

1
00:00:38,180 --> 00:00:35,840
and we're here in Phoenix Arizona and

2
00:00:40,009 --> 00:00:38,190
we're going to be interviewing this

3
00:00:43,009 --> 00:00:40,019
afternoon or this evening I should say

4
00:00:46,340 --> 00:00:43,019
when my old time buddies where New York

5
00:00:49,030 --> 00:00:46,350
pals were from the same hood Antonia who

6
00:00:54,010 --> 00:00:49,040
næss who just recently made the

7
00:00:56,840 --> 00:00:54,020
transition from Manhattan to Arizona and

8
00:00:58,670 --> 00:00:56,850
I'm sure it was a physical feat to what

9
00:01:00,049 --> 00:00:58,680
to get here and a difference in

10
00:01:03,830 --> 00:01:00,059
temperature is he'll find out this

11
00:01:06,200 --> 00:01:03,840
summer when the thermometer hits well

12
00:01:07,580 --> 00:01:06,210
over a hundred San Antonio I haven't

13
00:01:10,100 --> 00:01:07,590

seen you now in a couple years at least

14

00:01:12,020 --> 00:01:10,110

right yeah I let the less report that we

15

00:01:13,940 --> 00:01:12,030

have of you you were headed back to

16

00:01:14,240 --> 00:01:13,950

Chile but I guess you never quite made

17

00:01:16,249 --> 00:01:14,250

it

18

00:01:18,350 --> 00:01:16,259

all right everybody yeah and what are

19

00:01:19,639 --> 00:01:18,360

you done shall we've been doing in that

20

00:01:22,010 --> 00:01:19,649

in those few years that I haven't seen

21

00:01:24,380 --> 00:01:22,020

you use the right for UFO universe and

22

00:01:26,480 --> 00:01:24,390

you were very very active in the UFO

23

00:01:28,039 --> 00:01:26,490

field and they kind of dropped out for

24

00:01:31,609 --> 00:01:28,049

at least a little while but now you're

25

00:01:33,710 --> 00:01:31,619

reimbursing like the Phoenix yeah that's

26
00:01:36,620 --> 00:01:33,720
exactly what happened yeah you know I

27
00:01:38,929 --> 00:01:36,630
was very active in the nineties and I

28
00:01:40,850 --> 00:01:38,939
was writing for your publications and

29
00:01:45,530 --> 00:01:40,860
faith I used to do the UFO column in

30
00:01:47,899 --> 00:01:45,540
faith magazine and then came in this I

31
00:01:53,209 --> 00:01:47,909
guess is appropriate for a conspiracy

32
00:01:55,429 --> 00:01:53,219
Journal then something called 911 and it

33
00:01:57,050 --> 00:01:55,439
completely kind of killed the UFO fields

34
00:02:00,620 --> 00:01:57,060
I mean economically yeah we're trying to

35
00:02:02,719 --> 00:02:00,630
make a living and I also I had been

36
00:02:04,789 --> 00:02:02,729
there so long that I kind of needed a

37
00:02:06,440 --> 00:02:04,799
break and if I couldn't make money even

38
00:02:08,810 --> 00:02:06,450

though I never made it almost any money

39
00:02:11,180 --> 00:02:08,820
anyway ask you know you know you want to

40
00:02:13,130 --> 00:02:11,190
get rich don't go on to you yeah no no

41
00:02:14,930 --> 00:02:13,140
but never not what he did ten top

42
00:02:16,640 --> 00:02:14,940
occupations they don't have that not

43
00:02:18,800 --> 00:02:16,650
Magnus counselor doesn't know the

44
00:02:20,059 --> 00:02:18,810
becoming ufologist or a writer probably

45
00:02:22,069 --> 00:02:20,069
right

46
00:02:24,259 --> 00:02:22,079
nevertheless I could pay rent or

47
00:02:26,780 --> 00:02:24,269
something and he justified it but then I

48
00:02:28,729 --> 00:02:26,790
couldn't so I kind of dropped out I

49
00:02:31,970 --> 00:02:28,739
needed a break

50
00:02:34,789 --> 00:02:31,980
I did some other things but and I

51
00:02:36,589 --> 00:02:34,799
actually I moved out of New York not

52
00:02:38,899 --> 00:02:36,599
immediately to Phoenix but I was in

53
00:02:41,920 --> 00:02:38,909
Northern Virginia for about three years

54
00:02:44,630 --> 00:02:41,930
I was going to go to Chile but somehow

55
00:02:45,349 --> 00:02:44,640
King things kept happening and I never

56
00:02:48,140 --> 00:02:45,359
made it

57
00:02:53,089 --> 00:02:48,150
I did go to South America for one kind

58
00:02:54,679 --> 00:02:53,099
of long extended trip in 2006 but I was

59
00:02:57,170 --> 00:02:54,689
in Ecuador I have a sister - her

60
00:02:59,659 --> 00:02:57,180
handsome family inequity and then I came

61
00:03:02,479 --> 00:02:59,669
back to New York and again other things

62
00:03:07,360 --> 00:03:02,489
happen and I sort of never made it I was

63
00:03:09,530 --> 00:03:07,370

kind of big for my time you know for our

64

00:03:12,740 --> 00:03:09,540

folks out there who are not familiar

65

00:03:15,679 --> 00:03:12,750

with your background outside of Corrales

66

00:03:19,520 --> 00:03:15,689

you probably have written more maybe

67

00:03:21,920 --> 00:03:19,530

more than he has even on UFO incidents

68

00:03:25,610 --> 00:03:21,930

and encounters and strange happenings

69

00:03:26,930 --> 00:03:25,620

throughout the South America yeah not

70

00:03:29,210 --> 00:03:26,940

just Chile although you're certainly

71

00:03:32,000 --> 00:03:29,220

written about that as as well and you've

72

00:03:33,409 --> 00:03:32,010

lectured by understand in a few South

73

00:03:36,170 --> 00:03:33,419

American countries oh yeah

74

00:03:38,300 --> 00:03:36,180

well I was just recently in Mexico City

75

00:03:41,030 --> 00:03:38,310

and they think you're for summit there

76
00:03:43,210 --> 00:03:41,040
that kinda my son they're sponsored and

77
00:03:47,300 --> 00:03:43,220
yeah I've lectured in Argentina Brazil

78
00:03:50,360 --> 00:03:47,310
Chile of course many times and a few

79
00:03:51,979 --> 00:03:50,370
other places and but of course I see

80
00:03:53,449 --> 00:03:51,989
yourself whenever you publish one of my

81
00:03:55,879 --> 00:03:53,459
books about your father right

82
00:03:58,250 --> 00:03:55,889
yes your yeah you're gonna hear you're a

83
00:04:00,110 --> 00:03:58,260
globalist you say you're glad I strike

84
00:04:02,449 --> 00:04:00,120
it's not very kind in and it kind of

85
00:04:04,159 --> 00:04:02,459
expanded into the different parts of the

86
00:04:05,809 --> 00:04:04,169
world I did a lot of business with the

87
00:04:09,649 --> 00:04:05,819
Japanese one time

88
00:04:11,959 --> 00:04:09,659

90s by to run back to what you asked me

89

00:04:13,729 --> 00:04:11,969

in the beginning so then eventually what

90

00:04:16,069 --> 00:04:13,739

happened is like I said I was kind of

91

00:04:19,460 --> 00:04:16,079

making a living but not really doing

92

00:04:22,430 --> 00:04:19,470

much and then I heard that there was a

93

00:04:24,200 --> 00:04:22,440

new company in Phoenix or in Tempe after

94

00:04:27,350 --> 00:04:24,210

we but in the Phoenix area called open

95

00:04:29,629 --> 00:04:27,360

minds production and that they had this

96

00:04:31,580 --> 00:04:29,639

they were hiring people journalists who

97

00:04:34,060 --> 00:04:31,590

had an international background in UFOs

98

00:04:36,680 --> 00:04:34,070

I mean if I had in my wildest dreams

99

00:04:37,310 --> 00:04:36,690

come up with the fantasy job that would

100

00:04:39,560 --> 00:04:37,320

not happen

101
00:04:41,089 --> 00:04:39,570
yeah that was it you know you you had

102
00:04:44,060 --> 00:04:41,099
also worked for it was it Laurance

103
00:04:47,330 --> 00:04:44,070
Rockefeller yeah indirectly what I did

104
00:04:49,550 --> 00:04:47,340
is I in fact I send John Rael which is

105
00:04:52,219 --> 00:04:49,560
my own boss I'd opened mine I did send

106
00:04:53,870 --> 00:04:52,229
him a copy yeah I was a co-author of the

107
00:04:55,510 --> 00:04:53,880
unifor briefing document that was

108
00:04:58,189 --> 00:04:55,520
probably one of my most famous

109
00:05:00,560 --> 00:04:58,199
production until maybe now offered

110
00:05:04,490 --> 00:05:00,570
maximum overshadow but for many years

111
00:05:07,249 --> 00:05:04,500
and I worked there with Mary Galvez who

112
00:05:09,950 --> 00:05:07,259
was the wife of their American

113
00:05:11,330 --> 00:05:09,960

ambassador to Paris during the Ronald

114

00:05:13,159 --> 00:05:11,340

Reagan so she was not your

115

00:05:15,290 --> 00:05:13,169

run-of-the-mill morphologist she was

116

00:05:17,060 --> 00:05:15,300

very well-connected and in fact the

117

00:05:19,689 --> 00:05:17,070

other lady who was a very close friend

118

00:05:22,939 --> 00:05:19,699

of mine who recently unfortunately

119

00:05:25,700 --> 00:05:22,949

passed away sadly right they probably

120

00:05:27,110 --> 00:05:25,710

heard of her and BSW foundation what a

121

00:05:29,719 --> 00:05:27,120

wonderful person she was a friend of

122

00:05:31,700 --> 00:05:29,729

John Key yes yes Ingo Swann and all that

123

00:05:34,730 --> 00:05:31,710

she'll to live in New York and these

124

00:05:37,939 --> 00:05:34,740

ladies contact me in the 90s when I was

125

00:05:40,610 --> 00:05:37,949

working for the Japanese with our friend

126
00:05:42,620 --> 00:05:40,620
Masahiro kaha to another IV VA you know

127
00:05:43,879 --> 00:05:42,630
the brainwave machine was a Japanese

128
00:05:48,140 --> 00:05:43,889
American Pathologists

129
00:05:50,330 --> 00:05:48,150
and psychic investigator so I ended up

130
00:05:50,779 --> 00:05:50,340
actually being the course or for that

131
00:05:53,350 --> 00:05:50,789
report

132
00:05:56,540 --> 00:05:53,360
Don Berliner had written the original

133
00:05:58,339 --> 00:05:56,550
manuscript but he polished high polished

134
00:06:00,230 --> 00:05:58,349
it and I added a lot of international

135
00:06:03,020 --> 00:06:00,240
thing because well he had some

136
00:06:05,120 --> 00:06:03,030
international things but in refresh of

137
00:06:07,070 --> 00:06:05,130
Spanish or Portuguese yeah so he was

138
00:06:09,230 --> 00:06:07,080

basing it on second or third hand source

139

00:06:11,140 --> 00:06:09,240

and I know we have originals recently

140

00:06:14,800 --> 00:06:11,150

already emerged because the Hillary

141

00:06:17,370 --> 00:06:14,810

the Hillary Clinton courses now of the

142

00:06:19,719 --> 00:06:17,380

Secretary of State right was a

143

00:06:21,939 --> 00:06:19,729

photograph to carry walking with

144

00:06:24,400 --> 00:06:21,949

Laurance Rockefeller and carrying out

145

00:06:27,670 --> 00:06:24,410

the this year or some other volume what

146

00:06:29,379 --> 00:06:27,680

she's carrying out for years originally

147

00:06:31,540 --> 00:06:29,389

these photos were released by the

148

00:06:34,030 --> 00:06:31,550

Clinton Presidential Library but I think

149

00:06:37,180 --> 00:06:34,040

the first copies were there was a

150

00:06:39,640 --> 00:06:37,190

resolution was low or small so you could

151

00:06:42,520 --> 00:06:39,650

see the at that time the first lady

152

00:06:44,320 --> 00:06:42,530

walking on a wooded path with with that

153

00:06:45,969 --> 00:06:44,330

Laurance Rockefeller and she was

154

00:06:48,430 --> 00:06:45,979

obviously carrying a book but it's

155

00:06:50,350 --> 00:06:48,440

upside down on the back so the

156

00:06:52,029 --> 00:06:50,360

resolution was too low you used to be a

157

00:06:54,070 --> 00:06:52,039

game with people that's the best at

158

00:06:59,320 --> 00:06:54,080

whatever I do discover which book it is

159

00:07:02,050 --> 00:06:59,330

my issue or gonna buy yeah finally what

160

00:07:03,939 --> 00:07:02,060

happened is this guy I forget his name

161

00:07:06,189 --> 00:07:03,949

right now but he's connected to open

162

00:07:08,260 --> 00:07:06,199

minds yes forum would you not connected

163

00:07:10,000 --> 00:07:08,270

to us right although people mistaken it

164

00:07:11,680 --> 00:07:10,010

because of the name he's the one that

165

00:07:13,750 --> 00:07:11,690

finally discovered it but then he was

166

00:07:17,320 --> 00:07:13,760

through our website during publicizes

167

00:07:20,020 --> 00:07:17,330

that in fact the book that hillary was

168

00:07:22,510 --> 00:07:20,030

carrying was it's there I think it's

169

00:07:23,860 --> 00:07:22,520

called is there intelligent life or

170

00:07:25,480 --> 00:07:23,870

something like that it's by a famous

171

00:07:28,060 --> 00:07:25,490

physicist called potatoes

172

00:07:31,379 --> 00:07:28,070

that's because she's a or friend I'm not

173

00:07:33,850 --> 00:07:31,389

your relations - yeah he was these guys

174

00:07:36,490 --> 00:07:33,860

top of the line you know in fact he's a

175

00:07:38,589 --> 00:07:36,500

professor at ASU Arizona State

176
00:07:41,050 --> 00:07:38,599
University in Tempe even though he was

177
00:07:42,850 --> 00:07:41,060
originally Australian training long an

178
00:07:44,290 --> 00:07:42,860
interview yeah so we actually

179
00:07:50,290 --> 00:07:44,300
interviewed him for the radio already

180
00:07:52,480 --> 00:07:50,300
and the country rock guitar uh he did he

181
00:07:54,310 --> 00:07:52,490
was recently at that conference that got

182
00:07:56,620 --> 00:07:54,320
a lot of publicity in the Vatican they

183
00:07:59,230 --> 00:07:56,630
after by all can't study week he was one

184
00:08:01,750 --> 00:07:59,240
of the top scientists there but oddly

185
00:08:03,310 --> 00:08:01,760
enough though he recently got a lot of

186
00:08:05,650 --> 00:08:03,320
publicity because even though he's in

187
00:08:07,930 --> 00:08:05,660
cloning mainstream scientists but he was

188
00:08:09,790 --> 00:08:07,940

criticizing setting for the I guess

189

00:08:11,170 --> 00:08:09,800

Urlacher was also whatever so he's a

190

00:08:13,600 --> 00:08:11,180

little different like it's a little bit

191

00:08:15,360 --> 00:08:13,610

more independent also I understand that

192

00:08:18,150 --> 00:08:15,370

in this book which is the one

193

00:08:19,860 --> 00:08:18,160

even is coming we cannot prove 100% this

194

00:08:21,900 --> 00:08:19,870

but we're pretty sure that what happened

195

00:08:25,560 --> 00:08:21,910

is that Rockefeller gave her the book

196

00:08:27,570 --> 00:08:25,570

yes what she's carrying oh yeah it's the

197

00:08:30,000 --> 00:08:27,580

type of book if you knew Rockefeller

198

00:08:32,820 --> 00:08:30,010

yeah yeah I started watching philosophic

199

00:08:35,279 --> 00:08:32,830

yeah I managed to money that entire know

200

00:08:37,920 --> 00:08:35,289

perfect gift for her we don't know yet

201

00:08:39,719 --> 00:08:37,930

right or not whatever also it wants to

202

00:08:43,290 --> 00:08:39,729

read a good contact e-book at you give

203

00:08:44,970 --> 00:08:43,300

her some glass at that time he was

204

00:08:46,380 --> 00:08:44,980

invested in awesome yes I would that be

205

00:08:47,940 --> 00:08:46,390

normal for Rockefeller to give her

206

00:08:51,630 --> 00:08:47,950

another book

207

00:08:53,579 --> 00:08:51,640

did he comment on it no no he never did

208

00:08:56,010 --> 00:08:53,589

comment on it he was very reserved

209

00:08:58,560 --> 00:08:56,020

the only time he even wrote something on

210

00:09:00,480 --> 00:08:58,570

Rio Falls I mean of course the files are

211

00:09:03,329 --> 00:09:00,490

available now at the Clinton White House

212

00:09:05,910 --> 00:09:03,339

and Greg Cambron asked them is where so

213

00:09:08,370 --> 00:09:05,920

Steve Bassett so now we can document all

214

00:09:11,820 --> 00:09:08,380

the steps of the Rockefeller initiative

215

00:09:13,350 --> 00:09:11,830

it is kind of great you know

216

00:09:15,060 --> 00:09:13,360

satisfaction for me that actually my

217

00:09:17,460 --> 00:09:15,070

name does appear in those White House

218

00:09:19,140 --> 00:09:17,470

government indirectly i if they keep

219

00:09:22,530 --> 00:09:19,150

mentioning Marika operates because she's

220

00:09:25,290 --> 00:09:22,540

you know the socialites but if they

221

00:09:27,420 --> 00:09:25,300

included the the title page of our book

222

00:09:30,600 --> 00:09:27,430

and there is my name you know so I'm on

223

00:09:35,160 --> 00:09:30,610

I'm an official White House fights for

224

00:09:37,829 --> 00:09:35,170

whatever well okay so you're a globalist

225

00:09:40,949 --> 00:09:37,839

as far as the UFOs go what would you say

226

00:09:43,740 --> 00:09:40,959

is the the main difference of Fetty

227

00:09:45,600 --> 00:09:43,750

between the activity let's say let's

228

00:09:47,250 --> 00:09:45,610

start out first with South American that

229

00:09:47,820 --> 00:09:47,260

here in in North America is there a

230

00:09:49,769 --> 00:09:47,830

difference

231

00:09:52,079 --> 00:09:49,779

well the sightings the creature no I

232

00:09:54,360 --> 00:09:52,089

would say that the general patterns of

233

00:09:56,760 --> 00:09:54,370

the UFO phenomenon are actually quite

234

00:09:58,350 --> 00:09:56,770

similar although they are slightly

235

00:10:01,320 --> 00:09:58,360

differences but they're quite similar

236

00:10:03,449 --> 00:10:01,330

regardless was China or South America or

237

00:10:08,519 --> 00:10:03,459

Russia whatever where the difference is

238

00:10:10,890 --> 00:10:08,529

sometimes you know Rose is in the sort

239

00:10:12,870 --> 00:10:10,900

of the sociological impact that this

240

00:10:15,030 --> 00:10:12,880

phenomenon has on the culture on the

241

00:10:17,610 --> 00:10:15,040

local culture so in some countries like

242

00:10:20,519 --> 00:10:17,620

in an American countries the media for

243

00:10:21,150 --> 00:10:20,529

instance is very kind of UFOs are not a

244

00:10:23,100 --> 00:10:21,160

big deal

245

00:10:25,020 --> 00:10:23,110

immediately your folks happen over a big

246

00:10:26,790 --> 00:10:25,030

city ll be front-page

247

00:10:28,440 --> 00:10:26,800

newspapers a lot P Realty deal

248

00:10:32,100 --> 00:10:28,450

something's it's not something that is

249

00:10:34,740 --> 00:10:32,110

harsh so those kinds of difference do

250

00:10:38,010 --> 00:10:34,750

exist but the phenomenon itself I've

251
00:10:39,990 --> 00:10:38,020
seen its pinnacle systems except in the

252
00:10:41,790 --> 00:10:40,000
way it's treated so sometimes there are

253
00:10:42,960 --> 00:10:41,800
differences in the works period but it

254
00:10:44,550 --> 00:10:42,970
seems to me one of the things that

255
00:10:46,560 --> 00:10:44,560
convinced me when I got started with

256
00:10:54,750 --> 00:10:46,570
this on this phenomenon which was over

257
00:10:56,850 --> 00:10:54,760
30 years now is that yes even you ran in

258
00:10:59,160 --> 00:10:56,860
places that have Islamic people there of

259
00:11:01,590 --> 00:10:59,170
course in fact I read they took one of

260
00:11:03,300 --> 00:11:01,600
my put my book out mj-12 believe it or

261
00:11:06,030 --> 00:11:03,310
not and I were a great team but you

262
00:11:07,920 --> 00:11:06,040
worked out there is an iranian dish yes

263
00:11:10,470 --> 00:11:07,930

well I'm sure the fellow is done and now

264

00:11:12,330 --> 00:11:10,480

you know some Iranian prison and writers

265

00:11:14,820 --> 00:11:12,340

here's the mother's before the the

266

00:11:16,680 --> 00:11:14,830

overthrow yeah yeah yeah but well

267

00:11:18,570 --> 00:11:16,690

actually for the Islamic countries oddly

268

00:11:20,400 --> 00:11:18,580

enough they got less problems with the

269

00:11:24,030 --> 00:11:20,410

phenomenon that say even the Christian

270

00:11:25,890 --> 00:11:24,040

cultures because in the Islam they have

271

00:11:28,520 --> 00:11:25,900

a thing which is part of their culture

272

00:11:33,450 --> 00:11:28,530

and their religion called the the ginger

273

00:11:35,720 --> 00:11:33,460

in these are like fixers yeah yeah they

274

00:11:39,090 --> 00:11:35,730

actually abduct people and they

275

00:11:41,550 --> 00:11:39,100

teletransport do things like you walk up

276

00:11:44,340 --> 00:11:41,560

and still so whenever you have a in

277

00:11:46,590 --> 00:11:44,350

Islamic guy from I mean researcher in

278

00:11:48,390 --> 00:11:46,600

Islamic country immediately he makes a

279

00:11:50,120 --> 00:11:48,400

relationship okay this is not so

280

00:11:53,130 --> 00:11:50,130

different from what's in the Quran right

281

00:11:55,050 --> 00:11:53,140

so again you know we've got different

282

00:11:56,610 --> 00:11:55,060

different treatments but going back to

283

00:11:59,730 --> 00:11:56,620

the original question so what happened

284

00:12:03,420 --> 00:11:59,740

is basically I got hired by this company

285

00:12:05,250 --> 00:12:03,430

open minds and I it was like I said like

286

00:12:07,830 --> 00:12:05,260

a fantasy job I mean a real salary

287

00:12:10,290 --> 00:12:07,840

working as a real journalist like if you

288

00:12:13,140 --> 00:12:10,300

weren't working for CNN or whatever but

289

00:12:16,320 --> 00:12:13,150

doing UFOs full-time with you know

290

00:12:18,210 --> 00:12:16,330

guarantee salary medical benefits it

291

00:12:24,090 --> 00:12:18,220

works you know even if an alien

292

00:12:24,580 --> 00:12:24,100

abduction so I I sent him a big resume a

293

00:12:27,070 --> 00:12:24,590

include

294

00:12:29,800 --> 00:12:27,080

the briefing documents I had to fly for

295

00:12:31,720 --> 00:12:29,810

a job interview because that one

296

00:12:33,790 --> 00:12:31,730

condition is I had to move to Arizona

297

00:12:36,400 --> 00:12:33,800

yeah and of course I had never lived in

298

00:12:38,410 --> 00:12:36,410

the West I have been visiting many I saw

299

00:12:40,360 --> 00:12:38,420

you come on boots all the way over yeah

300

00:12:42,340 --> 00:12:40,370

well it was for your conference the

301

00:12:44,500 --> 00:12:42,350

first time I ever came to Phoenix

302

00:12:47,380 --> 00:12:44,510

yes it's finally funny how things kind

303

00:12:49,390 --> 00:12:47,390

of my life because Phoenix was the first

304

00:12:51,280 --> 00:12:49,400

city in the West that I ever came and

305

00:12:53,020 --> 00:12:51,290

now I'm living here then I went to

306

00:12:54,640 --> 00:12:53,030

California and New Mexico whatever

307

00:12:56,560 --> 00:12:54,650

better making the inflectional you've

308

00:13:01,420 --> 00:12:56,570

lectured all over the world well yeah

309

00:13:02,620 --> 00:13:01,430

Japan Europe South America so okay let's

310

00:13:06,070 --> 00:13:02,630

just take a couple of countries at

311

00:13:09,460 --> 00:13:06,080

random Chile give us like two or three

312

00:13:11,710 --> 00:13:09,470

incidents if you can recall finer detail

313

00:13:16,600 --> 00:13:11,720

well I mean of course there's the you

314

00:13:18,130 --> 00:13:16,610

know they're still yeah yeah now it's an

315

00:13:23,920 --> 00:13:18,140

interesting case that happened in

316

00:13:25,900 --> 00:13:23,930

nineteen I think it was 1985 yeah I mean

317

00:13:27,790 --> 00:13:25,910

people later became familiar with you

318

00:13:29,320 --> 00:13:27,800

know the Phoenix lights if anything is

319

00:13:30,610 --> 00:13:29,330

similar to the Phoenix lights except

320

00:13:32,230 --> 00:13:30,620

there was more footage of the Phoenix

321

00:13:34,990 --> 00:13:32,240

lights but there was some footage of

322

00:13:37,210 --> 00:13:35,000

this one too in an estimated at the time

323

00:13:40,540 --> 00:13:37,220

that about two million people saw these

324

00:13:46,000 --> 00:13:40,550

things and it was high noon it was time

325

00:13:47,680 --> 00:13:46,010

to walk to the national TV this was

326

00:13:49,210 --> 00:13:47,690

stated still the days of the military

327

00:13:52,180 --> 00:13:49,220

dictatorship in Chile but it was all

328

00:13:53,830 --> 00:13:52,190

over the media everything and I wasn't

329

00:13:56,110 --> 00:13:53,840

there unfortunately so I didn't see them

330

00:13:57,310 --> 00:13:56,120

but I came shortly after that because at

331

00:13:59,950 --> 00:13:57,320

that time my parents were still alive

332

00:14:03,460 --> 00:13:59,960

and I used to go to Chile usually once a

333

00:14:06,120 --> 00:14:03,470

year and I had a representative in Chile

334

00:14:08,290 --> 00:14:06,130

that would arrange lectures for me and

335

00:14:10,270 --> 00:14:08,300

boy that was one of the most more

336

00:14:12,610 --> 00:14:10,280

successful days for me but in part it

337

00:14:15,040 --> 00:14:12,620

was because of this incident that place

338

00:14:17,560 --> 00:14:15,050

we hired a room in a hotel in downtown

339

00:14:19,390 --> 00:14:17,570

Santiago we did we did it right this guy

340

00:14:20,340 --> 00:14:19,400

knew PR we went to every radio station

341

00:14:23,470 --> 00:14:20,350

news

342

00:14:26,080 --> 00:14:23,480

press releases everything the room was

343

00:14:29,380 --> 00:14:26,090

for 300 people we could get additional

344

00:14:32,530 --> 00:14:29,390

chairs for 200 more people we had 750

345

00:14:34,570 --> 00:14:32,540

and we have to turn people away and we

346

00:14:36,850 --> 00:14:34,580

have to create a second appearance or

347

00:14:39,760 --> 00:14:36,860

another day satisfying in all those

348

00:14:42,130 --> 00:14:39,770

people so imagine the TV cameras were

349

00:14:44,440 --> 00:14:42,140

there it was a big deal it's like well

350

00:14:46,780 --> 00:14:44,450

elected I was lecturing to three months

351

00:14:48,400 --> 00:14:46,790

after this incident and there were no

352

00:14:51,730 --> 00:14:48,410

professional colleges in Chile at the

353

00:14:53,260 --> 00:14:51,740

time there were some contactees or some

354

00:14:54,700 --> 00:14:53,270

people at the government but the

355

00:14:57,400 --> 00:14:54,710

government was not releasing what they

356

00:14:58,930 --> 00:14:57,410

were doing so basically after me yes we

357

00:15:00,910 --> 00:14:58,940

did create and move from Chile and

358

00:15:02,950 --> 00:15:00,920

slowly you know now there's tons of

359

00:15:06,700 --> 00:15:02,960

performances in Chile but back then yes

360

00:15:08,710 --> 00:15:06,710

I'm here I know there are contactees in

361

00:15:10,660 --> 00:15:08,720

Chile yeah although the contactees were

362

00:15:12,460 --> 00:15:10,670

not so much Chilean they were some

363

00:15:15,310 --> 00:15:12,470

contact teaching and of course but there

364

00:15:17,920 --> 00:15:15,320

were mostly more more famous ones like

365

00:15:20,050 --> 00:15:17,930

Stassi all over the place yeah they

366

00:15:23,020 --> 00:15:20,060

would have like franchise yeah whatever

367

00:15:25,030 --> 00:15:23,030

yeah yeah yeah Morris Siragusa Italian

368

00:15:28,090 --> 00:15:25,040

contactee he was made in Latin America

369

00:15:30,160 --> 00:15:28,100

and so on so it was weird whenever there

370

00:15:32,440 --> 00:15:30,170

was a famous incident that same pain

371

00:15:34,090 --> 00:15:32,450

waters or something the media didn't

372

00:15:34,930 --> 00:15:34,100

have anyone to go so they would go to

373

00:15:36,610 --> 00:15:34,940

the contactees

374

00:15:39,490 --> 00:15:36,620

but then that change in the eighties and

375

00:15:42,910 --> 00:15:39,500

then follows the big lucky buck oh I

376

00:15:46,390 --> 00:15:42,920

mean I would say the guy that I know the

377

00:15:49,150 --> 00:15:46,400

best is Roley go for Selena he's a nice

378

00:15:51,040 --> 00:15:49,160

guy but in Chile also has a government

379

00:15:55,120 --> 00:15:51,050

investigation actually it's just one of

380

00:15:57,670 --> 00:15:55,130

the countries yeah yeah they created a

381

00:15:59,590 --> 00:15:57,680

small office connected to the air

382

00:16:02,200 --> 00:15:59,600

traffic control office or the single

383

00:16:04,030 --> 00:16:02,210

aviation it would be likely the FAA had

384

00:16:05,800 --> 00:16:04,040

it you afford apartment they don't call

385

00:16:08,080 --> 00:16:05,810

you for the car and Domino's you know

386

00:16:11,620 --> 00:16:08,090

whatever but basically that's what it is

387

00:16:13,900 --> 00:16:11,630

and they have a retired Air Force

388

00:16:15,760 --> 00:16:13,910

general in charge of that which whom I

389

00:16:17,710 --> 00:16:15,770

know they're quite open if you go to

390

00:16:18,220 --> 00:16:17,720

Chile or anyone follows eastern coast of

391

00:16:20,680 --> 00:16:18,230

Chile

392

00:16:25,870 --> 00:16:20,690

usually they back it to lunch and I owe

393

00:16:27,759 --> 00:16:25,880

ya big budget don't have much

394

00:16:29,559 --> 00:16:27,769

yeah I guess they have I also any of

395

00:16:31,600 --> 00:16:29,569

these it would like England what was

396

00:16:33,460 --> 00:16:31,610

their budget okay I mean it was

397

00:16:34,870 --> 00:16:33,470

ridiculous with the a Modi croc elasaur

398

00:16:37,329 --> 00:16:34,880

investigation they said they were doing

399

00:16:39,040 --> 00:16:37,339

it for money and then but it was like 70

400

00:16:40,540 --> 00:16:39,050

thousand yeah yeah yeah I mean for a

401

00:16:42,129 --> 00:16:40,550

minute for the fence of the Western

402

00:16:44,559 --> 00:16:42,139

conduct is probably making more money

403

00:16:47,379 --> 00:16:44,569

now than what he worked as yeah so they

404

00:16:49,120 --> 00:16:47,389

didn't cut it from okay Brazil Brazil we

405

00:16:52,449 --> 00:16:49,130

gotta bring a trustee bring the trunk in

406

00:16:54,189 --> 00:16:52,459

I was fortunate haven't been back in the

407

00:16:56,290 --> 00:16:54,199

ceiling well AJ is a friend of a yeah

408

00:16:58,540 --> 00:16:56,300

yeah I even stayed in ages house you

409

00:17:00,100 --> 00:16:58,550

know as a matter of fact in age Brazil

410

00:17:03,329 --> 00:17:00,110

is one of the countries with richest

411

00:17:06,340 --> 00:17:03,339

your phone phenomena lots of occupants

412

00:17:08,470 --> 00:17:06,350

productions government documents you

413

00:17:10,750 --> 00:17:08,480

physical evidence physically you were

414

00:17:12,789 --> 00:17:10,760

for tax people that think that you're

415

00:17:14,919 --> 00:17:12,799

for aliens are nice I'm gonna save the

416

00:17:17,199 --> 00:17:14,929

planet maybe some will but I'm

417

00:17:18,909 --> 00:17:17,209

open-minded to anything but in Brazil

418

00:17:21,220 --> 00:17:18,919

you're gonna ignore you we publish this

419

00:17:22,539 --> 00:17:21,230

in you anymore Sweden yes in there you

420

00:17:24,760 --> 00:17:22,549

have this phenomenon called the troopers

421

00:17:27,850 --> 00:17:24,770

not to be confused about covers

422

00:17:30,130 --> 00:17:27,860

different cigar supers are these suckers

423

00:17:32,320 --> 00:17:30,140

basically that's what the word means

424

00:17:34,960 --> 00:17:32,330

yes you know music and there are nasty

425

00:17:38,409 --> 00:17:34,970

things and they attack people in these

426

00:17:40,779 --> 00:17:38,419

remote areas of the Amazon and as Jay

427

00:17:42,669 --> 00:17:40,789

right now has obtained the documents the

428

00:17:44,770 --> 00:17:42,679

Brazilian Air Force created a whole

429

00:17:47,230 --> 00:17:44,780

project cooperation prattle and

430

00:17:49,539 --> 00:17:47,240

operations awesome because there was

431

00:17:51,640 --> 00:17:49,549

panic even the sheriff had run out of

432

00:17:53,770 --> 00:17:51,650

these times so there was no everybody

433

00:17:57,250 --> 00:17:53,780

was freaking out so basically the Air

434

00:18:00,940 --> 00:17:57,260

Force came to Acme help people in to try

435

00:18:03,549 --> 00:18:00,950

to calm the situation by History Channel

436

00:18:06,760 --> 00:18:03,559

they produce special and of course this

437

00:18:08,710 --> 00:18:06,770

course Papa Bob Pratt incorrectly who

438

00:18:09,730 --> 00:18:08,720

had been down to Brazilian dragon I was

439

00:18:12,310 --> 00:18:09,740

like 11 times

440

00:18:14,950 --> 00:18:12,320

yeah the late Bob right but yet it's

441

00:18:17,140 --> 00:18:14,960

eased off easy stuff this was in the 70s

442

00:18:19,270 --> 00:18:17,150

we're still some incidents in the 80s

443

00:18:20,590 --> 00:18:19,280

maybe even in the nineties and of course

444

00:18:23,360 --> 00:18:20,600

the other one that was interested in

445

00:18:25,660 --> 00:18:23,370

this phenomenon Brazil was Valley

446

00:18:28,880 --> 00:18:25,670

rolling down in confrontations and

447

00:18:31,880 --> 00:18:28,890

intentionally this but at that time the

448

00:18:34,160 --> 00:18:31,890

the report was a rumor I mean people

449

00:18:35,870 --> 00:18:34,170

have been sending us this report but it

450

00:18:38,360 --> 00:18:35,880

was no proof now we have to be have the

451

00:18:41,299 --> 00:18:38,370

report and if you go to jail is website

452

00:18:43,340 --> 00:18:41,309

you can download anybody yeah yeah this

453

00:18:46,250 --> 00:18:43,350

will be at our the book disclosure the

454

00:18:47,870 --> 00:18:46,260

shortest even so Brazil that's

455

00:18:51,140 --> 00:18:47,880

fascinating now you want to go on the

456

00:18:53,540 --> 00:18:51,150

countries Russia Russia was which again

457

00:18:55,100 --> 00:18:53,550

we did that book which you publish which

458

00:18:57,830 --> 00:18:55,110

at the time was kind of pioneering

459

00:18:59,660 --> 00:18:57,840

that's right nobody had done it and if

460

00:19:01,280 --> 00:18:59,670

in fact when you when an art book came

461

00:19:07,549 --> 00:19:01,290

out it was still called Islamic dude

462

00:19:11,240 --> 00:19:07,559

that's right but Russia what happened is

463

00:19:13,070 --> 00:19:11,250

when Gorbachev came to power and open up

464

00:19:14,780 --> 00:19:13,080

the controls we knew they weren't your

465

00:19:17,270 --> 00:19:14,790

fault in Russia we where's my mother

466

00:19:18,860 --> 00:19:17,280

yeah there were some you know they there

467

00:19:20,720 --> 00:19:18,870

was a little Digest magazine called

468

00:19:23,480 --> 00:19:20,730

Sputnik booty when I was fifteen years

469

00:19:24,740 --> 00:19:23,490

old they published a letter of mine with

470

00:19:28,910 --> 00:19:24,750

my aunt drive something I got two

471

00:19:30,710 --> 00:19:28,920

letters it could read but no magazine

472

00:19:32,540 --> 00:19:30,720

was ancient astronauts yeah there was

473

00:19:35,330 --> 00:19:32,550

some subculture of it but it was still

474

00:19:36,980 --> 00:19:35,340

pretty repressed and when glaspell's

475

00:19:39,200 --> 00:19:36,990

came you know there that policy of

476
00:19:41,390 --> 00:19:39,210
openness then the Russian media went

477
00:19:43,790 --> 00:19:41,400
crazy with you folks in any word just

478
00:19:45,440 --> 00:19:43,800
ever even the most a newspapers like

479
00:19:50,740 --> 00:19:45,450
Brad though whatever they were all junk

480
00:19:52,910 --> 00:19:50,750
all the rather now or selling yeah yeah

481
00:19:55,190 --> 00:19:52,920
yeah yeah

482
00:19:56,930 --> 00:19:55,200
of course the one case that Guardian

483
00:19:58,760 --> 00:19:56,940
tremendous publicity well it on a few

484
00:20:03,049 --> 00:19:58,770
cases I made front page in the nearest

485
00:20:05,060 --> 00:20:03,059
yes you were I'm yeah boring is that's

486
00:20:05,870 --> 00:20:05,070
right the Warren is close encounter of

487
00:20:07,280 --> 00:20:05,880
the Third Kind

488
00:20:10,400 --> 00:20:07,290

I think Peter Robbins has been putting

489

00:20:12,890 --> 00:20:10,410

together so one of his presentations and

490

00:20:14,380 --> 00:20:12,900

crash retrievals so I think one in Las

491

00:20:18,020 --> 00:20:14,390

Vegas you know so yeah Russia

492

00:20:20,299 --> 00:20:18,030

fascinating cases in by everywhere China

493

00:20:22,730 --> 00:20:20,309

which many years wouldn't know anything

494

00:20:25,299 --> 00:20:22,740

then eventually they opened up to and

495

00:20:28,810 --> 00:20:25,309

now I've met when she Dean professor

496

00:20:31,210 --> 00:20:28,820

he was a very distinguished man this is

497

00:20:33,190 --> 00:20:31,220

the only follow gist that has appeal

498

00:20:39,009 --> 00:20:33,200

both on the front page of the New York

499

00:20:40,659 --> 00:20:39,019

Times and The Wall Street Journal but

500

00:20:42,669 --> 00:20:40,669

he's a very nice guy

501
00:20:44,919 --> 00:20:42,679
his background is very fascinating

502
00:20:47,350 --> 00:20:44,929
because in that reason I could interview

503
00:20:50,169 --> 00:20:47,360
him and talk to him at length he was a

504
00:20:51,820 --> 00:20:50,179
Spanish linguist and he used to be in

505
00:20:54,340 --> 00:20:51,830
actually I have a photo that he gave me

506
00:20:57,430 --> 00:20:54,350
he used to be chairman mao's interpreter

507
00:20:59,289 --> 00:20:57,440
for Spanish oh yeah so if you hadn't say

508
00:21:01,090 --> 00:20:59,299
the president of worldwide visiting

509
00:21:03,039 --> 00:21:01,100
China and there is a picture that he

510
00:21:04,269 --> 00:21:03,049
gave me I think it's the head of the old

511
00:21:06,730 --> 00:21:04,279
wine communist party

512
00:21:09,460 --> 00:21:06,740
yeah can you see Chairman Mao this guy

513
00:21:12,580 --> 00:21:09,470

whatever his name is young son singing

514

00:21:14,289 --> 00:21:12,590

and it was because of that that he was

515

00:21:15,850 --> 00:21:14,299

working for the Chinese Foreign Office

516

00:21:17,619 --> 00:21:15,860

and whatever their propaganda the

517

00:21:19,919 --> 00:21:17,629

magazines and all that in the Spanish

518

00:21:22,239 --> 00:21:19,929

section and he got a book by a

519

00:21:24,879 --> 00:21:22,249

researcher from Spain who passed away

520

00:21:27,009 --> 00:21:24,889

now profile Kaiser it was basically an

521

00:21:28,960 --> 00:21:27,019

ancient astronaut book at the time it

522

00:21:31,509 --> 00:21:28,970

was nothing in China I think I read the

523

00:21:33,279 --> 00:21:31,519

book from cover to cover it instantly

524

00:21:35,710 --> 00:21:33,289

became an expert because nobody knew

525

00:21:36,999 --> 00:21:35,720

anything about UFOs in China so the army

526

00:21:39,279 --> 00:21:37,009

was being invited to lecture

527

00:21:40,960 --> 00:21:39,289

universities and everything and that's

528

00:21:43,210 --> 00:21:40,970

how I mentioned the Chinese put this

529

00:21:45,909 --> 00:21:43,220

thing called the core of China UFO

530

00:21:47,769 --> 00:21:45,919

research organization which is not open

531

00:21:50,080 --> 00:21:47,779

to the real public otherwise it would

532

00:21:51,940 --> 00:21:50,090

have liked it you know yourself you have

533

00:21:53,379 --> 00:21:51,950

to like an engineer yeah

534

00:21:54,789 --> 00:21:53,389

they're still the largest in the world

535

00:21:56,289 --> 00:21:54,799

you know people move on almost things

536

00:22:00,249 --> 00:21:56,299

they are know yeah yeah one of three

537

00:22:03,850 --> 00:22:00,259

thousand other people have 37 is a great

538

00:22:05,919 --> 00:22:03,860

place so again China has lots of cases I

539

00:22:08,350 --> 00:22:05,929

definitely think of a single country

540

00:22:12,190 --> 00:22:08,360

enough that I know you have okay no even

541

00:22:14,440 --> 00:22:12,200

the most well you know about African

542

00:22:16,149 --> 00:22:14,450

country or yeah it sooner or later you

543

00:22:17,379 --> 00:22:16,159

hear when for instance equity there's

544

00:22:20,470 --> 00:22:17,389

some countries that for some reason

545

00:22:22,389 --> 00:22:20,480

don't have a UFO subculture meaning they

546

00:22:24,159 --> 00:22:22,399

don't have magazines they don't have you

547

00:22:25,789 --> 00:22:24,169

know forget his angels and cutters for

548

00:22:28,159 --> 00:22:25,799

some reason it's one of those

549

00:22:30,590 --> 00:22:28,169

for magazines no no groups nothing

550

00:22:32,690 --> 00:22:30,600

however I have family there as I

551

00:22:35,749 --> 00:22:32,700

mentioned earlier when you're talking

552

00:22:38,299 --> 00:22:35,759

with people socially you go to whatever

553

00:22:40,729 --> 00:22:38,309

to my system is there so I may have been

554

00:22:43,039 --> 00:22:40,739

a dinner party something and people know

555

00:22:45,769 --> 00:22:43,049

that you are in the UFOs then you start

556

00:22:48,649 --> 00:22:45,779

hearing anecdotally cases oh when I was

557

00:22:51,320 --> 00:22:48,659

a student of medicine in the 1960s I had

558

00:22:53,119 --> 00:22:51,330

a signing and so on so even if but they

559

00:22:55,369 --> 00:22:53,129

had nowhere to report the media will

560

00:22:58,060 --> 00:22:55,379

report usually but that's it you know I

561

00:23:00,649 --> 00:22:58,070

and I find I heard a fascinating cases

562

00:23:03,139 --> 00:23:00,659

through my own personal context of my

563

00:23:05,810 --> 00:23:03,149

family relatives of a guy who's very

564

00:23:07,759 --> 00:23:05,820

rich guy in fact he later was a bathrobe

565

00:23:13,669 --> 00:23:07,769

Ecuador in Washington very prominent guy

566

00:23:16,489 --> 00:23:13,679

he his family had this big farm in some

567

00:23:21,470 --> 00:23:16,499

area subtropical area and it was a Dutch

568

00:23:22,489 --> 00:23:21,480

guy whose overseer and in this case I

569

00:23:25,330 --> 00:23:22,499

don't know when it would have happened

570

00:23:28,220 --> 00:23:25,340

probably around 6:00 in the 60s

571

00:23:30,409 --> 00:23:28,230

sexuality in the 60s maybe 64 somewhere

572

00:23:32,450 --> 00:23:30,419

like that and supposedly there was a big

573

00:23:34,849 --> 00:23:32,460

deal for landing there and a lot of the

574

00:23:37,220 --> 00:23:34,859

workers and peasants oi and this guy boy

575

00:23:38,869 --> 00:23:37,230

so they didn't have a case it doesn't

576

00:23:41,299 --> 00:23:38,879

exist in the uniform literature no

577

00:23:42,529 --> 00:23:41,309

because it was never reported it didn't

578

00:23:43,940 --> 00:23:42,539

happen you know when officially it

579

00:23:45,799 --> 00:23:43,950

didn't happen in the big city so it

580

00:23:47,509 --> 00:23:45,809

didn't make it to the press but we have

581

00:23:49,879 --> 00:23:47,519

it from a very good source a guy who was

582

00:23:52,070 --> 00:23:49,889

that bastard Rebecca in Washington would

583

00:23:53,930 --> 00:23:52,080

they've seen himself but knew the Dutch

584

00:23:55,909 --> 00:23:53,940

guy who was the overseer and he said

585

00:23:58,099 --> 00:23:55,919

they won probably about 30 people who

586

00:24:00,289 --> 00:23:58,109

were the witnesses with landing

587

00:24:04,249 --> 00:24:00,299

everything no thing no any aliens coming

588

00:24:07,430 --> 00:24:04,259

I don't remember that yeah he's loose

589

00:24:08,989 --> 00:24:07,440

yeah well they were they used to call

590

00:24:12,139 --> 00:24:08,999

that that term is totally out of fashion

591

00:24:15,349 --> 00:24:12,149

now they for now actually you know it

592

00:24:16,940 --> 00:24:15,359

was a writer for our interplanetary News

593

00:24:19,669 --> 00:24:16,950

Service report there was a Catholic

594

00:24:21,950 --> 00:24:19,679

priest by the name of Reverend guy JC r

595

00:24:24,379 --> 00:24:21,960

uh-huh and he was so he came up with a

596

00:24:27,019 --> 00:24:24,389

list of like a hundred UFO terms it's

597

00:24:29,659 --> 00:24:27,029

the only one that anyone you know 19

598

00:24:31,880 --> 00:24:29,669

units it yeah it can I guess the

599

00:24:34,190 --> 00:24:31,890

Catholic he used to write a river guide

600

00:24:37,220 --> 00:24:34,200

Cerre Cyr he was up in New England he

601
00:24:40,640 --> 00:24:37,230
used to write articles for us and that

602
00:24:45,320 --> 00:24:40,650
was his turn so don't anybody ya know

603
00:24:47,240 --> 00:24:45,330
yes I can show you well of course you

604
00:24:50,120 --> 00:24:47,250
know we have an effect on the next issue

605
00:24:52,160 --> 00:24:50,130
of open minds we had or the magazine we

606
00:24:56,360 --> 00:24:52,170
have a big the cover story which I wrote

607
00:24:58,490 --> 00:24:56,370
on the bat it is not just like we do a

608
00:25:01,160 --> 00:24:58,500
whole historical thing not just on the

609
00:25:05,120 --> 00:25:01,170
recent statements by the astronomers

610
00:25:08,120 --> 00:25:05,130
from the Vatican Observatory in what was

611
00:25:11,540 --> 00:25:08,130
very interesting is that about two years

612
00:25:13,490 --> 00:25:11,550
ago in 2008 the Observatory Romano which

613
00:25:14,900 --> 00:25:13,500

is official newspaper of the Vatican the

614

00:25:17,000 --> 00:25:14,910

official voice of the Catholic Church

615

00:25:18,500 --> 00:25:17,010

published a famous interview with

616

00:25:20,150 --> 00:25:18,510

foolish who is the director of the

617

00:25:22,220 --> 00:25:20,160

Vatican Observatory who comes from

618

00:25:24,080 --> 00:25:22,230

Argentina and you know what was the

619

00:25:26,780 --> 00:25:24,090

title of the article the extractor

620

00:25:28,910 --> 00:25:26,790

restaurant is my brother I was like a

621

00:25:30,470 --> 00:25:28,920

clear statement you know well if I put a

622

00:25:34,940 --> 00:25:30,480

cover line like that on that magazine

623

00:25:37,280 --> 00:25:34,950

that is but what we discuss in this

624

00:25:39,320 --> 00:25:37,290

article is not just that you know in

625

00:25:41,480 --> 00:25:39,330

other statements like that conference

626
00:25:43,520 --> 00:25:41,490
that happened in Rome recently at the

627
00:25:46,100 --> 00:25:43,530
Vatican where that same scientist paul

628
00:25:47,330 --> 00:25:46,110
davids that was yes yes he was there but

629
00:25:50,630 --> 00:25:47,340
we also talked about the Vatican

630
00:25:52,490 --> 00:25:50,640
colleges which the most famous was

631
00:25:55,100 --> 00:25:52,500
Balducci once he has a bleaching you

632
00:25:57,830 --> 00:25:55,110
might have maybe no I did but I survived

633
00:26:00,020 --> 00:25:57,840
heard the talk to him of course the

634
00:26:01,130 --> 00:26:00,030
difference between the so called mattock

635
00:26:03,440 --> 00:26:01,140
and follow Jews and the Vatican

636
00:26:05,810 --> 00:26:03,450
astronomers it's like the American

637
00:26:08,270 --> 00:26:05,820
mythologist were not official even

638
00:26:10,700 --> 00:26:08,280

Bellucci Oh was saying on even though he

639

00:26:12,470 --> 00:26:10,710

can always misquote it later you know

640

00:26:14,150 --> 00:26:12,480

everybody who said Vatican says you know

641

00:26:17,180 --> 00:26:14,160

you want to say no this is my opinion

642

00:26:19,550 --> 00:26:17,190

I'm not talking for the Vatican he was a

643

00:26:21,680 --> 00:26:19,560

priest he was the chief demonologist for

644

00:26:24,490 --> 00:26:21,690

the violin so his terminology yes I

645

00:26:28,550 --> 00:26:24,500

still have his card in his card says

646

00:26:31,420 --> 00:26:28,560

Monsignor Corrado Balducci theologian /

647

00:26:33,890 --> 00:26:31,430

demonology yes that's a better job

648

00:26:36,590 --> 00:26:33,900

however miss you oh my god

649

00:26:39,290 --> 00:26:36,600

my my co-workers you know I'd open minds

650

00:26:41,300 --> 00:26:39,300

he said that later the Monsignor printed

651
00:26:45,820 --> 00:26:41,310
a new card that said the monologist

652
00:26:48,080 --> 00:26:45,830
slash who follows yeah why he didn't

653
00:26:50,210 --> 00:26:48,090
know the interesting thing about

654
00:26:51,440 --> 00:26:50,220
Banducci is and of course he was an

655
00:26:53,000 --> 00:26:51,450
expert on Venus

656
00:26:55,310 --> 00:26:53,010
if anybody's attend you know he was the

657
00:26:58,820 --> 00:26:55,320
Vatican exercise I mean he knew as much

658
00:27:01,790 --> 00:26:58,830
as anybody but he always said that that

659
00:27:04,580 --> 00:27:01,800
they were not related in his opinion

660
00:27:07,630 --> 00:27:04,590
anyway now as he said in his coming was

661
00:27:10,850 --> 00:27:07,640
interesting he said demons and angels

662
00:27:12,800 --> 00:27:10,860
don't need machines to travel between a

663
00:27:14,390 --> 00:27:12,810

and B you know they just teleport on

664

00:27:18,350 --> 00:27:14,400

themselves they don't need a machine

665

00:27:21,260 --> 00:27:18,360

Thank You opposed so in his opinion they

666

00:27:23,270 --> 00:27:21,270

were extraterrestrial now but that

667

00:27:25,370 --> 00:27:23,280

creates problems in the Catholic dogma

668

00:27:27,320 --> 00:27:25,380

which is what without this in discussing

669

00:27:29,210 --> 00:27:27,330

not only my article but we have an

670

00:27:31,430 --> 00:27:29,220

article by Dan Sheehan - you know the

671

00:27:33,200 --> 00:27:31,440

famous attorney mmm John Mac's attorney

672

00:27:35,660 --> 00:27:33,210

and he was an actor in front of the

673

00:27:37,340 --> 00:27:35,670

Jesuits interesting so yeah he's got

674

00:27:39,290 --> 00:27:37,350

good connections with the Catholic

675

00:27:41,180 --> 00:27:39,300

Church his article is more philosophical

676
00:27:43,730 --> 00:27:41,190
what are the implications

677
00:27:45,500 --> 00:27:43,740
Oh mine is more just like the facts you

678
00:27:49,000 --> 00:27:45,510
know this is what this astronomer said

679
00:27:51,860 --> 00:27:49,010
or I talked about sightings in Rome -

680
00:27:53,990 --> 00:27:51,870
the river could not see Peter yeah

681
00:27:55,790 --> 00:27:54,000
remember when they formed the you know

682
00:27:58,130 --> 00:27:55,800
I've been trying to we find where that

683
00:28:00,380 --> 00:27:58,140
the original article was at Ray Palmer's

684
00:28:01,940 --> 00:28:00,390
magazine years ago I don't know whether

685
00:28:03,200 --> 00:28:01,950
he stole alignments publishing flying

686
00:28:04,670 --> 00:28:03,210
saucer review yeah

687
00:28:06,800 --> 00:28:04,680
the original well not the original the

688
00:28:08,510 --> 00:28:06,810

original wasn't out yet this came from

689

00:28:10,910 --> 00:28:08,520

might not be not EP nothing to sell you

690

00:28:14,060 --> 00:28:10,920

know publicizing better a go Alberto

691

00:28:17,060 --> 00:28:14,070

Pareto who had 1950 1954 yeah who was it

692

00:28:20,360 --> 00:28:17,070

what a maverick yeah can't remember

693

00:28:22,370 --> 00:28:20,370

where my keys are but this article we

694

00:28:24,140 --> 00:28:22,380

also not only we mentioned that case we

695

00:28:26,030 --> 00:28:24,150

have the diamond

696

00:28:28,400 --> 00:28:26,040

I remember diagrams yeah well you know I

697

00:28:32,660 --> 00:28:28,410

was recently at the the Vatican in fact

698

00:28:34,580 --> 00:28:32,670

them I produced a DVD that's out now

699

00:28:38,450 --> 00:28:34,590

it's called secrets of the valium in the

700

00:28:40,280 --> 00:28:38,460

Vatican I took my little camera and shot

701
00:28:43,190 --> 00:28:40,290
a lot of the footage there of the secret

702
00:28:44,960 --> 00:28:43,200
library and and so forth and we talked

703
00:28:46,530 --> 00:28:44,970
about some of the the scandals that have

704
00:28:48,300 --> 00:28:46,540
God but the thing that

705
00:28:49,950 --> 00:28:48,310
treat me the most and really puzzled me

706
00:28:52,890 --> 00:28:49,960
when you walk through the Vatican you

707
00:28:54,930 --> 00:28:52,900
know you go from one church to another

708
00:28:58,740 --> 00:28:54,940
one hallway to another out in the

709
00:29:01,710 --> 00:28:58,750
vatican courtyard there is this giant

710
00:29:03,600 --> 00:29:01,720
globe that's maybe ten feet by ten feet

711
00:29:05,730 --> 00:29:03,610
and I'm looking at this and I say well

712
00:29:07,860 --> 00:29:05,740
what in the heck is this doing here and

713
00:29:12,840 --> 00:29:07,870

then it dawned on me it looks exactly

714

00:29:15,240 --> 00:29:12,850

like this painting from the I guess 14th

715

00:29:16,980 --> 00:29:15,250

century you know that's I like this

716

00:29:20,100 --> 00:29:16,990

would be one guess what yeah that is

717

00:29:26,220 --> 00:29:20,110

from the early 1600 1600 okay and it's a

718

00:29:28,020 --> 00:29:26,230

it's in a church of peda near in fact

719

00:29:29,760 --> 00:29:28,030

they have excited inviting everybody to

720

00:29:32,070 --> 00:29:29,770

come in and I said well what the start

721

00:29:33,930 --> 00:29:32,080

well looks like that in the end the

722

00:29:35,970 --> 00:29:33,940

chair of the faith the painter of that

723

00:29:38,070 --> 00:29:35,980

is called Sonny Benny yeah it's a

724

00:29:39,750 --> 00:29:38,080

remarkable painting that was a you know

725

00:29:42,660 --> 00:29:39,760

where for a solid it's putting it the

726

00:29:44,400 --> 00:29:42,670

Russian magazine uh-huh yeah yeah how do

727

00:29:46,740 --> 00:29:44,410

we know the Russians India now we're

728

00:29:49,350 --> 00:29:46,750

talking on them way way old yeah Soviet

729

00:29:52,140 --> 00:29:49,360

days there was one theory the you modern

730

00:29:54,090 --> 00:29:52,150

UFOs they were a little leery about that

731

00:29:56,100 --> 00:29:54,100

because obviously they had no control

732

00:29:57,960 --> 00:29:56,110

what these things are there but there

733

00:30:00,510 --> 00:29:57,970

was one theory they kind of liked and

734

00:30:02,790 --> 00:30:00,520

that was the ancient astronauts because

735

00:30:07,550 --> 00:30:02,800

long before von daniken yeah who I just

736

00:30:12,570 --> 00:30:10,080

but low before von Daniken there was a

737

00:30:15,800 --> 00:30:12,580

whole school of Russian Soviets back in

738

00:30:17,820 --> 00:30:15,810

our presence there yeah I grasped a

739

00:30:19,380 --> 00:30:17,830

questionable letter to him right now

740

00:30:21,510 --> 00:30:19,390

he's poking with the fact he wrote a

741

00:30:23,400 --> 00:30:21,520

manuscript or a book that was never

742

00:30:25,830 --> 00:30:23,410

published they want to be the publisher

743

00:30:27,510 --> 00:30:25,840

but it was in such bad English and at

744

00:30:30,090 --> 00:30:27,520

the age of 15 I had some editorial

745

00:30:32,610 --> 00:30:30,100

problems yeah and you had a believe type

746

00:30:34,530 --> 00:30:32,620

everything from scratch it was like you

747

00:30:36,450 --> 00:30:34,540

could scan in the correct a reason that

748

00:30:38,250 --> 00:30:36,460

they were the Soviets at that time the

749

00:30:39,750 --> 00:30:38,260

Soviet ideology like the ancient

750

00:30:41,910 --> 00:30:39,760

astronaut theory because it took

751

00:30:43,470 --> 00:30:41,920

religion away from a lot of these you

752

00:30:45,580 --> 00:30:43,480

know okay now you can talk about ancient

753

00:30:47,830 --> 00:30:45,590

gods or whatever they were aliens

754

00:30:49,690 --> 00:30:47,840

not real gods that's right so that was I

755

00:30:51,190 --> 00:30:49,700

think that's why that was allowed to

756

00:30:52,750 --> 00:30:51,200

such an extent because there was

757

00:30:57,010 --> 00:30:52,760

certainly many many books and articles

758

00:30:57,490 --> 00:30:57,020

and published under Soviet days so there

759

00:30:59,190 --> 00:30:57,500

anyway

760

00:31:01,750 --> 00:30:59,200

there's all kinds of things okay

761

00:31:02,649 --> 00:31:01,760

Scandinavian countries plenty of Roy OH

762

00:31:05,350 --> 00:31:02,659

Norway

763

00:31:07,390 --> 00:31:05,360

going back to what nineteen yeah yeah

764

00:31:09,399 --> 00:31:07,400

yeah and also you had the stuff that

765

00:31:13,600 --> 00:31:09,409

gives to John Keeler late John keel used

766

00:31:14,950 --> 00:31:13,610

to be fascinating the euro so yes that's

767

00:31:16,419 --> 00:31:14,960

right that goes wrong they had them

768

00:31:17,560 --> 00:31:16,429

trapped and everything and then they

769

00:31:19,120 --> 00:31:17,570

would do something or what you gotta

770

00:31:22,779 --> 00:31:19,130

tell us muscle Eenie

771

00:31:26,799 --> 00:31:22,789

oh yeah now is this true as far as I

772

00:31:28,750 --> 00:31:26,809

know it is true and this will just get

773

00:31:29,799 --> 00:31:28,760

people in to explain a little bit what

774

00:31:33,250 --> 00:31:29,809

it is

775

00:31:34,049 --> 00:31:33,260

in the late 90s some documents were

776

00:31:37,149 --> 00:31:34,059

mailed

777

00:31:39,789 --> 00:31:37,159

I think it cannot be in a couple of

778

00:31:42,549 --> 00:31:39,799

other people so it's a little bit like

779

00:31:45,279 --> 00:31:42,559

mj-12 the difference with inject office

780

00:31:47,320 --> 00:31:45,289

a crucial loan the documents were the

781

00:31:50,470 --> 00:31:47,330

original it were not photographs or

782

00:31:52,630 --> 00:31:50,480

photocopies with your actual painter so

783

00:31:54,880 --> 00:31:52,640

these guys did it right they kept the

784

00:31:57,430 --> 00:31:54,890

investigation very very quiet and what

785

00:32:00,399 --> 00:31:57,440

they did is they engaged some forensic

786

00:32:02,799 --> 00:32:00,409

experts attached to the Italian Ministry

787

00:32:04,600 --> 00:32:02,809

of Justice I met the guy and you know I

788

00:32:06,399 --> 00:32:04,610

used to go to the San Marino symposium

789

00:32:08,350 --> 00:32:06,409

which is this little independent

790

00:32:09,940 --> 00:32:08,360

republic in the middle of Italy they had

791

00:32:11,950 --> 00:32:09,950

a wonderful new a [h__h] podium they

792

00:32:13,450 --> 00:32:11,960

still do but in the 90s it was big

793

00:32:16,210 --> 00:32:13,460

budget so they wouldn't bring people

794

00:32:17,399 --> 00:32:16,220

from all over the world and I met the

795

00:32:19,840 --> 00:32:17,409

guy there his name is Antonio

796

00:32:21,669 --> 00:32:19,850

karomingian not it couldn't care less

797

00:32:24,220 --> 00:32:21,679

about quality that was not anything you

798

00:32:27,460 --> 00:32:24,230

just had to look at these papers tell me

799

00:32:28,990 --> 00:32:27,470

if they're forged or real or not and the

800

00:32:30,940 --> 00:32:29,000

guy basically you know they did the

801
00:32:35,850 --> 00:32:30,950
chemical analysis of the paper the ink

802
00:32:38,529 --> 00:32:35,860
you know that and also the style the

803
00:32:41,110 --> 00:32:38,539
stylistic you know and when compared to

804
00:32:42,909 --> 00:32:41,120
other documents from the fascist era it

805
00:32:45,940 --> 00:32:42,919
basically they concluded that were real

806
00:32:48,279 --> 00:32:45,950
all the work in forgery done in the 30s

807
00:32:51,549 --> 00:32:48,289
because the chemical analysis all that

808
00:32:53,740 --> 00:32:51,559
dated to that urine and basically what

809
00:32:55,840 --> 00:32:53,750
it would have been if this is true is

810
00:32:56,930 --> 00:32:55,850
that there was a rash of sightings the

811
00:33:00,170 --> 00:32:56,940
beginning in the

812
00:33:02,210 --> 00:33:00,180
early thirties in Italy costing of hack

813
00:33:04,310 --> 00:33:02,220

sightings in Scandinavia two of the

814

00:33:07,310 --> 00:33:04,320

mystery airplane so that it by itself is

815

00:33:09,230 --> 00:33:07,320

not so so different what is different of

816

00:33:12,260 --> 00:33:09,240

this case is that it would have created

817

00:33:14,480 --> 00:33:12,270

the very first government investigation

818

00:33:17,330 --> 00:33:14,490

ever on this phenomenon so Mussolini

819

00:33:21,230 --> 00:33:17,340

this through his brother and son-in-law

820

00:33:23,090 --> 00:33:21,240

the channel Tom Chiana who was the

821

00:33:26,930 --> 00:33:23,100

foreign minister of the fascist regime

822

00:33:31,060 --> 00:33:26,940

they created a cabinet a special group

823

00:33:34,010 --> 00:33:31,070

of cabinet something like 33 - s and

824

00:33:36,790 --> 00:33:34,020

supposedly they put the famous world

825

00:33:39,650 --> 00:33:36,800

famous scientist Marconi in charge of it

826

00:33:41,300 --> 00:33:39,660

and this cabin of course it was a

827

00:33:43,190 --> 00:33:41,310

dictatorship so they control the media

828

00:33:46,430 --> 00:33:43,200

and all that but in case something was

829

00:33:48,500 --> 00:33:46,440

seen widely they even had instructions

830

00:33:50,720 --> 00:33:48,510

to publish like cover stories

831

00:33:52,340 --> 00:33:50,730

and like if something was seen was okay

832

00:33:54,350 --> 00:33:52,350

let's say it's a meteorite or something

833

00:33:56,540 --> 00:33:54,360

like that now what's interesting to that

834

00:33:58,220 --> 00:33:56,550

one there early documents and these were

835

00:34:01,010 --> 00:33:58,230

a bunch of sightings and drawings and

836

00:34:03,500 --> 00:34:01,020

everything they didn't think that they

837

00:34:05,150 --> 00:34:03,510

were Indian they started with a problem

838

00:34:06,980 --> 00:34:05,160

which was probably in the early days of

839

00:34:08,420 --> 00:34:06,990

the American investigation - or the

840

00:34:09,770 --> 00:34:08,430

Russian investigation they thought it

841

00:34:11,630 --> 00:34:09,780

was their enemies you know they were

842

00:34:15,080 --> 00:34:11,640

British or frame what were the craft

843

00:34:17,030 --> 00:34:15,090

scratches some were cigar shaped they

844

00:34:19,610 --> 00:34:17,040

call him like something like they use a

845

00:34:20,330 --> 00:34:19,620

cute term like unconventional air

846

00:34:21,680 --> 00:34:20,340

mobiles

847

00:34:23,360 --> 00:34:21,690

or something because obviously there was

848

00:34:26,180 --> 00:34:23,370

no term flying so are they doing

849

00:34:28,100 --> 00:34:26,190

anything shuttle ready no no not not not

850

00:34:30,470 --> 00:34:28,110

that I know shooting or attacking people

851

00:34:32,390 --> 00:34:30,480

but they were flying around and they

852

00:34:33,710 --> 00:34:32,400

seemed definitely structured that's why

853

00:34:35,960 --> 00:34:33,720

they thought there was some kind of

854

00:34:37,820 --> 00:34:35,970

weapon that they other countries had

855

00:34:39,830 --> 00:34:37,830

they knew it was an Italian or German

856

00:34:42,080 --> 00:34:39,840

because they were able to determine so

857

00:34:43,970 --> 00:34:42,090

they have to be really sure French but

858

00:34:45,500 --> 00:34:43,980

obviously they couldn't prove this after

859

00:34:47,870 --> 00:34:45,510

a while I guess they realized it wasn't

860

00:34:50,360 --> 00:34:47,880

British or French and then there's this

861

00:34:53,990 --> 00:34:50,370

strange speech that Mussolini gave in

862

00:34:54,500 --> 00:34:54,000

1943 I believe to some fascist Workers

863

00:34:55,940 --> 00:34:54,510

Union

864

00:34:58,820 --> 00:34:55,950

something teeny was reported in the

865

00:35:01,880 --> 00:34:58,830

Italian press where he said that the

866

00:35:05,090 --> 00:35:01,890

next war won't be between countries but

867

00:35:07,040 --> 00:35:05,100

between the earth in some like flying

868

00:35:09,410 --> 00:35:07,050

fortresses from Mars or something like

869

00:35:12,050 --> 00:35:09,420

that in people at the time they don't

870

00:35:14,090 --> 00:35:12,060

know what the heck Mussolini was talking

871

00:35:18,590 --> 00:35:14,100

about but now well this is yes is a

872

00:35:20,930 --> 00:35:18,600

great yeah I mean mysterious craft and

873

00:35:22,790 --> 00:35:20,940

occupants and also still has been going

874

00:35:24,470 --> 00:35:22,800

out of course Charles Ford for wrote

875

00:35:27,260 --> 00:35:24,480

this but there's even so much you know

876

00:35:29,450 --> 00:35:27,270

now I mean that for all the time only

877

00:35:31,280 --> 00:35:29,460

recently and I have found some of this

878

00:35:32,960 --> 00:35:31,290

and not only they all are articles for

879

00:35:34,850 --> 00:35:32,970

the magnet your magazines as well but

880

00:35:36,050 --> 00:35:34,860

I'm just putting on the web now so a new

881

00:35:39,350 --> 00:35:36,060

articles on the open mind

882

00:35:42,830 --> 00:35:39,360

talk to me but and about cases in the

883

00:35:45,370 --> 00:35:42,840

historical cases in China and in some of

884

00:35:47,870 --> 00:35:45,380

them are even fight by well-known

885

00:35:49,280 --> 00:35:47,880

writers and philosophers and people like

886

00:35:50,810 --> 00:35:49,290

that I mean not I mean of course they

887

00:35:52,520 --> 00:35:50,820

probably do and know them but if you

888

00:35:55,010 --> 00:35:52,530

read the history of Chinese literature

889

00:35:56,630 --> 00:35:55,020

whatever these are known people you're

890

00:35:58,940 --> 00:35:56,640

not like obscure people there were

891

00:36:01,940 --> 00:35:58,950

famous scholars and the twelve hundred

892

00:36:04,370 --> 00:36:01,950

so the sixteen hundreds so yes there is

893

00:36:05,960 --> 00:36:04,380

phenomena all over the all over history

894

00:36:08,030 --> 00:36:05,970

to of course we're just talking about

895

00:36:11,060 --> 00:36:08,040

the paintings the European painting

896

00:36:13,280 --> 00:36:11,070

recently when I was in Mexico they show

897

00:36:14,690 --> 00:36:13,290

me a painting from colonial times which

898

00:36:17,300 --> 00:36:14,700

I've never seen we've all seen the

899

00:36:19,370 --> 00:36:17,310

Italian one serious or some in Spain or

900

00:36:21,590 --> 00:36:19,380

whatever but this one is in Mexico like

901
00:36:24,740 --> 00:36:21,600
from the Baroque from colonial periods

902
00:36:26,300 --> 00:36:24,750
and it looked like I'm going to get a

903
00:36:28,610 --> 00:36:26,310
better copy of it and it looked like

904
00:36:31,340 --> 00:36:28,620
again like another kind of global

905
00:36:33,950 --> 00:36:31,350
phenomenon you you see the Virgin Mary

906
00:36:35,870 --> 00:36:33,960
and Jesus in the heavens with surrounded

907
00:36:37,970 --> 00:36:35,880
by angels or whatever and here you see

908
00:36:40,880 --> 00:36:37,980
like a room some kind of yellowish

909
00:36:44,290 --> 00:36:40,890
object gone because I think that what

910
00:36:47,390 --> 00:36:44,300
happened in historical times is that

911
00:36:49,040 --> 00:36:47,400
we're one outlet with these visions have

912
00:36:50,540 --> 00:36:49,050
right so they would put them in pretty

913
00:36:51,720 --> 00:36:50,550

just paintings because they probably

914

00:36:54,150 --> 00:36:51,730

interpret them

915

00:36:54,870 --> 00:36:54,160

ain't no men slain of God or something

916

00:36:59,010 --> 00:36:54,880

like that

917

00:37:01,530 --> 00:36:59,020

so what does this tell us I mean let's

918

00:37:04,920 --> 00:37:01,540

breakdown them down in the phenomena now

919

00:37:06,510 --> 00:37:04,930

what yeah when I started this you know

920

00:37:09,840 --> 00:37:06,520

investigation this would have been in

921

00:37:12,660 --> 00:37:09,850

the early 60s I I was convinced because

922

00:37:14,520 --> 00:37:12,670

of probably of what I had read the UFOs

923

00:37:16,380 --> 00:37:14,530

were interplanetary they had to be

924

00:37:18,290 --> 00:37:16,390

writing some other plan because yeah

925

00:37:21,210 --> 00:37:18,300

because we did we certainly didn't have

926

00:37:22,859 --> 00:37:21,220

the amount that amount of data that we

927

00:37:25,440 --> 00:37:22,869

have down this is right historical and

928

00:37:28,290 --> 00:37:25,450

its global doesn't it seem kind of

929

00:37:30,780 --> 00:37:28,300

unreasonable that these objects would be

930

00:37:32,550 --> 00:37:30,790

I mean okay you have a you know

931

00:37:33,990 --> 00:37:32,560

sightings here and there so but this has

932

00:37:36,510 --> 00:37:34,000

been going on for hundreds and hundreds

933

00:37:39,000 --> 00:37:36,520

of years why first of all if they were

934

00:37:41,180 --> 00:37:39,010

aliens why would they be making somebody

935

00:37:43,920 --> 00:37:41,190

trips and where do they go I know I

936

00:37:46,170 --> 00:37:43,930

think that you've had my own I'm not a

937

00:37:48,540 --> 00:37:46,180

theory man but I mean after over 30

938

00:37:50,730 --> 00:37:48,550

years because I have some ideas first of

939

00:37:53,640 --> 00:37:50,740

all I think that there's a multiplicity

940

00:37:55,890 --> 00:37:53,650

oh yes our nation's yeah in products I

941

00:37:56,280 --> 00:37:55,900

so followed is fighting it really hard

942

00:37:58,470 --> 00:37:56,290

you know

943

00:38:01,140 --> 00:37:58,480

yeah then whatever they're the

944

00:38:03,210 --> 00:38:01,150

dimensional ones versus eighty ones and

945

00:38:05,190 --> 00:38:03,220

I think and then when I realized too is

946

00:38:08,490 --> 00:38:05,200

that once you have a very informed

947

00:38:10,770 --> 00:38:08,500

theory the phenomenon is so vast and

948

00:38:13,320 --> 00:38:10,780

amorphous in a way that you will

949

00:38:15,359 --> 00:38:13,330

interpret those aspects of the phenomena

950

00:38:17,250 --> 00:38:15,369

that suits your theory yes so you'll

951
00:38:19,710 --> 00:38:17,260
find certain types of case because they

952
00:38:22,349 --> 00:38:19,720
look like et right or the other guy who

953
00:38:24,690 --> 00:38:22,359
they look like dimensional or whatever

954
00:38:28,700 --> 00:38:24,700
so I kind of stay with me but I think

955
00:38:31,920 --> 00:38:28,710
there is a problem multiple explanations

956
00:38:35,609 --> 00:38:31,930
somebody to the restroom probably could

957
00:38:38,300 --> 00:38:35,619
be but most probably not I agree I think

958
00:38:41,880 --> 00:38:38,310
it's something closer to our environment

959
00:38:44,640 --> 00:38:41,890
whether it's that they are you know

960
00:38:47,670 --> 00:38:44,650
multiple dimensions or something like

961
00:38:50,099 --> 00:38:47,680
that because yeah if there's so many of

962
00:38:50,730 --> 00:38:50,109
them yet they're not enough invading or

963
00:38:53,970 --> 00:38:50,740

anything like that

964

00:38:56,290 --> 00:38:53,980

yes yeah right right have you ever seen

965

00:38:59,500 --> 00:38:56,300

in a UFO yeah I've seen some UFOs

966

00:39:03,370 --> 00:38:59,510

nothing that nothing at close range but

967

00:39:04,930 --> 00:39:03,380

I'm tipsy about three times well

968

00:39:06,700 --> 00:39:04,940

recently in Mexico City

969

00:39:09,280 --> 00:39:06,710

actually there were UFO sightings and I

970

00:39:10,930 --> 00:39:09,290

saw them if I had read their camps I

971

00:39:12,940 --> 00:39:10,940

probably said it's [\h__\h] just hide

972

00:39:14,530 --> 00:39:12,950

from the conference or whatever but we

973

00:39:16,930 --> 00:39:14,540

hi so with my own eyes

974

00:39:18,760 --> 00:39:16,940

it wasn't a very spectacular thing but

975

00:39:20,470 --> 00:39:18,770

of course we had this guy who's sort of

976

00:39:23,020 --> 00:39:20,480

the big contactee at the moment now

977

00:39:24,610 --> 00:39:23,030

tourism NZ no the Italian guy yeah yeah

978

00:39:26,470 --> 00:39:24,620

but he brings a man up in reason

979

00:39:28,420 --> 00:39:26,480

amazement I mean I saw with my own eyes

980

00:39:30,370 --> 00:39:28,430

when you see its footage there's some of

981

00:39:31,450 --> 00:39:30,380

these footage is very metallic and close

982

00:39:33,460 --> 00:39:31,460

to song and I took somebody else's

983

00:39:36,280 --> 00:39:33,470

bathroom we got ours yep

984

00:39:37,810 --> 00:39:36,290

oh they don't you know I know but these

985

00:39:39,670 --> 00:39:37,820

were totally different I mean first of

986

00:39:42,490 --> 00:39:39,680

all that are plenty of other people they

987

00:39:45,310 --> 00:39:42,500

were very high in the sky like a little

988

00:39:48,160 --> 00:39:45,320

point of light but they were take time

989

00:39:50,080 --> 00:39:48,170

and yeah the kind of rockets from our

990

00:39:53,440 --> 00:39:50,090

company he even got it on Monday and

991

00:39:55,390 --> 00:39:53,450

it's I got an article in our website so

992

00:39:58,480 --> 00:39:55,400

that was my latest sighting by prior to

993

00:40:00,970 --> 00:39:58,490

that although dad could have even

994

00:40:02,590 --> 00:40:00,980

beatable I'm not saying it was like a

995

00:40:05,140 --> 00:40:02,600

lot of the sightings of Mexico simple

996

00:40:07,150 --> 00:40:05,150

you know some planet Venus or right I

997

00:40:10,240 --> 00:40:07,160

think there's a lot of there's too many

998

00:40:12,070 --> 00:40:10,250

sightings in Mexico and so you need to

999

00:40:13,930 --> 00:40:12,080

filter them we have their Stella some

1000

00:40:15,640 --> 00:40:13,940

may be there well you know you know

1001

00:40:17,290 --> 00:40:15,650

people think that this is the the the

1002

00:40:21,760 --> 00:40:17,300

sightings in Mexico it's a recent you

1003

00:40:23,920 --> 00:40:21,770

know occurrence but I remember a book

1004

00:40:25,930 --> 00:40:23,930

called flying saucer pilgrimage and it

1005

00:40:26,230 --> 00:40:25,940

was written on 1956 or something like

1006

00:40:29,590 --> 00:40:26,240

that

1007

00:40:32,140 --> 00:40:29,600

and Adamski made his first the trip to

1008

00:40:34,210 --> 00:40:32,150

Mexico to lecture and there was a fellow

1009

00:40:36,430 --> 00:40:34,220

that the escorted him around

1010

00:40:38,890 --> 00:40:36,440

throughout his tour there who was a

1011

00:40:40,570 --> 00:40:38,900

chauffeur I remember yeah yeah and a

1012

00:40:42,820 --> 00:40:40,580

show idea name right yeah yeah but the

1013

00:40:44,920 --> 00:40:42,830

show for everyone was a contact II

1014

00:40:47,740 --> 00:40:44,930

welding when would you think it was the

1015

00:40:48,970 --> 00:40:47,750

first Mexican beautiful way but it

1016

00:40:51,040 --> 00:40:48,980

wasn't there an astronomer who took a

1017

00:40:56,069 --> 00:40:51,050

photo of ya over the moon

1018

00:41:01,319 --> 00:40:59,400

No okay okay doing better than most pain

1019

00:41:03,060 --> 00:41:01,329

well c'mon say goodnight ease with that

1020

00:41:05,609 --> 00:41:03,070

cliff you know that's not the first time

1021

00:41:08,520 --> 00:41:05,619

actually I this I have a big article

1022

00:41:11,190 --> 00:41:08,530

coming as a next issue of open minds if

1023

00:41:14,540 --> 00:41:11,200

you read all the historical books of the

1024

00:41:17,280 --> 00:41:14,550

conquest I always wanted to do that well

1025

00:41:19,380 --> 00:41:17,290

a lot of patience well yeah you actually

1026

00:41:20,940 --> 00:41:19,390

read this book I like you don't have to

1027

00:41:23,339 --> 00:41:20,950

read the whole book you can go to the

1028

00:41:25,200 --> 00:41:23,349

chapter yeah they they don't call them

1029

00:41:29,040 --> 00:41:25,210

UFOs obviously they call them owners

1030

00:41:31,440 --> 00:41:29,050

yeah and the empire of Montezuma yeah

1031

00:41:34,800 --> 00:41:31,450

for a period of about ten years was

1032

00:41:39,060 --> 00:41:34,810

flying with weird appearances all kinds

1033

00:41:42,690 --> 00:41:39,070

of things light in the sky weird

1034

00:41:45,810 --> 00:41:42,700

phenomena monsters whatever and so later

1035

00:41:48,510 --> 00:41:45,820

they were seen as presages you know

1036

00:41:51,390 --> 00:41:48,520

almonds of the form of the other big

1037

00:41:53,370 --> 00:41:51,400

environment a big on the spanish some of

1038

00:41:57,180 --> 00:41:53,380

the cases are truly fascinating there's

1039

00:42:00,690 --> 00:41:57,190

one were the some fishermen finding

1040

00:42:02,309 --> 00:42:00,700

birth in the in the lagoon there because

1041

00:42:04,640 --> 00:42:02,319

mexico city was a you know like many

1042

00:42:07,230 --> 00:42:04,650

centos remember it was all mostly water

1043

00:42:09,150 --> 00:42:07,240

and they but it was not a normal

1044

00:42:10,980 --> 00:42:09,160

practical inferred obviously did not

1045

00:42:13,500 --> 00:42:10,990

have a head instead of a head it had a

1046

00:42:15,510 --> 00:42:13,510

mirror on this one that on the head so

1047

00:42:18,690 --> 00:42:15,520

they bring him to Montezuma himself and

1048

00:42:21,870 --> 00:42:18,700

he's looking at it and he sees the

1049

00:42:24,359 --> 00:42:21,880

planets on the mirror and then he sees

1050

00:42:26,370 --> 00:42:24,369

like a marching army which is a Spanish

1051
00:42:30,420 --> 00:42:26,380
you know coming to basically conquer

1052
00:42:32,280 --> 00:42:30,430
them so then he moves it to the to his

1053
00:42:35,130 --> 00:42:32,290
astrologers or whatever he's some

1054
00:42:37,349 --> 00:42:35,140
insight is whatever they were and then

1055
00:42:39,089 --> 00:42:37,359
their birth takes off so what was this

1056
00:42:41,940 --> 00:42:39,099
was some kind of mechanical device that

1057
00:42:44,700 --> 00:42:41,950
time time or was some supernatural

1058
00:42:46,380 --> 00:42:44,710
phenomenon yet all these cases are

1059
00:42:49,650 --> 00:42:46,390
mentioned in The Chronicles there's

1060
00:42:52,890 --> 00:42:49,660
another case of a peasant who gets

1061
00:42:54,750 --> 00:42:52,900
literally abducted by an ego a needle

1062
00:42:57,420 --> 00:42:54,760
grabs him and that takes him to the key

1063
00:42:59,030 --> 00:42:57,430

to a cave and talks to him this is

1064

00:43:01,820 --> 00:42:59,040

publishing books and in this

1065

00:43:03,350 --> 00:43:01,830

city limits is talking evil I mean you

1066

00:43:04,820 --> 00:43:03,360

see all this after please with talking

1067

00:43:07,940 --> 00:43:04,830

Powell's and things like that

1068

00:43:09,680 --> 00:43:07,950

so I think that there was a you were

1069

00:43:12,740 --> 00:43:09,690

following there that took place in

1070

00:43:15,560 --> 00:43:12,750

between 15 10 and 15 20 the Spanish

1071

00:43:18,020 --> 00:43:15,570

Court ISKCON in 1519 and I think it also

1072

00:43:20,720 --> 00:43:18,030

has a message and not that I'm not a

1073

00:43:23,540 --> 00:43:20,730

negative person at all but I'm not a you

1074

00:43:26,180 --> 00:43:23,550

know naive either a believer in aliens

1075

00:43:28,640 --> 00:43:26,190

on say my world because here there were

1076

00:43:30,920 --> 00:43:28,650

what happened in the Spanish there to

1077

00:43:33,020 --> 00:43:30,930

say I mean the Indians in the Mexicans

1078

00:43:34,550 --> 00:43:33,030

they constitute also they had these

1079

00:43:37,130 --> 00:43:34,560

prophecies of other return of

1080

00:43:39,560 --> 00:43:37,140

Quetzalcoatl which was sort of avatar or

1081

00:43:41,900 --> 00:43:39,570

whatever and so when the Spanish came

1082

00:43:43,310 --> 00:43:41,910

they first thought they were this pizza

1083

00:43:45,800 --> 00:43:43,320

bottom paying twenty court it's like a

1084

00:43:46,310 --> 00:43:45,810

gone and obviously turn out to be false

1085

00:43:48,290 --> 00:43:46,320

God

1086

00:43:50,090 --> 00:43:48,300

so I think there's a message there a

1087

00:43:51,740 --> 00:43:50,100

foreigner a lot of people that think

1088

00:43:54,170 --> 00:43:51,750

that aliens are wonderful and what'll

1089

00:43:55,550 --> 00:43:54,180

save the planet or whatever I mean I

1090

00:43:58,040 --> 00:43:55,560

mean when you recently had all this

1091

00:44:00,680 --> 00:43:58,050

brouhaha over Stephen Hopkins came from

1092

00:44:02,990 --> 00:44:00,690

yes yes yeah I mean nothing is right but

1093

00:44:04,490 --> 00:44:03,000

if we look at also the history of our

1094

00:44:06,620 --> 00:44:04,500

own planet you know when you're some

1095

00:44:08,450 --> 00:44:06,630

more advanced culture does come into

1096

00:44:10,760 --> 00:44:08,460

contact with the less advanced culture

1097

00:44:13,130 --> 00:44:10,770

I'm talking events technologically not

1098

00:44:15,170 --> 00:44:13,140

business more mentally you know it could

1099

00:44:17,810 --> 00:44:15,180

be properly and and tell I must admit

1100

00:44:20,210 --> 00:44:17,820

I'm very impressed you're a walking

1101

00:44:21,440 --> 00:44:20,220

encyclopedia of the the subject I

1102

00:44:24,170 --> 00:44:21,450

thought I knew a lot but you've done

1103

00:44:27,230 --> 00:44:24,180

you've got it down you ever think

1104

00:44:28,760 --> 00:44:27,240

there's gonna be disclosure I think that

1105

00:44:31,600 --> 00:44:28,770

I don't think in the in the dramatic

1106

00:44:34,040 --> 00:44:31,610

disclosure I think disclosure is it very

1107

00:44:35,780 --> 00:44:34,050

like they have that saying death by a

1108

00:44:37,490 --> 00:44:35,790

thousand cuts or something which we're

1109

00:44:40,480 --> 00:44:37,500

seeing and it's been happening already

1110

00:44:43,130 --> 00:44:40,490

for years but it's very slow process

1111

00:44:45,140 --> 00:44:43,140

unless the aliens themselves force the

1112

00:44:46,670 --> 00:44:45,150

issue they could force it yesterday they

1113

00:44:50,840 --> 00:44:46,680

wanted he had knocked on the door yeah

1114

00:44:53,450 --> 00:44:50,850

and they don't so yeah I don't know and

1115

00:44:55,400 --> 00:44:53,460

I know I'm not a big believer in the

1116

00:44:58,550 --> 00:44:55,410

dramatic disclosure but if you look at

1117

00:45:00,530 --> 00:44:58,560

the current generations and you ask them

1118

00:45:01,160 --> 00:45:00,540

about aliens they think it's perfectly

1119

00:45:03,339 --> 00:45:01,170

natural

1120

00:45:06,049 --> 00:45:03,349

they don't have all these you know

1121

00:45:08,000 --> 00:45:06,059

hangups like our generation had about

1122

00:45:10,670 --> 00:45:08,010

the issue I think that they've been so

1123

00:45:13,730 --> 00:45:10,680

many not only you for material but also

1124

00:45:16,490 --> 00:45:13,740

science fiction and Hollywood movies and

1125

00:45:19,120 --> 00:45:16,500

you think leave your game you say alien

1126

00:45:21,829 --> 00:45:19,130

discover any of the government's no I

1127

00:45:23,660 --> 00:45:21,839

think the government's some governments

1128

00:45:27,140 --> 00:45:23,670

the major governments have a lot of data

1129

00:45:29,420 --> 00:45:27,150

and it may be probably even pieces of

1130

00:45:31,549 --> 00:45:29,430

objects or whatever maybe even then

1131

00:45:32,720 --> 00:45:31,559

aliens who knows but I don't think they

1132

00:45:34,250 --> 00:45:32,730

have the complete picture

1133

00:45:35,720 --> 00:45:34,260

that's what if they if they completely

1134

00:45:37,579 --> 00:45:35,730

knew everything maybe they would have

1135

00:45:39,380 --> 00:45:37,589

released it but if they don't if they

1136

00:45:41,420 --> 00:45:39,390

already know these things are real but

1137

00:45:44,030 --> 00:45:41,430

they don't know the basic questions you

1138

00:45:46,579 --> 00:45:44,040

know what I why they're coming here then

1139

00:45:48,620 --> 00:45:46,589

they wouldn't reveal it well I used to

1140

00:45:51,049 --> 00:45:48,630

be hynek's opinions and all the late dr.

1141

00:45:52,789 --> 00:45:51,059

Heine feel he said that it was so that

1142

00:45:55,640 --> 00:45:52,799

was a reason of the cover-up it was like

1143

00:45:57,079 --> 00:45:55,650

because the government it's like a like

1144

00:45:59,299 --> 00:45:57,089

a father right he's supposed to have all

1145

00:46:01,400 --> 00:45:59,309

the answers and for them to come to the

1146

00:46:03,049 --> 00:46:01,410

public saying oh yeah we know these

1147

00:46:05,450 --> 00:46:03,059

things are real but first of all we

1148

00:46:07,430 --> 00:46:05,460

cannot control them and second we don't

1149

00:46:09,260 --> 00:46:07,440

know really what their own whether their

1150

00:46:11,599 --> 00:46:09,270

goal if there is the scourge of where do

1151

00:46:15,020 --> 00:46:11,609

you think it will come from outside of

1152

00:46:17,630 --> 00:46:15,030

them if there is I think it's almost

1153

00:46:18,230 --> 00:46:17,640

more likely to be outside in an exit

1154

00:46:20,150 --> 00:46:18,240

company

1155

00:46:22,250 --> 00:46:20,160

well Mexico and the weird thing about

1156

00:46:24,500 --> 00:46:22,260

Mexico is like if the government has

1157

00:46:26,960 --> 00:46:24,510

been practically nothing in Mexico right

1158

00:46:29,240 --> 00:46:26,970

I recently saw kind of a at this taylean

1159

00:46:30,740 --> 00:46:29,250

in LA I mean my son and they're asking

1160

00:46:32,930 --> 00:46:30,750

about the mexican air force and he said

1161

00:46:34,370 --> 00:46:32,940

the practica doesn't exist in mexican

1162

00:46:36,920 --> 00:46:34,380

there's practically no mexican air force

1163

00:46:39,349 --> 00:46:36,930

yeah it was that one video yeah yeah

1164

00:46:41,359 --> 00:46:39,359

that's the Mexican every opposite but

1165

00:46:43,730 --> 00:46:41,369

that was even a project financed by us

1166

00:46:46,190 --> 00:46:43,740

or for a dragon to death right yeah you

1167

00:46:51,049 --> 00:46:46,200

see how well that works yeah it's not

1168

00:46:53,030 --> 00:46:51,059

very well yeah no I don't think would be

1169

00:46:55,430 --> 00:46:53,040

Mexico more likely would be I don't know

1170

00:46:57,650 --> 00:46:55,440

it could be Russia could be any country

1171

00:46:59,450 --> 00:46:57,660

I guess I believe me you have friends

1172

00:47:02,599 --> 00:46:59,460

you have serious countries that have

1173

00:47:05,180 --> 00:47:02,609

released a lot of documentation well I I

1174

00:47:06,460 --> 00:47:05,190

want to thank you for your time today

1175

00:47:08,510 --> 00:47:06,470

this is what do one of the most

1176

00:47:09,290 --> 00:47:08,520

interesting interviews because this is

1177

00:47:12,410 --> 00:47:09,300

something I'm kind

1178

00:47:14,810 --> 00:47:12,420

you know into the International aspect

1179

00:47:18,260 --> 00:47:14,820

of this back in fact by world oh there

1180

00:47:23,180 --> 00:47:18,270

yeah back in the 1960s

1181

00:47:26,060 --> 00:47:23,190

back in the 1960s I had published a book

1182

00:47:31,130 --> 00:47:26,070

us was around the world and that was the

1183

00:47:32,900 --> 00:47:31,140

first though yeah yeah yeah what's the

1184

00:47:34,940 --> 00:47:32,910

shuffle I have a chapter in there I know

1185

00:47:37,820 --> 00:47:34,950

where there were articles in fact from

1186

00:47:40,700 --> 00:47:37,830

the China there was yeah yeah so we kind

1187

00:47:42,410 --> 00:47:40,710

of been onto that you know for quite

1188

00:47:44,570 --> 00:47:42,420

quite a while well you know what there

1189

00:47:46,190 --> 00:47:44,580

was completely changed now the

1190

00:47:47,630 --> 00:47:46,200

International perspective and their

1191

00:47:49,820 --> 00:47:47,640

researchers of course they ended it

1192

00:47:51,980 --> 00:47:49,830

because in the old days it was very hard

1193

00:47:54,730 --> 00:47:51,990

you either had to travel you have to

1194

00:47:56,660 --> 00:47:54,740

have extensive contacts or

1195

00:48:00,410 --> 00:47:56,670

correspondence with people big budget

1196

00:48:02,690 --> 00:48:00,420

like UFO universelle right yeah but now

1197

00:48:04,760 --> 00:48:02,700

with the internet it's amazing you can

1198

00:48:06,620 --> 00:48:04,770

you can instantly immediately you were

1199

00:48:09,980 --> 00:48:06,630

foreseen in Malaysia he'll be in you

1200

00:48:12,530 --> 00:48:09,990

know yeah you can contact people by

1201

00:48:16,670 --> 00:48:12,540

email by Facebook by all these things

1202

00:48:18,080 --> 00:48:16,680

almost immediately so yeah there's it's

1203

00:48:20,900 --> 00:48:18,090

completely changed at what you do

1204

00:48:23,960 --> 00:48:20,910

research in especially on the Internet I

1205

00:48:26,000 --> 00:48:23,970

think before we close here I understand

1206

00:48:27,290 --> 00:48:26,010

that the open mind in an organization

1207

00:48:28,850 --> 00:48:27,300

that you would work for and we were

1208

00:48:32,750 --> 00:48:28,860

their offices today were impressed by

1209

00:48:34,730 --> 00:48:32,760

this they are going to be promoting the

1210

00:48:36,530 --> 00:48:34,740

UFO Congress so yeah it's like next year

1211

00:48:38,480 --> 00:48:36,540

do we even copy the magazine here by the

1212

00:48:42,650 --> 00:48:38,490

way will be nice to show it under the

1213

00:48:56,870 --> 00:48:42,660

babies and the one of the labs they stem

1214

00:48:57,650 --> 00:48:56,880

our staff here will steps yes yeah great

1215

00:48:59,480 --> 00:48:57,660

thank you

1216

00:49:01,880 --> 00:48:59,490

well open minds of course you know we're

1217

00:49:02,960 --> 00:49:01,890

doing every kind of media we're doing we

1218

00:49:04,550 --> 00:49:02,970

have a magazine which a

1219

00:49:05,480 --> 00:49:04,560

wonderful-looking magazine which is

1220

00:49:08,540 --> 00:49:05,490

bimonthly

1221

00:49:11,090 --> 00:49:08,550

and we have of course a big website and

1222

00:49:13,430 --> 00:49:11,100

open minds talk TV so it's really easy

1223

00:49:15,470 --> 00:49:13,440

to improve go we have the great new

1224

00:49:19,190 --> 00:49:15,480

program advanced radio which Alejandro

1225

00:49:20,870 --> 00:49:19,200

Rojas does and well we have the TV

1226
00:49:24,110 --> 00:49:20,880
programs although that will come later

1227
00:49:24,560 --> 00:49:24,120
some little TV fragments are on the

1228
00:49:27,320 --> 00:49:24,570
website

1229
00:49:29,480 --> 00:49:27,330
no the the radio program is actually

1230
00:49:31,910 --> 00:49:29,490
enough you can see on ice cream yes yes

1231
00:49:33,740 --> 00:49:31,920
yes so that is to me it's TV is their

1232
00:49:35,390 --> 00:49:33,750
way of to be young we have some roughing

1233
00:49:39,020 --> 00:49:35,400
who's a professional you know used to

1234
00:49:41,090 --> 00:49:39,030
work for paramount he's very

1235
00:49:43,790 --> 00:49:41,100
perfectionist you know and all the

1236
00:49:45,740 --> 00:49:43,800
camera work and all multiple cameras and

1237
00:49:47,420 --> 00:49:45,750
all that so I think eventually the

1238
00:49:49,880 --> 00:49:47,430

problems will be very good but right now

1239

00:49:52,790 --> 00:49:49,890

we're still in the early stages but then

1240

00:49:53,840 --> 00:49:52,800

the final leg of our operation is that

1241

00:49:55,730 --> 00:49:53,850

we acquired

1242

00:49:57,350 --> 00:49:55,740

took over basically the the

1243

00:49:59,810 --> 00:49:57,360

international you know for Congress

1244

00:50:01,490 --> 00:49:59,820

that's already involved in actually what

1245

00:50:03,380 --> 00:50:01,500

most people don't realize that it didn't

1246

00:50:10,220 --> 00:50:03,390

start in Nevada started in Arizona

1247

00:50:12,500 --> 00:50:10,230

it started in Tucson yeah yeah we will

1248

00:50:13,880 --> 00:50:12,510

stay together the hotel just there the

1249

00:50:19,670 --> 00:50:13,890

other night there you go

1250

00:50:23,390 --> 00:50:19,680

it small world this is I think so this

1251
00:50:25,010 --> 00:50:23,400
is the cover of our first issue and I

1252
00:50:28,220 --> 00:50:25,020
can mention the second issue would have

1253
00:50:31,340 --> 00:50:28,230
the Vatican you know right here we have

1254
00:50:33,950 --> 00:50:31,350
the thing for them for the conference so

1255
00:50:36,980 --> 00:50:33,960
we're moving the conference to Arizona

1256
00:50:39,650 --> 00:50:36,990
to an Indian Reservation in Fort

1257
00:50:42,140 --> 00:50:39,660
McDowell which is only half an hour away

1258
00:50:44,480 --> 00:50:42,150
from things so be much easier for people

1259
00:50:46,640 --> 00:50:44,490
now to fly because that was the one

1260
00:50:48,650 --> 00:50:46,650
criticism of Laughlin that you have to

1261
00:50:50,300 --> 00:50:48,660
fly to Las Vegas and then take a like an

1262
00:50:53,090 --> 00:50:50,310
hour and a half shot or something

1263
00:50:55,040 --> 00:50:53,100

now we're only half an hour shuttle and

1264

00:50:58,090 --> 00:50:55,050

it's a very nice place it's still a

1265

00:51:01,310 --> 00:50:58,100

casino so that tradition even continues

1266

00:51:03,170 --> 00:51:01,320

but it has a separate conference room a

1267

00:51:06,410 --> 00:51:03,180

lot of people used to complain in

1268

00:51:07,390 --> 00:51:06,420

Laughlin about the cigarette smoke here

1269

00:51:09,609 --> 00:51:07,400

however you have

1270

00:51:11,019 --> 00:51:09,619

different building smokers will still be

1271

00:51:12,999 --> 00:51:11,029

happy because they can go to the next

1272

00:51:15,430 --> 00:51:13,009

building and small quarrel site by the

1273

00:51:16,749 --> 00:51:15,440

non-smokers and believe me I've heard a

1274

00:51:18,370 --> 00:51:16,759

lot of people I mean you know I'm

1275

00:51:21,130 --> 00:51:18,380

thinking I had already I'm smoking

1276

00:51:24,640 --> 00:51:21,140

yeah so hey I think it's going to be

1277

00:51:26,499 --> 00:51:24,650

great it will have anybody lined up to

1278

00:51:28,569 --> 00:51:26,509

speaking so far well we're we're working

1279

00:51:32,559 --> 00:51:28,579

with it it's on it will be on February

1280

00:51:35,109 --> 00:51:32,569

16th through the 20th yeah we have a lot

1281

00:51:37,029 --> 00:51:35,119

of them you know well would nobody's

1282

00:51:39,339 --> 00:51:37,039

being officially invited yet so I'd

1283

00:51:41,829 --> 00:51:39,349

rather not say names but we'll have a

1284

00:51:44,859 --> 00:51:41,839

lot of things that people run how many

1285

00:51:47,499 --> 00:51:44,869

days well a Laughton used to go almost

1286

00:51:49,660 --> 00:51:47,509

four days or nine days which is way too

1287

00:51:51,999 --> 00:51:49,670

much we are just gonna begin on

1288

00:51:53,589 --> 00:51:52,009

Wednesday I think Wednesday afternoon

1289

00:51:54,249 --> 00:51:53,599

and it will go all the way through

1290

00:51:56,470 --> 00:51:54,259

Sunday

1291

00:51:59,529 --> 00:51:56,480

and so it's still a very good start

1292

00:52:01,599 --> 00:51:59,539

already and on Monday yeah it's person

1293

00:52:03,609 --> 00:52:01,609

passed out right yeah most conferences

1294

00:52:07,210 --> 00:52:03,619

only do it two days oh oh yeah Nathan

1295

00:52:09,099 --> 00:52:07,220

decision right yeah so that would give

1296

00:52:11,259 --> 00:52:09,109

us a lot of visibility obviously when we

1297

00:52:13,749 --> 00:52:11,269

do this conference and Phoenix as your

1298

00:52:20,109 --> 00:52:13,759

nose become it's almost like a

1299

00:52:22,120 --> 00:52:20,119

centre-forward yes yes rizona New Mexico

1300

00:52:24,099 --> 00:52:22,130

of course we have the Phoenix lights and

1301
00:52:26,739 --> 00:52:24,109
we have the governor who really killed

1302
00:52:28,870 --> 00:52:26,749
it back then and now and you you better

1303
00:52:30,549 --> 00:52:28,880
get right over busy and we will yeah

1304
00:52:32,950 --> 00:52:30,559
yeah matter of fact we were working on

1305
00:52:34,569 --> 00:52:32,960
that and we're working on it if you only

1306
00:52:37,479 --> 00:52:34,579
one who besides all the well-known

1307
00:52:41,049 --> 00:52:37,489
researchers we also want to have like a

1308
00:52:44,279 --> 00:52:41,059
couple of celebrities if we can well Dan

1309
00:52:50,339 --> 00:52:44,289
Akroyd yeah someone like a rock star or

1310
00:52:55,900 --> 00:52:53,739
his chances yes but so that'll make the

1311
00:52:58,539 --> 00:52:55,910
six o'clock news yeah yeah if we can get

1312
00:53:02,019 --> 00:52:58,549
or you know maybe a Russian cosmonaut

1313
00:53:03,910 --> 00:53:02,029

whatever where we can get so we can get

1314

00:53:05,499 --> 00:53:03,920

some some press tools did one of the

1315

00:53:07,569 --> 00:53:05,509

Russian cosmonauts you know your father

1316

00:53:10,380 --> 00:53:07,579

that's why recently right yes we have

1317

00:53:12,840 --> 00:53:10,390

the Memorial in fact there's right here

1318

00:53:16,140 --> 00:53:12,850

I knew I read some yeah yeah yeah

1319

00:53:18,210 --> 00:53:16,150

general babble Popovich yeah that was

1320

00:53:20,400 --> 00:53:18,220

related to yeah he was the husband of

1321

00:53:22,410 --> 00:53:20,410

marina uh-huh well they both went into

1322

00:53:23,400 --> 00:53:22,420

space then she wouldn't say no she never

1323

00:53:25,410 --> 00:53:23,410

went into space

1324

00:53:27,030 --> 00:53:25,420

she was a test pilot and Sheena

1325

00:53:29,040 --> 00:53:27,040

qualified and said the customer knows

1326

00:53:31,110 --> 00:53:29,050

but she never actually went to space but

1327

00:53:33,330 --> 00:53:31,120

he had a yogi son yes he did he had a

1328

00:53:36,090 --> 00:53:33,340

UFO sighting but not in space here in

1329

00:53:40,350 --> 00:53:36,100

UFO sighting flying between Washington

1330

00:53:42,390 --> 00:53:40,360

and Moscow yes on an airplane but he was

1331

00:53:44,490 --> 00:53:42,400

the gospel now the general the Soviet

1332

00:53:47,340 --> 00:53:44,500

Union a hero they also you know all the

1333

00:53:49,860 --> 00:53:47,350

kinds of titles and he lent his prestige

1334

00:53:52,830 --> 00:53:49,870

yeah one time he was even the egg of

1335

00:53:54,510 --> 00:53:52,840

this association of various scientific

1336

00:53:56,460 --> 00:53:54,520

groups that were attached to the Academy

1337

00:53:58,350 --> 00:53:56,470

of Sciences because in the Soviet days

1338

00:54:00,750 --> 00:53:58,360

that one way you could do follow you in

1339

00:54:03,570 --> 00:54:00,760

Russia you have to be very scientific in

1340

00:54:05,340 --> 00:54:03,580

you were like you know connected to an

1341

00:54:07,980 --> 00:54:05,350

academy or something like that then you

1342

00:54:11,880 --> 00:54:07,990

would kind of get away with it and so

1343

00:54:15,300 --> 00:54:11,890

they had him as a leader for some years

1344

00:54:17,850 --> 00:54:15,310

and he was the first one who obtained a

1345

00:54:20,460 --> 00:54:17,860

number of documents from the KGB Tintin

1346

00:54:22,380 --> 00:54:20,470

on UFOs after the fall of the Soviet

1347

00:54:24,900 --> 00:54:22,390

Union and things were a lot of things

1348

00:54:26,610 --> 00:54:24,910

were happening there yes he obtained a

1349

00:54:29,010 --> 00:54:26,620

file about about a hundred documents

1350

00:54:30,960 --> 00:54:29,020

from the KGB Lane of George Knapp and

1351

00:54:33,390 --> 00:54:30,970

other people obtained more but he was

1352

00:54:35,700 --> 00:54:33,400

the first one so yeah he was a prominent

1353

00:54:38,760 --> 00:54:35,710

guy but he was not the only one they

1354

00:54:40,980 --> 00:54:38,770

were about two or three others more

1355

00:54:43,080 --> 00:54:40,990

actually I have a piece on Russian

1356

00:54:44,430 --> 00:54:43,090

cosmonauts in the web site in our open

1357

00:54:46,680 --> 00:54:44,440

minds website where I go through the

1358

00:54:49,980 --> 00:54:46,690

whole list and there were many that's

1359

00:54:51,210 --> 00:54:49,990

had sightings and oddly enough when he

1360

00:54:54,750 --> 00:54:51,220

comes to you a false

1361

00:54:57,240 --> 00:54:54,760

Russian cosmonauts are our record more

1362

00:54:58,830 --> 00:54:57,250

open-minded in more than the American

1363

00:55:01,530 --> 00:54:58,840

astronauts American astronaut

1364

00:55:03,180 --> 00:55:01,540

you know they're very difficult on this

1365

00:55:05,100 --> 00:55:03,190

subject but there are some exceptions of

1366

00:55:06,360 --> 00:55:05,110

course Gordon Cooper would be a same in

1367

00:55:08,910 --> 00:55:06,370

Edgar Mitchell

1368

00:55:10,650 --> 00:55:08,920

more recently yeah and maybe a couple of

1369

00:55:12,390 --> 00:55:10,660

others that have seen something or

1370

00:55:13,920 --> 00:55:12,400

admitted to something but the rest of it

1371

00:55:15,270 --> 00:55:13,930

don't want to deal with it but the

1372

00:55:18,270 --> 00:55:15,280

Russians seem to be more open-minded

1373

00:55:23,550 --> 00:55:18,280

about now looking back how many years

1374

00:55:28,950 --> 00:55:23,560

houses I started in 1977 so it's 33

1375

00:55:33,150 --> 00:55:28,960

years you got into this yeah

1376

00:55:35,280 --> 00:55:33,160

now I am I mean I've had my ups and

1377

00:55:38,070 --> 00:55:35,290

downs there were periods where I kind of

1378

00:55:39,600 --> 00:55:38,080

regretted it either but since I took a

1379

00:55:41,130 --> 00:55:39,610

vacation which you were talking the

1380

00:55:42,840 --> 00:55:41,140

beginning of the death of you and Daniel

1381

00:55:48,210 --> 00:55:42,850

because also after you know I'm sure it

1382

00:55:50,430 --> 00:55:48,220

happened to you too and I know you I

1383

00:55:53,400 --> 00:55:50,440

would point even get tired of this story

1384

00:55:56,490 --> 00:55:53,410

yeah it's gonna hurt them long jaded so

1385

00:55:58,650 --> 00:55:56,500

I took a few years off literally I kept

1386

00:56:00,420 --> 00:55:58,660

a little contact but not much and now

1387

00:56:01,200 --> 00:56:00,430

everything is kind of new again so

1388

00:56:04,080 --> 00:56:01,210

that's exciting

1389

00:56:06,960 --> 00:56:04,090

well let's conclude again but the

1390

00:56:10,530 --> 00:56:06,970

website yeah so the website is basically

1391

00:56:12,840 --> 00:56:10,540

open you know after the www open minds

1392

00:56:16,260 --> 00:56:12,850

dot TV it's really simple

1393

00:56:18,090 --> 00:56:16,270

and once you get there it's pretty

1394

00:56:20,190 --> 00:56:18,100

self-explanatory I mean you can you can

1395

00:56:23,160 --> 00:56:20,200

go to and are not and a magazine is a

1396

00:56:25,140 --> 00:56:23,170

magazine is open minds magazine which

1397

00:56:27,480 --> 00:56:25,150

you can find on any of the bars or

1398

00:56:30,870 --> 00:56:27,490

novels or borders or you can subscribe

1399

00:56:33,450 --> 00:56:30,880

overriding our website as well and then

1400

00:56:36,030 --> 00:56:33,460

the radio if you leave it in in Phoenix

1401

00:56:37,470 --> 00:56:36,040

you can listen to the radio life but if

1402

00:56:40,350 --> 00:56:37,480

you don't then you go through our

1403

00:56:42,510 --> 00:56:40,360

website and I never say they have the

1404

00:56:44,910 --> 00:56:42,520

program is impressive wendell stevens

1405

00:56:48,570 --> 00:56:44,920

has been on oh yeah my buddy Jim Mattel

1406

00:56:50,670 --> 00:56:48,580

atossa yes you're invited am I

1407

00:56:52,350 --> 00:56:50,680

we even had this Sanctus poor natives

1408

00:56:54,150 --> 00:56:52,360

that were nothing before you know the

1409

00:56:57,090 --> 00:56:54,160

the guy with the Hillary book and all

1410

00:56:59,010 --> 00:56:57,100

that he was in our program and yeah

1411

00:57:00,930 --> 00:56:59,020

we've had many people of course we've

1412

00:57:05,000 --> 00:57:00,940

appeared there too and and your hostess

1413

00:57:07,350 --> 00:57:05,010

he's a very good done yeah the country's

1414

00:57:09,390 --> 00:57:07,360

easygoing guy so he gets from

1415

00:57:11,450 --> 00:57:09,400

with everybody he used to be with move

1416

00:57:15,300 --> 00:57:11,460

for your fun he was a director of

1417

00:57:16,080 --> 00:57:15,310

information and education for MUFON so

1418

00:57:19,620 --> 00:57:16,090

it's a good show

1419

00:57:24,720 --> 00:57:19,630

every Monday and now it's that from 7:00

1420

00:57:27,450 --> 00:57:24,730

to know from 9:00 to 10:00 west coast of

1421

00:57:29,520 --> 00:57:27,460

course so it will be much later but it's

1422

00:57:31,950 --> 00:57:29,530

right we're basically right before coast

1423

00:57:34,320 --> 00:57:31,960

to coast so people don't have to pick it

1424

00:57:36,030 --> 00:57:34,330

up you don't have to stay I will not you

1425

00:57:38,220 --> 00:57:36,040

can check it out on the next day I think

1426
00:57:40,860 --> 00:57:38,230
I asked you're gonna go say something

1427
00:57:42,810 --> 00:57:40,870
about the Internet yeah it never got

1428
00:57:44,460 --> 00:57:42,820
whatever you say never goes away none

1429
00:57:46,290 --> 00:57:44,470
like coast to coast we don't charge

1430
00:57:48,330 --> 00:57:46,300
anything I think obstacles you have to

1431
00:57:51,060 --> 00:57:48,340
pay that's extreme then you have access

1432
00:57:53,280 --> 00:57:51,070
you know ours is free and you can go and

1433
00:57:55,080 --> 00:57:53,290
watch any show you want well I want to

1434
00:57:56,670 --> 00:57:55,090
thank you Andy me oh I didn't see you a

1435
00:57:58,380 --> 00:57:56,680
my friend from the hood in the armored

1436
00:58:01,800 --> 00:57:58,390
car well yeah maybe and I had Indian

1437
00:58:04,560 --> 00:58:01,810
food and you know for train yeah go to

1438
00:58:06,870 --> 00:58:04,570

the open mind website and don't forget

1439

00:58:09,540 --> 00:58:06,880

to go to our but typically again

1440

00:58:13,500 --> 00:58:09,550

reporting for the conspiracy Journal
