Stian Arnesen

DEBUNKING,  
CENSORSHIP,  
9/11, & UFOS

1  
00:00:06,950 --> 00:00:05,120  
welcome to tales from the rabbit hole my

2  
00:00:09,080 --> 00:00:06,960  
guest today is a repeat guest

3  
00:00:11,690 --> 00:00:09,090  
Stian Arneson who I believe was on

4  
00:00:13,820 --> 00:00:11,700  
episodes two and three or three and four

5  
00:00:15,200 --> 00:00:13,830  
we have very long conversation right

6  
00:00:17,689 --> 00:00:15,210  
back in the early days of the podcast

7  
00:00:19,460 --> 00:00:17,699  
where we talked mostly about 9/11 and

8  
00:00:22,519 --> 00:00:19,470  
some other things like crop circles and

9  
00:00:25,460 --> 00:00:22,529  
whatnot and I said stay in a copy of my

10  
00:00:27,050 --> 00:00:25,470  
book and he's been perusing it and he

11  
00:00:28,550 --> 00:00:27,060  
has a few notes and a few questions for

12  
00:00:30,320 --> 00:00:28,560  
me so we're gonna talk about that and

13  
00:00:32,620 --> 00:00:30,330

maybe a little bit more about some of

14

00:00:34,639 --> 00:00:32,630

the other topics like 9/11 and whatnot

15

00:00:36,530 --> 00:00:34,649

dusty and welcome to tales from the

16

00:00:38,330 --> 00:00:36,540

rabbit hole thank you thank you good

17

00:00:40,549 --> 00:00:38,340

it'd be good to be back yeah it's good

18

00:00:42,130 --> 00:00:40,559

to see you again oh yeah I don't know

19

00:00:44,840 --> 00:00:42,140

where to start from

20

00:00:47,830 --> 00:00:44,850

but I got one question I really want to

21

00:00:52,939 --> 00:00:47,840

shoot off if that's okay go for it um

22

00:00:56,119 --> 00:00:52,949

you I gotta ask how would you define the

23

00:00:58,069 --> 00:00:56,129

term debunked what do you put into that

24

00:01:00,680 --> 00:00:58,079

what does that mean that something has

25

00:01:04,369 --> 00:01:00,690

been debunked well it means that one

26  
00:01:07,609 --> 00:01:04,379  
explanation for an event has been shown

27  
00:01:10,820 --> 00:01:07,619  
to be wrong so someone says I was

28  
00:01:12,800 --> 00:01:10,830  
abducted with aliens last night and you

29  
00:01:14,359 --> 00:01:12,810  
show the camera footage that share that

30  
00:01:15,820 --> 00:01:14,369  
they were just having a nightmare they

31  
00:01:18,890 --> 00:01:15,830  
were laying in the bed thrashing around

32  
00:01:21,980 --> 00:01:18,900  
that would be evidence that their claim

33  
00:01:23,240 --> 00:01:21,990  
was wrong or their claim about what

34  
00:01:25,219 --> 00:01:23,250  
happened that night was wrong instead of

35  
00:01:26,719 --> 00:01:25,229  
them being abducted they you know they

36  
00:01:28,429 --> 00:01:26,729  
are having a nightmare and you can prove

37  
00:01:30,469 --> 00:01:28,439  
this to them by showing them the video

38  
00:01:32,840 --> 00:01:30,479

yes it's like debunking an explanation

39

00:01:34,490 --> 00:01:32,850

as or something a lot of people I think

40

00:01:36,020 --> 00:01:34,500

they get like when I say something's

41

00:01:38,749 --> 00:01:36,030

been debunked they think I mean the

42

00:01:40,730 --> 00:01:38,759

entire topic so now it's like say

43

00:01:42,649 --> 00:01:40,740

chemtrails like that I wouldn't say I've

44

00:01:44,899 --> 00:01:42,659

debunked chemtrails because that's kind

45

00:01:47,060 --> 00:01:44,909

of an impossible thing to do but you can

46

00:01:50,539 --> 00:01:47,070

debunk individual claims like if someone

47

00:01:52,609 --> 00:01:50,549

says contrails never persisted you can

48

00:01:54,560 --> 00:01:52,619

show them evidence that contrails did

49

00:01:56,600 --> 00:01:54,570

persist and then you could say that

50

00:01:59,209 --> 00:01:56,610

claim has been debunked that one small

51  
00:02:02,139 --> 00:01:59,219  
thing has been debunked so it's showing

52  
00:02:04,969 --> 00:02:02,149  
like individual things to be wrong

53  
00:02:08,109 --> 00:02:04,979  
essentially right right is it but is it

54  
00:02:12,290 --> 00:02:08,119  
possible that the term the bunk can be

55  
00:02:13,809 --> 00:02:12,300  
overly used in a way in regards to maybe

56  
00:02:16,449 --> 00:02:13,819  
that what is actually happening is

57  
00:02:19,390 --> 00:02:16,459  
you in some cases are presenting

58  
00:02:21,940 --> 00:02:19,400  
alternative theories to explain a

59  
00:02:24,819 --> 00:02:21,950  
phenomenon but that it is in fact maybe

60  
00:02:27,339 --> 00:02:24,829  
not debunked in some cases but that it

61  
00:02:29,559 --> 00:02:27,349  
is because I've seen through the book

62  
00:02:32,190 --> 00:02:29,569  
that you when you use the term in in

63  
00:02:34,420 --> 00:02:32,200

many occasions I find it completely

64

00:02:36,729 --> 00:02:34,430

objectively correct to use the term

65

00:02:40,000 --> 00:02:36,739

debunked like just example you gave that

66

00:02:43,270 --> 00:02:40,010

you can you can give such a radical

67

00:02:45,520 --> 00:02:43,280

different explanation but very heavy

68

00:02:47,409 --> 00:02:45,530

weighing evidence which is like for

69

00:02:49,869 --> 00:02:47,419

example filming this individual having

70

00:02:53,050 --> 00:02:49,879

an alien abduction but when you're

71

00:02:54,159 --> 00:02:53,060

talking about for example a collapse of

72

00:02:57,009 --> 00:02:54,169

the clean towers

73

00:02:58,750 --> 00:02:57,019

then you're presenting a what I would

74

00:03:02,649 --> 00:02:58,760

consider to be an alternative

75

00:03:06,429 --> 00:03:02,659

explanation and maybe not debunked I

76

00:03:11,619 --> 00:03:06,439

would consider that a an ultimate kind

77

00:03:14,050 --> 00:03:11,629

of term to use almost like a paryanthaam

78

00:03:17,259 --> 00:03:14,060

in regards to the subject in and of

79

00:03:19,659 --> 00:03:17,269

itself because none of us have are there

80

00:03:22,360 --> 00:03:19,669

physically none of us have been there

81

00:03:26,080 --> 00:03:22,370

none of us are able to go in today and

82

00:03:28,929 --> 00:03:26,090

see what was really going on so all were

83

00:03:32,819 --> 00:03:28,939

left with his pieces and a puzzle and I

84

00:03:37,119 --> 00:03:32,829

think your theories are parts of a

85

00:03:38,949 --> 00:03:37,129

pieces of that puzzle that can maybe fit

86

00:03:41,890 --> 00:03:38,959

into explaining what we're actually

87

00:03:43,629 --> 00:03:41,900

seeing well I don't think it's been

88

00:03:45,249 --> 00:03:43,639

debunked if you know what yeah it's no I

89

00:03:47,020 --> 00:03:45,259

I think I think I know what you mean

90

00:03:50,020 --> 00:03:47,030

like I know obviously that the title of

91

00:03:51,939 --> 00:03:50,030

my book escaping the rabbit hole is how

92

00:03:54,249 --> 00:03:51,949

to debunk conspiracy theories using

93

00:03:57,399 --> 00:03:54,259

facts logic and respect now I can see

94

00:03:59,530 --> 00:03:57,409

out on that that's that subtitle seems

95

00:04:02,080 --> 00:03:59,540

like it's an overarching thing like I've

96

00:04:03,580 --> 00:04:02,090

debunked 9/11 or I've debunked this or

97

00:04:06,309 --> 00:04:03,590

that right debunked the controlled

98

00:04:08,499 --> 00:04:06,319

demolition theory of 9/11 when you know

99

00:04:11,020 --> 00:04:08,509

really I haven't I'm gonna pretend about

100

00:04:13,270 --> 00:04:11,030

it well and what I've done really is

101  
00:04:15,399 --> 00:04:13,280  
just examine the various claims of

102  
00:04:18,249 --> 00:04:15,409  
evidence behind the conspiracy theory

103  
00:04:20,770 --> 00:04:18,259  
and where possible I've shown that these

104  
00:04:22,839 --> 00:04:20,780  
these claims of evidence don't hold up

105  
00:04:25,510 --> 00:04:22,849  
or I provided an alternative explanation

106  
00:04:27,280 --> 00:04:25,520  
free I'd take for example the claim

107  
00:04:29,410 --> 00:04:27,290  
that's these little

108  
00:04:31,810 --> 00:04:29,420  
red and gray flakes that people are

109  
00:04:34,600 --> 00:04:31,820  
found in the dust of World Trade Center

110  
00:04:36,970 --> 00:04:34,610  
the book Trade Center site people claim

111  
00:04:39,100 --> 00:04:36,980  
that these these these things are

112  
00:04:41,230 --> 00:04:39,110  
exploding absolutely so kind of yet some

113  
00:04:42,280 --> 00:04:41,240

kind of evidence of permitting material

114

00:04:44,020 --> 00:04:42,290

they they say it's not actually

115

00:04:45,610 --> 00:04:44,030

explosives it's just something that when

116

00:04:47,530 --> 00:04:45,620

you heat it up it catches fire and it

117

00:04:49,380 --> 00:04:47,540

burns and they describe it as being

118

00:04:52,630 --> 00:04:49,390

Fermi tick and they say this is evidence

119

00:04:55,060 --> 00:04:52,640

because there's so much of it that it is

120

00:04:56,920 --> 00:04:55,070

you know there are explosives and have I

121

00:04:58,530 --> 00:04:56,930

don't that and you not really know I

122

00:05:02,080 --> 00:04:58,540

mean I've put forward an alternative

123

00:05:04,420 --> 00:05:02,090

hypothesis that it's paint you know and

124

00:05:07,590 --> 00:05:04,430

I offer as evidence the fact that when I

125

00:05:11,080 --> 00:05:07,600

hit my wheelbarrow with a hammer

126

00:05:12,520 --> 00:05:11,090

identical-looking flakes like fell off

127

00:05:15,370 --> 00:05:12,530

my wheelbarrow have a red painted

128

00:05:17,260 --> 00:05:15,380

wheelbarrow is the exact same color as

129

00:05:21,010 --> 00:05:17,270

the steel in the World Trade Center

130

00:05:23,680 --> 00:05:21,020

I haven't debunked that theory there's

131

00:05:25,840 --> 00:05:23,690

an alternative explanation and I pointed

132

00:05:28,270 --> 00:05:25,850

out kind of the where the evidence is

133

00:05:29,530 --> 00:05:28,280

lacking for one theory but yeah I

134

00:05:31,090 --> 00:05:29,540

wouldn't say I approved a hundred

135

00:05:33,070 --> 00:05:31,100

percent that every single red and gray

136

00:05:35,890 --> 00:05:33,080

flake in the dust is actually paint

137

00:05:37,750 --> 00:05:35,900

obviously some of them are going to be

138

00:05:39,160 --> 00:05:37,760

paint because they have the same paint

139

00:05:40,680 --> 00:05:39,170

on the steel as they have on my

140

00:05:43,990 --> 00:05:40,690

wheelbarrow and when you knock it off

141

00:05:47,440 --> 00:05:44,000

you will get these these paint things so

142

00:05:49,870 --> 00:05:47,450

yeah I see I do see your problems with

143

00:05:51,430 --> 00:05:49,880

using the term debunked and you know to

144

00:05:54,280 --> 00:05:51,440

be honest I'm kind of shying away from

145

00:05:57,100 --> 00:05:54,290

it a bit nowadays simply because I can't

146

00:05:59,590 --> 00:05:57,110

people do react against it so I I do

147

00:06:02,860 --> 00:05:59,600

things like I will title things with a

148

00:06:03,520 --> 00:06:02,870

question like here's this really this

149

00:06:07,630 --> 00:06:03,530

yeah

150

00:06:11,200 --> 00:06:07,640

like for example and then examine the

151  
00:06:13,150 --> 00:06:11,210  
evidence so yeah it's a problem you talk

152  
00:06:15,220 --> 00:06:13,160  
a lot about a group psychology in the

153  
00:06:17,830 --> 00:06:15,230  
book and it's been it's brought up many

154  
00:06:21,960 --> 00:06:17,840  
times and I enjoy that quite a bit but I

155  
00:06:25,860 --> 00:06:21,970  
also see that in in in the group mind of

156  
00:06:29,200 --> 00:06:25,870  
skeptics or so-called debunk news they

157  
00:06:31,270 --> 00:06:29,210  
they cling on to what you say and they

158  
00:06:34,120 --> 00:06:31,280  
bring it forth in discussions and

159  
00:06:36,220 --> 00:06:34,130  
debates and they use the term well this

160  
00:06:38,710 --> 00:06:36,230  
has been debunked just check here make

161  
00:06:40,840 --> 00:06:38,720  
West blah blah blah this and this so you

162  
00:06:41,080 --> 00:06:40,850  
get this groupthink within your own and

163  
00:06:44,680 --> 00:06:41,090

by

164

00:06:48,070 --> 00:06:44,690

I feel people they do look up to your

165

00:06:51,510 --> 00:06:48,080

analysis and ways of explanations and

166

00:06:56,280 --> 00:06:51,520

and they take the same kind of

167

00:06:58,629 --> 00:06:56,290

uncritical path I feel to do kind of

168

00:07:00,219 --> 00:06:58,639

where they take their explanations and

169

00:07:02,200 --> 00:07:00,229

feel like ok it's just been explained

170

00:07:04,629 --> 00:07:02,210

away now I can go back to my everyday

171

00:07:06,219 --> 00:07:04,639

routine and you know everything's fine

172

00:07:09,189 --> 00:07:06,229

it's not it's not you know it's not what

173

00:07:12,040 --> 00:07:09,199

I used to think it was and I find that

174

00:07:14,260 --> 00:07:12,050

to be part of the same phenomenon that

175

00:07:16,719 --> 00:07:14,270

you see within these conspiratorial

176

00:07:19,270 --> 00:07:16,729

groups as well that they they find

177

00:07:22,390 --> 00:07:19,280

allies of how they want to view the

178

00:07:24,129 --> 00:07:22,400

world and when they do that they become

179

00:07:24,670 --> 00:07:24,139

uncritical you become part of a group

180

00:07:27,730 --> 00:07:24,680

think

181

00:07:29,469 --> 00:07:27,740

do you see that in a way I do actually

182

00:07:32,260 --> 00:07:29,479

yeah and actually funny you should

183

00:07:35,080 --> 00:07:32,270

mention this topic because it came up

184

00:07:38,440 --> 00:07:35,090

recently someone D and me on Twitter and

185

00:07:42,070 --> 00:07:38,450

they pointed to the French Wikipedia

186

00:07:44,379 --> 00:07:42,080

page for these the the UFO the nimitz

187

00:07:47,379 --> 00:07:44,389

UFO thing where in these these videos of

188

00:07:49,300 --> 00:07:47,389

UFOs have been released like like like a

189

00:07:51,610 --> 00:07:49,310

year or so ago and people say it's like

190

00:07:54,700 --> 00:07:51,620

real evidence of UFOs so one on the

191

00:07:57,790 --> 00:07:54,710

french wikipedia page posted a link to

192

00:07:59,529 --> 00:07:57,800

my site on in the article and said meta

193

00:08:01,540 --> 00:07:59,539

bank has done an analysis of these

194

00:08:04,150 --> 00:08:01,550

videos and shown them to be a hoax

195

00:08:05,080 --> 00:08:04,160

which isn't what i did i didn't show

196

00:08:07,510 --> 00:08:05,090

them to be a hoax

197

00:08:09,310 --> 00:08:07,520

I presented alternative explanations for

198

00:08:11,140 --> 00:08:09,320

what they'd be like you know it's

199

00:08:13,180 --> 00:08:11,150

probably not a UFO is probably a distal

200

00:08:15,510 --> 00:08:13,190

plane or this other video it's a balloon

201  
00:08:17,950 --> 00:08:15,520  
I didn't say any of them were a hoax

202  
00:08:19,420 --> 00:08:17,960  
mm-hmm and then then there's some kind

203  
00:08:21,310 --> 00:08:19,430  
of edit war going on apparently on the

204  
00:08:23,800 --> 00:08:21,320  
French Wikipedia page and of course it's

205  
00:08:25,839 --> 00:08:23,810  
in French yeah yeah and it's about about

206  
00:08:28,450 --> 00:08:25,849  
me anyway so I can't really edit it but

207  
00:08:30,550 --> 00:08:28,460  
people have taken what I've said and

208  
00:08:33,550 --> 00:08:30,560  
they've kind of misconstrued it as being

209  
00:08:35,350 --> 00:08:33,560  
you know 100% evidence for their point

210  
00:08:37,659 --> 00:08:35,360  
of view so these people obviously UFO

211  
00:08:39,760 --> 00:08:37,669  
skeptics and they go that's a hoax like

212  
00:08:41,860 --> 00:08:39,770  
Nick West or Medibank is proved it with

213  
00:08:44,170 --> 00:08:41,870

his videos which which I'll show you in

214

00:08:47,320 --> 00:08:44,180

my video is how titles like is the

215

00:08:49,690 --> 00:08:47,330

nimitz UFO a plane not like exactly fo

216

00:08:52,930 --> 00:08:49,700

nimitz is video is a hoax

217

00:08:54,220 --> 00:08:52,940

so yeah grass bones or the other

218

00:08:58,000 --> 00:08:54,230

explanation

219

00:08:59,740 --> 00:08:58,010

yeah it's it's so similar to what

220

00:09:01,930 --> 00:08:59,750

someone would say that went on YouTube

221

00:09:04,000 --> 00:09:01,940

and just saw a video that oh I saw this

222

00:09:05,830 --> 00:09:04,010

video explaining and proving that 9/11

223

00:09:09,010 --> 00:09:05,840

was an inside job I mean it's you've got

224

00:09:13,030 --> 00:09:09,020

hundreds of scientists saying it is it's

225

00:09:15,190 --> 00:09:13,040

its side of human mentality that it

226  
00:09:18,120 --> 00:09:15,200  
creates teams and when you talk about

227  
00:09:20,260 --> 00:09:18,130  
polarization I see that your followers

228  
00:09:22,630 --> 00:09:20,270  
quote/unquote take part in that same

229  
00:09:25,440 --> 00:09:22,640  
game where they pick a team and they

230  
00:09:28,990 --> 00:09:25,450  
take part in that skepticism team and

231  
00:09:32,500 --> 00:09:29,000  
when when that happens they you get this

232  
00:09:34,930 --> 00:09:32,510  
opposition and you get this very what

233  
00:09:36,700 --> 00:09:34,940  
would you say intense and not practical

234  
00:09:39,130 --> 00:09:36,710  
debate on the Internet because you get

235  
00:09:41,500 --> 00:09:39,140  
these two sides that have kind of their

236  
00:09:43,030 --> 00:09:41,510  
idols like you become in a way to these

237  
00:09:45,150 --> 00:09:43,040  
people because I see more and more

238  
00:09:48,430 --> 00:09:45,160

quoting you just like you mentioned and

239

00:09:52,210 --> 00:09:48,440

I'm wondering if your readers of your

240

00:09:54,610 --> 00:09:52,220

debunks are not critical towards you as

241

00:09:58,210 --> 00:09:54,620

well or your theories then then it

242

00:10:00,820 --> 00:09:58,220

becomes a team issue I feel for example

243

00:10:04,060 --> 00:10:00,830

you you say that you you write in your

244

00:10:06,700 --> 00:10:04,070

book that I bother ID bunk to stave off

245

00:10:08,220 --> 00:10:06,710

and spare others from this harm of

246

00:10:10,920 --> 00:10:08,230

getting into the rabbit hole

247

00:10:14,500 --> 00:10:10,930

uncritically of conspiracy theories

248

00:10:16,390 --> 00:10:14,510

quote while it is perhaps just a drop in

249

00:10:19,870 --> 00:10:16,400

the ocean to make the world a better

250

00:10:21,400 --> 00:10:19,880

place but I think that in that process

251

00:10:23,530 --> 00:10:21,410

of trying to make the world a better

252

00:10:27,130 --> 00:10:23,540

place the solutions that we come up with

253

00:10:29,680 --> 00:10:27,140

have unimaginable consequences as to how

254

00:10:32,080 --> 00:10:29,690

people perceive your ways of

255

00:10:36,070 --> 00:10:32,090

interpreting and projecting new theories

256

00:10:38,170 --> 00:10:36,080

they it becomes the palette Aryan in a

257

00:10:40,570 --> 00:10:38,180

way comes a hundred percent they feel it

258

00:10:41,230 --> 00:10:40,580

seems well yeah that's obviously not my

259

00:10:43,870 --> 00:10:41,240

intent

260

00:10:45,760 --> 00:10:43,880

but I think it's inevitable that you're

261

00:10:47,860 --> 00:10:45,770

gonna get a range of interpretations of

262

00:10:51,240 --> 00:10:47,870

things and you know most people don't

263

00:10:54,610 --> 00:10:51,250

spend very much time on these topics

264

00:10:57,010 --> 00:10:54,620

like you and I were very interested in

265

00:11:01,000 --> 00:10:57,020

these topics near strange esoteric

266

00:11:03,640 --> 00:11:01,010

topics like 9/11 and like like UFOs even

267

00:11:06,300 --> 00:11:03,650

and so we personally have spent many

268

00:11:07,929 --> 00:11:06,310

many hours and days you know years

269

00:11:11,199 --> 00:11:07,939

reading about them

270

00:11:13,449 --> 00:11:11,209

very familiar with them most people are

271

00:11:16,119 --> 00:11:13,459

not and they just have a passing

272

00:11:17,919 --> 00:11:16,129

acquaintance with with the topic and

273

00:11:20,379 --> 00:11:17,929

they already have a preformed opinion

274

00:11:22,389 --> 00:11:20,389

one way or the other about what what the

275

00:11:23,769 --> 00:11:22,399

reality is they think yeah the UFO it's

276

00:11:25,449 --> 00:11:23,779

a silly nonsense or do you think oh

277

00:11:27,339 --> 00:11:25,459

there's probably aliens out there or

278

00:11:28,689 --> 00:11:27,349

they think oh yeah yeah aliens are

279

00:11:31,359 --> 00:11:28,699

definitely visiting us because I've seen

280

00:11:32,889 --> 00:11:31,369

it on on the History Channel and yeah

281

00:11:34,299 --> 00:11:32,899

they have these you know simplistic

282

00:11:35,859 --> 00:11:34,309

interpretations but they're not really

283

00:11:39,009 --> 00:11:35,869

familiar with the real depth of the

284

00:11:40,359 --> 00:11:39,019

evidence and so they won't tend to when

285

00:11:43,059 --> 00:11:40,369

they get in into an argument with

286

00:11:46,799 --> 00:11:43,069

somebody they will they will gravitate

287

00:11:49,509 --> 00:11:46,809

to someone else who gives an explanation

288

00:11:51,669 --> 00:11:49,519

so they will say like you know look at

289

00:11:53,619 --> 00:11:51,679

architects and engineers for 9/11 truth

290

00:11:54,609 --> 00:11:53,629

they've they've explained it all you

291

00:11:56,499 --> 00:11:54,619

know I haven't read any of their

292

00:11:58,059 --> 00:11:56,509

explanations but I know that there's

293

00:11:59,829 --> 00:11:58,069

lots of them and they've explained or

294

00:12:01,899 --> 00:11:59,839

you know look at Mickey West he's got

295

00:12:05,349 --> 00:12:01,909

like you know 15 videos explaining why

296

00:12:07,359 --> 00:12:05,359

those UFOs or just plain some things so

297

00:12:09,809 --> 00:12:07,369

you know that's just who I'm gonna go

298

00:12:13,359 --> 00:12:09,819

with I think the people who actually

299

00:12:16,059 --> 00:12:13,369

look into it in into more depth realize

300

00:12:18,159 --> 00:12:16,069

that you don't get absolute answers on

301  
00:12:20,559 --> 00:12:18,169  
one side or the other mm-hmm but there's

302  
00:12:22,749 --> 00:12:20,569  
certainly a danger for people who are

303  
00:12:24,309 --> 00:12:22,759  
just kind of have a passing acquaintance

304  
00:12:26,219 --> 00:12:24,319  
with the theory and who just want to

305  
00:12:28,479 --> 00:12:26,229  
like slap somebody down on on Twitter

306  
00:12:30,849 --> 00:12:28,489  
they're gonna just grab something and

307  
00:12:33,699 --> 00:12:30,859  
then sailing a look at this video but

308  
00:12:35,619 --> 00:12:33,709  
yeah I don't really see the totalitarian

309  
00:12:37,779 --> 00:12:35,629  
aspects of it that you're saying because

310  
00:12:39,969 --> 00:12:37,789  
it's it's not like my I have this horde

311  
00:12:42,489 --> 00:12:39,979  
of followers who are all you know ditto

312  
00:12:45,399 --> 00:12:42,499  
heads like they say for followers of run

313  
00:12:46,779 --> 00:12:45,409

by a detailee so if they say the same I

314

00:12:47,919 --> 00:12:46,789

agree with whatever this person says

315

00:12:49,479 --> 00:12:47,929

that you know I don't get that i

316

00:12:52,029 --> 00:12:49,489

actually get because i cover lots of

317

00:12:54,339 --> 00:12:52,039

different topics i get some people who

318

00:12:55,960 --> 00:12:54,349

believe me strongly on one topic and

319

00:12:58,779 --> 00:12:55,970

then think I'm a complete idiot

320

00:13:01,779 --> 00:12:58,789

on another topic yeah give this the UFO

321

00:13:04,299 --> 00:13:01,789

people are generally on board with my

322

00:13:05,739 --> 00:13:04,309

chemtrail and 9/11 debunking but they

323

00:13:08,079 --> 00:13:05,749

think I'm a complete idiot for not

324

00:13:10,299 --> 00:13:08,089

believing in UFOs and conversely a lot

325

00:13:12,999 --> 00:13:10,309

of the 9/11 people are not UFO people

326  
00:13:14,949 --> 00:13:13,009  
and they think that UFOs are just like

327  
00:13:17,949 --> 00:13:14,959  
silly nonsense that distracts from the

328  
00:13:19,869 --> 00:13:17,959  
serious issue of 9/11 so I don't have

329  
00:13:21,440 --> 00:13:19,879  
this monolithic following who believes

330  
00:13:22,880 --> 00:13:21,450  
everything that I say no

331  
00:13:25,460 --> 00:13:22,890  
I don't think you have either it's just

332  
00:13:27,680 --> 00:13:25,470  
I don't know an attitude from those

333  
00:13:30,130 --> 00:13:27,690  
different groupings that do support some

334  
00:13:32,720 --> 00:13:30,140  
of your theories that become

335  
00:13:35,330 --> 00:13:32,730  
totalitarian when they tried to convey

336  
00:13:37,880 --> 00:13:35,340  
their message as in totalitarian in a

337  
00:13:41,210 --> 00:13:37,890  
way of as if you had the ultimate

338  
00:13:45,980 --> 00:13:41,220

explanation of this just one theory or

339

00:13:49,670 --> 00:13:45,990

this theory or you talked about how the

340

00:13:51,740 --> 00:13:49,680

term conspiracy theorist is according to

341

00:13:54,140 --> 00:13:51,750

a scientist that I completely forgot the

342

00:13:57,350 --> 00:13:54,150

name of now in your book that he thinks

343

00:14:00,470 --> 00:13:57,360

that the perm conspiracy theorist is is

344

00:14:04,330 --> 00:14:00,480

neutral in its rhetoric term it's it's

345

00:14:06,560 --> 00:14:04,340

not belittling anyone it's not it's not

346

00:14:10,820 --> 00:14:06,570

thinking of someone as stupid or

347

00:14:16,700 --> 00:14:10,830

anything in that way but it has by I

348

00:14:21,260 --> 00:14:16,710

think culture and by people and media

349

00:14:23,390 --> 00:14:21,270

and and and this sceptics and even by

350

00:14:25,160 --> 00:14:23,400

some governments that the term

351

00:14:31,550 --> 00:14:25,170

conspiracy theorist have has been

352

00:14:34,460 --> 00:14:31,560

twisted into this taboo case stamp on

353

00:14:36,830 --> 00:14:34,470

people who are associated with that term

354

00:14:38,870 --> 00:14:36,840

conspiracy theorists and and I have a

355

00:14:40,550 --> 00:14:38,880

compassion for those people in a way

356

00:14:44,780 --> 00:14:40,560

where they are trying to communicate

357

00:14:46,340 --> 00:14:44,790

real conspiracies like for example we

358

00:14:48,920 --> 00:14:46,350

talked about this last time as well but

359

00:14:52,220 --> 00:14:48,930

now with Julian Assange a situation in

360

00:14:55,180 --> 00:14:52,230

the UK and the rape case being dropped

361

00:14:57,830 --> 00:14:55,190

and how this case has developed what

362

00:14:59,270 --> 00:14:57,840

information has come out that emails

363

00:15:02,120 --> 00:14:59,280

were deleted from the Justice Department

364

00:15:04,280 --> 00:15:02,130

in in the UK as to how what

365

00:15:06,860 --> 00:15:04,290

communication and they had with the UK

366

00:15:09,020 --> 00:15:06,870

government and how they were pushing

367

00:15:10,580 --> 00:15:09,030

Swedish authorities to pursue this rape

368

00:15:12,590 --> 00:15:10,590

case and so on and so on real

369

00:15:15,920 --> 00:15:12,600

conspiracies but if you bring these

370

00:15:18,440 --> 00:15:15,930

issues up in certain media channels and

371

00:15:21,050 --> 00:15:18,450

so in political arenas you are stamping

372

00:15:23,990 --> 00:15:21,060

conspiracy theorists and I think that

373

00:15:26,240 --> 00:15:24,000

there is a real danger in that stamp

374

00:15:30,830 --> 00:15:26,250

because it did not bringing up real

375

00:15:33,320 --> 00:15:30,840

debate actually rose yeah it's a label

376

00:15:34,040 --> 00:15:33,330

and I know and I did discuss this in the

377

00:15:35,929 --> 00:15:34,050

book

378

00:15:38,329 --> 00:15:35,939

I mean that what it boils down to is is

379

00:15:40,489 --> 00:15:38,339

what term are you going to use instead

380

00:15:43,970 --> 00:15:40,499

or are you going to use no term and and

381

00:15:46,729 --> 00:15:43,980

not try to classify people who believe

382

00:15:49,309 --> 00:15:46,739

in 9/11 and chemtrails or secret

383

00:15:51,319 --> 00:15:49,319

government plots and things like that do

384

00:15:54,350 --> 00:15:51,329

we just simply not have a term that

385

00:15:56,210 --> 00:15:54,360

encompasses them you know 9/11 truth

386

00:15:57,499 --> 00:15:56,220

people call themselves

387

00:16:03,439 --> 00:15:57,509

I don't know that call themselves truth

388

00:16:06,579 --> 00:16:03,449

activists ruthless truthers but some

389

00:16:10,519 --> 00:16:06,589

people think that truthers is is

390

00:16:12,769 --> 00:16:10,529

acquired a derogatory term as well yeah

391

00:16:15,530 --> 00:16:12,779

I've heard that from people who are in

392

00:16:17,179 --> 00:16:15,540

9/11 truthers and then they say well

393

00:16:19,249 --> 00:16:17,189

don't call me a truther because that's

394

00:16:21,079 --> 00:16:19,259

just like what they call the crazy

395

00:16:22,989 --> 00:16:21,089

people like they say that the people who

396

00:16:26,479 --> 00:16:22,999

believe the towers were evaporated are

397

00:16:27,919 --> 00:16:26,489

truthers and so my association it gets

398

00:16:29,809 --> 00:16:27,929

this stigma and that's kind of what

399

00:16:31,669 --> 00:16:29,819

happened with conspiracy theorists is

400

00:16:34,609 --> 00:16:31,679

that because it encompasses the entire

401  
00:16:37,090 --> 00:16:34,619  
spectrum of conspiracy theories like

402  
00:16:40,699 --> 00:16:37,100  
everything up to you know the Flat Earth

403  
00:16:42,410 --> 00:16:40,709  
it taints everything below that and I

404  
00:16:44,569 --> 00:16:42,420  
know this for everybody who is a

405  
00:16:46,429 --> 00:16:44,579  
conspiracy theorist without you know any

406  
00:16:47,419 --> 00:16:46,439  
stigma attached to that term someone who

407  
00:16:48,829 --> 00:16:47,429  
believes in some kind of conspiracy

408  
00:16:49,879 --> 00:16:48,839  
because there are real conspiracies

409  
00:16:51,949 --> 00:16:49,889  
obviously there's lots of real

410  
00:16:53,389 --> 00:16:51,959  
conspiracies lots of corruption in the

411  
00:16:56,119 --> 00:16:53,399  
government there's lots of you know

412  
00:16:57,499 --> 00:16:56,129  
people self-dealing I see it all the

413  
00:17:00,169 --> 00:16:57,509

time there's very for struck for stating

414

00:17:03,019 --> 00:17:00,179

frustrating for them yeah that they they

415

00:17:04,879 --> 00:17:03,029

they get labeled as something which they

416

00:17:08,029 --> 00:17:04,889

don't feel that they are they feel that

417

00:17:10,159 --> 00:17:08,039

they are very genuine concerned yeah you

418

00:17:11,689 --> 00:17:10,169

know again it's a term that's reasonably

419

00:17:13,309 --> 00:17:11,699

well understood as to what we're talking

420

00:17:15,379 --> 00:17:13,319

about there's people who are saying

421

00:17:17,510 --> 00:17:15,389

there's a big conspiracy at the upper

422

00:17:20,329 --> 00:17:17,520

levels of government that explains these

423

00:17:22,730 --> 00:17:20,339

events yeah and how else are we going to

424

00:17:25,750 --> 00:17:22,740

refer to these types of theories in

425

00:17:28,850 --> 00:17:25,760

general other than busy theories like

426

00:17:30,860 --> 00:17:28,860

government theories or power theories or

427

00:17:32,990 --> 00:17:30,870

you know you just come up with some new

428

00:17:35,720 --> 00:17:33,000

term and like I say in the book you come

429

00:17:38,090 --> 00:17:35,730

up with a new term to explain it and

430

00:17:40,279 --> 00:17:38,100

then that's a like truther acquires some

431

00:17:42,529 --> 00:17:40,289

kind of stigma because you know it's

432

00:17:42,980 --> 00:17:42,539

only go somewhere that's a bit a bit

433

00:17:45,580 --> 00:17:42,990

extreme

434

00:17:47,930 --> 00:17:45,590

it's like inevitable in a way that you

435

00:17:51,710 --> 00:17:47,940

yeah whatever term you come up with

436

00:17:54,169 --> 00:17:51,720

you can always find it I'll get Cory but

437

00:17:56,509 --> 00:17:54,179

but but the the conspiracy theorist term

438

00:18:00,019 --> 00:17:56,519

in you said that it's a well-established

439

00:18:02,480 --> 00:18:00,029

and understood term but if I go on the

440

00:18:04,549 --> 00:18:02,490

street or if I go out and have a beer

441

00:18:06,470 --> 00:18:04,559

with random people and I ask them what

442

00:18:08,659 --> 00:18:06,480

do you what do you think of conspiracy

443

00:18:10,789 --> 00:18:08,669

theorists is what do you associate with

444

00:18:13,610 --> 00:18:10,799

that and then they immediately think of

445

00:18:17,690 --> 00:18:13,620

maybe Flat Earth we didn't land on the

446

00:18:20,240 --> 00:18:17,700

moon they had this general idea given to

447

00:18:24,320 --> 00:18:20,250

them usually from my interpretation the

448

00:18:27,769 --> 00:18:24,330

media that is serving them the label in

449

00:18:30,019 --> 00:18:27,779

an uncritical way because if if I was to

450

00:18:32,590 --> 00:18:30,029

call myself a conspiracy theorist if I

451  
00:18:36,289 --> 00:18:32,600  
investigate government corruption then

452  
00:18:38,779 --> 00:18:36,299  
that can't even be associated with Flat

453  
00:18:41,690 --> 00:18:38,789  
Earth and and the moon landings being

454  
00:18:44,389 --> 00:18:41,700  
staged in my opinion so yeah I think

455  
00:18:46,940 --> 00:18:44,399  
it's a I don't think it is a well

456  
00:18:50,570 --> 00:18:46,950  
understood term I think it is a term

457  
00:18:53,360 --> 00:18:50,580  
that has been manipulated and twisted

458  
00:18:56,600 --> 00:18:53,370  
and by both natural and human causes and

459  
00:19:00,080 --> 00:18:56,610  
and maybe by even sinister causes to

460  
00:19:04,310 --> 00:19:00,090  
create perhaps confusion in in the land

461  
00:19:07,340 --> 00:19:04,320  
of labels so to speak do well yeah we're

462  
00:19:09,440 --> 00:19:07,350  
possible I try to use a more precise

463  
00:19:13,009 --> 00:19:09,450

term like if I'm talking about 9/11

464

00:19:15,799 --> 00:19:13,019

truth I will usually refer them to them

465

00:19:18,019 --> 00:19:15,809

as truthers if it's a more extreme

466

00:19:22,009 --> 00:19:18,029

conspiracy theory I will say things like

467

00:19:24,169 --> 00:19:22,019

a 9/11 conspiracy theorist and like and

468

00:19:26,810 --> 00:19:24,179

the controlled demolition theory I

469

00:19:29,749 --> 00:19:26,820

considered that to be here something

470

00:19:33,080 --> 00:19:29,759

that is from my perspective demonstrated

471

00:19:35,269 --> 00:19:33,090

to be completely baseless and I would

472

00:19:37,009 --> 00:19:35,279

describe that as a conspiracy theory

473

00:19:39,560 --> 00:19:37,019

without reservation and that I think

474

00:19:40,970 --> 00:19:39,570

that it is you know it's this extreme

475

00:19:42,590 --> 00:19:40,980

theory about the upper levels of

476  
00:19:43,850 --> 00:19:42,600  
government doing this incredible thing

477  
00:19:47,509 --> 00:19:43,860  
that was really really difficult to pull

478  
00:19:49,249 --> 00:19:47,519  
off and it's all covered up and the the

479  
00:19:52,100 --> 00:19:49,259  
events of 9/11 all explained by this

480  
00:19:54,110 --> 00:19:52,110  
this convoluted conspiracy theory that

481  
00:19:55,570 --> 00:19:54,120  
involves pre planting explosives in the

482  
00:19:57,889 --> 00:19:55,580  
World Trade Center and having planes

483  
00:19:59,749 --> 00:19:57,899  
piloted by remote control flying into

484  
00:20:00,840 --> 00:19:59,759  
them at the right point having the the

485  
00:20:02,340 --> 00:20:00,850  
floors burned for

486  
00:20:03,870 --> 00:20:02,350  
an hour and then having the buildings

487  
00:20:08,190 --> 00:20:03,880  
collapse starting on the floors that

488  
00:20:09,750 --> 00:20:08,200

were on liar weather plane hit and then

489

00:20:12,720 --> 00:20:09,760

pretty much nobody in the engineering

490

00:20:14,850 --> 00:20:12,730

community noticing this the FBI

491

00:20:17,970 --> 00:20:14,860

pretending to investigate for two years

492

00:20:19,740 --> 00:20:17,980

the cost of billions of dollars and not

493

00:20:22,470 --> 00:20:19,750

finding anything you know that I think

494

00:20:23,940 --> 00:20:22,480

is a conspiracy theory yeah prom-prom my

495

00:20:26,340 --> 00:20:23,950

perspective but obviously from the

496

00:20:28,110 --> 00:20:26,350

perspective of people who are convinced

497

00:20:30,060 --> 00:20:28,120

that that theory is true like say

498

00:20:31,410 --> 00:20:30,070

richard gage who was the head of

499

00:20:34,110 --> 00:20:31,420

architects and engineers for 9/11 truth

500

00:20:37,860 --> 00:20:34,120

mmm he's gonna say that i'm calling it a

501  
00:20:40,290 --> 00:20:37,870  
conspiracy theory to belittle it so you

502  
00:20:42,510 --> 00:20:40,300  
know took to label it with the same

503  
00:20:43,890 --> 00:20:42,520  
thing as like the queen is an alien or

504  
00:20:46,040 --> 00:20:43,900  
the earth is flat and things like that

505  
00:20:48,660 --> 00:20:46,050  
so he's that's what he's gonna receive

506  
00:20:49,950 --> 00:20:48,670  
but as you know i've actually like spent

507  
00:20:52,230 --> 00:20:49,960  
a lot of time looking at the actual

508  
00:20:54,210 --> 00:20:52,240  
evidence behind this this theory and i

509  
00:20:56,940 --> 00:20:54,220  
feel like you know after looking at it

510  
00:20:59,490 --> 00:20:56,950  
for you know 10 years or so the my

511  
00:21:02,460 --> 00:20:59,500  
conclusion is that it is just a

512  
00:21:04,890 --> 00:21:02,470  
conspiracy theory means oh that's what

513  
00:21:07,880 --> 00:21:04,900

i'm gonna keep calling it but in regards

514

00:21:12,030 --> 00:21:07,890

to the explosive theory if you were to

515

00:21:14,370 --> 00:21:12,040

remove any any association with the idea

516

00:21:18,120 --> 00:21:14,380

of governments high-level people being

517

00:21:20,700 --> 00:21:18,130

involved and that you just remove all of

518

00:21:23,330 --> 00:21:20,710

the foundations that it's currently

519

00:21:26,070 --> 00:21:23,340

standing on and just think of the

520

00:21:29,550 --> 00:21:26,080

explosive theory regardless of who was

521

00:21:30,120 --> 00:21:29,560

behind it or involved or what whatever

522

00:21:38,940 --> 00:21:30,130

it

523

00:21:40,560 --> 00:21:38,950

you've also talked about that yeah we

524

00:21:42,210 --> 00:21:40,570

don't understand everything about it but

525

00:21:46,760 --> 00:21:42,220

that doesn't mean that it's a conspiracy

526

00:21:50,210 --> 00:21:46,770

theory and i agree but the the room of

527

00:21:52,860 --> 00:21:50,220

abnormalities in the collapse and the

528

00:21:56,280 --> 00:21:52,870

visual aspect of the collapse which

529

00:21:58,760 --> 00:21:56,290

understandably can too many people be

530

00:22:02,850 --> 00:21:58,770

communicated as an explosive collapse

531

00:22:06,780 --> 00:22:02,860

how do you do you leave room for doubt

532

00:22:09,120 --> 00:22:06,790

that it may be all of the theories

533

00:22:11,340 --> 00:22:09,130

presented today in regards to explosives

534

00:22:14,400 --> 00:22:11,350

can be dismissed with an alternative

535

00:22:16,380 --> 00:22:14,410

theory but not may be debunked are you

536

00:22:19,220 --> 00:22:16,390

open or you have room for doubt that

537

00:22:21,780 --> 00:22:19,230

it's possible that it could have been

538

00:22:25,560 --> 00:22:21,790

sinister purposes behind it regardless

539

00:22:29,850 --> 00:22:25,570

of who was behind it other than 9 when I

540

00:22:32,160 --> 00:22:29,860

get ya to a to a degree to a degree but

541

00:22:34,710 --> 00:22:32,170

a small degree now I think you know you

542

00:22:36,360 --> 00:22:34,720

say like we don't really understand

543

00:22:38,190 --> 00:22:36,370

everything about the collapse and now I

544

00:22:39,270 --> 00:22:38,200

think that statement kind of should be

545

00:22:42,080 --> 00:22:39,280

looked into a little bit because I

546

00:22:45,510 --> 00:22:42,090

wouldn't say that there are aspects of

547

00:22:47,040 --> 00:22:45,520

the collapse that we don't understand in

548

00:22:49,320 --> 00:22:47,050

the sense of like you know why could

549

00:22:50,850 --> 00:22:49,330

this possibly have happened we can come

550

00:22:53,160 --> 00:22:50,860

up with reasonable hypotheses for

551

00:22:55,860 --> 00:22:53,170

everything did you know this it fell

552

00:22:58,680 --> 00:22:55,870

rapidly there was a explosive ejections

553

00:23:00,090 --> 00:22:58,690

of material things things like that

554

00:23:02,940 --> 00:23:00,100

they're the things that people bring up

555

00:23:04,530 --> 00:23:02,950

as being being issues I'd say we didn't

556

00:23:06,360 --> 00:23:04,540

understand that in the sense that we

557

00:23:08,490 --> 00:23:06,370

don't know exactly which beam hit which

558

00:23:10,980 --> 00:23:08,500

other beam and you know you know which

559

00:23:13,220 --> 00:23:10,990

order the columns collapsed in and you

560

00:23:16,830 --> 00:23:13,230

know how far down was the collapse wave

561

00:23:19,200 --> 00:23:16,840

inside the building but we can come up

562

00:23:21,420 --> 00:23:19,210

with a plausible hypothesis that

563

00:23:22,680 --> 00:23:21,430

explains it and the engineers like they

564

00:23:25,410 --> 00:23:22,690

have no problem you know the building

565

00:23:30,240 --> 00:23:25,420

just fell down into itself and fell to

566

00:23:32,700 --> 00:23:30,250

pieces possible hypothesis is it like

567

00:23:34,740 --> 00:23:32,710

plausible hypotheses that could also be

568

00:23:37,020 --> 00:23:34,750

a part of explosives could it not

569

00:23:39,660 --> 00:23:37,030

I mean plausible is that sinister people

570

00:23:41,550 --> 00:23:39,670

have been listening as a plausible isn't

571

00:23:43,170 --> 00:23:41,560

a binary thing though it's not like you

572

00:23:45,930 --> 00:23:43,180

know this this is plausible this is

573

00:23:48,240 --> 00:23:45,940

implausible and explosives like you know

574

00:23:52,560 --> 00:23:48,250

make it onto the plausible site it's

575

00:23:54,420 --> 00:23:52,570

like you could like if you if you defy

576

00:23:55,830 --> 00:23:54,430

the operatory criteria and you say

577

00:23:58,110 --> 00:23:55,840

something's plausible but you know you

578

00:23:59,850 --> 00:23:58,120

can ask how plausible is something if

579

00:24:01,200 --> 00:23:59,860

you can actually ask how how plausible

580

00:24:03,660 --> 00:24:01,210

is it that means you can kind of put a

581

00:24:06,630 --> 00:24:03,670

number on it and how likely do you think

582

00:24:08,280 --> 00:24:06,640

it actually is if he has a possibility

583

00:24:11,070 --> 00:24:08,290

of like you know a thousandth of a

584

00:24:13,410 --> 00:24:11,080

percent it's still plausible yeah but

585

00:24:16,290 --> 00:24:13,420

not very likely finds what is plausible

586

00:24:18,690 --> 00:24:16,300

who gets that nobody sitting through it

587

00:24:22,530 --> 00:24:18,700

nobody defines it it's not a there's not

588

00:24:25,410 --> 00:24:22,540

a thing that you can define yeah it's

589

00:24:28,180 --> 00:24:25,420

like whoever would define it as to how

590

00:24:30,100 --> 00:24:28,190

possible it would be they would have

591

00:24:32,260 --> 00:24:30,110

of the world and how its put together

592

00:24:34,330 --> 00:24:32,270

and what interests there are in the

593

00:24:35,950 --> 00:24:34,340

world and what kind of power and ability

594

00:24:37,780 --> 00:24:35,960

they would have to do something like

595

00:24:40,600 --> 00:24:37,790

that to get away with and how do you

596

00:24:45,550 --> 00:24:40,610

even like how do you even calculate that

597

00:24:48,220 --> 00:24:45,560

it's it's like yeah but it's so to me

598

00:24:51,130 --> 00:24:48,230

leave room for doubt that it's that it

599

00:24:53,530 --> 00:24:51,140

is possible and it is plausible in a way

600

00:24:58,030 --> 00:24:53,540

it is just as plausible as it falling

601  
00:25:00,520 --> 00:24:58,040  
down and by without explosives it I feel

602  
00:25:02,880 --> 00:25:00,530  
if I have to be completely I don't know

603  
00:25:04,930 --> 00:25:02,890  
if I can claim that that would be being

604  
00:25:08,860 --> 00:25:04,940  
intellectually honest with myself that

605  
00:25:12,940 --> 00:25:08,870  
it is possible but I don't find evidence

606  
00:25:17,170 --> 00:25:12,950  
yet to support that theory is that maybe

607  
00:25:20,470 --> 00:25:17,180  
a way there's a thing in in skepticism

608  
00:25:23,440 --> 00:25:20,480  
called false balance which we constantly

609  
00:25:25,630 --> 00:25:23,450  
rail against which is where you present

610  
00:25:28,300 --> 00:25:25,640  
both sides of the argument which seems

611  
00:25:30,400 --> 00:25:28,310  
like a fair way of doing things that you

612  
00:25:31,870 --> 00:25:30,410  
have an expert on to say something and

613  
00:25:34,540 --> 00:25:31,880

then you have another expert on putting

614

00:25:36,340 --> 00:25:34,550

the other side of the argument but if

615

00:25:40,090 --> 00:25:36,350

you look at things like say you know

616

00:25:42,340 --> 00:25:40,100

chemtrails and you get on like one guy a

617

00:25:44,260 --> 00:25:42,350

scientist with a PhD who saves

618

00:25:46,530 --> 00:25:44,270

chemtrails are real and then you get on

619

00:25:48,730 --> 00:25:46,540

another guy with a PhD who says that

620

00:25:51,610 --> 00:25:48,740

chemtrails are not real they're just

621

00:25:53,530 --> 00:25:51,620

contrails it makes it seem like things

622

00:25:56,050 --> 00:25:53,540

are 5050 it makes it seem like the

623

00:25:58,000 --> 00:25:56,060

argument is is is you know kind of open

624

00:25:59,470 --> 00:25:58,010

for debate no one really knows like you

625

00:26:02,050 --> 00:25:59,480

know half the scientists say there's the

626  
00:26:04,240 --> 00:26:02,060  
other half say that but you really don't

627  
00:26:06,550 --> 00:26:04,250  
have that 50/50 split in these things

628  
00:26:09,280 --> 00:26:06,560  
with chemtrails I was involved in a

629  
00:26:13,150 --> 00:26:09,290  
survey of atmospheric scientists and we

630  
00:26:14,740 --> 00:26:13,160  
serve aids like 70 scientists and 76 of

631  
00:26:16,420 --> 00:26:14,750  
them were 100% no these are just

632  
00:26:18,700 --> 00:26:16,430  
contrails one guy was like oh I'm not

633  
00:26:21,640 --> 00:26:18,710  
entirely sure about this one test but

634  
00:26:24,430 --> 00:26:21,650  
basically you don't have this split you

635  
00:26:25,720 --> 00:26:24,440  
have 99 percent of scientists on one

636  
00:26:29,470 --> 00:26:25,730  
thing and you have one percent on the

637  
00:26:31,930 --> 00:26:29,480  
other thing and you can't have on a talk

638  
00:26:33,850 --> 00:26:31,940

show host one scientist on one side and

639

00:26:35,230 --> 00:26:33,860

then 99 scientists on the other side

640

00:26:37,930 --> 00:26:35,240

because they wouldn't fit in the studio

641

00:26:40,420 --> 00:26:37,940

but that's really what the actual

642

00:26:42,040 --> 00:26:40,430

balance is I see me so when you talk

643

00:26:44,410 --> 00:26:42,050

about like something like

644

00:26:47,140 --> 00:26:44,420

eleven you got you got a similar problem

645

00:26:50,140 --> 00:26:47,150

there yeah I interviewed on this podcast

646

00:26:53,040 --> 00:26:50,150

a while ago a structural engineer from

647

00:26:55,930 --> 00:26:53,050

New York who worked on the 9/11 site and

648

00:26:57,730 --> 00:26:55,940

he said he knows lots of structural

649

00:26:59,680 --> 00:26:57,740

engineers in New York he's a senior guy

650

00:27:01,420 --> 00:26:59,690

it's like been working in New York for

651  
00:27:03,310 --> 00:27:01,430  
like 30 years in structural engineering

652  
00:27:04,630 --> 00:27:03,320  
he knows probably hundreds of structural

653  
00:27:07,480 --> 00:27:04,640  
engineers in New York he doesn't know

654  
00:27:09,610 --> 00:27:07,490  
anybody any structural engineer in New

655  
00:27:11,470 --> 00:27:09,620  
York who believes in the controlled

656  
00:27:14,740 --> 00:27:11,480  
demolition theory so you know you've got

657  
00:27:16,960 --> 00:27:14,750  
this this this false balance and you

658  
00:27:18,700 --> 00:27:16,970  
can't say that we have to be more

659  
00:27:20,680 --> 00:27:18,710  
even-handed in fact we probably have to

660  
00:27:23,500 --> 00:27:20,690  
be less even-handed we need to like say

661  
00:27:26,050 --> 00:27:23,510  
what the actual balance is so saying

662  
00:27:27,880 --> 00:27:26,060  
something is plausible doesn't mean it's

663  
00:27:29,740 --> 00:27:27,890

like a 50-50 thing likes either this or

664

00:27:31,240 --> 00:27:29,750

this I don't know which one it is it's

665

00:27:34,750 --> 00:27:31,250

they're saying there's a small chance

666

00:27:36,220 --> 00:27:34,760

this is small possibility the explosives

667

00:27:39,250 --> 00:27:36,230

were pre planted in the building and

668

00:27:41,080 --> 00:27:39,260

were timed exactly to go off to make it

669

00:27:43,000 --> 00:27:41,090

look like to all the world's scientists

670

00:27:46,480 --> 00:27:43,010

that it was a normal gravity driven

671

00:27:48,460 --> 00:27:46,490

collapse and you know that that's that's

672

00:27:50,980 --> 00:27:48,470

what happened but there's no real

673

00:27:52,300 --> 00:27:50,990

evidence of it but it's plausible there

674

00:27:54,310 --> 00:27:52,310

really it's not it's not that plausible

675

00:27:56,880 --> 00:27:54,320

this there's tiny little possibility

676  
00:27:59,020 --> 00:27:56,890  
that that might have happened but it's

677  
00:28:01,650 --> 00:27:59,030  
money bottling the things that would

678  
00:28:05,770 --> 00:28:01,660  
have to go on for it to actually exist

679  
00:28:10,360 --> 00:28:05,780  
yeah I can see what you are pointing out

680  
00:28:13,030 --> 00:28:10,370  
in regards to the that it is and what

681  
00:28:15,610 --> 00:28:13,040  
I'm worried about is is who who is going

682  
00:28:18,700 --> 00:28:15,620  
to get to define what is the right

683  
00:28:20,620 --> 00:28:18,710  
balance and who are those people gonna

684  
00:28:23,020 --> 00:28:20,630  
be and what trust is going to be put

685  
00:28:26,020 --> 00:28:23,030  
into those people that what balance is

686  
00:28:29,820 --> 00:28:26,030  
given to us will be what is the real

687  
00:28:32,950 --> 00:28:29,830  
truth and historically science is

688  
00:28:35,140 --> 00:28:32,960

luckily many it many times wrong and it

689

00:28:38,200 --> 00:28:35,150

needs to be corrected and developed and

690

00:28:40,570 --> 00:28:38,210

evolved and by now oh the only process

691

00:28:43,270 --> 00:28:40,580

we know how to do that is to have the

692

00:28:46,600 --> 00:28:43,280

debates and the comparisons of data and

693

00:28:49,630 --> 00:28:46,610

I mean to the viewer viewing the debate

694

00:28:52,930 --> 00:28:49,640

or the arguments or the the issues it

695

00:28:55,030 --> 00:28:52,940

seems like an uneven balance like like

696

00:28:55,990 --> 00:28:55,040

you explained that it is like this to

697

00:28:58,840 --> 00:28:56,000

scientists

698

00:29:01,360 --> 00:28:58,850

having having an argument but the idea

699

00:29:03,070 --> 00:29:01,370

that science isn't really done by debate

700

00:29:05,650 --> 00:29:03,080

though science is done by showing

701  
00:29:07,540 --> 00:29:05,660  
evidence and yeah when you get

702  
00:29:09,250 --> 00:29:07,550  
revolutions in science they don't come

703  
00:29:10,900 --> 00:29:09,260  
about by people sitting in a room and

704  
00:29:13,270 --> 00:29:10,910  
like one side debating the other like

705  
00:29:15,220 --> 00:29:13,280  
Copernicus didn't like just have a

706  
00:29:16,900 --> 00:29:15,230  
simple debate he actually bill these

707  
00:29:18,490 --> 00:29:16,910  
observations and he showed other people

708  
00:29:20,110 --> 00:29:18,500  
how to do the same observations and he

709  
00:29:21,190 --> 00:29:20,120  
showed them the math and they were able

710  
00:29:23,350 --> 00:29:21,200  
to look at it

711  
00:29:26,620 --> 00:29:23,360  
auu actual evidence like the guy who

712  
00:29:28,660 --> 00:29:26,630  
discovered the bacteria cause ulcers he

713  
00:29:31,450 --> 00:29:28,670

did an experiment by actually drinking

714

00:29:32,500 --> 00:29:31,460

some some bacteria and seeing that it

715

00:29:33,760 --> 00:29:32,510

also has formed in his stomach

716

00:29:36,100 --> 00:29:33,770

afterwards so he had he did this

717

00:29:39,550 --> 00:29:36,110

physical demonstration I go around to

718

00:29:40,960 --> 00:29:39,560

those red chips yeah that's a piece of

719

00:29:44,410 --> 00:29:40,970

evidence like people debate about

720

00:29:46,540 --> 00:29:44,420

whether these things were explosives or

721

00:29:48,340 --> 00:29:46,550

not but this little plenty of dust

722

00:29:49,750 --> 00:29:48,350

around there still people have like

723

00:29:51,160 --> 00:29:49,760

items of clothing of things that are

724

00:29:53,080 --> 00:29:51,170

covered in dust they have samples of

725

00:29:54,760 --> 00:29:53,090

dust all over the place like even people

726

00:29:56,500 --> 00:29:54,770

in the 9/11 truth community say that

727

00:29:58,810 --> 00:29:56,510

they're they have samples and dust if

728

00:30:00,580 --> 00:29:58,820

you actually have samples of dust that

729

00:30:02,980 --> 00:30:00,590

demonstrates that there were explosives

730

00:30:05,350 --> 00:30:02,990

in the dust why don't you get it tested

731

00:30:07,300 --> 00:30:05,360

why don't you actually you get an

732

00:30:09,280 --> 00:30:07,310

independent lab to verify that this

733

00:30:11,110 --> 00:30:09,290

house as dusting test ten different

734

00:30:12,280 --> 00:30:11,120

samples from different locations and

735

00:30:15,040 --> 00:30:12,290

then you go you got a hundred percent

736

00:30:16,960 --> 00:30:15,050

proof this hasn't been done even though

737

00:30:18,460 --> 00:30:16,970

like people say though they said years

738

00:30:20,530 --> 00:30:18,470

ago they were going to do this testing

739

00:30:22,360 --> 00:30:20,540

yeah the only what happened is I did

740

00:30:24,550 --> 00:30:22,370

they didn't do the testing for some

741

00:30:26,380 --> 00:30:24,560

reason or they did the testing it didn't

742

00:30:28,030 --> 00:30:26,390

show what they wanted it to show and so

743

00:30:31,650 --> 00:30:28,040

they didn't do it but you don't do

744

00:30:34,750 --> 00:30:31,660

science by debate you do science by

745

00:30:36,940 --> 00:30:34,760

presenting evidence and having other

746

00:30:39,010 --> 00:30:36,950

people verify that you have very

747

00:30:41,500 --> 00:30:39,020

reliable tests and things that you can

748

00:30:43,300 --> 00:30:41,510

do you could have people build models of

749

00:30:45,070 --> 00:30:43,310

the World Trade Center for example which

750

00:30:46,720 --> 00:30:45,080

is something that's this being done so

751

00:30:48,520 --> 00:30:46,730

multiple people could do that and you

752

00:30:50,680 --> 00:30:48,530

could like have other people might look

753

00:30:53,050 --> 00:30:50,690

at those results and see yeah whether

754

00:30:55,900 --> 00:30:53,060

they are they are or they show one thing

755

00:30:59,070 --> 00:30:55,910

or the other but as we know data can

756

00:31:04,570 --> 00:30:59,080

also be misinterpreted and as through

757

00:31:06,940 --> 00:31:04,580

scientific former consensus is is

758

00:31:09,039 --> 00:31:06,950

that if you have a scientific consensus

759

00:31:10,509 --> 00:31:09,049

on something you have scientists saying

760

00:31:13,629 --> 00:31:10,519

that that's even dangerous because

761

00:31:16,060 --> 00:31:13,639

you're leaving out the room for having a

762

00:31:20,259 --> 00:31:16,070

discussion about the data you're leaving

763

00:31:22,239 --> 00:31:20,269

out the ability to to have a what I

764

00:31:24,190 --> 00:31:22,249

would call they'll call a debate about

765

00:31:25,899 --> 00:31:24,200

the data that we have and how to

766

00:31:28,479 --> 00:31:25,909

interpret the data and what it is

767

00:31:30,219 --> 00:31:28,489

showing us then anything stopping you

768

00:31:31,779 --> 00:31:30,229

from having the discussion you don't

769

00:31:34,570 --> 00:31:31,789

have to have it with other scientists

770

00:31:38,169 --> 00:31:34,580

but you can still present this science

771

00:31:40,119 --> 00:31:38,179

yeah yeah why do you think that say the

772

00:31:43,209 --> 00:31:40,129

papers that have been written about 911

773

00:31:44,709 --> 00:31:43,219

physics haven't been very well received

774

00:31:47,409 --> 00:31:44,719

you think it's they're being suppressed

775

00:31:49,269 --> 00:31:47,419

yep it there are scientists saying that

776

00:31:51,430 --> 00:31:49,279

the buildings collapsed too fast and

777

00:31:53,499 --> 00:31:51,440

things like that or you know just have

778

00:31:55,839 --> 00:31:53,509

explosives in it and they've actually

779

00:31:57,879 --> 00:31:55,849

written scientific papers so the co

780

00:32:00,579 --> 00:31:57,889

they're still participating in the

781

00:32:03,249 --> 00:32:00,589

process but yeah definitely I think that

782

00:32:06,789 --> 00:32:03,259

perhaps they misinterpret the lack of

783

00:32:10,299 --> 00:32:06,799

interest in their papers for some kind

784

00:32:12,129 --> 00:32:10,309

of suppression all those papers for and

785

00:32:14,379 --> 00:32:12,139

from my perspective it isn't really a

786

00:32:16,229 --> 00:32:14,389

suppression issue it's more of a a lack

787

00:32:18,459 --> 00:32:16,239

of interest because they think it's just

788

00:32:20,440 --> 00:32:18,469

but you know I see I see you at your

789

00:32:22,949 --> 00:32:20,450

pointers that you you you think that the

790

00:32:27,069 --> 00:32:22,959

it's not a level playing field yeah yeah

791

00:32:29,639 --> 00:32:27,079

yeah I think it never will be and but

792

00:32:32,049 --> 00:32:29,649

you know science if something is

793

00:32:34,089 --> 00:32:32,059

demonstrable if you can show that it is

794

00:32:36,609 --> 00:32:34,099

true in a way that's verifiable and

795

00:32:39,729 --> 00:32:36,619

repeatable test and verifiable and

796

00:32:41,859 --> 00:32:39,739

repeatable then you can't ignore that

797

00:32:43,419 --> 00:32:41,869

you know science can't say like oh

798

00:32:44,709 --> 00:32:43,429

that's not true even though it's you

799

00:32:46,060 --> 00:32:44,719

know you can repeat the experiment it

800

00:32:48,819 --> 00:32:46,070

shows the same thing over and over again

801  
00:32:52,329 --> 00:32:48,829  
or you know this math works out if

802  
00:32:54,489 --> 00:32:52,339  
something was actual real science a real

803  
00:32:56,079 --> 00:32:54,499  
a real engineering issue a real

804  
00:32:58,719 --> 00:32:56,089  
structural engineering calculation that

805  
00:32:59,919 --> 00:32:58,729  
people have done isn't something that

806  
00:33:04,060 --> 00:32:59,929  
could be ignored

807  
00:33:06,009 --> 00:33:04,070  
is this this pure absolute thing that

808  
00:33:09,969 --> 00:33:06,019  
you can just put out there and explain

809  
00:33:12,009 --> 00:33:09,979  
to people and any other scientist if you

810  
00:33:13,180 --> 00:33:12,019  
have a have it explained to them they

811  
00:33:15,190 --> 00:33:13,190  
will see you know this is these are

812  
00:33:16,779 --> 00:33:15,200  
facts you can't argue with these things

813  
00:33:18,250 --> 00:33:16,789

here here's the moons of Jupiter

814

00:33:20,350 --> 00:33:18,260

rotating around you which

815

00:33:22,750 --> 00:33:20,360

you know Kanna proves that you know

816

00:33:24,789 --> 00:33:22,760

gravity works in a certain way because

817

00:33:26,409 --> 00:33:24,799

you know you can't like you with with

818

00:33:28,900 --> 00:33:26,419

these observations but what observations

819

00:33:35,100 --> 00:33:28,910

do you have from 9/11 that are equally

820

00:33:40,600 --> 00:33:38,020

to the same to the same degree that if

821

00:33:42,610 --> 00:33:40,610

you see if you're seeing new you track

822

00:33:44,500 --> 00:33:42,620

the orbits of the planets and you see

823

00:33:48,340 --> 00:33:44,510

the old form ellipses around the Sun

824

00:33:51,730 --> 00:33:48,350

that tell is exactly with Newton's laws

825

00:33:53,740 --> 00:33:51,740

of gravity mm-hmm and so that's gonna be

826

00:33:57,789 --> 00:33:53,750

in arguable observation the the world

827

00:33:59,650 --> 00:33:57,799

fits this model I don't I don't know you

828

00:34:02,890 --> 00:33:59,660

it's not evil it's an arguable that it

829

00:34:05,140 --> 00:34:02,900

fits yes yes that is inarguable yes I

830

00:34:07,539 --> 00:34:05,150

agree that isn't arguable but it's not

831

00:34:09,940 --> 00:34:07,549

an arguable that there can be an

832

00:34:11,290 --> 00:34:09,950

alternative interpretation of those

833

00:34:13,270 --> 00:34:11,300

physical phenomenons

834

00:34:15,310 --> 00:34:13,280

you know I mean this is this false

835

00:34:17,409 --> 00:34:15,320

balance that you talk about to me is I

836

00:34:21,129 --> 00:34:17,419

think it's correct that it does become a

837

00:34:25,060 --> 00:34:21,139

false balance but I think it still needs

838

00:34:27,220 --> 00:34:25,070

to be entrusted into the viewer that

839

00:34:30,970 --> 00:34:27,230

they have to be able to make up their

840

00:34:33,099 --> 00:34:30,980

own mind if we are to approach a world

841

00:34:36,180 --> 00:34:33,109

where someone will be given the

842

00:34:38,619 --> 00:34:36,190

authority to define what is to be

843

00:34:42,250 --> 00:34:38,629

debated or discussed and talked about

844

00:34:45,909 --> 00:34:42,260

because it's might not be scientifically

845

00:34:48,430 --> 00:34:45,919

even in the debate spectrum then I I'm

846

00:34:50,230 --> 00:34:48,440

afraid of those people because I I don't

847

00:34:53,560 --> 00:34:50,240

have a guarantee that those people in

848

00:34:55,599 --> 00:34:53,570

charge of regulating the spectrum of

849

00:34:58,900 --> 00:34:55,609

debate will always have genuine

850

00:35:00,640 --> 00:34:58,910

interests in or since their interests in

851  
00:35:04,030 --> 00:35:00,650  
regulating it in an objective and

852  
00:35:07,530 --> 00:35:04,040  
neutral way so right now as you're

853  
00:35:09,490 --> 00:35:07,540  
talking about YouTube and Facebook and

854  
00:35:12,190 --> 00:35:09,500  
Google exam Twitter

855  
00:35:15,880 --> 00:35:12,200  
answer ship yeah they're the people now

856  
00:35:17,950 --> 00:35:15,890  
who are essentially regulating I

857  
00:35:19,720 --> 00:35:17,960  
wouldn't say they're regulating debates

858  
00:35:23,590 --> 00:35:19,730  
cuz you can still have debate but they

859  
00:35:26,770 --> 00:35:23,600  
do things now like they will they will

860  
00:35:28,330 --> 00:35:26,780  
do rank videos on the water so if you

861  
00:35:31,090 --> 00:35:28,340  
search for Flat Earth videos now you

862  
00:35:34,210 --> 00:35:31,100  
hardly find any you know Flat Earth

863  
00:35:36,910 --> 00:35:34,220

truth videos and similarly they're not

864

00:35:38,170 --> 00:35:36,920

to the same extent with 911 if you

865

00:35:39,870 --> 00:35:38,180

search for 911

866

00:35:44,770 --> 00:35:39,880

you used to get lots more videos

867

00:35:47,260 --> 00:35:44,780

discussing your the 911 theories and you

868

00:35:49,600 --> 00:35:47,270

don't hear that now and and I'm not

869

00:35:50,800 --> 00:35:49,610

entirely sure that's that's that's a

870

00:35:54,430 --> 00:35:50,810

good thing because I think it's kind of

871

00:35:57,160 --> 00:35:54,440

pushing things underground I do feel the

872

00:35:59,710 --> 00:35:57,170

way things stand right now it's it's

873

00:36:01,990 --> 00:35:59,720

okay because they are targeting things

874

00:36:04,000 --> 00:36:02,000

that are you know pretty much just

875

00:36:06,160 --> 00:36:04,010

continual misinformation being put out

876

00:36:09,190 --> 00:36:06,170

there but I think it's kind of in a

877

00:36:11,200 --> 00:36:09,200

waste of slippery slope yeah where do

878

00:36:13,390 --> 00:36:11,210

you draw the line where do you say this

879

00:36:15,820 --> 00:36:13,400

is a conspiracy theory that is

880

00:36:17,560 --> 00:36:15,830

demonstrably false or you know this is

881

00:36:19,780 --> 00:36:17,570

just people who are suspicious of people

882

00:36:22,990 --> 00:36:19,790

in power so we shouldn't let them have

883

00:36:25,630 --> 00:36:23,000

that discussion so yeah yeah I I would

884

00:36:27,160 --> 00:36:25,640

agree and I I you know I've been

885

00:36:28,780 --> 00:36:27,170

following the whole thing I talked a

886

00:36:31,210 --> 00:36:28,790

little bit about it in the book like you

887

00:36:33,850 --> 00:36:31,220

know with the censorship for the social

888

00:36:35,820 --> 00:36:33,860

media companies yeah that a lot of them

889

00:36:37,630 --> 00:36:35,830

are doing it now for advertising

890

00:36:41,470 --> 00:36:37,640

advertisers don't like being associated

891

00:36:42,970 --> 00:36:41,480

with fringe topics yeah and yeah they

892

00:36:45,250 --> 00:36:42,980

did say it wasn't interesting like the

893

00:36:46,990 --> 00:36:45,260

amount of Fringe material that they have

894

00:36:48,760 --> 00:36:47,000

on YouTube I think they they said it

895

00:36:51,760 --> 00:36:48,770

accounted for something like three

896

00:36:53,200 --> 00:36:51,770

percent or something of Vol views or

897

00:36:55,090 --> 00:36:53,210

maybe like even less than that one

898

00:36:56,530 --> 00:36:55,100

percent it was like a very very small

899

00:36:59,050 --> 00:36:56,540

amount so it didn't actually change

900

00:37:01,210 --> 00:36:59,060

things that much rather than Isis but

901  
00:37:03,610 --> 00:37:01,220  
they don't actually they still don't

902  
00:37:04,780 --> 00:37:03,620  
want their our adverts showing up on

903  
00:37:08,980 --> 00:37:04,790  
these videos as opposed they could just

904  
00:37:11,920 --> 00:37:08,990  
take the adverts off person it's a

905  
00:37:15,100 --> 00:37:11,930  
tricky one yeah definitely is and it's

906  
00:37:17,950 --> 00:37:15,110  
far it's hard to know what principles to

907  
00:37:20,380 --> 00:37:17,960  
follow to regulate the transfer of

908  
00:37:22,000 --> 00:37:20,390  
information correctly and whoever gets

909  
00:37:24,970 --> 00:37:22,010  
to define that what is the correct

910  
00:37:28,000 --> 00:37:24,980  
information to transfer across the world

911  
00:37:29,770 --> 00:37:28,010  
is authoritarian in a way to me I mean

912  
00:37:33,870 --> 00:37:29,780  
when you get private corporations

913  
00:37:36,760 --> 00:37:33,880

regulating information in that way i i i

914

00:37:42,490 --> 00:37:36,770

I don't I don't look brightly at the

915

00:37:44,880 --> 00:37:42,500

future then I die it's and then you know

916

00:37:47,970 --> 00:37:44,890

part of where they're coming from

917

00:37:49,620 --> 00:37:47,980

the YouTube people there's youtubers

918

00:37:51,960 --> 00:37:49,630

being used as a recruitment tool for

919

00:37:54,090 --> 00:37:51,970

jihadists and that they were put up

920

00:37:56,460 --> 00:37:54,100

these these videos and I see what they

921

00:37:58,920 --> 00:37:56,470

used to he not do it anymore

922

00:38:02,790 --> 00:37:58,930

and they would put up sometimes private

923

00:38:05,160 --> 00:38:02,800

videos and they would be shown to

924

00:38:08,460 --> 00:38:05,170

impressionable young men who would later

925

00:38:12,000 --> 00:38:08,470

turn into jihadists sometimes suicide

926

00:38:13,350 --> 00:38:12,010

bombers they you know the the stuff that

927

00:38:15,450 --> 00:38:13,360

they were with in these videos was

928

00:38:16,800 --> 00:38:15,460

essentially conspiracy theories in a way

929

00:38:18,600 --> 00:38:16,810

like you know they would they would they

930

00:38:20,130 --> 00:38:18,610

would repeat things like the 9/11 truth

931

00:38:21,900 --> 00:38:20,140

conspiracy theory like say look what

932

00:38:24,030 --> 00:38:21,910

America will do to its own people like

933

00:38:26,220 --> 00:38:24,040

they are evil and instead we're

934

00:38:29,130 --> 00:38:26,230

justified in in kicking him out of Saudi

935

00:38:32,070 --> 00:38:29,140

Arabia or whatever and they do I think

936

00:38:34,620 --> 00:38:32,080

where the the YouTube stuff kind of

937

00:38:37,230 --> 00:38:34,630

started the clamping down thing was with

938

00:38:39,690 --> 00:38:37,240

these kind of extremist violence stuff

939

00:38:41,160 --> 00:38:39,700

and then they've they've seen like like

940

00:38:44,250 --> 00:38:41,170

you're some kind of correlation between

941

00:38:47,340 --> 00:38:44,260

conspiracy theories in general and this

942

00:38:49,830 --> 00:38:47,350

type of of extremist behavior I you see

943

00:38:51,990 --> 00:38:49,840

it like in America conspiracy theories

944

00:38:54,900 --> 00:38:52,000

have this strong rooting and it's the

945

00:38:57,270 --> 00:38:54,910

extreme right which tends to be people

946

00:38:59,040 --> 00:38:57,280

like malicious yeah things like they

947

00:39:00,510 --> 00:38:59,050

talk about the Waco Siege and I feel

948

00:39:02,760 --> 00:39:00,520

familiar with that that was like a yeah

949

00:39:04,980 --> 00:39:02,770

very famous thing in American history

950

00:39:06,690 --> 00:39:04,990

where there was a siege of a religious

951  
00:39:08,820 --> 00:39:06,700  
compound where they were had lots of

952  
00:39:12,000 --> 00:39:08,830  
guns in it and then they burnt down and

953  
00:39:14,700 --> 00:39:12,010  
lost people died and that's that's

954  
00:39:17,099 --> 00:39:14,710  
become part of the fabric of right-wing

955  
00:39:18,750 --> 00:39:17,109  
conspiracy theorists and the militia and

956  
00:39:21,680 --> 00:39:18,760  
everything and then you can in domestic

957  
00:39:24,720 --> 00:39:21,690  
terrorism because you got this this

958  
00:39:26,880 --> 00:39:24,730  
mythology built up around how we're

959  
00:39:29,700 --> 00:39:26,890  
fighting the evil government and that we

960  
00:39:32,040 --> 00:39:29,710  
need to start doing things like bombing

961  
00:39:33,810 --> 00:39:32,050  
the Oklahoma City Federal Building which

962  
00:39:36,420 --> 00:39:33,820  
is something that happened by guys who

963  
00:39:38,580 --> 00:39:36,430

believed in conspiracy theories yeah

964

00:39:41,160 --> 00:39:38,590

back then yuichi wasn't such a big thing

965

00:39:43,620 --> 00:39:41,170

but now like if you get people who buy

966

00:39:45,120 --> 00:39:43,630

into these these conspiracy theories

967

00:39:47,550 --> 00:39:45,130

they might think that they need to take

968

00:39:49,440 --> 00:39:47,560

action on it and you might get like more

969

00:39:50,580 --> 00:39:49,450

domestic terrorism based on this so I

970

00:39:52,800 --> 00:39:50,590

think that's part of what they are

971

00:39:55,349 --> 00:39:52,810

thinking about they're trying to prevent

972

00:39:57,420 --> 00:39:55,359

prevent extremist violence but of course

973

00:39:58,360 --> 00:39:57,430

that doesn't help like you know me and

974

00:40:01,330 --> 00:39:58,370

you know just

975

00:40:03,100 --> 00:40:01,340

we want to talk about the actual topics

976

00:40:05,700 --> 00:40:03,110

from a scientific point of view yeah

977

00:40:08,830 --> 00:40:05,710

yeah and the the the for example the

978

00:40:10,930 --> 00:40:08,840

example of right-wing extremism in the

979

00:40:12,940 --> 00:40:10,940

United States like right after you wake

980

00:40:15,760 --> 00:40:12,950

oh you had the Ruby bridge instant

981

00:40:19,200 --> 00:40:15,770

incident where people got shot as well

982

00:40:21,640 --> 00:40:19,210

by the police and there was a standoff I

983

00:40:23,650 --> 00:40:21,650

it's it's when it comes to right-wing

984

00:40:26,050 --> 00:40:23,660

extremists for example when they talk

985

00:40:29,140 --> 00:40:26,060

about Waco incident and how that whole

986

00:40:30,940 --> 00:40:29,150

process when and how the police behaved

987

00:40:33,550 --> 00:40:30,950

and has been made movies and

988

00:40:35,410 --> 00:40:33,560

documentaries and leaks of information

989

00:40:37,750 --> 00:40:35,420

and all kinds of stuff and it's there

990

00:40:40,810 --> 00:40:37,760

are points where the right-wing

991

00:40:44,470 --> 00:40:40,820

extremist takes something that is true

992

00:40:47,770 --> 00:40:44,480

that that is true in regards to certain

993

00:40:50,650 --> 00:40:47,780

areas of what happened in Waco but then

994

00:40:54,250 --> 00:40:50,660

they use that to fuel a political and

995

00:40:57,820 --> 00:40:54,260

emotional and ideological state of mind

996

00:41:01,960 --> 00:40:57,830

to to justify radical changes that they

997

00:41:04,210 --> 00:41:01,970

want to you know push on the world and I

998

00:41:06,790 --> 00:41:04,220

find that the only way to approach these

999

00:41:08,800 --> 00:41:06,800

people is to like you talked about find

1000

00:41:10,270 --> 00:41:08,810

common ground tell them that yeah you

1001  
00:41:12,040 --> 00:41:10,280  
were right about this stuff yeah you're

1002  
00:41:14,770 --> 00:41:12,050  
right about this and this happened and

1003  
00:41:16,810 --> 00:41:14,780  
but not not this and maybe you're doing

1004  
00:41:19,510 --> 00:41:16,820  
this too but just to are over

1005  
00:41:23,830 --> 00:41:19,520  
interpreting this so I find that that is

1006  
00:41:25,750 --> 00:41:23,840  
the only way to kind of make people drop

1007  
00:41:28,000 --> 00:41:25,760  
their guns in a way because I feel that

1008  
00:41:31,450 --> 00:41:28,010  
the extreme right when they bring up

1009  
00:41:33,880 --> 00:41:31,460  
these topics you find that some parts of

1010  
00:41:36,160 --> 00:41:33,890  
the media in the unit in the US are sort

1011  
00:41:39,100 --> 00:41:36,170  
of on their side on and have reported

1012  
00:41:41,860 --> 00:41:39,110  
what happened at Waco and and and and

1013  
00:41:44,050 --> 00:41:41,870

what critiques you could give to the FBI

1014

00:41:46,330 --> 00:41:44,060

and the hostage negotiation and the way

1015

00:41:48,640 --> 00:41:46,340

they were behaving while approaching the

1016

00:41:49,960 --> 00:41:48,650

compound and all that stuff but and then

1017

00:41:52,030 --> 00:41:49,970

you have other media channels saying

1018

00:41:54,400 --> 00:41:52,040

that the people who are arguing the Waco

1019

00:41:55,960 --> 00:41:54,410

incident at all Looney Tunes and that

1020

00:41:57,880 --> 00:41:55,970

they're conspiratorial right-wing

1021

00:41:59,890 --> 00:41:57,890

extremists and that's the only term they

1022

00:42:01,720 --> 00:41:59,900

get and I think that's dangerous because

1023

00:42:03,910 --> 00:42:01,730

it's not having a conversation with the

1024

00:42:06,550 --> 00:42:03,920

people so they become just more extreme

1025

00:42:08,710 --> 00:42:06,560

and then if you remove all of their ways

1026  
00:42:10,810 --> 00:42:08,720  
of communicating with each other and the

1027  
00:42:12,100 --> 00:42:10,820  
idea is that they are communicating like

1028  
00:42:14,860 --> 00:42:12,110  
you say you push them on the ground

1029  
00:42:17,770 --> 00:42:14,870  
you're censoring them you are you are

1030  
00:42:20,800 --> 00:42:17,780  
making it harder for the public and for

1031  
00:42:23,530 --> 00:42:20,810  
everyone else to see what is the status

1032  
00:42:25,990 --> 00:42:23,540  
quo of the world what is what are the

1033  
00:42:29,020 --> 00:42:26,000  
opinions out there what what do we need

1034  
00:42:31,420 --> 00:42:29,030  
to worry about and and I'll think that's

1035  
00:42:33,940 --> 00:42:31,430  
I think that's even more dangerous to

1036  
00:42:36,130 --> 00:42:33,950  
not know what they worry about the most

1037  
00:42:40,600 --> 00:42:36,140  
in the world because certain topics have

1038  
00:42:43,540 --> 00:42:40,610

been removed from the public view and I

1039

00:42:46,450 --> 00:42:43,550

think repression as for Robert Kennedy

1040

00:42:50,710 --> 00:42:46,460

said repression breeds retaliation it

1041

00:42:53,080 --> 00:42:50,720

just increases friction it doesn't calm

1042

00:42:55,180 --> 00:42:53,090

people down and they get an argument to

1043

00:42:58,090 --> 00:42:55,190

say that look they censored us like Alex

1044

00:43:01,600 --> 00:42:58,100

Jones says now we've he makes it into a

1045

00:43:02,260 --> 00:43:01,610

point and an argument in his case and

1046

00:43:05,680 --> 00:43:02,270

he's right

1047

00:43:07,540 --> 00:43:05,690

he has been censored he has been yes but

1048

00:43:09,790 --> 00:43:07,550

I think you gotta ask the we stay with

1049

00:43:12,640 --> 00:43:09,800

Alex Jones say someone who's obviously

1050

00:43:14,200 --> 00:43:12,650

like you know kind of a deep conspiracy

1051  
00:43:16,930 --> 00:43:14,210  
theorist but who someone who does use

1052  
00:43:19,810 --> 00:43:16,940  
like you know valid criticism to frame

1053  
00:43:21,550 --> 00:43:19,820  
his is crazier a serious like like yes

1054  
00:43:25,870 --> 00:43:21,560  
Sandy Hook being being fake and stuff

1055  
00:43:28,450 --> 00:43:25,880  
I think if Alex Jones is deep platformed

1056  
00:43:30,700 --> 00:43:28,460  
what is the net effect of that is it a

1057  
00:43:32,110 --> 00:43:30,710  
good effect or is it a bad effect you

1058  
00:43:34,390 --> 00:43:32,120  
know you're is gonna have some some

1059  
00:43:35,950 --> 00:43:34,400  
negative effects from that and people

1060  
00:43:37,900 --> 00:43:35,960  
will think oh that this proves the

1061  
00:43:40,480 --> 00:43:37,910  
government is evil and they've you know

1062  
00:43:41,770 --> 00:43:40,490  
they push Alex Jones off therefore like

1063  
00:43:44,680 --> 00:43:41,780

I'm gonna follow him wherever he goes

1064

00:43:46,930 --> 00:43:44,690

and onto the dark web and then you've

1065

00:43:49,210 --> 00:43:46,940

got thousands or millions of people who

1066

00:43:51,070 --> 00:43:49,220

don't see Alex Jones anymore and don't

1067

00:43:53,700 --> 00:43:51,080

he'll is drip drip drip for Alex Jones

1068

00:43:58,060 --> 00:43:53,710

like dropping poison into their minds

1069

00:44:00,700 --> 00:43:58,070

yeah so I'm not entirely sure within

1070

00:44:02,290 --> 00:44:00,710

that particular case like whether it's a

1071

00:44:04,270 --> 00:44:02,300

good thing or a bad thing I kind of I

1072

00:44:05,920 --> 00:44:04,280

kind of tend to think that it's a good

1073

00:44:08,440 --> 00:44:05,930

thing that he doesn't have a platform

1074

00:44:09,250 --> 00:44:08,450

even though there are these obvious

1075

00:44:11,680 --> 00:44:09,260

negatives

1076

00:44:13,470 --> 00:44:11,690

I think that's there's a worry that's

1077

00:44:15,810 --> 00:44:13,480

you know what comes after Alex Jones

1078

00:44:19,950 --> 00:44:15,820

Alex Jones like is a fairly clear-cut

1079

00:44:23,050 --> 00:44:19,960

case yeah I who was harassing parents of

1080

00:44:25,270 --> 00:44:23,060

the Sandy Hook victim saying it was it

1081

00:44:25,960 --> 00:44:25,280

was fake and all kinds of you know if

1082

00:44:27,310 --> 00:44:25,970

you look into the people

1083

00:44:30,040 --> 00:44:27,320

used to work with them as all kinds of

1084

00:44:33,130 --> 00:44:30,050

bad stuff which is on those four as well

1085

00:44:38,440 --> 00:44:33,140

no guys now that it's been he has been

1086

00:44:40,030 --> 00:44:38,450

taken to court and now from what I've

1087

00:44:41,890 --> 00:44:40,040

seen though he has been he's been under

1088

00:44:45,670 --> 00:44:41,900

Joe Rogan experience a couple of times

1089

00:44:49,420 --> 00:44:45,680

after after that happened he has it been

1090

00:44:52,810 --> 00:44:49,430

an admission of guilt in a way and I

1091

00:44:54,670 --> 00:44:52,820

feel that if if you when you ban people

1092

00:44:56,530 --> 00:44:54,680

permanently you don't give them an

1093

00:44:58,660 --> 00:44:56,540

opportunity to correct themselves and

1094

00:45:01,000 --> 00:44:58,670

come back and say you know I was wrong

1095

00:45:03,190 --> 00:45:01,010

about this and actually tell people that

1096

00:45:05,740 --> 00:45:03,200

I was wrong about saying you you're

1097

00:45:06,960 --> 00:45:05,750

being denied the opportunity for what

1098

00:45:10,450 --> 00:45:06,970

would you call it

1099

00:45:11,980 --> 00:45:10,460

Redemption emption yeah yeah I like to

1100

00:45:14,260 --> 00:45:11,990

give people a second chance myself when

1101  
00:45:16,150 --> 00:45:14,270  
I I banned people from my site Medibank

1102  
00:45:17,620 --> 00:45:16,160  
here when they overstepped the line

1103  
00:45:18,730 --> 00:45:17,630  
which is usually when they there are

1104  
00:45:20,140 --> 00:45:18,740  
they're not following the posting

1105  
00:45:21,940 --> 00:45:20,150  
guidelines they just post lots of stuff

1106  
00:45:24,130 --> 00:45:21,950  
or they're especially rude like they

1107  
00:45:26,920 --> 00:45:24,140  
start insulting year yeah there's people

1108  
00:45:29,080 --> 00:45:26,930  
that I banned and then I do a temporary

1109  
00:45:32,710 --> 00:45:29,090  
ban and then let them back and then I'll

1110  
00:45:33,880 --> 00:45:32,720  
do like a one-year ban and then I'll let

1111  
00:45:36,099 --> 00:45:33,890  
them back oh then I'll just do an

1112  
00:45:39,099 --> 00:45:36,109  
indefinite ban and I'll let them back

1113  
00:45:39,520 --> 00:45:39,109

this there's one guy who was a 9/11

1114

00:45:41,349 --> 00:45:39,530

truther

1115

00:45:42,730 --> 00:45:41,359

he might have heard it I won't mention

1116

00:45:45,790 --> 00:45:42,740

him now because he tends to get very

1117

00:45:48,040 --> 00:45:45,800

upset whenever I mention his name but

1118

00:45:50,710 --> 00:45:48,050

you know I banned him I think like five

1119

00:45:52,750 --> 00:45:50,720

years ago that and then he came back the

1120

00:45:54,339 --> 00:45:52,760

next year and he was more contrite and

1121

00:45:55,599 --> 00:45:54,349

then there was that like a listless chat

1122

00:45:57,250 --> 00:45:55,609

and you know we had some reasonable

1123

00:45:59,079 --> 00:45:57,260

conversations and then he stayed going

1124

00:46:02,140 --> 00:45:59,089

off again and then he started like

1125

00:46:03,849 --> 00:46:02,150

sending me these there's these

1126

00:46:06,520 --> 00:46:03,859

aggressive PM's

1127

00:46:08,920 --> 00:46:06,530

and so I plant them again and then yeah

1128

00:46:10,210 --> 00:46:08,930

a year later he came back and like he

1129

00:46:12,880 --> 00:46:10,220

seemed fine you know so I let him on

1130

00:46:14,500 --> 00:46:12,890

again and as guilty of that and now I

1131

00:46:15,940 --> 00:46:14,510

kind of chat to him on on Twitter

1132

00:46:18,870 --> 00:46:15,950

occasionally and you know he's still

1133

00:46:21,940 --> 00:46:18,880

banned but it's not like I flows off all

1134

00:46:25,920 --> 00:46:21,950

all I mean used so what you say you

1135

00:46:29,710 --> 00:46:25,930

would like that you get banned ya know

1136

00:46:32,500 --> 00:46:29,720

that after your one of you Joe Rogan

1137

00:46:33,870 --> 00:46:32,510

experiences and I was I was so mad at

1138

00:46:38,380 --> 00:46:33,880

you for the way you were communicating

1139

00:46:39,289 --> 00:46:38,390

the again totalitarian alternative of

1140

00:46:42,679 --> 00:46:39,299

had

1141

00:46:44,479 --> 00:46:42,689

you know the bong 911 and and I was I

1142

00:46:47,089 --> 00:46:44,489

remember that I was I was really really

1143

00:46:50,839 --> 00:46:47,099

frustrated as to the way it was being

1144

00:46:55,269 --> 00:46:50,849

communicated and and even perhaps you

1145

00:46:58,370 --> 00:46:55,279

would maybe today convey or communicated

1146

00:47:00,069 --> 00:46:58,380

differently in a way I don't know it I

1147

00:47:03,439 --> 00:47:00,079

think it's evolved

1148

00:47:06,559 --> 00:47:03,449

my approach has evolved so how I talk to

1149

00:47:09,019 --> 00:47:06,569

people and I think you know I'd I've

1150

00:47:10,789 --> 00:47:09,029

since that time I've started this

1151  
00:47:12,259 --> 00:47:10,799  
podcast which has been going on about

1152  
00:47:15,469 --> 00:47:12,269  
and in now seven or eight months or so I

1153  
00:47:17,739 --> 00:47:15,479  
got this is episode 34 that we recording

1154  
00:47:20,239 --> 00:47:17,749  
right now and it's what is January

1155  
00:47:21,769 --> 00:47:20,249  
January the 5th right now and I think I

1156  
00:47:26,179 --> 00:47:21,779  
started it back in June or something

1157  
00:47:28,039 --> 00:47:26,189  
like that and things have evolved I I

1158  
00:47:29,929 --> 00:47:28,049  
talk to people a bit differently and you

1159  
00:47:32,929 --> 00:47:29,939  
know it listened a bit more than I used

1160  
00:47:34,999 --> 00:47:32,939  
to to people and you know try to let

1161  
00:47:37,759 --> 00:47:35,009  
them have their say and understand them

1162  
00:47:39,739 --> 00:47:37,769  
more you know I still did that back then

1163  
00:47:41,809 --> 00:47:39,749

but I think I I do it more now and

1164

00:47:44,479 --> 00:47:41,819

certainly a lot more now than I did say

1165

00:47:46,309 --> 00:47:44,489

five years ago and definitely more than

1166

00:47:49,269 --> 00:47:46,319

when I started out doing debunking like

1167

00:47:52,309 --> 00:47:49,279

10 years ago when I was you know almost

1168

00:47:53,870 --> 00:47:52,319

dismissive of these crazy theories and

1169

00:47:56,509 --> 00:47:53,880

saying oh it's obviously this and things

1170

00:47:59,629 --> 00:47:56,519

like that so yeah I think I've evolved

1171

00:48:02,209 --> 00:47:59,639

simply because one approach works better

1172

00:48:05,120 --> 00:48:02,219

than the other approach and yeah yeah

1173

00:48:07,999 --> 00:48:05,130

yeah it's just it's really good not to

1174

00:48:09,679 --> 00:48:08,009

be static and I wonder how things are

1175

00:48:14,209 --> 00:48:09,689

gonna change in the future and I am I

1176  
00:48:16,339 --> 00:48:14,219  
going to continue to evolve even more

1177  
00:48:19,370 --> 00:48:16,349  
reasonable and nicer and just let other

1178  
00:48:21,709 --> 00:48:19,380  
people talk all the time or back and

1179  
00:48:24,259 --> 00:48:21,719  
start being a more aggressive

1180  
00:48:28,849 --> 00:48:24,269  
will say it is spooky to think of the

1181  
00:48:30,199 --> 00:48:28,859  
future it really is yeah yeah and you

1182  
00:48:33,079 --> 00:48:30,209  
think it'd be in terms of things like

1183  
00:48:37,729 --> 00:48:33,089  
say 9/11 truth and how long it has been

1184  
00:48:39,439 --> 00:48:37,739  
since 9/11 nineteen years yeah we were

1185  
00:48:44,719 --> 00:48:39,449  
having similar discussions about the

1186  
00:48:46,669 --> 00:48:44,729  
evidence 18 years ago yeah how how are

1187  
00:48:48,620 --> 00:48:46,679  
things actually evolved have they

1188  
00:48:51,919 --> 00:48:48,630

actually evolved why is it taking 19

1189

00:48:52,610 --> 00:48:51,929

years to get to where we are now and

1190

00:48:55,730 --> 00:48:52,620

we're really know

1191

00:48:57,200 --> 00:48:55,740

anywhere in particular in terms of 9/11

1192

00:49:00,740 --> 00:48:57,210

truth and where are we going to get over

1193

00:49:03,290 --> 00:49:00,750

the next ten years you think that's like

1194

00:49:06,410 --> 00:49:03,300

the state of 9/11 truth right now and

1195

00:49:09,830 --> 00:49:06,420

where it's where it's heading I find

1196

00:49:15,740 --> 00:49:09,840

that it's a movement that is kind of

1197

00:49:18,950 --> 00:49:15,750

slowly very slowly dying off a little

1198

00:49:22,070 --> 00:49:18,960

bit but the architects and engineers for

1199

00:49:24,230 --> 00:49:22,080

9/11 truth is definitely a really

1200

00:49:27,550 --> 00:49:24,240

powerful movement because they have

1201

00:49:31,100 --> 00:49:27,560

credentials they have people who are

1202

00:49:32,690 --> 00:49:31,110

almost dedicated their lives to

1203

00:49:35,480 --> 00:49:32,700

something that they really do believe

1204

00:49:39,860 --> 00:49:35,490

and that movement I think will persist

1205

00:49:44,030 --> 00:49:39,870

for many many years to come and I I have

1206

00:49:46,580 --> 00:49:44,040

to say that I I think they some of the

1207

00:49:48,050 --> 00:49:46,590

people in 9/11 true or not 9/11 truth

1208

00:49:49,550 --> 00:49:48,060

but the architects and engineers who are

1209

00:49:51,560 --> 00:49:49,560

in that group some of them you can have

1210

00:49:54,710 --> 00:49:51,570

very reasonable debates and you know

1211

00:49:57,920 --> 00:49:54,720

conversations and lively discussions

1212

00:50:01,910 --> 00:49:57,930

with and I I find that to be important

1213

00:50:06,110 --> 00:50:01,920

and I think it's um I think it's if I do

1214

00:50:10,640 --> 00:50:06,120

it from a societal function as having

1215

00:50:13,460 --> 00:50:10,650

that group or a e-911 that opposite poll

1216

00:50:16,660 --> 00:50:13,470

that group of people who is able to

1217

00:50:20,360 --> 00:50:16,670

question the narrative of a or a

1218

00:50:23,630 --> 00:50:20,370

consensus of a incidence of such as 9/11

1219

00:50:25,880 --> 00:50:23,640

and you put questions up and some of the

1220

00:50:28,010 --> 00:50:25,890

questions can be more legitimate

1221

00:50:31,850 --> 00:50:28,020

questions than others and I think that's

1222

00:50:35,050 --> 00:50:31,860

important to have that sort of growth

1223

00:50:37,820 --> 00:50:35,060

but the problems arise where you have

1224

00:50:39,800 --> 00:50:37,830

their own way of being behaving

1225

00:50:43,130 --> 00:50:39,810

totalitarian in their opinions and their

1226  
00:50:45,860 --> 00:50:43,140  
ways of interpreting evidence where like

1227  
00:50:50,270 --> 00:50:45,870  
other people do look at it as facts and

1228  
00:50:53,390 --> 00:50:50,280  
as proven and they rail and they they

1229  
00:50:55,640 --> 00:50:53,400  
get together and they it creates an

1230  
00:50:57,500 --> 00:50:55,650  
image of the world where yeah you don't

1231  
00:51:00,260 --> 00:50:57,510  
get much faith in the world if you want

1232  
00:51:03,080 --> 00:51:00,270  
to get into you know really start

1233  
00:51:04,310 --> 00:51:03,090  
believing what they are saying but I

1234  
00:51:05,720 --> 00:51:04,320  
think they have an important function

1235  
00:51:06,530 --> 00:51:05,730  
that's what I'm trying to get to it's

1236  
00:51:10,070 --> 00:51:06,540  
it's an important

1237  
00:51:12,710 --> 00:51:10,080  
function2 to have the ability in the

1238  
00:51:16,100 --> 00:51:12,720

society to to talk about these issues

1239

00:51:18,380 --> 00:51:16,110

and to even have those opinions of 9/11

1240

00:51:20,900 --> 00:51:18,390

I think it's really important because if

1241

00:51:25,670 --> 00:51:20,910

I need to be able to make up my mind I

1242

00:51:28,610 --> 00:51:25,680

need to have different kinds of views of

1243

00:51:32,510 --> 00:51:28,620

the data out that well would you say

1244

00:51:36,260 --> 00:51:32,520

that the chemtrails people are equally

1245

00:51:37,820 --> 00:51:36,270

important they do engineering watch.org

1246

00:51:39,590 --> 00:51:37,830

this big site that talks about

1247

00:51:41,710 --> 00:51:39,600

chemtrails and lots of people will point

1248

00:51:44,480 --> 00:51:41,720

you to as being this authoritarian site

1249

00:51:47,360 --> 00:51:44,490

giving the the other side of the story

1250

00:51:48,950 --> 00:51:47,370

on chemtrails is that as important as

1251  
00:51:53,210 --> 00:51:48,960  
the architects and engineers for 9/11

1252  
00:51:57,320 --> 00:51:53,220  
truth I haven't dug too much into the

1253  
00:52:00,820 --> 00:51:57,330  
chemtrail debate but for example where

1254  
00:52:03,500 --> 00:52:00,830  
they where I do think they have a

1255  
00:52:04,520 --> 00:52:03,510  
perhaps hypothetically now I'm not

1256  
00:52:05,870 --> 00:52:04,530  
saying that they do have but

1257  
00:52:09,320 --> 00:52:05,880  
hypothetically where they could have a

1258  
00:52:11,990 --> 00:52:09,330  
good function for example they could use

1259  
00:52:15,340 --> 00:52:12,000  
arguments like that the army sprayed

1260  
00:52:18,250 --> 00:52:15,350  
Saint Louis with toxic aerosol during

1261  
00:52:23,150 --> 00:52:18,260  
1950 s which is documented and proven

1262  
00:52:25,490 --> 00:52:23,160  
but if if if that's something that the

1263  
00:52:27,380 --> 00:52:25,500

government could do in one incident and

1264

00:52:29,600 --> 00:52:27,390

that's all that happened and it hasn't

1265

00:52:31,460 --> 00:52:29,610

repeated since it was an experiment for

1266

00:52:35,570 --> 00:52:31,470

completely different purposes than

1267

00:52:39,170 --> 00:52:35,580

chemtrails in that in that sense then I

1268

00:52:41,060 --> 00:52:39,180

think it's good to have that group who

1269

00:52:43,310 --> 00:52:41,070

can bring up that issue and remember it

1270

00:52:45,830 --> 00:52:43,320

and and talk about it and communicate it

1271

00:52:48,080 --> 00:52:45,840

regardless of how radical their

1272

00:52:50,110 --> 00:52:48,090

viewpoints otherwise are because I want

1273

00:52:52,670 --> 00:52:50,120

to look at this group and I want to hear

1274

00:52:54,740 --> 00:52:52,680

what is this group saying what are they

1275

00:52:58,430 --> 00:52:54,750

right about what are they wrong about

1276

00:53:03,230 --> 00:52:58,440

and then again the common ground but if

1277

00:53:05,180 --> 00:53:03,240

you if if I think it's more damaging for

1278

00:53:07,270 --> 00:53:05,190

them to exist and talk the way they do

1279

00:53:11,089 --> 00:53:07,280

or if it's

1280

00:53:13,160 --> 00:53:11,099

it's really hard to answer that and yeah

1281

00:53:15,020 --> 00:53:13,170

I can't say yes or no I mean you you

1282

00:53:18,039 --> 00:53:15,030

it's not like saying they're damaging or

1283

00:53:21,410 --> 00:53:18,049

or constructive I mean it could be like

1284

00:53:24,109 --> 00:53:21,420

neutral or constructive like if is there

1285

00:53:26,599 --> 00:53:24,119

an actual reason for them existing you

1286

00:53:28,640 --> 00:53:26,609

gave this example of the toxic spraying

1287

00:53:30,530 --> 00:53:28,650

over st. Louis but you know that

1288

00:53:32,270 --> 00:53:30,540

actually what this sprayed wasn't

1289

00:53:34,370 --> 00:53:32,280

actually toxic it was just kind of these

1290

00:53:36,470 --> 00:53:34,380

tracer things that they were using to

1291

00:53:37,910 --> 00:53:36,480

see how far things spread and they they

1292

00:53:39,410 --> 00:53:37,920

didn't think at the time that it was

1293

00:53:42,230 --> 00:53:39,420

toxic and then you know they later

1294

00:53:44,150 --> 00:53:42,240

discovered it was toxic in in the same

1295

00:53:46,760 --> 00:53:44,160

to the same degree as secondhand smoke

1296

00:53:48,260 --> 00:53:46,770

is toxic it's got this you know today's

1297

00:53:49,940 --> 00:53:48,270

standard they wouldn't they wouldn't

1298

00:53:51,910 --> 00:53:49,950

allow it to it to be sprayed in the air

1299

00:53:55,460 --> 00:53:51,920

because it's got this is very very minor

1300

00:53:58,030 --> 00:53:55,470

effect but you know so that that's a bit

1301  
00:54:00,799 --> 00:53:58,040  
of misinformation in itself that the

1302  
00:54:04,130 --> 00:54:00,809  
misinformation well if they're saying

1303  
00:54:06,859 --> 00:54:04,140  
that the US government sprayed the US

1304  
00:54:09,260 --> 00:54:06,869  
population with biological weapons which

1305  
00:54:11,030 --> 00:54:09,270  
is what they say then yeah yeah that's

1306  
00:54:12,500 --> 00:54:11,040  
misinformation it's because that's not

1307  
00:54:14,930 --> 00:54:12,510  
what actually happened they sprayed them

1308  
00:54:16,460 --> 00:54:14,940  
with what they call analogues of toxic

1309  
00:54:18,920 --> 00:54:16,470  
weapons which is something there's an

1310  
00:54:21,770 --> 00:54:18,930  
analogous to the toxic weapon like they

1311  
00:54:23,990 --> 00:54:21,780  
use a a harmless bacteria or the years

1312  
00:54:26,990 --> 00:54:24,000  
this zinc cadmium sulfate which is this

1313  
00:54:28,880 --> 00:54:27,000

very slightly fluorescent chemical that

1314

00:54:31,010 --> 00:54:28,890

you spray which you know like I say is

1315

00:54:32,630 --> 00:54:31,020

it's very very slightly carcinogenic

1316

00:54:34,970 --> 00:54:32,640

like secondhand smoke is cussing a Jake

1317

00:54:36,680 --> 00:54:34,980

or in your number of pollutants are

1318

00:54:39,230 --> 00:54:36,690

carcinogenic and they probably wouldn't

1319

00:54:40,670 --> 00:54:39,240

use that now but when it's rated at the

1320

00:54:42,410 --> 00:54:40,680

time they thought that it was just this

1321

00:54:44,030 --> 00:54:42,420

harmless little fluorescent dye that

1322

00:54:47,480 --> 00:54:44,040

they could spray and see how far things

1323

00:54:50,960 --> 00:54:47,490

spread but I guess misrepresented as

1324

00:54:52,940 --> 00:54:50,970

being mrs. Madison a spray biological

1325

00:54:54,109 --> 00:54:52,950

weapons on as before therefore that

1326

00:54:56,660 --> 00:54:54,119

you're probably doing it now and these

1327

00:54:58,700 --> 00:54:56,670

lines that we see in the sky may well be

1328

00:55:01,970 --> 00:54:58,710

them spraying those biological weapons

1329

00:55:03,950 --> 00:55:01,980

like they did back then so yes sure I

1330

00:55:05,720 --> 00:55:03,960

it's great to present information like

1331

00:55:07,370 --> 00:55:05,730

that but you know that that's it's in

1332

00:55:09,049 --> 00:55:07,380

the Wikipedia article and there's lots

1333

00:55:11,210 --> 00:55:09,059

of other there's lots of histories of

1334

00:55:12,680 --> 00:55:11,220

that type of thing now yeah it's not

1335

00:55:16,130 --> 00:55:12,690

like you need the chem trail people to

1336

00:55:18,200 --> 00:55:16,140

tell you about about these things no no

1337

00:55:19,910 --> 00:55:18,210

it's it's not but it's it's still those

1338

00:55:21,050 --> 00:55:19,920

people that you get to hear it from I've

1339

00:55:23,240 --> 00:55:21,060

never actually heard of that

1340

00:55:25,250 --> 00:55:23,250

incident until I actually go into one of

1341

00:55:27,770 --> 00:55:25,260

these groups and then see what they but

1342

00:55:29,720 --> 00:55:27,780

I agree they do they do misrepresent the

1343

00:55:31,790 --> 00:55:29,730

information especially with the title

1344

00:55:33,500 --> 00:55:31,800

that you gave to for example the

1345

00:55:35,030 --> 00:55:33,510

incident as they had sprayed the

1346

00:55:37,490 --> 00:55:35,040

population of blah blah blah because it

1347

00:55:40,790 --> 00:55:37,500

it constructs an image of an intent to

1348

00:55:43,010 --> 00:55:40,800

actually really go in and do damage to

1349

00:55:48,200 --> 00:55:43,020

the US population well that wasn't the

1350

00:55:51,980 --> 00:55:48,210

intent the incident in its the way was

1351  
00:55:54,590 --> 00:55:51,990  
you know it it still happened but how do

1352  
00:55:56,990 --> 00:55:54,600  
you present the incident in the correct

1353  
00:55:59,810 --> 00:55:57,000  
way and of course they do misrepresented

1354  
00:56:01,580 --> 00:55:59,820  
to to justify their cause but it that's

1355  
00:56:05,000 --> 00:56:01,590  
where again if you talk to these people

1356  
00:56:07,460 --> 00:56:05,010  
I would just say yeah that incident was

1357  
00:56:09,680 --> 00:56:07,470  
real I I agree it it's true and just

1358  
00:56:12,290 --> 00:56:09,690  
saying I agree that what that that

1359  
00:56:15,770 --> 00:56:12,300  
happened what's the way you are

1360  
00:56:18,290 --> 00:56:15,780  
presenting it is as if and then have you

1361  
00:56:21,440 --> 00:56:18,300  
know the common ground of your case and

1362  
00:56:24,320 --> 00:56:21,450  
your point here is correct but and then

1363  
00:56:28,850 --> 00:56:24,330

and instead of just calling them names

1364

00:56:30,740 --> 00:56:28,860

you know like yes no I agree with with

1365

00:56:32,950 --> 00:56:30,750

with with that largely I think like

1366

00:56:35,270 --> 00:56:32,960

people who are conspiracy theorists

1367

00:56:37,190 --> 00:56:35,280

often bring up good points they talk

1368

00:56:39,230 --> 00:56:37,200

about u.s. foreign policy and the

1369

00:56:41,810 --> 00:56:39,240

history of CIA involvement in other

1370

00:56:44,470 --> 00:56:41,820

governments and covert actions that the

1371

00:56:47,690 --> 00:56:44,480

CIA has done within the United States

1372

00:56:51,140 --> 00:56:47,700

dirty dealings like the the CIA's

1373

00:56:54,320 --> 00:56:51,150

invitation of the the media in the 70s

1374

00:56:56,480 --> 00:56:54,330

and yeah 70s Lee overtly ended it in the

1375

00:56:58,310 --> 00:56:56,490

center in the 70s things like that you

1376  
00:57:00,800 --> 00:56:58,320  
know I I might not have heard of had I

1377  
00:57:03,500 --> 00:57:00,810  
not been interested in debunking

1378  
00:57:05,570 --> 00:57:03,510  
conspiracy theories so you know you get

1379  
00:57:08,120 --> 00:57:05,580  
good information by talking to people

1380  
00:57:09,350 --> 00:57:08,130  
who are far away from you things that

1381  
00:57:11,840 --> 00:57:09,360  
you might yeah good even if you don't go

1382  
00:57:14,420 --> 00:57:11,850  
all the way over there you still you

1383  
00:57:17,690 --> 00:57:14,430  
still find stuff to this interest from

1384  
00:57:20,150 --> 00:57:17,700  
those people and yeah and by talking to

1385  
00:57:21,590 --> 00:57:20,160  
them you can help them clarify their

1386  
00:57:23,570 --> 00:57:21,600  
understanding of things as well like if

1387  
00:57:26,210 --> 00:57:23,580  
they're saying things like you know the

1388  
00:57:28,580 --> 00:57:26,220

CIA admits that it has control of all

1389

00:57:30,260 --> 00:57:28,590

the newspapers I spin say things like

1390

00:57:32,420 --> 00:57:30,270

that I mean then you say oh well

1391

00:57:35,000 --> 00:57:32,430

actually that's that was something that

1392

00:57:36,590 --> 00:57:35,010

some guy said in 1973

1393

00:57:38,480 --> 00:57:36,600

he was saying it about what happened in

1394

00:57:41,270 --> 00:57:38,490

the fifties and sixties you can give so

1395

00:57:43,010 --> 00:57:41,280

many context to that and yeah maybe they

1396

00:57:44,240 --> 00:57:43,020

do have control now but you know they

1397

00:57:45,950 --> 00:57:44,250

they haven't admitted it in the way that

1398

00:57:48,140 --> 00:57:45,960

you you've just said so you can actually

1399

00:57:50,630 --> 00:57:48,150

you know by having a conversation with

1400

00:57:53,000 --> 00:57:50,640

people it helps both of you you learn

1401  
00:57:55,640 --> 00:57:53,010  
stuff and they learn stuff and hopefully

1402  
00:57:57,140 --> 00:57:55,650  
we all move a bit closer together closer

1403  
00:58:01,430 --> 00:57:57,150  
to a better understanding of the world

1404  
00:58:03,710 --> 00:58:01,440  
that control the media I agree with you

1405  
00:58:05,690 --> 00:58:03,720  
but role of the media I mean in in

1406  
00:58:08,480 --> 00:58:05,700  
government's interest and historically

1407  
00:58:12,260 --> 00:58:08,490  
the control of media is essential to

1408  
00:58:14,750 --> 00:58:12,270  
make the population stay in line for the

1409  
00:58:17,510 --> 00:58:14,760  
society to function the way the elite

1410  
00:58:19,990 --> 00:58:17,520  
wants the society to go around basically

1411  
00:58:23,510 --> 00:58:20,000  
I mean just in the Soviet Union

1412  
00:58:26,330 --> 00:58:23,520  
incidents in the United States and how

1413  
00:58:29,840 --> 00:58:26,340

propaganda is used to communicate the

1414

00:58:32,570 --> 00:58:29,850

reasons for war and you know just like a

1415

00:58:36,110 --> 00:58:32,580

few days ago I found out that the United

1416

00:58:40,270 --> 00:58:36,120

States had tried to yet the the UN

1417

00:58:43,910 --> 00:58:40,280

Council the push for war in Iraq in 2000

1418

00:58:46,120 --> 00:58:43,920

2002 and there was a woman working in

1419

00:58:49,310 --> 00:58:46,130

the intelligence community in the UK

1420

00:58:53,210 --> 00:58:49,320

that leaked this document that proved

1421

00:58:56,020 --> 00:58:53,220

that the US was willing and able and

1422

00:58:59,180 --> 00:58:56,030

intentionally trying to disrupt the UN

1423

00:59:02,090 --> 00:58:59,190

conversations to push for basically war

1424

00:59:06,050 --> 00:59:02,100

and and I'm like why isn't this more

1425

00:59:09,320 --> 00:59:06,060

prominent today in the debate of how how

1426  
00:59:12,620 --> 00:59:09,330  
politics in war and everything revolves

1427  
00:59:15,590 --> 00:59:12,630  
in in the world why isn't this put in

1428  
00:59:18,530 --> 00:59:15,600  
the history books why isn't this this

1429  
00:59:20,450 --> 00:59:18,540  
information available easily for for

1430  
00:59:23,240 --> 00:59:20,460  
people you know put it in people's faces

1431  
00:59:25,820 --> 00:59:23,250  
they need to understand that that there

1432  
00:59:28,280 --> 00:59:25,830  
is a behavior from governments and from

1433  
00:59:30,820 --> 00:59:28,290  
corporate interests and from military

1434  
00:59:35,420 --> 00:59:30,830  
people to just get what they want to get

1435  
00:59:38,480 --> 00:59:35,430  
ego and through ego you you you get

1436  
00:59:41,780 --> 00:59:38,490  
manifestations of cooperation of a

1437  
00:59:44,480 --> 00:59:41,790  
common goal which then in turn creates a

1438  
00:59:46,610 --> 00:59:44,490

conspiracy and that's where the term

1439

00:59:48,610 --> 00:59:46,620

conspiracy becomes such a loaded term

1440

00:59:51,130 --> 00:59:48,620

because public in

1441

00:59:53,890 --> 00:59:51,140

interpretation of the word that I just

1442

00:59:57,220 --> 00:59:53,900

become worried in regards to the state

1443

01:00:00,310 --> 00:59:57,230

of the media now and how little they do

1444

01:00:03,340 --> 01:00:00,320

touch upon these critical issues and

1445

01:00:05,950 --> 01:00:03,350

instead present you trivial issues such

1446

01:00:08,590 --> 01:00:05,960

as there was a bad weather storm there

1447

01:00:10,690 --> 01:00:08,600

was a there was a drowning incident

1448

01:00:14,260 --> 01:00:10,700

there was a fire there was a it's just

1449

01:00:16,750 --> 01:00:14,270

everyday it doesn't get you anyway it

1450

01:00:19,090 --> 01:00:16,760

doesn't develop you as an individual

1451

01:00:20,350 --> 01:00:19,100

yeah well I kind of agree with that I

1452

01:00:22,900 --> 01:00:20,360

think the media isn't doing a very good

1453

01:00:26,020 --> 01:00:22,910

job of informing the public about what's

1454

01:00:27,550 --> 01:00:26,030

really going on I think yeah when you're

1455

01:00:29,460 --> 01:00:27,560

talking about that it reminds me of the

1456

01:00:33,250 --> 01:00:29,470

the term the military-industrial complex

1457

01:00:35,470 --> 01:00:33,260

he was a term coined by Eisenhower when

1458

01:00:36,670 --> 01:00:35,480

he left office he said be aware of the

1459

01:00:39,580 --> 01:00:36,680

formation of a military-industrial

1460

01:00:43,270 --> 01:00:39,590

complex which is like you know this this

1461

01:00:45,760 --> 01:00:43,280

close symbiotic relationship between the

1462

01:00:48,280 --> 01:00:45,770

military and the industry that supplies

1463

01:00:51,250 --> 01:00:48,290

the military and the government via

1464

01:00:52,810 --> 01:00:51,260

lobbying and the revolving door and this

1465

01:00:55,180 --> 01:00:52,820

is something that's obviously you know

1466

01:00:56,830 --> 01:00:55,190

come to pass and it's something that's

1467

01:00:59,320 --> 01:00:56,840

been around for a long time it is this

1468

01:01:03,780 --> 01:00:59,330

is thing that's kind of underlies a lot

1469

01:01:06,070 --> 01:01:03,790

of American near the American political

1470

01:01:08,020 --> 01:01:06,080

decisions that are made are made because

1471

01:01:09,670 --> 01:01:08,030

of the military industrial complex cause

1472

01:01:12,670 --> 01:01:09,680

us you know where the money is there in

1473

01:01:15,160 --> 01:01:12,680

that and oil is you know what's what

1474

01:01:19,150 --> 01:01:15,170

America is kind of basing all of their

1475

01:01:20,380 --> 01:01:19,160

foreign policy decisions upon so it's a

1476

01:01:23,440 --> 01:01:20,390

real thing and I think that it's

1477

01:01:25,240 --> 01:01:23,450

something that the the media like in a

1478

01:01:28,930 --> 01:01:25,250

way is just kind of like that we talked

1479

01:01:30,760 --> 01:01:28,940

about that in the 70s and here we kind

1480

01:01:32,110 --> 01:01:30,770

of know it more or less exists and now

1481

01:01:33,490 --> 01:01:32,120

we're talking about something else this

1482

01:01:35,230 --> 01:01:33,500

it's like it's just you aren't

1483

01:01:37,120 --> 01:01:35,240

interested anymore yeah you're giving

1484

01:01:41,530 --> 01:01:37,130

the public what they want not that what

1485

01:01:45,040 --> 01:01:41,540

they need for example if you focused 10%

1486

01:01:47,680 --> 01:01:45,050

or 20% of your energy and time into for

1487

01:01:49,060 --> 01:01:47,690

example digging into that problem that

1488

01:01:52,120 --> 01:01:49,070

you're just talking about in regards to

1489

01:01:55,120 --> 01:01:52,130

media behavior the relationship between

1490

01:01:57,790 --> 01:01:55,130

media military güstrow complex private

1491

01:02:01,220 --> 01:01:57,800

corporation lobbying funding of

1492

01:02:05,890 --> 01:02:01,230

presidential campaigns if you spent

1493

01:02:09,770 --> 01:02:05,900

some energy on that and presented a new

1494

01:02:12,200 --> 01:02:09,780

view of how this relationship functions

1495

01:02:13,910 --> 01:02:12,210

in presumably the United States or in

1496

01:02:16,910 --> 01:02:13,920

the world and how it affects the world

1497

01:02:19,490 --> 01:02:16,920

then I think you would have a common

1498

01:02:22,160 --> 01:02:19,500

ground that you could communicate to

1499

01:02:24,740 --> 01:02:22,170

basically any conspiratorial minded

1500

01:02:29,150 --> 01:02:24,750

person that would find a relationship

1501  
01:02:31,750 --> 01:02:29,160  
with you and kind of entrusting you with

1502  
01:02:34,849 --> 01:02:31,760  
that okay this guy really does have a

1503  
01:02:37,460 --> 01:02:34,859  
analysis of the world that I can relate

1504  
01:02:40,640 --> 01:02:37,470  
and and a level of communicating on

1505  
01:02:44,260 --> 01:02:40,650  
because what you've been doing until

1506  
01:02:48,020 --> 01:02:44,270  
this book I feel is basically just

1507  
01:02:51,320 --> 01:02:48,030  
disproving most theories that people can

1508  
01:02:54,790 --> 01:02:51,330  
come up with and without the carrot

1509  
01:02:58,340 --> 01:02:54,800  
without the alternative view point of

1510  
01:02:59,720 --> 01:02:58,350  
redirection if you if you only critique

1511  
01:03:02,330 --> 01:02:59,730  
and debunk them

1512  
01:03:04,820 --> 01:03:02,340  
you're not leaving them with a what

1513  
01:03:06,920 --> 01:03:04,830

would I say a guide to a new path or a

1514

01:03:09,950 --> 01:03:06,930

guide to a new perspective

1515

01:03:12,740 --> 01:03:09,960

you are basically perhaps I'm just

1516

01:03:15,770 --> 01:03:12,750

speculating here absolving them of their

1517

01:03:17,690 --> 01:03:15,780

belief system in a way and for many

1518

01:03:19,700 --> 01:03:17,700

people that can be positive but for some

1519

01:03:21,650 --> 01:03:19,710

people that that's not positive they

1520

01:03:24,590 --> 01:03:21,660

don't have anything to stand on and they

1521

01:03:27,680 --> 01:03:24,600

they go into defensive mode and they

1522

01:03:30,349 --> 01:03:27,690

want to protect that view of the world

1523

01:03:32,660 --> 01:03:30,359

because it's it is their sensation of

1524

01:03:35,570 --> 01:03:32,670

existing in the world in a way and that

1525

01:03:37,430 --> 01:03:35,580

is like a religious defensive mechanism

1526

01:03:39,380 --> 01:03:37,440

in a way almost so what what do you

1527

01:03:40,910 --> 01:03:39,390

think would happen if you spent time

1528

01:03:43,340 --> 01:03:40,920

yeah you know I've always kind of said

1529

01:03:45,800 --> 01:03:43,350

that before there's lots of other people

1530

01:03:47,270 --> 01:03:45,810

looking into these other issues like the

1531

01:03:48,770 --> 01:03:47,280

military industrial complex and

1532

01:03:51,500 --> 01:03:48,780

corruption and things like that or even

1533

01:03:53,480 --> 01:03:51,510

like the more mainstream conspiracy

1534

01:03:54,560 --> 01:03:53,490

theories like vaccines being harmful and

1535

01:03:56,120 --> 01:03:54,570

covered up by the pharmaceutical

1536

01:03:57,440 --> 01:03:56,130

industry life theories like that yeah I

1537

01:03:58,550 --> 01:03:57,450

don't look into those because they're

1538

01:04:01,609 --> 01:03:58,560

mainstream and there's lots of other

1539

01:04:03,770 --> 01:04:01,619

people talking about them but I have

1540

01:04:06,260 --> 01:04:03,780

found that because I haven't looked into

1541

01:04:07,820 --> 01:04:06,270

them it does in a way close off some

1542

01:04:10,160 --> 01:04:07,830

doors to me because people come and they

1543

01:04:12,230 --> 01:04:10,170

want to talk to me about those things

1544

01:04:13,730 --> 01:04:12,240

and yeah I'm not really that familiar

1545

01:04:14,630 --> 01:04:13,740

with and I'm not really familiar with

1546

01:04:16,640 --> 01:04:14,640

the whole

1547

01:04:19,640 --> 01:04:16,650

same thing or even even climate change

1548

01:04:21,800 --> 01:04:19,650

or you know things like that and even

1549

01:04:23,060 --> 01:04:21,810

even things like you know the foreign

1550

01:04:25,010 --> 01:04:23,070

policy and the military-industrial

1551  
01:04:27,740 --> 01:04:25,020  
complex I'm not that familiar with them

1552  
01:04:30,400 --> 01:04:27,750  
so I think yeah I think you may be right

1553  
01:04:32,840 --> 01:04:30,410  
maybe I should spend a bit more time

1554  
01:04:34,310 --> 01:04:32,850  
maybe maybe writing about them or maybe

1555  
01:04:37,550 --> 01:04:34,320  
like talking about them or talking to

1556  
01:04:39,680 --> 01:04:37,560  
people about about these issues so that

1557  
01:04:43,190 --> 01:04:39,690  
there's a bit more of a shared common

1558  
01:04:45,050 --> 01:04:43,200  
ground that we can we can get through to

1559  
01:04:46,970 --> 01:04:45,060  
people on and it's not just simply I'm

1560  
01:04:49,220 --> 01:04:46,980  
just picking away at the low-hanging

1561  
01:04:51,200 --> 01:04:49,230  
fruit of their extreme conspiracy

1562  
01:04:53,360 --> 01:04:51,210  
theorists that there isn't hoping though

1563  
01:04:55,790 --> 01:04:53,370

they'll move down you can have a more of

1564

01:04:59,630 --> 01:04:55,800

a basis for for that movement in the

1565

01:05:01,160 --> 01:04:59,640

other direction yeah I imagine being one

1566

01:05:03,260 --> 01:05:01,170

of those people approaching you and

1567

01:05:05,300 --> 01:05:03,270

trying to have a conversation with you

1568

01:05:07,700 --> 01:05:05,310

for example on the issues that are real

1569

01:05:10,760 --> 01:05:07,710

conspiracy conspiracies if you want to

1570

01:05:13,160 --> 01:05:10,770

call it that or and and I'll think I

1571

01:05:16,430 --> 01:05:13,170

would have the sensation of not being

1572

01:05:18,380 --> 01:05:16,440

able to establish a common ground with

1573

01:05:21,680 --> 01:05:18,390

you if you were not familiar with the

1574

01:05:24,290 --> 01:05:21,690

real what would you call your conspiracy

1575

01:05:26,570 --> 01:05:24,300

theories in the world and if if there's

1576

01:05:29,750 --> 01:05:26,580

not a common ground to be reached on

1577

01:05:32,180 --> 01:05:29,760

uncertain or just the most fundamental

1578

01:05:35,140 --> 01:05:32,190

issues in the world then you are in a

1579

01:05:38,450 --> 01:05:35,150

way maybe alienating them from from

1580

01:05:40,460 --> 01:05:38,460

perhaps even bothering to look further

1581

01:05:43,520 --> 01:05:40,470

into what you're saying as well because

1582

01:05:45,500 --> 01:05:43,530

all they see then is that you dismissing

1583

01:05:48,560 --> 01:05:45,510

a bunch of theories and stuff and they

1584

01:05:50,090 --> 01:05:48,570

it doesn't guy it it can guide them

1585

01:05:52,460 --> 01:05:50,100

somewhere depending on what kind of

1586

01:05:54,080 --> 01:05:52,470

person you are but for some people I can

1587

01:05:56,420 --> 01:05:54,090

imagine it doesn't but it's fascinating

1588

01:05:59,000 --> 01:05:56,430

to me that you've that you've had this

1589

01:06:01,520 --> 01:05:59,010

personal development into this that is

1590

01:06:04,220 --> 01:06:01,530

it is taking you somewhere and I think

1591

01:06:06,850 --> 01:06:04,230

that's really cool it's really beautiful

1592

01:06:09,710 --> 01:06:06,860

and it is like you said I would imagine

1593

01:06:13,250 --> 01:06:09,720

it's not just closing doors but it's

1594

01:06:16,010 --> 01:06:13,260

it's it's also opening doors for you to

1595

01:06:17,330 --> 01:06:16,020

look at things that you like you said

1596

01:06:19,400 --> 01:06:17,340

that you hadn't heard of before you

1597

01:06:21,200 --> 01:06:19,410

hadn't heard of these maybe aerosol

1598

01:06:23,420 --> 01:06:21,210

incident in st. Louis hadn't had been

1599

01:06:27,290 --> 01:06:23,430

for these radicals that communicated in

1600

01:06:28,549 --> 01:06:27,300

an in an extreme way and I think I think

1601

01:06:30,829 --> 01:06:28,559

that's really good I think that's

1602

01:06:33,529 --> 01:06:30,839

healthy and and for a person like you

1603

01:06:35,179 --> 01:06:33,539

you can approach I mean if you went to

1604

01:06:37,689 --> 01:06:35,189

YouTube and Alex Jones was on there

1605

01:06:40,969 --> 01:06:37,699

screaming about some you know a

1606

01:06:44,120 --> 01:06:40,979

multi-dimensional alien reptiles then

1607

01:06:47,150 --> 01:06:44,130

you would you wouldn't trust yourself to

1608

01:06:50,079 --> 01:06:47,160

have the ability to listen to him and to

1609

01:06:52,939 --> 01:06:50,089

basically just take from it what you

1610

01:06:56,299 --> 01:06:52,949

wanted to take because you have that

1611

01:06:59,089 --> 01:06:56,309

mental ability and you could find points

1612

01:07:01,189 --> 01:06:59,099

where maybe he's got a point and where

1613

01:07:04,299 --> 01:07:01,199

he is you know are giving his extreme

1614

01:07:07,489 --> 01:07:04,309

viewpoints from something that is true

1615

01:07:09,439 --> 01:07:07,499

and I think that's that's that's the

1616

01:07:11,420 --> 01:07:09,449

trust that I would want to give everyone

1617

01:07:14,420 --> 01:07:11,430

in the public the same ability that you

1618

01:07:16,339 --> 01:07:14,430

have to to go in there and analyze the

1619

01:07:19,699 --> 01:07:16,349

data that you have being presented but

1620

01:07:21,439 --> 01:07:19,709

it's not it's not it's in it's almost

1621

01:07:23,089 --> 01:07:21,449

naive of me to say that I would trust

1622

01:07:27,069 --> 01:07:23,099

that because of course you have people

1623

01:07:30,289 --> 01:07:27,079

who you know so it's it's really

1624

01:07:33,199 --> 01:07:30,299

difficult for me to to say where I would

1625

01:07:35,179 --> 01:07:33,209

draw the line I think we can't do

1626

01:07:37,489 --> 01:07:35,189

anything else but trust human

1627

01:07:40,759 --> 01:07:37,499

development yeah you kind of hear what

1628

01:07:42,589 --> 01:07:40,769

you're saying it's it's I think

1629

01:07:44,689 --> 01:07:42,599

establishing common ground is is a

1630

01:07:46,579 --> 01:07:44,699

fundamental thing for any conversation

1631

01:07:48,769 --> 01:07:46,589

if you're gonna have a true conversation

1632

01:07:51,679 --> 01:07:48,779

that you could have build rapport it's

1633

01:07:53,299 --> 01:07:51,689

like the first first step I just read a

1634

01:07:58,239 --> 01:07:53,309

book called how to have impossible

1635

01:08:00,890 --> 01:07:58,249

conversations by Peter Bogosian and he

1636

01:08:03,370 --> 01:08:00,900

he gives this this list of things Nate

1637

01:08:05,689 --> 01:08:03,380

and the first step is build rapport

1638

01:08:08,660 --> 01:08:05,699

which is just talk about something that

1639

01:08:10,370 --> 01:08:08,670

you have in common it doesn't have to be

1640

01:08:11,989 --> 01:08:10,380

simply like talking about football or

1641

01:08:13,579 --> 01:08:11,999

talking about the weather it can be it

1642

01:08:15,949 --> 01:08:13,589

can be talking about a topic that is

1643

01:08:17,839 --> 01:08:15,959

closer to the topic you actually want to

1644

01:08:19,669 --> 01:08:17,849

talk about where you you have some

1645

01:08:21,079 --> 01:08:19,679

common ground you know and of course I

1646

01:08:23,870 --> 01:08:21,089

talked about in the book find common

1647

01:08:26,149 --> 01:08:23,880

ground but it's there is usually common

1648

01:08:28,879 --> 01:08:26,159

ground that's close to the conspiracy

1649

01:08:30,349 --> 01:08:28,889

theory so you need there's a range of

1650

01:08:32,450 --> 01:08:30,359

areas where you can get this common

1651  
01:08:35,629 --> 01:08:32,460  
ground but yeah finding something you

1652  
01:08:36,740 --> 01:08:35,639  
both agree on that's related to the

1653  
01:08:39,979 --> 01:08:36,750  
types of things you're talking about

1654  
01:08:40,519 --> 01:08:39,989  
like say a government corruption of some

1655  
01:08:41,809 --> 01:08:40,529  
sort

1656  
01:08:42,400 --> 01:08:41,819  
you both agree that in this government

1657  
01:08:44,200 --> 01:08:42,410  
corrupt

1658  
01:08:46,990 --> 01:08:44,210  
and I think that's that's a vital part

1659  
01:08:48,130 --> 01:08:47,000  
of new establishing rapport if you're

1660  
01:08:50,560 --> 01:08:48,140  
going to be talking about different

1661  
01:08:52,570 --> 01:08:50,570  
types of government corruption you start

1662  
01:08:54,160 --> 01:08:52,580  
out by saying yeah this is some this is

1663  
01:08:55,720 --> 01:08:54,170

an area where I think there is genuine

1664

01:08:57,670 --> 01:08:55,730

corruption and this is an area where

1665

01:08:59,560 --> 01:08:57,680

it's being proven that that's Grimpen

1666

01:09:01,210 --> 01:08:59,570

and here it's obvious that there is

1667

01:09:05,350 --> 01:09:01,220

corruption and you know you can agree on

1668

01:09:07,050 --> 01:09:05,360

that so yeah like establishing rapport

1669

01:09:11,050 --> 01:09:07,060

and establishing kind of like a

1670

01:09:13,900 --> 01:09:11,060

foundation for a conversation is better

1671

01:09:15,370 --> 01:09:13,910

than simply throwing out debunks saying

1672

01:09:17,650 --> 01:09:15,380

like you know this thing that you

1673

01:09:19,660 --> 01:09:17,660

claimed to be true is in fact false and

1674

01:09:22,120 --> 01:09:19,670

here is why because of this so we can

1675

01:09:25,480 --> 01:09:22,130

get rid of that so if you start building

1676

01:09:28,360 --> 01:09:25,490

things up it works better than just

1677

01:09:30,070 --> 01:09:28,370

shooting things down yeah yeah because I

1678

01:09:31,240 --> 01:09:30,080

think that's just a sensation that

1679

01:09:35,830 --> 01:09:31,250

they're having that you're shooting it

1680

01:09:37,990 --> 01:09:35,840

down you you are yeah basically yeah

1681

01:09:40,990 --> 01:09:38,000

yeah that's I think that's a good way to

1682

01:09:43,810 --> 01:09:41,000

put are you shooting it down I have to

1683

01:09:47,470 --> 01:09:43,820

ask in regards to the the tick-tack UFO

1684

01:09:49,270 --> 01:09:47,480

incident after after the probably I

1685

01:09:52,750 --> 01:09:49,280

would imagine heavy critique that you

1686

01:09:55,780 --> 01:09:52,760

got for some of your interpretations of

1687

01:09:57,850 --> 01:09:55,790

seagulls and reflections in the cockpit

1688

01:10:00,280 --> 01:09:57,860

which I have to admit made me laugh a

1689

01:10:01,630 --> 01:10:00,290

little bit because if I understand that

1690

01:10:04,720 --> 01:10:01,640

you are presenting an alternative

1691

01:10:06,640 --> 01:10:04,730

explanation to kind of calm with let's

1692

01:10:09,550 --> 01:10:06,650

let's look at it more carefully and

1693

01:10:13,510 --> 01:10:09,560

let's I totally get that but it to

1694

01:10:16,240 --> 01:10:13,520

people who are let's say who have really

1695

01:10:18,190 --> 01:10:16,250

dug into the incident who have listened

1696

01:10:20,500 --> 01:10:18,200

to the witness reports from all of the

1697

01:10:24,730 --> 01:10:20,510

pilots who saw exactly the same thing or

1698

01:10:26,020 --> 01:10:24,740

the the radar where witnesses who was

1699

01:10:28,720 --> 01:10:26,030

sitting at the radar controllers who

1700

01:10:31,780 --> 01:10:28,730

have not come out and you know witness

1701

01:10:32,950 --> 01:10:31,790

that we didn't see this in this and and

1702

01:10:35,770 --> 01:10:32,960

if you take all of this into

1703

01:10:38,520 --> 01:10:35,780

consideration and a correlation of and

1704

01:10:41,110 --> 01:10:38,530

and try to draw a red line through it

1705

01:10:44,620 --> 01:10:41,120

how do you feel now about that incident

1706

01:10:49,750 --> 01:10:44,630

you feel that I think it's it's

1707

01:10:54,670 --> 01:10:49,760

unidentified objects I mean it was

1708

01:10:56,170 --> 01:10:54,680

probably flying I don't know what what's

1709

01:10:57,520 --> 01:10:56,180

what he saw and I've been

1710

01:10:58,690 --> 01:10:57,530

I've still been fairly active like the

1711

01:11:01,230 --> 01:10:58,700

last couple of days I've been spending

1712

01:11:04,720 --> 01:11:01,240

time on Twitter and I actually made a

1713

01:11:08,560 --> 01:11:04,730

small model of the the tic-tac which I

1714

01:11:10,540 --> 01:11:08,570

have right here so I can do some

1715

01:11:12,190 --> 01:11:10,550

experiments with like me and bringing it

1716

01:11:13,930 --> 01:11:12,200

closer to the camera or and bringing it

1717

01:11:15,490 --> 01:11:13,940

further away and seeing what it looks

1718

01:11:17,530 --> 01:11:15,500

like in the distance and seeing if I can

1719

01:11:20,620 --> 01:11:17,540

match up the video so it's still active

1720

01:11:23,470 --> 01:11:20,630

ongoing discussion one of these videos

1721

01:11:25,840 --> 01:11:23,480

show the the eyewitness accounts I think

1722

01:11:28,090 --> 01:11:25,850

are a bit variable like for example

1723

01:11:32,200 --> 01:11:28,100

you've got like an interview with Chad

1724

01:11:34,540 --> 01:11:32,210

Underwood who is a guy who is he took

1725

01:11:37,360 --> 01:11:34,550

the video at the famous video of the the

1726

01:11:39,430 --> 01:11:37,370

tic-tac in the distance and in his

1727

01:11:41,770 --> 01:11:39,440

interview he talks about the incredible

1728

01:11:43,570 --> 01:11:41,780

maneuvers that it made then in the

1729

01:11:45,820 --> 01:11:43,580

interview it makes it seem like he

1730

01:11:47,230 --> 01:11:45,830

actually saw these maneuvers but really

1731

01:11:49,270 --> 01:11:47,240

he's talking about what other people

1732

01:11:51,520 --> 01:11:49,280

said they saw and so you get all this

1733

01:11:54,730 --> 01:11:51,530

kind of conflation of these different

1734

01:11:57,520 --> 01:11:54,740

accounts and it seems like you've got

1735

01:11:59,790 --> 01:11:57,530

this one cohesive whole when really you

1736

01:12:03,130 --> 01:11:59,800

still have really all these separate

1737

01:12:05,560 --> 01:12:03,140

accounts you have the the video which

1738

01:12:07,150 --> 01:12:05,570

shows this black fuzzy dot like far away

1739

01:12:09,220 --> 01:12:07,160

and the distance that kind of jumps

1740

01:12:12,550 --> 01:12:09,230

around as they change the camera zoom

1741

01:12:14,620 --> 01:12:12,560

lenses and the infrared visible yeah you

1742

01:12:18,460 --> 01:12:14,630

have people talking about radar returns

1743

01:12:21,100 --> 01:12:18,470

where this object was at 20,000 feet and

1744

01:12:22,890 --> 01:12:21,110

it dropped to 500 feet and or underneath

1745

01:12:26,970 --> 01:12:22,900

the water depending on who you talk to

1746

01:12:29,770 --> 01:12:26,980

yeah and then you have the accounts of

1747

01:12:32,140 --> 01:12:29,780

commander flavor and the the the other

1748

01:12:35,260 --> 01:12:32,150

pilot who said that they were vetted out

1749

01:12:37,890 --> 01:12:35,270

to a certain location and then it looked

1750

01:12:41,740 --> 01:12:37,900

down and they saw this this this little

1751

01:12:43,930 --> 01:12:41,750

tic-tac thing flying around above the

1752

01:12:46,270 --> 01:12:43,940

surface of the water and then they flew

1753

01:12:49,300 --> 01:12:46,280

down and it flew around them and then it

1754

01:12:51,310 --> 01:12:49,310

zipped off away horizontally these are

1755

01:12:53,710 --> 01:12:51,320

all different things they don't really

1756

01:12:55,750 --> 01:12:53,720

correlate like the you know being

1757

01:12:57,700 --> 01:12:55,760

vectored to a particular location that

1758

01:13:00,190 --> 01:12:57,710

was just you pretty much anywhere within

1759

01:13:02,890 --> 01:13:00,200

like five mile square radius because

1760

01:13:05,260 --> 01:13:02,900

there that they got to the location that

1761

01:13:07,000 --> 01:13:05,270

they're still going at 200 miles an hour

1762

01:13:08,650 --> 01:13:07,010

and it takes a little while before they

1763

01:13:10,030 --> 01:13:08,660

finally spot something and that's like

1764

01:13:12,400 --> 01:13:10,040

20,000 feet down

1765

01:13:14,740 --> 01:13:12,410

which 20,000 fetus is like four miles

1766

01:13:16,860 --> 01:13:14,750

down and you know who knows what angle

1767

01:13:20,020 --> 01:13:16,870

that's that so it's probably miles away

1768

01:13:21,400 --> 01:13:20,030

and that's they didn't see some things

1769

01:13:23,320 --> 01:13:21,410

drop out of the sky which is what the

1770

01:13:24,670 --> 01:13:23,330

radar saw and they didn't see something

1771

01:13:26,500 --> 01:13:24,680

far away in the distance moving very

1772

01:13:29,020 --> 01:13:26,510

slowly which is what Chad Underwood

1773

01:13:29,950 --> 01:13:29,030

filmed in his fuzzy little video so

1774

01:13:31,990 --> 01:13:29,960

you've got all these different things

1775

01:13:33,280 --> 01:13:32,000

and people put them all together and

1776

01:13:35,200 --> 01:13:33,290

then they say like oh people on the ship

1777

01:13:36,850 --> 01:13:35,210

we're using these these big eye

1778

01:13:39,220 --> 01:13:36,860

binoculars to see these little white

1779

01:13:40,870 --> 01:13:39,230

specks off in the distance those white

1780

01:13:43,330 --> 01:13:40,880

specks I'm afraid to say might have

1781

01:13:44,770 --> 01:13:43,340

actually been seagulls people take all

1782

01:13:45,880 --> 01:13:44,780

these things and they say oh there's all

1783

01:13:48,250 --> 01:13:45,890

these people having all these different

1784

01:13:51,030 --> 01:13:48,260

sightings and that means that there

1785

01:13:54,310 --> 01:13:51,040

definitely was something going on Oh

1786

01:13:55,510 --> 01:13:54,320

does it really mean from what ie from

1787

01:13:57,160 --> 01:13:55,520

what I understand there were three

1788

01:13:58,600 --> 01:13:57,170

different incidents is that correct one

1789

01:14:01,450 --> 01:13:58,610

on the East Coast one on the west coast

1790

01:14:03,340 --> 01:14:01,460

and no two on the west coast and one on

1791

01:14:05,590 --> 01:14:03,350

the East Coast right there is basically

1792

01:14:10,210 --> 01:14:05,600

two incidents those the the nimitz

1793

01:14:11,080 --> 01:14:10,220

incident which happened in 2003 or

1794

01:14:13,180 --> 01:14:11,090

something like that

1795

01:14:14,770 --> 01:14:13,190

quite a while ago and then there's a

1796

01:14:16,630 --> 01:14:14,780

more recent one which happened on the

1797

01:14:18,760 --> 01:14:16,640

East Coast which has two videos called

1798

01:14:21,010 --> 01:14:18,770

the the go-fast video and the gimbal

1799

01:14:22,840 --> 01:14:21,020

video we should be shot within minutes

1800

01:14:24,940 --> 01:14:22,850

of each other and from the same plane

1801  
01:14:26,920 --> 01:14:24,950  
with the same people and they just

1802  
01:14:28,630 --> 01:14:26,930  
showed two different unidentified

1803  
01:14:29,860 --> 01:14:28,640  
objects that they picked up using the

1804  
01:14:33,250 --> 01:14:29,870  
Fleur system they're forward-looking

1805  
01:14:35,020 --> 01:14:33,260  
infrared camera the second incident the

1806  
01:14:38,200 --> 01:14:35,030  
later incident has a different set of

1807  
01:14:39,700 --> 01:14:38,210  
people entirely and originally it was

1808  
01:14:41,170 --> 01:14:39,710  
just these two videos but I think some

1809  
01:14:43,960 --> 01:14:41,180  
guys have stepped forward and said oh

1810  
01:14:46,810 --> 01:14:43,970  
yeah we occasionally see these weird

1811  
01:14:48,820 --> 01:14:46,820  
flying objects and they have some

1812  
01:14:49,990 --> 01:14:48,830  
various accounts of them but the main

1813  
01:14:51,430 --> 01:14:50,000

one people are interested in is the

1814

01:14:53,230 --> 01:14:51,440

nimitz incident because there's so many

1815

01:14:55,120 --> 01:14:53,240

different people have come out to

1816

01:14:57,430 --> 01:14:55,130

discuss what they saw or what they heard

1817

01:14:58,810 --> 01:14:57,440

or what it's not on the radar or you

1818

01:15:02,080 --> 01:14:58,820

know some people like say they saw the

1819

01:15:03,010 --> 01:15:02,090

original video and it's more detailed so

1820

01:15:04,990 --> 01:15:03,020

there's a lot more people can be

1821

01:15:06,780 --> 01:15:05,000

involved in that one something I've been

1822

01:15:10,180 --> 01:15:06,790

talking about and that's what the

1823

01:15:12,100 --> 01:15:10,190

tic-tac actually is yeah I took that

1824

01:15:17,410 --> 01:15:12,110

model it's a cute little I gotta make

1825

01:15:20,020 --> 01:15:17,420

more of those is a serious function in

1826  
01:15:22,570 --> 01:15:20,030  
that I can use it to test our hypotheses

1827  
01:15:23,560 --> 01:15:22,580  
for what does something look like on

1828  
01:15:24,820 --> 01:15:23,570  
video Wilson

1829  
01:15:27,100 --> 01:15:24,830  
thing that shaped like this actually

1830  
01:15:30,550 --> 01:15:27,110  
creates the shapes that we can see on

1831  
01:15:33,340 --> 01:15:30,560  
the actual video but yes yeah my ear

1832  
01:15:35,200 --> 01:15:33,350  
Emmett III I do have a fuller camera

1833  
01:15:36,850 --> 01:15:35,210  
it's on my desk somewhere down but it's

1834  
01:15:38,440 --> 01:15:36,860  
not a very high resolution one and it's

1835  
01:15:40,450 --> 01:15:38,450  
not actually the same wavelength so it

1836  
01:15:42,940 --> 01:15:40,460  
doesn't actually create the same thing

1837  
01:15:44,230 --> 01:15:42,950  
however a lot of that video from the

1838  
01:15:48,970 --> 01:15:44,240

nimitz encounter is actually in

1839

01:15:51,190 --> 01:15:48,980

invisible light oh yes signature no it's

1840

01:15:54,580 --> 01:15:51,200

just it's just it's the actual object

1841

01:15:56,860 --> 01:15:54,590

itself that you are see okay it's only

1842

01:15:57,730 --> 01:15:56,870

black which means that it's backlit

1843

01:16:00,280 --> 01:15:57,740

which means all you're seeing

1844

01:16:02,200 --> 01:16:00,290

essentially is the shape of the object

1845

01:16:04,150 --> 01:16:02,210

and it's really fuzzy which means it's

1846

01:16:08,380 --> 01:16:04,160

out of focus but because it's so so far

1847

01:16:11,680 --> 01:16:08,390

away so so I can I can actually

1848

01:16:13,690 --> 01:16:11,690

replicate the conditions using a scale

1849

01:16:16,810 --> 01:16:13,700

model this is a reasonable sale scale

1850

01:16:18,880 --> 01:16:16,820

what I used to use my my iPhone earbud

1851

01:16:21,010 --> 01:16:18,890

case and before then I was actually

1852

01:16:22,690 --> 01:16:21,020

using a real tic-tac which which is a

1853

01:16:24,730 --> 01:16:22,700

bit impractical because it's you know

1854

01:16:25,960 --> 01:16:24,740

it's that's not big but yeah it's I'm

1855

01:16:27,190 --> 01:16:25,970

going discussion hopefully I'm going to

1856

01:16:29,670 --> 01:16:27,200

speak to some of the people who were

1857

01:16:33,340 --> 01:16:29,680

involved at some point and maybe we can

1858

01:16:35,350 --> 01:16:33,350

reach some common ground yeah what do

1859

01:16:36,880 --> 01:16:35,360

you like I mean you what you want to get

1860

01:16:39,190 --> 01:16:36,890

to the truth that's that's basically the

1861

01:16:47,230 --> 01:16:39,200

point yeah I guess lutely yet like what

1862

01:16:51,580 --> 01:16:47,240

is the truth and and if am I gonna put

1863

01:16:54,880 --> 01:16:51,590

this if like like the Navy coming out

1864

01:16:56,740 --> 01:16:54,890

and basically saying that yeah these

1865

01:16:59,290 --> 01:16:56,750

videos are real and and and it's

1866

01:17:01,000 --> 01:16:59,300

unidentified and it's and that's that's

1867

01:17:04,870 --> 01:17:01,010

all there is to it

1868

01:17:06,790 --> 01:17:04,880

you feel that it it makes the case more

1869

01:17:08,470 --> 01:17:06,800

serious in a way I've always assumed

1870

01:17:11,320 --> 01:17:08,480

that the videos were real and that they

1871

01:17:13,690 --> 01:17:11,330

show some unidentified object and they

1872

01:17:15,280 --> 01:17:13,700

show little black dots how can you

1873

01:17:18,370 --> 01:17:15,290

identify there's no way of identifying

1874

01:17:20,110 --> 01:17:18,380

it from those videos and people said

1875

01:17:22,390 --> 01:17:20,120

that the videos were hoaxed or faked by

1876

01:17:24,310 --> 01:17:22,400

you know I never saw any indication of

1877

01:17:26,410 --> 01:17:24,320

that before and I always worked with the

1878

01:17:29,590 --> 01:17:26,420

assumption from the very start when the

1879

01:17:30,670 --> 01:17:29,600

videos came out and well that the the

1880

01:17:32,170 --> 01:17:30,680

pneumix when I've been out for a long

1881

01:17:34,300 --> 01:17:32,180

time but the other two came out in

1882

01:17:36,370 --> 01:17:34,310

December 2017 from the very start I was

1883

01:17:37,419 --> 01:17:36,380

analyzing them as if they were genuine

1884

01:17:41,590 --> 01:17:37,429

video shot

1885

01:17:43,510 --> 01:17:41,600

a navy Navy plane with real pilots and

1886

01:17:44,979 --> 01:17:43,520

real objects you know that wasn't that

1887

01:17:48,490 --> 01:17:44,989

changed nothing to me either

1888

01:17:51,669 --> 01:17:48,500

but then people take this this the Navy

1889

01:17:54,040 --> 01:17:51,679

says the videos are real as if it means

1890

01:17:56,290 --> 01:17:54,050

the Navy says that alien space yeah

1891

01:17:59,140 --> 01:17:56,300

after real yeah which is a bit of a leap

1892

01:18:01,870 --> 01:17:59,150

all it means is that Oh a pilot in a

1893

01:18:03,040 --> 01:18:01,880

navy plane shot this video yeah that's

1894

01:18:05,530 --> 01:18:03,050

all it means that we couldn't identify

1895

01:18:07,030 --> 01:18:05,540

this thing it's long as you couldn't

1896

01:18:09,250 --> 01:18:07,040

identify this thing because it was tiny

1897

01:18:11,169 --> 01:18:09,260

I mean you can't identify everything

1898

01:18:12,850 --> 01:18:11,179

that's on the table behind me because

1899

01:18:15,220 --> 01:18:12,860

it's it's just too small to see it's

1900

01:18:16,959 --> 01:18:15,230

just too far away if it's big enough can

1901

01:18:19,810 --> 01:18:16,969

identify it I can bring things closer

1902

01:18:22,840 --> 01:18:19,820

you can identify it you got this typical

1903

01:18:25,000 --> 01:18:22,850

low information situation for all UFOs

1904

01:18:26,080 --> 01:18:25,010

where you you can't identify them and

1905

01:18:27,970 --> 01:18:26,090

they remain unidentified

1906

01:18:29,410 --> 01:18:27,980

not because they're weird shapes or

1907

01:18:31,770 --> 01:18:29,420

anything like that but because they're

1908

01:18:34,750 --> 01:18:31,780

too far away

1909

01:18:37,240 --> 01:18:34,760

it's a have you heard of a group called

1910

01:18:39,399 --> 01:18:37,250

the disclosure project and a character

1911

01:18:39,970 --> 01:18:39,409

called Steven Greer oh yeah yeah I've

1912

01:18:41,260 --> 01:18:39,980

heard of them

1913

01:18:43,330 --> 01:18:41,270

I haven't looked into you too much I

1914

01:18:46,419 --> 01:18:43,340

think I watched the presentation that

1915

01:18:49,140 --> 01:18:46,429

they did where they had a bunch of old

1916

01:18:52,750 --> 01:18:49,150

men old men for want of a better retired

1917

01:18:55,120 --> 01:18:52,760

government and military officials who

1918

01:18:57,550 --> 01:18:55,130

stood up and said I saw a light outside

1919

01:18:59,919 --> 01:18:57,560

a nuclear silo and things like that and

1920

01:19:01,419 --> 01:18:59,929

this went on for some time and you know

1921

01:19:03,850 --> 01:19:01,429

it seemed like it was a big weight of

1922

01:19:08,110 --> 01:19:03,860

evidence there that there were commonly

1923

01:19:11,979 --> 01:19:08,120

mysterious craft buzzing various places

1924

01:19:13,090 --> 01:19:11,989

and sneer gear say this was but then you

1925

01:19:14,830 --> 01:19:13,100

look at some of the other stuff the gear

1926

01:19:17,770 --> 01:19:14,840

puts out like he I think he posted a

1927

01:19:19,780 --> 01:19:17,780

picture of a campfire he and there was

1928

01:19:21,669 --> 01:19:19,790

like a silhouette or something sat in

1929

01:19:23,470 --> 01:19:21,679

one of the chairs around the campfire

1930

01:19:26,229 --> 01:19:23,480

and it's just like you're ridiculous

1931

01:19:27,939 --> 01:19:26,239

nonsense so you don't really make it

1932

01:19:29,740 --> 01:19:27,949

seem I mentioned trust is older stuff

1933

01:19:32,050 --> 01:19:29,750

either I don't know if I told you but I

1934

01:19:35,560 --> 01:19:32,060

was very involved with that group of

1935

01:19:37,120 --> 01:19:35,570

people I traveled to the yeah I talk

1936

01:19:40,780 --> 01:19:37,130

about this in the previous podcast in a

1937

01:19:43,360 --> 01:19:40,790

way I'm wearing two UFOs yeah and

1938

01:19:45,280 --> 01:19:43,370

popsicles heck with them basically we

1939

01:19:48,580 --> 01:19:45,290

were going out doing these meditations

1940

01:19:50,830 --> 01:19:48,590

with Steven gray and it was it was

1941

01:19:51,219 --> 01:19:50,840

basically a cult it really was it was a

1942

01:19:56,799 --> 01:19:51,229

call

1943

01:19:58,209 --> 01:19:56,809

but interesting he um he put out a was

1944

01:20:01,899 --> 01:19:58,219

something that he was worried about

1945

01:20:03,819 --> 01:20:01,909

Stephen gray he put out this he also did

1946

01:20:06,729 --> 01:20:03,829

it during the press conference in 2001

1947

01:20:08,080 --> 01:20:06,739

where he what he's worried about is that

1948

01:20:10,479 --> 01:20:08,090

this is going to end up in military

1949

01:20:12,810 --> 01:20:10,489

hands and that the whole topic is going

1950

01:20:16,089 --> 01:20:12,820

to be basically put into a militarized

1951

01:20:19,660 --> 01:20:16,099

perspective and then I went on History

1952

01:20:22,229 --> 01:20:19,670

Channel and I watched this new blink-182

1953

01:20:27,879 --> 01:20:26,020

Tom DeLonge and this Starlite

1954

01:20:30,129 --> 01:20:27,889

organization and everything and that

1955

01:20:33,339 --> 01:20:30,139

there it's full of former military

1956

01:20:36,759 --> 01:20:33,349

people and Pentagon officials and

1957

01:20:38,680 --> 01:20:36,769

they're going around investigating this

1958

01:20:41,350 --> 01:20:38,690

subject in the wrong way

1959

01:20:43,899 --> 01:20:41,360

trying to get witnesses allegedly

1960

01:20:48,430 --> 01:20:43,909

material and all this stuff but it's

1961

01:20:52,390 --> 01:20:48,440

only a group of military people and the

1962

01:20:54,459 --> 01:20:52,400

whole TV series is the putting on this

1963

01:20:58,169 --> 01:20:54,469

music of course that is really hyped up

1964

01:21:02,500 --> 01:20:58,179

and it's exciting and intense and it's

1965

01:21:05,680 --> 01:21:02,510

spooky and the whole language with with

1966

01:21:07,989 --> 01:21:05,690

with in the TV series and the way that

1967

01:21:10,689 --> 01:21:07,999

they're talking about this subject is as

1968

01:21:14,500 --> 01:21:10,699

if it's the question of a threat the

1969

01:21:17,879 --> 01:21:14,510

question of intent and the possibility

1970

01:21:22,000 --> 01:21:17,889

that they can have with this technology

1971

01:21:24,479 --> 01:21:22,010

if if they are here if you know ETS and

1972

01:21:28,089 --> 01:21:24,489

what what they want to do with us and

1973

01:21:31,629 --> 01:21:28,099

they are communicating this nimitz

1974

01:21:34,689 --> 01:21:31,639

incident as if it was a way of

1975

01:21:39,040 --> 01:21:34,699

demonstrating technology from their side

1976

01:21:41,830 --> 01:21:39,050

and what they're capable of as in a kind

1977

01:21:43,750 --> 01:21:41,840

of a threatening behavior and I'm I have

1978

01:21:47,199 --> 01:21:43,760

to say I'm really worried that this is

1979

01:21:52,000 --> 01:21:47,209

being shown in this way but it's being

1980

01:21:54,969 --> 01:21:52,010

presented in the spooky kind of

1981

01:21:58,149 --> 01:21:54,979

militaristic sense and that this has

1982

01:22:00,669 --> 01:21:58,159

been left to military people I think

1983

01:22:02,589 --> 01:22:00,679

that's the last people who should have

1984

01:22:03,669 --> 01:22:02,599

this issue I'm not sure if I have the

1985

01:22:05,830 --> 01:22:03,679

same

1986

01:22:09,010 --> 01:22:05,840

so that when I look at the to the start

1987

01:22:10,600 --> 01:22:09,020

Academy this is obviously the one

1988

01:22:12,939 --> 01:22:10,610

military guy Lou

1989

01:22:14,820 --> 01:22:12,949

Elizondo he was military but he was

1990

01:22:19,270 --> 01:22:14,830

involved in I think like something like

1991

01:22:21,790 --> 01:22:19,280

bodyguard details and classifying

1992

01:22:23,050 --> 01:22:21,800

documents I mean he wasn't like a secret

1993

01:22:25,930 --> 01:22:23,060

agent or something like that he wasn't

1994

01:22:28,899 --> 01:22:25,940

like you know Navy SEAL only he was like

1995

01:22:31,000 --> 01:22:28,909

a long time ago but yeah he is basically

1996

01:22:34,450 --> 01:22:31,010

a bureaucrat and then you have Chris

1997

01:22:37,930 --> 01:22:34,460

Mellon assistant to the assistant deputy

1998

01:22:38,530 --> 01:22:37,940

secretary for defense which sounds very

1999

01:22:41,680 --> 01:22:38,540

impressive

2000

01:22:43,360 --> 01:22:41,690

but it's yeah yeah down is really down

2001

01:22:46,860 --> 01:22:43,370

the hierarchy there's lots of assistant

2002

01:22:49,060 --> 01:22:46,870

secretaries assistant deputy secretaries

2003

01:22:52,780 --> 01:22:49,070

he's the government guy he's not really

2004

01:22:56,709 --> 01:22:52,790

a military guy and you've got Washington

2005

01:22:59,590 --> 01:22:56,719

named justice Steve just Asst he outside

2006

01:23:01,570 --> 01:22:59,600

I believe at Lockheed Martin headed over

2007

01:23:03,760 --> 01:23:01,580

scope works thank you said luck I think

2008

01:23:08,020 --> 01:23:03,770

he's luck he's not in military you know

2009

01:23:09,669 --> 01:23:08,030

military industrial company and again

2010

01:23:13,720 --> 01:23:09,679

he's not really military he's an

2011

01:23:15,580 --> 01:23:13,730

engineer and an engineering manager for

2012

01:23:17,590 --> 01:23:15,590

the last like 20 years or so he managed

2013

01:23:19,290 --> 01:23:17,600

teams of people he's an engineer he's

2014

01:23:22,600 --> 01:23:19,300

got patents and things he's a clever guy

2015

01:23:24,640 --> 01:23:22,610

and you've got help it off who's not

2016

01:23:26,830 --> 01:23:24,650

military at all unless he did some kind

2017

01:23:30,399 --> 01:23:26,840

of national service a long time ago he's

2018

01:23:33,220 --> 01:23:30,409

a former Scientologists and you know a

2019

01:23:35,979 --> 01:23:33,230

big can I really yeah yeah a long time

2020

01:23:38,169 --> 01:23:35,989

ago he I think he left in the seventies

2021

01:23:40,870 --> 01:23:38,179

he's a guy who basically works in or

2022

01:23:42,850 --> 01:23:40,880

alternative science like theorizing

2023

01:23:45,459 --> 01:23:42,860

about war crimes and things like that

2024

01:23:48,100 --> 01:23:45,469

and he's doing very interested in UFOs

2025

01:23:49,600 --> 01:23:48,110

and there's some other people whose

2026

01:23:50,890 --> 01:23:49,610

names I don't remember but it's not I

2027

01:23:53,560 --> 01:23:50,900

don't really see it as being

2028

01:23:54,729 --> 01:23:53,570

particularly this militaristic thing you

2029

01:23:58,450 --> 01:23:54,739

know they do have these connections to

2030

01:24:01,660 --> 01:23:58,460

the military they they just his he's

2031

01:24:03,490 --> 01:24:01,670

headed by a rock star yeah long from

2032

01:24:04,990 --> 01:24:03,500

blink 182 so that's not military at all

2033

01:24:07,990 --> 01:24:05,000

that you could say that's just some kind

2034

01:24:09,790 --> 01:24:08,000

of shield then they had this recent

2035

01:24:10,780 --> 01:24:09,800

thing where they they signed this I

2036

01:24:12,419 --> 01:24:10,790

think it's called a CRADA

2037

01:24:14,680 --> 01:24:12,429

that's kind of a common research

2038

01:24:16,930 --> 01:24:14,690

application development agreement or

2039

01:24:19,180 --> 01:24:16,940

something either with the earth

2040

01:24:21,700 --> 01:24:19,190

with with the army not the other the

2041

01:24:25,030 --> 01:24:21,710

army okay yes and not just the army

2042

01:24:29,470 --> 01:24:25,040

specifically ground vehicles within the

2043

01:24:31,630 --> 01:24:29,480

army well you think like you but they've

2044

01:24:34,930 --> 01:24:31,640

got UFO technology why are they

2045

01:24:38,370 --> 01:24:34,940

researching it for ground vehicles yeah

2046

01:24:41,530 --> 01:24:38,380

and I think what it actually is is that

2047

01:24:43,420 --> 01:24:41,540

the to the Stars Academy the Tom

2048

01:24:46,060 --> 01:24:43,430

DeLong's company which has all these

2049

01:24:48,280 --> 01:24:46,070

people in it they they figured out the

2050

01:24:49,630 --> 01:24:48,290

way to get into the military was to

2051

01:24:51,580 --> 01:24:49,640

assign one of these these cried

2052

01:24:53,979 --> 01:24:51,590

agreements and the way they figured out

2053

01:24:55,450 --> 01:24:53,989

and doing it was to first of all signed

2054

01:24:58,450 --> 01:24:55,460

a partnership agreement with this other

2055

01:25:00,070 --> 01:24:58,460

company trooper global true cleared

2056

01:25:01,510 --> 01:25:00,080

global as to named this company so the

2057

01:25:04,330 --> 01:25:01,520

to the Stars Academy signs that with

2058

01:25:06,100 --> 01:25:04,340

true clear global truth to Klug Global's

2059

01:25:10,030 --> 01:25:06,110

thing is they they're in advertising

2060

01:25:11,800 --> 01:25:10,040

display company they make projectors and

2061

01:25:13,209 --> 01:25:11,810

screens that people come like project

2062

01:25:16,360 --> 01:25:13,219

things onto the sides of buildings or

2063

01:25:18,700 --> 01:25:16,370

onto screens and things yeah the

2064

01:25:22,420 --> 01:25:18,710

military is interested in what they call

2065

01:25:26,170 --> 01:25:22,430

active camouflage which means in this

2066

01:25:28,450 --> 01:25:26,180

context sometimes projecting images of

2067

01:25:29,920 --> 01:25:28,460

things in front of other things and

2068

01:25:32,320 --> 01:25:29,930

making it look like they're not there

2069

01:25:34,240 --> 01:25:32,330

I say you're a desert you project an

2070

01:25:35,770 --> 01:25:34,250

image of the sky behind tank onto a

2071

01:25:37,930 --> 01:25:35,780

screen in front of the tank and it makes

2072

01:25:40,930 --> 01:25:37,940

it look like that they're not there no

2073

01:25:42,939 --> 01:25:40,940

true clear global has this technology

2074

01:25:44,709 --> 01:25:42,949

and they were just this this little

2075

01:25:47,140 --> 01:25:44,719

advertising projection company they

2076

01:25:49,060 --> 01:25:47,150

wanted to get into the military somebody

2077

01:25:51,520 --> 01:25:49,070

knows somebody and they say oh Tom

2078

01:25:53,200 --> 01:25:51,530

DeLonge you know has this Lou Elizondo

2079

01:25:55,840 --> 01:25:53,210

has some contacts in the Pentagon still

2080

01:25:58,750 --> 01:25:55,850

if so we can sign up with two stars

2081

01:26:01,120 --> 01:25:58,760

Academy and then who use his contacts

2082

01:26:03,580 --> 01:26:01,130

just sign this krodha so that the

2083

01:26:04,990 --> 01:26:03,590

military can get this yes active

2084

01:26:06,459 --> 01:26:05,000

camouflage stuff that they're interested

2085

01:26:08,979 --> 01:26:06,469

in which is basically just fancy

2086

01:26:11,740 --> 01:26:08,989

projection screens and yeah icon this

2087

01:26:13,330 --> 01:26:11,750

stuff about analyzing materials onto

2088

01:26:16,570 --> 01:26:13,340

this crud er which gives us access

2089

01:26:17,709 --> 01:26:16,580

government labs and so I think that's

2090

01:26:19,600 --> 01:26:17,719

pretty much what happened I don't think

2091

01:26:22,330 --> 01:26:19,610

the military is really expecting that

2092

01:26:24,100 --> 01:26:22,340

people sending in random bits of metal

2093

01:26:26,050 --> 01:26:24,110

they found on the roadside after they

2094

01:26:29,169 --> 01:26:26,060

think they saw a UFO is really going to

2095

01:26:30,729 --> 01:26:29,179

go anywhere right really interested in

2096

01:26:32,500 --> 01:26:30,739

is just this active

2097

01:26:34,149 --> 01:26:32,510

life's tough and if something comes out

2098

01:26:36,549 --> 01:26:34,159

of the the other stuff that would be

2099

01:26:40,479 --> 01:26:36,559

great but it's not really like the main

2100

01:26:43,149 --> 01:26:40,489

focus so okay it feels like from the

2101

01:26:45,879 --> 01:26:43,159

outside there's this big big thing going

2102

01:26:47,729 --> 01:26:45,889

on like there's this company disclosing

2103

01:26:50,410 --> 01:26:47,739

UFO technology and they've got this

2104

01:26:53,109 --> 01:26:50,420

secret agreement to work with the Army

2105

01:26:55,390 --> 01:26:53,119

in their labs but really the you could

2106

01:26:57,399 --> 01:26:55,400

look into it it doesn't really seem to

2107

01:27:00,009 --> 01:26:57,409

be that much there there's not really

2108

01:27:01,390 --> 01:27:00,019

very much going on military why's there

2109

01:27:06,060 --> 01:27:01,400

there's no real connections to the

2110

01:27:08,709 --> 01:27:06,070

military it's just like oh yeah I'm sure

2111

01:27:10,299 --> 01:27:08,719

maybe there is you know like you said

2112

01:27:11,950 --> 01:27:10,309

earlier like we can't rule things out a

2113

01:27:13,839 --> 01:27:11,960

hundred percent see maybe this is all

2114

01:27:16,629 --> 01:27:13,849

part of some great plot to disclose

2115

01:27:18,939 --> 01:27:16,639

things in a very strange way by first of

2116

01:27:21,069 --> 01:27:18,949

all softening up the public by having

2117

01:27:22,600 --> 01:27:21,079

Tom DeLonge explain things and then the

2118

01:27:24,279 --> 01:27:22,610

aliens will sell off their ship on to

2119

01:27:27,549 --> 01:27:24,289

the White House lawn in a few years time

2120

01:27:30,430 --> 01:27:27,559

I think no I think it's just a bunch of

2121

01:27:31,989 --> 01:27:30,440

guys who are interested in UFOs who

2122

01:27:34,089 --> 01:27:31,999

found themselves in various positions

2123

01:27:36,279 --> 01:27:34,099

and then they got together and they

2124

01:27:38,140 --> 01:27:36,289

thought well let's let's do some more

2125

01:27:40,839 --> 01:27:38,150

UFO stuff it's cool I really am really

2126  
01:27:44,169 --> 01:27:40,849  
into UFOs Harry Reid a big politician in

2127  
01:27:47,859 --> 01:27:44,179  
the US for Masada his form of a house

2128  
01:27:50,020 --> 01:27:47,869  
Majority Leader leader in the house yeah

2129  
01:27:51,819 --> 01:27:50,030  
so it's like you know he you think he

2130  
01:27:54,279 --> 01:27:51,829  
would already know if there was a lian's

2131  
01:27:55,810 --> 01:27:54,289  
up there because he has access to the

2132  
01:27:57,160 --> 01:27:55,820  
military because he's like the leader of

2133  
01:27:59,859 --> 01:27:57,170  
the house thing of this leader of the

2134  
01:28:01,450 --> 01:27:59,869  
Senate I believe if you don't have

2135  
01:28:03,100 --> 01:28:01,460  
access to all these committees that we

2136  
01:28:05,439 --> 01:28:03,110  
should know this this secret stuff and

2137  
01:28:06,790 --> 01:28:05,449  
yeah he's here's his funneling 25

2138  
01:28:09,910 --> 01:28:06,800

million dollars to his friends company

2139

01:28:13,390 --> 01:28:09,920

to investigate UFOs this way just cuz

2140

01:28:16,750 --> 01:28:13,400

it's a UFO family yeah yeah yeah but do

2141

01:28:19,750 --> 01:28:16,760

you think regardless of this this human

2142

01:28:21,700 --> 01:28:19,760

behavior in in within these communities

2143

01:28:23,259 --> 01:28:21,710

and groups do you think they're do you

2144

01:28:26,830 --> 01:28:23,269

think it's likely that we are being

2145

01:28:31,359 --> 01:28:26,840

visited now no I don't think it's my

2146

01:28:33,370 --> 01:28:31,369

plane I think the evidence for visitors

2147

01:28:35,919 --> 01:28:33,380

is very sketchy if you look at all the

2148

01:28:37,959 --> 01:28:35,929

things that people say and attribute to

2149

01:28:38,830 --> 01:28:37,969

alien visitations they're all over the

2150

01:28:41,560 --> 01:28:38,840

net there's all kinds of different

2151  
01:28:43,629 --> 01:28:41,570  
things going on if you think like how

2152  
01:28:46,839 --> 01:28:43,639  
could aliens get here let's go

2153  
01:28:48,879 --> 01:28:46,849  
problem like you know it's yeah yeah

2154  
01:28:49,899 --> 01:28:48,889  
they're gonna they're gonna make maybe

2155  
01:28:51,759 --> 01:28:49,909  
they've got faster-than-light

2156  
01:28:53,350 --> 01:28:51,769  
teleportation things maybe I can just

2157  
01:28:55,689 --> 01:28:53,360  
zip around the universe but you know we

2158  
01:28:58,149 --> 01:28:55,699  
have no evidence of that so we could

2159  
01:29:00,520 --> 01:28:58,159  
hypothesize all kinds of magical type

2160  
01:29:01,959 --> 01:29:00,530  
things that might explain lights in the

2161  
01:29:03,549 --> 01:29:01,969  
sky but you know why not just say

2162  
01:29:05,770 --> 01:29:03,559  
they're just lights in the sky and

2163  
01:29:07,839 --> 01:29:05,780

mistaken them for something else saying

2164

01:29:09,399 --> 01:29:07,849

we see lights in the sky and we heard

2165

01:29:11,379 --> 01:29:09,409

people being abducted from the bedrooms

2166

01:29:12,639 --> 01:29:11,389

does that mean that aliens are visiting

2167

01:29:15,699 --> 01:29:12,649

us or is there a more prosaic

2168

01:29:17,439 --> 01:29:15,709

explanation here it's possible the

2169

01:29:20,159 --> 01:29:17,449

aliens are visiting is but I don't

2170

01:29:23,739 --> 01:29:20,169

really see any very compelling evidence

2171

01:29:25,870 --> 01:29:23,749

that aliens are visiting us now I know

2172

01:29:28,209 --> 01:29:25,880

other people like you for example will

2173

01:29:30,549 --> 01:29:28,219

probably think there is more compelling

2174

01:29:31,120 --> 01:29:30,559

evidence than than me because I you know

2175

01:29:33,790 --> 01:29:31,130

I just

2176  
01:29:35,949 --> 01:29:33,800  
perhaps tends to gravitate towards the

2177  
01:29:38,979 --> 01:29:35,959  
mundane explanation of things which may

2178  
01:29:41,169 --> 01:29:38,989  
be failing on my part but I think it's

2179  
01:29:44,319 --> 01:29:41,179  
kind of based on my experience and that

2180  
01:29:48,040 --> 01:29:44,329  
whenever I look into things they tend to

2181  
01:29:49,839 --> 01:29:48,050  
the magic falls away they tend to have a

2182  
01:29:51,759 --> 01:29:49,849  
mundane explanation someone shows the

2183  
01:29:53,679 --> 01:29:51,769  
picture of ghosts they tend to be not

2184  
01:29:54,909 --> 01:29:53,689  
bitter of ghosts there's a recent

2185  
01:29:56,770 --> 01:29:54,919  
there's a thing in the States right now

2186  
01:29:59,319 --> 01:29:56,780  
where there's people are saying that

2187  
01:30:00,209 --> 01:29:59,329  
there's a drone swarms going on over I

2188  
01:30:03,850 --> 01:30:00,219

think

2189

01:30:06,339 --> 01:30:03,860

Colorado and Oklahoma yeah the middle of

2190

01:30:08,979 --> 01:30:06,349

the middle of the country states and

2191

01:30:10,689 --> 01:30:08,989

then they say oh we saw all this stuff

2192

01:30:12,370 --> 01:30:10,699

and there's thousands of reports the FAA

2193

01:30:13,870 --> 01:30:12,380

is looking into it the FBI is looking

2194

01:30:15,810 --> 01:30:13,880

into it the Sheriff's Department's

2195

01:30:17,949 --> 01:30:15,820

looking into it then the showing videos

2196

01:30:20,109 --> 01:30:17,959

it's like a shaky video of a like a

2197

01:30:21,969 --> 01:30:20,119

light somewhere and like there's one guy

2198

01:30:23,259 --> 01:30:21,979

driving at 70 miles an hour along the

2199

01:30:25,509 --> 01:30:23,269

road chasing a light on the horizon

2200

01:30:27,639 --> 01:30:25,519

which just happens to be where where

2201

01:30:30,009 --> 01:30:27,649

Venus usually is at the time of the

2202

01:30:32,589 --> 01:30:30,019

evening here's some other videos of

2203

01:30:35,109 --> 01:30:32,599

Lights which look exactly like buildings

2204

01:30:37,959 --> 01:30:35,119

on the horizon then there's a photo of

2205

01:30:40,389 --> 01:30:37,969

some lights which which is verifiably is

2206

01:30:42,339 --> 01:30:40,399

a plane even though it looks a bit weird

2207

01:30:44,139 --> 01:30:42,349

because it's where those those where

2208

01:30:45,310 --> 01:30:44,149

there the red central light lights of

2209

01:30:47,229 --> 01:30:45,320

the engine so it looks like you've got

2210

01:30:50,109 --> 01:30:47,239

these kind of weird things on either

2211

01:30:51,699 --> 01:30:50,119

side of this red light which looks like

2212

01:30:53,709 --> 01:30:51,709

some kind of TIE fighter or something

2213

01:30:55,419 --> 01:30:53,719

but yeah it is definitely a plane and

2214

01:30:56,840 --> 01:30:55,429

yet the media is saying this is part of

2215

01:30:59,210 --> 01:30:56,850

the new

2216

01:31:01,040 --> 01:30:59,220

region of the United States so you look

2217

01:31:04,430 --> 01:31:01,050

at I look into these things in my

2218

01:31:05,960 --> 01:31:04,440

experience the magic falls away and your

2219

01:31:08,330 --> 01:31:05,970

life is something that's mundane and so

2220

01:31:10,700 --> 01:31:08,340

I tend to gravitate towards that being

2221

01:31:12,710 --> 01:31:10,710

the default explanation after years and

2222

01:31:15,530 --> 01:31:12,720

years would be actually being the actual

2223

01:31:17,000 --> 01:31:15,540

explanation understandably so but I do

2224

01:31:23,900 --> 01:31:17,010

think that one day there will be an

2225

01:31:26,840 --> 01:31:23,910

exception so be great but have you

2226

01:31:29,240 --> 01:31:26,850

checked out the work of J Allen Hynek

2227

01:31:31,760 --> 01:31:29,250

the astronomer employed in the project

2228

01:31:34,160 --> 01:31:31,770

Bluebook no I really haven't

2229

01:31:37,820 --> 01:31:34,170

and people keep bringing him up but I

2230

01:31:41,690 --> 01:31:37,830

think I tended to shy away from the old

2231

01:31:43,670 --> 01:31:41,700

older stuff because it tends to not be

2232

01:31:45,440 --> 01:31:43,680

very interesting when you look into it

2233

01:31:47,840 --> 01:31:45,450

there isn't really very much there you

2234

01:31:50,030 --> 01:31:47,850

get these accounts that people go on and

2235

01:31:52,610 --> 01:31:50,040

on and on about about like you know some

2236

01:31:54,620 --> 01:31:52,620

guy stops by the side of the road and

2237

01:31:58,070 --> 01:31:54,630

his car got dented and he had these

2238

01:32:08,750 --> 01:31:58,080

burns on his chest or whatever of

2239

01:32:10,220 --> 01:32:08,760

generalisation actual case I mean it's

2240

01:32:11,450 --> 01:32:10,230

been it's been my experience that

2241

01:32:15,020 --> 01:32:11,460

because it's old

2242

01:32:17,570 --> 01:32:15,030

they don't have photographs and you the

2243

01:32:20,240 --> 01:32:17,580

people are often dead by now and so

2244

01:32:22,040 --> 01:32:20,250

you're left with essentially stories

2245

01:32:23,270 --> 01:32:22,050

from the past and what are you gonna do

2246

01:32:26,300 --> 01:32:23,280

with it and this is like an an

2247

01:32:29,180 --> 01:32:26,310

eyewitness who's dead what do we do with

2248

01:32:32,000 --> 01:32:29,190

this is the story that he says what 4050

2249

01:32:34,250 --> 01:32:32,010

years ago right I can okay it can be

2250

01:32:36,860 --> 01:32:34,260

hard to take it anywhere because it's so

2251  
01:32:39,230 --> 01:32:36,870  
long ago I totally see that but when you

2252  
01:32:41,420 --> 01:32:39,240  
have for example again like a guy like

2253  
01:32:44,120 --> 01:32:41,430  
Hynek who was employed to basically

2254  
01:32:45,830 --> 01:32:44,130  
debunk and and be skeptic of UFO

2255  
01:32:49,250 --> 01:32:45,840  
incidents and employed by the government

2256  
01:32:52,730 --> 01:32:49,260  
to do so and later than coming out

2257  
01:32:56,990 --> 01:32:52,740  
saying that this was actually a

2258  
01:33:00,470 --> 01:32:57,000  
government sort of plot to calm the

2259  
01:33:02,450 --> 01:33:00,480  
public down and that the observations

2260  
01:33:04,340 --> 01:33:02,460  
and what was being seen in the skies all

2261  
01:33:06,920 --> 01:33:04,350  
across the u.s. at that time the UFO

2262  
01:33:10,280 --> 01:33:06,930  
waves and all that that many of the

2263  
01:33:14,630 --> 01:33:13,010

in admissions from him completely

2264

01:33:18,350 --> 01:33:14,640

unexplainable and that the government

2265

01:33:20,270 --> 01:33:18,360

did tried to find a plausible

2266

01:33:21,800 --> 01:33:20,280

you know down-to-earth explanation just

2267

01:33:25,550 --> 01:33:21,810

to calm people down because there was

2268

01:33:29,150 --> 01:33:25,560

hysterical tendencies back then but he

2269

01:33:31,520 --> 01:33:29,160

saw it as if you read his books is and

2270

01:33:34,370 --> 01:33:31,530

his testimony which I think carries just

2271

01:33:37,580 --> 01:33:34,380

as much weight today as it did back then

2272

01:33:39,890 --> 01:33:37,590

his experience as a transition from

2273

01:33:42,770 --> 01:33:39,900

working from the government being very

2274

01:33:45,229 --> 01:33:42,780

skeptical and very kind of in in his

2275

01:33:47,510 --> 01:33:45,239

words closed-minded previously as to

2276

01:33:50,270 --> 01:33:47,520

what these phenomenons were and then

2277

01:33:52,370 --> 01:33:50,280

moving into that that there is something

2278

01:33:54,530 --> 01:33:52,380

going on and saying that the government

2279

01:33:57,800 --> 01:33:54,540

has actually no clue as to what these

2280

01:34:00,410 --> 01:33:57,810

things are and they they are worried and

2281

01:34:03,590 --> 01:34:00,420

are having trouble understanding what's

2282

01:34:07,160 --> 01:34:03,600

going on and they what they needed him

2283

01:34:10,430 --> 01:34:07,170

for was basically just as a public face

2284

01:34:12,830 --> 01:34:10,440

for the public to identify with and feel

2285

01:34:15,710 --> 01:34:12,840

comforted by and so he could explain

2286

01:34:18,520 --> 01:34:15,720

away and he also talks about how the

2287

01:34:22,850 --> 01:34:18,530

government took the most easily

2288

01:34:25,310 --> 01:34:22,860

explainable cases debunked them and then

2289

01:34:27,800 --> 01:34:25,320

presented it to the media but the

2290

01:34:30,200 --> 01:34:27,810

completely unexplainable ones were left

2291

01:34:34,190 --> 01:34:30,210

untouched and kind of left out of the

2292

01:34:36,020 --> 01:34:34,200

the discussions research and it's I

2293

01:34:39,830 --> 01:34:36,030

think you would find it really worth

2294

01:34:43,850 --> 01:34:39,840

looking into his his story of how the

2295

01:34:46,700 --> 01:34:43,860

government it is he still alive no he

2296

01:34:58,190 --> 01:34:46,710

died he died at sea he was an astronomer

2297

01:35:00,050 --> 01:34:58,200

and physicist and very very well he yeah

2298

01:35:02,890 --> 01:35:00,060

when he was talking about him like you

2299

01:35:05,540 --> 01:35:02,900

know you started out essentially

2300

01:35:07,460 --> 01:35:05,550

debunking these things you know a lot of

2301

01:35:08,990 --> 01:35:07,470

people who do get into strange beliefs

2302

01:35:10,610 --> 01:35:09,000

do actually say they start out trying to

2303

01:35:12,250 --> 01:35:10,620

debunk things obviously different with

2304

01:35:16,040 --> 01:35:12,260

his case because he has all this access

2305

01:35:18,560 --> 01:35:16,050

to information but there were these

2306

01:35:20,360 --> 01:35:18,570

cases that were difficult to explain and

2307

01:35:23,810 --> 01:35:20,370

the government didn't present those to

2308

01:35:25,460 --> 01:35:23,820

people but did he then present those

2309

01:35:28,310 --> 01:35:25,470

in his book and explained what he

2310

01:35:30,350 --> 01:35:28,320

actually were not what

2311

01:35:33,110 --> 01:35:30,360

well no but what's what the evidence was

2312

01:35:36,620 --> 01:35:33,120

and it was it actually photos of craft

2313

01:35:38,990 --> 01:35:36,630

or was it like yes guy yes everything

2314

01:35:42,350 --> 01:35:39,000

forward he came out with what he had

2315

01:35:48,170 --> 01:35:42,360

left of data notes pictures even

2316

01:35:50,690 --> 01:35:48,180

videotapes basically just everything he

2317

01:35:51,020 --> 01:35:50,700

had that he had accumulated Prue project

2318

01:35:53,720 --> 01:35:51,030

Bluebook

2319

01:35:54,980 --> 01:35:53,730

well I probably should read him like for

2320

01:35:57,530 --> 01:35:54,990

the reasons we were just discussing that

2321

01:35:59,960 --> 01:35:57,540

it would be common ground for the the

2322

01:36:03,710 --> 01:35:59,970

UFO people okay I talked to a lot of UFO

2323

01:36:06,320 --> 01:36:03,720

people and they often bring up that um

2324

01:36:08,000 --> 01:36:06,330

him Hynek and does he have more than one

2325

01:36:11,570 --> 01:36:08,010

Booker's I just have one famous bill

2326

01:36:14,540 --> 01:36:11,580

that he's worth probably 10 bucks okay

2327

01:36:19,280 --> 01:36:14,550

he also met with a scientist in France

2328

01:36:22,130 --> 01:36:19,290

called la who was the French government

2329

01:36:25,010 --> 01:36:22,140

and they they Co Co wrote some book

2330

01:36:28,310 --> 01:36:25,020

books together and and had conversations

2331

01:36:30,260 --> 01:36:28,320

about the phenomenon and what they they

2332

01:36:33,080 --> 01:36:30,270

theorized and make made a bunch of

2333

01:36:36,020 --> 01:36:33,090

hypotheses out from the data and it's

2334

01:36:38,480 --> 01:36:36,030

really interesting to to dig into it and

2335

01:36:40,040 --> 01:36:38,490

they're not giving it ultimate terms

2336

01:36:42,440 --> 01:36:40,050

they're not saying it's this or that

2337

01:36:45,080 --> 01:36:42,450

it's just what is going on and what is

2338

01:36:47,270 --> 01:36:45,090

where's the evidence pointing that they

2339

01:36:50,150 --> 01:36:47,280

had a bit I think if I do continue with

2340

01:36:54,110 --> 01:36:50,160

the UFO stuff and I do have experiments

2341

01:36:55,390 --> 01:36:54,120

to do with my I I probably should do a

2342

01:36:58,700 --> 01:36:55,400

little bit more foundational research

2343

01:37:01,070 --> 01:36:58,710

well where we're coming up for heading

2344

01:37:02,450 --> 01:37:01,080

towards two hours again here other is

2345

01:37:03,740 --> 01:37:02,460

there anything else that we that you

2346

01:37:06,650 --> 01:37:03,750

wanted to talk about that we haven't

2347

01:37:17,150 --> 01:37:06,660

touched on yet maybe next time I got a

2348

01:37:20,450 --> 01:37:17,160

bunch of stuff in your the talking and

2349

01:37:23,090 --> 01:37:20,460

it's really it's refreshing to talk to

2350

01:37:25,340 --> 01:37:23,100

you and it's really your I think there

2351

01:37:29,000 --> 01:37:25,350

were very good good and important

2352

01:37:31,850 --> 01:37:29,010

balance and I it's really enjoyable to

2353

01:37:33,980 --> 01:37:31,860

see your development in it as well in

2354

01:37:35,690 --> 01:37:33,990

different ways and I think that's very a

2355

01:37:37,580 --> 01:37:35,700

lot of it's a lot of fun

2356

01:37:40,129 --> 01:37:37,590

you know yeah thank you and

2357

01:37:42,560 --> 01:37:40,139

I really enjoy your perspective on

2358

01:37:43,939 --> 01:37:42,570

things as well and I think it's you know

2359

01:37:46,040 --> 01:37:43,949

it's we could have had like you say we

2360

01:37:48,080 --> 01:37:46,050

could have discussions like this to move

2361

01:37:51,979 --> 01:37:48,090

forward like common ground between the

2362

01:37:56,270 --> 01:37:51,989

two not not sides but perhaps like camps

2363

01:37:58,430 --> 01:37:56,280

in these these discussions so we can we

2364

01:38:01,070 --> 01:37:58,440

can all move forward and maybe we can

2365

01:38:03,979 --> 01:38:01,080

get back together again in a month or so

2366

01:38:06,879 --> 01:38:03,989

and we can we can talk more about about

2367

01:38:09,379 --> 01:38:06,889

these topics and about my book

2368

01:38:13,189 --> 01:38:09,389

definitely give me a few months all

2369

01:38:15,330 --> 01:38:13,199

right all right well thanks a lot soon
