

1
00:00:04,950 --> 00:00:03,189
all right so uh so so welcome zach so i

2
00:00:06,309 --> 00:00:04,960
think like first of all let's uh kind of

3
00:00:08,629 --> 00:00:06,319
set the stage

4
00:00:11,749 --> 00:00:08,639
uh what we're talking about

5
00:00:14,789 --> 00:00:11,759
and so we're talking about the ignition

6
00:00:16,790 --> 00:00:14,799
forum yeah the ignatius forum and the

7
00:00:19,029 --> 00:00:16,800
ignatius family i believe is just a

8
00:00:21,590 --> 00:00:19,039
bunch of philanthropists well-connected

9
00:00:23,750 --> 00:00:21,600
people in washington who host these

10
00:00:25,750 --> 00:00:23,760
these forums every now and then and they

11
00:00:27,349 --> 00:00:25,760
had this forum at the washington

12
00:00:29,669 --> 00:00:27,359
national cathedral

13
00:00:31,269 --> 00:00:29,679

called our future in space which was

14

00:00:34,069 --> 00:00:31,279

held yesterday

15

00:00:36,709 --> 00:00:34,079

uh yesterday evening and they had uh a

16

00:00:37,830 --> 00:00:36,719

bunch of guests discussing the future of

17

00:00:38,790 --> 00:00:37,840

space

18

00:00:40,310 --> 00:00:38,800

and

19

00:00:41,750 --> 00:00:40,320

it says so i'll just read the

20

00:00:43,510 --> 00:00:41,760

description real quick so people get an

21

00:00:44,869 --> 00:00:43,520

overview it says space is a new frontier

22

00:00:46,630 --> 00:00:44,879

for humanity

23

00:00:48,310 --> 00:00:46,640

nasa is planning a next generation of

24

00:00:50,549 --> 00:00:48,320

exploration scientists are debating the

25

00:00:52,229 --> 00:00:50,559

possibility of extraterrestrial life and

26
00:00:54,389 --> 00:00:52,239
military planners are developing weapons

27
00:00:56,150 --> 00:00:54,399
for space warfare what does this space

28
00:00:58,150 --> 00:00:56,160
rush mean at a moment when private

29
00:00:59,590 --> 00:00:58,160
citizens are launching spaceships and

30
00:01:01,349 --> 00:00:59,600
the director of national intelligence

31
00:01:03,349 --> 00:01:01,359
has released a report assessing an

32
00:01:04,950 --> 00:01:03,359
identified aerial phenomenon

33
00:01:06,950 --> 00:01:04,960
as we look towards the heavens what does

34
00:01:08,630 --> 00:01:06,960
the possibility of life out there mean

35
00:01:10,550 --> 00:01:08,640
for our religious life

36
00:01:13,190 --> 00:01:10,560
and then they've got a bunch of uh of

37
00:01:15,910 --> 00:01:13,200
guests uh

38
00:01:18,630 --> 00:01:15,920

the first one were that appeared was

39

00:01:21,350 --> 00:01:18,640

bill nelson the head of nasa nasa

40

00:01:23,670 --> 00:01:21,360

administrator bill nelson former senator

41

00:01:26,310 --> 00:01:23,680

and former astronaut i believe

42

00:01:29,429 --> 00:01:26,320

uh and the director of national

43

00:01:31,990 --> 00:01:29,439

intelligence avril haynes

44

00:01:34,390 --> 00:01:32,000

and then jeff bezos

45

00:01:36,390 --> 00:01:34,400

uh head of amazon and the blue origin

46

00:01:38,710 --> 00:01:36,400

space program came on

47

00:01:41,749 --> 00:01:38,720

and then finally they had avi loeb

48

00:01:43,670 --> 00:01:41,759

right and david wilkerson an avialobe is

49

00:01:45,429 --> 00:01:43,680

an astronomer who's

50

00:01:46,789 --> 00:01:45,439

written a book called extraterrestrial

51
00:01:48,630 --> 00:01:46,799
and is setting up this program called

52
00:01:51,109 --> 00:01:48,640
the galileo program

53
00:01:52,950 --> 00:01:51,119
to look into the possibility of

54
00:01:54,950 --> 00:01:52,960
getting a good photograph of a ufo

55
00:01:57,190 --> 00:01:54,960
basically that's the main thrust of the

56
00:01:59,990 --> 00:01:57,200
program as well as studying things like

57
00:02:02,069 --> 00:02:00,000
the omua mua interstellar object that

58
00:02:03,030 --> 00:02:02,079
flew through the solar system yeah kind

59
00:02:03,830 --> 00:02:03,040
of a

60
00:02:05,830 --> 00:02:03,840
sort of

61
00:02:07,749 --> 00:02:05,840
general research thing trying to look

62
00:02:09,510 --> 00:02:07,759
for uh actual evidence yeah

63
00:02:10,469 --> 00:02:09,520

extraterrestrial life yeah

64

00:02:12,309 --> 00:02:10,479

yeah

65

00:02:13,270 --> 00:02:12,319

artifacts of extraterrestrial life and

66

00:02:14,790 --> 00:02:13,280

that's that's kind of like the

67

00:02:16,710 --> 00:02:14,800

difference between him and other people

68

00:02:20,229 --> 00:02:16,720

like you know seti searches for radio

69

00:02:22,710 --> 00:02:20,239

signals and avi loeb wants to search for

70

00:02:24,229 --> 00:02:22,720

physical objects physical artifacts and

71

00:02:25,750 --> 00:02:24,239

specifically ones that are within our

72

00:02:29,430 --> 00:02:25,760

solar system

73

00:02:31,190 --> 00:02:29,440

like if aliens have come to visit us

74

00:02:33,910 --> 00:02:31,200

more power to him yeah totally support

75

00:02:35,750 --> 00:02:33,920

it yeah yeah no i know i'm uh i talked

76
00:02:37,990 --> 00:02:35,760
to him i had him on the the show uh like

77
00:02:39,830 --> 00:02:38,000
a few months ago and um

78
00:02:41,589 --> 00:02:39,840
i'd be all for getting more photographs

79
00:02:43,430 --> 00:02:41,599
of ufos because

80
00:02:44,630 --> 00:02:43,440
it can only help if we if we get better

81
00:02:45,589 --> 00:02:44,640
photographs

82
00:02:47,670 --> 00:02:45,599
um

83
00:02:49,589 --> 00:02:47,680
and the final guy david wilkerson david

84
00:02:52,550 --> 00:02:49,599
wilkerson is a theologian and

85
00:02:54,790 --> 00:02:52,560
astrophysicist british guy i think uh

86
00:02:58,550 --> 00:02:54,800
and he talks a bit about kind of the

87
00:02:59,990 --> 00:02:58,560
religious uh aspects of it but he's also

88
00:03:01,670 --> 00:03:00,000

also an astrophysicist so i guess he

89

00:03:02,550 --> 00:03:01,680

talked about some of the physics as well

90

00:03:04,149 --> 00:03:02,560

but

91

00:03:05,910 --> 00:03:04,159

what we want to focus on mostly is kind

92

00:03:07,430 --> 00:03:05,920

of like we had a little bit of a desktop

93

00:03:08,869 --> 00:03:07,440

on twitter

94

00:03:10,630 --> 00:03:08,879

uh earlier where

95

00:03:12,390 --> 00:03:10,640

you were talking about

96

00:03:13,910 --> 00:03:12,400

uh what overall

97

00:03:16,149 --> 00:03:13,920

haines the director of national

98

00:03:19,030 --> 00:03:16,159

intelligence was talking about and you

99

00:03:20,070 --> 00:03:19,040

think that it's very significant and i

100

00:03:22,229 --> 00:03:20,080

was

101
00:03:24,070 --> 00:03:22,239
saying not so when you give your uh your

102
00:03:25,509 --> 00:03:24,080
take on it first and then we'll

103
00:03:27,589 --> 00:03:25,519
go from there

104
00:03:29,830 --> 00:03:27,599
yeah um i mean

105
00:03:32,949 --> 00:03:29,840
this is this is the very complicated and

106
00:03:35,509 --> 00:03:32,959
nuanced issue that i don't think can be

107
00:03:37,190 --> 00:03:35,519
hashed out easily over twitter

108
00:03:38,470 --> 00:03:37,200
um yeah

109
00:03:42,229 --> 00:03:38,480
the gist of

110
00:03:44,550 --> 00:03:42,239
how i feel about what is taking place

111
00:03:46,710 --> 00:03:44,560
right now with regards to the uap issue

112
00:03:49,350 --> 00:03:46,720
is that i think

113
00:03:50,869 --> 00:03:49,360

so if i come at it from your perspective

114

00:03:53,350 --> 00:03:50,879

if i come at it from a skeptical

115

00:03:55,830 --> 00:03:53,360

position or or attempt to try to put put

116

00:03:58,229 --> 00:03:55,840

myself in the shoes of someone who

117

00:04:00,550 --> 00:03:58,239

honestly the general population most

118

00:04:03,190 --> 00:04:00,560

people don't really take this stuff

119

00:04:06,789 --> 00:04:03,200

super seriously

120

00:04:07,750 --> 00:04:06,799

why is the the u.s government doing any

121

00:04:09,509 --> 00:04:07,760

of this

122

00:04:11,589 --> 00:04:09,519

is kind of the question that i would

123

00:04:13,670 --> 00:04:11,599

have right so

124

00:04:14,630 --> 00:04:13,680

why is it that the senate intelligence

125

00:04:17,270 --> 00:04:14,640

committee

126

00:04:21,189 --> 00:04:17,280

uh decided to look at this issue

127

00:04:22,870 --> 00:04:21,199

use the term the acronym uh uaep

128

00:04:26,310 --> 00:04:22,880

um

129

00:04:29,510 --> 00:04:26,320

which is known it's associated right

130

00:04:33,030 --> 00:04:29,520

with this with this idea in the um in in

131

00:04:35,030 --> 00:04:33,040

pop culture at this point thanks to tsa

132

00:04:36,790 --> 00:04:35,040

and thanks to luella zondo and

133

00:04:39,510 --> 00:04:36,800

christopher mellon thanks to those

134

00:04:41,350 --> 00:04:39,520

people that term that acronym is

135

00:04:42,710 --> 00:04:41,360

directly associated

136

00:04:44,950 --> 00:04:42,720

with

137

00:04:47,990 --> 00:04:44,960

aliens whether we like it or not like it

138

00:04:49,990 --> 00:04:48,000

is right so whenever there is

139

00:04:52,469 --> 00:04:50,000

whenever there's anything in the media

140

00:04:55,590 --> 00:04:52,479

having to do with uap anytime the

141

00:04:58,150 --> 00:04:55,600

government sneezes uap

142

00:04:59,510 --> 00:04:58,160

there is a barrage of headlines that

143

00:05:02,870 --> 00:04:59,520

come out of

144

00:05:06,550 --> 00:05:02,880

everybody right everything from the the

145

00:05:07,990 --> 00:05:06,560

the tabloids you know to uh you know

146

00:05:09,510 --> 00:05:08,000

real uh

147

00:05:13,430 --> 00:05:09,520

reporting coming out of the new york

148

00:05:16,390 --> 00:05:13,440

times the washington post etc etc uh

149

00:05:18,550 --> 00:05:16,400

talking about this as if you know are we

150

00:05:20,790 --> 00:05:18,560

talking about aliens right

151
00:05:22,870 --> 00:05:20,800
and my argument is

152
00:05:25,430 --> 00:05:22,880
they must know

153
00:05:28,629 --> 00:05:25,440
at this point avril haines

154
00:05:30,950 --> 00:05:28,639
must know at this point that when

155
00:05:33,830 --> 00:05:30,960
they're using this language

156
00:05:36,790 --> 00:05:33,840
and maybe appearing at this conference

157
00:05:38,870 --> 00:05:36,800
they must know that

158
00:05:41,590 --> 00:05:38,880
the what they are doing is they are

159
00:05:44,390 --> 00:05:41,600
signaling to a whole lot of people

160
00:05:47,029 --> 00:05:44,400
that hey this thing that you believe

161
00:05:48,469 --> 00:05:47,039
that you the a lot of people are ready

162
00:05:52,870 --> 00:05:48,479
and willing to believe as you know

163
00:05:59,270 --> 00:05:55,590

it's not throwing cold water on it it's

164

00:06:02,550 --> 00:05:59,280

actually leaving the door wide open

165

00:06:05,270 --> 00:06:02,560

right sure and and this is kind of where

166

00:06:06,950 --> 00:06:05,280

i guess you and i this is the the crux

167

00:06:09,749 --> 00:06:06,960

of our disagreement

168

00:06:11,830 --> 00:06:09,759

is i do you actually feel that it is

169

00:06:12,950 --> 00:06:11,840

someone's responsibility i don't know

170

00:06:16,390 --> 00:06:12,960

who

171

00:06:17,510 --> 00:06:16,400

i can't point into like i can't press

172

00:06:19,270 --> 00:06:17,520

someone

173

00:06:21,909 --> 00:06:19,280

well i mean avril haynes is a good

174

00:06:25,670 --> 00:06:21,919

example um should the director of

175

00:06:29,189 --> 00:06:25,680

national national intelligence

176
00:06:31,270 --> 00:06:29,199
knowingly be going to these conferences

177
00:06:33,350 --> 00:06:31,280
or talking about this issue or even

178
00:06:34,550 --> 00:06:33,360
issuing the uap report

179
00:06:37,029 --> 00:06:34,560
um

180
00:06:38,710 --> 00:06:37,039
knowing that we're leaving this door

181
00:06:40,550 --> 00:06:38,720
wide open to the possibility of

182
00:06:42,870 --> 00:06:40,560
extraterrestrial life

183
00:06:45,749 --> 00:06:42,880
right knowing that there are people out

184
00:06:49,350 --> 00:06:45,759
there who are going to fill in the blank

185
00:06:51,110 --> 00:06:49,360
of what's not in the report right

186
00:06:52,790 --> 00:06:51,120
it should work

187
00:06:54,790 --> 00:06:52,800
yeah yeah

188
00:06:56,550 --> 00:06:54,800

there are people out there but you know

189

00:06:58,469 --> 00:06:56,560

how many people i guess is partly the

190

00:06:59,830 --> 00:06:58,479

issue there yeah

191

00:07:01,670 --> 00:06:59,840

you said obviously people are going to

192

00:07:03,430 --> 00:07:01,680

get excited and i knew that people would

193

00:07:05,110 --> 00:07:03,440

get excited because every time someone

194

00:07:06,469 --> 00:07:05,120

talks about the topic you know people

195

00:07:08,550 --> 00:07:06,479

get excited

196

00:07:09,749 --> 00:07:08,560

uh but if you look at their reaction to

197

00:07:12,070 --> 00:07:09,759

what's happened

198

00:07:14,469 --> 00:07:12,080

i did a search of like news i just did

199

00:07:17,350 --> 00:07:14,479

search for i think dni

200

00:07:19,189 --> 00:07:17,360

and uap just those two terms together

201
00:07:20,150 --> 00:07:19,199
and there was only one story

202
00:07:22,230 --> 00:07:20,160
uh

203
00:07:25,430 --> 00:07:22,240
in google news which was the new york

204
00:07:27,350 --> 00:07:25,440
post reprinting a story from the sun

205
00:07:28,830 --> 00:07:27,360
which is a trashy british tabloid who

206
00:07:30,629 --> 00:07:28,840
does you know like

207
00:07:32,550 --> 00:07:30,639
batboy

208
00:07:34,230 --> 00:07:32,560
type stories um

209
00:07:37,270 --> 00:07:34,240
so there's not been very much response

210
00:07:40,390 --> 00:07:37,280
yet but within ufo twitter which is you

211
00:07:41,589 --> 00:07:40,400
know maybe a few thousand people if that

212
00:07:43,990 --> 00:07:41,599
uh

213
00:07:46,629 --> 00:07:44,000

there was some excitement and you know

214

00:07:49,110 --> 00:07:46,639

you i guess exemplified that uh you're

215

00:07:50,309 --> 00:07:49,120

not probably not the most uh excited but

216

00:07:51,670 --> 00:07:50,319

you know you think there's definitely

217

00:07:55,110 --> 00:07:51,680

something there you were more kind of i

218

00:07:58,550 --> 00:07:55,120

think angry than excited i'm not excited

219

00:08:00,150 --> 00:07:58,560

exactly and i i you know this is

220

00:08:01,029 --> 00:08:00,160

so there's going to be people who watch

221

00:08:03,830 --> 00:08:01,039

this and they're going to be a little

222

00:08:05,749 --> 00:08:03,840

bit frustrated with me because i come at

223

00:08:09,110 --> 00:08:05,759

this at this point a little bit

224

00:08:12,390 --> 00:08:09,120

differently where i um

225

00:08:15,749 --> 00:08:12,400

i don't necessarily see confirmation of

226

00:08:17,990 --> 00:08:15,759

my personal feelings right about this

227

00:08:19,270 --> 00:08:18,000

issue um in everything that the

228

00:08:19,990 --> 00:08:19,280

government does

229

00:08:22,070 --> 00:08:20,000

right

230

00:08:23,430 --> 00:08:22,080

every time they sneeze euap i don't

231

00:08:25,749 --> 00:08:23,440

necessarily

232

00:08:28,150 --> 00:08:25,759

interpret that

233

00:08:29,749 --> 00:08:28,160

as like a confirmation of all the things

234

00:08:31,510 --> 00:08:29,759

i've ever looked at that i think are

235

00:08:32,550 --> 00:08:31,520

interesting and weird

236

00:08:34,149 --> 00:08:32,560

um

237

00:08:35,670 --> 00:08:34,159

and but but there are a lot of people

238

00:08:36,550 --> 00:08:35,680

out there who do

239

00:08:39,750 --> 00:08:36,560

right

240

00:08:42,389 --> 00:08:39,760

um and that is where my frustration

241

00:08:44,230 --> 00:08:42,399

comes from i i feel that the government

242

00:08:46,550 --> 00:08:44,240

is currently handling this issue in a

243

00:08:47,509 --> 00:08:46,560

very irresponsible way

244

00:08:49,030 --> 00:08:47,519

um

245

00:08:50,630 --> 00:08:49,040

where

246

00:08:51,990 --> 00:08:50,640

they are literally

247

00:08:54,790 --> 00:08:52,000

so

248

00:08:56,870 --> 00:08:54,800

in the past what they've done is they

249

00:08:58,470 --> 00:08:56,880

have thrown cold water on this issue

250

00:09:00,389 --> 00:08:58,480

anytime it's come up in the in the

251
00:09:02,389 --> 00:09:00,399
public sphere anytime people have had

252
00:09:04,310 --> 00:09:02,399
questions about roswell the government

253
00:09:05,509 --> 00:09:04,320
ultimately issues something along the

254
00:09:07,190 --> 00:09:05,519
lines of

255
00:09:09,910 --> 00:09:07,200
nothing to see here

256
00:09:11,750 --> 00:09:09,920
it's not aliens this is not what you

257
00:09:13,750 --> 00:09:11,760
think it is this is a glitch this is

258
00:09:15,829 --> 00:09:13,760
blah blah blah blah blah right and what

259
00:09:17,910 --> 00:09:15,839
we've had for the last several years is

260
00:09:19,990 --> 00:09:17,920
a different this is now taking on a

261
00:09:21,590 --> 00:09:20,000
different tone it's now taking on this

262
00:09:23,030 --> 00:09:21,600
tone of

263
00:09:25,590 --> 00:09:23,040

actually

264

00:09:27,350 --> 00:09:25,600

we're not saying it's not aliens anymore

265

00:09:30,230 --> 00:09:27,360

we're not doing that we're actually

266

00:09:31,829 --> 00:09:30,240

gonna just be extremely vague

267

00:09:33,829 --> 00:09:31,839

um

268

00:09:35,750 --> 00:09:33,839

now and why is that irresponsible i

269

00:09:37,030 --> 00:09:35,760

think it's especially irresponsible at a

270

00:09:38,389 --> 00:09:37,040

time when

271

00:09:41,190 --> 00:09:38,399

you've got christopher mellon and you've

272

00:09:43,910 --> 00:09:41,200

got lou elizondo out there lobbying on

273

00:09:46,790 --> 00:09:43,920

this issue and they are out right in

274

00:09:49,190 --> 00:09:46,800

front in public they are going on

275

00:09:51,990 --> 00:09:49,200

uh you know media outlets giving

276

00:09:54,710 --> 00:09:52,000

interviews talking about this obviously

277

00:09:57,269 --> 00:09:54,720

was connected to the to the you know

278

00:09:59,350 --> 00:09:57,279

uap program right he was the director of

279

00:10:00,790 --> 00:09:59,360

it or whatever and

280

00:10:03,030 --> 00:10:00,800

there's all sorts of issues we could get

281

00:10:05,190 --> 00:10:03,040

into there but like

282

00:10:08,069 --> 00:10:05,200

at this time

283

00:10:11,269 --> 00:10:08,079

the idea that like

284

00:10:12,310 --> 00:10:11,279

people in the pentagon are not aware

285

00:10:14,550 --> 00:10:12,320

of

286

00:10:15,990 --> 00:10:14,560

the ten the way that this story

287

00:10:19,509 --> 00:10:16,000

tentacles out

288

00:10:21,509 --> 00:10:19,519

every single time they say anything like

289

00:10:23,030 --> 00:10:21,519

the idea that they're not aware of that

290

00:10:24,710 --> 00:10:23,040

and then the idea yeah they are aware of

291

00:10:26,790 --> 00:10:24,720

it though aren't they like they've seen

292

00:10:29,910 --> 00:10:26,800

the yeah you've seen like the talking

293

00:10:32,069 --> 00:10:29,920

point memos that they have uh the the

294

00:10:34,230 --> 00:10:32,079

navy office especially because they've

295

00:10:37,430 --> 00:10:34,240

got so many inquiries they have talking

296

00:10:39,269 --> 00:10:37,440

points and they i think explicitly said

297

00:10:41,750 --> 00:10:39,279

somewhere in there that

298

00:10:43,670 --> 00:10:41,760

uh you know anytime we say something

299

00:10:45,190 --> 00:10:43,680

people get really excited and you have a

300

00:10:46,790 --> 00:10:45,200

deluge of

301

00:10:48,630 --> 00:10:46,800

of inquiries so it's probably best not

302

00:10:50,949 --> 00:10:48,640

to say anything i think this basically

303

00:10:52,949 --> 00:10:50,959

said that perhaps not in those those you

304

00:10:53,910 --> 00:10:52,959

know straightforward words but they were

305

00:10:56,230 --> 00:10:53,920

you know

306

00:10:58,470 --> 00:10:56,240

no comment is the default thing

307

00:11:01,350 --> 00:10:58,480

yeah and that's interesting because they

308

00:11:03,750 --> 00:11:01,360

are i mean it's like okay you feel that

309

00:11:06,470 --> 00:11:03,760

way right it's like oh you know

310

00:11:08,389 --> 00:11:06,480

but then you're not doing anything about

311

00:11:10,230 --> 00:11:08,399

it you're not really coming out and

312

00:11:12,389 --> 00:11:10,240

clarifying anything for the public and

313

00:11:14,870 --> 00:11:12,399

you're seriously not

314

00:11:16,870 --> 00:11:14,880

so you're continuing to use the uap

315

00:11:18,150 --> 00:11:16,880

acronym that's one thing um and that's

316

00:11:20,870 --> 00:11:18,160

something i can get

317

00:11:23,350 --> 00:11:20,880

that acro like you know you say like

318

00:11:24,710 --> 00:11:23,360

acronym is associated with with aliens

319

00:11:25,990 --> 00:11:24,720

and stuff right now because of it's

320

00:11:28,870 --> 00:11:26,000

being a popular culture it wasn't the

321

00:11:31,030 --> 00:11:28,880

whole idea of of uap to get away from

322

00:11:33,190 --> 00:11:31,040

that like we had ufo before and everyone

323

00:11:35,670 --> 00:11:33,200

thought ufo was still green now

324

00:11:39,350 --> 00:11:37,910

so i mean what term should they have

325

00:11:40,030 --> 00:11:39,360

used

326

00:11:44,310 --> 00:11:40,040

like

327

00:11:46,150 --> 00:11:44,320

whatever you do we're talking about

328

00:11:48,550 --> 00:11:46,160

things that are flying around in the sky

329

00:11:50,629 --> 00:11:48,560

that are not immediately identifiable

330

00:11:52,550 --> 00:11:50,639

uh that's what a uap is which is a very

331

00:11:54,629 --> 00:11:52,560

simple definition you could include like

332

00:11:56,470 --> 00:11:54,639

like a whole number of things including

333

00:11:58,389 --> 00:11:56,480

you know anything like fairly exotic

334

00:12:00,069 --> 00:11:58,399

like a foreign drone or things are

335

00:12:01,430 --> 00:12:00,079

fairly simple like

336

00:12:02,710 --> 00:12:01,440

i don't know a balloon or something like

337

00:12:04,230 --> 00:12:02,720

that that's just too far away for the

338

00:12:07,350 --> 00:12:04,240

pilot to actually see they're they're

339

00:12:09,190 --> 00:12:07,360

all uaps yeah you know you say it's got

340

00:12:10,870 --> 00:12:09,200

that association but if you use a

341

00:12:11,910 --> 00:12:10,880

different term

342

00:12:13,509 --> 00:12:11,920

you're gonna

343

00:12:16,150 --> 00:12:13,519

so how can they how can they say

344

00:12:17,829 --> 00:12:16,160

anything at all about the topic totally

345

00:12:20,310 --> 00:12:17,839

so i i wanna be super clear about a

346

00:12:22,150 --> 00:12:20,320

couple things so one i i actually like

347

00:12:24,230 --> 00:12:22,160

uap i think it's a good term i think

348

00:12:27,030 --> 00:12:24,240

it's better than ufo because it

349

00:12:29,509 --> 00:12:27,040

encompasses more things

350

00:12:33,030 --> 00:12:29,519

um unfortunately the world that we live

351

00:12:35,430 --> 00:12:33,040

in though is one where

352

00:12:37,990 --> 00:12:35,440

the the way that this particular acronym

353

00:12:39,750 --> 00:12:38,000

was popularized was through to the

354

00:12:42,949 --> 00:12:39,760

starters academy was through louis el

355

00:12:45,829 --> 00:12:42,959

zando uh the way that that that so i

356

00:12:48,230 --> 00:12:45,839

mean actually the beginning of it was um

357

00:12:50,230 --> 00:12:48,240

you know in america at least hillary

358

00:12:52,230 --> 00:12:50,240

clinton saying it uh

359

00:12:54,150 --> 00:12:52,240

you know oh the new the new navigator

360

00:12:56,470 --> 00:12:54,160

for this is uap

361

00:12:58,470 --> 00:12:56,480

uh and then to the stars academy and

362

00:13:01,590 --> 00:12:58,480

luella lozando and christopher mellon

363

00:13:03,590 --> 00:13:01,600

and unidentified and all that right sure

364

00:13:05,590 --> 00:13:03,600

what can you do

365

00:13:07,590 --> 00:13:05,600

totally how can you get around that

366

00:13:10,230 --> 00:13:07,600

so that's america that's america's

367

00:13:12,310 --> 00:13:10,240

introduction to the term uap is like oh

368

00:13:13,990 --> 00:13:12,320

okay so they're using a new term for ufo

369

00:13:14,500 --> 00:13:14,000

haha whatever

370

00:13:17,110 --> 00:13:14,510

um

371

00:13:19,430 --> 00:13:17,120

[Music]

372

00:13:20,470 --> 00:13:19,440

but the people that are using that term

373

00:13:22,150 --> 00:13:20,480

the most

374

00:13:24,470 --> 00:13:22,160

and the people that are popularizing

375

00:13:26,949 --> 00:13:24,480

that term are people who do think that

376

00:13:28,710 --> 00:13:26,959

this is something that represents uh a

377

00:13:31,030 --> 00:13:28,720

very weird

378

00:13:32,710 --> 00:13:31,040

thing yeah um i'm not gonna use any

379

00:13:34,470 --> 00:13:32,720

particular language like we could be

380

00:13:36,150 --> 00:13:34,480

talking about e.t we'd be talking about

381

00:13:37,910 --> 00:13:36,160

something from earth we could be talking

382

00:13:40,389 --> 00:13:37,920

about interdimensional whatever it

383

00:13:42,150 --> 00:13:40,399

doesn't really matter to me yeah um but

384

00:13:43,590 --> 00:13:42,160

the point is the the people that have

385

00:13:46,310 --> 00:13:43,600

been pushing this the most are people

386

00:13:48,069 --> 00:13:46,320

who do feel very strongly that it is

387

00:13:49,990 --> 00:13:48,079

representative of something that is

388

00:13:53,030 --> 00:13:50,000

weird they mean something pretty

389

00:13:53,829 --> 00:13:53,040

specific uh when they're talking about

390

00:13:54,870 --> 00:13:53,839

this

391

00:13:58,470 --> 00:13:54,880

and

392

00:14:01,110 --> 00:13:58,480

the idea that the pentagon is like

393

00:14:03,269 --> 00:14:01,120

continuing to use this term in a public

394

00:14:06,310 --> 00:14:03,279

realm without clarify without the

395

00:14:08,949 --> 00:14:06,320

clarification of what they mean

396

00:14:11,110 --> 00:14:08,959

that is the thing that bothers me

397

00:14:13,590 --> 00:14:11,120

they they define it

398

00:14:14,710 --> 00:14:13,600

so like you know in this this gillibrand

399

00:14:17,189 --> 00:14:14,720

amendment which we're going to come to

400

00:14:18,470 --> 00:14:17,199

later they actually um they put a

401

00:14:20,949 --> 00:14:18,480

definition i think it's right at the

402

00:14:23,350 --> 00:14:20,959

bottom of it let me just scroll down to

403

00:14:25,189 --> 00:14:23,360

it this is a remarkably long thing so it

404

00:14:27,750 --> 00:14:25,199

says the term unidentified aerial

405

00:14:30,310 --> 00:14:27,760

phenomena means airborne objects that

406

00:14:31,430 --> 00:14:30,320

are not immediately identified yeah

407

00:14:32,870 --> 00:14:31,440

right straight away they could have kind

408

00:14:35,750 --> 00:14:32,880

of got it wrong because it's not just

409

00:14:37,829 --> 00:14:35,760

airborne objects it's uh it's phenomenal

410

00:14:39,750 --> 00:14:37,839

it's phenomenal uh sorry literally right

411

00:14:42,230 --> 00:14:39,760

there in the actual light or something

412

00:14:45,670 --> 00:14:42,240

they they messed it up and then

413

00:14:48,389 --> 00:14:45,680

transmedium objects or devices

414

00:14:49,990 --> 00:14:48,399

or and submerged objects or devices that

415

00:14:51,189 --> 00:14:50,000

are not immediately identifiable and

416

00:14:52,629 --> 00:14:51,199

display behaviors of performance

417

00:14:53,990 --> 00:14:52,639

characteristics suggesting they may be

418

00:14:55,910 --> 00:14:54,000

related to the subjects described in

419

00:14:58,150 --> 00:14:55,920

some paragraphs a or b

420

00:14:59,829 --> 00:14:58,160

i mean it's like a ridiculous doesn't

421

00:15:00,949 --> 00:14:59,839

matter

422

00:15:02,230 --> 00:15:00,959

doesn't that sort of add to the

423

00:15:04,470 --> 00:15:02,240

confusion though and that kind of

424

00:15:05,990 --> 00:15:04,480

underlines the the point that i'm making

425

00:15:07,990 --> 00:15:06,000

here which is like

426

00:15:09,829 --> 00:15:08,000

so if i'm

427

00:15:12,069 --> 00:15:09,839

look if i'm in the u.s government if i'm

428

00:15:14,230 --> 00:15:12,079

in the pentagon um and i'm looking at

429

00:15:15,990 --> 00:15:14,240

this playing out i see the

430

00:15:18,949 --> 00:15:16,000

the articles that get written in the

431

00:15:21,829 --> 00:15:18,959

aftermath every time we drop the uuap

432

00:15:23,110 --> 00:15:21,839

acronym i do one of two things i either

433

00:15:26,069 --> 00:15:23,120

clarify

434

00:15:28,790 --> 00:15:26,079

really specifically like what this means

435

00:15:30,389 --> 00:15:28,800

and what it doesn't mean um or i start

436

00:15:31,350 --> 00:15:30,399

using a different freaking acronym at

437

00:15:32,710 --> 00:15:31,360

this point

438

00:15:34,230 --> 00:15:32,720

um

439

00:15:35,910 --> 00:15:34,240

uav

440

00:15:38,230 --> 00:15:35,920

would work just as well like

441

00:15:40,230 --> 00:15:38,240

unidentified

442

00:15:42,870 --> 00:15:40,240

you know i tell this story about how in

443

00:15:45,590 --> 00:15:42,880

in britain we used to call uh other kids

444

00:15:48,230 --> 00:15:45,600

in the playground uh spazz

445

00:15:50,870 --> 00:15:48,240

thing make sure for [h__h] and uh there

446

00:15:52,629 --> 00:15:50,880

was a [h__h] society in britain okay

447

00:15:55,269 --> 00:15:52,639

and the [h__h] society changed their

448

00:15:58,790 --> 00:15:55,279

name to the scopes society and so the

449

00:16:00,790 --> 00:15:58,800

kids started calling each other scopers

450

00:16:02,949 --> 00:16:00,800

right because yeah the new word took on

451
00:16:04,470 --> 00:16:02,959
the term uh took on the meaning of what

452
00:16:07,269 --> 00:16:04,480
it's referring to now we're talking

453
00:16:10,310 --> 00:16:07,279
about something a topic now is it

454
00:16:13,110 --> 00:16:10,320
actually possible to to extricate like

455
00:16:15,590 --> 00:16:13,120
this serious study of ufos

456
00:16:17,990 --> 00:16:15,600
or whatever serious study of something

457
00:16:19,509 --> 00:16:18,000
and define it in such a way that it

458
00:16:21,749 --> 00:16:19,519
excludes

459
00:16:25,030 --> 00:16:21,759
things that will lead to talk about

460
00:16:26,710 --> 00:16:25,040
aliens i really feel that it's it's it's

461
00:16:29,990 --> 00:16:26,720
not and

462
00:16:31,910 --> 00:16:30,000
you know complaining about uap

463
00:16:34,069 --> 00:16:31,920

if you bring in a new term it's just

464

00:16:35,829 --> 00:16:34,079

going to take a little while it'd be

465

00:16:37,030 --> 00:16:35,839

like a little stop gap before it becomes

466

00:16:39,749 --> 00:16:37,040

infected

467

00:16:40,710 --> 00:16:39,759

uh by the uh by the by the same meaning

468

00:16:42,470 --> 00:16:40,720

as the previous time because you're

469

00:16:44,230 --> 00:16:42,480

talking about a thing

470

00:16:46,710 --> 00:16:44,240

that we all know what we're talking

471

00:16:47,910 --> 00:16:46,720

about which is unidentified things in

472

00:16:49,189 --> 00:16:47,920

the air

473

00:16:52,230 --> 00:16:49,199

we don't know where we don't know what

474

00:16:54,389 --> 00:16:52,240

they are and they they might be aliens

475

00:16:55,590 --> 00:16:54,399

and everybody knows that they yeah this

476

00:16:57,749 --> 00:16:55,600

might be aliens and different people

477

00:17:00,389 --> 00:16:57,759

give different possibilities to them a

478

00:17:02,629 --> 00:17:00,399

lot of people is near zero and for some

479

00:17:04,789 --> 00:17:02,639

people it's you know maybe 50 50 or some

480

00:17:06,630 --> 00:17:04,799

people they think absolutely the 100

481

00:17:08,150 --> 00:17:06,640

some of these things are aliens

482

00:17:11,350 --> 00:17:08,160

but this is what we're talking about

483

00:17:12,870 --> 00:17:11,360

we're talking about a a thing a a

484

00:17:14,949 --> 00:17:12,880

actually i'm hesitating to use the word

485

00:17:16,069 --> 00:17:14,959

phenomena because people think phenomena

486

00:17:18,309 --> 00:17:16,079

means something

487

00:17:19,909 --> 00:17:18,319

phenomenal or amazing but it just means

488

00:17:21,829 --> 00:17:19,919

a thing that happens like weather

489

00:17:23,029 --> 00:17:21,839

phenomena and things like that

490

00:17:25,990 --> 00:17:23,039

so yeah

491

00:17:28,230 --> 00:17:26,000

yeah i think perhaps like like saying

492

00:17:30,870 --> 00:17:28,240

they're wading into this uap thing and

493

00:17:32,950 --> 00:17:30,880

using the term without clarifying it

494

00:17:34,390 --> 00:17:32,960

well let's let's talk about what avril

495

00:17:36,230 --> 00:17:34,400

haynes question she was asked about the

496

00:17:37,029 --> 00:17:36,240

uap report

497

00:17:39,430 --> 00:17:37,039

and

498

00:17:40,549 --> 00:17:39,440

um i think

499

00:17:43,669 --> 00:17:40,559

uh

500

00:17:45,350 --> 00:17:43,679

he was she was asked by by the host

501
00:17:47,510 --> 00:17:45,360
uh about this report and says you

502
00:17:50,070 --> 00:17:47,520
studied these 144 things you put them

503
00:17:52,549 --> 00:17:50,080
into five categories um you know one of

504
00:17:53,510 --> 00:17:52,559
them was yes was uh with something i

505
00:17:54,950 --> 00:17:53,520
don't think they specified what the

506
00:17:57,510 --> 00:17:54,960
categories were but we know what they

507
00:17:58,950 --> 00:17:57,520
are the first one is uh everyone clutter

508
00:18:01,750 --> 00:17:58,960
like birds and balloons the second one

509
00:18:03,190 --> 00:18:01,760
is atmospheric phenomena like clouds and

510
00:18:04,390 --> 00:18:03,200
lights and the electrical stuff the

511
00:18:05,890 --> 00:18:04,400
third one is

512
00:18:07,029 --> 00:18:05,900
uh american

513
00:18:09,110 --> 00:18:07,039

[Music]

514

00:18:11,590 --> 00:18:09,120

technology like secret military tests or

515

00:18:13,270 --> 00:18:11,600

secret tests by american companies the

516

00:18:14,710 --> 00:18:13,280

fourth one is the same thing but

517

00:18:17,669 --> 00:18:14,720

foreigners likes trying to sneak in on

518

00:18:19,430 --> 00:18:17,679

spy on us without fancy technology and

519

00:18:21,190 --> 00:18:19,440

then the fifth one is other

520

00:18:23,350 --> 00:18:21,200

which everyone thinks is is where the

521

00:18:24,950 --> 00:18:23,360

aliens might live in this other category

522

00:18:27,029 --> 00:18:24,960

but yeah it might just be stuff that we

523

00:18:28,549 --> 00:18:27,039

just don't understand yet like

524

00:18:29,830 --> 00:18:28,559

very strange aerial phenomena we don't

525

00:18:31,430 --> 00:18:29,840

know about or

526

00:18:32,470 --> 00:18:31,440

or just something we haven't thought of

527

00:18:33,990 --> 00:18:32,480

yet

528

00:18:36,310 --> 00:18:34,000

right um i don't know what that would be

529

00:18:38,870 --> 00:18:36,320

because it is unknown but

530

00:18:40,630 --> 00:18:38,880

uh so she was asked about that and yeah

531

00:18:43,270 --> 00:18:40,640

from my perspective the answer that she

532

00:18:46,630 --> 00:18:43,280

gave up until the very end of her answer

533

00:18:48,870 --> 00:18:46,640

was essentially a recap of the uap

534

00:18:50,390 --> 00:18:48,880

report right which is this report that

535

00:18:54,710 --> 00:18:50,400

the uh

536

00:18:56,390 --> 00:18:54,720

national intelligence produced and it

537

00:18:59,190 --> 00:18:56,400

was released back in like may i think of

538

00:19:01,270 --> 00:18:59,200

this year uh was it june june this year

539

00:19:02,150 --> 00:19:01,280

yeah some time ago this year

540

00:19:04,950 --> 00:19:02,160

uh

541

00:19:06,710 --> 00:19:04,960

yeah it was june and

542

00:19:08,390 --> 00:19:06,720

so she she basically went through and

543

00:19:10,390 --> 00:19:08,400

said yeah though oh she's like we don't

544

00:19:12,549 --> 00:19:10,400

understand what we're seeing uh there's

545

00:19:13,430 --> 00:19:12,559

there's lots of different categories

546

00:19:15,350 --> 00:19:13,440

and

547

00:19:16,710 --> 00:19:15,360

uh we we need better information

548

00:19:18,070 --> 00:19:16,720

gathering we need to get a more

549

00:19:20,230 --> 00:19:18,080

consistent way of reporting the

550

00:19:22,470 --> 00:19:20,240

information we need to do better ways of

551
00:19:24,470 --> 00:19:22,480
integrating the data and uh collecting

552
00:19:26,070 --> 00:19:24,480
information from different sensors

553
00:19:27,830 --> 00:19:26,080
the main issues that congress and others

554
00:19:29,750 --> 00:19:27,840
have been concerned about are basically

555
00:19:31,510 --> 00:19:29,760
safety of flight concerns and counter

556
00:19:33,590 --> 00:19:31,520
intelligence issues

557
00:19:35,830 --> 00:19:33,600
and that's basically like the the the

558
00:19:38,150 --> 00:19:35,840
report you know the the conclusions of

559
00:19:39,430 --> 00:19:38,160
the report and then she says her final

560
00:19:41,830 --> 00:19:39,440
thing which ever everyone's getting

561
00:19:43,510 --> 00:19:41,840
excited about but of course there's

562
00:19:45,270 --> 00:19:43,520
always the question of is there

563
00:19:47,230 --> 00:19:45,280

something else that we simply do not

564

00:19:49,190 --> 00:19:47,240

understand that might come

565

00:19:51,110 --> 00:19:49,200

extraterrestrially and she kind of

566

00:19:53,669 --> 00:19:51,120

stumbled over the word extraterrestrial

567

00:19:55,190 --> 00:19:53,679

which is understandable because yes

568

00:19:57,830 --> 00:19:55,200

i have to be careful there to pronounce

569

00:19:59,510 --> 00:19:57,840

it but she said you know basically

570

00:20:01,909 --> 00:19:59,520

uh there's a question

571

00:20:03,830 --> 00:20:01,919

as if there's something that might come

572

00:20:05,590 --> 00:20:03,840

extra terrestrially it seems rather

573

00:20:07,669 --> 00:20:05,600

a strange way of phrasing it but i mean

574

00:20:08,789 --> 00:20:07,679

essentially it's meaning that

575

00:20:10,789 --> 00:20:08,799

what we're looking at is something

576

00:20:12,149 --> 00:20:10,799

that's come from space which pretty much

577

00:20:14,230 --> 00:20:12,159

implies that it's some kind of alien

578

00:20:17,270 --> 00:20:14,240

spaceship and yeah either something from

579

00:20:19,110 --> 00:20:17,280

a space or something so you know the way

580

00:20:21,590 --> 00:20:19,120

that i've come to kind of talk about

581

00:20:22,549 --> 00:20:21,600

this everyone gets um

582

00:20:24,470 --> 00:20:22,559

uh

583

00:20:26,310 --> 00:20:24,480

they trip over themselves like is it

584

00:20:29,110 --> 00:20:26,320

aliens is it interdimensional is it that

585

00:20:29,990 --> 00:20:29,120

is this does that ah weird [\h__\h] that's

586

00:20:33,270 --> 00:20:30,000

what i'm

587

00:20:35,029 --> 00:20:33,280

i i is it weird or not you know and

588

00:20:37,190 --> 00:20:35,039

that's i i kind of get right to the

589

00:20:39,830 --> 00:20:37,200

point i don't really care is it aliens

590

00:20:41,510 --> 00:20:39,840

is it this is that no no no um my my

591

00:20:44,789 --> 00:20:41,520

question is did we eliminate the

592

00:20:47,029 --> 00:20:44,799

possibility of um a terrestrial uh

593

00:20:50,230 --> 00:20:47,039

normal within the bounds of our everyday

594

00:20:52,710 --> 00:20:50,240

language explanation right or is it so

595

00:20:55,830 --> 00:20:52,720

weird that it's now in this category of

596

00:20:58,230 --> 00:20:55,840

weird stuff like that that cannot be

597

00:21:00,230 --> 00:20:58,240

right and to me like the answer to that

598

00:21:03,590 --> 00:21:00,240

should actually be relatively uh

599

00:21:04,950 --> 00:21:03,600

straightforward but but uh it isn't for

600

00:21:07,029 --> 00:21:04,960

four reasons

601
00:21:08,149 --> 00:21:07,039
so okay that's that's that's a good

602
00:21:09,590 --> 00:21:08,159
point so

603
00:21:10,590 --> 00:21:09,600
uh obviously what we're looking for

604
00:21:13,110 --> 00:21:10,600
something is something that's

605
00:21:14,950 --> 00:21:13,120
unambiguously weird

606
00:21:17,909 --> 00:21:14,960
that's the exact way that i would put it

607
00:21:20,149 --> 00:21:17,919
yes yeah and this is what i would like i

608
00:21:21,510 --> 00:21:20,159
would like to see you know two videos of

609
00:21:23,990 --> 00:21:21,520
a flying saucer from different

610
00:21:26,950 --> 00:21:24,000
directions or like a really good uh yeah

611
00:21:28,870 --> 00:21:26,960
you know high resolution photo like and

612
00:21:30,950 --> 00:21:28,880
lots of different eyewitness accounts or

613
00:21:32,390 --> 00:21:30,960

multiple photos of the same thing or you

614

00:21:34,230 --> 00:21:32,400

know whatever something that's

615

00:21:36,549 --> 00:21:34,240

unambiguous evidence something

616

00:21:38,470 --> 00:21:36,559

displaying any of the five observables

617

00:21:40,549 --> 00:21:38,480

outside of the low observability one

618

00:21:42,470 --> 00:21:40,559

which obviously is like oh well it's too

619

00:21:45,110 --> 00:21:42,480

far away we can't figure it out but

620

00:21:47,669 --> 00:21:45,120

we're looking for something that's doing

621

00:21:50,390 --> 00:21:47,679

something that makes absolutely no sense

622

00:21:52,870 --> 00:21:50,400

within um any kind of you know normal

623

00:21:54,230 --> 00:21:52,880

convention and again for me it's like

624

00:21:57,110 --> 00:21:54,240

that's

625

00:21:59,190 --> 00:21:57,120

that this is where i get caught on all

626

00:22:01,750 --> 00:21:59,200

of this um

627

00:22:04,549 --> 00:22:01,760

because either it's weird or it isn't

628

00:22:06,390 --> 00:22:04,559

and they either know or they don't and

629

00:22:09,270 --> 00:22:06,400

to me that part of this entire

630

00:22:12,190 --> 00:22:09,280

conversation is so straightforward and

631

00:22:14,630 --> 00:22:12,200

the the vagaries around this are

632

00:22:16,710 --> 00:22:14,640

extraordinarily frustrating

633

00:22:18,549 --> 00:22:16,720

i i feel like they are saying that they

634

00:22:19,750 --> 00:22:18,559

don't know right

635

00:22:23,669 --> 00:22:19,760

yeah

636

00:22:27,909 --> 00:22:23,679

well saying we don't have enough

637

00:22:31,750 --> 00:22:30,630

then she says if you want to know the

638

00:22:34,149 --> 00:22:31,760

the the

639

00:22:35,510 --> 00:22:34,159

if she essentially uh eludes i can't

640

00:22:37,190 --> 00:22:35,520

remember the exact quote she alludes

641

00:22:39,029 --> 00:22:37,200

like if you want to know the

642

00:22:41,110 --> 00:22:39,039

the stuff that i can't tell you you'd

643

00:22:43,110 --> 00:22:41,120

have to come work for us right right and

644

00:22:45,110 --> 00:22:43,120

this is

645

00:22:47,350 --> 00:22:45,120

that's on one hand it's like a funny

646

00:22:48,950 --> 00:22:47,360

quip on the other hand

647

00:22:52,110 --> 00:22:48,960

it's like

648

00:22:54,789 --> 00:22:52,120

from my perspective this is deeply

649

00:22:57,110 --> 00:22:54,799

irresponsible game and the reason why i

650

00:23:00,230 --> 00:22:57,120

describe it that way is because it's

651
00:23:03,350 --> 00:23:00,240
been going on now for several years

652
00:23:05,510 --> 00:23:03,360
they've had time to see how this plays

653
00:23:07,590 --> 00:23:05,520
out again every time they mention uap

654
00:23:10,149 --> 00:23:07,600
every time they generate a report every

655
00:23:11,590 --> 00:23:10,159
time louis lozando goes on tv whatever

656
00:23:13,830 --> 00:23:11,600
they've had time

657
00:23:15,990 --> 00:23:13,840
to kind of get their [h__h] together and

658
00:23:18,710 --> 00:23:16,000
uh their story straight on this

659
00:23:23,110 --> 00:23:18,720
and the the reason why

660
00:23:25,029 --> 00:23:23,120
mick why why ufo twitter um

661
00:23:27,270 --> 00:23:25,039
they go ape [h__h] every time something

662
00:23:28,310 --> 00:23:27,280
happens is because

663
00:23:29,830 --> 00:23:28,320

our

664

00:23:31,270 --> 00:23:29,840

the the people in positions of

665

00:23:33,510 --> 00:23:31,280

leadership and the officials and the

666

00:23:37,190 --> 00:23:33,520

representatives they are leaving this

667

00:23:38,789 --> 00:23:37,200

door wide open for us to do that

668

00:23:40,870 --> 00:23:38,799

and um

669

00:23:42,789 --> 00:23:40,880

i guess i don't get it i don't really

670

00:23:45,269 --> 00:23:42,799

get it why are they doing that i kind of

671

00:23:47,830 --> 00:23:45,279

agree but let me let me see say what

672

00:23:51,190 --> 00:23:47,840

that looks like from my perspective uh

673

00:23:53,430 --> 00:23:51,200

as a not not really so much a skeptic

674

00:23:55,669 --> 00:23:53,440

just as someone who's not

675

00:23:57,269 --> 00:23:55,679

uh you know a believer that there

676
00:23:59,990 --> 00:23:57,279
actually is some extraordinary evidence

677
00:24:02,230 --> 00:24:00,000
out there or or a believer yeah someone

678
00:24:05,430 --> 00:24:02,240
who doesn't put as much weight on the

679
00:24:07,110 --> 00:24:05,440
subject as you for me it feels like and

680
00:24:08,950 --> 00:24:07,120
it always has felt like

681
00:24:10,870 --> 00:24:08,960
that

682
00:24:12,390 --> 00:24:10,880
they don't really care about the ufo

683
00:24:14,630 --> 00:24:12,400
community

684
00:24:17,269 --> 00:24:14,640
i i don't think the military really

685
00:24:20,070 --> 00:24:17,279
cares you know what you think or what i

686
00:24:21,830 --> 00:24:20,080
think or even really so much what the

687
00:24:23,590 --> 00:24:21,840
sun thinks or what the new york post

688
00:24:25,110 --> 00:24:23,600

thinks they might care a bit more about

689

00:24:26,630 --> 00:24:25,120

what the new york times think but you

690

00:24:28,310 --> 00:24:26,640

know they didn't really step into to

691

00:24:32,149 --> 00:24:28,320

clarify that either

692

00:24:35,190 --> 00:24:32,159

uh so i think that they don't really see

693

00:24:37,750 --> 00:24:35,200

this um this confusion

694

00:24:39,510 --> 00:24:37,760

and this misplaced excitement or this

695

00:24:40,789 --> 00:24:39,520

correctly placed excitement depending on

696

00:24:42,870 --> 00:24:40,799

your perspective

697

00:24:44,070 --> 00:24:42,880

as being an issue that they need to

698

00:24:46,630 --> 00:24:44,080

address

699

00:24:47,830 --> 00:24:46,640

that they seem to see it as more of an

700

00:24:49,909 --> 00:24:47,840

annoyance

701

00:24:51,830 --> 00:24:49,919

that you know like oh my god it's the

702

00:24:54,390 --> 00:24:51,840

ufo people again

703

00:24:55,750 --> 00:24:54,400

uh because

704

00:24:58,149 --> 00:24:55,760

it sounds like

705

00:25:00,149 --> 00:24:58,159

like i'm belittling the ufo community

706

00:25:03,110 --> 00:25:00,159

there and i i understand the ufo

707

00:25:04,230 --> 00:25:03,120

communist's uh interest in the topic and

708

00:25:06,070 --> 00:25:04,240

i understand how it must be very

709

00:25:08,070 --> 00:25:06,080

frustrating when you feel like you're

710

00:25:10,549 --> 00:25:08,080

not taken seriously

711

00:25:12,149 --> 00:25:10,559

but the ufo community is really the

712

00:25:14,789 --> 00:25:12,159

serious ufo people like you know like i

713

00:25:16,310 --> 00:25:14,799

said ufo twitter is a few thousand

714

00:25:18,470 --> 00:25:16,320

people at most and you know the active

715

00:25:19,750 --> 00:25:18,480

people on ufo twitter you you you know

716

00:25:22,149 --> 00:25:19,760

most of them

717

00:25:25,430 --> 00:25:22,159

it's it's a very small community and

718

00:25:28,230 --> 00:25:25,440

it's mostly like guys between the age of

719

00:25:31,029 --> 00:25:28,240

20 and uh 40.

720

00:25:33,029 --> 00:25:31,039

or something like that yeah

721

00:25:35,269 --> 00:25:33,039

yeah i i and i make the point all the

722

00:25:37,669 --> 00:25:35,279

time um that

723

00:25:40,549 --> 00:25:37,679

there's often this feeling or belief

724

00:25:43,909 --> 00:25:40,559

amongst people on ufo twitter that

725

00:25:44,950 --> 00:25:43,919

our actions um seem to cause things to

726
00:25:47,350 --> 00:25:44,960
happen

727
00:25:48,870 --> 00:25:47,360
i don't agree with that assessment of

728
00:25:50,789 --> 00:25:48,880
what i've seen play out over the last

729
00:25:53,110 --> 00:25:50,799
several years i actually see a situation

730
00:25:55,750 --> 00:25:53,120
in which we have had no agency in

731
00:25:57,350 --> 00:25:55,760
whatever is going on um there are people

732
00:25:58,870 --> 00:25:57,360
who are lobbying government from the

733
00:26:01,750 --> 00:25:58,880
outside who used to be part of

734
00:26:04,149 --> 00:26:01,760
government and things are happening

735
00:26:05,750 --> 00:26:04,159
right melan uh melanin and lou and and

736
00:26:06,789 --> 00:26:05,760
others

737
00:26:09,350 --> 00:26:06,799
so

738
00:26:11,909 --> 00:26:09,360

as far as like what we're doing to

739

00:26:13,510 --> 00:26:11,919

contribute or to make things happen i

740

00:26:15,830 --> 00:26:13,520

don't see it that way and that's why i

741

00:26:18,149 --> 00:26:15,840

describe it as sort of it feels like a

742

00:26:20,230 --> 00:26:18,159

game at this point especially if you're

743

00:26:22,230 --> 00:26:20,240

someone who's been involved or super

744

00:26:25,110 --> 00:26:22,240

interested in this topic

745

00:26:28,070 --> 00:26:25,120

this is the most frustrating time maybe

746

00:26:30,310 --> 00:26:28,080

ever uh because

747

00:26:31,750 --> 00:26:30,320

we're all we're always on this cusp of

748

00:26:34,149 --> 00:26:31,760

this again

749

00:26:36,390 --> 00:26:34,159

these these vagaries of language uh

750

00:26:39,430 --> 00:26:36,400

coming out of the pentagon regarding

751
00:26:41,830 --> 00:26:39,440
this issue not at any point saying

752
00:26:43,110 --> 00:26:41,840
it 100 is not this

753
00:26:44,950 --> 00:26:43,120
um

754
00:26:46,630 --> 00:26:44,960
and then to leave the door wide open and

755
00:26:48,950 --> 00:26:46,640
say yeah there might be

756
00:26:50,310 --> 00:26:48,960
there could be there could be some weird

757
00:26:52,070 --> 00:26:50,320
we might have

758
00:26:53,830 --> 00:26:52,080
data confirming something weird but i'm

759
00:26:55,190 --> 00:26:53,840
we're not going to tell you that

760
00:26:58,630 --> 00:26:55,200
now and then

761
00:27:01,669 --> 00:26:58,640
but but but also um

762
00:27:03,590 --> 00:27:01,679
my question is why is any of this public

763
00:27:05,669 --> 00:27:03,600

at all so like

764

00:27:07,269 --> 00:27:05,679

so just thinking this thing through

765

00:27:09,510 --> 00:27:07,279

logically

766

00:27:11,190 --> 00:27:09,520

if it's drones or it's foreign tech or

767

00:27:12,950 --> 00:27:11,200

it's this or it's that

768

00:27:14,549 --> 00:27:12,960

why is there a public conversation

769

00:27:16,149 --> 00:27:14,559

happening about this at all because my

770

00:27:18,470 --> 00:27:16,159

understanding of intelligence is that

771

00:27:21,110 --> 00:27:18,480

that's the kind of thing that you don't

772

00:27:22,389 --> 00:27:21,120

you don't want our adversaries to know

773

00:27:26,149 --> 00:27:22,399

that we are

774

00:27:27,029 --> 00:27:26,159

stumped about a thing that they have

775

00:27:29,590 --> 00:27:27,039

like that's

776

00:27:30,950 --> 00:27:29,600

birds and balloons

777

00:27:32,870 --> 00:27:30,960

what's that

778

00:27:34,389 --> 00:27:32,880

what are those birds and balloons

779

00:27:36,470 --> 00:27:34,399

the number one thing listed in the in

780

00:27:37,510 --> 00:27:36,480

the europa report is that it's just ebb

781

00:27:39,110 --> 00:27:37,520

one clutter

782

00:27:41,350 --> 00:27:39,120

yeah yeah it's not all so

783

00:27:46,630 --> 00:27:43,510

yeah and if that's their leading feeling

784

00:27:48,789 --> 00:27:46,640

or hunch then i'm even more confused

785

00:27:50,870 --> 00:27:48,799

because then why are you saying that we

786

00:27:52,950 --> 00:27:50,880

suck at identifying uh birds and

787

00:27:54,549 --> 00:27:52,960

balloons yeah well

788

00:27:56,710 --> 00:27:54,559

i think there's perfectly good reasons

789

00:27:58,230 --> 00:27:56,720

for why we suck at entertaining birds

790

00:28:00,630 --> 00:27:58,240

and balloons i mean we don't if there

791

00:28:02,149 --> 00:28:00,640

was a bird sat on my monitor right here

792

00:28:03,909 --> 00:28:02,159

then i would be able to identify it but

793

00:28:05,669 --> 00:28:03,919

if there's a bird like the two miles

794

00:28:07,669 --> 00:28:05,679

over there flying in the sky it looks

795

00:28:09,990 --> 00:28:07,679

like a white speck and if i'm in a

796

00:28:11,430 --> 00:28:10,000

fighter jet and i see you know some

797

00:28:12,870 --> 00:28:11,440

something like uh i don't know a large

798

00:28:14,549 --> 00:28:12,880

balloon or something that's off in the

799

00:28:16,389 --> 00:28:14,559

distance you

800

00:28:17,909 --> 00:28:16,399

you can't immediately identify it i mean

801

00:28:18,870 --> 00:28:17,919

uap the definition of europe is

802

00:28:21,350 --> 00:28:18,880

generally something that's not

803

00:28:23,110 --> 00:28:21,360

immediately identifiable now maybe you

804

00:28:24,549 --> 00:28:23,120

could fly over there and identify it but

805

00:28:26,310 --> 00:28:24,559

maybe you're going in a different

806

00:28:28,470 --> 00:28:26,320

direction and you turn to look at it

807

00:28:29,909 --> 00:28:28,480

when it's gone or whatever but i'm not

808

00:28:31,909 --> 00:28:29,919

trying to argue that they're all birds

809

00:28:33,190 --> 00:28:31,919

or balloons obviously but

810

00:28:35,430 --> 00:28:33,200

you just you're saying like it's like

811

00:28:38,870 --> 00:28:35,440

it's not a dichotomy between

812

00:28:41,430 --> 00:28:38,880

uh a a topic that's like you know seeps

813

00:28:44,070 --> 00:28:41,440

in in classified information because

814

00:28:46,549 --> 00:28:44,080

it's all about foreign adversary drones

815

00:28:47,830 --> 00:28:46,559

or it's you know nothing or it's uh yeah

816

00:28:50,789 --> 00:28:47,840

average aliens there could be there's a

817

00:28:52,070 --> 00:28:50,799

whole bunch of things yeah and yeah i i

818

00:28:54,149 --> 00:28:52,080

think the military would prefer not to

819

00:28:58,389 --> 00:28:54,159

talk about it and that being kind of

820

00:29:01,029 --> 00:28:58,399

like shoehorned into by by this lobbying

821

00:29:03,510 --> 00:29:01,039

yeah i agree i agree with that um and

822

00:29:06,149 --> 00:29:03,520

just to be clear i think that that

823

00:29:07,909 --> 00:29:06,159

and again this will be unpopular uh

824

00:29:09,029 --> 00:29:07,919

amongst people that i know

825

00:29:11,830 --> 00:29:09,039

um

826

00:29:14,230 --> 00:29:11,840

i i think that it is possible that what

827

00:29:15,590 --> 00:29:14,240

we're looking at is just a cluster [h__h]

828

00:29:16,789 --> 00:29:15,600

um so i don't know if i could swear on

829

00:29:17,669 --> 00:29:16,799

your channel

830

00:29:22,870 --> 00:29:17,679

but

831

00:29:25,110 --> 00:29:22,880

at a [h__h] of multiple things that

832

00:29:27,029 --> 00:29:25,120

are going on this is kind of like your

833

00:29:28,950 --> 00:29:27,039

hypothesis with what's going on with

834

00:29:30,630 --> 00:29:28,960

like the nimitz incident right i think

835

00:29:33,190 --> 00:29:30,640

it's possible

836

00:29:36,789 --> 00:29:35,669

the military knows about foreign drones

837

00:29:38,950 --> 00:29:36,799

say

838

00:29:40,789 --> 00:29:38,960

advanced stuff they don't really want to

839

00:29:43,190 --> 00:29:40,799

talk about that definitely

840

00:29:45,750 --> 00:29:43,200

but there are different compartments of

841

00:29:47,669 --> 00:29:45,760

of of people like you have witnesses on

842

00:29:49,190 --> 00:29:47,679

the nimitz that see a thing they don't

843

00:29:52,389 --> 00:29:49,200

know what it is

844

00:29:55,269 --> 00:29:52,399

but the people that really do know

845

00:29:57,510 --> 00:29:55,279

um are not gonna talk about it but

846

00:30:00,149 --> 00:29:57,520

there's witnesses talking about it

847

00:30:02,470 --> 00:30:00,159

they're for all of this right so like

848

00:30:04,470 --> 00:30:02,480

there's ways that i can imagine that all

849

00:30:07,510 --> 00:30:04,480

of this sort of happens from chasing our

850

00:30:08,789 --> 00:30:07,520

own shadows um you know and chasing our

851
00:30:10,149 --> 00:30:08,799
own tail

852
00:30:12,870 --> 00:30:10,159
now

853
00:30:14,710 --> 00:30:12,880
my problem still though even if that's

854
00:30:15,990 --> 00:30:14,720
the case and i'm not even saying that

855
00:30:18,149 --> 00:30:16,000
that's what i believe i'm just saying

856
00:30:20,789 --> 00:30:18,159
it's possible um

857
00:30:23,750 --> 00:30:20,799
even if that's all the case

858
00:30:26,230 --> 00:30:23,760
at some point i i feel that there is a

859
00:30:28,789 --> 00:30:26,240
situation here where they are creating a

860
00:30:32,070 --> 00:30:28,799
problem for themselves uh an unforced

861
00:30:34,389 --> 00:30:32,080
error of judgment um

862
00:30:35,510 --> 00:30:34,399
where and again that you know we can we

863
00:30:37,669 --> 00:30:35,520

can uh

864

00:30:39,510 --> 00:30:37,679

agree or disagree but

865

00:30:42,549 --> 00:30:39,520

there are literal

866

00:30:45,830 --> 00:30:42,559

ufo cults out there there are

867

00:30:50,149 --> 00:30:45,840

actually dangerous people out there that

868

00:30:51,590 --> 00:30:50,159

any time that they can zero in on

869

00:30:54,789 --> 00:30:51,600

something that the government actually

870

00:30:56,950 --> 00:30:54,799

in fact did or did say and this ufo

871

00:30:58,710 --> 00:30:56,960

thing is perfect because they're saying

872

00:31:00,789 --> 00:30:58,720

well we're not saying it's not aliens

873

00:31:04,870 --> 00:31:00,799

we're not saying this but that's it like

874

00:31:06,070 --> 00:31:04,880

a confirmation for so many um

875

00:31:07,990 --> 00:31:06,080

radical

876

00:31:09,990 --> 00:31:08,000

dangerous groups and i'm not talking

877

00:31:13,269 --> 00:31:10,000

about the ones that we see today

878

00:31:16,230 --> 00:31:13,279

i'm talking about the potential right

879

00:31:19,269 --> 00:31:16,240

the q anon took a while to percolate to

880

00:31:21,990 --> 00:31:19,279

come up right um and and it was built

881

00:31:24,310 --> 00:31:22,000

off of a bunch of things right and it

882

00:31:26,789 --> 00:31:24,320

ultimately was nothing there actually

883

00:31:29,830 --> 00:31:26,799

was no cue but the point is that it

884

00:31:33,350 --> 00:31:29,840

doesn't take a lot to for people to be

885

00:31:35,909 --> 00:31:33,360

radicalized by vagaries by by things

886

00:31:38,389 --> 00:31:35,919

that seem to confirm what you believe so

887

00:31:40,549 --> 00:31:38,399

i'm i'm wondering why is the government

888

00:31:42,950 --> 00:31:40,559

creating this problem for themselves

889

00:31:46,789 --> 00:31:42,960

you're literally giving people gallons

890

00:31:49,350 --> 00:31:46,799

and gallons of fuel for their conspiracy

891

00:31:51,830 --> 00:31:49,360

conspiracy theories um and allowing them

892

00:31:55,750 --> 00:31:51,840

to fill in the blanks with all sorts of

893

00:31:57,750 --> 00:31:55,760

dangerous ideas um or to listen to

894

00:32:00,149 --> 00:31:57,760

you there's only say there's a loon in

895

00:32:02,710 --> 00:32:00,159

the ufo community who's making a bunch

896

00:32:05,350 --> 00:32:02,720

of claims they say everything from i'm a

897

00:32:06,789 --> 00:32:05,360

time traveler from the future to i know

898

00:32:08,389 --> 00:32:06,799

the prophecy of the thing that's going

899

00:32:09,990 --> 00:32:08,399

to happen next week

900

00:32:11,990 --> 00:32:10,000

um okay

901
00:32:15,269 --> 00:32:12,000
and as and and

902
00:32:16,789 --> 00:32:15,279
their evidence their proofs become well

903
00:32:19,269 --> 00:32:16,799
look at what the government is doing

904
00:32:21,350 --> 00:32:19,279
right and then unfortunately an

905
00:32:24,149 --> 00:32:21,360
unfortunate reality is there are people

906
00:32:26,070 --> 00:32:24,159
that are vulnerable enough to buy into

907
00:32:28,470 --> 00:32:26,080
that loon that person that's out there

908
00:32:30,950 --> 00:32:28,480
doing that thing and saying that

909
00:32:36,389 --> 00:32:32,470
that yeah

910
00:32:38,789 --> 00:32:36,399
so it's not a matter of like

911
00:32:41,669 --> 00:32:38,799
i feel that the government ought to be

912
00:32:44,549 --> 00:32:41,679
more responsible it's not a matter of

913
00:32:48,549 --> 00:32:44,559

are they or aren't they or whatever i i

914

00:32:50,230 --> 00:32:48,559

just i feel very very strongly that

915

00:32:52,870 --> 00:32:50,240

they need to

916

00:32:55,110 --> 00:32:52,880

get this issue under control

917

00:32:56,950 --> 00:32:55,120

right because look what am i i'm just

918

00:32:58,870 --> 00:32:56,960

someone who's really interested in in

919

00:33:02,389 --> 00:32:58,880

the ufo topic

920

00:33:05,110 --> 00:33:02,399

and what i don't want to see is more bs

921

00:33:07,750 --> 00:33:05,120

and more disinformation and more cult of

922

00:33:09,990 --> 00:33:07,760

personality more cult type of behavior i

923

00:33:11,350 --> 00:33:10,000

don't want to see that stuff i don't see

924

00:33:13,509 --> 00:33:11,360

more of that

925

00:33:16,549 --> 00:33:13,519

and this what the government is doing is

926

00:33:18,149 --> 00:33:16,559

actually fueling more of what i don't

927

00:33:21,509 --> 00:33:18,159

want right

928

00:33:24,230 --> 00:33:21,519

i actually do want the evidence of et i

929

00:33:26,710 --> 00:33:24,240

actually do want the weird information

930

00:33:29,269 --> 00:33:26,720

out of the government but if the way

931

00:33:30,870 --> 00:33:29,279

that the game is going to get played is

932

00:33:32,149 --> 00:33:30,880

we're going to be really really vague

933

00:33:34,149 --> 00:33:32,159

and we're actually just going to pour

934

00:33:35,509 --> 00:33:34,159

fuel on conspiracy theorists and we're

935

00:33:38,070 --> 00:33:35,519

not going to actually answer your

936

00:33:40,230 --> 00:33:38,080

question then no i actually would prefer

937

00:33:42,870 --> 00:33:40,240

that all of this would come to a halt

938

00:33:46,549 --> 00:33:42,880

because i think that is potentially

939

00:33:47,430 --> 00:33:46,559

so dangerous and bad anyway that's mine

940

00:33:48,630 --> 00:33:47,440

yeah

941

00:33:50,389 --> 00:33:48,640

do you understand

942

00:33:52,230 --> 00:33:50,399

i see i see the point so

943

00:33:53,669 --> 00:33:52,240

your thing you're to sum up your

944

00:33:55,669 --> 00:33:53,679

argument uh

945

00:33:57,669 --> 00:33:55,679

you think that the government's being

946

00:33:59,269 --> 00:33:57,679

irresponsible in letting drips of

947

00:34:00,310 --> 00:33:59,279

information out and not clarifying what

948

00:34:03,509 --> 00:34:00,320

they mean

949

00:34:06,549 --> 00:34:03,519

and this is giving false hope to people

950

00:34:08,790 --> 00:34:06,559

who uh or at least ammunition to people

951
00:34:11,190 --> 00:34:08,800
who will then use it to to further their

952
00:34:13,030 --> 00:34:11,200
cults or to start new cults uh and this

953
00:34:14,950 --> 00:34:13,040
can lead to bad things

954
00:34:17,190 --> 00:34:14,960
uh the the biggest example of that

955
00:34:19,990 --> 00:34:17,200
obviously is the heavens gate cult yeah

956
00:34:22,230 --> 00:34:20,000
which was a a ufo cult very much so it

957
00:34:24,389 --> 00:34:22,240
wasn't just like you know the ufos at

958
00:34:26,069 --> 00:34:24,399
the end it was ufos for like 20 years

959
00:34:28,069 --> 00:34:26,079
and then they all killed themselves well

960
00:34:30,710 --> 00:34:28,079
and you can imagine how the heavens gate

961
00:34:33,750 --> 00:34:30,720
cult if they existed today how they

962
00:34:35,589 --> 00:34:33,760
would use this information uh to

963
00:34:37,990 --> 00:34:35,599

integrate into their

964

00:34:39,510 --> 00:34:38,000

thing that ultimately resulted in in a

965

00:34:41,669 --> 00:34:39,520

bunch of people taking their own lives

966

00:34:43,510 --> 00:34:41,679

and i think that sucks right like i

967

00:34:45,349 --> 00:34:43,520

think it's yeah it's a bit i don't know

968

00:34:47,030 --> 00:34:45,359

though i think i think you it's it's a

969

00:34:50,869 --> 00:34:47,040

difficult argument to make that it's

970

00:34:51,750 --> 00:34:50,879

going to cause such harm i i think like

971

00:34:54,069 --> 00:34:51,760

there's

972

00:34:55,829 --> 00:34:54,079

the military and and and you say

973

00:34:57,109 --> 00:34:55,839

you know you got to clarify this ufo

974

00:34:58,870 --> 00:34:57,119

thing otherwise we're going to get a

975

00:35:00,550 --> 00:34:58,880

whole bunch of cults in the future and

976

00:35:01,990 --> 00:35:00,560

people might kill themselves or blow up

977

00:35:03,750 --> 00:35:02,000

the pentagon well i mean i can give a

978

00:35:05,510 --> 00:35:03,760

couple probably gonna laugh at you i can

979

00:35:08,550 --> 00:35:05,520

give a concrete example right now you

980

00:35:10,150 --> 00:35:08,560

know dr steven greer right um now while

981

00:35:11,510 --> 00:35:10,160

he hasn't caused anyone to off

982

00:35:13,910 --> 00:35:11,520

themselves

983

00:35:17,349 --> 00:35:13,920

um there are a lot of people who believe

984

00:35:20,470 --> 00:35:17,359

that there's a coming uh government uh

985

00:35:22,630 --> 00:35:20,480

you know false alienation pleasure

986

00:35:24,390 --> 00:35:22,640

well no he's right yeah he think he's

987

00:35:27,109 --> 00:35:24,400

his big thing is that

988

00:35:29,589 --> 00:35:27,119

the government is going to

989

00:35:31,990 --> 00:35:29,599

when the ufos come don't trust it

990

00:35:34,230 --> 00:35:32,000

because werner von braun said

991

00:35:36,310 --> 00:35:34,240

blah blah blah blah blah right like the

992

00:35:38,310 --> 00:35:36,320

yes it's fake it's not going to be real

993

00:35:40,230 --> 00:35:38,320

and that they're going to use this and

994

00:35:41,349 --> 00:35:40,240

it will be a fake alien invasion and

995

00:35:42,550 --> 00:35:41,359

this is their

996

00:35:44,950 --> 00:35:42,560

they're going to come in for total

997

00:35:47,910 --> 00:35:44,960

control

998

00:35:50,630 --> 00:35:47,920

it just i i don't know where that leads

999

00:35:51,990 --> 00:35:50,640

i don't know i don't know if dr steven

1000

00:35:53,670 --> 00:35:52,000

greer is going to cause people to

1001
00:35:55,589 --> 00:35:53,680
actually do something stupid but the

1002
00:35:57,670 --> 00:35:55,599
point is that there's a potential there

1003
00:35:59,190 --> 00:35:57,680
and anytime there's a potential there

1004
00:36:01,270 --> 00:35:59,200
it's um

1005
00:36:02,630 --> 00:36:01,280
that's the thing that bothers me

1006
00:36:04,310 --> 00:36:02,640
well i think i think that with with

1007
00:36:06,230 --> 00:36:04,320
stephen greer the problem is if you're a

1008
00:36:08,870 --> 00:36:06,240
follower of street and steven greer and

1009
00:36:10,950 --> 00:36:08,880
you go to these these c5 things

1010
00:36:13,190 --> 00:36:10,960
you will get uh

1011
00:36:16,230 --> 00:36:13,200
what seems to use to be unequivocal

1012
00:36:17,829 --> 00:36:16,240
evidence of of of aliens like you'll see

1013
00:36:19,750 --> 00:36:17,839

lights in the sky and you'll feel a

1014

00:36:22,230 --> 00:36:19,760

great peace come over your soul as the

1015

00:36:23,670 --> 00:36:22,240

alien beings communicate with you and uh

1016

00:36:25,190 --> 00:36:23,680

yeah there's lots of people here they

1017

00:36:27,030 --> 00:36:25,200

pay their two thousand dollars and go

1018

00:36:28,630 --> 00:36:27,040

into the deserts and he teaches them how

1019

00:36:30,550 --> 00:36:28,640

to meditate and then they think that

1020

00:36:32,390 --> 00:36:30,560

they have some kind of communion with

1021

00:36:33,910 --> 00:36:32,400

aliens points at a satellite and says

1022

00:36:36,390 --> 00:36:33,920

it's a ufo

1023

00:36:38,390 --> 00:36:36,400

but they're deep believers so in in that

1024

00:36:40,710 --> 00:36:38,400

sense it's not gonna matter what the

1025

00:36:42,390 --> 00:36:40,720

well the government does because

1026
00:36:44,310 --> 00:36:42,400
it does nothing it's just like they're

1027
00:36:46,230 --> 00:36:44,320
covering each other even more

1028
00:36:48,150 --> 00:36:46,240
yeah but if the government's em is

1029
00:36:51,190 --> 00:36:48,160
making what appears to be a good faith

1030
00:36:52,470 --> 00:36:51,200
effort at investigating it and then

1031
00:36:54,790 --> 00:36:52,480
doesn't really find something and makes

1032
00:36:55,990 --> 00:36:54,800
a bit of a crappy job of explaining what

1033
00:36:57,750 --> 00:36:56,000
they're doing

1034
00:36:59,910 --> 00:36:57,760
i don't really see that as being you

1035
00:37:00,870 --> 00:36:59,920
know fueled to the fire for the stephen

1036
00:37:03,349 --> 00:37:00,880
greer

1037
00:37:04,470 --> 00:37:03,359
like deciding well but it is though

1038
00:37:06,550 --> 00:37:04,480

because

1039

00:37:09,829 --> 00:37:06,560

again either it is

1040

00:37:11,829 --> 00:37:09,839

either there is weird data like genuine

1041

00:37:14,310 --> 00:37:11,839

on it what i would say unambiguously

1042

00:37:16,470 --> 00:37:14,320

weird but they have this the disciples

1043

00:37:18,310 --> 00:37:16,480

already have the the weird data and it's

1044

00:37:20,150 --> 00:37:18,320

what do they care about uh you know what

1045

00:37:22,630 --> 00:37:20,160

the government has they assume that the

1046

00:37:25,349 --> 00:37:22,640

government has it already the the most

1047

00:37:27,510 --> 00:37:25,359

vulnerable vulnerable people

1048

00:37:30,230 --> 00:37:27,520

out there that are sort of willing to

1049

00:37:32,550 --> 00:37:30,240

believe whatever yes they have it

1050

00:37:34,230 --> 00:37:32,560

but i'm talking about everybody else and

1051
00:37:37,030 --> 00:37:34,240
this is what i mean by so these things

1052
00:37:38,630 --> 00:37:37,040
can spread so on one layer you have the

1053
00:37:41,030 --> 00:37:38,640
most vulnerable people that buy into

1054
00:37:43,750 --> 00:37:41,040
steven greer on another layer you have

1055
00:37:46,069 --> 00:37:43,760
the people that are like okay i don't i

1056
00:37:48,550 --> 00:37:46,079
need some evidence well some evidence is

1057
00:37:51,349 --> 00:37:48,560
the us government is investigating this

1058
00:37:53,750 --> 00:37:51,359
and look they're doing things right so

1059
00:37:56,470 --> 00:37:53,760
it's just more it's more layers of

1060
00:37:58,230 --> 00:37:56,480
things it's a it's a it's an entry point

1061
00:38:00,390 --> 00:37:58,240
for a lot of people to come into this

1062
00:38:02,069 --> 00:38:00,400
and go well i actually i didn't even

1063
00:38:05,270 --> 00:38:02,079

care about this issue before but now i

1064

00:38:07,750 --> 00:38:05,280

do now it's on 60 minutes this has been

1065

00:38:09,670 --> 00:38:07,760

an entry point for a lot of people that

1066

00:38:12,069 --> 00:38:09,680

did not care previously i talk to people

1067

00:38:14,950 --> 00:38:12,079

every day who say to me zach i didn't

1068

00:38:16,710 --> 00:38:14,960

really care about this until i saw xyz

1069

00:38:19,510 --> 00:38:16,720

now i'm taking it seriously i see you're

1070

00:38:21,109 --> 00:38:19,520

interested like you're a serious person

1071

00:38:22,310 --> 00:38:21,119

tell me what's what's really going on

1072

00:38:25,670 --> 00:38:22,320

and of course i tell them i don't know

1073

00:38:28,950 --> 00:38:25,680

what the hell is going on but i am i too

1074

00:38:30,630 --> 00:38:28,960

am interested um

1075

00:38:33,190 --> 00:38:30,640

yeah

1076

00:38:35,030 --> 00:38:33,200

what do you think the government should

1077

00:38:37,030 --> 00:38:35,040

do in like say there's two cases here

1078

00:38:39,510 --> 00:38:37,040

like either they have evidence

1079

00:38:40,710 --> 00:38:39,520

unambiguous evidence of of of

1080

00:38:43,270 --> 00:38:40,720

strangeness

1081

00:38:44,950 --> 00:38:43,280

or they don't have unambiguous evidence

1082

00:38:46,790 --> 00:38:44,960

they have like this bunch of you know

1083

00:38:48,710 --> 00:38:46,800

dots in the distance and pilots giving

1084

00:38:51,030 --> 00:38:48,720

reports of weird things happening that

1085

00:38:54,069 --> 00:38:51,040

can't be corroborated so there's two

1086

00:38:55,829 --> 00:38:54,079

cases there a and b so for case a

1087

00:38:57,910 --> 00:38:55,839

if they have that evidence what should

1088

00:38:59,670 --> 00:38:57,920

they do right now

1089

00:39:00,630 --> 00:38:59,680

it's a really great question because

1090

00:39:04,150 --> 00:39:00,640

it's

1091

00:39:07,109 --> 00:39:04,160

th this is part of why so many people uh

1092

00:39:08,390 --> 00:39:07,119

in the ufo realm uh really buy into this

1093

00:39:11,510 --> 00:39:08,400

is because

1094

00:39:13,990 --> 00:39:11,520

well like like what would you do

1095

00:39:16,230 --> 00:39:14,000

you probably wouldn't release it all at

1096

00:39:18,470 --> 00:39:16,240

once it would be something that you'd

1097

00:39:21,510 --> 00:39:18,480

want to reveal slowly

1098

00:39:22,710 --> 00:39:21,520

again it it feeds into the whole damn

1099

00:39:23,990 --> 00:39:22,720

thing and

1100

00:39:26,150 --> 00:39:24,000

yeah

1101
00:39:28,710 --> 00:39:26,160
what which one do you think will assess

1102
00:39:30,550 --> 00:39:28,720
but sure so yeah they want to release it

1103
00:39:32,550 --> 00:39:30,560
slowly they want to manage uh

1104
00:39:34,310 --> 00:39:32,560
expectations and stuff

1105
00:39:36,630 --> 00:39:34,320
which is probably true so people are

1106
00:39:38,150 --> 00:39:36,640
saying what's going on with this this

1107
00:39:39,990 --> 00:39:38,160
thing in the church in the washington

1108
00:39:41,670 --> 00:39:40,000
national national cathedral like they

1109
00:39:43,030 --> 00:39:41,680
had the whole religious aspect of it

1110
00:39:44,710 --> 00:39:43,040
there as if they were trying to like

1111
00:39:47,190 --> 00:39:44,720
soften the blow to religion here are the

1112
00:39:49,349 --> 00:39:47,200
religious people right i mean i it's

1113
00:39:51,349 --> 00:39:49,359

like on one hand it's like the ufo

1114

00:39:53,430 --> 00:39:51,359

people read that into it on the other

1115

00:39:55,190 --> 00:39:53,440

hand it's really on the nose and

1116

00:39:56,790 --> 00:39:55,200

actually really close to you know what

1117

00:39:58,630 --> 00:39:56,800

i'm saying and that's that's where this

1118

00:40:00,550 --> 00:39:58,640

get it it's genuinely kind of

1119

00:40:02,470 --> 00:40:00,560

complicated and it's not something that

1120

00:40:04,630 --> 00:40:02,480

can be hashed out like i said just you

1121

00:40:07,190 --> 00:40:04,640

and i debating over twitter this is a

1122

00:40:08,150 --> 00:40:07,200

complicated conversation

1123

00:40:09,190 --> 00:40:08,160

um

1124

00:40:11,270 --> 00:40:09,200

again

1125

00:40:13,270 --> 00:40:11,280

optics it's like at what point does

1126

00:40:15,829 --> 00:40:13,280

avril hain say

1127

00:40:17,990 --> 00:40:15,839

huh the optics of me showing up at a

1128

00:40:19,910 --> 00:40:18,000

conference where several people were

1129

00:40:22,790 --> 00:40:19,920

talking about the possibility of

1130

00:40:24,390 --> 00:40:22,800

extraterrestrial life

1131

00:40:27,750 --> 00:40:24,400

is this the most responsible thing that

1132

00:40:29,589 --> 00:40:27,760

i can do yeah um is it

1133

00:40:32,069 --> 00:40:29,599

say they do have it do you think is this

1134

00:40:34,069 --> 00:40:32,079

what they're doing right now yes suppose

1135

00:40:35,510 --> 00:40:34,079

this is like their attempt at soft

1136

00:40:37,349 --> 00:40:35,520

disclosure you think they're doing it

1137

00:40:39,430 --> 00:40:37,359

right or is there a better way than no i

1138

00:40:41,349 --> 00:40:39,440

i don't think they're doing it right my

1139

00:40:43,510 --> 00:40:41,359

view is

1140

00:40:45,829 --> 00:40:43,520

it would be better if if there is

1141

00:40:48,390 --> 00:40:45,839

unambiguous data

1142

00:40:50,550 --> 00:40:48,400

of something weird and it's not uh for

1143

00:40:51,910 --> 00:40:50,560

an adversary or whatever

1144

00:40:53,510 --> 00:40:51,920

i think the better way to do would just

1145

00:40:56,150 --> 00:40:53,520

be to

1146

00:40:57,670 --> 00:40:56,160

do it just come out with it just say

1147

00:41:00,390 --> 00:40:57,680

right so

1148

00:41:02,470 --> 00:41:00,400

an example that i give is like so with

1149

00:41:05,670 --> 00:41:02,480

the nimitz incident my opinion of the

1150

00:41:07,829 --> 00:41:05,680

nimitz incident is that someone knows um

1151

00:41:09,190 --> 00:41:07,839

right and and we could go back and forth

1152

00:41:12,710 --> 00:41:09,200

about that but like

1153

00:41:14,390 --> 00:41:12,720

someone knows the there were data bricks

1154

00:41:17,430 --> 00:41:14,400

there were

1155

00:41:19,990 --> 00:41:17,440

dozens of sensor systems like we have no

1156

00:41:22,150 --> 00:41:20,000

access to any of that but someone does

1157

00:41:24,069 --> 00:41:22,160

or did or whatever maybe the data

1158

00:41:25,910 --> 00:41:24,079

doesn't exist anymore right maybe it

1159

00:41:27,349 --> 00:41:25,920

turned out it was balloons as you say or

1160

00:41:29,670 --> 00:41:27,359

whatever and they just threw the data

1161

00:41:31,349 --> 00:41:29,680

aside and were like screw it but also

1162

00:41:33,990 --> 00:41:31,359

it's classified because you know

1163

00:41:36,630 --> 00:41:34,000

classified sensor systems

1164

00:41:38,470 --> 00:41:36,640

but someone somewhere in my opinion

1165

00:41:40,069 --> 00:41:38,480

is able to clarify that one way or the

1166

00:41:43,109 --> 00:41:40,079

other um

1167

00:41:46,150 --> 00:41:43,119

if it were unambiguously weird data they

1168

00:41:48,470 --> 00:41:46,160

saw an object go from here

1169

00:41:50,950 --> 00:41:48,480

to really really high up to like back

1170

00:41:52,550 --> 00:41:50,960

down look whatever any one of those

1171

00:41:55,150 --> 00:41:52,560

things that was claimed that these

1172

00:41:57,510 --> 00:41:55,160

objects did if they had hard

1173

00:41:58,630 --> 00:41:57,520

unambiguously weird data showing that it

1174

00:42:01,190 --> 00:41:58,640

did that

1175

00:42:02,710 --> 00:42:01,200

um from multiple sensor systems it's

1176

00:42:04,950 --> 00:42:02,720

like okay like

1177

00:42:06,069 --> 00:42:04,960

if you have it then release that now if

1178

00:42:07,990 --> 00:42:06,079

they don't

1179

00:42:09,349 --> 00:42:08,000

maybe it's unambiguously weird and it

1180

00:42:11,109 --> 00:42:09,359

scared the [h__h] out of them and they

1181

00:42:13,109 --> 00:42:11,119

don't know what to do that's another

1182

00:42:14,630 --> 00:42:13,119

possibility i don't know

1183

00:42:17,670 --> 00:42:14,640

but this

1184

00:42:19,589 --> 00:42:17,680

this particular like what feels to me

1185

00:42:22,230 --> 00:42:19,599

like a game

1186

00:42:24,710 --> 00:42:22,240

it's not a lot of fun i'm like i know

1187

00:42:25,589 --> 00:42:24,720

ufo twitter they they like enjoy

1188

00:42:26,950 --> 00:42:25,599

the

1189

00:42:29,349 --> 00:42:26,960
drip of things that come out and

1190

00:42:32,710 --> 00:42:29,359
whatever but to me

1191

00:42:37,109 --> 00:42:34,870
again either the unambiguously weird

1192

00:42:40,069 --> 00:42:37,119
stuff is there or it isn't

1193

00:42:42,470 --> 00:42:40,079
and anything in between um either saying

1194

00:42:45,109 --> 00:42:42,480
it's not there or it is there

1195

00:42:47,510 --> 00:42:45,119
is just sort of a kind of game

1196

00:42:48,390 --> 00:42:47,520
um okay so yeah you think they're being

1197

00:42:51,829 --> 00:42:48,400
too

1198

00:42:53,910 --> 00:42:51,839
uh equivocating right now like so yeah

1199

00:42:56,150 --> 00:42:53,920
let's let's just yeah so that you kind

1200

00:42:57,990 --> 00:42:56,160
of gave the scenario there for if they

1201
00:42:59,829 --> 00:42:58,000
did have the evidence but say there's no

1202
00:43:01,990 --> 00:42:59,839
evidence whatsoever that's ambiguous

1203
00:43:03,589 --> 00:43:02,000
that's unambiguous and right they can't

1204
00:43:05,670 --> 00:43:03,599
tell you for sure that there's something

1205
00:43:07,750 --> 00:43:05,680
weird going on and it's more or less as

1206
00:43:11,349 --> 00:43:07,760
they describe in the uap report like

1207
00:43:13,589 --> 00:43:11,359
need more data type type of thing

1208
00:43:16,470 --> 00:43:13,599
uh how are they not handling it

1209
00:43:18,790 --> 00:43:16,480
uh correctly if that is the case

1210
00:43:22,309 --> 00:43:18,800
now if what is the case if

1211
00:43:24,150 --> 00:43:22,319
if if if it is uh the case that they

1212
00:43:25,829 --> 00:43:24,160
just don't have enough data to make a

1213
00:43:27,910 --> 00:43:25,839

determination or something strange is

1214

00:43:29,349 --> 00:43:27,920

going on you know like basically what i

1215

00:43:31,670 --> 00:43:29,359

think you know the skeptic's point of

1216

00:43:33,270 --> 00:43:31,680

view it doesn't seem like there are yeah

1217

00:43:34,790 --> 00:43:33,280

strange things flying around in the sky

1218

00:43:35,910 --> 00:43:34,800

we don't have the data if that is the

1219

00:43:37,030 --> 00:43:35,920

case

1220

00:43:38,630 --> 00:43:37,040

um

1221

00:43:40,390 --> 00:43:38,640

how is their response

1222

00:43:41,190 --> 00:43:40,400

right now and the way they're acting

1223

00:43:43,510 --> 00:43:41,200

uh

1224

00:43:45,109 --> 00:43:43,520

failing and how could they do better

1225

00:43:47,990 --> 00:43:45,119

well

1226

00:43:49,349 --> 00:43:48,000

they they could simply say we yeah they

1227

00:43:51,990 --> 00:43:49,359

could look at the data and they could

1228

00:43:53,750 --> 00:43:52,000

say there is no unambiguously weird data

1229

00:43:56,550 --> 00:43:53,760

here that

1230

00:43:57,990 --> 00:43:56,560

something along those lines or

1231

00:43:59,430 --> 00:43:58,000

or isn't that kind of in the report

1232

00:44:02,390 --> 00:43:59,440

isn't that really what the report says

1233

00:44:04,790 --> 00:44:02,400

though it doesn't say in those words but

1234

00:44:07,349 --> 00:44:04,800

right i mean so you know

1235

00:44:08,870 --> 00:44:07,359

look you know equivocate this yeah

1236

00:44:10,710 --> 00:44:08,880

you know the problem with the report as

1237

00:44:13,349 --> 00:44:10,720

well as i do people it's a choose your

1238

00:44:15,829 --> 00:44:13,359

own adventure report so

1239

00:44:18,630 --> 00:44:15,839

if you're you

1240

00:44:20,829 --> 00:44:18,640

there it's like oh well it's

1241

00:44:23,750 --> 00:44:20,839

possibilities or glitches blah blah

1242

00:44:24,870 --> 00:44:23,760

blah birds balloons whatever

1243

00:44:26,710 --> 00:44:24,880

if you

1244

00:44:28,710 --> 00:44:26,720

want to believe in aliens that's also

1245

00:44:30,069 --> 00:44:28,720

there in those 18 cases where they saw

1246

00:44:33,030 --> 00:44:30,079

some weird stuff that didn't make any

1247

00:44:34,710 --> 00:44:33,040

sense like that that report

1248

00:44:37,589 --> 00:44:34,720

right it's literally a choose your own

1249

00:44:39,750 --> 00:44:37,599

adventure report and that's actually my

1250

00:44:41,750 --> 00:44:39,760

my problem with it is it's and look it

1251
00:44:43,270 --> 00:44:41,760
was a preliminary report and they

1252
00:44:44,710 --> 00:44:43,280
probably did not have their time to get

1253
00:44:46,390 --> 00:44:44,720
their [h__h] together and get out

1254
00:44:48,550 --> 00:44:46,400
something that was good there's a

1255
00:44:49,670 --> 00:44:48,560
question of how much access to data did

1256
00:44:51,510 --> 00:44:49,680
they have

1257
00:44:53,270 --> 00:44:51,520
did they actually have access to the

1258
00:44:55,190 --> 00:44:53,280
data bricks from the nimitz incident or

1259
00:44:58,390 --> 00:44:55,200
forget the nimitz incident any any one

1260
00:45:00,550 --> 00:44:58,400
of the 144 or whatever cases did they

1261
00:45:02,230 --> 00:45:00,560
actually have access to the raw

1262
00:45:03,750 --> 00:45:02,240
data

1263
00:45:04,710 --> 00:45:03,760

and it sounds like they kind of maybe

1264

00:45:06,150 --> 00:45:04,720

didn't

1265

00:45:09,190 --> 00:45:06,160

that's a problem

1266

00:45:12,150 --> 00:45:09,200

um yeah well i don't think they were an

1267

00:45:14,470 --> 00:45:12,160

investigative body yeah i think

1268

00:45:17,030 --> 00:45:14,480

people make much of the fact that they

1269

00:45:19,349 --> 00:45:17,040

solved one of the cases and it was a

1270

00:45:21,430 --> 00:45:19,359

balloon i think that's just like one of

1271

00:45:23,190 --> 00:45:21,440

the cases just happens to be solved by

1272

00:45:25,430 --> 00:45:23,200

someone while they were

1273

00:45:27,430 --> 00:45:25,440

looking into it it's that's like the one

1274

00:45:29,990 --> 00:45:27,440

where it just was unambiguously pretty

1275

00:45:33,750 --> 00:45:30,000

clearly a balloon like the yeah the bit

1276
00:45:36,470 --> 00:45:35,190
yeah someone looked at it and they were

1277
00:45:37,829 --> 00:45:36,480
like oh that's that's definitely a

1278
00:45:39,510 --> 00:45:37,839
balloon and maybe they got access to

1279
00:45:42,309 --> 00:45:39,520
just enough data to prove yeah that's

1280
00:45:43,670 --> 00:45:42,319
definitely a balloon yeah um but you

1281
00:45:45,030 --> 00:45:43,680
know there's a ques there's a question

1282
00:45:47,430 --> 00:45:45,040
about how much data that they have

1283
00:45:48,710 --> 00:45:47,440
access to for any of those other cases

1284
00:45:50,230 --> 00:45:48,720
and you look at the amount of time that

1285
00:45:51,750 --> 00:45:50,240
it took to generate that report and it's

1286
00:45:53,430 --> 00:45:51,760
almost impossible that they could have

1287
00:45:56,230 --> 00:45:53,440
gotten enough

1288
00:45:58,069 --> 00:45:56,240

information right so sure sure and and

1289

00:45:59,670 --> 00:45:58,079

like in an actual investigation of these

1290

00:46:02,630 --> 00:45:59,680

things takes a lot of time and probably

1291

00:46:05,990 --> 00:46:02,640

uh yeah the reason we have ufos

1292

00:46:08,069 --> 00:46:06,000

is that we have ambiguous data like if

1293

00:46:10,550 --> 00:46:08,079

if all data was unambiguous there

1294

00:46:12,550 --> 00:46:10,560

wouldn't be any ufos so right you're

1295

00:46:15,190 --> 00:46:12,560

starting out with the best cases

1296

00:46:16,470 --> 00:46:15,200

essentially the most ambiguous things

1297

00:46:18,150 --> 00:46:16,480

the things that exist just on the

1298

00:46:20,390 --> 00:46:18,160

boundary of looking a little bit

1299

00:46:21,589 --> 00:46:20,400

interesting but still being being being

1300

00:46:23,190 --> 00:46:21,599

ambiguous

1301
00:46:24,390 --> 00:46:23,200
and you know they they couldn't really

1302
00:46:25,829 --> 00:46:24,400
push

1303
00:46:29,349 --> 00:46:25,839
the boundary back up very much with

1304
00:46:32,630 --> 00:46:29,359
those cases but uh yeah i thought we're

1305
00:46:37,030 --> 00:46:34,950
the report i think

1306
00:46:39,349 --> 00:46:37,040
from my perspective which of course is

1307
00:46:43,270 --> 00:46:39,359
you know just completely uh at odds with

1308
00:46:46,790 --> 00:46:43,280
ufo twitter's is is that they're saying

1309
00:46:48,710 --> 00:46:46,800
we only have ambiguous data

1310
00:46:51,510 --> 00:46:48,720
because in all the cases they said we

1311
00:46:53,430 --> 00:46:51,520
need more study we can't tell if this

1312
00:46:56,390 --> 00:46:53,440
means anything like we we might need to

1313
00:46:58,390 --> 00:46:56,400

invent new science to understand uh you

1314

00:46:59,750 --> 00:46:58,400

know this because we

1315

00:47:01,589 --> 00:46:59,760

yeah that that sounds like i guess that

1316

00:47:03,349 --> 00:47:01,599

kind of sounds ambiguously strange a

1317

00:47:05,589 --> 00:47:03,359

little but uh i don't think it really is

1318

00:47:07,910 --> 00:47:05,599

because it's it's really just it's like

1319

00:47:09,430 --> 00:47:07,920

say you've got a mysterious stain on

1320

00:47:11,109 --> 00:47:09,440

something and you you actually need to

1321

00:47:12,630 --> 00:47:11,119

get a more powerful microscope to look

1322

00:47:14,230 --> 00:47:12,640

at what it actually is it doesn't mean

1323

00:47:16,069 --> 00:47:14,240

it's it means you just haven't you don't

1324

00:47:18,550 --> 00:47:16,079

have the resolving power

1325

00:47:20,390 --> 00:47:18,560

to figure out what something is but yeah

1326

00:47:22,230 --> 00:47:20,400

i that's that's

1327

00:47:24,950 --> 00:47:22,240

what my perspective is and i think that

1328

00:47:27,030 --> 00:47:24,960

goes over to avril haynes's statement

1329

00:47:28,790 --> 00:47:27,040

and she's just basically repeating that

1330

00:47:30,549 --> 00:47:28,800

like there are things

1331

00:47:32,710 --> 00:47:30,559

in the air we don't know what they are

1332

00:47:34,870 --> 00:47:32,720

you know like obama said yeah there are

1333

00:47:36,630 --> 00:47:34,880

things flying around

1334

00:47:38,470 --> 00:47:36,640

but like you went she went like a

1335

00:47:40,790 --> 00:47:38,480

strange she went to a conference with

1336

00:47:43,190 --> 00:47:40,800

where abby loeb was speaking like

1337

00:47:45,589 --> 00:47:43,200

okay yeah and and that you know there's

1338

00:47:47,430 --> 00:47:45,599

a conscious decision and and i'm not

1339

00:47:49,750 --> 00:47:47,440

it's not a matter of like i'm trying to

1340

00:47:51,589 --> 00:47:49,760

read into that it's more like

1341

00:47:54,470 --> 00:47:51,599

it's so on the nose

1342

00:47:57,349 --> 00:47:54,480

that you could not it's impossible

1343

00:47:58,950 --> 00:47:57,359

so improbable to me that she looked at

1344

00:48:00,470 --> 00:47:58,960

who was speaking at that conference what

1345

00:48:02,630 --> 00:48:00,480

it was going to be about

1346

00:48:05,270 --> 00:48:02,640

and like didn't have a moment of like

1347

00:48:07,190 --> 00:48:05,280

should i do this

1348

00:48:09,430 --> 00:48:07,200

well there was jeff bezos there and he

1349

00:48:10,950 --> 00:48:09,440

gave a really long boring talk about you

1350

00:48:12,950 --> 00:48:10,960

know oh yeah

1351

00:48:14,549 --> 00:48:12,960

living in space look we all tuned out

1352

00:48:17,030 --> 00:48:14,559

for that no one was listening to that

1353

00:48:18,230 --> 00:48:17,040

part of it um oh listen to it but it was

1354

00:48:19,510 --> 00:48:18,240

yeah it's like yeah it's basically

1355

00:48:21,430 --> 00:48:19,520

science fiction we can have a trillion

1356

00:48:23,109 --> 00:48:21,440

people in space in space constructs and

1357

00:48:24,390 --> 00:48:23,119

it's going to be great and then aviolo

1358

00:48:25,829 --> 00:48:24,400

comes in and he's like i don't think we

1359

00:48:27,270 --> 00:48:25,839

should go into space

1360

00:48:28,390 --> 00:48:27,280

i think we should just send robots into

1361

00:48:29,910 --> 00:48:28,400

space and we should all live here

1362

00:48:31,829 --> 00:48:29,920

because you know we were designed by

1363

00:48:33,430 --> 00:48:31,839

nature to live on the planet so they had

1364

00:48:35,270 --> 00:48:33,440

a whole bunch of very different people

1365

00:48:36,470 --> 00:48:35,280

they didn't yeah just because avialobe

1366

00:48:38,309 --> 00:48:36,480

was there it doesn't mean that she kind

1367

00:48:39,990 --> 00:48:38,319

of endorses his viewpoints yeah the

1368

00:48:40,870 --> 00:48:40,000

other guy was david wilkerson or

1369

00:48:41,910 --> 00:48:40,880

something

1370

00:48:44,069 --> 00:48:41,920

uh

1371

00:48:45,270 --> 00:48:44,079

he he thought that aliens were not

1372

00:48:47,510 --> 00:48:45,280

visiting

1373

00:48:49,190 --> 00:48:47,520

yeah because he was asked explicitly and

1374

00:48:52,069 --> 00:48:49,200

uh yeah i think you know

1375

00:48:53,589 --> 00:48:52,079

there were you know but bill nelson yeah

1376

00:48:56,150 --> 00:48:53,599

bill nelson um

1377

00:48:57,109 --> 00:48:56,160

aliens were brought up a lot

1378

00:48:58,870 --> 00:48:57,119

during

1379

00:49:01,030 --> 00:48:58,880

throughout the course of the conference

1380

00:49:03,109 --> 00:49:01,040

um i i don't remember if it was posed to

1381

00:49:04,470 --> 00:49:03,119

bezos or not i think he might have been

1382

00:49:06,549 --> 00:49:04,480

dismissive i think he might have said

1383

00:49:07,990 --> 00:49:06,559

yeah i don't think he he mentioned

1384

00:49:10,390 --> 00:49:08,000

aliens but yeah i think he's the type of

1385

00:49:12,790 --> 00:49:10,400

guy who would not be uh that into it

1386

00:49:15,030 --> 00:49:12,800

because he's a very nuts and bolts guy

1387

00:49:17,270 --> 00:49:15,040

yeah and i think like like elon musk he

1388

00:49:19,109 --> 00:49:17,280

assumes that if there are aliens he

1389

00:49:20,549 --> 00:49:19,119

would know about it because he's you

1390

00:49:22,309 --> 00:49:20,559

know the richest man in the world and he

1391

00:49:23,829 --> 00:49:22,319

has these incredible resources and he's

1392

00:49:26,069 --> 00:49:23,839

got his fingers in lots of pieces

1393

00:49:28,630 --> 00:49:26,079

they're in on it nick

1394

00:49:31,430 --> 00:49:28,640

oh yeah of course

1395

00:49:32,790 --> 00:49:31,440

look i'm joking but uh you know that's

1396

00:49:34,150 --> 00:49:32,800

look that's what that's what people

1397

00:49:35,750 --> 00:49:34,160

really there's a lot of people really

1398

00:49:37,670 --> 00:49:35,760

think that it's like oh well if they

1399

00:49:40,790 --> 00:49:37,680

yeah if they're playing dumb that must

1400

00:49:42,950 --> 00:49:40,800

mean they're in on it and um hey maybe

1401

00:49:44,870 --> 00:49:42,960

but i'm gonna i i

1402

00:49:47,589 --> 00:49:44,880

yeah one reason why i think you and i

1403

00:49:50,630 --> 00:49:47,599

get along is that ultimately i actually

1404

00:49:52,470 --> 00:49:50,640

am a pretty evidence-driven person now

1405

00:49:53,990 --> 00:49:52,480

there's all sorts of weird things that

1406

00:49:55,910 --> 00:49:54,000

i'm willing to kind of entertain on my

1407

00:49:58,630 --> 00:49:55,920

own or even things that i personally

1408

00:50:01,349 --> 00:49:58,640

believe but when it comes to like what i

1409

00:50:02,549 --> 00:50:01,359

want to discuss in a public realm on

1410

00:50:05,190 --> 00:50:02,559

this issue

1411

00:50:07,270 --> 00:50:05,200

um i try to actually be as evidence

1412

00:50:10,230 --> 00:50:07,280

driven as possible i i

1413

00:50:14,150 --> 00:50:10,240

to um you know the chagrin of ufo

1414

00:50:15,670 --> 00:50:14,160

twitter i hold you up i actually say

1415

00:50:17,990 --> 00:50:15,680

there's nothing

1416

00:50:19,349 --> 00:50:18,000

this guy can do to harm us

1417

00:50:21,190 --> 00:50:19,359

he is literally

1418

00:50:24,390 --> 00:50:21,200

what what do you do you

1419

00:50:26,309 --> 00:50:24,400

debunk things and you say

1420

00:50:28,630 --> 00:50:26,319

yeah you try you try to debunk things

1421

00:50:31,190 --> 00:50:28,640

and then you um give a list in order of

1422

00:50:33,829 --> 00:50:31,200

likelihood of what things probably are

1423

00:50:36,069 --> 00:50:33,839

versus probably not

1424

00:50:40,069 --> 00:50:36,079

there's lit there's nothing you can do

1425

00:50:42,790 --> 00:50:40,079

to harm any of us you know and and i um

1426

00:50:45,030 --> 00:50:42,800

i appreciate what you do and i i

1427

00:50:46,470 --> 00:50:45,040

uh you know and and i

1428

00:50:49,430 --> 00:50:46,480

there's nothing that you can do other

1429

00:50:51,109 --> 00:50:49,440

than force me to ask better sharper

1430

00:50:53,030 --> 00:50:51,119

questions and to

1431

00:50:55,109 --> 00:50:53,040

you know try to um

1432

00:50:58,710 --> 00:50:55,119

try to better understand like ways to

1433

00:51:00,630 --> 00:50:58,720

sort of reframe the the conversation to

1434

00:51:03,190 --> 00:51:00,640

um get get

1435

00:51:05,750 --> 00:51:03,200

closer to something like a productive

1436

00:51:07,430 --> 00:51:05,760

conversation i don't think i can alter

1437

00:51:10,069 --> 00:51:07,440

what's gonna happen in government but i

1438

00:51:12,549 --> 00:51:10,079

can give an opinion that what they are

1439

00:51:13,829 --> 00:51:12,559

currently doing in in my view and we can

1440

00:51:15,349 --> 00:51:13,839

disagree

1441

00:51:19,910 --> 00:51:15,359

i

1442

00:51:21,829 --> 00:51:19,920

now

1443

00:51:24,630 --> 00:51:21,839

in the grand scheme of everything going

1444

00:51:26,790 --> 00:51:24,640

on in the world obviously covid and

1445

00:51:28,950 --> 00:51:26,800

actual foreign threats and all these

1446

00:51:33,270 --> 00:51:28,960

different things going on this is i

1447

00:51:35,270 --> 00:51:33,280

admit very small but my point is um

1448

00:51:38,470 --> 00:51:35,280

for someone like me who tries to take

1449

00:51:41,109 --> 00:51:38,480

the ufo topic seriously i can't think of

1450

00:51:42,470 --> 00:51:41,119

a better argument to make at the moment

1451
00:51:46,549 --> 00:51:42,480
other than

1452
00:51:48,309 --> 00:51:46,559
the the government

1453
00:51:51,349 --> 00:51:48,319
is handling this in a very deeply

1454
00:51:54,150 --> 00:51:51,359
irresponsible way um

1455
00:51:57,190 --> 00:51:54,160
and it's it has some potentially

1456
00:52:01,190 --> 00:51:57,200
bad downsides and i don't get it i just

1457
00:52:03,190 --> 00:52:01,200
i purely i don't really get it um

1458
00:52:05,990 --> 00:52:03,200
and maybe i'm reading way too much into

1459
00:52:08,069 --> 00:52:06,000
this but yeah do you think if they knew

1460
00:52:11,270 --> 00:52:08,079
that aliens were visiting us they would

1461
00:52:14,150 --> 00:52:11,280
handle it the way they are handling it

1462
00:52:16,230 --> 00:52:14,160
again that's possible right so

1463
00:52:18,710 --> 00:52:16,240

what we discussed earlier it's it's

1464

00:52:20,390 --> 00:52:18,720

possible that they conclude that like

1465

00:52:22,230 --> 00:52:20,400

some group of people

1466

00:52:24,950 --> 00:52:22,240

like really important

1467

00:52:26,390 --> 00:52:24,960

rights yeah you know you say it's like a

1468

00:52:27,910 --> 00:52:26,400

small thing it's not important because

1469

00:52:30,390 --> 00:52:27,920

it's just like a few guys getting sucked

1470

00:52:34,710 --> 00:52:30,400

into cults or whatever well i mean a bit

1471

00:52:38,790 --> 00:52:36,630

yeah so for the people that this is

1472

00:52:40,230 --> 00:52:38,800

confirming for for the people out there

1473

00:52:42,150 --> 00:52:40,240

that this is like something that's

1474

00:52:43,270 --> 00:52:42,160

adding more fuel to like i definitely

1475

00:52:45,670 --> 00:52:43,280

believe that the government has been

1476
00:52:48,230 --> 00:52:45,680
covering up aliens what they're seeing

1477
00:52:49,829 --> 00:52:48,240
is of course this is exactly the way

1478
00:52:53,109 --> 00:52:49,839
that the government would do it it would

1479
00:52:55,670 --> 00:52:53,119
be slow drip um and they would be slowly

1480
00:52:58,230 --> 00:52:55,680
preparing and it would be a small issue

1481
00:52:59,910 --> 00:52:58,240
at first but they'd be slowly planting

1482
00:53:02,470 --> 00:52:59,920
the seeds and of course they would show

1483
00:53:04,150 --> 00:53:02,480
up at a religious uh

1484
00:53:07,190 --> 00:53:04,160
place to talk about it in terms of

1485
00:53:09,270 --> 00:53:07,200
preparing preparing the religious people

1486
00:53:10,549 --> 00:53:09,280
and all that stuff and you know they can

1487
00:53:11,990 --> 00:53:10,559
cite um

1488
00:53:14,390 --> 00:53:12,000

you know that one report that said all

1489

00:53:15,750 --> 00:53:14,400

the religious people were would go crazy

1490

00:53:17,349 --> 00:53:15,760

if it turned out that they were aliens

1491

00:53:19,190 --> 00:53:17,359

like yeah of course this is how the

1492

00:53:21,030 --> 00:53:19,200

government would do it yeah david

1493

00:53:22,470 --> 00:53:21,040

wilkinson is just that uh

1494

00:53:24,950 --> 00:53:22,480

just uh like

1495

00:53:27,430 --> 00:53:24,960

smoothing it over no you'll be fine so

1496

00:53:30,230 --> 00:53:27,440

god will be understand

1497

00:53:31,910 --> 00:53:30,240

do do i feel that this is the way that

1498

00:53:34,230 --> 00:53:31,920

the government would handle it if they

1499

00:53:36,069 --> 00:53:34,240

had this information

1500

00:53:39,030 --> 00:53:36,079

i don't know if i'm being honest with

1501
00:53:41,510 --> 00:53:39,040
you mick none of it makes any damn sense

1502
00:53:44,630 --> 00:53:41,520
from from my perspective

1503
00:53:46,309 --> 00:53:44,640
um this is all such a mess which leads

1504
00:53:48,950 --> 00:53:46,319
me

1505
00:53:50,549 --> 00:53:48,960
maybe more into the this is just a

1506
00:53:52,710 --> 00:53:50,559
cluster [h__\h]

1507
00:53:54,549 --> 00:53:52,720
of a lot of different things some of

1508
00:53:58,630 --> 00:53:54,559
which are related another which other of

1509
00:54:00,150 --> 00:53:58,640
which are not of of stuff

1510
00:54:01,430 --> 00:54:00,160
that has all kind of gotten smudged

1511
00:54:02,470 --> 00:54:01,440
together

1512
00:54:04,950 --> 00:54:02,480
um

1513
00:54:06,549 --> 00:54:04,960

that's the best i've got right now

1514

00:54:10,069 --> 00:54:06,559

um

1515

00:54:13,270 --> 00:54:10,079

but well but also but also i do i do

1516

00:54:15,190 --> 00:54:13,280

think that at this point like i

1517

00:54:17,109 --> 00:54:15,200

yeah i want some answers i think that

1518

00:54:19,670 --> 00:54:17,119

the people that are the most invested

1519

00:54:21,510 --> 00:54:19,680

and interested in this topic

1520

00:54:23,109 --> 00:54:21,520

deserve better

1521

00:54:24,870 --> 00:54:23,119

than

1522

00:54:29,030 --> 00:54:24,880

this vague

1523

00:54:30,309 --> 00:54:29,040

fueling of conspiracy theories yeah

1524

00:54:33,030 --> 00:54:30,319

and and again

1525

00:54:35,430 --> 00:54:33,040

why do you why do you deserve better

1526

00:54:37,670 --> 00:54:35,440

i mean it would be great and everything

1527

00:54:40,870 --> 00:54:37,680

just because we're all we're all we're

1528

00:54:43,349 --> 00:54:40,880

all citizens and we we all pay taxes and

1529

00:54:45,349 --> 00:54:43,359

we all deserve uh you know

1530

00:54:47,190 --> 00:54:45,359

but it's not like you say it's almost

1531

00:54:48,789 --> 00:54:47,200

like you're saying like the ufo twitter

1532

00:54:51,430 --> 00:54:48,799

people deserve better

1533

00:54:53,270 --> 00:54:51,440

uh and because we're talking about such

1534

00:54:55,270 --> 00:54:53,280

a small amount of people

1535

00:54:56,950 --> 00:54:55,280

uh well the ufo should the government

1536

00:54:59,670 --> 00:54:56,960

step out of its way well i want to

1537

00:55:01,349 --> 00:54:59,680

actually uh satisfy a small group no so

1538

00:55:03,190 --> 00:55:01,359

it's actually to satisfy a lot much

1539

00:55:05,030 --> 00:55:03,200

larger group than ufo twitter i guess

1540

00:55:06,870 --> 00:55:05,040

what i would argue is

1541

00:55:08,710 --> 00:55:06,880

um

1542

00:55:11,109 --> 00:55:08,720

again when it when it elevates to the

1543

00:55:13,190 --> 00:55:11,119

level of it's on 60 minutes so i'm not

1544

00:55:15,990 --> 00:55:13,200

talking just about ufo twitter right

1545

00:55:17,990 --> 00:55:16,000

yeah and and you know i'll say this yeah

1546

00:55:20,950 --> 00:55:18,000

ufo twitter is small

1547

00:55:23,829 --> 00:55:20,960

but the more that i tell random people

1548

00:55:26,470 --> 00:55:23,839

like uh yeah hey i've i've got a podcast

1549

00:55:28,710 --> 00:55:26,480

i talk about ufos and weird [h__h]

1550

00:55:31,910 --> 00:55:28,720

a lot more people are invested and

1551
00:55:33,750 --> 00:55:31,920
interested in this then we'll say so um

1552
00:55:34,470 --> 00:55:33,760
i think that there's more interest out

1553
00:55:37,109 --> 00:55:34,480
there

1554
00:55:39,109 --> 00:55:37,119
than is obvious and that's why anytime

1555
00:55:43,349 --> 00:55:39,119
someone writes a headline like it gets

1556
00:55:46,309 --> 00:55:43,359
clicked on relentlessly um i i think it

1557
00:55:48,470 --> 00:55:46,319
it's it is bigger than ufo twitter now

1558
00:55:49,829 --> 00:55:48,480
ufo twitter represents the people that

1559
00:55:51,750 --> 00:55:49,839
are the most invested that are sort of

1560
00:55:53,589 --> 00:55:51,760
willing to talk about it every damn day

1561
00:55:55,190 --> 00:55:53,599
of their lives whereas everybody else

1562
00:55:57,670 --> 00:55:55,200
kind of has to get back to their lives

1563
00:55:59,670 --> 00:55:57,680

but yes indeed i think a lot of people

1564

00:56:00,870 --> 00:55:59,680

are interested

1565

00:56:02,950 --> 00:56:00,880

um

1566

00:56:04,870 --> 00:56:02,960

and it's not just owed to the ufo

1567

00:56:06,789 --> 00:56:04,880

twitter people although i do think that

1568

00:56:08,150 --> 00:56:06,799

the government should care because of

1569

00:56:09,990 --> 00:56:08,160

all the things that i mentioned before

1570

00:56:11,750 --> 00:56:10,000

there's a lot of potential very bad

1571

00:56:13,670 --> 00:56:11,760

downsides like do they want to be

1572

00:56:15,829 --> 00:56:13,680

responsible for the next heaven's gate

1573

00:56:18,549 --> 00:56:15,839

do they want to be responsible for

1574

00:56:20,710 --> 00:56:18,559

another q anon type situation

1575

00:56:22,870 --> 00:56:20,720

um we don't have to guess whether or not

1576

00:56:24,150 --> 00:56:22,880

conspiracy culture can lead to bad

1577

00:56:26,390 --> 00:56:24,160

outcomes

1578

00:56:30,470 --> 00:56:26,400

you know and

1579

00:56:32,470 --> 00:56:30,480

i just think that that more um

1580

00:56:34,309 --> 00:56:32,480

the the more responsibility should be

1581

00:56:36,470 --> 00:56:34,319

exercised here in terms of how we're

1582

00:56:37,589 --> 00:56:36,480

going to discuss this going forward how

1583

00:56:39,910 --> 00:56:37,599

we're going to communicate with the

1584

00:56:41,270 --> 00:56:39,920

public going forward

1585

00:56:43,109 --> 00:56:41,280

uh

1586

00:56:45,190 --> 00:56:43,119

again you know it comes down to

1587

00:56:47,030 --> 00:56:45,200

interpret your own personal feeling or

1588

00:56:49,190 --> 00:56:47,040

interpretation as to how dangerous or

1589

00:56:50,150 --> 00:56:49,200

bad that could really be

1590

00:56:51,030 --> 00:56:50,160

um

1591

00:56:54,069 --> 00:56:51,040

but

1592

00:56:55,829 --> 00:56:54,079

yeah i i think it is very very bad the

1593

00:56:57,270 --> 00:56:55,839

way that is currently being handled and

1594

00:56:59,030 --> 00:56:57,280

i think they could do a lot better i

1595

00:57:00,710 --> 00:56:59,040

think we all deserve a lot better ufo

1596

00:57:03,270 --> 00:57:00,720

twitter deserves a lot better i think

1597

00:57:05,829 --> 00:57:03,280

the american public deserve a lot better

1598

00:57:11,510 --> 00:57:05,839

do you think the gilly brand amendment

1599

00:57:15,750 --> 00:57:12,390

so i mean

1600

00:57:18,069 --> 00:57:15,760

that amendment is that's sort of its own

1601
00:57:20,789 --> 00:57:18,079
conversation i don't know um

1602
00:57:21,589 --> 00:57:20,799
what what what i mean what do you think

1603
00:57:22,950 --> 00:57:21,599
well

1604
00:57:24,309 --> 00:57:22,960
how do you feel about that amendment in

1605
00:57:25,109 --> 00:57:24,319
general i don't think we've talked about

1606
00:57:26,710 --> 00:57:25,119
this

1607
00:57:28,390 --> 00:57:26,720
no it just kind of came out of nowhere

1608
00:57:30,710 --> 00:57:28,400
and it's very interesting like

1609
00:57:33,750 --> 00:57:30,720
essentially what it's doing is is this

1610
00:57:36,150 --> 00:57:33,760
um establishing this office which is a

1611
00:57:37,190 --> 00:57:36,160
pretty big deal i think uh the advisory

1612
00:57:39,270 --> 00:57:37,200
committee

1613
00:57:42,309 --> 00:57:39,280

uh we talked briefly earlier about how

1614

00:57:44,390 --> 00:57:42,319

they had a a wacky interpretation of the

1615

00:57:46,549 --> 00:57:44,400

term ufo and because they needed to

1616

00:57:48,710 --> 00:57:46,559

shoehorn things that are under the sea

1617

00:57:51,109 --> 00:57:48,720

into uap

1618

00:57:52,950 --> 00:57:51,119

uh and then they have this

1619

00:57:55,270 --> 00:57:52,960

committee called the aerial and

1620

00:57:56,309 --> 00:57:55,280

trans-medium phenomena advisory

1621

00:57:58,470 --> 00:57:56,319

committee

1622

00:58:00,150 --> 00:57:58,480

right maybe they should call it the atp

1623

00:58:01,510 --> 00:58:00,160

instead of the aerial and trans-medium

1624

00:58:02,549 --> 00:58:01,520

phenomena

1625

00:58:04,549 --> 00:58:02,559

uh but

1626

00:58:06,710 --> 00:58:04,559

yeah and it's like 20 people on the

1627

00:58:08,710 --> 00:58:06,720

committee and people from nasa people in

1628

00:58:10,230 --> 00:58:08,720

the faa national sciences science and

1629

00:58:11,910 --> 00:58:10,240

the people from

1630

00:58:15,190 --> 00:58:11,920

uh rv lobe

1631

00:58:16,230 --> 00:58:15,200

and people from the scu

1632

00:58:17,109 --> 00:58:16,240

yeah and

1633

00:58:21,109 --> 00:58:17,119

yeah

1634

00:58:23,349 --> 00:58:21,119

i'll give you

1635

00:58:25,510 --> 00:58:23,359

my take on this which again is not going

1636

00:58:26,710 --> 00:58:25,520

to go over with the people the law some

1637

00:58:28,710 --> 00:58:26,720

of the people that i know not not

1638

00:58:29,829 --> 00:58:28,720

everybody there's some people that uh

1639

00:58:31,270 --> 00:58:29,839

like what i have to say and other people

1640

00:58:33,270 --> 00:58:31,280

who don't but

1641

00:58:35,990 --> 00:58:33,280

i don't want this

1642

00:58:37,589 --> 00:58:36,000

i don't want that that amendment is not

1643

00:58:40,150 --> 00:58:37,599

good to me um

1644

00:58:45,750 --> 00:58:40,160

unless

1645

00:58:49,030 --> 00:58:45,760

unambiguously weird is presented

1646

00:58:51,829 --> 00:58:49,040

i see no justification so and i'm i'm

1647

00:58:55,270 --> 00:58:51,839

not coming at that as a ufo person i'm

1648

00:58:57,589 --> 00:58:55,280

coming at that as a as a as the average

1649

00:58:59,109 --> 00:58:57,599

discerning person who wants to know

1650

00:59:01,030 --> 00:58:59,119

whether or not their money is being

1651
00:59:02,950 --> 00:59:01,040
spent in the right place

1652
00:59:04,390 --> 00:59:02,960
do i want

1653
00:59:05,990 --> 00:59:04,400
our government

1654
00:59:09,270 --> 00:59:06,000
to

1655
00:59:13,190 --> 00:59:09,280
just be sort of like playing ufo

1656
00:59:15,430 --> 00:59:13,200
larping i guess uh that's what because

1657
00:59:17,670 --> 00:59:15,440
if the data's there then great

1658
00:59:18,950 --> 00:59:17,680
investigate those things like if if the

1659
00:59:20,789 --> 00:59:18,960
data shows that there's something

1660
00:59:22,710 --> 00:59:20,799
unambiguously weird and there's a reason

1661
00:59:25,190 --> 00:59:22,720
to do all the things that are in that

1662
00:59:27,510 --> 00:59:25,200
amendment then great

1663
00:59:29,750 --> 00:59:27,520

but we don't have that data we don't

1664

00:59:31,829 --> 00:59:29,760

even have a confirmation that such data

1665

00:59:33,829 --> 00:59:31,839

exists you've got the the nimitz

1666

00:59:35,349 --> 00:59:33,839

witnesses out there sort of being hung

1667

00:59:36,789 --> 00:59:35,359

out to dry

1668

00:59:38,630 --> 00:59:36,799

they're out there saying that these

1669

00:59:40,309 --> 00:59:38,640

things happen but the government isn't

1670

00:59:42,470 --> 00:59:40,319

coming out and confirming that one

1671

00:59:45,589 --> 00:59:42,480

specific case which another is another

1672

00:59:48,470 --> 00:59:45,599

problem that i have with that uap report

1673

00:59:50,549 --> 00:59:48,480

there's nothing specific in it like

1674

00:59:52,390 --> 00:59:50,559

people draw the conclusion this means

1675

00:59:54,470 --> 00:59:52,400

that the nimitz case was definitely

1676

00:59:56,710 --> 00:59:54,480

weird no it doesn't say that it doesn't

1677

00:59:57,990 --> 00:59:56,720

talk about that case

1678

01:00:00,150 --> 00:59:58,000

um

1679

01:00:02,630 --> 01:00:00,160

you know the situation all if i'm being

1680

01:00:04,390 --> 01:00:02,640

honest with you it all it all sucks

1681

01:00:06,789 --> 01:00:04,400

you know um

1682

01:00:09,430 --> 01:00:06,799

yeah but like you know you say you only

1683

01:00:11,430 --> 01:00:09,440

would want it if it had unambiguous data

1684

01:00:14,470 --> 01:00:11,440

or strangeness but yeah surely there's a

1685

01:00:16,549 --> 01:00:14,480

lot of uaps under the the definition of

1686

01:00:18,710 --> 01:00:16,559

uap that are still very important

1687

01:00:20,870 --> 01:00:18,720

national security issues yeah without

1688

01:00:22,230 --> 01:00:20,880

being strange i guess even airspace

1689

01:00:23,990 --> 01:00:22,240

clutter

1690

01:00:25,349 --> 01:00:24,000

and then foreign drones and things like

1691

01:00:27,190 --> 01:00:25,359

that but no but we're already

1692

01:00:30,549 --> 01:00:27,200

investigating all that

1693

01:00:32,390 --> 01:00:30,559

i guess this is this is why this i think

1694

01:00:34,950 --> 01:00:32,400

well it's not that i would think that we

1695

01:00:37,190 --> 01:00:34,960

would be it's like i know we must be and

1696

01:00:39,670 --> 01:00:37,200

maybe that's a bit far too big of a leap

1697

01:00:40,470 --> 01:00:39,680

for me for me to make i don't think it

1698

01:00:41,829 --> 01:00:40,480

is

1699

01:00:44,870 --> 01:00:41,839

it's like

1700

01:00:47,349 --> 01:00:44,880

obviously we're already looking at

1701

01:00:51,589 --> 01:00:47,359

foreign uh capabilities we're already

1702

01:00:54,150 --> 01:00:51,599

looking at space debris um

1703

01:00:56,390 --> 01:00:54,160

if it turns out that we're we we suck so

1704

01:00:58,309 --> 01:00:56,400

much that we weren't looking at those

1705

01:01:00,549 --> 01:00:58,319

things we've got a way bigger problem as

1706

01:01:04,309 --> 01:01:00,559

david lozando might say right

1707

01:01:07,589 --> 01:01:05,109

yeah

1708

01:01:09,030 --> 01:01:07,599

what this seems to me to be is like

1709

01:01:11,349 --> 01:01:09,040

people there are people in government

1710

01:01:13,589 --> 01:01:11,359

who do think that it's possible that

1711

01:01:15,589 --> 01:01:13,599

it's aliens

1712

01:01:17,589 --> 01:01:15,599

and that they want to keep this going

1713

01:01:18,950 --> 01:01:17,599

it's like okay but that's great i think

1714

01:01:19,910 --> 01:01:18,960

that's great if you want to keep it

1715

01:01:21,670 --> 01:01:19,920

going because you think it might be

1716

01:01:24,549 --> 01:01:21,680

aliens then fantastic

1717

01:01:27,109 --> 01:01:24,559

show me the unambiguously weird data

1718

01:01:29,990 --> 01:01:27,119

that justifies your actions here

1719

01:01:32,309 --> 01:01:30,000

that's yeah the crux of it for me and

1720

01:01:34,390 --> 01:01:32,319

and if you read it

1721

01:01:35,829 --> 01:01:34,400

yeah like reading this for me it it's

1722

01:01:38,470 --> 01:01:35,839

almost like it's written by somebody

1723

01:01:39,829 --> 01:01:38,480

outside of government and it's based on

1724

01:01:41,910 --> 01:01:39,839

like the the kind of the popular

1725

01:01:44,069 --> 01:01:41,920

understanding of the issue that's the

1726

01:01:46,549 --> 01:01:44,079

target yes yeah yeah the talking point

1727

01:01:49,829 --> 01:01:46,559

stuff that like louis under will say in

1728

01:01:51,910 --> 01:01:49,839

public yeah uh it doesn't seem to uh be

1729

01:01:53,670 --> 01:01:51,920

based on any kind of knowledge about

1730

01:01:55,589 --> 01:01:53,680

what's actually going on it's almost

1731

01:01:57,190 --> 01:01:55,599

like they're like you know like like

1732

01:01:59,510 --> 01:01:57,200

someone like you and they're saying like

1733

01:02:01,270 --> 01:01:59,520

oh you should tell us about these things

1734

01:02:03,109 --> 01:02:01,280

well and we should do a better job of

1735

01:02:04,230 --> 01:02:03,119

studying them yeah well let me ask you a

1736

01:02:06,549 --> 01:02:04,240

question

1737

01:02:08,390 --> 01:02:06,559

if if the government came out tomorrow

1738

01:02:11,430 --> 01:02:08,400

and they said

1739

01:02:13,430 --> 01:02:11,440

we have unambiguously weird data

1740

01:02:15,430 --> 01:02:13,440

confirming the um

1741

01:02:17,270 --> 01:02:15,440

you know say the the testimony of the

1742

01:02:19,829 --> 01:02:17,280

nimitz witnesses let's say they did that

1743

01:02:21,829 --> 01:02:19,839

just and they do like we can't release

1744

01:02:24,309 --> 01:02:21,839

the actual data because sources methods

1745

01:02:26,230 --> 01:02:24,319

blah blah blah right but they at least

1746

01:02:28,150 --> 01:02:26,240

make the middle step

1747

01:02:29,750 --> 01:02:28,160

like the middle step the mid there's a

1748

01:02:32,069 --> 01:02:29,760

middle step that's possible which the

1749

01:02:33,029 --> 01:02:32,079

middle step would be

1750

01:02:34,549 --> 01:02:33,039

yes

1751

01:02:38,230 --> 01:02:34,559

unambiguously

1752

01:02:40,470 --> 01:02:38,240

the craft did this and that and we don't

1753

01:02:43,029 --> 01:02:40,480

we're can't we can't show you that

1754

01:02:44,950 --> 01:02:43,039

but we're saying today that that

1755

01:02:46,829 --> 01:02:44,960

actually is a thing and

1756

01:02:49,910 --> 01:02:46,839

um would you then

1757

01:02:53,029 --> 01:02:49,920

support such an amendment like at that

1758

01:02:55,109 --> 01:02:53,039

point i agree yes let's do this

1759

01:02:56,789 --> 01:02:55,119

i you know first of all i kind of

1760

01:02:59,349 --> 01:02:56,799

support it anyway because i think it's

1761

01:03:01,270 --> 01:02:59,359

going to produce more information uh

1762

01:03:02,630 --> 01:03:01,280

sure but i also i also kind of don't

1763

01:03:03,910 --> 01:03:02,640

support it because i don't really see

1764

01:03:06,069 --> 01:03:03,920

the need for it and it kind of seems to

1765

01:03:07,270 --> 01:03:06,079

me like it's tinged with this this woo

1766

01:03:09,589 --> 01:03:07,280

but the

1767

01:03:12,069 --> 01:03:09,599

the the issue you raise

1768

01:03:15,190 --> 01:03:12,079

there if like someone came out and said

1769

01:03:17,029 --> 01:03:15,200

we have unambiguous data i i don't know

1770

01:03:19,029 --> 01:03:17,039

that i would

1771

01:03:20,549 --> 01:03:19,039

uh really trust it you don't know that

1772

01:03:22,230 --> 01:03:20,559

you're because like

1773

01:03:23,990 --> 01:03:22,240

yeah because i don't trust things that

1774

01:03:26,470 --> 01:03:24,000

the government says i'm not like a

1775

01:03:30,309 --> 01:03:26,480

conspiracy theorist i just recognize

1776

01:03:32,710 --> 01:03:30,319

that they get things wrong and wow

1777

01:03:34,710 --> 01:03:32,720

yeah that's that was the deliberate uh

1778

01:03:36,029 --> 01:03:34,720

like misrepresentation of the data but i

1779

01:03:38,069 --> 01:03:36,039

think there's accidental

1780

01:03:40,789 --> 01:03:38,079

misrepresentations too

1781

01:03:43,430 --> 01:03:40,799

uh two things come to mind one is in the

1782

01:03:45,190 --> 01:03:43,440

chilean case uh which people say oh

1783

01:03:48,150 --> 01:03:45,200

that's just the chileans but it's the

1784

01:03:49,990 --> 01:03:48,160

chilean military uh uh you know not a

1785

01:03:51,270 --> 01:03:50,000

fairly high level retired generals and

1786

01:03:53,510 --> 01:03:51,280

whatnot

1787

01:03:54,630 --> 01:03:53,520

did a committee very like the one that's

1788

01:03:55,750 --> 01:03:54,640

in front of me in the gilly brand

1789

01:03:58,230 --> 01:03:55,760
amendment

1790

01:04:01,190 --> 01:03:58,240
uh of a bunch of experts from different

1791

01:04:03,990 --> 01:04:01,200
domains and they just messed up

1792

01:04:06,309 --> 01:04:04,000
uh this investigation into

1793

01:04:08,309 --> 01:04:06,319
this this one case of the the chilean

1794

01:04:10,069 --> 01:04:08,319
navy ufo which was just a plane leaving

1795

01:04:12,150 --> 01:04:10,079
some contrails departing santiago

1796

01:04:14,069 --> 01:04:12,160
airport they announced to the world that

1797

01:04:15,990 --> 01:04:14,079
it was unambiguously

1798

01:04:17,349 --> 01:04:16,000
uh unidentified

1799

01:04:18,309 --> 01:04:17,359
and they eliminated everything and it

1800

01:04:21,589 --> 01:04:18,319
was a

1801
01:04:23,109 --> 01:04:21,599
and a genuine unknown they called it

1802
01:04:25,589 --> 01:04:23,119
uh and then the other thing is

1803
01:04:27,990 --> 01:04:25,599
completely separate from ufos the the

1804
01:04:30,150 --> 01:04:28,000
havana syndrome thing

1805
01:04:31,990 --> 01:04:30,160
that i think has

1806
01:04:32,789 --> 01:04:32,000
panels of experts

1807
01:04:34,789 --> 01:04:32,799
who

1808
01:04:36,789 --> 01:04:34,799
we have competing panels of experts now

1809
01:04:39,349 --> 01:04:36,799
we we have you know panels of experts

1810
01:04:40,710 --> 01:04:39,359
who are pushing the kind of politically

1811
01:04:43,270 --> 01:04:40,720
acceptable

1812
01:04:46,069 --> 01:04:43,280
answer which is that it is the russians

1813
01:04:48,549 --> 01:04:46,079

beaming us with secret weapons

1814

01:04:51,029 --> 01:04:48,559

and then you've got the more

1815

01:04:52,630 --> 01:04:51,039

prosaic answer which lots of people

1816

01:04:54,870 --> 01:04:52,640

come up with which which i agree with

1817

01:04:56,470 --> 01:04:54,880

which is probably some kind of uh mass

1818

01:04:59,589 --> 01:04:56,480

psychogenic illness like a type of mass

1819

01:05:01,109 --> 01:04:59,599

hysteria everything so

1820

01:05:02,950 --> 01:05:01,119

if you get a panel coming out saying

1821

01:05:04,950 --> 01:05:02,960

something i'm not gonna necessarily just

1822

01:05:07,109 --> 01:05:04,960

believe them we could have something

1823

01:05:08,789 --> 01:05:07,119

some way of confirming that and i think

1824

01:05:12,710 --> 01:05:08,799

it's worth noting everything that i've

1825

01:05:15,910 --> 01:05:12,720

said regarding ufo uap those issues

1826

01:05:18,069 --> 01:05:15,920

also applies to the havana syndrome um

1827

01:05:19,589 --> 01:05:18,079

now i haven't looked as deeply into the

1828

01:05:22,549 --> 01:05:19,599

havana syndrome

1829

01:05:24,029 --> 01:05:22,559

but again it comes down to either either

1830

01:05:26,950 --> 01:05:24,039

you have unambiguously data

1831

01:05:29,589 --> 01:05:26,960

unambiguously weird data showing that

1832

01:05:32,069 --> 01:05:29,599

the havana syndrome is this

1833

01:05:34,710 --> 01:05:32,079

or you don't and if you don't then we

1834

01:05:37,029 --> 01:05:34,720

have to lean more towards more plausible

1835

01:05:38,549 --> 01:05:37,039

um explanations and and it's this is

1836

01:05:39,990 --> 01:05:38,559

this is another one of those ones where

1837

01:05:41,670 --> 01:05:40,000

i think the government has been kind of

1838

01:05:43,430 --> 01:05:41,680

irresponsible

1839

01:05:45,190 --> 01:05:43,440

in terms of how to handle that and part

1840

01:05:46,950 --> 01:05:45,200

of the problem is it's different though

1841

01:05:48,549 --> 01:05:46,960

it is okay

1842

01:05:50,549 --> 01:05:48,559

i think it's different because like that

1843

01:05:52,630 --> 01:05:50,559

they don't have this this to the same

1844

01:05:54,710 --> 01:05:52,640

degree this veil of secrecy that this

1845

01:05:56,150 --> 01:05:54,720

default classification of things and i

1846

01:05:57,990 --> 01:05:56,160

think we do actually have people who

1847

01:05:59,349 --> 01:05:58,000

think that there is unambiguous data and

1848

01:06:01,510 --> 01:05:59,359

they'll come out and say yeah we've got

1849

01:06:03,510 --> 01:06:01,520

this unambiguous data of white matter

1850

01:06:05,190 --> 01:06:03,520

changes in the brains of people

1851

01:06:06,630 --> 01:06:05,200

uh we've got this unambiguous set of

1852

01:06:08,870 --> 01:06:06,640

symptoms or whatever that so we've got

1853

01:06:10,789 --> 01:06:08,880

unambiguous like reports of sounds

1854

01:06:12,630 --> 01:06:10,799

happening followed by symptoms they

1855

01:06:14,069 --> 01:06:12,640

think it's unambiguous and then they're

1856

01:06:16,549 --> 01:06:14,079

saying that

1857

01:06:19,109 --> 01:06:16,559

uh and they're saying absolutely uh that

1858

01:06:20,789 --> 01:06:19,119

uh uh the simplest explanation here is

1859

01:06:22,549 --> 01:06:20,799

is this secret weapon

1860

01:06:24,549 --> 01:06:22,559

but we're not seeing that on the ufo

1861

01:06:26,549 --> 01:06:24,559

side we're not seeing anybody like

1862

01:06:27,589 --> 01:06:26,559

championing that from within within the

1863

01:06:29,270 --> 01:06:27,599

government

1864

01:06:31,430 --> 01:06:29,280

uh we don't have this this competing

1865

01:06:32,950 --> 01:06:31,440

interest we have we have this secrecy

1866

01:06:35,349 --> 01:06:32,960

and we have this

1867

01:06:37,829 --> 01:06:35,359

uh facade essentially which could be

1868

01:06:40,309 --> 01:06:37,839

true could be not of them saying yeah we

1869

01:06:42,230 --> 01:06:40,319

don't we know it is ambiguous so you

1870

01:06:43,990 --> 01:06:42,240

know i don't i don't i don't think it's

1871

01:06:45,910 --> 01:06:44,000

it's they're doing the same type of bad

1872

01:06:48,789 --> 01:06:45,920

job it's a different type of bad job in

1873

01:06:51,910 --> 01:06:48,799

that they are allowing politics

1874

01:06:53,589 --> 01:06:51,920

uh to drive which explanation they think

1875

01:06:56,230 --> 01:06:53,599

is the best with havana syndrome which

1876

01:06:58,630 --> 01:06:56,240
is very different to the ufo thing

1877

01:07:00,950 --> 01:06:58,640
yeah no i mean yeah no i

1878

01:07:02,390 --> 01:07:00,960
yeah i agree

1879

01:07:03,829 --> 01:07:02,400
all right

1880

01:07:05,349 --> 01:07:03,839
yeah no um

1881

01:07:07,109 --> 01:07:05,359
that's the thing about you mick is this

1882

01:07:08,549 --> 01:07:07,119
um when you

1883

01:07:10,630 --> 01:07:08,559
i don't just disagree with you by

1884

01:07:12,630 --> 01:07:10,640
default ever like i always listen to

1885

01:07:15,109 --> 01:07:12,640
what you say and then i'm like okay well

1886

01:07:17,109 --> 01:07:15,119
i know you're telling me this in a way

1887

01:07:18,230 --> 01:07:17,119
that i hadn't thought about before so i

1888

01:07:20,309 --> 01:07:18,240

i agree

1889

01:07:21,589 --> 01:07:20,319

um yeah well there and i i i same

1890

01:07:24,309 --> 01:07:21,599

likewise with you like i haven't really

1891

01:07:26,630 --> 01:07:24,319

thought that much about the degree of

1892

01:07:27,670 --> 01:07:26,640

um you know the harm it might do with

1893

01:07:29,270 --> 01:07:27,680

people

1894

01:07:31,430 --> 01:07:29,280

you know having their cult beliefs

1895

01:07:33,670 --> 01:07:31,440

reinforced yeah i think

1896

01:07:35,349 --> 01:07:33,680

more i think about ufos i think uh in

1897

01:07:36,549 --> 01:07:35,359

general people start distrusting the

1898

01:07:38,390 --> 01:07:36,559

government more and then they start

1899

01:07:40,150 --> 01:07:38,400

believing in q anon and things like that

1900

01:07:42,230 --> 01:07:40,160

but i guess it could be more specific

1901

01:07:45,029 --> 01:07:42,240

that they actually start believing in it

1902

01:07:48,549 --> 01:07:45,039

can be ufo type cults yeah i mean it can

1903

01:07:50,230 --> 01:07:48,559

be specific or it can just be um

1904

01:07:52,150 --> 01:07:50,240

it can be things that you also don't

1905

01:07:54,390 --> 01:07:52,160

necessarily see coming which i think is

1906

01:07:55,510 --> 01:07:54,400

an intelligence issue right like one of

1907

01:07:57,029 --> 01:07:55,520

the things that the intelligence

1908

01:07:58,950 --> 01:07:57,039

committee does

1909

01:08:02,549 --> 01:07:58,960

intelligence community does is they try

1910

01:08:04,390 --> 01:08:02,559

to foresee as best they can potential

1911

01:08:06,630 --> 01:08:04,400

threats that can come down the road

1912

01:08:07,670 --> 01:08:06,640

which is why it's especially bizarre to

1913

01:08:09,750 --> 01:08:07,680

me

1914

01:08:12,789 --> 01:08:09,760

like you guys are

1915

01:08:15,190 --> 01:08:12,799

in the middle of manufacturing

1916

01:08:18,630 --> 01:08:15,200

intentionally or not

1917

01:08:20,390 --> 01:08:18,640

more stuff that could create potential

1918

01:08:22,229 --> 01:08:20,400

issues for you down the road and that's

1919

01:08:24,870 --> 01:08:22,239

where i'm like what the hell are y'all

1920

01:08:27,510 --> 01:08:24,880

doing can you just get

1921

01:08:29,189 --> 01:08:27,520

can we get some some semblance of of

1922

01:08:31,510 --> 01:08:29,199

sanity on this issue we've got right

1923

01:08:33,349 --> 01:08:31,520

because right now

1924

01:08:35,189 --> 01:08:33,359

barack obama's come out and talked about

1925

01:08:37,510 --> 01:08:35,199

it bill nelson is talking about it all

1926

01:08:39,669 --> 01:08:37,520

the time you got serious scientists like

1927

01:08:41,590 --> 01:08:39,679

avi loeb you've got um and then you've

1928

01:08:44,309 --> 01:08:41,600

got louis lozando and the government is

1929

01:08:46,470 --> 01:08:44,319

not saying at any point louis lozando is

1930

01:08:48,149 --> 01:08:46,480

just some

1931

01:08:49,829 --> 01:08:48,159

they're not

1932

01:08:51,590 --> 01:08:49,839

it's complicated right but they're

1933

01:08:53,189 --> 01:08:51,600

they're definitely not like just coming

1934

01:08:54,630 --> 01:08:53,199

out and saying everything lou elizado

1935

01:08:56,309 --> 01:08:54,640

says is [h__\h]

1936

01:08:57,990 --> 01:08:56,319

they're not saying that they're not

1937

01:08:59,829 --> 01:08:58,000

completely discrediting him they're

1938

01:09:00,870 --> 01:08:59,839

doing little things

1939

01:09:03,189 --> 01:09:00,880

um

1940

01:09:05,189 --> 01:09:03,199

all his emails were deleted sorry yeah

1941

01:09:08,950 --> 01:09:05,199

well no you

1942

01:09:10,709 --> 01:09:08,960

damn it you just actually helped

1943

01:09:12,789 --> 01:09:10,719

like you're not confirming it one way or

1944

01:09:14,630 --> 01:09:12,799

the other in fact what you just did is

1945

01:09:16,709 --> 01:09:14,640

you just said you deleted all his emails

1946

01:09:17,829 --> 01:09:16,719

therefore you're kind of perpetuating

1947

01:09:19,829 --> 01:09:17,839

the thing

1948

01:09:21,829 --> 01:09:19,839

again i'm not saying anything one way or

1949

01:09:25,269 --> 01:09:21,839

the other i again i'm an evidence driven

1950

01:09:26,950 --> 01:09:25,279

person i think lou elizondo is sincere

1951

01:09:30,070 --> 01:09:26,960

you know but

1952

01:09:32,229 --> 01:09:30,080

but if he is i would tend to think that

1953

01:09:34,709 --> 01:09:32,239

if he's full of crap then the government

1954

01:09:36,709 --> 01:09:34,719

should should do something about that

1955

01:09:39,110 --> 01:09:36,719

yeah you've gotten what is it what if

1956

01:09:41,110 --> 01:09:39,120

he's a government plant maybe he's uh

1957

01:09:43,110 --> 01:09:41,120

trying to he's like uh in the vanguard

1958

01:09:45,990 --> 01:09:43,120

of this soft disclosure with tom delong

1959

01:09:49,189 --> 01:09:46,000

and whatnot and and and and

1960

01:09:51,669 --> 01:09:49,199

you know it's hard to view any of this

1961

01:09:54,149 --> 01:09:51,679

without coming to a conclusion where

1962

01:09:56,149 --> 01:09:54,159

like some level of conspiracy almost

1963

01:09:58,310 --> 01:09:56,159

must be involved whether we're talking

1964

01:10:02,310 --> 01:09:58,320

about a mundane relatively small

1965

01:10:04,149 --> 01:10:02,320

conspiracy or a large grand conspiracy

1966

01:10:07,110 --> 01:10:04,159

like

1967

01:10:09,270 --> 01:10:07,120

this is a tough one because there are so

1968

01:10:10,790 --> 01:10:09,280

many there are so many moving pieces to

1969

01:10:12,709 --> 01:10:10,800

it and so many things that have happened

1970

01:10:16,310 --> 01:10:12,719

you've got the the bigelow thing that

1971

01:10:17,990 --> 01:10:16,320

led to the tsa thing to the now you've

1972

01:10:19,750 --> 01:10:18,000

got an actual report you've got the

1973

01:10:20,870 --> 01:10:19,760

senate intelligence committee actually

1974

01:10:22,950 --> 01:10:20,880

looking now

1975

01:10:25,030 --> 01:10:22,960

avril haynes is actually talking about

1976

01:10:27,189 --> 01:10:25,040

it on the record

1977

01:10:28,630 --> 01:10:27,199

more is coming an office might be

1978

01:10:31,990 --> 01:10:28,640

established like

1979

01:10:33,430 --> 01:10:32,000

the it it's so crazy how far this is all

1980

01:10:34,390 --> 01:10:33,440

managed to get

1981

01:10:37,350 --> 01:10:34,400

um

1982

01:10:39,030 --> 01:10:37,360

if there's very little to it yeah what

1983

01:10:41,990 --> 01:10:39,040

do you think of uh

1984

01:10:44,149 --> 01:10:42,000

bill nelson the administrator of nasa uh

1985

01:10:45,990 --> 01:10:44,159

senator former senator former astronaut

1986

01:10:48,470 --> 01:10:46,000

is he a former astronaut

1987

01:10:50,310 --> 01:10:48,480

yeah yeah he's a former astronaut and

1988

01:10:52,149 --> 01:10:50,320

yeah he went to the space as a senator i

1989

01:10:53,910 --> 01:10:52,159

believe yeah so you know he like my

1990

01:10:55,669 --> 01:10:53,920

impression of him just i don't want to

1991

01:10:57,189 --> 01:10:55,679

spoil your impression of him but like it

1992

01:10:59,430 --> 01:10:57,199

seems a bit

1993

01:11:01,270 --> 01:10:59,440

like i don't know flowery in his

1994

01:11:03,030 --> 01:11:01,280

descriptions of things it's talking

1995

01:11:05,030 --> 01:11:03,040

about the miracles of nature and how

1996

01:11:06,630 --> 01:11:05,040

wonderful the universe is and how there

1997

01:11:08,070 --> 01:11:06,640

must be life somewhere

1998

01:11:09,990 --> 01:11:08,080

and he doesn't really give any nitty

1999

01:11:12,229 --> 01:11:10,000

gritty nuts and bolts details like he

2000

01:11:14,149 --> 01:11:12,239

gives very vague descriptions of the

2001

01:11:15,750 --> 01:11:14,159

search for life um

2002

01:11:18,070 --> 01:11:15,760

like there's maybe there's a planet and

2003

01:11:19,669 --> 01:11:18,080

another galaxy and that planet has a

2004

01:11:21,270 --> 01:11:19,679

dot pass in front of it and that means

2005

01:11:23,590 --> 01:11:21,280

that it's uh

2006

01:11:25,430 --> 01:11:23,600

uh you know a star the star in another

2007

01:11:27,830 --> 01:11:25,440

galaxy anyway yeah he gives these very

2008

01:11:29,270 --> 01:11:27,840

vague things

2009

01:11:31,189 --> 01:11:29,280

but people got very excited when he

2010

01:11:32,870 --> 01:11:31,199

talked about the possibility of

2011

01:11:35,110 --> 01:11:32,880

extraterrestrial life

2012

01:11:36,950 --> 01:11:35,120

yeah perhaps you know less so than with

2013

01:11:38,470 --> 01:11:36,960

avril haynes but you know what did you

2014

01:11:40,229 --> 01:11:38,480

think about about him like his

2015

01:11:42,149 --> 01:11:40,239

performance last night in his previous

2016

01:11:44,470 --> 01:11:42,159

statement

2017

01:11:46,950 --> 01:11:44,480

um i think

2018

01:11:49,350 --> 01:11:46,960

bill nelson seems to be someone who does

2019

01:11:52,229 --> 01:11:49,360

have a personal interest in this in the

2020

01:11:54,470 --> 01:11:52,239

in the subject um and i don't mean that

2021

01:11:55,669 --> 01:11:54,480

in a negative way at all i mean that in

2022

01:11:58,149 --> 01:11:55,679

uh

2023

01:12:02,310 --> 01:11:58,159

he just seems to um when he talks about

2024

01:12:06,630 --> 01:12:02,320

he seems to seems to be well aware of

2025

01:12:08,870 --> 01:12:06,640

ufo um history and lore and seems to be

2026

01:12:10,470 --> 01:12:08,880

um

2027

01:12:11,910 --> 01:12:10,480

is interested

2028

01:12:13,350 --> 01:12:11,920

and

2029

01:12:15,990 --> 01:12:13,360

i would also say another thing which is

2030

01:12:18,870 --> 01:12:16,000

like nasa has had difficulty funding

2031

01:12:20,390 --> 01:12:18,880

things for a very long time um you know

2032

01:12:22,550 --> 01:12:20,400

obviously we're in the middle of a

2033

01:12:24,310 --> 01:12:22,560

situation where you know the private

2034

01:12:25,510 --> 01:12:24,320

space corporations are kind of getting

2035

01:12:28,630 --> 01:12:25,520

more done

2036

01:12:30,709 --> 01:12:28,640

than uh nasa is able to so he's probably

2037

01:12:33,750 --> 01:12:30,719

looking at a lot of this in terms of

2038

01:12:35,910 --> 01:12:33,760

like how can i get the public excited in

2039

01:12:38,870 --> 01:12:35,920

the same way that the public used to be

2040

01:12:41,030 --> 01:12:38,880

excited about space well

2041

01:12:43,110 --> 01:12:41,040

damn if i were in his position i would

2042

01:12:45,669 --> 01:12:43,120

probably be banking on alien life too as

2043

01:12:47,669 --> 01:12:45,679

a thing that um like because it is

2044

01:12:50,550 --> 01:12:47,679

exciting like it's like it's like and

2045

01:12:53,270 --> 01:12:50,560

honestly it's pretty good odds like yeah

2046

01:12:54,790 --> 01:12:53,280

we'll probably eventually confirm

2047

01:12:55,990 --> 01:12:54,800

eventually

2048

01:12:58,950 --> 01:12:56,000

uh i don't even think this would be

2049

01:13:01,270 --> 01:12:58,960

controversial for you like no eventually

2050

01:13:03,669 --> 01:13:01,280

we probably will confirm there's some

2051

01:13:06,390 --> 01:13:03,679

life out there somewhere in all

2052

01:13:08,470 --> 01:13:06,400

probability and i think for the head of

2053

01:13:10,310 --> 01:13:08,480

nasa to come out and say

2054

01:13:12,149 --> 01:13:10,320

yeah there probably is life out there

2055

01:13:15,110 --> 01:13:12,159

and we're gonna find it

2056

01:13:18,470 --> 01:13:15,120

from a funding perspective is a pretty

2057

01:13:20,950 --> 01:13:18,480

good bet um and i don't read a lot more

2058

01:13:23,750 --> 01:13:20,960

into it than that now when he does make

2059

01:13:26,149 --> 01:13:23,760

specific comments about

2060

01:13:28,310 --> 01:13:26,159

i've read the uap report and i knew

2061

01:13:30,709 --> 01:13:28,320

about stuff before that and i've talked

2062

01:13:34,070 --> 01:13:30,719

to the pilots and i believe them

2063

01:13:35,990 --> 01:13:34,080

that's again that falls more into the

2064

01:13:38,630 --> 01:13:36,000

i think that's kind of irresponsible

2065

01:13:40,790 --> 01:13:38,640

category because

2066

01:13:43,350 --> 01:13:40,800

unless if bill nelson has seen the

2067

01:13:45,669 --> 01:13:43,360

unambiguously weird data

2068

01:13:48,630 --> 01:13:45,679

i don't see a justification necessarily

2069

01:13:51,750 --> 01:13:48,640

for his commentary there um other than

2070

01:13:53,750 --> 01:13:51,760

again to sort of excite the public uh to

2071

01:13:56,310 --> 01:13:53,760

be excited about the idea the potential

2072

01:13:58,310 --> 01:13:56,320

possibility but that that's complicated

2073

01:13:59,030 --> 01:13:58,320

because it's like

2074

01:14:02,870 --> 01:13:59,040

if

2075

01:14:06,310 --> 01:14:02,880

unambiguously weird data

2076

01:14:07,830 --> 01:14:06,320

um it's kind of a slimy move

2077

01:14:09,590 --> 01:14:07,840

i guess

2078

01:14:11,110 --> 01:14:09,600

i think a lot of these people

2079

01:14:13,030 --> 01:14:11,120

yeah a lot of these people who are like

2080

01:14:15,030 --> 01:14:13,040

you know the kind of higher-ups who have

2081

01:14:16,870 --> 01:14:15,040

become convinced or you know people have

2082

01:14:19,270 --> 01:14:16,880

become convinced like chris mellon and

2083

01:14:20,950 --> 01:14:19,280

uh and maybe alexander

2084

01:14:22,790 --> 01:14:20,960

and and nelson

2085

01:14:26,070 --> 01:14:22,800

i think partly to become convinced

2086

01:14:27,750 --> 01:14:26,080

because of uh just talking to the pilots

2087

01:14:30,550 --> 01:14:27,760

yeah i think this is yeah talking to

2088

01:14:33,110 --> 01:14:30,560

eyewitnesses you know a place uh jack

2089

01:14:35,110 --> 01:14:33,120

vale is convinced of the you know

2090

01:14:36,390 --> 01:14:35,120

something because of all the people who

2091

01:14:38,229 --> 01:14:36,400

told him that something happened and

2092

01:14:40,390 --> 01:14:38,239

eventually he comes to believe it and i

2093

01:14:42,790 --> 01:14:40,400

think bill nelson

2094

01:14:45,270 --> 01:14:42,800

probably feels like it's somewhat

2095

01:14:46,950 --> 01:14:45,280

unambiguous because of all these high

2096

01:14:48,630 --> 01:14:46,960

quality men and women who have given

2097

01:14:50,310 --> 01:14:48,640

these these reports

2098

01:14:53,350 --> 01:14:50,320

which i think is a mistake it's so

2099

01:14:56,149 --> 01:14:53,360

frustrating because again it's like

2100

01:14:58,470 --> 01:14:56,159

the data is either there or it isn't um

2101

01:15:00,630 --> 01:14:58,480

so the data the reason i pound on that

2102

01:15:04,149 --> 01:15:00,640

issue is like especially with the nimitz

2103

01:15:08,149 --> 01:15:06,550

the data would confirm it or not right

2104

01:15:11,189 --> 01:15:08,159

it's really actually

2105

01:15:12,070 --> 01:15:11,199

yeah and the idea that someone knows and

2106

01:15:15,350 --> 01:15:12,080

then

2107

01:15:17,990 --> 01:15:15,360

we're left with this um where people are

2108

01:15:20,470 --> 01:15:18,000

debating it is like

2109

01:15:22,149 --> 01:15:20,480

absolutely infuriating and i don't see

2110

01:15:25,110 --> 01:15:22,159

in that i don't see any good national

2111

01:15:27,430 --> 01:15:25,120

security reason why

2112

01:15:29,750 --> 01:15:27,440

we can't get that cleared up

2113

01:15:32,950 --> 01:15:29,760

because it's either either again either

2114

01:15:35,510 --> 01:15:32,960

unambiguously weird or not um but i

2115

01:15:36,870 --> 01:15:35,520

guess again and again that's what feeds

2116

01:15:39,110 --> 01:15:36,880

into

2117

01:15:40,870 --> 01:15:39,120

the ufo people thinking that there must

2118

01:15:42,390 --> 01:15:40,880

be something to this because they think

2119

01:15:44,390 --> 01:15:42,400

oh well the data's there but they're

2120

01:15:46,149 --> 01:15:44,400

scared to release it and blah blah blah

2121

01:15:48,310 --> 01:15:46,159

blah and that all adds up and everything

2122

01:15:51,430 --> 01:15:48,320

they're doing makes sense it's really

2123

01:15:53,270 --> 01:15:51,440

easy to get there and i don't go there i

2124

01:15:55,350 --> 01:15:53,280

try to stick to like the basic questions

2125

01:15:57,110 --> 01:15:55,360

like hey government what are you doing

2126

01:15:59,510 --> 01:15:57,120

hey government like what

2127

01:16:01,510 --> 01:15:59,520

you know hey representatives are you

2128

01:16:03,430 --> 01:16:01,520

sure that this is what you want to do

2129

01:16:06,790 --> 01:16:03,440

because you haven't given us the actual

2130

01:16:10,310 --> 01:16:06,800

data to justify to justify your actions

2131

01:16:12,390 --> 01:16:10,320

that's that's how i come at this and um

2132

01:16:14,070 --> 01:16:12,400

some people like the fact that i come at

2133

01:16:15,590 --> 01:16:14,080

it that way and other people i really

2134

01:16:17,590 --> 01:16:15,600

frustrate because i

2135

01:16:19,510 --> 01:16:17,600

i'm kind of like not believer enough for

2136

01:16:21,669 --> 01:16:19,520

the believers and i'm

2137

01:16:24,390 --> 01:16:21,679

not quite a 100 percent full-blown

2138

01:16:26,630 --> 01:16:24,400

skeptic either so i find myself in this

2139

01:16:28,470 --> 01:16:26,640

like no man's land a lot of the time

2140

01:16:30,070 --> 01:16:28,480

with this with this topic where i'm

2141

01:16:31,590 --> 01:16:30,080

really just coming at it in terms of

2142

01:16:34,149 --> 01:16:31,600

like logic

2143

01:16:35,830 --> 01:16:34,159

rationality

2144

01:16:36,950 --> 01:16:35,840

this make sense

2145

01:16:39,430 --> 01:16:36,960

you know because

2146

01:16:41,350 --> 01:16:39,440

i need things to make yeah i need i need

2147

01:16:43,189 --> 01:16:41,360

i just need it to make sense

2148

01:16:44,790 --> 01:16:43,199

like i'm happy to believe in aliens if

2149

01:16:46,790 --> 01:16:44,800

there's unambiguously weird data but i

2150

01:16:50,229 --> 01:16:46,800

gotta see that they at least say that

2151
01:16:51,669 --> 01:16:50,239
there's yeah yeah i mean there's a it's

2152
01:16:53,270 --> 01:16:51,679
a tautology it's like something that

2153
01:16:55,189 --> 01:16:53,280
must be true if there's unambiguously

2154
01:16:57,110 --> 01:16:55,199
weird data then

2155
01:16:59,430 --> 01:16:57,120
that's that's it you know we have that

2156
01:17:02,390 --> 01:16:59,440
yeah yeah there's any scientist let me

2157
01:17:03,910 --> 01:17:02,400
say this i i agree with you

2158
01:17:05,510 --> 01:17:03,920
in this this is again this is

2159
01:17:07,590 --> 01:17:05,520
frustrating a lot of people i agree with

2160
01:17:09,110 --> 01:17:07,600
you that currently in the public realm

2161
01:17:12,070 --> 01:17:09,120
there is no

2162
01:17:13,590 --> 01:17:12,080
unambiguously weird data that that is

2163
01:17:18,070 --> 01:17:13,600

unambiguously

2164

01:17:19,030 --> 01:17:18,080

weird it's not out there

2165

01:17:21,270 --> 01:17:19,040

currently

2166

01:17:24,070 --> 01:17:21,280

i agree with you and that's why i

2167

01:17:25,350 --> 01:17:24,080

appreciate your continued you know

2168

01:17:27,270 --> 01:17:25,360

efforts in this realm and you're

2169

01:17:29,669 --> 01:17:27,280

continuing to follow and pay attention

2170

01:17:31,189 --> 01:17:29,679

and debunk things as they come along or

2171

01:17:32,310 --> 01:17:31,199

or in some cases

2172

01:17:33,510 --> 01:17:32,320

say

2173

01:17:35,189 --> 01:17:33,520

i don't know

2174

01:17:37,990 --> 01:17:35,199

you know yeah with the limits things

2175

01:17:39,750 --> 01:17:38,000

remain yeah ambiguous you've said over

2176

01:17:40,550 --> 01:17:39,760

and over again you have not you've

2177

01:17:42,310 --> 01:17:40,560

sought

2178

01:17:44,390 --> 01:17:42,320

you've definitely found places where you

2179

01:17:46,550 --> 01:17:44,400

disagree with experts on the nimitz case

2180

01:17:49,669 --> 01:17:46,560

but you have not come to a some solid

2181

01:17:52,630 --> 01:17:49,679

100 percent i know what that was so yeah

2182

01:17:55,350 --> 01:17:52,640

well my goal in investigating a case is

2183

01:17:56,550 --> 01:17:55,360

to take ambiguous data and disambiguate

2184

01:17:58,390 --> 01:17:56,560

it and

2185

01:18:01,990 --> 01:17:58,400

say what that data actually

2186

01:18:04,149 --> 01:18:02,000

means and yeah in an unambiguous way

2187

01:18:06,950 --> 01:18:04,159

and every time i've managed to do that

2188

01:18:08,950 --> 01:18:06,960

so far it has turned out not to be

2189

01:18:11,350 --> 01:18:08,960

aliens or anything weird

2190

01:18:12,790 --> 01:18:11,360

uh but the other ones you know never you

2191

01:18:14,070 --> 01:18:12,800

never actually you never actually get

2192

01:18:16,790 --> 01:18:14,080

over that hump

2193

01:18:18,950 --> 01:18:16,800

where it becomes unambiguously

2194

01:18:20,790 --> 01:18:18,960

a weird thing unambiguously like you

2195

01:18:23,830 --> 01:18:20,800

know moving faster than it could

2196

01:18:25,110 --> 01:18:23,840

possibly move or unambiguously hovering

2197

01:18:26,870 --> 01:18:25,120

without means of support or

2198

01:18:28,630 --> 01:18:26,880

unambiguously having little creatures

2199

01:18:31,030 --> 01:18:28,640

popping their heads out to the top of it

2200

01:18:32,070 --> 01:18:31,040

right we never get that unambiguous but

2201

01:18:34,070 --> 01:18:32,080

we do get

2202

01:18:36,470 --> 01:18:34,080

lots and lots of unambiguous uh

2203

01:18:38,550 --> 01:18:36,480

disambiguation of things that become

2204

01:18:40,550 --> 01:18:38,560

rather boring yeah and look i i think

2205

01:18:42,149 --> 01:18:40,560

that there's a there's a

2206

01:18:43,350 --> 01:18:42,159

a fair shot

2207

01:18:45,510 --> 01:18:43,360

that

2208

01:18:47,350 --> 01:18:45,520

maybe the government does have some data

2209

01:18:50,229 --> 01:18:47,360

of something unambiguously weird i

2210

01:18:53,189 --> 01:18:50,239

that's my my personal feeling maybe

2211

01:18:55,430 --> 01:18:53,199

it's possible um

2212

01:18:57,910 --> 01:18:55,440

but when i'm looking at

2213

01:19:00,229 --> 01:18:57,920

just right now the sort of the totality

2214

01:19:01,510 --> 01:19:00,239
of this particular set of things that

2215

01:19:02,229 --> 01:19:01,520
have played out

2216

01:19:05,750 --> 01:19:02,239
it

2217

01:19:07,910 --> 01:19:05,760
uh the the actions are in my opinion not

2218

01:19:09,590 --> 01:19:07,920
justified by what has been released so

2219

01:19:11,669 --> 01:19:09,600
far to the public is the way that i

2220

01:19:13,590 --> 01:19:11,679
would put it and again that might be

2221

01:19:16,709 --> 01:19:13,600
frustrating for some people for some

2222

01:19:19,510 --> 01:19:16,719
people they're like no just we'll just d

2223

01:19:21,750 --> 01:19:19,520
to do anything that we can't i'm like no

2224

01:19:23,270 --> 01:19:21,760
we can't just do anything we have to

2225

01:19:26,229 --> 01:19:23,280
have a reason

2226

01:19:28,310 --> 01:19:26,239

and the reason needs to be

2227

01:19:31,669 --> 01:19:28,320

needs to be grounded in something other

2228

01:19:34,149 --> 01:19:31,679

than the pilot said it needs to be

2229

01:19:37,030 --> 01:19:34,159

no the pilot said and

2230

01:19:38,229 --> 01:19:37,040

the data shows and that needs to be

2231

01:19:39,270 --> 01:19:38,239

confirmed

2232

01:19:42,229 --> 01:19:39,280

um

2233

01:19:45,350 --> 01:19:42,239

and and tell that yeah yeah well and

2234

01:19:46,470 --> 01:19:45,360

maybe it is but and until they can do

2235

01:19:48,790 --> 01:19:46,480

that

2236

01:19:51,189 --> 01:19:48,800

it's hard for me to make a case to the

2237

01:19:52,630 --> 01:19:51,199

general population to regular people

2238

01:19:54,870 --> 01:19:52,640

that i know in everyday life that they

2239

01:19:57,189 --> 01:19:54,880

should even care about this

2240

01:19:58,630 --> 01:19:57,199

it's really tough for me to do that now

2241

01:20:01,430 --> 01:19:58,640

my argument right now for why people

2242

01:20:03,110 --> 01:20:01,440

should care is like

2243

01:20:05,189 --> 01:20:03,120

this is all really weird and i don't

2244

01:20:07,110 --> 01:20:05,199

know what to do with it can you find a

2245

01:20:09,590 --> 01:20:07,120

better you know i want more people's

2246

01:20:11,830 --> 01:20:09,600

eyes on it just because i can't i can't

2247

01:20:13,750 --> 01:20:11,840

figure it out you can't figure it out

2248

01:20:15,590 --> 01:20:13,760

and and um

2249

01:20:16,790 --> 01:20:15,600

it's all very bizarre

2250

01:20:18,550 --> 01:20:16,800

and um

2251

01:20:21,189 --> 01:20:18,560

you know i hope that eventually that

2252

01:20:23,189 --> 01:20:21,199

that we'll we'll get somewhere

2253

01:20:25,030 --> 01:20:23,199

maybe uh i should get on the aerial and

2254

01:20:26,310 --> 01:20:25,040

transmedium phenomenon advisory

2255

01:20:29,590 --> 01:20:26,320

committee

2256

01:20:31,350 --> 01:20:29,600

and uh help them figure stuff out sure i

2257

01:20:33,990 --> 01:20:31,360

i think that would be that would be

2258

01:20:35,189 --> 01:20:34,000

great you know um all right i'll put you

2259

01:20:37,590 --> 01:20:35,199

i'll put you down as one of my

2260

01:20:38,950 --> 01:20:37,600

supporters there you go

2261

01:20:41,189 --> 01:20:38,960

okay

2262

01:20:42,870 --> 01:20:41,199

i'll be the one the one on ufo twitter

2263

01:20:44,310 --> 01:20:42,880

that uh yeah

2264

01:20:45,910 --> 01:20:44,320

all right

2265

01:20:47,030 --> 01:20:45,920

so thank you very much uh is there

2266

01:20:49,110 --> 01:20:47,040

anything else you'd like to say to

2267

01:20:49,830 --> 01:20:49,120

frustrate your followers before we close

2268

01:20:51,910 --> 01:20:49,840

out

2269

01:20:53,189 --> 01:20:51,920

uh no i think i've done enough of that

2270

01:20:54,070 --> 01:20:53,199

um

2271

01:20:55,990 --> 01:20:54,080

you know

2272

01:20:57,750 --> 01:20:56,000

look uh the last thing i'll say is just

2273

01:21:00,550 --> 01:20:57,760

look i i appreciate you having me on

2274

01:21:01,910 --> 01:21:00,560

mick uh hopefully for at least some

2275

01:21:02,950 --> 01:21:01,920

subsection of people this will be kind

2276

01:21:04,149 --> 01:21:02,960

of like

2277

01:21:06,950 --> 01:21:04,159

proof that

2278

01:21:09,270 --> 01:21:06,960

you reached out to me totally randomly

2279

01:21:10,950 --> 01:21:09,280

um to just like

2280

01:21:11,830 --> 01:21:10,960

iron this out

2281

01:21:13,910 --> 01:21:11,840

our

2282

01:21:17,030 --> 01:21:13,920

sort of disagreements or whatever and

2283

01:21:19,830 --> 01:21:17,040

it's so fantastic that you did that uh

2284

01:21:21,750 --> 01:21:19,840

and you're not the guy who a lot of

2285

01:21:22,629 --> 01:21:21,760

people you know think that you are and

2286

01:21:24,149 --> 01:21:22,639

um

2287

01:21:25,669 --> 01:21:24,159

you know just keep doing what you do and

2288

01:21:27,430 --> 01:21:25,679

i think it's awesome

2289

01:21:29,990 --> 01:21:27,440

nothing i want to plug right now my

2290

01:21:33,110 --> 01:21:30,000

shows on a hiatus so
