

1
00:00:03,110 --> 00:00:01,350
so some people are claiming that if you

2
00:00:03,830 --> 00:00:03,120
take a magnet like this little magnet

3
00:00:08,470 --> 00:00:03,840
here

4
00:00:10,629 --> 00:00:08,480
vaccinated and you put the magnet

5
00:00:12,390 --> 00:00:10,639
uh on your arm then the magnet is going

6
00:00:14,150 --> 00:00:12,400
to stick to your arm which

7
00:00:15,589 --> 00:00:14,160
it does in fact do here is the magnet

8
00:00:17,830 --> 00:00:15,599
sticking to my arm

9
00:00:20,310 --> 00:00:17,840
does this mean i'm magnetic uh no it

10
00:00:22,710 --> 00:00:20,320
does not actually mean i'm magnetic

11
00:00:24,390 --> 00:00:22,720
for to prove that i've got a a dime

12
00:00:25,189 --> 00:00:24,400
which is not magnetic at all you see

13
00:00:27,830 --> 00:00:25,199

it's not

14

00:00:28,790 --> 00:00:27,840

attracted to this magnet and i can take

15

00:00:30,950 --> 00:00:28,800

this dime

16

00:00:33,270 --> 00:00:30,960

i can do exactly the same thing the dime

17

00:00:35,750 --> 00:00:33,280

is stuck to my arm exactly the same as

18

00:00:37,190 --> 00:00:35,760

as the magnet was uh what's going on

19

00:00:39,750 --> 00:00:37,200

here is that the

20

00:00:41,270 --> 00:00:39,760

skin of my arm is just a little bit oily

21

00:00:43,030 --> 00:00:41,280

and it's not naturally oily my

22

00:00:45,029 --> 00:00:43,040

my arms are not naturally oily so what i

23

00:00:47,830 --> 00:00:45,039

did was i used a little bit of

24

00:00:49,110 --> 00:00:47,840

ointment here and just simply uh smeared

25

00:00:51,910 --> 00:00:49,120

it on to make my

26

00:00:53,750 --> 00:00:51,920

my arm oily uh other parts of my body

27

00:00:56,150 --> 00:00:53,760

are actually naturally oily my my nose

28

00:00:57,670 --> 00:00:56,160

is naturally oily as many people's noses

29

00:00:59,830 --> 00:00:57,680

are and you can do the little magnetic

30

00:01:00,709 --> 00:00:59,840

magic trick where a coin will stick to

31

00:01:02,470 --> 00:01:00,719

your nose

32

00:01:03,910 --> 00:01:02,480

a magnet of course will stick to it too

33

00:01:05,750 --> 00:01:03,920

and you could claim that uh

34

00:01:07,910 --> 00:01:05,760

you are in fact magnetic when you're

35

00:01:08,310 --> 00:01:07,920

actually not so this is just kind of

36

00:01:11,429 --> 00:01:08,320

like

37

00:01:15,749 --> 00:01:11,439

an old magic trick that has been kind of

38

00:01:18,149 --> 00:01:15,759

repurposed for this silly coronavirus uh

39

00:01:20,230 --> 00:01:18,159

hoax essentially making people think

40

00:01:22,550 --> 00:01:20,240

that they've got some kind of

41

00:01:24,390 --> 00:01:22,560

metal in their body because they had

42

00:01:25,830 --> 00:01:24,400

this this injection here's the whole

43

00:01:27,670 --> 00:01:25,840

thing about the microchip and everything

44

00:01:29,910 --> 00:01:27,680

which is completely nonsense

45

00:01:32,230 --> 00:01:29,920

and but it there's no maybe something

46

00:01:34,710 --> 00:01:32,240

going on at all and in fact if i was to

47

00:01:36,710 --> 00:01:34,720

take a coin and try to do it on my other

48

00:01:37,429 --> 00:01:36,720

arm like which isn't actually oily it

49

00:01:39,190 --> 00:01:37,439

would

50

00:01:40,710 --> 00:01:39,200

not work and if i was to take this this

51

00:01:43,109 --> 00:01:40,720

magnet and

52

00:01:43,910 --> 00:01:43,119

remove the oil from it i'm going to use

53

00:01:46,469 --> 00:01:43,920

this little

54

00:01:47,830 --> 00:01:46,479

alcohol wipe here and remove the oil

55

00:01:50,950 --> 00:01:47,840

from it

56

00:01:51,910 --> 00:01:50,960

and just take one second here and then

57

00:01:55,030 --> 00:01:51,920

try to

58

00:01:57,350 --> 00:01:55,040

stick that on my other arm here

59

00:01:59,910 --> 00:01:57,360

it's probably not going to stick because

60

00:02:03,910 --> 00:02:02,789

no longer oily this trick of course is

61

00:02:07,350 --> 00:02:03,920

an old one that

62

00:02:08,309 --> 00:02:07,360

magicians do and it was exposed very

63

00:02:11,110 --> 00:02:08,319

very well by

64
00:02:13,030 --> 00:02:11,120
james randy many years ago where the the

65
00:02:14,630 --> 00:02:13,040
simple trick which you do to expose it

66
00:02:15,750 --> 00:02:14,640
is to get someone to sprinkle something

67
00:02:17,510 --> 00:02:15,760
like baby powder

68
00:02:19,510 --> 00:02:17,520
on the skin which dries it out and when

69
00:02:20,390 --> 00:02:19,520
they try to put the the metal object or

70
00:02:23,430 --> 00:02:20,400
the magnet

71
00:02:25,350 --> 00:02:23,440
on their skin it will just slide off but

72
00:02:26,949 --> 00:02:25,360
a lot of people have naturally oily skin

73
00:02:28,550 --> 00:02:26,959
and they can do it other people that

74
00:02:29,990 --> 00:02:28,560
don't have naturally oily skin you can

75
00:02:30,630 --> 00:02:30,000
just use a little bit of ointment and

76

00:02:33,030 --> 00:02:30,640

that will

77

00:02:35,190 --> 00:02:33,040

will do the trick but just because i

78

00:02:37,910 --> 00:02:35,200

have the vaccine here it doesn't mean

79

00:02:38,350 --> 00:02:37,920

that it's magnetic any more than my nose
