

# TWENTYNINE ~~UFOS~~ FLARES

1  
00:00:04,490 --> 00:00:02,629  
after two years of work George Knapp and

2  
00:00:06,289 --> 00:00:04,500  
Jeremy Corbell finally released the

3  
00:00:08,990 --> 00:00:06,299  
footage of a UFO filmed by military

4  
00:00:12,410 --> 00:00:09,000  
personnel at 29 Palms California on

5  
00:00:14,270 --> 00:00:12,420  
April 20th 2021 it showed five lights

6  
00:00:15,650 --> 00:00:14,280  
that started out in a nice triangle

7  
00:00:18,050 --> 00:00:15,660  
formation

8  
00:00:19,130 --> 00:00:18,060  
they said they were not flares but a lot

9  
00:00:21,230 --> 00:00:19,140  
of people thought they looked like

10  
00:00:22,970 --> 00:00:21,240  
flares and flares can actually hang

11  
00:00:24,710 --> 00:00:22,980  
around for several minutes they sit

12  
00:00:25,730 --> 00:00:24,720  
about 10 but the actual duration is

13  
00:00:27,830 --> 00:00:25,740

unknown

14

00:00:30,349 --> 00:00:27,840

these are not super bright so possibly

15

00:00:31,970 --> 00:00:30,359

infrared illumination flares unlike the

16

00:00:33,170 --> 00:00:31,980

regular illumination flares that were

17

00:00:34,970 --> 00:00:33,180

launched later

18

00:00:37,549 --> 00:00:34,980

the shimmering of the lights indicates

19

00:00:40,430 --> 00:00:37,559

they are far away so the slow Descent of

20

00:00:42,049 --> 00:00:40,440

flares would be less noticeable

21

00:00:43,970 --> 00:00:42,059

there were some claims that this

22

00:00:46,069 --> 00:00:43,980

low-light image showed a triangular

23

00:00:47,869 --> 00:00:46,079

craft but that's really just the color

24

00:00:51,529 --> 00:00:47,879

bleed which you can see around other

25

00:00:55,369 --> 00:00:53,389

the Five Lights start out in a nice

26

00:00:57,170 --> 00:00:55,379

formation that evokes a triangle but

27

00:00:59,450 --> 00:00:57,180

they quickly separate into more random

28

00:01:02,750 --> 00:00:59,460

positions light flares do

29

00:01:04,250 --> 00:01:02,760

then John Greenwald of the Black Bolt

30

00:01:06,770 --> 00:01:04,260

discovered that there was a big military

31

00:01:08,690 --> 00:01:06,780

exercise at that location on that night

32

00:01:11,270 --> 00:01:08,700

with a lot going on and a lot of things

33

00:01:13,429 --> 00:01:11,280

in the air including flares

34

00:01:15,649 --> 00:01:13,439

on one of the videos of the event John

35

00:01:17,810 --> 00:01:15,659

found footage of five flares that looked

36

00:01:20,030 --> 00:01:17,820

very similar I realized this looked

37

00:01:22,070 --> 00:01:20,040

likely was taken from the other side so

38

00:01:23,749 --> 00:01:22,080

I flipped it and overlaid it and it's a

39

00:01:25,550 --> 00:01:23,759

near perfect match

40

00:01:27,170 --> 00:01:25,560

given the coincidences with date and

41

00:01:29,450 --> 00:01:27,180

location and the fact that these lights

42

00:01:31,130 --> 00:01:29,460

look and act like flares then I think we

43

00:01:34,910 --> 00:01:31,140

can safely say that these are the actual

44

00:01:37,370 --> 00:01:34,920

flares that were misidentified as a UFO

45

00:01:39,109 --> 00:01:37,380

military personnel are human they are

46

00:01:41,390 --> 00:01:39,119

subject to the same illusions that we

47

00:01:43,550 --> 00:01:41,400

are sometimes when faced with something

48

00:01:45,950 --> 00:01:43,560

new they might not be able to identify

49

00:01:47,929 --> 00:01:45,960

it this happens perhaps more than we

50

00:01:49,609 --> 00:01:47,939

might like but it's not something we

51

00:01:51,109 --> 00:01:49,619

should ignore just because it seems

52

00:01:53,870 --> 00:01:51,119

impolite
