

Some Thoughts On

DAVID  
GRUSCH

ALIEN  
WHISTLEBLOWER

1  
00:00:07,369 --> 00:00:04,789  
hello I was just on news Nation uh I was

2  
00:00:09,710 --> 00:00:07,379  
on there for a short segment when I was

3  
00:00:11,270 --> 00:00:09,720  
asked to going to give a response to an

4  
00:00:12,709 --> 00:00:11,280  
interview with Dave grush there was a

5  
00:00:16,790 --> 00:00:12,719  
one-hour interview

6  
00:00:18,710 --> 00:00:16,800  
and uh he made Dave grush is a guy who

7  
00:00:20,510 --> 00:00:18,720  
you probably heard of if you haven't

8  
00:00:22,910 --> 00:00:20,520  
then you should probably go and watch

9  
00:00:26,029 --> 00:00:22,920  
the segments before you listen to this

10  
00:00:27,890 --> 00:00:26,039  
otherwise it will make no sense he is a

11  
00:00:29,570 --> 00:00:27,900  
whistleblower who is making claims that

12  
00:00:31,009 --> 00:00:29,580  
there are alien crafts that the

13  
00:00:32,510 --> 00:00:31,019

government the US government has

14

00:00:34,970 --> 00:00:32,520

recovered and also other governments

15

00:00:38,450 --> 00:00:34,980

have recovered and this was like the

16

00:00:40,369 --> 00:00:38,460

first release of his big interview where

17

00:00:42,170 --> 00:00:40,379

it was going to reveal all the secrets

18

00:00:44,090 --> 00:00:42,180

or at least what he could reveal

19

00:00:46,490 --> 00:00:44,100

and I was one of the people who was

20

00:00:48,950 --> 00:00:46,500

asked on in the show afterwards to give

21

00:00:51,410 --> 00:00:48,960

my response and answer a few questions I

22

00:00:54,229 --> 00:00:51,420

didn't get to speak very much the host

23

00:00:55,910 --> 00:00:54,239

Brian uh seemed interested in asking me

24

00:00:58,189 --> 00:00:55,920

and he asked me twice like do you think

25

00:00:59,810 --> 00:00:58,199

he is lying uh it's kind of a gotcha

26

00:01:01,790 --> 00:00:59,820

question I think because I maybe is

27

00:01:03,349 --> 00:01:01,800

lying maybe he isn't maybe he believes

28

00:01:05,149 --> 00:01:03,359

what he's saying you know maybe it's

29

00:01:07,310 --> 00:01:05,159

accurate it doesn't seem very likely but

30

00:01:09,410 --> 00:01:07,320

uh I don't think it's necessarily lying

31

00:01:11,690 --> 00:01:09,420

he just could well just believe what

32

00:01:14,149 --> 00:01:11,700

he's saying and be wrong but anyway I

33

00:01:16,730 --> 00:01:14,159

only made a couple of points uh on that

34

00:01:18,410 --> 00:01:16,740

and so I thought I would since I have my

35

00:01:21,410 --> 00:01:18,420

notes in front of me here I thought I

36

00:01:23,330 --> 00:01:21,420

would go over my notes and say the

37

00:01:24,649 --> 00:01:23,340

things that I would have said had I had

38

00:01:26,929 --> 00:01:24,659

more time

39

00:01:29,330 --> 00:01:26,939

so the first thing obviously uh with

40

00:01:31,969 --> 00:01:29,340

this case is that there isn't actually

41

00:01:35,030 --> 00:01:31,979

any real evidence yet all we have are

42

00:01:37,490 --> 00:01:35,040

the claims of David grush who is making

43

00:01:39,530 --> 00:01:37,500

a lot of very extraordinary claims but

44

00:01:42,710 --> 00:01:39,540

they're all based on either things he

45

00:01:44,749 --> 00:01:42,720

says are secret or things he says that

46

00:01:46,190 --> 00:01:44,759

somebody told him which apparently are

47

00:01:48,850 --> 00:01:46,200

not Secret

48

00:01:50,450 --> 00:01:48,860

now the claims are quite extraordinary

49

00:01:52,789 --> 00:01:50,460

extraordinary claims require

50

00:01:55,609 --> 00:01:52,799

extraordinary evidence uh the first

51  
00:01:57,950 --> 00:01:55,619  
claim is that several alien craft have

52  
00:02:00,170 --> 00:01:57,960  
been recovered some of them crashed some

53  
00:02:02,450 --> 00:02:00,180  
of them landed and the occupants left

54  
00:02:03,670 --> 00:02:02,460  
the craft and they were captured by the

55  
00:02:07,850 --> 00:02:03,680  
US government

56  
00:02:11,869 --> 00:02:07,860  
some of these craft had alien bodies in

57  
00:02:13,369 --> 00:02:11,879  
aliens have murdered humans those are

58  
00:02:14,990 --> 00:02:13,379  
pretty significant pretty significant

59  
00:02:17,270 --> 00:02:15,000  
claim I think that really needs some

60  
00:02:18,830 --> 00:02:17,280  
evidence and he said that seems to be

61  
00:02:20,690 --> 00:02:18,840  
the case when it was asked to have

62  
00:02:22,910 --> 00:02:20,700  
aliens murdered humans he said that

63  
00:02:25,070 --> 00:02:22,920

seems to be the case

64

00:02:28,190 --> 00:02:25,080

he see he's saying that there is more

65

00:02:31,210 --> 00:02:28,200

than one type of alien and that the

66

00:02:33,530 --> 00:02:31,220

aliens some of the aliens are malevolent

67

00:02:35,390 --> 00:02:33,540

evil aliens

68

00:02:38,330 --> 00:02:35,400

he said that some of the craft are very

69

00:02:41,089 --> 00:02:38,340

large the size of a football field uh

70

00:02:42,770 --> 00:02:41,099

his associate of his who was a lawyer

71

00:02:43,790 --> 00:02:42,780

Danny sheenan who's part of this whole

72

00:02:45,770 --> 00:02:43,800

team

73

00:02:47,270 --> 00:02:45,780

has also been talking to some of the

74

00:02:49,369 --> 00:02:47,280

eyewitnesses and says that one of the

75

00:02:51,949 --> 00:02:49,379

eyewitnesses says that a craft was the

76

00:02:52,809 --> 00:02:51,959

size of a football field but only on the

77

00:02:55,190 --> 00:02:52,819

inside

78

00:02:56,630 --> 00:02:55,200

and uh on the outside it was only 30

79

00:02:58,670 --> 00:02:56,640

feet wide so it's kind of like the

80

00:03:00,290 --> 00:02:58,680

Tardis in Doctor Who uses Doctor Who

81

00:03:03,050 --> 00:03:00,300

physics it's bigger on the inside than

82

00:03:06,710 --> 00:03:03,060

the outside and I was wondering if this

83

00:03:08,990 --> 00:03:06,720

this craft described by Danny Sheehan uh

84

00:03:12,890 --> 00:03:09,000

the football spill size craft is the

85

00:03:16,309 --> 00:03:12,900

same as the one that Dave garage saw

86

00:03:18,830 --> 00:03:16,319

uh One landed in Italy in 1933 and was

87

00:03:21,410 --> 00:03:18,840

captured by the United States in 1944

88

00:03:22,790 --> 00:03:21,420

with the help from the Vatican which is

89

00:03:25,550 --> 00:03:22,800

pretty interesting apparently the

90

00:03:27,589 --> 00:03:25,560

Vatican knows all about this and helps

91

00:03:29,089 --> 00:03:27,599

facilitate this UFO being transferred

92

00:03:32,869 --> 00:03:29,099

from Italy

93

00:03:34,490 --> 00:03:32,879

now this uh uh he also claims that there

94

00:03:37,490 --> 00:03:34,500

is a sophisticated disinformation

95

00:03:39,589 --> 00:03:37,500

campaign fooling the public and Congress

96

00:03:41,330 --> 00:03:39,599

they don't even read in the president he

97

00:03:42,830 --> 00:03:41,340

says the president is referred to as a

98

00:03:44,990 --> 00:03:42,840

temporary employee so they don't read in

99

00:03:48,229 --> 00:03:45,000

the presidents of these things so this

100

00:03:50,809 --> 00:03:48,239

is this massive secret we have these

101  
00:03:52,149 --> 00:03:50,819  
alien craft uh these aliens are

102  
00:03:56,330 --> 00:03:52,159  
murdering people

103  
00:03:59,089 --> 00:03:56,340  
and the American government apparently

104  
00:04:02,390 --> 00:03:59,099  
He suggests have been murdering people

105  
00:04:05,330 --> 00:04:02,400  
also to cover this up he also strongly

106  
00:04:09,589 --> 00:04:05,340  
hinted that there was an agreement

107  
00:04:12,050 --> 00:04:09,599  
between the American government and

108  
00:04:14,089 --> 00:04:12,060  
these aliens some kind of agreement he

109  
00:04:16,849 --> 00:04:14,099  
was kind of cagey about it and he says

110  
00:04:18,590 --> 00:04:16,859  
oh we should look into it but he he

111  
00:04:20,569 --> 00:04:18,600  
pretty much intimated that this was the

112  
00:04:23,210 --> 00:04:20,579  
case and there was some document shown

113  
00:04:24,409 --> 00:04:23,220

that that he wrote that mentioned this

114

00:04:26,689 --> 00:04:24,419

agreement

115

00:04:28,189 --> 00:04:26,699

so

116

00:04:31,490 --> 00:04:28,199

I think the biggest problem with this

117

00:04:34,730 --> 00:04:31,500

other than these claims are outlandish

118

00:04:36,590 --> 00:04:34,740

and uh ridiculous and don't have any

119

00:04:37,790 --> 00:04:36,600

evidence behind them the biggest problem

120

00:04:40,430 --> 00:04:37,800

with this

121

00:04:42,170 --> 00:04:40,440

is that these claims have been cleared

122

00:04:43,430 --> 00:04:42,180

by the government this is something I

123

00:04:45,590 --> 00:04:43,440

mentioned on the program but I think

124

00:04:49,070 --> 00:04:45,600

it's worth mentioning again in the

125

00:04:51,170 --> 00:04:49,080

context of what the claims actually are

126  
00:04:53,710 --> 00:04:51,180  
yeah there's a government body called

127  
00:04:56,689 --> 00:04:53,720  
doctor the department officer

128  
00:04:58,850 --> 00:04:56,699  
pre-publication and Security review

129  
00:05:02,330 --> 00:04:58,860  
when you want to publish something uh

130  
00:05:04,249 --> 00:05:02,340  
like a TV interview or a book uh and you

131  
00:05:06,650 --> 00:05:04,259  
are covered by classification you you

132  
00:05:08,570 --> 00:05:06,660  
have a security clearance uh even if

133  
00:05:12,230 --> 00:05:08,580  
you've left the government you have to

134  
00:05:14,030 --> 00:05:12,240  
go through dopsa and they have to look

135  
00:05:16,310 --> 00:05:14,040  
at this thing before it's published this

136  
00:05:17,570 --> 00:05:16,320  
pre-publication and do a Security review

137  
00:05:19,490 --> 00:05:17,580  
so they're going to look at it and

138  
00:05:21,350 --> 00:05:19,500

they've got to see does this reveal any

139

00:05:23,629 --> 00:05:21,360

classified information

140

00:05:25,550 --> 00:05:23,639

and so they looked at everything he said

141

00:05:28,129 --> 00:05:25,560

they looked at things and he says oh

142

00:05:29,629 --> 00:05:28,139

yeah okay so he's claiming that the US

143

00:05:31,909 --> 00:05:29,639

government is killing people he's

144

00:05:34,070 --> 00:05:31,919

claiming that aliens are killing people

145

00:05:35,990 --> 00:05:34,080

he's claiming that there might be a

146

00:05:37,550 --> 00:05:36,000

secret agreement with aliens he's

147

00:05:39,189 --> 00:05:37,560

claiming we have all these alien crafts

148

00:05:42,230 --> 00:05:39,199

and we've been reverse engineering it

149

00:05:44,510 --> 00:05:42,240

and we've been illegally giving this

150

00:05:46,070 --> 00:05:44,520

technology to Industry this is another

151

00:05:48,469 --> 00:05:46,080

thing he said we've been illegally

152

00:05:50,570 --> 00:05:48,479

giving this technology to Industry and

153

00:05:51,890 --> 00:05:50,580

using allowing them to exploit it and

154

00:05:53,689 --> 00:05:51,900

then sell it back to the government and

155

00:05:58,129 --> 00:05:53,699

make loads of money and this is this is

156

00:06:00,890 --> 00:05:58,139

uh uh this is going on uh this is fine

157

00:06:04,070 --> 00:06:00,900

yeah this is all fine this is not secret

158

00:06:05,870 --> 00:06:04,080

this is not secret doctor that's cleared

159

00:06:08,510 --> 00:06:05,880

everything that he has said so none of

160

00:06:11,270 --> 00:06:08,520

this stuff is secret which kind of begs

161

00:06:12,529 --> 00:06:11,280

the question uh why has nobody mentioned

162

00:06:14,870 --> 00:06:12,539

this before

163

00:06:17,090 --> 00:06:14,880

why has no one mentioned the fact that

164

00:06:19,730 --> 00:06:17,100

aliens are killing people why has no one

165

00:06:22,610 --> 00:06:19,740

mentioned the fact that the US

166

00:06:25,790 --> 00:06:22,620

government has this secret program like

167

00:06:27,170 --> 00:06:25,800

selling alien technology to Industry why

168

00:06:28,730 --> 00:06:27,180

hasn't this actually being revealed why

169

00:06:30,409 --> 00:06:28,740

isn't it being discussed why hasn't

170

00:06:31,610 --> 00:06:30,419

anybody raised it in Congress it's not

171

00:06:35,270 --> 00:06:31,620

Secret

172

00:06:36,830 --> 00:06:35,280

it's it's not classified according to

173

00:06:39,430 --> 00:06:36,840

Dave grosh because it's all being

174

00:06:41,870 --> 00:06:39,440

cleared by doctor

175

00:06:43,790 --> 00:06:41,880

uh so the alternative you know to this

176

00:06:45,529 --> 00:06:43,800

mystery or the his dots are actually

177

00:06:47,090 --> 00:06:45,539

just saying oh go ahead it doesn't

178

00:06:49,249 --> 00:06:47,100

really matter yes the US government

179

00:06:51,950 --> 00:06:49,259

kills people and as a secret uh

180

00:06:54,710 --> 00:06:51,960

agreement with uh with murderous aliens

181

00:06:57,290 --> 00:06:54,720

yeah that's not a secret everybody knows

182

00:07:00,290 --> 00:06:57,300

that the alternative to that ridiculous

183

00:07:01,610 --> 00:07:00,300

scenario is that what he's saying isn't

184

00:07:04,309 --> 00:07:01,620

actually true

185

00:07:06,290 --> 00:07:04,319

now what he's saying is yeah and maybe

186

00:07:07,610 --> 00:07:06,300

not a lie from his perspective but

187

00:07:11,150 --> 00:07:07,620

something he

188

00:07:13,909 --> 00:07:11,160

has been told that is false

189

00:07:15,350 --> 00:07:13,919

he may well have been told that aliens

190

00:07:19,790 --> 00:07:15,360

killed people you may well have been

191

00:07:22,730 --> 00:07:19,800

told that aliens are murdering people

192

00:07:23,990 --> 00:07:22,740

and that we found alien bodies in crafts

193

00:07:26,150 --> 00:07:24,000

and that the American government is

194

00:07:29,270 --> 00:07:26,160

covering it up by killing people and is

195

00:07:30,770 --> 00:07:29,280

selling technology to Lockheed Martin uh

196

00:07:33,170 --> 00:07:30,780

illegally

197

00:07:35,450 --> 00:07:33,180

but that's all false

198

00:07:37,010 --> 00:07:35,460

that's the actually the only scenario

199

00:07:39,350 --> 00:07:37,020

that makes sense here the only scenario

200

00:07:42,469 --> 00:07:39,360

that makes sense because it is all

201  
00:07:44,570 --> 00:07:42,479  
cleared by dropser and you know again

202  
00:07:45,830 --> 00:07:44,580  
this is a point I made on the show not

203  
00:07:47,029 --> 00:07:45,840  
sure it was it wasn't immediately

204  
00:07:48,529 --> 00:07:47,039  
followed by Brian didn't really

205  
00:07:50,930 --> 00:07:48,539  
understand what I was talking about at

206  
00:07:54,730 --> 00:07:50,940  
first but you know that's that's

207  
00:07:59,629 --> 00:07:57,770  
uh so that was kind of my main point

208  
00:08:01,670 --> 00:07:59,639  
that I wanted to make but there's a

209  
00:08:04,010 --> 00:08:01,680  
bunch of other issues like there's the

210  
00:08:05,990 --> 00:08:04,020  
cover-up problem the cover-up problem is

211  
00:08:07,909 --> 00:08:06,000  
how do you keep such a thing quiet for

212  
00:08:09,350 --> 00:08:07,919  
80 years isn't it just saying it's the

213  
00:08:10,850 --> 00:08:09,360

American government has some crashed

214

00:08:12,589 --> 00:08:10,860

spaceships and we've been covering it up

215

00:08:14,270 --> 00:08:12,599

and the vatican's helping us he isn't

216

00:08:15,650 --> 00:08:14,280

just saying that he's saying all the

217

00:08:18,290 --> 00:08:15,660

major governments all the major Powers

218

00:08:20,450 --> 00:08:18,300

throughout the world who have this so at

219

00:08:22,189 --> 00:08:20,460

the very least that is Russia and China

220

00:08:25,490 --> 00:08:22,199

and there's this somehow this is cold

221

00:08:27,589 --> 00:08:25,500

war going on where they're doing this

222

00:08:29,450 --> 00:08:27,599

and we're doing it and they're doing it

223

00:08:32,029 --> 00:08:29,460

is all secret I guess we have some kind

224

00:08:34,310 --> 00:08:32,039

of a agreement or understanding where

225

00:08:35,870 --> 00:08:34,320

nobody tells you know the that the other

226

00:08:37,510 --> 00:08:35,880

country is actually dealing with

227

00:08:40,430 --> 00:08:37,520

murderous aliens

228

00:08:42,649 --> 00:08:40,440

uh and

229

00:08:44,990 --> 00:08:42,659

this seems like a very difficult thing

230

00:08:46,370 --> 00:08:45,000

to cover up it would require if you

231

00:08:48,190 --> 00:08:46,380

think about what's going on here you

232

00:08:50,750 --> 00:08:48,200

know you've got you've got government

233

00:08:54,110 --> 00:08:50,760

you've got the military you've got

234

00:08:56,630 --> 00:08:54,120

Academia you've got uh you've got

235

00:08:58,190 --> 00:08:56,640

industry you've got all these people and

236

00:08:59,930 --> 00:08:58,200

apparently there are a lot of people in

237

00:09:02,389 --> 00:08:59,940

there know about this so if you're

238

00:09:04,490 --> 00:09:02,399

feeding these this Technologies to to

239

00:09:05,690 --> 00:09:04,500

Lockheed Martin and other people then

240

00:09:07,250 --> 00:09:05,700

obviously lots of people are going to

241

00:09:08,750 --> 00:09:07,260

know about you thousands of people you

242

00:09:10,490 --> 00:09:08,760

know over the years like tens of

243

00:09:13,389 --> 00:09:10,500

thousands of people it's been going on

244

00:09:14,930 --> 00:09:13,399

since the 1940s apparently

245

00:09:17,389 --> 00:09:14,940

and

246

00:09:19,970 --> 00:09:17,399

also in other countries same thing in

247

00:09:22,009 --> 00:09:19,980

other countries and not just like you

248

00:09:23,269 --> 00:09:22,019

know other stable countries like Britain

249

00:09:25,090 --> 00:09:23,279

where we've got like a friendly

250

00:09:27,889 --> 00:09:25,100

relationship but countries like Russia

251

00:09:29,990 --> 00:09:27,899

which uh used to be the Soviet Union

252

00:09:34,070 --> 00:09:30,000

used to be several other countries it

253

00:09:36,230 --> 00:09:34,080

used to include Ukraine and uh uh Latvia

254

00:09:38,210 --> 00:09:36,240

Lithuania and Estonia and a bunch of

255

00:09:39,889 --> 00:09:38,220

other countries Kazakhstan countries

256

00:09:41,389 --> 00:09:39,899

like that and he broke up Soviet Union

257

00:09:43,190 --> 00:09:41,399

broke up into all these separate

258

00:09:45,170 --> 00:09:43,200

countries different people took power

259

00:09:47,329 --> 00:09:45,180

you know a whole different kettle of

260

00:09:48,769 --> 00:09:47,339

fish you know China after the second

261

00:09:50,449 --> 00:09:48,779

world war went through like the cultural

262

00:09:53,509 --> 00:09:50,459

revolution completely separate thing

263

00:09:55,190 --> 00:09:53,519

separated into China and Taiwan lots of

264

00:09:56,329 --> 00:09:55,200

different things going on and yet

265

00:09:57,769 --> 00:09:56,339

somehow

266

00:09:59,329 --> 00:09:57,779

all these countries that are going

267

00:10:02,449 --> 00:09:59,339

through all these regime changes have

268

00:10:04,610 --> 00:10:02,459

managed to keep this secret and not let

269

00:10:06,889 --> 00:10:04,620

it be revealed and again the excuse they

270

00:10:09,170 --> 00:10:06,899

gave is that oh we've kind of made it so

271

00:10:11,110 --> 00:10:09,180

it seems silly so someone releases

272

00:10:14,090 --> 00:10:11,120

information they'll just be laughed at

273

00:10:15,949 --> 00:10:14,100

and uh you know that's how it hasn't got

274

00:10:19,430 --> 00:10:15,959

out in the last 70 years

275

00:10:21,350 --> 00:10:19,440

it seems uh kind of ridiculous

276

00:10:24,230 --> 00:10:21,360

okay then another thing I wanted to

277

00:10:25,790 --> 00:10:24,240

bring up was just a simple do the math

278

00:10:28,190 --> 00:10:25,800

this is something that kind of glossed

279

00:10:32,090 --> 00:10:28,200

over in the interview in the interview

280

00:10:33,590 --> 00:10:32,100

uh Ross culthart the interviewer who it

281

00:10:35,329 --> 00:10:33,600

really isn't like an investigative

282

00:10:36,889 --> 00:10:35,339

journalist in this case he's really more

283

00:10:39,050 --> 00:10:36,899

of an advocate Because he believes

284

00:10:40,550 --> 00:10:39,060

strongly that this is happening and he's

285

00:10:42,769 --> 00:10:40,560

basically trying to make the case but

286

00:10:45,290 --> 00:10:42,779

that that aside at aside Ross colfart

287

00:10:47,690 --> 00:10:45,300

the interviewer in this case

288

00:10:49,310 --> 00:10:47,700

uh so yeah why are they crashing you

289

00:10:52,670 --> 00:10:49,320

know why are they crashing and

290

00:10:54,470 --> 00:10:52,680

um and and Dave grush said something

291

00:10:56,750 --> 00:10:54,480

along the lines you know well you know

292

00:10:58,250 --> 00:10:56,760

you know we make cars and things and we

293

00:11:00,230 --> 00:10:58,260

make them as well as we can but

294

00:11:03,650 --> 00:11:00,240

sometimes sometimes they crash sometimes

295

00:11:05,449 --> 00:11:03,660

planes crash and you know even though

296

00:11:06,829 --> 00:11:05,459

these aliens are probably more advanced

297

00:11:09,230 --> 00:11:06,839

than others they probably still crash

298

00:11:11,509 --> 00:11:09,240

sometimes too

299

00:11:13,430 --> 00:11:11,519

but you know I think let's do the math

300

00:11:15,230 --> 00:11:13,440

here let's do the math

301  
00:11:17,329 --> 00:11:15,240  
these aliens Yeah the more advanced the

302  
00:11:18,829 --> 00:11:17,339  
most so they're probably going to be a

303  
00:11:20,090 --> 00:11:18,839  
lot the craft are probably going to be a

304  
00:11:21,769 --> 00:11:20,100  
lot safer than ours you think they'd

305  
00:11:23,690 --> 00:11:21,779  
have these automated systems it's like

306  
00:11:25,370 --> 00:11:23,700  
you know like a Tesla now will stop if

307  
00:11:26,509 --> 00:11:25,380  
you try to run into somebody it used to

308  
00:11:29,630 --> 00:11:26,519  
be you used to be able to run people

309  
00:11:31,730 --> 00:11:29,640  
over now now they stop automatically

310  
00:11:33,110 --> 00:11:31,740  
uh they probably have much more advanced

311  
00:11:34,910 --> 00:11:33,120  
versions of that you know I think

312  
00:11:36,949 --> 00:11:34,920  
probably at least 100 years more

313  
00:11:38,269 --> 00:11:36,959

advanced than what we have maybe 10 000

314

00:11:40,850 --> 00:11:38,279

years maybe in a million years more

315

00:11:43,490 --> 00:11:40,860

advanced so they've got safer craft

316

00:11:45,949 --> 00:11:43,500

think about how many accidents how many

317

00:11:48,590 --> 00:11:45,959

serious plane crashes we have we usually

318

00:11:49,790 --> 00:11:48,600

only have like one one a year or

319

00:11:51,889 --> 00:11:49,800

something like that in the United States

320

00:11:53,090 --> 00:11:51,899

you think about the last big plane crash

321

00:11:54,410 --> 00:11:53,100

that happened in the United States I

322

00:11:55,490 --> 00:11:54,420

can't even remember it I think it was a

323

00:11:58,490 --> 00:11:55,500

few years ago

324

00:12:02,150 --> 00:11:58,500

so you know planes crash every year or

325

00:12:03,949 --> 00:12:02,160

so we're also told that UFOs crash every

326

00:12:05,509 --> 00:12:03,959

every year or so every few years maybe

327

00:12:07,430 --> 00:12:05,519

like every five years something like

328

00:12:10,430 --> 00:12:07,440

that because they're a bit safer aren't

329

00:12:12,710 --> 00:12:10,440

they but consider how many planes there

330

00:12:16,130 --> 00:12:12,720

are in the sky at any one time there is

331

00:12:18,170 --> 00:12:16,140

like thirty thousand commercial flights

332

00:12:19,790 --> 00:12:18,180

every day these are the the proper

333

00:12:21,530 --> 00:12:19,800

commercial flights you know New York to

334

00:12:23,690 --> 00:12:21,540

Boston type thing it's like real

335

00:12:26,630 --> 00:12:23,700

commercial flights you know just going

336

00:12:28,370 --> 00:12:26,640

across the country big planes

337

00:12:30,110 --> 00:12:28,380

thirty thousand of them there's actually

338

00:12:31,190 --> 00:12:30,120

more like 45 000 if you count all the

339

00:12:33,590 --> 00:12:31,200

small planes as well the general

340

00:12:37,310 --> 00:12:33,600

aviation planes every day

341

00:12:39,769 --> 00:12:37,320

and yeah we only have about one crash

342

00:12:42,530 --> 00:12:39,779

every year every few years and we have a

343

00:12:44,509 --> 00:12:42,540

similar number of crashes of UFOs which

344

00:12:48,110 --> 00:12:44,519

are probably much safer which means

345

00:12:50,870 --> 00:12:48,120

there's probably more UFOs many more

346

00:12:52,310 --> 00:12:50,880

UFOs in the sky than there are planes if

347

00:12:54,949 --> 00:12:52,320

you take this simple math and

348

00:12:57,110 --> 00:12:54,959

extrapolate it if there's 30 000 like

349

00:12:59,389 --> 00:12:57,120

significant planes in the sky that

350

00:13:04,250 --> 00:12:59,399

probably means there's hundreds of

351  
00:13:07,430 --> 00:13:04,260  
thousands of UFOs in the sky every day

352  
00:13:08,870 --> 00:13:07,440  
for them to crash at this rate

353  
00:13:10,730 --> 00:13:08,880  
unless they've got like a failure

354  
00:13:12,170 --> 00:13:10,740  
percentage of like you know one percent

355  
00:13:14,150 --> 00:13:12,180  
or something they're just constantly

356  
00:13:16,310 --> 00:13:14,160  
dropping out of the sky for some bizarre

357  
00:13:17,329 --> 00:13:16,320  
reason they would have to be hundreds of

358  
00:13:18,889 --> 00:13:17,339  
thousands

359  
00:13:20,210 --> 00:13:18,899  
uh even Dave gresh says like they're

360  
00:13:22,069 --> 00:13:20,220  
going to be like our cars they crash

361  
00:13:24,350 --> 00:13:22,079  
sometimes you know the like the planes

362  
00:13:26,449 --> 00:13:24,360  
they crash sometimes but if if they are

363  
00:13:28,970 --> 00:13:26,459

like our planes there would have to be

364

00:13:31,310 --> 00:13:28,980

hundreds of thousands of them in the sky

365

00:13:34,670 --> 00:13:31,320

norat doesn't see them

366

00:13:36,170 --> 00:13:34,680

the FAA doesn't see them other Pilots

367

00:13:37,490 --> 00:13:36,180

they see loads of the planes all the

368

00:13:40,190 --> 00:13:37,500

time they don't see these hundreds of

369

00:13:42,889 --> 00:13:40,200

thousands of UFOs people don't take

370

00:13:45,050 --> 00:13:42,899

photographs of them I I see planes all

371

00:13:47,210 --> 00:13:45,060

the time when I'm walking my dog I

372

00:13:49,009 --> 00:13:47,220

should probably see like 10 20 planes on

373

00:13:50,449 --> 00:13:49,019

a typical like walk of half an hour I

374

00:13:51,590 --> 00:13:50,459

can take I take photos of them all the

375

00:13:54,710 --> 00:13:51,600

time

376

00:13:55,910 --> 00:13:54,720

if there's even more UFOs than that why

377

00:13:57,530 --> 00:13:55,920

don't I see them

378

00:14:00,170 --> 00:13:57,540

some of them are supposedly big the size

379

00:14:01,550 --> 00:14:00,180

of a football field don't see those

380

00:14:04,850 --> 00:14:01,560

Arrow

381

00:14:07,069 --> 00:14:04,860

the NASA's uh Narrows the pentagons

382

00:14:09,530 --> 00:14:07,079

official body that's searching for these

383

00:14:12,170 --> 00:14:09,540

these things they don't see hundreds of

384

00:14:13,730 --> 00:14:12,180

thousands of UFOs every day what do I

385

00:14:15,530 --> 00:14:13,740

already see they've seen a few balloons

386

00:14:16,790 --> 00:14:15,540

a few silver spheres that are floating

387

00:14:19,190 --> 00:14:16,800

through the air

388

00:14:20,629 --> 00:14:19,200

they've seen a few optical illusions you

389

00:14:22,730 --> 00:14:20,639

know most of what they see isn't

390

00:14:24,470 --> 00:14:22,740

actually even a real UFO it's stuff like

391

00:14:26,210 --> 00:14:24,480

a distant plane they showed one of the

392

00:14:27,650 --> 00:14:26,220

NASA Herring which is just three dots in

393

00:14:30,470 --> 00:14:27,660

the distance and the camera was moving

394

00:14:32,690 --> 00:14:30,480

around making it look weird this uh

395

00:14:34,910 --> 00:14:32,700

Middle East sphere that they they showed

396

00:14:37,069 --> 00:14:34,920

on this the show I was just on

397

00:14:38,810 --> 00:14:37,079

it's just probably just a balloon yeah

398

00:14:41,269 --> 00:14:38,820

it's Parallax effect just a very common

399

00:14:44,090 --> 00:14:41,279

thing it's green triangles uh they're

400

00:14:46,129 --> 00:14:44,100

not even UFOs at all so this

401  
00:14:48,470 --> 00:14:46,139  
they're not seeing any UFOs

402  
00:14:50,329 --> 00:14:48,480  
and yet if they're crashing one every

403  
00:14:53,269 --> 00:14:50,339  
year or so there would have to be

404  
00:14:56,449 --> 00:14:53,279  
hundreds of thousands of them in the sky

405  
00:14:59,389 --> 00:14:56,459  
so perhaps they just don't exist

406  
00:15:03,110 --> 00:14:59,399  
perhaps it's not actually true

407  
00:15:05,210 --> 00:15:03,120  
so I guess a few other points uh yeah

408  
00:15:08,750 --> 00:15:05,220  
I'm a skeptic I was brought on for being

409  
00:15:11,569 --> 00:15:08,760  
this skeptic Viewpoint and Skeptics

410  
00:15:13,250 --> 00:15:11,579  
I think would like this cleared up

411  
00:15:15,530 --> 00:15:13,260  
I would like the government to

412  
00:15:17,629 --> 00:15:15,540  
investigate please Congress if you are

413  
00:15:20,030 --> 00:15:17,639

listening please investigate I call upon

414

00:15:21,290 --> 00:15:20,040

Congress to investigate this thing you

415

00:15:22,370 --> 00:15:21,300

know people are always saying Mick why

416

00:15:24,590 --> 00:15:22,380

didn't you call upon Congress to

417

00:15:26,090 --> 00:15:24,600

investigate this it's kind of silly like

418

00:15:28,189 --> 00:15:26,100

it's not like you know you can't simply

419

00:15:30,889 --> 00:15:28,199

call upon Congress to investigate but

420

00:15:32,449 --> 00:15:30,899

yeah that's what I'm doing I I agree

421

00:15:35,269 --> 00:15:32,459

with the calls on Congress to

422

00:15:37,009 --> 00:15:35,279

investigate not trying to stop it at all

423

00:15:39,230 --> 00:15:37,019

just pointing out how ridiculous the

424

00:15:41,629 --> 00:15:39,240

claims are we need to look into the

425

00:15:43,670 --> 00:15:41,639

situation as a whole you know why do we

426

00:15:47,509 --> 00:15:43,680

have this situation why do we have

427

00:15:49,189 --> 00:15:47,519

people who claim to work in the program

428

00:15:51,889 --> 00:15:49,199

which is what they call it apparently

429

00:15:54,410 --> 00:15:51,899

the program and uh what's actually going

430

00:15:56,810 --> 00:15:54,420

on what are things going on I think it's

431

00:15:58,310 --> 00:15:56,820

probably the program is a crash

432

00:15:59,090 --> 00:15:58,320

retrieval and reverse engineering

433

00:16:02,030 --> 00:15:59,100

program

434

00:16:05,689 --> 00:16:02,040

and I think what they are retrieving is

435

00:16:08,449 --> 00:16:05,699

crashed foreign craft like Russian

436

00:16:11,870 --> 00:16:08,459

fighter jets Russian drones Chinese

437

00:16:13,310 --> 00:16:11,880

fighter jets Chinese submarines Russian

438

00:16:16,129 --> 00:16:13,320

submarines you know we won I think it

439

00:16:18,530 --> 00:16:16,139

was like 1976 we spent three billion

440

00:16:22,490 --> 00:16:18,540

dollars in today's money recovering a

441

00:16:24,050 --> 00:16:22,500

Russian submarine top secret program and

442

00:16:25,850 --> 00:16:24,060

uh we would have taken that submarine

443

00:16:27,350 --> 00:16:25,860

and reverse engineered the heck out of

444

00:16:28,970 --> 00:16:27,360

it and it would have been super secret

445

00:16:30,170 --> 00:16:28,980

and the people working on that program

446

00:16:31,370 --> 00:16:30,180

might not have known what they were

447

00:16:32,990 --> 00:16:31,380

working on because they'd be just like

448

00:16:34,250 --> 00:16:33,000

hey here's a bit of metal like you know

449

00:16:36,230 --> 00:16:34,260

check it out

450

00:16:38,090 --> 00:16:36,240

and then someone else would synthesize

451

00:16:39,650 --> 00:16:38,100

that data into the the greater

452

00:16:41,150 --> 00:16:39,660

understanding of what was going on but

453

00:16:42,949 --> 00:16:41,160

not everybody who works in the program

454

00:16:44,269 --> 00:16:42,959

is going to be read into every single

455

00:16:46,069 --> 00:16:44,279

thing that's going on because you want

456

00:16:47,990 --> 00:16:46,079

to keep it secret

457

00:16:49,730 --> 00:16:48,000

which may well be why we've arrived at

458

00:16:51,350 --> 00:16:49,740

this situation there's a secret program

459

00:16:54,829 --> 00:16:51,360

of Crash retrievals and reverse

460

00:16:56,749 --> 00:16:54,839

engineering that the UAP task force

461

00:16:59,150 --> 00:16:56,759

wasn't allowed to look into because it's

462

00:17:00,650 --> 00:16:59,160

super secret and or the UAP task force

463

00:17:02,269 --> 00:17:00,660

need to know about Russian submarines

464

00:17:04,850 --> 00:17:02,279

and Chinese Jets

465

00:17:07,130 --> 00:17:04,860

so we got this

466

00:17:10,130 --> 00:17:07,140

um misunderstanding

467

00:17:11,329 --> 00:17:10,140

and everybody's like hmm must be UFOs

468

00:17:13,549 --> 00:17:11,339

and then people working on the program

469

00:17:16,069 --> 00:17:13,559

were like yeah I got this really weird

470

00:17:17,870 --> 00:17:16,079

bit of metal I got this strange isotope

471

00:17:20,870 --> 00:17:17,880

ratios no idea what it is I think it's

472

00:17:23,090 --> 00:17:20,880

UFOs and someone else is like yeah

473

00:17:26,329 --> 00:17:23,100

did you hear about malstrom

474

00:17:28,370 --> 00:17:26,339

no no uh mulstrom yeah the UFO shot down

475

00:17:31,250 --> 00:17:28,380

some shut down some nuclear weapons like

476

00:17:34,390 --> 00:17:31,260

back in the um was it 60s 50s long time

477

00:17:36,590 --> 00:17:34,400

ago and then I think this UFO mythology

478

00:17:41,210 --> 00:17:36,600

kind of

479

00:17:42,770 --> 00:17:41,220

and these people start talking and some

480

00:17:44,330 --> 00:17:42,780

people become convinced and then they

481

00:17:46,310 --> 00:17:44,340

start reading stuff

482

00:17:49,130 --> 00:17:46,320

they start folding in other bits of

483

00:17:51,049 --> 00:17:49,140

Mythology like some people who've worked

484

00:17:52,909 --> 00:17:51,059

in government and also outside of

485

00:17:55,490 --> 00:17:52,919

government kind of pulled in things that

486

00:17:57,409 --> 00:17:55,500

they did like analyzing bits of metal

487

00:18:00,169 --> 00:17:57,419

there's this famous bit of metal but

488

00:18:01,909 --> 00:18:00,179

that uh has these multiple layers Linda

489

00:18:03,529 --> 00:18:01,919

Moulton Howe had it I believe she got it

490

00:18:05,930 --> 00:18:03,539

from Art Bell and then sold it to Tom

491

00:18:07,610 --> 00:18:05,940

Delong and then Tom DeLong sold it to

492

00:18:10,370 --> 00:18:07,620

his own company but it's just a

493

00:18:12,350 --> 00:18:10,380

multi-layered bit of magnesium and

494

00:18:14,390 --> 00:18:12,360

bismuth which people are like what is

495

00:18:16,730 --> 00:18:14,400

this thing it's probably just a bit of

496

00:18:18,230 --> 00:18:16,740

an industrial process byproduct or

497

00:18:21,230 --> 00:18:18,240

something that somebody sent in on a

498

00:18:23,450 --> 00:18:21,240

lark to Art Bell like 30 years ago

499

00:18:25,070 --> 00:18:23,460

but that seems to be what seems to be

500

00:18:27,770 --> 00:18:25,080

what Dave grush is talking about this

501  
00:18:28,970 --> 00:18:27,780  
meta material and I very much suspect

502  
00:18:30,230 --> 00:18:28,980  
that's actually what he's talking about

503  
00:18:32,330 --> 00:18:30,240  
anyway I'm kind of getting a little bit

504  
00:18:34,850 --> 00:18:32,340  
off topic here but also talking about

505  
00:18:35,930 --> 00:18:34,860  
yeah we want an investigation and we

506  
00:18:39,289 --> 00:18:35,940  
want to figure out what's going on

507  
00:18:40,549 --> 00:18:39,299  
because uh if if it's just like a bunch

508  
00:18:42,049 --> 00:18:40,559  
of people you know there's a real secret

509  
00:18:43,669 --> 00:18:42,059  
program but a bunch of people think this

510  
00:18:45,230 --> 00:18:43,679  
secret program is actually an alien

511  
00:18:47,330 --> 00:18:45,240  
crash retrieval program

512  
00:18:49,330 --> 00:18:47,340  
it's kind of messed up

513  
00:18:52,549 --> 00:18:49,340

yeah it's kind of like there's um

514

00:18:54,590 --> 00:18:52,559

a systemic and cultural failure within

515

00:18:56,930 --> 00:18:54,600

the intelligence community

516

00:18:59,450 --> 00:18:56,940

due in part to excessive secrecy because

517

00:19:02,630 --> 00:18:59,460

no one's allowed to talk about anything

518

00:19:04,789 --> 00:19:02,640

and this this this failure

519

00:19:07,490 --> 00:19:04,799

this systemic flight failure the failure

520

00:19:09,830 --> 00:19:07,500

of the system is allowing false beliefs

521

00:19:13,610 --> 00:19:09,840

and magical thinking to grow so people

522

00:19:14,870 --> 00:19:13,620

end up thinking that they're there's a

523

00:19:18,409 --> 00:19:14,880

they're working on a crash retrieval

524

00:19:20,990 --> 00:19:18,419

program of of alien UFOs when they're

525

00:19:24,230 --> 00:19:21,000

actually not and then all these stories

526

00:19:26,930 --> 00:19:24,240

kind of grow in the telling

527

00:19:29,870 --> 00:19:26,940

okay so yeah the UFO mythology

528

00:19:31,789 --> 00:19:29,880

is uh contains things that Dave gross

529

00:19:34,850 --> 00:19:31,799

talked about UFO mythology talks about

530

00:19:36,890 --> 00:19:34,860

this this uh well Roswell obviously he

531

00:19:39,049 --> 00:19:36,900

just basically gave the standard uh

532

00:19:41,930 --> 00:19:39,059

believer version of Roswell

533

00:19:44,210 --> 00:19:41,940

the malstrom instrument incident with

534

00:19:46,430 --> 00:19:44,220

the nuclear weapons going offline uh

535

00:19:48,230 --> 00:19:46,440

that's something that that happened and

536

00:19:51,350 --> 00:19:48,240

there's a report of one security guard

537

00:19:53,150 --> 00:19:51,360

seeing a glowing red ore but some points

538

00:19:55,070 --> 00:19:53,160

in a different location you can read

539

00:19:57,230 --> 00:19:55,080

more about it on metabung just look for

540

00:19:59,029 --> 00:19:57,240

malstrom there's a whole bunch of

541

00:20:02,810 --> 00:19:59,039

Investigations into that but there's

542

00:20:07,430 --> 00:20:02,820

really not a lot to it uh mussolinas UFO

543

00:20:09,110 --> 00:20:07,440

in 1922 33 and recovered by the US with

544

00:20:10,549 --> 00:20:09,120

the help of the Vatican that's kind of a

545

00:20:11,810 --> 00:20:10,559

new thing but basically it's UFO

546

00:20:14,510 --> 00:20:11,820

mythology

547

00:20:16,070 --> 00:20:14,520

Doctor Who physics uh this isn't

548

00:20:17,870 --> 00:20:16,080

something that Dave gresh said but you

549

00:20:19,310 --> 00:20:17,880

know the lawyer he's working with uh

550

00:20:20,570 --> 00:20:19,320

sheenan like said that one of the craft

551  
00:20:23,270 --> 00:20:20,580  
was bigger on the inside than the

552  
00:20:25,370 --> 00:20:23,280  
outside this is typical UFO mythology

553  
00:20:27,770 --> 00:20:25,380  
people have given similar accounts and

554  
00:20:29,690 --> 00:20:27,780  
he's kind of I think he's and perhaps

555  
00:20:34,490 --> 00:20:29,700  
other people are folding in other

556  
00:20:37,430 --> 00:20:34,500  
accounts of UFO mythology into something

557  
00:20:39,710 --> 00:20:37,440  
of a real situation or before I forget

558  
00:20:41,810 --> 00:20:39,720  
another thing Dave gross said

559  
00:20:43,970 --> 00:20:41,820  
was that the head of Arrow

560  
00:20:45,470 --> 00:20:43,980  
yeah everyone's saying that Arrow this

561  
00:20:48,230 --> 00:20:45,480  
this Pentagon task force which is

562  
00:20:50,390 --> 00:20:48,240  
looking into UFOs cannot

563  
00:20:54,169 --> 00:20:50,400

um look into these programs because it

564

00:20:56,390 --> 00:20:54,179

doesn't have title 50 clearance however

565

00:20:59,450 --> 00:20:56,400

Dave garush says he talked to Sean

566

00:21:03,169 --> 00:20:59,460

Kirkpatrick and the Sean Kirkpatrick

567

00:21:05,630 --> 00:21:03,179

could have looked into this and could

568

00:21:07,490 --> 00:21:05,640

have discovered the same things that

569

00:21:10,130 --> 00:21:07,500

Dave garage said

570

00:21:11,810 --> 00:21:10,140

now Ross colfart will tell you this is

571

00:21:14,270 --> 00:21:11,820

not true because he doesn't have title

572

00:21:17,330 --> 00:21:14,280

50 clearance but the guy who does have

573

00:21:18,470 --> 00:21:17,340

title 50 clearance Dave garush just told

574

00:21:22,070 --> 00:21:18,480

us

575

00:21:24,110 --> 00:21:22,080

that

576

00:21:27,049 --> 00:21:24,120

um Sean Kirkpatrick could look into it

577

00:21:28,850 --> 00:21:27,059

and could discover the same things

578

00:21:30,590 --> 00:21:28,860

maybe Shankar battery looked into it and

579

00:21:32,270 --> 00:21:30,600

discovered nothing maybe Sean

580

00:21:34,610 --> 00:21:32,280

Kirkpatrick as is implied in the

581

00:21:36,590 --> 00:21:34,620

interview is part of a giant cover-up I

582

00:21:38,630 --> 00:21:36,600

tend to think the former

583

00:21:40,610 --> 00:21:38,640

um the first one Dave Kirkpatrick looked

584

00:21:43,850 --> 00:21:40,620

into it didn't find anything to

585

00:21:45,350 --> 00:21:43,860

substantiate it Arrow has said the total

586

00:21:46,730 --> 00:21:45,360

lots of whistleblowers who have told him

587

00:21:48,169 --> 00:21:46,740

this is secret program and they've not

588

00:21:50,330 --> 00:21:48,179

been able to find any evidence to

589

00:21:53,090 --> 00:21:50,340

substantiate it and I think that's just

590

00:21:57,470 --> 00:21:56,090

some broader issues here actually I mean

591

00:21:58,909 --> 00:21:57,480

there's some more specific issues here

592

00:22:02,810 --> 00:21:58,919

first I made some notes during this year

593

00:22:05,149 --> 00:22:02,820

Maelstrom Dimensions oh yes so he was

594

00:22:07,130 --> 00:22:05,159

going to speculating a lot about extra

595

00:22:09,289 --> 00:22:07,140

dimensions and this is how the craft

596

00:22:11,570 --> 00:22:09,299

traveled from one location to the other

597

00:22:14,090 --> 00:22:11,580

which sounded very science fictionary to

598

00:22:16,130 --> 00:22:14,100

me you know he said it's he has a degree

599

00:22:20,810 --> 00:22:16,140

in physics

600

00:22:22,730 --> 00:22:20,820

it's great it's not like a PhD in

601  
00:22:24,350 --> 00:22:22,740  
physics and I don't know how much

602  
00:22:27,710 --> 00:22:24,360  
physics he's actually done over the

603  
00:22:30,409 --> 00:22:27,720  
years but he seems convinced that

604  
00:22:32,990 --> 00:22:30,419  
there's this particular mechanism where

605  
00:22:35,149 --> 00:22:33,000  
uh extra Dimensions as defined by

606  
00:22:38,149 --> 00:22:35,159  
quantum physics can be used for Rapid

607  
00:22:40,549 --> 00:22:38,159  
travel or perhaps the creatures

608  
00:22:42,529 --> 00:22:40,559  
themselves are coming from another

609  
00:22:44,630 --> 00:22:42,539  
dimension like you know this kind of

610  
00:22:46,789 --> 00:22:44,640  
parallel universes perhaps a different

611  
00:22:48,649 --> 00:22:46,799  
spatial level above you know to the side

612  
00:22:51,350 --> 00:22:48,659  
or you know diagonal because it's an

613  
00:22:53,390 --> 00:22:51,360

extra Dimension uh and the the creatures

614

00:22:54,950 --> 00:22:53,400

are inter-dimensional beings you didn't

615

00:22:56,690 --> 00:22:54,960

want to necessarily say you know they're

616

00:22:58,070 --> 00:22:56,700

aliens from another planet that's a

617

00:23:00,350 --> 00:22:58,080

little bit silly they could be being

618

00:23:01,970 --> 00:23:00,360

some another dimension or they could

619

00:23:03,529 --> 00:23:01,980

have be being from another planet that

620

00:23:06,110 --> 00:23:03,539

traveled here via or another dimension

621

00:23:07,310 --> 00:23:06,120

or via folding the dimensions in a

622

00:23:10,070 --> 00:23:07,320

strange way

623

00:23:13,549 --> 00:23:10,080

it seemed basically like he was

624

00:23:17,450 --> 00:23:15,890

uh

625

00:23:19,250 --> 00:23:17,460

there was a short segment on the videos

626

00:23:21,110 --> 00:23:19,260

which you know obviously like if you

627

00:23:23,750 --> 00:23:21,120

look at my my channel I do a lot of work

628

00:23:26,149 --> 00:23:23,760

analyzing these UFO videos he mentioned

629

00:23:28,490 --> 00:23:26,159

a couple of them not a lot didn't

630

00:23:30,289 --> 00:23:28,500

discuss very much details

631

00:23:33,529 --> 00:23:30,299

they brought up gimbal one of my

632

00:23:35,210 --> 00:23:33,539

favorite videos and uh he was asked you

633

00:23:36,890 --> 00:23:35,220

know uh Ross say something oh there's a

634

00:23:38,570 --> 00:23:36,900

whole Bevy of debunkers on the internet

635

00:23:40,669 --> 00:23:38,580

who've said things about this well it's

636

00:23:41,990 --> 00:23:40,679

mostly me it's mostly me who's been

637

00:23:43,730 --> 00:23:42,000

saying things about the gimbal video

638

00:23:45,890 --> 00:23:43,740

I've done this very detailed analysis

639

00:23:48,890 --> 00:23:45,900

and you can you can check them out

640

00:23:50,450 --> 00:23:48,900

so he said oh yeah I've looked at that

641

00:23:52,490 --> 00:23:50,460

with people who know about the app

642

00:23:55,970 --> 00:23:52,500

player and because of like you know

643

00:23:58,370 --> 00:23:55,980

stuff like the the pixel saturation uh

644

00:24:00,590 --> 00:23:58,380

it's it's not it's not a plane yeah we

645

00:24:03,169 --> 00:24:00,600

don't know what it is but you know uh

646

00:24:05,390 --> 00:24:03,179

it's not a plain pixel saturation didn't

647

00:24:09,110 --> 00:24:05,400

really say very much but what he did say

648

00:24:11,810 --> 00:24:09,120

about pixel saturation reminded me of a

649

00:24:14,750 --> 00:24:11,820

person he would know on the UAP task

650

00:24:17,750 --> 00:24:14,760

force called Travis Taylor now Travis

651

00:24:20,090 --> 00:24:17,760

Taylor is a guy with two phds one in

652

00:24:22,310 --> 00:24:20,100

Optics and the other one I think I

653

00:24:24,169 --> 00:24:22,320

believe in Aerospace Systems mechanics

654

00:24:27,169 --> 00:24:24,179

or something of Aerospace science but

655

00:24:29,810 --> 00:24:27,179

clever guy got two phds he was the chief

656

00:24:33,409 --> 00:24:29,820

scientist of the UAP task force he's

657

00:24:35,330 --> 00:24:33,419

also a TV scientist he appears on

658

00:24:38,029 --> 00:24:35,340

Ancient Aliens where he's constantly

659

00:24:40,490 --> 00:24:38,039

going on with great excitement about how

660

00:24:42,289 --> 00:24:40,500

some hieroglyphoses on a wall is

661

00:24:43,909 --> 00:24:42,299

actually evidence that aliens are

662

00:24:47,870 --> 00:24:43,919

visitors in the past

663

00:24:50,029 --> 00:24:47,880

he's also a TV scientist on the show uh

664

00:24:52,370 --> 00:24:50,039

the secrets of Skinwalker Ranch

665

00:24:54,169 --> 00:24:52,380

where he plays again another very

666

00:24:55,669 --> 00:24:54,179

excitable scientist I mean it's not I

667

00:24:58,610 --> 00:24:55,679

say plays I mean it's supposed to be

668

00:25:00,110 --> 00:24:58,620

real it's supposed to be actually him he

669

00:25:03,890 --> 00:25:00,120

appears as a very excitable scientist

670

00:25:07,730 --> 00:25:03,900

who makes these ridiculous errors of

671

00:25:10,130 --> 00:25:07,740

Science and these ridiculous leaps of uh

672

00:25:12,649 --> 00:25:10,140

of inference in things and says things

673

00:25:13,870 --> 00:25:12,659

like uh well that rocket went up and

674

00:25:17,930 --> 00:25:13,880

then it could avert a bit to the left

675

00:25:19,730 --> 00:25:17,940

maybe there's a portal above the ranch

676

00:25:21,770 --> 00:25:19,740

I mean this is pretty much verbatim the

677

00:25:25,430 --> 00:25:21,780

type of thing he says so yeah it's just

678

00:25:26,630 --> 00:25:25,440

entertainment but he and the he's

679

00:25:27,890 --> 00:25:26,640

basically he's claiming that this is

680

00:25:30,590 --> 00:25:27,900

actual science he's claiming they're

681

00:25:33,470 --> 00:25:30,600

doing real science obviously they are

682

00:25:35,450 --> 00:25:33,480

not but uh this is what he claims and

683

00:25:38,149 --> 00:25:35,460

the science he has done has been very

684

00:25:40,970 --> 00:25:38,159

poor he presented a paper once well not

685

00:25:43,310 --> 00:25:40,980

a paper like a presentation at a UFO

686

00:25:46,190 --> 00:25:43,320

conference where he was showing the

687

00:25:47,450 --> 00:25:46,200

gimbal video the gimbal video and he

688

00:25:50,149 --> 00:25:47,460

pointed out that he had these little

689

00:25:52,669 --> 00:25:50,159

wibbly lines on it and so he said like

690

00:25:53,810 --> 00:25:52,679

these wibbly lines are interference

691

00:25:55,669 --> 00:25:53,820

fringes

692

00:25:57,649 --> 00:25:55,679

because there was like some moment where

693

00:25:59,630 --> 00:25:57,659

the camera got bumped and then the light

694

00:26:02,090 --> 00:25:59,640

Pathways went through two things at the

695

00:26:05,450 --> 00:26:02,100

same time and they interfered with each

696

00:26:07,850 --> 00:26:05,460

other and we can use this interference

697

00:26:11,269 --> 00:26:07,860

of two different frames to figure out

698

00:26:12,590 --> 00:26:11,279

how far away this object is so we did

699

00:26:14,810 --> 00:26:12,600

all this math

700

00:26:16,970 --> 00:26:14,820

using these the sine waves that they

701  
00:26:18,169 --> 00:26:16,980  
determined were in this image and came

702  
00:26:20,210 --> 00:26:18,179  
up with answer

703  
00:26:22,430 --> 00:26:20,220  
problem was

704  
00:26:23,750 --> 00:26:22,440  
this wobbling on the line wasn't

705  
00:26:25,789 --> 00:26:23,760  
actually

706  
00:26:27,950 --> 00:26:25,799  
something to do with the internal Optics

707  
00:26:29,930 --> 00:26:27,960  
of the system which his PhD might have

708  
00:26:33,289 --> 00:26:29,940  
been able to address

709  
00:26:37,190 --> 00:26:33,299  
it was uh interlacing

710  
00:26:39,590 --> 00:26:37,200  
the cameras that uh the recorded this

711  
00:26:43,010 --> 00:26:39,600  
video use interlaced video which means

712  
00:26:45,289 --> 00:26:43,020  
that every other line on the video is

713  
00:26:47,090 --> 00:26:45,299

recorded one frame off from another so

714

00:26:48,649 --> 00:26:47,100

when something moves rapidly which is

715

00:26:51,890 --> 00:26:48,659

the camera was moving in this instance

716

00:26:53,750 --> 00:26:51,900

things end up looking jaggy like this so

717

00:26:55,370 --> 00:26:53,760

what he was seeing wasn't an

718

00:26:56,330 --> 00:26:55,380

interference pattern it was just two

719

00:26:59,810 --> 00:26:56,340

frames

720

00:27:01,909 --> 00:26:59,820

of the image and the the Jaggers of of

721

00:27:03,590 --> 00:27:01,919

the interlacing and he wasn't looking at

722

00:27:05,090 --> 00:27:03,600

the original video he was looking at a

723

00:27:09,409 --> 00:27:05,100

version of the video he downloaded from

724

00:27:11,690 --> 00:27:09,419

YouTube and the smooth sine wave was

725

00:27:15,529 --> 00:27:11,700

because he was a blurred out low

726

00:27:18,769 --> 00:27:15,539

resolution version of the video

727

00:27:20,870 --> 00:27:18,779

and is smoothed it out anyway basically

728

00:27:22,549 --> 00:27:20,880

it was his entire analysis was complete

729

00:27:24,529 --> 00:27:22,559

nonsense and it's typical of the type of

730

00:27:27,110 --> 00:27:24,539

mistakes that he makes but everyone

731

00:27:28,549 --> 00:27:27,120

respects him because he's two phds and

732

00:27:31,370 --> 00:27:28,559

so they don't question him which I think

733

00:27:32,870 --> 00:27:31,380

is perhaps speaking to the the systemic

734

00:27:34,430 --> 00:27:32,880

and cultural failure that I was

735

00:27:36,230 --> 00:27:34,440

discussing earlier you know people don't

736

00:27:38,029 --> 00:27:36,240

question each other and there's a lot of

737

00:27:39,470 --> 00:27:38,039

secrecy so you can't ask certain

738

00:27:41,570 --> 00:27:39,480

questions so you've got this combination

739

00:27:44,390 --> 00:27:41,580

of things excessive deference to people

740

00:27:46,610 --> 00:27:44,400

who you think know the right answer and

741

00:27:48,350 --> 00:27:46,620

uh secrecy and so people end up

742

00:27:51,950 --> 00:27:48,360

believing things but you kind of back to

743

00:27:55,970 --> 00:27:51,960

the analysis so Dave garush says

744

00:27:59,810 --> 00:27:55,980

saturation pixel saturation that

745

00:28:02,330 --> 00:27:59,820

is analysis that Travis Taylor did

746

00:28:04,850 --> 00:28:02,340

and Travis Taylor did this analysis and

747

00:28:06,430 --> 00:28:04,860

said that these pixels are too saturated

748

00:28:08,930 --> 00:28:06,440

for the distance

749

00:28:11,269 --> 00:28:08,940

and that means that it couldn't actually

750

00:28:14,690 --> 00:28:11,279

be a plane so this is his this is Theory

751  
00:28:18,769 --> 00:28:14,700  
but problem is he's basing this uh

752  
00:28:21,010 --> 00:28:18,779  
saturation issue on again low resolution

753  
00:28:24,110 --> 00:28:21,020  
video

754  
00:28:26,750 --> 00:28:24,120  
that has a low color depth the actual

755  
00:28:28,250 --> 00:28:26,760  
original video is in 14 bits yeah

756  
00:28:30,409 --> 00:28:28,260  
technical thing but

757  
00:28:32,090 --> 00:28:30,419  
14 bits is a lot more than 8 Bits which

758  
00:28:35,570 --> 00:28:32,100  
is what you get when you look at the

759  
00:28:37,669 --> 00:28:35,580  
video that's on YouTube so again here's

760  
00:28:38,570 --> 00:28:37,679  
analysis was kind of garbage in garbage

761  
00:28:43,010 --> 00:28:38,580  
out

762  
00:28:44,750 --> 00:28:43,020  
and I do not think that Travis Taylor's

763  
00:28:46,250 --> 00:28:44,760

assessment is correct it's a there's a

764

00:28:48,490 --> 00:28:46,260

long thread of it on it on metabunk

765

00:28:51,169 --> 00:28:48,500

explaining all the math and the science

766

00:28:53,029 --> 00:28:51,179

and if Dave garage is basing his

767

00:28:55,669 --> 00:28:53,039

assessment on Travis Taylor his buddy

768

00:28:58,130 --> 00:28:55,679

from the UAP task force then I don't

769

00:29:00,529 --> 00:28:58,140

think that's correct either

770

00:29:02,390 --> 00:29:00,539

uh but if he wants to talk about it if

771

00:29:04,850 --> 00:29:02,400

he wants to you know debate it or

772

00:29:07,669 --> 00:29:04,860

something he's now a public citizen he's

773

00:29:10,549 --> 00:29:07,679

free to uh to like publish his own

774

00:29:12,289 --> 00:29:10,559

analysis of the public video gimbal so

775

00:29:15,590 --> 00:29:12,299

why don't you go ahead Dave grosh

776

00:29:17,029 --> 00:29:15,600

publish this this thing except you

777

00:29:18,529 --> 00:29:17,039

probably didn't do the analysis did you

778

00:29:22,730 --> 00:29:18,539

you just repeated Travis Taylor's

779

00:29:22,740 --> 00:29:26,990

all right so uh

780

00:29:31,610 --> 00:29:28,850

more broader issues I should just finish

781

00:29:34,610 --> 00:29:31,620

off this oh the Omaha sphere Omaha

782

00:29:37,190 --> 00:29:34,620

sphere another video that they brought

783

00:29:38,269 --> 00:29:37,200

up and down didn't really say very much

784

00:29:39,830 --> 00:29:38,279

about it

785

00:29:41,750 --> 00:29:39,840

I think Ross says well it's either

786

00:29:43,850 --> 00:29:41,760

shooting away into the distance or it's

787

00:29:45,289 --> 00:29:43,860

going into the ocean and I think I can't

788

00:29:46,549 --> 00:29:45,299

already say something like he's going

789

00:29:50,389 --> 00:29:46,559

into the ocean

790

00:29:52,250 --> 00:29:50,399

but you Analyze That video it's not too

791

00:29:54,049 --> 00:29:52,260

complicated you zoom in look at the very

792

00:29:58,010 --> 00:29:54,059

end of it where it disappears what

793

00:29:59,389 --> 00:29:58,020

happens is the the object doesn't look

794

00:30:00,950 --> 00:29:59,399

like it's actually going into the water

795

00:30:03,769 --> 00:30:00,960

it looks like it's going behind the

796

00:30:05,570 --> 00:30:03,779

Horizon let me just grab a flashlight

797

00:30:08,330 --> 00:30:05,580

demonstrate

798

00:30:11,690 --> 00:30:08,340

uh here is a flashlight pointing at the

799

00:30:13,850 --> 00:30:11,700

camera now if something goes behind the

800

00:30:15,470 --> 00:30:13,860

her the Horizon you'll see it kind of

801  
00:30:16,789 --> 00:30:15,480  
like you know you'll see half of it and

802  
00:30:19,190 --> 00:30:16,799  
then you'll see none of it it'll

803  
00:30:21,590 --> 00:30:19,200  
disappear behind the Horizon now if a

804  
00:30:23,389 --> 00:30:21,600  
bright light if something goes into the

805  
00:30:25,450 --> 00:30:23,399  
water sorry same thing same thing if a

806  
00:30:28,010 --> 00:30:25,460  
bright light goes down

807  
00:30:29,450 --> 00:30:28,020  
and it goes if it goes into the water

808  
00:30:31,130 --> 00:30:29,460  
it's just going to Blink out it's going

809  
00:30:33,710 --> 00:30:31,140  
to disappear if it goes behind the

810  
00:30:36,110 --> 00:30:33,720  
Horizon what happens is it just gets

811  
00:30:38,090 --> 00:30:36,120  
smaller and shrinks and disappears

812  
00:30:40,669 --> 00:30:38,100  
this is what we see in the Omaha sphere

813  
00:30:42,110 --> 00:30:40,679

video we see a light that is shrinking

814

00:30:44,090 --> 00:30:42,120

and disappearing we know it's an

815

00:30:45,289 --> 00:30:44,100

infrared which means it's a heat source

816

00:30:47,149 --> 00:30:45,299

that is shrinking and disappearing

817

00:30:49,070 --> 00:30:47,159

something going into the water wouldn't

818

00:30:51,110 --> 00:30:49,080

do that this is something that is going

819

00:30:53,990 --> 00:30:51,120

behind the Horizon it's being gradually

820

00:30:56,330 --> 00:30:54,000

obscured by The Horizon and don't know

821

00:30:58,310 --> 00:30:56,340

what it is but it's not something that's

822

00:31:01,190 --> 00:30:58,320

going into the water so again that

823

00:31:03,590 --> 00:31:01,200

analysis is wrong

824

00:31:05,990 --> 00:31:03,600

okay those are my little points that I

825

00:31:07,789 --> 00:31:06,000

had that I wrote down

826

00:31:11,690 --> 00:31:07,799

so just some

827

00:31:13,610 --> 00:31:11,700

broader points uh

828

00:31:15,310 --> 00:31:13,620

uh this story is coming from The Usual

829

00:31:18,049 --> 00:31:15,320

Suspects

830

00:31:20,630 --> 00:31:18,059

the story it was originally written by

831

00:31:22,130 --> 00:31:20,640

Leslie Kane and Ralph Blumenthal they

832

00:31:24,409 --> 00:31:22,140

wanted to publish it in New York Times

833

00:31:25,789 --> 00:31:24,419

New York Times turned them down they

834

00:31:27,470 --> 00:31:25,799

wanted to publish in the Washington Post

835

00:31:29,090 --> 00:31:27,480

The Washington Post wanted to fact check

836

00:31:32,630 --> 00:31:29,100

it and they were taking too long fact

837

00:31:34,990 --> 00:31:32,640

checking it now Dave grush's name was

838

00:31:37,970 --> 00:31:35,000

unfortunately leaked onto the internet

839

00:31:42,110 --> 00:31:37,980

uh right about a month ago by by the

840

00:31:44,269 --> 00:31:42,120

lawyer on the team uh Danny Sheehan who

841

00:31:46,250 --> 00:31:44,279

you know blurted it out he has a kind of

842

00:31:47,450 --> 00:31:46,260

a no filter approach to talking Dennis

843

00:31:49,549 --> 00:31:47,460

Sheehan

844

00:31:50,990 --> 00:31:49,559

and so they that his name was being

845

00:31:52,730 --> 00:31:51,000

brought up and so they wanted to move it

846

00:31:55,549 --> 00:31:52,740

forward Washington Post didn't have

847

00:31:56,930 --> 00:31:55,559

enough time to publish it uh to fact

848

00:31:58,730 --> 00:31:56,940

check it before they published it so

849

00:32:00,769 --> 00:31:58,740

it's published in the debrief which is

850

00:32:02,690 --> 00:32:00,779

this much smaller site that's very kind

851  
00:32:03,769 --> 00:32:02,700  
of UFO friendly they do a lot of UFO

852  
00:32:06,710 --> 00:32:03,779  
stories

853  
00:32:09,350 --> 00:32:06,720  
and uh and they published it probably

854  
00:32:11,630 --> 00:32:09,360  
did some fact checking but I mean we

855  
00:32:14,570 --> 00:32:11,640  
know that his credentials are good but

856  
00:32:17,149 --> 00:32:14,580  
how much fat chicken can you do

857  
00:32:18,649 --> 00:32:17,159  
in that short amount of time so Leslie

858  
00:32:20,690 --> 00:32:18,659  
keen and Rob bloomathon they wrote the

859  
00:32:22,789 --> 00:32:20,700  
original New York Times story Leslie key

860  
00:32:25,669 --> 00:32:22,799  
and rock Blumenthal are also a big kind

861  
00:32:27,470 --> 00:32:25,679  
of uh UFO people they've uh Leslie Keen

862  
00:32:29,630 --> 00:32:27,480  
has written a lot about UFO she's also

863  
00:32:31,909 --> 00:32:29,640

written books about uh life after death

864

00:32:33,830 --> 00:32:31,919

in the afterlife Rob Blumenthal has

865

00:32:36,649 --> 00:32:33,840

written books about alien abduction he

866

00:32:39,470 --> 00:32:36,659

wrote a biography of John Mack called

867

00:32:42,049 --> 00:32:39,480

The Believer uh which is about how John

868

00:32:43,909 --> 00:32:42,059

Mack thinks he has all this evidence of

869

00:32:45,409 --> 00:32:43,919

alien abductions by interviewing a lot

870

00:32:47,810 --> 00:32:45,419

of people and believing them all they're

871

00:32:48,409 --> 00:32:47,820

up Blumenthal and Leslie Keane

872

00:32:51,470 --> 00:32:48,419

um

873

00:32:53,870 --> 00:32:51,480

I think I can have the more credulous

874

00:32:55,669 --> 00:32:53,880

journalists but they are also fairly

875

00:32:58,490 --> 00:32:55,679

careful journalists to a degree to a

876

00:33:01,010 --> 00:32:58,500

degree in that they don't want to

877

00:33:03,049 --> 00:33:01,020

alienate people and this is something

878

00:33:04,549 --> 00:33:03,059

that uh kind of a poor choice of

879

00:33:06,710 --> 00:33:04,559

Worcester alienate they don't want to

880

00:33:07,970 --> 00:33:06,720

turn people off by having the story seem

881

00:33:09,590 --> 00:33:07,980

too silly

882

00:33:12,889 --> 00:33:09,600

and

883

00:33:16,009 --> 00:33:12,899

Leslie Keane Levy Kane sorry Leslie Kane

884

00:33:18,110 --> 00:33:16,019

uh has said explicitly in a number of

885

00:33:19,310 --> 00:33:18,120

times that there were things in the they

886

00:33:20,269 --> 00:33:19,320

didn't report in the New York Times

887

00:33:23,930 --> 00:33:20,279

story

888

00:33:28,070 --> 00:33:23,940

uh because they were too too extreme

889

00:33:29,149 --> 00:33:28,080

she said of this story that she didn't

890

00:33:30,889 --> 00:33:29,159

talk

891

00:33:33,289 --> 00:33:30,899

about the bodies

892

00:33:34,730 --> 00:33:33,299

with uh with Dave garage you seemed

893

00:33:36,590 --> 00:33:34,740

quite surprised that this eve this even

894

00:33:40,730 --> 00:33:36,600

came up that there were bodies

895

00:33:42,049 --> 00:33:40,740

and so uh when when you know she heard

896

00:33:43,310 --> 00:33:42,059

about it she was says like oh I never

897

00:33:46,130 --> 00:33:43,320

talked to him about that I don't want to

898

00:33:48,289 --> 00:33:46,140

talk about that and I wouldn't have put

899

00:33:51,769 --> 00:33:48,299

it in the story had I had talked about

900

00:33:53,330 --> 00:33:51,779

it so she's like yeah retrieved alien

901  
00:33:54,710 --> 00:33:53,340  
crap that's one thing but retrieved

902  
00:33:56,870 --> 00:33:54,720  
alien bodies that's a step too far

903  
00:33:58,430 --> 00:33:56,880  
that'll just make it seem silly and of

904  
00:34:00,049 --> 00:33:58,440  
course there's far sillier things that

905  
00:34:02,630 --> 00:34:00,059  
have come out since then and I'd be very

906  
00:34:05,990 --> 00:34:02,640  
interesting to hear Leslie Kane's uh

907  
00:34:08,510 --> 00:34:06,000  
opinion on aliens have murdered people

908  
00:34:10,730 --> 00:34:08,520  
what do you think of that Leslie or uh

909  
00:34:12,889 --> 00:34:10,740  
the America has murdered people to cover

910  
00:34:15,230 --> 00:34:12,899  
up the fact that aliens are exist and

911  
00:34:18,530 --> 00:34:15,240  
have been murdering people and this is

912  
00:34:20,570 --> 00:34:18,540  
these massive cover-ups uh some some

913  
00:34:22,669 --> 00:34:20,580

crafts are bigger on the inside than the

914

00:34:23,810 --> 00:34:22,679

outside like the Tardis

915

00:34:26,869 --> 00:34:23,820

um you know things like and there's this

916

00:34:30,470 --> 00:34:26,879

massive campaign of of cover-ups

917

00:34:32,869 --> 00:34:30,480

so you know the

918

00:34:34,909 --> 00:34:32,879

the train to make it palatable but

919

00:34:36,649 --> 00:34:34,919

obviously it's gone beyond that and

920

00:34:38,750 --> 00:34:36,659

other people who are reporting on this

921

00:34:40,430 --> 00:34:38,760

seem similarly cautious they're now like

922

00:34:42,230 --> 00:34:40,440

oh well I'm not saying that he's right

923

00:34:44,389 --> 00:34:42,240

I'm saying he's a very credible person

924

00:34:47,869 --> 00:34:44,399

like Bryce Seibel

925

00:34:49,669 --> 00:34:47,879

uh zabel uh was saying that he and he

926

00:34:51,950 --> 00:34:49,679

was the one who kind of said first that

927

00:34:54,109 --> 00:34:51,960

uh aliens had killed people or there was

928

00:34:55,550 --> 00:34:54,119

a malevolent aliens that's a thing

929

00:34:58,010 --> 00:34:55,560

there's apparently two different races

930

00:35:00,650 --> 00:34:58,020

of aliens one of which is malevolent

931

00:35:03,550 --> 00:35:00,660

which is uh very interesting

932

00:35:05,810 --> 00:35:03,560

uh so other people I and this Ross Colt

933

00:35:07,130 --> 00:35:05,820

yeah he's kind of appreciate is the

934

00:35:08,510 --> 00:35:07,140

investigative journalist who's worked on

935

00:35:10,609 --> 00:35:08,520

60 Minutes

936

00:35:13,490 --> 00:35:10,619

yeah but you know mostly what he does

937

00:35:15,770 --> 00:35:13,500

now is he does stories about UFOs and he

938

00:35:17,690 --> 00:35:15,780

spent months preparing for this

939

00:35:19,609 --> 00:35:17,700

particular story because this is the big

940

00:35:21,770 --> 00:35:19,619

story this is the big story and he knows

941

00:35:23,750 --> 00:35:21,780

it's a big story so this is pretty much

942

00:35:25,550 --> 00:35:23,760

all he's done he's uh he's been

943

00:35:26,990 --> 00:35:25,560

preparing for this story when he's

944

00:35:28,730 --> 00:35:27,000

interviewing

945

00:35:30,470 --> 00:35:28,740

um Dave garage

946

00:35:33,109 --> 00:35:30,480

he's not like he's a hard-hitting

947

00:35:35,150 --> 00:35:33,119

journalist I mean sure he says like are

948

00:35:37,910 --> 00:35:35,160

you crazy Dave gresh have you been

949

00:35:39,589 --> 00:35:37,920

diagnosed with mental illness which is

950

00:35:40,910 --> 00:35:39,599

you know stupid question really you need

951  
00:35:43,010 --> 00:35:40,920  
to be a bit more subtle than that

952  
00:35:45,170 --> 00:35:43,020  
because obviously the answer to that is

953  
00:35:49,550 --> 00:35:45,180  
no

954  
00:35:52,490 --> 00:35:49,560  
anyway so uh Ross Colfer UFO journalist

955  
00:35:54,710 --> 00:35:52,500  
basically pushing the UFO narrative Gary

956  
00:35:57,410 --> 00:35:54,720  
Nolan apparently is behind the scenes

957  
00:35:59,810 --> 00:35:57,420  
I've heard that Gary Nolan is behind the

958  
00:36:01,210 --> 00:35:59,820  
scenes uh helping with this and he's

959  
00:36:05,150 --> 00:36:01,220  
been one of the people who's been

960  
00:36:07,910 --> 00:36:05,160  
introducing uh Ross Dave gross to other

961  
00:36:09,710 --> 00:36:07,920  
people so and and he's you know one of

962  
00:36:11,810 --> 00:36:09,720  
the the fixtures in the UFO circuit

963  
00:36:15,230 --> 00:36:11,820

nowadays he was on

964

00:36:17,510 --> 00:36:15,240

um what's his name Tucker Carlson and

965

00:36:21,170 --> 00:36:17,520

various other shows he's been on is is

966

00:36:23,390 --> 00:36:21,180

he was at the uh the uh the Ancient

967

00:36:25,069 --> 00:36:23,400

Aliens conference alien Con in Pasadena

968

00:36:26,690 --> 00:36:25,079

I saw him there shook his hand seems

969

00:36:28,490 --> 00:36:26,700

like a nice guy

970

00:36:30,770 --> 00:36:28,500

alien believer

971

00:36:32,510 --> 00:36:30,780

he has some kind of alien experience

972

00:36:34,550 --> 00:36:32,520

maybe not aliens maybe just some kind of

973

00:36:35,810 --> 00:36:34,560

altered reality experience as a child

974

00:36:38,630 --> 00:36:35,820

like

975

00:36:40,970 --> 00:36:38,640

aliens in his room uh UFO flying over

976

00:36:43,130 --> 00:36:40,980

but he's a guy who's basically already

977

00:36:45,109 --> 00:36:43,140

decided like 10 years ago that the alien

978

00:36:46,250 --> 00:36:45,119

narrative is correct and has been trying

979

00:36:48,829 --> 00:36:46,260

to

980

00:36:51,109 --> 00:36:48,839

uh promote it in what we call the

981

00:36:53,510 --> 00:36:51,119

invisible College which is this this

982

00:36:55,609 --> 00:36:53,520

group of people acting in Academia and

983

00:36:58,849 --> 00:36:55,619

in in the military in the intelligence

984

00:37:00,890 --> 00:36:58,859

Community to promote uh disclosure of

985

00:37:03,050 --> 00:37:00,900

UFOs because they believe that UFOs are

986

00:37:05,569 --> 00:37:03,060

are aliens uh other people you've

987

00:37:07,790 --> 00:37:05,579

probably heard of Lou Elizondo yeah he

988

00:37:10,370 --> 00:37:07,800

was somebody who was brought forward by

989

00:37:14,630 --> 00:37:10,380

Leslie Kane and Rob Blumenthal during

990

00:37:16,490 --> 00:37:14,640

the the first story back in 2017 uh he

991

00:37:18,650 --> 00:37:16,500

is involved by all accounts behind the

992

00:37:20,750 --> 00:37:18,660

scenes in this this current story I'm

993

00:37:23,510 --> 00:37:20,760

sure he won't deny it if you ask him it

994

00:37:24,890 --> 00:37:23,520

Eric Davis is uh someone who's been

995

00:37:26,870 --> 00:37:24,900

around for a long time

996

00:37:31,670 --> 00:37:26,880

May well be one of the sources he's he's

997

00:37:33,170 --> 00:37:31,680

like a a physicist and he works I don't

998

00:37:34,670 --> 00:37:33,180

know where he works actually I have to I

999

00:37:38,030 --> 00:37:34,680

have to verify that but you know he's

1000

00:37:41,089 --> 00:37:38,040

he's someone who's told similar stories

1001  
00:37:42,530 --> 00:37:41,099  
and apparently his briefed Congress or

1002  
00:37:44,089 --> 00:37:42,540  
you know brief someone who briefed

1003  
00:37:45,710 --> 00:37:44,099  
Congress and said we have technology of

1004  
00:37:47,089 --> 00:37:45,720  
off-world origin this was a story a

1005  
00:37:49,010 --> 00:37:47,099  
while back no one really took it up

1006  
00:37:51,109 --> 00:37:49,020  
because like who is Eric Davis

1007  
00:37:53,030 --> 00:37:51,119  
uh but now we've got yeah the big dogs

1008  
00:37:54,589 --> 00:37:53,040  
we've got Dave Garrosh who has this

1009  
00:37:56,270 --> 00:37:54,599  
title 50 clearance who's much better

1010  
00:37:58,130 --> 00:37:56,280  
than Eric Davis but basically is telling

1011  
00:38:00,470 --> 00:37:58,140  
the same story I mean Eric Davis I'm

1012  
00:38:02,089 --> 00:38:00,480  
sure has been advising

1013  
00:38:04,970 --> 00:38:02,099

Hal putoff

1014

00:38:07,430 --> 00:38:04,980

really old one don't mean it in a bad

1015

00:38:09,670 --> 00:38:07,440

way but uh old school in that goes back

1016

00:38:12,650 --> 00:38:09,680

a long way into the history of ufology

1017

00:38:15,050 --> 00:38:12,660

he did some of the original uh project

1018

00:38:17,150 --> 00:38:15,060

Stargate research for the government

1019

00:38:18,710 --> 00:38:17,160

when the government was believing in in

1020

00:38:20,870 --> 00:38:18,720

the Supernatural and they thought they

1021

00:38:23,810 --> 00:38:20,880

could do remote viewing project Stargate

1022

00:38:25,990 --> 00:38:23,820

they they looked into like you know can

1023

00:38:29,329 --> 00:38:26,000

we spy on the Russians

1024

00:38:31,430 --> 00:38:29,339

uh and uh with using using psychic

1025

00:38:33,230 --> 00:38:31,440

powers and can we kill goats by staring

1026  
00:38:35,150 --> 00:38:33,240  
at them it's a movie Made Men Who Stare

1027  
00:38:38,290 --> 00:38:35,160  
at Goats based on a true story Hal

1028  
00:38:42,230 --> 00:38:38,300  
putoff was there how putoff has been uh

1029  
00:38:44,210 --> 00:38:42,240  
involved over the years on this and he's

1030  
00:38:46,550 --> 00:38:44,220  
involved now he's probably one of the

1031  
00:38:48,170 --> 00:38:46,560  
people that Dave Garcia talks to again

1032  
00:38:50,750 --> 00:38:48,180  
ask him

1033  
00:38:52,910 --> 00:38:50,760  
I doubt he will deny it so these are all

1034  
00:38:56,089 --> 00:38:52,920  
names that have been in ufology for many

1035  
00:38:58,190 --> 00:38:56,099  
years and so for many decades and it

1036  
00:39:02,530 --> 00:38:58,200  
seems to me that they are promoting

1037  
00:39:05,990 --> 00:39:02,540  
their own beliefs rather than genuinely

1038  
00:39:08,630 --> 00:39:06,000

reporting and investigating on a case

1039

00:39:09,890 --> 00:39:08,640

they want to promote UFO disclosure

1040

00:39:12,710 --> 00:39:09,900

because they already believe it to be

1041

00:39:14,329 --> 00:39:12,720

true so they believe Dave garisha's

1042

00:39:16,970 --> 00:39:14,339

story which is part of that whole

1043

00:39:19,609 --> 00:39:16,980

overall systemic and cultural failure

1044

00:39:21,950 --> 00:39:19,619

where people just believe other people

1045

00:39:24,170 --> 00:39:21,960

because it fits their system and there's

1046

00:39:25,550 --> 00:39:24,180

no checks and balances and no one's

1047

00:39:27,349 --> 00:39:25,560

encouraged to actually check it and then

1048

00:39:29,450 --> 00:39:27,359

everything's wrapped in secrecy so we

1049

00:39:32,089 --> 00:39:29,460

can't actually figure it out

1050

00:39:34,790 --> 00:39:32,099

then finally you can see why I couldn't

1051

00:39:36,109 --> 00:39:34,800

fit all this in into the five minutes or

1052

00:39:37,490 --> 00:39:36,119

less that I actually got to speak

1053

00:39:40,190 --> 00:39:37,500

probably even less than that he was more

1054

00:39:41,690 --> 00:39:40,200

like two minutes uh

1055

00:39:43,790 --> 00:39:41,700

I couldn't fit all this in because

1056

00:39:47,089 --> 00:39:43,800

there's so much but my last my last

1057

00:39:49,310 --> 00:39:47,099

point is about the Paranormal

1058

00:39:51,250 --> 00:39:49,320

and Gary Nolan said

1059

00:39:54,230 --> 00:39:51,260

a couple of months ago

1060

00:39:56,930 --> 00:39:54,240

uh we don't want to talk about the woo

1061

00:39:58,970 --> 00:39:56,940

woo is a term used to mean paranormal

1062

00:40:00,829 --> 00:39:58,980

it's actually was originally used by the

1063

00:40:03,109 --> 00:40:00,839

skeptical Community but it's kind of

1064

00:40:04,730 --> 00:40:03,119

been co-opted a little bit by the uh the

1065

00:40:07,010 --> 00:40:04,740

UFO and the Paranormal community and

1066

00:40:11,390 --> 00:40:07,020

they refer to Paranormal as the woo as

1067

00:40:13,490 --> 00:40:11,400

in woo scary ghost but yeah seriously uh

1068

00:40:16,190 --> 00:40:13,500

Gary Nolan says like we don't want to

1069

00:40:18,530 --> 00:40:16,200

talk about the woo because it scares the

1070

00:40:19,670 --> 00:40:18,540

bejesus out of people no one wants to

1071

00:40:23,150 --> 00:40:19,680

know that you know they're actually

1072

00:40:25,609 --> 00:40:23,160

ghosts and uh and malevolent alien

1073

00:40:28,430 --> 00:40:25,619

entities that the government has uh are

1074

00:40:30,470 --> 00:40:28,440

packed with at the expense of U.S lives

1075

00:40:31,910 --> 00:40:30,480

no one wants to know that that type of

1076  
00:40:33,950 --> 00:40:31,920  
real scary stuff they don't want to know

1077  
00:40:35,810 --> 00:40:33,960  
that aliens are you know reading our

1078  
00:40:38,270 --> 00:40:35,820  
minds and that they're appearing in our

1079  
00:40:39,829 --> 00:40:38,280  
rooms and that they're they're attaching

1080  
00:40:41,510 --> 00:40:39,839  
themselves to our bodies and hitchhiking

1081  
00:40:43,310 --> 00:40:41,520  
back from Skinwalker Ranch which is

1082  
00:40:44,750 --> 00:40:43,320  
something that's apparently Travis

1083  
00:40:46,609 --> 00:40:44,760  
Taylor believes

1084  
00:40:47,990 --> 00:40:46,619  
uh

1085  
00:40:50,510 --> 00:40:48,000  
you know he's saying people are scared

1086  
00:40:51,950 --> 00:40:50,520  
of that so let's not mention it let's

1087  
00:40:53,810 --> 00:40:51,960  
not mention it let's not mention the

1088  
00:40:55,250 --> 00:40:53,820

world this is something yeah that Leslie

1089

00:40:56,870 --> 00:40:55,260

Kane will agree with she says I'm not

1090

00:40:58,310 --> 00:40:56,880

going to talk about the Paranormal even

1091

00:40:59,510 --> 00:40:58,320

though I know that it's there Leslie

1092

00:41:02,450 --> 00:40:59,520

Kane

1093

00:41:04,250 --> 00:41:02,460

famously has been to seances and uh has

1094

00:41:06,230 --> 00:41:04,260

been touched by disembodied hands and

1095

00:41:09,230 --> 00:41:06,240

those Sciences seems to give a lot of

1096

00:41:12,470 --> 00:41:09,240

credence to the the reality of of

1097

00:41:13,970 --> 00:41:12,480

mediums summoning something from the

1098

00:41:15,650 --> 00:41:13,980

other side

1099

00:41:18,470 --> 00:41:15,660

the woo

1100

00:41:20,569 --> 00:41:18,480

as Gary Nolan said Gary Nolan said we

1101  
00:41:23,630 --> 00:41:20,579  
don't want to talk about the woo but we

1102  
00:41:24,650 --> 00:41:23,640  
all know the Woo is just around the

1103  
00:41:26,270 --> 00:41:24,660  
corner

1104  
00:41:28,609 --> 00:41:26,280  
that's what he said and kind of how he

1105  
00:41:32,510 --> 00:41:28,619  
said it and interestingly when he said

1106  
00:41:35,210 --> 00:41:32,520  
it he was there with uh a medium

1107  
00:41:37,370 --> 00:41:35,220  
Tyler Henry famous TV medium the medium

1108  
00:41:38,530 --> 00:41:37,380  
to the Stars Tyler Henry very nice young

1109  
00:41:41,510 --> 00:41:38,540  
man

1110  
00:41:44,030 --> 00:41:41,520  
who speaks to the dead and tells people

1111  
00:41:45,470 --> 00:41:44,040  
what the dead tell him about their

1112  
00:41:47,870 --> 00:41:45,480  
stories

1113  
00:41:49,490 --> 00:41:47,880

the Woo is just around the corner in

1114

00:41:54,829 --> 00:41:49,500

ufology

1115

00:41:56,450 --> 00:41:54,839

are not very far away from believing in

1116

00:41:58,670 --> 00:41:56,460

the Paranormal and a lot of them believe

1117

00:42:00,290 --> 00:41:58,680

in the Paranormal Gary Netherland I

1118

00:42:03,290 --> 00:42:00,300

think believes that there is something

1119

00:42:06,530 --> 00:42:03,300

to Tyler Henry's claims of being able to

1120

00:42:08,569 --> 00:42:06,540

speak to the Dead uh or at least do

1121

00:42:10,970 --> 00:42:08,579

something some kind of channeling

1122

00:42:13,310 --> 00:42:10,980

and I think he believes uh kind of what

1123

00:42:16,250 --> 00:42:13,320

his mentor uh Jacques valet believes

1124

00:42:19,130 --> 00:42:16,260

that a lot of this

1125

00:42:20,510 --> 00:42:19,140

alien presence UFOs isn't actually nuts

1126  
00:42:22,310 --> 00:42:20,520  
and bolts aliens from another world

1127  
00:42:25,130 --> 00:42:22,320  
traveling here on spaceships it's

1128  
00:42:27,710 --> 00:42:25,140  
actually some kind of inter-dimensional

1129  
00:42:30,650 --> 00:42:27,720  
being perhaps like a trickster type

1130  
00:42:32,930 --> 00:42:30,660  
person who's faking these UFO incidents

1131  
00:42:35,030 --> 00:42:32,940  
as UFOs so that

1132  
00:42:36,950 --> 00:42:35,040  
they can disguise what they're actually

1133  
00:42:39,530 --> 00:42:36,960  
doing it's a bit vague on the details

1134  
00:42:42,589 --> 00:42:39,540  
but it's it's something like that

1135  
00:42:44,810 --> 00:42:42,599  
so the Woo is all around you know all

1136  
00:42:46,790 --> 00:42:44,820  
these people kind of believe to some

1137  
00:42:48,170 --> 00:42:46,800  
degree or another in the Supernatural

1138  
00:42:51,050 --> 00:42:48,180

and this is something that is being

1139

00:42:54,050 --> 00:42:51,060

being hidden and I think though it kind

1140

00:42:56,329 --> 00:42:54,060

of came a little bit to the surface with

1141

00:42:58,550 --> 00:42:56,339

uh with Dave garesh's talks of things

1142

00:43:00,050 --> 00:42:58,560

like malevolence aliens malevolent

1143

00:43:02,210 --> 00:43:00,060

entities that's the type of thing that

1144

00:43:05,050 --> 00:43:02,220

you talk about you know weird entities

1145

00:43:08,329 --> 00:43:05,060

like doing evil things to you

1146

00:43:12,170 --> 00:43:08,339

uh but yeah it's um

1147

00:43:14,930 --> 00:43:12,180

it's kind of troubling the this these

1148

00:43:17,890 --> 00:43:14,940

beliefs actually exist within some

1149

00:43:22,309 --> 00:43:17,900

people in the intelligence community

1150

00:43:24,170 --> 00:43:22,319

and apparently more than more than one

1151  
00:43:26,210 --> 00:43:24,180  
like several people believe something

1152  
00:43:27,950 --> 00:43:26,220  
along those lines probably to different

1153  
00:43:29,450 --> 00:43:27,960  
degrees some of them simply believe that

1154  
00:43:31,670 --> 00:43:29,460  
there's a crash retrieval program not

1155  
00:43:34,069 --> 00:43:31,680  
everyone's going to be like down with

1156  
00:43:35,270 --> 00:43:34,079  
the aliens are killing people Theory not

1157  
00:43:37,849 --> 00:43:35,280  
everyone's going to be down with his

1158  
00:43:40,370 --> 00:43:37,859  
theories of extra Dimensions or even the

1159  
00:43:41,750 --> 00:43:40,380  
malevolence of certain things but there

1160  
00:43:44,630 --> 00:43:41,760  
are people who believe that there's an

1161  
00:43:46,370 --> 00:43:44,640  
alien crash retrieval program would be

1162  
00:43:49,130 --> 00:43:46,380  
great if it was true I mean I really

1163  
00:43:51,109 --> 00:43:49,140

like to to uh hear about these aliens

1164

00:43:52,550 --> 00:43:51,119

you know I'm very much a science fan of

1165

00:43:54,050 --> 00:43:52,560

the science fiction fan and I'd love to

1166

00:43:55,490 --> 00:43:54,060

hear about aliens it would be really

1167

00:43:57,349 --> 00:43:55,500

really interesting

1168

00:43:59,630 --> 00:43:57,359

I wouldn't care if I was wrong about

1169

00:44:01,609 --> 00:43:59,640

certain UFOs that turn out to be

1170

00:44:02,990 --> 00:44:01,619

actually aliens of course most of the

1171

00:44:04,730 --> 00:44:03,000

things I identified have been

1172

00:44:07,069 --> 00:44:04,740

definitively identified as things like

1173

00:44:09,349 --> 00:44:07,079

planes so it wouldn't really change that

1174

00:44:11,030 --> 00:44:09,359

but it would be amazing if we could

1175

00:44:13,010 --> 00:44:11,040

actually solve certain cases as being

1176

00:44:14,809 --> 00:44:13,020

aliens and then there's the whole thing

1177

00:44:16,010 --> 00:44:14,819

about aliens themselves and all the new

1178

00:44:17,510 --> 00:44:16,020

science that's going to come around be

1179

00:44:19,309 --> 00:44:17,520

pretty amazing probably pretty

1180

00:44:21,470 --> 00:44:19,319

disruptive as well but you know it would

1181

00:44:23,630 --> 00:44:21,480

be really an interesting time to live in

1182

00:44:25,309 --> 00:44:23,640

and you know if they've been here for a

1183

00:44:27,770 --> 00:44:25,319

while so they haven't uh haven't

1184

00:44:29,690 --> 00:44:27,780

disrupted us yet but it would be super

1185

00:44:31,849 --> 00:44:29,700

interesting I'm not against him I think

1186

00:44:33,890 --> 00:44:31,859

uh Congress should investigate not

1187

00:44:37,250 --> 00:44:33,900

because I think there are aliens but

1188

00:44:40,790 --> 00:44:37,260

because uh this is kind of messed up

1189

00:44:42,290 --> 00:44:40,800

this situation that we have now these

1190

00:44:44,089 --> 00:44:42,300

claims that are being made and these

1191

00:44:46,010 --> 00:44:44,099

back and forth things and congressmen

1192

00:44:48,530 --> 00:44:46,020

being a congress people being involved

1193

00:44:50,750 --> 00:44:48,540

and hearings being held

1194

00:44:54,170 --> 00:44:50,760

it's kind of messed up dig deep figure

1195

00:44:55,910 --> 00:44:54,180

out what's going on and uh let's bring

1196

00:44:58,730 --> 00:44:55,920

everything out into the sunlight as much

1197

00:45:01,190 --> 00:44:58,740

as possible and try to clear it up

1198

00:45:02,930 --> 00:45:01,200

you know unfortunately though I think

1199

00:45:04,930 --> 00:45:02,940

what we're looking at probably is a

1200

00:45:07,550 --> 00:45:04,940

classified program called the program

1201

00:45:09,589 --> 00:45:07,560

which does stuff like crash retrievals

1202

00:45:10,430 --> 00:45:09,599

and has recovered Russian submarines and

1203

00:45:15,530 --> 00:45:10,440

uh

1204

00:45:17,050 --> 00:45:15,540

it was a joint program between Canada

1205

00:45:19,790 --> 00:45:17,060

and the United States

1206

00:45:21,290 --> 00:45:19,800

which which you know they recovered bits

1207

00:45:22,970 --> 00:45:21,300

of that satellite and took it to be

1208

00:45:24,829 --> 00:45:22,980

analyzed it's probably some people who

1209

00:45:26,870 --> 00:45:24,839

work on those programs who think that it

1210

00:45:29,270 --> 00:45:26,880

was a a UFO because they didn't know

1211

00:45:31,550 --> 00:45:29,280

exactly what they were working on

1212

00:45:33,109 --> 00:45:31,560

so we may not actually discover the

1213

00:45:35,390 --> 00:45:33,119

truth hopefully Congress will and

1214

00:45:38,150 --> 00:45:35,400

hopefully Congress will be able to tell

1215

00:45:40,750 --> 00:45:38,160

us you know what the situation is in

1216

00:45:42,950 --> 00:45:40,760

terms of you know this being not aliens

1217

00:45:44,690 --> 00:45:42,960

uh but people are not going to believe

1218

00:45:47,270 --> 00:45:44,700

them people are going to say it's a

1219

00:45:49,670 --> 00:45:47,280

cover-up and the cycle will just

1220

00:45:51,829 --> 00:45:49,680

continue anyway those are the points

1221

00:45:53,450 --> 00:45:51,839

that took me let me see how long uh 45

1222

00:45:56,349 --> 00:45:53,460

minutes

1223

00:45:59,210 --> 00:45:56,359

to actually go over in in great detail

1224

00:46:00,710 --> 00:45:59,220

and uh I just had a few minutes on the

1225

00:46:02,690 --> 00:46:00,720

show and so I didn't really have the

1226

00:46:04,730 --> 00:46:02,700

time to do it

1227

00:46:07,609 --> 00:46:04,740

um love to talk more about it anybody

1228

00:46:10,190 --> 00:46:07,619

wants to delve into these details and

1229

00:46:11,870 --> 00:46:10,200

any more depth anything that I've missed

1230

00:46:13,670 --> 00:46:11,880

and there probably is stuff the stuff

1231

00:46:17,210 --> 00:46:13,680

that came up during the interviews

1232

00:46:19,809 --> 00:46:17,220

anything I've missed uh I'd love to talk

1233

00:46:22,730 --> 00:46:19,819

more about it it's a fascinating topic

1234

00:46:26,750 --> 00:46:22,740

and it's not going away
