

1
00:00:03,510 --> 00:00:01,910
this photo of the bidens and the carters

2
00:00:05,030 --> 00:00:03,520
looks a bit odd some people have even

3
00:00:07,190 --> 00:00:05,040
said that it's fake

4
00:00:09,190 --> 00:00:07,200
but uh biden's just a little bit further

5
00:00:11,110 --> 00:00:09,200
forward in this photo than mrs carter

6
00:00:12,789 --> 00:00:11,120
you can see his hand on the chair here

7
00:00:13,910 --> 00:00:12,799
so it's really just perspective it's a

8
00:00:16,150 --> 00:00:13,920
wide-angle lens

9
00:00:17,590 --> 00:00:16,160
and a small room a lot of people have a

10
00:00:19,910 --> 00:00:17,600
hard time visualizing this

11
00:00:21,910 --> 00:00:19,920
so i set up a quick experiment myself

12
00:00:23,509 --> 00:00:21,920
with a wide-angle lens and a chair

13
00:00:25,189 --> 00:00:23,519

and i sat in the chair and then i moved

14

00:00:26,790 --> 00:00:25,199

to the position biden's in and then i

15

00:00:27,269 --> 00:00:26,800

overlaid the two and you get the same

16

00:00:29,349 --> 00:00:27,279

effect
