

# RORY

FLAT EARTH DEBUNKING

AND

SPIRITUAL JOURNEYS

1  
00:00:08,660 --> 00:00:05,510  
welcome to tales from the rabbit hole

2  
00:00:12,589 --> 00:00:08,670  
I'm your host Mick West my guest today

3  
00:00:16,250 --> 00:00:12,599  
all the way from Sweden is Rory Rory is

4  
00:00:18,080 --> 00:00:16,260  
a deep bunker of the Flat Earth he's

5  
00:00:20,210 --> 00:00:18,090  
also someone who has been on a very

6  
00:00:24,590 --> 00:00:20,220  
interesting journey through his life

7  
00:00:26,929 --> 00:00:24,600  
both physically and spiritually and he's

8  
00:00:29,089 --> 00:00:26,939  
person who also believes in less things

9  
00:00:32,920 --> 00:00:29,099  
than he used to all this will be

10  
00:00:35,840 --> 00:00:32,930  
explained when we talked to her Rory

11  
00:00:37,819 --> 00:00:35,850  
Rory welcome to tales from the rabbit

12  
00:00:40,760 --> 00:00:37,829  
hole thank you very much for being here

13  
00:00:43,970 --> 00:00:40,770

yeah thanks man I've known you on meta

14

00:00:46,639 --> 00:00:43,980

bunk for a while a few years and I think

15

00:00:48,860 --> 00:00:46,649

you kind of originally came in as a flat

16

00:00:50,600 --> 00:00:48,870

earth debunk oh is that right I was a

17

00:00:53,360 --> 00:00:50,610

fledgling plateau at the bunker but also

18

00:00:55,549 --> 00:00:53,370

kind of learning about the debunks yeah

19

00:00:57,020 --> 00:00:55,559

you you've you've done a lot of Flat

20

00:01:00,819 --> 00:00:57,030

Earth debunking I must say I was looking

21

00:01:04,429 --> 00:01:00,829

at your YouTube channel and you had like

22

00:01:06,740 --> 00:01:04,439

you know kind of a big flurry of Plus of

23

00:01:09,080 --> 00:01:06,750

debunking videos like over about the

24

00:01:11,359 --> 00:01:09,090

last year kind of ending around all

25

00:01:13,250 --> 00:01:11,369

right around three months ago yeah what

26  
00:01:16,640 --> 00:01:13,260  
kind of led up to your you're interested

27  
00:01:19,010 --> 00:01:16,650  
in in Flat Earth Flat Earth well okay so

28  
00:01:21,710 --> 00:01:19,020  
the the youth videos were really just I

29  
00:01:25,249 --> 00:01:21,720  
started on the day after Christmas last

30  
00:01:27,289 --> 00:01:25,259  
year and then I think I stopped must

31  
00:01:29,660 --> 00:01:27,299  
have been around the end of April so it

32  
00:01:31,490 --> 00:01:29,670  
was about a number to the end of March

33  
00:01:34,039 --> 00:01:31,500  
actually so it was about three months

34  
00:01:39,969 --> 00:01:34,049  
kind of intensely yeah how did I get

35  
00:01:43,340 --> 00:01:39,979  
into Flat Earth what's under Christmas

36  
00:01:46,429 --> 00:01:43,350  
yeah lived to regret it ever since

37  
00:01:49,030 --> 00:01:46,439  
but those conversations on meta bunk at

38  
00:01:51,380 --> 00:01:49,040

the minute about how YouTube promotes

39

00:01:53,660 --> 00:01:51,390

videos and if you if you start with a

40

00:01:55,249 --> 00:01:53,670

mild conspiracy theory video it will

41

00:01:57,080 --> 00:01:55,259

kind of promote more extreme versions

42

00:01:58,700 --> 00:01:57,090

and I think that's how it started for me

43

00:02:02,420 --> 00:01:58,710

I wasn't particularly interested in

44

00:02:04,310 --> 00:02:02,430

conspiracy theories but I was I'd read a

45

00:02:06,260 --> 00:02:04,320

Jon Ronson book where he mentions David

46

00:02:08,570 --> 00:02:06,270

Icke and I wanted to see the original

47

00:02:10,760 --> 00:02:08,580

day like video and suddenly this Flat

48

00:02:12,400 --> 00:02:10,770

Earth video pops up on the side Eric

49

00:02:14,860 --> 00:02:12,410

pays 200 proofs

50

00:02:17,290 --> 00:02:14,870

so I think well okay that's it I'll

51  
00:02:19,840 --> 00:02:17,300  
click on that and that's what it started

52  
00:02:25,050 --> 00:02:19,850  
growing that was the beginning

53  
00:02:27,280 --> 00:02:25,060  
yeah Dubey he's doing proof sir

54  
00:02:29,050 --> 00:02:27,290  
it's an interesting strategy I think the

55  
00:02:31,510 --> 00:02:29,060  
flux of the staff is giving you 200

56  
00:02:32,650 --> 00:02:31,520  
proofs that the earth isn't last when

57  
00:02:34,060 --> 00:02:32,660  
really you don't you should need one

58  
00:02:38,860 --> 00:02:34,070  
really if there's one proof

59  
00:02:41,800 --> 00:02:38,870  
yeah the earth is flat no it was I mean

60  
00:02:44,320 --> 00:02:41,810  
I guess in comparison to yourself I

61  
00:02:45,820 --> 00:02:44,330  
guess the first time you saw flatter if

62  
00:02:49,030 --> 00:02:45,830  
you thought what the hell is this like

63  
00:02:51,580 --> 00:02:49,040

this is obviously wrong and I think

64

00:02:54,400 --> 00:02:51,590

there was something about as interesting

65

00:02:56,080 --> 00:02:54,410

because I have that some sort of ability

66

00:02:57,670 --> 00:02:56,090

to maybe sympathisers where they're

67

00:02:59,320 --> 00:02:57,680

coming from because I remember watching

68

00:03:02,050 --> 00:02:59,330

that first Eric to be video not really

69

00:03:04,110 --> 00:03:02,060

knowing much about the shape of the

70

00:03:06,190 --> 00:03:04,120

earth and the mathematics involved and

71

00:03:08,350 --> 00:03:06,200

for the first couple of minutes I was

72

00:03:10,030 --> 00:03:08,360

like what the hell like when he says

73

00:03:12,040 --> 00:03:10,040

something well the horizon always rises

74

00:03:14,980 --> 00:03:12,050

to eye level well I'd never looked at

75

00:03:17,710 --> 00:03:14,990

that so it was one of those moments I

76  
00:03:20,460 --> 00:03:17,720  
thought oh bloody hell like he's showing

77  
00:03:22,780 --> 00:03:20,470  
these images it oh it seems to be right

78  
00:03:24,970 --> 00:03:22,790  
but then I took about two minutes to

79  
00:03:26,800 --> 00:03:24,980  
researcher and realize are okay we can

80  
00:03:28,750 --> 00:03:26,810  
very easily show that the things that

81  
00:03:31,600 --> 00:03:28,760  
he's doing is wrong but I had I had

82  
00:03:33,040 --> 00:03:31,610  
about two minutes of thinking of you

83  
00:03:35,140 --> 00:03:33,050  
know I'll I don't know if you had a

84  
00:03:39,940 --> 00:03:35,150  
moment where you I have don't know what

85  
00:03:41,770 --> 00:03:39,950  
reality is I have moments sometimes when

86  
00:03:46,960 --> 00:03:41,780  
something when I'm trying to work

87  
00:03:48,490 --> 00:03:46,970  
something out mathematically and I do

88  
00:03:52,150 --> 00:03:48,500

all the math and I get the answer and

89

00:03:53,710 --> 00:03:52,160

the answer is like it proves like the

90

00:03:58,630 --> 00:03:53,720

conspiracy theory or whatever it is I

91

00:04:00,520 --> 00:03:58,640

think what this possibly be true yes I

92

00:04:03,070 --> 00:04:00,530

recheck it and then sometimes it's still

93

00:04:04,840 --> 00:04:03,080

true and I invite banging my headache

94

00:04:06,760 --> 00:04:04,850

and I'm thinking what what's going on

95

00:04:08,830 --> 00:04:06,770

here like have I been wrong all this

96

00:04:11,860 --> 00:04:08,840

time about this this one thing you know

97

00:04:12,820 --> 00:04:11,870

is is it's actually flat of you know no

98

00:04:15,910 --> 00:04:12,830

obviously not

99

00:04:17,289 --> 00:04:15,920

yeah is could this actually be a flying

100

00:04:20,469 --> 00:04:17,299

saucer or something like that then

101  
00:04:22,060 --> 00:04:20,479  
eventually you do the math and correctly

102  
00:04:24,280 --> 00:04:22,070  
and you figure out what the mistake was

103  
00:04:26,550 --> 00:04:24,290  
but yeah I didn't I did actually

104  
00:04:30,010 --> 00:04:26,560  
occasionally have these moments of

105  
00:04:31,210 --> 00:04:30,020  
is this disconcerting when you you don't

106  
00:04:33,909 --> 00:04:31,220  
immediately have the answer for

107  
00:04:35,469 --> 00:04:33,919  
something it's it's interesting I still

108  
00:04:37,659 --> 00:04:35,479  
see it in myself every now again I think

109  
00:04:40,120 --> 00:04:37,669  
it's really nice that someone like

110  
00:04:41,530 --> 00:04:40,130  
yourself and for me it's been good to to

111  
00:04:43,540 --> 00:04:41,540  
at least have that even for a split

112  
00:04:45,129 --> 00:04:43,550  
second because it gives some kind of

113  
00:04:48,400 --> 00:04:45,139

sympathy and understanding of where

114

00:04:50,680 --> 00:04:48,410

people are coming from and yeah I can

115

00:04:52,900 --> 00:04:50,690

okay good I could watch a thousand hours

116

00:04:55,659 --> 00:04:52,910

of incredible footage from space but

117

00:05:00,640 --> 00:04:55,669

then to see one little grit oh wait a

118

00:05:01,930 --> 00:05:00,650

minute maybe it is all fake yeah so you

119

00:05:04,480 --> 00:05:01,940

know one of my theories is that there's

120

00:05:06,879 --> 00:05:04,490

that that it's almost like a fork in the

121

00:05:09,159 --> 00:05:06,889

road in the brain and the brain will run

122

00:05:10,960 --> 00:05:09,169

in one direction or the other and so

123

00:05:13,240 --> 00:05:10,970

even though we can experience that

124

00:05:15,520 --> 00:05:13,250

moment we're able to pull it back and

125

00:05:19,570 --> 00:05:15,530

say okay well let's just remember that

126

00:05:21,279 --> 00:05:19,580

there's this entire vast mountain of

127

00:05:24,310 --> 00:05:21,289

evidence and there's one tiny little

128

00:05:25,990 --> 00:05:24,320

thing but it's so interesting to be able

129

00:05:28,960 --> 00:05:26,000

to see from the inside of a human brain

130

00:05:30,159 --> 00:05:28,970

and say wow I can see how and now

131

00:05:33,550 --> 00:05:30,169

different way of thinking would run with

132

00:05:36,190 --> 00:05:33,560

that in a hole of a direction so it's

133

00:05:39,430 --> 00:05:36,200

nice to have that yeah it is I think

134

00:05:42,100 --> 00:05:39,440

like if you're a a real debunk or a real

135

00:05:45,730 --> 00:05:42,110

scientist then you really need to you

136

00:05:47,320 --> 00:05:45,740

know be open to the possibility that you

137

00:05:49,659 --> 00:05:47,330

might be wrong about everything

138

00:05:51,879 --> 00:05:49,669

you know obviously you have this very

139

00:05:53,890 --> 00:05:51,889

strong you know set of evidence that

140

00:05:55,510 --> 00:05:53,900

shows you that yet the world the

141

00:05:58,570 --> 00:05:55,520

scientific world as we believe it is

142

00:05:59,890 --> 00:05:58,580

yeah it's described by science but

143

00:06:02,200 --> 00:05:59,900

science is always discovering new things

144

00:06:03,790 --> 00:06:02,210

and even though it's fairly unlikely

145

00:06:05,320 --> 00:06:03,800

that you personally are going to be

146

00:06:07,300 --> 00:06:05,330

discovering that new thing I think it's

147

00:06:11,070 --> 00:06:07,310

always always good to be open to the

148

00:06:13,480 --> 00:06:11,080

possibility basically has like you say

149

00:06:16,089 --> 00:06:13,490

it gives you perspective into the minds

150

00:06:19,420 --> 00:06:16,099

of other people when they yeah yeah

151

00:06:22,560 --> 00:06:19,430

accepting these new things yeah that's

152

00:06:24,850 --> 00:06:22,570

it maybe I see some people they have no

153

00:06:26,830 --> 00:06:24,860

hook on the debunking site they can't

154

00:06:29,469 --> 00:06:26,840

possibly imagine how someone could think

155

00:06:31,629 --> 00:06:29,479

that way and I think I say I never went

156

00:06:33,909 --> 00:06:31,639

very far with it but I couldn't see how

157

00:06:35,469 --> 00:06:33,919

they would think that way especially

158

00:06:36,570 --> 00:06:35,479

without the background and the

159

00:06:38,909 --> 00:06:36,580

understanding

160

00:06:40,589 --> 00:06:38,919

I can imagine right now there are

161

00:06:44,700 --> 00:06:40,599

conspiracy theorists that jumping up and

162

00:06:46,080 --> 00:06:44,710

down saying hey requests admits that

163

00:06:49,589 --> 00:06:46,090

there is a possibility that it may be

164

00:06:50,969 --> 00:06:49,599

wrong about everything there is there is

165

00:06:52,920 --> 00:06:50,979

a possibility that I may roam at

166

00:06:54,600 --> 00:06:52,930

everything I just haven't yet seen the

167

00:06:56,100 --> 00:06:54,610

evidence and I do

168

00:06:58,649 --> 00:06:56,110

I just certainly make mistakes in my

169

00:07:00,929 --> 00:06:58,659

mathematics from time to time and doing

170

00:07:05,909 --> 00:07:00,939

some math at the moment and to figure

171

00:07:07,469 --> 00:07:05,919

out gimbal lock for UFO videos it's

172

00:07:08,580 --> 00:07:07,479

making my head hurt because of stuff

173

00:07:10,320 --> 00:07:08,590

that I haven't really thought about for

174

00:07:12,029 --> 00:07:10,330

a long time so there's plenty of room

175

00:07:14,219 --> 00:07:12,039

for errors when you're dealing with

176

00:07:16,350 --> 00:07:14,229

things that you're you feel like you

177

00:07:18,330 --> 00:07:16,360

should know how to work stuff out but

178

00:07:20,430 --> 00:07:18,340

you're not actually yeah and a real

179

00:07:23,339 --> 00:07:20,440

expert at it I think a lot of people

180

00:07:28,619 --> 00:07:23,349

overestimate their ability to figure

181

00:07:32,430 --> 00:07:28,629

things out it was a name for that there

182

00:07:34,290 --> 00:07:32,440

certainly is yeah Dunning Kruger I'm

183

00:07:38,580 --> 00:07:34,300

gonna name it name the unnameable it's

184

00:07:44,249 --> 00:07:38,590

the idea that the lower your ability is

185

00:07:45,959 --> 00:07:44,259

yeah your ability like your like the

186

00:07:49,499 --> 00:07:45,969

lower your ability is with something the

187

00:07:53,480 --> 00:07:49,509

less able you are to accurately assess

188

00:07:56,670 --> 00:07:53,490

your own yes

189

00:08:00,600 --> 00:07:56,680

it's often the higher the ability the

190

00:08:02,219 --> 00:08:00,610

the more likely to underestimate yes how

191

00:08:04,619 --> 00:08:02,229

smart you are how good you are at

192

00:08:05,999 --> 00:08:04,629

something yeah and this is a thinker

193

00:08:08,249 --> 00:08:06,009

journey a lot of people go through in a

194

00:08:09,869 --> 00:08:08,259

lot of fields I talked about it with

195

00:08:12,059 --> 00:08:09,879

programming is that when you start off

196

00:08:13,409 --> 00:08:12,069

computer programming you don't know

197

00:08:14,999 --> 00:08:13,419

anything at first then you know a little

198

00:08:16,709 --> 00:08:15,009

bit of stuff and you think you know

199

00:08:18,959 --> 00:08:16,719

everything you think you there's nothing

200

00:08:20,490 --> 00:08:18,969

else to learn about programming this is

201  
00:08:22,559 --> 00:08:20,500  
something all programmers go through and

202  
00:08:24,779 --> 00:08:22,569  
then you realize there's all this stuff

203  
00:08:27,180 --> 00:08:24,789  
you've no idea and especially you get to

204  
00:08:28,469 --> 00:08:27,190  
build up and build up and eventually

205  
00:08:31,469 --> 00:08:28,479  
figure stuff out but you always know

206  
00:08:37,589 --> 00:08:31,479  
that stuff you don't know and then the

207  
00:08:39,240 --> 00:08:37,599  
more you know the more so you're saying

208  
00:08:42,480 --> 00:08:39,250  
that you you know you can appreciate

209  
00:08:44,819 --> 00:08:42,490  
more than most people by you know what's

210  
00:08:47,220 --> 00:08:44,829  
going on in the minds of some conspiracy

211  
00:08:49,790 --> 00:08:47,230  
theories or believers in weird things

212  
00:08:52,760 --> 00:08:49,800  
and I was just reading your essay

213  
00:08:55,460 --> 00:08:52,770

my brief flirtation with the rabbit hole

214

00:08:58,660 --> 00:08:55,470

that you posted on bank it was a very

215

00:09:02,000 --> 00:08:58,670

interesting thing and it basically

216

00:09:04,130 --> 00:09:02,010

details your history with mm-hmm

217

00:09:06,260 --> 00:09:04,140

cave your spiritual history and your

218

00:09:11,090 --> 00:09:06,270

your history with believing in strange

219

00:09:16,010 --> 00:09:11,100

things so you say when you were 19 you

220

00:09:22,910 --> 00:09:16,020

had a mystical experience you had five

221

00:09:25,730 --> 00:09:22,920

hits of acid and you think you can trace

222

00:09:28,400 --> 00:09:25,740

that back to being in some ways the the

223

00:09:30,019 --> 00:09:28,410

start of your you know your kind of

224

00:09:32,810 --> 00:09:30,029

mystical journey you're a spiritual

225

00:09:34,760 --> 00:09:32,820

journey yeah it could be it's it's

226

00:09:37,400 --> 00:09:34,770

always hard to put for me it's hard to

227

00:09:39,230 --> 00:09:37,410

put my finger on it I think even I could

228

00:09:41,210 --> 00:09:39,240

look back to being even eight nine ten

229

00:09:42,710 --> 00:09:41,220

years old and realizing you know that I

230

00:09:44,660 --> 00:09:42,720

used to think about a lot of things that

231

00:09:45,889 --> 00:09:44,670

okay now I've talked to other people

232

00:09:49,880 --> 00:09:45,899

they didn't think about those things

233

00:09:51,980 --> 00:09:49,890

that that it's just the idea of Who am I

234

00:09:54,110 --> 00:09:51,990

really you know am i this physical body

235

00:09:55,610 --> 00:09:54,120

what would happen if this physical body

236

00:09:57,350 --> 00:09:55,620

cease to exist and I remember having

237

00:10:01,040 --> 00:09:57,360

those thoughts at probably around nine

238

00:10:04,370 --> 00:10:01,050

years old so and then there's always the

239

00:10:07,790 --> 00:10:04,380

idea like did my inclinations of my mind

240

00:10:10,070 --> 00:10:07,800

lead me to take five hits of LSD or did

241

00:10:11,949 --> 00:10:10,080

five hit self as they open my mind in a

242

00:10:15,440 --> 00:10:11,959

certain way but I think it may have been

243

00:10:19,490 --> 00:10:15,450

somewhat pivotal it was now just reading

244

00:10:22,519 --> 00:10:19,500

about acid trips today yesterday I'm the

245

00:10:25,100 --> 00:10:22,529

idea of the ego dissolution or a lot of

246

00:10:26,620 --> 00:10:25,110

people will call will say something like

247

00:10:29,630 --> 00:10:26,630

that can be one of the most profound

248

00:10:32,300 --> 00:10:29,640

important spiritual experiences there a

249

00:10:33,829 --> 00:10:32,310

lot of their lives and I don't know it

250

00:10:36,110 --> 00:10:33,839

was a wild night though that's for sure

251

00:10:37,910 --> 00:10:36,120

yeah I could imagine well I can't

252

00:10:42,800 --> 00:10:37,920

imagine had never taken acid myself

253

00:10:45,079 --> 00:10:42,810

which have you not those things anymore

254

00:10:47,090 --> 00:10:45,089

but it was a bit much for a 19 year old

255

00:10:49,069 --> 00:10:47,100

to be honest yeah I could imagine on

256

00:10:50,930 --> 00:10:49,079

that imagine 19 year olds very can have

257

00:10:53,630 --> 00:10:50,940

an impressionable age in a way I

258

00:10:56,720 --> 00:10:53,640

remember when I was 19 at college I was

259

00:10:58,840 --> 00:10:56,730

certainly much more open to new things

260

00:11:01,550 --> 00:10:58,850

and I didn't have really any basis

261

00:11:02,360 --> 00:11:01,560

factor a frame of reference one year

262

00:11:05,540 --> 00:11:02,370

when you

263

00:11:09,230 --> 00:11:05,550

yeah so so then he said yeah a year

264

00:11:11,960 --> 00:11:09,240

later you began your traveling life did

265

00:11:13,309 --> 00:11:11,970

yeah what what was that about I'm you

266

00:11:15,920 --> 00:11:13,319

just did you just leave home and just

267

00:11:17,900 --> 00:11:15,930

start to travel the world yeah I was

268

00:11:20,900 --> 00:11:17,910

very living in Leeds quite dissatisfied

269

00:11:24,259 --> 00:11:20,910

with my situation nothing happening 20

270

00:11:25,489 --> 00:11:24,269

years old and she's just out of the

271

00:11:27,710 --> 00:11:25,499

blood never actually been out of England

272

00:11:33,189 --> 00:11:27,720

I mean just on a whim bought a plane

273

00:11:35,600 --> 00:11:33,199

ticket to New York and I guess that yeah

274

00:11:39,139 --> 00:11:35,610

it was a good

275

00:11:40,670 --> 00:11:39,149

yeah lots of mad times but um yeah it

276

00:11:42,290 --> 00:11:40,680

was a start of something I think I went

277

00:11:44,929 --> 00:11:42,300

for a month and after a month realized

278

00:11:46,100 --> 00:11:44,939

well you know living in a city in

279

00:11:48,769 --> 00:11:46,110

England will always be a positive

280

00:11:51,559 --> 00:11:48,779

possibility so I ended up staying in the

281

00:11:53,179 --> 00:11:51,569

US for about four years and lived in

282

00:11:56,059 --> 00:11:53,189

places like New York Charlottesville

283

00:11:58,489 --> 00:11:56,069

Virginia Colorado Arizona Tombstone

284

00:12:01,670 --> 00:11:58,499

Arizona actually I worked as a cowboy

285

00:12:03,799 --> 00:12:01,680

there when spending spend a couple of

286

00:12:05,860 --> 00:12:03,809

years actually hitchhiking around the US

287

00:12:10,179 --> 00:12:05,870

and Mexico

288

00:12:13,160 --> 00:12:10,189

so yeah this took me till about 24 and

289

00:12:15,019 --> 00:12:13,170

that was really when my you touched on

290

00:12:17,299 --> 00:12:15,029

this spiritual journey that I mentioned

291

00:12:19,610 --> 00:12:17,309

that kind of began consciously when I

292

00:12:24,350 --> 00:12:19,620

was about 23 so the last year of those

293

00:12:26,929 --> 00:12:24,360

travels was like well yeah my spiritual

294

00:12:29,329 --> 00:12:26,939

journey is a yes he spent three years

295

00:12:31,189 --> 00:12:29,339

just kind of having fun and then was

296

00:12:35,090 --> 00:12:31,199

there is something have led you to

297

00:12:37,639 --> 00:12:35,100

transition to being more spiritual

298

00:12:39,410 --> 00:12:37,649

I think so looking back in retrospect I

299

00:12:40,970 --> 00:12:39,420

would say there was I would say I think

300

00:12:43,040 --> 00:12:40,980

the way you put it there three years of

301  
00:12:46,730 --> 00:12:43,050  
having fun there's a good way to put it

302  
00:12:48,619 --> 00:12:46,740  
and I think it was a fun that evolved

303  
00:12:50,840 --> 00:12:48,629  
and changed over the time so it was

304  
00:12:53,030 --> 00:12:50,850  
originally was just the standard thing I

305  
00:12:57,410 --> 00:12:53,040  
was in new hostels and what if I go to a

306  
00:13:00,199 --> 00:12:57,420  
bar talk crap with people from South

307  
00:13:01,910 --> 00:13:00,209  
Africa or Australia and then and then

308  
00:13:03,949 --> 00:13:01,920  
that became satisfying so I wanted

309  
00:13:06,410 --> 00:13:03,959  
something more and then I worked in a

310  
00:13:08,389 --> 00:13:06,420  
small town in a restaurant kind of away

311  
00:13:11,540 --> 00:13:08,399  
from the whole travelers scene then that

312  
00:13:12,770 --> 00:13:11,550  
became too satisfying so I wanted

313  
00:13:15,050 --> 00:13:12,780

a bit more adventure with the

314

00:13:15,860 --> 00:13:15,060

hitchhiking and I think eventually I

315

00:13:17,930 --> 00:13:15,870

just

316

00:13:21,050 --> 00:13:17,940

even though experienced some incredible

317

00:13:23,660 --> 00:13:21,060

things and wonderful highs and a lot of

318

00:13:25,720 --> 00:13:23,670

visited so many national parks hiked a

319

00:13:28,280 --> 00:13:25,730

lot really got into camping and nature

320

00:13:30,650 --> 00:13:28,290

and a level of freedom that was you know

321

00:13:32,570 --> 00:13:30,660

really beyond anything that I'd imagined

322

00:13:36,200 --> 00:13:32,580

I think eventually that became

323

00:13:38,210 --> 00:13:36,210

dissatisfying as well and so I mean I

324

00:13:39,470 --> 00:13:38,220

think probably even four years before

325

00:13:41,510 --> 00:13:39,480

that there was something in my life that

326

00:13:43,090 --> 00:13:41,520

was looking for something and I would

327

00:13:45,680 --> 00:13:43,100

say it was something that felt real

328

00:13:47,840 --> 00:13:45,690

something that would feel real yeah and

329

00:13:50,660 --> 00:13:47,850

everything I try may feel real for a

330

00:13:54,500 --> 00:13:50,670

week or a month oh yeah but eventually I

331

00:13:55,970 --> 00:13:54,510

just kind of ran out of options and as

332

00:13:57,560 --> 00:13:55,980

it happened a few times when I'd reached

333

00:14:00,020 --> 00:13:57,570

that place I said well I'll just go home

334

00:14:02,840 --> 00:14:00,030

to England and get a job and a

335

00:14:07,600 --> 00:14:02,850

girlfriend and buy a house and live for

336

00:14:11,000 --> 00:14:07,610

X number of decades and then I kind of

337

00:14:12,350 --> 00:14:11,010

and then it was a bit like the it's

338

00:14:14,780 --> 00:14:12,360

worth to put these words on it but the

339

00:14:17,020 --> 00:14:14,790

spirituality the mystical experiences

340

00:14:21,020 --> 00:14:17,030

kind of way they found me

341

00:14:22,520 --> 00:14:21,030

so I mean this is the story that I've

342

00:14:24,380 --> 00:14:22,530

told myself or whether it's true or not

343

00:14:26,810 --> 00:14:24,390

I don't know but it was I feel like it

344

00:14:29,120 --> 00:14:26,820

was that process of always reaching a

345

00:14:30,850 --> 00:14:29,130

place of dissatisfaction and then event

346

00:14:33,410 --> 00:14:30,860

you finally just running out of ideas

347

00:14:35,990 --> 00:14:33,420

that I really literally couldn't think

348

00:14:38,360 --> 00:14:36,000

of anything else other than to just give

349

00:14:41,270 --> 00:14:38,370

up and become like a normal person Tai

350

00:14:43,340 --> 00:14:41,280

and things like that yeah I mean yeah

351  
00:14:44,930 --> 00:14:43,350  
out of the blue out of the blue

352  
00:14:48,200 --> 00:14:44,940  
something happened yeah there's some

353  
00:14:51,470 --> 00:14:48,210  
kind of mind altering non-drug

354  
00:14:55,820 --> 00:14:51,480  
drug-induced experience that felt very

355  
00:14:57,950 --> 00:14:55,830  
very real several experiences like that

356  
00:15:01,190 --> 00:14:57,960  
actually and then then I started meeting

357  
00:15:04,490 --> 00:15:01,200  
some spiritual teachers it was all very

358  
00:15:07,160 --> 00:15:04,500  
spontaneous unfolding I was still

359  
00:15:11,060 --> 00:15:07,170  
hitchhiking kind of almost penniless

360  
00:15:14,060 --> 00:15:11,070  
really and yeah it was a good good few

361  
00:15:15,680 --> 00:15:14,070  
years that I went on that I had to

362  
00:15:18,350 --> 00:15:15,690  
explain really had to describe in a

363  
00:15:20,840 --> 00:15:18,360

nutshell ya know I mean it seems like

364

00:15:22,550 --> 00:15:20,850

you packed a lot into a relatively short

365

00:15:24,570 --> 00:15:22,560

space of time I was just making video

366

00:15:27,050 --> 00:15:24,580

games back my early factors

367

00:15:30,570 --> 00:15:27,060

the stuck in a dark room in Manchester

368

00:15:34,639 --> 00:15:30,580

was you were gallivanting around the

369

00:15:39,269 --> 00:15:34,649

world you're reaping the fruits now

370

00:15:43,290 --> 00:15:39,279

resting up by Laurel thing yes nothing

371

00:15:45,600 --> 00:15:43,300

wrong gallivanting so so you early on in

372

00:15:48,600 --> 00:15:45,610

your life in your twenties during this

373

00:15:52,199 --> 00:15:48,610

mystical period you had some experiences

374

00:15:55,620 --> 00:15:52,209

with I guess what I would call it in a

375

00:15:58,380 --> 00:15:55,630

way almost supernatural experiences that

376

00:16:02,850 --> 00:15:58,390

type of things that aren't explainable

377

00:16:04,139 --> 00:16:02,860

by modern science and you know these

378

00:16:07,769 --> 00:16:04,149

these are things that kind of convinced

379

00:16:10,050 --> 00:16:07,779

you that there was there was more to the

380

00:16:13,199 --> 00:16:10,060

world than there appeared or how do you

381

00:16:16,319 --> 00:16:13,209

always gonna felt that way I probably

382

00:16:18,139 --> 00:16:16,329

always felt that there was mmm or hoped

383

00:16:22,139 --> 00:16:18,149

maybe that there was more to life than

384

00:16:25,440 --> 00:16:22,149

was being presented I think and probably

385

00:16:29,430 --> 00:16:25,450

felt it as well and then probably eating

386

00:16:31,079 --> 00:16:29,440

all that LSD was that because I really

387

00:16:33,210 --> 00:16:31,089

say you haven't done that but I think

388

00:16:35,130 --> 00:16:33,220

anyone who has will say well it feels

389

00:16:38,370 --> 00:16:35,140

like the most real thing ever

390

00:16:40,290 --> 00:16:38,380

yeah actually and the fact that the

391

00:16:41,790 --> 00:16:40,300

people's experiences when I would say

392

00:16:44,310 --> 00:16:41,800

they were if it's done in them what I

393

00:16:46,290 --> 00:16:44,320

would call the right way there's so much

394

00:16:47,579 --> 00:16:46,300

similarity I can I can definitely

395

00:16:48,930 --> 00:16:47,589

question that and I'm quite happy to

396

00:16:51,960 --> 00:16:48,940

dismiss all that because it's

397

00:16:53,250 --> 00:16:51,970

drug-induced but when I would say I know

398

00:16:55,699 --> 00:16:53,260

what you're saying things that aren't

399

00:17:00,720 --> 00:16:55,709

explained by modern science maybe like

400

00:17:02,699 --> 00:17:00,730

spiritual healing or telepathy things in

401  
00:17:04,290 --> 00:17:02,709  
but in those lines but I think the

402  
00:17:06,510 --> 00:17:04,300  
things that really convinced me were

403  
00:17:10,740 --> 00:17:06,520  
more like what I would term the mystical

404  
00:17:12,150 --> 00:17:10,750  
experiences so something that yeah it's

405  
00:17:14,460 --> 00:17:12,160  
usually very hard to put into words but

406  
00:17:16,710 --> 00:17:14,470  
something that felt there was beyond the

407  
00:17:22,250 --> 00:17:16,720  
physical realm experienced in quite a

408  
00:17:25,049 --> 00:17:22,260  
conscious calm calm way where I was

409  
00:17:29,250 --> 00:17:25,059  
different what I am now you know

410  
00:17:31,890 --> 00:17:29,260  
something very much bigger deeper people

411  
00:17:34,669 --> 00:17:31,900  
would call it otherworldly are other

412  
00:17:36,659 --> 00:17:34,679  
dimensionally

413  
00:17:40,560 --> 00:17:36,669

difficult to put into us I think those

414

00:17:44,279 --> 00:17:40,570

experiences because they were internal

415

00:17:48,000 --> 00:17:44,289

and non drug-induced and not even

416

00:17:49,770 --> 00:17:48,010

actually not even some spiritual

417

00:17:51,900 --> 00:17:49,780

practices a lot of people do now again I

418

00:17:54,299 --> 00:17:51,910

like akin to hyperventilating for

419

00:17:56,190 --> 00:17:54,309

example holotropic boogie they call it

420

00:17:58,909 --> 00:17:56,200

so it wasn't anything like that it was

421

00:18:02,520 --> 00:17:58,919

just a very spontaneous natural like

422

00:18:04,620 --> 00:18:02,530

experience this is something like just a

423

00:18:06,299 --> 00:18:04,630

personal thing for you that you perhaps

424

00:18:09,000 --> 00:18:06,309

couldn't you know obviously demonstrate

425

00:18:11,909 --> 00:18:09,010

to other people that was having yeah for

426

00:18:15,510 --> 00:18:11,919

you it it really revealed that there was

427

00:18:19,130 --> 00:18:15,520

you know something more that's what it

428

00:18:21,450 --> 00:18:19,140

seems like I'm always skeptical about

429

00:18:24,299 --> 00:18:21,460

it's been 20 years and it's still been

430

00:18:26,399 --> 00:18:24,309

impossible to deny any of those things

431

00:18:28,380 --> 00:18:26,409

that happens there was something

432

00:18:29,700 --> 00:18:28,390

interesting that you wrote about one of

433

00:18:32,130 --> 00:18:29,710

your teachers or one of the guys you

434

00:18:33,630 --> 00:18:32,140

were talking with he told you that if

435

00:18:35,779 --> 00:18:33,640

you practice certain things for long

436

00:18:39,630 --> 00:18:35,789

enough certain effects would take place

437

00:18:41,820 --> 00:18:39,640

mhm and you found that they did and I

438

00:18:46,049 --> 00:18:41,830

found this very interesting because you

439

00:18:48,240 --> 00:18:46,059

know Nathan Thompson yeah it's the flat

440

00:18:51,330 --> 00:18:48,250

earther he has a very similar story to

441

00:18:53,580 --> 00:18:51,340

you that's he he said he had a you know

442

00:18:56,070 --> 00:18:53,590

a kind of a guru type guy who told him

443

00:18:59,720 --> 00:18:56,080

that if he memorized the periodic table

444

00:19:05,010 --> 00:18:59,730

he would grow two inches which

445

00:19:06,960 --> 00:19:05,020

apparently so he did but I I'm assuming

446

00:19:09,029 --> 00:19:06,970

that that wasn't the exact type of thing

447

00:19:10,620 --> 00:19:09,039

that you you were doing back then

448

00:19:13,409 --> 00:19:10,630

what were the the things that you

449

00:19:15,000 --> 00:19:13,419

practice yeah I think I think the things

450

00:19:18,180 --> 00:19:15,010

I would be talking about were more about

451

00:19:20,850 --> 00:19:18,190

say developing a sense of peace or joy

452

00:19:22,950 --> 00:19:20,860

or awareness way presence or so really

453

00:19:25,649 --> 00:19:22,960

yeah wasn't anything it's kind of like

454

00:19:28,700 --> 00:19:25,659

if you meditate a bunch if you learn to

455

00:19:32,039 --> 00:19:28,710

do this would that teach I was doing

456

00:19:34,860 --> 00:19:32,049

what we would call wilderness solos or

457

00:19:36,960 --> 00:19:34,870

vision quests which is kind of a

458

00:19:39,870 --> 00:19:36,970

prolonged period of a lone time in

459

00:19:43,860 --> 00:19:39,880

nature whereas the first one was for six

460

00:19:46,710 --> 00:19:43,870

days that was on a beach in Mexico with

461

00:19:47,340 --> 00:19:46,720

nothing to do so there'll be no reading

462

00:19:50,880 --> 00:19:47,350

no right

463

00:19:53,370 --> 00:19:50,890

no cooking no fires no walking around it

464

00:19:56,100 --> 00:19:53,380

kind of make a little circle and just

465

00:20:00,090 --> 00:19:56,110

sit in it do the old contemplate the

466

00:20:01,920 --> 00:20:00,100

navel kind of thing what to see what

467

00:20:03,180 --> 00:20:01,930

happens really it's a very desert it's a

468

00:20:06,540 --> 00:20:03,190

way to be without any kind of

469

00:20:08,520 --> 00:20:06,550

distraction so that a person can go yeah

470

00:20:10,680 --> 00:20:08,530

the idea is to be inside themselves or

471

00:20:13,200 --> 00:20:10,690

purely with themselves which is

472

00:20:14,550 --> 00:20:13,210

something I guess to look around the

473

00:20:18,140 --> 00:20:14,560

world is something probably hardly

474

00:20:22,140 --> 00:20:18,150

anyone's done as a percentage to spend

475

00:20:26,400 --> 00:20:22,150

even a day truly with their own being if

476

00:20:29,310 --> 00:20:26,410

I could use that word so and then I did

477

00:20:31,830 --> 00:20:29,320

one for 28 days that was up a mountain

478

00:20:34,440 --> 00:20:31,840

in Colorado so I like to put that to

479

00:20:36,840 --> 00:20:34,450

skeptics of spirituality so well okay

480

00:20:39,870 --> 00:20:36,850

just go sit under a tree for 20 days see

481

00:20:42,030 --> 00:20:39,880

what happens you know it is always it's

482

00:20:43,620 --> 00:20:42,040

not a thing that science can how can you

483

00:20:46,350 --> 00:20:43,630

take that to a laboratory you know how

484

00:20:48,450 --> 00:20:46,360

can you prove that to some like is it

485

00:20:50,220 --> 00:20:48,460

demonstrably and repeatable well I say

486

00:20:51,300 --> 00:20:50,230

okay well yeah it goes sundry on tree

487

00:20:54,660 --> 00:20:51,310

and see what happens

488

00:20:56,460 --> 00:20:54,670

sorry not many people yeah I think my

489

00:20:58,440 --> 00:20:56,470

wife would be happy with me going

490

00:21:00,420 --> 00:20:58,450

sitting under a tree for 28 days

491

00:21:01,860 --> 00:21:00,430

I couldn't theoretically do it do it

492

00:21:02,940 --> 00:21:01,870

here because we have you know trees our

493

00:21:05,550 --> 00:21:02,950

back and there's not a lot of people

494

00:21:11,700 --> 00:21:05,560

around so if I just tell my wife not to

495

00:21:13,620 --> 00:21:11,710

talk to me for the next 28 days yeah I

496

00:21:17,420 --> 00:21:13,630

think people don't do it there because

497

00:21:22,170 --> 00:21:20,520

expensive proposition and in in terms of

498

00:21:24,450 --> 00:21:22,180

things you have to give up like a lot of

499

00:21:27,840 --> 00:21:24,460

people you know they what they work you

500

00:21:29,130 --> 00:21:27,850

can't give it work for 28 days and you

501  
00:21:31,920 --> 00:21:29,140  
know their relationships with other

502  
00:21:34,410 --> 00:21:31,930  
people this is a very hard thing to say

503  
00:21:36,360 --> 00:21:34,420  
just suddenly stop but it's it would be

504  
00:21:39,480 --> 00:21:36,370  
an interesting experiment I kind of wish

505  
00:21:41,640 --> 00:21:39,490  
I go yeah the space and time of space to

506  
00:21:47,420 --> 00:21:41,650  
do it okay how about you could just do

507  
00:21:53,310 --> 00:21:50,520  
nothing the first day you can kind of

508  
00:21:55,500 --> 00:21:53,320  
get through and then the second day it

509  
00:21:57,970 --> 00:21:55,510  
did for my first one it was almost

510  
00:21:59,210 --> 00:21:57,980  
impossibly difficult

511  
00:22:01,800 --> 00:21:59,220  
[Music]

512  
00:22:04,890 --> 00:22:01,810  
it was very the first one actually was

513  
00:22:08,130 --> 00:22:04,900

more difficult than the 28-day one just

514

00:22:10,530 --> 00:22:08,140

because I always look at it and I'd

515

00:22:13,500 --> 00:22:10,540

spent six weeks camping mostly alone

516

00:22:14,820 --> 00:22:13,510

before that period but I was always

517

00:22:16,830 --> 00:22:14,830

doing something you know getting

518

00:22:19,590 --> 00:22:16,840

firewood made from the fire cooking that

519

00:22:22,850 --> 00:22:19,600

better and the first hour of being on

520

00:22:25,830 --> 00:22:22,860

the beach with no distraction and the

521

00:22:28,980 --> 00:22:25,840

awareness that I still had six days

522

00:22:32,190 --> 00:22:28,990

coming up was infinitely more difficult

523

00:22:34,590 --> 00:22:32,200

than six weeks camping alone with doing

524

00:22:39,450 --> 00:22:34,600

stuff you know breathing journaling

525

00:22:41,220 --> 00:22:39,460

whatever so it's some yeah I don't know

526

00:22:43,320 --> 00:22:41,230

if I'd like I don't know if I'd

527

00:22:43,710 --> 00:22:43,330

recommend its people if people are drawn

528

00:22:45,690 --> 00:22:43,720

to it

529

00:22:48,660 --> 00:22:45,700

it was definitely life-changing for me

530

00:22:51,300 --> 00:22:48,670

perhaps more even than some of the other

531

00:22:53,820 --> 00:22:51,310

things yeah you mentioned

532

00:22:59,430 --> 00:22:53,830

shortly after that that you became what

533

00:23:01,950 --> 00:22:59,440

is known as a bliss ninny glistening

534

00:23:03,300 --> 00:23:01,960

alright so one thing that happens I

535

00:23:08,460 --> 00:23:03,310

think to a lot of people when they get

536

00:23:11,180 --> 00:23:08,470

on the spiritual path which I don't want

537

00:23:13,650 --> 00:23:11,190

to say again like a let's say a

538

00:23:15,750 --> 00:23:13,660

non-stimulant non non substance path

539

00:23:17,520 --> 00:23:15,760

these days that everybody's doing

540

00:23:21,240 --> 00:23:17,530

ayahuasca and peyote and I think that's

541

00:23:22,970 --> 00:23:21,250

something different but um I think

542

00:23:25,200 --> 00:23:22,980

what's wrong

543

00:23:27,180 --> 00:23:25,210

ideally I guess we'd do something like a

544

00:23:29,580 --> 00:23:27,190

meditation retreat or we'd spend some

545

00:23:31,530 --> 00:23:29,590

time with a genuine spiritual teacher or

546

00:23:34,860 --> 00:23:31,540

a Vision Quest and we get in touch with

547

00:23:37,200 --> 00:23:34,870

something very deep down oh say deep

548

00:23:39,960 --> 00:23:37,210

down and I go to the heart there so get

549

00:23:42,930 --> 00:23:39,970

in touch with I say true being as as the

550

00:23:45,240 --> 00:23:42,940

teachers would say higher higher power

551  
00:23:47,940 --> 00:23:45,250  
whatever something like that some people

552  
00:23:51,840 --> 00:23:47,950  
call it God as a young man and I've seen

553  
00:23:53,240 --> 00:23:51,850  
it in myself and a lot of people it

554  
00:23:57,870 --> 00:23:53,250  
tends to be a bit like a truck actually

555  
00:24:00,810 --> 00:23:57,880  
so there's an incredible high ever and

556  
00:24:03,230 --> 00:24:00,820  
for me it was you know a lot of ecstasy

557  
00:24:05,760 --> 00:24:03,240  
just feeling ecstatic all the time

558  
00:24:07,970 --> 00:24:05,770  
naturally which is really nice

559  
00:24:10,170 --> 00:24:07,980  
now why would anyone do these kind of

560  
00:24:12,240 --> 00:24:10,180  
spiritual practices if there wasn't a

561  
00:24:14,159 --> 00:24:12,250  
little reward

562  
00:24:16,320 --> 00:24:14,169  
and there is a reward the the ecstasy

563  
00:24:17,130 --> 00:24:16,330

the joy that just naturally arises so I

564

00:24:19,980 --> 00:24:17,140

can say oh wow

565

00:24:22,409 --> 00:24:19,990

I could just meditate for 10 babies as I

566

00:24:25,169 --> 00:24:22,419

did later on nothing I mean I've

567

00:24:26,700 --> 00:24:25,179

ecstatically happy just breathing just

568

00:24:30,750 --> 00:24:26,710

for hours and hours it's so it's really

569

00:24:32,940 --> 00:24:30,760

wonderful but also as a young guy with

570

00:24:37,649 --> 00:24:32,950

all the psychological baggage that's

571

00:24:41,279 --> 00:24:37,659

kind of still there but neglected it can

572

00:24:45,390 --> 00:24:41,289

get a little bit imbalanced people just

573

00:24:48,000 --> 00:24:45,400

say I'm just gonna do this I'm just

574

00:24:51,000 --> 00:24:48,010

gonna dance and hug everyone and I run

575

00:24:52,649 --> 00:24:51,010

around naked barefoot whatever kind of

576

00:24:56,130 --> 00:24:52,659

lit and living for that giving giving up

577

00:24:57,810 --> 00:24:56,140

all material interests yes yes we could

578

00:25:00,539 --> 00:24:57,820

say like having experienced the Bliss of

579

00:25:03,120 --> 00:25:00,549

the soul or union with something a

580

00:25:05,700 --> 00:25:03,130

higher power inside all nothing else

581

00:25:07,740 --> 00:25:05,710

matters and so for me I think it was

582

00:25:10,320 --> 00:25:07,750

quite a classical experience of having a

583

00:25:12,330 --> 00:25:10,330

couple of years like that where I was

584

00:25:13,289 --> 00:25:12,340

just the Blessed ninny just bouncing

585

00:25:14,940 --> 00:25:13,299

around in bliss

586

00:25:18,120 --> 00:25:14,950

everything's amazing everybody's

587

00:25:20,480 --> 00:25:18,130

beautiful people liked it because they

588

00:25:22,500 --> 00:25:20,490

could see how incredibly happy I was but

589

00:25:24,600 --> 00:25:22,510

it was a little bit

590

00:25:26,810 --> 00:25:24,610

it wasn't balanced it wasn't what we

591

00:25:30,630 --> 00:25:26,820

call grounded it wasn't integrated

592

00:25:33,600 --> 00:25:30,640

mm-hmm and it tends in it it tends to

593

00:25:35,070 --> 00:25:33,610

wear off I think after a while and now

594

00:25:36,570 --> 00:25:35,080

when I see people are in that phase

595

00:25:38,610 --> 00:25:36,580

they're gonna they look like they're

596

00:25:40,110 --> 00:25:38,620

just not they don't really have much

597

00:25:42,990 --> 00:25:40,120

substance a little bit like they could

598

00:25:45,299 --> 00:25:43,000

they could float away you know they're

599

00:25:47,549 --> 00:25:45,309

very happy but they're not actually

600

00:25:51,960 --> 00:25:47,559

really they're kind of in the physical

601  
00:25:54,029 --> 00:25:51,970  
body being solid yeah I mean I don't

602  
00:25:55,440 --> 00:25:54,039  
know for somebody who has a lot of

603  
00:25:57,840 --> 00:25:55,450  
background in that stuff this would all

604  
00:26:00,210 --> 00:25:57,850  
make I think perfect sense and for other

605  
00:26:02,490 --> 00:26:00,220  
people who don't then I don't know if

606  
00:26:03,990 --> 00:26:02,500  
that makes sense to you or not it just

607  
00:26:05,310 --> 00:26:04,000  
makes sense to me I can kind of see that

608  
00:26:06,870 --> 00:26:05,320  
like you know it's obviously very

609  
00:26:08,730 --> 00:26:06,880  
attractive having these mystical

610  
00:26:12,419 --> 00:26:08,740  
experiences and I think you've been

611  
00:26:14,760 --> 00:26:12,429  
there in a way that can be all that you

612  
00:26:16,830 --> 00:26:14,770  
need yeah just being young you just have

613  
00:26:18,659 --> 00:26:16,840

this feeling of happiness if you can

614

00:26:20,820 --> 00:26:18,669

yeah make make your brain do this

615

00:26:22,710 --> 00:26:20,830

regardless of whether it's a you know

616

00:26:24,299 --> 00:26:22,720

some kind of genuine mr. Figg experience

617

00:26:25,460 --> 00:26:24,309

or just kind of some way of tricking a

618

00:26:28,549 --> 00:26:25,470

brain chemistry

619

00:26:30,169 --> 00:26:28,559

into into this then you know it's it

620

00:26:32,539 --> 00:26:30,179

feels good and they're happy and that's

621

00:26:34,700 --> 00:26:32,549

that's great but yeah like I say this

622

00:26:37,070 --> 00:26:34,710

there's more to life than just simply

623

00:26:41,749 --> 00:26:37,080

having a sensation of happiness all the

624

00:26:43,669 --> 00:26:41,759

time yeah and if it's a true lasting

625

00:26:46,009 --> 00:26:43,679

like we would say that the Guru's the

626

00:26:48,499 --> 00:26:46,019

true guru the true Saint the true

627

00:26:51,850 --> 00:26:48,509

enlightened person would be established

628

00:26:54,710 --> 00:26:51,860

in that bliss kind of in a non-stop way

629

00:26:56,299 --> 00:26:54,720

that's the kind of goal and as a young

630

00:26:57,860 --> 00:26:56,309

person it feels like wow this has been

631

00:27:01,549 --> 00:26:57,870

lasting for a year or two years I must

632

00:27:03,860 --> 00:27:01,559

be there and it's not it's just it's not

633

00:27:06,999 --> 00:27:03,870

so different to a drug high it's just

634

00:27:10,100 --> 00:27:07,009

that it lasts a lot longer and it's uh

635

00:27:12,110 --> 00:27:10,110

yeah they still have come down I still

636

00:27:16,039 --> 00:27:12,120

came down eventually in there it was

637

00:27:19,779 --> 00:27:16,049

that was difficult as well so I yeah not

638

00:27:24,350 --> 00:27:19,789

so attracted to them listen anything now

639

00:27:28,009 --> 00:27:24,360

so after that in your little your your

640

00:27:32,480 --> 00:27:28,019

essay you talk about kind of starting to

641

00:27:34,460 --> 00:27:32,490

believe in strange things I guess but

642

00:27:35,990 --> 00:27:34,470

you you said you had friends tell you

643

00:27:38,570 --> 00:27:36,000

about the hundreth monkey which is the

644

00:27:40,279 --> 00:27:38,580

idea that monkeys can kind of you get a

645

00:27:41,840 --> 00:27:40,289

critical mass of monkeys learning one

646

00:27:44,960 --> 00:27:41,850

thing and all the monkeys ever in the

647

00:27:47,019 --> 00:27:44,970

world learned the same thing and similar

648

00:27:48,590 --> 00:27:47,029

theories with with meditation

649

00:27:50,749 --> 00:27:48,600

Transcendental Meditation

650

00:27:53,659 --> 00:27:50,759

and there was a theory that the Bible

651  
00:27:55,879 --> 00:27:53,669  
was all changed and suppressed and there

652  
00:27:58,490 --> 00:27:55,889  
was some more accurate Bible than in

653  
00:28:01,100 --> 00:27:58,500  
some other things it seems like yeah

654  
00:28:02,690 --> 00:28:01,110  
this is kind of you getting into almost

655  
00:28:04,310 --> 00:28:02,700  
conspiracy theories because the idea

656  
00:28:06,080 --> 00:28:04,320  
that the Bible has been you know

657  
00:28:09,320 --> 00:28:06,090  
deliberately changed and suppressed is

658  
00:28:12,409 --> 00:28:09,330  
essentially a conspiracy theory would

659  
00:28:14,119 --> 00:28:12,419  
you say you kind of just kind of in this

660  
00:28:16,070 --> 00:28:14,129  
the spiritual life that you're in and

661  
00:28:17,899 --> 00:28:16,080  
the people you were around was there a

662  
00:28:20,060 --> 00:28:17,909  
lot of that type of thing like floating

663  
00:28:23,779 --> 00:28:20,070

around the edges of various types of

664

00:28:26,149 --> 00:28:23,789

conspiracy theories yeah I think so I

665

00:28:27,680 --> 00:28:26,159

think they weren't this is still twenty

666

00:28:31,279 --> 00:28:27,690

years ago and it wasn't quite what we

667

00:28:33,499 --> 00:28:31,289

see now yeah but eventually I was

668

00:28:36,440 --> 00:28:33,509

because of my my spirituality was

669

00:28:39,350 --> 00:28:36,450

non-religious I had an atheistic

670

00:28:43,520 --> 00:28:39,360

upbringing and I guess I I found myself

671

00:28:45,770 --> 00:28:43,530

into new-age circles where kind of

672

00:28:47,750 --> 00:28:45,780

anything goes really because I've been

673

00:28:50,060 --> 00:28:47,760

in those circles in recent years as well

674

00:28:51,800 --> 00:28:50,070

but with a kind of a mob what I would

675

00:28:54,110 --> 00:28:51,810

consider more balanced makes your mind

676

00:28:56,330 --> 00:28:54,120

yeah there's just a lot of stories that

677

00:28:58,310 --> 00:28:56,340

go around and people repeat things

678

00:29:00,290 --> 00:28:58,320

it's the interesting thing so the idea

679

00:29:02,000 --> 00:29:00,300

of the hundredth monkey you know one

680

00:29:04,250 --> 00:29:02,010

person tells another person it just gets

681

00:29:05,930 --> 00:29:04,260

passed around as as gospel

682

00:29:07,850 --> 00:29:05,940

maybe one of the famous ones that comes

683

00:29:11,720 --> 00:29:07,860

to mind is the ayah the observer effect

684

00:29:14,240 --> 00:29:11,730

in quantum physics so because the New

685

00:29:15,830 --> 00:29:14,250

Age belief would be that we create our

686

00:29:18,380 --> 00:29:15,840

own reality which I don't really

687

00:29:19,880 --> 00:29:18,390

subscribe to that anymore but again it's

688

00:29:22,400 --> 00:29:19,890

one of those things at very appealing

689

00:29:24,320 --> 00:29:22,410

and there's a certain amount of truth in

690

00:29:27,800 --> 00:29:24,330

it and we can see it online these

691

00:29:29,000 --> 00:29:27,810

wonderful states I think there's a lot

692

00:29:31,250 --> 00:29:29,010

of truth in those and I love those

693

00:29:32,960 --> 00:29:31,260

things but they get a bit weird after a

694

00:29:35,360 --> 00:29:32,970

while so the idea that well anything's

695

00:29:36,890 --> 00:29:35,370

possible so they say oh I've experienced

696

00:29:38,990 --> 00:29:36,900

a few things like previously thought

697

00:29:41,390 --> 00:29:39,000

were impossible I guess anything can be

698

00:29:43,480 --> 00:29:41,400

possible massive and people dedicate

699

00:29:46,790 --> 00:29:43,490

their lives to learning to levitate and

700

00:29:49,250 --> 00:29:46,800

I'm not aware of any genuine it examples

701  
00:29:52,790 --> 00:29:49,260  
of that and then the conspiracy theories

702  
00:29:55,880 --> 00:29:52,800  
do drip in a little bit so I do see some

703  
00:29:57,500 --> 00:29:55,890  
of my new age friends on 9/11 yeah I

704  
00:30:00,940 --> 00:29:57,510  
wouldn't even call them truthers but

705  
00:30:03,710 --> 00:30:00,950  
they never mild interest and a Miles

706  
00:30:05,780 --> 00:30:03,720  
skepticism and then the chemtrail seems

707  
00:30:08,720 --> 00:30:05,790  
to be the more popular one I think

708  
00:30:10,670 --> 00:30:08,730  
because probably the New Age communities

709  
00:30:12,530 --> 00:30:10,680  
are very interested in health you know a

710  
00:30:15,320 --> 00:30:12,540  
lot of it's about eating well and

711  
00:30:17,750 --> 00:30:15,330  
healing the body and making it as

712  
00:30:19,130 --> 00:30:17,760  
healthy as it can be and then you know

713  
00:30:22,220 --> 00:30:19,140

common trails are difficult to get away

714

00:30:24,170 --> 00:30:22,230

from so that's when I hear the most I

715

00:30:26,270 --> 00:30:24,180

think yeah and I'm one that I did I

716

00:30:28,670 --> 00:30:26,280

remember hearing this in the late 90s

717

00:30:32,180 --> 00:30:28,680

and it was interesting something I

718

00:30:34,790 --> 00:30:32,190

thought about it I probably believed it

719

00:30:36,110 --> 00:30:34,800

the first time I heard it and maybe

720

00:30:37,700 --> 00:30:36,120

thought about it for a few weeks but

721

00:30:41,750 --> 00:30:37,710

then never talked about it with anyone

722

00:30:43,670 --> 00:30:41,760

and forgot about it these to be some

723

00:30:46,010 --> 00:30:43,680

light strange New England that's in 99

724

00:30:47,480 --> 00:30:46,020

so it was all y2k stuff and then it came

725

00:30:49,970 --> 00:30:47,490

back around now we've got you know

726

00:30:51,860 --> 00:30:49,980

Nibiru and planetary yeah they came back

727

00:30:53,240 --> 00:30:51,870

rounding twin I was I'd grown out of it

728

00:30:55,760 --> 00:30:53,250

by 2012 and so I was

729

00:30:57,649 --> 00:30:55,770

nothing's gonna happen but I recognize

730

00:31:00,649 --> 00:30:57,659

this is exactly the same stuff that

731

00:31:03,409 --> 00:31:00,659

people were saying in 99 for y2k and

732

00:31:05,020 --> 00:31:03,419

Nostradamus and so that was the kind of

733

00:31:07,310 --> 00:31:05,030

things that used to float around and

734

00:31:09,500 --> 00:31:07,320

then I could find newsletters from the

735

00:31:11,470 --> 00:31:09,510

70s or 80s or sixties and they were

736

00:31:13,820 --> 00:31:11,480

saying exactly the same thing as author

737

00:31:14,450 --> 00:31:13,830

so it just keeps coming around in our

738

00:31:16,130 --> 00:31:14,460

eye on them

739

00:31:19,250 --> 00:31:16,140

it always seems very fresh when you're

740

00:31:21,140 --> 00:31:19,260

fresh in it but I did used to believe

741

00:31:25,010 --> 00:31:21,150

that stuff captain you know coming

742

00:31:26,870 --> 00:31:25,020

cataclysms and and I just nothing

743

00:31:30,470 --> 00:31:26,880

happened than it wore off I got a bit

744

00:31:32,570 --> 00:31:30,480

it's more sensible I think did you we

745

00:31:35,149 --> 00:31:32,580

preparing for a coming capitalism over

746

00:31:36,740 --> 00:31:35,159

it really and they're trying to raise

747

00:31:37,100 --> 00:31:36,750

the world consciousness or something

748

00:31:39,560 --> 00:31:37,110

like that

749

00:31:43,520 --> 00:31:39,570

yeah it's it's you know I'd forgotten

750

00:31:46,279 --> 00:31:43,530

about that but yes I was not in a major

751  
00:31:50,390 --> 00:31:46,289  
way but there was a real sense like okay

752  
00:31:52,789 --> 00:31:50,400  
when when the clock turns 2000 you know

753  
00:31:54,590 --> 00:31:52,799  
I want to be in the right place so that

754  
00:31:56,360 --> 00:31:54,600  
was that was something and I would

755  
00:31:58,580 --> 00:31:56,370  
really try and feel like what's the

756  
00:31:59,750 --> 00:31:58,590  
right place for me and I think I tried

757  
00:32:05,029 --> 00:31:59,760  
so out to be in the right place I've

758  
00:32:07,240 --> 00:32:05,039  
been on place but and also there was a

759  
00:32:10,130 --> 00:32:07,250  
sense back then a lot of these

760  
00:32:12,740 --> 00:32:10,140  
newsletters web pages and also some

761  
00:32:16,159 --> 00:32:12,750  
teachers would promote this idea at all

762  
00:32:17,840 --> 00:32:16,169  
all you people everybody's waking up I'm

763  
00:32:20,270 --> 00:32:17,850

sure they say it now as well but there's

764

00:32:22,130 --> 00:32:20,280

this idea of universal enlightenment so

765

00:32:23,659 --> 00:32:22,140

like Oh have you noticed that you know

766

00:32:26,480 --> 00:32:23,669

you're waking up and people you know are

767

00:32:27,680 --> 00:32:26,490

waking up and you go yes well kaskus we

768

00:32:29,659 --> 00:32:27,690

live in a new age community and

769

00:32:31,490 --> 00:32:29,669

everyone's just woken up and that's why

770

00:32:33,169 --> 00:32:31,500

they're there and it seems like the

771

00:32:36,620 --> 00:32:33,179

whole world is waking up and everything

772

00:32:38,570 --> 00:32:36,630

reinforces that and then these

773

00:32:40,310 --> 00:32:38,580

newsletters and a lot of them were

774

00:32:42,980 --> 00:32:40,320

channeled you know channel views that

775

00:32:45,830 --> 00:32:42,990

it's like mm-hmm say are the coming

776

00:32:49,610 --> 00:32:45,840

changes the earth may tip on its axis

777

00:32:50,210 --> 00:32:49,620

and societies will collapse and then you

778

00:32:54,560 --> 00:32:50,220

will be ready

779

00:32:56,419 --> 00:32:54,570

and you'll you know you've already gone

780

00:32:57,799 --> 00:32:56,429

through all these layers of fear and

781

00:33:01,310 --> 00:32:57,809

you're not worried about anything and

782

00:33:03,289 --> 00:33:01,320

you know how to live by foraging and so

783

00:33:05,060 --> 00:33:03,299

that I think there was a real growing

784

00:33:06,409 --> 00:33:05,070

myth at that time but I definitely

785

00:33:08,419 --> 00:33:06,419

bought into it like okay

786

00:33:11,060 --> 00:33:08,429

okay I'm gonna be a teacher I'm gonna

787

00:33:12,979 --> 00:33:11,070

lead some people on the Cataclysm will

788

00:33:14,419 --> 00:33:12,989

happen and then a whole bunch of people

789

00:33:16,789 --> 00:33:14,429

will come and say oh we don't know what

790

00:33:19,220 --> 00:33:16,799

to do and I'll say hey hey no more a

791

00:33:23,299 --> 00:33:19,230

just observe your breath and we'll grow

792

00:33:25,700 --> 00:33:23,309

some potatoes how is that going to help

793

00:33:27,700 --> 00:33:25,710

though with all their you know having

794

00:33:31,460 --> 00:33:27,710

your very good breathing techniques

795

00:33:33,830 --> 00:33:31,470

after the Cataclysm I guess you won't be

796

00:33:35,899 --> 00:33:33,840

afraid like if that happened like if I

797

00:33:36,889 --> 00:33:35,909

lost everything now or people that I

798

00:33:38,060 --> 00:33:36,899

know who are like me if they lose

799

00:33:38,629 --> 00:33:38,070

everything they say well it doesn't

800

00:33:41,960 --> 00:33:38,639

matter

801  
00:33:43,489 --> 00:33:41,970  
because all I need is so okay so those

802  
00:33:45,499 --> 00:33:43,499  
years of traveling and kind of

803  
00:33:48,590 --> 00:33:45,509  
establishing that in myself I traveled

804  
00:33:50,720 --> 00:33:48,600  
for a long time without money kind of

805  
00:33:53,090 --> 00:33:50,730  
living on what I would call grace or

806  
00:33:54,889 --> 00:33:53,100  
Providence and so there's something in

807  
00:33:56,720 --> 00:33:54,899  
me that maybe other people wouldn't have

808  
00:33:58,849 --> 00:33:56,730  
that they would say oh well I lost my

809  
00:34:01,639 --> 00:33:58,859  
car I might as well just shoot myself or

810  
00:34:03,349 --> 00:34:01,649  
I lost my wife or I lost my house and

811  
00:34:05,239 --> 00:34:03,359  
then that comes down to I guess the

812  
00:34:07,789 --> 00:34:05,249  
Buddhist idea of attachment so if you

813  
00:34:09,770 --> 00:34:07,799

can transcend all your attachments -

814

00:34:12,379 --> 00:34:09,780

first of all the material realm and then

815

00:34:15,440 --> 00:34:12,389

two other things such as beliefs such as

816

00:34:17,750 --> 00:34:15,450

something we're interested in then and

817

00:34:20,839 --> 00:34:17,760

still realize that we're perfectly okay

818

00:34:22,520 --> 00:34:20,849

and you're okay so I guess the idea was

819

00:34:24,680 --> 00:34:22,530

all these other people would be freaking

820

00:34:26,119 --> 00:34:24,690

out because the financial system and

821

00:34:27,260 --> 00:34:26,129

collapsed and you you know you'd be

822

00:34:30,589 --> 00:34:27,270

alright you'd be sitting there going oh

823

00:34:32,059 --> 00:34:30,599

don't worry about it it's fine you can

824

00:34:34,549 --> 00:34:32,069

still laugh and you can still get

825

00:34:36,319 --> 00:34:34,559

everything you need that was the idea I

826

00:34:39,950 --> 00:34:36,329

don't believe in that coming Cataclysm

827

00:34:42,859 --> 00:34:39,960

now yeah I thought it was interesting

828

00:34:44,930 --> 00:34:42,869

that you you said you were going around

829

00:34:46,129 --> 00:34:44,940

you thought everybody she had similar

830

00:34:47,809 --> 00:34:46,139

beliefs to you because you were just

831

00:34:49,930 --> 00:34:47,819

talking to people who had mystical and

832

00:34:53,359 --> 00:34:49,940

then you you came back to England and

833

00:34:54,950 --> 00:34:53,369

you kind of you saw the people in

834

00:34:58,160 --> 00:34:54,960

England which is the same as that always

835

00:35:02,480 --> 00:34:58,170

been yeah that's something I think back

836

00:35:04,250 --> 00:35:02,490

on with fun that's because so because

837

00:35:05,839 --> 00:35:04,260

because I just say I feel like it's it's

838

00:35:08,720 --> 00:35:05,849

a kind of waking up as well working up

839

00:35:10,609 --> 00:35:08,730

to just realism but there isn't a

840

00:35:12,319 --> 00:35:10,619

universal enlightenment happen him and

841

00:35:14,630 --> 00:35:12,329

maybe on a smaller scale I'm not sure

842

00:35:16,579 --> 00:35:14,640

and Yoga seems a lot more popular now

843

00:35:20,030 --> 00:35:16,589

than it was a hundred years ago and

844

00:35:22,250 --> 00:35:20,040

meditation and mindfulness so but

845

00:35:23,780 --> 00:35:22,260

on the whole after just being in

846

00:35:26,810 --> 00:35:23,790

spiritual communities for a few years

847

00:35:29,690 --> 00:35:26,820

and he's waking up and then I went back

848

00:35:33,350 --> 00:35:29,700

to leads them 11 o'clock on a Friday

849

00:35:35,740 --> 00:35:33,360

night you know do I walk for every

850

00:35:38,330 --> 00:35:35,750

person waking up there was 10,000 people

851  
00:35:41,240 --> 00:35:38,340  
drinking and shouting and falling over

852  
00:35:42,830 --> 00:35:41,250  
in the street yeah yeah I think a lot of

853  
00:35:44,720 --> 00:35:42,840  
people you know they gain their little

854  
00:35:47,780 --> 00:35:44,730  
community is especially online nowadays

855  
00:35:51,440 --> 00:35:47,790  
and they just is not aware that there

856  
00:35:53,330 --> 00:35:51,450  
are what mainstream that the mainstream

857  
00:35:56,270 --> 00:35:53,340  
world is actually a lie and what most

858  
00:35:57,710 --> 00:35:56,280  
people are like yeah they think that

859  
00:35:59,360 --> 00:35:57,720  
everyone thinks like they're like the

860  
00:36:01,220 --> 00:35:59,370  
chemtrail people they think that

861  
00:36:03,920 --> 00:36:01,230  
everybody knows about chemtrails and

862  
00:36:05,960 --> 00:36:03,930  
everybody is you know concerned about

863  
00:36:07,670 --> 00:36:05,970

these lines in the sky and everybody is

864

00:36:09,710 --> 00:36:07,680

things that are being poisoned

865

00:36:11,750 --> 00:36:09,720

when you just talk to pretty much any

866

00:36:13,570 --> 00:36:11,760

random person and it's pretty unlikely

867

00:36:16,820 --> 00:36:13,580

that they've even heard of chemtrails

868

00:36:19,580 --> 00:36:16,830

yeah yeah Ill even yeah I'm a deep

869

00:36:21,950 --> 00:36:19,590

bunker and I yeah because I talk about

870

00:36:23,120 --> 00:36:21,960

it so often I think that it's I got the

871

00:36:25,430 --> 00:36:23,130

feeling that it's more prevalent

872

00:36:26,810 --> 00:36:25,440

unintentional years and I thought it's

873

00:36:28,190 --> 00:36:26,820

mean wonder like what are you talking

874

00:36:31,730 --> 00:36:28,200

about what is this chemtrail thing that

875

00:36:34,370 --> 00:36:31,740

you're saying what you know what no

876

00:36:35,780 --> 00:36:34,380

one's even heard of this it's just not

877

00:36:39,590 --> 00:36:35,790

these these things are not as prevalent

878

00:36:41,570 --> 00:36:39,600

as they seem once we get stuck into it

879

00:36:43,880 --> 00:36:41,580

I Earth's a prime example as well

880

00:36:46,370 --> 00:36:43,890

there was moments with how my god

881

00:36:47,960 --> 00:36:46,380

everyone's believing it and then I

882

00:36:50,540 --> 00:36:47,970

talked to a real person in the real

883

00:36:55,130 --> 00:36:50,550

world what people believe that just

884

00:36:56,600 --> 00:36:55,140

ignore it it helps to actually sit down

885

00:36:58,850 --> 00:36:56,610

and really think about the numbers

886

00:37:02,630 --> 00:36:58,860

involved and say okay they're not even

887

00:37:04,520 --> 00:37:02,640

gonna fill a small football stadium if

888

00:37:07,160 --> 00:37:04,530

you take a holder say all the believers

889

00:37:10,310 --> 00:37:07,170

worldwide now it puts it into

890

00:37:12,140 --> 00:37:10,320

perspective this I think I had a phase

891

00:37:13,280 --> 00:37:12,150

and I saw online that a lot of people

892

00:37:15,860 --> 00:37:13,290

had phases where they just felt

893

00:37:19,220 --> 00:37:15,870

overwhelmed by this level of what they

894

00:37:25,670 --> 00:37:19,230

perceive as kind of what would you call

895

00:37:28,250 --> 00:37:25,680

it the death of education and critical

896

00:37:30,740 --> 00:37:28,260

thinking it's small small potatoes

897

00:37:33,380 --> 00:37:30,750

really anything yeah because the world

898

00:37:33,950 --> 00:37:33,390

is going on pretty much as it was if you

899

00:37:35,420 --> 00:37:33,960

do step

900

00:37:38,030 --> 00:37:35,430

back from these things like if I step

901  
00:37:40,430 --> 00:37:38,040  
away from from debunking and the

902  
00:37:42,650 --> 00:37:40,440  
investigation a I do it's like it's like

903  
00:37:44,510 --> 00:37:42,660  
oh why am I even bothering another time

904  
00:37:47,180 --> 00:37:44,520  
because it is it is in some ways quite a

905  
00:37:48,609 --> 00:37:47,190  
small thing but then again it's still

906  
00:37:50,780 --> 00:37:48,619  
affecting the lives of lots of people

907  
00:37:54,520 --> 00:37:50,790  
maybe not as a percentage of the

908  
00:37:58,040 --> 00:37:54,530  
population but still a lot thousands

909  
00:38:00,050 --> 00:37:58,050  
millions in some cases do you think that

910  
00:38:03,290 --> 00:38:00,060  
do you think about stepping away from

911  
00:38:05,480 --> 00:38:03,300  
debunking I sometimes get a little bit

912  
00:38:07,280 --> 00:38:05,490  
frustrated with it especially if I've

913  
00:38:09,230 --> 00:38:07,290

been spending too much time in one thing

914

00:38:11,900 --> 00:38:09,240

like Flat Earth like I did a lot of

915

00:38:13,010 --> 00:38:11,910

Lutter debunking in the lead up to me

916

00:38:15,910 --> 00:38:13,020

going to speak at this Flat Earth

917

00:38:19,670 --> 00:38:15,920

conference as a couple of months ago and

918

00:38:22,670 --> 00:38:19,680

you just kind of go through all of the

919

00:38:24,550 --> 00:38:22,680

things and when you talk to people it

920

00:38:27,349 --> 00:38:24,560

doesn't seem to make any difference

921

00:38:29,030 --> 00:38:27,359

bunking you did but that in itself was

922

00:38:31,030 --> 00:38:29,040

very interesting because I went to this

923

00:38:34,220 --> 00:38:31,040

conference and I talked to people and

924

00:38:36,740 --> 00:38:34,230

there was one guy in particular I was

925

00:38:38,030 --> 00:38:36,750

showing him pictures of Catalina Island

926  
00:38:39,650 --> 00:38:38,040  
which actually the pictures he took of

927  
00:38:42,470 --> 00:38:39,660  
Catalina Island and we're discussing

928  
00:38:45,710 --> 00:38:42,480  
like how the near the horizon cuts off

929  
00:38:48,560 --> 00:38:45,720  
the bottom half of the island and he was

930  
00:38:49,940 --> 00:38:48,570  
saying that he thought that's just

931  
00:38:51,620 --> 00:38:49,950  
because of perspective and that's

932  
00:38:53,240 --> 00:38:51,630  
because it was far away and you know

933  
00:38:55,250 --> 00:38:53,250  
when I was doing the way I was fitting

934  
00:38:57,410 --> 00:38:55,260  
the pictures to the horizon was all

935  
00:38:59,450 --> 00:38:57,420  
wrong and then I should have I should

936  
00:39:01,010 --> 00:38:59,460  
actually have made it bigger and I said

937  
00:39:04,310 --> 00:39:01,020  
I can make it bigger he doesn't fit and

938  
00:39:07,220 --> 00:39:04,320

and he was just very interesting being

939

00:39:09,290 --> 00:39:07,230

unable to get through to somebody it was

940

00:39:12,589 --> 00:39:09,300

frustrating but it was kind of

941

00:39:14,300 --> 00:39:12,599

fascinating look at why people continue

942

00:39:17,440 --> 00:39:14,310

to believe in these things because they

943

00:39:21,800 --> 00:39:17,450

can't actually wrap their head around

944

00:39:23,599 --> 00:39:21,810

them yeah I think it's similar with 9/11

945

00:39:25,070 --> 00:39:23,609

like we don't eleven people can't

946

00:39:28,220 --> 00:39:25,080

conceive of how the buildings could have

947

00:39:29,589 --> 00:39:28,230

collapsed you get the same type of thing

948

00:39:31,490 --> 00:39:29,599

you know other than the people can't

949

00:39:34,490 --> 00:39:31,500

conceive of something in their head

950

00:39:35,900 --> 00:39:34,500

there for conspiracy it's sad so it

951  
00:39:40,160 --> 00:39:35,910  
sounds like I don't know whether the

952  
00:39:42,260 --> 00:39:40,170  
conference was important in this or just

953  
00:39:43,930 --> 00:39:42,270  
in general and your general debunking it

954  
00:39:46,609 --> 00:39:43,940  
sounds like you've done quite well of

955  
00:39:47,410 --> 00:39:46,619  
going beyond the frustration aspect of

956  
00:39:51,849 --> 00:39:47,420  
it

957  
00:39:54,420 --> 00:39:51,859  
someone who won't who can't get that

958  
00:39:58,960 --> 00:39:54,430  
basic something basic as basic as

959  
00:40:00,609 --> 00:39:58,970  
photographs of an island like you seem

960  
00:40:02,620 --> 00:40:00,619  
you seem quite fine with that

961  
00:40:04,299 --> 00:40:02,630  
yeah well you've got a what can you do

962  
00:40:06,190 --> 00:40:04,309  
you can't just say throw up your arms

963  
00:40:08,109 --> 00:40:06,200

and say you're an idiot and walk away I

964

00:40:10,480 --> 00:40:08,119

think a lot of people do that

965

00:40:12,490 --> 00:40:10,490

they do it because it's frustrating and

966

00:40:15,069 --> 00:40:12,500

it almost seems like the other person is

967

00:40:17,140 --> 00:40:15,079

being deliberately deliberately not

968

00:40:19,420 --> 00:40:17,150

seeing this thing but I don't think

969

00:40:21,279 --> 00:40:19,430

that's entirely true I think there's a

970

00:40:22,900 --> 00:40:21,289

degree where them their their minds are

971

00:40:24,880 --> 00:40:22,910

steering them away from it because they

972

00:40:27,730 --> 00:40:24,890

think that something else is true so

973

00:40:29,529 --> 00:40:27,740

they don't want it to be true but it's a

974

00:40:32,769 --> 00:40:29,539

lot of the times people genuinely have a

975

00:40:34,990 --> 00:40:32,779

hard time with visualizing things in

976

00:40:37,230 --> 00:40:35,000

three dimensions it's difficult to

977

00:40:39,480 --> 00:40:37,240

explain certain concepts to people even

978

00:40:41,620 --> 00:40:39,490

like this simple you know Flat Earth

979

00:40:43,809 --> 00:40:41,630

experiments that you can do where you

980

00:40:45,400 --> 00:40:43,819

you set up the sticks by the side of a

981

00:40:47,259 --> 00:40:45,410

canal and then you look along them and

982

00:40:51,279 --> 00:40:47,269

you see if it's curved curved or not

983

00:40:54,130 --> 00:40:51,289

just the Wallis experiment it's actually

984

00:40:56,380 --> 00:40:54,140

hard to explain that to ordinary people

985

00:40:59,829 --> 00:40:56,390

who aren't used to thinking about things

986

00:41:01,089 --> 00:40:59,839

in terms of lines of sights and geometry

987

00:41:03,309 --> 00:41:01,099

and things like that

988

00:41:05,620 --> 00:41:03,319

never mind the math just but just the

989

00:41:07,120 --> 00:41:05,630

the spatial relationships of things

990

00:41:09,609 --> 00:41:07,130

people don't think about it most people

991

00:41:11,740 --> 00:41:09,619

don't really understand how far away the

992

00:41:14,349 --> 00:41:11,750

Sun is or how far away the moon is or

993

00:41:16,480 --> 00:41:14,359

how big the Sun is or how big the

994

00:41:18,400 --> 00:41:16,490

universe is they have no conception and

995

00:41:21,880 --> 00:41:18,410

you can't get it through to them so I

996

00:41:25,930 --> 00:41:21,890

think realizing that is is a good start

997

00:41:27,579 --> 00:41:25,940

for genuine communication I would say

998

00:41:29,680 --> 00:41:27,589

probably most people who understand how

999

00:41:32,049 --> 00:41:29,690

to think in 3d don't understand that

1000

00:41:34,569 --> 00:41:32,059

other people can't do that but yeah yeah

1001  
00:41:37,450 --> 00:41:34,579  
definitely and my background is a very

1002  
00:41:39,640 --> 00:41:37,460  
very strong 3d thinking thing because I

1003  
00:41:44,499 --> 00:41:39,650  
spent like you know decades doing video

1004  
00:41:47,380 --> 00:41:44,509  
games which a lot of that is 3d geometry

1005  
00:41:49,930 --> 00:41:47,390  
I took advanced mathematics of school

1006  
00:41:52,059 --> 00:41:49,940  
and yeah a third of that was 3d

1007  
00:41:53,769 --> 00:41:52,069  
coordinate geometry which most people

1008  
00:41:56,349 --> 00:41:53,779  
didn't take a school it was this obscure

1009  
00:41:58,450 --> 00:41:56,359  
escort topic so yeah I've got this like

1010  
00:42:01,960 --> 00:41:58,460  
my brain is wired for three dimensions

1011  
00:42:03,460 --> 00:42:01,970  
the almost nobody

1012  
00:42:05,410 --> 00:42:03,470  
you know there's other people who are

1013  
00:42:07,359 --> 00:42:05,420

into computer graphics I and people who

1014

00:42:08,680 --> 00:42:07,369

you know think about and inner artists

1015

00:42:12,130 --> 00:42:08,690

maybe you're thinking about lines of

1016

00:42:14,920 --> 00:42:12,140

sight the most people they they don't

1017

00:42:16,480 --> 00:42:14,930

have the same brain as me and so you've

1018

00:42:19,180 --> 00:42:16,490

really got to figure out how you explain

1019

00:42:21,700 --> 00:42:19,190

things do it to those people you you

1020

00:42:23,470 --> 00:42:21,710

have some things that you talk about a

1021

00:42:25,750 --> 00:42:23,480

lot with the mountains the relative

1022

00:42:27,310 --> 00:42:25,760

heights of mountains like if you stand

1023

00:42:29,020 --> 00:42:27,320

on the top of one mountain and this is

1024

00:42:30,579 --> 00:42:29,030

other mountain the same height and then

1025

00:42:33,430 --> 00:42:30,589

another one the same hiked further away

1026

00:42:34,839 --> 00:42:33,440

this should all be level with each other

1027

00:42:36,970 --> 00:42:34,849

if it's a flat earth or one should be

1028

00:42:38,950 --> 00:42:36,980

higher than another if it's around earth

1029

00:42:42,720 --> 00:42:38,960

and if they're different heights you can

1030

00:42:44,530 --> 00:42:42,730

work out the angles yeah but I think I

1031

00:42:46,060 --> 00:42:44,540

don't know if you're really going to be

1032

00:42:51,910 --> 00:42:46,070

reaching many people with that because

1033

00:42:54,849 --> 00:42:51,920

yeah what angles you know is people

1034

00:42:57,820 --> 00:42:54,859

don't in their daily life they they

1035

00:42:58,960 --> 00:42:57,830

don't know what an angle is yeah even a

1036

00:43:01,300 --> 00:42:58,970

lot of people you ask them what a right

1037

00:43:03,070 --> 00:43:01,310

angle is they won't know what the right

1038

00:43:04,720 --> 00:43:03,080

angle is just ordinary people because he

1039

00:43:06,730 --> 00:43:04,730

doesn't come up and if you haven't

1040

00:43:09,820 --> 00:43:06,740

thought about what a right angle is for

1041

00:43:11,170 --> 00:43:09,830

the last 20 30 years and someone

1042

00:43:13,120 --> 00:43:11,180

suddenly starts talking about well it

1043

00:43:15,970 --> 00:43:13,130

should be like you know 0.7 degrees here

1044

00:43:18,130 --> 00:43:15,980

and 0.72 five degrees for this mountain

1045

00:43:23,230 --> 00:43:18,140

and it's not a 0.6 no I

1046

00:43:26,800 --> 00:43:23,240

yeah talking about yeah it's been an

1047

00:43:29,950 --> 00:43:26,810

interesting journey do you get much

1048

00:43:32,770 --> 00:43:29,960

feedback on your your debunking videos

1049

00:43:34,240 --> 00:43:32,780

from people who have you convinced

1050

00:43:39,790 --> 00:43:34,250

anybody has anybody said oh yeah that

1051  
00:43:41,470 --> 00:43:39,800  
makes sense and because in 1 or 2 1 or 2

1052  
00:43:43,359 --> 00:43:41,480  
said they were on the fence and now

1053  
00:43:44,740 --> 00:43:43,369  
they're gonna go with the globe well

1054  
00:43:46,930 --> 00:43:44,750  
that's what they said at the time I mean

1055  
00:43:48,460 --> 00:43:46,940  
who knows which I thought there might

1056  
00:43:54,460 --> 00:43:48,470  
have been more maybe I would have hoped

1057  
00:43:57,849 --> 00:43:54,470  
for more yeah yeah I think um so much

1058  
00:43:59,380 --> 00:43:57,859  
feedback from people now and often that

1059  
00:44:01,180 --> 00:43:59,390  
when it does come it comes kind of

1060  
00:44:02,800 --> 00:44:01,190  
almost indirectly years later and it's

1061  
00:44:04,750 --> 00:44:02,810  
more like you were part of the picture

1062  
00:44:07,810 --> 00:44:04,760  
rather than you were the turning point

1063  
00:44:09,250 --> 00:44:07,820

they were saying it was very useful so I

1064

00:44:12,220 --> 00:44:09,260

think the other stuff you doing now is

1065

00:44:13,599 --> 00:44:12,230

is solid debunking stuff like you've

1066

00:44:15,040 --> 00:44:13,609

done a lot of these videos like

1067

00:44:17,980 --> 00:44:15,050

explaining

1068

00:44:19,570 --> 00:44:17,990

you know why these mountains prove that

1069

00:44:24,130 --> 00:44:19,580

the earth is round and I think for some

1070

00:44:26,200 --> 00:44:24,140

people that can be helpful yeah choose

1071

00:44:30,720 --> 00:44:26,210

this all the the people who already know

1072

00:44:32,920 --> 00:44:30,730

that the globe just say yeah well that's

1073

00:44:34,390 --> 00:44:32,930

your preaching to the choir a lot I

1074

00:44:35,790 --> 00:44:34,400

think something about Flat Earth

1075

00:44:38,860 --> 00:44:35,800

debunking is that it's very entertaining

1076

00:44:40,330 --> 00:44:38,870

for the debunkers it's just it's a very

1077

00:44:41,710 --> 00:44:40,340

immediately attractive thing that you

1078

00:44:43,120 --> 00:44:41,720

can grasp hold off and if you do know a

1079

00:44:44,950 --> 00:44:43,130

little bit of geometry you can just you

1080

00:44:46,570 --> 00:44:44,960

can do the math and you can or you can

1081

00:44:48,880 --> 00:44:46,580

make these observations that you've got

1082

00:44:51,130 --> 00:44:48,890

this one way you you look at the horizon

1083

00:44:52,510 --> 00:44:51,140

and you've got the straight edge where

1084

00:44:54,730 --> 00:44:52,520

you you compare the straight edge

1085

00:45:00,130 --> 00:44:54,740

against the horizon these fun things you

1086

00:45:01,990 --> 00:45:00,140

can do and it's also two worlds of like

1087

00:45:03,280 --> 00:45:02,000

people who enjoy doing the debunking

1088

00:45:05,520 --> 00:45:03,290

stuff and there's people who enjoy

1089

00:45:10,410 --> 00:45:05,530

believing it and there's not that much

1090

00:45:12,610 --> 00:45:10,420

actual overlap doesn't seem like it now

1091

00:45:15,370 --> 00:45:12,620

yeah it's been a journey with the

1092

00:45:17,430 --> 00:45:15,380

plateau thing for sure and metal bunks

1093

00:45:19,990 --> 00:45:17,440

been a big part of them your approach to

1094

00:45:23,020 --> 00:45:20,000

trying to be civil and just very

1095

00:45:25,060 --> 00:45:23,030

balanced level-headed and then I really

1096

00:45:26,320 --> 00:45:25,070

seen it again as I guess as I do most

1097

00:45:29,230 --> 00:45:26,330

things in life as a tool for personal

1098

00:45:31,030 --> 00:45:29,240

development so this idea what we just

1099

00:45:33,250 --> 00:45:31,040

talked about you know trying to trying

1100

00:45:35,170 --> 00:45:33,260

to understand that people see the world

1101  
00:45:37,210 --> 00:45:35,180  
differently to how I see it oh we all

1102  
00:45:38,770 --> 00:45:37,220  
see it differently and and so okay well

1103  
00:45:43,870 --> 00:45:38,780  
there's no reason to be frustrated with

1104  
00:45:47,170 --> 00:45:43,880  
them all the to say big the video thing

1105  
00:45:49,630 --> 00:45:47,180  
that I did I had a creative desire to

1106  
00:45:51,700 --> 00:45:49,640  
make these videos and to get the

1107  
00:45:54,130 --> 00:45:51,710  
knowledge that I accumulated in my head

1108  
00:45:56,620 --> 00:45:54,140  
which was big I become becoming a bit of

1109  
00:45:57,250 --> 00:45:56,630  
a burden and I wanted to get it out of

1110  
00:46:00,250 --> 00:45:57,260  
me

1111  
00:46:01,900 --> 00:46:00,260  
so in a way it's you know I was

1112  
00:46:03,670 --> 00:46:01,910  
perfectly satisfied I didn't need to

1113  
00:46:04,270 --> 00:46:03,680

convert anyone I didn't need to prove

1114

00:46:07,090 --> 00:46:04,280

anything

1115

00:46:10,540 --> 00:46:07,100

cuz I just want to make videos enjoy it

1116

00:46:12,160 --> 00:46:10,550

and get it out of me so I got my reward

1117

00:46:14,560 --> 00:46:12,170

anyway and then everything else was a

1118

00:46:17,380 --> 00:46:14,570

bonus and the idea also just working

1119

00:46:19,270 --> 00:46:17,390

with expectations or working with my own

1120

00:46:22,720 --> 00:46:19,280

attachments to how other people should

1121

00:46:25,690 --> 00:46:22,730

be or think or when even like you say

1122

00:46:28,240 --> 00:46:25,700

people come around in years you know so

1123

00:46:28,740 --> 00:46:28,250

if it works in five years that's fine I

1124

00:46:30,960 --> 00:46:28,750

shouldn't

1125

00:46:34,110 --> 00:46:30,970

an attachment to anybody understanding

1126

00:46:36,510 --> 00:46:34,120

anything today or tomorrow so it's all

1127

00:46:38,640 --> 00:46:36,520

yeah it's been interesting that when I

1128

00:46:40,560 --> 00:46:38,650

felt the frustration calm or the anger

1129

00:46:45,090 --> 00:46:40,570

okay well it that's something for me to

1130

00:46:46,980 --> 00:46:45,100

learn from now so that's been nice well

1131

00:46:49,530 --> 00:46:46,990

I think some of the debunkers just don't

1132

00:46:51,810 --> 00:46:49,540

seem to they don't take it as a personal

1133

00:46:53,850 --> 00:46:51,820

journey they want more people to change

1134

00:46:56,130 --> 00:46:53,860

on other people's minds to think

1135

00:46:59,250 --> 00:46:56,140

differently and I don't think the world

1136

00:47:01,340 --> 00:46:59,260

really works like that very well what do

1137

00:47:07,620 --> 00:47:01,350

you think of these the other debunkers

1138

00:47:10,050 --> 00:47:07,630

on YouTube like Simon Dan or quite the

1139

00:47:11,910 --> 00:47:10,060

Flat Earth you know there's guys who

1140

00:47:14,490 --> 00:47:11,920

have channels that are almost entirely

1141

00:47:16,290 --> 00:47:14,500

devoted to Flat Earth debunking I think

1142

00:47:19,020 --> 00:47:16,300

Simon dams branching out a bit more now

1143

00:47:21,870 --> 00:47:19,030

but yeah like for a while it was just

1144

00:47:24,090 --> 00:47:21,880

all you know pick a flat earth video and

1145

00:47:27,060 --> 00:47:24,100

make fun of it and then you can see I'm

1146

00:47:28,560 --> 00:47:27,070

doing debates like they they will find

1147

00:47:31,860 --> 00:47:28,570

some flat earthers and then they will

1148

00:47:33,870 --> 00:47:31,870

just you know basically the one guy

1149

00:47:35,340 --> 00:47:33,880

calling the other guy stupid for a half

1150

00:47:38,340 --> 00:47:35,350

an hour and then explaining why in

1151  
00:47:42,900 --> 00:47:38,350  
stupid what do you think that's a good

1152  
00:47:44,880 --> 00:47:42,910  
thing it's not really my cup of tea like

1153  
00:47:45,840 --> 00:47:44,890  
what I what I try and tell myself to

1154  
00:47:49,140 --> 00:47:45,850  
look on the bright side is well

1155  
00:47:50,550 --> 00:47:49,150  
everything has its place so I mean Simon

1156  
00:47:55,560 --> 00:47:50,560  
Donna's a huge number of followers

1157  
00:47:59,430 --> 00:47:55,570  
people who love his videos and I have

1158  
00:48:01,350 --> 00:47:59,440  
seen in his comments people say you know

1159  
00:48:04,530 --> 00:48:01,360  
oh I was a flyer that I'm not anymore

1160  
00:48:06,780 --> 00:48:04,540  
because of Simon BAM so I think okay so

1161  
00:48:11,130 --> 00:48:06,790  
he because he gets a huge audience he's

1162  
00:48:13,080 --> 00:48:11,140  
gonna probably help more people and he

1163  
00:48:15,720 --> 00:48:13,090

gets a huge audience because of his more

1164

00:48:18,090 --> 00:48:15,730

popularised style like it's pretty

1165

00:48:20,310 --> 00:48:18,100

straight to the point it's quite it's

1166

00:48:23,190 --> 00:48:20,320

not confrontational but he likes to mock

1167

00:48:24,840 --> 00:48:23,200

people and after low hanging fruit I

1168

00:48:27,420 --> 00:48:24,850

said well that's not really what I want

1169

00:48:30,300 --> 00:48:27,430

to do and I wouldn't feel comfortable

1170

00:48:33,600 --> 00:48:30,310

being that way but you know that's his

1171

00:48:35,430 --> 00:48:33,610

thing and yeah I don't find it

1172

00:48:39,240 --> 00:48:35,440

particularly interesting that the

1173

00:48:41,010 --> 00:48:39,250

debates they have the the non sequitur

1174

00:48:42,690 --> 00:48:41,020

sure like I know you were on there

1175

00:48:46,550 --> 00:48:42,700

talking to Steve McCray

1176

00:48:50,160 --> 00:48:46,560

yeah yeah and he you know he likes to

1177

00:48:52,530 --> 00:48:50,170

call people idiots and I thought it was

1178

00:48:54,210 --> 00:48:52,540

beautiful answered him was really nice I

1179

00:48:56,790 --> 00:48:54,220

featured it in one of my hundreds of

1180

00:48:58,440 --> 00:48:56,800

videos for there you came across with

1181

00:49:00,630 --> 00:48:58,450

that very compassion that balanced

1182

00:49:02,730 --> 00:49:00,640

approach and he was a hard but they're

1183

00:49:08,670 --> 00:49:02,740

just idiots why do you keep inviting

1184

00:49:12,420 --> 00:49:08,680

them on harassing your street you're

1185

00:49:14,700 --> 00:49:12,430

asking them to your space yes I thought

1186

00:49:16,380 --> 00:49:14,710

people were idiots why would you you

1187

00:49:20,640 --> 00:49:16,390

know make fun of them all the time it

1188

00:49:22,319 --> 00:49:20,650

just doesn't seem very nice views and

1189

00:49:25,859 --> 00:49:22,329

subscribers thing and I didn't want that

1190

00:49:28,920 --> 00:49:25,869

yeah and I you know as a contrarian and

1191

00:49:30,540 --> 00:49:28,930

to some degree so once I stopped making

1192

00:49:32,310 --> 00:49:30,550

my Flat Earth videos I put up a whole

1193

00:49:34,620 --> 00:49:32,320

bunch of videos about my spiritual

1194

00:49:38,430 --> 00:49:34,630

journey thinking that I could lose most

1195

00:49:40,859 --> 00:49:38,440

of my subscribers because I've just I

1196

00:49:42,420 --> 00:49:40,869

well I guess I'm I was never into it for

1197

00:49:44,190 --> 00:49:42,430

that even though I had accusations that

1198

00:49:46,440 --> 00:49:44,200

I was wanting views and subscribing

1199

00:49:48,210 --> 00:49:46,450

why why would I want that I think the

1200

00:49:50,960 --> 00:49:48,220

thing is as well with the assignment and

1201  
00:49:53,460 --> 00:49:50,970  
you more popular guys in the in the game

1202  
00:49:55,140 --> 00:49:53,470  
as I would call it I could feel that

1203  
00:49:56,430 --> 00:49:55,150  
when I was doing my videos and it starts

1204  
00:50:00,240 --> 00:49:56,440  
to build and some of them are getting

1205  
00:50:03,480 --> 00:50:00,250  
eight or ten thousand views and all the

1206  
00:50:05,130 --> 00:50:03,490  
comments and the positive feedback and

1207  
00:50:08,849 --> 00:50:05,140  
I'll go get em Rory you know get the

1208  
00:50:11,970 --> 00:50:08,859  
flat earthers pitchfork Brigade and I

1209  
00:50:14,970 --> 00:50:11,980  
think oh wow like what if how do I stop

1210  
00:50:17,430 --> 00:50:14,980  
this now there's all this momentum how

1211  
00:50:18,930 --> 00:50:17,440  
does someone like Simon down if he wakes

1212  
00:50:21,240 --> 00:50:18,940  
up one day and thinks this is Joe I'm

1213  
00:50:24,480 --> 00:50:21,250

bored of this but you've got all these

1214

00:50:25,950 --> 00:50:24,490

followers you've got your income Nathan

1215

00:50:27,809 --> 00:50:25,960

Oakley I think fight the fly they're

1216

00:50:29,490 --> 00:50:27,819

they're getting non-sequitur sure

1217

00:50:33,210 --> 00:50:29,500

they've got their like their livelihoods

1218

00:50:34,530 --> 00:50:33,220

depend on it and so and I could again it

1219

00:50:35,880 --> 00:50:34,540

was a little one of those moments where

1220

00:50:39,210 --> 00:50:35,890

I could feel my brain could go in this

1221

00:50:42,839 --> 00:50:39,220

direction and maybe become more popular

1222

00:50:46,609 --> 00:50:42,849

restore more confrontational very very

1223

00:50:49,140 --> 00:50:46,619

easy to do a very easy path to go down I

1224

00:50:50,339 --> 00:50:49,150

don't really want to do that got other

1225

00:50:55,680 --> 00:50:50,349

thing I don't want to be chained to a

1226

00:50:55,680 --> 00:50:55,690

computer just watching people

1227

00:51:01,230 --> 00:50:58,490

pouring water on a ball repeatedly and

1228

00:51:03,059 --> 00:51:01,240

me sitting there editing videos so I can

1229

00:51:05,910 --> 00:51:03,069

laugh at them is not what I want to do

1230

00:51:08,309 --> 00:51:05,920

in my life yeah yeah different strokes

1231

00:51:09,540 --> 00:51:08,319

for different folks indeed indeed I'd

1232

00:51:12,180 --> 00:51:09,550

like to kind of finish up by talking

1233

00:51:17,010 --> 00:51:12,190

about one thing you wrote about in your

1234

00:51:19,829 --> 00:51:17,020

your essay which is Atlantis yeah you

1235

00:51:21,870 --> 00:51:19,839

know this experience with Atlantis which

1236

00:51:23,040 --> 00:51:21,880

I found fascinating because it seemed

1237

00:51:26,180 --> 00:51:23,050

like this turning point

1238

00:51:29,700 --> 00:51:26,190

the key is yes they what happened there

1239

00:51:31,950 --> 00:51:29,710

yeah sure that was that would have been

1240

00:51:34,079 --> 00:51:31,960

in about 2002 when I was in my first

1241

00:51:36,839 --> 00:51:34,089

year at University and kind of went

1242

00:51:41,730 --> 00:51:36,849

later when I was 26 after my traveling

1243

00:51:45,030 --> 00:51:41,740

days and so I was in this process of

1244

00:51:47,099 --> 00:51:45,040

coming back to but I was still running

1245

00:51:51,000 --> 00:51:47,109

with a lot of those old New Age ideas

1246

00:51:52,500 --> 00:51:51,010

that I picked up and again a very

1247

00:51:54,900 --> 00:51:52,510

prevalent thing in the New Age still

1248

00:51:56,700 --> 00:51:54,910

today and it was me back then was this

1249

00:52:00,569 --> 00:51:56,710

idea that was Atlantis was a real place

1250

00:52:01,980 --> 00:52:00,579

and that people could even communicate

1251  
00:52:04,710 --> 00:52:01,990  
with them now these channelers they

1252  
00:52:07,530 --> 00:52:04,720  
could channel Atlanteans and lemurians

1253  
00:52:11,490 --> 00:52:07,540  
and seventh dimensional beings that live

1254  
00:52:13,829 --> 00:52:11,500  
inside Mount Shasta and blouse all very

1255  
00:52:16,920 --> 00:52:13,839  
wild stuff but I it all made sense to me

1256  
00:52:19,380 --> 00:52:16,930  
at the time and then I'm sitting in this

1257  
00:52:22,440 --> 00:52:19,390  
class at university to do with as on

1258  
00:52:25,440 --> 00:52:22,450  
classics and Plato comes up and talking

1259  
00:52:28,200 --> 00:52:25,450  
about Atlantis the origins of Atlantis

1260  
00:52:30,930 --> 00:52:28,210  
as an allegory and I was just kind of

1261  
00:52:32,730 --> 00:52:30,940  
what I thought it was you know something

1262  
00:52:37,230 --> 00:52:32,740  
that we didn't really know about kind of

1263  
00:52:39,569 --> 00:52:37,240

in that King Arthur or you know enough

1264

00:52:43,109 --> 00:52:39,579

there's maybe found the ruins and they

1265

00:52:45,839 --> 00:52:43,119

will find the ruins it's just a story

1266

00:52:48,599 --> 00:52:45,849

that some guy made up so I mean we don't

1267

00:52:51,030 --> 00:52:48,609

really know the origins of Atlantis or

1268

00:52:52,920 --> 00:52:51,040

where Plato got the idea but it was like

1269

00:52:55,650 --> 00:52:52,930

you say it was that moment Michael hi

1270

00:52:58,650 --> 00:52:55,660

I'm gonna look into that and I think

1271

00:53:00,210 --> 00:52:58,660

that from what I remember that was

1272

00:53:02,180 --> 00:53:00,220

something that started a ball rolling

1273

00:53:05,520 --> 00:53:02,190

but when I researched and say wow

1274

00:53:07,319 --> 00:53:05,530

everything I believe the whole I think

1275

00:53:08,900 --> 00:53:07,329

it comes from probably and its roots in

1276

00:53:12,140 --> 00:53:08,910

Madame Blavatsky the

1277

00:53:14,920 --> 00:53:12,150

ah fists they saw this the Atlantis myth

1278

00:53:18,080 --> 00:53:14,930

that has grown up and that survives now

1279

00:53:19,460 --> 00:53:18,090

okay so Plato made the original story

1280

00:53:22,130 --> 00:53:19,470

then some people in the 19th century

1281

00:53:25,010 --> 00:53:22,140

created a myth about it and now me and

1282

00:53:27,890 --> 00:53:25,020

all my friends are repeating it to other

1283

00:53:31,220 --> 00:53:27,900

people like ah okay so I've been really

1284

00:53:33,230 --> 00:53:31,230

wrong about that and it started me I

1285

00:53:34,940 --> 00:53:33,240

think underneath that everything there's

1286

00:53:35,840 --> 00:53:34,950

a real quest for a truth here I don't

1287

00:53:39,500 --> 00:53:35,850

know a lot of people will say that

1288

00:53:42,110 --> 00:53:39,510

that's fine I just wanted to know the

1289

00:53:44,330 --> 00:53:42,120

truth of that yeah and it started a ball

1290

00:53:46,190 --> 00:53:44,340

rolling I think just when I realized how

1291

00:53:47,990 --> 00:53:46,200

wrong I could be and I didn't have any

1292

00:53:50,600 --> 00:53:48,000

interest in building any shields around

1293

00:53:51,890 --> 00:53:50,610

there like okay I had a wrong belief

1294

00:53:55,040 --> 00:53:51,900

that's not the worst thing in the world

1295

00:53:57,850 --> 00:53:55,050

I wonder what else I believe that's

1296

00:54:01,370 --> 00:53:57,860

wrong so I tried to research everything

1297

00:54:03,770 --> 00:54:01,380

that I'd heard and I've done a lot of it

1298

00:54:05,900 --> 00:54:03,780

once I started so this the hundredth

1299

00:54:06,500 --> 00:54:05,910

monkey well okay it's not what I was

1300

00:54:09,350 --> 00:54:06,510

told

1301  
00:54:11,590 --> 00:54:09,360  
this suppo is a science experiment and

1302  
00:54:15,200 --> 00:54:11,600  
this suppose that occurring since that

1303  
00:54:16,400 --> 00:54:15,210  
yeah a lot of it was fantasy and

1304  
00:54:21,590 --> 00:54:16,410  
make-believe them

1305  
00:54:25,910 --> 00:54:21,600  
we'd disappointed um I think my

1306  
00:54:29,780 --> 00:54:25,920  
enthusiasm for truth overrode that and I

1307  
00:54:31,430 --> 00:54:29,790  
do find it happens maybe a few years ago

1308  
00:54:35,540 --> 00:54:31,440  
as something came up that I'd forgotten

1309  
00:54:38,390 --> 00:54:35,550  
about and then came up about some Indian

1310  
00:54:39,980 --> 00:54:38,400  
spiritual teacher why I oh they weren't

1311  
00:54:42,500 --> 00:54:39,990  
quite what I thought there were so I

1312  
00:54:45,740 --> 00:54:42,510  
feel that moment of disappointment but I

1313  
00:54:47,210 --> 00:54:45,750

also know that there's no point in in it

1314

00:54:48,380 --> 00:54:47,220

really there's no point in the feeling

1315

00:54:51,530 --> 00:54:48,390

disappointment there's no point trying

1316

00:54:54,980 --> 00:54:51,540

to cling to the old story the old false

1317

00:54:58,010 --> 00:54:54,990

story really so it's a bit like just

1318

00:55:00,260 --> 00:54:58,020

just a moment of like readjusting yeah

1319

00:55:03,890 --> 00:55:00,270

okay now now I'm in this new reality

1320

00:55:05,840 --> 00:55:03,900

where I'm a one more belief light okay

1321

00:55:07,430 --> 00:55:05,850

that's fine and I've done that enough

1322

00:55:10,100 --> 00:55:07,440

times to know that again it's one of

1323

00:55:12,530 --> 00:55:10,110

those things that it's okay to be

1324

00:55:14,330 --> 00:55:12,540

without beliefs especially beliefs in

1325

00:55:15,680 --> 00:55:14,340

things that aren't real you'll you'll

1326

00:55:17,900 --> 00:55:15,690

I'm sure you're convinced that I believe

1327

00:55:20,060 --> 00:55:17,910

things that aren't real still but that's

1328

00:55:22,290 --> 00:55:20,070

okay also

1329

00:55:25,380 --> 00:55:22,300

that's a topic for another another

1330

00:55:27,990 --> 00:55:25,390

discussion yeah you said how does this

1331

00:55:29,460 --> 00:55:28,000

this affect your your relationships with

1332

00:55:32,010 --> 00:55:29,470

other people that like you other people

1333

00:55:34,770 --> 00:55:32,020

who are still in the mystical more

1334

00:55:35,480 --> 00:55:34,780

mystical mindset then you were alright

1335

00:55:38,880 --> 00:55:35,490

now

1336

00:55:42,350 --> 00:55:38,890

yeah they you said they were they saw

1337

00:55:45,150 --> 00:55:42,360

you as a pain in the ass T banker yeah I

1338

00:55:47,670 --> 00:55:45,160

think I'm kind of lucky like the way

1339

00:55:50,250 --> 00:55:47,680

that I live I tend to move a lot so as I

1340

00:55:53,790 --> 00:55:50,260

change my surroundings change and vice

1341

00:55:56,370 --> 00:55:53,800

versa so when I become a new and enter a

1342

00:55:59,550 --> 00:55:56,380

new way of thinking and I just move into

1343

00:56:02,490 --> 00:55:59,560

a new place but I do have some very old

1344

00:56:04,230 --> 00:56:02,500

friends who as you know from 20 years

1345

00:56:07,260 --> 00:56:04,240

ago haven't changed very much from those

1346

00:56:09,210 --> 00:56:07,270

new-age days and yeah I saw them a few

1347

00:56:12,420 --> 00:56:09,220

years ago and spent time living with

1348

00:56:14,190 --> 00:56:12,430

them again and yeah they saw me as a

1349

00:56:17,280 --> 00:56:14,200

pain in the ass cus like everything they

1350

00:56:20,730 --> 00:56:17,290

said after a while they knew like Rory

1351  
00:56:22,680 --> 00:56:20,740  
seeing their it's gonna come back as you

1352  
00:56:24,570 --> 00:56:22,690  
say well where did you hear that I said

1353  
00:56:28,740 --> 00:56:24,580  
you know yeah I know about that that's

1354  
00:56:31,440 --> 00:56:28,750  
not and it made it hard for me yeah like

1355  
00:56:33,120 --> 00:56:31,450  
then they're very nice people and the

1356  
00:56:35,850 --> 00:56:33,130  
things that they believe don't affect

1357  
00:56:37,890 --> 00:56:35,860  
them in any negative way and then with

1358  
00:56:40,950 --> 00:56:37,900  
it and it's very minor stuff a lot of

1359  
00:56:42,840 --> 00:56:40,960  
the time but it makes it difficult

1360  
00:56:43,230 --> 00:56:42,850  
because I find it hard to keep my mouth

1361  
00:56:45,840 --> 00:56:43,240  
shut

1362  
00:56:48,450 --> 00:56:45,850  
yeah you know I just think I don't want

1363  
00:56:49,800 --> 00:56:48,460

to believe anything that's nonsense also

1364

00:56:52,530 --> 00:56:49,810

some of them are teachers they're like

1365

00:56:55,560 --> 00:56:52,540

yoga teachers meditation teachers and I

1366

00:56:57,510 --> 00:56:55,570

know that they repeat these bunks to

1367

00:56:59,100 --> 00:56:57,520

other people and I think when you're a

1368

00:57:00,990 --> 00:56:59,110

teacher I think there's like a duty

1369

00:57:05,520 --> 00:57:01,000

there to really make sure what you're

1370

00:57:06,870 --> 00:57:05,530

saying is true I think also there's if

1371

00:57:08,700 --> 00:57:06,880

you're a teacher and you've been

1372

00:57:11,040 --> 00:57:08,710

teaching these things to other people I

1373

00:57:13,560 --> 00:57:11,050

think that really would distance center

1374

00:57:15,630 --> 00:57:13,570

Faiz you to actually change your belief

1375

00:57:17,580 --> 00:57:15,640

because it would be so embarrassing to

1376

00:57:18,660 --> 00:57:17,590

have to go to your students and say you

1377

00:57:20,610 --> 00:57:18,670

know I've been telling you all this

1378

00:57:22,860 --> 00:57:20,620

stuff especially you've been doing it

1379

00:57:26,790 --> 00:57:22,870

for years and you've taught hundreds of

1380

00:57:29,370 --> 00:57:26,800

people you can imagine that teachers in

1381

00:57:32,770 --> 00:57:29,380

some ways might actually get more stuck

1382

00:57:35,200 --> 00:57:32,780

in their beliefs than that other people

1383

00:57:38,230 --> 00:57:35,210

I think that's totally true yeah it's

1384

00:57:39,580 --> 00:57:38,240

very yeah very perceptive on yoga person

1385

00:57:42,040 --> 00:57:39,590

to pick up on that

1386

00:57:44,890 --> 00:57:42,050

yeah I see it's totally true I see it

1387

00:57:47,950 --> 00:57:44,900

definitely and the people I know in

1388

00:57:50,020 --> 00:57:47,960

spiritual circles do I say oh I really

1389

00:57:51,430 --> 00:57:50,030

look up to you they don't want to be

1390

00:57:54,670 --> 00:57:51,440

teachers because they see it's such a

1391

00:57:58,240 --> 00:57:54,680

trap you get pigeonholed and put on a

1392

00:58:00,400 --> 00:57:58,250

pedestal and then again it can become

1393

00:58:02,110 --> 00:58:00,410

like feeding the ego and say well I'm on

1394

00:58:04,480 --> 00:58:02,120

this pedestal I guess I kind of like I

1395

00:58:06,910 --> 00:58:04,490

don't really want to get off it's too

1396

00:58:11,710 --> 00:58:06,920

difficult to get off so it gets a real

1397

00:58:12,790 --> 00:58:11,720

trap in a lot of ways yeah right I don't

1398

00:58:14,440 --> 00:58:12,800

think of teachers I think of science

1399

00:58:16,720 --> 00:58:14,450

teachers and I think that's that's fine

1400

00:58:19,300 --> 00:58:16,730

and you know I can see what you're

1401

00:58:21,310 --> 00:58:19,310

saying there with the more spiritual

1402

00:58:23,730 --> 00:58:21,320

teachers you know they want to be right

1403

00:58:26,620 --> 00:58:23,740

but also they don't want to be wrong and

1404

00:58:28,120 --> 00:58:26,630

you can get this they're doing the same

1405

00:58:31,030 --> 00:58:28,130

thing over and over it's not so much a

1406

00:58:32,290 --> 00:58:31,040

journey of discovery if they start out

1407

00:58:36,580 --> 00:58:32,300

with something that's not quite right

1408

00:58:38,980 --> 00:58:36,590

start out with yeah yeah and there's

1409

00:58:40,930 --> 00:58:38,990

that they need to be trusted as well

1410

00:58:43,420 --> 00:58:40,940

yeah before you know it's not just

1411

00:58:46,630 --> 00:58:43,430

science teachers giving you facts it's a

1412

00:58:49,300 --> 00:58:46,640

real interpersonal relationship so it

1413

00:58:52,120 --> 00:58:49,310

has to be a lot of trust there so yeah

1414

00:58:54,340 --> 00:58:52,130

whenever you know is that maybe goes

1415

00:58:56,320 --> 00:58:54,350

over to the conspiracy theorists as well

1416

00:58:58,810 --> 00:58:56,330

like you got the promoters of conspiracy

1417

00:59:00,820 --> 00:58:58,820

theories like the the chemtrail guy Dane

1418

00:59:04,210 --> 00:59:00,830

Wigington who's always essentially

1419

00:59:06,460 --> 00:59:04,220

teaching people about chemtrails they

1420

00:59:08,500 --> 00:59:06,470

they get that same kind of feedback in

1421

00:59:11,410 --> 00:59:08,510

that they've told the same story so many

1422

00:59:13,300 --> 00:59:11,420

times to so many people then it's really

1423

00:59:14,950 --> 00:59:13,310

reinforced it for them and they they're

1424

00:59:18,820 --> 00:59:14,960

they've really brought it brought into

1425

00:59:21,460 --> 00:59:18,830

being right yeah and they'd be such a

1426

00:59:24,430 --> 00:59:21,470

fallout as well oh yeah as you bring up

1427

00:59:27,190 --> 00:59:24,440

a lot that once you kind of step out of

1428

00:59:29,080 --> 00:59:27,200

the conspiracy fiat feels lose all your

1429

00:59:31,510 --> 00:59:29,090

friends and will become like a family

1430

00:59:33,430 --> 00:59:31,520

and so I think somewhere subconsciously

1431

00:59:35,140 --> 00:59:33,440

they they know there's a polariton I

1432

00:59:38,620 --> 00:59:35,150

don't know what it's like in conspiracy

1433

00:59:41,230 --> 00:59:38,630

theory terms but it may be like in a

1434

00:59:42,940 --> 00:59:41,240

Christian Church I've read lots of

1435

00:59:44,290 --> 00:59:42,950

examples of the he's preaching and he

1436

00:59:46,670 --> 00:59:44,300

knows he doesn't believe what he's

1437

00:59:50,000 --> 00:59:46,680

preaching well how can stop

1438

00:59:52,970 --> 00:59:50,010

you know how can he lose what he has so

1439

00:59:55,790 --> 00:59:52,980

he just keeps going yeah yeah great so

1440

00:59:58,300 --> 00:59:55,800

what a real schism everyone needs to

1441

01:00:03,770 --> 00:59:58,310

move countries every now and then just

1442

01:00:06,740 --> 01:00:03,780

some fresh perspective yeah yeah

1443

01:00:09,680 --> 01:00:06,750

are you staying uh and Sweden for a

1444

01:00:12,260 --> 01:00:09,690

while yeah I'll probably be here till at

1445

01:00:15,790 --> 01:00:12,270

least September maybe October maybe the

1446

01:00:21,020 --> 01:00:19,130

zero plan I mean the same position I was

1447

01:00:22,730 --> 01:00:21,030

last year I had no plans and everyone

1448

01:00:24,800 --> 01:00:22,740

kept asking me and I said something will

1449

01:00:27,320 --> 01:00:24,810

come and then just as they left somebody

1450

01:00:30,380 --> 01:00:27,330

offered me a six-month house-sitting gig

1451

01:00:32,600 --> 01:00:30,390

in the beeper I don't know just how

1452

01:00:36,650 --> 01:00:32,610

something but villa sitting so that must

1453

01:00:39,220 --> 01:00:36,660

be very nice yeah we tend to make videos

1454

01:00:41,480 --> 01:00:39,230

yes and do some pleasure for debunking

1455

01:00:43,490 --> 01:00:41,490

did do you have anything planned in the

1456

01:00:49,100 --> 01:00:43,500

future for like debunking type things or

1457

01:00:52,630 --> 01:00:49,110

more videos Wow I honestly feel that I

1458

01:00:55,160 --> 01:00:52,640

exhausted it mmm may I say I had my I

1459

01:00:56,900 --> 01:00:55,170

wanted to share what I had and maybe

1460

01:01:00,350 --> 01:00:56,910

help a few people but I think my prime

1461

01:01:02,240 --> 01:01:00,360

motivation was to get my head clear of

1462

01:01:03,920 --> 01:01:02,250

what I'd got and to experiment with

1463

01:01:05,180 --> 01:01:03,930

video making and I got a lot out of that

1464

01:01:08,180 --> 01:01:05,190

I was never comfortable talking on

1465

01:01:09,740 --> 01:01:08,190

camera and it's kind of fun you know it

1466

01:01:12,350 --> 01:01:09,750

was an experience but once I got to the

1467

01:01:13,790 --> 01:01:12,360

end of it I would wake up every day and

1468

01:01:18,790 --> 01:01:13,800

I've got to make this video this video

1469

01:01:21,860 --> 01:01:18,800

this video very assess almost by that

1470

01:01:23,750 --> 01:01:21,870

creative spirit and that desire and then

1471

01:01:25,070 --> 01:01:23,760

one day I woke up and I had two videos

1472

01:01:27,650 --> 01:01:25,080

left to make which were going to be

1473

01:01:30,890 --> 01:01:27,660

perhaps some of my best ones I just

1474

01:01:32,330 --> 01:01:30,900

thought I'm doing without now and I

1475

01:01:34,970 --> 01:01:32,340

never made them I had the script written

1476

01:01:38,230 --> 01:01:34,980

now I had the sideshow and I didn't

1477

01:01:41,000 --> 01:01:38,240

bother and I feel but I was really happy

1478

01:01:43,250 --> 01:01:41,010

for three days of oh yeah I'm done with

1479

01:01:44,600 --> 01:01:43,260

that now and I was glad because there

1480

01:01:46,850 --> 01:01:44,610

was a stage there I thought I'll give

1481

01:01:49,160 --> 01:01:46,860

one month to it and then it became two

1482

01:01:51,830 --> 01:01:49,170

months and three Messiah it was so

1483

01:01:54,230 --> 01:01:51,840

all-consuming is this ever gonna end I

1484

01:01:57,740 --> 01:01:54,240

don't want to I didn't want to be a guy

1485

01:01:59,150 --> 01:01:57,750

who dedicated his life to that so it was

1486

01:02:00,170 --> 01:01:59,160

so nice to wake up that day and just

1487

01:02:05,650 --> 01:02:00,180

play

1488

01:02:09,069 --> 01:02:05,660

now maybe I should get that

1489

01:02:11,450 --> 01:02:09,079

you know I would start making videos

1490

01:02:13,970 --> 01:02:11,460

more videos and I think are really good

1491

01:02:14,510 --> 01:02:13,980

yeah this podcast thing is new to me as

1492

01:02:17,270 --> 01:02:14,520

well

1493

01:02:18,559 --> 01:02:17,280

it's like episode 14 I thank you yeah

1494

01:02:20,420 --> 01:02:18,569

I'm an interesting in you and meeting

1495

01:02:23,150 --> 01:02:20,430

new people it's great just talking to

1496

01:02:25,940 --> 01:02:23,160

people oh great yeah I mean your videos

1497

01:02:27,980 --> 01:02:25,950

do because you're such a big name and I

1498

01:02:29,990 --> 01:02:27,990

mainly know about flats so you're a huge

1499

01:02:31,760 --> 01:02:30,000

name in flat earth but nobody goes to

1500

01:02:33,290 --> 01:02:31,770

I'm not saying I don't wanna say nobody

1501

01:02:34,130 --> 01:02:33,300

goes to Mack the bank but a lot of

1502

01:02:38,120 --> 01:02:34,140

people don't

1503

01:02:40,330 --> 01:02:38,130

yeah how many of you is a third thing if

1504

01:02:42,370 --> 01:02:40,340

you should get way more than I do

1505

01:02:46,880 --> 01:02:42,380

[Laughter]

1506

01:02:48,290 --> 01:02:46,890

yeah it'll it'll take off I mean I guess

1507

01:02:56,660 --> 01:02:48,300

you just need to insult people more

1508

01:02:59,329 --> 01:02:56,670

often all right yeah no yeah I'm more or

1509

01:03:02,569 --> 01:02:59,339

less just in the last few weeks I felt a

1510

01:03:05,359 --> 01:03:02,579

little bit of a draw towards flatter but

1511

01:03:07,789 --> 01:03:05,369

um - maybe like oh maybe I'll just get

1512

01:03:09,410 --> 01:03:07,799

involved in one more little thing it's

1513

01:03:11,690 --> 01:03:09,420

just when you think you're and they pull

1514

01:03:13,460 --> 01:03:11,700

you back in yeah

1515

01:03:15,589 --> 01:03:13,470

so hope not I don't want to be like that

1516

01:03:19,430 --> 01:03:15,599

again and I just check-in I check in on

1517

01:03:21,650 --> 01:03:19,440

meta bone but the desire to really get

1518

01:03:23,480 --> 01:03:21,660

stuck into us I think I've done what

1519

01:03:25,700 --> 01:03:23,490

what market I do to be honest I put out

1520

01:03:27,680 --> 01:03:25,710

like 200 videos in three months and I

1521

01:03:29,750 --> 01:03:27,690

don't know what else I could do have I

1522

01:03:33,260 --> 01:03:29,760

did the horizon o matic the straight leg

1523

01:03:35,359 --> 01:03:33,270

straight edge a lot of eye level doesn't

1524

01:03:37,160 --> 01:03:35,369

nice the horizon doesn't rise to higher

1525

01:03:40,720 --> 01:03:37,170

levels third on mine there's not a lot

1526

01:03:46,010 --> 01:03:40,730

else I can I can do from what I heard

1527

01:03:47,690 --> 01:03:46,020

those loser people are are you gonna go

1528

01:03:49,430 --> 01:03:47,700

to explain it better okay if I could

1529

01:03:51,920 --> 01:03:49,440

just explain it a little bit better than

1530

01:03:53,809 --> 01:03:51,930

ya dildo get it was my fault

1531

01:03:56,270 --> 01:03:53,819

my whole thing was I just want to

1532

01:03:58,130 --> 01:03:56,280

explain it as simply as possible and it

1533

01:04:00,079 --> 01:03:58,140

still didn't work so I don't know what I

1534

01:04:01,430 --> 01:04:00,089

can do B probably right maybe there's

1535

01:04:04,270 --> 01:04:01,440

just like I'll just try and get I'll

1536

01:04:06,230 --> 01:04:04,280

just try and reach this one person yes

1537

01:04:09,020 --> 01:04:06,240

even even simpler

1538

01:04:10,819 --> 01:04:09,030

all right Rory well this has been a very

1539

01:04:11,850 --> 01:04:10,829

interesting discussion thank you very

1540

01:04:14,010 --> 01:04:11,860

much for doing it

1541

01:04:16,370 --> 01:04:14,020

all right good luck with your editing
