

**#037**

**Michael**

**UFO & ALIEN**

**ENCOUNTERS**

1  
00:00:06,410 --> 00:00:03,889  
welcome to tales from the rabbit hole

2  
00:00:10,430 --> 00:00:06,420  
I'm your host Mick West my guest today

3  
00:00:12,080 --> 00:00:10,440  
is Michael who I met on Twitter and I'd

4  
00:00:15,140 --> 00:00:12,090  
be talking a lot on Twitter about UFOs

5  
00:00:18,140 --> 00:00:15,150  
and various different sightings of UFOs

6  
00:00:19,340 --> 00:00:18,150  
and Michael contacted me and he told me

7  
00:00:22,849 --> 00:00:19,350  
that he's had some interesting

8  
00:00:24,920 --> 00:00:22,859  
experiences with what might be aliens

9  
00:00:26,960 --> 00:00:24,930  
and so we're going to talk about that

10  
00:00:30,019 --> 00:00:26,970  
today I also noticed that Michael

11  
00:00:32,209 --> 00:00:30,029  
mentioned queuing on on his is Twitter

12  
00:00:33,500 --> 00:00:32,219  
profile and that's also a subject I'm

13  
00:00:36,860 --> 00:00:33,510

kind of interested in and we might talk

14

00:00:38,299 --> 00:00:36,870

about that later on in the podcast let

15

00:00:41,470 --> 00:00:38,309

me just interrupt myself there real

16

00:00:43,790 --> 00:00:41,480

quick the interview ran fairly long so

17

00:00:46,220 --> 00:00:43,800

what I've done is I've split it up so

18

00:00:49,639 --> 00:00:46,230

that this episode is just the UFO stir

19

00:00:51,889 --> 00:00:49,649

and the next episode part two is the cue

20

00:00:53,029 --> 00:00:51,899

and on stuff so if you just a cue it on

21

00:00:54,889 --> 00:00:53,039

person skip this one

22

00:00:59,389 --> 00:00:54,899

and move on to the next one if you like

23

00:01:02,299 --> 00:00:59,399

UFOs stay right here so Michael welcome

24

00:01:04,280 --> 00:01:02,309

to tales from the rabbit hole thank you

25

00:01:06,140 --> 00:01:04,290

glad to be here very excited to be here

26

00:01:10,399 --> 00:01:06,150

yeah no it's gonna be very interesting I

27

00:01:13,070 --> 00:01:10,409

think a lot of people who are interested

28

00:01:13,490 --> 00:01:13,080

in the UFO topic and aliens and things

29

00:01:15,590 --> 00:01:13,500

like that

30

00:01:17,929 --> 00:01:15,600

our people have actually had some kind

31

00:01:19,550 --> 00:01:17,939

of personal experience like either

32

00:01:21,469 --> 00:01:19,560

they've seen like some kind of flying

33

00:01:23,149 --> 00:01:21,479

craft in the sky or they've had

34

00:01:26,030 --> 00:01:23,159

something that they consider to be some

35

00:01:27,260 --> 00:01:26,040

kind of alien contacts or some kind of

36

00:01:30,289 --> 00:01:27,270

contact they don't know what it is

37

00:01:34,219 --> 00:01:30,299

exactly can you tell me a bit about what

38

00:01:37,520 --> 00:01:34,229

your your your first experience was with

39

00:01:40,429 --> 00:01:37,530

this type of thing well I I agree with

40

00:01:42,590 --> 00:01:40,439

you 100% there in fact there's a lot of

41

00:01:43,999 --> 00:01:42,600

people also that are very interested in

42

00:01:46,190 --> 00:01:44,009

the topic that haven't had any

43

00:01:48,469 --> 00:01:46,200

experience whatsoever and that's bizarre

44

00:01:49,999 --> 00:01:48,479

to me I mean I believe of course there's

45

00:01:51,590 --> 00:01:50,009

life in the universe and all that but

46

00:01:54,020 --> 00:01:51,600

unless you have an experience it seems

47

00:01:56,660 --> 00:01:54,030

too strange to believe that it could be

48

00:01:57,740 --> 00:01:56,670

real you know yes but there's lots of

49

00:01:58,850 --> 00:01:57,750

evidence when you talk about those

50

00:02:02,209 --> 00:01:58,860

things

51  
00:02:04,100 --> 00:02:02,219  
my earliest memory that I have and I

52  
00:02:05,600 --> 00:02:04,110  
don't have I don't have a lot of older

53  
00:02:07,069 --> 00:02:05,610  
memories that I keep you get older you

54  
00:02:08,240 --> 00:02:07,079  
know you remember the story your mom

55  
00:02:09,949 --> 00:02:08,250  
told you but you don't have the true

56  
00:02:12,110 --> 00:02:09,959  
memory of it but there's a few you do

57  
00:02:13,949 --> 00:02:12,120  
this is one that's I've always had that

58  
00:02:17,309 --> 00:02:13,959  
it seems like a real memory

59  
00:02:21,059 --> 00:02:17,319  
it's story and I was little I was

60  
00:02:24,990 --> 00:02:21,069  
probably two three years old and it was

61  
00:02:27,449 --> 00:02:25,000  
on a part in a park by a lake and my

62  
00:02:29,250 --> 00:02:27,459  
sister was there and it was one of those

63  
00:02:31,349 --> 00:02:29,260

old metal slides that you still would

64

00:02:34,170 --> 00:02:31,359

have the bolting than rust safety wasn't

65

00:02:35,910 --> 00:02:34,180

a concern for kids and we used to throw

66

00:02:38,220 --> 00:02:35,920

sand on the slide it would make you go

67

00:02:40,319 --> 00:02:38,230

quick and so I come up there with my

68

00:02:42,839 --> 00:02:40,329

little handfuls of sand but I'm scared

69

00:02:45,629 --> 00:02:42,849

once I get on top and my sisters at the

70

00:02:50,069 --> 00:02:45,639

bottom trying to tell me to go and I I

71

00:02:51,569 --> 00:02:50,079

don't I don't want to go and so not not

72

00:02:54,210 --> 00:02:51,579

knowing physics of them look good

73

00:02:55,710 --> 00:02:54,220

I just turned like that like I'm not

74

00:02:57,929 --> 00:02:55,720

going that way and I fall completely off

75

00:03:00,050 --> 00:02:57,939

the slide from the top and cracked my

76  
00:03:03,659 --> 00:03:00,060  
head and end up in the emergency room

77  
00:03:06,479 --> 00:03:03,669  
mm-hmm and if you look at my banner it's

78  
00:03:08,610 --> 00:03:06,489  
almost identical to what I saw it was in

79  
00:03:11,909 --> 00:03:08,620  
a hospital type setting solid white and

80  
00:03:14,459 --> 00:03:11,919  
three beings just like that we're

81  
00:03:15,509 --> 00:03:14,469  
looking down at me and Nanea I get a

82  
00:03:18,869 --> 00:03:15,519  
little nervous I know I've never told

83  
00:03:20,490 --> 00:03:18,879  
this publicly it was just like a female

84  
00:03:21,809 --> 00:03:20,500  
voice that said don't worry everything's

85  
00:03:24,930 --> 00:03:21,819  
gonna be okay and that's about it

86  
00:03:25,860 --> 00:03:24,940  
mm-hmm details of the scene and all that

87  
00:03:29,429 --> 00:03:25,870  
but that was about it

88  
00:03:31,920 --> 00:03:29,439

that never happened oh really as far as

89

00:03:35,009 --> 00:03:31,930

my family that never happened yeah

90

00:03:37,530 --> 00:03:35,019

the story the slide and I do have scars

91

00:03:40,349 --> 00:03:37,540

on the back of my head and my mom said

92

00:03:42,899 --> 00:03:40,359

that was from other you know of rustling

93

00:03:44,999 --> 00:03:42,909

around as a kid yeah that's very

94

00:03:46,559 --> 00:03:45,009

interesting that's bizarre that that's a

95

00:03:49,110 --> 00:03:46,569

memory like I can recall it any time

96

00:03:51,089 --> 00:03:49,120

that's an old old memory yeah so that

97

00:03:52,559 --> 00:03:51,099

was that's weird so that's a lowland how

98

00:03:54,360 --> 00:03:52,569

old would that be do you think old

99

00:03:57,179 --> 00:03:54,370

enough to where I can walk and climb

100

00:03:58,379 --> 00:03:57,189

this tree ish three or maybe climb a

101

00:04:00,240 --> 00:03:58,389

little a ladder

102

00:04:03,030 --> 00:04:00,250

all right yeah we were a lot we were

103

00:04:04,830 --> 00:04:03,040

allowed to do a lot more now yeah but

104

00:04:08,849 --> 00:04:04,840

anyway did that that was one all right

105

00:04:10,890 --> 00:04:08,859

and then throughout my life well it's

106

00:04:12,569 --> 00:04:10,900

not like it happens every day but it's

107

00:04:15,869 --> 00:04:12,579

happened quite a few times is the

108

00:04:19,110 --> 00:04:15,879

typical classic abduction bedroom scene

109

00:04:21,330 --> 00:04:19,120

where you wake up you're paralyzed you

110

00:04:23,519 --> 00:04:21,340

could see you got some periphery up but

111

00:04:25,320 --> 00:04:23,529

you can't move and then the light kind

112

00:04:27,230 --> 00:04:25,330

of turns blueish and then all of a

113

00:04:28,879 --> 00:04:27,240

sudden you're levitating

114

00:04:30,680 --> 00:04:28,889

and then there's two to three beings at

115

00:04:32,900 --> 00:04:30,690

the end of the bed like tall greys your

116

00:04:35,059 --> 00:04:32,910

typical classic tall gray and then

117

00:04:35,779 --> 00:04:35,069

sometimes like Home Helpers I don't know

118

00:04:39,589 --> 00:04:35,789

other people have their like little

119

00:04:43,580 --> 00:04:39,599

hooded faceless little things and then

120

00:04:45,740 --> 00:04:43,590

you get wished away all right so that's

121

00:04:48,920 --> 00:04:45,750

something that happens and I've looked

122

00:04:50,570 --> 00:04:48,930

at and and I like you I want to talk to

123

00:04:52,520 --> 00:04:50,580

you cuz it's not like I can prove any of

124

00:04:55,189 --> 00:04:52,530

this so it's not like a debunk thing but

125

00:04:57,740 --> 00:04:55,199

I've looked into sleep paralysis or what

126  
00:04:59,689 --> 00:04:57,750  
they call a birth memory you know where

127  
00:05:01,550 --> 00:04:59,699  
you like your distorted view at your

128  
00:05:03,320 --> 00:05:01,560  
your first memory coming out of the womb

129  
00:05:04,939 --> 00:05:03,330  
and that sort of thing people they think

130  
00:05:07,610 --> 00:05:04,949  
that could trigger some sort of thing

131  
00:05:09,409 --> 00:05:07,620  
like that or or is just dreaming or DMT

132  
00:05:11,480 --> 00:05:09,419  
comp or any of that stuff it doesn't

133  
00:05:12,439 --> 00:05:11,490  
seem like that it seems like it's really

134  
00:05:14,870 --> 00:05:12,449  
happen

135  
00:05:17,390 --> 00:05:14,880  
all right I don't have to defend that it

136  
00:05:21,140 --> 00:05:17,400  
seems like everyday to me that's all I

137  
00:05:23,990 --> 00:05:21,150  
can tell you so it's not always clear I

138  
00:05:26,330 --> 00:05:24,000

also get the feeling that it happens

139

00:05:28,850 --> 00:05:26,340

more than I remember that make sense

140

00:05:29,300 --> 00:05:28,860

yeah yeah I guess like see I'm like wait

141

00:05:30,980 --> 00:05:29,310

a minute

142

00:05:33,290 --> 00:05:30,990

and but but the time that I'm talking

143

00:05:34,939 --> 00:05:33,300

about we're very clear so you get kind

144

00:05:36,170 --> 00:05:34,949

of a deja vu you think like you feel

145

00:05:39,980 --> 00:05:36,180

like you've it's happened before and

146

00:05:42,950 --> 00:05:39,990

when it happens I don't know about I get

147

00:05:45,709 --> 00:05:42,960

deja vu like off-the-chart days deja vu

148

00:05:47,779 --> 00:05:45,719

anyway so much so that I actually tried

149

00:05:48,620 --> 00:05:47,789

to write it down and see if I can see if

150

00:05:51,020 --> 00:05:48,630

there's some sort of thing there's

151  
00:05:52,969 --> 00:05:51,030  
always some small nonsensical thing like

152  
00:05:54,709 --> 00:05:52,979  
I'm picking up a fork or tying my shoe I

153  
00:05:58,850 --> 00:05:54,719  
don't have any message or anything like

154  
00:06:00,379 --> 00:05:58,860  
that yeah yeah I do and also not that I

155  
00:06:03,649 --> 00:06:00,389  
believe in psychics or anything like

156  
00:06:06,050 --> 00:06:03,659  
that people always say that I'm like

157  
00:06:10,279 --> 00:06:06,060  
that like I would either call very

158  
00:06:11,959 --> 00:06:10,289  
intuitive like lucky and I know that's

159  
00:06:14,180 --> 00:06:11,969  
the theme too and I'm not saying that to

160  
00:06:16,399 --> 00:06:14,190  
be get estoppel it seems like I just can

161  
00:06:17,870 --> 00:06:16,409  
guess things and it's weird like I don't

162  
00:06:20,870 --> 00:06:17,880  
even tell people that is they it's

163  
00:06:22,700 --> 00:06:20,880

noticed in my family oh that's that's

164

00:06:23,990 --> 00:06:22,710

Michael doing this thing which is kind

165

00:06:25,459 --> 00:06:24,000

of weird but I don't really that's not

166

00:06:30,230 --> 00:06:25,469

enough like to win the lottery so it's

167

00:06:32,149 --> 00:06:30,240

not working okay yes I'm sort of I guess

168

00:06:33,860 --> 00:06:32,159

heightened whether you call it ESP or

169

00:06:35,719 --> 00:06:33,870

heightened sense seems to go along with

170

00:06:38,480 --> 00:06:35,729

that it happens to those people too

171

00:06:40,250 --> 00:06:38,490

that's on why I mentioned it yeah so

172

00:06:40,820 --> 00:06:40,260

when was the was the last time that

173

00:06:43,780 --> 00:06:40,830

something

174

00:06:47,750 --> 00:06:43,790

this happened to you it's got to be

175

00:06:50,210 --> 00:06:47,760

probably eight years ago Wow this pinko

176  
00:06:51,920 --> 00:06:50,220  
in a while yeah deep what can you

177  
00:06:55,460 --> 00:06:51,930  
describe what was the last experience

178  
00:06:57,650 --> 00:06:55,470  
that you had just like that okay so it

179  
00:07:02,750 --> 00:06:57,660  
was it was it almost like a repeat like

180  
00:07:06,110 --> 00:07:02,760  
it's the same thing it's the same one

181  
00:07:09,170 --> 00:07:06,120  
time and by the way and I'm saying this

182  
00:07:11,330 --> 00:07:09,180  
just to share like I said how can I say

183  
00:07:12,620 --> 00:07:11,340  
it's it's not the same because the scene

184  
00:07:14,630 --> 00:07:12,630  
is different or something different

185  
00:07:16,040 --> 00:07:14,640  
happens sometimes you have full clear

186  
00:07:18,460 --> 00:07:16,050  
memory and sometimes it feels like you

187  
00:07:21,710 --> 00:07:18,470  
don't but most of the experiences are

188  
00:07:23,660 --> 00:07:21,720

neutral to positive meaning it's like

189

00:07:25,760 --> 00:07:23,670

these things are robotic like there's no

190

00:07:27,440 --> 00:07:25,770

interest there's no harm it's just like

191

00:07:29,780 --> 00:07:27,450

they're doing a thing like I don't feel

192

00:07:32,000 --> 00:07:29,790

threatened I know some people feel

193

00:07:34,250 --> 00:07:32,010

scared or threatened or that I've never

194

00:07:36,860 --> 00:07:34,260

really felt that way but I also don't

195

00:07:38,840 --> 00:07:36,870

feel like the gaming crap whether it was

196

00:07:41,090 --> 00:07:38,850

involved or not either does that make

197

00:07:42,800 --> 00:07:41,100

sense like that coming up oh we're gonna

198

00:07:43,910 --> 00:07:42,810

tell you this or oh I'm trying to scare

199

00:07:46,940 --> 00:07:43,920

you it's just like you're coming in

200

00:07:48,110 --> 00:07:46,950

doing it there but one time I didn't

201  
00:07:49,790 --> 00:07:48,120  
have a negative experience and that's

202  
00:07:52,730 --> 00:07:49,800  
what I want to tell you so what happens

203  
00:07:55,100 --> 00:07:52,740  
is the blue light kind of calms you you

204  
00:07:57,110 --> 00:07:55,110  
start to levitate right mm-hmm

205  
00:08:01,070 --> 00:07:57,120  
you're the paralysis is on your eyes are

206  
00:08:04,400 --> 00:08:01,080  
open and I came unparalleled for

207  
00:08:06,740 --> 00:08:04,410  
whatever reason then so I'm getting a

208  
00:08:09,110 --> 00:08:06,750  
hell out of there I'm like what is going

209  
00:08:13,010 --> 00:08:09,120  
on and I reach forward naturally and I

210  
00:08:16,520 --> 00:08:13,020  
grabbed an arm and that arm was ice-cold

211  
00:08:19,700 --> 00:08:16,530  
which shocked me and now that my reality

212  
00:08:23,390 --> 00:08:19,710  
is just spinning and they grabbed me by

213  
00:08:25,100 --> 00:08:23,400

the net and I just passed out mmm that

214

00:08:28,100 --> 00:08:25,110

was the only time that was like I was

215

00:08:29,600 --> 00:08:28,110

absolutely the visceral response I

216

00:08:30,890 --> 00:08:29,610

couldn't control myself

217

00:08:33,740 --> 00:08:30,900

it be like seeing a giant talking

218

00:08:36,950 --> 00:08:33,750

alligator standing a frog you what would

219

00:08:39,020 --> 00:08:36,960

you do it either pant you know fight or

220

00:08:41,030 --> 00:08:39,030

flight just kicks in I just reacted that

221

00:08:44,150 --> 00:08:41,040

way but that was only one time that I

222

00:08:46,100 --> 00:08:44,160

remembered how can you like that yeah so

223

00:08:48,830 --> 00:08:46,110

I guess like the obvious thing with with

224

00:08:50,750 --> 00:08:48,840

these experiences is that when you tell

225

00:08:52,240 --> 00:08:50,760

them to people it kind of sounds to

226

00:08:54,110 --> 00:08:52,250

other people like you're describing

227

00:08:54,590 --> 00:08:54,120

something that's like a dream or

228

00:08:56,420 --> 00:08:54,600

something

229

00:08:59,240 --> 00:08:56,430

like you know the sleep paralysis type

230

00:09:02,420 --> 00:08:59,250

thing and I I personally have had can

231

00:09:04,340 --> 00:09:02,430

sleep paralysis experiences where I've

232

00:09:06,850 --> 00:09:04,350

been lying in bed and I see these giant

233

00:09:09,769 --> 00:09:06,860

spiders coming down from the ceiling

234

00:09:11,389 --> 00:09:09,779

towards me and then I you know kind of

235

00:09:12,740 --> 00:09:11,399

jump out of bed and I tried to find turn

236

00:09:14,960 --> 00:09:12,750

the light on and try to find the spider

237

00:09:16,730 --> 00:09:14,970

and it's gone so I've had something like

238

00:09:19,910 --> 00:09:16,740

that but obviously I've realized

239

00:09:22,189 --> 00:09:19,920

afterwards that it was you know just a

240

00:09:24,350 --> 00:09:22,199

dream essentially or some kind of losing

241

00:09:27,079 --> 00:09:24,360

it hallucination but for you like you

242

00:09:29,150 --> 00:09:27,089

say like you know it was real that it

243

00:09:31,579 --> 00:09:29,160

because it seemed really real but isn't

244

00:09:33,290 --> 00:09:31,589

that what what people would say who've

245

00:09:35,240 --> 00:09:33,300

had these hallucinations like they seem

246

00:09:36,439 --> 00:09:35,250

real is there a tell for when you're

247

00:09:37,100 --> 00:09:36,449

telling it well when you're having a

248

00:09:39,590 --> 00:09:37,110

hallucination

249

00:09:41,389 --> 00:09:39,600

yes it's fantastic point that's

250

00:09:42,710 --> 00:09:41,399

obviously you even that's the first

251

00:09:46,340 --> 00:09:42,720

thing is the logical person you start

252

00:09:48,319 --> 00:09:46,350

thinking yourself like what but I think

253

00:09:49,999 --> 00:09:48,329

a dream or a hallucination it's the in

254

00:09:51,499 --> 00:09:50,009

and out that you realize that it was a

255

00:09:52,819 --> 00:09:51,509

dream or hallucination like when you

256

00:09:54,920 --> 00:09:52,829

come out of a dream is when you know

257

00:09:56,509 --> 00:09:54,930

that there weren't spiders in my room it

258

00:09:56,930 --> 00:09:56,519

doesn't feel like that when you come out

259

00:09:58,460 --> 00:09:56,940

of it

260

00:10:01,999 --> 00:09:58,470

it feels like a memory when you come out

261

00:10:04,400 --> 00:10:02,009

of it does that make sense when I come

262

00:10:06,439 --> 00:10:04,410

out of here crazy dream of some pink

263

00:10:09,040 --> 00:10:06,449

elephant in the room driving a Jeep with

264

00:10:14,509 --> 00:10:09,050

a naked lady in the corner but what

265

00:10:16,160 --> 00:10:14,519

dreaming instantly like not what

266

00:10:18,620 --> 00:10:16,170

possible you said well maybe maybe

267

00:10:22,090 --> 00:10:18,630

because it's subject matter but the

268

00:10:24,110 --> 00:10:22,100

vividness and I don't know I don't know

269

00:10:27,050 --> 00:10:24,120

and then when you get back to your life

270

00:10:28,400 --> 00:10:27,060

why why would I think that that wouldn't

271

00:10:30,740 --> 00:10:28,410

be crazy I don't know I mean it does

272

00:10:32,809 --> 00:10:30,750

seem great in a sense but I don't like

273

00:10:34,879 --> 00:10:32,819

any like craziness and the rest of my

274

00:10:37,429 --> 00:10:34,889

life I wouldn't say it's crazy I mean I

275

00:10:38,960 --> 00:10:37,439

I have these experiences as well I have

276

00:10:40,939 --> 00:10:38,970

your head I also haven't had one for

277

00:10:44,749 --> 00:10:40,949

many years I think I kind of just felt a

278

00:10:45,920 --> 00:10:44,759

no just they faded away somehow and you

279

00:10:47,660 --> 00:10:45,930

know I wouldn't say that I am crazy

280

00:10:50,780 --> 00:10:47,670

because I have these hallucinations of

281

00:10:52,670 --> 00:10:50,790

giant spiders in my room and I wouldn't

282

00:10:55,100 --> 00:10:52,680

call someone crazy for believing that's

283

00:10:57,230 --> 00:10:55,110

you know something that's happening and

284

00:10:59,629 --> 00:10:57,240

especially if it's been happening all of

285

00:11:01,129 --> 00:10:59,639

your life but you know I think it's it's

286

00:11:02,750 --> 00:11:01,139

it's very difficult for someone who

287

00:11:06,949 --> 00:11:02,760

hasn't had the experience that you had

288

00:11:08,280 --> 00:11:06,959

to to kind of you know say that could it

289

00:11:10,800 --> 00:11:08,290

be real because

290

00:11:15,960 --> 00:11:10,810

if if it feels real does that mean it is

291

00:11:18,960 --> 00:11:15,970

real well I mean my I came we're not you

292

00:11:20,280 --> 00:11:18,970

know now if I was happening now you can

293

00:11:21,840 --> 00:11:20,290

talk about these things I never talked

294

00:11:23,400 --> 00:11:21,850

about the stuff growing up they take it

295

00:11:26,340 --> 00:11:23,410

but your way I just didn't want the

296

00:11:28,050 --> 00:11:26,350

ridicule mum who cared and even now I

297

00:11:29,490 --> 00:11:28,060

only talk about it just fit just to

298

00:11:30,930 --> 00:11:29,500

share it I'm not trying to prove

299

00:11:32,579 --> 00:11:30,940

anything I have no proof I could say

300

00:11:35,100 --> 00:11:32,589

that right up front in the sense that

301

00:11:37,019 --> 00:11:35,110

it's just sharing a story it sounds

302

00:11:39,329 --> 00:11:37,029

crazy I'm just telling you what seems to

303

00:11:43,980 --> 00:11:39,339

happen to me and why I say everybody

304

00:11:46,800 --> 00:11:43,990

tells you that it's not yeah yeah but

305

00:11:50,370 --> 00:11:46,810

and so I'm just using that as a is a

306

00:11:52,199 --> 00:11:50,380

common word but it it seems just like

307

00:11:56,189 --> 00:11:52,209

the world seems like it's happening -

308

00:11:59,009 --> 00:11:56,199

yeah yeah so like yeah this kind of goes

309

00:12:01,199 --> 00:11:59,019

back to your experience with a slide and

310

00:12:03,420 --> 00:12:01,209

the hospital as you remember it and the

311

00:12:05,579 --> 00:12:03,430

people in the room do you remember

312

00:12:07,499 --> 00:12:05,589

talking about that back then when you

313

00:12:09,269 --> 00:12:07,509

were you know four or five did you tell

314

00:12:12,600 --> 00:12:09,279

your parents straight away afterwards

315

00:12:14,879 --> 00:12:12,610

that's I don't remember if I did or not

316

00:12:17,040 --> 00:12:14,889

I do remember asking them when I was

317

00:12:19,980 --> 00:12:17,050

older about it but I don't remember as a

318

00:12:21,329 --> 00:12:19,990

child if I asked at that time I know but

319

00:12:23,430 --> 00:12:21,339

I don't remember I said I don't remember

320

00:12:25,889 --> 00:12:23,440

oh I'm in my 50s like I can't remember

321

00:12:27,750 --> 00:12:25,899

yesterday sometime yeah I mean I turn I

322

00:12:29,309 --> 00:12:27,760

understand how memory works and I

323

00:12:32,550 --> 00:12:29,319

understand that it is the most

324

00:12:35,819 --> 00:12:32,560

unreliable so at home of course but we

325

00:12:38,280 --> 00:12:35,829

all use it every day 100% of the time so

326

00:12:40,139 --> 00:12:38,290

you know is I'm basing it on the tools

327

00:12:42,300 --> 00:12:40,149

I've learned is like what I think memory

328

00:12:44,180 --> 00:12:42,310

is you know what I mean knowing that

329

00:12:47,879 --> 00:12:44,190

it's always unreliable of course it is

330

00:12:49,350 --> 00:12:47,889

yeah I remember having a memory I said

331

00:12:50,490 --> 00:12:49,360

where do you remember memories you don't

332

00:12:52,259 --> 00:12:50,500

actually remember the members themselves

333

00:12:55,710 --> 00:12:52,269

you remember telling it I remember

334

00:12:58,889 --> 00:12:55,720

having a memory of being christened and

335

00:13:02,370 --> 00:12:58,899

I remember my aunt was there with a

336

00:13:04,259 --> 00:13:02,380

cigarette in a cigarette holder which

337

00:13:05,850 --> 00:13:04,269

it's just weird because like I would

338

00:13:08,129 --> 00:13:05,860

have been like I don't know two months

339

00:13:09,420 --> 00:13:08,139

old or so when I was christened and my

340

00:13:11,730 --> 00:13:09,430

aunt doesn't have a cigarette in a

341

00:13:13,949 --> 00:13:11,740

cigarette holder so it was hell this is

342

00:13:16,110 --> 00:13:13,959

something that I I invented in my mind

343

00:13:20,069 --> 00:13:16,120

later on and I think I think that that

344

00:13:21,840 --> 00:13:20,079

does happen people do you can invent

345

00:13:22,110 --> 00:13:21,850

memories in a way and I talked to a

346

00:13:23,880 --> 00:13:22,120

member

347

00:13:26,010 --> 00:13:23,890

expert while ago my podcast go through I

348

00:13:29,760 --> 00:13:26,020

watched some of that the professor like

349

00:13:31,980 --> 00:13:29,770

yeah elizabeth loftis and no yeah I I

350

00:13:34,350 --> 00:13:31,990

agree with you so but so then you take

351

00:13:36,060 --> 00:13:34,360

that and then all of a sudden you start

352

00:13:39,480 --> 00:13:36,070

seeing things in the sky

353

00:13:41,190 --> 00:13:39,490

hmm as well and then there's a

354

00:13:44,340 --> 00:13:41,200

solidification that takes place you're

355

00:13:46,910 --> 00:13:44,350

like what you know why there seems like

356

00:13:52,500 --> 00:13:46,920

there's something happening to you right

357

00:13:55,110 --> 00:13:52,510

and you know yeah you see something

358

00:13:56,880 --> 00:13:55,120

happening to you you think this why the

359

00:14:00,450 --> 00:13:56,890

set of things I mean I mean not just

360

00:14:02,220 --> 00:14:00,460

when you're sleeping hmm like all of the

361

00:14:03,210 --> 00:14:02,230

I called them abductions only because

362

00:14:06,240 --> 00:14:03,220

that's like I don't feel like I'm being

363

00:14:08,400 --> 00:14:06,250

abducted like you know I mean but yes

364

00:14:11,910 --> 00:14:08,410

Larry I don't but that's always happened

365

00:14:13,650 --> 00:14:11,920

in the classic bedroom at night right so

366

00:14:15,180 --> 00:14:13,660

then you've you took that by itself you

367

00:14:16,560 --> 00:14:15,190

could definitely say they've got beat I

368

00:14:17,850 --> 00:14:16,570

mean we all dream there's some sort of

369

00:14:21,000 --> 00:14:17,860

maybe there's something in the brain

370

00:14:23,370 --> 00:14:21,010

that certain people don't recognize

371

00:14:25,769 --> 00:14:23,380

dreaming or something like that but what

372

00:14:28,140 --> 00:14:25,779

happens when you have missing time in

373

00:14:30,300 --> 00:14:28,150

your real life where you see craft in

374

00:14:32,910 --> 00:14:30,310

the sky combined with those things it

375

00:14:35,300 --> 00:14:32,920

just you know it it's it's part becomes

376

00:14:39,019 --> 00:14:35,310

part of your life it's a real curiosity

377

00:14:41,370 --> 00:14:39,029

what's going on so you have you had

378

00:14:43,560 --> 00:14:41,380

recent experiences of those types you

379

00:14:45,540 --> 00:14:43,570

said your last kind of abduction so to

380

00:14:47,250 --> 00:14:45,550

speaking was eight years ago have you had

381

00:14:50,160 --> 00:14:47,260

like the oh the yeah I person

382

00:14:52,440 --> 00:14:50,170

experiences since then but I've not a

383

00:14:55,140 --> 00:14:52,450

lot of missing time the one really good

384

00:14:56,670 --> 00:14:55,150

example of it now no missing time you

385

00:14:59,579 --> 00:14:56,680

wonder am I getting older does it do

386

00:15:02,670 --> 00:14:59,589

this did I just forget was I distracted

387

00:15:06,900 --> 00:15:02,680

but at what this was it had to be a

388

00:15:09,390 --> 00:15:06,910

brand-new 2002 car it's about 2004

389

00:15:11,310 --> 00:15:09,400

probably somewhere around there I was

390

00:15:13,440 --> 00:15:11,320

driving home from work that was a single

391

00:15:16,230 --> 00:15:13,450

parent at the time my parents were

392

00:15:18,329 --> 00:15:16,240

watching my children so it wasn't like I

393

00:15:19,769 --> 00:15:18,339

was drinking it wasn't like I was a

394

00:15:22,230 --> 00:15:19,779

focused person I have to go pick up my

395

00:15:24,150 --> 00:15:22,240

yeah so this is around o'clock at night

396

00:15:26,910 --> 00:15:24,160

so I'm leaving work at 8 o'clock at

397

00:15:30,780 --> 00:15:26,920

night right in Florida at that time it

398

00:15:32,910 --> 00:15:30,790

was dark they must have been a towards

399

00:15:34,620 --> 00:15:32,920

the winter time a little bit and I was

400

00:15:35,970 --> 00:15:34,630

driving across Florida through the Ocala

401  
00:15:37,980 --> 00:15:35,980  
forest so there's

402  
00:15:41,010 --> 00:15:37,990  
long roads with nothing out there yeah

403  
00:15:42,180 --> 00:15:41,020  
and this is a flip phone cell phone day

404  
00:15:44,070 --> 00:15:42,190  
this isn't something you know this is

405  
00:15:47,400 --> 00:15:44,080  
where you had a foam and it wasn't the

406  
00:15:51,600 --> 00:15:47,410  
internet and or it wasn't as advanced

407  
00:15:54,840 --> 00:15:51,610  
where you could just see think so I'm

408  
00:15:57,270 --> 00:15:54,850  
driving my car I get the experience and

409  
00:15:59,100 --> 00:15:57,280  
all of a sudden it just smashes to the

410  
00:16:01,740 --> 00:15:59,110  
ground like it like it's Rockets but

411  
00:16:04,290 --> 00:16:01,750  
yeah it just kind of boom boom like that

412  
00:16:08,010 --> 00:16:04,300  
I figure I just hit a massive pothole

413  
00:16:10,110 --> 00:16:08,020

and the car is just it's flat instantly

414

00:16:12,900 --> 00:16:10,120

it's not going flat it's it's it's

415

00:16:18,030 --> 00:16:12,910

straight from the ground and I pull over

416

00:16:20,430 --> 00:16:18,040

and I go and the tires just demolished

417

00:16:21,840 --> 00:16:20,440

so in that kind of car they put that

418

00:16:23,280 --> 00:16:21,850

little donut and it's buried in the

419

00:16:25,110 --> 00:16:23,290

trunk so I'm like I gotta get everything

420

00:16:27,810 --> 00:16:25,120

on the chocolates and socks you know I'm

421

00:16:30,180 --> 00:16:27,820

gonna be late and there's no cell phone

422

00:16:33,570 --> 00:16:30,190

signal just probably still lifting today

423

00:16:35,700 --> 00:16:33,580

just cuz it's out in the forest and like

424

00:16:38,490 --> 00:16:35,710

what am I gonna do and then as I look I

425

00:16:42,960 --> 00:16:38,500

see both tires are Smith witness man

426

00:16:44,250 --> 00:16:42,970

that's up so um I go back and as I'm

427

00:16:45,570 --> 00:16:44,260

trying to get ahold of my dad to let him

428

00:16:47,940 --> 00:16:45,580

know I'm gonna be late come pick me

429

00:16:49,710 --> 00:16:47,950

outline and we do I'm walking the road

430

00:16:52,820 --> 00:16:49,720

to see the pothole there is no Patil

431

00:16:55,860 --> 00:16:52,830

there's scraping marks in the road where

432

00:17:00,930 --> 00:16:55,870

where the car kind of started blowing

433

00:17:03,150 --> 00:17:00,940

out and but no no no problem so I called

434

00:17:04,590 --> 00:17:03,160

my dad we get a hold of him he comes we

435

00:17:05,940 --> 00:17:04,600

get the tow truck driver then it's not

436

00:17:07,530 --> 00:17:05,950

like you can call the tow truck driver

437

00:17:11,190 --> 00:17:07,540

on your phone you have to my dad has to

438

00:17:14,070 --> 00:17:11,200

call him with the yellow page and be all

439

00:17:15,840 --> 00:17:14,080

me and he takes the car to the service

440

00:17:21,180 --> 00:17:15,850

you know to the service station to the

441

00:17:23,480 --> 00:17:21,190

dealership I go home but when I was

442

00:17:27,210 --> 00:17:23,490

fixing my tire it's midnight

443

00:17:29,340 --> 00:17:27,220

it literally is midnight I freaked out

444

00:17:30,990 --> 00:17:29,350

and now I'm trying to call my dad and

445

00:17:34,890 --> 00:17:31,000

he's panicked where have you been

446

00:17:37,680 --> 00:17:34,900

I'm calling four hours late and he's

447

00:17:39,870 --> 00:17:37,690

like Roger that you know I mean he's

448

00:17:41,610 --> 00:17:39,880

funny he's Sicilian he's like I call him

449

00:17:42,720 --> 00:17:41,620

it midnight and he's like Dina I need to

450

00:17:46,170 --> 00:17:42,730

bring the shovel in the best way and

451  
00:17:47,460 --> 00:17:46,180  
what are you doing but but you know I

452  
00:17:48,840 --> 00:17:47,470  
would never in responsible with my

453  
00:17:50,789 --> 00:17:48,850  
children like that I've never

454  
00:17:53,610 --> 00:17:50,799  
do that when I get back to the

455  
00:17:55,830 --> 00:17:53,620  
dealership in the morning the guy says

456  
00:17:57,539 --> 00:17:55,840  
well you need to talk to that tow truck

457  
00:17:58,950 --> 00:17:57,549  
driver man he dropped your car I'm like

458  
00:18:01,580 --> 00:17:58,960  
what do you mean you guys if you dropped

459  
00:18:04,289 --> 00:18:01,590  
your car I go now I blew out both tires

460  
00:18:07,140 --> 00:18:04,299  
because they blow out they cracked in

461  
00:18:08,700 --> 00:18:07,150  
half perfectly at the same time I saw

462  
00:18:10,440 --> 00:18:08,710  
you hit a big pothole probably he said

463  
00:18:12,480 --> 00:18:10,450

now there's no way cracked both rims and

464

00:18:14,970 --> 00:18:12,490

ass right the exact center like it was

465

00:18:17,010 --> 00:18:14,980

dropped so he said so that's that story

466

00:18:20,010 --> 00:18:17,020

so there's like a physical thing to

467

00:18:23,159 --> 00:18:20,020

happen but with a missing time an actual

468

00:18:24,990 --> 00:18:23,169

physical car that I've never had

469

00:18:29,460 --> 00:18:25,000

anything else like that like that

470

00:18:31,020 --> 00:18:29,470

full-on contact sorta what do you what

471

00:18:33,779 --> 00:18:31,030

do you think like say from the

472

00:18:38,370 --> 00:18:33,789

perspective of aliens what were they

473

00:18:39,570 --> 00:18:38,380

trying to do no idea that point I could

474

00:18:41,190 --> 00:18:39,580

even tell you that I was even thinking

475

00:18:43,500 --> 00:18:41,200

aliens do they didn't really know about

476

00:18:45,659 --> 00:18:43,510

missing cards at that point okay

477

00:18:47,100 --> 00:18:45,669

I mean I heard about it but I wasn't

478

00:18:49,159 --> 00:18:47,110

understanding what they were meaning by

479

00:18:51,990 --> 00:18:49,169

like you know I mean like I was into it

480

00:18:53,730 --> 00:18:52,000

so that was my missing time there's a

481

00:18:55,980 --> 00:18:53,740

way afterwards as I look at it back

482

00:18:57,779 --> 00:18:55,990

people talk about how missing time has

483

00:19:01,770 --> 00:18:57,789

affected it has ever looked into that

484

00:19:07,020 --> 00:19:01,780

pardon and yeah I suppose like if I was

485

00:19:10,799 --> 00:19:07,030

like playing the skeptic role you'd say

486

00:19:13,380 --> 00:19:10,809

that's you you you you did hit something

487

00:19:15,299 --> 00:19:13,390

your tires went flat and you they kind

488

00:19:18,210 --> 00:19:15,309

of scraped against the road somehow Hey

489

00:19:21,149 --> 00:19:18,220

and yeah you just prep didn't walk back

490

00:19:23,159 --> 00:19:21,159

far enough along the road to see what a

491

00:19:24,990 --> 00:19:23,169

lot of yeah you know it rolls out I was

492

00:19:26,310 --> 00:19:25,000

thinking that yeah yeah and it can tell

493

00:19:30,210 --> 00:19:26,320

you if you've been thinking about trying

494

00:19:32,100 --> 00:19:30,220

to find recommendations as well and then

495

00:19:34,169 --> 00:19:32,110

like there's the missing time like

496

00:19:36,659 --> 00:19:34,179

between like 8 o'clock ish and midnight

497

00:19:38,159 --> 00:19:36,669

when you did the call and the thought

498

00:19:39,539 --> 00:19:38,169

there would be that you maybe you banged

499

00:19:41,340 --> 00:19:39,549

your head or something or that you

500

00:19:43,440 --> 00:19:41,350

passed out and that's why you get

501  
00:19:44,520 --> 00:19:43,450  
something like smack the steering wheel

502  
00:19:47,159 --> 00:19:44,530  
or something like that I mean there was

503  
00:19:50,570 --> 00:19:47,169  
no mark of that or hit my neck who knows

504  
00:19:54,149 --> 00:19:50,580  
but it doesn't I didn't feel like I did

505  
00:19:56,190 --> 00:19:54,159  
yeah there's a relative of mine had an

506  
00:20:00,480 --> 00:19:56,200  
interesting experience where he was it

507  
00:20:01,770 --> 00:20:00,490  
was at a hotel casino and he remembers

508  
00:20:02,670 --> 00:20:01,780  
being in the casino everything was

509  
00:20:05,970 --> 00:20:02,680  
playing the slots

510  
00:20:09,510 --> 00:20:05,980  
thing at around like 8 o'clock and then

511  
00:20:10,350 --> 00:20:09,520  
he remembers later being his room at

512  
00:20:12,660 --> 00:20:10,360  
around midnight

513  
00:20:16,590 --> 00:20:12,670

I think he was in a similar time frame

514

00:20:19,740 --> 00:20:16,600

and he doesn't doesn't remember what

515

00:20:21,300 --> 00:20:19,750

happened between those two times he

516

00:20:23,460 --> 00:20:21,310

doesn't remember how he got back to his

517

00:20:25,320 --> 00:20:23,470

room and you know he's initial thought

518

00:20:29,070 --> 00:20:25,330

was like he drunk too much but then you

519

00:20:30,750 --> 00:20:29,080

know he said he only had one beer and he

520

00:20:33,450 --> 00:20:30,760

he was concerned about this so he went

521

00:20:36,210 --> 00:20:33,460

to the hotel security and they actually

522

00:20:37,740 --> 00:20:36,220

found a videotape of him because he knew

523

00:20:40,650 --> 00:20:37,750

casinos they have they have cameras

524

00:20:43,620 --> 00:20:40,660

everywhere and they were able to track

525

00:20:45,570 --> 00:20:43,630

him playing on the slots and then go

526  
00:20:48,180 --> 00:20:45,580  
into a blackjack table and then talking

527  
00:20:50,580 --> 00:20:48,190  
to somebody and then walking to the

528  
00:20:52,410 --> 00:20:50,590  
elevators and using his key cards to get

529  
00:20:55,080 --> 00:20:52,420  
into the elevator and then going up to

530  
00:20:57,990 --> 00:20:55,090  
his room and he doesn't remember any of

531  
00:21:00,480 --> 00:20:58,000  
that it just went from you know being

532  
00:21:03,000 --> 00:21:00,490  
being in the casino to being in his

533  
00:21:05,160 --> 00:21:03,010  
rooms and he talked to his doctors about

534  
00:21:06,720 --> 00:21:05,170  
it and they said it it's essentially

535  
00:21:09,720 --> 00:21:06,730  
just something that happens occasionally

536  
00:21:11,370 --> 00:21:09,730  
your brain just stops recording new

537  
00:21:13,680 --> 00:21:11,380  
memories so even though he wasn't

538  
00:21:16,230 --> 00:21:13,690

actually unconscious his brain wasn't

539

00:21:17,970 --> 00:21:16,240

recording new members and that does

540

00:21:20,220 --> 00:21:17,980

happen occasionally to people he was I

541

00:21:22,680 --> 00:21:20,230

believe in his his sixties or so when

542

00:21:24,360 --> 00:21:22,690

that happened to him but I'm not sure if

543

00:21:26,790 --> 00:21:24,370

there's an age limit so you know it's

544

00:21:29,280 --> 00:21:26,800

possible that something like that might

545

00:21:30,390 --> 00:21:29,290

have happened to you it is possible I

546

00:21:32,610 --> 00:21:30,400

know what the I would say is that's

547

00:21:35,940 --> 00:21:32,620

Vegas so once you say Vegas everybody's

548

00:21:38,190 --> 00:21:35,950

gonna go well he's happening and then

549

00:21:39,600 --> 00:21:38,200

the conspiracy theory is instantly going

550

00:21:40,890 --> 00:21:39,610

well it's Vegas because they're pumping

551  
00:21:42,330 --> 00:21:40,900  
stuff in the air and they're making them

552  
00:21:46,260 --> 00:21:42,340  
gambling he doesn't even doubt right I

553  
00:21:47,340 --> 00:21:46,270  
mean I was I was the I know we're

554  
00:21:49,500 --> 00:21:47,350  
talking to aliens we're going to talk

555  
00:21:50,850 --> 00:21:49,510  
about cue and some other things one of

556  
00:21:51,690 --> 00:21:50,860  
the things I thought was interesting and

557  
00:21:54,030 --> 00:21:51,700  
maybe we can do it later

558  
00:21:56,130 --> 00:21:54,040  
yes you're kind of politely dragging

559  
00:21:58,710 --> 00:21:56,140  
people out of the rabbit hole and I'm

560  
00:22:01,500 --> 00:21:58,720  
really politely saying hey there's more

561  
00:22:03,540 --> 00:22:01,510  
in there and so one of the things I

562  
00:22:05,190 --> 00:22:03,550  
might do later I do want is where if I

563  
00:22:07,170 --> 00:22:05,200

saw in the news article how I would look

564

00:22:10,320 --> 00:22:07,180

at it and you know I mean where it would

565

00:22:11,910 --> 00:22:10,330

lead me right it kind of then see well

566

00:22:14,010 --> 00:22:11,920

maybe you're making mistake there that's

567

00:22:16,230 --> 00:22:14,020

not connected does that make sense yeah

568

00:22:16,590 --> 00:22:16,240

I see a government I want to show you

569

00:22:19,280 --> 00:22:16,600

how

570

00:22:22,770 --> 00:22:19,290

I do know I see what you're saying

571

00:22:25,170 --> 00:22:22,780

because like you you mostly you you've

572

00:22:27,900 --> 00:22:25,180

got this deep wealth of experience that

573

00:22:29,040 --> 00:22:27,910

kind of gives you a perspective which is

574

00:22:31,740 --> 00:22:29,050

different for other people who haven't

575

00:22:34,490 --> 00:22:31,750

had this experience and so you I guess

576

00:22:36,840 --> 00:22:34,500

you you kind of tend to gravitate

577

00:22:39,630 --> 00:22:36,850

towards an explanation that kind of

578

00:22:42,000 --> 00:22:39,640

includes these things as being real

579

00:22:44,790 --> 00:22:42,010

events whereas I would kind of gravitate

580

00:22:48,900 --> 00:22:44,800

towards an explanation this has the more

581

00:22:53,010 --> 00:22:48,910

mundane explanations so but some things

582

00:22:55,980 --> 00:22:53,020

are just too far out there aliens are

583

00:22:58,200 --> 00:22:55,990

one of them right the two until somebody

584

00:23:00,540 --> 00:22:58,210

has DNA it's no one's ever going to

585

00:23:03,480 --> 00:23:00,550

believe in my hand and probably

586

00:23:07,080 --> 00:23:03,490

shouldn't just the possibility that life

587

00:23:09,540 --> 00:23:07,090

is out there but not going too far I

588

00:23:12,090 --> 00:23:09,550

mean there has to be life out there just

589

00:23:13,590 --> 00:23:12,100

because it's an if if I get this correct

590

00:23:15,120 --> 00:23:13,600

if an infinite universe the pattern will

591

00:23:18,360 --> 00:23:15,130

repeat itself there's duplicates of us

592

00:23:21,000 --> 00:23:18,370

out there somewhere right I mean are as

593

00:23:22,500 --> 00:23:21,010

the theory Gary said I don't I don't

594

00:23:24,180 --> 00:23:22,510

think you couldn't say there's not life

595

00:23:26,190 --> 00:23:24,190

out there I mean would you think there's

596

00:23:28,380 --> 00:23:26,200

life in the universe I think most people

597

00:23:28,680 --> 00:23:28,390

think that you know the universe is so

598

00:23:30,450 --> 00:23:28,690

big

599

00:23:32,160 --> 00:23:30,460

there's probably some kind of life

600

00:23:34,740 --> 00:23:32,170

somewhere out there I mean we have our

601  
00:23:36,030 --> 00:23:34,750  
galaxy which has lots of systems and

602  
00:23:37,740 --> 00:23:36,040  
that's big enough but then you've got

603  
00:23:40,170 --> 00:23:37,750  
billions of other galaxies and this

604  
00:23:43,350 --> 00:23:40,180  
almost certainly right the space in this

605  
00:23:45,000 --> 00:23:43,360  
is so yes I don't think aliens per se

606  
00:23:46,380 --> 00:23:45,010  
are not crazy like the idea of that

607  
00:23:47,760 --> 00:23:46,390  
aliens existing somewhere in the

608  
00:23:50,190 --> 00:23:47,770  
universe it's a perfectly reasonable

609  
00:23:52,470 --> 00:23:50,200  
thing and pretty much everybody thinks

610  
00:23:54,150 --> 00:23:52,480  
that seems a some kind of life somewhere

611  
00:23:58,290 --> 00:23:54,160  
in the universe other than us that's

612  
00:24:01,140 --> 00:23:58,300  
quite reasonable though in it so it's

613  
00:24:04,140 --> 00:24:01,150

not like it couldn't happen I guess

614

00:24:05,340 --> 00:24:04,150

there's always a possibility so I don't

615

00:24:07,380 --> 00:24:05,350

think I would believe in something that

616

00:24:09,930 --> 00:24:07,390

couldn't happen does that make sense

617

00:24:12,090 --> 00:24:09,940

sure yeah yeah so I mean it could happen

618

00:24:13,800 --> 00:24:12,100

so it seems like it's happening and it

619

00:24:17,900 --> 00:24:13,810

could happen to me it seems like it's

620

00:24:21,120 --> 00:24:17,910

happening to me that's all but as far as

621

00:24:23,970 --> 00:24:21,130

physical craft here's an example I've

622

00:24:26,810 --> 00:24:23,980

never seen like your classic UFO sport

623

00:24:29,820 --> 00:24:26,820

model you know flying saucer

624

00:24:30,570 --> 00:24:29,830

but I've seen very strange light

625

00:24:32,730 --> 00:24:30,580

arrangements and I

626

00:24:35,399 --> 00:24:32,740

I'll count anything that doesn't move in

627

00:24:38,330 --> 00:24:35,409

a non-newtonian way like I see light all

628

00:24:40,620 --> 00:24:38,340

the time I see strangeness all the time

629

00:24:41,789 --> 00:24:40,630

but I don't count those I don't share

630

00:24:43,049 --> 00:24:41,799

this because it could be anything could

631

00:24:44,970 --> 00:24:43,059

be an airplane could be all the things

632

00:24:48,659 --> 00:24:44,980

that we think they could but some things

633

00:24:50,490 --> 00:24:48,669

like triangle shows up like just the

634

00:24:52,380 --> 00:24:50,500

dots of a triangle and then it spins

635

00:24:55,080 --> 00:24:52,390

around and takes off like that that's

636

00:24:57,419 --> 00:24:55,090

something yeah there's a structure to it

637

00:24:59,580 --> 00:24:57,429

there's a shape but I've had that happen

638

00:25:01,320 --> 00:24:59,590

several times just like a pattern of

639

00:25:03,240 --> 00:25:01,330

Lights and then they all line up and

640

00:25:04,860 --> 00:25:03,250

take off but they're just lights that's

641

00:25:07,649 --> 00:25:04,870

about the size of stars I don't know

642

00:25:10,470 --> 00:25:07,659

what they are it could be anything but

643

00:25:12,409 --> 00:25:10,480

it certainly looks weird but about six

644

00:25:14,870 --> 00:25:12,419

months ago my wife who is an engineer

645

00:25:17,820 --> 00:25:14,880

and she's a skeptic in the sense that

646

00:25:19,680 --> 00:25:17,830

she makes a list for her list he's OCD

647

00:25:21,870 --> 00:25:19,690

everything tool has a place you know

648

00:25:25,350 --> 00:25:21,880

Michy's the logical thinking perfect as

649

00:25:27,029 --> 00:25:25,360

she always has humored me in the sense

650

00:25:28,740 --> 00:25:27,039

she just thinks it's interesting but

651

00:25:30,000 --> 00:25:28,750

never really has an opinion either way

652

00:25:32,879 --> 00:25:30,010

she's just kind of yeah there's probably

653

00:25:35,070 --> 00:25:32,889

life out there we'll never bubble it's

654

00:25:38,279 --> 00:25:35,080

my second one but we're out on the boat

655

00:25:41,279 --> 00:25:38,289

we live here on the lake and it's about

656

00:25:44,159 --> 00:25:41,289

maybe almost 3:00 in the afternoon it is

657

00:25:46,379 --> 00:25:44,169

flat there's not a cloud in the sky and

658

00:25:48,090 --> 00:25:46,389

all of a sudden I just say look up there

659

00:25:51,149 --> 00:25:48,100

I get this feeling to say look right

660

00:25:53,360 --> 00:25:51,159

there and boom there's in a Delta shape

661

00:25:56,490 --> 00:25:53,370

those five huge blowings

662

00:25:58,070 --> 00:25:56,500

look like circles and not spheres but

663

00:26:03,029 --> 00:25:58,080

you could see the edge like they were

664

00:26:04,769 --> 00:26:03,039

glowing and when I say big the day was

665

00:26:07,889 --> 00:26:04,779

so clear we are in the flight pattern to

666

00:26:09,509 --> 00:26:07,899

Orlando you could see the tail color of

667

00:26:11,399 --> 00:26:09,519

the plane and like the dots of the

668

00:26:13,110 --> 00:26:11,409

window you couldn't see any members or

669

00:26:16,950 --> 00:26:13,120

anything but you could see that of a

670

00:26:18,810 --> 00:26:16,960

passenger jet the tail sign it's a nice

671

00:26:23,340 --> 00:26:18,820

clear day that's not odd down here

672

00:26:27,419 --> 00:26:23,350

everything's flat and it formed like a

673

00:26:28,919 --> 00:26:27,429

like a iike Delta like a five shape five

674

00:26:30,240 --> 00:26:28,929

circles and adults as formation like

675

00:26:33,360 --> 00:26:30,250

that and we're just sitting there and

676

00:26:35,700 --> 00:26:33,370

the plane is already past the plane is

677

00:26:37,379 --> 00:26:35,710

over here on the jet they kind of get a

678

00:26:39,299 --> 00:26:37,389

perspective it looked like it was behind

679

00:26:40,769 --> 00:26:39,309

it it could have been in front of it but

680

00:26:43,500 --> 00:26:40,779

if it was behind it had to be enormous

681

00:26:44,549 --> 00:26:43,510

circles though they were wainy there

682

00:26:46,799 --> 00:26:44,559

were five each circle

683

00:26:47,789 --> 00:26:46,809

five times the size of that yeah but it

684

00:26:51,119 --> 00:26:47,799

could have been in front of it to

685

00:26:53,789 --> 00:26:51,129

perspective lies out on that and then

686

00:26:55,980 --> 00:26:53,799

we're sitting there and I don't want to

687

00:26:59,009 --> 00:26:55,990

take my eyes off of it and I'm trying to

688

00:27:00,330 --> 00:26:59,019

get my phone which is on the boat again

689

00:27:01,799 --> 00:27:00,340  
but I don't want to lose it so I'm

690

00:27:03,539 --> 00:27:01,809  
turning it on and not looking so I

691

00:27:06,180 --> 00:27:03,549  
putting the viewfinder off about thirty

692

00:27:08,070 --> 00:27:06,190  
or dust about 67 that's thirty seconds

693

00:27:09,980 --> 00:27:08,080  
in and I'm trying to do if I didn't

694

00:27:13,320 --> 00:27:09,990  
catch anything hmm

695

00:27:16,230 --> 00:27:13,330  
that's the thing whoa wait wait okay

696

00:27:18,029 --> 00:27:16,240  
they turn into a circle and take off one

697

00:27:20,340 --> 00:27:18,039  
by one just like the little ones I used

698

00:27:24,899 --> 00:27:20,350  
to see a long time ago but my wife sees

699

00:27:27,330 --> 00:27:24,909  
it too she she'll tell you she was like

700

00:27:30,060 --> 00:27:27,340  
what so she's that she's like all

701  
00:27:31,619 --> 00:27:30,070  
excited now but she saw it too we're

702  
00:27:34,049 --> 00:27:31,629  
thinking what could it be spotlights

703  
00:27:35,820 --> 00:27:34,059  
it's like a car dealership but there's

704  
00:27:37,619 --> 00:27:35,830  
no cloud to reflect off of it there's no

705  
00:27:39,539 --> 00:27:37,629  
beam there's no it's broad daylight I

706  
00:27:41,279 --> 00:27:39,549  
don't know that that could be something

707  
00:27:44,489 --> 00:27:41,289  
like that and could it be that big and

708  
00:27:46,950 --> 00:27:44,499  
that the whiteness of the the was

709  
00:27:48,299 --> 00:27:46,960  
clearly solid white and glowing like a

710  
00:27:50,389 --> 00:27:48,309  
spotlight always has some sort of

711  
00:27:52,830 --> 00:27:50,399  
transparency good so that's an odd thing

712  
00:27:56,519 --> 00:27:52,840  
yeah that's a very odd thing say your

713  
00:27:59,159 --> 00:27:56,529

wife saw the same thing yes he knows she

714

00:28:01,080 --> 00:27:59,169

saw the same thing there so she told me

715

00:28:03,450 --> 00:28:01,090

because as soon as we got into the doc

716

00:28:07,200 --> 00:28:03,460

took my mom lives in a guest house on

717

00:28:10,049 --> 00:28:07,210

our property by the dock we told her and

718

00:28:11,639 --> 00:28:10,059

she said the neighbor had told her that

719

00:28:13,649 --> 00:28:11,649

she had saw some things do earlier that

720

00:28:17,310 --> 00:28:13,659

day because she thinks my mom thinks I'm

721

00:28:18,509 --> 00:28:17,320

a lunatic but I talked about sauces and

722

00:28:20,460 --> 00:28:18,519

things earlier that day night so that's

723

00:28:21,720 --> 00:28:20,470

just weird that she saw it and the

724

00:28:22,710 --> 00:28:21,730

neighbor said he saw something I don't

725

00:28:25,259 --> 00:28:22,720

make that deal with the neighbors all

726

00:28:27,450 --> 00:28:25,269

yeah yeah so do you think if you had had

727

00:28:29,850 --> 00:28:27,460

your camera out at that time you would

728

00:28:33,659 --> 00:28:29,860

have got good video or good photos of it

729

00:28:37,460 --> 00:28:33,669

I know and I'll tell you why I mean I

730

00:28:39,570 --> 00:28:37,470

was filming it but it was just sky about

731

00:28:41,909 --> 00:28:39,580

just a couple weeks ago we were doing

732

00:28:44,460 --> 00:28:41,919

some work down the Florida Keys we had

733

00:28:46,169 --> 00:28:44,470

to go out to this island and here there

734

00:28:48,659 --> 00:28:46,179

was the Naval Station and they fly this

735

00:28:49,889 --> 00:28:48,669

is a like a blimp not a blimp you would

736

00:28:51,090 --> 00:28:49,899

ride in but like a weather balloon that

737

00:28:54,779 --> 00:28:51,100

looks like it looks like a goldfish

738

00:28:56,430 --> 00:28:54,789

cracker yeah okay it's round in the

739

00:28:58,450 --> 00:28:56,440

front has fins you would say that looks

740

00:29:00,220 --> 00:28:58,460

like a fish right yeah yeah

741

00:29:02,230 --> 00:29:00,230

thank you me just a big white like a

742

00:29:04,180 --> 00:29:02,240

blimp like a air balloon and it's

743

00:29:06,580 --> 00:29:04,190

tethered and they fly it there for

744

00:29:09,249 --> 00:29:06,590

weather or surveillance or whatever the

745

00:29:12,159 --> 00:29:09,259

government and I'm riding in the boat

746

00:29:13,450 --> 00:29:12,169

and I see it clearly and it's because it

747

00:29:15,340 --> 00:29:13,460

reminds me of the tic-tac words you're

748

00:29:17,019 --> 00:29:15,350

making your things and like okay that

749

00:29:19,810 --> 00:29:17,029

looks like that would could be the size

750

00:29:23,739 --> 00:29:19,820

of the thing about 40 to 60 feet long

751

00:29:26,379 --> 00:29:23,749

and I take a picture of it and I film it

752

00:29:28,269 --> 00:29:26,389

yeah screen shot you'd the whole thing

753

00:29:29,830 --> 00:29:28,279

Stills and video and it looks like a

754

00:29:32,139 --> 00:29:29,840

white little dot that you can't see

755

00:29:34,239 --> 00:29:32,149

anything and I'm clear it with my human

756

00:29:36,519 --> 00:29:34,249

eye I can see it very clearly what it is

757

00:29:37,769 --> 00:29:36,529

I can even see the tether I can see like

758

00:29:40,090 --> 00:29:37,779

some of the strappings

759

00:29:41,739 --> 00:29:40,100

but you can't see anything and then the

760

00:29:43,149 --> 00:29:41,749

weird part is when you zoom in on it

761

00:29:45,519 --> 00:29:43,159

then it looks like it's this glowing

762

00:29:46,899 --> 00:29:45,529

ball that you always see people see like

763

00:29:49,840 --> 00:29:46,909

well yeah cause it's completely out of

764

00:29:51,580 --> 00:29:49,850

focus but so I don't know that kind of

765

00:29:53,830 --> 00:29:51,590

camera catch something that that that

766

00:29:55,210 --> 00:29:53,840

far away I don't know yeah I mean if you

767

00:29:57,100 --> 00:29:55,220

can if you can see something with your

768

00:29:58,659 --> 00:29:57,110

eyes then if you have a good enough

769

00:30:00,730 --> 00:29:58,669

camera than you'll be able to do it

770

00:30:02,259 --> 00:30:00,740

it's a problem that I thought iPhone 10

771

00:30:04,210 --> 00:30:02,269

it has pretty good camera I have that

772

00:30:06,639 --> 00:30:04,220

too like if you film things in 4k you

773

00:30:08,350 --> 00:30:06,649

can get things but of course they don't

774

00:30:09,669 --> 00:30:08,360

they don't zoom in particularly well

775

00:30:12,310 --> 00:30:09,679

they've got a two-time Zune on the

776

00:30:15,100 --> 00:30:12,320

iPhone 10 and things don't get that much

777

00:30:16,930 --> 00:30:15,110

bigger so it was just interesting to me

778

00:30:19,720 --> 00:30:16,940

with what does something look like your

779

00:30:22,239 --> 00:30:19,730

eye compared to film that all people

780

00:30:24,430 --> 00:30:22,249

always talk about taking photos of the

781

00:30:26,200 --> 00:30:24,440

moon if you look at the moon it looks

782

00:30:27,489 --> 00:30:26,210

giant and beautiful and you can see all

783

00:30:29,080 --> 00:30:27,499

the craters and everything and you get

784

00:30:30,489 --> 00:30:29,090

your phone out and you take a picture of

785

00:30:32,830 --> 00:30:30,499

this and it's just this bright white

786

00:30:35,320 --> 00:30:32,840

blob in the middle of the photo because

787

00:30:37,029 --> 00:30:35,330

it doesn't work very well but you thing

788

00:30:39,100 --> 00:30:37,039

is you can actually take really really

789

00:30:41,499 --> 00:30:39,110

good photos of the moon if you've got

790

00:30:44,169 --> 00:30:41,509

the right camera like I've got a camera

791

00:30:46,629 --> 00:30:44,179

over there is a Nikon P 900 which has an

792

00:30:48,580 --> 00:30:46,639

83 times zoom and if you have the right

793

00:30:49,930 --> 00:30:48,590

camera at the right time then you're

794

00:30:51,879 --> 00:30:49,940

actually able to take really really good

795

00:30:54,460 --> 00:30:51,889

photos of the moon that are actually far

796

00:30:57,460 --> 00:30:54,470

better than what you can see with the

797

00:30:59,830 --> 00:30:57,470

naked eye why are all why do all UFO

798

00:31:03,190 --> 00:30:59,840

videos stink there's thousands of them

799

00:31:05,619 --> 00:31:03,200

and say some of a real some of them are

800

00:31:07,389 --> 00:31:05,629

whatever who knows but they all stink

801  
00:31:09,789 --> 00:31:07,399  
and then of course the most famous three

802  
00:31:11,860 --> 00:31:09,799  
that you've gone into we don't have to

803  
00:31:13,690 --> 00:31:11,870  
go into full-blown on that

804  
00:31:16,810 --> 00:31:13,700  
thousand times but take the tic-tac for

805  
00:31:18,700 --> 00:31:16,820  
a second mm-hmm what would you ever

806  
00:31:21,190 --> 00:31:18,710  
consider it's something like time

807  
00:31:23,620 --> 00:31:21,200  
distortion or gravitational lensing from

808  
00:31:25,600 --> 00:31:23,630  
the power source meaning if it's an

809  
00:31:26,950 --> 00:31:25,610  
antigravity thing and it creates some

810  
00:31:29,080 --> 00:31:26,960  
sort of shield which stopped the nura

811  
00:31:30,910 --> 00:31:29,090  
and that's why I can move would it bend

812  
00:31:32,530 --> 00:31:30,920  
the light and would it look like it's

813  
00:31:34,900 --> 00:31:32,540

changing shape I don't know the science

814

00:31:37,000 --> 00:31:34,910

behind them but would that cause and it

815

00:31:38,680 --> 00:31:37,010

was time dilated me and we can't even a

816

00:31:40,240 --> 00:31:38,690

camera can't see it move what it looked

817

00:31:42,970 --> 00:31:40,250

like it's erratic what it's really just

818

00:31:45,400 --> 00:31:42,980

moving around what about that well

819

00:31:46,900 --> 00:31:45,410

that's not like you know if you go into

820

00:31:48,910 --> 00:31:46,910

things like that it's almost like you're

821

00:31:50,980 --> 00:31:48,920

saying that it's magic because are you

822

00:31:52,419 --> 00:31:50,990

saying is it the physics is so advanced

823

00:31:54,400 --> 00:31:52,429

that it's doing something that we don't

824

00:31:57,250 --> 00:31:54,410

understand like saying it's bending

825

00:31:58,720 --> 00:31:57,260

space so that light goes around it well

826

00:32:00,370 --> 00:31:58,730

we do understand that though we

827

00:32:03,220 --> 00:32:00,380

understand gravitational lensing with

828

00:32:05,200 --> 00:32:03,230

like the Sun and we understand this

829

00:32:07,000 --> 00:32:05,210

the something is there to do

830

00:32:09,640 --> 00:32:07,010

gravitational lensing you need an

831

00:32:11,830 --> 00:32:09,650

incredibly large mass I mean you

832

00:32:13,510 --> 00:32:11,840

essentially for something that that size

833

00:32:15,190 --> 00:32:13,520

to do gravitational lensing you would

834

00:32:17,169 --> 00:32:15,200

need a black hole and if there was a

835

00:32:19,390 --> 00:32:17,179

black hole flying around in there you

836

00:32:20,890 --> 00:32:19,400

you wouldn't just have light bending

837

00:32:22,510 --> 00:32:20,900

you'd have everything bending there the

838

00:32:24,010 --> 00:32:22,520

the world would just near cease to exist

839

00:32:27,580 --> 00:32:24,020

essentially because you would have this

840

00:32:29,350 --> 00:32:27,590

huge gravitational field in in 1:1 spots

841

00:32:31,510 --> 00:32:29,360

and if anything like fell into it it's

842

00:32:32,919 --> 00:32:31,520

like you know BAM came over like that

843

00:32:42,250 --> 00:32:32,929

the amount of energy that would be

844

00:32:45,340 --> 00:32:42,260

radiating around report to work time

845

00:32:47,500 --> 00:32:45,350

aspect of that when framer talked about

846

00:32:49,330 --> 00:32:47,510

it looked like a BB in a glass the first

847

00:32:50,650 --> 00:32:49,340

thing I thought is is is that just time

848

00:32:52,290 --> 00:32:50,660

diet like it does it look like that

849

00:32:55,360 --> 00:32:52,300

because that's what they're seeing

850

00:32:57,370 --> 00:32:55,370

actually doing I don't think that really

851  
00:33:00,580 --> 00:32:57,380  
kind of tallies with our understanding

852  
00:33:02,799 --> 00:33:00,590  
of general relativity and how time

853  
00:33:04,990 --> 00:33:02,809  
dilation actually works and time

854  
00:33:06,250 --> 00:33:05,000  
dilation works because something is

855  
00:33:07,390 --> 00:33:06,260  
moving very very fast

856  
00:33:09,190 --> 00:33:07,400  
you know things don't appear to be

857  
00:33:15,850 --> 00:33:09,200  
moving very very fast because of time

858  
00:33:18,430 --> 00:33:15,860  
dilation like when you look at a family

859  
00:33:20,500 --> 00:33:18,440  
you see three fans but when it's moving

860  
00:33:21,820 --> 00:33:20,510  
it looks like it's one and if you move

861  
00:33:23,350 --> 00:33:21,830  
certain ways that looks like it's here

862  
00:33:25,570 --> 00:33:23,360  
and then it's there I mean it could it

863  
00:33:26,270 --> 00:33:25,580

be something to that effect yeah well I

864

00:33:29,540 --> 00:33:26,280

mean I think

865

00:33:30,980 --> 00:33:29,550

what people are describing and some of

866

00:33:33,500 --> 00:33:30,990

the the stuff that has been describing

867

00:33:36,230 --> 00:33:33,510

this is this the nimitz UFO encounter

868

00:33:40,670 --> 00:33:36,240

that happened in 2004 the stuff they are

869

00:33:41,480 --> 00:33:40,680

describing requires physics beyond our

870

00:33:43,820 --> 00:33:41,490

understanding

871

00:33:46,400 --> 00:33:43,830

I mean we don't know how things can

872

00:33:48,380 --> 00:33:46,410

actually move you know whatever it was

873

00:33:50,210 --> 00:33:48,390

it was something like like four miles in

874

00:33:51,980 --> 00:33:50,220

in half a second or something like that

875

00:33:55,040 --> 00:33:51,990

from a dead stop to a dead stop which is

876

00:33:57,170 --> 00:33:55,050

you know practically teleporting and so

877

00:33:58,580 --> 00:33:57,180

to do that we you it would need some

878

00:34:00,200 --> 00:33:58,590

kind of new and the sending of physics

879

00:34:02,210 --> 00:34:00,210

and in a way it doesn't really matter

880

00:34:04,550 --> 00:34:02,220

what that's that physics actually is

881

00:34:08,000 --> 00:34:04,560

what matters is did this thing actually

882

00:34:09,710 --> 00:34:08,010

happen or not it's an incredible thing

883

00:34:11,690 --> 00:34:09,720

so I think the standard of evidence

884

00:34:13,490 --> 00:34:11,700

would have to be fairly high and of

885

00:34:18,710 --> 00:34:13,500

course I personally don't think that the

886

00:34:20,480 --> 00:34:18,720

evidence is really good to say what I

887

00:34:21,890 --> 00:34:20,490

have to say commander favorite sounds

888

00:34:23,060 --> 00:34:21,900

legit I don't want to go I got some

889

00:34:24,890 --> 00:34:23,070

other things I want to ask you about

890

00:34:26,300 --> 00:34:24,900

this just because to me the things that

891

00:34:27,740 --> 00:34:26,310

have always done but I would like to say

892

00:34:29,780 --> 00:34:27,750

that I think commander favor sounds

893

00:34:32,930 --> 00:34:29,790

legit to me like he sounds like legit

894

00:34:35,210 --> 00:34:32,940

person but I would agree with our words

895

00:34:37,100 --> 00:34:35,220

he sounds legit but it doesn't mean that

896

00:34:38,990 --> 00:34:37,110

what he saw and what he thinks he saw

897

00:34:42,140 --> 00:34:39,000

huh and I also agree with you that the

898

00:34:44,330 --> 00:34:42,150

videos are horrible yeah there's no way

899

00:34:46,640 --> 00:34:44,340

that the most advanced aircraft in the

900

00:34:48,620 --> 00:34:46,650

world gave us that video period there is

901  
00:34:50,900 --> 00:34:48,630  
either the conspiracy of another video

902  
00:34:54,680 --> 00:34:50,910  
or you know I mean that is just terrible

903  
00:34:56,360 --> 00:34:54,690  
yeah you know I mean you can't and the

904  
00:34:57,890 --> 00:34:56,370  
other thing are you do you ever talk

905  
00:35:00,140 --> 00:34:57,900  
about TTS say I don't want to get there

906  
00:35:04,220 --> 00:35:00,150  
seems like a toy yeah yeah si that's uh

907  
00:35:06,230 --> 00:35:04,230  
Tom DeLonge at organisation yeah as far

908  
00:35:07,610 --> 00:35:06,240  
as just of my UFO folks out there just a

909  
00:35:10,550 --> 00:35:07,620  
quick thing everybody has an opinion on

910  
00:35:11,960 --> 00:35:10,560  
they go crazy on it I root for anybody

911  
00:35:13,670 --> 00:35:11,970  
that's trying for disclosure but in the

912  
00:35:16,010 --> 00:35:13,680  
same sense we're kind of promised thirty

913  
00:35:17,990 --> 00:35:16,020

videos but we got three fuzzy videos and

914

00:35:20,660 --> 00:35:18,000

then you kind of got the balloon thing

915

00:35:22,190 --> 00:35:20,670

and there's some credibility issues yet

916

00:35:24,620 --> 00:35:22,200

you look at the other side the team they

917

00:35:25,910 --> 00:35:24,630

have those are some real deal people and

918

00:35:27,440 --> 00:35:25,920

you're like how would real deal people

919

00:35:29,270 --> 00:35:27,450

like that be involved but I would agree

920

00:35:29,750 --> 00:35:29,280

with you that the videos aren't that

921

00:35:32,180 --> 00:35:29,760

great

922

00:35:34,280 --> 00:35:32,190

I'd like show me a better video I really

923

00:35:36,230 --> 00:35:34,290

love to see it if they have yeah it is

924

00:35:38,000 --> 00:35:36,240

very interesting that the TTS a light on

925

00:35:39,859 --> 00:35:38,010

DeLong's organization does have people

926

00:35:41,809 --> 00:35:39,869

who seem to have like good

927

00:35:44,359 --> 00:35:41,819

vacations like well it's not just good

928

00:35:46,039 --> 00:35:44,369

quality how about Chris Mellon of the

929

00:35:47,299 --> 00:35:46,049

melon family time that Jim Sammy been

930

00:35:50,180 --> 00:35:47,309

help put up these are like real

931

00:35:52,819 --> 00:35:50,190

scientists real the people I think that

932

00:35:56,180 --> 00:35:52,829

one I find confusing the most is Steve

933

00:35:59,150 --> 00:35:56,190

justice he used to be the guy who was

934

00:36:01,489 --> 00:35:59,160

the head of skunk works surely some kind

935

00:36:05,120 --> 00:36:01,499

of upper level management of the skunk

936

00:36:07,819 --> 00:36:05,130

works at Lockheed Martin and you know he

937

00:36:09,829 --> 00:36:07,829

was he was talking to a real scientist

938

00:36:11,870 --> 00:36:09,839

about real craft and things and now he's

939

00:36:14,960 --> 00:36:11,880

got involved with this this Tom DeLonge

940

00:36:17,029 --> 00:36:14,970

thing makes me think it's real just

941

00:36:18,109 --> 00:36:17,039

because of that I mean you got a guy

942

00:36:19,609 --> 00:36:18,119

from skunk works

943

00:36:21,620 --> 00:36:19,619

you're talking like okay that makes

944

00:36:23,450 --> 00:36:21,630

sense is it a black project is it a

945

00:36:25,009 --> 00:36:23,460

breakaway civilization did they find

946

00:36:27,079 --> 00:36:25,019

something did they finally have the AI

947

00:36:28,970 --> 00:36:27,089

to reverse the engineer the craft they

948

00:36:31,190 --> 00:36:28,980

always man you know all this think that

949

00:36:33,769 --> 00:36:31,200

makes me go deeper like holy crap but I

950

00:36:36,620 --> 00:36:33,779

agree with chief when I I saw you first

951  
00:36:38,359 --> 00:36:36,630  
on Joe Rogan by the way all right and so

952  
00:36:40,039 --> 00:36:38,369  
I watched Joe a lot and when I saw Tom

953  
00:36:42,829 --> 00:36:40,049  
on there my first impression was he's

954  
00:36:44,660 --> 00:36:42,839  
dying what does it feel like and Joseph

955  
00:36:47,720 --> 00:36:44,670  
you know play Joe is you know he always

956  
00:36:49,190 --> 00:36:47,730  
but he don't Bowl either and once he

957  
00:36:51,319 --> 00:36:49,200  
gets one more if I can't tell you I

958  
00:36:53,870 --> 00:36:51,329  
can't say he's like what are we doing

959  
00:36:55,519 --> 00:36:53,880  
here but maybe was Turner only but I'm

960  
00:36:57,170 --> 00:36:55,529  
not slamming anybody maybe westerly to

961  
00:36:59,269 --> 00:36:57,180  
bring it out but when I did the research

962  
00:37:01,069 --> 00:36:59,279  
after that so you got to give Tom the

963  
00:37:04,400 --> 00:37:01,079

credit like I looked into it wow those

964

00:37:05,900 --> 00:37:04,410

are some real deal people so I do agree

965

00:37:07,430 --> 00:37:05,910

that he kind of bombed that interview in

966

00:37:09,049 --> 00:37:07,440

the sense that but maybe you couldn't

967

00:37:10,999 --> 00:37:09,059

tell or I've got information but it's

968

00:37:15,140 --> 00:37:11,009

over here but again here seems like I

969

00:37:18,289 --> 00:37:15,150

don't like height to me this topic is

970

00:37:21,019 --> 00:37:18,299

this important that if it's real whether

971

00:37:23,950 --> 00:37:21,029

it's aliens or even black projects that

972

00:37:26,420 --> 00:37:23,960

are have technology that is not shared

973

00:37:28,579 --> 00:37:26,430

it could end the petrodollar it could

974

00:37:30,620 --> 00:37:28,589

end war can end famine climate change

975

00:37:32,839 --> 00:37:30,630

who's the that's not sharing

976  
00:37:33,380 --> 00:37:32,849  
that you don't America so it would be

977  
00:37:35,509 --> 00:37:33,390  
great

978  
00:37:37,729 --> 00:37:35,519  
right so if I had a piece of craft I'm

979  
00:37:39,799 --> 00:37:37,739  
not gonna make a TV show about it I

980  
00:37:40,970 --> 00:37:39,809  
would I get to the top scientist and

981  
00:37:42,380 --> 00:37:40,980  
everybody in the world and let's look at

982  
00:37:44,450 --> 00:37:42,390  
this thing and let's get this out there

983  
00:37:46,039 --> 00:37:44,460  
and let's save the world so it bothers

984  
00:37:47,900 --> 00:37:46,049  
me when they hike stuff and they what I

985  
00:37:49,880 --> 00:37:47,910  
like to call drift closure where they

986  
00:37:52,069 --> 00:37:49,890  
give me a piece and then that seems to

987  
00:37:53,330 --> 00:37:52,079  
the way a reality TV show is done it

988  
00:37:56,360 --> 00:37:53,340

seems to show

989

00:37:58,040 --> 00:37:56,370

for me what wouldn't it have come

990

00:38:00,620 --> 00:37:58,050

out there you've got people like Harry

991

00:38:03,290 --> 00:38:00,630

Reid who is the the House Majority

992

00:38:06,800 --> 00:38:03,300

Leader and he had access to all kinds of

993

00:38:09,520 --> 00:38:06,810

like security commissions and whatnot

994

00:38:13,340 --> 00:38:09,530

and he he was like upper level

995

00:38:14,420 --> 00:38:13,350

congressman was his senator but here he

996

00:38:16,580 --> 00:38:14,430

was he was right up there and the

997

00:38:19,070 --> 00:38:16,590

federal government and he's a big fan of

998

00:38:22,190 --> 00:38:19,080

UFOs and he's he's he's got terminal

999

00:38:23,300 --> 00:38:22,200

cancer right now so why doesn't he tell

1000

00:38:26,330 --> 00:38:23,310

people what he knows

1001  
00:38:28,130 --> 00:38:26,340  
he says it's real he's well in heaven

1002  
00:38:31,400 --> 00:38:28,140  
with Bigelow Bigelow says it's real

1003  
00:38:33,380 --> 00:38:31,410  
Bigelow is a billionaire but not just a

1004  
00:38:36,020 --> 00:38:33,390  
like lavish billionaire he builds space

1005  
00:38:37,700 --> 00:38:36,030  
habitat I mean it he's a real dude he

1006  
00:38:39,260 --> 00:38:37,710  
says right on TV they're real they're

1007  
00:38:42,140 --> 00:38:39,270  
everywhere or they're under our noses I

1008  
00:38:44,000 --> 00:38:42,150  
mean he I saw an article that somebody

1009  
00:38:45,620 --> 00:38:44,010  
can look it up where he said that people

1010  
00:38:48,680 --> 00:38:45,630  
that touch the material had physical

1011  
00:38:50,210 --> 00:38:48,690  
brain damage and he and I can't find it

1012  
00:38:51,980 --> 00:38:50,220  
again but he said it wasn't just a

1013  
00:38:53,390 --> 00:38:51,990

mental problem so they they learned

1014

00:38:54,950 --> 00:38:53,400

early on they had to look at this

1015

00:38:57,080 --> 00:38:54,960

material I don't know if the same

1016

00:38:59,690 --> 00:38:57,090

material Tom has but he says he has

1017

00:39:03,830 --> 00:38:59,700

material Bigelow also drops in Twitter

1018

00:39:06,050 --> 00:39:03,840

these look I know you hate orbs right

1019

00:39:07,610 --> 00:39:06,060

yeah but it's not just an or video it's

1020

00:39:08,990 --> 00:39:07,620

like you know I've been closed you can

1021

00:39:11,120 --> 00:39:09,000

tell it's a controlled high-tech

1022

00:39:12,350 --> 00:39:11,130

scientific environment so I think I

1023

00:39:13,970 --> 00:39:12,360

don't know if you can actually tell that

1024

00:39:15,500 --> 00:39:13,980

I've seen that video and you know it

1025

00:39:18,380 --> 00:39:15,510

looks like a bunch of stuff on a table

1026

00:39:20,750 --> 00:39:18,390

and a little little floating some

1027

00:39:22,250 --> 00:39:20,760

production quality into it you know at

1028

00:39:24,590 --> 00:39:22,260

least tried to make it look like that it

1029

00:39:26,300 --> 00:39:24,600

wasn't like yeah it wasn't in the

1030

00:39:28,670 --> 00:39:26,310

backyard is what I'm saying but anyway I

1031

00:39:30,560 --> 00:39:28,680

agree it's still just a floaty thing but

1032

00:39:32,450 --> 00:39:30,570

this is a billionaire guy saying that

1033

00:39:33,890 --> 00:39:32,460

who knows Harry hmm who says they work

1034

00:39:36,380 --> 00:39:33,900

together and all they and you go back

1035

00:39:38,330 --> 00:39:36,390

into nudes and all these things so why

1036

00:39:42,260 --> 00:39:38,340

what's going on there there it seems

1037

00:39:44,660 --> 00:39:42,270

like there's something going out well or

1038

00:39:49,550 --> 00:39:44,670

anything you know what I think is going

1039

00:39:55,070 --> 00:39:49,560

on is the Harry Reid and Bigelow and

1040

00:39:57,260 --> 00:39:55,080

people like John Podesta our UFO fans

1041

00:39:58,730 --> 00:39:57,270

that people who like this stuff and they

1042

00:40:00,590 --> 00:39:58,740

think that there's something to it and

1043

00:40:03,230 --> 00:40:00,600

yeah they're kind of like you in a way

1044

00:40:05,630 --> 00:40:03,240

and maybe maybe they've seen a UFO I'm

1045

00:40:06,740 --> 00:40:05,640

sure Bigelow probably has at least

1046

00:40:09,020 --> 00:40:06,750

thinks he has

1047

00:40:10,220 --> 00:40:09,030

and you know other people think they had

1048

00:40:12,320 --> 00:40:10,230

like Jimmy Carter I thought thought he

1049

00:40:14,690 --> 00:40:12,330

saw a UFO and when you have this

1050

00:40:16,430 --> 00:40:14,700

experience and you get really deep into

1051

00:40:19,580 --> 00:40:16,440

this this type of thing you kind of

1052

00:40:23,300 --> 00:40:19,590

either you you want to investigate it so

1053

00:40:25,430 --> 00:40:23,310

I think Harry Reid's the reason he isn't

1054

00:40:27,620 --> 00:40:25,440

telling everybody everything he knows

1055

00:40:30,230 --> 00:40:27,630

about UFOs is really there isn't very

1056

00:40:33,140 --> 00:40:30,240

much that he knows that we don't he just

1057

00:40:35,050 --> 00:40:33,150

he's just like you and I and they in

1058

00:40:38,780 --> 00:40:35,060

that his interests in the subject and

1059

00:40:40,730 --> 00:40:38,790

he's you know just going going trying

1060

00:40:41,780 --> 00:40:40,740

trying to get more investigation done he

1061

00:40:43,580 --> 00:40:41,790

doesn't actually know anything and you

1062

00:40:45,590 --> 00:40:43,590

think he would though you know why

1063

00:40:49,970 --> 00:40:45,600

didn't why doesn't he know more because

1064

00:40:51,560 --> 00:40:49,980

he's against the conspiracy theory would

1065

00:40:53,630 --> 00:40:51,570

be well they're gonna kill his family he

1066

00:40:55,250 --> 00:40:53,640

talks he's got a chip that is whatever

1067

00:40:57,580 --> 00:40:55,260

they might block them I mean there's a

1068

00:41:01,430 --> 00:40:57,590

million thanks taking all that aside

1069

00:41:02,960 --> 00:41:01,440

what about the factual thing that the as

1070

00:41:04,760 --> 00:41:02,970

far as I understand the story did the

1071

00:41:06,860 --> 00:41:04,770

Navy change their reporting of UFOs

1072

00:41:08,480 --> 00:41:06,870

based on the fact that every day for two

1073

00:41:10,460 --> 00:41:08,490

years they saw those are you familiar

1074

00:41:13,850 --> 00:41:10,470

with the cubes and the spheres on the

1075

00:41:16,370 --> 00:41:13,860

coast yeah I don't they saw every day

1076

00:41:18,350 --> 00:41:16,380

for two year I be they the Navy

1077

00:41:20,240 --> 00:41:18,360

themselves don't actually say that the

1078

00:41:22,700 --> 00:41:20,250

Navy is saying that they they've updated

1079

00:41:25,730 --> 00:41:22,710

their reporting procedures for

1080

00:41:28,090 --> 00:41:25,740

unidentified aerial phenomena right and

1081

00:41:30,410 --> 00:41:28,100

then they list what they think

1082

00:41:33,950 --> 00:41:30,420

unidentified aerial phenomena are and

1083

00:41:35,390 --> 00:41:33,960

they list things like drones and they

1084

00:41:37,220 --> 00:41:35,400

say and they say course we talk about

1085

00:41:39,290 --> 00:41:37,230

there's a lot more drones like

1086

00:41:41,180 --> 00:41:39,300

individuals have drone stuff now and

1087

00:41:43,250 --> 00:41:41,190

they're they're impinging upon army

1088

00:41:45,350 --> 00:41:43,260

airspace Navy a space and going into

1089

00:41:47,750 --> 00:41:45,360

bases and things like that and they talk

1090

00:41:51,230 --> 00:41:47,760

about balloons they say balloons are a

1091

00:41:53,300 --> 00:41:51,240

problem and they they talk about other I

1092

00:41:54,920 --> 00:41:53,310

think aerial platforms like just some

1093

00:41:58,010 --> 00:41:54,930

kind of remote operated plane or

1094

00:42:00,770 --> 00:41:58,020

something like that they don't say we're

1095

00:42:03,740 --> 00:42:00,780

doing it because people in the Gulf's or

1096

00:42:07,130 --> 00:42:03,750

a cube in a sphere well every day for

1097

00:42:08,780 --> 00:42:07,140

two years well I don't know if they

1098

00:42:11,240 --> 00:42:08,790

actually say that in the why they

1099

00:42:14,060 --> 00:42:11,250

changed the reporting but it said or as

1100

00:42:15,500 --> 00:42:14,070

far as I understand that the Navy is not

1101  
00:42:17,540 --> 00:42:15,510  
saying that that story is not true that

1102  
00:42:19,670 --> 00:42:17,550  
their pilots had near misses with giant

1103  
00:42:20,330 --> 00:42:19,680  
spirits the cube them is that correct I

1104  
00:42:22,310 --> 00:42:20,340  
mean that

1105  
00:42:23,420 --> 00:42:22,320  
what I well I think it's correct that

1106  
00:42:25,370 --> 00:42:23,430  
they're not saying that it's not true

1107  
00:42:27,380 --> 00:42:25,380  
but it's really what's really correct is

1108  
00:42:29,480 --> 00:42:27,390  
that they're not talking about it

1109  
00:42:31,310 --> 00:42:29,490  
because then you think what do you think

1110  
00:42:33,380 --> 00:42:31,320  
of that like what could that be

1111  
00:42:35,120 --> 00:42:33,390  
could that be some sort of balloon like

1112  
00:42:37,220 --> 00:42:35,130  
an experienced pilot if they're seeing

1113  
00:42:39,050 --> 00:42:37,230

them every day but if they are where's

1114

00:42:40,430 --> 00:42:39,060

that video right you would after the

1115

00:42:42,710 --> 00:42:40,440

second day somebody's turning on a

1116

00:42:44,600 --> 00:42:42,720

camera or bringing a cell phone aren't

1117

00:42:46,820 --> 00:42:44,610

they I mean yeah I didn't know what that

1118

00:42:48,950 --> 00:42:46,830

was that was just something one of the

1119

00:42:52,700 --> 00:42:48,960

guys talked about in on one of the TV

1120

00:42:54,200 --> 00:42:52,710

shows oh I believe there was an actual

1121

00:42:57,350 --> 00:42:54,210

like New York Times all up in up like a

1122

00:42:58,940 --> 00:42:57,360

natural legit not a hope see newspaper

1123

00:43:00,830 --> 00:42:58,950

but a real newspaper that talked about

1124

00:43:03,320 --> 00:43:00,840

it I'll have to look that up but I'm

1125

00:43:04,580 --> 00:43:03,330

pretty sure that dead it's just when

1126

00:43:05,990 --> 00:43:04,590

they said they had saw them for two

1127

00:43:08,540 --> 00:43:06,000

years I'm like that seems pretty

1128

00:43:12,050 --> 00:43:08,550

significant I think like looking back on

1129

00:43:14,870 --> 00:43:12,060

that most of what they saw were lights

1130

00:43:16,520 --> 00:43:14,880

in the distance or white specks in the

1131

00:43:18,170 --> 00:43:16,530

distance and they said they were seeing

1132

00:43:20,840 --> 00:43:18,180

these all the time that's what they said

1133

00:43:22,970 --> 00:43:20,850

we're seeing another basis move on from

1134

00:43:25,880 --> 00:43:22,980

there I think it's I remember it being

1135

00:43:29,000 --> 00:43:25,890

more significant level yeah they also

1136

00:43:31,240 --> 00:43:29,010

talked about seeing these there's other

1137

00:43:34,670 --> 00:43:31,250

things and there one time they saw a

1138

00:43:36,590 --> 00:43:34,680

sphere in a you know a cube inscribing

1139

00:43:39,020 --> 00:43:36,600

sphere and once they flew between the

1140

00:43:40,070 --> 00:43:39,030

two planes and split atom but that I

1141

00:43:41,810 --> 00:43:40,080

think wasn't something that was

1142

00:43:44,060 --> 00:43:41,820

happening every day but yeah that's

1143

00:43:47,360 --> 00:43:44,070

something we could we can check liner

1144

00:43:48,560 --> 00:43:47,370

yeah yeah just to jump in here what

1145

00:43:51,230 --> 00:43:48,570

we're talking about here is the

1146

00:43:53,120 --> 00:43:51,240

testimony of lieutenant Ryan graves or

1147

00:43:54,770 --> 00:43:53,130

graves actually said on the Discovery

1148

00:43:56,930 --> 00:43:54,780

Channel was that first of all they saw

1149

00:44:03,460 --> 00:43:56,940

what they thought were radar glitches

1150

00:44:09,530 --> 00:44:06,740

just a part of the radar itself not

1151  
00:44:12,320 --> 00:44:09,540  
necessarily natural physical object then

1152  
00:44:15,110 --> 00:44:12,330  
he said that other people not him so

1153  
00:44:18,700 --> 00:44:15,120  
things like this cube within a sphere

1154  
00:44:20,900 --> 00:44:18,710  
and a object lying between two planes

1155  
00:44:23,510 --> 00:44:20,910  
were you there was at one of your

1156  
00:44:24,920 --> 00:44:23,520  
colleagues I was on my colleagues so I

1157  
00:44:27,500 --> 00:44:24,930  
didn't hear about until they landed and

1158  
00:44:30,790 --> 00:44:27,510  
then he said that what he saw would he

1159  
00:44:33,500 --> 00:44:30,800  
personally saw was just flashes of light

1160  
00:44:34,309 --> 00:44:33,510  
it's like I'm seeing a bright physical

1161  
00:44:36,529 --> 00:44:34,319  
object I'm little

1162  
00:44:38,299 --> 00:44:36,539  
just seeing a flash shine out there

1163  
00:44:43,549 --> 00:44:38,309

really that's about it

1164

00:44:46,219 --> 00:44:43,559

yeah so we've kind of covered UFOs and

1165

00:44:50,779 --> 00:44:46,229

aliens and is there anything that you

1166

00:44:51,799 --> 00:44:50,789

wanted to ask me like specifically uh by

1167

00:44:54,949 --> 00:44:51,809

the way I don't know if I'm allowed to

1168

00:44:56,689 --> 00:44:54,959

but I had it's funny I have people that

1169

00:44:58,819 --> 00:44:56,699

wanted to ask you a couple questions so

1170

00:45:00,979 --> 00:44:58,829

I just I have some that are real simple

1171

00:45:01,459 --> 00:45:00,989

yes or no not hit pieces just like what

1172

00:45:03,049 --> 00:45:01,469

your picture

1173

00:45:07,549 --> 00:45:03,059

Louis let's do that let's do that right

1174

00:45:09,680 --> 00:45:07,559

now Lincoln man and then also I will

1175

00:45:12,529 --> 00:45:09,690

talk about to you as well so uh Matt

1176

00:45:14,479 --> 00:45:12,539

Hurley he's at at UFO artwork he just

1177

00:45:16,519 --> 00:45:14,489

want to know what's the most convincing

1178

00:45:17,900 --> 00:45:16,529

case about UFOs that you've come across

1179

00:45:19,249 --> 00:45:17,910

like if there was anything you know you

1180

00:45:21,829 --> 00:45:19,259

know what I don't believe any of this

1181

00:45:25,339 --> 00:45:21,839

junk but if I did this would leave me

1182

00:45:28,309 --> 00:45:25,349

there tricky question yeah cuz I don't

1183

00:45:32,299 --> 00:45:28,319

really think particularly compelling no

1184

00:45:33,709 --> 00:45:32,309

no it's a few like oh now Beck said it's

1185

00:45:35,059 --> 00:45:33,719

just like what do you think is neat or

1186

00:45:37,009 --> 00:45:35,069

what do you think is compelling ever

1187

00:45:39,589 --> 00:45:37,019

that well I think I think actually

1188

00:45:42,680 --> 00:45:39,599

commander flavors accounts of the

1189

00:45:44,749 --> 00:45:42,690

tic-tac is is really interesting because

1190

00:45:47,779 --> 00:45:44,759

it's very difficult to explain what he

1191

00:45:49,459 --> 00:45:47,789

might have seen other than it being some

1192

00:45:53,029 --> 00:45:49,469

kind of weird hallucination or something

1193

00:45:57,920 --> 00:45:53,039

he's is Quinn quite quite detailed in

1194

00:46:00,349 --> 00:45:57,930

his his description of what he saw so

1195

00:46:01,699 --> 00:46:00,359

and it's relatively recent but he

1196

00:46:04,009 --> 00:46:01,709

because it's just named witness accounts

1197

00:46:06,650 --> 00:46:04,019

it's it's hard to go very far with it

1198

00:46:08,809 --> 00:46:06,660

but I like to see he's actually actual

1199

00:46:12,289 --> 00:46:08,819

see videos and there really aren't any

1200

00:46:13,549 --> 00:46:12,299

really good videos of UFOs so I guess

1201

00:46:15,650 --> 00:46:13,559

you know we have to fall back on

1202

00:46:17,959 --> 00:46:15,660

eyewitness accounts okay all right good

1203

00:46:20,089 --> 00:46:17,969

very good I got a lot of what did you

1204

00:46:22,219 --> 00:46:20,099

lose a bet and are you crazy

1205

00:46:25,849 --> 00:46:22,229

and it's gonna be like a minefield I'm

1206

00:46:27,799 --> 00:46:25,859

like I have one you know that won't say

1207

00:46:29,660 --> 00:46:27,809

who said this one said it be like

1208

00:46:31,609 --> 00:46:29,670

watched in the boxing video and then go

1209

00:46:35,689 --> 00:46:31,619

in with Mike Tyson I'm like I would do

1210

00:46:38,900 --> 00:46:35,699

that don't do that

1211

00:46:42,199 --> 00:46:38,910

ed Randall he wants to know do you

1212

00:46:45,430 --> 00:46:42,209

demand this type of proof in other parts

1213

00:46:48,360 --> 00:46:45,440

of your life like non phenomenal nons

1214

00:46:50,460 --> 00:46:48,370

conspiracy stuff like are you

1215

00:46:52,650 --> 00:46:50,470

you buying a car or you know what do you

1216

00:46:55,590 --> 00:46:52,660

do are you like a proof type person I

1217

00:46:57,210 --> 00:46:55,600

guess is the question really yeah if

1218

00:47:00,030 --> 00:46:57,220

you're doing something like buying a car

1219

00:47:01,380 --> 00:47:00,040

you're you're in an existing framework

1220

00:47:04,200 --> 00:47:01,390

where everything is generally agreed

1221

00:47:05,970 --> 00:47:04,210

upon like we know that if you go into

1222

00:47:09,480 --> 00:47:05,980

the dealership and the dealer tells you

1223

00:47:12,870 --> 00:47:09,490

like this is this is a Mustang with a v8

1224

00:47:14,310 --> 00:47:12,880

engine then you don't need to look under

1225

00:47:16,320 --> 00:47:14,320

the hood to see if it's a v8 or not

1226

00:47:17,910 --> 00:47:16,330

because you don't check everything

1227

00:47:19,430 --> 00:47:17,920

because you're in a framework where

1228

00:47:22,050 --> 00:47:19,440

these things are not extraordinary

1229

00:47:23,670 --> 00:47:22,060

because something is extraordinary if he

1230

00:47:27,600 --> 00:47:23,680

told me that this this Mustang was

1231

00:47:29,820 --> 00:47:27,610

actually used real horses it had

1232

00:47:32,100 --> 00:47:29,830

miniaturised it's a 500 horsepower

1233

00:47:34,590 --> 00:47:32,110

Mustang and it's got 500 tiny horses in

1234

00:47:37,140 --> 00:47:34,600

there then I would definitely need some

1235

00:47:39,750 --> 00:47:37,150

you know evidence of that so it does

1236

00:47:44,580 --> 00:47:39,760

depend on the extraordinariness of the

1237

00:47:45,780 --> 00:47:44,590

claim okay and then Scott Brown he said

1238

00:47:47,790 --> 00:47:45,790

he just wants to know just a simple

1239

00:47:49,950 --> 00:47:47,800

question do you believe in the phenomena

1240

00:47:54,600 --> 00:47:49,960

or not it's like and I know that's a

1241

00:47:56,340 --> 00:47:54,610

trap do you like yes or no depends how

1242

00:47:57,840 --> 00:47:56,350

you answer that or percentage-wise but

1243

00:47:59,400 --> 00:47:57,850

he just simply wanted to know do you

1244

00:48:01,080 --> 00:47:59,410

believe it or not based on how about

1245

00:48:03,450 --> 00:48:01,090

based on what you've seen so far I guess

1246

00:48:04,590 --> 00:48:03,460

I don't know do your own can I think I

1247

00:48:06,360 --> 00:48:04,600

think that's the question which you

1248

00:48:07,560 --> 00:48:06,370

can't really give a yes or no answer to

1249

00:48:10,170 --> 00:48:07,570

because it depends on what you mean by

1250

00:48:12,840 --> 00:48:10,180

it and all the phenomena if I think you

1251  
00:48:14,700 --> 00:48:12,850  
ask means the reality of UFOs coming

1252  
00:48:16,950 --> 00:48:14,710  
here in spaceships and visiting us you

1253  
00:48:18,870 --> 00:48:16,960  
know right people I don't think I don't

1254  
00:48:20,790 --> 00:48:18,880  
think there are are aliens coming here

1255  
00:48:22,770 --> 00:48:20,800  
and visiting us and I think there are

1256  
00:48:25,830 --> 00:48:22,780  
other explanations for it but I believe

1257  
00:48:28,020 --> 00:48:25,840  
in the phenomena of sometimes there are

1258  
00:48:30,660 --> 00:48:28,030  
unidentified flying objects and we don't

1259  
00:48:32,940 --> 00:48:30,670  
know what they are I don't think that

1260  
00:48:35,790 --> 00:48:32,950  
they have some kind of incredibly

1261  
00:48:37,920 --> 00:48:35,800  
interesting explanation I think the most

1262  
00:48:40,410 --> 00:48:37,930  
of them have if not all of them are

1263  
00:48:42,930 --> 00:48:40,420

pretty boring explanations the most

1264

00:48:44,760 --> 00:48:42,940

interesting thing that I think is likely

1265

00:48:47,190 --> 00:48:44,770

is that there are some kind of

1266

00:48:51,120 --> 00:48:47,200

experimental crap from time to time they

1267

00:48:52,740 --> 00:48:51,130

get mistaken for for alien spaceships

1268

00:48:55,410 --> 00:48:52,750

and that's that but as far as I would go

1269

00:48:57,750 --> 00:48:55,420

in terms of what I actually believe so

1270

00:48:59,550 --> 00:48:57,760

speaking of that just because when I see

1271

00:49:01,920 --> 00:48:59,560

news things and flashes my conspiracy

1272

00:49:02,309 --> 00:49:01,930

antennas go through the roof the new Tom

1273

00:49:05,549 --> 00:49:02,319

Cruise

1274

00:49:07,589 --> 00:49:05,559

Top Gun all right you're familiar with

1275

00:49:10,349 --> 00:49:07,599

the tr-3b the triangular black craft

1276

00:49:12,299 --> 00:49:10,359

yeah that's the dough where people think

1277

00:49:13,949 --> 00:49:12,309

they say three lights correct I'm the

1278

00:49:15,359 --> 00:49:13,959

red one in the middle and it's like a

1279

00:49:16,469 --> 00:49:15,369

big black triangle the flies overhead

1280

00:49:18,599 --> 00:49:16,479

yeah yes

1281

00:49:20,130 --> 00:49:18,609

and then sometimes your giant sometimes

1282

00:49:25,609 --> 00:49:20,140

your small they're always silent right

1283

00:49:28,589 --> 00:49:25,619

and so it's been rumored that the SR 72

1284

00:49:31,169 --> 00:49:28,599

which is after the predecessor of the

1285

00:49:32,699 --> 00:49:31,179

sr-71 which still is like a incredible

1286

00:49:34,769 --> 00:49:32,709

plane people always wonder how can a

1287

00:49:36,719 --> 00:49:34,779

plane be 60 years old and still be the

1288

00:49:39,359 --> 00:49:36,729

top plane right what's happened since

1289

00:49:41,909 --> 00:49:39,369

then so the rumor of deaths are 72 if

1290

00:49:46,859 --> 00:49:41,919

you look at the very last clip of the

1291

00:49:50,009 --> 00:49:46,869

Tom Cruise Top Gun no preview he's in an

1292

00:49:51,959 --> 00:49:50,019

SR 72 triangular like crap with a

1293

00:49:54,689 --> 00:49:51,969

spacesuit on just at the last second

1294

00:49:57,959 --> 00:49:54,699

just a little T right yeah it's not a

1295

00:50:01,049 --> 00:49:57,969

jet interesting interesting

1296

00:50:02,669 --> 00:50:01,059

so yeah well that's I think is probably

1297

00:50:05,429 --> 00:50:02,679

just them having a little bit of fun

1298

00:50:08,009 --> 00:50:05,439

okay then you could you know the the

1299

00:50:09,809 --> 00:50:08,019

Army is very near the military does

1300

00:50:11,489 --> 00:50:09,819

actually have its fingers in the

1301  
00:50:14,579 --> 00:50:11,499  
Hollywood hi they do actually influence

1302  
00:50:16,769 --> 00:50:14,589  
a lot of movies and I believe so you

1303  
00:50:17,909 --> 00:50:16,779  
could quite easily you know say that you

1304  
00:50:20,069 --> 00:50:17,919  
know something's going on there but I

1305  
00:50:21,359 --> 00:50:20,079  
think it's probably just them having a

1306  
00:50:23,609 --> 00:50:21,369  
little fun because it's an old reference

1307  
00:50:25,349 --> 00:50:23,619  
essentially fluid jet last time so they

1308  
00:50:29,759 --> 00:50:25,359  
got to spice up the movie it can't be a

1309  
00:50:33,029 --> 00:50:29,769  
yeah yeah I know I don't think you can't

1310  
00:50:35,249 --> 00:50:33,039  
buy anyway all right mm-hmm

1311  
00:50:37,499 --> 00:50:35,259  
I don't think I think they retire you

1312  
00:50:41,609 --> 00:50:37,509  
but so John Hudson this is the last one

1313  
00:50:45,359 --> 00:50:41,619

sure I'm gonna he just wants to know was

1314

00:50:47,549 --> 00:50:45,369

there something that brought you down

1315

00:50:48,539 --> 00:50:47,559

the skeptic path like was there

1316

00:50:50,399 --> 00:50:48,549

something your life where you thought

1317

00:50:51,989 --> 00:50:50,409

was true and it turned out not to be or

1318

00:50:55,439 --> 00:50:51,999

was it just is just interesting to you I

1319

00:50:56,640 --> 00:50:55,449

mean watch what what kind of it seems

1320

00:50:59,339 --> 00:50:56,650

like you're trying to be very helpful to

1321

00:51:01,169 --> 00:50:59,349

people but besides there is a personal

1322

00:51:04,229 --> 00:51:01,179

thing that you thought you know what I

1323

00:51:05,880 --> 00:51:04,239

need to share this information is hard

1324

00:51:07,859 --> 00:51:05,890

to nail it down to one thing I was

1325

00:51:09,449 --> 00:51:07,869

always really interested in UFOs and go

1326  
00:51:11,039 --> 00:51:09,459  
some things when I was young I used to

1327  
00:51:12,390 --> 00:51:11,049  
read about them all the time I had lots

1328  
00:51:14,729 --> 00:51:12,400  
of books on them and I loved to like

1329  
00:51:16,170 --> 00:51:14,739  
seeing things on TV about them and then

1330  
00:51:18,150 --> 00:51:16,180  
later I Spencer

1331  
00:51:20,849 --> 00:51:18,160  
I'm looking into them and the kind of

1332  
00:51:25,230 --> 00:51:20,859  
the magic fell away the more I looked

1333  
00:51:27,690 --> 00:51:25,240  
into it and I got interested in just

1334  
00:51:30,089 --> 00:51:27,700  
finding out the real explanations for

1335  
00:51:32,370 --> 00:51:30,099  
things and I've talked about this in my

1336  
00:51:33,660 --> 00:51:32,380  
book and in other places I I used to be

1337  
00:51:35,849 --> 00:51:33,670  
a game programmer and spend a lot of

1338  
00:51:37,710 --> 00:51:35,859

time debugging code and figuring out why

1339

00:51:39,240 --> 00:51:37,720

things went wrong and that's kind of

1340

00:51:41,010 --> 00:51:39,250

similar to looking at a video and

1341

00:51:43,020 --> 00:51:41,020

figuring out how might this video have

1342

00:51:46,260 --> 00:51:43,030

happened because videos are essentially

1343

00:51:48,150 --> 00:51:46,270

3d graphics transformed into dimensions

1344

00:51:50,400 --> 00:51:48,160

and so that thing works in both

1345

00:51:52,799 --> 00:51:50,410

directions so it's just a combination of

1346

00:51:54,420 --> 00:51:52,809

things I think that just made me arrive

1347

00:51:58,079 --> 00:51:54,430

at this place

1348

00:52:00,089 --> 00:51:58,089

but I did used to be here very very much

1349

00:52:01,980 --> 00:52:00,099

hopeful that we would be having real

1350

00:52:04,650 --> 00:52:01,990

UFOs coming down when I was young read a

1351  
00:52:08,370 --> 00:52:04,660  
lot of science fiction and you know you

1352  
00:52:10,319 --> 00:52:08,380  
look to the sky but the more I listened

1353  
00:52:12,329 --> 00:52:10,329  
that's when the conspiracy comes in

1354  
00:52:14,520 --> 00:52:12,339  
where we go Henry Ford's first car was

1355  
00:52:16,680 --> 00:52:14,530  
made of cannabis and it was electric 100

1356  
00:52:18,990 --> 00:52:16,690  
years ago and so there's a breakaway

1357  
00:52:21,450 --> 00:52:19,000  
civilization that has got the tech and

1358  
00:52:24,359 --> 00:52:21,460  
we think and I don't believe the Sun

1359  
00:52:26,069 --> 00:52:24,369  
percent but the story goes we think tech

1360  
00:52:27,750 --> 00:52:26,079  
is distributed but we don't know that it

1361  
00:52:29,640 --> 00:52:27,760  
is we don't give our cell phones to

1362  
00:52:32,400 --> 00:52:29,650  
natives in the Amazon you know I mean

1363  
00:52:34,770 --> 00:52:32,410

there there may be a we may see same

1364

00:52:38,099 --> 00:52:34,780

craft of the super elite or the super

1365

00:52:41,160 --> 00:52:38,109

deep you know that's yeah yeah might be

1366

00:52:43,380 --> 00:52:41,170

their stuff yeah I think one of one of

1367

00:52:46,109 --> 00:52:43,390

my guests can have raised the idea of a

1368

00:52:49,049 --> 00:52:46,119

cabal of people keeping the not cabal

1369

00:52:51,089 --> 00:52:49,059

was the term he used a cartel a cartel

1370

00:52:53,970 --> 00:52:51,099

of people keeping the technology for

1371

00:52:56,010 --> 00:52:53,980

their own usages and bringing it in

1372

00:52:57,660 --> 00:52:56,020

slowly that the electric car thing you

1373

00:52:59,520 --> 00:52:57,670

mentioned yeah cause you did actually

1374

00:53:01,200 --> 00:52:59,530

the first cars were electric it's kind

1375

00:53:03,150 --> 00:53:01,210

of an interesting thing but I think the

1376  
00:53:04,859 --> 00:53:03,160  
problem the reason he didn't go much

1377  
00:53:06,450 --> 00:53:04,869  
further is that you can only go so far

1378  
00:53:09,599 --> 00:53:06,460  
with an electric car back then because

1379  
00:53:12,059 --> 00:53:09,609  
battery technology wasn't good it's the

1380  
00:53:13,710 --> 00:53:12,069  
same thing with test you know Nikola

1381  
00:53:19,079 --> 00:53:13,720  
Tesla's and you're not gonna get free

1382  
00:53:22,410 --> 00:53:19,089  
energy we're going charges so one out oh

1383  
00:53:24,750 --> 00:53:22,420  
wait yeah yeah even if you put back as

1384  
00:53:27,150 --> 00:53:24,760  
far as you can go back to the 50s they

1385  
00:53:29,130 --> 00:53:27,160  
had driverless cars in the 50 they just

1386  
00:53:30,030 --> 00:53:29,140  
didn't have the infrastructure to you

1387  
00:53:33,620 --> 00:53:30,040  
know they haven't

1388  
00:53:35,640 --> 00:53:33,630

cars they there's whole show Russians

1389

00:53:37,020 --> 00:53:35,650

you wouldn't have a Tesla type good

1390

00:53:38,340 --> 00:53:37,030

rivals car where you could just like

1391

00:53:40,980 --> 00:53:38,350

take your hands off the wheel and it was

1392

00:53:43,620 --> 00:53:40,990

no no no no but I'm just saying that

1393

00:53:46,310 --> 00:53:43,630

they were thinking about it okay a long

1394

00:53:49,140 --> 00:53:46,320

time ago so there's not a lot yeah yeah

1395

00:53:50,910 --> 00:53:49,150

so we're kind of coming up from like

1396

00:53:55,380 --> 00:53:50,920

good on oh and Alice let's talk a little

1397

00:53:57,090 --> 00:53:55,390

bit about about cue that's the end of

1398

00:54:02,160 --> 00:53:57,100

part 1 of my interview with Michael

1399

00:54:04,530 --> 00:54:02,170

episode 37 even spine part 2 just right

1400

00:54:07,860 --> 00:54:04,540

next to it in episode 38 where we're
