

MIKE ROTHSCCHILD

DECLINE of QANON

JEFFERY EPSTEIN

&

THE WORLD'S WORST

CONSPIRACIES

1
00:00:06,079 --> 00:00:03,880

[Music]

2
00:00:09,080 --> 00:00:06,089

welcome to tales from the rabbit hole

3
00:00:12,379 --> 00:00:09,090

I'm your host Mick West today's guest is

4
00:00:14,570 --> 00:00:12,389

Mike Rothschild Mike is a writer who is

5
00:00:16,849 --> 00:00:14,580

an expert on a variety of conspiracy

6
00:00:18,680 --> 00:00:16,859

theories in particular he's well known

7
00:00:21,710 --> 00:00:18,690

for investigating the queuing on

8
00:00:23,750 --> 00:00:21,720

conspiracy theory Mike is also famous

9
00:00:25,849 --> 00:00:23,760

for being the first person on tales from

10
00:00:27,830 --> 00:00:25,859

the rabbit hole to be interviewed more

11
00:00:28,580 --> 00:00:27,840

than once he's my very first repeat

12
00:00:31,220 --> 00:00:28,590

guest

13
00:00:32,780 --> 00:00:31,230

so Mike welcome to tales from the rabbit

14

00:00:39,049 --> 00:00:32,790

hole and thank you very much big here

15

00:00:42,020 --> 00:00:39,059

thanks I think you should is certainly

16

00:00:44,510 --> 00:00:42,030

the milestone for my podcast to have the

17

00:00:47,810 --> 00:00:44,520

same guest on twice and it was about

18

00:00:49,430 --> 00:00:47,820

four months ago I think that we we last

19

00:00:51,950 --> 00:00:49,440

spoke which is here quite a long time

20

00:00:55,310 --> 00:00:51,960

this is podcasting four years kind of

21

00:00:57,799 --> 00:00:55,320

seems like the same a loss has happened

22

00:01:01,369 --> 00:00:57,809

and because we were talking about cue

23

00:01:04,310 --> 00:01:01,379

and on and I asked you about you know

24

00:01:05,929 --> 00:01:04,320

what's he has has to have things change

25

00:01:07,820 --> 00:01:05,939

with keyonnah and use it quite a lot has

26

00:01:09,800 --> 00:01:07,830

changed what are the big things that

27

00:01:12,710 --> 00:01:09,810

changed in the last you know four months

28

00:01:15,679 --> 00:01:12,720

uh y-yeah a lot of lot of things have

29

00:01:18,950 --> 00:01:15,689

happened Hugh went pretty dark for a

30

00:01:22,310 --> 00:01:18,960

while over this early summer he stopped

31

00:01:24,350 --> 00:01:22,320

posting for about a month and I started

32

00:01:26,510 --> 00:01:24,360

to talk to some cute people and asked

33

00:01:28,310 --> 00:01:26,520

them you know are you still gonna

34

00:01:29,510 --> 00:01:28,320

believe in this if you never posts again

35

00:01:31,160 --> 00:01:29,520

and of course they all said yes of

36

00:01:32,929 --> 00:01:31,170

course you know we have everything we

37

00:01:35,390 --> 00:01:32,939

need well you know we'll keep doing our

38

00:01:37,760 --> 00:01:35,400

research and making our memes and and as

39

00:01:41,060 --> 00:01:37,770

soon as I published a story about it you

40

00:01:43,399 --> 00:01:41,070

started posting again yeah yeah yeah and

41

00:01:47,149 --> 00:01:43,409

then posted a whole lot over the next

42

00:01:49,609 --> 00:01:47,159

couple of weeks going up until about the

43

00:01:52,580 --> 00:01:49,619

very beginning of this month of August

44

00:01:55,810 --> 00:01:52,590

and then stopped posting again and it

45

00:02:00,620 --> 00:01:55,820

was about a week or two later that 8chan

46

00:02:03,380 --> 00:02:00,630

got in t platformed right so so now hn

47

00:02:06,800 --> 00:02:03,390

does not exist anymore and there have

48

00:02:09,859 --> 00:02:06,810

been no new q posts since that so 8chan

49

00:02:11,720 --> 00:02:09,869

was really the way that was you could

50

00:02:13,900 --> 00:02:11,730

tell it was q because he had this unique

51

00:02:16,990 --> 00:02:13,910

identifier when he posted on

52

00:02:19,570 --> 00:02:17,000

on HN right yeah you kind of painted

53

00:02:21,700 --> 00:02:19,580

himself into a corner by having that

54

00:02:23,320 --> 00:02:21,710

unique identity but also by saying that

55

00:02:24,310 --> 00:02:23,330

the only place you would ever post

56

00:02:28,660 --> 00:02:24,320

should be hm

57

00:02:30,490 --> 00:02:28,670

so there's not really a way to kind of

58

00:02:32,230 --> 00:02:30,500

keep them at all be consistent without

59

00:02:36,130 --> 00:02:32,240

having a channel although I'm actually

60

00:02:38,860 --> 00:02:36,140

really surprised that the big Q and on

61

00:02:42,250 --> 00:02:38,870

Twitter accounts have not all kind of

62

00:02:44,470 --> 00:02:42,260

colluded to start a new Q account and

63

00:02:46,420 --> 00:02:44,480

then all immediately agree oh this is

64

00:02:48,670 --> 00:02:46,430

the real Q I've got into information

65

00:02:51,130 --> 00:02:48,680

this is I think if that happened you

66

00:02:54,340 --> 00:02:51,140

could just go on wherever on 4chan on

67

00:02:55,360 --> 00:02:54,350

Twitter on gabon whatever but they

68

00:02:58,090 --> 00:02:55,370

haven't done that so far

69

00:03:00,850 --> 00:02:58,100

it seems really obvious so maybe that's

70

00:03:03,790 --> 00:03:00,860

why I assume there's a bunch of people

71

00:03:07,720 --> 00:03:03,800

pretending to be cute have that do

72

00:03:11,290 --> 00:03:07,730

you've had some fake use for a while

73

00:03:14,290 --> 00:03:11,300

there was a R for a while and there was

74

00:03:18,100 --> 00:03:14,300

there was there been other you know fake

75

00:03:19,870 --> 00:03:18,110

pretend Q posts on HN they're all kind

76

00:03:22,690 --> 00:03:19,880

of obvious they don't really seem like

77

00:03:24,250 --> 00:03:22,700

you but actually some of the q posts for

78

00:03:26,800 --> 00:03:24,260

a while really didn't seem like it was

79

00:03:28,330 --> 00:03:26,810

the same person and then they kind of

80

00:03:30,520 --> 00:03:28,340

got their voice back so I don't know who

81

00:03:34,120 --> 00:03:30,530

ever was handed the account off my back

82

00:03:35,800 --> 00:03:34,130

or better at it but yes so right now

83

00:03:38,530 --> 00:03:35,810

there hasn't been a new Q post in about

84

00:03:41,350 --> 00:03:38,540

a month do you know what the the last Q

85

00:03:44,050 --> 00:03:41,360

post was it was a portentous or very you

86

00:03:45,280 --> 00:03:44,060

know it really was just the same crap as

87

00:03:48,250 --> 00:03:45,290

all the other ones it was something

88

00:03:50,110 --> 00:03:48,260

about the Big D class the

89

00:03:52,810 --> 00:03:50,120

declassification event would happen

90

00:03:54,610 --> 00:03:52,820

after Dan Coates who was the Director of

91

00:04:00,040 --> 00:03:54,620

National Intelligence left and of course

92

00:04:02,650 --> 00:04:00,050

that didn't happen so you know when we

93

00:04:04,360 --> 00:04:02,660

spoke last the Miller report had just

94

00:04:06,870 --> 00:04:04,370

come out I've been out a couple of weeks

95

00:04:09,100 --> 00:04:06,880

I think and obviously it was lots of

96

00:04:12,520 --> 00:04:09,110

mulling around that lots of talk around

97

00:04:14,530 --> 00:04:12,530

that how did that kind of play out over

98

00:04:16,630 --> 00:04:14,540

the the next four months how did they

99

00:04:17,860 --> 00:04:16,640

rationalize what actually happened which

100

00:04:20,289 --> 00:04:17,870

you know nothing really happened with

101
00:04:22,090 --> 00:04:20,299
another report array compared to other

102
00:04:25,180 --> 00:04:22,100
predictions the Q inmate before that

103
00:04:27,310 --> 00:04:25,190
what's interesting because smaller is

104
00:04:29,560 --> 00:04:27,320
this really strange figure in

105
00:04:33,100 --> 00:04:29,570
- and he was a good guy and he was a bad

106
00:04:34,780 --> 00:04:33,110
guy good guy and I think the way it all

107
00:04:36,700 --> 00:04:34,790
kind of got written off it's the same

108
00:04:38,440 --> 00:04:36,710
way that everything gets written off

109
00:04:40,980 --> 00:04:38,450
that it was fake it was all part of the

110
00:04:43,690 --> 00:04:40,990
game it was all it's all designed to

111
00:04:46,210 --> 00:04:43,700
distract keep stayed and make them use

112
00:04:47,920 --> 00:04:46,220
up their ammo you know all this sort of

113
00:04:49,810 --> 00:04:47,930

special pleading that you get into when

114

00:04:52,120 --> 00:04:49,820

these things happen

115

00:04:54,190 --> 00:04:52,130

most of the population goes oh there's a

116

00:04:55,660 --> 00:04:54,200

lot going on here and maybe we need some

117

00:04:57,430 --> 00:04:55,670

impeachment hearings to really get to

118

00:04:58,900 --> 00:04:57,440

the bottom of this and really force

119

00:05:01,000 --> 00:04:58,910

these people to testify and of course

120

00:05:03,010 --> 00:05:01,010

all the conspiracy theorists go no it's

121

00:05:05,440 --> 00:05:03,020

all part of the game it's all fake no

122

00:05:07,600 --> 00:05:05,450

dossier was fake the hearings are fake

123

00:05:10,060 --> 00:05:07,610

all the reports fake Mahler's crooked

124

00:05:12,220 --> 00:05:10,070

and I mean it's all just seeing

125

00:05:13,870 --> 00:05:12,230

something and then looking at it the

126

00:05:17,470 --> 00:05:13,880

exact opposite way to make it your

127

00:05:20,410 --> 00:05:17,480

pathology I suppose if you if you

128

00:05:23,410 --> 00:05:20,420

because saying everything is fake do

129

00:05:27,520 --> 00:05:23,420

they have any criteria for knowing what

130

00:05:29,530 --> 00:05:27,530

is real like how can they know what cue

131

00:05:31,390 --> 00:05:29,540

says is real and everything else is fake

132

00:05:33,280 --> 00:05:31,400

but then cue say something and it turns

133

00:05:34,660 --> 00:05:33,290

out to be to not come to pass he

134

00:05:37,720 --> 00:05:34,670

predicts something and it doesn't happen

135

00:05:40,600 --> 00:05:37,730

right then and it's like a different

136

00:05:42,790 --> 00:05:40,610

interpretation of what Q says right and

137

00:05:46,180 --> 00:05:42,800

you would often say this information is

138

00:05:48,640 --> 00:05:46,190

necessary so it's basically we only

139

00:05:49,710 --> 00:05:48,650

listen to Q but thank you all I do

140

00:05:53,170 --> 00:05:49,720

sometimes

141

00:05:55,450 --> 00:05:53,180

it's sort of abusive in a way it's it's

142

00:05:58,420 --> 00:05:55,460

got certain the hallmarks of an abusive

143

00:05:59,650 --> 00:05:58,430

relationship you know my partner is the

144

00:06:01,170 --> 00:05:59,660

only one who tells the truth but then

145

00:06:04,840 --> 00:06:01,180

he's gonna lie to me for my own good

146

00:06:07,720 --> 00:06:04,850

there's a real sort of damage psychology

147

00:06:10,690 --> 00:06:07,730

there yeah yeah I mean it's it's like a

148

00:06:12,850 --> 00:06:10,700

cult leader don't know where the cult

149

00:06:14,350 --> 00:06:12,860

the cult leader is an absence in your

150

00:06:17,620 --> 00:06:14,360

Manama the cult is leader is very

151

00:06:18,810 --> 00:06:17,630

present in a cult is in there with with

152

00:06:23,110 --> 00:06:18,820

his acolytes

153

00:06:24,730 --> 00:06:23,120

and but but here they give him the same

154

00:06:25,870 --> 00:06:24,740

deference even though that's not

155

00:06:26,980 --> 00:06:25,880

actually there and they don't even know

156

00:06:29,020 --> 00:06:26,990

who he is there anything at all about

157

00:06:30,490 --> 00:06:29,030

him they don't know anything about him

158

00:06:33,310 --> 00:06:30,500

and none of that deference is earned

159

00:06:35,200 --> 00:06:33,320

he's never really right away yeah you

160

00:06:37,659 --> 00:06:35,210

know you twist a couple of things to

161

00:06:39,310 --> 00:06:37,669

kind of maybe fit that but that all

162

00:06:40,680 --> 00:06:39,320

falls back into cold reading you know if

163

00:06:42,630 --> 00:06:40,690

you make a thousand prediction

164

00:06:43,860 --> 00:06:42,640

and they're all really vague you're

165

00:06:45,320 --> 00:06:43,870

gonna hit a couple of them that's just

166

00:06:48,630 --> 00:06:45,330

that's just the way it is

167

00:06:52,680 --> 00:06:48,640

yeah no it's true it's yes I Nostradamus

168

00:06:54,840 --> 00:06:52,690

got his who start yeah so I saw you

169

00:06:57,300 --> 00:06:54,850

practice something about or retweeted

170

00:07:00,180 --> 00:06:57,310

something about about Santa and that

171

00:07:02,280 --> 00:07:00,190

being a big thing in the Q world now

172

00:07:03,660 --> 00:07:02,290

what's what's up with that I have no

173

00:07:07,350 --> 00:07:03,670

idea what's going on with that I just

174

00:07:09,300 --> 00:07:07,360

started seeing you know the Q world

175

00:07:11,880 --> 00:07:09,310

sometimes sir

176

00:07:12,330 --> 00:07:11,890

split off and argue with them with each

177

00:07:15,570 --> 00:07:12,340

other

178

00:07:17,700 --> 00:07:15,580

and you had some crazy person and put up

179

00:07:18,960 --> 00:07:17,710

this list of all these big q accounts

180

00:07:21,510 --> 00:07:18,970

none of whom could be trusted they're

181

00:07:23,940 --> 00:07:21,520

all faiths and she had a little Santa

182

00:07:27,000 --> 00:07:23,950

Claus in her avatar and I thought that's

183

00:07:29,430 --> 00:07:27,010

weird and specific so I started finding

184

00:07:32,910 --> 00:07:29,440

these other people with Santa Claus

185

00:07:34,830 --> 00:07:32,920

avatars and somebody who is a Q believer

186

00:07:37,020 --> 00:07:34,840

but thinks all of these other q accounts

187

00:07:40,530 --> 00:07:37,030

are fake who calls themselves Santa

188

00:07:42,870 --> 00:07:40,540

Claus of the United States and they and

189

00:07:46,770 --> 00:07:42,880

you saw I saw people saying trust Q

190

00:07:50,190 --> 00:07:46,780

trust Santa I don't know what is there

191

00:07:53,010 --> 00:07:50,200

are stuff even in in Hue and on land and

192

00:07:54,780 --> 00:07:53,020

in conspiracy land where I I just I

193

00:07:57,659 --> 00:07:54,790

don't know what is going on with these

194

00:08:00,720 --> 00:07:57,669

people I don't know what they're

195

00:08:02,580 --> 00:08:00,730

thinking what what drugs they need to be

196

00:08:04,320 --> 00:08:02,590

on or what drugs we need to be on Nora

197

00:08:05,760 --> 00:08:04,330

or who in their family needs to

198

00:08:08,400 --> 00:08:05,770

intervene because their stuff that I'm

199

00:08:11,130 --> 00:08:08,410

just like that's too bizarre for me I

200

00:08:13,409 --> 00:08:11,140

don't this yes answer I mean I guess you

201

00:08:16,080 --> 00:08:13,419

could say like it's a man bearing gifts

202

00:08:18,750 --> 00:08:16,090

right it's going to be what Q is or what

203

00:08:26,220 --> 00:08:18,760

Trump is something like that yeah gifts

204

00:08:29,210 --> 00:08:26,230

are the mass execution yes it's pretty

205

00:08:32,909 --> 00:08:29,220

interesting I yeah it reminds me of like

206

00:08:34,860 --> 00:08:32,919

Pepe the Frog throw in a way yeah symbol

207

00:08:36,839 --> 00:08:34,870

what's they adopt a symbol and then they

208

00:08:37,320 --> 00:08:36,849

are they all using this to refer to

209

00:08:39,860 --> 00:08:37,330

something

210

00:08:43,200 --> 00:08:39,870

yeah it doesn't mean anything in itself

211

00:08:45,450 --> 00:08:43,210

yeah all of their simple their codes and

212

00:08:50,579 --> 00:08:45,460

their their hidden messages in their

213

00:08:53,060 --> 00:08:50,589

knowledge knowledge that and a lot blow

214

00:08:55,910 --> 00:08:53,070

the Pepe the Frog stuff I think was

215

00:09:00,710 --> 00:08:55,920

just people trawling no they had this

216

00:09:04,070 --> 00:09:00,720

this kick yeah yeah and it's like it's

217

00:09:05,510 --> 00:09:04,080

all it's all jargon it's all meant to

218

00:09:09,320 --> 00:09:05,520

confuse people who don't know what it

219

00:09:11,420 --> 00:09:09,330

means that kind of you know rile up the

220

00:09:13,880 --> 00:09:11,430

people who do know what it means because

221

00:09:16,580 --> 00:09:13,890

if you're if you're an outsider you

222

00:09:18,740 --> 00:09:16,590

don't have a clue yeah yeah and that's

223

00:09:20,810 --> 00:09:18,750

one of the ways that a lot of a lot of

224

00:09:22,340 --> 00:09:20,820

religions a lot of cults work they make

225

00:09:25,070 --> 00:09:22,350

up their own terminology to make up

226

00:09:27,860 --> 00:09:25,080

their own ranks and their own rules and

227

00:09:30,920 --> 00:09:27,870

their own structures and even you know

228

00:09:34,280 --> 00:09:30,930

what it means that it speaks to you and

229

00:09:35,360 --> 00:09:34,290

if you don't it's just not one yeah we

230

00:09:39,710 --> 00:09:35,370

need to saying that remind me of another

231

00:09:43,960 --> 00:09:39,720

thing which is the storm area 51 things

232

00:09:47,000 --> 00:09:43,970

yes going on yeah that's another really

233

00:09:50,570 --> 00:09:47,010

fascinating math psychology experiment

234

00:09:52,550 --> 00:09:50,580

yeah it's and that kind of it has that

235

00:09:54,950 --> 00:09:52,560

kind of in speak as well it's gonna like

236

00:09:57,890 --> 00:09:54,960

ya got these nerd culture references but

237

00:10:00,650 --> 00:09:57,900

it's also got references to I think like

238

00:10:05,960 --> 00:10:00,660

in cell type stuff like with the Kyle

239

00:10:08,650 --> 00:10:05,970

thing is that in itself thing not in

240

00:10:13,160 --> 00:10:08,660

Kyle and I yes shine yeah yeah yeah

241

00:10:14,060 --> 00:10:13,170

these are Superman all these animated

242

00:10:17,090 --> 00:10:14,070

cells

243

00:10:21,380 --> 00:10:17,100

yeah I mean it's just it's so it's just

244

00:10:24,860 --> 00:10:21,390

so bizarre and tangled up in itself and

245

00:10:26,210 --> 00:10:24,870

yeah and it's yeah but obviously there's

246

00:10:28,910 --> 00:10:26,220

a lot of people just doing it for having

247

00:10:31,130 --> 00:10:28,920

they're having fun the area 51 is a lot

248

00:10:31,880 --> 00:10:31,140

more fun but some people are gonna take

249

00:10:34,280 --> 00:10:31,890

you seriously

250

00:10:35,990 --> 00:10:34,290

oh yeah some some people are gonna show

251
00:10:37,940 --> 00:10:36,000
up and I think the guy who started it

252
00:10:40,640 --> 00:10:37,950
said right at the beginning this is a

253
00:10:41,990 --> 00:10:40,650
joke don't think yes and then a bunch of

254
00:10:44,030 --> 00:10:42,000
people that they were gonna show up and

255
00:10:47,150 --> 00:10:44,040
just trying to turn it into a concert or

256
00:10:51,140 --> 00:10:47,160
something yeah and with something like

257
00:10:52,880 --> 00:10:51,150
area 51 it's not really that mysterious

258
00:10:56,500 --> 00:10:52,890
anymore because so much of its been

259
00:10:59,480 --> 00:10:56,510
Declassified and you know you you had

260
00:11:01,070 --> 00:10:59,490
employees at the at the test site who've

261
00:11:03,230 --> 00:11:01,080
been free to talk to tell their stories

262
00:11:05,360 --> 00:11:03,240
and there's been a lot of documents have

263
00:11:06,090 --> 00:11:05,370

been released and we kind of basically

264

00:11:09,840 --> 00:11:06,100

know

265

00:11:12,210 --> 00:11:09,850

what's happening there now this is so

266

00:11:15,600 --> 00:11:12,220

modified but we know when all you know

267

00:11:17,910 --> 00:11:15,610

the the cigar shaped UFO we know that

268

00:11:19,620 --> 00:11:17,920

that was the u2 and the triangle shaped

269

00:11:22,019 --> 00:11:19,630

UFOs the people - that was a stealth

270

00:11:24,240 --> 00:11:22,029

item we know we know what that stuff is

271

00:11:27,030 --> 00:11:24,250

now and the real stories are so much

272

00:11:28,769 --> 00:11:27,040

more interesting than me than the fake

273

00:11:30,629 --> 00:11:28,779

stories that people make up because they

274

00:11:32,790 --> 00:11:30,639

can't wrap their heads around the

275

00:11:33,689 --> 00:11:32,800

government doing something that they're

276

00:11:35,160 --> 00:11:33,699

trying to keep secret

277

00:11:39,120 --> 00:11:35,170

although aliens would be a pretty

278

00:11:42,360 --> 00:11:39,130

interesting story if they but in in

279

00:11:43,889 --> 00:11:42,370

absence of that I think the real story

280

00:11:45,569 --> 00:11:43,899

is being told by the people who worked

281

00:11:47,460 --> 00:11:45,579

at area 51 of the projects that have

282

00:11:50,189 --> 00:11:47,470

been worked and there are fastening yeah

283

00:11:52,350 --> 00:11:50,199

yeah and things like the skunk works in

284

00:11:54,300 --> 00:11:52,360

unifications and yeah yeah there's

285

00:11:58,949 --> 00:11:54,310

always this great stuff a lot of good

286

00:12:01,220 --> 00:11:58,959

interesting history there so you know

287

00:12:06,470 --> 00:12:01,230

something that happened recently was

288

00:12:08,490 --> 00:12:06,480

Comey was not prosecuted right for

289

00:12:12,300 --> 00:12:08,500

releasing a memo like he essentially

290

00:12:14,009 --> 00:12:12,310

leaked a memo to the press and via a

291

00:12:16,079 --> 00:12:14,019

friend and the Justice Department

292

00:12:17,460 --> 00:12:16,089

investigated it but they decided not to

293

00:12:19,980 --> 00:12:17,470

prosecute even though if they said he

294

00:12:22,559 --> 00:12:19,990

did wrong is this playing out at all in

295

00:12:25,530 --> 00:12:22,569

the the Q community yeah they're

296

00:12:28,319 --> 00:12:25,540

starting to they're you know it all gets

297

00:12:31,980 --> 00:12:28,329

wrapped up into the mythology that

298

00:12:34,710 --> 00:12:31,990

there's this very very slow-moving surge

299

00:12:37,230 --> 00:12:34,720

going on and what's interesting with

300

00:12:38,670 --> 00:12:37,240

homie stop is that it really kind of

301

00:12:41,610 --> 00:12:38,680

falls into the same stuff the story

302

00:12:44,040 --> 00:12:41,620

Clinton and the email server that what

303

00:12:46,710 --> 00:12:44,050

what in both cases you found that maybe

304

00:12:49,340 --> 00:12:46,720

protocol was broken or internal rules

305

00:12:52,740 --> 00:12:49,350

were broken but they didn't break a law

306

00:12:55,679 --> 00:12:52,750

there is no violation of federal code

307

00:12:57,990 --> 00:12:55,689

here so you can sort of verbally

308

00:12:59,220 --> 00:12:58,000

recommend somebody or you can release or

309

00:13:00,269 --> 00:12:59,230

that says they did something they

310

00:13:04,769 --> 00:13:00,279

weren't supposed to do but it was a

311

00:13:07,110 --> 00:13:04,779

crime and people thought that Comey was

312

00:13:09,749 --> 00:13:07,120

going to be dragged out and Cheney was

313

00:13:11,069 --> 00:13:09,759

gonna be thrown and get-go now I mean

314

00:13:13,170 --> 00:13:11,079

you could really make the case that it

315

00:13:14,670 --> 00:13:13,180

was Tomi's letter right before the

316

00:13:17,129 --> 00:13:14,680

election that threw the whole election

317

00:13:19,560 --> 00:13:17,139

the trunk so you know one of the things

318

00:13:21,629 --> 00:13:19,570

that never understood human

319

00:13:24,360 --> 00:13:21,639

why you have so much ability in James

320

00:13:25,620 --> 00:13:24,370

Cogan James Comey is arguably one of the

321

00:13:27,629 --> 00:13:25,630

biggest reasons why Donald Trump is

322

00:13:30,090 --> 00:13:27,639

president and it's this whole thing of

323

00:13:33,990 --> 00:13:30,100

these people always turn on their owls

324

00:13:36,240 --> 00:13:34,000

they always turn on the people who they

325

00:13:37,470 --> 00:13:36,250

were formerly who were formerly good

326

00:13:38,730 --> 00:13:37,480

guys in the computer so they always

327

00:13:41,550 --> 00:13:38,740

become the bad guys

328

00:13:43,170 --> 00:13:41,560

so when we call me you're seeing a lot

329

00:13:45,059 --> 00:13:43,180

of the well they're they're letting him

330

00:13:47,460 --> 00:13:45,069

go on this because they really want to

331

00:13:50,129 --> 00:13:47,470

get into the season or they're you know

332

00:13:51,389 --> 00:13:50,139

they let him go to fake out the deep

333

00:13:55,889 --> 00:13:51,399

state that they're going to eventually

334

00:13:59,430 --> 00:13:55,899

get him or the FISA abuses and we came

335

00:14:03,360 --> 00:13:59,440

to the ball or whatever there's always a

336

00:14:05,400 --> 00:14:03,370

reason why the big event gets kicked

337

00:14:08,009 --> 00:14:05,410

down the road a little bit and this is a

338

00:14:10,379 --> 00:14:08,019

mark that you see over and over in this

339

00:14:12,210 --> 00:14:10,389

prosperity scales where it's all just

340

00:14:13,470 --> 00:14:12,220

about to happen but it didn't happen but

341

00:14:15,569 --> 00:14:13,480

there's a reason why it didn't happen

342

00:14:17,030 --> 00:14:15,579

it's all part of the war it's all gonna

343

00:14:19,590 --> 00:14:17,040

get explained you layer it it's just

344

00:14:21,120 --> 00:14:19,600

it's a way to just keep people on the

345

00:14:22,970 --> 00:14:21,130

hook because you can't really say well

346

00:14:25,680 --> 00:14:22,980

you know this this Justice Department

347

00:14:27,689 --> 00:14:25,690

this new Justice Department under Bill

348

00:14:29,129 --> 00:14:27,699

bar which we thought was going to be the

349

00:14:30,780 --> 00:14:29,139

stealth bomber and was gonna break

350

00:14:33,090 --> 00:14:30,790

everything open and it's gonna uh sir in

351
00:14:35,519 --> 00:14:33,100
the storm know it's all just none of

352
00:14:38,160 --> 00:14:35,529
that's gonna happen and all this release

353
00:14:41,370 --> 00:14:38,170
the memo and vice agate and D closets

354
00:14:44,129 --> 00:14:41,380
all garbage all that was a scam but they

355
00:14:46,139 --> 00:14:44,139
have to keep it going they can't say no

356
00:14:48,840 --> 00:14:46,149
we I guess we got lied to or I guess

357
00:14:50,730 --> 00:14:48,850
we've been lying to you ah they have to

358
00:14:52,500 --> 00:14:50,740
keep it going so then no matter what

359
00:14:54,720 --> 00:14:52,510
happens it's all part of the planning

360
00:14:57,269 --> 00:14:54,730
and I'm sure they're gonna turn on bar I

361
00:14:59,100 --> 00:14:57,279
think they probably will and as they

362
00:15:00,389 --> 00:14:59,110
sort of come to grips with the fact that

363
00:15:02,970 --> 00:15:00,399

there's never gonna be a big

364

00:15:05,460 --> 00:15:02,980

declassification commis gonna go

365

00:15:07,889 --> 00:15:05,470

we need these other FBI people the Trump

366

00:15:09,300 --> 00:15:07,899

and Q have obsessed over four years are

367

00:15:11,970 --> 00:15:09,310

gonna they're all gonna go free they

368

00:15:13,590 --> 00:15:11,980

didn't break any laws and so that has to

369

00:15:16,319 --> 00:15:13,600

be rationalized because otherwise you

370

00:15:17,939 --> 00:15:16,329

have to admit us did you chime yeah it's

371

00:15:20,610 --> 00:15:17,949

like the building this increasingly

372

00:15:22,620 --> 00:15:20,620

complicated like yeah it's like when a

373

00:15:24,360 --> 00:15:22,630

liar gets caught in a lie and then has

374

00:15:25,439 --> 00:15:24,370

to layer under the lie upon it

375

00:15:28,590 --> 00:15:25,449

you just get this kind of

376

00:15:30,329 --> 00:15:28,600

ever-increasing structure built out of

377

00:15:31,530 --> 00:15:30,339

lies I mean it's not really lies in

378

00:15:35,480 --> 00:15:31,540

there

379

00:15:38,550 --> 00:15:35,490

Baker's or whatever they call themselves

380

00:15:40,200 --> 00:15:38,560

they they're just building a belief

381

00:15:42,090 --> 00:15:40,210

structure this is increasing yeah more

382

00:15:44,070 --> 00:15:42,100

and more complicated and has more and

383

00:15:46,740 --> 00:15:44,080

more things to explain everything yeah

384

00:15:49,530 --> 00:15:46,750

it's like Occam's razor gone gone gone

385

00:15:52,740 --> 00:15:49,540

mad backwards it's like I said from

386

00:15:56,040 --> 00:15:52,750

there that's adding yeah God is testing

387

00:15:57,870 --> 00:15:56,050

us God will test us with boils and then

388

00:15:59,160 --> 00:15:57,880

we survive the boils and we were

389

00:16:00,480 --> 00:15:59,170

starting to question a God who would do

390

00:16:02,310 --> 00:16:00,490

that over that God's gonna test this

391

00:16:04,560 --> 00:16:02,320

with frogs and then we're gonna question

392

00:16:06,090 --> 00:16:04,570

whether why would God do that with frogs

393

00:16:09,270 --> 00:16:06,100

God's gonna test this with blood rain I

394

00:16:12,510 --> 00:16:09,280

mean it's just it just keeps going and

395

00:16:15,000 --> 00:16:12,520

going and going and at no point do the

396

00:16:17,310 --> 00:16:15,010

people who are pushing and ever feel

397

00:16:19,320 --> 00:16:17,320

like they've taken it far enough or that

398

00:16:21,540 --> 00:16:19,330

they can they can stop because they're

399

00:16:24,990 --> 00:16:21,550

all making money off yeah now you

400

00:16:26,520 --> 00:16:25,000

mentioned prosperity scams yeah what do

401
00:16:28,620 --> 00:16:26,530
you mean by that is that general type of

402
00:16:30,630 --> 00:16:28,630
thing oh sure that's a I don't know

403
00:16:32,400 --> 00:16:30,640
that's a term that I came up with and I

404
00:16:35,720 --> 00:16:32,410
mean I've just decided somebody else did

405
00:16:39,540 --> 00:16:35,730
a prosperity scam is is anything where

406
00:16:41,430 --> 00:16:39,550
you put in a very small amount of money

407
00:16:45,330 --> 00:16:41,440
or time and you were rewarded with a

408
00:16:48,450 --> 00:16:45,340
giant bountiful amount of money or great

409
00:16:50,520 --> 00:16:48,460
happenings so the one that I there's a

410
00:16:53,070 --> 00:16:50,530
couple that I that I look at as sort of

411
00:16:56,010 --> 00:16:53,080
the precursors to queue and on one is

412
00:16:58,620 --> 00:16:56,020
the Iraqi dinar when this was one that

413
00:17:01,110 --> 00:16:58,630

was really popular maybe a couple years

414

00:17:04,410 --> 00:17:01,120

into the Iraq war where you started

415

00:17:06,300 --> 00:17:04,420

seeing military people you know Armed

416

00:17:09,240 --> 00:17:06,310

Forces people coming back with them with

417

00:17:10,920 --> 00:17:09,250

a bunch of Iraqi dinars and that's racks

418

00:17:15,300 --> 00:17:10,930

currency and it's worthless

419

00:17:16,949 --> 00:17:15,310

no real value Iraq printed billions and

420

00:17:19,290 --> 00:17:16,959

billions of them and we're still doing

421

00:17:22,079 --> 00:17:19,300

everything in dollars but there was this

422

00:17:25,079 --> 00:17:22,089

this thought that if Iraq's economy

423

00:17:27,210 --> 00:17:25,089

started to improve this currency would

424

00:17:30,810 --> 00:17:27,220

suddenly be put more money I mean it's

425

00:17:33,180 --> 00:17:30,820

not it's not a totally unsound principle

426

00:17:35,880 --> 00:17:33,190

but the problem is that Iraq wanted to

427

00:17:38,100 --> 00:17:35,890

get rid of their dinar and come up with

428

00:17:39,930 --> 00:17:38,110

a new dinar that would be that would be

429

00:17:41,850 --> 00:17:39,940

more valuable return the old ones and

430

00:17:44,450 --> 00:17:41,860

get them new homes countries have done

431

00:17:47,390 --> 00:17:44,460

that before Japan did that

432

00:17:49,130 --> 00:17:47,400

but you started seeing people who

433

00:17:51,080 --> 00:17:49,140

thought that the dinar would go back to

434

00:17:53,360 --> 00:17:51,090

the value it had before that first of

435

00:17:55,790 --> 00:17:53,370

all when it was worth something like

436

00:17:57,230 --> 00:17:55,800

three dollars for every one dinar well

437

00:17:59,090 --> 00:17:57,240

the problem is that's what Saddam

438

00:18:03,380 --> 00:17:59,100

Hussein decided it was because he had a

439

00:18:05,870 --> 00:18:03,390

bunch of wanted to hunt when the when

440

00:18:08,450 --> 00:18:05,880

Saddam got kicked out the dinar even

441

00:18:10,190 --> 00:18:08,460

before that the dinar plummeted and

442

00:18:13,400 --> 00:18:10,200

belly was worthless so you had people

443

00:18:14,630 --> 00:18:13,410

who were buying millions of dinars who

444

00:18:17,000 --> 00:18:14,640

thought that they were going to be worth

445

00:18:20,090 --> 00:18:17,010

millions of dollars and and you had this

446

00:18:21,470 --> 00:18:20,100

notion of something called re value that

447

00:18:23,990 --> 00:18:21,480

would that would happen that would be

448

00:18:26,420 --> 00:18:24,000

signed by President Bush sure by the

449

00:18:28,010 --> 00:18:26,430

International Monetary Fund or by the UN

450

00:18:30,830 --> 00:18:28,020

and it would be this document that

451

00:18:33,020 --> 00:18:30,840

suddenly all these billions of dinars

452

00:18:35,120 --> 00:18:33,030

would be worth billions of dollars and

453

00:18:37,310 --> 00:18:35,130

if you own millions of nard you would

454

00:18:40,190 --> 00:18:37,320

suddenly instantly be known as a

455

00:18:44,990 --> 00:18:40,200

ridiculous it is the most ridiculous

456

00:18:48,350 --> 00:18:45,000

thing it is it is a total clip of how

457

00:18:50,690 --> 00:18:48,360

currency actually yes and not realizing

458

00:18:52,820 --> 00:18:50,700

that if you had if suddenly all these

459

00:18:54,110 --> 00:18:52,830

people became millionaires there would

460

00:18:58,460 --> 00:18:54,120

be massive inflation

461

00:19:01,040 --> 00:18:58,470

I mean dollar plummet in value like why

462

00:19:03,380 --> 00:19:01,050

would President Bush sign a document

463

00:19:05,720 --> 00:19:03,390

that crashed the currency of his own

464

00:19:07,790 --> 00:19:05,730

country it just it just doesn't make it

465

00:19:12,140 --> 00:19:07,800

live it would be like giving away a

466

00:19:14,540 --> 00:19:12,150

trillion dollars really right yeah and

467

00:19:18,140 --> 00:19:14,550

they're still falling for you had this

468

00:19:22,070 --> 00:19:18,150

this ecosystem on these currency

469

00:19:23,600 --> 00:19:22,080

companies that could sell dinars in the

470

00:19:25,130 --> 00:19:23,610

United States but they couldn't be sold

471

00:19:27,020 --> 00:19:25,140

as an investment they were sold as

472

00:19:29,990 --> 00:19:27,030

collectible and then you had this

473

00:19:32,540 --> 00:19:30,000

parallel ecosystem of these dinar gurus

474

00:19:34,670 --> 00:19:32,550

who were pumping out this endless flow

475

00:19:37,250 --> 00:19:34,680

of information about you know Iraq

476

00:19:40,870 --> 00:19:37,260

signed document whatever that was gonna

477

00:19:45,080 --> 00:19:40,880

release more oil and minerals and the

478

00:19:47,110 --> 00:19:45,090

Vice Minister of Trade and Lib just sign

479

00:19:49,790 --> 00:19:47,120

this release I mean it was just this

480

00:19:52,160 --> 00:19:49,800

unbelievably complicated mythology all

481

00:19:53,690 --> 00:19:52,170

setting up this massive revalue and

482

00:19:55,730 --> 00:19:53,700

there were there was all of these

483

00:19:56,659 --> 00:19:55,740

documents or than books written about

484

00:19:59,479 --> 00:19:56,669

what you do

485

00:20:01,879 --> 00:19:59,489

when when your DeMars revalue you'll get

486

00:20:05,090 --> 00:20:01,889

us you'll get a special phone call and a

487

00:20:07,159 --> 00:20:05,100

secret 800 number and you'll know to go

488

00:20:09,320 --> 00:20:07,169

to the secret bank but you gotta you

489

00:20:11,810 --> 00:20:09,330

have to go into the secret entrance and

490

00:20:13,460 --> 00:20:11,820

you bring your dinars with you and you

491

00:20:16,159 --> 00:20:13,470

have to give them to this person but not

492

00:20:17,690 --> 00:20:16,169

that purse I mean it's just people got

493

00:20:20,470 --> 00:20:17,700

so caught up when people were getting

494

00:20:24,229 --> 00:20:20,480

wiped out by it because you had these

495

00:20:25,940 --> 00:20:24,239

rumours who were coming back whose kids

496

00:20:27,830 --> 00:20:25,950

were coming back from Iraq with couple

497

00:20:29,989 --> 00:20:27,840

hundred thousand dinars and let go I

498

00:20:32,060 --> 00:20:29,999

spent 20 bucks on it if they go up and

499

00:20:34,999 --> 00:20:32,070

tell you that's great not whatever and

500

00:20:37,070 --> 00:20:35,009

they will go all I want money I'll buy

501
00:20:38,570 --> 00:20:37,080
I'll buy millions of them and you've got

502
00:20:41,330 --> 00:20:38,580
these gurus telling you it's gonna

503
00:20:43,070 --> 00:20:41,340
happen it's gonna happen and of course

504
00:20:44,989 --> 00:20:43,080
it never did and it's never going to and

505
00:20:48,080 --> 00:20:44,999
a lot of these currency companies have

506
00:20:52,340 --> 00:20:48,090
been have been closed by the FBI or the

507
00:20:55,009 --> 00:20:52,350
SEC so it's just this whole mess no it

508
00:20:57,320 --> 00:20:55,019
does anything we may know it yeah yes it

509
00:21:02,419 --> 00:20:57,330
is it is actually still going there are

510
00:21:04,700 --> 00:21:02,429
still daily chats with dinar gurus there

511
00:21:06,649 --> 00:21:04,710
are still newsletters going out there

512
00:21:08,029 --> 00:21:06,659
still it's gotten tight into queueing on

513
00:21:09,169 --> 00:21:08,039

there a bunch of queue people were

514

00:21:12,769 --> 00:21:09,179

buying at dinars

515

00:21:16,700 --> 00:21:12,779

there's absolutely I read a story just

516

00:21:21,560 --> 00:21:16,710

this week that there's this these bearer

517

00:21:24,680 --> 00:21:21,570

bonds from government before or I guess

518

00:21:27,320 --> 00:21:24,690

like the government in China before the

519

00:21:29,269 --> 00:21:27,330

Communist revolution and yeah you know

520

00:21:32,210 --> 00:21:29,279

the shanghai czech government and that

521

00:21:35,450 --> 00:21:32,220

that government has sold these bonds

522

00:21:36,889 --> 00:21:35,460

there yes I guess if you took the value

523

00:21:39,710 --> 00:21:36,899

of the now they're worth trillions of

524

00:21:41,919 --> 00:21:39,720

dollars but the Chinese government has

525

00:21:44,269 --> 00:21:41,929

said yeah we're never paying these off

526
00:21:46,609 --> 00:21:44,279
there's no obligation you're never going

527
00:21:48,049 --> 00:21:46,619
to see and some of these people have

528
00:21:50,119 --> 00:21:48,059
been trying to lobby the Trump

529
00:21:53,269 --> 00:21:50,129
administration get China to recognize

530
00:21:54,049 --> 00:21:53,279
these bonds and these bought you know

531
00:21:56,539 --> 00:21:54,059
these are bonds that are bought a

532
00:21:59,180 --> 00:21:56,549
hundred years ago even Braille hangings

533
00:22:00,830 --> 00:21:59,190
and and well the Chinese gonna recognize

534
00:22:02,060 --> 00:22:00,840
his bonds and then we're gonna be able

535
00:22:03,379 --> 00:22:02,070
to turn them in and we're gonna be

536
00:22:05,659 --> 00:22:03,389
billionaires a minute and of course

537
00:22:09,440 --> 00:22:05,669
there's that what are the lead people

538
00:22:10,610 --> 00:22:09,450

behind it is a megachurch pastor so you

539

00:22:14,840 --> 00:22:10,620

have this this

540

00:22:17,270 --> 00:22:14,850

convergence of great godly wealth being

541

00:22:19,070 --> 00:22:17,280

delivered to the people who just held on

542

00:22:22,130 --> 00:22:19,080

long enough and believed the right

543

00:22:25,399 --> 00:22:22,140

things and a lot of these scams go back

544

00:22:28,399 --> 00:22:25,409

to that yeah under predated the iraq

545

00:22:30,409 --> 00:22:28,409

dinar called Massaro which was really

546

00:22:34,430 --> 00:22:30,419

popular in the late nineties in the

547

00:22:36,649 --> 00:22:34,440

early of the 2000s where you you could

548

00:22:40,640 --> 00:22:36,659

spend just a couple of hundred dollars

549

00:22:42,950 --> 00:22:40,650

to get prosperity packets that would

550

00:22:45,799 --> 00:22:42,960

eventually be released to the people and

551
00:22:47,930 --> 00:22:45,809
make it make us all billionaires 9/11

552
00:22:50,680 --> 00:22:47,940
was carried out by the dark forces to

553
00:22:52,789 --> 00:22:50,690
stop the prospering packets really

554
00:22:56,930 --> 00:22:52,799
destroy the documents I mean it's just

555
00:22:58,700 --> 00:22:56,940
it's like it's like come on you know you

556
00:23:00,919 --> 00:22:58,710
can either get a job or start a business

557
00:23:04,279 --> 00:23:00,929
or invest in something and build your

558
00:23:06,140 --> 00:23:04,289
wealth but you can't have trillions of

559
00:23:08,060 --> 00:23:06,150
dollars ring down for the stock it's not

560
00:23:09,830 --> 00:23:08,070
going down yeah when you when you

561
00:23:11,510 --> 00:23:09,840
started talking about this I thought

562
00:23:13,430 --> 00:23:11,520
well that's this will be a good example

563
00:23:15,740 --> 00:23:13,440

to show to people to show something that

564

00:23:17,810 --> 00:23:15,750

didn't work I could share them this

565

00:23:19,640 --> 00:23:17,820

dinner scam and it never panned out but

566

00:23:21,950 --> 00:23:19,650

like what you're saying is that it's

567

00:23:25,190 --> 00:23:21,960

still going he never really ended so you

568

00:23:26,690 --> 00:23:25,200

can't say that it didn't work yeah

569

00:23:29,029 --> 00:23:26,700

there's always a new person there's

570

00:23:31,010 --> 00:23:29,039

always a new thing well that didn't work

571

00:23:34,730 --> 00:23:31,020

the bad guys got to it but now we've got

572

00:23:37,430 --> 00:23:34,740

this new thing and if you go back before

573

00:23:40,250 --> 00:23:37,440

that there's more minutes there's always

574

00:23:46,039 --> 00:23:40,260

somebody willing to create a mythology

575

00:23:48,950 --> 00:23:46,049

to juice yeah yeah I think Hugh is going

576
00:23:51,260 --> 00:23:48,960
to I know it's gonna do the same type of

577
00:23:53,960 --> 00:23:51,270
thing I guess it's gonna remain in some

578
00:23:56,840 --> 00:23:53,970
form for for a long time to come

579
00:24:00,730 --> 00:23:56,850
I think and I think that's worth is the

580
00:24:06,320 --> 00:24:00,740
idea the queue posts as Scripture and

581
00:24:08,600 --> 00:24:06,330
then some fee is going to take the more

582
00:24:11,000 --> 00:24:08,610
horrible elements of it the sort of

583
00:24:13,370 --> 00:24:11,010
child sacrifice and all the numerology

584
00:24:16,730 --> 00:24:13,380
all week baffling stuff and get rid of

585
00:24:19,639 --> 00:24:16,740
that and just keep the core of a sort of

586
00:24:21,409 --> 00:24:19,649
an insider who's putting nuggets of

587
00:24:23,240 --> 00:24:21,419
information out for people to connect

588
00:24:24,019 --> 00:24:23,250

that's gonna continue that's gonna get

589

00:24:26,629 --> 00:24:24,029

turned

590

00:24:28,879 --> 00:24:26,639

so now yeah why is such a lucrative

591

00:24:34,239 --> 00:24:28,889

business I like eluted business but it's

592

00:24:39,680 --> 00:24:35,690

on y'all

593

00:24:42,739 --> 00:24:39,690

yeah near where I live there's a house

594

00:24:44,239 --> 00:24:42,749

on a fairly busy road and outside of the

595

00:24:47,589 --> 00:24:44,249

house for a few years they had a sign

596

00:24:51,139 --> 00:24:47,599

that said look up research chemtrails

597

00:24:55,609 --> 00:24:51,149

and about six months ago they changed it

598

00:24:57,379 --> 00:24:55,619

a big Q or stick with where we go when

599

00:25:00,440 --> 00:24:57,389

we go all written a fit

600

00:25:02,450 --> 00:25:00,450

it's it's like they I don't know it's

601
00:25:04,700 --> 00:25:02,460
the kind of got bored with chemtrails

602
00:25:08,359 --> 00:25:04,710
and the cure is the the new hotness and

603
00:25:10,729 --> 00:25:08,369
they yeah yeah is the hot new rookie

604
00:25:12,440 --> 00:25:10,739
doesn't seem matter it'll be something

605
00:25:14,299 --> 00:25:12,450
else and I'm sure a lot of the cue

606
00:25:16,190 --> 00:25:14,309
mythology will get moved over to that

607
00:25:19,099 --> 00:25:16,200
it'll have some new stops it'll be some

608
00:25:20,930 --> 00:25:19,109
new people involved and you know it'll

609
00:25:22,759 --> 00:25:20,940
it'll emerge out of something and then

610
00:25:25,820 --> 00:25:22,769
we'll just start all over

611
00:25:30,440 --> 00:25:25,830
we'll say well it's switchgear slightly

612
00:25:32,180 --> 00:25:30,450
you mentioned bar earlier yeah hey I saw

613
00:25:35,839 --> 00:25:32,190

an interesting that a little conspiracy

614

00:25:38,629 --> 00:25:35,849

tidbit earlier which was that bars

615

00:25:41,209 --> 00:25:38,639

father was a I think a teacher or

616

00:25:44,329 --> 00:25:41,219

something some guy to school who hired

617

00:25:48,829 --> 00:25:44,339

Jeffrey Epstein Epstein has Epstein or

618

00:25:52,759 --> 00:25:48,839

yeah yeah every Epstein - to teach math

619

00:25:54,799 --> 00:25:52,769

to students that's a school so these

620

00:26:00,489 --> 00:25:54,809

these connections which I'm sure people

621

00:26:03,529 --> 00:26:00,499

make a lot of how does how does Epstein

622

00:26:06,409 --> 00:26:03,539

fit in to Q what are people saying in

623

00:26:08,239 --> 00:26:06,419

the Q world about Epstein yeah Epstein

624

00:26:11,029 --> 00:26:08,249

was a big part of the Q mythology you

625

00:26:13,369 --> 00:26:11,039

got mentioned a lot yeah you saw a lot

626

00:26:17,239 --> 00:26:13,379

of mentions of the island the weird

627

00:26:21,979 --> 00:26:17,249

building the golden dome and Sprint

628

00:26:26,049 --> 00:26:21,989

supposedly secret tunnels and giant

629

00:26:29,149 --> 00:26:26,059

video taping system and a lot of it was

630

00:26:31,070 --> 00:26:29,159

just sort of generic stop and then some

631

00:26:34,039 --> 00:26:31,080

of it was this really hard for satanic

632

00:26:36,589 --> 00:26:34,049

stuff but it was interesting because she

633

00:26:37,160 --> 00:26:36,599

really didn't say anything about apps

634

00:26:40,310 --> 00:26:37,170

team that

635

00:26:42,740 --> 00:26:40,320

wasn't Arden in the media you know we

636

00:26:44,120 --> 00:26:42,750

you know know nobody should have been

637

00:26:47,420 --> 00:26:44,130

surprised that Jeffrey Epstein was

638

00:26:51,770 --> 00:26:47,430

arrested man was a convicted saxophone

639

00:26:54,590 --> 00:26:51,780

this is not this is not like you know

640

00:26:56,090 --> 00:26:54,600

Tom Hanks having a backyard pool Laden's

641

00:26:58,280 --> 00:26:56,100

everybody being shocked

642

00:26:59,900 --> 00:26:58,290

this guy everybody knew what this guy

643

00:27:03,050 --> 00:26:59,910

was we didn't know the details but

644

00:27:05,510 --> 00:27:03,060

everybody knew those guys and that he

645

00:27:07,520 --> 00:27:05,520

gotten a slap on the wrist for some

646

00:27:09,680 --> 00:27:07,530

pretty terrible stuff and that he'd

647

00:27:12,200 --> 00:27:09,690

gotten away with it because powerful

648

00:27:15,080 --> 00:27:12,210

people are protected so the idea that

649

00:27:16,970 --> 00:27:15,090

you revealed the truth about Jeffrey

650

00:27:21,320 --> 00:27:16,980

Epson know the truth was already there

651
00:27:25,310 --> 00:27:21,330
everything and you know when it's funny

652
00:27:27,800 --> 00:27:25,320
with the Wynn committed suicide in Kazan

653
00:27:29,960 --> 00:27:27,810
was a Saturday at 7:00 morning with the

654
00:27:31,640 --> 00:27:29,970
news brokenly I tried it supposed to

655
00:27:33,140 --> 00:27:31,650
stay off social media on the weekends

656
00:27:35,690 --> 00:27:33,150
just try to spend it with my family in

657
00:27:38,870 --> 00:27:35,700
doing anything else

658
00:27:40,100 --> 00:27:38,880
and I woke up and my kids hurry up and I

659
00:27:41,690 --> 00:27:40,110
thought okay you know it's going to be a

660
00:27:44,360 --> 00:27:41,700
nice calm weekend with the kids in the

661
00:27:45,950 --> 00:27:44,370
business yeah I'm gonna try stay off

662
00:27:48,680 --> 00:27:45,960
Twitter and then I got a push

663
00:27:50,930 --> 00:27:48,690

notification on the phone I looked at it

664

00:27:53,960 --> 00:27:50,940

like Jeffrey Epstein found dead and in

665

00:27:54,650 --> 00:27:53,970

sell and go really thanks for ruining my

666

00:27:59,450 --> 00:27:54,660

weekend

667

00:28:04,460 --> 00:27:59,460

sure is it immediately the conspiracy

668

00:28:07,130 --> 00:28:04,470

theories just you know you saw I mean

669

00:28:09,520 --> 00:28:07,140

you know Michael Moore and Ann Coulter

670

00:28:12,350 --> 00:28:09,530

or both kind of saying the same thing

671

00:28:14,900 --> 00:28:12,360

Claire McCaskill was like now this this

672

00:28:17,120 --> 00:28:14,910

looks suspicious to me and the thing is

673

00:28:19,580 --> 00:28:17,130

is that people really won't wait to be

674

00:28:22,450 --> 00:28:19,590

suspicious about I mean it's it's the

675

00:28:25,940 --> 00:28:22,460

idea of a one of the most high level

676
00:28:28,610 --> 00:28:25,950
prisoners in the country who should be

677
00:28:32,290 --> 00:28:28,620
on suicide watch and in solitary you

678
00:28:34,460 --> 00:28:32,300
know with cameras and staff on 24/7

679
00:28:36,980 --> 00:28:34,470
finding some way to take his own life

680
00:28:39,020 --> 00:28:36,990
that is that is bizarre that should not

681
00:28:41,540 --> 00:28:39,030
happen there's gotta be a bigger story

682
00:28:44,300 --> 00:28:41,550
giving so people are totally right to be

683
00:28:48,020 --> 00:28:44,310
to look at and think that's fishy that's

684
00:28:49,670 --> 00:28:48,030
weird nice coincidence you know that

685
00:28:50,289 --> 00:28:49,680
there's nothing there's nothing out of

686
00:28:51,669 --> 00:28:50,299
the ordinary

687
00:28:53,739 --> 00:28:51,679
that now person people would mean

688
00:28:57,940 --> 00:28:53,749

certainly Clinton's and other people

689

00:28:59,379 --> 00:28:57,950

started immediately trial and Hugh

690

00:29:02,739 --> 00:28:59,389

wasn't saying anything about it because

691

00:29:05,859 --> 00:29:02,749

by that point I think a chin was still

692

00:29:07,539 --> 00:29:05,869

around yeah because somebody put leak

693

00:29:09,249 --> 00:29:07,549

some information about it oh I guess

694

00:29:11,769 --> 00:29:09,259

that was unfortunate somebody leaked

695

00:29:13,029 --> 00:29:11,779

some information about photos I think uh

696

00:29:17,469 --> 00:29:13,039

yeah the photos got leaked and then

697

00:29:18,820 --> 00:29:17,479

somebody was like I'm an EMT and we had

698

00:29:22,329 --> 00:29:18,830

correctional center and that was about a

699

00:29:24,159 --> 00:29:22,339

half hour but then there's so much

700

00:29:28,239 --> 00:29:24,169

garbage unfortunately you can never tell

701

00:29:30,099 --> 00:29:28,249

us on this can't no you can't you can't

702

00:29:33,969 --> 00:29:30,109

look at fortune as some certain place or

703

00:29:34,749 --> 00:29:33,979

cold the best week for oh my gosh yeah

704

00:29:38,339 --> 00:29:34,759

exactly

705

00:29:43,180 --> 00:29:38,349

far from so then people were immediately

706

00:29:45,159 --> 00:29:43,190

blaming it on the Clintons and trompin

707

00:29:47,469 --> 00:29:45,169

saying that you know somebody got to him

708

00:29:49,329 --> 00:29:47,479

when we paid somebody offer but then you

709

00:29:51,789 --> 00:29:49,339

had the other side of how did you know

710

00:29:53,289 --> 00:29:51,799

Donald Trump's Justice Department let

711

00:29:54,759 --> 00:29:53,299

this happen you know if they had this

712

00:29:55,719 --> 00:29:54,769

key witness against the Clintons they

713

00:29:57,430 --> 00:29:55,729

would have done everything to protect

714

00:29:59,919 --> 00:29:57,440

him and that didn't make a lot of sense

715

00:30:01,149 --> 00:29:59,929

the cue people like how does if Jeffrey

716

00:30:02,109 --> 00:30:01,159

Epstein is gonna be the guy who brings

717

00:30:03,729 --> 00:30:02,119

it all down

718

00:30:05,379 --> 00:30:03,739

and Donald Trump's gonna be the guy who

719

00:30:07,089 --> 00:30:05,389

brings it all down how did Donald Trump

720

00:30:07,509 --> 00:30:07,099

let Jeffery up see that doesn't make any

721

00:30:10,079 --> 00:30:07,519

sense

722

00:30:12,969 --> 00:30:10,089

that makes Trump less than perfect and

723

00:30:14,769 --> 00:30:12,979

Trump can't be less than perfect so then

724

00:30:16,449 --> 00:30:14,779

you started having the body double

725

00:30:18,789 --> 00:30:16,459

conspiracy yeah

726

00:30:21,310 --> 00:30:18,799

may the ears on the corpse don't look

727

00:30:23,289 --> 00:30:21,320

like Epstein's ears and he's got this

728

00:30:25,659 --> 00:30:23,299

mark here that's not there and and

729

00:30:27,909 --> 00:30:25,669

people think you people started coming

730

00:30:31,389 --> 00:30:27,919

up with this totally bonkers alternative

731

00:30:33,759 --> 00:30:31,399

mythology that the Epstein who was in

732

00:30:36,339 --> 00:30:33,769

the leaked photo was fake or a body

733

00:30:39,879 --> 00:30:36,349

double or a clone and that the real FC

734

00:30:43,629 --> 00:30:39,889

was put in hiding to make sure that he

735

00:30:46,329 --> 00:30:43,639

can testify against Clinton and it

736

00:30:47,709 --> 00:30:46,339

starts to you know you have to invent

737

00:30:50,619 --> 00:30:47,719

this because otherwise

738

00:30:53,109 --> 00:30:50,629

Donald Trump and his you know stealth

739

00:30:55,899 --> 00:30:53,119

bomber of an attorney general look like

740

00:30:57,219 --> 00:30:55,909

in confident it and we can't you can't

741

00:30:59,109 --> 00:30:57,229

have that can't have the cult leader

742

00:31:00,279 --> 00:30:59,119

look bad so you've got to make up

743

00:31:03,459 --> 00:31:00,289

something that makes the cult leader

744

00:31:04,130 --> 00:31:03,469

look like a genius yeah so that they're

745

00:31:07,820 --> 00:31:04,140

essentially saying

746

00:31:09,320 --> 00:31:07,830

Trump was uh it was protecting Epstein

747

00:31:11,150 --> 00:31:09,330

from the Clintons because he knew that

748

00:31:13,789 --> 00:31:11,160

the Clintons would try to kill him yeah

749

00:31:16,940 --> 00:31:13,799

so he had him pretend killed all right

750

00:31:18,890 --> 00:31:16,950

pretend suicided Ryan then spirited him

751

00:31:23,350 --> 00:31:18,900

away probably to a different private

752

00:31:25,940 --> 00:31:23,360

island where he can wait and president I

753

00:31:26,390 --> 00:31:25,950

yeah once you've got that of course like

754

00:31:27,860 --> 00:31:26,400

yes

755

00:31:29,419 --> 00:31:27,870

once you've already done that you know

756

00:31:29,930 --> 00:31:29,429

once you get JFK jr. and how you for

757

00:31:31,730 --> 00:31:29,940

twenty years

758

00:31:34,640 --> 00:31:31,740

what's smuggling I dude out of prison

759

00:31:37,460 --> 00:31:34,650

you had some some some post on that

760

00:31:39,640 --> 00:31:37,470

4chan post about the you know that did

761

00:31:42,440 --> 00:31:39,650

actually appear to leak some information

762

00:31:45,680 --> 00:31:42,450

added on to that that they neighborhood

763

00:31:49,039 --> 00:31:45,690

they saw ban and a guy gets smuggled out

764

00:31:50,539 --> 00:31:49,049

and that got grafted onto the original

765

00:31:54,080 --> 00:31:50,549

post and people who thought they were

766

00:31:55,940 --> 00:31:54,090

from the same person and think Oh one

767

00:31:59,180 --> 00:31:55,950

person unfortunate on the truth but one

768

00:32:02,690 --> 00:31:59,190

person lying I mean it's it's just it's

769

00:32:06,140 --> 00:32:02,700

it's so hard to untangle if you're not

770

00:32:08,090 --> 00:32:06,150

versed in that world and so everybody

771

00:32:10,340 --> 00:32:08,100

started just going with the conspiracy

772

00:32:12,890 --> 00:32:10,350

theory because it it made in a way it

773

00:32:15,380 --> 00:32:12,900

made more sense and then just thank know

774

00:32:16,730 --> 00:32:15,390

the prison was understaffed and somebody

775

00:32:19,970 --> 00:32:16,740

screwed up and they took them off

776

00:32:22,669 --> 00:32:19,980

suicide watch accidentally or they or or

777

00:32:24,380 --> 00:32:22,679

whatever and he found some way to take

778

00:32:26,900 --> 00:32:24,390

his own life that's what I

779

00:32:28,250 --> 00:32:26,910

I always did you're right ready students

780

00:32:31,010 --> 00:32:28,260

like there I heard it I thought here's a

781

00:32:32,810 --> 00:32:31,020

guy who is very wealthy very powerful

782

00:32:33,500 --> 00:32:32,820

who has lost all this power all the

783

00:32:36,620 --> 00:32:33,510

status

784

00:32:38,330 --> 00:32:36,630

she's a pedophile meanie he's the lowest

785

00:32:41,299 --> 00:32:38,340

rung on the ladder in prison and

786

00:32:42,890 --> 00:32:41,309

everyone's gone he knows he's gonna be

787

00:32:47,600 --> 00:32:42,900

convicted he knows this is the rest of

788

00:32:50,870 --> 00:32:47,610

his life and he saw a way to end it and

789

00:32:53,419 --> 00:32:50,880

probably also to deny his victims

790

00:32:55,820 --> 00:32:53,429

justice and so he gets a final screw you

791

00:32:59,720 --> 00:32:55,830

to his victims and he gets to forestall

792

00:33:02,090 --> 00:32:59,730

decades of misery and taken a life I

793

00:33:03,650 --> 00:33:02,100

mean that to me makes perfect sense and

794

00:33:05,330 --> 00:33:03,660

doesn't require a conspiracy now there

795

00:33:06,620 --> 00:33:05,340

was a lot of people who screwed up you

796

00:33:10,100 --> 00:33:06,630

shouldn't have been taken off suicide

797

00:33:11,780 --> 00:33:10,110

watch the cameras around the cell should

798

00:33:14,630 --> 00:33:11,790

have been walk in and it appears that

799

00:33:16,040 --> 00:33:14,640

they want but that doesn't you know this

800

00:33:17,200 --> 00:33:16,050

is an old prison that doesn't have a lot

801
00:33:20,889 --> 00:33:17,210
of money in store

802
00:33:22,990 --> 00:33:20,899
we overstretched so you know blame blame

803
00:33:25,620 --> 00:33:23,000
the failings of Justice Department blame

804
00:33:28,480 --> 00:33:25,630
the failings of the prison but

805
00:33:32,799 --> 00:33:28,490
ultimately you we don't have to make off

806
00:33:34,419 --> 00:33:32,809
the story it sounds fishy sounds too

807
00:33:36,519 --> 00:33:34,429
weird to have actually have a lot of

808
00:33:37,810 --> 00:33:36,529
times things that are too weird to have

809
00:33:42,880 --> 00:33:37,820
actually happened are the thing that

810
00:33:43,899 --> 00:33:42,890
yeah yeah like like on 9/11 oh that's

811
00:33:45,370 --> 00:33:43,909
what people gave the conspiracy

812
00:33:46,870 --> 00:33:45,380
theorists II look so incredible and

813
00:33:49,840 --> 00:33:46,880

amazing I have to think of an incredible

814

00:33:52,889 --> 00:33:49,850

an amazing explanation you know with

815

00:33:55,269 --> 00:33:52,899

Epstein's death like you know there is

816

00:33:57,159 --> 00:33:55,279

especially the simplest conspiracy would

817

00:33:59,529 --> 00:33:57,169

just be simply that they took him off

818

00:34:01,360 --> 00:33:59,539

suicide watch like someone asked him to

819

00:34:04,029 --> 00:34:01,370

be taken off sidewalks but I think they

820

00:34:05,799 --> 00:34:04,039

have like got very specific guidelines

821

00:34:08,500 --> 00:34:05,809

for doing that like if they haven't

822

00:34:10,570 --> 00:34:08,510

exhibited suicidal behavior for some

823

00:34:13,740 --> 00:34:10,580

fairly short period of time I think it's

824

00:34:16,359 --> 00:34:13,750

like like a week or something like that

825

00:34:17,829 --> 00:34:16,369

yeah they have to take him off so and I

826

00:34:20,099 --> 00:34:17,839

guess they get that probably will do

827

00:34:22,540 --> 00:34:20,109

some report on that at some point but

828

00:34:24,970 --> 00:34:22,550

hey you can see why it looks suspicious

829

00:34:27,190 --> 00:34:24,980

to people cuz you say yeah he tried to

830

00:34:28,510 --> 00:34:27,200

kill himself on suicide watch they took

831

00:34:29,800 --> 00:34:28,520

him on suicide watch and he killed

832

00:34:31,329 --> 00:34:29,810

himself and there was no cameras and

833

00:34:33,520 --> 00:34:31,339

everything so yeah obviously there's all

834

00:34:36,579 --> 00:34:33,530

the ingredients there for a conspiracy

835

00:34:40,000 --> 00:34:36,589

theory but also all the reasons there

836

00:34:41,740 --> 00:34:40,010

why he would kill himself so it's kind

837

00:34:43,629 --> 00:34:41,750

of this conspiracy light in a way taking

838

00:34:44,169 --> 00:34:43,639

him off and hoping that he'll kill

839

00:34:45,970 --> 00:34:44,179

himself

840

00:34:48,190 --> 00:34:45,980

thank you it was such a big deal they

841

00:34:50,950 --> 00:34:48,200

would put more effort into it right and

842

00:34:56,649 --> 00:34:50,960

I would imagine that he I mean he had

843

00:34:58,450 --> 00:34:56,659

tried to take a suicide watch and I

844

00:35:00,730 --> 00:34:58,460

would imagine he still wanted to do it

845

00:35:03,040 --> 00:35:00,740

so he knew he just had to wave out and

846

00:35:05,140 --> 00:35:03,050

then you know figure out a better way to

847

00:35:06,670 --> 00:35:05,150

do it and that's if you want to take

848

00:35:10,300 --> 00:35:06,680

your own life you're probably gonna find

849

00:35:13,089 --> 00:35:10,310

a way to do it yeah but that's a thing

850

00:35:15,070 --> 00:35:13,099

with it business it was a thing with the

851

00:35:16,480 --> 00:35:15,080

the hyoid bone and the little bone that

852

00:35:20,410 --> 00:35:16,490

you have it's like oh yeah wishbone

853

00:35:22,900 --> 00:35:20,420

yes good jaw and people saying that she

854

00:35:25,270 --> 00:35:22,910

knows indicative of a strangulation but

855

00:35:26,790 --> 00:35:25,280

when you look at the scientific

856

00:35:28,990 --> 00:35:26,800

literature there is also indicative of

857

00:35:30,940 --> 00:35:29,000

people hanging themselves right

858

00:35:31,210 --> 00:35:30,950

especially with old people because it

859

00:35:33,370 --> 00:35:31,220

become

860

00:35:35,260 --> 00:35:33,380

brittle with age someone hangs

861

00:35:37,870 --> 00:35:35,270

themselves it's right right here

862

00:35:41,680 --> 00:35:37,880

underneath you can easily imagine

863

00:35:43,270 --> 00:35:41,690

there's no yeah yeah but you know people

864

00:35:44,980 --> 00:35:43,280

are just gonna focus on that one thing

865

00:35:49,839 --> 00:35:44,990

now another thing that comes up a lot

866

00:35:53,710 --> 00:35:49,849

with with Epstein is the Lolita Express

867

00:35:55,390 --> 00:35:53,720

is pain and the idea that he used it to

868

00:36:00,849 --> 00:35:55,400

ferry well obviously did use it to ferry

869

00:36:01,960 --> 00:36:00,859

young women girls to his Island but that

870

00:36:05,440 --> 00:36:01,970

also there's a connection there with

871

00:36:06,700 --> 00:36:05,450

Clinton that people are saying that you

872

00:36:11,410 --> 00:36:06,710

know Clinton was on the lot later

873

00:36:13,150 --> 00:36:11,420

expressed 26 times right and it turns

874

00:36:15,010 --> 00:36:13,160

out he was only it was it was six

875

00:36:16,560 --> 00:36:15,020

different trips with multiple hops and

876

00:36:19,990 --> 00:36:16,570

mostly em were I think they were like

877

00:36:22,450 --> 00:36:20,000

kind of like goodwill trips to Africa

878

00:36:28,290 --> 00:36:22,460

and yeah yeah and ocean things for its

879

00:36:30,190 --> 00:36:28,300

foundation yeah yes but you know Clinton

880

00:36:34,690 --> 00:36:30,200

obviously as a lot of conspiracy

881

00:36:36,640 --> 00:36:34,700

theories swirling around here man is the

882

00:36:40,570 --> 00:36:36,650

big one being the the Clinton body count

883

00:36:42,640 --> 00:36:40,580

yes what's your take on the Clinton body

884

00:36:44,980 --> 00:36:42,650

count oh that's one of my favorites

885

00:36:46,750 --> 00:36:44,990

that's like I like talking about that

886

00:36:49,810 --> 00:36:46,760

because it's it's a really interesting

887

00:36:53,260 --> 00:36:49,820

example of how the conspiracy theory

888

00:36:55,960 --> 00:36:53,270

movement dips developed in the 90s and

889

00:36:57,160 --> 00:36:55,970

how is that that beginning of what we

890

00:36:59,140 --> 00:36:57,170

know as a matter conspiracy theory

891

00:37:01,870 --> 00:36:59,150

movement has mutated into what we know

892

00:37:05,020 --> 00:37:01,880

now so Clinton body count is the list

893

00:37:07,270 --> 00:37:05,030

the ever-expanding list people somehow

894

00:37:10,690 --> 00:37:07,280

connected to bill and or Hillary Clinton

895

00:37:14,730 --> 00:37:10,700

who now died mysteriously I'm doing air

896

00:37:18,400 --> 00:37:14,740

quotes here after having some encounter

897

00:37:20,320 --> 00:37:18,410

works for them met them somehow knew

898

00:37:24,160 --> 00:37:20,330

them from business knew them from their

899

00:37:26,680 --> 00:37:24,170

time in Arkansas um any any connection

900

00:37:29,710 --> 00:37:26,690

no connection is too tenuous to be added

901
00:37:31,390 --> 00:37:29,720
to this list started in the early

902
00:37:34,079 --> 00:37:31,400
nineties was put together by a woman

903
00:37:36,160 --> 00:37:34,089
named Linda Thompson and this was a

904
00:37:38,859 --> 00:37:36,170
basically a professional anti-clinton

905
00:37:41,530 --> 00:37:38,869
conspiracy for she she was sort of the

906
00:37:45,070 --> 00:37:41,540
proto Alex Jones she made and salt

907
00:37:48,550 --> 00:37:45,080
produced videos about about

908
00:37:53,950 --> 00:37:48,560
wait go and about the clintons using the

909
00:37:56,710 --> 00:37:53,960
waco fire to kill ATF agents who are

910
00:37:59,110 --> 00:37:56,720
about to testify in their own yeah and

911
00:38:00,700 --> 00:37:59,120
so she she actually became really

912
00:38:03,730 --> 00:38:00,710
popular in this circle she sold her

913
00:38:07,510 --> 00:38:03,740

tapes in guns gun shows and conspiracy

914

00:38:10,570 --> 00:38:07,520

convention very nascent internet so she

915

00:38:13,690 --> 00:38:10,580

put together this list of people who

916

00:38:15,220 --> 00:38:13,700

died mysteriously in the orbit of the

917

00:38:16,480 --> 00:38:15,230

Clintons and she wasn't saying that they

918

00:38:18,340 --> 00:38:16,490

killed them but that somebody should

919

00:38:20,620 --> 00:38:18,350

investigate this it's always what it was

920

00:38:22,540 --> 00:38:20,630

it's not I'm not saying that they killed

921

00:38:25,180 --> 00:38:22,550

them just saying we should ask more

922

00:38:28,240 --> 00:38:25,190

questions so this list started going

923

00:38:31,240 --> 00:38:28,250

around and it got to a it was by that

924

00:38:34,240 --> 00:38:31,250

time a former House member from

925

00:38:38,880 --> 00:38:34,250

California named William dynamo William

926
00:38:43,230 --> 00:38:38,890
dannemeyer was the prototypical

927
00:38:47,920 --> 00:38:43,240
far-right 80s congressman super anti

928
00:38:50,560 --> 00:38:47,930
LGBTQ rights super anti immigration that

929
00:38:53,410 --> 00:38:50,570
kind of stereotypical California

930
00:38:55,090 --> 00:38:53,420
Republican that doesn't really exist

931
00:38:57,250 --> 00:38:55,100
much anymore you there's that there's a

932
00:39:00,160 --> 00:38:57,260
couple of them still but you you had a

933
00:39:01,750 --> 00:39:00,170
very very hard right faction in

934
00:39:04,930 --> 00:39:01,760
California and it basically got wiped

935
00:39:06,940 --> 00:39:04,940
out in the 90s after California passed

936
00:39:10,660 --> 00:39:06,950
this Proposition 187 that was going to

937
00:39:13,030 --> 00:39:10,670
try to strip basic rights away from from

938
00:39:15,820 --> 00:39:13,040

Mike from immigrants and that got

939

00:39:17,590 --> 00:39:15,830

totally wrong time that you know you the

940

00:39:19,750 --> 00:39:17,600

last sort of big California Republican

941

00:39:21,670 --> 00:39:19,760

reserve with Schwartz and people like

942

00:39:24,010 --> 00:39:21,680

him because it was on those words so

943

00:39:26,200 --> 00:39:24,020

dannemeyer wrote a letter to Congress

944

00:39:28,660 --> 00:39:26,210

and got it entered into the

945

00:39:30,070 --> 00:39:28,670

Congressional Record asking that this

946

00:39:32,920 --> 00:39:30,080

list be investigated

947

00:39:34,690 --> 00:39:32,930

nobody ever investigated but you had the

948

00:39:36,010 --> 00:39:34,700

popularity of the list in the conspiracy

949

00:39:38,920 --> 00:39:36,020

theory community and the sort of

950

00:39:40,930 --> 00:39:38,930

official stamp of it in Congress and it

951
00:39:46,000 --> 00:39:40,940
took off and it started getting passed

952
00:39:48,790 --> 00:39:46,010
around the email you snatch via you know

953
00:39:51,790 --> 00:39:48,800
flyers and it's just exploding the

954
00:39:56,309 --> 00:39:51,800
hundreds of names in the last 25 or 30

955
00:39:58,749 --> 00:39:56,319
years yeah it's uh

956
00:40:02,259 --> 00:39:58,759
it's also become like an accepted thing

957
00:40:05,579 --> 00:40:02,269
in yeah for a lot of people I I saw I

958
00:40:09,219 --> 00:40:05,589
think it was on vice news Frank Luntz

959
00:40:11,519 --> 00:40:09,229
was doing a you know focused test and he

960
00:40:13,569 --> 00:40:11,529
had some Republicans and he had some

961
00:40:15,009 --> 00:40:13,579
Democrats and he was asking them why

962
00:40:16,569 --> 00:40:15,019
don't you trust Hillary Clinton or

963
00:40:18,539 --> 00:40:16,579

something like that and one woman said

964

00:40:21,189 --> 00:40:18,549

well she's killed hundreds of people

965

00:40:22,539 --> 00:40:21,199

yeah and no one batted an eyelid and

966

00:40:23,379 --> 00:40:22,549

they just kind of moved on and talked

967

00:40:27,009 --> 00:40:23,389

about other things

968

00:40:30,429 --> 00:40:27,019

oh yeah Hillary oliver's yeah it's the

969

00:40:33,489 --> 00:40:30,439

right-wing media really ran you had rush

970

00:40:35,199 --> 00:40:33,499

limbaugh going on a while you know rinse

971

00:40:38,819 --> 00:40:35,209

foster or for the cleansing shot himself

972

00:40:42,309 --> 00:40:38,829

three times in the have that's my symbol

973

00:40:43,989 --> 00:40:42,319

and then just the election you you had

974

00:40:45,669 --> 00:40:43,999

Donald Trump talking about Vince Foster

975

00:40:48,459 --> 00:40:45,679

you had people talking about the

976

00:40:49,989 --> 00:40:48,469

Commerce Secretary Ron Brown died in a

977

00:40:54,129 --> 00:40:49,999

plane crash his plane flew in your mouth

978

00:40:56,709 --> 00:40:54,139

and it it became you know these two drug

979

00:40:59,289 --> 00:40:56,719

dealers in Arkansas we saw this murder

980

00:41:01,179 --> 00:40:59,299

they got killed by a train and then

981

00:41:03,339 --> 00:41:01,189

everybody they knew got killed and it's

982

00:41:04,509 --> 00:41:03,349

it's like it just the list just gets

983

00:41:06,519 --> 00:41:04,519

bigger and bigger and bigger

984

00:41:10,059 --> 00:41:06,529

to the point where names are still being

985

00:41:15,579 --> 00:41:10,069

put on it any Kure Clinton's father's

986

00:41:17,349 --> 00:41:15,589

dentist died Clinton murderer must have

987

00:41:19,899 --> 00:41:17,359

done something you must have known

988

00:41:22,659 --> 00:41:19,909

something some mayor of a small town

989

00:41:25,389 --> 00:41:22,669

somewhere fell out of a boat and drowned

990

00:41:28,629 --> 00:41:25,399

and it came out that he had a crawfish

991

00:41:32,679 --> 00:41:28,639

dinner with Bill Clinton in 1996 got rid

992

00:41:35,109 --> 00:41:32,689

of him and it's just like it's at the

993

00:41:37,239 --> 00:41:35,119

list just gets bigger and bigger because

994

00:41:39,789 --> 00:41:37,249

I've known a lot of people they weren't

995

00:41:42,579 --> 00:41:39,799

in just working in politics they worked

996

00:41:44,919 --> 00:41:42,589

in philanthropy she was first lady of

997

00:41:47,199 --> 00:41:44,929

Arkansas and the US and she's a senator

998

00:41:49,509 --> 00:41:47,209

and Secretary of State and yeah there

999

00:41:51,069 --> 00:41:49,519

she was a lawyer and he's what

1000

00:41:53,639 --> 00:41:51,079

foundation I mean it's just like the

1001

00:41:55,719 --> 00:41:53,649

cleanse so a lot of people and

1002

00:41:56,939 --> 00:41:55,729

statistically speaking some of those

1003

00:41:58,719 --> 00:41:56,949

people are going to die and

1004

00:42:00,969 --> 00:41:58,729

statistically speaking some of the

1005

00:42:02,919 --> 00:42:00,979

people that die are not going to die

1006

00:42:05,919 --> 00:42:02,929

naturally they're gonna die in suicides

1007

00:42:08,339 --> 00:42:05,929

are gonna die in accidents crimes I mean

1008

00:42:09,900 --> 00:42:08,349

it's just that's you know enough people

1009

00:42:12,079 --> 00:42:09,910

something bad

1010

00:42:13,440 --> 00:42:12,089

is going to happen to a couple of yeah

1011

00:42:16,079 --> 00:42:13,450

in it

1012

00:42:18,089 --> 00:42:16,089

the problem with with the the body-count

1013

00:42:20,390 --> 00:42:18,099

thing if you want to try to debunk it is

1014

00:42:23,279 --> 00:42:20,400

that all we have is this one list of

1015

00:42:25,589 --> 00:42:23,289

clinton people who died and what you

1016

00:42:28,440 --> 00:42:25,599

really need to show people that is

1017

00:42:30,599 --> 00:42:28,450

nonsense is to have lists of the same

1018

00:42:32,520 --> 00:42:30,609

list but for someone else like a no

1019

00:42:33,150 --> 00:42:32,530

battle body count or a trouble around

1020

00:42:35,970 --> 00:42:33,160

sura

1021

00:42:37,440 --> 00:42:35,980

there HW of us body count yeah there are

1022

00:42:39,120 --> 00:42:37,450

lists like that there's there they're

1023

00:42:41,370 --> 00:42:39,130

not as popular at the clinton body but

1024

00:42:44,640 --> 00:42:41,380

there was a thing going around for a

1025

00:42:46,740 --> 00:42:44,650

while that 9/11 witnesses were being

1026
00:42:49,789 --> 00:42:46,750
silenced and you had this whole long

1027
00:42:53,670 --> 00:42:49,799
list of people who were you know

1028
00:42:55,770 --> 00:42:53,680
witnesses to one of the crashes or were

1029
00:42:58,020 --> 00:42:55,780
you know knew somebody who knew somebody

1030
00:42:59,460 --> 00:42:58,030
who died and they're all being a limited

1031
00:43:04,819 --> 00:42:59,470
and i remember the one that stood out to

1032
00:43:08,670 --> 00:43:04,829
me was george w bush's brother's kids

1033
00:43:11,549 --> 00:43:08,680
babysitter who was killed in a car

1034
00:43:15,539 --> 00:43:11,559
accident and she was added to the list

1035
00:43:18,809 --> 00:43:15,549
of 911 witnesses who mysteriously died

1036
00:43:21,000 --> 00:43:18,819
and this is just late really you think

1037
00:43:24,059 --> 00:43:21,010
the babysitter was it was part of the

1038
00:43:28,079 --> 00:43:24,069

plot yeah that's how far you're willing

1039

00:43:30,150 --> 00:43:28,089

to take this and yet obama has this huge

1040

00:43:34,200 --> 00:43:30,160

list of people who mysteriously died

1041

00:43:35,849 --> 00:43:34,210

near the the hawaii health officer who

1042

00:43:37,470 --> 00:43:35,859

authorized the release of the boat reach

1043

00:43:40,769 --> 00:43:37,480

advocate and she no talk to me about

1044

00:43:42,510 --> 00:43:40,779

that one oh yeah she gave the plane

1045

00:43:44,069 --> 00:43:42,520

crash as well and it plane crash ditched

1046

00:43:46,230 --> 00:43:44,079

in the ocean and she drowned yeah and go

1047

00:43:48,620 --> 00:43:46,240

had a hot shark yeah something like that

1048

00:43:51,839 --> 00:43:48,630

something to do with the plane crash

1049

00:43:53,700 --> 00:43:51,849

interesting one i saw a video of the

1050

00:43:55,890 --> 00:43:53,710

other a guy was videoing it after they

1051
00:43:58,769 --> 00:43:55,900
crashed and people analyzing the video

1052
00:44:01,079 --> 00:43:58,779
and they said they could see a scuba guy

1053
00:44:03,240 --> 00:44:01,089
in scuba gear swim up to them and inject

1054
00:44:05,640 --> 00:44:03,250
her with something and swim off a game

1055
00:44:09,539 --> 00:44:05,650
right which it was just some waves and

1056
00:44:15,000 --> 00:44:09,549
yeah this it was ridiculous this is like

1057
00:44:17,549 --> 00:44:15,010
your plan is so super secret and so evil

1058
00:44:20,130 --> 00:44:17,559
and it's gonna change the world and you

1059
00:44:21,839 --> 00:44:20,140
conspire to kill 3,000 people 9/11 you

1060
00:44:23,160 --> 00:44:21,849
conspired to put up a fake President

1061
00:44:25,650 --> 00:44:23,170
Barack Obama

1062
00:44:28,109 --> 00:44:25,660
fake birth certificate but at the same

1063
00:44:29,940 --> 00:44:28,119

time we uncovered it instantly with just

1064

00:44:33,270 --> 00:44:29,950

five minutes of internet research so in

1065

00:44:36,329 --> 00:44:33,280

him full of it relies on this these evil

1066

00:44:38,609 --> 00:44:36,339

people being incredibly wedded to these

1067

00:44:42,089 --> 00:44:38,619

complicated things but also incredibly

1068

00:44:44,160 --> 00:44:42,099

stupid to have not made the scheme who

1069

00:44:46,740 --> 00:44:44,170

will prove to ten minutes of Internet

1070

00:44:49,440 --> 00:44:46,750

research yeah that reminds me of you

1071

00:44:51,690 --> 00:44:49,450

9/11 obviously we have people who think

1072

00:44:54,450 --> 00:44:51,700

it's obvious that it was a controlled

1073

00:44:56,640 --> 00:44:54,460

demolition to them personally right and

1074

00:44:58,170 --> 00:44:56,650

yet we have millions and millions of

1075

00:45:00,210 --> 00:44:58,180

engineers and scientists around the

1076

00:45:03,000 --> 00:45:00,220

world who just simply haven't noticed

1077

00:45:07,349 --> 00:45:03,010

this yet because they haven't put in the

1078

00:45:09,210 --> 00:45:07,359

effort done the research yeah and and we

1079

00:45:11,190 --> 00:45:09,220

we have no idea where the explosives

1080

00:45:13,859 --> 00:45:11,200

came from who bought them who wired them

1081

00:45:16,200 --> 00:45:13,869

who gave the order you know all of that

1082

00:45:19,440 --> 00:45:16,210

stuff you know really the Twin Towers

1083

00:45:24,329 --> 00:45:19,450

just sat there full of explosives yeah

1084

00:45:26,789 --> 00:45:24,339

here's how that sells people say it was

1085

00:45:28,770 --> 00:45:26,799

common practice to wire buildings with

1086

00:45:31,410 --> 00:45:28,780

explosives in case they need demolished

1087

00:45:37,710 --> 00:45:31,420

in a hurry which is the most ridiculous

1088

00:45:42,829 --> 00:45:37,720

thing ever full of buildings full of

1089

00:45:47,250 --> 00:45:42,839

explosives apparently sir okay okay so

1090

00:45:48,150 --> 00:45:47,260

getting back to Epstein yeah so there

1091

00:45:50,190 --> 00:45:48,160

was this thing you're back with

1092

00:45:53,220 --> 00:45:50,200

Epstein's original charge with Alec Alex

1093

00:45:55,079 --> 00:45:53,230

Acosta who was the obviously the the US

1094

00:45:59,970 --> 00:45:55,089

Attorney thank you listen very in my ear

1095

00:46:01,950 --> 00:45:59,980

yeah and he helped helped but he was

1096

00:46:05,089 --> 00:46:01,960

involved in getting this plea deal with

1097

00:46:09,240 --> 00:46:05,099

Epstein where he just served 18 months

1098

00:46:10,380 --> 00:46:09,250

he was able to leave to go run into

1099

00:46:13,380 --> 00:46:10,390

business where he was getting more girls

1100

00:46:14,609 --> 00:46:13,390

yeah yeah so he basically just had a

1101

00:46:16,620 --> 00:46:14,619

place where he had to sleep at night or

1102

00:46:23,099 --> 00:46:16,630

something like that for yeah crashing

1103

00:46:26,670 --> 00:46:23,109

yeah yeah and he accosted her became the

1104

00:46:27,990 --> 00:46:26,680

Secretary of Labor and people obviously

1105

00:46:30,180 --> 00:46:28,000

think there's some kind of you know

1106

00:46:32,069 --> 00:46:30,190

connection there is he's so connected

1107

00:46:34,799 --> 00:46:32,079

but then you know stuff came out about

1108

00:46:36,630 --> 00:46:34,809

Epstein and then he he resigned because

1109

00:46:38,920 --> 00:46:36,640

of it

1110

00:46:42,640 --> 00:46:38,930

what do you think is that something

1111

00:46:44,620 --> 00:46:42,650

that's people have theories about Acosta

1112

00:46:47,760 --> 00:46:44,630

that you've heard you know I haven't

1113

00:46:50,020 --> 00:46:47,770

heard so much about him

1114

00:46:51,970 --> 00:46:50,030

you know because part of it is that you

1115

00:46:55,530 --> 00:46:51,980

sort of then have to pull Trump into it

1116

00:46:59,980 --> 00:46:55,540

it's like well Trump gave a pasta

1117

00:47:02,380 --> 00:46:59,990

cabinet position as a reward for you

1118

00:47:04,960 --> 00:47:02,390

know letting this pedophile off with a

1119

00:47:07,480 --> 00:47:04,970

slap on the wrist I mean I think it's

1120

00:47:09,610 --> 00:47:07,490

funny how that that element of it I mean

1121

00:47:12,040 --> 00:47:09,620

people were really outraged over a Kosta

1122

00:47:16,780 --> 00:47:12,050

and it's like how this guy just kept

1123

00:47:19,600 --> 00:47:16,790

failing upward what it is no one bet

1124

00:47:21,400 --> 00:47:19,610

this guy and figure out that he you know

1125

00:47:23,710 --> 00:47:21,410

basically let this guy walk free but it

1126

00:47:25,480 --> 00:47:23,720

the problem with Acosta for the big for

1127

00:47:28,930 --> 00:47:25,490

the Trump people on for the few people

1128

00:47:30,580 --> 00:47:28,940

is that it makes Toronto back and you

1129

00:47:32,080 --> 00:47:30,590

know you can't you can't have anything

1130

00:47:34,600 --> 00:47:32,090

in the example of that so it all has to

1131

00:47:37,240 --> 00:47:34,610

get kind of you know pulled back in well

1132

00:47:39,160 --> 00:47:37,250

he wanted him where Trump one of the

1133

00:47:43,960 --> 00:47:39,170

Koster would he keep an eye on I mean it

1134

00:47:47,170 --> 00:47:43,970

just it necessitates so much special

1135

00:47:50,020 --> 00:47:47,180

cleaning to work that it's almost

1136

00:47:53,110 --> 00:47:50,030

impossible to actually debunk because it

1137

00:47:54,400 --> 00:47:53,120

just it's so bizarre and it doesn't do

1138

00:47:57,550 --> 00:47:54,410

it just doesn't make any sense

1139

00:47:58,090 --> 00:47:57,560

it's one of those what about this thing

1140

00:48:02,380 --> 00:47:58,100

like that

1141

00:48:06,790 --> 00:48:02,390

Acosta supposedly said that Epstein

1142

00:48:08,590 --> 00:48:06,800

belongs to intelligence oh I heard yeah

1143

00:48:09,940 --> 00:48:08,600

that he was you started seeing some of

1144

00:48:16,270 --> 00:48:09,950

that true that he was like an FBI

1145

00:48:18,760 --> 00:48:16,280

informant I mean if if the FBI what apps

1146

00:48:20,770 --> 00:48:18,770

team go because he was an informant I

1147

00:48:22,000 --> 00:48:20,780

mean that's a major failing by the FBI

1148

00:48:23,560 --> 00:48:22,010

and of course then they started trying

1149

00:48:27,430 --> 00:48:23,570

to talk since I'm all her into that I

1150

00:48:29,500 --> 00:48:27,440

was ballers FBI but your mother wouldn't

1151
00:48:31,540 --> 00:48:29,510
have had anything nothing that would

1152
00:48:33,850 --> 00:48:31,550
have been and and tried quite frankly

1153
00:48:36,070 --> 00:48:33,860
know who know about molar he probably if

1154
00:48:39,220 --> 00:48:36,080
he had gone to him probably shut down I

1155
00:48:41,260 --> 00:48:39,230
mean you know you know you can you can

1156
00:48:42,420 --> 00:48:41,270
do what you things you need to do with

1157
00:48:44,310 --> 00:48:42,430
an informant them you can't like

1158
00:48:46,470 --> 00:48:44,320
pedophile

1159
00:48:49,250 --> 00:48:46,480
yeah I think that they're saying that

1160
00:48:51,650 --> 00:48:49,260
Epstein was gathering calm

1161
00:48:53,350 --> 00:48:51,660
promise' non-people and then the

1162
00:48:54,940 --> 00:48:53,360
intelligence community was using that

1163
00:48:57,620 --> 00:48:54,950

yeah

1164

00:48:59,960 --> 00:48:57,630

blackmail them to get intelligence I

1165

00:49:02,810 --> 00:48:59,970

mean it's just all of it is just trying

1166

00:49:05,620 --> 00:49:02,820

to justify why why Epstein walked and of

1167

00:49:07,010 --> 00:49:05,630

course also trying to go after mauler

1168

00:49:09,590 --> 00:49:07,020

because mauler

1169

00:49:11,510 --> 00:49:09,600

Mulder kind of went from a good guy to a

1170

00:49:14,090 --> 00:49:11,520

bad guy

1171

00:49:16,550 --> 00:49:14,100

there's a interesting thing with a

1172

00:49:17,390 --> 00:49:16,560

Kostas replacement I don't I find it

1173

00:49:20,750 --> 00:49:17,400

interesting

1174

00:49:24,170 --> 00:49:20,760

Acosta's replacement was called Patrick

1175

00:49:25,940 --> 00:49:24,180

pizzelle ax and pizzelle ax if you just

1176

00:49:31,760 --> 00:49:25,950

take out three letters of the word

1177

00:49:32,060 --> 00:49:31,770

Piniella it turns into pizza oh yeah of

1178

00:49:34,160 --> 00:49:32,070

course

1179

00:49:36,140 --> 00:49:34,170

so that's you know obviously a

1180

00:49:38,510 --> 00:49:36,150

connection to pizza gate some kind of

1181

00:49:41,930 --> 00:49:38,520

secret message by choosing a replacement

1182

00:49:43,570 --> 00:49:41,940

with the last name pizza I suppose pizza

1183

00:49:45,650 --> 00:49:43,580

Gates you know it's been overshadowed by

1184

00:49:49,690 --> 00:49:45,660

other things but I think in a way like

1185

00:49:52,520 --> 00:49:49,700

Epstein's you know with the pedophilia

1186

00:49:55,550 --> 00:49:52,530

Lynx's could have probably brought that

1187

00:49:57,890 --> 00:49:55,560

back to a degree yeah and it's

1188

00:49:59,630 --> 00:49:57,900

interesting because nobody in nobody

1189

00:50:02,150 --> 00:49:59,640

none of the big pizza gate for sure were

1190

00:50:04,430 --> 00:50:02,160

we're talking about up steam until he

1191

00:50:07,430 --> 00:50:04,440

became new now if it was always Hillary

1192

00:50:11,420 --> 00:50:07,440

and John Podesta in the big Washington

1193

00:50:14,390 --> 00:50:11,430

DC a lead ya know epsteen epsteen was

1194

00:50:16,610 --> 00:50:14,400

sort of his own conspiracy theory but

1195

00:50:18,950 --> 00:50:16,620

it's interesting how we continue to see

1196

00:50:21,650 --> 00:50:18,960

kind of the echoes of pizza gate even

1197

00:50:23,540 --> 00:50:21,660

though that's really kind of fizzled out

1198

00:50:25,880 --> 00:50:23,550

because their pizza gate was just too

1199

00:50:29,270 --> 00:50:25,890

narrow to be able to really be sustained

1200

00:50:31,550 --> 00:50:29,280

it was really only about that one place

1201

00:50:33,680 --> 00:50:31,560

and of course then you killin like all

1202

00:50:35,300 --> 00:50:33,690

human trafficking is pizza gate pizza

1203

00:50:38,210 --> 00:50:35,310

gate means human trafficking no pizza

1204

00:50:40,940 --> 00:50:38,220

gate means this one thing human

1205

00:50:42,800 --> 00:50:40,950

trafficking right right human

1206

00:50:47,210 --> 00:50:42,810

trafficking is it is it different

1207

00:50:49,760 --> 00:50:47,220

damn yeah yeah alright let's let's talk

1208

00:50:51,710 --> 00:50:49,770

about your book yeah you book the

1209

00:50:55,400 --> 00:50:51,720

world's worst conspiracy theories coming

1210

00:50:57,980 --> 00:50:55,410

out yes in October October 13th and we

1211

00:50:59,540 --> 00:50:57,990

are coming up a compilation of the most

1212

00:51:02,779 --> 00:50:59,550

fascinating bizarre and compelling

1213

00:51:04,309 --> 00:51:02,789

conspiracy theories in the world today

1214

00:51:06,049 --> 00:51:04,319

the title the world's worst conspiracy

1215

00:51:07,849 --> 00:51:06,059

if there is my wife asked what does that

1216

00:51:10,549 --> 00:51:07,859

mean is this is this really crappy

1217

00:51:14,239 --> 00:51:10,559

conspiracy theories really really evil

1218

00:51:17,630 --> 00:51:14,249

conspiracy theories I think what it

1219

00:51:19,729 --> 00:51:17,640

means is the ones that have kind of fact

1220

00:51:22,669 --> 00:51:19,739

that are thinking the most the ones that

1221

00:51:24,529 --> 00:51:22,679

have served worm their way into our

1222

00:51:26,630 --> 00:51:24,539

brains the most and have done the most

1223

00:51:29,630 --> 00:51:26,640

damage to our ability to sift through

1224

00:51:32,179 --> 00:51:29,640

information you know I I would say that

1225

00:51:35,029 --> 00:51:32,189

some of them are a little more harmless

1226
00:51:37,069 --> 00:51:35,039
than others but then you have one of the

1227
00:51:40,609 --> 00:51:37,079
ones I wrote about is the false flag

1228
00:51:42,380 --> 00:51:40,619
stick that's that's been incredibly

1229
00:51:44,289 --> 00:51:42,390
hurtful thing for mass shooting

1230
00:51:47,569 --> 00:51:44,299
survivors this idea that they're all

1231
00:51:49,279 --> 00:51:47,579
crisis actors in the stage conspiracy

1232
00:51:52,039 --> 00:51:49,289
theory that's that's been it's done a

1233
00:51:54,140 --> 00:51:52,049
lot of damage to victims you you know

1234
00:51:56,169 --> 00:51:54,150
the some of the other ones are things

1235
00:51:59,059 --> 00:51:56,179
like Martin Luther King jr.

1236
00:52:00,769 --> 00:51:59,069
assassination that's one that's that's

1237
00:52:02,749 --> 00:52:00,779
stuck with us for decades and really

1238
00:52:06,739 --> 00:52:02,759

eroded a lot of our trust in the

1239

00:52:08,719 --> 00:52:06,749

government and you have things like you

1240

00:52:10,789 --> 00:52:08,729

know some vaccine stuff and you have

1241

00:52:13,429 --> 00:52:10,799

medical conspiracies that really hurt

1242

00:52:15,589 --> 00:52:13,439

people we've done a lot of damage you

1243

00:52:18,620 --> 00:52:15,599

know and things like another one I wrote

1244

00:52:20,029 --> 00:52:18,630

about with the mh370 which you know

1245

00:52:21,620 --> 00:52:20,039

there there's never been any closure

1246

00:52:23,120 --> 00:52:21,630

with that and I think the conspiracy

1247

00:52:26,449 --> 00:52:23,130

theories it only serve to muddy the

1248

00:52:27,620 --> 00:52:26,459

waters there so but what the book is is

1249

00:52:29,569 --> 00:52:27,630

it's it's twenty five of these

1250

00:52:31,099 --> 00:52:29,579

conspiracy theories and what it is is

1251

00:52:32,659 --> 00:52:31,109

it's basically an introduction if you

1252

00:52:35,120 --> 00:52:32,669

don't really know anything about them

1253

00:52:37,399 --> 00:52:35,130

but maybe you've heard a little bit what

1254

00:52:40,489 --> 00:52:37,409

I'm what I do is I introduce it how to

1255

00:52:41,929 --> 00:52:40,499

set it up go through why people believe

1256

00:52:43,339 --> 00:52:41,939

in some of the some of the field

1257

00:52:45,529 --> 00:52:43,349

discrepancies and some of the real

1258

00:52:48,859 --> 00:52:45,539

problems that have come off and then why

1259

00:52:51,949 --> 00:52:48,869

ultimately answer that we've always had

1260

00:52:53,959 --> 00:52:51,959

is almost always the real answer and why

1261

00:52:58,579 --> 00:52:53,969

ultimately the conspiracy theory doesn't

1262

00:53:00,109 --> 00:52:58,589

really stand up excuse me yeah you have

1263

00:53:01,999 --> 00:53:00,119

have some interesting things just

1264

00:53:03,439 --> 00:53:02,009

looking at the description on on Amazon

1265

00:53:07,299 --> 00:53:03,449

and as you said it is available for

1266

00:53:13,099 --> 00:53:07,309

pre-order right now the link up Eric not

1267

00:53:16,810 --> 00:53:13,109

yep you have the sinister experiments at

1268

00:53:20,370 --> 00:53:16,820

CERN that us so sir

1269

00:53:22,630 --> 00:53:20,380

is the International Atomic Research

1270

00:53:24,510 --> 00:53:22,640

Organisation and they're the ones you

1271

00:53:26,770 --> 00:53:24,520

have the Large Hadron Collider

1272

00:53:28,420 --> 00:53:26,780

underground between the sorts of London

1273

00:53:30,760 --> 00:53:28,430

France and you've got all kinds of

1274

00:53:32,530 --> 00:53:30,770

rumors that they were opening up a

1275

00:53:36,190 --> 00:53:32,540

portal to hell and that they were doing

1276

00:53:38,770 --> 00:53:36,200

demonic sacrifices and you know they

1277

00:53:40,540 --> 00:53:38,780

were bringing evil beings into the world

1278

00:53:43,780 --> 00:53:40,550

and you know this is one of those ones

1279

00:53:46,360 --> 00:53:43,790

that the belief in it is fairly harmless

1280

00:53:48,430 --> 00:53:46,370

I mean no one's going to CERN to shoot

1281

00:53:50,560 --> 00:53:48,440

the place out but I think something like

1282

00:53:53,680 --> 00:53:50,570

that what it does is it really obscures

1283

00:53:55,810 --> 00:53:53,690

the really interesting stuff and there's

1284

00:53:58,000 --> 00:53:55,820

a lot of really amazing science going on

1285

00:53:59,800 --> 00:53:58,010

at CERN and unfortunately the thing that

1286

00:54:01,780 --> 00:53:59,810

people want to talk about it experience

1287

00:54:04,000 --> 00:54:01,790

so one of the things I talk about in

1288

00:54:05,050 --> 00:54:04,010

that book chapter is how they you know

1289

00:54:07,090 --> 00:54:05,060

they've gotten closer to discovering

1290

00:54:09,250 --> 00:54:07,100

some of these difficult Big Bang

1291

00:54:11,170 --> 00:54:09,260

particles and they've done a really

1292

00:54:13,030 --> 00:54:11,180

pioneering experience with fusion and

1293

00:54:15,400 --> 00:54:13,040

then making really cool stuff but do you

1294

00:54:17,170 --> 00:54:15,410

think that stuff that people even don't

1295

00:54:20,340 --> 00:54:17,180

have a science background really get

1296

00:54:22,930 --> 00:54:20,350

into but unfortunately all we get is the

1297

00:54:25,960 --> 00:54:22,940

conspiracy stuff from the demonic stuff

1298

00:54:29,170 --> 00:54:25,970

and that's the thing that that people

1299

00:54:31,480 --> 00:54:29,180

get attached to and the really

1300

00:54:33,370 --> 00:54:31,490

interesting stuff is not it's just not

1301
00:54:36,070 --> 00:54:33,380
quite as compelling it's not as great a

1302
00:54:39,340 --> 00:54:36,080
story didn't they put on like some kind

1303
00:54:41,950 --> 00:54:39,350
of play a CERN which had like demon

1304
00:54:43,960 --> 00:54:41,960
demonic figures yeah they're in that God

1305
00:54:48,100 --> 00:54:43,970
when around YouTube and the people in

1306
00:54:50,350 --> 00:54:48,110
CERN I do it's was just you know it's

1307
00:54:52,180 --> 00:54:50,360
just sort of it's just kind of wasting

1308
00:54:53,320 --> 00:54:52,190
people it's sad it's sad that it's

1309
00:54:54,730 --> 00:54:53,330
distracting because like you say the

1310
00:54:57,520 --> 00:54:54,740
CERN is like really interesting

1311
00:54:59,590 --> 00:54:57,530
groundbreaking real science and the

1312
00:55:00,820 --> 00:54:59,600
people that work at CERN had imagined a

1313
00:55:02,380 --> 00:55:00,830

role just you know there's a regular

1314

00:55:04,690 --> 00:55:02,390

people there the regular variety of

1315

00:55:06,990 --> 00:55:04,700

people that you get anywhere and that

1316

00:55:12,520 --> 00:55:07,000

they're doing they're doing good work

1317

00:55:13,930 --> 00:55:12,530

yeah yeah that's you talk about the

1318

00:55:15,940 --> 00:55:13,940

emergence of the New World Order this is

1319

00:55:18,370 --> 00:55:15,950

almost like a favorite one of my dude do

1320

00:55:20,650 --> 00:55:18,380

you is this something like a deep

1321

00:55:22,450 --> 00:55:20,660

historical look at the the idea of the

1322

00:55:24,700 --> 00:55:22,460

New World Order or the more more recent

1323

00:55:26,650 --> 00:55:24,710

yeah I touch a little bit on the history

1324

00:55:27,860 --> 00:55:26,660

but I what I'm really getting into in

1325

00:55:31,690 --> 00:55:27,870

the book chapter is

1326

00:55:35,390 --> 00:55:31,700

specific 90s version of the real order

1327

00:55:38,570 --> 00:55:35,400

the George HW Bush speech then sort of

1328

00:55:39,530 --> 00:55:38,580

the links with some of the anti UN's

1329

00:55:41,360 --> 00:55:39,540

stuff and then some of the

1330

00:55:45,500 --> 00:55:41,370

anti-government stuff for the early 90s

1331

00:55:48,170 --> 00:55:45,510

and how we've always kind of had a New

1332

00:55:51,800 --> 00:55:48,180

World Order boogeyman you know whether

1333

00:55:53,900 --> 00:55:51,810

that's now is in the deep state you know

1334

00:55:56,300 --> 00:55:53,910

before that was New World Order and then

1335

00:55:57,620 --> 00:55:56,310

before that it was like Trilateral

1336

00:56:00,880 --> 00:55:57,630

Commission and the Council on Foreign

1337

00:56:04,160 --> 00:56:00,890

Relations there's always some big

1338

00:56:06,080 --> 00:56:04,170

governmental engine that's conspiring

1339

00:56:06,770 --> 00:56:06,090

against us and we just give it different

1340

00:56:09,230 --> 00:56:06,780

names

1341

00:56:15,080 --> 00:56:09,240

yeah the United Nations and before the

1342

00:56:19,790 --> 00:56:15,090

Communists and the Masons what do you

1343

00:56:21,830 --> 00:56:19,800

talk about agenda 21 in the book I think

1344

00:56:23,870 --> 00:56:21,840

I do yeah you know I wrote most of the

1345

00:56:26,900 --> 00:56:23,880

book at the beginning of the years go

1346

00:56:28,940 --> 00:56:26,910

fuzzy but I mean I've done a lot of

1347

00:56:31,460 --> 00:56:28,950

writing about agenda 21 and kind of what

1348

00:56:35,330 --> 00:56:31,470

what it means and why people have been

1349

00:56:36,980 --> 00:56:35,340

oh yeah there is a chapter you know what

1350

00:56:38,660 --> 00:56:36,990

it means and why people are creative it

1351
00:56:42,370 --> 00:56:38,670
and then what it really means and how it

1352
00:56:46,640 --> 00:56:42,380
got big and conspiracy theory movements

1353
00:56:48,080 --> 00:56:46,650
and how it's you know really not

1354
00:56:51,680 --> 00:56:48,090
anything to be afraid of it's this

1355
00:56:54,680 --> 00:56:51,690
non-binding UN resolution that's not

1356
00:56:56,900 --> 00:56:54,690
there's no legal enforcement mechanism

1357
00:56:59,240 --> 00:56:56,910
for it you're not gonna have like agenda

1358
00:57:01,850 --> 00:56:59,250
21 stormtroopers knocking down your door

1359
00:57:04,040 --> 00:57:01,860
if you left your lights on but going

1360
00:57:06,140 --> 00:57:04,050
back got a hold of it and it turned it

1361
00:57:08,180 --> 00:57:06,150
into a moneymaker and so that is I think

1362
00:57:11,930 --> 00:57:08,190
it's really instructive to look at how

1363
00:57:14,830 --> 00:57:11,940

these very banal concepts get monetized

1364

00:57:17,060 --> 00:57:14,840

by the private big conspiracy people oh

1365

00:57:18,590 --> 00:57:17,070

yeah I mean that's like with a certain

1366

00:57:21,110 --> 00:57:18,600

thing you certainly should try to get a

1367

00:57:23,990 --> 00:57:21,120

regular science experiment yeah agenda

1368

00:57:28,280 --> 00:57:24,000

21 is just a bunch of people in the

1369

00:57:30,320 --> 00:57:28,290

United Nations trying to figure out what

1370

00:57:31,550 --> 00:57:30,330

it would take to have sustainable

1371

00:57:35,420 --> 00:57:31,560

development in about twenty first

1372

00:57:37,090 --> 00:57:35,430

century and maybe drive a little bit

1373

00:57:42,640 --> 00:57:37,100

less and

1374

00:57:44,470 --> 00:57:42,650

neat and yeah and some world some

1375

00:57:46,690 --> 00:57:44,480

cleaner fuel sources and then it gets

1376

00:57:48,730 --> 00:57:46,700

turned into the government's gonna take

1377

00:57:51,790 --> 00:57:48,740

away your right to travel and flower

1378

00:57:54,340 --> 00:57:51,800

golf courses into habitats for the

1379

00:57:56,860 --> 00:57:54,350

homeless I mean it's just it's G and

1380

00:57:59,290 --> 00:57:56,870

this stuff you know gummed up

1381

00:58:02,410 --> 00:57:59,300

you know city council meetings for years

1382

00:58:04,180 --> 00:58:02,420

oh yeah we're going out there yep didn't

1383

00:58:08,350 --> 00:58:04,190

want the new walking path because it was

1384

00:58:09,400 --> 00:58:08,360

agenda 21 yeah it's that so which wish

1385

00:58:11,110 --> 00:58:09,410

wish would you say is your favorite

1386

00:58:16,060 --> 00:58:11,120

conspiracy out of the ones in your book

1387

00:58:18,160 --> 00:58:16,070

oh man um I really like I actually

1388

00:58:20,860 --> 00:58:18,170

really like talking about the clinton

1389

00:58:24,880 --> 00:58:20,870

body that's one of my favorites it's so

1390

00:58:29,050 --> 00:58:24,890

it is such a concrete origin and it has

1391

00:58:32,320 --> 00:58:29,060

such a traceable path and it's 30 years

1392

00:58:35,050 --> 00:58:32,330

old now and it's still you know right

1393

00:58:36,460 --> 00:58:35,060

there I mean we Neptune died it was not

1394

00:58:39,990 --> 00:58:36,470

one of the number one hashtags enjoy oh

1395

00:58:42,550 --> 00:58:40,000

yeah like this is this is it's very

1396

00:58:44,560 --> 00:58:42,560

instructive for how this stuff just

1397

00:58:47,290 --> 00:58:44,570

never goes away and why it's gotta be

1398

00:58:49,480 --> 00:58:47,300

taken seriously yeah

1399

00:58:53,770 --> 00:58:49,490

so what would be your least favorite of

1400

00:58:56,680 --> 00:58:53,780

the classified conspiracies oh you know

1401

00:58:58,780 --> 00:58:56,690

I think just the I did I did a chapter

1402

00:59:01,780 --> 00:58:58,790

on sort of where the Trump and Russia

1403

00:59:03,070 --> 00:59:01,790

thing was and and I think that's really

1404

00:59:04,840 --> 00:59:03,080

interesting I think it's interesting to

1405

00:59:07,240 --> 00:59:04,850

look at that as sort of the difference

1406

00:59:10,480 --> 00:59:07,250

between conspiracy and conspiracy theory

1407

00:59:12,580 --> 00:59:10,490

but I think I think everybody got a

1408

00:59:16,380 --> 00:59:12,590

little over he did with it and I think

1409

00:59:18,790 --> 00:59:16,390

we all spent a little bit too much time

1410

00:59:20,320 --> 00:59:18,800

either on the right trying to knock it

1411

00:59:23,080 --> 00:59:20,330

down or on the left trying to pump it

1412

00:59:24,460 --> 00:59:23,090

off and you know it really should have

1413

00:59:27,250 --> 00:59:24,470

been kind of obvious from the very

1414

00:59:29,530 --> 00:59:27,260

beginning that Donald Trump had some

1415

00:59:32,080 --> 00:59:29,540

shady connections with Russia I mean you

1416

00:59:35,770 --> 00:59:32,090

never really hit it and I really don't I

1417

00:59:38,350 --> 00:59:35,780

really dislike the way Trump fans have

1418

00:59:40,440 --> 00:59:38,360

just waved it all away and I also really

1419

00:59:42,250 --> 00:59:40,450

dislike the way people on the Left have

1420

00:59:46,060 --> 00:59:42,260

decided that it was going to be the

1421

00:59:48,580 --> 00:59:46,070

thing that brings him down yeah yeah cuz

1422

00:59:51,190 --> 00:59:48,590

they were never gonna oh they never were

1423

00:59:52,569 --> 00:59:51,200

able to pin anything on him no

1424

00:59:53,470 --> 00:59:52,579

obviously he said was going to do

1425

00:59:55,900 --> 00:59:53,480

something like that they're gonna be

1426

00:59:57,789 --> 00:59:55,910

very careful about it but they're like

1427

01:00:01,059 --> 00:59:57,799

you know the investigation did result in

1428

01:00:03,069 --> 01:00:01,069

a lot of convictions okay they're

1429

01:00:06,309 --> 01:00:03,079

unrelated charges but yeah there's

1430

01:00:08,049 --> 01:00:06,319

clearly a lot of you know wobbling and

1431

01:00:10,180 --> 01:00:08,059

it's been going up we clearly along

1432

01:00:13,240 --> 01:00:10,190

machines and I think we're still

1433

01:00:15,940 --> 01:00:13,250

unpacking it and it ended before we

1434

01:00:17,400 --> 01:00:15,950

really feel yeah yeah well time will

1435

01:00:20,710 --> 01:00:17,410

tell hopefully

1436

01:00:22,569 --> 01:00:20,720

all right Mike so I guess people can

1437

01:00:26,170 --> 01:00:22,579

follow you on twitter

1438

01:00:28,870 --> 01:00:26,180

Mike Rothschild MD uh just Rothschild oh

1439

01:00:30,579 --> 01:00:28,880

it's my last name and my a two initials

1440

01:00:32,710 --> 01:00:30,589

are not a doctor yes

1441

01:00:34,420 --> 01:00:32,720

Rothschild MD and this links to your

1442

01:00:37,349 --> 01:00:34,430

book there which is the world's words

1443

01:00:41,260 --> 01:00:37,359

conspiracies by Mike Ross child get on

1444

01:00:46,120 --> 01:00:41,270

it gonna be on Kindle eBook you know I

1445

01:00:48,579 --> 01:00:46,130

need to I need to get some of that stuff

1446

01:00:50,620 --> 01:00:48,589

straight not I think I'd be its

1447

01:00:52,210 --> 01:00:50,630

pre-order of the hardcover right now so

1448

01:00:55,030 --> 01:00:52,220

yeah I'd imagine you'd have an e-book as

1449

01:00:56,890 --> 01:00:55,040

well I wouldn't yeah all right

1450

01:00:58,990 --> 01:00:56,900

well it's been very very interesting

1451

01:01:01,390 --> 01:00:59,000

anything any last thoughts before we go

1452

01:01:03,640 --> 01:01:01,400

oh I just uh

1453

01:01:06,430 --> 01:01:03,650

as always you know when you see this

1454

01:01:08,950 --> 01:01:06,440

stuff in the media think about it before

1455

01:01:10,450 --> 01:01:08,960

you share it don't don't retweet it

1456

01:01:12,549 --> 01:01:10,460

without reading it don't share they

1457

01:01:14,109 --> 01:01:12,559

spoke without reading it if you don't

1458

01:01:18,700 --> 01:01:14,119

think it makes sense it probably doesn't

1459

01:01:21,430 --> 01:01:18,710

make sense and yeah just just always be

1460

01:01:24,200 --> 01:01:21,440

thinking critical in days yes
