:25:43,289 --> 00:25:41,289

feel like I'm painted in with flat

644

00:25:45,599 --> 00:25:43,299

earthers or people that doing trans

645

00:25:47,909 --> 00:25:45,609

vestigation z' and this is this is in my

646

00:25:50,339 --> 00:25:47,919

opinion something that some kind of a PR

647

00:25:52,469 --> 00:25:50,349

group or a think tank has done to where

648

00:25:54,959 --> 00:25:52,479

all of these mainstream media articles

649

00:25:56,399 --> 00:25:54,969

they'll talk about flat earth right

650

00:25:58,349 --> 00:25:56,409

below it they'll talk about you know

651
00:26:00,719 --> 00:25:58,359
anti-vaxxers they'll talk about flatter

652
00:26:04,049 --> 00:26:00,729
they'll throw in the throw in ridiculous

653
00:26:06,779 --> 00:26:04,059
conspiracy theories to basically try to

654
00:26:08,969 --> 00:26:06,789
tar us all you know yes with the same

655
00:26:10,680 --> 00:26:08,979
brush and I feel that you know it

656
00:26:13,529 --> 00:26:10,690
actually gets into the kind of the

657
00:26:15,359 --> 00:26:13,539
public's of subconscious of going around

658
00:26:17,729 --> 00:26:15,369
and hey I have a different idea about

659
00:26:19,229 --> 00:26:17,739
this than what we're being told oh what

660
00:26:21,180 --> 00:26:19,239
do you a flat earther so I feel that

661
00:26:23,430 --> 00:26:21,190
that it's kind of a smear of a campaign

662
00:26:25,349 --> 00:26:23,440
yeah I could set it see how you would

663
00:26:28,949 --> 00:26:25,359

think that and it certainly is a problem

664

00:26:31,529 --> 00:26:28,959

and yeah I say this all the time in my

665

00:26:34,680 --> 00:26:31,539

book I talk about what I called the

666

00:26:35,280 --> 00:26:34,690

demarkation line everyone has some kind

667

00:26:36,840 --> 00:26:35,290

of line

668

00:26:39,630 --> 00:26:36,850

where they think things on one side of

669

00:26:41,490 --> 00:26:39,640

it are just silly conspiracy theories

670

00:26:44,370 --> 00:26:41,500

and they think everything on the other

671

00:26:47,790 --> 00:26:44,380

side of it is actually sensible yet

672

00:26:49,470 --> 00:26:47,800

conspiracies conspiracy theories and we

673

00:26:53,220 --> 00:26:49,480

all draw a lines at different places and

674

00:26:54,930 --> 00:26:53,230

everybody's kind of obsessed with not

675

00:26:56,250 --> 00:26:54,940

getting taught by the same brush did

676

00:26:58,380 --> 00:26:56,260

they think that things just on the other

677

00:27:01,770 --> 00:26:58,390

side of their line are silly like you

678

00:27:03,780 --> 00:27:01,780

know David Chandler there was a kind of

679

00:27:05,190 --> 00:27:03,790

investigator is a former high school

680

00:27:08,520 --> 00:27:05,200

physics teacher a math teacher

681

00:27:10,050 --> 00:27:08,530

I've heard of him here he right now is

682

00:27:13,380 --> 00:27:10,060

really obsessed with proving that a

683

00:27:16,110 --> 00:27:13,390

plane hit the Pentagon and yet he's also

684

00:27:19,680 --> 00:27:16,120

a hardcore believer in the controlled

685

00:27:23,100 --> 00:27:19,690

demolition theory so he is very upset

686

00:27:27,450 --> 00:27:23,110

that what he views as nonsense this

687

00:27:31,050 --> 00:27:27,460

plane hitting the Pentagon is being you

688

00:27:32,970 --> 00:27:31,060

know misidentified with his position

689

00:27:35,850 --> 00:27:32,980

which he sees as very sensible position

690

00:27:38,520 --> 00:27:35,860

that simply that the towers were pre

691

00:27:40,110 --> 00:27:38,530

rigged with explosives of secret nano

692

00:27:43,110 --> 00:27:40,120

thermite and the planes were flown in by

693

00:27:44,550 --> 00:27:43,120

remote control so he doesn't yeah he

694

00:27:46,440 --> 00:27:44,560

doesn't like being taught by the same

695

00:27:49,680 --> 00:27:46,450

brush and I also I once went to a

696

00:27:51,210 --> 00:27:49,690

conference for chemtrails and there was

697

00:27:53,640 --> 00:27:51,220

a bunch of people there who were talking

698

00:27:56,790 --> 00:27:53,650

about talking with aliens from another

699

00:27:58,950 --> 00:27:56,800

dimension for some reason there was a

700

00:28:00,810 --> 00:27:58,960

crossover conference and the chemtrails

701
00:28:01,980 --> 00:28:00,820
people were really angry that these

702
00:28:04,500 --> 00:28:01,990
people had been allowed into the

703
00:28:06,360 --> 00:28:04,510
conference so I think it's a natural

704
00:28:10,200 --> 00:28:06,370
reaction but I don't think it's

705
00:28:12,270 --> 00:28:10,210
necessarily deliberate you know I think

706
00:28:13,470 --> 00:28:12,280
you obviously there is some people who

707
00:28:14,850 --> 00:28:13,480
will dismiss you because you were a

708
00:28:16,290 --> 00:28:14,860
conspiracy theorists and they're

709
00:28:18,060 --> 00:28:16,300
thinking of all kinds of conspiracy

710
00:28:20,040 --> 00:28:18,070
theories they're not looking at your

711
00:28:20,880 --> 00:28:20,050
specific one but I think it's just

712
00:28:23,160 --> 00:28:20,890
something that comes with the territory

713
00:28:26,460 --> 00:28:23,170

just because there are ridiculous

714

00:28:29,940 --> 00:28:26,470

conspiracy theories people not even on

715

00:28:32,100 --> 00:28:29,950

you 11 even on 9/11 it's like really the

716

00:28:34,830 --> 00:28:32,110

objective should be that hey in my

717

00:28:36,690 --> 00:28:34,840

opinion at least that what we're being

718

00:28:39,870 --> 00:28:36,700

told doesn't seem to match up there's

719

00:28:41,430 --> 00:28:39,880

there's tons of cui bono who benefits in

720

00:28:43,770 --> 00:28:41,440

this whole thing

721

00:28:45,870 --> 00:28:43,780

then we have people all of a sudden from

722

00:28:47,880 --> 00:28:45,880

clues forum and all these places saying

723

00:28:50,490 --> 00:28:47,890

that there's no planes or dr. Judy would

724

00:28:53,400 --> 00:28:50,500

saying that there's elite space weapons

725

00:28:55,920 --> 00:28:53,410

and and all this stuff and so yeah it

726

00:28:58,050 --> 00:28:55,930

seems like even in the flat earth like

727

00:29:00,090 --> 00:28:58,060

I've been obviously had a head of film

728

00:29:01,950 --> 00:29:00,100

pulse on the Flat Earth for a long time

729

00:29:04,080 --> 00:29:01,960

and it seems like these things kind of

730

00:29:06,330 --> 00:29:04,090

come and go and whatever sticks did

731

00:29:08,550 --> 00:29:06,340

people that believed it will continue to

732

00:29:09,690 --> 00:29:08,560

perpetrate it so things like I don't

733

00:29:12,030 --> 00:29:09,700

know if you ever heard about it but no

734

00:29:14,520 --> 00:29:12,040

forest on a flat earth that was picked

735

00:29:17,070 --> 00:29:14,530

up and then dropped really quickly

736

00:29:19,950 --> 00:29:17,080

because it was so dumb I think and so

737

00:29:22,260 --> 00:29:19,960

it's just it's gone right but then

738

00:29:25,440 --> 00:29:22,270

there's other theories that come in and

739

00:29:27,210 --> 00:29:25,450

whatever sticks for some reason it seems

740

00:29:29,670 --> 00:29:27,220

like you all you need to do is give a

741

00:29:32,100 --> 00:29:29,680

person an idea the right person an idea

742

00:29:33,630 --> 00:29:32,110

and if they have a following or where

743

00:29:35,760 --> 00:29:33,640

they're able to get it to another person

744

00:29:39,660 --> 00:29:35,770

that has a following the the

745

00:29:41,850 --> 00:29:39,670

perpetration is just ramp it like you

746

00:29:44,280 --> 00:29:41,860

can't stop it have you heard of the the

747

00:29:45,630 --> 00:29:44,290

mud flood theory oh yeah I was just

748

00:29:47,910 --> 00:29:45,640

talking about that before I called you

749

00:29:50,250 --> 00:29:47,920

yeah yeah cuz that's uh that's kind of

750

00:29:51,960 --> 00:29:50,260

you know similar to no forests on flat

751

00:29:53,490 --> 00:29:51,970

earth in terms of its kind of

752

00:29:55,290 --> 00:29:53,500

ridiculousness okay what do you think

753

00:29:57,750 --> 00:29:55,300

about the theory and what do you think

754

00:30:00,870 --> 00:29:57,760

you think it's this type of deliberate

755

00:30:03,810 --> 00:30:00,880

disinformation or yeah yeah I think it's

756

00:30:05,520 --> 00:30:03,820

for sure deliberate one of those in my

757

00:30:09,750 --> 00:30:05,530

opinion probably a PR company or

758

00:30:11,100 --> 00:30:09,760

something tank that has some ideas and

759

00:30:13,730 --> 00:30:11,110

they'll give just a little bit of

760

00:30:16,110 --> 00:30:13,740

information and there's people that

761

00:30:18,660 --> 00:30:16,120

there's this UK guy I was talking about

762

00:30:20,580 --> 00:30:18,670

that is obsessed with it and he's got

763

00:30:24,210 --> 00:30:20,590

like nine hundred people watching his

764

00:30:26,160 --> 00:30:24,220

live live YouTube channel where he's

765

00:30:27,660 --> 00:30:26,170

just looking at pictures and some of

766

00:30:29,400 --> 00:30:27,670

them are known to be fake like that

767

00:30:31,410 --> 00:30:29,410

giant you've probably seen the Asian

768

00:30:33,090 --> 00:30:31,420

giant or whatever that was just in a it

769

00:30:34,440 --> 00:30:33,100

was an intro into some movie or

770

00:30:37,890 --> 00:30:34,450

something that they're they're picking

771

00:30:40,740 --> 00:30:37,900

up on and so yeah I mean really I've

772

00:30:43,380 --> 00:30:40,750

actually removed myself from for the

773

00:30:45,810 --> 00:30:43,390

most part this crowd because the people

774

00:30:47,880 --> 00:30:45,820

aren't objective like there's no cui

775

00:30:49,040 --> 00:30:47,890

bono who benefits for the earth being

776

00:30:51,830 --> 00:30:49,050

flat

777

00:30:53,630 --> 00:30:51,840

the mud tarred thing in my opinion

778

00:30:56,480 --> 00:30:53,640

doesn't go anywhere there's no objective

779

00:30:59,180 --> 00:30:56,490

to it as far as these trillion-dollar

780

00:31:00,650 --> 00:30:59,190

wars that we're doing over you know on

781

00:31:02,470 --> 00:31:00,660

the other side of the world I think

782

00:31:06,350 --> 00:31:02,480

these are much more important because

783

00:31:08,150 --> 00:31:06,360

actual American soldiers actually go

784

00:31:11,390 --> 00:31:08,160

there to die and if it's for a false

785

00:31:13,630 --> 00:31:11,400

premise it's it's really messed up and

786

00:31:15,590 --> 00:31:13,640

there's there's been things like

787

00:31:18,470 --> 00:31:15,600

Operation Northwoods that I'm sure

788

00:31:21,890 --> 00:31:18,480

you're familiar with where it's

789

00:31:23,420 --> 00:31:21,900

basically outlining false flags that

790

00:31:24,920 --> 00:31:23,430

they could do to get into war with Cuba

791

00:31:27,710 --> 00:31:24,930

and this isn't the first thing I mean

792

00:31:30,650 --> 00:31:27,720

Gulf of Tonkin incident and others are

793

00:31:32,870 --> 00:31:30,660

we were not told the correct information

794

00:31:34,040 --> 00:31:32,880

and a lot of times it seems as though

795

00:31:37,130 --> 00:31:34,050

they're trying to get the public

796

00:31:40,340 --> 00:31:37,140

perception to go hoorah America to go to

797

00:31:42,950 --> 00:31:40,350

war for false pretences yeah definitely

798

00:31:45,680 --> 00:31:42,960

I think I write about both of those

799

00:31:46,970 --> 00:31:45,690

North Woods and Tonkin in my book and I

800

00:31:49,940 --> 00:31:46,980

looked into talking quite look it's very

801
00:31:54,890 --> 00:31:49,950
interesting it doesn't seem like it was

802
00:31:57,710 --> 00:31:54,900
a planned thing it was Robert McNamara

803
00:31:59,960 --> 00:31:57,720
with Secretary of Secretary of Secretary

804
00:32:03,170 --> 00:31:59,970
of Defense back then and he was actually

805
00:32:05,600 --> 00:32:03,180
looking for an excuse to attack North

806
00:32:08,690 --> 00:32:05,610
North Vietnam because he wanted to

807
00:32:11,900 --> 00:32:08,700
destroy their industrial capacity and

808
00:32:13,970 --> 00:32:11,910
there was this this incident with the

809
00:32:17,210 --> 00:32:13,980
ship thinking it would being attacked by

810
00:32:18,590 --> 00:32:17,220
torpedo boats and they basically they

811
00:32:22,160 --> 00:32:18,600
called in and said you know we're under

812
00:32:25,340 --> 00:32:22,170
attack and McNamara said to Johnson that

813
00:32:27,440 --> 00:32:25,350

we need to attack and then they they

814

00:32:28,820 --> 00:32:27,450

later say oh wait we don't think it was

815

00:32:30,710 --> 00:32:28,830

he we think it just like a faulty radar

816

00:32:32,330 --> 00:32:30,720

returned and they had the records of

817

00:32:35,030 --> 00:32:32,340

them actually doing this but McNamara

818

00:32:36,620 --> 00:32:35,040

just didn't tell Johnson about this he

819

00:32:38,600 --> 00:32:36,630

kind of with held that information and

820

00:32:40,460 --> 00:32:38,610

didn't didn't move forward so it's kind

821

00:32:42,470 --> 00:32:40,470

of like yeah factions within the

822

00:32:42,800 --> 00:32:42,480

government were fighting against each

823

00:32:45,080 --> 00:32:42,810

other

824

00:32:47,780 --> 00:32:45,090

Johnson didn't really want to get into

825

00:32:50,600 --> 00:32:47,790

it as much as McNamara did McNamara knew

826

00:32:53,420 --> 00:32:50,610

this and so he had to kind of in a way

827

00:32:55,430 --> 00:32:53,430

lie to Johnson to get him to actually

828

00:32:57,140 --> 00:32:55,440

attack North Vietnam and once they did

829

00:32:58,640 --> 00:32:57,150

the Gulf of Tonkin Resolution and they

830

00:33:01,130 --> 00:32:58,650

did a bombing run then basically they

831

00:33:02,520 --> 00:33:01,140

were all in and it was irrelevant but

832

00:33:04,790 --> 00:33:02,530

the truth came out on that one event

833

00:33:07,740 --> 00:33:04,800

there was quite detailed records of the

834

00:33:09,630 --> 00:33:07,750

the intersections of communications and

835

00:33:11,370 --> 00:33:09,640

the mistranslations and the faulty

836

00:33:14,550 --> 00:33:11,380

returns and there wasn't actually

837

00:33:18,480 --> 00:33:14,560

anything going on on that second second

838

00:33:21,360 --> 00:33:18,490

attack second day at the Gulf of Guinea

839

00:33:23,250 --> 00:33:21,370

it was misrepresented greatly to the

840

00:33:25,500 --> 00:33:23,260

American public answer to Johnson the

841

00:33:27,660 --> 00:33:25,510

president's at another time and this is

842

00:33:30,000 --> 00:33:27,670

why you have to understand at a certain

843

00:33:31,740 --> 00:33:30,010

point that as far as the conspiracy

844

00:33:33,420 --> 00:33:31,750

minded people we have been

845

00:33:35,670 --> 00:33:33,430

disenfranchised because a lot of times

846

00:33:37,860 --> 00:33:35,680

we do research and if these things like

847

00:33:39,920 --> 00:33:37,870

you know the pretext or one of the

848

00:33:42,780 --> 00:33:39,930

pretext for the Gulf War was that

849

00:33:44,940 --> 00:33:42,790

fifteen-year-old nyira testifying about

850

00:33:46,340 --> 00:33:44,950

babies and incubators when she was

851

00:33:49,710 --> 00:33:46,350

actually the daughter of the Kuwaiti

852

00:33:51,780 --> 00:33:49,720

ambassador and it was set up by a PR

853

00:33:54,330 --> 00:33:51,790

company Hill & Knowlton employed by

854

00:33:57,240 --> 00:33:54,340

citizens for free Kuwait yeah so a lot

855

00:33:59,190 --> 00:33:57,250

of the a lot of these things are to get

856

00:34:03,960 --> 00:33:59,200

into the minds of Americans like I said

857

00:34:08,340 --> 00:34:03,970

and so you know 9/11 is like the

858

00:34:10,980 --> 00:34:08,350

ultimate you know the ultimate way to go

859

00:34:14,580 --> 00:34:10,990

to war with the Middle East and forget

860

00:34:16,020 --> 00:34:14,590

that generals name but he said how no

861

00:34:18,240 --> 00:34:16,030

the general that said that basically

862

00:34:23,820 --> 00:34:18,250

they had a plan for like seven different

863

00:34:26,669 --> 00:34:23,830

ideas Wesley Clark oh yeah yeah so

864

00:34:29,520 --> 00:34:26,679

there's a lot of these examples of hey

865

00:34:32,879 --> 00:34:29,530

we have a mission and what we have to do

866

00:34:34,760 --> 00:34:32,889

is basically get the American people

867

00:34:37,440 --> 00:34:34,770

kind of like P knack we need a

868

00:34:38,580 --> 00:34:37,450

catalyzing event such as Pearl Harbor

869

00:34:43,530 --> 00:34:38,590

you go Hank

870

00:34:47,040 --> 00:34:43,540

yeah and you're saying and to a large

871

00:34:49,230 --> 00:34:47,050

extent I agree with you know what

872

00:34:52,139 --> 00:34:49,240

happened in this 9/11 was definitely

873

00:34:55,020 --> 00:34:52,149

used as an excuse to invade you know

874

00:34:58,560 --> 00:34:55,030

they invaded Iraq which had the routers

875

00:34:59,760 --> 00:34:58,570

only nothing to do with 9/11 but the

876

00:35:01,170 --> 00:34:59,770

American public were fine with that

877

00:35:02,520 --> 00:35:01,180

because they just you know they see the

878

00:35:05,940 --> 00:35:02,530

whole of the Middle East as being this

879

00:35:07,650 --> 00:35:05,950

one one broad thing but I don't think

880

00:35:11,370 --> 00:35:07,660

that necessarily means that the American

881

00:35:13,530 --> 00:35:11,380

government did 9/11 well it means that

882

00:35:14,640 --> 00:35:13,540

they definitely it's they benefited from

883

00:35:16,650 --> 00:35:14,650

it so

884

00:35:21,210 --> 00:35:16,660

yeah they benefited from it and at a

885

00:35:24,359 --> 00:35:21,220

certain point you know Osama bin Laden

886

00:35:27,359 --> 00:35:24,369

obviously helped with the Mujahideen and

887

00:35:32,370 --> 00:35:27,369

I think his CIA or FBI with the USSR

888

00:35:34,529 --> 00:35:32,380

long ago and obviously that whole I

889

00:35:38,069 --> 00:35:34,539

think was it not been to our Bush but

890

00:35:40,410 --> 00:35:38,079

the he had a large extended family and

891

00:35:44,670 --> 00:35:40,420

the family seemed to be friends with

892

00:35:47,849 --> 00:35:44,680

Bush and I think even one of his

893

00:35:49,950 --> 00:35:47,859

brothers died in a weird plane accident

894

00:35:54,450 --> 00:35:49,960

in Texas or something I forget it's been

895

00:35:57,990 --> 00:35:54,460

a long time but there it's kind of naive

896

00:35:59,190 --> 00:35:58,000

almost too free in my opinion for you to

897

00:36:01,289 --> 00:35:59,200

be able to see all these things that

898

00:36:03,029 --> 00:36:01,299

they've done in the past and kind of be

899

00:36:05,910 --> 00:36:03,039

like well nothing to see here on 9/11

900

00:36:07,829 --> 00:36:05,920

and you know these theories about the

901
00:36:09,960 --> 00:36:07,839
buildings falling in way that they did

902
00:36:10,980 --> 00:36:09,970
and I just it's hard for me to believe

903
00:36:12,809 --> 00:36:10,990
no I

904
00:36:17,010 --> 00:36:12,819
hey what you saying but you know I did

905
00:36:21,450 --> 00:36:17,020
look into these a lot into North Woods

906
00:36:24,809 --> 00:36:21,460
and the Gulf of Tonkin North Woods was a

907
00:36:27,660 --> 00:36:24,819
proposal document that was floated

908
00:36:32,819 --> 00:36:27,670
around by the Chiefs of Staff about

909
00:36:36,390 --> 00:36:32,829
trying to get pretext to invade Cuba but

910
00:36:39,359 --> 00:36:36,400
I don't really see the parallels in

911
00:36:42,809 --> 00:36:39,369
scale between what was proposed back

912
00:36:45,720 --> 00:36:42,819
then and 9/11 you know the idea that you

913
00:36:48,029 --> 00:36:45,730

would need something like destroying the

914

00:36:50,099 --> 00:36:48,039

World Trade Center in order to justify

915

00:36:52,170 --> 00:36:50,109

invading Iraq they could have just like

916

00:36:53,789 --> 00:36:52,180

you know let it bomb off in the the US

917

00:36:56,130 --> 00:36:53,799

Embassy and not killed anybody or like

918

00:36:57,390 --> 00:36:56,140

havesome some chemical weapons

919

00:36:59,569 --> 00:36:57,400

discovered somewhere or faked some

920

00:37:02,279 --> 00:36:59,579

satellite photographs he doesn't know

921

00:37:05,150 --> 00:37:02,289

how about the 1993 I believe it was

922

00:37:07,740 --> 00:37:05,160

bombings of the World Trade Center

923

00:37:09,029 --> 00:37:07,750

have you ever research into that where

924

00:37:11,220 --> 00:37:09,039

the guy actually comes out and said that

925

00:37:12,569 --> 00:37:11,230

he was FBI informant he recorded their

926

00:37:14,849 --> 00:37:12,579

phone call yeah I haven't looked in

927

00:37:17,700 --> 00:37:14,859

great detail but I've heard of that but

928

00:37:22,470 --> 00:37:17,710

I don't think it was yeah specifically

929

00:37:23,789 --> 00:37:22,480

very strong evidence cuz you know why we

930

00:37:25,839 --> 00:37:23,799

believe in this guy he could be just

931

00:37:28,569 --> 00:37:25,849

saying there's for some other reason

932

00:37:30,459 --> 00:37:28,579

yes we ordered the phone calls is what

933

00:37:33,160 --> 00:37:30,469

I'm saying do you have the recordings of

934

00:37:35,170 --> 00:37:33,170

the phone calls not me personally right

935

00:37:37,930 --> 00:37:35,180

now no this is this been quite a while

936

00:37:39,640 --> 00:37:37,940

yeah no I I don't I think you know that

937

00:37:43,299 --> 00:37:39,650

again is probably what it appears to be

938

00:37:45,370 --> 00:37:43,309

like she had his terrorists fighting

939

00:37:46,630 --> 00:37:45,380

what they view is the Great Satan they

940

00:37:49,209 --> 00:37:46,640

don't like America because of its

941

00:37:51,489 --> 00:37:49,219

involvement in the Middle East we know

942

00:37:53,680 --> 00:37:51,499

this to a certain extent don't you agree

943

00:37:56,259 --> 00:37:53,690

with them though I mean you know if you

944

00:37:57,880 --> 00:37:56,269

were on the other side of the I do agree

945

00:38:00,670 --> 00:37:57,890

I'm not so sure

946

00:38:03,819 --> 00:38:00,680

yeah I'm not on the side of Isis however

947

00:38:05,200 --> 00:38:03,829

I think that America's imperialism has

948

00:38:07,839 --> 00:38:05,210

historically been overreaching and

949

00:38:10,479 --> 00:38:07,849

America has been involved in in

950

00:38:12,519 --> 00:38:10,489

nation-building and in overthrowing

951
00:38:14,559 --> 00:38:12,529
governments you know this is something

952
00:38:16,709 --> 00:38:14,569
that's well-known that the CIA has been

953
00:38:19,299 --> 00:38:16,719
involved in overthrowing governments and

954
00:38:21,459 --> 00:38:19,309
yeah they're they're involved in foreign

955
00:38:24,099 --> 00:38:21,469
propaganda to a large extent trying to

956
00:38:27,009 --> 00:38:24,109
influence things like borrowing

957
00:38:29,890 --> 00:38:27,019
elections look at what's going on in

958
00:38:32,499 --> 00:38:29,900
Venezuela right now there's obviously

959
00:38:34,509 --> 00:38:32,509
people maneuvering in the United States

960
00:38:36,339 --> 00:38:34,519
government because they want a specific

961
00:38:38,819 --> 00:38:36,349
outcome so you know they're meddling in

962
00:38:41,410 --> 00:38:38,829
other countries elections essentially

963
00:38:43,479 --> 00:38:41,420

not that I'm not that I'm supporting one

964

00:38:45,969 --> 00:38:43,489

side or the other and in Venezuela but

965

00:38:47,529 --> 00:38:45,979

you know just looking at it yeah it's

966

00:38:49,709 --> 00:38:47,539

historically the type of thing the US

967

00:38:52,450 --> 00:38:49,719

has done especially in South America

968

00:38:54,670 --> 00:38:52,460

there's the the the policy was at the

969

00:38:57,130 --> 00:38:54,680

Monroe Doctrine which is basically

970

00:38:58,539 --> 00:38:57,140

saying South America is ours you're you

971

00:38:59,890 --> 00:38:58,549

guys all keep-out we're the ones who are

972

00:39:03,880 --> 00:38:59,900

going to control everything the cosine

973

00:39:05,859 --> 00:39:03,890

in South America so yeah I'm not a fan

974

00:39:09,880 --> 00:39:05,869

of America's foreign policy I think it's

975

00:39:12,130 --> 00:39:09,890

too imperialist and it's too

976
00:39:15,539 --> 00:39:12,140
interventionist and we need to work more

977
00:39:17,529 --> 00:39:15,549
as a global community rather than

978
00:39:20,829 --> 00:39:17,539
America being the world's police and

979
00:39:21,999 --> 00:39:20,839
trying to exploit the world yeah well we

980
00:39:24,069 --> 00:39:22,009
have things like operation Mockingbird

981
00:39:26,019 --> 00:39:24,079
I'm sure you've heard from the 50s and

982
00:39:29,019 --> 00:39:26,029
70s and I would argue probably still

983
00:39:31,420 --> 00:39:29,029
going on CIA paid domestic and foreign

984
00:39:32,589 --> 00:39:31,430
journalists to publish CIA propaganda we

985
00:39:35,289 --> 00:39:32,599
have things like operation Ajax

986
00:39:37,570 --> 00:39:35,299
operation Snow White operation Gladio

987
00:39:40,150 --> 00:39:37,580
Operation Paperclip so there

988
00:39:43,930 --> 00:39:40,160

there's been documented even by them

989

00:39:46,330 --> 00:39:43,940

obviously clandestine operations that

990

00:39:49,720 --> 00:39:46,340

continue to happen and a lot of them

991

00:39:52,390 --> 00:39:49,730

have been to get us to war so is there a

992

00:39:55,810 --> 00:39:52,400

possibility that you are afraid of the

993

00:39:59,560 --> 00:39:55,820

implications that 9/11 could have had

994

00:40:00,580 --> 00:39:59,570

elements of the government involved no

995

00:40:03,550 --> 00:40:00,590

not at all

996

00:40:05,470 --> 00:40:03,560

I'm just don't I don't see what I focus

997

00:40:07,180 --> 00:40:05,480

on are the collapses of the buildings

998

00:40:10,000 --> 00:40:07,190

and whether there was a controlled

999

00:40:13,180 --> 00:40:10,010

demolition involved I think it's it's

1000

00:40:16,960 --> 00:40:13,190

there is an outside possibility the the

1001
00:40:18,700 --> 00:40:16,970
hijackers could have been influenced by

1002
00:40:20,350 --> 00:40:18,710
somebody from America

1003
00:40:22,030 --> 00:40:20,360
I don't know that Israel is someone in

1004
00:40:24,280 --> 00:40:22,040
power but it could be this you know this

1005
00:40:26,560 --> 00:40:24,290
is you know something that's I wouldn't

1006
00:40:29,610 --> 00:40:26,570
completely discount the possibility it's

1007
00:40:32,080 --> 00:40:29,620
also possible that the US government

1008
00:40:33,400 --> 00:40:32,090
downplayed the threats that they have

1009
00:40:36,190 --> 00:40:33,410
been receiving because they actually

1010
00:40:37,630 --> 00:40:36,200
some people wanted there to be an attack

1011
00:40:38,830 --> 00:40:37,640
they didn't realize how big it was going

1012
00:40:40,180 --> 00:40:38,840
to be but they wanted there to be an

1013
00:40:41,710 --> 00:40:40,190

attack so they could use this as an

1014

00:40:43,900 --> 00:40:41,720

excuse so there are certainly

1015

00:40:46,120 --> 00:40:43,910

possibilities that I wouldn't discount

1016

00:40:47,830 --> 00:40:46,130

and I try never to really discount every

1017

00:40:50,680 --> 00:40:47,840

single possibility but when it comes to

1018

00:40:53,920 --> 00:40:50,690

things like the demolition of the twin

1019

00:40:54,910 --> 00:40:53,930

towers not only is that completely

1020

00:40:57,010 --> 00:40:54,920

implausible

1021

00:40:59,590 --> 00:40:57,020

it doesn't seem necessary and there's no

1022

00:41:02,110 --> 00:40:59,600

evidence to support it happening so you

1023

00:41:04,630 --> 00:41:02,120

know that really I have to kind of just

1024

00:41:07,090 --> 00:41:04,640

base based on purely on the evidence

1025

00:41:10,420 --> 00:41:07,100

itself what we see yeah I find it

1026
00:41:12,820 --> 00:41:10,430
implausible that and this is where a lot

1027
00:41:14,650 --> 00:41:12,830
of conspiracy people get it wrong is

1028
00:41:16,810 --> 00:41:14,660
that they they try to say that there's

1029
00:41:18,880 --> 00:41:16,820
never been a building that has collapsed

1030
00:41:20,500 --> 00:41:18,890
due to office fires alone and it's like

1031
00:41:22,390 --> 00:41:20,510
no actually dude there's a huge there's

1032
00:41:25,420 --> 00:41:22,400
a plane that just hit it obviously yeah

1033
00:41:27,640 --> 00:41:25,430
so there's a huge other factor in that

1034
00:41:29,770 --> 00:41:27,650
but I find it implausible that these

1035
00:41:32,680 --> 00:41:29,780
buildings fall and count my words here

1036
00:41:35,530 --> 00:41:32,690
virtually at freefall speed mostly

1037
00:41:37,480 --> 00:41:35,540
building seven when it was just hit or

1038
00:41:40,630 --> 00:41:37,490

it had you know diesel fires or whatever

1039

00:41:42,790 --> 00:41:40,640

the excuse is nowadays I find it highly

1040

00:41:46,180 --> 00:41:42,800

implausible that what 38 steel columns

1041

00:41:47,200 --> 00:41:46,190

virtually collapsed at the same time for

1042

00:41:49,690 --> 00:41:47,210

that to happen

1043

00:41:50,829 --> 00:41:49,700

and and fall in its footprint yeah and I

1044

00:41:53,049 --> 00:41:50,839

understand that but lots of people do

1045

00:41:55,240 --> 00:41:53,059

find it implausible but you know most

1046

00:41:58,020 --> 00:41:55,250

people don't have very much experience

1047

00:42:00,460 --> 00:41:58,030

with the collapses of large buildings

1048

00:42:02,049 --> 00:42:00,470

how many internal structures of

1049

00:42:05,620 --> 00:42:02,059

buildings have you actually studied that

1050

00:42:07,930 --> 00:42:05,630

have been through like similar damage to

1051
00:42:10,540 --> 00:42:07,940
even World Trade Center seven well this

1052
00:42:13,480 --> 00:42:10,550
is where I defer to people actually that

1053
00:42:15,190 --> 00:42:13,490
are putting their credentials on the

1054
00:42:17,890 --> 00:42:15,200
line such as Richard gage in the

1055
00:42:20,770 --> 00:42:17,900
thousand plus others architects and

1056
00:42:23,079 --> 00:42:20,780
engineers that even me and you were were

1057
00:42:25,359 --> 00:42:23,089
comparatively probably laymen compared

1058
00:42:28,390 --> 00:42:25,369
to these people that actually do this in

1059
00:42:30,460 --> 00:42:28,400
the field so I am kind but then you see

1060
00:42:32,410 --> 00:42:30,470
making all these ridiculous mistakes and

1061
00:42:34,329 --> 00:42:32,420
not correcting that mistakes like

1062
00:42:36,160 --> 00:42:34,339
Richard gage head of the architects and

1063
00:42:38,079 --> 00:42:36,170

engineers from 9/11 truth

1064

00:42:40,589 --> 00:42:38,089

he's been rabbiting on about this one

1065

00:42:43,420 --> 00:42:40,599

column that he says was cut at an angle

1066

00:42:45,549 --> 00:42:43,430

and that somehow is evidence of

1067

00:42:47,109 --> 00:42:45,559

controlled demolition and he's got this

1068

00:42:48,700 --> 00:42:47,119

photograph of this this column that was

1069

00:42:49,960 --> 00:42:48,710

cut at an angle and some firemen stood

1070

00:42:52,660 --> 00:42:49,970

in front of it and he says oh this this

1071

00:42:55,180 --> 00:42:52,670

proves that it was in like the few days

1072

00:42:58,120 --> 00:42:55,190

after the collapse because this fireman

1073

00:43:00,160 --> 00:42:58,130

in the photo and yet the firemen were on

1074

00:43:01,569 --> 00:43:00,170

the scene for like nearly a year

1075

00:43:03,339 --> 00:43:01,579

afterwards because they were constantly

1076
00:43:05,109 --> 00:43:03,349
recovering human remains from the site

1077
00:43:07,020 --> 00:43:05,119
so firemen were there all the time

1078
00:43:09,579 --> 00:43:07,030
and not only that I actually found

1079
00:43:13,270 --> 00:43:09,589
photos of that column from six weeks

1080
00:43:16,150 --> 00:43:13,280
after where it was still standing he'd

1081
00:43:17,559 --> 00:43:16,160
hadn't been cut and I found a photo from

1082
00:43:19,839 --> 00:43:17,569
the same day where it had been cut so I

1083
00:43:22,359 --> 00:43:19,849
found the actual day on which it was cut

1084
00:43:25,120 --> 00:43:22,369
and yet Richard gage has been using this

1085
00:43:26,589 --> 00:43:25,130
as evidence like and quite compelling

1086
00:43:27,880 --> 00:43:26,599
evidence for a lot of people because

1087
00:43:29,819 --> 00:43:27,890
he's you know got his weight of

1088
00:43:36,339 --> 00:43:29,829

authority behind it they can architect

1089

00:43:38,710 --> 00:43:36,349

for like over a decade yeah when I first

1090

00:43:41,020 --> 00:43:38,720

started listening to them and watching

1091

00:43:43,359 --> 00:43:41,030

with their content it was mostly like

1092

00:43:45,730 --> 00:43:43,369

hey we're not gonna go into the no

1093

00:43:48,339 --> 00:43:45,740

planes and the the complete crazy

1094

00:43:50,710 --> 00:43:48,349

conspiracies of it these people that are

1095

00:43:53,500 --> 00:43:50,720

obviously qualified kind of had

1096

00:43:55,359 --> 00:43:53,510

questions about the collapse and that

1097

00:43:58,180 --> 00:43:55,369

that's why I did support them at the

1098

00:44:00,110 --> 00:43:58,190

beginning and really this has been you

1099

00:44:03,830 --> 00:44:00,120

know 18 years now

1100

00:44:05,390 --> 00:44:03,840

and it's it's hard to it's hard to

1101
00:44:07,760 --> 00:44:05,400
continue this for a long time because

1102
00:44:09,980 --> 00:44:07,770
the the public perception for the most

1103
00:44:13,130 --> 00:44:09,990
part still is is that you know

1104
00:44:14,720 --> 00:44:13,140
terrorists came and I'd like to ask you

1105
00:44:18,350 --> 00:44:14,730
this question do you believe that there

1106
00:44:22,220 --> 00:44:18,360
was a passport found unscathed of one of

1107
00:44:24,440 --> 00:44:22,230
the terrorists yeah I do how do you

1108
00:44:29,000 --> 00:44:24,450
think that happens well

1109
00:44:31,070 --> 00:44:29,010
passports are very light and they would

1110
00:44:32,780 --> 00:44:31,080
have been in the front of the plane and

1111
00:44:37,730 --> 00:44:32,790
possibly like in a jacket pocket or

1112
00:44:40,070 --> 00:44:37,740
something like that and basically when

1113
00:44:41,810 --> 00:44:40,080

the plane entered the building it

1114

00:44:43,760 --> 00:44:41,820

disintegrated because it got hit by a

1115

00:44:47,060 --> 00:44:43,770

bunch of columns and then there's a huge

1116

00:44:49,640 --> 00:44:47,070

explosion and stuff got thrown out the

1117

00:44:53,450 --> 00:44:49,650

other side of the building and if

1118

00:44:56,330 --> 00:44:53,460

something is in a essentially low-speed

1119

00:44:57,800 --> 00:44:56,340

explosion like a fuel air explosion you

1120

00:45:00,470 --> 00:44:57,810

can just get pushed out by there by the

1121

00:45:03,770 --> 00:45:00,480

wind thing was there was lots of paper

1122

00:45:06,110 --> 00:45:03,780

on the on the ground you saw you know

1123

00:45:07,310 --> 00:45:06,120

what one of the more defining moments

1124

00:45:09,440 --> 00:45:07,320

yeah from the bill from the office

1125

00:45:11,270 --> 00:45:09,450

building yeah yeah but and there were

1126
00:45:13,010 --> 00:45:11,280
also other things recovered from within

1127
00:45:15,530 --> 00:45:13,020
the plane and if you look at any plane

1128
00:45:17,660 --> 00:45:15,540
crash they pretty much all crashing a

1129
00:45:20,750 --> 00:45:17,670
ball of flame and yet when you look at

1130
00:45:22,880 --> 00:45:20,760
the end results of them you see things

1131
00:45:25,940 --> 00:45:22,890
that are not burnt you see things that

1132
00:45:27,920 --> 00:45:25,950
are even but you see passports if you

1133
00:45:30,620 --> 00:45:27,930
look at the plane the crash in the

1134
00:45:32,990 --> 00:45:30,630
Ukraine was shot down by a missile by a

1135
00:45:35,540 --> 00:45:33,000
buk missile they gathered all the

1136
00:45:37,400 --> 00:45:35,550
passports and it was there was intent

1137
00:45:40,430 --> 00:45:37,410
intact human remains in that case but

1138
00:45:42,830 --> 00:45:40,440

you're not so much in the 9/11 case

1139

00:45:44,600 --> 00:45:42,840

obviously but I don't think it's at all

1140

00:45:47,210 --> 00:45:44,610

implausible that small objects with a

1141

00:45:51,140 --> 00:45:47,220

small mass can survive you know we're

1142

00:45:52,580 --> 00:45:51,150

not talking about large things surviving

1143

00:45:54,020 --> 00:45:52,590

we're talking about small light things

1144

00:45:56,150 --> 00:45:54,030

like a passport which weighs like more

1145

00:45:59,480 --> 00:45:56,160

20 grams or something and it's inside a

1146

00:46:01,010 --> 00:45:59,490

Jacke pocket you can pretty much you

1147

00:46:04,700 --> 00:46:01,020

could set up a stick of dynamite next to

1148

00:46:08,060 --> 00:46:04,710

it and it would survive that to me is

1149

00:46:11,300 --> 00:46:08,070

completely implausible if not impossible

1150

00:46:12,940 --> 00:46:11,310

it's kind of it's very it's very telling

1151

00:46:15,579 --> 00:46:12,950

that you would to me too

1152

00:46:17,440 --> 00:46:15,589

that you would say that in that event

1153

00:46:21,099 --> 00:46:17,450

that we could see through different

1154

00:46:22,810 --> 00:46:21,109

video cameras that magically a passport

1155

00:46:24,930 --> 00:46:22,820

it's not just less about there's all

1156

00:46:28,000 --> 00:46:24,940

kinds of things with the seat cushions

1157

00:46:30,069 --> 00:46:28,010

from the plane we recovered it now if a

1158

00:46:33,069 --> 00:46:30,079

seat cushion can get it through why

1159

00:46:35,650 --> 00:46:33,079

couldn't a passport get through yeah

1160

00:46:38,500 --> 00:46:35,660

it's just oh I I kind of switch gears

1161

00:46:40,510 --> 00:46:38,510

really quickly we're about 15 minutes

1162

00:46:43,780 --> 00:46:40,520

left if you still wanted to do an hour

1163

00:46:48,130 --> 00:46:43,790

but are you okay with the big pharma and

1164

00:46:53,829 --> 00:46:48,140

israel lobby in america big fall but as

1165

00:46:55,780 --> 00:46:53,839

in pharmaceuticals yeah I'm not okay

1166

00:46:57,040 --> 00:46:55,790

with any lobbying company in America

1167

00:46:58,930 --> 00:46:57,050

because I think they all have their

1168

00:47:01,030 --> 00:46:58,940

their own self-interests heart and they

1169

00:47:02,290 --> 00:47:01,040

don't have the public interest and I

1170

00:47:06,940 --> 00:47:02,300

just think you know like we talked about

1171

00:47:09,130 --> 00:47:06,950

earlier the entire u.s. system of

1172

00:47:13,839 --> 00:47:09,140

government is corrupt because of all

1173

00:47:15,970 --> 00:47:13,849

this influence from lobbying so you know

1174

00:47:17,890 --> 00:47:15,980

I'm not okay with big farmers lobbying

1175

00:47:21,040 --> 00:47:17,900

and the revolving door of regulatory

1176

00:47:26,380 --> 00:47:21,050

agent says I don't know what you mean by

1177

00:47:28,660 --> 00:47:26,390

the israel lobby but you know AIPAC yeah

1178

00:47:31,089 --> 00:47:28,670

but Ill not it's not sorry something I'm

1179

00:47:33,550 --> 00:47:31,099

very familiar with okay so what about

1180

00:47:35,680 --> 00:47:33,560

what about how do you feel about the the

1181

00:47:38,890 --> 00:47:35,690

vaccine whistleblower about the possible

1182

00:47:42,190 --> 00:47:38,900

correlation of MMR and an autism I don't

1183

00:47:43,359 --> 00:47:42,200

think it's true if you look at what was

1184

00:47:45,940 --> 00:47:43,369

actually presented as being

1185

00:47:47,950 --> 00:47:45,950

whistleblowing it was it was just like

1186

00:47:49,270 --> 00:47:47,960

some report that if you look into it in

1187

00:47:52,809 --> 00:47:49,280

depth and I can't remember the details

1188

00:47:56,020 --> 00:47:52,819

right now it doesn't actually share a

1189

00:47:58,300 --> 00:47:56,030

conclusive correlation well let's let's

1190

00:48:00,790 --> 00:47:58,310

get our words right I did say possible

1191

00:48:02,500 --> 00:48:00,800

correlation and then you said conclusive

1192

00:48:04,180 --> 00:48:02,510

it's kind of like saying scientific

1193

00:48:07,420 --> 00:48:04,190

proof you know that's what flat earthers

1194

00:48:09,490 --> 00:48:07,430

like to say so there's lots of other

1195

00:48:11,230 --> 00:48:09,500

studies besides that that don't share a

1196

00:48:14,410 --> 00:48:11,240

correlation in fact you could show quite

1197

00:48:17,950 --> 00:48:14,420

conclusively by doing large population

1198

00:48:20,230 --> 00:48:17,960

studies there is no link between the

1199

00:48:23,319 --> 00:48:20,240

vaccine and autism so when all these

1200

00:48:24,980 --> 00:48:23,329

parents come out and and say that they

1201

00:48:28,400 --> 00:48:24,990

had a happy

1202

00:48:30,859 --> 00:48:28,410

vibrant vibrant little kid and they go

1203

00:48:33,470 --> 00:48:30,869

and take you know their their shots that

1204

00:48:36,680 --> 00:48:33,480

are supposedly safe for them and they

1205

00:48:39,790 --> 00:48:36,690

come home and they see you know they see

1206

00:48:43,970 --> 00:48:39,800

seizures they see them become autistic

1207

00:48:48,740 --> 00:48:43,980

over the years and also obviously in

1208

00:48:52,010 --> 00:48:48,750

1986 they passed the whole you can sue

1209

00:48:54,020 --> 00:48:52,020

basically the vaccine companies I mean

1210

00:48:57,230 --> 00:48:54,030

don't you see that there's any kind of

1211

00:49:01,510 --> 00:48:57,240

correlation between this kind of this

1212

00:49:05,210 --> 00:49:01,520

huge conglomerate of obviously monetary

1213

00:49:08,900 --> 00:49:05,220

regard that they could be giving fake

1214

00:49:11,630 --> 00:49:08,910

science or hiding science or paying yeah

1215

00:49:15,560 --> 00:49:11,640

you guys'll do it if you look at things

1216

00:49:17,359 --> 00:49:15,570

like tobacco yep you know obviously

1217

00:49:19,579 --> 00:49:17,369

there was cover-ups back then where

1218

00:49:21,950 --> 00:49:19,589

people covered up evidence of wrongdoing

1219

00:49:25,190 --> 00:49:21,960

of you know the harmful effects of

1220

00:49:26,599 --> 00:49:25,200

tobacco and nicotine so if you just look

1221

00:49:29,060 --> 00:49:26,609

at that you know it seems I show though

1222

00:49:31,280 --> 00:49:29,070

that there could be big pharma covering

1223

00:49:33,710 --> 00:49:31,290

things up and it probably are instances

1224

00:49:36,079 --> 00:49:33,720

where Big Pharma is covering for at

1225

00:49:37,700 --> 00:49:36,089

least trying to hide bad results on

1226

00:49:41,690 --> 00:49:37,710

certain things but when you look at

1227

00:49:43,630 --> 00:49:41,700

things like the MMR vaccine there is a

1228

00:49:47,120 --> 00:49:43,640

huge amount of independent research

1229

00:49:48,530 --> 00:49:47,130

that's been done not just by the

1230

00:49:49,700 --> 00:49:48,540

manufacturers well I'm just talking

1231

00:49:51,380 --> 00:49:49,710

about the other manufacturers study

1232

00:49:53,570 --> 00:49:51,390

we're talking about government exam

1233

00:49:55,310 --> 00:49:53,580

who's paying they just do it on their

1234

00:49:57,950 --> 00:49:55,320

own goodwill government the government

1235

00:49:59,450 --> 00:49:57,960

pays them it's a lot of government

1236

00:50:02,450 --> 00:49:59,460

grants for this type of thing and other

1237

00:50:04,040 --> 00:50:02,460

countries do it and every pharmaceutical

1238

00:50:06,079 --> 00:50:04,050

companies paying these independent

1239

00:50:08,720 --> 00:50:06,089

researchers I'm sure those instances

1240

00:50:10,760 --> 00:50:08,730

whether I gotta keep you honest man

1241

00:50:12,349 --> 00:50:10,770

because sometimes your wording seems

1242

00:50:14,720 --> 00:50:12,359

like you're trying to play things off

1243

00:50:17,300 --> 00:50:14,730

and then we have to kind of go ahead and

1244

00:50:19,490 --> 00:50:17,310

try to be my enough I know I agree with

1245

00:50:23,450 --> 00:50:19,500

you that it's a profit motive but with

1246

00:50:27,710 --> 00:50:23,460

vaccines it doesn't really make any

1247

00:50:30,290 --> 00:50:27,720

sense yeah how much money are they

1248

00:50:32,060 --> 00:50:30,300

actually making from vaccines they're

1249

00:50:34,460 --> 00:50:32,070

essentially enough to have Gery

1250

00:50:35,839 --> 00:50:34,470

basically the biggest lobby enough to

1251
00:50:36,950 --> 00:50:35,849
have the biggest Lobby basically in

1252
00:50:39,200 --> 00:50:36,960
America

1253
00:50:42,950 --> 00:50:39,210
pay these politicians that are supposed

1254
00:50:45,470 --> 00:50:42,960
to be working for us us Americans that

1255
00:50:47,150 --> 00:50:45,480
end up being career politicians that

1256
00:50:49,099 --> 00:50:47,160
come out being you know hundreds of

1257
00:50:50,359 --> 00:50:49,109
millions of dollars or you know tens of

1258
00:50:53,680 --> 00:50:50,369
millions and there's all these

1259
00:50:56,569 --> 00:50:53,690
independent research that at some point

1260
00:50:58,400 --> 00:50:56,579
would reveal that this is going on

1261
00:51:00,799 --> 00:50:58,410
it really vaccines are really this this

1262
00:51:03,079 --> 00:51:00,809
big of a problem then it would be

1263
00:51:05,450 --> 00:51:03,089

apparent in the data it's not something

1264

00:51:06,920 --> 00:51:05,460

we're sort of sweep under it's kind of

1265

00:51:08,870 --> 00:51:06,930

like climate change it's kind of like

1266

00:51:11,750 --> 00:51:08,880

climate change I mean there's quite a

1267

00:51:14,120 --> 00:51:11,760

bit of money tied up with these these

1268

00:51:16,010 --> 00:51:14,130

whole companies and and really I'm kind

1269

00:51:18,260 --> 00:51:16,020

of the stance of you know it

1270

00:51:20,930 --> 00:51:18,270

epistemological II I can't you know I

1271

00:51:23,510 --> 00:51:20,940

don't know that there's climate change

1272

00:51:24,829 --> 00:51:23,520

or I don't you know I know that there's

1273

00:51:27,740 --> 00:51:24,839

not climate change or anything like that

1274

00:51:30,319 --> 00:51:27,750

but I try to see like the motives behind

1275

00:51:31,880 --> 00:51:30,329

these these things and I try to listen

1276

00:51:34,190 --> 00:51:31,890

to debates I go to Medibank I go to

1277

00:51:36,020 --> 00:51:34,200

Snopes I listen to conspiracy theorists

1278

00:51:38,960 --> 00:51:36,030

I try to disseminate the information for

1279

00:51:42,109 --> 00:51:38,970

myself and at the end of the day a lot

1280

00:51:43,609 --> 00:51:42,119

of times there are agendas that happen

1281

00:51:47,000 --> 00:51:43,619

and a lot of these people are actually

1282

00:51:51,440 --> 00:51:47,010

being funded by a big oil or big pharma

1283

00:51:54,349 --> 00:51:51,450

or even the drug or yeah and it seems as

1284

00:51:56,150 --> 00:51:54,359

though yeah I said there's a conflict of

1285

00:51:57,770 --> 00:51:56,160

interest we can we shouldn't just trust

1286

00:52:00,920 --> 00:51:57,780

everything on his face we should look at

1287

00:52:02,809 --> 00:52:00,930

look at the broader picture yeah but

1288

00:52:04,819 --> 00:52:02,819

yeah we break out like a ten minutes or

1289

00:52:07,270 --> 00:52:04,829

so left can we talk a bit about your

1290

00:52:09,710 --> 00:52:07,280

work with Flat Earth debunking

1291

00:52:12,559 --> 00:52:09,720

absolutely yeah what why did you start

1292

00:52:15,020 --> 00:52:12,569

doing that from the very beginning

1293

00:52:16,970 --> 00:52:15,030

basically for two weeks I wouldn't say I

1294

00:52:19,069 --> 00:52:16,980

was a flat earther but I was very

1295

00:52:20,630 --> 00:52:19,079

conspiratorial and minded I was down the

1296

00:52:24,230 --> 00:52:20,640

rabbit hole and as you probably would

1297

00:52:25,970 --> 00:52:24,240

put it and so I was deeply researching

1298

00:52:28,880 --> 00:52:25,980

into it and one of the first things I

1299

00:52:31,760 --> 00:52:28,890

did was I would go to Goodwill and look

1300

00:52:36,319 --> 00:52:31,770

at you know older books and I think one

1301
00:52:39,079 --> 00:52:36,329
of them was like a 1913 astronomy book

1302
00:52:41,960 --> 00:52:39,089
like practical astronomy and into how

1303
00:52:45,349 --> 00:52:41,970
there's there's obviously two celestial

1304
00:52:47,660 --> 00:52:45,359
points and this is something that flat

1305
00:52:49,789 --> 00:52:47,670
earthers cannot reconcile with even

1306
00:52:50,420 --> 00:52:49,799
still this day and things like the Sun

1307
00:52:53,180 --> 00:52:50,430
not changed

1308
00:52:55,359 --> 00:52:53,190
sighs throughout the day and and rising

1309
00:52:57,680 --> 00:52:55,369
and setting and the moon doing the same

1310
00:52:58,520 --> 00:52:57,690
these things couldn't be reconciled with

1311
00:53:01,190 --> 00:52:58,530
for me

1312
00:53:03,799 --> 00:53:01,200
so being that I was breaking my

1313
00:53:06,500 --> 00:53:03,809

conspiratorial bias due to the Flat

1314

00:53:08,660 --> 00:53:06,510

Earth truthfully I I was naive enough to

1315

00:53:11,359 --> 00:53:08,670

think that I could come out and try to

1316

00:53:13,670 --> 00:53:11,369

help people to find to truly be

1317

00:53:17,390 --> 00:53:13,680

quote-unquote awake to this whole

1318

00:53:19,220 --> 00:53:17,400

situation of this is a lie this is

1319

00:53:21,650 --> 00:53:19,230

something you know we mean you really

1320

00:53:23,569 --> 00:53:21,660

can't prove the intentions and the

1321

00:53:25,880 --> 00:53:23,579

motives behind the people that may or

1322

00:53:28,400 --> 00:53:25,890

may not have been involved with 9/11 but

1323

00:53:31,880 --> 00:53:28,410

me and you can go out and test the shape

1324

00:53:34,670 --> 00:53:31,890

of the earth so I went to Great Salt

1325

00:53:36,829 --> 00:53:34,680

Lake which is an absolute killer for

1326
00:53:38,540 --> 00:53:36,839
Flat Earth I mean you have mountains at

1327
00:53:41,240 --> 00:53:38,550
different distances all around you

1328
00:53:42,829 --> 00:53:41,250
sometimes you're standing right next to

1329
00:53:44,630 --> 00:53:42,839
the water and you can see a mountain

1330
00:53:48,520 --> 00:53:44,640
that's 85 miles away you can see the

1331
00:53:50,930 --> 00:53:48,530
Whitecaps sitting on the water and so

1332
00:53:53,420 --> 00:53:50,940
basically my whole thing was and I'm

1333
00:53:56,180 --> 00:53:53,430
done with Flat Earth truthfully but four

1334
00:53:58,280 --> 00:53:56,190
and a half years of trying to keep these

1335
00:54:00,530 --> 00:53:58,290
people on us the Jaron ism's the dirts

1336
00:54:02,299 --> 00:54:00,540
the all these people trying to keep him

1337
00:54:04,370 --> 00:54:02,309
honest because in my opinion and I've

1338
00:54:06,950 --> 00:54:04,380

said it for years they're trying this is

1339

00:54:08,539 --> 00:54:06,960

a PSYOP a psychological operation to

1340

00:54:10,309 --> 00:54:08,549

basically make us look

1341

00:54:12,079 --> 00:54:10,319

tarus all with the same brush to make us

1342

00:54:15,020 --> 00:54:12,089

look stupid and then a couple years

1343

00:54:18,079 --> 00:54:15,030

later we see any time you put in Flat

1344

00:54:20,960 --> 00:54:18,089

Earth in the news you see anti-vaxxers

1345

00:54:23,630 --> 00:54:20,970

you see every can I know 11 conspiracy

1346

00:54:26,799 --> 00:54:23,640

so exactly what I was saying to reach

1347

00:54:29,420 --> 00:54:26,809

the public psyche is happening in that

1348

00:54:31,670 --> 00:54:29,430

conspiracies are dumb and they're all

1349

00:54:33,740 --> 00:54:31,680

debunked because they're just a bunch of

1350

00:54:36,589 --> 00:54:33,750

wackos and whack jobs thinking of you

1351

00:54:39,799 --> 00:54:36,599

know mud floods and all this and so

1352

00:54:41,599 --> 00:54:39,809

I thought I was very naive that I could

1353

00:54:43,220 --> 00:54:41,609

come out and say hey look there's

1354

00:54:45,829 --> 00:54:43,230

evidence that you can go and see look at

1355

00:54:48,740 --> 00:54:45,839

the stars so for the first two years I

1356

00:54:50,210 --> 00:54:48,750

was saying things like that and then I

1357

00:54:53,270 --> 00:54:50,220

decided to go ahead and use some of my

1358

00:54:56,450 --> 00:54:53,280

equipment my drones and and I got a two

1359

00:54:59,150 --> 00:54:56,460

p900 sexualy d 3200 i got a bunch of

1360

00:55:01,760 --> 00:54:59,160

equipment and I went out to Lake Tahoe I

1361

00:55:03,170 --> 00:55:01,770

went to Great Salt Lake I went all over

1362

00:55:06,739 --> 00:55:03,180

doing Star

1363

00:55:09,650 --> 00:55:06,749

Photography doing just photography of

1364

00:55:12,499 --> 00:55:09,660

things being obstructed like Salt Lake

1365

00:55:15,019 --> 00:55:12,509

City is is like 350 feet is obstructed

1366

00:55:16,549 --> 00:55:15,029

over 26 miles I mean it's just you can

1367

00:55:18,049 --> 00:55:16,559

go out there and because the water

1368

00:55:20,480 --> 00:55:18,059

temperature is so close to the air

1369

00:55:22,370 --> 00:55:20,490

temperature a lot of times there's not

1370

00:55:24,259 --> 00:55:22,380

too many temperature inversions

1371

00:55:27,799 --> 00:55:24,269

happening so you can go out there on a

1372

00:55:33,140 --> 00:55:27,809

decent day and see the effects of the

1373

00:55:35,210 --> 00:55:33,150

Earth's curvature so it never was enough

1374

00:55:37,279 --> 00:55:35,220

it was purely rhetoric for the first

1375

00:55:39,370 --> 00:55:37,289

couple years and then I came out with

1376

00:55:42,170 --> 00:55:39,380

evidence the drone is absolutely killer

1377

00:55:44,059 --> 00:55:42,180

seeing Strong's nob from 37 miles away

1378

00:55:46,130 --> 00:55:44,069

you can't see it until you're about 15

1379

00:55:47,839 --> 00:55:46,140

feet up and you start rising and you

1380

00:55:49,220 --> 00:55:47,849

start to see more and more of not only

1381

00:55:51,380 --> 00:55:49,230

strong snot but all of the other

1382

00:55:54,289 --> 00:55:51,390

mountains so this is indicative to me of

1383

00:55:57,620 --> 00:55:54,299

a curved surface so unfortunately the

1384

00:55:59,420 --> 00:55:57,630

Flat Earth argument has evolved into its

1385

00:56:01,849 --> 00:55:59,430

final stages of the infinite regression

1386

00:56:04,249 --> 00:56:01,859

where they're talking about atmosphere

1387

00:56:06,170 --> 00:56:04,259

without a container and the second law

1388

00:56:09,049 --> 00:56:06,180

of thermodynamics and entropy when they

1389

00:56:11,599 --> 00:56:09,059

have zero idea what these physics

1390

00:56:13,910 --> 00:56:11,609

concepts actually mean but they'll

1391

00:56:16,940 --> 00:56:13,920

continue to evolve their arguments and

1392

00:56:18,739 --> 00:56:16,950

their arguments are at the final

1393

00:56:21,319 --> 00:56:18,749

regression in my opinion to where

1394

00:56:23,539 --> 00:56:21,329

they'll continue they'll die on a hill

1395

00:56:26,089 --> 00:56:23,549

to say these things continuously and

1396

00:56:28,579 --> 00:56:26,099

literally think in their own mind that

1397

00:56:30,769 --> 00:56:28,589

the earth is flat and these are good

1398

00:56:32,690 --> 00:56:30,779

arguments for it yeah it's quite a

1399

00:56:38,569 --> 00:56:32,700

challenge I remember starting out

1400

00:56:40,970 --> 00:56:38,579

debunking chemtrails back in 2007 and I

1401
00:56:43,160 --> 00:56:40,980
naively thought that I could just find

1402
00:56:45,979 --> 00:56:43,170
the correct explanations for contrails

1403
00:56:47,660 --> 00:56:45,989
and get them to people and then that

1404
00:56:50,930 --> 00:56:47,670
would be it but of course you know here

1405
00:56:54,739 --> 00:56:50,940
we are watch 16 years later 17 years

1406
00:57:00,349 --> 00:56:54,749
later 18 years later good grief I kind

1407
00:57:02,450 --> 00:57:00,359
of liken it to somewhat of a cult or and

1408
00:57:03,540 --> 00:57:02,460
or some kind of a religious movement

1409
00:57:05,609 --> 00:57:03,550
where

1410
00:57:08,190 --> 00:57:05,619
you know it's kind of anomalous when

1411
00:57:10,829 --> 00:57:08,200
we're trying to well God doesn't exist

1412
00:57:12,900 --> 00:57:10,839
or God does exist well this is this is

1413
00:57:14,910 --> 00:57:12,910

something where we can like I said go

1414

00:57:17,609 --> 00:57:14,920

out and actually test it and find these

1415

00:57:20,010 --> 00:57:17,619

things for ourselves and it's still to

1416

00:57:22,170 --> 00:57:20,020

where I've only seen probably about ten

1417

00:57:24,240 --> 00:57:22,180

people because of my work and some other

1418

00:57:26,220 --> 00:57:24,250

people's work that have come out of the

1419

00:57:28,500 --> 00:57:26,230

Flat Earth and come back to the globe

1420

00:57:29,880 --> 00:57:28,510

and there's this huge community aspect

1421

00:57:32,280 --> 00:57:29,890

to it where these people are so

1422

00:57:34,680 --> 00:57:32,290

disenfranchised most likely due to all

1423

00:57:36,630 --> 00:57:34,690

their conspiracy knowledge over the

1424

00:57:39,359 --> 00:57:36,640

years and so they they find a

1425

00:57:41,309 --> 00:57:39,369

like-minded group and they also have

1426

00:57:43,530 --> 00:57:41,319

something where the tiger Dan's the

1427

00:57:46,410 --> 00:57:43,540

matrix decodes the people that come out

1428

00:57:49,170 --> 00:57:46,420

of Flat Earth end up getting absolutely

1429

00:57:51,599 --> 00:57:49,180

stomped on by flat-earthers I mean I saw

1430

00:57:53,520 --> 00:57:51,609

things from Tiger dancing I if you run

1431

00:57:55,890 --> 00:57:53,530

fire I wouldn't I wouldn't piss on you I

1432

00:57:57,089 --> 00:57:55,900

mean it was just it was so terrible how

1433

00:57:59,099 --> 00:57:57,099

they treat people that come out of

1434

00:58:01,260 --> 00:57:59,109

flatters so when you have this kind of

1435

00:58:03,809 --> 00:58:01,270

belief in in this whole community aspect

1436

00:58:05,849 --> 00:58:03,819

to it it's really really hard to get

1437

00:58:07,049 --> 00:58:05,859

them out of it unfortunately yeah it's

1438

00:58:09,750 --> 00:58:07,059

interesting because sometimes people

1439

00:58:11,430 --> 00:58:09,760

talk about how mainstream scientists

1440

00:58:14,220 --> 00:58:11,440

don't look at 911 because they're afraid

1441

00:58:16,230 --> 00:58:14,230

of what it will do but it is also the

1442

00:58:19,910 --> 00:58:16,240

opposite effects that you just described

1443

00:58:22,620 --> 00:58:19,920

where people in a conspiracy culture

1444

00:58:24,450 --> 00:58:22,630

you've got this whole social dynamic

1445

00:58:25,740 --> 00:58:24,460

where if they come out they're going to

1446

00:58:28,559 --> 00:58:25,750

be ostracized and they're going to lose

1447

00:58:30,539 --> 00:58:28,569

essentially at our family yeah a lot of

1448

00:58:32,789 --> 00:58:30,549

it if people have a good time doing

1449

00:58:36,210 --> 00:58:32,799

these things I'm going to go to the Flat

1450

00:58:41,280 --> 00:58:36,220

Earth Expo escaping the matrix Expo in

1451
00:58:43,230 --> 00:58:41,290
Las Vegas in a couple of weeks and you

1452
00:58:47,640 --> 00:58:43,240
know I kind of expects that people to be

1453
00:58:50,510 --> 00:58:47,650
having a good time having talking about

1454
00:58:53,370 --> 00:58:50,520
their shared beliefs and their shared

1455
00:58:55,980 --> 00:58:53,380
interests and you see people having Flat

1456
00:58:58,079 --> 00:58:55,990
Earth parties and they're all like you

1457
00:58:59,940 --> 00:58:58,089
know it's an immediate happy family and

1458
00:59:02,000 --> 00:58:59,950
you probably have the same thing in in

1459
00:59:05,370 --> 00:59:02,010
every every field like UFOs

1460
00:59:06,960 --> 00:59:05,380
9/11 and then if you have anti-vaccine

1461
00:59:09,780 --> 00:59:06,970
parties but you know quite possibly

1462
00:59:11,460 --> 00:59:09,790
people get together in a social social

1463
00:59:14,299 --> 00:59:11,470

setting so there's a an interesting

1464

00:59:16,740 --> 00:59:14,309

dynamic that's difficult to get past

1465

00:59:17,190 --> 00:59:16,750

yeah and I was actually going to talk to

1466

00:59:19,380 --> 00:59:17,200

you about

1467

00:59:21,870 --> 00:59:19,390

because infinite plane Society just

1468

00:59:24,660 --> 00:59:21,880

emailed me with my quest first Nathan

1469

00:59:28,079 --> 00:59:24,670

Thompson I don't know if you've heard of

1470

00:59:30,530 --> 00:59:28,089

Nathan Thompson but I feel as if I PS is

1471

00:59:33,569 --> 00:59:30,540

actually setting him up to fail

1472

00:59:35,760 --> 00:59:33,579

considering he's in my opinion one of

1473

00:59:36,900 --> 00:59:35,770

the worst flat earthers I've actually

1474

00:59:42,589 --> 00:59:36,910

kicked him out of his bladder

1475

00:59:45,390 --> 00:59:42,599

you know but he he's got a good memory

1476

00:59:48,329 --> 00:59:45,400

so he can reel off a whole bunch of

1477

00:59:50,670 --> 00:59:48,339

things I have a I've looked at a few of

1478

00:59:54,180 --> 00:59:50,680

his videos and I've been hanging out on

1479

00:59:55,920 --> 00:59:54,190

his his Facebook group so yeah he

1480

00:59:58,109 --> 00:59:55,930

doesn't give very good arguments and

1481

01:00:02,420 --> 00:59:58,119

they usually easily refused it and they

1482

01:00:04,560 --> 01:00:02,430

just ignores the explanation so I'm not

1483

01:00:06,030 --> 01:00:04,570

yeah I'm not sure how what the

1484

01:00:07,620 --> 01:00:06,040

organizers are thinking specifically I

1485

01:00:08,010 --> 01:00:07,630

don't think they were setting him up to

1486

01:00:09,780 --> 01:00:08,020

fail

1487

01:00:11,700 --> 01:00:09,790

perhaps just he's the only person they

1488

01:00:14,970 --> 01:00:11,710

could get because they're kind of a

1489

01:00:17,520 --> 01:00:14,980

little bit on the fringe with Mad Mike

1490

01:00:19,349 --> 01:00:17,530

and the infinite plane Society don't

1491

01:00:22,349 --> 01:00:19,359

seem to be really mainstream Flat Earth

1492

01:00:23,550 --> 01:00:22,359

if there is such a thing yeah and if you

1493

01:00:27,300 --> 01:00:23,560

actually listen to infinite plane

1494

01:00:29,760 --> 01:00:27,310

Society does shows you know probably

1495

01:00:34,770 --> 01:00:29,770

like 12:00 1:00 o'clock your time in the

1496

01:00:37,349 --> 01:00:34,780

night he talks about mostly these death

1497

01:00:39,809 --> 01:00:37,359

fakers and truthfully the guy is very

1498

01:00:41,910 --> 01:00:39,819

intelligent but I think there's some

1499

01:00:43,500 --> 01:00:41,920

ulterior motive with what he does I'm

1500

01:00:45,480 --> 01:00:43,510

not really sure that he actually holds

1501

01:00:47,910 --> 01:00:45,490

these beliefs but he does continue to

1502

01:00:51,150 --> 01:00:47,920

talk about him for hours and hours about

1503

01:00:52,680 --> 01:00:51,160

the hustle which is you know I'm not

1504

01:00:55,200 --> 01:00:52,690

into the numerology and I'm sure you've

1505

01:00:59,010 --> 01:00:55,210

seen a lot of that nonsense but the

1506

01:01:02,220 --> 01:00:59,020

there is some striking like correlations

1507

01:01:04,740 --> 01:01:02,230

to be made with just that one but you

1508

01:01:06,870 --> 01:01:04,750

know the Isaac Cappy or whatever that

1509

01:01:09,390 --> 01:01:06,880

guy just killed himself I guess the

1510

01:01:11,609 --> 01:01:09,400

other day and you know that was the

1511

01:01:14,220 --> 01:01:11,619

discussion last night where it's a death

1512

01:01:18,540 --> 01:01:14,230

fake or possible death faker and so he

1513

01:01:21,450 --> 01:01:18,550

almost is almost like a high functioning

1514

01:01:23,880 --> 01:01:21,460

intellect but also somewhat to me at the

1515

01:01:27,089 --> 01:01:23,890

bottom of the barrel of conspiracies and

1516

01:01:28,410 --> 01:01:27,099

I've personally when he came out to City

1517

01:01:30,630 --> 01:01:28,420

Council or something and started talking

1518

01:01:32,099 --> 01:01:30,640

about bubbles and space and green

1519

01:01:33,750 --> 01:01:32,109

screens and all this stuff I literally

1520

01:01:36,420 --> 01:01:33,760

went through all of his all of his

1521

01:01:39,299 --> 01:01:36,430

claims and showed him why he's wrong the

1522

01:01:41,370 --> 01:01:39,309

Nomex blue demonstration screen that

1523

01:01:43,440 --> 01:01:41,380

derth first said that it was a green

1524

01:01:46,349 --> 01:01:43,450

screen which had white checker boards on

1525

01:01:48,380 --> 01:01:46,359

it was in the payload of the ESA was I

1526

01:01:51,930 --> 01:01:48,390

mean I showed all this stuff to him and

1527

01:01:53,970 --> 01:01:51,940

you know it's just if it seems to fall

1528

01:01:56,430 --> 01:01:53,980

on deaf ears and I don't know why I

1529

01:01:58,620 --> 01:01:56,440

don't I don't understand why he has this

1530

01:02:01,140 --> 01:01:58,630

Pacific called himself an auto hoaxer

1531

01:02:03,000 --> 01:02:01,150

where he claims like he's taking the

1532

01:02:06,470 --> 01:02:03,010

default position that everything is fake

1533

01:02:10,049 --> 01:02:06,480

and you have to prove to him otherwise

1534

01:02:13,769 --> 01:02:10,059

which i think is kind of an extreme

1535

01:02:15,720 --> 01:02:13,779

position because you know I'm close to

1536

01:02:17,490 --> 01:02:15,730

it because it's it's it's the default

1537

01:02:20,730 --> 01:02:17,500

position I suppose you could say of

1538

01:02:23,009 --> 01:02:20,740

somebody disenfranchised by known liars

1539

01:02:25,109 --> 01:02:23,019

like the mainstream media I don't watch

1540

01:02:27,120 --> 01:02:25,119

it because all I see is agenda it

1541

01:02:28,620 --> 01:02:27,130

actually doesn't make me feel good at

1542

01:02:31,009 --> 01:02:28,630

all to watch these people do what they

1543

01:02:34,230 --> 01:02:31,019

do then you got your your pharmaceutical

1544

01:02:36,960 --> 01:02:34,240

commercials right out of it it's just

1545

01:02:40,920 --> 01:02:36,970

it's astounding what America has become

1546

01:02:42,599 --> 01:02:40,930

and I feel to a certain extent it would

1547

01:02:44,880 --> 01:02:42,609

be nice and I haven't read your book yet

1548

01:02:47,069 --> 01:02:44,890

but it would be nice if you actually and

1549

01:02:49,529 --> 01:02:47,079

I think you did actually go into things

1550

01:02:51,269 --> 01:02:49,539

that are are known conspiracies because

1551

01:02:53,160 --> 01:02:51,279

a lot of times those known conspiracies

1552

01:02:56,160 --> 01:02:53,170

say Mockingbird or some of these things

1553

01:02:59,220 --> 01:02:56,170

have a nugget of truth in them when you

1554

01:03:01,650 --> 01:02:59,230

hear from a conspiracy minded person but

1555

01:03:03,930 --> 01:03:01,660

then you can also deconstruct some of

1556

01:03:06,720 --> 01:03:03,940

the obvious fakery that they're saying

1557

01:03:08,490 --> 01:03:06,730

about that yeah yeah this is where I

1558

01:03:11,970 --> 01:03:08,500

personally hope to make a difference is

1559

01:03:14,789 --> 01:03:11,980

and just basically figuring out things

1560

01:03:17,599 --> 01:03:14,799

that are false and promoting them like I

1561

01:03:20,400 --> 01:03:17,609

did yeah I don't look at things like

1562

01:03:21,960 --> 01:03:20,410

vaccines because there's so many of the

1563

01:03:24,089 --> 01:03:21,970

people talking about it and people don't

1564

01:03:25,710 --> 01:03:24,099

know a lot more about it than I do there

1565

01:03:28,019 --> 01:03:25,720

really wasn't very many people doing

1566

01:03:30,740 --> 01:03:28,029

investigating into the chemtrails stuff

1567

01:03:32,999 --> 01:03:30,750

you know even now like with Flat Earth

1568

01:03:35,430 --> 01:03:33,009

there's so many people debunking flat

1569

01:03:38,609 --> 01:03:35,440

enough now it's but and it's become a

1570

01:03:40,470 --> 01:03:38,619

circus in a way it's basically like one

1571

01:03:42,809 --> 01:03:40,480

side saying the other side is an idiot

1572

01:03:43,890 --> 01:03:42,819

and then the other side making of this

1573

01:03:46,079 --> 01:03:43,900

more and more

1574

01:03:47,069 --> 01:03:46,089

explanations for things and then

1575

01:03:51,329 --> 01:03:47,079

the other side

1576

01:03:53,039 --> 01:03:51,339

debunking that and really AI kind of I

1577

01:03:55,890 --> 01:03:53,049

think I might be out to Flat Earth after

1578

01:03:57,470 --> 01:03:55,900

this conference if yeah nothing really

1579

01:04:00,539 --> 01:03:57,480

changes it's gonna be an interesting

1580

01:04:02,760 --> 01:04:00,549

interesting meeting all these people who

1581

01:04:05,400 --> 01:04:02,770

actually presumably some of them

1582

01:04:07,799 --> 01:04:05,410

genuinely hold these beliefs so I really

1583

01:04:09,660 --> 01:04:07,809

would like to try to you know figure out

1584

01:04:14,640 --> 01:04:09,670

what makes them tick and hopefully I'll

1585

01:04:17,010 --> 01:04:14,650

meet some of them yeah it's uh I hope

1586

01:04:19,049 --> 01:04:17,020

you will be actually because actually

1587

01:04:20,940 --> 01:04:19,059

what happens is and I totally agree with

1588

01:04:22,710 --> 01:04:20,950

you there's these fight the flat Earth's

1589

01:04:24,990 --> 01:04:22,720

these team skeptics these people that

1590

01:04:27,390 --> 01:04:25,000

literally have on the backs of Flat

1591

01:04:30,150 --> 01:04:27,400

Earth in my opinion SIA have made a

1592

01:04:31,799 --> 01:04:30,160

business out of how to quote unquote

1593

01:04:33,329 --> 01:04:31,809

debunking it and a lot of time they're

1594

01:04:35,819 --> 01:04:33,339

wrong and a lot of time they'll say that

1595

01:04:38,220 --> 01:04:35,829

these people are mentally ill but also

1596

01:04:41,069 --> 01:04:38,230

then berate them continuously saying

1597

01:04:43,500 --> 01:04:41,079

they're effing idiots or they're you

1598

01:04:46,559 --> 01:04:43,510

know pieces whatever and and so it's

1599

01:04:48,779 --> 01:04:46,569

like you know you don't go to your local

1600

01:04:50,549 --> 01:04:48,789

crazy house and start calling these

1601

01:04:52,500 --> 01:04:50,559

people idiots and all this kind of stuff

1602

01:04:55,289 --> 01:04:52,510

there's there's a certain amount of tact

1603

01:04:57,420 --> 01:04:55,299

that's necessary and for me at the

1604

01:04:59,819 --> 01:04:57,430

beginning I wasn't tactful I was very

1605

01:05:02,309 --> 01:04:59,829

aleck I did I did some bad things

1606

01:05:05,160 --> 01:05:02,319

probably within the first year but I

1607

01:05:08,130 --> 01:05:05,170

started to kind of it started to grow on

1608

01:05:10,200 --> 01:05:08,140

me a little bit and I've actually it's

1609

01:05:13,410 --> 01:05:10,210

changed my life and it seems really

1610

01:05:16,019 --> 01:05:13,420

stupid but I can tell you from a very

1611

01:05:19,559 --> 01:05:16,029

like hardcore conspiracy theorist before

1612

01:05:22,680 --> 01:05:19,569

flatterfit it's changed my life so much

1613

01:05:24,779 --> 01:05:22,690

that I'm not you know on the complete

1614

01:05:26,160 --> 01:05:24,789

mainstream side I'm not on the complete

1615

01:05:28,140 --> 01:05:26,170

conspiracy side I'm somewhere in the

1616

01:05:30,750 --> 01:05:28,150

middle and you know everybody wants to

1617

01:05:33,420 --> 01:05:30,760

see things in black and white but I'm in

1618

01:05:35,460 --> 01:05:33,430

the middle where you know I try not to

1619

01:05:37,440 --> 01:05:35,470

try not to say things that I don't

1620

01:05:39,779 --> 01:05:37,450

personally know and if that gets into

1621

01:05:42,240 --> 01:05:39,789

epistemology and a lot of philosophy as

1622

01:05:45,000 --> 01:05:42,250

well but a lot of stuff I was saying

1623

01:05:47,490 --> 01:05:45,010

before I just heard from like Alex Jones

1624

01:05:49,079 --> 01:05:47,500

or I heard from here and there and I

1625

01:05:50,579 --> 01:05:49,089

wasn't going to the meta bunks I wasn't

1626

01:05:53,099 --> 01:05:50,589

going to the Snopes to fact-check

1627

01:05:55,140 --> 01:05:53,109

and and there's a lot of times where I

1628

01:05:56,770 --> 01:05:55,150

go to Snopes and I'm like this didn't

1629

01:06:00,040 --> 01:05:56,780

even actually and

1630

01:06:03,370 --> 01:06:00,050

the question and this is just a complete

1631

01:06:06,010 --> 01:06:03,380

whitewash of what happened so you know

1632

01:06:08,740 --> 01:06:06,020

I'm still able to disseminate the

1633

01:06:11,470 --> 01:06:08,750

information basically but we are passed

1634

01:06:14,080 --> 01:06:11,480

our our mark man I appreciate you having

1635

01:06:17,860 --> 01:06:14,090

a chat and you know it seems that we're

1636

01:06:21,040 --> 01:06:17,870

kind of at odds as far as some of our

1637

01:06:23,080 --> 01:06:21,050

beliefs but at the end of the day this

1638

01:06:26,440 --> 01:06:23,090

is how you can come and talk to somebody

1639

01:06:29,680 --> 01:06:26,450

and and not be vitriolic and share ideas

1640

01:06:32,140 --> 01:06:29,690

and hey you know I'll always say things

1641

01:06:35,200 --> 01:06:32,150

like the passport I think you're another

1642

01:06:37,540 --> 01:06:35,210

well well laugh about it like it's cool

1643

01:06:39,550 --> 01:06:37,550

yeah I think like with passports it's

1644

01:06:41,560 --> 01:06:39,560

almost like it makes me want to do an

1645

01:06:44,620 --> 01:06:41,570

experiment with a small fuel-air bomb

1646

01:06:47,110 --> 01:06:44,630

and I've actually kept some of my old

1647

01:06:48,730 --> 01:06:47,120

passports for that reason I I have an

1648

01:06:51,880 --> 01:06:48,740

old passport and I took a page out of it

1649

01:06:53,320 --> 01:06:51,890

and I soaked it in in kerosene and set

1650

01:06:56,920 --> 01:06:53,330

it on fire just to see what would happen

1651

01:06:58,360 --> 01:06:56,930

with it and it's so it's it's something

1652

01:07:00,010 --> 01:06:58,370

I've been thinking about it just because

1653

01:07:01,990 --> 01:07:00,020

it is you know like it's very

1654

01:07:03,850 --> 01:07:02,000

counterintuitive and it's one of these

1655

01:07:06,490 --> 01:07:03,860

arguments that's compelling because it's

1656

01:07:08,020 --> 01:07:06,500

it's hard to to counter it just with

1657

01:07:10,720 --> 01:07:08,030

words you really have to do a

1658

01:07:13,000 --> 01:07:10,730

demonstration of what's going on so

1659

01:07:14,980 --> 01:07:13,010

maybe one day I will try blowing up a

1660

01:07:16,810 --> 01:07:14,990

passport and you know you're here out in

1661

01:07:19,740 --> 01:07:16,820

the desert or you access to the desert

1662

01:07:24,490 --> 01:07:19,750

so maybe you could pop out there with

1663

01:07:26,950 --> 01:07:24,500

Kerry Bob and a jug full of gasoline and

1664

01:07:28,210 --> 01:07:26,960

a couple of nice words all right well

1665

01:07:30,220 --> 01:07:28,220

thank you very much this has been a

1666

01:07:32,200 --> 01:07:30,230

fascinating discussion and like you say

1667

01:07:33,670 --> 01:07:32,210

I think it's it's you know good that we

1668

01:07:36,100 --> 01:07:33,680

can talk like this even though we do

1669

01:07:38,070 --> 01:07:36,110

have some areas of disagreement because

1670

01:07:40,180 --> 01:07:38,080

have some areas of agreement and we can

1671

01:07:43,450 --> 01:07:40,190

look at where the boundary of those

1672

01:07:45,520 --> 01:07:43,460

areas are and work around that awesome
