

SKINWALKER RANCH THE BLOB REFLECTIONS

1
00:00:04,430 --> 00:00:02,149
there's something in the sky above the

2
00:00:06,889 --> 00:00:04,440
rocket right here this high-speed video

3
00:00:09,470 --> 00:00:06,899
of a rocket launch supposedly shows an

4
00:00:11,690 --> 00:00:09,480
otherworldly blob possibly a space-time

5
00:00:14,270 --> 00:00:11,700
Wormhole or trans-dimensional portal

6
00:00:16,730 --> 00:00:14,280
hovering 70 feet above Skinwalker wrench

7
00:00:19,370 --> 00:00:16,740
and causing the rocket to explode

8
00:00:21,410 --> 00:00:19,380
it's described as the first actual look

9
00:00:23,029 --> 00:00:21,420
at the phenomena there is literally

10
00:00:25,429 --> 00:00:23,039
something we're maybe looking at the

11
00:00:26,929 --> 00:00:25,439
anomaly for the first time guys

12
00:00:29,029 --> 00:00:26,939
yeah look at that

13
00:00:31,609 --> 00:00:29,039

the video is only shown in segments

14

00:00:34,069 --> 00:00:31,619

first we see the initial ignition which

15

00:00:35,690 --> 00:00:34,079

creates a dense bright region notice

16

00:00:37,670 --> 00:00:35,700

there's some crew and cast members

17

00:00:39,770 --> 00:00:37,680

standing in front of it we are then

18

00:00:41,510 --> 00:00:39,780

shown a mysterious blob of light in the

19

00:00:44,209 --> 00:00:41,520

sky and told it is something being

20

00:00:46,310 --> 00:00:44,219

illuminated From Below nobody actually

21

00:00:47,569 --> 00:00:46,320

sees this and it's not picked up on any

22

00:00:49,910 --> 00:00:47,579

other cameras

23

00:00:51,889 --> 00:00:49,920

we then see the rocket rise up and a

24

00:00:53,990 --> 00:00:51,899

mirror image of the rocket descends from

25

00:00:56,330 --> 00:00:54,000

The Blob

26
00:00:59,450 --> 00:00:56,340
it seems clear at this point that this

27
00:01:01,850 --> 00:00:59,460
is just an internal camera reflection

28
00:01:03,830 --> 00:01:01,860
this type of reflection appears opposite

29
00:01:06,350 --> 00:01:03,840
the center as if the image was rotated

30
00:01:08,030 --> 00:01:06,360
about 180 degrees

31
00:01:09,649 --> 00:01:08,040
we can see it's a reflection because

32
00:01:11,750 --> 00:01:09,659
it's in the right position it's the

33
00:01:13,789 --> 00:01:11,760
right size it's got dark patches where

34
00:01:15,950 --> 00:01:13,799
the people are it fades away as the

35
00:01:17,810 --> 00:01:15,960
rocket Rises and then the icing on the

36
00:01:22,190 --> 00:01:17,820
cake is that we see the same reflection

37
00:01:26,030 --> 00:01:24,050
and despite what was said on the show

38
00:01:28,070 --> 00:01:26,040

never seen anything like that come off a

39

00:01:29,870 --> 00:01:28,080

photon camera it only took a few

40

00:01:31,789 --> 00:01:29,880

minutes on Google to find a similar

41

00:01:33,770 --> 00:01:31,799

example of an internal reflection of a

42

00:01:35,929 --> 00:01:33,780

bright light with the same camera

43

00:01:38,569 --> 00:01:35,939

and of course the moving reflection of

44

00:01:40,609 --> 00:01:38,579

the rocket is that very same thing it's

45

00:01:42,050 --> 00:01:40,619

right there you don't even need another

46

00:01:44,030 --> 00:01:42,060

example

47

00:01:46,190 --> 00:01:44,040

unfortunately we don't get the full

48

00:01:48,170 --> 00:01:46,200

video it would be great to see it full

49

00:01:50,030 --> 00:01:48,180

screen from before ignition to after the

50

00:01:51,050 --> 00:01:50,040

explosion I've had to patch it together

51

00:01:53,450 --> 00:01:51,060

here

52

00:01:55,069 --> 00:01:53,460

I suspect a full video would make it

53

00:01:57,410 --> 00:01:55,079

very obvious that it was a reflection

54

00:01:59,870 --> 00:01:57,420

was not showing it a deliberate decision

55

00:02:02,270 --> 00:01:59,880

by producers to mislead the audience

56

00:02:04,550 --> 00:02:02,280

sad is so but not entirely unexpected

57

00:02:06,590 --> 00:02:04,560

while the cast members of Skinwalker

58

00:02:08,809 --> 00:02:06,600

Ranch mostly seem to be genuine in their

59

00:02:11,210 --> 00:02:08,819

attempts to do science the show is

60

00:02:13,190 --> 00:02:11,220

ultimately about entertainment and
