

JOE

1
00:00:09,830 --> 00:00:05,809
welcome to tales from the rabbit hole

2
00:00:13,190 --> 00:00:09,840
I'm your host Mick West today's guest is

3
00:00:15,890 --> 00:00:13,200
Joe Joe is a guy I met many years ago

4
00:00:17,060 --> 00:00:15,900
back on contrail science back when I was

5
00:00:19,910 --> 00:00:17,070
debunking the chemtrail conspiracy

6
00:00:23,150 --> 00:00:19,920
theory and he was a believer in the

7
00:00:25,460 --> 00:00:23,160
chemtrail conspiracy theory and now he's

8
00:00:29,060 --> 00:00:25,470
not in a large part I think that is

9
00:00:31,460 --> 00:00:29,070
because he stayed around to try to argue

10
00:00:34,940 --> 00:00:31,470
with me and eventually he saw that my

11
00:00:36,500 --> 00:00:34,950
arguments made sense however he still he

12
00:00:39,020 --> 00:00:36,510
still does believe in a bunch of

13
00:00:40,760 --> 00:00:39,030

conspiracy theories and there bit more

14

00:00:44,690 --> 00:00:40,770

mainstream though and I think Joe

15

00:00:46,940 --> 00:00:44,700

represents a good chunk of America he

16

00:00:48,950 --> 00:00:46,950

describes himself jokingly as a

17

00:00:52,340 --> 00:00:48,960

deplorable which is a term Hillary

18

00:00:55,279 --> 00:00:52,350

Clinton used when she was running for

19

00:00:59,660 --> 00:00:55,289

president to describe people who support

20

00:01:02,990 --> 00:00:59,670

it Donald Trump and Joe believes that

21

00:01:06,730 --> 00:01:03,000

the media has a very strong left-wing

22

00:01:09,740 --> 00:01:06,740

bias and social justice warriors are

23

00:01:12,770 --> 00:01:09,750

pushing certain social issues

24

00:01:17,440 --> 00:01:12,780

particularly to do with race over other

25

00:01:21,770 --> 00:01:17,450

issues and he feels that there is

26

00:01:24,200 --> 00:01:21,780

essentially a conspiracy to form a

27

00:01:29,510 --> 00:01:24,210

one-world government headed by people

28

00:01:32,390 --> 00:01:29,520

like George Soros or is this great fear

29

00:01:34,550 --> 00:01:32,400

that the right has that the left-wing

30

00:01:37,399 --> 00:01:34,560

people essentially wants to do away with

31

00:01:40,370 --> 00:01:37,409

state sovereignty and borders and just

32

00:01:43,789 --> 00:01:40,380

allow a big free-for-all or some kind of

33

00:01:47,539 --> 00:01:43,799

authoritarian one-world government so

34

00:01:50,690 --> 00:01:47,549

this is essentially the uber conspiracy

35

00:01:52,130 --> 00:01:50,700

theory that he believes in we talk about

36

00:01:53,660 --> 00:01:52,140

that more in the second half of the

37

00:01:55,730 --> 00:01:53,670

interview the first half we talk about

38

00:01:57,950 --> 00:01:55,740

his history with chemtrails and his

39

00:02:02,209 --> 00:01:57,960

opinion about other conspiracy theories

40

00:02:05,630 --> 00:02:02,219

but I think it's very interesting how he

41

00:02:07,069 --> 00:02:05,640

he is a type of guy who I think many

42

00:02:09,309 --> 00:02:07,079

people if you look at his Twitter feed

43

00:02:11,820 --> 00:02:09,319

you were saying this guy's a racist guy

44

00:02:13,710 --> 00:02:11,830

because he's just going on about

45

00:02:17,550 --> 00:02:13,720

how black people commit all these crimes

46

00:02:18,930 --> 00:02:17,560

and that certainly is kept how it

47

00:02:22,770 --> 00:02:18,940

appeared to me when I looked at his

48

00:02:25,500 --> 00:02:22,780

Twitter feed but he's an interesting

49

00:02:27,690 --> 00:02:25,510

person to talk to because I think it's

50

00:02:29,130 --> 00:02:27,700

really important to understand people

51
00:02:32,090 --> 00:02:29,140
rather than just simply dismissing

52
00:02:35,310 --> 00:02:32,100
people I certainly don't agree with

53
00:02:39,240 --> 00:02:35,320
jurors positions I'm kind of a liberal

54
00:02:40,920 --> 00:02:39,250
person myself but if we don't understand

55
00:02:43,620 --> 00:02:40,930
people and we don't talk to them then

56
00:02:46,910 --> 00:02:43,630
we're not gonna make any progress so

57
00:02:50,250 --> 00:02:46,920
that's for look at what Joe has to say

58
00:02:52,800 --> 00:02:50,260
all right Joe welcome to tales from the

59
00:02:55,560 --> 00:02:52,810
rabbit hole I've known you for quite a

60
00:02:57,410 --> 00:02:55,570
long time online I've never actually

61
00:03:00,840 --> 00:02:57,420
spoken to you before

62
00:03:03,420 --> 00:03:00,850
yeah we've had quite an interesting past

63
00:03:05,310 --> 00:03:03,430

I guess because you've started out you

64

00:03:07,110 --> 00:03:05,320

just said Toby you were on Cantrell

65

00:03:08,700 --> 00:03:07,120

science which is like the website I did

66

00:03:09,960 --> 00:03:08,710

it was like debunking chemtrails and

67

00:03:11,970 --> 00:03:09,970

you're one of the one of the early

68

00:03:13,500 --> 00:03:11,980

posters back in the day can you remember

69

00:03:15,780 --> 00:03:13,510

a life back to there and like you know

70

00:03:18,510 --> 00:03:15,790

what got you interested in it and what

71

00:03:21,120 --> 00:03:18,520

got you started posting on control so

72

00:03:23,490 --> 00:03:21,130

you can thank J Reynolds for that all

73

00:03:26,820 --> 00:03:23,500

right I guess they had done a local

74

00:03:28,590 --> 00:03:26,830

reporter done story because I all of a

75

00:03:30,420 --> 00:03:28,600

sudden I noticed these things in the sky

76

00:03:31,350 --> 00:03:30,430

that they apparently never noticed

77

00:03:32,790 --> 00:03:31,360

before in my life

78

00:03:34,860 --> 00:03:32,800

the story went in the paper and I guess

79

00:03:36,840 --> 00:03:34,870

J Reynold's had picked up this on the

80

00:03:38,760 --> 00:03:36,850

story so he started commenting no I

81

00:03:41,010 --> 00:03:38,770

don't know how I found my way over to

82

00:03:43,500 --> 00:03:41,020

contro science but it has something to

83

00:03:46,290 --> 00:03:43,510

do with him yeah he was posting back

84

00:03:47,610 --> 00:03:46,300

then on a contrail sinuses I know he

85

00:03:50,010 --> 00:03:47,620

would go around whenever there was a

86

00:03:52,500 --> 00:03:50,020

story about somebody we cam trails and

87

00:03:54,030 --> 00:03:52,510

he would show up so okay that's pretty

88

00:03:56,580 --> 00:03:54,040

much what it wasn't like well this is

89

00:03:58,229 --> 00:03:56,590

odd who is this guy you know when you're

90

00:03:59,970 --> 00:03:58,239

in the conspiracy world basically

91

00:04:01,500 --> 00:03:59,980

anybody who comes in you know you're

92

00:04:04,890 --> 00:04:01,510

automatically oh this guy must be a

93

00:04:05,970 --> 00:04:04,900

government you work or whatever so so is

94

00:04:08,340 --> 00:04:05,980

that what you thought you actually

95

00:04:10,140 --> 00:04:08,350

thought that he was some kind of like

96

00:04:12,750 --> 00:04:10,150

all I thought country of science was

97

00:04:15,420 --> 00:04:12,760

yeah of course and of course everybody

98

00:04:16,920 --> 00:04:15,430

would say yeah Big West he's a he's a

99

00:04:18,320 --> 00:04:16,930

you know he's a shill and you're working

100

00:04:21,050 --> 00:04:18,330

for the government you know all the

101
00:04:23,460 --> 00:04:21,060
common things used to here back then and

102
00:04:25,230 --> 00:04:23,470
so so how do you feel when people call

103
00:04:27,300 --> 00:04:25,240
you a skill

104
00:04:29,010 --> 00:04:27,310
yet you just used to it now he doesn't

105
00:04:31,379 --> 00:04:29,020
mean anything I know I know that some

106
00:04:32,820 --> 00:04:31,389
people are going to do it so it doesn't

107
00:04:37,050 --> 00:04:32,830
really mean anything because I'm not a

108
00:04:39,090 --> 00:04:37,060
skill know I always said I had respect

109
00:04:41,550 --> 00:04:39,100
for because I like I said I've never got

110
00:04:43,200 --> 00:04:41,560
you lying to me yeah now unless you know

111
00:04:44,790 --> 00:04:43,210
it's very important if yeah if you're

112
00:04:47,120 --> 00:04:44,800
gonna be a deep bunker or someone who

113
00:04:49,980 --> 00:04:47,130

investigated these things like having

114

00:04:51,960 --> 00:04:49,990

absolute honesty and openness there's

115

00:04:54,510 --> 00:04:51,970

something that's it's it you know it's

116

00:04:56,370 --> 00:04:54,520

the important thing because you hit the

117

00:04:58,650 --> 00:04:56,380

trust of people by being always honest

118

00:05:00,000 --> 00:04:58,660

with them yeah and the minute you get

119

00:05:02,340 --> 00:05:00,010

caught in a lodge and all the sudden it

120

00:05:05,460 --> 00:05:02,350

goes all you credibility's yeah mmm yeah

121

00:05:08,850 --> 00:05:05,470

so it's worse what's good honesty best

122

00:05:10,620 --> 00:05:08,860

best policy like the chemtrail thing

123

00:05:14,279 --> 00:05:10,630

like you studied get interested in it

124

00:05:17,520 --> 00:05:14,289

but locally you've seen bike trails in

125

00:05:19,560 --> 00:05:17,530

the sky it was actually you know I mean

126

00:05:21,930 --> 00:05:19,570

I guess we don't look up as much as we

127

00:05:24,270 --> 00:05:21,940

think we do and it was one day in the

128

00:05:26,010 --> 00:05:24,280

winter and I guess I guess where we are

129

00:05:28,260 --> 00:05:26,020

in Florida there's a lot of flakes over

130

00:05:30,120 --> 00:05:28,270

where I live and of course you know with

131

00:05:31,680 --> 00:05:30,130

the exes you know wasn't just the

132

00:05:34,020 --> 00:05:31,690

straight lines and one day I just see

133

00:05:34,500 --> 00:05:34,030

how I was like jeez I've never seen that

134

00:05:36,810 --> 00:05:34,510

before

135

00:05:39,839 --> 00:05:36,820

you know like you said you just believe

136

00:05:41,790 --> 00:05:39,849

that if you've never seen it before then

137

00:05:43,140 --> 00:05:41,800

this must be something new exactly

138

00:05:44,730 --> 00:05:43,150

what's the first thing you do is you go

139

00:05:47,550 --> 00:05:44,740

on the internet and you start looking it

140

00:05:49,020 --> 00:05:47,560

up and you know naturally that's that's

141

00:05:52,080 --> 00:05:49,030

kind of when you kind of fall into that

142

00:05:53,850 --> 00:05:52,090

that rabbit hole but then I started

143

00:05:56,189 --> 00:05:53,860

seeing somebody where people are saying

144

00:05:59,339 --> 00:05:56,199

stuff like oh we're being poisoned and

145

00:06:01,589 --> 00:05:59,349

all this this other and I kind of think

146

00:06:05,100 --> 00:06:01,599

buy into that part because when we were

147

00:06:06,719 --> 00:06:05,110

up in DC I remember seeing them all over

148

00:06:09,540 --> 00:06:06,729

the place up in DC then too and I was

149

00:06:11,129 --> 00:06:09,550

like well if this is poison and it's

150

00:06:13,140 --> 00:06:11,139

coming down on the White House that just

151
00:06:15,210 --> 00:06:13,150
doesn't make any sense it's so that's

152
00:06:18,240 --> 00:06:15,220
when I kind of switch gears into the

153
00:06:20,159 --> 00:06:18,250
geoengineering which I noticed I went on

154
00:06:22,260 --> 00:06:20,169
my site last night just to check back to

155
00:06:24,149 --> 00:06:22,270
see where I started with the chemtrails

156
00:06:25,920 --> 00:06:24,159
and then how I switched over to the

157
00:06:27,360 --> 00:06:25,930
geoengineering it was only in the first

158
00:06:29,159 --> 00:06:27,370
couple posts that I even mentioned the

159
00:06:32,040 --> 00:06:29,169
word chemtrails and that's because I

160
00:06:34,950 --> 00:06:32,050
just seen it it's just yeah so you you

161
00:06:36,779 --> 00:06:34,960
could have kept on with a hole do you

162
00:06:38,420 --> 00:06:36,789
engineer anything for a while on on

163
00:06:42,260 --> 00:06:38,430

metabolic you were argue

164

00:06:44,420 --> 00:06:42,270

for a while I think yeah I even joined

165

00:06:46,820 --> 00:06:44,430

geoengineering Google Groups as you did

166

00:06:48,650 --> 00:06:46,830

here are you believing in geoengineering

167

00:06:51,320 --> 00:06:48,660

and then you actually see scientists

168

00:06:53,749 --> 00:06:51,330

talking about it there was a video I

169

00:06:56,540 --> 00:06:53,759

think what was it look the loose change

170

00:06:59,300 --> 00:06:56,550

guy did one with Ken caldera and he

171

00:07:00,920 --> 00:06:59,310

spoke to him that actually that kind of

172

00:07:02,810 --> 00:07:00,930

changed me quite a bit watching that

173

00:07:05,629 --> 00:07:02,820

because here's a guy who was willing it

174

00:07:06,830 --> 00:07:05,639

was open to explaining what's going on

175

00:07:09,140 --> 00:07:06,840

and because you had a room full of

176

00:07:11,900 --> 00:07:09,150

chemtrails basically that kind of

177

00:07:13,430 --> 00:07:11,910

changes it a little bit of course once I

178

00:07:15,110 --> 00:07:13,440

learned how to track the flights thank

179

00:07:17,180 --> 00:07:15,120

to you because you see these plane

180

00:07:18,980 --> 00:07:17,190

you're like oh must be oh it's another

181

00:07:20,629 --> 00:07:18,990

who knows it's a government plane going

182

00:07:22,600 --> 00:07:20,639

over your head and when I learned to

183

00:07:25,279 --> 00:07:22,610

track the flights through flight we're

184

00:07:28,310 --> 00:07:25,289

kind of just made it easier basically to

185

00:07:29,779 --> 00:07:28,320

say no I don't I know airliners aren't

186

00:07:31,760 --> 00:07:29,789

going over to spraying anything out of

187

00:07:33,170 --> 00:07:31,770

the plane so when you think they might

188

00:07:36,499 --> 00:07:33,180

be government planes doing it like

189

00:07:37,969 --> 00:07:36,509

evergreen or all these other you know so

190

00:07:39,890 --> 00:07:37,979

when you can't identify the plane but

191

00:07:41,450 --> 00:07:39,900

once you get to point we identify the

192

00:07:44,240 --> 00:07:41,460

flight where it's drawing where it's

193

00:07:46,400 --> 00:07:44,250

coming from and of course flying a few

194

00:07:47,360 --> 00:07:46,410

times and then just watching airliners

195

00:07:49,370 --> 00:07:47,370

go when you're up there and you're

196

00:07:52,159 --> 00:07:49,380

watching airliners go by you and they're

197

00:07:53,629 --> 00:07:52,169

just not just like and then I guess well

198

00:07:55,790 --> 00:07:53,639

I think you explained to me about I

199

00:07:59,600 --> 00:07:55,800

guess it was a change in the jet engine

200

00:08:01,100 --> 00:07:59,610

stuff did I buy my bypass here you know

201
00:08:02,750 --> 00:08:01,110
that they actually just put out more

202
00:08:04,580 --> 00:08:02,760
more you know they just put out more

203
00:08:07,250 --> 00:08:04,590
clouds basically after a while you just

204
00:08:09,890 --> 00:08:07,260
get yeah you just get kind of bored with

205
00:08:14,210 --> 00:08:09,900
you know in other words I would go out

206
00:08:16,640 --> 00:08:14,220
of my way just to try and prove you

207
00:08:18,680 --> 00:08:16,650
wrong and I couldn't do it so what's the

208
00:08:20,210 --> 00:08:18,690
what's the point if you believe in

209
00:08:22,969 --> 00:08:20,220
something this guy there's got to be

210
00:08:25,730 --> 00:08:22,979
facts just kind of what you taught me in

211
00:08:28,670 --> 00:08:25,740
a sense really and you know what without

212
00:08:31,670 --> 00:08:28,680
any facts it just falls apart there was

213
00:08:33,110 --> 00:08:31,680

just nothing to go by anymore but of

214

00:08:36,199 --> 00:08:33,120

course I like arguing anyway because

215

00:08:38,420 --> 00:08:36,209

that's just how I am so right I noticed

216

00:08:41,839 --> 00:08:38,430

that yeah I was looking at some of your

217

00:08:43,219 --> 00:08:41,849

stats on on better bunk sir only after

218

00:08:45,680 --> 00:08:43,229

contrails science you know I started

219

00:08:50,750 --> 00:08:45,690

meta bunk and like 20 something or other

220

00:08:52,130 --> 00:08:50,760

and you are the the tenth highest poster

221

00:08:56,090 --> 00:08:52,140

in terms of number of

222

00:08:59,329 --> 00:08:56,100

on Medibank here you got like 3,500

223

00:09:02,630 --> 00:08:59,339

messages on Medibank you're number one

224

00:09:05,780 --> 00:09:02,640

in the number of warnings yeah lets me

225

00:09:08,030 --> 00:09:05,790

give it out over the years cuz I'm the

226

00:09:10,210 --> 00:09:08,040

only one that last did you yeah yeah I

227

00:09:14,569 --> 00:09:10,220

think that's that's a good a good point

228

00:09:16,759 --> 00:09:14,579

32 of your warnings were in the 2014 so

229

00:09:20,060 --> 00:09:16,769

I think you had a even run a bit of a

230

00:09:23,240 --> 00:09:20,070

tear in 2014 in terms of arguing about

231

00:09:25,100 --> 00:09:23,250

stuff we usually might set me off all

232

00:09:28,280 --> 00:09:25,110

the time anyway and I think I remember

233

00:09:29,600 --> 00:09:28,290

finding a sign about a warning sign

234

00:09:32,120 --> 00:09:29,610

about sheep or something to new zealand

235

00:09:34,400 --> 00:09:32,130

and that kind of got me banned for a

236

00:09:37,790 --> 00:09:34,410

little while and of course i'm very

237

00:09:40,579 --> 00:09:37,800

political as far as far as you know

238

00:09:42,110 --> 00:09:40,589

anyway yeah that tends to get you in

239

00:09:43,460 --> 00:09:42,120

trouble and that had a lot to do with

240

00:09:46,759 --> 00:09:43,470

getting into the chemtrail conspiracy

241

00:09:51,259 --> 00:09:46,769

too because of course that's we want

242

00:09:52,519 --> 00:09:51,269

obama got elected you I guess you would

243

00:09:55,100 --> 00:09:52,529

have described yourself was kind of a

244

00:09:57,259 --> 00:09:55,110

tea party conservative back then yeah

245

00:09:59,000 --> 00:09:57,269

yeah yes I know if you still do now I

246

00:10:02,689 --> 00:09:59,010

mean tea party isn't really a thing so

247

00:10:03,889 --> 00:10:02,699

much as it anymore no no it's not it I

248

00:10:06,439 --> 00:10:03,899

mean it's there and there are a lot of

249

00:10:08,060 --> 00:10:06,449

people that I wouldn't consider it a tea

250

00:10:11,870 --> 00:10:08,070

party I just say that they're just you

251
00:10:15,920 --> 00:10:11,880
know conservatives I I'm just deplorable

252
00:10:19,100 --> 00:10:15,930
now that's all pen yeah you did know

253
00:10:20,930 --> 00:10:19,110
some of the conspiracy theories that you

254
00:10:25,519 --> 00:10:20,940
were into back then like you talked

255
00:10:27,439 --> 00:10:25,529
about Obama's birth certificate yeah I

256
00:10:29,329 --> 00:10:27,449
don't know how seriously you took that

257
00:10:32,569 --> 00:10:29,339
like did you actually think that Obama

258
00:10:36,290 --> 00:10:32,579
might have been born Kenya I remember

259
00:10:38,480 --> 00:10:36,300
sheriff joe arpaio investigation on it

260
00:10:39,949 --> 00:10:38,490
really nothing came up I mean he had

261
00:10:41,689 --> 00:10:39,959
posted it and everybody who did the

262
00:10:43,490 --> 00:10:41,699
layers and all that other stuff and they

263
00:10:45,380 --> 00:10:43,500

had the forensic guy and everything else

264

00:10:48,079 --> 00:10:45,390

and it just never went nowhere the

265

00:10:51,199 --> 00:10:48,089

conspiracy was was yes he was born in

266

00:10:53,990 --> 00:10:51,209

Hawaii but his father wasn't what was it

267

00:10:56,720 --> 00:10:54,000

his father supposedly wasn't Obama it

268

00:10:58,310 --> 00:10:56,730

was Frank Marshall Davis and then they

269

00:10:59,870 --> 00:10:58,320

do the thing where they say look how

270

00:11:02,389 --> 00:10:59,880

much he looks actually more like Frank

271

00:11:04,910 --> 00:11:02,399

Marshall Davis and he does his father

272

00:11:05,810 --> 00:11:04,920

brocco bomb the senior book you're

273

00:11:09,410 --> 00:11:05,820

interested in

274

00:11:11,960 --> 00:11:09,420

stuff like that now even even if he was

275

00:11:14,180 --> 00:11:11,970

even if it was you what were you gonna

276

00:11:16,040 --> 00:11:14,190

do you couldn't you couldn't impeach him

277

00:11:17,569 --> 00:11:16,050

and it's just they had an investigation

278

00:11:21,079 --> 00:11:17,579

they raised some points they said

279

00:11:23,509 --> 00:11:21,089

basically that certificate was that he

280

00:11:25,280 --> 00:11:23,519

posted online was and you would know

281

00:11:26,810 --> 00:11:25,290

more than I do that it was just all

282

00:11:29,090 --> 00:11:26,820

these different layers and it's just

283

00:11:30,680 --> 00:11:29,100

they they found the original that they

284

00:11:32,329 --> 00:11:30,690

actually used to make his birth

285

00:11:34,310 --> 00:11:32,339

certificate and everything else but yeah

286

00:11:36,650 --> 00:11:34,320

so they say at this point it doesn't

287

00:11:37,300 --> 00:11:36,660

matter anymore really well yeah it's a

288

00:11:41,180 --> 00:11:37,310

done deal

289

00:11:42,350 --> 00:11:41,190

you know why would I know it wasn't I

290

00:11:45,639 --> 00:11:42,360

would think you would still matter

291

00:11:47,960 --> 00:11:45,649

though like if he did come out now that

292

00:11:49,009 --> 00:11:47,970

you know he was born in Kenya and lied

293

00:11:51,590 --> 00:11:49,019

about it that would be a pretty

294

00:11:54,019 --> 00:11:51,600

significant thing so you know if it was

295

00:11:56,990 --> 00:11:54,029

actually a true thing you think people

296

00:11:58,730 --> 00:11:57,000

would still be pursuing it yeah but they

297

00:12:01,189 --> 00:11:58,740

won't because when when when when a

298

00:12:04,100 --> 00:12:01,199

photographs came out of him were louis

299

00:12:06,379 --> 00:12:04,110

farrakhan that they held back purposely

300

00:12:08,269 --> 00:12:06,389

it didn't it didn't matter to anybody

301
00:12:10,730 --> 00:12:08,279
which kind of strengthened kind of weird

302
00:12:12,470 --> 00:12:10,740
because if you had pictures of if you

303
00:12:13,970 --> 00:12:12,480
had pictures of Trump or David Duke or

304
00:12:17,059 --> 00:12:13,980
something you know they'd be making a

305
00:12:20,300 --> 00:12:17,069
big deal out of it and it's kind of on

306
00:12:22,670 --> 00:12:20,310
watching politics now because now you

307
00:12:25,939 --> 00:12:22,680
and I want I want my politicians not

308
00:12:27,439 --> 00:12:25,949
criticized I do I want and anything the

309
00:12:29,540 --> 00:12:27,449
problem was they didn't do that with

310
00:12:31,370 --> 00:12:29,550
Obama he had that kid-glove

311
00:12:33,460 --> 00:12:31,380
you couldn't touch him you know and of

312
00:12:37,550 --> 00:12:33,470
course most of the media was on the side

313
00:12:39,769 --> 00:12:37,560

but yeah you know I think you say most

314

00:12:41,240 --> 00:12:39,779

of the media you know something that

315

00:12:44,780 --> 00:12:41,250

comes up when you're talking about

316

00:12:46,220 --> 00:12:44,790

politics and such like is Fox News like

317

00:12:47,629 --> 00:12:46,230

people get polarized by watching things

318

00:12:50,120 --> 00:12:47,639

like Fox News now I think you told me

319

00:12:52,430 --> 00:12:50,130

that you actually listen to NPR did you

320

00:12:53,660 --> 00:12:52,440

tell me that every morning every morning

321

00:12:54,680 --> 00:12:53,670

I listen to NPR

322

00:12:57,730 --> 00:12:54,690

that's very interesting cuz you have

323

00:13:02,480 --> 00:12:57,740

very you know right-wing politics

324

00:13:04,579 --> 00:13:02,490

relatively speaking and NPR is is

325

00:13:08,180 --> 00:13:04,589

somewhat left-leaning I would say so

326

00:13:10,610 --> 00:13:08,190

yeah well you know it wakes me up and I

327

00:13:12,949 --> 00:13:10,620

get aggravated as soon as I go so it

328

00:13:14,630 --> 00:13:12,959

makes it easy really they I would say it

329

00:13:17,059 --> 00:13:14,640

makes me pull my hair up and I still got

330

00:13:19,610 --> 00:13:17,069

a lot of that left so I guess that ain't

331

00:13:22,100 --> 00:13:19,620

working but it's just it's pretty bad

332

00:13:23,570 --> 00:13:22,110

it was the same reason why I came onto

333

00:13:26,269 --> 00:13:23,580

your site because you got to get both

334

00:13:27,890 --> 00:13:26,279

sides if everybody sticks on their side

335

00:13:30,170 --> 00:13:27,900

and they just hear what they do what

336

00:13:31,760 --> 00:13:30,180

they want to hear you're not gonna get

337

00:13:33,170 --> 00:13:31,770

the full story you got to go out and

338

00:13:34,400 --> 00:13:33,180

search for the truth if you don't go out

339

00:13:35,780 --> 00:13:34,410

and search for the truth you're just

340

00:13:39,430 --> 00:13:35,790

kidding yourself so you've been

341

00:13:42,260 --> 00:13:39,440

listening to NPR for years and years

342

00:13:45,140 --> 00:13:42,270

probably I would say about two years now

343

00:13:47,690 --> 00:13:45,150

right it's all it's all trough this

344

00:13:50,420 --> 00:13:47,700

Trump that definitely all about race all

345

00:13:54,230 --> 00:13:50,430

the time for some reason you know or our

346

00:13:55,850 --> 00:13:54,240

sexual orientation and it's I like

347

00:14:00,680 --> 00:13:55,860

listening to the classical music but

348

00:14:03,620 --> 00:14:00,690

sometimes because it calms me down do

349

00:14:08,060 --> 00:14:03,630

you think it's changed your mind about

350

00:14:09,740 --> 00:14:08,070

anything at all listen to NPR no exactly

351

00:14:15,140 --> 00:14:09,750

it just proves is more biased than I

352

00:14:17,000 --> 00:14:15,150

thought oh you guys yeah it's it's just

353

00:14:18,920 --> 00:14:17,010

the back yeah no I just find it really

354

00:14:20,030 --> 00:14:18,930

fascinating that you actually choose to

355

00:14:22,940 --> 00:14:20,040

listen to NPR

356

00:14:25,220 --> 00:14:22,950

because most people that I know listen

357

00:14:26,510 --> 00:14:25,230

to things or Moore's things that are

358

00:14:32,000 --> 00:14:26,520

much more attuned to their own personal

359

00:14:33,230 --> 00:14:32,010

political beliefs yeah but why do you

360

00:14:35,329 --> 00:14:33,240

need to get the other side of the coin

361

00:14:38,960 --> 00:14:35,339

what what do you what do you get out of

362

00:14:40,100 --> 00:14:38,970

it could you gotta balance the two out

363

00:14:41,540 --> 00:14:40,110

and somewhere in the middle is the truth

364

00:14:43,610 --> 00:14:41,550

you know all right

365

00:14:45,250 --> 00:14:43,620

I don't I don't know this is what why

366

00:14:48,079 --> 00:14:45,260

did they come on metabolic you know yeah

367

00:14:49,760 --> 00:14:48,089

well you can't read about cuz you I

368

00:14:52,850 --> 00:14:49,770

guess you someone who lives in

369

00:14:55,430 --> 00:14:52,860

chemtrails at the time yeah yeah I was

370

00:14:57,320 --> 00:14:55,440

curious I mean pretty much basically I

371

00:15:00,790 --> 00:14:57,330

knew I could throw something that Mick

372

00:15:03,500 --> 00:15:00,800

and he could do all the work for me I

373

00:15:06,050 --> 00:15:03,510

think it was one time with the sandy

374

00:15:08,030 --> 00:15:06,060

sandy hook when they were when they were

375

00:15:09,980 --> 00:15:08,040

doing the Sandy Hook conspiracy which I

376

00:15:11,660 --> 00:15:09,990

never believed in but there was that one

377

00:15:14,329 --> 00:15:11,670

photograph of I think the little girl

378

00:15:17,120 --> 00:15:14,339

Madeleine yeah she happen to be wearing

379

00:15:18,410 --> 00:15:17,130

his sister's dress yeah yeah you know

380

00:15:20,960 --> 00:15:18,420

whatever he was like how could she be

381

00:15:22,310 --> 00:15:20,970

there she's dead but it wasn't they just

382

00:15:24,019 --> 00:15:22,320

look that much alike and they had the

383

00:15:26,390 --> 00:15:24,029

same dress on and would you pointed that

384

00:15:28,610 --> 00:15:26,400

out yeah I think it's a family to your

385

00:15:30,020 --> 00:15:28,620

skills where I I'd say oh I can throw

386

00:15:33,420 --> 00:15:30,030

this that Mick and he can answer because

387

00:15:35,190 --> 00:15:33,430

I like conspiracy I'd go to like you two

388

00:15:37,230 --> 00:15:35,200

videos and stuff like that and then I'm

389

00:15:38,490 --> 00:15:37,240

I say Wow look at that that's mean I'm

390

00:15:40,350 --> 00:15:38,500

gonna throw this at Mick and see what he

391

00:15:41,790 --> 00:15:40,360

thinks and then you don't you debunk it

392

00:15:44,660 --> 00:15:41,800

for me so it just make it you know

393

00:15:46,590 --> 00:15:44,670

because most of us conspiracy theorists

394

00:15:49,500 --> 00:15:46,600

especially those ones that work all the

395

00:15:51,120 --> 00:15:49,510

time we're kind of lazy in that way and

396

00:15:54,090 --> 00:15:51,130

that's what I noticed about a lot you

397

00:15:56,160 --> 00:15:54,100

know I mean except for maybe like Jim

398

00:15:59,100 --> 00:15:56,170

Lee he still seems to be sticking on it

399

00:16:01,050 --> 00:15:59,110

still he's that's just like way above my

400

00:16:02,730 --> 00:16:01,060

head when he talks about anyway so yeah

401

00:16:06,090 --> 00:16:02,740

so Jim Lee he's the guy who has a

402

00:16:07,800 --> 00:16:06,100

website that's especially promoting the

403

00:16:10,260 --> 00:16:07,810

idea that the secret geoengineering

404

00:16:12,260 --> 00:16:10,270

going on yeah and he has lots of stuff

405

00:16:15,210 --> 00:16:12,270

about the history of geoengineering and

406

00:16:18,810 --> 00:16:15,220

he's an interesting chap he like he he

407

00:16:22,380 --> 00:16:18,820

went to the EPA and yeah yes Bokan their

408

00:16:23,460 --> 00:16:22,390

hearings you know he's definitely got a

409

00:16:26,699 --> 00:16:23,470

lot of time on his hands

410

00:16:28,850 --> 00:16:26,709

yeah yeah well I think a lot of people

411

00:16:31,170 --> 00:16:28,860

they think they can make a living out of

412

00:16:33,480 --> 00:16:31,180

this this type of thing like putting

413

00:16:37,530 --> 00:16:33,490

interesting videos up on the edge of

414

00:16:39,870 --> 00:16:37,540

that so his he's trying to do it as a

415

00:16:43,199 --> 00:16:39,880

career I guess but it's very difficult

416

00:16:44,850 --> 00:16:43,209

yeah I think I subscribe to channel I

417

00:16:46,440 --> 00:16:44,860

don't really think he gets enough views

418

00:16:48,810 --> 00:16:46,450

when he could yeah I wouldn't exercise

419

00:16:51,180 --> 00:16:48,820

you know really he could you know where

420

00:16:53,760 --> 00:16:51,190

he could actually make money off of it I

421

00:16:55,500 --> 00:16:53,770

mean you'd have to get a lot a lot of I

422

00:16:57,990 --> 00:16:55,510

mean I don't make any money from what I

423

00:17:00,090 --> 00:16:58,000

do if I monetize my videos on YouTube I

424

00:17:02,280 --> 00:17:00,100

make like \$30 a month or something

425

00:17:04,500 --> 00:17:02,290

because I just don't really get that

426
00:17:06,540 --> 00:17:04,510
many views there's a lot of people who

427
00:17:08,460 --> 00:17:06,550
get way more views than I earn all they

428
00:17:12,569 --> 00:17:08,470
do is they just shout at the Flat Earth

429
00:17:14,040 --> 00:17:12,579
people I think you know people just find

430
00:17:15,569 --> 00:17:14,050
that that's tough entertaining and

431
00:17:17,400 --> 00:17:15,579
really you got to entertain people to

432
00:17:19,949 --> 00:17:17,410
make money just Justin for me ankle

433
00:17:22,169 --> 00:17:19,959
isn't really enough yeah I think there's

434
00:17:23,579 --> 00:17:22,179
a lot of there's a lot of people that go

435
00:17:25,679 --> 00:17:23,589
out and they jump in the middle of the

436
00:17:27,620 --> 00:17:25,689
anti-fog protests and stuff and they

437
00:17:30,180 --> 00:17:27,630
seem to get a lot of views too so

438
00:17:31,650 --> 00:17:30,190

anything that anything where it is

439

00:17:34,080 --> 00:17:31,660

fighting or something like that that

440

00:17:36,900 --> 00:17:34,090

seems to get a lot of you but sometimes

441

00:17:39,150 --> 00:17:36,910

I watch like secure team he does all

442

00:17:40,830 --> 00:17:39,160

those UFO videos I'm sure you see

443

00:17:43,260 --> 00:17:40,840

because he's got a lot of subscribers

444

00:17:45,299 --> 00:17:43,270

it's enjoying to watch you know because

445

00:17:47,340 --> 00:17:45,309

he's always tagging into this like

446

00:17:49,230 --> 00:17:47,350

you're gonna see this oh yes and there

447

00:17:51,270 --> 00:17:49,240

UFO bitching I've ever seen there's

448

00:17:53,039 --> 00:17:51,280

never nothing there you know you would

449

00:17:54,630 --> 00:17:53,049

figure today with today's cameras and

450

00:17:56,789 --> 00:17:54,640

all that that we'd be getting better

451
00:17:58,200 --> 00:17:56,799
photographs and we got back in their 50s

452
00:18:00,870 --> 00:17:58,210
but it seems like it actually gone

453
00:18:03,510 --> 00:18:00,880
backwards so what what conspiracy

454
00:18:08,640 --> 00:18:03,520
theories do you believe it working done

455
00:18:11,520 --> 00:18:08,650
I was telling my I don't believe in

456
00:18:13,200 --> 00:18:11,530
Santa Claus anymore and in fact not

457
00:18:16,409 --> 00:18:13,210
Christmas what I do is I go down through

458
00:18:21,180 --> 00:18:16,419
the mall now and when kids are there ID

459
00:18:22,529 --> 00:18:21,190
bunk Santa Claus right that's what I

460
00:18:27,930 --> 00:18:22,539
thought my grandson

461
00:18:30,120 --> 00:18:27,940
oh so I like goodbye to lay all the way

462
00:18:31,440 --> 00:18:30,130
back to say JFK that's a fairly common

463
00:18:33,090 --> 00:18:31,450

thing that people think there's

464

00:18:36,299 --> 00:18:33,100

something suspicious going on there

465

00:18:39,779 --> 00:18:36,309

would you could you think that stories

466

00:18:41,610 --> 00:18:39,789

correct oh no no I I still think there's

467

00:18:43,200 --> 00:18:41,620

more to that story than there was but I

468

00:18:45,210 --> 00:18:43,210

don't think we'll have enough you know

469

00:18:47,159 --> 00:18:45,220

just maybe there's more to Lincoln's

470

00:18:48,480 --> 00:18:47,169

assassination never let him know until

471

00:18:50,039 --> 00:18:48,490

somebody comes out with some factual

472

00:18:52,730 --> 00:18:50,049

evidence and ain't worth my time

473

00:18:54,840 --> 00:18:52,740

I spent a lot of time doing the

474

00:18:56,580 --> 00:18:54,850

geoengineering order can't trust more

475

00:18:58,380 --> 00:18:56,590

more than I did but I actually enjoyed

476

00:19:00,810 --> 00:18:58,390

it cuz I learned a lot there's nothing

477

00:19:02,490 --> 00:19:00,820

wrong I've always been into aircraft so

478

00:19:04,020 --> 00:19:02,500

what kid isn't that when he was a kid

479

00:19:06,570 --> 00:19:04,030

cuz I like I said when I was younger I

480

00:19:08,970 --> 00:19:06,580

live near LAX and I used to ride my bike

481

00:19:09,930 --> 00:19:08,980

to LAX and just watch the planes take

482

00:19:11,909 --> 00:19:09,940

off all the time

483

00:19:14,039 --> 00:19:11,919

I lived in Hawthorne right down the road

484

00:19:16,710 --> 00:19:14,049

from where SpaceX's I was always coming

485

00:19:18,690 --> 00:19:16,720

into aircraft as it was so to think that

486

00:19:22,440 --> 00:19:18,700

something I'd loved so much could be

487

00:19:29,399 --> 00:19:22,450

doing bad it was just the you know so

488

00:19:32,130 --> 00:19:29,409

what about say 911 911 man you be my

489

00:19:34,020 --> 00:19:32,140

being that my brother-in-law which I

490

00:19:37,169 --> 00:19:34,030

spoke to you about before I think I I

491

00:19:41,850 --> 00:19:37,179

did a post on it he was uh he actually

492

00:19:43,919 --> 00:19:41,860

just died 911 sickness yeah and now I

493

00:19:45,810 --> 00:19:43,929

talked to people you know they say you

494

00:19:47,880 --> 00:19:45,820

know the building seven is like the only

495

00:19:49,770 --> 00:19:47,890

thing but I think you posted some

496

00:19:51,899 --> 00:19:49,780

photographs of it because for a while I

497

00:19:53,370 --> 00:19:51,909

was like that's kind of weird you know

498

00:19:54,960 --> 00:19:53,380

you've heard all the videos about

499

00:19:57,030 --> 00:19:54,970

pulling and everything but not never

500

00:20:00,419 --> 00:19:57,040

really bidding tonight I think what

501
00:20:01,080 --> 00:20:00,429
happened happened pretty much uh 911 do

502
00:20:03,930 --> 00:20:01,090
you think

503
00:20:05,130 --> 00:20:03,940
perhaps yeah sure like the plane said

504
00:20:06,330 --> 00:20:05,140
the buildings and that's what caused the

505
00:20:09,060 --> 00:20:06,340
collapse but you think there could be

506
00:20:11,640 --> 00:20:09,070
something behind the hijackers like you

507
00:20:15,630 --> 00:20:11,650
know were they funded by the CIA or

508
00:20:17,460 --> 00:20:15,640
something like that they could have been

509
00:20:20,210 --> 00:20:17,470
funded by somebody but I doubt by our

510
00:20:21,870 --> 00:20:20,220
government I don't want to believe I

511
00:20:24,900 --> 00:20:21,880
don't want to believe that our

512
00:20:27,150 --> 00:20:24,910
government be do something like that you

513
00:20:28,860 --> 00:20:27,160

know a net and that's and I think that's

514

00:20:30,960 --> 00:20:28,870

where these conspiracy theories most of

515

00:20:32,970 --> 00:20:30,970

them come from is just our distrust and

516

00:20:34,290 --> 00:20:32,980

government basically I mean when you

517

00:20:37,050 --> 00:20:34,300

think about everything whether it's the

518

00:20:39,150 --> 00:20:37,060

chemtrails or whether it's canidius and

519

00:20:40,740 --> 00:20:39,160

it all has to do with that one thing the

520

00:20:42,900 --> 00:20:40,750

government you know we just don't trust

521

00:20:45,840 --> 00:20:42,910

our government and that kind of sucks

522

00:20:47,730 --> 00:20:45,850

that we feel that way you know do you

523

00:20:49,590 --> 00:20:47,740

trust the government more now that

524

00:20:53,730 --> 00:20:49,600

trumps in power than you do did when

525

00:20:56,340 --> 00:20:53,740

Obama's in Paris well being that

526
00:20:57,990 --> 00:20:56,350
supposedly technically it is like a deep

527
00:21:00,480 --> 00:20:58,000
state behind

528
00:21:03,060 --> 00:21:00,490
no no so I guess I'd say yeah I believe

529
00:21:04,770 --> 00:21:03,070
in a deep state basically that there's

530
00:21:07,530 --> 00:21:04,780
all these unelected people that are

531
00:21:09,000 --> 00:21:07,540
doing better khana and you know whether

532
00:21:10,440 --> 00:21:09,010
it's Obama or whether it was Bush

533
00:21:13,830 --> 00:21:10,450
whether it was Clinton it's it just

534
00:21:15,540 --> 00:21:13,840
seems like they there's nothing done in

535
00:21:17,970 --> 00:21:15,550
government basically I mean look we got

536
00:21:19,860 --> 00:21:17,980
wide open borders they talk about you

537
00:21:21,300 --> 00:21:19,870
know all the anti-vaxxers how people

538
00:21:23,010 --> 00:21:21,310

aren't getting vaccinated in everything

539

00:21:24,780 --> 00:21:23,020

and yet we got a wide open border so

540

00:21:26,160 --> 00:21:24,790

you'd be like well if you're so worried

541

00:21:28,260 --> 00:21:26,170

about people getting measles which we

542

00:21:30,870 --> 00:21:28,270

kind of I think we wiped it out in the

543

00:21:32,070 --> 00:21:30,880

year 2000 I think they said and now all

544

00:21:34,050 --> 00:21:32,080

the sudden you got all these cases of

545

00:21:35,910 --> 00:21:34,060

measles and you know you figured well

546

00:21:37,230 --> 00:21:35,920

maybe if we at least screen these people

547

00:21:40,410 --> 00:21:37,240

a little better we wouldn't have these

548

00:21:42,780 --> 00:21:40,420

problems but I don't I just think our

549

00:21:45,720 --> 00:21:42,790

government is just I have no faith in

550

00:21:47,700 --> 00:21:45,730

them well you remember any groups that

551
00:21:49,860 --> 00:21:47,710
were into conspiracies

552
00:21:50,700 --> 00:21:49,870
right back then or is it just stuff you

553
00:21:54,510 --> 00:21:50,710
did by yourself

554
00:21:56,970 --> 00:21:54,520
oh yeah mostly mostly stuff that I did

555
00:21:58,650 --> 00:21:56,980
brother stuff I think I was uh there was

556
00:22:00,480 --> 00:21:58,660
another site that I would post on once

557
00:22:03,330 --> 00:22:00,490
in a while and in New Zealand called the

558
00:22:05,100 --> 00:22:03,340
contrail but they'd posted just about

559
00:22:08,220 --> 00:22:05,110
everything over there I would say that

560
00:22:10,560 --> 00:22:08,230
was pretty much the only know who's know

561
00:22:12,210 --> 00:22:10,570
groups I'm I'm not a group person anyway

562
00:22:14,690 --> 00:22:12,220
all right it's what about people you

563
00:22:16,879 --> 00:22:14,700

know in in real life like

564

00:22:19,609 --> 00:22:16,889

Florida other other people that you know

565

00:22:20,899 --> 00:22:19,619

who are into conspiracies yeah there's

566

00:22:23,359 --> 00:22:20,909

quite a few it was a guy in the other

567

00:22:25,399 --> 00:22:23,369

day and older guys probably like 75

568

00:22:27,379 --> 00:22:25,409

years old yeah I've met quite a few I've

569

00:22:29,599 --> 00:22:27,389

met a couple people from Canada and a

570

00:22:31,820 --> 00:22:29,609

lot of older guys in their 70s that

571

00:22:33,499 --> 00:22:31,830

still you know what Canadian supposedly

572

00:22:34,700 --> 00:22:33,509

he knew all this stuff about he said he

573

00:22:36,919 --> 00:22:34,710

was with the Canadian government all

574

00:22:38,840 --> 00:22:36,929

this stuff about chemtrails and all this

575

00:22:40,580 --> 00:22:38,850

other stuff but he never produced any

576

00:22:42,950 --> 00:22:40,590

anything I told well come back but I

577

00:22:43,849 --> 00:22:42,960

think he was just a little eccentric in

578

00:22:47,779 --> 00:22:43,859

a way hmm

579

00:22:49,879 --> 00:22:47,789

yeah you get that sometimes yeah I

580

00:22:51,409 --> 00:22:49,889

always say this there's eccentric people

581

00:22:53,859 --> 00:22:51,419

who believe in conspiracies and

582

00:22:56,029 --> 00:22:53,869

eccentric people who don't just because

583

00:22:58,849 --> 00:22:56,039

someone's eccentric he doesn't mean that

584

00:23:01,099 --> 00:22:58,859

that conspiracy theory is wrong yeah

585

00:23:02,840 --> 00:23:01,109

yeah obviously you're gonna get a whole

586

00:23:05,029 --> 00:23:02,850

range of people's and then look the more

587

00:23:07,070 --> 00:23:05,039

extreme the conspiracy theory is then

588

00:23:08,960 --> 00:23:07,080

yeah the more likely you're going to get

589

00:23:09,470 --> 00:23:08,970

people who a little bit a little bit

590

00:23:12,499 --> 00:23:09,480

eccentric

591

00:23:14,450 --> 00:23:12,509

yeah I had I had a gentleman the other

592

00:23:17,779 --> 00:23:14,460

day and it's because I own a business so

593

00:23:19,609 --> 00:23:17,789

I see a lot of people and he started and

594

00:23:21,769 --> 00:23:19,619

we were talking politics and all that

595

00:23:23,479 --> 00:23:21,779

and he didn't seem like he trusted Trump

596

00:23:25,940 --> 00:23:23,489

months but I don't think he trusts

597

00:23:27,879 --> 00:23:25,950

anybody and and he was started on 9/11

598

00:23:29,899 --> 00:23:27,889

because I got like a lot of 9/11

599

00:23:34,669 --> 00:23:29,909

memorabilia and stuff like that I'm

600

00:23:37,159 --> 00:23:34,679

around my shop all right and he and he

601
00:23:40,399 --> 00:23:37,169
started you know yeah I mean he was kind

602
00:23:43,789 --> 00:23:40,409
of far out there you blame in Israel you

603
00:23:45,859 --> 00:23:43,799
know for 9/11 and I don't yeah unless

604
00:23:47,840 --> 00:23:45,869
you've got unless you got evidence

605
00:23:49,580 --> 00:23:47,850
it's just nothing there as far as I'm

606
00:23:51,379 --> 00:23:49,590
concerned it's just you know that's why

607
00:23:54,259 --> 00:23:51,389
I spent so long just looking and looking

608
00:23:57,680 --> 00:23:54,269
and pretty much I came up dry I couldn't

609
00:23:59,479 --> 00:23:57,690
find no evidence for it and used to

610
00:24:03,680 --> 00:23:59,489
really pissed me off sometimes because

611
00:24:05,269 --> 00:24:03,690
you really made me work hard so you

612
00:24:08,419 --> 00:24:05,279
would try and catch it without a video

613
00:24:10,369 --> 00:24:08,429

and we don't eat you know I mean it's

614

00:24:12,470 --> 00:24:10,379

just it's just like you if there was

615

00:24:14,210 --> 00:24:12,480

some evidence tomorrow on a conspiracy

616

00:24:16,340 --> 00:24:14,220

that came out you would probably agree

617

00:24:17,710 --> 00:24:16,350

if it was a hundred percent factual

618

00:24:19,970 --> 00:24:17,720

evidence if there was evidence yeah

619

00:24:22,999 --> 00:24:19,980

obviously those real conspiracies that

620

00:24:26,479 --> 00:24:23,009

go on all the time and in government and

621

00:24:28,690 --> 00:24:26,489

in industry and all over the place yeah

622

00:24:30,950 --> 00:24:28,700

no we're saying there's no conspiracy

623

00:24:33,950 --> 00:24:30,960

well it was like they say steel doesn't

624

00:24:37,760 --> 00:24:33,960

melt it whatever you from jet fuel basic

625

00:24:40,460 --> 00:24:37,770

yeah it doesn't say but it does get

626

00:24:42,560 --> 00:24:40,470

softer so it doesn't say does always

627

00:24:44,720 --> 00:24:42,570

wandered up at that up at that height of

628

00:24:47,720 --> 00:24:44,730

the building would a hole through the

629

00:24:49,310 --> 00:24:47,730

building and that wind must be because

630

00:24:51,409 --> 00:24:49,320

I've been on top of World Trade Center

631

00:24:53,360 --> 00:24:51,419

it's pretty windy up there with that

632

00:24:55,130 --> 00:24:53,370

wouldn't that add to that that went

633

00:24:57,380 --> 00:24:55,140

blowing because it wasn't it penetrated

634

00:25:00,230 --> 00:24:57,390

completely if I believe they had jet in

635

00:25:01,640 --> 00:25:00,240

just profound you know on the other side

636

00:25:04,280 --> 00:25:01,650

yeah definitely

637

00:25:06,560 --> 00:25:04,290

wouldn't that wind blow would do they're

638

00:25:08,780 --> 00:25:06,570

just increase the heat absolutely and

639

00:25:10,580 --> 00:25:08,790

you can you can kind of see that in some

640

00:25:13,070 --> 00:25:10,590

of the pictures you can see the flames

641

00:25:15,169 --> 00:25:13,080

kind of been blown out of the windows so

642

00:25:17,110 --> 00:25:15,179

you having a good air supply is

643

00:25:20,210 --> 00:25:17,120

obviously a very important for a fire

644

00:25:21,650 --> 00:25:20,220

from the fires point of view and you see

645

00:25:23,900 --> 00:25:21,660

that on building seven as well because

646

00:25:27,380 --> 00:25:23,910

all the windows on the south side of the

647

00:25:28,909 --> 00:25:27,390

building we're all smashed out yeah they

648

00:25:31,460 --> 00:25:28,919

don't show you that very often the

649

00:25:33,200 --> 00:25:31,470

collision theorists that's kind of

650

00:25:35,299 --> 00:25:33,210

changed my mind when I seen those newer

651
00:25:37,669 --> 00:25:35,309
pictures of building seven and I was

652
00:25:41,120 --> 00:25:37,679
like because it looked a lot worse then

653
00:25:42,380 --> 00:25:41,130
you where we see Paul zone we see it

654
00:25:43,880 --> 00:25:42,390
from the side where doesn't look like

655
00:25:45,680 --> 00:25:43,890
there's any damage yeah it's a steroid

656
00:25:48,080 --> 00:25:45,690
damage because the the damage on that

657
00:25:49,789 --> 00:25:48,090
side from that point of view is actually

658
00:25:52,610 --> 00:25:49,799
hidden behind the buildings that are in

659
00:25:54,080 --> 00:25:52,620
front of it and all the real damage is

660
00:25:55,820 --> 00:25:54,090
on the other side which is where World

661
00:25:59,360 --> 00:25:55,830
Trade Center one actually essentially

662
00:26:01,430 --> 00:25:59,370
fell almost on top of it I I think I'm

663
00:26:03,200 --> 00:26:01,440

sure yeah I got that piece of paper from

664

00:26:05,060 --> 00:26:03,210

the World Trade Center come on

665

00:26:07,250 --> 00:26:05,070

brother-in-law yeah yeah and then the

666

00:26:09,680 --> 00:26:07,260

part it has a lot it had a lot of the

667

00:26:11,570 --> 00:26:09,690

powder in the bottom still long it looks

668

00:26:13,340 --> 00:26:11,580

like pumice and I remember taking I

669

00:26:16,159 --> 00:26:13,350

remember taking it torch to that nothing

670

00:26:18,560 --> 00:26:16,169

burned in there so I was like yeah

671

00:26:20,270 --> 00:26:18,570

interesting so you still have that yes

672

00:26:21,830 --> 00:26:20,280

man busy paper so you've actually got

673

00:26:24,980 --> 00:26:21,840

some of the famous World Trade Center

674

00:26:26,750 --> 00:26:24,990

dust yeah yeah because it's still it's

675

00:26:28,909 --> 00:26:26,760

still it's in a ziplock bag Oh

676

00:26:31,940 --> 00:26:28,919

interesting that's you know it's a big

677

00:26:34,130 --> 00:26:31,950

big points of conflicts with people like

678

00:26:36,799 --> 00:26:34,140

it's just now assist like they say they

679

00:26:40,460 --> 00:26:36,809

look at it and they find these red/gray

680

00:26:41,930 --> 00:26:40,470

flakes which they say are you know third

681

00:26:44,490 --> 00:26:41,940

light

682

00:26:47,100 --> 00:26:44,500

was a lot of asbestos in the building

683

00:26:49,499 --> 00:26:47,110

they were yeah they were removing the

684

00:26:50,639 --> 00:26:49,509

asbestos in the building that was still

685

00:26:52,230 --> 00:26:50,649

going on they said that was going to

686

00:26:53,970 --> 00:26:52,240

take like so many years to do it

687

00:26:55,980 --> 00:26:53,980

so that's why all these guys got the 911

688

00:26:58,799 --> 00:26:55,990

sickness and all the O's but that's what

689

00:27:00,389 --> 00:26:58,809

killed my my brother-in-law you know

690

00:27:01,980 --> 00:27:00,399

because he was there on the cleanup and

691

00:27:03,450 --> 00:27:01,990

everything else and well he wasn't just

692

00:27:06,330 --> 00:27:03,460

there in the clue he was there after

693

00:27:08,869 --> 00:27:06,340

they collapsed though yeah so I guess

694

00:27:11,960 --> 00:27:08,879

you're a supporting John Stewart now I

695

00:27:15,899 --> 00:27:11,970

yeah oh yeah I give him credit yeah he

696

00:27:18,779 --> 00:27:15,909

he'd he did pretty good and and most

697

00:27:20,159 --> 00:27:18,789

conservatives did to look a little rush

698

00:27:21,360 --> 00:27:20,169

limbaugh would say the same thing you

699

00:27:24,779 --> 00:27:21,370

know I don't really agree with this guy

700

00:27:28,019 --> 00:27:24,789

anytime but he was 100% correct not so

701
00:27:31,919 --> 00:27:28,029
you know see sometimes they feel good

702
00:27:34,350 --> 00:27:31,929
that you know that my same drug law he

703
00:27:38,460 --> 00:27:34,360
was also and you can read he was also

704
00:27:42,779 --> 00:27:38,470
the resource officer down at Marjory

705
00:27:44,430 --> 00:27:42,789
Stoneman Douglas high school hmm wasn't

706
00:27:46,590 --> 00:27:44,440
he he was good friends with the coach

707
00:27:48,869 --> 00:27:46,600
which was the old stuck because there's

708
00:27:52,769 --> 00:27:48,879
a write-up on him oh then with the

709
00:27:54,539 --> 00:27:52,779
shooting was yeah if there's an article

710
00:27:56,940 --> 00:27:54,549
in The Daily Beast about coach and he

711
00:27:59,399 --> 00:27:56,950
talks about my brother-in-law Richard

712
00:28:00,779 --> 00:27:59,409
went basically right now you know and

713
00:28:02,460 --> 00:28:00,789

they were like best friends and he wound

714

00:28:04,710 --> 00:28:02,470

up being the only hero on the end and of

715

00:28:08,159 --> 00:28:04,720

course because he does a nine he didn't

716

00:28:10,499 --> 00:28:08,169

9/11 video from the high school okay

717

00:28:12,210 --> 00:28:10,509

yeah wait he and he spoke about the

718

00:28:14,610 --> 00:28:12,220

building falling and all that and what

719

00:28:17,340 --> 00:28:14,620

he did and everything so it was pretty

720

00:28:20,159 --> 00:28:17,350

interesting yeah it's kind of weird how

721

00:28:22,680 --> 00:28:20,169

yeah I think like you having someone who

722

00:28:24,720 --> 00:28:22,690

was actually there is a good kind of

723

00:28:27,960 --> 00:28:24,730

antidote in a way to the conspiracy

724

00:28:29,490 --> 00:28:27,970

theories yeah a lot of people they yet

725

00:28:32,129 --> 00:28:29,500

some people doubt that it even happened

726

00:28:34,529 --> 00:28:32,139

at all and obviously there was tens of

727

00:28:36,419 --> 00:28:34,539

thousands of witnesses and yeah hundreds

728

00:28:38,389 --> 00:28:36,429

of thousands of witnesses in New York

729

00:28:41,850 --> 00:28:38,399

which is pretty ridiculous

730

00:28:43,860 --> 00:28:41,860

but you know it's if someone that you

731

00:28:46,950 --> 00:28:43,870

personally knew was involved in it like

732

00:28:49,950 --> 00:28:46,960

like I my father-in-law was running in

733

00:28:52,049 --> 00:28:49,960

the Boston Marathon when the bomb the

734

00:28:53,820 --> 00:28:52,059

bombs went off and he was just five

735

00:28:55,080 --> 00:28:53,830

minutes away from the finish line and

736

00:28:56,880 --> 00:28:55,090

then so he could

737

00:28:59,880 --> 00:28:56,890

quite easily being caught up in it so I

738

00:29:02,550 --> 00:28:59,890

think just knowing the reality of it

739

00:29:05,280 --> 00:29:02,560

really can immunize issue against some

740

00:29:07,440 --> 00:29:05,290

other conspiracy conspiracy but with the

741

00:29:09,600 --> 00:29:07,450

Boston bombing I don't remember any year

742

00:29:14,370 --> 00:29:09,610

oh yeah like people people thought that

743

00:29:16,710 --> 00:29:14,380

it was it was staged and that that it

744

00:29:21,180 --> 00:29:16,720

was fake blood and people they use

745

00:29:23,430 --> 00:29:21,190

people who were amputees and they yeah

746

00:29:26,610 --> 00:29:23,440

like the Sandy Hook in you know pretty

747

00:29:29,820 --> 00:29:26,620

ridiculous but so yeah obviously some

748

00:29:31,770 --> 00:29:29,830

people believe it sir well yeah that's

749

00:29:37,550 --> 00:29:31,780

pretty sad to the victims or the victims

750

00:29:42,270 --> 00:29:37,560

families anyone fair let's talk about I

751
00:29:46,170 --> 00:29:42,280
the cliven Bundy and the Bundy gang and

752
00:29:48,030 --> 00:29:46,180
lavoy finicum in Oregon this is

753
00:29:50,760 --> 00:29:48,040
something that you I think you know you

754
00:29:52,920 --> 00:29:50,770
guys fault yeah yeah you followed that

755
00:29:55,050 --> 00:29:52,930
because you've mentioned it on medical

756
00:29:57,240 --> 00:29:55,060
because we talked a bit about the lavoy

757
00:30:00,300 --> 00:29:57,250
finicum Isis true remind people real

758
00:30:03,600 --> 00:30:00,310
quick there was a standoff where a bunch

759
00:30:06,810 --> 00:30:03,610
of protesters I guess headed by the

760
00:30:08,370 --> 00:30:06,820
Bundy people it was a yeah

761
00:30:11,370 --> 00:30:08,380
occupied a federal building which was

762
00:30:14,670 --> 00:30:11,380
just it was just a Park Rangers office I

763
00:30:19,320 --> 00:30:14,680

think Wildlife Refuge do something yeah

764

00:30:21,300 --> 00:30:19,330

yeah and there was a big standoff and it

765

00:30:24,210 --> 00:30:21,310

kind of culminated and this one guy

766

00:30:26,100 --> 00:30:24,220

getting shot after he driven away and

767

00:30:28,260 --> 00:30:26,110

they'd followed him and he he got out in

768

00:30:30,690 --> 00:30:28,270

the snow and it wasn't clear whether he

769

00:30:34,680 --> 00:30:30,700

was raising his hands or reaching for a

770

00:30:39,180 --> 00:30:34,690

gun yeah and he got shot by by the

771

00:30:42,450 --> 00:30:39,190

police and that was a big deal and it

772

00:30:46,530 --> 00:30:42,460

harkens back to things like the Ruby

773

00:30:51,000 --> 00:30:46,540

Ridge incident and they what's the other

774

00:30:53,640 --> 00:30:51,010

one they Waco yeah so and it has become

775

00:30:55,830 --> 00:30:53,650

part of this kind of know exactly

776

00:30:58,910 --> 00:30:55,840

mythology but you know these these these

777

00:31:03,000 --> 00:30:58,920

things that are used to stir up feelings

778

00:31:04,410 --> 00:31:03,010

okay that's one inch incident happened

779

00:31:06,870 --> 00:31:04,420

and that that's the reason for that is

780

00:31:08,760 --> 00:31:06,880

they didn't they used Waco and Ruby

781

00:31:10,380 --> 00:31:08,770

Ridge as we can

782

00:31:12,810 --> 00:31:10,390

has happened so if all these lawn guys

783

00:31:15,210 --> 00:31:12,820

go there he just can't come down on them

784

00:31:18,900 --> 00:31:15,220

and and do that because you know I mean

785

00:31:20,640 --> 00:31:18,910

it's bad press yeah I mean as much as a

786

00:31:24,930 --> 00:31:20,650

David Koresh you know he was a little

787

00:31:26,580 --> 00:31:24,940

out there but that is a big mistake in

788

00:31:28,890 --> 00:31:26,590

our country you know that shouldn't

789

00:31:30,420 --> 00:31:28,900

happen yeah yeah and I've changed the

790

00:31:34,470 --> 00:31:30,430

policy a lot since then so it's very

791

00:31:36,780 --> 00:31:34,480

much now like wait wait them out which

792

00:31:39,840 --> 00:31:36,790

is whipping which is what they did well

793

00:31:42,260 --> 00:31:39,850

they pretty much did that in Nevada was

794

00:31:44,340 --> 00:31:42,270

Nevada the original Bundy thing that was

795

00:31:46,830 --> 00:31:44,350

liven was the patriarch of the family

796

00:31:48,390 --> 00:31:46,840

there and they were he had some kind of

797

00:31:50,880 --> 00:31:48,400

dispute with the government over grazing

798

00:31:53,400 --> 00:31:50,890

rights yeah and they were worried about

799

00:31:57,150 --> 00:31:53,410

the government had moved in the BLM had

800

00:31:59,160 --> 00:31:57,160

moved in to basically take his movies

801
00:32:01,350 --> 00:31:59,170
cattle or confiscate something and there

802
00:32:03,780 --> 00:32:01,360
was kind of an armed standoff at the

803
00:32:06,480 --> 00:32:03,790
time yeah because I guess fell he was

804
00:32:08,490 --> 00:32:06,490
there his family was there for hundreds

805
00:32:10,620 --> 00:32:08,500
of years hundred and seven years or

806
00:32:13,070 --> 00:32:10,630
whatever it was and they never had to

807
00:32:15,540 --> 00:32:13,080
deal with the grazing rights

808
00:32:17,700 --> 00:32:15,550
yeah actually had the what was it the

809
00:32:19,530 --> 00:32:17,710
Center for Biological Diversity they

810
00:32:21,120 --> 00:32:19,540
seem to be the instigators and a lot of

811
00:32:23,880 --> 00:32:21,130
these you know because they're like an

812
00:32:26,100 --> 00:32:23,890
environmental group see the instigators

813
00:32:27,990 --> 00:32:26,110

and all and then the one up and Oregon

814

00:32:31,500 --> 00:32:28,000

and one down there too I guess they feel

815

00:32:33,480 --> 00:32:31,510

that a desert tortoise is more important

816

00:32:35,190 --> 00:32:33,490

than a cow but I think rank I think

817

00:32:36,960 --> 00:32:35,200

Bundy was like the last rancher in that

818

00:32:41,790 --> 00:32:36,970

area they pretty much pushed everybody

819

00:32:45,840 --> 00:32:41,800

else out yeah so like with the this type

820

00:32:50,780 --> 00:32:45,850

of thing with people protesting against

821

00:32:53,460 --> 00:32:50,790

the government do you think that they

822

00:32:54,990 --> 00:32:53,470

you think it's like a serious thing in

823

00:32:58,200 --> 00:32:55,000

that there's a real risk that the

824

00:33:01,260 --> 00:32:58,210

government is going to do something that

825

00:33:03,060 --> 00:33:01,270

these people need to be aware of like

826

00:33:06,480 --> 00:33:03,070

you think that actually there's going to

827

00:33:08,310 --> 00:33:06,490

be a a major event or do you think it's

828

00:33:12,000 --> 00:33:08,320

just care of this creeping encroachment

829

00:33:14,730 --> 00:33:12,010

upon people's rights I think we want to

830

00:33:16,830 --> 00:33:14,740

stop I I think we want to stop a major

831

00:33:19,680 --> 00:33:16,840

event from happening and these little

832

00:33:22,019 --> 00:33:19,690

incidents knowing that you know knowing

833

00:33:23,879 --> 00:33:22,029

that people are gonna

834

00:33:25,950 --> 00:33:23,889

I would say go to the rescue or

835

00:33:28,529 --> 00:33:25,960

something but just show up the back

836

00:33:32,810 --> 00:33:28,539

people might stop it we just don't want

837

00:33:35,909 --> 00:33:32,820

another wake up yeah no I saw in your

838

00:33:40,799 --> 00:33:35,919

Twitter feed I think and I saw you had a

839

00:33:42,360 --> 00:33:40,809

lavoy finicum 3% sticky you Percy I

840

00:33:44,970 --> 00:33:42,370

think it was a response that you did it

841

00:33:46,110 --> 00:33:44,980

to somebody else who was saying like you

842

00:33:47,970 --> 00:33:46,120

know we have to do something for the

843

00:33:49,860 --> 00:33:47,980

about the NRA and you responded like

844

00:33:50,279 --> 00:33:49,870

it's not going to happen and you posted

845

00:33:53,789 --> 00:33:50,289

this

846

00:33:55,409 --> 00:33:53,799

lavoy finicum 3% thing can you explain

847

00:33:58,220 --> 00:33:55,419

what the three three percents thing

848

00:34:00,570 --> 00:33:58,230

means the three percent is the militia

849

00:34:03,350 --> 00:34:00,580

is what that is that was the militia

850

00:34:06,720 --> 00:34:03,360

that was at the table in the Oregon

851

00:34:08,159 --> 00:34:06,730

standoff basically unit it's just

852

00:34:11,180 --> 00:34:08,169

something I just throw out once in a

853

00:34:15,149 --> 00:34:11,190

while I don't belong to any militias

854

00:34:17,399 --> 00:34:15,159

like I says I don't join drupes yeah you

855

00:34:19,859 --> 00:34:17,409

know I'm not a I'm kind of an individual

856

00:34:23,000 --> 00:34:19,869

but doing do I support the militia yes I

857

00:34:26,129 --> 00:34:23,010

do yeah do you have bumper stickers oh

858

00:34:28,470 --> 00:34:26,139

just on my pickup truck alright I have

859

00:34:30,210 --> 00:34:28,480

an old pickup truck that I used to you

860

00:34:32,280 --> 00:34:30,220

know when I got to go to Home Depot and

861

00:34:34,500 --> 00:34:32,290

stuff like that it's got stickers all

862

00:34:41,399 --> 00:34:34,510

over it you know you saw some old

863

00:34:45,149 --> 00:34:41,409

chemtrail stickers on their nose anyways

864

00:34:47,369 --> 00:34:45,159

yeah I asked about bumper stickers cuz

865

00:34:51,109 --> 00:34:47,379

there's a friend of mine here in

866

00:34:55,800 --> 00:34:51,119

California and he's very concerned about

867

00:34:57,480 --> 00:34:55,810

militias I guess and about people you

868

00:35:01,109 --> 00:34:57,490

know kind of a trend in society to be

869

00:35:06,620 --> 00:35:01,119

very polarized and he says that he sees

870

00:35:10,440 --> 00:35:08,880

similar types of things like per a

871

00:35:13,200 --> 00:35:10,450

malicious stuff like Second Amendment

872

00:35:17,640 --> 00:35:13,210

things and he feels like this this kind

873

00:35:22,170 --> 00:35:17,650

of I know this this kind of increasingly

874

00:35:25,559 --> 00:35:22,180

widening gulf between what he sees as

875

00:35:30,870 --> 00:35:25,569

the more easygoing America and a more

876

00:35:33,089 --> 00:35:30,880

hardcore violent is annoying things well

877

00:35:35,840 --> 00:35:33,099

if you remember in Oregon there was a

878

00:35:38,940 --> 00:35:35,850

lot of 3% militia there even after

879

00:35:41,250 --> 00:35:38,950

lavoy got killed and and and the Bundys

880

00:35:43,410 --> 00:35:41,260

got arrested man they still had the

881

00:35:45,960 --> 00:35:43,420

people there and what happened with them

882

00:35:47,730 --> 00:35:45,970

uh they arrested a few of them and there

883

00:35:49,170 --> 00:35:47,740

was there was no shoot there was no

884

00:35:53,670 --> 00:35:49,180

shooting even after the boy got killed

885

00:35:56,670 --> 00:35:53,680

yeah oh it's it's I don't think it's hey

886

00:35:58,650 --> 00:35:56,680

I don't think we've gotten to that point

887

00:36:02,070 --> 00:35:58,660

where it's where it's that bad where I'd

888

00:36:04,380 --> 00:36:02,080

worry about it basically it could but

889

00:36:06,630 --> 00:36:04,390

you'd have to have something pretty bad

890

00:36:10,290 --> 00:36:06,640

I you know a lot of people would have to

891

00:36:11,430 --> 00:36:10,300

get shot or killed before I think any

892

00:36:13,050 --> 00:36:11,440

moments you would do anything and I

893

00:36:15,930 --> 00:36:13,060

think most of the guys in joining

894

00:36:19,020 --> 00:36:15,940

militia you know like I said I've never

895

00:36:21,570 --> 00:36:19,030

been been in the militia you don't think

896

00:36:23,340 --> 00:36:21,580

I would but do you have delicious there

897

00:36:25,320 --> 00:36:23,350

in Florida every semester

898

00:36:28,020 --> 00:36:25,330

oh I bet there's a lot of me this quite

899

00:36:28,980 --> 00:36:28,030

a few but we it's just like we clear the

900

00:36:35,040 --> 00:36:28,990

left

901
00:36:37,110 --> 00:36:35,050
via the militia interesting so what what

902
00:36:38,900 --> 00:36:37,120
do you fear from about the left for do

903
00:36:41,850 --> 00:36:38,910
you think the left is going to do but

904
00:36:45,270 --> 00:36:41,860
just that what our PC culture basically

905
00:36:48,300 --> 00:36:45,280
you know and and how this country is

906
00:36:51,090 --> 00:36:48,310
being changed how you can't you can't

907
00:36:53,930 --> 00:36:51,100
say things these days or you know guys

908
00:36:56,430 --> 00:36:53,940
can't refuse to bake cakes for certain

909
00:36:58,530 --> 00:36:56,440
people have sexual preference for some

910
00:37:00,180 --> 00:36:58,540
reason without getting sued especially

911
00:37:03,240 --> 00:37:00,190
when they're just being targeted by

912
00:37:05,850 --> 00:37:03,250
these people to you know just it's

913
00:37:09,360 --> 00:37:05,860

officer laws I think there was a case

914

00:37:10,890 --> 00:37:09,370

yesterday in Ohio where it was a store

915

00:37:13,830 --> 00:37:10,900

that's been around for like I think they

916

00:37:15,720 --> 00:37:13,840

said for generations and he had a group

917

00:37:16,860 --> 00:37:15,730

of young african-american kings that

918

00:37:20,250 --> 00:37:16,870

went in there and I guess they went to

919

00:37:23,670 --> 00:37:20,260

buy liquor well the owner refused them

920

00:37:27,630 --> 00:37:23,680

because they had fake ID one of them had

921

00:37:29,460 --> 00:37:27,640

walked out with liquor bottle money they

922

00:37:31,980 --> 00:37:29,470

belonged to his University I guess these

923

00:37:33,270 --> 00:37:31,990

kids so they said they got arrested and

924

00:37:35,010 --> 00:37:33,280

everything but then they wanted the

925

00:37:36,450 --> 00:37:35,020

University started back in these kids

926
00:37:38,400 --> 00:37:36,460
and they kept having these protests out

927
00:37:39,630 --> 00:37:38,410
in front of this this person's store in

928
00:37:42,570 --> 00:37:39,640
Ohio that's been there for all these

929
00:37:45,870 --> 00:37:42,580
generations well yesterday the the store

930
00:37:46,770 --> 00:37:45,880
won a lawsuit against this College

931
00:37:48,120 --> 00:37:46,780
because it was the college

932
00:37:49,770 --> 00:37:48,130
administrators and that basically

933
00:37:52,260 --> 00:37:49,780
everybody in the college

934
00:37:54,570 --> 00:37:52,270
you know destroying the reputation of

935
00:37:56,070 --> 00:37:54,580
this bakery or I think it was it could

936
00:37:58,800 --> 00:37:56,080
have been a bakery I forgot what it was

937
00:38:01,200 --> 00:37:58,810
but it was a because they don't sell

938
00:38:02,640 --> 00:38:01,210

liquor I like a coming in so maybe yes

939

00:38:03,810 --> 00:38:02,650

something like but I forgot what kind of

940

00:38:06,990 --> 00:38:03,820

store it was but they they just

941

00:38:10,080 --> 00:38:07,000

destroyed their business basic because

942

00:38:11,910 --> 00:38:10,090

of lies because everything you know it's

943

00:38:13,650 --> 00:38:11,920

like you got a shooting in what was it

944

00:38:15,120 --> 00:38:13,660

there was a shooting in Tennessee

945

00:38:17,190 --> 00:38:15,130

Memphis Tennessee you heard about that

946

00:38:20,430 --> 00:38:17,200

one no uh-uh

947

00:38:23,370 --> 00:38:20,440

well they might have done but yeah okay

948

00:38:26,640 --> 00:38:23,380

and now there's riot some of that you

949

00:38:29,490 --> 00:38:26,650

know supposedly he tried to run the US

950

00:38:31,710 --> 00:38:29,500

Marshals over with his car okay well the

951
00:38:33,510 --> 00:38:31,720
gun actually he died but they leave up

952
00:38:35,910 --> 00:38:33,520
you know what they're not saying is he

953
00:38:38,340 --> 00:38:35,920
stole some guys car matter of fact that

954
00:38:41,280 --> 00:38:38,350
was supposedly the car he was in when

955
00:38:42,930 --> 00:38:41,290
the cops shot him basically and he shot

956
00:38:45,780 --> 00:38:42,940
the guy five times that he stole his car

957
00:38:47,490 --> 00:38:45,790
so you know and then the media if you

958
00:38:50,700 --> 00:38:47,500
listen to the media they just twisted

959
00:38:53,760 --> 00:38:50,710
everything so this do mean the media's

960
00:38:56,520 --> 00:38:53,770
our biggest the way they report stories

961
00:38:57,810 --> 00:38:56,530
it's just it's just messed up really in

962
00:39:00,510 --> 00:38:57,820
the school I gotta say like you know I

963
00:39:02,700 --> 00:39:00,520

was looking at your face your Twitter

964

00:39:04,320 --> 00:39:02,710

fitting again and they were like a bunch

965

00:39:06,810 --> 00:39:04,330

of stories like the ones you just told

966

00:39:09,150 --> 00:39:06,820

me there and I know a lot of people

967

00:39:11,250 --> 00:39:09,160

would say that yes like just looking

968

00:39:13,860 --> 00:39:11,260

through your Twitter feed that it seems

969

00:39:15,960 --> 00:39:13,870

like it's racist and that you seem to be

970

00:39:18,570 --> 00:39:15,970

like putting a lot of yeah like here's

971

00:39:20,880 --> 00:39:18,580

some black people doing these crimes and

972

00:39:22,680 --> 00:39:20,890

there's there's lots of that like yeah

973

00:39:25,460 --> 00:39:22,690

how would you respond to like you know

974

00:39:27,690 --> 00:39:25,470

someone saying that yeah you're a racist

975

00:39:29,310 --> 00:39:27,700

know what I wouldn't respond because

976
00:39:31,950 --> 00:39:29,320
that's the losing part of the argument

977
00:39:34,950 --> 00:39:31,960
when they you know basically these are

978
00:39:39,270 --> 00:39:34,960
so these are basically would all this

979
00:39:41,910 --> 00:39:39,280
criminal justice reform and it just it's

980
00:39:43,680 --> 00:39:41,920
it's on how they they make it seem like

981
00:39:45,750 --> 00:39:43,690
this certain group of people is being

982
00:39:48,300 --> 00:39:45,760
picked on by the police and we're

983
00:39:51,890 --> 00:39:48,310
holding back when if you look at

984
00:39:56,190 --> 00:39:51,900
statistics statistics say otherwise

985
00:39:58,250 --> 00:39:56,200
over fifty percent of all violent crime

986
00:40:01,290 --> 00:39:58,260
is committed by young black males

987
00:40:01,970 --> 00:40:01,300
between the age of like 14 I think it is

988
00:40:04,370 --> 00:40:01,980

and

989

00:40:10,820 --> 00:40:04,380
twice which makes up 8% of the

990

00:40:13,280 --> 00:40:10,830
population now that's probably why this

991

00:40:15,170 --> 00:40:13,290
there's so many problems in the

992

00:40:17,690 --> 00:40:15,180
community now I don't want it I don't

993

00:40:19,099 --> 00:40:17,700
want it to be that way it was like it

994

00:40:20,780 --> 00:40:19,109
was like with that kid that was shot

995

00:40:22,250 --> 00:40:20,790
brand new wherever was his name on

996

00:40:23,690 --> 00:40:22,260
Twitter now I was on that and I was

997

00:40:26,000 --> 00:40:23,700
arguing with people and it's like

998

00:40:28,880 --> 00:40:26,010
they're all defending this kid who's a

999

00:40:31,070 --> 00:40:28,890
criminal and this is why the next kid

1000

00:40:32,750 --> 00:40:31,080
they're gonna emulate this kid and put

1001
00:40:33,680 --> 00:40:32,760
him on a pedestal like he's a hero and

1002
00:40:36,200 --> 00:40:33,690
he's not a hero

1003
00:40:38,570 --> 00:40:36,210
and then the next kid's gonna wind up

1004
00:40:40,130 --> 00:40:38,580
the same way and I don't want that no

1005
00:40:41,750 --> 00:40:40,140
matter what color anybody is but that's

1006
00:40:43,430 --> 00:40:41,760
the problem is every time there's a

1007
00:40:45,050 --> 00:40:43,440
criminal that shot and they go out of

1008
00:40:46,790 --> 00:40:45,060
their way to put him up on this pedestal

1009
00:40:49,240 --> 00:40:46,800
that he was this angel and everything

1010
00:40:51,200 --> 00:40:49,250
and all these other kids look up to him

1011
00:40:53,930 --> 00:40:51,210
what's gonna happen you're just gonna

1012
00:40:56,150 --> 00:40:53,940
get more kids like that Karl it really

1013
00:41:00,020 --> 00:40:56,160

doesn't matter because I I i seem have

1014

00:41:01,760 --> 00:41:00,030

no problem with you know i don't have

1015

00:41:03,800 --> 00:41:01,770

any problem with anybody of any color

1016

00:41:08,660 --> 00:41:03,810

basically i just have problems primrose

1017

00:41:11,690 --> 00:41:08,670

that's all and you you think that the

1018

00:41:13,880 --> 00:41:11,700

social justice people are like kind of

1019

00:41:17,870 --> 00:41:13,890

getting it wrong they're getting it

1020

00:41:19,670 --> 00:41:17,880

wrong they're basically i would say in a

1021

00:41:21,920 --> 00:41:19,680

sense they enable them basically and it

1022

00:41:24,590 --> 00:41:21,930

just makes me they're defending them you

1023

00:41:26,810 --> 00:41:24,600

know it's just like if you had if you

1024

00:41:29,750 --> 00:41:26,820

had a kid of your own and he kept doing

1025

00:41:31,400 --> 00:41:29,760

wrong and you kept say no it's not his

1026
00:41:34,370 --> 00:41:31,410
fault everything else he's not gonna get

1027
00:41:36,520 --> 00:41:34,380
any better you know it says tiny they're

1028
00:41:40,690 --> 00:41:36,530
not do you think there's nothing behind

1029
00:41:44,480 --> 00:41:40,700
this this is kind of like you know these

1030
00:41:47,210 --> 00:41:44,490
you know the black lives matter versus

1031
00:41:49,370 --> 00:41:47,220
blues like oh that's a insensitive yeah

1032
00:41:52,700 --> 00:41:49,380
like some kind of ultimate agenda from

1033
00:41:55,310 --> 00:41:52,710
from your perspective well I wasn't in

1034
00:41:58,570 --> 00:41:55,320
sorrows he you know he's naturally our

1035
00:42:01,609 --> 00:41:58,580
nemesis you know Soros funded a lot

1036
00:42:03,440 --> 00:42:01,619
yeah chaos chaos in the street you know

1037
00:42:07,430 --> 00:42:03,450
something that kind of sounds a bit like

1038
00:42:11,180 --> 00:42:07,440

a conspiracy theory every like that well

1039

00:42:14,000 --> 00:42:11,190

and read rules for radicals soul is he

1040

00:42:15,560 --> 00:42:14,010

uh I think I've read bits of it because

1041

00:42:20,240 --> 00:42:15,570

you mentioned it before

1042

00:42:22,130 --> 00:42:20,250

yeah years ago and I think I think the

1043

00:42:23,630 --> 00:42:22,140

last presidential candidate that lost

1044

00:42:25,760 --> 00:42:23,640

that forgot what her name was

1045

00:42:29,840 --> 00:42:25,770

I think she did her college thesis on

1046

00:42:31,190 --> 00:42:29,850

that well basically what are we doing we

1047

00:42:35,270 --> 00:42:31,200

have riots in the street

1048

00:42:36,890 --> 00:42:35,280

we got an open border look at California

1049

00:42:38,690 --> 00:42:36,900

now you live in California which the

1050

00:42:40,550 --> 00:42:38,700

population California doubled since I

1051

00:42:42,440 --> 00:42:40,560

lived there yeah it's pretty big

1052

00:42:45,380 --> 00:42:42,450

don't worry it's like like 50 million or

1053

00:42:47,300 --> 00:42:45,390

something like that yeah I think for 40

1054

00:42:50,780 --> 00:42:47,310

plus million I think it was but when I I

1055

00:42:53,090 --> 00:42:50,790

was there it was 20 million yeah I

1056

00:42:55,070 --> 00:42:53,100

thought it was proud and then they're so

1057

00:42:55,850 --> 00:42:55,080

worried about the water oh we don't have

1058

00:42:57,680 --> 00:42:55,860

enough water

1059

00:42:59,360 --> 00:42:57,690

well you just build your population and

1060

00:43:01,100 --> 00:42:59,370

you got wide open waters I don't have

1061

00:43:03,890 --> 00:43:01,110

any ships water with everybody

1062

00:43:05,450 --> 00:43:03,900

it just doesn't you know it doesn't make

1063

00:43:08,840 --> 00:43:05,460

any sense why would you want it why

1064

00:43:10,130 --> 00:43:08,850

would you want to import people why

1065

00:43:14,000 --> 00:43:10,140

would you want to poor people from the

1066

00:43:16,010 --> 00:43:14,010

most dangerous parts of the world which

1067

00:43:18,680 --> 00:43:16,020

is Central America you look at the crime

1068

00:43:20,180 --> 00:43:18,690

rate in El Salvador Guatemala I mean

1069

00:43:22,250 --> 00:43:20,190

those are the most dangerous places on

1070

00:43:24,020 --> 00:43:22,260

the planet and yeah have you looked at

1071

00:43:26,290 --> 00:43:24,030

the statistics there cuz I think like

1072

00:43:28,460 --> 00:43:26,300

when you look at the crime rates amongst

1073

00:43:30,530 --> 00:43:28,470

immigrants regardlessly whether the

1074

00:43:33,230 --> 00:43:30,540

legal are illegal they tend to commit

1075

00:43:36,220 --> 00:43:33,240

less crimes than people who are not

1076

00:43:38,890 --> 00:43:36,230

we've been the same demographic but

1077

00:43:41,750 --> 00:43:38,900

actual American citizens

1078

00:43:43,940 --> 00:43:41,760

yeah that's that's pretty much with you

1079

00:43:45,920 --> 00:43:43,950

but why shouldn't the import inium yeah

1080

00:43:48,530 --> 00:43:45,930

it will actually reduce the crime rate

1081

00:43:50,660 --> 00:43:48,540

on average if we if we put this people

1082

00:43:54,380 --> 00:43:50,670

right up there trying to stay on the

1083

00:43:57,410 --> 00:43:54,390

good side of the law so it's anyway this

1084

00:43:59,480 --> 00:43:57,420

is a probably a more involved discussion

1085

00:44:00,410 --> 00:43:59,490

than we need to have yeah let the like

1086

00:44:03,080 --> 00:44:00,420

it's interesting that you're talking

1087

00:44:06,620 --> 00:44:03,090

about George Soros like because that is

1088

00:44:09,110 --> 00:44:06,630

kind of you know I guess it is kind of a

1089

00:44:10,120 --> 00:44:09,120

conspiracy yes what are they trying to

1090

00:44:18,710 --> 00:44:10,130

do

1091

00:44:21,080 --> 00:44:18,720

and it's why it's quite obvious what

1092

00:44:23,890 --> 00:44:21,090

what is that open society and what's

1093

00:44:26,990 --> 00:44:23,900

that all about and one world government

1094

00:44:29,750 --> 00:44:27,000

all right so this is I mean no borders

1095

00:44:31,250 --> 00:44:29,760

that's what he wants the problem is

1096

00:44:32,630 --> 00:44:31,260

you take a country like ours and you

1097

00:44:34,490 --> 00:44:32,640

just opened the borders and what are we

1098

00:44:35,170 --> 00:44:34,500

gonna become just another third-world

1099

00:44:38,180 --> 00:44:35,180

country

1100

00:44:41,180 --> 00:44:38,190

so you think how does how does the black

1101

00:44:43,090 --> 00:44:41,190

lives matter tie into that it's it's

1102

00:44:45,680 --> 00:44:43,100

just part of it it's just chaos

1103

00:44:48,440 --> 00:44:45,690

basically but they've kind of died off

1104

00:44:50,840 --> 00:44:48,450

now you don't you don't see them as much

1105

00:44:52,850 --> 00:44:50,850

now that you don't have Barack Obama

1106

00:44:54,460 --> 00:44:52,860

supporting them and everything if you

1107

00:44:56,690 --> 00:44:54,470

remember when he was in office basically

1108

00:44:59,240 --> 00:44:56,700

every time every time somebody got shot

1109

00:45:01,130 --> 00:44:59,250

they were there stopping people you know

1110

00:45:03,610 --> 00:45:01,140

stop and closing up freeways and stuff

1111

00:45:06,020 --> 00:45:03,620

anybody else did that we'd be arrested

1112

00:45:07,460 --> 00:45:06,030

so you know you think what do you think

1113

00:45:10,210 --> 00:45:07,470

do you think it's died off then they

1114

00:45:13,460 --> 00:45:10,220

have the BLM stuff black lives matter

1115

00:45:15,830 --> 00:45:13,470

quite a bit yeah yeah and life you think

1116

00:45:20,110 --> 00:45:15,840

that's because I don't know George Soros

1117

00:45:23,360 --> 00:45:20,120

I ordered it or just because it's I do i

1118

00:45:25,370 --> 00:45:23,370

I I would say was the change in the

1119

00:45:28,760 --> 00:45:25,380

White House basically the why would that

1120

00:45:30,560 --> 00:45:28,770

actually have an effect on the yeah our

1121

00:45:33,560 --> 00:45:30,570

sister I don't know because you don't

1122

00:45:35,270 --> 00:45:33,570

you don't you don't hear about I haven't

1123

00:45:36,830 --> 00:45:35,280

you know other than this the shooting in

1124

00:45:38,480 --> 00:45:36,840

Tennessee do their to the other thing

1125

00:45:40,640 --> 00:45:38,490

you don't really hear about it as much

1126

00:45:42,170 --> 00:45:40,650

it doesn't seem like thing you don't see

1127

00:45:44,480 --> 00:45:42,180

it on the media as much matter of fact I

1128

00:45:46,810 --> 00:45:44,490

haven't even seen that on let's say CNN

1129

00:45:49,670 --> 00:45:46,820

or anything else like he did Mike Brown

1130

00:45:53,120 --> 00:45:49,680

you know remember Mike Brown yeah yeah

1131

00:45:55,640 --> 00:45:53,130

they're not Latin for some reason it it

1132

00:45:58,250 --> 00:45:55,650

just doesn't it never makes the media

1133

00:46:01,010 --> 00:45:58,260

for some reason well you remember when

1134

00:46:02,930 --> 00:46:01,020

Mike Brown was shot I was a st. Louis

1135

00:46:04,880 --> 00:46:02,940

I think that caused the biggest riots

1136

00:46:07,670 --> 00:46:04,890

esslyn dear a mixed whatever his name

1137

00:46:08,960 --> 00:46:07,680

showed up on the scene and he and and

1138

00:46:11,660 --> 00:46:08,970

that's where his money was coming from

1139

00:46:13,190 --> 00:46:11,670

he was getting funded you know he was

1140

00:46:15,500 --> 00:46:13,200

getting funded by source and then it was

1141

00:46:18,800 --> 00:46:15,510

less than a week later there was a kid

1142

00:46:22,850 --> 00:46:18,810

named Dylan Taylor who was shot I

1143

00:46:24,920 --> 00:46:22,860

believe in Utah and I mean he clearly

1144

00:46:27,290 --> 00:46:24,930

did do nothing but he was trying he was

1145

00:46:30,560 --> 00:46:27,300

reaching for he had headphones on and he

1146

00:46:32,630 --> 00:46:30,570

was reaching to turn down the volume on

1147

00:46:34,280 --> 00:46:32,640

whatever he had and he got shot and died

1148

00:46:36,530 --> 00:46:34,290

right there and spot that never made the

1149

00:46:38,450 --> 00:46:36,540

media at all other than in Utah and if

1150

00:46:40,850 --> 00:46:38,460

the cop got away with that was their

1151

00:46:43,510 --> 00:46:40,860

bucket it's a black kid no he wasn't

1152

00:46:45,670 --> 00:46:43,520

that's why you know it's like not even

1153

00:46:47,320 --> 00:46:45,680

we got the mic round if you look up

1154

00:46:49,390 --> 00:46:47,330

Dylan tell there's a video on YouTube

1155

00:46:51,040 --> 00:46:49,400

basically you can see him you know he

1156

00:46:54,190 --> 00:46:51,050

was shot as supposedly he was a troubled

1157

00:46:55,690 --> 00:46:54,200

kid I think he was a white Hispanic

1158

00:46:57,520 --> 00:46:55,700

pretty much you know it was a lake he

1159

00:46:59,680 --> 00:46:57,530

looked like a white kid but you know I

1160

00:47:02,260 --> 00:46:59,690

think they said he was a mix of whatever

1161

00:47:04,180 --> 00:47:02,270

mix with Hispanic and white as anymore I

1162

00:47:06,700 --> 00:47:04,190

don't even really know and there was no

1163

00:47:09,160 --> 00:47:06,710

attention given so it's the media

1164

00:47:11,260 --> 00:47:09,170

manipulation at the time I think the

1165

00:47:13,660 --> 00:47:11,270

media focused more on all those stories

1166

00:47:15,040 --> 00:47:13,670

and of course when the media gets there

1167

00:47:16,660 --> 00:47:15,050

like they did with Mike Brown they were

1168

00:47:18,550 --> 00:47:16,670

there all the time they were CNN and

1169

00:47:21,910 --> 00:47:18,560

everything it just made matters worse

1170

00:47:24,460 --> 00:47:21,920

basically and we had chaos when and it

1171

00:47:26,050 --> 00:47:24,470

seemed like one Trump gun elected there

1172

00:47:29,770 --> 00:47:26,060

wasn't much of that when's the last time

1173

00:47:31,750 --> 00:47:29,780

you've heard a BLM protest yeah I mean I

1174

00:47:34,210 --> 00:47:31,760

guess maybe it's just because they're on

1175

00:47:38,650 --> 00:47:34,220

I mean I think they've made your

1176

00:47:40,720 --> 00:47:38,660

incidents like that yeah but they made

1177

00:47:43,330 --> 00:47:40,730

that Mike Brown wasn't a major incident

1178

00:47:45,100 --> 00:47:43,340

they just made it a major it was no more

1179

00:47:48,610 --> 00:47:45,110

of a major incident and than the one

1180

00:47:50,560 --> 00:47:48,620

that happened in Tennessee I like they

1181

00:47:54,250 --> 00:47:50,570

say that I think the media just

1182

00:47:56,530 --> 00:47:54,260

manipulates everything you think Spira

1183

00:47:58,360 --> 00:47:56,540

see that I believe it right now yeah so

1184

00:48:02,650 --> 00:47:58,370

you you think like the the left-wing

1185

00:48:06,160 --> 00:48:02,660

media like yes CNN I guess and MSNBC and

1186

00:48:09,510 --> 00:48:06,170

MSN and CBS you think that they are part

1187

00:48:13,630 --> 00:48:09,520

of the agenda like the Saurus agenda

1188

00:48:15,100 --> 00:48:13,640

yeah yeah I would say so so in a way

1189

00:48:16,990 --> 00:48:15,110

that part of the conspiracy

1190

00:48:19,390 --> 00:48:17,000

I don't be like putting a conspiracy

1191

00:48:22,420 --> 00:48:19,400

theory out there but but each state knit

1192

00:48:24,670 --> 00:48:22,430

Sun yeah so you think that CNN is part

1193

00:48:31,660 --> 00:48:24,680

of a plot to create what our world

1194

00:48:35,220 --> 00:48:31,670

government man maybe maybe just like

1195

00:48:38,110 --> 00:48:35,230

Democrats it's not light rapidity yeah

1196

00:48:40,030 --> 00:48:38,120

but you could have like earlier and

1197

00:48:43,720 --> 00:48:40,040

immediate a are one party immediately

1198

00:48:46,180 --> 00:48:43,730

like some people think Fox Fox is but

1199

00:48:48,330 --> 00:48:46,190

Fox is other than what Tucker Carlson

1200

00:48:51,610 --> 00:48:48,340

Laura Ingraham and maybe Sean Hannity

1201

00:48:53,530 --> 00:48:51,620

you got but on Fox is nothing but a

1202

00:48:56,500 --> 00:48:53,540

bunch of never Trump purse or a bunch of

1203

00:48:57,220 --> 00:48:56,510

left wings on Fox cuz even Fox has

1204

00:48:59,680 --> 00:48:57,230

changed

1205

00:49:01,690 --> 00:48:59,690

so there really is I actually got to

1206

00:49:03,370 --> 00:49:01,700

watch like independent media you almost

1207

00:49:06,820 --> 00:49:03,380

have to go to Alec Jones to get the

1208

00:49:09,100 --> 00:49:06,830

truth and isn't that for me if if you

1209

00:49:12,640 --> 00:49:09,110

can find them anymore so what do you

1210

00:49:14,770 --> 00:49:12,650

think of Russia's involvement in the

1211

00:49:16,740 --> 00:49:14,780

affairs of America in terms of yeah

1212

00:49:19,900 --> 00:49:16,750

Russia trying to stir things up

1213

00:49:22,360 --> 00:49:19,910

that's the conspiracy theory that's the

1214

00:49:25,780 --> 00:49:22,370

biggest conspiracy you don't think

1215

00:49:27,670 --> 00:49:25,790

that's happened no I think they always

1216

00:49:29,290 --> 00:49:27,680

manipulate I think they always have just

1217

00:49:31,300 --> 00:49:29,300

like we do it everybody else's elections

1218

00:49:33,490 --> 00:49:31,310

just like we did in Ukraine's just like

1219

00:49:35,470 --> 00:49:33,500

we did in Israel not the last election

1220

00:49:37,360 --> 00:49:35,480

with Netanyahu for the one previous to

1221

00:49:39,400 --> 00:49:37,370

that now the sorrows money to that was

1222

00:49:41,110 --> 00:49:39,410

dumped into that I think they were had a

1223

00:49:42,730 --> 00:49:41,120

bunch of NGOs over there trying to

1224

00:49:44,800 --> 00:49:42,740

defeat it because they wanted Netanyahu

1225

00:49:47,020 --> 00:49:44,810

out so why is it our country's allowed

1226

00:49:48,400 --> 00:49:47,030

to interfere in these elections just

1227

00:49:51,010 --> 00:49:48,410

like we interfere in every country

1228

00:49:52,570 --> 00:49:51,020

well I don't feel out to do that and

1229

00:49:54,420 --> 00:49:52,580

then you get Russia and they put a

1230

00:49:56,770 --> 00:49:54,430

couple of Facebook ads on then you know

1231

00:50:00,700 --> 00:49:56,780

do you think that Russia should be

1232

00:50:02,440 --> 00:50:00,710

allowed to interfere in the elections do

1233

00:50:03,280 --> 00:50:02,450

I think they no I don't think I don't

1234

00:50:04,960 --> 00:50:03,290

think they should be allowed to

1235

00:50:06,700 --> 00:50:04,970

interfere but if they can put some if

1236

00:50:09,010 --> 00:50:06,710

there's anything that they put up that's

1237

00:50:10,780 --> 00:50:09,020

factual it's just like Trump said the

1238

00:50:14,530 --> 00:50:10,790

other day if somebody comes up with some

1239

00:50:16,960 --> 00:50:14,540

dirt I want votans Ill would take it so

1240

00:50:19,470 --> 00:50:16,970

what if Russia started spending like

1241

00:50:23,530 --> 00:50:19,480

hundreds of millions of dollars on

1242

00:50:26,290 --> 00:50:23,540

commercials on TV I supporting one

1243

00:50:28,000 --> 00:50:26,300

candidate supporting one candidate you

1244

00:50:30,160 --> 00:50:28,010

know I don't think I'd go for that

1245

00:50:32,350 --> 00:50:30,170

because I still I trust Russia a little

1246

00:50:33,870 --> 00:50:32,360

bit less than I do my I mean that's

1247

00:50:38,250 --> 00:50:33,880

that's definitely illegal

1248

00:50:41,170 --> 00:50:38,260

yeah I'm saying like as far as our RT

1249

00:50:43,030 --> 00:50:41,180

you know sometimes I'll see a video from

1250

00:50:44,980 --> 00:50:43,040

RT and they do some pretty pretty good

1251
00:50:47,470 --> 00:50:44,990
work I mean they're gonna say something

1252
00:50:49,750 --> 00:50:47,480
like is that propoganda they actually

1253
00:50:50,830 --> 00:50:49,760
see those favor the democrats more norty

1254
00:50:53,710 --> 00:50:50,840
than they do trump any

1255
00:50:56,470 --> 00:50:53,720
really yeah I guess you must watch more

1256
00:50:57,850 --> 00:50:56,480
RT than me I wouldn't say they you know

1257
00:51:00,040 --> 00:50:57,860
support Trump as such but they're

1258
00:51:03,490 --> 00:51:00,050
they're definitely a support Russia and

1259
00:51:05,770 --> 00:51:03,500
so whatever they're doing is trying to

1260
00:51:07,360 --> 00:51:05,780
further the interests of Russia well

1261
00:51:09,550 --> 00:51:07,370
what's the difference between RT in

1262
00:51:10,930 --> 00:51:09,560
Russia and let's say CNN in the United

1263
00:51:13,240 --> 00:51:10,940

States in a sense

1264

00:51:14,980 --> 00:51:13,250

mattias London where they buy the

1265

00:51:19,410 --> 00:51:14,990

Russian government is actually a state

1266

00:51:22,210 --> 00:51:19,420

me whereas CNN is an independent company

1267

00:51:24,579 --> 00:51:22,220

yeah it's the closest you have here to

1268

00:51:26,849 --> 00:51:24,589

state sponsors would be and then maybe

1269

00:51:28,329 --> 00:51:26,859

NPR because they get some grants but

1270

00:51:31,990 --> 00:51:28,339

they're not really

1271

00:51:33,640 --> 00:51:32,000

yeah it doesn't mean that NPR is singing

1272

00:51:35,950 --> 00:51:33,650

the praises of Trump because they get

1273

00:51:38,770 --> 00:51:35,960

money from the government but artsy

1274

00:51:41,470 --> 00:51:38,780

definitely is Facebook and yet they get

1275

00:51:43,599 --> 00:51:41,480

money from a lot of companies NPR I

1276

00:51:44,890 --> 00:51:43,609

think they get where's Facebook I know

1277

00:51:46,180 --> 00:51:44,900

they give money from Facebook because

1278

00:51:47,589 --> 00:51:46,190

every time they mention it yeah

1279

00:51:50,230 --> 00:51:47,599

they have to put that little disclaimer

1280

00:51:51,730 --> 00:51:50,240

in there it's sponsored by yeah well

1281

00:51:53,230 --> 00:51:51,740

Facebook I've got a lot of money so I

1282

00:51:55,930 --> 00:51:53,240

guess they're just going right somewhere

1283

00:51:57,760 --> 00:51:55,940

and that's a and I don't trust Facebook

1284

00:51:59,680 --> 00:51:57,770

anymore either really yeah what do you

1285

00:52:03,280 --> 00:51:59,690

think about things like the the

1286

00:52:04,990 --> 00:52:03,290

censorship of of various people like

1287

00:52:06,490 --> 00:52:05,000

people of being deep platform like Alex

1288

00:52:07,990 --> 00:52:06,500

Jones obviously but there's there's

1289

00:52:08,559 --> 00:52:08,000

other people who are less extreme than

1290

00:52:10,930 --> 00:52:08,569

him

1291

00:52:12,250 --> 00:52:10,940

yeah and now I've seen a lot I've seen a

1292

00:52:15,099 --> 00:52:12,260

lot of people just disappear from

1293

00:52:16,870 --> 00:52:15,109

Twitter altogether you know I I follow

1294

00:52:20,680 --> 00:52:16,880

this one person who's on Twitter now and

1295

00:52:22,630 --> 00:52:20,690

she she had 250,000 followers all of a

1296

00:52:23,920 --> 00:52:22,640

sudden she lost it like that and I

1297

00:52:25,120 --> 00:52:23,930

couldn't figure it out but she never

1298

00:52:27,280 --> 00:52:25,130

posts anything like that

1299

00:52:29,559 --> 00:52:27,290

I thought maybe because of her numbers

1300

00:52:31,089 --> 00:52:29,569

got so big but she may never get a

1301

00:52:34,059 --> 00:52:31,099

reason that naturally she started

1302

00:52:35,530 --> 00:52:34,069

another to Twitter it anyway and started

1303

00:52:37,510 --> 00:52:35,540

all over but it was just you know how do

1304

00:52:39,550 --> 00:52:37,520

you get that many followers and then for

1305

00:52:42,400 --> 00:52:39,560

no reason at all you just do platform

1306

00:52:45,309 --> 00:52:42,410

completely what she have like a

1307

00:52:47,260 --> 00:52:45,319

far-right she's obviously so I would say

1308

00:52:49,329 --> 00:52:47,270

she's are on the right but I wouldn't

1309

00:52:51,880 --> 00:52:49,339

say she's she's fall right I would say

1310

00:52:54,940 --> 00:52:51,890

far on the right as I and basically you

1311

00:52:58,990 --> 00:52:54,950

know yeah Twitter Twitter's a Twitter is

1312

00:53:00,760 --> 00:52:59,000

a weird platform you think like Silicon

1313

00:53:04,599 --> 00:53:00,770

Valley like the social media company is

1314

00:53:08,559 --> 00:53:04,609

a part of this kind of trend you talk

1315

00:53:10,990 --> 00:53:08,569

about like the Saurus world government I

1316

00:53:12,790 --> 00:53:11,000

think they're all just left-wing and

1317

00:53:16,870 --> 00:53:12,800

that's where I'm on it and that's where

1318

00:53:18,400 --> 00:53:16,880

and I believe coming up to the 2020 2020

1319

00:53:19,780 --> 00:53:18,410

elections they're gonna want do we

1320

00:53:22,660 --> 00:53:19,790

they're gonna purge a lot more people

1321

00:53:24,940 --> 00:53:22,670

right so from the from Facebook and my

1322

00:53:26,740 --> 00:53:24,950

Twitter and yeah from the

1323

00:53:29,829 --> 00:53:26,750

and you know I mean it's just like on

1324

00:53:31,810 --> 00:53:29,839

YouTube now if you if you even see a

1325

00:53:34,390 --> 00:53:31,820

video on chemtrails it says chemtrails

1326

00:53:37,690 --> 00:53:34,400

or anything else is a little Wikipedia

1327

00:53:39,670 --> 00:53:37,700

disclaimer on the deep yeah I mean yeah

1328

00:53:40,960 --> 00:53:39,680

that's just well it's actually quite a

1329

00:53:42,400 --> 00:53:40,970

good article the one they linked to I

1330

00:53:47,140 --> 00:53:42,410

think it's actually the Encyclopedia

1331

00:53:49,390 --> 00:53:47,150

Britannica article yeah well we've been
