DJ Thermal Detonator

9/11 History

& Change

1
00:00:06,789 --> 00:00:03,830
welcome to tales from the rabbit hole

2
00:00:07,430 --> 00:00:06,799
i'm your host mick west my guest today

3
00:00:09,910 --> 00:00:07,440
is

4
00:00:11,190 --> 00:00:09,920
dj thermal detonator at least that's the

5
00:00:13,749 --> 00:00:11,200
name he goes by

6
00:00:15,350 --> 00:00:13,759
and we're going to talk about a couple

7
00:00:16,790 --> 00:00:15,360
of topics that are very close to my

8
00:00:17,910 --> 00:00:16,800
heart which i've been looking at for

9
00:00:21,109 --> 00:00:17,920
many years

10
00:00:22,550 --> 00:00:21,119
uh 911 and the 911 control demolition

11
00:00:25,589 --> 00:00:22,560
theory in particular

12
00:00:26,150 --> 00:00:25,599
and uh chemtrails which is kind of what

13
00:00:29,589 --> 00:00:26,160

i got

14

00:00:32,229 --> 00:00:29,599

started out debunking with and uh

15

00:00:34,069 --> 00:00:32,239

dj thermal detonator uh or thermal

16

00:00:39,030 --> 00:00:34,079

detonator for short

17

00:00:42,709 --> 00:00:41,750

dj thermal detonator welcome details

18

00:00:45,430 --> 00:00:42,719

from the rabbit hole

19

00:00:46,869 --> 00:00:45,440

thank you thank you for having me on so

20

00:00:47,670 --> 00:00:46,879

you contacted me on twitter like a few

21

00:00:49,110 --> 00:00:47,680

times and

22

00:00:50,950 --> 00:00:49,120

you told me that you've been working on

23

00:00:53,910 --> 00:00:50,960

some uh videos about

24

00:00:54,950 --> 00:00:53,920

doing 911 and then you also told me that

25

00:00:58,549 --> 00:00:54,960

you

26

00:00:59,830 --> 00:00:58,559

9 11

27

00:01:01,590 --> 00:00:59,840

specifically some of the controlled

28

00:01:03,110 --> 00:01:01,600

demolition theories and you know a lot

29

00:01:05,590 --> 00:01:03,120

of the people

30

00:01:06,310 --> 00:01:05,600

who are promoting these theories because

31

00:01:10,070 --> 00:01:06,320

you've

32

00:01:12,149 --> 00:01:10,080

quite a long time is that right

33

00:01:13,510 --> 00:01:12,159

yeah um yeah i've been in we are change

34

00:01:17,830 --> 00:01:13,520

la since

35

00:01:21,030 --> 00:01:17,840

2008 but i became like a activist or

36

00:01:23,830 --> 00:01:21,040

awake like 2007. so what was your uh

37

00:01:25,030 --> 00:01:23,840

your red pill moment back in 2007

38

00:01:27,270 --> 00:01:25,040

probably

39

00:01:28,789 --> 00:01:27,280

sadly like a lot of people loose change

40

00:01:32,069 --> 00:01:28,799

second edition

41

00:01:33,190 --> 00:01:32,079

and probably i believe it was posted on

42

00:01:36,149 --> 00:01:33,200

a music forum

43

00:01:38,149 --> 00:01:36,159

then this was also in the beginning of

44

00:01:39,190 --> 00:01:38,159

myspace and that whole heyday of social

45

00:01:41,910 --> 00:01:39,200

media

46

00:01:43,109 --> 00:01:41,920

so i was just kind of overwhelmed the

47

00:01:45,830 --> 00:01:43,119

only thing i kind of

48

00:01:47,030 --> 00:01:45,840

latched on to was the ron paul movement

49

00:01:49,270 --> 00:01:47,040

movement at first

50

00:01:51,749 --> 00:01:49,280

before i really discovered alex jones

51
00:01:53,590 --> 00:01:51,759
and infowars and all that

52
00:01:55,429 --> 00:01:53,600
which probably came which happened the

53
00:01:58,069 --> 00:01:55,439
following year

54
00:01:59,830 --> 00:01:58,079
after i uh parted ways from my job at

55
00:02:02,630 --> 00:01:59,840
amoeba music in hollywood

56
00:02:04,230 --> 00:02:02,640
okay so that was also been kind of been

57
00:02:05,190 --> 00:02:04,240
that's kind of my real background is

58
00:02:07,190 --> 00:02:05,200
because i'm dj

59
00:02:08,630 --> 00:02:07,200
i've worked in the music industry kind

60
00:02:11,510 --> 00:02:08,640
of in that level

61
00:02:11,910 --> 00:02:11,520
you know managed managed bands and so

62
00:02:13,589 --> 00:02:11,920
i've

63
00:02:15,990 --> 00:02:13,599

just kind of been familiar with you know

64

00:02:16,949 --> 00:02:16,000

film releases distribution of films and

65

00:02:18,550 --> 00:02:16,959

stuff so

66

00:02:20,790 --> 00:02:18,560

i kind of just kind of kept an eye on

67

00:02:21,589 --> 00:02:20,800

things and i was already having problems

68

00:02:24,150 --> 00:02:21,599

with the

69

00:02:27,270 --> 00:02:24,160

questioning the entire story just from

70

00:02:29,270 --> 00:02:27,280

even michael moore's film fahrenheit 911

71

00:02:31,270 --> 00:02:29,280

that film you know at first made me kind

72

00:02:33,589 --> 00:02:31,280

of wonder maybe there's a

73

00:02:35,350 --> 00:02:33,599

a bush bin laden conspiracy going on

74

00:02:37,270 --> 00:02:35,360

here maybe these things that

75

00:02:38,630 --> 00:02:37,280

i've heard other people talk about of

76

00:02:40,869 --> 00:02:38,640

world government of

77

00:02:43,190 --> 00:02:40,879

all these kind of global kind of

78

00:02:45,430 --> 00:02:43,200

conspiracies kind of you always hear

79

00:02:47,030 --> 00:02:45,440

kind of rumors about that was their

80

00:02:49,110 --> 00:02:47,040

looming that was there for a couple of

81

00:02:50,710 --> 00:02:49,120

years while i was working at amoeba

82

00:02:52,550 --> 00:02:50,720

you know and then just kind of seeing

83

00:02:55,670 --> 00:02:52,560

that the war on terrors is not

84

00:02:57,830 --> 00:02:55,680

making any sense at all and then

85

00:02:59,430 --> 00:02:57,840

2007 has lose change then you know

86

00:03:01,670 --> 00:02:59,440

freaking out over the

87

00:03:03,670 --> 00:03:01,680

demolitions and all that but the real

88

00:03:05,990 --> 00:03:03,680

debunking probably i'm more

89

00:03:08,550 --> 00:03:06,000

definitely more focused on is the all

90

00:03:10,630 --> 00:03:08,560

the uh the no plane stuff

91

00:03:12,309 --> 00:03:10,640

you know mainly the pentagon strike

92

00:03:16,309 --> 00:03:12,319

right that i think is

93

00:03:20,229 --> 00:03:16,319

probably much more very damaging

94

00:03:21,750 --> 00:03:20,239

yeah so back in say 2008 when you you

95

00:03:22,470 --> 00:03:21,760

say you joined we are changed now we are

96

00:03:24,949 --> 00:03:22,480

changes

97

00:03:26,630 --> 00:03:24,959

uh i guess what what is vr change can

98

00:03:28,149 --> 00:03:26,640

you describe what it was at the time

99

00:03:30,550 --> 00:03:28,159

when you joined it

100

00:03:32,390 --> 00:03:30,560

well weird change was just basically a

101
00:03:35,190 --> 00:03:32,400
reaction from uh the

102
00:03:36,070 --> 00:03:35,200
9 11 truth groups and it started in new

103
00:03:39,110 --> 00:03:36,080
york

104
00:03:41,990 --> 00:03:39,120
um with a son of a

105
00:03:42,630 --> 00:03:42,000
police officer who died wallace that's

106
00:03:44,149 --> 00:03:42,640
his name

107
00:03:45,990 --> 00:03:44,159
kind of talked about it's all kind of

108
00:03:49,509 --> 00:03:46,000
covered in an alex jones documentary

109
00:03:52,309 --> 00:03:49,519
that's called a 911 truth chronicles uh

110
00:03:53,270 --> 00:03:52,319
truth rising he passed away from some

111
00:03:57,750 --> 00:03:53,280
really strange

112
00:03:59,190 --> 00:03:57,760
kid dan wallace

113
00:04:01,110 --> 00:03:59,200

died in his sleep but he was the one

114

00:04:03,030 --> 00:04:01,120

that kind of came up with this idea of

115

00:04:05,110 --> 00:04:03,040

being the change you want to be

116

00:04:06,550 --> 00:04:05,120

because 9 11 truth groups weren't going

117

00:04:07,350 --> 00:04:06,560

to do anything they were just kind of i

118

00:04:09,030 --> 00:04:07,360

guess

119

00:04:10,869 --> 00:04:09,040

doing their film gatherings doing you

120

00:04:14,070 --> 00:04:10,879

know there's kind of a pretty much a

121

00:04:15,750 --> 00:04:14,080

conspiracy theory support group

122

00:04:17,509 --> 00:04:15,760

so you know they weren't they weren't

123

00:04:19,270 --> 00:04:17,519

doing anything about it you know and a

124

00:04:21,990 --> 00:04:19,280

lot of people were

125

00:04:22,629 --> 00:04:22,000

um just motivated they wanted to wake

126
00:04:24,950 --> 00:04:22,639
people up

127
00:04:26,230 --> 00:04:24,960
and get the media out there just because

128
00:04:27,990 --> 00:04:26,240
you know if they were still in the

129
00:04:29,110 --> 00:04:28,000
beginning stages of social media

130
00:04:31,510 --> 00:04:29,120
you know you know you don't even really

131
00:04:32,710 --> 00:04:31,520
have youtube out you know at that point

132
00:04:34,710 --> 00:04:32,720
or at least it's not

133
00:04:36,150 --> 00:04:34,720
youtube's not hosting the extended long

134
00:04:38,710 --> 00:04:36,160
films like it did you know back in the

135
00:04:41,990 --> 00:04:38,720
10 minute segments and stuff

136
00:04:43,749 --> 00:04:42,000
yeah so i remember i remember we are

137
00:04:45,990 --> 00:04:43,759
change back in the day they did a lot of

138
00:04:47,590 --> 00:04:46,000

kind of uh like concentration type

139

00:04:48,629 --> 00:04:47,600

things they would go up to politicians

140

00:04:51,270 --> 00:04:48,639

and they would try to

141

00:04:53,030 --> 00:04:51,280

you know get them on film yeah luke

142

00:04:55,189 --> 00:04:53,040

rudowsky got in there and

143

00:04:57,350 --> 00:04:55,199

uh and that's just became this whole

144

00:04:58,230 --> 00:04:57,360

activism journalist ambush journalist

145

00:05:01,270 --> 00:04:58,240

thing

146

00:05:02,469 --> 00:05:01,280

that was really pushed by alex jones and

147

00:05:05,110 --> 00:05:02,479

you know all of a sudden

148

00:05:05,510 --> 00:05:05,120

uh little chapters started popping up

149

00:05:10,550 --> 00:05:05,520

and

150

00:05:13,430 --> 00:05:10,560

that one

151

00:05:14,790 --> 00:05:13,440

uh i mean i was there the first year

152

00:05:16,790 --> 00:05:14,800

that it started but

153

00:05:18,150 --> 00:05:16,800

afterwards i was and we were already

154

00:05:18,870 --> 00:05:18,160

starting to do we were already starting

155

00:05:20,550 --> 00:05:18,880

to do

156

00:05:22,550 --> 00:05:20,560

some of these ambush pieces already

157

00:05:23,590 --> 00:05:22,560

we've even had you know one of our early

158

00:05:25,510 --> 00:05:23,600

members

159

00:05:26,790 --> 00:05:25,520

uh jeremy roth gushell they were

160

00:05:29,110 --> 00:05:26,800

appearing on uh

161

00:05:31,110 --> 00:05:29,120

bill maher's talk show you know trying

162

00:05:33,189 --> 00:05:31,120

to get him to talk about building seven

163

00:05:34,469 --> 00:05:33,199

so that was going on at first so yeah

164

00:05:36,790 --> 00:05:34,479

that that's it was

165

00:05:38,230 --> 00:05:36,800

it was being an activist group waking

166

00:05:40,469 --> 00:05:38,240

people up on the street with you know

167

00:05:42,790 --> 00:05:40,479

the the dvds the literature

168

00:05:44,710 --> 00:05:42,800

but then when there were the the

169

00:05:46,629 --> 00:05:44,720

occasions of a politician

170

00:05:47,830 --> 00:05:46,639

or somebody powerful that might have

171

00:05:49,590 --> 00:05:47,840

been part of the cover-up

172

00:05:51,270 --> 00:05:49,600

or needed to be awake or what was their

173

00:05:53,590 --> 00:05:51,280

opinion on 9 11

174

00:05:54,950 --> 00:05:53,600

yeah we would definitely get together

175

00:05:56,230 --> 00:05:54,960

for that and yeah we're doing these

176

00:05:58,390 --> 00:05:56,240

ambush pieces like that

177

00:06:00,309 --> 00:05:58,400

just like you would see luke radowsky

178

00:06:02,070 --> 00:06:00,319

when he first approached uh

179

00:06:04,390 --> 00:06:02,080

big new brzezinski you know stuff like

180

00:06:06,790 --> 00:06:04,400

that yeah i mean it was uh here in a way

181

00:06:09,029 --> 00:06:06,800

it was uh

182

00:06:10,629 --> 00:06:09,039

i agree with it more because i think i

183

00:06:12,070 --> 00:06:10,639

think the way that the way they were

184

00:06:13,350 --> 00:06:12,080

handling it i think

185

00:06:15,670 --> 00:06:13,360

you know they were they were just

186

00:06:17,510 --> 00:06:15,680

basically accusing these people of being

187

00:06:19,749 --> 00:06:17,520

part of the conspiracy and it's just

188

00:06:20,950 --> 00:06:19,759

kind of silly because when you look at a

189

00:06:23,029 --> 00:06:20,960

situation like

190

00:06:24,710 --> 00:06:23,039

supigno brzezinski you're going to call

191

00:06:25,510 --> 00:06:24,720

him and say he's part of the conspiracy

192

00:06:29,749 --> 00:06:25,520

his wife

193

00:06:30,390 --> 00:06:29,759

daughter micah brzezinski works for nbc

194

00:06:31,990 --> 00:06:30,400

news

195

00:06:34,230 --> 00:06:32,000

she was down on the street and she

196

00:06:36,390 --> 00:06:34,240

almost got killed on 9 11. right

197

00:06:38,070 --> 00:06:36,400

you know it was actually not far from

198

00:06:40,390 --> 00:06:38,080

all of it falling down so

199

00:06:41,189 --> 00:06:40,400

it's really ridiculous it's it just

200

00:06:43,110 --> 00:06:41,199

tells you the

201
00:06:45,270 --> 00:06:43,120
truth move it's not it was not very well

202
00:06:48,390 --> 00:06:45,280
researched when it came to 911.

203
00:06:50,550 --> 00:06:48,400
yeah so so we are change la is kind of

204
00:06:52,150 --> 00:06:50,560
i guess doesn't really exist in that

205
00:06:56,390 --> 00:06:52,160
form anymore no it doesn't really

206
00:06:59,430 --> 00:06:56,400
kind of essentially like um disappeared

207
00:07:01,110 --> 00:06:59,440
uh yeah what's what what happened to it

208
00:07:02,390 --> 00:07:01,120
over the years how did it how did it

209
00:07:04,629 --> 00:07:02,400
change how did it grow

210
00:07:05,749 --> 00:07:04,639
and then what was the the tipping point

211
00:07:07,189 --> 00:07:05,759
for it well

212
00:07:08,790 --> 00:07:07,199
i mean there's definitely the important

213
00:07:09,749 --> 00:07:08,800

part where we can get into chemtrails

214

00:07:12,550 --> 00:07:09,759

you know that

215

00:07:14,150 --> 00:07:12,560

starts at probably i would say oh nine

216

00:07:16,950 --> 00:07:14,160

two thousand ten

217

00:07:18,070 --> 00:07:16,960

eleven i love 2011 i left and then i

218

00:07:20,309 --> 00:07:18,080

moved away and i

219

00:07:21,749 --> 00:07:20,319

went to the central coast and i went to

220

00:07:23,990 --> 00:07:21,759

my hometown area in

221

00:07:24,790 --> 00:07:24,000

central california and i was kind of

222

00:07:26,950 --> 00:07:24,800

back and forth

223

00:07:28,390 --> 00:07:26,960

also within orange county so i was for

224

00:07:30,230 --> 00:07:28,400

several years i was

225

00:07:31,990 --> 00:07:30,240

kind of gone but i would still talk to a

226

00:07:33,029 --> 00:07:32,000

lot of our members from we are change la

227

00:07:35,110 --> 00:07:33,039

i was still

228

00:07:36,230 --> 00:07:35,120

seeing you know that the meetups just

229

00:07:38,309 --> 00:07:36,240

kind of what was going on

230

00:07:40,790 --> 00:07:38,319

i still talk to people and in fact i

231

00:07:42,469 --> 00:07:40,800

even went to functions that weren't an

232

00:07:44,390 --> 00:07:42,479

actual meeting just because some of the

233

00:07:46,790 --> 00:07:44,400

members would be there whether it's a

234

00:07:47,749 --> 00:07:46,800

film screening or you know some speaking

235

00:07:49,270 --> 00:07:47,759

event whatever

236

00:07:51,350 --> 00:07:49,280

you know i still was you know

237

00:07:53,270 --> 00:07:51,360

occasionally functional at that level

238

00:07:55,430 --> 00:07:53,280

but i was gone from the group from like

239

00:07:57,589 --> 00:07:55,440

meetings for several years

240

00:08:00,469 --> 00:07:57,599

and you know with 2000 after tito with

241

00:08:01,670 --> 00:08:00,479

2013 or really the end of 2012 because

242

00:08:04,869 --> 00:08:01,680

of sandy hook

243

00:08:07,350 --> 00:08:04,879

so then 2013 you know because 2012 was

244

00:08:09,029 --> 00:08:07,360

december 2012 so 2013

245

00:08:11,029 --> 00:08:09,039

you know the san diego thing really took

246

00:08:13,430 --> 00:08:11,039

off then i wasn't

247

00:08:14,390 --> 00:08:13,440

around and i you know i didn't speak up

248

00:08:16,150 --> 00:08:14,400

online or

249

00:08:17,510 --> 00:08:16,160

to any messages to the people who were

250

00:08:20,150 --> 00:08:17,520

getting into that

251
00:08:21,749 --> 00:08:20,160
so when i came back about three years

252
00:08:22,230 --> 00:08:21,759
later i came to a meeting and i hadn't

253
00:08:24,070 --> 00:08:22,240
been

254
00:08:26,469 --> 00:08:24,080
and there was only five members now i

255
00:08:28,550 --> 00:08:26,479
mean it already dwindled down it had you

256
00:08:31,110 --> 00:08:28,560
know it died off lost members from

257
00:08:32,310 --> 00:08:31,120
other from the steering committee story

258
00:08:35,029 --> 00:08:32,320
committee drama

259
00:08:36,149 --> 00:08:35,039
the big thing was the occupy movement

260
00:08:38,790 --> 00:08:36,159
that really killed us

261
00:08:40,870 --> 00:08:38,800
off a lot because people got distracted

262
00:08:44,149 --> 00:08:40,880
people got upset because we went and

263
00:08:46,389 --> 00:08:44,159

joined that too and you know it was just

264

00:08:48,230 --> 00:08:46,399

a lot of a lot of just mistrust

265

00:08:50,230 --> 00:08:48,240

so with the sandy hook thing like people

266

00:08:50,949 --> 00:08:50,240

were basically saying yeah sandy hook

267

00:08:54,630 --> 00:08:50,959

was

268

00:08:55,670 --> 00:08:54,640

staged yes we had we had about five

269

00:08:58,070 --> 00:08:55,680

members left

270

00:08:59,269 --> 00:08:58,080

you know and one of them wasn't didn't

271

00:09:01,430 --> 00:08:59,279

believe it you know

272

00:09:02,870 --> 00:09:01,440

he didn't entirely believe that but he

273

00:09:04,230 --> 00:09:02,880

kind of entertained it because these

274

00:09:06,470 --> 00:09:04,240

guys were always talking about it they

275

00:09:08,550 --> 00:09:06,480

were always watching jones and following

276

00:09:10,389 --> 00:09:08,560

you know fetzer and you know wolfgang

277

00:09:11,990 --> 00:09:10,399

how big you know they were

278

00:09:13,430 --> 00:09:12,000

all into that and i already knew was

279

00:09:15,990 --> 00:09:13,440

garbage just because

280

00:09:17,269 --> 00:09:16,000

i even knew people from l.a that were

281

00:09:19,030 --> 00:09:17,279

from connecticut

282

00:09:21,350 --> 00:09:19,040

and actually knew a police officer that

283

00:09:22,470 --> 00:09:21,360

went to the crime and eric 911 truther

284

00:09:24,790 --> 00:09:22,480

and then you know and then you find out

285

00:09:26,070 --> 00:09:24,800

about lenny posner's one is he's even a

286

00:09:28,630 --> 00:09:26,080

conspiracy theorist

287

00:09:29,829 --> 00:09:28,640

911 truther alex jones listener and i'm

288

00:09:31,910 --> 00:09:29,839

like wait a minute this

289

00:09:33,829 --> 00:09:31,920

can't be you know you know we're you

290

00:09:35,030 --> 00:09:33,839

know conspiracy theories are kind of

291

00:09:37,030 --> 00:09:35,040

popular at this level

292

00:09:39,350 --> 00:09:37,040

we have social media you know you know

293

00:09:42,070 --> 00:09:39,360

you can basically connect with anybody

294

00:09:42,949 --> 00:09:42,080

to confirm things or you know just to

295

00:09:45,190 --> 00:09:42,959

keep in touch

296

00:09:46,949 --> 00:09:45,200

with reality and these people they just

297

00:09:49,269 --> 00:09:46,959

kind of weren't they were just being

298

00:09:51,110 --> 00:09:49,279

amazed by all these random youtube

299

00:09:52,630 --> 00:09:51,120

videos are coming up i remember the

300

00:09:55,350 --> 00:09:52,640

evening of sandy hook

301
00:09:56,070 --> 00:09:55,360
like that night like there was 10 videos

302
00:09:57,670 --> 00:09:56,080
already up

303
00:09:59,750 --> 00:09:57,680
people already making these whole thing

304
00:10:00,630 --> 00:09:59,760
about the way robbie parker reacted and

305
00:10:02,069 --> 00:10:00,640
then there were

306
00:10:03,910 --> 00:10:02,079
the they were saying one of the kids

307
00:10:04,389 --> 00:10:03,920
wasn't wasn't actually in the in the

308
00:10:06,630 --> 00:10:04,399
photo

309
00:10:07,509 --> 00:10:06,640
or you know was the wrong kid dead and

310
00:10:09,430 --> 00:10:07,519
then that even that

311
00:10:11,110 --> 00:10:09,440
ended up being wrong but they still kept

312
00:10:11,910 --> 00:10:11,120
going and then it's all of a sudden

313
00:10:13,990 --> 00:10:11,920

there's the

314

00:10:15,590 --> 00:10:14,000

the likes sir signals trying to say that

315

00:10:16,790 --> 00:10:15,600

the the porta potties were just kind of

316

00:10:18,710 --> 00:10:16,800

like brought in

317

00:10:20,949 --> 00:10:18,720

you know on short notice just kind of

318

00:10:23,350 --> 00:10:20,959

like all these really silly things

319

00:10:25,110 --> 00:10:23,360

but that took up our group extensively

320

00:10:26,550 --> 00:10:25,120

so i'm in there i'm gonna you know we

321

00:10:28,550 --> 00:10:26,560

are changing la group

322

00:10:30,069 --> 00:10:28,560

meeting and that's all they're talking

323

00:10:31,269 --> 00:10:30,079

about you know they're still i'm like

324

00:10:32,150 --> 00:10:31,279

you know they were not only that talking

325

00:10:33,990 --> 00:10:32,160

about that they were talking about the

326

00:10:35,430 --> 00:10:34,000

boston bombing being fake too

327

00:10:37,590 --> 00:10:35,440

and i'm just like whoa whoa wait wait

328

00:10:38,870 --> 00:10:37,600

wait a minute we need to talk about 9 11

329

00:10:40,550 --> 00:10:38,880

again

330

00:10:42,389 --> 00:10:40,560

because because i was telling them

331

00:10:43,190 --> 00:10:42,399

because i'm finding out a lot of things

332

00:10:46,150 --> 00:10:43,200

that you know

333

00:10:47,269 --> 00:10:46,160

we didn't address years ago and i think

334

00:10:49,670 --> 00:10:47,279

we should be

335

00:10:51,509 --> 00:10:49,680

focused on that because first of all

336

00:10:51,829 --> 00:10:51,519

sandy hook is this whole thing is bs and

337

00:11:17,509 --> 00:10:51,839

i

338

00:11:19,910 --> 00:11:17,519

had an exodus from alex jones

339

00:11:21,590 --> 00:11:19,920

they already hated alex jones you know

340

00:11:23,750 --> 00:11:21,600

they already didn't trust him

341

00:11:24,870 --> 00:11:23,760

but why were these people still

342

00:11:26,949 --> 00:11:24,880

preserving

343

00:11:29,110 --> 00:11:26,959

all the bs that they already learned

344

00:11:30,550 --> 00:11:29,120

from him it's like

345

00:11:32,150 --> 00:11:30,560

where do you guys where do you guys

346

00:11:33,670 --> 00:11:32,160

start to call him a shill where do you

347

00:11:36,310 --> 00:11:33,680

guys start to call him

348

00:11:38,790 --> 00:11:36,320

not pure or whatever whatever they've

349

00:11:42,550 --> 00:11:38,800

gone beyond alex jones even it's uh

350

00:11:44,630 --> 00:11:42,560

yeah do you think like the group did the

351

00:11:46,630 --> 00:11:44,640

did the individuals within the group

352

00:11:49,030 --> 00:11:46,640

like really change from like this you

353

00:11:50,790 --> 00:11:49,040

know fairly baseline ordinary 911

354

00:11:53,350 --> 00:11:50,800

conspiracy to these

355

00:11:55,509 --> 00:11:53,360

more you know more extreme conspiracies

356

00:11:55,990 --> 00:11:55,519

like like chemtrails and the sandy hook

357

00:11:57,670 --> 00:11:56,000

stuff

358

00:11:59,269 --> 00:11:57,680

was that actually a change within the

359

00:12:01,430 --> 00:11:59,279

group or was it kind of like

360

00:12:03,750 --> 00:12:01,440

whittling away like people left and then

361

00:12:06,310 --> 00:12:03,760

the only people who remained were these

362

00:12:07,990 --> 00:12:06,320

these more extreme people yes that's

363

00:12:10,389 --> 00:12:08,000

basically it that's basically it

364

00:12:11,590 --> 00:12:10,399

that that and then it you know there was

365

00:12:13,990 --> 00:12:11,600

already the chemtrails were already

366

00:12:14,470 --> 00:12:14,000

there there was also always the anti-gmo

367

00:12:18,470 --> 00:12:14,480

thing

368

00:12:20,710 --> 00:12:18,480

and i was like i i understand

369

00:12:22,150 --> 00:12:20,720

but it's like we're trying to deal with

370

00:12:23,670 --> 00:12:22,160

you know foreign policy you know with

371

00:12:24,230 --> 00:12:23,680

all the problems of 911. why are we

372

00:12:25,829 --> 00:12:24,240

getting

373

00:12:27,990 --> 00:12:25,839

distracted with that but then came the

374

00:12:28,629 --> 00:12:28,000

chemtrails right afterwards and you know

375

00:12:30,550 --> 00:12:28,639

that's when

376

00:12:32,790 --> 00:12:30,560

mike murphy just kind of moved in from

377

00:12:34,870 --> 00:12:32,800

from the chicago we are change

378

00:12:36,069 --> 00:12:34,880

and a year later he's already trying to

379

00:12:37,509 --> 00:12:36,079

he's already working with some of the

380

00:12:38,870 --> 00:12:37,519

other some other locals

381

00:12:40,310 --> 00:12:38,880

and they're already trying to put out a

382

00:12:40,870 --> 00:12:40,320

film and they were the ones telling us

383

00:12:42,150 --> 00:12:40,880

about

384

00:12:43,910 --> 00:12:42,160

oh man you got to look at this whole

385

00:12:45,430 --> 00:12:43,920

thing of chemtrails and it was slowly

386

00:12:47,430 --> 00:12:45,440

coming up as a subject

387

00:12:49,670 --> 00:12:47,440

you know on info awards and then you

388

00:12:52,389 --> 00:12:49,680

know and it just started kind of growing

389

00:12:53,750 --> 00:12:52,399

and like i already mentioned about the

390

00:12:56,389 --> 00:12:53,760

occupy thing

391

00:12:57,430 --> 00:12:56,399

but but then the sandy hook thing i mean

392

00:13:00,629 --> 00:12:57,440

it's just

393

00:13:01,990 --> 00:13:00,639

these people were just so so adamant

394

00:13:02,550 --> 00:13:02,000

about it you know they did not want to

395

00:13:05,509 --> 00:13:02,560

do

396

00:13:05,990 --> 00:13:05,519

any exploratory investigation themselves

397

00:13:08,230 --> 00:13:06,000

they were just

398

00:13:09,670 --> 00:13:08,240

completely counting off just all these

399

00:13:13,269 --> 00:13:09,680

rumors started off of youtube

400

00:13:14,550 --> 00:13:13,279

and that's fun yeah so i was wondering

401
00:13:15,829 --> 00:13:14,560
like you know there used to be like more

402
00:13:16,870 --> 00:13:15,839
people who went to the we are change

403
00:13:18,870 --> 00:13:16,880
meetings who were

404
00:13:19,990 --> 00:13:18,880
those you know 911 people just you know

405
00:13:23,110 --> 00:13:20,000
911 is an inside job

406
00:13:24,710 --> 00:13:23,120
of some sort did did they just yeah

407
00:13:26,790 --> 00:13:24,720
scattered of the four winds or

408
00:13:28,949 --> 00:13:26,800
did they form other groups or do you

409
00:13:30,710 --> 00:13:28,959
know what they're doing now

410
00:13:32,470 --> 00:13:30,720
they kind of scattered because you know

411
00:13:33,350 --> 00:13:32,480
ironically around right around the same

412
00:13:36,069 --> 00:13:33,360
time as the

413
00:13:36,550 --> 00:13:36,079

occupy thing it was also the same year

414

00:13:38,710 --> 00:13:36,560

that the

415

00:13:39,829 --> 00:13:38,720

the osama bin laden was assassinated you

416

00:13:42,069 --> 00:13:39,839

know and that

417

00:13:43,990 --> 00:13:42,079

really kind of just oh you know people

418

00:13:44,470 --> 00:13:44,000

were just like oh now i gotta deal with

419

00:13:45,910 --> 00:13:44,480

that

420

00:13:47,430 --> 00:13:45,920

you know i've gotta do the truth movie

421

00:13:48,629 --> 00:13:47,440

was kind of like oh i gotta deal with

422

00:13:50,629 --> 00:13:48,639

that now

423

00:13:51,670 --> 00:13:50,639

so i think it became even a turn off for

424

00:13:53,990 --> 00:13:51,680

some people but

425

00:13:57,110 --> 00:13:54,000

at that point there was always there was

426

00:13:59,750 --> 00:13:57,120

also the fear of 2012 itself you know

427

00:14:00,389 --> 00:13:59,760

so a lot of people kind of also ascribe

428

00:14:03,189 --> 00:14:00,399

to that and

429

00:14:05,110 --> 00:14:03,199

also buying all the dollars going to

430

00:14:05,990 --> 00:14:05,120

crash fear-mongering that you know all

431

00:14:08,069 --> 00:14:06,000

that so they

432

00:14:10,310 --> 00:14:08,079

so people kind of like a lot of people

433

00:14:12,069 --> 00:14:10,320

just kind of moved out of la you know um

434

00:14:13,750 --> 00:14:12,079

the people that were in the movement

435

00:14:16,310 --> 00:14:13,760

they just kind of were just kind of just

436

00:14:18,790 --> 00:14:16,320

yeah they were apparently you know the

437

00:14:20,310 --> 00:14:18,800

fear of 2012 like just like the the

438

00:14:22,870 --> 00:14:20,320

mayan calendar thing

439

00:14:24,550 --> 00:14:22,880

yeah the mind thing yeah yeah and then

440

00:14:25,829 --> 00:14:24,560

just all the fear-mongering just from

441

00:14:28,629 --> 00:14:25,839

alex jones and all

442

00:14:30,150 --> 00:14:28,639

you know just gerald celente and all

443

00:14:31,269 --> 00:14:30,160

these other people just kept telling you

444

00:14:33,030 --> 00:14:31,279

the dollar's gonna crash

445

00:14:34,870 --> 00:14:33,040

shit's gonna hit the fan you know and

446

00:14:38,230 --> 00:14:34,880

then then it never does

447

00:14:41,110 --> 00:14:38,240

no it does yeah exactly

448

00:14:42,069 --> 00:14:41,120

do you know uh you know steve wright uh

449

00:14:44,710 --> 00:14:42,079

from uh

450

00:14:45,189 --> 00:14:44,720

was he there when you were there tall

451

00:14:50,230 --> 00:14:45,199

guy

452

00:14:51,910 --> 00:14:50,240

if you're in contact with him i would

453

00:14:53,430 --> 00:14:51,920

love to talk to him because

454

00:14:55,829 --> 00:14:53,440

you know what he was right about some

455

00:14:56,389 --> 00:14:55,839

things yeah and he was the one that

456

00:14:59,910 --> 00:14:56,399

referenced

457

00:15:01,829 --> 00:14:59,920

your website to us

458

00:15:03,110 --> 00:15:01,839

you know but uh it was actually

459

00:15:04,470 --> 00:15:03,120

interesting i actually brought him i

460

00:15:06,550 --> 00:15:04,480

actually talked about

461

00:15:08,629 --> 00:15:06,560

him in a little video i shared with some

462

00:15:10,870 --> 00:15:08,639

people just because

463

00:15:11,990 --> 00:15:10,880

he was he was at least brave enough to

464

00:15:14,310 --> 00:15:12,000

show up

465

00:15:16,069 --> 00:15:14,320

with the images from the the pentagon

466

00:15:17,670 --> 00:15:16,079

you know he's trying to test everyone's

467

00:15:19,910 --> 00:15:17,680

you know beliefs but he started with the

468

00:15:21,829 --> 00:15:19,920

pentagon and you know it was the first

469

00:15:22,870 --> 00:15:21,839

time i actually seen the clear shot of

470

00:15:24,470 --> 00:15:22,880

the hole

471

00:15:26,870 --> 00:15:24,480

and i've never seen it i'm like oh my

472

00:15:27,350 --> 00:15:26,880

god and you know when he came up to me

473

00:15:30,470 --> 00:15:27,360

he was just

474

00:15:31,990 --> 00:15:30,480

you know i told him i like look either

475

00:15:33,670 --> 00:15:32,000

something hit you know either some kind

476

00:15:36,470 --> 00:15:33,680

of drone hit it or

477

00:15:37,670 --> 00:15:36,480

pop possibly flight 77 hit and he goes

478

00:15:39,269 --> 00:15:37,680

oh really so

479

00:15:41,189 --> 00:15:39,279

you know steven told me oh really you

480

00:15:41,910 --> 00:15:41,199

think you think that's possible you

481

00:15:43,829 --> 00:15:41,920

better play

482

00:15:45,509 --> 00:15:43,839

the plane actually hit it oh yeah so

483

00:15:47,670 --> 00:15:45,519

what if i show you a photo you know

484

00:15:49,509 --> 00:15:47,680

and he shows it to me i'm just like

485

00:15:50,550 --> 00:15:49,519

nobody showed me that photo i'm like

486

00:15:54,389 --> 00:15:50,560

yeah

487

00:15:55,350 --> 00:15:54,399

so he was uh he was a win-win situation

488

00:15:57,430 --> 00:15:55,360

for him there

489

00:15:58,790 --> 00:15:57,440

so it was cool yeah i remember he he

490

00:16:00,949 --> 00:15:58,800

told me like i talked to him i

491

00:16:02,230 --> 00:16:00,959

interviewed him for my book he uh

492

00:16:04,150 --> 00:16:02,240

and this guy one of the chapters in the

493

00:16:05,350 --> 00:16:04,160

book is basically the interviewer i had

494

00:16:07,430 --> 00:16:05,360

with him

495

00:16:08,389 --> 00:16:07,440

uh and you know he talked a lot about

496

00:16:10,230 --> 00:16:08,399

the the way i changed

497

00:16:11,590 --> 00:16:10,240

stuff and for him i think it was the

498

00:16:14,710 --> 00:16:11,600

chemtrails thing

499

00:16:17,990 --> 00:16:14,720

that kind of started to unravel his uh

500

00:16:19,749 --> 00:16:18,000

his his belief system and then he

501
00:16:21,269 --> 00:16:19,759
he thought you know if chemtrails are

502
00:16:23,030 --> 00:16:21,279
not real then what else might not be

503
00:16:25,430 --> 00:16:23,040
real in terms of you know what

504
00:16:26,230 --> 00:16:25,440
this group is saying uh that's that's

505
00:16:28,069 --> 00:16:26,240
great

506
00:16:29,749 --> 00:16:28,079
because i remember another older

507
00:16:32,230 --> 00:16:29,759
gentleman that we had in our group

508
00:16:33,829 --> 00:16:32,240
who worked for boeing and he wasn't

509
00:16:35,509 --> 00:16:33,839
buying it either and he just we started

510
00:16:36,629 --> 00:16:35,519
getting into a rent with one of our

511
00:16:38,389 --> 00:16:36,639
leaders

512
00:16:40,629 --> 00:16:38,399
and you know all of a sudden he's kind

513
00:16:42,470 --> 00:16:40,639

of kicked out so it just kind of like

514

00:16:44,310 --> 00:16:42,480

you know we weren't even tolerating

515

00:16:44,949 --> 00:16:44,320

people who were saying no to this whole

516

00:16:46,790 --> 00:16:44,959

thing on

517

00:16:48,150 --> 00:16:46,800

chemtrails so that's i didn't know that

518

00:16:50,310 --> 00:16:48,160

was the reason that started

519

00:16:51,509 --> 00:16:50,320

that's why stephen wright had left i

520

00:16:56,470 --> 00:16:51,519

don't blame him

521

00:16:59,430 --> 00:16:56,480

yeah it's yeah it's people sometimes

522

00:17:00,949 --> 00:16:59,440

uh liking like conspiracy theories to to

523

00:17:02,870 --> 00:17:00,959

cults

524

00:17:04,150 --> 00:17:02,880

yeah do you do you see that at all do

525

00:17:04,949 --> 00:17:04,160

you see like a kind of a cult like

526
00:17:06,949 --> 00:17:04,959
behavior

527
00:17:08,630 --> 00:17:06,959
it is a cult it is a cult i'll totally

528
00:17:11,350 --> 00:17:08,640
admit it it is a cult

529
00:17:13,110 --> 00:17:11,360
very much it's based from i i'll have to

530
00:17:13,350 --> 00:17:13,120
share i mean i put a lot of blame on to

531
00:17:17,029 --> 00:17:13,360
it

532
00:17:19,429 --> 00:17:17,039
saying that that kind of

533
00:17:20,470 --> 00:17:19,439
belief and thinking system didn't exist

534
00:17:21,829 --> 00:17:20,480
before but

535
00:17:23,829 --> 00:17:21,839
you know we're living in a different age

536
00:17:25,590 --> 00:17:23,839
now we've you know it's not you know

537
00:17:27,189 --> 00:17:25,600
it's not just the technology thing with

538
00:17:29,350 --> 00:17:27,199

the internet it's the whole thing just

539

00:17:32,070 --> 00:17:29,360

with 9 11. it's a huge

540

00:17:32,789 --> 00:17:32,080

event and it was a spectacular terrorist

541

00:17:34,230 --> 00:17:32,799

attack

542

00:17:36,310 --> 00:17:34,240

and unfortunately you have your

543

00:17:37,430 --> 00:17:36,320

opportunists that are making it seem

544

00:17:40,789 --> 00:17:37,440

like it's something else than

545

00:17:44,070 --> 00:17:40,799

what it was yeah so and unfortunately

546

00:17:46,390 --> 00:17:44,080

that that yeah yeah it's it's

547

00:17:48,150 --> 00:17:46,400

it's totally a cult and you know it's

548

00:17:49,590 --> 00:17:48,160

unfortunate it's very easy to for people

549

00:17:50,950 --> 00:17:49,600

to fall into because there's a lot of

550

00:17:53,110 --> 00:17:50,960

emotional attachment

551
00:17:54,950 --> 00:17:53,120
to it so yeah i think with cults like

552
00:17:57,029 --> 00:17:54,960
the people often think that cults

553
00:17:58,789 --> 00:17:57,039
they they usually center around a a

554
00:17:59,350 --> 00:17:58,799
charismatic leader like the person who

555
00:18:01,830 --> 00:17:59,360
is the

556
00:18:03,350 --> 00:18:01,840
the guru or whatever like yeah you know

557
00:18:05,110 --> 00:18:03,360
and uh scientologists have

558
00:18:06,549 --> 00:18:05,120
elrond hubbard he used to have ron

559
00:18:08,070 --> 00:18:06,559
hubbard uh

560
00:18:09,750 --> 00:18:08,080
but you know at some point i guess like

561
00:18:11,270 --> 00:18:09,760
with a with a cult you don't need a

562
00:18:13,190 --> 00:18:11,280
leader anymore and just the belief

563
00:18:14,549 --> 00:18:13,200

system of the cult itself

564

00:18:15,909 --> 00:18:14,559

takes over you know they don't you know

565

00:18:17,669 --> 00:18:15,919

the scientologists don't have I ron

566

00:18:19,750 --> 00:18:17,679

hubbard anymore but they're still

567

00:18:21,270 --> 00:18:19,760

they're still scientologists but with

568

00:18:23,510 --> 00:18:21,280

with this type of thing though with

569

00:18:25,190 --> 00:18:23,520

chemtrails and 911 and everything i mean

570

00:18:27,909 --> 00:18:25,200

i guess like alex jones is

571

00:18:29,669 --> 00:18:27,919

in some ways a central figure but then

572

00:18:31,190 --> 00:18:29,679

that you you reject him like so the

573

00:18:32,150 --> 00:18:31,200

people in your group started rejecting

574

00:18:35,029 --> 00:18:32,160

him because he wasn't

575

00:18:35,990 --> 00:18:35,039

extreme enough maybe and then they move

576

00:18:38,549 --> 00:18:36,000

on to be

577

00:18:39,750 --> 00:18:38,559

like a cult of their own like kind of an

578

00:18:41,909 --> 00:18:39,760

offshoot

579

00:18:43,190 --> 00:18:41,919

yeah i don't want to like obviously cast

580

00:18:45,350 --> 00:18:43,200

everybody who

581

00:18:46,470 --> 00:18:45,360

has some suspicions about 911 as being

582

00:18:48,710 --> 00:18:46,480

cultists but i'm just

583

00:18:49,909 --> 00:18:48,720

referring it specifically to this this

584

00:18:52,230 --> 00:18:49,919

this group of people

585

00:18:53,270 --> 00:18:52,240

you know back it's like default almost

586

00:18:56,150 --> 00:18:53,280

yeah it's like

587

00:18:56,630 --> 00:18:56,160

yeah yeah it's a belief a belief system

588

00:18:58,789 --> 00:18:56,640

but

589

00:19:00,710 --> 00:18:58,799

you know the thing that steve told me

590

00:19:02,310 --> 00:19:00,720

was uh

591

00:19:04,310 --> 00:19:02,320

you know it's kind of a social scene in

592

00:19:06,870 --> 00:19:04,320

a way like people

593

00:19:08,470 --> 00:19:06,880

people's social lives revolved around

594

00:19:10,390 --> 00:19:08,480

this group

595

00:19:11,669 --> 00:19:10,400

and you go to meetings and you know

596

00:19:12,950 --> 00:19:11,679

you'd have a good time because that's

597

00:19:14,230 --> 00:19:12,960

where all your friends were and you had

598

00:19:15,909 --> 00:19:14,240

people who believe the same thing that

599

00:19:18,950 --> 00:19:15,919

you believe totally right

600

00:19:20,950 --> 00:19:18,960

he was totally right yeah and but here's

601
00:19:23,029 --> 00:19:20,960
the unfortunate thing at least

602
00:19:23,990 --> 00:19:23,039
i mean compared to now now no one meets

603
00:19:25,750 --> 00:19:24,000
up and goes anywhere

604
00:19:27,190 --> 00:19:25,760
i mean at least then there was the

605
00:19:29,590 --> 00:19:27,200
person-to-person you know

606
00:19:31,270 --> 00:19:29,600
communication now it's not it's just

607
00:19:32,230 --> 00:19:31,280
it's just all these echo chambers and

608
00:19:35,750 --> 00:19:32,240
people just

609
00:19:37,270 --> 00:19:35,760
memes memes memes

610
00:19:38,950 --> 00:19:37,280
there's no communication even going on

611
00:19:42,630 --> 00:19:38,960
there's no even real debate

612
00:19:46,150 --> 00:19:42,640
you know i do see uh people meeting now

613
00:19:47,830 --> 00:19:46,160

online i mean not just you know

614

00:19:49,590 --> 00:19:47,840

facebook things people actually do like

615

00:19:50,549 --> 00:19:49,600

these chat rooms where they get together

616

00:19:51,909 --> 00:19:50,559

and talk but i

617

00:19:55,029 --> 00:19:51,919

see that mostly in the flat earth

618

00:19:56,789 --> 00:19:55,039

community i i think there must be

619

00:19:58,950 --> 00:19:56,799

people who do that in the 911

620

00:20:02,549 --> 00:19:58,960

communities and chemtrail communities

621

00:20:03,830 --> 00:20:02,559

but i i've not seen them there's there's

622

00:20:07,669 --> 00:20:03,840

been i mean i know of

623

00:20:08,230 --> 00:20:07,679

i know of um what you call conference

624

00:20:10,470 --> 00:20:08,240

calls

625

00:20:11,750 --> 00:20:10,480

people have done that sure there's but i

626

00:20:13,430 --> 00:20:11,760

don't think that kind of com

627

00:20:14,789 --> 00:20:13,440

that kind of discussion necessarily goes

628

00:20:16,950 --> 00:20:14,799

anymore just because

629

00:20:18,870 --> 00:20:16,960

people are too distracted on you know on

630

00:20:19,590 --> 00:20:18,880

on which plane or which building or what

631

00:20:22,230 --> 00:20:19,600

you know it's

632

00:20:24,230 --> 00:20:22,240

too many variables i guess but you know

633

00:20:25,830 --> 00:20:24,240

i guess it's kind of taken the place of

634

00:20:27,669 --> 00:20:25,840

these these local meetups

635

00:20:30,549 --> 00:20:27,679

and obviously you're you are

636

00:20:32,149 --> 00:20:30,559

geographically geographically limited

637

00:20:34,789 --> 00:20:32,159

l.a of course you had a huge amount of

638

00:20:38,230 --> 00:20:34,799

people uh i i lived in la

639

00:20:40,470 --> 00:20:38,240

uh around that time and uh i actually

640

00:20:42,070 --> 00:20:40,480

i met some of the people like uh i don't

641

00:20:43,750 --> 00:20:42,080

know if they're the way i change people

642

00:20:44,230 --> 00:20:43,760

but i met some of the people who were in

643

00:20:47,190 --> 00:20:44,240

michael j

644

00:20:49,270 --> 00:20:47,200

murphy's circle these are set up tables

645

00:20:50,549 --> 00:20:49,280

uh down on uh venice beach or down in

646

00:20:52,950 --> 00:20:50,559

santa monica

647

00:20:55,430 --> 00:20:52,960

and hand out leaflets to people and i

648

00:20:57,750 --> 00:20:55,440

would go down there and uh chat to them

649

00:20:59,750 --> 00:20:57,760

and uh i know steve did that as well

650

00:21:02,470 --> 00:20:59,760

steve uh would go and uh

651
00:21:03,350 --> 00:21:02,480
kind of harangue his old his old buddies

652
00:21:05,190 --> 00:21:03,360
yeah

653
00:21:06,549 --> 00:21:05,200
that's that's totally true and the wind

654
00:21:07,270 --> 00:21:06,559
that like the people that murphy was

655
00:21:09,190 --> 00:21:07,280
bringing there

656
00:21:10,950 --> 00:21:09,200
were usually they were usually we are

657
00:21:12,549 --> 00:21:10,960
change la people

658
00:21:14,310 --> 00:21:12,559
because you know for a time i mean

659
00:21:16,390 --> 00:21:14,320
that's all that's all that murphy could

660
00:21:18,710 --> 00:21:16,400
promote to me he didn't have anything

661
00:21:20,710 --> 00:21:18,720
he tried to set up a whole separate you

662
00:21:22,390 --> 00:21:20,720
know group on meetup to do this but it's

663
00:21:24,390 --> 00:21:22,400

just like it was just kind of like

664

00:21:25,590 --> 00:21:24,400

what was the point you know it's you

665

00:21:27,110 --> 00:21:25,600

know what's happening

666

00:21:33,750 --> 00:21:27,120

there's not much to do what do you hold

667

00:21:39,590 --> 00:21:36,870

michael j murphy did this this this film

668

00:21:40,470 --> 00:21:39,600

uh what in the world are they spraying

669

00:21:42,390 --> 00:21:40,480

which was actually

670

00:21:44,149 --> 00:21:42,400

you know quite quite popular at the time

671

00:21:46,310 --> 00:21:44,159

a lot of people

672

00:21:47,590 --> 00:21:46,320

and it uh got a lot of attention from

673

00:21:49,190 --> 00:21:47,600

the media and it kind of was

674

00:21:51,590 --> 00:21:49,200

kind of a big step up for the whole

675

00:21:53,990 --> 00:21:51,600

chemtrail conspiracy thing

676
00:21:54,789 --> 00:21:54,000
did that come from within the we are

677
00:21:58,070 --> 00:21:54,799
change

678
00:22:00,549 --> 00:21:58,080
group yeah the beginning

679
00:22:02,070 --> 00:22:00,559
scenes i freak like i forget all the you

680
00:22:04,070 --> 00:22:02,080
know the the technical

681
00:22:05,590 --> 00:22:04,080
research and you know their so-called

682
00:22:07,190 --> 00:22:05,600
research but

683
00:22:08,789 --> 00:22:07,200
the beginning of the film they're

684
00:22:10,549 --> 00:22:08,799
supposed to be at some

685
00:22:13,510 --> 00:22:10,559
geo-engineering conference with some

686
00:22:16,549 --> 00:22:13,520
scientists some people in san diego

687
00:22:18,470 --> 00:22:16,559
and who's there is bruno's there so is

688
00:22:20,549 --> 00:22:18,480

uh the other guy stephen i forget his

689

00:22:21,750 --> 00:22:20,559

name and then i i believe jeremy ross

690

00:22:23,350 --> 00:22:21,760

kichell was there

691

00:22:24,789 --> 00:22:23,360

so there was three people from we are

692

00:22:26,390 --> 00:22:24,799

changed already there and mike murphy's

693

00:22:27,510 --> 00:22:26,400

there too you know but you know he's a

694

00:22:30,070 --> 00:22:27,520

transplant he's from

695

00:22:31,430 --> 00:22:30,080

he's from chicago originally so you know

696

00:22:33,830 --> 00:22:31,440

there there's your three

697

00:22:36,310 --> 00:22:33,840

there's at least a couple of the core we

698

00:22:39,350 --> 00:22:36,320

are change la people so yeah it started

699

00:22:42,710 --> 00:22:39,360

from going to that you know

700

00:22:45,029 --> 00:22:42,720

to this this uh this conference on geo

701
00:22:47,270 --> 00:22:45,039
engineering or something to do with

702
00:22:48,710 --> 00:22:47,280
something i forget exactly what it was

703
00:22:50,390 --> 00:22:48,720
but that's how it started

704
00:22:52,070 --> 00:22:50,400
so once they filmed that you know they

705
00:22:53,270 --> 00:22:52,080
just kind of built a documentary and it

706
00:22:56,070 --> 00:22:53,280
was just mostly

707
00:22:57,270 --> 00:22:56,080
mike murphy and one other guy that used

708
00:22:59,590 --> 00:22:57,280
to do

709
00:23:00,630 --> 00:22:59,600
a little bit of films from we are change

710
00:23:03,190 --> 00:23:00,640
uh

711
00:23:04,149 --> 00:23:03,200
paul winterberg paul wittenberg i've

712
00:23:05,750 --> 00:23:04,159
talked to him on

713
00:23:07,590 --> 00:23:05,760

on facebook i don't i don't remember

714

00:23:09,430 --> 00:23:07,600

ever meeting him in person like

715

00:23:11,350 --> 00:23:09,440

even though i may have been in the

716

00:23:13,909 --> 00:23:11,360

presence in the company of him

717

00:23:14,789 --> 00:23:13,919

but you know they got up they like they

718

00:23:16,470 --> 00:23:14,799

kicked that off

719

00:23:18,149 --> 00:23:16,480

you know they they put that together

720

00:23:20,470 --> 00:23:18,159

there was all this talk you know we

721

00:23:21,270 --> 00:23:20,480

even raised money i guess i think there

722

00:23:22,710 --> 00:23:21,280

was even

723

00:23:24,630 --> 00:23:22,720

you know try to raise money to make the

724

00:23:26,710 --> 00:23:24,640

film so we're already even getting into

725

00:23:28,390 --> 00:23:26,720

the research we're already even seeing

726

00:23:29,990 --> 00:23:28,400

short videos of everything already

727

00:23:32,390 --> 00:23:30,000

before the completed thing

728

00:23:34,070 --> 00:23:32,400

completed product you know came out but

729

00:23:36,230 --> 00:23:34,080

then once the product came out there was

730

00:23:39,350 --> 00:23:36,240

already a fallout between uh

731

00:23:41,590 --> 00:23:39,360

mike murphy and paul wittenberger and

732

00:23:43,190 --> 00:23:41,600

uh paul wittenberger is obviously more

733

00:23:44,710 --> 00:23:43,200

computer literate you know

734

00:23:46,549 --> 00:23:44,720

he really worked he was already starting

735

00:23:48,789 --> 00:23:46,559

to work in the film industry

736

00:23:50,549 --> 00:23:48,799

uh you know mike murphy you know he's

737

00:23:52,870 --> 00:23:50,559

kind of just kind of this

738

00:23:54,310 --> 00:23:52,880

ex party kind of person i know he got i

739

00:23:56,230 --> 00:23:54,320

know he got into some kind of

740

00:23:58,230 --> 00:23:56,240

i think he was doing substitute school

741

00:23:59,909 --> 00:23:58,240

substitute teaching teaching in school

742

00:24:01,590 --> 00:23:59,919

i think it's definitely math teaching i

743

00:24:02,950 --> 00:24:01,600

think he said yeah yeah

744

00:24:05,190 --> 00:24:02,960

yeah yeah that's i think that's what it

745

00:24:06,390 --> 00:24:05,200

was it that was what he did

746

00:24:07,830 --> 00:24:06,400

but you know he didn't have he didn't

747

00:24:08,470 --> 00:24:07,840

know anything he didn't know anything of

748

00:24:10,230 --> 00:24:08,480

you know

749

00:24:12,070 --> 00:24:10,240

as far as internet social media and

750

00:24:13,990 --> 00:24:12,080

especially with as that being you know

751
00:24:15,909 --> 00:24:14,000
the way to promote and advertise thing

752
00:24:17,430 --> 00:24:15,919
i kind of like you know i told hey i'll

753
00:24:17,990 --> 00:24:17,440
help you with that and at the moment at

754
00:24:20,630 --> 00:24:18,000
that time

755
00:24:22,470 --> 00:24:20,640
simultaneously i was already doing this

756
00:24:25,510 --> 00:24:22,480
t-shirt thing i was printing out my own

757
00:24:27,990 --> 00:24:25,520
line of 911 truth t-shirts at the time

758
00:24:29,350 --> 00:24:28,000
so it was kind of like yeah i'll also

759
00:24:29,830 --> 00:24:29,360
print one of your shirts i'll show you

760
00:24:31,750 --> 00:24:29,840
how to

761
00:24:33,110 --> 00:24:31,760
promote on my space on all the social

762
00:24:36,390 --> 00:24:33,120
media sites to do vin

763
00:24:37,830 --> 00:24:36,400

uh to do um consignment for your dvds at

764

00:24:41,430 --> 00:24:37,840

stores you know

765

00:24:43,430 --> 00:24:41,440

um all that stuff so

766

00:24:45,029 --> 00:24:43,440

but you know while all that was going on

767

00:24:48,390 --> 00:24:45,039

i was hearing all this

768

00:24:50,789 --> 00:24:48,400

drama he had with that with wittenberger

769

00:24:52,149 --> 00:24:50,799

and it just kind of like wow you know uh

770

00:24:52,950 --> 00:24:52,159

i didn't get into the middle of it i

771

00:24:55,190 --> 00:24:52,960

just like you know

772

00:24:57,110 --> 00:24:55,200

i'm just mostly into 9 11 truth you know

773

00:24:58,789 --> 00:24:57,120

you know and murphy would hang out a lot

774

00:25:00,630 --> 00:24:58,799

came over my place quite a bit

775

00:25:02,470 --> 00:25:00,640

i drove him you know i drove him around

776

00:25:04,950 --> 00:25:02,480

to do some of these conventions to

777

00:25:07,029 --> 00:25:04,960

to vend like even we even vended one

778

00:25:09,990 --> 00:25:07,039

time in the parking lot outside the

779

00:25:11,590 --> 00:25:10,000

one of the uh david ike speaking

780

00:25:13,029 --> 00:25:11,600

engagements one of the seven hour eight

781

00:25:15,430 --> 00:25:13,039

hour ones he did

782

00:25:17,590 --> 00:25:15,440

uh you know we we went to some kind of

783

00:25:18,310 --> 00:25:17,600

also convention with with chiropractors

784

00:25:20,789 --> 00:25:18,320

too

785

00:25:22,470 --> 00:25:20,799

you know uh chiropractors yeah yeah we

786

00:25:23,750 --> 00:25:22,480

did that orange county yeah

787

00:25:25,190 --> 00:25:23,760

you know uh you know because he was

788

00:25:25,590 --> 00:25:25,200

because there was a lot of health you

789

00:25:27,430 --> 00:25:25,600

know

790

00:25:29,110 --> 00:25:27,440

i guess so yeah the chiropractors are a

791

00:25:30,630 --> 00:25:29,120

bit uh you know they they

792

00:25:33,029 --> 00:25:30,640

i don't know they flirt with the fringe

793

00:25:35,110 --> 00:25:33,039

of medicine

794

00:25:36,390 --> 00:25:35,120

i didn't realize that until i went to

795

00:25:39,590 --> 00:25:36,400

them

796

00:25:40,149 --> 00:25:39,600

yeah that was a learning experience but

797

00:25:43,830 --> 00:25:40,159

i was like

798

00:25:45,669 --> 00:25:43,840

yeah new agey type remedies

799

00:25:47,590 --> 00:25:45,679

so so you were doing all this stuff with

800

00:25:49,510 --> 00:25:47,600

with with michael j murphy and

801
00:25:51,430 --> 00:25:49,520
helping him promote the film but did you

802
00:25:51,669 --> 00:25:51,440
believe in the the chemtrail stuff at

803
00:25:56,230 --> 00:25:51,679
all

804
00:25:56,789 --> 00:25:56,240
that period you know i mean he even did

805
00:26:00,710 --> 00:25:56,799
like

806
00:26:02,230 --> 00:26:00,720
talking about you know regular bs

807
00:26:04,310 --> 00:26:02,240
whether it was the drama of chemtrails

808
00:26:06,470 --> 00:26:04,320
or stuff on alex jones what whatever

809
00:26:08,149 --> 00:26:06,480
yeah stay over for a few hours and a

810
00:26:09,830 --> 00:26:08,159
couple times he even did some of his

811
00:26:11,750 --> 00:26:09,840
radio interviews at my place from his

812
00:26:13,909 --> 00:26:11,760
cell phone like even for

813
00:26:15,029 --> 00:26:13,919

for uh george nori and the coast to

814

00:26:17,350 --> 00:26:15,039

coast he

815

00:26:18,470 --> 00:26:17,360

one of them he got into a it turned into

816

00:26:19,909 --> 00:26:18,480

an argument and the

817

00:26:22,789 --> 00:26:19,919

you know the interview ended up getting

818

00:26:26,710 --> 00:26:25,029

but yeah the most interesting the most

819

00:26:28,149 --> 00:26:26,720

interesting conversation it wasn't in

820

00:26:30,549 --> 00:26:28,159

radio interview

821

00:26:32,230 --> 00:26:30,559

but you know it's the precursor until

822

00:26:36,310 --> 00:26:32,240

you know until he made his uh

823

00:26:39,750 --> 00:26:36,320

uh appearance on joe rogan um

824

00:26:41,750 --> 00:26:39,760

he uh he got a phone call from

825

00:26:43,750 --> 00:26:41,760

uh for g edward griffin you know g

826
00:26:44,950 --> 00:26:43,760
edward griffin what you know invested

827
00:26:47,110 --> 00:26:44,960
into the first film

828
00:26:48,710 --> 00:26:47,120
right but g edgar griffin was being

829
00:26:50,870 --> 00:26:48,720
approached by somebody

830
00:26:52,390 --> 00:26:50,880
who was challenging murphy who was a 911

831
00:26:54,230 --> 00:26:52,400
truth or a conspiracy theorist but

832
00:26:56,149 --> 00:26:54,240
didn't believe the chemtrails thing

833
00:26:58,230 --> 00:26:56,159
didn't believe the results from the mud

834
00:26:59,430 --> 00:26:58,240
you know you know it turns out to be

835
00:27:01,190 --> 00:26:59,440
this website that

836
00:27:02,630 --> 00:27:01,200
he gets confronted with with joe rogan

837
00:27:03,750 --> 00:27:02,640
because it's i know it was that

838
00:27:05,590 --> 00:27:03,760

challenge

839

00:27:06,950 --> 00:27:05,600

so edward griffin was asking him so why

840

00:27:09,190 --> 00:27:06,960

don't you just call this guy

841

00:27:11,190 --> 00:27:09,200

talk to him be professional just see it

842

00:27:11,510 --> 00:27:11,200

test it out he said no no no no he was

843

00:27:13,190 --> 00:27:11,520

like

844

00:27:15,510 --> 00:27:13,200

no you don't give these people anything

845

00:27:17,430 --> 00:27:15,520

you don't give him a second

846

00:27:19,110 --> 00:27:17,440

made up all this really you know loud

847

00:27:22,549 --> 00:27:19,120

about it but from that point

848

00:27:24,389 --> 00:27:22,559

i that's where i pretty sure griffin

849

00:27:25,909 --> 00:27:24,399

did not become interested didn't want to

850

00:27:27,830 --> 00:27:25,919

work with him ever ever since that you

851

00:27:29,830 --> 00:27:27,840

know he didn't invest into the

852

00:27:31,510 --> 00:27:29,840

into the second film or produced a

853

00:27:33,990 --> 00:27:31,520

second didn't help with that at all

854

00:27:35,350 --> 00:27:34,000

g edward griffin he was like um he's

855

00:27:37,110 --> 00:27:35,360

kind of an old-school

856

00:27:38,549 --> 00:27:37,120

conspiracy theorist guy and he's written

857

00:27:39,990 --> 00:27:38,559

some books about like the federal

858

00:27:43,190 --> 00:27:40,000

reserve and things like that

859

00:27:45,830 --> 00:27:43,200

and uh yes yeah and i guess it's just

860

00:27:48,389 --> 00:27:45,840

the jekyll island yeah yeah the creature

861

00:27:50,789 --> 00:27:48,399

from triple island yeah uh

862

00:27:51,669 --> 00:27:50,799

yeah and he but he and then he got in as

863

00:27:58,149 --> 00:27:51,679

a

864

00:28:01,750 --> 00:27:58,159

this is

865

00:28:04,710 --> 00:28:01,760

infowars distribution

866

00:28:05,110 --> 00:28:04,720

if if edward wasn't in it it would have

867

00:28:06,789 --> 00:28:05,120

not

868

00:28:09,430 --> 00:28:06,799

like it wouldn't have caught it wouldn't

869

00:28:11,510 --> 00:28:09,440

have caught on to alex jones by itself

870

00:28:13,190 --> 00:28:11,520

because he was involved that's what but

871

00:28:14,870 --> 00:28:13,200

then i also found out like what was

872

00:28:15,990 --> 00:28:14,880

their deal on all that when they had the

873

00:28:18,950 --> 00:28:16,000

dvds there for sale

874

00:28:20,149 --> 00:28:18,960

from infowars you know and of course you

875

00:28:21,909 --> 00:28:20,159

remember this at the same time

876

00:28:23,110 --> 00:28:21,919

youtube's starting to grow so you know

877

00:28:24,870 --> 00:28:23,120

not very many people are making their

878

00:28:26,149 --> 00:28:24,880

money on documentaries at this point

879

00:28:28,710 --> 00:28:26,159

because everybody's just watched them on

880

00:28:29,350 --> 00:28:28,720

youtube yeah so he was only getting a

881

00:28:33,430 --> 00:28:29,360

dollar

882

00:28:35,830 --> 00:28:33,440

for each dvd being sold from jones

883

00:28:37,190 --> 00:28:35,840

so yeah yeah so you're not uh it's not

884

00:28:37,990 --> 00:28:37,200

not a big money maker i think a lot of

885

00:28:39,830 --> 00:28:38,000

people think that

886

00:28:41,430 --> 00:28:39,840

you know these people who promote these

887

00:28:42,230 --> 00:28:41,440

things are making loads and loads of

888

00:28:45,269 --> 00:28:42,240

money but

889

00:28:47,269 --> 00:28:45,279

uh it's quite hard to make money

890

00:28:48,950 --> 00:28:47,279

unless you're unless you're alex jones

891

00:28:52,789 --> 00:28:48,960

unless you can actually get it

892

00:28:54,389 --> 00:28:52,799

occurring yeah i don't think making a

893

00:28:56,070 --> 00:28:54,399

documentary is going to make you that

894

00:28:56,870 --> 00:28:56,080

much money i think loose changed it

895

00:28:59,669 --> 00:28:56,880

fairly well

896

00:29:00,149 --> 00:28:59,679

uh yeah yeah that would have been back

897

00:29:02,470 --> 00:29:00,159

in the

898

00:29:03,909 --> 00:29:02,480

early days of youtube and they've

899

00:29:05,190 --> 00:29:03,919

actually managed to sell a bunch of

900

00:29:07,430 --> 00:29:05,200

copies

901
00:29:09,350 --> 00:29:07,440
oh yeah they did and i believe what i've

902
00:29:11,029 --> 00:29:09,360
been told is jones just had to grab that

903
00:29:14,149 --> 00:29:11,039
because he wanted that you know part

904
00:29:16,950 --> 00:29:14,159
he wanted that tinfoil capital for his

905
00:29:17,590 --> 00:29:16,960
you know for in his lone state of texas

906
00:29:20,310 --> 00:29:17,600
yeah you know

907
00:29:22,389 --> 00:29:20,320
one star state of texas yeah so so

908
00:29:30,389 --> 00:29:22,399
griffin like kind of dropped out

909
00:29:34,470 --> 00:29:32,470
and like i said yeah yeah i believe that

910
00:29:36,230 --> 00:29:34,480
you know i i totally thought it was but

911
00:29:37,510 --> 00:29:36,240
when i started to see kind of you know

912
00:29:38,710 --> 00:29:37,520
his character and his background

913
00:29:40,230 --> 00:29:38,720

character one one of the things that

914

00:29:43,430 --> 00:29:40,240

kind of bothered me was is that

915

00:29:45,830 --> 00:29:43,440

is that he how he liked

916

00:29:47,350 --> 00:29:45,840

uh the kimchi this whole thing was just

917

00:29:49,190 --> 00:29:47,360

because it really

918

00:29:50,470 --> 00:29:49,200

kind of it freaked people out and he

919

00:29:52,630 --> 00:29:50,480

liked the paralytic

920

00:29:54,070 --> 00:29:52,640

the paralyzed effect that people would

921

00:29:55,669 --> 00:29:54,080

get you know from watching it from his

922

00:29:57,190 --> 00:29:55,679

screenings or you know

923

00:29:58,789 --> 00:29:57,200

and you know he did he'd laugh and tell

924

00:29:59,269 --> 00:29:58,799

me like like you know there are these

925

00:30:02,549 --> 00:29:59,279

moments

926
00:30:02,950 --> 00:30:02,559
there'd be like a woman freaking out

927
00:30:06,230 --> 00:30:02,960
like

928
00:30:07,830 --> 00:30:06,240
know

929
00:30:09,350 --> 00:30:07,840
and he would like he liked the fact that

930
00:30:10,549 --> 00:30:09,360
he would just kind of have to be come in

931
00:30:12,470 --> 00:30:10,559
there and just kind of

932
00:30:14,230 --> 00:30:12,480
have to calm them down you know calm her

933
00:30:15,669 --> 00:30:14,240
down like a like a

934
00:30:17,590 --> 00:30:15,679
is this michael are you talking about

935
00:30:18,149 --> 00:30:17,600
michael j murphy now yeah michael murphy

936
00:30:21,590 --> 00:30:18,159
yeah

937
00:30:23,750 --> 00:30:21,600
second mil

938
00:30:25,830 --> 00:30:23,760

when did he did he did this joe rogan

939

00:30:26,389 --> 00:30:25,840

thing uh which was i was also on the

940

00:30:29,990 --> 00:30:26,399

same

941

00:30:31,430 --> 00:30:30,000

show uh and you know people described

942

00:30:35,190 --> 00:30:31,440

this as being a bit of a

943

00:30:37,190 --> 00:30:35,200

an ambush in that joe rogan

944

00:30:38,950 --> 00:30:37,200

set out to make michael j murphy look

945

00:30:43,190 --> 00:30:38,960

bad uh what was your

946

00:30:46,470 --> 00:30:45,590

it wasn't it was an ambush but i tell

947

00:30:49,590 --> 00:30:46,480

you what uh

948

00:30:49,990 --> 00:30:49,600

for my from for myself knowing what how

949

00:30:53,110 --> 00:30:50,000

he

950

00:30:57,830 --> 00:30:53,120

challenge

951
00:31:00,149 --> 00:30:57,840
there uh i forget who the guy was

952
00:31:02,310 --> 00:31:00,159
uh i think he kind of deserved it i i

953
00:31:04,149 --> 00:31:02,320
was shocked when i saw it i'm like

954
00:31:05,990 --> 00:31:04,159
i'm like because i was witness i was a

955
00:31:07,750 --> 00:31:06,000
witness to this because i was like

956
00:31:09,350 --> 00:31:07,760
you know murphy could have took care of

957
00:31:10,389 --> 00:31:09,360
this he could have took care of that you

958
00:31:11,190 --> 00:31:10,399
know he could have talked to the guy

959
00:31:13,110 --> 00:31:11,200
already

960
00:31:14,310 --> 00:31:13,120
but you know he lost he because he

961
00:31:16,789 --> 00:31:14,320
didn't do that

962
00:31:18,630 --> 00:31:16,799
he's getting ambushed he already lost

963
00:31:20,470 --> 00:31:18,640

you know uh g edward griffin as a you

964

00:31:21,190 --> 00:31:20,480

know as a backer so i was just like dude

965

00:31:24,950 --> 00:31:21,200

this is your

966

00:31:26,789 --> 00:31:24,960

of your ego you know

967

00:31:29,110 --> 00:31:26,799

was it uh was it my website that this

968

00:31:31,669 --> 00:31:29,120

year the contrail science website

969

00:31:32,549 --> 00:31:31,679

i don't think it was uh somebody in

970

00:31:36,070 --> 00:31:32,559

california

971

00:31:39,590 --> 00:31:36,080

remember with somebody else back

972

00:31:44,310 --> 00:31:42,230

okay uh yeah i wonder who that was so

973

00:31:46,149 --> 00:31:44,320

yeah i remember like one thing um

974

00:31:47,750 --> 00:31:46,159

was it oh no that was the other guy

975

00:31:49,269 --> 00:31:47,760

there was the other guy who believed in

976
00:31:51,909 --> 00:31:49,279
aliens

977
00:31:52,310 --> 00:31:51,919
uh the guy from well he had something on

978
00:31:55,430 --> 00:31:52,320
the

979
00:31:56,070 --> 00:31:55,440
trying to say about rogan you know point

980
00:31:59,029 --> 00:31:56,080
you know

981
00:31:59,990 --> 00:31:59,039
ambushing uh murphy was because like on

982
00:32:02,230 --> 00:32:00,000
the show they

983
00:32:03,029 --> 00:32:02,240
they they zoomed in on the alien logo he

984
00:32:07,669 --> 00:32:03,039
had on his

985
00:32:12,870 --> 00:32:10,710
oh well yeah

986
00:32:14,149 --> 00:32:12,880
i heard like some other things about the

987
00:32:16,149 --> 00:32:14,159
way i change group

988
00:32:17,350 --> 00:32:16,159

that they had some strange beliefs about

989

00:32:19,269 --> 00:32:17,360

like uh

990

00:32:22,549 --> 00:32:19,279

jewish bloodlines do you know anything

991

00:32:25,590 --> 00:32:22,559

about that like how the illuminati

992

00:32:26,470 --> 00:32:25,600

is the azan khani jews i don't know what

993

00:32:28,789 --> 00:32:26,480

the the

994

00:32:29,830 --> 00:32:28,799

word is exactly you remember anything of

995

00:32:31,830 --> 00:32:29,840

that

996

00:32:33,350 --> 00:32:31,840

to be honest with you i mean it just

997

00:32:34,710 --> 00:32:33,360

that we are changing our way just would

998

00:32:36,710 --> 00:32:34,720

never get go that far

999

00:32:38,310 --> 00:32:36,720

into the whole jewish intrigue or

1000

00:32:39,750 --> 00:32:38,320

anything like that i mean we had we had

1001
00:32:42,549 --> 00:32:39,760
jewish members in our group too

1002
00:32:44,230 --> 00:32:42,559
so yeah that never that never really

1003
00:32:46,630 --> 00:32:44,240
became no

1004
00:32:48,310 --> 00:32:46,640
well we addressed the israeli stuff yeah

1005
00:32:51,200 --> 00:32:48,320
we would you know we'd talk about that

1006
00:32:52,549 --> 00:32:51,210
you know like israeli intelligence

1007
00:32:54,870 --> 00:32:52,559
[Music]

1008
00:32:56,470 --> 00:32:54,880
yeah where they thought that there were

1009
00:32:58,070 --> 00:32:56,480
these five guys dancing

1010
00:32:59,750 --> 00:32:58,080
yeah and they have said they were

1011
00:33:03,350 --> 00:32:59,760
arrested i think

1012
00:33:05,830 --> 00:33:03,360
yeah so so like you know you said you

1013
00:33:07,590 --> 00:33:05,840

you were shown things like the pentagon

1014

00:33:08,549 --> 00:33:07,600

hall like steve showed you this photo

1015

00:33:10,230 --> 00:33:08,559

and this kind of like

1016

00:33:12,710 --> 00:33:10,240

made you think about that what what was

1017

00:33:14,470 --> 00:33:12,720

like some other things that kind of

1018

00:33:16,870 --> 00:33:14,480

made you move away from the kind of

1019

00:33:18,070 --> 00:33:16,880

hardcore uh beliefs that you had back

1020

00:33:20,549 --> 00:33:18,080

then

1021

00:33:22,070 --> 00:33:20,559

um well you know to be honest with you

1022

00:33:24,630 --> 00:33:22,080

even learning more about

1023

00:33:25,269 --> 00:33:24,640

the the you know the mossad and things

1024

00:33:28,870 --> 00:33:25,279

have

1025

00:33:30,710 --> 00:33:28,880

of understanding like

1026
00:33:33,110 --> 00:33:30,720
um how they've been able to infiltrate

1027
00:33:35,190 --> 00:33:33,120
into real radical groups

1028
00:33:36,789 --> 00:33:35,200
you start to realize like why do i why

1029
00:33:38,389 --> 00:33:36,799
why would why should i subscribe to

1030
00:33:40,389 --> 00:33:38,399
anything that removes

1031
00:33:41,830 --> 00:33:40,399
the hijackers you know the arab

1032
00:33:43,669 --> 00:33:41,840
operatives if you're

1033
00:33:45,430 --> 00:33:43,679
trying to implicate this certain angle

1034
00:33:46,549 --> 00:33:45,440
of foreign intelligence

1035
00:33:48,310 --> 00:33:46,559
you know if you don't have these

1036
00:33:49,909 --> 00:33:48,320
operatives there you're not going to be

1037
00:33:51,830 --> 00:33:49,919
able to implicate them

1038
00:33:54,630 --> 00:33:51,840

so when i started to really look at all

1039

00:33:57,110 --> 00:33:54,640

the all the hijacker theories all the

1040

00:33:57,830 --> 00:33:57,120

not you know the no phone call stuff and

1041

00:34:00,070 --> 00:33:57,840

you know

1042

00:34:02,149 --> 00:34:00,080

i will admit ryan dawson definitely

1043

00:34:03,269 --> 00:34:02,159

persuaded me not persuaded me he started

1044

00:34:04,789 --> 00:34:03,279

showing me

1045

00:34:07,110 --> 00:34:04,799

other pieces of evidence i'm like hey

1046

00:34:08,790 --> 00:34:07,120

there are still some anomalies here

1047

00:34:10,629 --> 00:34:08,800

some of the things i started to notice

1048

00:34:12,389 --> 00:34:10,639

was that

1049

00:34:14,230 --> 00:34:12,399

on some cases there may have been

1050

00:34:15,990 --> 00:34:14,240

additional hijackers that they did not

1051
00:34:17,270 --> 00:34:16,000
know who they were but they were not

1052
00:34:19,109 --> 00:34:17,280
able to identify

1053
00:34:20,710 --> 00:34:19,119
and on some cases like i believe on

1054
00:34:23,829 --> 00:34:20,720
flight 93 there may have been

1055
00:34:24,230 --> 00:34:23,839
one hijacker who was not on board and

1056
00:34:26,550 --> 00:34:24,240
that's

1057
00:34:28,149 --> 00:34:26,560
that takes a long time to explain but

1058
00:34:29,589 --> 00:34:28,159
then when i started to realize this and

1059
00:34:31,829 --> 00:34:29,599
i'm realizing

1060
00:34:33,430 --> 00:34:31,839
there's this complete other anomaly for

1061
00:34:36,069 --> 00:34:33,440
real hijackers just

1062
00:34:37,510 --> 00:34:36,079
just making it uh just making it more

1063
00:34:40,550 --> 00:34:37,520

relevant than it was

1064

00:34:41,750 --> 00:34:40,560

you know a complex operation when i

1065

00:34:44,790 --> 00:34:41,760

started seeing this

1066

00:34:47,190 --> 00:34:44,800

uh i you know i'm like

1067

00:34:48,149 --> 00:34:47,200

i really should reconsider you know

1068

00:34:51,030 --> 00:34:48,159

everything else

1069

00:34:51,990 --> 00:34:51,040

uh you know um and another thing to be

1070

00:34:55,030 --> 00:34:52,000

honest with you

1071

00:34:56,710 --> 00:34:55,040

i when it came to building seven even

1072

00:34:58,470 --> 00:34:56,720

when we are change la started

1073

00:34:59,910 --> 00:34:58,480

i didn't understand why we were always

1074

00:35:03,589 --> 00:34:59,920

focusing on this building

1075

00:35:05,270 --> 00:35:03,599

because nobody died in it so i i had a

1076

00:35:07,349 --> 00:35:05,280

i thought that was weird about a because

1077

00:35:10,550 --> 00:35:07,359

we were working with 891 truth from

1078

00:35:12,150 --> 00:35:10,560

like like heavily big time with richard

1079

00:35:13,589 --> 00:35:12,160

gage you know

1080

00:35:15,270 --> 00:35:13,599

did you believe it like at one point

1081

00:35:16,870 --> 00:35:15,280

though that you know

1082

00:35:18,310 --> 00:35:16,880

building seven and the world trade

1083

00:35:20,150 --> 00:35:18,320

center towers were

1084

00:35:22,390 --> 00:35:20,160

brought down by control demolitions with

1085

00:35:24,630 --> 00:35:22,400

pre-planted explosives and everything

1086

00:35:26,069 --> 00:35:24,640

well building seven i i used to believe

1087

00:35:27,109 --> 00:35:26,079

totally i totally believe that i mean i

1088

00:35:28,390 --> 00:35:27,119

used to believe it was the bush

1089

00:35:30,150 --> 00:35:28,400

administration i thought it was

1090

00:35:32,230 --> 00:35:30,160

you know a cia operation i thought i was

1091

00:35:34,790 --> 00:35:32,240

all you know a very domestic

1092

00:35:35,750 --> 00:35:34,800

conspiracy theory that's that's what i

1093

00:35:38,310 --> 00:35:35,760

used to believe

1094

00:35:39,910 --> 00:35:38,320

but with building seven uh well let me

1095

00:35:41,270 --> 00:35:39,920

just just clarify with the world trade

1096

00:35:42,870 --> 00:35:41,280

center with the twin towers it

1097

00:35:45,030 --> 00:35:42,880

is i don't believe in controlled

1098

00:35:46,470 --> 00:35:45,040

demolition like but i do believe that

1099

00:35:48,150 --> 00:35:46,480

there were explosives in there

1100

00:35:49,430 --> 00:35:48,160

now i don't believe that they were they

1101
00:35:50,230 --> 00:35:49,440
were it doesn't mean that i believe that

1102
00:35:53,430 --> 00:35:50,240
they were

1103
00:35:55,430 --> 00:35:53,440
cia or fbi or some you know i don't even

1104
00:35:57,030 --> 00:35:55,440
i'm not even certain if it was even

1105
00:35:59,190 --> 00:35:57,040
for the the issue of the dancing

1106
00:36:01,589 --> 00:35:59,200
israelis i'm not even sure if it was

1107
00:36:03,109 --> 00:36:01,599
israeli operatives that did it i am

1108
00:36:05,670 --> 00:36:03,119
comfortable to say that there were

1109
00:36:06,390 --> 00:36:05,680
arab operatives that did it and i have a

1110
00:36:09,109 --> 00:36:06,400
pretty good

1111
00:36:09,430 --> 00:36:09,119
case to to you know to make an example

1112
00:36:11,430 --> 00:36:09,440
of

1113
00:36:12,950 --> 00:36:11,440

very good evidence on that but with

1114

00:36:15,190 --> 00:36:12,960

building seven

1115

00:36:16,310 --> 00:36:15,200

really the iran the the the pascal

1116

00:36:17,829 --> 00:36:16,320

building with iran

1117

00:36:19,349 --> 00:36:17,839

with the with that that building falling

1118

00:36:20,790 --> 00:36:19,359

down that really

1119

00:36:23,270 --> 00:36:20,800

that really changed for me but

1120

00:36:24,550 --> 00:36:23,280

interesting so yeah that's what started

1121

00:36:26,470 --> 00:36:24,560

to be because

1122

00:36:28,310 --> 00:36:26,480

before that a couple of years before

1123

00:36:30,390 --> 00:36:28,320

that i was already kind of

1124

00:36:31,670 --> 00:36:30,400

questioning that maybe they put

1125

00:36:34,069 --> 00:36:31,680

explosives

1126
00:36:35,430 --> 00:36:34,079
after the twin towers came down because

1127
00:36:36,550 --> 00:36:35,440
maybe they wanted to bring building

1128
00:36:38,230 --> 00:36:36,560
seven down because

1129
00:36:40,310 --> 00:36:38,240
it was too damaged you know maybe that's

1130
00:36:41,910 --> 00:36:40,320
what pull it really meant maybe that's

1131
00:36:43,670 --> 00:36:41,920
why they cleared off all the streets

1132
00:36:46,150 --> 00:36:43,680
and the reason why i believe that is

1133
00:36:47,190 --> 00:36:46,160
because if you listen to the entire

1134
00:36:49,670 --> 00:36:47,200
danny joannko

1135
00:36:51,510 --> 00:36:49,680
the uh the demolition expert from from

1136
00:36:52,790 --> 00:36:51,520
north of smallway or sweden

1137
00:36:55,030 --> 00:36:52,800
one who was completely referenced from

1138
00:36:56,550 --> 00:36:55,040

architects and engineers for 911 truth

1139

00:36:59,109 --> 00:36:56,560

the one that gets shown building seven

1140

00:37:01,270 --> 00:36:59,119

and says oh demolition

1141

00:37:02,230 --> 00:37:01,280

well when you listen to the entire

1142

00:37:04,230 --> 00:37:02,240

interview

1143

00:37:05,990 --> 00:37:04,240

you know ae only as it edits it and

1144

00:37:07,910 --> 00:37:06,000

stops it at one point but when you

1145

00:37:08,710 --> 00:37:07,920

listen to danny jalenko danny deleco

1146

00:37:10,230 --> 00:37:08,720

says

1147

00:37:12,150 --> 00:37:10,240

well though they must have worked had to

1148

00:37:13,510 --> 00:37:12,160

work fast and he goes

1149

00:37:14,950 --> 00:37:13,520

work faster so what do you mean he was

1150

00:37:17,349 --> 00:37:14,960

like well i mean i don't know how

1151
00:37:17,910 --> 00:37:17,359
polluted the area was or what was going

1152
00:37:20,230 --> 00:37:17,920
on and

1153
00:37:22,069 --> 00:37:20,240
what was their actress access point but

1154
00:37:23,589 --> 00:37:22,079
that must have got in there and so

1155
00:37:25,430 --> 00:37:23,599
and then the interview is saying to him

1156
00:37:26,950 --> 00:37:25,440
oh so you're saying that they could have

1157
00:37:27,990 --> 00:37:26,960
could have brought it down that day put

1158
00:37:30,550 --> 00:37:28,000
explosives

1159
00:37:32,069 --> 00:37:30,560
so yeah sure you know but it probably

1160
00:37:33,910 --> 00:37:32,079
went to the bottom you know below and

1161
00:37:35,670 --> 00:37:33,920
then put it into the center

1162
00:37:36,950 --> 00:37:35,680
and you know and that's what brought in

1163
00:37:38,310 --> 00:37:36,960

the center and then

1164

00:37:40,230 --> 00:37:38,320

that's what kind of brought it down they

1165

00:37:40,710 --> 00:37:40,240

went into the put it in the heart of the

1166

00:37:41,990 --> 00:37:40,720

building

1167

00:37:43,750 --> 00:37:42,000

and then i'm like thinking to myself

1168

00:37:47,030 --> 00:37:43,760

well that actually makes more sense

1169

00:37:48,470 --> 00:37:47,040

if that's what happened you know um

1170

00:37:50,310 --> 00:37:48,480

so you're thinking the idea that

1171

00:37:50,710 --> 00:37:50,320

somebody ran in with some explosives and

1172

00:37:52,710 --> 00:37:50,720

i was

1173

00:37:54,230 --> 00:37:52,720

walking a few hours wherever the crew

1174

00:37:56,069 --> 00:37:54,240

you know put him on you know because

1175

00:37:57,430 --> 00:37:56,079

i believed in the king thing but then

1176

00:37:57,750 --> 00:37:57,440

when i you know when i finally got to

1177

00:38:01,030 --> 00:37:57,760

see

1178

00:38:03,670 --> 00:38:01,040

really falls

1179

00:38:04,550 --> 00:38:03,680

from the uh the penthouse seeing that

1180

00:38:05,910 --> 00:38:04,560

hollows out

1181

00:38:07,510 --> 00:38:05,920

you're not you're not seeing a building

1182

00:38:08,870 --> 00:38:07,520

that's all floors are intact that's

1183

00:38:11,670 --> 00:38:08,880

coming down

1184

00:38:13,190 --> 00:38:11,680

so once i saw that and then then what

1185

00:38:15,349 --> 00:38:13,200

you think is the kink in the middle is

1186

00:38:17,190 --> 00:38:15,359

really it being hollow and bending

1187

00:38:18,870 --> 00:38:17,200

yeah that's what that's that's where

1188

00:38:19,750 --> 00:38:18,880

i've been able to that's where i'm able

1189

00:38:21,750 --> 00:38:19,760

to see it

1190

00:38:23,190 --> 00:38:21,760

that's really interesting uh for me

1191

00:38:24,550 --> 00:38:23,200

that's really interesting because like

1192

00:38:26,470 --> 00:38:24,560

you know the things you mentioned there

1193

00:38:27,990 --> 00:38:26,480

that kind of swayed here the

1194

00:38:29,829 --> 00:38:28,000

collapse of the plasco building which is

1195

00:38:30,550 --> 00:38:29,839

an iranian it was like a 17-story

1196

00:38:34,150 --> 00:38:30,560

building in

1197

00:38:36,310 --> 00:38:34,160

tehran and it's uh collapsed on fire

1198

00:38:38,150 --> 00:38:36,320

but it kind of looks like both like

1199

00:38:39,670 --> 00:38:38,160

aspects of the world trade center towers

1200

00:38:41,589 --> 00:38:39,680

collapses and a bit like the world trade

1201

00:38:43,270 --> 00:38:41,599

center seven collapses and so

1202

00:38:45,270 --> 00:38:43,280

architects and engineers for 9 11 truth

1203

00:38:46,870 --> 00:38:45,280

were kind of forced to say oh well this

1204

00:38:49,109 --> 00:38:46,880

is probably like some kind of

1205

00:38:51,190 --> 00:38:49,119

controlled demolition also and then you

1206

00:38:53,750 --> 00:38:51,200

talk about like edward currant

1207

00:38:54,710 --> 00:38:53,760

and edward currant has made uh he's a

1208

00:38:58,870 --> 00:38:54,720

guy who

1209

00:39:01,589 --> 00:38:58,880

i also interviewed for my book uh he

1210

00:39:02,870 --> 00:39:01,599

he was very briefly a 911 truther for

1211

00:39:04,390 --> 00:39:02,880

like a week or so

1212

00:39:06,630 --> 00:39:04,400

until he you know he had a chat with his

1213

00:39:08,390 --> 00:39:06,640

brother and he kind of sorted him out

1214

00:39:11,109 --> 00:39:08,400

uh another truth in terms of controlled

1215

00:39:13,190 --> 00:39:11,119

demolition and now he's made some nice

1216

00:39:14,390 --> 00:39:13,200

videos about building seven kind of

1217

00:39:16,310 --> 00:39:14,400

explaining how

1218

00:39:17,829 --> 00:39:16,320

the collapse could have happened uh you

1219

00:39:20,390 --> 00:39:17,839

know what the nist case is

1220

00:39:21,030 --> 00:39:20,400

uh you know yeah that's evidence for

1221

00:39:22,550 --> 00:39:21,040

that

1222

00:39:24,069 --> 00:39:22,560

and so these two things have actually

1223

00:39:26,630 --> 00:39:24,079

had an effect on you

1224

00:39:27,430 --> 00:39:26,640

yeah well what i'd like to know though

1225

00:39:30,390 --> 00:39:27,440

like how

1226

00:39:31,430 --> 00:39:30,400

how how quickly did they have an effect

1227

00:39:33,510 --> 00:39:31,440

on you how

1228

00:39:34,630 --> 00:39:33,520

how how long did it take for them to

1229

00:39:37,589 --> 00:39:34,640

actually

1230

00:39:38,069 --> 00:39:37,599

change your mind not very long in a few

1231

00:39:40,550 --> 00:39:38,079

minutes

1232

00:39:42,069 --> 00:39:40,560

i mean what made me really finally like

1233

00:39:43,589 --> 00:39:42,079

like look at i'm like you know what

1234

00:39:46,150 --> 00:39:43,599

i'm gonna look at this building and

1235

00:39:47,030 --> 00:39:46,160

actually not like try to imagine or try

1236

00:39:49,190 --> 00:39:47,040

to do the

1237

00:39:50,790 --> 00:39:49,200

that but looking at seeing it where it's

1238

00:39:52,630 --> 00:39:50,800

where where everything is

1239

00:39:55,030 --> 00:39:52,640

dismantling from beginning point you

1240

00:39:56,790 --> 00:39:55,040

know and you know when i saw

1241

00:39:58,470 --> 00:39:56,800

his film it did a great job of it

1242

00:39:59,750 --> 00:39:58,480

because i never i never saw the sunlight

1243

00:40:01,670 --> 00:39:59,760

coming through the window like that

1244

00:40:03,510 --> 00:40:01,680

at all i've never never noticed that and

1245

00:40:06,150 --> 00:40:03,520

then for my for me personally

1246

00:40:06,710 --> 00:40:06,160

i always thought that the uh the bent

1247

00:40:08,550 --> 00:40:06,720

house

1248

00:40:10,309 --> 00:40:08,560

was further back i didn't know it was

1249

00:40:12,309 --> 00:40:10,319

all the way up to the edge

1250

00:40:13,990 --> 00:40:12,319

meaning that all the top filler not only

1251

00:40:15,829 --> 00:40:14,000

thought you know

1252

00:40:17,270 --> 00:40:15,839

you know i i thought like basically like

1253

00:40:20,790 --> 00:40:17,280

the alaska

1254

00:40:21,349 --> 00:40:20,800

they made it recently it just kind of

1255

00:40:23,829 --> 00:40:21,359

like

1256

00:40:24,470 --> 00:40:23,839

yeah it falls a few floors that's what i

1257

00:40:25,750 --> 00:40:24,480

just kind of

1258

00:40:27,990 --> 00:40:25,760

i didn't believe it fell all the way

1259

00:40:29,109 --> 00:40:28,000

down you know and it went it fell all

1260

00:40:31,109 --> 00:40:29,119

the way down but here's

1261

00:40:33,030 --> 00:40:31,119

here's the thing and i i do want to i do

1262

00:40:34,550 --> 00:40:33,040

want to mention this because this is

1263

00:40:36,069 --> 00:40:34,560

pretty interesting i won't mention the

1264

00:40:36,790 --> 00:40:36,079

actual name of the person who told me

1265

00:40:38,870 --> 00:40:36,800

this

1266

00:40:41,109 --> 00:40:38,880

okay but i will say it is somebody

1267

00:40:43,030 --> 00:40:41,119

pretty prominent in the truth movement

1268

00:40:44,950 --> 00:40:43,040

one of the reasons why i really made me

1269

00:40:46,630 --> 00:40:44,960

consider to look at eddie current and

1270

00:40:48,390 --> 00:40:46,640

look at the debunking videos

1271

00:40:51,030 --> 00:40:48,400

there's even a better one from another

1272

00:40:54,790 --> 00:40:51,040

uh studio another one that did that cgi

1273

00:40:56,790 --> 00:40:54,800

forget i can't remember the name on hand

1274

00:40:58,230 --> 00:40:56,800

but i was having doubts already about it

1275

00:41:00,309 --> 00:40:58,240

and i was telling this person

1276
00:41:01,910 --> 00:41:00,319
about my joanco theory because i told

1277
00:41:03,109 --> 00:41:01,920
him i believe in the joanco theory

1278
00:41:05,109 --> 00:41:03,119
i don't believe what you guys have been

1279
00:41:06,630 --> 00:41:05,119
promoting with ae i believe it has

1280
00:41:07,990 --> 00:41:06,640
nothing to do with the actual terrorist

1281
00:41:10,069 --> 00:41:08,000
attack any and then

1282
00:41:11,670 --> 00:41:10,079
this person said no no no you you you

1283
00:41:12,230 --> 00:41:11,680
need to have a skype conversation with

1284
00:41:13,750 --> 00:41:12,240
me

1285
00:41:15,510 --> 00:41:13,760
so he has us got you know we hold the

1286
00:41:18,230 --> 00:41:15,520
skype conversation

1287
00:41:18,950 --> 00:41:18,240
and because i was telling him that i

1288
00:41:21,349 --> 00:41:18,960

believe that

1289

00:41:23,750 --> 00:41:21,359

if it was a demolition then a person i

1290

00:41:26,150 --> 00:41:23,760

would suspect would be jerome howard

1291

00:41:27,510 --> 00:41:26,160

jerome howard was the head of the

1292

00:41:29,990 --> 00:41:27,520

emergency event

1293

00:41:31,750 --> 00:41:30,000

officers of emergency management okay he

1294

00:41:33,510 --> 00:41:31,760

was the head of cross security

1295

00:41:35,030 --> 00:41:33,520

you know his you know his offices were

1296

00:41:37,910 --> 00:41:35,040

in building seven

1297

00:41:38,309 --> 00:41:37,920

okay he also had worked with the uh uh

1298

00:42:06,790 --> 00:41:38,319

the

1299

00:42:08,870 --> 00:42:06,800

currently he's jewish okay

1300

00:42:10,470 --> 00:42:08,880

and you know even currently right now he

1301

00:42:12,790 --> 00:42:10,480

works for um

1302

00:42:14,230 --> 00:42:12,800

chair top michael chertoff group another

1303

00:42:15,430 --> 00:42:14,240

person that's highly suspected in the

1304

00:42:15,990 --> 00:42:15,440

truth movement is being part of the

1305

00:42:19,190 --> 00:42:16,000

cover

1306

00:42:21,589 --> 00:42:19,200

being a conspirator whatever

1307

00:42:23,430 --> 00:42:21,599

so i've had all this all this weight on

1308

00:42:25,030 --> 00:42:23,440

jerome howard

1309

00:42:27,190 --> 00:42:25,040

and i told this person about that i'm

1310

00:42:29,349 --> 00:42:27,200

like i would suspect that he would be

1311

00:42:31,270 --> 00:42:29,359

had been involved because not only that

1312

00:42:33,910 --> 00:42:31,280

he is the first person to appear

1313

00:42:34,470 --> 00:42:33,920

on tv to say that you know i think that

1314

00:42:36,790 --> 00:42:34,480

you know i

1315

00:42:37,510 --> 00:42:36,800

i think that the the planes and the

1316

00:42:39,190 --> 00:42:37,520

fires

1317

00:42:40,710 --> 00:42:39,200

brought boundaries down the entire

1318

00:42:41,190 --> 00:42:40,720

building basically kind of what the

1319

00:42:43,430 --> 00:42:41,200

truth

1320

00:42:45,270 --> 00:42:43,440

would say setting up the already the

1321

00:42:48,390 --> 00:42:45,280

commission report results

1322

00:42:51,510 --> 00:42:48,400

uh you know so here's this prime suspect

1323

00:42:53,990 --> 00:42:51,520

prime suspect to think hey if somebody

1324

00:42:55,349 --> 00:42:54,000

rigged building 7 up for explosives it

1325

00:42:56,309 --> 00:42:55,359

would be through this guy

1326

00:42:58,950 --> 00:42:56,319

even though he's got too many

1327

00:42:59,670 --> 00:42:58,960

connections right so when i told him

1328

00:43:03,109 --> 00:42:59,680

that

1329

00:43:05,430 --> 00:43:03,119

met jerome now

1330

00:43:06,150 --> 00:43:05,440

in new york and this and i i believe him

1331

00:43:09,990 --> 00:43:06,160

because of

1332

00:43:12,230 --> 00:43:10,000

who this person is and he said that

1333

00:43:13,349 --> 00:43:12,240

interestingly he actually questioned him

1334

00:43:15,109 --> 00:43:13,359

about the the the

1335

00:43:16,710 --> 00:43:15,119

the uh cipro telling the white house to

1336

00:43:18,950 --> 00:43:16,720

get on cipro he told them

1337

00:43:20,870 --> 00:43:18,960

no uh no that's not true i never told

1338

00:43:22,630 --> 00:43:20,880

the white house to go on surprise bs

1339

00:43:24,550 --> 00:43:22,640

and he goes well how do you feel about

1340

00:43:26,550 --> 00:43:24,560

you know the twin towers explosives

1341

00:43:27,829 --> 00:43:26,560

within all three buildings he said in

1342

00:43:29,670 --> 00:43:27,839

the twin towers

1343

00:43:31,190 --> 00:43:29,680

he had not changed his opinion on that

1344

00:43:32,950 --> 00:43:31,200

but he said building seven he thought it

1345

00:43:36,069 --> 00:43:32,960

was a demolition

1346

00:43:40,069 --> 00:43:36,079

hmm and i thought to myself

1347

00:43:42,230 --> 00:43:40,079

wait a minute you guys are

1348

00:43:43,829 --> 00:43:42,240

you guys are whole because i i was kind

1349

00:43:44,470 --> 00:43:43,839

of so mad about this i'm like because

1350

00:43:46,870 --> 00:43:44,480

this is a

1351

00:43:48,309 --> 00:43:46,880

a very prominent person and he's made up

1352

00:43:50,309 --> 00:43:48,319

he's made a statement like that

1353

00:43:51,510 --> 00:43:50,319

and you've not done anything to release

1354

00:43:55,030 --> 00:43:51,520

this statement

1355

00:43:57,270 --> 00:43:55,040

that's strange yeah and almost like

1356

00:43:58,950 --> 00:43:57,280

i'm like whoa it's somebody who was part

1357

00:43:59,670 --> 00:43:58,960

of architects and engineers for 9 11

1358

00:44:01,750 --> 00:43:59,680

sure

1359

00:44:02,950 --> 00:44:01,760

not richard getty it's somebody from

1360

00:44:04,470 --> 00:44:02,960

from that so

1361

00:44:06,309 --> 00:44:04,480

that's what made me very upset i'm like

1362

00:44:09,109 --> 00:44:06,319

wait you're withholding this from the

1363

00:44:10,710 --> 00:44:09,119

organization i mean prime suspect number

1364

00:44:13,109 --> 00:44:10,720

one for building seven and

1365

00:44:14,150 --> 00:44:13,119

he he agrees with everybody that it

1366

00:44:17,030 --> 00:44:14,160

wasn't demolition

1367

00:44:18,230 --> 00:44:17,040

so i thought to myself if he can believe

1368

00:44:19,750 --> 00:44:18,240

it's a demolition

1369

00:44:22,230 --> 00:44:19,760

why should i believe it is one in the

1370

00:44:24,309 --> 00:44:22,240

first place i mean he could be he's

1371

00:44:26,230 --> 00:44:24,319

he's dumb i mean i don't agree with him

1372

00:44:28,630 --> 00:44:26,240

on the twin towers i don't agree with

1373

00:44:29,670 --> 00:44:28,640

with uh with him on the twin towers i

1374

00:44:31,510 --> 00:44:29,680

think there's a lot more

1375

00:44:33,750 --> 00:44:31,520

graphic evidence a lot more evidence for

1376

00:44:35,109 --> 00:44:33,760

it but not with building seven so why

1377

00:44:37,030 --> 00:44:35,119

would he

1378

00:44:39,109 --> 00:44:37,040

i'm like he's just fooled like anybody

1379

00:44:40,950 --> 00:44:39,119

else do you have like a

1380

00:44:42,470 --> 00:44:40,960

like right now after all these years do

1381

00:44:44,630 --> 00:44:42,480

you have

1382

00:44:46,230 --> 00:44:44,640

kind of a clear idea in your head of

1383

00:44:47,990 --> 00:44:46,240

what you think happened or do you still

1384

00:44:51,270 --> 00:44:48,000

just have like a load of questions and

1385

00:44:52,390 --> 00:44:51,280

the suspicions i have an idea of what

1386

00:44:54,630 --> 00:44:52,400

certain things

1387

00:44:56,309 --> 00:44:54,640

were supposed to happen i have an idea

1388

00:44:57,910 --> 00:44:56,319

of where i think some things happen but

1389

00:44:58,790 --> 00:44:57,920

i have a lot of questions of what didn't

1390

00:45:01,270 --> 00:44:58,800

happen

1391

00:45:02,710 --> 00:45:01,280

the one thing that i do know what's

1392

00:45:03,990 --> 00:45:02,720

going to happen

1393

00:45:05,270 --> 00:45:04,000

and people did not put this in the

1394

00:45:06,950 --> 00:45:05,280

equation because it's not even talked

1395

00:45:08,790 --> 00:45:06,960

about in the truth movement

1396

00:45:10,790 --> 00:45:08,800

is that there were more planes that it

1397

00:45:14,069 --> 00:45:10,800

was the 911 attacks

1398

00:45:14,950 --> 00:45:14,079

were not uh an idea from the bojinka

1399

00:45:16,950 --> 00:45:14,960

plot found from

1400

00:45:18,150 --> 00:45:16,960

from ramsay yusuf in his laptop in in

1401

00:45:21,109 --> 00:45:18,160

the philippines

1402

00:45:22,230 --> 00:45:21,119

no it was the bojica plot they were

1403

00:45:24,309 --> 00:45:22,240

going to hijack

1404

00:45:25,589 --> 00:45:24,319

12 or more planes and there's a lot of

1405

00:45:27,750 --> 00:45:25,599

evidence for this

1406

00:45:28,710 --> 00:45:27,760

a lot of it just from not just from

1407

00:45:31,030 --> 00:45:28,720

logan

1408

00:45:32,150 --> 00:45:31,040

dulles and newark because there were

1409

00:45:34,710 --> 00:45:32,160

additional flights but

1410

00:45:35,750 --> 00:45:34,720

other airports mainly jfk airport

1411

00:45:39,270 --> 00:45:35,760

laguardia

1412

00:45:40,870 --> 00:45:39,280

atlanta chicago um cases of weapons

1413

00:45:42,470 --> 00:45:40,880

being found cases of people

1414

00:45:44,950 --> 00:45:42,480

suspicious middle eastern men leaving

1415

00:45:48,069 --> 00:45:44,960

that day a

1416

00:45:49,670 --> 00:45:48,079

lot so when i put that

1417

00:45:51,670 --> 00:45:49,680

when i think about that what i think

1418

00:45:53,190 --> 00:45:51,680

when i consider you know the two planes

1419

00:45:54,630 --> 00:45:53,200

that reach the twin towers

1420

00:45:56,150 --> 00:45:54,640

i don't doubt that they could have been

1421

00:45:56,950 --> 00:45:56,160

more planes intended still to hit the

1422

00:45:59,510 --> 00:45:56,960

twin towers

1423

00:46:00,470 --> 00:45:59,520

and other targets still you know even my

1424

00:46:02,470 --> 00:46:00,480

belief

1425

00:46:03,510 --> 00:46:02,480

with flight 93 they say it was going to

1426

00:46:05,510 --> 00:46:03,520

hit the the

1427

00:46:06,950 --> 00:46:05,520

the the pentagon or the white house i

1428

00:46:07,589 --> 00:46:06,960

think it was going to hit cia had great

1429

00:46:10,870 --> 00:46:07,599

quarters

1430

00:46:11,430 --> 00:46:10,880

that's where i think it was going to go

1431

00:46:13,510 --> 00:46:11,440

because

1432

00:46:15,430 --> 00:46:13,520

that is one of the main they wanted to

1433

00:46:16,550 --> 00:46:15,440

make the attack to make it look like hey

1434

00:46:18,550 --> 00:46:16,560

we'll hit you anywhere

1435

00:46:19,990 --> 00:46:18,560

we'll hit your you'll hit your military

1436

00:46:23,109 --> 00:46:20,000

we'll hit your defense

1437

00:46:26,790 --> 00:46:23,119

doesn't matter so who do you think is

1438

00:46:28,870 --> 00:46:26,800

behind the 911 attacks um

1439

00:46:30,710 --> 00:46:28,880

that one i won't discuss because that's

1440

00:46:32,069 --> 00:46:30,720

gonna get that i'm trying to work onto

1441

00:46:34,550 --> 00:46:32,079

it as far as a book

1442

00:46:36,950 --> 00:46:34,560

but i don't i don't disclo i don't

1443

00:46:39,109 --> 00:46:36,960

discount that bin laden wasn't made

1444

00:46:40,470 --> 00:46:39,119

i don't say that he wasn't involved i

1445

00:46:42,150 --> 00:46:40,480

think he was an investor

1446

00:46:43,750 --> 00:46:42,160

i think he would you know i think he he

1447

00:46:44,790 --> 00:46:43,760

wasn't as far as that but i don't think

1448

00:46:47,910 --> 00:46:44,800

he was the one who

1449

00:46:49,750 --> 00:46:47,920

who centrally managed it yeah

1450

00:46:51,190 --> 00:46:49,760

so i'll tell you off camera i'll tell

1451
00:46:52,790 --> 00:46:51,200
you off camera but i won't i won't tell

1452
00:46:57,430 --> 00:46:52,800
you

1453
00:47:01,270 --> 00:46:57,440
kind of evolved

1454
00:47:01,910 --> 00:47:01,280
i guess uh from your early days in 2008

1455
00:47:05,349 --> 00:47:01,920
as a

1456
00:47:08,710 --> 00:47:05,359
a 911 truther and sometime chemtrail

1457
00:47:12,550 --> 00:47:08,720
believer uh into someone who's more

1458
00:47:16,710 --> 00:47:14,630
like who is behind what happened with

1459
00:47:18,150 --> 00:47:16,720
the planes and the geopolitical

1460
00:47:19,589 --> 00:47:18,160
things and things like that and i think

1461
00:47:20,230 --> 00:47:19,599
i've seen that a few times with other

1462
00:47:23,910 --> 00:47:20,240
people

1463
00:47:26,150 --> 00:47:23,920

uh who who have kind of i guess like

1464

00:47:27,510 --> 00:47:26,160
over time you figure out

1465

00:47:29,109 --> 00:47:27,520
the more ridiculous stuff is just

1466

00:47:30,710 --> 00:47:29,119
ridiculous and then you're gonna move on

1467

00:47:33,109 --> 00:47:30,720
and you kind of settle down

1468

00:47:34,309 --> 00:47:33,119
into these uh these these other

1469

00:47:36,470 --> 00:47:34,319
investigations

1470

00:47:38,309 --> 00:47:36,480
do you do you work with other people who

1471

00:47:41,670 --> 00:47:38,319
have been through like similar

1472

00:47:43,190 --> 00:47:41,680
things to you yeah yes yeah i mean maybe

1473

00:47:43,910 --> 00:47:43,200
not ones that have actually been in the

1474

00:47:45,829 --> 00:47:43,920
actual

1475

00:47:47,510 --> 00:47:45,839
groups but have kind of just paid

1476

00:47:48,470 --> 00:47:47,520

attention from everything online for a

1477

00:47:51,109 --> 00:47:48,480

long time

1478

00:47:52,470 --> 00:47:51,119

just kind of yeah i mean one person i i

1479

00:47:55,750 --> 00:47:52,480

talk with a lot is

1480

00:47:57,430 --> 00:47:55,760

uh adam fitzgerald uh then you know

1481

00:47:58,870 --> 00:47:57,440

what like you've did you've interviewed

1482

00:48:00,950 --> 00:47:58,880

ryan dawson already

1483

00:48:02,470 --> 00:48:00,960

um you know he's someone i've talked to

1484

00:48:04,549 --> 00:48:02,480

but he was never

1485

00:48:07,109 --> 00:48:04,559

an actual activist because you know he

1486

00:48:09,990 --> 00:48:07,119

was also from south carolina

1487

00:48:10,710 --> 00:48:10,000

but but i will i will tell you this it's

1488

00:48:13,349 --> 00:48:10,720

been for me

1489

00:48:15,430 --> 00:48:13,359

it's been like the transition has been

1490

00:48:17,589 --> 00:48:15,440

like being an activist then now actually

1491

00:48:19,750 --> 00:48:17,599

being a researcher an investigator

1492

00:48:21,829 --> 00:48:19,760

because when i was in that activist mode

1493

00:48:23,910 --> 00:48:21,839

i thought the research was done

1494

00:48:25,430 --> 00:48:23,920

i thought all the investigating was done

1495

00:48:27,190 --> 00:48:25,440

we were just you know but but seeing

1496

00:48:28,710 --> 00:48:27,200

that that's not going anywhere

1497

00:48:30,390 --> 00:48:28,720

and then there's people uncomfortable to

1498

00:48:32,950 --> 00:48:30,400

talk about the israeli stuff

1499

00:48:34,870 --> 00:48:32,960

and i didn't like that being ignored but

1500

00:48:35,589 --> 00:48:34,880

then i also said but then now i also

1501

00:48:37,190 --> 00:48:35,599

realized

1502

00:48:39,190 --> 00:48:37,200

that what that the issue wasn't the

1503

00:48:39,670 --> 00:48:39,200

omission of the omitting the israeli

1504

00:48:41,829 --> 00:48:39,680

stuff

1505

00:48:43,430 --> 00:48:41,839

it's really throwing away the arab rules

1506

00:48:44,309 --> 00:48:43,440

throwing away they could be the

1507

00:48:47,030 --> 00:48:44,319

conventional

1508

00:48:48,470 --> 00:48:47,040

al qaeda rule yeah there's the attack

1509

00:48:49,750 --> 00:48:48,480

you know you we have the intelligence

1510

00:48:51,430 --> 00:48:49,760

agencies to blame for not

1511

00:48:53,430 --> 00:48:51,440

letting the fbi know that they were in

1512

00:48:54,230 --> 00:48:53,440

this country too there's all there's a

1513

00:48:58,150 --> 00:48:54,240

lot of

1514

00:48:59,829 --> 00:48:58,160

just want to get you know they just

1515

00:49:01,910 --> 00:48:59,839

wanted they're more interested in

1516

00:49:03,030 --> 00:49:01,920

proving their science model theory of 9

1517

00:49:06,069 --> 00:49:03,040

11 right

1518

00:49:08,309 --> 00:49:06,079

then getting it right do you

1519

00:49:09,190 --> 00:49:08,319

uh research other things like the other

1520

00:49:10,870 --> 00:49:09,200

things that people

1521

00:49:12,470 --> 00:49:10,880

maybe would consider to be conspiracy

1522

00:49:14,309 --> 00:49:12,480

theories that uh

1523

00:49:16,069 --> 00:49:14,319

that you you are researching as part of

1524

00:49:19,430 --> 00:49:16,079

this or are you entirely focused

1525

00:49:21,829 --> 00:49:19,440

on this this one aspect 911 i'm only

1526

00:49:24,230 --> 00:49:21,839

pretty much only focused on that but i

1527

00:49:26,470 --> 00:49:24,240

but my research goes back to oklahoma

1528

00:49:28,230 --> 00:49:26,480

city back to 1993

1529

00:49:30,069 --> 00:49:28,240

and more interestingly and it's been for

1530

00:49:32,630 --> 00:49:30,079

the past year back to the

1531

00:49:33,109 --> 00:49:32,640

the bombing of pan am 103. that would

1532

00:49:35,430 --> 00:49:33,119

have been

1533

00:49:37,270 --> 00:49:35,440

i think one of my big things now is that

1534

00:49:40,470 --> 00:49:37,280

the is that the lockerbie buying

1535

00:49:42,390 --> 00:49:40,480

yes yeah so that was the ones uh i guess

1536

00:49:42,790 --> 00:49:42,400

like the official story is that it was

1537

00:49:45,910 --> 00:49:42,800

two

1538

00:49:47,430 --> 00:49:45,920

to agents of libya yes who did it and

1539

00:49:50,069 --> 00:49:47,440

they had a bomb

1540

00:49:50,950 --> 00:49:50,079

is that is that somehow tied into like a

1541

00:49:52,309 --> 00:49:50,960

like a

1542

00:49:55,349 --> 00:49:52,319

broader narrative that you're talking

1543

00:49:57,589 --> 00:49:55,359

about or like yeah the same people

1544

00:49:58,950 --> 00:49:57,599

pretty much that's an interesting it's

1545

00:50:01,670 --> 00:49:58,960

not a coincidence that it's not a

1546

00:50:04,230 --> 00:50:01,680

coincidence that the hamburg cell

1547

00:50:05,910 --> 00:50:04,240

but where the 911 operation and then

1548

00:50:08,870 --> 00:50:05,920

where the bombing of pan am where

1549

00:50:09,510 --> 00:50:08,880

the bomb originated from yeah that's an

1550

00:50:14,069 --> 00:50:09,520

interesting

1551
00:50:15,750 --> 00:50:14,079
that's why i'm trying to put that into a

1552
00:50:17,030 --> 00:50:15,760
book yeah right right

1553
00:50:18,790 --> 00:50:17,040
so you're working on a book that kind of

1554
00:50:20,950 --> 00:50:18,800
encompasses this whole thing like so

1555
00:50:23,270 --> 00:50:20,960
oklahoma city bombing papers films

1556
00:50:24,230 --> 00:50:23,280
anything i can you know but it's a long

1557
00:50:26,710 --> 00:50:24,240
it's a

1558
00:50:27,670 --> 00:50:26,720
lot a lot to explain so how well just

1559
00:50:29,750 --> 00:50:27,680
just like

1560
00:50:32,069 --> 00:50:29,760
two things they you the oklahoma city

1561
00:50:34,069 --> 00:50:32,079
bombing uh timothy mcveigh

1562
00:50:35,589 --> 00:50:34,079
was executed for us and the other guy i

1563
00:50:39,349 --> 00:50:35,599

can't remember his name

1564

00:50:41,910 --> 00:50:39,359

uh and then the the lockerbie bombing

1565

00:50:44,150 --> 00:50:41,920

the pan am bombing how are those two

1566

00:50:46,870 --> 00:50:44,160

things connected

1567

00:50:48,309 --> 00:50:46,880

well they could be connected uh well

1568

00:50:49,430 --> 00:50:48,319

first of all you'd like to you have to

1569

00:50:52,309 --> 00:50:49,440

consider the

1570

00:50:53,109 --> 00:50:52,319

uh the middle eastern link in oklahoma

1571

00:50:55,670 --> 00:50:53,119

city bombing

1572

00:50:57,750 --> 00:50:55,680

okay um you know there's there they've

1573

00:50:59,589 --> 00:50:57,760

never caught john doe number two

1574

00:51:01,430 --> 00:50:59,599

it was a middle eastern middle eastern

1575

00:51:03,349 --> 00:51:01,440

uh person and they said

1576
00:51:05,510 --> 00:51:03,359
a lot of there's about 20 witnesses that

1577
00:51:07,910 --> 00:51:05,520
say it was this gentleman named

1578
00:51:08,630 --> 00:51:07,920
hussein al-husseini and this local

1579
00:51:11,829 --> 00:51:08,640
journalist

1580
00:51:12,390 --> 00:51:11,839
uh from oklahoma city um god what's her

1581
00:51:14,870 --> 00:51:12,400
name

1582
00:51:16,230 --> 00:51:14,880
jaina davis she covered the whole thing

1583
00:51:17,430 --> 00:51:16,240
and she actually entered she actually

1584
00:51:19,750 --> 00:51:17,440
interviewed him and

1585
00:51:20,549 --> 00:51:19,760
you know was was actually kind of a

1586
00:51:22,390 --> 00:51:20,559
witness

1587
00:51:23,589 --> 00:51:22,400
of all this behavior of all this

1588
00:51:26,790 --> 00:51:23,599

cover-up

1589

00:51:29,030 --> 00:51:26,800

well this guy was seen with mcveigh

1590

00:51:30,309 --> 00:51:29,040

and not only that he also worked for

1591

00:51:32,710 --> 00:51:30,319

another this this

1592

00:51:34,150 --> 00:51:32,720

this iraqi also worked for another man

1593

00:51:36,470 --> 00:51:34,160

on real estate

1594

00:51:38,069 --> 00:51:36,480

uh his name was dr abdul that's his name

1595

00:51:39,670 --> 00:51:38,079

in the book it's not his real name

1596

00:51:41,270 --> 00:51:39,680

they had to because of lawsuits they had

1597

00:51:43,030 --> 00:51:41,280

to change the name

1598

00:51:44,549 --> 00:51:43,040

and this guy was already on the

1599

00:51:47,750 --> 00:51:44,559

terrorist watch list

1600

00:51:49,190 --> 00:51:47,760

like even after the after the first 1993

1601
00:51:52,390 --> 00:51:49,200
world trade center bombing

1602
00:51:53,750 --> 00:51:52,400
and he's said to be plo linked now the

1603
00:51:55,270 --> 00:51:53,760
thing about this whole thing is that

1604
00:51:55,829 --> 00:51:55,280
it's been misconstrued because they

1605
00:51:57,829 --> 00:51:55,839
tried to

1606
00:51:58,950 --> 00:51:57,839
try to say that this was an iraqi

1607
00:52:01,990 --> 00:51:58,960
conspiracy

1608
00:52:05,109 --> 00:52:02,000
i don't think that's what what it was uh

1609
00:52:08,390 --> 00:52:05,119
how that connects to how that now how

1610
00:52:10,069 --> 00:52:08,400
that still connects to the 93 bombing

1611
00:52:12,710 --> 00:52:10,079
um because i can't i can't make it work

1612
00:52:13,270 --> 00:52:12,720
to 1988 i can make it connect to 93

1613
00:52:18,470 --> 00:52:13,280

bombing

1614

00:52:20,950 --> 00:52:18,480

very very many ways to connect it to

1615

00:52:23,750 --> 00:52:20,960

8088 but from the 93 bombing

1616

00:52:25,990 --> 00:52:23,760

to oklahoma city you have terry terry

1617

00:52:28,870 --> 00:52:26,000

nichols going to the philippines

1618

00:52:29,750 --> 00:52:28,880

and he's there are witnesses there that

1619

00:52:31,910 --> 00:52:29,760

say that he was

1620

00:52:32,790 --> 00:52:31,920

meeting with abu sayyaf learning bomb

1621

00:52:34,710 --> 00:52:32,800

making

1622

00:52:36,069 --> 00:52:34,720

there's that there's also that there's

1623

00:52:39,270 --> 00:52:36,079

also when

1624

00:52:41,109 --> 00:52:39,280

ramsay youssef's partner hakeem murad

1625

00:52:43,270 --> 00:52:41,119

was in jail and when the oklahoma city

1626
00:52:44,630 --> 00:52:43,280
bombing happened he was taking blame for

1627
00:52:47,430 --> 00:52:44,640
he says this was actually

1628
00:52:48,870 --> 00:52:47,440
pulled off by ramsay youssef's uh

1629
00:52:52,710 --> 00:52:48,880
liberation army

1630
00:52:54,230 --> 00:52:52,720
uh whatever title uh um there's also

1631
00:52:56,390 --> 00:52:54,240
trying to remember with other links but

1632
00:52:59,910 --> 00:52:56,400
there's there's quite a bit of

1633
00:53:00,790 --> 00:52:59,920
middle east the middle east suspects um

1634
00:53:04,390 --> 00:53:00,800
involved now

1635
00:53:07,109 --> 00:53:04,400
like how how uh mcveigh got

1636
00:53:08,230 --> 00:53:07,119
caught up you know it's up it's up for

1637
00:53:09,510 --> 00:53:08,240
debate because

1638
00:53:12,069 --> 00:53:09,520

you know they tried to say he was a

1639

00:53:13,030 --> 00:53:12,079

white supremacist others say he wasn't

1640

00:53:15,750 --> 00:53:13,040

he was actually

1641

00:53:17,430 --> 00:53:15,760

even an arab sympathizer but not what

1642

00:53:19,109 --> 00:53:17,440

you would call an islamist

1643

00:53:20,549 --> 00:53:19,119

so that's that's what spread rather odd

1644

00:53:22,630 --> 00:53:20,559

and yeah yeah he did fight

1645

00:53:23,990 --> 00:53:22,640

you know in the the first gulf war and

1646

00:53:26,309 --> 00:53:24,000

then there's also the theory that you

1647

00:53:28,470 --> 00:53:26,319

know he was a

1648

00:53:29,910 --> 00:53:28,480

cia agent you know infiltrating groups

1649

00:53:31,349 --> 00:53:29,920

you know the alex jones that you know

1650

00:53:34,150 --> 00:53:31,359

the alex jones narrative

1651

00:53:36,069 --> 00:53:34,160

i don't know if that's all true i wonder

1652

00:53:39,510 --> 00:53:36,079

but i do have questions about

1653

00:53:40,790 --> 00:53:39,520

the other figure that was involved with

1654

00:53:43,030 --> 00:53:40,800

elohim city

1655

00:53:44,790 --> 00:53:43,040

uh andrea strauss mirror that one i'd be

1656

00:53:48,549 --> 00:53:44,800

in here's the weird thing too

1657

00:53:51,990 --> 00:53:48,559

andrea strauss mere german

1658

00:53:53,349 --> 00:53:52,000

his uh father was not was was actually

1659

00:53:55,430 --> 00:53:53,359

but

1660

00:53:56,710 --> 00:53:55,440

there's questions about that he was uh i

1661

00:53:59,910 --> 00:53:56,720

forget what he was

1662

00:54:03,990 --> 00:53:59,920

he went somewhere in the nazi party

1663

00:54:07,030 --> 00:54:04,000

right but he's also his also his his uh

1664

00:54:10,069 --> 00:54:07,040

his father was was uh

1665

00:54:11,910 --> 00:54:10,079

police chief of hamburg so he's already

1666

00:54:12,950 --> 00:54:11,920

has a presence already in hamburg

1667

00:54:16,710 --> 00:54:12,960

ironically

1668

00:54:19,829 --> 00:54:16,720

this andrea straussman so

1669

00:54:22,069 --> 00:54:19,839

i see i i talk to a lot of people who

1670

00:54:23,589 --> 00:54:22,079

who have like theories like this and you

1671

00:54:25,670 --> 00:54:23,599

you get

1672

00:54:27,910 --> 00:54:25,680

you know what what amounts to uh you

1673

00:54:29,349 --> 00:54:27,920

know a web of names and connections and

1674

00:54:32,309 --> 00:54:29,359

things like that

1675

00:54:33,270 --> 00:54:32,319

yeah and it it seems like it's difficult

1676
00:54:42,470 --> 00:54:33,280
to

1677
00:54:44,390 --> 00:54:42,480
read all these accounts of things this

1678
00:54:46,230 --> 00:54:44,400
person was here at this time and this

1679
00:54:47,910 --> 00:54:46,240
person knew this person and this person

1680
00:54:51,750 --> 00:54:47,920
said this about this and

1681
00:54:55,430 --> 00:54:51,760
this person was seen can you actually

1682
00:54:56,150 --> 00:54:55,440
form like a a good compelling case from

1683
00:54:57,910 --> 00:54:56,160
this

1684
00:54:59,349 --> 00:54:57,920
that would appeal to people other than

1685
00:55:02,710 --> 00:54:59,359
people you know like

1686
00:55:04,630 --> 00:55:02,720
like you who are like really wanting to

1687
00:55:07,510 --> 00:55:04,640
delve into the details i mean

1688
00:55:09,030 --> 00:55:07,520

how what what would it look like if

1689

00:55:11,990 --> 00:55:09,040

you're presenting this case

1690

00:55:13,510 --> 00:55:12,000

to people and is it even possible it's

1691

00:55:14,950 --> 00:55:13,520

possible because it's because we're

1692

00:55:16,630 --> 00:55:14,960

dealing with organized crime

1693

00:55:19,030 --> 00:55:16,640

and when you actually look into that

1694

00:55:22,470 --> 00:55:19,040

when you actually i mean even

1695

00:55:24,789 --> 00:55:22,480

even uh um god michael cherokov said

1696

00:55:26,069 --> 00:55:24,799

there's no way to distinct terrorism

1697

00:55:29,109 --> 00:55:26,079

from organized crime

1698

00:55:30,950 --> 00:55:29,119

it's basically that's basically where

1699

00:55:32,549 --> 00:55:30,960

that's where i see all this is being

1700

00:55:35,349 --> 00:55:32,559

connected and

1701
00:55:35,910 --> 00:55:35,359
yes the way you also trace it is from

1702
00:55:41,109 --> 00:55:35,920
these

1703
00:55:42,470 --> 00:55:41,119
that is the other way you trace it

1704
00:55:44,069 --> 00:55:42,480
because there's many of them there's

1705
00:55:47,990 --> 00:55:44,079
there's you know there's revolving doors

1706
00:55:49,910 --> 00:55:48,000
too so if it's it's organized crime and

1707
00:55:51,510 --> 00:55:49,920
yeah you've done all this investigation

1708
00:55:53,430 --> 00:55:51,520
and you've you've you made these

1709
00:55:56,230 --> 00:55:53,440
connections and stuff

1710
00:55:57,829 --> 00:55:56,240
well why hasn't like the fbi and the caa

1711
00:55:59,589 --> 00:55:57,839
done this are they are they part of the

1712
00:56:02,309 --> 00:55:59,599
plot or are they just

1713
00:56:03,430 --> 00:56:02,319

not interested what's going on there oh

1714

00:56:06,950 --> 00:56:03,440

my god that's

1715

00:56:11,349 --> 00:56:10,230

from every oh well there's my god

1716

00:56:13,829 --> 00:56:11,359

like i don't even know which one to

1717

00:56:15,190 --> 00:56:13,839

start with uh which you know you bring

1718

00:56:19,589 --> 00:56:15,200

up louis free do you

1719

00:56:21,829 --> 00:56:19,599

bring up uh um cheese

1720

00:56:24,069 --> 00:56:21,839

so you know what are you saying that

1721

00:56:25,589 --> 00:56:24,079

that they are part of the plot and that

1722

00:56:27,349 --> 00:56:25,599

no no no i'm saying not the fbi i'm not

1723

00:56:29,030 --> 00:56:27,359

saying the fbi are part of the plot no

1724

00:56:30,549 --> 00:56:29,040

but they have they part of the they're

1725

00:56:32,230 --> 00:56:30,559

part of the cover-up yeah

1726

00:56:34,230 --> 00:56:32,240

could there be some people in the fbi

1727

00:56:36,390 --> 00:56:34,240

involved with it maybe

1728

00:56:38,230 --> 00:56:36,400

i don't know you know i do question

1729

00:56:40,390 --> 00:56:38,240

about people in the cia though

1730

00:56:41,829 --> 00:56:40,400

you know but you know if if if you

1731

00:56:43,510 --> 00:56:41,839

figured all this stuff out

1732

00:56:45,750 --> 00:56:43,520

you know why haven't like a few special

1733

00:56:48,309 --> 00:56:45,760

agents in the fbi figure today oh well

1734

00:56:49,670 --> 00:56:48,319

i wonder if they do i wonder if they'd

1735

00:56:51,349 --> 00:56:49,680

some of them do know

1736

00:56:54,390 --> 00:56:51,359

and they just can't reveal i think a lot

1737

00:56:56,870 --> 00:56:54,400

of it also ties into iran contra as well

1738

00:56:58,470 --> 00:56:56,880

i think a lot of it if you were to if we

1739

00:56:59,910 --> 00:56:58,480

were to find out a lot a lot of these

1740

00:57:01,750 --> 00:56:59,920

groups that we've been funding

1741

00:57:03,190 --> 00:57:01,760

we'll find out that it's also still tied

1742

00:57:06,549 --> 00:57:03,200

into the same the

1743

00:57:07,109 --> 00:57:06,559

drug trade arms trade hiring mercenaries

1744

00:57:09,270 --> 00:57:07,119

you know

1745

00:57:10,870 --> 00:57:09,280

all these all these crimes of moving

1746

00:57:14,069 --> 00:57:10,880

proxies around so

1747

00:57:16,069 --> 00:57:14,079

that's what i think it's about too so so

1748

00:57:18,230 --> 00:57:16,079

what's your plan with uh with the book

1749

00:57:19,990 --> 00:57:18,240

you think you'll get it done in a year

1750

00:57:21,829 --> 00:57:20,000

or so

1751

00:57:23,430 --> 00:57:21,839

i don't know yet but i'm still trying

1752

00:57:25,349 --> 00:57:23,440

i'm still trying to put it all together

1753

00:57:27,030 --> 00:57:25,359

because i'm working on each kind of

1754

00:57:28,870 --> 00:57:27,040

i mean 911 is the most one that takes

1755

00:57:30,630 --> 00:57:28,880

the longest because there's just so much

1756

00:57:32,789 --> 00:57:30,640

hopefully someday i'd like to put it put

1757

00:57:34,630 --> 00:57:32,799

something out by the 20-year anniversary

1758

00:57:36,069 --> 00:57:34,640

are you are you working in any uh do you

1759

00:57:39,270 --> 00:57:36,079

do any documentaries

1760

00:57:41,510 --> 00:57:39,280

yourself yeah yeah i made i've made uh

1761

00:57:42,789 --> 00:57:41,520

one a film called six on seventy seven i

1762

00:57:44,870 --> 00:57:42,799

showed that there was

1763

00:57:46,549 --> 00:57:44,880

a additional and i'm not saying that it

1764

00:57:47,030 --> 00:57:46,559

was only six i think it could actually

1765

00:57:50,789 --> 00:57:47,040

be

1766

00:57:51,750 --> 00:57:50,799

them but that's takes a long time to

1767

00:57:53,829 --> 00:57:51,760

explain

1768

00:57:55,910 --> 00:57:53,839

and then i've also put out one about

1769

00:57:56,950 --> 00:57:55,920

about uh some of the extra hijacking

1770

00:57:58,549 --> 00:57:56,960

attempts

1771

00:58:01,349 --> 00:57:58,559

i've got one that's kind of on the basic

1772

00:58:03,910 --> 00:58:01,359

stuff just you know the explosives the

1773

00:58:04,630 --> 00:58:03,920

israelis the you know all you know all

1774

00:58:07,510 --> 00:58:04,640

the kind of

1775

00:58:08,309 --> 00:58:07,520

general stuff but not not the outlandish

1776

00:58:10,150 --> 00:58:08,319

you know

1777

00:58:12,390 --> 00:58:10,160

yeah what kind of reaction are you

1778

00:58:14,150 --> 00:58:12,400

getting from from people in the 911

1779

00:58:14,789 --> 00:58:14,160

community when you put out uh you know

1780

00:58:19,270 --> 00:58:14,799

these

1781

00:58:21,430 --> 00:58:19,280

it some people

1782

00:58:23,589 --> 00:58:21,440

some people are totally for it i mean

1783

00:58:24,950 --> 00:58:23,599

some people just don't i mean i don't

1784

00:58:27,109 --> 00:58:24,960

well at the same time i'm not getting

1785

00:58:28,870 --> 00:58:27,119

the same kind of circulation data you

1786

00:58:30,710 --> 00:58:28,880

don't get to say

1787

00:58:31,990 --> 00:58:30,720

you know what the algorithms now and all

1788

00:58:34,549 --> 00:58:32,000

that um

1789

00:58:36,230 --> 00:58:34,559

my reactions i mean my responses for the

1790

00:58:38,230 --> 00:58:36,240

most part they're good uh

1791

00:58:40,390 --> 00:58:38,240

some people don't like it because i'm

1792

00:58:41,349 --> 00:58:40,400

not talking about the cia here and the

1793

00:58:42,710 --> 00:58:41,359

cia there

1794

00:58:44,230 --> 00:58:42,720

i get a lot of those people like why

1795

00:58:45,589 --> 00:58:44,240

aren't you talking about the bankers why

1796

00:58:47,190 --> 00:58:45,599

aren't you

1797

00:58:49,270 --> 00:58:47,200

because i don't see no evidence of that

1798

00:58:51,750 --> 00:58:49,280

i'm trying to follow

1799

00:58:52,390 --> 00:58:51,760

hard trails and actual organizations

1800

00:58:54,789 --> 00:58:52,400

yeah

1801

00:58:56,069 --> 00:58:54,799

interesting stuff well i look forward to

1802

00:58:59,589 --> 00:58:56,079

to reading your book

1803

00:59:00,470 --> 00:58:59,599

uh in a while i know how difficult it is

1804

00:59:02,549 --> 00:59:00,480

to get a book out

1805

00:59:03,670 --> 00:59:02,559

it took me uh quite a long time to get

1806

00:59:06,069 --> 00:59:03,680

mine written

1807

00:59:07,670 --> 00:59:06,079

so yeah yeah it's uh and obviously you

1808

00:59:11,190 --> 00:59:07,680

want to read book actually

1809

00:59:12,710 --> 00:59:11,200

actually yeah it's uh it's

1810

00:59:14,870 --> 00:59:12,720

yeah you might find this stuff

1811

00:59:17,349 --> 00:59:14,880

interesting about you know steve who was

1812

00:59:19,190 --> 00:59:17,359

was uh yeah someone you knew

1813

00:59:21,190 --> 00:59:19,200

yeah and that ed brotherton as well not

1814

00:59:24,470 --> 00:59:21,200

a brotherton um

1815

00:59:25,829 --> 00:59:24,480

what's his name edward said yeah yeah

1816

00:59:27,910 --> 00:59:25,839

yeah i was thinking about recurrent the

1817

00:59:28,549 --> 00:59:27,920

other guy no but there's something

1818

00:59:30,710 --> 00:59:28,559

there's something

1819

00:59:31,990 --> 00:59:30,720

about the the uh the title that you said

1820

00:59:33,670 --> 00:59:32,000

because it's something i try to tell

1821

00:59:35,510 --> 00:59:33,680

people too it's just like yeah you gotta

1822

00:59:36,950 --> 00:59:35,520

talk about you guys talk about going

1823

00:59:37,430 --> 00:59:36,960

into the rabbit hole but remember one

1824

00:59:40,069 --> 00:59:37,440

thing

1825

00:59:41,589 --> 00:59:40,079

it's a hole yeah you'll stay there

1826
00:59:44,230 --> 00:59:41,599
you'll stay there scared and you'll

1827
00:59:45,270 --> 00:59:44,240
yeah well uh i think we've done about an

1828
00:59:47,430 --> 00:59:45,280
hour that was uh

1829
00:59:49,589 --> 00:59:47,440
it was very interesting and uh yeah i

1830
00:59:52,069 --> 00:59:49,599
really liked hearing your perspective on

1831
00:59:53,990 --> 00:59:52,079
on the old days as it were well i guess

1832
00:59:57,270 --> 00:59:54,000
that was like over 10 years ago

1833
00:59:59,030 --> 00:59:57,280
now yeah yeah all right uh

1834
01:00:01,270 --> 00:59:59,040
okay anything else you want to want to

1835
01:00:03,349 --> 01:00:01,280
add before we uh we wrap things up um

1836
01:00:05,190 --> 01:00:03,359
no that's just about it that's about it

1837
01:00:06,230 --> 01:00:05,200
just check out my films i just have a i

1838
01:00:07,910 --> 01:00:06,240

have a

1839

01:00:10,069 --> 01:00:07,920

channel called truth or tv not

1840

01:00:12,829 --> 01:00:10,079

necessarily the greatest name because

1841

01:00:16,950 --> 01:00:12,839

i don't get along with those truthers
