

PLANET

X

1
00:00:08,900 --> 00:00:05,300
welcome to tales from the rabbit hole

2
00:00:11,480 --> 00:00:08,910
I'm your host Nick West I guess today

3
00:00:13,940 --> 00:00:11,490
wants to remain anonymous so I'm gonna

4
00:00:16,490 --> 00:00:13,950
refer to him as Paul not his real name

5
00:00:18,920 --> 00:00:16,500
I'm also going to obscure the video of

6
00:00:22,580 --> 00:00:18,930
him in the YouTube version and I'm going

7
00:00:25,550 --> 00:00:22,590
to disguise his voice a little bit now

8
00:00:28,670 --> 00:00:25,560
Paul used to be a big promoter of the

9
00:00:30,980 --> 00:00:28,680
Planet X conspiracy theory this theory

10
00:00:35,660 --> 00:00:30,990
was basically that there was some kind

11
00:00:37,819 --> 00:00:35,670
of extra planet or a brown dwarf star or

12
00:00:39,260 --> 00:00:37,829
something orbiting the Sun and the

13
00:00:41,959 --> 00:00:39,270

government was kind of trying to hide

14

00:00:44,180 --> 00:00:41,969

this up because it's a impending

15

00:00:48,139 --> 00:00:44,190

apocalypse and people kept posting lots

16

00:00:50,510 --> 00:00:48,149

of videos on YouTube including Paul of

17

00:00:54,740 --> 00:00:50,520

basically things like lens flare and

18

00:00:56,299 --> 00:00:54,750

just spots around the Sun that were just

19

00:00:59,270 --> 00:00:56,309

perfectly normal things but were being

20

00:01:00,529 --> 00:00:59,280

misinterpreted as being this this planet

21

00:01:03,680 --> 00:01:00,539

that was going to bring about the end of

22

00:01:05,630 --> 00:01:03,690

the world Paul ended up working with a

23

00:01:09,380 --> 00:01:05,640

couple of other people who he talks

24

00:01:13,670 --> 00:01:09,390

about in this podcast but eventually he

25

00:01:15,980 --> 00:01:13,680

figured out that it was all nonsense he

26

00:01:18,859 --> 00:01:15,990

worked with a debunker called dazsla the

27

00:01:21,109 --> 00:01:18,869

cameraman and as I kind of convinced him

28

00:01:24,230 --> 00:01:21,119

that that this was not actually

29

00:01:26,510 --> 00:01:24,240

happening so this podcast is where Paul

30

00:01:28,219 --> 00:01:26,520

will tell his story and explain how he

31

00:01:31,399 --> 00:01:28,229

got into it how he got out of it and

32

00:01:32,060 --> 00:01:31,409

what he's been doing since and what

33

00:01:34,819 --> 00:01:32,070

happened

34

00:01:38,170 --> 00:01:34,829

one thing he talks about in the podcast

35

00:01:41,120 --> 00:01:38,180

is daxing doxxing is the practice of

36

00:01:43,310 --> 00:01:41,130

publishing personal documents and

37

00:01:45,590 --> 00:01:43,320

photographs of people on the internet as

38

00:01:48,889 --> 00:01:45,600

a form of harassment and intimidation

39

00:01:50,440 --> 00:01:48,899

and a way of dissuading people from

40

00:01:54,920 --> 00:01:50,450

doing things on the Internet

41

00:01:56,960 --> 00:01:54,930

and Paul was the subject of daxing okay

42

00:01:59,630 --> 00:01:56,970

let's hear from Paul

43

00:02:04,090 --> 00:01:59,640

so all of the details from the rabbit

44

00:02:06,140 --> 00:02:04,100

hole you contacted me on Twitter and

45

00:02:09,380 --> 00:02:06,150

yeah that's why I really appreciate you

46

00:02:11,510 --> 00:02:09,390

doing this why don't you just start out

47

00:02:15,190 --> 00:02:11,520

by telling people why you contacted me

48

00:02:18,890 --> 00:02:15,200

and you know kind of what your story is

49

00:02:23,410 --> 00:02:18,900

sure I've always kind of been a

50

00:02:27,920 --> 00:02:23,420

conspiracy buff by often with tell folks

51
00:02:34,600 --> 00:02:27,930
that I would check out books on UFOs and

52
00:02:36,200 --> 00:02:34,610
aliens around five six anyway so I

53
00:02:39,020 --> 00:02:36,210
noticed that

54
00:02:43,420 --> 00:02:39,030
so I sense I'm a UFO guy I kind of have

55
00:02:47,750 --> 00:02:43,430
an eye on UFO stuff and I noticed your

56
00:02:51,080 --> 00:02:47,760
work on the tick-tack UFO and I'm like

57
00:02:54,230 --> 00:02:51,090
this guy's a friggin genius he just has

58
00:02:58,850 --> 00:02:54,240
such a solid debunking frame of mind

59
00:03:02,000 --> 00:02:58,860
that I haven't seen I just haven't seen

60
00:03:04,010 --> 00:03:02,010
or experienced I have experienced some

61
00:03:06,110 --> 00:03:04,020
of the folks on YouTube that have helped

62
00:03:09,140 --> 00:03:06,120
me and I appreciate their efforts

63
00:03:13,630 --> 00:03:09,150

tremendously but this kind of was a new

64

00:03:18,560 --> 00:03:16,850

there's I feel there's some substance to

65

00:03:21,050 --> 00:03:18,570

it there's something there I don't think

66

00:03:22,850 --> 00:03:21,060

we can identify everything and we don't

67

00:03:25,520 --> 00:03:22,860

have full control of the entire air

68

00:03:27,949 --> 00:03:25,530

space so yeah that's why I reached out

69

00:03:29,900 --> 00:03:27,959

to saw how good you work and I figured

70

00:03:33,130 --> 00:03:29,910

that you could tell my story all right

71

00:03:36,290 --> 00:03:33,140

and so you you mentioned that you were

72

00:03:41,270 --> 00:03:36,300

you know very into the whole Planet X

73

00:03:44,509 --> 00:03:41,280

thing yes some time ago can you tell me

74

00:03:48,250 --> 00:03:44,519

like if how you first started getting

75

00:03:52,670 --> 00:03:48,260

into that aspect oh sure well things

76
00:03:56,390 --> 00:03:52,680
roughly December of 2013 I was separated

77
00:04:01,160 --> 00:03:56,400
from my ex-wife and I had a serious

78
00:04:04,160 --> 00:04:01,170
liver issue hepatitis C and about at

79
00:04:06,440 --> 00:04:04,170
that time I had had it for about 23

80
00:04:08,360 --> 00:04:06,450
years I figured I was gonna die from it

81
00:04:11,330 --> 00:04:08,370
I never thought that there would be a

82
00:04:18,050 --> 00:04:11,340
cure so I'm like whatever

83
00:04:19,849 --> 00:04:18,060
I was in a bad state of mind and I guess

84
00:04:21,770 --> 00:04:19,859
that's the only thing I can attribute it

85
00:04:25,249 --> 00:04:21,780
to because I've really tried to figure

86
00:04:28,430 --> 00:04:25,259
out where all of this started for me so

87
00:04:30,170 --> 00:04:28,440
I'm already conspiracy buff and then I'm

88
00:04:33,320 --> 00:04:30,180

going through some bad times that go to

89

00:04:35,689 --> 00:04:33,330

YouTube to look for answers and I don't

90

00:04:40,790 --> 00:04:35,699

know why it is but I did and I came

91

00:04:42,409 --> 00:04:40,800

across the planet X topic while I'm also

92

00:04:45,200 --> 00:04:42,419

a member of the Church of Jesus Christ

93

00:04:47,629 --> 00:04:45,210

of latter-day saints um interesting

94

00:04:50,920 --> 00:04:47,639

religious views so it's a real

95

00:04:53,810 --> 00:04:50,930

interesting culmination of ideas and

96

00:04:55,340 --> 00:04:53,820

thoughts feelings etc that got me to the

97

00:04:58,010 --> 00:04:55,350

point that I started looking at YouTube

98

00:05:00,890 --> 00:04:58,020

and the planet next topic it just took

99

00:05:03,140 --> 00:05:00,900

off for me it seemed to resonate

100

00:05:05,990 --> 00:05:03,150

something with me I didn't understand

101
00:05:09,620 --> 00:05:06,000
anything about lens flares anything

102
00:05:12,710 --> 00:05:09,630
about astronomy astrophysics etc and it

103
00:05:14,930 --> 00:05:12,720
caught my eye and I kind of ran with it

104
00:05:17,980 --> 00:05:14,940
I think there's a term it's called a

105
00:05:20,900 --> 00:05:17,990
path Nia where you have like random

106
00:05:25,339 --> 00:05:20,910
events and ideas that you kind of put

107
00:05:28,820 --> 00:05:25,349
together to mean something I don't have

108
00:05:30,589 --> 00:05:28,830
a very good explanation it's like

109
00:05:33,439 --> 00:05:30,599
basically finding patterns in things

110
00:05:36,350 --> 00:05:33,449
like it's gonna be human right so I'm

111
00:05:39,770 --> 00:05:36,360
I'm seeing the patterns right and I'm a

112
00:05:40,370 --> 00:05:39,780
sucker so I'm like I'm hooked like a

113
00:05:43,460 --> 00:05:40,380

drug

114

00:05:50,120 --> 00:05:43,470

literally that I was so interested to

115

00:05:51,740 --> 00:05:50,130

see what is this thing by the Sun and I

116

00:05:54,980 --> 00:05:51,750

ran with it I started making YouTube

117

00:05:59,620 --> 00:05:54,990

videos and I got a popular and it just

118

00:06:07,100 --> 00:05:59,630

kind of took off into some narcissistic

119

00:06:09,379 --> 00:06:07,110

ego was the fear porn psychological I

120

00:06:11,300 --> 00:06:09,389

don't know what else to call it man some

121

00:06:13,219 --> 00:06:11,310

kind of an addiction I mean there's

122

00:06:16,490 --> 00:06:13,229

everything I said it just was wrapped

123

00:06:18,649 --> 00:06:16,500

into one I was kind of a mindfuck I I

124

00:06:21,080 --> 00:06:18,659

don't know how else to say it sorry for

125

00:06:24,000 --> 00:06:21,090

swearing I just was encaptured and

126

00:06:25,830 --> 00:06:24,010

enthralled in this topic

127

00:06:31,080 --> 00:06:25,840

I did everything I could to try to

128

00:06:33,540 --> 00:06:31,090

defend it never bothering to look at hmm

129

00:06:35,790 --> 00:06:33,550

what people were trying to say because I

130

00:06:38,310 --> 00:06:35,800

just immediately blocked comments I had

131

00:06:40,380 --> 00:06:38,320

disabled them I wouldn't respond to any

132

00:06:43,170 --> 00:06:40,390

YouTube messages I would block people an

133

00:06:45,570 --> 00:06:43,180

email and if anyone made video responses

134

00:06:48,170 --> 00:06:45,580

I would ignore them alright so I just

135

00:06:50,520 --> 00:06:48,180

kind of kept going beeline to this topic

136

00:06:52,470 --> 00:06:50,530

everyone's a troll everyone's a

137

00:06:55,080 --> 00:06:52,480

government agent the government's lying

138

00:06:58,620 --> 00:06:55,090

to us there's an object by the Sun we're

139

00:07:00,270 --> 00:06:58,630

all gonna die and Jesus come I'm not

140

00:07:05,640 --> 00:07:00,280

kidding I'm it I'm not kidding I was

141

00:07:07,620 --> 00:07:05,650

full bore here we go then I was

142

00:07:12,450 --> 00:07:07,630

approached by a theoretical particle

143

00:07:14,790 --> 00:07:12,460

physicist Claudia I don't like staying

144

00:07:18,930 --> 00:07:14,800

people's full names you can add that out

145

00:07:21,030 --> 00:07:18,940

later if you need to I am certain

146

00:07:23,850 --> 00:07:21,040

they're gonna find this video and look

147

00:07:28,470 --> 00:07:23,860

to strike it she approached me I believe

148

00:07:30,900 --> 00:07:28,480

it's August 16 2016 and I had paid I had

149

00:07:34,400 --> 00:07:30,910

made one of my goofy Planet X videos

150

00:07:38,190 --> 00:07:34,410

which is just a random array of

151
00:07:42,380 --> 00:07:38,200
subscribers sending me pictures of at

152
00:07:45,950 --> 00:07:42,390
the time I didn't know known planetary

153
00:07:48,420 --> 00:07:45,960
anomalies will stay and just known

154
00:07:51,450 --> 00:07:48,430
astronomical things you should learn in

155
00:07:53,400 --> 00:07:51,460
school and lens flares and cool looking

156
00:07:55,170 --> 00:07:53,410
sky formations that's really all it

157
00:07:59,880 --> 00:07:55,180
might put it together and said it's

158
00:08:03,030 --> 00:07:59,890
Planet X okay so I put out a clip of the

159
00:08:05,750 --> 00:08:03,040
is that's feed this just has a weird

160
00:08:10,070 --> 00:08:05,760
lens on it and she came to me and said

161
00:08:14,460 --> 00:08:10,080
there's no way that's the Sun it's a

162
00:08:17,970 --> 00:08:14,470
containment system it's a Sun simulator

163
00:08:21,650 --> 00:08:17,980

and I'm like holy [h__h] this lady's are

164

00:08:25,830 --> 00:08:21,660

real theoretical particle physicist so

165

00:08:29,520 --> 00:08:25,840

I'm like it's a physicist this is real

166

00:08:32,850 --> 00:08:29,530

oh no right what are we gonna do at the

167

00:08:36,900 --> 00:08:32,860

time she was working anonymously with a

168

00:08:37,980 --> 00:08:36,910

channel wso and she was putting out her

169

00:08:40,250 --> 00:08:37,990

thoughts and the

170

00:08:44,159 --> 00:08:40,260

form of a kind of a physicist thoughts

171

00:08:45,480 --> 00:08:44,169

type of the white paper that she would

172

00:08:46,829 --> 00:08:45,490

put out right

173

00:08:50,250 --> 00:08:46,839

they weren't peer-reviewed documents

174

00:08:52,230 --> 00:08:50,260

there were just little white papers she

175

00:08:54,900 --> 00:08:52,240

camera approached me and we started a

176
00:08:58,949 --> 00:08:54,910
friendship I started exclusively putting

177
00:09:00,810 --> 00:08:58,959
out for material which some of some of

178
00:09:02,639 --> 00:09:00,820
the stuff you just can't find on YouTube

179
00:09:05,430 --> 00:09:02,649
anymore a lot of most of it I have

180
00:09:07,410 --> 00:09:05,440
deleted purged or struck the videos

181
00:09:10,139 --> 00:09:07,420
where I could that there is some so

182
00:09:12,210 --> 00:09:10,149
spill some videos where you can see me

183
00:09:14,910 --> 00:09:12,220
putting together a physicists thoughts

184
00:09:15,269 --> 00:09:14,920
which is it's not her I would never say

185
00:09:19,769 --> 00:09:15,279
her name

186
00:09:21,480 --> 00:09:19,779
would never release her documents and it

187
00:09:24,570 --> 00:09:21,490
was just a presentation for the day

188
00:09:27,389 --> 00:09:24,580

about Planet X so I would put out the

189

00:09:30,090 --> 00:09:27,399

physicists thoughts presentation and

190

00:09:32,310 --> 00:09:30,100

just read it on the screen and put out a

191

00:09:34,860 --> 00:09:32,320

youtube video well needless to say

192

00:09:37,139 --> 00:09:34,870

things started get it he is for the

193

00:09:41,040 --> 00:09:37,149

debunkers and at the time I didn't know

194

00:09:42,540 --> 00:09:41,050

didn't want to know the debunkers that's

195

00:09:45,329 --> 00:09:42,550

when things started to get a little bit

196

00:09:51,210 --> 00:09:45,339

crazy we worked together for a couple of

197

00:09:54,569 --> 00:09:51,220

months and I dated a girl and Florida I

198

00:09:58,519 --> 00:09:54,579

went and saved her life literally from

199

00:10:01,949 --> 00:09:58,529

Hurricane Matthew and I was around 2 / 6

200

00:10:04,650 --> 00:10:01,959

2016 around that date we went to Georgia

201
00:10:06,569 --> 00:10:04,660
with her dogs I'm all wrapped up in the

202
00:10:08,699 --> 00:10:06,579
Planet X and the lady and she tells me

203
00:10:13,610 --> 00:10:08,709
look at this physicist that you're

204
00:10:16,079 --> 00:10:13,620
working with something's not right and

205
00:10:20,150 --> 00:10:16,089
at the time the girl that I was dating

206
00:10:24,710 --> 00:10:20,160
believed in her own nonsense so I

207
00:10:27,900 --> 00:10:24,720
stopped doing my channel I deleted I

208
00:10:29,460 --> 00:10:27,910
can't resist I make another channel and

209
00:10:32,430 --> 00:10:29,470
I call it a physicist thoughts I keep

210
00:10:35,280 --> 00:10:32,440
working with this physicist around that

211
00:10:37,250 --> 00:10:35,290
time I I met a man Scott and this is

212
00:10:40,500 --> 00:10:37,260
where things started to get really bad

213
00:10:42,840 --> 00:10:40,510

he was really interested and my

214

00:10:43,800 --> 00:10:42,850

relationship with this lady now some of

215

00:10:47,610 --> 00:10:43,810

what I'm going to say I think

216

00:10:50,890 --> 00:10:47,620

speculations but if you were in my shoes

217

00:10:54,250 --> 00:10:50,900

you would see that he knew

218

00:10:57,190 --> 00:10:54,260

she had a psychological issue and he

219

00:11:00,700 --> 00:10:57,200

wanted to use it to his advantage for

220

00:11:02,620 --> 00:11:00,710

money hmm I knew that I knew that that

221

00:11:05,110 --> 00:11:02,630

that's what this dude was coming to me

222

00:11:07,210 --> 00:11:05,120

for because at the time I wasn't totally

223

00:11:09,850 --> 00:11:07,220

gone with the topic I knew something

224

00:11:12,310 --> 00:11:09,860

wasn't right because spokes were putting

225

00:11:14,200 --> 00:11:12,320

out things I needed to questioning me

226

00:11:19,780 --> 00:11:14,210

directly asking me and I would try to

227

00:11:21,670 --> 00:11:19,790

delete it and block it all right so we

228

00:11:22,530 --> 00:11:21,680

start working together the physicist

229

00:11:25,150 --> 00:11:22,540

Anaya

230

00:11:29,110 --> 00:11:25,160

she's actually the only lecturer at the

231

00:11:30,820 --> 00:11:29,120

University I didn't know well we all

232

00:11:33,070 --> 00:11:30,830

three start working together I don't

233

00:11:36,880 --> 00:11:33,080

know exactly what happened now oh okay

234

00:11:39,460 --> 00:11:36,890

it's a big deal certain folks wanted to

235

00:11:42,280 --> 00:11:39,470

find out her name and I was doing

236

00:11:44,440 --> 00:11:42,290

everything I could to keep it anonymous

237

00:11:46,450 --> 00:11:44,450

I didn't wanted her to get in trouble

238

00:11:51,940 --> 00:11:46,460

because she was at a university

239

00:11:55,090 --> 00:11:51,950

her name was embedded in a PDF and wso

240

00:11:57,970 --> 00:11:55,100

had released her documents which we

241

00:12:00,430 --> 00:11:57,980

didn't want to do and I still would have

242

00:12:03,190 --> 00:12:00,440

found her name and from that folks found

243

00:12:08,010 --> 00:12:03,200

her name went to the University and

244

00:12:11,380 --> 00:12:08,020

complain ultimately she was censured for

245

00:12:13,930 --> 00:12:11,390

bringing disrepute to the University

246

00:12:19,060 --> 00:12:13,940

when was this approximately that's this

247

00:12:21,100 --> 00:12:19,070

is May of 2017 okay cuz if you search

248

00:12:23,430 --> 00:12:21,110

the intent now for her name like you get

249

00:12:27,130 --> 00:12:23,440

lots of articles about oh you're gonna

250

00:12:33,190 --> 00:12:27,140

stuff yes and he has done everything

251
00:12:37,090 --> 00:12:33,200
possible to hide any evidence of me and

252
00:12:42,160 --> 00:12:37,100
a good letter like debunking what really

253
00:12:45,850 --> 00:12:42,170
took place and any kind of documents of

254
00:12:50,530 --> 00:12:45,860
any kind because the folks you know

255
00:12:52,900 --> 00:12:50,540
YouTube's Community Guidelines you can't

256
00:12:56,170 --> 00:12:52,910
just release people's documents and yeah

257
00:12:58,870 --> 00:12:56,180
you know so when you say when you say

258
00:13:00,520 --> 00:12:58,880
you were working together with with them

259
00:13:01,840 --> 00:13:00,530
does that mean you it's basically

260
00:13:03,780 --> 00:13:01,850
working together on making YouTube

261
00:13:05,700 --> 00:13:03,790
videos or was this get more than that

262
00:13:07,320 --> 00:13:05,710
that's right yeah we just kind of

263
00:13:10,050 --> 00:13:07,330

started putting out the presentations

264

00:13:12,410 --> 00:13:10,060

and then started doing a hangout the

265

00:13:14,970 --> 00:13:12,420

three of us on a live stream on YouTube

266

00:13:18,890 --> 00:13:14,980

and then it just kind of was those two

267

00:13:21,990 --> 00:13:18,900

and I started kind of backing away and

268

00:13:25,890 --> 00:13:22,000

because she was censured for bringing

269

00:13:27,270 --> 00:13:25,900

disrepute to the University she there

270

00:13:30,840 --> 00:13:27,280

she was going to go into discipline

271

00:13:32,790 --> 00:13:30,850

plenary whatever had to talk to her and

272

00:13:34,980 --> 00:13:32,800

they also did a medical exam on a

273

00:13:37,320 --> 00:13:34,990

medical or mental health evaluation and

274

00:13:40,830 --> 00:13:37,330

determined at the time that she had PTSD

275

00:13:43,580 --> 00:13:40,840

that probably predated this whole

276
00:13:47,670 --> 00:13:43,590
YouTube nonsense because we had folks

277
00:13:52,520 --> 00:13:47,680
and the ugly part of YouTube and social

278
00:13:55,800 --> 00:13:52,530
media doxxing heard myself and others an

279
00:14:00,150 --> 00:13:55,810
attempt to just kind of going both ways

280
00:14:03,560 --> 00:14:00,160
right for folks to have their attention

281
00:14:06,090 --> 00:14:03,570
to the fact that she was a charlatan

282
00:14:10,290 --> 00:14:06,100
wasn't quite right and was putting out

283
00:14:12,630 --> 00:14:10,300
nonsense and I was hoping well I kept

284
00:14:16,590 --> 00:14:12,640
continuing backing this person and tell

285
00:14:20,100 --> 00:14:16,600
this disrepute thing happened Accenture

286
00:14:23,370 --> 00:14:20,110
and her mental health evaluation which

287
00:14:26,370 --> 00:14:23,380
is something very personal right but I

288
00:14:29,280 --> 00:14:26,380

was involved in the entire process and I

289

00:14:31,800 --> 00:14:29,290

felt bad I didn't want her name being

290

00:14:34,850 --> 00:14:31,810

out there never wanted that to happen so

291

00:14:39,930 --> 00:14:34,860

this thing kind of exploded in my face

292

00:14:42,410 --> 00:14:39,940

well Scott was trying to get her here to

293

00:14:47,750 --> 00:14:42,420

the United States as his wife I'm

294

00:14:50,520 --> 00:14:47,760

certain under a 90-day fiance visa

295

00:14:56,610 --> 00:14:50,530

without my knowledge and that was around

296

00:14:59,250 --> 00:14:56,620

July 6 2017 and I frigging lost it I'm

297

00:15:03,300 --> 00:14:59,260

like this is all [h__h] this is all

298

00:15:05,970 --> 00:15:03,310

lives you guys this is nonsense image I

299

00:15:06,660 --> 00:15:05,980

don't know what it did to me but it was

300

00:15:11,540 --> 00:15:06,670

the lies

301
00:15:15,630 --> 00:15:11,550
because months and months and months

302
00:15:17,340 --> 00:15:15,640
from 2016 you know I was apprised of

303
00:15:19,110 --> 00:15:17,350
folks trying to let me know

304
00:15:22,680 --> 00:15:19,120
you know these are just lance flares

305
00:15:26,490 --> 00:15:22,690
this is mm-hmm real stuff that isn't

306
00:15:28,470 --> 00:15:26,500
nonsense like we can bed this you know

307
00:15:31,500 --> 00:15:28,480
what are you doing and he explained just

308
00:15:34,230 --> 00:15:31,510
kept ignoring the common sense they kept

309
00:15:36,030 --> 00:15:34,240
ignoring the folks honest attempt is to

310
00:15:38,790 --> 00:15:36,040
debunk and help me understand what I was

311
00:15:43,050 --> 00:15:38,800
looking at and not mislead people so I

312
00:15:46,770 --> 00:15:43,060
lost it I was like this is all BS and I

313
00:15:54,810 --> 00:15:46,780

started speaking out about these two

314

00:15:57,200 --> 00:15:54,820

well things escalated the threatened

315

00:16:01,380 --> 00:15:57,210

means got with physical violence and

316

00:16:07,460 --> 00:16:01,390

others I had to go to the FBI on April

317

00:16:11,610 --> 00:16:07,470

11th of 2018 roughly June of 2018

318

00:16:16,110 --> 00:16:11,620

Claudia put out a video that the FBI had

319

00:16:17,700 --> 00:16:16,120

detained Scott for my understanding well

320

00:16:19,380 --> 00:16:17,710

the FBI is they're not gonna tell you

321

00:16:22,290 --> 00:16:19,390

anything I met with them for an hour and

322

00:16:24,750 --> 00:16:22,300

a half with my dad to make sure I didn't

323

00:16:26,160 --> 00:16:24,760

say anything stupid so these guys are

324

00:16:30,210 --> 00:16:26,170

the real deal I gave him a stack of

325

00:16:32,160 --> 00:16:30,220

paper of this guy's threats alright to

326

00:16:34,170 --> 00:16:32,170

myself and others it looks like they

327

00:16:37,530 --> 00:16:34,180

took it serious because he was on an

328

00:16:42,420 --> 00:16:37,540

open bench for it roughly in June until

329

00:16:44,250 --> 00:16:42,430

now he was put in prison Reaper old put

330

00:16:47,160 --> 00:16:44,260

on an electronic monitoring device and

331

00:16:50,820 --> 00:16:47,170

I'm certain he's on house arrest I I

332

00:16:53,760 --> 00:16:50,830

have had a very difficult time dealing

333

00:16:57,630 --> 00:16:53,770

with their harassment towards me because

334

00:17:01,830 --> 00:16:57,640

now I am a government agent and they

335

00:17:04,770 --> 00:17:01,840

have books that stay on Amazon is a

336

00:17:07,560 --> 00:17:04,780

special agent secret agent government

337

00:17:09,960 --> 00:17:07,570

agent troll so they kind of flipped it

338

00:17:11,790 --> 00:17:09,970

on me right and I know I have there's a

339

00:17:13,740 --> 00:17:11,800

whole bunch of stuff I didn't cover in

340

00:17:17,579 --> 00:17:13,750

that but that's kind of where we're at

341

00:17:20,100 --> 00:17:17,589

today so I'm upset I want people to know

342

00:17:23,910 --> 00:17:20,110

that this absolutely destroyed my life

343

00:17:27,420 --> 00:17:23,920

and my family and folks got a hold of my

344

00:17:30,270 --> 00:17:27,430

employer they made false claims to my

345

00:17:31,080 --> 00:17:30,280

employer at the time I had some fire I'm

346

00:17:33,480 --> 00:17:31,090

a contractor

347

00:17:36,600 --> 00:17:33,490

it's different and I was investigated

348

00:17:36,960 --> 00:17:36,610

for a month all right something I didn't

349

00:17:38,850 --> 00:17:36,970

do

350

00:17:40,619 --> 00:17:38,860

so that was kind of why I was letting

351

00:17:44,610 --> 00:17:40,629

you know I don't want folks don't worry

352

00:17:47,999 --> 00:17:44,620

I work and live etcetera because Scott

353

00:17:51,440 --> 00:17:48,009

and Claudia namely Scott will continue

354

00:17:54,629 --> 00:17:51,450

to Doc's bully threaten and intimidate

355

00:17:57,210 --> 00:17:54,639

using YouTube's Community Guidelines and

356

00:18:00,600 --> 00:17:57,220

then getting his followers basically to

357

00:18:02,789 --> 00:18:00,610

talk [h__h] about you well certain people

358

00:18:04,830 --> 00:18:02,799

deal with it very well I don't deal with

359

00:18:08,519 --> 00:18:04,840

that very well this has been really hard

360

00:18:13,320 --> 00:18:08,529

for me to know how to respond and how to

361

00:18:16,499 --> 00:18:13,330

move on and I guess that's where I'm at

362

00:18:19,139 --> 00:18:16,509

now I'm moving leaving I don't want to

363

00:18:22,739 --> 00:18:19,149

make videos about these people however I

364

00:18:24,090 --> 00:18:22,749

do want folks to know I do want them to

365

00:18:28,590 --> 00:18:24,100

know and I don't think it should come

366

00:18:31,259 --> 00:18:28,600

from me my story is probably a typical

367

00:18:34,769 --> 00:18:31,269

since not very many folks worked with

368

00:18:36,840 --> 00:18:34,779

her directly and known her well I spent

369

00:18:41,279 --> 00:18:36,850

literally hundreds of hours on Hangouts

370

00:18:44,399 --> 00:18:41,289

with her and him and honestly it's just

371

00:18:47,759 --> 00:18:44,409

a fear porn for-profit scam he knows

372

00:18:50,759 --> 00:18:47,769

that she is not totally healthy and

373

00:18:52,820 --> 00:18:50,769

needs help and he's exploiting that so

374

00:18:55,470 --> 00:18:52,830

that's kind of where my story went

375

00:18:58,619 --> 00:18:55,480

interesting said just so you're saying

376

00:18:59,700 --> 00:18:58,629

that she actually believes in it she

377

00:19:05,220 --> 00:18:59,710

actually thinks that there's something

378

00:19:07,259 --> 00:19:05,230

going on it's both she does believe

379

00:19:11,519 --> 00:19:07,269

something's going on but at the same

380

00:19:14,369 --> 00:19:11,529

time when you see her that's a tough one

381

00:19:17,399 --> 00:19:14,379

man I really do think yes that she

382

00:19:19,859 --> 00:19:17,409

believes but there is some credibility

383

00:19:23,720 --> 00:19:19,869

of her understanding the truth there and

384

00:19:26,580 --> 00:19:23,730

so she does manipulate a little bit

385

00:19:28,649 --> 00:19:26,590

we'll say a lot according to some folks

386

00:19:31,379 --> 00:19:28,659

but I would see that there's a real core

387

00:19:33,450 --> 00:19:31,389

belief there yes so how does she address

388

00:19:35,009 --> 00:19:33,460

the the debunkers like when a debunking

389

00:19:37,230 --> 00:19:35,019

comes and explains that this particular

390

00:19:39,060 --> 00:19:37,240

thing is obviously a lens flare and then

391

00:19:41,159 --> 00:19:39,070

demonstrates that it's the lens flare

392

00:19:42,960 --> 00:19:41,169

does she ever directly address things

393

00:19:45,690 --> 00:19:42,970

like that

394

00:19:50,940 --> 00:19:45,700

not typically the comments will be

395

00:19:53,610 --> 00:19:50,950

deleted and folks will be grouped into

396

00:19:54,780 --> 00:19:53,620

the you're a government troll category

397

00:19:57,660 --> 00:19:54,790

you're jealous

398

00:20:00,120 --> 00:19:57,670

we have jobs this isn't for jobs or

399

00:20:03,060 --> 00:20:00,130

money we're trying to save people's

400

00:20:07,650 --> 00:20:03,070

lives so don't listen to the fear

401
00:20:09,770 --> 00:20:07,660
mongers that are delusional they yes so

402
00:20:12,600 --> 00:20:09,780
there's never a straightforward

403
00:20:15,240 --> 00:20:12,610
technical or scientific answer that has

404
00:20:18,060 --> 00:20:15,250
ever provided if it's too much the

405
00:20:20,010 --> 00:20:18,070
comments deleted and this is something

406
00:20:22,110 --> 00:20:20,020
that you were involved in doing as well

407
00:20:23,520 --> 00:20:22,120
way back before yes you kind of flipped

408
00:20:25,110 --> 00:20:23,530
so you you would just get it

409
00:20:28,620 --> 00:20:25,120
automatically do this type of thing like

410
00:20:32,220 --> 00:20:28,630
delete comments and ignore things yes my

411
00:20:33,960 --> 00:20:32,230
I was really good at ignoring blocks so

412
00:20:36,750 --> 00:20:33,970
at the time they you you you believed

413
00:20:38,190 --> 00:20:36,760

that there was an actual Planet X in the

414

00:20:41,100 --> 00:20:38,200

solar system and there was something

415

00:20:43,320 --> 00:20:41,110

there and NASA was hiding it and there

416

00:20:47,310 --> 00:20:43,330

was all this Sun simulators and things

417

00:20:51,780 --> 00:20:47,320

like that yeah all of it yes it NASA's a

418

00:20:58,760 --> 00:20:51,790

why it's meant to just hide the true

419

00:21:09,090 --> 00:21:04,320

and so folks like you it's so refreshing

420

00:21:12,060 --> 00:21:09,100

because you have this complete correct

421

00:21:17,300 --> 00:21:12,070

as far as I'm concerned point of view

422

00:21:23,390 --> 00:21:17,310

are more structured and fundamentally

423

00:21:27,600 --> 00:21:23,400

wholesome view of reality

424

00:21:32,250 --> 00:21:27,610

oh no for real like there's a way that

425

00:21:36,600 --> 00:21:32,260

you break things down just into 1 2 3 4

426

00:21:38,460 --> 00:21:36,610

5 and it's so a matter of fact right and

427

00:21:40,530 --> 00:21:38,470

there's not a lot to conjecture with

428

00:21:42,480 --> 00:21:40,540

your work because you can back it up

429

00:21:44,160 --> 00:21:42,490

like that and with these other folks

430

00:21:46,590 --> 00:21:44,170

that's totally the opposite block delete

431

00:21:48,480 --> 00:21:46,600

you know get away from it you know don't

432

00:21:53,970 --> 00:21:48,490

even answer oh you're a troll whatever

433

00:21:56,460 --> 00:21:53,980

so be your view and how you manipulate

434

00:21:59,940 --> 00:21:56,470

the data and a debunk

435

00:22:02,430 --> 00:21:59,950

fashion he's been cool yeah I saw that I

436

00:22:04,710 --> 00:22:02,440

think trying to try to communicate

437

00:22:06,840 --> 00:22:04,720

really how to explain things to people

438

00:22:08,700 --> 00:22:06,850

because often I think scientists will

439

00:22:10,170 --> 00:22:08,710

understand things that they're not

440

00:22:13,970 --> 00:22:10,180

always very good at explaining things

441

00:22:16,380 --> 00:22:13,980

and you can't get to the the route

442

00:22:20,040 --> 00:22:16,390

misunderstandings of people is is really

443

00:22:22,350 --> 00:22:20,050

key yeah so like when you say you kind

444

00:22:25,680 --> 00:22:22,360

of you kind of lost it and you can't

445

00:22:29,250 --> 00:22:25,690

flipped was it like just this sudden

446

00:22:31,860 --> 00:22:29,260

realization that it was all nonsense or

447

00:22:33,960 --> 00:22:31,870

did it with it like specific things that

448

00:22:37,710 --> 00:22:33,970

you realize that this doesn't make sense

449

00:22:40,590 --> 00:22:37,720

was it more gradual so I saw a few

450

00:22:41,310 --> 00:22:40,600

videos from Daza the cameraman all right

451
00:22:44,400 --> 00:22:41,320

good guy

452
00:22:47,630 --> 00:22:44,410

on YouTube I love dazzle you talk often

453
00:22:50,790 --> 00:22:47,640

there's something about him and how he

454
00:22:53,670 --> 00:22:50,800

debunks that it was really difficult for

455
00:22:56,910 --> 00:22:53,680

me to look away mm-hm and in my heart

456
00:22:58,680 --> 00:22:56,920

and in my mind I'm like that this is

457
00:23:00,930 --> 00:22:58,690

what's going on it's what he's saying

458
00:23:03,660 --> 00:23:00,940

I'm like dude oh I don't want to deal

459
00:23:10,350 --> 00:23:03,670

with it now that's why I kept defending

460
00:23:13,200 --> 00:23:10,360

it I'm like ah it's [h__h] oh no what

461
00:23:15,480 --> 00:23:13,210

do we do so it was working on me for

462
00:23:17,580 --> 00:23:15,490

months and then at the time that they

463
00:23:19,170 --> 00:23:17,590

basically lied about you know her coming

464

00:23:21,480 --> 00:23:19,180

to the country which really isn't a big

465

00:23:25,500 --> 00:23:21,490

deal that's her personal thing I was so

466

00:23:28,950 --> 00:23:25,510

into the nonsense that I immediately and

467

00:23:33,090 --> 00:23:28,960

I'm glad I snapped I just was like this

468

00:23:35,040 --> 00:23:33,100

is all lies why am i doing this and it

469

00:23:37,020 --> 00:23:35,050

could fetch elated at that moment we she

470

00:23:39,180 --> 00:23:37,030

moved here well I say I kind of built up

471

00:23:42,840 --> 00:23:39,190

with you like you having essentially

472

00:23:44,280 --> 00:23:42,850

Dazza I mean explain things to you and

473

00:23:46,320 --> 00:23:44,290

desert glamour and he's like he's an

474

00:23:48,900 --> 00:23:46,330

Australian debunkers aney that's right

475

00:23:51,420 --> 00:23:48,910

yes yeah yeah he's a nice guy he does a

476

00:23:53,400 --> 00:23:51,430

lot of stuff with flat earth as well I

477

00:23:56,130 --> 00:23:53,410

think yes he does

478

00:23:58,980 --> 00:23:56,140

yeah did you ever get any overlap in

479

00:24:01,530 --> 00:23:58,990

your like community with the planet x

480

00:24:02,640 --> 00:24:01,540

and Flat Earth it seems like they

481

00:24:06,540 --> 00:24:02,650

wouldn't really could become a little

482

00:24:10,440 --> 00:24:06,550

but yes a little bit of stuff there not

483

00:24:13,950 --> 00:24:10,450

much I see a lot of overlap

484

00:24:15,450 --> 00:24:13,960

the sudden simulator implanted eyes and

485

00:24:17,279 --> 00:24:15,460

just a little bit of it the flat earth

486

00:24:19,200 --> 00:24:17,289

but it seems more polarized and it

487

00:24:22,200 --> 00:24:19,210

seemed like the folks that were more

488

00:24:25,159 --> 00:24:22,210

technical and debunking we're on the

489

00:24:27,690 --> 00:24:25,169

flatter side meaning they would actually

490

00:24:29,999 --> 00:24:27,700

adhere to some of the principles of

491

00:24:33,629 --> 00:24:30,009

debate and would actually sound a little

492

00:24:35,909 --> 00:24:33,639

bit more wordy and and cool sounding

493

00:24:37,710 --> 00:24:35,919

scientific sounding a little bit more

494

00:24:40,200 --> 00:24:37,720

sharp sound hammer and I try to be a

495

00:24:42,389 --> 00:24:40,210

little community but the similarities

496

00:24:44,389 --> 00:24:42,399

are almost identical between both it's

497

00:24:47,159 --> 00:24:44,399

just seeing like I would get a better

498

00:24:50,310 --> 00:24:47,169

debunking conversation either way from

499

00:24:53,129 --> 00:24:50,320

the Flat Earth folks so when you were

500

00:24:58,739 --> 00:24:53,139

like depends apply Tex what was your

501
00:24:59,759 --> 00:24:58,749
opinion of the flutter of those I had a

502
00:25:03,060 --> 00:24:59,769
hard time with that

503
00:25:06,299 --> 00:25:03,070
because I'm like well if the Earth's

504
00:25:11,190 --> 00:25:06,309
friggin flat how is there in the biryu

505
00:25:13,019 --> 00:25:11,200
and did okay well yeah then God must

506
00:25:15,960 --> 00:25:13,029
have made it flat because the Bible says

507
00:25:18,119 --> 00:25:15,970
it right and I'm like okay now we're in

508
00:25:20,430 --> 00:25:18,129
a dome and there's a firmament and

509
00:25:23,070 --> 00:25:20,440
there's water over us oh and they're

510
00:25:25,139 --> 00:25:23,080
luminaries so it must be oh and when it

511
00:25:27,560 --> 00:25:25,149
comes close than we have problems

512
00:25:29,970 --> 00:25:27,570
because we're in the permanent early

513
00:25:31,529 --> 00:25:29,980

encapsulated something yeah I think

514

00:25:33,509 --> 00:25:31,539

that's about as good as I could get with

515

00:25:35,789 --> 00:25:33,519

that so you actually can't try to

516

00:25:37,729 --> 00:25:35,799

reconcile the two different belief

517

00:25:40,019 --> 00:25:37,739

systems for yourself to see if you could

518

00:25:42,989 --> 00:25:40,029

bring it all in together

519

00:25:44,849 --> 00:25:42,999

sure and I keep trying roughly every

520

00:25:46,229 --> 00:25:44,859

once in a while right because it's some

521

00:25:50,669 --> 00:25:46,239

of this stuff really lingers with you

522

00:25:53,190 --> 00:25:50,679

for example there was a gift on Twitter

523

00:25:56,070 --> 00:25:53,200

of the earth during this last Eclipse

524

00:25:58,769 --> 00:25:56,080

and you can see the Eclipse is cool

525

00:26:02,090 --> 00:25:58,779

little shadow there's like a swirly and

526

00:26:05,310 --> 00:26:02,100

a coffee it was a wreck and I'm like

527

00:26:08,249 --> 00:26:05,320

that was an eclipse on a ball man come

528

00:26:10,200 --> 00:26:08,259

on we're not on a flat thing alright and

529

00:26:15,320 --> 00:26:10,210

it was cool to see that I couldn't have

530

00:26:18,299 --> 00:26:15,330

ever even felt that way or even mentally

531

00:26:20,700 --> 00:26:18,309

I couldn't think that way so to see

532

00:26:24,000 --> 00:26:20,710

actually how we really live and what we

533

00:26:26,420 --> 00:26:24,010

live in as firmware assuring it was

534

00:26:32,220 --> 00:26:26,430

not assuring and the Flat Earth

535

00:26:33,480 --> 00:26:32,230

firmament Nibiru craziness so I was

536

00:26:36,660 --> 00:26:33,490

really interested when you mentioned

537

00:26:39,000 --> 00:26:36,670

like your background like you grew up

538

00:26:41,700 --> 00:26:39,010

with the UFOs and then you also

539

00:26:44,250 --> 00:26:41,710

mentioned that you are in Dalaran I

540

00:26:47,820 --> 00:26:44,260

guess that the Church of Jesus Christ of

541

00:26:50,730 --> 00:26:47,830

latter-day saints how do you think the

542

00:26:53,340 --> 00:26:50,740

church and the teachings of the church

543

00:26:56,070 --> 00:26:53,350

can have affected you at all in in terms

544

00:27:00,930 --> 00:26:56,080

of how its you became this Planet X

545

00:27:04,320 --> 00:27:00,940

person the whole thing about the last is

546

00:27:07,800 --> 00:27:04,330

you know the second coming of Christ and

547

00:27:09,930 --> 00:27:07,810

those teachings it was like oh we should

548

00:27:12,420 --> 00:27:09,940

be able to see something cool you know

549

00:27:15,870 --> 00:27:12,430

before he comes right things are gonna

550

00:27:19,350 --> 00:27:15,880

get crazy look at this you know just it

551

00:27:20,820 --> 00:27:19,360

fit the pattern like oh we're told you

552

00:27:26,400 --> 00:27:20,830

know here that everything would be

553

00:27:28,950 --> 00:27:26,410

revealed before Christ is there a lot of

554

00:27:30,930 --> 00:27:28,960

people within the moment chips you think

555

00:27:34,650 --> 00:27:30,940

that's like near the apocalypse the end

556

00:27:36,690 --> 00:27:34,660

times of very near is that part of yes

557

00:27:42,150 --> 00:27:36,700

judges teachings now or is it just kind

558

00:27:43,350 --> 00:27:42,160

of an offshoot well if you were of

559

00:27:46,080 --> 00:27:43,360

course I'm not a spokesman for the

560

00:27:49,290 --> 00:27:46,090

church but if you were to watch the

561

00:27:51,660 --> 00:27:49,300

worldwide General Conference from the 12

562

00:27:54,930 --> 00:27:51,670

apostles and around the Prophet and his

563

00:27:57,330 --> 00:27:54,940

two counselors they've pretty much all

564

00:27:59,370 --> 00:27:57,340

infer that and do say God we're in the

565

00:28:01,320 --> 00:27:59,380

last days and you know we just need to

566

00:28:04,520 --> 00:28:01,330

buck up those things are going to

567

00:28:07,050 --> 00:28:04,530

continue to round buck all right yes

568

00:28:12,980 --> 00:28:07,060

yeah it's very interesting so in a fear

569

00:28:18,000 --> 00:28:16,200

yeah it's like you have the the year's

570

00:28:19,920 --> 00:28:18,010

worth of food in your house and things

571

00:28:21,840 --> 00:28:19,930

like that certainly if you have your

572

00:28:22,400 --> 00:28:21,850

food storage and if you're spiritually

573

00:28:25,470 --> 00:28:22,410

ready

574

00:28:28,410 --> 00:28:25,480

you should be far more prepared than

575

00:28:30,570 --> 00:28:28,420

most but then that I think maybe gives

576

00:28:33,030 --> 00:28:30,580

kind of an expectation of there is

577

00:28:35,770 --> 00:28:33,040

something about to happen and maybe you

578

00:28:41,780 --> 00:28:35,780

start looking for those things to have

579

00:28:45,830 --> 00:28:41,790

yeah so it was easy to justify anything

580

00:28:48,680 --> 00:28:45,840

as it's the last days we'll just lump it

581

00:28:51,100 --> 00:28:48,690

into that right oh he's coming yeah so

582

00:28:53,750 --> 00:28:51,110

the religious part I think makes things

583

00:28:56,000 --> 00:28:53,760

and if you get into the Planet X and

584

00:28:59,750 --> 00:28:56,010

that flat earth then you see the folks

585

00:29:03,049 --> 00:28:59,760

that are religious zealots it gets

586

00:29:06,500 --> 00:29:03,059

extremely concerning and weird yeah that

587

00:29:08,480 --> 00:29:06,510

people who tries to do things to hurry

588

00:29:09,980 --> 00:29:08,490

up the apocalypse I know like within

589

00:29:11,390 --> 00:29:09,990

some are Christian things there are

590

00:29:14,120 --> 00:29:11,400

people who think that if we go to war

591

00:29:21,970 --> 00:29:14,130

with Israel then that would make make

592

00:29:26,539 --> 00:29:23,270

right

593

00:29:29,770 --> 00:29:26,549

okay certain things have to happen but I

594

00:29:33,289 --> 00:29:29,780

don't think we could make them happen so

595

00:29:36,039 --> 00:29:33,299

you said you were into conspiracy

596

00:29:39,350 --> 00:29:36,049

theories before as well before Planet X

597

00:29:41,150 --> 00:29:39,360

what what were sort of things that you

598

00:29:43,190 --> 00:29:41,160

are really spending time on background

599

00:29:46,850 --> 00:29:43,200

before Planet Earth Bigfoot Bigfoot

600

00:29:51,169 --> 00:29:46,860

Bigfoot yeah I really like Bigfoot and

601

00:29:53,539 --> 00:29:51,179

the work from Todd standing he's got

602

00:29:58,970 --> 00:29:53,549

some pretty interesting pictures and if

603

00:30:01,010 --> 00:29:58,980

they are dummies or masks oh wow they're

604

00:30:02,750 --> 00:30:01,020

pretty good but hey I don't know I've

605

00:30:06,710 --> 00:30:02,760

learned from this planet next thing that

606

00:30:09,440 --> 00:30:06,720

it's easy to be fooled yeah absolutely

607

00:30:12,169 --> 00:30:09,450

because charlatans and others as well

608

00:30:15,919 --> 00:30:12,179

furthering a charlatan agenda so but

609

00:30:21,110 --> 00:30:15,929

yeah mostly my ones were Bigfoot UFOs

610

00:30:21,860 --> 00:30:21,120

planned X so we need like Bigfoot I

611

00:30:24,320 --> 00:30:21,870

wouldn't really call it conspiracy

612

00:30:25,789 --> 00:30:24,330

theory here it's more just kind of it's

613

00:30:29,539 --> 00:30:25,799

not like this the government is covering

614

00:30:35,360 --> 00:30:29,549

our Bigfoot well yeah some of the

615

00:30:37,280 --> 00:30:35,370

circles they would say that right there

616

00:30:41,810 --> 00:30:37,290

because it's something that I can't

617

00:30:43,669 --> 00:30:41,820

prove one way or the other that's like

618

00:30:45,980 --> 00:30:43,679

yeah this type of thing that will be

619

00:30:47,840 --> 00:30:45,990

classes unexplained and you see things

620

00:30:48,240 --> 00:30:47,850

on the Discovery Channel about it yeah

621

00:30:51,420 --> 00:30:48,250

whoo

622

00:30:53,100 --> 00:30:51,430

Serena the UFO is I suppose is more of a

623

00:30:56,400 --> 00:30:53,110

conspiracy theory because people do

624

00:30:59,430 --> 00:30:56,410

think the government is covering up UFO

625

00:31:01,230 --> 00:30:59,440

what do you think of the the most recent

626
00:31:03,000 --> 00:31:01,240
UFO stuff you know the stuff I've been

627
00:31:04,530 --> 00:31:03,010
talking about the gimbal and the ticket

628
00:31:07,500 --> 00:31:04,540
and yeah

629
00:31:12,180 --> 00:31:07,510
how dumb are these guys gonna feel that

630
00:31:16,050 --> 00:31:12,190
they were recording another you know jet

631
00:31:17,850 --> 00:31:16,060
or a missile you know a few miles up you

632
00:31:19,410 --> 00:31:17,860
know and that was my first impressions

633
00:31:23,340 --> 00:31:19,420
like you got to feel really stupid

634
00:31:25,110 --> 00:31:23,350
offenses we debunked it that glitch but

635
00:31:26,850 --> 00:31:25,120
the way you've debunked it how how you

636
00:31:29,880 --> 00:31:26,860
moved it like the top half of the video

637
00:31:32,430 --> 00:31:29,890
kind of how you moved it oh and I hated

638
00:31:34,140 --> 00:31:32,440

it that way that was a really good way

639

00:31:39,540 --> 00:31:34,150

of bringing out what you were trying to

640

00:31:43,470 --> 00:31:39,550

say but yeah it might be very

641

00:31:46,590 --> 00:31:43,480

explainable yeah well I it's not not for

642

00:31:48,870 --> 00:31:46,600

sure but you know thinking that this

643

00:31:50,700 --> 00:31:48,880

does seem to be something yet there this

644

00:31:54,320 --> 00:31:50,710

doesn't look like it's a distant plane

645

00:31:57,060 --> 00:31:54,330

and the rotation thing this is where the

646

00:31:58,770 --> 00:31:57,070

the rotation of the the craft is

647

00:32:00,660 --> 00:31:58,780

probably just a rotation of the glare

648

00:32:03,270 --> 00:32:00,670

and you can kind of see as the lights

649

00:32:04,500 --> 00:32:03,280

and the whole scene can it move up at

650

00:32:07,260 --> 00:32:04,510

the same thing as the camera rotates

651
00:32:11,390 --> 00:32:07,270
I've had a hard time explaining that's

652
00:32:18,150 --> 00:32:14,040
so what about other conspiracy theories

653
00:32:20,070 --> 00:32:18,160
like like chemtrails idea I get into

654
00:32:22,530 --> 00:32:20,080
that glad you said that

655
00:32:24,510 --> 00:32:22,540
so do you know who Dean Whittington is

656
00:32:27,690 --> 00:32:24,520
oh yeah hi know me very well I've talked

657
00:32:30,750 --> 00:32:27,700
to him a few times as well so I offered

658
00:32:32,220 --> 00:32:30,760
my technical services to Dan a few times

659
00:32:34,880 --> 00:32:32,230
for free and I have this phone number

660
00:32:36,860 --> 00:32:34,890
I've talked to him quite a few times I

661
00:32:40,890 --> 00:32:36,870
supported him at his work

662
00:32:43,650 --> 00:32:40,900
right after about two thousand thirteen

663
00:32:47,280 --> 00:32:43,660

fourteen fifteen into sixteen

664

00:32:48,750 --> 00:32:47,290

I really followed him on Facebook no

665

00:32:50,040 --> 00:32:48,760

joke I really have his phone number and

666

00:32:50,790 --> 00:32:50,050

talked to him quite a few times he's a

667

00:32:54,530 --> 00:32:50,800

good dude

668

00:32:56,520 --> 00:32:54,540

now yeah I mean nice guy yeah yeah I

669

00:32:59,460 --> 00:32:56,530

can't believe he has such a huge

670

00:33:01,560 --> 00:32:59,470

property here in Shasta yeah I offered

671

00:33:04,170 --> 00:33:01,570

some of my technical services I feel bad

672

00:33:06,660 --> 00:33:04,180

I wasn't able to he'd asked me for some

673

00:33:09,420 --> 00:33:06,670

real secure kind of stuff that I was

674

00:33:13,650 --> 00:33:09,430

like I don't know what to tell you buddy

675

00:33:18,060 --> 00:33:13,660

it's thinking of buying on him yeah or

676

00:33:19,230 --> 00:33:18,070

whatever yeah so you said like you know

677

00:33:22,410 --> 00:33:19,240

Dane Wigington obviously the big

678

00:33:25,980 --> 00:33:22,420

chemtrail guy like what do you think of

679

00:33:29,880 --> 00:33:25,990

chemtrails now no kentrell theory well

680

00:33:32,190 --> 00:33:29,890

thing the 70s I'm certain there's the

681

00:33:34,920 --> 00:33:32,200

Stratus all the stress what is there

682

00:33:36,900 --> 00:33:34,930

some kind of stratospheric aerosol

683

00:33:38,250 --> 00:33:36,910

injection yeah there you go

684

00:33:40,080 --> 00:33:38,260

I know that they're doing something like

685

00:33:43,410 --> 00:33:40,090

that right isn't it to keep the planet

686

00:33:46,110 --> 00:33:43,420

cool well then the guys shut out that's

687

00:33:47,250 --> 00:33:46,120

the theory I'd uh you know they don't

688

00:33:48,660 --> 00:33:47,260

think they're actually doing I don't

689

00:33:49,890 --> 00:33:48,670

think they're actually doing it yet is

690

00:33:51,450 --> 00:33:49,900

something that they might be a future

691

00:33:53,400 --> 00:33:51,460

very something that they've researched

692

00:33:57,600 --> 00:33:53,410

you know the possibility of spraying

693

00:33:59,370 --> 00:33:57,610

things from plans so see how bad I am I

694

00:34:01,980 --> 00:33:59,380

thought that that was actually something

695

00:34:04,140 --> 00:34:01,990

that was really happening but I haven't

696

00:34:06,740 --> 00:34:04,150

ever since they let go of the plane the

697

00:34:10,620 --> 00:34:06,750

next day they let go of everyday

698

00:34:13,440 --> 00:34:10,630

including the chemtrails so did you just

699

00:34:16,520 --> 00:34:13,450

kind of lose your you lose your

700

00:34:20,640 --> 00:34:16,530

enthusiasm for this type of thing yes

701
00:34:22,560 --> 00:34:20,650
yeah it seems like a deflation in a way

702
00:34:23,389 --> 00:34:22,570
when you realized that there wasn't

703
00:34:26,779 --> 00:34:23,399
anything to

704
00:34:29,809 --> 00:34:26,789
I was able to apply the same type of

705
00:34:32,629 --> 00:34:29,819
logic for Planet X to other theories

706
00:34:34,609 --> 00:34:32,639
right and the UFO thing I just kind of

707
00:34:36,769 --> 00:34:34,619
let it go for a while and have it really

708
00:34:39,919 --> 00:34:36,779
dealt with it until I saw some of your

709
00:34:42,230 --> 00:34:39,929
work and I'm like no way and I really

710
00:34:45,379 --> 00:34:42,240
felt like like how you had done with the

711
00:34:47,389 --> 00:34:45,389
FLIR the little ghost image or whatever

712
00:34:49,489 --> 00:34:47,399
around that's typical of a FLIR camera

713
00:34:52,190 --> 00:34:49,499

on the object just different stuff like

714

00:34:54,769 --> 00:34:52,200

that on my nobody has said anything yeah

715

00:34:57,410 --> 00:34:54,779

come on you guys you know I'm like wow

716

00:35:00,019 --> 00:34:57,420

we could debunk this - all day long so

717

00:35:02,900 --> 00:35:00,029

yeah it deflated my interest in

718

00:35:04,849 --> 00:35:02,910

everything I just had to step away yeah

719

00:35:07,640 --> 00:35:04,859

that that thing was where the it looked

720

00:35:09,710 --> 00:35:07,650

like it was glowing like cold and then

721

00:35:12,049 --> 00:35:09,720

people are saying that the UFO was

722

00:35:13,730 --> 00:35:12,059

creating its own anti-gravity field and

723

00:35:15,410 --> 00:35:13,740

so the air inside would be cold because

724

00:35:20,210 --> 00:35:15,420

it's anti-gravity which cools things

725

00:35:22,609 --> 00:35:20,220

down when really it was just yeah it was

726

00:35:25,039 --> 00:35:22,619

just the the sharpening in the camera

727

00:35:26,480 --> 00:35:25,049

they increase the contrast around the

728

00:35:28,220 --> 00:35:26,490

edges of things which is where you get

729

00:35:29,809 --> 00:35:28,230

glows and I show some videos of like a

730

00:35:32,269 --> 00:35:29,819

little girl dancing and she was glowing

731

00:35:33,559 --> 00:35:32,279

and it was the exact same thing and

732

00:35:35,960 --> 00:35:33,569

obviously she's the little girl didn't

733

00:35:37,640 --> 00:35:35,970

have an anti-gravity field but if people

734

00:35:39,470 --> 00:35:37,650

had actually mentioned her before

735

00:35:41,569 --> 00:35:39,480

and part of the challenge was actually

736

00:35:43,099 --> 00:35:41,579

just getting getting the information out

737

00:35:45,140 --> 00:35:43,109

that's people like people have written

738

00:35:47,509 --> 00:35:45,150

about it like you know over a year ago

739

00:35:50,269 --> 00:35:47,519

on my site and you know I'd mentioned it

740

00:35:54,680 --> 00:35:50,279

on my site I was just gonna say see how

741

00:35:56,479 --> 00:35:54,690

easy it is to for me still and I'm still

742

00:35:58,970 --> 00:35:56,489

kind of working through it's a it's a

743

00:36:01,549 --> 00:35:58,980

way of thinking where you hold on to

744

00:36:03,200 --> 00:36:01,559

stuff like this very simple statement

745

00:36:05,509 --> 00:36:03,210

like well nobody wrote anything about

746

00:36:07,400 --> 00:36:05,519

that well it I've had to learn that you

747

00:36:09,609 --> 00:36:07,410

can't just make flavor and statements

748

00:36:13,009 --> 00:36:09,619

like now I'm not actually doing research

749

00:36:16,099 --> 00:36:13,019

so I'm glad you said that really I'm

750

00:36:18,109 --> 00:36:16,109

just warning I'm not afraid to admit it

751

00:36:21,349 --> 00:36:18,119

it's just like the whole conspiracy

752

00:36:24,049 --> 00:36:21,359

thing it's easy to make it a religion

753

00:36:26,599 --> 00:36:24,059

for your soft almost their alternative

754

00:36:28,849 --> 00:36:26,609

theories and whatever I just call it I

755

00:36:30,890 --> 00:36:28,859

could bump it into conspiracy theories

756

00:36:33,160 --> 00:36:30,900

but I just know that has a real

757

00:36:36,840 --> 00:36:33,170

traumatic psychological effect on people

758

00:36:39,390 --> 00:36:36,850

as it has affected me so just

759

00:36:41,190 --> 00:36:39,400

very negative all right but what what

760

00:36:43,350 --> 00:36:41,200

what is that psychological effect though

761

00:36:46,770 --> 00:36:43,360

is it kind of a depression or something

762

00:36:53,640 --> 00:36:46,780

like that or is it just uh yes sir

763

00:37:01,130 --> 00:36:53,650

just depressed feeling stupid right just

764

00:37:07,190 --> 00:37:01,140

kind of like how was I so gullible and

765

00:37:10,890 --> 00:37:07,200

literally is like a drug and and you you

766

00:37:13,590 --> 00:37:10,900

you go through this emotional stimulant

767

00:37:17,250 --> 00:37:13,600

or stimulus every time you get into a

768

00:37:20,040 --> 00:37:17,260

new theory or versions of the theory or

769

00:37:22,620 --> 00:37:20,050

escalations regarding the topic on

770

00:37:26,640 --> 00:37:22,630

social media and it becomes an addictive

771

00:37:29,670 --> 00:37:26,650

cycle and when you don't have that and

772

00:37:31,050 --> 00:37:29,680

you use that to express yourself and

773

00:37:33,090 --> 00:37:31,060

kind of lean on it for just about

774

00:37:36,990 --> 00:37:33,100

everything because you were having other

775

00:37:38,190 --> 00:37:37,000

issues in your life yeah I guess there's

776

00:37:42,000 --> 00:37:38,200

a depression there's a loneliness

777

00:37:43,830 --> 00:37:42,010

there's a something missing and then you

778

00:37:45,620 --> 00:37:43,840

start thinking about it and yeah I think

779

00:37:50,300 --> 00:37:45,630

that's more the depression and how

780

00:37:52,770 --> 00:37:50,310

stupid you feel for being global and

781

00:37:55,590 --> 00:37:52,780

participating in so much nonsense and

782

00:37:58,430 --> 00:37:55,600

then having yourself you know you've

783

00:38:01,590 --> 00:37:58,440

literally changed your mind on things

784

00:38:04,590 --> 00:38:01,600

and a negative aspect so I think that

785

00:38:07,470 --> 00:38:04,600

that's the psychological trauma the

786

00:38:09,030 --> 00:38:07,480

conspiracy theory type of stuff can you

787

00:38:11,700 --> 00:38:09,040

can get into yeah

788

00:38:14,390 --> 00:38:11,710

now the interesting though like you say

789

00:38:16,980 --> 00:38:14,400

those things happen to you that after

790

00:38:19,560 --> 00:38:16,990

and you you know you can't realize that

791

00:38:22,530 --> 00:38:19,570

it was nonsense so it's almost like this

792

00:38:24,570 --> 00:38:22,540

is this huge disincentive to stop

793

00:38:26,640 --> 00:38:24,580

believing because you kind of see this

794

00:38:28,770 --> 00:38:26,650

almost darkness on the other side and

795

00:38:32,280 --> 00:38:28,780

they'll listen uncertainty like you when

796

00:38:33,720 --> 00:38:32,290

you're in there you know that you you've

797

00:38:37,140 --> 00:38:33,730

got all these theories that you believe

798

00:38:39,180 --> 00:38:37,150

in which are great but then then you you

799

00:38:41,130 --> 00:38:39,190

lose it all it's like losing you're

800

00:38:42,510 --> 00:38:41,140

using religion it's like someone proving

801
00:38:43,020 --> 00:38:42,520
to you that God isn't real or something

802
00:38:47,750 --> 00:38:43,030
like that

803
00:38:50,370 --> 00:38:47,760
sure sure so with a with a negative

804
00:38:51,300 --> 00:38:50,380
psychological effects while you will

805
00:38:55,470 --> 00:38:51,310
believe

806
00:38:58,500 --> 00:38:55,480
oh of course yeah because folks were

807
00:39:00,570 --> 00:38:58,510
trying to call me out and I couldn't

808
00:39:02,820 --> 00:39:00,580
handle it and the way they were trying

809
00:39:03,540 --> 00:39:02,830
to call me out some folks were very

810
00:39:07,010 --> 00:39:03,550
positive

811
00:39:10,859 --> 00:39:07,020
others were negative very very negative

812
00:39:13,620 --> 00:39:10,869
you know physical threats etc and it was

813
00:39:15,570 --> 00:39:13,630

hard to deal with these were like okay

814

00:39:17,849 --> 00:39:15,580

type people who are arguing with you on

815

00:39:19,770 --> 00:39:17,859

the Internet yeah so it seems like there

816

00:39:21,900 --> 00:39:19,780

are three categories of folks the ones

817

00:39:23,940 --> 00:39:21,910

that believe the debunkers and then the

818

00:39:25,410 --> 00:39:23,950

shifters the people that just have

819

00:39:29,190 --> 00:39:25,420

nothing else better to do

820

00:39:32,099 --> 00:39:29,200

to get under your skin and I had a real

821

00:39:34,530 --> 00:39:32,109

hard time with that category because

822

00:39:37,200 --> 00:39:34,540

they had to debunk in them right because

823

00:39:39,990 --> 00:39:37,210

they knew it was because but they didn't

824

00:39:41,670 --> 00:39:40,000

like me I guess that's the way that's

825

00:39:43,260 --> 00:39:41,680

probably the best way to explain it

826

00:39:44,990 --> 00:39:43,270

didn't like how I was presenting the

827

00:39:49,020 --> 00:39:45,000

material and they kind of went after me

828

00:39:51,210 --> 00:39:49,030

and it yeah it was a very negative

829

00:39:54,450 --> 00:39:51,220

experience because of all the docs in

830

00:39:57,120 --> 00:39:54,460

and again the threats and and folks

831

00:40:00,660 --> 00:39:57,130

contacting peoples and players etc it

832

00:40:03,020 --> 00:40:00,670

you were always concerned that what's

833

00:40:06,930 --> 00:40:03,030

gonna happen next

834

00:40:09,120 --> 00:40:06,940

so now you kind of ounce of the whole

835

00:40:10,950 --> 00:40:09,130

scene to a large degree and you're just

836

00:40:15,480 --> 00:40:10,960

kind of moving on with your life is you

837

00:40:17,880 --> 00:40:15,490

just kind of focusing on I guess and I'm

838

00:40:20,190 --> 00:40:17,890

rebuilding your life in a way that's

839

00:40:23,910 --> 00:40:20,200

right I just want to go to a new place

840

00:40:25,380 --> 00:40:23,920

I love droning I love hiking as far as

841

00:40:28,200 --> 00:40:25,390

I'm concerned to have a second chance

842

00:40:34,079 --> 00:40:28,210

because I was cured of hepatitis C last

843

00:40:36,390 --> 00:40:34,089

man 22nd 2018 after 28 years and I feel

844

00:40:38,940 --> 00:40:36,400

like a new man yeah I'm good

845

00:40:41,579 --> 00:40:38,950

it's incredible so yeah I want to do

846

00:40:43,800 --> 00:40:41,589

something good with the time I'm here on

847

00:40:46,410 --> 00:40:43,810

earth and my kids I really don't want

848

00:40:48,780 --> 00:40:46,420

them to see a bunch of nonsense from me

849

00:40:50,730 --> 00:40:48,790

on YouTube it wouldn't be cool if they

850

00:40:54,839 --> 00:40:50,740

would see so my drone videos because I

851
00:40:57,240 --> 00:40:54,849
do like photography and that sprang out

852
00:41:00,810 --> 00:40:57,250
of me trying to find the biryu Yeah

853
00:41:02,940 --> 00:41:00,820
right maybe you know maybe I'll catch

854
00:41:04,110 --> 00:41:02,950
some UFOs on your drone that's quite a

855
00:41:08,730 --> 00:41:04,120
lot of

856
00:41:11,280 --> 00:41:08,740
a UFO drone videos that looked at that

857
00:41:13,590 --> 00:41:11,290
there has to be yeah yeah yeah you get

858
00:41:17,460 --> 00:41:13,600
these things that go past the drone very

859
00:41:18,780 --> 00:41:17,470
very fast call them zip ties and I think

860
00:41:20,310 --> 00:41:18,790
it's mostly just to do with the relative

861
00:41:21,480 --> 00:41:20,320
motion of the drone because she drones

862
00:41:22,710 --> 00:41:21,490
going through the air at 30 miles an

863
00:41:24,630 --> 00:41:22,720

hour and you get something like alien

864

00:41:27,420 --> 00:41:24,640

sex going by and everyone thinks it's a

865

00:41:29,190 --> 00:41:27,430

UFO and some of them are quite plain so

866

00:41:30,000 --> 00:41:29,200

look out for those though that kind of

867

00:41:33,450 --> 00:41:30,010

famine

868

00:41:35,190 --> 00:41:33,460

well thank you very much your what that

869

00:41:36,630 --> 00:41:35,200

was a very interesting conversation I'm

870

00:41:39,460 --> 00:41:36,640

surely very interesting to a lot of
