**Michael
QANON**

PREDICTIONS

1
00:00:06,680 --> 00:00:03,619
welcome to tales from the rabbit hole

2
00:00:09,490 --> 00:00:06,690
I'm your host Nick West this is part two

3
00:00:12,470 --> 00:00:09,500
of a two-part interview with Michael and

4
00:00:14,629 --> 00:00:12,480
part 1 with episode 37 which is all

5
00:00:18,340 --> 00:00:14,639
about his experiences with UFOs and

6
00:00:21,980 --> 00:00:18,350
alien visitors part 2 this one episode

7
00:00:23,769 --> 00:00:21,990
38 is going to be all about his interest

8
00:00:29,120 --> 00:00:23,779
in the q and on theory

9
00:00:30,589 --> 00:00:29,130
so yes Michael let's talk about Q so

10
00:00:32,240 --> 00:00:30,599
there's two things so one thing I want

11
00:00:34,010 --> 00:00:32,250
to say real quick is there's a lot of

12
00:00:37,060 --> 00:00:34,020
people in the UFO community that don't

13
00:00:39,229 --> 00:00:37,070

like the Q community or on sense and

14

00:00:41,479 --> 00:00:39,239

it's like you're chemtrail community you

15

00:00:43,160 --> 00:00:41,489

got one guy that thinks just when I

16

00:00:45,049 --> 00:00:43,170

think star poisonous and everybody in

17

00:00:46,760 --> 00:00:45,059

between and then there's people in the

18

00:00:48,619 --> 00:00:46,770

community you committee that don't want

19

00:00:50,830 --> 00:00:48,629

their name squash with some guys who

20

00:00:53,420 --> 00:00:50,840

just told Nick Wesley was a doctor

21

00:00:55,310 --> 00:00:53,430

you're gonna get in trouble right I

22

00:00:57,319 --> 00:00:55,320

don't care either way I'm just telling

23

00:00:59,450 --> 00:00:57,329

you what my expects want tell whoever's

24

00:01:00,920 --> 00:00:59,460

listed is my experience of both ends in

25

00:01:03,439 --> 00:01:00,930

you do what you want I don't represent

26
00:01:04,939 --> 00:01:03,449
anybody I'm not giving any message but

27
00:01:07,250 --> 00:01:04,949
there the other thing I wanted to say as

28
00:01:09,170 --> 00:01:07,260
a joke and half true is that they were

29
00:01:12,260 --> 00:01:09,180
going to talk about Q here is I'm a good

30
00:01:14,690 --> 00:01:12,270
swimmer I am afraid of heights my car is

31
00:01:16,609 --> 00:01:14,700
working properly I'm happy as hell and I

32
00:01:19,880 --> 00:01:16,619
do not own a red scarf and now we can

33
00:01:22,429 --> 00:01:19,890
talk about you I'm so cute

34
00:01:24,230 --> 00:01:22,439
popping as of last night what is your

35
00:01:25,910 --> 00:01:24,240
familiar area what do you think you is

36
00:01:27,410 --> 00:01:25,920
because there's a lot of it's not a

37
00:01:29,620 --> 00:01:27,420
terror organization it's not even an

38
00:01:31,730 --> 00:01:29,630

organization what do you think you is

39

00:01:35,149 --> 00:01:31,740

original from what I'm from what I know

40

00:01:37,670 --> 00:01:35,159

q and on is the idea that is this guy

41

00:01:39,230 --> 00:01:37,680

higher or a group of people higher up in

42

00:01:41,870 --> 00:01:39,240

there in the government who are trying

43

00:01:44,090 --> 00:01:41,880

to organize essentially some kind of

44

00:01:46,100 --> 00:01:44,100

internal resistance in the government to

45

00:01:47,539 --> 00:01:46,110

the deep state and for some reason

46

00:01:52,160 --> 00:01:47,549

they're they've been dropping all these

47

00:01:54,109 --> 00:01:52,170

Clues on HM for a while and kind of

48

00:01:56,319 --> 00:01:54,119

explaining what was going to happen and

49

00:01:59,569 --> 00:01:56,329

there's supposed to be some kind of big

50

00:02:02,719 --> 00:01:59,579

mm storm I think they call it where they

51
00:02:05,209 --> 00:02:02,729
will sweep away the old order and I

52
00:02:06,910 --> 00:02:05,219
don't know bring in a new utopia of some

53
00:02:09,410 --> 00:02:06,920
sort

54
00:02:11,360 --> 00:02:09,420
that's general understanding that's

55
00:02:12,710 --> 00:02:11,370
pretty good I don't know that utopia but

56
00:02:16,310 --> 00:02:12,720
absolutely well yeah

57
00:02:18,260 --> 00:02:16,320
a businessman taking the power and

58
00:02:19,520 --> 00:02:18,270
giving it back to the people it was

59
00:02:21,170 --> 00:02:19,530
something simple like that

60
00:02:23,750 --> 00:02:21,180
getting the old cronies out of there

61
00:02:26,030 --> 00:02:23,760
draining the swamp you know that type of

62
00:02:27,740 --> 00:02:26,040
thing absolutely that is that is what's

63
00:02:31,130 --> 00:02:27,750

happening a group of Patriots that are

64

00:02:34,730 --> 00:02:31,140

taking back what they consider the deep

65

00:02:37,040 --> 00:02:34,740

state is you can use words I'm going to

66

00:02:39,230 --> 00:02:37,050

keep my explanation on a simple level I

67

00:02:41,000 --> 00:02:39,240

may personally think there's more to

68

00:02:43,490 --> 00:02:41,010

things but I'll try to be when I know

69

00:02:44,900 --> 00:02:43,500

something is said by cue or a fact or

70

00:02:46,610 --> 00:02:44,910

something I'm just speculate and try to

71

00:02:49,040 --> 00:02:46,620

be clear about that goods though I do a

72

00:02:51,590 --> 00:02:49,050

lot of speculation that may not be true

73

00:02:52,700 --> 00:02:51,600

but but in a sense that I don't know if

74

00:02:56,600 --> 00:02:52,710

it's true or not yet but it's

75

00:02:58,280 --> 00:02:56,610

interesting to think so to do itself

76

00:03:01,310 --> 00:02:58,290

it's been there about three years was

77

00:03:02,900 --> 00:03:01,320

October 2017 and my relationship with it

78

00:03:04,280 --> 00:03:02,910

is I saw it like right when it came out

79

00:03:04,850 --> 00:03:04,290

in October because it happened to be my

80

00:03:07,550 --> 00:03:04,860

birthday

81

00:03:08,600 --> 00:03:07,560

and I was down the internet for

82

00:03:09,710 --> 00:03:08,610

something I thought wow that's really

83

00:03:13,180 --> 00:03:09,720

weird but I immediately thought it was

84

00:03:15,200 --> 00:03:13,190

like a game I'm done you know like a

85

00:03:16,610 --> 00:03:15,210

role-playing game or something that

86

00:03:18,020 --> 00:03:16,620

wasn't really that interested and I just

87

00:03:20,000 --> 00:03:18,030

kind of went on but then I saw it kept

88

00:03:23,900 --> 00:03:20,010

popping up and then I started looking

89

00:03:25,540 --> 00:03:23,910

into some things and then on and off but

90

00:03:29,210 --> 00:03:25,550

in the last six months I've been very

91

00:03:33,320 --> 00:03:29,220

gloom watching a lot as far as what is -

92

00:03:35,990 --> 00:03:33,330

is there is no person that's q.q is has

93

00:03:39,470 --> 00:03:36,000

several meanings one is that it's a cue

94

00:03:40,610 --> 00:03:39,480

level clearance supposedly these some of

95

00:03:44,270 --> 00:03:40,620

these things are my opinion some of

96

00:03:46,520 --> 00:03:44,280

these things - you actually says they

97

00:03:48,110 --> 00:03:46,530

use the letter seventeen because that's

98

00:03:50,990 --> 00:03:48,120

the 17th letter that's like what they

99

00:03:52,910 --> 00:03:51,000

call it calm so when you get involved in

100

00:03:55,850 --> 00:03:52,920

cue they have these clues we call them

101
00:03:58,400 --> 00:03:55,860
Tom's like they're clues that let you

102
00:04:00,470 --> 00:03:58,410
dig but Q is also like a question like

103
00:04:02,360 --> 00:04:00,480
you very rarely says anything you

104
00:04:04,520 --> 00:04:02,370
doesn't say there's a lot next month

105
00:04:06,320 --> 00:04:04,530
during Bigfoot doesn't get into almost

106
00:04:08,449 --> 00:04:06,330
any conspiracies really at all in the

107
00:04:10,759 --> 00:04:08,459
sense that it's just asking questions

108
00:04:12,740 --> 00:04:10,769
and then you go did the person goes dead

109
00:04:15,949 --> 00:04:12,750
and then they have a group of anons or

110
00:04:17,750 --> 00:04:15,959
autists that translate kind of what it

111
00:04:21,830 --> 00:04:17,760
says and then q either confirms that

112
00:04:24,350 --> 00:04:21,840
it's true or not but why well why would

113
00:04:25,640 --> 00:04:24,360

he do it that way well the rear changing

114

00:04:26,180 --> 00:04:25,650

that now it's getting a lot more clear

115

00:04:27,760 --> 00:04:26,190

now

116

00:04:30,500 --> 00:04:27,770

they originally started because of

117

00:04:32,390 --> 00:04:30,510

security clearances these are they're

118

00:04:34,100 --> 00:04:32,400

starting to tell the truth and they were

119

00:04:35,540 --> 00:04:34,110

in other words go left over here

120

00:04:37,310 --> 00:04:35,550

yourself and see what your fine I did

121

00:04:38,810 --> 00:04:37,320

and left over here hmm and the date and

122

00:04:40,520 --> 00:04:38,820

then people would come up with that so

123

00:04:42,440 --> 00:04:40,530

that's how it start but now they're

124

00:04:43,880 --> 00:04:42,450

getting on the nose so I agree with you

125

00:04:45,380 --> 00:04:43,890

at the beginning you're like well you

126

00:04:47,660 --> 00:04:45,390

know that's a lot of work I do want to

127

00:04:49,220 --> 00:04:47,670

just tell me what it is right one of the

128

00:04:52,400 --> 00:04:49,230

reasons they also just don't tell you

129

00:04:55,760 --> 00:04:52,410

what it is is in their story that the

130

00:04:59,120 --> 00:04:55,770

end story is is pretty bad or the truth

131

00:05:01,340 --> 00:04:59,130

is not digestible at once huh

132

00:05:03,470 --> 00:05:01,350

so they're kind of doing it right and

133

00:05:05,330 --> 00:05:03,480

taking back in the pace and it's not

134

00:05:07,130 --> 00:05:05,340

going to be a long time but they're

135

00:05:11,030 --> 00:05:07,140

doing in the pace and then they show you

136

00:05:12,380 --> 00:05:11,040

the progress and everything that's

137

00:05:15,500 --> 00:05:12,390

happened there's a lot of what they call

138

00:05:16,700 --> 00:05:15,510

cue proofs over 300 of them now where Q

139

00:05:20,450 --> 00:05:16,710

will post something and then it will

140

00:05:22,730 --> 00:05:20,460

happen or something will be connected Q

141

00:05:24,320 --> 00:05:22,740

says I think it's ten people seven you

142

00:05:26,480 --> 00:05:24,330

would know and then three you wouldn't

143

00:05:28,370 --> 00:05:26,490

like some are military and some are

144

00:05:30,260 --> 00:05:28,380

civilians of the group that that's in

145

00:05:32,390 --> 00:05:30,270

the what they call the white hats that

146

00:05:37,909 --> 00:05:32,400

are somebody's online right now gone

147

00:05:39,680 --> 00:05:37,919

here you can look for yourself on the

148

00:05:43,670 --> 00:05:39,690

details of it but this this is the idea

149

00:05:45,290 --> 00:05:43,680

and that POTUS the the President of the

150

00:05:47,240 --> 00:05:45,300

United States Donald a Trump it was

151
00:05:49,130 --> 00:05:47,250
chosen for that job because he was an

152
00:05:52,190 --> 00:05:49,140
outside billionaire that could not be

153
00:05:54,409 --> 00:05:52,200
bought to do this calm is Q plus plus

154
00:05:57,020 --> 00:05:54,419
and how they confirm that is they show

155
00:05:58,670 --> 00:05:57,030
pictures all the time of places that you

156
00:06:00,850 --> 00:05:58,680
could only be standing right next to the

157
00:06:03,560 --> 00:06:00,860
president so those are cute cruise and

158
00:06:05,120 --> 00:06:03,570
they have people just digesting trying

159
00:06:08,000 --> 00:06:05,130
to see did that photograph exist before

160
00:06:09,980 --> 00:06:08,010
all that and as long as it comes from Q

161
00:06:12,200 --> 00:06:09,990
it's been very consistently accurate

162
00:06:14,000 --> 00:06:12,210
there's no outside comes meaning I

163
00:06:15,980 --> 00:06:14,010

couldn't say that's a few thing only

164

00:06:17,810 --> 00:06:15,990

half the information has to come from

165

00:06:20,270 --> 00:06:17,820

here or they just read it does it B you

166

00:06:22,640 --> 00:06:20,280

can't speculate and look at things but

167

00:06:26,000 --> 00:06:22,650

that's they want the story consistent

168

00:06:26,900 --> 00:06:26,010

for everyone though not getting too deep

169

00:06:28,640 --> 00:06:26,910

and how it works

170

00:06:30,860 --> 00:06:28,650

did you give you an example of how

171

00:06:33,170 --> 00:06:30,870

something like that like that may work

172

00:06:38,060 --> 00:06:33,180

did you watch the State of the Union

173

00:06:39,590 --> 00:06:38,070

last night some of it not a lot no we're

174

00:06:39,860 --> 00:06:39,600

watching the State of the Union and you

175

00:06:43,220 --> 00:06:39,870

car

176
00:06:44,930 --> 00:06:43,230
know who bag daddy is correct that were

177
00:06:46,040 --> 00:06:44,940
trucked the cherish the Trump killed the

178
00:06:48,460 --> 00:06:46,050
first terrorist that was in her hole

179
00:06:50,750 --> 00:06:48,470
busted through the dog with a dog I

180
00:06:54,410 --> 00:06:50,760
don't remember it exactly about sir

181
00:06:57,440 --> 00:06:54,420
let's go on so it was a major terrorist

182
00:06:59,930 --> 00:06:57,450
that Trump killed and they found a river

183
00:07:01,280 --> 00:06:59,940
and the dog was the one that led the

184
00:07:02,470 --> 00:07:01,290
charge and the dog went to the White

185
00:07:05,150 --> 00:07:02,480
House

186
00:07:08,660 --> 00:07:05,160
well if one of the victims of that

187
00:07:11,960 --> 00:07:08,670
terrorist was a worker like a health

188
00:07:14,930 --> 00:07:11,970

care worker a church cow and she was

189

00:07:17,390 --> 00:07:14,940

forced to be his wife for 500 500 days

190

00:07:18,560 --> 00:07:17,400

and was just for everything I don't need

191

00:07:21,740 --> 00:07:18,570

to get into everything that can be done

192

00:07:26,060 --> 00:07:21,750

to a person was done to her and she

193

00:07:27,740 --> 00:07:26,070

killed her and even though other wives

194

00:07:29,450 --> 00:07:27,750

said she could have escaped but she

195

00:07:31,100 --> 00:07:29,460

chose not to because he would seek

196

00:07:33,710 --> 00:07:31,110

retribution against them so she stayed

197

00:07:36,830 --> 00:07:33,720

there not to anybody answer anyway her

198

00:07:39,170 --> 00:07:36,840

parents with it the name of the

199

00:07:43,370 --> 00:07:39,180

operation which was never revealed as

200

00:07:46,250 --> 00:07:43,380

far as I know was her birthday and it's

201
00:07:49,070 --> 00:07:46,260
called Task Force 8:14 so they killed

202
00:07:51,730 --> 00:07:49,080
Baghdad years later and in honor of this

203
00:07:53,450 --> 00:07:51,740
American they named it Task Force 8:14

204
00:07:56,270 --> 00:07:53,460
so just for fun

205
00:07:58,880 --> 00:07:56,280
you go to cute posts and you type in

206
00:08:02,360 --> 00:07:58,890
because it's like 3800 now or more two

207
00:08:07,160 --> 00:08:02,370
posts you go to post 814 and it says

208
00:08:09,770 --> 00:08:07,170
watch the speech like what and this is

209
00:08:11,660 --> 00:08:09,780
written in February of 2018 and then

210
00:08:14,120 --> 00:08:11,670
right above it it says this post is for

211
00:08:17,030 --> 00:08:14,130
you and nobody else

212
00:08:21,350 --> 00:08:17,040
basically I could call him away but it's

213
00:08:23,450 --> 00:08:21,360

actually it says here it says you have

214

00:08:23,930 --> 00:08:23,460

more than you know this is why we're

215

00:08:26,600 --> 00:08:23,940

here

216

00:08:28,700 --> 00:08:26,610

great job Patriot watch the speech we

217

00:08:30,170 --> 00:08:28,710

are talking to you this proof is only

218

00:08:33,740 --> 00:08:30,180

meant for you it's just that's just

219

00:08:35,510 --> 00:08:33,750

bizarre like because that seems really

220

00:08:37,220 --> 00:08:35,520

vague to me though that seems like it

221

00:08:39,380 --> 00:08:37,230

could be anything and you just like

222

00:08:42,170 --> 00:08:39,390

something eventually happens that fits

223

00:08:44,450 --> 00:08:42,180

that one thing back then I think why

224

00:08:46,280 --> 00:08:44,460

didn't he just say in the State of the

225

00:08:48,500 --> 00:08:46,290

Union in a certain date like that this

226

00:08:51,530 --> 00:08:48,510

will happen all you this this this means

227

00:08:53,120 --> 00:08:51,540

this it doesn't make any sense that he

228

00:08:56,120 --> 00:08:53,130

would just do this destroyed

229

00:08:57,680 --> 00:08:56,130

vague clues well it is in the sense I

230

00:08:59,960 --> 00:08:57,690

guess you could say that if you didn't

231

00:09:04,389 --> 00:08:59,970

forget when you're when you're learning

232

00:09:06,800 --> 00:09:04,399

to coms like how to do it mm-hmm and and

233

00:09:08,059 --> 00:09:06,810

8:14 just goes well that's interesting I

234

00:09:09,350 --> 00:09:08,069

never why would they say that

235

00:09:10,610 --> 00:09:09,360

and then why would it say watch the

236

00:09:12,980 --> 00:09:10,620

speech and how could it be two years

237

00:09:15,230 --> 00:09:12,990

prior it just seems odd and that's just

238

00:09:18,710 --> 00:09:15,240

one example there's lots of examples

239

00:09:21,079 --> 00:09:18,720

like that with there was always a

240

00:09:22,579 --> 00:09:21,089

picture a current picture of George

241

00:09:26,030 --> 00:09:22,589

Washington crossing the river because

242

00:09:29,030 --> 00:09:26,040

it's a very patriotic movement and there

243

00:09:30,980 --> 00:09:29,040

was a one for the things that the way

244

00:09:33,860 --> 00:09:30,990

they communicate is misspellings and

245

00:09:36,139 --> 00:09:33,870

people the one of the reasons they think

246

00:09:38,360 --> 00:09:36,149

that the president is involved in it and

247

00:09:40,249 --> 00:09:38,370

he is his calm name would be Q plus plus

248

00:09:42,230 --> 00:09:40,259

plus it's because he's always

249

00:09:43,939 --> 00:09:42,240

misspelling stuff and people always make

250

00:09:46,360 --> 00:09:43,949

fun of them which just makes the tweet

251
00:09:48,740 --> 00:09:46,370
go crazy so everybody can see what it is

252
00:09:50,509 --> 00:09:48,750
there's several examples that cough FAA

253
00:09:52,519 --> 00:09:50,519
is the most famous one yeah

254
00:09:54,290 --> 00:09:52,529
hey that's that's a that's a

255
00:09:55,519 --> 00:09:54,300
communication Act if you look up the

256
00:09:57,439 --> 00:09:55,529
acronym cough FA

257
00:09:59,960 --> 00:09:57,449
it's a real thing and what does that

258
00:10:01,579 --> 00:09:59,970
mean why is he doing it and then you

259
00:10:04,040 --> 00:10:01,589
look at smocking he's done that three

260
00:10:05,600 --> 00:10:04,050
times now though Trump is the only

261
00:10:07,009 --> 00:10:05,610
president is taking down human

262
00:10:09,350 --> 00:10:07,019
trafficking q uh

263
00:10:12,410 --> 00:10:09,360

not only is one of the big things is

264

00:10:15,019 --> 00:10:12,420

taking back our money from the people of

265

00:10:16,400 --> 00:10:15,029

burning our money but also human

266

00:10:18,530 --> 00:10:16,410

trafficking that's another big thing

267

00:10:21,230 --> 00:10:18,540

that they're against and they feel that

268

00:10:22,759 --> 00:10:21,240

the Cabal the elite they're all that's

269

00:10:24,410 --> 00:10:22,769

the same thing that their power their

270

00:10:26,360 --> 00:10:24,420

money and human traffic skew

271

00:10:28,689 --> 00:10:26,370

he just did a thirty million dollar bill

272

00:10:31,160 --> 00:10:28,699

against it yeah he's the only president

273

00:10:33,139 --> 00:10:31,170

in the past six presidents he's locked

274

00:10:34,069 --> 00:10:33,149

up more pedophiles and such I don't

275

00:10:36,499 --> 00:10:34,079

wanna get independent feeling about

276

00:10:38,389 --> 00:10:36,509

human trafficking a big deal he's helped

277

00:10:39,949 --> 00:10:38,399

take down Epstein there's all that stuff

278

00:10:43,400 --> 00:10:39,959

all that starts coming and fitting

279

00:10:44,900 --> 00:10:43,410

together but smocking is a it's where I

280

00:10:46,280 --> 00:10:44,910

won't get into but it's where you paint

281

00:10:50,660 --> 00:10:46,290

your body with in your nude and it's an

282

00:10:54,110 --> 00:10:50,670

act of debauchery so he had mentioned he

283

00:10:57,949 --> 00:10:54,120

mentions that that's interesting yeah I

284

00:10:59,389 --> 00:10:57,959

think the thing with like you and um you

285

00:11:01,250 --> 00:10:59,399

know I've looked into into it from time

286

00:11:02,870 --> 00:11:01,260

to time and I was looking to something

287

00:11:05,629 --> 00:11:02,880

that people claim like like like you to

288

00:11:06,950 --> 00:11:05,639

touch bar there with the the 814 thing I

289

00:11:09,950 --> 00:11:06,960

haven't looked into that

290

00:11:12,620 --> 00:11:09,960

by the way look that's that's me digging

291

00:11:14,150 --> 00:11:12,630

the queue has not confirmed that okay so

292

00:11:17,090 --> 00:11:14,160

this is just you your personal theory

293

00:11:20,250 --> 00:11:17,100

about that what theory saying when I saw

294

00:11:21,769 --> 00:11:20,260

it based on how I look at things mm-hmm

295

00:11:25,550 --> 00:11:21,779

[Music]

296

00:11:28,910 --> 00:11:25,560

I think like you know with with this it

297

00:11:31,550 --> 00:11:28,920

you think that he's Q the Q people these

298

00:11:33,199 --> 00:11:31,560

ten people plus the president they're

299

00:11:36,560 --> 00:11:33,209

deliberately doing it in a way that only

300

00:11:39,740 --> 00:11:36,570

a few people like you will understand

301
00:11:41,210 --> 00:11:39,750
and that most people won't because it'll

302
00:11:44,150 --> 00:11:41,220
be too problematic if lots of people

303
00:11:46,130 --> 00:11:44,160
understood it at the same time just the

304
00:11:48,320 --> 00:11:46,140
opposite so they want everybody to

305
00:11:51,829 --> 00:11:48,330
understand it but they're starting slow

306
00:11:53,540 --> 00:11:51,839
so as they're making it easier as I said

307
00:11:54,560 --> 00:11:53,550
it was more terrific in the beginning

308
00:11:56,300 --> 00:11:54,570
than it is now

309
00:11:59,360 --> 00:11:56,310
so you'll see things happening for

310
00:12:00,769 --> 00:11:59,370
instance we knew when Trump said

311
00:12:02,540 --> 00:12:00,779
wiretapping you remember in the

312
00:12:04,820 --> 00:12:02,550
beginning before he was president it

313
00:12:07,310 --> 00:12:04,830

used the yes yeah he thought everybody

314

00:12:08,449 --> 00:12:07,320

painted more time everybody made fun of

315

00:12:10,519 --> 00:12:08,459

him because there's no such thing as

316

00:12:12,410 --> 00:12:10,529

wiretapping his wires but wiretapping is

317

00:12:14,480 --> 00:12:12,420

a spycraft term and he was being wired

318

00:12:17,360 --> 00:12:14,490

that and we knew about that wiretapping

319

00:12:18,140 --> 00:12:17,370

before the news and now it's true he was

320

00:12:20,720 --> 00:12:18,150

being spied on

321

00:12:23,210 --> 00:12:20,730

and we along the way through the Miller

322

00:12:24,560 --> 00:12:23,220

investigates very political I use the

323

00:12:26,390 --> 00:12:24,570

left people I don't get into politics so

324

00:12:30,230 --> 00:12:26,400

I let them do all the solving on those

325

00:12:31,490 --> 00:12:30,240

ones I like the weird stuff but the all

326

00:12:34,070 --> 00:12:31,500

those things every step of the way

327

00:12:35,690 --> 00:12:34,080

they're one of the things is trust the

328

00:12:37,040 --> 00:12:35,700

plan in other words it's gonna get a

329

00:12:38,720 --> 00:12:37,050

little hairy you're gonna see them go up

330

00:12:41,420 --> 00:12:38,730

against the president and each and every

331

00:12:43,100 --> 00:12:41,430

time he's been exonerated and you'll

332

00:12:45,019 --> 00:12:43,110

keep seeing it we knew about hunter

333

00:12:46,690 --> 00:12:45,029

Biden before the news a hunter becomes

334

00:12:49,280 --> 00:12:46,700

the hunted we knew that it wasn't

335

00:12:51,560 --> 00:12:49,290

\$50,000 we knew was billions of dollars

336

00:12:53,840 --> 00:12:51,570

and you'll see that all come out by the

337

00:12:56,930 --> 00:12:53,850

way there's a huge I love you like this

338

00:12:58,670 --> 00:12:56,940

a huge Alice in Wonderland comm

339

00:13:02,480 --> 00:12:58,680

reference thing going on it's pretty

340

00:13:03,740 --> 00:13:02,490

pretty interesting so you can say all

341

00:13:06,590 --> 00:13:03,750

these things that you they all came to

342

00:13:09,050 --> 00:13:06,600

true and you you knew it ahead of time

343

00:13:10,970 --> 00:13:09,060

but I think some of that could be just

344

00:13:13,460 --> 00:13:10,980

kind of back fitting explanations or

345

00:13:14,840 --> 00:13:13,470

things that happen could you now say

346

00:13:17,360 --> 00:13:14,850

something that you know is going to

347

00:13:20,390 --> 00:13:17,370

happen in the near future that you can

348

00:13:22,640 --> 00:13:20,400

confidently predict is actually either

349

00:13:24,080 --> 00:13:22,650

going to be revealed because you say you

350

00:13:27,080 --> 00:13:24,090

know things at the other time what do

351

00:13:30,260 --> 00:13:27,090

you knows now I will say this is clearly

352

00:13:33,020 --> 00:13:30,270

my opinion my opinion this is not Q this

353

00:13:35,390 --> 00:13:33,030

is my opinion I believe that well I mean

354

00:13:37,940 --> 00:13:35,400

your opinion is great but like what in

355

00:13:39,010 --> 00:13:37,950

the whole Q thing is definitely going to

356

00:13:42,890 --> 00:13:39,020

happen

357

00:13:44,120 --> 00:13:42,900

look you told you the Q community and

358

00:13:45,980 --> 00:13:44,130

all these other people what do you all

359

00:13:49,040 --> 00:13:45,990

agree it on that is coming up in the

360

00:13:50,960 --> 00:13:49,050

egregious as things get revealed and

361

00:13:53,780 --> 00:13:50,970

they will be revealed at a pace that the

362

00:13:55,370 --> 00:13:53,790

people can take and it I believe even if

363

00:13:57,890 --> 00:13:55,380

we look back on this conversation you'll

364

00:13:59,630 --> 00:13:57,900

see that as we progress forward there'll

365

00:14:03,530 --> 00:13:59,640

be more things for built as they have

366

00:14:05,690 --> 00:14:03,540

been that there will be lots of arrests

367

00:14:07,730 --> 00:14:05,700

of people that you can't believe we're

368

00:14:10,400 --> 00:14:07,740

getting arrested for one like the deep

369

00:14:12,320 --> 00:14:10,410

state is I call it the deep state I

370

00:14:13,880 --> 00:14:12,330

don't have another term for it but there

371

00:14:16,160 --> 00:14:13,890

is a there's a lot of powerful people

372

00:14:18,290 --> 00:14:16,170

that have done a lot of bad things for a

373

00:14:20,360 --> 00:14:18,300

long time and that will be revealed

374

00:14:22,430 --> 00:14:20,370

okay you'll do that and twofold in many

375

00:14:24,440 --> 00:14:22,440

different ways the first the first

376

00:14:27,440 --> 00:14:24,450

things that we're gonna see which are

377

00:14:29,780 --> 00:14:27,450

more vague will be deaths resignations

378

00:14:31,460 --> 00:14:29,790

and public health issues and you'll

379

00:14:33,500 --> 00:14:31,470

start seeing that like right now you'll

380

00:14:37,160 --> 00:14:33,510

see less west west or he's gonna resign

381

00:14:37,610 --> 00:14:37,170

do you know who must less wexner I don't

382

00:14:40,340 --> 00:14:37,620

know who that is

383

00:14:43,460 --> 00:14:40,350

yes sir he's the head of Victoria

384

00:14:46,280 --> 00:14:43,470

Secrets of the limited brand is a multi

385

00:14:47,930 --> 00:14:46,290

billionaire he gave Jeffrey Epstein the

386

00:14:50,120 --> 00:14:47,940

seventy million dollar apartment said he

387

00:14:51,620 --> 00:14:50,130

didn't know who say didn't know who look

388

00:14:53,720 --> 00:14:51,630

that's I mean that's kind of a

389

00:14:56,600 --> 00:14:53,730

reasonable guess that he might resign

390

00:14:57,860 --> 00:14:56,610

okay but you know we're talking about

391

00:14:59,750 --> 00:14:57,870

something a more significant like you

392

00:15:01,340 --> 00:14:59,760

think is gonna arrest these Hillary

393

00:15:02,750 --> 00:15:01,350

Clinton's going to be arrested type

394

00:15:05,090 --> 00:15:02,760

thing it's not gonna happen

395

00:15:06,830 --> 00:15:05,100

I don't know exactly yet but down the

396

00:15:09,500 --> 00:15:06,840

road there will be a rest of public

397

00:15:11,540 --> 00:15:09,510

figures like like for sex crimes on a

398

00:15:14,300 --> 00:15:11,550

massive scale that you'll see right

399

00:15:17,570 --> 00:15:14,310

there that and not just that but also

400

00:15:19,490 --> 00:15:17,580

money money crimes okay power crimes

401
00:15:21,440 --> 00:15:19,500
that's a reasonable prediction so like

402
00:15:24,320 --> 00:15:21,450
what kind of time frame are we talking

403
00:15:28,790 --> 00:15:24,330
about yeah then I don't know but I I

404
00:15:30,260 --> 00:15:28,800
would say I get the feeling sooner than

405
00:15:31,840 --> 00:15:30,270
later and I know that sounds weird I

406
00:15:33,630 --> 00:15:31,850
don't know I don't like new predictions

407
00:15:35,100 --> 00:15:33,640
q is not said

408
00:15:37,140 --> 00:15:35,110
you choose not a predictive thing like

409
00:15:39,570 --> 00:15:37,150
that it's on a short-term building to a

410
00:15:42,210 --> 00:15:39,580
long-term so I'm not speaking for the Q

411
00:15:43,890 --> 00:15:42,220
group there but you there are below B

412
00:15:44,880 --> 00:15:43,900
mass arrest that has been a set they'll

413
00:15:46,350 --> 00:15:44,890

give you rest

414

00:15:49,680 --> 00:15:46,360

that they won't be able to walk down the

415

00:15:53,760 --> 00:15:49,690

street anymore right so if we come back

416

00:15:56,370 --> 00:15:53,770

in five years and we talk about those I

417

00:15:58,170 --> 00:15:56,380

would say we you will if we can come

418

00:16:00,120 --> 00:15:58,180

back sooner than that if you see

419

00:16:02,040 --> 00:16:00,130

something interesting oh maybe there's

420

00:16:04,770 --> 00:16:02,050

nothing to do let's let's say let's say

421

00:16:06,510 --> 00:16:04,780

we come back in five years and none of

422

00:16:07,770 --> 00:16:06,520

us happened sure like you know the head

423

00:16:09,540 --> 00:16:07,780

of Victoria's Secret shows really

424

00:16:12,810 --> 00:16:09,550

resigned because of his associations

425

00:16:15,930 --> 00:16:12,820

with Epstein and some people have died

426
00:16:17,370 --> 00:16:15,940
and some people have gone bankrupt or

427
00:16:20,910 --> 00:16:17,380
whatever but there hasn't been this big

428
00:16:23,610 --> 00:16:20,920
mass wave of arrests of high-profile

429
00:16:26,460 --> 00:16:23,620
figures for pedophilia if that hasn't

430
00:16:28,470 --> 00:16:26,470
happened in five years time will that

431
00:16:32,880 --> 00:16:28,480
change your opinion of things oh yeah I

432
00:16:37,770 --> 00:16:32,890
would be out before then mm-hmm I would

433
00:16:39,690 --> 00:16:37,780
I would need to see some progress I said

434
00:16:42,090 --> 00:16:39,700
in assets which I've so far to me has

435
00:16:44,130 --> 00:16:42,100
felt like there has been if that were to

436
00:16:46,650 --> 00:16:44,140
stop now there are times that Q goes

437
00:16:49,080 --> 00:16:46,660
black but it's usually for days

438
00:16:51,210 --> 00:16:49,090

it's always been for days and is usually

439

00:16:52,830 --> 00:16:51,220

telling you you will either they're on

440

00:16:54,840 --> 00:16:52,840

the run meaning they're doing stuff or

441

00:16:57,420 --> 00:16:54,850

it can't be done for whatever reason so

442

00:17:00,030 --> 00:16:57,430

that's always been very short term or

443

00:17:01,260 --> 00:17:00,040

maybe we should also never had a problem

444

00:17:02,580 --> 00:17:01,270

in the beginning they kept taking down

445

00:17:05,310 --> 00:17:02,590

the sights because people would put

446

00:17:06,689 --> 00:17:05,320

these horrific things next to it and it

447

00:17:07,829 --> 00:17:06,699

was just horrible so they I think

448

00:17:10,199 --> 00:17:07,839

they've worked that all out where they

449

00:17:12,000 --> 00:17:10,209

have a a Coonoor where they can just do

450

00:17:15,390 --> 00:17:12,010

it and it's not being attacked at all

451
00:17:17,010 --> 00:17:15,400
times yeah I guess like yeah person

452
00:17:19,079 --> 00:17:17,020
akane-chan might not have been the best

453
00:17:21,540 --> 00:17:19,089
best choice because 8chan just has all

454
00:17:23,819 --> 00:17:21,550
kinds of stuff about yeah I believe

455
00:17:26,790 --> 00:17:23,829
they've kind of got away from that so

456
00:17:29,460 --> 00:17:26,800
that narrow now there's different places

457
00:17:30,630 --> 00:17:29,470
to look at things and there's different

458
00:17:31,890 --> 00:17:30,640
ways that I look at things and I don't

459
00:17:34,230 --> 00:17:31,900
believe everything I'm not just like

460
00:17:36,060 --> 00:17:34,240
diving in oh yeah they're they're eating

461
00:17:37,770 --> 00:17:36,070
the baby faces and dancing around you

462
00:17:42,000 --> 00:17:37,780
know I mean there's got to be proof of

463
00:17:45,120 --> 00:17:42,010

these things so I think that another

464

00:17:47,550 --> 00:17:45,130

prediction of mine and also I will say

465

00:17:49,800 --> 00:17:47,560

the Cure's mentioned this strongly

466

00:17:51,840 --> 00:17:49,810

Anthony laptop or Anthony Weiner's

467

00:17:53,970 --> 00:17:51,850

laptop that there'll be some things on

468

00:17:56,280 --> 00:17:53,980

there and that will be not your regular

469

00:17:57,780 --> 00:17:56,290

crimes let's put it that way night were

470

00:18:02,010 --> 00:17:57,790

you not go well yeah of course they do

471

00:18:03,780 --> 00:18:02,020

that it would be things it does his

472

00:18:07,260 --> 00:18:03,790

laptop was it confiscated by the FBI or

473

00:18:10,530 --> 00:18:07,270

something like that yeah I'm sure the

474

00:18:13,110 --> 00:18:10,540

FBI also yeah Epsom is good that's right

475

00:18:15,210 --> 00:18:13,120

well a sex crime with the tackle yeah he

476

00:18:20,670 --> 00:18:15,220

was he was he was texting pictures of

477

00:18:21,900 --> 00:18:20,680

himself to people which has a bit you

478

00:18:23,490 --> 00:18:21,910

know of course it all everybody know

479

00:18:25,320 --> 00:18:23,500

into conspiracy roll it all goes back to

480

00:18:26,760 --> 00:18:25,330

Hillary Clinton and George Soros and of

481

00:18:28,440 --> 00:18:26,770

course his wife was Hillary Clinton's

482

00:18:31,200 --> 00:18:28,450

aide you know there's all kinds of

483

00:18:32,940 --> 00:18:31,210

things like that source is pretty old

484

00:18:36,510 --> 00:18:32,950

it's quite likely he will die in the

485

00:18:38,130 --> 00:18:36,520

next five years I think the old Clinton

486

00:18:39,480 --> 00:18:38,140

probably won't but so you think she's

487

00:18:41,520 --> 00:18:39,490

gonna be arrested you think Clinton will

488

00:18:44,880 --> 00:18:41,530

be arrested in the next I don't know I

489

00:18:46,110 --> 00:18:44,890

don't know about anybody to me if you're

490

00:18:47,850 --> 00:18:46,120

gonna arrest somebody you need a hundred

491

00:18:49,170 --> 00:18:47,860

percent rock-solid proof you know I mean

492

00:18:53,910 --> 00:18:49,180

that's not something to mess around with

493

00:18:55,230 --> 00:18:53,920

yeah but I it seems like it but I but

494

00:18:57,240 --> 00:18:55,240

that has not been said there's not like

495

00:18:59,070 --> 00:18:57,250

anybody whose name that has been put you

496

00:19:01,380 --> 00:18:59,080

know that I'm not speaking like that

497

00:19:03,660 --> 00:19:01,390

and what I have a question I have a

498

00:19:06,330 --> 00:19:03,670

question for it not sure here just so

499

00:19:07,710 --> 00:19:06,340

you can kind of see how well honey we're

500

00:19:09,420 --> 00:19:07,720

like I'm working backwards I'd rather

501
00:19:11,160 --> 00:19:09,430
work forward like che okay if I saw

502
00:19:14,970 --> 00:19:11,170
something how would I get to the

503
00:19:17,490 --> 00:19:14,980
conclusion right so I'm going through

504
00:19:20,940 --> 00:19:17,500
watching funny cat videos and I see Bill

505
00:19:23,100 --> 00:19:20,950
Clinton in a blue dress that you'd you

506
00:19:24,870 --> 00:19:23,110
are you familiar with that one yeah the

507
00:19:26,670 --> 00:19:24,880
painting that I just a kind of don't

508
00:19:28,080 --> 00:19:26,680
come here the first thing I'm thinking

509
00:19:30,600 --> 00:19:28,090
well it's a spoof in there everybody

510
00:19:32,040 --> 00:19:30,610
spooks on Bill Clinton one thing or it's

511
00:19:34,230 --> 00:19:32,050
Photoshop but then you find out well

512
00:19:37,170 --> 00:19:34,240
it's the actual painting right mmm-hmm

513
00:19:38,550 --> 00:19:37,180

there's any day like this is how you dig

514

00:19:40,320 --> 00:19:38,560

into the rabbit hole but you may not

515

00:19:42,510 --> 00:19:40,330

like it but we get deeper in the rebel

516

00:19:44,550 --> 00:19:42,520

so we go well it's a painting but it's a

517

00:19:45,570 --> 00:19:44,560

real thing now that doesn't mean that he

518

00:19:47,730 --> 00:19:45,580

posed for it either

519

00:19:50,220 --> 00:19:47,740

right no anybody can paint anything they

520

00:19:51,600 --> 00:19:50,230

want so you start so you dig then you

521

00:19:53,640 --> 00:19:51,610

can well you want to be dismissive you

522

00:19:55,650 --> 00:19:53,650

don't want to just say that he posed for

523

00:19:57,210 --> 00:19:55,660

it he's a freak right you're saying that

524

00:19:59,790 --> 00:19:57,220

but it is a real pain so that takes you

525

00:20:01,290 --> 00:19:59,800

further it didn't take he didn't pose

526

00:20:03,120 --> 00:20:01,300

for it so he kind of takes you back

527

00:20:05,400 --> 00:20:03,130

or maybe who knows there's no proof that

528

00:20:07,530 --> 00:20:05,410

he posed for it and they're making fun

529

00:20:08,760 --> 00:20:07,540

of the blue dress that Monica Moore well

530

00:20:10,620 --> 00:20:08,770

wait they're not making fun of the dad

531

00:20:12,360 --> 00:20:10,630

that's not true it's an actual address

532

00:20:14,040 --> 00:20:12,370

that Hillary war because then as you're

533

00:20:17,040 --> 00:20:14,050

looking you see that actual blue dress

534

00:20:18,330 --> 00:20:17,050

well maybe the artist just saw in the

535

00:20:19,260 --> 00:20:18,340

blue drastic news that blue dress that

536

00:20:21,030 --> 00:20:19,270

doesn't mean anything

537

00:20:22,650 --> 00:20:21,040

but and then he's wearing red shoes

538

00:20:24,000 --> 00:20:22,660

which don't go with the blue dress but

539

00:20:26,100 --> 00:20:24,010

certainly go we don't have to go into

540

00:20:27,210 --> 00:20:26,110

that it's every pedophile scenario

541

00:20:29,310 --> 00:20:27,220

they're wearing red shoes there's a

542

00:20:31,770 --> 00:20:29,320

whole nothing but that you pedophile

543

00:20:33,810 --> 00:20:31,780

okay and the reason they wear the red

544

00:20:35,220 --> 00:20:33,820

shoes are horrible you can imagine but

545

00:20:37,560 --> 00:20:35,230

they wear red shoes

546

00:20:39,050 --> 00:20:37,570

I can't actually imagine why they would

547

00:20:42,720 --> 00:20:39,060

be ready to choose I don't know what

548

00:20:44,850 --> 00:20:42,730

standing in blood basically okay all

549

00:20:46,650 --> 00:20:44,860

right

550

00:20:49,050 --> 00:20:46,660

it goes back that's not me that you can

551
00:20:50,580 --> 00:20:49,060
on the FBI wearing rubber boots will be

552
00:20:54,930 --> 00:20:50,590
more more practical than wearing red

553
00:20:56,070 --> 00:20:54,940
shoes it's not I don't know practicality

554
00:20:56,870 --> 00:20:56,080
is in their mind at the time that

555
00:21:00,210 --> 00:20:56,880
they're doing it

556
00:21:02,940 --> 00:21:00,220
mmm okay but anyway so that I'm saying

557
00:21:04,470 --> 00:21:02,950
symbolism yeah and what do you think you

558
00:21:06,990 --> 00:21:04,480
does say is that simple ISM will be

559
00:21:09,720 --> 00:21:07,000
their downfall that the symbol that

560
00:21:11,370 --> 00:21:09,730
their communications in other words they

561
00:21:12,810 --> 00:21:11,380
communicate through symbolisms and once

562
00:21:14,880 --> 00:21:12,820
I tell you what that is and you can kind

563
00:21:18,090 --> 00:21:14,890

of see things well as deep deep state

564

00:21:20,820 --> 00:21:18,100

people this you know conspiracy type

565

00:21:25,950 --> 00:21:20,830

people there they are communicating in

566

00:21:27,090 --> 00:21:25,960

symbols with each other you know I don't

567

00:21:28,650 --> 00:21:27,100

know if it's with each other or it's

568

00:21:32,850 --> 00:21:28,660

just something that the way they do it

569

00:21:34,530 --> 00:21:32,860

but whether like for instance some mark

570

00:21:37,410 --> 00:21:34,540

the owl there's always a theme the

571

00:21:39,510 --> 00:21:37,420

Bohemian Grove owl so that's the real

572

00:21:40,830 --> 00:21:39,520

place it's a weird place why would all

573

00:21:42,300 --> 00:21:40,840

those people from different parties go

574

00:21:44,550 --> 00:21:42,310

there and pretend to sacrifice things

575

00:21:45,690 --> 00:21:44,560

and Jon Ronson or Ron Johnson did a

576

00:21:47,130 --> 00:21:45,700

great thing on it he doesn't leave their

577

00:21:49,530 --> 00:21:47,140

sacrifice to anybody but it still odd

578

00:21:51,600 --> 00:21:49,540

for these guys to be out the woods burn

579

00:21:53,610 --> 00:21:51,610

in and out right but that goes up there

580

00:21:54,870 --> 00:21:53,620

that's a symbol an ancient symbol at you

581

00:21:56,220 --> 00:21:54,880

so you might see something like that

582

00:21:58,890 --> 00:21:56,230

just like the red shoes what I'm here

583

00:22:00,480 --> 00:21:58,900

but anyway that getting back to so I see

584

00:22:02,040 --> 00:22:00,490

them you see the red shoes that doesn't

585

00:22:03,840 --> 00:22:02,050

mean thing and any look in the corner

586

00:22:06,000 --> 00:22:03,850

there's a little picture of JFK which is

587

00:22:08,730 --> 00:22:06,010

always conspiracy theory bank in the

588

00:22:11,340 --> 00:22:08,740

corner waiting for the bookshelf wait a

589

00:22:13,410 --> 00:22:11,350

minute then you go well it's an artist

590

00:22:14,409 --> 00:22:13,420

right she must have done something she

591

00:22:16,899 --> 00:22:14,419

made

592

00:22:18,340 --> 00:22:16,909

meetings so you look her up right and

593

00:22:20,379 --> 00:22:18,350

she did another painting and it was a

594

00:22:22,599 --> 00:22:20,389

conspiracy theory painting its George

595

00:22:24,909 --> 00:22:22,609

Bush with the twin towers and paper

596

00:22:26,919 --> 00:22:24,919

airplane so maybe she's just a satire

597

00:22:29,200 --> 00:22:26,929

store whatever or what she's like we're

598

00:22:30,340 --> 00:22:29,210

not but then you look at her name what

599

00:22:34,779 --> 00:22:30,350

is her name here

600

00:22:37,180 --> 00:22:34,789

her name is uh Katrina Narayan Clyde so

601
00:22:38,979 --> 00:22:37,190
she's probably a real person right she

602
00:22:41,409 --> 00:22:38,989
sells the paintings online and get them

603
00:22:44,200 --> 00:22:41,419
prints or whatever so patrina means

604
00:22:47,200 --> 00:22:44,210
Keystone Bryan means little King and

605
00:22:48,970 --> 00:22:47,210
Clyde means dress and Keystone's a big

606
00:22:51,340 --> 00:22:48,980
thing in the Q community and all of a

607
00:22:54,129 --> 00:22:51,350
sudden the name of the artist is little

608
00:22:57,489 --> 00:22:54,139
King and a dress it's just on like oh

609
00:22:59,499 --> 00:22:57,499
yeah that could be a coincidence that

610
00:23:01,269 --> 00:22:59,509
doesn't even mean II that's a throwaway

611
00:23:04,359 --> 00:23:01,279
but I'm saying that's where your mind

612
00:23:06,519 --> 00:23:04,369
starts going you're like okay did that

613
00:23:08,019 --> 00:23:06,529

just I can see it I can see it but like

614

00:23:11,169 --> 00:23:08,029

you eat you're saying like this is where

615

00:23:13,989 --> 00:23:11,179

your mind starts going but does that

616

00:23:15,639 --> 00:23:13,999

mean that it's right or is it just the

617

00:23:16,930 --> 00:23:15,649

way your mind is working right now and

618

00:23:19,149 --> 00:23:16,940

that you are seeing all these

619

00:23:20,710 --> 00:23:19,159

connections the optimist you're seeing

620

00:23:21,820 --> 00:23:20,720

the more you're primed to see all these

621

00:23:23,049 --> 00:23:21,830

connections because you're looking

622

00:23:24,519 --> 00:23:23,059

everywhere you're looking in the corners

623

00:23:27,369 --> 00:23:24,529

of paintings you see an owl somewhere

624

00:23:29,320 --> 00:23:27,379

that means something you see like no JFK

625

00:23:31,180 --> 00:23:29,330

or eating something that I agree but

626

00:23:33,369 --> 00:23:31,190

then you find out that Bill Clinton said

627

00:23:37,180 --> 00:23:33,379

he was on the Lolita Express four times

628

00:23:39,479 --> 00:23:37,190

when it was 26 times then you find out

629

00:23:44,440 --> 00:23:39,489

actually that's not true

630

00:23:47,409 --> 00:23:44,450

it was actually for trips with a large

631

00:23:50,830 --> 00:23:47,419

number of flies okay so the actual

632

00:23:52,389 --> 00:23:50,840

manifests okay for leg one time on the

633

00:23:54,039 --> 00:23:52,399

lonely Express then you see pictures of

634

00:23:56,799 --> 00:23:54,049

them 14 year old ray Chandler with them

635

00:24:00,729 --> 00:23:56,809

on the Lolita Express dandy fine now

636

00:24:02,349 --> 00:24:00,739

what's your brother okay let's think I'd

637

00:24:03,849 --> 00:24:02,359

have to have to check that one there all

638

00:24:06,099 --> 00:24:03,859

right check that one how about check out

639

00:24:08,830 --> 00:24:06,109

that just laying Maxwell was that his at

640

00:24:10,479 --> 00:24:08,840

Chelsea's wedding yeah I could believe

641

00:24:11,940 --> 00:24:10,489

that because there that part of the

642

00:24:14,649 --> 00:24:11,950

social circle

643

00:24:17,889 --> 00:24:14,659

Epstein was in knew the Clintons and

644

00:24:20,349 --> 00:24:17,899

miss lane Maxwell was with Epstein all

645

00:24:20,889 --> 00:24:20,359

the time yeah she has a submarine

646

00:24:22,509 --> 00:24:20,899

license

647

00:24:25,269 --> 00:24:22,519

her dad you know you know about her -

648

00:24:26,410 --> 00:24:25,279

submarine license yeah you know about

649

00:24:29,680 --> 00:24:26,420

her dad

650

00:24:32,400 --> 00:24:29,690

No well you're from England correct yes

651
00:24:36,580 --> 00:24:32,410
the Robert Maxwell is your father

652
00:24:38,950 --> 00:24:36,590
medium opal boat named lady just lamp

653
00:24:44,800 --> 00:24:38,960
yeah

654
00:24:46,180 --> 00:24:44,810
also if I believe is if I've read this

655
00:24:48,070 --> 00:24:46,190
in a report I know it was true that he

656
00:24:49,810 --> 00:24:48,080
was connected not like it's even a

657
00:24:51,790 --> 00:24:49,820
mystery but he worked with the Mossad

658
00:24:53,860 --> 00:24:51,800
the CIA and that man six which he

659
00:24:55,750 --> 00:24:53,870
probably did is use a medium oh yeah

660
00:24:58,270 --> 00:24:55,760
that's a long time ago he he died like

661
00:25:00,250 --> 00:24:58,280
20 odd years ago I thank you sir that

662
00:25:06,270 --> 00:25:00,260
new movie is Rosener no doubt a very

663
00:25:09,270 --> 00:25:06,280

wealthy man yeah yeah why why would a

664

00:25:12,280 --> 00:25:09,280

billionairess be associated with a

665

00:25:13,960 --> 00:25:12,290

extreme pedophile well it's one

666

00:25:16,360 --> 00:25:13,970

billionaire is being associated with

667

00:25:19,060 --> 00:25:16,370

another billionaire they're just in the

668

00:25:21,370 --> 00:25:19,070

same social groups okay that's how it

669

00:25:23,500 --> 00:25:21,380

happens but I I don't I don't think her

670

00:25:25,930 --> 00:25:23,510

hands are clean of everything obviously

671

00:25:28,900 --> 00:25:25,940

like she she knew what Epstein was doing

672

00:25:33,670 --> 00:25:28,910

and she was he was part of it to her to

673

00:25:36,070 --> 00:25:33,680

a large degree so doesn't mean uh okay

674

00:25:38,530 --> 00:25:36,080

all right Donald let's go some more

675

00:25:41,530 --> 00:25:38,540

factual further how about having a

676
00:25:43,420 --> 00:25:41,540
breeder ranch in New Mexico where he's

677
00:25:46,600 --> 00:25:43,430
gonna take this is the New York Times

678
00:25:49,740 --> 00:25:46,610
report take an AI to alter a female

679
00:25:56,500 --> 00:25:49,750
about 20 females to see the world

680
00:25:58,000 --> 00:25:56,510
I think billionaires like to think ya

681
00:25:59,170 --> 00:25:58,010
know it's it's billionaires like to

682
00:26:01,630 --> 00:25:59,180
think they're gonna save the world if

683
00:26:03,370 --> 00:26:01,640
you look at Elon Musk he's doing

684
00:26:05,140 --> 00:26:03,380
everything he can to set up a colony on

685
00:26:06,850 --> 00:26:05,150
Mars cuz he thinks it's he's gonna be

686
00:26:09,730 --> 00:26:06,860
the savior of the human race by setting

687
00:26:12,970 --> 00:26:09,740
up a colony on Mars Bigelow as you know

688
00:26:15,310 --> 00:26:12,980

he wants to get it into space let's go

689

00:26:16,750 --> 00:26:15,320

that space let's quickly not associate

690

00:26:18,340 --> 00:26:16,760

them with where we're going next

691

00:26:20,470 --> 00:26:18,350

but I'm saying if this is a billionaire

692

00:26:23,140 --> 00:26:20,480

pedophile who has a breeder was

693

00:26:24,310 --> 00:26:23,150

described as a breeder farm it wasn't

694

00:26:27,610 --> 00:26:24,320

like he was trying to fix

695

00:26:29,200 --> 00:26:27,620

genetic diseases and females and I agree

696

00:26:30,970 --> 00:26:29,210

that I know you're saying the the

697

00:26:32,200 --> 00:26:30,980

complex of being a billionaire and being

698

00:26:34,450 --> 00:26:32,210

able to do anything but that's totally

699

00:26:35,980 --> 00:26:34,460

that's not helping the world in the

700

00:26:37,990 --> 00:26:35,990

sense that's like taking over the world

701
00:26:39,910 --> 00:26:38,000
that's a little different I don't think

702
00:26:42,730 --> 00:26:39,920
it's their intent was to help the world

703
00:26:44,920 --> 00:26:42,740
I know that you keep young girls and the

704
00:26:46,570 --> 00:26:44,930
other thing it's like you would think

705
00:26:49,810 --> 00:26:46,580
that would be a huge story wouldn't you

706
00:26:52,170 --> 00:26:49,820
I mean that well I don't think he

707
00:26:54,520 --> 00:26:52,180
actually had like a harem of young girls

708
00:26:59,860 --> 00:26:54,530
again there against their will at this

709
00:27:01,300 --> 00:26:59,870
breeder farm tour late race yeah that's

710
00:27:04,180 --> 00:27:01,310
what the if you read the New York Times

711
00:27:06,850 --> 00:27:04,190
article it also mentions some very high

712
00:27:08,290 --> 00:27:06,860
up I'm not calling anybody out this is

713
00:27:10,330 --> 00:27:08,300

the New York Times saying this I won't

714

00:27:13,030 --> 00:27:10,340

even say their names you know you can

715

00:27:14,320 --> 00:27:13,040

read it yourself but very high probably

716

00:27:17,320 --> 00:27:14,330

people you know they have been on the

717

00:27:19,900 --> 00:27:17,330

Joe Rogan show AI and transhumanists and

718

00:27:21,850 --> 00:27:19,910

Roboto says that are on we're on his

719

00:27:23,230 --> 00:27:21,860

payroll for a lot of money now I don't

720

00:27:25,000 --> 00:27:23,240

know how that works I don't know their

721

00:27:27,070 --> 00:27:25,010

connection maybe they never met the guy

722

00:27:29,020 --> 00:27:27,080

you know I mean none you figure that out

723

00:27:31,570 --> 00:27:29,030

the story says more but I'm gonna say

724

00:27:33,280 --> 00:27:31,580

it's odd that somebody would do that no

725

00:27:34,990 --> 00:27:33,290

I do know science has to get research

726
00:27:36,310 --> 00:27:35,000
money and maybe anybody can donate I

727
00:27:38,110 --> 00:27:36,320
don't know how that works but there

728
00:27:40,690 --> 00:27:38,120
wasn't an accident so what did it like

729
00:27:42,760 --> 00:27:40,700
he was just I'm saying that he was using

730
00:27:45,400 --> 00:27:42,770
real smart people to do this it wasn't

731
00:27:47,230 --> 00:27:45,410
like you yeah I figured out he he

732
00:27:48,760 --> 00:27:47,240
there's a thing like you know back in

733
00:27:50,620 --> 00:27:48,770
the olden days where people would have

734
00:27:51,910 --> 00:27:50,630
things called salons where they would

735
00:27:53,260 --> 00:27:51,920
they would get a bunch of intellectuals

736
00:27:54,790 --> 00:27:53,270
and some bring them out of their house

737
00:27:56,710 --> 00:27:54,800
and they were just there was just chat

738
00:27:58,600 --> 00:27:56,720

and it was kind of like a status thing

739

00:27:59,950 --> 00:27:58,610

in a way and I think Epstein did this

740

00:28:01,540 --> 00:27:59,960

with a lot of people he would bring Dean

741

00:28:03,670 --> 00:28:01,550

to his island and they would have big

742

00:28:05,500 --> 00:28:03,680

yeah big big parties and then Epstein

743

00:28:07,030 --> 00:28:05,510

would make some outrageous statement and

744

00:28:09,490 --> 00:28:07,040

then they would ask me what is the

745

00:28:11,020 --> 00:28:09,500

future of AI in the world so I think you

746

00:28:14,050 --> 00:28:11,030

know he kind of saw himself as being

747

00:28:16,810 --> 00:28:14,060

this super intelligent guy who was going

748

00:28:20,410 --> 00:28:16,820

to be a pivotal person in the future of

749

00:28:24,160 --> 00:28:20,420

humanity oh yeah I don't know he said he

750

00:28:28,810 --> 00:28:24,170

how far along his plan was or if it was

751
00:28:31,240 --> 00:28:28,820
even realistic not even and I understand

752
00:28:32,740 --> 00:28:31,250
that and in every article I've read it's

753
00:28:34,030 --> 00:28:32,750
the same thing he actually wasn't he

754
00:28:35,350 --> 00:28:34,040
didn't seem that smart people said he

755
00:28:38,050 --> 00:28:35,360
didn't seem that smart but he had money

756
00:28:40,870 --> 00:28:38,060
and they wanted it yeah so he surrounded

757
00:28:45,820 --> 00:28:40,880
himself with these people to try to get

758
00:28:48,010 --> 00:28:45,830
exact thing but what so II maybe which

759
00:28:50,170 --> 00:28:48,020
would you even if you were a scientist

760
00:28:53,230 --> 00:28:50,180
would you go to a pedophile island for a

761
00:28:54,640 --> 00:28:53,240
party I mean it just seems odd I think

762
00:28:57,040 --> 00:28:54,650
the time he happened these people didn't

763
00:28:58,720 --> 00:28:57,050

really know the extent of what was

764

00:29:02,080 --> 00:28:58,730

happening they knew that he liked young

765

00:29:04,480 --> 00:29:02,090

women and one of the guys who was there

766

00:29:10,360 --> 00:29:04,490

was Lawrence Krauss I think this has

767

00:29:12,160 --> 00:29:10,370

some some problem I mean about bringing

768

00:29:14,800 --> 00:29:12,170

here he gave an account of what actually

769

00:29:16,630 --> 00:29:14,810

happened there and he said this they

770

00:29:18,490 --> 00:29:16,640

they didn't actually go to the island

771

00:29:20,590 --> 00:29:18,500

they went to the the other Island the

772

00:29:22,120 --> 00:29:20,600

Big Island where the hotels were and

773

00:29:23,800 --> 00:29:22,130

then they went over to the island for a

774

00:29:25,900 --> 00:29:23,810

party so it wasn't this big thing where

775

00:29:28,240 --> 00:29:25,910

they were all you know in this big

776

00:29:30,520 --> 00:29:28,250

Bacchanalia on the island all the time

777

00:29:32,530 --> 00:29:30,530

it was just more this you know a bunch

778

00:29:36,070 --> 00:29:32,540

of fancy such scientists being gathered

779

00:29:40,030 --> 00:29:36,080

together for you know a cylon essential

780

00:29:41,680 --> 00:29:40,040

English showing on posture that's

781

00:29:45,190 --> 00:29:41,690

correct with those scientists right it's

782

00:29:49,540 --> 00:29:45,200

just the way that that works so you have

783

00:29:50,770 --> 00:29:49,550

his house in Palm Beach right you've got

784

00:29:52,180 --> 00:29:50,780

the pedophile Island

785

00:29:55,000 --> 00:29:52,190

you got the seventy million dollar

786

00:29:57,160 --> 00:29:55,010

apartment and you got the Zorro ranch

787

00:29:58,750 --> 00:29:57,170

those are his that we know now and he

788

00:30:00,820 --> 00:29:58,760

did have to get an apartment France or

789

00:30:04,330 --> 00:30:00,830

something that they talk with what do

790

00:30:05,800 --> 00:30:04,340

you think of will happen with how are

791

00:30:08,650 --> 00:30:05,810

you familiar with the two thousand

792

00:30:10,660 --> 00:30:08,660

pictures or cassettes and CDs of the

793

00:30:12,940 --> 00:30:10,670

females and the perpetrators that they

794

00:30:15,790 --> 00:30:12,950

got the FBI gotta know that you can look

795

00:30:18,280 --> 00:30:15,800

no yeah no idea that the rated his

796

00:30:21,910 --> 00:30:18,290

thoughts and they found a whole bunch of

797

00:30:24,250 --> 00:30:21,920

photos of young women and the

798

00:30:27,420 --> 00:30:24,260

perpetrator it says women plus and then

799

00:30:30,190 --> 00:30:27,430

a blank and then a woman all right so

800

00:30:31,690 --> 00:30:30,200

well that's gonna happen with those that

801
00:30:33,730 --> 00:30:31,700
and one of the things that's interesting

802
00:30:35,950 --> 00:30:33,740
is you don't really hear about that and

803
00:30:38,080 --> 00:30:35,960
so that people say well there's nothing

804
00:30:39,100 --> 00:30:38,090
to it then to a conspiracy theories this

805
00:30:41,320 --> 00:30:39,110
means that's because a real

806
00:30:44,560 --> 00:30:41,330
investigation is going on like a million

807
00:30:46,630 --> 00:30:44,570
medications they do but in his place

808
00:30:48,610 --> 00:30:46,640
there and we can go into Prince Andrew

809
00:30:50,650 --> 00:30:48,620
and all that that is where the Quentin

810
00:30:51,940 --> 00:30:50,660
painting was hanging maybe maybe was

811
00:30:55,420 --> 00:30:51,950
just a freak for Clinton but he really

812
00:30:57,790 --> 00:30:55,430
had it and you know about the eyeballs

813
00:31:00,160 --> 00:30:57,800

all the World War one eyeball two

814

00:31:01,750 --> 00:31:00,170

eyeballs so yeah the whole wall of about

815

00:31:03,850 --> 00:31:01,760

all the prosthetic eyeballs from England

816

00:31:04,810 --> 00:31:03,860

from Ward 2 and he has as long as

817

00:31:06,720 --> 00:31:04,820

pathetic eyeballs

818

00:31:08,520 --> 00:31:06,730

he has a stuff Prudhoe

819

00:31:10,680 --> 00:31:08,530

an actual his own poodle that he owned

820

00:31:11,910 --> 00:31:10,690

there so this is all these are all real

821

00:31:14,460 --> 00:31:11,920

reported things like the New York Times

822

00:31:17,040 --> 00:31:14,470

lady that went in like in after his

823

00:31:19,740 --> 00:31:17,050

first arrest this is before the second

824

00:31:21,750 --> 00:31:19,750

one but after his buddy was arrested and

825

00:31:24,210 --> 00:31:21,760

put in jail the first time in 2010 this

826

00:31:26,400 --> 00:31:24,220

is after that but before now and so

827

00:31:29,640 --> 00:31:26,410

she's just bringing up the story of her

828

00:31:31,320 --> 00:31:29,650

seeing banks of TVs that are in every

829

00:31:32,730 --> 00:31:31,330

room even the bathrooms and all these

830

00:31:37,230 --> 00:31:32,740

weird sculptures and [h__h] like that and

831

00:31:38,760 --> 00:31:37,240

kids everywhere mm-hmm you say though

832

00:31:41,070 --> 00:31:38,770

there's a real investigation going on so

833

00:31:43,080 --> 00:31:41,080

do you think that the Q the Q group

834

00:31:45,270 --> 00:31:43,090

wherever they are are actually you know

835

00:31:47,940 --> 00:31:45,280

essentially investigating Epstein along

836

00:31:50,370 --> 00:31:47,950

with like Hillary Clinton and whoever

837

00:31:52,080 --> 00:31:50,380

the people are in in Hollywood who are

838

00:31:54,930 --> 00:31:52,090

supposed to be involved with this you

839

00:31:58,710 --> 00:31:54,940

think that there's a real yes so to

840

00:32:02,670 --> 00:31:58,720

speak investigation going on by Q that's

841

00:32:05,190 --> 00:32:02,680

separate from like what the FBI is doing

842

00:32:08,100 --> 00:32:05,200

well only in the sense the FBI is doing

843

00:32:10,500 --> 00:32:08,110

for sure so let's just go back as far as

844

00:32:12,900 --> 00:32:10,510

that goes I'll be FBI the good guys here

845

00:32:14,790 --> 00:32:12,910

well you know that's that's what we're

846

00:32:16,500 --> 00:32:14,800

making happen in the sense that you know

847

00:32:17,970 --> 00:32:16,510

we had Comey and not well you know you

848

00:32:20,400 --> 00:32:17,980

can just watch the news with the comb

849

00:32:22,230 --> 00:32:20,410

and how we call that like the soft COO

850

00:32:24,660 --> 00:32:22,240

you know and we're draining the swamp

851
00:32:25,890 --> 00:32:24,670
so there's whether your lights Trump or

852
00:32:27,450 --> 00:32:25,900
not it doesn't matter we ought to get

853
00:32:29,280 --> 00:32:27,460
political but just the list of things

854
00:32:30,990 --> 00:32:29,290
he's done he's done a lot of stuff his

855
00:32:33,000 --> 00:32:31,000
lot of people hate his style but you

856
00:32:33,870 --> 00:32:33,010
it's really hard to hate a substance in

857
00:32:35,640 --> 00:32:33,880
many areas

858
00:32:36,780 --> 00:32:35,650
now you can other areas you can say you

859
00:32:40,860 --> 00:32:36,790
hate if it doesn't matter but there's

860
00:32:43,470 --> 00:32:40,870
none statistic so whether he's in doing

861
00:32:45,480 --> 00:32:43,480
that because of his charge against

862
00:32:47,160 --> 00:32:45,490
pedophilia and human trafficking which

863
00:32:50,060 --> 00:32:47,170

is way bit worse than a my ever thought

864

00:32:53,490 --> 00:32:50,070

I don't know but certainly the FBI is

865

00:32:55,770 --> 00:32:53,500

because they send it on cue just gives

866

00:32:57,990 --> 00:32:55,780

us clues now is the FBI good or not look

867

00:33:01,680 --> 00:32:58,000

the Comey part wasn't when Nate you know

868

00:33:03,600 --> 00:33:01,690

general Flynn is uh who uh I don't

869

00:33:06,180 --> 00:33:03,610

remember gonna hang out and got hurt he

870

00:33:08,420 --> 00:33:06,190

got perjure traps they right yeah I know

871

00:33:11,880 --> 00:33:08,430

in my memory lying to the FBI he was

872

00:33:13,350 --> 00:33:11,890

part of Trump's team yesterday so he got

873

00:33:14,160 --> 00:33:13,360

perjured trapped for lying for the FBI

874

00:33:16,620 --> 00:33:14,170

without a lawyer

875

00:33:18,540 --> 00:33:16,630

and Hugh said don't worry he didn't do

876

00:33:20,370 --> 00:33:18,550

anything and turns out they lied and

877

00:33:21,040 --> 00:33:20,380

they altered his 302 and his documents

878

00:33:22,720 --> 00:33:21,050

that's a

879

00:33:24,580 --> 00:33:22,730

so he's going to get exonerated just

880

00:33:27,610 --> 00:33:24,590

like we knew that he was a patriot the

881

00:33:30,040 --> 00:33:27,620

whole time so that's a proof in a sense

882

00:33:33,640 --> 00:33:30,050

they're like rockers do you know how

883

00:33:35,770 --> 00:33:33,650

Admiral Mike Rogers it no he was the

884

00:33:39,430 --> 00:33:35,780

head of the NSA who happened to be the

885

00:33:42,870 --> 00:33:39,440

17k head of the NSA so there are 17 as

886

00:33:45,610 --> 00:33:42,880

like you write in our Senate they he

887

00:33:47,440 --> 00:33:45,620

told Trump that he was being spied he

888

00:33:49,270 --> 00:33:47,450

broke protocol and told Trump that the

889

00:33:51,520 --> 00:33:49,280

administration was spying on him as a

890

00:33:54,460 --> 00:33:51,530

private citizen in Trump Tower not with

891

00:33:57,730 --> 00:33:54,470

Nestle and so his skiff was unsafe and

892

00:33:59,260 --> 00:33:57,740

they moved it everybody was gonna fire

893

00:34:00,730 --> 00:33:59,270

him get rid of everything and now three

894

00:34:02,170 --> 00:34:00,740

years later turns out they were doing

895

00:34:04,300 --> 00:34:02,180

that that's a fact I mean that's true

896

00:34:06,520 --> 00:34:04,310

they were spying on it just like Mike

897

00:34:08,140 --> 00:34:06,530

Rogers said so a lot of people think

898

00:34:10,570 --> 00:34:08,150

that he made that general Flynn and

899

00:34:12,310 --> 00:34:10,580

Admiral Rogers maybe part of just

900

00:34:14,320 --> 00:34:12,320

because of their rank and their position

901
00:34:19,120 --> 00:34:14,330
but that's the speculate using their

902
00:34:20,590 --> 00:34:19,130
part of q part of the white hat group

903
00:34:23,470 --> 00:34:20,600
for sure in other words they're good

904
00:34:27,130 --> 00:34:23,480
guys that are trying to clean the FBI or

905
00:34:29,080 --> 00:34:27,140
clean the DoD the politicians now you

906
00:34:30,280 --> 00:34:29,090
even I love your foreword by the way

907
00:34:32,290 --> 00:34:30,290
about your book when you're talking

908
00:34:33,430 --> 00:34:32,300
about hey I didn't want to read your

909
00:34:38,620 --> 00:34:33,440
book because I didn't want to be like oh

910
00:34:40,150 --> 00:34:38,630
you know but I read your story your

911
00:34:43,240 --> 00:34:40,160
synopsis or whatever your summary of oh

912
00:34:45,340 --> 00:34:43,250
it's great it's great so you for this

913
00:34:47,680 --> 00:34:45,350

let's forget aliens and crazy crap for

914

00:34:49,420 --> 00:34:47,690

just a second you believe like everyone

915

00:34:53,770 --> 00:34:49,430

does that a government lies about

916

00:34:54,970 --> 00:34:53,780

certain things sure because I hear some

917

00:34:56,620 --> 00:34:54,980

people say oh there's no way they could

918

00:34:58,270 --> 00:34:56,630

pull that off well yeah they can't we

919

00:34:59,740 --> 00:34:58,280

see it with the weapons of mass

920

00:35:01,120 --> 00:34:59,750

destruction and other things like that I

921

00:35:03,640 --> 00:35:01,130

mean they're they can they can create a

922

00:35:05,830 --> 00:35:03,650

story for sure you would agree with that

923

00:35:07,060 --> 00:35:05,840

right I don't feel great here

924

00:35:09,610 --> 00:35:07,070

good you're great so we're just taking

925

00:35:11,020 --> 00:35:09,620

that degree further we believe that not

926

00:35:13,240 --> 00:35:11,030

only are they doing that they're doing

927

00:35:16,180 --> 00:35:13,250

it a lot and they're doing it all the

928

00:35:19,900 --> 00:35:16,190

time and that they all know about it to

929

00:35:21,250 --> 00:35:19,910

a certain degree there's the government

930

00:35:23,320 --> 00:35:21,260

doing it you think there's this kind of

931

00:35:24,910 --> 00:35:23,330

this war going on within the government

932

00:35:25,750 --> 00:35:24,920

where there's all these people in like

933

00:35:28,480 --> 00:35:25,760

the head of the NSA

934

00:35:30,130 --> 00:35:28,490

there is now we're so good and then

935

00:35:32,110 --> 00:35:30,140

there's all the deep state people who

936

00:35:34,240 --> 00:35:32,120

are have the entrenched interests of

937

00:35:37,790 --> 00:35:34,250

pedophiles

938

00:35:42,050 --> 00:35:37,800

and I if you take it far enough perhaps

939

00:35:43,640 --> 00:35:42,060

if you took it far enough perhaps but we

940

00:35:45,380 --> 00:35:43,650

don't need that that's people are gonna

941

00:35:47,150 --> 00:35:45,390

get turned off by that investment or not

942

00:35:50,060 --> 00:35:47,160

yeah but you certainly will want

943

00:35:53,390 --> 00:35:50,070

somebody stealing your money right sure

944

00:35:55,190 --> 00:35:53,400

yeah let's just say it's a laundry

945

00:35:56,900 --> 00:35:55,200

monitoring scheme and nothing else

946

00:35:58,340 --> 00:35:56,910

hey everybody would look to the

947

00:36:01,700 --> 00:35:58,350

government all righty

948

00:36:03,620 --> 00:36:01,710

the government right whoever's that deep

949

00:36:05,060 --> 00:36:03,630

state is that there's political people

950

00:36:08,660 --> 00:36:05,070

in the government that are doing serious

951

00:36:10,610 --> 00:36:08,670

paper plate for instance even if you

952

00:36:11,900 --> 00:36:10,620

take Barack Obama he got he gave three

953

00:36:13,790 --> 00:36:11,910

hundred fifty million dollars to a

954

00:36:15,260 --> 00:36:13,800

publishing company that then wrote him a

955

00:36:17,060 --> 00:36:15,270

check back for sixty-five million

956

00:36:18,710 --> 00:36:17,070

dollars after he retired to buy a

957

00:36:20,180 --> 00:36:18,720

fifteen million dollar house on the

958

00:36:23,120 --> 00:36:20,190

ocean when he tells you the world's

959

00:36:25,190 --> 00:36:23,130

gonna end in ten years you're like that

960

00:36:27,230 --> 00:36:25,200

doesn't sound right to me I don't think

961

00:36:28,910 --> 00:36:27,240

they're telling me the truth why would

962

00:36:31,010 --> 00:36:28,920

you buy a fifteen million dollar every

963

00:36:32,660 --> 00:36:31,020

politician has a fifteen million dollar

964

00:36:34,730 --> 00:36:32,670

ten million dollar house on the ocean

965

00:36:36,380 --> 00:36:34,740

with armed guards and gates about the

966

00:36:38,060 --> 00:36:36,390

world's ending and we're not allowed to

967

00:36:41,230 --> 00:36:38,070

have got that's that's what makes you

968

00:36:44,420 --> 00:36:41,240

think wait a minute you know you say

969

00:36:45,830 --> 00:36:44,430

they like we could argue about that like

970

00:36:47,480 --> 00:36:45,840

we could get into like near the sea

971

00:36:50,060 --> 00:36:47,490

level isn't actually going to rise that

972

00:36:51,830 --> 00:36:50,070

much anyway and like you know nobody's

973

00:36:55,640 --> 00:36:51,840

really against having armed guards with

974

00:36:57,170 --> 00:36:55,650

guns as part of gun control it's you

975

00:36:58,400 --> 00:36:57,180

know there's these things we could we

976

00:37:00,890 --> 00:36:58,410

could get into these things but I don't

977

00:37:04,580 --> 00:37:00,900

think times like you go out everything I

978

00:37:06,170 --> 00:37:04,590

agree with you and I would say that if

979

00:37:07,370 --> 00:37:06,180

everybody was just reasonable all those

980

00:37:08,900 --> 00:37:07,380

things would handle themselves in about

981

00:37:10,790 --> 00:37:08,910

a day it's just that the only way to

982

00:37:12,260 --> 00:37:10,800

present aside now is the stream as far

983

00:37:14,980 --> 00:37:12,270

to the side as you can and then try to

984

00:37:17,120 --> 00:37:14,990

figure it out so that's the way wound up

985

00:37:19,220 --> 00:37:17,130

though do you

986

00:37:21,650 --> 00:37:19,230

as far as let's just talk about Epstein

987

00:37:23,930 --> 00:37:21,660

for just a second because for me that's

988

00:37:26,060 --> 00:37:23,940

like a that's like a provable thing that

989

00:37:28,730 --> 00:37:26,070

was a real dude that did real bad things

990

00:37:31,550 --> 00:37:28,740

there's there's there's evidence of that

991

00:37:35,690 --> 00:37:31,560

yeah yeah who was doing those bad things

992

00:37:38,780 --> 00:37:35,700

with yeah what where who are those two

993

00:37:42,860 --> 00:37:38,790

thousand other video people who who's

994

00:37:44,930 --> 00:37:42,870

visiting his Island and why that many

995

00:37:46,880 --> 00:37:44,940

times it just seems really odd and then

996

00:37:47,710 --> 00:37:46,890

what do you ask you this what do you

997

00:37:50,480 --> 00:37:47,720

think

998

00:37:52,269 --> 00:37:50,490

about Prince Andrew I mean let's that's

999

00:37:55,009 --> 00:37:52,279

a real one that was on the news and

1000

00:37:57,739 --> 00:37:55,019

obviously bashed you his story's not

1001

00:38:00,200 --> 00:37:57,749

true whatever it is it ain't true I mean

1002

00:38:03,170 --> 00:38:00,210

that well what do you mean Sandra he he

1003

00:38:04,759 --> 00:38:03,180

essentially parted with Epstein and who

1004

00:38:08,059 --> 00:38:04,769

knows what actually went on of those

1005

00:38:09,230 --> 00:38:08,069

parties so it's I don't think you can

1006

00:38:10,849 --> 00:38:09,240

prove anything

1007

00:38:11,989 --> 00:38:10,859

really we've got like a photograph of

1008

00:38:15,799 --> 00:38:11,999

Prince Andrea with his arm around

1009

00:38:17,329 --> 00:38:15,809

somebody we have a least one woman who

1010

00:38:20,329 --> 00:38:17,339

claims that she was forced to have sex

1011

00:38:23,749 --> 00:38:20,339

with Prince Andrew but that's you know

1012

00:38:24,890 --> 00:38:23,759

difficult to verify obviously and Prince

1013

00:38:27,529 --> 00:38:24,900

Andrew is a bit of an [h__h]

1014

00:38:29,029 --> 00:38:27,539

and never really liked salmon this he

1015

00:38:31,400 --> 00:38:29,039

thinks offers being a mover and shaker

1016

00:38:33,289 --> 00:38:31,410

in the world and he's obviously got

1017

00:38:37,940 --> 00:38:33,299

connections that he can exploit being

1018

00:38:39,380 --> 00:38:37,950

being you know the Queen's son so who

1019

00:38:42,079 --> 00:38:39,390

knows what's going on we may never know

1020

00:38:43,400 --> 00:38:42,089

but yeah I mean that's the thing we

1021

00:38:45,019 --> 00:38:43,410

can't say that something is going

1022

00:38:49,039 --> 00:38:45,029

definitely going on because we don't

1023

00:38:51,349 --> 00:38:49,049

know what the facts are it seems like so

1024

00:38:52,940 --> 00:38:51,359

good so then there's people involved in

1025

00:38:55,759 --> 00:38:52,950

the Q movement or just people on

1026

00:38:58,160 --> 00:38:55,769

internet then they just want to know if

1027

00:39:00,170 --> 00:38:58,170

that's true or not that's all you know

1028

00:39:02,450 --> 00:39:00,180

it seems like there's a lot of evidence

1029

00:39:03,950 --> 00:39:02,460

to suggest that it might be and we're

1030

00:39:06,170 --> 00:39:03,960

just wondering why nobody's talking

1031

00:39:08,599 --> 00:39:06,180

about it and why did amy robach smash

1032

00:39:10,220 --> 00:39:08,609

the interview you know I mean and and

1033

00:39:11,749 --> 00:39:10,230

I'm sure there's a thousand reasons you

1034

00:39:12,859 --> 00:39:11,759

I don't know how network television

1035

00:39:14,690 --> 00:39:12,869

works and I'm sure there's money

1036

00:39:16,759 --> 00:39:14,700

involved but she literally says it's

1037

00:39:19,700 --> 00:39:16,769

because they wanted pictures of the kids

1038

00:39:20,690 --> 00:39:19,710

you know access to the new babies just

1039

00:39:23,870 --> 00:39:20,700

as pretty

1040

00:39:26,839 --> 00:39:23,880

so that makes you think and then you

1041

00:39:29,509 --> 00:39:26,849

have hunter Biden on the money side of

1042

00:39:32,479 --> 00:39:29,519

it who she also interviews and just

1043

00:39:34,549 --> 00:39:32,489

drops Alice and wonderland crap like I

1044

00:39:36,589 --> 00:39:34,559

mean he calls himself snarky the hunter

1045

00:39:38,690 --> 00:39:36,599

of the smart's he comes for Trump the

1046

00:39:39,739 --> 00:39:38,700

Cheshire Cat he says he feels like he's

1047

00:39:41,150 --> 00:39:39,749

going down the rabbit hole

1048

00:39:44,029 --> 00:39:41,160

I know these are all expressions and

1049

00:39:47,479 --> 00:39:44,039

then his dad says that the Trump rally

1050

00:39:49,370 --> 00:39:47,489

he's like well there's the rally or he

1051
00:39:51,319 --> 00:39:49,380
was commenting on a Trump speech that oh

1052
00:39:52,729 --> 00:39:51,329
the impeachment he was commenting like

1053
00:39:54,259 --> 00:39:52,739
it's like looking through the

1054
00:39:55,130 --> 00:39:54,269
looking-glass up is down down as up he

1055
00:39:57,589 --> 00:39:55,140
does like Alice in Wonderland

1056
00:40:00,739 --> 00:39:57,599
phraseology it's just very interesting

1057
00:40:01,280 --> 00:40:00,749
it's the Alice in Wonderland is the most

1058
00:40:04,070 --> 00:40:01,290
reference

1059
00:40:07,250 --> 00:40:04,080
book of all time well certainly it's

1060
00:40:08,630 --> 00:40:07,260
like it's not it's not because like I

1061
00:40:11,090 --> 00:40:08,640
don't think it's because like it's this

1062
00:40:13,130 --> 00:40:11,100
big key to the universe it's just that

1063
00:40:14,840 --> 00:40:13,140

people there are certain things like

1064

00:40:17,090 --> 00:40:14,850

through the looking-glass or down the

1065

00:40:19,340 --> 00:40:17,100

rabbit hole that people talk about just

1066

00:40:20,660 --> 00:40:19,350

as figures of speech

1067

00:40:23,780 --> 00:40:20,670

it's just entered into figures of speech

1068

00:40:26,470 --> 00:40:23,790

if you you actually look at if you had

1069

00:40:29,270 --> 00:40:26,480

people actually done studies of this

1070

00:40:30,710 --> 00:40:29,280

every single novel has some kind of

1071

00:40:34,100 --> 00:40:30,720

Alice in Wonderland

1072

00:40:37,160 --> 00:40:34,110

reference yeah pretty much and it's not

1073

00:40:40,460 --> 00:40:37,170

because they have to it's just because

1074

00:40:45,860 --> 00:40:40,470

it's it's part of the language now just

1075

00:40:49,160 --> 00:40:45,870

this book good things you can I so let's

1076

00:40:51,440 --> 00:40:49,170

say that's true then you take the

1077

00:40:52,940 --> 00:40:51,450

several talk to you about different ways

1078

00:40:54,950 --> 00:40:52,950

that I see things like whether it's a

1079

00:40:57,830 --> 00:40:54,960

misspelling or it's a dis or it's a news

1080

00:41:01,040 --> 00:40:57,840

article or reference to something so

1081

00:41:04,670 --> 00:41:01,050

then you have Trump misspelled little

1082

00:41:06,620 --> 00:41:04,680

Adam Schiff right so we immediately

1083

00:41:09,350 --> 00:41:06,630

think it's a misspelling so it's a calm

1084

00:41:12,290 --> 00:41:09,360

and he smells that little I li DDL like

1085

00:41:13,760 --> 00:41:12,300

Alice live here yeah yeah and so

1086

00:41:17,960 --> 00:41:13,770

immediately you're like oh is that is

1087

00:41:20,420 --> 00:41:17,970

that right and then you also find out

1088

00:41:22,070 --> 00:41:20,430

this is Adam Schiff also connected to

1089

00:41:23,840 --> 00:41:22,080

Ukraine which we didn't know his banking

1090

00:41:25,910 --> 00:41:23,850

families that's gonna come out you'll

1091

00:41:30,130 --> 00:41:25,920

know alright Adams just banking family

1092

00:41:32,750 --> 00:41:30,140

Ukraine I do not own a red sports car

1093

00:41:33,980 --> 00:41:32,760

yeah there if you then you dig a little

1094

00:41:35,930 --> 00:41:33,990

bit you find out there's a shipping

1095

00:41:39,950 --> 00:41:35,940

company that started all this corruption

1096

00:41:42,200 --> 00:41:39,960

called little in Ukraine so it's like is

1097

00:41:44,750 --> 00:41:42,210

that leading you to look for that know

1098

00:41:47,240 --> 00:41:44,760

that name is there a reason that he

1099

00:41:50,000 --> 00:41:47,250

misspelled that and so it's very

1100

00:41:51,890 --> 00:41:50,010

interesting yeah I think that every time

1101
00:41:52,850 --> 00:41:51,900
Trump misspelled something you could

1102
00:41:54,500 --> 00:41:52,860
probably google it

1103
00:41:55,610 --> 00:41:54,510
whatever he misspelled and something

1104
00:41:57,230 --> 00:41:55,620
would come up that you could make a

1105
00:41:58,670 --> 00:41:57,240
connection with because there's there's

1106
00:42:00,500 --> 00:41:58,680
so many things in the world that it's

1107
00:42:03,320 --> 00:42:00,510
very easy to make a Lisa one-step

1108
00:42:05,960 --> 00:42:03,330
connection to something from that

1109
00:42:07,100 --> 00:42:05,970
misspelling but I think you know we we

1110
00:42:11,420 --> 00:42:07,110
probably have to wrap this up because

1111
00:42:15,440 --> 00:42:11,430
I'm running out of time here but it's

1112
00:42:21,410 --> 00:42:18,710
yeah go for it okay so dope because it

1113
00:42:25,430 --> 00:42:21,420

kind of does it all together so are you

1114

00:42:30,290 --> 00:42:25,440

familiar with project looking-glass yeah

1115

00:42:33,920 --> 00:42:30,300

I remind me no queuing it's sort of yes

1116

00:42:36,080 --> 00:42:33,930

so familiar with Montauk like the

1117

00:42:38,030 --> 00:42:36,090

strength of things so yeah yeah I'm very

1118

00:42:41,750 --> 00:42:38,040

familiar with Montauk yes okay so the

1119

00:42:43,970 --> 00:42:41,760

Montauk chair is a it's a technology for

1120

00:42:45,350 --> 00:42:43,980

navigating spacecraft there's different

1121

00:42:47,090 --> 00:42:45,360

stories some people think it came from

1122

00:42:49,340 --> 00:42:47,100

something else but basically the thing

1123

00:42:52,580 --> 00:42:49,350

that's it in and you can you can see

1124

00:42:55,040 --> 00:42:52,590

probable futures okay that's how it

1125

00:42:57,650 --> 00:42:55,050

started they originally used psychics

1126

00:42:58,880 --> 00:42:57,660

this is the story this is the lore I'm

1127

00:43:02,510 --> 00:42:58,890

studying the lore and then I'll tell you

1128

00:43:04,250 --> 00:43:02,520

how it connects to what this see so they

1129

00:43:06,140 --> 00:43:04,260

originally used psychics but then they

1130

00:43:08,360 --> 00:43:06,150

would get hurt so they use children and

1131

00:43:10,040 --> 00:43:08,370

this was before and they had a very low

1132

00:43:12,530 --> 00:43:10,050

percentage it was twenty thirty percent

1133

00:43:14,930 --> 00:43:12,540

probability but now that they've learned

1134

00:43:17,170 --> 00:43:14,940

how to do it with AI they get really

1135

00:43:20,090 --> 00:43:17,180

close to eighty nine percent probability

1136

00:43:21,740 --> 00:43:20,100

so it's not a project looking glass so

1137

00:43:23,780 --> 00:43:21,750

that's the Lord project looking glass

1138

00:43:25,460 --> 00:43:23,790

based on the montauk chair and that's

1139

00:43:28,910 --> 00:43:25,470

always been in UFO lord it's always been

1140

00:43:30,710 --> 00:43:28,920

out there I'm Joe Rogan and I've studied

1141

00:43:32,780 --> 00:43:30,720

bob lazar just because it's cool it's

1142

00:43:34,100 --> 00:43:32,790

UFOs and the whole thing he mentions

1143

00:43:35,540 --> 00:43:34,110

which I'd never heard he may have but

1144

00:43:38,270 --> 00:43:35,550

I've never heard him mentioned before

1145

00:43:40,460 --> 00:43:38,280

the he reference a paper that reference

1146

00:43:42,200 --> 00:43:40,470

project Looking Glass on Joe Rogan now

1147

00:43:43,730 --> 00:43:42,210

he didn't say he ever saw he just said

1148

00:43:45,350 --> 00:43:43,740

he saw the reference to it that's all he

1149

00:43:47,840 --> 00:43:45,360

said right

1150

00:43:52,940 --> 00:43:47,850

it's a project looking-glass okay okay

1151

00:43:53,630 --> 00:43:52,950

then q.q does drop the word project

1152

00:43:57,050 --> 00:43:53,640

Looking Glass

1153

00:43:59,180 --> 00:43:57,060

hmm what does that mean I don't know but

1154

00:44:02,330 --> 00:43:59,190

that maybe maybe it means cue watches

1155

00:44:04,840 --> 00:44:02,340

Joe Rogan maybe but the reason I want to

1156

00:44:07,610 --> 00:44:04,850

say that are in on that is that that cue

1157

00:44:09,260 --> 00:44:07,620

this conspiracy wacko things I'm talking

1158

00:44:11,030 --> 00:44:09,270

about a wanton guy they don't get too

1159

00:44:13,070 --> 00:44:11,040

crazy about that that's just that you

1160

00:44:15,950 --> 00:44:13,080

can derive from those things but one of

1161

00:44:18,410 --> 00:44:15,960

the craziest references that I saw Q do

1162

00:44:18,620 --> 00:44:18,420

that is a Cooper is said project Looking

1163

00:44:20,780 --> 00:44:18,630

Glass

1164

00:44:22,160 --> 00:44:20,790

I don't do it really really interesting

1165

00:44:24,620 --> 00:44:22,170

it may have a completely different

1166

00:44:27,290 --> 00:44:24,630

meaning so for what it like to like your

1167

00:44:28,610 --> 00:44:27,300

Alice in Wonderland references but I

1168

00:44:30,320 --> 00:44:28,620

just thought that was very

1169

00:44:32,780 --> 00:44:30,330

so that one I'd like to put out there in

1170

00:44:34,730 --> 00:44:32,790

the universe and let's see that would

1171

00:44:37,730 --> 00:44:34,740

because that we're you're pretty

1172

00:44:39,890 --> 00:44:37,740

significant in your ammonia yeah it

1173

00:44:42,020 --> 00:44:39,900

makes it lends the future and see

1174

00:44:43,700 --> 00:44:42,030

probabilities I'm sure that would be

1175

00:44:45,890 --> 00:44:43,710

something Oh real quick I'll so what are

1176

00:44:48,170 --> 00:44:45,900

you thinking about I know memory but

1177

00:44:50,060 --> 00:44:48,180

what have you ever looked at a list of

1178

00:44:53,660 --> 00:44:50,070

Mandela effect stuff we go oh my gosh

1179

00:44:55,190 --> 00:44:53,670

that's super yeah well I've looked at it

1180

00:44:56,960 --> 00:44:55,200

and some of the stuff yeah I don't

1181

00:44:58,550 --> 00:44:56,970

remember certain things being a certain

1182

00:45:00,350 --> 00:44:58,560

way you know it's like you know what did

1183

00:45:02,690 --> 00:45:00,360

what did Darth Vader say to look at the

1184

00:45:05,440 --> 00:45:02,700

end of Star Wars yeah things like that

1185

00:45:07,700 --> 00:45:05,450

lots of things people miss remember yeah

1186

00:45:11,210 --> 00:45:07,710

cuz they're very convinced by their

1187

00:45:13,070 --> 00:45:11,220

first you may be true may be correct

1188

00:45:15,110 --> 00:45:13,080

about that it's just see I happen to be

1189

00:45:17,030 --> 00:45:15,120

one of those people and I don't really

1190

00:45:19,070 --> 00:45:17,040

well effect I only like the ones that

1191

00:45:20,900 --> 00:45:19,080

trigger me like most of them don't but

1192

00:45:21,980 --> 00:45:20,910

everyone oh wow I thought it was Mira

1193

00:45:23,180 --> 00:45:21,990

Mira on the wall I didn't know it's

1194

00:45:25,640 --> 00:45:23,190

magic mirror like but you know what I

1195

00:45:27,560 --> 00:45:25,650

mean but I do remember

1196

00:45:29,570 --> 00:45:27,570

strangely enough out of all the crazy

1197

00:45:31,700 --> 00:45:29,580

things I'm telling you I am one of those

1198

00:45:36,050 --> 00:45:31,710

people who remember Nelson Mandela dying

1199

00:45:38,600 --> 00:45:36,060

from dysentery in the fridge and then I

1200

00:45:39,800 --> 00:45:38,610

remember his wife like suing and then

1201

00:45:41,870 --> 00:45:39,810

like writing and winning and then

1202

00:45:44,240 --> 00:45:41,880

writing a book about isn't that where I

1203

00:45:46,400 --> 00:45:44,250

was shocked one day when I go oh my god

1204

00:45:47,990 --> 00:45:46,410

he's on TV I was one of those people so

1205

00:45:50,300 --> 00:45:48,000

I don't know that's all connected or how

1206

00:45:52,220 --> 00:45:50,310

that works or whatever but I I have I'm

1207

00:45:53,840 --> 00:45:52,230

on the side if something happened or it

1208

00:45:56,090 --> 00:45:53,850

seemed like it or occasion

1209

00:45:58,790 --> 00:45:56,100

crickey bad man yeah that's interesting

1210

00:45:59,750 --> 00:45:58,800

interesting fascinating stuff well this

1211

00:46:01,820 --> 00:45:59,760

has been a very wide-ranging

1212

00:46:03,530 --> 00:46:01,830

conversation it's very interesting and I

1213

00:46:06,140 --> 00:46:03,540

would like to have you back in five

1214

00:46:09,560 --> 00:46:06,150

years time okay if not sooner

1215

00:46:12,230 --> 00:46:09,570

and we can see if what you say is a kind

1216

00:46:15,440 --> 00:46:12,240

of a good timeline a good time horizon

1217

00:46:18,050 --> 00:46:15,450

for you to expect something to have

1218

00:46:22,150 --> 00:46:18,060

happened that would completely confirm

1219

00:46:26,530 --> 00:46:22,160

the cue hypothesis for you already has

1220

00:46:30,650 --> 00:46:26,540

weathered the mass arrests type thing

1221

00:46:32,930 --> 00:46:30,660

yes any any anybody of notoriety when it

1222

00:46:34,550 --> 00:46:32,940

happens it's going to happen if you're

1223

00:46:37,670 --> 00:46:34,560

not just going to arrest one person

1224

00:46:39,710 --> 00:46:37,680

mm-hmm in my opinion you couldn't

1225

00:46:41,270 --> 00:46:39,720

because if if they truly are connected

1226
00:46:42,440 --> 00:46:41,280
you're gonna have to do you're gonna

1227
00:46:45,349 --> 00:46:42,450
have to have a

1228
00:46:47,359 --> 00:46:45,359
yeah so I don't think thing is we said

1229
00:46:48,530 --> 00:46:47,369
five years what if nothing happens in

1230
00:46:50,089 --> 00:46:48,540
five years we don't have this mass

1231
00:46:51,530 --> 00:46:50,099
arrest in five years you'll think that

1232
00:46:52,160 --> 00:46:51,540
you know perhaps there wasn't something

1233
00:46:56,329 --> 00:46:52,170
to it

1234
00:46:58,099 --> 00:46:56,339
so what idea take before then okay so

1235
00:46:59,599 --> 00:46:58,109
I'm gonna try to figure out when it when

1236
00:47:00,170 --> 00:46:59,609
I should put on my calendar to give you

1237
00:47:09,140 --> 00:47:00,180
a call

1238
00:47:12,380 --> 00:47:09,150

and I at the a year from now okay yeah

1239

00:47:13,640 --> 00:47:12,390

there'll be significant and I don't know

1240

00:47:17,030 --> 00:47:13,650

about mass arrests there'll be

1241

00:47:19,880 --> 00:47:17,040

significant revelations about what's

1242

00:47:22,130 --> 00:47:19,890

going on and whether it will be clear to

1243

00:47:24,620 --> 00:47:22,140

everybody at that point it'll be clear

1244

00:47:26,450 --> 00:47:24,630

many stuff many of the subject matters

1245

00:47:28,640 --> 00:47:26,460

will be for instance you will find out

1246

00:47:32,630 --> 00:47:28,650

very quickly and I believe this year

1247

00:47:34,730 --> 00:47:32,640

that there's a lot of politicians taking

1248

00:47:36,140 --> 00:47:34,740

a lot of money from a lot of countries

1249

00:47:38,510 --> 00:47:36,150

that's our American money and our

1250

00:47:40,700 --> 00:47:38,520

taxpayer money and I mean like the

1251
00:47:42,859 --> 00:47:40,710
typical politician taking the bribe I'm

1252
00:47:45,380 --> 00:47:42,869
talking about crazy amounts of money and

1253
00:47:47,540 --> 00:47:45,390
corruption I think that will happen this

1254
00:47:49,400 --> 00:47:47,550
year I think okay what Trump has done is

1255
00:47:50,630 --> 00:47:49,410
he's got to get through the appeasement

1256
00:47:51,109 --> 00:47:50,640
he had to get through the State of the

1257
00:47:55,849 --> 00:47:51,119
Union

1258
00:47:58,609 --> 00:47:55,859
once he's re-elected then there's zero

1259
00:48:00,589 --> 00:47:58,619
right now the the Republicans were

1260
00:48:02,750 --> 00:48:00,599
against him the Democrats the news media

1261
00:48:05,059 --> 00:48:02,760
yq-- by the way simply it's a way to

1262
00:48:07,339 --> 00:48:05,069
communicate to us directly without the

1263
00:48:10,190 --> 00:48:07,349

the narrative you know the mainstream

1264

00:48:11,780 --> 00:48:10,200

news narrative um so we just get around

1265

00:48:14,260 --> 00:48:11,790

them that's that's all we really do

1266

00:48:17,329 --> 00:48:14,270

getting around Newark but I believe that

1267

00:48:21,430 --> 00:48:17,339

he's doing as much as he can good things

1268

00:48:24,559 --> 00:48:21,440

for the world plus things for us and

1269

00:48:26,210 --> 00:48:24,569

before once he's reelected then there's

1270

00:48:27,859 --> 00:48:26,220

no doubt right you could say people

1271

00:48:30,020 --> 00:48:27,869

don't like him and this and that is all

1272

00:48:33,050 --> 00:48:30,030

crap and whatever but once he's

1273

00:48:35,569 --> 00:48:33,060

reelected then it when I say reelected I

1274

00:48:37,700 --> 00:48:35,579

mean landslide re-election I think would

1275

00:48:39,890 --> 00:48:37,710

that be that's gonna be something and

1276

00:48:41,540 --> 00:48:39,900

then the gates will open after that

1277

00:48:43,250 --> 00:48:41,550

because you will have accomplished

1278

00:48:45,800 --> 00:48:43,260

getting rid of the of many of the

1279

00:48:47,750 --> 00:48:45,810

roadblocks then don't let it happen so I

1280

00:48:50,150 --> 00:48:47,760

would say next year after reelection

1281

00:48:52,700 --> 00:48:50,160

would be a good time that some crap will

1282

00:48:55,359 --> 00:48:52,710

happen like that you'll be go oh maybe

1283

00:48:57,999 --> 00:48:55,369

there's something there okay well I saw

1284

00:49:01,359 --> 00:48:58,009

I think my calendar for next February

1285

00:49:05,200 --> 00:49:01,369

and Oh we'll see see what has transpired

1286

00:49:08,049 --> 00:49:05,210

since now well I got to say this was an

1287

00:49:10,690 --> 00:49:08,059

absolute pleasure and a joy I want to

1288

00:49:12,489 --> 00:49:10,700

reiterate these are my opinions whether

1289

00:49:13,839 --> 00:49:12,499

it's UFO Twitter please no hate mail

1290

00:49:15,670 --> 00:49:13,849

queue and on I'm just saying what I

1291

00:49:17,200 --> 00:49:15,680

think you can look better yet look into

1292

00:49:18,730 --> 00:49:17,210

all this stuff yourself if you want to

1293

00:49:21,519 --> 00:49:18,740

or decide that you don't watch it

1294

00:49:24,609 --> 00:49:21,529

because of this but um you've been great

1295

00:49:26,739 --> 00:49:24,619

I have to tell you just personally it's

1296

00:49:29,259 --> 00:49:26,749

almost a joy to watch how calm you are

1297

00:49:31,839 --> 00:49:29,269

when people attack you like it's how do

1298

00:49:36,759 --> 00:49:31,849

you do that like you never guys now are

1299

00:49:38,499 --> 00:49:36,769

you know she is a practice I think yeah

1300

00:49:41,259 --> 00:49:38,509

I don't let it bother me too much

1301

00:49:42,430 --> 00:49:41,269

yes I'm proud of you for that and I

1302

00:49:43,690 --> 00:49:42,440

don't know if you notice but everyone

1303

00:49:47,289 --> 00:49:43,700

said I'll defend you're like dude it's

1304

00:49:48,789 --> 00:49:47,299

just as a breather so uh I really

1305

00:49:49,239 --> 00:49:48,799

appreciate it thank you so much for

1306

00:49:50,559 --> 00:49:49,249

having me on

1307

00:49:52,150 --> 00:49:50,569

I really alright thank you Michael it's

1308

00:49:53,980 --> 00:49:52,160

been a very interesting conversation and

1309

00:49:56,620 --> 00:49:53,990

I look forward to following up again in
