GEORGIA SECRETARY OF STATE'S OFFICE
HOLDS PRESS CONFERENCE

1
00:00:03,350 --> 00:00:02,189
so let's start if you go to

2
00:00:05,670 --> 00:00:03,360
securevotega.com

3
00:00:06,710 --> 00:00:05,680
we have posted all the videos from state

4
00:00:09,990 --> 00:00:06,720
farm for that day

5
00:00:11,350 --> 00:00:10,000
that cover the relevant periods 5 23 a.m

6
00:00:13,110 --> 00:00:11,360
they walk in and they discover what is

7
00:00:15,430 --> 00:00:13,120
essentially a pond on the floor where

8
00:00:17,590 --> 00:00:15,440
you can see water coming out of the sky

9
00:00:19,269 --> 00:00:17,600
so they say okay we can't do our work

10
00:00:20,470 --> 00:00:19,279
here this morning they call in the state

11
00:00:21,590 --> 00:00:20,480
farm people it's not fulton county

12
00:00:22,950 --> 00:00:21,600
people which is one of the other things

13
00:00:24,390 --> 00:00:22,960

they said there's no fulton county work

14

00:00:24,790 --> 00:00:24,400

order to fix the water leak and guess

15

00:00:26,390 --> 00:00:24,800

what

16

00:00:28,310 --> 00:00:26,400

it wasn't in a fulton county facility it

17

00:00:30,230 --> 00:00:28,320

was the state farm so they were the ones

18

00:00:31,269 --> 00:00:30,240

who fixed the leak and it was a urinal

19

00:00:32,950 --> 00:00:31,279

that was overflowed because they were

20

00:00:33,990 --> 00:00:32,960

turned off because guess what nobody's

21

00:00:35,830 --> 00:00:34,000

in state farm

22

00:00:37,110 --> 00:00:35,840

because of covet other than this

23

00:00:38,310 --> 00:00:37,120

particular usage

24

00:00:39,670 --> 00:00:38,320

so they turned off all those things and

25

00:00:41,750 --> 00:00:39,680

it went over the edge of the relief

26
00:00:44,470 --> 00:00:41,760
valve and that's what caused the leak

27
00:00:46,150 --> 00:00:44,480
so they come in then you go to another

28
00:00:48,549 --> 00:00:46,160
one about seven in the morning or so

29
00:00:50,470 --> 00:00:48,559
where you have essentially the i don't

30
00:00:51,990 --> 00:00:50,480
know what to call it the drying zamboni

31
00:00:54,150 --> 00:00:52,000
that's driving around on the carpet

32
00:00:56,229 --> 00:00:54,160
cleaning it all up then at about seven

33
00:00:58,069 --> 00:00:56,239
or eight twenty three you see a woman

34
00:01:00,150 --> 00:00:58,079
bringing in the table in question that

35
00:01:02,470 --> 00:01:00,160
has been the point of mr giuliani's

36
00:01:04,469 --> 00:01:02,480
90 second clip she's pulling it with one

37
00:01:05,590 --> 00:01:04,479
hand and she sets it down there's

38
00:01:08,710 --> 00:01:05,600

nothing underneath it

39

00:01:10,630 --> 00:01:08,720

okay then

40

00:01:13,830 --> 00:01:10,640

you can fast forward to later in the day

41

00:01:15,270 --> 00:01:13,840

about 9 45 or so

42

00:01:16,710 --> 00:01:15,280

everybody there there are two groups of

43

00:01:18,149 --> 00:01:16,720

people there there's cutters and there

44

00:01:19,830 --> 00:01:18,159

are scanners

45

00:01:21,109 --> 00:01:19,840

what happened was the cutters began

46

00:01:22,390 --> 00:01:21,119

putting their stuff away because

47

00:01:23,350 --> 00:01:22,400

everybody's under the impression they

48

00:01:24,550 --> 00:01:23,360

were going to get home we have

49

00:01:28,230 --> 00:01:24,560

discovered this

50

00:01:29,590 --> 00:01:28,240

so they start putting covers over the

51
00:01:31,749 --> 00:01:29,600
cutting machines and everything

52
00:01:33,429 --> 00:01:31,759
so then we see also while the monitors

53
00:01:35,510 --> 00:01:33,439
in the press are still in the room

54
00:01:37,910 --> 00:01:35,520
they bring out the carriers which are

55
00:01:39,830 --> 00:01:37,920
normal absentee ballot carriers

56
00:01:41,590 --> 00:01:39,840
and i will admit when i listened to the

57
00:01:42,710 --> 00:01:41,600
audio of the phone call and the

58
00:01:44,310 --> 00:01:42,720
president brought that up again and i

59
00:01:46,069 --> 00:01:44,320
heard it on radio ad again today

60
00:01:47,990 --> 00:01:46,079
i wanted to scream well i did scream to

61
00:01:50,230 --> 00:01:48,000
the computer and i screamed in my car

62
00:01:51,590 --> 00:01:50,240
at the radio talking about this because

63
00:01:52,950 --> 00:01:51,600

this has been thoroughly debunked they

64

00:01:53,749 --> 00:01:52,960

bring out the normal absentee ballot

65

00:01:55,749 --> 00:01:53,759

carriers

66

00:01:57,830 --> 00:01:55,759

there are monitors in the room there is

67

00:01:58,950 --> 00:01:57,840

press in the room they take the ballots

68

00:02:00,709 --> 00:01:58,960

that have been opened

69

00:02:02,709 --> 00:02:00,719

put them in carrier trays and put them

70

00:02:04,230 --> 00:02:02,719

in there and then

71

00:02:05,830 --> 00:02:04,240

put them in the boxes put the lid on the

72

00:02:08,070 --> 00:02:05,840

lid matches the box

73

00:02:09,910 --> 00:02:08,080

and then you see at one point during the

74

00:02:11,589 --> 00:02:09,920

video a woman crawling on the floor

75

00:02:13,430 --> 00:02:11,599

putting the numbered seals on him so

76

00:02:16,949 --> 00:02:13,440

they can keep the chain of custody

77

00:02:18,710 --> 00:02:16,959

approximately 10 25 10 30

78

00:02:20,390 --> 00:02:18,720

the secretary in our office receives

79

00:02:21,030 --> 00:02:20,400

word that fulton county is shutting down

80

00:02:24,390 --> 00:02:21,040

for the night

81

00:02:25,270 --> 00:02:24,400

at um state farm arena so as some of

82

00:02:27,670 --> 00:02:25,280

y'all who were there

83

00:02:28,949 --> 00:02:27,680

on election i'd recall the secretary got

84

00:02:30,390 --> 00:02:28,959

a little irritated with this

85

00:02:31,670 --> 00:02:30,400

and made his feelings quite known that

86

00:02:32,790 --> 00:02:31,680

he said some of us will be working

87

00:02:34,150 --> 00:02:32,800

through the night we're glad to see that

88

00:02:35,670 --> 00:02:34,160

fulton county sees the need to just go

89

00:02:38,070 --> 00:02:35,680

ahead and knock off for the evening

90

00:02:39,509 --> 00:02:38,080

so chris harvey our elections director

91

00:02:40,869 --> 00:02:39,519

ben calls rick baron the election

92

00:02:41,830 --> 00:02:40,879

director fulton county who was at the

93

00:02:43,589 --> 00:02:41,840

other location

94

00:02:45,030 --> 00:02:43,599

which was their english street warehouse

95

00:02:46,309 --> 00:02:45,040

because he was doing election day

96

00:02:48,949 --> 00:02:46,319

activities

97

00:02:49,750 --> 00:02:48,959

chris calls rick rick says we're not

98

00:02:52,070 --> 00:02:49,760

shutting down

99

00:02:53,990 --> 00:02:52,080

well chris says it looks like you are so

100

00:02:55,990 --> 00:02:54,000

then you can go back to the videotape

101
00:02:57,110 --> 00:02:56,000
and see ralph jones take a phone call of

102
00:03:00,630 --> 00:02:57,120
approximately

103
00:03:01,990 --> 00:03:00,640
almost 11 o'clock and you can see his

104
00:03:03,270 --> 00:03:02,000
shoulders kind of shrug he takes the

105
00:03:04,630 --> 00:03:03,280
phone call he's being told at that point

106
00:03:08,470 --> 00:03:04,640
by his boss rick baron

107
00:03:10,630 --> 00:03:08,480
you need to stay and continue to um scam

108
00:03:12,309 --> 00:03:10,640
so he came to the phone he goes over to

109
00:03:13,990 --> 00:03:12,319
some boxes put some more seals on him

110
00:03:15,830 --> 00:03:14,000
because obviously if you watch the

111
00:03:16,710 --> 00:03:15,840
videotape many of the people that are

112
00:03:20,229 --> 00:03:16,720
there

113
00:03:21,350 --> 00:03:20,239

morning it's already 11 o'clock at night

114

00:03:23,110 --> 00:03:21,360

they were all under the impression they

115

00:03:25,589 --> 00:03:23,120

were going to get to go home

116

00:03:26,309 --> 00:03:25,599

so you see him spend about 30 seconds

117

00:03:27,990 --> 00:03:26,319

going heck

118

00:03:29,670 --> 00:03:28,000

what am i going to say to these people

119

00:03:30,789 --> 00:03:29,680

so he walks back over the corner of a

120

00:03:32,070 --> 00:03:30,799

desk and says

121

00:03:33,910 --> 00:03:32,080

i got the word we got to keep on

122

00:03:36,070 --> 00:03:33,920

scanning so

123

00:03:37,830 --> 00:03:36,080

they go back to the boxes that they you

124

00:03:39,990 --> 00:03:37,840

see them put under the table

125

00:03:41,509 --> 00:03:40,000

at the approximately 10 o'clock hour

126

00:03:43,190 --> 00:03:41,519

there is videotape of this

127

00:03:44,949 --> 00:03:43,200

and this is what's really frustrating

128

00:03:47,110 --> 00:03:44,959

the president's legal team

129

00:03:48,309 --> 00:03:47,120

had the entire tape they watched the

130

00:03:49,589 --> 00:03:48,319

entire tape and then

131

00:03:51,589 --> 00:03:49,599

from our point of view intentionally

132

00:03:53,589 --> 00:03:51,599

misled the state senate voters and the

133

00:03:55,830 --> 00:03:53,599

people united states about this

134

00:03:57,830 --> 00:03:55,840

it was intentional it was obvious and

135

00:04:00,390 --> 00:03:57,840

anybody watching this knows that

136

00:04:01,830 --> 00:04:00,400

anyone watching it knows that that's why

137

00:04:03,190 --> 00:04:01,840

we released the entire take for people

138

00:04:04,869 --> 00:04:03,200

to watch
