

WILLIE
RABBIT HOLE
ESCAPEE

1
00:00:08,810 --> 00:00:05,660
welcome to tales from the rabbit hole

2
00:00:11,299 --> 00:00:08,820
I'm your host Mick West today's guest is

3
00:00:13,759 --> 00:00:11,309
Willy Willy is the person that I

4
00:00:16,129 --> 00:00:13,769
interviewed for the preface of my book

5
00:00:19,900 --> 00:00:16,139
escaping the rabbit hole he is a very

6
00:00:22,370 --> 00:00:19,910
interesting story he used to be a very

7
00:00:24,590 --> 00:00:22,380
strong believer in a lot of conspiracies

8
00:00:26,990 --> 00:00:24,600
including the chemtrails conspiracy

9
00:00:29,509 --> 00:00:27,000
theory and he eventually found his way

10
00:00:31,130 --> 00:00:29,519
out in part with thanks to the people

11
00:00:34,700 --> 00:00:31,140
and Method bunk but also and other

12
00:00:36,979 --> 00:00:34,710
forums like above top secret he has a

13
00:00:38,990 --> 00:00:36,989

very interesting story about how he got

14

00:00:41,299 --> 00:00:39,000

in and out of the rabbit hole and he had

15

00:00:44,810 --> 00:00:41,309

some interesting thoughts on how his

16

00:00:50,990 --> 00:00:44,820

perspective has changed since he escaped

17

00:00:53,420 --> 00:00:51,000

the ramen ramen really welcome to tales

18

00:00:55,670 --> 00:00:53,430

from the rabbit hole thank you it's good

19

00:00:56,689 --> 00:00:55,680

to be here very good to see you again is

20

00:00:57,889 --> 00:00:56,699

this the first time I've actually seen

21

00:01:00,619 --> 00:00:57,899

you we talked on the phone when I

22

00:01:03,319 --> 00:01:00,629

interviewed you two years ago today you

23

00:01:05,929 --> 00:01:03,329

say it was exactly to the day it's kind

24

00:01:09,140 --> 00:01:05,939

of a funny coincidence yeah and of

25

00:01:11,210 --> 00:01:09,150

course you are the person who is the

26

00:01:14,450 --> 00:01:11,220

prologue to my book he's gaping the

27

00:01:16,130 --> 00:01:14,460

rabbit hole and you're the interview I

28

00:01:17,660 --> 00:01:16,140

did with you then and the kind of a

29

00:01:19,940 --> 00:01:17,670

little mini chapter that I wrote about

30

00:01:22,910 --> 00:01:19,950

it I think really set the tone for the

31

00:01:26,060 --> 00:01:22,920

book yeah cool it worked out like that

32

00:01:30,499 --> 00:01:26,070

yeah it did some people actually they

33

00:01:35,359 --> 00:01:30,509

asked me if you were a made-up person or

34

00:01:37,100 --> 00:01:35,369

some people asked if if you were me some

35

00:01:39,080 --> 00:01:37,110

people thought that I was writing this

36

00:01:42,380 --> 00:01:39,090

prologue as if you know I'm telling my

37

00:01:48,080 --> 00:01:42,390

own story and of course you know there's

38

00:01:49,910 --> 00:01:48,090

nothing nothing at all like me no but it

39

00:01:51,800 --> 00:01:49,920

was really really great to have your

40

00:01:53,929 --> 00:01:51,810

story I think to just to open the book

41

00:01:55,249 --> 00:01:53,939

so that's kind of like just curve you

42

00:01:59,450 --> 00:01:55,259

know can I wanted to touch base with you

43

00:02:01,550 --> 00:01:59,460

it's been two years yeah and so like you

44

00:02:04,550 --> 00:02:01,560

know like maybe just we'll go through

45

00:02:06,740 --> 00:02:04,560

the story again and then just see you

46

00:02:08,839 --> 00:02:06,750

know is that anything changed and you

47

00:02:11,449 --> 00:02:08,849

know what's what's how your perspective

48

00:02:12,740 --> 00:02:11,459

has changed and how it fit in with the

49

00:02:13,670 --> 00:02:12,750

other things that we've learned since

50

00:02:17,020 --> 00:02:13,680

there

51
00:02:21,679 --> 00:02:17,030
okay the short version of that story

52
00:02:23,899 --> 00:02:21,689
starts with me getting into the

53
00:02:28,670 --> 00:02:23,909
chemtrail conspiracy theory through

54
00:02:32,630 --> 00:02:28,680
coast-to-coast am with art bell and i

55
00:02:35,210 --> 00:02:32,640
think it was probably in the mid to late

56
00:02:39,589 --> 00:02:35,220
90s and i think it was probably Dane

57
00:02:43,099 --> 00:02:39,599
Wigington coming on the show or somebody

58
00:02:47,210 --> 00:02:43,109
else I remember back then it was more

59
00:02:49,520 --> 00:02:47,220
talked about chemtrails are either for

60
00:02:51,259 --> 00:02:49,530
mind control or making people sick

61
00:02:53,780 --> 00:02:51,269
through Morgellons disease or something

62
00:02:56,960 --> 00:02:53,790
like that it was kind of something that

63
00:02:59,780 --> 00:02:56,970

I used as entertainment I was living in

64

00:03:02,899 --> 00:02:59,790

a cabin in the woods and AM radio was

65

00:03:07,250 --> 00:03:02,909

like one kind of source of information

66

00:03:09,740 --> 00:03:07,260

that I could get there and um so and as

67

00:03:11,390 --> 00:03:09,750

I mentioned or in your book it says you

68

00:03:13,910 --> 00:03:11,400

know like at some point kind of got

69

00:03:17,599 --> 00:03:13,920

tired of waking up every morning scared

70

00:03:19,849 --> 00:03:17,609

to death of you know that the world's

71

00:03:23,689 --> 00:03:19,859

gonna end basically and you know now I

72

00:03:26,420 --> 00:03:23,699

see that stuff as you know a type of

73

00:03:28,849 --> 00:03:26,430

fear porn is what some people call that

74

00:03:31,250 --> 00:03:28,859

kind of thing yeah so that was in the

75

00:03:36,860 --> 00:03:31,260

early nineties then I kind of had more

76

00:03:40,550 --> 00:03:36,870

connections to what the conspiracy

77

00:03:45,439 --> 00:03:40,560

theory was doing at the time of like 99

78

00:03:47,030 --> 00:03:45,449

or 2000 through a website called what

79

00:03:48,500 --> 00:03:47,040

the heck was it called that hasn't

80

00:03:52,129 --> 00:03:48,510

really happened yeah what really

81

00:03:53,990 --> 00:03:52,139

happened right yeah and that guy he was

82

00:03:57,080 --> 00:03:54,000

kind of an aggregator of other

83

00:04:01,479 --> 00:03:57,090

conspiracy theories like he linked to

84

00:04:05,960 --> 00:04:01,489

rents and he linked to the early days of

85

00:04:12,920 --> 00:04:05,970

of prison planet or that whole Alex

86

00:04:15,670 --> 00:04:12,930

Jones yeah and and it was for me

87

00:04:20,839 --> 00:04:15,680

I hadn't had much experience with

88

00:04:23,690 --> 00:04:20,849

computers or the internet and I only had

89

00:04:25,459 --> 00:04:23,700

a few little places that I went to so it

90

00:04:27,499 --> 00:04:25,469

was like my local newspaper and I

91

00:04:32,070 --> 00:04:27,509

commented

92

00:04:34,070 --> 00:04:32,080

people there and then like maybe Yahoo

93

00:04:36,839 --> 00:04:34,080

News or something is in this conspiracy

94

00:04:40,439 --> 00:04:36,849

site which seemed like to be giving me

95

00:04:42,869 --> 00:04:40,449

you know alternative information that I

96

00:04:45,959 --> 00:04:42,879

don't know it seemed kind of real at the

97

00:04:49,320 --> 00:04:45,969

time and the the interesting thing about

98

00:04:51,540 --> 00:04:49,330

my story was the thing that led me

99

00:04:54,050 --> 00:04:51,550

furthest down the rabbit hole was the

100

00:05:00,390 --> 00:04:54,060

thing that also got me out and that was

101
00:05:03,300 --> 00:05:00,400
ballast tank pictures and and so and I

102
00:05:05,399 --> 00:05:03,310
was on the above top-secret forum I

103
00:05:07,279 --> 00:05:05,409
don't think I was assigned in person I

104
00:05:11,820 --> 00:05:07,289
was just observing conversations there

105
00:05:14,010 --> 00:05:11,830
by this time I had seen one day on what

106
00:05:16,619 --> 00:05:14,020
really happened they said they presented

107
00:05:19,140 --> 00:05:16,629
the ballast tanks as smoking gun

108
00:05:21,959 --> 00:05:19,150
evidence so now I know that's called

109
00:05:23,610 --> 00:05:21,969
priming and like it you know like hey

110
00:05:25,499 --> 00:05:23,620
you're gonna get this information and

111
00:05:27,659 --> 00:05:25,509
it's gonna be smoking gun evidence and

112
00:05:30,059 --> 00:05:27,669
then he yeah and there you go that

113
00:05:33,269 --> 00:05:30,069

worked on me the headline so they they

114

00:05:36,570 --> 00:05:33,279

put it like exactly and so I believed it

115

00:05:38,550 --> 00:05:36,580

and I just swallowed the Hat and I was

116

00:05:40,200 --> 00:05:38,560

like you know there was a moment I've

117

00:05:42,540 --> 00:05:40,210

heard other people in your podcast kind

118

00:05:44,610 --> 00:05:42,550

of described that like Paul's describes

119

00:05:46,559 --> 00:05:44,620

it as you know oh this is real and

120

00:05:48,360 --> 00:05:46,569

that's what it seemed like to me too

121

00:05:50,129 --> 00:05:48,370

like oh this is really real there's the

122

00:05:51,959 --> 00:05:50,139

visual evidence I've been told it's

123

00:05:55,649 --> 00:05:51,969

smoking gun I'm looking at it it looks

124

00:05:57,959 --> 00:05:55,659

like smoke evidence to me and you know I

125

00:06:01,589 --> 00:05:57,969

didn't she didn't change my life in any

126

00:06:04,409 --> 00:06:01,599

great way I didn't go around telling

127

00:06:07,409 --> 00:06:04,419

everybody that the sky is falling but I

128

00:06:09,329 --> 00:06:07,419

would like mention that stuff like in

129

00:06:12,149 --> 00:06:09,339

comments like if I'd sign off on a

130

00:06:13,740 --> 00:06:12,159

comment I'd say stuff like in 9/11 it

131

00:06:16,589 --> 00:06:13,750

was the inside job which I believe that

132

00:06:20,010 --> 00:06:16,599

stuff too but one day on the above top

133

00:06:23,129 --> 00:06:20,020

secret somebody showed the sources of

134

00:06:26,070 --> 00:06:23,139

those the tank pictures you know they're

135

00:06:29,429 --> 00:06:26,080

from an aviation website and it's clear

136

00:06:31,649 --> 00:06:29,439

to me that someone had either didn't

137

00:06:33,510 --> 00:06:31,659

know the source of that information or

138

00:06:35,040 --> 00:06:33,520

they had done the cropping themselves

139

00:06:37,980 --> 00:06:35,050

and cropped out the copyright don't

140

00:06:40,779 --> 00:06:37,990

share this type stuff and so all of a

141

00:06:43,469 --> 00:06:40,789

sudden I now had the thought that

142

00:06:49,239 --> 00:06:43,479

the conspiracy theorist people are lying

143

00:06:51,010 --> 00:06:49,249

or misrepresenting the facts and it and

144

00:06:52,959 --> 00:06:51,020

then the one other thing that kind of

145

00:06:54,760 --> 00:06:52,969

was helpful with that was and I don't

146

00:06:59,790 --> 00:06:54,770

think I mentioned this in the book was I

147

00:07:05,049 --> 00:06:59,800

was doing some counseling with he was a

148

00:07:08,829 --> 00:07:05,059

union counselor here in town and I just

149

00:07:10,719 --> 00:07:08,839

gotten some money with my grandmother

150

00:07:13,929 --> 00:07:10,729

passed away and I thought it'd be a good

151

00:07:16,089 --> 00:07:13,939

idea just to get some counseling not

152

00:07:20,049 --> 00:07:16,099

because I was having any major problems

153

00:07:21,850 --> 00:07:20,059

in my life but I had read a lot of young

154

00:07:24,129 --> 00:07:21,860

and I thought that those were kind of

155

00:07:26,290 --> 00:07:24,139

cool ideas and I thought that maybe

156

00:07:28,480 --> 00:07:26,300

since I had this little extra money I

157

00:07:34,510 --> 00:07:28,490

could spend some on making myself more

158

00:07:36,189 --> 00:07:34,520

individuated and so he actually we were

159

00:07:39,219 --> 00:07:36,199

talking one day and he mentioned

160

00:07:41,260 --> 00:07:39,229

something like how he said he

161

00:07:45,760 --> 00:07:41,270

characterized the town of Olympia as

162

00:07:46,959 --> 00:07:45,770

full of whoo and I thought for a minute

163

00:07:48,879 --> 00:07:46,969

I hadn't really ever heard that

164

00:07:53,079 --> 00:07:48,889

description and this is the guy that I

165

00:07:57,489 --> 00:07:53,089

looked up to and seems like you know I

166

00:08:01,239 --> 00:07:57,499

enjoyed talking with him and so I kind

167

00:08:03,040 --> 00:08:01,249

of gave him some credulity I guess or

168

00:08:06,429 --> 00:08:03,050

something and I thought to myself well

169

00:08:10,779 --> 00:08:06,439

yeah there is a lot of strange you know

170

00:08:15,600 --> 00:08:10,789

belief in here it's like you know your

171

00:08:18,219 --> 00:08:15,610

wax candles yeah you set up in the book

172

00:08:20,949 --> 00:08:18,229

like any other Barry the second sentence

173

00:08:23,409 --> 00:08:20,959

was his home time was as he puts it a

174

00:08:26,529 --> 00:08:23,419

very liberal hippie dippie kind of

175

00:08:30,549 --> 00:08:26,539

community there's all kinds of

176

00:08:32,980 --> 00:08:30,559

alternative health things going on and

177

00:08:34,329 --> 00:08:32,990

you know that's great it creates a whole

178

00:08:36,459 --> 00:08:34,339

industry and people who wouldn't have

179

00:08:40,120 --> 00:08:36,469

these pretty cool jobs now have jobs

180

00:08:44,230 --> 00:08:40,130

doing this stuff that they or may not

181

00:08:45,809 --> 00:08:44,240

have provable effects but it's you know

182

00:08:48,910 --> 00:08:45,819

and so there's stuff like that is

183

00:08:52,300 --> 00:08:48,920

acupuncture or cash I don't want to like

184

00:08:54,130 --> 00:08:52,310

offend people but yeah there's lots of

185

00:08:56,800 --> 00:08:54,140

alternative type of stuff

186

00:09:00,730 --> 00:08:56,810

going on around here but um the effect

187

00:09:04,960 --> 00:09:00,740

so just the cool thing about what it was

188

00:09:07,150 --> 00:09:04,970

for me was people say no one ever has

189

00:09:09,610 --> 00:09:07,160

ever changed anybody's mind online but

190

00:09:11,800 --> 00:09:09,620

that's not true at least for my case and

191

00:09:14,139 --> 00:09:11,810

it wasn't from being involved in any

192

00:09:15,759 --> 00:09:14,149

kind of discussion I was not signed in

193

00:09:17,380 --> 00:09:15,769

and commenting I know we've both gone

194

00:09:19,269 --> 00:09:17,390

back and trying to find the thread and I

195

00:09:21,970 --> 00:09:19,279

can't find it but it doesn't matter

196

00:09:24,430 --> 00:09:21,980

because all that had to happen was I was

197

00:09:27,519 --> 00:09:24,440

an observer and I saw this happen and my

198

00:09:30,400 --> 00:09:27,529

mind changed almost instantly and then

199

00:09:31,750 --> 00:09:30,410

with and then I found your website after

200

00:09:33,490 --> 00:09:31,760

that because someone in the thread was

201
00:09:36,040 --> 00:09:33,500
either from Medibank or it was you I

202
00:09:39,130 --> 00:09:36,050
don't know and then I found Mehta bunk

203
00:09:42,250 --> 00:09:39,140
and after that I spent a couple years

204
00:09:45,040 --> 00:09:42,260
going through all the forums looking at

205
00:09:46,990 --> 00:09:45,050
all the different threads I mean the

206
00:09:48,870 --> 00:09:47,000
passport thread is still I think one of

207
00:09:52,360 --> 00:09:48,880
the clothes threads on that whole site

208
00:09:55,380 --> 00:09:52,370
and then so I kind of started with this

209
00:10:00,730 --> 00:09:55,390
new kind of skeptical attitude and

210
00:10:03,850 --> 00:10:00,740
probably dove right into that maybe

211
00:10:06,790 --> 00:10:03,860
foolishly thinking that this is some way

212
00:10:11,139 --> 00:10:06,800
that's going to I'm going to be able to

213
00:10:14,710 --> 00:10:11,149

debunk myself to the truth but things

214

00:10:17,110 --> 00:10:14,720

like the word truth or the word belief

215

00:10:19,960 --> 00:10:17,120

now are really complicated for me to

216

00:10:22,420 --> 00:10:19,970

talk about and for example like I talked

217

00:10:25,750 --> 00:10:22,430

to people now about conspiracy theories

218

00:10:28,180 --> 00:10:25,760

and it's a takes a lot of them aback

219

00:10:31,090 --> 00:10:28,190

when I say I used to play for your team

220

00:10:33,579 --> 00:10:31,100

I understand that you pick up my cell

221

00:10:36,250 --> 00:10:33,589

and stuff like that and a lot of them

222

00:10:38,500 --> 00:10:36,260

are they can't even believe they say no

223

00:10:43,900 --> 00:10:38,510

it goes down the rabbit hole ever comes

224

00:10:45,910 --> 00:10:43,910

back out or they just find it to be kind

225

00:10:48,130 --> 00:10:45,920

of they just they can't believe it it's

226

00:10:50,050 --> 00:10:48,140

hard to be here a lot actually and when

227

00:10:52,630 --> 00:10:50,060

I was doing my original research for the

228

00:10:55,389 --> 00:10:52,640

book I went on with the 911 forums I

229

00:10:57,220 --> 00:10:55,399

asked you know are there any former 911

230

00:11:02,110 --> 00:10:57,230

truthers here who would like to talk to

231

00:11:04,590 --> 00:11:02,120

me for my book and people would say you

232

00:11:07,769 --> 00:11:04,600

will never find a former 9/11 truther

233

00:11:10,170 --> 00:11:07,779

because once your mind is open

234

00:11:12,809 --> 00:11:10,180

- this this reality then you can never

235

00:11:14,610 --> 00:11:12,819

go back and I think that's not true I

236

00:11:16,980 --> 00:11:14,620

know it's certainly not sure it goes I

237

00:11:19,619 --> 00:11:16,990

know lots of former 9/11 truthers yeah a

238

00:11:21,569 --> 00:11:19,629

lot of the people who are interviewed in

239

00:11:25,019 --> 00:11:21,579

the book oh you know former 9/11

240

00:11:27,629 --> 00:11:25,029

truthers and people do people do

241

00:11:29,670 --> 00:11:27,639

stop being 9/11 truthers my last

242

00:11:31,619 --> 00:11:29,680

interview was with a guy who didn't

243

00:11:36,059 --> 00:11:31,629

really stop believing he just stopped

244

00:11:37,379 --> 00:11:36,069

going to activism at I kind of feel like

245

00:11:41,239 --> 00:11:37,389

give him another ten years

246

00:11:43,949 --> 00:11:41,249

maybe he'll he'll stop believing - but

247

00:11:46,710 --> 00:11:43,959

it's interesting you can upset at one

248

00:11:48,420 --> 00:11:46,720

point it just earlier just now the you

249

00:11:50,970 --> 00:11:48,430

know you can work up and you you were

250

00:11:52,799 --> 00:11:50,980

tired of feeling scared about you know

251
00:11:53,489 --> 00:11:52,809
being being scared that the world is

252
00:12:00,119 --> 00:11:53,499
going to end

253
00:12:02,610 --> 00:12:00,129
yeah I still know yeah it's a you right

254
00:12:04,970 --> 00:12:02,620
you still recognize that it was you know

255
00:12:08,759 --> 00:12:04,980
a negative thing exist these apocalyptic

256
00:12:10,049 --> 00:12:08,769
idea yeah you know but you make you'd

257
00:12:11,850 --> 00:12:10,059
make trade-offs though it cuz you're

258
00:12:14,759 --> 00:12:11,860
like well yes I know this heavy

259
00:12:16,710 --> 00:12:14,769
knowledge but also I know this heavy

260
00:12:18,900 --> 00:12:16,720
knowledge and no one else does and like

261
00:12:20,850 --> 00:12:18,910
it kind of feels good you know Paul

262
00:12:23,549 --> 00:12:20,860
described it as it's like a drug I think

263
00:12:26,879 --> 00:12:23,559

I used some of the same languages yeah I

264

00:12:29,040 --> 00:12:26,889

think that's common feeling yeah

265

00:12:31,980 --> 00:12:29,050

somebody contacted me recently like a

266

00:12:35,460 --> 00:12:31,990

young college kid like he was like 17 or

267

00:12:36,629 --> 00:12:35,470

18 and he was telling me like he keeps

268

00:12:38,579 --> 00:12:36,639

having all these thoughts about

269

00:12:41,220 --> 00:12:38,589

conspiracies and fears about the end of

270

00:12:42,329 --> 00:12:41,230

the world and he wanted me to try to

271

00:12:44,519 --> 00:12:42,339

stop it

272

00:12:46,829 --> 00:12:44,529

but the way he was talking is almost

273

00:12:49,530 --> 00:12:46,839

like he knew it was like a drug to him

274

00:12:51,509 --> 00:12:49,540

he couldn't stop it because he kept

275

00:12:54,540 --> 00:12:51,519

getting drawn back in his mind kept

276

00:12:56,939 --> 00:12:54,550

going to that place even though he

277

00:12:58,470 --> 00:12:56,949

didn't really want to he recognized it

278

00:13:00,419 --> 00:12:58,480

was a negative thing but he was like ah

279

00:13:02,009 --> 00:13:00,429

but what about this what about this it's

280

00:13:03,869 --> 00:13:02,019

kind of like hypochondriacs as well you

281

00:13:07,139 --> 00:13:03,879

know people who are always looking up

282

00:13:09,030 --> 00:13:07,149

their illnesses on the internet and then

283

00:13:10,860 --> 00:13:09,040

yeah yeah I've got you've got a bump on

284

00:13:13,439 --> 00:13:10,870

my arm what is it it's cancer you know I

285

00:13:15,449 --> 00:13:13,449

don't feel well I've got so you know

286

00:13:17,040 --> 00:13:15,459

some disease like people and it's you

287

00:13:19,439 --> 00:13:17,050

know your mind kind of get sucked into

288

00:13:21,170 --> 00:13:19,449

those ways of thinking and it's very

289

00:13:23,330 --> 00:13:21,180

very difficult to get out

290

00:13:27,470 --> 00:13:23,340

yeah I just discovered I sent you a link

291

00:13:30,260 --> 00:13:27,480

on Facebook to a group called what's it

292

00:13:32,330 --> 00:13:30,270

called something debunked it's like the

293

00:13:34,550 --> 00:13:32,340

end of the world debunked doomsday

294

00:13:36,650 --> 00:13:34,560

doomsday to bump and it's a similar

295

00:13:40,100 --> 00:13:36,660

thing it's like people go there because

296

00:13:40,670 --> 00:13:40,110

they want to have their fears just taken

297

00:13:42,620 --> 00:13:40,680

away

298

00:13:45,470 --> 00:13:42,630

there's like this guy that responds to

299

00:13:47,150 --> 00:13:45,480

all of them with some great information

300

00:13:49,400 --> 00:13:47,160

and he just explains you know this is

301
00:13:51,590 --> 00:13:49,410
how they get their reporting wrong and

302
00:13:54,920 --> 00:13:51,600
it's usually like just too much

303
00:13:57,500 --> 00:13:54,930
fear-mongering about global about ice

304
00:14:01,550 --> 00:13:57,510
melting on the polar caps and stuff like

305
00:14:07,790 --> 00:14:01,560
that and so yeah I think it does do harm

306
00:14:09,440 --> 00:14:07,800
i I am i off tonneau what does it matter

307
00:14:12,770 --> 00:14:09,450
what I believe how it's not hurting

308
00:14:15,230 --> 00:14:12,780
anybody but there's a whole scale of how

309
00:14:19,070 --> 00:14:15,240
it does hurt people from all the way up

310
00:14:20,620 --> 00:14:19,080
to the pizza gate shooter guy down to

311
00:14:22,850 --> 00:14:20,630
simple things with you know

312
00:14:26,570 --> 00:14:22,860
relationships with friends and family

313
00:14:28,520 --> 00:14:26,580

getting worse off oh yeah yeah yeah

314

00:14:30,410 --> 00:14:28,530

definitely and the interest on for the

315

00:14:32,930 --> 00:14:30,420

individual like the people who are just

316

00:14:35,330 --> 00:14:32,940

afraid of things exactly it's kind of

317

00:14:36,860 --> 00:14:35,340

crippling fear this this kid I was

318

00:14:38,390 --> 00:14:36,870

talking to he was he was actually think

319

00:14:40,670 --> 00:14:38,400

he was going to college like yes

320

00:14:43,190 --> 00:14:40,680

starting at college and yeah this is

321

00:14:45,950 --> 00:14:43,200

something that when you're a 17 18 year

322

00:14:49,370 --> 00:14:45,960

old kid if you're spending all your time

323

00:14:50,450 --> 00:14:49,380

worrying about the coming apocalypse in

324

00:14:53,300 --> 00:14:50,460

the next year or two

325

00:14:55,550 --> 00:14:53,310

your college is going to suffer you know

326

00:14:57,020 --> 00:14:55,560

yell to get on with life so it's going

327

00:14:59,600 --> 00:14:57,030

to be very very damaging to the

328

00:15:02,510 --> 00:14:59,610

individual you know sure like if you

329

00:15:04,670 --> 00:15:02,520

just some retired person sat at home

330

00:15:06,800 --> 00:15:04,680

occasionally reading about 9/11 theories

331

00:15:09,020 --> 00:15:06,810

just for entertainment yeah that may be

332

00:15:11,630 --> 00:15:09,030

fine but for a lot of people it's very

333

00:15:14,990 --> 00:15:11,640

very real and it's very very impactful

334

00:15:17,210 --> 00:15:15,000

on their lives and it's also wasteful I

335

00:15:18,740 --> 00:15:17,220

mean it's just it's really wasteful like

336

00:15:24,860 --> 00:15:18,750

there's all these people very concerned

337

00:15:27,350 --> 00:15:24,870

about 9/11 still and they could be you

338

00:15:30,920 --> 00:15:27,360

know channeling that or chemtrails could

339

00:15:34,160 --> 00:15:30,930

be channeling that into you know climate

340

00:15:34,940 --> 00:15:34,170

climate change activism instead of you

341

00:15:36,350 --> 00:15:34,950

know

342

00:15:38,990 --> 00:15:36,360

yeah there's all these real problems

343

00:15:40,790 --> 00:15:39,000

yeah I mean even if you some people like

344

00:15:43,070 --> 00:15:40,800

the if they're very suspicious

345

00:15:44,360 --> 00:15:43,080

conspiratorial people a lot of the times

346

00:15:46,310 --> 00:15:44,370

they don't believe climate change is

347

00:15:47,240 --> 00:15:46,320

real but there's lots of you know even

348

00:15:49,580 --> 00:15:47,250

if they're not going to get straight

349

00:15:52,310 --> 00:15:49,590

into that there's lots of very real

350

00:15:54,110 --> 00:15:52,320

issues in you know whatever country

351

00:15:57,160 --> 00:15:54,120

you're in Mike in America there's

352

00:15:59,360 --> 00:15:57,170

there's problems with with corruption

353

00:16:03,410 --> 00:15:59,370

yams with you know the way elections

354

00:16:05,750 --> 00:16:03,420

work there's problems with you know

355

00:16:07,610 --> 00:16:05,760

corporations life starting to have an

356

00:16:10,210 --> 00:16:07,620

undue influence like and if people can

357

00:16:12,560 --> 00:16:10,220

focus more on real issues like that

358

00:16:14,360 --> 00:16:12,570

you know it's whatever reason I do it I

359

00:16:16,120 --> 00:16:14,370

see all these people getting distracted

360

00:16:20,090 --> 00:16:16,130

and there are some people who are very

361

00:16:23,900 --> 00:16:20,100

eloquent people yeah it literally Dane

362

00:16:26,330 --> 00:16:23,910

Wigington he black he's he speaks very

363

00:16:27,890 --> 00:16:26,340

persuasively yeah especially if you

364

00:16:29,540 --> 00:16:27,900

believe the subject matter that he's

365

00:16:31,490 --> 00:16:29,550

talking about and he speaks very

366

00:16:33,470 --> 00:16:31,500

persuasively and he gets people riled up

367

00:16:35,570 --> 00:16:33,480

and you know he gets people organized

368

00:16:38,210 --> 00:16:35,580

and he does things but he's kind of

369

00:16:41,240 --> 00:16:38,220

wasting his life by going down this

370

00:16:43,220 --> 00:16:41,250

rabbit hole of covert geo engineering

371

00:16:46,490 --> 00:16:43,230

where he thinks that these planes are

372

00:16:49,040 --> 00:16:46,500

spraying things in the sky and if he

373

00:16:50,840 --> 00:16:49,050

could he could really contribute to the

374

00:16:53,120 --> 00:16:50,850

world in a much much more positive way

375

00:16:54,830 --> 00:16:53,130

if he actually was focusing on something

376

00:17:00,890 --> 00:16:54,840

that was real other than something that

377

00:17:03,770 --> 00:17:00,900

wasn't yeah he I think you know way more

378

00:17:07,189 --> 00:17:03,780

about him but I think I've read that he

379

00:17:09,800 --> 00:17:07,199

kind of doesn't really believe in what

380

00:17:12,319 --> 00:17:09,810

he's selling he's selling stuff kind of

381

00:17:13,790 --> 00:17:12,329

from his website right no I don't think

382

00:17:16,069 --> 00:17:13,800

he actually makes money from what he

383

00:17:20,420 --> 00:17:16,079

says I think he actually is a genuine

384

00:17:21,140 --> 00:17:20,430

true believer I think perhaps the hue

385

00:17:26,600 --> 00:17:21,150

mites

386

00:17:29,780 --> 00:17:26,610

I wouldn't say lie exactly but he he

387

00:17:31,510 --> 00:17:29,790

really does avoid debunking --zz like if

388

00:17:34,040 --> 00:17:31,520

you explain something to him he won't

389

00:17:39,290 --> 00:17:34,050

even give it the time of day like he

390

00:17:41,710 --> 00:17:39,300

claims yeah punking on his Facebook page

391

00:17:44,000 --> 00:17:41,720

he black me without even saying anything

392

00:17:45,560 --> 00:17:44,010

those like things like you know there's

393

00:17:46,670 --> 00:17:45,570

about the balance barrels that we were

394

00:17:48,320 --> 00:17:46,680

talking about earlier this is this

395

00:17:50,690 --> 00:17:48,330

famous photograph or

396

00:17:52,130 --> 00:17:50,700

some barrels in a plane everyone says

397

00:17:53,659 --> 00:17:52,140

they're full of chemicals this is what

398

00:17:55,250 --> 00:17:53,669

the Carol's a spray from there's all

399

00:17:57,529 --> 00:17:55,260

these different ones and actually I just

400

00:17:59,750 --> 00:17:57,539

saw that come up today somebody on

401

00:18:02,720 --> 00:17:59,760

Twitter mentioned that she'd seen a

402

00:18:04,909 --> 00:18:02,730

photograph of Donald Trump on a chem

403

00:18:07,279 --> 00:18:04,919

plane with barrels yeah I think I've

404

00:18:09,649 --> 00:18:07,289

seen that yeah so it's just him he's

405

00:18:14,029 --> 00:18:09,659

examining the latest I don't know where

406

00:18:16,430 --> 00:18:14,039

it's like 787 or something like that and

407

00:18:18,500 --> 00:18:16,440

yeah it's because it's a prototype plane

408

00:18:20,299 --> 00:18:18,510

it has these Barris ballast barrels on

409

00:18:22,070 --> 00:18:20,309

it which just full of water that they

410

00:18:25,909 --> 00:18:22,080

use for the weight and mass but he's

411

00:18:28,820 --> 00:18:25,919

still going yeah you you saw this this

412

00:18:32,350 --> 00:18:28,830

thing back like in the early 2000s or

413

00:18:37,580 --> 00:18:32,360

something like that it was in 2013 okay

414

00:18:40,039 --> 00:18:37,590

okay yeah 2012 2013 I think and um yeah

415

00:18:42,070 --> 00:18:40,049

I can't find it again but you know I

416

00:18:44,539 --> 00:18:42,080

think you've mentioned elsewhere that

417

00:18:47,419 --> 00:18:44,549

this stuff will always just keep coming

418

00:18:50,870 --> 00:18:47,429

back up and he just gotta be basic just

419

00:18:54,620 --> 00:18:50,880

show people the other information and

420

00:18:58,279 --> 00:18:54,630

you know a lot of what this is really

421

00:19:00,560 --> 00:18:58,289

resonated to me about your book is well

422

00:19:03,950 --> 00:19:00,570

and your website first is the politeness

423

00:19:05,539 --> 00:19:03,960

factor that is a huge thing that you

424

00:19:07,539 --> 00:19:05,549

know that surprises people because

425

00:19:10,730 --> 00:19:07,549

everybody's used to getting flamed

426

00:19:12,200 --> 00:19:10,740

online and be called names and so number

427

00:19:13,940 --> 00:19:12,210

one I think that's super effective and

428

00:19:17,539 --> 00:19:13,950

the other thing that's super effective

429

00:19:23,659 --> 00:19:17,549

is how you kind of say that it's not

430

00:19:26,799 --> 00:19:23,669

useful to even like think of people who

431

00:19:30,980 --> 00:19:26,809

believe in conspiracy theorists as

432

00:19:34,850 --> 00:19:30,990

having a mental problem or or not being

433

00:19:37,820 --> 00:19:34,860

smart or anything like that that it's

434

00:19:40,100 --> 00:19:37,830

just a situation where they just don't

435

00:19:44,289 --> 00:19:40,110

have all the information that they might

436

00:19:47,960 --> 00:19:44,299

find useful and the the way you describe

437

00:19:52,879 --> 00:19:47,970

staying in contact with someone over a

438

00:19:56,710 --> 00:19:52,889

long time and just being there to you

439

00:20:00,289 --> 00:19:56,720

know have a continuing conversation oh

440

00:20:02,269 --> 00:20:00,299

I've kind of tried to adopt that with

441

00:20:04,399 --> 00:20:02,279

the conversations that I have to

442

00:20:10,119 --> 00:20:04,409

various friends who are down the rabbit

443

00:20:11,629 --> 00:20:10,129

hole and I also liken it to the guy who

444

00:20:13,759 --> 00:20:11,639

invented

445

00:20:17,269 --> 00:20:13,769

I think it's tight she and I think his

446

00:20:20,479 --> 00:20:17,279

name is um eat man he has this little

447

00:20:22,969 --> 00:20:20,489

say that kind of outlines the philosophy

448

00:20:25,729 --> 00:20:22,979

behind Tai Chi which is like a sticky

449

00:20:27,709 --> 00:20:25,739

hand type of martial arts where you

450

00:20:33,289 --> 00:20:27,719

stick your hands right out and get the

451
00:20:35,839 --> 00:20:33,299
guy and it's greet what arrives escort

452
00:20:40,009 --> 00:20:35,849
what leaves and rush upon loss of

453
00:20:42,799 --> 00:20:40,019
contact and I just I use that as a way

454
00:20:45,589 --> 00:20:42,809
to kind of maintain the conversations

455
00:20:47,659 --> 00:20:45,599
like someone will send me a conspiracy

456
00:20:50,269 --> 00:20:47,669
theory you know and want me to comment

457
00:20:52,159 --> 00:20:50,279
on it usually because I have kind of

458
00:20:55,940 --> 00:20:52,169
this ongoing challenge with some of my

459
00:20:58,339 --> 00:20:55,950
friends like I am not aware of a

460
00:21:00,729 --> 00:20:58,349
conspiracy theory which turned out to be

461
00:21:03,229 --> 00:21:00,739
true is basically what I'm saying

462
00:21:04,729 --> 00:21:03,239
because I want to be proven wrong number

463
00:21:06,589 --> 00:21:04,739

one because there's got to be you know

464

00:21:08,509 --> 00:21:06,599

one out there the closest that I can

465

00:21:13,249 --> 00:21:08,519

come up with is maybe the case of Gary

466

00:21:16,459 --> 00:21:13,259

Webb the guy who is reporting on the CIA

467

00:21:20,089 --> 00:21:16,469

drug running and he was writing for a

468

00:21:23,539 --> 00:21:20,099

small newspaper and are you familiar

469

00:21:28,039 --> 00:21:23,549

with that guy I I think I've heard it

470

00:21:29,539 --> 00:21:28,049

because there was a film 8 yeah and I I

471

00:21:31,579 --> 00:21:29,549

think well I think he ended up

472

00:21:33,979 --> 00:21:31,589

committing suicide and that's like the

473

00:21:35,810 --> 00:21:33,989

closest I could find to like yeah

474

00:21:37,789 --> 00:21:35,820

something without it was a conspiracy

475

00:21:40,430 --> 00:21:37,799

theory then later I found it it was true

476
00:21:42,979 --> 00:21:40,440
and I don't even know a lot of people

477
00:21:46,070 --> 00:21:42,989
bring up conspiracies that were

478
00:21:47,719 --> 00:21:46,080
discovered later that's not the same

479
00:21:49,669 --> 00:21:47,729
thing that's not the same thing no

480
00:21:51,589 --> 00:21:49,679
that's what people don't understand a

481
00:21:53,989 --> 00:21:51,599
conspiracy theory has to have been

482
00:21:56,539 --> 00:21:53,999
theorized about at some point for it to

483
00:21:57,919 --> 00:21:56,549
be a conspiracy theory if it's just

484
00:21:59,450 --> 00:21:57,929
something you discover later that's just

485
00:22:01,399 --> 00:21:59,460
a conspiracy that you discover later

486
00:22:04,009 --> 00:22:01,409
right especially theories wherever is

487
00:22:06,139 --> 00:22:04,019
going oh well you know the you know

488
00:22:08,659 --> 00:22:06,149

whatever Nixon is is taking people in

489

00:22:11,389 --> 00:22:08,669

the in the hotel no one was making

490

00:22:12,799 --> 00:22:11,399

theories about that no one was was doing

491

00:22:15,200 --> 00:22:12,809

theories about you know what was going

492

00:22:16,029 --> 00:22:15,210

on there until some evidence might crop

493

00:22:17,499 --> 00:22:16,039

up

494

00:22:19,060 --> 00:22:17,509

especially it kind of say that Watergate

495

00:22:21,969 --> 00:22:19,070

for a while might have been considered a

496

00:22:23,469 --> 00:22:21,979

conspiracy theory yeah there was some

497

00:22:27,190 --> 00:22:23,479

evidence that something was going on and

498

00:22:28,389 --> 00:22:27,200

Nixon was denying wrongdoing sir but

499

00:22:32,789 --> 00:22:28,399

it's not really a conspiracy theory that

500

00:22:35,169 --> 00:22:32,799

that's just more like you're kind of

501
00:22:37,060 --> 00:22:35,179
about to be indicted are you going to

502
00:22:39,159 --> 00:22:37,070
trial it's not like every single trial

503
00:22:41,979 --> 00:22:39,169
doesn't involve a conspiracy theory it's

504
00:22:45,009 --> 00:22:41,989
it's a different type of thing so yeah

505
00:22:47,049 --> 00:22:45,019
Brian Dunning has like a get you know

506
00:22:49,180 --> 00:22:47,059
his thing is the skeptoid meet and he's

507
00:22:52,180 --> 00:22:49,190
got a page that are like eight

508
00:22:54,820 --> 00:22:52,190
conspiracy theories that turned out to

509
00:22:58,330 --> 00:22:54,830
be true question mark and then goes

510
00:23:00,489 --> 00:22:58,340
through and kind of tells the story

511
00:23:02,200 --> 00:23:00,499
basically you know like the Tuskegee

512
00:23:04,060 --> 00:23:02,210
Airmen well that's like you were saying

513
00:23:06,489 --> 00:23:04,070

that's not a conspiracy theory that

514

00:23:08,919 --> 00:23:06,499

turned out to be a conspiracy it's just

515

00:23:12,639 --> 00:23:08,929

a conspiracy that was real Phyllis

516

00:23:16,029 --> 00:23:12,649

saying nothing oh okay yeah the syphilis

517

00:23:18,219 --> 00:23:16,039

thing and then oh he talks about Martin

518

00:23:19,930 --> 00:23:18,229

Luther King you know the guy basically

519

00:23:21,729 --> 00:23:19,940

it was a racist with the gun that shot

520

00:23:23,830 --> 00:23:21,739

him there's no conspiracy yes the

521

00:23:26,889 --> 00:23:23,840

government was spying on him what that

522

00:23:29,889 --> 00:23:26,899

wasn't this the conspiracy theory you

523

00:23:33,389 --> 00:23:29,899

know and um I guess the guy I wrote a

524

00:23:36,039 --> 00:23:33,399

book about it which somebody's told me

525

00:23:37,989 --> 00:23:36,049

explains this conspiracy theory but the

526

00:23:39,489 --> 00:23:37,999

guy was trying to make money off of it

527

00:23:42,129 --> 00:23:39,499

and so I'm pretty skeptical of that I'm

528

00:23:45,190 --> 00:23:42,139

skeptical of everything nowadays well I

529

00:23:46,239 --> 00:23:45,200

guess a book so this could feel right

530

00:23:49,919 --> 00:23:46,249

books I didn't think she don't

531

00:23:53,979 --> 00:23:49,929

automatically be skeptical of them it's

532

00:23:57,369 --> 00:23:53,989

but I think like one day I got to

533

00:23:58,930 --> 00:23:57,379

thinking about evil and so I just typed

534

00:24:01,149 --> 00:23:58,940

into Google because you know somebody

535

00:24:03,669 --> 00:24:01,159

used the word evil and I thought well

536

00:24:06,489 --> 00:24:03,679

I'm not sure if I believe in evil and so

537

00:24:09,089 --> 00:24:06,499

I just typed into Google evil skepticism

538

00:24:12,430 --> 00:24:09,099

and I found a page on Stanford

539

00:24:14,649 --> 00:24:12,440

University website talking about all

540

00:24:17,379 --> 00:24:14,659

these philosophers that don't believe

541

00:24:21,930 --> 00:24:17,389

that we should talk about things in

542

00:24:24,639 --> 00:24:21,940

terms of evil because things like it is

543

00:24:27,070 --> 00:24:24,649

more explanatory to just say what

544

00:24:29,200 --> 00:24:27,080

someone did then to say that they're

545

00:24:33,340 --> 00:24:29,210

evil like they're a murderer you know

546

00:24:36,370 --> 00:24:33,350

I need to save her evil or the whole

547

00:24:39,220 --> 00:24:36,380

problem of using evil kind of invokes a

548

00:24:42,070 --> 00:24:39,230

system of belief that you may or may not

549

00:24:44,560 --> 00:24:42,080

believe in or something so I can find

550

00:24:46,289 --> 00:24:44,570

uses for skepticism everywhere yeah

551
00:24:49,480 --> 00:24:46,299
that's the interesting thing because

552
00:24:51,340 --> 00:24:49,490
evil people think of evil or some people

553
00:24:52,840 --> 00:24:51,350
like religious people especially will

554
00:24:54,760 --> 00:24:52,850
think of evil as being kind of like a

555
00:24:57,850 --> 00:24:54,770
fundamental force and it says this

556
00:24:59,340 --> 00:24:57,860
that's good and there's evil but yeah

557
00:25:02,049 --> 00:24:59,350
for other people it's a bit more

558
00:25:04,510 --> 00:25:02,059
relative and it's a bit of an abstract

559
00:25:07,090 --> 00:25:04,520
concept in a way it is evil has some

560
00:25:08,799 --> 00:25:07,100
kind of intent and there's things that

561
00:25:10,750 --> 00:25:08,809
happen which don't have intent behind

562
00:25:12,669 --> 00:25:10,760
them that people might say Oh Eve also

563
00:25:15,310 --> 00:25:12,679

you know which I think whenever you get

564

00:25:17,980 --> 00:25:15,320

a word weather usage is confusing it is

565

00:25:19,720 --> 00:25:17,990

like you just said you just say what's

566

00:25:22,149 --> 00:25:19,730

happening is describe what's actually

567

00:25:24,010 --> 00:25:22,159

going on rather than trying to put a

568

00:25:25,600 --> 00:25:24,020

label on let's say this is evil you know

569

00:25:30,190 --> 00:25:25,610

say these children are being tortured

570

00:25:33,760 --> 00:25:30,200

yeah it's just a way to be more accurate

571

00:25:36,970 --> 00:25:33,770

and get rid of the stuff that doesn't do

572

00:25:39,820 --> 00:25:36,980

the good work you know one thing that

573

00:25:42,820 --> 00:25:39,830

actually really resonated with a lot of

574

00:25:45,880 --> 00:25:42,830

people from your your thing in the book

575

00:25:49,240 --> 00:25:45,890

was when you said that you went to your

576

00:25:51,669 --> 00:25:49,250

friends and you told them you didn't

577

00:25:56,590 --> 00:25:51,679

believe 9/11 was an inside job anymore

578

00:26:02,019 --> 00:25:56,600

and this was she wasn't it said like are

579

00:26:06,279 --> 00:26:02,029

you okay now yes yeah yeah yeah that was

580

00:26:09,039 --> 00:26:06,289

that was the guy used to get some that's

581

00:26:11,019 --> 00:26:09,049

right yeah so he was it's pretty

582

00:26:14,710 --> 00:26:11,029

incredible and he couldn't believe that

583

00:26:16,180 --> 00:26:14,720

I didn't believe that stuff and he he

584

00:26:18,310 --> 00:26:16,190

hasn't been able to really talk to me

585

00:26:20,740 --> 00:26:18,320

since this is another thing that happens

586

00:26:24,070 --> 00:26:20,750

yes people kind of just break off

587

00:26:25,630 --> 00:26:24,080

communication with me because I think

588

00:26:27,760 --> 00:26:25,640

they don't think I'm part of their tribe

589

00:26:30,039 --> 00:26:27,770

or something anymore you know there is a

590

00:26:33,340 --> 00:26:30,049

whole lot of camaraderie that's in

591

00:26:35,830 --> 00:26:33,350

conspiracy theory circles almost a

592

00:26:37,899 --> 00:26:35,840

spiritual camaraderie I would call it

593

00:26:41,110 --> 00:26:37,909

Rory kind of connected with that a

594

00:26:42,940 --> 00:26:41,120

little bit and so yeah some people just

595

00:26:47,889 --> 00:26:42,950

kind of shut me out

596

00:26:51,180 --> 00:26:47,899

and I it's sad to be but also you know

597

00:26:54,909 --> 00:26:51,190

there's that the permit the frog meme

598

00:26:57,359 --> 00:26:54,919

about should i do bunk this and yeah i

599

00:27:00,359 --> 00:26:57,369

should just do it oh yes

600

00:27:03,580 --> 00:27:00,369

that's kind of what i think i go if it's

601
00:27:05,289 --> 00:27:03,590
if i can just offer the truth you know

602
00:27:07,299 --> 00:27:05,299
or not the truth but just some

603
00:27:09,779 --> 00:27:07,309
information that the other person might

604
00:27:13,299 --> 00:27:09,789
not have I should offer that information

605
00:27:15,729 --> 00:27:13,309
whether or not the person's ready and

606
00:27:19,799 --> 00:27:15,739
this is where I'm at actually I think I

607
00:27:24,999 --> 00:27:23,259
supporting people on an emotional level

608
00:27:29,200 --> 00:27:25,009
which I'm not doing a very good job of

609
00:27:31,330 --> 00:27:29,210
that like I'm kind of engaging with

610
00:27:34,330 --> 00:27:31,340
their intellect but I'm forgetting to

611
00:27:38,320 --> 00:27:34,340
talk to him as a person I guess or you

612
00:27:40,539 --> 00:27:38,330
know this guy that you talk to and you

613
00:27:44,830 --> 00:27:40,549

told him about 9/11 and then he kind of

614

00:27:49,720 --> 00:27:44,840

cut you off would you go back and do it

615

00:27:57,310 --> 00:27:49,730

differently now well yeah I would

616

00:27:59,229 --> 00:27:57,320

because it didn't work what do you think

617

00:28:01,359 --> 00:27:59,239

went wrong though were you just too

618

00:28:04,509 --> 00:28:01,369

abrupt were you kind of mocking it so

619

00:28:09,299 --> 00:28:04,519

did he just come across wrong I didn't

620

00:28:11,710 --> 00:28:09,309

spend enough time caring for him like I

621

00:28:14,769 --> 00:28:11,720

should have probably done a better job

622

00:28:19,180 --> 00:28:14,779

at like you know telling him stuff like

623

00:28:21,249 --> 00:28:19,190

hey I love you and I know the

624

00:28:23,019 --> 00:28:21,259

information that you know but I've

625

00:28:26,229 --> 00:28:23,029

discovered some new information and

626

00:28:27,849 --> 00:28:26,239

maybe you got to sit with me and let's

627

00:28:30,190 --> 00:28:27,859

take a look together like that seems

628

00:28:31,539 --> 00:28:30,200

like a really I haven't been able to do

629

00:28:35,109 --> 00:28:31,549

that with a whole lot of people I've

630

00:28:38,830 --> 00:28:35,119

tried and you know a lot of times when

631

00:28:40,629 --> 00:28:38,840

you're conspiracy theorists you have a

632

00:28:42,549 --> 00:28:40,639

lot of it's pretty easy to not get

633

00:28:46,060 --> 00:28:42,559

nailed down on something you can switch

634

00:28:47,950 --> 00:28:46,070

to like the next top really quick so

635

00:28:49,720 --> 00:28:47,960

you're on 9/11 one moment and then all

636

00:28:51,310 --> 00:28:49,730

of a sudden someone wants to talk to you

637

00:28:54,129 --> 00:28:51,320

about hey well here's a story of how

638

00:28:55,359 --> 00:28:54,139

this passport could have gotten shot out

639

00:28:56,680 --> 00:28:55,369

of the other side of the building and

640

00:28:59,680 --> 00:28:56,690

you're like well never

641

00:29:01,720 --> 00:28:59,690

I want to talk about chemtrails now yeah

642

00:29:05,350 --> 00:29:01,730

or even just something else in the 911s

643

00:29:07,500 --> 00:29:05,360

because people have an endless list yeah

644

00:29:11,530 --> 00:29:07,510

and then also the difference between

645

00:29:15,580 --> 00:29:11,540

cynicism and skepticism has also become

646

00:29:23,460 --> 00:29:15,590

really seemingly important to me and the

647

00:29:29,140 --> 00:29:23,470

ants so there's this great Jillette Pen

648

00:29:31,510 --> 00:29:29,150

video on YouTube where he talks about

649

00:29:36,850 --> 00:29:31,520

the difference between set skepticism

650

00:29:39,040 --> 00:29:36,860

and cynicism and he says that skit

651
00:29:41,530 --> 00:29:39,050
cynicism is questioning people's

652
00:29:44,830 --> 00:29:41,540
motivations and skepticism is

653
00:29:46,780 --> 00:29:44,840
questioning evidence and also that's a

654
00:29:49,180 --> 00:29:46,790
really good thing about your site is

655
00:29:50,740 --> 00:29:49,190
basically you're not talking about you

656
00:29:53,470 --> 00:29:50,750
can just forget about the question of

657
00:29:55,390 --> 00:29:53,480
what people's motivations are generally

658
00:29:58,270 --> 00:29:55,400
I believe most people are good people

659
00:30:01,120 --> 00:29:58,280
just you know like keith was saying in

660
00:30:03,670 --> 00:30:01,130
your interview with him you're trusting

661
00:30:08,110 --> 00:30:03,680
that thousands and thousands of people

662
00:30:11,980 --> 00:30:08,120
are not going to with blow blow the

663
00:30:16,870 --> 00:30:11,990

whistle right and I do I've relied on

664

00:30:20,020 --> 00:30:16,880

the kindness of strangers to get around

665

00:30:21,670 --> 00:30:20,030

this world and I generally think most

666

00:30:23,500 --> 00:30:21,680

people are good I can just get rid of

667

00:30:25,720 --> 00:30:23,510

the question of what are people's evil

668

00:30:30,280 --> 00:30:25,730

intentions and just look at what is the

669

00:30:32,680 --> 00:30:30,290

evidence presented and and I know a

670

00:30:34,150 --> 00:30:32,690

little bit better now than I used to I

671

00:30:35,920 --> 00:30:34,160

know there's tons of room for

672

00:30:38,410 --> 00:30:35,930

improvement but I know a little bit

673

00:30:40,750 --> 00:30:38,420

better about how to look something up

674

00:30:43,420 --> 00:30:40,760

like I didn't used to know what

675

00:30:46,810 --> 00:30:43,430

confirmation bias was it's a like I

676
00:30:49,720 --> 00:30:46,820
would just go hmm I have a doubt in my

677
00:30:51,760 --> 00:30:49,730
mind that controlled demolition was

678
00:30:54,700 --> 00:30:51,770
involved with building seven so I just

679
00:30:57,490 --> 00:30:54,710
Google controlled demolition 257 and

680
00:31:00,580 --> 00:30:57,500
what I found all kinds of evidence for

681
00:31:03,720 --> 00:31:00,590
it but you know then that's something

682
00:31:06,130 --> 00:31:03,730
I've heard like people told me that they

683
00:31:08,190 --> 00:31:06,140
they start to have doubts and so they'll

684
00:31:10,060 --> 00:31:08,200
kind of run off and watch lots of videos

685
00:31:12,340 --> 00:31:10,070
yeah that support

686
00:31:15,340 --> 00:31:12,350
believe because the feeling uncertain

687
00:31:18,570 --> 00:31:15,350
right and I never got into the video

688
00:31:22,720 --> 00:31:18,580

thing that wasn't that much I'm

689

00:31:27,070 --> 00:31:22,730

skeptical of videos because uh they I

690

00:31:30,190 --> 00:31:27,080

think video does a real good job at

691

00:31:32,650 --> 00:31:30,200

bypassing our intellect and working on

692

00:31:37,870 --> 00:31:32,660

us on an emotional level and I don't

693

00:31:40,690 --> 00:31:37,880

trust that so much mm-hmm and so I don't

694

00:31:43,390 --> 00:31:40,700

watch any video news I don't watch

695

00:31:46,840 --> 00:31:43,400

television I work with video screens all

696

00:31:49,750 --> 00:31:46,850

day long so I don't really care to watch

697

00:31:51,490 --> 00:31:49,760

screen so when I get home but I do play

698

00:31:52,780 --> 00:31:51,500

video games and that reminds me of a

699

00:31:55,060 --> 00:31:52,790

question that I wanted to ask you

700

00:31:58,210 --> 00:31:55,070

because your former video game

701
00:32:02,590 --> 00:31:58,220
programmer and what it is is that I am I

702
00:32:04,930 --> 00:32:02,600
recently started to notice my behavior

703
00:32:06,790 --> 00:32:04,940
in a video game I'm playing Red Dead

704
00:32:12,030 --> 00:32:06,800
Redemption which is like a cowboy well

705
00:32:16,080 --> 00:32:12,040
yeah and I started to notice myself

706
00:32:19,000 --> 00:32:16,090
looking at my character and kind of

707
00:32:20,320 --> 00:32:19,010
comparing my look of my character to the

708
00:32:23,230 --> 00:32:20,330
other characters in the game and then I

709
00:32:27,210 --> 00:32:23,240
got to thinking like is there that I

710
00:32:32,560 --> 00:32:27,220
think that's probably some kind of like

711
00:32:34,750 --> 00:32:32,570
evolutionary psychology like thing that

712
00:32:36,460 --> 00:32:34,760
works in our brains you know where

713
00:32:38,860 --> 00:32:36,470

you're constantly comparing yourself to

714

00:32:41,170 --> 00:32:38,870

members of your tribe maybe and looking

715

00:32:43,540 --> 00:32:41,180

and seeing well how you compare and

716

00:32:46,510 --> 00:32:43,550

that's it I think so I think friends do

717

00:32:48,850 --> 00:32:46,520

and and so what then was a question I

718

00:32:52,240 --> 00:32:48,860

had for you I'm so glad we got to talk

719

00:32:56,080 --> 00:32:52,250

today is do you think that there is an

720

00:32:59,230 --> 00:32:56,090

understanding of how video games might

721

00:33:01,960 --> 00:32:59,240

talk to that part of our brain is from

722

00:33:03,400 --> 00:33:01,970

an evolutionary psychology point of view

723

00:33:06,370 --> 00:33:03,410

because you got these games like

724

00:33:08,260 --> 00:33:06,380

Minecraft which are basically like how

725

00:33:11,800 --> 00:33:08,270

to survive in your environment and they

726

00:33:14,080 --> 00:33:11,810

would appeal to that type of that part

727

00:33:17,140 --> 00:33:14,090

of our brain that we evolved in order to

728

00:33:18,820 --> 00:33:17,150

survive in that environment yeah I just

729

00:33:20,830 --> 00:33:18,830

wonder if that's something that is known

730

00:33:23,430 --> 00:33:20,840

or maybe there's too far away from it

731

00:33:25,860 --> 00:33:23,440

now and there people definitely do think

732

00:33:27,720 --> 00:33:25,870

about psychology when the designing

733

00:33:29,639 --> 00:33:27,730

video games it was you know kind of less

734

00:33:31,680 --> 00:33:29,649

so back in the early days because they

735

00:33:33,210 --> 00:33:31,690

were so simple but as they got bigger

736

00:33:35,249 --> 00:33:33,220

and bigger and they get here more and

737

00:33:37,860 --> 00:33:35,259

more money involved in it people

738

00:33:40,769 --> 00:33:37,870

definitely do think about the psychology

739

00:33:42,779 --> 00:33:40,779

and I would I would think about you know

740

00:33:45,869 --> 00:33:42,789

the what's going through the mind of the

741

00:33:47,909 --> 00:33:45,879

person when they you know they encounter

742

00:33:50,159 --> 00:33:47,919

a certain thing when I was designing

743

00:33:51,480 --> 00:33:50,169

video games and I'm sure now there's

744

00:33:56,700 --> 00:33:51,490

probably people who consult with

745

00:34:00,210 --> 00:33:56,710

psychologists and things like that yeah

746

00:34:03,330 --> 00:34:00,220

and I think a lot of the things that are

747

00:34:05,639 --> 00:34:03,340

you seeing games have kind of not not

748

00:34:08,700 --> 00:34:05,649

evolved exactly but they've kind of been

749

00:34:10,919 --> 00:34:08,710

filtered out by natural selection into

750

00:34:15,750 --> 00:34:10,929

the types of things that appeal to

751
00:34:19,290 --> 00:34:15,760
people on a primal level yeah you enjoy

752
00:34:21,750 --> 00:34:19,300
a certain exploration or you you enjoy

753
00:34:23,819 --> 00:34:21,760
getting rewards you enjoy discovering a

754
00:34:29,690 --> 00:34:23,829
cache of weapons which is or a cache of

755
00:34:34,379 --> 00:34:29,700
a food you know the latest Zelda game

756
00:34:37,559 --> 00:34:34,389
Nintendo switch is going in it yes yeah

757
00:34:39,329 --> 00:34:37,569
collecting food and cooking that is the

758
00:34:42,270 --> 00:34:39,339
best game I think I've seen so far that

759
00:34:43,770 --> 00:34:42,280
is an amazing game yeah and that's it's

760
00:34:45,750 --> 00:34:43,780
almost like going back to your the

761
00:34:49,169 --> 00:34:45,760
primitive roots of humankind and that

762
00:34:53,099 --> 00:34:49,179
it's appealing directly to the you know

763
00:34:55,710 --> 00:34:53,109

the the the the evolved brain which is

764

00:34:58,230 --> 00:34:55,720

all about surviving yeah propagating

765

00:35:00,750 --> 00:34:58,240

your genes I guess and I guess yeah

766

00:35:02,460 --> 00:35:00,760

looking at other people thing is

767

00:35:04,950 --> 00:35:02,470

probably something to do with genetic

768

00:35:07,440 --> 00:35:04,960

diversity and and seeing like you know

769

00:35:09,780 --> 00:35:07,450

my genes better than his genes do I have

770

00:35:11,730 --> 00:35:09,790

a chance like which female should I try

771

00:35:13,260 --> 00:35:11,740

to mate with which one is that guy gonna

772

00:35:16,680 --> 00:35:13,270

make with things like that it's really

773

00:35:18,089 --> 00:35:16,690

simple primal things which we don't have

774

00:35:20,099 --> 00:35:18,099

control over them if they're just

775

00:35:21,569 --> 00:35:20,109

natural thing that you can't write what

776

00:35:24,420 --> 00:35:21,579

your relation is when you look at

777

00:35:27,510 --> 00:35:24,430

someone you find attractive yeah yeah

778

00:35:29,849 --> 00:35:27,520

and I think it's um I think conspiracy

779

00:35:33,270 --> 00:35:29,859

theories kind of work with that same

780

00:35:36,599 --> 00:35:33,280

part of our brain a little bit because

781

00:35:36,960 --> 00:35:36,609

like actual conspiracies I think you

782

00:35:38,849 --> 00:35:36,970

would

783

00:35:40,859 --> 00:35:38,859

probably agree our just kind of like the

784

00:35:44,550 --> 00:35:40,869

way that a lot of work gets done in the

785

00:35:46,800 --> 00:35:44,560

world like it's in football I mean it's

786

00:35:49,650 --> 00:35:46,810

in everything corruption

787

00:35:51,240 --> 00:35:49,660

yeah corruption of course I always

788

00:35:53,630 --> 00:35:51,250

forget to mention that and people think

789

00:35:58,520 --> 00:35:53,640

I just believe everything the government

790

00:36:03,329 --> 00:35:58,530

just yeah no nobody nobody believes that

791

00:36:06,329 --> 00:36:03,339

always check it but but I think that's

792

00:36:08,099 --> 00:36:06,339

also kind of part of that evolutionary

793

00:36:12,329 --> 00:36:08,109

brain where we're always kind of going

794

00:36:14,520 --> 00:36:12,339

how can I use a coalition to defeat that

795

00:36:17,370 --> 00:36:14,530

coalition or something like that and so

796

00:36:21,089 --> 00:36:17,380

there are I mean it makes sense to me

797

00:36:23,130 --> 00:36:21,099

that we're kind of predisposed to

798

00:36:24,990 --> 00:36:23,140

believe in these things because our

799

00:36:28,140 --> 00:36:25,000

braids are basically big threat

800

00:36:30,059 --> 00:36:28,150

detection machines that yeah you know

801
00:36:33,059 --> 00:36:30,069
that's what they're trained to do is

802
00:36:34,980 --> 00:36:33,069
look for problems they said that they

803
00:36:37,500 --> 00:36:34,990
don't look for problems on a global

804
00:36:39,150 --> 00:36:37,510
scale or a national scale which is what

805
00:36:43,020 --> 00:36:39,160
conspiracies are they're looking for

806
00:36:45,030 --> 00:36:43,030
problems like within the tribe so your

807
00:36:47,040 --> 00:36:45,040
brain is trying to apply these these

808
00:36:48,630 --> 00:36:47,050
thought processes that work within a

809
00:36:51,720 --> 00:36:48,640
tribe like me and maybe that guy is

810
00:36:53,190 --> 00:36:51,730
stealing my food you know the people

811
00:36:56,069 --> 00:36:53,200
across the other side of the hill are

812
00:36:58,109 --> 00:36:56,079
bad we should protect ourselves against

813
00:36:59,700 --> 00:36:58,119

those people like these things these

814

00:37:01,050 --> 00:36:59,710

very primitive things that work well

815

00:37:02,250 --> 00:37:01,060

when you're in a little trouble unit

816

00:37:04,290 --> 00:37:02,260

they don't work well when you're

817

00:37:05,490 --> 00:37:04,300

operating on a on a broader scale and

818

00:37:09,120 --> 00:37:05,500

you're trying to think you know what's

819

00:37:11,040 --> 00:37:09,130

the motivation of the government when

820

00:37:12,839 --> 00:37:11,050

you're saying you you it's the same way

821

00:37:15,180 --> 00:37:12,849

you're thinking about whatever there's a

822

00:37:17,400 --> 00:37:15,190

tribal leader you know ten thousand

823

00:37:19,589 --> 00:37:17,410

years ago you know thinking about the

824

00:37:22,140 --> 00:37:19,599

president who has a completely different

825

00:37:25,230 --> 00:37:22,150

set of priorities to some guy who has a

826

00:37:27,210 --> 00:37:25,240

tribe with fifty people in it yeah you

827

00:37:30,620 --> 00:37:27,220

know they're because it's not the same

828

00:37:32,910 --> 00:37:30,630

situation you get these primitive

829

00:37:36,960 --> 00:37:32,920

instincts and there's these primitive

830

00:37:39,870 --> 00:37:36,970

natural biases and predilections for

831

00:37:41,460 --> 00:37:39,880

things that works in the past now don't

832

00:37:43,890 --> 00:37:41,470

work and this kind of corruption of

833

00:37:47,040 --> 00:37:43,900

those leads to things like conspiracy

834

00:37:47,599 --> 00:37:47,050

theories I think it's part of my theory

835

00:37:51,020 --> 00:37:47,609

anyway

836

00:37:54,930 --> 00:37:51,030

yeah so what do you think

837

00:37:57,060 --> 00:37:54,940

so is I was just talking to my my boss

838

00:37:59,670 --> 00:37:57,070

and he was making fun of Flat Earth

839

00:38:01,020 --> 00:37:59,680

hearse today you know I was telling him

840

00:38:04,260 --> 00:38:01,030

that I don't think it's very useful to

841

00:38:07,380 --> 00:38:04,270

make fun of them or to call them dumb or

842

00:38:09,510 --> 00:38:07,390

anything I said that they're probably

843

00:38:12,150 --> 00:38:09,520

just don't have access to all the

844

00:38:14,580 --> 00:38:12,160

information that you or I might think we

845

00:38:20,670 --> 00:38:14,590

have and then they're probably sincere

846

00:38:22,859 --> 00:38:20,680

truth seekers and but what you want to

847

00:38:26,130 --> 00:38:22,869

do what's your tickets like that on the

848

00:38:28,140 --> 00:38:26,140

rise like flat or deeply it kind of is I

849

00:38:30,510 --> 00:38:28,150

think it had its moment where it's it

850

00:38:32,460 --> 00:38:30,520

kind of bumped up partly because of

851
00:38:33,870 --> 00:38:32,470
YouTube's algorithms which you know

852
00:38:35,820 --> 00:38:33,880
they've kind of changed that now if you

853
00:38:37,410 --> 00:38:35,830
look for flood earth on YouTube you

854
00:38:40,680 --> 00:38:37,420
don't get the flat earther video so much

855
00:38:42,990 --> 00:38:40,690
you get you get articles from BuzzFeed

856
00:38:45,120 --> 00:38:43,000
or whatever about Flat Earth so I think

857
00:38:47,550 --> 00:38:45,130
it's kind of had this moment where there

858
00:38:50,370 --> 00:38:47,560
was this kind of it went viral in a way

859
00:38:51,990 --> 00:38:50,380
and a lot of I've been looking at it but

860
00:38:54,390 --> 00:38:52,000
I don't think there's anything other

861
00:38:55,950 --> 00:38:54,400
than that which is driving this this

862
00:38:58,170 --> 00:38:55,960
interesting flat earth it's just this

863
00:39:02,910 --> 00:38:58,180

viral thing yeah I think the flight of

864

00:39:05,550 --> 00:39:02,920

people they encompass to a large extent

865

00:39:07,080 --> 00:39:05,560

the same range as ordinary people yeah

866

00:39:09,030 --> 00:39:07,090

you let's talk about the bell curve

867

00:39:11,550 --> 00:39:09,040

distribution of things like intelligence

868

00:39:14,880 --> 00:39:11,560

and ability and most people are in the

869

00:39:18,359 --> 00:39:14,890

middle 99% of the people are you know in

870

00:39:20,190 --> 00:39:18,369

a fairly you know not narrow but not

871

00:39:21,690 --> 00:39:20,200

deeply wide range in the middle and then

872

00:39:23,520 --> 00:39:21,700

you got very intelligent people off

873

00:39:25,770 --> 00:39:23,530

often one side and you got a lot of

874

00:39:26,970 --> 00:39:25,780

people you know half of the half of the

875

00:39:30,780 --> 00:39:26,980

people in the world are below average

876

00:39:31,800 --> 00:39:30,790

intelligence which no one likes to think

877

00:39:37,260 --> 00:39:31,810

that they might be below average

878

00:39:38,640 --> 00:39:37,270

intelligence but no one even likes to

879

00:39:40,050 --> 00:39:38,650

think that their friends might be below

880

00:39:41,340 --> 00:39:40,060

average intelligence as well because

881

00:39:43,349 --> 00:39:41,350

it's gonna rubs off on you by

882

00:39:45,690 --> 00:39:43,359

association so everyone like thinks oh

883

00:39:48,599 --> 00:39:45,700

yeah I'm like my IQs 120 when the

884

00:39:50,550 --> 00:39:48,609

average IQ is 100 so obviously there's

885

00:39:52,920 --> 00:39:50,560

going to be lots of people out there who

886

00:39:54,599 --> 00:39:52,930

are not intelligent and they're not

887

00:39:56,700 --> 00:39:54,609

believes in the flat earth yeah the

888

00:39:58,349 --> 00:39:56,710

people who the people who actually are

889

00:40:00,390 --> 00:39:58,359

eaten Flat Earth a lot of them I think

890

00:40:02,160 --> 00:40:00,400

they have reasonably high IQs if

891

00:40:03,140 --> 00:40:02,170

anything they think a little bit too

892

00:40:06,320 --> 00:40:03,150

much

893

00:40:08,120 --> 00:40:06,330

ya know but those truths you know once

894

00:40:11,270 --> 00:40:08,130

you see him for the first time like I'm

895

00:40:13,100 --> 00:40:11,280

not I don't know math very well and I

896

00:40:15,260 --> 00:40:13,110

look at some of those and they're very

897

00:40:16,940 --> 00:40:15,270

confusing like I'm like wow well that

898

00:40:19,700 --> 00:40:16,950

does kind of make sense and why is that

899

00:40:21,980 --> 00:40:19,710

and you know I do you know believe in

900

00:40:24,080 --> 00:40:21,990

pictures from NASA and stuff so I can

901
00:40:28,220 --> 00:40:24,090
easily say uh that's a bunch of hooley

902
00:40:32,570 --> 00:40:28,230
but some people like the woman that you

903
00:40:34,550 --> 00:40:32,580
interviewed Sasha yeah she was she

904
00:40:36,350 --> 00:40:34,560
wanted to find out for herself and

905
00:40:39,230 --> 00:40:36,360
that's you know that's respectable I

906
00:40:42,710 --> 00:40:39,240
think it is but if you can't do the math

907
00:40:44,780 --> 00:40:42,720
then how are you going to do it how are

908
00:40:47,570 --> 00:40:44,790
you going to determine what's real life

909
00:40:50,360 --> 00:40:47,580
isn't if you come if you don't really

910
00:40:52,760 --> 00:40:50,370
have the mental tools to do it a lot of

911
00:40:56,330 --> 00:40:52,770
people feel like they should be able to

912
00:40:57,560 --> 00:40:56,340
figure it out but you know they they

913
00:40:59,600 --> 00:40:57,570

don't know the math so that they can

914

00:41:01,430 --> 00:40:59,610

only could a certain distance along with

915

00:41:02,810 --> 00:41:01,440

the explanation and then you know they

916

00:41:06,590 --> 00:41:02,820

can't figure out what their radius of

917

00:41:08,000 --> 00:41:06,600

the earth is so yeah I just learned

918

00:41:11,120 --> 00:41:08,010

about something called the it's not the

919

00:41:14,120 --> 00:41:11,130

loser it still it's like the illusion of

920

00:41:16,400 --> 00:41:14,130

Hugh being able to explain something and

921

00:41:19,190 --> 00:41:16,410

uh you know talking about people will

922

00:41:24,110 --> 00:41:19,200

say with high confidence they could tell

923

00:41:26,600 --> 00:41:24,120

you how a toilet works when they try to

924

00:41:30,320 --> 00:41:26,610

explain how it works and then they can't

925

00:41:31,940 --> 00:41:30,330

yeah well then say no I'm not very

926

00:41:34,880 --> 00:41:31,950

confident in my ability to explain

927

00:41:37,700 --> 00:41:34,890

something and so that's a great example

928

00:41:40,910 --> 00:41:37,710

but I was thinking yeah it's the

929

00:41:43,490 --> 00:41:40,920

examples to give her a toilet zipper and

930

00:41:45,470 --> 00:41:43,500

a ballpoint pen which I can't tell you

931

00:41:47,090 --> 00:41:45,480

how many of those things yeah that's it

932

00:41:48,830 --> 00:41:47,100

anyone should go out and try to explain

933

00:41:51,040 --> 00:41:48,840

those if they think they're they're good

934

00:41:56,660 --> 00:41:51,050

at understanding and explaining things

935

00:41:59,720 --> 00:41:56,670

right but it brings up then why we

936

00:42:03,350 --> 00:41:59,730

should value people who are experts in

937

00:42:07,280 --> 00:42:03,360

their field and authorities and really

938

00:42:09,710 --> 00:42:07,290

like I think my old debate coach used to

939

00:42:12,140 --> 00:42:09,720

tell me that I think there's value to

940

00:42:13,610 --> 00:42:12,150

the our national parks even if you never

941

00:42:14,030 --> 00:42:13,620

go to them because you just know they're

942

00:42:16,670 --> 00:42:14,040

there

943

00:42:19,220 --> 00:42:16,680

and the same thing with

944

00:42:20,870 --> 00:42:19,230

with experts in the field like there

945

00:42:22,730 --> 00:42:20,880

there there are people who devote their

946

00:42:24,859 --> 00:42:22,740

whole life like with climate change

947

00:42:26,890 --> 00:42:24,869

there's a great communicator on climate

948

00:42:29,270 --> 00:42:26,900

change her name is Katharine Hayhoe and

949

00:42:31,280 --> 00:42:29,280

she's accessible like I've sent her

950

00:42:34,940 --> 00:42:31,290

messages on facebook and she's replied

951

00:42:39,410 --> 00:42:34,950

with you know an expert opinion on

952

00:42:41,690 --> 00:42:39,420

things and so yeah I think people people

953

00:42:45,260 --> 00:42:41,700

should understand that their sphere of

954

00:42:46,730 --> 00:42:45,270

influence is as big as anyone you can

955

00:42:48,859 --> 00:42:46,740

talk to like if you could talk to

956

00:42:52,760 --> 00:42:48,869

somebody that's the person is in your

957

00:42:54,950 --> 00:42:52,770

sphere of influence and and the same is

958

00:42:57,980 --> 00:42:54,960

true with experts in we can you can call

959

00:43:00,230 --> 00:42:57,990

up David Keith and talk to him and man

960

00:43:03,559 --> 00:43:00,240

what that was just a great interview I

961

00:43:05,630 --> 00:43:03,569

loved it yeah David Keith is he's very

962

00:43:08,299 --> 00:43:05,640

accessible he's interesting he's a

963

00:43:10,040 --> 00:43:08,309

target of conspiracy theorists yeah and

964

00:43:12,099 --> 00:43:10,050

he's not not afraid of talking to them

965

00:43:14,569 --> 00:43:12,109

he will actually go and actually hold

966

00:43:16,670 --> 00:43:14,579

discussions with with conspiracy

967

00:43:18,980 --> 00:43:16,680

theorists and try to explain things to

968

00:43:22,099 --> 00:43:18,990

them cuz he yeah he's a guy who he cares

969

00:43:23,660 --> 00:43:22,109

about people yeah he's concerned I think

970

00:43:26,089 --> 00:43:23,670

here for the people themselves but also

971

00:43:28,700 --> 00:43:26,099

for the harm that they might do he said

972

00:43:30,589 --> 00:43:28,710

he's had death threats yeah which is

973

00:43:33,700 --> 00:43:30,599

which is pretty terrible you know so bad

974

00:43:36,829 --> 00:43:33,710

all this complete misunderstanding and

975

00:43:38,780 --> 00:43:36,839

you know people yeah I think they're the

976
00:43:42,559 --> 00:43:38,790
promoters of these conspiracy theorists

977
00:43:45,680 --> 00:43:42,569
I really need to consider what they're

978
00:43:49,609 --> 00:43:45,690
doing see the thing is that these

979
00:43:52,039 --> 00:43:49,619
promoters think that they are correct so

980
00:43:54,200 --> 00:43:52,049
say you know Dane Wigington he thinks

981
00:43:56,780 --> 00:43:54,210
that he is correct in saying that David

982
00:44:02,210 --> 00:43:56,790
Keith is is part of some giant plot

983
00:44:03,980 --> 00:44:02,220
right sir but he's causing harm but from

984
00:44:06,349 --> 00:44:03,990
his perspective he thinks he's doing the

985
00:44:09,380 --> 00:44:06,359
right thing which he makes it very very

986
00:44:12,170 --> 00:44:09,390
difficult to to me if we can't tell him

987
00:44:13,640 --> 00:44:12,180
oh don't be mean to David Keith anything

988
00:44:14,780 --> 00:44:13,650

what I'm trying to save the world what

989

00:44:16,370 --> 00:44:14,790

would you expect me to do you've

990

00:44:18,470 --> 00:44:16,380

actually got to address his conspiracy

991

00:44:21,380 --> 00:44:18,480

theory rather than just you know tell

992

00:44:23,809 --> 00:44:21,390

him to keep it to himself if he could

993

00:44:28,039 --> 00:44:23,819

only listen to David Keith's words then

994

00:44:29,720 --> 00:44:28,049

maybe he could be this yeah getting

995

00:44:31,400 --> 00:44:29,730

through to people

996

00:44:32,900 --> 00:44:31,410

lady with a flat earth befall is

997

00:44:35,480 --> 00:44:32,910

obviously very hard because they don't

998

00:44:36,980 --> 00:44:35,490

have the mental tools to understand

999

00:44:38,540 --> 00:44:36,990

things there's a lot of flat of stuff is

1000

00:44:40,040 --> 00:44:38,550

complicated there's the math and the

1001
00:44:42,320 --> 00:44:40,050
geometry involved you know how high is

1002
00:44:44,240 --> 00:44:42,330
the horizon but some of the other stuff

1003
00:44:50,150 --> 00:44:44,250
like the chemtrails isn't that

1004
00:44:52,250 --> 00:44:50,160
complicated there's this claim that the

1005
00:44:55,340 --> 00:44:52,260
Dane Wigington makes about high-bypass

1006
00:44:57,020 --> 00:44:55,350
jet engines right he says that

1007
00:44:59,870 --> 00:44:57,030
high-bypass jet engines can't make

1008
00:45:02,060 --> 00:44:59,880
contrails and then he kind of gives this

1009
00:45:04,130 --> 00:45:02,070
explanation in terms of Sciences as

1010
00:45:08,660 --> 00:45:04,140
always most of the thrust comes from air

1011
00:45:11,150 --> 00:45:08,670
and the air wouldn't make contrails no

1012
00:45:12,680 --> 00:45:11,160
it's yeah I guess I could see how people

1013
00:45:14,000 --> 00:45:12,690

could not understand what the problem

1014

00:45:15,920 --> 00:45:14,010

with where that is but you know the

1015

00:45:17,450 --> 00:45:15,930

simple answer to you know why they make

1016

00:45:20,000 --> 00:45:17,460

contrails is that the contrail is made

1017

00:45:22,400 --> 00:45:20,010

by the jet exhaust it isn't made by the

1018

00:45:23,630 --> 00:45:22,410

thing that creates the thrust it's not

1019

00:45:25,790 --> 00:45:23,640

made by what's being pressed out it's

1020

00:45:28,070 --> 00:45:25,800

made out you know the the fuel is burnt

1021

00:45:29,780 --> 00:45:28,080

it creates exhaust that gets shut out

1022

00:45:32,960 --> 00:45:29,790

the back and that mixes with the air and

1023

00:45:36,680 --> 00:45:32,970

that makes a contrail but how do you get

1024

00:45:38,810 --> 00:45:36,690

that across to people I think I think

1025

00:45:40,640 --> 00:45:38,820

what Winton has the tools the mental

1026

00:45:43,160 --> 00:45:40,650

tools to understand it but he's

1027

00:45:44,810 --> 00:45:43,170

completely resistant to listening to

1028

00:45:49,190 --> 00:45:44,820

anything that will contradict his

1029

00:45:50,450 --> 00:45:49,200

beliefs yeah that's what the other guy

1030

00:45:53,090 --> 00:45:50,460

you interviewed that didn't want to be

1031

00:45:55,490 --> 00:45:53,100

shown he remember he just said that you

1032

00:45:58,460 --> 00:45:55,500

know it would just block every single

1033

00:46:02,120 --> 00:45:58,470

comment and just pay it no mind

1034

00:46:04,730 --> 00:46:02,130

you know just block it and move on so I

1035

00:46:07,849 --> 00:46:04,740

mentioned that I have trouble now with

1036

00:46:10,070 --> 00:46:07,859

the word truth and the term belief

1037

00:46:15,109 --> 00:46:10,080

because it's hard for me to believe in

1038

00:46:17,630 --> 00:46:15,119

anything or everything like I believe in

1039

00:46:19,120 --> 00:46:17,640

everything equally or hard to believe in

1040

00:46:22,810 --> 00:46:19,130

anything

1041

00:46:26,540 --> 00:46:22,820

have you what do you think about beliefs

1042

00:46:29,570 --> 00:46:26,550

well yeah beliefs is interesting you

1043

00:46:31,490 --> 00:46:29,580

familiar with epistemology that's the

1044

00:46:33,680 --> 00:46:31,500

study of beliefs right this study yes

1045

00:46:37,010 --> 00:46:33,690

the study of knowledge knowledge okay

1046

00:46:40,820 --> 00:46:37,020

which gets defined as justified true

1047

00:46:42,440 --> 00:46:40,830

beliefs so a belief is just simply

1048

00:46:43,400 --> 00:46:42,450

something that you personally think it

1049

00:46:47,569 --> 00:46:43,410

is true

1050

00:46:48,980 --> 00:46:47,579

that this pen is red and you can't see

1051
00:46:52,190 --> 00:46:48,990
the pen so you're gonna have to trust it

1052
00:46:53,990 --> 00:46:52,200
trust press I have a pen here it is red

1053
00:46:57,849 --> 00:46:54,000
it looks right I believe that it to be

1054
00:47:00,410 --> 00:46:57,859
red I'm justified in in this belief

1055
00:47:02,660 --> 00:47:00,420
because the the wavelengths of light

1056
00:47:03,950 --> 00:47:02,670
that are hitting my eye are red and it's

1057
00:47:05,990 --> 00:47:03,960
actually true it is actually a red pen

1058
00:47:08,150 --> 00:47:06,000
so this is this is knowledge I have

1059
00:47:10,910 --> 00:47:08,160
knowledge now that this this pen is red

1060
00:47:12,140 --> 00:47:10,920
but then the epistemology is the

1061
00:47:15,260 --> 00:47:12,150
Philosopher's they get into all these

1062
00:47:17,960 --> 00:47:15,270
little little linguistic tricks what if

1063
00:47:19,579 --> 00:47:17,970

you believe something to be true and it

1064

00:47:21,799 --> 00:47:19,589

was actually true but your reason for

1065

00:47:25,160 --> 00:47:21,809

believing it was false and false yeah

1066

00:47:30,109 --> 00:47:25,170

yeah like if you if you believe somebody

1067

00:47:33,710 --> 00:47:30,119

was dead because you've read an obituary

1068

00:47:37,250 --> 00:47:33,720

of them in the paper but the obituaries

1069

00:47:38,990 --> 00:47:37,260

was wrong it was actually about somebody

1070

00:47:40,460 --> 00:47:39,000

else but they were actually dead anyway

1071

00:47:43,099 --> 00:47:40,470

he was just like another person of the

1072

00:47:44,779 --> 00:47:43,109

same name was also dead do you know that

1073

00:47:49,730 --> 00:47:44,789

person is dead you know you have a

1074

00:47:52,970 --> 00:47:49,740

belief which is true and it's it's not

1075

00:47:54,950 --> 00:47:52,980

justified yeah I think you can tie

1076

00:47:58,930 --> 00:47:54,960

yourself up in knots with these things

1077

00:48:03,230 --> 00:47:58,940

and it's it's a bit silly in a way I

1078

00:48:07,250 --> 00:48:03,240

think that I really wanted to believe in

1079

00:48:12,250 --> 00:48:07,260

a lot of stuff back when I was in the

1080

00:48:16,510 --> 00:48:12,260

rabbit hole like I've kind of like

1081

00:48:20,900 --> 00:48:16,520

parallel to Rory story I had a lot of

1082

00:48:23,930 --> 00:48:20,910

religious and spiritual journeys with

1083

00:48:26,630 --> 00:48:23,940

different paths and at one point I was

1084

00:48:31,609 --> 00:48:26,640

just like they're all part of one big

1085

00:48:34,039 --> 00:48:31,619

path man and you know kinda was willing

1086

00:48:36,529 --> 00:48:34,049

to believe everything like give me your

1087

00:48:39,740 --> 00:48:36,539

beliefs I can take them all in and I can

1088

00:48:42,010 --> 00:48:39,750

hold them all in my brain or my whatever

1089

00:48:46,549 --> 00:48:42,020

and I just really wanted to believe in

1090

00:48:48,950 --> 00:48:46,559

everything then the more extreme the

1091

00:48:52,609 --> 00:48:48,960

better because it was it kind of gives

1092

00:48:54,750 --> 00:48:52,619

you a little what oxytocin or something

1093

00:48:59,609 --> 00:48:54,760

like that serotonin

1094

00:49:01,950 --> 00:48:59,619

yeah Edie but now I just find it hard to

1095

00:49:04,710 --> 00:49:01,960

believe and anything except for

1096

00:49:07,020 --> 00:49:04,720

debunking it's like you you were

1097

00:49:09,060 --> 00:49:07,030

believing things without justification

1098

00:49:10,640 --> 00:49:09,070

back then you were believing things

1099

00:49:14,580 --> 00:49:10,650

because they sounded like a good idea

1100

00:49:18,330 --> 00:49:14,590

like an a they they seemed like good

1101
00:49:21,180 --> 00:49:18,340
things to believe in yeah well and also

1102
00:49:23,280 --> 00:49:21,190
just the act the openness to beliefs I

1103
00:49:25,560 --> 00:49:23,290
think some people feel you know at the

1104
00:49:27,030 --> 00:49:25,570
time in their lives they feel that's a

1105
00:49:28,260 --> 00:49:27,040
very positive thing like the Flat Earth

1106
00:49:30,690 --> 00:49:28,270
lady Sascha

1107
00:49:33,720 --> 00:49:30,700
yeah he said like he was very liberating

1108
00:49:35,340 --> 00:49:33,730
to believe in things or lay open your

1109
00:49:38,430 --> 00:49:35,350
her mind to the possibility of these

1110
00:49:40,440 --> 00:49:38,440
things and just this open-mindedness

1111
00:49:42,090 --> 00:49:40,450
people just really enjoy I said maybe

1112
00:49:45,150 --> 00:49:42,100
this is true maybe this is true I can I

1113
00:49:47,430 --> 00:49:45,160

can't believe anything now yeah yeah

1114

00:49:51,150 --> 00:49:47,440

that reminds me of that website the mind

1115

00:49:52,859 --> 00:49:51,160

Unleashed sometimes I read the post from

1116

00:49:55,770 --> 00:49:52,869

that my friends share from the mind

1117

00:49:57,060 --> 00:49:55,780

unleashed and I'm like no you should not

1118

00:50:01,349 --> 00:49:57,070

have a mind at least you should have a

1119

00:50:02,730 --> 00:50:01,359

mind not on a leash well I think it

1120

00:50:04,470 --> 00:50:02,740

comes back to the to evidence and that's

1121

00:50:07,290 --> 00:50:04,480

what skepticism is about

1122

00:50:10,320 --> 00:50:07,300

I mean skepticism basically means show

1123

00:50:12,349 --> 00:50:10,330

me the evidence for this belief yes you

1124

00:50:15,810 --> 00:50:12,359

don't accept a belief without evidence

1125

00:50:18,420 --> 00:50:15,820

without the justification for the belief

1126
00:50:22,170 --> 00:50:18,430
you know truth I think is something that

1127
00:50:23,460 --> 00:50:22,180
is is hard to determine absolutely but

1128
00:50:25,440 --> 00:50:23,470
you can certainly look at what the

1129
00:50:27,960 --> 00:50:25,450
evidence is you know I've very good

1130
00:50:29,250 --> 00:50:27,970
evidence about my red pen here right I

1131
00:50:30,840 --> 00:50:29,260
could take I could take a photograph of

1132
00:50:32,820 --> 00:50:30,850
it and put it into Photoshop and click

1133
00:50:34,440 --> 00:50:32,830
on it and they will say red you know

1134
00:50:36,060 --> 00:50:34,450
there's a very very strong evidence for

1135
00:50:38,790 --> 00:50:36,070
things like that and we have very strong

1136
00:50:40,830 --> 00:50:38,800
evidence that the world is a sphere and

1137
00:50:43,230 --> 00:50:40,840
we have very strong evidence that the

1138
00:50:45,120 --> 00:50:43,240

fires and the impacts are what brought

1139

00:50:47,070 --> 00:50:45,130

down the World Trade Center we have very

1140

00:50:49,830 --> 00:50:47,080

strong evidence that the the lines

1141

00:50:51,450 --> 00:50:49,840

people see in the sky act exactly the

1142

00:50:52,890 --> 00:50:51,460

same as contrails because we know what

1143

00:50:54,720 --> 00:50:52,900

contrails are like and we know the

1144

00:50:57,030 --> 00:50:54,730

physics of contrails and clouds and

1145

00:50:59,849 --> 00:50:57,040

things so we have all this evidence for

1146

00:51:01,470 --> 00:50:59,859

these things so it's it's fine to

1147

00:51:03,300 --> 00:51:01,480

believe in them because they've got

1148

00:51:04,440 --> 00:51:03,310

strong evidence you can always have that

1149

00:51:06,720 --> 00:51:04,450

doubt you can always have that little

1150

00:51:07,810 --> 00:51:06,730

iota of doubt when maybe it isn't true

1151

00:51:10,390 --> 00:51:07,820

is some new evidence

1152

00:51:12,640 --> 00:51:10,400

so long maybe the evidence isn't 100%

1153

00:51:14,350 --> 00:51:12,650

maybe which is 99% but then that doesn't

1154

00:51:16,180 --> 00:51:14,360

mean you should go off and believe in

1155

00:51:19,240 --> 00:51:16,190

something else which only has 1% of

1156

00:51:22,780 --> 00:51:19,250

evidence writing some silly theory like

1157

00:51:26,440 --> 00:51:22,790

like chemtrails anyway call people silly

1158

00:51:29,530 --> 00:51:26,450

but that the theory is really the one

1159

00:51:34,260 --> 00:51:29,540

thing that David Keith said that I wish

1160

00:51:39,940 --> 00:51:34,270

he didn't was that he said that they're

1161

00:51:42,040 --> 00:51:39,950

not trying or willingly fooling

1162

00:51:43,270 --> 00:51:42,050

themselves I can't remember exactly how

1163

00:51:46,240 --> 00:51:43,280

I said but he did say that they're not

1164

00:51:50,200 --> 00:51:46,250

trying and I just know that you know to

1165

00:51:53,080 --> 00:51:50,210

somebody who believes in that conspiracy

1166

00:51:55,720 --> 00:51:53,090

theory that would be insulting to them

1167

00:52:00,310 --> 00:51:55,730

you know and you know wouldn't be super

1168

00:52:01,660 --> 00:52:00,320

useful yeah a lot of people who yea they

1169

00:52:05,290 --> 00:52:01,670

feel like that they've done a lot of

1170

00:52:07,930 --> 00:52:05,300

research yes that's something they will

1171

00:52:09,820 --> 00:52:07,940

say you know I've done my research right

1172

00:52:12,540 --> 00:52:09,830

I'm almost become a joke in a way like

1173

00:52:15,310 --> 00:52:12,550

you go do your own research

1174

00:52:16,900 --> 00:52:15,320

hello if I do any research I gladly

1175

00:52:21,220 --> 00:52:16,910

share it with anybody

1176

00:52:23,260 --> 00:52:21,230

yeah yes it's a bit silly like telling a

1177

00:52:24,640 --> 00:52:23,270

scientist to go do your own research

1178

00:52:28,510 --> 00:52:24,650

I mean sure he'll do his own research

1179

00:52:31,990 --> 00:52:28,520

but you have some research then yeah

1180

00:52:32,710 --> 00:52:32,000

let's let's hear it yeah and it's

1181

00:52:34,690 --> 00:52:32,720

something it's kind of a

1182

00:52:36,520 --> 00:52:34,700

get-out-of-jail-free card like that

1183

00:52:39,580 --> 00:52:36,530

that people play when they don't want to

1184

00:52:41,500 --> 00:52:39,590

continue the discussion but it's also

1185

00:52:45,250 --> 00:52:41,510

because the research they have done is

1186

00:52:47,200 --> 00:52:45,260

difficult to communicate yeah like a guy

1187

00:52:49,750 --> 00:52:47,210

emailed me today and he was trying to

1188

00:52:51,520 --> 00:52:49,760

tell me about his theory about something

1189

00:52:53,080 --> 00:52:51,530

to do with 911 like there was seven high

1190

00:52:55,300 --> 00:52:53,090

jet four six hijackers instead of five

1191

00:52:57,400 --> 00:52:55,310

hijackers and he said just watch this

1192

00:52:59,440 --> 00:52:57,410

video and he sent me an hour and a half

1193

00:53:00,880 --> 00:52:59,450

long video and then I asked him to

1194

00:53:04,060 --> 00:53:00,890

summarize it and then he sent me this

1195

00:53:05,740 --> 00:53:04,070

long explanation of what what the video

1196

00:53:07,600 --> 00:53:05,750

was about and I still really didn't get

1197

00:53:13,900 --> 00:53:07,610

it because it was just this long kind of

1198

00:53:16,260 --> 00:53:13,910

rambling explanation yes no it wasn't it

1199

00:53:18,790 --> 00:53:16,270

was recently well written okay I think

1200

00:53:21,490 --> 00:53:18,800

he was something that in his mind it

1201
00:53:23,530 --> 00:53:21,500
made sense right but because

1202
00:53:25,420 --> 00:53:23,540
he's done all this research he's watched

1203
00:53:26,920 --> 00:53:25,430
all these loads and loads of videos and

1204
00:53:28,510 --> 00:53:26,930
he's chemtrail people they watch all

1205
00:53:30,550 --> 00:53:28,520
these these videos and for them it makes

1206
00:53:32,080 --> 00:53:30,560
sense and then they try to explain it to

1207
00:53:34,930 --> 00:53:32,090
you and they can't they say oh you got

1208
00:53:37,630 --> 00:53:34,940
to watch you watch this video you got to

1209
00:53:40,060 --> 00:53:37,640
watch what is it the shade video and the

1210
00:53:41,080 --> 00:53:40,070
what in the world are there spraying and

1211
00:53:42,310 --> 00:53:41,090
then you're gonna watch all these other

1212
00:53:43,720 --> 00:53:42,320
videos and then watch all the day and

1213
00:53:46,840 --> 00:53:43,730

waiting for those videos and then read

1214

00:53:48,400 --> 00:53:46,850

this book and then you'll understand so

1215

00:53:50,800 --> 00:53:48,410

they can't communicate it to you because

1216

00:53:56,740 --> 00:53:50,810

it's it's too much research in a way

1217

00:53:59,260 --> 00:53:56,750

yeah yeah yeah that's my experience too

1218

00:54:01,600 --> 00:53:59,270

I get this one guy that just sends me

1219

00:54:04,150 --> 00:54:01,610

videos all the time and I'm just like I

1220

00:54:05,770 --> 00:54:04,160

won't watch your videos that's why I

1221

00:54:07,750 --> 00:54:05,780

talk about artists

1222

00:54:10,510 --> 00:54:07,760

cuz I don't want to watch a three hour

1223

00:54:14,680 --> 00:54:10,520

long video about lizard people or

1224

00:54:16,330 --> 00:54:14,690

whatever yeah but for them it seems like

1225

00:54:17,920 --> 00:54:16,340

the most important thing ever this was a

1226

00:54:19,510 --> 00:54:17,930

video that opened their mind to a

1227

00:54:21,100 --> 00:54:19,520

fundamental truth that was hidden to

1228

00:54:24,040 --> 00:54:21,110

everybody and they used language

1229

00:54:26,380 --> 00:54:24,050

religious type language oh this is the

1230

00:54:30,160 --> 00:54:26,390

truth with a capital T and they talk

1231

00:54:32,770 --> 00:54:30,170

about you know you they say to me you

1232

00:54:34,750 --> 00:54:32,780

know you're crazy because you believe

1233

00:54:37,840 --> 00:54:34,760

this and I'm talking about something

1234

00:54:40,750 --> 00:54:37,850

that I don't believe that they translate

1235

00:54:43,810 --> 00:54:40,760

that into well if you don't believe this

1236

00:54:45,310 --> 00:54:43,820

then must believe that the government

1237

00:54:49,000 --> 00:54:45,320

always tells the truth there's something

1238

00:54:52,390 --> 00:54:49,010

like that mm-hmm and so I haven't really

1239

00:54:53,920 --> 00:54:52,400

been able to like get through to this

1240

00:54:56,740 --> 00:54:53,930

one guy that I've been trying to talk to

1241

00:54:59,860 --> 00:54:56,750

he's so his line of demarcation would

1242

00:55:04,630 --> 00:54:59,870

probably be all the way at ten really

1243

00:55:09,400 --> 00:55:04,640

yeah it's got the Oh something about

1244

00:55:14,950 --> 00:55:09,410

some a new Kyra lygian involves with the

1245

00:55:18,910 --> 00:55:14,960

Pope and the some structure at the

1246

00:55:21,280 --> 00:55:18,920

Vatican and really looks like like a

1247

00:55:24,550 --> 00:55:21,290

serpent head or something like that so

1248

00:55:25,930 --> 00:55:24,560

he's about as far down as you can go but

1249

00:55:31,300 --> 00:55:25,940

he runs the whole gamut

1250

00:55:34,060 --> 00:55:31,310

you know he's ex-military you went to my

1251
00:55:35,420 --> 00:55:34,070
high school I he's reasonably smart I've

1252
00:55:39,780 --> 00:55:35,430
talked to him on the phone

1253
00:55:42,240 --> 00:55:39,790
but he gets and he talks about he takes

1254
00:55:43,859 --> 00:55:42,250
he sees patterns and things also like

1255
00:55:45,990 --> 00:55:43,869
he'll take a bunch of pictures of clouds

1256
00:55:50,010 --> 00:55:46,000
and say look there's a dragon in this

1257
00:55:54,319 --> 00:55:50,020
one and he'll take pictures of like rock

1258
00:55:56,849 --> 00:55:54,329
structures and say he sees like old

1259
00:56:00,390 --> 00:55:56,859
parts of people at him and stuff you

1260
00:56:02,760 --> 00:56:00,400
know yeah so he's got like I'm almost

1261
00:56:06,390 --> 00:56:02,770
wondering like should I be talking to

1262
00:56:09,870 --> 00:56:06,400
this guy because my maybe there's maybe

1263
00:56:13,440 --> 00:56:09,880

he is some might have some mental stuff

1264

00:56:15,809 --> 00:56:13,450

going on and I just wonder if idea I

1265

00:56:18,690 --> 00:56:15,819

think you know eventually you know you

1266

00:56:19,920 --> 00:56:18,700

do meet people who do have actual mental

1267

00:56:22,920 --> 00:56:19,930

issues I mean sometimes they're just

1268

00:56:24,480 --> 00:56:22,930

people who are you know not neurotypical

1269

00:56:26,160 --> 00:56:24,490

they've they've got their brain is just

1270

00:56:28,589 --> 00:56:26,170

wired a bit differently which isn't

1271

00:56:30,569 --> 00:56:28,599

necessarily like this this bad negative

1272

00:56:33,690 --> 00:56:30,579

thing know what's good that's great but

1273

00:56:37,170 --> 00:56:33,700

it can make them be you know they see

1274

00:56:38,880 --> 00:56:37,180

patterns and things where perhaps most

1275

00:56:40,380 --> 00:56:38,890

people wouldn't see patterns I sort of

1276

00:56:42,420 --> 00:56:40,390

look at something and they'll see a

1277

00:56:44,789 --> 00:56:42,430

pattern that isn't there because the

1278

00:56:47,609 --> 00:56:44,799

brain is very active in the you know

1279

00:56:49,890 --> 00:56:47,619

connecting the dots department yeah and

1280

00:56:52,079 --> 00:56:49,900

so it makes them more susceptible to

1281

00:56:53,609 --> 00:56:52,089

believing these types of things and then

1282

00:56:55,650 --> 00:56:53,619

they end up watching some videos that

1283

00:56:57,599 --> 00:56:55,660

connect the dots for them and then they

1284

00:56:59,819 --> 00:56:57,609

they kind of lost down the rabbit hole

1285

00:57:02,010 --> 00:56:59,829

and that can be very difficult to deal

1286

00:57:04,289 --> 00:57:02,020

with when someone really has you know

1287

00:57:06,960 --> 00:57:04,299

something something in their brain going

1288

00:57:09,329 --> 00:57:06,970

on that's you you can't really you can't

1289

00:57:10,680 --> 00:57:09,339

really reason past that it's it's a

1290

00:57:12,359 --> 00:57:10,690

tricky a tricky thing to deal with and

1291

00:57:15,510 --> 00:57:12,369

you know I'm no expert in that type of

1292

00:57:17,400 --> 00:57:15,520

thing so I I kind of had to say you know

1293

00:57:20,069 --> 00:57:17,410

leave it to the experts if that's you

1294

00:57:21,859 --> 00:57:20,079

know what's actually going on right no

1295

00:57:25,700 --> 00:57:21,869

it's like with your friend they're like

1296

00:57:27,809 --> 00:57:25,710

you know easy is it is it actually worth

1297

00:57:29,849 --> 00:57:27,819

attacking them not attacking them but

1298

00:57:32,549 --> 00:57:29,859

like attacking their beliefs like if

1299

00:57:35,940 --> 00:57:32,559

someone that was very devoutly religious

1300

00:57:39,089 --> 00:57:35,950

and the religion meant so much to them

1301
00:57:40,230 --> 00:57:39,099
yeah from my perspective most religions

1302
00:57:42,799 --> 00:57:40,240
you know I wouldn't say they're

1303
00:57:48,210 --> 00:57:42,809
irrational but I think they're wrong

1304
00:57:49,080 --> 00:57:48,220
yeah I wouldn't religious no and you

1305
00:57:50,970 --> 00:57:49,090
know if I have lost

1306
00:57:53,790 --> 00:57:50,980
religious relatives and I'm not gonna be

1307
00:57:55,650 --> 00:57:53,800
trying to convert them to atheism

1308
00:57:58,440 --> 00:57:55,660
because I know it's just such a

1309
00:58:01,110 --> 00:57:58,450
fundamental part of their lives and I

1310
00:58:04,560 --> 00:58:01,120
think you know if if it's not harming

1311
00:58:07,740 --> 00:58:04,570
them then you know why what's the

1312
00:58:11,130 --> 00:58:07,750
benefit and in destroying part of their

1313
00:58:12,840 --> 00:58:11,140

belief system it is harming them like as

1314

00:58:15,150 --> 00:58:12,850

people who believe in conspiracies there

1315

00:58:17,460 --> 00:58:15,160

is that that are harmful then yeah I can

1316

00:58:19,080 --> 00:58:17,470

see that but you know if your friend is

1317

00:58:22,710 --> 00:58:19,090

believing something that essentially is

1318

00:58:24,600 --> 00:58:22,720

their religion then it's it's perhaps

1319

00:58:25,890 --> 00:58:24,610

over the line in what what you should

1320

00:58:28,470 --> 00:58:25,900

address then what you got to do a

1321

00:58:30,270 --> 00:58:28,480

cost-benefit analysis yeah what this

1322

00:58:32,460 --> 00:58:30,280

person would you and your relationship

1323

00:58:35,280 --> 00:58:32,470

with this person benefit from attempting

1324

00:58:38,850 --> 00:58:35,290

to debunk it yeah well I wouldn't debunk

1325

00:58:41,310 --> 00:58:38,860

his like um spiritual beliefs like he

1326

00:58:44,160 --> 00:58:41,320

gets a spiritual camaraderie with the

1327

00:58:46,380 --> 00:58:44,170

people that share his views I understand

1328

00:58:49,290 --> 00:58:46,390

just from seeing his interactions online

1329

00:58:52,380 --> 00:58:49,300

like you know he'll post these pictures

1330

00:58:54,450 --> 00:58:52,390

of you know random things he'll it'll

1331

00:58:56,700 --> 00:58:54,460

draw in the clouds and say see there's

1332

00:58:59,180 --> 00:58:56,710

the dragon right there and people oh

1333

00:59:02,190 --> 00:58:59,190

you're so amazing what a blessed thing

1334

00:59:04,530 --> 00:59:02,200

yes I've seen groups like that on

1335

00:59:07,620 --> 00:59:04,540

Facebook and they're very supportive of

1336

00:59:08,730 --> 00:59:07,630

each other that's the thing and I you

1337

00:59:11,280 --> 00:59:08,740

know I don't want to mess with that

1338

00:59:13,400 --> 00:59:11,290

because that's you know positive to me

1339

00:59:18,390 --> 00:59:13,410

but the part that seems bad as where

1340

00:59:21,590 --> 00:59:18,400

well he's even a Q and on guy too and so

1341

00:59:26,040 --> 00:59:21,600

he's he's very sure of that one that

1342

00:59:33,090 --> 00:59:26,050

we're gonna see that's low level on the

1343

00:59:34,800 --> 00:59:33,100

conspiracy scale so I'd say it's in the

1344

00:59:38,520 --> 00:59:34,810

middle I guess because it's it is kind

1345

00:59:40,680 --> 00:59:38,530

of a bit strange but it's it's kind of

1346

00:59:42,300 --> 00:59:40,690

in a way almost mainstream as well

1347

00:59:43,830 --> 00:59:42,310

because you see these queueing on people

1348

00:59:46,290 --> 00:59:43,840

on TV and they're attending Trump

1349

00:59:49,800 --> 00:59:46,300

rallies and they're you know some ways

1350

00:59:51,510 --> 00:59:49,810

they're just ordinary voters who are big

1351
00:59:53,640 --> 00:59:51,520
fans of Trump who think that this is a

1352
00:59:55,650 --> 00:59:53,650
great thing that he's J you know kind of

1353
00:59:58,100 --> 00:59:55,660
low information people they don't really

1354
01:00:00,780 --> 00:59:58,110
have much understanding of of the world

1355
01:00:02,579 --> 01:00:00,790
but then that's okay some of them do

1356
01:00:05,700 --> 01:00:02,589
it's it's kind of weird you talk

1357
01:00:07,349 --> 01:00:05,710
them online and they they sometimes know

1358
01:00:10,589 --> 01:00:07,359
quite a bit about politics and yet

1359
01:00:12,749 --> 01:00:10,599
they've got this weird idea it's I need

1360
01:00:14,700 --> 01:00:12,759
to talk to more queuing on people that's

1361
01:00:18,269 --> 01:00:14,710
right they're an interesting Bunch

1362
01:00:20,609 --> 01:00:18,279
especially now that uh yeah I think QR

1363
01:00:22,529 --> 01:00:20,619

Nolan is basically being it's going away

1364

01:00:24,539 --> 01:00:22,539

hasn't really posted for a while and a

1365

01:00:28,380 --> 01:00:24,549

channel is being shut down and maybe

1366

01:00:32,009 --> 01:00:28,390

4chan - oh wait so Q and on hasn't been

1367

01:00:34,979 --> 01:00:32,019

doing releases or whatever that is yeah

1368

01:00:36,690 --> 01:00:34,989

the breadcrumbs I think I think it's

1369

01:00:39,539 --> 01:00:36,700

decreased a lot I'm not very familiar I

1370

01:00:42,870 --> 01:00:39,549

saw that because the molar investigation

1371

01:00:45,440 --> 01:00:42,880

came out and it really was about yeah I

1372

01:00:48,900 --> 01:00:45,450

think maybe it's just as run its course

1373

01:00:51,779 --> 01:00:48,910

yes the some some guy behind it here's

1374

01:00:53,249 --> 01:00:51,789

some person behind it it's just pulling

1375

01:00:55,019 --> 01:00:53,259

the strings yeah it's like a bunch of

1376
01:00:57,089 --> 01:00:55,029
people doing it and they're they've had

1377
01:01:00,509 --> 01:00:57,099
been having a lot of fun it's

1378
01:01:03,479 --> 01:01:00,519
interactive yeah yes part of this thing

1379
01:01:06,150 --> 01:01:03,489
it is it's a game it's a it's a lot as

1380
01:01:11,940 --> 01:01:06,160
they as they say live-action

1381
01:01:14,700 --> 01:01:11,950
role-playing its yeah people enjoy doing

1382
01:01:16,319 --> 01:01:14,710
it they enjoy going and in the morning

1383
01:01:18,479 --> 01:01:16,329
and figuring out what the clues are it's

1384
01:01:20,039 --> 01:01:18,489
like doing the crossword it's this fun

1385
01:01:21,569 --> 01:01:20,049
intellectual thing and they also think

1386
01:01:24,690 --> 01:01:21,579
that part of this amazing thing which is

1387
01:01:26,069 --> 01:01:24,700
saving the world right if you if they

1388
01:01:29,130 --> 01:01:26,079

could actually step back and look at it

1389

01:01:30,839 --> 01:01:29,140

it makes no sense whatsoever that yeah I

1390

01:01:33,299 --> 01:01:30,849

like like I say with everything from

1391

01:01:34,950 --> 01:01:33,309

their perspective it makes perfect sense

1392

01:01:38,400 --> 01:01:34,960

and so you could have tried to figure

1393

01:01:39,989 --> 01:01:38,410

out how do you talk about it from their

1394

01:01:40,489 --> 01:01:39,999

perspective in a way though that makes

1395

01:01:43,019 --> 01:01:40,499

sense

1396

01:01:44,609 --> 01:01:43,029

yeah I think it'll just I think it'll

1397

01:01:46,979 --> 01:01:44,619

just ruin out of steam though yeah

1398

01:01:49,349 --> 01:01:46,989

nothing is coming true right

1399

01:01:53,039 --> 01:01:49,359

doesn't seem like on the low information

1400

01:01:54,989 --> 01:01:53,049

thing like I now consider myself a high

1401
01:01:59,279 --> 01:01:54,999
information person but I think I used to

1402
01:02:01,229 --> 01:01:59,289
be a lower information person or at

1403
01:02:04,049 --> 01:02:01,239
least limited like you have a limited

1404
01:02:05,459 --> 01:02:04,059
set of information you could be very

1405
01:02:09,150 --> 01:02:05,469
high information and then you get a lot

1406
01:02:11,729 --> 01:02:09,160
of information from a very narrow set of

1407
01:02:14,249 --> 01:02:11,739
sources that you could be an expert on

1408
01:02:18,709 --> 01:02:14,259
on everything that Alex Jones talks

1409
01:02:20,940 --> 01:02:18,719
about yeah you can do that I think it's

1410
01:02:22,529 --> 01:02:20,950
just always better to have more

1411
01:02:24,390 --> 01:02:22,539
information you know you can always

1412
01:02:28,229 --> 01:02:24,400
reject the information but I just think

1413
01:02:30,509 --> 01:02:28,239

I'm not like what's your name that's

1414

01:02:33,509 --> 01:02:30,519

just like oh I'm open to every idea I'm

1415

01:02:36,979 --> 01:02:33,519

not open to every idea but I will look

1416

01:02:39,569 --> 01:02:36,989

at sources and consider you know like

1417

01:02:41,690 --> 01:02:39,579

questions of media literacy now or I

1418

01:02:44,160 --> 01:02:41,700

didn't question any of that stuff like

1419

01:02:46,890 --> 01:02:44,170

well I can't looked up the story of

1420

01:02:48,779 --> 01:02:46,900

rinse after I stopped believing in

1421

01:02:50,880 --> 01:02:48,789

conspiracy theorists and that's just the

1422

01:02:54,749 --> 01:02:50,890

oh my god what a [h__h] show

1423

01:02:59,670 --> 01:02:54,759

okay Jeff French yeah and some weird

1424

01:03:01,319 --> 01:02:59,680

stuff and uh so I think one of the

1425

01:03:04,549 --> 01:03:01,329

aspects of coming out of the rabbit hole

1426

01:03:08,099 --> 01:03:04,559

also is that I pay more attention to

1427

01:03:11,190 --> 01:03:08,109

where am I getting my media I constantly

1428

01:03:14,370 --> 01:03:11,200

am looking stuff up like if I see

1429

01:03:17,099 --> 01:03:14,380

something that I just you know rings a

1430

01:03:19,920 --> 01:03:17,109

bell or just kind of tugs at me the

1431

01:03:21,809 --> 01:03:19,930

wrong way I like I'll have 20 or 30 tabs

1432

01:03:23,489 --> 01:03:21,819

open in my browser at all times because

1433

01:03:26,910 --> 01:03:23,499

I'm looking stuff up constantly

1434

01:03:28,799 --> 01:03:26,920

I follow Snopes on Facebook just so I

1435

01:03:33,690 --> 01:03:28,809

have a constant stream of what the

1436

01:03:36,359 --> 01:03:33,700

latest like Snopes things are and so I'm

1437

01:03:38,219 --> 01:03:36,369

like and I try to like get all that

1438

01:03:42,469 --> 01:03:38,229

stuff in my social media so I'm

1439

01:03:45,989 --> 01:03:42,479

constantly engaged with questions about

1440

01:03:47,880 --> 01:03:45,999

what is this different disinformation is

1441

01:03:51,390 --> 01:03:47,890

this misinformation is this good

1442

01:03:53,609 --> 01:03:51,400

information that kind of thing and so ya

1443

01:03:56,759 --> 01:03:53,619

know it's this great like just checking

1444

01:03:58,529 --> 01:03:56,769

no just checking things but having lots

1445

01:04:00,059 --> 01:03:58,539

of information coming in I try to look

1446

01:04:02,309 --> 01:04:00,069

at lots of different news sources like I

1447

01:04:05,940 --> 01:04:02,319

look at Fox News and I look at CNN I

1448

01:04:08,809 --> 01:04:05,950

look at Breitbart MSNBC so you go look

1449

01:04:11,130 --> 01:04:08,819

at all the information so that you know

1450

01:04:12,779 --> 01:04:11,140

you know and not only what's real in the

1451

01:04:15,509 --> 01:04:12,789

world but also what other people think

1452

01:04:18,150 --> 01:04:15,519

is real in the world yeah that's you

1453

01:04:19,650 --> 01:04:18,160

know that's a good part it reminds me of

1454

01:04:22,739 --> 01:04:19,660

a point in your book where you talk

1455

01:04:27,089 --> 01:04:22,749

about the Trump making fun of the

1456

01:04:28,740 --> 01:04:27,099

disabled reporter and refresh my memory

1457

01:04:30,720 --> 01:04:28,750

it wasn't that he was

1458

01:04:33,660 --> 01:04:30,730

maybe he wasn't really doing that is

1459

01:04:36,930 --> 01:04:33,670

that it is unclear but it was one of

1460

01:04:38,760 --> 01:04:36,940

these issues where the the people who

1461

01:04:40,230 --> 01:04:38,770

are not fans of Trump they think it was

1462

01:04:43,680 --> 01:04:40,240

like really obvious like he was the guy

1463

01:04:46,710 --> 01:04:43,690

who he had a camera is called a Gruffalo

1464

01:04:48,930 --> 01:04:46,720

or something a disease that makes it

1465

01:04:52,770 --> 01:04:48,940

waste his limbs and so his arms were

1466

01:04:54,630 --> 01:04:52,780

twisted and Trump was kind of making a a

1467

01:04:57,480 --> 01:04:54,640

kind of gesture where his hands were

1468

01:05:01,080 --> 01:04:57,490

flopping around that looked like it was

1469

01:05:02,880 --> 01:05:01,090

he was mimicking this guy ya know and

1470

01:05:04,470 --> 01:05:02,890

the Liberals think that you know this

1471

01:05:05,790 --> 01:05:04,480

was his Trump being a horrible evil

1472

01:05:07,380 --> 01:05:05,800

people and there's there's a meme that

1473

01:05:09,950 --> 01:05:07,390

goes around that says like I can't

1474

01:05:13,260 --> 01:05:09,960

understand why this wasn't the end of it

1475

01:05:15,480 --> 01:05:13,270

he did this horrible thing why didn't

1476

01:05:18,440 --> 01:05:15,490

that just end it but all the Trump

1477

01:05:21,420 --> 01:05:18,450

supporters they say that's been debunked

1478

01:05:24,210 --> 01:05:21,430

so in their minds it was just this kind

1479

01:05:26,100 --> 01:05:24,220

of is fake news thing from the

1480

01:05:28,890 --> 01:05:26,110

mainstream media and they cite the fact

1481

01:05:31,400 --> 01:05:28,900

that he actually made very very similar

1482

01:05:35,730 --> 01:05:31,410

hand movement when he was making fun of

1483

01:05:37,230 --> 01:05:35,740

Ted Cruz okay either say Oh Ted Cruz

1484

01:05:38,760 --> 01:05:37,240

doesn't know what he's talking about and

1485

01:05:42,300 --> 01:05:38,770

he was waving his hands around in the

1486

01:05:45,000 --> 01:05:42,310

same way and so they they they they pass

1487

01:05:46,620 --> 01:05:45,010

it off as just being something that he

1488

01:05:48,330 --> 01:05:46,630

does sometimes whenever he's making fun

1489

01:05:51,900 --> 01:05:48,340

of anybody he waves his hands around

1490

01:05:53,610 --> 01:05:51,910

like this and so in the mind of the

1491

01:05:55,380 --> 01:05:53,620

Trump supporter is this thing where they

1492

01:05:57,030 --> 01:05:55,390

think he did nothing wrong

1493

01:06:00,150 --> 01:05:57,040

in the minds of the liberal they think

1494

01:06:02,070 --> 01:06:00,160

is this horrible evil thing and you you

1495

01:06:04,170 --> 01:06:02,080

never get one side understanding where

1496

01:06:07,020 --> 01:06:04,180

the other side is coming from the Trump

1497

01:06:12,060 --> 01:06:07,030

supporters think that the liberals are

1498

01:06:14,720 --> 01:06:12,070

being duped by the mainstream media yeah

1499

01:06:18,300 --> 01:06:14,730

the liberals think the Trump supporters

1500

01:06:20,250 --> 01:06:18,310

just here brainwashed idiots because

1501
01:06:21,690 --> 01:06:20,260
they they believe that it was fake news

1502
01:06:24,240 --> 01:06:21,700
when he owned their mines it obviously

1503
01:06:26,850 --> 01:06:24,250
wasn't I mean if you go to us if you go

1504
01:06:30,390 --> 01:06:26,860
to Snopes and look it up and they mark

1505
01:06:33,180 --> 01:06:30,400
it as unclear like like partially true

1506
01:06:36,330 --> 01:06:33,190
or dubious if you go to Pawlenty fact

1507
01:06:37,650 --> 01:06:36,340
there they have a similar assessment you

1508
01:06:41,220 --> 01:06:37,660
know I think that you know he probably

1509
01:06:42,330 --> 01:06:41,230
was mocking in but it's it's hard to

1510
01:06:45,660 --> 01:06:42,340
tell

1511
01:06:47,340 --> 01:06:45,670
there's something called the need for a

1512
01:06:51,030 --> 01:06:47,350
cognitive closure that I recently

1513
01:06:56,850 --> 01:06:51,040

learned about and some people have a

1514

01:06:59,370 --> 01:06:56,860

real short timeframe where they will

1515

01:07:01,170 --> 01:06:59,380

allow themselves to feel like there's no

1516

01:07:03,540 --> 01:07:01,180

closure on the subject and then other

1517

01:07:05,760 --> 01:07:03,550

people have very open amount of time

1518

01:07:07,830 --> 01:07:05,770

like you know the jury's out on that I

1519

01:07:09,960 --> 01:07:07,840

don't know is an acceptable answer to

1520

01:07:13,350 --> 01:07:09,970

some of those people and so I'm okay

1521

01:07:15,210 --> 01:07:13,360

with like I don't have a serious need

1522

01:07:17,160 --> 01:07:15,220

for cognitive closure on stuff like that

1523

01:07:21,540 --> 01:07:17,170

it's okay that it's kind of fuzzy and

1524

01:07:24,290 --> 01:07:21,550

yeah that's just okay that fake fake

1525

01:07:29,700 --> 01:07:24,300

news thing though one of the things that

1526

01:07:32,310 --> 01:07:29,710

really bothers me about how that cat has

1527

01:07:35,460 --> 01:07:32,320

become part of the I guess you would say

1528

01:07:40,320 --> 01:07:35,470

like lexicon or something is that it

1529

01:07:42,420 --> 01:07:40,330

just allows people to respond to

1530

01:07:44,970 --> 01:07:42,430

something they don't like with just that

1531

01:07:48,120 --> 01:07:44,980

term and there's absolutely no critical

1532

01:07:50,340 --> 01:07:48,130

thinking at all happening when people

1533

01:07:54,840 --> 01:07:50,350

just say oh yeah yeah people people say

1534

01:07:57,840 --> 01:07:54,850

yeah that's been debunked they'll say oh

1535

01:08:00,480 --> 01:07:57,850

well Snopes has been debunked so if you

1536

01:08:07,380 --> 01:08:00,490

say any any article from Snopes Snopes

1537

01:08:11,220 --> 01:08:07,390

as a whole as being anything meta Bank

1538

01:08:14,760 --> 01:08:11,230

has been debunked writers websites have

1539

01:08:16,410 --> 01:08:14,770

you as some horrible person and well

1540

01:08:18,750 --> 01:08:16,420

we've been talking for over I don't know

1541

01:08:20,099 --> 01:08:18,760

so this has been great though it's been

1542

01:08:21,329 --> 01:08:20,109

very very interesting and it's been

1543

01:08:23,280 --> 01:08:21,339

really good catching up with you again

1544

01:08:25,380 --> 01:08:23,290

there's anything you want to finish out

1545

01:08:30,870 --> 01:08:25,390

with you I think any points you think we

1546

01:08:33,210 --> 01:08:30,880

didn't cover no I love the new podcasts

1547

01:08:35,190 --> 01:08:33,220

they're entertaining and I've tried to

1548

01:08:40,079 --> 01:08:35,200

share with my conspiracy friends because

1549

01:08:42,150 --> 01:08:40,089

I think it's it's you know the topic is

1550

01:08:44,460 --> 01:08:42,160

right in their ballpark and I think you

1551

01:08:46,110 --> 01:08:44,470

get some good well tell them they can

1552

01:08:48,120 --> 01:08:46,120

come on the podcast yeah

1553

01:08:50,640 --> 01:08:48,130

the most eloquent one of your friends

1554

01:08:52,669 --> 01:08:50,650

and send them over or anybody who will

1555

01:08:54,939 --> 01:08:52,679

come on the podcast

1556

01:08:57,079 --> 01:08:54,949

to talk to any of them okay sounds good

1557

01:08:57,710 --> 01:08:57,089

all right Willie well thank you very
